

SCHOOL SUPERINTENDENT RUSSEL L. ISBISTER AND PRINCIPAL CARVEL M. BENTLEY hold one of a series of conferences to outline the work of the senior high school for the coming year.

Schools Prepare for Fall Opening

Plymouth's new Superintendent of Schools, Russel Isbister, reports that many hours have been spent by himself and Carvel M. Bentley, senior high principal, in preparation for the opening of the senior high school. All schools will be ready for the arrival of students September 6.

Mr. Bentley states that the senior high school teaching staff is now complete and a roster of the teachers will be published in a future edition of The Plymouth Mail.

The high school will gain some much-needed classroom space next year as a result of transferring the 7th and 8th grades to the Central Grade building.

An enrollment of approximately 850 students is anticipated in the senior high school next fall.

The registration of all new senior high students will begin August 20, and continue each day until school begins. Offices will be open from 8:30 to 4:30 Monday through Friday.

The Superintendent, principals and one classroom teacher from each building will go to Higgins lake for a Curriculum conference August 12-18. Part of the conference will be devoted to instructional problems pertaining to the local school curriculum, and the remainder will be spent in the sharing of experiences with the other schools represented.

Mr. Isbister says that chief custodian, Leo Kowalek, and his staff have been busy readying the buildings for the September opening of schools. Classrooms and halls have been cleaned, painted where necessary, and repaired if needed. Many desks have been sanded.

This is sort of the routine for Mr. Isbister and Mr. Bentley as they visit students at Michigan State Normal college at the same time.

Mr. Isbister is very pleased with the fine cooperation he has received thus far from the school personnel and the community, and is looking forward to the opening of schools when he can meet the entire teaching personnel and the student body.

Episcopal Church Gets New Rector

Rev. Eugene Chapman

The vestry of St. John's Episcopal church have extended a call to the Rev. Eugene Chapman of Pittsburgh, Pennsylvania, to become rector of the Plymouth church. Mr. Chapman has been Senior Associate Minister of Calvary Episcopal church in Pittsburgh since February 1950. Born in Peekskill, New York, Mr. Chapman graduated from Harvard and took his divinity work at the Episcopal Theological school in Cambridge, Massachusetts. He is married and has three children.

His work at Calvary church was executive and administrative, in charge of the church staff and of the calling program. He has been a member of the Diocesan Commission on Church Architecture and a director of the parish camp. He and Mrs. Chapman organized programs for parent education groups and she has been active in Girl Scout work and in diocesan affairs. Mr. Chapman will spend the next month and a half at the clergy graduate school at the University of the South at Sewanee, Tennessee.

He and his family will come to Plymouth about September 15 and will occupy the rectory at 185 Blunk which is being redecorated for them. St. John's looks forward to a continued and greater growth under Mr. Chapman's leadership.

Nursery School Proposed Here

Mothers and children who have participated in the Plymouth Tot Lot are looking forward to a fall and winter nursery school. The summer activities have shown the mothers how much can be learned in working and playing together with different children.

Trained leaders in nursery school work are consulting with the mothers so that this program will fulfill the personal needs of the children and meet all state requirements. Mrs. Nellie Fithian, assistant to the state consultant on nursery schools, conducted an informative program dealing with the state requirements for the teacher-in-charge, the facilities available, and the planned program of activities. Mrs. Belle Farley Murray, noted for her work in this area, is scheduled to lead a discussion group on children's social adjustments.

A co-operative nursery such as is proposed has one outstanding feature which follows the best knowledge available in child psychology. It provides a group learning situation for both mothers and children. The pre-school child is dependent in many ways upon his mothers guidance. Advancement toward independence and maximum learning can be achieved most satisfactorily in a group with the mothers helping under the direction of an expertly trained teacher.

Plans are under way for this year's program and a general meeting of interested parents is proposed for September. Mothers who would like to have more information about the nursery school may call Mrs. John Kaiser, Plymouth 1854-J.

Generous Residents Help Deserted Family

The story of the unfortunate woman and five children in Plymouth township, which was printed in last week's mail, brought forth a generous response from the people of the area. The Mail received over a dozen calls from interested persons and groups and the sum of \$25 was donated to help relieve the family. Captain William Roberts of the Salvation Army has also been working on the case and used his facilities and the Mail-funds to bring quick relief.

Korean Vet Calls Wife From Korea

An oft-decorated Korean veteran, First Lieutenant Robert J. Levitt, recently phoned his wife, Mrs. JoAnn Levitt, 679 Forest, that he was spending a five day rest period in Japan, after seven months in Korean combat. He was awarded the Combat Infantryman's Badge, the Bronze Star, with one Oak Leaf Cluster, and the Purple Heart for wounds received last winter. A veteran of World War II, he served in the South Pacific and holds the Distinguished Flying Cross and the Air Medal for service against the Japanese.

A graduate of Michigan State college, he was commissioned in June, 1950, after graduation as a distinguished military student. He was stationed at Fort Knox, Kentucky, until his transfer to Korea last November.

He received the Bronze Star for bravery in action in January, and was promoted to First Lieutenant in February he received the Oak Leaf Cluster, again for heroic conduct in action, and was awarded the Purple Heart for wounds received in action near Wonju.

Mrs. Levitt is the daughter of Forrest W. Gorton, 679 Forest, a mail carrier in Plymouth for 34 years. She is a registered nurse and at present is attending Michigan State college, working for another degree.

Plymouth School Need Substitute Teachers

Mr. Russel L. Isbister states that there is a need for substitute teachers in the Plymouth Public Schools.

Any qualified teacher living in this area who is interested in doing substitute teaching please contact the Superintendents' office.

Young Hoodlums Follow Man Home Beat Him in Yard

A Plymouth man was attacked and beaten by three young hoodlums in the rear of his home Monday night. Mr. Don Demaline, who has an apartment at 376 Penniman, returned from a shopping trip about 10 p.m. At the corner of Forest and Ann Arbor, trail he swung around a car which was double parked. The car followed him home and drove behind him into his driveway. When he got out of his car, he was set upon by the occupants of the other car, three persons whom he described as being about 17 or 18 years old.

After striking him several times, the three got into their car and left Mr. Demaline with a black eye, cut lips, loose teeth, and several bruises. He was unable to make out their license number, but he believes the car was a black 1935 Ford. He also thinks the three had been drinking.

"They had to push their car to get it started," he says, "and then they drove down Union street with their lights out."

Mrs. Margaret Roberts, who also has an apartment in the building, says that she heard someone on the front porch about four o'clock in the morning and believes it might be the same three. Mr. Demaline's wife also heard someone in the yard and when she looked out the window, saw someone get into a waiting car and drive away. She could not tell the make of the car but believes it was an older model.

The apartment building, located at the corner of Penniman and Union streets, has a large back yard with many trees and bushes. Residents of the building complain that cars drive in and out of the yard at night and beer bottles are strewn about the next morning.

Brothers United After 33 Years

William Sheppard of 953 Carol had the happy experience recently of meeting his brother, Robert, for the first time in 33 years. Robert left Detroit in 1918, and brother William had not seen him since, until he and Mrs. Sheppard motored to California on his first vacation trip. Robert and his family live in Los Angeles.

William is a long-time resident of Plymouth and has been the custodian of the Methodist church for the past few years.

The two brothers enjoyed the two weeks together reminiscing of the past years, sight-seeing, and found time for two deep-sea fishing trips. They caught many bass, a two foot, 21 pound Albacore, and a 25 pound sheepshead, which Mr. Sheppard says is the most colorful, beautiful fish he has ever seen. While fishing, they witnessed a school of whales go by near their boat, and also a vicious looking shark.

The Sheppards went over the southern route on the way to the coast, and came back over the northern. Among the many interesting scenic attractions visited were Catalina Island, the Painted Desert, and they were fortunate in being in Cheyenne, Wyoming, for the big Frontier Day celebration, which is an annual event there.

Child Killed by Car in Driveway

A 19-month old baby, was run over and killed Saturday afternoon, July 28, by a car driven by her grandmother.

The child was Linda Lee Woodard, daughter of Mr. and Mrs. LeRoy Woodard of 8603 Ravine Drive in Nankin township.

The grandmother, Mrs. Vera Woodard, who had just returned from a shopping trip, drove her car into the driveway and stopped for a bicycle, which was parked in the drive. The other children, including Linda Lee, were washing a car in the yard.

Linda's mother removed the bicycle, and somehow, unbeknown to anyone, Linda must have left the other children and wandered back of, and around to the other side of the car. When the grandmother drove forward, the baby, unnoticed, was in its path.

D. of A. Sponsors Installation

On Wednesday evening, July 25, the Daughters of America Old Glory Council No. 25 of Plymouth, installed the officers of Silver Spring Council No. 25 of Northville, at the Odd Fellows Hall in Plymouth. Deputy Doris Gibbs was the installing officer.

Among those present were: State Councilor Valie Moorehead, National Vice-councilor Anna Neilson, and many other state officers.

After the installation, a lovely luncheon was served by Silver Springs Council.

