

"Newspapers Are Most Indispensable Medium Of All"

"We use the largest black-and-white newspaper advertising of any store in the world."
"I believe television is a good and growing and coming medium, but I do not think it will take away anything from the newspapers."
"The newspaper is the only medium that permits advertisers to present their merchandise simultaneously before the same public and provides thereby the perfect opportunity of equality for competition."
"No other medium permits it to anywhere near the same degree—and the success of one store or the other is dependent on the ability of the public to discern which is the best value and who has made the best presentation."
"Also, newspaper advertising... is the only medium which permits an advertiser to reach the greatest and most complete cross-section of the public."
"Many magazines direct... their readership to classes of readers... those interested in fashions, home furnishings, sports, etc."
"Radio or television solicits by its programming... an audience along the lines of amusement or news and leaves such selection to the choice of the audience itself."
"But the newspaper presents all these features to all classes of people simultaneously."
"Further... the newspapers offer the greatest possible circulation at the lowest percentage of cost."
"Remember, the newspaper is the one great advertising medium that awaits the convenience of the reader."
"A newspaper ad lives for hours... sometimes for days. It is not received in a fleeting moment. It does not have to register within a brief time or be lost forever. It enters the home and is available to every member of the family at a time of his or her own choosing."
Richard H. Edwards, Jr., Vice President,
Jordan Marsh Co., Boston, Mass.

What I Think and Have A Right to Say

By ELTON R. EATON

THE RIGHT SPIRIT, ALWAYS TYPICAL OF PLYMOUTH.

One of the statements made to the writer the other day by one of the high officials of the S. S. Kresge Company following the opening of the immense new store in Plymouth, was most gratifying. It hit upon a point that has always been typical of Plymouth. He expressed pleasure over the fact that seemingly EVERY business man in Plymouth had called during the recent opening to extend to the company a cordial welcome to Plymouth business circles.

"It was somewhat unusual, but most gratifying indeed," he said.
"Such action upon the part of the business men of this city has over the many years of our history resulted in the high reputation that Plymouth enjoys throughout the state. Go anywhere you may and talk with any person who has ever been in any way associated with Plymouth as a resident or in business, and you will hear only the highest of praise for the city and its business men."

Give FULL CREDIT to the business men of this community for its remarkable growth and the good will that the city possesses throughout the state.

WE ARE GETTING WHAT WE ASKED FOR.

Never heard so much "wolfing" in years as we have over the newly passed tax bill that Harry Truman forced through his Democratic controlled Congress. It seems that every person we meet up and down the street is "yelling his head off" about it.

Our stock answer is that the majority of citizens who voted in the last election, asked for it, now let's take it and like it.

Coupled with the new tax boost and all the graft and stealing that is taking place in connection with various governmental projects, we will be in a fine mess in another couple of years. May the Good Lord be kindly with the next President who takes control of the government and tries to straighten out the mess into which the nation's most notorious political faker has plunged these good old United States of ours.

A REAL SERVICE TO THE NATION.

Although Harry Truman says he doesn't like it, the congress recently passed an amendment to one of its appropriation bills which does away with the secrecy that has made possible so much grafting and stealing in connection with welfare work in the various states.

Federal funds can no longer be withheld from the various states that insist upon the welfare rolls being open to public inspection. The action comes as a result of the determination of the state of Indiana to bring to an end the chiseling of tax dollars by "welfare clients" who found it no problem at all to live in each and luxury from tax dollars doled out in various welfare forms.

The Indiana state legislature some months ago passed a bill which opened to the public the list of names on the various welfare rolls. As a result of this action, the state saved millions of tax dollars, but was cut off from federal welfare aid. It seems that the Truman mob of politicians in Washington doesn't want the taxpayers to know how and where their tax dollars are spent.

But Congress, with its ear to the ground, decided that maybe the state of Indiana was right, and that is why every state now will have the right to open its list of "welfare clients" to the public so that the public may know the facts. It is one piece of good legislation that can be chalked up to the credit of the present congress.

NO "DIVVY" FOR THE PORK CHOPPERS.

We commend the good judgment of the employees of the Burroughs Adding Machine Company for the intelligence they used recently in the election forced upon the workers by a bunch of "pork choppers" who were anxious to get their dirty fingers into the pay envelopes of the employees of the Burroughs company. By an overwhelming vote, the workers decided they had not the slightest desire to truckle with the boss goons who live in luxury and toil not for the steady flow of dollars that fills their pockets. As the result of the vote there will be no "cut" taken out of the wages of Burroughs workers for the "pork choppers."

Thousands Extend Warm Welcome to Kresge Store

Company Officials Both Amazed and Delighted Over Successful Opening

Plymouth business men, residents and nearby neighbors of this fast growing city, last Friday and Saturday turned out by the thousands to extend to officials and employees of the beautiful new S. S. Kresge company store in Plymouth such a cordial welcome as only Plymouth can extend.

Within minutes after Mayor Floyd A. Tibbitts cut the ribbon which formally marked the opening of one of the most modern and complete stores of its kind in Michigan, customers overflowed the entire store. From that minute until the store closed Saturday afternoon, there was never an idle moment for the clerks and personnel of the company who were present to greet the residents of Plymouth and vicinity.

"Never did we expect anything like what this opening proved to be. The numbers of our visitors went far beyond all expectations," said M. W. Kirkpatrick, manager of the largest store of its kind in this part of Wayne county.

"All of our officials who were present were impressed by the fine type of people you have in Plymouth and vicinity. They were both cordial and courteous. We were especially pleased over the fact that seemingly every business man in Plymouth called to offer congratulations and good will. With such a fine spirit as displayed to us, there is no wonder that Plymouth is so highly regarded by everyone who knows anything about the community," he added.

"We certainly are pleased—and frankly it is difficult to find the right words to properly emphasize our appreciation. Just to say 'thank you' doesn't seem enough."
The new S. S. Kresge store in Plymouth is starting out with a payroll of nearly 150 people, nearly all of the clerks and workers about the store being residents of this city or vicinity. For

Dave Galin To Sponsor Party

Nancy L. Garber

In observance of his 24 years in business in Plymouth, Dave Galin, owner of D. Galin and Son appliance store at 849 Penniman is sponsoring a Coolerator Halloween party, Friday, October 26 from 1 p.m. to 5 p.m.

Nancy L. Garber, home economist, will be present to distribute gifts to the children. Miss Garber is capable of answering all questions anyone may have concerning freezers and frozen foods.
Cider and donuts will be served to all attending the party. Children must be accompanied by an adult.

Kiwans Host to Chatham Club

The Plymouth Kiwanis club played host to approximately 40 members of the Chatham, Ontario Kiwanis club Tuesday at an International Inter-club meeting at the Mayflower hotel.

The Canadian group arrived by bus in the afternoon and proceeded directly to the Detroit House of Correction where Warden Blake Gillies conducted them through the institution.
Clarence Moore was chairman in charge of the Inter-club committee, and Ray Bachelder was in charge of making all the arrangements.

Friends Shocked by Sudden Death of William Choffin

Plymouth residents were shocked when they learned that one of their most beloved citizens and businessmen, William Choffin, had passed away suddenly Tuesday, October 23, in his home at 584 Starkweather.

"Bill" as he was known to all his friends was found dead in his apartment over his store by a salesman for the Lakeside Biscuit company, who thought it peculiar that the store was not open for business at 9:30 in the morning. Mrs. Choffin had been called to Battle Creek by the illness of her mother and was away at the time of the local grocer's death.

Mr. Choffin was active in many community affairs and sporting events. He belonged to many fraternal organizations and was chosen as the Exalted Ruler of BPO Elks 1780 of Plymouth; he was a charter member of the Hi-12 club, and a member of Plymouth Rock Masonic lodge No. 47.

William Choffin was born October 9, 1905, in Battle Creek, Michigan, and came to Plymouth in 1928. In 1933 he opened Bill's Market on Starkweather where he has been located since.

He is survived by his widow Vivian; two brothers, Charles and Edward of Battle Creek; three sisters, Mrs. Jessie Hinman, Mrs. Elizabeth Britton and Mrs. Jane Daley all of Battle Creek, and his many friends in Plymouth.

Funeral services will be held Friday afternoon at 1 p.m. from the Schrader Funeral Home, under the auspices of the BPO Elks. Rev. Henry Walsh will officiate.

Are You Wearing A Red Feather?

Plymouth's biggest Community Chest fund-raising campaign in history swung into its second week today. On the basis of early returns, officials were optimistic about reaching the \$17,000 goal.

Workers are finding encouragement that Plymouth Business and Industrial contributions are coming in in a normal way, but state the residential response is lagging far behind. They ask you to please send in your contribution as soon as possible.

By November 8 workers hope to end the drive which will enable the 24 benefitting welfare and service agencies to continue their important work for another year.

No School Friday

The children of the Plymouth Schools will enjoy their first vacation of the year Friday for there will be no school that day as the teachers will journey to Detroit for the annual MEA District 1 meeting at the Masonic Temple.

THOROUGHNESS, even to checking on the mailing of the Community Chest solicitation envelopes, has been evident throughout the opening of the Chest Drive in Plymouth this year. Pictured above in the post office overseeing the actual mailing of the appeal envelopes this last week are, left to right, postal clerks, Don Herrick and George Wilson; mail supervisor Ernest Henry; and Chest chairman, Robert Stewart.

LOCAL MASONIC LEADERS start the first actual program plans for the celebration of the lodge's one hundredth birthday which will be observed here on January 15 of next year. General chairman of the anniversary party is Harry Mumby, seated above, who discusses the program with banquet toastmaster Edwin A. Schrader, right, and Dan Murray the oldest living past master of the lodge. High light of the event will be an official visit of Grand Master Guy C. Powell who will be featured at the birthday banquet.

America Faces Real Threat From Dictator Stalin Says Dave Nichol

David Nichol, son of Mrs. Walter Nichol of West Church street, and one of the best known among American newspaper correspondents who have been serving in the European field during the last eight or ten years, home on a brief visit with Mrs. Nichol, also a newspaper writer, is amazed at the changes that have taken place in America since his last visit to America six years ago.
The seemingly wealth of every individual, the hatred and distrust of the Washington administration, the luxuries that every one seems to be enjoying are among the conditions that have so surprised him.

A guest of his brother-in-law, David Mather, president of the Rotary club, at its meeting Friday in the Mayflower, the insistent demand of Rotarians resulted in a sudden change of the program and the entire time of the meeting was given over to an intensely interesting talk by the former Plymouth High school student who has gone places in the journalistic field.

It is not the Communistic doctrine that Stalin is trying to force upon America and the world, he said, it is Russian dictatorship and control, just as it is being forced upon a number of European countries that have fallen under the control of Stalin.
Stalin wants very much to control all of Europe, Mr. Nichol said

in answer to a question asked him at the meeting.
"We have found out that France bled white by two terrible defeats in war, hasn't the spirit, the will, the men or resources to lead the fight against Stalin. England's government is in no better position, so some are looking to western Germany. Their leaders know our plight and they are hard dealers as a result."

Club to Present Fur Style Show

Auditor General Talks to Women

Blundering by the Truman administration is directly responsible for the death and wounding of over 90,000 American boys in the Korean war, Auditor General John B. Martin, Jr., told members of the Plymouth Republican Women's club at a meeting Monday afternoon in the Veteran's Center.

Present at the meeting was Mrs. Ray Hooker, national committeeman from Michigan and Mrs. Margaret Norton, who is associated with the Republican national committee.

President Katherine Henderson presided and introduced the prominent speaker.

"This war, on which Congress was not consulted, need never have been fought," Mr. Martin declared. "But once having invited Communist aggression through a feeble and mistaken foreign policy, our country had no alternative but to do its best to meet force with force and to conclude the conflict successfully. The errors for which thousands of fathers and mothers throughout this nation must hold Truman and Acheson responsible were gross errors of judgment which led us to:

1. Strip our military forces to the bone.
2. Attempt to force a coalition between the Chinese Communists and the Nationalists that could only have ended with the destruction of the Nationalists.
3. Follow a policy of vacillation as respects our position in Korea and Formosa, and
4. Withdraw from Korea at a time we knew that the North Koreans with Russian support had a large and well prepared army on the Korean border ready to invade South Korea.

"If there ever was a case of weak-kneed indecision," Mr. Martin said, "this was it and we are paying for it now with the blood of 1500 killed and wounded men per week. It is to be hoped devoutly that the present 'cease-fire' negotiations may produce proposals which we can adopt with honor. We should realize, however, that the situation in Korea and at other danger spots throughout the world can never be fully resolved until we have reached a degree of strength where we can tell the Russians, who manipulate their puppets in Korea and Iran and in other trouble points, that we will not tolerate aggression by proxy any more than we would tolerate aggression by the Russian army itself. When we have reached that state, we will have the basis for a peaceful settlement of world problems. Until then" Mr. Martin concluded, "we must bend every effort to the building of unbeatable strength."

Members of the police force will protect the children from traffic.

Dixie cups and cookies will be served to the children after they have returned to the schools. They will be served by women's organizations and teachers.

Lights will be turned on the high school athletic field and the masqueraders will march around the judges' stand at 6:30 p.m. There will be nine prizes awarded to boys, and nine to girls. These awards will be based on originality, attractiveness, and weirdness of the costumes. Applicants will be given to all who attend.

At 7:25 p.m. a parade will organize at the field and march down town led by pack 3 cub scout drum and bugle corps under the direction of Sandra Sweeney. When the parade arrives in front of the Penn theater, prizes will be awarded to the 18 costume winners.

A street dance beginning at 8 p.m. and lasting until 11 p.m. will conclude the festivities. Free pop corn, donuts, cider and apples will be given to all who attend. The area will be policed by the fire department, Myron Beal and Passage-Gayde post of the American Legion and the V.F.W. in uniforms. This is under the direction of Fire Chief, Robert McAllister.

Civic groups participating are Rotary, Optimists, Lions, Kiwanians, Chamber of Commerce, American Legion, V. F. W., Rotary Annex, Business and Professional Women's club, Junior Chamber of Commerce, and the Woman's club.

P.H.S. Paper Wins All-State Honors

All-State honors were won for the third consecutive year by the Plymouth High school newspaper, "The Pilgrim Prints" when they topped all class "B" school papers at the journalism clinic sponsored by Michigan State College last week.

An estimated crowd of 3,000 high school writers and their advisors heard talks by outstanding Michigan journalists and educators. The all-day program included features, talks and panel discussions.

Five Plymouth students attended: Prints editor, Donalda Lewis; Prints business manager, Barbara Nelson; Jacqueline Lang maid; Annual editor, Beth Douglas and the Annual business manager, Alex Paskevich.

Miss Elizabeth McDonald is the advisor for both the newspaper and the annual.

Steel is Subject of Optimist Talk

The Plymouth Optimist club had as their guest speaker, Herbert Lewis, public relations representative of the Great Lakes Steel Corporation in Ecorse, at their Monday night meeting in the Mayflower hotel.

