

Plans Complete For Fourth Celebration

Students Send Treasure Chest Overseas

The Junior Red Cross council at Plymouth High is the first county group to send a Treasure Chest to students overseas. The chest was taken to Red Cross headquarters in Detroit and will be shipped from there. Shown packing the chest are members of the council and Mrs. Esther Ham, council moderator. The students earned \$100 for the chest contents through assembly programs, dances, bake sales and student contributions. Contents of the chest include school supplies, hand towels and wash cloths, soap, tooth brushes and powder, sports and musical equipment. Council officers are Lee King, president; Gladys Witt, vice president; Don Lightfoot, treasurer, and Patricia Wahn, secretary. Ronald Witt is retiring president. The chest was built by the industrial arts department of the high school.

Health Inspector Completes Report on Restaurants

Alfred Gannon of the Wayne County Health department has reported that Plymouth's restaurants, food stores, soda fountains and bars comply, as a whole, with the health department's rigid requirements. Gannon, during the past few weeks, has made a complete check-up of all places in town where food or drink is sold. His reports were based on building structure and site, ventilation, lighting, screening, safety, water supply, handwash equipment, toilet facilities, sewage and refuse disposal. He further inspected storing, refrigeration, serving, washing and dish storage equipment, the preparation of food, amount of disinfectants used, and the personnel handling the food and drink. He checked on food suppliers, ice and whether or not pasteurized milk was sold or served. In all cases where conditions were not completely up to par, food handlers cards were not issued until the necessary requirements were met.

It Was Surely a "Splittin' Job"

If you think making 240 banana splits is a cinch in two days just ask Carl Peterson of the Peterson Drug store. His ice cream festival advertised last weekend in The Mail brought some amazing results as far as ice cream customers were concerned.

Not only were his clerks busy dishing up some four or five hundred ice cream cones, selling double dip sodas, malted milks and bulk packages, they had the fun of trying to sandwich in 240 fancy jumbo banana splits. Of this number 178 were sold the first day of the two day sale. Mr. Peterson indicated that he was not too put out when the weather turned a little to the freezing side last Saturday.

Rowley Books Given to Dunning Library

Over 200 books have been given to the Dunning public library in the bequest of the late Vern Rowley. The collection includes a number of valuable fiction and nonfiction books now out of print. The books are now processed and available to the public.

Telephone Rate Increase Is Effective Here

Rate increases ordered by the Public Service commission for Michigan Bell Telephone company users will apply to just about every type of local service in every exchange in the company's territory. The \$8,200,000 increase in company revenues, amounting to about \$5,500,000 annually, after taxes, was effective June 20 under the Commission's order. Residence users in Plymouth will pay increases ranging from 25 to 50 cents a month under the revised schedule. Increases for business customers will range from 50 to 75 cents a month. The new rates here will be: residence service-individual line, \$4.00 a month; two-party line, \$3.25; 4-party line, \$2.75, and rural, \$3.00 a month. Business service-private branch exchange, \$12.00 a month; individual line, \$8.00; two-party, \$6.50, and rural, \$4.75 a month. Residence extension rates are increased to 85 cents a month and business extension to \$1.50. Long distance rates are not changed by the order.

Thomas N. Lacy, president of Michigan Bell, said the company welcomes the much-needed relief the \$8,200,000 rate order brings.

"Amounting to \$5,500,000, after taxes, the increase is definitely in the consumer interest," Lacy said, "for good telephone service should be—and is—the chief concern of our customers."

"While it will help to strengthen the company's financial condition and will aid us in doing the kind of a job the people of Michigan want us to do, it is considerably less than the amount needed and is insufficient to insure adequate earnings and our continued ability to attract necessary capital.

"Unlike an unregulated industry where price adjustments are almost automatically geared to rising costs, under regulation considerable delays are experienced before relief is granted. We have to wait almost 18 months (Continued on page 8)

Commission Passes Trial Board Ordinance

At a special meeting of the city commission Tuesday night, commissioners passed the third reading of the trial ordinance. The ordinance sets up rules and regulations for the newly formed trial board, provides penalties for violation of the ordinance, and prescribes the powers and duties of members of the board.

Ice Cream Social at Band Concert Tomorrow Night

An ice cream social, sponsored by the local chapter of the Daughters of America, will be held tomorrow night in Kellogg park at the Plymouth Community concert which begins at 9 p.m. Proceeds from the social will augment funds that benefit the home for orphans and the aged of the organization. The program for tomorrow night's concert follows: "On the Square," by Panella; "His Honor," by Fillmore; "Desert Song," by Romberg; "Men of Ohio," by Fillmore; "Waves of the Danube," by Ikonovici; "Salute to Burlington," by Sherman; "Song of the Flame," by Gershwin; "Men of Might," by Meretta; "Little Giant," by Moon, and "Americans We," by Fillmore. A week from Friday, June 30, the South Lyon high school band will play here at 9 p.m. at Kellogg park and the Plymouth band will play at South Lyon. Future exchange programs will be announced later.

Local Blood Bank Now Established

The Plymouth blood bank is now a reality. More than 50 volunteers registered for the first visit of the Red Cross bloodmobile, June 15, and a total of 46 pints were taken. This blood has been placed to Plymouth's credit at the Detroit regional blood center of the American Red Cross, less 11 pints which the Plymouth branch repaid for blood previously used by local residents.

Blood is now available for any donor in the community when needed. It can be obtained by calling Mrs. Henry R. Penhale, branch chairman, 252-W, Mrs. M. Arnold, home service chairman, 1035, or Mrs. Lee J. Sowles, blood program chairman, 1060-M.

"We have made a good start on our local blood bank," said Mrs. Penhale. "The bloodmobile will return when our supply needs replenishing. Meantime we are very grateful to those who responded to the first call, and we want to thank the civic organizations for their fine cooperation."

Announce Stamp Sale

Stamp collectors will be glad to know that the Indiana Territorial Commemorative stamps will go on sale at the Plymouth post office on July 5.

Start Work On School

Ground will be broken today by School Board President Kenneth Hulsing for the new Bird Elementary school to be constructed on the corner of Sheldon road and Ann Arbor trail. Bids were let Tuesday evening by the board in the amount of \$327,265.00 for the building of the 13 room school.

The electrical contract went to the local firm of Hubbs and Gilles in the amount of \$22,995 in which it marks their first entry into the large construction field in this area. The Ward W. Ross company that is now building the Smith school south of the city was awarded the architectural contract in the amount of \$239,780. Plumbing and heating went to Johnson and Swadling in the amount of \$64,390.

The building interior will be identical with the Smith school but will be changed on the exterior. The bids on the Bird school totaled slightly over \$7,000 more than the bids on the Smith school. It is planned to have the Bird school open in February of 1951 with work getting underway this weekend.

Fire Damages Lyke Apartment

A fire, started by burning grease on the kitchen stove, did considerable damage to the home of Mrs. Rosemary Lyke at 239 Hamilton street late Monday night. Intense heat and smoke hampered firemen at first, but the fire was brought under control in a few minutes. The kitchen, bathroom and living room of the second floor apartment were scorched by the flames and the rest of the home suffered heat damage. Estimates as to the cost of the damage have not yet been determined. Mrs. Lyke was not in the kitchen when the fire started at about 10:30 p.m. She smelled the smoke and found the kitchen in flames. Neighbors summoned the fire department.

DeMolay Work to Soon Start Here

A special honorary public degree in DeMolay will be conferred in Plymouth on Friday night at the Masonic temple. Purpose of the work, being held in Plymouth is to acquaint local people who are interested in the newly formed DeMolay chapter here with some of the work of the organization.

Grand Deputy Harold Koch of Dearborn of the state chapter will confer the Chevalier degree on several members of chapters of the fourth district.

Final papers have been filed for the Plymouth chapter of DeMolay and it is hoped that a charter presentation program can be held in the temple on June 28. The local chapter is being sponsored by the Plymouth Rock lodge and the Hi-42 club.

Members names that will appear on the charter roll are Richard Huebler, Charles Hanlon, Wilfred Agosta, Gerald Brewer, Thomas Wood, Richard Jackson, Edwin Crofjean, John Campbell, Gary Sockow, Donald Kunkel, John Monteth.

Peter Leemon, William Blackmore, Bruce Campbell, Gordon Campbell, Arlan Ottensman, Phillip Straub, Thomas Gutherie, Melvin Gutherie, Larry Tillotson, James Tomlinson, Jr., Everett Smith, Al Williams and Rodice Willard.

Mrs. Mattie McLeod of Pontiac was the weekend guest of Mr. and Mrs. J. R. McLeod of Maple avenue.

Parade, Fireworks, Street Dance Holiday Features

Parades, fireworks, a talent show, street dance, ball games and a carnival are just a few of the many attractions on the agenda for Plymouth's giant Fourth of July celebration. Members of the Chamber of Commerce, under the chairmanship of Ralph Lorenz, the Plymouth fire department and the Optimist club are in charge of the weekend events.

Rev. M. I. Johnson New Pastor Here

The Rev. Melbourne I. Johnson

The Rev. Melbourne I. Johnson will be the new pastor of the First Methodist church in Plymouth, it was announced this week by the Detroit Conference of the Methodist church.

Rev. Johnson has been the pastor of the Trinity Methodist church in Roseville since 1939. He will preach his first service in Plymouth this Sunday, June 25, at 10:30 a.m. During the month of July special union services will be held with the First Presbyterian church for the Methodist congregation.

Announce Sale of Wolf's Market

Announcement was made this week of the purchase of Wolf's Market by Mr. and Mrs. Meyer Steinman. The grocery will now be known as the City Market Basket, and the grand opening will be held next week.

The Steinmans have been in both the wholesale and retail grocery business for a number of years. Mrs. Steinman was formerly home economist for the Good Housekeeping shops in Detroit.

The store will continue carrying the highest quality of meats and will specialize in steaks. The fruits and vegetables department will carry a more complete line of fresh produce. The Steinmans stated that the market, though privately owned, will charge super market prices. They plan to move to Plymouth in the near future.

Local Cub Scouts Attend Circus

Saturday, June 24 is the big day for the Cub Scouts of the Sunset district as it is the date of the big Cub Circus to be held on the Hines River drive and Haggerty road. Cub Scouts from Plymouth will participate in the events.

Several outstanding features will highlight this affair which will outshine all such previous affairs as the Cub Circus committee has gone "all-out" in securing main attractions.

Redecorate D & C Variety Store

The D & C variety store will hold a special sale tomorrow and Saturday marking the completion this week of the store's remodeling program.

The store, located at the corner of Main street and Ann Arbor trail, has been painted inside and out and all new electrical fixtures have been installed. Shoppers will make their purchases in air conditioned comfort this summer, too. The store is now completely equipped with modern new blond wood counters.

Jerry Woodworth is district manager of the D & C and Rayner Tisch is manager. Assistant managers are E. W. Lester and John Pinkerton.

Festivities will open Monday night, July 3, when city officials will dedicate Forest avenue which will be paved by that time. At 7:30 p.m. Fred Kendall will be master of ceremonies for the Talent show sponsored by the Optimist club. Anyone interested in participating in the show should contact Mr. Kendall at 19.

A number of prizes will be awarded to the winners of the show. First prize is a \$50 savings bond donated by the W. Ford Johnson Cartage of Detroit. The winner will also appear on the Anything Goes show with Kendall.

Music for the street dance which will follow the show will be provided by the Paul La Voie orchestra from radio station WJR. During the dance a 16-inch Zenith television set will be given away. A spectacular automobile show will be featured Monday night and will be put on by local dealers. All new models will be shown. Bleachers will be provided for spectators at the dance who will want to watch the square dancing planned for the evening.

The Chamber of Commerce has arranged for the Cote Amusement show to be on hand for the celebration. The exact location of the show will be announced later. A merry-go-round, and other rides will be brought in town for the event.

Purchases made in Chamber of Commerce member stores on Monday will entitle the shoppers to tickets on a pony and a bicycle which will be awarded to the lucky ticket holder on Tuesday, the Fourth, at the high school athletic field at 3 p.m.

