

TB and Health Society Urges Sale of Christmas Seals

Help Fight TB

Buy Christmas Seals

Under the able leadership of Mrs. Wayne Smith of Roosevelt drive the TB and Health Society's double-barred cross Christmas Seal Sale started in Plymouth November 20. Christmas Seals finance the prevention and control program carried on throughout the year by the TB and Health society which has been fighting tuberculosis for 44 years. In Detroit and Wayne county 2,400 men, women and children are in hospitals being treated for tuberculosis. Another 200 are on a waiting list, seeking a hospital bed following the discovery of TB.

Almost six million dollars was spent by the state and county last year for the treatment of these people. Added to the treatment costs are hundreds of thousands of dollars—public tax money—needed in the form of welfare and assistance to keep families intact while TB is in their midst.

Congress Shall Make No Laws Abridging the Freedom of The Press

What I Think and Have A Right to Say
By ELTON R. EATON

ONE GOOD TERM MERITS ANOTHER.

Glad to read that members of the Plymouth Chamber of Commerce have re-elected Ray Williams as president and Ralph Lorenz of the Mayflower for vice president, as well as the other officers for another year. The good work they have done in behalf of Plymouth during the past year merits this unanimous display of approval by the business and professional residents of Plymouth.

The officials of the organization have clearly displayed the fact that they are alert to the problems of such a fast growing city as Plymouth. Success has climaxed every effort they put forth during the past year. Outstanding was the two-day Fourth of July celebration they planned for this city. The event not only pleased all of the residents of the city and surrounding area, but it kept hundreds of auto drivers off the main thoroughfares, thereby helping to reduce the traffic burden and lessen chances for accidents.

Under the sponsorship of the Chamber of Commerce it looks as though this city, for the first time in nearly a dozen years, is going to have some worthwhile street decorations for the Christmas holiday period. Again we say we highly commend the action of the Chamber of Commerce membership in re-electing its present officers for another year.

CONGRATULATIONS TO A FATHER-SON TEAM.

How time does roll along! It is hard to believe that it was 21 years ago when Frank Terry opened up a small bakery over on Penniman avenue. He has just celebrated the event.

But Mr. Terry hasn't been standing still during these 21 years. He has built up a baking plant that any city can be proud to proclaim. His son, Marvin, who is now associated with his father, has assumed a good portion of the responsibilities in operating the plant in recent years. It is a father-son combination that is proving highly successful. In behalf of the residents of Plymouth, The Plymouth Mail offers congratulations upon the successful efforts of Mr. Terry and son in providing Plymouth with a fine bakery.

FINE COMPANY THEY KEEP.

It wasn't revealed through the senate inquiry into nationwide gambling that Mon Wallgreen and George Allen, two close buddies of Harry Truman were recent visitors at the notorious Wilbur Clark Desert Inn gambling place out in Las Vegas, Nevada.

Maybe they didn't want any one to know that two big-shot Washington political leaders had been at the place because, it seems, that its owner, one Mr. Clark, had recently borrowed something like a million and a half of once good American dollars from New York gamblers.

The source of this information is Ed. Sullivan, well known newspaper writer and television program director.

WATCH THOSE "SPOILED" BALLOTS.

It is difficult to believe that 18,000 voters of the city of Detroit spoiled their ballots in voting for Governor in the recent election. Of course, it is true that there are always some votes that election boards find necessary to discard, but 18,000 of them—that's something!

We suggest to the observers that they watch the recount of the Detroit ballots with an eagle eye.

Governor Williams urges his followers "to be on the job and alert" in order to protect the interests of his party.

It was Oakley Distin, the late election commissioner of Detroit, who told the writer some two or three years ago when discussing some needed changes in the election law, that a terrific pressure was being placed on him by the politicians of a certain group in Detroit to appoint only their members to the Detroit election boards.

It would be an interesting thing to know how many sisters, wives, cousins, aunts and uncles, including members of this group are really on the election boards in Detroit.

We fully agree with Soapy Williams that observers of the election recount should keep their eyes wide open—having a very clear memory of how the Wayne county New Deal organization tried to steal an entire state election a few years back. Fortunately they got caught at it by watchful observers and a lot of them went to jail. We do not want anything like that to happen this time.

Manage New Linda Lee Shop....

Mrs. Marian Dickey will be the manager of the new Linda Lee ladies apparel shop that will open at 487 Forest avenue Saturday, December 2. Marian Luttermoser will be the assistant manager.

The modern shop will carry a complete line of women's clothing, accessories and sportswear. It is the fourth out-of-town Linda Lee shop, with 25 in Detroit.

Special sales on several items of ready-to-wear will be featured during the store's grand opening celebration. The shops are operated by the Harry Galperin corporation.

Present Annual Audit to City Commission

The annual city audit, made by Don Sutherland, was accepted within a reasonable time, it was and placed on file by members of the commission.

Record Blizzard and Below Zero Weather Hits Plymouth Early

Break Ground For New Gymnasium and Swimming Pool Building

The ground breaking ceremony for the new addition to the High School building on Main street officially started workmen on the last part of the building program undertaken by the Board of Education here last year. Awarding of building contracts for the building to house the gymnasium and swimming pool was done last week with Ward Ross Inc., getting the architectural contract of \$403,830.00, the Lloyd Thornton company the mechanical contract of \$132,296.00 and the Jones Sherman company the electrical contract of \$38,294.00. Although the Board has money enough to complete the entire outside of the building and the gymnasium, the pool and band room finishing will depend on the approval of local voters at the polls on December 11th when the board has asked for additional funds to bring the entire project to full completion. Principals in the ceremony are left to right, board member Kenneth Hulsing, treasurer; superintendent Helmer Nelson, board members Wallace Laury, Marian Morrow, Sec'y., president Robert Wesley turning the first shovel of dirt and Rev. Henry Walch and Captain William Roberts.

Traffic Conditions for Days Worse Than in Several Years

Below zero weather in Plymouth in November! A three day blizzard that would put to shame any similar weather condition that ever prevailed in January or February!

The weather bureau officials in Detroit held their hands high in the air, and declared that never before in November did south-eastern Michigan ever experience anything like it!

Traffic conditions in and around Plymouth were bad, might be bad, although autos kept going—and some in the ditch.

Fortunately no one in this area lost their lives or were badly hurt but around the state, icy roads, snow drifts and howling winds caused many traffic deaths.

It all began on Thanksgiving night. Early in the day, Thanksgiving was as pleasant a day as one could hope for but about the time the turkey was ready for the big feast, dark clouds gathered in the west and by night rain was falling.

Within the hour rain turned to snow and coated the highways with ice that in some places tied up traffic for hours.

roads, cars were backed up for nearly a mile. So icy was the hill just west of Dixboro that cars could neither go up or down. People returning home from various family gatherings were delayed for hours.

Saturday it turned cold—with many reports of zero weather being recorded early Friday morning. Some say their thermometers registered four and five degrees below zero. In Plymouth most of the outside thermometers stood at zero, but at no time during Friday or Saturday did the mercury go above the freezing point.

Garages and service stations did a rushing business and the wreckers were busy several days and nights getting cars back on the highways that had skidded off the paving. While there were no serious traffic tie-ups on the downtown streets, many stalled cars had to be pushed out of the line of traffic.

In this area the snow fall was not heavy, but more of it fell than at anytime previous to last Christmas. Up state, reports told of blocked highways and snowdrifts many feet deep.

Plymouth shoe stores did a rushing business. Supplies of overshoes and warm footweares went like hot cakes, but fortunately there seemed a sufficient supply to care for customers.

The sale of heavy wearing apparel was almost as good. The warm weather of the early fall had fooled many people who thought maybe this was going to be a winter something like that of last year—but the past week has been anything but a mild winter. It has been a tough one, with bus service, even train service badly delayed in and out of Plymouth.

Federal Declares Extra Dividends

The Plymouth Federal Savings and Loan association has declared an extra dividend, showing that 1950 is another big year for the organization.

The Board of Directors have declared the regular dividend at the rate of 2% per annum and an extra dividend at the rate of one-half of 1% per annum for the six months period from July 1 to January 1.

The association's savings accounts have increased during the year 1950 in excess of 20%. This large increase in savings accounts has made it possible for the association to make total mortgage loans during this year of over \$2,000,000.

The local association was organized by a group of business men in 1919 and has been operating continuously since that date. In over 30 years of operation the association has paid dividends of 2% and more every year. The association has loaned over \$2,500,000.00 in the Plymouth area since its inception.

Edson O. Huston, president; William T. Pettigill, vice president and Charles H. Bennett, director, have been with the association continuously since the date of its incorporation.

Ford Plant Will House Office Force

The large new building now nearing completion at Plymouth and Middlebelt roads will become the Ford Division General Office building, it was announced today by L. D. Crusoe, vice president of the Ford Motor company and general manager of the division.

Originally planned as a headquarters for the division's parts and accessories operations and regional and district sales offices, the building's office space is being expanded to accommodate approximately 2,500 of the division's general office personnel.

Detroit district and Central regional sales offices will remain in downtown locations. Transfer of offices from the administration building on Schaefer road, the Rotunda and other buildings in the Rouge area is expected to begin soon after the first of the year, with full occupancy of the building scheduled in two or three months.

The new building is 1,234 by 723 feet and contains approximately a million feet of floor space. It has a two-story administration section fronting on Plymouth road.

In addition to the general offices, the building also will house Central Parts Depot operations, Mr. Crusoe said.

"The move has been made necessary because of the growth and increasing business of Ford division," Mr. Crusoe said. "We have been outgrowing our present quarters and by taking advantage of the space in the new building, we will have our entire administration under one roof."

Production of 1950 model Ford passenger cars totaled 1,038,201 and production of 1950 model trucks will be nearly 320,000, he said. "Both Ford car and Ford truck sales have been establishing new long-time records," he declared.

Plans recently were announced for a new Ford Motor company administration building to be constructed at Southfield and Michigan. When that building is completed and occupied, Ford division will return to the Schaefer road headquarters, Mr. Crusoe said. "In the meantime, we will have all the advantages of the division's own general office and at the same time provide needed space for other company activities."

Demel Head of New Development Council in Area

Earl J. Demel of Plymouth was elected chairman of the Northwest Wayne Development Council at the group's organizational meeting Tuesday night at Plymouth township hall.

The council was organized as a unit of the Regional Planning commission of the Detroit metropolitan area. Its purpose is to coordinate the work of the commission in projects developing sewage, water, recreation, transportation and other facilities in the entire area which includes Wayne, Oakland and Macomb counties and the four eastern townships of Washtenaw county.

Forty-six representatives of industry, churches, labor, management and transportation from the membership of the commission. Other officers elected for the council, the second to be formed in the area, are Tom Carrington, vice chairman; George E. Davis, secretary; and George N. Bentley, treasurer. Monthly meetings are to be held.

