

Plymouth Is Included In State Defense Plans

Through the efforts of Mayor Cass S. Hough the city of Plymouth has been included with Michigan municipalities of 10,000 population or more in the state council of civilian defense. Mayor Hough in meetings with State Director Donald Leonard convinced the director that though the local population is less than required for membership, the strategic location of Plymouth and its many important industries, all of which will contribute materially to the war effort, the city should be included in the defense set-up.

At the regular meeting of the city commission next Monday night Mayor Hough will name ten members of a civilian defense council for the city and members of that commission will elect their own chairman who will serve as civilian defense chief for Plymouth. Mayor Hough pointed out that if the city of Detroit should become the target of an actual bombing it would have to be the neighboring localities such as Wayne, Dearborn and Plymouth that would have to furnish the aid for the masses of the metropolitan area and he felt the time for that kind of planning is now. Director Leonard agreed with Mayor Hough and on Monday included this city in the state defense program.

Pontiac Dealers Given Service Award By Company

Another milestone of service to their customers and their community was passed last weekend by Norman Atchinson and Ross Berry when the Pontiac Motor Car company awarded their agency the beautiful painting of Chief Pontiac shown above. The award was made to Berry and Atchinson in recognition of their efforts to maintain high standards of operation in their business by Pontiac Zone Manager G. J. Schulte left, above. Center is Mr. Atchinson and on the right is Mr. Berry.

Congress Shall Make No Laws Abridging the Freedom of The Press

What I Think and Have A Right to Say

By ELTON R. EATON

WHERE TO DO THE FIGHTING.

According to newspapers the "Fighting Republicans, Inc." has finally gotten under way, using for its base of operations a farm over in Ingham county. They say a fairly good sized corporal's guard has put on its armor and will soon march forth to meet "the enemy."

All we hope for is that the "Fighting Republicans, Inc." will fight New Dealers, Fair Dealers and Phony Dealers instead of fighting Republicans.

Unfortunately there wouldn't be so many Phony Dealers to fight today if it hadn't been for the betrayal of decency and honesty in government by some of these so-called, self-named "Fighting Republicans, Inc." They did a pretty good job two years ago in knifing the party leadership, thereby aiding and abetting in the victory of a lot of pollywog politicians who have given to Michigan the most insipid administration any state government ever had.

If, however, the "Fighting Republicans, Inc." have organized to do penitence for the wrongs they did to the cause of decency in government two years ago, the good citizens of Michigan will welcome the seekers of mercy, and say "Amen" but at the same time they will keep a weather-eye out for any signs of another sordid betrayal such as took place in the last state election.

"LET'S RETURN PRICE CONTROLS."

That is what many of the patriotic, clear thinking business leaders of the country are thinking about right now. And a good Plymouth business man, Ralph Rostow, owner and manager of Graham's store, spent good advertising money recently in The Plymouth Mail to express his views of this important public question.

Mr. Rostow, declares that merchants realize that ceiling prices will be a nuisance, but that in order to keep prices down and to make it possible for everybody to get what they need when it is needed, price controls should be returned immediately.

That's what Barney Baruch, one of the greatest business leaders of public spirited citizens of our country, also thinks and recommends. So Mr. Rostow finds himself in outstanding company in the position he takes in this important matter.

It is good to see and to know that there are merchants today who feel as does Mr. Rostow and other Plymouth dealers on this question. Mr. Rostow not only speaks as a successful Plymouth business man, but as a veteran of World War II who fought for three years in the U. S. infantry forces. His is the right type of patriotic citizenship!

IT IS YOUR DUTY TO VOTE.

Tuesday, September 12, is primary election day in Michigan. That is the time that all political parties pick their candidates for the November election.

To our way of thinking, the primary is just as important, if not more so than is the regular fall election. If you get good men nominated for offices on all of the party tickets, you are not in much danger, except from the standpoint of policy.

But if you permit any Tom, Dick or Harry to get on the ballots because you didn't vote in the primary, then look out. You can have without the slightest question the same sort of a mess that developed up in Lansing when grafters were having a field day.

Good men on all of the various tickets are absolutely essential.

We in Plymouth should be especially interested because we have as a candidate for the Republican nomination for the state legislature an outstanding candidate. Doubtless nearly every one in and around Plymouth knows George A. Smith.

For over a quarter of a century he was our superintendent of schools—and he did a masterful job in that position.

We know that if he should be nominated and elected to the state legislature that he will make a record that we will all be proud of. Vote Tuesday, September 12, no matter how inconvenient it might be to you.

KILL THEM ALL, WHY NOT?

Westbrook Pegler, famed American columnist, recently said: "The only sensible and courageous way to deal with Communists in our midst is to make membership in Communist organizations or covert subsidies a capital offense and shoot or otherwise put to death all persons convicted of such. These people are guilty of conspiring with a foreign enemy to make war on our country. In this war, the enemy will kill as many Americans as he may have to in order to destroy our government and make slaves of all those Americans who, after the defeat, refuse to join the triumphant regime."

To our way of thinking, that's just good, everyday American common sense. In fact we can't see why some sort of a law cannot be enacted with a retroactive clause which will permit the shooting of such traitors as Alger Hiss, Harry Bridges, and all the other scum that have had a hand in selling our country down the river. These "red herrings" that Fair Dealers have been patting on the back have turned out to be some pretty bad actors. Mr. Pegler's idea may sound rather severe, but it is one sure way to get rid of an enemy before he gets rid of you.

SENATE COMMITTEE MAY COME TO DETROIT.

It has been said in Washington that the United States senate committee investigating gambling and associated crimes may come to Detroit this fall to do a little digging for "dirt." If so, we haven't the slightest idea as to what the committee may find, but assuming that it digs deep enough, there may be plenty uncovered.

So far in Miami and other places where the committee has operated, it has found plenty — with pipe-lines which carried hundreds of thousands of dollars directly into the campaign funds of Harry Truman's National Democratic committee.

Down in Miami, the last place where the committee held any open hearings, it was revealed that gamblers bought up vast numbers of those hundred dollar tickets for Democratic banquets, the money being spent to keep Harry and his cohorts in office.

What a tragic thing it all seems at a time when American boys are giving up their lives to save our country!

To Form New Republican Women's Club

Republican women of the city and township will meet at the Hotel Mayflower on the evening of Friday, September 8 to formulate a new Republican organization for this locality.

Mrs. C. Ray Hooker, national Republican committee woman of Mt. Clemens, will address the group and Mrs. Ray Norton, official representative of the national Republican committee will be on hand to help with the organizational details for the national committee.

All women of this area are invited to attend the meeting which has been called for 8:30 in the Crystal room of the hotel. Guests from Northville and Livonia have been invited to hear Mrs. Hooker talk.

City Considers Rent Decontrol

Landlords and tenants will have their say about rent controls September 11 when a public hearing will be held in the city hall at 7:30 p.m.

If no valid objections are raised to ending rent controls in Plymouth, the city commission will act to remove rent ceilings. At the commission meeting last week city commissioners felt an acute housing shortage no longer existed here, and that a public hearing should be held to determine if controls should be removed.

The Federal Housing and Rent Act of 1950 allows cities, villages and townships to take controls off rents after a public hearing is held.

Show Air Force Films at Kiwanis Meeting

Movies of the 8th Air Force in action in England, Germany and France were shown at the Kiwanis club meeting Tuesday night. The films were obtained from Cass S. Hough by Fire Chief Bob McAllister, chairman of the evening's program.

"Bob" Shingleton Does Bit of Gold Panning Out in Rocky Mountains

Just as he did during the Colorado gold rush days, Robert Shingleton a few days ago visited the same mountain stream where he "panned" for gold nuggets — and again "panned" for some of the nuggets he might have over-looked way back when.

Back, right up in the "heart of the Rockies" where Mr. and Mrs. Robert Shingleton of this city spent several years during their younger days, this well known Plymouth couple have been enjoying one of the finest vacations they have ever experienced.

"We have been prospecting for gold as we did in the years gone by, we have been horse-back riding, camping way up in the mountains, visiting old friends—just trying to relive part of the early years of our lives that we spent in beautiful Colorado," writes Mr. Shingleton to a Plymouth friend.

If all goes well, he writes, they expect to be back in Plymouth about Labor Day or soon after, refreshed for business.

"And who is there in Plymouth more entitled to such a pleasant vacation than are the Shingletons?" asked the friend who received the brief note from Bob.

Mr. Shingleton was in business in Salida, Colorado for a number of years and the Shingletons have many old friends still residing way up in the Rockies.

Back, right up in the "heart of the Rockies" where Mr. and Mrs. Robert Shingleton of this city spent several years during their younger days, this well known Plymouth couple have been enjoying one of the finest vacations they have ever experienced.

"We have been prospecting for gold as we did in the years gone by, we have been horse-back riding, camping way up in the mountains, visiting old friends—just trying to relive part of the early years of our lives that we spent in beautiful Colorado," writes Mr. Shingleton to a Plymouth friend.

A Real Labor Day Vacation Starts Thursday Eve For Mail Employees

The office-boy, the editor, the manager, the "devil"—yes every one of the 26 employees of The Plymouth Mail, are off Thursday night for the last big vacation blow-out of the season. When the office closes at 5:30 o'clock Thursday afternoon, it will remain closed until Tuesday morning at 7:30 when the entire crew will be back, filled with vim and vigor and ready to work like "truck horses" until Thanksgiving time.

It is a bit unusual, but the addition of another full day to the usual Labor day holiday period will enable all Plymouth Mail employees who desire to "hit the highways" to get out just a bit ahead of the rush and to enjoy to the limit a real Labor day holiday period.

Remember, The Mail office is closed from 5:30 o'clock Thursday afternoon until 7:30 Tuesday morning,—and every one of The Mail employees says a real "thank you" to you for the splendid cooperation you have given in making it possible for much of next week's work to be done this week.

Tells Where School Buses Will Travel

Summer vacation for Plymouth youngsters will end September 7 at 9:30 a.m. when the fall term will begin. A larger attendance is expected this year, according to Superintendent of Schools Helmar Nelson.

Eight rooms of the new George A. Smith elementary school will be completed in time for school opening and the other eight rooms will soon be ready for use.

The schedule for the school bus service for the coming year follows:

First trips start at 7:30 a.m. Bus No. 1—First trip: North Territorial, Napier, Powell, Ann Arbor trail, Second trip: Ann Arbor trail, McClumpha, Ann Arbor road, Napier, Joy, Ridge and Ann Arbor road.

Bus No. 2—First trip: Northville, Five Mile, Haggerty, Six Mile, Schoolcraft, Eckles and Wilcox. Second trip: Northville road, Five Mile, Bradner, Schoolcraft and Wilcox road.

Bus No. 3—First trip: Plymouth road, Eckles, Five Mile, and Northville road. Second trip: Sheldon, Warren, Canton Center, Ford-Breeze Inn.

Bus No. 4—First trip: Lilley road, Joy, east of Haggerty, back to Ann Arbor road to Airport, Smith school and Ann Arbor road. Second trip: Ann Arbor trail to Haggerty, Gilbert, Russell, and Ann Arbor trail.

Bus No. 5—First trip: Sheldon, Phoenix to Detroit House of Correction and back to Northville road. Second trip: Main street, Joy, Sheldon to high school.

Bus No. 6—First trip: Ford, west of Canton Center; Ridge, Saltz, Beck, Hanford, Napier, Warren, Canton Center to school. Second trip: Ann Arbor trail, Haggerty, Ann Arbor road.

