What I Think and Have A Right to Say

By ELTON R. EATON

CIVILIAN STUPIDITY.

With full credit to David Lawrence, editor of The United States News and World Report, The Plymouth Mail is publishing the complete editorial used in the last issue of this famed publication because we regard it without the slightest question as the best summation of the confused and biased Washington situation we have read anywhere.

We suggest to our readers that the entire editorial be read carefully and thoughtfully in order to gain an accurate comprehension of its real significance.

It follows:
The issue posed by the abrupt dismissal of General MacArthur in the midst of a critical offensive being launched by the enemy is not an issue of military versus civilian supremacy. It is an issue of military effectiveness versus civilian stupidity.

The issue concerns the lives of hundreds of thousands of our troops in Korea—and the blood of 63,000 of your youth.

The issue concerns the prospect of a general war brought on because the aggressor has been encouraged in so many words to believe that, under the aegis of the U.N., this country has lost the right to defend its troops with maximum force, that we must now bow to a policy which trades in war supplies with the enemy, and that we must seek their permission before we can really resist aggression. The war in Korea apparently isn't a military war—it evidently is a "political" war. And yet it is mostly American blood being shed every day.

The U.N. is divided. It can delay military decisions. It has members who do not agree with our policies and who are actually committing treason in supplying bullets to the enemy.

The American people want, of course, to retain membership in the U.N. as long as an organization of free governments, honest governments, loyal governments, willing to share with us the sacrifices necessary to assure peace.

It nevertheless took 10 months before our representatives in the U.N. were instructed, as they were last week, to ask for a resolution to ban trading with the enemy. It is admitted now that 120,000 tons of rubber have gone to the Communists through British trade since the Korean war began—four times what was shipped in 1949 through British sources. Besides rubber, oil—so important in industry and in mechanized war—steel, aluminum, electrical equipment, copper wire, and other strategic materials have been shipped to the Communists, much of it through Hong Kong, a British port.

Why has it taken the President and the Secretary of State all these months to prod the conscience of Great Britain? This neglect is civilian stupidity not only in our Department of State, which has failed to protest in the name of American youth being killed on the battlefield, but civilian stupidity in the Labor Government in Great Britain, too.

There are more examples, General MacArthur asked for reinforcements in Korea. The U.N. gave him hardly any. Our Department of State has stood by and allowed other nations to default on their professions of comradeship and on their vote to brand Red China an aggressor.

What shall we say, moreover, of the civilian strategy of a President of the United States which permits our ground troops to be chewed up while the enemy supply lines in Manchuria are free from our attack? This is interference with military tactics. It is civilian stupidity.

Also, it comes out in the Senate testimony that our Joint Chiefs of Staff, within 90 days before the dismissal of MacArthur, had sent him their own explicit approval of the military plan he espoused—to use the Chinese Nationalist troops, to impose a naval and economic blockade on the common enemy, and to permit air reconnaissance of China.

Of course, match China's manpower. But we can use our weapons—our planes and bombs, our Air Force and our Navy, to exert their power in strategic bombing, the very essence of modern warfare.

To permit a "war of attrition" in which American lives are decimated over months and months of indecisive fighting in Korea is the very essence of civilian stupidity.

The President's quip, moreover, that only MacArthur persuaded him at the Wake Island conference that Red China wouldn't intervene in Korea is the worst revelation of all. He ignores all the other intelligence available to him from our Central Intelligence Agency and from the secret services of all the other friendly governments of the world, which said the same thing at that time.

Also, does Mr. Truman mean that if he had been advised, positively, that Red China would intervene, he would have hauled down the flag and sent our troops rushing back to Korea? Or would he have broken up the Red offensive at its incipient point and thus enable us to remain in Korea?

Mr. Truman can't have it both ways—he can't assume that MacArthur's estimate alone is responsible for what has happened since in Korea, and then give orders that keep the hands of our troops tied behind their backs when the Red Chinese come toward us in hordes.

Such comments as have come from the White House show plainly that the issue is not military versus civilian supremacy at all. The issue is military effectiveness versus civilian stupidity. The American people will deal with this issue when they learn all the facts.

Madonna Gives Music Festival

The Madonna College music department will present its piano and voice students in a Music Recital on Sunday, May 20, at 7:30 p.m. in DeSales auditorium.

Participating in the recital are Margaret Eldon, Edna Rheault, Delphine Skurski, Sister M. Marlene, piano student and Dorothy Lapszynski and Patricia Maciejewski, voice students. Piano selections to be heard include Debussy's "Deux Arabesques," "Cat's Fugue" by Scarlatti, the Mozart "Sonata IX," Chopin's "Polonaise" and the Beethoven "Sonata."

The Madonna Choral group will sing three selections: "In My Garden," "By the Band of the River" and "Kye Song of St. Bride."

Angeline Urbanek, of Wyandotte, will make a guest appearance in several ballet numbers. The public is cordially invited to attend the recital. There is no admission charge.

Announce New Catering Manager

The new catering manager of the Hotel Mayflower will be Donald S. Cornell of Detroit, announced Ralph G. Lorenz, manager of the Hotel Mayflower.

Mr. Cornell was the catering manager of the Lee Plaza hotel in Detroit from 1947 to this year. He was in charge of catering in the dining room and room service.

The Hotel Mayflower catering manager and his wife, have two children, Duana Lee, 12 years old and Duane Curtis, 7 years old.

Previously to his employment at the Lee Plaza, Mr. Cornell was employed as the head waiter of the Book Cadillac room service for eight months. During the war years, he was engaged in war work.

Mr. Cornell also was employed in the catering department of the Hotel Statler from 1934 to 1940, and he was the Leland Room Service captain from 1930 to 1933.

Five Graduates Receive U of M Scholarships

Four Plymouth high school 1951 graduates have been awarded scholarships by the University of Michigan and one has been granted a scholarship by the University of Michigan Alumni Association of Plymouth.

The University announcement states that scholarships have been awarded to David Louis Green, 6121 Lotz road; Lois Grace Hoencke, 261 Spring street; Charles Howard Statz, 382 Blunk avenue; and Charles Edwin Todd, 42425 Clemons road.

Dr. A. E. Van Ornum, president of the Plymouth University of Michigan Alumni Association, states that a University scholarship has also been awarded by the Association to Dorothy Curtis, with a renewal scholarship going to Virginia Elliott.

Carol Fay Alford, 11435 Fairfield; Jacqueline Joann Schrader, 18775 Merriman road; and William LeRoy Varhol, 20095 Shady-side, members of this year's graduating class of the Bentley high school of Livonia, have also been awarded University scholarships.

Hotel Serves 900 On Mother's Day

The fame of our Mayflower Hotel's dining rooms is spreading far and wide. On Mother's Day, May 13, the hotel served 900 guests for dinner, including one from the Cape of Good Hope, South Africa. This is the largest number ever served by the hotel in one day.

One mother in each of the three dining rooms was presented with a dozen rose bushes from the famous New York florists, Jackson and Perkins. The three mothers were: Mrs. Harry Adams of Detroit, Mrs. Merle R. Emmons of Dearborn, and Mrs. Charles Arthur of New Hudson.

The mother from Johannesburg was Mrs. Ella Shone, who is making her first trip home after 40 years of missionary work in Africa. She is visiting her daughter in Novi, who brought her here for dinner.

President of Olivet to Speak At Graduation

Dr. Raymond Blakney

Speaker at the Plymouth High school graduation ceremonies on June 14 will be Dr. Raymond B. Blakney, president of Olivet college.

Commencement for approximately 170 seniors will take place on the athletic field, weather permitting. If it should rain, the exercises will be held in the gym. The gymnasium holds 370 people, allowing only room for parents. Of course there is room for all, if the ceremonies are held outdoors.

Dr. Blakney, who has served in the army as a major and chaplain in WW II, was also a foreign missionary in China after the last war. Dr. Blakney had served as the pastor of the North Parish Congregational church in Sanford, Maine from 1928 to 1934.

He was the pastor of the First Congregational church in Williamstown, Massachusetts from 1934 to 1946.

The president of Olivet college is also an author. Among his books are a course in the Analysis of Chinese Characters written in 1925 and Meister Eckhart, A Modern Translation, published in 1941. In addition, he has written six volumes, bi-lingual, Chinese and English of religious works.

Dr. Blakney's academic background includes studies at Massachusetts Institute of Technology, a S.D. degree; Boston University School of Theology, S.T.B. degree; and Williams college, D.D. degree.

In the foreign mission field, Dr. Blakney was professor of mathematical physics at Fukien Christian University in Foochow, China in 1920 through 1927. He served as City Missionary in Peking, China on the American Board of Commissioners for Foreign Missions from 1947 to 1948, and as an American Board Missionary in Mindanao, P.I., in 1948 to 1949.

Postmaster Has Plan to Relieve Traffic Problem

If the postoffice department accepts recommendations recently made by Postmaster George Timpano, a long step will have been taken to relieve the traffic congestion on Penningman avenue in the vicinity of the postoffice.

Postmaster Timpano has been urging the department to close the Penningman avenue entrance to the rear of the postoffice and open a new driveway from Frack avenue to the loading dock of the postoffice.

If the department complies with the request, it will probably necessitate a larger loading dock and it will also provide a larger area for parking purposes of postal rural carriers.

The Penningman avenue postoffice drive has become one of the busiest drives in the city. It is not only used by the postal department trucks and employees but many manufacturers in this vicinity bring their own mailings direct to the postoffice loading dock.

Both the Daisy Manufacturing company and the Burroughs company as well as a number of other smaller concerns find it convenient to make their own deliveries to the postoffice. All of this traffic will be taken from Penningman avenue, and diverted to Frack, which is a little used thoroughfare, if the department accepts the recommendations of Postmaster Timpano.

Gould Cleaners Open Fur Storage Plant

Loren Gould, owner of Gould Cleaners, announces that a new fur storage and glazing department is now available to the public. A new addition to Mr. Gould's staff is Fred Hogan, furrier, formerly with Hogan and Hayes Furs in Ann Arbor.

Plymouth residents are invited by Mr. Gould to inspect the modern fur storage establishment.

Plymouth Officer Wins Silver Star In Korean Action

The Silver Star Medal has been awarded to First Lieutenant Robert W. Thams of Plymouth, for gallantry in action against the enemy in Korea, the first area resident to receive the award.

Lieutenant Thams, son of Dr. and Mrs. N. S. Thams, 475 Jenner, distinguished himself, by bravery on December 1, 1950 in the vicinity of Koto-ri while a member of Company G, 31st Infantry.

On that date, the enemy attacked in great strength and encircled elements of the 2nd Battalion. Lieutenant Thams volunteered to lead a tank infantry patrol to relieve the trapped units. As the patrol neared its objective, it came under intense fire from small arms, automatic weapons and anti-tank guns.

Without regard for his personal safety, Lieutenant Thams exposed himself to withering enemy fire in order to deploy his men and direct the fire of his tanks. When automatic weapons fire from the enemy slowed the progress of the patrol, Lieutenant Thams personally destroyed the positions with a machine gun which he manned while under direct fire.

As a result of his actions the enemy was routed with heavy casualties and the mission successfully completed. Such gallant leadership, reads his citation, reflects great credit on himself and the military service.

Lieutenant Thams, a graduate of Plymouth High school, graduated from Georgia Military Academy at Atlanta, Georgia in 1944. He took his basic training at Camp Robinson, Little Rock, Arkansas, and in 1945 applied for entrance into Officer's Training School.

He completed this training and was awarded his commission in January, 1945, at Fort Benning, at the age of 18, the youngest member of his class.

After receiving his commission, he was sent to Germany where he spent two years. He was sent to Korea last year and was among the troops who were cut off at the Inchon Reservoir last December.

Lieutenant Thams' wife accompanied him overseas and they are living in Japan. They are the parents of three children, a son having been born in Japan recently.

Two Women Hurt in Auto Accident

Two women were injured Friday in a two car accident at Williams and Blunk streets, when one of the cars failed to stop at the intersection, and hit a car, then bumping into a tree.

Mrs. Frank Oldenburg, a passenger in one car, received a broken collar bone, and the driver, Lorraine Bates, who may be charged with a traffic violation, suffered a broken clavicle. Both were taken to Session's hospital.

Mrs. Oldenburg, of 288 Blunk, was riding with her daughter, Mrs. Maviett Condo, in a 1936 Chevrolet. Lorraine Bates was driving a 1949 Plymouth, which was wrecked.

Television Set Won by Local Man

A new television set is the property of Mr. Charles M. Pettibone, 399 Summit avenue, winner of a contest sponsored by Better Homes Appliances, 450 Forest.

