### What I Think and Have A Right to Say

By ELTON R. EATON

#### THE CRUCIFIXION.

And so Pilate, willing to content the people, released Barabbas unto them, and delivered Jesus, when he had scourged him, to be crucified.

And the soldiers led him away into the hall, called Praetorium; and they call together the whole band.

And they clothed him with purple, and platted a crown of thorns, and put it about his head.

And began to salute him, Hail, King of the Jews! And they smote him on the head with a reed, and did spit upon him, and bowing their knees worshipped him.

And when they had mocked him, they took off the purple from him, and put his own clothes on him, and led him out to crucify him.

And they bring him unto the place Golgotha, which is, being interpreted, The place of a skull.

And they gave him to drink wine mingled with myrrh; but he received it not.

And when they had crucified him, they parted his garments, casting lots upon them, what every man should take.

And it was the third hour, and they crucified him.

And with him they crucify two thieves, the one on his right hand, and the other on his left.

And they that passed by rallied on him, wagging their heads, and saying, Ah, thou that destroyest the temple, and buildest it in three days.

Save thyself, and come down from the cross.

And when the sixth hour was come, there was darkness over the whole land until the ninth hour.

And at the ninth hour Jesus cried with a loud voice, saying, Eloi, Eloi, lama sabachthani? which is, being interpreted, My God, my God, why hast thou forsaken me?

And some of them that stood by, when they heard it, said, Behold, he calleth Elias.

And one ran and filled a sponge full of vinegar, and put it on a reed, and gave him to drink, saying, Let alone; let us see whether Elias will come to take him down.

And Jesus cried with a loud voice, and gave up the ghost.

#### THE CITY OF CHURCHES.

Plymouth has long been known as a community where a very high percentage of its residents are church going people. Way back in the days when this was nothing more than Plymouth Corners, it had two or three active church organizations. In fact within the first year of the first settlement of this community there was a church organized.

Down through the years these religious organizations have grown. New churches have been established and they, too, have flourished. Plymouth is probably one of the smallest cities in Michigan that properly supports a very desirable and active Salvation Army group in addition to its dozen or more church organizations.

As we see it, however, the most important factor in connection with all of our good churches is the high type of religious leadership these churches possess. Probably no city in the country can claim a more desirable or more progressive group of ministers than the city of Plymouth. In that statement we include EVERY church leader in and around Plymouth.

Where can you find in any one city church leaders of a higher type or more progressive than Rev. Edgar Hoenecke, Dr. Henry J. Walch, Father William F. Mooney, Rev. Melbourne Johnson, Rev. Patrick J. Clifford, Rev. William Welton, Rev. David L. Rider, Rev. Robert Richards, Rev. John Walasky, Rev. P. M. McPherson, Rev. David T. Davies and Captain William Roberts of the Salvation Army?

Every one of these outstanding "men of the cloth" is a distinct credit to the church organization each one directs. Not only are the churches of the city to be congratulated in having men of the high type of those mentioned to direct our affairs, but this area is most fortunate, too, in having them as citizens.

All of our church organizations can rightly be termed "strong" churches — and each one of them serves Plymouth and vicinity well.

One might say that we do have some crime in Plymouth. You will be interested in knowing that a check of the records will reveal the fact that nearly one hundred percent of the offenders who get into trouble with our law enforcing officers are residents of other places with only a brief residence in this locality.

To our way of thinking these spiritual leaders and others who have preceded them can be given much of the credit for this city and surrounding territory being so free of crime and wrong doing. To these hard working and sacrificing leaders we can say "thank you" for what you have done and are doing in maintaining this as a city possessed of some of the highest standards of any community of its size in the country.

#### A CIVIC DUTY AS WELL AS A PERSONAL ONE.

It has become known during the past few days that an election will be held today, Thursday, by Daisy employees to decide whether they shall substitute an outside organization for their own Independent Daisy Employees Association to conduct their affairs in the future. It is a highly important question and that is why every Daisy worker should vote.

Daisy is Plymouth's oldest industry. Through thick and thin it has provided steady work when other industries have been idle. There have been no lay-offs, no pay cuts and each year hundreds of thousands of dollars have been paid to employees through the Daisy Profit-Sharing plan in addition to the regular pay of every worker. It should not be forgotten that it was the Daisy which pioneered the profit-sharing plan.

Under the present arrangement it has never been necessary to strike when there has been an argument to settle. Agreements have been reached in a peaceful and satisfactory way to all concerned.

It is but natural for outsiders to be anxious to try and get a cut for themselves of the steady pay of Daisy workers. They know that it will provide them with a regular income because the Daisy under all circumstances tries to keep every one fully employed. As we see it, it is not to the advantage of any one, except the outsiders, for the workers to change their present arrangements. That is a matter for the employees to decide and that is why we so strongly urge every Daisy employee to vote as he thinks best for his own interests as well as all others concerned.

#### PLYMOUTH FIRE PROTECTION.

We do not know of any better time than the present to tip our hat to Fire Chief Robert McAllister and say to him—"Congratulations, Chief, you have done a swell job for Plymouth."

Without any fanfare or a lot of public notice, Chief Mc-

### Well Known Insurance Agent Taken by Death

Plymouth was shocked Tuesday morning to learn of the death of William Wood, well known insurance agent and prominent in the affairs of the local Rotary club since its inception. Death came at St. Joseph Hospital in Ann Arbor, where he was a patient for a routine checkup, at 8:30 a.m. Tuesday. Ailing for nearly two years with a heart ailment it was this sickness that caused his death while he was undergoing treatment for the same.

Born in Beamsville, Ontario on January 28, 1894, Mr. Wood came to this country after serving with the Royal Air Force in World War I. A brief time he served with a Detroit Bank and about 25 years ago he came to Plymouth and opened insurance offices in the Penniman-Allen theater building moving to his present location in the Schrader building on Main street in 1938.

He was a charter member of the Plymouth Rotary club having served as its first secretary and its fourth president. Since the inception of the club he has been one of its most faithful workers and much of his time has been devoted to Rotary projects.

During World War II he served as chairman of the local rationing boards and did a commendable job of coordinating the operations of these important groups. He was also a member of the Plymouth Rock Lodge 47, F. and A. M. and a member of the Plymouth Presbyterian church.

Funeral services will be held today at 2 p.m. in the Schrader Funeral Home with the Rev. Henry Walch officiating. Burial

William Wood

will be made at Riverside cemetery.

Active pallbearers will be the present president and the immediate five past-presidents of the Plymouth Rotary, David Mather, Robert Willoughby, Frank Henderson, Edward Gardner, Paul Wiedman and Charles Brake.

Honorary pallbearers will be all the other living past-presidents, Harold J. Curtis, A. Blake Gillies, Russell Daane, Andrew C. Dunn, John Blickenstaff, Cass S. Hough, Charles H. Bennett, Carl Shear, Dr. B. E. Champe and Edward C. Hough.

Other than his many friends throughout this section of Michigan, Mr. Wood is survived by his widow, Florence, two children, James Thornton and Nancy Thornton Althouse and a brother, James Wood of Toronto, and a sister Mrs. Isabella Borden of Salesville, Rhode Island.

### Plans Underway by Masons for 100th Anniversary Celebration

As the result of a meeting with the Plymouth School Board and contractors working on the new Gymnasium, at which time they were assured that they would be able to use the new building, the members of the 100th Anniversary Committee of Plymouth Rock Lodge 47 F.&A.M. are working with renewed fervor to complete the final plans for the gala party and evening of celebration they are planning to celebrate the 100th birthday of this fraternal organization.

Masons and their ladies, numbering between 600 and 700, will gather for dinner on the evening of January 15, 1952 to celebrate this momentous occasion in Plymouth history.

Guy G. Powell, Most Worshipful Grand Master, and many other distinguished Masons, have notified the committee of their plans to attend, and Plymouth Masons are looking forward to meeting their Grand Master since it has been nearly 25 years since a Grand Master has visited them.

Instrumental music, choral music by the nationally famous Shrine Canters, a group of 36 men, and other professional entertainment will add to the pleasure of the evening.

The contribution made to the development of our city by this outstanding organization can in no way be measured, for its members have been serving this community in many capacities every since its inception in 1852. Every one should join in wishing this group, whose foundation goes back into the dim past of unnumbered centuries, best wishes and continued success through the coming years.

### To Close

Most local stores will close at 6 p.m. next Monday night so their employees may enjoy Christmas eve at home with their families. Local shoppers are urged to complete their last minute purchases well in advance of this time so that everyone can be ready for the Christmas holiday at that time.

Present indications are that the same practice will be followed on New Years eve the following Monday.

### The Meaning of the Nativity

By Rev. David T. Davies

St. Johns Episcopal Church

We celebrate at Christmas, not alone the birth of Christ, but what that birth means. We call this miraculous fact of God's Son taking upon Him human flesh, the Incarnation. Before this mighty fact, we bow in veneration and amazement. But we shall not realize to the full our celebration of this fact if we pause merely to bow in veneration and amazement. God does not work miracles to induce in us attitudes of awe; He works miracles very often to startle us into learning things we need to know. We shall not want this Christmas-tide to pass without appropriating certain truths God is revealing to us through the great miracle of Christmas. Some words of the late Archbishop Temple of England come to mind in connection with the Incarnation: "Christianity is the most materialistic of all great religions. Christianity, based as it is on the Incarnation, regards matter as destined to be the vehicle and instrument of the spirit, and spirit as fully actual so far as it controls and directs matter."

