What I Think and Have A Right to Say

By ELTON R. EATON

TO THE BOYS AND GIRLS OF PLYMOUTH.

It's not many days before Halloween—the evening when youngsters delight in one of the interesting events of the fall. It is a time when young people find merriment and pleasures that are wisely provided by the elders of the community.

In Plymouth, its school authorities and instructors, its luncheon clubs, churches and business men have for a number of years gone out of their way to provide various ways for the boys and girls to enjoy to the fullest extent the eve of Halloween. They have permitted school children to paint various Halloween pictures on the big display windows of the stores, the paint and brushes being provided the children.

These interesting views have been made under the direction of school art teachers—and many of them have been real works of art.

But last year a lot of thoughtless youngsters marred these temporary paintings almost as soon as they were completed. When the morning after Halloween arrived, the appearances of the business streets of Plymouth were nothing less than a disgrace. It was hard to believe that the boys and girls of a community would commit such depredations. The damage was general—to the shame of the young people of the city.

But let's forget what happened last year!

Let's make this an ideal Halloween, with laughter and fun—but no marking of display windows, automobiles or buildings. The police have put forth a special request asking the boys and girls to cooperate. They were ashamed of what happened last year, so they are not only appealing this year directly to the boys and girls, but to the parents as well. Maybe by a united appeal, our energetic boys and girls can be made to realize that there is more fun in doing things that do not displease people than there is in doing things that cause so much disgust and so much trouble.

Plymouth business men are entitled to different treatment than they have received during the past two or three years. Let's compensate them for what they have done to make this a pleasant Halloween.

GETTING RICH ON THE PRESIDENCY.

When the Harry Truman term as the president of these United States is at an end, historians can truthfully write that he will probably be the ONLY man who ever went into the white house a poor man, and came out with a fortune that can be estimated as between a half million or a near million dollars. He will have gleaned this fortune all within the law, because his political followers in the Congress saw to it that the most of his salary, greatly increased over that of any other president, is TAX FREE.

Factory Jobs Not Easy For Women to Get, Local Inquiry Reveals

While factories in and around Plymouth are hiring all the good men they can get, it has become generally known that, with just a few exceptions, there are not many factory jobs open for women. In fact some factories will not hire women at all.

One employment director, asked for a reason for the refusal of many factories to hire women workers, said the answer was an easy one to give.

"There are exceedingly few factory managers who have any desire to go through the experiences they had during the last world war when women and men were working together. It just seemed impossible to correct such conditions as existed, and we want no more of it," he declared, asking that his name not be mentioned.

Six months ago there were a fairly good number of former factory workers returning to this locality from Kentucky, Tennessee, Arkansas and other southern states, but during recent weeks this migration back to Michigan from the south has practically ended. Possibly a dozen or more come each week, and they find immediate jobs.

Farmers Enraged Over Deeds of Detroit Hunters

Farmers around Plymouth and other sections of western Wayne county are so enraged at so-called "sportsmen" that there has been hints of organizing a hunting club to hunt hunters—with rock salt shot.

In spite of warnings over the years and pleas to hunt carefully and do no damage to property, Detroit hunters during the early days of the present week have been guilty of more depredations than ever before.

Some have deliberately left farm gates open so that stock would run out on the roads.

Others have set their hunting dogs to chasing chickens and ducks. Fences are reported to have been cut.

There has been open defiance of farmer refusal to permit hunting on their lands.

From such sentiment as can be heard there will be no more hunting in Plymouth township or anywhere else in this section of Wayne county by the time another hunting season rolls around. Residents of Plymouth township, who have been most tolerant in past years are now so enraged, that future promises will count for naught from what can be heard.

Township residents are agreed that every one of the misdeeds have been committed by hunters out from Detroit—who seem to think that any one living in the country has nothing to say about the land and buildings he owns.

But farmers say there is another day coming. Surprising as it may seem, they are fearful of having their names used because of the danger of possible retaliation on the part of some of the guilty hunters.

WCS Harvest Home

Dinner October 26
The annual Harvest Home dinner sponsored by the Methodist Women's Society for Christian Service will be held this year on Thursday, October 26.

The turkey dinner will be served at 5:30 p.m. and 6:30 p.m. at the church. Tickets are available from all WCS members.

Paint Store Has Grand Opening

The Pease Paint and Wallpaper company will hold its Grand Opening tomorrow, Friday, in the newly remodeled store at 834 Penniman avenue.

All visitors to the new store tomorrow will be given an opportunity to win one of the many gifts given away during the celebration. No purchase is necessary.

A. G. Pease, owner of the store, has had 23 years of experience in the business. He states that the store will carry a complete line of paints, wallpaper and decorators' supplies. The store features O'Brien paints, Bontex Washable window shades, Flexalum Venetian blinds and White Rose, Warner, Schumacher, Schmitz Horning, Jones and Erwin, E. L. Diamant and Imperial wallpapers.

Free delivery service will be offered as well as a complete guaranteed decorating service. Modern lighting and fixtures and new flooring have been installed in the paint store.

Hunter Shoots Self Accidentally

Gordon Virgin was one of the first casualties of the hunting season which opened last Sunday. He was hunting on the farm of his wife's grandfather, John Hauk, at 6934 Beck road when he accidentally discharged his gun. The shot went through his brain.

He is in critical condition in University hospital where he was operated on Monday. Gordon, 23, was hunting with his wife, the former Maribel Hauk of Plymouth, and friends from Detroit and Inkster. None of his companions knew how the accident occurred.

Republican Women's Club Meets Monday

The Republican Women's club of Plymouth and Plymouth township will meet Monday afternoon, October 23, at 1:30 p.m. in the Veterans' Memorial center. All Republican women in the area are urged to be present.

Plymouth Population to Double in Ten Years

Regional Planning Meeting Held in Plymouth Township Hall Attended by Many

If the present rate of population growth in the cities of Plymouth, Livonia and the townships of Plymouth, Northville and Redford continues during the next ten years and nothing happens to check the industrial development of this specified area, the 1950 population of 58,539 will jump to between 87,000 and 111,000 in 1960.

That means that the census count which gave Plymouth a population of 6,649 in June of this year, will jump to considerably more than 11,000 by 1960.

These carefully worked out estimates of prospective population increases for this section of Wayne county were revealed at a meeting held last Friday evening in Plymouth township hall of city and township officials of the area called to discuss the benefits of cooperative regional planning.

The meeting, arranged by Supervisor Charles Rathbun of Plymouth township was attended not only by city and township officials of Plymouth, Northville, Livonia, Redford and Canton, but high up officials of the Regional Planning commission of the Detroit Metropolitan area were present to conduct the discussions.

T. Ledyard Blakeman, executive director, presided at the session and outlined most carefully the advantages of cooperative efforts in proper planning for future development.

Other speakers were William F. Edmonson, of Pontiac, assistant director; Paul M. Reid, planning analyst and Robert D. Carpenter, engineering planner.

It was Mr. Reid, who worked out and presented the data which so clearly revealed the tremendous population growth that is taking place in the Plymouth area.

"This area is one of the three of four regions that show greatest promise of rapid development. People are coming here not alone because of industrial advantages you possess," said Mr. Reid.

His figures backing up the apparent conservative estimate he made of what can be expected in the future, covered a period beginning with 1920.

Optimists Hear Judge Perlongo

The Plymouth Optimist club listened to an interesting discussion last Monday evening by Judge Nandino Perlongo, of Municipal court. Judge Perlongo brought forth a wealth of information, much of which is not generally known, concerning the Braille System and various aids to blind persons.

Judge Perlongo gave the Optimists an idea of the surprisingly large volume of printed and pictorial matter that is available for the use and education of blind persons. He pointed out that the sense of hearing is equally as important as touch in the everyday life of a blind person. The meeting was thrown open to a question and answer session which brought out some interesting sidelights.

The Optimist club announces the acceptance this week of three new members: Jim Hopkins of Detroit; Ronald Cobb of Community Pharmacy and Sam Stephens of the Plymouth Mail.

Show Halloween Prizes

Prizes to be offered in the Halloween costume parade will be on display next week in the lobby of the Plymouth United Savings bank. All have been donated by local merchants. The Chamber of Commerce is sponsoring the Halloween festivities.

Those interested in doing window decorations in Plymouth stores should contact Mrs. Frances Overton, art teacher at Plymouth High school, who is in charge of window displays.

The population of this three-township, city and village area in 1929 was only 12,597. It jumped to 18,199 in 1930, to 29,337 in 1940 and to 52,539 in 1950.

From the 99 percent gain revealed in the last ten years it is readily seen that his estimate for the years of 1960 and 1970 can be nearly accurate.

Mr. Reid fixed the minimum population for 1960 at 87,000, but suggested that it might go as high as 111,000.

For the year 1970, unless some sort of a calamity happens, he estimated the lowest possible population figure at 126,000, with a high of 166,000 possible.

From these apparently conservative and soundly based estimates, it was pointed out by Mr. Blakeman, the executive director, that cooperative planning on the part of public officials of this area is most advisable.

Mr. Blakeman made it clear that the officials of the Regional Planning commission, created some three or four years ago by legislative enactment, were not present at any meeting to try and tell city and township officials what to do, but that they were anxious to give what aid and advice they could.

It was suggested that each township and community select some one person to serve as a representative of that locality with the Regional Commission. While no action was taken on the suggestion it was apparent from expressions offered that township and city officials are fully alert as to the desirability of not only cooperative efforts with the regional board, but that the problems facing this area pertaining to public services and requirements are of exceptional importance because of the tremendous population growth.

Selle's Observe 18th Anniversary

The Selle Body shop on Ann Arbor road completes 18 years of service in Plymouth this week, owner Jack Selle announced.

In conjunction with his 18th anniversary, Mr. Selle announces the opening of the infra-red paint oven and glass replacement shop, an important step towards providing the finest, most modern equipment available today in this field. These facilities will enable customers to get 24 hour glass replacement service on all sizes and shapes of glass for all makes of cars, and a factory-finished baked enamel paint job, any color or for any make car. The shop will continue the regular frame straightening and wheel alignment work. Wrecker service at no cost will also be continued.

The business was started in 1932 by Mr. Selle's father, John Selle, Sr. in the building now occupied by Great Lakes Plastic, Incorporated on Wing street. Mr. Selle, Sr. retired from active management of the business in 1945. The firm has been in its present location on Ann Arbor road for four years. Since its beginning, the business has grown steadily and now employs ten fulltime men in auto collision and related work. Mr. Selle wishes to express his sincere appreciation to his friends and customers for their patronage over the years.

Juvenile Council Speaks at BPW

The Advisory Council on Juvenile Affairs, recently appointed by Mayor Cass S. Hough to work with Lee Sackett, will be on hand next Monday, October 23, at the meeting of the Business and Professional Women's club of Plymouth.

Telling of the council's work will be Miss Neva Lovewell, Mrs. Gladys Tillotson and Wendell Lent. The three work with Mr. Sackett, lieutenant detective in charge of juveniles, on cases reported to the police department involving juveniles.

The dinner meeting will be held at St. John's Episcopal church at 6:30 p.m. Mrs. Charlotte Vary is in charge of the evening's program.

Willis Hunting, Wayne county director of the Christian Rural Overseas Program, will be interviewed Sunday morning at 8:30 over Station WJR. On the "Religion in Action" program he will be interviewed by Mrs. Eleanor Schwartz on activities of CROP.

Plan Program for National Education Week....

