

FIVE OF THE SIX GERMAN YOUNGSTERS brought to Plymouth by the Rotary club. Left to right: Gerold Schmidt, Hans Christian Kruger, Sophie Agnes Niemeyer, Guenter Damm and Hans Eduard Posenplaenter. The sixth youth, who does not appear in the picture, is Traudel Bruns of Bavaria, who will make her home with Mr. and Mrs. Sterling Easton of Maple street. The youngsters will live in Plymouth for a year, attending high school and learning something of the American way.

HANS CHRISTIAN KRUGER stands between his new parents for a year, Mr. and Mrs. Paul J. Wiedman, of N. Territorial road. Mr. Wiedman, local Ford dealer, was glad to hear that his new "son" was interested in cars.

GEROLD SCHMIDT (center) stands with his new family, Mr. and Mrs. Robert Willoughby and son, Robert, of W. Ann Arbor Trail. Gerold is from Muenster, Westphalia.

MR. AND MRS. CARL HARTWICK and their family stand with a new "daughter," Sophie Agnes Niemeyer. Left to right: Mrs. Hartwick, Mr. Hartwick, Pat Hyatt who is staying with the Hartwicks for the summer, Sophie Agnes and Mary Lou Hartwick.

TWO PLYMOUTH FAMILIES WITH THEIR NEW SONS. Left to right: Edward Gardiner, Mrs. Gardiner, Guenter Damm, the Gardiner new son, Mrs. Perry Richwine, Hans Eduard Rosenplaenter and Perry Richwine. Hans Eduard will make his home with the Richwines for a year.

School Building Program Going Along Smoothly

Helmer Nelson, business manager of the local public schools, states that the building program is progressing satisfactorily and the entire project is a trifle ahead of schedule.

"All the concrete has been poured for the entire corridor. The biggest part of the brick work is now complete on the gymnasium proper, and before school begins we expect to have the entire structure enclosed," stated Mr. Nelson.

The work on the band room is progressing rapidly and the contractor has stated it will be finished by the time school opens in the fall.

The gymnasium and swimming pool are expected to be ready for use by the time the second semester opens the latter part of January.

The size of the complete gymnasium is 107 feet by 110 feet and is so constructed that it can be divided into two separate gyms by an electrically controlled folding door. This is much larger than our present gymnasium which is 68 feet in length.

Over 2000 teachers are on order and can be delivered at any time. A 12 foot additional space at each end can be utilized for an added 1000, making it possible for 3000 fans to witness a basketball game.

Mr. Nelson further states that the entire grounds are being graded and repaired at the Smith elementary school. A parking lot is ready now near the north entrance—it is made of stone and covered with road gravel.

At the kindergarten side of the building a separate playground for the kindergarten children is now being ready, and the equipment should be in by the time school starts. Also playground equipment has been purchased for the rear playground for children from the first grade through the sixth grade. Hardball and softball diamonds have been made.

At the Bird elementary school kindergarten and another playground is being prepared similar to the Smith playgrounds.

A chain link fence will be added all along Ann Arbor trail to protect the children from the heavy traffic on that street. Such a fence has also been installed on the north side of the school from Sheldon road to the rear of the grounds.

There is a parking lot on the north side of the building. At the Starkweather school they have placed a chain link fence to prevent many of the accidents that have happened in the past, on the stone steps. The bank has been filled in and repaired.

Mr. Nelson says that all schools will be ready for the children in September.

Marquis Names Unit Chairmen

Norman Marquis, newly appointed Plymouth Community Chest general chairman, announces the appointment of unit chairmen of the business and industrial representatives for the annual campaign, which begins this year October 16 and continues through October 23.

Rev. J. C. Champlin, Corrugated Container company, will be chairman of the industrial unit, while Robert Stewart, of the Ford Middlebelt plant, will be chairman of the professional unit. Duane Parkes is the publicity chairman.

The Community Chest raises operating funds for various community service groups, which will be enumerated in a later edition of the Mail.

The Community Chest, as now organized, is the combination of all worthy solicitation drives into one annual giving campaign. A multitude of individual solicitations in business places and industrial plants was found to be interfering with vital production.

Mr. Marquis states it takes much unity to make this drive a success. It is a united effort of all citizens enthusiastically working together, and it takes the spirit and determination of all groups, factions and classes to work together for a common and worthy end. If we do this our goal will be met with ease.

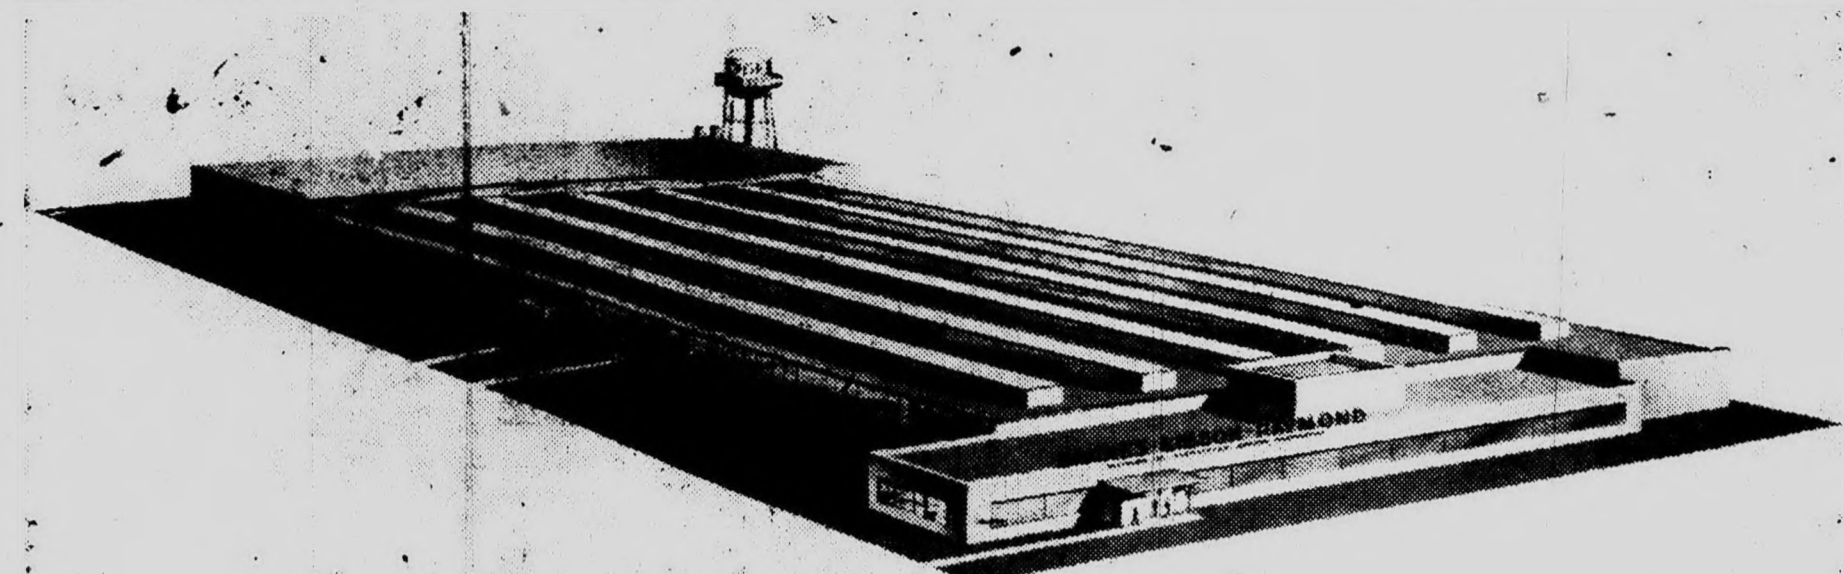

Local Club Gives Flowers to Depot

Many Plymouth residents have remarked how nice the beautiful flowers are outside the windows of the Chesapeake and Ohio railway depot. Each year the members of the Plymouth Garden club are responsible for this attractive display.

For several years the Garden club has carefully selected and cared for the boxes of flowers that have caused hundreds of tourists to comment about the refreshing atmosphere of our little depot. (See picture on another page.)

This year the Garden club employed a local florist, Bartel's, to refill the boxes with new dirt.

(Continued on Page 6)

THE NEW BARNES-GIBSON-RAYMOND PLANT which will begin operations on September 4. Located on a fifty acre site at 40300 Plymouth road, the new plant will make mechanical springs, wire forms and small stampings. It replaces the company's Miller avenue plant in Detroit.

Friday Last Day to Enter City Golf Tournament

While more than a score of local golfers have already posted their entries for Plymouth's Sixth Annual City Golf Open, applications for play will still be taken up until 9 p.m. Friday evening, August 10, at Hillside Golf Club.

The tournament is open to resident amateur golfers of Plymouth, Canton, Livonia, Nankin and Newburg townships.

Qualifying rounds of 18 holes will be played on Saturday, August 11. The eighty lowest medal scores will become eligible to begin elimination match play rounds Sunday, August 12, and continuing through Saturday and Sunday, August 18 and 19, with 36 hole finals on Saturday, August 25. A victor's dinner-dance to fete the winners and award trophies and prizes will be held in the evening following the matches.

Entry blanks may be secured at the Hilltop Club. Entry fee remains at \$2.50.

Starting times of the players who had entered through last Friday.

County 4-H Fair to Begin August 14

The Wayne county 4-H Fair will be in full swing starting August 14, according to A. R. West, chairman of the farm equipment display. The fair will be better than ever this year, says Mr. West, and everyone will enjoy the midway, livestock, auto and truck shows. A horse-pulling contest will be held under the direction of Ed Wilkie. There will also be a tractor pulling and plowing contest.

A few of our local 4-H entrants are: Gordon Vetal, Don and Melvin Korte, Chuck Silo, Karl Theisen, William Korwin, John Amrhein, and others. Among the girls to be represented are: Shirley and Ella Plant, Ellen and Shirley Travis, Margaret Amrhein, Rosamond Bairas, Sally Morgan, Leah Crane, Jane Multy, Margery Alford, Sally Mackintosh, Ann Waldecker and others.

The 4-H club owns the fairgrounds at Quirk road and the Express Hi-way and are planning an extensive building program. They invite all their friends and neighbors to join them in making this the most successful fair.

Rev. Bathgate to Speak August 12

The Reverend John Bathgate, current Director of Christian Education of the Presbytery of Detroit, and former teacher at the Allahabad University in India, will be the guest speaker at the union Presbyterian - Methodist service this Sunday morning, August 12.

Rev. Bathgate is known here in Plymouth, having previously been the speaker at the Rotary Club and for the Women's Auxiliary of the Presbyterian church.

He is an able, interesting speaker and one with a warm personality and deep sense of devotion. The Presbyterian - Methodist churches will welcome any visitors who may want to worship with them on Sunday morning.

It is pointed out again that the union services for August and the first week in September are held in the Methodist church, with Dr. Henry Welch preaching. Dr. Welch returned from Michigan Tuesday, where he had been the Vesper speaker at the Presbyterian conference this week.

4 Escape DeHoCo

All police in this area are hunting four escaped convicts from the Detroit House of Correction.

Two trustees, Charles Purcella, 49, and Francis Kelley, 47, were missing at the 6 p.m. check Sunday. Randolph Tackett, 22, and John Williams, 28, were missing at the 9 p.m. check Sunday.

Purcella was serving 20 to 40 years for safecracking and Kelley 10 to 15 years for burglary. Williams was serving a 30-day drunk sentence, while Tackett was serving 90 days for burglary.

Arrests Solve Local Robbery

Many of the petty thievery and breaking and entering cases around this vicinity may have been cleared up with the arrest of five 17 and 18 years old youths in Grand Rapids Sunday.

Dave and George Dow, Milton Hower, David Hall and Don McAllister are the boys in custody, and have admitted breaking into business places in this area according to local police. The young men admit breaking into the Sunoco gas station at Lilley road and U.S. 12, and stealing a cash register a few weeks ago, said Grand Rapids police.

Kiwanis to Visit Research Farm

Mr. Ray Williams, president of the Plymouth Kiwanis Club announced that club members, accompanied by guest farmers from this area, will visit the famous General Mills Larro Research Farm near Detroit next Tuesday evening, August 14.

The host for the event, Mr. Dean Saxton, local feed dealer, said that the group plans to arrive at Larro Research Farm in time for supper.