Mr. Lewis reviewed the history of the Great Lakes Steel Corporation. Originally organized as the Michigan Steel Corporation in 1922, the officials took the initial step in a long range planning program which is in progress today. The first year 36,000 tons of steel were produced and at the end of the seventh year 300,000 tons were produced.
There is now under construction a blast furnace that will produce...

Window Painting Will Open City Halloween Party

Once more civic leaders have made a determined effort to eliminate vandalism by the young persons in the city during the Halloween period. A detailed program has been worked out under the general supervision of Herb Woolweaver with the cooperation of various civic groups.

High school students under the direction of Mrs. Frances Overton will paint 250 store windows between 8:30 and 3:30 p.m., October 30. The windows will be judged between 3:30 p.m. and 6 p.m. Judges will be R. O. Wesley, Mrs. Dora Hondorp and Mrs. Marjorie Becker. On Wednesday, the art classes will have parties during the class periods.

Wednesday, October 31, at 12:30 p.m. the drum and bugle corps and the Elks cub scout band will gather at Starkweather school. One half of the high school band will meet at Smith school, and the other half at Bird school. Parades will start from these schools at 12:45 p.m.

Children from Starkweather school will march down Spring to Starkweather, turn right onto Division, go down Division to Mill, turn right on Mill to Castor, left on Castor to Holbrook, and left on Holbrook back to the school.

Smith school paraders will march school Simpson to Main, down Main to Sutherland, up Sutherland to Harvey and back down Simmons to the school.

After leaving Bird school, the students will go down Sheridan avenue to Lincoln, down Lincoln to Ann Arbor trail and up Ann Arbor trail to the school.

Members of the police force will protect the children from traffic.

Dixie cups and cookies will be served to the children after they have returned to the schools. They will be served by women's organizations and teachers.

Lights will be turned on the high school athletic field and the masqueraders will march around the judges' stand at 6:30 p.m. There will be nine prizes awarded to boys, and nine to girls. These awards will be based on originality, attractiveness, and weirdness of the costumes. Applicants will be given to all who attend.

At 7:25 p.m. a parade will organize at the field and march down town led by pack 3 cub scout drum and bugle corps under the direction of Sandra Sweeney. When the parade arrives in front of the Penn theater, prizes will be awarded to the 18 costume winners.

A street dance beginning at 8 p.m. and lasting until 11 p.m. will conclude the festivities. Free pop corn, donuts, cider and apples will be given to all who attend. The area will be policed by the fire department, Myron Beal and Passage-Gayde post of the American Legion and the V.F.W. in uniforms. This is under the direction of Fire Chief, Robert McAllister.

Civic groups participating are Rotary, Optimists, Lions, Kiwanians, Chamber of Commerce, American Legion, V. F. W., Rotary Annex, Business and Professional Women's club, Junior Chamber of Commerce, and the Woman's club.

Plymouth House to Open Friday

Plymouth House, a gift shop carrying "gifts of distinction" and "greeting cards of character" will open Friday, October 26, at 9 a.m. The shop is located on West Ann Arbor trail. Free gifts will be given to all adults during the opening day.

Mr. and Mrs. John Melczek, owners, have 26 years of experience in the gift store business. Formerly they had two stores, one in Dearborn and one in Detroit.

The shop will carry china, glassware, chromeware, silver, ceramics, costume jewelry, shaver pens, small electric appliances, and greeting cards. Hand-made lace china dolls of the Heirloom and Willard lines of California may also be seen in the store. Italian, German, English, and Japanese imports complete the list of stock.

The modern interior has open display cases, peg board and papered walls, and glass display cases for the more fragile items.
Mr. and Mrs. Melczek own the entire block of three stores of which this is the one in the center.

(Continued on Page 3)

Symphony-Review

The opening concert of the sixth season for the Plymouth Symphony Orchestra was exciting to many of the members of the Symphony Society and the orchestra personnel due to a new musical director in the person of Wayne Dunlap.

He chose a varied program for his first formal appearance in Plymouth. It began with a Suite from the "Water Music" of Handel as arranged for modern orchestra by Sir Hamilton Harty, which was followed by Schumann's Concerto in A Minor for piano and orchestra and featured John Sweeney, III, as the soloist. The third number was Divertimento from "The Fairy Kiss" by Stravinsky, and as a finale an Overture-Fantasia "Romeo and Juliet" by Tchaikovsky.

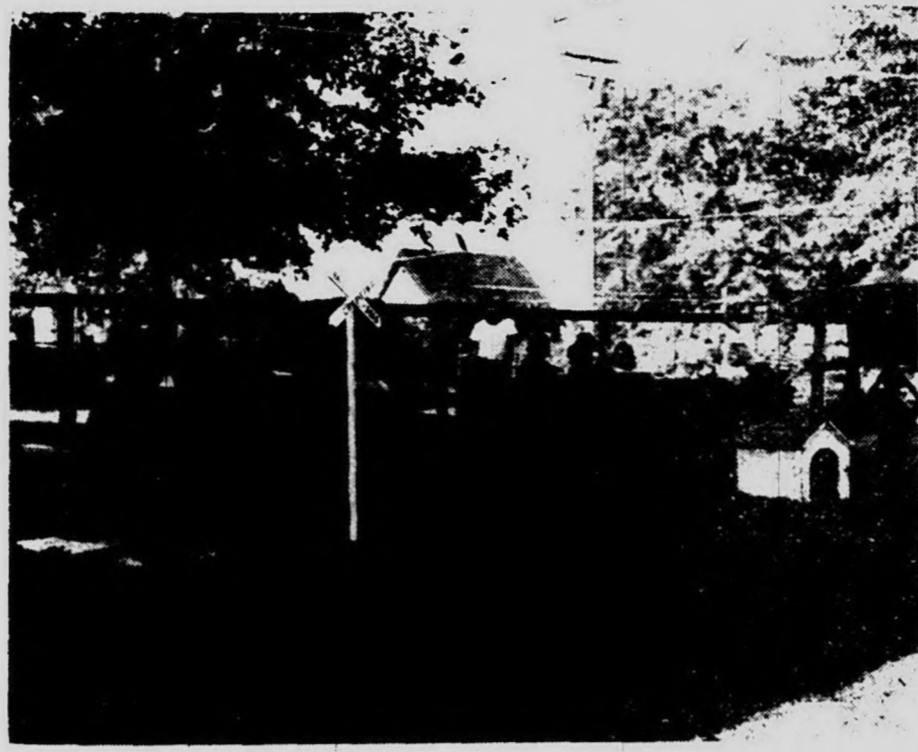

The program notes by Josef Lazaroff, concertmaster of the Plymouth orchestra, were most adequate in descriptive quality of the above mentioned compositions, but the manner of their presentation is another story. One sensed at once a mature approach with Mr. Dunlap on the podium. He possesses a serious nature and a methodical resoluteness, and a definite sureness in his role as director. With the hurdles of his first Plymouth concert behind him, he may well look forward to an interesting season, as also

may the members of the orchestra.

The antiphonal quality of Handel's "Water Music" was of pulsating rhythm and its gentle modulations of tone a direct contrast to the balance of the program.

John Sweeney, III, concert pianist, and official staff pianist of the Detroit Symphony Orchestra, appeared as the first soloist for the season of the Plymouth Orchestra. His interpretation of the Schumann Concerto in A Minor, Opus 54, was well performed and left nothing to be desired. This concerto is a favorite of many pianists but has always appeared to the writer as a form of composition which would "grow" on a person after many hearings. Mr. Sweeney's presentation was glowingly brilliant, to say the least. His mannerisms on the platform portray a young man sincerely interested in giving of his best talents.

During the intermission, Dr. Henry J. Walsh spoke extemporaneously on Music, declaring that the orchestra had grown up and he gave a most descriptive explanation of Tchaikovsky's "Romeo and Juliet" more perhaps for the younger generation who probably are acquainted with the popular current song "borrowed" from the classic. The Advisory Board is indeed fortunate in possessing Dr. Walsh as its vice-president.

NEIGHBORHOOD CHILDREN shown enjoying a ride in the train in Lee Gaeke's back yard at 292 Pacific. Mr. Gaeke reconditioned and assembled the train from scrap. The engine weighs 1350 pounds and develops 5 horsepower and runs on 110 yards of track laid around the Gaeke yard. In the background is the little water tower which provides the water for the boiler during the summer months when it is in operation.

If the orchestra had grown up, it certainly was given no teaching ring, and the Stravinsky composition was really a work to set one's teeth into... and perhaps wisdom teeth. Many listeners and performers do not like the modern type of music. Stravinsky has been termed a complex personality, and to many, his music is just as complex. The composition presents a challenge to an orchestra, and the members who herebefore turned out for an evening's recreation with their hobby as amateur musicians, suddenly were confronted with manuscript quite foreign to them.

It was interesting to note, however, that the majority of students admit a fondness for Stravinsky's music. Fortunately, Mr. Lazaroff's program notes gave an inkling of what the composer was attempting to express. The orchestra appeared to become lost at one time. Redeeming features were the waltz interlude and display of solo passages of various instruments, particularly that of the flute as played by Nelson Hauenstein. In this piece the orchestra leaned heavily upon its principal players. Some folks wondered if this number was placed on the program to test the mettle of the musicians, and others thought it an unfortunate inclusion on an opening concert.

If any doubt appeared as to the orchestra's abilities by the foregoing, they were dispelled completely by the time Tchaikovsky's Romeo and Juliet appeared. This music was presented with all the captivating charm this classic commands and was a fitting finale for the concert. It seemed to the listener that in this number, the orchestra gave of all its talent generously to make up for any deficiencies in the preceding one.

The usual symphony tea was presented at the Veterans' Memorial Center. Here the director, soloist and orchestra personnel had an opportunity to meet and chat with the listeners. Many of the board members were present

including the Society's president, Mrs. Lila Humphries, who extended a gracious welcome to the guests.

The chairman for the first tea of the season were Mr. and Mrs. Walter Begleiter.

BIRTHS

Mr. and Mrs. Daniel John King of Pontiac had a new son born Sunday, October 21 at St. Joseph hospital in Ann Arbor.

Mr. and Mrs. David Naim of East Ann Arbor had the parents of a daughter, Sue Ellen, born Monday, October 15 at St. Joseph hospital.

Mrs. Mayvin Schmidt and daughter, Karen Jane have returned from Mt. Carmel hospital to their home at 3557 Plymouth road. Karen Jane was born Thursday, October 11 and weighed 7 lbs. 11 oz.

Howard and Mary Beach of 654 Auburn avenue proudly announce the birth of Paul Douglas, born October 14 at the home hospital in Northville.

Mr. and Mrs. Harry C. Burleson wish to announce the birth of a son, Harry Arthur, weight 6 lbs. 4 oz. He was born October 13 at Mt. Carmel hospital.

Mr. and Mrs. Donald Johnson of Gold Arbor road announce the birth of a daughter, Kay Ann, born at Mt. Carmel hospital, October 14, weight 5 lbs. 6 oz. Mrs. Johnson was Clara Christianson, of Northville.

Mr. and Mrs. George Wilson of 15600 Beck road announce the birth of a daughter, Leone Lynn, born Monday, October 22 at the Garden City hospital. Mrs. Wilson was the former Aveline Pence.

Starkweather Mothers' Club Meets Next Week

The Starkweather Mothers' Club will meet next Thursday, November 1, at 1:30 p.m. in the school gymnasium.

An interesting program is assured as Rev. Edgar Hoenecke has been secured to show some colored films.

Music will be furnished by the high school and Miss Roberts room will be on the program.

Following the program a tea will be served by the chairman, Mrs. Clarence Duty assisted by Mrs. Augenbush and Mrs. Thomas.

Miss Louise Spence and Mrs. J. R. Witwer attended the International Girl Scout Conference at Boston last week.

Redford Union Wins League Title

The curtain has rolled down on another 6-B Suburban league season and this year finds Redford Union the kingpin of this 6 team league. The Panthers went through league play undefeated and Belleville was the only team able to score on the new champs, the Tigers scored 12 points against Redford Union and nearly won the game. The tight defense the Panthers had in each game carried them to the championship.

Trenton came in second with Allen Park third and Plymouth fourth. Belleville was fifth and Bentley was destined for the cellar spot when they didn't win a game.

The six teams were more evenly matched this year than they have been for years. None of the game were large scoring affairs.

In games around this area last week we found Wayne bowling over Berkley by a score of 19 to 0, Walled Lake won over Milford 33 to 19, Milan beat Ypsi Roosevelt 12 to 0, Trenton outscored Bentley 19 to 12, Allen Park edged Belleville 12 to 0, and Northville beat Inkster 18 to 13.

Final League Standings

	W	L
Redford Union	5	0
Trenton	4	1
Allen Park	3	2
Plymouth	2	3
Belleville	1	4
Bentley	0	5

Book Club Entertained at Home of Mrs. Kimbrough

Mrs. Richard Kimbrough entertained the Library Book club at her home on 607 S. Main street Tuesday.

Mrs. Julie Cook, of Wayne, reviewed the book, "Miss Ramskill Comes Home" by Barbara Bower.

Mr. and Mrs. Elmer Smith of Northville were Sunday dinner guests of Dr. and Mrs. A. E. Van Ornum. The Smiths are leaving this week to spend the winter at Ft. Lauderdale, Florida.

NOTICE

Notice is hereby given that on September 30, 1951 Graham's Ladies Apparel, a Michigan corporation, was dissolved by reason of the expiration of its corporate term. All creditors are hereby notified to present any claims to Ralph Rostow at 846 West Ann Arbor Trail, Plymouth, Michigan, on or before November 2, 1951. Sept. 25, Nov. 1-8, 1951

PLYMOUTH'S TWO NEW commissioners are given the oath of office by city manager Albert Glassford. Being sworn into the now seven-man commission are center, Frank Arlen, and right, Russel M. Daane. Both take office November 1st.

58th Installation Held by Order

Two baskets of white mums and daisies with white candles in candleabra in the east and bowls of carnations in appropriate colors for the various star point stations decorated the Chapter room of the Order of the Eastern Star, Tuesday, October 16, for the 58th Installation ceremonies of Plymouth chapter.

The inviting Marshalls P. M. Alice Rathbun and P.M. Kathleen Micol escorted Jr. P. M. Leilia Huebler and Jr. P. P. Charles Huebler to the east to serve as presiding Matron and Patron.

The officers formed two escort crosses for the entrance of the Worthy Matron, Mildred Smith and Worthy Patron, Manley Smith who was welcomed by Charles Huebler, P.P.

Flora Rathbun, P. M. was Installing Officer, Ann McGeorge, P. M. Installing Chaplin, Installing Organist, Lillian Hartmann, P. M. and Ethel Battye, A. M. of United Craft Chapter Installing soloist. Installing Marshall, Erma Hughes, P. M. escorted the officers elect in to the Chapter room.

Flags were presented salutations given, and address of welcome was given by Leilia Huebler, P. M. Rev. M. I. Johnson of the First Methodist church gave the Invocation.