Preliminary plans for National Education Week to be observed November 5 to 11 were made this week by City Manager Albert Glassford, left, the Rev. Alexander Miller, secretary of ministerial association, and Mrs. Nancy Tanger, principal of Central Grade school. They represent the churches, schools and the city in planning city-wide observance of education week.

Feature Soprano Soloist Sunday at 1st Concert

With Soprano Shoshana Freedman as soloist, the Plymouth Symphony orchestra will present the first concert of the 1950-51 season this Sunday, October 22, at 4 p.m. in the high school auditorium.

During the concert intermission, Frank Henderson, vice president of the society, will formally present the new Symphony society scholarship to Miss Dorothy Zander. Miss Zander, a June graduate of Plymouth High school, is now attending the conservatory of music at Michigan Normal college on the scholarship.

Another Symphony society scholarship winner, Miss Doris Wecker, is now attending the school of music at the University of Michigan. The scholarships will continue as long as the students maintain a "B" average.

The program for Sunday's concert includes "Prometheus" Overture by Beethoven, "Ma Mere L'Ove Suite" by Ravel, "Cavatine" Aria from Queen of Sheba by Gounod, and Symphony No. 2 in C Major by Schumann.

Shoshana Brooke Freedman, guest soloist, is a graduate of both the piano and opera departments, of the Eastman School of Music. She has toured the United States and Canada doing radio and concert performances. During World War II, she sang leading roles in the Grand Opera company sponsored by the United States Air Corps—the only one of its kind in existence under government sponsorship. Mrs. Freedman is the wife of the leader of the second violin section in the Plymouth Symphony, Ralph Freedman.

Johnson Heads JC Committee

Don Johnson was appointed chairman of the reorganization committee of the Junior Chamber of Commerce at the meeting October 11.

Members of his committee are Doug Miller, Bill Neimhaus and John Gaffield. The committee will seek to increase membership in the Jaycees. Mr. Johnson states that all young men interested in the betterment of the community should be a member of the Junior Chamber of Commerce.

Preparations for November and December meetings are also underway with tentative plans for Professor Paul Bagwell of the department of English of Michigan State college to address the group.

Hold Republican Rally Here on November 2

Senator Homer Ferguson and Congressman George A. Dondero will be the principal speakers when the 17th Congressional District Republican club holds a rally for all of western Wayne county on November 2 at the Plymouth High school auditorium.

All candidates on the Republican slate for the coming election November 7 will be on hand for the rally. The public is invited to attend.

Rotarians Hear Korean Tell of Country's Plight

"There are two good reasons why I know that the people of North Korea do not want Communistic rule: The first reason is that I know personally that more than 9,000,000 northern Koreans left their country at the risk of their lives to move into south Korea. I did not hear of one south Korean who had crossed the border to go into north Korea.

"I know, too, that the Christian influence among the people of north Korea is so great that they will never throw away their Bibles to adopt Marxism. I was born and brought up in North Korea and I was back in my native country last May, just a few weeks before Russia decided to invade southern Korea."

That is what a highly educated, former resident of Korea, Harry Whang, now of Detroit, told an overflow meeting of Rotarians last Friday night. Because of the events in the Far East, his talk was one of the most timely heard in some time by the club. He was invited to address the club by William Wood.

Korea, like so many other places in the world, is a victim of state department bungling. In Korea's case its troubles began under a Roosevelt. In this case it happened to be Teddy Roosevelt who sent his then secretary of state William Taft, to Korea and Japan to negotiate a secret treaty. Not until years later was it revealed that Teddy Roosevelt had sold Korea out to Japan in order to keep Russia and China out of the Philippines.

Then came along another Roosevelt who sold Korea down the river in order to please Joe Stalin, the deal dividing the country at the 38th parallel.

It was by this deal that Russia got what it had been wanting to get for years, some ports on the Pacific ocean in order to blast America when it deemed, the time right.

"This division of Korea at the 38th parallel was not a hap-hazard act," said Mr. Whang.

"It was something that Russia had long desired. Japan once fought a war with Russia and won it on this point," he added. "Korea looks to America as its friend and liberator. By your victories we now can see a new ray of hope for our country. Your Christian influence has left a lasting impression upon our people. What your church missions have done can never be fully appreciated. There is one thing sure, our people will not give up their Bibles for Marxism teachings. I was educated in a mission school established in our country by the Presbyterian church. This religious influence will never die," he declared.

Later asked if he thought that the bombing being done by the American navy and the damage being done by invading American troops would change the sentiment of North Koreans, he said it would in no way change the feeling of the north Koreans towards America. They know it is necessary in order to win the country back from the Russians.

A 42 inch northern pike was the catch of Gordon Moe last week when he and Herman Bakhaus went fishing in Canada.

Response Fair For Aid Drive

On its opening day the Plymouth Community Fund drive received a fair response to its appeal for contributions. Contributors met Tuesday at the Veterans Memorial center to receive instructions on the designated areas they are to cover.

The drive will conclude October 26 with a luncheon for all workers. The luncheon will be held at the center at 1 p.m. By that date all solicitation and call-backs must be made.

Robert Stewart, drive chairman, asks that all employees of local industries who reside in Plymouth mark on their contribution card, that their donation be credited to this city. This will help the city in reaching the 100 percent mark for residential contributions.

Plymouth's goal this year is \$12,000. It is hoped that Plymouthites will cooperate this year as they have in the past in making the drive a success. Residents are reminded that contributions not only aid seven local agencies but also benefit the agencies sponsored by the United Foundations in connection with the Torch Drive.

Beyer Pharmacy Is Redecorated

Beyer Pharmacy on Liberty street has the "new look" this week, in time for the special Rexall sale. The redecorating job on the store was completed Monday. Robert Beyer invites patrons to view the newly decorated store during the sale which begins today and ends October 23.

The old front window display stands have been removed to allow full, clear view of the interior of the store from the outside. All walls and wall fixtures have been retinished in beige.

Dale McIntyre of WJR Will Be Kiwanis Speaker

Dale McIntyre of Radio Station WJR will be the guest speaker at the October 24 meeting of the Plymouth Kiwanis club.

McIntyre is on the Know Your America program over WJR and is also special events man for the station. Duane Parkes is program chairman for the evening and obtained Mr. McIntyre as speaker.

Steal 500 Copies of Salvation Army Books

Two boxes of the Christmas publication of the Salvation Army War Cries were taken from the front porch of the Salvation Army hall last Friday. The boxes contained 500 copies of the publication. They are of no value to anyone but the Army. Captain William Roberts said they had cost the Plymouth Salvation Army \$75.

New Plant to Employ 550 People

Building plans are underway for the new Plymouth plant of the Barnes-Gibson-Raymond division of the Associated Spring corporation which will be constructed on Plymouth road just east of Whitman-Barnes.

The spring manufacturers will be housed in a one-story structure approximately 160,000 square feet, with long accommodations for further expansion should production demand.

In announcing building plans, L. E. Hills, factory manager of the division, added, "The Associated Spring corporation has always endeavored to obtain their management personnel from the rank and file of employees. This we feel is one of the good reasons for people to establish themselves with this firm; to grow and progress with the growth of industry, so that when opportunities arise it is possible to find capable talent that has been constructively aggressive and noticeably outstanding in service and effort."

The division of the corporation has been located in Detroit but the business has grown to a point where it is no longer economical to produce in the type of building now used, nor in the present area. All manufacturing will be discontinued at the Detroit plant and moved completely to the new Plymouth plant.

The corporation manufactures springs of all descriptions except leaf springs, carriage springs and upholstery springs.

The Detroit plant was started in 1922 under the general management of L. D. Adams. At that time a foundry building, approximately 100x200 feet was purchased at 6400 Miller avenue. With the growth of the automotive industry and the great demand for mechanical and precision springs, a three story building, approximately 60x200 feet was built at the same location.

In 1929, the Cook Spring company of Ann Arbor was purchased by Barnes-Gibson-Raymond, Detroit plant, and this division is now known as the Barnes-Gibson-Raymond division of the Associated Spring corporation, and Cook plant, Ann Arbor.

During World War II, the division became an entirely defense manufacturing plant, making aircraft, valve and other mechanical and precision springs for the air corps, the army and the navy.

In November, 1947, L. D. Adams had been general manager for 25 years, and retired on the 25th anniversary of the plant, and was replaced by N. M. Purple, who is now general manager of both the Detroit plant and the Ann Arbor plant.

At the Detroit plant, approximately 500 people are employed, but at the present time it has about 550. The Ann Arbor plant employs approximately 60.

The entire output of both plants is mechanical and precision springs, both flat and spiral material. The greater portion of the flat material comes from the mill, the Wallace Barnes company, division of Associated Spring corporation, at Bristol, Connecticut, where there is also a spring division.

DAR Donates School Flags

Flags for the classrooms, auditorium and flagpole of the Nellie Bird Elementary school now under construction will be donated to the school by the Sarah Ann Cochran chapter of the Daughters of the American Revolution, it was decided at last Monday's meeting of the chapter.

Preliminary plans were also made at the meeting for the annual essay contest on the American flag which is sponsored by the local chapter of D.A.R. The contest will be open to all schools of Plymouth, Northville and Livonia. Further information on the contest and the awards to be made will be announced later.

Other business conducted at the meeting included reports on mountain schools presented by Mrs. Ernest Shave and Mrs. Ralph Taylor. Mrs. Maud Cooper read the report on American Indians prepared by Mrs. Burton Johnson.

Mildred Smith is the new worthy matron of the Plymouth chapter No. 115, Order of the Eastern Star, following the 57th installation held at the Masonic Temple Tuesday night.

Manley Smith is the new worthy patron, with Lucille Smith as associate matron and Loren Goodale, associate patron. Arnold Williams, Jr., P.P., presided at the meeting. Erma Hughes, Jr., P. M., extended the address

of welcome and the Rev. G. MaDonald Jones of the Newburg Methodist church, gave the invocation.

Pearl B. Chubb, Worthy Grand Matron of the Grand Chapter of Michigan was the installing officer. Installing chaplain was Myrtle Brown, installing organist was Lillian Hartmann and Frances Kellogg accompanied by Mabel Bowers, installing soloist. Other new officers installed in-

clude Clara Todd, secretary; Clara Taylor, treasurer; Gertrude Thorpe, conductress; Carolyn Goodale, associate conductress; Bessie Evans, chaplain; Doris Lietz, marshal; Erma Hughes, organist; Jean Agosta, Adah; Elsa Gerts, Ruth; Marion Failing, Esther; Hazel Grimm, Martha; Helen Ingram, Electa; Mary Batten, warder; William Smith, sentinel; Clara Mumby, assisting marshal; Harriet Taylor, assisting warder.

The flag bearers are Avis Zander, American; Patsy Wickens, Christian, and Doris Rose, of the Eastern Star. The drill leader will be Alice Rathbun and Sally Dent and Burril Bohm are vocalists.

The Rev. Jones pronounced the benediction which closed the installation ceremonies. A reception was then held in the dining room.

Mark National Auto Dealer Week Oct. 22-28

During the coming week, October 22 to 28, local automobile dealers will observe National Automobile Dealer Week. Local dealers invite friends and customers to visit their showrooms at this time to view late models of autos.

One of the main objectives of the event is to make residents throughout the trade better acquainted with their retail automobile dealers and the services they provide.

Mrs. A. M. Wileton accompanied by her sister, Mrs. Joe Buscaino of South Lyon spent Tuesday in Brighton as luncheon guests of Mrs. Mildred Malby and were afternoon visitors of an aunt, Mrs. Frank Graves.