The contest, published in the Mail last week, featured a coupon on which each contestant was to complete, in 25 words or less, the sentence, "I like to shop in Plymouth because..." Mr. Pettibone's entry, judged best because of its originality, was as follows:

"I like to shop in Plymouth because the name explains itself. P. Polite and pleasing clerks. L. Lasting merchandise. Y. Year round satisfaction. M. Modern stores. O. Obliging service. U. Unequaled courtesy and attention. T. Thrifty buys. H. Honest merchants. Others among the many entries stressed the friendly, courteous service, the easily reached shopping centers, parking facilities, wide selection of merchandise, fair prices and the desire to patronize local dealers. Mr. Pettibone was not available for comment but Mrs. Pettibone, notified at her home, was very thrilled. "It's wonderful," she said, "just wonderful."

NEW MEMBERS of the city commission express their views on civic improvements. Seated is Eleanor Hammond and Mayor Floyd Tibbitts. Standing left to right are Commissioners Henry Fisher, Ernest Henry and George Bauer.

Commissioners Say No Money for More Services

So that Plymouth citizens will know how their city commissioners stand on the vital issues facing the city today, a Plymouth Mail reporter has interviewed each commissioner. Here are the questions and the commissioners' answers.

1. Do you think the city commission should lay out a program of capital improvements of water extensions, sewers, and streets for the year and begin it as soon as possible?

Mayor Tibbitts: "I know that there are a lot of things that should be done now, but unfortunately we can not put out as large a program of capital improvements we would like because we just do not have the funds."

"I would certainly like to see all of the streets paved, but the shortage of funds makes this impossible."

"As for storm sewers, I realize the hardship that many home owners in certain areas of the town are going through, and I certainly hope the commission can make these corrections this year. Hollybrook avenue will be the next street where storm sewers will be installed. Adequate funds have been appropriated in this year's budget to take care of those areas in dire need."

"The city also hopes to make some water extensions in the areas which need it in the near future."

Commissioner Bauer: Yes, I am definitely in favor of a program of capital improvements.

Hold Horse Show for Youngsters

This year's Horse Show, the Northville Junior Show at Northville Downs harness track, set for Sunday, June 3, will set an all time record for junior events with 30 different classes and four championships. Over 200 contestants, ranging in age from 5 years to 18 years, are expected with their horses.

The all day affair, starting at 11:00 a.m. will run continuously to 3:30 p.m. The climax of the show will be the competition for the Harry B. Clark Memorial Challenge Trophy, awarded to the winner of the Michigan Junior Equitation championship.

Nine of the classes will be for beginners, who have never competed in a horse show before. A prize will be awarded to the youngest entry in the show.

Competition is divided into four general classifications; horsemanship, English saddle horses, Western hunters and jumpers. Championship stakes will be held in each division. It is expected that Plymouth will be well represented in the competition, and that the local youngsters will take their share of the trophies.

Entry blanks and prize lists can be secured from Mrs. Ernest Wood, 45924 West Seven Mile road, Northville, who is the Show Secretary.

The big junior affair is sponsored by the Northville Optimist Club, and the proceeds will be used for work among the underprivileged children.

Fires Set to Hide Theft of Jewelry

Two fires were set Monday noon to cover a jewelry theft by an out-of-town girl at 376 South Harvey, who set fire to two upstairs bedrooms at the home of Charles Kuhn, according to the fire department.

The fire department was called twice as the fires were set about an hour apart. The girl, who will be arraigned in Municipal Court Saturday morning, found the doors unlocked and walked in.

She is in the custody of the Wayne County sheriff. The house is rented by Mr. Kuhn and owned by Daniel Murray.

Theater Guild Lists Meeting

The Plymouth Theater Guild will hold their regular monthly meeting 8 p.m. Monday, at the Veteran's Memorial Home on Plymouth road. Mrs. Thomas Argo, house chairman, will supervise the serving of refreshments.

All persons interested in any phase of theater work whether they have had any previous experience or not are sincerely urged to attend. Entertainment for the evening will be furnished by members and guests alike.

First Baptist Church Hosts Bible Institute

The First Baptist church of Plymouth will host to the Detroit Bible Institute this Sunday, May 20, at the Sunday school hour, the Morning Worship service, Young People's service at 6:30 p.m. and Evening Worship service.

The object of the church is to challenge the young people throughout the day in Christian education. The Board extends an invitation to all regardless of denomination.

Plan Observance of Memorial Day

Plans are underway now for the observance of Memorial Day on Wednesday, May 30. The parade and program are being organized by the Veterans of Foreign Wars.

Speakers at the ceremonies at Kellogg Park will be WJR commentator John Denman. The soloist will be Fred Kendrick, WJR singer and soloist at many musical events and performances. The High school band and the Cub Scouts' drum and bugle corps will also participate in the program.

Preceding Memorial Day, services will be held on Sunday, May 27 at the Methodist church at 11 a.m. The Reverend Melbourne Johnson will conduct the services.

Marching in the parade will be the Veterans of Foreign Wars and its auxiliary, the American Legion Gayde Post 391, and the Myron H. Beal Post 32, Moms Club, Navy Mothers, Ex-service-men's club, Boy and Girl Scouts, and the Salvation Army.

A complete list will be announced next week. All veterans and anyone who would like to march in the parade may join any group. They need only be present at 10 a.m. at the beginning point of the parade at Mill and Main streets.

Local Manager of Bell Telephone Called By Army

Edwin E. Scherdt, manager of the Plymouth office of the Michigan Bell Telephone company for the past year and a half, has been called back to service with the Army.

Holding a First Lieutenant's commission in the Medical Service Corps, Mr. Scherdt will report to Fort Sam Houston, Texas, on June 4. He served four years in the Army in the Second World War, being discharged in March, 1946. He spent six months of his service in Japan.

Mr. Scherdt, who lives at 402 Snyder, Ann Arbor, is married and has two children. He had planned to move to Plymouth, but the Korean situation discouraged this move. "I have enjoyed being in Plymouth very much," he says.

No Federal Help Coming This Year

Plymouth will receive no help from the federal government during this fiscal year in building a hospital it was disclosed by Robert Marsden, member of the Chamber of Commerce hospital committee.

Mr. Marsden, Harry O. Mohrman, City Manager, Glassford and George A. Smith, secretary of the Chamber of Commerce met with Mr. Brewer, director of the Hospital Research and Construction Aid commission in Michigan last Monday morning at Lansing.

The commission is a part of the federal government and allocates federal funds for the construction of hospitals in this state. Due to a cut in appropriations and other commitments, which were made last year, there will be no funds available for construction of a hospital in this area.

However there is still hope for a federal hand-out. Mr. Marsden stated that Mr. Brewer told him a defense bill, which is before Congress now, might include funds for the aid of hospitals.

The director of the federal commission will visit the Plymouth area after he has returned from Washington. It is hoped that when the federal representative sees the construction of new industries and housing in the area, he will be impressed with the need for hospital facilities.

Mr. Marsden said that Mr. Brewer seemed impressed with Plymouth's need for a hospital, and perhaps when more funds are given for construction of hospitals in Michigan—Plymouth will be on the list to receive aid.

Thief Steals Car of Rev. Johnson

An automobile belonging to the Reverend Melbourne Johnson of the Methodist church was stolen during the heavy rain last Thursday evening.

Reverend Johnson had visited at the home of Thomas Bateman, 1317 West Ann Arbor trail and when he left, he found a vacant space where his car was parked before 11:45 p.m.

Reverend Johnson's car was a 1949 Ford. The car was recovered in Detroit slightly damaged.

Burroughs Adds On to Plant for Defense Work

In its expansion program for defense work, the Burroughs Adding Machine company has started construction on a new addition to its Plymouth plant. The addition will be 800 by 600 feet.

The Burroughs company has already converted 150,000 square feet in its Plymouth plant for defense production and has also provided additional facilities in the other plants of this area.

The company reports that in spite of the production requirements of the armed services, it has not reduced the capacity for the production of regular products.

The expansion program will require a considerable investment in new machine tools, and orders amounting to more than \$2 million are already being processed.

A 100,000 square-foot plant on Jefferson avenue and Chene street in Detroit has been leased for manufacturing of defense products.

The company states their principal defense assignment is the manufacture of mechanical, electro-mechanical and electronic instruments for military aircraft. One of the projects is a computing mechanism, radar-controlled anti-aircraft defense equipment.

Citizens May Give Blood Monday

Plymouth residents apparently are determined to make next Monday's organ of the Red cross bloodmobile a memorable one in honor of the 70th anniversary of the organization's founding. Advance pledges received by Mrs. Henry R. Penhale, branch chairman, and Mrs. John Bickenstaff, blood program chairman, indicate more than usual interest in this community effort.

Those who have not yet registered may still do so by calling Mrs. Penhale at 252-W, or Mr. Bickenstaff at 646. The Masonic Temple will be open from 1 to 7 p.m. on Monday.

The Detroit blood center, Mrs. Penhale reports, is relying more than ever on collections by its mobile units because the DSR strike has greatly reduced the number of donors at the downtown headquarters.

To serve more outside units, the center has just commissioned a third bloodmobile, which was used for the first time Tuesday at the G. M. Diesel plant on West Outer Drive at Plymouth road.

The urgent need for blood by the armed forces was stressed by Admiral William F. Halsey in a recent TV appearance.

"The chips are down," he declared. "Many of you have gallant sons, husbands, and brothers, needing blood today. Many of us may need it tomorrow. We are in the same kind of spot, but a worse one, than we were on Dec. 7, 1941. It is a time for resolution and unity of purpose. We can all help by giving blood, which can't be manufactured or mined, but must come from human beings, like you and I. And the time to start is right now."

Calvary Presents Sacred Concert

Sunday, May 20, at 3 p.m. Calvary Baptist church will present Mr. Herman Voss in a concert of sacred and classical music on the new Hammond organ recently purchased by the church.

Mr. Voss is regarded as one of the best organists in the mid-west, having several years of experience on radio, and in many of the large churches of Chicago.

The vocal soloist for the afternoon service will be John Sergey of Chicago. Mr. Sergey, a baritone, has appeared before audiences throughout the country.

Soldier Sends Korean Money

A serviceman from Plymouth, who is stationed in Korea, sent \$6,000 in Korean money to renew his Plymouth Mail subscription. The soldier, Corporal Allen J. McMann says that the large green notes can be exchanged at any bank in Korea.

Corporal McMann wrote that he is receiving his Mail regularly, although it arrives a little late. Corporal McMann is with the 32nd Infantry Regiment.

Cigarette Begins Fire in Anderine Hotel

The fire department put out a fire at the Anderine hotel, Monday morning, that occurred when one of the hotel occupants, Kenneth Hix, was smoking a cigarette in bed. Firemen put out the flames shortly, and damage resulted only to the bedroom estimated at \$250.

BONUS PLAN

We offer a beautiful silver enrollment gift and an opportunity to earn extra place settings & serving pieces.

Commissioners Say no Money for More Services
(Continued from page 1)

Commissioner Fisher: "We are now undertaking a program of improvements and water extensions, sewers, and streets are all included."

Commissioner Henry: "Yes, I do, and the Commission should certainly plan a program as soon as possible. Although we do not have all the funds we need for an extensive program, we can get it underway."

Commissioner Hammond: "Unfortunately, we do not have much surplus for an extensive capital improvements program, but there are certainly things we are going to do in the future. I think the city commission should make plans for it soon. Our new charter will help us toward financing new improvements."

"The extension of water mains comes under the water fund, and there will be a certain amount of money left after that, which is good news."

2. Do you think the city should offer adjoining territories in Plymouth township the opportunity to come under our city government this year?
Mayor Tibbitts: "Yes, I think we should offer it to them, but not this year. We need an extensive program first to show these people that we can offer them advantages. In the next two years, we may be able to have a program worked out."

Commissioner Bauer: "I don't think we can move on that until we get a new charter."

Commissioner Fisher: "I don't think we offer that to people in adjoining areas. They must gather petitions and then vote on it themselves. I don't think we should be too anxious to take in certain areas."

Commissioner Henry: "Pending further study, I don't think I can comment on that at present."

Commissioner Hammond: "I think there are some things we have to do, such as cleaning up our own house, before we can take on additional responsibility. The people we might like to take on, might not want to come in, and then the people who are anxious to come in, might not be a desirable part of the city."

3. Do you believe the city commission should look into possibilities of obtaining additional housing this year to take care of the many new residents that will be looking for homes to live in?
Mayor Tibbitts: "Encouraging news for people looking for homes is that the Garling Construction company is tentatively planning on building 40 homes in the Southwest section of Plymouth."

