HERE TODAY, GONE TOMORROW.

Time goes relentlessly on. It waits for no man and with each passing day, seemingly some old friend has passed into the beyond. Not so long ago Eugene Orndorff, well known railway worker and Democratic leader, died suddenly when on a visit to friends in Ohio.

Then came the unexpected death of former Superintendent of schools, George A. Smith, an outstanding civic leader and one of Michigan's best known educational leaders.

It was with surprise indeed when we read last week of the sudden death of former Postmaster Harry Irwin. He had not been in the best of health for sometime, but he was able to be about the streets and enjoy visits with old friends.

It was but two or three days before his sudden death when, with Ernest Henry, we had a most pleasant visit with Mr. Irwin in front of the postoffice in which he had served until ill health forced his retirement. As jovial as always, he talked politics and of his desire to again buy a small home in or near Plymouth where he could spend the summer months.

It was upon his retirement when he purchased a winter home in Pinellas Park, Florida. He enjoyed his winter visits in Florida very much, "but there is nothing like meeting old friends, friends you know and like so well even if we don't agree on politics," he said.

Yes, his last wish expressed to the writer was to return to Plymouth and reside the five or six months of late spring, summer and early fall—"where it is always pleasant to meet and chat with good friends."

Kindly, friendly Harry Irwin has returned to Plymouth, to spend eternity with the old friends he liked so well.

THE GREATEST TRIBUTE TO EDGAR GUEST.

Detroit citizens and The Detroit Free Press a few days ago joined in tribute to Edgar Guest, one of the nation's greatest poets, the occasion being his 70th birthday.

All of the complimentary words were justified because Mr. Guest has spent a lifetime in bringing to the readers of The Free Press bright rays of sunshine on the darkest of days—preaching hope and good will always. Knowingly or unknowingly, the greatest tribute of all that was paid to Mr. Guest on his birthday anniversary was a one hundred percent "clean" Free Press editorial page on which Mr. Guest's poems are published.

In fact the entire edition was as clean as a whistle. The Free Press for the first time left entirely OUT of that edition Drew Pearson's smear column of hate, ill will, untruths and false insinuations. Yes, as we look at it, that was the most glorious tribute that The Free Press could possibly pay to the very worthy Mr. Guest—the publication of one clean, wholesome edition on his birthday.

THAT TRAGIC BUS ACCIDENT.

Michigan's most serious traffic accident of the year happened a few days ago near Alpena when a beer truck and a loaded passenger bus collided. Thirteen people were killed, 20 more were terribly injured.

Investigations have not yet been completed, from those who were at the accident when it happened, it appears that the frightful accident might never have happened if the driver of a small passenger car had given proper signal warnings to the driver of the beer truck.

As it was, in an effort to save the life of the driver of the car, the beer truck operator swerved his vehicle into the side of the bus, with the fearful loss of life and injury resulting. Neither the driver of the beer truck or the driver of the bus seem to be held in anyway responsible for the accident, that both, apparently, so desperately tried to avoid.

Any traffic officer will tell you that average precautions taken by an automobile driver, with PROPER and TIMELY signals as to the intentions of the driver, would eliminate to a very great extent a large portion of the traffic accidents that are now disgracing Michigan's highway safety record. The next time you drive your car down a highway, note how few drivers ahead of you will give any indication of the fact that they intend to slow down their speed or make a turn at some corner or drive onto the side of the highway. A few will give you some sort of a signal, but not many.

It is our belief that a rigid enforcement of highway signaling given in PROPER time will eliminate a great many of the accidents that are now taking place.

Then, too, the termination of the right of a lot of youthful "hot-rodders" to drive a car, with proper punishment, if caught in a violation, will add considerable more to safety on the highways. It is high time that we take steps to enforce more rigid traffic rules of safety.

THOSE JUVENILE GANGS.

Detroit police, Kalamazoo police, in fact the law enforcing officers of nearly every city in Michigan are right now confronted with a new problem—a problem growing out of juvenile idleness. These idle youngsters have in many communities organized themselves into small bands of mobsters, traveling about various neighborhoods, destroying property and beating up any person they believe might interfere with their unlawful intentions.

It is just natural that the police and every one else heap upon these young hoodlums responsibility for their misdeeds. But why have these young boys organized themselves into law-defying groups?

The answer is an easy one—it is BECAUSE we have permitted a lot of labor racketeers to enact laws in Michigan and in some other states which FORCES into idleness boys who are 13 years old or younger.

No one can hire them to do anything, no matter how badly the boy wants to work. Oh yes, they may be mow a lawn if a lawn can be found that needs mowing, providing he will buy a \$25 ticket to a Truman banquet.

Maybe they can pull weeds out of a flower garden if some racketeer doesn't find him and come along and try to collect initiation fees, dues and "other benefits" for a right to pull weeds, if there by chance should be a Senator Wagner weed pulling organization in the neighborhood.

No—do not blame the boys entirely. Just blame ourselves for permitting to grow up in this country a condition that deprives our boys and girls from earning a living, learning a trade or doing other useful work unless some racketeer gives permission to do so and AFTER proper financial consideration has been made.

OUR DOORS WIDE OPEN.

The United States News a few days ago revealed what a simple matter it is for Bandit Joe Stalin to get all of the highly important information he desires about our government and about our military forces direct from Washington.

While our own newspaper correspondents are not allowed inside Russia, the Roosevelt-Truman political mobsters have opened the doors of our state department, the white house, the atomic energy commission offices, the senate and house press galleries and all other government agencies to "press" representatives of Bandit Joe Stalin. These Russian alleged newspapermen can go anywhere, see anything they desire, ask questions, get government reports and other official information and send it direct to Russia without a question being asked.

But can we do likewise in Russia? NO—of course not. If we tried it, think for a minute what happened to an Associated Press correspondent recently who was doing only routine

Petitions Due For Two New Commission Seats

Announce School Bus Schedules

Plymouth Public School officials disclosed that early indications may make it necessary to have all the school buses make two runs in transporting the students to school, and two more runs in taking them home.

Even though the schools provide eight buses for children in outlying sections, the Plymouth Coach will still be needed to help transport students to and from school during the next school year.

Plymouth's growth has provided additional problems for school officials in providing transportation for the children in the school district. A tentative schedule has been worked out and will go into effect early next Thursday morning when buses will bring their loads to the local schools for the first time this fall. School authorities estimate that school buses will travel about 200 miles daily in picking up children for the school sessions.

The schedule that will be effective Thursday morning is presented in its entirety below. Parents having questions as to routes and times are urged to call the school for more complete information.

Bus No. 1
First Trip—7:30 o'clock A. M. North Territorial - Napier - Powell - Ann Arbor Trail to school.
Second Trip—7:55 o'clock A. M. Bird Elementary School. Bus will make stops for children at corners of Church & Harvey - Harvey & Blancher - Harvey & Farmer - Farmer & Blunk - Farmer & Arthur - Farmer & Evergreen.

Bus No. 2
First Trip—7:30 o'clock A. M. Ford & Beck - Saltz - Ridge - Ford - Hanford - Napier - Warren - Canton Center to school.

(Continued on Page 3)

City Postpones Admission of Gunnison Homes

The controversial issue of admitting the prefabricated Gunnison Homes into Plymouth has been postponed by the City Commission until the passage of a Wayne county building code by the County Board of Supervisors. Scheduled to be voted upon by the Board on September 24, the new code will allow much more leeway in the building field.

If, as seems likely, the code is adopted by the county, the city will adopt the same code, thus allowing the homes to be built in the city. At present the building code prevents building of the homes in Plymouth due to several construction details which conflict with the code. Among the more important of these details are the size of the studs, thickness of the walls and the type of chimney used.

The new building code, based on recommendations by national architects, builders and engineers, will be based on performance rather than specification. The Gunnison Homes are made of marine plywood, manufactured in sheets and put together on the spot. The cost is said to be almost 20 percent less than conventionally built homes.

Bentley Clinic Opens Next Week

Dr. Frederick E. Bentley has announced that his new clinic at 851 S. Main street is completed and that he will begin practice there on September 4. The new building, begun in the spring, is completely modernistic with modern lighting, facilities and equipment, including an X-ray machine. The waiting room features a built-in aquarium.

Dr. Bentley, who has practiced in the Penniman-Allen building for the past 11 years, is Plymouth township health officer and is on the visiting staff of Harper hospital and Florence Crittenton Tuberculosis Sanatorium and Sessions hospital. He is also consulting physician for the Detroit House of Correction and medical advisor for the local draft board.

CITY OF PLYMOUTH GOLF TOURNAMENT WINNER Harper Stephens being presented with the Plymouth Mail trophy and congratulated by Mayor Floyd Tibbitts for his 1 up victory over Tom Lock in the 1951 golf tournament. The winner is holding the set of Wilson woods he also won with his triumph.

Buy Pettingill Property

Stadnik and Shekell, used car dealers announce their purchase of the used car lot on the corner of Main and Dodge streets from the estate of the late William Pettingill. Having used the property for the last several years for used car sales, the new owners will now develop the entire lot of 63 by 194 for sales purposes.

In addition to developing the back of the property they will remove the trees from the back of the lot and intend to build a new car sales room somewhere on the property early next spring.

City Considers New Speed Law

A solution to the problem of heavy trucks speeding through Plymouth's residential areas has been suggested in a proposed ordinance to the city's ordinance number 30, which provides for punishment of violations of the traffic laws.

The proposed amendment, to be entitled Section 12 A, reads, in part: "It shall be unlawful to operate upon any highway any motor vehicle of commercial vehicle, specifically described and defined for the purposes of this ordinance, as being any truck having a load capacity in excess of one ton, whether loaded or empty, at a speed in excess of 15 miles per hour."

The amendment has passed the first and second readings in the City Commission meetings. If it is added to the ordinance, it will take effect 21 days after its passage. However, signs would have to be posted which would take at least 60 days to obtain.

Bartlett School to Begin Tuesday, September 4

The Bartlett school district No. 3 in Canton township will begin Tuesday, September 4, at 9 a. m., states Claude Eaton, school board director.

Mrs. Mabel Getten and Mrs. McKee will be the teachers in the Bartlett school this year.

Fred Schmidt Raises Perfect 1 1/2 Lb. Tomato

An immense, perfectly-shaped tomato was brought into the Mail office last week by Fred Schmidt of 35063 Plymouth road. Weighing exactly a pound and a half, the tomato was over a foot around, its circumference being 15 inches. Mr. Schmidt says that he has seen other tomatoes as large, but never one so large and well-shaped.

Harper Stephens Wins Golf Crown

A new champion was crowned in the City of Plymouth Golf tournament last Saturday at the Hillside Golf club. Harper Stephens, playing in his second Plymouth tournament, defeated Tom Lock 1 up in a thrilling 36-hole final to win the individual trophy, and have his name inscribed on the Plymouth Mail permanent trophy.

In the Saturday morning semifinals in the Championship flight, Harper Stephens defeated Al Owens, and Tom Lock defeated Robert Johnston.

In the afternoon finals Stephens defeated Lock 1 up in the Championship flight. William Pettingill defeated Mark Baughman 1 up to win the first flight. Carl Groth won the second flight by defeating Al Krizan. Jack Laws won over Harvey Cooper to take the third flight honors. John DeMond won from Robert Joly to take the fourth flight title.

Saturday evening a victor's banquet was held in the clubhouse where prizes and trophies were presented to the winners.

Max Todd, the tournament manager, stated that this year's 16th annual City of Plymouth Golf meet was one of the most successful staged so far.

Has 12 Foot Sun Flowers

"Some grow them big and some grow them small... others just grow them and some grow them tall." At least that's the story of a young man named Shannon who is telling about his giant sun flowers that are presently blooming in his garden at 161 North Mill street.

Experimenting for the first time this year with sun flowers, Mr. Shannon was amazed the other evening when a yard stick proved the fact that his garden had produced 12 foot sun flowers. A proud as he is of the dozen big plants in the garden just south of his home he wonders if others in the city can match the size plants his seeds produced.

Name Assistant Chief

Appointed to the post of Assistant Fire Chief was George Schoeneman of 357 North Harvey.

Schoeneman has been a member of the fire department for the past three years and succeeds Harold Secord who held the position of volunteer assistant fire chief.

New Commission Member

Mrs. Bernard J. Curtis of 417 Auburn Ave., was appointed by the city commission and the school board to a position on the recreation commission.

Mrs. Curtis is the woman representative on the commission. Her term will expire in May, 1954.

The commission is composed of the city manager, the superintendent of schools, a member of the city commission, a member of the school board, and three appointed members.

Bus Service is Periled by Strike

In all probability this article is being read, Plymouth, for the first time in many years, is without bus service. Plymouth, Detroit and Chicago bus drivers of the DeLuxe Motor Stages were scheduled to strike after the last run is completed early Thursday morning.

According to Ray Humphrey, chairman of the State Labor Board a meeting had been arranged for Tuesday, August 28, for a joint meeting between the Plymouth Coach Division of DeLuxe Motor Stages and Local 1303 of the Streetcar and Bus Operators Union AF of L, for the purpose of avoiding a strike set by the Union for early Thursday morning, August 30.

The State Labor Board was notified by the management of the Coach company that due to illness of the general manager of the Plymouth Coach company, and because the owner had left the city for Virginia, the meeting had to be canceled.

A joint meeting by the State Labor Board with the Federal Conciliation Service involving the DeLuxe Coach division of the company with the Union had been arranged for Wednesday, August 29, but this meeting also had to be canceled by the company for the above stated reasons.

Students Should Change Schedules Before Sept. 6

Miss Ruth Butts, director of guidance at Plymouth High school, announces that all new students who have not registered for the opening of school, or any boys or girls who contemplate changing their schedule, should do so before school opens September 6.

Miss Butts will be in her office all day today, Friday, Saturday morning and Wednesday, September 5, to register any student who comes in to see her.

Early Copy Please

Due to the fact that Labor Day will be a holiday, Monday advertisers and news contributors are reminded that it will be necessary to have copy in The Mail office on Saturday of this week.

No copy received after noon on Tuesday can be assured of publication in next week's issue. The Mail office will be open all day Saturday to accommodate local residents and will continue the policy of staying open all day on Saturdays in the future.

Local Man Victim of Hit-Run Driver

The body of Arthur W. Hoot, 57, who resided five miles south of Plymouth on Canton Center road, was found in a ditch near his home last Saturday evening. Mr. Hoot had been killed by a hit-run driver.