Officers presented for Installation were: Lucille Smith, Worthy Matron; Loren Goodale, Worthy Patron; Gertrude Thorpe, Associate Matron; William Smith, Associate Patron; Clara Taylor, Treasurer; Caroline Goodale, Conductress; Ann Durie, Associate Conductress; Clara Mumby, Chaplin; Gladys Calgan, Marshall; Edith Blake; Adah, Ann Dahlen; Ruth, Hazel Grimm; Martha, Elsa Gerst; Electa, Kathryn Wickens; Warder, Bessie Evans; and Sentinel, Robert Durie.

Auxiliary Officers Installed included: American Flag Bearer, Violet Willard; Christian Flag Bearer, Maude Peterson; O. E. S. Flag Bearer, Ruth Schumacher; Assisting Marshall, Alice Alsbro; Drill Leader, Mary Kershaw, The Bible Degree team included: Adah, Ellen Mynatt; Ruth, Doris

Leitz; Esther, Marion Failing, Martha, Helen Ingram; Electa, Shirley Berry.

Due to the absence of Clara Todd and Erma Hughes P. M. taking part in the installing ceremonies they will be installed as secretary and Esther respectively at another meeting.

Lillian Hartmann P. M. and Dunbar Davis P. P. presented the Past Matron's and Past Patron's Jewell to Mildred and Manly Smith.

A gravel hewn from a snow apple tree by Ray Grimm was presented to the Worthy Matron, Lucille Smith by her husband.

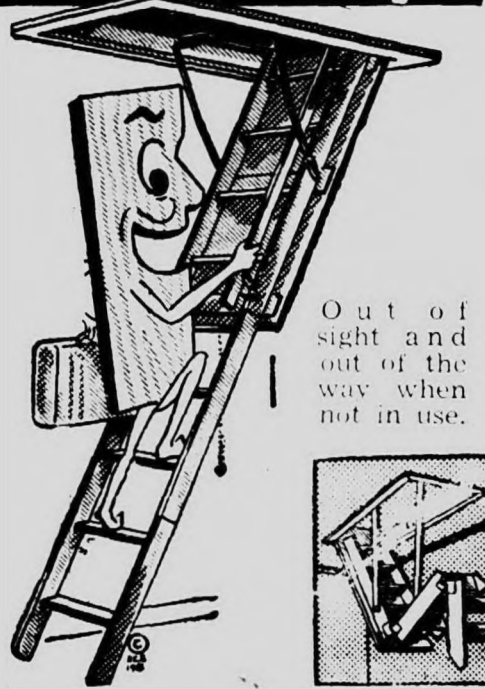

Mytie Brown, Julia Inis, Pearl Lunquist and Evelyn Brocklehurst all past matrons presented each line officers with arm bouquets of roses a gift of the chapter. A facial ceremony to the Star Points was given by P. M. Mytie Brown president of the Past Matrons club.

A circle formed by the Past Matrons club invited Jr. Past Matron Mildred Smith to join them.

Benediction by Rev. Johnson and the retiring of flags closed the meeting.

Disappearing Attic Stairway

don't let your ATTIC SPACE go to Waste

Out of sight and out of the way when not in use.

Easily and quickly installed, makes wasted space accessible for extra bedroom, storage, etc. Goes in halls, closets, any room.

MEMORIUM

In loving memory of Mrs. Charles (Amy A.) Millard who left this world October 29th, 1916.

Not just for today but every day. Insistence I remember. For your memory to me is a keepsake. Which no one can steal from me.

You are where I cannot see you. And your voice I can not hear. Yet daily you walk beside me. Never absent—Always near.

While God has you in his keeping. I still have you in my heart. And as long as life and memory lasts. I will remember thee.

Some day, some time, my eyes shall see. The face I keep in memory. And God will link the broken chain. Still closer when we meet again.

Your loving daughter
 Mamie C. Kingsley

Card of Thanks 27

WE wish to extend our most sincere thanks to everyone for their many acts of kindness to us during our recent sadness. The many cards, gifts and flowers were most appreciated and we are especially indebted to Dr. Henry Walsh, the Masonic Lodge and Edwin Schrader. Please know that we are deeply grateful. Mrs. Herbert Swanson and family. 27-1tp

THE family of the late Mrs. Ella M. Knapp wish to thank relatives, friends and neighbors for their kindness during our recent bereavement caused by our mother's death. Our special thanks to Rev. Henry Walsh, the Rebekah's and Mr. Edwin Schrader. Mrs. Alma Milliman and Mrs. Jack Sidler. 27-1tp

In Memoriam 28

IN loving memory of our dear father Frank Waenschütz who passed away three years ago, October 31, 1948. When the evening shadows have fallen. And we are all alone. In our hearts there comes a longing. If you only could come home. We think of you so often. And our hearts are sad with pain. Oh this earth would be a heaven. Could we hear your voice again. Sadly missed by his children. 28-1tp

Senior Class Will Pick Up Old Papers Tomorrow

The Senior class of Plymouth High school will conduct a paper drive all day tomorrow. Trucks will begin canvassing the city at 9 a.m. and continue until 4 p.m. Iva Lou Karhl, chairman of the drive, says householders should have all newspapers, magazines and card paper in a handy place on the front porch or steps so they can be easily seen by the collectors. They can be tied in bundles or otherwise. The funds derived from this drive go into the class treasury to help defray expenses of class activities. If you have a social item or any other local news, phone 1600. Read the classified pages.

Auxiliary Gives Party

Members of the Passage-Gayde unit of the American Legion auxiliary went to Percy Jones hospital at Battle Creek, October 16, to sponsor a ward party. Rehabilitation chairman Mildred Hower was assisted by Helen Poczik, Alicia Estep, Dorothy Knapp and Maxine Kunz. Bingo was played by the patients. Cigarettes and gifts were passed to all. Ice cream and homemade cookies were the refreshments. These parties are made possible by the purchase of poppies on Poppy Day, made by the veterans at Percy Jones. Hostess of the Passage-Gayde Auxiliary social October 25 will be Mrs. Elton Knapp. Plan to come. Guests are always welcome. The annual 17th district membership luncheon of the American Legion Auxiliary will be Oct. 27 in Holly, Michigan. The school of instruction will begin at 10:00 a.m. preceding the luncheon. Anyone desiring information or reservations should call Plymouth 389-R, Mrs. Elton Knapp, membership chairman.

Charter Member of Lodge Dies

Funeral services were held Saturday, October 20 at 3:30 p.m. from the Schrader Funeral home for Mrs. Ella Mae Knapp who passed away suddenly at her home, 176 South Harvey street on Thursday, October 18 at the age of 73 years. Mr. and Mrs. Knapp celebrated their 50th wedding anniversary in August, 1948.

Surviving are her daughter, Mrs. Helen Hanigan of Chicago, Illinois; three sons, Milton of Rosedale Gardens, Livonia; Elton and Sanford, both of Plymouth; her sister, Mrs. Mary Sackett and her brother, Clyde Truesdell, both of Plymouth; also surviving are four grandchildren, other relatives and many friends. Her husband, George C. Knapp preceded her in death on July 2, 1950, and her daughter, Mrs. Evelyn Burley preceded her on January 2, 1940.

Mrs. Knapp was a life time resident of Plymouth. She was the only surviving charter member of the Plymouth Rebekah Lodge 182 in which she was very active until recent years when her health would not permit. Mrs. Knapp was also a member of the Lady Maccabees.

Services were under the auspices of the Plymouth Rebekah Lodge 182. Rev. Henry J. Walsh, D. D. officiated. Hymns were rendered on the organ by Mrs. Edna O'Connor. The active pallbearers were John McClain, Roy Fisher, Burton Giles, Robert Todd, Harry Hunter and Fred Wagenschutz. Interment was made in Riverside cemetery.

Accident Causes \$200 Property Damage

An accident on the corner of Farmer and Amelia, October 23, caused \$200 property damage, police reports state. According to the report, the accident occurred when Fred R. Kaye, of 18400 Fairfield, Detroit, going north on Amelia stopped at the intersection, looked and did not see anyone coming. He then started up and his car was hit in the side by Gordon Pomeroy, 5633 Florida, Garden City, who was advancing east on Farmer, the report continues. There were no injuries reported.

Mr. and Mrs. Eugene Ferrari of Ford road, visited her mother, Mrs. Mary E. Brydges of Grant, Michigan last Sunday. Mrs. Brydges is in Hackley hospital Muskegon, suffering with a broken hip bone which was caused by a fall in her home early in October.

Grange Gleanings

Pot luck supper next Thursday evening, November 1, at 6:30 p.m. We are to have Mr. Elliott's pictures at that time. Also a speaker. So come and see.

The meeting of October 18 was fairly well attended. Four new members were received into the Order. A short program followed.

We are happy to report that Amy Northrup is improving in health. She is at her daughter's home in Salem.

Mr. and Mrs. Ernest Vealey were Sunday callers at the home of Mr. Vealey's sister, Mrs. Tom Bradburn of Belleville.

Ralph McDowell Dies in Arizona

Ralph J. McDowell, a resident of Rosedale Gardens, for the past 14 years, passed away in Phoenix, Arizona, on October 16, after a long illness.

Mr. McDowell, who resided on Cranston road for a number of years with his family, had moved to a new home on Auburndale, where he had resided until he and Mrs. McDowell went West for his health.

An executive of the Socony-Vacuum Oil Company, where he had been employed since graduation from the University of Michigan, Mr. McDowell had been on a leave of absence for the past two years.

Mr. McDowell was a member of Fraternity Lodge 262 F. & A. M. of Ann Arbor, and of the Mississippi Valley and Co-ordinate Bodies of East St. Louis, Illinois.

Surviving are his wife, Marguerite, sons, James of Plymouth and Ralph, Jr., now stationed at Luke Air Field in Phoenix, a sister, Mrs. Nina Layne, of Long Beach, California, and a brother, James of California.

Services were held Saturday, October 20 at 1 p.m. from the Schrader Funeral home with Rev. Henry J. Walsh, D.D. officiating, and under the auspices of Fraternity Lodge 262 F. & A. M. of Ann Arbor. Hymns were rendered on the organ by Mrs. Edna O'Connor. The active pallbearers were A. J. Van Wagner, Fred Sevin, R. E. Lee, Roland Pollock, Jack McCollough and Art Nelson. Interment was made in Acacia Park cemetery.

Elizabeth Cook Interred Here

Funeral services were held Wednesday, October 24 from the Schrader Funeral home at 1 p.m. for Mrs. Elizabeth Ann Welch Cook who passed away Sunday, October 21 after a long illness. She was 56 years of age. Mrs. Cook resided at 229 Pearl street. She has been a resident of Plymouth for the past 15 years and was a member of Jehovah Witnesses of Plymouth.

Surviving are her two daughters, Mrs. Pearl Metzger of Detroit and Mrs. Naomi Beckenbary of Plymouth; two sons, Ray and Rottin, both of Walled Lake, Michigan; her sister, Mrs. Mary Kalmback of Grand Rapids; other relatives and a host of friends. She was preceded in death by her husband, John Welch and her two daughters, Mrs. Mildred Rowland and Mrs. Myrtle Lusche, and her son, Eric Welch.

Mr. Alvin Willaker of Plymouth officiated. Hymns were rendered on the organ by Mrs. James Honey. Mrs. Cook's grandsons acted as pallbearers. Interment was made in Riverside cemetery.

Set. Edward R. Hill, son of Mr. and Mrs. Carlton James Hill, 11259 Larch street, Plymouth, has been awarded the Bronze Star Medal with letter "V" device for heroism in action last Independence Day while a member of the 7th Infantry Regiment's Company B.

Services Held For F. W. Mathers

Funeral services will be held today, Thursday, October 25 at 1 p.m. from the Schrader Funeral home for Frederick W. Mathers, 24, who passed away Monday evening, October 22. Mr. Mathers resided at 15726 Mendota, Detroit where he has lived for 25 years, but for the past three months he has been staying at the home of his step-son, Walter Wisnart at 11440 Berwick, Rosedale Gardens, Livonia.

Surviving are his widow, Mrs. Anna E. Mathers; two daughters, Mrs. Ida Kelsey of Toronto, Canada; his son, James Mathers of Foughkeepsie, N. Y.; his step-son, Walter Wisnart of Rosedale Gardens; eight grandchildren, other relatives and a host of friends.

Rev. J. Woodrow Woolley of Livonia will officiate. Hymns will be rendered on the organ by Mrs. Edna O'Connor. Interment will be in Riverside cemetery.

Miss Mabel Spicer was a dinner guest of the Thomas Batemans last Thursday evening.

Thousands Extend Warm Welcome to Kresge Store

(Continued from Page 1)

nearly two weeks previous to the opening, classes in salesmanship and a study of merchandise were conducted by experienced instructors of the Kresge organization. That is why the clerks were able to so efficiently take care of the steady streams of customers at every counter in the big store.

Business Women Hear of Russia

The Business and Professional Women's club of Plymouth met last Monday evening in the Pilgrim room of the Mayflower hotel for their regular monthly meeting.

The guest speaker, Fred VanDyke, gave a very interesting and enlightening talk on Russia. He told of life in Russia, the characteristics of the Russian people, and related some personal experiences he had with them during his stay over there before visitors were banned from entering Russia.

The Chamber of Commerce has asked the club to purchase the ribbons to be awarded as prizes for the best decorated windows for Halloween, and to place ribbons in the windows after the judges have made their decisions.

The International meeting of the Business and Professional Women's clubs is being held November 17 and 18 in Chatham, Ontario. All who are interested in attending should make reservations at once with Miss Elma Drake, 78 La Croix street, Chatham, Ontario, or phone 298.

Timely Topics

We have just received a new shipment of Elgin watches from the factory and invite you to come in and see these beautiful models. Prices start at \$3.75. We shall be glad to answer any questions you may have and, should you desire, you can use our lay-away plan for Christmas. Divided payments make buying easy.

Mayflower Hotel

ads were used in some of the nearby newspapers. Not only did the S. S. Kresge store enjoy a much larger business than its officials had anticipated, but seemingly every store in the city profited by the visit of so many thousands of shoppers within the community. Both Friday and Saturday were unusually busy days in all of the local stores.

Among the high officials of the Kresge organization who were Plymouth visitors for the opening, several of them among the business leaders of Detroit, were D. C. Fisher, president of the Kresge organization; C. E. Holzworth, vice president; F. P. Williams, vice president; C. B. Van Dusen, former Kresge president and a past president of the Detroit Rotary club, one of the largest in America; Thomas Morgan, district manager for Michigan, Indiana and Kentucky, for 40 years a member of the Kresge organization; W. E. Sturgis, buyer in special jewelry and diamonds for the company and a member of the force for over 26 years, and Thomas Murphy, head of the Kresge construction department.

Steel is Subject of Optimist Talk

(Continued from Page 1)
duce 500,000 tons of steel a year. This addition will mean a total output of 3,600,000 tons of steel a year.