Bus No. 7—First trip: Beck, Gyde, Ridge, Joy, Canton Center, Ann Arbor road. Second trip: Ann Arbor trail, Hope Farm and back. Third trip: Fair, Fairground, Maple, Virginia, Joy to Smith school.

Station Swamped at Grand Opening

Larry Zielasko announced that the Grand Opening of his new Hi-Speed Super Service station last weekend was a smashing success. Over 2,400 persons visited the station during the three day extravaganza, one of the largest crowds to attend the opening of a local business in years.

Mr. Zielasko particularly wishes to express his gratitude to his visitors for helping to make his opening such a success.

Winner of the grand prize, a Dishmaster dish washer, was Joel T. Johnson, 42155 Schoolcraft, Plymouth. The following persons won three free lubrications each: A. P. Wood, 294 Irvin, Plymouth; R. G. Behler, 1135 Starkweather, Plymouth; Mrs. Lloyd Moore, 669 Horton avenue, Northville; W. B. Stanfield, 15711 LaSalle road.

Danielson Starred in Active Duty in Marines

Lee M. Danielson reported for active duty this week at the U.S. Marine base at Camp Pendleton, California, serving with the 7th 105 M. M. Howitzer battalion. He is a first lieutenant.

A veteran of World War II, Danielson saw action in Iwo Jima and the South Pacific. He was in the reserve.

Expect Exodus of Local Residents Over Labor Day

Monday is Labor day—the day when Plymouth residents as well as all the rest of the people of this country are supposed to rest and give thought to all the benefits that come to us from HONEST labor.

But for the gas station attendants, the roadside market keepers, the drivers of auto wreckers, hot dog stand operators, undertakers, ambulance drivers and speed cops it is going to be the usual day of terror.

It's going to be, as usual, a great day for the squinting-eyed crazy driver who hits the highways at 75 miles an hour going no place.

It's going to be a day of jitters (Continued on page 6)

Dawn Patrol at Mettetal Sept. 10

Pilots from all over Michigan will land at Mettetal Airport on September 10 when local flyers will be host at a Dawn Patrol, Bob Mettetal, airport manager and chairman, announced this week.

These before-breakfast flights are held at airports all over the state for private pilots. Breakfast will be served from 7 to 10 a.m. followed by the awarding of prizes for the oldest and youngest pilots present, the flyer who flew the furthest to attend, and other distinctions.

Local merchants who have contributed prizes for the event so far are Stop and Shop, Better Home Appliances, West Brothers Farm and Home store, Blunk's Inc., Mayflower Wine shop, Albin Chevrolet, Graham's, Swanson's Sales Service, Huston Hardware, Beyer's Pharmacy, Liberty Street Hardware, Peterson's Drugs, Simmons Jewelers, Morgan and Burley Service station, French's Food Market and the Daisy Manufacturing company.

City Given Boost On National Radio Hookup Last Week

Plymouth's popularity rating hit a new high last Friday when Mrs. Lois Bateman, winner of the "Tops in Our Town" contest, appeared on the nation-wide Betty Crocker Magazine of the Air program.

It was a real boost for Plymouth when Mrs. Bateman told listeners all over the country what a fine place her home town is.

The following letter was sent to The Plymouth Mail by Mr. and Mrs. Bateman, telling of their weekend in New York.

"I would like to thank, through The Plymouth Mail, the friends who voted me 'Tops in Our Town.' It is so nice to know one has so many fine friends and they gave us a truly wonderful time.

"I also want to express my appreciation to you for the splendid cooperation and help through the Mail...

"The flying weather was superb. The flight, a non-stop one, took about two hours and 40 minutes. The New York skyline view was very clear and impressive as well as the large harbor with its numerous ocean-going liners. We landed at LaGuardia airport, from there were whisked to the Hotel Statler where we had air conditioned rooms and every convenience.

"At the hotel we dined at the Cafe Rouge where Jan Garber and his orchestra furnished fine (Continued on page 6)

Lee Sackett Assumes New City Duties

Acting favorably upon the request of Police Chief Lee Sackett, the city commission at a meeting Monday night made him detective lieutenant of the department and relieved him of much of the routine work of the position of chief of police. Carl Greenlee was appointed acting chief while plans for the future are worked out by the commission.

In asking to be relieved of his full time duties as head of the department, Mr. Sackett pointed out that the rapid growth of the city and his age and health made it important that a younger man be given the important position as chief.

His new duties will lean toward investigational activities, juvenile and truancy work and the giving of relief to vacancies in the department caused by sickness, vacations and other reasons.

Mr. Sackett has served with the police department for 17 years and has been chief for 6 years. The commission expressed gratitude to him for his service to the community and wished him well in his new capacity as detective lieutenant which became effective immediately.

The retiring chief has for years been especially interested in police work as it is associated with juvenile delinquency. He has been most successful in this branch of the work and the commission felt with the increase of juvenile problems it is most fortunate for the city that the former chief can carry on this work in connection with his other duties.

Teachers to Visit Factories

In order to acquaint teachers in Plymouth schools with local industry, the Chamber of Commerce is sponsoring Business-Industry-Education Day on Wednesday, September 6. The Chamber will be host to all teachers on tours of three of the larger manufacturing plants in the area. Burroughs, Daisy and Whitman & Barnes.

The program was inaugurated this year by the industrial committee of the chamber. Robert Marsden, chairman of the committee and general chairman of B-I-E Day, states that following the tours and luncheon at the Hotel Mayflower, representatives of industry and Chamber of Commerce officers will meet with the teachers at the high school for a round table discussion on the problems of local industry.

Mayor Cass S. Hough will extend greetings to the group at the luncheon.

Mr. and Mrs. Soren Schroeder and grandson, Clifford, of Detroit were Thursday guests in the Paul Christensen home on Plymouth road.

Mrs. William McLeod and her sister, Miss Ruby Cantlon, both of Ann Arbor, were the Sunday guests of Mr. and Mrs. J. R. McLeod of Maple avenue.

33 Qualify For Varsity Squad

Following football practice on Monday, 33 high school students qualified as candidates for the varsity squad. Coach Hilton Ponton stated that they all were responding well in calisthenic drill and fundamental procedures in football.

The new assistant varsity coach, John McFall, was on hand Monday to work with the boys. He is a graduate of Kalamazoo college. Preliminary physical examinations were made by Drs. Lance Wright and Donald Largo.

Freshmen who would like to play football this year are asked to report for physical examinations September 1 at 8 a.m. at the high school library. After examinations, Coach Ponton states that football suits will be issued the boys and the first seasonal practice will begin September 4 at 8:30 a.m. on the field.

Car Rammed Into Train at Main St. Crossing

A reckless driving charge was given Mitchell Oade of Lansing after his car ran into an auto waiting for a train to pass at the Main street and C & O crossing late Monday night.

Oade hit the car of John Stretanski of Elmhurst street. Stretanski's car then hit the train broadside and spun around, knocking down the signal post. Stretanski was only slightly injured though his car was badly wrecked.

Mr. and Mrs. Mac J. Donnelly and family of Sunset avenue were guests last Wednesday at a picnic dinner in the home of Miss Marion Weatherhead in Royal Oak. Kathleen and Gayle Donnelly remained for a few days' visit with Miss Weatherhead.

Car Dealers Given Award By Company

Latest dealership to be admitted to Pontiac Motor Division's "Hall of Fame" is Berry & Atchinson of Plymouth, which was today named a "Better Dealer" by Pontiac factory executives.

Berry & Atchinson has represented the Silver Streak line here since 1940. The firm is operated by Ross L. Berry and Norman Atchinson, both well known Plymouthites.

With the honor, Mr. Berry and Mr. Atchinson were presented a reproduction of the famous painting of Pontiac, Chief of the Ottawas, the great tribal leader for whom the car was named. The presentation was made here by G. J. Schulte, manager of Pontiac's zone office.

In his presentation address, Mr. Schulte cited Mr. Berry and Mr. Atchinson for the firm's constant efforts to improve its dealership operation and widen its services to the community.

"Our Better Dealer program was instituted with the aim of making Pontiac dealers pre-eminent in the automotive field," Mr. Schulte said. "It is not enough that Pontiac dealers be as good as their competitors. They must be better than they themselves were a year ago. They must be better than they were six months ago, and they must be better than they were yesterday to maintain this honor and keep possession of this symbolic picture."

Under the terms of the Better Dealer program, each Pontiac dealer is graded on the improvement of his physical property; the number and quality of trained personnel; service facilities and equipment; parts inventory; used car lot and local advertising program. Of paramount importance is the dealership's service to the local community.

"Our dealers and their employees are Pontiac's only direct contact with the public," Mr. Schulte said, "and much of the goodwill which Pontiac enjoys among the American people is due to these fine dealers who are honoring throughout the country with these presentations."

Bartlett to Vote on Bus Service

Whether or not the Bartlett school children will have transportation next year will be decided next Tuesday, September 5, when voting will be held at a special meeting for taxpayers of the district.

The meeting for District No. 3 of Canton township, Bartlett, will begin at 7 p.m. at the school and voting will last until 9 p.m. The proposition on the ballot is "Shall School District No. 3, township of Canton, county of Wayne, and state of Michigan, provide transportation within the district?"

Dr. Lance S. Wright is taking a post graduate course in electrocardiographic diagnosis at the University of Michigan this week.

Mr. and Mrs. Robert Shepard and daughters, Patsey and Joan, of Northville road spent several days last week at their cabin on Lake Huron near East Tawas.

Local News in Brief

Miss Nancy Taylor of the Irish Hills spent last week with her aunt, Mrs. Edna O'Connor, of Palmer avenue.

Mr. and Mrs. Miller Ross of West Ann Arbor road spent Wednesday in Lansing visiting Mr. and Mrs. John Logan.

Mr. and Mrs. Marvin Terry and family were the Sunday dinner guests of Mr. and Mrs. Kenneth Hollidge in Grosse Pointe.

Mr. and Mrs. Roy Wheeler were Sunday guests in the Earl Zander home in Norwayne.

Miss Corrine Rathbun was the honored guest at several pre-nuptial parties in the past two months. The first of these, a miscellaneous shower, was given by Mrs. Philip Anderson and Mrs. Stewart Theimkey on July 19 in the Anderson home in Northville when 20 guests were present. Twenty-four guests were invited to a linen shower on Tuesday, August 8 given by Mrs. Wayne Gladstone in the Veterans Memorial center in Plymouth. Personal gifts were given Miss Rathbun at a party in the Mumby home on Sheridan avenue when Mrs. Mumby and Mrs. William Aluia entertained for her on Wednesday, August 16. The last of Corrine's showers was given on August 30 by her matron of honor, Mrs. George Rathbun. Sixteen guests were present at this miscellaneous party. Miss Rathbun's marriage to George Kolb will take place September 9 in the First Methodist church.

WHEN YOU FEEL WEAK AS A CAT

If you have that good-for-nothing feeling, like you are half-sick and half-well, and your nerve energy is weak and low, the chances are it is due to one thing: doctors call it:

BLOOD POVERTY

Your blood cells may be fagged-out or shrunken, and you might not realize it. Even if you eat the "best" foods you may not be getting all the good out of your meals simply because you have SLOW Digestion, without knowing it (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, your blood is not getting the fullest good out of what you eat. So your blood-cells become worn-down and you have only half as much energy as you really need, you get up in the mornings still tired, and your nerves become dull.