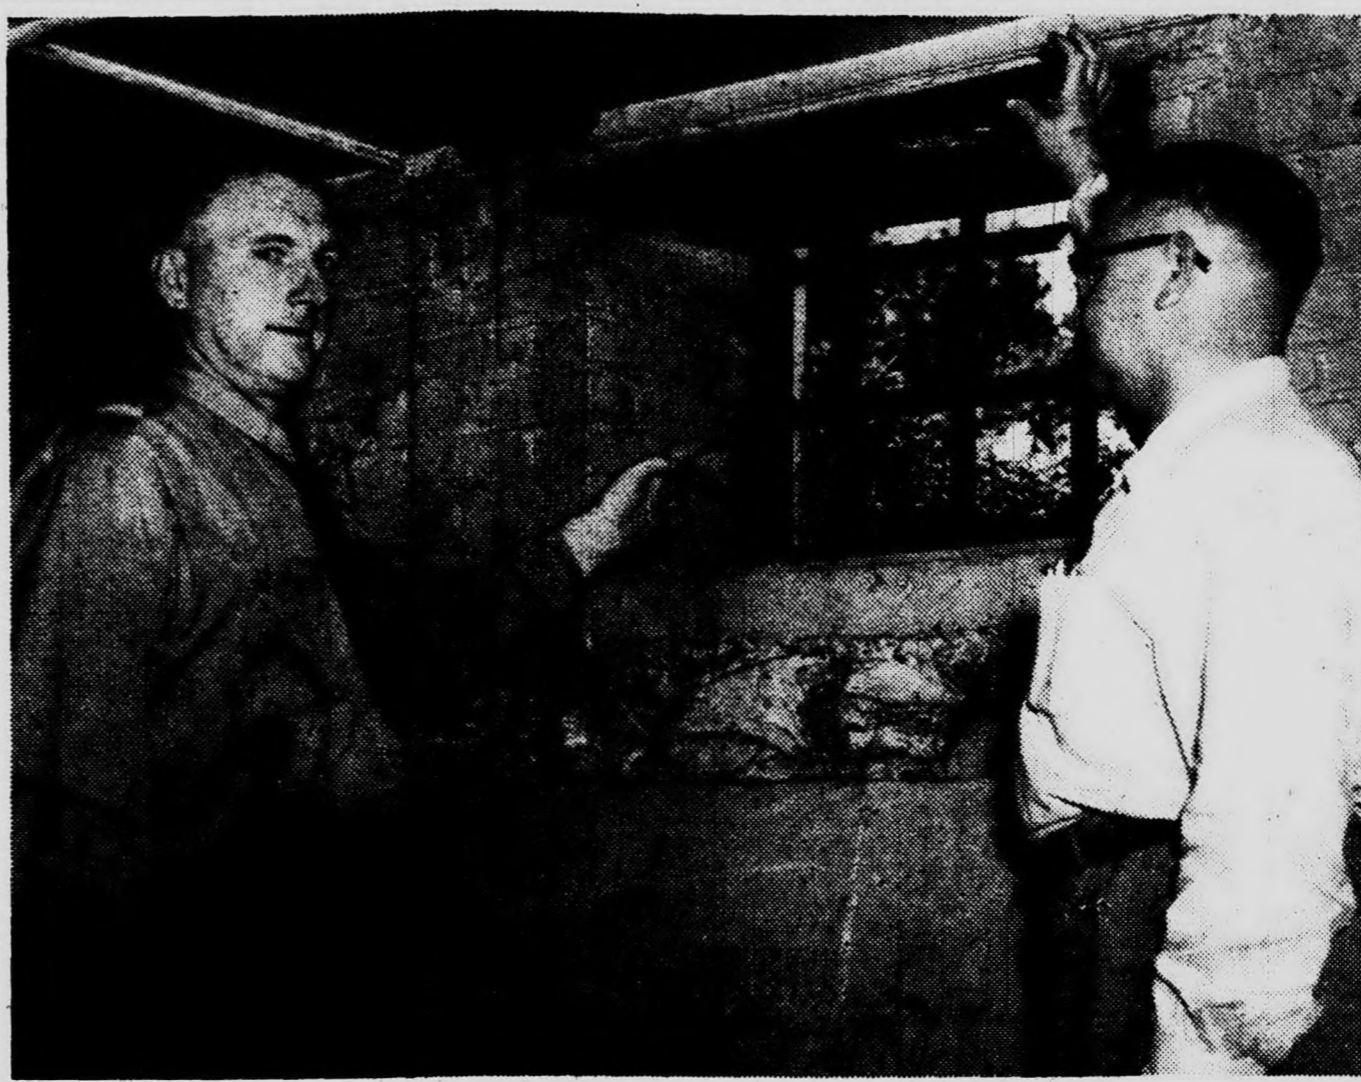

Old Glory Council will hold their regular meeting on Friday evening, August 3, at 7:30, in the Grange hall.

Construction Begins on Apple Paring Plant

Mr. Robert Willoughby, 44661 W. Ann Arbor trail, has announced that he has begun construction of a new apple paring factory. The building is to be built on a piece of land recently purchased by Mr. Willoughby from Mr. Samuel Spicer of 41800 E. Ann Arbor trail.

Buildings were on the ground last week to begin operations and Mr. Willoughby hopes to have the building completed within five weeks.

Mr. and Mrs. Howard Montague and two children, Nels and Arleigh, of Kalamazoo last week visited her mother, Mrs. Gladys Baker, 242 Elizabeth street.

CITY MANAGER AL GLASSFORD AND POLICE CHIEF CARL GREENLEE point out the widely spaced window bars of Plymouth's ancient jail. Located in the basement of the city hall, the jail is over 30 years old and is condemned for use. A recent state law specifies that all jails be on a ground floor or above. A narrow, cramped stairway leads to the crude basement jail.

AS MR. GLASSFORD LOOKS ON, Chief Greenlee stands in one of the two jail cells. The cells are small and contain only a bunk. Although the jail is used, on an average, hardly once a week, the city does need jailing facilities to handle overnight prisoners. Sentenced offenders are sent to the Wayne county jail in Detroit or to the Detroit House of Correction.

Buildings were on the ground last week to begin operations and Mr. Willoughby hopes to have the building completed within five weeks.

Mr. and Mrs. Howard Montague and two children, Nels and Arleigh, of Kalamazoo last week visited her mother, Mrs. Gladys Baker, 242 Elizabeth street.

City Faces Jail Problem

The ancient, basement jail in Plymouth's city hall, long condemned for use, is now made unusable by a state law which requires all jails to be on a ground floor or above.

The present jail has been in use for over thirty years and is unsatisfactory in many respects. The walls leak during rainy periods, the concrete is old and crumbling, and the bars in the windows are old and spaced too wide.

Despite the obvious need for a new jail, the city has no plans for such a step. No funds are available for this purpose and the city has no property conveniently located on which a new jail could be built.

The jail is used on the average once a week, usually for overnight prisoners. Sentenced offenders are sent to the Wayne county jail in Detroit or the Detroit House of Correction. With a satisfactory jail, sentences could be served in Plymouth.

The need for a new jail is only one of the problems facing the city today. Others are the demand for sewer and water facilities for new housing, widening of streets, improvements and paving of side streets, and off-street parking facilities.

Former Resident Enjoys trip West

Two former residents of Plymouth, Mr. and Mrs. Frank W. Hamill of Northville, recently returned from a trip to the West coast. The Hamills are the parents of Herald F. Hamill of 47007 W. Ann Arbor trail. They were accompanied by their niece, Miss Donna Smith of Port Huron, the trip being a graduation gift for her. Mr. Hamill served as passenger agent of the Pere Marquette railway in Plymouth for 30 years. The trip west was by train and Mr. Hamill states the trains were running hours late because of the flooded area encountered in the Middle West.

In commenting on the flood Mr. Hamill told these incidents. Only one passable bridge remained between Kansas City and St. Louis. A house came floating out of a tributary of the Missouri river with three persons clinging to the roof. The current rolled the house over and all were drowned.

A rescue boat made three trips to bring back an expectant mother, but she was afraid of the boat capsizing and would not go with them; they rolled her in a blanket and took her off by force. Shortly after, the house vanished under the turbulent water. One older man refused to enter a boat and later drowned. An elderly lady would not go until they took several cages of canaries.

Cassady Display Receives Honors

Mrs. Norma Cassady received a telegram last week stating that the Cassidy store had won the first prize in the window display contest, sponsored by the Mary Grey Hosiery Mills company of Bristol, Tennessee.

This is the second time that this local store has been thus honored. This is considered quite an accomplishment because of the keen competition this year, and it is unusual to have this honor come to a town the size of Plymouth. See inside page for picture of the display.

Each week Mr. Egon Weiser, of Detroit, does all the window display work, and manages the interior display arrangements. His display ability has won much favorable comment from Plymouth residents, and he has been instrumental in the winning of many prizes in this field. Some of his Detroit windows have been pictured on the cover of Display magazine.

Mr. Weiser has worked in Vienna, Panama, New York City, and for the past few years in Detroit.

Air Conditioning Now at Stop & Shop

Patrons of the Stop and Shop Market of Forest avenue will now enjoy the comforts of chilled air when they do their grocery shopping on hot summer days. Installation of a new Air Control water cooled system will enable the market to drop its interior temperature up to 15 degrees during hot spells.

Rotarians Bring Six German Students to City to Attend School

Thursday will be a memorable day in the lives of 75 German high school seniors from the British, French and American Zones of Germany. The young men and women will be the first to be located in this country under the "Youth for Understanding" Program (designed to enable German young men and women who will be in a leadership capacity in Germany in years to come, to observe our American way of life while living in a typical American home).

Initiated by the Clinton (Michigan) Rotary Club and later taken over by Districts 222 and 223 of Rotary International (which includes Plymouth), the project is being carried out under the auspices of the US State Department.

ment. Reverend H. R. Sullivan, from the Clinton Rotary Club is director for the "Youth For Understanding" program and is also acting as co-ordinator for the State Department.

The students arrived at Dearborn Greenfield Village Wednesday and will be met there on Thursday by their foster parents who will take them to their new homes on that day. Plymouth Rotarians are adopting six of the group who will be brought to Plymouth for education in the local high school next year.

Five of the students will be placed in homes of the following Rotarians, Edward Gardner, Paul Wiedman, Sterling Eaton, Robert Willoughby and Perry Richwine. The sixth student will make her home with Mr. and Mrs. Carl Hartwick on Northville road. Four of the students coming to Plymouth are boys and two are girls.

Travel expense has been paid by the State Department and the members of the local Rotary club are expected to furnish board and room only to the students during the time they are in the community.

All members of the student body speak English and were chosen because they were outstanding students. They are sons and daughters of business and professional people and are the first group of urban students to come to this country under this new program (previously only rural youths were included in a project of this nature). Later, qualified students will be brought in from other European countries on this side of the Iron Curtain.

It is rather fitting that one of the first impressions these young Germans will receive of this country will be gained by viewing the simple and unpretentious homes of famous Americans located in Greenfield Village. In the Museum they will see the grass roots of our American democracy through the eyes of rude and humble implements and housewares used by our pioneering forefathers.

A year later, after high school graduation, the group will reassemble and the students will return to Germany after a conducted tour of the west.

New City Charter Receives Praise

The new city charter, as drafted by the nine-man charter revision committee, is a great improvement over the old one, according to members of the committee.

"It is a fine charter for a progressive Plymouth," says Frank Arlen, committee member of 735 Burroughs. "I urge the people to give it full support. Although we have made no radical changes from the old charter, we have clarified it and made it more flexible. It is designed to meet modern requirements, some of which were not thought of when the charter was written."

Mr. Arlen mentions the separation of the jobs of city manager and city clerk as one great improvement. It will lead to more efficient operation of city government, he says, as Plymouth has become too large a city to expect one man to carry both jobs.

James Hook, 363 Adams, another member of the committee, stresses the work and thought which went into the new charter. "We have studied and discussed every conceivable problem which might arise. We have studied each phase of the charter and have especially considered how it affects the individual citizen."

He has compared our work with the charters of other cities, as well as the original charter. Our finished product is geared to the future of Plymouth; it is designed to enable the city to grow and flourish with it. The task of revision, although long and difficult, was really enjoyable. It was an education in government to the committee members."

Truck Hits Car at Intersection

A car driven by Lance Kemp of Garden City was badly damaged in an accident at the intersection of Ann Arbor trail and Lilley road, last Friday.

Kemp, driving a 1941 Chevrolet east on Ann Arbor trail, was struck by an empty 2 1/2 ton dump truck going north on Lilley road, and driven by Louis Graeff of Fraser, Michigan. The impact sent the truck crashing into a large utility pole and snapped it off at its base. The pole was suspended by wires and a tree until the Edison crew could make temporary repairs.

Police arrived and directed traffic until the warning signal light on the corner could be repaired. Graeff told officers he did not see the stop sign at the intersection. No one was injured.

Mr. and Mrs. Harper Anderson and family of Niagara Falls, Ontario, were guests of the former's uncle and aunt, Mr. and Mrs. Fred Anderson a few days last week.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

The Familiar Isn't Frightening

WHEN DUDLEY HALL, Skaneateles, N. Y., was in high school he made a record that most people would think enviable. In his second year he was on the football team and was president of his class. His junior year found him captain of the football team, on the basketball team, and again class president. The last year, he was captain of both the football and the basketball teams, played on the baseball team, and still class president. Whew!

Carnegie

Then he enrolled in a large eastern university. In his freshman year, he was captain of the football team and vice-president of his class. In his junior year, he was still with the football team and received an all-eastern mention. The year he graduated he had just gone through a thrilling period: on the football team, all-American mention, permanent second marshall of his class.

With such a record of outward accomplishment, wouldn't you think he would have enjoyed some feeling of success? Well, he didn't. More than that, he wasn't even happy. Why? He was filled with fear! He was terrified at the thought of going out into the world and facing people near at hand whom he had never before seen. Performing before 80,000 spectators at a game didn't faze him in the least. But the very suggestion of appearing before small groups of people, even of talking to some unknown man who might not even judge him favorably, brought soul-wrenching terror.

