

READ IT CAREFULLY—THEN USE YOUR GOOD JUDGMENT.

There is published in this week's issue of The Plymouth Mail a complete copy of the proposed city charter which you will be asked to approve or reject at a special election on Monday, October 1.

It is a highly important election, one that vitally concerns every resident of this city, especially those whose names are on the tax rolls. It seeks to remedy some of the defects of the old city charter and to clear up some of the problems brought about by various amendments that have been approved by the voters since the adoption of the charter. It enlarges the membership of the city commission from five to seven.

But it is our recommendation that you read it carefully, ask questions about it, discuss it with your neighbors—and then use your own good judgment in voting.

This is not a criticism of anything or anybody, but we do regret the fact that there has not been more open discussions of the proposed changes as they were being written by the charter revision commission.

But we still have time to read the proposed charter, study it—and then on election day vote as we think best for the future good of Plymouth.

THE PEACE TREATY IS SIGNED.

The world feels a bit better because a peace treaty has been signed with the Japan nation. All nations signed the document except Russia and its puppet governments. Let's hope that it will help bring peace back to this troubled old world—but how can there be peace when an armed bandit has decided there will be no peace? If you can answer that question, you are the one person in the world who can do so.

HE'S TOPS IN THE SMEAR RACKET.

Outside of the late Charles Michelson who was hired by the Roosevelt political fakers to devote his time and energy to thinking up smear attacks upon those who were opposed to the New Deal political fakers and who probably did a better job of smearing than any other man who ever lived up to his time, we think that Harry Truman is the tops of all smear artists who ever got into the game of dirty politics.

We agree one hundred percent with the editorial expression of The Detroit Free Press that Truman did his party a tremendous disservice when he delivered his "cantankerous tirade" and that his political speech made to a political group "was a poor prologue to an appeal for peace and unity abroad." But what can one expect from a man of Truman's political caliber?

A WORTHY PUBLIC OFFICIAL.

It was with extreme regret when we read in the newspapers a few days ago of the unexpected death of Probate Judge D. J. Healy, who has served the public well and faithfully over a long period of years.

He was especially interested in the work of the juvenile division of his court and probably did more for the unfortunate boys and girls who found their way into his court than one will ever know.

A number of years ago it was our privilege to have him tell of his work before the Plymouth Rotary club. His sincerity in his work and his anxiety over the welfare of transgressing boys and girls was reflected in every word he said. The good that he did will live far into the generations to come. He was of the highest type of those who give their lives to public service.

AGAIN WE SAY IT.

Detroit newspapers devoted a lot of space to the arrest of some two dozen boys and girls a few days ago out in the Newburg lake park a mile or so east of Plymouth. These youngsters were all from Detroit and were out enjoying a big beer party when officers swooped down on them, put them in jail—then called their parents to come and see how their offspring looked back of the bars.

The big city papers talked about the "low morale" and other such things as being responsible for the conduct of the boys and girls of today. Naturally "they" tried to picture the youngsters as being to blame for all that is wrong with themselves and the world.

But we have said it before and we say it again—don't blame the boys and girls.

BLAME OURSELVES for permitting a lot of cheap four-flushing politicians and goon porkchoppers for putting over both state and national legislation which forces these young people to spend the long hours outside the school room in idleness.

They can't even do part time jobs unless some goon spends them permission to do so. They can't earn their own spending money without a permit issued by some Washington or Lansing bureaucrat. We ask you—what are these boys and girls going to do if they can't be employed at some useful occupation during their idle hours?

There is but one answer—they are going to do the very things for which these youngsters were arrested the other night.

No—don't blame the boys and girls—just blame ourselves for permitting big shot porkchopper goons to put over legislation which forces our young people to spend their time in idleness.

Kills Badger to Keep His Hunting Dogs From Being Torn to Peices

So you think this part of the "wilds" is entirely out of the "midwest" do you? Better guess again because facts indicate that this vast metropolitan area is still a pretty wild place—and this reference is not to the human rags and bums who sometimes make the nights seem wild. It pertains strictly to wild life—to animals that know their place and how to act.

Reports of deer being seen in this vicinity have been most frequent in recent years—but this report of a badger being killed a couple of dozen miles west of Plymouth is strictly news.

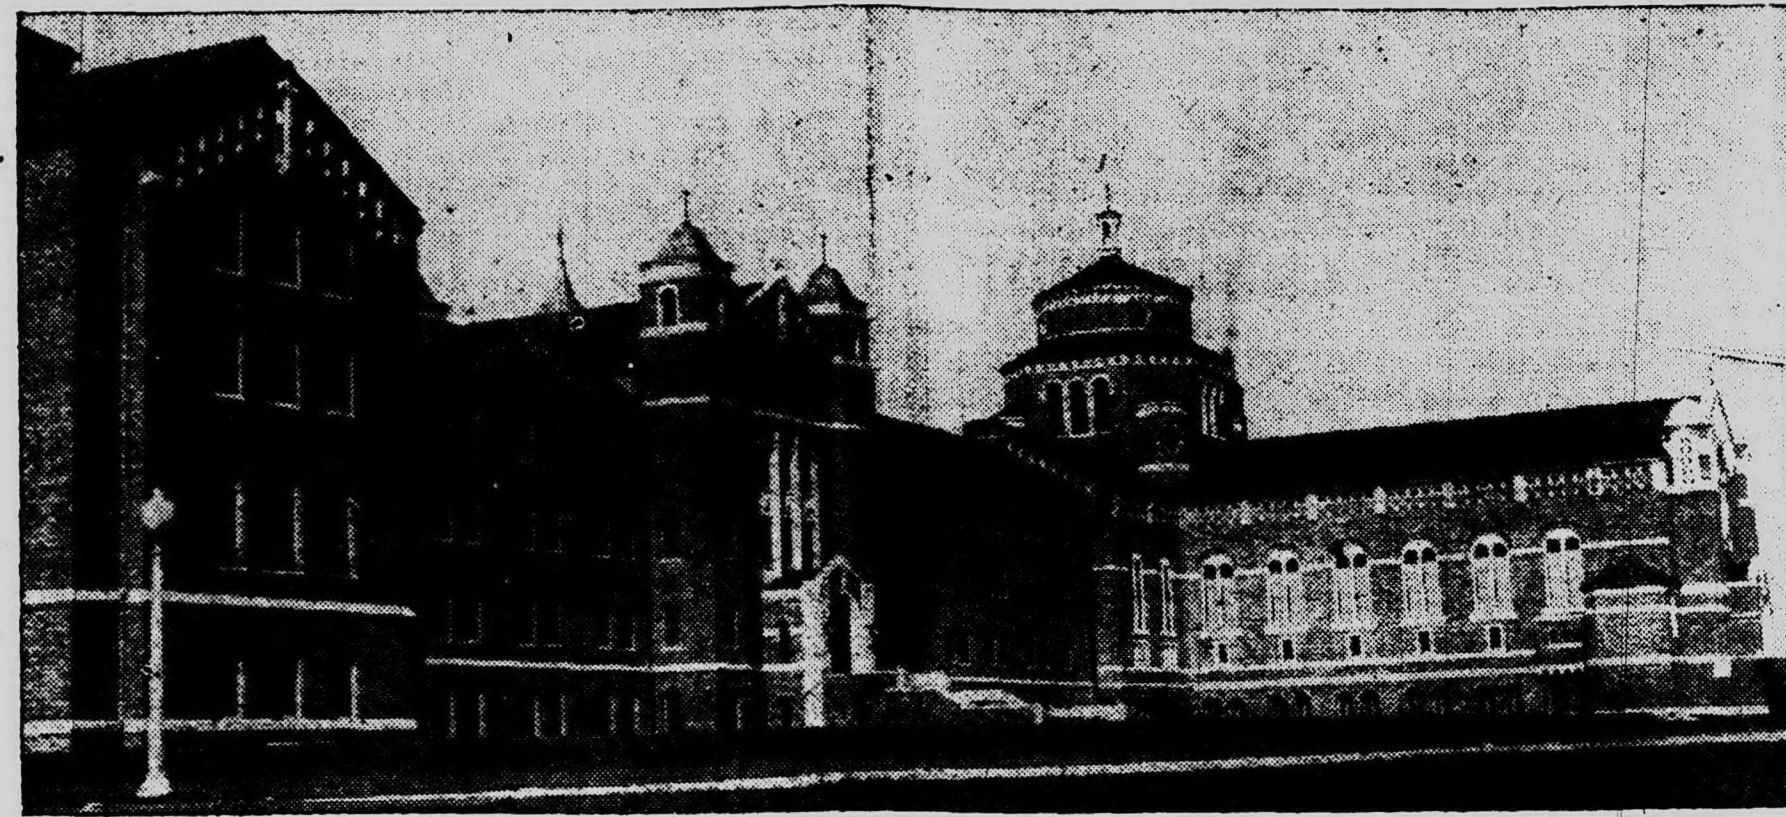

Last Sunday, Thomas Range, who a year or so ago moved to his new home on Schoolcraft road near Bradner took his two hunting dogs up near Brighton to get them in training for the forthcoming coon hunting season.

With his old hunting partner, Jack Hornshaw of Brighton, Mr. Range was following the dogs down through the fields some two miles southwest of Brighton when they observed that the dogs had cornered something they were most cautious about tangling with.

Finally one dog did, grab the animal. Running up to the dogs, the two trainers discovered that the dogs were in a fight with a big badger and knowing what a badger can do to a dog, there was but one answer, and that was to help kill the badger. Range found a stone and with one lucky hit, killed the badger. Fortunately the dogs escaped without much injury.

As far as known this is the first badger seen in southeastern Michigan in years, although there have been unconfirmed reports of badger tracks having been discovered not only in the vicinity of Brighton, but in territory not so far west of Plymouth.

Howard Johnson arrived by plane from Florida on Tuesday to spend the remainder of the week at the Burton Johnson home on Church Street. Mr. Johnson's daughter and husband, Mr. and Mrs. Jerome Tulloch of Chicago, Illinois and their son, Jimmy arrived at the Johnson home on Monday and will also remain through the week. They came due to the illness of their father.

THIS IS ONE of the busiest weeks faculty members of Madonna college have experienced in many a year. It is enrollment week for what is probably one of Michigan's most beautiful educational institutions. Freshmen students arrived Tuesday and upper classmen came Wednesday and will continue to arrive today. Among the freshmen enrolling for the new school year is a Plymouth girl, Miss Joyce Kubik. Events of the week yet to take place will be a reception for the freshmen given by upper classmen and faculty members. The first class for the new school year will begin Monday morning, with a larger enrollment than the school has ever before enjoyed. This is Madonna's college fifth year as a senior college and tenth year as a junior college. During that time 124 teaching certificates have been issued. Sixty-nine of the students who have so far attended Madonna have continued their school work in other colleges where master degrees are issued. Other highly important student events are scheduled for later dates in the year.

Deputy Prison Warden Ed. Gardiner is Reported Improved

Deputy Warden Edward Gardiner of the Detroit House of Correction who has been seriously ill during the past week is reported as considerably improved. It will be some time, however, before he is expected to resume his duties at the nearby prison.

He was stricken suddenly while at work, although he had not complained of illness. He has been taken to Henry Ford hospital for a thorough check-up.

Gas Station Gives Excess Profit to Kids Day Fund

Something novel in the method of obtaining money to carry out club projects has been conceived by the Kiwanis club when on Saturday, September 22, which is National Kids Day, all the profits above the average normal business of a local gas station will be donated to the Kids fund.

The Norman and Burley Sinclair gas station, located on the corner of S. Main and Wing streets, has generously donated all excess profits that day to the Kiwanis National Kids Day fund. This fund goes for boys and girls work and each club can use the proceeds as it sees fit.

Bill Hartmann thought up this splendid idea and says that unlike many money raising projects, the purchaser gets value received for his money and at the same time helps some young boy or girl. Remember the day—Saturday, September 22—part of the money you pay for gas at Norman and Burley's will go to help our young folks.

Receive Gavel of White House Wood

Plymouth Historical Society is the proud possessor of a gavel or mallet, which is made from wood removed from the Executive Mansion at Washington during the recent extensive repairs which have been made there.

G. Louis Isbell, 15810 Auburndale, Livonia, a member of the Society, took the block of wood and after hours of painstaking labor produced the gavel which measured six inches in circumference, with a ten inch handle, all beautifully polished.

A brass plate which was furnished by the Commission on Renovation, certifying that the wood is original White House material, has been attached to the front of the gavel.

Several contributions have been made to the Society of articles which are to be placed in the museum which the Society hopes to establish. Among these articles are a bedspread 100 years old, antique dolls, christening robes and photographs.

In order that the public may have an opportunity to view this gavel, it will be on exhibition in The Plymouth Mail office.

Sunday dinner guests of Mr. and Mrs. Dow Swope in their home on Park Place were Mr. Swope's brother and wife, Mr. and Mrs. Ray Swope of Highland Park and Mr. and Mrs. Arthur Pfander and daughter of Detroit

Hundreds Visit Opening of New Bank in Livonia

Far more successful than anyone had dared anticipate was the opening last Saturday of the First National bank of Livonia. From the minute the doors opened until long into the evening, the bank lobby was filled to overflowing with well-wishers and friends of the officials of the First National bank of Plymouth and Livonia.

Not only did the residents of Livonia visit the bank by hundreds, but Livonia city officials, bankers from Detroit and other nearby communities and businessmen from Livonia and surrounding communities came to the new bank on Plymouth road to extend words of welcome and good wishes for the future success of the bank.

There was barely space for the dozens and dozens of baskets of flowers that filled the counters and desks of the attractive bank. President Floyd Kehrl and Cashier Jack Taylor as well as others associated with the new Livonia bank were most appreciative of the cordial good will expressed.

City Discusses New Sidewalks

Hearing relative to the sidewalk grade and new sidewalk installation on the north side of W. Ann Arbor trail from lot 691 to the C. & O. railroad will continue Monday, September 17. The hearing will be in the City Commission chambers of the city hall at 7:30 p.m.

The commissioners expect to have a report from the Wayne county road commission on the condition of the storm sewers in this area and the possibilities of installing new sewers before the sidewalk is repaired.

Thams Will Teach at Illinois Normal College

Mr. and Mrs. Paul F. Thams and daughter, Helen, left last week for Bloomington, Illinois, where Mr. Thams has accepted an assistant professorship in the Department of Special Education at Illinois State Normal University.

Since being graduated from the University of Michigan Mr. Thams has been acting as executive assistant to Dr. Frances Lord at Michigan State Normal college while studying in the Graduate school at the University where he received his Masters Degree last spring.

Historical Society to Hold First Fall Meeting

The regular monthly meeting of the Plymouth Historical Society will be held at the home of Mr. and Mrs. Fletcher Campbell, West Ann Arbor trail, on Thursday evening, September 13 at 7:45.

Officers for the year 1951-52 are: President, Mrs. Howard Brown, 1st Vice President, Mrs. Arthur Mills, 2nd Vice President, Mrs. R. E. Cooper, Recording Secretary, Kenneth Wilske, Corresponding Secretary, Mrs. Fletcher Campbell, Treasurer, Leonard Millross, Curators, Jennie Cramer and Mrs. Ada Murray.

Ask Bids For Livonia P.O.

Bids have been asked for the lease of suitable quarters for the Livonia Post Office. The new Post Office will replace the Rosedale Gardens branch but mail for Livonia will continue to be handled through the Plymouth Post Office.

Anyone interested in submitting a bid can obtain copies of the requirements by calling at the Plymouth Post Office.

Action Quickly Taken to Protect School Children

Immediate steps have been taken by members of the Plymouth school board, the city commission and Plymouth township authorities to set up a system of proper protection at street crossings for children attending the public schools.

Not only will the city provide its regular policemen, but an additional person will be hired to serve as a traffic officer during regular school hours. Both men and women will be hired to serve at crossings near the new schools, the school board having already ordered necessary equipment for the additional officers.

Costs will be paid by the city, school board and the township, some of the crossings being located on streets outside the city limits.

The school board will accept applications from women who can give a portion of their time during the day as well as from elderly men who can see and hear good.

Not only will there be additional traffic officers to protect school children, but violators can expect little mercy if they do not obey orders of traffic directors. And one need not think if he gets away at the time, that that will end the story, because auto numbers will be taken, warrants issued and arrests made.

One excellent provision has been made for the new Nellie Bird School. All children will cross Sheldon at one place, and that will be at the end of Sheridan avenue. Children will be directed to go to Garfield, then go north or south on Garfield, where there is little or no traffic.

It will probably be a week or so before the system can be worked out in detail.

Gym Construction on Schedule Says Engineer

Fred Coverdill, superintendent of construction of the new high school gymnasium, natatorium and bandroom states that the building is coming along on schedule. The four beams which caused so much anxiety earlier arrived some time ago and have been set in place over the swimming pool.

The tile setters and plasterers are ready to begin today, and the steel sash men have completed their jobs.

An unfortunate death of a heart attack took the life of Guy Hollenback, the bricklaying foreman, a few days ago, but the work will continue under the supervision of another man.

Mr. Coverdill says the gymnasium will be ready for basketball around the first of March.

Eugene D. Galin Dies in Detroit

It was with the keenest regret that Plymouth residents learned of the death of Eugene D. Galin, only son of Mr. and Mrs. David Galin, which took place early Sunday morning in Detroit after an illness of several months. A heart ailment was given as the immediate cause of death.

Only 24 years of age, the young man who had been associated in business with his father in Plymouth had been married but a few months. Much of his time in several weeks past had been spent in hospitals, but medical specialists were unable to aid him.

He was born in Detroit, graduated from Central high school in that city and received his M. A. degree from the University of Michigan in 1944. He was a member of Sigma Mu fraternity and a veteran of World War II. His father served in World War I. The youthful Mr. Galin and his bride resided at 17451 Manderson in Detroit. For sometime past he had been associated with the Jeanette Glass Company of Detroit.

Surviving are his wife, Carol, his parents, and two sisters, Mrs. Sidney Locke and Mrs. Darwin Canvasser, all of Detroit. His father has for years been a leader in business and civic activities in Plymouth.

Services were held Monday afternoon from the Ira Kauffman Funeral Chapel. Burial was in Northwest Hebrew Memorial Park.

D.A.R. Meets With Mrs. Willoughby

Alice Wessels Burlingame, enthusiastic gardener and lecturer, will address a meeting sponsored by the Sarah Ann Cochran Chapter, Daughters of the American Revolution on Monday, September 17, at 12:30, in the home of Mrs. Robert Willoughby, 44661 West Ann Arbor trail.

