

## ANOTHER PLEASANT WAY TO HELP PLYMOUTH.

There are many ways in which the advantages of a city are judged—many things that go into the basic reason upon which judgment is formed. There is the general appearance of the city, its streets, its churches, its business institutions, the attitude of its residents and the activities in which these residents participate.

It is needless to repeat that Plymouth ranks high among all the cities of its size in this country and when we look over some of the basic reasons as to why we hold this high position among the communities of the nation, it is not surprising to find that one of our most successful and popular activities is Plymouth's Symphony orchestra.

Few cities in these United States the size of this one maintain a musical organization of more than 60 members. But Plymouth has done so for more than six years. During that time it has won national recognition and it has brought to Plymouth a priceless amount of good will and good advertising. And all of this has been done through individual and group initiative of Plymouth residents.

These musicians serve without compensation or any hope of reward, except of course, the pleasure they receive from producing good music for people who love good music.

It is a community project supported entirely by community good will—and that is where we all come in. It is but natural that such an organization does have some expenses—and right now the organization is in need of funds. So if you want to do something for the good of the city in which you live and for the good of an organization that does much for every resident of the city, both old and young, send a contribution today to The Plymouth Symphony Society, Inc., P. O. Box 99, Plymouth, Michigan.

It will be a contribution for a good purpose, a contribution you will never regret having made.

## KEEP HIM ON TELEVISION.

If the Republicans of Michigan have a real sincere desire to take Blabbing Blair Moody out of the United States Senate where he doesn't belong, all they have got to do is let him keep on blabbing over television.

He was on television one recent Sunday afternoon in a discussion with Pat Cleary of Ypsilanti, chairman of the Michigan Republican State Central committee. Pat so upset Blabbing Blair that the Blabber almost got to stuttering as he tried to get out of a verbal corner into which he had been jammed.

In just plain words, the Junior United States Senator in his efforts to defend the New Deal and to take personal credit for anything and everything good that had been done in Washington, made a pathetic showing for his cause.

And might we add that Pat Cleary, of Business College fame, might be the right candidate to throw into the Republican contest to take Mr. Moody's hide off and hang it on the fence to dry—where it belongs. He certainly is doing this state and nation no good in the United States Senate.

## INTERESTING — ISN'T IT!

Your money and my money has been used by the Fair Dealers to erect various housing projects around the country as well as in Detroit. Wasn't it interesting to read the other day about a well known Detroit Communist and his family being tenants in one of these housing units we built, and at a rental below the average charged other tenants, because he claimed that his income was not sufficient to pay a higher rent? Doesn't it make you feel like paying more taxes to Uncle Sam than he is now taking from you?

## HATS OFF TO MR. HALL.

It is good to read now and then that there is some one possessed of enough brains and nerve to put some of our cheap political fakery in their proper place. Willis Hall of the Detroit Board of Commerce the other day branded Blabbing Blair Moody as "just an ordinary puppet of the CIO."

How right Mr. Hall is! And to think of it! Because Soapy Williams, Blabbing Blair, and some others got the idea that maybe the Communist hearings in Detroit might not be too good for the Fair Dealers and other Screw Balls operating in and out of Washington, the right wires were pulled and the millions of people of Michigan were deprived of an opportunity to see the parade of witnesses before the congressional committee in Detroit which seeks to uncover the scum that would destroy your home, your job and even your life if necessary.

Fulton Lewis Jr., the other night, directly charged that Chief Pork-Chopper Walter Reuther pulled the wires that made his little blabbing toads jump to stop the televising of the Detroit hearings.

What a mess, Folks, what a mess!

## WOULD MESS UP ANOTHER JOB.

So Price Control Boss Michael DeSalle of Toledo is going to resign his job and go back to Ohio to run for the United States Senate, is he? Well if he should be nominated and elected, let's hope that he will not mess up the job and make as complete a failure of it as he has the price control job—that job, you know, where prices were going to be held down and not permitted to rise!

## LET'S GO ALL THE WAY.

State Police Commissioner Donald Leonard says that his department intends to rigidly enforce the law which prohibits dumping of refuse along the highways. That's good. It is about time something is done about it.

But let's go all the way and prosecute those who throw empty whiskey bottles and empty beer tin cans along the road. If you ever took a trip along the highways up in the central and northern parts of the state after some of the long week-ends or after a holiday period, you could not help but wonder where so many empty beer cans came from.

The sides of the roads glitter with empty booze bottles and beer cans. To our way of thinking, these articles are refuse, and the fellow who throws an empty beer can out of a car window should be prosecuted.

If the highway department could keep a record of all the refuse it collects along the highways during the spring, summer and fall, it doubtless would show hundreds of truck loads of booze and beer cans. And look at the vast sum of money the taxpayers spend to trail along after these fellows cleaning up the mess they make!

Yes, we hope the state police does an iron-clad job in the enforcement of any law which will help to keep the thoroughfares of Michigan clear of refuse of all kinds.

## Chorus Presents Operetta Three Cent Stamp Issued

"Down in the Valley," an operetta, will be presented by the Plymouth Civic Chorus Sunday, April 6. The chorus is rehearsing every Monday evening in the high school at 7:30.

This operetta will conclude the sixth season of the Plymouth Symphony orchestra.

A three cent stamp commemorating the 50th anniversary of the American Automobile Association will go on sale on March 5. The stamps were issued by the Post Office department to promote highway safety and to prevent accidents.

## Plans Underway Here For Library Building

A new, modern library is in prospect for Plymouth in the near future. Within a period of five years, since the Dunning library was transferred over to the city, the circulation has increased to such an extent, that an expansion program has become necessary. Construction will begin this summer on the rear portion of a new building. This new addition will be adjacent to the present building. Eventually the old building will be replaced by the remainder of the new structure when more funds become available.

The plans drawn up by Byron Becker, have been approved by the City Commission, and the Wayne County Library Commission. The City Commission has requested City Manager, Albert Glassford, to obtain information in regards to mechanical installations, estimates of cost to construct the rear portion, and the estimated cost of the proposed future replacement of the present building.

This new portion will help alleviate the present crowded conditions until the remaining unit can be completed. When all is realized, Plymouth will be able to boast of one of the finest community libraries in the state.

## Seek Better Bus Service Along Plymouth Highway

In the hopes of securing a badly needed improvement in the bus service from Plymouth to the city of Detroit along the Plymouth road, Mayor Jesse Ziegler of Livonia states that he plans to take up this problem with officials of both the city of Plymouth and Plymouth township.

At a time when every other type of public service has been improving and expanding, the bus service along Plymouth road has deteriorated to such an extent that some wide-awake public officials now feel some drastic action is necessary.

