IT IS BEAUTIFUL — IT IS INSPIRING —  
THE NEW MAYFLOWER ROOM.

Sometime ago Manager Ralph Lorenz of the Mayflower hotel said to the writer that plans were being made to rebuild the dining room of the Mayflower and make it "one of the most beautiful in Michigan" as well as symbolic of the historic name of the hotel and the city in which it is located.

Some two months have elapsed since that conversation. The other day the writer had a glimpse of the transformation that has taken place in the hotel and which the public is invited to see this Sunday.

To say it is "the most beautiful" in Michigan is putting it mildly. The new dining room of the Mayflower ranks far above anything of its kind in Michigan or of these entire United States. Yes, there are many larger dining rooms, decorated with all that glitters, but no where can one find what can best be described as a sort of historic shrine, where the decorations and the surroundings just naturally make one feel proud to be a resident of Plymouth and a citizen of a country that has flashed into world leadership in just a little over three centuries since the Pilgrim fathers landed on our shores.

A feeling of reverence and gratitude almost instantly comes over one as he enters the hotel dining room, hereafter to be known as the Mayflower Room.

Frankly, ONLY citizens possessing the highest degree of patriotism and devotion to the ideals of the TRUE America could have designed and brought into existence such an inspiring, patriotic, and delightful place in which to dine.

Here one can enjoy the bounty of a free America. The truly American surroundings will just instinctively revive a stronger hope for the future and provide added inspiration to carry on the struggle for the kind of free existence and a freedom of worship the Pilgrim fathers brought to America.

What has been done by those who direct the affairs of the Mayflower is not only a tribute to the spirit of our country, but to the citizens of a community that are always proud to say that they live in PLYMOUTH, Michigan—a city possessing one of the great names in American history.

## THE DOCTRINE OF TRUMAN HENCHMEN.

Heard a well-posted resident of this city assert the other day that the present day doctrine of the Truman ward-healers and other henchmen seemed to be this —It is perfectly O.K. for one to lie and steal providing he is associated directly or indirectly with the present administration in Washington. If he is a Republican or some one opposed to the Pen-degast politicians, then it is high crime for any one to lie or steal. Boiled right down, that seems to be about it.

## WHAT ARE THEY WAITING FOR?

Have been watching the newspapers lately to see what happens to this fellow Gabrielson, who is chairman of the Republican national committee. He hasn't resigned as yet and we haven't read anything about his being kicked out of office. Unlike the New Dealers, he didn't apparently do anything wrong in connection with his dealings with the Reconstruction Finance Corporation, but in our book ANY Republican or other decent citizen who occupies a position of any kind with the Republican party has no business as a lawyer or a layman in having any sort of association directly or indirectly with this governmental agency.

Chairman Gabrielson displayed his unfitness for his position by trucking with this Truman outfit, even though what he did may have been strictly on the up and up. If any one in his position looks so lightly upon his actions in this respect, does not resign, then he should be KICKED out.

It is quite amazing—we've heard a lot of Republicans utter this same sentiment—and they have expressed disgust at the action of some members of the Republican national committee in voting resolutions of "confidence" in this fellow. We say the mere fact that he did what was all within the law, he dirtied his fingers by what he did—and he should GET OUT NOW.

## "JUNIOR" MOODY BLABBING AGAIN.

What a crack-pot this Senator Blair Moody has turned out to be. As an example of his rantings he told the members of the Detroit Economic club the other day that for every government official who is corrupted there is a "business man" who has not only violated his own integrity but has contributed to the destruction of confidence in government.

Well, Mr. Smart Aleck Moody, will you please tell us who the "business men" are who have corrupted the government?

Are they not ALL phony political hangers-on and near good-for-nothings that crawled out of the sewers and rat holes with the New Deal and Fair Deal to get a "cut" of the New Deal and Fair Deal tax-money "swag"?

Name ONE real legitimate business man who has been mixed up in this bribery business if you can Mr. Moody. Your simple-minded assertions made in an effort to cover up the crookedness found everywhere and anywhere in New Deal and Fair Deal circles will fool no one.

The Detroit Free Press has nicknamed Michigan's junior senator, as Junior. That's pretty good—he talks and acts like any little Junior who has just discovered that he can talk.

## Local Drug Store Wins \$500 Prize

Peterson Drug won the national prize presented by Proctor and Gamble for the best window display of Proctor and Gamble Products.

Carl Peterson, owner of the store, was informed of this fact Monday when two representatives dropped into the store and presented him with a check for \$500.

There were 55,000 druggists throughout the country eligible to participate in this contest. The entire United States was divided up into 27 regions. To be eligible for the national contest, the store must win the regional title. Peterson drug was in the region that included all of Michigan.

The \$500 prize will be divided among the employees who worked on the window and Mr. Peterson. These employees are Josephine Meisler, Lee King, and Ralph Hunter.

"We just sent the picture in about three months ago, and then forgot about it," said Mr. Peterson.

## New Eating Place, Named The Arbor-Lill, to Open Thursday, Nov. 1

Norbert F. Lofy yesterday announced that his new eating place, known as "Arbor-Lill", located at the corner of Ann Arbor and Lilley roads will be open tomorrow, Thursday, November 1, for service. The dining room hours will be from 2 o'clock in the forenoon until 9 in the evening.

Mr. Lofy has made a most attractive dining room and a number of private dining rooms out of the south end of the Willoughby building, erected some years ago for fruit processing purposes. The north end of the building is being used for bowling by W. Lee Butler.

## Dr. Carlson Back at Office

Arthur C. Carlson has returned to his practice at the Carlson Health center after an absence of over a year. Dr. Carlson, who was injured in an automobile accident over a year ago, is now completely recovered. Dr. and Mrs. Carlson are still working together at the Health center on Ann Arbor trail.

CHARLOTTE GAFFIELD AND BILL HATCHER rehearse a scene from "I Like It Here" as Bill Merrill directs and Doris Lewis checks lines for the play which will be presented here November 7th and 8th by the Plymouth Theatre Guild.

## Award Prizes For Best Costumes-Painted Windows

Store windows in the city of Plymouth have been covered with orange and black designs in the spirit of Halloween and the fall season. Prizes have been awarded to the groups whose windows were considered the most atmospheric, the most original, the most seasonal, most comic, and best design.

First prize for the window decoration with the most atmosphere went to group 11 who decorated Kresge's window. Other firsts were: Best design, Wager shoe, group 21; seasonal, C. F. Smith store and Perry's Bakery, group 16; most comic, Krogers, group 5; and most original, West Brothers' Farm store and Linda Lee shop.

Atmospheric windows rated second and third were Stop and Shop decorated by group 6 and Union Investment decorated by group 2. Second prize for the best design, was awarded to group 18 who decorated Plymouth Mail and Wood Insurance company. Rated second in the seasonal division was group 20 who decorated Allison's Chevrolet. Best Little shop, and Liberty hardware, third in this division was group 17 who decorated Fisher Shoe store.

The second most comic windows were Novi Auto parts and Plymouth Men's wear decorated by group 15. Group 10 who decorated the windows of the D. and C. store ranked third in this category. The windows at Kade's and Eger-Jackson's decorated by group 7 rated second in the most original group.

The Rotary Anns under the chairmanship of Mrs. George Smith obtained the prizes for the costume winners. Members of her committee were Mrs. Henry Walch, solicitor, Mrs. Russell Daane, Mrs. Louis Goodard, Mrs. Frank Arlen, and Mrs. Earl West. Prizes awarded to girls were for the most attractive, most original, and the most funny. Most attractive, awards were: first, a pocket book; second, four quarts of ice cream; third, a cologne set. First prize for the most original costume was a baby doll, second, four quarts of ice cream, and third, a pocket book. A locket and bracelet set was first prize in the most funny division, second in this class was a box of hershey bars and 2 scarfs, and third, a billfold.

In the boys division, prizes were awarded for the most weird, the most original and the most funny. In all divisions the prizes were the same: first a pistol set, second, a soft ball, and third a flash light.

These prizes were donated by Plymouth Lumber, Cloverdale Dairy, Plymouth Coal and Lumber company, S. S. Kresge Company, and Whitman and Barnes. Other companies donating prizes were Daisy Manufacturing com-

## Rector Named by Episcopalians

The many friends of St. John's Episcopal church will be happy to learn that the Reverend David T. Davies, Rector of Trinity church, Bay City, has accepted a call to St. John's. Mr. and Mrs. Davies and family will arrive November 15 and Mr. Davies' first service will be Holy Communion on November 18.

## Children Raise Fund for Charity

One thousand children overseas will have seven extra glasses of milk, thanks to the efforts of the Presbyterian junior youth fellowship and several members of the Sunday school class.

These children, dressed in Halloween costumes, went out October 30 begging for pennies. After addressing the person who opened the door with the usual "tricks or treats" they explained that they were begging pennies to buy milk for European children. Approximately \$100 was collected in this manner. Each dollar will buy 70 glasses of milk. The money will be forwarded to the United Nation's International Children's Emergency fund.

## 1500 Persons Attend Opening

Over 1500 persons attended the opening of Plymouth House, Friday, October 26," stated Mr. John Melczek, owner. "We were well satisfied with the response we received from the residents of Plymouth and vicinity," he continued.

The only advertising which the Melczeks used was an ad in the Plymouth Mail. There were far more than expected attending the opening. The total number of visitors on Friday and Saturday amounted to almost 2,300. "With an opening as large as this, we can look forward to doing a good business in the future," said Mr. Melczek.