The body was discovered by his wife, Effie, when she went in search of him after he failed to return home from a nearby grocery store.

Detective Earl Freel, of the Wayne County Sheriff's Road Patrol, said Hoot's wrist watch had stopped about five minutes after he had left his house, a little after ten o'clock in the morning.

Detective Freel said dark green paint from the hit-run car was found on the victim's trousers, and part of a side view mirror and a parking light rim were found near the scene of the accident.

Mr. Hoot was a parts inspector for 10 years at the Ford Motor company. Besides his wife, he leaves two adult children.

Jr. High Occupies Old Grade School

Mr. Arthur Alford, Plymouth junior high school principal for the past six years, has moved into his new office in the junior high building, formerly the Central Grade building. The old geography room has been converted into a large office.

Mr. Alford states that several changes have been made in the transfer of the seventh and eighth grades of the new quarters. The seventh and eighth grade shop will be moved to the junior high building. This year Mrs. Pauline Morgan, who formerly taught general science, will teach sewing in the junior high.

Mr. Charles Owens will be the new science teacher. He is the only new face in the junior high school. Mr. Owens received his A. B. from Ypsilanti in 1948 and has taught science in Wyandotte in 1948-49, and then moved to Oregon where he taught until this year. Mr. Owens served 3 1/2 years in the air force and had the rank of captain. He is married and has three children.

The gym classes will remain in the old gym since the junior high gymnasium will be used for a study hall.

Mr. Alford expects an enrollment in excess of 400 students in the seventh and eighth grades this year. All seventh and eighth graders are to report to the junior high building on Thursday, September 6.

U of M Club Holds Student Banquet

The University of Michigan club will open its fall activities on Thursday, September 13, according to the president, Mr. Burton Johnson.

The first scheduled project will be the annual college send-off banquet to be staged at 6:30 that evening in the high school gymnasium.

All students who plan on attending the University of Michigan this fall are cordially invited to attend this banquet.

Dr. Frederick Foust, chairman of the banquet, announces that the speaker for the evening will be Dr. Haywood Keniston, Dean of the college of Literature, Science and the Arts at the University of Michigan. Additional chairmen include Mrs. Betty Jacobus, refreshments; Mrs. Nellie Bird, membership; Evered Joffine, music; Burton Johnson, table arrangements.

The new officers of the club for 1951-52 are: Mr. Burton Johnson, president; Dr. Frederick Foust, vice-president; Irene Truesdell, secretary-treasurer; members of the Board of Directors are Henry Holmes, Mrs. Nellie Bird, Dr. A. VanOrnum, Lawrence Mack, Harry Reeves and Irene Waldorf.

RETURN PICTURE TO FAMILY

City commission placed the crayon portrait of the late Mrs. Mary K. Hillmer in the custody of her daughter, Mrs. Rose Holstein.

The portrait was left to the city by Mrs. Hillmer in her will.

Nominating petitions for two city commission posts for the special October 1 election are due in the office of the city clerk by noon Sept. 8. Petitions are available in the city clerk's office. Not less than 25 nor more than 50 valid signatures are needed on the petition.

These petitions are for the two new city commission seats created by the proposed city charter. This charter calls for a seven man city commission instead of the five man commission of the present charter.

To be eligible to run for office, one must be a registered voter, a property owner (as shown on the tax roll), and a resident of the city of Plymouth for two years immediately prior to October 1.

The candidate in the election who receives the largest number of votes will hold office, until the Monday following the regular elections in April, 1955. The person with the next highest total will serve until April, 1953.

Voters will vote yes or no on the proposed city charter during the October 1 election. If the charter is adopted, the newly elected commissioners will take office. The proposed new charter will appear in full in The Plymouth Mail on Thursday, September 13th.

Registration for the election ends September 1. To register one must be a resident of Plymouth for 30 days, and a resident of Michigan for six months prior to the election.

Polling places on October 1 will be the City Hall, Starkweather school, Plymouth High school, and the George A. Smith school. The George A. Smith school location replaces Forest Motors as a polling place.

Optimist Take 10 Boys to Ball Game

The Plymouth Optimist club gladdened the hearts of ten local youngsters when they had them as their guests at Briggs stadium yesterday to see the Detroit Tigers play the Boston Red Sox.

Each year an Optimist day is observed at Briggs stadium, at which time all the Optimist clubs in this district select boys, who do not have an opportunity to see big league games, and take them to the ball game.

At eleven o'clock several hundred boys from this district met at the Dearborn Boys club, and enjoyed a swim, and a luncheon at the expense of the Optimist, and then proceeded to the ball game.

Optimists Kenyon Olds and Robert R. Smith accompanied the local boys on the trip.

Take It Easy Over Labor Day

"Take it easy over the long Labor Day weekend, and take time to be careful!" the Michigan Department of Health warned Michigan residents and vacationists today.

Labor Day traffic on Michigan highways will be the heaviest on record and it will be deadly. Scores will be killed or maimed for life.

If you must travel during the Labor Day holidays, have your car checked now, before you start—brakes, horn, steering gear, lights (front and rear), windshield wiper, and tires.

Plan to drive a reasonable distance each day. Stop driving when you are irritated, tired or sleepy. Don't drive if you have been drinking.

Start early enough so you don't have to rush. Stay with the flow of traffic. Use care in passing. Don't let impatience lead you to take a chance.

Watch out for the foolish driver and be ready to make up for his mistakes.

Be wary of country intersections. Don't take chances when swimming and fishing, the Department urged. Drowning is the second cause of Labor Day deaths.

Take time to remove stumble traps in your home, cottage or lawn, be sure stairs are clear and adequately lighted, watch where you are walking. Take time to put out cigarettes and matches, and don't leave any flame or cooking appliance unattended. Falls and fires vie for third place among Labor Day's death dealers, the Department said.

Out of every tourist dollar spent in Michigan, only 17 cents is spent for lodging.

Joyce Karker Becomes Bride of John Stevenson

At a simple but impressive ceremony last Saturday evening in St. Peter's Evangelical Lutheran church Miss Fern Joyce Karker repeated her nuptial vows to John Low Stevenson. The Reverend Edgar Hoenecke officiated at the eight o'clock rites before the altar on which were large bouquets of white gladioli. Gerhardt Mueller presided at the organ.

Joyce is the daughter of Mr. and Mrs. Francis Karker Sr., of Plymouth and the bridegroom's parents are Mr. and Mrs. George Stevenson of Detroit.

The bride approached the altar on the arm of her father in a lovely white Chantilly lace ballerina length gown over taffeta. The off-the-shoulder neckline was fashioned with a shawl collar and she wore a large picture hat

of white horsehair braid. She carried a white Bible on which was centered a white rosebud corsage with white satin streamers.

All the attendants were dressed identical to that of the bride. Miss Barbara LaMay, the maid of honor wore pink and carried a colonial bouquet of tea roses. Mrs. Karker was her sister's bridesmaid and was gowned in blue. Her flowers were red roses. Both attendants wore white picture hats of horse brand. Robert DeLong of Detroit acted as best man and seated the guests was George Eades of Walled Lake.

Mrs. Karker selected a dress of maroon crepe and wore a white carnation corsage. Mrs. Stevenson's dress was of black with white trim and she too wore a white carnation corsage.

A reception was held in the home of the bride's parents on Francis street with 150 guests coming from Detroit, Livonia, Howell, Walled Lake, Wayne, Northville and Plymouth.

Following a week's trip into Canada going as far as Toronto the young couple will be at home

to their many friends at 569 West Ann Arbor trail in Plymouth. For going away Mrs. Stevenson wore a white marquisette dress with gold trim and white accessories and pinned to her shoulder was the corsage from her bridal bouquet. Mrs. Stevenson is a graduate of Plymouth High school and for the past five years has been employed by the D and C store here.

BIRTHS

Mr. and Mrs. Dean Zahn of Ann Arbor are the proud parents of a seven pound son, Michael Dean born Monday evening, August 20. Mrs. Zahn is the former Nancy Groth whose parents, Mr. and Mrs. Carl Groth reside on Cranston avenue, Rosedale Gardens.

Mr. and Mrs. Goodwin Crumbie of Arthur street are receiving congratulations on the birth of a son, Gordon Bruce weighing six pounds. He was born Thursday, August 23 at St. Josephs hospital, Ann Arbor.

Mr. and Mrs. Harold Yakley of Forest avenue announce the birth of a son, Bruce Douglas born last Thursday, August 23 at St. Joseph's hospital, Ann Arbor. He weighed in at 5:19 a.m. Mr. Yakley is with Herald Cleaners.

Born to Mr. and Mrs. David Gates of 964 Harding avenue a daughter, Mary Ellen on Tuesday, August 14 in St. Joseph's Mercy hospital, Ann Arbor. Weight 8 pounds 3 ounces. Mrs. Gates was a former teacher at the Starkweather school.

Mr. and Mrs. Glenn H. Schroeder of Pine street are receiving congratulations on the arrival of their daughter, Cathryn Irene born Thursday, August 23 at the Garden City hospital. She weighed 6 pounds 3 ounces. Mrs. Schroeder is the former Margaret Jackson.

Local Woman Receives Honors at Gladioli Show

The gladioli that Mrs. Arnold Samuelson exhibits at the Southeastern Michigan Gladioli Show in Ray Whyte's Chevrolet sales room on E. Jefferson avenue, Detroit, won five ribbons for her. Mrs. Samuelson, who resides at 3070 Canton Center road, won one first place and four second place ribbons. Included in the varieties displayed were the Picardy, Citation and Florence Nighengale gladioli.

This is the more gratifying to Mrs. Samuelson because of the keen competition at the flower show. Large growers from all over the U. S. and Canada exhibited their plants.

Her husband, Arnold Samuelson, is corresponding secretary of the Southeastern Michigan Gladioli society.

The young man interested in making farming his life's work can get a booklet from his county agricultural agent which describes various short courses available during the slack winter season. Or he can write to the Department of Short Courses, Michigan State college, East Lansing.

Lose Something? FIND IT WITH OUR WANT ADS

MRS. FRANCES SANDERSON, chairman of the home economics department at Wayne University, Detroit, presents a certificate to Norman Marquis, of Marquis Fine Foods, Plymouth, for completion of the course "Restaurant Operation and Management." Mrs. Jean Voorhies, assistant professor of Institution Administration at Wayne, looks on. Mr. Marquis was one of 45 restaurant owners to complete the university course.

Patricia Dudley Wed in Saturday Morning Ceremony

Patricia Jean Dudley, daughter of Mr. and Mrs. Thomas E. Dudley of Sunset avenue and George Wesley Handyside repeated their marriage vows before the Reverend Father Mooney last Saturday morning at an impressive eleven o'clock ceremony at Our Lady of Good Counsel church. George's parents are Mr. and Mrs. Wesley G. Handyside of Farragut avenue in Wayne. Large baskets of white gladioli were centered on the altar and also at both sides forming a perfect setting for the rites. Mrs. Clyk presided at the organ.

Patricia chose a gown of white nylon marquisette with a very full skirt over white net and satin. The long sleeves extended to points at the wrist. Her fingertip length veil of scalloped illusion was held in place by a coronet of mother of pearl orange blossoms and she carried a crescent shaped bouquet of white gladioli centered with a single white orchid.

The bride asked her sister, Joan Dudley to be her maid of honor. She wore pale pink net and lace over taffeta with a matching hat and cape and carried a sheath of matching gladioli. Miss Jacqueline Showers was Patricia's bridesmaid and wore pale blue net and lace over taffeta. Richard Kinsey of Ann Arbor was the best man and the usher was Edward Bredon of Wayne.

Mrs. Dudley selected a gown of embroidered nylon marquisette net over taffeta in coffee shade with which she wore pink accessories and a pink rosebud corsage. The bridegroom's mother had a corsage of pink roses and white carnations which she wore with her navy blue flowered print dress.

Following the ceremony a wedding breakfast was held in the

church hall for 80 guests coming from Wayne, New Boston, Detroit, Flint, and Plymouth. The young couple are honeymooning in the Upper Peninsula after which they will be at home at 725 Evergreen street in Plymouth. For traveling Mrs. Handyside wore a navy blue suit with white accessories and the orchid from her bridal bouquet.

Vegetable Field Day Offers Tour of New Research

An opportunity for a first-hand view of vegetable research at the Michigan Agricultural Experiment Station, East Lansing, is offered growers who attend the annual Michigan Vegetable Growers' Field Day at Michigan State college, September 5.

J. W. Rose, MSC vegetable specialist, says that a comprehensive program is planned. Of special interest this year will be the work of Dr. S. H. Wittwer, MSC research horticulturist, using the new chemical maleic hydrazide. This chemical is used to increase storage life of potatoes, onions, and other root crops.

Dr. Wittwer has treated onions from the 1950 crop that are still solid and show no sprouting. The onion and potato plots treated with maleic hydrazide will be ready for harvest on September 5.

Extensive irrigation trials, conducted by Dr. R. L. Carolus, MSC research horticulturist in cooperation with the Department of Agricultural Engineering, will be shown and discussed. Crops irrigated include cabbage, cauliflower, brocc, sweet corn, tomatoes, lima beans, and a fall crop of head lettuce. The research brings out many of the effects irrigation has on rates of fertilizer applications and on spacing.

The field day will include variety trials on cucumbers, melons, tomatoes, sweet corn and beans. Disease and insect control plots will also be visited.

Growers wishing to visit the MSC Muck Experimental Farm to examine celery variety trials should meet at the MSC Horticulture Building at 10:00 a.m. Bus transportation will be provided and the group will return in time for lunch. Those not interested in visiting the muck farm should gather at the Horticulture Building at 11:00 a.m. Growers may bring a basket lunch for the noon hour.

After exploding 5 cases of dynamite in the city park, producing a blast that damaged 100 buildings and could be heard 15 miles away, a man in Ellsworth, Kans., jail protested that all he'd been trying to do was "to wake up the town."

Carefully leaning out to see the way as he backed up his car, a motorist in Newport News, Va., was jolted out when a rear wheel hit a curb then run over by his front wheel before he could get off the ground. He was reported doing well.