Then all of a sudden he realized that he wasn't afraid of that with which he was familiar. He realized that he had to become familiar with what he wanted to conquer. So he got a job of selling from door to door. The first day was an agonizing experience, but after a few weeks he was thrilled at seeing how many of those who opened their doors could be influenced by his persuasions to "come across."

Private E-2 Benjamin F. Thorpe has been assigned to this Southwest Army installation. His father, Odus Thorpe, resides at 3848 Shear Drive, and his wife's parents, Mr. and Mrs. Anthony York, also reside in Plymouth.

Miss Ella Teed and Mrs. Willard Taylor of Moncton, New Brunswick, are visiting at the home of Mr. and Mrs. Earl D. O'hara of Plymouth road.

The following were guests at a family dinner at the home of Mr. and Mrs. Fred Anderson of N. Main, last Sunday and helped celebrate the birthday of Mr. Anderson. Mr. and Mrs. Nelson Baker of Adrian, Mr. and Mrs. Gerald Bakwell and Terry of Adrian, Mr. and Mrs. Clarence Anderson and Clarence, Jr. of Louisville, Kentucky, Mr. and Mrs. James Deeg, Leona, Michael and Dennis of Dearborn, Mr. and Mrs. Howard Anderson, Mr. Kenneth Anderson and Rose Briole, Mr. and Mrs. Ed Sommerman, Mr. and Mrs. George Newton, all of Plymouth, Mr. and Mrs. Patrick Fegan, Ruth Ann and Edward of Wayne, Mrs. V. L. Slater, Pamela and Victor of Northville and Mrs. Alma Smith of Detroit.

Mr. and Mrs. Samuel W. Virgo spent the weekend with his mother, Mrs. Ruth Virgo of Harvey street.

Miss Margaret Ruth Allison, daughter of Mr. and Mrs. John L. Allison of Merriam, Kansas, spent the past week with Rev. and Mrs. Arvid E. Burden and daughter Allison Lee, at their home on North Main. Miss Allison is a niece of Mrs. Burden's.

Local Business Firm on Radio Interview

The four West brothers, who have two business locations in Plymouth, are to be interviewed on Station WPAG on the morning of Saturday, August 4, from 7:00 to 7:30.

Mr. Alfred R. West has had the International Harvester contract in Plymouth since 1927. Today the West brothers have the most outstanding dealership in southeastern Michigan. Their neighbors and friends will enjoy this interview.

Reveal Engagement of Jean Stone

Private E-2 Benjamin F. Thorpe has been assigned to this Southwest Army installation. His father, Odus Thorpe, resides at 3848 Shear Drive, and his wife's parents, Mr. and Mrs. Anthony York, also reside in Plymouth.

Private Thorpe attended public schools of Plymouth. He entered active service February 26, 1951 at Fort Wayne and is now on duty with an engineer unit stationed here.

Sgt. Thomas H. Larsen spent a few days with his parents, Mr. and Mrs. I. F. Larsen of Ann street. Sgt. Larsen was on his way to Selfridge Field to pick up a prisoner and take him back to Lowry Air Base, Denver, Colorado, where he has been stationed since his recall into the service last September.

His present address is A.F. 5751477, Hq. and Hq. Sq. 3415, Lowry Air Force Base, Denver, Colorado.

In a letter to his parents, Pfc. Lawrence P. Larsen, Jr., writes from Korea that he saw the Jack Benny show and it was wonderful. He also expects to be on his way home by October if the present rotation plan continues.

Pfc. Larsen, the son of Mr. and Mrs. I. F. Larsen of Ann street, entered the service in 1947 and received his training at Ft. Knox, Kentucky. He then spent 18 months with the occupation forces in Japan and 6 months in Korea and returned home in June, 1950 just one week before the present hostilities began. He returned to Korea in early 1951. His present address is R.A. 16260712, "A" Battery, 937 F.A. Bn., APO 301, c/o postmaster, San Francisco, California.

Mr. and Mrs. Garrett Stone of 8758 Canton Center road announce the engagement of their daughter, Jean to Naval Airman Richard Berger, son of Mr. and Mrs. Clarence Gies of Garden City. No date has been set for the wedding. Richard is now stationed at Jacksonville, Florida.

Miss Anne Hopkins is Honored With Showers

Mrs. August Holcomb and Mrs. Margaret Turner of Northville were co-hostesses of a towel shower for Miss Anne Hopkins of Blunk street Monday evening. About 20 guests were present.

A miscellaneous shower is planned next Monday for Miss Hopkins by Miss Mary Agnes Evans of Plymouth.

Miss Hopkins is to become the bride of Tom Swantek of Grosse Pointe on August 25.

BIRTHS

News has been received of the birth of a son to Mr. and Mrs. Robert Kennedy of 635 South Mill street in Beyer Memorial hospital, Ypsilanti on Wednesday, July 25 weighing 6 pounds, 9 ounces.

Mr. and Mrs. Stanford W. Block Jr. of Laurel avenue, Livonia announce the birth of a son, Michael Joseph on Sunday, July 22. The young man weighed 8 pounds 9 1/2 ounces at birth. Mrs. Block is the former Florence Louise Dalplan of Schoolcraft road.

Mr. and Mrs. Richard Larkin of Pacific avenue are receiving congratulations on the birth of a daughter, Beth Ann born in Sessions hospital, Northville on Monday, July 23. She weighed 7 pounds 12 1/2 ounces. This is the Larkins' third daughter, Mrs. Larkin is the former Virginia Brocklehurst.

Born Tuesday, July 31, to Mr. and Mrs. William Bauman, a son, at Garden City Maternity hospital. The new arrival weighed 7 pounds, 10 ounces. Mrs. Bauman is the former Mary Wilson of Plymouth.

Mr. and Mrs. Robert L. Kennedy, 637 Mill street, are the proud parents of a baby boy born July 25 at Beyer hospital in Ypsilanti. He was named Alan Lloyd and weighed six pounds, four ounces at birth. Mrs. Kennedy is the former Virginia Adams, of Wayne, Michigan.

Mr. and Mrs. Richard Virgo of Bozeman, Montana, are the proud parents of a baby girl, Gracia Virgo, born Sunday, July 29. Mrs. Virgo is the former Rosemary Ray, daughter of Mr. and Mrs. Henry Ray, Richard is the architectural design instructor at Montana State college.

Social items can be phoned to 1755.

MAIN at PENNIMAN Plymouth

MENACING MONSTER

Hold Rites For Former Resident

Ruth Marie Brooks, formerly of Plymouth, passed away July 23 at the home of her parents, Mr. and Mrs. Fred McQuestion of Gladwin, at the age of 29 years.

Ruth Marie Brooks, the former Ruth McQuestion of Coventry Gardens, was born September 26, 1921. On August 3, 1940, she married John E. Brooks, also formerly of Plymouth. Both young people graduated from Plymouth High school with the class of 1939.

Mrs. Brooks had been in Arizona the past 6 years for her health, but returned to Gladwin 6 months previous to her death.

Among the survivors are her husband and four daughters, Joan, Janice, Jean, and Jill; two sisters, Emma McCue of Arizona, and Sylvia McMahon of Gladwin, and a host of other relatives and friends. Funeral services were conducted in Gladwin.

Top Honors Won by Local Terrier

Wee Bonny Prince of Sparta, an 11-month-old Yorkshire Terrier owned by Mrs. JoAnn Levitt, 679 Forest, walked off with top honors at the Huron Hill Kennel Club Dog show at Ann Arbor last Sunday.

The tiny dog, weighing less than three pounds, took ribbons for best in his breed, best of winners in his breed, and best in his class in the bench show at Yost Field House. He was handled by Margaret Benish of Northville.

The Yorkshire Terrier breed apparently evolved from a combination of the Skye and Paisley Terriers and other breeds. It made its first appearance at a bench show in Leeds, England in 1861. It was originally known as a Scotch Terrier. They were recognized as Yorkshire Terriers by the English Kennel Club in 1886.

Although he is a toy breed and pampered a great deal as a house pet, the Yorkshire is a very spirited little dog, reflecting his terrier background.

Playground Children Plan Kiddie Carnival

With the playground season drawing to a close, the children will climax it with the Kiddie Carnival at 6:30 p.m. August 14. Under the supervision of the playground leaders, the children will do all the work themselves. They are building booths, planning their stage show and making big preparations for their grand finale in back of the high school.

As an added attraction, a German band, under the direction of Carl Groschke, will play during the evening. This is the first carnival of its kind ever to be staged in Plymouth and the children hope for a large crowd. There is no admission charge.

Plymouth merchants are generously cooperating with the children in donating prizes for the booths.

In Reno, the Nevada State Journal listed: "New modern furnished apartments. Pets welcome. No children."

PUSAN SCENE . . . A Korean mother wades through a pile of shoes at one of the crude shops in Pusan looking for a pair to fit her infant. Pusan is a city of refugees.

Attendance is Needed at Teen-age Dances

Local teen-age support is needed if the weekly dances, sponsored by the Optimist club and the Recreation department, are to continue, states Herb Woolweaver, recreational director.

The first few dances have been disappointing as far as attendance is concerned. To meet expenses at least 100 persons must be present.

The dances are held each Saturday evening from 8:30 to 11:30 in the Central Grade school gymnasium. Charley Stewart and his six piece rhythm band furnish the music.

Another dance is scheduled for this Saturday evening, and its up to the young people of Plymouth whether other dances follow.

In Vienna, Franz Devizini, 63, could think of only one possible explanation for the fact that he was arrested for robbery: "It's true I've been an honest man up to now. But not long ago I had a blood transfusion. Apparently I must have been given the blood of a thief."

DeMolay Drive is Progressing

William A. Rose, chairman of the finance committee of the Order of DeMolay, states that the fund raising campaign for the local chapter is progressing satisfactorily, but is still far short of the goal set by the committee.

This character building organization provides wholesome entertainment, close companionship and sound guidance for its youthful members. It also teaches a fine quality of leadership and the value of cooperation, both of which are essential in any phase of work one may choose.

Mr. Rose further states that the organization is doing everything possible to combat juvenile delinquency, of which we read so much in the daily newspapers. We want to help all we can to avoid that sort of thing in our city.

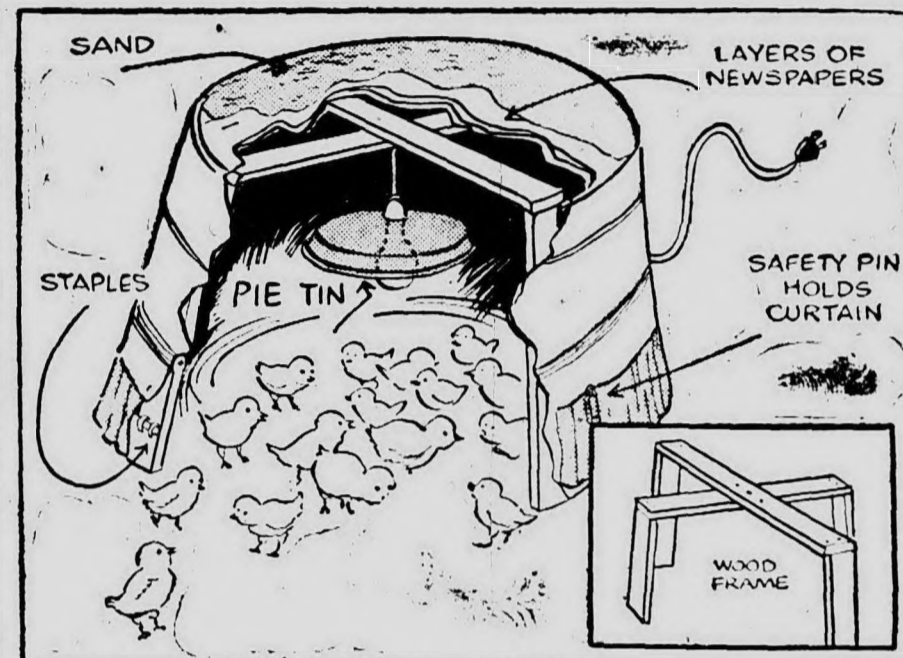

If anyone wants to send in a contribution he may send it to Mr. Rose at 452 Maple street or to the Plymouth Hardware on Forest.

