What I Think and
Have A Right to Say
By ELTON R. EATON

A GOOD BIG PAT ON THE BACK.

Now that it is all over and our good city of Plymouth having enjoyed one of the best Christmas seasons in many a year, we think it is a pretty good time to give a great big pat on the back to Bert Giles and other members of the Plymouth Chamber of Commerce which gave to Plymouth the best Christmas season decorations the city has had in years.

Not only is Mr. Giles and his committee and the Chamber of Commerce to be commended, but every business man in the city who so splendidly cooperated in this year's decorating is entitled to a "thank you" from all of the citizens of Plymouth.

From all reports, every one seems highly pleased. Indeed it is gratifying to know how successful it turned out. When Chairman Giles assumed the chairmanship of this Chamber of Commerce committee some three years ago he said then that it would take time to bring about a proper decoration in keeping with Plymouth and its go-ahead spirit.

His committee did a good job last year, but it certainly went over the top in a big way this year. And his committee functioned as smoothly as did affairs in the Plymouth post-office back in the days when he was serving as Plymouth's highly efficient postmaster.

Congratulations to every one who had anything to do with making our city look so "Christmasy" this year. Let us resolve now to do it again next year. It has paid off in more ways than one and it has been a source of real satisfaction.

THE RIGHT STEP TO TAKE.

There seems to be a lot of talk around Lansing again about reorganizing the state government so that the Governor will really be the executive head of the state. Committees, commissions and so-called government "experts" are devoting a lot of time trying to figure out just what to do and what not to do.

It always seems that when the problem is a simple one they make a lot of hard work out of it for some reason or other. The re-organization of the state government up in Lansing would be a very simple thing to accomplish if these "experts" wanted to do a really good job and not look for a bit of glory for promoting some phony idea that they think will bring about a "consolidation" of government authority. What should be done?

Just what the next session of the legislature repeal all of the laws that have been passed in recent years which curtailed the activities of the administrative board system of government that was instituted by former Governor Groesbeck.

The Governor then functioned as an executive should. Michigan for six years of his administration had the best conducted state government it ever had. More progress in making this the great state that it is was accomplished in those six years than has been accomplished in all the years combined since that time.

A lot of peanut reformers are doing a lot of talking, but the problem is an easy one, if they really want to do something worth while for our great state.

THEY'VE DONE IT AGAIN.

It just seems that no matter what the weather might be or how busy folks are that you can't stop the Plymouth Goodfellows. Once again they braved the cold winds of a cold December to sell newspapers in order to raise funds so that there would not be a man, woman or child forgotten by old Santa at Christmas time.

As in past years, their sale was a tremendous success and by sticking to their posts, a half hundred or more good Plymouth citizens were able to raise sufficient funds to provide just the kind of a Christmas a lot of most-deserving people appreciated.

In this busy, troubled old world, you know there are some elderly people without relatives and without much income—and there are some boys and girls, too, whose parents because of misfortune or illness, are not able to provide the few little extra things that always help to make Christmas the happiest day of all the year.

It is into these homes that the Plymouth Goodfellows, and the Goodfellows of Canton enter at Christmas time to turn gloom into gladness and to make our unfortunate feel after all that this is a pretty good old world in which to live.

MAIN STREET WIDENING.

Heard some one say the other day that there had been a mention made that possibly the city commission at some future time might give consideration to the widening of Main street from Fralick avenue to Mill street.

It seems that some one had walked along the street and had figured out in his mind that the street could be widened along a 20 feet in most places.

When I know about that—but there is one thing sure. If the city of Plymouth should enter Main street from Pennington avenue to Mill street into a contest for being the worst paved street in these entire United States, we think we might win first prize. We surely would win it if the contest should be confined to that section from Union street to Starkweather.

One former city official said some years ago that the city had some \$17,000 set aside to resurface the street, but apparently changing administrations brought an end to that hope. At any rate the paving condition of Main street—and the street widening problem—is a headache for the commission members. It is up to them as to how they desire to cure that headache.

WHY BE SURPRISED?

Some folks up around Lansing seemed to be quite surprised over the fact that Soapy Williams is going to reappoint John J. Kozaren as a member of the state liquor commission. John, as many will recall, is the fellow from Hamtramck who took Soapy on a tour through Hamtramck during the last campaign where there was plenty on tap at all times for the boys.

Some of the political writers with the touring politicians even hinted or said that some of the booze joints were open at times when the law says they should not be.

But it appears that Soapy is something like our Harry down in Washington, who "stands by" his old side-kicks no matter what they do or don't do. Soapy and Harry are the type of high public administrators that have brought our country down to its present shameful level.

We can be thankful that the next election is not many months away and the decent citizens of Michigan and the nation will soon have the opportunity to do a real job of house cleaning. And what a lot of dirt there will be to flush down the sewers!

Symphony Ball Tomorrow Night

The annual Symphony Ball will be held tomorrow evening in the high school gymnasium. Kenneth Norman and his orchestra will furnish music for the dancers from 9 p.m. to 1 a.m.

Mrs. Eleanor Balfour, general chairman of the Ball, states that preparations have been going on for the past several weeks and that this year's Ball should be one of the best since its origin in 1948.

Mrs. Roy Jacobus and her decorations committee have been working many weeks on the elaborate decorations that are characteristic of this gala affair. Other chairmen are Mrs. Elvin Taylor and her assistant, Mrs. Eugene Crosby, tickets; Hanna Strasen, check room; Mrs. Walter Beglinger, refreshments; Julian Corey, photographer; Mrs. Jane Raaflaub, publicity.

Elvin Taylor and William Campbell have contributed much to the success of this year's Ball.

Paul Simmons will call for the few square dances that will be held.

This semi-formal dance is open to the public and is one of the ways the Society earns money to carry out its many projects during the year. Tickets will be available at the door.

Blood Bank To Visit Plymouth

Red Cross Mobile Blood bank will be in Plymouth January 16 and 17 under the auspices of the Starkweather P.T.A. and the Elks lodge, if there is enough interest shown by local residents. Two hundred persons must be registered for each day before the mobile blood bank will come out to the city.

Hours for the blood bank are from 3 p.m. until 9 p.m. January 16 and from 9 a.m. until 3 p.m. January 17.

Any person from 21 to 60 or 18 to 21 with parents consent is acceptable. Appointments may be made by calling Mrs. H. R. Penhale, 252-W or Mrs. Thomas Argo at 1935-J.

The Department of Defense, in a telegram to all Red Cross Chapters, described the Korean blood supply as critical.

The various clubs and churches of Plymouth, will be contacted and asked to announce this most important message to its members.

Business Women Enjoy Xmas Party

The annual Christmas party of the Business and Professional Women's club was held Monday evening of last week in the Mayflower room of the Hotel Mayflower. In an impressive candle-light setting, the ladies sat down to a delicious turkey dinner.

In an appropriate program for the last meeting of the year, the

Prizes Await First Baby of '52

Who will be Plymouth's First Baby of 1952? To the baby laying claim to this title, a galaxy of prizes including 30 quarts of milk, a complete layette, dozen diapers, 10 nursery bottles, two cases of baby food, a pair of baby shoes and one portrait will be awarded.

Seven merchants of Plymouth plan to greet the New Year's first child with these appropriate gifts. Rules for the contest are simple and may be found on page 3, section one of today's Plymouth Mail. The prime requisite, of course, is that the parents give birth to a child sometime after midnight December 31. A statement of the exact time signed by the attending physician must be received by noon January 7 by the Plymouth Mail. Parents of the child must be residents of the Plymouth area having a Plymouth mailing address. The winner will be announced in the January 10 edition of The Mail.

PUTTING THE FINISHING TOUCHES on the decorations for the Symphony Ball are: (left to right) Mrs. Roy Jacobus, Mrs. Hugh Law and Mrs. Wells Smith. The Ball is scheduled for tomorrow evening from 9 p.m. to 1 a.m. in the high school auditorium.

A New Year - What! - Why!

By Rev. David L. Rieder
First Baptist Church

Janus, for whom the month of January was named was one of the false gods the Romans worshipped. Now Janus had two faces. With one face he looked forward and with the other he looked backward. All of which is made to indicate that he stood between the old and the new with deep regard and concern to both.

Likewise, most of us face the occasion of the New Year with mixed emotions. Some are overwhelmed by the facts of war, skyrocketing inflation, governmental corruption and the rest of the dark pattern. Many more, however, have high hopes, believing that the future, despite all of its problems, holds opportunities never before offered to any generation. None of us, if it would be possible, would be willing to actually trade places with the people of any other nation or generation.

Yet, in every heart, the question of "What?" is predominant and natural. "What" does the future hold? "What" will be our chances?—"What! What!" Perhaps, as we face the New Year another little word might better occupy our thoughts.

Let us center our thinking about the word "Why!"—For us a New Year of life, labor, service—Why? No person, no people have ever been greater than their motives. We meet daily, folks who are seemingly looking for a real motive to live enthusiastically. Our modern "gadgets" have made it increasingly easy to live. They cannot, however, give to any a reason for living. That must come from within! Stop for a moment, cast aside all of the trembling "Whats" that clothe the arrival of 1952, and as we step across the threshold, let us each ask ourselves "Why?"

The Apostle Paul was able to say "For me to live is Christ." Who can fathom the depth of so great a motive for living, yes, even for dying! Our nation was founded by people who like Paul, could give a good answer to the question "Why?" Their homes, their families, their God were passionately dear to them and that passion was "the drive" that produced a masterpiece!—America! The vision of Janus was superficial. — Look externally to the past and to the future, if we dare, but look internally we must, for a real reason to live at all. — "Why?" — That's the question!

May each find within, that answer fervent and eternal, in the New Year. Thus may God's blessing be ours as individuals and as a nation.

Goodfellows Again Provide Happy Christmas For Needy Families

Because of the generosity of Plymouth residents, the Goodfellows famous slogan, "No child without a Christmas," came true again this year. Although the Old Newsboys barely missed reaching their goal of \$1600, they collected enough to give all the needy families in this area a merry Christmas—the sale of the Plymouth Mail Goodfellow edition brought in \$1543.12.

Forty-seven strong, the Old Newsboys braved the bitter cold weather of Saturday, December 15, and took their stands all over the city.