Presented by the J. L. Hudson Company, Mrs. Burlingame's topic will be, "House Plants can be Interesting Companions" an informal discussion covering the propagation of all kinds of house plants; care and culture of plants to produce more beauty and year around good looks; and their decorative value in the home. Plants, containers and other materials are used as a display to illustrate highlights in the program.

Mrs. Burlingame attended the University of Michigan and the School of Floriculture at Michigan State college, specializing in greenhouse production. She is a talented and enthusiastic dirt gardener as the result of combining academic training and practical experience. Her club affiliations include membership in the American Association of University Women, P.E.O., and the Birmingham Branch of The National Farm and Garden Association. She is a member of The J. L. Hudson Company Speakers' Bureau.

Members are asked to bring their own sandwiches. Dessert will be served by the Social Committee.

If you have a social item or any other local news, phone 1755.

Community Chest Quota is \$13,500

Norman Marquis, Plymouth Community Chest general chairman, announces that this year's annual fund-raising campaign will begin Thursday, October 18, and continue through Thursday, November 8. The 1951 quota will be \$13,500, an increase of \$1,500 over that of last year.

Mr. Marquis states the higher quota was made necessary because most of the benefiting agencies are in need of more funds on which to operate this year. Also a new series has been taken over; the Dental Hygienist at the high school will be included for the first time this year.

Chairman Marquis and his co-chairman Tom Kent, of the Daisy Manufacturing Company, have spent many hours in organizing an all-out effort for everyone to contribute as much as he can to this worthy cause.

The Community Chest, as now organized, is a combination of all worthy solicitation drives into one annual giving campaign. A multitude of individual solicitations in business places and individual plants were found to be interfering with vital production.

Mr. Marquis states it takes much unity to make this drive a success. It is a united effort of all citizens enthusiastically working together, and it takes the spirit and determination of all groups, factions and classes to work together for a common and worthy cause. If we do this our quota will be met with ease.

Herb K. Marquis will be Secretary of the Champion Corrugated Container company, who will be industrial unit chairman, and Robert Stewart of the Ford Middlebelt plant, who will be the professional unit chairman. Duane Parkes is the publicity chairman. Dean Saxton will be chairman of the business unit. Dora Gruebner and Betty Brake will jointly canvass the local schools, while Mrs. Don Mills will be in charge of the general residential units.

Ship Clothing to War Victims

There will be less suffering during the forthcoming winter for the babes, small children and many adults of war-torn Korea as the result of the kindly and timely action of a group of Methodist women of Plymouth who have been devoting much of their time in recent weeks collecting, preparing and shipping garments to Korea.

According to Mrs. Willis B. Hunting, whose telephone number is Plymouth 1332-M, there has been collected in Plymouth and vicinity 896 pounds of clothing, including snow suits, clothing for babies, warm blankets, galoshes, shoes as well as clothing that men and women can wear. It has all been processed and shipped by the Woman's Society of Christian Service of the First Methodist church of Plymouth.

Any one interested in collecting clothing for Korea war sufferers may obtain additional information from Mrs. Hunting, who also reports that 416 pounds of used fats have been sent to Korea to be made into soap for the use of Korean unfortunates.

Fall Doesn't Arrive in Plymouth Until Sunday, September 23

Sunday afternoon, September 23 at 3:38 o'clock, the summer of 1951 will come to an end, although many have thought that Plymouth and vicinity didn't have any summer at all.

Fall now on the way, but it will be here at that time. It is the one day of the summer-fall period when the day and night have exactly the same number of hours of daylight and night.

On Monday, September 24 the day will be a bit shorter than was the Sunday fall arrived, but the difference will not be sufficient for the average person to note any change.

Three File For City Commission

Candidates for the two city commission posts in the October 1 election are Frank Arlen of 735 Burroughs, Russell M. Daane of 550 Garfield, and Theodore Gronowick of 746 Church.

This election is the special election for the approval or disapproval of the new city charter. This charter calls for a seven man commission, an increase of two over the current commission. The winning candidates will take office only if the charter is approved by the voters.

Approval of the charter by the voters will put the two candidates with the most votes in office. The candidate receiving the highest number of votes will remain in office until the Monday following the general election in April 1954. The person with the second highest number of votes will serve until April 1953. All other elective officers will serve out the terms to which they have been previously elected.

The charter was drawn up by the charter commission elected on November 7, 1950. A copy of the proposed charter appears in today's paper. If approved, the charter takes effect on November 1.

Enroll Now for Adult Education Fall Program

The Student and Adult Education Fall program will get under way this month with classes for all ages meeting in the public school buildings. These classes are taught by certified instructors and are under the direction of the Recreational department. Herb Woolwever, recreational director, states that the early interest in these classes indicates that the enrollment will exceed that of last year, particularly in the typing classes because of the positions now available in that field.

A new class in Parliamentary Procedure will be initiated if a sufficient number demand it. Anyone desiring to enroll in any one of these activities may do so by telephoning the recreational office or attending the opening class on the date indicated. For further information concerning any of the following activities call 2075.

The various adult classes including the instructor, starting date, time and place are listed below:

Ceramics, Mrs. Meier, Beginners, Tuesday, October 9 and Advanced, Thursday, October 11, 8-10, HS Shop room; Sewing, Mrs. Humphries, Thursday, September 27, 7-9, HS room 21; Swimming, Wille Shirey, Wednesday, September 12, 8:30-10:30, WCTS; Typing, Freda Olsen, Tuesday, October 9, 7:30-9:30, HS room 45; Women's Health, Kris Smith, Monday, October 15, 8-9, Withers school; Chamber Music, Doug Marsh, Wednesday, October 10, 8-10, Junior high gymnasium; Theater Guild, Adele Miller, Time and places variable; Community chorus, Fred Nelson, Monday, October 15, 7:30-9, High school gymnasium; Parliamentary Procedure, U of M instructor, Thursday, October 18, 7:30-8:30, HS; Square Dance club, Dave Palmer, Thursday, October 4, 8:30-11:30, Junior high gymnasium; Badminton club, Mike Huber, Monday, September 10, 8-10, WCTS; Men's Volleyball, Dunbar Davis, Tuesday, October 23, 7:30-9, Starkweather gymnasium; Men and Women basketball, first week in December, evenings, variable; Chess club, Joe Haefner, Monday, December 10, 7:30-9:30, City Hall.

Mr. and Mrs. John Chaney and family of Pacific avenue have just returned from a two weeks trip which took them through eight states and visits in the Black Hills, Yellowstone National Park, Denver, Colorado, Chicago, and Cody, Wyoming and many other interesting places. Enroute they visited relatives in Battle Creek and Three Rivers.

Shirley Freeman's Engagement to Bruce Whitley Announced

Mrs. Glenn Freeman of 158 Plymouth road announces the engagement of her daughter, Shirley Mae to Bruce Whitley, son of Mr. and Mrs. Raymond Whitley of 2147 Canton Center road. No definite wedding plans have been made.

Mrs. Joan Miller entertained the members of her Pricilla Sewing Club Tuesday afternoon in her home on Irvin street.

Garden Club Holds First Meeting

Mrs. Chester Teasel of West Warren road was hostess for 40 members of the Plymouth Farm and Garden Association at her home on Tuesday.

A salad of 11 vegetables grown in the Teasel garden was served for the main course. Eight fruits, also grown in the garden, comprised the dessert.

A round table discussion on shrubs and bulbs followed the luncheon. This discussion was led by Mrs. George Cramer.

Mr. and Mrs. Jack Dobbs are leaving on Sunday for Kalamazoo where they will make their home while Jack attends Western Michigan college for his senior year. Jack's sister, Kay Dobbs will also attend Western Michigan this year as a freshman. They are the son and daughter of Mr. and Mrs. Edward Dobbs of Adams street.

BIRTHS

Mr. and Mrs. Bert Leyde of Brementon, Washington have named their daughter born on August 25, Kathi Lynn. She weighed 6 pounds 13 ounces. Mrs. Leyden is the former Betty Curtis.

Sgt. and Mrs. Benny Peoples announce the arrival of a 9 pound, 6 ounce son, Roger Bruce born at the University hospital, Ann Arbor on Saturday, September 8. Mrs. Peoples is the former Elyse Zimmerman. She is making her home with her parents on Harvey street while Sgt. Peoples is stationed with the Marines in California.

Mr. and Mrs. Don Axtell of Traverse City are announcing the birth of a 12 pound, 6 ounce son, Saturday, September 8 in Munsing hospital, Traverse City. He has been named Michael. Mrs. Axtell is the former Jackie Boyd.

Private and Mrs. Charles Cude of Irvin street are the proud parents of a son, Joseph Edward born at Garden City hospital on Friday, August 31. She weighed 6 pounds, 11 ounces. Mrs. Cude is the former Ann Speers.

Caroline Bernice is the name Mr. and Mrs. Clayton Kops of Hamilton avenue have chosen for their new daughter born on August 13 at Garden City hospital. She weighed 7 pounds 1 1/2 ounces at birth.

Mr. and Mrs. Harold Kuisel of Ann street are receiving congratulations on the birth of a daughter, Jeanne Elizabeth born on Friday, September 7 at St. Joseph's hospital, Ann Arbor. The young lady weighed in at 9 pounds 7 ounces.

Dr. and Mrs. Frederick B. Foust of South Main street have selected the name Craig Christopher for their new son who arrived at the University hospital, Ann Arbor on August 31, weight 8 pounds, 8 ounces.

Grange Gleanings

Thursday, September 20 is Booster Night so let us boost our Grange with all our members in attendance. We are planning on having a Harvest Festival or Fair so bring your choicest vegetables, canned fruits, jelly, cakes, pies, and home made bread. Come and bring your neighbors. We hope to have dancing too.

Mr. and Mrs. Charlie Rienas called on the Glenn Northrups at Johannesburg one day last week. Mr. and Mrs. Sam Spicer and Mr. and Mrs. Jesse Tritten took a vacation tour of the northern Peninsula a few days ago. They visited the Trittens at Brethern and attended a Grange Fair at that place. They also called on the Northrups.

Through a mistake the names of Mr. and Mrs. John Hauk was omitted from the list of those who have visited the Northrups lately. They accompanied Mr. and Mrs. Ehrensberger.

Nine Man Football Teams for Boys Under 14 to be Formed in Plymouth

Something new will be added to the sports program of Plymouth Recreational department this fall when a nine man football team for boys under 14 years of age will make an appearance on the sports horizon.

Tentative plans call for two divisions. A junior division for boys in the 13 and 14 years old group, and a midget division for boys 12 years old or under.

Herb Woolweaver would like all team entries to be in his hands by September 19, and hopes that many boys will take advantage of this opportunity to learn the fundamentals of football, and have a lot of fun.

A complete list of the rules for these new football teams are listed below.

RULE I. Field

Section 1. The length of the playing field shall be seventy (70) yards in length; the width shall be fifty (50) yards. There shall be no goal posts. Lines shall be ten (10) yards apart.

RULE II. Player and Substitution

Section 1. A team shall consist of nine (9) players but any number of players from 6 to 11 may be used if mutually agreed by the captains. One team cannot have two (2) players more than the opposing team. Each team must have at least six (6) players to start a game.

Section 2. Substitutes may come into the game at anytime when ball is not in play. The substitutes must report to the referee.

Section 3. Players may play with football uniforms or equipment but baseball or track shoes shall not be permitted.

RULE III. Length of Game

Section 1. Length of game shall be twenty-four (24) minutes; divided into four (4) six (6) minute quarters. The clock stops only for time outs or if the officials order time.

Section 2. Three (3) time outs during a half are permitted per team.

Section 3. There shall be a rest period of five (5) minutes between halves.

RULE IV. Kick-Off

Section 1. The kick-off shall be made from the thirty (30) yard line.

Section 2. Ball out of bounds on kick-off shall be tried again from the same spot. If out of bounds on second try, the ball shall go to the receivers on their thirty-five (35) yard line.

RULE V. Scoring

Section 1. Six (6) points for touchdown.

Section 2. Two (2) points for a safety.

Section 3. One (1) point for successful try after touchdown. Note: Try point may be scored only by a running or passing play—ball to be placed on the two yard line.

Section 4. One (1) point is scored in case of a tie at the end of the fourth quarter for the team who advances the ball the furthest after four downs at the mid-field. They must use the four downs unless they score a touchdown or lose the ball.

RULE VI. Touch

Section 1. There shall be no tackling of a ball carrier, passer or kicker. (penalty—fifteen (15) yards from spot of foul).

Section 2. The man carrying or having possession of the ball is down when touched below the belt with one or more hands by an opposing player.

Section 3. There shall be no violent or strenuous blocking, jell, defensive or offensive player leaving his feet to take out a man. (penalty—15 yards).

RULE VII. Downs

Section 1. There will be two sticks attached to a ten (10) yard line to mark the distance to advance. These sticks will be handled by people on the sideline under the supervision of the umpire. In case there is no one to handle the sticks, the umpire will mark off ten yards with a red handkerchief. In a series of four downs, the offensive team must advance the ball ten yards.

RULE VIII. Forward and Lateral Passes

Section 1. Passes may be thrown from any point behind the line of scrimmage.

Section 2. Each player is eligible to receive a pass.

Section 3. There shall be no time-out for incompleting forward passes.

RULE IX. Punting

Section 1. If a punt is to be made, the kicking team must announce it before down starts. After such announcement, the kick must actually be made and

neither team may cross the line of scrimmage until after the kick. (penalty five (5) yards—for not announcing kick or crossing line of scrimmage too soon.)

RULE X. Free Catch

Section 1. A player may elect a free catch of punt, drop kick or placement. The receiver shall signify his intention of a free catch by raising his right hand high into the air and waving it from side to side. The player will be allowed two (2) steps after the ball is caught. (Note: Penalty for violation shall be five (5) yards for interfering with free catch.)

RULE XI. Dead Ball

Section 1. (a) A ball is dead after an incomplete forward pass. (b) A ball is dead outside the field of play.

RULE XII. Penalties

(1) Offside 5 yards
(2) Failing to announce punt 5 yards
(3) Crossing scrimmage line before ball is punted 5 yards
(4) Tackling, roughing 15 yards
(5) Interference on passer by defense 15 yards
(6) Unnecessary roughness 15 yards and out of game

RULE XIII. Loose Ball

Section 1. A loose ball is defined as a pass, fumble, or kick. Any loose ball continues to be a loose ball until a player secures possession of the ball or the ball is declared dead. In case of a fumble, the first man to touch the ball after the fumble occurs will have possession of the ball and the ball will belong to his team.

RULE XIX. Eligibility

Section 1. There shall be two divisions in order that interest may be stimulated in competing with boys in the same age group and to prevent injuries.

(a) Junior Division—13 and 14 years of age. Boy must not have reached fifteenth birthday before Nov. 1, 1951. Junior High Teams.

(b) Midget Division—12 years of age and under. Boys must not have reached thirteenth birthday before Nov. 1, 1951.

Section 2. Each boy must sign a registration (identification) card giving his name, address, date of birth and parent's signature giving permission to participate in the touch football league. All player's ages will be verified with Board of Education Attendance Department.

Section 3. Players may be added to roster up 5:00 p.m., Monday, October 8. Managers are responsible for obtaining a new registration card for any new players being added and will receive an eligibility slip when they are brought to this office.

Section 4. A player who is a member of the second team or ineligible of any high school team is ineligible. A player who is cut from the above squads on or before October 9 may become eligible to play. A team using an ineligible player will forfeit the game by a score of 6 to 0. Other ineligible players are: over age, playing or signed up with more than one touch football team in the Recreation League, playing as member of varsity or second team of a high school.

Section 5. Players using abusive language or conducting himself in a manner detrimental to the welfare of the league shall be suspended.

Section 6. Each boy must deposit a \$5.00 forfeit fee before he can play.

Section 7. The forfeiture of two games will automatically drop a team from the league and will cost each player \$5.00. Forfeit fees will be returned at the end of the season.

Section 8. There must be 12 members signed on a team.

Section 9. First game September 24—4:00; 25—4:00; 26—4:00.

Section 10. Deadline for team entry—September 19, 1951.

3 More Teams Begin Grid Games

Coach Robert Ingram would like to see a few more fellows out for the junior varsity eleven. This team will be composed primarily of inexperienced sophomores and juniors. The experience of playing regularly helps these boys considerably in gaining a varsity berth the following year. The junior varsity will play a regular schedule of games.

The 9th grade team, under the direction of John McFall, will start practice soon and will play a regular schedule. Coach McFall will carry a squad of approximately 35 players on this team. Any ninth graders who desire to play football please report to Coach McFall.

The new 7th and 8th grade team has 40 boys working out under the direction of Charles Owens, the new junior high science teacher. They will play a limited schedule.

Athletic Director Sandmann is still looking for capable student managers for the above teams.

THE CONTRACTORS TEAM WAS THE RUNNERUP to the Champion Dunn Steel team in the Old Timers' League. They lost to Dunn Steel 8 to 7 in the final game. L. to R. top row: J. Thomas, L. Dickerson, B. Gillies, B. Norman, M. Wolfe, A. Jenkins. Bottom row: T. Farugia, B. Curtis, L. Walker, L. Norman, G. Schoeneman, H. Stevens.

Northville Not on P.H.S. Football Sked. This Fall

For the first time in the history of the school Northville will not be on Plymouth High's football schedule this year.

Athletic Director John Sandmann explains that Northville and Plymouth belong to different leagues, and each league has reorganized this year. After each league had made up their football schedules it was found that Plymouth and Northville could not get together because neither had an open date when the other did.

Coach Sandmann says the rivalry between these two schools will be resumed next year when Northville meets Plymouth in the first game of the schedule.

The Elton Eaton Friendship trophy will still be given to the team that wins the most games from the other in basketball, baseball and track. The two meet a total of four times in these sports and should each team win twice the possessor of the trophy will be determined after the last contest.

The two arch rivals have been respected foes for many, many years. A few years ago when the schools were about the same size some keen competition developed and many close and exciting games were played to capacity crowds. Of late years Plymouth's enrollment has increased much faster than that of Northville and in most sports our teams have had the edge. Plymouth has been the possessor of the Elton Eaton trophy a good share of the time since its donation by Mr. Eaton as a friendship trophy between the two schools.