## Teachers' Club to Hear Mrs. Dondineau Speck

"Highlights of the Annual Meeting of the World Organization of the Teaching Profession" is the title Mrs. Bernice Dondineau, supervising teacher of the Wayne County Schools, has chosen for her talk to the Plymouth Teachers' Club at their regular monthly meeting Tuesday, November 6.

The Mayflower hotel Schrader Funeral home and Stop and Shop.

## Chest Drive Lags as Final Appeal is Made Locally

With two weeks of the Campaign already past, Chest Drive workers were anxiously watching the mails for signs that Plymouth folks would, after all, meet their Community obligations.

Faced with budgets totaling almost 41 percent more than in 1950, Norman Marquis' Committees have worked very hard to contact every business place, every industry and every Plymouth home for aid.

"We had hoped," Norm Marquis, Drive Chairman said, "that the mail campaign would yield more money for Plymouth's social agencies than the house-to-house solicitation we made last year. The ladies who so generously gave their time last year were able to visit only a fraction of the homes in Plymouth and Plymouth Township."

"That's why," Marquis continued, "we depended on the mail solicitation this year. We know the people of Plymouth are generous when they realize how their dollars are needed to help us finance the Boy Scouts, the Girl Scouts, the Plymouth Children's Dental Fund, the Recreation program and the emergency services of the Salvation Army—Plus all the services available to Plymouth folks through Detroit's United Foundation, of which we are a part."

At week's end, the Committee had received less than a quarter of its \$17,000 budget, despite larger contributions from Plymouth Industrial plants than last year and from individual contributors who conscientiously boosted their checks higher than last year. But less than 4 per cent of those who received Community Fund envelopes through the mail have responded to the Committee's plea for funds.

"The Plain fact is," Robert Stewart, Fund president and Ford executive stated, "That most of us feel inclined to let George do it. All of us, who are Plymouth citizens, owe the obligation to GIVE IN PLYMOUTH FOR PLYMOUTH COMMUNITY SERVICES. That means me, and it means you."

With just a single week of the Drive remaining, then, won't you Mr. and Mrs. Plymouth, look into your mailbox again, and look in to your heart? Won't you please enclose the dollar, five dollars—whatever you can afford—and send it to THE PLYMOUTH COMMUNITY CHEST, BOX 356, PLYMOUTH, MICHIGAN?

If the Committee's envelope hasn't reached you, and you want one, phone 9117. But you don't need a special envelope. Any one will do. Just enclose your contribution, with your name and address, and send it to Box 356. PLYMOUTH'S KIDS, HER OLD FOLKS, AND HER HANDICAPPED FOLKS ARE COUNTING ON YOU.

## Northville Show to Reopen Again

At the request of businessmen and many of the residents of Northville, theatre owner Harry R. Lush has announced the fact that he will again reopen the Penniman Allen theatre in Northville.

Closed for the last few months because of lack of patronage by the people of Northville Mr. Lush has again agreed to attempt to keep the theatre operating if it can get enough support from the people in that area to at least pay operating expenses.

For the past several years the theatre has shown consistent losses in revenue and during the last two years the cost of operation became so high it was impossible to carry the burden. However once more willing to attempt to comply with the wishes of Northville businessmen Mr. Lush has agreed to open the theatre and if it can pay its way, even without profit, he will keep it operating.

The reopening will be Sunday, November 4 at which time John Wayne will be featured in the picture "Flying Leathernecks." The second feature attraction will be Walt Danley's "Alice in Wonderland."

## Public Invited to See Hotel's Beautiful New Mayflower Room Sunday Afternoon

Reproductions of two of the ten beautiful paintings that have become a part of the decorations of the new Mayflower room of Plymouth's community hotel. The picture to the left is a copy of the famed painting of the observance by the Pilgrims of the first Sabbath day in Plymouth. The other picture is a reproduction of a painting depicting the determination of the Pilgrims to stay in America as they watch the empty Mayflower start on its return trip to Plymouth, England.

Plymouth residents and friends of the Mayflower hotel living in neighboring communities and cities have a special invitation to visit the hotel this next Sunday afternoon, November 4, anytime between 1 and 5 o'clock and see the beautiful new "Mayflower Room" that has been created out of the former Crystal dining room.

Those who accept this public invitation will be amazed at the transformation that has taken place.

Without question the Mayflower can now boast of having probably the most beautiful dining rooms of any hotel of its size in the country. It is not only a place of beauty, but its decorations, and its furnishings bring to life again the historic period when the names of Mayflower and Plymouth were being written into pages of American history.

Ten paintings by famed artists depicting events of early Plymouth colony history have been made a permanent part of the decorations of the walls of the room. The woodwork of the finest type of early American style and produced by the Henry Penhale wood products plant of Plymouth is in itself a work of art. A prominent furniture designer of Grand Rapids, a recent visitor at the Mayflower, declared the woodwork of the new Mayflower Room was among the finest he had ever seen.

The indirect lighting of the room has been worked out to perfection. In place of the window on the south side of the room a fireplace has been built, a fireplace that really works.

A new air conditioning system has been installed that not only keeps the air purified at all times, but quickly removes all smoke fumes from the room.

Manager Ralph Lorenz, who has for years dreamed of creating a dining room depicting Pilgrim, Plymouth and Mayflower history, and who has devoted months and months to accumulating accurate data, has not overlooked a single detail in the masterful work that is now being completed.

Not only has the Mayflower created a dining room that will for years to come reflect credit and honor to this city, but Mr. Lorenz has also refurnished and newly decorated most of the rooms of the hotel.

The public is also invited to see these rooms on their visit to the hotel Sunday afternoon.

They will see the reason why the Mayflower last year registered more than 18,000 guests and why the total this year will jump to more than 22,000.

They will enjoy Mayflower hospitality, too, by partaking of light refreshments and punch that will be served amid the most beautiful surroundings that can be found anywhere in this country.

It is rather an interesting fact that the Mayflower room will be open for public service on Sunday, November 11, just 331 years to the very day that the Pilgrims

## Plymouth Knights of Columbus And Masons to Hold Friendship Banquet

Monday evening, November 5th at the Masonic Temple will take place the second annual friendship banquet, given by the members of the Plymouth council of the Knights of Columbus in return for a similar courtesy extended last year by members of Plymouth Rock lodge of Free and Accepted Masons.

Last year Plymouth Masons extended the hand of friendship and good will to members of the newly organized Knights of Columbus of this city, and gave a banquet in honor of the members of the Knights of Columbus.

This event, seemingly just a routine community affair, say officers of both organizations, is typical of the good will and the friendship prevalent in this city that since its founding has endeavored to carry out the traditions of the honored name it possess. It is expected that there will be several hundred present.

Theodore Gronowick, chairman of the event, has secured as guest speaker Ernest F. Rossi, deputy of district 25, Knights of Columbus Detroit. Mr. Rossi is an attorney in Detroit.

State Deputy Vincent T. O'Meara will also be a guest of honor. Students from the entertainment school of the Ford Motor Company will also perform.

## Rotarians Hear Pastor

Rotarians heard Reverend Franklin D. Elmer, pastor of First Baptist church of Flint, speak on "This Wonderful World in Which We Live" at their regular meeting October 29.

Reverend Elmer's talk was illustrated by colored slides showing the wonders of nature and what they mean to mankind. Mrs. Elmer assisted by operating the picture projector.

## Plymouth K. C. Council Initiates

Plymouth Council 3292 of the Knights of Columbus initiated 24 first, second, and third degree Knights, Sunday, October 28. The initiation took place at the Bishop Foley Knights of Columbus Council hall in Dearborn. There was a dinner following the initiation.

John L. Allen, Robert Cummings, Donald Gronowick, James McGraw, Jack F. Paige, Bernard Schmitz, Richard Waga, Richard Zielasko, and John Pint were among those initiated.

Others were Dario DeMasellis, Foster Kisabeth, George Skiba, Steven Schultz, Richard Wisniewski, Peter Wooton, and Albert Wyland. Completing the list were Earl Bradley, John Doherty, Joseph Gray, James Keil, Edward Mulry, and Alexander Wnuk.

left the Mayflower and went ashore on the eastern coast of these Great United States. On and after November 11, the Mayflower room will be open daily for lunches and Sunday dinner service.

The room will be set aside for evening banquets. The capacity of the room has been increased so that 120 customers can be served at one time.

The coffee shop will remain in constant service and the smaller Pilgrim dining room will continue to be used for parties and overflow accommodations.

## Arrest Prowler Others Reported

Police arrested Whitney P. Pierron of Ann Arbor trail October 24 while he was trying to enter a window, police reports state. Pierron was on the roof of 737 Maple reaching across to a window at 739 Maple. Mrs. John Cover, who owns the house, and fents rooms to several girls, called police and reported the prowler. She had previously reported other prowlers, but they left before police arrived.

According to police reports, charges were not pressed, but Pierron was exiled from the state of Michigan. He was told to return to his home state of Louisiana.

Other residents have reported prowlers, but police believe that they have no connection with each other, or with the Pierron arrest.

October 26, a man was reported advancing down Joy street peeping into windows, he turned and cut over to the dead end of Fairground, say police reports. There was no description other than the man was about 25 years of age. Police were not able to locate the man.

There were two separate prowler reports for October 29. Mrs. Kenneth Voss of 187 Union called police to report someone trying to get in both her front and back door. One of the men was described as tall, and the other short. According to Police reports, the prowlers escaped down Hamilton.

Mrs. Gilbert Williams of 581 Karmada was watching television when she heard noises in the back of the house, state police reports. Investigation disclosed that the screen was off, the window open and the bedclothes were outside on the ground. There was no trace of the person or persons involved.