In San Pedro, Calif., after failing to get help in turn from the Coast Guard, the sheriff, the county lieutenants, the Humane Society, the County Road Dept., the Air Pollution Board, the Parks & Recreation Dept., the Health Dept. and the Department of Sanitation, the caretaker of the Portuguese Bend Beach Club himself burned the 5-ft., 50-lb. dead seal that had been washed ashore.

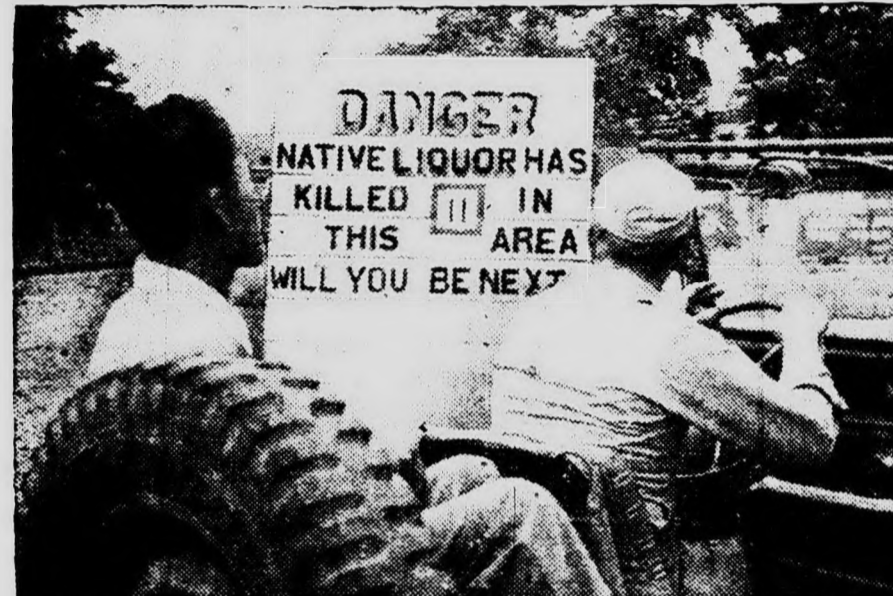

In Salem, Ore., after Governor Douglas McKay signed a bill putting the state on daylight saving time, the phone company set about trying to trace the caller who buzzed the governor's mansion around 5 every morning and shrieked: "It's time to go to work."

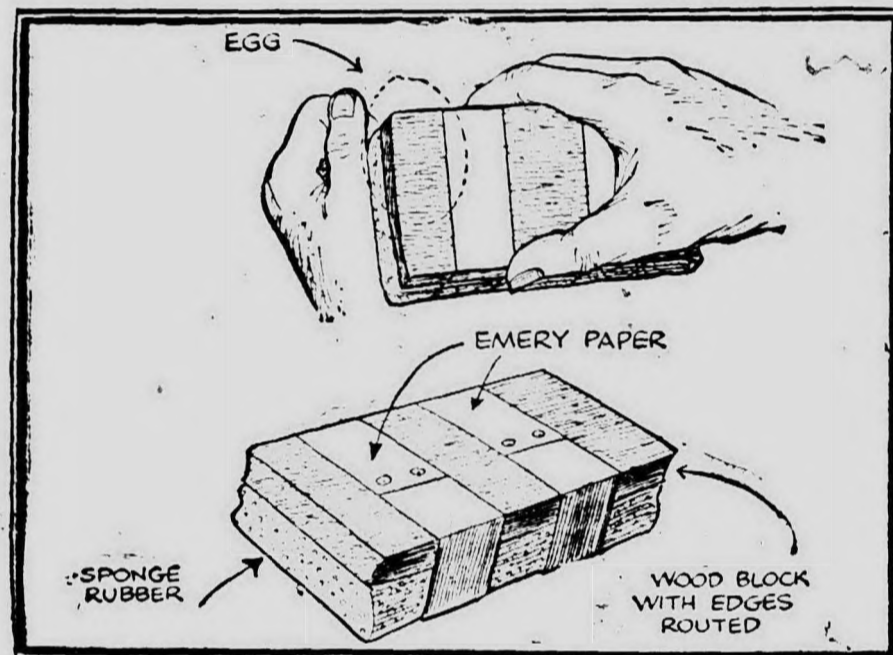

BIZARRE INCIDENT . . . Noel Figarone, 4, is in hospital facing loss of eye, after being shot by Sam Fisher, New York shopkeeper, with Japanese "atom" gun, shown here in palm of reporter. Pencil indicates shell of gun.

GALVANIZED IRON TUB inverted over wood frame makes good chick hover. Heat is supplied by electric bulb using pie pan as reflector. Cloth around lower edge of tub retains heat inside.

STAY ON THE WAGON . . . Riders in jeep read sign that tells its own grim story as they drive through street in Seoul.

A HANDY EGG CLEANER can be made of a wood block, about 2 1/2"x6", sponge rubber, two strips of emery paper (one fine, one coarse), and thumb tacks.

WORKING THE NEWS
By Carl Peterson

A prime hot weather topic just got another whirl the other day, when a survey was made to see whether men ought to be forced to wear coats in summertime. Seven out of every ten women interviewed came up with a big round negative. For years fashion has decreed women's clothing that are as light and flirty as spun sugar candy, while the lord of the manse has been wrapped up like a new born Eskimo in December. About the only relief came with a bit of straw hat and white shoes... but in between he's warmer than a polar bear in a steam bath. All right, ladies, relax!

A headline in a Toronto, Canada paper reads: "Armed Forces agree Women Necessary." Was there any question in the first place? When a prescription is filled at PETERSON DRUG, there's no question about dependability. Our skilled pharmacists give every prescription the closest attention, making certain that accuracy attends each step in the doctor's instructions.

Cards of Thanks 27

WE wish to thank the many friends and neighbors for their expressions of sympathy in our recent bereavement. Mrs. Rosa DeBar, Mr. and Mrs. J. Drulia & family, Mr. and Mrs. Earl Price & family 27-1tp

In Hot Springs, S. Dak., when they got no results from dropping lighted matches in the gas tank, two small boys set fire to the upholstery of Stan Englebert's car, soon turned the trick.

OFFICIAL WELCOME to the officials touring with the Racine, Wisconsin Boy Scout Drum and Bugle Corps is extended by Daisy Manufacturing Company executive vice president Cass S. Hough, who is surrounded by other Daisy officials, Edward C. Hough, Tom Kent and Robert Wesley on the event of the corps visit here last Friday.

IT WAS A GREAT DAY for the members of the corps who eagerly inspected all of the functions involved in the manufacture of Daisy air rifles. Guided on the tour by Daisy's Chauncey Rauch, the boys took full measure of the gun plant plus leaving with a prized possession of a famous Daisy Red Ryder carbine, a gift for each of the corps from the company.

Card of Thanks 27

WORDS cannot adequately express our deep appreciation for the many kind and sympathetic acts that came to us at the time of our recent bereavement. The family of Richard Woolley 27-1tp

With Our Churches

FIRST METHODIST CHURCH
Rev. Melbourne Johnson, pastor. The combined Presbyterian and Methodist congregations will meet in the Methodist church during the month of August and the first Sunday in September. Dr. Henry J. Walsh preaching. Care for infants and small children during the services in the Methodist church under the supervision of the Presbyterian people. During the month of August the Methodist church secretary may be reached at—phone 415-M or 1173.

ST. PETER'S EVANGELICAL LUTHERAN CHURCH
261 Spring St. Edgar Hoenecke, pastor. Sunday school sessions will be suspended until September 9. This service will begin at 9:30 a.m. The sermon topics during August will continue the series on "Outstanding Men and Women of the Old Testament." Please, begin to plan your contribution of farm and garden produce for our Harvest Home Festival now. The ladies are canning extra cans of fruit and vegetables during the summer for our school at Saginaw and for the Deaf Institute at Detroit. Enrollments for the fall term of our Lutheran Day school ought to be made as soon as possible to avoid disappointment. Announcement will be made as to the opening date as well as of a parent round-up before the fall session.

GOSPEL TABERNAACLE, at 990 Sutherland and South Harvey Sts. Rev. Philip A. Pingilly, pastor. Sunday Services, 1:30 and 7:30 p.m. Evening Services on Tuesday.

REORGANIZED CHURCH OF JESUS CHRIST OF Latter Day Saints
Services in Masonic Temple, Union St. at Penniman. Noble Gault, pastor 18475 Floral, Farmington, Sunday services 9:45 a.m. Church school, with classes to interest to all age groups, 11:00 a.m. There will be no church services held in Plymouth July 28 through August 5. We invite you to meet with us during this period at the Blue Water Reunion grounds, 3 miles north of Lexington on US 25, a place of inspiring and lasting memories. Theme: "Sources of Spiritual Powers." There will be an outstanding staff of general church appointees to instruct and teach including, Apostle and Mrs. Mesley, W. Blair McClaine, L. Wayne Updyke, George Booth, Warren Chelline, and others. A week full of worship, fellowship and fun awaits all at our 38 acres of beautiful woods with log tabernacle, dining hall, rest rooms, dormitories, purified water system and other modern conveniences.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. When God is understood as Love, much of the discord among men and nations will be healed is shown in the Lesson-Sermon to be read in the Christian Science churches on Sunday, August 5. The Golden Text is from Jude (1:21): "Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life." Among the Bible citations is this passage, (1 John 4:7): "Beloved, let us love one another: for love is God; and every one that loveth is born of God, and knoweth God." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "People go into ecstasies over the sense of a Corporal Jehovah, though with scarcely a spark of love in their hearts; yet God is Love, and without Love, God, immortality cannot appear." (P. 312)

NEWBURG METHODIST CHURCH, 9614 Newburg Road, Phone 761-J. Robert D. Richards, pastor. Rev. Richards will preach on the topic—"The Gospel of the Three Gardens" at the 10:00 a.m. service of the Newburg Methodist church on Sunday. Sunday school will be at 11:00 a.m. with classes for every age.

THE SALVATION ARMY, 281 Union St. William Roberts, captain. Schedule of services: Thursday 7 p.m. Ladies Home League. Friday 7 p.m. Ceramics class for teen-age girls. Sunday: 10 a.m. Sunday school. 11 a.m. Morning Worship. 6:15 p.m. Young People's meeting. 7:30 p.m. Evangelistic Service. Wednesday: 7:30 p.m. Teacher's class. 8 p.m. Mid-week service. You are cordially invited to worship with us at all services. Vacation Bible school will start Monday, August 6 at 9:15 a.m. We invite all young folks of Plymouth between the ages of 4 and 15 years to attend. To arrange transportation call 1010.

CALVARY BAPTIST CHURCH
Ann Arbor Trail at Elizabeth, Danick J. Clifford, Pastor. Bible School, 10 a.m. Worship service, 11 a.m. The pastor will be speaking on "Ye Are My Witnesses" at 7:30 p.m. "World Events in the Light of Bible Prophecy." Can Peace Talks Prevent Sudden Destruction? Monday, 2:00 p.m. Ladies Prayer Band, Wednesday, 7:30 p.m. Prayer and Praise Service, Thursday, 7:30 p.m. Choir Practice. All are always welcome at Calvary Baptist.