Larro Dairy and Poultry specialists will act as guides for the group when they make a tour of the farm. Highlight of the evening will be an address by Dr. H. Ernest Bechtel, Director of Research for Larro formula feeds.

George A. Smith Memorial Fund Elects Officers

Representatives of local civic groups met at the home of Harry Reeves on Ann Arbor trail Wednesday, August 1, to further plans for the establishing of a George A. Smith Memorial fund for loan purposes to local students.

Because some of the appointed officers, and a few organizational representatives, were on vacation, or their clubs would not meet until fall, attendance was about half of that expected.

The representatives of local groups are: Louis Goddard, Rotary; Melvin Blunk, Plymouth Teachers' Club; Dr. B. E. Champe, Wayne County Conservation Department; A. C. Robinson, Optimist club; Mrs. Robert VanMeter, VFW Auxiliary; Margaret Dunning, Business and Professional Women's Club; Esther Hulsing, Woman's Club; Frank Henderson, Hi-12; Harry Reeves, Kiwanis; William Coffin, Elks; other groups will be contacted as soon as possible.

This group of directors hope that this fund will grow to a sizeable proportion because Mr. Smith's main interest was in securing that properly protected loans were available for college expenses to needy Plymouth students.

(Continued on Page 6)

Shooting Match At Archery Club

Dr. B. E. Champe, past-president of the Western Wayne County Conservation Association, states that the Archery group is having a meet Sunday, August 12, on the Club grounds.

The chairman of the Archery group is arranging it so that the beginners will shoot in a group, and those who have been shooting regularly will shoot in various classes.

Refreshments will be available at the Clubhouse which will remain open as long as necessary. In case of rain, entertainment will be provided in the Clubhouse.

Also at this time plans will be formulated for the fall and winter activities.

The rifle range will be open with a moving target for you expert riflemen. There will be a small fee for both the Rifle range and the Archery range to cover costs of targets, etc.

Arrests Solve Local Robbery

Many of the petty thievery and breaking and entering cases around this vicinity may have been cleared up with the arrest of five 17 and 18 years old youths in Grand Rapids Sunday.

Dave and George Dow, Milton Hower, David Hall and Don McAllister are the boys in custody, and have admitted breaking into business places in this area according to local police. The young men admit breaking into the Sunoco gas station at Lilley road and U.S. 12, and stealing a cash register a few weeks ago, said Grand Rapids police.

Police believe their arrest may be the answer to some of the unsolved breaking and entering cases in Plymouth recently.

New Burroughs Plant In Plymouth To be Ready For Use Early in 1952

According to a statement just issued by the Burroughs Adding Machine company, the big addition being built at the Plymouth plant will be completed, and ready for use early in 1952.

While the statement just issued does not indicate the number of additional employees that will be added to the Plymouth payroll, it has been intimated that from 400 to 600 more people will be given employment in the Burroughs plant located in this city.

The statement also states that during the first six months of the present year the Burroughs' business volume was at a higher level than any other time in the Company's history. Total revenue of the Parent Company and its subsidiary operating in the United States, was \$54,105,510, compared with \$39,978,187 during the same period in 1950.

Net profits during the first half of 1951 were \$4,175,639, or 84c per share of stock, compared with \$2,338,895, or 47c per share during the same period of 1950. Despite a higher business volume, however, profits during the first half of 1951 were somewhat lower than in the preceding six months period when they totalled \$5,681,021, or \$1.13 per share. This decrease in profits was due to higher costs of wages and materials and a marked rise in federal income taxes, for which the Company provided \$6,805,519 during the first half of 1951, or 63 percent more than the net profits during the period. These taxes, which were provided legislation, were at a rate substantially higher than in 1950 and almost double those of 1949.

Manufacturing facilities are now operating at virtually full capacity and new orders for Burroughs equipment have remained at a high level. There have been indications in recent months, however, that customers are returning to more normal buying practices. Orders for equipment in countries abroad were at record levels, reflecting the improved economic conditions in many export marketing areas.

The Company's defense program is proceeding on schedule, and initial shipments have been made under two contracts. Some projects have been increased substantially, and one new contract has been received. Because of the time required for tooling and other preparatory work, however, defense contracts cannot be expected to produce any sizeable amount of revenue in 1951.

Expansion of manufacturing facilities to meet defense needs has proceeded according to plan. In addition to the new factory at Plymouth, Michigan, the company has added two more stories to the three-story plant and in 1946 built new quarters for the Detroit factory offices.

With the recreational playground season drawing to a close, the children will climax it with the Kiddie Carnival at 6:30 p.m. next Tuesday, August 14, at the tennis courts back of the Central Grade school. In case of rain it will be held Wednesday, August 15.

Under the supervision of the playground leaders, the children are busy building booths, planning their stage show and making big preparations for the grand finale. (Picture on another page.)

German Students Like New Homes

A new chapter has begun in the lives of the six German youths brought to Plymouth by the local Rotarians. The youngsters were met at Greenfield Village last Thursday by their foster parents for a year, and brought to their new homes in Plymouth.

What these six young Germans see and hear in Plymouth for the next 12 months will largely determine what impression of America they will take back to their native country. They have come here with open minds and open hearts and their first reactions were enthusiastic.

Coming from each of the three western zones of Germany, they are all children of urban business and professional men. The four boys and two girls brought to Plymouth.

(Continued on Page 6)

Lt. F. Howell Gets Bravery Award

Lt. Foster Howell, son of Mr. and Mrs. George Howell of 11329 Gold Arbor, was awarded the Walter Scott Distinguished Service Medal for bravery at the annual Detroit Police Field day last Saturday, August 4.

This gold medal, one of five presented by the Detroit News, is for extreme valor. Lt. Howell was called to the Book-Cadillac hotel, a few months ago, to subdue a man who had gone berserk in an elevator. As Lt. Howell entered the elevator the man pulled the trigger of his pistol twice but the gun jammed.

Lt. Howell received his education in the Plymouth Public Schools, and has been in the Detroit Police Force for the past 13 years.

Detroit Man Appointed to Manage Boyer's Store

A new manager took over this week at Boyer's Haunted Shack, 276 S. Main. Albert Nicholas of Detroit, who has been managing the Boyer's store in Dearborn, replaced Jerry Emrick, manager of the local store for over four months. Mr. Emrick resigned to accept a new position. Mr. Nicholas, who has worked for the Boyer's chain for two years, has been in the retail business for over ten years. He worked for the Defense Planning Corporation during World War II.

New Spring Plant to Open In Few Weeks

One of the newest additions to Plymouth's industrial scene, the Barnes, Gibson, Raymond Division of the Associated Spring Corporation, will begin operations on September 4, at their new plant at 40300 Plymouth road. Located on a 50 acre site, the newly constructed factory joins the other industrial plants in the city's growing industrial section.

The new plant is located about two miles east of Plymouth and nine miles west of the Detroit city limits. It is 20 miles from the company's Cook Plant in Ann Arbor, which will continue business as usual.

Built to replace the company's Miller avenue plant in Detroit, the new unit will make mechanical springs, wire forms and small stampings. The modern, one-story building will enable the company to greatly increase productive capacity over that of the old Detroit plant.

The Associated Spring Corporation is a national organization with plants in Detroit, Ann Arbor, Chicago, Dayton, Ohio, Corry, Penns., Milwaukee, Wisconsin, Hamilton, Ontario, and Forestville and Bristol, Conn. The Barnes, Gibson, Raymond Division, popularly known as BGR, was begun in 1922 in the then rapidly-growing automotive center of Detroit. It was an outgrowth of three of the oldest and largest spring manufacturing companies in the country: the Wallace Barnes company of Bristol, Conn., established in 1857; the William D. Gibson company of Chicago, founded in 1871; and the Raymond Manufacturing company, founded in 1883. The name of the division was taken from each of the three original companies.

This is the fifth expansion for BGA since it began operations almost 30 years ago. In 1926 a new three-story building was added to the original plant. In 1929 the original building was enlarged and the Cook plant in Ann Arbor was acquired. In 1937, the company added two more stories to the three-story plant and in 1946 built new quarters for the Detroit factory offices.

With each expansion step and through two postwar periods, the range and scope of the company's products have increased. Today BGR manufactures thousands of different springs, wire forms and small stampings for almost every conceivable purpose. Its engineering department is engaged constantly in research to find new adaptations for its products and more efficient ways to utilize them.

General manager of the Plymouth plant will be Mr. N. M. Purple, who has been general manager of the Detroit plant since 1947. He was with the Wallace Barnes Company, Division of the Associated Spring Corporation for 22 years until coming to Detroit to succeed Lyman D. Adams, who retired after having served as General Manager of the Detroit plant for 25 years. Mr. Adams continues as a vice president of the Associated Spring Corporation with headquarters in Bristol, Conn.

Other officers of the new Plymouth plant will be: W. J. Black, sales manager; F. P. Zimmerman, chief engineer; Lawrence E. Hiltz, factory manager; J. A. Redman, office manager; and F. C. Adams, assistant sales manager. M. E. Donally is plant manager of the Cook plant in Ann Arbor.

(Continued on Page 6)

Kiddie Carnival Program Next Tuesday Evening

With the recreational playground season drawing to a close, the children will climax it with the Kiddie Carnival at 6:30 p.m. next Tuesday, August 14, at the tennis courts back of the Central Grade school. In case of rain it will be held Wednesday, August 15.

Under the supervision of the playground leaders, the children are busy building booths, planning their stage show and making big preparations for the grand finale. (Picture on another page.)

This is the first carnival of its kind ever to be staged in Plymouth, and if it proves successful it will be made an annual event. There will be no admission charge.

Among the many attractions will be a fish pond, bowling game, dart balloon game, penny toss.

Weekly Concert Friday Evening

The weekly concert will be presented by the Plymouth Summer Community Band Friday evening at 9 p.m. in Kellogg park. Robert L. Snyder states that the last concert for the season will be held next Friday evening, August 17.

Friday's program will include On Wisconsin march by Purdy; The Student Prince overture by Romberg. Officer of the Day march by Hall, King Arthur selection by Thomas, His Honor march by Fillmore, Vienna Dreams waltz by Sicznski, Dancing In the Dark fox trot by Schwartz, Old Settlers on Parade novelty by Dalbey, Americans We march by Fillmore, God Bless America march song by Berlin.

Fire Department Has 2 Car Fires

The Plymouth Fire department had two runs last week. Chief McAllister states the damage was slight in each fire.

On Sunday, July 29, at 2:55 p.m. the firemen were called to put out a car fire at Starkweather and Division. The fire, in a car owned by M. V. Lane, was caused by an electrical wire shortage.

On Tuesday morning at 8:50 a.m. the department made a run to 1376 S. Main where an automobile owned by Virgil Pyle was on fire. The fire, caused by electrical wiring, was quickly extinguished.

Horses at Livonia Eat Tons of Farm Produce

The thoroughbred racing industry is one of the largest consumers of Michigan agricultural products. In the 56-day meeting just concluded at the Detroit Race Track in Livonia, the 800 thoroughbreds stabled there consumed some 17,500 pounds of hay, 17,500 pounds of straw, 9,600 pounds of oats, 1,500 pounds of bran and about 25 sacks of carrots each day. About two dozen deliveries were made to the stable area each day of the meeting.

CORRECTION

In the July 26 issue of the Mail it was incorrectly reported that the Northville area Elks lodge, 2504, had been presented a certificate of appreciation for their part in raising money for the Damon Runyan Memorial Fund. The story should have read, Northville Eagles lodge, 2504.

Local Woman Married In Private Ceremony

Nancy Richard and Arthur Warner were married Saturday, August 4, at Mrs. Richard's home on South Main street. Members of the immediate families witnessed the ceremony, after which a wedding supper was served in the Pilgrim Room of the Mayflower Hotel. Mr. and Mrs. Warner will make their home in Cincinnati, Ohio, where Mr. Warner now resides.

Mr. and Mrs. Gale Kenyon and children from Barstow, California, are visiting the Earl Kenyon home on N. Territorial road. Both families recently attended the wedding of Jacqueline Zipp and Jack Kenyon in Petosky.

MOMS NEWS

The regular business meeting of Unit 18 Moms of America will be held at the Veterans Memorial Center Monday, August 13, at 8 p.m.

Nellie Johnson, hospital chairman, requests donation of soap for the hospital baskets. Yarn scraps of any length will be welcomed by Mrs. Estep, who uses them to make beautiful afghans for the vets.