Jesus Christ took upon Him human flesh because God wanted to redeem man from sin and to win man to a right relationship to Him. And since much of man's difficulty both from the standpoint of sin and also from the standpoint of alienating him from God is rooted in a false attitude toward the material world in which he lives, the significance of the Incarnation dare not be glossed over.

If one were to seek for much of the world's present disorder one would find it difficult to decide whether more blame should be ascribed to materialism, that is, living on a bare physical basis, or to secularism—divorcing the physical from the spiritual. The Incarnation is God's answer to both of these heresies. Man cannot live by bread alone; and man cannot live without bread for very long. Man can live only by using bread, and every other element in the physical world, as God intended it to be used. Or to borrow Archbishop Temple's words, "as the vehicle and instrument of the spirit."

We seem to be rather far afield from the spirit of Christmas and the message of the angels and the scene in the manger in Bethlehem and the shepherd lad offering his lamb to the new born Saviour. If we are far afield, it is because we have let our minds be occupied with these incidentals rather than with the real purpose God was seeking to accomplish in sending His Son into this bewildered and disjointed world. God sent His Son to live with us that we might live the life of the Kingdom. This can be accomplished once men come to see the proper relationship between the spirit and the flesh. Christ came that men might learn how to make the flesh the vehicle and instrument of the spirit, and thus serve the purposes of God.

"O holy Child of Bethlehem!  
Descend to us, we pray;  
Cast out our sin and enter in,  
Be born in us today."

### Community Fund Exceeds 1952 Goal Nearly \$2,000

The Plymouth Community Fund went over the top this year according to Co-chairmen Norman Marquis and Tom Kent. The \$17,900 demands of the benefitting agencies was met thus assuring them of carrying on their worthwhile programs for another year. Up to the present time \$18,995 has been collected, or pledged, and a few more scattered returns will be coming in later, and there is still some to come from the United Foundation.

The Co-chairmen and the committee chairman wish to thank all the kind-hearted citizens of Plymouth who so generously contributed to the Drive and made it such a grand success. This successful drive was only made possible by the very best efforts of all the committee chairmen and their

aids in conjunction with the response of the people of Plymouth.

A breakdown of the contribution finds Industry leading with a total of \$10,009, which is an increase of 35 percent over what they gave last year. Businessmen gave \$3,341, an increase of 15 percent over last year. Direct mail solicitation was 10 percent lower than the house-to-house canvass of last year as only \$2100 came in through the mail this year. Pledges uncollected amounted to \$1280. Special gifts amounted to \$75 and store collections amounted to \$35. The professional unit collected a total of \$897, which represents a decrease from last year.

The remainder of those giving over \$25 and whose names have not appeared in The Mail are listed below:

### Cold Weather and Snow to Continue

A white Christmas is really in prospect for this year. Old Man Winter severely hit Plymouth last weekend and continues to stick around. Seven inches of snow fell last Friday evening and for a few hours some of the side roads were impassable.

City Engineer Stan Besse said his men worked from midnight on Friday removing snow from the main streets. The sun came out Saturday and helped take off some more.

But Sunday the thermometer dipped to a new low for the year when it dropped to 5 below zero. Garages and automobile clubs were swamped with calls of stalled cars. For the first time in years solid ice formed from Belle Isle to Canada.

Monday night the snow came again and another 7 inches was dumped on the Plymouth streets. There is over a foot of snow on the level now—even with the first two weeks of summer weather in December we have had way above the average snowfall so far for this month.

According to the weatherman there is no letup for this week and Plymouth will have continued cold with snow on the way.

### City to Have New Business Alley

The City Commission passed resolution, at their regular meeting last Monday evening, authorizing an alley to go straight through from Ann Arbor trail to Wing street.

It was deemed advisable that the best route would be to have the northern exit on W. Ann Arbor trail rather than on Forest avenue.

Now it will be necessary for the city to acquire the property and proceed with necessary improvements. A storm sewer will have to be installed and a pavement constructed.

The total cost will be borne by those benefiting from such an alley, with the method of assessment being on a pro rata share per front footage abutting the improvement, subject to modification based upon special consideration for benefits derived by corner lots.

It is estimated that the total cost will be approximately \$25,000.

### Local Resident Killed in Crash

An accident at the intersection of Six Mile road and Northville road claimed the life of Cecil Hayes, 26, of 11310 Gold Arbor last Sunday, December 16.

Mr. Hayes was a passenger in a car driven by Marie Nash of Detroit, which collided with one driven by Mona Fried, 24, of Rogers City.

Three other passengers were injured in this same collision and were taken to Wayne County General Hospital in a critical condition.

### City Streets Are Gaily Decorated

Plymouth has one of the best decorated cities in this section of the state this Yule season—thanks to the Chamber of Commerce, who purchased many new Christmas trimmings this year. The street coverage is greater than ever before. Bert Giles, chairman of the decorations committee and his assistants did a grand job as shown by the beauty of our streets.

One can get a marvelous view going west on Ann Arbor trail at the entrance to Kellogg park.

To give the public some idea of the amount of work done, The Mail uncovered the following facts from Helmer Nelson, the new Secretary of the Chamber of Commerce.

Harry Roberts, in charge of the installation of the decorations donated many hours of his own time in stringing up over four miles of wire above our streets. Many new laurel ropes were purchased and 1300 light bulbs and sockets were placed about the city. Many new display fixtures were bought by the Chamber of Commerce this year, and all these will be available for many years to come.

Mr. Nelson was named as Secretary of the Chamber of Commerce last week. The office has been vacant since the death of the late George A. Smith last summer. Mr. Nelson is willing to give part of his time to helping make Plymouth one of the most progressive cities in this section of Michigan.

### Charter Booklets Ready for Sale

Some time ago the City Commission authorized the printing of the new city charter in booklet form. These new booklets can be purchased at the city hall.

There are 400 available at \$1.50 a copy. Another 100 with Buchanan cover costing \$2.50 will be available soon. These latter ones are for professional men, or others who use the charter a great deal and need a better bound book.

These attractive booklets contain 80 pages of facts and figures concerning the city of Plymouth with 56 pages being devoted to the city charter.

Anyone desiring one of these booklets should contact the city manager's office in the city hall.

VENITE ADOREMUS. O come let us adore, frames the stable at Madonna college. The stable is ten feet high and has life size figures of the Holy Family which were hand carved and painted by Madonna art students. Sister Mary Angeline supervised this work. This scene invites passersby to pause awhile and catch the warmth of the Nativity before going on to their daily tasks.

### Traffic Record Set Last Weekend

In spite of the heavy snow of last weekend, Plymouth experienced the heaviest traffic in history. The stores were crowded with shoppers and the streets were jammed with cars. At the main intersections cars were lined up for blocks waiting for the traffic light to change.

Robert Jolliffe, a life-long resident says "Saturday's traffic was the heaviest I have ever seen in Plymouth."

The parking situation, which has for many months been a city problem, was at its worst as many cars were forced to park blocks away from the shopping district.

Merchants report a record business for the day, and are pleased with the indication that local residents find that they can purchase most everything in our local stores that they can in any other city.

## WHAT I THINK AND HAVE A RIGHT TO SAY

(Continued from page 1)

Allister during the past two or three years has brought about for Plymouth the best fire protection system the city has ever had. Not only is the city of Plymouth benefitting by what he has done, but surrounding communities and property owners are also benefitting by his work.

The Chief believes in co-operation. He thinks that where there are several thickly populated localities close together, that a co-operative fire protection plan will be of benefit to all.

As a result of this plan, the city of Plymouth, Plymouth township, Northville, Livonia, South Lyon, the Detroit House of Correction and The Training school where fire fighting organizations are maintained, will all work closely together when a dangerous fire breaks out. There are no boundary lines and when an emergency comes, these firemen will not only work together, but their fire fighting equipment will be utilized to the fullest extent.

All of these communities have their own fire departments with fire fighting equipment, so one can readily see what an advantage Plymouth and all of these other communities now have in case of a serious fire.

It is fortunate for Plymouth that Chief McAllister had the courage to live through the political squabbles that disgraced this city a few years back. He stuck to his guns and now both Chief McAllister and the city of Plymouth are benefitting by his good work.

## Edison to Charge W.S.C.S. Members For Range Wiring Hear Mrs. Burden

Notification from the Detroit Edison Company states that beginning January 2, 1952, the company will resume the former policy of charging for installation wiring of electric ranges.

Since March, 1950, the Edison Company has been doing the wiring of new ranges free of charge. In the Wayne district, of which Plymouth is a part, 70,000 electric ranges have been sold during the time of free wiring.

Free wiring of electric clothes dryers and electric water heaters will continue for the present unless government limitations, controls, or unavailability of materials may prevent us from doing so states E. L. Millis, district manager of the Detroit Edison Company.

The Company will grant free wiring to all persons who purchased electric ranges before the deadline of January 2, providing they are installed by May 1, 1952.

## Trout Release Up

Smaller hatchery operational losses and some increased trout production permitted the conservation department to release over 3,032,000 trout in inland waters as compared to 2,211,000 last year.

State hatcheries reared and released 1,301,000 legal size trout, about 41,000 more than in 1950. Other plantings were some 1,566,000 fingerlings, twice as many as before, and 165,000 sub-legal trout, a slight increase.