Representing nearby cities and townships at the meeting were Dr. Floyd Armstrong, Plymouth; Charles Rathburn and Mr. Demel, Plymouth township; George N. Bentley, Livonia; Tom Carrington and Charles E. Murphy, Northville; Robert Shafer, Northville township; and George Davis and Thomas Majchrzak, Redford township.

T. Ledyard Blakeman, director of the planning commission; William B. Edmonson, assistant director, and Robert J. Carpenter, planner, were present at the Tuesday meeting. The commission takes in an area with a population of over three million people, with an expected increase by natural growth of 1 1/2 million in the next 20 years.

"The trend," Mr. Blakeman stated, "is to decentralize industry, recreation, etc., so that the fringe areas will be affected and profit by development."

Al Miller, son of Mr. and Mrs. John A. Miller of Irvin street, is now stationed at the U. S. Naval Air station at Barber's Point, Hawaii. He is chief in charge of the post office there.

Graham's Formal Opening Friday

Friday and Saturday will mark the grand opening of Graham's new store on Ann Arbor trail. In a special opening event the store plans a style show Friday noon at 12 p.m. with eight Patricia Stevens' models showing the latest in new fashions and a radio broadcast accompanying the show with WHRR's master of ceremonies "Sherry Head." Ted Johnson actually broadcasting from the store.

For all who visit the store on the event of its opening Orchid corsages have been secured as gifts. The store occupies the space formerly occupied by Eger-Jackson who have moved east into the building formerly occupied by Graham's. Both stores have completely remodeled their interiors and present customers with a most pleasing arrangement of merchandise.

Explains Ticket Mailing Policy

According to local Ford dealer Paul J. Wiedman the response to the Wayne County Ford dealers "Give-Away" plan has been most gratifying in Plymouth. In answer to several questions asked of his organization by local residents as to why the agency had not mailed out "give-away" tickets Mr. Wiedman stated that none of the tickets were sent through the mail.

"If the tickets were received through the mail by some people from other dealers they apparently did not follow the definite instructions that all of us were given when the contest opened. There is nothing I would like to do more than to mail a book of tickets to all of the people of this area but it has always been my policy to cooperate in every detail with the agency and not mail any tickets," Mr. Wiedman said. "We followed our instructions and had no desire to become involved in any problem of postal regulations which might arise," he stated.

Stores Set Hours

In order to give Plymouth shoppers extra time for Christmas gift buying, local merchants have decided to advance their night opening date from December 14 to the 8th. They will keep their stores open until 9 p.m.

Santa Claus will arrive the night of the 8th and will take requests from children in Kellogg park. The Junior Chamber of Commerce is in charge of Santa's arrival.

1951 License Plates on Sale Tomorrow

The shiny new black and white 1951 license plates will go on sale tomorrow, December 1, according to Frank Rambo of the local Secretary of State's license office. The deadline for purchase of the plates is February 28, 1951.

Committees Plan Symphony Ball

The "Snowball" is the title this year of the Plymouth Symphony society's annual winter ball. The event is scheduled for December 26 in the high school gymnasium.

Mrs. Russell Daane, general chairman, promises that the ball will be one of the most festive affairs of the holiday season. Elaborate decorations in keeping with the "winter wonderland" theme are being planned by Mrs. Eugene Crosby and her committee. Music will be furnished by Datus Moore and his orchestra. Formal dress is optional.

Tickets are now on sale for the ball, according to Mrs. Harry Balfour, ticket chairman, and her assistant, Mrs. Lisle Alexander. Intermittent entertainment is being arranged by Chairman Mrs. Earl Demel, Mrs. Harold Kellogg is refreshment chairman, with Dora Gruebner in charge of the check room committee, Mrs. Howard Radtch, assisted by Mrs. David Wood, is chairman of publicity, and Carl Wall is chairman of the ballroom committee.

All proceeds from the ball aid in the support of the Plymouth Symphony orchestra.

Public School Education Work of Today Highly Proclaimed by Top State Educational Official

Why don't our public schools go back to teaching the "fundamentals" of education—like they did when grandfather and grandmother went to the little red school house to clear the meager education the boys and girls of two or three generations ago received?

And what are the "fundamentals" of education, members of the Plymouth Rotary club were asked last Friday noon by the highly informed and energetic superintendent of public education of Michigan, Dr. Lee M. Thurston of Lansing.

Dr. Thurston, a nephew of Harry H. Mohrman, vice president of the Plymouth United Savings bank and for years one of the top-ranking officials of the Michigan state banking department, was asked by President Robert Willoughby to introduce the speaker who pointed out clearly that the boys and girls of today are receiving a far better education than did their grandparents or even their own parents.

The one most general question that those in the field of education are asked pertains to the reasons why the taxpayers of today should spend their money upon the so-called "frills" that are now found in the school rooms and that those of preceding generations knew nothing about.

"The fundamentals of education are not the same today as they were when grandfather and grandmother went to school," he declared. "Maybe some consider reading, writing, spelling and figuring as educational fundamentals. "If so, the boys and girls of today are far better spellers and readers, much more advanced than were their grandparents. "We should remember that our grandparents went to school only three or four months out of the year and that five years generally terminated their public school training. Their other time was needed to help around the farm, cut and prepare wood for the stoves and assist in other ways in

Sutherland Heads Charter Revisers

Don Sutherland was elected temporary chairman of the Charter Commission at the group's initial meeting November 21 at the city hall. Members of the city commission were present at this meeting when plans for the charter revision got underway.

A committee including Mrs. John Henderson, Frank Arlen and Russell Daane was appointed to work on organizational details and rules governing the commission's action. All Charter Commission meetings are open to the public.

Wimsatt's Open New Gift Section

Wimsatt Appliance store announces the opening of a new small gift section in the shop.

A selection of toys will also be carried until Christmas. The gifts and china, however, are a permanent feature, being added to the presently established line of Frigidaire products and other appliances.

All the gift items have been personally selected by Mrs. John Wimsatt who is in charge of the new department. A complete line of different and inexpensive gift items are in stock, including English bone china cups and saucers, figurines, ceramics, vases, breakfast and dinner dishes and glassware. Royal Doulton figures will also be carried. All gifts will be boxed free of charge.

Nevin Will be Rotary Speaker Tomorrow

Robert Nevin of Technical Service, Inc., of Livonia will be the speaker on the Rotary club program tomorrow at the Hotel Astor. Mr. Nevin is engaged in the work of highly specialized sound and film projection equipment. Lou Goddard is chairman of the luncheon program.

Tell Prizes For Yule Decorations

Prizes for the best decorated home, store front and service station in the city at Christmas time have been announced by Bert Giles, Christmas decoration committee chairman. Twenty-five dollars will be the first prize in each division, fifteen dollars is second prize, and third, ten dollars.

Though heavy storms have delayed delivery of some of the decorations, the committee hopes to get the street decorations started this weekend. Assisting Giles on the committee are Marvin Partridge, representing the Junior Chamber of Commerce; Frank Tony, representing Kiwanis; Kenny Olds, representing Optimists; Stan Besse, representing the City; Sterling Eaton, representing Rotary.

All residents living on Ann Arbor trail, Penniman, Main and Starkweather avenues are urged by the committee to have a lighted Christmas tree in front of their homes during the holidays.

Chorus Presents Messiah Dec. 17

Four soloists will perform with the civic chorus in the annual presentation of "The Messiah" December 17 in the high school auditorium. Two performances will be given, one at 4:30 p.m. and the second at 8:30 p.m.

The soloists include Ruth Campbell, soprano, and Earl Rehner, both of Plymouth, and Florence Ellison, contralto, and Jack Wilcox, bass, of Detroit.

Fred C. Nelson is director of the chorus. The Christmas program is sponsored by the Plymouth Symphony society.

Arrange Bloodmobile Visit Here December 5.....

Checking registrations of blood donors for the Red Cross Bloodmobile visit at Plymouth High school December 5, are left to right, Mrs. Henry Penhale, local branch chairman; Mrs. Lee Sowles, blood bank chairman, and Russell Daane, chairman of the Civil Defense council. At least 100 blood donors are needed to complete Plymouth's blood bank, assuring a plentiful supply for local residents seeking emergency blood donations. Registrations for December 5 from 2 to 8 p.m. are being taken by Mrs. Penhale.

Former Resident Married in Ohio

Grace Methodist church in Lima, Ohio, was the scene of the marriage of Mary Jo Cleveland, daughter of Mr. and Mrs. M. L. Cleveland of Lima and Robert S. Hall, son of Mr. and Mrs. Robert S. Hall, also of Lima and former residents of Rosedale Gardens.

The \$300 wedding ceremony was read by the Rev. Vernon Van Buren on Saturday, November 25.

The bride asked her sister, Miss Mary Cleveland, to be her maid of honor and another sister, Mrs. M. L. Cleveland, to be her bridesmaid. The best man was the bridegroom's brother, Leon Hall, and Richard Bucher of Lima and Harry Carter, Jr. of Plymouth acted as the guests.

After a short honeymoon the young couple will be at home to their many friends at 1950 Elida road in Lima, Ohio.

Glee Club Gives Holiday Program

The Glee club members of the Plymouth Woman's club will present a program of Christmas music at the club meeting tomorrow afternoon in the First Presbyterian church hall.

The annual holiday program will be conducted by Mrs. Gerald Knapp, Mrs. Vaughn Smith is chairman of the meeting, assisted by Mrs. Verna D. Steele, in charge of donations, and Mrs. Betty Dwyer, the chairman.

Remember—the busiest man is the happiest man.

Kill all the time you wish—but save it as your own.

Gift Fair Aids Building Fund

Colorful displays of hand-made gifts and cards will attract the Christmas shopper attending the annual Christmas Gift Fair to be held on December 3, in DeSales auditorium on the Madonna college campus, 36800 Schoolcraft road.

Gifts offered include two hand-woven afghans, two hand-woven baby blankets, an oil painting, a water color picture and a ceramic piece.

The fair, launched to start the college building fund, is under the direction of the art department. For months the work of fashioning, glazing and firing the various ceramic articles to be sold has been taking place.

Featured in the sale will be several varied ceramic figurines of the Madonna and Child, choir boys in sets of three, jewelry boxes, candy dishes, ash trays, cigarette boxes, utility boxes, flower holders and vases in gay, bright colors.

An exhibit of the articles was set up in the window of the Plymouth United Savings bank, and will remain there for two weeks as an invitation to the general public to attend the sale on the campus.

Recreation Dept. Classes

Square Dance Club
Please note a correction in the date of the next square dance. It will be held on December 7 instead of November 30 as stated in last week's paper. The dances are held on the first and third Thursdays of each month.

Ceramics
The advanced class in ceramics is meeting each Tuesday night from 7 to 9 in the high school. Mrs. Meier from Wayne is the instructor. There will be another beginners class starting sometime after Christmas if enough people are interested.

Swimming
Twenty-seven women have been enjoying the beautiful pool at the Wayne County Training school for the past eight weeks. Mrs. Wilhelmina Shirey is an excellent instructor and will continue with the next class which will start January 3. The first 25 women who register in the recreation office will be accepted in the class.