Some suggestions have been made that a new bus company be organized to serve this locality, with a request going to the Public Service Commission that the franchise of the present line be terminated and given to some transportation organization that will really put forth an effort to provide the high type bus service this area needs not only for the present but for the future as well.

## Incorporation Next Step For Hospital Group

A hospital for this area moved a step closer Monday night when the efforts of the Plymouth Woman's Club were joined with the present Chamber of Commerce Hospital Committee. According to Robert Marsden, chairman of the Hospital committee, additional impetus to the program was given by a Woman's Club committee headed by Mrs. Roy Fisher.

Holding a joint meeting, the Woman's group offered any and all assistance their group could give to bring the hospital to a reality. According to Mr. Marsden most of the actual ground work preparatory to the formation of a non-profit foundation is under way and it only remains for the group to be selected and approved for action.

The hospital will be located to serve the Plymouth, Northville, Livonia area and officers of the new board will have representation equally from the three areas. Withstanding the fact that the ground work has been laid in Plymouth the group feels that in order to have a hospital with complete facilities it will be necessary to include the entire area in its planning, personnel and location.

A meeting is planned within the next few weeks to formulate the board and to study the articles of incorporation stated Mr. Marsden.

## She Will Be 12 But It's Her Third Birthday

Young Miss Emily Cutler has a long wait between birthdays but when they do arrive her parents try to make them memorable events. Emily, the daughter of Judge and Mrs. J. Rusling Cutler, will celebrate her 12th birthday next Friday, but since she was a Leap Year child it will only actually mark her third birthday.

An open house at the home of her parents is being held Friday night for all of her friends, and as it was four years ago, it will be a big one, so Emily can think about it while she waits for another, just four years hence.

MAYOR FLOYD TIBBITTS, center, was a chance visitor last Saturday night, at the time of the cutting of Stop & Shops beautiful birthday cake. Not only was he favored by a piece of the cake, but he also was given a huge scoop of Cloverdale's delicious ice cream by Herman Bakhaus of the Cloverdale Dairy pictured above on the right. Left is Jay Rucker, of Stop & Shop's "Bill", "Joe" and "Jay" Rucker combination who reported that their third anniversary party was the most magnificent selling event they had witnessed since coming to Plymouth.

## Committee Recommends That All Meter Funds go For Parking

Members of the Chamber of Commerce Parking Committee made their first specific recommendations to the Chamber last weekend. A five point program has been recommended by the committee in which all were in accord. Approval or disapproval of the suggestions now rests in the hands of the Chamber of Commerce and the disposition of the committee's work will depend on the reception given by local businessmen when they are asked as a group to discuss the question.

The first point agreed upon by the committee is that the city should only purchase frontage property for parking development. This part of the program is also true where a group of local businessmen are concerned.

Members of the Plymouth Hi-Twelve club at their regular meeting to be held next Wednesday evening at the Mayflower hotel will have the opportunity to hear much about the formation of a city of some nearly 20,000 people out of what had been just one of the nearly 1300 township governments in the state of Michigan.

Kenneth Harrison, one of the officials of the Hi-12 club has announced that Mayor Jesse Ziegler of Livonia has consented to be present at next Wednesday evening's meeting and will relate the amazing history of Plymouth's hustling neighbor that grew to an important Michigan city almost overnight.

Not only will Mayor Ziegler give some interesting data of the many reasons why citizens of Livonia decided to become a city but he will outline some of the plans for the future—and these plans will be of more than ordinary interest to the people of Plymouth, because whatever happens in Livonia also has a direct bearing upon the future of its old neighbor in the west.

It is known that a private parking development of property by a group of Penniman avenue and Main street merchants is being organized for a parking area in the Fradick avenue area. This will be strictly a private development and will accommodate some 50 cars. There will be no meters on this area according to present plans, since it is to be developed and paid for entirely by the merchants in that vicinity.

## School Seniors to Visit Madonna College

A College Day for senior high school girls will be held at Madonna College, Thursday, March 6, from 10 a.m. to 2 p.m. All those interested in becoming acquainted with the College are invited to attend. Madonna College is a four-year liberal arts college women, situated at 3800 Schoolcraft and Newburg roads.

The program for the College Day aims at providing high school students with information concerning college entrance requirements, degrees offered and major fields of study available at Madonna College.

The College faculty, alumnae and students will collaborate in presenting the various aspects of college life to the visiting students. Several of the alumnae occupied in various positions in the city will present some of their experiences in their respective fields. Among the alumnae to be present on that day are Lorraine Renkowski, a medical technologist, Joan Kaminski, a school teacher, and Gertrude Bonk and Theresa Szalaszewicz, both social workers.

Group sessions will be provided for those interested in any of the specialized fields of the College, such as medical technology, business, music, art and journalism. (Continued on Page 2)

## Solve Traffic Problem at Ford's Tank Plant

### Early Copy!

Due to the special "Dollar Days" edition to be published next week, March 6, it is urged that news and advertising copy be submitted as early as possible. The Plymouth Mail will circulate approximately 18,000 copies throughout the trading area in promotion of the Dollar Days' event.

## Voting Machines Make Appearance in April Election

Plymouth electors will have to learn how to vote all over again when they go to the polls to cast their ballot in April. The new voting machines, which the City Commission authorized the city to purchase last fall, have arrived, and will be ready by the time of the Spring election.

A school for inspectors will be held soon, according to City Manager Albert Glassford, and the new machines will be placed in the schools and other public places for the public to study, inspect, and instruction, in the very near future.

Two of these new machines will be placed in Precinct 1, one in Precinct 2, three in precinct 3, and 2 in precinct 4.

These new voting machines were purchased from the Shop Automatic Voting Machine Corporation of Canton, Ohio, at a cost of \$1396 each.

A down payment of \$1168 was made with the balance of \$10,000 to be paid over a ten year period with interest at the rate of 2 1/2 percent per annum. The funds needed were borrowed under Certificates of Indebtedness, which leaves the city funds available for the city's share of improvements to streets, etc.

## License Plate Sale Will Set All Time Record Here

There is every indication that all previous records for the issuance of automobile license plates at the Secretary of State's branch office in Plymouth will be broken this year.

Friday is the last day for automobile owners to secure their 1952 plates, and from the indications of the large numbers rushing to the office yesterday and today to get their new plates, tomorrow and the next day will be "headaches" for those who have put off this duty to the last minute.

If new plates are not on cars by Saturday, March 1st, better not drive your car down the streets or highways anywhere in Michigan, unless you want to go up to see the judge and pay a fine.

Friday is the last day for automobile owners to secure their 1952 plates, and from the indications of the large numbers rushing to the office yesterday and today to get their new plates, tomorrow and the next day will be "headaches" for those who have put off this duty to the last minute.