Police Chief Carl R. Greenlee states that every year at about this time there are a number of prowlers reported in the city. Local residents are warned to watch for prowlers and call the police as soon as possible that a capture might be made.

**Hundreds of Plymouth Homes Are in Need of Street Numbers**

Not so long ago house numbers in Plymouth didn't mean so much—but now house numbers have become a real essential—all because Plymouth almost overnight has become one of Michigan's fastest growing little cities. So many new houses have been built, so many remodeled and painted that house numbers have

become most essential. A few years ago it seemed that everybody knew where everybody else lived—but that isn't so any more.

Frequently one is asked on the street where to find a certain number on Main street, or Pennington avenue, or Mill street or some other street. Search of the directory reveals that the family lives at a certain number on a certain street. But in trying to find that house is like looking for a needle in the straw stack, because the prospects are that in most cases there are no numbers on the house.

It would be of vast help to everybody if every house in the city was properly numbered—and how the taxi drivers in Plymouth would like to see such a thing happen.

**European Trip by Car Experienced by Local Couple**

The thrilling experience of travelling throughout Europe in a car was the fortunate lot of Mr. and Mrs. Roy Jacobus of 3936 Warren road on their recent visit to England and the Continent. The car in which they toured England was provided by the Ford Motor Company of London, and the one they used in travelling the countryside of Europe was furnished by the Ford plant of Amsterdam, Holland. Mr. Jacobus is the Insurance Manager of the Ford Motor Company of Dearborn.

The Jacobuses left New York as passengers of the Pan-American Airlines and arrived in London 16 hours later. The small English Consul car of the Ford company in London awaited them at the airport, and after visiting the plant, they saw Oxford University, Lloyds of London, Shakespeare's birthplace, Stratford on Avon—while in the later place they attended the beautiful Shakespearean Memorial Theatre, which stages Shakespearean plays. Mrs. Jacobus says the acoustics were wonderful and the audience very appreciative.

Through a letter from the Ford Motor Company they met the Labor Attaché at the U. S. Embassy in London, and with her and his wife they went shopping, visited Windsor Castle, 10 Downing street and Scotland Yard. Mr. Jacobus states that most of the English people they talked to were ready for a change in government.

From England they motored to Wales where Mrs. Jacobus spent some enjoyable hours with relatives she had not seen for years.

Back in London they boarded the Dutch Airlines for a trip to Amsterdam, Holland. Again they visited the Ford plant there and spent an evening with the manager and his family in a beautiful cottage on the North sea. Another car was placed at their disposal to tour Europe. They motored down to Brussels, Belgium. While there they visited the American cemetery at Henri Chapelle, where 8000 American soldiers, who gave their lives in the Battle of the Bulge, are buried.

The Jacobuses say food seems to be more plentiful on the continent than it is in England.

Touring down the beautiful Rhine valley into Germany they saw many peasants at work harvesting the crops in the old primitive way.

In Germany many buildings still are leveled from the bombings during the last war. They made a special trip to Wurzburg to see Pfc. Jim Law of Plymouth, who is stationed there, but Jim was out of town that day.

In Switzerland they drove over the highest passes, but their greatest thrill was while driving along the countryside near evening and listening to the hundreds of cowbells ringing out their musical chimes. Geneva was very fascinating.

They continued on to Nice, Cannes, Monte Carlo and the French Riviera. An evening was spent in a villa just outside Monte Carlo. In Paris they visited the Ford plant, went up in Eiffel tower and shopped.

From Paris they caught a Pan-American plane back to New York and arrived home exactly one month after they had departed.

The Jacobuses both say the car added much to their trip and they were able to see many things the ordinary tourists doesn't have time to see.

The both were happy to get back home to their many friends in Plymouth.

**Jaycees to Hear George Fraser**

Dinner meeting at the Mayflower hotel, November 7, at 7 p.m. is the first step in the reorganization of the Plymouth Junior Chamber of Commerce. George Fraser, former state president and current International director of J.C.C. International will be the keynote speaker. Reservations may be made by calling John Gaffield at Plymouth 72.

Mr. Fraser will speak on "Opportunities for the Young Man." When he was state president of the organization, Mr. Fraser won the Clayton Frost award as the outstanding president in the United States. He has also received the Distinguished Service award as the outstanding young man of Port Huron. As a member of the Michigan friendship food caravan, Mr. Fraser travelled to France. He has held the post of president of the Port Huron J.C.C., vice president of the Michigan Jaycees, vice chairman of the international relations committee of the United States Junior Chamber of Commerce, secretary of the United States Y.M.C.A., chairman of the United Foundation for the St. Clair county, and vice president of the Citizen's League.

Currently Mr. Fraser is a member of the Detroit Junior Board of Commerce Board of Directors, a state director for the same organization and international director of the Junior Chamber of Commerce International.

The capybara, a native of South America, is the largest of all living rodent animals, being in excess of three feet in length. A water-loving animal, it can remain underwater for eight to ten minutes.

Bears are rather solitary, the females wandering about alone, the males accompanied by cubs as big as themselves.

In Shawneetown, Ill., Gene Oldham and John Nelson broke into the city jail, robbed a prisoner of \$150.

In Fort Wayne, Ind. attendants at the C. M. Sloan & Sons funeral home noticed a mourner fondly clasp the hand of the deceased, later noticed that a \$150 ring was missing from the corpse's finger.

**European Trip by Car Experienced by Local Couple**

The thrilling experience of travelling throughout Europe in a car was the fortunate lot of Mr. and Mrs. Roy Jacobus of 3936 Warren road on their recent visit to England and the Continent. The car in which they toured England was provided by the Ford Motor Company of London, and the one they used in travelling the countryside of Europe was furnished by the Ford plant of Amsterdam, Holland. Mr. Jacobus is the Insurance Manager of the Ford Motor Company of Dearborn.

NICE furnished apartment with private bath. 37706 Plymouth road. 6-1tc

UNFURNISHED APARTMENT FOR RENT. Located on pavement near stores and transportation line. This is an upstairs 5-room apartment—plus bath. This will be an apartment for non-smokers and non-drinkers. (Yes, there are still a few of this kind left.) No children, no pets. Owners like children, but these quarters are not suitable for the kids. Also plus—a covered 6x15 foot upstairs rear porch. Owners plan to enclose porch later. Entrance to apartment is from rear outside private stairway, or through owner's own front door downstairs to inside stairway, then up to the inside private entrance. Sounds complicated, but it's easy. This would be an ideal apartment for a young business couple—either one or both working, for school teachers or for other professional or well employed people. There would be no objection should tenant sublet one room to a suitable third person. The amount of rental charged will include electric current, gas, hot water heat in all rooms. Might also include other extras later. Rental, including the extras, \$100 per month. No lease required, but tenant to advance \$200 at time of occupancy. Under this arrangement the tenant will thus pay in advance for his first month and his last month of occupancy. In other words, tenant pays on the first day of each month for one month in advance, and then when a payment time comes due and no payment is made, this to indicate that tenant's last month of occupancy has arrived and has already been paid for. Suitable tenants will find owners satisfying and agreeable people to get along with. Apartment ready December 1st or possibly earlier. Interested persons please state qualifications and reply by letter to Box 1534, The Plymouth Mail. 6-10-2tc

Harold Secord in Korean Rescue

A release from the 5th Air Force Headquarters in Korea states that Pfc. Harold Secord, son of Mr. and Mrs. Harold Secord of 671 Jener, participated in a rescue of an American flyer, while under fire of shore guns off the northwest coast of Korea early last month.

Harold is a member of the Air Rescue Squad, and the Dumbo flying boat, of which he is a crew member, got stuck in the mud after they had rescued Capt. Virgil V. Wood of Louisville, Kentucky, who had been floating around all day on a life raft after his Mustang had been shot down by the enemy.

Lt. Henry L. Boydanski of Pine Island, New York, gave the Dumbo full throttle and pulled it free.

Pfc. Secord enlisted in the Air Force the day after Thanksgiving 1950. In April he was sent to Radar Training school at Biloxi, Mississippi, and after graduation was assigned to radar in a rescue squadron.

Many of his high school friends will remember that Harold was always interested in athletics. He is now playing on the football team at his base, and currently his team is in second place.

His address is Pfc. Harold Secord, AF 16344184, Flight D, 3rd Air Rescue, APO 75, c/o Postmaster, San Francisco, California.

Improve Area For Parking

Development of additional parking facilities for patrons of Star and Shop will be finished by Friday of this week according to Jay Rucker. Workmen finished the setting of poles around the area Wednesday and by Friday a complete blackout surface will be ready to accommodate the store's many patrons.

Lights will be set on the lot and store officials estimate that with a one hour parking limit in force at least 90 cars can be accommodated during each hour. On this basis some 900 cars can use the lot each day during the shopping hours.

The entrance to the lot which is directly behind the store will be from the Forest street side and the exits will empty onto south Harvey street.

In Los Angeles, after LaVon Petee refused to kiss her fiance, Harry Bateson, she charged that he was ruining her business by forbidding the students in his horticultural school to enter her restaurant.

New Mail Ad Manager Buys Christensen Home

Mr. and Mrs. William Sliger moved into their new residence at 957 Palmer street last week-end. They purchased the residence from Mr. and Mrs. Harry Christensen who moved a few months ago to a new home on Irvin street.

Mr. Sliger is advertising manager of the Plymouth Mail.

South Lyon Now on Free Phone Call Area Plan

The Michigan Bell Telephone Company announced this week that beginning at 12:01 a.m. November 7, toll charges on telephone calls from Plymouth to South Lyon will be eliminated.