In Chicago, after his wife explained why she was bringing suit for separate maintenance, Richard Michalak received, among more than 500 suggestions for snoring, suggestions that he 1) eat three small onions on retiring, 2) have his tonsils out, 3) drink goat's milk with all meals, 4) get some blood transfusions, 5) wrap a rubber tourniquet around his neck.

Kiwanians See Film; Take Trip to Ball Game

The Kiwanis club members were delightfully entertained Tuesday evening by Reverend Edgar Hoenecke, who showed a film of his trip to Africa last year. Carl Lewis was chairman of the program.

Last week over a hundred Kiwanians and guests went by bus and car to the Detroit-New York baseball game in Briggs stadium. They saw the hapless Tigers get walloped by the Yankees.

Kenneth Corey took along a three-gallon jug of iced lemon and orange juice which proved very popular to the many thirsty throats around him.

Duane Parkes was in charge of the tickets and transportation.

Rotarians Hear YMCA Man Impersonate Clown

Arthur L. Crampton, General Secretary of the Flint YMCA entertained the Rotarians last Friday at their regular weekly meeting. Robert Wesley was chairman of the program, and introduced Mr. Crampton as Joe Hanford, the world famous circus clown.

Many of the Rotarians earnestly believed they were listening to the famous clown. The impersonation was perfect, and Mr. Crampton gave an interesting talk on outstanding circus stories which was received with much interest and pleasure by the listeners.

Something you want to sell?—Use a classified.

Mr. and Mrs. Melvin Alguire left Friday for San Francisco, California, to visit their son and daughter-in-law, Mr. and Mrs. Bertrand Alguire. They will return about October 15.

Jane Smith of Gotfredson road will spend a few nights at East Lansing at the 4-H Fair where she will exhibit her spice shelf.

Fourteen members of the Past Matrons Club enjoyed a luncheon at Rotunda Inn on Pine lake last Thursday.

For safety's sake, never refuel a tractor while the motor is running or extremely hot. Check fuel lines for leaky connections too, advise MSC agricultural engineers.

WHAT'S HAPPENING? . . . A couple of inquisitive steers inspect the wreckage caused when a cattle truck and a light truck collided on a turnpike near Pittsburgh, interrupting their trip to the slaughter house.

WHAT I THINK AND HAVE A RIGHT TO SAY

(Continued from page 1)

time work in one of the Stalin satellite countries. He is in prison and unless something happens pretty soon, he will probably die there.

For this whole insipid mess we are in, blame the New Deal and the Fair Deal. It was the New Deal which opened wide our doors and extended the glad hand to Russian spies, saboteurs, murderers, and trouble makers. That happened when against all warnings by former Presidents Coolidge and Hoover, Roosevelt said to Joe to come and get whatever he wanted to know and whatever he needed.

The editor of The United States News suggests that we treat Russian newspapermen in this country just as our men have been treated by Russia—as SPIES, which in the Russian case is exactly what they are.

NOT ONE WORD OF COMMENDATION.

It was some weeks ago when Schuyler Marshall of St. Johns retired as a member of the Michigan Public Service Commission. His term was up and he chose not to serve a day longer than necessary under the blabbering administration now in control at Lansing.

From a personal observation over many years we know of no member of the Michigan Public Service Commission who did a more commendable job of honestly serving the public interest than did Schuyler Marshall.

The position is one dealing with Michigan's great public service organizations, concerns like The Detroit Edison Company, The Consumers Power Company, The Michigan Bell Telephone Company, transportation systems and other public service companies. Michigan has without question the best managed public service corporations in the country—and the people of this state enjoy by far the best public utility services in the nation.

On the other side of the picture Michigan's state government right now is governed by an heir to a fortune of millions of dollars who never held an executive job of any kind and who thinks it cute to pose as a champion of "the poor classes" that helped to create the fortune soon to become his because they "the poor classes" paid for the soaps, shaving powders and face lotions at prices FIXED BY THE COMPANY making these products that was NOT regulated by some public service commission.

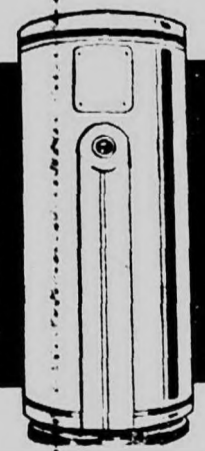

A member of the Michigan Public Service Commission serves as a sort of "buffer" between the public and the utilities that serve the state—in fact he is a sort of referee, one who endeavors to see to it that justice is meted out to those that provide the services and those that buy the services.

The four-flushing politicians created in their efforts to get votes some difficult problems for Commissioner Marshall, but no ONE, not even the blabbering Governor, can say that Marshall did not do what he believed to be for the best interests of all of Michigan.

Here is one Michigan citizen who isn't afraid to say to our gadding Governor and the entire state of Michigan that to our way of thinking Schuyler Marshall served Michigan in a difficult position in a MOST COMMENDABLE WAY. He's not our pat on the back, to which he is rightly entitled.

Local Attorney Takes AF Course

Major Clifford Manwaring was one of 71 officers who recently received diplomas from the Air Command and Staff School's second Judge Advocate General course at Maxwell AF Base in Mississippi.

Graduation exercises were held at 10:30 a.m. in Harmon Hall. Major-General Reginald C. Harmon, judge advocate general, USAF, spoke to the graduating class.

The purpose of the Judge Advocate General course is to provide selected legal officers with a current and effective understanding of the staff duties of a judge advocate, his relationship to the commander and to other members of the commander's staff, and to ensure professional proficiency in the administration of the law pertaining to the military establishment.

The course was for 12 weeks and is offered by the Air Command and Staff school at Maxwell three times each year.

Major Manwaring is a member of the Volunteer Squadron of Air Force Reserves in Ann Arbor. These Reserves serve without pay.

Major Manwaring is a practicing attorney in Plymouth and resides at 499 Auburn.

Canton Township Man Injured in Car Mishap

Joseph Thomas, 44126 Ford road, narrowly escaped fatal injury Tuesday morning when the brake drum from the car he was repairing came loose and struck him on the forehead. Thomas was thrown several feet by the blow.

He was working under the front end of the car when the accident occurred. Mrs. Thomas took her husband to Beyer Memorial hospital, Ypsilanti, where 15 stitches were taken in his forehead. Nurses at the hospital reported that Thomas spent a comfortable night.

"I REMEMBER"
BY THE OLD TIMERS

From E. E. Meredith, Fairmont, W. Va.: I remember when nibbling a bit of dried orange peel in a sick room "prevented" you from contracting a dread disease.

From Margaret Parmenter, Niles, Mich.: I remember when a school girl we children drank from a wooden pail out of the same tin cup; when we had to walk on wooden sidewalks; when spring came in March and we had no sewers, causing the water to run deep in the gutters, and we children would wade in it; when the milkman rang his bell out front and you could take your pitcher and get a pint for a penny; when mother would make soft soap from lye and fat rinds; when the cows could roam the streets at will.

From E. C. Wyatt, Elkins, W. Va.: I remember when all barrels, kegs, tubs, churns and milk vessels were made by hand. The man who made them was called a cooper. Gallon milk vessels were called piggins and the two gallon sizes were called keelers.

From Mrs. Lily S. Radley, Peoria, Ill.: I remember when men and women wore only closed-face watches which they wound with a key. These keys fitted into two small metal square pegs in the face of the watch.

From Charma Pierce McNew, Blackford, Va.: When mother went visiting one day I decided to ride the old razor back hog. I got mother's bustle and tied it on the hog's back and rode until the hog got hot and ran into the pond. Mother was never able to get the mud out of that bustle.

(Mail your memories to The Old Timers, Box 340, Frankfort, Ky.)

Michigan is the nation's fourth largest producer of maple sugar and syrup. In one recent year, the value of these products from the state's sugar bush country totalled nearly one million dollars.

Reverend Glenn M. Frye Religious Camp Leader

A local resident, Reverend Dr. Glenn M. Frye, assistant to Bishop Marshall R. Reed of the Methodist church in Michigan, will be one of the leaders of the Christian Life Camp at Camp Judson Collins in the Irish Hills Sunday, August 26 through Friday, August 31. A special resource leader will be Norman E. Elliott, editor of "Clear Horizons," St. Paul, Minn.

Elsie, The Cow to Be at State Fair

The Michigan dairy farmer will have an opportunity to meet one of his best friends August 31 through September 9 when Elsie the Cow appears at the Michigan State Fair. With her will be her bull calf son, Beauregard, and her husband, Elmer. The trio will be appearing in a three-ton barn-colonial boudoir.

Despite their apparently luxurious surroundings, Elsie, Elmer and Beauregard live much the same life as other farm animals. On the cross country trips, of course, they are on exhibit most of the day in their boudoir. But three 4-H club boys travel with them to take care of feeding, cleaning, exercising and milking. They are never left alone. There's always a 4-H boy near the animals. Their diet is the standard diet for dairy cattle. When not traveling, these purebred Jerseys live on the rolling acres of Moorhead Farm, near Albany, N.Y.

The appearance of the world renowned Elsie, Elmer, and Beauregard marks only one of the many features of this year's gala State Fair, which is being dedicated to emphasizing that Michigan is a great agricultural state.

In Victoria, Brazil, after a pregame frisking of the 22 players on two rival football teams, police impounded an assortment of 26 knives and revolvers.

Chrysler Executive to Speak at Rotary Friday

Chairman Frank Henaerson states that a very interesting speaker has been obtained for tomorrow's regular Rotary meeting. John Haien of the Executive Staff of the Chrysler Corporation will discuss the subject, "Tomorrow's Business Leaders."

Mr. Haien is president of the Junior Achievement of South-eastern Michigan and a member of the National Board of Junior Achievement. Mr. Haien is not a stranger to Plymouth Rotary, having talked here three years ago. He is a member of the Ann Arbor Rotary club. The speaker

will be introduced by Robert Marsden.

Chairman Frank Henderson states that members may invite "key" men from their respective organizations, but suggests that they phone the hotel, in advance, if they bring any guests.

In Hillsboro, Texas, arrested for carrying a pistol, Larry Steh-el, 20, said in defense: "I thought all Texans wore guns."

Thoroughly discouraged, a man in Mitchell, Ind., advertised in the local newspaper: "The party who took my gun, shells, and game bag from my car may also have my bird dog."

Improved Feeds May Help Cure Turkey Ailment

Improved feeds may be the answer to big hock trouble in turkeys, according to William A. Aho, extension poultry specialist at Michigan State college.
He reported that Cornell University researchers have uncovered evidence that certain samples of fish liver oil reduces the amount of an essential chemical called creatine, in the muscle causing big hock trouble.
They have corrected the turkey ailment with rations containing 5 percent dried brewers yeast and 0.1 percent choline, betaine or methionine.
The trouble has arisen in some Michigan flocks of broad breasted bronze in confinement, Aho said. The hocks of the large toms develop soreness and become lame. Birds in this condition do not maintain or increase their weights since they cannot feed normally.

Former Club Presidents Hear Cass S. Hough Address Detroit Rotary

When Cass S. Hough of the Daisy Manufacturing company spoke before the Detroit Rotary club last Wednesday at the Statler hotel, he had the unusual experience of having four former presidents of the Plymouth club sit with him at the speaker's table. Most of them had gone to Detroit to make up a Rotary meeting, but when it was discovered that the Daisy official was to be the speaker, all the former presidents were asked to sit at the head table. In the group was Charles H. Bennett, who served as one of the very early presidents of the Plymouth club, Edward C. Hough, another early president, Harold Curtis and Russell Daane. The speaker made five former presidents of the local Rotarians at the meeting, as Cass had served also as president a few years ago.

Halverson Family Hold Annual Reunion Sunday

The beautiful lawn of Mrs. Hugh School of 185 S. Harvey was the scene of the Halverson family reunion Sunday, August 26.
The many relatives enjoyed a lovely dinner on the attractive tables placed about the lawn.
Out-of-town relatives included Mr. and Mrs. Ray Halverson and two sons of South Bend, Indiana, Mr. and Mrs. Cecil Prarie and three sons and daughter of Momence, Illinois. Mrs. Winifred Johnson of South Bend, Indiana, Mr. and Mrs. Harry Frames of Calumet City, Indiana, Mr. and Mrs. Charles Bridegroom of Crown Point, Indiana, Mr. and Mrs. Earl Lucas and daughter of South Bend, Indiana, and Miss Barbara Cutler of Momence, Illinois.

Local Girl Goes to Conference for Methodist Youth

Pearl Kennitz of Plymouth First Methodist church was among the 5,000 delegates at the fifth quadrennial National Convocation of Methodist Youth held at Purdue University, LaFayette, Indiana, August 27-31.

High school and college students came from 48 states, Alaska, Hawaii, Puerto Rico and Cuba, representing their local church youth fellowship or state and regional chapters of the Methodist Student Movement.

The convocation theme, "Christian Living in Our Time," was carried out through morning platform talks plus 24 afternoon workshops on church fellowship, Christian vocations, youth problems, social action, and national and world affairs. Jameson Jones, 22-year-old president of Methodist youth, was the director of the convocation.

Keynote speakers included the Rev. Donald O. Soper, colorful clergyman of London, England; Kirby Page, author and social analyst of La Habra, Calif.; Dr. W. Aiken Smart, associate dean of Candler school of Theology, Emory University, Atlanta, Ga.; and Mrs. M. E. Tilly of the Southern Regional Council, Atlanta. Dr. I. H. D. Bollinger, head of the Methodist student department of the Board of Education, was the platform coordinator.

Pearl is the chairman of the Community Service Commission of the Detroit Conference of Youth Fellowship. She is also chairman of Ann Arbor District and President of the local Fellowship in Plymouth.

Salvation Army Report Sale of Former Building

The Salvation Army announces the sale of their building to Mr. and Mrs. James Honey of Adams street.

Until the new building is completed, all Sunday services beginning September 2, will be held in the Oddfellows hall on Elizabeth street.

Record Numbers at Bible Classes

The Calvary Baptist Church on Ann Arbor trail has closed a very successful week's session of their summer vacation bible school.

According to Reverend J. Clifford, pastor of the church, attendance for the week was the highest ever had by the church.

One of the most popular members in attendance was a horse, owned by William Schneider of Elgin, Illinois. It was definitely not an ordinary horse, as the youngsters quickly found out. As an authority on the bible, he is without peer in the animal kingdom.