Even though Plymouth is a class "B" school and nearly "A", while Northville is a class "C", the outcome of any game between these two schools was never known until the final minute had been played.

It will seem strange not to see the Mustangs on our football schedule this fall, but as stated above, they will be back next year to open the season for us.

Pigskin Season at Farmington

Plymouth High's gridders held another long practice scrimmage last Saturday at the athletic field. The boys are gradually getting into shape for the opening game against Farmington tomorrow afternoon at 3:30 on the Farmington football field.

In the tough scrimmage the offense is beginning to show some polish but still is far from that desired by the coaches.

Coach Ketterer says the blocking and tackling fundamentals need a lot of attention before the regular league season begins. There has been some improvement in line play, but much more is expected if the team is to be a contender for the conference crown.

The passing game is far from perfection as all the receivers are inexperienced and it takes time to develop finesse in tossing and snagging passes. Better protection for the passer is needed, and the pass defense is not adequate as yet.

Coach Ketterer says he will take advantage of the new free substitution rule as much as possible this year. This rule allows a team to send in as many players as desired between downs.

The Coach is still uncertain of his opening game lineup as some positions are still wide open to a number of boys. He plans on carrying a squad of 33 boys during the season. The boys have been practicing hard and should give a good account of themselves in this opening game tomorrow.

Plymouth Golfers Second in MRA Golf Tournament

The five man golf team representing Plymouth in the Michigan Recreational Association Golf tournament, staged last weekend at the Pontiac Metropolitan Golf course, placed second in the final standings with a score of 402. Pontiac won the team trophy with a low score of 372.

Harper Stephens, recent winner of the City of Plymouth Golf tournament, paced the locals with a 73, which was good enough for second low medalist honors. A Pontiac golfer was first with a 71. Tom Locke shot a 78, Jerry Walsh a 79, Henry Levering a 85 and Bud Archer an 87.

Seven teams were entered from Pontiac, Plymouth, Livonia, Dearborn, River Rouge, Highland Park and Saginaw. Highland Park came in third with 417.

The Women's tournament will begin Saturday at one o'clock on the same course. Plymouth ladies comprising this team will be Mrs. Betty Demel, Mrs. Helen Meyers, Mrs. Isabelle Partridge, Mrs. Jane Carmichael and Mrs. Jane Todd.

Track Numerals for Paul Harding

Another former Plymouth High school track star who is going to make the headlines in collegiate track is Paul Harding, son of Mr. and Mrs. R. S. Harding of 460 Ann street.

Paul won his Frosh numerals as a member of a crack Western Michigan Frosh track team the past year. Coach Clayton Moss says this team was one of the best Western Michigan freshman teams in recent years, and he expects the freshman track team to be of great value to the varsity this year. The varsity will be a decided favorite to cop the mid-western conference track crown this year.

Paul competes in the sprints, and in the A. A. U. outdoor meet this year he scored 10 points to help his team win the junior division with a total of 134 points.

Harding had difficulty during the indoor season with a pulled ligament most of the season, but out doors his best time for the 100 yard dash was 10.1 seconds and he ran the 220 in 22.1 seconds. Coach Moss plans on using him in the sprints and also in some sprint relays this year.

Paul is on the Air Transportation course at Western Michigan and this takes much of his extra time. In fact, he was on a cross country flight the day preceding the A. A. U. meet and may have scored more points if he had had more rest. He has received his private pilot's license.

Paul graduated with the class of 1950, and was a key man along with Anthony, Stewart, Heinzman, Vargha and Wagenschutz when they nearly brought the state track championship to Plymouth in 1949 and 1950. Harding, Stewart, Anthony and Vargha swept about every sprint and relay event they entered.

Paul won many points for the local high school and it will be well to keep an eye on him for the next three years in college.

Coach Ketterer says he will take advantage of the new free substitution rule as much as possible this year. This rule allows a team to send in as many players as desired between downs.

The Coach is still uncertain of his opening game lineup as some positions are still wide open to a number of boys. He plans on carrying a squad of 33 boys during the season. The boys have been practicing hard and should give a good account of themselves in this opening game tomorrow.

Cross-Country Boys Begin Work

More boys are needed for the high school cross-country squad states Coach Moiso. Only 13 prospects have reported so far and Coach Moiso says at least 20 boys should be working out over the two-mile course in Riverside park where the hill and dale boys hold their meets. There is plenty of opportunity for the boys to earn a letter this year as only one letterman is back from last year's championship team.

John Balogh is the only hold-over—Paul Biolet also won his letter last year but has elected to work afternoons this year and will not be available.

Roger Bogenshutz and Marvin Green are the other experienced men returning. Other prospects include Richard Rose, Leonard Ferguson, Lee King, Arlen Ottensman, Brian Kidston, Gary Hees, Gale Mills, Ed Grosjean, James Blanton and Neil Bowyer.

The first meet is September 21 against Allen Park on the local course. Last year Plymouth won the league championship, and placed fifth in the state meet. Coach Moiso expects the toughest competition to come from E. L. Leville this year, since they have an experienced team.

Cross-country is a good conditioner for track and basketball players. A runner has to be 15 years old and a sophomore in high school, Coach Moiso says anyone who likes to run and has not signed up for cross-country do so immediately as the first meet is only a week away.

In Miami, Mrs. Arlene Lamb filed for a divorce on the ground that her husband tried to exchange her, their eight-year-old daughter and their eleven-year-old twins for a new car.

Sports Glances

More boys are needed for the junior varsity football team. This team is made up of mostly sophomores and a few juniors who desire to play football, but are too inexperienced to play regularly in varsity games. They have an opportunity of playing against junior varsity competition from other schools, and gain much valuable experience which might help them earn a letter the following year on the varsity.

There are many husky fellows in high school, who, for some reason are not out for football. Not all big boys make good football players, but there are a few who would be benefitted if they were out there on a team. Football develops many ideal characteristics in a young man these days. It develops leadership, courage, quick thinking, health, close fellowship, and more important the ability to work together as a team for a common cause.

It isn't too late to go out for football. You sophomores may think you are awkward, or can't make the team anyway, but a year on this junior varsity may make a big difference by the time you are a junior. Everyone on the junior varsity will be given a chance to play football.

I watched the Northville-Gambles championship Inter-County game Sunday for one inning. When I got there the score was more like that of a football contest—26 to 2 in favor of Gambles. Didn't stay for the finish, but I'll wager a half smoked herring that it was the most lopsided score ever witnessed in a playoff in this league. And to think those teams tied for first place in the league this year, and Northville had beaten Gambles 2 to

1 in 10 innings in the first playoff game!

The final game next Sunday between the same teams will decide the Inter-County championship. It will be held at the same place—3 o'clock in Cass Benton park.

Coach Moiso tells me that only 13 boys are out for cross-country when there should be at least 20 out.

I feel that all prospective track or basketball boys, who are not out for football, should be working out with this squad. The basketball boys will have a much larger floor to cover when we get the new gymnasium and this certainly would improve their stamina. High school boys should take athletics more seriously and do everything possible to make themselves better athletes. Maybe they wouldn't get a letter in cross-country, but they might gain something that would make them better in other sports. In the same light, football players should go out for either track or baseball in the spring to develop speed and quick starting. Who knows, some of these boys might develop into good cross-country or track men also.

In Memoriam 28
IN loving memory of Fred F. Felgig who passed away three years ago Sept. 15. A Mason sleeps in quiet peace—His every task is done—He always walked with upright step—Till his rewards were won. With a Master's apron down—he faced his work With kindly lasting smile; But now he rests in Heaven's realms. But we are here awhile To emulate his thorough work. Until we greet him where The day divided in three parts Is always kind and fair. Sadly missed by Bill, Jordan, Kenneth and Ara. 28-1tc

IN loving memory of Elizabeth Gates, who passed away September 16, 1948. Memories are treasures no one can steal. Death is a heartache nothing can heal. Some may forget you, now you are gone. But I will remember no matter how long. Sadly missed by Her Daughter. 28-1tc

Archeological Discoveries of Interest to Plymouth Church

Members of the Plymouth Lutheran church, and especially its pastor, Rev. Edgar Hoenecke, who have done much to help various Indian tribes of Arizona, will be more than interested in some archeological revelations recently brought to light pertaining to the early Indian tribes of Arizona.

From evidence 850 to 1,300 years old, Prof. John C. McGregor and archeologists from the University of Illinois have solved some of the mysteries about a long-gone and forgotten Indian tribe of northwestern Arizona.

Two summers ago an expedition from Illinois explored 17 sites once occupied by the Cohonina Indians. A report published recently by the University of Illinois press presents their findings and studies for many months after digging in the field.

Meanwhile McGregor and his students spent this summer in the area around Flagstaff and the Grand Canyon working with the Museum of Northern Arizona seeking answers to many remaining mysteries of the Cohoninas. Rev. Hoenecke has spent much time in this very locality helping the tribes now living there.

The 158 page report tells more about these people than ever before has been known.

McGregor believes that all the Cohonina sites so far found are summer camps, most likely hunting camps, since even today the area offers good hunting. None of the houses had fires built inside them, evidence of occupation in summer only. Three rings in wood and charcoal found date the sites at 639 to 1,090 A.D.

Associated with the houses were remains of "shades," thatched roofs raised on posts to afford comfortable shaded but breezyswept work areas. Numbers of posts spots at each site show the shades had been rebuilt several times, while the houses also show signs of repeated occupation and of remodeling.

Practically all the pottery found was broken. Ninety-three percent of the fragments were of the type which first led the Cohonina to be identified as a separate tribe. Although 7,200 pieces were recovered, this total is far below that to be expected from experience in similar excavations elsewhere.

This points to temporary occupancy; with everything valuable removed from a site each season. Another evidence is lack of many items which should be found at a regular home site, such things as stone axes, beads, ornaments, and the like.

That leaves the question: Where did the Cohoninas spend their winters? This still is to be answered.

Another question is, why were there no animal bones in garbage remains around their camps?

These are found in almost every habitation site from present to most ancient. McGregor surmises the Cohoninas skinned their kills where they fell and cut the meat ready for drying to take back to the winter home.

That these Indians made clothing of leather is revealed by the finding of a few finely-made bone sewing awls—the only bone remains of any kind. The print of cloth on the bottom of some pottery shows that cloth was commonplace enough for a soft new pot to be placed on it while being finished.

Stones used for grinding meal, and rows of stones set into stream beds to divert water to garden plots show that these Indians farmed. One kernel of their corn actually was found, as well as a pumpkin seed, two juniper seeds, and walnut shells.

Some pottery not of Cohonina type, pottery designs, and house plans show evidence of trade and relations with other tribes.

The Lutheran church is one of the first groups to establish mission schools where these discoveries are being made.

FIRST PRESBYTERIAN CHURCH, Reverend Henry J. Walsh, D. D., Minister. Services will be resumed in the Presbyterian church, Morning Worship, 11 a.m., with sermon by the pastor, Sunday school, 9:45 a.m., Richard Daniel, Superintendent. Sunday evening, 6:30 p.m. Meeting of all young people of the church. In the church parlor. Purpose: to discuss the organization of young people's work for the coming year. Young people from the seventh to the twelfth grades are asked to attend. Tuesday, September 18, 12:30 a.m. Meeting of Circle 2 in the Mimmock room. Thursday, September 20, 1:00 p.m. Meeting of Circle 6. In the Church parlor. Attention is called to the change in date of the coming Parent-teacher, Trustee, Session and church officers meeting originally scheduled for September 19. It will be held sometime in October instead and the date will be announced in next week's bulletin so that all concerned may reserve it. It is most important. The Retreat for Sunday school teachers and officers has been set by their own decision for next Sunday, September 23 at 2:30 p.m. Superintendents are to be prepared with a knowledge of the quarter's work and will be guided by depts. The evening meal, followed by vespers, will be in the nature of a potluck. Coffee will be provided.

CHURCH OF THE NAZARENE, Holbrook at Pearl St. Sunday School, 10 a.m., with classes for all ages. Special room for those with small children. Morning worship and junior church at 11 a.m. A time of spiritual uplift. Evening services begin with a youth prayer meeting at 6:15. The adult prayer service, the junior meeting and the young people's service at 6:45. Interesting programs planned for the benefit of all. Evening song service begins at 7:30 followed by the evening message by the pastor. Prayer and praise service at the church each Wednesday evening. There will be a cottage prayer meeting Thursday evening at the Wilson home 351 Maple street. A great home coming service is planned for September 23 in the a.m. with the former pastor Rev. R. A. North and family to be present. The Norths will bring the morning message.

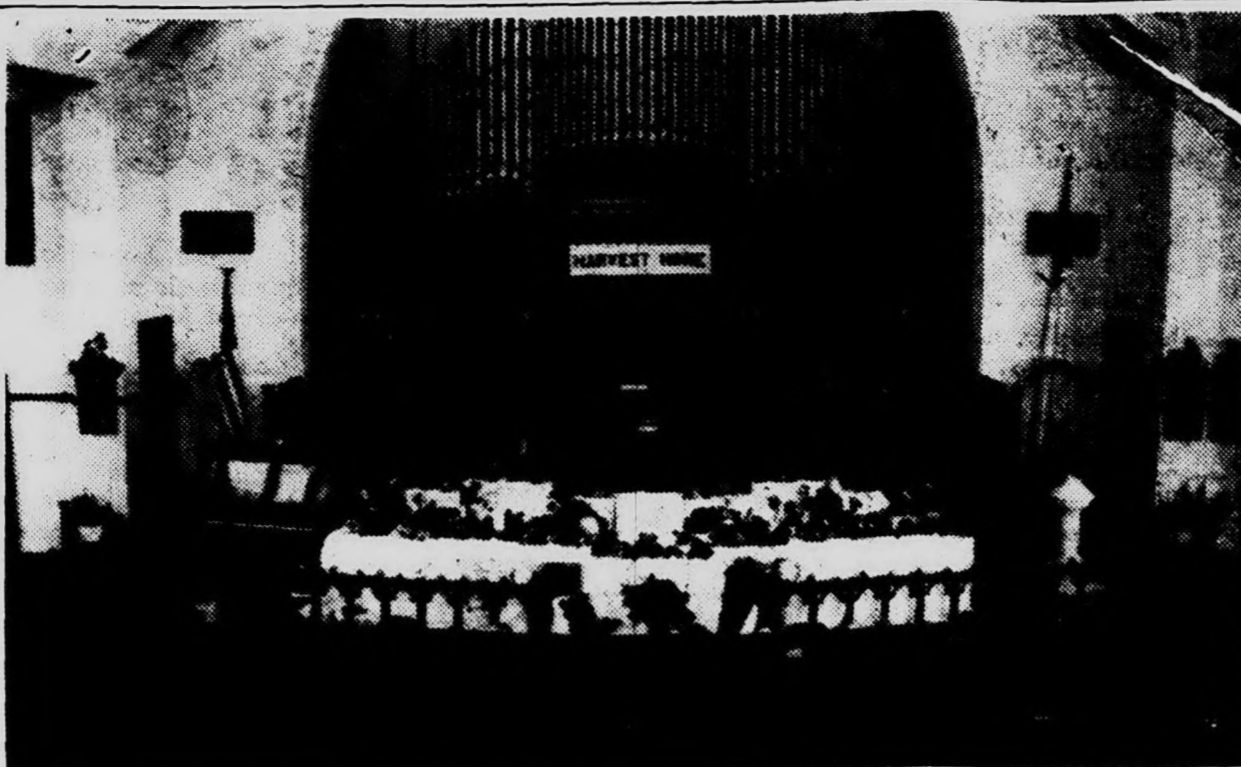

CHURCH OF CHRIST, 3451 E. Main street, Cameron Sinclair, preacher, of Ferndale. Sunday School, 10:00 a.m. Morning Worship, 11:00 a.m. Evening Service, 7 p.m. Mid-week Service, Thursday, 7:00 p.m.

ST. PETER'S EVANGELICAL LUTHERAN CHURCH, 261 Spring St. Edgar Hoenecke, pastor. Seventeenth Annual Harvest Home Festival, September 9, 9:30 and 10:45. Sunday school at 9:30 at the church. Please arrange to bring produce from your farm or garden for the display on Saturday morning, September 8. Despite all the dark, pessimistic forebodings last spring, the Lord has provided a most bountiful crop. For this we ought to be very thankful. That thanks ought to be shown in our songs and prayers of thanksgiving on Harvest Home. How ungrateful and neglectful we would be to accept all these bounties, and to neglect the thanks for them. The Harvest Home produce will be taken up to the Michigan Lutheran Seminary at Saginaw on that Sunday when we attend the dedication of the new administration and gymnasium building on that day. The Lutheran Day School will open on September 5. The enrollment is 109.

THE SALVATION ARMY, 281 Union St. William Roberts, captain. Schedule of services: Thursday 1 p.m. Ladies Home League. Friday, 7:00 p.m. Ceramic Class. Sunday: 10:00 a.m., Sunday school, 11:00 a.m., Morning Worship, 6:15 p.m., Young People's Service, 7:30 p.m., Evangelistic service, Wednesday: 8:00 p.m. Mid-Week Service. Ladies Home League meets at the home of Mrs. A. Burden, 148 Hamilton. The Sunday service are being held at the Oddfellows Hall on Elizabeth street. The Mid-Week Service on September 19 will be held at the home of Mr. and Mrs. H. Thomas, 9034 Hix road. You are cordially invited to worship with us at these Services.

ST. JOHN'S EPISCOPAL CHURCH, Harvey & Maple Sts. Morning Prayer Service at 11:00 a.m. Sunday School, 9:30 a.m. Missionary Service, 10:45 a.m. Church Service, 11:00 a.m. We cordially invite you to all the services.

SEVENTH DAY ADVENTIST CHURCH, 1058 S. Main St. Phone 670-R. Services every Saturday. Sabbath School, 9:30 a.m. Missionary Service, 10:45 a.m. Church Service, 11:00 a.m. We cordially invite you to all the services.

An old fashioned Harvest Home with the customary decorations of fruit, vegetables, etc., will decorate the altar of the First Methodist Church of Plymouth Sunday morning, September 23. The above gives an idea of how the St. Paul's Methodist Church of Highland Park decorate the altar of their church each year. Those who have seen this display say it is worth traveling miles to see. The public is cordially invited to attend this service of worship. On Monday evening, September 24 at 6:30 a Church Family pot-luck supper will be held and following the supper Mr. Roy Row will auction the produce brought for the above mentioned altar display. Donors are asked to bring their gifts Friday afternoon, if possible, and not later than Saturday.

