"We employ newspapers because we believe in their power—and need them. We also desire, and feel obligated, to spend a goodly portion of our advertising money in local communities, at the point of sale. Individuals everywhere who study such things have called ours one of the finest campaigns in the history of automotive advertising. I believe our newspaper advertising does about everything that advertising can do. We consider it an unqualified success."

### What I Think and Have A Right to Say

By ELTON R. EATON

#### A QUARTER CENTURY OF GREAT SERVICE.

Time flies so fast that it doesn't seem possible that it was 25 years ago when Dr. Robert Haskell left the superintendency of one of Michigan's largest mental institutions to accept the responsibilities as chief executive of the Wayne County Training School.

When the Training School was established at that time as a vast county institution it was announced that an effort would be made to save for the county and state the lives of hundreds, yes thousands, of boys and girls who without the guidance such an institution could provide, would doubtless drift into worthless careers and spend most of their lives as public charges.

It was to educate and train youngsters left alone to face a stern world, boys and girls with no homes, broken homes and others who for some reason had developed some unusual mental condition or had not developed mentally at all, that the school was established—one of the first, if not the first of its kind, in the world.

Only those who have been closely associated with the school and who have first-hand knowledge of its activities know of its tremendous success. True, there have been some failures, but on the whole the school has given to Michigan thousands and thousands of most useful citizens, young men and women properly trained to enter some trade or profession and to accept the responsibilities of citizenship.

To Dr. Haskell who has faced many trying situations in this unusual field of education, goes unlimited credit for a great public service. His career during the past quarter of a century has been marked by outstanding success in which he must feel, as do his friends, unusual satisfaction.

#### HE KNOWS HOW TO PICK 'EM.

Read in the newspapers the other day about Senator Blair Moody naming a committee to raise some cash which he says he will spend in an effort to get the people of Michigan to vote for him for United States senator next fall. You recall that Moody is the New Dealer who got a political payoff by appointment as United States senator for his success in getting New Deal propaganda published in a Michigan newspaper.

There was a lot of talk at the time about Truman forcing the appointment of a political side-kick who had always lived in the east or Washington and who has never really lived in this state to a Michigan senatorship.

Be that as it may, Moody apparently knows how to get the right folks in Michigan to fill his political money bag for election purposes. He's picked among others the well known V. B. Steinbaugh, formerly of the Michigan highway department, as one to help get the cash rolling in.

We happen to have in our files a certified copy of the "Democratic Highway Campaign Fund" filed with the Ingham county clerk by Mr. Steinbaugh back in 1936 when his chief job in the highway department was to shake the hard-earned "depression" dollars out of the pockets of the employees of the department for the purpose of "educating" the voters of Michigan to mark their election ballots where it would do the New Dealer's the most good.

Clerks in the department were forced to "kick in" anywhere from \$5 to \$25 or more out of every paycheck they got from the state. In this way thousands and thousands of dollars were raised.

And where do you suppose some of this "jack" was spent by Mr. Steinbaugh, according to his sworn statement?

Well some of it was "donated" to Democratic members of congress to help them get back in Washington — and thousands of dollars were poured into the campaigns of various Democratic members of the state legislature — a legislature that the New Dealer's were so anxious to control. It's so easy, you know, to get to an office holder, if you've given him cash for his election, to say "I did this for you, now what are you going to do for me?"

Well, again we say, Mr. Truman's junior and blabbering senator from Michigan certainly knows how to pick the right boys to get the mazzama to spend for election purposes.

#### "THAT" HARRY BENNETT.

We've just wasted quite a few hours in reading Harry Bennett's book, entitled "We Never Called Him Henry." As you know it is about the late Henry Ford, one of the great industrial leaders of America who did more for the benefit of the average citizen than any other man of modern times.

Often we've heard in past years Ford workers in commenting about Bennett, use a lot of cuss words. They've called him about every foul name they could think of. Not once have we heard a person speak kindly of him—and we live in a section of Michigan where a very large percentage of the residents are Ford workers or have at some time been employed by the Ford industries.

Our only comment about the book is this — any person who had been associated with Mr. Ford as was Harry Bennett and who benefitted as he did through his employment by Mr. Ford, and who would write such a screed, is just what I've heard him called—and these names are not fit to print.

#### ABOUT THIS FELLOW, GUY GABRIELSON.

Guy Gabrielson is chairman of the Republican party's national committee. He is not under fire from any congressional committee, but he's been trafficking around with that Reconstruction Finance outfit down in Washington—and as a result got his fingers burned, as he should. He asked for and got a loan for some company with which he is associated. What he did is all within the law—BUT!

We think he should resign his job with the Republican party and do it NOW. Any one associated with the Republican party who is foolish enough to get mixed up with such an outfit as the Reconstruction Finance Corporation has been since Truman became president, has no business holding any sort of a job with the Republican party. He ought to resign and do it now. He is of no benefit to the Republican party, and we see it, he never has been. And if he doesn't resign, he should be thrown out.

#### MORE ABOUT "SUCKER" EDITORS.

A week or so ago we made some comment about how a dozen or so Michigan weekly newspaper editors are being used as first-class suckers by the highly paid advertising staff of the Governor's office—a staff that is sometimes referred to as a publicity staff. Their job is to get as much free publicity for the Governor as possible — and all at the expense

## Chest Drive Will Start Next Week

PLYMOUTH'S NEWEST business block nears completion this weekend when first of the three tenants, Fashion Shoes, a ladies' and children's shoe store owned by Mac Goldman and Sanford Kirsch of Detroit, will open for business. The shoe store occupies the east side of the building near the Hotel Mayflower. The center store which is expected to open the following weekend will be occupied by Plymouth House, a store of distinctive gifts operated by Mrs. John F. Melczek, wife of the owner of the building, and the third store which also will probably open on the Forest avenue side of the building next weekend will be the Capitol Shirt Shop which is owned by Earl Kuhlik and Robert Lesser also of Detroit.

### Many Attend 25th Training School Birthday Event

Nearly 700 persons gathered together at the Wayne County Training School on Saturday, October 6, to observe the 25th anniversary of its founding and to honor Dr. Robert H. Haskell who has served continuously as its Medical Superintendent.

The Saturday meeting culminated a two-day program which was held in co-operation with the Michigan Society for Mental Hygiene as part of its 15th annual conference. Participating in the Training School sessions were several nationally and internationally known psychiatrists, psychologists, and educators — some of whom were former members of the Training School Staff — who came from many parts of the country to unite in an expression of tribute to Dr. Haskell and to the achievements of the school. They addressed an interested and responsive audience assembled from numerous communities throughout Michigan, Ohio, and Canada.

Following the morning program a buffet luncheon was served in the school gymnasium. The room glowed with colorful decorations prepared by the children in honor of the "birthday" of their school.

### Fashion Shoes to Open Friday

Mac Goldman and Sanford Kirsch who have known each other all their lives and have spent a total of 24 years in the shoe business will open Fashion Shoes shop on Ann Arbor trail October 12.

The store will carry women's and children's shoes, hosiery, and handbags. Sundial Bonnie Laddie, American Girl, Harvey, and Citation are the brand names of some of the shoes the store will handle.

It is a parlor type store with comfortable chairs and a special platform for children to try on shoes. The store has an all modern interior with green walls and glass show cases.

The first 500 women to come to the store will receive a rose. There will be free gifts for the children. A pair of nylons will be given with each pair of shoes purchased on opening day.

Mr. Kirsch resides at 2751 Rochester avenue, Detroit, and Mr. Goldman lives at 11845 LaSalle boulevard, Detroit.

### Free Pony Rides at Stop and Shop

Stop and Shop will celebrate its annual fall Del Monte round-up sale this weekend. Brightly colored, costumed cowboys and cowgirls will be evident in the popular shopping center during the unusual canned goods selling event on the weekend.

One of the unusual features of the event which will appeal to local kiddies will be the pony corral back of the store at Harvey and Maple where free pony rides will be given to children of Stop and Shop patrons on Thursday, Friday, and Saturday of this

### Society President

Mrs. Lila Humphries

Under the enthusiastic direction of Mrs. Lila Humphries, president of the Plymouth Symphony Society, local music lovers are assured of a most interesting musical treat when the symphony orchestra presents its first Fall concert. Scheduled for Sunday, October 21 in the high school auditorium at 4 p.m. Wayne Dunlap, new conductor of the orchestra, will make his first local public appearance. One of the most brilliant concert series ever offered in the city is planned by the society this year which is at this time making its annual solicitation from among the music-conscious residents of Plymouth.

### City Observes National Fire Prevention Week

The week of October 7-13 has been designated as Fire Prevention Week by President Truman, according to Plymouth Fire Chief Robert McAllister. Chief McAllister says it always occurs during the week of October 9, as that was the date of the great Chicago Fire in 1871.

The chief plans on talking to the junior and senior high students on fire prevention. The fire trucks will go to each grade school where the equipment will be on display and the same talk on fire prevention will be made.

Last night the fire departments of Canton and Plymouth townships met with the fire department of our city and held a training session on Main street. Events of interest were pumping water, hydrant practice, ladder practice and hose practice.

Chief McAllister says nine out of ten fires could be prevented if everyone adhered to the following suggestions: Keep matches away from tiny hands and encourage adults to smoke safely (and never in bed); Stop misusing electricity by improper fusing, overloaded circuits and defective wiring and appliances; Have your heating equipment and chimney annually cleaned, inspected and defects repaired; Use fire-retardant roofing; Never

### Brisbois Buy Ford Road Home

Dr. and Mrs. Harold Brisbois have purchased the two acre home site of Mr. and Mrs. Joe Archer at 42728 Ford road where they will move in the next two or three weeks to make their future home.

Sale of their present home at 1498 Sheridan avenue to Mr. and Mrs. John Leitz was announced last week by the Latture Realty. Dr. Brisbois, resident of the city for some 25 years retired from active practice of medicine here last year to accept a position with the General Motors Corporation at its Diesel plant on Plymouth road where he will continue in his present capacity.

### Preparation For Messiah Starts

Preparation for the 5th annual performance of "The Messiah" will begin next Monday night, October 15, when the first rehearsal of the Plymouth Civic Chorus will be held. Fred C. Nelson, choral music instructor at Plymouth High school and director of the program, announces that membership in the group is open to anyone interested in singing in the Chorus. Rehearsals are scheduled each Monday at 8 p.m. in the High school.