Hundreds here in Plymouth suffered with "faded-out" blood and stomach gas until they got CERTAVIN. This is the new medicine containing 12 Herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefit comes quickly. Your food digests FASTER, with less gassiness, and you get more good out of your meals. In a few days your blood is energized with new red cells and your nerves become stronger. Weak, run-down people tell us they soon feel different all over. And best of all, our price on CERTAVIN is reasonable. You can actually take this New, modern medicine for only a Few Cents a Day! So don't go on feeling half-sick and half-well. Get CERTAVIN—Community Pharmacy, 330 So. Main.

FARMERS! IT'S A SHOW FOR YOU

Saturday Sept. 2

At Roy Leemon's farm, 11 miles west of Plymouth on U.S. 12

COME OUT AND SEE OUR EXHIBITION OF:

- PAN BREAKING TOOLS
- JOHN DEERE HAY CHOPPER working on wheat straw

76 Report For Army Physicals

A total of 72 young men from Plymouth reported for physical examinations yesterday in the August draft call. They were taken to the Detroit induction center at Fort Wayne and those that passed will be inducted September 28.

In all 460 men were sent down for physicals from the area served by the local draft board. Another group will be called for physicals on September 29.

Tom Lock Three Time Winner of City Golf Tournament Trophy

(Continued from page 1) caddy and a Bohn collapsible caddy cart.

In the fourth flight Warren Hoffman defeated Beryl Bolin 2 up and was given a Spalding Versilian caddy bag besides the flight trophy.

Runners-up in all flights received trophies and valuable awards and semi-finalist runners-up were given gift certificates. More than a hundred spectators witnessed the finals at Hilltop Saturday. A total of 92 entries participated in the tournament this year.

Max Todd, chairman of the tournament, wishes to express appreciation to all merchants and business men who cooperated in putting over the recreational tournament again this year.

Expect Exodus of Local Residents Over Labor Day

(Continued from page 1) for the safe auto driver who observes the speed laws and all safety rules as he tries to keep out of the way of that young sap who thinks its cute to cut in and out of traffic just to give a "scare" to the other "guy."

If the state and nation lives up to its usual record, sorrowing relatives and friends will be crowding the undertaking parlors wondering how it all happened so suddenly—and usually the dead and dying are seldom to blame for what happened.

But many, many Plymouth residents plan to do the wise thing, get to where they are going before the crazy driver hits the highways. Many have already left for their long, last weekend of the summer. Others plan to leave today, tonight and tomorrow for their cottages and northern resorts to remain as long as they can and enjoy a few days before getting into the usual routine for the winter season. Notwithstanding the perils of the "crazy driver" there is going to be a general exodus of local residents.

There are no Labor day celebrations planned for this immediate vicinity but many family picnics have been scheduled.

But not many of them will take place in Plymouth-Riverside park or anywhere else along the Rouge parkway system. As usual the hordes of Detroit's colored population will take over most of the picnic tables, playgrounds, stoves and other park facilities. But Plymouth people who donated much of the best part of the parkway to Wayne county, can use the picnic tables before and after the holiday period if they desire to do so. There is not much demand except weekends and holidays for park facilities by Detroiters—and then their numbers are so great that frequently there is not enough space to go around.

Not in years has there been so much propaganda urging people to be careful, and observe all safety regulations as there has been this year. How effective it will be no one will know until after Labor day. But here's hoping.

Everything will be normal on Tuesday morning except for those who will be in the undertaking parlors, hospitals or in jail for drunk and careless driving.

Mr. and Mrs. James Thrasher had as houseguests from Friday until Monday Mrs. Thrasher's parents, Mr. and Mrs. G. L. St. John, of Springfield, Ohio.

Mr. and Mrs. Perry J. Richwine spent last week visiting in Howell in the home of Mrs. Richwine's sister, Mrs. John Gray.

Mrs. Edna O'Connor spent Monday and Tuesday with some friends at Island lake.

Displays English China.....

China, crystal and silver from the Isle of Wight off the coast of England will be displayed this week in the lobby of the Plymouth United Savings bank by Mrs. Arthur Jenkins of Penniman avenue. Mrs. Jenkins' collection was brought here by her husband who was stationed in England during the war. The collection includes a group of eight Royal Worcester figurines—all labor leaders and politicians prominent in the days of Disraeli. Mrs. Jenkins also has a Chelsea figurine over 100 years old. Royal Doulton cups and saucers, Sheffield silver candlesticks, Dresden candlesticks and silver lusterware mugs.

Iver Wilson Moves Proall Paint Store to New Location

Due to labor difficulties Iver C. "Bud" Wilson is forced to move his Proall paint store to his Gulf service station at the corner of Five Mile and Farmington roads.

Mr. Wilson, owner, is now operating the gas station and announcing that the paint store formerly located on Liberty street in Plymouth, is now situated in Livonia.

He carries a complete line of Proall paints.

Organize Fall Bowling Leagues

As bowling season rolls around again, leagues are being formed at local bowling alleys.

All women interested in forming a girls' league are asked to meet Thursday, September 7, at 8 p.m. at Plymouth Recreation alleys. The league will bowl on Thursday nights.

The Plymouth Recreation Classic league for men will meet on Tuesday, September 5, at the alleys at 8 p.m. All bowlers interested are urged to be present.

City Given Boost on National Radio Hookup Last Week

(Continued from page 1) music. Wednesday afternoon we met the General Mills staff and were supplied with tickets for various types of amusements.

"We had the pleasure of attending a number of night clubs where theater and radio celebrities dined. We heard wonderful classical and popular music and singing.

"In Rockeiller Center we went to Radio City Music Hall with its wonderful symphony orchestra directed by Raymond Paige. The outstanding highlight was the precision dancing of the Rockettes...

"One evening was spent seeing Garson Kanin's new comedy, "The Live Wire," which was directed by the author himself. We took in Broadway, many of the larger stores and were taken through the NBC studios and saw behind the scene preparations...

A three hour boat trip was arranged to take us around Manhattan Island. This trip afforded us the most information about New York City. We passed Ellis Island and the Statue of Liberty, which brought many thoughts of how she stands there a sentinel of promise to all who come to our shores... We saw the homes of the wealthy and the tenements of the poor, and the great new housing projects and changes taking place to improve living conditions and to establish better human relationships. Other sights on the tour were Columbia university, the Washington bridge, the Bronx, Harlem, Yankee stadium, Riverside drive and Hell's Gate.

"In the harbor we saw great ships from many countries, including Italy, France, Norway, Sweden, Britain and Greece.

"Betty Crocker and the other members of the staff were very gracious to us and put us entirely at our ease Friday morning.

"Bill and Bob (Bateman's sons) met us at Willow Run when we returned from a perfect trip. We both sincerely thank all our friends for this great pleasure."

Sincerely, Thomas and Lois Bateman

Herbert Hoover says all the nation's ills could be cured by hard work. Most of us prefer to stay in the frying pan.

In Knoxville, Tennessee, police tracked down the prankster who had phoned in two false alarms, both times giving his right name. No need to iron tea towels. Just fold them neatly and run them through your wringer. Phone news items to 1755.

By CARL PETERSON The cheerful astronomers of the Franklin Institute, Philadelphia, say the world could come to an end any time through an explosion of the sun, or great volcanic eruptions. If we really believed that, we could cancel out a lot of troubles that we have bothering us today. As some great mind said, "The worst troubles we have are the ones that never happen." That's as direct as a Sherlock Holmes deduction. We go beating the brush for difficulties that may never find us. Yes, if we could be sure that the world would end soon we could ignore our present troubles. But what if it doesn't? You can't win. Every time we take a drive around town we realize all the more how many people are finding Plymouth so desirable a place, as evidenced by the building, both home and commercial. It's wonderful to be a businessman in a city in which so many want to build their homes. Did you see where a fellow down in South Africa got a jail sentence for biting off the tail of an obstinate ox? He should have taken the bull by the horns. You, too, should take the bull by the horns and buy your drugs and prescriptions at PETERSON DRUG, 840 W. Ann Arbor Trail, in Plymouth... the new, modern drug store across from the Mayflower Hotel. Accurate prescriptions are our life work... You and your doctor can depend on them. Phone 2080.

KEY. ROBERT H. HARPER
Peter, Who Became a Man of Power.
Lesson for September 3: Acts 4: 8-20.
Memory Selection: Acts 5:29.

SIMON was at the first like the shifting waves of his own Sea of Galilee. But he became as firm as the hills that rise about Galilee's shores.

In the courtyard of the high priest's palace, he thrice denied his Lord, and even with an oath. But Peter in the firelight was followed by Peter on the seashore. Under the three-fold questioning of Jesus, he vowed a love that was never belied by denial or show of wavering. From that hour he was truly Peter, the Rock.

He became a great preacher. On the day of Pentecost, he preached with such power that 3,000 persons were added to the infant church. And the lesson text tells how Peter and John, when the council forbade them to speak in the name of Jesus, said they would hearken to the voice of God rather than that of men, and declared they would continue to preach what they had seen and heard.

Peter interests men because the most of them are like Peter in their human weakness and their many falls. But let us strive to be like him in his later days when he proved true to the name Jesus gave him. As Peter became a man of power, so can we grow strong for our Lord. For, as we believe in Jesus and love him, the Lord can communicate enough of his power unto us to make us big and brave in our service for him.

FIRST PRESBYTERIAN Church, Rev. Henry J. Walsh, Minister. **FIRST METHODIST CHURCH,** Rev. Melbourne Johnson, pastor. Union summer services of the Methodist and Presbyterian churches 10:30 a.m. Next Sunday, September 3, Dr. F. A. Lendrum will preach for us. On Wednesday, September 6, Dr. Lendrum will mark a birthday in the calendar of life that few reach and still fewer reach in such excellent health. Let us help him celebrate this occasion as we listen to his wise counsel coming out of a long and fruitful ministry.

THE PLYMOUTH CHURCH OF GOD, Rev. P. M. McPherson, pastor. Rev. P. M. McPherson, pastor. 10 a.m. Sunday school hour, 11 a.m. Young People's meeting, 7 p.m. Evening Evangelistic service, 7:45 p.m. Mid-week prayer service on Wednesday at 7:45 p.m.

Calvary Baptist Offers Bibles

Calvary Baptist church of Plymouth is joining in the Mid-Century crusade of reaching Bibleless homes. The purpose of the Crusade is to place copies of the Bible with families which do not have a readable copy in the home.

Families receiving these Bibles are placed under no obligation and that to promise to read the word of God. Bibles are provided by the American Home Bible League and will be distributed in Plymouth and vicinity by members and friends of Calvary Baptist church. Copies of this home edition cannot be purchased.

P. J. Clifford, pastor of the church, will appreciate names of families that may be interested in receiving a Bible. Phone requests to 1413, or write Calvary Baptist church, Plymouth, Michigan.

FIRST CHURCH OF CHRIST, SCIENTIST. Sunday services at 10:30 a.m. Sunday school, 10:30 a.m. for pupils up to 20 years. "Man" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, September 3. The Golden Text (Psalms 1:12) is: "Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night." Among the Bible citations is this passage, (Gen. 1:27): "So God created man in his own image, in the image of God created he him; male and female created he them." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 258): "God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis."

CALVARY BAPTIST CHURCH, Ann Arbor Trail at Elizabeth St. Rev. Patrick J. Clifford, pastor. Bible school, 10 a.m. Herbert Broome, Supt. Morning worship, 11 a.m. Subject: "Laboring For the Lord." Daisy Girls Win State Honors...

Team Takes League Crown.....