Robert Waldecker and Frank Arnold are in charge of the parade scheduled for 10 a.m. Tuesday morning. Parades will begin assembling at 9 a.m. and will march down Forest avenue to Wing, then parade to Main street as far as the high school.

Leading the parade will be the Mounted Color Guard of the Explorer Scouts. They will be followed by the high school band and the Girl Scouts, Boy Scouts and Cub Scout troops. The children's section will follow with floats, bicycles and colorful costumes. Prizes will be awarded for the children paraders at 2:30 p.m. The 4-H clubs will parade prize animals, riding horses and a six-horse Belgian team.

West Brothers Farm and Home store on Forest avenue will be 4-H headquarters.

At 2 p.m. a plane will fly over the athletic field dropping a bushel of colored peanuts. Those finding the peanuts may turn them in for prizes which will be given by the Chamber of Commerce.

At 3:30 p.m. the city recreation department will sponsor a mid-gate baseball game and another game between the Detroit House of Correction and Beginger Oldsmobile softball teams will be held at 6 p.m. at the athletic field.

At about 8 p.m. the fire department will set off the gala fireworks display at the high school athletic field, concluding one of the biggest Fourth of July celebrations Plymouth has ever had.

Club Resumes Weekly Dances

The first of a series of Wednesday night dances was held last night in the Masonic Temple, sponsored by the Plymouth Optimist club. Interviews with the young people attending were conducted by "Sleepy Head Ted" Johnson, disc jockey for radio station WHRV, during his evening broadcast.

The "Plymouth Night" broadcast was sponsored by local merchants. The weekly dances, arranged by Optimist Dick Gray, are open to everyone—teen-agers to old times—according to the Optimists.

Johnson will be the master of ceremonies for the dance broadcast every week. The dance will begin at 9 p.m.

Mrs. Jean Gallagher of Williams street is a patient in the Plymouth hospital.

Congress Shall Make No Laws Abridging the Freedom of The Press

What I Think and Have A Right to Say

By ELTON R. EATON

IT'S GOING TO BE A DANDY.

As plans for the first Fourth of July celebration held in Plymouth in years finally take shape, there is every indication that the big event is going to be all—and more—than its sponsors hope for.

To give it the real Fourth of July touch, the committee has arranged for one of the biggest and best fireworks display this part of Michigan has seen since the days of the old Northville-Wayne county fair.

Surprising as it may seem, committee members will find that the fireworks display will be one of the biggest drawing cards of the whole event—judging from the past experiences of the fair held in Northville for years.

But a lot of other interesting events have been scheduled, so do not risk your neck on highways crowded with crazy and drunken automobile drivers. Come to Plymouth and enjoy a two day Fourth of July celebration that you will long remember.

NOT AT ALL SURPRISING.

The Detroit Traffic Safety Association in a recent report pointed out that the vast number of traffic accidents are caused by youthful drivers, who because of their alertness should be the most careful drivers.

Drivers over the age of 60, the same report points out, are apparently the most careful drivers and are involved in far fewer accidents than are the youthful drivers.

But it doesn't need the report of the Detroit Traffic Safety workers to point these facts out. Every one who drives the highways knows the truth of what the record shows. In 99 cases out of a hundred, it is the youthful driver who refuses to observe the courtesy rules of the highways. He is the chap who takes the chances, thereby endangering not only his own life but the lives of other highway users.

These "kid"-drivers seemingly feel that through their alertness and ability to act much quicker than the other driver, that he can take daring traffic chances,—and these chances are the cause of so many terrible traffic accidents.

No—we do not by any means intend to indict all youthful drivers. There are many, very many excellent and careful drivers among the youngsters who have been given driving licenses. We are referring only to that smart aleck group we all know so well. It is unfortunate that the good and careful youthful driver must take a lot of blame for which he is not responsible because of the misdeeds of that "wise guy" youthful saphead at the wheel.

Maybe some day he will wake up to the fact that his own "hide" is worth something and he will become a more careful driver than the record shows him to be at present.

PICKING THE CREAM OF THE CROP.

The new city administration over in the city of Grand Rapids seems to be out to get the best there is to be found in municipal administration to operate the affairs of the government of Michigan's second largest city.

First, the Grand Rapids commission picked Walter Lahde of Ann Arbor as its mayor, saying him nearly twice the salary of any other candidate. Mr. Lahde has, over a period of years, proved himself one of Michigan's best posted and most efficient city assessors.

Now comes the news that the commission has engaged George E. Bean, city manager of Pontiac, to become city manager of Grand Rapids. Mr. Bean, too, has won for himself distinction as a highly efficient city administrator. His salary in Grand Rapids will be in keeping with his splendid abilities.

It would appear that the city commission of Grand Rapids is fully determined to give to that highly important municipality one of the best administrations in the country, and it is picking the right type of officials to do the job. Both Mr. Bean and Mr. Lahde rank in top places in their fields of municipal activities.

DOING GOOD WORK.

Frequently a public official gets mostly knocks from those who are closely associated with him—and sometimes it takes outsiders to really see the high type job some public officials are doing.

Such is the case with Michigan's highway commissioner, Charles Ziegler. For the third consecutive year, the Michigan State Highway Department has been judged the outstanding highway department in the nation in traffic engineering. Highway Commissioner Charles M. Ziegler has been advised by Robert S. Holmes, executive secretary of the international Institute of Traffic Engineers. A plaque denoting Michigan's leadership in the field of traffic engineering will be presented later to Commissioner Ziegler by a representative of the Institute.

California was selected as runner-up to Michigan. These two states were judged in a group made up of the larger states in the country. Smaller states were judged in other groups. The judging was based on traffic engineering performance for the year 1949.

Michigan won the same award for the year 1947, first year it was made and tied for first place with Minnesota for the year 1948.

In making the award, the Institute, which is composed of leading traffic engineers of the country, takes into consideration all engineering functions of the competing state highway departments, including control devices, surveys and studies, lighting, intersectional design, planning and administration. Also considered, is the attitude of the administrative head of the department toward improvement in traffic engineering and design and the operation of facilities for handling traffic in the most efficient, economical and safest manner possible.

All 48 states participated in the contest, according to Wilbur S. Smith, president of the institute and associate director of the Yale Bureau of Highway Traffic, Thomas H. MacDonald, Commissioner of the U. S. Bureau of Public Roads, was chairman of the committee of judges.

WHAT A PACK OF POLITICAL LIES!

If you have any desire to do so, go down to the big library in Detroit and look over the discussions that took place in congress when the New Deal labor laws were being enacted. It will be an interesting half day or more—and in those few hours, you will read more statements that time has proven to be false than can be found in any other publication ever issued.

It was said that these new labor laws would forever prevent strikes—that the new method of handling labor problems would bring to America an era of the greatest industrial peace the country had ever known.

Only a few rose to challenge the statements made by Senator Wagner and his cohorts who were making all of these wild assertions—and the challenges were feeble indeed.

What has been the real result? Never in the history of any country in the world have there been so many strikes, so many labor disputes—and so much ill-will as there has been since the enactment of the New Deal regulations for handling labor problems.

Some day some one will come up with a method of settling differences resulting from labor problems without the necessity of strikes and without the necessity of so much name-calling and so much ill-will. And let us hope that that day is not far off.

Lois Thomas Weds U of M Student in Saturday Rites

Mr. and Mrs. Rafael A. Davila are making their home in Ann Arbor after their marriage at the First Methodist church, Saturday, June 17.

The bride was formerly Lois Beatrice Thomas, daughter of Mrs. Bernice Thomas of Plymouth road. Her husband's parents are Mr. and Mrs. Rafael Davila of Yabuca, Puerto Rico.

Before a setting of palms and lighted tapers, the Rev. George T. Nevin performed the eight o'clock wedding. "If I Could Tell You" and "The Lord's Prayer" were sung by Ervin Sherdt. The bride's sister, Marjorie Thomas, sang "The Greatest of These is Love." The accompanying organist was Mrs. Edna O'Connor.

Marquise and lace fashioned the bridal gown. The bride's illusion veil was edged in lace. She carried a white Bible topped with red roses.

Wearing a ballerina length gown in Nile green French nylon, Marjorie Thomas was maid of honor for her sister. She wore a matching picture hat and carried a bouquet of yellow daisies.

Fashioned along the same lines as the honor attendant's gown, the bridesmaids dresses were made of flamingo nylon. They wore picture hats matching their gowns and carried bouquets of white daisies. Mrs. Neva Sommerman, Miss Virginia Elliott and Mrs. Marion Remnant were asked to be the bridal attendants.

Rafael Davila was best man for his son, Roger Harvey, Wil-

liam Wagner and Alberto Villalon ushered at the evening wedding.

Pink roses and white accessories complemented the blue lace gown which the bride's mother wore for the ceremony. Mrs. Davila's choice for her son's wedding was a rose gown with navy accessories. Her flowers were white roses.

Four hundred guests were entertained at the Cherry Hill hall at the reception following the wedding. The guests were from Detroit, Flint, Ypsilanti, Farmington, Ann Arbor, Kansas and Puerto Rico.

BIRTHS

Gladstone-Pierson Rites Held in Pontiac Saturday

Mr. and Mrs. Nile Gladstone

The First Presbyterian church in Pontiac was the setting for the 7:30 p.m. wedding in which Betty Pierson became the bride of Nile Gladstone on Saturday, June 17.

Dr. Marbach performed the double ring rites before an altar decorated with baskets of mixed garden flowers and lighted tapers.

The daughter of Mr. and Mrs. Charles Pierson of Pontiac, the bride chose a gown of white satin for her nuptial vows. It was designed with fitted bodice, long fitted sleeves, full skirt and circular train. Her veil of illusion was fingertip length held in place by orange blossoms. White roses and stephanotis topped the bride's white prayer book.

Mrs. Wayne Gladstone, sister-in-law of the bridegroom, acted as matron of honor. Her gown was designed from yellow marquisette. The bridesmaids, Dorothy and Janet Adams of Pontiac, chose gowns of blue and green marquisette styled along the same lines as the honor attendant's. Matching hats and bouquets of snapdragons and roses completed their ensembles.

Completing the list of bridal attendants were the junior bridesmaid, Louise Mueller, and flower girl, Carolyn Mueller, of Berkley. They wore white organdy over yellow taffeta and carried baskets of daisies.

The bridegroom asked his brother, Wayne Gladstone, to serve as best man. They are the sons of Mr. and Mrs. Lawrence Gladstone of Mill street, Plymouth.

The ushers were Tom Pierson, brother of the bride, Russell Moss and Vernon Burris.

White accessories complemented the flamingo pink crepe gown which the bridegroom's mother wore. Her flowers were white roses. The bride's mother was attired in a formal length gown of pale pink marquisette with blue accessories. Pink roses made up her corsage.

The town hall in Pontiac was the scene of a reception honoring the newly weds following the ceremony. There were 250 guests present to extend their congratulations to Mr. and Mrs. Gladstone.

Out of town guests were the

Gerald Pierson family of Holland, Mr. and Mrs. Lloyd Gladstone, Mr. and Mrs. Clyde Johnson of Ithaca, and others from Pontiac, Farmington, Berkley, Detroit, Royal Oak and Keego Harbor.

After returning via Pennsylvania from their honeymoon to Niagara Falls, Mr. and Mrs. Gladstone will make their home in Plymouth. The bride traveled in a pink and black print dress with white accessories and a corsage of pink roses.

Mrs. Gladstone was graduated from Pontiac High school with the class of 1949. Mr. Gladstone was graduated from Plymouth High school.

Engagement Revealed

Mr. and Mrs. Otis Thorpe of Shearer drive announce the engagement of their daughter, Lucille, to Robert Lawler of Sophia avenue, Wayne. No date has been set for the wedding.

PHS Class of 1913 Holds 37th Reunion

The 37th reunion of the class of 1913 of Plymouth High school was held June 10 at Tramp's Retreat. Class members, many of which still live in and around Plymouth, enjoyed a bountiful picnic lunch preceding their business meeting.