All the needy families of Plymouth and the surrounding area received a Christmas basket because the people of our city wouldn't let them down. Good-

30 Children Win Rexall Prizes

Christmas came early for 30 children of Plymouth this year for they all were the lucky winners in the recent Beyer's Rexall Drugs Contest. This contest, which ended last weekend, was open to any child in this area, 16 years of age or under, and the winners were determined by votes cast for them by purchasers of articles at the Beyer Drug stores.

The two boys who each received a grand prize of a Columbia bicycle were Chester Brimer, infant son of Mr. and Mrs. Jack Brimer of 994 York, and David Thompson, son of Mr. and Mrs. Charles Thompson of 464 Auburn. An interesting feature of the first place winner is that Chester is only three months old, and was born in the Beyer hospital at Ypsilanti 90 days before the contest, bearing the same name, ended.

The two girl grand prize winners of Columbia bicycles were Judy King, daughter of Mr. and Mrs. Jack King of 42608 Ford road, and Patti French, daughter of Mr. and Mrs. James French of (Continued on Page 6)

Christmas Spirit Cheers Little Boy

There are still a few people who have the right Christmas spirit and as a result a small Plymouth boy will have the Christmas present for which he worked so hard.

This small boy had wanted to win one of the bicycles awarded the two highest boys in the recent Beyer Drug Store Contest, but missed it by a narrow margin. His uncontrolled unhappiness was noted by Mr. and Mrs. Jack Brimer of 994 York, parents of the winner. Questioning brought out the fact that the lad had worked so hard, and could not have a bicycle any other way. The Brimers along with a relative, Mr. and Mrs. Frank York, decided to do something about it.

For sentimental reasons they wanted to keep the bicycle their infant son, Chester had won, so decided to ask Robert Beyer if the drug store could get another one wholesale for them. All three parties chipped in and bought a bicycle and it was taken to the little heart-broken boy on Christmas Eve.

Because of the Christian spirit of the above three parties, one of the happiest boys in Plymouth this year was a little eleven year old—and chances are that he will remember this act of kindness for the remainder of his life.

Permit Denied for Gunnison Home

The request for permission to construct a Gunnison home on Harvey street in the Nash subdivision was denied by the City Commission at a recent meeting in their chambers.

Harry Duerson, of Future Homes, Inc., had applied for permission to construct such a home some time ago.

The Commission carefully considered Mr. Duerson's application and took a special trip to Ann Arbor to examine in minute detail the construction of such homes.

Commission OK's Removal Of Several Parking Meters

The City Commission has authorized the City Manager to remove all parking meters within 15 feet of a crosswalk. Police Chief Carl Greenlee and Commissioner Frank Arlen suggested that parking meters near crosswalks should be eliminated for reasons of pedestrian safety and better vision for drivers.

In compliance with Chief Greenlee's and Commissioner Arlen's suggestion, all parking meters within 15 feet of a crosswalk will be removed as soon as possible and an appropriate sign will be erected to warn drivers not to park that distance from the crosswalk. Mr. Glassford pointed out that signs are more practical

than painting the pavement since in the winter when snow covers the streets the paint is unnoticeable, and too, they always need repainting since they wear off quickly.

Besides all meters within 15 feet of a crosswalk, other meters will be removed, or added, to facilitate the flow of traffic. Ten meters on the west side of S. Main street between Ann Arbor trail and Wing street will be removed, 2 in front of Cassidy's, 1 by Connor's Barber Shop, and one in front of the Capitol Shirt Store.

New meters to be installed will be placed as follows: 10 meters will be placed on Union street—all have Commercial frontage, 4 on the east side of Forest avenue immediately south of Ann Arbor trail, 1 in front of the new gift shop and 1 in front of the new shoe store an Ann Arbor trail just west of the Mayflower hotel, 5 on the south side of W. Ann Arbor trail immediately east of Harvey, and 1 meter in front of the new Dunning store on Forest.

C. of C. Will Elect 3 New Directors

Ballots are in the mail now to members of the Chamber of Commerce for them to vote on three new directors of the Chamber of Commerce according to Secretary Helmer A. Nelson.

The terms of Wendell Lent and Walter Rensel expire this year and a vacancy occurred when President Ray Williams moved to California.

Eight men have been nominated for the three vacancies. They are Harry Bottomly of Taylor and Blyton, James C. Houk, of Fisher's Shoe Store, Thomas C. Kent of Daisy Manufacturing Company, John McFald of Champion Corrugated Container Company, Robert Minnock of Paul Wiedman's, Duane Parkes of Parkes Real Estate, Harry Roberts of Utilities Line Construction Company and Dean Saxton of the Saxton Feed Store.

The other 6 members of this 9 man board are Ralph Lorenz, Vice-president; Jack Taylor, treasurer; and directors Walter Hammond, Frank Arlen, Robert Marsden and Robert Waldecker.

With the election of the three new members to the board it will bring it up to full strength to begin the new year states Mr. Nelson.

City to Purchase Meter Motorcycle

Soon the citizens of our city may see one of our policemen riding a three-wheeled motorcycle to check the parking meters on our streets. Recently the City Commission authorized City Manager Glassford to offer to purchase such a vehicle from the City of Buchanan for such a purpose.

A peculiar situation arises in that the city of Plymouth must accept bids to purchase the vehicle and the City of Buchanan must ask for bids to sell it. The city of Buchanan has indicated that they will accept the best bid over \$800. However the City (Continued on Page 6)

FINANCIAL OUTLOOK

Babson Says Administration Expects Radical Inflation in '52

1. Excluding defense orders, the total business volume in 1952 will be less than that for 1951. However, National Income in 1952 will be very high, as war orders take the place of peace production.

Government Controls

2. The outstanding feature of 1952—barring all-out war—will be the Presidential Election on November 4, 1952. I comment further upon this under paragraph 48.

3. The Administration and its economic advisors appear firmly convinced that radical inflation is about to break out next year. But the "brain trusters" are overlooking the fact that the boom is already old and that it was creating badly when the Korean War broke out. The date of the slide has only moved ahead.

4. Farm income will continue high in 1952.

5. As 1952 wears on, the effect of controls, increased taxes, and high prices will cause a decline in legitimate business. If civilian production declines too much, the public may then cry, "This is a government-made slump; let's change the Administration!"

6. If in 1952 it becomes evident that business is declining too much as a result of government curbs, the planners at Washington will rush their patient into an oxygen tent.

Sally Holcomb Wed at Rosedale Garden's Presbyterian Church

Juniors Need Reassurance Constantly

Juniors do need constant reassurance; hourly reminders of security, parental affection.

Many children become emotionally upset when a parent disappears on normal business, such as marketing or office routine.

The wise parent carefully discusses this necessary absence in advance, rather than doing a tip-toe-out-the-door act when baby is asleep. A simple explanation builds trust; i.e., mutual confidence is part of love.

Children do need applause, even as you and I. But it should be given sincerely, when well-deserved.

When Junior picks up toys, when he spoons in cereal with minor sloshing, a warm word of praise encourages a good performance next time.

Children change faster than the weather. Mummy's little angel of 3 p.m. is likely to be a howling demon at 3:30. What happened to the sunny elf?

He may be overtired—did he miss his nap? Was Mummy too busy to listen when he tore in to tell her about the great yellow butterfly? Or is he just developing, struggling for new expression? (Before you say, "He's his stubborn Father all over again," pause and reflect: "Don't you have changing moods?")

All Juniors go through a screaming stage, when each word splits your agonized eardrums. (Partly a bid for attention, partly eagerness, excitement at just being alive.)

The wise parents holds to a low-pitched, gentle voice, a quiet reminder that you can carry on business as usual without alerting the neighbors.

Then there's the deaf stage, when commands don't register. "Pick up your toys this minute, or you'll get no supper." This ultimatum may draw a slight thrust of the jaw (Daddy in miniature, of course) or a maddening, "I can't, I'm too tired."

Suggestion No. 1: Casually, "If you are too tired, you better go straight to bed." (Only follow through, once it's said.) Suggestion No. 2: "Suppose we pick things up together." (And see to it Junior gathers his share.)

Sally approached the altar on the arm of her father in a gown of ivory brocaded satin with matching bonnet from which fell her fingertip length veil of illusion. She carried a colonial bouquet of roses and ivy centered with a white orchid.

Margaret Chavey was Sally's maid of honor. She wore a gown of peacock blue nylon net over satin with matching satin stole. Her headpiece was of peacock blue nylon net and she carried a colonial bouquet of red roses. Lucille Kappinger, the bridesmaid, was gowned identical to that of the maid of honor and also carried red roses in a colonial bouquet. Dale Bachtel was his brother's best man and seating the guests were Lee Coolman and Harry Christensen.

Mrs. Holcomb chose for her daughter's wedding, a wine brocaded iridescent taffeta dress with winter white accessories. Her corsage was of white camillias. Mrs. Bachtel pinned a pink camillia corsage to her navy blue faille suit. She wore pink accessories.

Following the ceremony a reception for 150 was held in the church parlor with guests coming from Ohio, Grand Rapids, Flint, Fenton, Saginaw, Clarkston, Fremont, East Lansing, and Plymouth.

Sally attended the Michigan State College in East Lansing and is affiliated with Sigma Kappa Sorority. Jack is a student at Michigan State and is a Alpha Gamma Rho fraternity member. The young couple are making their home in East Lansing following an Eastern honeymoon. For traveling the new Mrs. Bachtel wore a light gray wool flannel suit with dark gray accessories and the orchid from her bridal bouquet.

Father Landry to Lecture Here

"The Apparition of La Salette" will be the subject of a lecture, illustrated by motion pictures, to be given by Father Laval Landry, a member of the Missionaries of La Salette, before the Holy Name Society of Our Lady of Good Counsel Catholic Church and their guests in the church auditorium corner of Arthur and William avenues, Plymouth, at 8 p.m., on Thursday, January 10, according to an announcement by Francis J. McGough, Holy Name President.

Until recent years this apparition of Our Lady to two little shepherds on September 19, 1846, the very year in which Leon Bloy, the famous French writer and godfather of Jacques Maritain, was born, was little known in the United States. However, since the introduction of Bloy's works to the American literary public during the last five years, a constantly increasing interest has been aroused on this side of the Atlantic in the event that Bloy considered one of the most important in modern history.

In her message to the shepherds, Our Lady, after deploring the increasing neglect of God's commandments, told of terrible things to come because of the volume of men's sins; and concluded with a solemn warning that if her people would not repent, she would be powerless to restrain any longer the Arm of her Son from descending in wrath upon them. His mind fired with enthusiasm for Our Lady's cause upon the occasion of his first pilgrimage to La Salette, Bloy launched his great endeavor in the mystical interpretation of Holy Scripture which today is stirring the hearts of men of good will, regardless of faith.

