

SERVICE IN PEACE AS WELL AS IN WAR.

A few evenings ago the Ex-Servicemen's Club of Plymouth—a patriotic organization composed of veterans of all wars, commemorated the 25th anniversary of its existence.

The event was an outstanding one, attended by many Plymouth citizens as well as large numbers of local veterans who have the honor of being a member of this unusual organization. But hundreds of others who could not attend, tipped their hats in tribute to a group that has deemed it as important to serve humanity during peace as well as in war.

It is doubtful if any group anywhere can be found which has carried on such a never-failing service to those in distress as has the Ex-Servicemen's Club of Plymouth.

Its right hand of helpfulness has never been confined strictly to veterans and their families. Frequently the members of this patriotic group have extended aid to those who never had the opportunity to wear the uniforms of the armed forces. Wherever aid has been needed, the Ex-Servicemen have done what they could to provide that assistance. Little wonder that Plymouth citizens hold in such high regard this truly American patriotic organization.

May all of its members live another 25 years—and may the future provide all of the blessings to which every Ex-Serviceman is fully entitled by his service in peace as well as in war.

A PAT ON THE BACK FOR THIS ONE.

We know little of the inside doings of the various labor groups in Michigan. But we do happen to know George W. Dean, the newly elected president of the Michigan Federation of Labor very well. During years of observation, it has always been noted that Mr. Dean has put forth a real effort to be absolutely fair and square with both the worker and the employer.

Newspapers say that he was elected to this high position largely through the efforts of James Hoffa, president of the Teamsters Union. If that is so, then, too, we have a pat on the back for Mr. Hoffa. Ordinarily we find it a bit difficult to say a kind word about any one who has ever been associated, directly or indirectly, with the New Deal. But it appears that Mr. Hoffa is big enough and broad enough to place the public welfare above that of the New Deal. We hope for the new administration of the Federation the type of success that will be for the benefit of all of the good people of Michigan.

HE IS WAY OUT—OR SHOULD BE.

It was with a bit more than ordinary interest that we read in the newspapers the other day of the intentions of Duncan McCrea to become a candidate for the Detroit city council.

McCrea, as it will be recalled, was one of the New Deal county officials of Wayne county to be sent to prison for grafting while holding a public office.

Michigan has a rather weak statute which intends to prohibit public officials who have been convicted of grafting while in office from ever again holding any public office in Michigan.

While a member of the legislature a number of years ago, the writer sought to have a much stronger provision written into the constitution of the state. But to get a constitutional provision on the ballot, it requires a two thirds vote of the legislature. Unfortunately for Michigan at that time there were a sufficient number of New Dealers in the legislature to kill this provision. Just one more vote was needed—but New Dealers stood like a stone wall against giving the people of Michigan a chance to strengthen this ban against grafting public officials.

McCrea being a lawyer, must know what the present statute provides. We cannot see how he thinks it can be evaded, even though the provision is not as strong as it should be.

BUNK—JUST PLAIN, EVERY DAY BUNK.

Heard Governor Williams' alleged report "to the people" on the work of the recent special session of the legislature. He said it didn't do much of anything because it didn't pass all the foolish legislation he had asked it to enact into laws. The next day after hearing this insipid speech, we read Blair Moody's column in The Detroit News in which he said congress had done little, but had much to do after the Memorial day recess.

It's the same old bunk. Legislative records in congress, or in the legislature, are not made upon the number of bills passed and enacted into law. Sometimes the greatest work of a congress or a legislature comes about through bills it kills, refusing to enact them into laws. Frequently, very frequently, the country is rendered a highly important service by the refusal of congress to enact into laws some proposed measures.

But it takes time, lots of time, frequently, to kill a bill. Hearings must be held. Information gathered and reports prepared. Sometimes a bill is killed in committee. Sometimes on the house or senate floor.

But the Blair Moodys give congress no credit for protecting the country from much of the legislation proposed in the house or senate. They seem to think that congress hasn't done any work if a lot of legislation proposed by the President or pressure groups is not written into the statute books.

Such comment is pretty much the bunk—and we have too much bunk coming out of Washington, and Lansing, too.

A COMMENDABLE RECORD NEARS END.

Announcement made by Congressman Earl Michener of Adrian a few days ago states, that because of the illness of his wife he would not seek re-election to a congressional seat he has held for much longer than a quarter of a century.

He made his decision after citizens not only in his congressional district but throughout the state had urged him to continue in congress for at least another term because of the critical political conditions in the nation's capital.

No one can disagree with his decision under the circumstances, but the situation is an unfortunate one because of the fact that one who has served so well and is so highly regarded in Washington, finds it necessary to end a political career that has been of the most honorable and progressive type.

Congressman Michener is well known in Plymouth and for years he has been a close personal friend of former postmaster Bert Giles, a former resident of the second congressional district which Congressman Michener has served with outstanding distinction.

His retirement leaves vacant a congressional position that will not be an easy task for some one else to fill.

It would not be amiss at this time to say a word about the late Congressman John Lesinski. We had known him for many years and during the years that this legislative congressional district overlapped much of the sixth congressional district, we often met at political meetings where both Republicans and Democrats had been invited.

While our views differed widely, the writer held him in high respect. Our last meeting was at the Governor's conference held a few years ago at Mackinac Island. As an indication of the type of a citizen he was, he went out of his way to say kind words about our legislative efforts in Lansing, even though we were of different political parties. To his family and friends The Plymouth Mail extends its sympathy. He was a good citizen—and an honor to his district.

Capacity Crowd Views Grade School Spring Festival

A more than capacity crowd jammed the bleachers at the high school athletic field last Wednesday when the Starkweather and Central Grade schools presented the annual Spring Festival. Mrs. Kathleen Petschauer, vocal music instructor for elementary schools, was director of the festival, which had as its theme "The United States." Groups of students represented each section of the country with songs and dances. The backdrop for the outdoor presentation was made by the students under the supervision of Miss Marie Post, art teacher. Fred Nelson was accompanist for the program and principals and teachers assisted in its direction.

Report on School Progress at Board Annual Meeting

The annual meeting of the Plymouth township school district was held last Monday night in the high school gymnasium. The annual financial report indicated a good year for the district with an increase of over \$20,000 in the cash balance at the end of the fiscal year.

The balance on hand in June, 1949, was \$32,729.81 and this June it totaled \$53,487.62. The balance on hand in the 1949 Building and Site fund totals as of June 10, \$1,223,141.03.

At the annual meeting Kenneth Hulsing, board president, commented on the expansion program now being undertaken by the school board and reported on the progress of the Smith elementary school now under construction. He further stated that bids on the new Bird elementary school will be let June 20 and that plans for the addition to Plymouth High school should be ready by August.

Dr. A. C. Williams, board treasurer, stated in his report that the district is in excellent condition financially and that money is on hand to meet all building obligations as they come due. Dr. Williams' term of office expired Monday and he thanked members of the board and school district for their cooperation during his three years on the board.

A motion was approved to again fix the salaries of the board at a total of \$1,000 for all members.

City Day Camp to Open June 28

The city recreation department's Day Camp, located at Kensington park this summer, will open June 28. The camp, open to all boys and girls from 9 to 14 years of age, will offer activities such as hiking, nature study, fishing, outdoor cooking and swimming.

Mrs. Arthur Donnelly will be camp director and with her competent staff the activities will be well supervised. A life guard will be on duty at all times when children are swimming.

The school bus will leave the high school at 9 a. m. and return at 4:30 p. m. each Wednesday and Friday. Children who wish to attend must register at their nearest playground on Monday morning of each week of attendance. Those not registered will not be accepted. Every child should be equipped with a pocket knife, bathing suit, towel, a lunch and ten cents for transportation. Milk will be furnished by the Plymouth Optimist club.

Camp counselors include Beth Hoheisel, Barbara Daniels, Sally Holcomb, Beverly Baisley, Pat Pine, Mrs. Ruth Kurtz and Dick Cramb.

Kenneth Hulsing-Wallace Laury Win Seats on Board of Education

Kenneth Hulsing and Wallace Laury were elected to seats on the board of education in last Monday's school election. Hulsing won re-election by carrying 313 of the 586 votes cast. Laury gained 264 votes, a slight margin over Michael Huber who campaigned with Laury for the two vacancies on the board.

The two proposals for annexation to the Plymouth township school district of the Hough and Bartlett schools were voted down by the electors. The two school districts had requested that the annexation proposals be placed on the ballot. Elections on the proposals were held Monday night in each of the two districts. Hough electors voted against the proposal but the Bartlett district voters were all for annexation, casting 101 votes for annexation and seven against. Hough voted 30 for annexation and 75 against. Since the proposals were defeated by Plymouth township voters, the school districts will not be annexed.

Votes for the board members and annexation tallied as follows:

Kenneth Hulsing	313
Wallace Laury	264
Michael Huber	256
Carl Wall	175
J. Rusling Cutler	111

Proposal I: for annexation of the Hough school district:
Yes 255
No 309

Proposal II: for the annexation of the Bartlett school district:
Yes 252
No 312

Out of 3,000 registered voters, only 586 cast their ballots Monday, a decrease of almost 50 percent under last year's school election.

Legion Summer Carnival Set For Week of June 19

The Myron Beals Post No. 32 of the American Legion will sponsor another of its summer carnivals again this year with the dates set for June 19 through June 25. The carnival will feature a merry-go-round, ferris wheel, concessions and many other amusements, according to John Jacobs, carnival chairman.