Commissioner Bauer: "Since we are living underneath a free enterprise system, I'm sure private agencies will take care of the need and it has been very well handled by private enterprises before."

Commissioner Fisher: "Yes, I do. I think it is very necessary that a couple of thousand new homes should be built."

Commissioner Henry: "I think it is being taken care of by builders. Of course, construction of all future buildings depends on the availability of materials. I think there is a need for apartment buildings here in Plymouth."

Commissioner Hammond: "No, I don't believe the city commission has done so in the past. We have cooperated with private agencies. I don't think we should go into the housing business. We need housing but we don't need it so badly that we need take flimsy homes. There is a possible danger there. The city commission owes it to the people that this city remain one with nice homes. There are some housing agencies that would like us to break down restrictions as to the size of lots, but I shall remain firm on keeping our standards."

4. What do you think should be done to carry on a new road program in Plymouth, since the conditions of the streets have been quite a problem and many streets need widening and paving? Do you think anything can be done this year?
Mayor Tibbitts: "We hope to have three or four streets paved this year. We are also starting a program of dust treatment which will extend for several years. The asphalt coating should improve the dust situation and leave a hard surface. Sufficient funds have been appropriated this year to carry out the program."

Commissioner Bauer: "We are going to undertake a program of coating the streets with an asphaltic layer which will help to alleviate the dust."

Commissioner Fisher: "We're right into that now. We plan on using asphalt instead of chloride on our streets. This will be the beginning of better streets and less dust."

Commissioner Henry: "I don't believe an extensive program can be undertaken this year because of lack of funds. However, we can carry out a temporary improvement program, which is going on now. A layer of asphalt on the streets will take care of dust and chuck holes."

Commissioner Hammond: "We do have a road program which is going on now. Our budget has been built on it and funds have been allocated for an improvement program to ease the dust situation. The chances of doing more now however are doubtful."

5. If the city should lose its suit against the Northville Sand and Gravel company, where will the city be able to obtain a better source of water?
Mayor Tibbitts: "We will have adequate water even if we lose the suit. There are three deep wells on Beck road that will not be affected. A well on Mill street can also be used in an emergency, for example, in case of a bombing of Detroit, we could supply them with water."

Commissioner Bauer: "If we do lose the water suit, we shall certainly look into all of the possibilities of better sources of water."

Commissioner Fisher: "We haven't lost it yet and I don't think we're going to lose it. However if we have to, we can utilize water from Phoenix lake."

Commissioner Henry: "Let us hope we don't lose the suit. At present I don't know of another better source of water. We do have a well located at Mill street, but that water was found to be bad-tasting and not at all satisfactory."

Commissioner Hammond: "We haven't lost our suit yet. The best source of water is right there."

6. Since additional space for the city cemetery will be needed in the near future, do you think the city commission should see to it now that the grounds are developed?
Mayor Tibbitts: "We do have the grounds and it's now only a matter of developing it. We do have a program underway of plotting an additional area."

Commissioner Bauer: "Any action for the betterment of the cemetery, I would certainly vote favorably."

Commissioner Fisher: "We are going to have the grounds plotted in the near future."

Commissioner Henry: "Yes, I do. We have got to realize that we are a growing community and make our plans accordingly."

Commissioner Hammond: "I have been discussing that with the cemetery board and I don't want to go over their heads. However, I think it is to our interest to utilize the present area fully and then have additional grounds developed in the near future."

7. What is being done to get the city cemetery, which is operating in the red, on a paying basis?
Mayor Tibbitts: "At the present time to relieve the situation we hope to collect the long-standing bills of many people who haven't paid their expenses on maintenance of the lots."

Commissioner Bauer: "We are giving the matter intensive study. It would help if the people who have cemetery bills would pay them."

Commissioner Fisher: "We have raised the price of lots and we are trying to collect bills from people who haven't been paying for the care of their lots."

Commissioner Henry: "I don't believe it's as serious as it sounds. The cemetery finances are very close to coming out even. A great many people owe money for the upkeep of the lots, but it seems impossible to collect more than 50 percent of the long-over-due bills."

Commissioner Hammond: "In connection with the cemetery finances, we are faced with inflation which cuts into the monies that were set up for the maintenance of our funds. We have invested some of the monies, which are in the hands of a trust company. The interest is at a low rate and unfortunately we can't invest the funds in conservative and high-paying interest rates, because the state law forbids it. We can alleviate the situation by making use of additional space and getting people who haven't paid their fees for perpetual care to do so. The financial condition of our city cemetery isn't as bad as it looks."

High School Stages Spring Music Festival

The annual Spring Music Festival will take place Wednesday, May 23 at 8 p.m. in the high school auditorium. Participating will be the Junior and Senior High school bands, Junior chorus, Girls' Glee club and choir.

Fred Nelson, director of the high school vocal groups, and Paul Wagner, director of the bands, will conduct.

Hough Group Discusses Marketing for Food

"Mrs. Consumer Goes to Market" was the topic discussed by the Hough group of the Wayne County Extension Service at their meeting Thursday, May 10 at the home of Mrs. Robert Soth on Warren road. Plans were made for an outdoor potluck slatted for June.

Announce Marriage of Mr. and Mrs. John Snyder

Mrs. Tessa M. Baker of Plymouth and John E. Snyder of Garden City were united in marriage May 10 at the First Presbyterian church in Northville. The Reverend Harold Fredsell officiated. Mr. and Mrs. Charles King and Mr. and Mrs. John E. Snyder had dinner at Manzio's on Six Mile road, in Detroit.

In Memoriam 28

In loving memory of our dear father, Edwin Place who passed away May 19, 1941.
In life we loved him dearly. In death we do the same. We often sit and think of him. And wish he were here again. Every day brings back sweet memories.
Every memory brings a tear. Deep within our hearts we cherish
Thoughts of you we loved so dear.
Sadly missed by his children. 28-ltp

Will Launch Fishing Boat in Few Days

Within the next few days Russell Powell, well known Plymouth fishing fan, will launch on Saginaw bay one of the finest fishing boats ever placed on Saginaw bay. The boat, a 28 foot steel craft, was built by a Saginaw bay boat builder who designed an especially safe and well equipped fishing craft.
After the steel work had been completed, the boat was brought to Plymouth where it was finished and made ready for service. The painting was done by the Selle Body shop. The boat will be taken to Sebewaug within the next few days where it will be launched in the Sebewaug river a short distance from where the stream enters into Saginaw bay.

THE CORNERSTONE of the temple being built by Plymouth Elks 1780 was laid during the dedication ceremonies last Sunday. The Elks temple will be located at Ann Arbor road. Left to right are Gar Evens, Hugh Hartley, president of the Michigan State Elks Association; James Keyes, William Chofin, Exalted Ruler; and William Clark.

Local News

Billy Baldwin, son of Mr. and Mrs. Harold Baldwin, has returned to his home in North Territorial road following surgery at St. Joseph's hospital, Ann Arbor last week.

Mr. and Mrs. Albert Pint of Schoolcraft road attended the First Communion and breakfast of their nephew, James Paul Sunday in the home of his parents, Mr. and Mrs. Edward Pint in Detroit.

Mr. and Mrs. M. Graham Lable of Hillsdale spent the Mother's Day weekend with their parents, Mr. and Mrs. William C. Hartmann and Mrs. Milton Lable. They were both graduates from Hillsdale college on June 3.

Miss Barbara Ward was honored last Thursday at home at a luncheon shower for her daughter, Donald Sutherland and her daughter, Mrs. Richard Ward entertained for her in the Sutherland home on South Haven street. 16 guests were present coming from Windsor, Canada, Detroit, Wayne and Plymouth. Miss Ward is a bride-elect of June 2.

Mr. Jack O'Brien and Mrs. Clarence Schmitt of Plymouth with Mrs. William Morris of Livonia, and Mr. Robert Franklin of Redford are attending the Shrine's 10th anniversary and card party at the Detroit Yacht Club today.

Glenn "Shanty" Smith has gone to his old home in Michigan, where he will spend the summer months.

Mr. and Mrs. Ralph Davila and baby son have moved to the Carmer Apartments, Rm. 23, Mexico, D. E. Mrs. Davila is the former Lor. Thomas, daughter of Mrs. Bergeon, Temple of Starks-weather avenue.

Mrs. Robert J. Orr and small sons, David, Scott and Larry Robert of Birmingham spent a few days last week with Mrs. Orr's parents, Mr. and Mrs. William J. Sauer, at their home in North Canton Center road.

Miss Geraldine Sharr, daughter of Mr. and Mrs. Sylvester Sharr of Plymouth road, was the guest of honor at a one o'clock luncheon and miscellaneous shower Saturday, May 12 in the home of Mrs. Helen Brown on Maple avenue. Guestesses with Mrs. Brown were her daughters, Mrs. Robert Gilts and Mrs. Fred Korte. Miss Sharr was presented. Miss Sharr will become the bride of Gerald Embley on June 3.

Jack Gage of Michigan State college in East Lansing spent the weekend with his parents, Mr. and Mrs. Jack Gage of Clemons road. On Sunday he spent the day with Mrs. Gage's parents, Mr. and Mrs. John at Maesday lake.

Mr. and Mrs. S. M. McGee of Chicago, Illinois will be the weekend hosts of Mr. and Mrs. R. L. Jacobus of Warren road.

Mrs. Lavina Cole of West Ann Arbor road is recovering at the home of her daughter, Mrs. Roy Watson in Wayne.

Mr. and Mrs. Harold Kahrel of Dearborn spent Mother's Day weekend with their parents, Mr. and Mrs. William Kraeger of Brownell avenue.

Mr. and Mrs. Hugh Law entertained guests at a weekend, Mrs. Wallace Wright of Linden, Michigan.

Shampoo your rugs
See Cadillac Millwork & Lumber Co. ad on page 6—Sec. 2

Mrs. Lydia Drews of North Main street was the Mother's Day dinner guest of Mr. and Mrs. Kahrl Drews and family of Boston Post road.

Mr. and Mrs. Guy Fisher returned from a 5 weeks visit with their daughter and family, Mr. and Mrs. Wesley Bakewell of Portsmouth, Va. They visited the Azalea gardens in Norfolk, Va. while they were in full bloom, also Kittyhawk, N. C. the sight of the first successful flight of the Wright Bros. Fort Riley, N. C. the scene of the Lost Colony, the first English settlement and the birth place of Virginia Dare.

R. L. Jacobus of Warren road left Sunday evening for New York City where he went on business for the week.

Grange Cleanings

Tonight is Grange night, members, so come to the Hall at 7:30. All of the new candidates should be there to receive the 1st and 2nd degrees tonight because we are to have the splendid degree team here on June 7 to confer the 3rd and 4th degrees.

The rug exhibit is tonight so those who have rugs or blouses please bring them in early.
Mrs. Frank Oldenburg was injured in an automobile mix up on Friday receiving a cut on her forehead and numerous other bruises. Her daughter was also bruised.

The meeting of June 7 is a supper meeting but there will be in next week's Plymouth Mail. Watch for it.
Mrs. Cole is very ill at the home of her daughter, Mrs. Roy Watson, in Wayne.

Local News

Sunday dinner guests of Mr. and Mrs. Hugh Law were Mr. and Mrs. Wallace Wright of Linden, Dr. and Mrs. G. G. Wright and son of Franklin Village, Mr. and Mrs. Leroy Bridgeman and children of Garden City, Miss Eleanor Law and Hugh Law Sr. of Grosse Pointe, and their son, Private James Law of Camp McCoy, Wisconsin.

Den I Pack 3 of the Cub Scouts spent a most enjoyable morning last Thursday when Mr. Walter Ebert took them on a tour of the C and O Roundhouse. It was one of the most thrilling trips the Pack has ever taken.

Mr. and Mrs. Ernest J. Allison left Monday morning for their cottage on Torch Lake. They expect to be gone about two weeks.

Sunday dinner guests of Mr. and Mrs. Carlton Lewis of Hartough avenue were the daughter and husband, Mr. and Mrs. Lawrence Eglund of Allen Park.

Mr. and Mrs. Coella Hamilton returned to their home on Hamilton avenue last Monday after a winter's stay at Masa, Arizona. Enroute home they visited in Texas and several other states stopping at Mendon, Michigan where they visited their daughter, Mrs. J. Carroll Haas and a few days with a friend, Mrs. Charles Field in Popular Bluff, Missouri.