The Great Lakes Steel emergency of today 36,000,000 tons of scrap material is needed. Every industrial user is being urged to sort out all available scrap material to convert into steel.

The United States produces 96,600,000 tons of steel a year which represents one-half of the world production. At the end of 1952 the production will be 118,000,000 tons a year. The steel companies have doubled their investments since V-J day.

An inter-city meeting with the Northville Optimist club is being planned for the evening of November 14 at Northville.

Plans are underway for Optimist Week which comes this year during the week of November 11 to 17.

Story Time Continues

Story time will continue at the Plymouth branch of the Wayne county library every Tuesday at 4 p.m., stated Mrs. Agnes Pauline, who conducts the story time. The current series lasts until Christmas. The spring series begins after the first of the year.

Mr. and Mrs. Fred Thomas of Blunk avenue were hosts on Saturday evening at a dinner party honoring Miss Mabel Spicer.

Students Attend Flag Assembly

A flag assembly was held at Bird school, Friday, October 19. The assembly was given that the children might have a real understanding of the reverence due their flag, its care, the lessons of citizenship and history it teaches. The teaching staff is to be commended for the fine work and preparation involved and demonstrated by the attitude of the children as they marched into the auditorium to the beat of a drummer.

Each class elected a flag bearer who preceded the other members of his class. The assembly was given twice, once for the kindergarten, first, second, and third grade students, and later for the students in grades four through six. During the first assembly, the children sang "America" after the flags were in place. In the second assembly, "You're a Grand Old Flag" was sung.

Mrs. Ralph Taylor, flag chairman of the Sarah Ann Cochrane chapter of the Daughters of the American Revolution, told the children how it was possible to show good citizenship by proper respect to the flag. The Sarah Anne Cochrane chapter presented the flags to the classrooms.

R. O. Wesley spoke on the meaning of the flag. Superintendent Isbister also said a few words to the children.

Previous to the program, each child received a flag code to study.

Collect Clothes For Koreans

Warm clothes for the homeless in Korea are being collected at 1107 West Ann Arbor trail from now until October 27. All types of children's, women's and men's clothing are needed. Also needed are blankets, yarn, thread and needles. Women's shoes should be a sturdy walking shoe with a low heel. Used fat for making soap will be accepted.

From Plymouth, the clothing goes by truck to Napanee, Indiana to the Brethren Service center where it is resorted and packed again to be sent to Korea.

Contributions to defray the processing and shipping expense of eight cents per pound are appreciated.

For further information, call Mrs. W. B. Hunting, 1332-M.

America Faces Real Threat From Dictator Stalin Says Dave Nichol

(Continued from Page 1)

the Chicago News. Probably no other American correspondent has a better background of the European situation than does Mr. Nichol. He was stationed in Germany previous to the World War and remained in Berlin until Hitler chased all newspaper correspondents out of the country. Then during the early part of the war and for a period of considerably over two years he was stationed in Moscow. After the end of the war he spent a few months in America before being returned to Berlin, where he has been for the past six years.

He declared that the Germans under Russian domination in East Germany will be of greatest help in time of need. They know about Russia and what Russia will do if given the chance.

American radio broadcasts to Eastern Germany and other countries under control of Russia are most effective, he said. Russia is doing all within its power to check the influences of American propaganda broadcasts.

He believes that America's greatest blunder was when we fell into Stalin's trap and demobilized the world's strongest military force.

"If the people of this country ever come to a full realization of our international obligations, I am sure they will shoulder them with enthusiasm" he said.

Mr. and Mrs. Nichol expect to return to Germany within the next month. He is associated with

Visitors Tour Local Campus

Approximately 1,000 visitors toured the new residence hall of Madonna College at the Open House reception held Sunday, October 21. The cities of Livonia and Plymouth neighboring towns and townships had a large representation at the affair.

Visitors were deeply impressed by the beautiful campus grounds as well as by the attractiveness and simplicity of the dormitory rooms and halls. Many visited the campus for the first time. Others had not been aware of the fact that a senior college for women had been opened four years ago on the site.

A number of visitors expressed their surprise upon learning that the college is operated for lay women planning on various careers in life, not merely for those who intended to enter the religious community.

The publicity afforded the affair in the local and metropolitan press, in the parish churches and bulletins and in school papers—as well as the ideal Sunday afternoon weather—all helped to make the affair as great a success as it was.

Circle 3 of the Presbyterian church will meet in the church parlors at 8 p.m. Tuesday, October 30.

Local News

Mr. and Mrs. Howard Salley are visiting Mr. and Mrs. David Zink at Torch Lake this week.

Those from Plymouth attending the State Board meeting of the Children of the American Revolution held at the Detroit Yacht club last Saturday were: Robert Willoughby, Jr., State President; Mrs. R. D. Willoughby, State Chairman of Insignia and Ribbons; Janet Willoughby, Jr., State Chairman of Insignia and

Ribbons and Mrs. William Roberts, State Chairman of Grandmothers. Mrs. John Burkman, Carolyn Burkman and Conrad Burkman of Northville also attended.

Miss Mabel Spicer has sold her home at 369 Ann Arbor trail to Mr. and Mrs. Joe Archer of Ford road. Early in November Miss Spicer will leave to occupy the new home she has built on the estate of her brother-in-law and sister, Dr. and Mrs. H. W. Mason, a few miles from Indianapolis, Indiana.

Vicky Lynn Drews, daughter of Mr. and Mrs. Kahl Drews of Boston Post road celebrated her 5th birthday last Saturday by entertaining a few of her friends. Guests included: Barbara Lekar, Ben Tenniswood, Brent Eggleston, Richie Wilkins, Raymond Truesdell, Louise and Bobby Cameron, Leandra Vanzo and Christine and Duane Drews.

Mrs. John Furman of Tampa, Florida is visiting friends in Plymouth.

Be Road wise!

Road Test a Mercury for Proof of Performance!

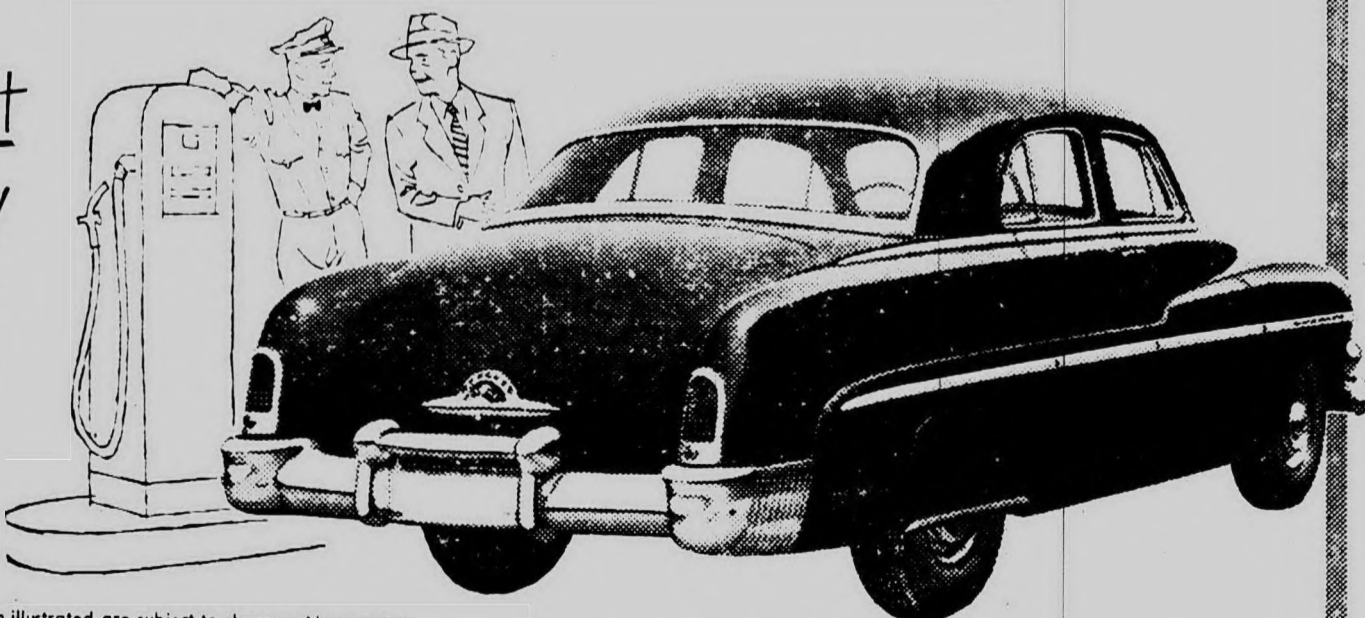

Take the wheel of a new Mercury and find out what an educated car can do! Ask it all the questions: how it likes hills, what its attitude is about the open road, how it handles stop-and-go. You'll be thrilled with Mercury's answers, for here's the smartest, most alert performer on the road. Top of its class in other subjects, too—like styling, safety, and comfort. Best of all, the famous V-8 "Hi-Power Compression" engine gets "A-plus" in Basic Economy. Why don't you graduate to Mercury? Make that two-way test today!

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan, Sunday evening, 8:00 to 9:00 P.M., Station WJBK-TV, Channel 2.

Be Dollar wise!

Budget Test a Mercury for Proof of Value!

Standard equipment, accessories, and trim illustrated are subject to change without notice.

2-WAY TEST PROVES **MERCURY** BEST—

FOR "THE DEAL OF YOUR LIFE!"

Does it have a down-to-earth first price? Mercury's price tag you can understand—a big dollar's worth for every dollar invested.

Will upkeep stay low? You save money year after year. Mercury's famous stamina keeps repair bills at a rock-bottom low.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to latest annual official registration figures.

Will trade-in value stay high? Mercurys continue to keep their value year after year; used car market reports consistently prove it.

Does it represent solid value? Mercury owners say YES! So will you when you get the story from your Mercury dealer. See him soon.

3-WAY CHOICE! For "the drive of your life" Mercury offers you a triple choice in dependable transmissions. Merc-O-Matic Drive, the new, simpler, smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

With Our Churches

Baptist Church Has Bible Night

Members and friends of the local First Baptist church are cooperating in bringing to the church all Bibles of interesting and novel nature for a "Bible Night" service planned for 7:30 o'clock, Sunday evening. Bibles in various languages and ages, Bibles brought to Michigan by early settlers and those surviving fires and the violence of the battle field will be on exhibit.

An appeal has been made to the membership and community for the use of any Bibles of unusual nature for this service by the pastor, the Rev. David L. Rieder. It has been requested that they be brought to the church before 7:30 p.m. Sunday evening.

During the service the church orchestra will play and additional instrumental and vocal selections will be presented. The pastor will climax the service with the message of the evening, "God Hath Spoken!"

NEWBURG METHODIST CHURCH, 9614 Newburg road, Phone 761-J. Robert D. Richards, pastor. Rev. Richards will preach on the topic—"The Gospel of the Three Gardens" at the 10:00 a.m. service of the Newburg Methodist church on Sunday. Sunday school will be at 11:00 a.m. with classes for every age.

SEVENTH DAY ADVENTIST CHURCH, 1058 S. Main St. Phone 670-R. Services every Saturday. Sabbath School, 9:30 a.m. Missionary Service, 10:45 a.m. Church Service, 11:00 a.m. We cordially invite you to all the services.

Missionarys to Speak in Rosedale Gardens

Rena Westra, R. N., Presbyterian missionary nurse who has been in China since 1936, will speak at the Rosedale Gardens Presbyterian church at 11 a.m. Sunday, October 28.

Miss Westra was in Canton when the Sino-Japanese war began. Bombing filled the Hackett Medical center to which she was attached. She remained in China throughout the war, moving ahead of the Japanese army.

McCormick Hospital in Thailand is Miss Westra's next stop. She will join the staff there sometime in November.

ST. PETER'S EVANGELICAL LUTHERAN CHURCH, 261 Spring St. Edgar Hoenecke, pastor. Sunday School 9:30 a.m. Early Service 9:30 a.m., Late Service 10:45. Come to church next Sunday, October 28. The Festival of the Protestant Reformation. Attend Early Service and let your children go to Sunday School at the same time. The world, America especially, owes much to the work of the Protestant Reformation. Come, and hear about the real meaning and importance of this world-changing event and epoch!

CHURCH OF CHRIST, 9451 S. Main street, Cameron Sinclair, preacher, of Ferndale. Sunday School, 10:00 a.m. Morning Worship, 11:00 a.m. Evening Service, 7 p.m. Mid-week Service, Thursday, 7:00 p.m.

OUR LADY OF GOOD COUNSEL CHURCH, Wm. P. Mooney, pastor. Masses 6-8-10-12. Confessions Saturdays 3:30 to 5, 7 to 9

Calvary Fellowship to View Sound Film

The sound motion picture "The Man Who Forgot God" will be shown Sunday night at the Calvary Baptist Youth Fellowship at 6 p.m.

The film produced by C. O. Baptista of Wheaton, Illinois, one of the pioneers in religious sound films.

All youth are invited to attend this service.

FIRST PRESBYTERIAN CHURCH, Reverend Henry J. Walsh, D.D. Minister. Morning Worship 11 a.m. Sermon by the minister. Church school at 9:20 a.m. with Parent's Day being observed in the church school period. All parents of the children are urged to attend this service with their children. Senior Hi Fellowship will meet at 6:30 p.m. in the church parlor. Junior Hi Fellowship will meet on Tuesday afternoon, following the close of school. Circle Three of the Women's Auxiliary will meet on Tuesday, October 30 at 8:00 p.m. Circle One will meet on Wednesday afternoon at 1:00 p.m. for their regular meeting in the parlor. The meeting of the Session for this month has been postponed to Monday night, November 5, at 7:00 p.m. in the parlor. The change of date is due to an important occasion. The Men's Brotherhood will meet on Thursday evening of next week, November 1, at 6:30 p.m. in the church dining room for their annual Football Dinner. The Reverend Roe Johnson, All American tackle for Navy during the years he played for that school, will be the speaker. Movies will be shown. Tickets must be purchased before Monday evening to guarantee the dinner. Call the church office, 1934, or secure your tickets there any week-day morning from 9 to 12. Call 138 after 6:00 p.m.

FIRST BAPTIST CHURCH North Mill at Spring. Rev. David L. Rieder, Pastor. 10:00 a.m. Sunday school. Wm. Foley, supt. Morning Services: 10:00 Sunday school. Classes for everyone. Come each Lord's day and learn more of Him. Your presence is needed to help carry on this great work. 11:00: Morning Worship Service. The pastor will be bringing a message entitled "A Bloody Monster." Evening Services: 6:30 to 7:30. Both the Junior and Senior groups of Baptist Youth Fellowship will be meeting at the church. All young people are invited to attend these fine groups as they seek to serve their Lord. 7:30: "Happy Evening Hour." Another great service of song, praise and inspirational message. This night is to be Bible Night. Bring your Bibles, especially any Bible you may have which has some special meaning to you, that may have some historical story behind it. Special numbers in songs, and our Young Peoples Orchestra will be playing too. The pastor's sermon will be: "God Hath Spoken." Wednesday 7:30 p.m. - "The Hour of Power." A time of Bible study and praise. The pastor is continuing the study of the Book of Romans. A real blessing awaits you at this service. Come! bring your Bibles and enjoy this time of fellowship with us. Saturday, October 27, 7:30 p.m. - The Fellowship Class will hold their class meeting at the home of Mr. and Mrs. Richard Kimbrough, 607 S. Main street. You are asked to bring sandwiches and your own table service.