As customary, northern lower peninsula trout lakes and streams received the bulk of the year's crop, 1,520,000 trout. Stocked in upper peninsula waters were 1,165,000 and the remainder were released in southern third of the state locations.

Planting by species: over 1,131,000 rainbows, 1,284,000 brook, 547,000 brown and over 70,000 lake trout.

## Make Yuletide Phone Calls Early

The Michigan Bell Telephone company, anticipating one of its busiest Christmas seasons, today urged customers to make their Yuletide calls before Christmas Eve to avoid disappointment.

Plans for handling 1951's toll traffic were started the day after Christmas last year. The stepped-up tempo of the nation's defense effort has placed added emphasis on the need for speeding calls to their destination at the earliest possible time.

If the weather is bad over the holiday weekend an even greater load will be placed on the switchboards, as stranded travelers jam pay station booths in train, plane, and bus depots.

With every available operator on duty Christmas Day, Michigan Bell this year again will set up teams to handle information relating to delays on calls. This eliminates the necessity of customers checking to see just when their calls will go through, and also assures less of a bottle-neck in central offices.

All Michigan Bell personnel working during the holiday to

The Kiwanians were entertained to another fine talk at their regular Tuesday night meeting in the Mayflower hotel on December 11, by Phillip Johnson of the Supervisory Training Division of the Ford Motor company of Dearborn. Mr. Johnson chose as his topic "The Training Program as it pertains to the Ford Motor Company."

John Blossom was program chairman for the evening and introduced Mr. Johnson.

assist Santa Claus, will receive premium pay. Many extra long-distance circuits will be provided through "patching" short lines together. The direct-dialing of toll calls to key cities throughout the nation also will speed up the procedure appreciably.

The company pointed out that it is humanly impossible to provide as many long-distance circuits, and to have on hand as many operators as would be necessary in order to complete every call the minute it is placed.

While every effort will be expended to get the calls through, the company said some delay would be encountered because of the heavily-loaded facilities.

There's no fool like an old fool — unless he's a young fool, or possibly a middle-aged fool.

## Loan Association Has Record Year

The year of 1951 has been an outstanding one for the Plymouth Federal Savings and Loan Association according to Secretary Perry W. Richwine. The association moved into the million dollar deposit class. It also completed its 1060th real estate loan and the 1000th savings account was opened.

During the first 28 years of the Association's existence, a total of 700 real estate mortgage loans or an average of 40 loans a year were made. During the past three years, they have assisted in the construction of over 300 new homes or an average in excess of 100 homes a year.

Mr. Richwine states that if Plymouth, Northville and Livonia continue to grow at their present rate, the association will be called upon to more than double the present rate of mortgage loans. The people of Plymouth and surrounding neighboring cities can make this possible by making their savings available to finance these new homes.

During the past year, Daniel F. Murray was added to the Board of Directors to succeed the late William T. Pettingill.

**Hats Off to City Snow Removers**

City Manager Al Glassford and his efficient assistants at the city hall are to be congratulated on the efficient way that they handled Plymouth's heavy snows on Monday and Tuesday of this week. Not only were the main highways cleared of the two six inch snow falls by the time morning traffic became evident but city side walks were also free of the falling snow.

Most local streets had been cleared by the plows when local residents started for work and by the end of the day the huge piles in the center of the streets had been cleared also. This is the first year that the city has attempted to clear the side walks with their new hand tractor and it was a real pleasure for local merchants to find their sidewalks cleared for their customers when they opened their doors in the morning.

**Masons Install 1952 Officers**

At the 101st Annual Communication of Plymouth Rock Lodge 47 F & A.M. held at the Masonic Temple on Friday, December 7, 1951, the members of the fraternity elected Walter J. Gregory, 11533 Grove Drive, Livonia, to serve as Worshipful Master for the ensuing year. Along with the new Master the following officers were elected to serve with him:

- Erwin R. Ottensman, Senior Warden; Wang J. Livingston, Junior Warden; Richard Straub, P.M. Treasurer; Leslie R. Evans, P.M. Secretary; Henry Agosta, Chaplin; Charles Chappel, Senior Deacon; Harold Mackinder, Junior Deacon; Harry Gerst, Steward; Arnold Williams, Steward; Frank Willard, Marshal; Harry Mumby, P.M. Tiler; Paul Simons, Organist.

After hearing the annual reports of the Lodge and electing their new officers, the members retired to the dining room where they enjoyed their annual oyster stew lunch, a custom they have followed for many years.

The above officers were installed in office at the Annual Installation of Officers held on Saturday, December 15, 1951. The installation was conducted by the following Past Masters of the lodge M.W. Grand Master, Leslie R. Evans; R.W. Grand Secretary, Ralph Pentecost; R.W. Grand Chaplain, Daniel Murray; R.W. Grand Senior Deacon, Oral Rathbun; R.W. Grand Marshal, Claude Rucker.

One of the high points of the evening was the presentation of the Past Master's Apron to retiring Worshipful Master William C. Michaels by his son Past Master Melvin Michaels.

The installing ceremonies were preceded by a fine dinner prepared by ladies of the O.E.S. and served by members of the Rainbow and DeMolay Orders, and followed by dancing until midnight.

Plymouth Rock Masons are looking forward to a busy year to start their century of activity, starting with their 100th Anniversary Party on January 15, 1952.

**Police, Firemen Request Safety**

The Plymouth Fire and Police departments are greatly concerned about the citizens of Plymouth having a safe Christmas and New Years' season this year. They point with pride to the excellent Christmas holiday seasons in the past when there were no accidents or fires and sincerely urge our citizens to use every precaution possible this year to avoid disaster.

Particularly at this time when it is cold and the streets are slippery, extra careful steps have to be taken to insure safety. Watch the overheating of a stove, or an icy street, and you may save a life, state both Chief Greenlee of the Police Department and Chief McAllister of the Fire Department.

Chiefs Greenlee and McAllister also wish to take this opportunity to wish everyone in the city a Merry Christmas and a Happy New Year.

SEASONS GREETINGS

From The CHURCH OF THE NAZARENE

Wm. O. Welton Holbrook at Pearl St.

With Our Churches

FIRST METHODIST CHURCH Rev. Melbourne Johnson, pastor. George W. Conover, Church School Superintendent. Kenneth Nielsen, Organist and Choir Director. Sunday services: Church School 9:45 a.m. A movie portraying the historic scenes of Christmas will be shown to the entire Church school Sunday, December 23. Following the showing of the picture a Christmas treat will be given. Divine Worship 11 a.m. Sermon theme—"The Innkeeper of Bethlehem" Children's Sermon—"Hurray for Christmas". The Christmas Eve Service will begin at 11 p.m. Our church will be lighted with candles and the Christmas decorations will be exceptionally beautiful this year. Come and see!

ST. PETER'S EVANGELICAL LUTHERAN CHURCH, 261 Spring St. Edgar Hoenecke, pastor. Morning Worship: 9:30 and 11:00 a.m. Sunday school 9:30 a.m. Christmas Day Services at 9:30 and 11 a.m. Christmas Eve Services at 7 p.m. Carols for shuttles Sunday, December 23, 6:30 p.m.

Imagine! If Christ were to come to earth on Christmas—how many homes and how many hearts would He find open for Him. But if there is no room for Him, no time for going to His House on Christmas to sing His glory and to receive the great Gift of Himself as our Savior, then be honest and do this: Please, do not call what you celebrate next week "Christmas", call it anything you like, but do not take His holy name in vain. Call it "X-mas", where "X" stands for the unknown quantity, or for nothing at all.

Christmas is decidedly NOT the festival of Jolly St. Nick, it is not the great spending and giving racket that has been made of it. It is, rather, the "Silent Night" of the birth of the world's Savior, of people coming to the Manger with the shepherds to "see this thing which is come to pass which the Lord hath made known unto us," it is "glorifying and praising God for all the things that they had heard and seen, as it was told unto them."

The two Christmas Day services will be something special. The congregation will participate in the service more than ordinarily. Each service will last about fifty minutes. May the Lord give you the heart to set aside all other concerns and come. Come, steal away to Jesus, for a quiet, holy hour with Jesus! And God bless you and your loved ones with spiritual peace, joy and growth in the inward man.

CHURCH OF THE NAZARENE, Holbrook at Pearl St. Sunday school at 10 a.m. with classes for all ages. John Waslaski is in charge. Mrs. Welton supervisor of the new junior department of the Sunday school and Lorena Waslaski primary department supervisor. Junior church and morning worship at 11 a.m. The pastor will deliver the Christmas message at the 11 a.m. service and the evening service will be given over to the program committee. Christmas will be portrayed in song, story and pantomime. The evening service to begin at 7:30. You will need to be early to be seated before the program begins. Wednesday evening will be the regular prayer and praise service. The church where all the family has a part.

CALVARY BAPTIST 496 W. Ann Arbor Trl. Patrick J. Clifford, Pastor

"For God so loved the world that He gave His only begotten son that whosoever believeth in Him should not perish but have everlasting life"

ST. JOHN'S EPISCOPAL CHURCH, Harvey & Maple Sts. Rev. David T. Davies, Rector. 861 Williams street. Phone 2308. The Fourth Sunday in Advent. As we stand on the threshold of another Christmastide, the church urges us to live worthily in view of the approaching visitation of our Lord, and again St. John the Baptist is held up before us as an example. The Collect prays that "though we are sore let and hindered in running the race that is set before us, Thy bountiful grace and mercy may speedily help and deliver us."