The performance of this popular oratorio will be given on Sunday, December 16, at 4:00 p.m., in the High school gymnasium. The performance is sponsored by the Plymouth Symphony Society. Participating in the program besides the chorus are soloists and the Plymouth Symphony Orchestra.

Each year the chorus grows in size and improves in quality. Interest in this great oratorio seems to grow with familiarity on the part of performers and listeners alike.

### Organization To Hear of Russia

Business and Professional Women's club meets October 15 at 6:30 at the Mayflower hotel. Mr. Frederick Van Dyke will speak on Russia.

Fall meeting of district 2 of the Business and Professional Women's club met at the Hawthorne Valley Country club, in Garden City, October 7.

Ruth Mosher Place, garden editor, was guest speaker. Her topic was how to work with your hobby.

Attending the meeting from the Plymouth area were, Hanna Strasen, Agnes Pauline, Bernice Fountain, Mary Valpay, Gladys Beigert, Bernice Crisp, Doris Fisher, Ingeborg Lundin, and Doris Johnson. Dr. Fanny Kenyon and Virginia Allen, members of the state board were there.

### Call Plymouth 1504

The telephone number of John Campbell Plumbing and Heating company on Plymouth road appeared erroneously in the Mail. The number appeared as Livonia 1505. The correct number is Plymouth 1504.

### Cancel Election

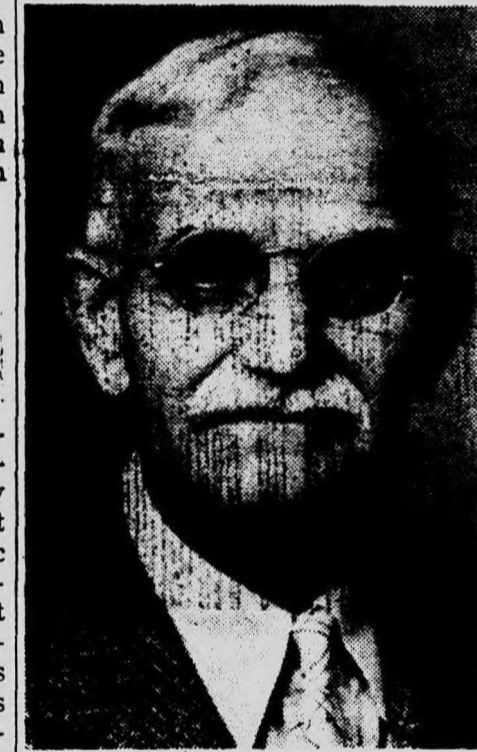

The special election scheduled for November 6 has been cancelled by the county board of supervisors. The election was for the approval or disapproval of an \$80,000 bond issue to expanding Wayne County airport for the use of commercial air lines. However, the air lines have signed a lease with Willow Run airport and will continue to use that field.

### William Gayde, Pioneer Citizen Dies at Age 81

William Gayde, 81 years of age, a lifelong resident of Plymouth and one of its respected citizens, died last Wednesday night in Sessions hospital at Northville after an illness of many weeks.

He became seriously ill a year ago, but following an operation he had made what was believed to be a complete recovery. But during recent months it had become necessary for him to be hospitalized once before his final illness.

The son of Mr. and Mrs. Peter Gayde who came to Plymouth from Germany, Mr. Gayde when a youngster began work in his father's store, known throughout this part of Wayne county as the "Gayde store" located on the north side of Plymouth, then not much more than a crossroads in a country that was being developed

William Gayde

into one of Michigan's richest agricultural sections.

In connection with the store, the elder Gayde operated a meat market, carrying, too, nearly every type of merchandise the early settlers required. The death of four sisters from a diphtheria epidemic that swept this section in the early days and the passing of his mother and two children younger than Mr. Gayde, seemingly only created a greater desire on the part of the young son to become the high type citizen his family and neighbors always esteemed.

Like his father, who was a charter member of St. Peter's Lutheran church, he became a devoted member of the church and at the time of his death, he was its oldest living member.

When he went to work in his father's store, he devoted much of his time to working in the meat market. Soon William Gayde became known as one of the best meat cutters in this entire area, and during his entire life his services were in much demand in the markets of Plymouth when he was not operating his own market.

All of his time outside of his business was devoted to the activities of his church and to bringing relief and happiness to those who had suffered misfortune.

It was but natural that his neighbors and friends greatly desired his services on the old village council. He was overwhelmingly elected when he consented to become a member of that body. Being a resident of the north side of the community, it was his desire to bring the two sections of Plymouth closer together and he was one of the original promoters of the paving project on Main street that welded the north side into the community of Plymouth.

He was married to Emma Wolf in Detroit on June 20, 1894. They were the parents of five children.

### New Kresge Store Opens to Public Friday, Oct. 19th

M. W. Kirkpatrick

On Friday morning, October 19 at 9 o'clock, the ribbon will be cut which will officially open the modern new Kresge store on Main St., announces Marshall W. Kirkpatrick, manager. Present for this special ceremony to open the country's newest Kresge store will be top officials of the S. S. Kresge Co. and local civic leaders.

To mark the opening, he said, the store will hold a two-day celebration sales event Friday and Saturday, with free favors, balloons, and all the trimmings of a grand opening.

The new Kresge building has been under construction since the first of the year. Early in January, work was started on razing the old buildings which occupied this site. The buildings had housed four stores: the Rose hardware store, Kroger's, Dunning's and Woodworth's. The Kresge Co. has been leasing this property since 1944 from Calvin Simon.

Strictly modern in design, the facade of the new store is face brick and porcelain-enameled steel. Show windows are set in stainless steel. This is the first Kresge store to have "angle" entrances—entrances that are set at an angle to give passersby a better view of the store's interior.

In addition to the two front entrances, the new Kresge store has a third entrance at the rear of the store for the convenience of those shoppers who park their cars in the municipal lot behind the building.

Inside, bright fluorescent lights illuminate a salesroom that occupies

### E. Knapp Chosen for Legion Post

One of our well-known local men, Elton Knapp of 173 N. Main, has been appointed Adjutant of the 17th District American Legion Association. This district is comprised of this section of Wayne county and all of Oakland county.

Mr. Knapp, a former serviceman and businessman, is a past-commander of the Passage-Gayde post 398, of which he is a charter member, and at the present time is serving as

adjutant.

Mr. Knapp was appointed to this position by District Commander Lawrence Copley of Royal Oak. He will serve for one year. The duties of this office are similar to those of a secretary, and he will be working directly with the Commander.

### Tank Crashes Through Fence

An army tank crashed through the fence of the R. D. Willoughby farm near Haggerty road and U.S. 12.

The tank was being escorted by State police to the Chrysler proving grounds near Chelsea when the driver switched controls and lost timing. This caused the vehicle to swing around and run through the fence.

Eighty feet of fence was damaged, but no one was injured. The crew of the tank was Howard Rutlauff of 9265 Stout, Detroit and Albin Stefanreich, 820 N. Englewood, Royal Oak.

### Quota Raised to \$17,000.00

At a special meeting of the Budget Committee of the Plymouth Community Fund Thursday, October 4, it was deemed advisable to raise the earlier estimated goal of \$13,500 to \$17,000. It was determined that Plymouth would have to set its goal higher in order to meet the increased demands from the participating agencies. The original goal of \$13,500 was estimated prior to

the budgets of these

agencies exceed the budgets of last year by 20 percent. The total of all the budgets submitted amounts to \$17,875. This increase is due, in part, to the expanded programs necessary as a result of the influx of population to this city. Also two new services have been added to the Fund this year. The Plymouth Dental Fund, an organization that has been set up to see that children of financial handicapped families receive proper dental care on a pay-as-you-go basis similar to the Visiting Nurse setup. This service will continue to grow as our population increases. Also the American Cancer Society has joined the United Foundation this year as another of the 24 health and welfare agencies administered by that organization but whose services are available to the people of the city of Plymouth and Plymouth township. There will be no separate cancer drive in Plymouth this year.

The United Defense Fund, which includes the USO, has greatly expanded its program and have asked for a large increase as the Korean war has put a terrific load on the USO from a serviceman's standpoint, as well as civilian in various defense areas.

The following agencies, which the city of Plymouth sponsors, benefit from the Community Fund: Boy Scouts, Girl Scouts, Salvation Army, Veterans' Memorial Foundation, Visiting Nurse, Recreation Commission, Well-baby clinic, and the new agency, the Plymouth Dental Fund. Your contributions will determine the extent to which these agencies can achieve their objectives.

The drive begins next Thursday October 18, and continues through Thursday, November 8. The residents of Plymouth will receive, within the next few days, a red feather through the mail, and a return envelope in which they can mail their contribution directly to the Community Chest.

It is hoped by the committee that everyone will contribute generously and have a red feather in his hat within the next two weeks.

### Auditor General to Speak Here

Republican Woman's club of Plymouth and Plymouth township will have John B. Martin, Jr., auditor general of Michigan, as guest speaker at its regular meeting October 22. The club meeting will be held at 8 p.m.

Mr. Martin graduated from Dartmouth college, attended Oxford university, England, as a Rhodes scholar and received his law degree from the University of Michigan.

During the war he headed the National office of civilian defense, and later was commissioned in the Navy where he was assigned to secret service work in Europe. He was a member of the staff of the United States Prosecutor of Axis war criminals at Nuremberg.

His state political life began in 1948 when he was elected state senator from Kent County. In 1950 he was elected auditor general. He is a member of the State Bar of Michigan, American Legion, V. F. W., Amvets, Rotary, Elks, Grand Valley Boy Scout council, Grange, and National Press club.

Do you have a serviceman overseas? If so won't you contact a member of the V.F.W. auxiliary. They would like to arrange for Christmas cheer for these men and would like their addresses before November 1.

### Renner-Craig Wedding On Saturday

Mrs. Harriette Craig of Northville and William Renner of Plymouth were united in marriage last Saturday morning, October 6 in the rectory of Our Lady of Good Counsel church. The Reverend Father Mooney officiated at the 10 o'clock rites.