THE PLYMOUTH CHURCH OF GOD, 11771 Newburg Road. The Church of the Christian Brotherhood Hour. Rev. P. M. McPherson, pastor. Phone 2086. Services Sunday: Morning Worship, 11:00 a.m. Sunday School classes for all ages at 11:00 a.m. Youth meetings, 6:45 p.m. Adult Prayer meeting, 7:00 p.m. Evening Evangelistic Service at 7:30 p.m. The Mid-week Prayer meeting, Wednesday, 7:30 p.m. Radio broadcast, Sunday at 3:30 p.m., from Station CFCO. 630 kilocycles.

You are invited to meet with us in worship and study.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. What is the state of man in the world to come is discussed in the Lesson-Sermon to be read in all Christian Science churches on Sunday, October 28, under the subject "Probation After Death." The Golden Text is from John (5:25): "The hour is come, and now is, when the dead shall hear the voice of the Son of God; and they that hear shall live." Among the Bible citations is this passage: (Jer. 17:10): "I the Lord search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "We cannot spend our days here in ignorance of the Science of Life, and expect to find beyond the grave a reward for this ignorance." (p. 409)

SALEM CONGREGATIONAL CHURCH, Lucia M. Stroh, minister, Mrs. Ralph Wilson, Supt. Morning worship 10:30, Sunday October 14. Reverend Ward Clark of Addison and one of our own young men will preach here in the absence of our Pastor, Rev. Stroh. Rev. Stroh has been called to Chicago this week to fill the pulpit for her cousin who is critically ill. Rev. Clark is bringing a special song leader with him. Scouts Will Hold Annual Meeting

Once again the Scouts, their ladies and all their adult friends are being paged for participation in another district event which means a lot to all of our district Cub Scouts and explorers and their many leaders as it marks another milestone of progressive Scouting along with Tomorrow's Men—your many sons.

This is the occasion of the Annual Meeting, which this year's committee has planned as a potluck affair to be held at the Belleville High school on the evening of Tuesday, November 13, with early arrivals scheduled for 6:30 and the festivities opening at 7:00 p.m. We are all working towards an extra special attendance record, as there are matters which all of our Scouting parents and many friends should be interested in to be brought before the assemblage. Reports from the standing committees will be made that you be better informed as to progress; personal recognitions relative to Scouting achievements and the plans that are in the making for the activation of programs for the coming year.

Mr. Ted Hooten, chairman of this event, has been successful in obtaining the services of Mr. Don Leonard, as Speaker of the evening. Mr. Leonard's position as a commissioner of the Michigan State Police, has placed him in a position of awareness of the needs of Youth, and his many works in the Scouting program place him in an admirable spot to make his talk to us one of high inspiration for our future works and cooperation as leaders and parents of our large Scouting family membership.

Complete details of this event are in the hands of your Unit leaders and we are certain that we will be seeing you at the family table on that night of nights. Be seeing you, friends.

Rebekah News

Plan on buying some good homemade fried cakes and baked goods at our bake sale on Saturday at the Plymouth Hardware, from 10 to 3 o'clock.

Hazel Roach attended the Michigan Rebekah Assembly on Tuesday, October 16.

This Friday is our regular lodge night at 8 o'clock.

The Degree Staff Pot Luck Luncheon is Thursday, November 1 in our Hall. Try and be there.

Watch for the date of our Bazaar and supper.

Plymouth Mail Want Ads will get you fast results.

Local News

Dr. Brooker New Assn. President

Dr. O. L. Brooker, who resides in Livonia and is well known to most Plymouth residents, is the new president of the Michigan Association of Osteopathic Physicians and Surgeons.

The Osteopathic Bulletin, official publication of the Association, has, in part, the following write-up of the new Association president:

Dr. Brooker has been an active leader in professional, civic and fraternal affairs for many years. Currently, he is serving his second term as president of the Livonia Chamber of Commerce. He is a past president of Livonia Rotary Club and president of the Osteopathic Vocational Guidance Group of Rotary International.

Born at Hinton, West Virginia, in 1907, Dr. Brooker is an alumnus of Kirksville College of Osteopathy and Surgery. He is a staff member of Art Centre, Ziegen and Detroit Osteopathic hospitals. He is a Consulting Internist for the Detroit House of Correction and served for a time as its acting medical director.

Dr. and Mrs. Brooker (Merri-man Lucile) have three daughters, Marilyn Jayne, 19, a student at Stephens college, Columbia, Mo., specializing in radio and television; Carolyn Mae, 14; and Gwendolyn Diane, 6.

Golf, bowling and music heard Dr. Brooker's recreational interests.

Dr. Brooker's parents live in retirement at Canton, Ohio. A brother, Floyd E. Brooker, Ph.D., of Washington, D. C. (expected at the 1951 Convention) is Director of Audio-Visual Education, United States Office of Education and a member of the United States Education Council on Education. Another brother, Dr. G. E. Brooker, an Osteopathic Physician at Canton, Ohio, is Director of the Brooker Clinic there. His sister teaches art at Canton.

Brotherhood to Hold Annual Football Dinner

On Thursday, November 1, the Mens' Brotherhood of the Presbyterian church will hold their annual Football Dinner. The speaker this year will be the Reverend Roe Johnson, minister of the Evergreen Presbyterian church of Detroit.

The Osteopathic Bulletin, official publication of the Association, has, in part, the following write-up of the new Association president:

AI P.E.O. Begins Fall Season

Chapter AI P.E.O. opened their Fall season with a pot luck dinner at the home of the president Mrs. Robert Nulty on October 5.

Chapter AI P.E.O. are sponsoring Girl Scout Troop No. 4 On October 8 the Chapter attended the Fly Up ceremony and presented the Troop with the American and Troop flags.

Chapter AI P.E.O. met at the home of Mrs. Paul Simmons on October 19 at 3 p.m. Co-hostesses were Mrs. Harold Curtis and Miss Mabel Boyers.

In attendance at the convention, in Philadelphia, were 1200 women from United States, Canada and Hawaii.

Endangered By Use of Rifles

Another near fatality took place in the vicinity of Plymouth a few days ago as the result of the fool order issued by the state conservation commission which permitted the use of rifles during the hunting season in this thickly populated part of the state.

While working in his yard near one of the tool sheds on his place a few days ago, Roderick Cassidy heard the whiz of a rifle bullet and then the crash of his tool shed, less than ten feet from where he was working.

"I looked to see where the hunter was located, but I could not see him any place. It was too narrow an escape for comfort," said Mr. Cassidy. Sheriff officers were called to investigate.

A few days previous while eating breakfast, a rain of shot fell on the roof of their home, but no damage resulted from this.

It appears that the danger from this new type hazard is about to be ended. The strong protests of farm groups in this part of the state forced the Governor to call a special session of the legislature to meet in Lansing Tuesday. Bills were introduced to terminate the use of rifles in hunting in thickly populated parts of the state.

Farm Bureau Meets

The October meeting of the Plymouth Farm Bureau was held at the home of Mr. and Mrs. Aug Schully. After a potluck dinner, the officers were elected. November meeting will be at the home of Mr. and Mrs. Robert Waldeck.

Several ladies of the Plymouth Farm Bureau attended the district meeting Friday, October 19, at St. Peter's Lutheran church, East Detroit. Macomb Farm bureau ladies were hostesses.

DAVIS & LENT

"Where Your Money's Well Spent"

Balogh Breaks Course Record in Cross-Country

John Balogh cracked the local course record to lead the Plymouth High runners to a slam over Redford Union last Friday afternoon at the Riverside Park course. The Rocks scored the lowest possible score as they swept the first five places to defeat the Panthers by a count of 15 to 47.

Young Balogh scampered over the two mile course in 11:10 minutes. The old mark was held jointly by Davis of Belleville and Wynn of Ypsilanti in 11:44—Wynn set it in 1948 and Davis duplicated it in 1949.

The previous Plymouth record was held by Calvin Becker in 1949 when he ran it in 11:22. Following Balogh across the finish line were Ed Grosjean in second place with a time of 11:47, Jim Blanton in third, Ferguson in fourth and Marvin Green in fifth place.

The league meet is being ran off today at Belleville at 2:30 p.m. Coach Moiso in comparing the season's performance says it will be a surprise if Plymouth finishes better than third in the league meet. They captured it last year. Balogh will be favored to cop the individual crown as he has had the best time this year in the league.

Junior High Drop Game to Trenton

The 7th and 8th grade team last their second game of the season last week, but displayed much improvement over their showing in the first game. They lost to the Trenton junior high by a score of 19 to 7.

Trenton surprised the young Rocks with two long passes in the first quarter to score touchdowns which enabled them to lead at the half 13 to 0. Their third score came on a 25 yard run around end.

Gerald Gyde scored Plymouth's lone marker when he galloped 50 yards to pay dirt in the third period.

Gleason Knupp intercepted a pass in the waning moments of the game and the Rocks pounded to the 20 yard line as the game ended.

The coaches say the Rocks are looking forward to winning their game today at Allen Park. The game begins at 4 p.m.

In Detroit, while washing windows in a skyscraper, Morel Bellfleur came upon a racoon on a sixth floor ledge.

Bowling Notice

Because of the increased number of bowling teams and leagues it will not be possible to print all the particulars concerning each league.

We will print the league standings and the results of games played, and any exceptional scores that are made each week.

We would like to print all the details but we would also like to confine the sports to one page, and because of the shortage of newsprint the only way we can do this is to limit the articles printed.

Wayne Here Tomorrow Night

Tomorrow night Plymouth High will play host to an old rival when Wayne's grid team invades the Rock's home field for the annual game between the two schools. This is the oldest unbroken rivalry for Plymouth as the two schools have met annually for the last 55 years. Since 1896 they have played each year without an interruption.

Wayne has moved up into class 'A' now, and are having a very good season. They have met and defeated such worthy foes as Bay City Handy, Berkley, River Rouge, and Ecorse, they have lost one game, and to another school that joined the higher class this year, and was also a member of our league last year—Ypsilanti beat them 13 to 6.

Last year these two schools played a very close game over at Wayne and the outcome was in doubt until the last minute when Wayne edged the Rocks 12 to 6.

Tomorrow night one can expect another keen battle between these ancient rivals with Wayne being conceded a slight edge because of their more impressive record this season.

Sports Glances

by "Professor" Edgar Brown

The league season is over with Redford Union copping the championship trophy. To me the Panthers didn't look like a championship football club. Trenton and Allen Park looked much better—but, the fact remains that they defeated both of those teams by scores of 8 to 0, and 6 to 0—how in the world they did it is beyond me. I believe they had the best defense in the league and that is what carried them to the title—Belleville was the only team able to score on them in league play.

The teams were more closely matched this year than they have been the past few years. A few backs who stood out this year above the average were Langston and Verducci of Allen Park; Lowe of Trenton was the outstanding player in the league since he could run, pass, tackle and was really a triple threat back; close behind him was our own Dave Travis, a back that gave everything he had all the time. Dave averaged more than 6 yards each time he carried the ball and that is quite an achievement in a league like this. Young of Redford Union might be added to this list. No doubt the all-league backfield will be made up with boys from the above list.

In the line Dubitsky of Belleville played well at end. Plymouth's Nyhus, Keeney and Daggett played well. Many other boys played very good games, and a few played exceptional games once or twice, but let up in others.

It was indeed with regret that I read an article in a Detroit paper saying that Ed Killoran had had an operation removing his right arm and shoulder.

Some of you may remember the congenial Killoran when he coached at Belleville three years ago.

I knew Ed when he was a football and basketball star at Central Michigan college of Education located at Mt. Pleasant. He has been coaching since at Grand Rapids Catholic, Belleville and the last few years at St. Joseph in Detroit. He and his family reside in Wayne.

Ed, myself and your many friends around this area, wish you a speedy recovery and know that you will be back into the field you love so much—that of coaching high school teams and guiding the young boys who thought so much of you.

Plymouth Mail Want Ads will get you fast results.

Rocks Drop 12-0 Game to Panthers

Last Friday evening the Plymouth High eleven lost in their clash with the league leading Redford Union Panthers by a 12-0 score under the lights at Redford Union.

The Rocks, weakened by the absence of two key players, Don Beaver and Bill Runge, and Ron Ritter with a bruised leg, played the Panthers to a standstill for over half the game, but in the middle of the third quarter the winners opened up with a successful passing attack that bewildered the Rocks.

The first half ended in a scoreless deadlock. The game began with Williams kicking off to Redford Union. The Panthers made one first down and then fumbled with Dave Travis recovering for the Rocks at midfield. On the first play Bud Lanphear passed but it was intercepted by Redford Union. Two more Redford Union fumbles were recovered by alert Rock players—one by Travis and the other by Bill Corwin. After the latter, the Rocks penetrated to the Redford Union 15 yard line, but Travis failed to make first down by a yard and the ball went over to RU.

Then the Panthers opened up with their passing attack in the third quarter and three passes of 20, 15, and 12 yards resulted in a touchdown when Carlson snagged an aerial for the score mid-way thru the period. The pass for the extra point was unsuccessful.

In the last two minutes of the game Redford Union intercepted another of Lanphear's passes and Young scampered 25 yards on an end run and cutback to score the clinching touchdown.

Redford Union's defense held the Rocks to 8 first downs, 154 yards rushing, and 28 yards passing. With Beaver, Runge and Ritter out, Travis carried the load and gained half the Rocks yardage when he went 78 yards on 17 carries. Wagenschutz gained 37 yards on 8 carries.

Plymouth passed 9 times—completed 3 and had 3 intercepted. Redford Union passed 12 times and had 6 completions. The Panthers had 11 first downs—6 on rushing and 5 on passing. Lanphear averaged 30 yards with his five punts.

Tomorrow night Plymouth takes on their old rival Wayne on our beautiful athletic field. The game will begin at eight o'clock.

In Beamster, England, Peter Tunstall was fined \$5.60 for malicious damage after he uprooted a signpost that read "Drive Slow," wrote on it: "Disgusted at this display of bad English. Please rewrite and re-erect."

Something you want to sell?—Use a classified.

Last Minute Past Gets 9th Grade Tie....

The ninth grade team under the direction of John McFall is improving with each game. Last week they tied a strong Redford Union eleven 7 to 7 over at the Redford school.

The young Panthers scored first in the second quarter when they intercepted a Plymouth pass and carried it to the four yard

line. The Rock line held for two downs and then saw their opponents pass for the touchdown. The extra point was added and the Redford frosh enjoyed a 7 to 0 lead at the half.