Proceeds of the carnival will be used for the post's child welfare and rehabilitation work. On Saturday, June 24, the Legionnaires plan a special children's matinee from 3 to 5 p.m. Special prizes for children will be charged for all amusements and free balloons will be given away.

The carnival will be held on the veterans' memorial property at the corner of Karmada and Farmer streets. It will open every evening at about 7:30.

Zavitz Graduates From West Point

Paul R. Zavitz, son of Mr. and Mrs. O. J. Zavitz of 15651 Edington street, was graduated June 6 from the United States Military Academy at West Point. His parents attended the graduation exercises.

Zavitz now holds the rank of second lieutenant. He will remain in Plymouth until August when he will leave for his assignment to the 11th airborne division at Camp Campbell in Kentucky.

Paul Wagner to Attend Clinic of Pierre Montoux

Paul Wagner, conductor of the Plymouth Symphony orchestra and instructor of instrumental music at Plymouth schools, will attend the conductor's clinic to be held in August under the supervision of the great master, Pierre Montoux.

Only 50 musicians are selected each year to study at the clinic, and Mr. Wagner deems it a singular honor to be accepted. Montoux formerly held these clinics in Paris but since the war he conducts them at his estate in Hancock, Maine. Registrants for the clinic must be professional musicians or advanced scholars of professional intent. All students are expected to be proficient in such basic subjects as harmony, counterpoint, orchestration and history of music.

Classes to be studied this year at the clinic include Beethoven's Fourth Symphony, Brahms' Third Symphony, Schumann's Second and Third, Mendelssohn's Scotch and Italian symphonies, Wagner's Tristan Prelude and Liebestod, Ravel's Mother Goose suite, Prokofiev's Classical Symphony and Respighi's Fountains of Rome.

The clinic sessions begin August 1 and end August 31. Clinic study will be devoted to an analysis of the works to be performed and students will take turns in conducting these compositions with an orchestra. Mr. Wagner will play the trombone in the clinic orchestra.

Wagner has been conductor of the Plymouth symphony since it began, and he has worked with the orchestra every season without remuneration. The symphony is now in its fifth successful season.

Kiwanians Ask Help on Cabin

As the deadline for the completion of the Kiwanis Girl Scout Cabin draws near, Kiwanians have sent out an appeal to all interested in the cabin to aid in the construction work. They have especially asked help of the fathers of Girl and Boy Scouts.

Those willing to join the working crews out at the cabin are asked to call Jim Gallimore at 127-W or Byron Becker at 2156-W. Girl Scouts plan to open their day camp at the cabin site within the next few weeks but, according to Kiwanians, many finishing touches to the cabin will have to be made before then.

Represent Local Red Cross-Wayne county Red Cross branches will be well represented at the national convention of the American Red Cross in Detroit, June 26-29. Delegates were named at a recent meeting in Detroit Chapter House, and the local Plymouth branch will be represented by Mrs. Mowry Arnold and Mrs. Henry R. Penhale.

Newman Announces Biggest County Real Estate Transaction

Detroit Chain Stores Soon to Locate on Southwest Corner of Plymouth and Middle Belt Roads Across from the New Ford Plant

Announcement was made Tuesday by Mrs. Howard Sharpley that she had sold the Wilson property on the southwest corner of Plymouth and Middlebelt roads to the Newman Farms Company of Detroit. The site is used at present by the Wayne County Airport which has been given notice to move.

The transaction which involved 280 acres was one of the largest real estate deals ever consummated in Wayne County and marks the first sale of any of the acreage since it was homesteaded from the government over 100 years ago by Phineas Wilson, great-grandfather of Mrs. Sharpley.

President Louis Savage of the Newman Company announced at the conclusion of the purchase of the property, that work would start immediately on the construction of 800 homes and that the first 1,000 feet of frontage on Plymouth road west of Middlebelt would be given over to several large Detroit chain stores that were already making plans to open on that corner.

Society Awards Scholarship to Music Student

Miss Dorothy Zander

The music scholarship given by the Plymouth Symphony society has been awarded this year to Dorothy Mae Zander. The scholarship, inaugurated two years ago by the society board, is to enable a deserving student who has played with the symphony orchestra for at least one year to continue his study of music at college and to make music his career.

Dorothy will graduate tonight from Plymouth High school and will enter Michigan State Normal college department of music in the fall. She has played the oboe with the Woman's Symphony orchestra in Detroit, and the high school band, besides her work with the Plymouth symphony.

She has been an oboe student for four years and studied for the last two years under John Gajak, instructor at Wayne university. She is the daughter of Mr. and Mrs. Burton Zander of Marlowe street.

In order to qualify for the scholarship, a student must also possess unusual talent, must have high scholastic standing, outstanding character, and show merit for financial support. The (Continued on page 8)

The development, already on the drawing boards of Newman engineers will be one of the largest of its kind ever undertaken in this part of Michigan. The homes will be in the ten and eleven thousand dollar class.

Details of the sale were handled by Carson W. Johnston and Harry S. Wolfe as associate brokers and the legal details were handled by city attorney Harry Deyo.

The old Wilson homestead which is now used as a headquarters by airport officials was the seat of the Wilson family and in the house were born Walter Wilson, Mrs. Sharpley's grandfather, Fred Wilson, Mrs. Sharpley's father, and all of the other well known members of the family including Lea, Frank, and Norman. Buyer of the property, Louis Savage, has been a life long friend of the family and grew up as a boy with Fred Wilson, Mrs. Sharpley's father.

Plymouth Seniors Graduate Tonight

Seniors of Plymouth High school will don their blue caps and gowns tonight for commencement exercises, which will be held, weather permitting, at the high school athletic field at 8 p.m. Dr. O. R. Yoder will address the 163 graduates and their families and friends.

In case of bad weather commencement will be held in the high school gymnasium. The Rev. Henry Walch will give the invocation and Cyrus E. Pierce, principal, will present the graduates. Diplomas will be given by Kenneth Hulsing and Mrs. J. P. Morrow of the school board.

Music for commencement exercises will be provided by the high school band under the direction of Paul Wagner. Barbara Johnson will be soloist.

Hearing on Sutherland Sidewalk Paving July 10

A public hearing on the paving of the sidewalk on both sides of Sutherland avenue from Harvey to Main streets will be held July 10 at 7:15 p.m. in the city commission room. The hearing was scheduled by the city commission at last Monday's meeting.

Begin Plans for Children's Parade on Fourth of July

Fireworks for the gala conclusion of Plymouth's Fourth of July weekend celebration have been obtained by Fire Chief Robert McAllister and Fire Captain Lee Gaeke and the colorful display will be set off at the high school athletic field on the night of July 4.

The fire department will be in charge of the display and a bigger show than any other year has been promised. Other events scheduled for the Fourth include the dropping of colored peanuts from a plane flying over the athletic field at 3 p.m. Children finding the peanuts will be eligible for prizes which are being donated by the Chamber of Commerce.

A midget baseball game, sponsored by the city recreation department, is also planned for the afternoon of the Fourth. The game will be held on the athletic field and will follow the peanut collecting event.

Shoppers on July 3 will be issued tickets with each purchase from stores belonging to the Chamber of Commerce. The tickets will give the holder an opportunity to win a pony which is being given away by the Chamber.

Plans are now underway for the Children's Parade scheduled for the morning of July 4, according to Mrs. Edw. Schrader, chairman. Paraders will vie for prizes in six classifications—the most original costume, the most humorous costume, the most patriotic, the prettiest, the best decorated bicycle, tricycle or scooter, and for the most attractive float. Children up to 12 years of age may enter until June 30.

Assisting Mrs. Schrader for the children's parade are Mrs. Robert Wesley, Mrs. Carl Hartwick, Mrs. Mac Donnelly, Mrs. Ralph G. Lorenz and Mrs. Milton Laible.

Honeymoon in Florida After Saturday Rites

The wedding of Marjorie Theresa Elliott, daughter of Mrs. Emily Elliott, and Francis P. Kostreba of Detroit, was solemnized at 10 o'clock Saturday, June 10, at a nuptial high mass in Our Lady of Good Counsel church with the Rev. William Mooney presiding.

The bride's wedding gown was of egg shell all-over lace with matching fingertip veil of net attached to a cap of lace. She carried an arm bouquet of white snapdragons and carnations and her prayerbook.

The maid of honor, Corrie Vander Eynden of Detroit, wore a gown of blue organdie with a picture hat of white straw trimmed with blue veiling and ribbon streamers.

The bridesmaids, Mrs. N. Rex Bennett, a sister-in-law of the bride, and Alice Erdelyi of this city wore gowns like that of the maid of honor and all carried baskets of spring flowers.

Joseph Holloway of Detroit was best man and the ushers were Peter Holloway and N. Rex Bennett of Detroit.

A breakfast followed at Hillside Inn and in the afternoon open house was held in the home of the bride on Dewey street. On their honeymoon to Florida Mrs. Kostreba wore a yellow suit with hat and accessories in corn flower shade, and a corsage of yellow carnations and pink roses. The couple will reside in Detroit.

Displays Old Family Dolls....