New Pastor at St. Johns Church

After a successful summer season under the leadership of Mr. and Mrs. Don Schoub, St. John's Episcopal church welcomes its new Rector, this coming Sunday. The Rev. Eugene M. Chapman and Mrs. Chapman will arrive this weekend and take up their residence in the rectory at 185 Blunk avenue. Their children will join them next month. Sunday, September 16 Mr. Chapman will officiate at his first service at St. John's. The Church is looking forward confidently to a period of continued growth and development under Mr. Chapman's guidance.

CHURCH OF THE NAZARENE, Holbrook at Pearl St. Sunday School, 10 a.m., with classes for all ages. Special room for those with small children. Morning worship and junior church at 11 a.m. A time of spiritual uplift. Evening services begin with a youth prayer meeting at 6:15. The adult prayer service, the junior meeting and the young people's service at 6:45. Interesting programs planned for the benefit of all. Evening song service begins at 7:30 followed by the evening message by the pastor. Prayer and praise service at the church each Wednesday evening. There will be a cottage prayer meeting Thursday evening at the Wilson home 351 Maple street. A great home coming service is planned for September 23 in the a.m. with the former pastor Rev. R. A. North and family to be present. The Norths will bring the morning message.

THE PLYMOUTH CHURCH OF GOD, 1171 Newburg Road. The Church of the Christian Brotherhood Hour, Rev. P. M. McPherson, pastor. Phone 2086. SEVENTH DAY ADVENTIST CHURCH, 1058 S. Main St. Phone 670-R. Services every Saturday. Sabbath School, 9:30 a.m. Missionary Service, 10:45 a.m. Church Service, 11:00 a.m. We cordially invite you to all the services.

FIRST METHODIST CHURCH, Rev. Melbourne Johnson, pastor. George W. Conover, Church School Superintendent. Kenneth Nelson, Organist and Choir Director. Sunday services: Church school, 9:45 a.m. to 10:45. Morning worship, 11:00 a.m. to 12. Adult sermon, "The Prodigal's Brother" and Children's sermon, "Message from a postage stamp." Methodist Youth Fellowship, 6:30 p.m. Sunday morning, September 23 and Monday evening, September 24 will be occasions of outstanding interest to all. The altar of our church will be decorated with flowers, fruit and vegetables of all kinds. No contribution should be considered too small and it is our hope that every family will participate. On Monday evening a pot-luck supper will be shared by our entire Church family. The fruits and vegetables brought on September 22 to decorate the church for Sunday the 23rd will be sold at auction. Those who have visited the St. Paul's Methodist church in Detroit during the week of their Harvest Home services know what an inspiring sight the flower, fruits and vegetables make around the altar. Mark your calendar and tell your friends.

THE PLYMOUTH CHURCH OF GOD, 1171 Newburg Road. The Church of the Christian Brotherhood Hour, Rev. P. M. McPherson, pastor. Phone 2086. Tecumseh Dairy's 1950 F-3 Express hustles milk over Michigan country roads, demonstrated its low running cost in the nationwide Ford Truck Economy Run.

"I move milk in a hurry for less than 2½¢ a mile!"

C. W. GILMAN, in the dairy business 20 years, operates three Ford Trucks. He says: "They save me money every mile. Ford Truck power gets me there faster too."

Big truck load capacity—at light duty cost! That's what you get with this new 1951 Ford F-3 Express. New Ford Trucks offer choice of two new cabs, with extra conveniences, extra driving ease! Ford makes over 180 models. Exclusive choice of V-8's and Sixes! All with the POWER PILOT to save you money every mile! Hub caps shown at extra cost.

"I figure that my Ford Truck with its Power Pilot gas saver has helped cut my running costs by 7%," says C. W. Gilman.

The Tecumseh Dairy Ford was one of 5,500 trucks that took part in the nationwide, 50-million-mile Ford Truck Economy Run. Daily running-cost records were kept. Mr. Gilman says: "In 5,183 miles of the Run, with an average load of 1,594 lbs., I had no repairs, spent a total of \$129.21 for gas, oil and maintenance. That's a running cost of only 2.49 cents a mile!"

THE POWER PILOT is one of many reasons for Ford Truck economy. The POWER PILOT gives you the most power from the least gas, under all conditions, on all jobs!

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

FORD TRUCKING COSTS LESS

... because Ford Trucks last longer! Using latest registration data on 7,318,000 trucks, life insurance experts prove Ford Trucks last longer!

Last Rites Held For C. Fitzgerald

Funeral services were held on Monday, September 3 in Our Lady of Good Counsel church for Catherine Fitzgerald, age 95. Father William P. Mooney offered the funeral Mass.

Mrs. Fitzgerald died on August 31 at the home of her daughter, Mrs. J. S. Donovan at 962 Hartsough avenue, Plymouth.

She leaves three daughters, Mrs. D. N. Maloney of Toledo, Ohio, Mrs. Della Fowler of Pontiac, and Mrs. Donovan of Plymouth, two sons, Dan and Ed Fitzgerald both of South Lyon also a sister Mrs. Tim McCarthy of St. Louis, Missouri.

The funeral service was conducted by the Wilkie Brothers from the Sonderegger funeral home in Plymouth. The active pallbearers were her grandsons, Neil and William Donovan, Donald Fowler, Thomas Maloney, Donald Kennedy and James Neuhausel. Interment was in St. Patrick's cemetery, Northfield.

Mrs. Robert Stevenson of Maple avenue and her daughter, Mrs. John Gotro, Jr. and daughter, Sadra of Northville have returned from a two weeks visit with relatives in Richmond and Lexington, Kentucky.

Edward Keller Home on Leave

Tech. Sgt. and Mrs. Edward Keller and son, Christopher are spending one week of Sgt. Keller's two week leave with relatives in Plymouth.

Part of the week will be spent with his parents, Mr. and Mrs. Chester Keller of Five Mile road, and his brother David, Mr. and Mrs. Paul Keller and family will have the sergeant and his family as guests for the rest of the week.

Last week was spent with Mrs. Keller's parents, Mr. and Mrs. Simon of Detroit, Tuesday, Sgt. and Mrs. Keller, and his mother went to Walled Lake to spend the day with Mrs. Edward Keller's brothers.

Sgt. Keller is stationed at Carswell Air Force Base, Fort Worth, Texas.

Services Held For Mrs. Elva M. Horn

Mrs. William H. Horn of Ypsilanti, daughter of the late Mr. and Mrs. Henry Anderson of Plymouth and sister of Mrs. Perry Hix and Harold Anderson of Plymouth and Olla Anderson of New Jersey passed away on August 30. Funeral services were held at the Episcopal church in Ypsilanti on Saturday, September 1 with burial in Riverside cemetery, Plymouth. Mrs. Horn was preceded in death by her parents and her sisters, Mrs. George H. Robinson, Mrs. Grace Barber, Miss Mamie Anderson, and Frank Anderson of Peace River, Alberta, Canada.

Mr. and Mrs. Howard Sharpely of South Main street returned home on Saturday after an extended trip to California.

Theatre Guild to Meet Sept. 17th

The Plymouth Theater Guild will hold its first fall meeting Monday, September 17 at 8:00 p.m. in the Veterans Memorial Building. Mrs. Lydia Argo will be in charge of refreshments for the evening.

Anyone interested in meeting people is sincerely urged to attend. If you like to paint, sew, or direct, you will find a place in some phase of the Theater Guild activities.

Oldenburg Reunion

The fifth annual reunion of the Oldenburg family was held at Riverside park, the same spot selected for the past four years, on Sunday, September 2 beginning at 1:30 o'clock.

Ninety-eight members were present. During the early part of the afternoon some of the members were kept from coming because of the weather but the day turned out to be a grand success.

Features of the day were a pot-luck dinner, ice cream, coffee and pop served to every one. Relatives were present from Lansing, Detroit, Farmington, Wayne, and Plymouth.

Everyone reported a fine time and plans are in formation for the next year's reunion to be held at the same location on the last Sunday in August with the time tentatively set at 12 o'clock noon. We are looking forward to a big turnout on that date.

D.A.R. News

The regular meeting of Old Glory Council No. 25 will be held at the Grange hall on September 21 at 7:30 p.m. After a short business meeting, every second meeting of the month, there will be a social meeting.

With vacations over, we hope to have a good attendance.

On September 17, the Past Councilors club, will resume their meetings again, and meet at the home of Mrs. Edith Sockow on 678 N. Harvey street. Mrs. Bertha Kaiser will be co-hostess. Election of officers will be held.

Mr. and Mrs. Charles Arnold and their houseguests, Mr. and Mrs. Donald Arnold of Harlan, Iowa spent last weekend sight seeing at Niagara Falls.

If you have any local news items, club news or any social news, call 1755.

DEMOLITION OF BUILDINGS AT THE MICHIGAN AVENUE CROSSING OF THE JOHN C. LODGE EXPRESSWAY, IN THE CITY OF DETROIT, WAYNE COUNTY.

PROJECT: U1 82-127, C63 (U1-404 (30)).
Net classification required for this project is A-X Demolition.

Sealed proposals for the construction of this project located in the City of Detroit, Wayne County, will be received from contractors having 1951 Michigan State Highway Department pre-qualified status, at the Contract Estimate Bldg., 213 South Capitol Avenue, Lansing, Michigan, until 11:00 A.M., Eastern Standard Time on Wednesday, Sept. 12, 1951, and will then and there be publicly opened and read. Proposals may be mailed to Contract Estimate Office, 222 Townsend St., Lansing, Michigan.

The work will consist of Demolition of Buildings.

Completion date for entire project January 1, 1952.

The Department's Standard Specifications (1950 Edition), its current Soils Manual, the plans for this project, the special provisions governing subcontracting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-Estimate Engineer, 222 Townsend Street, Lansing, Michigan, up to 4 P.M. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows for Zone 1: Skilled labor \$2.125 per hour. Intermediate labor \$1.80 per hour. Unskilled labor \$1.70 per hour. Other rates as listed in the proposal.

A certified or cashier's check on an open solvent bank, in the sum of \$2,000.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.
CHARLES M. ZIEGLER,
State Highway Commissioner
Sept. 13, 1951

STATE OF MICHIGAN - ORDER OF THE CONSERVATION COMMISSION - LOWER PENINSULA.

The Conservation Commission, by authority of Act 230, P. A. 1925, hereby orders that for a period of two years from October 1, 1951, it shall be unlawful to trap raccoon in the Lower Peninsula north of the north line of Town 16 North and west of Saginaw Bay, excepting from November 15 to December 15, inclusive, and south of the north line of town 18 North and east of Saginaw Bay, including all of Huron County, excepting from December 1 to December 15, inclusive.

Signed, sealed, and ordered published this tenth day of July, 1951.
RICHARD H. FLETCHER, JR.,
Chairman
F. P. STRUHSACKER,
Secretary

Countersigned:
GERALD E. EDDY,
Director of Conservation
Sept. 6-13-20, 1951

Another Archery Shoot Sunday

Approximately 80 archers from this district participated in the shoot last Sunday at the Western Wayne County Conservation Association Archery course on Joy road according to Dr. B. E. Champ, association president.

Another shoot is scheduled for next Sunday at the same place. Again lithographic deer silhouettes will be placed among the hardwoods and ravines at ranges varying from 20 to 40 yards. All targets will have natural backgrounds to prevent the loss of arrows.

The rifle shooting range will be open, and many riflemen will avail themselves of the opportunity to sharpen up their marksmanship.

Many of the archers present last Sunday said that this archery range is the best ranging range they have ever been on.

Shooting will commence at 9 o'clock and continue until dark. Refreshments will be served in the clubhouse.

There is plenty of room for the children to play and have a grand time.

Mr. and Mrs. Donald Arnold of Harlan, Iowa spent last week as the guests of Mr. and Mrs. Charles Arnold.

Friday evening dinner guests of Mr. and Mrs. Richard Swanson were Mrs. Charles Arnold of Plymouth.

The Plymouth Old Newsboys will meet on Wednesday, September 19 at 7:30 p.m. in the Plymouth Township Hall.

Girl Scout Doings

The Girl Scout Leader's Club have resumed their meetings, the first being held Monday evening, September 10, at the home of their president, Mrs. Fannie Booth of Sheridan avenue.

Mrs. Dorothy Dibble, organizational chairman of the Plymouth Girl Scout Council, reported a total of 159 girl scouts registered in Plymouth. Of this number, 42 are Brownie Scouts composing three troops, 105 are Intermediate Scouts with seven troops, and the one senior troop is made up of 12 girls. Mrs. Dibble also asked for an experienced Brownie leader to take over a troop at the Starkweather school. Anyone interested please call Mrs. Dibble at 1589.

Mrs. Merle Atchinson, program chairman of the Council, presented plans for the coming season, which will include the usual rallies, plus a work program aimed at completing the furnishings for the Kiwanis Girl Scout cabin. This work will be carried out by individual troops, working on such items as curtains, dish towels, pillows, mats or anything which will add to the "hominess" of the cabin. Mrs. Atchinson also reported that the cabin is now equipped for over-night camp-outs.

Several leaders reported on work their troops had done, other than their out-door activities. These included favors and gifts for the children at Maybury Sanitarium, programs to entertain the aged at old people's homes, and one Brownie troop has a 70 year old veteran whom they remember on special occasions. Another Brownie troop recently earned \$10.00 which they used for a "Care" package.

Mr. and Mrs. Charles Riebas were recent guests of Mr. and Mrs. Glenn Northrup at Johannesburg.

Friday evening dinner guests of Mr. and Mrs. Richard Swanson were Mrs. Charles Arnold of Plymouth.

The Plymouth Old Newsboys will meet on Wednesday, September 19 at 7:30 p.m. in the Plymouth Township Hall.

Moore-Simonetti-Rites Read in Romulus

Mr. and Mrs. Gordon A. Moore are honeymooning in the Upper Peninsula following their marriage on Saturday, September 8 in the Romulus Methodist church. The 8 o'clock candlelight rites were read by Reverend Robert Hudgins. Large baskets of white mums, bachelor's buttons and palms adorned the altar and lighted tapers were attached to every other pew forming an aisle down which the bride proceeded on the arm of her father. The organist was Mrs. Ben Scott and Kenneth Rehkopf sang "I Love You Truly," "The Lord's Prayer" and "Because."

Mrs. Moore is the former Clara Rose Simonetti, daughter of Mr. and Mrs. Vito Simonetti of Farmer street and Mr. and Mrs. Lloyd T. Moore of Cherryhill, Wayne are the bridegroom's parents.

Clara wore an ivory satin gown with nylon over satin fitted bodice, the long sleeves were pointed at the wrists and her fingertip length veil of illusion was fastened to a scalloped crown trimmed in seed pearls. Her colonial bouquet was of white mums and bachelor buttons centered with a large white orchid.

Rosina Simonetti was her sister's maid of honor. She wore French blue taffeta with matching hat and cape and carried a colonial bouquet of pink mums and bachelor buttons. Miss Verna Moore, sister of the bridegroom and Miss Mary Alice Evans, friend of the bride, served as bridesmaids. Their gowns were the same as that of the maid of honor in both fashion and color and they carried colonial bou-

quets of yellow mums and bachelor buttons. Susan Turner, cousin of the bride, serving as flower girl, was in pink and she carried yellow and white petals of mums which she scattered as she approached the altar.

Preforming the duties of best man was Gordon Milton of Romulus, Gail Moore, brother of the bridegroom, assisted as usher. For her daughter's wedding Mrs. Simonetti wore a floor length gown of American Beauty rose and a corsage of tea roses and bachelor buttons and the bridegroom's mother chose a floor length gown in teal blue with which she wore pink accessories and pink roses and bachelor buttons. Mrs. Simonetti's accessories were in white.

Immediately following the ceremony a reception was held in the American Legion Hall at Newburg with 350 guests coming from Milford, Wayne, Romulus, Lansing, Farmington, Detroit, Redford, and Plymouth. For traveling Mrs. Moore wore a navy blue suit with matching accessories and pinned to her shoulder was the orchid from the center of her bridal bouquet. Mrs. Moore is a graduate of Plymouth High school. Her husband is a graduate of Romulus High school and is a student at Michigan State Normal college. They will reside at 555 Starkweather avenue in Plymouth.

In Benton, Ill., Clem Cable tried to get the bees out of his eaves, lit some rags to make a smudge, burned his house to the ground.

Mrs. Gordon A. Moore

Engagement of Mary Anne Bonnette Revealed

Mrs. Leona Bonnette of 673 Wing street announces the engagement of her daughter, Mary Anne to Marvin A. Smith, son of Mrs. Rose M. Smith of 8354 Canton Center road. No date has been set for the wedding.

D. of A. News

Patricia Green and Pfc. Kenneth Schaufele Wed on Saturday

Patricia Green, daughter of Mrs. Richard Gray of Plymouth and the late Carlton Green, became the bride, last Saturday, of Pfc. Kenneth Schaufele, son of Mr. and Mrs. John Schaufele of Joy road.

Reverend Alexander Miller of Flint officiated at the 8 o'clock services in the St. John's Episcopal church. Mrs. Roland presided at the organ and accompanied Mrs. Walter Beglinger who sang "Because" and "The Lord's Prayer." Lighted tapers and large baskets of white gladioli formed a background for the rites.

Patricia, who was given in marriage by her grandfather, Earl Myers, chose a ballerina length gown of white marquisette with tucked bodice, Peter Pan collar, and tiny buttons extending down the front to the waistline. She wore a shoulder length veil of illusion and carried a white Bible centered with a large white orchid.

Mrs. James Davis of Big Rapids served her sister as matron of honor. She wore a strapless sheath dress of fuchsia taffeta with overskirt of white net with which she wore a white stole. Janet Steirs and Carol Schaufele, a sister of the bridegroom were Patricia's bridesmaids. Their

Engagement of Rosemary Gutherie Announced at Tea

One of the loveliest of Fall parties was held on Sunday, September 9 in the home of Mr. and Mrs. Melvin Gutherie, "Med-O-Vue" on Newburg road, when they held an "at home" for their many friends and relatives honoring their daughter, Rosemary, whose engagement to Lewis Clinton Litzenberg, Jr. was announced. Lewis is the son of Mr. and Mrs. Lewis C. Litzenberg of Berea, Ohio.

A dinner for the immediate families was held at the Plum Hollow Golf Club on Saturday, September 8. No date has been set for the wedding.