Phyllis Makepeace Becomes Bride of George A. Maddox

The First Presbyterian church was the scene last Saturday evening, October 14, of the wedding of Phyllis Claire Makepeace to George A. Maddox. Phyllis is the daughter of Mr. and Mrs. Merle Edward Makepeace of Fairground avenue. Mrs. Merian Maddox of York street is the mother of the bridegroom.

Dr. Henry Walsh officiated at the seven o'clock rite before an altar adorned by beauty vases of white gladioli and mums. During the candlelight ceremony Organist Fred C. Nelson played "Because." "Always" and the traditional "Wedding March."

The bride who was given in marriage by her father was gowned in white lace over white satin, ballerina length with a long veil of illusion. She carried

Mrs. George A. Maddox

an arm bouquet of gardenias and white baby mums.

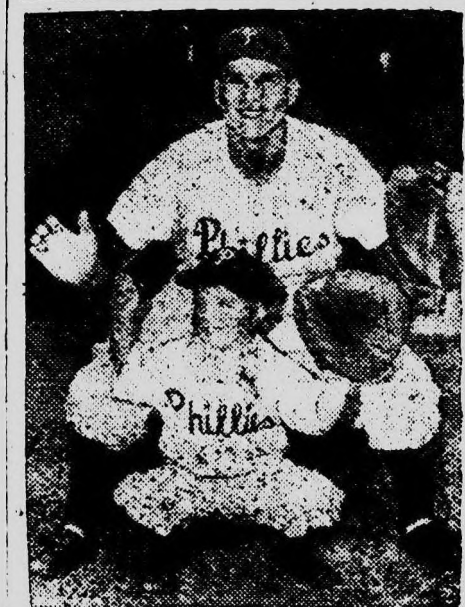

A sister of the bride, Mrs. Ray Lawrence acted as matron of honor. Her gown was of pale blue net ballerina length complemented by a bouquet of pale pink and white baby mums.

For his best man, George asked Delbert Slater and the ushers were Ray Lawrence and Gilbert Wasalaski.

Mrs. Makepeace selected a street length dress of taupe crepe and a corsage of yellow tea roses for her daughter's wedding while Mrs. Maddox was gowned in grey crepe with a corsage of pink tea roses.

A reception for 40 guests from Dearborn, Sault Ste. Marie and Plymouth, Michigan, and from Beaver Falls and Baden, Pennsylvania was held in the Jewell-Blaiche hall.

Both young people are graduates of Plymouth High school and the bridegroom is a graduate of the Detroit Time Study school and is now employed with Kaiser-Frazer. They will make their future home at 45410 West Ann Arbor trail.

PTA Gives Panel on Education

A panel discussion on "Education—a Community Investment" will be conducted at the meeting of the Central Grade school PTA on October 24. Parents are urged to attend, offering questions and suggestions.

Supt. of Schools Helmer Nelson will explain the curriculum. Kenneth Hulsing, school board treasurer, will comment on the physical set-up, and Mrs. John Bloxson, will speak on teacher tasks.

Jack Taylor will give a talk on the topic, "The PTA Can Bring Home and School Together." Two sixth graders will also take part in the program. Margaret Eaves and Jack Taylor will speak on "What Education Means to Me."

The newly appointed room mothers will serve as hostesses. Bernard Curtis, chairman of the program committee, has announced that the year's programs have been planned, based on the theme of the PTA—closer, relations between home and school.

BIRTHS

Mr. and Mrs. Elmer Shoemaker announce the birth of a son, Thomas Elmer, Jr., Tuesday, October 17, in Garden City Maternity hospital. The baby weighed 7 pounds, 4 ounces. Mrs. Shoemaker is the former Doris Dawson.

The Bureau of Engraving is going on a six-day week to replenish the supply of one-dollar bills. It seems the old ones are wearing out faster than a baby sitter's patience. This is because the greenbacks don't stay in one pocketbook long enough. They're as active as a twitch. We hold them just long enough to say "Goodbye." As a result they're soon as limp as wilted lettuce. In the old days when a fellow had a dollar he expected to keep it long enough to become familiar with it. Those were the days when a dollar was real money. How about putting a little elastic in the new ones?

Stop in and enjoy our home cooked lunches prepared by our new fountain manager, Hazel Hinkson. They are nutritious and delicious. Stop in and let your taster tell you.

ABOVE THE HULLABALOO

LOOK YOUNGER, DIE YOUNGER," a condensation from the book by Dr. Forcups Shakeswell, dedicated to those who should live so long and abridged for all the fine young men whose time is running out in the condemned row at state's prison.

The secret of agelessness lies in eating intelligently and in not getting hanged so soon. The ideal diet for long life, nutritionists say, is plenty of protein (milk—especially yogurt—eggs, lean meat, fish, cheese), plenty of green and yellow vegetables and fruit, and all the iron that can be crammed into your diet (fresh crisp hacksaw blades).

Doctors and dietitians have prescribed various eating programs designed to prolong life in the outside world. No one ever prescribes a protracted eating regimen for the man about to be hanged. All he hears is his "last meal," and nothing is more discouraging.

One authority says that to add to your life, get acquainted with these five wonder foods: powdered milk, brewers' yeast, yogurt, wheat germ, and blackstrap molasses. While they won't make you strong enough to bend the bars, we say, steady request for these items will convince the state you're insane and bring about commutation of your death sentence. They are sold at your nearest health-food store. If your cell block doesn't have one, consult the warden.

These are the foods on which you are less likely to over indulge. They help cut down overweight. Of all the causes that help destroy good looks and shorten life, overweight comes first, health authorities say. Every man who has been hanged knows that his weight is what destroyed him—the more the pounds, the tauter the rope and the tighter the noose. The ampler the waistline, the more pinched the neckline and the shorter the lifeline, so to speak.

The more I study men in condemned rows across the nation, the more I am convinced that only planned nutrition can prevent premature aging. A 50-year diet program for each man would work wonders.

Mail Service Packages Early

If you intend to mail packages to boys in the service who are stationed outside the continental limits of the United States, you should start giving it some thought. According to Postmaster George Timpona, Christmas packages should be mailed between October 15 and November 15 to insure their arrival by Christmas.

Postal authorities also suggest having gifts placed in metal containers or in wooden boxes. During the last war many never reached their destination due to faulty wrapping.

Hold Services For Fred Rocker

Funeral services were held on Monday, October 16 at 2 p.m. from the Schrader Funeral home for Fred John Rocker who passed away Friday morning, October 13, at the age of 81 years. Mr. Rocker lived at 11835 Morgan street in Robinson subdivision and has been a resident of this community for the past 75 years. He was a member of the First Presbyterian church of Plymouth.

Mr. Rocker is survived by his widow, Mrs. Lena Rocker; his daughter, Mrs. Wilhelmine Shirley and his son, Claude Rocker, both of Plymouth; two sisters, Mrs. Anna Ferrand of Plymouth and Mrs. Louise Beilby of Brighton, and his brother, Julius Miller of Dearborn; also surviving are six grandchildren and other relatives.

The Rev. Henry J. Walch, D.D. officiated. Hymns were rendered by Austin Whipple. The active pallbearers were LeRoy Jewell, Frank Everett, Howard Holmes, Walter Postiff, Willard DePew and Glenn Penney. Interment was in Riverside cemetery.

Social items can be phoned to 1755.

Rites Friday For Mrs. Ford Brooks

Funeral services will be held tomorrow, Friday, at 2 p.m. for Mrs. Lucille Brooks who passed away in Plymouth hospital on Tuesday morning. A former Plymouth lawyer, Mrs. Brooks practiced law here from 1927 to 1937 with her husband, Ford Brooks. The law firm, known as Brooks and Colquitt, had offices in the Schrader building on Main street.

Mrs. Brooks was born in Detroit in 1901. She received her law degree from the Detroit College of Law in 1925. She and Mr. Brooks were married January 1, 1935. Mrs. Brooks was active in the Plymouth chapter of the Eastern Star.

Surviving Mrs. Brooks are her husband, who lives at 32701 Myrna road in Livonia, and her mother, Mrs. Minnie Colquitt of Centerline.

The Rev. Henry Walch will officiate at the services which will be held at the Schrader funeral home.

PLATTER CHATTER
MERCURY:—Patti Page's latest is a socko arrangement of "All My Love" with "Roses Remind Me of You" on the flip . . . Frankie Laine keeps riding the crest these days with a revival of that hit of yesterday that is likely to be big again, "Music, Maestro, Please" . . . "Dream a Little Dream of Me" backs it . . . "Golden Sails on a Sea of Blue" is beautifully done by Harry Geller . . . The coupling is "Monkey Coachman" . . . Two more revivals are given a gloss by Ralph Marterie in his instrumental arrangements of "My Silent Love" backed by "Say It Isn't So."
COLUMBIA:—Pert Tont Arden does a fine job on "Only a Moment Ago" and "Can't We Talk It Over?" A new singer, Guy Mitchell, with the excellent support of Percy Faith's orchestra, comes up with a good disc in "You're Not in My Arms Tonight" backed by "Angels Cry" . . . "Just Say I Love Her" is given a nice once-over by Tony Bennett.
 Other good Columbia singles are Les Brown's "Drifting and Dreaming" with "A Foggy Day" on the flip and Eddy Howard's nifty crooning "Do I Worry?"

President Lauds Business Women

President Harry S. Truman in a letter of praise and encouragement for National Business Women's Week sent to the National Federation of Business and Professional Women's Clubs, Inc., on their 23rd anniversary of this occasion, commended the members for their theme "Measure Up For Full Partnership." The announcement was made by Mrs. Theron Pauline, president of the local Business and Professional Women's club.

"I knew that the members of the National Federation of Business and Professional Women's clubs wish to be judged on the basis of competence in doing their jobs," his message states. "They do not wish to be the objects of adverse discrimination nor the subjects of special favoritism because of their sex."

"I am happy to give encouragement to the theme, 'Measure Up For Full Partnership,' which you have chosen for National Business Women's Week. I believe that the steps which lead to success on the job are basically the same for both men and women. The most successful men and women I know have set their goals high and have worked hard toward them. Successful people know that creative imagination as well as technical ability is necessary to adequate preparation for real partnership in the world's work."

Passage - Gayde Auxiliary

Veterans at Maybury sanatorium are asking for playing cards. The Passage-Gayde Auxiliary is sponsoring a drive to collect cards for these veterans and asks that new or nearly new decks be put in boxes which will be placed in Herald's Cleaners and the Sackett and Gladstone service station. They will be greatly appreciated.

The new officers of the Passage-Gayde auxiliary were installed jointly with the Myron Beals unit on October 14. Jan Campbell is serving her second year as president of the unit. Other officers installed were Virginia Fann, first vice president; Phyllis Hewer, second vice president; Ada Langmaid, secretary; Helen Poczik, treasurer; Joyce Dobbin, historian; Dorothy Knapp, chaplain, and Maxine Kunz, sergeant at arms.

Members of the unit attended the installation of the 17th district officers of the American

Legion and Auxiliaries on September 1 at Farmington. President of the Passage-Gayde unit, Jan Campbell, was installed as an executive officer.

At the October meeting of the 17th district of the American Legion auxiliaries, the Passage-Gayde unit was presented with the President's citation for membership. The meeting was attended by Minnie Kunz and Ada Langmaid.