ST. JOHN'S EPISCOPAL CHURCH, Harvey & Maple Sts. Morning Prayer, 11:00 a.m. Sermon: "The Religion of Surety." At 5:00 p.m. on Sunday night, the Wardens have called a Special Parish Meeting, at which all members are urged to be present. A very important matter is to be discussed, and Bishop English will be present at the meeting. The article concerning our new Rector is included along with this. It was impossible to get it written before this time, but it should be in this week's issue if at all possible. Service on the following Sunday: Holy Communion, 11:00 a.m. the Reverend Philip Schenk of Ann Arbor will be our guest preacher and celebrant. (August 12).

SALEM CONGREGATIONAL CHURCH, Lucia M. Stroh, minister. Mrs. Ralph Wilson, Supt. Morning worship 10:30, Sunday School 11:45. All are cordially invited to these services. Cottage Prayer Meetings Thursday Nights, 7:30.

STARK BIBLE SCHOOL -- CHURCH OF GOD, Morning Worship, 10 a.m. Sunday School, 11:00 a.m. Evening services at 7:30 p.m.

SALEM FEDERATED CHURCH
Cora M. Pennell, pastor. Sunday morning worship, 10:30 a.m. Sermon subject: "Now We Believe—Because We Know." Sunday school, 11:45 a.m. Prayer meeting, Wednesday evening, at 7:30 o'clock.

CHURCH OF CHRIST, 9451 S. Main street, Cameron Sinclair, preacher, days of Ann Arbor school, 10:00 a.m. Morning Worship, 11:00 a.m. Evening Service, 7 p.m. Mid-week Service, Thursday, 7:00 p.m.

CHURCH OF THE NAZARENE, Holbrook at Pearl St. Sunday School, 10 a.m. with classes for all ages. A special room for those with small children. Junior church and morning worship at 11 a.m. The junior church service for all those under 12 years of age under the leadership of Mrs. Welton. Group meetings at 6:45 p.m. for the different age groups. Evening song service at 7:30 followed by the evangelistic service. Mid-week prayer and praise service, Wednesday evening at 7:30 followed by choir rehearsal. Join with your many friends in these services.

FIRST BAPTIST CHURCH, Sunday School, 10 a.m. Wm. Foley, superintendent. Classes for all ages. 11 a.m. Morning Worship service. Everyone welcome. Rev. A. K. MacRae of Northville speaking, Wednesday, August 8, 7:30 p.m. Quarterly Business meeting of the church, Saturday, August 11. Fellowship class meeting at James Houk cottage at Base Lake.

WEST SALEM COUNTRY CHURCH, 7150 Single Rd., Salem Township. Patrick J. Clifford, Pastor. Sunday School, 2:00 p.m. Preaching Service, 3:00 p.m. You are invited to the old-fashioned country church where friendly people worship.

SPORTS CORNER

Cavalcade Hands Olds Loss Again

Cavalcade proved that their first win over Beglinger Olds was no fluke by outscoring them again and winning 9 to 8 in the Industrial League. Cavalcade spotted the Olds boys 6 runs in the first three innings, but then they began pecking away at Carter's offerings and finally forged ahead with two big runs in the last inning. In that inning the first two men walked and those coupled with a fielders choice and two hits proved the margin of victory.

Olds pitched Cavalcade 11 to 7 with Newton collecting three straight hits.

The pitching chores for Cavalcade were divided between LaRue and LeTourneau. Gillis started for Olds but gave way in the 7th inning to Newton.

Cavalcade won another game last Monday by coasting to a win over Penn Theater 10 to 3. The Cavalcade power hitters drove Brighton, Penn's starting pitcher to the showers in the middle innings when they scored all their 10 runs. Londneau started it off in the third with a three run homer. Cavalcade courted three more in the fourth on two walks and three hits and ended their scoring for the day with a spree of four runs in the fifth on four hits and three walks.

Thibadeau held the Penn batters in check by yielding only four safeties. Brighton was the loser.

In one of the best played ball-games on the local sandlots this season, the last place DeHoCo team edged Beglinger Olds 3 to 2 at DeHoCo Monday, July 23.

Olds led all the way after they scored all their runs in the fifth inning on a three-base hit by Dobbs, an error, and a single by Wilkie. But the DeHoCo boys weren't to be denied as they sent their loyal fans home happy by pulling the game out of the fire after two were out in the last inning.

Kridet led off by getting hit by a pitched ball; then on a double play ball that misfired all hands were safe. Gozalka scratched a single off the pitcher's glove scoring Kridet. Young flied out to third for the second out, but Williams singled to center for the winning marker. The fans had to give Kridet credit for slinging a nifty brand of ball as he only allowed three hits. Gillis, the loser, lost a tough one allowing four hits.

League Standings

Team	W	L	T
Cavalcade	11	2	0

Penn Theater	3	9	1

House hunting? Read the classified ad section for where to find a house or apartment.

Old Rivals Meet Monday In Open League Contest

Another thrilling game is in prospect for next Monday evening in the Open League, when Beglinger Olds again meets Cavalcade at 8:20 under the lights at the high school diamond.

These two arch rivals have met five times before this season with Cavalcade coming out on top three times and Beglingers twice. All games have been closely contested and most won in the last inning.

This is the last time these teams meet in the regular season.

First National Wallops Wayne

First National Bank, Plymouth's entry in the Inter-County league, mauled and battered the Wayne Boom team on submission 21 to 3 last Sunday on the Wayne diamond. It was a comedy of errors for Wayne as they booted the ball at least 12 times in the six inning, 2 1/2 hour game after which they asked to have the game called.

Everything happened, extra base hits, wild pitches, stolen bases, passed balls, hit batsmen, double plays—just about everything in the book except a triple play.

Warren Bassett's outfit played a good brand of ball, but Wayne looked pathetic. They had arrived back from a northern Michigan trip early Sunday morning, and that may have had some effect on their play.

The Bank boys scored 7 runs in each the fourth and fifth innings. Each player for Plymouth hit safely at least once with Kabitsky, Dobbs and Newton getting three each. DeWulf scored five runs the first five times at bat and in his sixth time up hit a three bagger and was thrown out at the plate when he tried to stretch it into a homerun.

Shraike hurled a steady game and had good support. Dittmar started for Wayne and lasted two and two-thirds innings when he was replaced by the highly-touted Bidwell, who has played in the Appalachian league, and also boasts of a no-hit game in league play this year. The Plymouth power hitters continued to tee off on him, however, neither pitcher had much support.

First National, a member of the White division, is assured a berth in the playoffs which begin August 19. Wyandotte leads the Red division with Romulus a close second. The standing of the White division are as follows:

Team	W	L	T
Northville	11	3	
Gamble Post	11	3	
First National	9	5	
Garden City	7	6	
Grandale	5	8	
Clarenceville	3	11

Swimming Classes Very Popular for Local Women
Swimming at the Wayne County Training School has proved to be a very popular event for Plymouth women. The 8:50 class for September and October is already full and the 9:30 class soon will be. Anyone desiring to enter this class contact Mrs. Donnelly of the Recreation department.

SOME OF THE GOLFERS who have been sharpening up their golf game for the annual City of Plymouth amateur golf tournament beginning August 11. Left to right: George Todd, city champ in 1947; William Morgan, defeated in first flight, 1950; Donald Steele, first person to enter this year; James Heller, entering tournament for first time; and Max Todd, local golf pro.

WON'T GO HOME... Wladimir Skonecki, Poland's top tennis player, says he won't go home from Paris, because of political reasons.

Features Added to City Golf Meet

On Saturday, August 11, during the 18-hole qualifying round, players will be given an opportunity to shoot for prizes in the added feature of a hole-in-one contest. On each 9-hole round, as they play the No. 4 hole at Hilltop, their shots will be measured. 1st, 2nd, and 3rd closest will be awarded attractive prizes.

Tournament chairman, Max Todd, again asks that local golfers take note that the 90 to 100 golfers have been carefully considered so that they will share equally in the many beautiful prizes and trophies made possible through the cooperation of Plymouth business men. Flights three and four will be made up of the high handicap players who score around 90 to 100.

The tournament is open to resident amateur golfers of Plymouth, Canton, Livonia, Nankin, and Newburg townships.

Qualifying rounds of 18 holes will be played on Saturday, August 11. The eighty lowest medal scorers will become eligible to begin elimination match play rounds Sunday, August 12, and continuing through Saturday and Sunday, August 18 and 19, with 36 hole finals on Saturday, August 25. A victor's dinner-dance to fetter the winners and award trophies and prizes will be held in the evening following the matches.

Entry blanks may be secured at the Hilltop Club. Entry fee remains at \$2.50.

Dairy Has Big 5th to Upset Kennedy

We have the report of only one game played in the Western Wayne league last week. That was between the Daisy and UHT Kennedy teams.

Daisy came up with a big fifth inning last Thursday to maintain their unbeaten string of 9 straight without defeat—they have been tied once.

In the fifth, a triple, two doubles and a single after two were out chased in four earned runs to salt away the game for Daisy by the score of 6 to 4. Petrovich chucked a steady game for the winners allowing only four scattered hits.

League Standings

In Des Moines, after robbing a nearby bank of \$11,629, Edward Wiese stopped at a bar, tossed down two \$100 bills for two rounds of beer for the house, was later traced and nabbed on tips provided by his fair-weather friends.

Phone news items to 1755.

Twin Pines Lose 1st Game of Year

Twin Pines lost their first game of the season in the Class F Boys league last Thursday afternoon by the close score of 9 to 8.

By combining two walks, three hits and one error, Northville counted five runs in the third inning to sew up the game. Lemor was the winning pitcher and Kisabeth the loser.

Last Monday afternoon the Twin Pine boys came from behind in the last two innings to score 7 runs and smother the Davis and Lent lads 12 to 5.

Swant led the attack for the losers, but his teammates could do nothing with Kisabeth's offerings, except for the fifth inning when they scored four of their five runs.

Farmington failed to field a team for their game with the Davis and Lent youngsters and thereby lost by a forfeit.

Mail to Sponsor New Sports Page

The Plymouth Mail is inaugurating a new service for the many sports fans of this area. Plans are underway for editing a Sports page with all sports being centralized on this page.

The population of the city is increasing rapidly and with this increase comes an enlarged program of sporting events. Many more leagues and teams are now in operation than there were five years ago. We plan on having a full coverage of all sports in the city.

If you have any sporting news you would like printed please call the Plymouth Mail and ask for the sports editor, or if he is not in, leave your telephone number and he will contact you.

With your cooperation we can provide a sport section to which Plymouth sports followers can look at with pride.

In Washington, D.C., after taking the court in the first round, Boxer James Walker staggered up from the canvas to challenge a jeering ring fan, who promptly floored him again with one hay-maker.

Banquet at Hillside Honors AAU Swimmers

A banquet was staged Sunday evening, July 29, at the Hillside Inn, for members of the Lafayette Swim Club, of Lafayette, Indiana, who had been competing in the National A. A. U. meet at the Brennan Pools in Rouge Park.

The Lafayette team won three trophies during the meet: one for the 600 meter free style relay event; one for the 300 meter medley relay, and the third for winning the National Women's team championship.

These trophies were presented at the banquet.

Twin Pines Girls Score Each Frame

By scoring at least once in each inning the Twin Pines girls defeated the Plymouthites last Tuesday evening by the score of 10 to 7 in the Girls Inter-City league.