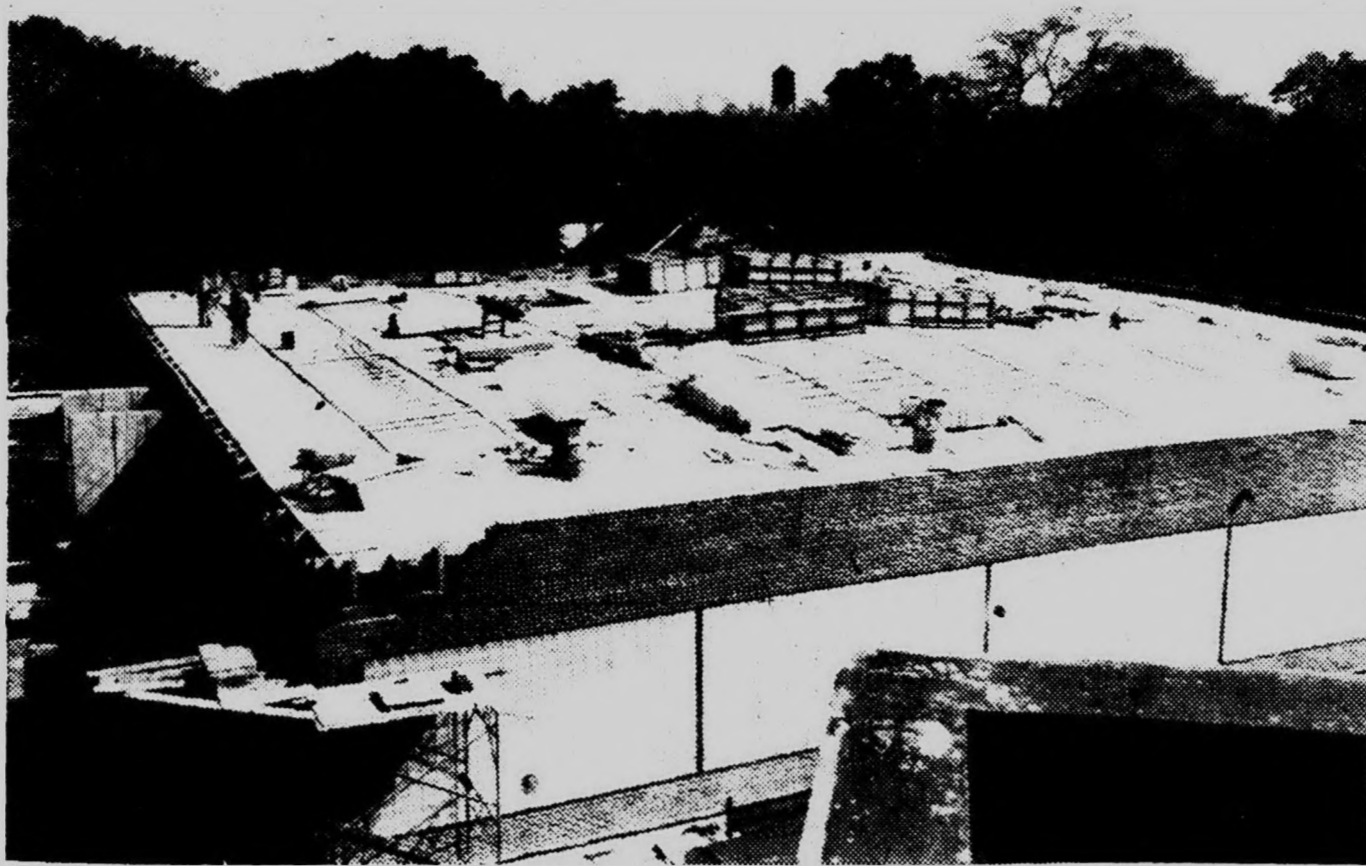

Mrs. Margaret Groth was Mrs. Renner's only attendant and assisting Mr. Renner was William Roberts. Immediately following the ceremony a reception was held for the immediate families in Northville. Mr. and Mrs. Renner are making their home at 117 Fairbrook avenue, Northville.

If you have a social item or any other local news, phone 1755.

### Announce Marriage of Doris Waldecker

Mrs. Avis Waldecker announces the marriage of her daughter, Doris Cool to Robert Schell, son of Youngstown, Ohio. Doris, who is a senior at the University of Michigan, will join her husband at the end of the semester. Robert is a senior at Carnegie Institute of Technology in Pittsburgh, Pennsylvania.

Day unit 1 of the W.S.C.S. of the First Methodist church will go to the Methodist Home at Chelsea for the October meeting. They will spend the day there touring the home and visiting with the elderly people who live there.

**LOOKING DOWN ON THE ROOFING CONSTRUCTION ON THE NEW GYMNASIUM.** The roofers have completed all roofs except the main roof of the gym and that should be completed this week. The outdoor walls have been completed. Lathers and plasterers are working on the girls' shower rooms, and then the mosaic tile men will follow them. The entire building is ahead of schedule, and the entire crew will have a week's vacation, the first week of deer season, to allow many of the workers to go deer hunting.

### Mary Anne Bonnette Becomes Bride of Marvin Smith

Mary Anne Bonnette and Marvin A. Smith, son of Mr. and Mrs. Robert L. Smith of Canton Center, had their wedding ceremony at the Rectory of Our Lady of Good Counsel church, Saturday morning at 9:30. The bride wore a white gown with a white rose corsage. Her only attendant was Miss Patricia Sexton. She selected a suit in light blue with dark navy blue accessories. Her corsage was of pink rosebuds. Marvin asked Richard Bonnette, a brother of the bride, to serve him as best man.

Both mothers wore grey suit dresses. Mrs. Bonnette pinned a corsage of pink roses to her shoulder and Mrs. Smith's corsage was

of Johanna Hill roses. A reception for 50 guests was held at Hillside Inn with guests coming from Massachusetts, Chicago, Illinois, Northville, Ann Arbor and Plymouth. The young couple spent their honeymoon at Niagara Falls, New York and are now at home at 1102 South Harvey street, Plymouth. Both young people are graduates of Plymouth High school. Mary Anne attended Michigan State Normal at Ypsilanti and Marvin is a graduate of that college.

James William III is the name Mr. and Mrs. James Shaw, Jr. have selected for their new son born at St. Joseph's hospital, Ann Arbor on Wednesday, September 12. The young lad weighed only 3 pounds, 14 ounces at birth and is still confined to the hospital. Mrs. Shaw was formerly employed at the Fisher Shoe store.

Mr. and Mrs. Glen Hix announce the arrival of a son, Gerald LaVerne on Monday, October 8, weight 9 pounds, 4 ounces. Mrs. Hix is the former Helen Holmes.

Jill Lynn is the name Mr. and Mrs. William Bartel, Jr. have given their new daughter born in St. Joseph's hospital, Ann Arbor on Monday, October 1. Jill Lynn weighed 7 1/2 pounds at birth. Mrs. Bartel is the former Annabelle Heller.

Mr. and Mrs. Fay Slaughter of 646 South Main street are the happy parents of a son, Gary Glenn born Saturday, September 29. He weighed 8 pounds.

Staff Sgt. and Mrs. Herman Truck arrived from Luke Air Force Base on a 15 day furlough with their parents, Mr. and Mrs. Lester Larrabee and Mr. and Mrs. Karl Truck on Orangelawn avenue.

### College Offers Evening Class

An adult evening class in Meal Planning will be offered at Madonna college every Thursday from 6:50 to 8:30 p.m. The first class will be held Thursday, October 11, and will be preceded by a registration. The course carries two hours of college credit.

Conducted primarily through discussions and laboratory sessions, the course in Meal Planning will consider a variety of practical topics, such as, the buying and storing of foods, the different classes of food and the best method for preparing each, the food budget, actual meal planning, table setting and decorations, and kitchen planning.

The instructor for this evening course will be Mrs. Duane Parkes, of 230 Plymouth road. Mrs. Parkes has received her degree in Home Economics at Michigan State college. She taught home-making at Plymouth High school for five years. At present she is the head of the Home-Making Department at the University of Michigan Elementary school.

Madonna college has added this evening course to its regular curriculum in order that it might continue its tradition of serving the local community. Those interested in pursuing the course may register on the day of the first class. The college is situated at 36700 Schoolcraft road, between Newburg and Levan.

By Carl Peterson

Along with the time of year, it's the time of the year when the news is the most interesting. Who in the world is going to be the next president? They are the questions that are being asked. The future of our country is in the hands of the people who are going to be elected. It's a good thing to know what is going on. The news is the key to the future. The news is the key to the future. The news is the key to the future.

A home welcome to the new shoe store across the street. We wish them the best of luck. A San Diego, Calif. woman sued for divorce because her husband set fire to the newspaper she was reading. Seems as though she doesn't care for hot news flashes. Seems as though Fall weather brings about an increase in sniffles and other troublesome things. When you need a prescription filled... you usually need it in a hurry. You can depend on us for speedy, efficient service... and more. What's more you'll be safe and sure when you bring your prescription to PETERSON'S DRUG, 840 W. Ann Arbor Trail, Phone: 2980.

WHAT I THINK AN) HAVE A RIGHT TO SAY (Continued from page 1)
of the taxpayers and of the "Sucker" editors. You see the taxpayers pay for the services of these publicity hounds, the taxpayers buy their postage, provide their typewriters, buy their paper and envelopes, pay for all their hired help - and the "sucker" editors donate their valuable newspaper space. Then when the "clippings" come back into the Governor's office, these advertising "experts" or publicity hounds look them over and chuckle at how they are putting it on a bunch of "country editor" hicks. What does the one outstanding publication devoted to the interests of newspapers in this country think about this publicity racket? The following editorial comment is taken from a recent issue of Editor and Publisher of New York city: "Michigan's Governor Williams told a crowd at a fair recently that he didn't need to deliver the traditional 'accounting of stewardship' to the grandstands because he had been accounting weekly in his newspaper column and radio talks. It is estimated that the Governor's column, turned out at taxpayers' expense, appears regularly in about 75 Michigan publications and that his radio talks transcribed out of a special fund raised for that purpose by his staff, is used regularly by about 35 radio stations. "It is a fine thing for a public official to give an 'accounting of stewardship' to his constituents occasionally through press and radio. But when those media accept his weekly contributions and use them free of charge as written or spoken, then it involves something more than an 'accounting of stewardship.' "We wonder if the papers and radio stations that carry his stuff do it just because he is governor. We wonder if they would give the same privileges to other elected officials of the state. If carried to a logical conclusion, and all public officials wrote a column and prepared broadcasts, which were welcomed and used regularly by press and radio, then the incumbents would have a powerful weapon for perpetuating themselves in office indefinitely. "Certainly, the governor of a state is news and what he says is usually news. But it should be covered in the normal development of the day's news. It seems to us that a weekly column, and or a weekly broadcast, should be carried only at regular rates for space and time."