Father Landry did his undergraduate work at La Salette College, Hartford, Connecticut, studied philosophy at the University of Fribourg, Switzerland, received his doctorate in theology at Laval University, Quebec, and did additional postgraduate work at the Catholic University, Washington, D. C. The Missionaries of La Salette, devoted to home missions, was founded in 1851 by a group of secular priests in the diocese of Grenoble, France, and

Berta Lou Nique Wed in White Velvet Gown

In a recent ceremony Berta Lou Nique became the bride of Richard Gordon Schafer. The Reverend P. Claggett of the Harrison First Congregational church in Pontiac performed the ceremony. Berta Lou is the daughter of Mr. and Mrs. Ralph W. Nique of Plymouth, formerly of Pontiac and the bridegroom is the son of Mrs. Roland Schafer of Ypsilanti and the late Mr. Schafer.

Berta Lou chose a gown of white chiffon velvet. The high rolled collar accented by seed pearls enhanced the fitted bodice featuring tiny covered buttons. The long sleeves ended in points at the wrist. White orchids and ivy placed on a prayerbook were carried by the bride.

Mrs. John E. Marsom was her sister's matron of honor. She wore a green velvet ballerina length gown featuring long pointed sleeves. She carried white baby mums with red roses in a small nosegay.

Roland Lynn Schafer Jr., of Ypsilanti, assisted his brother as best man. Seating the guests were Ralph William Nique Jr., brother of the bride and James R. Wolter of Lansing. William Vanderven sang the bridal recital.

A reception was held at the Hotel Waldron, Pontiac following the ceremony. Mrs. Nique chose a navy blue crepe dress with winter pink accessories and her corsage was of pink rosebuds. Mrs. Schafer's gown was in purple crepe with matching accessories. She wore purple violets and pink rosebuds.

For traveling the bride wore a green suit with brown accessories accented by a white orchid from her bridal bouquet. The young couple are honeymooning in the South.

Berta Lou is a graduate of Michigan State Normal college and is affiliated with Delta Sigma Epsilon educational sorority. The bridegroom is a senior at Michigan State college in East Lansing.

TO THE SUPERVISOR AND HIGHWAY COMMISSIONER OF THE TOWNSHIP OF LYMERIS, WAYNE COUNTY, MICHIGAN.

Sirs: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on December 6, 1951, decide and determine that the certain streets described in the minutes of said Board, and being fully describing said streets are hereby made a part of this notice, and are as follows:

Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the Cadillac Tower, Detroit, Michigan, at 10:00 A.M., Eastern Standard Time, Thursday, December 29, 1951.

Present: Commissioners O'Hara, Wilson and O'Brien.

Commissioner Wilson moved the adoption of the following resolution: BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne that the following described roads, be and they hereby are taken over as county roads and made a part of the county road system of the County of Wayne.

All of Amherst Court, also all of Nicholas Lane, as dedicated for public use in Plymouth Hills, being a subdivision of part of the S.E. 1/4 of Section 29, T.15, R.1E, Plymouth Twp., Wayne County, Michigan, as recorded in Liber 73 of plats on page 43, Wayne County Records.

constituting a total of 0.907 mile of county road.

The motion was supported by Commissioner O'Brien and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien; Nays, None.

THIS NOTICE IS GIVEN UNDER AND VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 13th day of December, A. D. 1951.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN:
 John P. O'Hara, Chairman
 Charles L. Wilson,

No Sledding on Pacific This Year

The children who have been enjoying their sled rides down the hills on Pacific avenue, for the past few years, will have to find a new place this winter. The police department has blocked off a block or so on Pacific from traffic, so that the children could enjoy the long hill near the northerly end of the avenue. Many a tiny tot has tried out his new Christmas sled on that ideal hill. This year the police say that because of the increased traffic in our city, and that section of town, it will be impossible to block off any street.

The only place one can safely slide down hill now is in Riverside park where there are many ideal hills for this favorite winter sport.

Dutch Exporter Calls on Relatives

A Netherlands business man and his wife, Mr. and Mrs. Ad Langendam of Rotterdam, Holland, pleasantly surprised his uncle and aunt, Mr. and Mrs. Moritz Langendam of Sutherland avenue, when they arrived for a short visit over the holidays. Mr. Langendam, an exporter of leather goods, came to the United States and Canada on a business trip.

The Langendam's crossed the Atlantic on the new liner, Rhyndam of the Holland-American line. They say this voyage was very rough and it took 11 days for the crossing. Then the train from New York to Plymouth was 7 hours late due to the heavy snows of the past week.

In Holland states Mr. Langendam, the Christmas season is different in that they celebrate December 5 and 6 what is known as Santa Claus, or Saint Nicholas Day, when everyone exchanges Christmas presents and makes merry. In Rotterdam Mr. Langendam is Santa Claus' helper, and masquerades as a black person and goes around kissing the ladies in the restaurants and business places. Each city has a Santa and a helper.

On December 25 and 26 their celebration is mostly religious and feasting.

The European visitors say there is plenty of food in Holland, but the prices are very high, and the only thing rationed is coffee.

There is no unemployment. The dikes, which were opened by the Germans during the last war, ruined the crops in the lowlands, but a chemical treatment has restored the soil fertility caused by the salt water, and crops are normal again.

Both say the Marshall plan has helped tremendously in restoring Holland to pre-war conditions.

They also say that the Plymouth people they have had contact with seem so kind and friendly, and are very highly impressed with our city.

SKIPPER SUICIDES... Dominick (Nick) Liotta, 22, co-captain of Villanova's 1951 football team was hit by a suicide by hanging, police reported. Liotta, a senior from Everett, Mass., was rated one of Villanova's most brilliant guards.

Luella H Zahn Buried Here

Funeral services were held last Saturday, December 22 at 3 p.m. from the Schrader Funeral home for Mrs. Luella H. Zahn who passed away Thursday, December 20 at the age of 46 years. Mrs. Zahn resided at 15681 Bradner road in Northville Township where she has lived for the past year.

Surviving are her husband, Clinton H. Zahn; three sisters, Mrs. R. A. Brooks and Mrs. C. R. Ickes, both of Detroit; Mrs. Thelma Cushman of Plymouth and her brother, John Wendell Scott of Detroit, other relatives and a host of friends.

Mrs. Zahn was a member of the Central United Church of Windsor, Ontario.

Rev. Melbourne I. Johnson officiated. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were Edward Ott, Claude Lowe, Ted Brooks, Ray Ickes, Carryl Cushman and R. H. Rhinehart. Entombment was made in Riverside Mausoleum.

Funeral services were held Sunday, December 23 at 1 p.m. from the Schrader Funeral home for Mrs. Jennie M. Meddaugh who passed away Friday, December 21 after a long illness. Mrs. Meddaugh resided at 242 Blunk avenue, where she has lived for the past 15 years.

Surviving is her husband, Archie Meddaugh, other relatives and a host of friends.

David B. Baldwin of Livonia read the service. Hymns were rendered by Mrs. Alta Woodworth at the organ. Interment was made in Acacia cemetery, Chicago, Illinois.

"I REMEMBER" BY THE OLD TIMERS

From Nellie Cole, Harrison, Ark.: I remember in winter father hitched a team to a log to drag and break a trail through the snow for us children to go to school. I remember when it was soorghum-making time the children would stop by the mill and cut a piece of cake to use for a spoon and lick molasses from. Now children are not stopping, for a fast school bus carries them past the mill.

From Mrs. Andrew Kulp, Ephrata, Pa.: I remember when I was a girl my father got copper-tips to put on my shoes so they would wear longer. I also wore a lace scarf over my face on cold windy days to go to school.

From Grace Moeller, Purdy, Mo.: I remember the old brush arbor, with hard backless benches, mourners' bench and gasoline torches. We all rode to meeting in a lumber wagon. Pa and Ma sat on the high spring seat and we older ones argued about who would hang our feet out back. When we got there, everybody made a pallet for their young'uns. And sometimes it looked as if there were more young'uns asleep on the pallets than there were grownups on the benches.

From Nora Prunk, San Diego, Calif.: I remember how we used to go to town in wagons and tie up horses at those old hitching posts. One day, my dad brought home a new surrey that had a fringe around a square top. Believe me, we were some "punkins" when we rode in that.

From S. M. Le Gore, Indianapolis: I remember in the 1880's we seldom started the wood heating stove upstairs until Thanksgiving. In April we put away the blankets and they were not brought forth until November.

Best Routes; Driving Tips Listed For Florida Bound Residents

There's good news for Plymouth's Florida-bound motorists this season—and a warning, too. Aside from minor detours, all Florida routes will be free of major construction activity all winter, says Harry N. Rogan, travel manager of Automobile Club of Michigan.

The warning, as Rogan puts it, is this: "Don't let southern citrus juice stands which front for illegal gambling operations put the 'squeeze' on you."

Auto Club has received a number of complaints from members citing these tourist-traps. The "squeeze" always starts with an offer of a second drink of juice free—followed by an invitation into the back room where they're rolling the dice "just for fun."

A score of different routes into the Sunshine State are in good shape. The ever-popular "direct connection", which includes 100 miles and scenic mountainous driving, runs through Cincinnati, Ohio; Lexington, Kentucky; Knoxville, Tennessee; Atlanta, Georgia; and Lake City, Florida.

The western route, which is gaining rapidly in popularity, includes no mountainous driving and thus is favored when roads are icy. It is about 100 miles longer than the direct connection, but is only 35 minutes longer in actual behind-the-wheel time, say Auto Club road reporters. It runs through Fort Wayne, Indiana; Louisville, Kentucky; Nashville, Tennessee; and Columbus, Georgia.

Either route takes Plymouthites to Miami in four days, St. Petersburg and Tampa in three and one-half days and Jacksonville in three days at a driving rate of 375 miles per day.

Accommodations in Florida vary more widely in price than ever before, says Rogan, due to the completion of thousands of new rooms in tourist courts, hotels, resorts, and motels during the past year. Older accommodations in some cases will be slightly lower in price than last year. The newest places will be more expensive. Seaside rooms for two will cost from \$80 to \$130 per week during the season, while cities not on the ocean offer apartments and houses for \$80 to \$150 per month. "The sun shines just as regularly inland as it does on the ocean," says Rogan, "and economy-minded folks will do well to remember there's usually a swimming pool in Florida's inland cities."