Women's Gym Class
The women's gym class will resume activities in the Stark-weather gym tonight at 7:30 under the very able direction of Mrs. Alex Miller.

Announce Marriage of Marilyn Strautz to Norman Rutherford

Announcement is made this week of the marriage of Marilyn Jane Strautz, daughter of Mrs. Mable Strautz of Oakview street, to Norman James Rutherford, Norman is the son of Mr. and Mrs. Harvey Rutherford of Hart-south avenue.

The young couple were married on Saturday, November 18 in Angola, Indiana. Mr. and Mrs. William Batterton, Jr. were their attendant.

The bride wore a dress of blue slipper satin with winter white accessories and a corsage of pink roses and white baby mums. Mrs. Batterton's dress was of blue with a corsage of bronze mums.

Both young people attended Plymouth High school. They are making their home for the present on Oakview street in Plymouth.

Symphony Notes

by Grace Von Bergen
As the orchestra performed the exquisite music of the Mendelssohn "Italian Symphony" to perfect heights of musical attainment—we were reminded of the charming Mrs. A. Sorg in whose name the musical score of the music had been presented by her husband known affectionately as "L.A." and daughter, Sallie Jane, a faithful attendant at all the concerts in the first violin section.

Before she died, Mrs. Sorg had attended one of the concerts and the writer had the pleasure of chatting with her for a few moments during the tea hour which followed the concert. She was greatly impressed and moved by the feeling of warmth and the afterglow in which she reminisced over the music was something to hear.

What greater tribute can there be—music that lives and continues to live—played skillfully by many musicians—truth that love can never die—made manifest.

There were many anxious hearts at last Sunday's concert. Shoshana Brooke Freedman, the soloist at the previous concert, was snowbound in New York state. Her husband, Ralph, had been trying to communicate with her but with no success.

The Fred Nelsons were snow bound in West Virginia. It was announced that John Elwell of Michigan State Normal college would pinch hit at the rehearsal of the "Messiah" due to Mr. Nelson's absence.

John Gajec, the oboe and English horn player, said his train was seven hours late coming in from New York. These Plymouth musicians believe thoroughly that the concert must go on and even turn out in greater numbers in the worse weather.

In fact, the greatest attendance record of the orchestra personnel was achieved on November 19 at the Redford concert according to the personnel manager.

Did you know that the concert was broadcast over WPAC at 2:30 p.m. last Monday afternoon? This station, reached at 1050 kil, recorded the first half of the concert. Make a note for the future programs.

A publicity brief issued through the Redford Union PTA and printed in this paper erroneously stated that Harold Von Bergen played with the Scandinavian Symphony orchestra. He had at one time been a member of that organization, and the information is only given here to clarify that point. A great many of the Plymouth musicians do play in other orchestras, however.

We are looking forward to the Symphony Ball December 29—Why not make up a party and plan to attend?

Until the "Messiah", happy listening!

Spread of Stem Rust Can Damage 1951 Oat Crop

Michigan farmers who grow oats have their fingers crossed and are watching developments on the spread of the new race of stem rust which damaged crops as much as 20 percent in parts of the midwest in 1950.

It is race 7 of oat stem rust and M. E. Turner, official of the U. S. Department of Agriculture in charge of barberry eradication in Michigan, reports it was found in Gratiot and Alger counties in 1949. It was generally distributed this past summer. Turner says the new race of stem rust affects most varieties of oats grown in the midwest including Bonham, Kent, Clinton, Benton and all the new Bond crosses. These make up 95 percent of the Michigan crop.

Turner works in cooperation with plant pathologists at Michigan State college and the Michigan Department of Agriculture.

The new race 7 has been present in New England for several years, having been found on barberry bushes in New York several years ago. It first appeared in the central states in 1949 and in 1950 it was found in many states in the oat producing area of the middlewest.

The 1950 season in Michigan was "ideal" for rust, according to Turner, who pointed to high moisture and humidity and a late crop. Damage, however, was relatively small for all grains, amounting to less than one percent of the crop. Most of that came in late maturing fields.

In Michigan, barberry eradication work has resulted in 91 percent of the land area being cleared of the bush in which the stem rust carries over from fall to spring.

Mr. and Mrs. Kenneth Richards Return From Northern Michigan

Mr. and Mrs. Kenneth Richards have returned from a honeymoon spent in northern Michigan. Mrs. Richards is the former Elaine Truesdell, daughter of Clyde Truesdell of Cherry Hill road and her husband is the son of Mrs. Emma Richards of Six Mile road, Northville.

The candlelight ceremony was performed by the Rev. George Nevin at 7:30 p.m. on Saturday, November 11, in the Sheldon Methodist church. Joseph Cicirelli sang "Because" and "I Love You Truly" preceding the rites.

For her wedding Mrs. Richards chose a gown of traditional white satin with train. Her fingertip veil of illusion was held in place with a headpiece of lilies of the valley. She carried a bouquet of white roses and mums.

Mrs. Beatrice Wilkins, sister of the bride, was her matron of hon-

or, wearing a gown of pink with white satin skirt and lace bodice. Her headpiece was of pink roses and seed pearls. The bridesmaids were June Truesdell, a niece of the bride, Mary Ann Misch and Geraldine Christensen. June's gown was of violet satin. Mary Ann's was blue, and Geraldine wore yellow. All were made identical to that of the matron of honor and all carried bouquets of roses and mums matching their gowns. Little Linda Jean Truesdell, another niece of the bride, was the flower girl and wore pink.

For his best man, Kenneth asked Robert Taylor, and the ushers were Robert Scheppel, Harry Swan and Forest Truesdell, a brother of the bride.

Mrs. Richards wore a dress of green with black accessories and a corsage of talisman roses and

mums for her son's wedding. A reception for over 200 guests was held in the church parlor following the ceremony with guests present from Chicago, Illinois; Royal Oak, Wayne, Northville and Garden City.

For her going away outfit Mrs. Richards chose a grey wool dress with grey accessories. They are making their home on Cherry Hill road.

Reed Mason, 13 year old son of Mr. and Mrs. Gail Mason of West Ann Arbor road, has returned home after spending two weeks in the University hospital, Ann Arbor, as a result of being hit by a car while returning home from school on his bicycle. While Reed is steadily improving, he will be confined to his bed for another two weeks.

It's Venison Dinner For Lucky Plymouth Hunters

Proof that many of the local deer hunters had some luck was evident this week when nearly 50 hunters reported success in getting their buck.

The first day of hunting seemed to be the right one for city hall hunters. Police Officer Lou Westfall and Fireman Korny Voss arrived in town at noon with a deer. Acting Police Chief Carl Greenlee and Herbert Woolweaver and his son, Gary, were lucky on the first day. Police Officer Ray Rogers also brought home a deer.

Services Held For James Leslie

Funeral rites were held Tuesday, November 28 for James Thomas Leslie who passed away Saturday, November 25, at his home, 11292 Eastside drive, in Plymouth township at the age of 82 years. Mr. Leslie was a lifetime resident of Plymouth. Services were held at the Schrader Funeral home.

He was the husband of the late Elizabeth Leslie. Surviving are his five sons, Forest of Leamington, Ontario; Harold of Northville, Norman of Los Angeles, California; Sanford and Howard, both of Plymouth, also survived by one brother and one sister, 10 grandchildren and three great-grandchildren, other relatives and a host of friends. Mr. Leslie was the father of the late Milton Leslie.

Rev. Melbourne I. Johnson officiated. Hymns were rendered on the organ. The active pallbearers were Messrs. Harry Maynard, William Strautz, Jacob Washback, Harold Stout, Charles VanEvery and Meldrum Smith. Interment was in Riverside cemetery.

Rites Today For Eva Coopersmith

Mrs. Eva Coopersmith who resided at 33670 Stark road in Livonia passed away suddenly early Tuesday morning, November 28, at the age of 53 years. She was a lifetime resident of Livonia and a member of St. Michael's church of Rosedale Gardens.

Surviving are her husband, George Coopersmith; four sons and two daughters, Mrs. Evelyn Kaiser and Lawrence Coopersmith, both of Livonia; Mrs. Margaret Lampton of Garden City; Henry, Frank and Marion Coopersmith, all of Livonia; her mother, Mrs. Lena Melow of Mt. Clemens, and her two brothers, Howard Melow of Mt. Clemens and Albert Melow of Livonia; also surviving are seven grandchildren and other relatives.

Mrs. Coopersmith was brought to the Schrader Funeral home where the rosary was recited last night at 8 p.m. by the Rev. John E. Contway.

Funeral services will be held today, Thursday, at 9:30 a.m. at St. Michael's church with the Rev. John E. Contway officiating. Interment will be in Riverside cemetery.

Maude Jorgenson Dies Suddenly

Funeral services were held on Saturday, November 25, at 1 p.m. from the Schrader Funeral home for Mrs. Maude Emma Jorgenson who passed away suddenly Wednesday, November 22 at the age of 52 years. Her home was at 51222 Cherry Hill road in Canton township. Mrs. Jorgenson has been a resident of Canton township for the past 30 years.

Surviving are her husband, Knudt Jorgenson; three daughters and two sons, Mrs. Ellen J. Powers of North Branch; Bruce Jorgenson, Mrs. Beatrice Coleman, Miss Margaret Jorgenson and Edwin Jorgenson, all of Cherry Hill; also surviving are her mother, Mrs. William Hawk, Sr. and her brother, William Hawk, Jr., both of Cherry Hill, and nine grandchildren survive.

The Rev. George T. Nevin of the Cherry Hill Methodist church officiated. Hymns were rendered by Mrs. Frank Dicks. The active pallbearers were Knudt Jorgenson, Raymond Jorgenson, Ross Hawk, Harry Lovell, John Oliver and Ivan Oliver. Interment was in Riverside cemetery.

Maccabees Business Meeting December 6

The Plymouth Maccabees Tent Hive No. 156 will hold a general business meeting December 6 at 8 p.m. in the Grange hall. A pot luck dinner will precede the meeting at 6:30 p.m.

All members are urged to attend this meeting as plans will be made for the Christmas party at that time.

Reminds Pet-Owners to Shelter Pets From Cold

With the cold, snowy winter now here, household pets should not be left outdoors for any length of time, Mrs. Roy Lindsay reminds pet-owners. Mrs. Lindsay is a local member of the Michigan Humane Society.

Mrs. Lindsay states that many owners of dogs and cats keep the animals out of doors, forgetting that they suffer from the recent low temperatures. She urges that a warm shelter be provided for pets if they are not kept in the house.

Hold Funeral For Mrs. Leininger

Services were conducted Monday, November 27 at 1 p.m. from the Schrader Funeral home for Mrs. Hattie Hawkes Leininger who passed away Friday, November 24, at the home of her daughter, Mrs. Gertrude Ottensman of 754 Maple avenue where she has been visiting for the past month. Mrs. Leininger was 74 years of age and her home was at Monclova, Ohio.