At that time, said George P. Hartwick, Michigan Bell manager here, the company will introduce a new and expanded service which adds South Lyon to the Plymouth extended-area plan.

Last June, Michigan Bell added Northville tele-phones to the plan, and with the forthcoming addition of South Lyon, the company's expansion program will bring to six the number of exchanges which Plymouth users can reach without toll charges.

Hartwick predicted that extended-area service between Plymouth and South Lyon will be "as popular as the service is already between here and the five other communities in the plan."

Esides Northville, those communities are Ann Arbor, Livonia, Wayne (including Middlebelt), and Ypsilanti.

New Plymouth telephone directories, which will include South Lyon numbers and those of the other communities in the plan, will be delivered here a few days before inauguration of the new service, Hartwick said. He added that the new service is offered at no additional cost to Plymouth subscribers.

In Sydney, Australia, cops charged Robert Clifford, 39, with getting jobs at four different firms, then putting in anonymous telephone calls to notify the employers that their new man was an untrustworthy ex-convict, and collecting from each the week's pay required by the law.

Tax Reduced on Telegrams

The 1951 Revenue Act, signed by President Truman today, carries a 40 percent reduction in the Federal excise tax on telegrams that will save the public more than \$14,000,000 annually. It was announced by R. H. Crabtree, local manager of the Western Union Telegraph Company.

The Act reduces the telegram user's excise tax from 25 to 15 percent, but leaves other communications tax rates within the United States unchanged.

Combined with greater word allowances for telegrams and night letters which were announced recently, the \$14,000,000 tax cut for telegraph users is expected to result in greater use of telegraph services, Mr. Crabtree stated.

In Chicago, after Edward Steinberg received a \$235 check from an insurance company to cover the loss of goods stolen from his ship, someone robbed him of the check.

### Wayne Runs Over Rocks to Win 32-0

Wayne High fielded a football eleven that completely outclassed the local team in all phases of the game last Friday evening to win by a score of 32 to 0. The heavier Zebra line outgained the Rock line so that our backs had little chance of getting beyond the line of scrimmage and often were dropped behind the lines for losses. Bud Lanphear's punts were rushed, one was partially blocked and one blocked for a touchdown. The Rocks' passers didn't have a chance to find a target because of the fast-charging Zebra forward wall.

The game wasn't very old when the crowd sensed that the Rocks were in for a rough evening of football. A series of short rushes and a long pass set the stage for Chuck Henwood, a former Plymouth boy, to go 5 yards off tackle for the first score. A few minutes later Jim Macomber crashed thru the line to block Lanphear's punt and then picked it up and ran 35 yards for the second TD. Both extra points were missed and Wayne led 12 to 0 at the end of the first quarter.

Near the end of the first quarter Wayne fumbled and Bob Kuceny recovered for Plymouth on the Wayne 40. On the first play of the second quarter Don Beaver's pass was intercepted by Dean McClelland, who made a sensational 80 yard run for Wayne's third TD. The extra point was good and the Zebras led 19 to 0 at the half.

The Rocks played the Zebras to a standstill for most of the last half until Wayne began a march five minutes before the end of the game and Henwood zigzagged 15 yards for his second score. On the last play of the game, Henwood scored his third six-pointer when he galloped over from the two-yard line to make the final score read 32 to 0 in favor of Wayne.

The Rocks were held to their lowest yardage of the season by the big Zebra line. The fast Plymouth backs could only gain a net total of 55 yards by rushing and 9 yards from passes. Dave Travis, who has averaged 6 yards per try this year, was held to an average of 2 per try as he gained only 34 net yards on 15 carries—Bill Runge was the other back to have a plus net yardage as he gained 22 yards on 6 carries.

Plymouth completed one pass for 9 yards from Lanphear to Travis. They had 3 incomplete and 2 intercepted.

In first downs the Zebras had a total of 11 to 3 for Plymouth. Lanphear averaged 27 yards on his kicks—one being blocked and one partially blocked.

Wayne passed 15 times and completed 6 for 119 yards—two were intercepted.

The Zebras were penalized a total of 45 yards to 0 for the Rocks.

Tomorrow is an open date for Plymouth, but they will conclude the season November 9 with a game at Garden City.

### H.S. Girls' Volleyball Tournery Now Underway

A girls' volleyball tournament started Monday, October 22, after school. The teams were organized out of the girls that were at the meeting, and the only ones eligible to play are the ones who attended this meeting. Mrs. Delores Caldwell is the instructor.

Volleyball will be played each Monday and Thursday after school.

### Rock Harriers Second in League

The defending 6-B Suburban League cross-country champions, the Plymouth Rocks, nearly pulled an upset by losing to repeat as champion this year. The Rock triumph was rated no higher than third in the league meet at Belleville last week but came within 3 points of winning the meet.

Trenton is the new champion when the Trojans five men finished with a total of 39 points. Plymouth was second with 42. Belleville third with 45. Bentley fourth with 96. Pottford Union had 152 and Allen Park came in last with 183.

Plymouth's John Balogh is the new individual champion when he romped home in the good time of 11:02.2 for the two-mile grind. Ed Grosvenor came in fifth. Leonard Ferguson sixth, Jim Blanton thirteenth and Marvin Green seventeenth.

Next Saturday Plymouth will enter the state meet at Ypsilanti. All classes will compete for trophies. The Rocks will enter class B. All classes will compete at the Waukesha County Club beginning approximately at 10:30 a.m. This meet will end the season for the Rock harriers.

### Frosh Game By Lights Tomorrow

The ninth grade team will provide the thrills for the football fans in this area tomorrow night when they tangle with the Trenton ninth grade team under the lights on the high school athletic field at 7:30. This will be the first game under the lights for the junior Rocks.

Tomorrow is an open date for the high school gridlers, who have only one game left—that with Garden City away on November 9.

The frosh have been improving with each game and several of the boys you will see play tomorrow night will be on the varsity squad next year.

The varsity club is in charge of this game and refreshments will be served at the shack. Tickets will be reduced to 25 cents to everyone for this game. They may be purchased at the school or at the gate at night.

This game will conclude the high school football season on the local field for this year.

If you are giving a large party you can make extra coasters out of aluminum foil. Just draw circles on the foil an inch larger than the bottom of your drinking glasses and cut out with pinkie shears. Then turn up the edges of the foil a quarter of an inch all around.

### 60 Boys Respond to Basketball Call

Sixty boys responded to Coach John Sandmann's first call for basketball last week. Practice for these boys will begin soon as the first game comes this year on November 30. More boys will become available when the football season is over.

Last year Plymouth placed second in the league, won the district tournament and were ousted in the first game of the regional when Utica upset them.

Practically all of last year's varsity graduated and a new team will have to be developed.

### Hunter's Ball at WWCCA Sat. Eve

A Hunter's Ball will be staged Saturday, November 3, at eight o'clock in the clubhouse on the western Wayne County Conservation Association located on Joy road, according to Dr. B. E. Champe, association secretary.

Sod Schaffer and his orchestra have been obtained for the big occasion. The public is invited to attend, and may come dressed in any way they choose.

Refreshments will be \$1 per person.

### Jets Unbeaten in Touch League

Only one game was played in the touch football league last week. The contest played was that between the Catholic Tigers and the Bird Spartans Juniors. The Tigers won their second game of the season as they edged the Jr. Spartans by a score of 7 to 0. The Tigers are now in third place.

The big game of the week schedule between the unbeaten Starkweather Jets and the once-beaten Bird Spartans was rained out. The other contest rained out was that between the Bird Spartans and the Bird Jr. Spartans. These games will be made up at a later date.

STANDINGS  
Starkweather Jets 5 0  
Bird Spartans 4 1  
Catholic Tigers 2 3  
Smith Rockets 1 4  
Bird Jr. Spartans 1 4

### Parents to Stage Athletic Pot-luck

The parents of the football boys, cross-country boys, and the cheerleaders are giving an athletic pot-luck supper for the squads on Monday, November 12, at 6:30 p.m. in the high school gymnasium. This is a final tribute to the students who have represented our school and community so well in the fall athletic events.

A member of the Coaching staff of Michigan State college will be present to give a talk and show films on football games.

Turkey will be the main dish and everything else will be pot-luck. All parents are urged to attend and several guests have been invited.

Read the classified pages.

### Sports Glances

Plymouth would have been benefitted very much if Chuck Henwood had remained in the local school instead of moving to Wayne. The star football and track man of Wayne formerly attended the local school through the eighth grade. He is one of the fastest, shiftest backs I have seen this year.

The Wayne line was an exceptional one for a high school eleven and they were big and rugged. The ends McClelland, Macomber and Henwood should all receive recognition on the all-state squad.

Our boys need not be a bit ashamed by losing to such a powerful squad. After all they have beaten several good class "A" schools this year, and are currently rated one of the better class "A" teams in the state.

I think it a grand idea that the parents of the football boys, cross-country boys and the cheerleaders have arranged to have an athletic banquet for their boys and girls who participated in the fall sports program.

At the end of a hard season of faithful practice and games these boys deserve some sort of recognition and appreciation and I know that these boys do appreciate it.

I think it should be an athletic banquet for all fall sports and not just single out one sport. After all the cross-country boys and the cheerleaders did what they could to represent their school and community, and they did a grand job. Hats off to the parents who are responsible for arranging this banquet.

For the past several years the Rotary club and the Men's Brotherhood of the Presbyterian church have given football banquets each year to show the boys that someone was interested in them, and I know the boys appreciated each for the interest shown.