The Daisy Girl's Softball team have again won a league championship. This year they took top honors in the Central Michigan Girls' league. They are also in the Times Tournament and so far have three wins and no losses. The team includes, left to right, back row, Will Rayburn, coach; Lee Feidler, Dolly Bouterse, Marion Kraft, Floyd Fleming, manager; Gloria Fellows, Bud Hoelscher, Dot Clatterbuck, Betty Ross, Joe Sowa, coach. Front row, Verna Rayburn, Nan Johnson, Alma Foerster, Marge Sowa, Margaret Satterla, Mary Spitz, Jean Sitterlet and Faye Melton.

For three straight seasons the Daisy Girl's Softball team have won the championship in their league. The Daisy Girls also won the Inter-City crown for 1949-50 in basketball.

In 1948 they were champs in the Plymouth Softball league and in 1949 stepped up a notch and signed up with the Central Michigan's Girls' league where they came out with the league trophy. This year they wound up in

second place, one game out of first, and then beat the Adrian Merchants two straight to take the crown again. The girls are also entered in the Times tournament at Vlasic park in Detroit where they have three wins and no losses with one game to play.

Under the management of Floyd Fleming and the coaching of Joe Sowa and Will Rayburn, this team has enjoyed three very successful seasons.

Represent Plymouth In MRA Tourney..

The Beglinger Oldsmobile players took the Open league playoff championship and are now representing Plymouth in the M.R.A. State Tournament. The finals were played in Ypsilanti last night but the results of the game were too late for publication. Much of the credit for the team's success goes to Gabby Street who in the state tourney games at Coldwater pitched 40 scoreless innings. In five games he allowed only seven hits. The champs include, left to right, top row, Jack Dobbs, Harold Williams, Harold Schultz, George Newton, Howard Hunt, Johnny Wilkie and Walt Beglinger, sponsor. Second row, Gabby Street, Don Leichtweis, Art Gillis, and Orlan Egloff, manager. Batboys are Skipper Street and Randy Egloff.

Pursell Hurls No-Hitter as Hoots Triumph Over Training School 8-3

With only five hits the Hoots defeated the Wayne County Training school Tuesday, August 22, by the score of 8-3 in the Class D softball league playoffs, but Carl Pursell hurled a no-hit contest for the Hoots.

In another previous playoff tilt the Hoots took a forfeit victory from Northville.

The Hoots scored runs in every inning but the fourth and sixth. Pursell scored one run in the first frame after reaching first base on an error.

Bud Lamphere and Phil Jacobus walked in the second, took third and second respectively on Wilt's put out and then scored on a base hit by Bill Farwell.

George Hunter reached second base on a misplay in the third and then scored on another error as Lamphere took second base.

Another error by the WCTS in the fifth allowed Finnegan to get on base. Pursell flied out and Edson Whipple singled sending Finnegan to third. Hunter hit a high fly to center with Finnegan tagging up and scoring after the catch. Lamphere came up again and when his grounder was bobbled Whipple scored. Jacobus got on base on an error and then Henry Levering ended the inn-

ing with a pop-up to short. Two more errors and two safeties netted the local nine a couple of more runs in the final frame, giving them a total of eight.

The Training school scored two runs in the fourth on four straight base on balls and an error. They hit pay dirt once in the fifth on four more free passes to the initial bag but could score no more.

Street Hurls One Hit Ball Game

Beglinger Oldsmobile defeated Willow Village 7-0 Monday, August 21 at Ypsilanti and thus represented this district at Coldwater for the State MRA tournament games held last weekend.

Gabby Street, who is the idol of many local youngsters and who has been the big reason for Beglinger's successful season, pitched a one hit ball game over Willow Village, gaining a well deserved victory.

Beglinger Oldsmobile finished the regular season in a tie for second place with DeHoCo but they then beat Cavalcade in the playoffs on the brilliant pitching of "Old Reliable Gab."

Contractors On Top In Old Timer's League....

The Contractors defeated Dunn Steel to win the playoffs in the Old Timer's league. Team members include, left to right, top row, Harold W. Stevens, Bill Curtis, Jack Gillis, Ray Kincaid, Jack Stout; second row, Louis Norman, Charles Epps, Bud Curtis, Bob Gillis, Bud Crumb; third row, Batboy Brian Gillis, Dale Rorabacher, and Charles Epps, Jr.

Dunn Steel Season Champs In Industrial League...

The Dunn Steel nine took season honors in the Industrial league. Players on the team are, left to right, top row, Dick Farwell, DeWayne Becker, Noel Litzenger, Jerry Allen, Dan Gray and Dick Herter. Front row, Bill Stout, Charles Truax, Max Pierce, Ralph Reid and David McIntosh. Batboy is Burt Saltens.

Whitman-Barnes Cops Industrial League Play-off

The Industrial league play-off championship went to this excellent Whitman-Barnes softball nine that are, left to right, in the front row, Cavin, Lane, Primeau, Taylor, McCanna and Captain Cunningham. Standing in the rear, left to right, are Frost, Johnston, Breckenridge, Devine, Onusko, Kolbasa, McGuire and Barney.

Local Class E Squad in Finals

After playing 11 innings and the game still deadlocked at 5-5, the State Championship game in Class E between Papp's Market of Wayne and the Saginaw nine had to be postponed until Friday, August 25. The game was previously scheduled for Wednesday, August 23.

Papp's representing Plymouth in the playoffs, was leading Saginaw 5-2 going into the final frame but the opposing squad came up with three runs to tie up the game at 5 all.

For four innings the two squads battled at even terms but after darkness had prevailed play, the game was called and postponed.

To reach the final game Papp's defeated Battle Creek in the initial contest 5-2 August 21 after spotting the losers two runs in the first frame.

The Plymouth representative tackled Dearborn the second encounter and eked out a 4-3 victory in eight innings on the same afternoon as the first game. The regulation innings are seven for the Class E squads.

Coming from behind once again Papp's took a 3-2 lead but Dearborn knotted the score in the sixth. In the eighth frame the locals loaded the bases with none out and Lee Goodney, coach of the Papp's nine, sent in a pinch hitter who dribbled a slow grounder to short, scoring the winning run.

Opposing Hamtramck's Kowalski Sausage in the third tilt, played August 23, Goodney's gang once again had to overcome a two run deficit, galling their third straight triumph. On some poor fielding by the local nine, Hamtramck took a 2-0 lead but Papp's came through to emerge victorious 11-4. Wildness on the part of the Kowalski pitcher paved the way to Papp's victory.

Whitman - Barnes Down Dunn Steel Twice for Industrial League Crown

Contractors Win League Playoffs

Downing Dunn Steel 4-0, the Contractors won the playoffs in the Old Timer's softball league Wednesday, August 23, to take the championship in the loop.

Allowing only two hits to Dunn Steel, L. Norman was the winning pitcher. The two safe blows came in the first inning off the bats of Bob Herter and Ken Pan-kow.

The Contractors netted their first run in the second inning on Bill Curtis' double, a walk to Rorabacher and a base hit by R. Kincaid. This was all the scoring until the sixth when B. Gilles hit a two bagger, Curtis then singled, Kincaid singled and Stevens singled, giving the Contractors two more runs.

In the seventh C. Epps led off with a double and scored on an error off the bat of Gilles, ending the scoring for the contest.

To reach the final game of the tournament Dunn Steel had to down the VFW 16-6 Tuesday, August 22. Dunn Steel collected 14 bengals in this triumph as the VFW connected for nine safe blows.

Something you want to sell?—Use a classified.

Although Dunn Steel was defeated only once during the whole regular season in the Industrial league, Whitman-Barnes took two straight from the team, emerging with the local softball crown in the Industrial loop.

Seventeen base on balls led to Whitman-Barnes' first triumph. Don Gray wilted in the last innings. In the second contest, August 22, Whitman-Barnes took a 8-4 decision from Dunn Steel.

Four base hits netted four runs for Dunn Steel in the first frame but then Primeau, winning pitcher, settled down and allowed the losers only four hits the remainder of the game.

Gray, who was the losing pitcher, gave up only four bengals the whole seven innings but walks once again led to his defeat as six men were given free passes to first base.

The fifth inning rally by Whitman-Barnes proved the deciding point in the encounter. C. Kulbasa led off with a base hit, Cunningham walked, Lane singled scoring Kulbasa from second with Cunningham taking third. Taylor walked filling the base to capacity and when McGuire was out on a fielder's choice Cunningham and Lane scored. McCanna flied out to Truax in right field. McGuire scored after the catch as did Onusko. J. Kubasa flied to right ending the inning.

GENERAL PRIMARY ELECTION NOTICE

CITY OF PLYMOUTH, MICHIGAN

Notice is hereby given that a General Primary Election will be held in the City of Plymouth on Tuesday, the twelfth day of September, 1950, for the purpose of nominating candidates for the offices of: Governor, Lieutenant Governor, Representative in Congress, State Senator, and Representative in the State Legislature, Judge of Probate (to fill vacancy) for the term ending December 31, 1952, Prosecuting Attorney, Sheriff, Deeds, County Drain Commissioner, and two County Clerks, County Treasurer, Register of Coroners, as prescribed by Act 351, P. A. 1925 as amended.

Precinct No. 1 CITY HALL
Precinct No. 2 STARKWEATHER SCHOOL
Precinct No. 3 HIGH SCHOOL
Precinct No. 4 FOREST MOTOR SALES

In Atlanta, Paul Lee Miller, booked for impersonating an officer, told police that he felt entitled to wear a badge because he was once "almost elected sheriff" in Oak Ridge, Tennessee.

Return From 2500 Mile Motor Trip

The piece of red stone displayed this week in the window of The Plymouth Mail was brought here from the hills of Kentucky by Mr. and Mrs. E. Fletcher Campbell who returned last week from a month's trip to the east coast, Ohio and Kentucky.

The Campbells traveled over 2500 miles on their vacation trips taking in Niagara Falls, the Catskills, New York City, Connecticut and came back by way of the Finger Lake district.

They then started off on another trip to Kentucky visiting Onyx Cave, Mammoth Cave, the log cabin Abraham Lincoln was born in at Hodgenville, and Bardstown where Stephen Foster wrote "My Old Kentucky Home."

"In one day's time," the Campbells said, "we slept in Kentucky, ate breakfast in Indiana, lunch in Ohio, and supper in Michigan."

By voting in the California primaries John Griffin, 86, of Alhambra, kept his record perfect. For the sixtieth consecutive year, he said, he cast his ballot.

Sunday School Picnics at Houk Summer Home

Over 75 children from the First Baptist church Sunday school attended an all-day picnic at the cottage of James Houk, Sunday school superintendent, at Base lake last Saturday.

An added feature of the picnic were boat rides furnished by Alvin Collins who took the children out in his cabin cruiser.

Hold Funeral For Mrs. McGeorge

Mrs. Elizabeth McGeorge, who has been visiting her son, Luke E. McGeorge for the past two months, passed away at his home at 48929 North Territorial road August 24. She was 80 years old and had been ill for some time.

She was a lifetime resident of Covington, Indiana. Mrs. McGeorge was brought to the Schrader Funeral home and was later taken to Covington where funeral services were held Saturday, August 26. Interment was made in Mt. Hope cemetery, Covington.

Surviving Mrs. McGeorge besides her son are two other sons, R. H. McGeorge of Detroit and J. R. McGeorge of Hagerstown, Indiana; five grandchildren, one great-grandchild; three brothers, four sisters and other relatives.

Chrome plating often loses its luster, but by using plenty of elbow grease and a good polish the brightness can be brought out once more. Do not use abrasives.

With every Southern state stressing good forest management the golden age of forestry is just beginning in the South.

Your Police Department Speaks

Written by members of Plymouth's Police department

With the opening of the schools next week it is imperative that drivers use extra care in driving to avoid accidents to the many children who will be on the streets, the Plymouth Police department announced.