Surviving are her husband, George; four daughters and two sons, Mrs. Tadie Hazlett of Toledo, Ohio; Howard Hawkes of Ann Arbor; Clark Hawkes of Trenton; Mrs. Gertrude Ottensman of Plymouth; Mrs. Fern McGrow of Ann Arbor and Mrs. Velma Gault of Willis; also her sister, Mrs. Minnie Adams of Monclova, Ohio and 12 grandchildren.

The Rev. Melbourne I. Johnson officiated. Hymns were rendered on the organ. The active pallbearers were Wayne McCrow, Earl Hawkes, Lloyd Hawkes, Harold Hawkes, Russell Gault and Samuel Yates. Interment was in London cemetery, Milan, Michigan.

WAYNE, MI.
No. 380,678.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the fifteenth day of November, 1950, in the year one thousand nine hundred and fifty.

Present Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of HAGOP HOVANSESIAN, also known as HAGOP HANSON, Deceased.

On reading and filing the petition of Bank of Athens Trust Company, attorneys-in-fact for Haroutun Hovanessian and Nevart Kevorkian, by Paul Bairas, its attorney, praying that this Court adjudicate and determine who are or were at the time of the death of said deceased his heirs-at-law and entitled to inherit the estate of which said deceased died seized.

It is ordered, That the eighteenth day of December next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

Chamber Favors School Bond Issue

The Plymouth Chamber of Commerce went on record last week as favoring the board of education's proposal to vote a bond issue raising additional funds for completion of the school building program. The electors will be asked to decide the issue at a special election December 11.

Following the chamber's board of directors meeting, George A. Smith, secretary, sent a letter to Robert O. Wesley, school board president, expressing the chamber's decision on the matter.

The letter read "I am enclosing a portion of the minutes of the Board of Directors meeting which I am sure will be appreciated by you as president of the Board of Education."

"The question of the school vote on December 11, 1950, to raise additional funds to complete the project for which the community voted two years ago was discussed by those present.

"Motion was made by Russell Daane, seconded by Ralph Lorenz, that the Board of Directors approve and recommend the issuance of bonds to complete our school building program. Motion unanimously carried."

V.F.W. News

The auxiliary has been presenting stationery folders, writing materials, stamps and address books to each of the Plymouth boys leaving for service. Three of the boys have written thank you notes in acknowledgment. To quote one from Lt. L. E. Danielson, Ocean-side, California, "It was a very pleasant surprise to receive your very thoughtful gift. So many times, gifts to men in the service are not practical but yours really hit the spot. Knowing that the people in the home town are thinking of you means a great deal and you should be very proud of the work you are doing."

The December 5 meeting promises to be most interesting and instructive. There will be a short business meeting at 7:30, followed by an adult education program, planned by Mrs. Kenneth Fisher, chairman. It will feature a talk by Mrs. Andrew E. Moore of Dearborn who will tell of her experiences teaching in Germany in the year 1946-47. All members are urged to avail themselves of this opportunity to hear Mrs. Moore and to bring a friend.

Auxiliary members have voted to sponsor a Brownie troop, and the leader is Mrs. Sheldon Baker of Hartsough street.

Mayflower Post No. 6695 had a good turnout for the Feather party held at Grange hall November 20. The Schwartz Greenhouses donated potted chrysanthemums for the event. There will be another VFW Feather party before the Christmas holidays. Watch for the date.

I.O.O.F. News

To all brothers of Tonquish lodge No. 32—this is sort of a plea, not to any particular member, but to all members. Your building committee has gone as far with our new lodge hall as funds will permit but our building is far from ready. The steel beams will be placed sometime this week and we will be ready to put our roof on but funds are needed for the concrete floor, glass for the steel sash and other necessary incidentals. All members are urged to bear in mind that we will be forced to move from our present location by December 31 which will soon be here. The building committee realizes that Christmas season is upon us and we all need money for gift buying. But every member is urged to give only what he can spare towards our building fund without inconveniencing his own personal needs. Every dollar you can spare means a lot at this time. Now for a bit of brighter news.

The ladies of the Rebekah lodge wish to draw attention of all Odd Fellows and Rebekahs to the Bazaar which will be held December 1 starting at 1 p.m. through the evening with a roast beef supper to be served family style from 5 to 7 p.m.

All members of both lodges and friends are reminded to keep this date open as a good time is assured for all. Please remember to visit our shut-in brothers, P.G. Trinkaus and P.G. Mastic.

Attend lodge as regularly as possible and assist your brothers in the work of your lodge. All funds toward the building completion may be handed in at the B. E. Giles real estate office.

Local News in Brief

Mrs. Peter A. Miller is leaving Sunday night to spend the winter in Florida. She will stop at DelRay Beach for a while visiting her daughter and husband, Mr. and Mrs. George Treis.

Mrs. Merle Parsons of Schoolcraft road was honored at a stork shower last week when Mrs. Milton Haberer, Mrs. Ralph Boutwell and Mrs. Herbert Broom entertained in the Boutwell home in Rosedale Gardens. Twenty-five guests were present from Northville, Detroit and Plymouth.

Mr. and Mrs. Albert Schroeder entertained last Thursday in their home on Newburg road for Mr. and Mrs. John Schroeder and son, Jack, and Miss Harriet Schroeder. The dinner celebrated both Thanksgiving and the birthday of Mrs. John Schroeder.

Probably the most ridiculous gesture the Communists have ever made is the move on Tibet to "liberate" it. Tibet is the land of James Hilton's fictitious Shangri-La... a land of snowy mountains, goats, and people who seem to be mainly interested in minding their own business. If it is oppressed by Wall Street imperialism, the monks and lamas of the high country have been too busy with their studies to get the word. Tibetans have never encouraged visiting foreigners, and the Reds may find them tougher to swallow than a whole pineapple. But the motto seems to be... and so Tibet.

It does our hearts good to see so many attractive new stores opening in our community... the better to serve the public. And when business performs a true service for the people, it's a good sign that our local economy is healthy.

An Illinois watch expert says women are harder on watches than men. But a local feller says he doesn't think they wear them out trying to be on time. It's high time to get your Christmas shopping out of the way. And there's an easy way. Just shop here. We have a complete selection of gifts and cards... in a wide price range. You'll shop conveniently and economically at PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2080.

Bagwell to Speak at Jaycee Dinner

Professor Paul Bagwell, head of the department of speech and written English of Michigan State college, will be the guest speaker at the Junior Chamber of Commerce dinner meeting December 12. The meeting will be held at Hillside Inn at 7 p.m.

Invitations have been extended to all members of the Chamber of Commerce and their guests for this meeting to hear Professor Bagwell who has the reputation of being one of the finest and sought-after speakers in the country. He will speak on the Junior Chamber of Commerce, its meaning and his experiences as national president.

Reservations will be taken until December 8 and may be made by calling Marvin Partridge at 1422 W. Don Johnson at 1120-R. According to Jaycee President Marvin Partridge, the Junior Chamber of Commerce is a supplementary educational organization wherein the young men of your community may join together in a friendly spirit to inculcate civic consciousness in its membership by means of active participation in constructive projects which will improve community, state and nation.

Youngsters Under 16 Eligible for Contest

Beyer Pharmacy on Liberty street is continuing the Rexall boys and girls contest which ends Friday, December 22. Any boy or girl 16 years of age or under is eligible to enter the contest, rather than 16 years old or older as was previously announced. Seven boys' prizes and seven girls' prizes are offered in the contest, in addition to the boys' and girls' grand prizes.

Tip For Tired Snow Shovelers

With slush and snow piling up on the city's sidewalks and blocking driveways, Commissioner Perry Richwine decided something must be done about it. In an advertisement at the bottom of this page, he asks those interested in having the city clean the snow off sidewalks to send a contribution to the city hall for the necessary equipment.

New sidewalk shoveling equipment would cost approximately \$2,000 and the city treasury can't be any clearer to foot the bill. If all the money can be collected for the equipment, all city sidewalks will be cleared of snow without further cost to residents.

Rotarians Chat With Superintendent of Public Instruction...

Caught in an informal chat after the Rotary meeting last Friday were Rotarians Helmer Nelson, president Robert Willoughby, Robert Wesley, and Elton Eaton seated, talking local and state school problems with State Superintendent of Public Instruction Lee Thurston, who had been the club speaker, standing right. Mr. Thurston was brought to the club for the meeting through the efforts of his uncle, Rotarian Harry Mohrman, standing left.

Record Blizzard and Below Zero Weather Hits Plymouth Early

(Continued from page 1)

Lawrence Rattenbury and Vaughan Smith, two enthusiastic rooters for the University of Michigan football team, started out early Saturday morning for Columbus, Ohio to see the U of M and Ohio game. They reached Columbus just about the time the storm hit that area. Even though the mercury stood at just eight above, they remained during the first half, but gave up when, because of the heavy snowfall, they couldn't see the plays being made. Immediately they started back for Plymouth, but were unable to get beyond Finley, Ohio where they remained overnight. It was Sunday afternoon before they were able to get back to Plymouth.

Timely action by the City Manager's office in getting the city snowplow into operation early Sunday made easier auto traffic along the main thoroughfares of the city but the continued intense cold Sunday and Monday did not relieve conditions to a great extent.

The high winds of Friday and Saturday nights broke big branches from trees throughout this part of Michigan and as a result broken telephone lines put hundreds of phones out of service for a large number of rural residents. The phone company has had repair crews working overtime in an effort to restore service.

Although the severity of the five day blizzard was at its height Friday night, Saturday and a part

of Sunday, an additional two or three inch snowfall on Monday added to the bad traffic condition. The slight thaw of Tuesday forenoon helped clear the paved highways to some extent, but continued cold weather through Wednesday and late predictions of more cold and possibly snow by the end of the week offered little promise of relief.

The crack B & O train that operates between Detroit and Washington, arrived Monday at noon, some six hours late.

Snowbound for three days following the Ohio State-University of Michigan game in Columbus, Ohio, Mr. and Mrs. James Thrasher of Lakeland court finally returned home Tuesday morning. After the game the Thrashers were unable to find their car, one of thousands that had been buried in the blizzard. Three hours later they located it but blocked roads forced them to remain in Columbus.

"When we couldn't find a hotel room we tried to reach the home of friends but it was impossible," the Thrashers stated. They did manage to finally find a room and remained in Columbus until roads were cleared. They said some hotels were renting barber chairs for people to sleep in.

Keith Miller, son of Mr. and Mrs. Peter Ralph Miller, never reached Columbus. He and fraternity brothers from the University of Michigan stopped in Cleveland Friday night and were snowed in by morning. Luckily the fraternity house in which they stayed was next to a hospital and the street was cleared on Saturday.

Mrs. Harold Todd, with other relatives who had gone to Gettysburg, Pennsylvania to visit relatives over Thanksgiving, was marooned in that city for a few days.