PLYMAIL PHOTO

Mrs. Charles Root, Sr., of Maple Lane Farm, is the owner of several old dolls that have been handed down in her family for a number of years. The doll Mrs. Root is holding is dressed in a blue flannel dress trimmed with white braid, styled like one made for Mrs. Root when she was a little girl. The oldest doll in the group is nearly 90 years old and belonged to Mrs. Root's brother. The two dolls have rubber heads with bodies of stuffed stockinette. The large French doll was given to Mrs. Root on her 10th birthday. A very old baby doll is kept in a small red cradle modeled after a large one belonging to Mrs. Root's mother. The two chairs on which the dolls are seated were made by Mrs. Root's grandfather from the wood of a cherry tree. The dolls will be on display this week in the lobby of the Plymouth United Savings bank.

11 From Plymouth Graduate at U of M

The University of Michigan's 106th commencement will be held Saturday, June 17, in the Michigan Stadium, with Sir Oliver Franks, British ambassador to the United States, giving the address.
 According to Secretary Herbert G. Watkins, there are 4,388 candidates for degrees at this year's June commencement which will bring the total for the year to more than 7,000. Last year, 6,158 received degrees with 3,437 being awarded at the June commencement.
 Mr. Watkins pointed out that candidates for degrees have not as yet been certified by the faculty as actual graduates because the time required to record final grades coupled with the huge number of candidates this year prevents the compilation of a complete list of actual graduates in time for commencement.
 Candidates for degrees from Plymouth include: Ruth Campbell, 941 West Ann Arbor trail, bachelor of music; Robert Chute, 546 Garfield avenue, bachelor of science in engineering; Esther Egge, 272 Arthur street, bachelor of science; Charles Hoheisel, 232 Blunk avenue, bachelor of science; John Houston, 13991 Ridgewood road, bachelor of arts; John Moon, 881 Penniman, bachelor of arts; Louise M. Powell, 292 Farm-er street, master of science; Mar-

Four Graduate in Johnson Family

Graduation activities have reached an all time high at the home of Mrs. Sarah Johnson of Holbrook street. Two daughters, a son and a daughter-in-law graduate this month, and a son-in-law will graduate in February.
 Barbara Johnson will graduate from Plymouth High school at commencement exercises tonight. Mr. and Mrs. David Johnson were graduated June 4 from Michigan State college in East Lansing. Her daughter, Mrs. Beatrice Otis, was graduated from Michigan State Normal college in Ypsilanti last week and her husband, Willard Otis, will receive his degree from that college next February.
 Barbara will enter Michigan State Normal in September to study voice and piano.
 Apples supply some vitamin A and varying amounts of vitamin C. They also furnish minerals, organic acids, bulk and pectin. Don't forget the old rule about an apple a day, reminds Roberta Hershey, Michigan State college home economist.
 Jon Price, 9614 Hubbard, bachelor of arts; Richard Tarnutzer, 319 West Ann Arbor trail, bachelor of arts; Paul Thams, 475 Jener Place, master of arts, and Richard Virgo, 243 South Harvey street, bachelor of arts.

Local News in Brief

M. J. Clinansmith Funeral Today

Manley Jacob Clinansmith passed away early Tuesday morning, June 13, at his home at 7091 Curtis road, Salem township, at the age of 77 years.

Mr. Clinansmith was born on February 23, 1873 to Jacob and Mary Clinansmith near Blenheim, Ontario. In 1895 he married Martha Hoffman.

He has been a resident of Salem township for the past 22 years, and was a member of the Salem Federated church and of the South Salem Farm bureau.

Surviving are his widow, Mrs. Martha Clinansmith; his four sons and two daughters, Miss Mabel Clinansmith; Arthur, Walter and Kenneth Clinansmith, all of Northville; Stanley Clinansmith of Plymouth and Mrs. Russell Sopp of South Lyon; also surviving are 21 grandchildren and four great grandchildren, other relatives and many friends.

Mr. Clinansmith was brought to the Schrader Funeral home. Funeral services will be held today, Thursday, at 2 p.m. from the Salem Federated church with the Rev. Cora Pennell officiating. The pallbearers will be Edgar Olmstead, Grant Currie, Bert A. Nelson, Peter Fallott, Coda Savery and George Henning. Interment will be in Worden cemetery.

Find Albino Robin in City....

Charles Dow, an employee of the Wall Wire Products company, holds the albino robin found in the vicinity of the company last week. The pure white, pink eyed bird was set free and later turned up at the Pilgrim Drawn Steel company. The bird died before it could be turned over to Charles Voss, conservation officer, by Wilmore Johnson of the steel company. An albino robin is considered quite rare.

Blood Donors Aid Alford Recovery

Keith Alford, Plymouth High school student, has returned from St. Joseph's hospital in Ann Arbor and is now convalescing at home. He was suffering from internal hemorrhaging but is now recovering satisfactorily.

Keith and his parents, Mr. and Mrs. Arthur Alford, wish to extend their thanks to the 13 blood donors who contributed, and to the many people who stood by waiting to give blood. The family also would like to extend their gratitude to the Mayflower Post of the VFW, the local Red Cross chapter and to the Livonia Council of Catholic Women who offered blood donations.

By CARL PETERSON

Do you like chili sauce on your custard; or do you crack coconuts with your teeth? Don't worry. You're okay . . . according to a famous London Psychiatrist. He says it's normal to be a little on the eccentric side. One of his patients worried because he counted girls' teeth while talking to them. Another complained he shook imaginary scorpions out of his shoes before putting them on. Another bought cabbage to go with a tortoise he didn't have. "Perfectly normal," said the doctor. This should make us all feel better but I wonder what the Doc does when no one's looking?

Society Awards Scholarship to Music Student

(Continued from page 1)

scholarship is a continuing source as long as the student maintains a "B" average, and conditions remain the same as when presented.

The first awardee was Doris Waldecker of Plymouth, who is now finishing her freshman year at Baldwin-Wallace Conservatory of Music in Berea, Ohio. As she has met the above qualifications, her scholarship will be continued next year.

Candidates for the scholarship award are required to fill out an application form and submit it to the scholarship committee in May. Careful investigation of each candidate's record and references is made by the committee in order to make a decision, and the recommendation is made to the symphony board in June.

This year's committee members were Mrs. Howard E. Raaflaub, chairman, Mrs. Charles H. Garrett and Josef Lazaroff.

Official presentation of the scholarship to be awarded will be made during intermission of the first concert of the 1950-51 season, next fall. Memberships in the Symphony society are still being accepted by Mrs. Roderick Cassidy, membership chairman. Proceeds from memberships are used to further the work of the society in maintaining the Plymouth Symphony orchestra, now in its fifth season.

Hsiao Speaks on Voice of China at Calvary Baptist

Lt. Col. Hsiao

This community will be privileged to hear a "Voice from China," in the person of former Lt. Col. Samuel C. Hsiao who recently arrived in the U. S. from ancient Cathay. The Calvary Baptist church, on Ann Arbor trail at Elizabeth street, is sponsoring a service to which the public is invited at 7:30 p.m., June 18.

Samuel C. Hsiao and G. A. Lundmark, president of the Home of Onesiphorus, are meeting with groups throughout the country to acquaint the American public with the current China situation and the vital mission effort and productive results of the Home of Onesiphorus. This unusual, interdenominational mission was established in 1916 to minister to destitute children. Among a large group of little ones brought from a North China famine area was young Samuel C. Hsiao. In the home he received needed care. His eager mind reached out for knowledge and the Rev. Anglin, founder of the Home, saw to it that he received not only Chinese training but the study of English as well.

On reaching adult years, Samuel Hsiao was graduated from the Home and found employment as an English secretary. He later held the rank of Lieutenant Colonel and was chief of the foreign affairs department of Shantung. In this capacity he was interpreter of the 11th War Area, and last year was liaison secretary for General Chennault's Civil Air transport, formerly the Flying Tigers. He tells a dramatic story of the surrender of their swords by defeated Japanese officers at Tsinan. Mr. Hsiao also served as interpreter for the Nationalists when General George Marshall met with the Provincial Governor in an effort to negotiate peace between the Nationalists and the Communists; also as official spokesman for the government when General Wedemeyer was in Ssinan.

The Home originally founded at Taian as well as a branch Home at Tsinan, both in what is now Communist-held territory, continues to function today, adhering to its central purpose of Christian care and training. More recently the Home of Onesiphorus has assumed responsibility for the Near East Boys' Home in Lebanon, and there are prospects of other Homes being added as facilities and means are available.

Mr. Hsiao's report from the China area and Mr. Lundmark's survey of the mission situation are both informative and inspiring.

THE SALVATION ARMY. 281 Union street. William Roberts, captain. Thursday, 2 p.m., Ladies' Home League. 4:15 p.m., Junior choir practice. Friday, 7 p.m., Teacher's Training class. Sunday, 10 a.m., Sunday school; 11 a.m., Morning worship; 6:15 p.m., Young People's service; 7:30 p.m., Evening service. Wednesday, 8 p.m., Mid-Week service. This Sunday evening our very fine Junior choir will be featured in the service. They will sing several numbers which you will not want to miss hearing. FIRST CHURCH OF CHRIST, SCIENTIST. Sunday services at 10:30 a.m. Sunday school, 10:30 a.m. for pupils up to 20 years. "Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, June 18. The Golden Text (John 1:13) is: "In the beginning was the Word, and the Word was with God, and the Word was God. . . . All things were made by him; and without him was not any thing made that was made." Among the Bible citations is this passage, (Cor. 1:20): "Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world?" Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 196): "If materialistic knowledge is power, it is not wisdom. It is but a blind force. Man has sought out many inventions, but he has not yet found it true that knowledge can save him from the dire effects of knowledge."