### Homecoming Theme of Dunning Window Display

If you are in the vicinity of Forest avenue this week, you want to take a look at Dunning's attractive window display featuring the Plymouth Homecoming ball game tomorrow evening at Trenton.

The window has been transformed into a gridiron in the colors of both schools—blue and white for the Plymouth Rocks and purple and gold for the Trenton Trojans. You will find a football and a helmet, blue and white uniforms, strown about on a floor covered with green rugs to simulate grass on a football field. The field is dotted with leaves in keeping with the Fall effect.

Mannequins garbed in attractive sports attire suitable for the brisk weather one may encounter during the football season, represent the fans at the game. There are placed in conspicuous places dressed in wool gabardine skirts, corduroy jerkins, nylon and wool sweaters, wool slacks, wind breakers, jackets, scarves, mittens and gloves.

Also in the window will be a 50-year old slate on which will be written the score of the game after it has been completed.

### Clinic To Be Held

### Detroit Broker Optimist Speaker

"Invest in America" was the topic of Charles A. Parcels, Jr., of the Charles A. Parcels Investment and Brokerage Company, Detroit, chosen for his talk in keeping with Invest in America Week. Mr. Parcels, a Yale graduate, discussed the investment business and says, "Saving and the owning of property is one of the worthwhile things in life." He further stated that savings fall into two categories—Dollar savings, which includes savings accounts, government bonds, etc.; the second type of savings is property or its equivalent. Mr. Parcels remarked that a savings program should comprise a balance between those two types of savings.

The investment authority further stated that aside from business or property the best form of savings is common stock. Common stock is a part ownership in a business.

Mr. Parcels concluded his fine talk with the statement, "If you invest your money you may go wrong, but if you don't you are sure to go wrong."

A question and answer period followed the program.

The members of the club are having a membership drive and have divided into two teams, the winners to get a free dinner from the losers at the end of the campaign. Bob Smith's team has a five duck which goes each week to one of the members of his team not present. The names of all the members of his team not present are put in a hat, and the unlucky fellow whose name is drawn must keep the duck until the next meeting, when someone else will get the bird. At the end a drawing of all who have been present will be made, and the winner will be presented with the duck for a dinner.

### NOTICE

Notice is hereby given that on September 30, 1951 Graham's Ladies Apparel, a Michigan corporation, was dissolved by reason of the expiration of its corporate term. All creditors are hereby notified to present any claims to Ralph Rostow at 846 West Ann Arbor Trail, Plymouth, Michigan, on or before November 2, 1951. Oct. 12-19-26, Nov. 2

The Mission Society of St. Peter's Lutheran church will meet on Wednesday, October 17 at 2 o'clock in the home of Mrs. William Sakerska at 9905 Koppernick road.

### Race on the Track Not the Highway Says Race Driver

Thrill a minute, spill a minute, excitement, pile ups, and seldom a driver hurt describe hard top racing which has become so popular.

Three of these racers come from Plymouth, Thomas Green and Mr. and Mrs. Dick Simmons of Ann Arbor trail. They race at Motor City Speedway, Detroit, and at tracks in Mt. Clemens and Richmond, Michigan, and Toledo, Ohio. Green's car was recently demolished, however, he will start again with a new body, stated Mrs. Simmons, who is the former Joan Town. Simmons is now on his third car body, the other two have been destroyed in one way or another. One time, Simmons' car rolled over four times. He emerged unhurt.

During the current season at Motor City speedway there has been just one broken bone, according to Mrs. Simmons. She states that if a person wants to race, the place to do it is on the track and not on the highway. The cars on the track are equipped for racing, and the chances of injury are nowhere near as great as chances are on the highway.

Mrs. Simmons is in charge of tonight's Powder Puff Derby. This is the third time this year that the women have raced at the Motor City track.

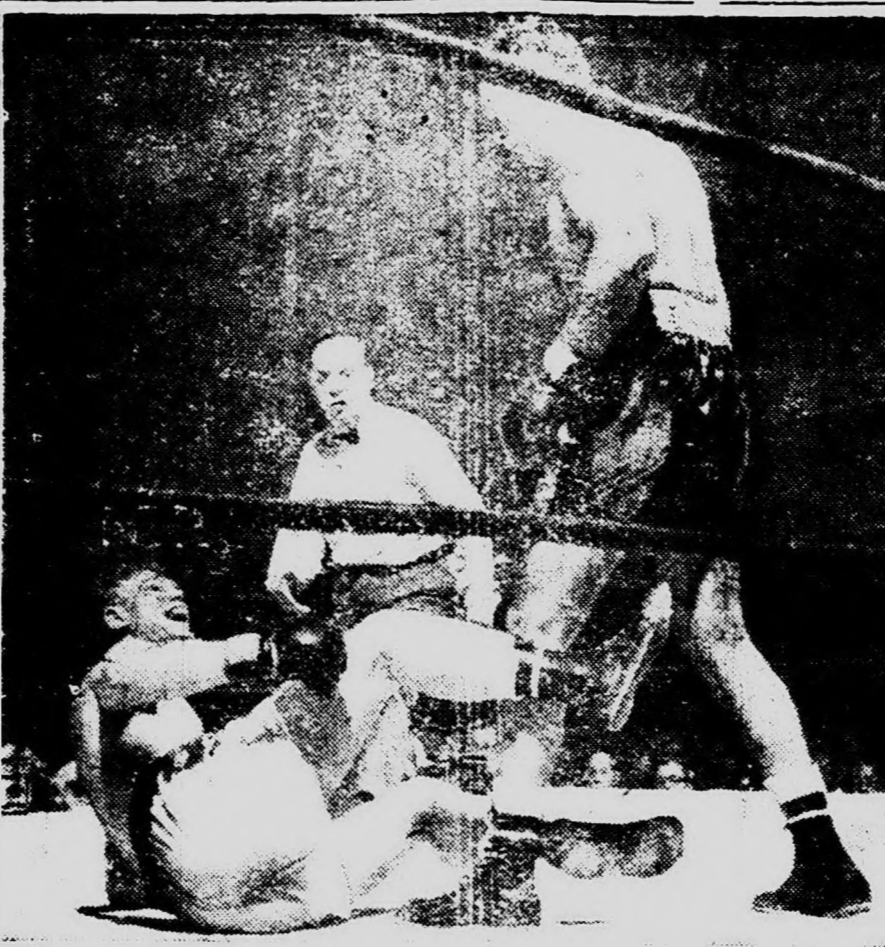

These races always involve more accidents than the men's racing, Mrs. Simmons said, because the women have less chance to become familiar with the track.

Mrs. Simmons hopes that next year there will be matched races between husband and wife with just the two cars on the track.

The hard tops outwardly look like stock cars, but they have souped up motors, cross bracing, and seats welded to the frame. The drivers wear crash helmets and are strapped in with safety belts.

Those from Plymouth attending the wedding of Miss Nancy Thenn and Richard Randall at the Romeo Methodist church last Saturday were Mr. and Mrs. Walter Packard and daughter, Pamela; Mr. and Mrs. Norman Mahley and family, Mr. and Mrs. William Kreeger and Mr. and Mrs. Charles Thenn. Little Pamela Packer was the flower girl.

Mrs. William Sydloski and son, Paul of Grand Rapids were weekend houseguests of Mr. and Mrs. Edward Klinski and family of Joy road. They attended the University of Detroit, Notre Dame football game.

### Grays Like New Home in the West

Mr. and Mrs. Fern Gray, residents of Plymouth who now reside in Pasadena, California, are spending a few days in Plymouth visiting with relatives, old friends and neighbors.

The Grays, like most people who go to California, have received great boosts for that state.

"We like it very much out there. The winters are mild and we have no extreme weather of any kind. In fact flower bloom during the entire year and a lot of work outdoors without a coat on any day of the year," said Mr. Gray.

The Grays live on East Colorado street in Pasadena, one of the main thoroughfares out of that city to the east. They have been in the Golden state for two years.

### Local News

**Training School  
Birthday Party**

(Continued from Page 1)  
Giant floral murals covered the long walls, and products from the school farm and greenhouse made picturesque table arrangements.

Among the distinguished persons in attendance was Judge Henry S. Hulbert, President of the Administrative Board of the Training School. Judge Hulbert, who was one of the founders of the school, has been a member of the Board almost continuously since 1925 and has served as president several times.

Presiding at the speakers' table was Mrs. Fred R. Johnson, Vice President of the Board, who introduced Dr. Haskell.

Dr. Haskell reviewed the history of the Training School during the past 25 years, and called attention to the gains made on behalf of mentally deficient children during that time. Pointing out that present benefits were the result of years of effort and research, Dr. Haskell paid tribute to his associates on the Training School staff and to the great heart of an enlightened community which had made such achievements possible.

The luncheon session was brought to a successful close by Mr. Charles F. Edgerton, Secretary of the Wayne County Board of Auditors, present to Dr. Haskell and the Training School a bronze plaque bearing the following resolution:

Whereas, the Wayne County Training School, an institution dedicated to the problem of rehabilitation of mentally deficient children, was established in September, 1926, and while celebrating its 25th anniversary of a century, under the splendid direction of Dr. Robert H. Haskell, the institution has written an indelible record of unexcelled attainment in returning innumerable children to a useful social status in the community, and by example, has served as a unique pattern for many other institutions. Therefore be it resolved that the Board of Wayne County Auditors, in behalf of the County of Wayne, offers its most sincere commendations and wholehearted congratulations to Dr. Robert H. Haskell for his excellent public service.

Jacob P. Sank, Chairman; Arthur A. Sank, Vice Chairman; and Charles F. Edgerton, Secretary, of the Board of Auditors. The plaque will be displayed on the Administration Building, which from this time on will be known as the "Dr. Haskell Building."

**Veterans May  
Obtain Rebates**

A new amendment to the state tax law enables eligible veterans and surviving spouses in this community to properly tax rebates stated A. F. Glasford, city clerk. This amendment, act 149 of the 1951 public acts, took effect September 23.