Ladywood High School Dedicated

Over 300 guests were present Sunday for the dedication ceremonies of the new Ladywood High school, Catholic school for girls, on Newburg road. The school, on the grounds of Madonna college, was opened in September by the Felician Sisters.

Mayor Jesse Ziegler of Livonia crowned Barbara McLellan the Queen of Ladywood during the ceremonies. She will reign over all social activities at the school during the coming year.

Among the guests attending dedication and reception which followed were Mayor and Mrs. Ziegler, members of the Livonia city council and their wives, Harry O. Johnson, superintendent of Livonia schools; Cecil Alford, principal of Bentley High school; George Bentley, president of the Livonia Board of Education; the Rev. William P. Mooney of Our Lady of Good Counsel church; the Rev. Vincent Beahan of Farmington; the Rev. Edward Behrendt of Detroit; the Paul Zelaff, chaplain of the Felician Sisters, and Dominican Sisters of Farmington and St. Joseph Sisters of Plymouth.

Clothing specialists at Michigan State college believe that the habit of showing individuality and taking a little time with personal appearance is one that a woman should hold fast to even if she does have a family and home to occupy nearly all her time.

REV. ROBERT H. HARPER

Using the Bible
Lesson for October 15: Psalms 19:
7-11; Acts 8: 26-35
Memory Selection: Psalms 119: 11

THE BIBLE has one grand peculiarity that distinguishes it from all other books—it is a revelation of God to men. In the 19th Psalm we find a comparison between natural law and spiritual law. The will of God preserves a uniformity throughout the universe. So does the law of God for the soul seeks man's highest good. Thus the Bible not only reveals God's will to men; it also shows that through obedience to that will man can attain unto the highest life.

The Bible is mighty in evangelizing men. Philip the deacon brought a great awakening to the people of Samaria by preaching of the things that would be by and by included in the Bible as the New Testament. Afterward, on the way to Gaza, Philip brought the Ethiopian eunuch to faith in Christ by his interpretation of a passage from Isaiah.

The Bible is a great testimony to Christ. Matthew evidently wrote chiefly for Jewish readers. He desired to show them that Jesus came in fulfillment of prophecy. Many things in the life and ministry of Jesus he connected with the predictions of the prophets. Thus does Matthew prove that Jesus came as the long-promised Messiah.

So may we read the great Book as our guide to daily living and the record of God's gift to men in Christ. Jesus invited men, as they thought in the Scriptures to find eternal life.

The Golden Text (James 1:12) is: "Blessed is the man that endureth temptation; for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." Among the Bible citations is this passage, (Ps. 23:4): "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 290): "The sin and error which possess us at the instant of death do not cease at that moment, but endure until the death of these errors. To be wholly spiritual, man must be sinless, and he becomes thus only when he reaches perfection."

Want a long run for your money?

Better Buy Buick!

YOU want a new car to be tops in things like style and room and comfort and power—and a thrill-packed fifteen minutes with the nimble number pictured here will show you it has all these things in abundant measure.

So you ask us—how about money? What does it cost to buy a Buick—and to own one? All right—let us ask you some questions.

Take first cost. Do you know that Buick prices start down at a level below what you'd pay for some sixes—and that every Buick, on a cents-per-pound basis, is a stand-out buy?

Take operating cost. Do you know that the bang you'll get from Buick's Fireball power comes from a valve-in-head engine—recognized by engineers as a thrifty saver of fuel?

Do you know that owners of 1950 Buicks are writing us rave letters, saying that this year's version is the most economical Buick ever built?

Do you know that such comfort features as coil springs on all four wheels protect the car as well as the passengers—and throw in an extra saving because they need no servicing, and are practically breakproof to boot?

Do you know that Dynaflo®—in addition to keeping you fresh as a daisy on a day-long drive—caps its convenience with savings on tires, cuts down the strain on transmissions and engines—and eliminates all friction clutch repairs, because it hasn't any?

Take final cost. Do you know that when the owner of a Buick gets a yen for a later model, the prices that Buicks command on a used-car lot are the ultimate proof of their long-run value?

So if you want a real run for your money, better buy Buick. And the first step is very simple: Go see your Buick dealer—soon—and get an order signed.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

* Dynaflo Drive is standard on ROADMASTER, optional at extra cost on SUKIN and SPECIAL models.

These days you can't tell from the price tag how much quality a car holds. Ford, for example, is still priced with the lowest... yet in other respects it's in the fine car class. Take its styling, for example; for two years in a row Ford has been the recognized fashion leader.

Like America's finest cars Ford offers you a V-8 engine. No other low-priced car does. Nor does any other car at any price offer you a choice of V-8 or Six engines. And remember, Ford's V-8 costs hundreds less than most sixes—Ford's Six costs even less.

Rocks Down Redford Union 12-7

Hold Tie for Second Place in Suburban B League

The Plymouth Rock football squad played a very fine game Friday as they downed Redford Union Panthers 12-7 and continued to stay in second place. The Rocks played faultless ball in the first half as they scored two touchdowns and held Redford Union scoreless and only one first down. Plymouth's line, sparked by Charlie Stark, Gary Sockow, Bob Gow, Jack Robinson, Dick Cramb and Keeney, in fact the whole line, played heads up ball throughout the game. Many were the times that they broke through the Redford Union line to smear the runner for losses. Fairbanks of Redford Union, a potential all league star, was stopped as he was barely able to get past the line of scrimmage in the first half. However, he was still Redford Union's

main threat. Coach Ponto started Charlie Stark and Dick Cramb at ends, Gary Sockow and Keeney at guards, Bob Gow at center, and George Hunter, Phil Jacobus, Dave Travis and Ron Davis in the backfield. Plymouth received the kickoff and Ron Davis raced the ball back to the 40. Plymouth was held for two plays and on the third down Hunter made a quick kick to the Redford Union 39 where the runner was smeared. On Redford Union's first play the Rock line busted through for a two yard loss. The Rock line continued to hold and Redford Union kicked to the 27. Plymouth then picked up a first down on a quarterback sneak for the final yard. Ron Davis then picked up another first down for the Rocks as he plowed to the 50 yard line behind some good blocking. Plymouth was then handed the first of many 15 yard penalties and Hunter was forced to kick down to the Redford Union 30. On Redford Union's first play Jacobus and Sockow teamed up to throw Redford Union for no gain on a very beautiful tackle. This seemed to inspire Travis as he came through on the next play to make a neat tackle to still hold Redford Union to no gain. On an end run by Redford Union Charlie Stark refused to be blocked and got the ball carrier after he had picked up a yard.

Redford Union then kicked to the Rocks 40. The Rocks were handed a 5 yard penalty but Ron Davis got it back as he picked up 12 yards. George Hunter then made it a first down as he got 5 yards on a quarterback sneak. Davis then ran 11 yards for another first down with the ball on the Redford Union 13 yard line. After two plays Hunter picked up another first down with inches left for the touchdown. Ron Davis then plowed over for the touchdown. Bob Gow went back for the conversion but the ball sailed a little bit wide of the goal post.

Gow then made a beautiful kickoff with the ball going to the 10 yard line. Redford Union came back to the 35 before being stopped. On the second play Redford Union fumbled and Dick Cramb, playing a bang up ball game at end, came rushing through and scooped up the ball and ran for a touchdown. Bob Gow's kick was again a little wide making the score 12-0.

On Gow's kickoff Redford Union came back to the 28 yard line. Here Redford Union picked up their first down on the 50 yard line. On third down a Redford Union backfield man fumbled the ball and loss 11 yards. Redford Union kicked to the Rock 23 and Plymouth was handed another 15 yard penalty forcing Lanphear to kick with Red-

ford Union coming back to the 45. On the first play Travis made a neat tackle to throw Redford Union for a 9 yard loss. This made Redford Union punt again with Bill Runge making a nice runback. Plymouth then picked up a first down on Redford's 49 as the half ended.

Bob Gow started the second half with a beautiful kickoff to the 5 yard line with Redford Union coming back to the 27. Redford Union proceeded to pick up two first downs before Jack Robinson finally stalled them as he broke in to throw the ball carrier for a loss. Bob Gow, who was playing an excellent game, then intercepted a Redford Union pass as a Rock lineman knocked the ball down with Gow catching it and running to the 41. Plymouth was stalled however as they were penalized 15 yards. As Plymouth went back to kick Hunter fumbled the pass from center and in a last effort he passed the ball but the referees ruled grounding the ball so Plymouth was penalized 5 yards, bringing the ball back to the Plymouth 10 yard line. Redford Union then completed a pass to the 1 yard line. Gary Sockow was injured on the play and was taken out. On the next play they went over for a touchdown and

made good on the conversion.

Redford Union then kicked off to the 20 and Dave Travis made a beautiful runback and almost broke into the clear before being brought down from behind on the Redford Union 40. The Rocks were put back another 15 yards on a penalty forcing Lanphear to kick with the ball coming to the Redford Union 41. The Panthers then picked up a first down to the Plymouth 33. On the next play Travis again broke in and threw the runner for a loss. Travis was injured on the play, but after Coach Ponto worked on him for a few minutes, he was able to remain in the game.

The Panthers then lost the ball and Plymouth took over but had to punt with Lanphear sending the ball to the 45. Redford Union then picked up a first down on the Plymouth 40 and continued to roll as they made two more first downs to the Plymouth 11. Here the Rock line fighting desperately to hold Redford Union, stopped them on the 4 yard line. A touchdown here would mean they likely meant the game for Redford Union.

After three plays Lanphear kicked to the Plymouth 45 with Stark coming down field to make a neat tackle on the 44. Sockow and Keeney then broke in and threw Redford Union for a 3 yard loss. On the next play Stark and Bitcher came in and made it another 2 yard loss. Redford was forced to punt to the Plymouth 27. George Hunter then picked up two first downs to the 50 yard line. The Rocks were penalized 15 yards here but it didn't mat-

ter as the time had finally run out ending the game as the Rock players on the bench rushed out on the field to congratulate the players.

Friday the Rocks will play Wayne at Wayne High school. Plymouth and Wayne are tied for second place in the league so this game will decide the second place team in the final standings as this will be the last league game.

Brotherhood to Sponsor Dance

Mel Michaels, worshipful master of the Plymouth Rock lodge, will be on hand with his orchestra October 28 when the Plymouth Young Men's Brotherhood will sponsor a dance in Masonic Temple. It will begin at 9 p.m. Herman Scheel will do the calling for square dance numbers during the evening. Henry Agosta is chairman of the event.

In St. Louis, Liquor Store Manager Floyd Rice gave police such a detailed description of the man who said he had robbed the store of \$425 that they got suspicious, quizzed him further, found that he had taken the money himself.

Recreation Dept. Classes

CERAMICS SHOW
Mrs. Meier, Plymouth Recreation Ceramics teacher, is putting on a ceramics show in the Wayne Recreation building, 3355 Washington avenue, Wayne, on Thursday and Friday, October 26 and 27, from 2 to 9 p.m. Anyone interested in a beautiful exhibit of art work should see this exhibition. A small admission fee will be charged. Tentative plans have been made to hold a similar exhibition here in Plymouth soon after the Christmas holidays.

TYPING
The typing class originally scheduled for Monday evening from 7 to 9 p.m. has been changed to Tuesday at the same hours. Miss Freida Olson is the instructor. If interested in joining this class please call Mrs. Donnelly at 2075.