There will be no meters on this area according to present plans, since it is to be developed and paid for entirely by the merchants in that vicinity.

The Board of Review for the city of Plymouth will meet in the Commission Chambers of the city hall on Tuesday, March 4, and Wednesday, March 5 for the purpose of reviewing the assessment roll for the year 1952. Any taxpayer who feels that his assessment is either too high or too low will have an opportunity to be heard.

The review board will be in session on March 4 from noon until 6 p.m. and on March 5 from 3:00 p.m. until 9:00 p.m.

The meeting of the Board of Review provides the only opportunity for taxpayers to present protests or suggestions relative to assessed values placed on local property by the city assessor.

Les Wilson, owner, will hold the grand opening Friday and Saturday of this week, Howard Marriott and Godfrey Mende continue as assistants to Mr. Wilson. The center has been equipped with new, modern fixtures.

## To Pave Levan Road and Channel Traffic Both North and South

Residents of Plymouth and vicinity who are forced to use the heavily traveled Plymouth road leading from this city to Detroit, will be interested to know that steps are being taken to relieve as far as possible the traffic problem that will be created by motor traffic when some eight or ten thousand workers in the new Ford tank plant on Plymouth road begin work in the next few months. Automobiles will be the only method of transportation to the plant.

According to Mayor Jess Ziegler of Livonia, county and city officials have worked out a plan with the Ford company so that all traffic in and out of the Ford tank plant will be channeled from the plant onto Levan road, which skirts the entire Ford tank site along its western boundary.

The Levan road, now an unpaved thoroughfare, will be paved from Plymouth road to Schoolcraft road, it is stated, as soon as weather conditions will permit.

The diverting of the Ford plant traffic to Levan road will make it possible for traffic in and out of the plant to use both the Plymouth and Schoolcraft roads. Not only will it be much easier for in and out traffic to use these two wide highways, but some of the west bound traffic can use the Amphion road which leads from the Levan road south of the C & O tracks to Eckles road, making possible another easier entry to both Plymouth and Schoolcraft roads from the Eckles road, now used almost exclusively by the employees of the Evans Products company.

Completion of the vast Ford tank plant is being rushed as fast as possible. Nearly all of the steel work is up and workmen are rapidly forming millions of brick into the miles of walls necessary to enclose all of the vast buildings that are being erected. Most of the parking area which lies along the Levan road was paved last fall.

## Michigan Bell Honors Employees

Eight years without a lost time accident is the record set by the Ann Arbor District installation and maintenance forces of the Michigan Bell Telephone company. Of the 176 employees in this district, 44 are from Plymouth.

The employees were honored at a dinner held recently at Ypsilanti. Waldroff T. Kirk, general plant manager, was the main speaker. L. A. Steele accepted the banner in behalf of all the employees in the district. The banner was presented by B. H. Volzarth, division plant superintendent.

Friday, February 22 Wyandotte Chapter Order of the Eastern Star had friends' night. Lucille Smith, Loren J. Goodale, Clara Mumby, Hazel Grimm, Janice Williams and Gladys Colgan took part in the initiation ceremony. They served a potluck dinner. Caroline Goodale, Kathryn Simons and William Smith were also present.

### Hot Plate From Cold Plate on C & O Dining Cars

There seems to be something new all the time. If present plans are not changed, it will not be many weeks before a Plymouth resident can step on a C. & O. train to Lansing or Grand Rapids, go into the dining car and ask the waiter for one of those quick-frozen complete meals and within the few minutes it takes to heat it up, you will have your entire lunch.

It will come right out of the freezer, into the frying pan and then to your plate, meat, potatoes, hot and cold vegetables—the whole works.

It became known a few days ago that the C. & O. began experiments some four or five months ago with the deep-freeze foods and new type electric ovens. The idea worked out so well on the trains where the experiment was tried that the service was inaugurated last month on the Grand Rapids-Chicago line. There it proved a big favorite.

Now just as fast as equipment can be secured and installed on trains operating between Detroit and Grand Rapids, the residents of Plymouth who patronize the C. & O. crack trains will be able to enjoy these remarkably good meals, prepared in advance, and ready to serve almost as soon as you sit down at the table in the dining car.

Not only that, but it is stated that the price of these meals is about a third less than the prices charged at present.

Please do not ask for these meals tomorrow or next day, because the big bosses of the C. & O. have not yet set definite word to The Mail as to just how soon this service will start—but you can rest assured it will not be long.

In Los Angeles, boxer Alfonso ("Apples") Arenas' bride of five months sued him for divorce, tearfully explained to the court that she could no longer take being used as his sparring partner.

Mrs. Wilfred Thelen is entertaining at cards tonight, Thursday in her home on Farmer street. Guests will include Mrs. Russell Dettling of Clinton, Mrs. Martha Conant of Lansing, Mrs. Mark Reid of Northville, Mrs. Mark Magraw, Mrs. Richard Gray, Mrs. Sam Wilhelm, Mrs. Ted Gronowick, Mrs. Levi LeVergne, Mrs. Allen Bernash, Mrs. Irene Boeck, Mrs. Sid Donovan, Mrs. William Rucick and Mrs. Charles Nelson.

A rummage sale and bake sale is in the offing so save up your "cast-offs" for that.

### Rev. Davies Gives Inspiring Talk

The members of the Optimist club heard a most inspiring talk from Reverend David Davies, pastor of St. John's Episcopal church, at their regular Monday night meeting in the Mayflower hotel.

Reverend Davies, a keen believer in youth, commended the club on its work with boys, and then spoke on the subject "A Diagnosis of Brotherhood." He said with each meal, we should thank God, for the brotherhood that went into making that meal possible. Our dependence upon others is shown by the fact that 1000 men have a hard in making a loaf of bread, and thousands of others help prepare the meal.

Our dependence upon doctors and nurses, when our loved ones are ill is shown by the trust and confidence we place in their hands—a brotherhood of doctors and nurses.

Our democracy is dependent upon the brotherhood of man, which differs vastly from that of Communism.

The club set Monday night, March 10, as Ladies' night, when the wives of Optimists will share an evening of entertainment with their husbands.

In Tulsa, after burglars cracked his safe, took \$600 and left their tools at the scene of the crime, Bowling Alley Owner Ted Sieler got a \$16 due bill for the hardware, which the crooks had charged in his name at Sears, Roebuck.

Something you want to sell?—Use a classified.

WHEN WALNUT FURNITURE has been chipped, it's sometimes possible to restore most of the original color by rubbing some iodine into the spot and then going over it with furniture polish.

Those white spots on mahogany furniture can be removed if they are rubbed with vaseline which is allowed to stand for 48 hours; wipe it off then and the spots will disappear.

Finger marks on woodwork can be removed by rubbing with a cloth that has been dipped in kerosene. This prevents the gloss from being destroyed.