The Epistle calls upon us to rejoice because the Lord is at hand and that in Him we shall find the peace of God. The Gospel recounts how the Baptist answered questioners who asked him if he were the Messiah. With sturdy humility he declines the honor and points the questioners to Christ "Who coming after me is preferred before me, whose shoes I am not worthy to unloose." In such a spirit we are led to approach the Nativity of our Blessed Lord.

SerVICES Sunday December 23: 8 a.m. Holy Communion; 9:30 a.m. Family service and Class instruction; 11 a.m. Morning service and sermon; "Christmas—our opportunity." Class for little children. 4 p.m. Hanging of the Greens when the Parish Family will come together to beautify the Church for the Festival of the Nativity. 5:30 p.m. Presentation of the Nativity Pageant under the direction of Miss Ann Welch and Mrs. William Ray. Following the Pageant, gifts will be distributed to the children from the Christmas Tree and light refreshments will be served. Plan to share these proceedings with us.

Christmas Eve 11:00 p.m.

St. John's Church will be beautifully decorated for the Festival of the Nativity and a thirty minute Carol Service will precede the Festival Eucharist which will begin at 11:30 p.m. The choir under the direction of Mr. Harper Stephens with Mrs. Roland Bonamici at the organ, will sing some traditional Carols with the congregation joining in some of the familiar ones.

The Eucharist will open with the "Adeste Fidelis" and the Rector, the Rev. David T. Davies will be the Celebrant. The offertory anthem will be "And the Glory of the Lord" by Handel. At 8 a.m. there will be a plain celebration of the Holy Communion and at 11 o'clock a Family Service for Parents and children. Be sure to celebrate Christmas by attending Church and worshipping the Christ. If you have no Church home, you are cordially invited to worship with us in this friendly Church.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Morning Services, 10:30 a.m. Sunday Evening Services, 7:30 p.m. Every fourth Sunday of the month, Sunday School, 10:30 a.m., for pupils up to twenty years of age. What was the origin of man and the universe? That interesting question is discussed in the Lesson-Sermon to be read in all Christian Science churches on Sunday, December 23, under the subject "Is The Universe, Including Man, Evolved by Atomic Force?"

The Golden Text is from I Corinthians (8:6): "To us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him." Among the Bible citations is this passage, (John 1:1): "In the beginning was the Word, and the Word was with God, and the Word was God."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "In the Gospel of John, it is declared that all things were made through the Word of God, and without Him (the logos, or word) was not anything made that was made." (p. 525)

**The Uncorker Wishes You A Very Merry Christmas**

Christmas is the greatest levelling force in the world . . . but instead of bringing people down to a common level, it lifts us all up to a new plane of consideration. Even the most selfish among us cannot help being affected by the friendly feeling that's in the air and makes us more aware of our associations with one another. Christmas carols spreading cheer, lights and tinsel twinkling in homes and stores and streets, gay cards of greeting, odd-shaped packages in fancy trappings, all are part of the Yuletide scene. But the essence of Christmas lies not in the things we see, but in the things we feel inside us. We are suddenly more concerned with other people than at any time of the year. We dash about buying presents for friends and family . . . but at the same time we are also more considerate of all the people around us. We become more generous with our purses, our smiles and our greetings. The spirit of Christmas is a good thing to see on the faces of people . . . and the longer we can experience it, the better it will be for ourselves, our community, and the entire world. We wish you all the happiest and best Christmas you've ever enjoyed.

Among our important citizens at this time of year are the mailmen who bring us our loads of cards and gifts. Santa Claus gets a peck of credit that really belongs to the Mercury of the mail pouch. Because the mailman doesn't make a lot of noise about his work we forget how important he is to us . . . now, and all through the year. Officially the shortest day may arrive in December, but you'd have a tough time convincing the man who carries the mail. He probably considers the entire month with the same gleeful anticipation as a kid approaching a spoonful of medicine. But he always delivers. There was a report recently about a wild goose crashing into a power line, and he wound up as a cooked goose. So who wants to go where the wild goose goes? Say, folks . . . if you want to make the most of your last-minute shopping . . . come in to see us. We're still stocked with a complete selection of gifts for everybody. Fine toiletries, cosmetics, stationery, candy . . . anything you can think of. You'll save money and there are friendly folks to help you at PETERSON DRUG, 840 W. Ann Arbor Trail. Phone: 2080.

For a small family-size roast glaze a smoked shoulder butt. Place the butt on a rack in an open roasting pan. Cook at 300° F. for 35 to 40 minutes per pound. About 30 minutes before the butt is cooked, remove from your oven and spread with a brown sugar, flour, mustard and vinegar paste. Stick with cloves and return to oven to finish cooking.

### Tait's Lead City Recreation Ball

The city recreation men's basketball league began recently with 7 teams composing the league this year. This league is one of the fastest leagues in this area, and many high-class ball games will be played this year. Most of the games are played at DeHoCo, but a few are played near Telegraph and Plymouth roads.

Most of the players are former high school basketball players and a few have played college ball.

In games played so far, last year's championship Tait's Cleaner team looks like the team to beat again this year. Tait's swamped the Plymouth United Bank team with a deluge of baskets to win 91 to 41 and then they disposed of a good Daisy team 82 to 53. In the first win Brodie had 26 points for the winners and Larry Finney had 10 for the bank boys. In the second Keith Ebersole had 22 and Brodie 21 for Tait's and Levering had 16 and Dzurus 14 for Daisy.

In other games LaFontaine dropped United Bank 46 to 37 with Hall scoring 12 points for the winners and Ron Hees scoring 11. Daisy walloped Livonia 80 to 30 with Jacobus counting 18 and Dzurus 20 for the winners. DeHoCo won over Livonia 69 to 54 with Robinson getting 27 points and Grant 24 for the losers Fisher had 16 and Bennett 17. LaFontaine edged DeHoCo 61 to 55. Robinson made 26 of the winner's total points.

### Reserves Win 4th Straight Victory

The highly regarded high school reserve basketball team won their fourth straight victory when they defeated a strong Belleville reserve squad last Friday night by a score of 50 to 37. This was the first real test for Coach Charley Ketterer's boys, and they came through in good style.

The young Rocks fought to a 25-21 lead by half time, and gradually increased it during the remainder of the game.

Tyler Caplin led the reserves in scoring when he bagged 6 field goals and 2 free throws to count 14 points. Jerry Kelly had 12 and Casey Cavell had 11. Pat Robinson had 5, and Ron Cole, Ken Kisabeth, Ron Pagenhopf and Barrie Lightfoot had 2 each. Herb Olsen, Gordie Champion, Ferris Mills and Bob Angevine also saw action.

This was the last game for the reserves until after the holidays.

In St. Louis, Artist Michael Chomyk and the City Art Museum disagreed as to whether his new painting, "Conflict", should be hung sideways or topside up.

### Sports Glances

by "Professor" Edgar Brown

I'm afraid Coach John Sandmann has a rough road ahead of him in this year's basketball league race. Remember he had to build a completely new team when the nifty aggregation of last year all graduated.

The boys have been playing fair ball, but have dropped a couple close league contests—one to Allen Park 29 to 25 and the other to Belleville 43 to 41.

The team seems to get off to a good start in each game and have been leading at the half in each of these games, but after intermission they lose their sparkle.

It is noted that the third quarter has seen every team outscore Plymouth by getting two or three times as many points.

There isn't much depth of players and Travis, Daggett and Keeney will finish their competition this semester. Yes, I'm afraid John will pick up a few grey hairs this winter—besides the hair he has coming.

The basketball team has purchased new uniforms for this year. The new pants are blue with a white stripe down the side and two around the bottom of each leg.

The new shirts are white with a blue border and blue numbers. The former uniforms are now being worn by the reserves.

A couple years ago they talked of changing the nickname of Rocks to a more appropriate one. At that time I suggested Peacocks—something different as I can't recall any other school having that nickname. Think of all the colors we could get in our uniforms then—they would be the prettiest uniforms in the nation. I still think Rocks is such a drab name. At the time it was voted to keep the name—some said as a matter of tradition. This country wouldn't have progressed very far if everyone had that viewpoint—that is the trouble with schools in many places—people say it was good enough for me and therefore is for my children. What an idiotic expression.

Well, the all-state Class "B" football team was announced a week or so ago and Trenton's Gary Lowe made it. It was with humor that I read the rest of the starting lineup the 5 coaches picked—there was one boy from each of the schools of the ones picking them. It is becoming more of a farce each year these all-star teams.

### Girl Bowlers Defeat Ypsilanti

Two teams of girl bowlers from Plymouth edged two teams composed of girls from Ypsilanti last Wednesday at the Parkview recreation by scores of 665 to 508 and 512 to 486. Each team played only one game.

Sally Morgan led all the bowlers by posting a creditable 172 score. R. Crane had 150 and J. Donnelly 141.

Another inter-city match is arranged for Ypsilanti next month. Mr. Dudley has spent considerable time in coaching the girls and is doing a grand job of teaching them the fine points of the game.

### Belleville Edges High School 43-41

Coach John Sandmann's high school basketball team lost a tough game to Belleville last Friday night. After trailing for three quarters of the game, Belleville came from behind in the last six minutes to edge the locals 43 to 41.

The Rocks led 28 to 22 at the half, and 34 to 32 at the end of the third quarter, but the Tigers kept whittling away at that half-time lead until shortly after play began in the last quarter they forged ahead. In the last minute the Tigers began stalling with a four point lead, but a "long-tom" basket by Ron Johnson was the last threat the locals could muster.