Ranger, as the horse is called, cannot talk, of course, but he answers any question put to him which requires a number. He told the youngsters how many apostles there were, how many gospels there are, and a host of other biblical information. In addition he performed several problems in addition and division, shook hands, and imitated children chewing gum in church.

The closing program of the session was held Friday night, and on Monday, Ranger left for home. He left behind him over 300 children who are convinced that all horses are not "dumb" animals.

A. J. Lock Named Church Delegate

Mr. A. J. Lock has been chosen to represent the Plymouth Seventh Day Adventist church at the North American Laymen's Congress at Grand Ledge, Michigan, August 29 to September 2.

Mr. Lock is the local Elder and Missionary Leader of the Plymouth church which carries many lines of Christian endeavor work such as studying the Bible with non church members interested in learning its teachings, literature distribution, and he very recently organized a class in connection with the Red Cross First Aid work with persons of many other denominations represented in this city as members, as well as members of his own congregation. (He received word from the Red Cross instructor, who took charge of the class, that every one part of the organization with a high percentage.)

More than 1,000 people are expected to attend the weekend meetings of this first national laymen's meeting ever held by the church. They will include 2,400 Official delegates chosen from among the most active Adventist laymen.

Practical instruction in house-to-house visiting, welfare work, holding Bible classes and cottage meetings, distributing literature and other lay activities will be featured in daily work shop periods.

Plans are being made for 3,000 visitors at the congress to visit every home in nearby Lansing in an effort to encourage greater study of the Bible. Going out two by two, the laymen will have prayer in homes where it is desired and offer the opportunity of enrolling in a free Bible correspondence course.

Guest speakers at the congress will include Senator John W. Bricker of Ohio; Michigan's Governor G. M. Williams; the Adventists' world president, Elder William H. Branson of Washington, D. C.; and other church leaders from this country and overseas.

The four-day program will culminate in a communion service on Sunday night when laymen who have been active in soul-winning work will receive emblems carrying the figure "120," symbolic of the early Christian believers who went out to spread the gospel with fervor after they received the Holy Spirit in the upper room at Pentecost.

Mrs. Lock will also be present at the congress with her husband as a visitor.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. That Christ Jesus came in fulfillment of prophecy is clearly brought out in the Lesson-Scripture to be read in all Christian Scientist churches on Sunday, September 2. The Golden Text is from John (5:19): "The son can do nothing of himself, but what he seeth the Father do." Among the Bible citations is this passage, (John 2:5): "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth." (In related passages from Science and Health with Key to the Scriptures.) By Mary Baker Eddy include: "The advent of Jesus of Nazareth marked the first century of the Christian era, but the Christ is without beginning of years or end of days." (1, 2:3)

In Downey, California, a profligate ignored the money in the local high school's safe, took only the 120 filled-out report cards.

At Camp Becht, Va., after calling some bad ones as impure in a post soft ball game, Private Noel Fuqua was escorted from the field by a protective squad of sergeants, three days later got his discharge from the Army for poor eyesight.

We have just received a new shipment of Holgate educational toys and Helen Pess Little Lady's Very Own Toiletries. So come in and shop for the little folks.

A young Hollywood model who offered to give blood to the Red Cross was asked for her blood type, and she said, "Oh, I guess you might say it's sultry." Well... it's back-to-school time again, and the youngsters will be needing those readin', writin' and arithmetic materials. As usual, we're stocked to the ceiling with the things your kiddies will be needing. So come in and browse around at PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2080.

USE ANDERSEN Windowwalls Let us show you the many beautiful combinations of Andersen stock wood window units that are known as windowwalls. Together we can plan a pleasing window installation for your home. See us today.

Adventists Back From Camp Meet

Mr. and Mrs. Fred H. Otto of Cadillac road, Plymouth, Michigan; Mrs. Stanley Denksi and daughter Sheryl, Mrs. Henry Denksi, David and Mary Ann Denksi of Lilley road returned last weekend from Grand Ledge, Michigan where they have been in attendance at the annual Seventh Day Adventist Camp meeting, August 15 to 26.

Other weekend visitors at the camp meeting were Mr. and Mrs. J. E. Johnson and family, Mr. and Mrs. Donald Button and sons, Mr. and Mrs. David M. Campbell and children, Mr. and Mrs. James Kalvoda, Mrs. Olive Troyer, Mr. and Mrs. A. J. Lock and many others from this community. Mrs. Newton V. Gould accompanied Mr. and Mrs. Button as a guest.

Sunday, August 19 a large Blood Unit came to the camp ground to receive blood donations. They had set their goal 500 pints and they were astounded at the willing response from the Adventist people for the first count was 612 pints. This broke all previous records as on their largest single day they had only received 241. This large blood donation was flown directly to Chicago to be converted into plasma and then it was to be sent direct to Korea.

NEWBURG METHODIST CHURCH, 9614 Newburg road, Phone 761-J. Robert D. Richards, pastor. Rev. Richards will preach on the topic—"The Gospel of the Three Gospels" at the 10:00 a.m. service of the Newburg Methodist church on Sunday. Sunday school will be at 11:00 a.m. with classes for every age.

JOHN DUKE — Owner

ST. PETER'S EVANGELICAL LUTHERAN CHURCH, 261 Spring St. Edgar Hoenecke, pastor. Seventeenth Annual Harvest Home Festival, September 9, 9:30 and 10:45. Sunday school at 9:30 at the church. Please arrange to bring produce from your farm or garden for the display on Saturday morning, September 8. Despite all the dark pessimistic forebodings last spring, the Lord has provided a most bountiful crop. For this we ought to be very thankful. That thanks ought to be shown in our songs and prayers of thanksgiving on Harvest Home. How ungrateful and neglectful we would be to accept all these bounties, and to neglect the thanks for them. The Harvest Home produce will be taken up to the Michigan Lutheran Seminary at Saginaw on that Sunday when we attend the dedication of the new administration and gymnasium building on that day. The Lutheran Day School will open on September 5. The enrollment is 109.

REORGANIZED CHURCH OF JESUS CHRIST of Latter Day Saints, Services in Masonic Temple, Union St. at Penniman Noble Gault, pastor. 18475 Floral, Farmington, Sunday services 9:45 a.m. Church school, with classes of interest to all age groups, 11:00 a.m. Communion services. There will be no 7:30 service in Plymouth but you are invited to attend the Lola Valley mission, Wednesday evening service will be announced Sunday. We extend a sincere invitation to you to meet with us in worship and study.

FIRST PRESBYTERIAN CHURCH, Reverend Henry J. Walsh, D.D., Minister. The combined Methodist and Presbyterian congregations will meet together for the Summer Services will be held each Sunday morning during August and the first Sunday in September in the Methodist church at 10:30 a.m. Dr. Walsh preaching. This is the last of our summer union services. Beginning with Sunday, September 9, we will resume services in our separate churches at the usual hours.

OUR LADY OF GOOD COUNSEL CHURCH, Wm. P. Mooney, pastor. Masses 6:30-10:12. Confessions Saturdays 3:30 to 5. 7 to 9.

CHURCH OF THE NAZARENE, Holbrook at Pearl St. Sunday School, 10 a.m., with classes for all ages. Special room for those with small children. Morning worship and junior church at 11 a.m. Special guest speaker for the day will be Rev. H. T. Mills of Owosso, Michigan. Rev. Mills was president of Owosso Bible college for 14 years. You will enjoy his ministry at 11 a.m. and 7:30 p.m. The evening service begins with a young people's prayer meeting at 6:15. At 6:45 the adult prayer meeting and the youth service. UNCORKING THE NEWS

By Carl Peterson

It seems there are more ways to get into an argument than there are to un-balance a budget. But a prime favorite in these closing days of the baseball season concerns the World Series. In the Nat. League the Brooklyn Dodgers have been packing the field all the way... and if they can stay on the ball they ought to be in. Of course, last year they blew their hopes on the final game of the season. In the American League the White Sox were going like a house afire, till the firemen arrived. Now it looks more like Cleveland, N.Y. or Boston. Anybody got an old crystal ball handy?

Olds Loses Extra Inning Final

The Beglinger Olds team saw plenty of action in the state tournament at Marshall last week when they played 6 games in three days—the finals one being a 15-inning affair with Allen Park winning on a homerun with the bases loaded.

Plymouth drew the worst possible breaks in the draw and were forced to play Albion twice and Allen Park three times after having beaten each in the early rounds. Three games Sunday—July four as the final went 15 innings—were too much for any team to be expected to play in

one day. Walter Beglinger, the Olds sponsor, played the final games under protest because the way the tournament draws forced Plymouth to play Albion twice and Allen Park three times when Albion and Allen Park had not met during the tournament. The rules appear to be legal, but definite changes should be made to eliminate any possibility of such a situation happening again.

Plymouth defeated Roseville 1 to 0 on Friday, when "Gabby" Street limited Roseville to two hits.

In the fifth inning Schultz walked and with two out, Dobbs hit a fly ball to the left fielder who dropped the ball for an error permitting Schultz to score the only run of the game.

Saturday saw Plymouth beating both Albion 9 to 2, and Allen Park 5 to 3.

In the Allen Park game all the local runs were scored in the fifth inning on home runs. Dobbs hit a three-run homer to tie the score at three all, and Leikweis followed with a two-run homer to score the deciding runs.

Trombley started for Plymouth and Street came on in the third inning with Plymouth trailing 2 to 0.

In the evening game Trombley pitched the entire game for Plymouth, and the whole team backed him up in a free-hitting contest to win 9 to 2 against Albion.

Albion drew a bye Sunday and at 11 a.m. Plymouth was defeated

by Allen Park 2 to 0. Street pitched the entire game for Plymouth.

Another draw saw Allen Park getting the bye, and Plymouth playing Albion at 3 p.m. The locals won this game 9 to 0 and eliminated Albion from further play. Street pitched his second game of the afternoon, and the Olds hitters blasted out 15 hits in this game.

At 5 p.m. Plymouth played the third game of the day—a thrilling 15-inning marathon which saw Allen Park win the title when a player smashed a homerun with the bases loaded and two out in the 15th inning.

Trombley hurled a beautiful game for Olds and went all the way.

Both teams had several chances to win the game, but sterling defensive play halted each attempt. Olds filled the bases in the

12th inning with one out when Wildie lined what looked like a sure hit to center, only to see the centerfielder make a sensational catch and double Schultz off second base.

Jack Dobbs and Harold Williams missed these Sunday games, as they came back to play with First National in the Inter-County playoffs Sunday.

Beglingers had had breaks with the draw and did not gain a single bye during the tournament. They gave a good account of themselves in every way and Plymouth can well be proud of the Olds team. Street and Trombley pitched beautiful ball and their support was of the best. It was just too much to ask any team to play what amounted to four games in one day.

They received a travelling trophy as runnersup in the state tournament.

Beglinger Downs All-star Outfit

In a practice game following the championship game in the Old Timers' league, Beglinger Olds, winner of the Open league, defeated a pickup team of all-stars 8 to 5 Tuesday, August 21.

The Olds team had to come from behind in the sixth inning to win this one. In the sixth they scored four times to take the lead.

Nagy, regular pitcher for the Whitman-Barnes team in the Inter-county league, held the hard-hitting Olds men to four hits, but an error, two walks and a hit batsman, plus a three-base hit by Bogoff and a single by Hunt in the sixth inning meant his downfall.

Trombley pitched the first five innings for Beglinger and was the winning pitcher. Street pitched the last two innings. "Muggs" Hunt had two hits for the winners.

The makeshift team of all-stars outdid Olds 6 to 4. Roy Williams and Nagy each had two hits for the losers.

This was a tune-up game for Beglingers before they went to the state tournament at Marshall.

Daisy Loses Out 3-2 in State Finals

Our Daisy team lost a heart-breaker in the Class D finals of the Michigan Recreational Association tournament at Pontiac last week to Grand Rapids by a score of 3 to 2.

The high wind that day proved assist to Grand Rapids in winning this game, for with the score tied in the last inning and a man out, the next batter hit a sharp single to right—the right fielder made what normally would have been a perfect throw to third and may have cut the runner down by ten feet, but the wind caught the ball and took it out of reach of the third baseman. This proved to be the winning run.

Quatrow pitched a beautiful game for Plymouth, allowing only three hits and striking out five men.

Daisy collected only three hits, also, one of them being a double by Avadesian.

Kids Have Lots of Fun at 2nd Annual Fish Rodeo Derby

The Optimist club's annual Fish Rodeo proved a big success, except for the fish, they failed to cooperate. The largest (heaviest) legal fish caught was by Bruce Wood, age 8, who was proclaimed "King of the Rodeo." The Queen was not successful the first try, which made it necessary to continue the rodeo for the girls the next day. Four girls went out to Phoenix lake, but only one girl could get a bite, Dianne Robertson, nine year old daughter of Mr. and Mrs. James S. Robertson of Holbrook, was the lucky girl, when she landed a 1 1/2 ounce bluegill.

Thirty-six boys and girls, between the ages of 8 and 16 inclusive, went to Kent lake Wednesday, August 22, as guests of the local Optimist club, assisted by the Recreation Department, and fished for two hours for the wily denizens of the deep. Bruce's championship fish was a 2 ounce bluegill, caught and landed all by himself. His reward, as was Deanne's, was a complete Shakespeare casting outfit which included a nice rod, reel, line and pliers.

This rodeo is the final get-together of our local young fry which terminates our Day Camp season and "Better Fishing, Inc." Club, which began June 11, 1951. Prizes have been made possible through the affiliation with the national organization of "Better Fishing, Inc." and were donated this year by the Shakespeare and Ashaway companies.

About 450 cities in the country are affiliated with this organization. Illinois leads the nation with 37 cities—Michigan has 19 cities.

"Better Fishing, Inc." is a non-profit organization and serves to stimulate interest in fishing on the part of municipal authorities and cooperating civic service organizations as a recreational means of building good health and strong character, and teaches conservation and good sportsmanship to boys and girls throughout the nation, thus creating in the minds of youth a better understanding of the values found in the great outdoors.

Several mothers and members of the local Optimist club were on hand to supervise and assist, where needed, for the duration of this swell party for the kids.

Boy Scouts Treated to Tiger Baseball Game

Twenty club scouts of the Presbyterian church Park 4 enjoyed a Tiger baseball game at Briggs Stadium Thursday, August 23.