Existing law grants veterans tax exemption on \$2,000 of the proceeds of their homestead property. Many veterans have applied for and obtained this tax relief for their years in service and one year following. However, some failed to get the exemption because they had paid the taxes and there was no legal way to get the money back.

The new law permits this refund to be applied to the city tax account. City clerks are notified of all rebates and are paid by the state. The amount is paid by the state or the city, whichever is possible for the taxpayer to obtain the refund.

**New Kresge Store  
Opens to Public  
Friday, Oct. 19**

(Continued from Page 1)

pies the entire first floor of the new building. The liberal use of mirrors, wide aisles, and illuminated shelving, give the salesroom a bright, spacious appearance.

"This modern variety store," says Kirkpatrick, "is the latest development in over 50 years of Kresge merchandising. It's a one-stop shopping center for every member of the family, carrying in addition to the long-popular fine-and-ten notions and novelties, a wide selection of ready-to-wear and household items."

One of the store's outstanding departments is the modern luncheon counter which extends along the south wall of the salesroom. Here, seated on comfortable cushioned stools, customers may order light refreshments or complete hot meals. Gleaming up-to-the-minute stainless steel equipment has been designed to meet the most stringent health requirements and to serve customers quickly. An electric damp wiper delivers the floor from the kitchen over an inter-department telephone system.

Other departments in the store include: dresses, millinery, infants' wear, children's clothes, boys' shirts, jewelry, cosmetics, paints, dishware, candies, and kitchenware. Many of the departments at the present time, says Kirkpatrick, are specializing in fall/winter merchandise.

Across the rear of the new Kresge building is a second portion which houses the store offices and the lounge for women employees. The lounge, comfortably furnished with chrome-and-leather furniture, will be used for small social gatherings of the staff and for weekly meetings of the sales staff, as well as a place where women employees may relax during the day.

The basement of the new building is used primarily for the storage of the large merchandise which a modern store of this size must keep on hand. Here are orderly shelves and in bins the reserve stock of merchandise is catalogued and stored until it is needed at the counters upstairs. To reduce manual lifting and handling to a minimum, an electric conveyor belt carries incoming freight from the freight delivery dock on the first floor to the basement storage area. The freight delivery dock on the first floor is recessed in order that delivery trucks may pull out of the alley while they are unloading.

Also located in the basement is the compact kitchen which serves the luncheon counter on the main floor. Like the fountain, this modern kitchen is designed to meet the most stringent sanitation requirements and to serve food quickly. Equipment includes mechanical dishware, glassware and silverware washers, which wash and dry without the touch of human hands. Walls are covered with tile which can be kept spotless with a minimum of effort.

Construction work on the new building was done by the McKinstry Construction Co. of Detroit, under the direction of O. K. Ford of the Kresge construction department. Plans were prepared under the direction of James E. Sexton, Kresge architect.

four girls and a son, Peter, who gave his life for his country in the early days of World War II. The Passage-Gayde American Legion Post was named in his honor. Mrs. Gayde died five years ago.

The surviving members of the family are Miss Sarah Gayde of Plymouth, Mrs. Helen Conley of Detroit, Mrs. Clara Alexander of Detroit, Mrs. Elsa Krause of Detroit, the two children of the son who died while serving in the navy, William Frederick Gayde, and Loralee Gayde, both of Plymouth.

Two sisters also survive, Mrs. Otto Beyer and Miss Amelia Gayde, both of Plymouth.

Funeral services under the direction of the Schradt Funeral home, held Saturday in the Lutheran church, were conducted by Rev. Edgar Hoeneske, the pastor. Mr. Gayde was one of the first to welcome to Plymouth nearly a quarter of a century ago.

Funeral services were held at the home of Mrs. Gayde, 1000 E. 14th St., on Saturday. The services were held at 10 a.m. and were conducted by Rev. Edgar Hoeneske. The interment was in Riverside Mausoleum.

**FIRST CHURCH OF CHRIST SCIENTIST**, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. Is there a sure remedy for every kind of disease? That question is answered in the Lesson-Sermon to be read in all Christian Science churches on Sunday, October 14 under the title "Are Sin, Disease, and Death Real?" The Golden Text is from Psalms (118:14,17): "The Lord is my strength and song, and is become my salvation. I shall not die, but live, and declare the works of the Lord." Among the Bible citations is the passage, (Prov. 15:26): "The thoughts of the wicked are an abomination to the Lord; but the words of the pure are pleasant words." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "God, Spirit, alone created all, and called it good. Therefore evil, being contrary to good, is unreal, and cannot be the product of God." (p.339)

**ROSEDALE GARDENS PRESBYTERIAN CHURCH**, Hubbard and West Chicago, Woodrow Wooley, Minister. Livonia 2359. Sunday, October 14, 9:30 a.m. Adult Bible class, 11 a.m. Morning Worship, Junior church for children. All Sunday School departments except Nursery and kindergarten began last Sunday.

### Adult Education Classes Begin Larger Program.....

#### Women's Gym Class

A class is being planned for all women who enjoy an hour of relaxation and fun. The date has been extended one week to October 22 at 8 o'clock at the Smith school. Call the Recreation office if you wish to enroll. 2075.

#### Typing

All people interested in learning to type should avail themselves of the opportunity offered by this class. Miss Olsen is an excellent instructor.

#### Women's Bowling

Any woman eligible for this group who has any interest in bowling should enroll. The time is Thursday from 4-8 and the place is Parkway Recreation on Ann Arbor Road.

#### Women's Swimming

It is time to sign up for the new swimming class which starts on October 7 at 8:30 at the Wayne County Training School. There is no charge for a few more registrations. 2075.

#### Oil Painting

A class in oil and water color will be conducted by Mr. Harold Stein on Wednesday evenings from 7-9 if we have enough who would like instructions.

#### Ceramics

The ceramics class will be postponed until January.

#### Student Activities

#### Girls' Bowling

Teams are being formed in the Girls' Recreation League. Winners in this league will play Ypsilanti's winners at the end of the season.

#### Dancing Classes

Don Thompson of Ann Arbor is the instructor for the tap, ballet, and acrobatic dancing classes at the Bird and Smith schools on Wednesday and Thursday afternoons after school. The junior high students have square dancing from 7-8 at the Bird school.

The response has been unusually good this year both on the part of the boys and the parents. Keen competition has resulted.

#### Films

Three films entitled "Learning to Swim," "Skilled Swimming Fundamentals," and "Heads Up" will be shown to all people who enjoy swimming on October 18 at 7:30 in the junior high school building.

#### English

If enough people are interested in taking a class in learning to speak good English a class will be formed soon. If interested call 2075.

#### Science

At least 1,000,000,000 meteors, most of them no bigger than a pinhead, strike the earth's atmosphere every day. Only 2,000 or less a year are large enough to penetrate the atmosphere and fall on the earth as meteorites.

MATERIAL SHORTAGES?  
 COPPER TUBING IN SHORT SUPPLY?  
 DO I HAVE TO INSTALL NOW?  
 HOW ABOUT CREDIT TERMS?  
 TANKS DIFFICULT TO GET?  
 WHY BUY A TIMKEN SILENT AUTOMATIC OIL BURNER?  
 PRICE GUARANTEED?

HERE ARE THE OIL BURNER ANSWERS!

Some critical materials—such as copper tubing and tanks—are difficult to get, but we are stocked to the point where anyone who signs a contract now is 100% assured of an installation without any substitute materials.

It is not necessary that your oil burner be installed this month but we will set aside the necessary materials for your installation if you sign the contract now.

FHA credit terms are still available if desired—only 10% down and as long as 30 months to pay.

Our price is guaranteed. Once the contract is signed, you pay the price specified—no more! But, of course, the burner must be installed within a reasonable period of time.

The Timken Silent Automatic Wall-Flame Oil Burner is the most efficient, dependable oil burner on the market! Its wall-blanketing flame turns every drop of oil into useful heat. Only one moving part (self-lubricated) assures years of trouble-free operation.

Timken Silent Automatic fuel oil savings can be proved! Users' before-and-after fuel bills give conclusive proof that Timken Silent Automatic's natural-burning Wall-Flame gives greater combustion efficiency than ordinary pressure-type oil burners. Fuel savings regularly amount to 25 per cent or more.

The Timken Silent Automatic Wall-Flame Oil Burner burns any ordinary domestic fuel oil. It operates reliably and efficiently when supplied with fuel refined by any of the commonly used processes—straight-run, thermally-cracked, and catalytically-cracked.

# Rocks Down Bentley 26-6

Three hard-running backs, with the aid of some good blocking from the linemen and backs, ran four touchdowns as the Plymouth Rocks downed the Bentley football eleven by a score of 26 to 6 last Friday night on the local athletic field. The home eleven gained revenge for the 19 to 0 defeat inflicted on them last year by Bentley.

Ron Ritter, who averaged 11 yards per try on 10 carries scored the first Rock touchdown, plunging Dave Travis, who carried the ball 17 times for an average of 6 yards per carry, and Don Beaver, who gained an average of 7 yards on 10 tries, were the fast backs that crossed the Bentley goal—Travis doing it twice. Al Williams kicked two points after touchdowns.

The game began with Bentley receiving Williams' kickoff on the 20 yard line. After making a first down with the aid of a penalty, they were forced to punt into the wind—a short punt of 10 yards resulted and Plymouth began their march. With Beaver, Travis and Ritter leading the pack, the Rocks scored their first touchdown when Ritter side-stepped his way 28 yards off tackle to score standing up. Williams boot for the extra point was wide of the uprights.

Bentley received the kickoff and began a march down the field, but were stopped in mid-field and punted to Plymouth. After two plays the Rocks fumbled and Bentley recovered on the

Plymouth 20. After two plays Bentley fumbled and Travis recovered for Plymouth on the Rocks 19 yard line. Play seesawed back and forth the rest of the half which ended 6 to 0 in favor of Plymouth.

The third quarter saw a lot of action with each team exchanging touchdowns. With three minutes gone, the three musketeers of the Rock backfield began rambling again and Don Beaver cut loose, around right end for 18 yards, to score making it 12 to 0. This 12 point lead was short-lived though for McIntyre, who played a bang-up game for Bentley, received the ensuing kickoff and ran 80 yards to score. The third quarter ended with Plymouth on top 12 to 6.