This class was the first to publish a high school paper. It was called the Plythean, a short form of the word Plymouthean.

Mrs. Edward Heintz announces the forthcoming marriage of her daughter, Virginia, to Harvey Shaw on Saturday the twenty-fourth of June.

Reception For 500 Follows Saturday Rites

At the home of her parents, Mr. and Mrs. Howard Hood of Maple street, Jane Hood became the bride of Percy Nowell, Jr. of Detroit on Saturday, June 17. The Rev. Carpenter of Ann Arbor read the double ring ceremony at eight o'clock.

Mr. and Mrs. Percy Nowell, Sr. of Detroit are the parents of the bridegroom. The young couple repeated their vows before an improvised altar decorated with picardy, gladioli and red and white roses.

For her marriage, the bride chose a gown of white organdy. A tiara of orange blossoms formed a headpiece for the bridal veil of illusion. The bride carried a prayer book on which an orchid rested.

Orchid marquisette styled the gown worn by the matron of honor, Mrs. Howard Hood, Jr. of Detroit. She is the sister-in-law of the bride.

Velma Lewis of Detroit was maid of honor. She was gowned in lime green marquisette. Carolyn Gales of Pontiac chose yellow marquisette for her duties as bridesmaid. The bridal attendant's carried bouquets of rubrum lilies.

A niece of the bridegroom, Lenore Shuford of Detroit, was the flower girl. Her gown was designed from yellow taffeta, and she carried a basket of rose petals.

Mrs. Hood pinned a corsage of white roses to the shoulder of her aqua chiffon gown, while Mrs. Nowell, the bridegroom's mother, chose blue accessories to complement her pink crepe gown. White roses were in her corsage.

A reception in Ann Arbor followed the ceremony. There were 500 guests present to congratulate the newly weds. Hostesses at the reception were Mrs. William Watkins of Pontiac, Mrs. Robert Britt, Mrs. Ann Chatman, Mrs. Ralph Harper of Ann Arbor, Miss Margaret Carter of St. Louis, Miss Georgia Taylor of Oberlin, Ohio and Miss Lulu Ross of Detroit. Miss Julianne Lewis Harris of Salem provided the music.

Mr. and Mrs. Nowell will make their home in Plymouth upon returning from their honeymoon to Buffalo, New York and Canada. They plan to return to Plymouth through Indiana and Ohio.

Social items can be phoned to 1755.

Mr. and Mrs. Karl Starkweather attended the 25th wedding anniversary of their cousins, Mr. and Mrs. Robert Leckrun, at the home of Mr. and Mrs. Sebo Dornkaat of Detroit.

Phillip Jacobus, Charles Stark, Charles Todd, and Dick Wiltse, left last week for Michigan State college in East Lansing and are attending Boy's State being held there this week.

This is a good time for farmers who grow their own fence posts to cut, peel and treat their posts. Treat non-durable woods, such as elm, maple, red oak, poplar and pine with a preservative. This is effective only if the posts are peeled before treatment.

Robert Daniel, West Virginia Girl Wed June 12

From Oxford, Ohio comes news of the ceremony in which Barbara Jean Pugh became the bride of Robert Leslie Daniel. The bride chose June 12, the day on which she received her degree of bachelor of arts from Miami university, for the double ring ceremony which was performed at 3:30 o'clock in the Oxford Methodist church by Dr. Bruce B. Wendt.

The bride's parents are Dr. and Mrs. Jesse J. Pugh of West Liberty, West Virginia and Robert's parents are Mr. and Mrs. Leslie I. Daniel of Livonia.

Given in marriage by her father, the bride wore a dress of white organdy over white taffeta. Her dress was made with a lace yolk, a tightly fitted bodice, with a very full skirt ending in a short train. Her fingertip length veil was fastened to a fitted lace cap. She carried a white Bible with lace on which was fastened an arrangement of shasta daisies and trailing ivy.

The bride's only attendant was her college roommate for four years, Maralyn Laver, of Elyria, Ohio. She wore a dress of yellow organdy made like the bride's with a fitted bodice, and very full skirt. She carried a colonial bouquet of white daisies.

The best man was Richard Irvine Daniel of Livonia, brother of the bridegroom. Wallace Edwards of Springfield, Ohio, and James Carson of Hamilton, Ohio, both college roommates of the groom served as ushers. During the ceremony Roger Clayton sang, "All For You" and "The Lord's Prayer."

The bride's mother chose a dress of navy sheer with navy accessories and Mrs. Daniel wore a dress of pastel blue sheer with navy accessories. Both mothers wore corsages of pink carnations and stephanotis.

A hundred guests greeted the bride and groom at the reception which was held at Wesley House, the Methodist Youth Foundation on the campus. Madeline Pugh and Barbara Ann Daniel, sisters of the bride and groom, assisted by Eileen Magie served at the reception.

The bride has served as president of Wesley Foundation during her senior year and has been a member of Alpha Kappa Delta. She has recently been elected to membership in Phi Beta Kappa.

Participate in Piano Recital

On last Sunday evening, June 18, Mrs. Florence Crandell presented her piano pupils in a recital in her home.

Those who took part in the first group were Martha Jane West, Donald Williams, Judy Walsh, Sharon Walsh, Kathy Yakley, Warren Smith, Ann Taylor, Linda Law, Ann Hulsing, Cynthia Balfour, Mary Jo Wasalaski, Frederick Smith, John Williams, Jerry Steele, Ronnie Markham and Marcia Staples.

Participants in the second group included Celia Balfour, Barbara Schmidt, Margaret Burr, Margaret Sue Daniel, Richard Root and Jon Brake.

She: "It's the woman who always pays."
He: "Yes, with her husband's money or that of some other poor fellow."

Champ Skaters Give Exhibition

Champions on Parade will be presented June 27 at the Riverside Arena by members of the Riverside Figure and Dance club who will compete in the national roller skating championships in Pasadena, California, July 10 to 15.

The top 44 skaters, all of whom took honors in the Michigan State contest held here two weeks ago, are presenting the skating exhibitions in order to help finance the trip to California. Open skating is also scheduled for the evening. Prizes will be awarded during the program to those attending.

"I REMEMBER" BY THE OLD TIMERS

From Mrs. Eugenia McKinney of Somerset, Ky.: "I remember when Kentucky farmers had log rollings. I was only a small girl at the time, but I still remember when the neighbor men from all around gathered to help roll the logs. After the timber had been sawed down and the limbs piled up for burning, the women folk would come and prepare the noon meal. How I enjoyed that chicken and dumpling dinner, cake and pie!"

From James A. McFaul of Oxford, Me.: "I remember hearing a woman caller at our home in Pembroke, Me., back in 1882 saying that if eggs stayed at 12 cents a dozen, she would be satisfied."

From Mrs. Sylvia Belfield of Hallstead, Pa.: "I remember the first cocoa we bought. We steeped the little shells in hot water for a long time to make the syrup. I also remember helping Mother make soap with lye made from wood ashes and candles with tallow from the beef we butchered in the fall."

From Mrs. Everett Carter of Williamsville, Ill.: "I remember when my older sister's beaux would come a-courtin'. They would bring chewing gum in squares (five in a bunch) with the words 'Kis-Me-Gum' on them. I wonder how many youngsters ever saw gum done up that way."

From Willard S. Richey of Atwood, Ill.: "I remember when fruit was dried and preserved instead of canned... when kraut was made with a spade... when doors hung on wooden hinges."

From Mrs. Vera Norton of Mesa, Ariz.: "I remember Father's white shirt with its stiff, starched bosom. Was it ever good looking with those tiny gold studs down the center!"

From C. S. Cooper of Xenia, O.: "I remember when granulated sugar first appeared on the market... when men wore fancy vests and had a comb and tooth brush sticking out of the upper left-hand pocket... when no one ever heard of vitamins or calories."

James Gates Dies After Long Illness

Funeral services were held on Monday, June 19 at 2 p.m. from the Schrader Funeral home for James Gates who passed away Saturday morning, June 17, at the age of 84 years after a long illness.

Surviving are his widow, Mrs. Emma Gates; his son, Ross D. Gates of Plymouth; his sister, Mrs. Minnie Trinkhaus of Plymouth and his brother, Theodore Gates of Eaton, Colorado, and other relatives.

The Rev. Henry J. Walch, D.D., officiated. Hymns were rendered on the organ. The active pallbearers were John Hawk, Henry Ehrensberger, John Root, Mathew Swegles, Charles McConnell and Melvin Alquire. Interment was in Riverside cemetery.

Funeral Held For Mrs. Ella Olds

Funeral services were held yesterday at 2 p.m. from the Schrader Funeral home for Mrs. Ella Olds who passed away Friday, June 16 at Tujunga, California, at the age of 81.

Her husband, Charles W. Olds, preceded her in death on April 29, 1949. Surviving are her daughter, Mrs. Hilda Sessions of California; and her brother, George Hillmer of Plymouth; also surviving are two grandchildren, other relatives and many friends.

The Rev. Henry J. Walch, D.D., officiated. Hymns were rendered on the organ. The active pallbearers were Karl Starkweather, Davis Hillmer, William Brooker and Archie Craig. Interment was in Riverside cemetery.

Thoughtfully, a thief who stole a car in Alameda, California, left behind a note for the worried owner: "Sir: Your car is receiving first-rate care and will be returned to you or you will be notified of its whereabouts. It is going south for a spell, but will not be driven fast or mishandled in any way. I certainly do not like to inconvenience you, but my wife is sick and needs to get out of this climate for two months."

Former Resident Dies After Long Illness

News was received this week of the death of Owen E. Curtis at St. Joseph hospital in Ann Arbor on June 15. Mr. Curtis, who was 37 years old, was born in Plymouth and was married here in 1942 to Abbie Melow.

The Curtis' have been living in South Lyon where Mr. Curtis was employed at the Hugh Arms and Son garage. Services were held in South Lyon with the Rev. E. N. McGhee and the Rev. Cora Pennell officiating. Burial was in Riverside cemetery.

Surviving Mr. Curtis are his wife, his father, Leslie Curtis; six brothers, Cleo, Dale and Norman of Plymouth, Milton of Connecticut, Leon of Garden City and Don of Ann Arbor; four sisters, Mrs. Iola Hall of Pinckney, Mrs. Hazel Adams of Ann Arbor, Janice Curtis of Pontiac and Lois Curtis of Plymouth.

Services Today For Martin Child

Funeral services will be held today at 2 p.m. from the Schrader Funeral home for Infant Kenneth Michel Martin who died Monday, June 19. Kenneth was born on September 27, 1949, to Thomas and Helen Martin who reside at 16240 Northville road, Plymouth.

Besides his parents, he is survived by two sisters, Kathleen and Pamela; one brother, Tony; his grandparents, Mr. and Mrs. Thomas A. Martin, Sr., and Mr. and Mrs. E. H. Porter; his great-grandmother, Mrs. Maude Lee, all of whom reside in Plymouth. Other relatives also survive.

The Rev. Melbourn I. Johnson of Plymouth will officiate. Hymns will be rendered on the organ. Interment will be made in Oakland Hills Memorial Gardens.

Your Police Department Speaks

Written by members of Plymouth's Police department

SAFETY. A WORD THAT MEANS SO MUCH—But first, a thanks to all of our Patrol boys and girls and their leaders for the splendid job they have done. Our girls in the schools and our boys on the street, rain or shine, they were there.

Several times this past year reports have been turned in to the teachers and the police department on unexpected happenings, such as a motorist calling children to come to the car. The boys and girls have been getting the license numbers and watching where the cars go. They have encountered drunk persons on the street.

There is also a thanks to all the boys and girls who obeyed the Patrol boys and girls.

Now it is time for the parents to take over. All children should be cautious about crossing the street, riding bicycles, playing around new homes, swimming in ponds, playing on railroad tracks, and accepting anything from strangers, such as rides, gifts, candy, gum and ice cream. Children should try to get the license number of the car and a description of its occupants. It is wise to avoid dark places, and if it is necessary to be out at night, travel in groups. If there is cause to be alarmed, stop at the first house, don't run home and call the police.