Decorations for the tea at which over 200 guests received the surprise news were in pink and white, the colors of Rosemary's sorority. In the living

Rosemary Gutherie

and white formed a background for a miniature model of the home. Lewis is now building for his future bride. The tea table was covered with a dainty white cloth to which were attached streamers and gladioli buds in pink. The punch table was covered with a pink cloth with white streamers and flowers buds. Two large satin covered pin-up boards in the shape of the young couples sorority and fraternity pins bearing pictures of their courtship were used to announce the news. Pink candles were used throughout the house.

Rosemary is a graduate of Plymouth High school and Baldwin-Wallace college in Berea, Ohio and will be at the University of Michigan graduate school this fall. She is a past president of Phi Mu, Delta Iota Chapter. Her fiancé is also a graduate of Baldwin-Wallace and the Tennessee Military Institute. He too is a past president of his fraternity, Sigma Phi Epsilon, Ohio Zeta Chapter.

Mrs. Kenneth Schaufele

gowns were in shades of blue and rose with matching headdress and matching stoles. All the attendants carried bouquets of gladioli. Jack Schaufele was his brother's best man and two other brothers of the bridegroom, Donald and Robert Schaufele seated the guests. Both mothers wore gladioli corsages with their navy blue dresses.

A reception for 150 was held in the church dining room following the ceremony with guests coming from Big Rapids, Detroit, Lansing, Traverse City, Ann Arbor, Battle Creek, St. Joseph, Niles, and Plymouth. Among the guests attending was Patricia's great-grandfather, Albert Putnam of Niles.

Mr. and Mrs. Schaufele are honeymooning at a lake resort this week. For traveling the bride wore a gray suit with matching accessories and pinned to her shoulder the orchid from her bridal bouquet.

Both young people are graduates of Plymouth High school. Kenneth is on leave from the Army after completing three months of schooling at Ft. Sill, Oklahoma. He will return to duty on September 23 when he will report in New Jersey for detail duty in Germany. Mrs. Schaufele will make her home with her mother for the present.

Tom Moss Marries Mrs. J. M. Bennett

Announcement was made before a group of friends, at the home of Mr. and Mrs. John T. Neale of Auburn avenue last Saturday evening of the marriage of Mrs. J. Merle Bennett of St. Petersburg, Florida and Thomas W. Moss of this city. The wedding was solemnized at Kennebunkport, Maine on August 24. Mr. and Mrs. Moss will reside in Plymouth at 1279 West Ann Arbor trail.

Ashley street in Ann Arbor.

Mr. and Mrs. Kenneth Freeman and Mr. and Mrs. Ellard of Kal- amazoo called on Mr. and Mrs. James Burrell Monday on their way to Detroit.

Mrs. Earl Buchner, Mrs. Walter Wilkie, Mrs. Alice Gustin and Mrs. Betty Freedle attended a pinacol party at Mrs. Russell Trowbridge's, Wednesday after- noon.

Mr. and Mrs. Spencer Grammel obtained their card club on Thursday evening.

School opened Tuesday morn- ing.

Soon You'll Know All About Ford-Bennett's Writing a Book

"We Never Called Him Henry" is the title of a book to be pub- lished Oct. 5 written by Harry H. Bennett, former personnel dir- ector and powerful lieutenant for Henry Ford, known to many old time Plymouth workers in the Ford factories.

Ralph Daigh, vice president of Fawcett Gold Metal Books, which will bring out the account of Ben- nett's 30 turbulent years with Ford, says the book is "startling," even though Bennett was re- quired to rewrite the first version to make it "more objective." "Ben- nett had an entirely different view of Henry Ford than that given to the general public," Daigh says.

"This is not an apologetic book," Daigh states. "Bennett will try to show that he never was a 'fre-agent' as claimed." That re- mark intimates that Bennett is elaborating the statement he made repeatedly at the Senate crime investigations in Detroit. "I did what Mr. Ford asked me to."

The book has been written in collaboration with Paul Marcus, former Detroit newspaperman.

SPECIAL ELECTION NOTICE

CITY of PLYMOUTH
Wayne County, Michigan

MONDAY, OCTOBER 1, 1951

Notice is hereby given that a Special Election will be held in this City on Monday, October 1, 1951 for the purpose of voting upon the following question:

"Shall the proposed charter of the City of Plymouth drafted by the Charter Commission which was elected November 7, 1950, be adopted?"

Also for the purpose of electing to the offices created, in the event of the adoption of the charter by the electors, the following officers:

Two City Commissioners

The election will be held in the following places in the City of Plymouth:

- Precinct (1) City Hall
- Precinct (2) Starkweather School
- Precinct (3) Plymouth High School
- Precinct (4) George A. Smith School

Polls will be open at seven o'clock A.M., and remain open until eight o'clock P.M., E.S.T., of said day of election. Every qualified elector present and in line at the polls at eight o'clock P.M., shall be allowed to vote.

Albert F. Glassford, City Clerk

Mrs. J. J. Wickens is convalescing at her home on Elm street following surgery at Mt. Carmel hospital in Detroit.

Mr. and Mrs. Stephen Carlson and infant son, Stephen Lawrence have moved to West Branch where Mr. Carlson will teach in the public schools this year. Mrs. Carlson is the former Margaret Jean Willoughby.

Miss Violet McCartney of Brush street with Miss Frieda Pawlowski of Wayne have just returned from a two weeks vacation spent at Sun Valley, Idaho.

Mrs. George A. Smith spent from Friday until Sunday in Detroit as the guest of her sister, Miss Grace Stowe. On Saturday she attended the Ethel Waters performance of "Member of the Family."

Miss Barbara Lorenz will return to Michigan State Normal college on Sunday, September 16 to begin her task as Chairman of the All College social committee. Miss Lorenz will make preparations for the Frimman Mixer, a semi-annual party for new freshmen and transfer students. Mrs. Lorenz is a senior majoring in Recreation and is a member of the Sigma Sorority and an associate judge of the Student Court.

Mr. and Mrs. Howard of Detroit were Saturday evening callers of Mrs. William Blunk.

Donald Sutherland, son of Mr. and Mrs. Donald Sutherland, Sr. is leaving on Sunday for East Lansing where he will resume his studies at Michigan State college as a sophomore.

Mr. and Mrs. H. L. Woods of Simpson street were given a belated surprise cooperative dinner last Thursday evening honoring them on their 25th wedding anniversary. Guests included Mr. and Mrs. John Henderson, Mr. and Mrs. Edward Dobbs, Mr. and Mrs. William Arscott, Mr. and Mrs. O. H. Williams, Mr. and Mrs. George Farwell, and Dr. and Mrs. Elmore Carney.

Mr. and Mrs. Wilfred Thelen of Farmer street spent the Labor Day weekend visiting friends, Mr. and Mrs. William Ward in Belding.

Randy Roberts, son of Mr. and Mrs. Thomas E. Roberts of Elmhurst street celebrated his fourth birthday with a party on Saturday, September 1. His little guests were Gary and Larry Walker of Garden City, Alvin Roberts of Wayne, Gary Lee Stobbe of Northville, and Norma, Dennis and Carol Ann Paquin, Linda and Gail Sayre, Tommy Schwartz, Mary Ly Wagner, Glenn and Rickey Ritchie, Ellen Robinson and Christine Strzanski, all of Plymouth.

Mr. and Mrs. Manford Becker were hosts at the eleventh annual cousins reunion at their home, 575 Pacific avenue, Sunday September 9. Seventy-two guests enjoyed a potluck dinner on the lawn. Voyt Becker of Fenton held the honor of being the oldest member present and the distinction of being the youngest went to Dennis Frederick Becker, three week old son of Mr. and Mrs. DeWayne Becker. Guests were present from Three Oaks, Jerome, Jackson, Lansing, Fenton, Detroit and Plymouth.

Miss Sally Holcomb, daughter of Mr. and Mrs. Henry Holcomb of Rosedale Gardens is returning to Michigan State college in East Lansing this week for her Junior year.

Mr. and Mrs. George Burgett of Port Huron are visiting their children, Mr. and Mrs. William Michaels, Mr. and Mrs. Floyd Burgett and Mr. and Mrs. Lawrence Burgett for a few days.

City Manager and Mrs. Albert Glasford and their son, Carl are in Maine where Mr. Glasford is attending the City Managers convention.

Mr. and Mrs. Dewey Smith entertained at a picnic dinner on Sunday for the following guests: Mr. and Mrs. James Seeley and two children of Brown City, Mr. and Mrs. Wayne Smith and son, David, Mr. and Mrs. Ronald Brink and two children, Mr. and Mrs. James McGraw and two children, Mr. and Mrs. Jack Smith and son, Rickey, Mr. and Mrs. Carl Watts and son, Terry Lee and Miss Jacquelyn Smith, all of Plymouth.

Mr. and Mrs. Harry Brown of Maple avenue with their daughter and husband, Mr. and Mrs. Robert Gots and children spent last week vacationing at Milakokla lake in the Upper Peninsula.

Mr. and Mrs. Robert Lidgard and family have returned to their home on Liberty street after spending the summer months at their cottage on Joslin lake.

The Plymouth Theatre Guild will meet on Monday evening, September 17 at 8 p.m. at the Veterans Memorial Center. The public is invited to attend.

What are the Dollar Signs Saying?

MAYBE you've noticed that dollars don't seem to talk as loud as they used to in a lot of places.
But you ought to hear what they say about this Buick.
They say—here's the big thrill—big mileage—big power of a valve-in-head Fireball Engine—eight-cylinder performance at the price you'll pay for most sixes.
They say—here are size and room and comfort that are hard to match at anywhere near the price tag this Buick SPECIAL is wearing.

They say—here are such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation—not as "extras" but yours at no extra charge.
They say that "smart buy's Buick"—by a wide measure.
But a smart buyer will also let this dashing darling speak for itself.
He'll take the wheel and feel how it snugs to the road on turns—holds its course on the highway with big-car assurance.
He'll touch off the power of its

Roger Babson Says --

Babson Decries Prize Fight Rage

New York City, September 14. I despise the commercial exploitation of brutality as it exists in prize fighting. So far this year six fighters have died from injuries received in the ring in the United States alone. Surely, commercial prize fighting is something the country can do without. It comes to me as a shock that an estimated 40,000,000 Americans turned on their radios or televisions to hear or watch the Edward Charles — Joe Walcott bout. We boast that our civilization is superior to that of ancient Rome because we do not have the bloody gladiatorial contests. Yet, doctors know that many prize fighters suffer with serious injuries which are not public knowledge.

Boxing Gloves Protect the Onlookers

It is my opinion that boxing gloves were invented not so much to protect the bodies of the boxers as to protect the consciences of the onlookers. When gloves are worn the people at the ring side can "kid" themselves that they are observing an exhibition of skill dissociated from cruelty and degradation.

It is the intentional infliction of physical injuries which distinguishes boxing, and probably wrestling, from the true sports. Boxing and wrestling may be essential to a young man's physical education, but they should be restricted to high school gymnasiums and military training camps. Keep them out of the entertainment field. I am chagrined to think that here in enlightened America the form of entertainment which draws the greatest number of viewers consists of the spectacle of two pugilists slugging each other until both are bleeding and bruised, and one of them, suffering from intentionally inflicted concussion, drops to the floor unconscious.

Suggest Boycott Prize Fights

Let me state with emphasis, however, that I am not at this time recommending abolition of prize fighting by law. The menace of prize fighting can be met by a spiritual protest, which could manifest itself adequately by a turning off of television and radio sets. Americans must solve this problem by self-control and by setting their children and neighbors a good example.

World leadership appears to be devolving upon the United States of America, and the retention of leadership implies ample provision for military defense. Personnel in our armed forces need all-round rugged physical training along with their technical training. Preparedness for individual personal combat is a virtue that

should be cultivated to a reasonable degree. Courses in boxing and wrestling, therefore, should be part of the physical education of our young men, in the national interest. But I can't perceive that the need for such training warrants the commercial exploitation of brutal fights for high prizes before mammoth audiences.

No Animosity for "Jersey Joe"

I harbor no resentment against individual pugilists. I do not know how much we can believe of the publicity issued concerning the new champion heavyweight prize fighter, Mr. Arnold Cream, whose ring name is Jersey Joe Walcott. I am greatly interested to read that Mr. Cream teaches Sunday School and before each bout seeks a few minutes of solitude for the purpose of prayer. My first reaction was to look only with a cynical eye on prayers for success in the prize ring!

But as I read more about Mr. Cream, a man near 40, I could not avoid the conclusion that it is unimportant whether or not he prays for God's blessing on an un-Godly endeavor. The sad thing is that in this country a man of Mr. Cream's lifelong character, perseverance, and interest in the Church finds opportunity for self-expression only in a profession that purveys to the lowest human instincts. If racial discrimination and poverty had not borne down so heavily on this competent man in his youth, America might be richer by one more leader in some constructive profession. The difference between Arnold Cream's opportunities and the opportunities which our people will accord each of his six promising children will be a good measure of the nation's progress in democracy.

A Day Worth Waiting For!

Standard equipment, accessories and trim illustrated are subject to change without notice.

There are but few times in a man's life when he gets a thrill that matches the one he gets when he takes delivery of his first Cadillac.

We've watched it happen many, many times—and it never ceases to be a heart-warming experience.

You see—a man isn't simply buying a motor car when he gets his first Cadillac. He is marking a milestone in his life.

For years, he has been saying to himself that, some day, he would step up to a Cadillac.

All this time, he has seen it as something he wanted to do for his family . . . and as a sort of personal reward for the effort and planning that have gone into his own work.

And when you watch him slide over behind the wheel

—well, it's a thrill just to be there. He's a proud and happy man as he turns the key in the ignition switch—and hears the deep-throated answer of the powerful engine.

If you are one who has been looking forward to a Cadillac—we think you would be well advised to come in and place your order now.

There's a little delay these days before a Cadillac can be delivered—and obviously, the sooner you place your order, the sooner you'll get your car.

And when the great day comes, you'll know at once that it was well worth waiting for—because all the things you've heard about a Cadillac are doubly true.

It isn't just a motor car. It's a wonderful contribution to a wonderful way of life!

These Events Were News

25 Years Ago

The land on West Ann Arbor street owned by E. C. Hough has recently been planted, and account of the large public park and children's playground which has been made a part of the village Park System, the subdivision will be known as the "Hough Park" subdivision.

Walter Livrance is building a new garage at Phoenix, just north of the Ford plant. The new building will be 40 x 80 feet in size, the front being constructed of brick, the balance of the building made of concrete blocks. When it is completed Mr. Livrance will open a general repair and service garage.

A very pretty wedding took place in the rectory of Our Lady of Good Counsel church, on September 7 at 2 o'clock, when Thomas Garchow, son of Mr. and Mrs. Wm. Garchow of Livonia Center and Thraya Fuhrman, daughter of Mr. and Mrs. Adam Fuhrman, also of Livonia Center, spoke the marriage vows in the presence of Mr. F. C. Letevre.

On Friday, September 10, the Michigan Bell Telephone Co. will entertain the students of Plymouth High school with a demonstration of the operation of a telephone central office. An evening demonstration will be held for the general public.

At a meeting of the school board last week, Malcolmson & Higgenbotham, architects of Detroit, were awarded the contract to draw the plans and specifications for the new school building, which will be erected on the site recently purchased of Robert Walker on Spring street and Holbrook avenue. The new school will be a two-story building with 12 rooms.

The first enrollment figures of the Plymouth schools, Wednesday showed a total of 1131, an increase of 177 over last year. From the kindergarten to the sixth grade there are 643 children. Last year in these grades there were 574, an increase of 69. From the seventh to the twelfth grades, there are 488 pupils, while last year there were 380, an increase of 108.

A few days ago, E. C. Hough offered for record to the Register of Deeds of Wayne County the parchment patents covering the Hough Homestead in Canton Township, bearing the date of July 3, 1826, signed by John Quincy Adams, President of the United States and also another patent dated September 2, 1835, signed by Andrew Jackson, president at that time. This land was settled by Ira M. Hough, who came from Vermont in 1825, to what was then Michigan Territory. Since the land has been in the Hough family ever since, these deeds have never been recorded, but as a matter of safety it has been deemed advisable to record them.

With the arrival last week Thursday of 54 Wayne County boys of school age, from the Lapeer school, the new Wayne County Training school, located near this village, was formally opened on that day. Another contingent of fifty girls is expected to arrive at the school shortly.

10 Years Ago

More than 400 persons attended the fourth annual flower show, sponsored by the Plymouth Branch of the Woman's National Farm and Garden association, at the Hotel Mayflower last Thursday afternoon and evening.

Perfect specimens of peaches grown on his farm in Washtenaw county were brought into the Plymouth Mail office last week by Leonard E. Millross, Plymouth agent for the Railway Express. The peaches, of the Hale variety, were as large as oranges, measuring 11 inches in circumference.

Harold Falot, of Plymouth, is in California where he will become a student of Aircraft Engine Mechanics at Curtiss-Wright Technical Institute.

St. Peter's Evangelical Lutheran church was attractively decorated with sheaves of wheat, oats, rye, and barley and baskets of fruits and vegetables, offered by members of the congregation, for the seventh annual Harvest Home Festival Sunday morning. The Harvest Festival marks the beginning of the Month of Missions during September.

Mrs. Loren J. Goodale of 196 Hamilton street, Plymouth, again this year captured the "Home-maker's sweepstakes prize and honors in many cooking classes in the Woman's Department of the Michigan State Fair in Detroit last week.

Following the successful drive for funds to retire the mortgage of the First Methodist church last June, additional funds were used for the redecorating of the church interior during August while the congregation met at the Presbyterian church for joint union services.

At next Tuesday's meeting, members of the Plymouth Kiwanis club will hear a talk on a subject of wide spread interest and speculation, "The Gasoline Situation Today," by J. M. McCullough, manager of the eastern division of the Socony-Vacuum Oil company. James Sessions will be program chairman for the meeting.

Twenty from City Entering State

Approximately 3,000 new students and transfers are expected to be among an estimated 12,500 students who will enroll at Michigan State college for the fall term September 17-21.

New students and transfers will number 1,800 men and 1,200 women, according to Kemmit Smith, assistant registrar.

The estimated 12,500 fall enrollment compares with 14,993 students registering for the fall term, 1950, Smith said. The enrollment drop is probably due to the uncertainty of international conditions, Smith said, and is expected to be felt by virtually all universities in the nation.