SEWING
Students in the two sewing classes on Tuesday and Thursday evenings are busy making fall garments under the fine supervision of Mrs. Humphries. The next series of six lessons will start soon. Call 2075 to register.
WOMEN'S SWIMMING CLASS
The 25 women in the swimming class are enjoying the beautiful swimming pool at the Wayne County Training school every Wednesday at 8 p.m. Mrs.

Shirey is the instructor and Bill DelCampo from the training school is the life saver. Anyone over 21 years of age is accepted after an examination by your own physician.

ART
We now have six people interested in the art class. If we could have six more the class would be ready to start. Harold Stein, art teacher at Bentley High school, will be the instructor.

WOMEN'S GYM CLASS
Seventeen women have registered for the gym class at the Starkweather school on Thursday nights from 7:30 to 8:30. Everyone has a lot of fun and relaxation under the excellent supervision of Mrs. Alex Miller. There is still room for three more interested people.

SQUARE DANCE CLUB
Don't forget the Square Dance club tonight in the Central grade school gym at 8:30. Each couple brings their own sandwiches and coffee is furnished. Dave Palmer, the caller, is well liked by everyone.

Reserves Lose-Freshmen Win

The Plymouth Rock reserve squad lost to Redford Union last Thursday by the score of 20-0. The first half ended with Redford Union holding a six point lead due to a touchdown in the first period. The Rocks were unable to hold Redford Union however, as they scored two more touchdowns in the fourth quarter.

The Rock freshmen defeated the Panther freshmen 6-0 Thursday as John Higgins raced 15 yards for the only touchdown of the game. The freshmen played a very fine game in stopping Redford Union who had some very big boys on the team. Previously the Rock freshmen lost to Redford Union 21-0.

The reserves and freshmen squads will play Wayne next Thursday starting at 4 p.m. The freshmen will play at Wayne and the reserves here.

Social items can be phoned to 1755.

Sharpleys Get a Winter Preview

It wasn't a preview of some new movie that Mr. and Mrs. Howard Sharpley saw on their recent trip to the Pacific coast—but it was a pre-showing of what a real winter can be like.

"On their return trip from the coast, Mr. and Mrs. Sharpley decided to return by the northern route. When they reached this side of the Rockies in Montana, they ran into a blizzard just like

this section of Michigan sometimes gets in January and February.

"Never saw so much snow in my life. In fact one day it snowed so hard we could barely see the roadway," said Mr. Sharpley.

"It had been their plan to continue on directly east through the state of Montana, but highway patrolmen said the road was impassable in places and advised

them to drive some two or three hundred miles south to a highway that was free from snow.

"We did have a very delightful trip all the way, except when we hit winter weather up in the mountains. We drove first to California, then up the coast to Oregon and Washington. Business seems to be booming out there, just like it is here, apparently all due to the war," he said.

Rural Tele-news

BARK THAT BITES — To test various types of insulating coatings for telephone wires, Bell Laboratories maintain a dense birch forest in New Jersey. Wires strung through the forest show how different materials resist the rubbing action of tree limbs under actual outdoor conditions.

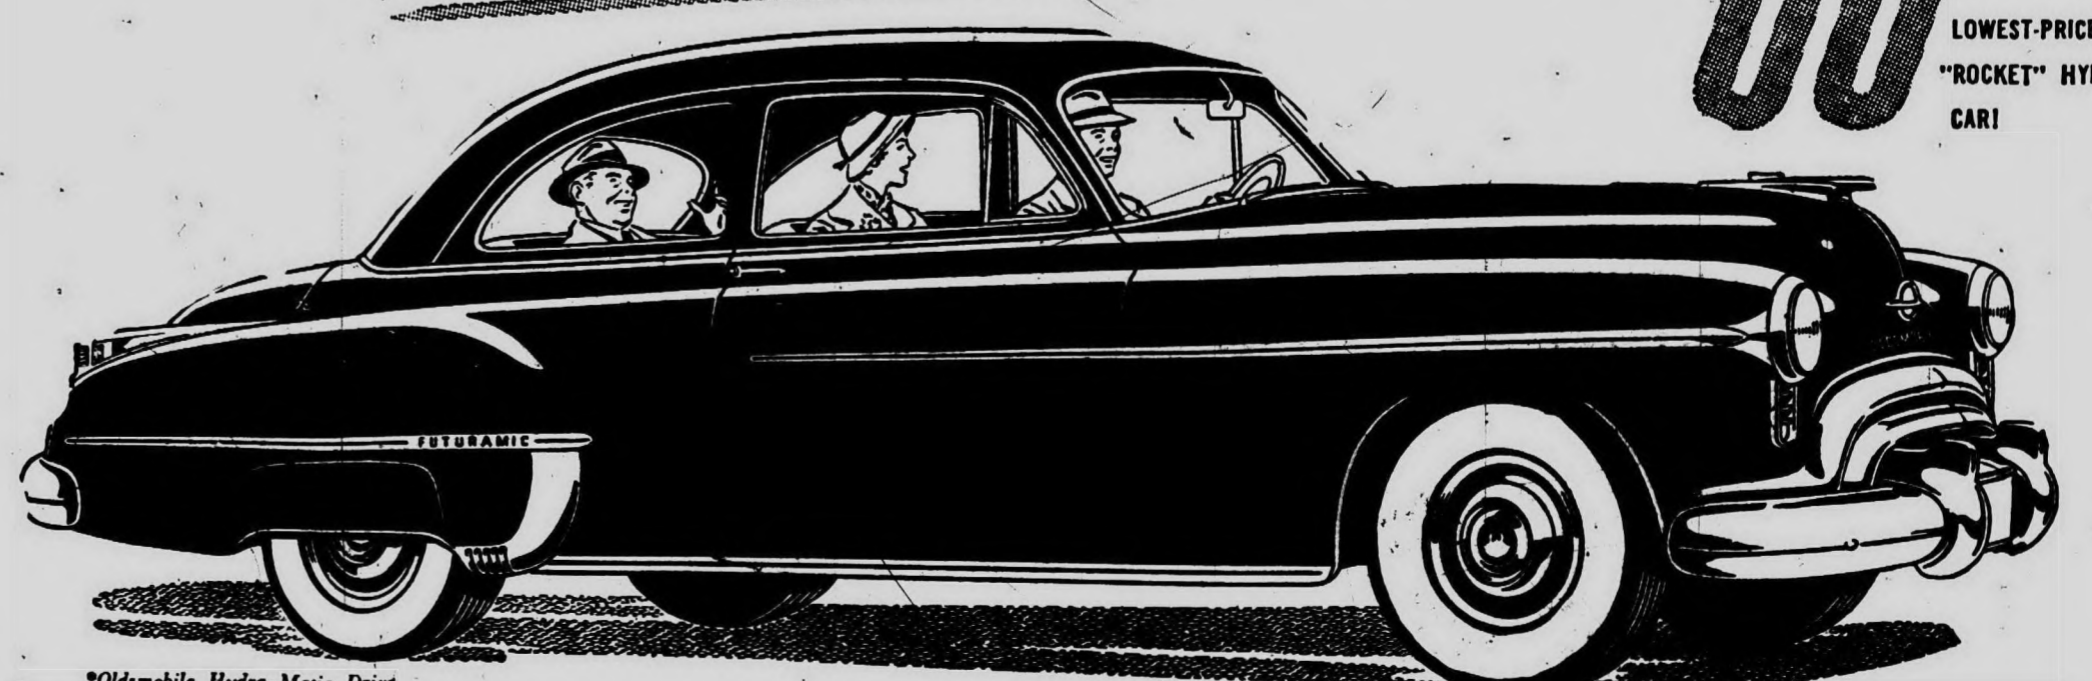

TIME WAS when the horse and buggy offered rural families and friends the only means of visiting back and forth. With the telephone, "visiting" without leaving the farm became possible. Now, extended area service, which permits subscribers in certain neighboring communities to call one another without a specific toll charge, is bringing telephone users on the farm even closer to their social and marketing centers. By the end of this year, over 200 Michigan Bell exchanges will have this new service.

USEFUL . . . AND FUN — A survey shows that more than half the farm families served by Michigan Bell use their telephones for reaching the doctor, dentist and veterinarian, and for ordering parts, repairs, feed and supplies. "Visiting" with friends and arranging church and social activities are high up on the list too.

Head Student Association at Madonna.....

Activities for the coming year at Madonna college are planned by the Student association whose officers are, left to right, Mary Joan Kaminski, president; Lorraine Renkowski, secretary; Edna Rheault, treasurer, and Gertrude Bonk, vice president. This is Miss Kaminski's third year as president of the association.

The students of Madonna college re-elected Mary Joan Kaminski president of the Student association for the third consecutive year. In addition, she is the senior delegate to the National Federation of Catholic College Students on the Madonna campus. She also holds the office of recording secretary of the Detroit-Cleveland region of the NFCCS.

Her assistants in directing the Student association are Gertrude Bonk, vice president; Lorraine Renkowski, secretary, and Edna Rheault, treasurer.

Through the medium of the executive council, the Student association co-ordinates all clubs and activities toward a strong and effective student program. Composing the council are the following class presidents and club chairmen: senior president, Therese Szalagewicz, jr. president, Geraldine Kowalski; soph-

omore president, Alice Sturgeleski; freshmen president, Patricia Maciejewski; sodality prefect, Geraldine Kowalski; literary society, L. Pat Gruszczynski; library club, Wanda Okasinski; international relations club, Evelyn Zavatsky, and press club, Gertrude Bonk.

This year's activities calendar provides an orientation program

for freshmen. The orientation periods, held once a week during the semester, are conducted alternately by faculty members and seniors.

The association also inaugurated a two-week leadership program. It includes an address by a public figure, panel discussions and prominent displays of pertinent literature.

Thomas Sanders Wed in Owosso

The First Methodist church was the setting for a candle-lit service Saturday evening when Marilyn Corinne Jennings of Chicago, Illinois, daughter of the late Mr. and Mrs. B. B. Jennings of Washington, and Thomas Leonard Sanders, Jr., son of Rev. and Mrs. T. Leonard Sanders of West Oliver street, Owosso, spoke their marriage vows with the father of the bridegroom officiating.

The bride, who was given away by Elmer Burrell, wore a gown of white slipper satin. Folds softly draped at the waist line formed an apron which was caught up in a bustle bow at the back and folds at the top of the tightly fitted bodice formed a low square neckline. She wore a circular fingertip veil of illusion edged in lace which fell from a circle of seed pearl orange blossoms. Her flowers were white roses and baby mums.

Mrs. Robert Evans, who acted as matron of honor, wore a gown of gold taffeta which carried out the apron effect in a wide ruffle extending around the skirt and ending in a bow at the back. Her headpiece was a ruffle of the same material caught in the back with a bow.

The maid of honor, Elaine Jennings of Lafayette, Indiana, a sister of the bride, wore the same styled gown and headpiece in an apple green taffeta. They both carried colonial bouquets of bronze and rust baby mums.

Best man was Lester Grant Aminsinger, of Detroit, and groom's man was John Charles Telander, of Chicago, both brothers-in-law of the groom.

Esson and Ellis Wright, Jr., cousins of the groom were the ushers.

Mrs. Elmer Hurrell, who acted as mother of the bride, wore dove grey with black accessories. Her corsage was a wine pom pom chrysanthemum.

Mrs. Sanders chose navy blue for her costume and wore a bronze pom pom chrysanthemum.

A reception followed at the Elmer Hurrell residence on East Oliver street.

The bride wore for going away a green suit with gold blouse and hat, and brown accessories.

The bridal couple left for a week's honeymoon in northern Michigan.