All property owners can help in this safety program by cutting weeds, clearing unnecessary brush, keeping trees and shrubs trimmed up from the ground and around windows.

The above will be a great help to the Police department. If you doubt it, just walk around your own yard some dark, rainy night.

Remember, you are as close to your police as your telephone. Call Plymouth 93, 94 or 95 day or night. A radio-patrol car is on

duty 24 hours a day. Motorists, you can help by driving carefully. If you see a child doing something wrong, just stop and explain to him what is right. Talk to him as a father would talk to his own child. You may save a life!

Is Effective Here Telephone Rate Increase

(Continued from page 1) for this increase. A previous increase in October, 1948, required 14 months of waiting.

"Costs of doing business were increasing during all of that time and the inadequate return incurred during such a long procedure can never be made up.

"In addition, the relief that has been accorded falls far short of matching the increased costs of doing business.

"Prior to 1948, Michigan Bell rates had not been increased in 22 years. As a matter of fact, long-distance and exchange service rates were decreased a total of \$21,000,000 during that period.

"Since 1940, prices of food, clothing and other goods and services have gone up substantially. On the other hand, even with the present increase, the average telephone bill has risen less than half as much as the prices of things that make up the cost of living.

"Telephone service, even with the increase, is still cheap in dollars and cents—standing alone judged by today's increased purchasing power, or measured by the increased value of the service itself."

The other day a friend of mine coped masterfully with a situation which has baffled many a woman driver. She was driving through heavy traffic on an Indianapolis street when a man squeezed his car too close and promptly blared her—profanely and at length. My friend listened quietly until he ran down, then leaned out her window and said: "Relax...take a deep breath and say 'Ah!'"

The true test of civilization is, not the census, nor the size of cities, nor the crops, but the kind of man that the country turns out. —Emerson

MUCH HOLLYWOOD conjecture on who will be on the air next fall, and for what network... At the present, it appears that most shows will be back in the same grooves... Possible exception is Fibber McGee and Molly, reported ready to retire—and not interested in TV, at least not at this writing... Groucho Marx is the one man with a definite future... Exceedingly popular on radio, he is the most sought-

after man in TV at the moment with two networks vying for his services... With his sharp wit he's a natural for the new medium.

Bob Hawk and his bride of six weeks returned from a flying trip to Paris and are living in their Beverly Hills apartment... Don Ameche will do a summer show out of Chicago—where he first broke in all those years ago... Gene Autry's first TV film was made with live music, the first time the ban has been lifted by Union Chief Petrillo... Fred Allen has been signed to make comedy records... Garry Moore is moving his home back east now that he's signed a long-term contract with CBS.

PLATTER CHATTER
CAPITOL—Gordon MacRae has made two supper albums consisting of selections from popular operettas... Both use Paul Weston's orchestra for background music and in several sides he is combined with lovely Lucille Norman... One album is "New Moon," in which he does a sterling job with the rousing "Stout-Hearted Men" and "Softly, As In a Morning Sunrise."

The "Wanting You" duet is soothing and beautiful... In the other album, Gordon and Lucille do a nice job of presenting that favorite, "The Vagabond King" with such wonderful selections as "Song of the Vagabonds," "Only a Rose," "Some Day," "Huguette Waltz," and others. These are musts for record collectors.

Guests on Wednesday evening of Mr. and Mrs. M. M. Rowland, Sr. of Carol avenue were Mr. and Mrs. Arlan Rowland, a nephew of Mr. Rowland, from Glendale, California, and Mr. and Mrs. Alfred Judd, Mr. Rowland's sister, from Detroit.

Young Cowboy Gets Hoppy Outfit

Little Bobby Rew, the "World's Smallest Magician," was caught by the Mail photographer as he sat astride the Fisher Shoe store hobby horse trying on his new pair of cowboy boots. Jim Houk is pictured fitting Bobby's shoes. Fisher's have installed the hobby horse just for fitting young cowboys with new boots. The cowboy outfit Bobby is wearing is an authentic Hopalong Cassidy suit and hat which his mother bought him at Dunning's department store.

Buy Northville Auto Dealership

A Northville automobile dealership, Allan and Locke, Inc., changed hands this week when Beverly Smith of Plymouth took over the Ford franchise. Smith stated that there will be no change in the service and parts staff. Jack Linenfesler, who has been affiliated with him since 1947 will be the sales manager. Joe Potter who has been in the car business for 33 years will be the manager in charge of trucks and used cars.

A grand opening is being planned, the date of which will be announced later. The Smiths make their home on Territorial road, Plymouth, and they have a son, Nickie, aged 10. The dealership will be known as "Bev. Smith, Inc." and the new owner states that his prime concern will be to serve the people of Northville first. He is a member of the Northville Free and Accepted Masons No. 186.

Tells Recreation Plans at Kiwanis

Herbert Woolweaver, city recreation director, was the guest speaker at last Tuesday's meeting of the Kiwanis club. He outlined for the Kiwanians the summer recreation program planned for the community. Bob McAllister was program chairman for the evening. Work on the Kiwanis Scout cabin is progressing nicely due to the efforts of members and friends helping on the project. Anyone interested in assisting the Kiwanians in this worthwhile project should contact Jim Gallimore.

Do you bite your nails? Grit your teeth? Drum your fingers? "Fight" red traffic lights? According to a physical education instructor, these are danger signals, and you'd better slow down if you want to last longer. Tension ties your muscular and nervous system up in pretzel-like knots. If you go through life with a "slow burn" you miss a lot of fun, and you're encouraging poor digestion, high blood pressure and a worried look on the face of your friendly insurance man. Relax. All the nervous tension in the world never pulled a tooth, changed a traffic light or paid a bill.

We almost broke a record for banana splits during our Sealtest Ice Cream Festival—if it hadn't been for the weather turning so cool on Saturday. As it was, we turned out 240 on Friday and Saturday. If you were one of the lucky 240, we sincerely hope you enjoyed your Sealtest Banana Split.

Carried
A communication from the Wall Wire Products was read by the Clerk.

The following resolution was offered by Comm. Hammond and supported by Comm. Tibbitts:

WHEREAS, the Wall Wire Products Company has agreed to pay to the City of Plymouth for fire protection a fee annually in advance beginning July 1, 1950 based upon the formula of the ratio of the yearly City Budget for the Fire Department to the total assessed valuation of the City multiplied by the combined assessed valuation of the premises of the Wall Wire Products Company, adjusted to comparable City valuations, and the assessed valuation of the personal property of the Wall Wire Products Company, and,

WHEREAS, in addition to the said fee they have agreed to pay to the City One Hundred dollars (\$100.00) for the first hour or fraction thereof for

each piece of fire apparatus sent to the premises of the Wall Wire Products Company and Thirty-five dollars (\$35.00) per hour or fraction thereof for each piece of fire apparatus for each succeeding hour, and

WHEREAS, the Commission of the City of Plymouth in exercise of its sound discretion, believes that the furnishing of fire protection to the Wall Wire Products Company owned property outside corporate limits of the City of Plymouth is manifestly desirable.

THEREFORE BE IT RESOLVED that upon payment of the aforesaid annual fee the Fire Department protection be extended to the Wall Wire Products Company in the same manner as risks within the limits of the City of Plymouth, and

BE IT FURTHER RESOLVED, that should this resolution be rescinded, that the City Clerk is hereby instructed to so notify the Michigan Inspection Bureau.

Main Street Just Before The Fire...

This was Main street before the fire. Al Chaffee and George Hunter's grocery and provision store stand on the corner, extreme right, which is now the site of our present bank. This house was the home of Plymouth's first doctor then later became a drug store and then a grocery store as seen in the picture.

Yes this was Main street until April, 1893 when the following article appeared in the old Detroit Journal and told of "The Dastardly Deed of an Incendiary" which describes Plymouth's "Terrible Visitation" below. At 15 minutes to 12 o'clock on Monday night fire was discovered in the rear of the Laufer building, an old frame structure. The alarm was promptly given, but in a few minutes the First National Exchange bank building and the three story brick building owned by O. A. Fraser were ablaze. At 12 o'clock Messrs. Chaffee and Hoyt telephoned to Detroit for help, which did not arrive until 2:30, when the creek was dammed to furnish the fire engine with water. Citizens worked heroically to extinguish the flames but the primitive methods at hand proved ineffectual to stay the fire, and when the Detroit men arrived Plymouth's finest business block was a mass of charred ruins. The buildings destroyed are Laufer's store, First National Exchange bank, O. A. Fraser's brick store and Mrs. Jenny Penny's store. Charles Miller's store was not burned, but is wrecked. This is as far south as the fire extended. The stores of R. G. Hall and Henry May and the two stores of Mrs. Fannie Coleman were also destroyed. Mr. Connor's store, across Butler street was badly blistered by heat and H. Dohmstreich's building was only saved after a stubborn fight, it having caught fire through the windows. The post office, although not burned, is a wreck. Chaffee & Hunter's fine drug and grocery stock was totally destroyed. A. O. Lyndon's stock was also lost, the only articles saved being a few bicycles and some pails. One desk was saved from the bank, Mr. Fraser, the cashier, cutting his hand severely with glass while aiding in the work. R. G. Hall's stock of dry goods was partly saved. The stock of boots and shoes owned by Mr. Dibble was nearly all rescued, as was also the jewelry stock of John Steele. John Gale's drug and grocery stock was partially removed from the burning building. Miss Nellie Steele suffers a total loss of her millinery goods. The Masons and Odd Fellows lost all their effects and Alex. Black, in the same building, lost everything. Robert Terry, whose barber shop was in the rear of Van De Karr's store, had everything destroyed. Nothing was saved from the barber shop of Mr. Sloman, over R. G. Hall's store.

DeHoCo Girls Lose Close Game to Ypsi Team

In a very close game Thursday, June 15, DeHoCo girls were defeated by Jackson Coal of Ypsi 9-8. Hill was the hurler for Jackson Coal while Pettit chucked for DeHoCo.

According to Vic Saltinski, athletic director at DeHoCo, "This game was the by all odds one of the best games ever played on the girl's diamond. Although our girls lost, they looked good losing. The spectacular plays, which both sides displayed was as amazing as a world series session."

DeHoCo scored four runs in the first inning. Walter, leading off, singled, Black singled, Peters walked, Schardt singled, and McAllister singled, resulting in four runs. In the fifth with two outs Peters singled and then scored on a hit by Schardt. DeHoCo scored one more run in the fifth.

Jackson Coal collected three runs in the second inning and two in the fourth and fifth. This made the score 7-5. In the sixth the teams were held hitless but in the seventh DeHoCo scored three runs on four hits, giving them a one run margin. In the last of the seventh Jackson Coal started out with Fretner's single. Their hopes went down when Gemons grounded out to the pitcher. DeHoCo lost the game on errors when the shortstop erred putting two men on. Hill then singled, scoring Fretner, and tying the score. Whitman then knocked in the winning run on an error by the left fielder.

"Why does Minnie Meek always dress in black?" "She's in mourning for a husband, no doubt." "Why, I didn't even know she was married." "She isn't—that's probably why she's in mourning."

Instructions For Day Camp Listed

All who plan to attend the first two days, Wednesday and Friday, of day camp must register Monday morning, June 26, at the nearest playground. The first 15 names at each playground will be all that can be accommodated the first week.

- 1. Dress according to the weather and for tramping through the woods, over the hills and along Huron river at Kensington park. 2. Bring a jack knife, your own lunch, bathing suit and towel. Write your name plainly on your lunch sack. 3. The Plymouth Optimist club will furnish milk free to all children and it will be delivered daily at the Day Camp site. Do not bring any kind of pop. 4. No money what-so-ever is needed for these trips after you have paid your registration fees each Monday morning.

5. In any event that a doctor would be necessary for emergency, one will be available at Milford about two miles north of the camp site. 6. Children must be at least nine and not over 14 years of age.