Blaine collected four straight hits for the winners, while Holstein, Rutherford and McIntosh had two apiece for the losers. Street pitched a steady game and was the winner with McIntosh being charged with the loss.

The playoffs in this league will begin August 31 with the Boostettes playing Twin Pines at Ypsi, and Silkworth playing either DeHoCo or Ford Motors.

League Standings

PLEASED TO MITT YOU... Gil Hodges, strongest man in baseball, has the largest hands ever to clutch a bat. He leads both leagues in home runs and is hot after Babe Ruth's 60-in-a-season record. No baseball glove can cover his hands.

Dunn Steel Still Unbeaten in OTL

There were two wide-open ball games played in the Old Timers' league last Wednesday, July 25. Both were by identical scores.

In a free hitting contest, and one sprinkled with many errors, Dunn Steel emerged the winner over Contractors 17 to 10. Gillis was the big gun for the losers with a homerun and two singles. Stevens also hit for the circuit.

Herter hurled a good brand of ball for the winners, while the Contractors pitchers had trouble locating the plate walking 8 men.

In the other game of the evening Rosedale Civic defeated the VFW men by the lopsided score of 17-10. Hermans swatted the ball for three hits for the winners, and Eschels counted three bingles for the losers.

Central Children Stage Humorous Short Skit

The children of Central playground presented a clever little skit entitled "The F. B. I. Case (Find Brian Immediately)" last Thursday at 3:30 in the Central Grade school gymnasium.

Approximately 75 persons were in attendance and witnessed the small tots stage the little two act skit dramatizing playground activities. For some of the children it was their first public appearance and they are to be congratulated on a fine performance.

Also the Misses Rosemary Downey and Erna Kienbaum deserve much credit for their direction and guidance of the little show.

UHT Player Wins Trip to New York

For the second year in a row a player from the Western Wayne league has been selected as the outstanding outstate ball player in the Detroit Times-Herald National Junior Baseball tournament. Jerry Davey, of Garden City, a member of the UHT Kennedy team in the Western Wayne league is this year's winner.

Jerry, along with the Detroit winner, goes to the Polo Grounds in New York, for the National finals of this tournament. Last year's winner was Burton Lau of Romulus.

Two boys from each state will go to New York for the finals which will be witnessed by many big league scouts.

The Daisy team won the district tournament title, and advanced to the regionals only to lose to a fast Dearborn Optimists club.

The All-Star team was made up of 25 boys selected from the district tournament. This team entered the All-Star tournament at Briggs stadium in Detroit.

They advanced to the finals before bowing to the Detroit All-Stars. Davey was chosen the outstanding outstate player in these games. He pitched excellent ball in downing the Dearborn All-Stars 7 to 0 and Port Huron 4 to 2 before bowing to Detroit.

Mr. Woolweaver states that the important aim of this All-Star tournament is participation of as many players as possible, rather than concentration on winning the game. All 25 players took part in the contests.

Daisy Out of 1st in Industrial

Reports from three games played in the Industrial games last week show Daisy being knocked out of first place and Evans Products taking over the leadership with Local 111 coming up fast.

Local 111 bowled over Daisy in a game that contained about everything in the book and thereby showed Daisy off the top in the league standings. It was a weird game that saw a total of 28 runs, 16 hits, and the staggering sum of 20 bases on balls.

Pommel was the spark in the Local 111 attack collecting three hits and three runs. Lee connected for a homerun for Daisy with the bases empty.

In a well-played contest that saw a total of only five runs and five hits for both teams DTD won out over Whitman-Barnes 4 to 1. Somers held Whitman and Barnes to two safeties, while Nagy yielded only three to the winners.

Two errors by Williams had much to do with DTD scoring their three runs in the fourth inning, otherwise it was a very close; pitchers battle all the way.

Bill's Market went down to their 11th defeat at the hands of Local 111 to the tune of 8 to 3.

League Standings

3 Holes-in-one in Last Month

Three holes-in-one have been chalked up at the Hilltop Golf course since August 1! This is an unusual feat as that is about the average for a season. The three local golfers who entered the charmed circle of the Hole-in-one club are Jack Lucas who did it first on the 145 yard, 6th hole.

F. Carmichael also made his on the 6th hole a few days later. The newest member of the select group is Gene Gleason, who holed his see on the 145 yard, 4th hole. Gene is a member of the Ford league at Hilltop.

In El Paso, radio cops answering an emergency call were told the complainant would try to keep a Peeping Tom entertained until they got there.

If you knew all this about B.F. Goodrich Tubeless Tires

...would you want to ride on any other kind?

1. Tested and proved by AAA! Impartial tests by the Contest Committee of the American Automobile Association prove the BFG Tubeless Tire protects against blowouts and seals punctures. And it's been proved in use by thousands of motorists.

2. No inner tube! No tube to go flat! No tube to blow out! The B.F. Goodrich Tubeless Tire holds air with a built-in lining of special rubber. Rim-seal ridges in the tire bead form an airtight seal at the rim.

3. Protects against blowouts! In case of injury that ordinarily would cause a blowout, there's no sudden loss of air to

make you lose control of your car. All you get is a slow leak.

4. Seals punctures! You can drive this tire over 3-inch spikes and it does not go flat. Gummy material under tread plugs holes, prevents air loss.

5. More riding comfort! User after user reports the same thing: riding comfort is noticeably improved.

6. Longer mileage! The famous B.F. Goodrich "rhythmic-flexing cord" body and wider, flatter tread give you thousands of extra miles.

The B. F. Goodrich Tubeless Tire does what no tire and safety tube combination can do — it protects you against both punctures and blowouts! Yet it costs less. Fits standard rims. Can be repaired and recapped like regular tires. Convenient terms. Stop in today!

COST LESS THAN REGULAR TIRE WITH SAFETY TUBE

Winter wasn't too tough, was it?

● Sure, there was lots of snow, ice and cold. But you people who bought your fuel oil from us had nice warm houses, didn't you?

Our trucks kept oil in your tanks and the quality of the fuel oil was right for dependable, efficient oil-burner operation. That's so, isn't it . . . even if we do say so ourselves. So why not think about next winter now? Here are 2 important things for you to do:

1. **Have Your Oil Burner Serviced** for care-free, efficient operation next winter.
2. **Have Your Tank Filled Now.** It will help you budget your fuel cost over the year. And a full tank helps prevent condensation and rust.

Start now to make next winter a comfortable one, too.

Northern Michigan last spring experienced the biggest smelt run in years. Tons and tons of these delicious little fish were dipped from the streams that empty into the Great Lakes.

For the past three weeks and for some two or three more weeks to come, there is being harvested or permitted to go to waste the biggest crop of nice tasting huckleberries the north has ever had.

There are few people indeed who do not relish a platter of properly fried smelt. And who is there that doesn't like a dish of fresh huckleberries for breakfast—or as a desert after a nice lunch or dinner of nicely fried smelt or perch?

But here's the joker! Walk into nearly any northern Michigan eating place and order a smelt dinner or a dish of fresh huckleberries for breakfast.

And what do you get? No smelt and no huckleberries! True, here, and there you will find a restaurant that might now and then be serving a luncheon of smelt and chips, but these places are so far apart that it is useless to try and find one.

Seemingly northern eating places shy away from fresh huckleberries as though they were something to be afraid of.

And what is nicer than a piece of smoked, whitish or a nicely prepared dish of smoked herring?

One time we did find a restaurant where they had smoked herring. But it was served with scales, head, tail and all, even some of the "innards" which hadn't been removed.

Here are four foods that are as much a part of northern Michigan as are the tall whispering pines, the second crop of Jack pines and the cool summer breezes that sweep inland from the beautiful Great Lakes.

To the "natives" of northern Michigan all of these foods except the smoked whitefish are available at the eating place owners.

But try and find ANY eating place in northern Michigan that will serve you these delicious foods.

Yeah—you'll find billboards along nearly all northern highways advertising Florida shrimp or Maine lobster, but you can look your eyes out and find no signs, no newspaper advertising, no reference of any kind to smelt dinners, or smoked fish or delicious fresh huckleberries.

The Florida shrimp and the Maine lobster are caught "in season" frozen and shipped out whenever the market demands additional supplies.

Why don't these owners of northern eating places dip smelt in the spring, clean them, freeze 'em up and then feature smelt dinners during the tourist season?

Why? Well one fellow answered the question in this way—"You'll find most of these northern Michigan eating place owners down in Florida basking in the sunshine—and waiting for the time to come to follow Old Sol back up north. They're not home when the smelt run—and as for picking huckleberries, WOW!"

It really does look like a pretty good answer.

Back a generation or so ago "Dick" Fletcher was one of the powers that be in Michigan state politics. He was one of the leaders in the Republican party who directed the campaign that made Albert E. Sleeper a governor of Michigan. Over a long period of years he was a most influential figure in state affairs.

Fletcher was revived in memory a few days ago when by chance the writer had an opportunity to see his most successful businessman son, Richard Fletcher, newly elected chairman of the Michigan conservation commission, in action on his new job.

Michigan's conservation commission has tremendous responsibilities. Just one of the minor duties is to oversee and maintain the large number of public fishing sites that have been created throughout the state in recent years.

One of the best known and most popular public fishing sites in Michigan is located at the mouth of the Au Sable river where it empties into Lake Huron.

Back in the early days of the Roosevelt administration, one of the made-work projects was the building of a jetty along both sides of the Au Sable where it flows into Lake Huron. The job, typical of most WPA projects, was a sort of make-shift venture, carried forth apparently without the direction and experience of engineers who know something about waterways projects.

Some years ago after the mouth of the Au Sable had been created as a public fishing site, the state built a walk along the top of the jetty to enable fishermen to reach their favorite fishing spots out in the lake.

But winter ice and high water have raised havoc with the old jetty. The state hasn't done much to improve it because of the fact that the newly created Michigan waterways commission has set aside the Au Sable river as one of the refuge harbors being created around the Great Lakes. Smaller crafts find it a most available place to seek protection when caught in high winds and stormy weather.

Even in its present most deplorable condition rarely a day goes by when high winds are prevailing on the lakes that three or four or more small craft run up the river to find protection from the rough seas.

Because of the fact that the Waterways commission plans extensive improvements at the Au Sable harbor in the next two or three years, the conservation commission does not believe it should expend any considerable amount in repairing the old jetty for the benefit of the many hundreds of fishermen who year after year found it a most satisfactory fishing place.

An instrument in writing comparing to be the last will and testament of said deceased having been admitted into this Court for probate.

It is ordered, That the ninth day of August, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and hearing said account and hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

JAMES H. SEXTON, Judge of Probate.

(A true copy) Raymond A. Sudek, Deputy Probate Register, July 26, Aug. 2, 1951.

What will eventually be done is not known—but this little incident does provide a pretty good insight into the type of conservation chairman Michigan now fortunately possesses. He has been on the job just a few weeks, but if his interest in the vast number of problems facing the sportsmen and conservationists remains as keen as that evident in the Au Sable public fishing site problem, Michigan can expect a mighty high type service, in the years to come, from Chairman Richard Fletcher of the Michigan Conservation Commission.

TURN BACK THE CLOCK . . . Children in costumes of the period and police in old time uniforms give correct touch to this tableau at New York's city hall, as the fresh air fund staged a re-enactment of the first trip of tenement children to the country, 75 years ago. Mayor I'pellieteri and Father Knickerbocker (James J. O'Brien) are in center.

"I REMEMBER" BY THE OLD TIMERS

Will Rogers, famous humorist, lived in era that launched radio. His voice and thoughts are cherished in the American memory.