With 45 seconds remaining in the game, Dick Day's pass to Louis Donaldson was completed for a touchdown. Day ran around

end for the extra point giving the Rocks a well-deserved tie.

Many penalties against Plymouth halted other scoring drives. This was an evenly matched game with "breaks" figuring in each score.

Today the ninth grade play Wayne here at 4 o'clock.

No Better Time to Order One!

Standard equipment, accessories and trim illustrated are subject to change without notice.

There are many motorists in our community who have reached that position in life where they feel themselves entitled to a Cadillac—and yet, for one particular reason, have postponed placing their order.

They have heard, and quite rightly so, that there is some delay in delivery of new Cadillacs. And so, they have decided not to visit us until the car can be had more readily.

To them we say—there is no better time to order a Cadillac than right now. For each day you delay is costing you its price in motoring pleasure and satisfaction!

When you stop in at our showroom, we will talk to you frankly about what you may expect as to date of delivery. And we think you may be delighted to discover that the waiting period is not so long as might be expected—for so fine a car in such great demand.

And we think you will find, too, that once we have your order, it's a wonderful, satisfying feeling to know each passing day brings your Cadillac closer at hand.

But only when that day does arrive, and you take to

the highway, will you know how well worth waiting for a Cadillac is.

For only when you experience its magnificent performance for yourself—so stimulating to the spirit and so restful to the body that you actually look forward to those moments behind the wheel—will you realize how completely Cadillac stands alone.

Of course, if you have already placed your order for a Cadillac—then stand firm in your purpose!

Dealers who sell other cars are undoubtedly beseeching you to switch your preference—for the sake of immediate delivery.

But just remember: immediate delivery means not in demand. You are waiting for a Cadillac because so many wonderful people, like yourself, want no other car. And they know that their waiting will pay its rewards.

So stand firm. And be patient—for each day brings you closer to your heart's desire.

Howard Palmer Dies in California

Howard E. Palmer, son of Mr. and Mrs. Melvin J. Palmer of Canton Center, died in Yreka, California on October 15. Mr. Palmer is survived by his wife, Ada, sons Bill and Richard, a daughter, Katherine, seven grandchildren, and a sister, Mrs. Willard Depey of South Main street.

When building fires for fall picnics remember that oak, elm, white ash, and hickory give long-lasting coals. Be sure your fire is completely out before you leave.

Jaycees Plan To Re-Organize

In an effort to re-organize Plymouth's Junior Chamber of Commerce, plans are being made for a dinner meeting at the Mayflower Hotel, Wednesday evening, November 7, at 7:00 o'clock. Former Plymouth Jaycees, still within the age limitations of 21-36, interested in the re-chartering of a chapter here, are urged to attend the meeting. Others may also arrange to attend by telephoning John Gaffield, Plymouth 72.

Instrumental in the re-organization plans is David Blakely, of Detroit state J. C. C. official, George Fraser, former state president will be the keynote speaker November 7.

Local Man Serves as Army Inspector

Word has been received from the 136th Fighter-Bomber Wing in Japan that Tech. Sergeant John A. Cover of 739 Maple street, is serving as a food service inspector with the above outfit. His duties entail frequent trips to Korea for the purpose of supervising the expansion of food facilities.

Sgt. Cover inspects kitchens, dining halls and food storage facilities to insure cleanliness and sanitation for the men who keep the 136th Wing's sleek F-84 Thunderjets flying. Since joining Fifth Air Force in May, pilots of the wing have logged more than 10,000 combat hours in daily strikes against the Communist aggressor in North Korea. The unit's big jets have poured more than 1,000 tons of high explosives and a million rounds of machine gun ammunition into Communist troops, supplies and installations in less than five months. In air-to-air combat, the 136th is credited with one enemy MIG-15 jet fighter destroyed, three probably destroyed and 21 damaged.

Sgt. Cover is a former employee of Chevrolet Division of General Motors in Milford. He saw action in the Asiatic-Pacific theatre during World War II, as a member of the Army Air Forces. Prior to this recent overseas assignment, he was stationed at Langley Air Force Base in Virginia.

The sergeant's wife, Mrs. John Cover lives at 739 Maple, and his mother-in-law, Mrs. Edith Hadley, at 633 Dodge street.

"It's always fair weather,"
inside your
Hamilton
Automatic Gas
CLOTHES DRYER

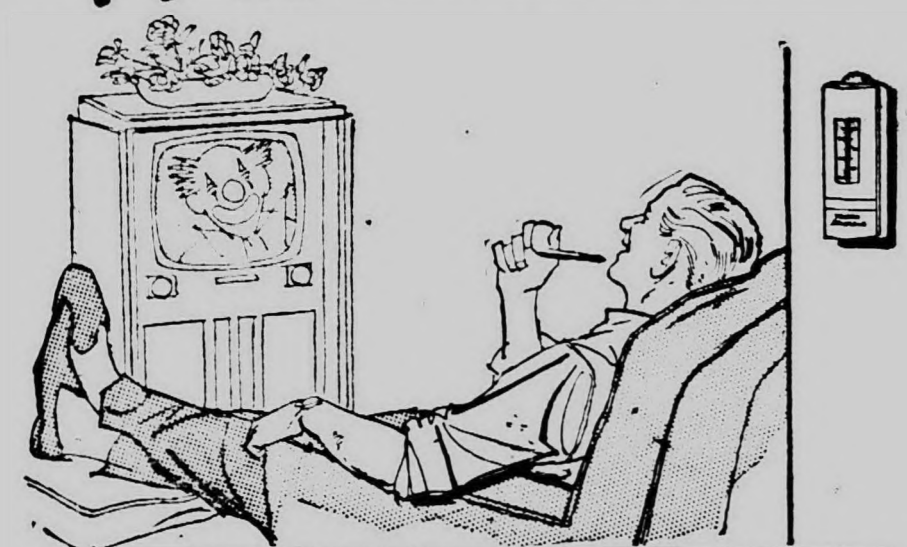

• Whatever the weather, you always have clean, sweet, dry warmth, at fingertip touch in your Hamilton Automatic Clothes Dryer. It gives you fully automatic drying... the final freedom from washday work and worry... a complete divorce from the tiresome stoop and stretch of hanging out wet wash... the uncertainty of sun or shower... the risk of washing from airborne smoke and soot.

You just toss in your clothes, straight from wringer or spinner, flip the switch and, by the time your next washload is ready, the first is done... ready to iron or put away.

Let us demonstrate America's newest major appliance. Come in TODAY and see the Hamilton for yourself.

JUST Browsing Around Have you seen the new Russel Wright Highlight dinnerware out at MARTIN'S CHINA SHOP on Ann Arbor Road (US 12) one mile west of Plymouth? It is new, modern and so different. When the celebrated modernist Russel Wright designs anything you know it is big news and Russel Wright has taken two years to perfect HIGHLIGHT. First let us tell you that HIGHLIGHT is not just another dinnerware or another color. This is the first complete dinnerware service ever to combine pottery with glass in a single set—not just clear glass but a white translucent Snow Glass. That's what Russel Wright calls it because it looks like fresh fallen snowflakes pressed into glass. And the pottery colors are Citron, a lovely lemony yellow. Blueberry, a cool greyish blue like the bloom on fresh ripe huckleberries. Next comes Nutmeg, the handsomest easy to use brown you ever saw and wonderful with your bright lunch cloths. And last Black Pepper, a dramatic greyish black. Now think of these stunning colors combined with Snow Glass. But you will just have to see it for yourself. So here's our personal invitation to come out and bring your friends to see HIGHLIGHT at MARTIN'S. We are open daily until 8 P.M. including Sundays. Use our layaway or budget plans. Phone 1943W.

UNCORKING THE NEWS By Carl Peterson We see where the Army has added a gambling course to basic training at Camp Atterbury in Indiana. This seems as revolutionary as the Boston Tea Party... but the idea is not to train the G.I. Joes for future careers as steamboat gamblers on the Mississippi. The object is to persuade the lads that gambling is hard on slim pocketbooks. And what isn't? Naturally we sort of wonder what develops when the hep soldier boys mingle with buddies who didn't train at Camp Atterbury. The instructor tells his students, "The best game to play is horse-shoes." But be sure you remove the horse. A hearty welcome and lots of luck to Plymouth House, opening Friday. A noted British fashion expert says that feet reveal character. Well... maybe so; anyway, they at least give an indication of your understanding. Here's hoping that the high school art students do as good a job on our windows this year as they did last. Drop in and browse around. It's easy to shop at PETERSON DRUG, 840 W. Ann Arbor Trail. Phone: 2080.

Hints For Plymouth Homemakers

Down to Earth Recipes For Halloween Parties

"Goblin" parties, so mysterious and fun, are coming up. Along with saw-toothed "punks," gaunt ghosts and sleeky black cats the party may be brought down-to-earth with just plain good food. To the youngsters, that means big plump hamburgers (and plenty of them) served with potato chips and all the trimmings.

Perhaps the ground beef patties may be in variation. For a subtle new flavor grate a tart raw apple into the ground meat mixture, suggests Reba Staggs, home economist. Add this in addition to 1 teaspoon salt, 1/4 teaspoon pepper and 1 tablespoon grated onion for each pound of ground meat.

Or for more changes, sprinkle grated American cheese on top of half of the buns, heat them

until the cheese is bubbly and serve topped with the ground meat patties. Remember to broil or panbroil ground meat patties slowly for the finest results. In panbroiling, pour off the fat that accumulates in the frying-pan so the meat will not cook in the meat drippings.

Dessert, so appropriate for the Halloween affair and popular with the younger crowd, may be gingerbread muffins or cup cakes. For this occasion, top the muffins with grated orange rind and you'll feature the Halloween colors. Or if you like, lightly tint shredded coconut for topping the dessert muffins. This same recipe may be used for an 8-inch loaf cake. In this case, bake the cake in a 350 F. oven for 35 minutes. Frost with orange icing and decorate with chocolate chips.

Gingerbread Cup Cakes
 1/2 cup melted lard
 2 1/2 cups sifted enriched flour
 1/2 cup sugar
 1 1/2 teaspoons soda
 1/2 teaspoon salt
 1/2 teaspoon cinnamon
 3/4 teaspoon cloves
 1/4 teaspoon nutmeg
 1 cup molasses
 1 cup boiling water
 Sift flour, sugar, soda, salt, cinnamon, cloves and nutmeg together. Combine melted lard, molasses and water, stir thoroughly. Add liquid to dry ingredients and mix thoroughly.
 Fill greased muffin tins 2/3 full. Bake in a moderate oven (375 F.) for 20 to 25 minutes. Yield: 12 medium cup cakes.

Better Eating by Jean Allen

SUNDAY DINNER TURKEY

Get up to date! Small turkeys weighing only five to eight pounds are now a reality. These are ideal Sunday dinner turkeys for the small family. Roasted, they are tender and succulent as a young chicken.

Oven-Ready Too

Turkeys in the modern market are completely cleaned and ready to stuff for roasting. Just remove the cleaned, wrapped giblets. Rub the inside of the turkey with salt. Stuff the neck and body cavity with dressing. Do not pack tightly.

Truss, lacing abdominal opening to hold in dressing. Skewer neck skin to back. Tie legs together and fasten string under tail to hold legs close to body for juiciness. Twist wing tips to rest flat against back.

To Roast

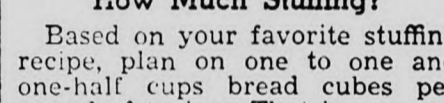

Place turkey breast side up on rack in small roaster or pan. Insert meat thermometer if used, between thigh and body. Cover with cheesecloth dipped in melted fat. Do not cover roaster. Do not add water. Baste occasionally with melted fat.

The small (five to eight pound) turkey should be roasted in a slow oven (325 F.) for twenty-five to thirty minutes per pound or until the meat thermometer reads 185 F.

How Much Stuffing?

Based on your favorite stuffing recipe, plan on one to one and one-half cups bread cubes per pound of turkey. That is, use one and one-half quarts bread cubes for a six pound turkey. The bread should be several days old.

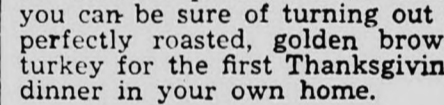

Practice for Perfection

If you are a new bride and have never roasted a turkey, you will be wise to practice now. Then you can be sure of turning out a perfectly roasted, golden brown turkey for the first Thanksgiving dinner in your own home.

Faithfully
Jean Allen

MEAT CUT Quiz

Q. What are these variety meats?
 A. Kidneys. Left to right; veal, beef, lamb, pork.

Q. How are they prepared?
 A. They are washed, the outer membrane removed, then split through the center to remove the fat and tubes. Following this procedure, beef and pork kidneys are braised or cooked in liquid as in kidney stew or steak and kidney pie. Veal and lamb kidneys may be prepared by either of these previous mentioned methods or may be broiled or panbroiled.

Breakfast Important to Good Health

A quick return to "family" breakfasts was urged by State Health Commissioner Albert E. Heutis.

"Far too many Michigan grownups are eating poor breakfasts or no breakfasts at all; far too many Michigan school children are starting their day underfed," the Commissioner said, and added:

"If your family is used to slighting its breakfast, you don't know how good and how happy you can feel, until you regularly sit down together to steaming bowls of cereal topped with fresh fruit and milk, a plate of piping buttered toast and possibly a platter of scrambled eggs edged with crisp bacon.

"It may mean getting up 20 minutes earlier; it may mean setting the table, getting out the skillet and box of cereal the night before, but it's well worth it. You'll feel better all day; you'll be happier, you'll get more done and you'll be less susceptible to accident or illness.

"Teachers know that the child who eats a better breakfast has a better day, is more attentive, more alert and less irritable.

"Industrial studies have shown that the worker who eats a better breakfast is a better worker, gets more done early and keeps up good production, makes fewer mistakes and is less apt to have an accident. The same thing applies to office help and to the wife in the home.

"With fall and winter coming on, when you spend more time indoors, working longer hours, come in contact with more people, chances of exposure to illness greatly increase. Bodily resistance must be kept high. One of the chief ways to build resistance to illness is to be properly nourished, and you can't be properly nourished without a good breakfast.

When Cords are off duty, store them in a clean, dry, cool place. Keep rubber-covered cords in the dark, because light tends to break down rubber. A permanently attached cord may be wrapped around the appliance loosely, but be sure the appliance is cool first.

Put cords away free from kinks, knots or sharp bends which can break fine wires or the insulated covering. Cords may hang over large round wooden pegs, or over two or more metal hooks. They also may be coiled loosely on a shelf or in a drawer. Whether on or off duty, they should be protected from grease or other soil and from heat and wet. Plugs need protection from hard knocks.

Special Points On Pan-frying

1. The meat may be coated with flour or eggs and crumbs. This increases browning, gives a crisp exterior.

2. Meats that are very low in fat, such as liver or cubed steak, will need additional fat for pan-frying; also any meat which has a coating will need added fat.