Shortly after the last quarter opened, Plymouth began a march on their own 25 yard line and Ritter ran for 18 and 15 yards, Beaver for 12 and 10, and Travis for 9, 5 and finally 7 through center for the Rocks third score. Williams converted.

In the last minute of play Bentley punted from their 12 yard line, and the high kick was held up by the wind, came down on the 20 yard line and rebounded to the five yard line, from which point McKinley and Travis bulled it over to make the final score read 26 to 6 in favor of Plymouth when Williams added the extra point.

## Duck Season to Begin Tomorrow

Tomorrow many duck hunters will be trekking north to the shores of our lakes and bays in search of a large fowl for their Sunday dinner. Unless a heavy frost comes, there will be a number of flocks waiting for hunters' guns Friday.

High water and a good supply of ducks will greet most of the early hunters. Most hunters will welcome high water, since it will enable them to travel through the channels in the interior of the marsh.

As in other years, most of the first-day targets will be home-grown blacks and mallards, with a scattering of bluewing teal, pintails, widgeon and redheads. Some bluewing teal have already gone South.

Hunters will find Saginaw Bay the highest in years and hunters are warned not to use waders there this year because they are dangerous in case one should slip and his feet fly up in the air—if he gets air in the boots he'll have a tough time to keep from drowning.

Duck hunters need learn no new rules this year. The season will open at noon Friday and the first day will close at 4:53 p.m. on the east side of the State, at 5:05 p.m. on the west side of the lower peninsula. After Friday, the day will open a half-hour before sunrise and close one hour before sunset. Hours are given on the "shooting time table" issued by the State Conservation Department.

Gunners may take four ducks daily, have eight in possession. They may have five geese—five in possession, of which not more than two can be Canada geese or two white-fronted geese. The limit on coots this year is 10.

The regulation which prohibits the use of guns with more than three shells remains in effect. Ducks may not be shot from a motorboat or one with outboard motor in place. Ducks may not be shot within one-half mile of any place where bait or feed has been placed within two weeks before the season opens. This is a new regulation intended to tighten up on baiting.

## Sports Glances

by "Professor" Edgar Brown

Much has been said about the over-emphasis of athletics in a school program. Some say we should have an intramural program and not competitive athletics with other schools—as with the latter it is becoming too commercialized. I can see good points on both sides of the argument.

But as long as we have competitive athletics I think our teams should be as good as we can make them. It can't be a half-way measure. The University of Chicago tried that and they finally leaped out of the athletic picture.

I still think competitive athletics mean much to a boy and does him a lot of good. The value he receives is tremendous—just look at a few of the characteristics which may be developed—team play develops cooperation, and goodness knows one has to be able to cooperate and get along with others in life; he meets in combat boys from other schools, and he takes great pride in representing his school in athletics, and he may not be capable of doing this in any other way. One of the greatest qualities needed today—leadership—is developed in the field of combat; for some boys this quality is developed more than it can be in the classroom—and also for a few boys, three-fourths of their school thinking takes place on the athletic field. I was talking with a coach a few months ago and he explained that some of the intelligent boys on the team were not as good at figuring out what the opposition was going to do as some of the lower than average boys. Many of our athletes who do not excel in the classroom go on to become good leaders in all walks of life, and many of them say it had not been for competitive athletics they probably would have dropped out of school.

Our leading educators admit it is quite a problem to find a program that will keep the drop-outs in school. One way is athletics and I'll stick along with that until the educators find a better way.

## Plymouth Moves Into Tie for 2nd

Last weekend's football games around this area found Trenton handing Allen Park their first league loss by a score of 26 to 14. Lowe, Trenton's main offensive weapon, intercepted a pass and scampered 50 yards for a touchdown to lead the Trojans to victory.

Garden City continued unbeaten by knocking off Inkster Roosevelt 13 to 6. Farmington won over Keego Harbor 19 to 0. Walled Lake edged Waterford 12 to 0.

Northville eked out a win over Milford 13 to 6. Inkster walloped Clarenceville 32 to 0.

In the battle of the two class "A" schools, who were members of our league last year, Ypsilanti nosed out Wayne in a tight game 13 to 6. We play Wayne at home the 26th of this month.

Redford Union played Belleville and we were unable to find out how the game came out when this page went to press. If Redford Union won as they should have done, the standings will be as shown below—if they lost there will be a four-way tie for first place.

## Rock Harriers Nip Bentley 27-28

The Plymouth High harriers squeaked past the Bentley team when they edged them 27 to 28 in a meet held on the Riverside Park course.

John Balogh ran his fastest time in a meet this year when he finished the two miles in 11:58. A much improved Ed Grosjean also had his best time of the year as he posted a 12:16 time. Marvin Green was fifth, Roger Bogenschutz ninth and Gale Mills, who just came out a few days before the meet, finished in the tenth slot.

Bentley copped the third, fourth, sixth, seventh and eighth spots to finish a point behind the Rocks.

Jim Blanton, a constant point winner for the Rocks, has been out with a foot ailment, and did not compete in this meet.

Couch Moiso uncovered a future cross-country runner when Jim Danol, a freshman, came in third in the meet with a good time of 12:17, but his place could not count because he is not eligible for competition because he is a freshman.

Tomorrow the Rocks face a strong Trenton squad on the Trenton course. In league meets the Rocks have won two and dropped one, but the duel meets do not determine the standings as a league meet will run later for the league championship.

## 7th and 8th Grade Team Play Trenton Here Wed.

The 7th and 8th grade team opened their schedule yesterday at Trenton, but the result was too late to make this edition.

Coaches Owens and Ingram have around 40 hopefuls working out for positions on the team.

The boys play a limited schedule and play two more games this season. Next Wednesday, October 17, they play Trenton again here, and conclude their brief schedule on Thursday, October 25, with a game at Allen Park.

Social items can be phoned to 1755.

## Gala Homecoming for Trenton Game Tomorrow Night

The Annual Homecoming celebration will feature tomorrow night's football game with Trenton under the lights of our beautiful athletic field. Fathers and mothers of the football boys, and alumni, will be our honored guests.

An assembly will open the gala homecoming celebration. Trenton's captain, Lee Gonyea, and their school mayor, Harlow Mark, will be at our assembly tomorrow, while Plymouth's mayor, Betty Salmon, and captain, Dave Travis, will be at a similar program in Trenton today.

These assemblies will feature cheerleading, talks, and band music.

Preceding the game the Hesco Club will give a reception for the parents of the football boys. Then they will go to the game and sit in a section of the bleachers reserved for the parents.

Members of the Girls' Athletic Association will decorate the goal posts and the reserved section. Other clubs helping with the homecoming program are the Y-Teens and Hi-Y. The Sophomore class has the concessions at the game.

Larry Livingston, our able band director, says that the band is busy practicing formations for this homecoming game.

The fans are guaranteed a grand spectacle of football as Trenton has one of the better teams this year, and will be pointing for this game to avenge the humiliating defeat Plymouth handed them last year on their own field—that score being 39 to 6.

Our boys will be out there scrapping to win this game and again let us tell you that this will be a thriller so you had better be there.

## Ninth Graders Drop Close Game to Bentley

The Plymouth High Ninth Grade football team lost their third straight close game when Bentley High scored two touchdowns to win by a 13 to 6 score.

Bentley scored their two touchdowns on an intercepted pass and a pass play that netted 50 yards.

The Rocks lone score came when Dick Day passed from the 5 yard line to Bill Petrazewsky, who caught it in the end zone for the six points.

Coach McFall says his charges are improving with each game and despite the losses are playing some good football.

The young Rocks travel to Trenton today to meet the young Trojans.

Frank Rambo provides proof to doubting editor that he has raised a crop of peanuts.

There is no longer any question about Frank Rambo's ability to grow a crop of peanuts right here in Michigan. Raised eyebrows by old friends out in California and the cross examination to which he has been subjected by "ye" local editor resulted in "direct" action by the genial Mr. Rambo to provide proof that he has successfully raised a crop of peanuts right under the shadows of the bright lights of the city of Plymouth.

Mr. Rambo pressed into service the other day the staff photographer of The Plymouth Mail. He two then pushed into an automobile the doubting editor and took him out to see the growing crop of peanuts.

Out into the Rambo garden the three plodded their way to the peanut patch.

The license plate juggler leaned over and pulled up a vine that looked very much like weeds.

"Look at that," demanded Mr. Rambo. "Them's peanuts—big peanuts, bigger and better than they can grow in Georgia, Arkansas or California. If Harry Lush wants to buy some of them for his peanut stand down next to the Penn theatre, he's going to pay for 'em—and he's going to pay plenty. Just like you, he's been making fun of my peanut crop. I think growing stuff that looks like weeds and what he calls spices is doing something for the human race. But there is no nourishment in spices—one can live on peanuts and get fat, too. I remember back when I was 12 years old and my great granddaddy told me that one should devote his time to raising

something that's useful, like potatoes, peanuts and pork. I've never forgotten that. I hope those folks out in California get The Plymouth Mail, so they can really see a picture of peanuts I've grown right in Michigan," added Mr. Rambo.

There is one thing that Mr. Rambo forgot to tell about. He failed to say that his peanut seed came from Arkansas. It was brought to him by Mrs. Carl Hartwick. She had been on a visit to the Arkansas last spring and when preparing to return, she brought back to Plymouth some unroasted peanuts, giving them to Mr. Rambo, who really has grown a small crop of peanuts.

Miss Sharon Rose Hively, daughter of Mr. and Mrs. Clay Hively of Ann Arbor trail and Jerry Coll repeated their nuptial vows before their immediate families last Friday evening, October 5 at 8 p.m. in the First Presbyterian church. The Reverend Henry Walsh officiated at the rites. Jerry is the son of Mr. and Mrs. Basil Coll of Northern avenue.

Sharon selected for her wedding a suit of beige with brown accessories and a corsage of white rosebuds. Her only attendant, Nancy Bache chose a wine suit with which she wore grey accessories and a corsage of baby mums. Dwight Stevenson assisted the bridegroom as best man.

Mr. and Mrs. Coll spent the weekend in northern Michigan and are now at home on Penniman avenue.

### Parents Announce Engagement of Sally Holcomb

Mr. and Mrs. Henry Holcomb of Rosedale Gardens announce the engagement of their daughter, Sally Ann to Jack Bachtel, son of Mr. and Mrs. A. P. Bachtel of Louisville, Ohio. Both young people are juniors at Michigan State college where Sally Ann is a member of Sigma Kappa Sorority and Jack is a member of Alpha Gamma Rho fraternity. Plans are being made for a December wedding.