We are sorry to learn that Louella Partridge will be unable to return to her home from St. Joseph Hospital as soon as planned.

Remember the picnic.

Richard Garchow is spending the remainder of the summer in Coldwater with his aunt and uncle, Mr. and Mrs. Leo W. Gibbons.

Northville Races to End Saturday Night - Livonia Meet Starts Aug 13

Plymouth horse racing fans who have been enjoying some of the finest trotting races this area has ever witnessed over at the Northville Downs track are this week taking full advantage of the opportunity to see such good racing right next door. It is all because the races will end at Northville Saturday night of this week.

Those Plymouth gents who know much about trotting races are most enthusiastic in their praise of what they term one of the best racing meets ever held in Northville or anywhere else in this area.

With the closing of the most successful meet in Northville comes the opening of the first night racing meet at the new Detroit racing track, corner of Middlebelt and Schoolcraft roads.

The Wolverine Harness Raceway organization, sponsors of the night Detroit race meet, say they hope to make the forthcoming meet which opens Monday, August 13, as outstanding as has been the Northville Downs meet.

Races will be held nightly, except Sunday, through Saturday, October 13.

The return of the Grand Circuit to the Livonia track is the first time since 1927. The keenest trotters and pacers in the country will bid for honors in the richest six-day program ever staged in Michigan, October 8-13.

An unprecedented program that will offer \$93,000 in prize money in a series of outstanding stake races ever presented in this area.

A birthday gift to Detroit in the form of the revival of the Merchants and Manufacturers Trot and The Board of Commerce Pace, two events that were harness racing classics here for a quarter of a century ago but have not been held since 1927.

More than 700 horses from over 100 of the countries foremost harness stables have been entered in the meet. The program has attracted the fleetest standard-breders from such tracts as Roosevelt Raceway in New York, Maywood and Sportsmans Park in Chicago, Santa Anita in California.

The Detroit Race Track, which was erected last year at a cost of four and a half million dollars, is recognized as the Midwest's newest and finest harness racing plant. Nothing that will add to the comfort and convenience of the patrons has been overlooked.

The first season of harness racing at the Detroit Race Track last year was the most successful in Michigan history. The crowds were larger, the horses were better and the betting was heavier than ever before. The 1951 meeting promises to be much better than that.

The meeting will get off to an auspicious start with two notable events during the opening week. They are the \$5,000 Inaugural Trot on Monday, and the \$3,000 Pontiac Pace on Thursday.

Nine races will be presented each night, with the first starting at 8:30 p.m.

BIRTHS

Mr. and Mrs. LaVerne Gibson of South Main street are announcing the birth of a daughter, Karen Lee born Thursday, August 2 at Beyer Memorial hospital, Ypsilanti. She weighed 6 pounds, 13 ounces. Mr. Gibson is the manager of the new Dairy Queen.

Mr. and Mrs. Arthur Remy of 9210 Newburg road became the proud parents of a son, Leonard James, born Tuesday, July 31, at Sessions hospital in Northville. The new arrival weighed 8 pounds, 12 ounces. Mrs. Remy is the former Mildred Gilbert.

Mr. and Mrs. Robert Johnston, 108 S. Main street, are the parents of a baby girl, Lucinda Ann, born August 1, at the Garden City hospital. She weighed in at six pounds, one and three quarters ounces.

Mr. and Mrs. Tom Roberts, 9315 Elmhurst, are the parents of a baby girl, Nancy Kaye, born Saturday, August 4, at the Garden City hospital. Nancy Kaye weighed seven pounds, and five ounces.

Final Services For Donald Tryon

Funeral services were held Monday, August 6 at 2 p.m. from the Schrader Funeral Home for Donald Wellington Tryon who passed away suddenly, Friday afternoon, August 3, at the age of 69 years. Mr. Tryon resided on Ridge road in Northville township for the past eight years, and was a former resident of Plymouth township.

Reverend Henry Howey of Aurora, Ontario, officiated. Hymns were rendered on the organ by Mrs. Edna O'Connor. The active pallbearers were Messrs. Frank Hills, Fred Wendt, Fred Van Atta, Harold Johnson, Lou Coe, and Donald Hamilton. Interment was in Riverside cemetery.

Mr. and Mrs. Kenneth Norris of North Holbrook avenue entertained last Sunday honoring their daughter, Judith Ann on her second birthday. Dinner guests included Mr. and Mrs. Morris Garchow and their son, Richard and Judith's grandparents, Mr. and Mrs. Emil Schilling. The Garchows are Judith's godparents. Also dinner guests were Mr. and Mrs. Walter Tacia of Deford, former Plymouth residents. In the evening they were joined by Mr. and Mrs. Ernest Wendland and family, Mr. and Mrs. Jervis Wendland and daughter, Wendy, and Mr. and Mrs. Walter Hackett and son Wally, all of Plymouth.

German Students Like New Homes
(Continued from Page 1)
Plymouth are part of 73 youngsters brought to Michigan through the efforts of the Rotarians. The Rev. Harold Sullivan of Jackson, originator of the idea, spoke to the assembled youngsters and their new parents briefly at Greenfield Village.
"These boys and girls are coming into our homes, not as servants or as honored guests," he said. "But as one of the family. Treat them as you do your own children. Make them do what your children do and don't let them do anything you wouldn't let your children do."

Local Club Gives Flowers to Depot
(Continued from page 1)
A letter of appreciation from R. B. Fenton, agent at the local depot, is printed below. Mrs. S. Strong, president Plymouth Garden Club 1274 Williams Plymouth, Michigan My dear Mrs. Strong:
In order that your organization might have the opportunity of sharing in the beauty of the flower boxes your club so graciously had installed at the Plymouth, Michigan Passenger Station and have so religiously kept filled with beautiful flowers, enclosed please find photographs of the different boxes. Of course, they do not do justice to the beauty and grandeur of the flowers but will give you a general idea what the public have the pleasure of enjoying every day.

To say they are grateful would be stating it mildly as you have to be with these flowers each and every day to hear the pleasant praises and comments from the public.
In closing kindly accept the many thanks of the management of the C & O RY as well as the local employees for your thoughtful consideration.
Very truly yours,
R. B. Fenton, Agent
C & O Ry Co.

Michael Watters Hurt in Motorcycle Crash
Michael Watters, son of Mr. and Mrs. Arthur Watters of Grand Haven, and former Plymouth residents, is in St. Mary's hospital, Grand Rapids, with serious head and body injuries, inflicted in a motorcycle accident.
Michael was knocked unconscious when he was thrown from his motorcycle after it had crashed into a truck.
Young Watters attended school here before moving to Grand Haven. He is the grandson of Mrs. Peter A. Miller, and the nephew of Peter R. Miller and Frank A. Miller, all of Plymouth.

Geo. A. Smith Memorial Fund Elects Officers
(Continued from Page 1)
George A. Smith's hand was out to aid any Plymouth college student if they wished it.
It is felt that many of his friends would like to contribute to such a fund in his honor.
Any individual in town who is interested in helping Plymouth's students go to college, may do so by sending their contribution, to either local bank, along with their name, and it will be deposited to the George A. Smith Memorial Fund. Secretary Edna Allen will also take any contributions.
The officers feel that this fund will mean a great deal to the young people if it can depend on small contributions from a large number of people. There will be an organized effort once a year for increasing the fund.
A date for a second meeting of the group representatives was set for Wednesday, September 12, in Mr. Reeves home on W. Ann Arbor trail.

Annual Eagles Picnic will be held AUG. 12 at KENT LAKE MARTINDALE BEACH
Friends are welcome. Bring pot luck.
C. H. CUSHMAN, Sec'y Northville Area 2504

Bids Wanted
The City of Plymouth will receive bids up to 11 A.M., E.S.T., August 17, 1951, on the sale of municipal garbage for the period ending June 30, 1952. Address bids to A. F. Glassford, City Manager. The City reserves the right to reject or accept any bid, whether or not the highest, as the interests of the City may dictate.
A. F. Glassford, City Manager

ELECTRICITY NOW AVAILABLE TO NEARLY ALL U. S. FARMS
Power Companies Will Celebrate August 26 to Sept. 1 as "FARM ELECTRIFICATION WEEK"
Electricity now is available to over 90 percent of America's occupied farms. And the nation's electric light and power companies are marking the virtual attainment of farm electrification with special ceremonies during the week of August 26 to September 1.
Evidence of the growth of farm electricity is in the record. In 1923, only about 200,000 American farms had electric service. Today, it is available to 4,000,000 of the country's 5,200,000 occupied farms as a result of the companies and local electric cooperatives working together.
The electric light and power companies pioneered in farm electrification. They now serve nearly half of America's farms. Almost the entire remaining half are being served by the local electric cooperatives. The electric companies are proud of the privilege of furnishing, at wholesale rates, about half the electricity distributed by these local electric cooperatives to their customers.
As the job of bringing electric service to farms nears completion, the electric light and power companies will continue to cooperate with local electric cooperatives and with agricultural colleges and experiment stations to sponsor research to put electricity to work in more ways for more farmers.
THE DETROIT EDISON COMPANY

New Burroughs Plant in Plymouth to be Ready For Use Early in 1952
(Continued from page 1)
Plymouth, now under construction the new Jefferson plant in Detroit, leased early in the year, has already been partially occupied and will be ready for full operation in approximately 90 days.
Cash and negotiable securities on hand on June 30, 1951, totaled \$7,731,749, compared with \$8,025,922 on the same date in 1950. Inventories at the close of the period were valued at \$27,262,209, compared with \$18,750,275 on June 30 last year. Working capital on June 30 totaled \$32,909,863, compared with \$25,701,482 on June 30 a year ago.
New plants, tools and equipment needed in the defense program, and the continued high cost of the Company's long range research program, require the expenditure of large sums of cash. To meet these requirements and to finance expanding inventories, the Company borrowed \$4 million early in July.

LOOK WHAT'S COMING!
Ralph Godfrey's Famous Donkeys in America's Funniest Sport
Donkey Ball Game
Laughs... Spills... Fun... Thrills
Better Than A Rodeo!—Funnier Than A Circus!
RULES:—All players except pitcher and catcher ride donkeys. When the batter gets a hit he must mount his donkey and ride around the bases in proper order—if he can. There are no strike-outs or walks. Fielders must ride to within a step of the ball before dismounting and must remount before throwing the ball. Soft-ball is used. Nine players on each team. Game plays 5 to 7 innings—approximately one hour and a half.
Trained Donkeys furnished by Ralph E. Godfrey, Crescent, Okla. THIS IS THE OLDEST DONKEY BALL CO. IN THE WORLD
Explanation and account of game will be broadcast over a loud speaker! Teams of business men and prominent citizens of this community.
Dearborn Drum and Bugle Corps will play at 7:00 p.m., followed by game.

Lawn Festival Next Wednesday

Promotion of friendships and wider acquaintances among all members of Our Lady of Good Counsel Parish is the keynote of the Lawn Festival planned by the ladies of the Rosary Society. The need for welcoming the many new residents to the community and for introducing the older parishioners has inspired the ladies of the parish to hold an event of such a nature.

The spacious grounds of the church property located on Penniman avenue between Church and Arthur streets will be the scene of cordiality charged, sparkling activity Wednesday, August 15th, from 7:00 p.m. to 10:00 p.m. Ice cream, cake and coffee will be served, sandwiched between generous slices of hospitality and warm-hearted congeniality.

The Rosary Society announces that tickets may be secured at each of the Masses on Sunday and on Wednesday, the feast of the Assumption. Also they may be obtained at the Festival. Proceeds from the event will be used to apply on the parish debt. However, the ladies point out that the emphasis during this mid-summer outdoor party will definitely be on the meeting and mixing of many residents of Plymouth and vicinity.

If you have a social item or any other local news, phone 1755.

Calvary Baptist Shows Film "Forgotten Valley"

One of the most recent gospel films, "Forgotten Valley," has been produced by Gospel Films, Inc. This picture will be shown Sunday night, August 12, at Calvary Baptist Church at the 7:30 hour.

The story is designed to be of interest to the whole family. The message of the film is dynamic and different. It has been beautifully photographed and has a message to meet the need of every life.

The leading character of the story is Wm. O. Welton, a gospel musician. For 20 years Mr. Welton has been director of Radio Station WMBI of Chicago, Illinois.