Grease on furniture should be sprinkled with starch so that it can be absorbed, or blotted with a cloth or blotter. Then wash with diluted ammonia water.

### RECIPE OF THE WEEK Smothered Liver (Serves 6)

- 1 pound sliced beef liver
- 1/4 cup sifted flour
- 1/4 cup shortening
- 1 1/2 teaspoons salt
- 1/4 teaspoon pepper
- 1/4 cup chopped celery
- 1 cup canned tomatoes
- 3 medium-sized sliced onions

Four boiling water over liver for a few minutes; drain and remove membrane from the edges. Roll each piece in flour and brown lightly on both sides in hot shortening. Place liver to one side in skillet and brown onions lightly. Add celery and tomatoes, covering liver with vegetables. Add salt and pepper. Cover tightly and simmer until tender, about 25 minutes. This may be served with noodles or mashed potatoes.

Unfinished wood surfaces which have become soot laden can be cleaned by covering with dry oat meal or saw dust. Brush off and then wash with soap and water.

Oilecloths can be renovated by washing with a mixture of skimmed milk and turpentine. If the cloth is turned frequently, it will not wear in spots.

Straw flowers can be freshened if they're dipped in and out of warm, sudsy water. Then rinse by dipping in the same way in clear water and hang on a line to dry.

Unightly, frayed spots on rugs can be treated with liquid glue rubbed into the frayed areas. Let dry so that the surface is flat.

### Plymouth Hi-12

**Flu Epidemic is Sweeping City**  
Had the "flu" yet? No? Then you are not in style—if you want to call it that. It seems that everybody in Plymouth—almost, that is—has had the flu or has got it or feels like they are going to have it. School teachers are finding that dozens and dozens of pupils are forced to remain at home because of the seasonal flu. The cases so far reported have not all been serious—but any number of people have been forced to remain away from their positions for two or three days, some a week or more, because of the epidemic sweeping the city. Doctors—if you can ever get one—look all tired out. They report that this ailment, which seems to be most prevalent at this time of the year, is not ordinarily of a serious nature, although in some cases patients suffer greatly from it. The danger lies in complications that might develop, so Plymouth doctors say be careful and take every precaution to keep from being one of the seriously ill patients suffering with the flu.

# Turkey "Roundup" Will Be Held At Mayflower by Turkey Raisers

Tonight, Thursday evening, is going to be a big night for all the turkey growers of Plymouth and vicinity when the turkey feeders hold their fourth annual big "turkey roundup" at the Mayflower hotel.

That there will be a good sized crowd goes without saying, because within a half dozen or more miles of Plymouth are some of the best known turkey growers in Michigan—and many, many others who raise a hundred to maybe five hundred or more each year for the Thanksgiving and Christmas holidays.

The event, arranged by W. F. Branson of Kasco Mills, Inc., will not only be attended by turkey growers as well as the producers of turkey feeds, but scheduled for the program are several well known poultry educational leaders.

Addresses will be made by William A. Aho of the poultry extension department of Michigan State College, P. R. Beibschneimer,

Wayne county farm agent, and Ralph E. Dower, manager of the poultry department of Kasco Mills, Inc. There will also be the first showing of a new colored film entitled, "Turkey Broiler Rearing."

The dinner will be served at 7 o'clock and Manager Ralph Lorenz of the Mayflower has corralled some of the "tops" of the turkey crop for this special turkey event.

## Infant E. A. Micol Interred Here

Funeral services were held Saturday, February 23 at 10:30 a.m. from the Schrader Funeral Home for Edward Allen Micol, the nine and one-half month old son of Mr. and Mrs. Harold S. Micol who resides at 2037 Hoover street in Canton Township. Edward passed away Thursday, February 21 after a short illness.

Besides his parents he is survived by two brothers and one sister, Sanford F., Dianne J. and James A. Micol, also surviving are his grandparents, Mr. and Mrs. Fred J. Micol and Mr. and Mrs. Clayton Howard, all of Plymouth, other relatives.

Captain William Roberts officiated. Lullabies were rendered on the organ by Mrs. Edna O'Conner. Interment was in Riverside cemetery.

Card manager Eddie Slanky says he expects to play at least a hundred games at second himself this season, so the Cards may trade second-sacker Red Schoendienst . . . Jersey Joe Walcott looks forward to 10 more years of boxing, he says . . . Ten major league baseball clubs will be going through the paces in Florida by the middle of February . . . Lucky Pilot, famous greyhound racer, holds four out of seven American dog racing records . . . Cecil Smith, ex-cowboy from San Antonio, is the only American polo player with a 10-goal handicap . . . Yankee Bill Dickey caught 100 games or more for 13 straight years.

## To Discuss Aid For The Crippled

Many members of the Plymouth Rotary club and other local citizens who are interested in the work of the Wayne Out-County Chapter associated with the Michigan Society for Crippled Children and Adults, are planning on attending the seventh annual dinner meeting of the organization to be held Monday evening, March 3, at 6:15 at the St. Paul Evangelical and Reform church, 24158 Goddard road, just west of Telegraph.

The important feature of the evening will be a panel discussion of the subject, "Teamwork Benefits The Handicapped."

John W. Tenny, general advisor of special education at Wayne University, will be the moderator of the discussion.

Mrs. Herman Taylor, secretary of the organization, advises that prospects are for one of the most interesting discussions held in some years and that an excellent attendance is anticipated.

## Services Friday For W. C. Smith

William Cook Smith of 1386 South Harvey street died Tuesday evening in Sessions hospital, Northville. Funeral services will be Friday at 2 p.m. from Sonderegger Funeral home.

Mr. Smith was born in Wingham, Ontario in 1880. For the past 27 years he has resided in Plymouth. During that time he was representative of the W. T. Raleigh Company. He was a member of the Grange and of the Methodist church.

Surviving him are his wife, Lily, a sister, Mrs. W. T. Mortimer of London, Ontario; a son, Forbes M., stationed in Wichita, Kansas; two nieces, Mrs. Isabelle Morton of St. Thomas, Ontario, and Mrs. R. C. Wheeler of Windsor, Ontario, and a nephew, Jack Mortimer of London, Ontario.

Reverend M. I. Johnson will conduct the service. Burial will be in Riverside cemetery.

## Henry Kirkpatrick Sells Factory to Big Industry

Henry O. Kirkpatrick, a resident of Robinson sub-division adjoining Plymouth-Riverside park, who was the founder and president of the Coldmobile Company of Detroit, makers of truck refrigeration units, has announced the sale of his company to the Union Asbestos & Rubber Company of Chicago.

He will be associated with this new corporation as chief engineer of its Fromgold & Glenn Division of Cicero, Illinois, which will produce truck refrigeration units under the Coldmobile trade name.