Mr. Sanders will be remembered in Plymouth having resided here while his father was pastor of the Methodist church.

Hints For Plymouth Homemakers

Blue Grapes Are Best For Flavor in Jellies, Juice

The reason for slip-skin grapes seems so short the Plymouth homemakers who want to give their families a fill of the delicious fruits and some for wintertime treats have to keep their eyes open.

Few fruits are more appealing to the eye or the palate. A bowl heaped high with red, blue and green grapes garnished with green leaves doubles as a handsome centerpiece for the table and a tempting dessert.

Although no amount of fussing may produce a dessert superior to grapes ripened to their peak of flavor, it's still fun to vary the service. Grape pie, for instance, served slightly warm from the oven is a treat.

cept that it's wiser to simmer the inside pulp of the grapes until they're tender, then rub them through a sieve to remove the skins before combining them again with the skins, sugar, and a little thickening. A dash of salt to accent the flavor and a few dabs of butter or fortified margarine add richness.

Grape juice, a spread or two and a piquant relish will be on almost everyone's canning calendar while grapes are in the market. For deep color and richest flavor most women prefer to use the blue grapes. The green ones can be used as well, but the flavor and color are definitely on the delicate side.

Prepare it with a lattice top of pastry to make it more attractive. Put it together just as you would any other fruit pie, ex-

Unless you prefer to use either liquid or powdered pectin for making grape jelly it's important to use grapes half of which are slightly underripe. The fully ripe grapes don't contain enough pectin to make a mixture which will jell properly. For all other purposes, the fully ripe fruit means better flavor and color.

Here's another tip for jelly makers. Prepare the juice one day, refraining from squeezing the bag if you want sparkling, clear jelly. Store the prepared juice overnight in the refrigerator. Next morning, pour the juice from the storage container as gently as possible so any sediment will be left behind.

The sediment contains tartaric acid crystals. If you remove them from the juice before making it into jelly, there's no chance that your jelly will crystallize.

And now for some recipes for preserving grapes:

GRAPE JELLY

Choose Concord grapes, half of which are slightly underripe. Wash carefully and pick from stems. Place in kettle and crush. Heat to boiling point and boil gently until tender. Pour into jelly bag and let juice drip, without squeezing bag.

Measure juice into large kettle. Bring to boiling point and add three-fourths cup of sugar for each cup of juice. (Note: do not use more than 4 to 6 cups of juice in one batch.) Heat slowly until sugar is dissolved, then boil rapidly until mixture reaches 220 to 222 degrees F., or until two drops of the jelly, when poured from the spoon, will run together to form a thin sheet. Begin making the sheet test after 5 minutes of boiling, repeating at frequent intervals. Pour jelly into sterilized glasses and seal at once with thin layer of melted paraffin. When cold, add a second layer of paraffin.

Wash 10 pounds grapes carefully and pick them from stems. Place in kettle with 1 cup water and simmer gently until stones and pulp separate. Strain through jelly bag without squeezing. Add 3 pounds granulated sugar and bring to a rolling boil. Seal at once in hot, sterilized jars or bottles. This makes about 1 gallon of juice. This richly flavored juice is usually served diluted

with an equal amount of plain or charged water.

GRAPE SPONGE

Use the juice prepared as directed above for this delicious dessert:

Two tablespoons plain gelatin, 1 pint grape juice, 4 egg whites, beaten stiff.

Add gelatin to cold grape juice in top of double boiler. Place over boiling water and heat until gelatin is dissolved. Sweeten to taste. Place in bowl of ice water and chill until mixture begins to thicken. Beat until light and fold in stiffly beaten egg whites. Chill in mold until set. Serve with soft custard sauce made with egg yolks. Makes six servings.

GRAPE CONSERVE

Seven pounds Concord grapes, granulated sugar, 4 oranges, 2 pounds seedless white grapes, 1 pound walnut meats, cut in small pieces.

Wash grapes, pick from stems and place in kettle. Mash slightly to start juice. Simmer for about 15 minutes or until seeds separate. Rub through sieve to remove seeds. Measure pulp into kettle and add 3/4 cup sugar for each cup pulp. Add thinly sliced oranges and seedless grapes which have been picked from the stems. Cook rapidly to jelly stage, stirring occasionally to prevent sticking. Remove from fire, stir in nut meats and seal at once in sterilized jars or glasses.

So You Worry, Do You? How to Stop It

Dr. Norman Vincent Peale, well known columnist and author will tell how to overcome the worry habit at Detroit Town Hall, Wednesday morning, October 25, at 11 o'clock in Fisher theater.

The speaker's specialty is helping people to solve their problems through the combined mediums of religion and psychiatry. In New York, he conducts a clinic, staffed by four psychologists, to assist him in interviews. Regular clinic visitors are business men who seek guidance for the trials of everyday living.

Dr. Peale is author of three books, "Don't Keep Your Troubles to Yourself," "You Can Win" and "The Art of Living." He has a popular radio program over NBC hookup.

Advance reservations for the lecture are available at Grinnell's, Wo. 2-1124.

BISCUIT RINGS

If you like a biscuit topping on a casserole, try this. Cut biscuit dough with your doughnut cutter and arrange the doughnuts over the top of the casserole. Just before serving, fill the doughnut holes with chopped parsley or pimiento.

PORK AND SWEET POTATO TREAT

The frost on the roof is getting a little heavier these mornings. With fall running into winter, pork roasting in the oven smells mighty good along with a luscious casserole of sweet potatoes.

These two team up in the oven, too, as a moderate temperature of 350° F. is used for both.

Roasting Pork

Season a pork loin roast with salt and pepper. Place in open roasting pan, fat side up. Insert meat thermometer so bulb reaches center of the cut. Do not cover, do not add water. Roast in a moderate oven (350° F.) until the meat thermometer registers 185° F. Allow about 30 minutes per pound.

Why a Thermometer?

Using the thermometer takes away the chance of overdone or underdone meat of any kind. The thermometer extending into the middle of the roast shows you when it is done. Meat without bone takes a few more minutes per pound than a roast with bone. The bone causes the meat to cook a little more quickly.

Sweet Potato Bake

4 or 5 cooked sweet potatoes
1 cup apple sauce
8 marshmallows, quartered
1/4 teaspoon nutmeg
2 tablespoons butter
Salt

Mix the applesauce, marshmallows and nutmeg. Slice sweet potatoes in half lengthwise and arrange a layer in casserole. Spread with half of applesauce mixture. Dot with one tablespoon fat and sprinkle with salt. Repeat with remaining ingredients. Bake in moderate oven (350° F.) 25 minutes. Yield: 5 servings.

Citrus Sodas Good Afternoon Snacks

Rather than eliminate cool after-school refreshment from the youngsters' schedule, be sure they get something good for them—such as nutritious sodas made from Florida's canned citrus products. The small fry shown here are mixing their own thirst quenchers, which hit a high spot on the Vitamin C score. Canned citrus juices are good mixers with ice cream, sparkling water, and come in a variety of delicious flavors—orange, grapefruit, tangerine, and blended orange and grapefruit.

Wool Fleeces Combine With Tweeds for Fall

For the "costume look" of high fall fashion many wool fleeces will appear in many new colors and weights combined with fabrics such as tweeds, flannels and fine worsteds.

Fleeces used in short or three-quarter length toppers will be worn over suits of duvetyn and velour type fabrics. The new fleeces have a luxuriant texture and many have been sheared down to a soft velour-like bloom.

Designs range from clean-cut windowpanes and double-checks to colorful plaids worked out in brilliant colors. Many of these are keyed to contrast or match yarn-dyed or piece-dyed plain fabrics or monotonous tweeds. Some of the smartest pattern fleeces for fall's ensembles use a blackish oxford color with brilliantly colored plaids or checks.

Brand new colors in the wool fleeces include sharp blues and jade greens. Top favorites returning are vivid reds, neutrals, grayed blues and blondish tones. You may find these wool fleeces in a widely varied price range. The reason for these variations although the materials may all

be 100 percent wool fleece. Four factors influence the price. They are: the skill of the mill making the fabric; the number of finishing processes or difficulty of steps required in manufacturing it; the skill of the apparel designer; and most important, the raw material used in the wool fleece.

Wool fleece may come from such animals as the camel, vicuna, alpaca and the llama. Wool made from the fleece, or the hair of these animals is more difficult to obtain and is somewhat different in characteristics from sheep's wool.

BOSTON SANDWICH

Sandwiches sure to interest youngsters are made with Boston brown bread. Between two slices spread a generous mixture of crisp bacon bits in peanut butter.

PASTRY PUMPKINS

Tender pastry pumpkins can add a seasonal touch to individual tarts or family size pies. Or cut strips of pastry and top with orange tinted sugar for your youngster's enjoyment.

CREAMED HAM ADDITION

Give creamed ham a new character. Add finely chopped green pepper, onion and gay pimiento. Serve over corn bread squares.

EASY DOES IT
BY HELEN HALE

VEGETABLE PLATTERS can be pretty and nourishing enough to serve for luncheon parties if they're planned for color and flavor contrast. Here are some suggestions:

Serve a rice or noodle ring with creamed mushrooms, and then add color and flavor to the same plate with buttered beets and buttered broccoli or brussels sprouts.

Spinach ring filled with creamed onions makes a pretty center for a vegetable plate. Alternate small mounds of parsleyed potatoes and carrots and peas around the spinach.

Try stuffing tomatoes with whole

RECIPE OF THE WEEK

Cheese Fondue (Serves 4)

1/2 cup ripe olives
4 slices day-old bread
1 cup cooked peas
1 (2 1/2-ounce) jar dried beef
1 cup grated American cheese
2 eggs
2 cups scalded milk
1/2 teaspoon salt
Black pepper

Cut olives from pits into large chunks. Cut bread into cubes. In 1 1/2-quart casserole, layer bread, peas, shredded beef, cheese and olives. Beat eggs slightly, stir in milk, salt and pepper. Pour over ingredients in casserole. Bake in a moderately slow (325°) oven for 45 minutes or until set.

kernel corn as another idea for vegetable platters. Round this out with string beans cooked with onion and bits of bacon, and steamed or baked acorn squash.

Stuffed green peppers are a good substantial start on vegetable dinners. Add creamed potatoes, minced carrots and buttered lima beans.

Here's good texture and color contrast in this vegetable luncheon: cauliflower au gratin, Harvard beets and buttered green beans.

Serve cheese muffins with this vegetable luncheon to make it thoroughly satisfying; stuff tomatoes with bread stuffing, then bake. Add corn fritters and buttered lima beans to the platter.

The amount of fat in the form of cream, salad oil or other fat in the dressing is the chief factor influencing the caloric value of most vegetable and fruit salads.

AMA Survey Shows No Doctor Shortage Here

Although an acute shortage of physicians has been reported in various sections of the United States, no such deficiency exists in Plymouth at present, according to data gathered by the American Medical Association. However, the measures recently taken by Congress allowing the drafting of doctors may alter the local situation.

Plymouth has a total of 10 doctors with local offices and residences, equivalent to one physician for every 660 people. This compares favorably with conditions throughout the country generally, where there are 201,278 doctors, or one for every 795 persons. In the state of Michigan as a whole there is one doctor per 916 inhabitants.

The growth in the medical population in the past 20 years is pointed out by Dr. George Lull, secretary of the AMA. In 1930 the nation had 154,500 doctors serving a total of 122,775,000 people, or one for every 795 persons. Since then there has been a slow but steady increase, with most of the new practitioners flocking to the larger centers.