The public is cordially invited to this service.

Calvary Baptist Shows Film "Forgotten Valley"

THE GALVATON ARMY, 281 Union St. William Roberts, captain. Schedule of services: Thursday 1 p.m. Ladies Home League. Friday 7 p.m. Ceramics class for teenage girls. Sunday 10 a.m. Sunday school, 11 a.m. Morning worship 6:15 p.m. Young People's meeting, 7:30 p.m. Evangelistic Service, Wednesday, 7:30 p.m. Teacher's class, 3 p.m. Mid-week service. You are cordially invited to worship with us at all services. Sunday, August 12th on the site of our new Citadel at Fairground and Maple streets we will have our ground breaking ceremony. Social items can be phoned to 1755.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. Man's need for more spiritual understanding is brought out in the Lesson-Sermon entitled "Spirit" to be discussed in Sunday's service on Sunday, August 12, in all Christian Science churches. The Golden Text is from Zechariah (4:6): "Not by might, nor by power, but by my spirit, saith the Lord of hosts." Among the Bible citations is this passage, (John 4:24): "God is a Spirit; and they that worship him must worship him in spirit and in truth." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "God is individual, incorporeal. He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual." (P. 331)

FIRST PRESBYTERIAN CHURCH, Reverend Henry J. Walch, D.D., Minister. The combined Methodist and Presbyterian congregations will meet to set for the Summer. Services will be held each Sunday morning during August and the first Sunday in September in the Methodist church at 10:30 a.m. Guest speaker for this Sunday is the Reverend John Bathgate, current Director of Religious Education of the Presbytery of Detroit, and former teacher at Allahabad University in India. Mr. Bathgate is known in Plymouth having been guest speaker previously for the Rotarians and for the Women's Auxiliary of the Presbyterian Church. Arrangements have been made for infant and small children to be cared for during the services so that parents may attend church. Please note that notices for the Plymouth Mail and for the church bulletin must be in the Presbyterian Church office a week in advance of publication date. Dr. Walch will return on Tuesday from the Conference at Michaganne where he has been the Vesper Speaker.

FIRST METHODIST CHURCH, Rev. Melbourne Johnson, pastor. The combined Presbyterian and Methodist congregations will meet in the Methodist church during the month of August and the first Sunday in September. Dr. Henry J. Walch preaching. Care for infants and small children during the services in the Methodist church under the supervision of the Presbyterian people. During the month of August the Methodist church secretary may be reached at—phone 415-M or 1173.

WILLIAM SCHNEIDER has been offered \$5000.00 for his horse Ranger, but Ranger isn't for sale. When the beautiful colt was born in 1942, Mr. Schneider dedicated him to the Lord, and prayed that the horse would understand him—he has not been disappointed. Ranger answers various questions by stamping his foot or nodding his head. This intelligent animal with the "horse sense" will appear at the Calvary Baptist Bible school at 9:30 a.m. each day from August 20 through August 24.

PLYMOUTH ASSEMBLY OF GOD, Ann Arbor Tr. at Riverside Drive, Plymouth, Mich. Telephone, 410-W; John Walaskay, pastor, Mrs. Juanita Puckett, S.S. Supt. Sunday School, 10 a.m. Morning service at 11:00. Junior Young People at 6:30. Evening service at 7:30. Christ's Ambassadors meeting at 7:30. Tuesday and Prayer and Bible Study Wednesday at 7:30. Daily Vacation Bible School Commencement exercises at 7:30 p.m. Friday, Sunday School picnic at 3:30 p.m. Saturday at Riverside Park.

SEVENTH DAY ADVENTIST CHURCH, 1058 S. Main St. Phone 670-R. Services every Saturday. Sabbath School, 9:30 a.m. Missionary Service, 10:45 a.m. Church Service, 11:00 a.m. We cordially invite you to all the services.

OUR LADY OF GOOD COUNSEL CHURCH, Wm. P. Mooney, pastor. Masses 6-8-10-12. Confessions Saturdays 3:30 to 5, 7 to 9.

CHURCH OF THE NAZARENE, Holbrook at Pearl St. Sunday School, 10 a.m. with classes for all ages. Mr. John Wasalaski superintendent and Mrs. Loretta Wasalaski in charge of primary department. A special room for those with small children. Morning worship at 11 a.m. Also a junior church for all those under 12 years with Mrs. Welton in charge. The Sunday evening services begin with a youth prayer service at 6:15. Services at 6:45 are the adult prayer service, junior meeting, and the regular youth service. The evening song service begins at 7:30 followed by the evening message by the pastor. On Wednesday evening the mid-week prayer and prayer service at 7:30. This is a service of blessing to all who attend. A time for personal expression in testimony. Visit any and all of the above services and you will find it a blessing to you.

ST. PETER'S EVANGELICAL LUTHERAN CHURCH, 261 Spring St. Edgar Hoenecke, pastor. Sunday school sessions will be suspended until September 9. This service will begin at 9:30 a.m. The sermon topics during August will continue the series on "Outstanding Men and Women of the Old Testament." Please, begin to plan your contribution of farm and garden produce for our Harvest Home Festival now. The ladies are canning extra cans of fruit and vegetables during the summer for our school at Saginaw and for the Deaf Institute at Detroit. Enrollments for the fall term of our Lutheran Day school ought to be made as soon as possible to avoid disappointment. Announcement will be made as to the opening date as well as of a parent round-up before the fall session.

SALEM FEDERATED CHURCH, Cora M. Pennell, pastor. Sunday morning worship, 10:30 a.m. Sermon Subject: "A Citizen of Two Worlds." Sunday School, 11:45 a.m. Prayer meeting, Wednesday evening, 7:30 p.m.

REORGANIZED CHURCH OF JESUS CHRIST OF Latter Day Saints. Services in Masonic Temple, Union St. at Penniman Noble Gault, pastor 18475 Floral Farm. Church school, with classes of interest to all age groups, 11:00 a.m. Church school. Communion service. There will be no evening services in Plymouth but you are invited to attend the Lola Valley Mission at 7:30. Wednesday evening 8 o'clock prayer service at 561 Virginia. We extend a sincere invitation to all to meet with us in worship and study.

HAY FEVER MISERY Can Be Relieved

Medical science is now able to help greatly in relieving the misery of hay fever. Your doctor, with the aid of certain tests, can determine just which pollens or other irritants are the cause of your annoying condition. If you know that you suffer from hay fever—or if you are bothered by a persistent "summer cold"—you are well-advised to visit your doctor. His diagnosis and prescribed treatment can do much to ease the discomforts of hay fever. We are fully prepared to compound his prescription and to supply whatever accessories he may recommend.

Earl Gray Close to Baseball Here for Over 20 Years

For the past 23 years thousands of Plymouth baseball fans have watched Earl Gray umpire hundreds of ball games, and heard his familiar voice bellow "play ball" as a particular game got under way. Yes, Earl's familiar figure is closely related to local baseball. He is the umpire-in-chief in this area, and assigns the umpires to the various league games. That job alone is not an easy one with so many leagues and teams in action today.

Earl began umpiring in 1928 on the old Burroughs field, where the Burroughs plant now stands. He remembers Arthur Eckles, then manager of the Plymouth Merchants team, and a Mr. Burley, persuaded him to umpire his first game, and it went so well that he decided to give it another try the next week. He says, incidentally, that all the players in that first game are still living in this vicinity.

In 1931 he continued his umpiring in the Western Wayne County league. In 1932 and 1933 saw him working through the Detroit Umpiring association.

In 1935 he began umpiring independent ball games and conceived, along with Ray Levandowski and LeRoy Simmons, the idea of forming a league here. Levandowski and Simmons were the managers of local teams at that time—the Plymouth Buick and Schroeder-Haggerty clubs.

A meeting in February, 1935, gave birth to the Inter-County league. Officers were elected to organize the league of eight teams. How well they organized the league and continued their excellent guidance is attested by the fact that these same original officers are still in office. Mr. Gray serves as secretary. The

original eight teams in the league were: Garden City, Northville, Ypsilanti, Wayne, and two teams from each Inkster and Plymouth. Earl states that the softball craze came to Plymouth around 1931 and was originally played in the Robinson subdivision. Then Russel Roe and Bob Todd got the high school to let them build a softball diamond in back of the school. Harry Hunter and Earl handled these games and remember the hat was passed to pay for their services, and at the end of the season he was presented with a nice smoking stand which is still in use. These games were attended by hundreds of enthusiastic softball fans. Among the players in the early games were many businessmen of our city.

Mr. Gray also sponsored the organization of the suburban umpires association in 1948.

The greatest thrill came to Mr. Gray in 1946 during the playoffs between Garden City and the local First National Bank team when both team managers, both catchers and both pitchers complimented him on an excellent job of umpiring.

Earl is proud of the fact that he has been "roughed up" only once in his long tenure of calling balls and strikes. Once after a close game at Garden City, a spectator hit him on the chin as he was leaving the ball park.

Mr. Gray says he may have made some mistakes in umpiring, but he has never changed his decision once he made it. He loves this grand American pastime and plans to spend many more happy years with the local leagues. Most of the players and fans contacted say there would be something lacking if Earl's familiar shadow wasn't chasing him from one spot to another on the diamond.

Mail Purchases Another Trophy

The Plymouth Mail Trophy was purchased from competition last year when Tom Locke gained permanent possession of the beautiful trophy after his third victory in the City of Plymouth Golf tournament.

Tom Locke

Tom won over all competitors in the Open flight in 1946, 1949 and 1950, and thus established himself as one of the foremost golfers in this area. It looks as though Tom will also be one of the men to beat in this year's play which begins Saturday, August 11.

The Plymouth Mail has a new trophy ready for the winner this year. A change in policy in awarding the cup will be inaugurated at this tournament. The trophy will remain the permanent possession of the Plymouth Mail with the winner's name being inscribed on it each year. A miniature trophy will be awarded the annual winner which he may keep in this way each year's champion will receive a trophy.

Twin Pines Wins Over Davis & Lent

Two local teams hooked up in the final regular game in the Class F Boys league last Wednesday, August 1, with Twin Pines outslugging Davis & Lent 15 to 10.

Davis & Lent started out fast and enjoyed a 5 to 2 lead after two innings had been played, but Twin Pines came to life in the 4th and 5th innings to score 9 runs and win easily.

Besides pitching the whole game Kisabeth was also the leading slugger with three straight doubles. Day also had three hits in three times at bat. For the losers Cowan had a perfect day at the plate with three hits and two walks and scored five runs. Kisabeth allowed only 6 scattered hits, but was constantly in "hot water" by walking 15 batters.

The playoffs in this league began last Monday with Twin Pines and Northville as opponents—these being the only two teams to make the playoffs. This series is a two-game knockout affair with the winner going to the district tournament at Ann Arbor next Monday, where they will play Ypsilanti at 2 o'clock on the W. Park field.

Team	W	L	O
Twin Pines	8	1	2
Northville	7	2	1
Davis & Lent	3	6	1
Farmington	0	9	0

In Delightful, Ohio, after a power failure, the Evangelical Congregational church went right ahead and held evening services by candlelight, finally got its lights back on again when the choir began to sing the hymn, Lord, Send the Old-Time Power.

In Virginia's state penitentiary, Warden Frank Smyth, who had been encouraging inmates to study practical subjects, rejected as too practical one convict's request for a course in key-making.

In Truman, Texas, after a citizens' group unsuccessfully tried to change the town's name to MacArthur, 80 percent of the residents petitioned the adjacent town of Mesquite to annex them.

Open House Enjoyed by Starkweather Kiddies

Starkweather playground is happy to report that over 50 parents turned out for their Open House.

The playground leaders wish to thank all those who came and helped make August 2 a happy day to remember for us.

Ladies' swimming at Wayne County Training school, 8:30.

Best Golfers Get Trip to Pontiac

The five best players in the coming City of Plymouth Golf tournament will go to Pontiac and compete in a Michigan Recreation Golf tournament which begins at 10 a.m., September 8. All five must be Plymouth township residents, and any high school boy cannot compete in this state tourney.

An elimination golf tourney is also being planned for the women to pick a team to represent Plymouth at the same meet at Pontiac on September 15. There will be two divisions for the ladies—the first for those with a handicap of 0 to 20, and the second division for those whose handicap is between 20 and 40. More information can be obtained by calling the Recreation office.