Breakdown of fall enrollment indicates that men will outnumber women 8,600 to 3,900.

Names of new students and transfers who have been accepted by Michigan State college for the fall term from Plymouth are as follows:

John C. Bachelder, Cynthia S. Eaton, William F. Gayde, Sarah A. MacKintosh, Valerie S. Perkins, Shirley A. Plant, Charles J. Bock, Walter B. Rensel, Mary A. Witwer, Sally J. Zink, Darryl W. Speers, John S. Kurtz, Harry C. Benjamin, Roberta N. Merritt, Robert N. Bowen, John R. Kropf, Donald R. Wolfe, Anne L. Vincent, Marjorie L. Jacobs, Judith C. Parmenter.

Women seem to be all right on bargains until it comes to picking out husbands.

Anybody and his money is soon parted.

There is a definite trend toward kitchens in which meals can be served—particularly to those with built-in tables or nooks. The percentage of kitchens with detached breakfast tables is declining steadily. Built-ins are especially popular with the younger families.

Bear cubs are surprisingly small at birth, being about eight inches long, and weighing from nine to 12 ounces.

If you haven't seen your wife smile at a traffic cop, you ain't seen her smile her prettiest.

She's helping to meet an emergency

MRS. RUTH JOHNSON of Grand Rapids, one of the first women to take over a maintenance job at Michigan Bell since World War II.

The little lady on the ladder is doing some of the work normally handled by men. She may look out of place in that maze of wire connections. But you ought to see her use a soldering iron, installing and rearranging part of the wiring that connects subscribers' telephones with the central office equipment.

She's working here because many telephone men who kept Michigan Bell's equipment in top condition are now in uniform, and because communications are the life lines of our armed forces.

During World War II, several hundred Michigan women took over while the men were gone. Today other women are doing the same thing. And they're doing a great job... helping to keep the equipment that handles the nation's calls in good working order.

It's people who make telephones service good!

FAIR IN THE LIGHT OF MEMORY SHINES MICHIGAN My MICHIGAN ELTON R. EATON

Postmaster George Timpano who left a few days ago with Mrs. Timpano to enjoy a brief vacation trip up to Quebec and down across the New England states to Washington, expects to add many hundreds of feet to his colored film collection.

"But one cannot beat Michigan as a good place to get some really beautiful colored pictures. We have travelled to the Atlantic coast and to the Pacific coast—and into Canada, Cuba and Mexico. While we can get pictures that are different and interesting, we cannot get pictures that excel those we take in Michigan for scenic beauty and color," said Postmaster Timpano just before he left for his latest trip.

His colored motion picture collection amounts to many thousands of feet. He declares that no matter how many times he flashes his pictures onto the screen, they are always as interesting as when first displayed.

"Another thing, you'd be surprised to know some of the new things you see in your pictures everytime you run the reel over," he said.

Duck hunters are wishing that the extended hunting season proposed for the forthcoming hunting season could have been extended at "both ends" instead of at the end of the season. While ten days have been added to the end of the season, that will carry it over into the deer hunting period—and most duck hunters are also deer hunters. At any rate the duck hunting season is going to be longer and all reports indicate much better hunting this fall than has prevailed in years.

While Michigan does a fairly good job in its forest fire protection work, it ranks way down the line in comparison with California and some other states. California spent for fire protection last year almost \$7,000,000—that's "going some" as they say.

From a recent bulletin of the Michigan United Conservation clubs comes a bit of interesting information as to how governmental propaganda agencies and their publicly paid bureaucratic managers twist facts in order to put over their schemes.

This last effort is in connection with the recent severe floods in eastern Kansas.

So that you may get the picture in its entirety, The Mail is reprinting in full the statement of the Michigan United Conservation Clubs, as follows:

As the most destructive flood in America's history rolled over 22-foot dikes at Kansas City, Major General Lewis A. Pick, chief of the Corps of Engineers arrived to inspect damage, supervise rescue and salvage operations, and to issue a timely plug for a favorite project, the Wildlife

Management reports. Pick, addressing the crowd at the airport, stated that the flood never would have occurred if the engineers had been given the money to build flood control dams.

Presumably he referred to the Pick-Sloan Plan, a compromise hastily entered into by the Corps and the Bureau of Reclamation to resolve conflict between the two agencies to block authorization of a Missouri Valley Authority modeled after TVA. This plan has been severely criticized by every agency, including the Hoover Commission, which has made an impartial survey of its provisions.

Reports of the U. S. Weather Bureau refute General Pick's dramatic and superlatively timed statement in Kansas City. Beginning as early as May, the stage was being set for the flood when heavy rains fell across the tributaries of the Kansas (Kaw) river. By early June the fields were saturated, and by late June the state had seen its wettest June in history. Far up the Republican River and on the Smoky Hill, dams already were being heavily taxed; but most of the rain fell far below the dams.

Then Nature threw its Sunday punch as a cold front moved over the rain-soaked region and hung almost stationary for 13 days, pouring down torrents on lands which could absorb no more moisture and on streams already lapping at the tops of levees. Fifteen inches fell south of Topeka and 8 inches over most of Eastern Kansas.

When the official weather map of the Weather Bureau showing this rainfall area was superimposed on a map of the same scale showing the proposed, authorized, and existing dams of the Pick-Sloan Plan, it revealed some interesting information. Not

one of the 108 dams in the plan lies between the center of maximum rainfall and Kansas City. Except for Tuttle Creek Power Dam on the Big Blue River, all damsites lie upstream of the center of heaviest rainfall. Fort Peck, Garrison, and Moorhead, gigantic mainstays of the Pick-Sloan flood control program, are hundreds of miles from the scene of trouble. Other dams, proposed or already constructed, are far downstream of Kansas City.

The fact is that the corps of engineers, which has predicted all of its flood control activities on the basis of the last record flood of 1903, was caught as much by surprise as anyone else. If every dam proposed in the Pick-Sloan Plan had been in operation, not one of them would have lain between the area of heavy rainfall and the hapless cities at the mouth of the Kaw. They would have had little or no effect on this disastrous flood.

And then please note that in the National News Letter, there is told of the conflict between two federal agencies in the Missouri Basin—on this flood control business. And that the Hoover commission recommends that the civil functions of the Army Engineers be consolidated with the Bureau of Reclamation within the Department of Interior and that a "Board of Impartial Analysis" be created to pass on all river projects. Relationship to this Kansas billion dollar flood is made in House Report 779 which was prepared by three Missouri Congressmen acting as a sub committee.

Write your congressman for copy of house report no. 779 and read the facts of this "Mess in Missouri," the conflicts and claims and counter recommendations.

Distribution of 1,260,000 fall small game and deer licenses to 4,000 hunting license agents will be completed by September 15, the conservation department announces.

The department advises hunt-

ers that many agents now have copies of the new game law digest and all will have the waterfowl regulation supplement not later than October 1.

The folder outlines basic hunting laws, season dates and bag limits. The supplement is necessary since information on possible waterfowl shooting dates and bag limits was not available from the U. S. Fish and Wildlife Service before digest printing time.

Shooting timetable for migratory waterfowl will be printed in many state newspapers and copies of the table will be available from and district or regional conservation department office.

Agents issued 1,052,684 hunting and trapping licenses last year. License fees, which are the same as before, are listed in the digest.

Labor Day crowds in state parks pushed 1951 attendance figures close to the 12-million mark.

While unseasonably cold weather of early summer kept this year's attendance total below the record 12,108,000 of 1949, last year's total of 11,669,000 was exceeded two weeks ago.

Campers permits also have fallen behind 1949's record, according to the conservation department's park division, but are expected to exceed 37,000. The 1950 total was 32,675.

The department is operating 46 state parks and 13 state recreation areas this season.

TAKE IT FROM THE GIRLS

"We love that Air-Conditioning"

Small wonder cows give more milk and hens lay more eggs, even in the wintertime! A well-planned electric ventilating system keeps them healthier and happier by carrying off foul, moisture-laden air and replacing it with fresh, dry air. Stock thrives in this automatic air-conditioned comfort, produces more at less cost to you.

In addition, you have less trouble with iced-up doors and windows, fewer rotted sills and timbers to repair or replace.

Get ready now to lick the barn and poultry house problems winter always brings.

ELECTRIC VENTILATING SYSTEMS IN DAIRY BARN AND POULTRY HOUSES MORE THAN PAY THEIR WAY

MOVING AIR MAKES MONEY

* For expert help, see your Edison Farm Service Advisor. You can count on him to recommend the right ventilating system for your needs. No obligation, of course.

DETROIT EDISON

Proposed City Charter

STATE OF MICHIGAN, COUNTY OF WAYNE: ss

Albert F. Glassford, City Clerk and Clerk of the Charter Commission of the City of Plymouth, Wayne County, Michigan, being duly sworn, says that, at the general election held in the City of Plymouth on November 7, 1950, the following named persons were elected to and comprised the Charter Commission for the City of Plymouth, as required by Act No. 279 of the Public Acts of 1909, as amended, namely: Frank Arlen, Howard E. Carson, Russell M. Daane, Catherine J. Henderson, James C. Hotelling, E. Moore, Robert L. Nulty, Donald H. Sutherland, and Gladys Tillotson; that the members of said Charter Commission did convene on the second Tuesday after the date of said election in the Council chambers of the City of Plymouth; that Donald H. Sutherland was elected chairman of the Charter Commission; and that, thereafter, the Charter Commission did meet as required by law and frame a charter for the City of Plymouth, all in accordance with the laws of the State of Michigan which provide therefor.

Albert F. Glassford
City Clerk of the City of
Plymouth, Michigan, and
Clerk of the Charter Com-
mission of said city.

Dated: Plymouth, Michigan

Subscribed and sworn to before me this 23rd day of July, 1951.
Ruth Stephens
Notary Public, Wayne County, Michigan
My Commission Expires: 3/25/55

PROPOSED CHARTER OF THE CITY OF PLYMOUTH MICHIGAN

PREAMBLE

We, the people of the City of Plymouth, mindful of the ideals and traditions of our fathers in founding and developing this community, grateful for the blessings of freedom, peace, and justice in a free and democratic state and nation, and desirous of further securing these blessings to ourselves and our posterity, do hereby ordain and establish this charter for the City of Plymouth.

CHAPTER 1 BOUNDARIES AND SUBDIVISION OF THE CITY

Section 1.1. The following described territory, together with all territories that may be annexed thereto, shall be and remain a body corporate under the official name and title of "City of Plymouth," and shall be subject to the municipal control of said city.

The east half of section twenty-seven (E. 1/2 Sec. 27); the northeast quarter of section thirty-four (N. E. 1/4 Sec. 34); the west half of section twenty-six (W. 1/2 Sec. 26); the northwest quarter of section thirty-five (N. W. 1/4 Sec. 35); the northwest quarter of the northwest quarter of the northeast quarter of section thirty-five (N. W. 1/4 of N. W. 1/4 of N. E. 1/4 Sec. 35); the west half of the west half of the southeast quarter of section twenty-six (W. 1/2 of W. 1/2 of S. E. 1/4 Sec. 26); the west half of the northeast quarter of section twenty-six (W. 1/2 of N. E. 1/4 Sec. 26); the southeast quarter of section twenty-three (S. W. 1/4 of S. E. 1/4 Sec. 23); and an area described as follows: Beginning at the south quarter post of the southeast quarter of section twenty-two (22) to the south property line of The Chesapeake and Ohio Railway Company; thence east-southeasterly along the south property line of The Chesapeake and Ohio Railway Company to its intersection with the south line of section twenty-three (23) at a point seven hundred fifty-four (754) feet east of the southwest corner of section twenty-three (23) thence west along the south line of sections twenty-three (23) and twenty-two (22) to the point of beginning, all as shown on plat in Town One South, Range Eight East (T. 1 S., R. 8 E.) Wayne County, Michigan.

Section 1.2. The city shall be constituted of the persons residing or domiciled within the territorial boundaries herein specified; of all property, both real and personal, located or having a legal situs therein, and of the public facilities, improvements, and works thereon.

Section 1.3. The city shall consist of one ward.

Section 1.4. The election precincts of the city shall remain as they existed on the date that this charter became law, until altered by the Commission as provided and required by State law.

CHAPTER 2 GENERAL MUNICIPAL POWERS

Section 2.1. The City of Plymouth and its officers shall possess and be vested with each and all the powers, privileges, and immunities, expressed or implied, which are or may hereafter be, or hereafter may be, permitted to exercise under the constitution and laws of the State of Michigan. It is the intent of the Charter Commission in framing this charter and of the people of the city in adopting it, to include all such powers, privileges, and immunities within the scope of the powers granted to the City of Plymouth by the provisions of this charter. The city and its officers shall have power to exercise each and all such municipal powers in the management and control of municipal property and in the administration of the municipal government, whether they be expressly enumerated or not; to do any act to advance the interests of the city, the good government and prosperity of the municipality and its inhabitants, and, through its regularly constituted authority, to pass and enforce all laws, ordinances, and resolutions relating to its municipal concerns, subject to the constitution and general laws of the state and the provisions of this charter.

In addition to the powers possessed by the City of Plymouth under the constitution and general laws of the State of Michigan, and those set forth in this charter, the city shall have power with respect to, and may by ordinance or other appropriate and lawful acts, provide:

1. For the use, regulation, improvement, and control of the surface of its streets, alleys, and public ways, and of the space above and beneath them;
2. For the use, regulation, improvement, and control of the streets, alleys, and public places of the city in the operation of a public utility, subject to any limitations imposed by State law;
3. For a plan of streets and alleys within the city and for a distance of not more than three (3) miles beyond its limits;
4. For the use, control, and regulation of streams, waters, and water courses within its boundaries, subject to any limitations imposed by law;
5. For the installation and connection of sewers and water works on and to property within the city; for assessing the cost thereof to the several properties and making the same a lien thereon;
6. For maintaining the peace within the city, and preventing and punishing the disturbance of any meeting which is assembled for any lawful purpose;
7. For the acquiring, establishment, operation, extension, and maintenance of the management and parking of vehicles within its corporate limits, including the fixing and collection of charges for services and use thereof on a public utility basis, and for such purpose to acquire by gift, purchase, condemnation, or otherwise, the land necessary therefor;
8. For the acquisition of the following improvements, including the necessary lands therefor, by purchase, gift, condemnation, lease, construction or otherwise, either within or without its corporate limits and either within or without the corporate limits of the county in which it is located, viz.: City hall, police stations, fire stations, boulevards, streets, alleys, public parks, recreation grounds, municipal camps, public grounds, zoological gardens, museums, libraries, airports, cemeteries, public wharves and landings upon navigable waters, levees and embankments, watch-houses, city prisons and work houses, penal farms, institutions, hospitals, quarantine grounds, electric light and power plants and systems, gas plants and systems, waterworks plants and systems, sewage disposal plants and systems, city dumps, garbage disposal plants or facilities, pounds, community buildings, stadia, convalescent halls, auditoria, dormitories, hospitals, market houses and market places, office buildings for city officers and employees, public works, and public buildings of all kinds; and for the costs and expenses thereof;
9. For the acquisition, by purchase, gift, condemnation, lease, or otherwise of private property, either within or without its corporate limits and either within or without the corporate limits of the county in which it is located, for any public use or purpose within the scope of its powers, whether herein specifically mentioned or not. If condemnation proceedings are resorted to for the acquisition of private property outside the corporate limits of such city, such condemnation proceedings may be brought under the provisions of Act No. 149 of the Public Acts of 1911, as amended, or as may be amended, entitled "An act to provide for the condemnation by state agencies and public corporations of private property for the use or benefit of the public and to define the terms 'public corporations,' 'state agencies' and 'private property' as used herein," being sections 213.21 to 213.41 inclusive of the Compiled Laws of 1948, or such other appropriate provisions thereof as exist or shall be made by law;
10. For the maintenance, development, and operation of its property, and, upon the discontinuance thereof, to lease, sell, or dispose of the same subject to any restrictions placed thereupon by law;
11. For regulating, restricting, and limiting the number and locations of oil and gasoline stations;
12. For establishing standards to govern the construction, alteration, equipment, or removal of buildings and structures within the

city; the zoning of the city in the manner and for the purpose permitted by law; and, in any zoning ordinance passed or effective in the city, or independently thereof, to regulate and establish the line upon which buildings may be erected on any street, lane, or alley; in said city, and to prevent such buildings being erected nearer the street than such line;

Section 2.2. For the regulation of trades, occupations, and amusements within the city, not inconsistent with State and Federal laws, and to prohibit such trades, occupations, and amusements as are detrimental to the health, morals, or welfare of its inhabitants;

Section 2.3. For preventing injury or annoyance to the inhabitants of the city from anything which is dangerous, offensive, or unhealthful, and to prevent and abate nuisances and punish those occasioning them or neglecting or refusing to abate, discontinue, or remove the same;

Section 2.4. For licensing, regulating, restricting, and limiting the number and locations of advertising signs or displays and billboards within the city;

Section 2.5. For establishing, acquiring, and operating airports, either within or without its corporate limits, and for regulating all airports located within its boundaries, and, for the purpose of promoting and preserving the public peace, safety, and welfare, for the control and regulation of the use of the air above the city by aircraft of all types, subject to any limitations imposed by law;

Section 2.6. For the prohibition or regulation of the use, occupancy, sanitation, and parking of house trailers within the city, and the right of the city to so regulate any house trailer shall not be abrogated because of any detachment thereof from its wheels or because of placing it on, or attaching it to the ground by means of any temporary or permanent foundation, or in any manner whatsoever;

Section 2.7. For the creation and maintenance of a juvenile advisory commission which shall consult and cooperate with the educational, recreation, judicial, and law enforcement agencies of the city, the County of Wayne, and the State of Michigan with respect to the programs, undertakings, and actions of such agencies affecting or pertaining to the youth of the city;

Section 2.8. For the creation and maintenance of a cemetery board which shall have and perform such powers and duties with respect to the cemetery or cemeteries of the city as the Commission shall prescribe.

Section 2.9. For the exercise of all powers granted to and possessed by the city shall be exercised as provided in this charter or by State law. Where no procedure is set forth in this charter or in the State law for the exercise of any power granted to or possessed by the city and its officers, the Commission may provide a procedure for the exercise thereof by ordinance, or resort may be had to any applicable procedure set forth in any statute of the State of Michigan which has been enacted for the government of any political subdivision of the State or for the exercise of such powers by the State itself.