Thousands of children will be walking the streets of Plymouth to and from school, many for the first time. While police and school safety patrols help to protect children from traffic at many crossings, some children will be unprotected corners.

Three Children Hold Carnival

Plymouth's first polio victim this year, seven year old David Gotthard, was the recipient of a "polio fund" last week, raised by some of his playmates.

The youngsters, Shirley and Nan Aughenbaugh and Sylvia Pritchett, held a carnival on Starkweather avenue for all the children in the neighborhood.

Charging a penny for all games and refreshments, the children collected three dollars and gave it to David in hopes that it would "in some small way help him to be well and happy again."

David, son of Mr. and Mrs. James Gotthard of Hammill street, was struck with polio three weeks ago and has returned from University hospital in Ann Arbor. He suffered no paralysis but will be confined to bed for the next two weeks.

If your stocking ever snags away from home, use dampened soap to rub the end of the run. Allow the soap to dry, then wash the stocking and mend it when you return home.

House hunting? Read the classified ad section for where to find a house or apartment.

Local News in Brief

Mr. and Mrs. Charles Huebler and daughter, Dawn, spent from Friday until Monday with Mr. Huebler's parents in Charlevoix.

Mr. and Mrs. James Latture returned Monday from a ten day vacation trip to the Upper Peninsula and Minnesota.

Miss Marlene Peterson of Kaleva was the Tuesday night guest of her grandparents, Mr. and Mrs. Herman Tritten.

Mr. and Mrs. J. M. Swegles of Ford road accompanied by Mr. and Mrs. Charles Swegles of Holly, spent Saturday in Ypsilanti visiting their sister and husband, Mr. and Mrs. S. P. Toles.

Mr. and Mrs. Stanley Daniels and family of Madison, New Jersey, and Mr. and Mrs. Elmer Daniels and family of Ann Arbor, and Mr. and Mrs. Burton Johnson, all of Plymouth, enjoyed a family reunion and dinner in the Johnson home on Church street Tuesday evening.

Mr. and Mrs. Stanton Klink of Adams street and Mr. and Mrs. Steve Buker of Adrian motored to Port Huron Sunday where they were the guests of Mr. and Mrs. Jerry Fry and daughter, Linda, at a picnic dinner in St. Mary's park, Port Huron.

Mrs. Robert Beyer and daughter, Susan Lynn, spent a few days this week with Mr. and Mrs. Floyd Burgett at Base lake. Mr. Beyer joined them each evening.

Miss Kathleen Adams of Detroit has been the houseguest of Mr. and Mrs. Walter Dzurus of Sheridan avenue this week.

Elton R. Eaton Endorses GEORGE A. SMITH For the Republican Nomination For State Representative From This District

He points out that Mr. Smith is an especially highly qualified candidate for this legislative position and is well acquainted with the problems confronting Michigan.

Mr. Smith will be able to give his full time to the duties of the office and if nominated and elected, will make a record the district will be proud of.

"When an orphan boy can step out of a Michigan Institution where homeless children are cared for and win for himself a high place in both educational circles and the community in which he lives by his unselfish service to others, as George A. Smith has done, I believe he is entitled to the vote of every person in this legislative district," declares Editor Eaton of The Plymouth Mail.

(This advertisement is being published because of the fact that many voters in the district are under the impression that I am again a candidate for this office, the impression being due to the fact that there is another candidate by the name of Eaton in the contest.)

Food For Fed-Ups
By Melbourne Johnson
Pastor First Methodist Church

There is an old proverb which tells us that it is better to be sure than sorry. And no doubt such a wise saying has legitimate points of application in all our lives. But the proverb makers in the past have been perhaps a little too much given to cautioning the human race, and it is just as well to give scrutiny to their admonitions that run in that direction. For instance in this very matter, it may be much better to be sorry for having made failure in some high and holy endeavor than to be sure of not making such failure by not trying. And as a matter of fact many of us need admonition in the direction of taking some risks with life much more than we do in the direction of being careful and canny with it.

Certainly very many of the great achievements in the history of the world were not worked out by men and women who believed in paying attention to safety first. And it is a question if very many of the fine attainments in character or ability were either. Men do not get on in anything in a very significant way by refusing to adventure and reach out into unknown possibilities.

Fear is in reality one of the great foes of the finest and most fruitful living; the fear of failure if one should attempt great tasks; the fear of criticism if one should undertake unusual things the fear of complications and risks in attempting things which cannot possibly be planned and charted before a beginning is made.

Waiting to be safe has times without number meant the missing of the opportunity to be and to do the fine thing that was open to us, but that could never even get started until we were willing to take risks.

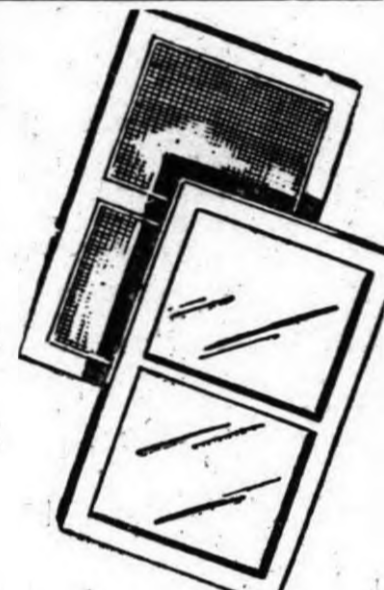

Easiest way to cut notches when your cutting out a garment from a pattern, is to cut them out instead of in as the pattern indicates. There is less danger of cutting too deep or starting the fabric to fray out. If you need to let out the seam, the cut notch will not prevent it.

Roderick Highfield to Wed Saginaw Girl

At an informal party August 25, Mr. and Mrs. R. T. Reist of Saginaw announced the engagement of their daughter, Castilla Jane, to Roderick Lane Highfield, son of Mrs. Stanford Besse of Plymouth. Roderick is entering his senior year at Michigan State Normal college in Ypsilanti. No immediate wedding plans have been made.

Enrolls at Cleary

Miss Patricia Dudley of 624 Sunset avenue has enrolled for the fall term at Cleary college in Ypsilanti, where she will pursue a secretarial course.

OES News

Plymouth Chapter No. 115 will resume their meetings with a regular business meeting Tuesday, September 5, at 7:30 p.m. A social hour and refreshments will be served in the dining room following this meeting.

Miss Katharine Loomis of Washington, D. C. was a houseguest last week of her sister, Mrs. Warren Worth and family of North Territorial road. On Tuesday of last week Mrs. Worth entertained at a luncheon honoring Miss Loomis and also Mr. Worth's mother, Mrs. Anthony Worth, who is visiting here from her home in Waterbury, Connecticut.

Delores Lappinen Becomes Bride of John H. Olsaver

In an afternoon ceremony in the First Presbyterian church on Saturday, Delores Jean Lappinen became the bride of John H. Olsaver, son of Dr. and Mrs. John L. Olsaver of West Maple street. The bride is the daughter of Mrs. Thomas Voutila of Ypsilanti and Matt Lappinen of Port Huron.

The Rev. Harold Fredsell of Northville officiated at the double ring ceremony before an altar banked with baskets of white gladioli and lighted tapers. Mr. Lappinen gave his daughter in marriage.

The bride wore a white eyelet gown and a veil of illusion. She carried a prayer book with a white orchid and stephanotis. Mrs. Harold Siegel, sister of the bride, was matron of honor. Her gown was of white eyelet and green taffeta and she wore a colonial yellow rose corsage.

Other attendants included Miss Donna Hoover of Ypsilanti and Miss Joyce Curtis of Ann Arbor. Their gowns were white eyelet and yellow taffeta and they carried colonial bouquets of yellow roses.

Wallace Gardner of Rosedale Gardens was best man and Gerald Treadwell and William Schwartz of Plymouth seated the guests.

For her daughter's wedding Mrs. Voutila chose a navy crepe

dress and Mrs. Olsaver wore grey crepe. Both mothers wore corsages of talisman roses.

A reception for 300 guests immediately followed the ceremony in the church parlors. Guests were present from Lansing, Wheaton, Illinois; Winnetka, Illinois; Ann Arbor, Saginaw, Ypsilanti, Plymouth, Port Hope, Detroit, Algerque, New Mexico; and Milwaukee, Wisconsin. The bridegroom's sisters, Mrs. Sam Showalter and Mrs. J. R. Walter of Wheaton, Illinois, assisted at the reception.

For a wedding trip to upper Michigan, the bride chose a navy sheer voile dress with navy accessories and a white orchid corsage. The newlyweds will make their home at 641 Forest avenue, Plymouth.

Following the wedding rehearsal Friday night Mrs. Voutila entertained at Hillside Inn for members of the family and wedding party.

The bride is a graduate of Roosevelt High school in Ypsilanti and is assistant secretary to the president of the First National bank in Plymouth. The bridegroom, a graduate of Plymouth Hga school, is employed by the Wayne County Park commission.

Mrs. Alzina Howell has returned to her home in Ann Arbor after spending some time with her son, George Howell, and Mrs. Howell of Gold Arbor road.

Local News in Brief

Mr. and Mrs. Raynor Tisch and family spent Sunday in Stockbridge as guests of Mr. Tisch's sister and husband, Mr. and Mrs. Hugh Milner.

Mrs. Hudson Scheifele and baby daughter returned to her home in Detroit Friday after spending the past week with her parents, Mr. and Mrs. William A. Martin on Blunk street.

Mrs. I. N. Dickerson and Mrs. William Farley entertained at a cooperative dinner Wednesday in the Farley home on Adams street honoring Mrs. Bert Hill and her daughter, Mary, who are visiting here from their home in Florida.

Mrs. Minnie Bakewell had as her dinner guest last Thursday evening in her home on South Main street, Mrs. Alice Herbert of Clawson.

Mrs. Robert A. Nelson of Detroit were the guests all day Sunday of Mr. and Mrs. Paul Wiedman.

Anthony Worth, son of Mr. and Mrs. Warren Worth of Territorial road, celebrated his birthday Monday with a picnic lunch for 16 of his friends at Riverside park.

Two pre-nuptial showers have been given recently honoring Miss Marleeta Martin, a bride-elect of September 16. The first given by Mrs. Dorothy Blunk Foreman, was attended by several of Miss Martin's classmates. The second was given by Miss Myrtle Bush, a roommate of Miss Martins, in the Bush home on East Grand Boulevard, Detroit.

Sunday guests at the Fred Anderson home on North Main street were Mr. and Mrs. James Deeg and family of Dearborn, Mr. and Mrs. Howard Anderson, Mr. and Mrs. Ed Sommerman, Mr. and Mrs. George Newton and Mr. and Mrs. Patrick Fegan and daughter, Ruth Ann, all of Plymouth.

Mr. and Mrs. George Everett and their granddaughter, Donna Jean Parrett of Tecumseh, were the weekend guests of Mr. and Mrs. Frank Everett of Haggerty highway.

Mr. and Mrs. Ed Michaels of Defiance, Ohio are spending a few days with Mr. and Mrs. Albert Groth of North Harvey street. Mrs. Michaels and Mrs. Groth are sisters.

Mr. and Mrs. Stanford Besse were the weekend guests of Mr. and Mrs. R. T. Reist in Saginaw. On Saturday they all attended the annual Michigan Canoe championship races in Oscoda.

Mr. and Mrs. William Martin were in Flushing Sunday, August 20 to attend the wedding of their cousin, Miss Ruth Ellen Sammons, to Gaylor Pollock of Port Huron.