The local scouts who enjoyed this thrilling experience were Larry and Lee Burda, Billy and Donald Conover, David Wickens, Larry Smith, Jay Sells, Sam Kishoff, Billy Risher, Donald and Jimmy Carney, John and Eric Smith, Tommy Rollin, Dennis Ray, David and Jimmy Conrad, Mayne Jewell, Bruce and Bernard Curtis.

The scouts were accompanied by Mrs. Clifford Smith, Mrs. Jack Sells, Mrs. Ralph Ray and Mrs. Boyd Rollin.

In Chattanooga, Moonshauer William Cardin was placed on two years' probation after he defaully told the court that he burned his first batch, spilled kerosene in his second, did so badly the third time that he asked arresting reverends: "How in the world is mash supposed to look when it's ready?"

Optimist Club Golfers Compete in Tournament

Four members of the Plymouth Optimist club competed in the District Optimist Golf tournament at the Jackson Country club Tuesday, August 28.

The local members represented Plymouth were: Bill McAlister, Arthur Johnson, Bob Brown and Herb Woolweaver.

Luncheon was served at noon in the clubhouse.

A victor's dinner, at which time trophies and prizes were awarded, was served for all contestants in the evening.

This Week and All of September

Sports Glances

Bob Feller won his 20th game of the season for the Cleveland Indians last week, and thereby rejoins the select 20-game winners after an absence of three years.

It is the sixth time in his 13 campaigns with Cleveland that he has won 20 or more, a feat surpassed by only four other hurlers in American league history—Cy Young, Walter Johnson, "Lefty" Grove and Wes Ferrell.

Feller could have probably gained many more records, than he will before he hangs up his spikes, if he had not been out of baseball a few years while serving in the armed forces during the last war.

"Rapid Robert" relies more on his cunning pitching head now than he does on the fireball arm he had when he entered baseball. He has developed a sharp curve, which is considered one of the best in the league.

From present indications he will be good for a few more seasons in the big time.

King football is just around the corner. High schools and colleges are dusting off the equipment and getting ready for the fall season.

Stopped around to see Coaches Ketterer and Sandmann putting the boys through the paces last Monday. They look like a lively, determined group, with more speed than they had last year. So far, they have just been exercising and getting off some excess fat gained during the summer months. The serious business of scrimmaging to decide who will be on the varsity will come later.

Unbeaten Rivals Collide Sunday at Riverside Park

In the third round of the Inter-County league Sunday, September 2, First National Bank plays Northville at 3 p.m. in Riverside park. These two teams are the only unbeaten ones in the playoffs, and the winner will be a definite favorite to take the crown.

Six teams remain in the playoffs, the other four—Wayne, Romulus, Gables and Wyandotte—have each lost one game and two will be eliminated next Sunday leaving four teams remaining.

Last Sunday Plymouth won over Wyandotte 3 to 1. Wayne eliminated Garden City 3 to 1. Northville went 10 innings to defeat Gables 6 to 3, and Romulus was forced to go 10 innings to eliminate Waltz 4 to 2.

You baseball fans who haven't been witnessing these playoff games at Riverside and elsewhere are missing some grand ball-bash. These remaining teams are evenly matched, and some good close games result.

Vargha Wins MSC Track Numerals

A former noted track athlete of our local high school recently received his numerals on an outstanding performance on the Freshman track team at Michigan State college. Louis Vargha, son of Mr. and Mrs. Andrew Vargha of 11420 Gold Arbor, was the recipient of the Spartan numerals.

Competing for the State Fresh in the Michigan A.A.U. junior division, Louis won the 100 yard dash, the 220 yard dash and was fourth in the hop, skip and jump event. His best time for the year in the 100 was 10.1 seconds, while in the 220 he reeled off a remarkable 21.7 second dash—just 2 of a second from the State Fresh record.

According to State track coach Schlademan this year's fresh had one of the strongest teams ever to represent Michigan State. Eight freshman records were broken and Vargha's name is on two of them—the Distance Medley relay and the Sprint Medley relay. The fresh won every meet they participated in this year by lopsided scores.

This coming year's varsity team will be composed mostly of these new sophomores. Coach Schlademan is grooming Vargha for the 100, 220 and mile relay events, and expects much of this Plymouth boy in the next spring.

Coach Schlademan added that Vargha had the highest scholastic average of any track man since he has been coach at State. Vargha had a 3.5 (A-) average his first year, and became a member of the Green Helmet, a scholastic society, where one has to obtain a 3.2 average and participate in extra-curricular activities in order to become a member. He is chairman of the booth this society will have at the activity carnival this fall.

He is also a member of the Spartan Guard, an R.O.T.C. honorary club of 75 members, who perform all sorts of precision drills for the military unit.

Vargha's 3000 classmates thought so much of him that they elected him vice-president of the sophomore class for this year.

Louis graduated from Plymouth High school with the class of 1950, where he was one of each Konrad Moising's boys who nearly won the 3500 ft. championship in 1950. He won the 440 yard dash in the state meet, and Plymouth lacked only a few points of gaining the state championship that year. The three years that Vargha, Anthony, Harding, Heinzman, and Becker were with Plymouth, our local team was always up near the top.

Louis was active in sports, debate, and many other activities, along with being a top-notch student while at Plymouth High school, and was awarded a scholarship to Michigan State upon graduation. We expect to hear a lot about Louis in the next three years at State.

Plans Made for Fall by Bow and Arrow Hunters

The 1951 state archery championship tournament will be held September 9 at the Pontiac lake state recreation area.

Some 200 of Michigan's best bow and arrow shooters are expected to compete in the annual contest sponsored by the Michigan Archers Association.

Another big event for the rapidly expanding Michigan bow hunting army will be the second annual broadhead shoot at Lewiston on September 30, the day before the archery season opens. The day of festivities, which attracted 400 archers last year, will include a special feed, contest prizes and a deer drive.

An estimated 1,000 archers, largest concentration in any area, were in the Lewiston area last year.

Michigan had a record 14,670 resident and 815 non-resident bow and arrow hunters in 1950.

High School Begins Football Season Under New Head Coach

The local football season began in earnest Monday when over 60 candidates for the varsity team began limbering up for the opening of the season September 14.

Daily practice sessions are scheduled from 9 to 11:30 each morning and from 2:30 to 5:15 in the afternoon.

Head Coach Ketterer says there is always room for a good football player, and extends an invitation to any one who desires to play football, and has not signed up for the squad, to do so at once.

These are nine lettermen returning from last year's squad—these men who will form a nucleus for this year's varsity are: Bud Lynphear, Bob Keeney, John Britcher, Jim Burger, Al Williams, Bill Runc, Gerald McKinley, Dave Travis, Jack Daggott and Al Nagel.

Many of last year's eleven, that won three and lost four games, graduated last June. The shoes most difficult to fill will be those of Bob Gow, Plymouth's outstanding center of last year, who won All-league honors and was mentioned on several selections for honorable mention on the All-state team.

Coaches Ketterer and Sandmann say the equipment is in good shape, and new white game jerseys have been purchased for this year. White jerseys and blue pants have been designated as home game uniforms, with an all blue outfit for the games away.

Dunn Steel Wins Old Timers' Title

The favored Dunn Steel team in the Old Timers' league had to wage a last inning rally Tuesday, August 21, to win the playoffs in that league. The edged a determined Contractors team, who had come from behind three times to tie, and finally got ahead in the top half of the seventh, only to see Dunn Steel pull the game "out of the fire" in the bottom half of the last inning, and win the game by the score of 2 to 1.

Right fielder Pankow was the hero of this thrilling game when he smacked his only hit of the contest to centerfield with one out in the winning run in the last inning. Kopsenski led off that inning and was safe on an error by the Contractor first baseman, B. Herter, then walked, and after Levy had advanced them while grounding out, Pankow sent them both home with his timely single.

Contractors counted first with two runs in the first inning on hits by Bob Norman and Gillies, a walk to Stevens and an error by Hudson. Dunn Steel came back with three in the second—two of those being forced over the platter by a walk and a hit batter, Levy, first up, was safe on an error and was forced to second by Pankow. Simmons whacked a two-run hit scoring Pankow, L. Herter, walked, and Holmes also walked forcing in Pankow. Herter was out on a force play at third, and Simmons scored. Atchinson was hit by a pitched ball again forcing the bases. Then Hudson walked forcing in Holmes. Kopsenski grounded out, third to first to end the inning.

Five players shared Dunn Steel's honors with a hit apiece. Each played a brilliant defensive game and also socked a triple for the winners. Atchinson was the winning pitcher.

Walker allowed only five scattered hits, but wildness and poor defensive play cost him the game.

Contractors outdid the winners 12 to 5, with Bob Norman getting three hits and Stevens, Gillies, Dickens each getting two. Their big slugger, Shonaman, was unable to be at the game, which proved costly to the Contractors chances of winning the old milk can, which serves as a trophy in this league. Each year the winner's name is inscribed on it so chances are it will be here for a long time yet.

Plymouth Men's Wear

828 Penniman Ave. Phone 2125

PLYMOUTH'S NEW FOOTBALL COACH Charlie Ketterer, seated, and athletic director and line coach John Sandmann shown issuing equipment to some of this year's high school football prospects. Practice began for over 60 boys Monday morning.

First National 2d Round Victor 3-1 Over Wyandotte

First National Bank, Plymouth's entry in the fast Inter-County league, remained unbeaten in the playoffs as they won from a good Wyandotte team by a score of 3 to 1 last Sunday at Riverside Park. This was Plymouth's second playoff triumph and the first loss for Wyandotte. Two defeats eliminates the team from the playoffs—there are still six teams left in the playoffs.

Little Tom Shrake got the decision over Fischer of Wyandotte in a pitcher's duel. Each hurler went the distance and gave up but four hits. Shrake was a trifle wild, walking six, and hitting two batters, while striking out two. A timely double play from Bosman to Schwartz to Bosman helped him out in the first inning after he had walked two men—Bosman grabbed a hot grounder, wheeled and threw to Schwartz to force the runner going in to second, and Schwartz relayed the ball back to Bosman in time to get the batter for a snappy double play.

The first two men up in the sixth inning again got on thru a hit and a walk, but Shrake bore down and made the next three pop up to the infield.

Fischer was wild also, walking eight men, but struck out eight. A hunt that backfired resulted in a double play against Plymouth on third and Shrake on first as a result of singles with one out, when DeWulf tried the squeeze play, but blunted a pop fly which Taylor snagged and tossed to Draheim to double Bridge before he could get back to third.

Plymouth scored twice in the second when Bridge opened with a triple the next two batters went out, but DeWulf walked and Mahaley smashed a single to left scoring Bridge and DeWulf, but Mahaley was thrown out on a run-down between first and second.

A bit of heads-up ball caught Wyandotte napping in the eighth inning to score our final run. Mahaley got a life on Taylor's error, Williams walked and was thrown out at second—Bosne was caught between first and second, but jockeyed back and forth long enough between being retired, to allow Mahaley to score with the third Plymouth run.

Aoki, the bantam centerfielder had two of Wyandotte's hits, a single and a double. Taylor had one, and Mayoras hit a triple after Mantley had walked to score the lone Wyandotte run in the fourth inning.

Bridge was the batting star for Plymouth with two hits in the times at bat, a single and a triple, however, Mahaley's clutch single with two on and two out drove in the two big runs Plymouth needed to win. Shrake got the other Plymouth safety. Dobbs and DeWulf starred on defense with several fielding gems. Mahaley also made a nice scooping catch in the last inning to save a run.

Hold Rites For Elmer C. Huston

Elmer C. Huston, 71, founder of the Huston Hardware Company of Birmingham, died at his home in Birmingham on Friday, August 24.

He had been ill for several months. Born on August 29, 1879 in Plymouth, Mr. Huston attended the public schools here. For ten years he clerked in the Huston & Company Hardware in Plymouth for his brother, Edson O. Huston. He married Frances Mae Brooks at Warren on June 3, 1909.

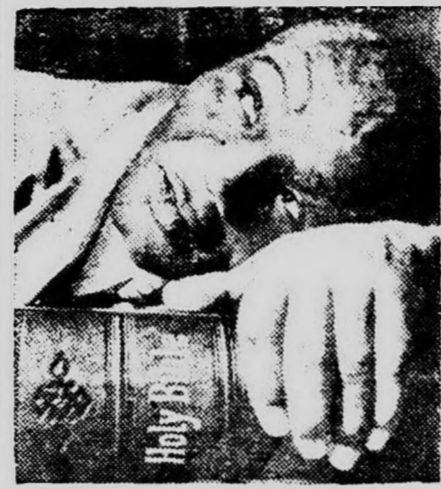

Mr. and Mrs. Huston moved to Birmingham in October of that year when he purchased the Hopps Hardware on Woodward avenue and began his business career there. The business was sold to Paul Kurth in 1940 and Mr. Huston retired. He returned to manage the store while Kurth was with the armed forces and again retired in 1946.

Mr. Huston was a member of Birmingham Lodge 44, F & A M, Pontiac Commandry, K. T., Moslem Shrine Temple, Detroit, Birmingham Y M C A, Michigan Hardware Association, and Oakland Hills Country club.

He was also a charter member of Birmingham Rotary club, who attended his funeral in a body and served as honorary pallbearers. Besides his wife, Mr. Huston is survived by two brothers, Edson and Arthur, of Plymouth; two nieces, Mrs. Orson Atchinson of Northville and Mrs.

Austin Whipple of Plymouth; a nephew, Oscar M. Huston, Plymouth; and six grand-nephews, Arthur Johnson, Edson A. Whipple, and Elmer Huston Whipple of Plymouth, Lee Johnson of Detroit, and Roger and Richard Atchinson of Northville.

The body was taken from the Bell chapel in Birmingham to the First Presbyterian church of Birmingham for services Tuesday morning. Burial was in Riverside cemetery, Plymouth. The Rev. W. Glen Harris officiated.

THANK GOD . . . New Heavyweight Champ Jersey Joe Walcott clutches Bible and gives thanks for his good fortune in winning the championship.

Rites Held For Nankin Resident

Funeral services were held Saturday, August 25, at 2 p.m. from the Schrader Funeral home for Mrs. Anna Gebhardt who passed away Thursday, August 23, after a long illness at the age of 78 years. Mrs. Gebhardt has resided at the home of her daughter, Mrs. Neta McInturff at 7527 Arcola in Nankin Township for the past ten years. Mrs. Gebhardt was a member of the St. Peter's Evangelical Lutheran church of Plymouth.