Early letter carriers collected two cents for each letter delivered.

### Passage - Gayde

The Installation of Officers of the Passage-Gayde Auxiliary was held at the Veterans Memorial Home the evening of September 27. Past Pres. Adah Langmaid was the Installing Officer; Alice Estep the Acting Chaplain; and Carrie Gladstone the Installing Sgt. at Arms.

The officers for the ensuing year are: Phyllis Hower, Pres.; Dorothy Knapp, 1st Vice Pres.; Genevieve Wilson, 2nd Vice Pres.; Gwendolyn Holcomb, Secretary; Maxine Kunz, Treas.; Virginia Fann, Chaplain; Adah Langmaid, Historian; Mildred Hower, Sgt. at Arms.

Mildred Hower was in charge of all the arrangements and corsages were presented to all officers. Jan Campbell, the retiring president, had two most successful years in office.

The 17th District Adjutant, Elton Knapp and other guests attended.

The 17th District meeting of the American Legion was at the Cook-Nelson Post Home in Pontiac, October 5th. The Passage-Gayde Post and Auxiliary had the largest representation of the district.

Those attending were: Mr. and Mrs. Robert Hower; Mr. and Mrs. Elton Knapp; Mrs. Charles Wewer; Capt. and Mrs. Leslie Poczik; Harold Wilson; Wm. Langmaid and Vernon Miller.

Service baskets were delivered to the veterans of Maybury Sanitarium by the Passage-Gayde Auxiliary members Oct. 2. Arah Langmaid, Mildred Hower, Helen Poczik, and Phyllis Hower made the presentations.

On Oct. 4, Mildred Hower took service baskets to the veterans of Eastlawn Sanitarium.

The Passage-Gayde Post and Auxiliary gave a party the evening of Oct. 6 at the Memorial Home for Capt. and Mrs. Leslie Poczik. Capt. Poczik will leave for Camp Lee, Virginia about the 22 of October with his family.

The next meeting of the Passage-Gayde Auxiliary will be at 8 o'clock Oct. 11 at the Veterans' Memorial home.

## Extra Good Recipes For Fall and Winter

**Apricot Orange Jam**  
 2½ lb. (about 32 small) apricots  
 1 unpeeled orange  
 4½ cups beet or cane sugar  
 1 cup coarsely chopped walnut meats

Wash, halve, pit unpeeled apricots; cut each half once lengthwise; measure 6 cups. Wash orange, shaving off any blemishes; quarter lengthwise and thinly slice crosswise. In a preserving Kettle combine prepared fruits and sugar. Place on high heat and bring to a rolling boil. Turn heat down; cook 12 minutes, stirring often. Then, stir in warmed nut meats (place on ungreased cookie sheet in slow oven (250° F.) for about 5 minutes; cook 3 minutes longer or until two thick, heavy drops run together off side of clean metal spoon (219° F.)) Remove from heat; skim. Pour into hot, sterilized jars; seal. Makes about 6 half pints.

**Spice Variation**  
 Reduce sugar, beet or cane, to 4 cups. Add 6 (1-in.) cinnamon sticks at start of cooking. Omit walnut meats. Cooking procedure, time, temperature and final yield same as above.

**Italian Prune Conserve**

## Reduce Home Fire Hazards

When your heating plant is reduced, the danger from fire is increased and the efficiency of the system is greater. To reduce fire hazards in and around heating plants, we recommend:

1. Have your heating plant cleaned. This means cleaning all soot and fly ash from heating surfaces.
2. Practice good house-keeping around your heating plant. Do not store waste paper and rubbish in the heater room as these constitute a fire hazard. Oily rags are particularly dangerous.
3. Inspect your heating plant for leaks in fire and flue cleaning doors.
4. Be sure your chimney is clean and free from cracks. Clean and check the smoke pipe leading from the boiler or furnace to the chimney, making sure that it has not developed leaks through corrosion.
5. Be sure that damper doors, draft doors, and chains and pulleys work smoothly.
6. If you have a warm air heating system, be sure the filters are clean. Replace or clean dirty filters. Check insulation on warm air ducts.
7. Do not force or overheat your furnace or boiler in cold weather; and don't start a fire in a hot water or steam boiler without making sure that it is full of water.

**Homes Beyond Mains Need Water System to Put Out Fires**  
 Owning a property sized electric water system is the only real preventive fire insurance for homes beyond city water mains.

Home owners are urged to check their water system equipment during Fire Prevention Week, October 8 to 14. Last year nearly \$90,000,000 was lost through fires on farms and suburban homes. A single hose with sufficient water pressure at the right time could have put out most of these fires.

Those living out of town and too far from the local fire department must depend on a good electric pump and plenty of hoses when a blaze starts. The power-driven pump should be capable of pumping 350 to 500 gallons of water an hour. The safer capacity is 500 gallons an hour.

Hoses, too, are very important. A hose delivering a flow of only 7 or 9 gallons a minute will hold the ordinary fire in check if noticed in time. Hydrant outlets should be located at strategic points.

The electric circuit for the pump motor should be installed so that the electricity to the pump will not be cut off in case of fire. Avoid overloads on electric wiring. Don't thaw frozen water pipes with a blow torch, but only with hot water or electric pipe thawers.

**Health Guild To Hold Conference**

Mrs. Russell Wendt, 8068 Wayne road, Plymouth, will be a member of a panel of experts who will participate in a one-day conference on health in Wayne county which will be held Thursday, October 18 at St. Paul's Evangelical church, 24126 Goddard road, Taylor township.

Mrs. Wendt will be a member of the panel which will discuss Health Guilds and "How and Why We Organized." She is also a member of the planning committee for the conference.

The conference, sponsored by the Wayne County Health Dept., Council of Social Agencies of Metropolitan Detroit and the Tuberculosis and Health Society, is designed to stimulate interest in organizing the community to discover and meet the health needs of the Wayne County area.

Dr. Donald K. Dukelow, consultant in the Bureau of Health Education, American Medical Association, will be principal speaker at the dinner meeting.

The conference, which is entitled "Wayne County Communities Organize for Better Health," will open at 1:30 p.m. and continue until 6 p.m. with a dinner meeting scheduled at 6:30 p.m.

In addition to a panel of experts who will discuss "How and Why We Organized," a film on "Community Health Council Organization" will be shown.

All attending the conference will be asked to participate in discussion groups on "How Communities Organize to Meet Their Health Needs," and "Steps to Further Action."

Charles Brake, superintendent of Wayne County schools, will be chairman of the meeting.

It is hoped that Wayne County citizens will organize additional Health Guilds throughout the county and that guilds now organized will increase their activity during the coming year as a result of the conference. The public is invited.

There seems to be an improvement in about everything but people.

If the purr of a great-powered engine is music to your ears —

If command of two tons and more of nimble-footed and beautifully balanced automobile can step up your pulse beat —

You are just the man for whom a ROADMASTER was engineered.

Whatever it takes to give you a sense of complete and carefree freedom behind its wheel, you'll find in this proud master of the highways.

Added to the breadth and length that any fine car can give you are four soft-action coil springs to cushion the wheels, and a torque-tube to banish rear-wheel wander.

Added to its high-compression, valve-in-head engine are eight exclusive Fireball combustion chambers that get extra power from each whirling charge of fuel.

Added to the convenience of clutch-free driving is the torque-converter principle of Dynaflow Drive—that feeds a steady flow of power without lag or falter ever.

Added to the light responsiveness of its steering wheel is a Buick-engineered "front-end geometry" that gives this phenomenal performer a sense of direction straight and true.

But no roll call of engineering accomplishments can tell you the feel of a ROADMASTER, out on the road.

That's something that only firsthand acquaintance can bring. Not just a trip around the block—but enough time and enough miles to let you discover what a joyous companion this great car can be.

That's something that is easily arranged. If you're truly interested, a phone call will bring a ROADMASTER to your door.

## V.F.W. News

Everyone is invited to attend the Hospital-Benefit-Card-Bingo Party at the Veterans' Memorial Center on October 24. Prizes will be awarded and refreshments served.

Don't forget that 1952 dues are now payable to Marion Warner, our treasurer.

Will all relatives and friends of Plymouth and Plymouth township servicemen serving overseas, please contact Mrs. Geraldine Olson, 2013 Elmhurst, Plymouth, phone 177-JJ. As our Community Service Chairman, she is in charge of sending remembrances for Christmas to these boys. She wants their names and address by November 1, as November 15 is the deadline for overseas mail for Christmas.

At our last regular meeting, the Auxiliary gave money to the Crusade of Freedom. Later on a party will be given, from which the proceeds will be given for the same cause. We urge all individuals to contribute to this promotion overseas of our American way of life.

Work on the Smorgasbord is underway. The date is Saturday, November 10, with serving from 5:00 p.m. to 8:00 p.m. Betty Marquis is general chairman.

Tomorrow and Saturday are the dates of our rummage sale at the Veterans' Memorial Hall. Plan to stop and purchase something.

#### Seniors Select Comedy for Play

"Take Care of My Little Girl," a three-act comedy, has been chosen by Miss Louise Spitzer, play director, for the Senior Play. The play will be held on the evenings of November 16 and 17. Tickets were sold the first week of October in Room 40. All seniors interested should be present.

The seniors are planning to sell Christmas cards along with every day cards. Mr. Walter Goodwin, senior advisor, stated that if each and every senior would help sell all the cards that have been ordered that they should make about \$340 to add to the class treasury.

Saving money for their senior trip is another project of many seniors.

The members of the class are also getting ready to "watch the birds," when they will have their pictures taken October 22, 23 and 24.

#### Art Classes Working on Halloween Pictures

With Halloween already in the air, Mrs. Frances Overton's art classes began Monday to work on pictures for the painting of the windows with Halloween designs.

Mrs. Overton will have students from the advanced art class as chairmen to supervise the work of the beginning students. The painting of the local store windows has been an annual task of the art classes.

#### Club to Elect Officers

Plymouth High School Science Club held its first meeting of the school year Wednesday, October 3, at 11:45 a.m. Mr. Robert Smith, chemistry teacher, supervised the meeting.