Al Williams led the locals with 5 baskets and 3 free throws good for 13 points. David Finney had 12, scoring 10 of them in the first half. Jim Bloombuff and Ron Johnson had 5 each, Bob Arlen 4, and Dave Travis and Bud Lanphear each had one point. Jack Daggett and Roger Bogenschutz also played.

Noiseau was the big noise for Belleville and scored 11 points for the Tigers. This game concluded play until after the holidays.

### Frosh Lose First Game to G. City

The high school frosh basketball team dropped a 34 to 22 game to Garden City last Friday afternoon over at Garden City. At the half the score stood 16 to 10 against the young Rocks. Coach John McFall's boys now have a 1-1 record for the season.

Dick Day led his teammates in scoring with 6 points, Larry Williams 5, Les Ferenczi 5, John Agnew 4 and Bob Danol had 2 points.

The next game is against the Bentley Frosh here on Friday afternoon at 4 o'clock, January 11.

In Washington, D.C., an electric iron burned through the ironing board, started a fire, fell to the floor, melted a lead water pipe which put out the fire.

### Trenton Remains at Top of League

Trenton continues to be the class of the 6-B Suburban league and last week they disposed of Redford Union in easy fashion 57 to 39 for their second straight league win. The Trojans have not lost a game this year and are one of the better class "B" teams in the state this year.

Allen Park whipped Bentley 47 to 34 and Belleville edged Plymouth 43 to 41.

Trenton leads the league in offense as they have counted 117 points—Plymouth has scored the least number of points with 66. Allen Park seems to have the best defensive record so far as they have only allowed 59 points—Belleville has allowed the most—101.

The standing at the holiday season is as follows:

	W	L	PF	PA
Trenton	2	0	117	71
Allen Park	2	0	76	59
Redford Union	1	1	77	90
Belleville	1	1	75	101
Plymouth	0	2	66	72
Bentley	0	2	77	85

**Symphony Review**

by Grace Von Bergen  
 "A smooth performance" was one listener's impression of 'The Messiah' as performed by the Plymouth Civic Chorus and accompanied by the Plymouth Symphony Orchestra on Dec. 16 under the direction of Fred C. Nelson.  
 The soloists were well matched in style of singing with the required dignity and solemnity of this great oratorio. It should be emphasized that all the soloists are Plymouth's own people. F. Earl Reh who has now appeared in his fifth consecutive year as tenor soloist scarcely needs any introduction as his background of church work and as soloist in the Masonic Order well qualifies him for the role. When he came to his first rehearsal with the orchestra this season, he was greeted with salutary applause.  
 Miss Grace Hampton, soprano, also has Messiah experience having started out as an eighth grade student in Ishpeming, Michigan, in her first performance of this work. Mrs. Florence Norton El-

lison, contralto has a long background of choral work and has also appeared previously with the Plymouth Civic Chorus.  
 Donald Haas, trumpet soloist, gave a pronounced effect for the bass solo "The Trumpet Shall Sound". "I Know That My Redeemer Liveth" was as inspirational as originally intended, and "The Hallelujah Chorus" was the masterpiece of all.  
 In fact this oratorio presents such a variety of beautiful airs and recitatives, one desists from selecting any one in particular to the exclusion of another.  
 Listening to The Messiah, one appreciates the fact there existed complexities and aggravations in Handel's time, as indeed, we have in our day, for while he was writing music, it is recorded that he was devoting time to running an opera in England as well as lighting aristocracy.  
 Handel has been depicted as a great painter of character. The orchestral accompaniment in itself is like a frame for the painting. One is reminded of a text in the Book of Proverbs when hearing this masterpiece: "A word fitly spoken is like apples of gold in pictures of silver." On reading the life of Handel one is amazed at the number of Biblical sketches he brought to light through his musical genius.  
 The Messiah in its fifth year has a richer background with the Plymouth Civic Chorus which boasted 90 voices for this year's performance.  
 Fred C. Nelson, director of the chorus, is a familiar name in Plymouth music circles. Inez J. Lock is the accompanist and Esther Guldner, secretary. There were many rehearsals in preparation for this prelude to the holy season. This oratorio has become a Christmas ritual for many Plymouth people.  
 It is written that Handel wrote to Lord Kinnoul after the first London performance of The Messiah in Covent Garden, March 23, 1743: "I should be sorry, my lord, if I have only succeeded in entertaining them; I wish to make them better."  
 Mr. Russell L. Isbister, superintendent of Plymouth Schools as intermission speaker commended the organizational activities of the Advisory Board headed by Mrs. Lila Humphries. He also paid tribute to Fred C. Nelson and to the orchestra and choir who give of their talents.  
 Ushers at the concert were Ann Hammond, Bruce Campbell, Michael Reh and Betty Gregory, student members of the Symphony Society under the direction of Mrs. Earl Demel.  
 Mr. and Mrs. Clifton Tillotson were tea chairman at the Veterans Memorial Home where a lighted Christmas tree presented a cheerful setting. Presiding at the tea table were Mrs. Nestor Sibbold and Mrs. Walter Hammond.

**Senior Receives Citizenship Pin**

Shirley Pine, daughter of the Harold Pines of 12950 Dunn Court, was awarded the Daughters of the American Revolution citizenship pin by the Sarah Ann Cochrane chapter. Shirley is a senior in Plymouth High school.  
Others receiving the pins were Gay Duerson, senior, at Northville high school and Ruth Nelson, senior, at Bentley high school.

The girls are chosen on the basis of dependability, service, leadership and patriotism. The senior class of the school nominates by vote three candidates for the award. The faculty of the school then chooses one of the three to receive the citizenship pin.  
Questionnaires will be sent from the state headquarters to these girls. A state winner will be chosen on the basis of her answers to these questions. She will be announced at the state convention of the D.A.R. to be in the Hotel Statler March 19, 20, and 21. The state winner receives a \$100 war bond.

**Company Broadens Aviation Coverage**

The Mutual Life Insurance Company of New York, which recently broadened aviation coverage in new policies, has now decided to apply the liberal rules to earlier policies, it was announced today by Fred Van Dyke, the company's field representative in Plymouth.  
Double indemnity provisions in existing policies, which only covered passenger flying in scheduled commercial airlines, will now be generally applied so as to cover passengers in any commercial aircraft, scheduled or non-scheduled, and in planes operated by private business organizations to transport their personnel or guests.

**FLAG DEDICATION CREDIT**

In an article in last week's Plymouth Mail, a phrase was inadvertently omitted. The flag pole was unobtainable at that time but has recently been installed.

**Fire Chief Shows How to Fireproof**

Robert McAllister, Plymouth Fire Chief, explains how Christmas decorations and trimmings may be fire-proofed.  
Mr. McAllister says, "Cotton and rayon fabrics— including adult clothing, curtains and drapes— can be flameproofed cheaply and easily at home with a solution made by dissolving nine ounces of borax and four ounces of boric acid in a gallon of water. Dip clothing and fabrics in this solution. The fire-proofing mixture is safe to use on any material which can be soaked in water. Reapply the solution each time the article is washed."

The Chief further states that anyone can get a free pamphlet on the rules for a safe Christmas by merely writing to the National Board of Fire Underwriters, 85 John St., New York 38.  
This illustrated pamphlet, called "Keep Your Christmas Merry," describes the hazards which have brought tragedy to many homes during the holiday season. It also lists a few simple precautions which can reduce the danger.

**New Scout Troop Formed at Smith**

As a result of the increase in the population of children, a new Scout troop has been formed. This troop was chartered this week, and is sponsored by the Lions club of Plymouth.  
The troop is represented by Clarence Denhoff and other members of his committee are Bruce Richard, Celestine Ash and George Kunkel. The five charter members of the troop, which is designated as Troop 6, are Thomas Ferguson, Larry Kunkel, Robert Jenkins, Robert Hitchcock and Douglas Simpson.  
Edward T. Miller, Jr., is the Scoutmaster and Robert Johnson the Assistant Scoutmaster. Both have served several years in the Scout organization and at present are eagle scouts.  
The new troop will meet in the George A. Smith school on Monday evenings from 7 to 8:30 p.m. Any boys interested in scouting are cordially invited to visit the troop at that time.

# Hints For Plymouth Homemakers

## Cookies: An Ideal Gift

For a box of home-made cookies for that person on your Christmas list who seems to have absolutely everything. These recipes are excellent for Christmas giving for the family, or for surprise guests.

### WALNUTAROONS

1 cup white flour  
1 cup finely packed light brown sugar  
1/2 tsp. salt  
1/2 cup coarsely chopped walnuts  
1 egg white until stiff but not dry. Stir in sugar until well blended. Add salt and nuts, and mix well. Drop by table-spoonfuls on plain or parchment paper on baking sheet. Bake in moderate oven of 350 F. for 15 to 20 min. or until light brown. Let cool about 2 min. Remove cookies from paper with spatula, and place on a cake rack to cool thoroughly. Makes about 18 Walnutaroons. Other kinds of nuts may be substituted for the walnuts.