Section 2.10. The city shall have power to join with any municipal corporation, or with any number or combination thereof, by contract, or otherwise, as may be permitted by law, for the ownership, operation, or performance, jointly, or by any one or more, on behalf of all of any property, facility, or service which each would have the power to own, operate, or perform separately.

The city shall have the right to contract with any person or with any other municipal corporation to furnish to property, outside the corporate limits of the city, for an adequate consideration, and within limitations imposed by law, any lawful municipal service which it is furnishing to property within its corporate limits.

Section 2.11. The adoption and taking effect of this charter shall not discharge, impair, or limit any right vested in or obligation incurred by the City of Plymouth at the time this charter became law.

CHAPTER 3 INTERPRETIVE AND LIMITING PROVISIONS

Section 3.1. All records of the city shall be public.

Section 3.2. Except as otherwise specifically provided or indicated by the context, all words used in this charter indicating the present tense shall not be limited to the time of adoption of this charter, but shall extend to and include the time of the happening of any event or requirement for which provision is made therein, either as a power, immunity, requirement, or prohibition.

Section 3.3. Any word importing the singular number only may extend to and embrace the plural number and every word importing the plural number may be applied and limited to the singular number. Every word importing the masculine gender only shall be extended and applied to the feminine as well as the masculine gender.

Section 3.4. (a) The word "person" may extend and be applied to bodies corporate and politic and to partnerships, associations, and joint adventures, as well as to individuals.
(b) The words "printed" and "printing" shall include reproductions by printing, engraving, stencil duplicating, lithography, or any similar method of reproducing or recording language.
(c) Except in reference to signatures, the words "written" and "in writing" shall include printing, typewriting, and teletype and telegraphic communication.
(d) The words "statute" and "state law" shall mean the statutes and laws, including the Constitution of Michigan.

Section 3.5. The chapter and section headings used in this charter are for convenience only and shall not be considered to be a part of this charter.

Section 3.6. No official of the city shall have power to make any representation or recital of fact in, or which may be deemed to constitute a part of, any franchise, contract, document, or agreement, contrary to any public record of the city. Any such representation shall be void and of no effect as against the city.

Section 3.7. Should any provision or section, or portion thereof, of this charter be held by a court of competent jurisdiction to be invalid, illegal, or unconstitutional, such holding shall not be construed as affecting the validity of this charter as a whole or of any remaining portion of such provision or section; it being hereby declared to be the intent of the Charter Commission and of the electors who voted thereon that such unconstitutionality or illegality shall not affect the validity of any part of the charter, except that specifically affected by such holding.

Section 3.8. This charter may be amended at any time in the manner provided in Act No. 279 of the Public Acts of 1909, as amended. Should any two or more amendments, adopted at the same election, have conflicting provisions, the one receiving the largest affirmative vote shall prevail as to those provisions.

CHAPTER 4 GENERAL PROVISIONS AFFECTING OFFICERS OF THE CITY

Section 4.1. The elective officers of the city shall be seven Commissioners, one Municipal Judge, and if the Commission shall so determine, one Associate Municipal Judge. Each such officer shall be elected by the vote of the electors of the city at large.

Section 4.2. The appointive officers of the city shall be a City Manager, a City Attorney, a Clerk, a Treasurer, an Assessor, a Fire Chief, a Police Chief, a City Engineer, a Health Officer, a Superintendent of Public Works, a Constable, and the members of the Board of Review and the Personnel Service Appeal Board, and of other boards and commissions provided for or permitted to be created by this charter or by State law. Upon the recommendation of the City Manager, and to assure the proper administration of city affairs, the Commission may create additional appointive offices, boards, commissions, or may combine any administrative offices, boards, commissions, in any manner not inconsistent with state law, and prescribe the duties thereof. Provided, however, That the offices of City Manager, Clerk, and Treasurer shall not be combined with any other office in any manner, but each may be combined with any other office. The creation of any additional administrative office or combination thereof shall not directly or indirectly abolish or diminish the office of City Manager, or the responsibilities of that office as set forth in this charter. Upon the recommendation of the City Manager, any board or commission, created under authority of this section, may be abolished by the Commission.

Section 4.3. All personnel employed by the city, who are not elected officers or declared to be appointive officers by or under authority of this charter, shall be deemed to be employees of the city. Members of boards and commissions of the city shall be deemed to be officers of the city.

Section 4.4. Except as otherwise provided in this charter, an elector of the city shall be eligible to hold elective or appointive office, if he shall have been a resident of the city for two years immediately prior to the date of his election or appointment to office, and shall not be in default to the city, the County of Wayne, or to any school district located within the city. To be eligible to hold an elective office, a person shall also have been, for a period of two years prior to the date of his election or appointment to office, the owner of property located and assessed for taxes by the city.

In the case of appointive officers, the Commission may, at its third vote, waive the requirement of the residence in the city at the time of appointment; provided, That each person for whom such requirement is waived shall become a resident of the city within ninety

days following his appointment and shall remain a resident of the city during the entire time that he shall hold office in the city government. Failure so to become a resident of the city and thereafter to be a resident of the city shall create a vacancy in the office to which any such person was appointed.

Section 4.5. No person who holds or has held the office of Commissioner, by election or appointment, or both, for two consecutive terms shall be eligible to succeed himself in such office. For the purpose of this prohibition, the holding of the office of Commissioner, either by election or by appointment, for a period of two years or more shall be deemed to be for a term. No person who holds or has held the office of Commissioner shall be eligible for appointment to any office or employment of the city, until one year has elapsed following the term for which he was elected, except as otherwise provided in this charter.

Section 4.6. (a) All appointive officers of the city, except the City Manager, the City Attorney, and members of the Board of Review and the Personnel Service Appeal Board, and other boards and commissions provided for or permitted to be created by this charter or the general laws of the State, shall be appointed by the City Manager, by and with the advice and approval of the Commission. The City Manager shall announce each appointment to fill appointive offices of the city to the Commission at a regular or special meeting thereof. If the Commission shall not approve any such appointment at the meeting at which such announcement is made, such appointment shall be probationary for a period of thirty days, unless approved by the Commission prior to the expiration of that time. During such thirty day period, the Commission may approve or disapprove such appointment. If the Commission shall take no action to approve or disapprove any such appointment during such thirty day period, the appointment shall be deemed to have been approved by it.

(b) Each appointive officer of the city, except members of the Board of Review and other boards and commissions of the city, shall hold office for an indefinite term.

(c) The City Manager may remove any appointive officer of the city whose appointment has been or may be made by him. The City Manager shall announce the removal of any appointive officer from the office held by him to the Commission at any regular or special meeting of the Commission. If, within five days after such announcement, such officer shall file a petition with the Mayor requesting a hearing on his removal, the Commission shall hear him at its next regular meeting which is held within not less than five (5) days from the date of filing of such petition. At such hearing, the City Manager and the City Manager may present to the Commission all facts and circumstances which are germane to the reasons for the removal of such officer from office by the City Manager. After such hearing, the Commission may sustain the removal made by the City Manager or reinstate the officer to the office held by him.

(d) The Mayor shall appoint to and remove from office the City Attorney and members of the Board of Review and the Personnel Service Appeal Board, and other boards and commissions of the city. Such appointments and removals by the Mayor shall be made in the same manner and subject to the same procedures as are herein prescribed for the appointment and removal of appointive officers by the City Manager.

Section 4.7. The Commission shall fix the compensation of the City Manager, the City Attorney, and members of the Board of Review, the Personnel Service Appeal Board, and other boards and commissions of the city. The City Manager shall fix the compensation of all other appointive officers, within and subject to budget appropriations.

Section 4.8. Any city office shall become vacant before the expiration of the term of such office for any one or more of the following reasons:

(a) The occurrence of any event or the doing of any act specified by State law to create a vacancy;

(b) Removal from office by the Governor of Michigan;

(c) The absence from the city of any officer continuously for more than sixty days without permission of the Commission;

(d) In the case of the Mayor and Commissioners, absence from four consecutive regular meetings of the Commission or twenty-five percent of such meetings in any fiscal year of the city, unless such absence shall be excused by the Commission at the time it occurred, the reason therefor entered in to the proceedings of the Commission;

(e) Assumption by the officer of any office which is incompatible with the city office held by him.

Section 4.9. The Commission may remove any elective or appointive officer of the city for any one or more of the following reasons:

(a) When, after a hearing thereon, it shall be satisfied from sufficient evidence submitted to it that such officer has failed to perform the duties of his office for ninety days because of physical or mental disability;

(b) When it shall be satisfied from sufficient evidence submitted to it that such officer has been guilty of official misconduct, willful neglect of, or gross inefficiency in the performance of his duties as an officer of the city. The Commission shall take no action under this provision upon any charges against any officer of the city, until certified copies of such charges and of all supporting affidavits and exhibits have been personally served upon such officer and an opportunity, after at least fifteen days notice, given him to be heard in his defense. No officer who has been removed from office under authority of this provision shall be eligible to election or appointment to any city office for a period of three years from the date of such removal.

Any elector of the city may prefer charges of official misconduct, willful neglect of, or gross inefficiency in office against any appointive officer of the city. Such charges shall be made in writing and shall set forth the grounds therefor, reciting specific instances of such official misconduct, willful neglect, or gross inefficiency, which recitals shall be supported by affidavits of persons having knowledge thereof, and shall be filed with the Clerk of the city the same day before the Commission at its next regular meeting following the filing thereof. After such charges have been filed with the Commission, it shall take such action thereon as it shall deem fit and may provide for and hold a hearing thereon.

If any such charges be also supported by a petition, demanding that the Commission hold a hearing thereon which contains the signatures of registered electors of the city equal to or greater than ten percent of the number of votes cast in the city for the office of Governor at the last biennial full election, the Commission shall take action thereon by calling and holding a public hearing before the Commission upon such charges. At such public hearing, all persons having an interest in the subject matter and purpose of such hearing shall be heard and may be represented by counsel, if such person so chooses. Within fifteen days after such hearing, the Commission shall make a determination upon the charges made against such officer. Such determination of the Commission shall be final. If the Commission determines that the charges were supported by competent evidence at such hearing and that the same are sufficient justification therefor, it shall remove the person complained against from the office held by him.

Section 4.10. Resignations of elective officers, the City Manager and the City Attorney shall be made in writing and filed with the Clerk and shall be acted upon by the Commission at its next regular meeting following receipt thereof by the Clerk. Resignations of appointive officers, other than the City Manager and City Attorney, shall be made in writing to the City Manager and shall be promptly acted upon by him.

Section 4.11. Any elective official may be removed from the office by the electors of the city by recall, in the manner provided by the general laws of the state. A vacancy created by the recall of any elective official shall be filled in the manner prescribed by law. The Board of Canvassers for any recall in the city shall be a majority of the board of canvassers of the city, excluding any person who is the subject of the recall proceedings. A majority of such remaining members of the board of canvassers shall constitute a quorum for the conduct of the duties of the board in connection with recall proceedings. No person who has been removed from an office by recall or who has resigned from such office after a petition for his recall has been filed shall be eligible for election or appointment to any city office within three years after such removal or resignation.

Section 4.12. Except in case of recall, if a vacancy occurs in any elective office, or in any other office, the appointment to which is made by the Mayor or the Commission, except the City Manager, the Mayor or Commission shall, within thirty days after such vacancy occurs, appoint a person who possesses the qualifications required of officers of said office to fill such vacancy. Any person so appointed to fill such vacancy shall hold office until the first meeting of the Commission following such meeting to canvass the votes of the next city election. Any person so appointed to fill the office of Municipal Judge or Associate Judge shall hold office for the balance of the term. In the event that a vacancy occurs in the office of Commissioner within thirty days prior to a regular city election, such vacancy shall not be filled by the Commission until the first meeting after such organization meeting following such election.

If a vacancy occurs in any appointive office other than one to which appointment is made by the Mayor or the Commission, the City Manager shall, within a reasonable time thereafter, appoint a qualified person to fill such vacancy in the manner provided for making the original appointment.

Section 4.13. Except by procedures provided in this charter, the terms of the elective officials of the city and of officers of the city appointed for a definite term shall not be shortened. The term of office of the city may not be extended beyond the period for which any such officer was elected or appointed except that an elective officer of the city shall, after his term has expired, continue to hold

office until his successor is elected or appointed and has qualified.

Section 4.14. The Commission shall not grant or authorize extra compensation to any city officer, elective or appointive, to any employee, agent or contractor, after the service has been rendered or the contract entered into. Nor shall the salary of any officer, elective or appointive, be increased or decreased after his election or appointment during any fixed term of office for which he was elected or appointed.

Section 4.15. Every officer, elected or appointed, before entering upon the duties of his office, and each of such employees as the Commission shall designate, before entering upon his employment, shall take and subscribe to the oath prescribed by Section 2 of Article XVI of the Constitution of the State, and shall file the same with the Clerk. He shall also furnish or fulfill the requirements for any bond which he may be required by this charter or by the Commission to give. In case of failure to comply with the provisions of this section within ten days from the date of his election, appointment, or employment, such office or employment shall thereupon become vacant, unless the Commission shall, by resolution, extend the time in which such officer or employee may qualify as above set forth.

Section 4.16. Except as otherwise provided in this charter, the Commission may require any officer or employee to give or fulfill the requirements for a bond, to be approved by the Commission, conditioned upon the faithful and proper performance of the duties of the office or employment concerned, in such sum as the Commission shall determine. All such officers or employees who receive, distribute, or are responsible for city funds shall be bonded. The retention, removal, or discharge of any officer or employee, or appointment of another person to such office or employment, shall not exonerate such officer or employee or any sureties of such officer or employee from any liability incurred by such officer, employee, or sureties. All official bonds shall be corporate surety bonds and the premiums thereon shall be paid by the city. Unless otherwise determined by a two-thirds vote of the Commission, bonds required by this section shall be renewed upon the expiration of the term for which issued, but, in each case, a new bond shall be furnished. No official bond shall be issued for a term exceeding five years. The bonds of all officers and employees shall be filed with the Clerk, except that of the Clerk, himself, which shall be filed with the Treasurer.

Section 4.17. An officer of the city, who intends to have business dealings with the city, either directly or indirectly, whereby he may acquire from the city an income or benefits other than that provided as compensation for his official duties, shall file with the Clerk a statement, under oath, setting forth the nature of his interest therein and that his participation therein is to the general welfare of the city. Such statement shall be transmitted to the Commission and shall be spread upon the proceedings of the Commission and published in full therewith. Confirmation of each such contract shall be made by a two-thirds vote of the Commission. Any contract made with an officer of the city or under the circumstances set forth herein other than above provided, shall be void.

Section 4.18. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.19. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.20. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.21. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.22. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.23. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.24. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.25. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.26. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.27. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.28. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.29. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.30. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.31. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.32. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.33. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.34. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Section 4.35. Whenever any officer or employee shall resign, or be removed from office, or the term of office for which he has been elected or appointed has expired, he shall, immediately, deliver to his successor in the office or to his superior, all books, papers, moneys, and effects in his custody which were obtained as a part of, or were necessary to, the performance of his duties as such officer or employee. Any person violating this provision shall be deemed guilty of a misdemeanor, and may be prosecuted therefor in the same manner as public officers generally for the like offense under the general laws of the State. Every officer and employee of the city shall be deemed an officer within the meaning and provisions of such general laws of the State for the purpose of this section.

Section 4.36. No officer of the city shall give recognition to or become a surety for any person who shall violate the provisions of this section shall be guilty of misconduct in office.

Proposed City Charter

(Continued from page 6)

deeded or assigned. It shall, however, give to the city, in the event that the fee to such property is transferred to another, in any manner whatsoever, such an interest therein as will provide for and secure to the city the payment of an amount equal to all special assessments which are assessed and levied against such property by the city for public improvements and remain unpaid at the time the city exercises its rights under the terms of such deed or assignment, together with all interest thereon which shall have accumulated since such special assessment or assessments were spread upon such roll or rolls. From the date of such roll or rolls to the date that the same are paid. Such deed shall be in proper form for recording and shall be recorded in the office of the Register of Deeds of the County of Wayne.

Deviation From Plans and Specifications:

Section 14.16. No deviation from original plans or specifications, as adopted, shall be permitted by an officer or employee of the city without authority of the Commission by resolution. A copy of the resolution authorizing such change or deviation shall be certified by the Clerk and attached to the original plans and specifications on file in his office.

Collection of Special Assessments:

Section 14.17. Except as the Commission shall order any special assessment or installments thereof to be spread upon and collected with any tax roll of the city, all special assessments, except such installments thereof as the Commission shall make payable at a time, as provided in this chapter, shall be due and payable upon completion of the special assessment roll. Within ten days after such special assessment roll has been certified by the Commission, the Clerk shall deliver such roll to the Treasurer for the collection of the several sums assessed thereon.

Partial Payments — When Due:

Section 14.18. The Commission may provide for the payment of special assessments in annual installments. Such annual installments shall not exceed ten in number, the first installment being due upon confirmation of the roll and deferred installments being due annually thereafter or, in the discretion of the Commission, may be spread upon and made part of each annual city tax roll, until all annual installments have been spread. Interest shall be charged on all installments, from and after a date fixed by the Commission, at a rate not to exceed six per cent per annum. The whole or any number of deferred installments, with interest accrued thereon, to the date of payment, may be paid in advance of the due dates as established therefor.

Delinquent Special Assessments:

Section 14.19. Special assessments, from the date of the confirmation of the roll for the public improvement to which they apply, and all interest and collection fees and penalty charges thereon shall be and remain a lien upon the property assessed of the same character and effect as the lien created by general law for state and county taxes, and by this charter for city taxes, until paid. Special assessments and the interest accrued thereon and any installments thereof which are collected on the city tax rolls shall be subject to the same collection fees and penalty charges as are provided under this charter for city taxes collected on the same rolls. The lands upon which any delinquent special assessments, collection fees, and penalty charges and interest charges, are a lien, shall be subject to sale, the same as are the lands upon which delinquent city taxes are a lien and subject to sale.

Additional Assessments, Refunds:

Section 14.20. The City Manager shall, within sixty days after the completion of each public improvement compile the actual cost thereof and certify the same to the Treasurer, who shall adjust the special assessment roll to correspond therewith. When any special assessment roll shall prove insufficient to meet the costs of the improvement for which it was made, the Commission shall make an additional pro rata assessment, but the total amount assessed shall not exceed the value of benefits received by any lot or parcel of land. Should the assessment prove larger than necessary by five per cent or less, the Commission may place the excess in the city treasury. If more than five per cent, the excess shall be refunded pro rata according to assessments. In either case, the Commission may provide by resolution that the amount of any such excess may be allowed as a credit on the last installment where such installment still remains unpaid at the time the final cost of the improvement is determined.