What the country needs, according to the Federal Security Agency, is a net addition of 20,000 doctors in the next ten years. To produce that number would be a \$321,000,000 project, it states.

As a long range goal, to properly serve the medical needs of the country, there should be a doctor for every 585 people, holds the FSA.

To suit that condition now, with its present population, Plymouth would have to have a total of 11 doctors, or one more than at present.

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Don't Be Self-Conscious

WHEN IRVING J. VELEN, Chicago, Ill., was 12 years old a catastrophe occurred that it took him years to recover from; and up almost to the time of his recovery it looked as if he never would recover.

One cold night, he went to sleep in the kitchen of his home. When he regained full consciousness he was in the hospital. You see, there had been a kettle of water setting over a flaming gas jet, and someone in turning off the gas from under the kettle hit the pilot light accidentally and then left the room. Of course, the gas soon filled the room with the sleeping boy lying near the stove. When he became partially awake, he had a terrific headache and a pain shot through his body like a needle being injected. He thought he was going to die.

Carnegie

Well, he got over the gas fumes, but he didn't get over his fright. When he heard a song in school with the word heaven in it, he became faint. Anything remotely connected with death terrified him. Soon he began to stutter; this gave him an inferiority complex; the inferiority complex made him stammer more and more and to a great degree. He couldn't say "eighth" when he wanted to leave an elevator at the eighth floor; he had to say "nine" and then walk down a flight. He became so self-conscious that he hated being around people, while to talk to them was torture.

Then one day he noticed that he could talk to a dog with never a stammer. Why was this, he asked himself. It came to him all of a sudden that he wasn't afraid of what the dog was thinking about him. That thought was a revelation; it seemed almost to be a miracle shot. He could also talk to children and not be afraid. He wasn't thinking of himself at all when he talked to children. So he began going in for sports, played ball and basketball—and won championships in time. But he still stuttered when talking to adults. Even in college he had not conquered himself. So he forced himself to join a public speaking class. He worked on just a few sentences the first time. Everyone was kind, seemed not to notice his stammering. After a few weeks, he had gained so much confidence that his stammering amounted to practically nothing. He told himself that it didn't matter. He got better and better; now he has almost brought about the cure that he knows will come in a very short time.

I am sure of it, too, Irving, you plucky guy!

VFW News

Thirty-three members of the Ladies' Auxiliary attended the meeting on October 3 held at the Veterans' Memorial. Mrs. John R. MacDonald, Mrs. Robert Archer, Mrs. Robert Sparkman, Mrs. Leslie D. Koonce and Miss Fern Harnett were initiated at this time. Refreshments and a social hour followed, during which time everyone had an opportunity to greet the new members.

Mrs. Harry Bartel, bazaar chairman, gave a report on the progress being made with sewing and other activities being carried on in preparation for this event. The 5-piece silver-plated coffee and tea service, which is to be given at the bazaar on November 9, was on display. Tickets will be available from any Auxiliary member and the service will be placed in a downtown store window very soon.

After the meeting Joe Elliott spoke briefly about the activities of the Post and Mrs. Erdelyi explained to the group the part that the Veterans' organizations are to play in the coming Community Chest drive. Mrs. Arthur Dickey is in charge of signing up VFW Auxiliary members who wish to help in the house-to-house canvass. The list of names she has already indicates that everyone is cooperating to help make the drive a success.

On Saturday night, October 21, all members of the Post and the Auxiliary, their wives, husbands and friends are invited to attend a Box Social at the Veterans' Memorial at 8 o'clock. Ladies, bring a box lunch to be sold to the highest bidder. Let's make this a real get-acquainted party. Come and meet the new members and join in the fun.

On Wednesday evening, October 11, seven members of the Auxiliary made a trip to Eastlawn sanitarium in Northville to visit the 20 or more veterans who are patients there. Regular visits are to be made there from now on, in addition to those made to Maybury. Those who are interested in hospital work are asked to call and give their

names to Mrs. Charles Thompson, Phone 1279-W. The visiting dates will appear in this column each month to enable the members to plan ahead for the day that is most convenient for them to go.

If you have not signed up for a part in the Civilian Defense program in Plymouth, let's do it now. The appeal for workers has been made. The principles for which our organization stands: patriotism, loyalty and community service should remind us that it is our duty to prove them in actions, not words.

—Americanism Dept.

School and church bells all over the nation will ring out at 11 a.m. sharp on October 24, the day has been designated as Uni-

ted Nations Day. Radio stations in many cities will be asked to observe a moment of silence at that time, to hold silent prayer for the success of the United Nations. Observances this year are doubly significant and deserving, due to the fact that they come at a time when UN forces are battling to give teeth to the policy that armed aggression will not be tolerated.

Grays Will Live in California

Mr. and Mrs. Ivan Gray who moved from Plymouth to Pasadena, California a year ago, are back in Plymouth for a brief visit with old friends and neighbors.

But they are not coming back to Michigan to live. They have become "native sons" of California.

"We like the sunshine. We like the climate. We like the flowers. We like everything there is out there," declared Mr. Gray the other day.

"It is true we miss a lot of our old friends, but you'd be surprised to know how many former Plymouth people we meet out there. Why—just the other day we went to a Michigan picnic. And who do you suppose it was that pinned a Michigan badge on us? It was the former Mrs. Ball of Plymouth, who is now thoroughly enjoying the west coast," said Mr. Gray.

Mr. Gray states that California seems to be growing just as fast as ever. More people are moving out from the east out to the coast every day.

But there is lots of room out there and California can take care of a lot more of our friends," he added.

STIRS CONTROVERSY . . . Brig. Gen. Bonner Fellers is reported to have said, "I believe Hitler did Germany a lot of good." Dewey wants him fired as assistant chairman of the G.O.P.

Benjamin Franklin became the publisher of the Pennsylvania Gazette in 1728, second newspaper established in Pennsylvania.

LIGHT - MEDIUM - HEAVY MODELS
Made in widest variety of engine-body-chassis combinations to fit every trucking need

Think twice today when you buy a truck!

WHAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons. GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience. GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service. GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weather-sealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

IS 5 MINUTES OF YOUR TIME WORTH \$1000?

5 MINUTES BEHIND THE WHEEL SOLD ME ON DODGE...AND SAVED ME \$1000!

—says Earl B. Mi:
New Rochelle, New York

PEOPLE every day are finding out for themselves... you can make 5 minutes of your time worth \$1,000—by spending it at your Dodge dealer's. He'll demonstrate how you could pay \$1,000 more and not get all the extra roominess, the driving ease, the rugged dependability of this smartly styled Dodge!

You'll see that Dodge gives you real stretch-out roominess you can't find in cars costing hundreds of dollars more. And a few minutes behind the wheel will open your eyes to ease of handling you never thought possible in a car so big and roomy. And after you buy your Dodge—you'll find that famous Dodge dependability and ruggedness will continue to save you money for years to come. Your dollars do go further with Dodge. Five minutes... that's all we ask!

Owners coast to coast testify:

YOU COULD PAY \$1,000 MORE AND NOT GET ALL THE EXTRA ROOMINESS, FAMOUS RUGGED DEPENDABILITY OF DODGE

NEW BIGGER VALUE DODGE

Just a few dollars more than the lowest-priced cars!

ANSWER TO PUZZLE NO. 103

Set Date For The Hunter's Ball

Grease up those old hunting boots! Brush the dust off that bright red deer hunting jacket! Doll "Wife" up with a lot of new hunting togs, even though she does most of her hunting around the house for missing pieces of children's clothing.

Saturday evening, November 4 has been fixed as the date for the annual hunter's ball of the Western Wayne County Conservation association.

Brick Champe, district president of the Michigan United Conservation clubs, announced the date last Friday and then left immediately with Casey Partridge for a bird hunting trip up around the Champe hunting lodge somewhere near Mio.

"But President Champe says he will be back in time to see to it that everything is in apple-pie order for the big event on November 4.

"We're going to have refreshments. Don't know yet just what there will be to eat, but you can rest assured whatever we have will be good," said Dr. Champe.

These annual balls, started a number of years ago after the organization had completed its new club house out on Joy road, have become popular with local sports men and their ladies. It is anticipated that this year's crowd will be one of the largest ever.

Most of the Mayflower pioneers came to this country because they had been persecuted for their expression of beliefs in England.

Over 2,000,000 truck users can't be wrong with

CHEVROLET and VALVE-IN-HEAD!

MORE HORSEPOWER AT THE CLUTCH

Certified ratings prove Chevrolet heavy-duty trucks with Valve-in-Head Loadmaster engine deliver more net horsepower than those of the principal standard equipped conventional trucks in their class, 13,000 to 16,000 lbs. G.V.W.*

BLUE-FLAME COMBUSTION

Chevrolet's Valve-in-Head engine design gets more power out of every drop of gasoline. High efficiency combustion chambers, specially shaped for maximum fuel economy, burn fuel smoothly, evenly with "blue-flame combustion."

TOP EFFICIENCY WITH 4-WAY LUBRICATION

With Chevrolet's lubrication system, oil flow is controlled 4 ways so all bearings and operating surfaces receive an adequate supply of oil—from the first turn of the engine—regardless of temperature and operating conditions.

GREATER ECONOMY

Chevrolet's great Valve-in-Head engine and ruggedly dependable units mean genuine economy in operation... lower running costs and less maintenance cost. Operators' experience with more than 2,000,000 trucks prove it!

Registrations Show More Than 2,000,000 Chevrolet Trucks Now on the Road... More Than Any Other Make!

Today over 2,000,000 truck operators have the world's most popular engine in the world's most popular truck. For the last eight consecutive truck production years, Chevrolet trucks have led in sales... are far ahead this year. Come in—let us give you the facts.

Plymouth High School News

Plymouth High Holds Program Observing United Nations Week

Because this week is set aside by the President of the United States as United Nations week, Plymouth High school celebrated along with schools all over the nation.

Yesterday at 8:30 an assembly was given for the senior high school. Jack Kropf, Erna Kienbaum, Bonnie Wickens and Betty Bilow explained what the United Nations is and why we celebrate this week. These students represented Plymouth High last year at Hillsdale, where the students of many of the schools studied about the United Nations Assembly.

United Nations Week has been discussed and explained all week at Plymouth High. This prepares for United Nations Day, October 24, which is set aside to show the appreciation of the people of the world for the magnificent job done by the United Nations.

This program was set up by a committee composed of Miss Elizabeth McDonald, Miss Gertrude Fiegel and Cyrus Pierce, high school principal.

Elect Science Club Officers

Fourteen members of the Ecneics Science club elected Grant Gabel president of the club at the meeting held October 11.

Other officers elected were: Howard Pennie, vice president; Gladys Witt, secretary; Jim Brinks, reporter; and Lynn Osen, laboratory assistant.

This was the club's second meeting of the year. The members have decided to hold meetings every other Wednesday at 11:30 a.m. R. L. Smith is the club's adviser.

Coach Treats Football Squad

A treat was in store for the boys on the Plymouth Rock football squad last Tuesday when Coach Hilton Ponto told the fellows that a hamburger and malted had been paid for and all they had to do was go to the Cloverdale Dairy and order it. This was a reward for the fine work the boys have been doing this year and they all deeply appreciated Mr. Ponto's generosity.

Homemakers Appoint Chairman of Activities

The homemaking classes, with Miss Ingeborg Lundin in charge, are well underway. The classes are divided into groups with different activities and a chairman for each group.