According to the Air Conditioning & Refrigeration News, one of the largest trade publications pertaining to the refrigeration industry in the country, Mr. Kirkpatrick has been active in truck refrigeration for the past 13 years. For several years previous to forming his own company, he was the chief engineer of the Advance Manufacturing Company, which was also a producer of truck refrigeration and allied applications.

The company with which he is now associated has for years been the manufacturer of such items as railway equipment and asbestos specialties. In recent years it became interested in truck refrigeration.

The tremendous growth of the trucking industry which now devotes almost its entire attention to the trucking of fruits, vegetables and other perishable products, indicates that the future possibilities of manufacturing companies producing truck refrigeration units is unlimited.

## Olive E. Asman Passes Away

Funeral services were held Saturday for Mrs. Olive E. Asman, 86, who passed away at the home of her daughter on February 21, following a lingering illness.

Mrs. Asman is the widow of Walter James Asman. She was born in Brantford, Ontario. In 1902 the Asmans adopted their only child, Margaret Elizabeth, now Mrs. Miller Ross.

Besides her daughter Mrs. Asman is survived by two granddaughters, Elizabeth Maxine, and Beverly Joyce; two nephews, Alfred and George Day of Linwood, Michigan.

Services were held from the Sonderegger Funeral home at 2 p.m. Reverend M. I. Johnson officiated. Pallbearers were Donald Sutherland, Elmer Moyer, of Plymouth; Harold Young and Bruce Rorabacher of Ypsilanti; and William T. Brownson of Ann Arbor. Burial was in Oakland Hills Memorial Gardens.

## Charlie G. Buers Buried at Salem

Charlie George Buers, 74, of 10131 West Seven Mile road, Salem, died February 22. Services were held from the Casterline Funeral Home, Northville at 2 p.m. Monday.

Mr. Buers resided at the same address for over 70 years.

He is survived by three brothers, Fred, Frank, and Albert of Salem, and three sisters, Mrs. Minnie Pankow, Mrs. Lucy Wagenschutz, and Mrs. Edith Sackett of Plymouth.

Reverend Cora Pennell conducted the services. Burial was in Thayer cemetery, Salem.

## Services Held For Jennie Kingsley

Funeral services were held Wednesday, February 27 at 1 p.m. from the Schrader Funeral home for Mrs. Jennie Kingsley who passed away Sunday, February 24 at the age of 84 years after an illness of two weeks. Mrs. Kingsley resided at 31628 E. Ann Arbor Trail in Nankin Township.

She is survived by her husband, Carl E. Kingsley, two nieces, Mrs. Edith Stewart of Ypsilanti and Mrs. Marvin J. Behler of Detroit, and two nephews, Henry Sewell of Farmington and Fred Birchard of Berkley, other relatives and a host of friends.

She was born on January 28, 1868 to William and Phoebe Kipp at Perrinsville, Michigan and has lived in and around this vicinity her entire life. In 1895 she was united in marriage to Carl E. Kingsley.

Rev. Henry J. Walch, D. D. officiated. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were Fred Smith, David Miller, Issac Innis, Charles Melow, Bertram Ott and Mr. Kubic. Interment was made in Newburg cemetery.

In Asheville, N. C., receiving a report of a dangerous hole in the street, a police squad hurried to investigate, telephoned headquarters that their car had fallen in.

## Junior High Ass'n to Hear Ruth Butts

The work of the guidance department of the high school will be presented by Miss Ruth Butts high school guidance teacher, to the Junior High Parent-Teacher-Student association Tuesday, March 4, in the junior high school auditorium at 7:30.

She will explain the method used in helping eighth grade students set up their high school schedules. This meeting is in preparation for the personal interviews Miss Butts will have with each student and parent soon. In these conferences the student schedules for the Fall of 1952 will be arranged.

Miss Butts will discuss the high school courses of study, how difficult it is to change courses after entering high school, and whether or not students should decide now if they plan on attending college.

The nominating committee will make its report at the meeting. A coffee hour will follow the general discussion.

Sheep can stand low temperatures during the winter time without ill effects if they are kept dry.

## Infant Baker Dies

Services were held Saturday morning, February 23 at 9 o'clock from the Schrader Funeral Home for infant Micheal Baker, the four day old son of Goodrich and Lois Baker who reside at 149 W. Liberty street.

Rev. Phillip Pingilley officiated. Interment was in Riverside cemetery.

## Chest X-Ray Unit Now in Plymouth

"There is still time to get that free chest X-ray this week," says Reverend Edgar Hoenecke, publicity chairman for the city-wide chest X-ray campaign in Plymouth.

During the first two days of operation the chestmobile gave X-rays to high school students and school personnel, according to Reverend Hoenecke. Today the free chest X-rays are available at the Soth Food Locker until 5 p.m. Tomorrow Friday shoppers will have an opportunity to stop by the X-ray bus at the Standard Oil Station while they shop on South Main Street during the hours from 2 to 5 p.m. and 6 to 8:30 p.m.

Next week the mobile X-ray bus operated by the Wayne County Health Department and the TB and Health Society will visit three industrial plants in the Plymouth area: Dunn Steel Co. on Monday; Barnes-Gibson and Raymond on Tuesday; and Daisy Manufacturing Co. on Wednesday. These companies are making it possible for their employees to be X-rayed on company time, according to Helmer Nelson, chairman of the businessmen's committee for the drive.

Mr. Nelson issued a last call to all business establishments in Plymouth to send their employees to the nearest location of the X-ray bus to obtain their chest X-rays. "This is of particular importance for all foodhandlers in Plymouth," he said, "we want to be sure that they have a clean bill of health. Foodhandling establishments in our town should be proud to have 100% of their employees X-rayed in this program.

From Plymouth the X-ray bus will move to the Canton Township Hall where it will be available to township residents on Friday, March 7th, from 2 to 5 p.m. and 6 to 8:30 p.m.

## Local Poet to Appear on TV

Clayton La May of 11791 of Brewster will appear on the Mel Martin Breakfast party Friday morning at 10 a.m. on channel 4, WWJ-TV. Mr. LaMay will read his poem "The Woman You Love."

This poem is Mr. La May's first attempt at poetry. It was written while he was vacationing in Florida recuperating from an accident. "I was writing postcards one evening when the idea came. I stopped writing the cards and wrote the poem on the back of two menus," remarked Mr. La May about his poem.

"I plan to write another poem about men sometime in the near future," he said.

## Daisy Sorensen Dies in Florida

Mrs. Daisy A. Sorensen, formerly of Plymouth passed away suddenly early Tuesday morning, February 26 at the age of 71 years at Bradenton, Florida.