A family of four planning a fast drive to Miami and return will find their round-trip traveling expenses, including car, meals and overnight accommodations, will cost about \$236.60. A couple driving to St. Petersburg or Tampa and return will spend about \$162.50 on the road. And a couple visiting Jacksonville will spend about \$129. These costs are "on-the-road" expenses only. Rogan points out, and do not include expenses of staying in Florida.

Speed traps are on the wane in the southland, but Rogan warns against the occasional one that pops up each winter. Easiest way to guard against traffic tickets is to observe the following "open highway" speed laws: Ohio, Indiana and Georgia: 50 mph; Kentucky and Florida: 60 mph in daytime, 50 mph at night; Tennessee: stated only as "reasonable and proper."

Private Kushler arrived in Korea in October 1951.

30 Children Win Rexall Prizes

(Continued from Page 1)
32719 Brown street, Garden City. Other winners in this contest were Billy Butcher, a miniature racing car; Duke Wooley, an aeromite powered plastic airplane; Russell Horn, a remote control Ford car; Denny Packard, an official size football; David Timcoe, a fielder's glove; Gary Brickelhow, a repeater rifle; Lawrence Judd, a table tennis set; Lynn Gates, Larry Zauka, James Dyer, Larry Dyer and Gerore Simons each received a pound box of candy.

Other winners in the girls' division were Roberta Montgomery, a toni doll; Mary Zander, a I'll-darling Doll; Carolyn Carter, a honey doll; Connie Gray, a sewing machine; Gloria Jean Jones, a metal doll house; Sally Merryfield, a 53 piece tea set; Marcia Herter, a nurse's set; Nina May Bain, Sharon Norris, Susan Patterson, Sandra Richards and Roberta Lidgard each received a one pound box of candy.

City to Purchase Meter Motorcycle

(Continued from Page 1)
Commission felt that as long as it is a used machine—it has had 2000 miles of use—that depreciation would bring it down a bid of \$700 for the vehicle.

In the event they aren't successful in this bidding, bids the city asked for a new machine will be considered. The lowest bid for a new one was \$1175.

City officials think this will improve the efficiency in keeping a closer check on our parking meters.

Mothers Prefer 2 Piece Snowsuits

Two-piece snowsuits are preferred over the one-piece style for children 2½ to 5 years old, according to results of a survey reported in the Journal of Home Economics. Reasons for the preference of two-piece suits were: separate use of the jacket, the fact that it is possible to have two pairs of pants, and the fact that the two-piece suit is more adaptable to growth.

Most of the mothers expected that the snowsuit would be worn about two years. Three times as many mothers found that snowsuits were outgrown before they were worn out as found the opposite to be true.

The study brought out these preferences: zipper for front closing, trousers made with bib front and adjustable cloth suspenders, attached belt or elastic webbing for fit at the waist line, knitted wristlets without zipper for cuff-fitting, location of pockets, and a bright color of medium or dark value.

Sign Violation Survey to be Made

A Commercial area it is unlimited as long as the signs do not extend over 18 inches from the building unless by permission of the City Commission. The city ordinance states there shall be no signs on the street.

It has been found that many of these violations date back to long before that particular ordinance became law.

The survey will attempt to find how many signs were in place before the sign ordinance became effective, how many have been modified by painting, and how many persons are violating the regulations by having signs on, or over, city property.

The city manager will make a report of his findings to the City Commission in the near future.

to push them out by hand. "That's one way people get heart attacks," he said. Try 'rocking', a burlap bag under the rear wheels or wait for a car to come along that does have chains. Next time be prepared with chains yourself."

In addition, the Chief suggested, check your windshield wipers and defrosters and be sure your headlights are in good condition, because earlier darkness and blowing snow add poor visibility to other winter driving hazards.

Brakes not least be sure your brakes are equalized and functioning properly.

FARMERS URGED TO CHECK ELECTRICAL AND HEATING INSTALLATIONS TO CUT FIRE LOSS

INDIANAPOLIS—Faulty electrical and heating installations may cause more than \$30,000,000 in farm fire losses this winter, according to Harry P. Cooper, Jr., secretary of the National Association of Mutual Insurance Companies.

The correction of existing defects by thorough fire prevention inspections, however, could reduce this anticipated loss by at least 75 per cent, he said.

The association represents 1,200 mutual insurance companies in all sections of the country. Mutual insurance companies work for lowered losses, and return to policyholders savings developed by loss prevention programs.

Farm fire losses in 1950 exceeded \$100,000,000 and an estimated 3,500 lives were lost. Approximately 27 per cent of these fires originated in the electrical or heating equipment.

"Although winter season is here," Cooper said, "Heavy additional loads will be put on wiring and heating units."

Here are 10 suggestions Cooper makes to reduce fire losses on farms:

1. Have a qualified electrician add additional circuits where needed to meet increased current demands of newly purchased electrical equipment.
2. Replace all worn or frayed wiring, inside and out.
3. Make sure all radio, television, windmill, or other towers are properly grounded, and are so located that they cannot come in accidental contact with other wires.
4. Use only the proper size fuses in all fuse sockets. The use of coils, slugs, or other metals or oversize fuses is very dangerous. Remember, the fuse is the "safety valve" of electrical wiring.
5. Protect electrical motors from grain, wheat or similar explosive or flammable dust.
6. Be sure light bulbs or connecting wiring cannot be touched by any livestock, and is out of possible contact with hay, straw, or other combustible material.
7. Keep all heating units—furnaces, oil burners, etc.—at least 18 inches from flammable partitions, and use metal containers for handling and storing hot ashes.
8. Store flammable liquid fuels—oil, kerosene, gasoline—in approved containers and follow directions. Check tanks, pipes, and related equipment regularly for leaks.
9. Keep adequate fire fighting equipment—water barrels, buckets, ladders and extinguishers—on hand and ready at all times.
10. Develop good fire safety habits in all members of your family.

The film "King of Kings" will be shown in this service.

Cecil B. DeMille's "KING OF KINGS"

(The awe inspiring story of Jesus of Nazareth)

This film with elaborate pageantry and reverence depicts the latter years of Jesus' life. It opens with a scene in the home of Mary Magdalene. Her arrogance and selfishness fade into repentance and humility when she meets Jesus and she becomes His faithful follower. Emphasis is shown on the miracles and on the Betrayal, Trial and Crucifixion. The characters of Jesus and the Disciples are outstandingly portrayed. (running time 115 minutes).

These Services are being held in the Oddfellows Hall, Elizabeth St. and Ann Arbor Trail.

Babson Says Administration Expects Radical Inflation in '52

(Continued from Page 1)

Labor Outlook

7. Many labor groups will be successful in getting another round of wage increases in 1952. Although there may be more important strikes in the first part of 1952, there should be a decline in work stoppages in the last half year.

8. Tightness in the labor supply will continue through 1952, particularly of highly-skilled workers. Wages of such workers will be advanced voluntarily in order to hold them.

9. The Taft-Hartley Law will not be repealed during 1952, but may be amended. The Administrators of the Law will continue to wink at some of its clauses.

Commodity Prices Will Remain Firm

10. Wholesale prices of many commodities will suffer a mild decline in 1952 when compared with the price level for December 31, 1951. In some lines the drop may be quite steep from the high levels of 1951. Retail prices for 1952 will hold steady.

11. Commodity speculation for a rise will not pay in 1952. Furthermore, our expanding stocks of strategic materials present a real price threat in the event of a peace scare. Such stockpiles could then act strongly as a depressant on prices. Wise merchants will operate with only a conservative inventory.

12. The cost of living will remain high during 1952. This prediction recognizes that living costs next year may continue above the lower levels that existed during the first half of the year now closing. I also predict further rises in freight and passenger rates.

Farm Outlook Good

13. Congress will not take any action during 1952 to legally bolster so-called Fair Trade price maintenance. It's too risky politically when consumers are complaining about the cost of living. But some manufacturers will tighten up on distributors, eliminating those who won't sign Fair Trade contracts.

14. Barring crop failures, the total supply of food available should be larger in 1952 than for 1951, since the government will raise planting quotas as part of its attack on inflation. If the weather is extremely favorable, the government will be asked to give away surplus crops.

15. With prospects good for a rising supply of feed grains, most meat should be more plentiful next year than in 1951. Prices for beef, however, will be held up by high wages and military needs.

Local Taxes Will Be Higher

16. The burden of Federal taxes, both corporate and personal, will not be increased again during 1952 above the advance late in 1951. State and Municipal taxes, however, will go higher again.

17. The above forecast is based on the assumption that unless Stalin starts World War III during the early months of 1952, he has made up his mind to stay in Europe until the United States and our Allies again "go to sleep," which may be some years hence. We give this as a definite prediction as to the outlook for World War III.

18. There are three ways of preventing inflation: (1) increased production; (2) decreased spending; and (3) as a last resort, increased taxes. I forecast that the current exploitation and accompanying fear of inflation are not yet at their peaks for this business cycle.

19. States and Municipalities will again be under pressure to find adequate sources of revenue. Further increases in sales taxes by States and Municipalities can be looked for next year.

Domestic Trade Uncertain

20. Credit curbs will continue to hold down the demand for automobiles and certain household equipment. Completion of fewer dwellings will also act as a damper on furniture sales.

21. Falling demand for hard goods should stimulate the public's spending for food and lower-priced soft goods.

22. The above trend forecast will mean a decline in department store volume. I predict a rise in the sales of variety and drug chains.

Foreign Trade Outlook

24. I believe that armament is to become a new and permanent industry, at least for many years to come. Airplanes, tanks, artillery, guns, and munitions will constantly be replaced as they become obsolete. This new activity will operate much as the automobile industry has operated. I forecast that this will be more and more recognized throughout 1952.

25. Barring new war developments, I look for continued shrinkage in our civilian exports during 1952. Imports, however, may rise further. Exports to South America will be off. Total foreign trade should not be changed much, but the exporters will be on the short end of this business with the importers gaining.

26. Except for war supplies, it will become more difficult to convince Congress that additional heavy credits should be granted abroad.

27. Many domestic manufacturers will feel increasing competition from foreign merchandise. A cry for increased tariff protection will be heard, but no radical tariff legislation will result.

More Deficit Financing

28. The first quarter of 1952 may actually see a budget surplus as a result of high National Income and increased taxation. But, a Federal deficit will surely arise during the balance of the year.