Chairman for newer trends is Ann Pelchat; collecting outside information and taking charge of guest speakers, Charlotte West. Other activities are the bulletin board and housekeeping duties. The chairman of all divisions is Sally Mackintosh.

Hescos' Bake Sale Saturday

Under the supervision of Mrs. Barbara Parkes, the Hescos are having a bake sale at Goodale's grocery, Saturday, October 21, with Betty Wagner as chairman.

The Hescos are also making emblems and selling them at the games here at Plymouth. Donna Renwick, Betty Wagner and Pat Krump are in charge of that project.

The club has ordered pencils with the basketball schedule on them to sell during school.

Two Y-Teen Chapters Organize as One Club

The two chapters of the Y-Teens resumed their organization as one club. The White chapter of which Arlene Dowling is president will preside at the meetings for this semester and Ann Vincent, president of the Blue chapter, will chairmen the second semester meetings. Each president will use her cabinet which was elected last year. The club's advisors are Miss June Singley and Miss Gertrude Fiegel.

Line Up Plans For Homecoming

Committees have been chosen for Plymouth's homecoming game with Bentley High school, which will be played Friday, October 27, on Plymouth's field.

They are as follows: ushers, Hi-Y; decorating, cheerleaders; writing and mailing, Leaders' club; dance, Pilgrim Prints; signs for fathers and complimentary tickets, Varsity club; publicity, Y-Teens; mothers, Hescos; seats for mothers and fathers, Hi-Y.

Commerical Club Holds Annual Pot Luck Supper

The Commercial club held its annual pot luck supper on October 11 in the high school cafeteria.

A regular meeting was held with all of the presiding officers present. This meeting was also a farewell party for Lois Fackender, executive board member, who is leaving Plymouth High school to attend Lincoln Park High. Joyce Smith has been chosen to take her place on the executive board.

Choristers Give Class Recitals

Class recitals were held in the Girls' Glee club, choir, and the Junior Chorus classes Monday. The programs included vocal solos, duets, trios, quartets, piano solos and clarinet solos.

Those performing were Sally Canning, Brenda Covell, Marie Curtis, Ellen Daane, Jean Falot, Margaret Fisher, Barbara Graham, Carole Henry, Pat Krump, Mary Lou Hartwick, Delorus Nesbitt, Shirley Plant, Joanne Pursell, Betty Beckett, Toni Bonnie, Sue Carson, Joan Ebersole, Jackie Ethier, Norma Leslie, Ella Plant, Carol Wagner and Carol Poppenger.

Cheerleaders Meet at Trenton

The Varsity Cheerleaders and their adviser, Miss Delores Lloyd, attended the annual Cheerleaders' conference which was held at Trenton October 10.

The guest cheerleaders were two men from the University of Detroit who answered any questions about cheers and problems of the girls during a group discussion. Following the discussion the girls went swimming and then were guests at a banquet.

The girls reported the meeting as a success and are looking forward to the meeting next year.

Vote Awards to Frosh Athletes

Bud Young called to order the regular meeting of the Student Council October 9.

The question of wearing letters won in different high schools was brought up. It was learned from Cyrus Pierce, principal, that it has been the policy of the school to permit this.

The question of freshmen and reserve athletic awards was also discussed, again in the presence of Mr. Pierce and John Sandmann, an athletic official. Upon the approval of Mr. Sandmann, Betty Salmon put in the form of a motion that the Student Council recommend to the athletic director that all freshmen and reserve players participating in athletics be given an award. The coaches and athletic director will decide upon the type of award and the persons who have earned them.

Eight Boys Initiated in Hi-Y White Chapter

The White chapter of the Hi-Y held its initiation October 11 in the auditorium where they served cider and doughnuts. Following are some of the boys who joined: Bob Keeney, Charles Stark, Phil Jacobus, Tom Guthrie, Bruce Green, Ralph Wagen-schutz, Jack Daggett and Clifton Raum.

Sextet Performs at PTA Meeting

The Twin Trios, a girls sextet, accompanied by Brenda Covell, sang for a meeting of the Wayne County Parent Teachers association, Tuesday evening, October 10 in the high school auditorium.

The trios, composed of Carole Henry, Mary Lou Hartwick, Shirley Plant, Mary Ferrari and Ruth Anne Richwine, sang "Embraceable You," "Great Day" and "Ah Sweet Mystery of Life." Shirley Plant and Mary Lou Hartwick each sang two solos. Shirley sang, "Black Roses" and "Now Sleeps the Crimson Petal." Mary Lou's solos were "What is America to Me?" and "American Lullaby." Fred Nelson is the director of the sextet.

Library Club to Tour Schools

The Library club held a meeting October 10 in the library at which time plans were made for a tour of the Detroit Public library, the Thomas Jefferson school in Wyandotte and the Geo. Bentley school in Livonia.

The club discussed the project of purchasing books published in other countries, and keeping them as a foreign book collection. It was suggested that the club ask the shop to build a glass case in which to display these titles.

Also at this meeting a motion was made and put into effect stating that any one member absent from the meeting twice would be dropped from the records and not be allowed to participate in any of the club's projects.

"Smoother, simpler, more efficient!"
—that's how engineers hail this amazing new automatic drive that's coming soon in the new 1951 MERCURY.

MAYBE you've read about it. Surely you've heard about it. It's the amazing new automatic transmission developed by Ford Motor Company. Now you're going to see it, thrill to it, for the first time in any car, in the new 1951 Mercury.

Called Merc-O-Matic

Merc-O-Matic is the name. And of this you can be sure: there'll be nothing like it on the road! The thrilling new 1951 Mercury will be making a debut in our showrooms in a very few days. And once you see it, we think you'll agree:

For "the drive of your life," it's the new 1951 Mercury with Merc-O-Matic Drive!

What is Merc-O-Matic Drive? It's a completely new, completely automatic drive developed under the direction of Ford Motor Company and Borg-Warner transmission engineers, and made to order for Mercury's great, V-type, 8-cylinder engine. It's s-m-o-o-t-h-e-r, simpler, more efficient!

Makes every driver an expert

Naturally, there's no clutch or gearshift. But there the resemblance to other drives ends. For this new Merc-O-Matic Drive is different. Even the easier-to-read indicator panel is different. The drive selector is so arranged that a person accustomed to a standard shift will feel perfectly at home. And if you're familiar with other drives, you'll notice immediately the big

difference in the way this new 1951 Mercury with Merc-O-Matic performs.

There's no "mushiness." With Merc-O-Matic Drive you get instant, certain response. You start in one smooth sweep of power. No tugging as gears change. There's a "down-shift" for extra hill-climbing and passing power; just press the accelerator smartly to the floor. And Merc-O-Matic is cool operating — no uncomfortable heat in the passenger compartment.

There's no "runaway" downhill. You are in control all the time with the engine's compression at work to save your brakes.

There's no stalling in traffic. Park on a hill if you like. You're safe. Merc-O-Matic Drive locks when in Parking position.

Yes, Merc-O-Matic is going to make you forget all you ever knew about automatic transmissions. This is it—the easy, sure, safe, s-m-o-o-t-h "drive of your life." And—it's extremely thrifty.

Dozens of New Features in 1951 Mercury

But Merc-O-Matic is only part of the great new Mercury for 1951. There's a new look from end to end . . . beautiful new styling . . . rich, new fabrics and colors to make Mercury for 1951 one of the smartest cars on the road.

New safety, too—the new rear window alone gives you more than 1,000 square inches of safe viewing area. Greater comfort in a new, improved ventilating system which brings you just the amount of fresh air you want, when you want it, and where you want it.

It's the plus car of the year—plus on beauty, plus on comfort, plus on safety, plus on economy—plus on everything but price!

All that and the great new Merc-O-Matic Drive, too. Yes, you'll want to see these new Mercurys. So watch Mercury showrooms for the new 1951 Mercury with Merc-O-Matic for "the drive of your life"—for "the buy of your life."

"It has always been the first aim of Mercury and its dealers to bring you each year a better car, better in every way that engineering, research, and experience can achieve. For 1951 we are proud to present the great new Ford Motor Company automatic transmission—Merc-O-Matic Drive—developed by what we regard as the greatest team of engineers in the country today. We think this automatic drive is as efficient and as reliable as the automobile industry knows how to build today. We sincerely believe that the new 1951 Mercury, with its Merc-O-Matic Drive, its new style and comfort, will be the greatest of all Mercurys."

Roger Babson Says...

Babson Discusses Coming Elections

It is amazing that so many millions of people in this "land of the free" have so little idea or concern as to what is done with their hard-earned cash after paying it to the government in taxes. The American people have acquired a reputation for having made democracy work as neither it nor any other system of government has thus far worked in the history of the world. Yet, few of our citizens really know much about how the government spends or what benefits the people actually receive from this vast sum of money.

We all should know where our tax dollars are going and whether they are being wisely spent. Our children should know more about money matters, especially as they concern Congressmen as they make appeals for re-election. If more Congressmen had a better understanding of the value of a dollar and a better appreciation of true social welfare, it would not be so easy for bureaucratic parasites to waste our money.

The Tax Load

In view of the coming elections, I will confine myself here to federal taxes and expenses, though much of what I mention might just as well be applied to state and local government taxes and expenses. Federal taxes have been increasing since the early part of the present century. Naturally, the national growth created the need for expanding our government expenditures; but unfortunately, as government grew bigger, individual and corporate incentive and initiative have been steadily undermined. This has been the fault of our Congressmen.

A review of our federal tax structure would reveal an astonishing number of taxes, still in effect, which were enacted as "temporary" measures, throughout the past 50 years. The most recent examples are the obnoxious excise taxes placed on the statute books early in World War II. Our Congressmen have added to the tax burden slowly so as to attract a minimum of unfavorable public attention. Now they try to sell us the idea that all

these increases were necessary steps in the process of our coming of age as a nation. This is not true.

Time To Be Alert

Now the bureaucrats are asking for more billions of dollars and already are framing laws which will make it possible for Uncle Sam to help himself to a much larger share of your income and mine. In these days of inflated values, it costs a great deal to carry on a military campaign even in an area as limited as Korea. Thus, I suppose we must be resigned to this demand for more taxes. Let us not, however, be so carried away by the tension of the times that we surrender any more of our hard won liberties and rights to the bureaucrats. Let us make our Congressmen responsible to us in fact as they are in theory.

Indifference was chiefly responsible for our getting into the jam in which we now find ourselves as far as taxes are concerned. We were too ready to agree to the imposition of additional tax burdens in years past because we were high-pressed or cajoled into thinking there was no other course open to us. Businessmen, who know better, contented themselves with merely denouncing our tax policies, and their protests were largely

ignored. I hope we will all be more realistic about taxes in the future and that we will make our voices heard and our wills felt in the coming elections. If we fail to do this, we shall certainly lose more than our dollars in the critical times ahead.

No Money for Unnecessary Things

I do not approve of handing over much of the country's cash to support certain groups or classes of the people at the expense of all the people. That is undemocratic. It is also financially dangerous, especially when we need all our money for productive things. I am not against moderate farm supports for basic farm products, but I am opposed to the indiscriminate use of tax dollars which tend to make dairy or potato farmers a favored class.

A foolhardy farm support program might not break the country financially, in the years ahead, but eventually it could lead to the enslavement of the farmers themselves. New and higher taxes we shall probably have. They need not be much higher if each of us will take the time to impress upon those who are now up for election the acute need for drastic cuts in non-essential federal spending.