Are you having any checkout trouble at your A&P?
When we first started our Customer Relations Department, we received more comments about delay at the checkout stands than anything else.
We've worked hard since that time to give you the kind of checkout service you want.
Are there ever any stands to care for all our customers promptly?
Are the checkers efficient, accurate and courteous, as they should be?
If there's anything further we can do to make this final part of your shopping trip more convenient, please write to us at:

Thibodeau Hurls No Hit Game to Beat Beglinger

In one of the best games of the season Cavalcade Inn beat out Beglinger by the close score of 1-0 on Monday, June 12.

It was a pitcher's battle all the way between Street of Beglinger and Thibodeau of Cavalcade Inn. Street allowed only three hits, but his rival did not give up one hit. It was a very thrilling game all the way with both hurlers pitching their best.

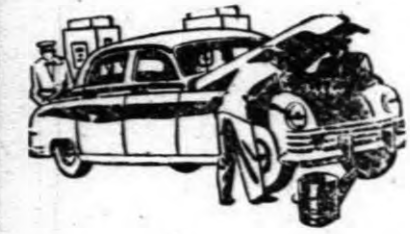

Cavalcade went out 1-2-3 for the first three innings but in the fourth Lillie, leading off, got the first hit of the game—a single. Butell then singled. On Londeau's grounder to the pitcher both men advanced one base. Paison then hit a fly to left field on which Lillie scored the only run.

Beglinger didn't get a man past first base until the fifth when Street was safe at first on an error. He went to second on a sacrifice by Gilles. Street then went to third on Leichtweis' grounder to second but that is as far as he got as Bidwell, pinch hitting for Sasal, struck out.

In the last inning Beglinger had one last chance to win the game. Hunt, leading off, hit a fly to short for first out. Wilkie then walked but was forced out at second when Street hit a grounder to shortstop. Gilles ended the game by striking out.

BY AL FINNEY

Last week's star athlete is Joe Thibodeau of Cavalcade Inn. Joe pitched the first no-hit game of this season as his team defeated Beglinger 1-0. Only five men got on base, two of these because of errors. Thibodeau struck out nine batters while only walking four. Joe pitched his best in the clutch to come out of the tight spots with seemingly ease.

This was his first game of the year that he has pitched for Cavalcade as he joined the team just prior to the game. Thibodeau had pitched for Fred Thompson, Cavalcade's manager, back in 1937-39.

He first started organized ball in 1937 and has been going strong since then. Three years ago Thibodeau hurred for Wyandotte and Ann Arbor of the National softball league which is the "big league" of softball. Thibodeau is also pitching for the Dearborn Engineers of the Ford league.

With LaRue and Thibodeau both pitching their fine ball Cavalcade is going to be pretty hard to beat.

Let's cut out the football tactics—the purpose of the Plymouth Recreation leagues is to provide entertainment and fun for the players and spectators. There is no money or honor involved so why go out there to see how many guys you can knock down or get into a fight with. The purpose is to have fun so why not have the fun without the rough stuff.

All umpires are to kick out any player who purposely runs into a player while being tagged out, any player who gets into a fight or starts one, and any unsportsmanlike conduct or remarks. Of course anytime you push or hit an umpire you are out for the rest of the season. The Recreation department now has a Suspension board, composed of one manager of each league, two men from the Recreation department and Phil Bosman, supervisor of softball, whose job is to decide how long the players are to be out for their unsportsmanlike conduct.

Another one of the reasons the Recreation department does not like the rough stuff is because of the men themselves. Every player has to go to work the next day. I don't suppose any of you would like to work all day long when the night before you were knocked over by some smart guy who likes to try and please the crowd. Just remember that you may be the next one to get it, if this doesn't stop, so let's cut it all out.

Lock Wins Burroughs 36-Hole Medal Play

Thomas Lock of Blunk street won the Burroughs golf championship last Sunday with a 71-75 score for the 36-hole medal play. The highly competitive match was held for employees of the Burroughs Adding Machine company.

Lock has been city golf champion for two years and was runner-up another year.

DeHoCo Downs South Side Team

By defeating South Side Merchants, June 12, 14-1, DeHoCo now has a 2-2 record. Harrison was the winning pitcher, allowing only four hits while walking four. Nagy was the losing pitcher being tagged for 13 hits and six walks. This was South Side's fourth defeat in as many starts.

The Merchants scored their only run in the first inning. Wagenschutz led off with a single but was thrown out at second. Schaufele reached first on an error. Lyke then sent him to second with a single. Huebler struck out but Nagy smashed a single scoring Schaufele. This was South Side's only run while being held to only one hit for the rest of the game.

DeHoCo won the game in the first by scoring three runs with two outs. Williams, Harrison, Gregory and Williams all walked and scored on a double by Speers. DeHoCo scored in every inning except the seventh.

Harrison was DeHoCo's leading batter getting three hits. Speers led in runs batted in with six by getting a double and a home run.

Dunn Steel Wins Third in Old Timers' League

On Friday, June 16, Dunn Steel (Old Timers' league) won their third game of the season by beating Twin Pines 18-3. This was Twin Pines' third defeat in as many starts.

Herter was the winning pitcher giving up five hits, while Dunn Steel collected 15 hits off of Seafloss of Twin Pines.

Dunn Steel scored four runs in the first inning on four hits. In the third inning the boys went wild scoring 14 runs on one hit. Eighteen men went to bat in that inning.

This victory was the third for Dunn Steel and they haven't lost a game yet. Twin Pines has yet to win a game.

Rorabacher Wins For Contractors

In a very wild game last Friday Contractors defeated Twin Pines 17-6. Smith hurled for the losers with Rorabacher pitching for the winners.

Twin Pines got their first hit in the third frame. Barney flew out to the pitcher but Choffin singled and then scored on Tebbitt's double with Tebbitts scoring when Morgan singled. Twin Pines scored two more, in the fourth and two in the sixth for six runs.

Contractors scored three runs in the first frame, all of these runs being unearned because of errors and a walk. Again in the second Contractors scored two runs because of errors and another walk. By scoring four more runs in the fourth Contractors won the game. Not to be satisfied with this margin of victory they scored eight more counters in the sixth which was the last inning. Every man on Contractors team got at least one hit and every man except one scored.

It is said that a soft answer turneth not away the energetic salesman.

Whitman - Barnes Gives Dunn Steel First Defeat

Suffering their first defeat of the season, Monday, June 12, Dunn Steel was beaten by Whitman-Barnes by the score of 16-15 in a very wild and exciting game.

In the first inning Whitman-Barnes was held scoreless which was the only inning they didn't score or get a hit. Dunn Steel started out in the first frame collecting four runs on four hits by Allen, Becker, Stout and Truax.

In the second inning Dunn Steel scored seven more runs on seven hits. McIntosh singled, Allen singled again, Becker got to first on a fielder's choice, Stout doubled, Reid singled, Pierce was hit by a pitched ball and Truax singled again resulting in seven runs. They scored three runs in the third and one more in the fifth, which was the last inning because of the time limit, giving them 15 runs.

In the second inning Whitman-Barnes scored two runs and in the third the boys went wild scoring ten runs in which 15 men went to bat. Whitman-Barnes then scored two counters in the fourth and two in the fifth.

Hold First Inter-City Ladies Golf Match

The first Inter-City Ladies Golf match is scheduled for June 23 at 9:30 a.m. on the links of the Plymouth Country Club. The Plymouth team, sponsored by the city recreation department, consists of June Todd, Leone Todd, Violet Partridge and Isabelle Partridge. They will compete with a team from Dearborn.

Organize Midget Baseball League

All boys under 12 who want to play in the Plymouth Midget baseball league must report for practice next Monday morning at Central playground at 10 a.m. and bring their own gloves.

Baseball school will be conducted for these boys every Monday, Wednesday and Friday at 10. Teams will be formed at the conclusion of the school and a regular league schedule will be played. All boys who play in this league must attend the regular baseball school sessions in order to qualify for the league. In case of rain, the meeting will be held in the Central Grade school gym.

Long weekends would be grand if they didn't leave a man so short.

Gillies Retires From Athletic Post at DeHoCo

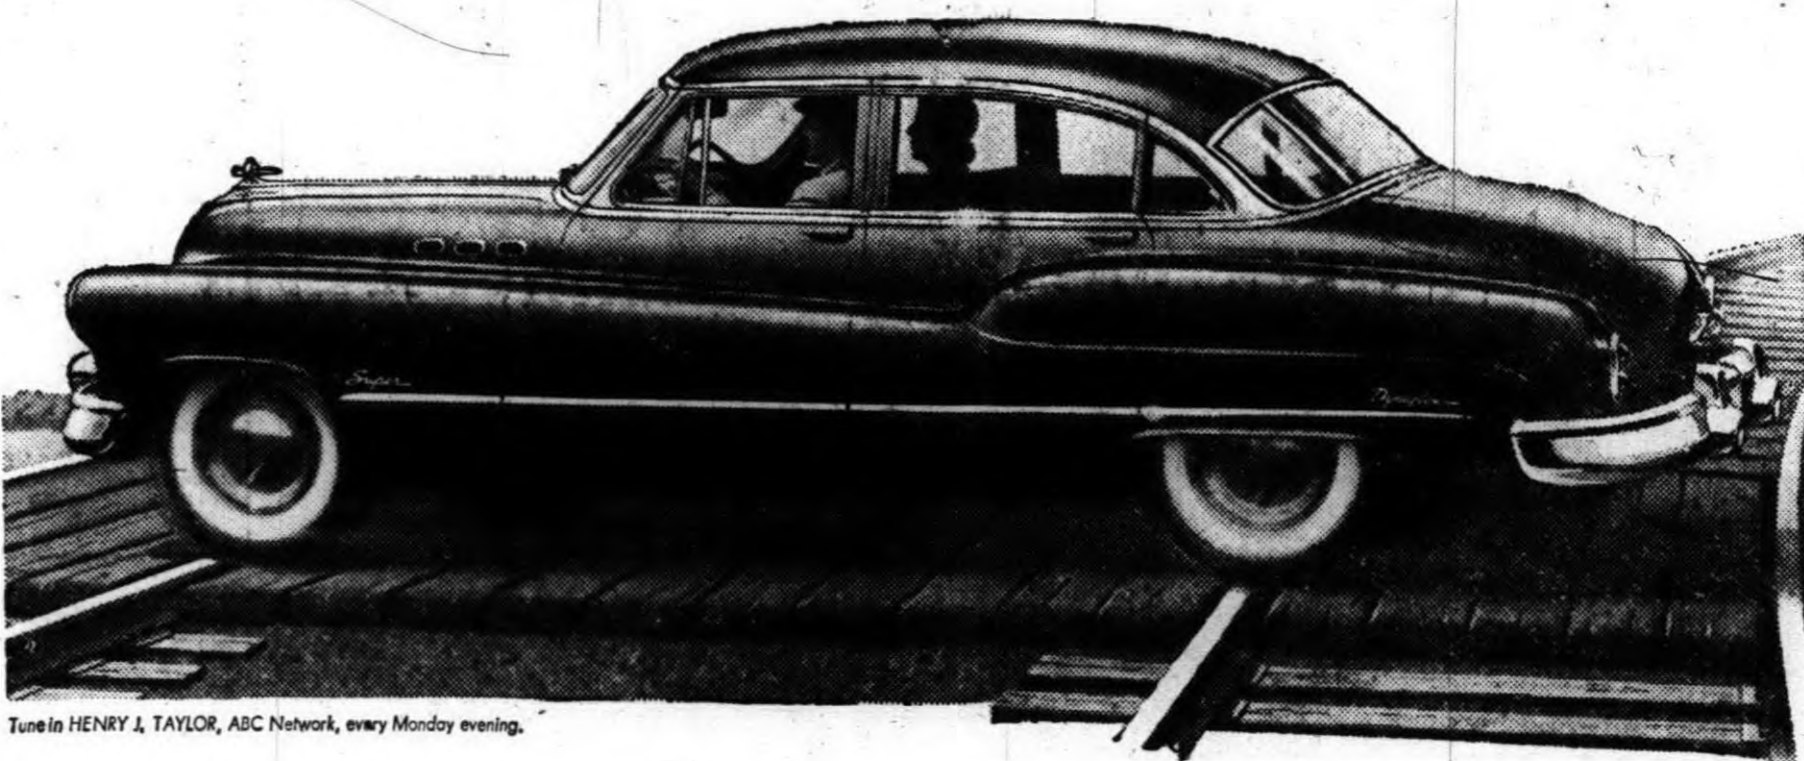

George B. Gillies, athletic director at the Detroit House of Correction for the past 17 years, relinquished his post to Victor Salinski, who has been acting athletic director for the past seven months.