Mr. and Mrs. William Kreger of Brownell avenue have returned from a two weeks stay at their cabin on Fife lake. The first week they had as their guests, their daughter and husband, Mr. and Mrs. Harold Kuhfeldt of Dearborn and also a visit from Mr. and Mrs. Emil Schilling and Mr. and Mrs. William Sacriska, former Plymouth residents, now living at Bellaire.

Mr. and Mrs. Norman Miller of Cleveland, Ohio were the weekend guests of Mr. and Mrs. Joe Merritt at their cottage on Half Moon lake.

Mr. and Mrs. John Pint, Mrs. Albert Pint and Miss Mildred White visited Sunday in the home of Prof. and Mrs. Harold Munn in Hillsdale. Mrs. Hazel Stitt, who has been visiting for the past two weeks with relatives in Allen returned home with them.

Mr. and Mrs. Irving Schuster, Jr. and son and daughter, and Mrs. Irving Schuster, Sr. of Memphis, Michigan were the dinner guests last Wednesday of Mr. and Mrs. Paul J. Wiedman of Blunk avenue.

Mr. and Mrs. Tom Wetherstone and daughter, Ilene, of Dresden, Ontario spent Sunday and Monday with Mrs. Minnie Bakewell of South Main street. Mrs. Wetherstone is a niece of Mrs. Bakewell.

BIRTHS

A 5 pound boy, John Jay, was born August 15 at St. Joseph's Mercy hospital, Ann Arbor, to Mr. and Mrs. Roy Henning of Starkweather avenue.

Margaret Christine is the name Mr. and Mrs. Vincent Herter of Spring street have selected for their new daughter born at Garden City Maternity hospital on Sunday, August 19. She weighed 6 pounds, 14 ounces at birth. Mrs. Herter is the former Margaret Goebel.

Mr. and Mrs. Robert J. Orr of Farmington are the proud parents of a son born August 25 at Detroit Osteopathic hospital. Lawrence Robert weighed in at 8 pounds, 3 ounces. The maternal grandparents are Mr. and Mrs. William J. Squires of North Harvey street.

Early Tuesday morning, August 22, at Sessions hospital in Northville Mrs. Marvin Newberry of Northern street gave birth to a baby boy weighing 8 pounds, 9 ounces. He has been named Kenneth Eugene. The grandparents are Mr. and Mrs. John Canady of Northern street. The Newberrys also have a daughter, Brenda Joyce.

Hints For Plymouth Homemakers

Tomatoes Good Buy Now For Serving Fresh or Canning

Tomatoes do a great deal to brighten up mealtime. Their slightly piquant flavor is a delicious accent for the main course and the vivid color makes the food look more interesting.

From now until frost there will be tomatoes galore in the garden and in Plymouth markets. This is the time to use them lavishly in daily meals and to store away a good supply for wintertime.

This is one vegetable that can always be canned with considerable saving at home. Stocking up with a good supply of home canned tomatoes, juice, sauces and preserves can't be considered hoarding but only good use of available supplies.

Because tomatoes contain acid, the best method of canning consists of processing the jars in boiling water. The flavor is better when the tomatoes are packed into the jars cold. Follow the detailed directions to preserve maximum flavor and also Vitamin C content.

CANNED TOMATOES

Use only perfect, fully ripe tomatoes. Wash. To remove skins dip into boiling water for about 1/2 minute. Place immediately in cold water. Cut out stem ends, being sure to remove all white or green portions and peel. Leave tomatoes whole or cut in halves or quarters (the latter pack to the best advantage). Pack into clean jars, filling them to within 1/2 inch of the top. Press tomatoes down gently with spoon so all

spaces are filled. Add no water. Add 1/2 teaspoon salt to pint jars and 1 teaspoon salt to quart jars. Wipe tops of jars carefully and adjust caps, following directions for the kind used. Place in canner and add water if necessary so tops are completely covered. Time processing as soon as water reaches boiling point. Process pint jars for 35 minutes; quart jars for 45 minutes. Remove jars from canner at once. Complete seals unless self-sealing tops are used.

TOMATO JUICE

Use ripe, juicy tomatoes. Wash carefully, remove stem ends and cut into pieces. Simmer until softened, stirring often. Put through strainer to remove skin and seeds. Add 1 teaspoon salt for each quart juice. Heat to boiling point and pour into clean jars, filling to within 1/2 inch of top. Adjust caps and process in boiling water for 15 minutes. Remove from canner at once and complete seal, if necessary.

MENU TREATS

Stuffed tomatoes, whether salads or a hot dish, are favorites for late summer meals. In either case, they can be a main dish or an accompaniment for it, depending on the heartiness of the stuffing.

For salads, the simplest and most attractive method of preparation is to peel the tomatoes, take out the stem end, then cut through in four or six sections, leaving them attached at the bottom. These sections when spread out form a most attractive background for the stuffing.

The skins should be left on the tomatoes if they are to be cooked to hold the pulp together. Scoop out the pulp, leaving a 1/4-inch shell. The chopped pulp, minus the seeds, can be added to any stuffing mixture.

STUFFED TOMATO SALAD

One cup diced cooked chicken (crab meat, tuna or salmon), 2/3 cup diced celery, 3 tablespoons diced cucumber, 3 tablespoons French dressing, 6 large tomatoes, mayonnaise.

Mix first four ingredients and chill for 30 minutes. Wash and peel tomatoes, cut out stem end, then cut into six sections, leaving attached at the bottom. Chill. Salt tomatoes and place on greens separating wedges to resemble flower. Add mayonnaise to salad mixture to suit individual taste. Mix lightly and pile in centers of tomatoes. Makes 6 servings.

CREOLE STUFFED TOMATOES

Wash, cut slice from tops and remove centers from six large tomatoes, to leave shell about 1/4-inch thick. Fill with stuffing made by mixing the following:

Two onions, 1/2 green pepper and 2 stalks celery, all finely chopped, 2 tablespoons deviled ham browned in 2 tablespoons table fat, 1/2 cup cooked, chopped mushrooms, 2 cups cooked rice, 1 teaspoon Worcestershire sauce and salt and pepper to taste.

Cover tops with buttered bread crumbs. Place tomatoes in shallow baking dish. Bake in moderate oven, 350 degrees F., for 20 to 25 minutes or until tomatoes are tender and crumbs are brown. Makes 6 servings.

FRANKFURTER FUN

By Marie Gifford

Frankfurters are stars this season of the year, for they're real fun food. Call on the versatile "frank" to play its part in your easy menus for late summer days, feature them for the Labor Day picnic and keep them on hand for those quick snacks.

No longer are frankfurters restricted to the camp and picnic grounds. Due to their goodness and ease of preparation, they have won their way into the menus for indoors and out and even company dinners.

To heat the franks and keep the mouth watering goodness and juiciness where it belongs—inside the frankfurter—drop them in boiling water and remove pan from heat. Cover them with a lid and let set for 7 to 8 minutes.

For the Labor Day picnic roast the frankfurters at the "spot" and team with buns, trimmings for the franks, corn-on-the-cob, tomato halves and a chopping bowl salad. For those garden fresh ears of corn, place fully dressed ears in water for 10 minutes then roast them on the grill along with the frankfurters. The steam created in the husks will keep each kernel of corn plump and moist. For indoor cooking on the broiler wrap the husked ear in aluminum foil. Turn the ears frequently. This method may also be adapted to outdoor cooking.

Plan a kitchen party and serve frankfurters in toast shawls! Remove crust and spread 12 slices of bread with mixture of 4 tablespoons mustard and 2 tablespoons horseradish. Place frankfurters cornerwise on sliced bread; wrap; fasten with a toothpick. Brush with melted butter and bake on a cookie sheet at 350° F. for 15 minutes. Top with stuffed olive. Add potato salad, garden onions and radishes for a snack to delight the family and friends.

For a wonderful family platter, cut three tomatoes in half, dot with butter, season and broil 5 minutes in pan set 5-6 inches below heating unit. Silt ten frankfurters lengthwise and fill with mixture of 1 cup mashed potatoes and 1/2 cup grated American Cheese. Place in broiler pan and broil until heated through.

Wardrobe For Career Girls In College Shop

The career girl, this Fall, assembles her dictation-thru-dinner wardrobe in the College shop. Because she has the briefest of lunch hours to shop, the career girl wisely selects the department that displays all the parts in one area. In addition to convenience, the college shop offers her young styles at prices geared to her strict exchequer.

Whether it's taking notes on the Roman forum or a company forum, a smart young girl requires a versatile wardrobe starting a velveteen jumper, how about midnight blue, that trades its striped shirt for crystal earrings and a net apron come evening.

Career girls must be cautioned not to indulge in the pet fads acceptable on campus. Test yourself before you hover too long over any current eye-stopping

item. If you think the office messenger will do a double-take, don't buy it!

As for the sweater-or-not dilemma; it needn't be. Tuck yours beneath your favorite suit jacket for a neat solution. You've got the go-ahead, signals plus a few warnings, now it's all yours.

Coated Franks

Here's one for the youngsters. Place frankfurters on mustard-spread slices of bread, roll, fasten with toothpicks and heat in your broiler until bread is toasted.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

Live Dinners With Tempting And Tasty Main Course Dish

Variety is a good way to spice up your meals. Here are three widely different tasty recipes for you to try.

TAMALE PIE

6 servings
Melt in skillet 1/2 cup butter. Add 2 buttons garlic (chopped very fine), and 1/2 cup chopped onion. Brown lightly. Add 1 pound ground beef, stir until browned. Add 2 teaspoons salt, 1/4 teaspoon pepper, 1 tablespoon chili powder, 1 cup chopped celery and 1 can tomatoes. Let simmer while you cook cornmeal mixture.

Combine in large saucepan 2 cups yellow corn meal with 2 cups cold water. Stir into this 2 cups boiling water, 2 teaspoons salt and 1 teaspoon chili powder. Add 1/4 cup butter or drippings. Cook over low heat, stirring until the mixture thickens.

Stir the meat and tomato mixture into cornmeal. Pour into an 8-inch casserole. Sprinkle with 1/2 cup sliced dark olives and bake at 350° for from 35 to 40 minutes. Serve hot.

VEGETABLE SALAD—PARTY STYLE

About 8-10 servings
Drain the liquid from each of the following canned vegetables: No. 2 can of green asparagus, whole green beans, carrots, French-style beets, No. 1 can ripe olives and 1 small can pimientos. (Save the liquid for use later in soups or sauces.)

Put each vegetable in a separate bowl and marinate with a well-seasoned French dressing. Let them stay in the dressing at least 1 hour.

Wash and dry 1 large bunch watercress. Season 1 pound cottage cheese with 2 tablespoons chopped chives and 2 tablespoons sweet or sour cream. Salt and pepper to taste.

Make a mound of the cottage cheese in the center of a round salad plate. Drain the vegetables from the French dressing and arrange them on the plate. Place alternately: asparagus spears, beets, green beans and carrots around the cheese, so as to form the spoke of a wheel. Fill the spaces between spokes with watercress, and add the ripe olives. Strips of pimiento may be used as decoration.

These Events Were News

25 Years Ago

Burglars broke into the filling station of Fluelling and Lang on Main street, late last week Thursday night or early Friday morning, by prying open one of the windows. The thieves broke off the hinges on the safe and then broke the combination, thus gaining access to the strong box and \$305 in cash.

The Hillmer family held their reunion at Phoenix Park, last Sunday, with about 30 in attendance. A basket picnic dinner was enjoyed at the noon hour. During the afternoon, a photograph of Mrs. Louis Hillmer and 14 grandchildren, ranging in age from one to 14 years, was taken. Mr. and Mrs. Max Hillmer and two children of Anderson, Ind., and Mr. and Mrs. Homer Hubbard and two children of Wayne, were here to attend the reunion.