Playoffs Begin in Girls' League

The Girls' Inter-City league schedule has been completed and the first two rounds of the playoffs have been played. In the first round the Boosterettes trounced Twin Pines 17 to 2, while Silkworth walloped Ford Motors 22 to 3. In the second round the local Twin Pine girls edged Ford Motor 9 to 5 to remain in the playoffs; Ford Motors being eliminated. Boosterettes came out on top of Silkworth, the league champion, 11 to 6.

In the two game knockout playoffs Boosterettes are unbeaten with Silkworth and Twin Pines having lost one game each. One of the latter two will be eliminated Friday, July 10, when they meet at 6:30 on the Ypsi diamond. The winners of the playoffs go to the state tournament at Saginaw August 17, 18, and 19.

In the Twin Pines-Ford Motors game, Lang of the locals pitched 3-hit ball for the winners. Trobaugh had three bases on balls and scored three runs, while Wilkin slapped the ball for a triple and two singles in four times at bat.

Umpire Roughed Up by Ball Player

In a Gamble Post-Wayne Boon baseball game in the Inter-County league July 22, the umpire suffered minor injuries when roughed up by a Gamble player who had been ejected from the game. The umpire ordered D'Ambrosio, the left fielder for Gamble, to leave the game for the use of profane language, and the Gamble player refused to do so. Where upon the arbitrator forfeited the game to the Boon team.

D'Ambrosio has been suspended the rest of the season and for the first two games of the playoffs, and ordered to pay the umpire's doctor bills.

Earl Gray, chief of umpires, states that he realizes tempers flare in a heated contest, but that this sort of thing will not be condoned in the league, and severe penalties will be meted out in all cases.

In San Francisco, a baby-sitter sued her 4-year-old charge and his parents for \$10,000, charged that he broke both her wrists when he launched a "sudden, unexpected, furious and violent attack and threw himself forcibly and violently" against her.

In Mombasa, Kenya, Africa, a team of Sighs, whose religion requires them to wear full beards, won a tug-of-war contest, solemnly accepted the prize: individual bowls of shaving cream.

DeHoCo Protests 2 League Games

This week winds up the regular season in the Open league. It has been determined already that only two teams will make the playoffs—Cavalcade and Beginger Olds. These two old rivals begin their two defeat and out series next Monday at 8:30 at the High school diamond. The second game will be played Wednesday and a third, if necessary, next Friday, August 17.

The past week saw some hotly contested games in this fast league. Monday, July 30, Cavalcade hooked up with DeHoCo in a thrilling contest with Cavalcade edging DeHoCo in a photo-finish 6 to 5. The league leaders sewed up the game in the first inning by scoring four runs on four hits, a base on balls and an error. They concluded their scoring for the day with a two run outburst in the second inning on two hits and two errors. DeHoCo protested this game when one of their player's run was not counted because of interference.

On the same night Beginger easily disposed of Penn Theater 8 to 0, with the Olds boys picking up five runs in the early innings and coasting the rest of the way. Ray Gilles held Penn to two scattered hits, while five players divided the five hits garnered by the winners.

Thursday, August 2, Cavalcade sharpened up their batting eyes for the playoffs by swamping Penn 15 to 3. LeTourneau was the big gun for Cavalcade as he whacked a single, double and a triple and scored three runs.

Another game protested by DeHoCo was played Thursday against Begingers which the Olds lads won 6 to 5. The DeHoCo centerfielder socked a tremendous home run in the last inning and apparently scored behind the second baseman, but the umpire called the homerun hitter out because the runner ahead of him had interfered with the Olds catcher. In this game Wilkie scored three runs on three hits and Egloff had two safe blows.

1st National To Play Wyandotte

The Inter-County league winds up the regular schedule next Sunday, August 12, with the local First National Bank team playing host to a fast Wyandotte team at 3:30 in Riverside park. Wyandotte is currently in second place in the Red division, while First National is in third place in the White division.

Earl Gray, secretary of the Inter-County league, states that a playoff meeting will be held at Inkster township hall Monday, August 13, to draw opponents for the playoffs beginning August 19. The four highest teams in each division will qualify for the playoffs.

Four Teams Make Playoffs in Ind.

Four teams made the playoffs in the Industrial league which began Monday night. Evans, Daisy, Local 111 and Whitman & Barnes are the teams fighting it out for the trophy. The results of the first round were not available before the deadline for this page.

Next Monday, August 13, at 7 o'clock on the High school field the two losers will play and on Tuesday, August 14, the two teams in the finals play at 8:30 on the same field.

Team	W	L	T
Evans	10	3	1
Daisy	9	5	1
Local 111	8	5	1
Whitman & Barnes	8	7	1

Daisy Certain of Trip to Pontiac

The Western Wayne league will complete their regular season this week, and the league winner goes directly to the district tournament at Pontiac which begins next Monday, August 13, and continues Tuesday and Wednesday.

The local Daisy outfit is a fairly sure bet to cinch the league title and represent the league as they are undefeated this season.

Playoffs Begin For 3 OT Outfits

Three teams made the playoffs in the Old Timers' league—Dunn Steel, Contractors and V.F.W. These games began this week with Contractors playing V.F.W. in the first game. The winner of that game will play Dunn Steel tonight at the High school diamond.

Dunn Steel is the heavy favorite to cop this crown as they were undefeated during the regular season.

Team	W	L	O
Dunn Steel	6	0	0
Contractors	3	2	3
V.F.W.	2	3	5
Rosedale Civic	2	5	0
Allen Ind.	2	5	0

In Tredgar, Wales, 300 clothing-factory workmen went on a 12-hour strike because they did not like the music played to keep them happy.

FOR A Better Living
Feed Larro Egg Mash

The EXTRA PROFITS Can Give You More of the Things You Want

Poultrymen everywhere have found that their flocks are much better than they thought—that they can get more eggs by using Larro Egg Mash on the Larro Feeding Plan. And it's those extra eggs that give them more comforts and a Better Living for all the family.

ASK YOUR DEALER to show you what Larro Feed can mean in terms of Better Living for you too.

Larro FEEDERS GET MORE FROM THEIR FLOCKS BECAUSE Larro IS "Farm-tested" FOR GREATEST PROFIT OVER FEED COST

SALVING THE WOUNDS . . .
 Vicki Lamotta, wife of Jake LaMotta, applies bandage to hubby's lacerated face at their home in the Bronx, N. Y., after the former middleweight champ lost to Bob Murphy by a TKO in seventh round of Yankee Stadium fight.

Edison Company Increases Power

Electric power supply in the metropolitan Detroit area was increased 162,000 horsepower Wednesday with the starting up of a new steam turbine-generator at Detroit Edison's Conners Creek plant.

The new generator, including boilers and other equipment, cost \$15,000,000. It is the second of two identical units placed in operation at Conners Creek this year, and marks the completion of a 2 1/2 year construction program at the Conners Creek station.

Starting up of the new unit also brings to completion the company's current program of additions to existing plants. Besides the two Conners Creek additions, two 168,000-horsepower generators have been put in service at Edison's Trenton Channel plant—one in October, 1949, and the second in February, 1950.

Detroit Edison's over-all expansion plans carry through 1954. A new three-unit plant now under construction between St. Clair and Marine City is scheduled to provide 600,000 horsepower by late 1953, and plans for another new plant at the mouth of the Rouge River are under way.

P. W. Thompson, Edison vice-president in charge of engineering, said a large part of the output of the new Conners Creek generator would be taken up by defense production.

"This illustrates the importance of timing, which depends on availability of essential materials," he said. "This power—planned for 30 months in advance—is now here, when it's vitally needed. Availability of materials made this possible. If materials are kept available, through governmental cooperation, Detroit's great industrial machine won't be short of electric power. But if present plans are hampered by material curbs, the whole program may be thrown out of gear, with possible disastrous results to the area and to the nation."

Thompson said his company's long-range program would bring Detroit Edison a six-plant capability of more than 3,000,000 horsepower—double that of 10 years ago.

A. C. Marero, retired superintendent of the plant, turned on the new generator and brought it to operating speed. He explained that through Edison's network of transmission lines the usefulness of the new addition could be spread over the company's entire service area of 7,600 square miles—from Port Huron west to near Lansing, and from Pointe aux Barques at the tip of the Thumb to south of Monroe.

In Kansas City, President Walter Wilson explained why the Kansas City Bible College's paid up mortgage would not be disposed of with a traditional burning. "None of our people practice cremation."

A&P Has Good Buys Galore To Help You Keep Cool When Temperatures Soar

Customers' Corner

Have you noticed that chickens generally are plumper, meatier than they were a few years ago?

The principal reason for this is the "Chicken-of-Tomorrow" breeding program, sponsored by A&P with the cooperation of the poultry industry.

This six-year program has resulted in chickens that mature when they are younger and more tender, and have more meat in relation to bone.

Why don't you try the superior chickens at your A&P and let us know what you think of them? Please write:

Local News

Mr. and Mrs. Edmond Watson entertained at luncheon Saturday in honor of her aunt, Mrs. Edith Hull of Goodrich. The guests were her mother, Mrs. Hattie Peck and her sisters, Mrs. Wilbur Ebersole, Mrs. Earl Becker, Mrs. Keith Baughman, and Mrs. Don Blackford all of Plymouth, and Mr. Otis Hull and Mr. and Mrs. Darwin Hull of Goodrich.

The Board of Directors of the Plymouth Historical Society will meet tonight, Thursday, August 9 at 7:30 p.m. in the home of Mr. and Mrs. Arthur Mills on North Harvey street.

Mrs. Amelia Vallow of Kinmundy, Illinois, was the houseguest of Mrs. Harry Hunter the past week.

Mr. and Mrs. Herbert Conant, of Napier road, held a party on Monday evening, August 6, in honor of the ninth birthday of their son, John. A "chuck wagon" was prepared and refreshments were served on the lawn, "cow-boy style." The party was attended by grandparents, uncles and aunts, cousins, neighbors, and friends. John received many gifts.

Mr. and Mrs. Austin Whipple returned Saturday night after spending ten days at Mullet lake. Their son, Elmer Whipple, remained there a few more days as the guest of the John Paul Morris.

Mr. and Mrs. Vernon Peck and children, Ronnie and Nancy, have returned from a trip through the upper peninsula. The points of interest were Tahquamenon Falls, the Soo and a copper mine, toured while in the copper country.

Mr. and Mrs. Doc Clickner and daughter, Barbara Ann, who have been visiting Mrs. Clickner's parents, Mr. and Mrs. Dan Mollner of Northville road, are leaving Wednesday for Tucson, Arizona to spend the winter there.

Mr. and Mrs. Henry J. Fisher, Mr. and Mrs. James Honey and daughter, Doris, and Mrs. Harold Behler spent last weekend in Brown City visiting relatives and friends and attending Brown City's homecoming.

Mrs. Fred D. Schrader and daughter Evelyn and Mrs. Margaret Norton of Rochester, Michigan and Mr. and Mrs. Edwin Schrader were Sunday visitors at the Greenbush summer home of Mr. and Mrs. Sterling Eaton on Lake Huron. The late afternoon was spent by the group visiting Randy Baton and Wyn Schrader at Camp Mahn-Go-Tah-See in Hale, Michigan.

SOME OF THE CHILDREN WHO ARE PLANNING a Kiddie Carnival on the night of August 14. Left to right: Helen Stremich, Virgil Norgrove, Sally Gillis, Janet Schmittling, Christine Baker, Tommy Schomberger, Bill Lenaghan, Bethie Wideman and Karen Dickerson. The girls on the end are holding two of the children's prizes; Helen on the left is holding a miniature soda fountain and Karen on the right is holding a miniature dishwasher, both of which work.

Mrs. Eva England was confined to Sessions hospital, Northville last week.

Mr. and Mrs. Milton Laible of North Main street had as their dinner guests last Wednesday evening, Mrs. Laible's aunt and uncle, Mr. and Mrs. F. M. Shinnick of Birmingham.

Mr. and Mrs. Ralph Wilt of Ft. Wayne, Indiana were houseguests for a few days last week in the James Thrasher home on Lakeland Court.

Mr. Orrin Chaffee of Canton, Ohio, who has been visiting his sister, Mrs. Brant Warner of Harvey street, for the past two weeks, has returned to his home.

Mrs. Grace Bower has been visiting her brother, Fred Bower of Harvey street.