The officers of the club were not elected this first meeting, because all of the members were not present. The election will be held at the next meeting of the club, however.

Michigan beats 127 boys of producing national pins, for in 49 Lower Peninsula counties.

### German Students Speak at Rally

"Civil defense is everyone's business" was the topic on October 4, at a program in Bentley High school with Mayor Jesse Ziegler, Director of Civil Defense, Dallas Hay, and the seven German students living in Plymouth participating.

At the invitation of the Livonia Rotary club the seven Germans agreed to take part in the program. Sophie Niemeyer, Gerold Schmidt, Hans-Christian Krueger and Gunther Damm were chosen to speak about their life in Germany and their experiences in the United States.

In addition to the fact that seven Plymouth families opened their homes for seven students of their former enemy Germany, two music teachers of Plymouth have offered scholarships to three of them.

Three students, Sophie Niemeyer, Hans-Eduard Rosenplanner and Gerold Schmidt met with Evelyn Woods, at Plymouth Musical Center to discuss this and since only one scholarship was offered there, the boys voted to concede to the young lady who has now one piano lesson each week during the visiting year of the German students.

When this came to the attention of Mrs. Maurice A. Wood, south of 986 Church street, she at once offered free lessons to Hans-Eduard and Gerold. Mrs. Wood's north offered these lessons for her only free afternoon in a week.

#### J-Hop Plans Progress

### Appoint City Employees to Attend Meeting

City commission appointed A. F. Glasford and Paul Gault as delegates to the annual meeting of the Municipal Employees' Retirement system at East Lansing, October 13.

Each city sends two delegates to the meeting. One of the delegates represents the employees of the city and the other the city employees. The purpose of the meeting is to acquaint those attending with changes in the retirement system.

Alternate delegates are Stanford Besse and Harold Sebold.

### Blue Chapter of Y-Teens Initiates

Blue chapter of the Y-Teens held their formal initiation in the Home Economics room 21 on the second floor of the Plymouth High school on Tuesday, October 2, at 7:30 p.m. Music was provided by Susan Simmons at the piano and Sara Lett sang "I Would Be True." At the service, speakers and punch were served by committee chairman Gail Hill and Patsy Ladgard.

The new members are: Glennia Merrill, Ann Morrow, Susan Goddard, Jane Nalty, Edna Walski, Dorothy Keen, Joyce Smith, Barbara Carley, Marion Hlad, Sally Morgan, Thelma Barnes, Carol Stratton, and Jane Donnelly.

Advisers attending the services were: Miss Virginia Olsford, Mrs. R. L. Nalty, Mrs. Paul E. Simmons, Mrs. Patrick Dowling, Mrs. Louis Truesdell, Mrs. Harold Pine, Miss Edna M. Allen, Mrs. Vern Kahrl, Mrs. John Anheim, and Miss Gertrude K. Fiebel.

### 15 Boys Initiated into Varsity Club

Varsity club initiated 15 members at its annual fall service held during the week of October 1 through 5. The boys initiated are as follows: Ronnie Nehus, Richard Nagel, Buddy Lanphear, Larry Wood, Ralph Walsh, Ralph Wagonschutz, Ronnie Ritter, Neil Boyer, Ronald Bender, Paul Straub, Ed Grosjean, Jerry Kelly, Kurt Hoenecke, Fred Benson and Richard Hubler.

To be eligible for membership in the Varsity club, a boy must have won his letter in one of the many sports at Plymouth High school.

Another initiation will be held this spring for boys who win their letters in Cross Country, Football and Basketball sometime during the school year.

#### Homecoming Planned

In the making are plans for a gala homecoming at the location vs Plymouth football game, October 12.

An exchange pop social Friday afternoon will get the students into the spirit for the coming game that evening. The game will be followed by a dance in the gym sponsored by the Y-Teens.

### Class Pictures Taken at P. H. S.

Class editors of the Plymouth Mail met Tuesday, October 2, in the publication room to discuss the taking of pictures on Monday, October 8, and Thursday, October 11.

Students are requested to dress up for their pictures. T-shirts under sweaters for boys are unobtainable.

The various editors are: editor in chief, Beth Douglas; business manager, Alex Paskevich; activities editor, Jackie Langmaid with Ellen Daane, Sally Morgan and Jan Pento assisting; girls' sports editor, Pat Wassenaar; boys' sports editor, Ralph Walsh with Jack Daggett assisting.

The grade editors are: seventh grade, John Gregory; eighth grade, Barbara Smith and Dale Boulton; ninth grade, Sally Ceder; tenth grade, Betty Bowler; eleventh grade, Gary Kopen; and twelfth grade, Iva Lou Kahrl.

Annuals sent from other schools were examined and discussed.

#### Hesco Plans to Sell Pins

Pins were made by the Hesco Club Tuesday, October 2 to send information about school pins to sell at the basketball games.

Also initiation plans were discussed but chairman Patricia Aulis and co-chairman Patricia Woodland decided to postpone the initiation due to the small number of applications for membership.

### Discuss Conventions

Plans for the September meetings at the Township Board of October 12, were discussed at a meeting of the Township Board held Wednesday, October 7, in room 48 at 11:30 o'clock.

Committees were named and Sophomores were asked to sign up for them on a list at the Board. Chairmen were to be chosen sometime this week.

Because the Township Board is the homecoming game, the executive board has made extensive plans.

### Here's the answer:

"Five" sounds like "nine," so training operators to say "fi-iv" and "ni-en" helps prevent wrong numbers, saves time on the line, and avoids an extra call to get the right number.

Code letters save long sentences. Instead of saying to another operator: "About that call on which you tried to reach Mr. Jones in Chicago, we have Mr. Jones on the line now." operators say, "W. H. with Mr. Jones in Chicago."

Saying words a different way, and using code letters, may save only seconds. But multiply those seconds by the millions of calls Michigan Bell operators handle every day, and the savings become enormous. Without them, it would take more circuits, more switchboards and more operators. With them, the cost of handling calls is kept down. And that helps keep down the cost of telephone service. It's one of the many ways in which—

## Roger Babson Says --

**Babson Discusses Remodeling Houses**  
Babson Park, Mass., October 11. A friend of mine recently purchased an old 18-room mansion which he is converting into apartments. Some very interesting observations can be made on that job concerning present-day workmen. As he tells me his troubles I wonder if this is the time to do

remodeling jobs on old houses, especially as the best of houses always deteriorate even though the land increases in value.  
**Use Contracts and Read Them.** My friend's house is in an area where skilled craftsmen should be available. Some of his jobs have been left under contract; some have been done at a hourly rate. All the workmen were highly recommended. But, though price was not the important factor, a few really took pride in the job they did. Certainly, don't start a remodeling job today except by contracts; then read your contract before signing or else employ an architect.

The card of the painter which my friend kept reads: "Not a Remodeling Workman." Before the job had gone far, the owner had to find the painter that neither spattered floors nor carelessly down window sashes were acceptable. While the painter spent considerable time talking about his fine workmanship, his joints and pipes leaked and he carelessly chipped porcelain fixtures. Therefore, you must be detailed and insist on good

work even after you have read and signed your contracts.

**Are Craftsmen Gone?** The paper hanger said "Choose plain paper, particularly for the hall; it's easier to match and more economical." Plain paper, for that particular paper hanger, meant he could slap it on as fast as possible—butt it or lap it, depending on the wall! This may be good advice. One should always consult the paper hanger before buying the paper; but be on the job when it is being hung. The selection of wallpaper is almost as important as the selection of a wife.

It may be unwise to take the lowest bidder for roof work. Better contract with a roofer who has been in business many years. Too many roofers think that the owner will never climb up on the roof to inspect the gutters, etc. Hence, he fails to oil the gutters and seal the joints as per his contract. But the one who really took my friend for a ride was the electrician. He used more BX, BC, and Romex cable, connectors, plates, cutouts and clips than you'd suspect it takes to build a battleship! As electricians get a big profit on the material they supply you, they are tempted to use more than they should. What's in the partitions only the electricians and the mice will ever know.

**Insist on Good Reputations.** But my friend's carpenter was one in a hundred. He was careful and proud of his work. He acted almost as if the house were his own. He was painstaking, whether he was laying a course of shingles or nitering a door-casing or putting on hardware. To him there was a right and a wrong way, and he could be trusted to do the job right even though he was working by contract.

Not enough individuals or companies today render good craftsmanship. Wars, government contracts, sellers' markets, and material shortages tend to bring quality standards down. When buying hardware today ask for goods made before June 1, 1950. The quality since then has been losing ground.

**Is Remodeling A Good Investment?** Apartments are in demand. Old houses can still be bought cheap. Many can be made over into four or more apartments. You can make a contract so as to know just what the remodeling will cost; you can also learn from real estate agents how much rent you can expect.

Then figure what you will get on your investment. This should be over ten percent annually to cover taxes, insurance and re-

pairs and to have six percent left for yourself, even with full occupancy. To be on the safe side, you should allow for some vacancies. Remodeling of properly located old houses may be a good investment; but investigate before you invest.

## Accidents Cause Property Damage No Injuries

Three accidents in Plymouth October 6 involved property damage but no injuries.

Starkweather was the scene of two of the accidents. Near the corner of Starkweather and Spring, according to the police reports, A. E. Hix hit Thomas Beachum of 137 Castor, Plymouth. Beachum was struck when he slowed down to avoid hitting a car which pulled away from the curb.

On the corner of Starkweather and Liberty, according to police, J. C. Davis of 18921 Melvin, Farmington struck J. B. Hancock of 41905 Ann Arbor road. Hancock was driving west on Liberty and crossing the intersection of Liberty. He was hit in the left rear fender by Hancock who was progressing at a normal speed across the intersection going north.

As she pulled away from the curb Jacqueline Phaler of 220 Ann bent down to close the heater vent and struck a parked car belonging to Marion M. Ryder, 627 Purdy, Birmingham, Michigan.

Approximately \$400 damage was the result of a two-car collision on the corner of Main and Ann Arbor trail October 4. Police report, Farris Combs, 35300 Ann Arbor trail and Leona Bonnette of 277 Fair street were the drivers involved in the collision.

Universal peace sounds ridiculous to the head of an average family.

The feller that belittles his wife in company is only trying to pull her down to his size.

The camera never lies, but it would be justified in lots of instances.

If a girl knew she looked all right, she'd save her a lot of trouble.