Local employees of the Pere Marquette R. R. and their families to the number of 250 enjoyed a picnic at the tourist camp, last Saturday afternoon. After the basket dinner, the following program of events took place: 100-yard race for boys or men over 16 years—prize, one slab of bacon, won by Harold Stevens, donated by Howell Meat Market.

Representatives of the Detroit Motor Bus Co. called on the Village Manager yesterday, and outlined their plans for running buses down town. Starting September 1st, the buses will go Plymouth road, Division road and Tireman road to Central, where transfers will be given to the city bus lines, which run every two minutes to the city hall.

The Plymouth Public schools will open on Tuesday, September 8. The new school building has been decorated during the past summer, and it now presents a very pleasing appearance. One of the biggest improvements in the main school building is the installation of 400 full length steel lockers.

Mr. and Mrs. Ben Blunk and daughters, Madeline and Jean, and Mrs. Otto Reamer and

daughter, Shirley, spent Sunday at Long Lake, near Fenton. Vera Bassett, daughter of Floyd Bassett, who resides east of Newburg, had the misfortune to get her right hand caught in a washing machine, Tuesday morning. It required 14 stitches.

The Schaufele family reunion was held at the home of Mr. and Mrs. August Schaufele, last Sunday. There were 56 present.

People living on Plymouth road below Newburg road are happy over the prospect of having electric lights. The poles have been distributed along the highway.

The following relatives from this place attended the Jaynes reunion, held at Bay Crest on Lake Erie, last week Thursday: Mr. and Mrs. Frank Becker and son, Byron, Mr. and Mrs. Voyle Becker and family, Mr. and Mrs. Ford Becker, Mrs. Paul Becker and family, Mr. and Mrs. Manfred Becker and little daughter, Mr. and Mrs. Leroy Jewell and son, Durward, Mr. and Mrs. Ben Blunk and family, Mr. and Mrs. Merle Rorabacher, Mr. and Mrs. Otto Reamer and daughter.

"I REMEMBER" BY THE OLD TIMERS

Retires After 32 Years With Ford

"Not many of the old timers are still around," commented Charles Prom who has moved back to Plymouth after an absence of 46 years. Following his retirement from the Ford Motor company this summer, the Proms moved to 9465 Sheldon road from Detroit.

"Mr. Prom was born on a farm here and his family later moved into town. For the past 32 years he has been employed in the tool stock department of the Ford Rouge plant, and has lived in Detroit.

Expect Dondero To Get High Vote In the Primary

In seeking renomination as Republican candidate for Congress in the 17th Michigan Congressional District, Congressman George A. Dondero comes before his constituents as one whose high abilities long since have been proven, and whose influence as a national legislator has won for his district many direct benefits. Because of the session of congress he has had little time to visit Plymouth and other parts of the district but even though he has had no time to campaign, his vote, at least in this part of the district will probably exceed the high ballot count he has always received in this locality.

Electors of the 17th District by this time know that it was Congressman Dondero who first exposed the notorious Amerasia case, wherein was shown the theft from our government departments of top-secret documents of vital importance to national security during the war.

When the present administration protected these agents in the government and hushed up the charges against them, it was Congressman Dondero who fought on through the years to keep the Amerasia Case alive. He did so at the cost of smears and vilification by the Red-sympathizers in and out of government. Until only recently the whole story of treason within the government was laid before the public.

In the same way, for years Congressman Dondero has fought the efforts of New Deal and Fair Deal Administrations to bring Socialism to America. He has fought in Congress against the covertly socialistic proposals, such as the Brannan Plan, socialized medicine, and many others. Congressman Dondero, in support of the necessity for economy and efficiency in the Federal government, has advocated the recommendations of the Hoover

YOUR brain budget

- 2.—(a) Rome.
- 3.—(b) blasé.
- 4.—(c) Mt. Ararat.
- 5.—(a) Menlo Park.

Commission. At the same time he has fought those reorganization proposals made by President Truman to gain political advantage rather than economy and efficiency.

From the outset of his service, Congressman Dondero has fought wasteful Federal spending and the destruction of our free economy. He regards Socialism as the road toward Communism and government by terror.

In his capacity as ranking Republican on the House Committee on Public Works, and as chairman of that Committee during the Republican 80th Congress, Congressman Dondero has sought to conserve the tax money of the people, while at the same time obtaining for them the greatest possible benefits at the least expense.

With respect to war veterans, Congressman Dondero's attitude is well expressed by his colleague, Congressman James E. Van Zandt, a veteran of World Wars I and II, and a past national commander of the Veterans of Foreign Wars, who said:

"Rep. George A. Dondero is 100 percent for and behind the veteran. He is a champion of the veterans; of Americanism and of Defense programs. He is an outstanding legislator." Congressman Dondero has sup-

ported the laboring man and given fair consideration to legislation affecting him.

The stand taken by Congressman Dondero with regard to the war in Korea is one of uncompromising patriotism. He has voted for all appropriations required to finance the war effort, but has opposed the complete regimentation of the people. He has advocated simultaneously freezing of prices and wages, so that further inflation may be prevented.

Dondero's record is an imposing one. Over the past few years he has obtained annually more than \$30,000,000 in Federal aid for roads in Michigan, a large portion of which goes to Oakland and Wayne counties. Other benefits include housing for veteran students in colleges and universities; Federal aid to local school districts, overcrowded because of defense work; now under construction the Red Run-Clinton river drainage relief in the sum of more than \$1,000,000 which affects every home-owner in Southern Oakland county; a

study for the improvement of Bear creek in the Royal Oak-Hazel Park area; investigation of flood relief needs on the River Rouge affecting Wayne county; obtained passage of the first bill to prevent river pollution as well as other benefits affecting the 17th Michigan District.

The list of legislative measures introduced by Congressman Dondero during the 81st Congress is outstanding. Among which are the bills authorizing the completion of the St. Lawrence Seaway; to outlaw the Communist party and to remove it from the ballot; bills for the relief of individuals and business concerns in the District which contributed to the war effort.

With the renomination and reelection of Congressman Dondero the people of the 17th District will have the continued services of an outstanding and courageous representative and hold their present prominent position in the Congress of the United States.

High winds have been known to reach a world record force of 231 miles an hour around Mount Washington, N. H., according to the National Geographic Society.

Graduates From Air Force School

Pfc. Betty J. Helmer graduated this week from the Air Force Communications school at Scott Air Force Base, Illinois.

Graduated as an Air Force radio mechanic, Pfc. Helmer will perform installation and maintenance of ground and airborne communications equipment, thereby becoming an integral member of the U. S. Air Force.

Pfc. Helmer, 19, daughter of Mr. and Mrs. Glen H. Helmer, 15812 Cadillac road, graduated from Plymouth High school and has been on active duty with the Air Force since August, 1949.

Prior to entering the Scott communications school, Pfc. Helmer completed basic training at Lackland Air Force base, Texas. She is now stationed in New York.

In St. Louis, Mrs. Grace C. Hill, protesting a new reduction in her tenants' rents, mailed area Rent Director Grover C. Vandover the deed to her house and a note: "You are no doubt in better position to operate the property at a profit under your restrictions, so here it is with my blessings."

Fireman Visits Canadian Towns Ruined by Fire

A visit to the two Canadian towns that were almost totally destroyed by fire several months ago was included on the vacation trip of Milan H. Frank, Plymouth volunteer fireman.

"Disasters like this should serve as a reminder to people to be more careful about their homes and places of business and to be on the alert against fires," Frank stated in telling of the fires.

According to Frank, Ramowski, a town with a population of about 12,000, had an area five and a half blocks wide and half a mile long destroyed by flames. The fire started in a five acre lumber mill on the west side of the town. Fanned by a 90 mile an hour wind, it jumped a river and highway into town. A total of 18 fire companies responded to the call for help, some from as far as a 100 miles away. In many instances flames burned the hose off the fire hydrants before the water could be turned off.

Homes, factories, apartments, churches, stores and a large two winged hospital burned down. When the last patient was evacuated from the hospital, three quarters of the building was on fire. A total of 315 buildings were burned. The town's fire department consisted of two firemen and 20 volunteers, three 750 gallon pumps and a 60 foot aerial pump, Frank said.

Several days later a fire, again started at a lumber mill, burned the town of Cabino, 60 miles from Ramowski and much smaller. The fire at Ramowski had left the area without electricity. As the city had an electrically operated water system, firemen could not use the fire hydrants and they had to relay hose from one truck to another until they could reach the lake about five blocks away. By this time half the town was burned. About 60 new buildings have been replaced at this time.

Frank said much of the burned area of the towns is now being built up again.

War Contract Info Available

Michigan manufacturers seeking information on war contracts can get armed forces procurement lists from the local offices of the Michigan Unemployment Compensation commission, Clarence Jetter, manager of the local office announced today.

In certain instances, officials of the MUCC have been able to assist Michigan firms to get contracts which have meant increased business for this state, and more jobs.

These procurement lists are published periodically, and the latest needs of the armed forces are reflected in them. Local manufacturers can also get information on how to bid on these contracts, and if more detailed specifications are needed, they can be secured from the Defense Department.

The natives of Afghanistan use the rind of watermelons for summer hats. They cut the melon in half, scoop out the rind, and then place it on their heads as protection from the sun.

SCHOOL OPENS THURSDAY, SEPT. 7

Teachers report for pre-school Planning Conference Tuesday, September 5th, 9:30 A.M.

REPORT FOR CLASSES
All pupils (Elementary and High School) will report for regular classes Thursday morning at 9:30 o'clock. Buses will run one hour later than regular schedule on this first day.

HIGH SCHOOL PUPILS
Who have not been classified are asked to report at the principal's office before the opening day of school.

HIGH SCHOOL BOOK STORE
Will be open 8:30 A.M. to 11:30 A.M. and 1:00 P.M. to 3:30 P.M. Monday through Friday from August 28th to the opening day of school.

COURSES OF STUDY
College Preparatory—General—Machine Shop—Commercial—Occupational Training—Home Economics.

ELEMENTARY SCHOOLS
A study of the distribution of child population in the Plymouth Township School District indicates the advisability of establishing different boundaries for the three elementary school areas. The following tentative areas will be established for the opening of school this fall.

A. STARKWEATHER SCHOOL AREA
Bounded by Ann Arbor Trail on the South; by the C. & O. R.R. on the West, from it's intersection with A. A. Trail North to it's intersection with Phoenix or 5 Mile Rd.; and by district boundaries on the North and East.

STARKWEATHER-SMITH SCHOOL OPTIONAL AREA
Bounded by Ann Arbor Trail on the North, by the C. & O. Railroad on the West, and by district boundaries on the South and East. (Children in this area will be allocated either to Starkweather or Smith School as is necessary to balance the enrollment loads. Tentative plans call for children in grades 1 & 2 to attend the Smith School.)

B. CENTRAL (BIRD) SCHOOL AREA
Bounded on the South by: Ann Arbor Trail, from its intersection with the C. and O. Railroad to Main street, thence west on Elm avenue to Sheldon road, thence west on Ann Arbor Trail and Powell road to Napier road. By the District Boundary on the west and north and by the C. and O. Railroad on the east.

SMITH-CENTRAL (BIRD) SCHOOL OPTIONAL AREA
Bounded by McClumpha and Beck roads on the East, by the district boundaries on the South and West, and by Powell Rd. on the North. (Children in this area may be allocated to either Smith or Central (Bird) School as is necessary to balance enrollment loads.)