Storm Fails to Stop Symphony Concert Crowds

by Grace Van Bergen

One was reminded of the postman's "Not rain, nor sleet, nor hail or wind" of whatever—on last Sunday—when the auditorium was packed as usual for the second concert of the fifth season of the Plymouth Symphony orchestra. The soloist for the concert was none other than Plymouth's own Fred Kendall who is becoming a name to radio audiences far and wide through his connection on a daily broadcast for Station WJR in Detroit.

Mr. Kendall is a tenor with great possibilities. His choice of program was the Flower Song from the opera Carmen by Bizet which was followed by two encores, Schubert's "Ave Maria" and "Serenade" from the "Student Prince." These selections proved to be a big hit with the audience and also gave Mr. Kendall an opportunity to display his abilities as a singer by the contrasting compositions.

"The Italian Symphony" by Mendelssohn was the opening number on the program and the orchestra performed it to perfection. Wagner's "Prelude and Liebestod" followed after the intermission. It seemed that the great surging longing emotions described in Josef Lazaroff's program notes were most tenderly illustrated.

Due to the snow clouds and the hazardous driving conditions, the conductor Paul T. Wagner omitted the Debussy Nocturnes "Nuages" and concluded the program with Von Weber's Overture.

The intermission speaker was Roy L. Jacobus, a newcomer in Plymouth by two years' residence. He said that his only regret on leaving his former home in Chicago was the thought of missing the orchestra and other cultural influences. It added that he had found the Plymouth orchestra comparable in interest.

Mr. and Mrs. J. J. Wickens of Wilcox road were entertained on Thanksgiving day by their son and daughter celebrating their 35th wedding anniversary. Among those present were Mr. and Mrs. J. J. Wickens and son, Mr. and Mrs. Max Russell and son, Paul, Mr. and Mrs. C. Blake, Mr. and Mrs. Harry Avall, St. Detroit, and Mr. and Mrs. Joe Elkerton and daughter.

Public School Education Work of Today Highly Proclaimed by Top State Educational Official

(Continued from page 1)

perience the children of those days had that our children do not now possess. If we want the hours warmer we simply turn the thermostat higher. The whole order of things has changed. We have made the world over. Your children are now learning the fundamentals of education much faster than you or your grandparents did.

"Let's get rid of the frills of education, did some one ask? With every boy and girl a potential automobile driver, sitting back of a steering wheel of a machine that has 110 or 120 horsepower under the hood, is the school driver-training course a frill or a responsibility?"

"Mother nature is an outdoor school house, one of the best there is in the world. We all profit by what it teaches. Our grandparents had the advantage of it, but do our children get their rightful share of it? Only those who can through some good fortune attend a summer school camp, have the advantages of nature study. The great mass of children who grow up in Detroit don't get it—and it is a tragedy. Is such out-door training a frill?"

Present at the meeting were several of the educational leaders of this district.

PHS Band Guest at Kaiser-Frazer Plant

The Plymouth 80-piece high school band was chosen to perform at ceremonies honoring the Kaiser-Frazer "body-in-white" department at Willow Run on November 20. The band paraded along a mile-long assembly line and members were guests of the company for lunch.

Wave Shirley Oakley and Yeoman James Burton Married Saturday

In an informal candlelight ceremony Saturday evening, November 18, Irene Shirley Oakley, USNR of Pontiac, became the bride of Yeoman James Winston Burton, USNR, of Rosedale Gardens. The Rev. Woodrow Wooley officiated at the double ring rites in the Rosedale Gardens Presbyterian church.

The bride is the daughter of Mrs. Marjorie Frosch of Long Beach, California, and William Oakley of Detroit. Parents of the bridegroom are Mr. and Mrs. A. Cromer Burton of Rosedale Gardens.

During the ceremony Miss Evelyn Penteous of Rosedale Gardens sang "Because" and "I Love You Truly." She was accompanied by Organist James Marshall.

Given in marriage by her uncle, Chandler York of Detroit, the bride wore a street length dress of sky blue tulle with winter white accessories. Her corsage was of white gardenias.

Barbara French of Detroit as maid of honor chose a cloth of gold dress with matching accessories. Her corsage was of salmon pink carnations. Lt. Daniel C. Burton, USNR, was his brother's best man.

At the reception held in the church parlors immediately following the ceremony, Mrs. Daniel Burton and Mrs. Chandler York poured at the serving table. Following a wedding trip the new Mr. and Mrs. Burton will be at home at their apartment on Grosse Isle after December 1.

Fortitude I take to be the quiet possession of a man's self, and an undisturbed doing his duty, whatever evils beset, or dangers lie in the way. —John Locke

Announce Engagement of Dorothy Leaveck to Kenneth Ensign

Dorothy Fern Leaveck
Mr. and Mrs. Michael J. Leaveck of Hix road announced the engagement of their daughter, Dorothy Fern, to Kenneth Ensign, son of Mr. and Mrs. Clarence Ensign of John Hix road in Wayne.

The betrothal was announced on the occasion of Dorothy's 17th birthday. She is a junior at Plymouth High school. No wedding plans will be made until she has completed her studies.

Helen Holmes Becomes Bride of Glen Hix in Candlelight Rites

Glen Hix and his bride, the former Helen Holmes, daughter of Mrs. Mary Holmes of Hartel street, chose Friday, November 17, the bridegroom's mother's birthday, as the day for their wedding. Glen is the son of Mr. and Mrs. Gerald Hix of Pine street.

The seven-thirty rites were performed in the First Presbyterian church by the Rev. Henry Walch before an altar adorned with vases of baby mums and lighted candelabra. Mrs. Furne Thompson, a cousin of the bridegroom sang "I Love You Truly," "Because" and "The Lord's Prayer" during the ceremony.

The bride, who was given in marriage by her brother, Gordon Holmes, was gowned in white satin with peplum and collar of lace and long pointed sleeves. Her fingertip length veil was fastened to a crown of lace and orange blossoms, and she carried a bouquet of white carnations with streamers of baby mums.

Betty Sue Hayes, the maid of honor, wore a gown of old rose

Nancy Brannan Heads Sorority

Nancy Brannan, daughter of Mrs. Beatrice Brannan of Five Mile road, will be initiated into Sigma Kappa international sorority at Western Michigan college in Kalamazoo December 2. The weekend of December 2 and 3 will mark the initiation and installation of the Gamma Beta chapter of Sigma Kappa on Western's campus. Nancy is president of the charter group which was a local sorority academy for 30 years.

At the installation banquet she will give a response to the greetings and welcome to be extended by Mrs. Russell Cole, national counselor. At the reception, December 3, Nancy will be a member of the receiving line.

Now a junior at Western, Nancy is also secretary-treasurer of Alpha Phi Gamma, honorary journalism fraternity. She was graduated from Plymouth High school in 1948. Many members of the Alpha Tau chapter at Michigan State college, including Marjorie Tait and Sally Holcomb of Plymouth, will be present at Western for the event.

Choir Performs For PHS Thanksgiving Assembly

A Thanksgiving assembly was held at Plymouth High school on Wednesday, November 22, at 2:30 p.m. for junior high students and 3 p.m. for senior high students. The first thing on the program was three songs, "Come Ye Thankful People, Come," "The Lord's Prayer" and "The Prayer of Thanksgiving," sung by the choir directed by Fred Nelson. The members of the choir are as follows: Janice Anderson, Terry Carney, Dorothy Curtis, Ellen Daoust, Nancy Kiehl, Joyce Erickson, Verlyn Knight, Nancy Kropf, Pat Krump, Norma Lewis, Sara McConnell, Donna Renwick, Almeda Robinson, Beverly Ross, Betty Salmon, Joan Spencella, Jean Stone, Mary Stone, Carolyn Taylor, Jean Tetzloff, Marjorie Thomas, Jean Tidwell, Norma Van Dyke, Phyllis Wilkens and Nancy Worth are the girls. The boys are: John Amrhein, Keith Avery, Tom Benson, Jon Brake, John Britcher, Bob Davis, Jack Emery, Ed Goebel, Eldon French, Dave Green, Dick Hines, Lee King, Ronald Lamer-

Job Interviews Subject of Talk

Miss Louise Clement, supervisor of the Burroughs Training school in Detroit, was the guest speaker of the Commercial club on November 17. Miss Clement was accompanied by two other members of the Burroughs company, Mrs. Cohan, in charge of machines, and Mrs. Bobard, who is in charge of the placement bureau. She discussed with the group job interviews. She also explained that there was always a shortage of operators. The course the school offers has three main divisions: the calculating department, billing department, and the bookkeeping department. A special test is given to each new member who enrolls to find where her best ability lies. Once a girl receives a certificate from this school, it is good any place in the world, for Burroughs now has plants on every continent.

Scholarships Offered Seniors

Scholarship information, which is available in the guidance department, has been received from several colleges. Albion college is offering scholarships from \$50 to \$200 a year. Awards will be based on scholastic achievements, leadership ability and financial need.

Library Adds New Magazines

The Plymouth High school library has 13 new magazines this year making a total of approximately 50 magazines that can be used by students for reference. The magazines were chosen because they are indexed in the Readers' Guide and they will also be a help to the different departments. The names of the new magazines are as follows: America, Atlantic Journal, Current History Design, Modern Airplane, Plays, Radio Age, Science Digest, Senior Prom, formerly Calling All Girls; Radio and Television News, Theater Arts, United Nations World and Today's Health.

Girls' Volleyball Tournament Starts

Girls' volleyball is now underway for grades 9 through 12, reported Miss Delores Lloyd, girls' gym instructor. The teams had their first practices November 14 and 21 after school at 3:30. The tournament will begin next week with eight teams participating. The captains are as follows: grade 12, Anne Preston; grade 11, Carolyn Smith and Nancy Beagle; grade 10, Betty Mishler, Nancy Kropf and Kathleen Dowling, and grade 9, Beverly Goodale and Geraldine Fulton.

Glenn Smith's Special Deer Blind Pays Off

Foxy Grandpa Smith's idea about the way to be sure and get his deer, paid off in big dividends last Friday morning when the mercury stood around 12 below. Roused out of bed by his son, Tip Smith, who insists on hunting deer with a bow and arrow, the two made their way to that well-built hunting blind that Glenn has prepared just previous to the opening of the deer hunting season. He had been in the blind barely half an hour before a big buck came ambling along as though there wasn't a trouble in the world for Mr. Buck. It provided a perfect shot—and in less time than it takes to say it Mr. Buck had a tag on the one antler that had been left after a fight with another buck. Mr. and Mrs. Tip Smith and their children drove up to Bitley to spend a few days during the deer hunting season with Mr. Smith, who plans to remain at his cottage for a time. They took with them a pre-cooked Thanksgiving day dinner.