### BUTTERSCOTCH WAFERS

1/2 cup shortening  
1 cup brown sugar, finely packed  
1 egg, beaten  
1 1/2 cups sifted all-purpose flour  
1/2 tsp. baking powder  
1/2 tsp. salt  
1/2 cup chopped walnuts

## Fruit Cake Has Long History

1/2 tsp. vanilla  
1/2 cup shortening in large saucepan. Stir in sugar then cook over low heat, stirring constantly, until sugar is dissolved and mixture well blended. Then cool. Stir in egg. Sift together flour, baking powder, and salt, and add with vanilla and vanilla. Blend thoroughly. Place mixture on waxed paper, shape into roll 1 1/2" in diameter. Roll up in waxed paper. Chill several hours, or overnight, in refrigerator until very firm. Then with sharp knife slice thinly—about 1/4" thick. Place on waxed paper baking sheet. Brush with egg white. Bake in moderately hot oven of 400 F. for 10 to 12 minutes. Cool until done. This recipe makes 3 to 6 loaves.

### SOFT MOLASSES COOKIES

2 1/2 cups baking soda  
2 cups hot water  
1/2 cup shortening  
1/2 cup molasses  
1/2 cup molasses  
1/2 cup molasses  
1/2 cup molasses  
2 1/2 cups sifted all-purpose flour  
1/2 tsp. shortening  
1/2 tsp. cinnamon  
1/2 tsp. salt  
1/2 cup cold water  
1/2 cup seedless raisins  
1/2 cup soda in hot water. Stir well, set aside to cool. Meanwhile, mix shortening with good sized light and fluffy. Gradually add sugar and molasses, continuing to work with spoon. Then stir in unbeaten egg and mix well. Sift next 1/2 cup flour, add alternately with soda to shortening mixture. Stir to combine. Add all but a few of the raisins. Drop by rounded table-spoonfuls, 2" apart, on waxed paper sheet. Sprinkle remaining raisins over unbaked cookies. Bake in moderately hot oven of 400 F., 12 min., or until brown. Make 2 doz.

## Easy Recipes That Children Can Follow

Now that the children are home from school for the Christmas vacation, they may want to try their hand at making gifts from the kitchen. Let them try some of these recipes.

### SURPRISE NUTS

Unbroken walnut shells  
Jelly beans  
Tiny gum drops  
Chocolate-coated raisins  
Nickles, pennies  
Use unbroken walnut shells. Mother saved when cracking nuts. Wash dry. Scrape out any rough inner shell. Fill with jelly beans, tiny gum drops, chocolate-coated raisins, etc. Put pennies or a nickel in some if you wish. Glue, fitting halves together; hold in place with rubber band, wrapped several times around shells. Remove bands when glue is dry.

To Pretty Them Up: Wrap some nuts with aluminum foil, leaving rest plain. Pack in small candy box; wrap with gay paper. For "different" name tag, trace holly leaf on aluminum foil. Cut out, and write name on it with skewer. Pierce stem end for twine tie-on.

### APPLE SANTA

Polish red apple. Cut red crepe paper in strip 10" x 2" strip, long enough to go around the Santa apple as a neck ruff. Cut circle of cardboard about 2 1/2" in diameter. Puncture center of cardboard with skewer, and stick it way through cardboard into apple. Arrange red ruff between apple and cardboard, holding it in place with rubber band. Make Santa's cap with another piece of red crepe paper, cut about 5" wide and long enough to go around apple. Wrap around Santa's head. Fasten ends to head with gummed tape. Gather tip of cap together secure with gummed tape. Shape tufts of cotton for eyebrows, mustache, and beard. Glue in place. Add 2 cloves just below eyebrows for eyes. Glue cotton ball in end of cap.

To Pretty It Up: Pack in cardboard box lined with cotton. Wrap box with red crepe paper left from Apple Santa.

### FRUITED TIDBITS

1 3-oz. pkg. dried figs  
1/2 cup seedless raisins  
1/2 cup grated lemon rind  
1/2 cup lemon juice  
2 cups confectioners' sugar  
1 cup peanut butter  
1 cup shredded coconut  
Put figs through medium blade of food chopper. Add raisins and next 4 ingredients. Knead well. Mold into balls in palms of hands. Roll balls in coconut. Make amount desired; wrap rest in waxed paper; refrigerate till needed. Or pat mixture 1/2" thick, cut with fancy cutter.

To Pretty Them Up: Pack in candy boxes with waxed paper between layers. Wrap with aluminum foil; tiny bells tied to box in ribbon bow add to ornament.

### BRISTLY DROPS

Heat oven to 400 F. Cream well 1/3 cup shortening, 1/2 cup sugar, and 1 egg. Stir in 1 1/2 table-s.

## HOLIDAY HALF HAM

All decked for Christmas, this roast shank half of ham is ready to grace your holiday table. Citron and almonds decorate the ham. Red tinted pineapple rings, the edges rolled in green sugar sparkles, garnish the platter.

## Festive Roast Ham Ideal For Merry Christmas Dinner

### MENU

- Roast Ham
- Apple Galette
- Baked Sweet Potatoes
- Brussels Sprouts
- Cranberry Nut Salad
- Hot Rolls
- Butter or Margarine
- Egg Pudding
- Devon

Make it a merry Christmas dinner this year with a festive half ham roast. For the occasion, decorate the ham with a floral design on citron stems and blanched almond berries. For the Christmas colors, decorate the platter with red tinted pineapple rings edged with green sugar sparkles.

For your Christmas dinner purchase either a butt or shank half of ham. Roasting ham is a simple operation—an important point for this day when you'll be especially busy and the air's filled with excitement. All you do is place the half ham fat side up on a rack in an open roasting pan. If you have a meat thermometer, insert it in the meaty section of the ham so the bulb is not in fat or on bone. Roast in a 300 F. oven for 18 to 20 minutes per pound. You'll know the meat is cooked when the thermometer registers 160 F.

You may want to start your dinner with an appetizer of cider topped with a scoop of sherbert. Serve this in a leisurely manner in your living room. With your Christmas ham bring on baked sweet potatoes and buttered milk. 1/2 tsp. vanilla. Sift 1 cup sifted all-purpose flour with 1/2 tsp. double-acting baking powder, 1/2 tsp. baking soda, 1/2 tsp. salt, add with 1 1/2 cup cold tea, 1/2 cup chopped walnuts. Roll top of dough in 2 cups crushed wheat flakes. Bake at 400 F., 10 min., or until done. Make 2 doz.

## Concentrate spraying gaining favor with Michigan farmers

Using a stronger spray solution and applying correspondingly less of it per tree shows advantages in spraying fruit crops. According to the Michigan State College Agricultural Experiment Station, end results are as effective as when more of ordinary mixtures are used. Concentrate spraying reduces spray injury to fruit and foliage, cuts amount of spray chemicals lost by run-off, reduces the water needed and time required for refilling. On vegetable crops, concentrate spraying has been limited to control of insects when complete coverage is not required. For further information, call, write or visit your County Agricultural Agent.

New telephone truck is "jack of all trades" Michigan Bell has recently put into service a truck that can dig a hole in the ground, hoist and set a 35-foot telephone pole, pull up old wire, haul tools and materials and do a lot of other work, with a 2-man crew. A remarkable piece of mechanical engineering efficiency, this new truck is another example of the way we're working to speed telephone service to rural areas and at the same time keep costs down.

### Plymouth High School News

#### Art Students Paint Windows

Plymouth High art students showed their Christmas spirit by traveling to the Maybury Sanitarium Monday morning, December 17, to paint Christmas pictures on the hospital windows.

Doing the painting were: Janice Runge, Cordia Pursell, Betty Tibbets, Verlyn Knight, Marilyn Teft, and Dolphine Henneman. They were supervised by Mrs. Frances Overton.

Painting has also begun around Plymouth High. Designs made by Deloris Giefki have been painted on the front high school windows by Shirley Zimmerman, Glenna Meraboti, Connie Jewell, Sally Ford, and Mildred Green.

Borough's Adding Machine Company is also having their windows painted. Glenna Meraboti, Sandra Swaney and Katherine Bernash.

#### Y-Teens and Hi-Y Carol; Hold Christmas Party

The Hi-Y and Y-Teens clubs of Plymouth High school held a Christmas party Tuesday night December 18 in the PHS gymnasium. The two clubs went around town caroling during the early part of the evening and later returned to the high school where they played games, danced, and were served refreshments.

Mr. Harry Reeves and Mr. Walter Goodwin advisors of the Hi-Y and Miss Gertrude Fiegel and Miss Virginia Olmstead advisors of the Y-Teens chaperoned the group. Approximately 90 club-members participated in the party.

#### Art Class Has Party

Miss Marie Post's seventh and eighth grade art class held a Christmas party Monday, December 17 at 3:45 p.m.

Girls of the class baked and decorated Christmas cookies which were judged for the best decorated and the boys of the class bought the prizes.

Refreshments leading on the menu were: popcorn, cupcakes, fudge, potato chips, and cocoa.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

#### Teachers' Club Has Annual Party

Turkey and all the trimmings were served at the Teachers' Club Christmas party, held December 11, at the Nellie Bird School gymnasium.

Mr. Melvin Blunk, President of the Teachers' Club, introduced Miss Ann Welch, social chairmen of the Teachers Club, and her assistants Miss Louise Spence, Mrs. Margaret Bromley, Athol Packer, Gerald Elston, and Willis Huntington, who did a very unique job of table decorating.

Guests for the evening were James Gallimore, the president of the Board of Education, and Mrs. Gallimore, Mr. and Mrs. Wallace Laury, Mr. and Mrs. Warren Smith, and Mr. and Mrs. Kenneth Hulsing.