### Snow Drifts Block Hunting Trip of Three Plymouth Nimrods

And what do you think the "alibi" is this time—the excuse, that is—why Matt Powell, Bert McKinney and Dewey Cobb, have for not getting that deer up in Canada they drove over 4,000 miles to bag and then didn't bag it?

Remember last year it was too warm. They said they picked wild flowers in the woods some 200 miles north of Port Arthur up between Lake Superior and Hudson Bay.

Picking wild flowers isn't the excuse this year—they say they got snowbound and had to turn around and come home because the trail road was blocked with snow and they just couldn't get through. That's that anyway. It's their story, and the weatherman does add a bit of substantiating testimony in his record that northern Canada has been hit by a pretty general snowstorm.

Friends are recommending that the three "long distance hunters" confine their deer hunting trip next year to Livingston county, 25 or 30 miles from Plymouth. Up there they might see a deer even if they don't get a shot at one.

### Dolletes Perform at Game

"The Dolletes" was the name chosen by a group of 13 girls, who performed with their batons at the football game Friday night, October 26, between Wayne and Plymouth.

The girls, under the direction of Miss Dolly Porritt of Northville, dressed in uniforms of red and white, tip toed on the field to a weird tune played by the Plymouth High school band, under the direction of Mr. Lawrence Livingston.

The twirlers then formed a happy round of a pumpkin while the band formed the eyes and nose. The band members then laid their hats down to form the eyes and nose while they themselves made the outline of the pumpkin. The band then played Peter, Peter Pumpkin Eater followed by a march while "The Dolletes" went through their routine.

### Theater Guild Opening Night Approaches

For the past two weeks members of the Plymouth Theater Guild have been in a whirl of activity as the opening night of "I Like It Here" looms near at hand.

Those members connected directly with the cast have been rehearsing these nights a week with William Merrill directing and Mrs. Earl Lewis assisting. Besides actual rehearsals many more hours must be put in just synchronizing lines.

Behind the cast, however, stand three other individuals without whom the curtain would never rise. In charge of ticket sales are co-chairman Effie Kuisel and Bob Barney. Their main concern is to encourage members to sell tickets. Just in case some prospects are missed, however, arrangements have been made to sell tickets at Bever's Drug (on Forest), Barney's Grill, and Community Drug.

Almost any show requires such sundry articles as ash trays, chairs, tables, pictures, flowers, and in the case of "I Like It Here", a Great Dane. The job of rounding up these many properties has been placed in the able hands of Alice Smith.

Warren Worth has volunteered his time to be responsible for the construction of scenery and along with Robert Ingram will handle the lighting.

As house chairman Lydia Argo has the responsibility of finding chairs and ticket takers. In the mean while others in the Guild have been painting posters, finding patrons, and running the thousand odd errands which always pop up.

After some changes the final cast now includes C. V. "Sparky" Sparks, Charlotte Gaffield, Maud Lewis, Jack Wilcox, Audrienne Gray, Doris Lewis, and Stan Taylor, all from Plymouth, while from Livonia come Ed Allworth and Ed Hatcher.

Certain time will be 8:15 November 7 and 8 at Plymouth High school.

In Pittsburgh, haled into court for poisoning her husband's grave with rat poison, Mrs. Margaret Keams declared that she had caught him coming home with his coat smeared on his shirt, exclaimed that she didn't really want to hurt him: "Rat poison doesn't kill rats. It just makes them sick."

### Woman's Club to Hear Mrs. Sidney Corbett

November meeting of the Plymouth Woman's club will be in the Smith school auditorium Friday, November 2, at 1 p.m. This is a guest meeting.

Mrs. Sidney Corbett who writes "Potshots from a Grosse Isle Kitchen" for a Detroit paper will be the guest speaker. Ideas for holiday meals will be discussed. Tea will be served to members and guests.

### Legion Doesn't Like Truman Mob

John Jacobs who recently returned from a trip to Miami with Mrs. Jacobs, where they attended the national convention of the American Legion, declares that if there is one World War veteran in these United States who is for the Truman mob of politicians, he didn't find him in Miami.

"Never once did I hear a single person say a good word for Truman or Acheson. You know the convention passed resolutions demanding that Acheson be forced to quit as secretary of state, but I presume he will stick on just as long as the present administration is in power," said Mr. Jacobs.

The former Commander of the American Legion post of this city and Mrs. Jacobs enjoyed their early fall visit to the south very much. They generally spend the winters in southern Florida and expect to return to Fort Lauderdale late in December or early January.

### Year Old Boy Dies Suddenly

Funeral services were held Friday, October 26 at 3:30 p.m. for infant Roy Charles Bennett, Jr. who passed away Wednesday afternoon, October 24 after a short illness at the age of eleven months and 28 days. His parents are Mr. and Mrs. Roy C. Bennett who reside at 551 Irvin street.

Besides his parents, he is survived by his grandparents, Mr. and Mrs. Roy W. Carpenter of Ann Arbor; Mrs. Edith M. Bennett of Plymouth and George N. Bennett of Birmingham, and other relatives.

Rev. Henry J. Walsh, D. D. officiated. Lullabies were played on the organ by Mrs. Alta Woodworth. The pallbearers were George Carpenter, George Bennett, Dean Coonce and Roy Carpenter. Interment was in Riverside cemetery.

### Edna McConnell Interred Here

Funeral services were held Sunday, October 28 at 1 p.m. from the Schrader Funeral home for Mrs. Edna Mae McConnell who passed away Thursday, October 25 after a short illness at the age of 57 years. Mrs. McConnell resided at 651 Evergreen street, and has been a resident of this vicinity for the past 23 years. She formerly resided in Sandusky, Michigan. She was a member of the First Methodist church of Plymouth and took an active part in the affairs of the church.

Surviving are her husband, Arthur McConnell; four sisters, Mrs. Elizabeth Schulz and Mrs. Gladys Lindow, both of Detroit; Mrs. Mabel Cowley of Peck, Mrs. Minnie Morris of Sandusky and her two brothers, Edward and Irvin Lindke, both of Crosswell, Michigan, other relatives and many friends. Her parents and one brother preceded her in death.

Rev. Melbourne I. Johnson officiated. Hymns were rendered on the organ by Mrs. Alta Woodworth. The active pallbearers were Harold Cowley, Roy Cowley, Stewart Lindke, Jack Morris McConnell and Bob Lindke. Interment was in Riverside cemetery.

### MOMS NEWS

Unit 15 MOMS of America, Inc. wish to express their appreciation to the merchants, also to others, who, by their donations, made possible the success of the card party and bazaar given by the unit on October 23.

Our president, Mrs. Maude Anderson, is attending the State Convention of the MOMS, being held in the Hotel Tuller in Detroit this week. Mrs. Anderson is also acting delegate, so we are looking forward to an interesting report from her at our next meeting.

We also extend a welcome to our newest member, Mrs. Eva Blackmore. We would like to have all mothers with sons or daughters in service in World War II or the Korean conflict meet with us, and learn more about our work. Next meeting will be held at 8 p.m. November 12 in Veterans' Memorial building.

### Local Men Attend Shoe Show in Chicago

J. C. Houk, manager, and Ed Houghaling, assistant manager, of Fisher's shoe store left Saturday for Chicago for the National Shoe Show. This is the largest shoe event of the year, according to Mr. Houk. There will be 350 shoe lines on display at three hotels. Spring footwear will be displayed.

On the return trip the men will tour the Ball Road underpass in Michigan, Indiana. This is the largest rubber foot-vac plant in the country.

### Hunters Create More Bad Feeling

Not much good will come out of the recent hunting season in spite of all the efforts of sportsmen organizations and newspapers to induce Detroit hunters to be more thoughtful of the farmer and land owner when hunting is possible.

The other day a car load of hunters in driving by the residence of Mr. and Mrs. Roy Lush, saw a big cock pheasant walking across the lawn of the Lindsay residence. Two of them got out of the car and shot the pheasant. Neither wore a hunting tag on his car as provided by law. Neither did they pay any attention to "no hunting" signs posted about the house. The matter was reported to the sheriff's office, but no action was made.

Another resident of the city has for years fed fox squirrels that live in the grove near his home. The other day some hunter shot a squirrel as it stood eating grain on one of the feeding trays that had been erected in the yard.

There are but a few of the many complaints that have been made in the past week or so.

### Salvation Army Leader And Prison Official Back From Conference

Captain William Roberts and Mrs. Ed Gardner returned from the recently held convention of the American Prison Association held at Biloxi, Mississippi.

Much of the discussion at the convention had to do with treatment made by various groups and especially the Salvation Army to help re-establish men and women as they are released from prison.

The Plymouth Salvation Army, even though not a large organization, has many times won high praise for its work in helping prisoners released from the Detroit House of Correction.

Assistant Superintendent and Mrs. Ed Gardner of the Detroit House of Correction, also attended the convention. As a result of the convention, a special fund has been set up to help the most conducted institutions in the United States.

Give your bill suits and coats a day or two or not between washings. Clothing care is the point out that they'll be more serviceable that way than if they're worn day after day without a rest.

### The Harry Lushs Become Most Enthusiastic Gardeners

Mrs. Harry Lush working in her beautiful California rose garden.

Interested in knowing what grows in a Plymouth miss who goes to the Golden State of California to grow with the best?

This picture tells a part of the story in brief. The many friends of Mrs. Harry Lush will be interested in knowing that she has become an expert in producing beautiful roses, building garden walls and in aiding her husband raise herbs for spices and in growing trees that are rare, even in California.