Shop Classes Do Work on Copper

In the junior high shop classes the boys are working on projects made from copper with Terry Calkins, Ovid Deace, Terry Gobel and Jack Hanson making copper trays and ashtrays. Other projects are made of wood such as teeter horses made by Harold Alexander, Paul Kimer, Wayne Hornback and David Bowen; a hall tree by Lawrence Barnwald; gun case by Bob Packard; and bookshelves by Bill Hamlin. Animal statues were also made such as a pelican by Dick Yorck; a penguin by Steve Varish, a pig by Dale Wilkin, a sea gull by James Gibson, a dog by Bob Young, and a hound by Hal Becker.

Clergy Attend First Council of Churches Meeting

Leaders of Christianity in America—prominent clergymen and outstanding laymen—will witness the creation of the National Council of Churches at Cleveland, Ohio November 28-December 1. After nine years of planning the year 1950 will mark a great step forward by American churches to advance God's kingdom through united action. Twenty-seven communions—Protestant and Eastern Orthodox—with memberships totaling more than 31,000,000 have now voted to participate in the National Council of Churches. The constituting convention of the National Council will take place on the days mentioned.

Representing the Plymouth Ministerial association as "visiting delegates" will be Rev. Alexander Miller of St. John's Episcopal church and the Rev. P. M. McPherson of the Plymouth Church of God. Approximately 1,000 visiting delegates have been invited to attend the convention, where they will participate in the program, though they will have no vote in the proceedings.

Among the dignitaries who will address the four-day convention are: Dr. W. A. Visser 't Hooft, general secretary, World Council of Churches; Dr. Toyohiko Kagawa, Christian leader of Japan; Miss Sarah Chakko, president of Isabella Thoburn college in India; the Hon. Francis B. Sayre, representative of the U. S. to the United Nations Trusteeship Council, and others.

The convention will feature "around the clock" programming in order that each delegate may have an opportunity to participate in or observe as many and varied activities as possible. The National Council will be formally constituted on Wednesday morning, November 29, following a call to order by Dr. Luther Weigle, planning committee chairman.

An opening service of thanksgiving and worship is planned for Tuesday at 8 p.m. Participants will include: Dr. Franklin C. Fry, president, United Lutheran church; Bishop John A. Gregg, senior bishop, African M. E. Church; Dr. Vere A. Loper, moderator, General Council, Congregational churches; President Benjamin R. Lacy, Jr., moderator, General Assembly, Presbyterian church in the U.S.; and the Rt. Rev. Henry Knox Sherrill, presiding bishop, Protestant Episcopal church.

The Rev. Messrs. McPherson and Miller will drive to Cleveland Tuesday afternoon and return Friday morning, according to their plans at present. They are to report on the convention at the next Ministerial association meeting December 13.

FIRST CHURCH OF CHRIST, SCIENTIST. Sunday services at 10:30 a.m. Sunday school, 10:30 a.m. for pupils up to 20 years. "God the Only Cause and Creator" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, December 3. The Golden Text (Acts 4:24) is: "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is." Among the Bible citations is this passage, (Isa. 43:15): "I am the Lord, your Holy One, the creator of Israel, your King." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 256): "Infinite Mind is the creator, and creation is the infinite image or idea emanating from this Mind. If Mind is within and without all things, then all is Mind; and this definition is scientific."

The choir of St. John's Episcopal church will present a Choral Evensong service and Anthem concert at St. George's Episcopal church, Milford, Sunday, December 3 at 8 p.m.

This well-know musical group under the direction of the Rev. Alexander Miller, will present the following Advent and Christmas anthems, in addition to the Choral Evensong service: "Open Our Eyes," Macfarlane; "Ave Verum Corpus," Mozart; "There Shall A Star Come Out of Jacob," Mendelssohn; "Christmas Night," D. James; "A Canticle of Peace," Clokey; "Come Thou, Holy Jesu," Tkach; "Jesus Born in Bethlehem," Bryan, and "As Lately We Watched," arrangement by C. Black.

The service and program are open to the public, and will be held in St. George's Episcopal church, Milford, located on the second floor at 341 Main street, over Mitchell's Jewelry store. The Rev. John Cottrell, vicar of St. George's, extends a most cordial invitation to any who would care to attend. The Rev. Alexander Miller, rector of St. John's church in Plymouth, and Mr. J. Ross Whitehead, lay-reader from Northville, will conduct the song service.

More Team Entries Needed As Basketball Leagues Begin Season

What's wrong with the basketball players from Plymouth? Where's all the star players of the last few years? These seem to be the questions around the city recreation office lately as the response to the 1950-51 basketball season has been very slow. Surely there is more than one team for each of the E, F and D leagues which so far is as many as have entered. There are two teams from the Wayne County Training school entered in the E and D leagues totaling three teams for the leagues. At least four teams are needed to start the leagues.

Several years ago there were a lot of teams but no sponsors, but this year it is the other way around. There are sponsors waiting for teams to be entered. The final deadline has been set for the E and F on December 1. The

Class D will be extended to December 8. Deadlines will not be extended any more.

The first games will be started as follows: F, December 9; E, December 12 and D, December 14. The games will be played at the Wayne County Training school for the E and D on Tuesdays and Thursdays. The F games will be played in the high school on Saturdays.

In the Men's league Tait's Cleaners, Plymouth Mail, DeHoCo, Garden City and First National Bank have been entered. Teams will be accepted until 4 p.m. Friday, December 1. Gordy Moe, one of the leading officials in the Men's league, will be the interpreter of the new rules of which there are many this year. A meeting will be held in the near future to discuss the new rules. All games will be played at DeHoCo.

The Women's league could use some more teams as only two teams from Ypsi, Twin Pines and Daisy Air Rifles have been entered. The games will be played in Ypsi and Plymouth.

The Badminton club has started their weekly get-togethers each Monday night at W.C.T.S. from 8 to 10 p.m. This is an adult mixed group. Married couples or singles are especially welcome. If interested phone 2075 for information, or Edythe Donnelly at 434 after 5 p.m.

Make your tires safer on Slippery Roads!

Get GOOD YEAR TIRE TRACTIONIZING

Here's what it is:

Goodyear's amazing new machine the "Tractionizer" perforates the entire surface of tire treads with thousands of tiny, sharp-edged that resist skids in every direction! Tractionizing is done right on your car and one treatment lasts the average driver an entire season... when it wears off you have your original tough tread rubber for hot weather driving.

Here's what it does:

- Gives you extra traction for starts and stops on wet, icy, slippery roads!
- Reduces slipping and skidding in every direction!
- Does away with the need to buy — to put on — and to take off "special" recaps. Extra traction's there when you need it!
- Gives any make tire non-skid safety it never had before!

Rocks Place Two on All-League Football Team

The Plymouth Rock football squad placed two players on the all-league team in the persons of Bob Gow and Bill Runge. Besides this honor, Gow and Runge were given honorable mention for all-state. Gow was also on the second team for all-suburban which is quite an honor.

Bob was a very outstanding player on the Rock squad both on offense and defense. He is a very good blocker and in several games Bob moved into the full-back spot to pick up some needed yardage. Gow also does the kicking off for the Rocks, punting and extra point kicks. He is very good in all of these. Bob is also an excellent player on the baseball and basketball squads.

Bill Runge was also an outstanding player for the Rocks as he caught about all of the Rock passes. Bill started out this season in the backfield but before the Trenton game was switched to end. The first play the Rocks used in this game was a sleeper in which Runge caught a pass for a touchdown. In the Bentley game Runge injured his knee and missed the final game of the season with Northville which ended in a 0-0 tie. Had Runge been there to snare a few passes, the game might have turned out differently.

It is quite an honor for the Rocks to have two such outstanding players, but of course, Charlie Stark has his own reasons for Gow. Charlie claims he missed so many tackles which Gow had to make that it was no wonder he was an all-league player.

Rock Cagers to Meet Farmington

The Plymouth Rock basketball squad will open their 1950-51 season tomorrow as they meet the Farmington Falcons on the Rocks home court. As usual the reserve game will precede the varsity encounter and will start at 7 p.m.

This will be the first game for both squads so you can't tell how good each team is. The Falcon quintet will be pretty tall as last years, but the Rocks have quite a lot of height also. The probable starting lineup for the Rocks will be Charlie Stark at center, Wally Dzurus and Phil Jacobus at forwards and Bud Young and Alan Finney at guards.

Plymouth Girl Named by MSC

Sally Gustafson of this city is one of three Michigan State college students of East Lansing to have been selected to take advanced work in home economics at the Merrill-Palmer school in Detroit during the winter term. The other two girls selected by the officials of the MSC School of Home Economics are Mary Jane Lewis of Milford and Aileen Stone of Sandusky. The trio will spend the winter term in Detroit studying such subjects as family life, child development, nursery school education. Each year cords from colleges all over the nation gather at the Detroit school to combine classroom work with practical experience. They will observe community organizations concerned with phases of family life and child development, such as nursery schools in the area.

Air Force Accepts Married Recruits

The Air Force is accepting married men for enlistment now, it was disclosed today by Staff Sergeant William D. Long, local Army and Air Force recruiter. "Men, with or without prior service, who have no more than two dependents may now enlist," Sgt. Long said. Those with prior service in any of the Armed Forces who are eligible to enlist in the grade of sergeant or higher may be enlisted without regard to the number of dependents they have. Men desiring further information are requested to contact the local Army and Air Force recruiting station, Plymouth City Hall, on Tuesdays and Thursdays.

Hints For Plymouth Homemakers

Correct Use of Eggs Improves Flavor and Quality of Recipes

From angel cake to zabaglione, most recipes call for eggs. Everyone knows that eggs improve the color and flavor of many foods, but do you know why they are used and how to get the most from them?

Two qualities that make eggs valuable in cooking are their ability to act as thickening agents and their ability to hold air in recipes. They will perform these duties much better if you know how to get the most out of them.

When using eggs for thickening in sauces and puddings, you can prevent streaks of cooking by adding the liquid very slowly to the beaten eggs and stirring at the

same time. This same thickening quality explains the use of eggs for a coating to hold crumbs together on breaded foods.

It is the air beaten into the eggs, not the eggs themselves, that helps to leaven batters and doughs. This way of leavening foods is especially important in sponge cakes. The way that eggs are beaten makes a difference in the final product. Recipes give such directions as "beat slightly," or "beat until thick and lemon-colored." Here are some hints on how to get the best results from beating.

Take the eggs out of the refrigerator ahead of time so they can warm to room temperature before beating and they will give better volume. If the whites and yolks are to be separated, do so while they are still chilled. Do not beat eggs until you are ready to add them to the recipe.

To beat slightly, just mix with a fork, whether it is a whole egg or the separate yolk or white. To beat until thick and lemon-colored, use a rotary beater or electric mixer until the egg becomes lighter yellow and thick. To beat egg whites stiff, be sure there isn't a speck of yolk in the whites. Use a beater until the mass is stiff but not dry. The whites will form peaks that topple. If they stand up stiff, they are overbeaten, and will not give as much volume.

SURPRISE GIFTS

Special little boxes of "nibble" food will make surprise treats for your friends. Tie each with bright

colored ribbon and include one with each gift.