Mr. and Mrs. Allen Bernash and family of Harvey street have left for a two week vacation trip to Black lake.

V.F.W. News

The regular monthly trip was made to Maybury sanitarium by the following people: Mr. and Mrs. Robert Shepard, Mr. and Mrs. Harry Bartel, Mr. and Mrs. Kenneth Gust, Mr. and Mrs. Lee Coolman, Mr. and Mrs. Kenneth Chaudoin, Alva Van Meter, Barbara Nash, Violet Garrison, Fern Barnett and Ann Thompson.

At a recent meeting of the Post, Matthew Piach was initiated as a new member.

Don't forget to write our Senators Ferguson and Moody concerning voting for the bill for more hospital beds.

Sgt. Edward Smith, son of Mrs. Helen Smith, has been home on reenlistment furlough before he leaves for Australia.

On Friday, August 3, the Auxiliary and some of its friends were the guests of "Ladies' Day" on WJBK-TV. Bob Murphy acted as master of ceremonies. All who attended enjoyed themselves immensely. Patricia Chaudoin, Violet Garrison, Corrine Clark, Evelyn Ridenour, Bernice Kopenski and Lee Schiller took part in the various stunts. Bob Murphy talked to all the youngsters there and presented them with gifts. All the ladies who took part also received gifts. Helen Shepard was the "Lady of the Day." She received an orchid and two kisses. So far, we have not heard of any of our ladies being offered a television contract, but we did hear many favorable comments on our appearance.

GRANDMOTHER MERRYMAID... Mrs. Betty Cohn, 51, Brooklyn, arrives in London for try at swimming English channel.

Mr. Edson O. Huston is spending a couple of weeks at St. Joseph hospital in Ann Arbor where he will be happy to see his friends. His room number is 335.

Mr. and Mrs. Clarence L. Smith and daughter, and nephew, Thomas Aston of Cleveland, spent the past two weeks at the Spencer cottage on Mullet lake.

Mrs. Arthur Hanchett is convalescing at her home with several broken ribs suffered as she fell while getting out of the bathtub.

Mr. Eugene Pruitt of Marlette spent Saturday and Sunday with Mr. and Mrs. Harry Hunter and family.

Mrs. Ruth Virgo will leave next Monday night by air for a two week visit with her son and daughter-in-law, Mr. and Mrs. Richard Virgo in Bozeman, Montana.

Corp. Louis Westfall returned to the home of Mr. and Mrs. Louis Westfall on 840 Irvin street after serving a year in the Korean battle front.

Dr. and Mrs. E. B. Cavell, Jr., spent the weekend in East Tawas as the guests of Mr. and Mrs. Don Anderson.

Mr. and Mrs. Myrn Smith and family were weekend guests of Mr. Smith's parents in Belding, Michigan.

In Tupper Lake, N. Y., 2,000 members of the Northern New York Volunteer Firemen's Association raced from their convention to a blazing house nearby, shouted advice and aided local fire fighters until the structure burned to the ground.

In Mexico City, when Forger Roberto Hernandez did not appear in court, it was explained that he had already forged his release from the federal pen and escaped.

Suzanne Hubbell Becomes Bride of Donald Haas

Before a setting of palms, baskets of white gladioli and lighted tapers, Miss Suzanne Estelle Hubbell, daughter of Mr. and Mrs. Rodney L. Hubbell of 1304 West Ann Arbor trail spoke her nuptial vows to Donald Ray Haas, Donald is the son of Mr. and Mrs. George F. Haas of Burns avenue, Detroit.

The Reverend Melbourne I. Johnson officiated at the 4:30 rites which were solemnized on Saturday, July 28 in the First Methodist church, Plymouth. Mr. Earl Reh sang "Because" and "The Lord's Prayer" preceding the ceremony.

Given in marriage by her father, Suzanne wore a floor length gown fashioned with a lace waist and full net skirt trimmed in satin. She wore a cap of white lace over satin and trimmed in pearls from which fell her fingertip length veil of illusion. She wore a single strand of pearls belonging to her mother, which had been given her by the bride's father at their wedding 25 years ago. She carried a bouquet of white roses and stephanotis and ivy on her

Mr. and Mrs. Donald R. Haas

father's Bible. For her matron of honor, the bride asked her cousin, Mrs. James A. Burgeson of Chicago, Illinois. Her gown was of pink and made like that of the bride, but of ballerina length. She wore a large pink picture hat, pink slippers and carried a colonial

bouquet of cream colored roses. Miss Greta Lundborg of Detroit assisted Suzanne as bridesmaid and Joan Haas, a sister of the bridegroom was the flower girl. Their gowns were also of pink and identical to that of the honor matron. Both carried colonial bouquets of pink roses. All the attendants wore single strands of pink pearls, gifts of the bride.

For his best man, Donald asked his brother, Frank Haas and seating the guests were Geoffrey Hubbell, brother of the bride and Jerry Smith of Ann Arbor, a friend of the bridegroom.

Mrs. Hubbell chose a floor length gown of green crepe and lace with gold and brown accessories for her daughter's wedding. Her corsage was of talisman roses.

Mrs. Haas, mother of the bridegroom, selected a floor length gown of blue chiffon and lace with white accessories and she wore a corsage of pink roses. Immediately following the ceremony a reception was held at the home of the bride's parents with 160 guests coming from Mississip-

pi, Pennsylvania, Columbus, Ohio, Chicago, Illinois, Detroit, Howell, Lansing, Bay City, Midland, Freeland, and Fowlerville. For going away the new Mrs. Haas wore a white and blue bernberg with white accessories and the rosebuds from her bridal bouquet. The young couple will be at 604 Madison Court in Ann Arbor following their honeymoon to Ohio. The bride attended Cass Technical High school and is a graduate of Plymouth High school. Mr. Haas graduated from Cass Technical High school in Detroit and is now attending the University of Michigan School of Music at Ann Arbor.

Plymouth Visitors Announce Daughters Engagement

Carol Joan Lidgard

Mr. and Mrs. Clarence Lidgard of Tempe, Arizona, former Plymouth residents, announce the engagement of their daughter, Carol Joan to Gerald Shannon, son of Mr. and Mrs. J. Grover Shannon of Mill street, Plymouth. No definite plans have been made for the wedding. Carol will enter Arizona State college in the fall as a sophomore and Gerald will be a junior at Michigan Technol at Houghton, Michigan. Mr. and Mrs. Lidgard and family are now visiting in Plymouth.

Three Plymouth Girls Prove Fact That Pioneer Spirit Still Lives

Don't fool yourself about Plymouth girls — they've got as much of that old "pioneer spirit" as was possessed by their grandmothers and great-grandmothers who crossed the prairies and mountains to help settle this grand and glorious old country of ours.

That was proven conclusively last weekend when Doris Rose, Ilene Powers and Joan Cavell put a tent into the back end of an automobile, some sleeping bags and other camping equipment, drove up to the lighthouse point at East Tawas and camped out for two nights right on the shores of beautiful Lake Huron.

Not only did they sleep out in the open, but they cooked their meals on a little camping stove that they had carried along with them. There were no fathers or brothers or other willing hands about to help them, put up and take down their tent or do the other "hard work" that goes with a camping trip of this kind.

The girls are home and if they complain about lame backs their friends will now know why.

Hints For Plymouth Homemakers

Add Interest to Menus with Variety of Salad Dressings

Any time is salad time. Clever meal planners count on them the year around to add pleasing contrast to hearty foods.

As warmer weather brings some change in our food interests, salads become a more important part of the menu. They are a part of lunch or even dinner. In this case they should provide filling food with good styling, quality as well as crispness.

Meat, poultry, fish, eggs, cheese and cold starched food such as potato, macaroni are favorite accompaniments for main dish salads. They all form delicious combinations with crisp, raw vegetable and piquant salad dressings.

The success of a salad depends as much on the dressing as on any other ingredient. Many women prefer to make their own dressing so they can season them to their own individual tastes.

French dressing, mayonnaise and cooked salad dressing are the basic ones which can be varied almost indefinitely. One or the other can be used on any salad combination. Occasionally a mixture of two may be used. For instance, moisten warm, sliced cooked potatoes or cooked drained macaroni with French dressing. After chilling, combine with other salad ingredients and moisten with mayonnaise or cooked salad dressing.

French Dressing
One cup of salad oil, 1/3 cup vinegar or lemon juice or a mixture of two, 1 to 2 tablespoons of

Russian Dressing
To 1/2 cup mayonnaise add 1/4 cup drained chili sauce and 1 tablespoon chopped sweet pickle.

1000 Island Dressing
To 1/2 cup mayonnaise add 1 tablespoon chopped stuffed olives, 1/2 teaspoon chopped parsley, 1/2 teaspoon onion juice, 1 chopped hard-cooked egg and 1 tablespoon chopped green pepper.

Sauce Tartar
To 1/2 cup mayonnaise add 2

Meat Cut Quiz
Q. What is the name of this cut of meat?
A. Pork arm steak.

Q. Where does it come from and how is it identified?
A. It comes from the pork shoulder. This steak is oval at one end and squared off at the other. It contains a small round bone.

Q. How is it prepared?
A. By braising. The steak is browned on both sides, the frying-pan closely covered and the meat slowly cooked for 45 minutes to 1 hour depending upon the thickness.

tablespoons chopped sweet or sour pickle, 1 teaspoon chopped parsley, 1/2 teaspoon grated onion, and 1/8 teaspoon Worcestershire sauce.

Cooked Salad Dressing
One-fourth teaspoon iodized salt, 1 teaspoon dry mustard, 2 teaspoons sugar, few grains cayenne, 2 tablespoons flour, 1 egg or 2 egg yolks, 2 tablespoons butter or fortified margarine, 3/4 cup milk, 1/4 cup vinegar.

Mix dry ingredients. Stir in milk, mixing to smooth paste. Cook until thick and smooth, stirring constantly. Pour mixture into slightly beaten egg or egg yolks. Return to top of double boiler and cook over hot water or very low heat for about two minutes, stirring all the time. Stir in vinegar and butter or fortified margarine and remove from heat at once. Chill.

This dressing is the favored variety for potato salad. It is delicious too, served as a topping for young dandelion greens. In that case substitute four slices of bacon, cooked until crisp, for the butter and pour it over the greens while hot so they will wilt.

Miss Thelma Livingston entertained at a picnic supper and baseball game Sunday evening honoring Guenther Damm and Hans Kruger of Germany who are making their homes in Plymouth for the next year. Guests beside Hans and Guenther included Carol Oldenburg, Robert and Barbara Packard, and Mr. and Mrs. Robert Minock. The picnic was held at the Paul Wiedman home on North Territorial road.

Mr. and Mrs. Leroy Danielson, Mr. and Mrs. Harry Brown, and Mr. and Mrs. William C. Hartmann spent the weekend as guests of Dr. and Mrs. C. J. Kershaw at their cottage at Rondou Park, Ontario. While they were there they celebrated the birthday of Harry Brown.

Mr. and Mrs. Robert Campbell of Ames, Iowa and Mrs. Eva Campbell of Melbourne, Florida spent last Wednesday visiting with Mr. and Mrs. Elmer Reddeman of Arthur street.

Cindy Jean McNulty of East Lansing returned home after spending two weeks with her grandparents, Mr. and Mrs. P. B. McNulty of Cherry Hill.

Mr. and Mrs. George Jarrett of Las Vegas, Nevada and Mrs. William Farley of Adams street were Tuesday evening dinner guests of Mr. and Mrs. Bruce Mackie of South Harvey street.

Splash Color in Kitchens for Cheerful Look

The kitchen is the heart of the home and should be as liveable as possible. It shouldn't be a place used only for the production of daily meals.

The home economist says that the best way to make a kitchen liveable is to give it a "you" look. If you're a modern young homemaker, lucky enough to have a new kitchen, play that up! But the kitchens planned more in the Early American lines... are just as attractive.

Color in any way to make the kitchen more attractive is to use color. In a bright, cheerful kitchen, you will feel more like staying. Light red curtains, sunny yellow sheet paper, or a decorative floral border around the cornice above the cupboards will give the needed touch.

Laminate floor covering, paint on walls and woodwork, the new colored kitchen cabinets and even partitions in new ranges, sinks and refrigerators are all ways of introducing color to the kitchen.

Little touches will add color just as effectively as a major decorating job. Trim your curtain with rick rack or a valance at the top. Bring in an old fashioned braided rug. Or hang gleaming copper bottom pans on your wall... just above the range.