Mother's Day dinner guests at the home of Mr. and Mrs. William J. Squires of North Canton Center road were Mr. and Mrs. Roy Creith and Mr. and Mrs. Robert J. Orr and sons, David Scott and Larry Robert, of Farmington. In the evening pleasantly surprising them were Mrs. Squire's sister and husband, Mr. and Mrs. Donald H. Fullerton and Mr. Fullerton's sister, Mrs. Desae Dewar of Detroit.

Mr. and Mrs. Ted Malik and son, David, Mr. and Mrs. Robert Mitchell, Mr. and Mrs. Kahil Drews and family had a farewell party last Friday evening in Riverside Park honoring Mr. and Mrs. Harry Wiley, formerly of Plymouth, who are now making their home in Lansing where Mr. Wiley is attending school.

Mrs. Andrew Vargha attended a meeting of the City club Wednesday. At this meeting arrangements were made for Detroit's 25th Festival flower show. Mrs. Vargha was a representative of the Plymouth Farm and Garden club.

Mr. and Mrs. Austin Pino of Forest avenue spent the weekend with their daughter and husband, Mr. and Mrs. George Chute III in Cincinnati, Ohio. Mr. and Mrs. Chute have only recently moved to Cincinnati from Woburn, Massachusetts.

Saturday evening Mr. and Mrs. Austin Whipple entertained at dinner in their home on Penniman avenue for Dr. and Mrs. Albert Logan, Dr. and Mrs. Paul Bassow, of Ann Arbor, and Dr. and Mrs. Carl January, Dr. and Mrs. Harold Todd, Dr. and Mrs. A. E. VanOrnum, and Mr. and Mrs. Wendell Miller.

Mr. and Mrs. Henry C. Baker and son, William spent the weekend in East Lansing as the guests of their daughters and sisters, Betty and Cynthia Baker, Saturday was Michigan State College Parents Day.

Mrs. Day Swaine is in St. Joseph's hospital in Ann Arbor where she is recovering from surgery on Saturday morning. She expects to be in the hospital for another week.

On Saturday evening, Mr. and Mrs. Edward C. Drews of North Haven entertained the dinner guests of Mr. and Mrs. William J. Squires of North Canton Center road.

Mrs. Frank Oldenburg is convalescing from her bruises and cuts received when she and her husband were hurt in an automobile accident on Friday evening.

Reverend and Mrs. Arvid E. Borden and daughter, Allison Borden, entertained Mr. and Mrs. Charles Edwards and daughter, Leone and sons, Larry and Bill of Willow Run Village at dinner Friday evening in their home on Northern avenue. Following dinner, the guests were entertained with a series of Kodachrome slides taken by the Reverend Borden during the past months.

Sunday evening supper guests of Mr. and Mrs. Ernest Wendland and family on Farmer street were Mr. and Mrs. Edward Hicks and family of Dexter.

Miss Florence Gableman is still critically ill at St. Joseph's hospital, Ann Arbor.

Weekend guests of Mr. and Mrs. Wilfred Thelen of Farmer street at their cabin near Lincoln, Michigan were Mr. and Mrs. Levi LaVergne and Mr. and Mrs. Millard Mitchell.

Miss Marilyn Shreer a student at the Lutheran Seminary at Saginaw, spent the weekend with her parents, Mr. and Mrs. Wesley Shreer on Rose street.

Mr. and Mrs. Phillip Theobald of Roosevelt avenue entertained their neighborhood bridge club last Saturday evening.

Mr. and Mrs. Fred Anderson and son, Lee were the Sunday dinner guests of Mr. and Mrs. Edward Sommerman of Haggerty Highway.

Dr. and Mrs. S. N. Thams received a cable last Monday from Sendai, Japan announcing the arrival of a new grandson. The young man, Paul Eric, was born to Lt. and Mrs. R. W. Thams.

The next meeting of the Library Book Club will be held Tuesday, May 22, at 2:00 at the home of Mrs. J. R. Witwer, 593 Edison.

Mr. and Mrs. Mac J. Donnelly attended a combination Mother's Day dinner and farewell party for Mrs. Donnelly's brother, Alfred L. DeWaele, Mr. DeWaele has been appointed by the Dow Chemical company as chief of security of the atomic research project in Denver. Mrs. A. L. DeWaele, Sr. was also honored at the dinner. Twenty-five people attended the dinner.

Mrs. Clyde Williams and her mother, Mrs. C. M. Speer of Plymouth road were guests Thursday night at the Mother-Daughter Banquet at the Newburg Methodist church of Mrs. Aleta Noble, daughter of Mrs. Williams.

Mr. and Mrs. Loren Hopper and family were guests of Mr. and Mrs. Albert Hart and family for Sunday dinner last week.

Mrs. Maxwell Moon was the guest of her son, William last Sunday, May 6 when his Fraternity, Alpha Sigma Phi entertained their mothers at dinner and then took them to the May Festival as a Mother's Day gesture.

Mr. and Mrs. Joseph Witwer and daughter, Mary Ann spent the weekend in East Lansing as guests of Mrs. Witwer's mother, Mrs. C. H. Anderson.

Mrs. Richard Gust and daughter, Phila, and Mr. and Mrs. Ted Manilla of Detroit visited Mr. and Mrs. Frank Schaufle in Owosso Sunday.

Mr. and Mrs. Charles Chappell of Portis drive left Friday morning for a trip to California and the West Coast. They expect to be gone about five weeks.

Mrs. A. M. Wileton was hostess to the members of the W.S.C.S. of the First Methodist church day Unit 3 in her home on Pine street Wednesday afternoon. Co-hostesses with Mrs. Wileton were Mrs. David Taylor and Mrs. I. N. Dickerson.

The Riverside Book Club are meeting today, Thursday at the home of Mrs. Melvin Guthrie on Newburg road. Following a pot-luck luncheon they will enjoy a talk from an old Detroitier, Mrs. James Downey who will speak on the History of Detroit. Mrs. Downey for many years was the safety lady for the Automobile club of Detroit.

A group of friends surprised Mr. and Mrs. Ernest Wendland Saturday evening in their new home on Farmer street at a house warming and anniversary party. The Wendlands received a lovely table lamp from those present.

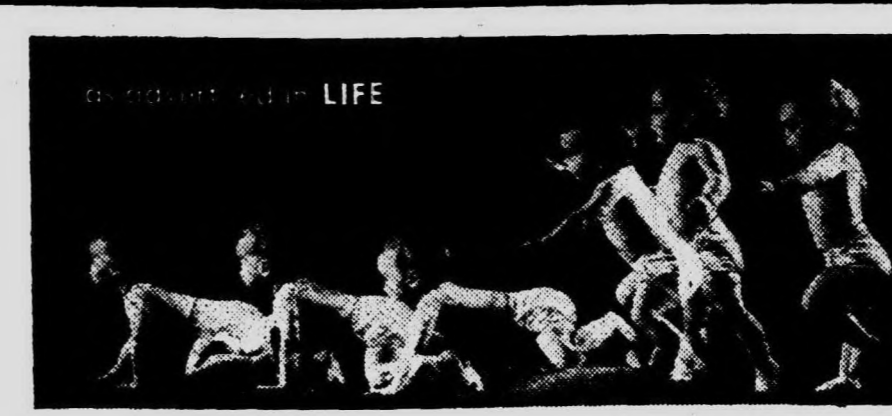

Mr. and Mrs. Michael Schuster and daughter, Gretchen, were the Mother's Day dinner guests of Mr. and Mrs. Gordon Moe.

Last Tuesday Mrs. Nell Curry, Mrs. George Chute, Mrs. Ada Murray, and Mrs. Austin Whipple attended the annual luncheon of the School of Government at the Book Cadillac Hotel in Detroit.

The Youth Fellowship of St. Peter's Lutheran church enjoyed a supper and social evening at the home of Richard Garchow on Bradner road Monday evening.

FIRST CHURCH OF CHRIST, SCIENTIST, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. That man is a spiritual being rather than a mortal is the theme of the Lesson-Sermon entitled "Mortals and Immortals" to be read in all Christian Science churches on Sunday, May 20. The Golden Text is from John (3:6): "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit." Among the Bible citations is this passage: (Eccl. 3:14): "I know that, whatsoever God doeth, it shall be forever: nothing can put it to, nor any thing taken from it; and God doeth it, that men should fear before him." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "For right reasoning there should be but one fact before the thought, namely, spiritual existence. In reality there is no other existence, since Life cannot be united to its unlikeliness, mortality." (p. 492)

ST. PETER'S EVANGELICAL LUTHERAN CHURCH, 261 Spring St. Edgar Hoenecke, pastor. Early service, 9:30 a.m. Sunday School, 9:30 a.m. Main Service, 10:45 a.m.

Tuesday at 3:30, Junior Hi Fellowship. Tuesday at 7:30, Important Teacher's meeting. At the church.

FIRST METHODIST CHURCH, Rev. Melbourne Johnson, pastor. Church School (Nursery through Junior High), 10:15 a.m. to 12 noon. Students going directly to classes. Worship Service for the church school will be held departmentally from 10:15 to 10:50. Morning Worship, 11 to 12 noon. The Sermon theme for next Sunday morning May 20 is, "A New Dedication." During the morning worship service Mrs. Alfred Lowther, Detroit Conference President of the W.S.C.S. will conduct an installation service for the newly elected officers of our local W.S.C.S.

City Quill and Scroll Install New Chapter
A new chapter of the Quill and Scroll was installed at Belleville High school by Plymouth's Edna M. Allen Chapter on Monday, May 7.
Ray Cliff, editor of the local Belleville paper, talked to the students about careers in journalism before the installation. After the initiation ceremony, cookies and punch were served by the new members.
Members of the Plymouth chapter of Quill and Scroll are Mary Ann Witwe, James Brinks, Jerry Corey, Norma Van Dyke, Donalda Lewis, Margaret Klingbeil, and Dorothy Curtis.

Balogh Smashes PHS Mile Time

Swift sophomore John Balogh shattered Plymouth High's record time for the mile, Tuesday afternoon, May 8, against Ypsilanti, but still suffered his first defeat in dual-meet competition in an even swifter Seidel of Ypsi. This cannot be accepted as entirely official though, because PHS track records only go back as far as 1945.

John's second-place time was 4:45.7, two seconds faster than the record clocking of 4:47.5, but five seconds slower than Seidel's winning time of 4:40.5. The old record was chalked up by Al May in 1945 and one year later Bob Erink approached this time with a run of 4:48.8.

Since then Plymouth has had a lack of good milers. The best the school had turned out, until Balogh showed up, was Dick Crumb, who once last year covered the distance in 5:09.8. Most of the races in the year between were won with slow times of around 5:15 and 5:20.

At the beginning of this season it looked as though Dick Crumb would not be back and Coach Mosio turned to Balogh, who had sparked the PHS cross-country team to a very successful campaign. John surprised nearly everyone when he ran his first competitive mile at the River Rouge Relays in the amazing time of 4:51.8 and finished third.

That was on an indoor oval, but even outside John continued to turn in fine times of 4:52.8, 4:54.8, and 4:55. But in all of these meets he met no stiff competition. Then in the Ypsi meet, running against another very good high school miler, John hit his stride.

The approximate clockings of the quarters that John raced through were 1:08, 2:21, 3:30, and then the final of 4:45.7, which is an average time per quarter of slightly more than 71 seconds. Incidentally John's fastest quarter-mark time to date is 65 seconds, set in the first quarter of the Clarenceville mile run.

Balogh, as a sophomore now, has two more seasons ahead of him, and is sure to improve upon the time he set in the Ypsi meet.

TWO TIME CHAMPIONS of the Monday night league at Parkview Recreation are Fisher's Shoe Store bowling team. The keg'ers won last year too. Shown left to right are Lon Brockelhurst, Pat McGuire, Warren Bassett, Al Conery, Berl Bolin, and Jim Houk. The captain, Ralph Taylor was not present when the picture was taken.

Ypsi Thin Clads Beat Rocks, 75-34

After three consecutive victories, Plymouth High's Varsity track team met and was defeated by a powerful Ypsilanti thin clad squad on the neighboring team's field, Tuesday afternoon, May 8. The final score was 75-34. This loss lowers the seasonal standing to 4-wins and 2-losses in dual-meet competition, for a percent of .667.

The Braves strolled off the field with 12 of the 13 first-place spots, good for 60 points and more than enough to beat the Rocks. In field events Ypsi collected 23 tallies as to the 13 garnered by Plymouth, and in track events the Braves earned 52 markers as compared to the 21 gained by PHS.