Spiced Nuts

- 2 cups nut halves
 - 1 cup sugar
 - 1 teaspoon cinnamon
 - 1/2 teaspoon nutmeg
 - 1/2 teaspoon salt
 - 5 tablespoons water
 - 1 teaspoon vanilla
- Toast nuts at 350° F. about 10 minutes. Combine sugar, cinnamon, nutmeg, salt and water. Cook until syrup reaches soft ball stage or 234° on candy thermometer.
- Remove from heat. Add vanilla. Sprinkle nuts in syrup until evenly coated and frosty in appearance.
- Spread on wax paper on cooling rack. Separate clusters with fork.
- All of these sweet treats may be made several days before Christmas.

Chocolate Crumble

- 1/2 pound sweet chocolate
 - 5 cups corn flakes
- Melt chocolate over very low heat or in double boiler. Pour over cornflakes and stir lightly until each flake is covered. Spread out on heavy waxed paper on a flat surface. Chill.

Nut-Fruit Balls

- 1/2 pound each, seeded dates, seedless raisins, layer figs, and English walnuts
 - 6 maraschino cherries
 - 1 tablespoon lemon juice
 - 1/2 teaspoon salt
- Grind all ingredients and mix together thoroughly. Shape into small balls, roll in grated coconut. Cover and store in cool, dry place for 24 hours to ripen.
- Yield: Approximately 48 pieces.
- Faithfully

Care of Drapes Retains Beauty

You can be proud as a peacock of your draperies if you give a little thought when making your selection, and then give them the proper care in use. The National Institute of Cleaning and Dyeing gives these tips on the care of your draperies:

1. Air and brush draperies frequently to remove surface dust before it becomes embedded in the fabric.
 2. Draperies should be cleaned as soon as they become soiled. The longer soil remains in the fabric, the more difficult it is to remove in cleaning.
 3. Dirt, grime, moisture and gases in the air in combination with heat, all work together to cause yellowing of the fabric, weakening of its strength, deterioration of dyes and finishes.
- Now is the time to have your summer draperies cleaned and stored. Then they will be ready to hang next spring. Do not store soiled draperies over the winter months.

Indoor Plants Need Good Soil For Survival

Green growing plants add much to the beauty and enjoyment of the home. Success or failure in growing indoor plants is determined by the growing medium—that is the soil and its condition.

The soil must be in a good physical condition and have the capacity to hold moisture and yet provide good drainage. This kind of soil can be made by mixing three parts of loam soil; one part of decomposed organic matter such as peat moss, composted material or leaf mold; and one part of sand. Into this mixture add 1 tablespoonful of complete plant food for each gallon of soil. Gravel or small pebbles and a little sand should be placed in the bottom 1 to 2 inches of the window box or pot before the soil is added. This is a very important requirement and should not be omitted, since the lack of proper drainage is one of the most common reasons for failure with indoor plants.

While providing for proper light conditions and the best physical condition of the soil medium, regular care in the matter of watering, cleansing and insect control are also important for success of indoor gardening. Equally important is the provision of an ample supply of plant food nutrients. A friable soil can be unfertile. In the case of house plants, where the ratio of soil volume to the plant volume is very low, frequent feeding is essential. Allow one level tablespoonful of complete plant food for each square foot of soil area and feed every four to six weeks. The plant food should be worked into the soil near the edge of the box or pot and watered in thoroughly.

Q. What is the name of this cut of meat?

A. Smoked ham shank.

Q. Where does it come from and how is it identified?

A. It is the lower half of a smoked ham and contains the shank bones.

Q. How is it prepared?

A. It may be roasted or cooked in liquid. In roasting, the shank is placed fat side up on a rack in an open roasting pan. The roast is left uncovered and cooked in a 300° F. oven for 18 to 20 minutes per pound. If cooked in liquid, the ham shank is completely covered with water, the utensil covered, and the meat cooked at a simmering temperature for 30 minutes per pound or until done.

When flouring foods before cooking, put a small amount of seasoned flour in a paper bag. Add pieces of food and shake. The food will be coated evenly and no flour will be wasted.

If you are out of sour milk just when your favorite recipe calls for some, just put one and one-half tablespoons of lemon juice in a measuring cup and fill the cup with sweet milk.

Vegetable Cheese Treat

Bright idea for a fall main dish is corned beef and cauliflower in mellow cheese sauce served piping hot in individual casseroles. These three "Cs"—cauliflower, corned beef and cheese sauce—are a texture and flavor trio superb, and make imaginative use of one of fall's most dramatic vegetables with delicious, nutritious cheese. Make this hearty main dish now while cheese is so abundant and so reasonable.

Cauliflower Scallop

- 1 cauliflower
- 1 cup coarsely chopped cooked corned beef
- 3 tablespoons butter or margarine
- 3 tablespoons flour
- 1 1/2 cups milk
- Salt, pepper
- 1/2 pound mild flavored pasteurized process cheese, shredded
- Buttered crumbs

Break the cauliflower into flowerets and cook in boiling salted water until tender. Drain well, and arrange in 3 or 4 individual casseroles. Sprinkle the cauliflower with the chopped corned beef. Make a cream sauce with the butter or margarine, flour, milk and seasonings. When thick and smooth, add three-fourths of the shredded cheese, and stir until it is melted. Pour this cheese sauce over the cauliflower and corned beef in the casseroles, bake 10 minutes in a moderate oven, 350 degrees F., sprinkle with the crumbs and the remaining cheese and bake 10 more minutes.

SPECIAL SCHOOL ELECTION NOTICE OF SPECIAL ELECTION

Of the Qualified Electors of Plymouth Township School District Township of Plymouth Wayne County, Michigan

To The Qualified Electors of Said School District:

Please Take Notice that a special election of the qualified electors of said School District will be held in the High School Building in the City of Plymouth in said District on the 11th day of December, 1950.

The polls will open at 7:00 o'clock, a.m., and close at 8:00 o'clock, p.m., Eastern Standard Time.

The following propositions will be submitted to the vote of the electors at said special election:

- I. Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Township School District, Township of Plymouth, Wayne County, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by one-tenth of one per cent (0.1%) of the assessed valuation of all property in the School District for a period of eighteen (18) years, from 1951 to 1968, both inclusive, for the purpose of providing a debt retirement fund to pay the principal and interest on bonds of the School District in the principal amount of Two Hundred and Forty-Five Thousand Dollars (\$245,000) to be issued for the purpose of completing the erection and furnishing of the gymnasium building, containing a gymnasium, swimming pool and band room, and of remodeling the existing school buildings in said District?
- II. Shall Plymouth Township School District, Township of Plymouth, Wayne County, Michigan, borrow the sum of not to exceed Two Hundred and Forty-Five Thousand Dollars (\$245,000) and issue its bonds therefor, for the purpose of completing the erection and furnishing of the gymnasium building, containing a gymnasium, swimming pool and band room, and of remodeling the existing school buildings in said District?

Each person voting on the proposition to increase the total tax rate limitation must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election.

Each person voting on the proposition of borrowing and issuing the bonds of said School District must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election, and have property assessed for taxes within the School District or be the lawful husband or wife of such person.

Only registered electors are eligible to vote.

I, Harold E. Stoll, County Treasurer of Wayne County, Michigan, do hereby certify that, as of November 22, 1950, the total voted increase in excess of the Constitutional fifteen mill tax rate limitation and the years such increase is effective are as follows affecting the taxable property of Local Unit:

PLYMOUTH TOWNSHIP SCHOOL DISTRICT

Plymouth, Canton, Northville Townships and Plymouth City
Wayne County, Michigan

Local Unit	Voted Increase	Date of Election	Years Increase Effective
Plymouth Twp. School District	8 mills	March 28, 1949	1949 to 1968 inclusive

Signed: Harold E. Stoll,
Wayne County Treasurer

Take Notice That the Board of Education has estimated the total expense of completing the erection and furnishing of the gymnasium building, containing a gymnasium, swimming pool and band room, and of remodeling the existing school buildings in said District to be Two Hundred and Forty-Five Thousand Dollars (\$245,000), all of which it is necessary to raise by borrowing and issuing the bonds of the District.

This Notice is given by order of the Board of Education of Plymouth Township School District, Township of Plymouth, Wayne County, Michigan.

FAIR IN THE LIGHT OF MEMORY SHINES MICHIGAN My MICHIGAN ELTON R. EATON

Don Gillies, outdoor editor of The Detroit Times who was recently re-elected president of Michigan Outdoor Writers Association, a few days ago gave considerable emphasis to statements of Michigan deer hunters that they thought the time had arrived to change the one-buck law in this state so that any kind of a deer might be taken during the hunting season.

This idea has found some support outside of the state where it has been practiced over a period of years. The Wildlife Management Institute of Washington makes some interesting comment about the situation in Maine.

The sportsmen of that state sometimes smile knowingly when they hear the cries of anguish uttered by fellow sportsmen in other states where conservation officials have been trying to relax the buck law. The Wildlife Management Institute reports. No one ever sold them on the buck law and they seem content to continue harvesting does as well as bucks year in and year out.

If sportsmen from the buck-law states tell them they are exterminating their deer, they have

some fairly convincing arguments on the other side. For the last three years, the annual bag of deer has averaged over 35,000 in a state little more than half the size of Wisconsin. Twenty-five years ago only 8,379 deer were taken. The herd has increased and is still increasing in spite of the lack of special protection of does. In 1925, a two-hundred-pound deer was a rarity; last year weighing stations operated by the State Fish and Game Commission checked through 837 white-tails weighing over 200 pounds and 55 that tipped the scales past the 300 mark. Not many of the buck-law states are practicing deer that size today. Records from official weighing stations in states where buck laws have been carried on the statute books too long indicate that bucks in some places are decreasing in size, antler development, and reproductive vigor.

For the protection of small craft that now use the Great Lakes to an amazing extent, considerable thought is being given by those interested in this type of recreation, as well as business, as there are too many, many small crafts along the shores of the lakes that are used for commercial purposes.

Information has just been revealed that once again a model of one of Michigan's harbors is being constructed in detail inside

the Lake Hydraulics Laboratory at the University of Michigan. This model will be a replica of the harbor at Mackinac Island.

Once the model is completed, it has been planned to simulate the action of "ice-mod" waves stirred up by a machine will be studied to determine the location of a breakwater which will provide maximum protection for small craft.

The research is a continuation of the Michigan State Waterways Commission program being carried out by the Detroit District of the Corps of Engineers. The model studies at the University are carried on under the supervision of Dr. Ernest F. Brauer, associate professor of civil engineering.

This will be the fifth study of this type to be performed at the Lake Hydraulics Lab. The others were at Port Sanilac, Port Austin, Point Lookout and Hammond Bay.

To promote the use of Michigan's forest products at home, the conservation department has compiled and made available for the first time a department directory of over 500 lower peninsula wood-using industries and their requirements.

Sawmill operators, jobbers of lumber and other forest products, and other interested persons can get a copy by writing to the department's forestry division at Lansing.