Bright towels can add a touch and even your pottery plates in front of a sunny window can reflect brilliant spots of color.

Even though you want efficiency and ease of operation in the kitchen, it can be a pleasant and exciting place in which to spend your time.

Glorify Budget Meals With Ice Cream

It's very comforting in these days of soaring meat costs and the search for budget main dishes to know one favorite old American standby is as wonderful, nutritious and economical as ever. We refer to ice cream, of course. No matter that meat portions are smaller and less choice; the meal ends in splendor when there's ice cream for dessert. If you buy it at your super market pre-packaged in the pint or half-gallon carton, you'll find the cost per serving right in line with your budget plans. And it goes especially well with the fresh fruits so abundantly available now. For a real, thrifty treat, serve pre-packaged ice cream with cantaloupe, blueberries, raspberries, peaches or applesauce.

A Little Patience..and It's Yours!

In all the world of manufactured products, there is nothing more difficult to wait for—once you have decided to own it—than a Cadillac car.

If it is to be your first Cadillac, it is doubtless the fulfillment of a long-cherished dream—and it is hard to wait for one's heart's desire, once it is so close at hand.

And if it is to be a replacement for your old love—well, experience has taught you how consistently and completely the good things come from Cadillac—and your curiosity is a force to reckon with!

To make it worse, temptation is all about you. Down the street and around the corner are cars to be had almost as soon as your signature is on an order blank.

But be patient and be firm—for there is a reason why other cars may be had so readily—while there is some delay in delivery of a Cadillac.

It is because so many wonderful people, like yourself, want only Cadillac—and will accept no compromise.

If we already have your order—turn a deaf ear to those who would have you compromise your preference for the sake of earlier delivery.

And if you want a Cadillac, but have not yet placed your order, come in and do so. We will talk with you frankly about delivery, so you may know about what to anticipate.

Remember—there is only one car which is recognized wherever highways lead as the Standard of the World—and that car is Cadillac.

**Likes Florida Weather
 In Summer As Well
 As During Winter**

Numerous Plymouth residents who know about and thoroughly enjoy the warm weather of Florida but who do not visit Florida during summer months, will be interested in knowing that Miss Loraine Corbett, daughter of Stanley Corbett, who is spending the summer at Coronada Beach, at New Smyrna Beach, south of Daytona, writes that the summer weather on the Atlantic coast of Florida is just as delightful as the winter weather.

Miss Corbett, a Detroit school teacher, left for the south just as soon as the school term closed and she plans to remain at New Smyrna Beach until early in September. She writes to her father that she "has been surprised and highly pleased with the delightful summer weather that prevails here. While the days are warm, there is always a delightful breeze from the ocean. I am surprised, too, how cool the nights are most of the time. I had always thought that the summers would be oppressively warm down here, but such is not the case. One can spend as pleasant a summer in Florida as during the winter."

For a number of years Mr. Corbett and his daughter have been spending a brief vacation during wintertime in Florida. From the tone of the enthusiastic letter received from Miss Corbett, Florida might also be the summer vacationing spot from now on for these well known Plymouth residents.

Brief items of interest about your sons or husbands in the service are welcomed in this column providing the information does not conflict with press security policies.

Sgt. and Mrs. Martin Kreger, of Tacoma, Washington, are visiting their parents, Mr. and Mrs. Harry Wagenschultz of Carol street and Mr. and Mrs. Anthony Kreger of Gray street.

Sgt. Kreger is on his way to Camp Kilmer, New Jersey, where he will leave for the EUCOM. He and Mrs. Kreger are going by way of Buffalo, and plan on visiting Niagara Falls, Radio City, the Empire State building, and Concy Island.

They expect to spend a day with Sgt. Kreger's brother, Arthur, who is stationed near Boston. Mrs. Kreger will then return and live with her parents, but hopes to join her husband in the near future.

Cpl. Louis Westfall is spending a 34 day furlough at the home of his father, Louis Westfall of 840 Irvin street. Cpl. Westfall has spent over a year in Korea, and is on his way to Fort Custer for re-assignment.

Cpl. Westfall entered the service in June 1949, and is a 1948 graduate of Plymouth High school.

HEALTH AND SAFETY SERVICE - BOY SCOUTS OF AMERICA

In Pittsburgh, after police raided her home and found two 10-gallon stills, 40 gallons of mash, 250 pounds of sugar, 2 1/2 gallons of moonshine, Mrs. Letha Jackson explained to the judge: "Somebody must have left all that there."

In Cottage Hills, Ill., Mrs. Floyd Lewis received from Korea an electric mixer, mail-ordered for her husband, who found it of no use at the battlefield.

By Carl Peterson

Well, Texas is celebrating its second annual Old Maids' Day this month. The project was promoted last year by Miss Dorothy Babb, a Latin Prof., who felt that the unattached lassies were getting a rougher deal than a greenhorn in a gambling joint. Miss Babb pointed out that the spinsters were being nicked for gifts for marriages, showers, births, anniversaries . . . and a flock of other big moments in other people's lives. And all they got back was a thank-you note. The Old Maids of America aren't looking for men, sympathy or pity. All they want is a return on their investments.

An Army corporal in Tokyo who "just likes to get mail" is corresponding with 57 young women. He's apt to get in a pickle with 57 varieties. At PETERSON DRUG the products and services available number far more than 57. Of them all, there is one service that thousands of satisfied customers have called "most outstanding." Of course, it's our prescription service, used more than 500 times each month by people who know they can depend on PETERSON DRUG for accuracy. We're at 840 W. Ann Arbor Trail, Phone: 2080.

Take A Good Look At This Picture . . .

The man who drives this car is putting his LIFE in the hands of the man who services his brakes. That's why it's so important to be SURE that only experienced hands touch your brake system. Our men are trained to work on all car makes and models. Drive in for service today!

These Events Were News

25 Years Ago

Mr. and Mrs. A. M. Wade and son, Warner of Tampa, Florida; Mr. and Mrs. Frank Wade of Detroit, visited Mrs. George Huger, Sr., sister of A. M. and Frank Wade, Tuesday.

The annual lawn party and dance given by the Officer's Social club of the Detroit House of Correction farm, will be held this Friday evening, August 6 at the Farm.

The bad fire last week at the Towic and Roe lumber yard brought out again the neighborly spirit which exists between Plymouth and Northville. The Northville fire department responded promptly to our call for help, and for nearly five hours kept a heavy stream on the fire, their small pumper working like a charm all the time.

Mr. and Mrs. Fulleton of Detroit, were Plymouth visitors last week Thursday.

Mr. and Mrs. Walter Schiffler and children, Mr. and Mrs. Fred Schiffler have returned home after their week's stay at the lake.

Mr. and Mrs. Frank Foege and children were callers at E. E. Pettibone's one evening last week.

Mr. and Mrs. E. J. Cutler were guests of relatives in London, Ontario, the fore part of the week.

George Wilcox and family have been spending a few days at Walled lake.

Mr. and Mrs. Murray Mumby have moved into their home on east Ann Arbor.

Dr. J. L. Olsaver and family are spending a two weeks' vacation at their cottage at Base Lake.

E. L. Thrall visited his wife and son, who are spending the summer with Mrs. Thrall's parents, near Allegan the latter part of last week.

Jewell, Blaich and McCordle of this village have been awarded the plumbing and heating contract for the new comfort station the county is building at

10 Years Ago

A field of 14 racers will line up for the coaster derby sponsored by the Plymouth Mail and the Junior Chamber of Commerce, on August 28, it was reported after the closing date for filling of race entries this week.

Plymouth boys entered in this derby classic are as follows: Bill Sexton, Don Allen, Freeman Hovey, Arthur Grissom, Frank Keshl, Jim McCallister, Jay Daggott, Tom Corey, Ed Thorne, Jim Wiltse, Ed Strong, and Danny Hines.

Frank Hake, 65, of Newburg road, brother of Jesse Hake of Plymouth is lying unconscious at Eloise hospital as a result of an auto collision Tuesday afternoon.

Robert Wesley, Edwin Schradler, Thomas Moss, J. J. McHenry, Russell Daane, and Sterling Eaton were the guests of Cass Hough at Selfridge Field last Wednesday evening.

Mr. and Mrs. Paul Wiedman will attend a dinner party in the home of her father in Richmond, Saturday, when the family will gather in celebration of his 77th birthday anniversary.

Earl Mastick won the Plymouth novice-tennis championship Wednesday and will represent this city in the novice tournament sponsored by The Detroit News in Detroit.

Miss Irene Waldorf is spending a few weeks at her summer home at Round lake.

Pauline Wiedman left Saturday for a two week vacation at Camp Hillendale near Holly.

Mr. and Mrs. Russell Daane and children returned Sunday from a two week's vacation trip in northern Michigan.

Born to Mr. and Mrs. Norman Orr in Sessions hospital, Northville, Monday night, a baby girl, weighing six and a half pounds.

Jean and Billy Agosta are visiting their aunt, Mrs. Elsie Belharz, in West Unity, Ohio.

Ready for any road!
Set for real savings!
Go MERCURY
 MAKE THE 2-WAY TEST FOR "THE DEAL OF YOUR LIFE!"
R. F. HUTCHERSON, Inc.
 35508 Michigan Avenue — Wayne Phone Wayne 1722
 275 Park Place — Northville Phone Northville 355

Standard equipment, accessories, and trim illustrated are subject to change without notice.

3-WAY CHOICE! For "the drive of your life!" Mercury makes available a three-choice transmission. Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—or Thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-asee synchronized standard transmission.

1. Road Test a Mercury for proof of performance!
 Get ready for the ride that will make your next car a Mercury. For here's a performance-packed car that's feather-light on the controls, velvet-smooth in action.
 Relax as heavy traffic tension melts away. Discover how easily Mercury's famous road-gripping fleetness takes the sharpest curve—the roughest road—in stride.
 Yes, start adding up the extra performance values that are Mercury's. Check its budget-wise economy and get set for "the buy of your life!"
 Don't miss the big television hit, "TOAST OF THE TOWN," with Ed Sullivan. Sunday Evening, 7:00 to 8:00 P.M., Station WJBK-TV, Channel 2.

2. Budget Test a Mercury for proof of Value!
 ★ Does it have a down-to-earth first price? Mercury's price tag you can understand. It gives you a big dollar's worth for every dollar invested.
 ★ Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to latest annual official registration figures.
 ★ Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by repeatedly winning officially sponsored economy tests.
 ★ Will upkeep stay low? You bet it will! And you'll save money every year. Drop in at your nearby dealer's today for all the facts about Mercury's stamina!

Taking a test for her driver's license, a woman in Dansville, N. Y., started off by colliding with a moving car, followed that up by hitting a parked one and injuring the inspector giving her the test. She failed.

Nabbed in the midst of robbing a delicatessen, a burglar in St. Louis, Mo., traced all of his trouble back to the Army, which, he complained, had developed an insatiable taste in him for baked beans.

MICHIGAN
 ELTON R. EATON

Are the beautiful oak trees of southern Michigan soon to fall victims of the dreaded "oak wilt" that has killed off thousands of oak trees in neighboring states to the south and southwest? It is reported that some trees in southwestern Michigan show evidence of being afflicted with this tree blight for which no spray has been developed that will stop it.

Southwestern Michigan has for generations been famed for the great towering oaks that prevail in that part of Michigan. Remember the story written by James Fenimore Cooper entitled "Oak Openings"? The title of this well known book was inspired by the beautiful oak trees that came to the attention of Author Cooper when he was in Michigan writing the stories of early Michigan life that will endure for generations to come.

Early settlers looked with amazement upon the "openings" in the forest, where hundreds of acres of fertile land were discovered, covered with native grass growing more than knee high, and dotted here and there with a grove of giant oaks.

But what has been done to provide new shade trees along Michigan's interesting highways? Oh yes, they are planting some pines here and there, some maples and in places elm trees—but that is all—and sorry to say that these plantings have not been as extensive as real Michigan folks would like to see them.

For many years back, it has been suggested in Michigan My Michigan column that the proper state agencies should be planting the nut bearing trees for which this state was at one time famous. What is more beautiful than a big walnut tree that once grew so profusely all over southern and central Michigan? What is more majestic looking than a big shag-bark hickory tree or a tall beechnut tree with its glistening, beautifully shaped leaves waving in the breezes?