The only first PHS took was won by Arlen Ottensman in the pole vault. He soared nine feet, placing him ahead of Ypsi's Bruce and Gabel of Plymouth. Dick Ruenski lost the half-mile race by three-tenths of a second. His time was 2:11.8 and the winning time was 2:11.5.

For the first time sophomore John Balogh raced through the mile run in less than 4 minutes and 50 seconds, but still lost out to Ypsi's Seidel, who had a winning time of 4:40.5. Balogh's time was 4:45.7, six seconds faster than his previously best recorded time.

Even though he did not win, Ralph Wagnerschultz showed promise in the 100-yard dash, by seconds. And in the shot put Ron Nyhus out-tossed team-mate Al Williams with a heave of 39'9", good for second.

As in other years Ypsi began to show their strength midway through the season, but of all the league teams the strongest seems to be the Wayne team. It has more over-all depth than the Ypsi squad has, but both are quite strong.

Then, after Travis popped out, Plymouth's pitcher moved up to third on Ron Ritter's single to right field. But this failed also, when PHS's Brinks fanned on a dramatic three and two pitch. The Rock's second baseman, Gary Sockow cracked out two hits in three times at bat to raise his team-leading average to .357. Ritter, Jacobus, and Dzurus got the other three hits, all singles. The squad now has made 19 hits in an even 100 times at bat for a low team-average of .196.

Redford Panthers Win Over Plymouth Rocks, 1 - 0

Wally Dzurus, Plymouth High's hard-luck baseball hurler, suffered his third defeat of the current season as against no wins, Tuesday afternoon, May 8, even though he tossed a one-hitter at the Redford Union Panthers. The final count was 1-0.

In the opening game of the season, Pitcher Dzurus twirled a no-hitter against the Belleville nine but, because of errors, still lost 3-0. In the next game Plymouth out-hit Trenton, seven to six but again lost 9-4.

Then in this latest tilt PHS collected five hits as to the lone base-knock by RU's Luzod, but the door was closed and Plymouth bowed again. In the fourth-inning the lead-off man for Redford Union was Orr, who Wally lapped, but the ball got away from catcher Huebler.

Then in an attempt to catch the runner before he reached base, Huebler tossed the ball into right field and the RU player advanced to second. Dzurus struck out the next man, but Luzod singled to right scoring Orr and winning the ball game.

PHS had two scoring chances: one in the fourth inning and another in the fifth. The first chance came when lead-off batter Jim Brinks was hit by a pitched ball. But Sockow flied out and Lanphear forced Brinks at second.

Phil Jacobus kept the rally alive, though, with a smart single to right, sending Lanphear to third, but the flame died as RU's pitcher fanned Jerry Finnegan. The Rocks tried again in the fifth when, with one down, Dzurus drilled a single to right.

Then, after Travis popped out, Plymouth's pitcher moved up to third on Ron Ritter's single to right field. But this failed also, when PHS's Brinks fanned on a dramatic three and two pitch. The Rock's second baseman, Gary Sockow cracked out two hits in three times at bat to raise his team-leading average to .357. Ritter, Jacobus, and Dzurus got the other three hits, all singles. The squad now has made 19 hits in an even 100 times at bat for a low team-average of .196.

Last Friday's game scheduled with Ypsilanti was cancelled because of the weather and the results of Tuesday's game with Belleville are not yet available. This Friday the Rocks will oppose Trenton on the local ball diamond.

Recreation Department Classes

WOMEN'S GOLF CLASSES

Four women's golf classes have been enjoying the classes supervised by Mrs. Alex Miller at Hill Top Golf Course each Thursday at 9:00 and 10:00 in the morning and at 5:30 and 6:30 in the evening. We are looking forward to the women's tournament in August.

WOMEN'S SWIMMING CLASS

Sixty-three women have enrolled in the two evening swimming classes at the Wayne County Training School each Wednesday evening from 8:30 to 9:30 and from 9:30 to 10:30. Enrollment now for the next class which will begin June 27 and continue throughout the summer.

- Thursday, May 17
 - Women's Golf, 9:00 a.m.
 - Dancing Class, 3:30 p.m.

 - Dancing Class, 3:30 p.m.
 - Women's Swimming, 8:30 p.m.
 - Women's Swimming, 9:30 p.m.

Last Week's Athletic Program Rained Out

Because of rainy weather in and around the Plymouth area, last week's athletic program at Plymouth High school was considerably slowed down. On Thursday afternoon, the PHS golf and tennis squads were prepared to square off with Bentley and Trenton, respectively, in home tilts, when rain washed away both battles.

Then on Friday afternoon the Plymouth-Ypsi baseball game, which was to be played on the local diamond, was cancelled to be rescheduled, and the 6-B League track meet to be held on

the oval at Ypsilanti Normal college was moved ahead to last Wednesday, May 16, on which date the teams did compete, but the results are not available.

Scholarship to Wayne Given to Robert Kropf

Recipient of a scholarship to Wayne University was Robert G. Kropf of Butternut street. The Board of Education awarded the two year scholarship to the Wayne sophomore, who is majoring in Business Administration. The Plymouth boy's mother is Mrs. Helen Jones.

SHEDS DIRT... STAYS WHITE

FOR YEARS!

DU PONT HOUSE PAINT

cleans itself!

For lasting whiteness and matchless brightness make certain your painter uses Du Pont House Paint. A unique blend of pigments and oils, it actually sheds dust and grime during every heavy rain! It cleans itself! Normally, this "Self-cleaning" process starts within a few months. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay this process.

So beautify your home with the paint that's made right to stay bright. Specify "Self-cleaning" Du Pont House Paint in Outside White or popular tints. Ask your Du Pont dealer or painter to tell you how the "Self-cleaning" process works in your area. And if the surface is bare wood or badly weathered paint, assure maximum adhesion of the finish coat by starting with a coat of Du Pont House Paint Primer.

What kind of heat is best for your new or modernized home?

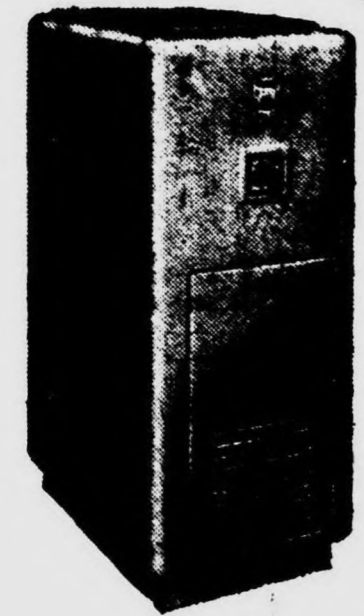

See us for expert advice and free estimates

SEVERN Boiler—the universal boiler—is ideal for most homes being built today. Shown is the hand fired model. Also comes in models for stoker firing, or for use with any good oil burner. This is but one of the many modern boilers by American-Standard that we recommend.

ARCOLINER Wet Base Oil Boiler offers owners and builders of small to medium sized homes the advantages of clean, carefree, automatic oil heating. Smartly styled to lend distinction to any basement recreation room, the Arcoliner is also ideal for first floor installation.

EMPIRE Gas Boiler has all the features essential to perfect performance and economical operation. Available for practically any size home. Model shown is suitable for small homes and may be installed in closet or kitchen in homes where no basement exists.

SHOULD you burn coal... or oil... or gas? Do you want a steam or hot water system? How about radiators? Have you considered the new baseboard radiant panel? Why not profit by the experience of men who know all the answers! Yes, get the facts about all types before you buy. If you do this first, you can be assured of quality products that permit you to save substantially on heating costs while you enjoy years of carefree comfort.

Come in and see the latest developments in modern heating equipment... or phone and a heating expert will help you. We sell the complete line of American-Standard Heating Equipment, and welcome an opportunity to discuss your requirements directly with you, your architect or your builder... and our recommendations and estimates will not obligate you in the least.

Official Proceedings of Your City Commission

The regular meeting of the Board of Education of the Plymouth Township School District was called to order by President Wesley at 9 p.m., May 8, 1951.

PRESENT: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.
ABSENT: None.

The minutes of the regular meeting of April 17, the special meeting of April 24 and the special meeting of April 26 were approved as read.

Mr. Cutler, Mr. Oral Rathbun were present to discuss the driveway between Veterans Memorial Building and new gymnasium.

Moved by Mr. Gallimore, seconded by Mr. Hulsing that triangle of property here in described as:

Commencing at a point on the Northwesterly side of Lot 102 of Assessor's Plymouth Plat No. 5 of part of the N. W. 1/4 of Section 26, T. 1 S., R. 8 E.

Plymouth Township, Wayne County, Michigan, according to the plat thereof as recorded in Liber 64 of Plats of Page 29, Wayne County Records; which point is distant N. 32° 26' 29" W. 86 feet from the Northerly side of Main street as platted; running thence N. 32° 26' 29" W. 211.12 feet; thence S. 51° 39' 57" W. 15.23 feet; thence S. 37° 95' 14" E. 210.38 feet to point of Beginning;

to be exchanged with Veterans—Plymouth District Veterans Memorial Foundation for piece described as:

A part of Lot 103 of Assessor's Plymouth Plat No. 5 of part of the N. W. 1/4 of Section 26, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, according to the plat thereof as recorded in Liber 64 of Plats on Page 29, Wayne County Records, particularly described as follows: Commencing at a point on the Southwesterly side of said Lot 103 which point is distant N. 32° 26' 29" W. 12 feet from the Northerly side of Main street as platted; running thence N. 32° 26' 20" W. 74 feet; thence S. 37° 05' 14" E. 73.81 feet; thence S. 53° 29' 08" W. 6 feet to the Point of Beginning;

to be used for driveway and access to Veterans property and to school properties. Carried.

AYES: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.

NAYS: None.

Mrs. Don Herrick came with a complaint about sewer at back of Starkweather School. Leo Kowalcik reported that work being done on sewer at present time would be permanent.

A committee of Board members were appointed to inspect Universal Installation of Bleachers at Waterford Township Schools at 10:30 a.m., Wednesday.

Mrs. Morrow moved that school calendar be accepted with change of Easter recess to April 10 through 21, 1952. Mr. Laury seconded the motion. Carried.

AYES: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.

NAYS: None.

Moved by Mr. Laury, seconded by Mr. Hulsing that Klinansmith bid of \$325.00 for grading of Bird Elementary School be accepted. Carried.

AYES: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.

NAYS: None.

Moved by Mr. Gallimore, seconded by Mr. Laury that necessary teachers be hired for 1951-1952 on salary schedule. Carried.

AYES: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.

NAYS: None.

The secretary was requested to notify election board with J. Rusling Cutler as chairman. Salary schedule was discussed.

Moved by Mr. Gallimore, seconded by Mr. Laury that salary schedule be adopted, with a minimum of \$2,850 for an A. B. degree, and \$3,050 for an M. A. degree, maximum of \$4,800 for an A. B. degree and \$5,000 maximum for a M. A. degree with \$200 increment. Carried.

AYES: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.

NAYS: None.

Moved by Mr. Laury, seconded by Mr. Gallimore that unpaid bills totaling \$7,077.66 and pay-

roll check of April 20, \$16,997.00 and May 4, \$20,119.11 be allowed. Carried.

AYES: Mr. Gallimore, Mr. Hulsing, Mr. Laury, Mrs. Morrow and Mr. Wesley.

NAYS: None.

Mr. Nelson's contract was discussed. Discussion of procedure to annex part of Waterford Township. Mr. Gallimore moved to adjourn at 11:55 o'clock p.m.

Local U of M Student Receives Scholarship

William Norman, a senior at the University of Michigan, has been appointed to the Cornelius and Margaret Donovan scholarship. He is the son of Mr. and Mrs. Bruce Mackie, 159 S. Harvey street.

Former Resident Dies at 92 Years in Detroit

A former resident of the area, Mrs. Hattie A. Bennett of 7631 Auburn avenue, Detroit, was ill for ten days and death occurred May 10, in Detroit, where she had made her home for the past four years with her daughter and family, the Clifford Malbys.

Mrs. Bennett was born August 10, 1859, one of two children of Hall and Nellie Atchinson of Salem township. Seventy years ago she was married to John Bennett, now deceased and they had ten children. Four of whom have preceded her in death.

She was the oldest member of the Salem Federated church. Funeral services were May 12, from the West Salem Country church with Rev. Clifford and Rev. Burnett officiating. Burial was on the family lot in the Walker Cemetery.

Surviving relatives are five sons, Roy and Clifford of Detroit, Glenn and George of Salem and Coe of Northville and one daughter, Mrs. Bertha Malby of Detroit.