CALVARY BAPTIST CHURCH. Ann Arbor Trail at Elizabeth St. Rev. Patrick J. Clifford, pastor. Bible school, 10 a.m. Call 1413 if you desire to ride our bus. Morning worship, 11 a.m. Subject "Power." The pastor will be continuing his message from the Twenty-Third Psalm. Gospel service, 7:30 p.m. Former Lt. Col. Samuel Hsiao of China will be bringing the message. Mr. Hsiao came to the United States early in January. He will give up to date and interesting information about Gospel work and conditions in China. A special part of the service will be of interest to the children. Prayer and Praise service, Wednesday, 7:30 p.m. Let's keep the "Faithful Fifty" present at this service. Thursday, Joy club meets at 2 p.m. for a gathering in the park. Boy's Brigade, 6:45 p.m., meeting in the park. Friday, 7:30 p.m., Rev. A.M. Fields, deputation secretary of the Children's Bible Mission will speak and also show pictures of this worthy Home Missionary work. Two boys from the mission will be in the meeting to provide special music. All are always welcome at Calvary.

SALEM FEDERATED CHURCH. Cora M. Pennell, pastor. Sunday, June 18. Children's Day program, June 18. 10:30 a.m. Plan to show a real interest in the children of the community by attending their program on Sunday morning. The greatest truths are the simplest; and so are the greatest men. —J. C. and A. W. Hare

W. S. Cross Heads Science Church

View of the Original Edifice and Extension of the Mother Church

Walter S. Cross of Fitchburg, Massachusetts, has been named president of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Mr. Cross has been active in various capacities in the Christian Science movement—having joined The Mother Church in 1905—and for many years has been a Christian Science practitioner.

During World War I he was an army chaplain with the 89th and 27th divisions. Later he served at the Christian Science War Relief depot in LeMans, France.

Prior to World War I he served as Christian Science committee on publication for the state of Maryland. He has served on the Bible lesson committee which prepares the Lesson-Sermons used by all Christian Science churches for their Sunday services.

Mr. Cross is a graduate of Yale university, and alumnus also of Phillips academy in Andover, Massachusetts. He is a native of Fitchburg, Massachusetts.

Vast new evidences of the power of pure Christianity to solve mankind's problems in modern times were reported at the meeting of the Christian Science board of directors, who addressed a gathering of nearly 7,500 Christian Scientists at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston.

Emphasizing "the meaning of pure Christianity" for the present

Schedule Activities For City Summer Recreation Program

A staff of 16 instructors and supervisors will conduct the city's 1950 summer recreation program.

Many new faces will be seen heading the Plymouth Recreation activities this summer and the commission is quite confident in the ability of these new people. Mrs. Arthur Donnelly, director of Day Camp; Miss Beth Hoheisel, supervisor of swimming and playgrounds; Phil Bosman, supervisor of men and boys organized leagues; Mrs. Ruth Kurtz, assistant to Mrs. Donnelly and Miss Hoheisel; Sally Holcomb and Dick Cramb, playground leaders; Eleanor Rutherford, Wilma Latture, Ann Preston, Barbara Johnson and Lois Hunter as substitute leaders; Jack Elliott, field maintenance and assistant leader; will be instructors.

Those with experience and who will be with us again this year are: Barbara Daniels, Sally Gustafson, Pat Pine and Beverly Balsley.

Supervised playgrounds will be Central, Sutherland and Starkweather. The hours will be 10 to 5 and 7 to 9 in the evenings, starting June 26.

Swimming trips to Rouge pools will start June 27 and will be conducted each Tuesday and Thursday morning thereafter. Swimming permit cards must be obtained on the playgrounds on Monday, June 26 and signed by the parents. Buses will leave the high school at 8:30 a.m. and return around 12:30 p.m.

Day Camp will be conducted at Kensington State park each Wednesday and Friday, starting June 28. The bus will leave the school at 8:30 a.m. and return at 4:30 p.m. Day Camp permits must be obtained at your closest playground and properly filled in and signed before you can get on the bus Wednesday morning, June 28 or thereafter.

Playground competitive leagues and other activities such as arts and crafts, story hours, circle games, quiet games, sand boxes, parades and other events will be scheduled and conducted throughout the summer at each playground.

After some thought, a member of the Paterson, New Jersey Board of Health decided that he had better forgo the honor of being chairman of the hospital committee, since, being an undertaker, "my presence might upset the patients."

LaRue Pitches 2nd Win of Season

Winning his second game of the season, LaRue of Cavalcade pitched a beautiful three hit game against the South Side Merchants handing them their third setback of the season by the score of 11-3 on Thursday, June 8. LaRue struck out 10 batsmen while walking four. Nagy was the losing hurler for South Side.

Cavalcade started out in the first inning scoring three runs on three walks and two singles by Londeau and Letournau. Cavalcade scored again in the third, twice in the fourth and fifth innings and three in the sixth.

South Side scored two of their runs in the third inning when Ebersole walked, Waldecker got on by way of an error and Schaufle's single. Ebersole scored again in the seventh when he struck out but reached first when the ball got by the catcher, and then scored on Schaufle's second hit of the game, a three bagger.

This was Cavalcade's second victory against one defeat which was at the hands of Beglinger who have won two while losing none.

DeHoCo Leads Girls' League

Playing their first game of the season June 6 DeHoCo defeated Twin Pines by the score of 14-9. Pettit was the hurler for DeHoCo while Lange pitched for Twin Pines striking out six batters.

Both teams scored two runs in the initial frame but DeHoCo went ahead in the second scoring four runs. DeHoCo led for the rest of the game. White paced the Twin Pine squad collecting four hits.

In the other opener of the girls' league the Sophisticateds defeated Blinks in a wild game 10-3 behind the effective hurling of Grose who struck out 12 batters. Rutherford was the losing pitcher striking out seven Sophisticateds. MacIntosh relieved her in the fifth striking out six more Sophisticateds.

Reitzel Winning Pitcher in Last Game of Season

Looking back over the past year at Plymouth High school we see that the Rocks have had a pretty good year in sports.

The Plymouth High football team ended a 16 game losing streak by defeating Northville 6-0. Keith Ebersole made the lone tally. For the most valuable player award, halfback Bill Burger was chosen.

Like always only a few boys turned out for cross country, but Coach Mosisio took what he had and captured second place in the league and ninth in the State. The most valuable player award went to Cal Becker who led the squad.

By winning six games while losing four, the Rock basketball squad was able to notch second in the league. Captain Dick Fenton, who was the team's high scorer, was elected most valuable player.

In the spring Plymouth High's track team had their best season in many a year. They placed first in the River Rouge Invitational, first in the league meet, second in the regionals, third in the state, winning two dual and one triangular meet. Paul Harding, who scored the most points for the squad, was chosen most valuable.

Under the fine coaching of Hilton Ponto the golf team paced by Bill Farwell won the league championship while placing second in the regionals. Henry Levering, who had tied for medalist in the state meet, was elected captain, and the most valuable player award went to Bill Farwell.

Playing their second year of tennis, the Rock squad took third in the league and third in the regional meet. Carvel Bentley has done a fine job in turning out a good team in two short years. Bob Bowen, a junior, was chosen for the most valuable player award.

Under the coaching of John Sandmann the Rock baseball team won four games to place third in the league. They also won a game from Northville while losing to the Mustangs to give them a 5-7 record for the season. Captain "Ox" Gow was elected most valuable player.

Following is the baseball squad's batting averages:

Finnegan	.053
Hunter	.166
Fenton	.269
Gow	.114
Elliott	.174
Campbell	.324
Travis	.231

Whitman - Barnes Downs Wall Wire

Collecting 13 hits the Whitman-Barnes team defeated Wall Wire 20-3. This was the second defeat for Wall Wire. Primeau was the winning pitcher; Hruska the loser.

Whitman - Barnes scored in every inning while Wall Wire didn't score until the fifth when they collected all their runs.

On June 5 Daisy went over the .500 mark by defeating Whitman-Barnes 14-6. This was the latter's first setback. V. Cecil was again the winning pitcher. The game was called at the last of the sixth because of the time limit.

Daisy had the game won when they collected seven runs in their first inning while getting six hits. Bennett homered in the second as he paced his team to victory.

Merchants Lose to Beglinger 23-2

In the second game of the season June 5 Beglinger's trounced South Side Merchants 23-2. Gabby Street was the winning pitcher hurling a fine two hitter while striking out seven South Side batters. The game was called at the last of the sixth because of the time limit.

Beglinger scored in every inning except the second while Street held South Side hitless until the fourth when Don Huebler connected for a three base hit. In the sixth Wagonschultz, who walked, scored on a two base hit by Schaufele.

Everyone on Beglinger scored at least once with Newton scoring four times and Leichtweiss and Schultz scoring three each.

Pitches 12-0 Game For Daisy

In the Industrial league June 5 the Daisy Air Rifles defeated Champion Corrugated 12-0. V. Cecil was the winning pitcher, hurling a three hit game while Caldwell pitched for the losers. This victory gave Daisy one win against one setback.

Daisy started out in the first frame scoring two runs on hits by Schaufele and Blessing. In the second inning Larson led-off with a single. Perkins got on base by an error and then Schroeder blasted a three base hit scoring Larson and Perkins. Schaufele then smashed a homerun scoring behind Schroeder.