Her husband, Soren J. preceded her in death on June 30, 1945. Surviving are her three daughters, Mrs. Severine Peru of Albuquerque, New Mexico; Mrs. Beulah Stevens and Mrs. Shirley De Clerque, both of Plymouth; and her brother, Herbert Rolph of Florida.

Mrs. Sorensen will be brought to the Schrader Funeral home, Plymouth. For further information call 781.

In Sherman, Texas, Price's department store advertised \$2 shirts for \$3.

USE WANT ADS RENT SELL BUY TRADE ETC.

## L. Brant Warner Dies Suddenly

L. Brant Warner passed away suddenly at his home, 156 N. Harvey Street on Sunday evening, February 24. He is survived by his wife, Mary, and his sister, Miss Floy Warner of Wayne, and many friends.

Mr. Warner was born near Wayne, on September 15, 1878. He has made his home in Plymouth for the past 45 years. He was employed by the C. J. Hamilton Company for some 40 years. He was well known throughout Michigan as one of the finest gunsmiths in this part of the country.

Services will be held from the Schrader Funeral Home on Thursday, February 28 at 2 p.m. The Rev. Erwin A. Britton of Wayne will officiate. The pallbearers will be Loren Goodale, Glenn Jewell, John Hoban, William Hawley, Clarence Millman and Joe Snyder. Entombment will be in Riverside Mausoleum.

In Saint Joseph, Mich., Robert Smith, suing for divorce, charged that, when at the movies, his wife made him go outside and stand in the lobby of the theater during scenes which showed "bathing suits or abbreviated costumes."

THE BLAKE has a long but narrow plan with hip roof and wide eaves. The brick fireplace in front forms a recess for front door. Entrance door is shielded from living room by corrugated glass partition. Two large bedrooms have ample space for furniture placement including twin beds in one. Each has two wardrobe type closets with storage. Side entrance leads to kitchen and bedroom and has both broom and coat closet. Kitchen and dining are combined with sink under front window, work counter under refrigerator window. Stove and serving counter are on inside wall. Plans call for frame construction with a full basement. Exterior is finished with siding and an asphalt shingle roof. The overall dimensions of the Blake are 48 feet by 26 feet with the floor area amounting to 998 square feet, while the complete cubage equals 19,461 cubic feet. See us for more information about this plan! ROBERTS SUPPLY COMPANY PHONE 214 OR 825 • PLYMOUTH • 629 S. MILL ST.

NOTICE CITY of PLYMOUTH Public Hearings to Amend Zoning Ordinance

Notice is hereby given that a public hearing will be held by the Planning Commission in the Commission Chamber of the City Hall on March 20, 1952 at 7:30 P.M. for the purpose of considering the rezoning of Lots 122 & 123, Resub. of Sunshine Acres, at the rear of 1180 Ann Arbor Road, abutting proposed Byron Avenue, from Residence "B" to "Local Business", and acreage described as: That part of the N.W. 1/4 of Sec. 35 described as beginning at a point on the N. Line of Ann Arbor Road Distant N. 2° 17' W. 53.0 Ft. and 88° 17' E. 1093.94 Ft. from the W. 1/4 Cor. of Sec. 35 and proceeding thence N. 88° 17' E. along said N. line 404.80 Ft.; thence N. 2° 06' 30" W. 742.0 Ft.; thence S. 88° 17' W. 150.0 Ft.; thence S. 16° 53' W. 782.88 Ft. to the point of beginning, 4.73 Acres, at 360 Ann Arbor Road, opposite the new Plymouth Stamping Plant, from "Local Business" to "Industrial". All property owners whose property abuts the proposed change and other interested parties will be given ample opportunity to participate in such hearing. E. H. Potthoff, Jr. City Clerk

Card of Thanks 27

I WOULD like to thank all my neighbors, friends and relatives for the many gifts, cards and flowers and all who were interested in me during my recent stay in the hospital and since returning home. Mrs. Ray Currier 27-1tc OUR heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings and other kindnesses, we are deeply grateful. We would especially like to thank the Women's Society of Christian Service, Mrs. Chappell's unit, Reverend Melbourne Johnson and Karl Sonderegger. Margaret and Miller Ross and daughters, Beverly and Betsey. 27-1tp

In Memory 28

CHEROFSKY-MINNIE. In loving memory of our dear mother and grandmother who passed away 1 year ago Feb. 28, 1951. "Dearest loved one, how we miss you. Since from this earth you passed away; Our hearts are still aching for you. As we think of you today." Sadly missed by her daughter and granddaughters. 28-1tp IN loving memory of our dear husband and father Walter J. Smith who left us 21 years ago, March 2, 1931. A light is from our household gone. A voice we loved is stilled. A place is vacant in our home. Which never can be filled. We have to mourn the loss of one who did our best to save. Beloved on earth, regretted still. Remembered in the grave. 'Twas hard to part with one so dear. We little thought the time was near. Farewell, dear husband & father. Your life is passed. Our love for you till the end will last. Sadly missed by wife and children. 28-1tp

### With Our Churches

## World Day of Prayer Services to be Tomorrow

"Christ Our Hope" will be the theme of Mrs. E. C. Stringer, guest speaker at the World Day of Prayer services in Plymouth. The service will be Friday evening at 8 p.m. in the Presbyterian church. Devotional will be given by Mrs. Henry Walsh and Mrs. David Davies.

Mrs. Stringer is past president of the Council of Church Women of Ann Arbor.

Mrs. Dean Saxton, St. John's Episcopal, and Mrs. Leslie Daniel, First Presbyterian, are in charge of planning the program. In charge of publicity are Mrs. Dale Parker and Mrs. Noble Gault of the Reorganized Church of Jesus Christ of the Latter Day Saints. Mrs. Kenneth Bisby, First Methodist, is in charge of ushers and Mrs. John Walasky, Assembly of God, is in charge of the welcoming committee.

Soloist will be Mrs. Robert King of the First Baptist church and the choir will be composed of members of the various church choirs.

Other churches participating are Salvation Army, Church of the Nazarene and the Church of God.

**GOSPEL TABERNACLE**, at 990 Sutherland and So. Harvey Sts. Pastor, Reverend Harley Price, of Pontiac. Services, Wednesday at 7:30 p.m.; Friday p.m. and Sunday at 10:00 a.m.

**ST. JOHN'S EPISCOPAL CHURCH**, Harvey & Maple Sts. Rev. David T. Davies, Rector, 861 Williams Street, Phone 2308. Mr. Harper Stephens, Choir Director, Mrs. Roland Bonamici, Organist. First Sunday in Lent, March 2, 8:00 a.m. Holy Communion, 9:30 a.m. Family Service and Class Instruction. Adult class led by the Rector, 11 a.m. Holy Communion and Sermon, "The Significance of Prayer." Class for little children, 7 p.m. Youth Fellowship Group, Monday 8 p.m. Adult Instruction group, Wednesday 6:45 a.m. Workers' Communion (25 mins.) 10 a.m. Holy Communion and Address, Friday 7:30 p.m. Family Service and showing of colored slides of the life of our Lord based on the paintings of William Hole, Saturday 9:30 a.m. Junior Instruction Class.