Gillies leaves an enviable record behind him. He had produced many local league championship teams, and in 1948 his DeHoCo softball team won the state championship. The consensus of opinion is that Gillies would have accomplished this feat on numerous other occasions if his terms had been allowed to travel.

He retains his permanent position as hallmaster of the institution and it was due to multiple duties attached to this position that he retired from the athletic scene.

The splendid record of accomplishment established by his predecessor gives Salinski the inspiration to continue this fine work.

Crossings should be Seen and not Felt

WHEN the sign says "Stop; Look and Listen," the prudent driver does. But after that what? Must you still move forward at a cautious crawl or pay toll in jar, jitter and jounce? Not, good sir, when you're at a Buick's wheel. You step on the throttle, move easily, swiftly forward. Your wheels dance—your tires drum-roll over rail and plank. But four gentle coil springs, one on each wheel, are working their magic—and you hear rather than feel the rough spot you have crossed.

That, of course, is only one kind of rough going you can meet in your travels. It's only one kind of discomfort your Buick's built to master. For beside gentle coil springing, every Buick rides on soft, low-pressure tires. Every one is steadied by a rigid torque-tube. Every one boasts a rigid, weavproof frame—soft, sure shock absorbers—even special engine mountings to minimize vibration. They can have the special added smoothness of Dynaflow Drive,* cushioning power-thrust in spinning oil. So rough spots seem to level out

at your coming. Boulevards take on a new smoothness. You know what riding comfort is—why the Buick ride is called matchless. So how about it Come climb into a Buick and see for yourself what we mean. You'll get a style-thrill and a power-thrill along with your ride-thrill—and a story on price that eliminates your last excuse for not traveling in the Buick manner! Only BUICK has Dynaflow—and with it goes: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

FOUR-WAY FOREFRONT
This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Bonita Nolan, Kenneth Brinks Wed in Afternoon Ceremony

Nuptial vows were exchanged by Bonita Jane Nolan and Kenneth Allen Brinks on Saturday, June 17, in a 3 o'clock ceremony at St. Peter's Lutheran church. The officiating minister was the Rev. Edgar Hoenecke. It was a double ring ceremony.

Mr. and Mrs. Michael Edward Nolan of Bessemer are the parents of the bride. The bridegroom is the son of Mr. and Mrs. J. E. Brinks of Ann Arbor road, Plymouth.

Organist Gerhard Mueller provided the wedding music. Altar decorations for the ceremony were baskets of white peonies and carnations and palms.

Given in marriage by her brother, John Nolan, the bride was gowned in white lace styled with fitted bodice pointed at the waistline in front and a peplum in the back. The high neckline was finished in a mandarin collar, and the bouffant skirt was ballerina length. The bride wore a triple strand of pearls, a gift

from her father. A Juliet cap trimmed in white rosebuds secured in place the fingertip veil of illusion which the bride wore. The bridal bouquet was a colonial arrangement of Johanna Hill roses and stephanotis.

Illusion green marquisette styled the gown worn by the maid of honor, Marilyn Johnson of Bessemer. The bridesmaid, Barbara Sperry of Grand Rapids, was also gowned in illusion green marquisette. Yellow roses and yellow carnations formed the colonial bouquets which the bridal attendants carried.

Robert Schaufele was best man for the bridegroom who asked his two brothers, James and Donald, and Dale Wiseley of Whitmore Lake to serve as ushers.

When she greeted the 125 guests at the reception in the church parlors, Mrs. Nolan wore a navy blue sheer dress with pink accessories. Mrs. Brink's choice for her son's wedding was a navy blue sheer dress with white accessories. Both mothers wore corsages of yellow roses.

The future home of the newly weds is 10324 North Territorial road. They will be at home to their friends after a two week honeymoon in northern Wisconsin.

Attends Navy Mothers National Convention

Mrs. Erland Bridge traveled to Washington, D.C., this week to attend the 14th annual national convention of the Navy Mothers Clubs of America. She is attending as a delegate of the local unit of the organization.

Engaged....

Mr. and Mrs. Oral B. Rathbun of Kellogg street announce the engagement of their daughter, Corinne, to George Kolb, son of Mrs. George Kolb of Helen street, Garden City, and the late George Kolb. The wedding will take place September 9.

Donald Grays at Home in Plymouth After Southern Wedding Trip

Donald L. Gray claimed Adele V. Grimes as his bride in a ceremony on June 10 at Our Lady of Good Counsel church. The marriage was performed by the Rev. William P. Mooney.

Mr. and Mrs. John S. Grimes of Schoolcraft road are the bride's parents. The bridegroom is the son of Mr. and Mrs. Esten Gray of Starkweather avenue.

Wedding music was provided by soloist, Joe Cicirelli, who sang "On This Day, Oh Beautiful Mother," and "Ave Maria."

Given in marriage by her father, the bride wore a gown of white mesh over satin detailed by a panel of lace inserted in the skirt. Matching lace edged the train. The bride carried a bouquet of white roses.

The bride was attended by Pauline Kukar as maid of honor. She wore a pink gown and carried a mixed bouquet of roses, carnations and snapdragons.

Betty Sue Gwinup and Dorothy Dobozy selected blue gowns for their duties as bridesmaids. Their bouquets were also of roses, carnations and snapdragons.

Charles Dobozy of Wayne attended the bridegroom as best man. Ushers were Charles Ferguson and Stewart J. Bradke.

For her daughter's wedding, Mrs. Grimes selected a navy blue sheer nylon dress and an orchid corsage. Mrs. Gray's choice for

Mrs. Donald L. Gray

the double ring rites was a gown of taupe sheer nylon. Yellow roses made up her corsage.

Four hundred guests honored the newly weds at the reception which took place in the American Legion hall. The guests were from Northville, Plymouth, Canada, Walled Lake, Missouri and Ypsilanti.

Mr. and Mrs. Gray took a southern wedding trip. Upon returning from their honeymoon they will make their home in Plymouth.

Marilyn Vershure is Bride of University of Wisconsin Student

News was received this week of the marriage of Marilyn Ann Vershure, former Plymouth resident, and Harold George Markey, of Fort Atkinson, Wisconsin, on Saturday, June 17, at St. John the Baptist Catholic church in Jefferson, Wisconsin. Mrs. Markey is the daughter of Mr. and Mrs. Roy Vershure, now of Jefferson.

Mrs. Markey was graduated from Plymouth High school and attended Milwaukee-Downer college and the University of Wisconsin. The young couple will live in Madison, Wisconsin, where Mr. Markey will continue his graduate studies at the university.

Tell Engagement of Beverly Hauk

Miss Beverly Hauk

Mr. and Mrs. Edward Hauk of Canton Center road announced the engagement of their daughter, Beverly Janice, to Ralph Sharp, son of Mr. and Mrs. R. M. Sharp of Brockman boulevard, Ann Arbor, at a family dinner party at Dearborn Inn, Saturday evening, June 10.

Miss Hauk and Mr. Sharp are both juniors at Michigan State Normal college. No date has been set for their wedding.

Over 200 Guests Gather For Chute-Price Nuptials

A gown of Chantilly lace was Marion Louise Price's choice for her wedding to Robert Chute on Saturday, June 17, at the First Presbyterian church. The Rev. Henry J. Walsh read the marriage rites at 7:30 p.m. in the presence of over 200 guests.

Mr. and Mrs. Edward Price of Hubbard road, Rosedale Gardens, are the bride's parents, and Mr. and Mrs. George Chute of Garfield street, Plymouth, are the parents of the bridegroom.

Baskets of white snapdragons, palms and lighted tapers formed the altar setting for the evening ceremony. Roger Veneklasen, soloist, provided the wedding music. He was accompanied by Organist Fred Nelson.

Seed pearls outlined the yoke of the bride's Chantilly lace gown. The full skirt ended in a short train and a Juliet cap held in place the bride's fingertip veil of illusion. White roses and snapdragons with trailing ivy made up the bridal bouquet.

Duties of the matron of honor were performed by Mrs. Donald Snyder of Detroit. She was gowned in pale blue taffeta faille with fitted bodice and bustle back. She wore mitts matching her gown and a headpiece of blue net.

The bride asked the bridegroom's sister-in-law, Mrs. George Chute, III, and Nancy Groth to be bridesmaids. Their gowns were identical to the matron of honor's. Yellow lace outlined the colonial bouquets of yellow daisies and white roses which the attendants carried.

George Chute, III was his brother's best man, while the guests

were seated by ushers Frank Beach, William Moon and Heinz Hoenecke.

For her daughter's wedding Mrs. Price selected a formal length gown of grey crepe with grey accessories. Pale pink carnations were in her corsage. Mrs. Chute's choice for the evening ceremony was a coral crepe formal gown. Her flowers were white carnations.

A reception in the church parlor followed the wedding.

The Smoky mountains were the destination of Mr. and Mrs. Chute when they left for their honeymoon. For traveling Mrs. Chute wore a navy blue and white dress with matching accessories.

Both Mr. and Mrs. Chute were graduated from the University of Michigan this June. The newlyweds will make their home in Schenectady, New York.

Hints For Plymouth Homemakers

Homegrown Strawberries Now In Abundance at Local Markets

Strawberries are one of the most delightful fruits grown. Homegrown berries are now coming into Plymouth stores in abundance. While they can rarely be classed as economy foods, they should be reasonably enough priced so everyone can use them several times a week.

Strawberries harvested nearby can be picked ripe. A thrifty shopper tilts the box gently to see that the fruit is firm and well colored. The flavor and sweetness increase with color, so deep red berries are best.

When the fruit is to be stored for most of the day until the next day, spread it in a shallow dish. If left in the box or placed in a deep container the weight of the fruit on top crushes the berries below.

This luscious fruit needs little preparation—just a quick but thorough washing to remove the sand shortly before serving. Do the job before removing the hulls so none of the flavor will be washed away. You can remove the sand more efficiently if you either hold each berry under a spray or put them in a large bowl of water then lift from the water.

If strawberries had nothing to offer but the enjoyment they add

to meals, they'd be well worth using. But they are one of the best sources of vitamin C as well.

One half-cup serving takes care of most of the day's requirement. At this season of the year you can count on them as a good alternate for the serving of citrus fruits or tomatoes which should be included in each day's menus.

Dressing up strawberries is like gilding a lily, but when we can use them often it's fun to vary the service. They add tempting color and flavor to fresh fruit salad and cocktails as well as desserts. Probably their best partners are either fruits, especially pineapple, and cream mixtures.

Of course, shortcake heads the list of favorite strawberry desserts. Whether you choose cake or biscuit to go with the berries, be sure to have plenty of the fruit and crush it so the tangy sweetness of the juice will be the predominating flavor. A big chunk of cake or biscuit topped with a few skimpy berries and a dab of cream is an insult.

Here are recipes for a few simple strawberry desserts and some not so simple.

STRAWBERRIES AND SOUR CREAM

Wash, hull and cut berries in half. Sprinkle with sugar, varying amount to suit sweetness of berries. Chill for about 30 minutes. Serve with sour cream. If liked, combine berries with an equal amount of diced banana.