Funeral Services Held for Resident of Livonia

Funeral services were held Saturday, May 12 at one p.m. from the Schrader Funeral home for Harry A. Dethloff who passed away Wednesday evening, May 9 at his home, 15220 Levari road, Livonia at the age of 46 years. He has been a life-time resident of Livonia.

Surviving are his widow, Mrs. Anna Petsch Dethloff; four brothers, Walter, Carl, Harvey and Sidney Dethloff all of Plymouth, and his sister, and Mrs. Martha Schwartz of Detroit.

The Reverend Theodore Sauer of Livonia officiated. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were Edward Meinung, Harold Long, Joseph Frankowicz, Henry Petsch, Karl Petsch and Mundus Petsch. Interment was made in Livonia cemetery.

Motorists fed more than a billion coins into parking meters along the curbs of 2,500 communities last year. Automobile Club of Michigan reports. Studies indicate that the total parking meter "take" for the year amounted to more than \$50,000,000. Only about four percent of the communities used the money wholly or in part to build off-street parking facilities.

With Our Boys in The Armed Forces

Brief items of interest about your sons or husbands in the services are welcomed in this column providing the information does not conflict with press security policies.

Pvt. James A. Van Tassel, 20, son of Mr. and Mrs. Arlie Van Tassel, 11101 Stark road is completing his AF basic airmen indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."
His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Corporal Ray S. Nowry, who was wounded in Korea for the second time within a month, is recovering in a hospital in Japan. He is the son of Mr. and Mrs. Sheldon Nowry of 803 Ann street. Corporal Nowry is serving with the 8th Army.

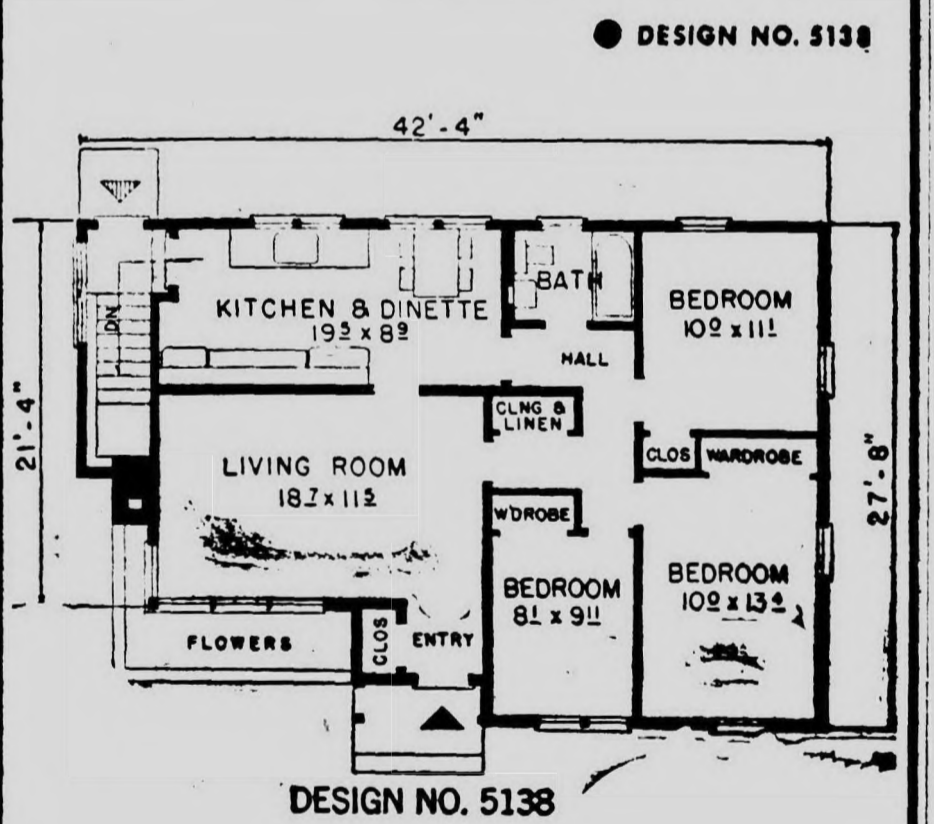

Plymouth boys who left today for the armed forces are Derkson W. Worden, Adolph W. Kushler, Franklin Burden, Arden M. Chapel, Charles M. Thompson, and Charles P. Finlan.

Two High School Pupils Participate in Panel

Charlie Stark and Dolly Lewis took part in a panel discussion on "The Needs of Schools and Communities in the Eyes of Youth" at the 85th meeting of the Michigan Schoolmaster's club in Ann Arbor on Thursday, April 26.

The panel members were composed of six high school students, two from Dexter High school and two from Chelsea High school, together with PHS's two representatives.

Preceded by a luncheon in the Michigan Union and speeches by William Haber of the University of Michigan and Clifford E. Erickson of Michigan State college, the panel discussion pertained mostly to the actual experiences of the panel members and their high school friends, and was chaired by Howard Y. McCusky of the University of Michigan.

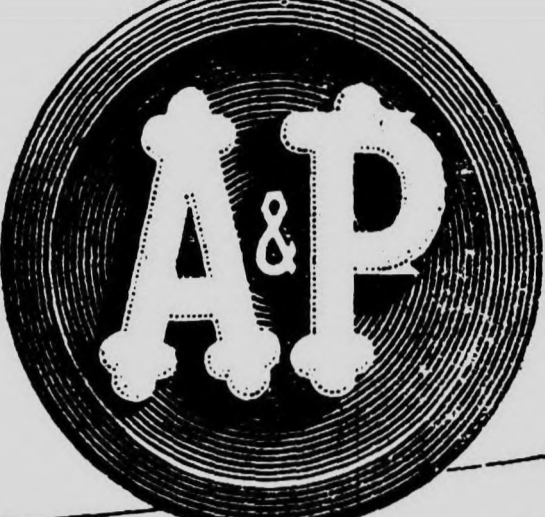

BUILDERS will tell you that when you find five efficiently arranged rooms in an area slightly over a thousand square feet, you have found great home value.
You must see the floor plan of this home to fully appreciate it. Also, the architect has developed four other exterior designs to satisfy personal preferences.
There are nearly one hundred other ideal homes in our 4-Square Home Building Service—each created by an architect who specializes in fine small homes. You will see great value in these homes. While giving them beauty, the architects have provided for sound, economical construction through the use of standard, ready-to-use building materials.
Come in soon and see all the designs in the Service.

Guests of Mr. and Mrs. Coelia Hamilton at a picnic dinner Sunday at their home on Hamilton street were Mr. and Mrs. Kenneth Greer and family, of Ann Arbor; Mr. and Mrs. James Steele and family, Mr. and Mrs. Murray O'Neil and son, Jerry, and William K. Greer all of Plymouth. The evening was spent watching movies of the Hamilton's Western trip.

Edward Dent of Blunk avenue is in Beyer Memorial hospital where he underwent surgery on last Monday. He expects to be confined to the hospital for a time yet.

Mrs. Warren Worth entertained the members of St. John's Guild Wednesday afternoon in her home on North Territorial road.

Mr. and Mrs. Robert Lorenz and family were the Sunday dinner guests of Mr. and Mrs. Ralph J. Lorenz of Sheridan avenue. Besides celebrating Mother's Day they also celebrated the fourth birthday of the Robert Lorenz' daughter, Janis Carol.

The Lily Club enjoyed a potluck supper and evening of cards Monday as the guests of the Ray Mettels at Oakwood Lake.

Nulty - Spanier Rites Solemnized on Saturday

Miss Betty Ann Spanier, daughter of Mr. and Mrs. J. C. Spanier of North Harvey street and Gordon E. Nulty exchanged their nuptial vows Saturday morning, May 13, in Our Lady of Good Counsel church. Officiating at the eleven o'clock rites was The Reverend William P. Mooney.

Gordon is the son of Mrs. Helen Stewart and Mr. Jack Nulty, of Plymouth. Large baskets of white stock and carnations formed the setting for the impressive ceremony. Miss Mary Ann Cylvk, accompanied on the organ by her mother, sang "Ave Marie," "Ave Verbum," and "Mother At Thy Feet We're Kneeling."

The bride's gown was of imported Chantilly lace appliqued in flowers and rhinestones and extended into a peplum over the full net skirt that ended in a train. The bodice had a picture neckline and long fitted sleeves ending in points over the wrists. Her fingertip length veil was of illusion with appliqued flowers and fastened to a crown of seed pearls and rhinestones. Her arm bouquet was of stephanotis. She was given in marriage by her father.

Delores Spanier was her sister's maid of honor. She wore a gown of ice pink tulle with a gathered bodice and full skirt, and wore a matching hat of ruffled nylon. She carried a sheath of rubrum lilies.

Donna Spanier and Thelma Wilkie assisted as bridesmaids and were gowned identically to that of the honor maid. They also carried lilies. William Zimmerman served the bridegroom as best man and seating the guests were John Wilkie and Robert Savel.

Mrs. Spanier, the bride's mother, wore a dress of beige color with a lace neckline and brown accessories and for her son's wedding, Mrs. Stewart selected green taffeta with rhinestone, inserts and black accessories. Both mothers wore pink rose corsages. Immediately following the ceremony a reception for over 200 guests was held in the Veterans Memorial Hall in Northville. Guests were present from Ply-

Mrs. Gordon E. Nulty

outh, Northville, Detroit, Birmingham, Pontiac, Kentucky, Garden City, and Minneapolis, Minnesota.

When Mr. and Mrs. Nulty left on their wedding trip, which will take them to Washington, D.C., Kentucky, and Virginia, the bride was wearing a navy blue suit with white lace hat and navy accessories and a corsage of stephanotis. Both young people are graduates of Plymouth High school and upon returning from their honeymoon will reside at 574 Auburn avenue, Plymouth.

Interprets Poetry to High School Students

Presenting a 45 minute program on interpretation of poetry and dramatized poems Tuesday, May 16, at an assembly for the junior and senior high school students was Miss Phyllis Phillips, a graduate of Kent college in Ohio.

Miss Phillips tours the United States giving these programs to high school students.

Elect Officers in Garden Club

New officers were elected by the Plymouth branch of the Women's National Farm and Garden Association last Monday afternoon. Guiding the affairs of the Garden club are Mrs. Sidney Strong, president; Mrs. Austin Stecker, first vice president; Mrs. Edwin Schrader, second vice president; Mrs. Ralph G. Lorenz, recording secretary; Mrs. Byron Becker, treasurer; and Mrs. Chester Teasel, corresponding secretary.

Serving as hostess at the meeting were Mrs. Gronwich, Mrs. Louis Truesdell, Mrs. Harold Brisbois, Mrs. F. Carmichael, Mrs. Horace Johnson, Mrs. Byron Becker, and Mrs. Austin Whipple.

The next meeting of the Garden club will be June 11 at the home of Mrs. Anthony Dehaen. A picnic is planned.

Plymouth High Y-Teens Sponsor Dance Friday

The blue chapter of the Plymouth High Y-Teens is sponsoring a dance Friday evening. The music will be supplied by records and refreshments will also be served.

Chairmen of the different committees are: Nancy Kroft, music; refreshments, Sara Leet; tickets, Pat Lidgard; chaperones, Gail Lutz; publicity, Shirley Sauer; cleanup, everyone.

Other girls who will help out on the different committees are: Elaine Rich, Glenna Fraleigh, Sally Truesdell, Sue Harris, Marion Miller, Blanche Shrumm, Susan Simmons, Mary Carless Daranno, Wilton, Mara Barr, Nancy Busha, and Loraine Merrill.

We must keep the poison of intolerance out of our minds and hearts. We must put on guard our best and kindest judgments and our generous and considerate feelings. —Rev. Minot Simons

Miss Burgett Engaged to John Bucknell

Mr. and Mrs. Lawrence Burgett of Ferguson avenue announce the engagement of their daughter, Janet to John Bucknell, son of Mr. and Mrs. Clarence Bucknell of Cranston avenue, Rosedale Gardens.

In Grand Rapids, a parking lot attendant told police that he thought he had given a car to the wrong person. He explained that he had to show the young man how to work the automatic shift on a car the man said was his. The real owner and the thief both turned up later.

DAR Schedules Annual Meeting

"The Cold War on the Home Front" will be the topic of Mrs. Rosa M. Farber's speech, which will be given at the meeting Monday evening, May 21, of the Sarah Ann Cochrane chapter of the Daughters of the American Revolution.

Mrs. Farber is the chairman of the legislative research committee of Wayne County.

The annual meeting will be held at the home of Mrs. Sherwin Hill in Northville at 8 p.m. It will be husband's night and all guests are invited.