Daisy continued their scoring spree collecting three runs in the third and three more in the sixth.

Champion Corrugated was held scoreless throughout the game while only getting three hits by Caldwell, Jex and Groff.

Cavalcade Whips DeHoCo 3-2

In a very close game on Monday, June 5, Cavalcade Inn came from behind to beat DeHoCo 3-2. Woods was the starting pitcher for Cavalcade with LaRue coming in to take over in the fourth. LaRue allowed only one hit for the four innings he pitched.

DeHoCo drew first blood, scoring both of their runs in the second inning. Spears led off with a single, Meadows and Carter walked filling the bases. Spears and Meadows then scored on two infield plays. The rest of the game DeHoCo was held to three hits.

Cavalcade was held scoreless until the fourth when Craig smashed a two base hit. Paison then doubled scoring Craig. On Godwell's single Paison scored evening things up. Cavalcade scored their last run in the sixth, winning the game.

With the fine pitching of Gabby Street Beglinger Olds won their third game June 8 defeating DeHoCo 3-0. Street allowed DeHoCo only two hits, these being by Harrison. Harrison, who gave up only three hits, was the losing pitcher.

There was no scoring until the fifth when Beglinger pushed across three runs for the only scoring of the game. Beglinger's now look like the team to beat. With the excellent pitching of Street they have yet to lose a game. Cavalcade is close behind Beglinger with two wins and one defeat.

Wiedman Backs Legion Ball Team

The first American Legion junior baseball game was played yesterday and for the rest of the season, three games will be played a week.

Jack Healy, manager, and Fred Bird, coach, report the team is well organized. Legionaire Paul Wiedman, Ford dealer, is sponsoring the team and has furnished 18 new uniforms and all balls and bats that will be required for the entire season. All members of the team are 17 years of age or under.

Every Legionaire is requested to attend these games whenever possible and to furnish cars for transportation to and from all games. Both the Myron Beals Post No. 32 and Mr. Wiedman are looking forward to a group of champions. Schedules for all games for the entire season will be announced later.

OUR SIXTIETH ANNIVERSARY

In the "Good Old Days" This was a Presbyterian Sunday School Class

It would be rare indeed to find a Sunday school class today that could match the dignity and sincerity of this one snapped 60 years ago apparently in the parlors of the old Presbyterian Church. We can see the old photographer now with his big box camera and black cloth asking each of these gay young blades to look his best, while he snaps the picture you see today.

Few of the members of this class are known today but those we think you will recognize are standing top row left, William Conner, former owner of the Conner Hardware store and next to the last man in the same row is Bert Panches. Seated in the first row left is Clinton Wilcox and the young gentleman seated directly in the middle and in the front is none other than Edward C. Hough. That's all we know. Can you tell us the rest?

Since we're asking questions this week we may as well show you this picture, too. We know it was taken about the same time but for the life of us we can't find out what the gathering was for. Perhaps some of the old timers in and about the city can furnish us identifications on both of these pictures or at least tell us the occasion for this photo too.

"USE PLENTY OF BUTTER"

That was the advice given the June bride when she questioned her mother-in-law as to what Jim liked to eat.

Said the understanding mother of the groom: "I hope Jim never hints your cooking isn't like mother used to make but I'm glad he's liked his home and the food I have served."

"I learned early—thank goodness—that butter adds a flavor and zest to food which can be obtained in no other way. Of course, I use plenty of other dairy products, too. They have a flavor all their own, are full of nourishment and easy on the pocketbook."

The BEST COOKS use PLENTY of BUTTER

Marion Gould Speaks Vows

Mrs. Roger Remnant

Mr. and Mrs. Roger H. Remnant are making their home in Ann Arbor after a week's wedding trip to northern Michigan. The couple was married at a 2 o'clock ceremony in the First Presbyterian church on June 3. Mrs. Remnant was formerly Marion Jean Gould, daughter of Mr. and Mrs. Newton V. Gould of West Ann Arbor road. Mr. and Mrs. Howard R. Remnant of Ann Arbor are parents of the bridegroom.

The Rev. Henry J. Walch read the service in the presence of the immediate families and friends. Wedding music was provided by organist Fred Nelson and Miss Marjorie Thomas, a friend of the bride. Miss Thomas sang "The Lord's Prayer."

For her wedding the bride chose a gown of white silk printed voile, ballerina length, and a white picture hat. She pinned a twin orchid corsage to the shoulder of her dress.

Mrs. Melvin Krumm performed the matron of honor's duties for her sister. She was gowned in aqua silk voile and wore a pink rosebud corsage. Mrs. Krumm was the bride's only attendant.

The bridegroom asked his brother, Neil, to serve as best man. A wedding dinner at the Chat-tau Rousseau for the immediate families followed the ceremony.

When the newly weds left on their honeymoon, Mrs. Remnant wore a sunbeige sharkskin suit with white accessories, and her bridal corsage.

After graduating from Plymouth High school, the bride studied at Cleary college. Mr. Remnant was graduated from Ann Arbor High school, and is employed in Ann Arbor.

E. C. Vealey has returned to his home on South Harvey street after a stay in University hospital, Ann Arbor. Mr. Vealey is improving very nicely at this time although still confined to his home.

Pre-Nuptial Parties Fete Claudine Waterman

With her wedding just a week away, Claudine Waterman, has been feted at many bridal parties in the past few weeks. Her marriage to Robert Tessmer of Dearborn will take place on June 24, in the First Presbyterian church, Plymouth.

Crystal gifts were presented to the bride-to-be at the party which was given by Mrs. Gerald Stoops, Mrs. L. C. Smith and Mrs. Loran Stoops of Dearborn Friday evening. The guests they invited to the shower were Dearborn friends of Miss Waterman's.

Mrs. Thomas Campbell honored the June bride at her home on Reservoir road last Wednesday evening with a lovely miscellaneous bridal shower. There were about 20 guests present.

Mr. and Mrs. Claude Waterman of Reservoir road are the parents of Miss Waterman. Her fiance is the son of Mr. and Mrs. George Tessmer of Dearborn.

Former Resident Heads Olivet Alumni Group

A former resident of Plymouth, Mrs. Charles O. Ball, was recently elected president of the Olivet College Alumni association of Detroit. The election took place at the group's annual meeting. Mrs. Ball was among alumni who attended the college's 106th commencement exercises June 10 at which Lowell Thomas gave the graduating address.

BIRTHS

A 7 pound, 3 ounce son was born to Mr. and Mrs. Paul Funk of Horton street on June 13 at the Beyer hospital in Ypsilanti.

Mr. and Mrs. Roy Schultz of Lilley road are very proud of their new daughter, Amy Ellen, born Sunday, June 11 at Beyer hospital, weighing 10 pounds.

Mr. and Mrs. Kenneth Brooks of Schoolcraft road announce the birth of a new daughter, Victoria Lynn, born at Pontiac General hospital. Victoria weighed 7 pounds at birth. Mrs. Brooks was the former Joyce Rutenbar.

Mr. and Mrs. Marvin Wilson of Levan road announce the birth of a small son, Thomas Marvin, weight 4 pounds 14 ounces, born on June 3 at St. Joseph's hospital in Ann Arbor.

A son was born to Staff Sergeant and Mrs. Donald P. Miller of Turner Field, Albany, Georgia, on May 24 at the Phoeby Putney Memorial hospital. The baby, named Donald Paul, Jr., tipped the scales at 7 pounds, 3 1/4 ounces. Mrs. Miller is the former Katharine Spitz of Plymouth.

How SMOOTH can a ride be?

THAT'S a question well worth answering before you settle on your next automobile.

For what fun is there—what thrill—in a car that is prisoner to the city streets, slowed down by roads a Buick is built to take in stride?

So we'd like to show you just

how much smoothness your money can buy. How levelly you float over cobbles and car tracks—over rutty gravel and wavy black-top—in this stunning traveler.

The car will be any Buick you prefer—SPECIAL, SUPER or ROADMASTER. You can name the place—pick a spot or a

stretch you know so that you can measure Buick's smoothness against your own experience—and we'll promise you a new sensation in riding comfort.

The time can be any time you want to arrange with your Buick dealer—who is ready to show with actual figures that "if you can afford a new car you can afford a Buick."

See him, will you, and treat yourself to some real comfort?

Only Buick has Dynaflo* and with it goes!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Hints For Plymouth Homemakers

Slim Down For Those Summer Clothes With a Careful Diet

Bathing suits and brief play clothes reveal every curve—or lack of them. Many Plymouth women and men, too, are discovering that they'd better do something to get rid of bulges that weren't there last fall.

Naturally everyone wishes the process would be fast and painless, but fat should be removed as it was accumulated—a little at a time.

Any diet that allows a loss of more than one, or at the most two pounds a week should be used only under the supervision of a physician. As a matter of fact, it's a good idea to discuss the matter with your doctor, unless you know your gain is entirely the result of overindulgence.

Even when you're trying to shed excess poundage, your body needs a well rounded diet with an abundance of all the building and regulating foods. The reduction should be only in the energy foods which are stored as fat when eaten in larger amounts than the body can use up for activity.

One sided diets may be fun to compare with the neighbors but they may endanger your health, decreasing resistance to infections and leaving you fatigued and cranky. Too rapid loss in weight is bound to make people look older, flabby and wrinkled.