STRAWBERRIES AND PINEAPPLE

One fresh pineapple, 1 pint strawberries, about ¾ cup sugar. Wash and hull strawberries and cut in halves. Wash pineapple thoroughly. Cut in half lengthwise, right through the crown. Scoop out center, leaving a wall about ½ inch thick. Dice pineapple, discarding tough core, and mix with strawberries. Add sugar to suit taste and chill well. Serve in pineapple shell, garnished with a few whole berries.

A mixture of sliced strawberries and diced or shredded fresh pineapple sweetened to taste can be served on squares of sponge cake and topped with whipped cream for a refreshing dessert.

STRAWBERRY - PINEAPPLE PRESERVES

Cook one cup shredded fresh pineapple with 3 cups granulated sugar for 10 minutes, starting over low heat and stirring often until juice has formed. Add 2 cups hulled strawberries and cook about 20 minutes longer or until fruit is clear and syrup has thickened. Remove from heat and allow to stand for several hours or overnight to plump the fruit. Bring to rolling boil again. Pour into sterilized jars or glasses and seal. Makes about 4 half pint jars.

STRAWBERRY MERINGUE TORTE

One half cup butter or fortified margarine, ½ cup sugar, 4 egg yolks, 1½ cups sifted cake flour, 1½ teaspoons baking powder, 5 tablespoons milk, ½ teaspoon vanilla or almond flavoring, 4 egg whites, ½ teaspoon cream of tartar, ½ teaspoon salt, 1 cup sugar.

Cream fat, beat in first amount of sugar until fluffy, then the egg yolks one at a time. Sift flour with baking powder. Add flavoring to milk. Add dry ingredients alternately with milk, beating well after each addition. Spread in 2 layer cake pans lined with waxed paper.

Sprinkle salt and cream of tartar over egg whites and beat until stiff enough to form soft peaks. Beat in sugar a little at a time. Spread meringue over the batter. Bake in slow oven, 250 degrees F., for 25 minutes, then increase temperature to 350 degrees and bake for 20 minutes longer. Remove from pans, pull off waxed paper. Cool. Shortly before serving time place one cake, meringue side down on serving plate. Cover generously with crushed strawberries, sweetened to taste. Put second layer on top and add more strawberries. Serve plain or with thick sour cream or whipped cream.

Give Reasons for Using More Milk in Diet

If you're an average American you don't drink enough milk—a strange fact in a land where milk is abundant and children are taught to drink milk as one of the golden rules of good health.

We have made a significant change in the amount of milk consumed per person in the U. S. during the last five years—but it's been in the wrong direction and is an alarming trend.

In 1945, we used an average of 157 quarts of milk per person. In 1949 it was only 140 quarts. That's a drop of about 11 percent in milk consumption.

People are drinking less milk not because they don't have the money to buy it, but because their money is going for other things. It's more likely one of the after-effects of war. Remember in 1945 we could buy food freely and milk was plentiful. We couldn't buy automobiles, refrigerators, radios and building supplies. After the war when household conveniences and "luxuries" were again available, people began to spend a greater share for these items. There was less left for food budgets.

Although June is dairy month, every month should be dairy month as far as emphasizing milk in our diets is concerned. Here are five reasons that leave little room for argument: 1) milk is tasty, refreshing, 2) milk is nature's most perfect food, supplying essential protein, fat, sugar, minerals and vitamins, 3) there's no waste in this food—it's usable even when "sour," 4) milk is a versatile food item, excellent as a beverage, in main dishes or desserts and 5) milk and milk products are safe and sanitary, being among the most regulated and protected of all foods.

This all adds up to one conclusion—milk is one of the most economical foods we can buy, measured in terms of nutrition. It's most often thought of as a necessary source of minerals and protein. Of the calcium, phosphorus and iron that milk contains, calcium is the most important mineral. Milk is the one natural source of calcium in abundant supply. Three and one-half cups of milk daily will furnish an adequate supply of calcium.

To benefit from the food value in milk, remember that some or all of the nutrients are contained in all other dairy products, such as butter, cheese and ice cream. Remember too that some of these are more concentrated foods than milk, some less. For example, one ounce of American cheese or five tablespoons of cottage cheese contains as much calcium as one cup of milk.

MEAT CUT QUIZ

Q. What is the name of these cuts of meat?
A. Lamb riblets.

Q. Where do they come from and how are they identified?
A. Lamb breast. The breast bone is removed and the breast cut between ribs. Each small piece contains part of a rib bone.

Q. How are they cooked?
A. By braising or cooking in liquid. In braising the meat is browned in a small amount of hot fat, from ¼ to ½ cup liquid is added, the utensil covered and the meat allowed to slowly cook until tender. In cooking in liquid as for a stew, the meat is browned or not as desired, completely covered with water and simmered until tender, about 1½ to 2 hours.

Give Meal Tips For New Brides

Planning three meals a day is an entirely new venture for many brides. However, following the advice of experienced cooks they know that men like meat and men like pies.

According to home economists, it is the wise bride who purchases a roast larger than needed for one meal. Leftover cooked meat may appear in new dress for numerous interesting dishes. For instance, it may be chopped, then mixed with fine cracker crumbs and whole kernel corn and baked in pre-cooked (about 5 minutes) hollowed green peppers.

Julienne strips of cooked beef, veal, pork or lamb are the hearty ingredient of a main dish salad or clever individual casseroles or meat pies. Cubes of cooked meat may be creamed with vegetables and served over toast tips, toasted English muffins, hot biscuits, crisp Chinese noodles or in a noodle or rice ring.

As for prescribed pie desserts, the bride will find pastry mix (recipe below) stored in her refrigerator a wonderful aid. Instead of combining the ingredients for each pie separately she can prepare mix sufficient for 8 pie shells. Shortened with lard, the tenderest, flakiest pastry can be hers to proudly present to her new husband.

HOMEMADE PASTRY MIX

7 cups sifted enriched flour
4 teaspoons salt
1¾ cups lard for soft wheat flour or
2 cups lard for hard wheat flour
Add salt to flour. Cut lard into flour and salt with a fork or pastry blender, until the crumbs are about the size of small peas. Cover, store in refrigerator until ready to use. Mixture will keep at least a month in refrigerator. Yield: 8 single pie crusts.

For single pie crust add 2 to 4 tablespoons cold water to 1½ cups Homemade Pastry Mix, and for double pie crust 4 to 6 tablespoons cold water to 2 cups Homemade Pastry Mix.

Better Eating

SUMMER SALAD PLATES

For a lift at the end of a hot summer day, a salad—crisp, cool, and loaded with vitamins—is

unbeatable. When meat is an ingredient, it makes a perfect main dish for a warm evening. The meat may be cooked during the cooler morning hours, or it may be a carry-over from last night's dinner. This salad calls for the crispest of greens and thorough chilling before serving.

Changeabout Salad

2 cups cooked diced meat or flaked fish
1 cup diced celery
¼ cup chopped sour pickle or 1/3 cup pickle relish
2 hard-cooked eggs, chopped
1/3 cup mayonnaise
½ head of lettuce, torn into pieces

Mix together all ingredients except lettuce. Add lettuce at serving time and mix lightly. Serve in salad-bowls or on plates. Yield: 5 to 6 servings.

Fish Salad

Adding cooked shrimp or whitefish, with 2 tablespoons each of diced green pepper and pimiento for color and flavor, give a version of changeabout Salad that is as good as it is attractive. Heap on fresh green leaf lettuce and surround by a pineapple slice topped with cottage cheese, chilled asparagus, and brown 'n serve rolls. Hot coffee and your favorite cake for dessert will guarantee a contented family.

Chicken Luncheon Combination

For that "special" luncheon substitute one cup of grapefruit sections or pineapple cutlets for the pickles when chicken is used. Add a small amount of lemon juice to the mayonnaise and garnish with one-half cup toasted almonds.

A hot green vegetable such as broccoli or beans, and hot biscuits with honey are perfect with this salad. For dessert try fruit sherbet and brownies—it's sure to please.

It Says the Nicest Things About You!

There are few stronger urges in the human breast than that which grows out of the desire to stand well among our fellow beings.

And around this great basic emotion lies much of the appeal of a Cadillac car.

Alight from your Cadillac anywhere you will, in the presence of people, and certain splendid deductions are immediately made about you.

It could not be otherwise—for the wonderful people who own this car have made it so. In every community in America, a preponderant proportion of the leading citizens have long since turned to Cadillac.

Out of this close association, the car has partaken of the character of its owners until it has now become their

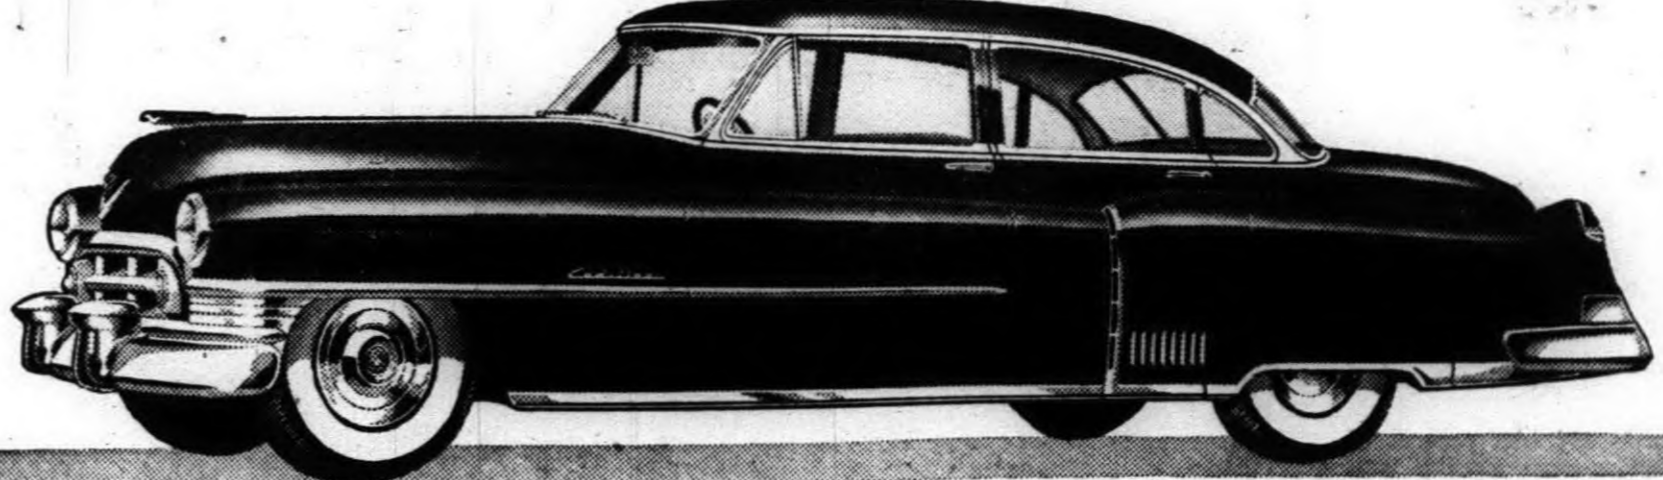

symbol. It is recognized throughout the world as the all but automatic companion to outstanding personal success.

The genesis of all this, of course, is quality. For almost fifty years, Cadillac cars have been built to the highest standards it is practical to enforce in the production of a motor car. And people of achievement and discernment have sought them out as water seeks its level.

Today, Cadillac stands uniquely alone in the things it reflects upon its owner. It all but writes his biography!

Have you thought of a Cadillac car for yourself? If so, why not come in and talk it over?

We think you'd be surprised and delighted at how easy and practical it has now become to join the wonderful people who own and drive this wonderful car.

Displays Shoe Collection....

PlyMail Photo

Marion Rigby of South Harvey street is shown with her collection of shoes, some of which are 50 and 60 years old. The collection includes old fashioned dancing slippers, bathing slippers, wedding shoes, and high laced oxfords. The collection will be on display this week in the lobby of the Plymouth United Savings bank.

Many shoes worn in Grandma's day will be exhibited this week in the lobby of the Plymouth United Savings bank as part of the shoe collection of Mrs. Marion Rigby of South Harvey street. Many of the shoes date back to the 1880's.