Noble Gault, pastor, 18475 Floral Farmington, Sunday services 9:45 a.m. Church school, with classes of interest to all age groups, 11:00 a.m. Communion service, Elder Richard Gault of Lola Valley will be guest speaker, 7:30 Book of Mormon study class under the direction of our pastor, Wed. evening 8 p.m. prayer service at 561 Virginia. We extend a sincere invitation to all to meet with us in worship and study.

**SALEM CONGREGATIONAL CHURCH**, Lucia M. Stroh, minister, Mrs. Ralph Wilson, Supt. Divine Worship 10:30 a.m.

## Dr. Cranford to Speak at Service

Dr. Clarence Cranford of Calvary Baptist church, Washington, D. C. will preach at an inter-denominational Lenten Service sponsored by the Livonia Ministers' Association in the Rosedale Gardens Presbyterian church, Monday, March 3, at 8 p.m.

Dr. Cranford preaches regularly to Government leaders in the nation's capital. His church has over 3500 members and the largest Sunday School in the District of Columbia. Though his church holds 1,150 persons, two morning services are required to accommodate the crowds.

Dr. Cranford is author of "Seekers of Life" and "The Devotional Life of Young People". Previous pastorates were Logan Baptist church, Philadelphia, and Second Baptist church, Richmond, Virginia. He began his ministry as Director of Youth Work in the Baptist Temple, Philadelphia.

The Women's Auxiliary will serve a tea afterwards where those attending may meet Dr. Cranford.

Dr. Cranford preached in the Rosedale Gardens Presbyterian church at a similar service three years ago.

All the people of the community are invited.

**NEWBURG METHODIST CHURCH**, 9614 Newburg road, Phone 761. Robert D. Richards, Pastor, Services at 10 a.m. Pastor will begin a series of sermons for Lent on the general theme—"The Conflicts and Triumphs of Jesus' Last Days." By request the pastor will sing the solo "Beyond the Sunset," Sunday School at 11 a.m. Sunday evening services will continue through Lent at 7 p.m. Sing spration led by the Pastor. Guest Speakers—Guest Organists—An hour for coffee and recreation from 8 to 9 p.m. The public is cordially invited to attend.

**FIRST CHURCH OF CHRIST SCIENTIST**, Sunday Morning Services, 10:30 a.m. Sunday Evening Services, 7:30 p.m., every fourth Sunday of the month. Sunday School 10:30 a.m., for pupils up to twenty years of age. The place of Christ Jesus as the revealer of God to man is discussed in the Lesson-Sermon under that title, which will be read in all Christian Science churches on Sunday, March 2. The Golden Text is from Isaiah (11:1): "There shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots." Among the Bible citations is this passage, Matt. 16: 15, 16: "He saith unto them, But whom sayest thou that I am? And Simon Peter answered and said, Thou art the Christ, the Son of the living God." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Jesus was the highest human concept of the perfect man. He was inseparable from Christ, the Messiah,—the divine idea of God outside the flesh." (p. 482)

**ROSEDALE GARDENS PRESBYTERIAN CHURCH**, Hubbard and West Chicago, (1 1/2 miles west of Middlebelt, 3 blocks so. of Plymouth road.), Woodrow Woolley, Minister, Livonia 2359, 9:30 a.m. Church school, adult Bible class, 11 a.m. Morning Worship, Junior Church for 5th and 6th graders in the Community house, Kindergarten and Primary Departments (1st to 3rd grades) have Junior Church at 11 a.m. Nursery for children ages 2 and 3, 4 p.m. Adult Membership Class, 5 p.m. Senior High Membership class, 6 p.m. Senior High Westminster Fellowship, Monday, March 3, 8 p.m. Special Lenten Service, Dr. Clarence Cranford of Calvary Baptist Church, Washington, D. C. will preach. Tea will be served after the service.

**CHURCH OF CHRIST**, 9451 S. Main street, Cameron Sinclair, 40651 Five Mile rd., Phone 2321-M. Sunday School, 10:00 a.m., Morning Worship, 11:00 a.m., Evening service 7 p.m.; Mid-week service, Thursday, 7 p.m.

## WEEKLY SERMONETTE

### The Meaning of Lent

Yesterday, Catholic priests throughout the world marked the foreheads of the faithful with a cross of ashes as they said to each: "Remember, man, that thou art dust, and unto dust thou shalt return."

Reminding man of the mutability of his human nature, as the words just quoted do, would scarcely seem to be the way to encourage a man to lead a better life—if that were all. But, of course, it is not all—there is the Cross!

The Cross is the central, indeed the most important, matter of all; and everything in Lent, directly or indirectly, should point to it. Lent is the period of 40 days from Ash Wednesday to Holy Saturday (excluding Sundays) in which we prepare for the passion, death and resurrection of Our Lord by penitence, prayer and fasting. Forty is the number of days of the Flood, of years of the Israelites' wandering, of the days of the fast of Elias, of Moses on Sinai and of Our Lord in the desert.

Following the thought of a famous poet, the wish is often expressed that one might have the gift of seeing himself as others see him. How much better it would be if we could see ourselves as God sees us! We can fool our relatives, our friends, our neighbors, our admirers, we can even fool ourselves, but we cannot fool God—and what He thinks of us is the only thing that matters. Lent gives us an opportunity to dwell on that!

What is more pitiable, more tragic, than the smugness of some nouveau riche on whom fortune has, for a passing moment, smiled? With his thoughts fixed on worldly comforts and honors, he revels in the enjoyment of power and popularity and finds his greatest satisfaction in the envy of other men. How he loves to talk about greatness! But does he know what greatness really is? When Massillon preached his famous sermon at the funeral of Louis XIV, he had no fear of offending the great monarch when he reminded the crowded cathedral that "only God is great."

It was not without purpose that Jesus reserved until His last day in the temple His scathing rebuke of hypocrisy. There was nothing gentle about it, Jesus was vehement: "Woe upon you, scribes and Pharisees, you hypocrites that swallow up the property of widows, under cover of your long prayers; your sentence will be all the heavier for that!" "Woe upon you, scribes and Pharisees, you hypocrites that will award to God His title—and have forgotten the weightier commandments of the law, justice, mercy and honor!" "Serpents that your are, brood of vipers, how should you escape from the award of hell?"