Her husband, Louis Gebhardt preceded her in death on November 19, 1935. Surviving is her daughter, Mrs. Neta McInturff of Garden City; two grandsons, Robert and Harold McInturff, also her mother, John Mecklenburg of Wayne, other relatives and a host of friends.

Rev. Theodore Sauer of Livonia officiated. Hymns were rendered on the organ by Mrs. Alta Woodworth. The active pallbearers were Kenneth Carson, Jack Yeomen, George Remer, Roy McInturff, William Smith and M. J. Harrington. Interment was in Riverside cemetery.

Hold Rites For Vera McKenna

Mrs. Vera May McKenna who resided at 3012 Five Mile road in the City of Livonia passed away Wednesday afternoon, August 22, after a long illness at the age of 30 years. Mrs. McKenna was a member of the Garfield Park Reform church of Grand Rapids.

Surviving are her husband, Jack McKenna, her two daughters, Shirley Ann and Karen; her parents, Mr. and Mrs. Benjamin Vink, her brother, John Vink and two sisters, Mrs. Plenis Walfert and Miss Ann Vink, all of Grand Rapids, other relatives and a host of friends.

Mrs. McKenna was brought to the Schrader Funeral home at Plymouth, and later taken to the Zaagman Memorial Chapel at Grand Rapids where funeral services were held Saturday, August 25 at 2 p.m. Interment was in Oak Grove cemetery, Grand Rapids, Michigan.

A railroad worker in Superior, Wis., who whacked three of his truck mates with an iron poker, gave the court the following explanation: He suspected that his fellow workers were snoring in Morse code and plotting to attack him.

A 2-year-old girl in Long Beach, Calif., who concocted her own breakfast out of half a bottle of aspirin, a box of laxative gum, part of a bottle of mercurochrome, and half a pint of beauty lotion, was recovering nicely, according to doctors.

Funeral Rites For Jack McLean

Funeral services were held Tuesday, August 28, at 2 p.m. from the Schrader Funeral home for Jack Weldon McLean who passed away Sunday morning, August 26, after a long illness at the age of 25 years. He resided at 359 N. Rogers street, Northville and was a former resident of Plymouth.

Surviving are his widow, Mrs. Norine McLean; his mother, Mrs. Erma McLean, two brothers, Paul and James McLean, all of Plymouth, other relatives and a host of friends. His father preceded him in death in 1947. Mr. McLean attended the

Plymouth High school and the Ford Trade school. He was with the Coast Guard in World War II, and later employed by the Burrough's Adding Machine company.

Rev. Henry J. Welch, D. D. officiated. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were Arthur McConnell, Nelson Pyle, Leslie Hoeft, Floyd Mathew, Lawrence Grimes and Edwin Wall. Interment was in Riverside cemetery.

Special items can be phoned to 1755.

Completes Course at Chicago School

After completing a 36 week residential training program in Television and Radio Servicing, Jerry Shetteroe, 23, of 673 South Main street, Plymouth, has graduated from D-Forest's Training, Inc., 2735 North Ashland avenue, Chicago, one of the largest and best known training institutions of its kind in the country.

Jerry, the son of Mr. and Mrs. George Shetteroe, of the same address, is a veteran of World War II, having served 18 months in the Army. His service took him to the Korean theater of war.

Kenyon-Zipp Rites Solemnized in Petoskey

A profusion of white summer flowers transformed the Petoskey-Bay View Country Club into a beautiful indoor garden for the wedding on Saturday afternoon August 4 of Miss Jacqueline Lee Zipp, daughter of Mr. and Mrs. Wilbur F. Zipp of Petoskey and Ralph J. Kenyon, son of Mr. and Mrs. Earl D. Kenyon of Plymouth. The four o'clock single ring service was performed by the Reverend Harold Jayne of the First Methodist church, Petoskey.

A bank of cedar, huckleberry vine and lemon leaves screened the fireplace before which the marriage vows were exchanged. As the guests gathered immediately following the traditional wedding music Miss Mary Edith Scott organist accompanied Mrs. Thomas Kirk who sang "I Love Thee." As the Reverend Jayne finished reading the service Mrs.

Kirk sang "The Lord's Prayer." The bride, given in marriage by her father, wore an embroidered filmy strapless gown of white imported swiss batiste. With it she wore a matching stole jacket. The bouffant ballerina length skirt was over white taffeta. A Mary Queen of Scots cap held in place her fingertip length veil of illusion. She carried a colonial bouquet of white roses, stephanotis and ivy tied with satin ribbon.

Mrs. Wilbur Zipp of Lisbon, Ohio was the matron of honor for her sister-in-law. She was attended in a ballerina length gown of white net over taffeta and wore a matching garden hat of horsehair braid. Her flowers were a colonial arrangement of shaeta daisies and ivy.

Katherine Conway was the flower girl. Her ballet-length frock was of white organdy trimmed with ruffles from the same material as the brides gown. A cluster of pale yellow rosebuds was worn in her hair and she carried a tiny yellow umbrella of taffeta from which she dropped daisy petals.

Robert Kenyon served his brother as best man and the ushers were the bride's brother, Wil-

bur Zipp, Jr., and another brother of the bridegroom, George Kenyon.

For her daughter's wedding, Mrs. Zipp chose a beige suit dress of linen and lace. She wore dark brown accessories and had pinned to her shoulder a corsage of brown gladioli buds. Mrs. Kenyon wore a corsage of pink and white rubrum lilies as a compliment to her linen gown and picture hat of blush pink.

Immediately following the ceremony a reception was held for over 200 guests. As the bridal couple left for their two weeks Canadian and eastern trip, Mrs. Kenyon was wearing an ivory linen suit, a dark red sweetheart rose corsage and navy blue accessories.

The bride is an alumna of the University of Michigan and a member of Delta Zeta sorority. Mr. Kenyon received his master's degree in 1950 from the school of Engineering at the University of Michigan and is a member of Phi Delta Theta fraternity. During the last war he served as a lieutenant junior grade and now is in the naval reserve. At present he is assistant city manager in Clawson, Michigan.

Barbara Finnegan Honored at Bridal Shower

Miss Barbara Finnegan was honored last Thursday evening at a bridal shower given by Miss Joan Cavell in her home on West Ann Arbor road. Guests included Shirley Aitchison, Nancy Schoultz, June Crisp, Margie Tait, Sally Holcomb, Alice Reddeman, Ilene Powers, Doris Rose, Marilyn Karnatz, Doris White, and Pauline Beil. This was a combination personal and miscellaneous shower and Barbara received many lovely and useful gifts.

Doris Rose Feled at Bridal Shower

Miss Doris Rose was honored at a bridal shower last Monday evening, given in her honor by Miss Pauline Bell and Miss Ilene Powers. The guests around 25 guests present. Doris received many beautiful gifts. They played "Crazy Bunco" and later had a lunch.

Parents Announce Daughters Engagement

Mr. and Mrs. James A. Darnell of Northville road announce the engagement of their daughter, Hazel to Dale Blackmore, son of Mr. and Mrs. Oren Blackmore of Canton Center road. No date has been set for the wedding.

O.E.S. NEWS

Plymouth Chapter will open their activities for the fall with a regular meeting to be held on Tuesday, September 4 at 7:30 p.m. A social hour, including refreshments, will follow the meeting.

If you have any local news items, club news or any social news, call 1755.

Anne Hopkins Bride of Thomas Swatek

On Saturday afternoon, August 25, Thomas Swatek claimed as his bride, Miss Anne Hopkins, daughter of Mrs. Geraldine Hopkins of Blunk avenue, Plymouth. The ceremony was held in the First Presbyterian church, Plymouth, with the Reverend Henry Walch officiating at the 2:30 o'clock rites. The bridegroom's parents are Mr. and Mrs. Theodore Swatek of Lakepointe drive, Grosse Pointe.

Baskets of white gladioli and a background of palms formed the setting for the marriage. Miss Marilyn Scott, a college roommate of the bride sang "I Love Thee" and "Calm is the Night." Anne approached the altar on the arm of her cousin, Charles M. Young who gave her in marriage, in a swiss organdy gown with embroidered bodice and plain skirt extending into a blusion attached to an organdy cap trimmed in seed pearls. Her bouquet was of stephanotis and ivy fashioned in a crescent shape.

For her maid of honor the bride asked her sister, Shirlee Hopkins. She wore a gown of white organdy over deep aqua taffeta and a white lace and horsehair braid picture hat. Her bouquet, also crescent shape, was of daisies. Mary Alice Evans and Marilyn Scott, the bridesmaids, wore identical gowns to

that of the maid of honor but in white organdy over light aqua. They too carried crescent shaped bouquets of daisies. For his best man Thomas asked Roger Owen and the ushers were George Abraham and Jack Neal.

Mrs. Hopkins selected a dress of toast lace and linen for her daughter's wedding. Her accessories were of brown velvet. Mrs. Swatek chose navy blue lace.

Immediately following the ceremony a reception was held in the Crystal room of the Hotel Mayflower with 125 guests attending. For going away Mrs. Swatek chose a navy suit with red and white accessories. The young couple are honeymooning in northern Michigan. The bride is a graduate of Plymouth High school and of Michigan State college. Thomas is a senior at Michigan State college. They will make their home in East Lansing, Michigan.

Science invades the silo to aid dairy farmers

Michigan weather, especially in the upper peninsula, hinders the making of good quality field-cured hay. Tests conducted by Michigan State College's Agricultural Experiment Station measured the range of feeding values possible in hays put up at different periods during the haying season, using three curing methods: early hay crop silage, mid-season barn-dried hay and late field-cured hay. Michigan farmers who find it difficult to cure hay in the field will be interested to learn that more milk was produced on hay crop silage than on either field-cured or barn-dried hay. Further information on curing and storing forage is available by calling, writing or visiting your County Agricultural Agent.

You can tell by the teller

You may not have noticed them all, but there are TWELVE different operations the teller in the telephone Business Office performs in receiving your money and receiving your bill for service. From the arrangement of her "tools" to the fling of your stub, every step of this seemingly simple transaction is planned with efficiency and courtesy in mind. This is another example of how Michigan Bell tries to provide its customers with good service at low cost.

Hints For Plymouth Homemakers

Now is the Time to Begin Making Watermelon Pickles or Relish

Watermelon Pickles
 4 pounds Watermelon rind
 1 quart vinegar
 4 pounds sugar
 2 tablespoons whole allspice
 2 tablespoons whole cloves
 10 two-inch pieces stick cinnamon

Limewater made with 2 quarts cold water and 1 tablespoon lime (Calcium oxide purchased from a drug store) or 2 quarts brine. Select thick rind from a firm, not overripe melon. Trim off the

green skin and pink flesh. Cut four pounds of the white portion into 1-inch cubes. Soak for an hour in limewater or overnight in brine. Drain, cover with fresh water and cook for 1 1/2 hours, or until tender. Add more water as needed. Drain.

The spices loosely in a clean, thin, white cloth; bring to boiling the spices, vinegar, 1 quart water and sugar. Add watermelon rind and boil gently for two hours. Remove spice bag, pack in a clean, hot jar and fill jars to top with hot syrup. Seal tightly.

Or, if you prefer, let the watermelon stand overnight covered with the syrup. In the morning, remove spice bag. Boil 1 minute. Then pack into jars, cover with syrup and seal tightly. Make 6 pints.

Q. What is the name of this cut of meat?
 A. A boneless beef chuck pot-roast.

Q. Where does it come from and how is it identified?
 A. It is chuck which has been boned and rolled.

Q. How is it prepared?
 A. By braising. The meat is floured, if desired, then browned in lard or drippings. Seasoned. A small amount of water is added, the pan covered and the meat cooked until tender. Often vegetables are added near the end of cooking-time. For a 3 to 5 pound boneless chuck, 3 to 4 hours cooking time is required.

Get Ready for Canning Corn and Tomatoes

For the family with a sizable home garden and a canning plan for summer, we suggest stepping up home canning of tomatoes and corn.

Extra emphasis goes to tomatoes for combined reasons. Home gardeners usually grow a good supply. Tomatoes do not freeze well, yet are home-canned easily and well, with no need for a team pressure canner. And most families enjoy having home-canned tomatoes often, since they can be prepared in many ways.

Following are directions from laboratories of the U.S.D.A. Cold-pack tomatoes: Use only ripe, perfect tomatoes. Dip them into boiling water for about half a minute, then quickly into cold water, to make peeling easy. A wire basket or thin cloth is convenient for holding the tomatoes during dipping.

Cut out stem ends, slip off skins. Tomatoes may be left whole for canning or halved, or quartered.

Pack raw tomatoes into hot, clean jars. Press gently to fill space. Add salt—1/2 teaspoon to a pint jar, 1 teaspoon to a quart. To remove air bubbles, work a knife blade down the jar sides. Add more tomatoes, if needed, to fill jar again to 1/2 inch of top. Then wipe jar rim clean and adjust jar lid.

Have some hot, but not boiling, water in water bath canner. Put filled jars on rack in canner. Add boiling water, if needed to bring water one or two inches above jar tops. Put lid on canner, bring water to boiling, and process: Pint jars, 35 minutes; quart jars, 45 minutes.

When processing time is up, remove jars from canner. Complete seals, if closures are not self-sealing type. Cool jars of tomatoes right side up on thick cloth or paper, or a rack, away from drafts.

Whole-kernel corn: Choose corn at just the right stage for eating. Cut both ends from ear, for easy husking. Remove husks and silk; discard any poorly developed, diseased, or badly infested ears. Wash corn.

Cut from cob at about 2/3 the depth of kernel, using sharp knife and smooth stroke. To each quart (4 cups) of kernels add 1 pint (2 cups) of boiling water, and heat to boiling.

When processing time is up, remove jars from canner. Complete seals, if closures are not self-sealing type. Cool jars of corn right side up on thick cloth or paper or a rack, away from drafts.

Lower rack of jars into steam pressure canner, which contains 2 or 3 inches of boiling water. Exhaust air from canner and raise pressure to 10 pounds (240 degrees F.) and process the corn: pint jar, 55 minutes; quart jars, 85 minutes. Remove canner from heat and let pressure fall to zero. Wait a minute or two before opening petcock or taking off weighted gage.