From Mrs. Edythe Monk, Burlington Junction, Mo.: I remember when my grandfather brought out from the pantry in the evening about every two weeks an old spruce can of tallow and an old iron pot. After heating the tallow on an old wood-burning stove until it melted, he greased my shoes with the tallow. This was supposed to make them waterproof and cause them to wear longer.

From A. L. B. Dudley, Fairmont, W. Va.: I remember when Dad went to the woods and cut a Fisher brush which he made into a broom.

From Mrs. Georgia Fowler, Somers, Iowa: I remember when the itinerant peddler came on foot, with a pack on his back, stopping at our home in the country to show his wares of various kinds in hopes of selling some.

From Mrs. Gertrude Ramsdell, Rockford, Mich.: I remember when we went out with the horse and cutter winter evenings we would take a lighted lantern and put it under our robe for warmth. Or we would have a warm stone at our feet.

Sonderegger Funeral Home Price Policy "How Much Should a Funeral Cost?" Many people in Plymouth have asked us this question—and our answer is always the same. A funeral should cost as much—or as little—as the family wants to spend—and is able to pay without straining their finances. When a Sonderegger funeral is selected at a certain price, there are no hidden charges—no extra prices added in. Because sudden expense of any kind is a heavy burden on many of today's budgets, we offer—*Complete funerals from as low as \$200. *Assistance in securing insurance, Social Security and veteran's benefits. And, of course, no matter what price funeral the family selects, the service is dignified and beautiful—a memory to cherish. Sonderegger Funeral Home 217 N. Main Phone 14

Hints For Plymouth Homemakers

Advise Ladies to Take Advantage of Plentiful Snap Bean Crop

Snap beans, both green and yellow varieties, are plentiful in home gardens and Plymouth markets. This is the season when their flavor is best because they can be cooked and served so soon after harvesting, so make the most of them.

If you grow your own, pick them for the table or for preserving in it before using. When buying them at the market, check for both freshness and tenderness by snapping. Limp beans and those which don't break at all are either too mature or have been on the vines too long.

When it is necessary to store the beans before cooking, keep them in the refrigerator, advises the Food and Nutrition Service of the American Red Cross. This procedure helps to retain both flavor and food value as does cooking the beans as quickly as possible in only enough water to prevent scorching.

A plentiful supply of beans sometimes makes it more practical to cook enough for two meals at a time, such as during the second service in the form of a salad or maybe a combination hot dish.

When this is the case, store the cooked beans in a tightly closed jar or bowl in the refrigerator. If you're planning to make a sauce for the beans, use the liquid in which they were cooked.

Green or waxed beans cooked to tenderness as quickly as possible, and served with butter are delicious. But occasionally we like to dress them up. Here are a few tempting combinations that will please the family:

Beans and Bacon
Two cups hot, cooked green beans, 4 slices bacon, 1 small onion, minced, 1/4 cup vinegar, about 1 tablespoon sugar.
Dice bacon and cook over low heat with onion, stirring frequently until onion is clear and tender and bacon is crisp and brown. Add vinegar and sugar, varying amount of sugar to suit taste. If vinegar seems too sour, dilute it with some of the liquid drained from beans. Add drained beans and heat thoroughly. Serve at once. Makes 4 servings.

Beans and Mushrooms
One pound snap beans, 2 teaspoons minced onion, 1 cup canned, sliced mushrooms, 2 tablespoons butter or fortified margarine and salt and pepper to taste.
Break ends from beans. Cut into inch lengths. Cook in 1/2 cup boiling salted water with the onion, covered, for 15 to 20 minutes or until tender. Meanwhile brown mushrooms lightly in butter. Drain beans if necessary. Combine with mushrooms and season to taste. Makes 4 servings.

Beans and Egg Casserole
Six tablespoons butter or fortified margarine, 1 tablespoon minced onion, 6 tablespoons flour, 3 cups milk, salt and pepper to taste, 6 hard cooked eggs, sliced, 2 cups cooked green beans, 1/2 cup grated cheese.
Cook onion in fat until tender. Add flour and cook until well blended. Add milk and cook until smooth and boiling, stirring constantly. Season with salt and pepper. Arrange alternate layers of beans, sliced eggs and sauce in greased baking dish, ending with sauce. Combine crumbs and cheese and sprinkle over top. Bake in moderate oven, 350° F., for 25 to 30 minutes or until lightly browned and piping hot. Makes 6 servings.

This is a good main dish for a family luncheon. If liked, cooked ham or lunch meat can be used instead of the eggs. A big crisp salad, bread and butter and beverage, plus a fruit dessert will round out an appetizing and easily prepared summer meal.

In South Old Bridge, N.J., Fire Chief William Beale accused the neighboring Old Bridge brigade of sneaking into his territory and dousing blazes before his men could get there.

BETTER EATING

OPEN SEASON ON PICKLES

Pickling season opens with a new recipe for spiced grapes and is followed through with an all-time favorite, pickled watermelon rind.

SUGAR AND SPICE AND EVERYTHING NICE—
THAT'S WHAT LITTLE PICKLES ARE MADE OF

Use the white seedless grapes now on the market and a little later in the season try the same recipe with either Tokay or Malaga grapes. All three kinds make a fine spiced fruit especially good to add to the elegance of roast beef or pork.

Spiced Grapes
7 pounds grapes
6 cups sugar
1 quart cider vinegar
2 tablespoons cinnamon
2 tablespoons allspice
2 tablespoons whole cloves
Leave grapes on stems. Cut into small clusters and wash well. Combine sugar, vinegar and spices and bring to boiling point. Pour hot syrup over grapes and let stand 24 hours.

Pickled Watermelon Rind
2 pounds watermelon rind
6 cups sugar
2 cups vinegar
2 cups water
1 lemon, sliced thin
6 small pieces stick cinnamon
1 teaspoon whole allspice
1 teaspoon whole cloves
Pare the green and pink portion from the watermelon rind, cut into uniform pieces. Soak overnight in salt water (four tablespoons salt to one quart water). Drain, and cook watermelon rind in clear water until tender.

Make a hot syrup of remaining ingredients, add drained rind, and boil rapidly until clear. Tie the spices in a cheesecloth bag and remove before placing in jars and sealing.

Spiced Grapes
7 pounds grapes
6 cups sugar
1 quart cider vinegar
2 tablespoons cinnamon
2 tablespoons allspice
2 tablespoons whole cloves

Pickled Watermelon Rind
2 pounds watermelon rind
6 cups sugar
2 cups vinegar
2 cups water
1 lemon, sliced thin
6 small pieces stick cinnamon
1 teaspoon whole allspice
1 teaspoon whole cloves

Make a hot syrup of remaining ingredients, add drained rind, and boil rapidly until clear. Tie the spices in a cheesecloth bag and remove before placing in jars and sealing.

ANGEL FOOD ICE CREAM CAKE

No need to be an "in the kitchen" hostess, plan your menus for ahead-of-time preparation and enjoy your own party.

A baker's angel food cake combines with strawberry ice cream to make a delicious dessert that needs no last minute fixing. Served for luncheon, dinner or for a Sunday evening supper, it makes a summertime hit.

1 (13 ounce) oblong bakers' angel food cake 1 pint brick strawberry ice cream

Line a refrigerator tray with heavy waxed paper. Slice cake horizontally into three equal size portions. Place 1 layer in bottom of refrigerator tray. (This will take 1 1/2 slices.) Slice brick of ice cream into thirds and place on top of cake. Place a second layer of cake over ice cream. Cover with waxed paper and place in freezing compartment of refrigerator. Slice into 6 portions and serve with whipped cream.

Yield: 6 servings.

Warn Women to be Wary of Shoulder Pads

When you purchase a garment you seldom think of the individual parts of which it is made. Little thought is given to the fact that frequently an entire garment may be ruined if one little part of it performs unsatisfactorily. Recently, the National Institute of Cleaning and Dyeing has found that an entire garment may be ruined by the breakdown of "bonded-wool" shoulder pads.

The shoulder pads that cause such damage are made from wool fibers... not spun or woven... but cemented or bonded together with a thin film of a synthetic rubber. This is why they are called "bonded-wool" shoulder pads. Suits and coats have been showing evidence of fabric damage. Fabrics containing acetate rayon change color... similar to fume fading... blues change to purple or red; green turns tan or brown. On wool fabrics, the commonest change is from brown to green.

Once the color of the fabric is changed, there is nothing you can do to change it back. Linings in the shoulder area are often damaged. They become rotted and weak. They may also change color.

Research has shown that when this type of pad breaks down, the synthetic rubber gives off hydrochloric acid strong enough to change the color of dyes and to rot materials. When this occurs, the inside of the pad turns dark brown in color. It loses its resilience. An acid condition always develops.

Frequently the color change or damage does not occur until after drycleaning. But it has been proven that the pads themselves, and not drycleaning, are responsible for the damage. Pads that have never been drycleaned, tumbled or pressed have been noted to turn brown and give off sufficient acid to deteriorate the cotton gauze covering of the pad.

ONE MILLIONTH TRAFFIC FATALITY DUE LATE THIS YEAR!

According to the statisticians, the one millionth motor traffic fatality will take place sometime in late 1951. It's the statisticians who discovered this horrible fact, but it's the motorists who make the statistics. So when that fateful moment occurs, don't you be the man behind the wheel and don't you be the victim. Make sure your tires are road-safe. It may save someone's life by having your tires retreaded and recapped or vulcanized by us. We guarantee our work and guarantee to save you many tire dollars. Drive up today!

Your present tires recapped by our craftsmen will yield up to 75% more mileage, and for a fraction of the cost of new tires.

Prepare Quick Meat Dishes with Broiler

Main dishes to pop right out of your broiler and onto the dinner table are the pride of homemakers on a warm summer day.

Meats that are quickly broiled and, likewise, present thrifty servings include ground beef or lamb patties, Canadian-style bacon, bacon, liver sausage and corned beef hash from the canned meat shelf. In broiling these meats, the same as steaks and chops, make sure that you use a moderate cooking temperature. If meat is cut 1 inch thick, place it on the broiler rack so that it is 2 inches from the heat. If cut thicker, place it farther from the heat.

When you turn the meat on the second side, add the vegetables to the broiler. Seasonal vegetable to color the serving platter can be tomato halves or precooked potatoes, carrots or cauliflower. Potato cakes are another choice. Cooked whole kernel corn or baked lima or baked beans are especially grand with smoked meats. Fruits must not be forgotten. Peach or pear halves or pineapple rings add colorful additions. Remember, however, to brush vegetables and fruits with melted butter or margarine before broiling.

On the western front in Korea, a sergeant placed his order with a rear-area post exchange: "One set poker chips, five decks cards, one money belt."

APPETITES BREAK PAR AT THE HARBERTS'
Their Range? ELECTRIC, of Course
Chick Harbert, top-flight golfer, is "world's longest driver" and Professional at Meadowbrook Country Club, Detroit.

"Hot weather makes you appreciate your electric range more than ever," says vivacious Mrs. Chick Harbert. "The kitchen stays so cool and comfortable when the oven is in use."
"And there's a lot of baking done at our house, even in the summer," adds Chick. "Deidre and Kathleen are chocolate-cake fans."
"Chick and I go for broiled foods... steaks and chops take on a wonderful electric-broiled flavor," continues Mrs. Harbert. "We have other favorites, too... deep-well cooker dishes."
This attractive modern family approves wholeheartedly of their electric range. Why don't you enjoy all the advantages of electric cookery? Your dealer will be glad to tell you the whole story.