3. Pan-fried meats should be cooked slowly so that they are done on the inside by the time the outside is attractively browned.

Pan-frying Hints
 Meat cubes, slices or julienne pieces may easily be floured in a paper bag.
 Kitchen shears are convenient for dicing bacon for sandwiches, casseroles, and other dishes.

GOOD "EATS" FOR HALLOWE'EN

Everything else may be a mystery at your Halloween Party, but there's no question about good eating when the party table reveals big plump hamburgers with all the trimmings and gingerbread muffins topped with grated orange rind.

Take Care of Your Cords

Better care of electric cords is stressed by household equipment specialists of the U.S. Department of Agricultural to keep the home running efficiently, as well as to save such valuable materials as copper and rubber which cords contain. Cords are the life line of electric appliances and thus deserve the care that makes them last long in good condition. Yet electric repair shops often report their biggest business is repairing damaged cords.

Cord casualties probably are greatest from the unfortunate practice of pulling on the cord rather than the plug when disconnecting. This eventually jerks the wire from the plug.

Here's how to disconnect: If there is a switch at the outlet, turn it off before you pull the plug. This prevents sparking between metal prongs and the outlet, which eats away metal and in time causes a poor connection. If there is no switch, disconnect the plug from the wall outlet first. Grasp the plug, never the cord. Pull straight. If the plug sticks, rock gently from side to side as you pull to loosen one connection at a time. It's safest to disconnect the cord from the outlet each time you finish using a heating or cooking appliance.

When cords are off duty, store them in a clean, dry, cool place. Keep rubber-covered cords in the dark, because light tends to break down rubber. A permanently attached cord may be wrapped around the appliance loosely, but be sure the appliance is cool first.

Put cords away free from kinks, knots or sharp bends which can break fine wires or the insulated covering. Cords may hang over large round wooden pegs, or over two or more metal hooks. They also may be coiled loosely on a shelf or in a drawer. Whether on or off duty, they should be protected from grease or other soil and from heat and wet. Plugs need protection from hard knocks.

Pan Frying Know How

1. Brown meat on both sides in small amount of fat.
 2. Season with salt and pepper.
 3. Do not cover.
 4. Cook at moderate temperature until done, turning occasionally.
 5. Remove from pan and serve at once.

Meat Cuts For Pan-frying
 BEEF: Thin rib, club, tenderloin (filet mignon), T-bone, porterhouse, sirloin steaks; patties.
 VEAL: Arm, shoulder, sirloin and round steak; chops; patties.
 SMOKED PORK: Slices of ham, bacon, Canadian-style bacon.
 FRESH PORK: Thin shoulder steaks, rib and loin chops; tenderloin, patties.
 LAMB: Shoulder, rib and loin chops, patties.
 VARIETY MEATS: Sweetbreads; brains; liver; kidneys.

Special Points On Pan-frying
 1. The meat may be coated with flour or eggs and crumbs. This increases browning, gives a crisp exterior.

2. Meats that are very low in fat, such as liver or cubed steak, will need additional fat for pan-frying; also any meat which has a coating will need added fat.

3. Pan-fried meats should be cooked slowly so that they are done on the inside by the time the outside is attractively browned.

Pan-frying Hints
 Meat cubes, slices or julienne pieces may easily be floured in a paper bag.
 Kitchen shears are convenient for dicing bacon for sandwiches, casseroles, and other dishes.

The BANKER'S STORY

WHEN WOMEN COULDN'T HAVE A BANK ACCOUNT!
 Banking privileges came slowly to women. . . . Not until April 7, 1848, could a New York State woman have a bank account in her own name. Yet the word "Money" itself derives from "Moneta" — the Greek Goddess of Finance.

When Women Couldn't Have A Bank Account
 A great deal of modern banking is done with women. We welcome their business and we are pleased to discuss all money management problems with them . . .

CERTIFIED QUALITY SERVICE

These Events Were News

25 Years Ago

The first meeting of the stockholders of Plymouth's new community hotel, was held at the High school auditorium, last Tuesday evening, to discuss the matter of incorporating the company. Several suggestions for a name for the hotel were received, and will be given the consideration of the board of directors when they are elected.

The Plymouth United Savings Bank has just erected on the bank building, two handsome Flexlum copper electric signs, one on Penniman avenue and the other on Main street. The two new signs add much to the attractiveness of the business section.

Everett & Faber, proprietors of the Penniman Avenue Market have sold their business to B. E. Giles, who will take possession of the same November 1st. Mr. Giles will continue as manager of the local store of the Atlantic and Pacific Tea Co., and will have a manager in charge of the vegetable market.

A new store will open in Plymouth Saturday, October 23, when N. G. Strohaeur will open a five and ten cent store in the handsome new Conner building just completed on Penniman avenue. The new store will carry a line of goods usually found in stores of this kind.

There is every indication that there will be a large attendance at the Halloween Charity ball, given under the auspices of the Plymouth Rotary Club, at the Penniman Allen auditorium, Friday evening, October 29th. The party is given for the benefit of the crippled children's fund.

The Woman's Christian Temperance Union will meet Thursday, October 28, at 2 p.m. at the home of Mrs. D. A. Jolliffe, 254 North Main street. The program

10 Years Ago

More than 200 persons have registered for the University of Life programs for youth, sponsored by the churches of Plymouth and surrounding vicinity. The first meeting of the University of Life will be held this Sunday evening, October 26, beginning with a supper at 6 o'clock at the First Methodist church.

The Central grade school Parent-Teacher association will sponsor a "get-acquainted" party for members and their husbands for the first general membership meeting of the fall season on Tuesday evening, October 28, at 7:30 o'clock in the auditorium of the Central school.

The Michigan State board of aeronautics has approved the Branta flying club's new field at Joy and Lily roads near Plymouth. A fleet of nine airplanes has registered for home guard duty at the new Branta airport where many student pilots are receiving flying instructions.

The Ex-Service Men's club will hold a card party at the home of Mr. and Mrs. Harry Mumby on Ann Arbor trail on November 1 at 8 o'clock. The club at its meeting last week discussed plans also for the Armistice Day banquet to be held November 11.

The city commission at the meeting Monday evening requesting by resolution that the Wayne County Road commission install a traffic signal light at the intersection of North Main and North Mill streets because of an emergency condition due to increased traffic at this point.

Mr. and Mrs. Claude Eckles have returned from a two week's automobile trip to California and the southwest. The trip was made without a mishap of any kind.

Mrs. Frazer Carmichael was hostess at luncheon, Tuesday, having as her guests the members of the Mayflower bridge club.

Mrs. Harry Lush, Mrs. Nelson Schrader, Mrs. Ernest Shave of Northville, Mrs. William T. Pettigill of this city and Mrs. Dell Baker of Detroit, enjoyed a brief visit to Monterey, Mexico, after

attending the Schrader-Northrop wedding in Texas last week, all returning home the fore part of the week, excepting Mrs. Baker.

Flossie Rowland was the honored guest, Wednesday evening of last week, at a party and miscellaneous shower given by Mrs. Louis Norman for 16 guests in her home on East Ann Arbor trail. On Saturday Miss Rowland was the guest of honor at a luncheon party given by Joan Cassidy at Chateau Rousseau.

Miss Rowland's marriage to Harold Brown, of this city, will be an event of Saturday evening.

Mrs. Fred Cline is visiting her daughter, Mrs. Peter Gayde, at Newport, Rhode Island, for a few days.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

Farewell Party Held for Williams

A farewell party for Mr. and Mrs. Ray Williams was held Wednesday, October 17 at the Hillside Inn. Mr. and Mrs. Williams are leaving for Santa Anna, California, the latter part of this month.

The party was sponsored by the directors and employees of Plymouth United bank. Mr. Williams was Vice President of the bank, and has been employed there for the past four and a half years.

Local News

Mr. and Mrs. Jerome Bolter and daughter, Phylis and Frederick Dornbos of Grand Rapids spent the weekend with the Edward Klinski family on Joy road.

Mrs. Hugh Law, Ann Arbor road, entertained Mrs. Gerald Wright and Mrs. Robert Mitchell of Franklin Village at lunch on Monday.

Mr. and Mrs. Peter Leemon and son, Peter, and Mr. and K. N. Carlock of Lansing spent the weekend at Poverty Point near Cadillac where they had a very successful bird hunting trip.

Mr. and Mrs. Ralph Lorenz spent the weekend with Mrs. Mary Barrett at Kalamazoo.

Mr. and Mrs. Edward Biau and family of Dearborn were Sunday visitors of Mr. and Mrs. Clayton Kops on Hamilton street.

Elmer King, Territorial road, received painful leg injuries when a wagon loaded with corn rolled over his leg as he was attempting to unfasten the wagon from the tractor.

Mr. and Mrs. Charles McConnell visited her sister and husband, Mr. and Mrs. Reuben Senter at Port Huron Sunday.

Last Friday evening Mr. and Mrs. William Upton and Mr. and Mrs. William Walton attended the hay ride - weiner roast - square dance sponsored at the Lone Pine Riding Stable in Farmington by the Engineering Society of Detroit.

Mrs. John Albright from Santa Monica, California, an avid button collector, visited Mrs. Karl Starkweather Tuesday, and they had an enjoyable visit looking over Mrs. Starkweather's button collection.

The Study Club met last Wednesday evening with Mrs. Carl Finney of Arthur street. Among the guests was Mrs. George Hubert who recently returned from Copenhagen, Denmark where she spent the last six months with relatives. The November meeting will be at the home of Mrs. Gerald Hossier of Irving street.

Katherine Boyce and Bill Zimmerman of Detroit were Sunday dinner guests at the home of Mr. and Mrs. Ernest Henry.

Mr. and Mrs. J. M. Swegles visited their granddaughter and family, Mrs. Dean Schiller of Fenton. Mrs. Schiller's husband has been wounded in Korea and is confined to a hospital there. Mr. and Mrs. Swegles also visited the Charles Swegles family at Holly.

Mrs. Emma Feigley of Claypool, Indiana is spending the winter months with Mrs. Karl Starkweather.

Mrs. George Huebler of Northville road entertained her neighborhood club of Ann Arbor last Tuesday evening. Mrs. J. M. Swegles gave a very interesting talk on gardening.

Mrs. Albert Pint was a luncheon guest at the home of Mrs. Stewart Adamson in Detroit, last Thursday.

Mr. and Mrs. Lawrence Parmenter and Mr. and Mrs. Eber Lester will attend the Michigan State-Pittsburg game this Saturday at East Lansing.

Miss Maxine Martin, daughter of Mr. and Mrs. William Martin spent the weekend with her parents. Miss Martin is a student at the University of Michigan.

Mrs. William Blunk entertained her daughter, Mrs. Erwin Illi and children Mary and Danny, last Friday. They also drove to Wayne to call on another daughter, Mrs. E. H. Bank.

Mr. and Mrs. J. Erwin Hadley of Evergreen street spent the weekend at Tiptico Lake. Mr. Hadley has been seriously ill for several weeks but is now much improved.

Mr. and Mrs. Alton Richwine and family of Monroe visited his parents Mr. and Mrs. George Richwine on Ann Arbor road.

Gary Parmenter celebrated his 8th birthday with a weiner roast in his back yard last Monday, October 15. Ten boys enjoyed the party in his honor.

Mrs. Edna O'Conner visited her parents, Mr. and Mrs. Andrew Taylor and her brother and family, the Raymond Taylors at Wampers Lake last Monday and Tuesday.

Mrs. Elmer Start and Mr. and Mrs. Howard Start and daughter Alice of Burr Oak were Sunday guests of Mrs. George Smith.

Mr. and Mrs. William Campbell and daughter Barbara of Ann street attended the first play production "Life With Mother" given by the Ann Arbor Civic Theatre group at the Lydia Mendelssohn Friday evening. They were guests of Mr. and Mrs. Paul Christman, brother of Mrs. Campbell who are members of the Ann Arbor Civic Players and acted as technical directors of this play.

Mrs. Earl Russell has returned from Southampton, Ontario where she has been spending a few days. Her mother, Mrs. M. A. Macaulay, returned with her for an extended visit.

Mr. and Mrs. William Davidson of Detroit were dinner guests of Mrs. Lila Humphries last Sunday and attended the Symphony Concert at the High school.

Mr. and Mrs. Frank Terry and Mrs. Lottie Jones spent the weekend with Mr. and Mrs. Hugh Archer of Pontiac.

Mrs. Rhea Watts and family were Sunday visitors at the home of her parents, Dr. and Mrs. Peck.

Mrs. Nellie Larned is now living with her grand daughter and family, Mr. and Mrs. George Smith on Fendt street in Farmington.

Mr. and Mrs. Dean Conger of Riceville, Iowa visited Mr. and Mrs. Albert Pint last week. They left for their home on Thursday.

Mrs. Lucy DuMont of Beaverton has been visiting her daughter, Mrs. Rowe of Bradner road the past week. She returned to her home Saturday.

The next meeting of the St. John's Guild will meet at the church Thursday, November 1. There will be a covered dish luncheon at 12:30.

The Thursday night club met October 18 at the home of Mrs. Edison Empey. There was a short business meeting during which a Halloween party was planned. The playing of games and a light luncheon concluded the evening.

Mr. and Mrs. Frank Barney of Cassopolis were weekend guests of Mr. and Mrs. Horace Barney on Ann street.

Mrs. Glenn Northrup has been released from Mt. Carmel hospital and will spend several weeks with her daughter, Mrs. Knowles Bueers of Salem. Mr. Northrup has returned to their home in Johannesburg.

Mr. and Mrs. Ernest Vealey were Sunday callers at the former sister, Mrs. Tom Bradburn of Belleville.

Double Surprise for a lot of folks EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so. They just can't believe that so little money buys such a lot of car—but it's a fact, as the prices published here will prove. And that brings us to the second surprise—which is how much power and performance—how much comfort and room—what a long list of standout engineering features you get for the price. Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine. Take comfort. The best thing to do is try the depth of its seats—their width—and the headroom you get in this Buick SPECIAL, and judge for yourself. Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel—and the way this combination smoothes the bumps is something that's hard to match in cars costing a thousand dollars more. Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you—even brings the front wheels back to a straight line when you come out of a turn. And you can add to all this Dynaflo Drive—that puts magic smoothness into every mile you drive—and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value. So if you have been hoping, some day, to own a Buick—what's holding you back? If you can afford any new car—better come in and see us now. EQUIPMENT, ACCESSORIES, TRIM AND MODEL ARE SUBJECT TO CHANGE WITHOUT NOTICE. *Standard on KUAODMASTKH, optional at extra cost on other Series.

Grays Returning to California

Mr. and Mrs. Ivan Gray, former residents of Plymouth who have been spending a brief vacation in this city visiting with old friends and relatives, have returned to their home in Pasadena, California.

It was some two years ago when the Grays decided that they would like to spend the remainder of their lives in a warmer climate than Michigan possesses. After considerable inquiry, they decided that Pasadena was about the right place. So they purchased a home on East Colorado boulevard in that city where both say they are thoroughly enjoying the delights of the California climate.