Every slimming diet should measure up to the "basic seven" which well informed homemakers use as a yardstick when planning the meals for the family. Not only does this insure an adequate supply of the food essentials for the person who is trying to lose weight, but it makes it possible to meet the requirements of the whole family with the same menus.

To make sure your family is well fed, plan the meals to include the following:

GREEN AND YELLOW VEGETABLES — One serving daily. Use the greens raw in the form of salads frequently so they will supply their full quota of vitamin C as well as vitamin A.

CITRUS FRUIT OR TOMATOES — One serving daily. Especially for vitamin C. When strawberries and cantaloupe are inexpensive, let them pinch-hit for oranges or tomatoes occasionally. Uncooked green leafy vegetables are another excellent alternate.

OTHER FRUITS AND VEGETABLES — Two servings in addition to potatoes. Remember that potatoes supply minerals and vitamins in addition to starch. It's the rich gravy you put on top of them that boosts the calories.

Milk — From three to four glasses daily for children, three glasses daily or five quarts a week for adults, a quart daily

for expectant mothers and 1½ quarts daily for nursing mothers. There's no other food you can count on to supply body-building calcium adequately.

If you can't or won't drink it, eat it. Creamed dishes and soups, custards and milk puddings, ice cream and cheddar cheese help boost the milk intake.

MEATS, FISH, POULTRY — One serving each day, and sometimes two. Occasionally use the legumes (dried peas, beans and lentils) as meat alternatives. Serve liver or another variety of meat at least once a week.

EGGS — Three to five a week or better still, one a day.

WHOLE GRAIN OR ENRICHED CEREALS AND BREADS — Two servings daily. They are important sources of the B-vitamins and iron. On slimming diets avoid fancy breads and stick to milk instead of cream on the cereal. Go easy on the sweetening if you use it at all.

BUTTER OR FORTIFIED MARGARINE — One ounce or two tablespoons daily. Without this your diet is likely to fall short in vitamin A unless you eat very generously of green leafy vegetables.

The foods listed above are only the basis of a good diet. Add to them enough, more of the same or other foods to keep the weight constant, lose weight, or gain weight.

If slimming is important choose bulky fruits and vegetables as the additions. Avoid fats and concentrated sweets and starches. Rich desserts, fried foods and candies are not for you.

Divide your food almost evenly among the three meals of the day. Your body will use it to much better advantage and you will work and play with more enjoyment than if you eat one or two skimpy meals then stuff at dinner. You'll cut down your weight faster, too, and have a better figure.

If you feel you can't hold out until the next meal drink a cup of clear tea or coffee as a pick-up. Or you can use some of the day's regular quota of milk in between times. Drink a glass of it warm just before bedtime and you may fall asleep more quickly.

BACON FOR LUNCH
Bacon joins noodles for a lunch or dinner-time main dish. Panbroil bacon slices, remove and measure 2 tablespoons of rich drippings back into the pan. Add creamed cooked noodles and cook, stirring occasionally, until the mixture is brown. To serve, center a chop plate with the browned noodles and surround with the golden bacon strips.

Romantic Organdy

You'll find nothing under the moon sweeter or more feminine than these dotted organdy separates. Nelly de Grab has topped the blouse with a small, roll collar, studded it with crystal buttons, and double-fluffed the sleeves. A black velvet sash accents the waistline where blouse tucks into skirt.

BUN SURPRISE

An outdoor or indoor hamburger treat! Shape seasoned ground beef into thin patties and brown on both sides. Combine chopped stuffed olives, minced onion and chopped parsley and spread on half the broiled patties. Top with the remaining patties and serve on toasted buns.

SUMMER STYLE

Canadian-style bacon and fruits present a cheerful summer serving. Slowly broil or panbroil the bacon with pineapple slices of peach or apricot halves.

Home Economics Student Gives Advice on Buying Washers

The following article is reprinted from the spring issue of the Michigan State Homesteader. It was written by Miss Sally Gustafson, a sophomore in the foods and nutrition department at Michigan State college and a graduate of Plymouth High School. She is the daughter of Mr. and Mrs. Knut Gustafson of Adams Street. The article, entitled "It All Comes Out in the Wash," follows:

Throughout the year you probably spend a considerable amount of money sending your clothes to a laundry, taking them to a self-serve laundry, or washing them home for mom to wash. The amount is probably near to 12 to 15 dollars for the school year.

Have you ever considered forming a cooperative group with your friends and purchasing an automatic washer so that you could do your washing at home at your own convenience? As a consumer today and a homemaker tomorrow what are some of the factors you should take into consideration before buying an automatic washer?

First consider the advantages and disadvantages of the automatic type washer and decide if this type will best suit your needs. The automatic washer is convenient and requires very little of the operator's attention.

She must merely put in the clothes and set a few dials. The machine does the rest. Washing can be done any time one load of dirty clothes accumulates. However, automatic washers have several disadvantages. They are more expensive than the non-automatic type, not only in the original purchase price, but also in their use. Large quantities of both hot and cold water and of soap must be added to each new batch of clothes.

Many types of home hot-water heating systems do not supply hot water quickly enough for an automatic washer. Also because some of the makes do not get badly soiled clothes clean, a family with very dirty clothes

should investigate carefully before buying an automatic washer. Each individual situation would determine which type of washer was best.

If a consumer does decide to purchase an automatic washer, there are several points she should watch for. Before ever entering a store, the intelligent consumer should consider her own personal needs and make a study of which washer could best fulfill those needs.

American advertising and promotion have pushed the automatic washer a long way, perhaps making claims that are far too broad. Advertisements and salesmen usually are not fully reliable sources of information, for they often stress the procedures to follow, the beauty of the cabinet, the ease of washing, and other relatively trivial things.

Important facts concerning hot-water consumption, load weight and agitator or tumbling action are usually omitted and must be specifically asked for. Often well sounding but meaningless phrases such as "deep-power rinsing," "fluid drive," and "floating power" are used to impress the buyer.

Of great help to the consumer are the consumer testing agencies which publish results of impartial scientific tests. Information on the washing power, tangling of clothes, and drying ability of the various machines can be secured this way.

The buying of a washer is a major purchase in most consumer's budgets. Only through careful planning can the consumer get the most for his dollar.

You can haul more loads... more miles... for less... with Chevrolet Trucks

Take time out to talk to some Chevrolet truck users. You'll find it revealing. You'll discover that Chevrolet trucks pay their way by hauling more loads—more miles—for less! And you'll find that this extra measure of value is even more apparent in the new Chevrolet models. Definitely, they're America's first-choice trucks. Heavy-duty units feature a brand-new 105-h.p. Valve-in-Head engine with the power to pull heavy loads and conquer steep grades. They offer new Power-Jet carburetion for smoother, quicker operation. They bring you the fast, safe shifting of Chevrolet's 4-speed Synchro-Mesh transmission. But whatever your hauling requirements, Chevrolet trucks are your best bet. See them in our showroom. You'll agree.

- PERFORMANCE LEADERS**
Here are the most powerful Chevrolet trucks ever built! Two great Valve-in-Head engines—the Thriftmaster 92-h.p. and the new Loadmaster 105-h.p. engine have stepped-up power and performance.
- PAYLOAD LEADERS**
Low operating and repair costs of Chevrolet trucks are due to finest engineering and rugged construction. Chevrolet trucks let you deliver the goods with real reductions in cost per ton per mile.
- POPULARITY LEADERS**
For the last full year, Chevrolet trucks have outsold the next two makes combined! That's evidence of the owner satisfaction they have earned—proof that Chevrolet is the nation's most-wanted truck.
- PRICE LEADERS**
You're money ahead with Chevrolet trucks! Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value, all add up to the lowest price for you.

Century Old Salem Church to Reopen After Fifteen Years.....

Ply-Mail Photos

The West Salem Methodist church, closed for the last 15 years, will be open for Sunday services once again. The Rev. Patrick J. Clifford, the new pastor, will hold the first service this Sunday afternoon at 2:30 p.m. The church, located at 7150 Angle road in Salem township, was once owned by the Methodist denomination and is now owned by the Salem Walker Cemetery board.

After being closed for 15 years, the West Salem Methodist church will open its doors again for services beginning June 18. The church, a well known landmark in Salem township, is at least 100 years old and served a large congregation in the horse and buggy days.

The Rev. Patrick J. Clifford will act as pastor of the church and will conduct services each Sunday afternoon at 2:30 p.m. Special music will be featured at the opening service this Sunday and the pastor will speak on the subject "The Rock of Ages."

The church, once owned by the Methodist denomination, is now under the ownership of the Salem Walker Cemetery board. Its members include Joseph Groth, South Lyons; Albert Rider, Salem; Ford Atchison, South Lyon; Charles Hanert, South Lyon; Bert Nelson, Northville; Ambrose Everett, South Lyon; Fred Nollar, Whitmore Lake; George Robert, Salem, and M. E. Atchinson.

Both the exterior and interior of the church have recently been redecorated and repaired. Though electrical lighting is now being installed, the old fashioned kerosene lamps will remain in the church. Very few changes have been made in the church in order to preserve the original country church atmosphere enjoyed by the early congregations in the past century.

Salem. Until now, the board had arranged for Memorial Day services in the church every year.