An upper peninsula directory previously had been made available.

NOTICE OF SALE \$20,000.00

School District No. 1, Township of Canton, County of Wayne, and State of Michigan

SERIAL BONDS

Sealed bids for the purchase of the general obligation serial bonds to be issued by School District No. 1, Township of Canton, County of Wayne, and State of Michigan, of a par value of Twenty Thousand Dollars, will be received by the undersigned at his home, 7655 Koppernick Road, R.F.D. No. 2, Plymouth, Michigan, until 7:00 o'clock P.M., Eastern Standard Time, on December 17, 1950, or they may be personally presented at the Hough School at the southwest corner of Haggerty and Warren Roads, Canton Township, Wayne County, Michigan, on the same date, at 8:00 o'clock P.M., after which time no further bids will be received. All bids will be publicly opened and read at the latter time and place.

Said bonds will be dated September 1, 1950 and will be in the denomination of \$1,000.00 each, and will be numbered consecutively in the direct order of their maturities from 1 to 20 both inclusive, and will bear interest from their date at a rate or rates not to exceed 4% per annum, expressed in multiples of 1/4 of 1%. Said interest will be payable by endorsement on March 1, 1951 and semi-annually on March first and September first thereafter. The interest rate at each interest period on any one bond shall be at one rate only. Accrued interest to the date of delivery of such bonds must be paid by the purchaser at the time of delivery.

Such bonds will mature serially, \$2,000.00 on the first day of March, 1952, 1953, 1954, 1955, 1956, 1957, 1958, 1959, 1960 and 1961. Both principal and interest will be payable at the Commonwealth Bank, of Detroit, Michigan.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from January 1, 1951 to their maturity, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. No proposal for less than the par value nor for the purchase of less than all the bonds will be considered.

The bonds are payable from ad valorem taxes subject to such limitation upon the taxing power as may result from provisions of Section 21, Article X of the Michigan Constitution and the Michigan Property Tax Limitation Act.

A certified or cashier's check in the amount of \$480.00 drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of the purchaser's attorney, to be secured at the purchaser's expense, approving the legality of the bonds. The purchaser shall furnish bonds ready for execution at his expense. Bonds will be delivered by the Treasurer in the District or at such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids.

Envelopes containing bids should be plainly marked "Proposal for Bonds".

It's the '51 Ford with 43 new "Look Ahead" features—some illustrated above—every one planned and engineered for the years ahead.

You'll find such advances as the new Automatic Ride Control that makes even rough roads easy on you—easy on the car itself!

This unique new springing system automatically adjusts spring reaction to road conditions. Automatic Ride Control includes Advanced "Hydra-Coil" Front Springs and New Variable-Rate Rear Spring Suspension. Both team with new "Viscous Control" Shock Absorbers to give you a relaxing ride, a level ride—no bounce, no pitch, no roll!

Yes, you'll ride in comfort in the new '51 Ford . . . and you'll ride in style, too! Inside and out, you'll find beauty in every detail of styling, coachwork and finish of this fine new Ford. And it is beauty that lasts because the quality is there!

You can have your choice of two great Ford economy engines: the world-famous, 100-h.p. V-8 or its companion in quality and quiet, the 95-h.p. Six. Both of these engines offer the Automatic Mileage Maker that matches timing to fuel charges so that every drop of gasoline is used—none wasted.

And in the new '51 Ford you are offered a choice of three advanced transmissions—the Conventional Drive, the Overdrive,* and Fordomatic Drive,* the newest and finest of all automatic transmissions. Visit your Ford Dealer today to see and "Test Drive" this finest Ford ever built!

*Optional at extra cost.

City of Plymouth Notice of Public Sale

Lot No. 109 and Lot No. 110 of Kate E. Allen's Addition to Plymouth Village

NOTICE IS HEREBY GIVEN that sealed bids will be received at the office of the City Clerk until 11:00 A.M., Saturday, December 16, 1950, for the following lots:

Lot No. 109, Kate E. Allen's Addition to Plymouth Village, a corner lot located at the northeast corner of Harvey and Farmer Streets, offered for sale.

Lot No. 110, Kate E. Allen's Addition to Plymouth Village, located 50 feet north of the northeast corner of Farmer and Harvey Streets, adjacent to the lot above described.

The bids must be accompanied by a certified check in the amount of at least 10% of the bid price. The successful bidder must make a cash settlement of the balance due within ten days after notification of acceptance of the bid. Separate bids are required for each lot.

The City Commission reserves the right to waive any errors in bids and to reject any and all bids.

A. F. Glassford, City Clerk

Roger Babson Says --

Babson Discusses Building a Home Now

Although I have written about housing more than once recently, a number of readers are asking me to tell them specifically what I think about building new homes NOW in view of the recent Federal Reserve cut back of credit privileges.

Don't Let High Prices Scare You

Readers are writing me that they would like to build a home; but they are not large wage earners and prices are now so high that they are afraid to act. My answer to these people is that it is O.K. to build now if they want a home to live in (not to rent). Also, if you can pay at least one-quarter down with a 15 year payment plan on the balance even though it does cost a lot to build a new home today with present high prices of building materials and labor.

Prices of labor and most materials, however, are not going to come down very soon. Those who decide to postpone building their new home until prices readjust themselves to something like pre-war values, will be obliged to wait a long time. This is a growing country whose population and economy have expanded mightily in the last ten years. So long as it continues to grow and so long as our living standards advance, we cannot expect a return to the lower price level of years gone by. Let us look ahead rather than backward and not be afraid to invest in the future of America.

This Is No Time to Build Rental Units

Note that I advise building now only if you want a home to live in. I do not believe it is wise to build homes to rent at this time. Even if we avert another global war, the change-over to an economy providing for increased defense planning and spending will have a considerable effect upon construction and real estate. Thus, it appears that rent controls are here to stay for awhile longer and may even be tightened in some strategic areas. Certainly, events since June 25th clearly indicate that substantial relaxation of these rent controls is now unlikely, and sharper restrictions may be invoked if the war should spread.

New Homes

There, however, are exceptions to every rule and, while I do not advocate building homes for rent now, a person may be justified in building now a two-family house with the intention of living in one half and renting the other half. In fact, I have just completed a two-family house here at New Boston with that idea in mind. Be sure there are separate heating systems and that the water and electricity are on separate meters. Have two modern kitchens and two bathrooms.

Be Realistic in Choosing Location

Those who plan to build new homes should select the land as carefully as the materials. If possible, have enough good land for a "kitchen garden." Do not build in or near the big cities mentioned in the new book "Effects of Atomic Weapons," reviewed

Youthful Deer Hunter Shows Up "Big Shots"

Half a dozen "dead shot" hunters from Plymouth and Traverse City let a youthful 14 year old lad make them look like a lot of chattering monkeys up a tree the other day up at Horicon lake, where they were all hunting deer.

Dr. Ace Williams, who month after month fondles his deer hunting rifle as he would a most priceless possession and takes a shot at a target at every opportunity; Ray Williams, bank cashier who knows how to use his "shootin' horns" like a veteran of the war of 1812; Lew W. Goddard, long reputed as a top-rater when it comes to hitting the bull's eye a mile away; and a "ringer" from Traverse City, who was apparently brought in to really do the deer slaying for them; plus Robert Willoughby, king of the apple buyers and well known Plymouth shoe dealer, let a 14 year old youngster make them look like a bunch of pikers during a recent deer hunting trip up to Horicon lake.

With the group was Robert Willoughby Jr. and John Slynmora, another youngster from Plymouth.

The deer hunters, plus their "ringer" had hunted for days without success.

Then came talk of the home-ward trip. So the two 14 year old boys hiked out in the woods—and would you believe it—the young Mr. Willoughby knocked 'em cold by bringing down a great big buck. The "hunting reporter" tried to interview Dr. Ace Williams and the Senior Mr. Willoughby—but they just wouldn't talk—and that is all there is to the story.

O.E.S. News

The regular meeting of Plymouth chapter No. 115 will be held Tuesday, December 5, at the temple. Social hour and refreshments served following the meeting.

Tuesday, December 19, is the date planned for the annual Masonic-Fleming Star Christmas party. A cooperative dinner will be served at 6 p.m. followed by an interesting program and a visit from Santa Claus. Members, families and friends are urged to join with us at this party.

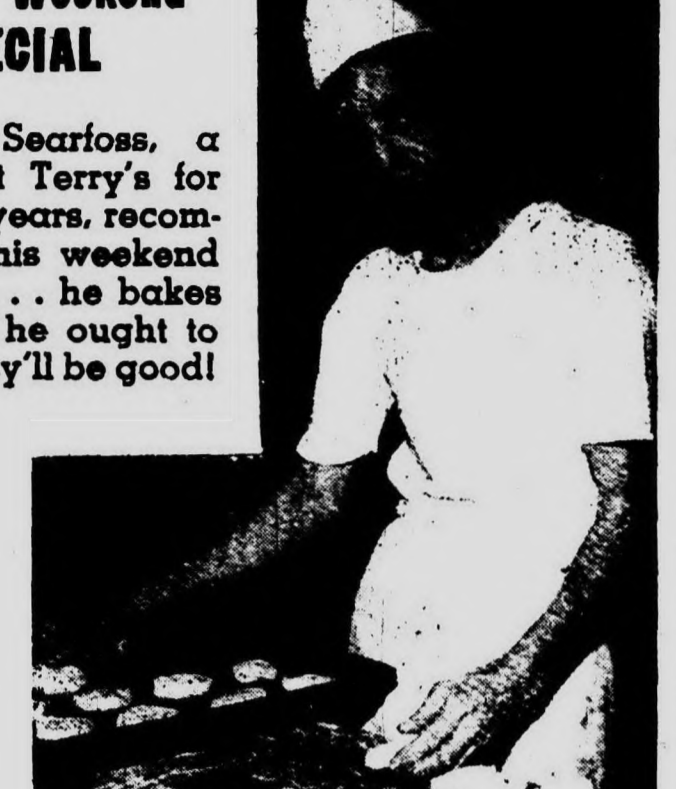

We extend heartiest congratulations to Patsy Wickens Rutenbar on her marriage November 4. Sincere sympathy is extended to Gertrude and Erwin Attensman in the loss of her mother.

Rebekah News

A very nice crowd turned out for the 6:30 supper at the Rebekah hall last Friday night, honoring our guest Zetta Timpson, past assembly president and also assembly treasurer. Our meeting was called at 8 p.m. with several other guests present. Plans were made to honor all P.N.G. at our next meeting.

Roma Krumba spent a few days last week at Kalkaska with Brother Krumba who was hunting there.

There will be a bazaar and roast beef supper at the Rebekah hall Friday night, December 1. Try and attend as proceeds go to the building fund.

Mildred and Maxine Collins visited Mrs. Alban in Ypsilanti Thanksgiving day. Mrs. Alban is slowly recovering from her recent stroke.