"It never gets below 40 degrees above zero and in the time we have lived there, we have never had any freezing weather. We do need a bit of heat some nights, but the days are always delightful," said Mr. Gray.

Southern California is growing like everything, he says. But water is the big problem. He said that during the past year or so a new village had started up not so far from where they live and in that time over 17,000 new homes have been built in this one community.

Old Plymouth friends are convinced that the Grays are now permanent residents of the far western state.

Milk Producers to Hear Reports

The 35th Annual Meeting of the Michigan Milk Producers Association will be held in the Fairchild Theater on the campus of Michigan State college, East Lansing on Thursday, November 1, starting at 10:00 in the morning. It is expected that more than 500 guests and delegates from 33 countries in the state will attend the all-day session which will be presided over by President I. K. Maystead of Osseo.

The program calls for annual reports by the president, secretary-manager H. F. Simmons, treasurer William Bristow and chairman of committees.

Guest speakers include Tennyson Guyer of Findley, Ohio, nationally known philosopher and humorist, and a representative of the American Dairy Association to explain the dairy farmers' program of nationwide advertising and research.

Business to come before the delegates includes the election of five directors to serve for three years, and adoption of resolutions which will serve as instructions to the management in conducting Association affairs in the coming year.

Luncheon will be served to the delegates and guests by the ladies of the People's Church.

"How Much Should a Funeral Cost?"

Naturally, you want the last tribute to a loved one to be fine and tender and dignified. At the Sonderegger Funeral Home, none of these things depend on how much is paid for the funeral. Whatever the budget limitations of the family may be, we give personal supervision and attention to every detail—to ensure satisfaction.

You will be pleased to know therefore, that we believe that no funeral should cost more than the family can afford to pay.

Sophomore Class and Money Raising Problem

Raising money is a serious problem for the Sophomore class according to their class advisor Mr. Harry Fountain. Mr. Fountain would like any person with some good money raising devices to please contact him at once. He states that the class is doing fairly well this year, but if some of the students can come up with some good ideas the class will be in a very good financial position at the end of the year.

A report on the financial status of the class will be made public in the near future.

Plymouth High Band Performs at Redford

Plymouth High School band under the direction of Mr. Lawrence Livingston played and executed many different formations during the half-time of the Redford Union game at Redford Union on October 19.

Following is the program for the evening, formation: a football helmet with musical accompaniment "Mister Touchdown U.S.A."; formation of cowboy hat with "I'm an Old Cowhand" as accompaniment; formation of Uncle Sam's hat with the music of "Yankee Doodle"; next the formation "Hi" was made with vocal accompaniment "How do you do Redford Union." Concluding the program the band formed the letters R. U. and played "On Wisconsin," going into marching formation and counter marching they returned to the Plymouth side of the field and formed into the letter "P" and played the alma mater and the fight song.

Red Feather Drive Launched

In a program over the school public address system, the United Foundation Red Feather Drive was launched at PHS Tuesday, October 16, at 1:00 p.m.

Margaret Burr, mistress of ceremonies, explained that Wednesday would be taken Wednesday, October 17, Monday, October 22, and Monday, October 29. She then introduced Dora Gruebner, School Drive Chairman, who explained that the Student Council voted to divide the money as follows:

Plymouth Community Fund, 50%; Tuberculosis Seals, 10% National Foundation for Infantile Paralysis, 10%; Red Cross, 10%; Crippled Children, 10%; and Reserve, 10%.

The 50% received by the Plymouth Community Fund will be administered by their board of directors to the various activities of the Recreation Commission, the Boy and Girl Scouts, Salvation Army, Plymouth Dental Fund, Visiting Nurse Association, Veterans Memorial Foundation, Well-Baby Clinic, and the United Foundation. (Torch Drive).

A committee of two Student Council members, two members from the student body, and two faculty members will administer the remaining 50%. Any part of this 50% not called for by the end of the year will be turned over to the Plymouth Community Fund.

PHS Mayor Betty Salmon announced that the school goal was \$600 and urged that the contributors would not fall short of the goal as they did last year.

The Girls Quartet closed the program by singing "The Red Feather March."

This program was the first one originating in the gym broadcast over the PHS address system.

Balogh Unbeaten Breaks Course Record

John Balogh, Plymouth's Cross Country star, has yet to be beaten in a league meet so far this season. In his very last meet against Trenton Friday, October 12, John broke the course record with a time of 10:47. Trenton has lengthened their last year's course by a quarter of a mile, and now maybe it is a little longer than two miles.

Other boys running were Ed Grosjean who placed fourth; Jim Blanton seventh; Marvin Green eighth; Roger Bogenschutz and Leonard Ferguson who tied for tenth. Plymouth lost the meet 25-30.

John is only a junior which means he has another year of Cross Country at Plymouth. He is also a miler in track. In last year's state meet John finished fifth.

P.H.S. Band Appeared at Games October 19 and 20

For the Redford Union-Plymouth High game which was held on Friday, October 19, the P.H.S. band practiced industriously for a half hour. The band performed the "Hat Show" that was used at the Bentley - Plymouth game.

The band attended the Ypsilanti Normal-Central Michigan game on Saturday, October 20, marched in the parade at 10:00, and then attended the game.

On Saturday, November 22, the band plans to attend the Michigan State-Colorado game at which time the band will be just spectators.

Social items can be phoned to 1755.

Starkweather Jets Win Fifth Straight Game

With the touch football season half completed the Starkweather Jets are in first place winning their fifth straight game of the season by defeating the Tigers from the Catholic school by the score of 13-0.

In second place are the Spartans from the Bird school winning their third straight game of the season by defeating the Rockets from Smith 25-0.

Three teams are tied for third place. They are the Bird J.R. Smith school and the Catholic school. They each have one victory to their credit.

Detroit Edison Co. Sends Representatives to PHS

Mr. Raymond Schleicher from personnel department of Detroit Edison Company visited speech classes of Mr. Carl Kranish with speeches about the importance of interviews in business life.

20,000 applicants passed through Mr. Schleicher's office last year. Therefore as expert he gave first-hand information to the students on how to apply for a job. Appearance of the applicant, how he sells himself, and how he comes along with the employer are of importance to the employer.

Afterwards he was introduced to one of the PHS German students in whom Mr. Schleicher was very much interested.

"On the Riviera" is J-Hop Theme This Year

French customs are the interest of the juniors who are planning the J-Hop this season. The theme "On the Riviera" demands that all committee members have a knowledge of that locality plus some original, clever ideas to decorate the gymnasium.

The stage is to be a terrace lined with flowers. The walls will be covered with murals depicting typical French scenes. The anteroom will serve as a shaded glen with a stream running through it.

The orchestra that played at the Senior Prom was received with such enthusiasm last year that the orchestra committee for the J-Hop decided to again have "The Chieftains," a member of the Tecumseh Products Corporation.

The J-Hop will be on Saturday, December 1, at 8 p.m. Tickets will go on sale in about three weeks.

Science Club Elects Four New Officers

Gladys Witt was elected president of the Science Club of Plymouth High school for this year. Other officers elected were Lynn Osen, vice president; Terry Carney, secretary; and Rosmond Bairas, treasurer.

The club has voted to change its meeting from Wednesday noon to Friday.

MEA Meet Gives Students a Holiday

No school tomorrow! An extra day to hunt!

Due to the annual MEA meeting tomorrow, October 26, the students of all Wayne County, Michigan schools will enjoy an extra day of vacation.

"Little Beaver" Entertains Grade School Children

"Little Beaver" of the Red Ryder comic strip entertained the grade school children Monday, October 15 when he visited them with Mr. Fred Harmon creator of the Red Ryder comic strip. He talked to them about the Red Feather drive and told them he is 12 years old. Mr. Harmon also drew a few sketches of "Little Beaver."

Mr. Harmon visited Mr. Robert Wesley, a friend of his, at the Daisy Manufacturing Company. Because time did not permit they were unable to visit the high schools.

"The Harvest Hop" is Sponsored by 7th Grade

"The Harvest Hop" was the name given to the dance sponsored by the seventh grade on October 19.

Mrs. Beatrice Besse was the teacher-chairman in charge of the entire dance. Mr. John Sandmann was in charge of the decorations Mr. John McFall, in charge of publicity; and Mr. Willis Hunting, the entertainment. All grades were welcome at the dance which began at 8 p.m.

Shop Library Adds New Books, Film Strip

Mrs. Beatrice Besse's shop class has added new books and film strips to shop library. The books contain information on metal, woodwork, leather, wood carving, plexiglass. The film strips help to explain the books more clearly.

Seniors to be Given Aptitude Tests

Senior tests will be given first, second, fourth, and fifth hours, November 2 and 9 in room 11. The first will be aptitude tests and the second will measure the students ability in mathematics and English literature. Miss Ruth Butts, student counselor, will administer the tests.

Scientists attack peach blossom blight

Michigan ranks among the top three states in peach production. To protect this important industry, scientists at Michigan State College's Agricultural Experiment Station are experimenting with methods of controlling blossom blight. Recent experiments tested sprays of wettable sulphur, liquid lime-sulphur, and various new organic fungicides. Though not conclusive, results of these tests have been encouraging. For additional information on this continuing fight against peach blossom blight, call, write or visit your County Agricultural Agent.

Electrical detective tracks down telephone trouble

In a large Michigan Bell dial telephone office, about 2,000,000 switch contacts are "on duty" to carry your calls. 10,000 of them may be needed to clear a path for a single call. So "faults," though infrequent, must be detected quickly. A new automatic detector has been designed for the job. It finds "faults"—a broken wire, specks of dirt causing high resistance—and detours calls around them. Then it automatically punches out a report on the trouble. Maintenance men check these reports regularly, learn what needs attention, see that service flows smoothly. Telephone efficiency like this keeps quality of service high, keeps costs as low as possible.

Roger Babson Says --

Babson Discusses Gravity Investments

Gravity Village, New Boston, N. H., October 25. Readers know that I have always been interested in the Force of Gravity and its possibility for free power from which everyone could greatly benefit. Letters come to me asking if there are now any ways for investors to benefit from gravity. Yes, there are three.

Electric Power Developments

Every waterfall produces power due to gravity, plus, of course, the heat of the sun which takes the water from the oceans into the clouds. The clouds eventually turn into rain and supply the water which flows over these falls. In this connection, it must be realized that this gravity pull is the same in any part of the United States as it is at Niagara Falls. If any reader has never visited Niagara, he surely should do so. At that time he should realize that only a small portion of the power is now being used. The part of the water-fall which is being used cannot be seen; while the water going over the falls is "wasted", except for scenic beauty.

There are thousands of water-powers now being used every day. Most of these are operating mills of various kinds; but they are gradually being converted to generate electricity which power can easily be transported. I, however, consider the Niagara Mohawk Power Company the prime electric power Gravity Development. This is the Company which taps Niagara Falls and, supplemented by other falls and steam plants, supplies electric power to most of New York State, from Buffalo down to New York City. The stocks of this Company are listed on the New York Stock Exchange. The 3.9 percent preferred pays \$3.90 and sells at 96, thus yielding 4 percent. The common pays \$1.40 and sells at 25, thus yielding nearly 6 percent. One cannot get rich quickly by buying these stocks, but if you put them away in your safety deposit box, they should gradually become more valuable and give you good dividends each year; all from GRAVITY.

Railroad Companies

I certainly am not now bullish on most railroad stocks. They are handicapped by severe competition from trucks, automobiles and airplanes; their expenses are constantly increasing from wage demands and the cost of coal, oil, and equipment; while their rates are determined by political commissions, leaving little profit for stock holders. Transcontinental roads may do well for some time; also certain southwestern roads; but my favorites are the three GRAVITY ROADS. These are the Virginia Railway, Norfolk & Western, and Chesapeake & Ohio. All of these let most of their heavy traffic coast downhill and have mostly only empty cars to pull uphill again!

I believe that the stocks of all

three roads are safe investments; but I will quote only the stocks of the Virginia Railway which runs from the coal fields of West Virginia to Norfolk. (More details can freely be obtained from the Company at 44 Wall Street, New York City.) The stocks are listed on the New York Stock Exchange. The Virginia Railway preferred pays \$1.50 and sells for 28, while the common now pays \$2.50 and sells for 33, thus yielding nearly 8 percent.

Waterworks Securities

The most economically operated public utilities are GRAVITY WATERWORKS which supply householders with water. Why? The answer is that gravity does most of the work for them by causing the water inexpensively pipes and up to your bathrooms to run down hill through the without aid of costly power. In most water systems steam or electric power is needed first to pump the water up into a stand-pipe or reservoir. But, Gravity Systems have a natural reservoir, higher than any house in the city, and gravity performs all the work. If the water system in your community is operated by a private company, and the bonds or stocks are available, ascertain to what extent it is being operated by gravity. Based upon your findings, consider these securities as an investment.

Enthusiastic inventors who think they can use gravity for "perpetual motion" machines, should read "Wanted: War Inventions" in Readers Digest of October. The article entitled "Should You Buy Shares in America?" is good for everyone to read.

W.S.C.S. To Hear Talk on China

Jessie Walcott, an itinerating missionary, who has spent a number of years in China and is well informed of the present conditions there, will be the guest speaker of the W.S.C.S. Service Sunday morning, October 28 at the Methodist church.

The Ladies of Day Unit 1, who were guests of Chelsea Home were happily surprised to find these elderly women were busy themselves by sewing for the Korean children. They have sent several boxes of clothing off this year.

Miss Sarita Davis, guest speaker of Nite Unit 2, told of her trip to Germany. She was advised to go prepared to rough it as things would be different there than they are here. But instead, she had lovely quarters to live in and plenty of American food. She found the people building up their land and rebuilding their schools. The schools are quite Americanized as an illustration she brought back some Donald Duck funny books written in the German language. However, they are greatly in need of text books. She explained that religion had not been stamped out during World War II, that the people are very much interested in church. She feels there is a wonderful understanding between the American and German people.

Bakewells Move to St. Petersburg

Here is the kind of news loyal Plymouth residents do not like to read—George A. Bakewell, for years one of the city's best known real estate dealers and a tireless civic worker, a charter member of the Kiwanis club and for a long period its secretary, has sold the Bakewell home on Plymouth road and taken up permanent residence in St. Petersburg, Florida.

Not only has Mr. Bakewell always been active in Plymouth civic affairs, but Mrs. Bakewell was a devoted worker in various Plymouth patriotic and church organizations. She was one of the first officers of the MOMS club.

For some years past Mr. and Mrs. Bakewell have been spending the winter months in Florida. It was a year or so ago when they purchased a home in that city, but not until recently, apparently, did they decide to become permanent residents of that city.

Mr. Bakewell was active in the organization of the Livonia consolidated school district which led to the eventual creation of the city of Livonia out of the entire township district.

The Bakewells are now permanent residents, at 1471 Twenty-eighth avenue, North, St. Petersburg, and announce that the "latch string" will always be out for old Plymouth friends.