29. Government loans will gradually increase during 1952 and there will be some strengthening of basic interest rates.

30. Government bonds will continue to be held tightly between the floor of Federal Reserve support purchases and the ceiling of Federal Reserve anti-inflation sales. Under such conditions, price changes should be negligible during 1952.

31. While Canada and South Africa have permitted "free markets" or revaluation of gold because of increases in costs of production, the Administration is still opposed. The Gold Stock of the United States is, however, likely to be revalued upward when the nation, in the opinion of government economists, "needs another shot of inflation." This will not be in 1952.

Stock Market and Bond Outlook

32. Until the danger of war is past, wise people who can easily do so will move out of large bomb-vulnerable cities and avoid having investments in such areas.

33. Sometime during 1952 stocks will sell lower than current quotations. This applies especially to oils and certain "blue chips."

34. Stocks now in the best position for 1952 should be many of those that have not been popular as inflation hedges in the past months. I like good chain variety store stocks, certain movie stocks and possibly the air-transportation issues.

35. Investment Trust funds, pension funds, and insurance companies may provide an excellent backlog of demand for sound Income Stocks where good values can be demonstrated.

36. Successful investors of 1952 will be those who have the PATIENCE to follow a carefully planned investment program. Such a program will emphasize diversification—not only by company and industry, but also by quality and cash.

37. Highest-grade taxable corporate bonds should hold in a narrow price range during 1952, but I see no reason for individual investors to buy them unless they are CONVERTIBLES.

38. With present high income taxes, tax-exempt bonds should continue in good demand. Investors should see to it that their bond maturities are carefully diversified, with some part of their bond funds maturing each year. As the usual market is not a good market for tax-exempts when an estate is liquidated, it is wise to hold only such bonds as will mature near the time of one's probable death.

REAL ESTATE ACTIVITY

39. Much of the recent real estate boom was the result of easy credit,—almost nothing down and small payments for years hence. Under the recent legislation there will be fewer small homes built in 1952; but some credit restrictions will be modified. Mortgage money should soon be had on more liberal terms.

40. Nonessential commercial building will be hit in 1952—but, barring World War III, controls will be lessened rather than increased.

41. The decline in new building will continue to throw a wet blanket over speculation in vacant suburban lots during 1952.

42. The scare caused by the Korean-China War and fears of an early outbreak in other sections will adversely affect the demand for big city real estate. This fear, however, is declining and many who had put their city properties up for sale are withdrawing them.

43. Small sustenance farms should hold up well in price as these continue to be valuable inflation hedges. Demand for large commercial farms, however, should weaken as the year progresses.

44. Any swing back toward rent control will act as a further damper on new apartment house building. There is as yet no incentive to build homes for rental income, although rent control is gradually lessening.

45. Tighter credit controls will make it more difficult to improve older residential properties. Hence, the prices for these should weaken even though they are now the best buys.

46. Volume of money and credit in circulation will continue to increase to about the peak of a few years back. The big rise has been in credit. Much of the credit increase is "secured" by commodity and property values that can shrink greatly when defense spending ends.

Defense Orders and Politics

47. Those who can do so should attempt to get defense orders if needed to hold up production volumes and reduce overhead. Not too much profit from such war business should be expected. These contracts will be subject to tightfisted renegotiations.

48. The political outlook for 1952 will be completely dominated by jockeying for position in the Presidential race for 1952. Barring World War III, Congress will pass very little new legislation except some sops to labor and the veterans.

49. Congress will still be dominated by a conservative coalition of Northern Republicans and Southern Democrats. This North-South coalition will still be able to curb onslaughts by New Dealers.

50. Democrats, as well as Republicans, in Congress are making every effort to avoid antagonizing farmers. Again, in 1952—as in 1948—the farmers will hold the balance of power in the Presidential and many Congressional elections. Midwest states can make or break the Presidential candidates. The labor vote is overrated.

Rites Held For William F. Tack

Funeral services were held Wednesday, December 26 at 3 p.m. from the Schrader Funeral Home for William F. Tack who passed away Sunday, December 23 after a long illness. Mr. Tack was 79 years old, and was a former resident of Detroit.

Surviving is his brother, Barnard F. Tack of Northville; his niece, Mrs. Helen Sachs of Detroit, and two nephews, Ralph Tuck of Baltimore, Maryland and Howard Tuck of Cleveland, Ohio; other relatives and a host of friends.

Mr. Tack was a member of the Ionic Masonic Lodge No. 474 F. & A. M. of Detroit and a member of Evangelical Reform church of Detroit.

Rev. Edward Drews of Detroit officiated. Services were also under the auspices of the Ionic Lodge No. 474 F. & A. M. Hymns were rendered by Miss Mabel Vickstrom, accompanied at the organ by Mrs. Edna O'Conner. The active pallbearers were members of Ionic Masonic Lodge. Interment was made in Glenwood cemetery, Wayne, Michigan.

A high school principal reports that modern visual education is ruining business for the truant officer. Instead of getting a dry lecture on a subject from an over-worked teacher, the kids can relax and have the same information brought to them through their eyes and ears at the same time. The film is made by experts, narrated by a professional, and delivers the goods with color, music and sound effects. It's as entertaining as a Saturday matinee... without popcorn. But the poor truant officer is running out of funds. Who wants to "play hooky" from the little Technicolor schoolhouse? The state of Maine has hired a psychiatrist to find out why hunters shoot each other. Maybe they're just lucky. You know, folks... we consider ourselves lucky to have so many fine friends in and around Plymouth. We want you to know that we appreciate your friendship and always do our best to merit it. Best of luck to all of you in 1952 from your friends at PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2080.

Choral Groups Present Program

Last week Wednesday, the choral groups of the high school presented their Annual Christmas Choral Concert at the high school. The group composed of the Junior High Girls' Chorus, the Junior High Boys' Chorus, the Girls' Glee Club, the Twin Trios, and the High School Choir, gave a delightful program for the capacity crowd present.

Songs rendered were Silent Night, While Shepherds Watched, The Birthday of a King, We Three Kings, No Candle Was There and No Fire, Silent Are the Meadows, Jesus, Jesus Rest Your Head, Carol of the Bells, Love Came Down at Christmas, White Christmas, Winter Wonderland, The Christmas Song, Beside Thy Cradle, How Far Is It to Bethlehem, Carol- Noel, Hark Now the Peal of Christmas and 'Twas the Night Before Christmas.

Soloists were Sally Williams, Mary Lou Foote, William Rambo, Bernard Papp, Joanne Anderson, Betty Salmon, Ellen Daost.

These groups were all directed by Fred C. Nelson, vocal instructor at the high school.

Hescos Club Hold Christmas Party

The Home Economics club of the high school held its Christmas party Tuesday, December 18.

Marilyn Myers began the splendid program with a scripture reading following which all the girls sang, "Hark the Herald Angels Sing." Rosamond Bairas then read the poem "Beneath the Holly Bough."

Truedel Briens, one of the seven students attending our high school from Germany, told of what Christmas was like in Germany.

The wonderful program concluded with everyone joining in singing "Silent Night."

The girls exchanged gifts and enjoyed light refreshments.

Kelly and Cavell Jump to Varsity

The 6-B league conference basketball season has been suspended until after the holidays. Play will resume again on Friday, January 11, when the local Rocks journey to our neighboring rival, Bentley High school, for a game with the Bulldogs on their spacious court.

Last year these two close rivals split two games during the regular season—each by a slender margin—and then the Rocks bested the Bulldogs in a hair-raising final District tournament game to cop the trophy.

Coach John Sandmann's quintet will be fortified after Christmas by two stars from the reserve squad. He has called up Jerry Kelly and Casey Cavell to bolster the sagging varsity squad. Both these boys have been main cogs in Coach Charley Ketterer's undefeated reserve team.

Coach Sandmann hopes to inject more scoring punch into the varsity team, and these two high-scoring boys may turn the trick.

The remainder of this year's schedule is as follows:

*Meat Adds
Zest To Soup*

Vegetable soup generously filled with beef cubes is a lunch favorite for winter. However, this is merely a beginning. Meat may be added to various soups to spark new interest.

Split pea soup, for instance, has a hearty addition in plump frankfurter slices. Heat the franks, then cut them into thin slices and float on the soup.

Bacon takes the same position as franks served over celery soup. Cook the bacon strips slowly until crisp, then dice and sprinkle on the soup servings. Cream of mushroom becomes all the more interesting with the addition of bacon or heated ham cubes. For another serving for ham, combine tomato soup and split pea soup. Cut the ham in either cubes or julienne strips for combining with the soup.

Hi-Y and Y-Teens Stage Annual Xmas Carol Tour

The Hi-Y and Y-Teens held their Annual Christmas party last week.

*Vary Sandwiches
In Pack Lunches*

One of the homemaker's biggest jobs is to provide her family with a good variety of nutritious food. This task becomes even more important when members of the family must carry their lunch.

To make the job easier use a variety of sandwiches. Meats, cheese, eggs and peanut butter are the old standbys. Combining these with dressings, seasonings or chopped vegetable will give variety. Sandwich fillings can be more heavily seasoned than ordinary foods. Salad greens wrapped separately will be more appetizing than if included in the sandwich. Put in a hot dish—hot tomato juice, hot beef or chicken broth, vegetable soup or cocoa are excellent. Include something sweet—cookies, cup cakes, custards or puddings, doughnuts or candy. Fresh fruit or vegetable also give variety in texture.

For the sandwich "main course" use day-old bread. Bread will tear if it's too soft when spread. Fresh bread can be spread better if it is first chilled in the refrigerator. Spread soft butter or margarine on each slice of bread to prevent fillings from soaking into the bread. Spread all slices of bread in one operation using a spatula.

Stack two or three sandwiches and cut them all at once with a sharp knife. Use several thin slices of meat, when meat is the filling, rather than a single thick one.

Many accessories are now available to make the lunch packing job more convenient. Square and wedge-shaped plastic containers, sandwich bags, plastic bags, plastic, paper or wooden knives, forks and spoons, waxed cups and waxed paper are not only convenient, they're colorful too.

A regular place in the kitchen where supplies and accessories will be at hand will save time and energy and make the packing job easier.

Remember that everyone loves a surprise. A piece of candy, a few stuffed dates or even a colored napkin or figured wax paper wrapping can change an ordinary lunch into a special treat.