Among the two dozen shoes in the collection are a pair of canvas bathing slippers in fashion when bathing suits were three times the size they are today. Another pair, white kid wedding pumps, might still be worn today. They have a low Louis heel that has recently come into style again.

A pair in the collection with that same type heel will probably not come into vogue again as they are the high laced style that would try the patience of a modern woman. This pair, with a pointed toe, are made of light tan leather.

Overshoes have become less fancy through the years. A pair belonging to Mrs. Rigby have a white quilted lining and elaborate black fur trim. Dancing shoes in the collection were popular in the early 1900's. They have bead trimming, extremely pointed toes and a low heel.

Other unusual shoes in the collection come from all over the world. A favorite of Mrs. Rigby's is a pair of plastic Oriental slippers with a curled toe reminiscent of the Arabian Nights.

Mrs. Rigby also has Dutch wooden shoes, Japanese and Chinese slippers, and a pair of patent leather French shoes with a high heel and a black velvet ankle cuff and strap.

Several doll shoes also comprise the collection. They include two old fashioned pairs at least 60 years old, and a tiny pair of white Indian moccasins.

The natural flights of the human mind are not from pleasure to pleasure, but from hope to hope.

BUILT-IN BRAWN PLUS SENSATIONAL BEAUTY
...that's why Hudsons stay young so long!

Low upkeep costs and longer car life, due to extra-sturdy construction that protects against road shock and strain.

Unusual security from the only hydraulic brakes with a reserve mechanical system on same pedal.

Exceptional protection with box-section steel girders completely surrounding the passenger compartment—a Hudson exclusive.

"Like-new" performance over thousands of extra miles because Hudson uses more costly metal alloys.

Quiet, steady going in an all-welded, single-unit Monobilt body-and-frame with exclusive recessed floor.

Hudson's traditionally brilliant performance with oversized, high-compression engine.

Marvelously smooth power from the only engine precisely balanced as a unit.

Increased economy and lengthened engine life from the industry's only pinned-in-position piston rings.

Minimum wear and repair over long engine life because of chrome-alloy engine block—toughest in the industry!

HUDSON
MOST ROOM...BEST RIDE...SAFEST
The new, lower-priced Pacemaker brings you all of Hudson's great advantages for Just a Few Dollars More Than The Lowest-Priced Cars!

Offer Study on Wind Instruments For Beginners

Paul Wagner, director of instrumental music at Plymouth schools, will give a musical aptitude test on Monday, June 26, at 1 p.m. for all students interested in beginning study on wind instruments.

Arrangements have been made whereby beginning students will be able to receive two class lessons per week without charge for the seven weeks during the summer vacation. All who are interested should contact Mr. Wagner.

The grade school band will have its first summer rehearsal on Monday at 2 p.m. and the junior high school band will rehearse on Tuesday at 2 p.m. All students who have participated in these groups during the school year are urged to be present. For further information regarding the summer music program please contact Mr. Wagner.

Vets Must Re-enlist by July 1 to Retain Rank

World War II veterans who wish to re-enlist in the Army and retain at least a part of the rank they held at time of discharge will have to enlist before July 1, it was announced here today by S/Sgt. W. D. Long, local Army and Air Force Recruiting official.

After July 1, 1950, veterans who were separated after May 12, 1945 as officers or warrant officers will be enlisted in grade E-4, Corporal. Those who served in the top non-commissioned grades during the war can expect enlistment in grade E-3, Private First Class.

Since present regulations allow veterans to enlist in somewhat higher grades, local recruiting officials are urging veterans to take advantage of the higher grades now offered to those who enlist before the end of this month.

World War II vets of any of the armed services are requested to contact the local recruiting office, city hall Tuesday and Thursday, for information concerning grades now offered.

Replace frayed electric cords and have defective electrical equipment replaced or repaired by a competent electrician.

Announce Change of Time For Scout Leader Training

The Livonia Girl Scout council has announced a change of time for the day camp training session which will be held this Saturday, June 24. Originally two sessions were planned, opening at 8 a.m. and concluding at 4 p.m. Now just one session will be held, beginning at 10 a.m. and ending at 4 p.m.

The session will be held at the Gungolly area day camp site in Riverside park. In case of rain it will be held in the Newburg Methodist church hall at Newburg road and Ann Arbor trail.

All Scout leaders and anyone interested in outdoor training are invited to attend the training session. Trainees are requested to bring sandwiches, fruit and table service. Everything else needed for the cook-out at noon will be furnished. Those attending should also be equipped with a jackknife, notebook and pencil.

The training session will give credit for outdoor leader training and for training for the day camp staff. Many excellent ideas for troop meetings, cook-outs and crafts will be made available to all attending the session.

June 25 Signals Start For Variety of Fishing in State

Plymouth fishermen are readying rod and reel as Michigan's most popular sport shifts to a faster summer pace starting June 25.

in inland waters of any person who has passed his 17th birthday. Wives of resident anglers only can fish free by filling out the stub attached to the regular license.

The last Sunday in June, the conservation department reminds, signals the start of some six to nine months of bluegill, sunfish and black bass fishing throughout the state.

The conservation department's fish division operates 154 public fishing sites which provide boat launching space and parking facilities on many lakes and streams.

Included are northern perch, walleye pike, crappies, rock bass, yellow perch, warmouth bass, whitefish, white bass and other fish which are listed in the fish law digest.

Michigan led the nation with the most licensed fishermen (1,110,109) in the last fiscal year according to the U.S. Fish and Wildlife Service.

Regulations are unchanged except for a liberalization of the walleye minimum size limit from 14 to 13 inches.

VFW News

It was with regret that Auxiliary members learned of the illness of Mrs. Isabelle Lueke, this past week. Mrs. Lueke will be confined to her home on 1217 West Ann Arbor trail for some time.

We wish the best of luck to Jean Olsen, who will return to the University hospital in Ann Arbor soon for more surgery. We hope she will be able to be back with us at meetings in a short time.

Several members of the Auxiliary attended a meeting of the Wayne County Council VFW last Monday night at the newly dedicated Veterans' Memorial building in Detroit and had an opportunity at that time to inspect the interior.

The date of June 30 has been tentatively set for the ice cream social to be given by the Auxiliary in Kellogg park. Due to the fact that this date may have to be changed, watch for further advertising in this column.

Rural Tele-news

ONE FOR THE BOOK—Telephone directories go with telephones just like ham goes with eggs. And last year Michigan Bell published more than 3,500,000 directories. Over 9,650,000 pounds of paper were purchased through Western Electric Company, the Bell System's supply division.

AS SIMPLE AS A-B-C—Money for new construction needed to provide more and better rural telephone service has to come from investors. And investors only put their money in businesses that show a fair profit. So, no fair profit for Michigan Bell, no investors. No investors, no money for new construction.

A TRIP SAVED—During planting this Spring, a Michigan farmer's tractor broke down. He was about to drive into town to get a spare part from the dealer there. But fortunately, he thought to telephone first. The dealer didn't have the right part. So he called the dealer in another nearby town and located the needed part. Saving needless trips and wasted hours is but one great value of the telephone.

Roger Babson Says...

Babson Discusses Theological Schools and Business

I will divert this week's column to what most readers will consider a subject entirely out of my field. Please, however, be patient and read this through. I feel it has an important suggestion to every businessman.

Here is My Question

In view of a recent talk with President Edward B. Hinckley of Utopia college, Eureka, Kansas, I have been studying the 200 theological schools of the U. S. and Canada. As a rule, they are well operated and fairly endowed; but most often are poorly attended. Perhaps, this is because they think too much concerning the "ministry of preaching" and too little about the "ministry of service."

Now for my question: "Why should these religious schools train men only to serve humanity through the churches,—why not train men also to serve humanity through business?" Certainly, almost all business concerns need more religion. They need more praying executives who are interested in rendering more service. This especially applies to sales managers and their assistants. If they have a product which the public needs, then why not use the power of prayer in its distribution? This may sound strange; but isn't it a fair question?

Consider a Drug Chain

I have in mind a small chain of some 60 well located drug stores. The president of the company is an honest, hard working man who knows the drug business from A to Z. He can control the buying which is very important,—both as to goods selected and the prices paid. But otherwise he is largely dependent upon the present—more or less—indifferent character, energy and desire for service of the managers and clerks of these 60 stores. Hence, think what would happen if these present store managers—most of whom now are interested only in their monthly pay—should gradually be substituted by bright and ambitious graduates of theological colleges. These would be young men taught to like and help people and to get results through prayer;—truly anxious to aid everyone who would come into the stores. Surely the reputation of these stores would rapidly increase.

Likewise these young theological graduates could meet more people and do more good in these drug stores than they could possibly do in a country church. If they want also to preach some-

where on Sundays, this could be arranged. They, moreover, would then preach a better sermon after five days in a prescription drug store serving the sick and friends of the sick. They also would have an opportunity of making friends with young people who congregate at the soda fountains.

Better Opportunities for Clerks

Such young men, who would begin as clerks, when later promoted to become store managers would employ only similar earnest praying people with a burning urge to be of service. This spirit of helpfulness would both appeal to doctors and give the stores a high standing in the community. They could then afford to sell only the best goods, being always assured of a fair profit.

I have used the drug store chain merely as an illusion. The same principle would apply to any store selling honest and useful merchandise. One of two things: Either devoted church people should make much better employees or else we had better reform our churches. Our present half-way attitude is a great mistake. Theological colleges might correct this.

More Students Should Attend Theological Schools

Or, such colleges could give a two year course especially to train spiritually minded young people for business. They thereby could render further service as very few business colleges teach their students how to pray for or serve others. Such courses should naturally have some business studies covering selling, finance and administration; but these would also be helpful to those who are to enter the ministry of preaching. Not only does the nation's employment situation depend largely upon its selling organizations, but a preacher's usefulness depends much on his salesmanship abilities. Hence, the basic question:—Do those attending theological colleges really want to help the most people in the most useful ways? If so, more of them should enter spiritually understaffed businesses rather than overlapping churches.

My husband and I were in a small coffee shop in Mississippi when a genial-looking man at the counter spied a friend walking by and hailed him for a cup of coffee. "Can't do it, have to meet someone at 11 o'clock." The man inside glanced up at the clock. "Hell, man," he boomed cheerfully, "you've got all the time in the world. It's just 11 now." Greatly relieved, his friend came in.

"I REMEMBER" BY THE OLD TIMERS

From Mrs. Mary Stewart of Chicago: "I remember, before wire screening was used, the fun we had chasing flies out of the house. Mother would say 'the smell of the cooking is drawing flies and we can't eat until we get rid of 'em.' The room was darkened, the smallest child held the door open, Mother held up the corners of her

gingham apron, leading four or five youngsters carrying folded papers, all shouting 'shoot!', giggling and bumping each other until the last fly disappeared. Later every grocery order included sheets of 'Tanglefoot,' a sticky fly paper, or poisoned grey blotter sheets. These were placed on saucers of water and attracted the flies to death. Farmers had shelves over their doors where dishes of formaldehyde were placed to keep the flies away."

From Gardner Campbell of Wakefield, Mass.: "I remember when most men wore derby hats, seen today only on funeral directors. The present style of soft hat was not known. Boys wore caps up until the time they were sizeable young men. Tall silk hats, or collapsible 'opera' hats, were common among men who had to attend social functions."

From Mrs. Vera Kiefel of Norwood, O.: "I remember when getting ready for church began Saturday, bathing day for the 12 children in our family... In winter-time we had large bobbeds in which eight or 10 boys and girls would ride right down the main highways. My feet froze several times but I always had a nice time. The wagon would get stuck in the mud sometimes and the drivers would beat the horses to get the load over ditches."

In Houston, the Rev. George W. Hughes reluctantly paid his \$10 fine for speeding, left a Bible for the arresting officer with an admonition to "read this carefully and... the Lord will forgive you."

Everybody is so busy these days that only a few have time to complain about their ailments.