Following the dinner Bob White a talented magician entertained the teachers and their guests with interesting tricks, followed by the singing of Christmas carols by the audience accompanied by Miss Ann Welch at the piano.

White Elephant gifts brought by each guest were distributed at the tables.

#### Movies Shown at PHS Assembly

"Wonders of Yellowstone," and "Portrait of a City," were the movies shown at an assembly for the Plymouth High School students on Wednesday, December 12.

The first movie was about Yellowstone National Park and the things that draw a half million people there every year; the second movie was about the city of Detroit and how its place in the nation has been established.

The ninth and tenth graders had their assembly fifth hour while the eleventh and twelfth graders had their fourth hour. Tomorrow, December 21, the students will see another assembly with Christmas songs and other happy things.

Their Christmas vacation will start Saturday, December 22 and end Wednesday, January 2.

#### Library Club Initiates

Library Club held its Christmas party and initiation at Judy Lockhart's on December 12.

They were served a pot luck supper at 6:15 p.m. After the supper movies of Mexico were shown by Judy's grandfather. At the close of the evening of fun gifts were exchanged among them.

#### Students Classify

Classifications of students for the second semester was done last Thursday, December 13 during second hour. The students were handed out a classification sheet, time to rearrange classes and sheet.

They then filled the sheet with the classes and hours they preferred next semester. This classification is done annually at this time to rearrange classes and hours.

Several classes were dropped and some were added. Commercial law took the place of one government class, world history was added and two trigonometry classes were added in place of two algebra classes.

#### Choral Groups To Sing on TV

Music, one of the greatest parts of Christmas, is coming forth from the Plymouth High choral groups in full measure this yule season.

Members of the choir will render three hours of Christmas music Thursday, December 20, at the Michigan Central depot, for the travelers coming to and from Detroit. Many schools are participating in this event throughout the season.

Following this they will be given a spot on the WJBK television show, Ladies Day, on which they will sing three selections.

For the entertainment of the whole school a program of Christmas music will be given in the gym in three complete assemblies, December 21. All choral groups are participating.

All Christmas music is under the direction of Mr. Fred Nelson, Plymouth High Music Director.

#### Classes Visit DeHoCo Buildings

Members of Miss Neva Lovewell's Sociology class and James Latture's second hour Government class toured the Women's division of Detroit House of Correction Tuesday, December 11.

The group left at 9:30 a.m. arriving at DeHoCo at 9:55. The students first went to the Administration Building, where they were warned not to talk to the prisoners. Then they went to the laundry room and to the sewing room where the inmates make their own clothes. Following this they toured the cottages where they inspected the kitchen, dining room and bedrooms.

After an interesting tour through the building the group went back to the Administration building to catch the bus back to school.

#### Seniors Vote To go to New York

Seniors this year are going to town with different money-making projects. The seniors made a profit of \$335.84 on selling Christmas cards and \$75.55 on the senior play "Meet Corliss Archer." They now have a balance of \$1049.07 in their class treasury.

The group voted on where they want to go for their senior trip and unanimously voted to go to New York. They received their pictures from Powell Studios Monday, December 17.

Other activities of the class were the Dime Dance after the Belleville game and the third "Senior Mixer" held Monday, December 17, at 7:30.

#### Plythean Editor Named

Lynn Osen was appointed to the position of managing editor on the "52 Plythean," Beth Douglas, editor, announced last week. His work will include scheduling of group and classroom pictures.

On January 8, group pictures of clubs and music groups will be taken, and on January 16 athletics groups and miscellaneous pictures will be taken.

Working on the senior section of the Plythean are Iva Lou Kahrl and Marvin Green. The other grade editors are: eleventh grade, Gary Kopen; tenth grade, Betty Bowden; ninth grade, Sally Gyde; eighth grade, Dale Houghton; seventh grade, John Gregory.

#### Christmas Vacation

Christmas vacation begins December 22, for the students at Plymouth High and ends on January 2, 1952. Along with this recognition of the holiday is the painting of the front windows of the school in bright murals to depict the Christmas story. The art students, who are doing the work, draw diagrams and then paint it in to bring out the pattern and make it visible as far as the street.

Plans are at their height for Christmas decorations in the school halls and will be put up by next week. There will be decorations in the individual classrooms also.

# Santa Reveals Letters From Local Children

Dear Santa Claus,  
I'm being a good boy. Please bring me a bike with wheels on the side, a jack in the box, an electric train (I can run it, too). My little sister, Jo Ann wants a baby carriage and a baby gun and holster.

Thank you, Santa Claus  
Bobby Jenkins  
14845 Meffman Rd.  
Plymouth, Michigan

Dear Santa  
I've been good at home and I've done good at school. There will be a treat for you at my house on Christmas so leave a space for some more food.

Winds through the olive trees,  
Softly did blow, round little Bethlehem,  
Long, long ago, Sheep on the hillside lay whiter than snow,  
Shepherds were watching them, long, long ago,  
Then from the happy sky, Angels bent low,  
sing their songs of joy, long, long ago.

For in a manger bed, cradled we know,  
Christ came to Bethlehem,  
Long, long ago.

Love,  
Suzanne Joan Phillips

Dear Santa Claus  
I have been a good girl, and I want a Toni doll and a musical instrument.

Please don't be afraid of my dog, Casey, he won't bite.

Merry Christmas.

The plans for the new school on the north side of Plymouth are being rushed as rapidly as is practical, in getting a good set of working plans and specifications. The Board of Education is ready to sell the bonds, and is waiting for the most favorable time in the money market which will probably be in January.

It has been suggested that it would be altogether proper that when "The Mayflower" Plymouth's new community hotel is erected, a bronze marker or some other suitable tablet should find a place upon the building, to commemorate the fact that it was upon this site that the first log cabin was built in Plymouth.

**Jacqueline Bothwell Wed at Ft. Sill, Oklahoma**

Saturday, December 1 was the day Jacqueline Bothwell chose for her marriage to Cpl. Harry Kirn. The ten o'clock double ring ceremony was read by Chaplain Ullrich in the Little Flower Chapel at Ft. Sill, Oklahoma. Mr. and Mrs. Jackie Bothwell of Roseale Gardens are the bride's parents and Harry's parents are Mr. and Mrs. Adolph Kirn of Dearborn.

Jacqueline approached the altar on the arm of her brother-in-law, Lloyd Davidson. She wore a ballerina length gown of white lace over satin with a strapless bodice over which she wore a tiny lace jacket with long sleeves extending to a point at the wrists. Small buttons fell from the neck to the waistline. Her fingertip veil of net was fastened to a crown of satin etched in seed-pearls and she carried a white prayer book centered with white roses and ivory satin streamers.

Mrs. Lloyd Davidson was the bride's matron of honor. She wore a gown of Nile green satin and net and a matching headpiece. She carried a cascade of yellow pom-poms and feathered mums. Mrs. Louis Kolin as bridesmaid, wore a dress identical to that of the matron of honor and also carried yellow pom-poms and feathered mums. Harry asked Pfc. Richard Chandler to be his best man.

Following the rites a private

Mrs. Harry Kirn

dinner was held at one o'clock with a reception for 30 guests held in the evening. The bride is a graduate of Plymouth High School. Following a wedding trip to Texas the young couple will make their home in Lawton, Oklahoma while Cpl. Kirn is stationed at Ft. Sill with the United States Army.

Jean Prichett, Kathy Dowling, Barbara Nelson, Nancy Kropf, Betty Arnold and Glenna Fraleigh attended a birthday party in honor of Marilyn Rood Tuesday evening in her home on Evergreen street. Marilyn was presented with a lovely gift from the group.

**George Farwells Honored at Tea**

Mr. and Mrs. Ray Danol were hosts at a very lovely "open house" Sunday in their home on Roosevelt avenue honoring Mr. and Mrs. George Farwell of Adams street on their 25th wedding anniversary.

The house was beautifully decorated with large bouquets of fall flowers and the guest table centered with a cake shaped like a huge bell and topped with 25 dollars in silver letters.

Pouring at the tea table were Mrs. Jacob Stremich, Mrs. Howard Wood and Mrs. Edward Dobbs.

Highlight of the day was the congratulations received by the Farewells from their son, Dick who is stationed with the Armed Forces in Panama. They received many lovely gifts and cards.

Approximately 125 guests visited the Danol home during the day coming from Detroit, Pontiac, Dearborn, Wayne and Plymouth. Mr. and Mrs. Farwell have two sons, Cpl. Richard in Panama and William G. who resides with his parents in Plymouth.

**Ruth S. Virgo Wed To Rex V. Wynkoop**

The marriage of Mrs. Ruth Stevens Virgo of Plymouth to Rex V. Wynkoop, editor and general manager of The Herald-Press in St. Joseph, Michigan was performed on Wednesday morning, November 21 in the Chapel of St. Paul's Episcopal church in Highcliffe, Terrace, St. Joseph.

The bride is the daughter of Mrs. Frank E. Burr of St. Joseph and the late Gus Stevens.

The Reverend H. Stewart Ross, pastor of St. Paul's, officiated at the service, which was witnessed only by members of the immediate families.

Attendants were the bride's sister, Mrs. Ralph D. Choates and the bridegroom's brother, Don C. Wynkoop.

Following the ceremony at 11 o'clock and a wedding breakfast in the Whitcomb hotel, the couple left for a short trip. They are now "at home" at 1221 Hillcrest in St. Joseph.