Mr. and Mrs. Lush, now residents of the beautiful Rancho Santa Fe valley near LaJolla, California, recently made a brief trip back to their old home town of Plymouth. During their short stay here their many friends soon discovered that both Mr. and Mrs. Lush had become enthusiastic gardeners.

The picture above shows Mrs. Lush building a sidewalk along a bed of unusual rose plants. The sidewalk is of brick and they were all carried and laid in their proper place. Mrs. Lush began the garden wheelbarrow shown in the picture that is being used with excess fill for the retaining top.

Right now the Lushs are devoting much of their time to a new kind of 27 trees of a new variety that is rare even in California. It is an orchard of macadamia nuts, a tree that produces a very popular nut, said to be much more delicious than any other nut grown in the west.

The branches of these trees grow up to the trunk and are supported by the fruit and are not cut off by the fruit and are not cut off by the fruit and are not cut off by the fruit.

So enthusiastic are Mr. and Mrs. Lush over their popular garden and tree hobby that they cut short their visit to old Plymouth friends in order to get back to the interesting and beautiful gardens they are producing in their adopted home.

Mr. and Mrs. Lush stated that they would be pleased to have any of their old Plymouth friends call and see their garden anytime they might be visiting in that part of the country.

### Luttermosers Move Back to Plymouth

Mr. and Mrs. Edward Luttermoser, former residents of this vicinity whose home was at the corner of Stark road and Ann Arbor trail, have moved back to Plymouth from the Traverse City area where they have resided during the past three years.

They recently purchased the Clifford Raum home on South Main street, corner of Marlin, one block south of the city limits.

Mr. Luttermoser one of the old time real estate dealers of this area, plans to resume his former business.

### Voices Needed For Messiah

There are openings in all sections of the Plymouth Civic Chorus particularly the tenor and bass. The group is rehearsing "The Messiah" each Monday evening from 7:30 until 9:30 in the high school gymnasium.

The performance will be given on Sunday, December 16, under the sponsorship of the Plymouth Symphony Society. The performers include the Plymouth Civic Chorus, soloists and the Plymouth Symphony Orchestra under the direction of Fred C. Nelson.

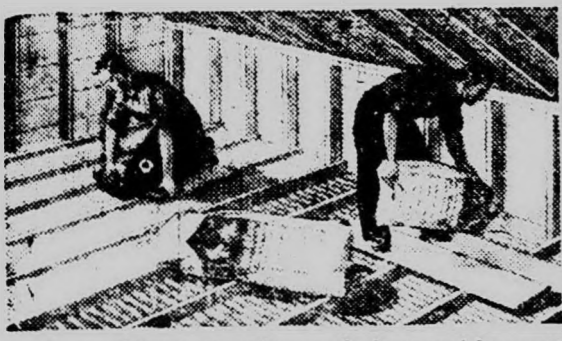

Anyone who wishes to, may sing in the chorus. This great oratorio offers a most worthwhile musical experience and all interested persons are invited to participate.

Mrs. Virginia Bartel wishes to thank all those who gave time, money, and effort to help make the recent Hospital-Benefit-Card-Bingo party a success. An enjoyable time was had by all.

Friday, October 19, 16 draftees and their families were served coffee and donuts as is the monthly custom of the Auxiliary through its Community Service Chairman, Geraldine Olson. Mrs. Olson would also like the addresses of all Plymouth men serving overseas, so that we may send them a Christmas remembrance. If you know of anyone, please telephone or mail the address to her at 2013 Elmhurst or 177-J1.

Mrs. Eleanor Gust wishes to thank all donors for the successful rummage sale held October 11 and 12.

Sunday, October 21 the monthly hospital trip was made. Those who went were: Virginia Bartel, Georgina Elliott, Violet Garrison, Jennie Konazewski, Marion Warner, and her mother, Mrs. Coleman. They took cigarettes, candy bars, and razor blades to the veterans at Maybury Sanatorium. To anyone who has not taken the opportunity to visit these boys, you are missing a chance to see the Auxiliary's work in action.

Girl Scout Troop 1, gave money to "Seeds for Democracy." This is the troop sponsored by the Auxiliary. These girls would also like to receive any old comics which they, in turn, will send in to Kate Smith's program.

October 24 was the night of our annual state inspection by Fourth District President Cecile Liston. Most of us felt that it was quite a successful inspection. Ten new members were initiated that night. Their names will be announced later.

On Wednesday night, November 14 at 8 p.m. is the annual Feather Party of the V.F.W. Lee Coolman is chairman of the event. The Auxiliary's main annual event of each year is the Smorgasbord on Saturday, November 10 with serving from 5 p.m. to 8 p.m. A variety of meats such as turkey, ham, swedish meat balls, fish, vegetables, salads, relishes, breads, and dessert will be served. A candy and bake sale will be held along with the smorgasbord instead of a bazaar. The co-chairman are: Betty Marquis and Corrine Clark. The other chairmen are: Gertrude Danol, finance; Marion Dickie, tickets; Shirley Swadling, relishes; Ann Smith, cheese; Peggy Schifle, salads; Eleanor Gust, dessert; Georgina Elliott, clean-up and kitchen, and Virginia Bartel, candy and bake sale chairman. Tickets are available from most Auxiliary members.

# Hints For Plymouth Homemakers

## Fish Dishes Easily Prepared Healthful

The practice of ichthyophagy—fish eating in ordinary words—is likely to increase until meat prices reach a lower level. Many people are discovering that fish dinners can be just as varied and tempting as those planned around meat. It's all a matter of learning as many different methods as possible for preparing this valuable food from fresh water and ocean.

All kinds of fish dishes are prepared by one of several basic methods, according to the Food and Nutrition Service of the American Red Cross. They may be baked, poached (that is cooked in liquid at a simmering temperature), be steamed, broiled, pan-fried or fried in deep fat.

No matter what method is chosen, keep the cooking time short. There is no connective tissue in fish which needs softening so long cooking merely dries out the fish and leaves it tasteless. The following table gives the approximate cooking time which must vary slightly depending on the shape and size of the fish and the cooking temperature.

**BAKING**—10 to 12 minutes per pound.

**POACHING**—10 minutes per pound.

**STEAMING**—12 to 15 minutes per pound.

**BROILING**—15 minutes total time; first 10 minutes on skin side.

**PAN-FRYING**—8 to 12 minutes total cooking time.

**DEEP FRYING**—5 minutes or slightly longer depending on thickness.

All fish compare favorably with meat in nutritive value. This applies to canned and frozen varieties as well as to fresh fish.

Ocean fish contain iodine, a mineral essential to the health of the thyroid gland. This should be of special interest to all Michigan homemakers because food produced here is devoid of this mineral.

At the present time yellow and blue pike, herring and white bass from the Great Lakes are plentiful and relatively inexpensive. No one will guess they're eating economy priced food if you serve them prepared as suggested below.

### Stuffed Baked Herring

Two pounds dressed lake herring, 1 teaspoon salt, bacon slices, **BREAD STUFFING**: 1/2 cup chopped celery, 3 tablespoons chopped onion, 6 tablespoons table fat, 1 teaspoon salt, 1/8 teaspoon pepper, 1 teaspoon thyme or sage, 4 cups soft, stale bread crumbs.

Remove backbone from fish and sprinkle inside and out with salt. Prepare the bread stuffing by cooking celery and onions in fat for about 10 minutes or until almost tender. Add vegetables and seasoning to bread and mix lightly. If mixture seems very dry add about 2 tablespoons of milk or water.

Stuff fish loosely with bread mixture and close with skewers or toothpicks. Place in shallow greased pan and lay strip of bacon on each fish. Bake in moderate oven, 350 degrees F., for about 25 minutes, basting occasionally with melted fat. Remove skewers and serve immediately. Makes 6 servings.

### Fish Casserole

Six ounces medium noodles, 1/2 cup chopped green pepper, 1/2 cup chopped celery, 2 tablespoons

minced onion, 3 tablespoons table fat, 3 tablespoons enriched flour, 1 teaspoon salt, dash pepper, 1 no. 2 can (2 1/2 cups) tomatoes, 4 fish fillets or about 3/4 pound.

Cook noodles in boiling salted water for 4 minutes. Drain and rinse. While noodles are cooking brown vegetables in fat in saucepan. Stir in flour and seasonings and when well blended, stir in tomatoes. Cook until thickened, stirring constantly. Combine noodles with 2 cups of the tomato mixture and pour into greased 8-inch baking dish. Arrange fish fillets on top and cover with remaining sauce. Bake in moderate oven, 350 degrees F., until fish is tender, about 30 minutes. Makes 4 servings.

### Fish Timbales

Two cups flaked, cooked fish, 2 tablespoons table fat, 2 tablespoons enriched flour, 1 cup milk, 2 eggs, 1 tablespoon lemon juice, 1 tablespoon chopped parsley, 1 teaspoon minced onion, salt and pepper to taste.

To prepare fish flakes, steam 1 pound of fish fillets or simmer them in water until tender. Drain and flake.

Make a white sauce with the fat, flour and milk. Remove from heat and stir in the fish flakes, beaten eggs, lemon juice, parsley, onion, salt and pepper. Mix well and pour mixture into 6 well-greased custard cups. Set cups in pan of hot water. Bake in moderate oven, 350 degrees F., for about 30 minutes or until firm. Turn timbales onto a hot platter and serve garnished with lemon slices and parsley.

Attention of budget-minded meal-planners is called to the large stocks of frozen fish fillets coming on markets in the next few weeks. In reviewing plentiful food at reasonable prices, the USDA reports that stocks of whitefish and ocean perch (rosefish) in cold storage exceed those of a year ago by an extraordinarily large margin. Unusually heavy landings in coastal areas account for the current abundance. Wholesale prices have declined as stocks increased.