The board has kept the church in good repair, and it was recently decorated inside and out. Up until recent weeks the only means of lighting the church has been with old fashioned brass kerosene lamps which still hang in their place. Early this spring the church was wired and made ready for electrical lighting. It is expected that fixtures will be installed soon, but the kerosene lamps will be kept in their original places.

The only musical instrument in the church is a 60 year old organ which will be used to provide accompaniment for congregational singing. All furnishings in the church are of the type used in the early country churches.

The public is urged to visit this unique church and to attend the Sunday afternoon services to enjoy the old fashioned hymn singing and gospel preaching.

Observe Children's Day at Training School

Children's Day will be observed this Sunday, June 18, at the Wayne County Training school. A special performance is planned for visitors at 2:30 p.m. at the school and family visiting in cottages after the performance will continue until 4:30 p.m.

The annual presentation by the children will include the outdoor festival and other entertainment. All are cordially invited to attend.

Patricia Packard Given Teaching Certificate

Patricia Packard of Plymouth received the state limited teaching certificate in graduation ceremonies at Central Michigan college June 10. She was one of 366 June graduates.

Former Resident Retires After Teaching 35 Years

After 35 years of teaching, Miss Carolyn Shaw, formerly of Plymouth, has resigned from the Bowling Green State university faculty. Her retirement was effective June 9. She was associate professor of health and physical education.

This is her 27th year at Bowling Green. Miss Shaw had charge of the women's division of health and physical education for 18 years.

Builds Small Cabin Cruiser....

While putting the finishing touches on his cabin cruiser, Bill Curtis of Micol street paused long enough to have this picture taken. The cruiser was launched last week on Mace-dey lake and was christened the Sharjonan, named for the three Curtis children, Sharon, Joan and Nancy. Curtis built the boat in his spare time, beginning early last winter.

The Sharjonan, an 18 foot cabin cruiser built by Bill Curtis of 42066 Micol street, was launched last week on Mace-dey lake, near the Curtis' summer home. Everything was reported "shipshape" on the cruiser which Curtis began building in his garage early last winter.

Though this is his first cabin cruiser, Curtis has previously built five boats. The cruiser is equipped with a 7 1/2 horsepower mercury outboard motor. It has a 6 foot cabin, a 7 foot aftdeck and is 67 inches wide. Seats are built along the sides and will accommodate about 12 people.

Curtis' father, O. F. Curtis, built a ship's wheel and steering device for the boat. The cruiser was named for the three Curtis children, Sharon, Joan and Nancy. Part of each girl's name comprises the boat's name—Sharjonan.

BIDS WANTED

SEALED PROPOSALS FOR THE CONSTRUCTION OF AN ELEMENTARY SCHOOL PLYMOUTH, MICHIGAN

May 26, 1950

Plymouth Township Schools will receive sealed proposals for the construction and completion of an Elementary School, Plymouth, Michigan, until 8:00 P.M., E.S.T., Tuesday, June 20th, 1950, at the office of the School Board at the High School building, Plymouth, Michigan, at which time and place all bids will be opened and publicly read aloud.

Separate proposals will be received as follows:
PROPOSAL A—ARCHITECTURAL TRADES
PROPOSAL B—MECHANICAL WORK
PROPOSAL C—ELECTRICAL WORK

Plans and specifications for this work, together with all instructions to bidders, and proposal forms, may be obtained on or after Wednesday, May 31, 1950 at the office of Thomas W. Moss and Nathaniel O. Gould, Architects and Engineer, 320 South Main Street, Plymouth, Michigan, and at the office of Eberle M. Smith, Associates, Inc., 153 East Elizabeth St., Detroit, Michigan. A \$20.00 deposit will be required for the plans and specifications, which will be refunded upon their return in good condition. Also a rental fee of \$2.00 per day will be charged to contractor who retains plans and specifications longer than agreed.

Proposals shall be submitted in duplicate on forms furnished by the Architects and Engineers. All bids must be accompanied by a certified check, or bid bond by a recognized surety company, for 5% of the amount of the bid submitted, made payable to Plymouth Township Schools. This certified check, or bid bond, is a guarantee that the low bidder will, in case his bid is accepted, enter into contract within ten days with Plymouth Township Schools, to construct the work proposed and to give satisfactory Bonds in full amount of contract and as specified. The check, or bid bond, of the successful bidder will be forfeited to the Plymouth Township Schools upon failure to enter into such contract and to give such bond. The check, or bid bond, of the successful bidder will be returned as soon as contract is signed.

No bidder may withdraw his bid within thirty days.

The right to reject any or all proposals, and to waive any informalities in any bid is reserved.

Plymouth Township Schools,
Mrs. Marian B. Morrow,
Secretary.

Dollar for Dollar - you can't beat a PONTIAC

A Wonderful Performer —at a Wonderful Price!

Almost everybody has a good word for the immensely popular Pontiac. But the only one who really knows the whole wonderful story of this great car is the person behind the wheel.

He is the one who knows how thoroughly good Pontiac is. He is the one who can relax and enjoy Pontiac's eager power, its effortless, easy-going glide in traffic and on the highway. He, too, has the deepest appreciation of Pontiac's size and roominess, and its dependability, mile after mile.

Yes, it's behind the wheel of a Pontiac—and only there—that you can know the deep pride of driving the most beautiful thing on wheels.

In fact it is only behind the wheel that you can fully understand how impressive Pontiac's price is—for that is where you know for sure that dollar for dollar, you can't beat a Pontiac!

Y-Teens White - Arlene Dowling, president; Gwen Phillips, vice president; Jackie Phalen, secretary; Ann Munster, treasurer; Helen Harmon, corresponding secretary.

White Chapter of Y-Teens Installs New Officers

Amid a candlelight atmosphere, the new officers of the White chapter of the Y-Teens for next year were presented their symbols of office by this year's retiring officers at the installation service. The service, which began at 7:30 p.m. last Thursday, June 8, in the high school, was brought to an end as Arlene Dowling, next year's president, gave her presidential speech.

Following is a list of next year's cabinet and the chairmen of the standing committee of the White chapter for next year: president, Arlene Dowling; vice president, Gwen Phillips; secretary, Jackie Phalen; treasurer, Helen Harmon; corresponding secretary, Anna Munster; program chairman, Gwen Phillips; memory book, Anna Munster; social chairman, Sally Zink; devotions, Naomi Mishler; publicity, Verlyn Knight; ways and means, Gladys Witt; service, Marilyn Walsh, and music, Beth Douglas.

Hi-Y Blue - Charles Todd, president; Dick Cramb, vice president; Lee King, secretary; Gerald Huddleston, treasurer; Grant Gabel, chaplain; Don Gronowick, sergeant of arms.

Varsity Club Sponsors Dance

The Varsity club advised by Hilton Ponto gave a free dance in the high school gym last Friday, June 9 for grades 9 through 12. Music was furnished by Tom Michaels' orchestra.

Teachers present were Mrs. Helen McPherson, Mrs. Virginia Bake, William L. Campbell, Cyrus E. Pierce and Edgar Brown. Mr. Brown was doorman.

Chaperones present were Mr. and Mrs. Konrad Moiso, Mr. and Mrs. George Farwell and Mr. and Mrs. John Morrow.

The dance lasted from 8 to 11. Refreshments were served.

Hesco Members Hold Pot Luck at Riverside Park

Meeting at the Breakfast Nook in Riverside Park at 7 p.m., June 8, the Hesco members and their guests enjoyed a pot luck dinner. Patricia Krump, a junior, was chairman for the arrangements.

Reward Offered for Lost Library Books

Plymouth High school's library is sponsoring a drive for lost or strayed books belonging to any public school libraries, including Central Grade and Starkweather, as well as the high school library. A reward of five cents without any questions asked, will be given for each book returned.

Mrs. Esther Ham, librarian, hopes that this drive will turn up many books missing for several years and badly needed for reference and recreational reading.

Police in Vancouver, B.C., got a call from a worried woman who demanded they do something about the neighborhood kids playing on the street, since the noise might give her dog a nervous breakdown.

Teacher to Study Maine Wild Life

Miss Virginia Olmsted, girl's athletic director at Plymouth High school, will spend the last two weeks of July at the Audubon Society camp on an island in Muscongus bay near Demarscotta, Maine.

Accompanying Miss Olmsted will be Miss Edith Goyette and Miss Betty Sowel, both from Detroit. The purpose of this camp is to offer the opportunity for studying wildlife in its original habitat. Some of the activities of the camp will be taking boat trips to other islands, canoeing, swimming in the ocean, and other sports.

Seniors Attend Annual Party

Only seniors were invited to the annual class party held yesterday, June 14, from 8:30 to 12 p.m. An orchestra provided the music for the evening, and there was a card room and other forms of recreation. Dinner was served at 10 o'clock by James Latture, chef for the party.

Roger Babson Says...

Babson Discusses Investment For Businessmen

Many of the letters which come to me are from small investors who have not funds enough to subscribe to a reliable Investment Advisory Service. These, I try to answer frankly and freely. Recently, however, letters are coming from businessmen who haven't any investment experience, although successful in their own business. With such letters in mind, I am writing this column.

Cash In The Bank

Unless World War III suddenly comes, I see no "business bust" in sight. In fact, so long as the Cold War continues, President Truman may be justified in artificially inflating business to avoid unemployment. Therefore, I see nothing for the businessman to worry about at the moment. On the other hand, somebody there will be a "bust" when stock prices and many commodity prices may sell for one half what they are selling for today. This means that a good bank account is the best insurance and investment for a businessman.