None of these trees have fallen victims to any blight that has reaped such havoc among certain kinds of trees in recent years. Then there is the butternut tree. It does not grow large, but its odd ways of growing is a sight that is a delight to any one who likes the great outdoors in Michigan.

Why doesn't the state highway department or the conservation department plant thousands of these trees in the roadside picnic grounds and along highways where they are sure that future road expansion will not disturb in the next 50 or 75 years trees that are planted now?

It is a pretty safe bet that neither the conservation department or the highway department has planted a nut bearing tree of any kind in Michigan in the last 50 years. And wouldn't this be a mighty good time to start planting trees that not only are beautiful but trees that will provide the boys and girls of the next generation some of the delights that the boys and girls of Michigan experienced a half century ago in going out into the fields and along the roads to gather up walnuts, hickory nuts and butternuts after the first heavy frosts of the fall?

The more one comes to know about Michigan, the more amazing does its vast resources and its natural possessions impress one. Michigan is FIRST in so many things that it is with difficulty one can enumerate them all. And it has many possessions that few other parts of the country can claim.

Michigan's conservation department a few days ago made some mention in one of its news releases of the white bass that can be caught in certain waters on the west side of the state. Can you tell

of any other state outside the Great Lakes area that can produce the same kind of a white bass that you can catch in some localities in Michigan? We doubt it.

The department advises that the angler wanting to add this fish to his "caught" list, will have to concentrate on a relatively few waters mainly in western Michigan. The cannibalistic white bass—with a larger suitable habitat in the Mississippi drainage area—is caught in Michigan in White Lake and river near Whitehall and Lake Macatawa and Black River near Holland. Other Lake Michigan-connecting lakes where they are found are Pentwater, Muskegon and Manistee, adjacent to the cities with the same names. This species also is found in Devils and Round lakes in Lenawee county and possibly waters connecting with Lake Erie.

Michigan sportsmen normally do not fish for them in Lakes Michigan and Erie. Lake Erie commercial fishermen report them in their catches.

One of the fastest hatching fish, white bass have been caught up to three pounds and measuring 13 inches in length. This fish will nab the angler's live minnow, grub or worm. It has been known to rise to a fly. Night hook and line fishing with a lantern is legal.

Certain groups in Michigan, as well as high up officials of the conservation department have for years believed that the deer herd of Michigan believed now to number close to a million deer, would be improved if the state legislature would permit the killing of does as well as bucks during the hunting season. Michigan conservation officials who have long favored this idea are among the many state fish and game administrators casting covetous glances in the direction of West Virginia, according to the Wildlife Management Institute. At a recent meeting of the Conservation Commission, a regulation was readily approved which makes deer of either sex legal game in all counties open to deer hunting.

The ease with which this regulation was adopted and the calm with which the sportsmen of West Virginia accepted the news are in marked contrast to the near-hysteria which grips some hunters in the "old" buck-law states whenever the sanctity of the formal deer is questioned. Although West Virginia only recently became a deer-hunting state, her fish and game administrators have carefully avoided the pitfalls into which others have fallen in the matter of deer management. The buck law has been used intelligently as a tool to build up herds to harvestable proportions but is now being dropped before the numbers of the deer outgrow the available food supply and before catastrophic damage becomes prevalent. More important, the sportsmen and the public at large have been subjected to a well planned educational program designed to give the salient facts of intelligent deer management.

The West Virginia Fish and Game Commission is to be complimented for its progressive action and for avoiding mistakes made by some of its neighbors who have been fighting for the last 25 years to get the public to accept sensible deer management programs.

Contritely, a jail inmate in Chicago who had jammed a cell door by inserting a dime in the lock, explained that he'd been confused. "I thought it was a machine for beer."

In St. Joseph, Mo., a bakery salesman left a package of six rolls on the seat of his truck, returned to find in their place a bundle of religious tracts.

FAST, ACCURATE TELEPHONE SERVICE IS VITAL TO CIVIL DEFENSE

Warnings of approaching planes, coming from air raid spotters or military radar screens, are flashed over networks of Long Distance and local telephone lines to Filter Centers.

Telephone reports are quickly charted on Filter Center maps. Then waiting Air Force interceptor planes are alerted.

This is but one type of the many special telephone networks serving government and military forces to help protect our nation:

This great and growing telephone system was built to serve America in peace. But it is just as ready to serve in any emergency.

The value of this nationwide telephone network was never greater—never clearer—than it is today.

It must be kept strong. It is vital to a strong America.

To help speed your Long Distance call, please give the operator the out-of-town telephone number. • Telephone lines are busy with national defense.

MICHIGAN BELL TELEPHONE COMPANY
 Volunteers are needed for ground observer stations. Apply by writing your State Office of Civil Defense, Lansing, Michigan.

Ever buy a car from this angle?

SURE, a trim new Buick makes a mighty pretty picture when you see it in your driveway, or watch it wheel by.

But if you could get a mechanic's-eye view of this big, broad beauty as it sits on a lift, you'd see an impressive picture of rugged brawn that makes good-to-look-at Buicks give such a good account of themselves on the road.

You'd see the full-length torque-tube drive that firms the whole power relay system, and steadies your going like a giant hand beneath you.

You'd see big sturdy wheels with really wide rims that provide surer footing, give better car control, make tires last longer.

You'd see all four wheels cushioned by stout coil springs that are completely service-free, practically breakproof—and a principal reason for the ever-level Buick ride.

But mainly, you'd see the massive foundation that backbones every Buick—the deep, wide, X-member frame that's rugged as a rock, and a brute for strength.

So when you look at the beauty of a Buick—the big mileage power of its valve-in-head Fireball Engine—and the moneysaving ability of its Dynaflo Drive*—don't overlook the tough stamina that goes with it all.

And don't overlook the fact that a new '51 Buick, with all its heft, costs less per pound than any other car of comparable size, structure and weight.

Better come see us first chance you get—and find out what a smart buy this is—from every angle.

NO OTHER CAR PROVIDES ALL THIS!

- DYNAFLOW DRIVE* • FIREBALL ENGINE
- PUSH-BAR FOREFRONT • WHITE-GLOW INSTRUMENTS • 4-WHEEL COIL SPRING
- TORQUE-TUBE DRIVE • DUAL VENTILATION

Roger Babson Says --

Babson Discusses College Scholarships

Babson Park, Mass., August 9. I have recently received from a devoted father the copy of a letter which he wrote his son on graduation. In it he says:

Lincolns vs. Land
 "Mother and I are proud of the record you have made in school and college, especially by your continued faith in God and

constant association with the Church and the things it stands for. Now I have been thinking of what to give you as a graduation present. Mother wants me to give you a fine Lincoln convertible car; but I just don't feel it is right to do so.

"Hence, instead of giving you the car, I am enclosing a deed to 40 acres of good land worth three times the cost of the car. Land and labor are the basis of all wealth, especially in this day of inflation. Land will keep getting more valuable if you give it half the attention you would give a car. If you take care of your land, son, it will take care of you. I cannot object to your having a Lincoln, as I have two; but I earned the money with which I bought mine and I want you to do likewise."

Present Unfair Conditions
 During the summer I have talked with several high school principals. They tell me that some of their highest and hard-

est working students have not the money to go to college. They can get partial scholarships, but unless they can live at home, they just can't swing it. On the other hand, those who are much less deserving go to college with an automobile and a big spending allowance.

Large corporations which send their employment managers to the colleges to hire the "best graduates" would do far better to go to the high schools and select their students by their high school record and then help finance these students through college. These corporations are now doing their picking four years late.

Importance of Summer Work
 Of one thing I am certain. . . namely, that how high school students use their summers is of great importance. I have about come to the conclusion that I will employ only those who have worked every summer during high school and college. Those who have earned at least half their college tuition and board are to be preferred. The best young people to hire are those who have earned their entire way through college, with the help of scholarships and summer work.

Home Training Important
 A person can do too much for his children or grandchildren. Unless a young person has learned to love work, something is wrong. It may have been careless school or home training, or giving the boy or girl too much money. Certainly more high school young people are harmed by having too much money, rather than too little money.

It is easier for a parent with money to say "yes" rather than refuse; but isn't this pure selfishness on the part of the parent or grandparent? Sometimes I think that families lacking money are more fortunate than those possessing it. Certainly this whole educational and home training program is topsy-turvy.

Helping the Worthy
 The best way to help young people is to give them opportunities to work and earn money. If they stick to the job—or themselves find a better one—then they will come out okay. I sometimes think a young person will do better in a job which he or she finds without family help. But idleness is dangerous to all concerned.

Next to giving young people good opportunities to work, perhaps the best way to help them is to say to the high school principal:—"I want to help some worthy student who is anxious to go to college but who must help his family and hence thinks he can't do so." Let me add that I, myself, would like to so help

two or three such students who would immediately write me.

What About Trust Funds?
 I believe in Trust Funds for children and grandchildren; but they should serve as insurance in case of sickness, old-age or hard luck. They should not result in making it unnecessary for the beneficiary to work, save and be a useful citizen. The love of work is a blessing.

Instead of arranging for the young person to get all the income when 26 years of age—it may be better to make him co-trustee with the bank but to move the 26 years up to 40 years. Trustees, however, should have power to use part of the accumulated income to help in case of need.

Mrs. H. C. Balfour and three children, Celia, Cynthia and Douglas of Penniman avenue spent a few days last week in Windsor, Canada with Mrs. Balfour's parents, Mr. and Mrs. Albert Rousseau.

Mr. and Mrs. Roy Jacobus of Warren road were hosts last Saturday to Mr. and Mrs. George Goslee and family of Flat Rock at the Orchard Lake Country Club.

Mr. and Mrs. L. S. Martin of the Martin China Shop spent last week in Chicago, Illinois where they attended the China and Gift show.

Mr. and Mrs. Carroll Cairnes of Palacios, Texas have been visiting with their aunt, Mrs. Rowe of Bradner road. Before returning to their home they will visit Canada and Niagara Falls and return to Texas via the southern route.

Mrs. Glenn English of Gold Arbor road with her daughter and husband, Mr. and Mrs. Robert L. Smith and children Cathy and Linc will spend next week vacationing at Houghton lake.

Mr. and Mrs. J. M. Swegles of Ford road and Mrs. John Schiller of Detroit were in Homer last Wednesday visiting Mr. and Mrs. Leith Swegles, Sr.

Local News

Miss Elizabeth Sutherland of South Harvey street has gone to her cottage at Leamington, Ontario where she will spend the next few weeks. She was accompanied by Mrs. Carrie Hillmer who will visit with her.

Mrs. Robert Shepard of Northville road was chosen "Lady of the Day" last Friday when the Plymouth Auxiliary of the F.W.O. attended the Bob Murphy Television show in Detroit. She was presented with a lovely orchid.

Ted Thrasher, son of Mr. and Mrs. James Thrasher of Lakeland Court returned Monday morning from his six weeks routine cruise with the N.R.O.T.C. He will be in Plymouth for about a month before returning to his studies at Ohio State University.

Mr. and Mrs. J. M. Swegles of Ford road had as their house-guests last week their grandchildren, Mr. and Mrs. Leith Swegles Jr., and daughter of Richmond, California, and Mr. and Mrs. Dean Mason and two children of New Orleans, Louisiana. Mrs. Mason and Mr. Leith Swegles Jr. are brother and sister.

Mrs. Melvin Gutherie and daughter, Rosemary of Newburg road have returned from a weeks vacation in Northern Michigan. The first part of their trip was spent visiting friends at Lake Macatawa near Holland. They later went to Bayview where they visited Melvin Gutherie who is attending summer school there. They stayed at the Ramona Park Hotel at Harbor Springs and were joined for the weekend by Mr. Gutherie and their son, Tom.

FORD TRUCK DEMAND GREATEST IN HISTORY

• You're wise to follow the big trend in truck buying—the swing to Fords—because so many people must have many good reasons for choosing FORD Trucks!

New truck registrations for 1950 versus 1949, as compiled by R. L. Polk & Co., show that Ford Truck sales increased 56%—a sales gain 6 times greater than all other makes combined! Some good reasons for Ford preference: Ford step-ahead engineering . . . Ford's TWO new cabs . . . Ford longer life . . . and Ford's lower running costs with the POWER PILOT! . . .

6-STAR EXTRA Cab shown (added cost).

FORD trucking costs less

because...

FORD TRUCKS LAST LONGER!