For the fish dinner, the Department suggests three plentiful vegetables—cabbage, onions and potatoes. A dish of chopped cabbage and onions makes good company for the fish fillet, whether it is fried or broiled.

A handy tray for serving a sick person is the ordinary muffin tin. Small portions may be served in colorful paper muffin cups set inside and helps avoid the danger of spilling. A small glass fits in the tin, too.

## BUFFET PARTY SPAGHETTI

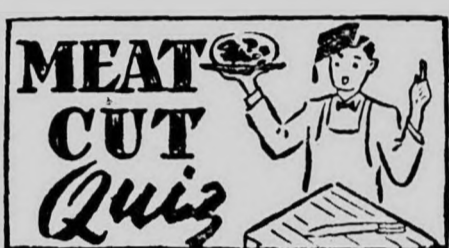

Spaghetti with meat sauce is probably the most popular of all buffet party dishes. For an exceptionally good sauce, try this recipe.

6 slices bacon, diced  
1/2 pound ground beef  
1/2 cup chopped onion  
1/2 cup chopped celery  
1 garlic clove, minced  
1 4-ounce can mushrooms drained  
1 No. 2 1/2 can tomatoes  
1 6-ounce can tomato paste  
1 bay leaf  
2 teaspoons salt  
1/2 teaspoon pepper  
Dash of Cayenne pepper  
1 tablespoon salt  
4-6 quarts boiling water  
1 pound spaghetti

Sauté bacon; remove and drain on heavy paper. To bacon fat add ground beef, onion, celery, green pepper, garlic and mushrooms. Cook until lightly browned, stirring frequently. Add tomatoes, tomato paste, seasonings and cooked bacon. Simmer 1 1/2 hours. Remove bay leaf.

Add salt to rapidly boiling water. Gradually add spaghetti so that water continues to boil. Cook uncovered, stirring occasionally, until tender. Drain in colander. Place on serving dish and top with meat sauce. Makes 8-10 servings.

## Many Ways to Fix Spareribs

Spareribs are a fall day find. Their rich appealing flavor makes them a season favorite to serve with both fruits and vegetables.

For greater variety in serving, spareribs may be roasted or broiled, either one. When roasting, follow the same method as in cooking any other cut of meat; place on a rack in an open roasting pan. For special main dish, stuff two racks of ribs spread with an apple, prune, apricot, or prune-apple-pineapple stuffing over one rack, then top with the second. Roast in a moderate oven (350 F.) for about 2 hours. If you like, ask your meat dealer to cut the rack into individual ribs, stuff and roast.

Sweet-sour spareribs represent the braised version. For this dish, cut spareribs into serving pieces and brown them slowly in a frying-pan. Then remove the spareribs and all but 2 tablespoons of the drippings. With this make a gravy, 4 tablespoons of brown sugar, Season with a bay leaf, a bit of thyme and whole cloves. Cover and cook for about 1 hour. Barbecued spareribs is another braised dish. Simply brown the ribs, then add a barbecue sauce, cover and cook for about 1 1/2 hours.

### Q. What is the name of this cut of meat?

A. Salt pork.

Q. Where does it come from and how is it identified?

A. The side of pork. Spareribs are removed leaving a boneless piece, the bacon strip. Cured in salt, it is salt pork. Smoked, it is bacon.

Q. How is it prepared?

A. By roasting or pan-frying. In either event the salt pork is cut into slices about 1/4 inch thick, covered with hot water and allowed to stand for 5 minutes. Slices may then be removed, dipped in milk and rolled in corn meal. To roast, slices are placed on a rack in a roasting pan and cooked for 30 minutes in a 350° F. oven. In pan-frying, the coated slices are slowly cooked in lard or drippings until well browned. Salt pork is frequently used for seasoning vegetables and other dishes also.

## Drink Enough Milk Daily

Are you getting your share of Michigan's 2 and 1/3 billion quarts of milk?

Living in one of the world's richest dairylands, there are thousands of Michigan people whose bodies and minds are literally starving for milk, the Michigan Department of Health states.

"You can eat your milk or drink it," the Department said, "but if you don't get the equivalent of about a quart a day, you're gyping yourself."

"Milk is the world's most nearly perfect food and one of its cheapest foods. A child, a teenager or adult will live better—more vitally—if he has his quota of milk each day. People past middle age must keep up their daily milk quotas to help prevent their bones from becoming brittle and breaking easily. Older people are the ones who most often cheat themselves of this body-supporting food.

"A man or woman needs three cups; a child or teen-ager, four cups; a pregnant woman, a quart and a nursing mother a quart and a half of milk each day. Living without this quota is like running your car without enough oil.

"If you don't like milk to drink, then eat your milk in the form of cheese (an ounce and a quarter

equals a cup of milk), in cheese sauces over vegetables, rarebits, macaroni and cheese, fondues, souffles, or cheese and vegetable salads; in the form of dry skim milk in baked goods, puddings, gravies, meat or salmon loaves, scalloped potatoes; in the form of evaporated milk used in cooking and baking; in the form of condensed milk, cottage cheese or butter milk or part of it in the form of good rich butter. You can use some of your quota in your coffee or tea, over your cereal, fruit or poached eggs and part of it to cook your vegetables in, to season them with or in your salad dressings. All these are in addition to an endless variety of milk and ice cream drinks."

If you get too much bluing in your garment on washday, you can remove most of it by soaking the article in a gallon of water to which two or three spoonfuls of vinegar have been added.

Ted Lindsay, All-Star Forward of the Detroit Red Wings.

# "GO ELECTRIC,"

say Ted Lindsay and Bride-to-be

"An all-electric kitchen is our goal," said Red Wing star Ted Lindsay with a smile for his bride-to-be, lovely Pat Snell.

"Yes, and my first choice is an electric range," emphasized the future Mrs. Lindsay. "It's so beautiful! And just look how easy it is to regulate the heat with these controls. Now I know why they say you can cook to perfection with an electric range!"

"They're easy to clean," said Ted. "Look, Pat, how these heating elements lift up out of the way."

"Plenty of storage space, too," Pat put in. "And look at the big oven! Honestly, these new electric ranges are simply out of this world!"

Yes, it's true. Electric appliances . . . electric ranges . . . are finer than ever today. Visit your nearby appliance dealer soon.

Bill Moore, salesman, points out the advantages of electric cooking.

### Musical Treat at Hill Auditorium

Nat "King" Cole, Duke Ellington and Sarah Vaughan will headline "The Biggest Show of '51" to be presented in two performances at 7 o'clock and 9:30 Thursday night, November 15 at Hill Auditorium in Ann Arbor.

Proceeds from the show, which is sponsored by the Lucile B. Conger group of the Michigan Alumnae Club of Ann Arbor, will go for scholarships and aid for University students.

The King Cole Trio, which recently became a quartet with the addition of Bongo player Jack Costanzo, has taken eleven years to revert to its originally planned form of a quartet. When Nat "King" Cole was hired for his first job in Los Angeles the manager of the night club told him to bring three other musicians. The drummer failed to appear and "King" was forced to feature his group as a trio, which was such a success that it remained a threesome until the recent addition of Costanzo. The group, including Irving Ashby, guitarist, and Joe Comfort, bass, has appeared on stage, radio and television as well as in many motion picture productions.

Sarah Vaughn, who for four years has won the popularity polls of "Down Beat" and "Metronome" magazines as number one woman vocalist in the country, started her career as a choir singer in a Newark, N. J. church. Several of her record hits have topped the half-million mark in sales. She is currently being featured in the musical film "Disc-Jockey."

Duke Ellington and his orchestra, aside from being heard in ballrooms throughout the nation and on radio, have given concerts in Paris, Carnegie hall in New York and the Philharmonic in Los Angeles.

Everyone of the supporting acts is a star in his own right. Comedians Timmie Rogers, Stump and Stumpy and Patterson and Jackson will be included in the cast of entertainers, as well as Peg Leg Bates and the Marie Bryant Dancers, who recently appeared on Broadway in "Beggar's Holiday." Marie Bryant is one of the outstanding choreographers and has routine dance steps for such Cauffield, and Vera-Ellen.

Tickets are priced at \$2.40 for the main floor, \$1.80 for the first balcony, and \$1.20 for the second balcony. Mail orders for tickets will be accepted at P. O. Box 2008, Ann Arbor. Make checks payable to "Conger Alumnae." Box office sale of tickets will start Monday, November 5 at Hill Auditorium.

#### A Letter of Thanks.

The officers and members of the Smith school P.T.A. wish to express sincere thanks to all who helped make our "Country Fair" such an over-whelming success.

Orchids to those who so generously donated baked goods, home canned goods, etc.—to those who loaned articles for our antique show,—and to those who contributed so much hard work. We also wish to thank the Kroger Company, Stop and Shop Market, Maple-Lawn Dairy, Plymouth Floral Service, and Daisy Air Rifle for their generous contributions; and thanks to our "customers," the public, for their wonderful spirit and cooperation.

All in all, we are off to a flying start, and are already looking forward to seeing you next year, when we will present our second annual "Country Fair!"

The Smith P.T.A.

#### With Our Boys in The Armed Forces

Brief items of interest about your sons or husbands in the services are welcomed in this column providing the information does not conflict with press security policies.

Hone on furlough last weekend was Pfc. Harry Blessing. Harry enlisted in the army last February and presently is stationed at Fort Custer, Michigan.

Harry graduated from Plymouth High School with the class of 1950.