When jars are taken from canner, complete seals at once, if closures are not self-sealing type. Cool jars of corn right side up on thick cloth or paper or a rack, away from drafts.

BROCCOLI WITH MUSHROOM CREAM SAUCE

A good flavor combination by Marguerite Mickelsen

Watch broccoli win new popularity when you serve it with this sauce which is simply condensed cream of mushroom soup. It gives a new taste to this green vegetable and puts it in the "something special" class. One can (1 1/4 cups) condensed cream of mushroom soup is sufficient for one bunch of broccoli weighing about a pound.

Wash broccoli well. Split stalks for faster cooking. Stand broccoli upright in a small amount of boiling salted water and cook uncovered until tender. Or flowerets can be cut off stalks; then cook stalks 5 minutes before adding flowerets.

Meanwhile pour the soup into a small saucepan and stir to blend; heat slowly. When broccoli is done, drain it and place on a platter; pour hot mushroom sauce over it. Serves four.

For occasional variation, stir 1/2 cup grated Cheddar cheese into the hot soup and stir until smooth.

Cherryhill News

Mrs. John Boehme, Merle Jean and Mary Lou from Bayfield, Wis. spent the fore part of the week with Mr. and Mrs. George Dunstan.

Mr. and Mrs. Harry Cook, Maxine and girl friend spent Thursday and Friday with Mr. and Mrs. James Burrell.

Miss Laura Ann Gustin and Donald Hansen motored to Angola, Indiana last Friday and were married. He has returned to Camp Kirby, Kentucky.

Miss Joyce Buchner and Miss Dorothy Gotts entertained at a miscellaneous shower for Mrs. Amy Granden Friday night at the Buchner home.

Sunday dinner guests of Mr. and Mrs. George Dunstan were Mr. and Mrs. Rollen Spencer and family of Wall Lake, Mr. and Mrs. Olaf Center and Mr. Lawrence Spencer of Ypsilanti, Mrs. John Boehme and daughters of Bayfield, Wisconsin.

Mrs. Walter Wilkie spent Wednesday at Bob Lo with a group of relatives.

A community shower will be given at the church house Tuesday evening for Mrs. Amy Granden.

Coffee Walnut Sauce
 to serve on ice cream

1 cup sugar
 1 1/2 cups strong coffee
 2 tablespoons cornstarch
 2 tablespoons cold coffee
 2 tablespoons butter
 1/2 teaspoon salt
 1/2 cup broken walnut meats

Melt sugar slowly, in heavy skillet, stirring often. Add 1 1/2 cups coffee, slowly and carefully (much steam will rise). Stir constantly. Dissolve cornstarch in cold coffee, stir into warm mixture and continue stirring until sauce boils and thickens. Add butter, salt and walnuts. Serve warm on ice cream. Yield: about 2 cups.

Fruit Freezing Calls for Right Preparations

Successful freezing of peaches, apricots, sweet cherries, figs, pears, plums and apple slices for pie calls for some treatment to keep them from darkening, home freezing specialists of the U.S. D.A. say.

For most fruits ascorbic acid (vitamin C) is effective in holding natural color and flavor. It also adds nutritive value. Crystalline or powdered ascorbic acid is for sale in many drug stores and some locker plants. If you don't find it in your locality, your druggist can order it for you.

To use ascorbic acid powder, simply dissolve it in a little cold water. Make the solution only as needed and keep in the refrigerator until used because it can lose strength if kept too long or in a warm place. (If ascorbic acid tablets are used, crush them to make them dissolve easily in water.)

The ascorbic acid solution is either added to sirup before pouring the sirup over the fruit, or sprinkled over the fruit just before adding dry sugar. When stirring into sirup, stir gently so that as little air will be mixed in as possible.

Special anti-darkening mixtures are for sale under various trade names. These usually are ascorbic acid with sugar, or with sugar and citric acid. Because ascorbic acid is the ingredient which does the most to protect color, buying it in a mixture may be more expensive than buying it pure.

For a few fruits—whole fresh figs or pears or prune or plum—citric acid powder or lemon juice may be used against darkening. Citric acid powder is cheaper, weight for weight, than ascorbic acid powder, but less effective, so a larger amount may be required, and this may make the fruit too sour, or may mask the natural flavor. Lemon juice likewise adds tartness to the fruit.

A Good Job Well Done

After half a century of work and planning, every farm in the area served by Edison has dependable, low-cost electric service available.

In addition, Edison is always seeking new ways of serving its farm customers: through research and engineering, teamwork with Michigan State College, County Agricultural Agents, community development groups and farm youth organizations.

Throughout the state and nation, investor-owned companies like Edison are providing farm families with the same type of dependable electric service to help them maintain their splendid food production record. There is no need for the federal government to spend your tax money to build more government-owned power projects or to enlarge present ones. It's a good job—well done.

These Events Were News

25 Years Ago

Work was commenced Monday morning on a fine new business block on Starkweather avenue, on the site formerly occupied by the real estate office of Lott & Murphy. The new building will provide for three modern store rooms and will make a splendid addition to the business place in this section of the village.

Construction of the first unit of the new women's division of the Detroit House of Correction was started Monday morning at 10:00, when Mrs. Henry W. Campbell, member of the Board of Commissioners of the House of Correction, turned the first spadeful of earth for the excavation.

A roll call of the Detroit House of Correction last week showed a total of 1632 inmates, the largest number in the history of the institution.

Mr. and Mrs. Edson O. Huston and Oscar Huston are spending the week visiting relatives in Ashtabula, Ohio.

Mr. and Mrs. Orlo Soth and family have returned from a two weeks' motor trip, visiting Washington, D.C., the Sesqui-Centennial at Philadelphia, and Niagara Falls.

Mr. and Mrs. E. O. Place and Mr. and Mrs. Grover Place of

Plymouth spent Thursday and Friday at Ionia, with relatives. They spent one day at the Ionia fair.

Mr. and Mrs. Irving Blunk and Mr. and Mrs. Manna Blunk and son, Melvin, returned last Sunday from their motor trip to Quebec and Montreal. They also motored to Albany, N. Y., and then took the boat down the Hudson River to New York City.

Born to Mr. and Mrs. Howard Hunt of Northville, Thursday, August 19, a son, Howard Melvin, Jr. Mrs. Hunt was formerly Miss Grace Herrick of this place.

Miss Vaun Campbell, who has been visiting at Saline, returned home Sunday, accompanied by her cousin, Wendell Tower, who will remain for a week's visit.

Village Manager Sidney D. Strong visited relatives at Coldwater, last weekend. His family, who has been visiting there, returned home with him Sunday.

The Northville-Plymouth road which has been under construction for the past several months, was opened to traffic last Saturday night. The new concrete highway is a fine piece of road work, and it will prove a very great convenience in travelling between Plymouth and Northville. Last Sunday there was heavy traffic over the new highway.

Mrs. W. B. Downing and daughter, Janice, returned Sunday, from a week's visit with her sister, Mrs. C. J. Teufel, in Toledo.

Mr. and Mrs. K. Eckles and daughter, Ilah, Mr. and Mrs. Howard Eckles and son, Douglas, Mr. and Mrs. Archie Herrick, Mr. and Mrs. Ezra Ratnour and daughter, Phyllis, Mr. and Mrs. M. M. Willett, son Chase, and granddaughter, Jacquelyn Schroof, Mr. and Mrs. W. B. Downing and daughter, Janice and Mr. and Mrs. Harold Joliffe attended the Chase family reunion at Elizabeth Park, Sunday.

10 Years Ago

Transportation service for Plymouth school students will be continued by the Dearborn Coach company at the same rates and on the same route as last year. It was announced this week. A new route has been added to the present school bus schedule to include an area of four square miles south of Plymouth. The new bus line will travel South Main street to Joy road, Joy road to Canton Center road and back to Ann Arbor road.

With the addition of another city mail carrier and another postal clerk to the regular staff of the Plymouth post office, there are now employed in Plymouth's postal service 24 full time workers. Acting Postmaster Harry Irwin has announced the appointment of Earl C. Foster as a new city carrier and Mrs. Pearl L. Carpenter as a full time postal clerk.

Classifying the Stark school district as a "defense zone school" district, the government has just announced that there will be available immediately a total of \$27,500 for the building of an addition to the school located at Stark and Plymouth roads. The federal funds will enable the district to add two badly needed rooms to the present school structure and install a new heating system. The addition will make available seven school rooms to care for the expected enrollment of nearly 250 school children.

Sarah L. Cutler, daughter of Mr. and Mrs. Edward J. Cutler of Ridge road, will become the bride of Frank W. Moreno, son of Mrs. I. W. Moreno, of Oakland, California, this Friday evening. Tommy Mastick will celebrate his fourth birthday, today, Friday, with a party having six

little friends in for games and refreshments.

Stetson Chapel at Kalamazoo college was the scene, Tuesday afternoon, of the wedding of Jewel Starkweather, daughter of Mr. and Mrs. Karl H. Starkweather of this city and Gilmer G. Robinson of Kalamazoo, son of the late Mr. and Mrs. W. O. Robinson of Spencer, North Carolina. Mr. and Mrs. Henry A. Hamburger, formerly Ruth Meyers, of Webberville, announce the birth of a son, Duane Allen, weighing eight and a half pounds, on Thursday, August 21, in the Sparrow hospital in Lansing.

Mr. and Mrs. Earl Mastick will be hosts Sunday, at a family supper party, having as their guests, Mrs. G. S. Rowe, Dorothy and Virginia Rowe, Mr. and Mrs. Robert Rowe and family of Milford, Mr. and Mrs. Lawrence Maugh and family of Ann Arbor, and Mr. and Mrs. Hollis Coe, of Detroit.

Kathleen Bloxson celebrated her eleventh birthday, Tuesday, with an afternoon of games and dainty luncheon. Those present were Eunice Barrett, Sally Gustafson, Patsy Packard, Betty Jarichwine, Barbara Daniel, Marilyn Lloyd of this city, and Joanne Culp, of Detroit.

Jewel Starkweather was the guest of honor at a dinner party and shower Wednesday evening of last week, given in the home of Martha Jean Brown, in Highland Park when several of her college friends entertained.

Bob Beyer, Bill Herter and Don Blumhuff spent a few days this week touring northern Michigan. Mr. and Mrs. Orville Bennett, formerly of Newburg but now at 11643 Abbington avenue, Detroit, are the proud parents of a baby boy, named Alton Arthur.

You never tried a fine car like This One

YOU'VE a right to set your sights higher when you buy a fine car.

You can rightly expect more room—more comfort—more performance—and a lordly smoothness in the way it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more usable room than you'll find in any other six-passenger car in America.

You'll find the extra comfort of double-depth Foamtex cushions in ROADMASTER only.

You'll find that the ROADMASTER has a high-compression, valve-in-head power plant that is also Buick's own—a mighty Fireball

Engine endowed with more performance than most owners will ever need.

And you'll find that a ROADMASTER rolls with unsurpassed levelness and poise, thanks to coil springs on all four wheels—which is still another feature found on no other car in the fine-car field.

But the thrill that is yours, when you get this willing beauty out on the open road, is something that can't be summed up in any listing of features, one by one. It's a "feel" which, we honestly believe, no other car can approach. It's the sure way this dazzling performer holds the road—the way it

responds to your slightest wish—the quick answer you get when you nudge the throttle—the extra security you feel in the velvet grip of the brakes—the complete freedom from tension you find in Dynaflo Drive—the sense of mastery that makes every mile a joy.

And, confidentially, there's one more important way in which ROADMASTER stands alone, and that is in the modest cost of its pounds and performance.

Better come in soon and check for yourself what a great car and a great buy this one really is.

Equipment, accessories, trim and models are subject to change without notice.

"How Much Should a Funeral Cost?"

Naturally, you want the last tribute to a loved one to be fine and tender and dignified. At the Sonderegger Funeral Home, none of these things depend on how much is paid for the funeral. Whatever the budget limitations of the family may be, we give personal supervision and attention to every detail—to ensure satisfaction.

You will be pleased to know therefore, that we believe that no funeral should cost more than the family can afford to pay.

SCHOOL OPENS THURSDAY, SEPT. 6

Teachers report for pre-school Planning Conference Tuesday, September 4th, 9:00 A.M. at the Bird School.

REPORT FOR CLASSES

All pupils (Elementary and High School) will report for regular classes Thursday morning at 8:30 o'clock.

HIGH SCHOOL PUPILS

Who have not been classified are asked to report at the principal's office or counselor's offices before the opening day of school.

HIGH SCHOOL BOOK STORE

Will be open 8:30 A.M. to 11:30 A.M. and 1:00 P.M. to 3:30 P.M. Monday through Friday from August 27th to the opening day of school.

COURSES OF STUDY

College Preparatory — General — Machine Shop — Commercial — Occupational Training — Home Economics.

ELEMENTARY SCHOOLS

A study of the distribution of child population in the Plymouth Township School District indicates the advisability of establishing different boundaries for the three elementary school areas. The following tentative areas will be established for the opening of school this fall.

A. STARKWEATHER SCHOOL AREA

Bounded by Ann Arbor Trail on the South; by the C. & O. R.R. on the West, from its intersection with A.A. Trail North to its intersection with Phoenix or Five Mile Road; and by district boundaries on the North and East.

STARKWEATHER-SMITH SCHOOL Optional Area

Bounded by Ann Arbor Trail on the North, by the C. & O. Railroad on the West, and by district boundaries on the South and East. (Children in this area will be allocated either to Starkweather or Smith School as is necessary to balance the enrollment loads. Tentative plans call for children in grades 1 and 2 to attend the Smith School.)

B. BIRD (CENTRAL) SCHOOL AREA

Bounded on the South by: Ann Arbor Trail, from its intersection with the C. & O. Railroad to Main street, thence on Elm avenue to Sheldon road, thence west on Ann Arbor Trail and Powell road to Napier road. By the District Boundary on the west and north and by the C. & O. Railroad on the east.

SMITH-BIRD SCHOOL Optional Area

Bounded by McClumpha and Beck roads on the East, by the district boundaries on the South and West, and by Powell road on the North. (Children in this area may be allocated to either Smith or Central (Bird) School as is necessary to balance enrollment loads.)