**Keep Holiday Food Costs Down**

How much of a dent will Christmas dinner make in your food budget this year? Not enough to be alarming if you plan the menu carefully. Mary Bodwell, food economist for the agricultural economics department of Michigan State College, says Michigan that are in season and in abundant supply can help you keep the cost within reason. Miss Bodwell believes:

Included in the list are tomato or apple juice as an appetizer, poultry—either chicken or turkey—and Michigan vegetables.

Chicken is plentiful, including roasters or stewing fowl. It appears there will be sufficient turkey, especially heavier weights. Buying half of a large turkey will allow homemakers to take advantage of the lower cost of the larger size birds for a small family gathering.

Michigan white potatoes are one of your best vegetable buys. Sweet potato supplies are light and the price is apt to be fairly high.

Cabbage and onions are in abundant supply. Carrots are plentiful and reasonable in price. These vegetables will make excellent salad or side dishes for the Christmas dinner.

Michigan celery is in lighter supply than usual, but the abundant supply in the other production areas will keep celery in the moderate price range.

Large supplies of dried fruits are available for the traditional holiday puddings. Prunes and raisins are especially plentiful. Practically all dried fruits are available in both bulk and package forms. Bulk forms are usually less expensive.

Cranberries are in light supply after their heavy use during the Thanksgiving holiday but are still fairly reasonable in price.

Preparing these foods in dishes the family particularly enjoys or dressed up in holiday attire the homemaker will find, with good planning and careful buying, Christmas entertaining can be within the range of the average food budget.

**Society Holds Holiday Meeting**

The home of Mr. and Mrs. Roy Fisher was festive with holiday decorations for the Christmas meeting of the Plymouth Historical Society on December 13.

Mrs. Roderick Cassidy read a paper on the early history of Plymouth and Northville. The paper was written by the late Judge William Purdy Yerkes of Northville. Many interesting facts pertaining to these two villages were related by Judge Yerkes in a most entertaining manner.

Mrs. Grace Brown, President, presided at the business meeting.

A quartet composed of Austin and Elmore Whipple and Evered and Harold Jolliffe accompanied by Mrs. Evered Jolliffe sang "Blue Galilee," "Steal Away" and "Keeping Close to Jesus."

Group singing of Christmas carols was also enjoyed.

Mrs. E. Fletcher Campbell and Mrs. Roy Purcell presided at a decorated tea table from which refreshments were served.

Fifty-five members enjoyed Mr. and Mrs. Fisher's hospitality.

**PETITE AND PRETTY . . .** Donna Roach was a candidate for title "Miss Petite" in contest staged by Long Beach, Calif., for prettiest five-foot girl.

**Conservation Men Seek New Laws**

The Michigan State Conservation Committee has approved recommending a number of conservation law changes to the state legislature. Major changes proposed would:

Make a visual line, highway M-20, rather than townline 16 the divider of the northern (zone two) and southern (zone three) halves of the lower peninsula in setting hunting and fishing rules.

Lengthen rabbit and woodchuck seasons in zone two from October 1 to January 31 and in zone three from October 15 to January 31.

Lengthen ruffed grouse season in the upper peninsula (zone one) and zone two from October 1 to November 10 and in zone three from October 15 to November 14.

Extend raccoon season in zones one and two from October 1 to December 15 and zone three from November 15 to December 31.

Abolish need for small game license possession to legally carry or transport arms to, from, or in a recognized rifle, trap or skeet shooting area, providing gun is encased or in trunk while in transit to the area.

Prohibit bear trapping except under damage control permit.

Close certain areas to hunting in order to set up proper field trail areas.

Blessed is the season which engages the whole world in a conspiracy of love! —Hamilton Wright Mabie

**V.F.W. News**

The Hospital Committee has been quite busy recently. On Sunday, November 25, the monthly trip was made to Maybury Sanatorium. The boys were given cigarettes and a choice from our grab-bag.

Those who went on the trip were Virginia Bartel, Corrine

Clark, Kay Coolman, Alice Fisher, Fern Harnett, Ann Thompson, Mr. and Mrs. Samuel Wilhelm, and a non-member, Emily Wood. On Wednesday evening, November 28, Christmas cards were taken to the veterans at Maybury, and we obtained the ages and sex of their children from them.

This was done in cooperation with a woman's group of Birmingham, who wish to buy Christmas presents for the children of our veterans at Maybury.

Those who helped were Mr. and Mrs. Harry Bartel, Fern Harnett, Joseph Elliott, Alice Fisher, and Hilda Rorabacher. A Christmas trip is planned by the Auxiliary with our Christmas gifts on Sunday, December 23. We will give the men pajamas and a Christmas box.

Congratulations are extended to Barbara and Rodney Nash on the birth of a son.

The Community Service Com-

mittee served coffee and donuts to the draftees and their families November 28. Those who served were Virginia Bartel, Kay Coolman, Fern Harnett and Ann Thompson.

Congratulations are extended to George and Doris Milligan on the birth of a daughter.

Mrs. Isabelle Lueke is convalescing at her home on Church street and welcomes cards and visitors.

The next regular meeting of

the Auxiliary will be held January 15, 1952.

Grace Smith, our Youth Activities chairman, wishes to thank all those who donated time, energy and toys to the Toy Rummage Sale. We plan to make this an annual sale.

Anyone who wishes to donate blood to the Red Cross Blood Bank on January 16 or 17, when it will come to Plymouth, please contact Mrs. Geraldine Olson, 117-J1.

## Roger Babson Says--

**Babson Discusses Cash**  
Babson Park, Mass., Dec. 20. Investors and others are now going crazy over "inflation." Brokers and merchants are saying that the Dollar will become of little value. It would have been sensible to talk this way in the thirties; but then no one could interest people in inflation. Most people usually act at the wrong

time about everything.

**Stock Market and Retail Trade**  
Brokers make their living by selling stocks, and they have found that the easiest way to sell stocks today is to get people scared about inflation. The idea is that as the Dollar decreases in value the price of stocks should increase. This may or may not be true—but the real question is whether the Dollar will further decrease in value during the next few years. The Dollar is fully as likely to hold its own or perhaps become more valuable.

Since the Korean War broke out, the Country has been on a spending spree. People have been urged to buy houses, refrigerators, washing machines, and even furniture, with the idea that money invested in "real things" is safer than money in the bank. This might be true if we can agree on what "real things" are. With the constantly increasing new inventions and changing styles, the only "real thing" is good land, properly located near growing communities. It would be a good thing if the banks would unite to sell CASH as the dealers organize to sell cars.

**History of Inflation**  
Inflation has nearly always been with us. From the earliest days, when Kings increased their spending money by clipping a little gold or silver off the coinage, inflation has been going on. It is true that, in terms of 1935-'39 values, the Dollar is now worth only 54 cents, compared with 104 cents in 1934; but in 1926 the Dollar was worth only 79 cents, after which it came back satisfactorily to the above-mentioned 104 cents. During all these centuries, the Business Cycle has gone on just the same, irrespective of inflation.

There are several reasons for having large bank accounts: (1) To have cash on hand to take advantage of the bargains in stocks and merchandise when the next crash comes; and it surely is coming some day. (2) To properly diversify one's securities. Bank deposits should be considered an investment, the same as stocks or bonds. As the value of one's stocks increases, one should increase his bank account proportionately in order to have proper diversification. (3) To have sufficient funds on hand to pay estate taxes after death. Too many families are not doing this; hence it will require a mortgage on the home or a sale of the business to pay these taxes. A person 65 years of age should start a special bank account to accumulate funds for his "death taxes." Every year this fund should be systematically increased.

**Cash and Patience**  
I have had the responsibility of supervising literally billions of dollars of investments. The greatest profits which I have witnessed have come not from buying some definite stock which everyone agreed "looked good," but from buying at the right time. This required good old-fashioned CASH AND PATIENCE. Many an old small-town New Englander who knew little about finance has become a millionaire by merely storing up cash in times like the present, and having the PATIENCE to wait for the right time to buy good securities.

It is true that the quoted value of CASH today is low, compared with the quoted prices of houses, commodities and merchandise; but some day will see this situation reversed, when the value of CASH will be higher than the prices of houses, furniture and all kinds of merchandise, including Government Bonds. There have been times when I have even walked up and down State Street, Boston, trying to borrow fifty per cent on Government Bonds, and every Banker laughed at me! Of course, I believe in the benefit of them at a discount of 35 percent by buying certain bank stocks.

In Oklahoma City, county commissioners investigated charges that Constable Samuel Edgar Hutchinson, newly re-elected to his post, was not fit to hold it, found that he was 1.) not a resident of the district he policed, 2.) doing time in jail for public drunkenness.

## Timber Cutting Rights Offered

Timber cutting rights in three upper peninsula state forests will be offered at conservation department public auctions and under sealed bid on December 28 and January 2-3.

Permits are for cutting nearly a million board feet of timber in the Mackinac, Menominee and Escanaba River forests. December 28 auction, 2 p.m., will be at the conservation district office, Newberry, and the January 2 sale, 10 a.m., is scheduled at the district office, Escanaba. Sealed bids for Escanaba River stumps will be opened January 3 at 11 a.m. at the Gwinnett forest office.

Here's an idea with pork left-overs. Grind the meat and combine with chopped apple and fine bread crumbs and bind the mixture with an egg. Mold the mixture in muffin pans and bake in a 350 F. oven for 30 to 45 minutes.