Fires Increase During Winter

Fire Chief Robert McAllister gave the Mail some interesting facts on winter fires the other day. The Plymouth Chief says that fires increase during the winter by about 50 percent.

In the last ten years, the Christmas month of December has been the month with the greatest fire losses. Closely behind were March, January, February, and April. Throughout the nation, December losses from 1941 to 1950 were \$643,569,000 as compared to September, the lowest month, with \$369,285,000.

One of the reasons for the increase of fire losses in the winter season, states Chief McAllister, is the careless handling of heating facilities. Faulty chimneys, stoves, furnaces and other heating devices are the second largest cause of fires, resulting in nearly 20 percent of all fires.

The 19.58 percent of fires started by faulty heating is broken down as follows:

Stoves, furnaces, boilers and their pipes	6.73
Overheated and defective chimneys, flues, etc.	6.15
Hot ashes, coals and open fires, etc.	3.38
Sparks on roofs	3.32

Chief McAllister says that "forcing" a furnace or heater which is giving heat, is a dangerous habit.

Other safety tips offered by Chief McAllister are:

1. Never try to "speed up" a fire by using gasoline or kerosene.
2. Keep a metal screen in front of your fireplace.
3. Rubbish anywhere in your house is a fire hazard. Get rid of it.
4. Be careful with hot ashes. Use a metal container with a cover on it. Do not take them outside on a windy day. Never put them in a wooden or cardboard container.
5. Keep wood, coal and flammable liquids away from furnace. Keep furnace room clean of trash. "A portable heater is a portable fire," the Fire Chief points out and urges extra care with these devices which have caused many disastrous blazes. In selecting new heaters, buyers should insist on evidence that the heater is listed by Underwriters' Laboratories, Inc., which means the device has been tested for safety.

Users should follow the manufacturers' directions carefully and use only those fuels for which the heater was designed. The heater should be placed on a level floor, to reduce the danger of tipping, and should not be located near curtains, furniture, or other combustibles. It is dangerous to carry the heater when it is lighter, and it should never be filled when lighted. It should be refilled outdoors.

Plymouth Men's Wear

Sports Glances
by "Professor" Edgar Brown

Coach Charley Ketterer will find it hard to replace his two key men, Jerry Kelly and Casey Cavell, who have joined the varsity squad. These two valuable scorers may be of help in putting more scoring punch into the Rock attack.

One of the purposes of a reserve squad is for athletes to gain more experience so that they can be more valuable as varsity material. A boy playing regular, or partly so, is far better off than one sitting on the bench with the varsity. Most of the reserves aren't quite polished enough for varsity material, but with this added playing experience it enables them to come along faster than otherwise.

Yes you know it—those Detroit Lions let me down. I predicted they would come through and win the pennant, and then beat the Cleveland Browns in the playoffs. Well, they nearly came through—just lacking 4 minutes.

I know now they didn't rate the championship by their play in three or four games this year. A champion must be equal to the occasion all the time, or most of the time, and cannot have that many bad games. I still think they had the potential power and strength to have won the pennant—this was attested to by the fact that 7 Lions were chosen for the all-star professional team.

I do know that it cost the Detroit club many thousands of dollars because they lost to the so-so 49'ers.

Our city recreational basketball leagues are again in progress. Many former high school and college players take advantage of this opportunity to again be active in this winter sport by joining one of the teams in these leagues.

The Class "A" Men's league is one of the fastest in this area. That's, last year's champs, are studded with star players again this year. I do think it would be a much better league if the teams were more evenly matched, and one or two teams not get all the top-notch players. After all these games should be for fun and not for blood.

Many of the younger "fry" and older boys who haven't the ability to play high school ball enjoy playing on one of these teams.

I wish to take this opportunity to wish everyone a sporty holiday season. A Merry Christmas and a Happy New Year to everyone—drive carefully and keep your Christmas merry.

Taste Tempting Desserts

Try some of these unusual desserts to tempt your family's appetite during the rest of the holiday season and throughout the entire year.

Cranberry Susans
 1/2 cup shortening
 1/2 cup brown sugar
 1/4 cup sifted flour
 1 teaspoon baking powder
 1/4 teaspoon salt
 1/4 cup water
 1 teaspoon vanilla
 1 cup corn flakes
 2 3/4 cup jellied cranberry sauce, crushed with a fork.
 Blend shortening and sugar. Sift flour, baking powder and salt together. Add to shortening mixture alternately with water and vanilla. Stir in finely crushed corn flakes. Knead and mix thoroughly; chill. Roll chilled dough out on a lightly floured board to 1/8-inch thickness. Cut with a star or round cookie cutter. Place about a teaspoon of cranberry sauce on half the remaining cookie shapes which have had centers cut out. Press edges together tightly to seal. Place a little apart on greased baking sheet. Bake in hot oven (425° F.) about 10 minutes. Yield 2 dozen cookies- 2 1/4 inches in diameter.

Fudge-Topped Pie
 3/4 cup confectioners' sugar
 2 tablespoons cream
 1 ounce unsweetened chocolate
 2 tablespoons melted butter
 1 (8" or 9") custard or pumpkin pie

Blend sugar and cream together; add melted chocolate and butter. Spread fudge evenly over the top of a custard pie. Let fudge set before serving.

Apple Tapioca
 Add 2 cups of boiling water to 1/2 cup of quick-cooking tapioca, and cook in a double boiler for 15 minutes until the tapioca is clear. Add 1/2 cup of sugar, 1/2 teaspoon each of cinnamon and salt, and the juice of one lemon. Arrange 3 pints of sliced tart apples in a greased, shallow baking dish and pour the tapioca mixture over them. Bake in a moderate oven until the apples are tender and the top is lightly browned. Serve hot or cold with plain or whipped cream.

Brazil Nut Crispies
 2 egg whites
 1 cup firmly packed brown sugar
 3 tablespoons flour
 1/4 teaspoon salt
 1 1/4 cups chopped Brazil nuts
 1 1/2 teaspoons vanilla
 Beat egg whites until foamy. Gradually beat in sugar, flour and salt. Stir in chopped Brazil nuts and vanilla; mix well. Drop by teaspoonfuls on a well greased baking sheet. Bake in a moderate oven (350° F.) 7 minutes. Remove from sheet immediately. Yield 3 dozen.

Symphony Notes

By Grace Von Bergen

It is interesting to note that Plymouth Symphony Orchestra members are to be seen in the audience at the concerts of the reorganized Detroit Symphony Orchestra concerts. A regular attendant is Arthur Baker of Plymouth's cello section, the French horn player, Hershel Ploshnik, and Stella Racevich, violinist. In the orchestra itself we have a prouder interest in Douglas Marsh, cellist and trombone player, Joseph Skrzyński.

Edward Werner, the president of the Detroit Federation of Musicians had an instructive history of the organization he heads in a Detroit Symphony program. Reading this article brought back a host of memories, of the time when your Symphony Notes reporter was a "listener on the stairs." Mr. Werner wrote that "symphony music in Detroit was initiated on a modest scale by Fritz Kalsow and later by his son, Hugo."

So a series of recollections cropped up—how as a seventh grade student classmate of Hugo's daughter, Lenore, GVB sat on the front porch steps of his home and listened while he performed on his rare violin and he gave a special "command performance" for his young audience—which rated as tops at that age, Mendelssohn's Spring Song!

But why bring this tale to Plymouth? Only because on such recollection and discovery, GVB started out enjoying good music, sitting on stairs—never dreaming of some day of marrying a violinist—or that a Plymouth orchestra would ever exist.

So it is, some folks are privileged to be performers, and others to be eager listeners. In future copy it is hoped we may present news of the scholarship winners of the

Wayne Dunlap, the director of the Plymouth Symphony Orchestra took a bus man's holiday and was present at the Messiah performance.

The new secretary of the Plymouth Chamber of Commerce, Helmer Nelson, and his wife, were also on hand. As a member of the Plymouth Symphony Society, Mr. Nelson will appreciate the importance of the orchestra and chorus in Plymouth.

In Detroit music circles it is not uncommon to have some one say on hearing the name Plymouth: "Oh, yes, I hear they have quite an orchestra out there!" We'll tell the world!

A Happy New Year, one and all! Let's meet again, At the Symphony Ball!

Official Proceedings of Your City Commission

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, December 3, 1951 at 7:30 p.m.

Present: Commissioners Bauer, Daane, Fisher, Hammond, Henry, and Mayor Tibbitts. Absent: Commissioner Arlen. The minutes of the regular meeting held November 19, 1951 were read by the Clerk and approved.

Edward Sawyer, home from Korea, was given an official welcome by Mayor Tibbitts on behalf of the City Commission. Mr. James Houk, representing the Chamber of Commerce, requested permission to use a search light on the street on west side of Kellogg Park Friday and Saturday evenings to call attention to the fact of stores remaining open until 9:00 o'clock before Christmas, and to hold a parade and band concert on Monday evening December 10.

Moved by Comm. Fisher supported by Comm. Daane that the request be granted to the chamber of Commerce. Carried.

This was the time set for a hearing on the construction of bituminous penetration surfacing on Sheldon road between Penniman avenue and Ann Arbor trail. There were some interested property owners present, but no objections were raised.

The following resolution was offered by Comm. Daane supported by Comm. Bauer: WHEREAS a public hearing after due notice thereof was

held in regard to the necessity of the public improvement described as: Hard surfacing and bituminous penetration of Sheldon road between Ann Arbor trail and Penniman, and all persons interested were given an opportunity to be heard upon the question of the necessity of the improvement and no valid objections thereto were made.

NOW THEREFORE BE IT RESOLVED that the Commission determine and it does hereby determine to proceed with said improvement, and BE IT FURTHER RESOLVED that the necessary profiles, plans, specifications and estimates of cost as set forth in the report of the City Manager, dated November 5, 1951 be and the same hereby approved, and BE IT FURTHER RESOLVED that the Assessor prepare a special assessment roll in accordance with the Resolution Determining Necessity, adopted by this Commission on November 12, 1951 and report said roll to this body for confirmation, said roll to be made after completion of said improvement.

YES: Commissioners Bauer, Daane, Fisher, Hammond, Henry, and Mayor Tibbitts. NO: None. This was the time set for a hearing on the construction of a sidewalk on the east side of Sheldon road between Ann Arbor trail and Penniman avenue. Those citizens present were in favor of this project.