C. SMITH SCHOOL AREA

Bounded by the C. & O. Railroad on the East, on the north by Ann Arbor Trail from its intersection with the C. & O. Railroad west to Main street, thence west on Elm avenue to Sheldon road, thence west on Ann Arbor trail to McClumpha, on the west by McClumpha road and on the south by Joy road.

SCHOOL OFFICES

Are open daily for parents and pupils between the hours of 8:30 A.M. and 4:00 o'clock P.M.

3 Easy Steps...into your new 1951 Packard

- 1 Check the little extra cash difference! Just compare the slight difference in your 18 monthly payments (after 1/3 down) between a "low-priced" car and a Packard:
- 2 Check the long-lasting new-ness! Packard alone gives you: Exclusive new Packard Thunderbolt Engines, America's highest-compression engines—with the service-free simplicity of a design with up to 25% fewer working parts than in engines of comparable power. New everything... and all of it backed by motordom's greatest durability record. Fact: Of all the Packards built, in the last 52 years, over 50% are still in service!
- 3 Check our generous trade-in allowances! We're offering top allowances for all makes of cars to build up a varied selection of used cars to meet current demand. So—don't sign for any new car until you've heard our offer.

COME IN— see and drive the newest new car of the year — and get our offer on your present car!

It's more than a car—it's a Packard Ask the man who owns one

New B.F. Goodrich Tubeless Tire is real "peace-of-mind tire"

— says J. A. Mitchell, of Pittsburgh, Pennsylvania. "10,000 miles with no apparent wear or tear. Look like the day they were put on. Real peace-of-mind tires."

Tubeless Tires have been in use for five years. And thousands of motorists are now driving on them. Yet, we have never heard of a Tubeless Tire blowing out under normal running conditions due to impacts or bruises—the usual causes of blowouts! Here's why B.F. Goodrich Tubeless Tires give you driving peace-of-mind like you've never had before.

X-ray Photo shows:
 (1) Rim-seal ridges form air-tight lock on any standard rims.
 (2) Inner layer of special rubber holds air longer.
 (3) Gummy material under tread seals punctures.
 (4) Special valve fits present rims.

- No Tube To Go Flat!
- Safety At High Speeds!
- Seals Punctures While You Drive!
- Costs Less Than Regular Tire and Safety Tube!
- Long Mileage!
- Fits Your Present Rims

Here are a few typical reports from users:

"Soundest tire investment I ever made for riding comfort, trouble-free motoring." — H. W. ESKUCH, Salt Lake City, Utah.

"13,000 miles on police car—have taken out over 40 sharp objects—no flats." — G. K. STANFORD, Madison, South Dakota.

"Over 22,000 miles with no flats or blowouts, though many nails have been removed." — REV. D. I. DUNCLEES, Pipestone, Minn.

V.F.W. News

Cpl. Leo H. Daoust of 412 Starkweather street, Plymouth, was discharged from the Army today through the Pennsylvania Separation Center here.

A son of Mr. and Mrs. John F. Daoust of Plymouth, he was a highway maintenance worker before entering the Army in 1948.

Cpl. Daoust has been attached to the 7th Combat Engineers Leadership school at this 5th Infantry Division training center.

WAC Corporal Janette A. McLeod, daughter of Mr. J. R. McLeod, 563 Maple avenue, Plymouth, Michigan, recently was awarded the Korean Service Ribbon for her work in support of the Korean campaign.

Corporal McLeod is a librarian with the Special Services section, Headquarter and Service Command, Central Headquarters, Far East Command. She has been in the WACs for six years and has been in the Far East Command for the past two years.

In addition to the Korean Service Ribbon, she holds the Good Conduct Medal with clasp, Occupation and Victory Medals.

She attended the Army Medical and Surgical School at Fort Oglethorpe, Georgia. She is a graduate of Plymouth High school.

Grange Gleanings

Be sure to come to the Grange potluck supper next Thursday night, about 6:30. Do let us have a good attendance at our first meeting after vacation. We can't have good meetings you know unless each member does his or her share even if it is only by being present. That helps. So come to the first meeting September 6.

Henry and Elsie Ehrensberger were up at Johannesburg last week and visited our old friends Glenn and Amy Northrup, they report them well.

Mrs. Ernest Vealey accompanied by her friend Miss Bird of Highland Park motored to Ortonville last Wednesday to visit an old school friend.

Mr. and Mrs. George Huebler had as their guests over the weekend their son Wilton and his wife from Saginaw also Mrs. Grace Fine of Culver City, California who is leaving this week for her return home.

V.F.W. News

Coffee and doughnuts were served again to the Draft Board and their families at the Draft Board as they left on Monday. Geraldine Olson acted as chairman of the event.

On Sunday, August 26, the Auxiliary and Post members made their annual trip to the VFW National Home at Eaton Rapids. Each family took a picnic lunch and made a tour of the grounds. Because each post and its auxiliary in the nation supports this home, we were all interested in seeing the buildings added recently.

Don't forget the bake sale on September 1. Corrine Clark is chairman of the sale.

Plans are becoming more definite for the Smorgasbord on Sunday, November 11. The following people have been appointed:

CONSUMERS POWER COMPANY

"We truck 7 tons of coal for 34 1/2¢ a mile!"

The Economy Run gave me proof that Ford Trucks cost less to run than any truck I ever owned," says John Vander Werf.

John G. Vander Werf's 1950 Ford F-6 Dump Truck with POWER PILOT was one of 5,000 Fords that took part in the nationwide Ford Truck Economy Run. Mr. Vander Werf operates five Fords and one other make in his coal business. He says: "You can't beat Ford Trucks for gas, oil and repair economy."

"I kept daily expense records in the 6-month Run," he says. "I drove my F-6 Ford 12,159 miles, with an average load of almost 15,000 lbs. and made 3,126 stops. I got regular service from my Ford Dealer. Gas, oil, maintenance and repairs cost me \$461.34... that's a running cost of only 3.79 cents a mile!"

Ford Trucks with the POWER PILOT can save you money on any truck job! The Ford POWER PILOT gives you the most power from the least gas. Only Ford in the low-price field has it!

3-engine power choice is yours in this new 1951 Ford F-6. Suit your needs with 95-h.p. Six, 100-h.p. V-8 or 110-h.p. Big Six. All give you POWER PILOT economy. Choice of three wheelbases to handle the body you want.

FORD TRUCKING COSTS LESS

... because Ford Trucks last longer! Using latest registration data on 7,318,000 trucks, life insurance experts prove Ford Trucks last longer!

Roger Babson Says --

Babson's Labor Day Message
Gloucester, Mass., Aug. 30 — Some days ago a spider built a small web in a corner of my piazza. Much against Mrs. Babson's wishes I insisted it must not be disturbed. For nearly two weeks that poor spider went without food. Finally, a small butterfly from my garden flew by and got his legs caught in the web. After an hour of desperate struggle, the butterfly gave up. The spider then got a good meal of fresh blood.

Employers and Labor Troubles
The butterfly had all my grounds to freely fly about; it had plenty to eat, and was very attractive. The poor spider could only crawl about; but it was a worker. It made wonderful webs. Now let me explain how this butterfly-spider episode illustrates a fundamental law of nature which all businessmen, especially Republicans and Isolationists, should recognize.

Take labor troubles, for exam-

For Zipper Repairs
CALL
Tait's Cleaners
Phone 234 or 231

ple. Most employers, like the butterfly, can afford to travel anywhere; they need not worry about food or shelter; they can have almost everything they want. This is not true of most wage-workers. Hence, they build webs or unions to "bleed" their employers. Employers do not like labor unions any more than the butterfly likes spider webs; but it's natural law that labor will use this and other methods to harass employers until the workers share more equally with the employers. Wise are those employers who recognize this and devise methods to benefit both wage-workers and owners.

Politics and World Peace
Butterflies are "Republicans" with property or privileges; while Democrats are largely wage-workers. Instinctively — by nature's law — there is a conflict and always will be. The Democrats are jealous of the Republicans and devise subsidies, minimum wages and high taxes to suck the blood out of the Republican butterflies. It is well for the Republicans to fight these subsidies and destroy the "webs." It, however, is foolish for them to get high blood pressure over any conflict between the "Haves" and the "Have-Nots." The conflict has been going on for generations and will continue for generations to come for the ultimate benefit of everyone.

It is too bad that we suffer from wars; but can there be world peace as long as one nation, like the United States, has a surplus of everything while other nations are starving? Communism is a spider's web to catch the butterflies. "Appasement" is an unpleasant word, but it may be the

best way to prevent communist spiders from building webs! Women know that brushing down a cobweb does no good unless the spider is killed. But after brushing down the web, if a little sugar and dried blood is kept nearby, the spider will not build another web so long as the food lasts. Yet, the continued brushing down or killing the spider may be better. I don't know.

Have We Too Much Legislation?
Some will say that this law of nature is contrary to Jesus' teachings; but remember that when Jesus gave the Sermon-on-the-Mount He gave it to His disciples who were all in the same economic group, although neither butterflies nor spiders! In fact, the only time Jesus talked to a real "Republican-employer-isolationist" was when He told the troubled rich young ruler to give all his goods to the poor and forget it. St. Paul supplemented this by commanding that ALL (rich and poor) should work or starve. This, can either side today base their positions on Bible teachings?

Perhaps I should not have written this column. I usually get into trouble when discussing political or social problems. But with the spider and butterfly conflict before my eyes, I could not resist the temptation. I feel, however, that there is need in this world for all living creatures and all groups of people. God also apparently planned the world to use conflict as the stairway by which civilization climbs. If so, we should not interfere too much with God's plans. Remember that we must now spray the trees and vegetables because our fathers shot the birds! We perhaps have brought all our troubles on ourselves. Let us reform ourselves from now on.

In Houston, Addie Belle Sanders, 69, divorced her husband of 46 years because she finally got tired of his 30-year romance with his 68-year-old girl friend.

In Wethersfield, Conn., the warden of the state prison asked the state legislature to increase the wages of prison inmates from 15c to 25c a day.

THE STARS

By LYN CONNELLY

EVERY WEEK on CBS, screen star Edmond O'Brien assumes the role of "Johnny Dollar," the free lance insurance investigator

O'BRIEN

with the action-packed expense account... He portrays this character with such authority that whenever he hails a cab, the driver invariably says, "Where to, Dollar?" In fact, Eddie plays every role, whether stage, screen, radio

or television with such authenticity that one is never conscious of the fact that he is an actor, but rather that he IS the character that he's portraying... He is what is known as an actor's actor.

O'Brien started out in show business as "Neirbo," the magician... It was no magic that he took this name by spelling his own backwards... He's done everything from Shakespeare to Saroyan and knows practically every line the Bard wrote... He will recite it at the drop of a hat... His favorite author is Hemingway, and he thinks that at his worst, Hemingway tops any other writer at his best.

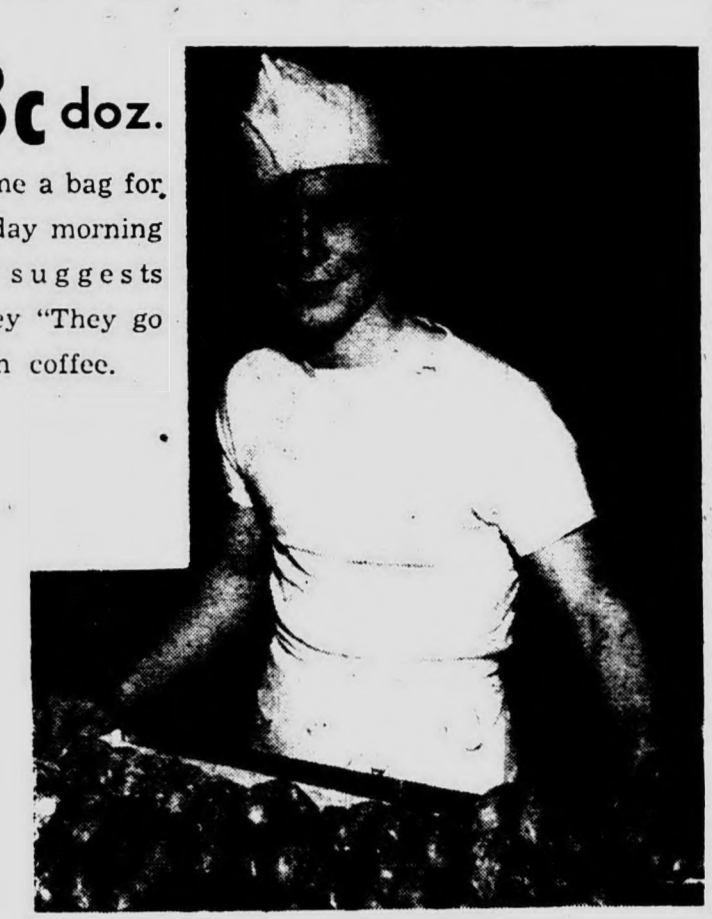

He enjoys working in all mediums of show business, but doesn't like to do transcribed radio shows... He believes it takes away the freshness and that an actor tends to let down... Acting to O'Brien is a job, like any other profession, and he gives it the best he has... When his day's work is done, he forgets it and spends his spare time pursuing his hobbies of photography and house designing.

Eddie is married to actress-singer Olga San Juan, who opens this fall on Broadway in "Paint Your Wagon"... They share their Brentwood, Cal., home, which Eddie designed, with their two daughters, Bridget Eileen, 2, and Maria Mercedes, 8 months... The owner of 50 suits, O'Brien has two what he wears all the time... He prefers slacks and sports clothes and refers to himself as a bathtub baritone, a condition which he says Olga is trying to remedy.

NOW A Power FORAGE HARVEST

FORAGE harvester • FORAGE blower

Two new Allis-Chalmers machines — priced for family farm ownership — take the hard pitchfork work out of handling all forage crops — green, wilted or dry.

The FORAGE HARVESTER is actually three machines in one:

1. ROW-CROP HARVESTER cuts and chops corn, sorghums, similar row crops. P.T.O. operated by full 2-pow tractor.
2. DIRECT-CUT HARVESTER cuts and chops grass and legumes for silage and corn stalks for winter feeding.
3. WINDROW-HARVESTER cuts and chops wilted or dry hay, combined straw and roughage for bedding.

You purchase one base machine plus any or all of the three attachments.

The FORAGE BLOWER matches the capacity of the Forage Harvester. Handles all forages from silage to long, chopped or wilted hay.

We'll be glad to give you more information. Stop in and see us.