Government Bonds

Many successful businessmen have all their money in a factory, or store, or real estate. They have made no provision to enable their family to pay their "death taxes" so-called. As a result, the family has been obliged to sell, or mortgage, the business in order to pay these taxes. If the death should come during a depression, this could be very serious. The Government agrees however, to take the U. S. Government 2 1/2%

ONE Look

Yes, a look will show you why it's Ford for Fashion, again for '50! Once again Ford's modern styling earned it the Fashion Academy's coveted medal as "Fashion Car of the Year." No other car at any price has received such an honor 2 years in a row.

ONE Listen

You can hardly hear the '50 Ford's powerful V-8, or its companion in quality, the 95-h.p. Six—both are "hushed" to a whisper. Your ride is quiet, too, because "sound-conditioning" throughout Ford's roomy and sturdy "LifeGuard" Body keeps noise out!

ONE Ride

One "Test Drive" and you'll know the luxury comfort of Ford's "Mid Ship" Ride... the safety of its "LifeGuard" Body and King-Size Brakes... its big car roadability. Then check Ford's low first cost, great mileage, low upkeep and high resale value. You'll agree—Ford's the "Big Economy Package" of the low-price field.

Bonds due 1967-72 in payment for these taxes at their face value upon death, even if Government Bonds at that time may be selling at a discount. Therefore, businessmen should figure now what their death taxes will be and always keep enough of these Government Bonds on hand to pay the tax in an emergency. These bonds, however, should be the personal property of the man and not owned by his corporation.

High Grade Long-Term Corporation Bonds

These are the bonds which are commonly advertised. They are mostly bonds of utility companies paying only about 3%. They are good investments for insurance companies and other institutions, but I see no reason why a businessman should buy any at this time. This also applies to most preferred stocks. Even nontaxable bonds are selling too high at the present time. Therefore, I think that the businessman should forget bonds unless they have attractive convertible features.

Merchandise Stocks

Businessmen who want to buy stocks at this time might well consider merchandising stocks, especially those of the leading chain stores. Such corporations have few labor troubles; they do a cash business and have a turnover of 4 or 5 times a year, and if out of debt, they can take care of themselves whether we are entering inflation or deflation. Let me take this occasion to say that during the next few years the greatest opportunities will come to those employed in selling. It will be easy enough for businessmen to get goods manufactured but the difficulty will be to sell them. Young people who are graduating this month from college and high school will be wise to train to sell, even if it means house-to-house peddling.

Productive Real Estate

As a rule, most businessmen have enough in real estate, but I still feel it a prime investment. Well located suburban acreage should be the most desirable. Small fertile farms near settled communities should be good investments. I like growing woodland which belongs to "no union," and "works" day, night, holidays and Sundays! I don't care much for buildings or houses. Most well located land is constantly growing more valuable; but nearly all buildings thereon are constantly growing less valuable.

Education and Churches

Wise businessmen will liberally invest in the family's health, education and spiritual development. In fact, to be niggardly regarding these things is very dangerous. The truly most important investments are those in the unseen and intangible. There is no use in working hard to make and save money and then have it dissipated by children lacking in good judgment or good religion.

V F W News

About 25 members attended the regular meeting of the Mayflower Auxiliary Tuesday evening, June 6. The president, Mrs. Eleanor Gust, gave a report on the convention in Grand Rapids, which three Auxiliary members and five men of the Post attended June 1-4. Other reports were given by committee chairmen, who were responsible for projects during the past two weeks, all of which indicated that this year has been a very successful one. Girls who have been appointed as chairmen of rehabilitation, Americanism, membership, youth activities, home fund, legislation and hospital work are contacting the other members of their committees and working out ideas for the coming months. An adult education group will also be at work.

As a part of the Americanism program, the Auxiliary would like to buy flags for any Boy or Girl Scout troops that need them. Leaders of these groups are asked to contact the Americanism chairman, Mrs. Kenneth Fisher, telephone 1843-W.

During the social hour following the meeting, Auxiliary members looked over the pictures that were taken of the Memorial Day parade and orders were taken for delivery later. Fruit punch and cookies were served for refreshments.

Another trip will be made this month to the Maybury sanitarium to visit the veterans and bring them cigarettes and magazines. A letter of appreciation to the Mayflower Auxiliary appeared in a Detroit paper last week, having been sent in by the parents of one of the boys now enjoying the new television set which was presented to the hospital.

"Mr. John S. McCloy, High Commissioner for Germany heartily endorses the project, 'Operations Freedom,' in which a number of European war orphans will be brought to the United States to become acquainted with the American way of life at first hand. This war orphan program is under the auspices of the Ladies' Auxiliary of the Veterans of Foreign Wars. Mr. McCloy aptly describes this project as 'a bridge of understanding' between the youth of Europe and America. The objective is to make that structure a bridge of understanding that will lead to better international relations and world peace." Evelyn Monaco, national president of the Ladies Auxiliary, V.F.W.

The next meeting of Mayflower Post will be a social meeting. The date will be June 21 at 8 p.m. All veterans are invited, whether or not they are members of the Post. Let's have a big turn-out. Ray Danol is to be in charge of social meetings, which will be held the second meeting of each month.

The "Old Mens" baseball team, made up of veterans, played the Contractors at the high school field Tuesday night, the 6th. The score was 7-6 in favor of the Contractors. Robert Burley is manager for the veterans. One of the highlights of the game was Gordie Moe's "grand slam" in the seventh inning.

The Auxiliary voted to donate a dollar per member to the Cancer Fund.

Piano Students Present Recital

Piano students of Miss Hanna Strasen will be presented in a recital on Monday afternoon, June 19, at 3:30 p.m. The public is cordially invited to attend the recital which will be held in the Penniman-Allen theater.

The piano students include Donald Albro, Janice Anderson, Vinca Battle, Kathleen Chjonowski, Patsy Clifford, David Conrad, Brenda Jane Covell, Emily and Alisande Cutler, Barbara Carley, Martha Davis, Carolyn Dietrick, Kay Dobbs, Joan Ebersole, Bruce Fearer, Lynn Gates, Beverly Goodale, Margaret Hamilton, Kenneth Jacobus, Hugh Kelly, Sandra Kisabeth, Patricia Krump and Anna Jean Munstir.

Others are Joyce Nagel, Richard Noll, Joanne Oliver, Jacqueline Phalen, Shirley Place, Sally Plamondon, Susan Ruehr, Ann Sambrone, Betty and Mary Simmons, Wesley Smith, Julie and Suzanne Stecker and Douglas Tegge.

Miss Strasen requests that small children attending the recital be accompanied by an adult.

In Burbank, California, learning that her marriage was not legal, Mrs. La Verta Lucille Stockton sued R. C. Stockton for \$25,000 in back pay for eight years' services as secretary, book keeper and housekeeper.

Big plans are already being made for summer picnics and vacations.

Hold Last Rites For W. C. Farrand

Funeral services were held on Tuesday, June 13, from the Schrader Funeral home at 2 p.m. for William Chester Farrand who passed away Saturday evening, June 10, at his home, 252 East Ann Arbor trail. Mr. Farrand was 83 years old and has been a resident of Plymouth for the past 70 years. He was a member of the First Methodist church of Plymouth and of the Maccabees.

Surviving are his widow, Mrs. Anna Farrand; his three daughters, Mrs. Bertha Tiffin, Miss Helen Farrand and Mrs. Marilla Coverdill, all of Plymouth; three grandsons, Lyman, Charles and Earl Tiffin and seven great-grandchildren, and his brother, Lyman Farrand of Farmington and other relatives.

The Rev. Frederick G. Poole, D.D., officiated. A hymn was rendered by Austin Whipple. The active pallbearers were Lyman Tiffin, Charles Tiffin, Earl Tiffin, Claude Rocker, Harold Rocker and Kenneth Rocker. Interment was in Riverside cemetery.

O E S News

A practice for all officers is called for Monday, June 19, at 7 p.m. in the chapter rooms of the Plymouth Masonic Temple.

Tuesday, June 20, Plymouth Chapter No. 115, O.E.S. will hold a public Memorial service at 7:30 p.m. Initiation of new members will follow this open meeting. Refreshments will be served in the dining rooms during the social hour that follows the initiatory ceremony.

We wish a speedy recovery for all of our members who are ill. Esther Fisher, Veneta Molnar, Lela Rush, Beulah Miller and Ellen Arnold are those who have been reported on this list.

Sympathy is extended to the Anna Bakewell family on the passing of her mother and to Bertha Tiffin and her family at the death of her father.

Navy Recruiting Tells Training Program Quota

Commander Dan Henry, officer in charge, Detroit Navy Recruiting district, of which the local Navy Recruiting station at the Plymouth city hall is a part, has announced that the Navy Recruiting service has small quotas for the Navy's high school training program. Henry is at the city hall Thursday, 1 to 4 p.m. However, very large technical school quotas are available at the Great Lakes Naval Training center.

While no promises can be made regarding future quotas at the Training Center, all recruits at the center during recent months, with an Armed Forces qualification score of 60 or above, have been assigned to Navy schools for further training at the completion of their recruit training. These assignments were made, based on the results of the General Classification tests, regardless of whether the recruits concerned had completed high school or not. Correspondence courses, to obtain high school diplomas and college credits, can be taken in the Navy at any time.