CHOCOLATE CAKE
Deidre's and Kathy's Favorite
1/2 cup butter 1/2 teaspoon salt
1 1/4 cups sugar 2 teaspoons baking powder or 1 teaspoon soda
2 eggs 3 squares chocolate, melted, or 1/2 cup cocoa (dry)
1 cup milk 1 teaspoon vanilla
2 cups cake flour 1 teaspoon vanilla
Cream butter, add sugar gradually, and chocolate. Add egg yolks. Mix and sift dry ingredients, and add alternately with milk to first mixture. Add vanilla. Fold in egg whites, beaten until stiff. Bake in shallow pan or two 8-inch layer-cake pans in moderately slow oven (325°) about 30 minutes. Top with creamy-smooth fudge frosting.

These Events Were News

25 Years Ago

The laying of concrete on the Plymouth-Northville road has progressed as far as the Five Mile road. The pavement is now open as far as the Waterford road on the Northville end.
 Carl Heide is making some extensive improvements in his greenhouse property at the corner of Mill and Liberty streets. Mr. Heide is having a new modern greenhouse, 150 x 36 feet, erected on the site of the old house, which has been torn down, fronting on Mill street.
 The city manager wonders if Plymouth people remember that there has been a water department ruling for years, that all sprinkling must be stopped when the fire siren blows. Monday evening if the added water which people were using in sprinkling their lawns had been supplied, the firemen would not have had to use the pumper to put out the fire at the Detroit Ring Casting foundry. The damage there was confined to a pile of old flasks and wood in the yard. The fire was started by sparks from the railroad.

Born, July 20, to Mr. and Mrs. Myron Sherman, a son, Duane Carlos.
 Mr. and Mrs. Ernest Vealey visited friends in Lapeer on Saturday and Sunday, and while there attended a picnic at Lake N-pissing.
 Born Wednesday, July 28, to Mr. and Mrs. Richard Hartung at Sessions hospital, Northville, a six and three-fourths pound son.

The little grocery on the corner of Ann Arbor and Mill streets, recently bought by Robert Willoughby, was resold this week by him to Mr. and Mrs.

Ernest Vealey, who will be the new proprietors after August 3. The most disastrous fire which has occurred in Plymouth since the Chevrolet garage burned several years ago, was that of Wednesday night, when the Towle & Roe Lumber Co.'s big warehouse was totally destroyed. The fire was discovered about 10:30 o'clock in a small storage shed located about 50 feet north of the big warehouse. An alarm was sent in at once, and although the fire department responded promptly, the sparks from the burning building had ignited the large warehouse, which was of wood construction and filled with dry lumber, and it was a mass of flames in a very few minutes.

Building operations in Plymouth are increasing as the summer advances, and at the present time there are new houses going up in nearly every part of the town. Many new houses, which were started early in the spring, have been completed. There is now every indication that by the time winter sets in nearly a hundred new homes will have been constructed during the year.

The annual reunion of the Gates family was held at the home of A. A. Gates, York street, on Sunday, July 25, the weather permitting the dinner to be served on the lawn. They were 47 of the relatives present from Detroit, Pontiac, Birmingham, Jackson, Northville, Ann Arbor and Plymouth.

Floyd Starr, of the Starr Commonwealth school for boys at Albion, assisted by one of the teachers and several of the boys of the school, furnished a very interesting program at the noonday Rotary luncheon, last Friday.

Dr. and Mrs. Luther Peck and two daughters returned home Tuesday evening from a several weeks' motor trip through the New England states.

national defense by giving immediate consideration to the manufacture of a defense item in addition to its own products.

A large triangular plot of property, the last remaining parcel necessary for the development of the municipal parking lot at the rear of the Main street business district, was obtained by the city in an agreement with Walter Bronson, owner of the land, at the meeting of the city commission Monday evening.

Last week's heat spell set a new record for water consumption in Plymouth. Last Wednesday, 947,000 gallons of water were consumed and on Friday, the day's total demand reached 980,000 gallons. The high day last year for water consumption was 714,000 gallons.

Construction was started this week on two new units at the Wall Wire Products plant in Plymouth, stated Earl Russell, president of the Wall Wire company. Contracts for the plant extension, estimated at a cost of \$8,000, were awarded to Goodwin Crumie and the Fred A. Hubbard Construction company.

A lovely dinner party was given Monday evening in the home of Mrs. Harold Brisbois when she entertained in honor of the birthday anniversary of Mrs. Paul Weidman having as guests members of the Birthday club. The members include Mrs. George Cramer, Mrs. John A. Miller, Mrs. Josephine Fish, Mrs. Raymond Bachelder, Mrs. Christine Van Poppelen, Mrs. Ernest Allison and Mrs. Arthur White.

Mr. and Mrs. William Arscott entertained at a dinner party Saturday, in honor of George White, father of Mrs. Arscott.

Jacquelyn Dalton and Jean Murray leave Sunday for a two week's vacation at Camp O'Hills.

Mr. and Mrs. Walter Sumner, daughter, Ann, and nephew,

John Andersen, were guests, Sunday, of Mr. and Mrs. Allan Sumner of Detroit, at their summer cottage at Lotus Lake.

Joan Town is spending the summer with her uncle and aunt, Mr. and Mrs. W. R. Town at Pleasant Lake.

Jim Zuckerman and Jack Ross represented Plymouth's youthful golf tournament at the Detroit Country club this week.

Two Plymouth boys, Bill Sexton, 14 years old and James McAllister, 15 years old, competed in the soapbox derby last week in Detroit and both improved their time records over last year.

Mrs. Ada S. Murray, of the Plymouth library staff is attending a four-day institute for Michigan rural librarians and citizens now in session at Hartland.

In Memphis, after Christine Doss came down with a case of chicken pox, the Baptist Hospital postponed her coronation as "Queen of Health."

PASTURE BURNED OUT?
 WHY LET IT DRY UP YOUR MILK PRODUCTION?
 If your pasture is cropped short, or the grass is burnt by hot sun and dry weather, don't let it rob you of milk production.
 The answer is simple—Feed hay plus Larro Dairy Feed to supplement the loss of needed milk producing nutrients.
 Keep a well-filled hayrack in your regular pasture field. Leave your cows out no more than half a day during real hot weather and be sure to feed Larro.
 You'll get more milk all summer, and your cows will be in better condition for fall and winter milk production.
 Come in today and get all the details on Larro's simple summed Feeding Program.

In Quezaltenango, Guatemala, Telegrapher Cesar Arnulfo Anleu persuaded a reluctant barber to give him a shave and haircut in exchange for his \$1 national lottery ticket, which next day won the \$6,000 grand prize.

Near Marietta, Ohio, after wondering what all the tooting and waving was about, Motorists Russell and Zora Johnson stopped their car, looked around, discovered that their house trailer had burned down to its axles.

Roger Babson Says --

Babson Discusses Crops
New Boston, N. H., August 2. The season is now far enough advanced to make a fair estimate of the U. S. crops for 1951. Hence, I have been busy this past week getting necessary data to make an intelligent forecast.

372,000,000 Acres Planted
Statistics show that more acreage has been planted this year than at any time since 1933. Ordinarily, due to the crops now in storage, the Federal Government would have demanded reduced acreage for most products. Due, however, to the Korean situation, all farmers were given the green light with no restrictions.

Owing to the increased use of farm machinery with modern methods of furrowing and draining, farmers are raising more crops per acre. This is especially

true where farmers are using fertilizers and carefully selected seeds. Selected seeds—especially in the case of corn—is a revolutionary step. (Modern methods of selecting laying hens are largely responsible for the surplus of eggs.)

What Statistics Indicate
As a result of all these favorable factors, I forecast a corn crop of about 3,300,000,000 bushels which would be the third largest in U. S. history. The wheat crop I estimate will be about 1,100,000,000 bushels which should be the largest ever harvested.

Oats should be about the same as last year—namely, 1,400,000,000 bushels; barley should harvest about 265,000,000 bushels, a little more than last year; rye should harvest 25,000,000 bushels, or more than last year. Hay cut this year should be 115,000,000 tons which would be 8,000,000 tons more than last year.

Fewer Potatoes Expected
The Government has discouraged potato growing with the result that the forecast is for only 350,000,000 bushels compared with 439,500,000 bushels last year. This means that not so many will be destroyed. Tobacco, however, is up; the forecast being 2,300,000,000 pounds compared with 2,000,000,000 pounds last year.

As to miscellaneous crops, it looks as if sugar beets and flaxseed would be less, but the rice crop should be larger. Beans, hops, peas, tomatoes and cabbage should about the same, and quick-freezing process, however, should ultimately help peas, beans and tomatoes.

Good Fruit Year
Present indications are that citrus fruits in Florida will have a good season due to plenty of rain. The demand for citrus is constantly increasing due to the quality and advertising of the concentrated quick-frozen juices. Recent crop failures in California and Texas should keep down total national production and hold prices up.

The peach crop is estimated at 67,000,000 bushels compared with 65,000,000 last year; pears 32,000,000 compared with 31,000,000 last year; while about the same amount of cherries, apricots and lemons may be expected. The apple crop should continue good, about as last year; around 122,000,000 bushels; while grapes are running ahead of last year; The hope for both of these staple fruits rests with canning the juices.

What About Prices?
As to prices, wheat now is about \$2.29 per bushel same as a year ago; corn is \$1.77 compared with \$1.56 a year ago; beef sides are .59 per pound compared with .53 a year ago; pork is .53 compared with .56 a year ago; granulated sugar is .083 compared with .081 a year ago; coffee is .53 compared with .56 a year ago; cotton is .38 compared with .39 a year ago; wool tops are \$2.57 compared with \$2.15 a year ago; while K. C. hides are .37 compared with .27 a year ago.

In closing let me say something about the Kansas City flood. I know Kansas City, being a part owner of 40 high-grade drug stores there. But note this fact:—If this flood had happened 20 years ago it would have done very little damage as the land had not been built upon. Kansas has experienced a long period of dry years and real estate promoters said "Tain't going to rain no more." Thereupon a great building boom developed on this low land. But they were wrong. Moral: Man has not yet controlled the weather. After a long series of dry crop years, wet years are sure to follow; and after we have good rains, as has been the case since 1933, dry years are sure to follow.

Local Farm Produces High Yield of Wheat

A near-record harvest of wheat was produced this year by Mr. Louis Krum on his farm at 5390 Gofredson road. Mr. Krum harvested 200 bushels of wheat from a four acre field; an average of 50 bushels per acre. This is considered a very good yield for this locality.

In Tonowanda, N. Y., a pheasant smashed through a kitchen window in full flight, struck the faucet in the sink and turned on the water, plugged the drain with its body, began to drown, was saved by two boys who happened by.

Services Held for George Helm

George Helm, life-time resident of Plymouth, passed away July 16, 1951, at the age of 73 years. Mr. Helm lived all his life in the same house in which he was born April 7, 1878, in Livonia Center.

George Helm was married in 1905. The widow Bessie survives, along with five sons: Miles and Clyde of Livonia Center, Carl of Detroit, John of Southfield township, and Robert of Caro; two brothers, John and Fred, of Lansing; two sisters, Mrs. Eliza Wayhorne, of Lansing and Mrs. Dora Pelky, of Plymouth; one aunt, Mrs. Edith Jewell, of Plymouth, and 7 grandchildren also survive.

Mr. Helm was a member of the Tournaquish I.O.O.F. lodge. Funeral services were conducted by the Sonderreger Funeral home at 2 p. m., Thursday, July 19, under the auspices of the I.O.O.F. with members of that lodge acting as pallbearers. Interment was in the Livonia Center cemetery.

In West Springfield, Mass., Hunter William Laffar decided he had bagged a small wildcat, tried to collect the county's standard \$25 bounty, learned that his trophy was Jumbo, a neighbor's \$100 outside Siamese cat.