The following resolution was offered by Comm. Fisher and supported by Comm. Henry: WHEREAS a public hearing after due notice thereof was held in regard to the necessity of the public improvement described as: Four inch gravel penetrated construction, four foot wide sidewalk on the easterly side of Sheldon road between Penniman and Sheridan, and all persons interested were given an opportunity to be heard upon the question of the necessity of the improvement and no valid objections thereto were made.

NOW THEREFORE BE IT RESOLVED that the Commission determine and it does hereby determine to proceed with said improvement, and BE IT FURTHER RESOLVED that the necessary profiles, plans, specifications and estimates of cost as set forth in the report of the City Manager, dated November 5, 1951 be and the same hereby approved, and BE IT FURTHER RESOLVED that the Assessor prepare a special assessment roll in accordance with the Resolution Determining Necessity, adopted by this Commission on November 12, 1951 and report said roll to this body for confirmation, and roll to be made after completion of said improvement.

YES: Commissioners Bauer, Daane, Fisher, Hammond, Henry, and Mayor Tibbitts. NO: None. The Mayor appointed Clifton Tillotson as a member to the Personnel Service Appeal Board for a term ending April 1954. Moved by Comm. Bauer supported by Comm. Fisher that the appointments of Mr. Tillotson be approved. Carried.

The City Manager presented a supplement number 175, relative to recruit salaries for fire and police departments and inter-department transfers, to the present personnel regulations. Moved by Comm. Daane and supported by Comm. Bauer that the recommendations of the City Manager be accepted. Carried.

Moved by Comm. Henry supported by Comm. Bauer that supplements to personnel regulations numbers 160, 170, 210, 215 relative to solicitations, pay days, city property conservation and

safekeeping records, respectively as presented by the City Manager be accepted. Carried.

Moved by Comm. Baker that permission be granted the Old Newsboys to use a sound truck for their parade on December 15. Carried.

Moved by Comm. Fisher supported by Comm. Bauer that the Salvation Army be permitted to place their kettle on the street for soliciting December 8, 1951 to Christmas. Carried.

The City Clerk read a report from the City Manager pertaining to requested pay raises for City employees. A communication from the Michigan Municipal League was also read stating their method of making a personnel survey and fees charged.

Moved by Comm. Henry supported by Comm. Hammond that the recommendation of the City Manager be accepted and that he be authorized to hire the Michigan Municipal League to make a classification and pay plan for the City of Plymouth at a cost of \$10.00 per employee plus mileage and sustenance expense.

YES: Commissioners Bauer, Daane, Fisher, Hammond, Henry, and Mayor Tibbitts. NO: None.

Mrs. Hammond gave a verbal report as Supervisor on the Board of Wayne County Supervisors covering their sessions. Moved by Comm. Fisher supported by Comm. Bauer that the report be accepted. Carried.

A communication was read by the Clerk from Gerald Prince, Moved by Comm. Daane supported by Comm. Bauer that the request of Mr. Prince for a hearing be denied. Carried.

Moved by Comm. Henry supported by Comm. Bauer that the meeting adjourn. Carried. Time of adjournment 10:00 p.m.

Monday, December 10, 1951. Special Meeting of the City Commission December 10, 1951, 7:30 p.m., called for the purpose of considering whether or not to issue a building permit for the construction of the Gunnison type home in Plymouth.

Meeting called to order at 7:45 p.m. Present: Commissioners Daane, Fisher, Hammond, Henry and Mayor Tibbitts. Absent: Commissioners Arlen, Bauer.

Letters from Future Homes Inc. and David Hale pertaining to erection of a Gunnison type home on Lots 145 & 146 Nash Plymouth Subdivision were read and discussed.

Comm. Arlen arrived at 8:50 p.m. Moved by Comm. Hammond supported by Comm. Daane that the decision to issue or not to issue the permit requested be delayed until the Commissioners have had an opportunity to see a home of this type of construction and to view the neighborhood in which the proposed homes would be built.

Moved by Comm. Henry and supported by Comm. Daane that the meeting adjourn. Carried. Time of adjournment 9:15 p.m.

25 Years Ago

The H. S. Lee Foundry & Machine Co. have been making some extensive improvements and additions to their plant in this village. A new addition 40 x 60 feet, has been built at the northwest corner of the plant, and a new building, for the storing of moulding sand, 40 x 60 feet in size, has also been built at the west end of the plant.

Eva Griffith, formerly of this village, who for two years was one of the representatives of Plymouth High in debating activities, has been selected as one of the members of the women's variety debating squad of Michigan State Normal College for 1926-1927.

The third annual Christmas party of the Daisy Mfg. Co to its employees, members of their families and invited guests, took place at the Masonic temple last Tuesday evening. Two hundred and sixty-six persons sat down to the long tables in the dining room at 6:30, when the ladies of the Methodist church served a most delicious chicken dinner with all the trimmings. The invocation was given by W. J. Burrows, superintendent of the Daisy Mfg. Co.

The Plymouth Rotary Club entertained the Kiwanis Club last Friday at the regular meeting hour of the former club. After partaking of a delicious chicken dinner, served by the ladies of the Lutheran church, President B. E. Champe of the Rotary club extended a most cordial welcome to the Kiwanians, and expressed the hope that the two clubs might meet oftener together.

A very pretty wedding took place at the Methodist Episcopal church at Northville, last Saturday afternoon when George Palmer, son of Mr. and Mrs. Frank Palmer of this place, and Miss Virginia Smith, daughter of Mr. and Mrs. William Smith of Northville, were united in marriage by Rev. William Richards, pastor of the church, at 4:00 o'clock. The ceremony was witnessed by a large number of relatives and friends of the bride and groom.

Due to the enthusiasm with which the Christmas caroling was received last year on Christmas eve, the Girl Reserve and Hi-Y Clubs will again carol at the homes which have lighted candles in the windows.

Misses Marion and Ida May Bennett are home from Michigan State College for Christmas vacation.

Jerry Gordon left Monday, for St. Petersburg, Florida, where he will spend the winter months.

Duane Sayles came home from Kalamazoo College to spend the holidays with his parents last Saturday.

The Navajo Club met with Mrs. Fred Anderson on Tuesday afternoon. The ladies entertained their husbands at a 6:30 o'clock potluck dinner. The evening was pleasantly passed with cards.

The Old Newsboys' and Good-fellows association of Plymouth raised \$955 in the fourth annual sale of newspapers Saturday for the largest Christmas Fund in the history of the organization, the largest amount ever secured as the result of its newspaper drive.

Plymouth has the best percentage of response to the American Red Cross blood donor program of any city in Michigan according to population. Plymouth is also the only city in the state which the Red Cross mobile unit has visited twice.

A plan for revamping the telephone system at the city hall was approved by the city commission at a special meeting Monday evening. The new system in a part of a program of several recommendations growing out of the demands of local defense and a growing city.

The local Salvation Army post will have its Christmas program on Friday evening, December 26 in the Grange hall. There will be the usual Christmas tree and Santa will be there to distribute gifts and candy. The program will start at 7:30 p.m. and the public is cordially invited.

On Saturday evening at eight o'clock at the home of the bride's parents on Starkweather avenue, Delores A. Johnson was united in marriage to John G. Dempsey, son of Henry Dempsey, of this city. The Reverend Robert A. North of the Nazarene church officiated.

Archie Meddaugh, switchman for the Pere Marquette railroad, made an unusual discovery Monday when he found five thriving caterpillars between the train tracks and ties on the P. M. line.

Mr. and Mrs. Melvin Blunk moved Saturday into their new home on Irwin street.

Dr. and Mrs. Edwin Rice and daughter Verna are to be dinner

guests Christmas day, in the home of Dr. and Mrs. A. E. Dahl, of Dearborn.

Elovec Zimmerman is home from Emanuel Missionary college in Berrien Springs for the holidays.

Mary Catherine Moon attended a house party, Sunday in the home of Doree Jones in Detroit.

Mr. and Mrs. John T. Neale will attend a dinner party, Saturday evening in the home of Mr. and Mrs. William Robertson, in Detroit.

Mrs. C. C. Wiltse will entertain the members of the Woman's Club Glee Club, at a holiday tea Monday afternoon.

Miss Evelyn Fry and Miss Irene Waldorf were dinner guests Monday of Mr. and Mrs. C. H. Elliot and family.

Mrs. Charles Root, Jr. will entertain her sewing group, Tuesday evening, at their Christmas party. The guests will include Mrs. Murray O'Neil, Mr. A. L. Pitinger, Mrs. Leo Wright, Mrs. Leonard Millross, Mrs. J. Rusling Cutler, Clarice Hamilton, of Plymouth, and Mrs. J. George Koelzer, of Wayne.

LETTER BOX

Dear Sir:
What can be done to encourage a competitive bus company and operate between Plymouth and Detroit? Isn't there some action the Chamber of Commerce or the cities of Plymouth and Livonia can initiate?
I have been forced to move back into Detroit due to the fact that I work on an afternoon shift and the last bus from Detroit to Plymouth departs at 9:15 p.m.

HERE'S TO A
SUCCESSFUL

New YEAR

... and thanks
for everything
**PLYMOUTH
Real Estate**

And if I were to work the day shift, I couldn't possibly get to work on time because the first bus out of Plymouth is at 7:00 (when it leaves on time) and I would be late.

The area between Plymouth, Livonia, and Detroit is fast developing into an industrial one. Consequently, a good transportation system is essential, especially when the factories operate on a multiple shift basis and so many people prefer a small community to a large one.

The present transportation facilities are obsolete and antiquated. There should be at least a bus leaving Detroit around midnite. With so many factories in the vicinity, I certainly hope the City of Livonia will soon come to the rescue of the second and third shift workers by allowing the DSR or some other line to operate.

And while on the subject of transportation, some provision should be made for a waiting station in Detroit—other than a cold, windy street corner. Or haven't you had to stand in torrents of rain, heavy snow and high winds waiting for buses that were often delayed or broken down?

Perhaps it is just as well that I am forced to establish residence in Detroit through the winter months. I have never had a season of riding in such discomfort as I did last winter: buses constantly breaking down, cracked windows, drafts, no heat, et cetera.

As a passenger, I have listened to many, many complaints. Possibly this will start a chain of reaction through the media of the press.

Very truly yours,
Florence Clements

Secrets of Good Candy Making

Your family and your friends get more than food out of the homemade candies of holidays. Lasting memories are built for children as they watch the candy cooking and finally "scrape the bowl."