Recently returned from Europe was Dale L. Renwick, son of Mr. and Mrs. William D. Renwick of 1325 Ann Arbor road. Dale is an aviation machinist mate in the U. S. Navy.

He is with a squadron operating from the decks of the aircraft carrier "Oriskany," the navy's newest and fourth largest floating airfield.

After intensive operations with the British, French and Italian forces, the squadron visited Italian ports and the French Riviera for liberty and recreation.

Pfc. Bill Clement was a recent visitor to his home town. Bill donated the army garb in January, 1951, and will report soon to Fort Devens, Massachusetts.

Bill graduated in 1949 from Plymouth High School.

Recently Pfc. Neil Lanphear furloughed with his parents, Mr. and Mrs. Lawrence Lanphear of 763 S. Main, and has returned to his base at Fort Devens, Massachusetts.

Neil enlisted in the army last January, and graduated from the local high school in 1949.

**German Students Address Clubs**

Under leadership of Mr. Russell Isbister, superintendent of schools in Plymouth, the seven students from Germany discussed different topics at a University of Michigan Club meeting at the home of Mr. and Mrs. Edwin Schrader, 127 Main street.  
"What is the cultural and social background in Germany?" was the topic handled by Traudel Breins and Sophie Niemeyer. The educational program in Germany was the theme for Franz Euringer, Hans-Christian Krueger and Gerold Schmidt had the topic: "What is the feeling of the Eastern Zone toward the Western Zone and toward German rearmament?" Industry in Germany was discussed by Guenther Damm.  
Two German students accepted an invitation to talk to a small farmers group which met between Farmington and Northville. Sophie Niemeyer and Gerold Schmidt spoke about their experiences in Germany and America.  
Hans Rosenplanter, one of the German students, gave a talk about the different methods of teaching science in Germany and America at a meeting of the science club of Plymouth High school on Friday, October 19.

**PHS To Have New Doors**

Mr. Russell Isbister, superintendent of schools, states that swinging steel doors and steel mullions will replace the old front entrance doors at the high school before cold weather sets in. These doors are worn and unsightly.  
During the time the doors are being erected, students will detour around the school and enter through the new addition. New doors will come from Ward M. Ross and company.

**L. Gaeke has Unique Hobby: Makes Toys, Steam Engines and Novelties**

The children living near the home of Lee Gaeke of 292 Pacific don't have to go to the Detroit Zoo for the thrill of a ride on a miniature train, for in the Gaeke backyard is a miniature train consisting of an engine, tender and coach, which carries passengers around the spacious backyard day after day during the summer months.

Mr. Gaeke brought the train home from a scrap dealer and reconditioned and assembled it. He made a track out of wood bound with steel. The engine weighs 1550 pounds and develops about 5 horsepower. The track is 110 yards in length and winds around the lawn past crossings, station, and various other contraptions. A real water tower provides water for the engine. The train was dedicated in 1949 by Mayor Cass Hough.

Mr. Gaeke comes by his mechanical ingenuity naturally as his father, the late Leo Gaeke, amused himself with the hobby of making toy mechanical devices. In 1914 his father made a merry-go-round, ferris wheel and circle swings which the son finished after the elder Mr. Gaeke passed away. All the above rides work and the merry-go-round is complete with horses going up and down, music and ticket taker.

Lee built a church in 1948 which has a two-foot steeple. When the electricity is turned on the church lights up, soft musical hymns are heard and a parson stands in the door moving in each direction with his arms raised toward heaven.

On display in his basement is a small toy train made in Germany prior to World War I. Many other small engines from Germany, Austria and other European countries are also in the collection.

An old horizontal steam engine that his father played with as a boy is at least 75 years old.

There is a steam engine used to propel a 30 ft. fishing boat on Lake Erie years ago.

Lee rebuilt a 1900 James Fleming model tractor made in Scotland. It weighs 2200 pounds and develops 6 horsepower on a belt and 3 horsepower on a drawbar. All of the above engines actually work even though they are very old.

He is in the process of building an Arlington-Sims single-cylinder, double-action steam engine—this is being made from a model

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

### Livonia Health Guild to Meet

A demonstration lecture on Atomic nursing will be taught by a staff member of the Wayne County Health Nursing division to all members and guests of the Livonia Health Guild. This lecture will be preceded by a luncheon at 12:30 p.m. on November 8 at Madonna college, Schoolcraft and Newburg roads.

Reservations for the luncheon are to be made by Monday November 5 to one of the following: Mrs. Homer Coolman, Farmington 1699; Mrs. Ralph Kinner, Livonia 2105; or to Mrs. Joseph Blaharski, Plymouth 1626-W1.

The Health Guild has been fortunate in receiving donations of a pair of adjustable crutches, a back rest and a small table for the loan closet of sick room supplies. These and other supplies are at the home of Mrs. Theodore Sauer at 15160 Farmington road and are loaned to anyone in need of them without charge. The guild has a hospital bed, a wheel chair and a premature carrier that are also available.

Plans are now being made to have home-nursing classes begin soon. Anyone interested in these classes are asked to contact Mrs. Peter Herrmann on Six Mile road, phone Livonia 2764.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

# Roger Babson Says --

Babson Park, Mass., Nov. 2. I hear young people today say that opportunities aren't what they once were. To a certain extent this is true. When the government takes so much of everyone's earnings, some people lose their incentive to work hard. But there are lots of opportunities still with us provided we are willing to take the risk.

**Rick and Character**  
As I look back over my 50 years of business experience, I find there is a basic difference in the character of men 50 years ago and now. Our forefathers before us had an abundance of moral and spiritual gumption. These character qualities enabled them to make every risk a calculated risk with a fighting chance of paying off.

Some young chaps today inherit their father's businesses. The fathers obviously had what it takes. They took the chance and earned their successes without the advantages of education. But the sons won't do it, for all their youth today seem to be interested only in a "sure thing." They are afraid to take a risk. They prefer the sure bet of \$60 a week salary rather than a chance to earn one hundred dollars a week commission.

**Risk and Moral Values**  
One reason is that our youths are being trained by schools and colleges to depend too heavily upon science and technology. Technical and scientific advance alone cannot bring us courage. This kind of materialism could

lick America just as it will ultimately lick Russia. Young people, wholly dependent upon technology, find that when the going gets tough there is nothing there to lean on. I wonder if during my lifetime we haven't gained in the material things of life only to lose ground in the realm of the moral and spiritual.

Thousands of inventors have died poverty stricken, although their ideas may have been excellent. Before an inventor's idea can take shape and come rolling off the assembly line in the form of some sort of product, someone must be found who has faith enough in the idea, faith enough in the inventor and in the future prosperity of his country, to be willing to risk financing the invention. The willingness to take a calculated risk and make it pay off springs from a spiritual fountain of courage within the individual. Courage is one thing of which our fathers had an abundance and which I find lacking today in most young men.

**Risk and the Future of America**  
About 2400 years ago a Greek statesman, Pericles, said, "The secret of liberty is courage." He didn't mention bank accounts or social security. What he was telling his countrymen was that if they wanted to assure Greece of an everlasting future they needed to develop some good old-fashioned moral and spiritual fortitude. I have faith enough in the future of America to believe that we are on the threshold of a new prosperity, plus longer periods of peace.

The age of materialism in which we live has given the world better food, better clothing, better shelter, better transportation, and better communication. I hope that with these material comforts more individuals now have a greater amount of time to give to the spiritual side of life. Only by now bringing into balance, at this crucial time in world history, things of the spirit and

things material, can we develop in the coming generations the kind of intelligence and courage which is willing to take a calculated risk.

**What About Joe Stalin**  
The armies of Joe Stalin aren't half as dangerous as a siege of frustration, materialism, and cynicism. But greater spiritual development can offset these grave dangers—although it will take all the skill we as parents, and educators and community leaders have to move in that direction.

## Estimate How Many—Win a Cake

If you can estimate how many cookies Terry's Bakery sold last weekend as the result of that "penny" sale advertisement published in The Plymouth Mail, you may go home with a beautifully decorated cake.

"Never saw anything like it. We didn't expect to keep four bakers working long extra hours in order to supply the terrific demand we had for cookies offered at special sale last Thursday, Friday and Saturday," said Marvin Terry yesterday.

"It was nothing less than amazing," he said, "and we are highly pleased with the results."

Now if you can take a pencil and a piece of paper, sit down and do a little figuring as to the hundreds or thousands of dozens of cookies that were sold by the Terry Bakery last weekend, you may possess one of Terry's especially good decorated cakes for next Sunday's dinner. This is not a guessing contest—it is an estimating contest—just as a carpenter can estimate what your new house is going to cost you. Remember, too, that a contractor's figures generally grow a bit bigger than what you thought they would be.

The Terry advertisement in this week's issue tells you all about how and what to do.

## Garrett To Speak at Free Lecture

The Science of Christianity, as the solution to individual and collective problems, will be the topic of a free Christian Science lecture on Thursday, November 8, at 8 p.m., when Mrs. Emma Louise Garrett of San Francisco speaks in Fourth Church of Christ, Scientist, Detroit.

"Through the scientific understanding and application of God's power the solving of individual and world problems of health and peace is the most vital research in the world today," states Mrs. Garrett.

Mrs. Garrett, for a number of years chairman of the educational research department of a well-known foundation in the United States, is widely known in the field of research in the United States and Europe. Her major work in education was at the University of Chicago, University of Oregon, Columbia University, and the University of Berlin where she took her doctorate. Mrs. Garrett left this field to take up the full-time practice of Christian Science healing.