Plant a garden this spring. Plan it so it will provide essential food for the entire family for the entire year.

STRAWBERRY DELIGHTS
Strawberries are morale builders for any meal, whether combined with other fresh fruits for a salad or floating through a frozen strawberry pie. This rich salad may also be used as a dessert.

Strawberry and Pineapple Salad
1 pint strawberries
3/4 cup fresh pineapple
4 tablespoons sugar
1 tablespoon lemon juice
3/4 cup diced marshmallows
1/2 cup whipping cream
1/2 cup mayonnaise
Wash, hull and halve berries; pare and dice pineapple. Mix sugar and lemon juice with fruit

and marshmallows. Allow to stand one hour. Arrange on lettuce. Top with whipped cream and fold into mayonnaise.
Yield: 6 servings.

This new version of a baked Alaska is sure to cause a flurry of excitement among your guests.
Strawberry Alaska Pie
1 pint fresh strawberries
1/2 cup sugar
1 baked pie shell
3 egg whites
6 tablespoons sugar
1 teaspoon lemon juice
1 pint vanilla ice cream
Wash, drain and hull berries. Cut in half or dice. Mix with one-half cup sugar. Just before serving, place in cold baked pie shell. Beat egg whites until fluffy, gradually beat in remaining sugar. Blend in lemon juice. Cover berries with a layer of ice cream spread to within one-half inch of the edge of the crust.
Spread meringue mixture over ice cream, bringing it out to cover the crust. Bake in pre-heated oven (450° F.) until meringue is brown. Serve at once.
Yield: 8 servings.
The secret of making this pie is to be sure that the ice cream is frozen hard, is completely surrounded by meringue, and that the pie is served immediately.

Hints For Plymouth Homemakers

Make Casserole With Pork Chops

This casserole dish is called a farm supper—but it's guaranteed to be a hit whether it's served on the farm or in Manhattan! Pork chops form the basis for this succulent casserole, and tasty seasonings bring out their best flavor.
1 package frozen or 2 cups whole kernel corn
1/2 teaspoon salt
1/2 cup minced green pepper
1/2 cup chopped ripe olives
2 tablespoons margarine or butter
2 eggs, beaten
1/4 cup milk
6 end cut pork chops
Mix together corn, salt, green pepper, and chopped olives. Place a layer of the corn mixture in a buttered baking dish. Sprinkle with half the cracker crumbs and dot with half the margarine.
Top with another layer of the corn mixture and sprinkle with remaining cracker crumbs and dot with margarine or butter. Mix together eggs and milk. Pour over the corn mixture.
Season pork chops with salt and pepper and arrange on top of casserole. Bake in a 325 degree oven for 45 minutes.
Yield: 5 servings.

Treat Nylons Gently for Longer Wear

Nothing matches that awful moment of panic when your last pair of nylons sprouts a run. You feel helpless and miserable, and you make yourself a mental promise to be more careful of them in the future.
Start, of course, by buying nylons in pairs, or in boxes of three. That allows a fair amount of matching, when singles become snagged or develop runs.
Then, take special care in washing them. First, be sure your hands are smooth. Hang-nails and roughened skin can snag sheer threads. Jewelry too. One sure preventive against snagging is to wear washable gloves when you wash hosiery. That accomplishes two jobs at once.
It's best to wash nylons every evening when you take them off rather than allowing them to accumulate for mass laundering. Make a suds of either a mild soap or a gentle detergent using warm water. Squeeze, rather than rub stockings; then rinse thoroughly and roll in a towel to remove most of the moisture. Do not wring them.
Hang nylons by the toes to dry, possibly using one of those plastic clothes-pin gadgets.
Always roll the stocking down to the foot before you put it on. Then, to make sure the seam is straight, let one hand follow the seam as you pull the stocking up. This puts the top in the right position for garters.
Again gloves prevent snags. As for storing between wearings, roll nylons gently, and tuck them into a partitioned silk-lined box, into a soft nylon bag, or into individual paper folds such as they come packed in. Nylon stockings, for all their apparent toughness, are fragile garments. Care means longer wear.

Fresh Greens Spark Meals

The season for a good variety of fresh "greens" is here. It's the time of the year for homemakers to add that springtime boost of color, crispness and lots of vitamin A to their menus.
Lettuce, new green cabbage and Michigan grown asparagus are leading the list right now. But there will also be plenty of the other greens in the next few weeks, including broccoli, spinach, endive, parsley, green beans and green onions. Later in the spring we will also be able to choose from turnip and beet top greens, mustard greens and water cress.
At the present time green cabbage is still one of the best buys at about 8 cents a pound. This is more than we've been paying for several seasons, but still much less expensive than most of our other green, leafy vegetables.
A serving of green cabbage, at the above price, comes to about 2 cents.
In a survey of several Michigan stores recently the price of some of the other fresh vegetables ran as high as 10 cents a serving.

The prices will vary, of course, in different localities and as the season advances. But it's well to remember price comparisons if you're interested in economy, both among the vegetables available, and from store to store.
It's also wise to compare the prices of the three forms in which these greens are sold—fresh, canned or frozen. For instance, a serving of canned spinach was about 3 1/2 cents, fresh spinach about 7 cents, and the frozen product was almost double the cost of the fresh.
A asparagus as another example, was most expensive in the canned form, with fresh asparagus costing the least and the frozen in between in cost per serving.
For the fresh green vegetables that you select, make sure that they are kept at their best until they are to be used. Greens of all kinds should be stored in airtight containers in the refrigerator, or in the refrigerator hydrator.
For minimum spoilage, the greens should not be washed until just before they are prepared for the table. Washing in warm rather than cold water will loosen and remove the dirt more easily before greens are cooked.

It's a Fireball Engine!

Here's Where the Pounds Pay Off

FIRST thing that people notice when they take over a Buick is the sure-footed stance this fine automobile has on the road.

You head into a curve and hold firm and true. You travel a turnpike without sway or wander.

While your wheels may dance when you hit a stretch of washboard gravel—your car holds its level course.

A lot of things account for this beautifully poised performance, but it starts with stalwart structure and ample weight—plenty of pounds where pounds are needed.

Please don't get us wrong. This isn't

"deadweight." Though a Buick like the one pictured here tips the scales at more than two tons, it's as nimble as an antelope at play.

It has a generous hoodful of valve-in-head Fireball power—packing a powerful punch of velvet velocity.

It comes with the smooth magic of Dynaflo Drive—a lightness of steering that's gently responsive to a lady's hand—a front-end geometry that's pure genius—the finest brakes ever put on a Buick.

And every wheel rides on shock-eating coil springs that are carefree and trouble-free for the life of your car.

You'll also find—by a few moments of simple arithmetic—that the pounds in this bounteous beauty pay off in another way. On a cents-per-pound basis, it will cost less to buy than anything else near its weight and power and size.

Why not visit us real soon—like the first thing tomorrow—and let us show you why you and your budget will both be happy with this Buick?

Exterior color, accessories, trim and models are subject to change without notice.

No other car provides all this:

- DYNAFLOW DRIVE — saves strain on driver as rear FIREBALL POWER — high-compression, valve-in-head engine gets more gool from every drop of fuel PUSH-BAR FOREFRONT — combines smart style and unsurpassed protection WHITE-GLOW INSTRUMENTS — provide greater clarity at night TORQUE-TUBE DRIVE — steadies ride, improves driving control 4-WHEEL COIL SPRINGING — cushions ride, saves servicing costs DUAL VENTILATION — outside air fed separately to right or left of front compartment SELF-ENERGIZING BRAKES — hydraulic—multiply pedal-pressure five times at brake drum DREAMLINE STYLING — tapered, car-length fenders, gleaming sweepers on most models Plus: Self-locking luggage lid, Sten-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Power engine mounting, Body by Fisher

My MICHIGAN
 BY • ELTON R. EATON

As every one in Michigan knows (or should know) the robin is the "state bird" of this beautiful commonwealth. That is one of the minor reasons why all should be interested in the robin—the main reason, of course, being the fact that it is one of the most fascinating birds that has survived the invasion of the white man.

Recently the National Wildlife Federation sent to newspapers throughout the country an interesting article about the robin. It follows:

There are few of us who are not familiar with the saucy but friendly Robin whose appearance each year on our front lawns and in nearby parks is usually one of the very first signs of spring. We are familiar with him, of course, but how much do we really know about him?

While the robin may do some damage to fruit trees and vegetable gardens, his constant war against insects and other pests makes him a valuable ally to the farmer and the home gardener. In fact, in the north and in some parts of the west, the robin is one of the most cherished of our native birds and is a welcome and helpful visitor.

According to the National Wildlife Federation, an organization designed to preserve America's birds and wild animals, the technical name for the robin is *Turdus migratorius*. He feeds on many kinds of insects with no particular preference for any one type, although he is always happiest when he has captured a good sized earthworm, which he will either eat quickly himself or carry home to his babies.

Aside from insects, wildlife experts at the Federation tell us that more than half of the robin's daily food is made up of fruits. Thus it would seem, at first glance that he would not be too welcome to the farmer who raised strawberries, apples, peaches or any other fruits. The wise farmer, however, will not shoot the Robin for what might be called a bad trait. Rather, he will cultivate in his orchard or near his fruit trees, small patches of wild berries, which robins will eat and enjoy just as well.

If the farmer does this, he will tend to keep the Robin from destroying his fruit trees, and will have a well trained, fleetwinged policeman, to eat up many of the insects which do real damage to his crops. To prove that this method works successfully, it has been reported that in the state of California in certain years olive-crops have been saved from hungry Robins only through great effort.

Olive growers, however, were smart enough to recognize the usefulness of Robins, and are convinced that all possible means

60,000 from the previous year, in which she also led the nation. She also leads the nation in hunting license sales, although Pennsylvania, which issues a joint small game and deer license, contains more individual gunners.

Fish advertised as Danish trout and Danish brook trout are appearing in Michigan retail markets and have been tentatively identified as rainbow trout, the conservation department discloses.

Under the condition in which brook, brown and rainbow trout can be sold in Michigan, the department cautions that a commercial trout license is required. It is illegal to sell any of these trout in Michigan unless they have been produced in a commercially-licensed hatchery or purchased from outside the state.

It is a conservation law violation to buy or sell these game fish when taken from any Michigan waters.

V.F.W. News
 On Monday, May 7, Browne Troop No. 7 entertained their mothers at the Veterans' Memorial Building. This troop, sponsored by our Auxiliary, was organized by Mrs. Sheldon Baker. On June 1, we will present the American flag to them. Because many of the Brownies will become Scouts in the fall, the Auxiliary will sponsor their Scout troop then.

This troop is under the immediate supervision of our Junior Activity's Committee, whose chairman is Mrs. Grace Smith, with Mrs. Georgia Elliott and Mrs. Alva VanMeter as the other members.

Mrs. Baker asked us to make a plea for leaders for Browne Troop. There are girls waiting to join, needing only a leader to organize them. If more women were convinced that there are more rewards found in helping these youngsters than in spending afternoons playing cards, etc., this world could be assured of a better future.

An excellent reminder to our citizens and officers is the "Commander's Creed".

Broops will not receive their 15th anniversary of formation next year from the United States in 1936.

Sn-down times and their reasons are with us in the real name of non-combat countries.

With a total sale of 1,950,756. Michigan again leads the nation in sale of fishing licenses for the fiscal year ending June 30, 1950, according to the U. S. Fish & Wildlife Service.

Although the sale throughout the nation of 15,337,758 licenses reflects a drop of 149,812 from the previous year, the gross revenue to the 48 states, \$34,018,009, broke all previous records. The previous high was \$32,657,940 for the fiscal year ending June 30, 1949.

Anglers did more traveling than before. Non-residents purchased 2,029,091 licenses, an increase of 137,745 over the previous year. With 249,658 sales, Michigan just nosed out Wisconsin with 279,289 for first place. Minnesota came third in non-resident sales with 243,791.

California, with 995,430 was second in the total sales lineup. Other states placed as follows: Third, Wisconsin, 970,792; Minnesota, 914,682; Illinois, 693,352; New York, 667,937; Pennsylvania, 641,552; Missouri, 594,692; Indiana, 579,238; and Tennessee, 557,221. Delaware was last with 6,772.

Michigan sales were down

Under the condition in which brook, brown and rainbow trout can be sold in Michigan, the department cautions that a commercial trout license is required. It is illegal to sell any of these trout in Michigan unless they have been produced in a commercially-licensed hatchery or purchased from outside the state.

It is a conservation law violation to buy or sell these game fish when taken from any Michigan waters.