C. SMITH SCHOOL AREA
Bounded by the C. and O. Railroad on the East, on the north by Ann Arbor Trail from its intersection with the C. and O. Railroad west to Main street, thence west on the Elm avenue to Sheldon, thence west on Ann Arbor Trail to McClumpha, on the west by McClumpha road and on the south by Joy road.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Trust the Mercy of the Court

LEO J. SQUILLANTE, Mount Vernon, N. Y., says that he has learned if you are facing a fight, or even a dilemma, you will come out better nine times out of 10 if you throw yourself on the mercy of the other fellow than if you attempt to fight him.

Carnegie

One cold night in December he was caught in a sleet storm about 20 miles from his home, when his car broke down on the highway.

In a few days he was served with a summons to appear in night court to explain why he had left his car on the highway over night.

When he arrived in the courtroom, there were only three people, the judge, the state trooper and himself. It was the procedure in that court for the judge to leave the courtroom while the defendant told his story to the arresting officer.

He started on the story, noting the cold, apparently immovable expression on the officer's face. However, as he said he knew he was guilty so he couldn't plead any other way, that officer relaxed a little.

The judge asked, "What is your plea?" "Guilty," came the reply.

"No, don't do that," said the judge. "Do you know what Nolo Contendere means?"

"Does it mean, 'I don't wish to fight?'" "That's right," said the judge. "In other words, you place yourself at the mercy of the court."

"I plead Nolo Contendere." "Case dismissed," said the judge, who was human and understanding, as are many officers when the case warrants it, but tough if an offender seems to have no respect for the law.

Earth's Shadow to Black Out Moon With Total Eclipse September 25

It was meteors in August but the September feature in the skies will be a total eclipse of the moon.

Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan, reports that the moon is scheduled to be blacked out by the earth's shadow on Monday, September 25, with a portion of the eclipse continuing on into the early hours of September 26.

The moon will start to enter the earth's shadow at 9:32 p.m., Eastern Standard Time, and at 10:54 p.m. will be completely blacked out. This total phase will last for 46 minutes. The moon will not be entirely clear of the earth's shadow until 1:02 a.m., Dr. Losh says.

"The moon will not vanish from sight during the so-called total phase of the eclipse," she points out. "Even when entirely covered by the earth's shadow, the moon will still be illuminated by the Sun. The sunlight filters through the Earth's atmosphere around the base of the shadow and then is deflected and spread out over the surface of the moon. This will give the moon a dull red or copper color throughout the 46 minutes of total eclipse."

Dr. Losh recalls that there was a similar total eclipse of the moon on October 6, 1949 but emphasizes that a total eclipse of the moon does not occur at every full moon because the moon's route through space is usually tilted at such a degree that it passes above or below the shadow of the earth.

It is only on occasions that the moon's route during the full phase is such that it is affected by the shadow of the earth cast by the light of the sun.

The September moon also makes news because it is the Harvest Moon since the sun enters the autumnal equinox at 9:44 a.m., Eastern Standard Time, on September 23 and begins its long journey south of the equator. The full moon at the time of this equinox differs from the others during the year, according to Dr. Losh, since it rises at almost the same hour for several nights in a row.

In Baltimore, Judge Herbert Franklin listened to Paul Upperman's admission that he jumped into the Patapsco river from a 40-ft. bridge to win a \$5 bet, dismissed the disorderly-conduct charge with the comment: "I never had the nerve to do it myself."

Classification Talks Heard by Rotarians

Members of the Plymouth Rotary club Friday heard two classification talks by new members of the club. The program was under the direction of Clifford Tait, who introduced Kenneth Groth of Ken and Ork's and E. E. Scherdt, new manager of the Michigan Bell Telephone office in Plymouth.

Keeping the under surfaces of car fenders clean of mud encrustations is a money saver since the cleaner they are the less chance there is of ruining directoi shrdl there is of rusting.

Anglers Without License Top List

Persons who attempt to fish without a license still topped a conservation law violation list which tapered down from 493 arrests in May to 353 in June.

Besides the 113 without licenses, the conservation department reports, another 112 were arrested for trying to open the general southern Michigan season before June 25 and taking certain species not legal fishing targets upstate until the same date.

Offenders paid \$3,690 in fines and \$2,718 in costs in June and served jail sentences totaling 155 days.

Arrests through the first six months of the year, 1,730 resulting in \$28,475 fines and costs, are down from the 2,396 violations and \$39,144 paid by violators through June last year. Jail sentences amounted to 725 days as compared to 895 days through June, 1949.

In Manhattan, Hyman Krasow appeared on a TV show called "Draw Me a Laugh," was spotted by his daughter in Boston, who told her mother, who re-opened 14-year-old desertion and non-support charges against him.

CHEVROLET CHEVROLET TRUCKS deliver more horsepower at the clutch The world's most popular engine More truckers use Chevrolet than any other make! And one important reason is Valve-in-Head engine design. For 38 years Chevrolet has been the largest producer of world famous Valve-in-Head engines. Blue-Flame combustion Chevrolet's Valve-in-Head design makes possible the smooth, even burning of the fuel—blue-flame combustion. Combustion chambers are scientifically shaped to wring more power from every drop of gasoline. Lower cost per mile! Chevrolet's Valve-in-Head Loadmaster engine with greater horsepower at the clutch offers important advantages to truckers. It means greater efficiency—it means bigger pay loads at lower cost per mile. PLUS—Chevrolet Advance-Design Truck Features! TWO GREAT VALVE-IN-HEAD ENGINES • NEW POWER-JET CARBURETOR • DIAPHRAGM SPRING CLUTCH • SYNCHRO-MESH TRANSMISSIONS • HYPOID REAR AXLES • DOUBLE-ARTICULATED BRAKES • WIDE-BASE WHEELS • ADVANCE-DESIGN STYLING • BALL-TYPE STEERING • UNIT-DESIGN BODIES Ernest J. Allison 331 N. Main PLYMOUTH Phone 87

Roger Babson Says...

Babson Discusses The Oldest Industry Would you like Better Fish for Less Money?

I am again enjoying a vacation in the good city of Gloucester where I was born. This city, built on a rocky island, is America's most famous fishing port. It is also a beautiful, healthy and prosperous city, famed by industries, artists and tourists. I love all of Cape Ann.

The Fish You Eat

Fish is almost the only universally used product of your home which continues to be "hand-made." You are no longer wearing clothes from cloth woven by hand; you are no longer wearing shoes made by hand; all the canned goods used in your home are picked, processed and canned by machinery. Even the milk you drink was taken from the cow by machinery! Your bread is even a better illustration. The ground is plowed, planted, cultivated and the grain harvested by automatic machinery. The grain is then dumped into a mill and comes out the same baked and wrapped loaves you buy. One more thought: Think what you would pay for this newspaper if the newsprint was now made by hand as it was 100 years ago!

In the case of most fish you eat it is very different. After being caught in a net, the fish are assorted by hand; the fish are headed and gutted by hand; fish are taken from the boat and weighed by hand forks; filleted by hand, packed by hand, etc. Some automatic machinery is used in connection with canning; but 90% of the fish you eat are handled in a way which is very expensive. In fact, the only "modern invention" is the use of big oil powered trawlers instead of sailing schooners, but these trawlers probably destroy almost as many fish as they ever get to market.

Huge Waste Selling Fish

One difficulty is that the fish business is being carried on by a large number of inefficient and poorly financed concerns,—no one of which is big or rich enough to operate a modern plant and afford continuous national advertising. If the little fish concerns would combine, using Robert Steel's newly designed vessel hulls, erecting one large automatic filling plant and have one sales force, you would get better fish for less money. As a result, the national consumption of fish would greatly increase; more people would be employed at good wages; and every seaport could be very prosperous. The waste of money

on selling fish today is very great. For instance, I was recently in a western city where five salesmen sold all the bananas eaten; ten salesmen sold all the steel used; while over one hundred salesmen were selling fish! No wonder our seaport fish workers strike for more wages and the local merchants suffer therefrom. The employers so insist, in a childish way, upon their own brands and sending out their own salesmen that it costs more to sell than to catch fish. They truly cannot afford to pay more wages under present conditions. In fact, very few fish concerns have made money in the long-run; while most have ended in bankruptcy. Yet, potentially the industry has great possibilities.

Fish Industry Has Many Advantages

- (1) The ocean is free to all. A farmer must buy land and pay taxes on it; but not so with the fisherman.
- (2) Fish are the only "livestock" which do not need raising and feeding. If you raise cattle, hogs, sheep or chickens they need care and feeding; but not so with fish.
- (3) WHOLE salt water fish are the most perfect and complete food procurable. Someday, on Bromfield's Factory Boats, these will be ground instantly after being caught, and delivered to you chocolate sealed and orange flavored for half what you now pay for fillets but containing double the health building qualities.
- (4) Fish builds up our brains; and it is BRAINS today that make our families good earners. Hence, eat much more salt water fish.
- (5) Due to rains and winds, our soils and their products of grains, vegetables, and livestock are constantly being reduced in food values. Every day the equivalent of 200 forty acre farms, with their vitamins and minerals, are washed down rivers into the sea. Millions of bags of fertilizer and the human waste and garbage from city sewers are likewise washed into the sea. Hence, the ocean products of fish, lobsters and other sea foods are constantly becoming richer, while grain, vegetables, poultry, eggs,

MOSCOW, PLEASE TAKE NOTE

THE STARS

By LYN CONNELLY

ALTHOUGH FANNY BRICE, then a Broadway singing star, was heard on NBC as early as 1927, it was not until September 30, 1936, that she brought her "Baby Snooks" characterization to the air.

"Snooks" then was only part of a variety show, but on November 25, 1937 she became the star of "Good News of 1938." . . . Snooks has been tormenting her radio daddy ever since, with the exception of one season off the air . . . When she returned a year ago, her ratings promptly proved that no one had forgotten radio's most mischievous child during that time.

PLATTER CHATTER

COLUMBIA: The best rendition we have heard of that new favorite, the lilted "Goodnight, Irene," is that of Frank Sinatra, supported by Mitch Miller and his orchestra and chorus. . . . It's terrific. . . . "My Blue Heaven" backs it. . . . Les Brown revives "Easy to Love" effectively and couples it with "I Could Write a Book" . . . Arthur Godfrey and Janette Davis team up again in a cutie, "I'm Bashful," with "I Like That" on the flip. . . . Ken Griffin at the organ plays "Golden Sails" and "Why Did You Break My Heart?" in beautiful fashion and his recording of "Harbor Lights" is tastefully and hauntingly done.

Still on Columbia, Janette Davis and Bill Lawrence pair up on a fine disc—"Have You Ever Been Lonely?" an old favorite that should stir up some play again. . . . Another oldie, the beautiful "Drifting and Dreaming" is given a stirring interpretation by Les Brown. . . . "A Foggy Day" is on the flip. . . . Another Columbia gem is "La Vie En Rose" as rendered by Edith Piaf, a gal with a future.

CAPITOL: Art Morton comes up with a peppy little tune called "Perhaps I Don't, Perhaps I Do," taken from the Italian folk song, "Funiculi, Funicula" . . . Back has "Thinking of You."

PLANNING A FALL WEDDING?

One of the important details which can be taken care of now is **Ordering The CAKE**

At the right is an actual photograph of one of our beautiful, delicious Wedding Cakes.

It has individual tiers which can be lifted and cut one by one . . . with no mess and bother.

Prices range from \$5.00 to \$40.00 and the 4-tier as illustrated is our \$25.00 creation . . .