Sidewalks:

Section 14.21. The Commission shall have the power to require the owners of lots and premises to build, rebuild, and repair, sidewalks in the public streets adjacent to and abutting upon such lots and premises, and to keep them in repair at all times, and to construct and lay the same upon such lines and grades, and to construct, width, materials, and manner of construction, and within such time as the Commission shall, by ordinance or resolution, prescribe, the expense thereof to be paid by such owner or occupant. The Commission may also provide that, if any owner or occupant shall fail or refuse to build, rebuild, or repair any such sidewalk as provided by the Commission in such ordinance or resolution, the Commission may proceed to order the building, rebuilding, or repairing of such sidewalk at the same cost to the owner or occupant as a special assessment collectable as provided in this charter for the collection of special assessments against single lots or premises. The Commission, may, by the affirmative vote of not less than five of its members, pay such part of the expense of building or rebuilding any sidewalk as they may deem proper from the general funds of the city.

Assessments On Single Lots:

Section 14.22. When an expense shall be incurred by the city for sidewalks or upon or in respect to any separate or single lot, parcel of land or lands, or premises, which by the provisions of this charter the Commission is authorized to charge and collect as a special assessment against the same, which is not of the class of special assessments required to be made pro rata upon several lots or parcels of land in a special assessment district, an account of the labor or services for which such expense was incurred, verified by the City Manager, with a description of the lot, and the name of the owner or person, if known, to whom the same shall be reported to the Commission in such manner as it prescribes. The Commission shall determine what amount or part of the cost of any such expense shall be charged, and the person, if known, against whom, and the premises upon which, the same shall be levied as a special assessment. As often as the Commission shall deem it expedient, it shall require all of the several amounts so reported and determined, and the several persons chargeable therewith respectively to be notified by the Clerk either by first class mail sent to their last known address as shown on the assessment roll of the city or by publication in a newspaper which is published or of general circulation in the city and by posting upon three or more of the official public bulletin boards of the city. Such notice shall state the basis of the assessment, the cost thereof, and shall give a reasonable time, which shall not be less than thirty days, in which payment shall be made. In all cases where payment is not made within the time limit, the same shall be reported by the Clerk to the Assessor who shall spread such amounts against the several persons or descriptions of real property chargeable therewith on the next tax roll for the collection of city taxes. The provisions of the preceding sections of this chapter, with reference to special assessments generally, and the proceedings necessary to be had before making the improvement shall not apply to assessments to cover the expenses incurred in respect to that class of improvements contemplated in this section.

Additional Procedures:

Section 14.23. In any case where the provisions of this chapter may prove to be insufficient to carry into full effect the making of any special assessment, and the financing thereof, the Commission shall provide by ordinance any additional steps or procedures required to effect the improvement by special assessment procedures.

Special Assessment Accounts:

Section 14.24. Except as otherwise provided in this charter, moneys raised by special assessment to defray the cost of any local improvement shall be held in a special fund to pay such cost or to repay any money borrowed or advanced for the same. Except as otherwise provided in this charter, each special assessment account must be used only for the purposes of the improvement project for which the assessment was levied.

Nuisances:

Section 14.25. The Commission may, by ordinance, declare acts or conditions which are or may be dangerous to the health, safety, or welfare of the inhabitants of the city to constitute hazards or nuisances, and shall, in such ordinance or ordinance, provide for the abatement thereof and may also provide that the costs of such abatement be charged against the real property on which the hazard or nuisance is located and the owner thereof, as a special assessment.

Hazards Constituting Nuisances:

Section 14.26. When any lot, building, or structure within the city, because of accumulation of refuse, or debris, the uncontrolled growing of noxious weeds, or of age or dilapidation, or because of any other condition or happening, becomes, in the opinion of the Commission, a public hazard or nuisance which is dangerous to the health, safety, or welfare of the inhabitants of the city, or of those residing or habitually going near such lot, building, or structure, the Commission may, after investigation, give notice by publication or by registered mail addressed to the last known address of the owner of the building or structure itself, specifying the nature of the nuisance and requiring such owner to alter, repair, tear down, abate or remove the nuisance promptly or within a time to be specified by the Commission, which shall be commensurate with the nature of the nuisance. If, at the expiration of the time limit in said notice, the owner has not complied with the requirements thereof, or in any case where the owner of the land or of the building or structure itself is not known, the Commission may order such hazard or nuisance abated by the proper department or agency of the city which is qualified to do the work required, or may do the work by contract or by hire. The cost of such abatement may be assessed against the real property, upon which such hazard or nuisance is

located, by special assessment. The Commission shall determine the person, if known, against whom, and the premises upon which the same shall be levied as a special assessment; and as often as the Commission shall deem it expedient, it shall require all of the several amounts so reported and determined, and the several lots or premises and the persons chargeable therewith, respectively, to be notified by the Clerk either by registered mail sent to their last known address as shown on the assessment roll of the city or by publication. Such notice shall state the basis of the assessment, the cost thereof, and shall give a reasonable time, which shall not be less than thirty days, in which payment shall be made. In all cases where payment is not made within the time limit, the same shall be reported by the Clerk to the Assessor who shall spread such amounts charged against the several persons or descriptions of real property chargeable therewith on the next tax roll for the collection of city taxes.

Contested Assessments:

Section 14.27. Except and unless notice is given to the Commission in writing of an intention to contest or enjoin the collection of any special assessment for the construction of any public improvement or the removal or abatement of any public hazard or nuisance, within fifteen days after the date of the resolution of the Commission confirming the assessment roll for such improvement, as provided in Section 14.14, of this charter, which notice shall state the grounds on which the proceedings are to be contested, no suit or action of any kind shall be instituted or maintained for the purpose of contesting or enjoining the collection of such special assessment.

Reassessment for Benefits:

Section 14.28. Whenever the Commission shall deem any special assessment invalid or defective for any reason whatever, or if any court of competent jurisdiction shall have adjudged such assessment to be illegal for any reason whatsoever, in whole or in part, the Commission shall have power to cause a new assessment to be made for the same purpose for which the former assessment was made, whether the improvement or any part thereof has been completed or not, and whether any part of the assessment has been collected or not. All proceedings on such reassessment and for the collection thereof shall be made in the same manner as provided for the original assessment, except that it shall not be necessary for the Commission to again determine the necessity of the improvement, or to hold a hearing thereon. If any portion of the original assessment shall have been collected and not refunded, it shall be applied upon the reassessment and the reassessment shall, to that extent, be deemed satisfied. If more than the amount reassessed shall have been collected, the balance shall be refunded to the person making such payment.

SCHEDULE

Election to Adopt Charter:

Section 1. This charter shall be submitted to a vote of the qualified electors of the City of Plymouth at a special city election to be held in that city on Monday, October 1, 1951, between the hours of 7:00 o'clock, a.m., and 8:00 o'clock, p.m. If this charter is adopted at such election, it shall take effect and become law as the charter of the City of Plymouth, on Thursday, November 1, 1951, at 12:01 o'clock, a.m.

Form of Ballot:

Section 2. The form of the ballot on submission of this charter shall be as follows:
Instruction — A cross (x) in the square after the word "Yes" is in favor of the adoption of the proposed charter, and a cross (x) in the square after the word "No" is against the adoption of the proposed charter.

Shall the proposed charter of the City of Plymouth drafted by the Charter Commission which was elected on November 7, 1950, be adopted?
Yes
No

First Officers Under Charter:

Section 3. (a) The Mayor, each member of the Commission, the Supervisor, the Municipal Judge, and the Constable of the City of Plymouth, who held office at the time that this charter became law, as the charter of the city, shall continue in the office so held by him for the balance of the term of office to which he was elected. Their successors shall be elected and shall qualify for, assume, and hold the offices to which they have been elected or appointed in accordance with the provisions of this charter.

(b) All administrative officers of the city, who held office at the time this charter became law as the charter of the city, shall continue in the offices at that time held by them, respectively, for the balance of the terms of office to which they were appointed.

(c) The Commissioners of the City of Plymouth who held such offices at the time this charter became law as the charter of the city, shall constitute the Commission of the City of Plymouth, subject to the provisions of this charter, until such time as the terms of office to which they were, respectively, elected or appointed shall expire and their successors in office have been elected or appointed and have assumed the duties of such office, as

in this charter provided.

Schedule for Inauguration of New Government Under This Charter:

Section 4. The first officers of the city elected under this charter shall be chosen and shall hold office in accordance with the following schedule:

(a) Two Commissioners shall be elected at the special election set to be held in section 1 of this Schedule, who shall assume office in the event that this charter is adopted at such election, otherwise their election shall be void. The Commissioner so elected who receives the higher number of votes shall hold office until the Monday next following the regular city election held in April, 1952. The Commissioner so elected who receives the lesser number of votes shall hold office until the Monday next following the regular city election held in April, 1953.

(b) A regular city election shall be held on the first Monday in April, 1952, for the election of two Commissioners who shall hold office until the Monday next following the regular city election held in 1955.

(c) The terms of officers specified in this section are for the purpose of bridging the transition from the Schedule of terms of office set forth in the prior charter of the city to those provided in this charter.

Nomination of Officers:

Section 5. (a) The officers to be elected at the city election to be held on the first Monday in April of 1952 shall be nominated in accordance with the provisions of this charter.

(b) The manner of nominating the two Commissioners to be elected at the election set in section 1 of this Schedule, to become officers of the city in the event of the adoption of this charter, shall be in accordance with the provisions of this charter relative to the nomination of elective officers, except that the requirement of a primary election therefor is hereby set aside and nomination petitions shall be filed prior to said election as though it were a primary election. Each person so filing a nomination petition for election to the office of Commissioner, which is in order as set forth in section 12.10 of this proposed charter, shall be deemed to be nominated for election to the office of Commissioner at such election.

Status of Schedule Chapter:

Section 6. The purpose of this schedule chapter is to inaugurate the government of the City of Plymouth under this charter and it shall constitute a part of said charter only to the extent and for the time required to accomplish that end.

RESOLUTION OF ADOPTION

At a meeting of the Charter Commission of the City of Plymouth, held in the official Commission Chambers of the city, the usual meeting place of the Charter Commission, on July 10, 1951, the following members of the Charter Commission were present:

Russell Daane, Catherine Henderson, James Houk, Clarence Moore, Robert Nulty, Gladys Tillotson, and Donald Sutherland, a quorum.

At such meeting, the following resolution was offered by Commissioner Daane, and seconded by Commissioner Henderson:

Resolved, That the Charter Commission of the City of Plymouth does hereby adopt the foregoing instrument as the proposed revised charter of the City of Plymouth, and the Clerk of this Commission is hereby instructed to transmit the same to the Governor of the State of Michigan, in accordance with the provisions of Act No. 219 of the Public Acts of 1909, for his approval.

The vote on the adoption of the resolution was as follows:

Ayes: Commissioners Daane, Henderson, Houk, Moore, Nulty, Tillotson, and Sutherland.

Nays: None.

Absent: Commissioners Arlen and Carson.

Albert F. Glassford, Clerk of the Charter Commission of the City of Plymouth, Michigan.

Attested by the following Commissioners:

Frank Arlen
Howard E. Carson
Russell M. Daane
Catherine J. Henderson
James C. Houk
Clarence E. Moore
Robert L. Nulty
Gladys Tillotson
Donald H. Sutherland, Chairman

All of the Commissioners having attested as to said resolution, as above set forth and, also, having attested the copy to be signed by the Governor, the meeting adjourned subject to the call of the Chairman.

STATE OF MICHIGAN EXECUTIVE OFFICE Lansing, Michigan

I do hereby approve the foregoing Charter of the City of Plymouth, Michigan.

Governor of the State of Michigan

Honey-Smooth

and Mellow-Smooth!

ROAD-TEST IT FOR PROOF OF PERFORMANCE!

It's more a treat than a test, when you put a new Mercury through its paces. You never knew that traffic could be tamed so easily, that parking could be so effortless, that hills could simply melt away! The secret? Lots of things—its husky V-type "8" engine—its low-slung design—its nimble steering. Yes, here's sweet driving, with all the thrift that makes this Mercury so popular.

and Mellow-Smooth!

BUDGET-TEST IT FOR PROOF OF VALUE!

Does it have a down-to-earth first price? Mercury's price tag you can understand—a big dollar's worth for every dollar invested.

Will you be sure of good gasoline mileage? Mercury has continually proved its more-miles-per-gallon by winning in officially sponsored economy tests.

Will upkeep stay low? Mercury engineers have engineered trouble out for extra years of money-saving dependability.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to studies of the latest annual official registration figures.

3-WAY CHOICE! For "the drive of your life!" Mercury offers you a triple choice in dependable transmissions: Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

2-WAY TEST PROVES MERCURY BEST — FOR "THE DEAL OF YOUR LIFE!"

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed. Sullivan. Sunday Evening, 7 to 8 P.M., Channel 2.

Early Days of World War I Recalled by Discovery of Poem

Events during the early days of World War I were vividly brought back to the memory of William Taylor of the Taylor—Blyton store who resides at 46227 Ann Arbor road, the other day when he was removing several boxes that had been stored in his garage over a long period of years.

In one of the boxes he came across a poem under the picture of the American flag—a poem that glorifies the American flag—the most glorious of all flags.

The picture and poem had been given to Mr. Taylor after it was framed by the men in a war plant that Mr. Taylor supervised during World War I, sometime during the year 1916, the year previous to our declaration of war on Germany, but the year when everybody knew we were going to enter the war.

So applicable to the feeling of free men everywhere is the sentiment in the poem that Mr. Taylor thought it worthwhile to display the picture and poem in one of the windows of the Taylor—Blyton store on South Main street. It is well worth the time of any one to stop and look at it—and read, too, the words of "Your Flag and My Flag" written by Wilbur D. Nesbit. The words of the poem follow:

Your Flag and my flag
 And how it flies today
 In your land and in my land
 And half a world away!
 Rose-red and blood-red
 The stripes forever gleam;
 Snow-white and soul white—
 The good forefathers' dream;
 Sky-blue and true blue, with
 stars to gleam aright—
 The gloried guidon of the day;
 A shelter through the night.
 Your flag and my flag!
 To every star and stripe
 The drums beat as hearts beat
 And fifer's shrilly pipe!
 Your flag and my flag—
 A blessing in the sky;
 Your hope and my hope—
 It never hid a lie!
 Home land and far land and half
 the world around,
 Old Glory hears our glad salute
 and ripples to the sound!
 Your Flag and my flag
 And, Oh, how much it holds—
 Your land and my land—
 Secure within its folds!
 Your heart and my heart beat
 Quicker at the sight;
 Red kissed and wind blown
 Sun and blue and white,
 The one flag—the great flag, the
 flag for me and you—
 Glorified all else besides, the red
 and white and blue.

To California in Four Days

When Howard Sharpley and Mrs. Sharpley go places, they go there without any lost time anywhere or for anything.

Just back from a trip to southern California, Mr. Sharpley said they made the trip from Plymouth to San Bernardino, California in just four days. That's some 2,465 miles from Plymouth, not by the way the crow flies, but over the southern route taken by the Sharpleys.

"It was an easy drive, even though we did make it in four days. But we didn't have too much time for the trip, so we just kept going," explained Mr. Sharpley.

The first day they drove from Plymouth to Mexico, down in Southern Illinois. The third night out they were in Gallup, New Mexico and the next night they were with their relatives and friends in California.

"There wasn't much traffic. The roads were good and the weather ideal for driving. We hit just one hot spot and that was when we crossed the desert in southern California, but even that wasn't bad," said Mr. Sharpley.

While it took them only four days to drive to the Golden State, they loitered on the way home, and didn't get here until the sixth day after they had left California.

"Even though we didn't have much time, we did thoroughly enjoy our visit to the west," added Mrs. Sharpley.

A pessimist is a woman, driver who's sure she can't park her car in a tight place. An optimist is a man who thinks she won't try.

ORDINANCE
TRAFFIC ORDINANCE No. 166
 An Ordinance to amend Ordinance No. 99 entitled, "An Ordinance to Regulate the Use and Operation of Vehicles on the Public Highways within the City of Plymouth, Michigan, to provide for the arrest of and penalties to be imposed upon persons violating the provisions of this Ordinance, and to repeal all prior Ordinances or parts of Ordinances in conflict herewith" by adding thereto Section 1 2A.
 The City of Plymouth Ordains:
 Section 1. Ordinance No. 99 entitled "An Ordinance to Regulate the Use and Operation of Vehicles on the Public Highways within the City of Plymouth, Michigan, to provide for the arrest of and penalties to be imposed upon persons violating the provisions of this ordinance, and to repeal all prior Ordinances or parts of Ordinances in conflict herewith," as last amended, is hereby amended by the addition thereto of Section 12 A, said new and added section to read as follows:
 Section 12 A. Notwithstanding any other provisions in this Ordinance contained, it shall be unlawful to operate upon any highway any motor vehicle or commercial vehicle, specifically described and defined for the purposes of this section, as being any truck having a load capacity in excess of one ton, whether loaded or empty, at a speed in excess of fifteen (15) miles per hour.
 Section 2. This Ordinance shall take effect twenty-one (21) days from and after the date of its passage by the City Commission.
 Made, passed and adopted by the City Commission of the City of Plymouth, Michigan, this 4th day of September A.D., 1951.

PACKARD THUNDERBOLT POWER
 means Performance plus...maintenance minus!
 There are many things to look for, in a power plant, and the most important of all is... the name of its maker.
 Packard is known throughout all the world as "America's Master Motor Builders" . . . and today's new Packard Thunderbolt engines offer you the best all-around combination of silent smoothness . . . efficiency . . . and service-free durability.
 Specifically, they give you the peak efficiency of America's highest compression engines—and the service-free simplicity of a design with up to 25% fewer working parts than in engines of comparable power.
And durability? Fact: Of all the Packards built, in the last 52 years, over 50% are still in service . . . and many of them have rolled up individual records of over a half million miles.
 In Packard's case, that stands for the company with the broadest range of power-building experience of any single automobile manufacturer.
 It's more than a car—it's a **PACKARD**