Teachers Hold Tea in Mrs. McPherson's Honor
 Mrs. Helen McPherson, English teacher, was guest of honor at a Farewell Tea held for her on Thursday, May 3, by the high school teachers of Plymouth High school. She left to join her husband at Walter Air Base in Roswell, N. W. Mexico.

Mrs. McPherson came to PHS in the fall of 1949. She received her AB Degree in 1946 and her MA Degree in 1951. Both degrees were received from the University of Michigan.

Michigan Family Becomes

Millionth Owner of Bell Telephone System

The Brady Dentons of 520 W. Bristol St., Saginaw, became the millionth stockholder in the Bell Telephone System. Pictured from left to right are Brady Denton, Jr., 6 years old; Mr. Denton, holding Bobby, who is 4 months old; Johany, age 3, and Mrs. Denton.

Business history has been made in Michigan. A Saginaw family has become the millionth owner of the most widely owned business in the world—the American Telephone and Telegraph Company.

No other company has even half as many owners. The Bell System is owned by stockholders in 19,000 communities... in every state, in cities, in towns, on farms, people in all walks of life sharing the same faith in the strength and integrity of American business.

The savings of these million stockholders have improved and expanded the Bell System's service to the nation—made it the best telephone service in the world. And that's especially important today. Good telephone service is a valuable asset in peacetime... but vital in time of national emergency.

We're proud to welcome our new owner, the Dentons of Saginaw. And we're especially proud that this historic milestone has been reached in our state.

MICHIGAN BELL TELEPHONE COMPANY

These Events Were News

25 Years Ago

R. E. Crowe, manager here for the Michigan Bell Telephone Company, assisted by President H. C. Robinson of Plymouth, will place the cornerstone of the new Plymouth telephone building the afternoon of Tuesday, May 18.

A very pretty home wedding occurred last Saturday afternoon at four o'clock, when Miss Pearl Joffille became the bride of Lloyd E. Wilson.

Mrs. Zada Cappel has completed the taking of the school census, and the result of the count shows there are 1145 school children between the ages of 5 and 20 in the district. Last year the number was 1018, a gain of 127.

Announcement is made today by W. M. Crown, of the opening, Sunday of one of the real beauty spots of the Plymouth district, Plymouth Gardens, bordering Phoenix Parkland lake on the Five Mile road.

Miss Lucinda M. Fisher and Andrew Jeffrey were united in marriage at the Newburg parsonage, last Saturday evening, Rev. Paul Havens officiating.

Mrs. Clarence Rathburn of Elm called on Mrs. Harry Vosburgh last Saturday.

Born to Mr. and Mrs. Marcus Litzbenburger, Sunday, May 9, a girl.

The A-1 Grocery company on N. Mill street is selling hamburgers for 15c a pound and sirloin steak at 28c a pound.

Misses Winnifred Draper and Ruth Allison were guests of friends at East Lansing, last weekend.

Mr. and Mrs. Gordon O'Day of Detroit spent Sunday at the home of J. M. Larkins, West Ann Arbor street.

Chief of Police Springer went to Marshall last week Thursday, and brought back to Plymouth Reginald W. Crane, charged with stealing an automobile owned by Matt Powell of this village on November 2, 1925.

The car was later found in Tampa, Florida, and was recovered by Mr. Powell. An accomplice in the theft of the car is now being sought by Chief Springer.

Born, Saturday, May 8, to Mr. and Mrs. Harry Blessing, a daughter.

Harold Behler will open an oil and gas station at the intersection of the Plymouth-Northville and Five Mile roads at Phoenix Park in about two weeks.

Mr. and Mrs. Raymond Bachelder and little son were guests of relatives at Chatham, Ontario, last Sunday.

Mr. and Mrs. A. E. Blunk and Mr. and Mrs. Oliver Martin attended a group meeting of the

Michigan Retail Dry Goods Association, held at Pontiac, Monday evening.

10 Years Ago

The Plymouth Housekeeping shop at 623 S. Main street this week introduces a new Westinghouse feature, a Laundromat which wash, blues, rinses three times, spins dry and shuts off automatically.

The assessed valuation of the City of Plymouth for the fiscal year is \$5,673,615 according to a report from the city assessor, Arno B. Thompson, and the board of review which held public sessions on the 1941 general assessment roll last Thursday and Friday.

Frank Rambo was appointed chairman of the membership committee of the Plymouth Chamber of Commerce at a special meeting of the board of directors Monday night.

The recreation committee of the city, consisting of Henry Hordorp and Robert Joffille from the city commission, Claude Buzzard and Mrs. Sidney Stung from the board of education, City Manager C. H. Elliot, Superintendent George A. Smith and representatives of several clubs, met last week and made plans to continue the summer recreation program in Plymouth this year.

Models who appeared in the style show, sponsored by Taylor and Blyton and the home economics department of Plymouth high school, Tuesday afternoon and evening included: Mrs. Zimmerman, Mrs. Weed, Velma Jett, Joyce Tarnutzer, Gloria Jones, Jean Ingleson, Frances Weed, Elaine De Planche, Madelyn Allen, Gloria Galloway, Roberta Blunk, Marion Parsons, Ruth Keifer, Irene Ingleson, Phyllis Hawkins, Lesteen Sides, Patsy Packard, Kathleen Blossom, Nancy Practor, Ann Kingsley, Elizabeth Braided, Leah Rae Graine, Barbara Gale Kennedy, Ann Ray, Ruth Campbell, Murie Simpson, Ann Warren and Marjorie Elliott.

Mr. and Mrs. L. H. Goddard entertained at dinner, Mother's Day, the former's parents, Mr. and Mrs. A. N. Goddard of Detroit and an aunt, Mrs. E. F. Percival of Port Huron.

The wedding of Dorothy Beal, daughter of Mr. and Mrs. Lloyd Beal of Northville, and Michael Spitz, son of Mr. and Mrs. Peter Spitz of Plymouth, took place Saturday morning, May 10, at 9 a.m. in Our Lady of Good Counsel church, in the presence of the immediate families and a few friends.

Mrs. William Arscott, who has served as vice president during the last year of the Central grade school Parent-Teacher association, was elected president of the organization at its annual meeting last Tuesday night. Other officers elected included Mrs. Phyllis Hillings, vice president; Mrs. Grace Robinson, secretary; Mrs. Jane Jewell, treasurer and Mrs. Edward Dobbs, program chairman.

What greater or better gift can we offer the republic than to teach and instruct our youth? (Cleric)

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

"You Are An Individual"

JOHN E. EITSON, Oklahoma City, Oklahoma, says until he had grown to manhood he had hated himself most of the time. He hated himself because he couldn't do the things other people could do; he hated himself because he was so bashful; he hated himself because he so often made a fool of himself. He went through the war not caring whether he lived or died. He would volunteer for dangerous missions just to see if he could take it. He wanted to prove to himself that he was not a coward.

Carnegie

He was still bitter after he got out of the army. He got a job, worked three days and quit. He had left school at the end of the eighth grade. But now he decided to go to the veterans' school, and this was the first time he had ever felt the stirring of ambition. But he worked so hard that he became ill. Now he had something to worry about: stomach ulcers. Next his eyes became infected, and a carbuncle developed. Soon he was in the hospital.

Lying in the hospital, he read a great deal. He came across the following in a book that was handed him:

"You are an individual; there is no one like you; there never has been; and there never will be anyone like you."

Now he began to think. He suddenly realized that he didn't need to be like all those people he had resented. He was different and he would make the most of his differences. He began to like himself better; he began liking other people. Gradually he became happier. As he became happier, his physical self improved, and he says from that time on he didn't worry. He is happier now than he ever thought it possible for him to be.

Give for the joy of giving and sing hymns of thankfulness that you have it to give. —Herbert Hoover

Roger Babson Says --

Babson Discusses Our Employees

New Boston, N. H., May 17. Senator Kefauver has done this country an invaluable service, not just by exposing a bunch of crooks, but by turning the spotlight into dark corners of our national morality, and showing us up for what we really are!

Loose Talk

There has been a lot of loose talk about freedom and the greatness of this country. Recently the Officers of Defense

Mobilization announced to the papers that we shall be mighty in two years. Just what does it mean by "mighty"?

The things that made America great cannot be packaged by a government agency and handed out to us like social security checks. In a democracy, nobody but the individual—you and I and the fellow on the other side of the tracks—can make America great. And whether or not it becomes great is a matter of national morality. Only if our society has the moral fiber, the national character, will we be great.

Character and Our Schools
Character isn't something you study in school, do a few prob-

lems in, and presto! you have it. Character springs and flourishes in a friendly home environment. Morality is the end product of character. Our children's character traits are determined by the way in which WE think, act and believe. Character is taught by example. The Department of Defense can buy airplanes, ships, tanks and munitions, but it cannot buy character which is sorely needed. Today to make us "mighty,"

I have just come from a trip through our great industrial cities. Here is what I heard over and over again from different business executives who are hiring thousands of youngsters every year: "The young people today aren't reliable. They make the same kinds of mistakes over and over, and they don't seem to care—they lack industry. They aren't uncomfortable when idle. They give the impression that what they want most is a quick, easy buck. We have failed to teach them to follow a path successfully to the end—no matter how difficult the going gets. Graduates today give up too easily."

Careless Parents May Make Careless Employees

"Our schools themselves have succumbed to a philosophy of mediocrity by passing children each year whether the quality of work is good or bad. The training in the schools that there can be reward without hard work has led to irresponsibility. In this sense, our schools have failed to discharge their whole duty—and in so doing have failed to develop moral virtues—character."

In the last analysis, however, it is the parents who are at fault. The average parent today has great difficulty trying to develop industrious children. He won't make his children mow the lawn or wash the car or put on the screens. Junior rebels because Joey down the street doesn't have to do these things, so why should he. The real ailment here, of course, is a lack on the part of the parents of moral courage which comes from religion. When hiring young men employment managers should give some consideration to the applicant's parents.

General Marshall's Forecast

More than anything else today American business, the federal government, and our schools and homes need men and women of character—individuals whose search for life's realities goes beyond the thin veneer of men and machines. This country can remain great but only if we sustain its moral fiber, and remember, in a democracy that is an individual responsibility. Don't take too seriously the forecasts of the Department of Defense.

Caution Drivers on Unsafe Autos

"Any police officer shall be authorized on reasonable grounds to stop any motor vehicle and inspect the same, and if any defects in equipment are found, to arrest the driver. . . ." states the law.

The City Prosecutor, J. Rusing Cutter, announced today that Judge Perlongo is taking a very firm stand against traffic violators who have any defective equipment.

He pointed out that any speeder in a car with bad brakes is committing the offense of reckless driving and, if found guilty of the charge, he will pay a much higher fine than otherwise.

In explaining the danger of bad brakes, he said, "In a business or residential area under favorable conditions, the law states that the motorist must be sure that nothing can get within 46.9 feet in front of him because that is the legal stopping distance for 25 miles per hour, the maximum legal speed in such areas."

"When a speeder drives 45 miles per hour and has bad brakes which will take him double the stopping distance, it will take him more than 300 feet in which to stop. Thus his violation endangers lives of persons and the safety of property and constitutes reckless driving," stated Mr. Cutter.

He also pointed out that under a new law all cars must be equipped with good headlights in good working condition—in the daytime as well as at night. "With traffic accidents increasing, the people of Michigan are not willing to gamble that a car found with

lights to be unsafe in the daytime will not be driven at night." This policy on reckless driving due to speed plus bad brakes and the daytime ticketing of motorists with cars having bad headlights are both recommendations of the Michigan Association of Chiefs of Police released in a report on April 27, 1951.

Cars which can not pass the 1 inch "brake-block-check" will take double the distance to stop as it would a car which is in perfect condition.

More than 220 large coal mines, each with a daily capacity of 100,000 tons, are now given courses in safety and first aid.

MOTO-MOWER
best known name in power lawn mowers for thirty-one years
SCOUT is the big power mower in this group of four popular priced MOTO-MOWERS that were primarily designed for those who like to care for their own lawns. It is just a little bigger in every respect than its three companion models. Extra long wheel base, the wheel diameter is 10 1/2", oversized tires 12.65 x 1.74. The engine is Briggs & Stratton 1 1/2 hp.

"Moto-Boy"
cuts a swath of 20"
128.50
For years, MOTO-BOY has been the lowest priced model in the MOTO-MOWER line. With thousands in use, it is the standard of value in the low priced field and this year at a ten per cent lower price, MOTO-BOY, heavier built, is a power mower that will give long life and trouble-free service. High cut tires, 12.65 x 1.74.