That is all good—but the candy can be good, too! Poor candy is not only disappointing to those who make it but it represents a poor investment in money and time.

If you want very fine crystals in your fudge, fondant, or penoche consider these suggestions offered by Dr. Pauline Paul of the food and nutrition department of Michigan State College.

Avoid stirring the mixture after the sugar is dissolved.

Avoid letting crystals form on the sides of the pan during cooking. Simplest way to remove these is to cover the pan closely for a short time, allowing the steam to dissolve all crystals. Watch carefully so the candy doesn't boil over while covered.

Avoid shaking or moving the candy while it's cooking.

Pour the candy from the pan without scrapping to avoid crystallization. Even one crystal of sugar will start a chain of cry-

stals causing the whole mass to granulate.

Add acids such as vinegar, cream of tartar or lemon juice to hinder crystallization. If hard water seems to neutralize some of the acid you may substitute corn syrup, using one tablespoon to one cup of sugar. If you use vinegar or lemon juice, the proportion is one-half teaspoon to one cup of sugar. But use less of the cream of tartar—one-sixteenth of a teaspoon.

Allow the candy to cool before you beat it. Let it become lukewarm or about 104 degrees before beating it.

Adding butter, chocolate, cream or beaten egg whites tends to give a creamier candy, Miss Paul commented.

We Wish to Extend our Best Wishes For a Happy New Year

We wish to thank all of the people of this community who have made it possible for our Association to attain its remarkable record and step into the MILLION DOLLAR class.

Your savings make Plymouth growth possible.

As evidence of this fact, during 1951, we have closed our 1000th real estate mortgage loan; ALSO during 1951, we opened our 1000th savings account. New savings accounts make new homes possible.

During the first 28 years of our Association's existence, we made a total of 700 real estate mortgage loans, or an average of 40 loans a year. During the past three years, we have assisted in the construction of over 300 new homes or an average in excess of 100 homes a year. If Plymouth, Northville and Livonia are to continue to grow at their present rate, we will be called upon to more than double our present rate of mortgage loans. The people of Plymouth, Northville and Livonia can make this possible by making their savings available to finance homes. Corporations with unused surpluses can help their employees obtain home financing by investing these surpluses in our insured savings plan.

We wish to again thank everyone who has made it possible for our Association to pass the million mark in resources in 1951.

Budget Meals Easily, Quickly Prepared

Planning daily meals with a view to keeping costs lower than usual will make it easier for Plymouth homemakers to splurge during the holidays without wrecking the family food budget. When less expensive meals can be prepared in a short time they're more than welcome by busy cooks.

Usually the budget-priced cuts of meat require long slow cooking to make them tender and palatable. Actually, however, Mother may not spend more preparation time in the kitchen, for the meat can be left simmering over low heat or in a slow oven without any attention. When vegetables are cooked along with the meat they often provide a dish that needs only a salad, bread, butter and a simple dessert to complete a delicious dinner.

Chopped meats and sausages of all kinds are good makings to keep in mind for relatively low cost main dishes that can be prepared in a hurry. Often they can be utilized in popular meal-in-a-dish combinations.

Among the vegetables at the present time, the best choices for economy are squash, topped carrots (just as good in nutritive value as the bunched ones) beets, and other root vegetables. If the preparation is varied they can be served often without boring the family.

Here are a few suggestions for dishes that will please the family and help keep the food costs low:

Frankfurter Vegetable Pie
Three tablespoons butter or fortified margarine, 2 frankfurters, sliced, 1 tablespoon finely chopped onion, 1/8 cup enriched flour, 1/2 teaspoon iodized salt, 2 cups milk, 1/4 cup shredded American cheese, 1/4 cup chili sauce, 1 cup cooked or canned green beans, 1 cup cooked or canned whole kernel corn.

Melt fat in skillet. Add frankfurters and onion and cook until lightly browned. Stir in flour and salt. Add milk and cook, stirring constantly until thickened. Stir in cheese, chili sauce, corn and beans. Taste and add more salt and pepper, if necessary. Top with frankfurter biscuits.

Frankfurter Biscuits
One and one-half cups sifted enriched flour, 2 teaspoons baking powder, 1/2 teaspoon iodized salt, 1/4 cup shortening, 1 frankfurter, sliced, 1/4 cup shredded American cheese, 3/4 cup milk.

Sift flour, salt and baking powder together. Cut in shortening until mixture looks mealy. Add cheese and frankfurters and mix lightly. Add milk and stir until dry ingredients are well moistened. Drop by spoonfuls on top of vegetable mixture. Bake in hot oven, 425 degrees F., for 30 to 35 minutes. Makes 4 servings.

With this serve a crisp salad of mixed greens or cole slaw, fruit gelatin topped with custard sauce and cookies.

Baked Fish With Top Dressing
One-half cup thinly sliced onions, 2 tablespoons fat, 2 cups bread crumbs, 2 tablespoons lemon juice, 1 teaspoon salt, 1/8 teaspoon pepper, 1/4 cup melted butter or fortified margarine, 2 to 4 tablespoons chopped parsley, 1 teaspoon poultry seasoning, 2 pounds fish fillets such as cod, flounder, haddock, halibut, pick-

with tartar sauce. Serves 6.
Boiled potatoes dressed with chopped parsley and melted butter, Harvard beets, and a variety of crisp raw vegetables would be delicious with the stuffed fish. Top off the meal with a fruit compote of sliced oranges, dates and shredded coconut.

Apple Crisp

Four cups sliced cooking apples, 1 tablespoon lemon juice, 3 cup sifted enriched flour, 1 cup rolled oats, 1/2 cup brown sugar, 1/2 teaspoon iodized salt, 1 teaspoon cinnamon, 1/3 cup melted table fat.

Place apples in greased shallow

baking pan and sprinkle with lemon juice. Combine remaining ingredients, mixing until crumbly. Sprinkle over apples. Bake in moderate oven, 375 degrees F., for 30 minutes or until apples are tender. Serve warm or cold with top milk or thin cream. Serve 6. If apples are very sour, sweeten slightly.

This is a good dessert to top off a meal of baked squash stuffed with sausage, buttered greens and an orange and onion salad.

Seniors Choose New York Trip

At a class meeting held recently, the seniors chose a trip to New York City as the destination of their senior trip which will begin Friday, April 25, and end Monday, April 28.

In New York, the seniors will see such famous places as the United Nations building, Radio City, Rockefeller Center, and many other interesting places.

While in New York the group will stay at the Park-Sheraton hotel.

New Ski Tow Now In Effect

No change in skiing hours but a more economical tow charge plan is in effect at the Porcupine Mountains state park ski center which now is open for the 1951-52 season.

Michigan's largest state park is located 20 miles west of Ontonagon in Ontonagon and Goebie counties.

Snow conditions allowing, the conservation department's parks division reports the new and longer rope tows will be operated 9 a.m. to 4 p.m., C.S.T., on weekends and holidays, and 1 p.m. to 4 p.m. on weekdays. However, lifts will be operated earlier in the day should the demand on the beginner, intermediate and two expert ski trails require.

For the first time families can purchase a season tow ticket. Reasonable tickets costs are graduated according to family size. Individual season ticket also can be had this season. There is no change in the individual daily rate and youngsters 14 and under again will not be charged.

Social items can be phoned to 1600.

Livonia On Top

In a closely played contest the Livonia quintet in the class "A" Men's league edged out United Savings Bank by the score of 38 to 37. The neighboring township boys held a slim 19 to 15 half-time lead and the margin remained the same at the end of the third quarter when they led 30 to 26.

The bank lads rallied in the last quarter and outscored Livonia, but couldn't quite make up the gap.

The winners were led by Klascen with 13 points and Fisher had 11. For the losers DuPlanche had 17.

Free throws proved to be the margin of victory as Livonia made 12 to the Bank's 5. The Band team made more baskets as they shot 16 to Livonia's 13.

Daisy 91 DeHoCo 53

In a class "A" Men's basketball league game last week Tuesday night Daisy walloped the DeHoCo five by a score of 91 to 53. At the half the score was 34 to 21 in favor of Daisy, but the air rifle boys really began sinking those baskets in the second half to bury DeHoCo by the large score.

Wally Dzurus led the Daisy team to victory when he garnered 25 points. Hank Leveting had 18 and Don Huebler 15. For the losers Young had 17 and Krider 22.

Ever notice—when a man gets up near the top of the ladder of success—there are always a few friends and fellow workers steadying it for him?

Pluck a blossom or three from your house plants and let them float in a shallow vase with those homemade candles you molded in a muffin tin. Your children will watch in fascination for long periods of time as the flowers and lighted candles swim about on the dining table.

Garden Club Has Panel on Germany

Plymouth branch of the National Farm and Garden association will meet January 7 at the home of Mrs. Winston Cooper, 896 Penniman, at 2 p.m.

Lawrence Reed, assistant principal of Ypsilanti High school, will moderate a panel discussion of life, customs, and education in Germany.

Participating on the panel will be Chris Kruger, Traudl Breins, Hanz Rosenplanter, and Sophie Niemyer.

Buffet Suppers For The Holidays

Homemakers who want to entertain graciously during the holiday season and still keep food costs from mounting too high are solving the problem by simple buffet meals says Mary Bodwell, food economist for the agricultural economics department at Michigan State college.

Entertaining on a budget gives the hostess an opportunity to be original in both food and table service. The table service can be either formal or informal depending upon the occasion, the number of guests and the amount of dining space in the home.

The menu chosen should be simple. Select foods that are not too juicy or creamy and that do not require a knife. Eliminate as much as possible the need for butter spreaders, salad plates and sauce dishes.

Casserole dishes, meat or fish loaves, souffles or individual meat or chicken pies are both economical and easily served and eaten. Tossed vegetable salads or mixed fruits as a salad are easily eaten. Relish trays are also a popular favorite. Breads which have already been buttered are more easily handled than those buttered by the guests.

A simple dessert such as fruit and wedges of cake or cookies simplifies serving and lends itself well to buffet service. Remember that the icing must be easily eaten.

Guests may be seated at card tables, the dining room table or if there are large numbers, trays or small tables arranged near the seated guests will make for more convenience without danger of spilling food.

The choice of economical and plentiful foods planned and prepared in a simple yet appetizing menu and served graciously as a buffet will make for an enjoyable evening not only for the guests but for the hostess. The ease of serving and the chance for original ideas make the buffet a first choice for families entertaining on a budget.