Jesus knew where He was going—but did they know where they were going? He was on His way back to Calvary. And that brings us back to the Cross. He, the King, was not shrinking from that Cross. He eagerly sought it that we, the slime of the earth, sinners all, selfish, cruel and arrogant, may escape retribution if we will but turn to it.

That is why, not only during Lent, but every day of the year, the Catholic Church raises high the figure of the dying Jesus—His majestic brow crowned with thorns, His eyes blinded with blood, His tongue parched, His sacred hands and feet nailed, His side open, His precious blood trickling to the ground—and cries out to her children the warning of her Founder: "If anyone will come after Me he must deny himself, take up his cross and follow Me."

Reverend William P. Mooney

**FIRST METHODIST CHURCH**, Rev. Melbourne Johnson, pastor, George W. Conover, Church School Superintendent, Kenneth Nielsen, Organist and Choir Director. Sunday services: Church School 9:45 a.m. Divine Worship 11 a.m. Sermon theme, "When God Laughs." Children's Sermon "Quick Obedience" Thursday, February 28 at 6:30 p.m. the first of a series of Lenten Services will be held. Members of our congregation and friends in our community are cordially invited to attend. Dr. Frank M. Field, former pastor of this Church will bring the message. Following the pattern of previous years we will meet for a pot-luck dinner. The services of worship this year will be held in the basement. Come and enjoy the inspiration and fellowship of these services.

**WEST SALEM COUNTRY CHURCH**, 7150 Angle Rd., Salem Township, Patrick J. Clifford, Pastor. Bible school 2 p.m. Mr. Richards, Superintendent. by Herschel P. Nunn, C.S.B. of Portland, Oregon

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts  
Roosevelt High School Auditorium  
West Forest Avenue at Brower Street  
Sunday, March 2, 1952 3:30 E.S.T.  
Children will be cared for during the Lecture

## PROFESSIONAL Prestige

New medicinal agents are constantly replacing the old, keeping pace with modern medical research. However, the practice of pharmacy is fundamentally the same today as it was hundreds of years ago. The same infinite amount of patience is taken in the compounding of each prescription. No invention or discovery can replace the experience that goes into each prescription compounded in our store. Now, as always, our professional prestige demands that we serve only the very best in fine drugs and medicines.

## How to get what you want and need in a truck

"Dodge 'Job-Rated' Trucks are the best we've ever used!"

...says PAUL CRUCE, Cruce Butane Co., Tulsa, Okla.

"We do a lot of driving on narrow roads, in and out of driveways, in small yards and other tight spots. We need trucks that are real easy to handle, so we switched to Dodge. They'll turn on a dime!"

"We service oil wells, too, and that's the toughest off-the-road hauling there is. We need plenty of pulling power. For mud and heavy pulling, Dodge 'Job-Rated' trucks are dependable and economical to operate."

SUPPOSE you need a 1 1/2- or 2-ton truck. Naturally, you'll want one that costs less to run. You'll want one engineered to last for years and years. Above all, you'll want one that fits your job to a "T".

That calls for a truck in which every unit that moves the load is engineered to meet most severe conditions—and every unit that supports the load is engineered to provide the strength and capacity needed. What's more, load-moving and load-supporting units must be engineered to work together.

The way to get such a truck is to see us about a Dodge "Job-Rated" truck—one that's factory-engineered for your kind of work!

Yes... when it comes to your hauling job, you'll find everything you want and need in a Dodge "Job-Rated" truck. Come in today.

**Power with economy.** The big high-compression engine of a Dodge "Job-Rated" 1 1/2- or 2-ton truck operates with outstanding economy. You get money-saving values like chrome-plated top piston rings, and exhaust valve seat inserts.

**Time-saving performance.** Low loading height on 1 1/2- and 2-ton models and hinged center sections on stake bodies make loading and unloading easier. 5-speed transmission available on most models for more pulling power, better speeds.

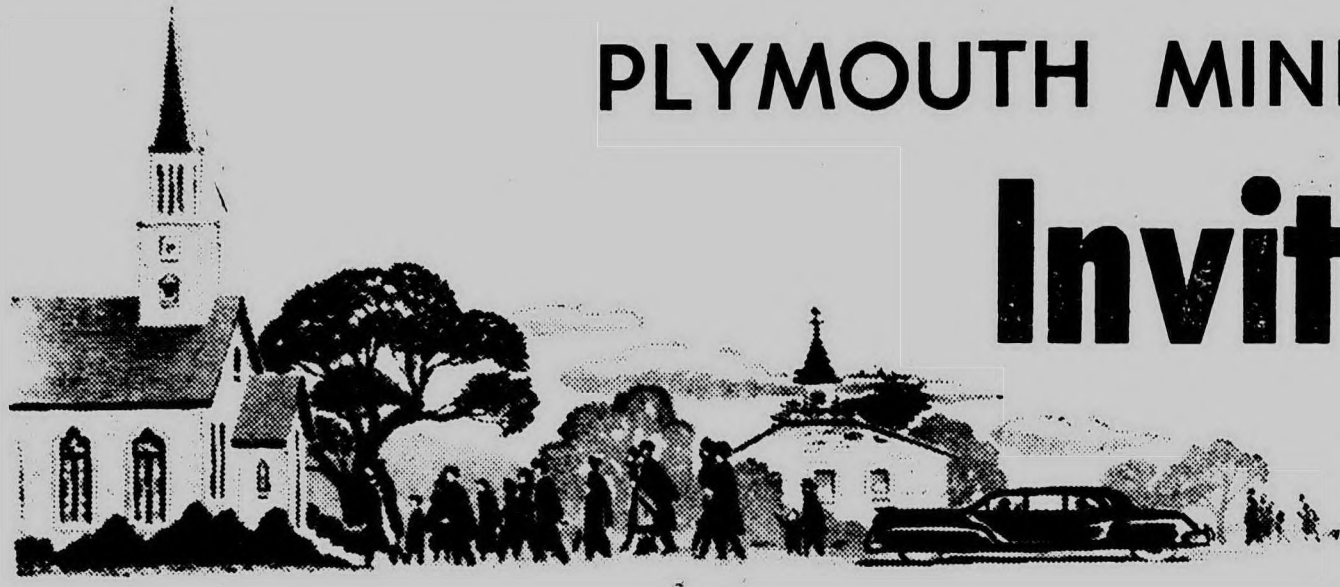

**Easy handling.** Exceptional handling and steering ease is made possible by wide front tread and short wheelbase. Thanks to shorter turning diameters, you can turn sharper either right or left—back into tight places easier.

See us today for the best buy in low-cost transportation

## YOU NEED THE CHURCH AND THE CHURCH NEEDS YOU!

### Roy Gottschalks and Floyd Nelsons Celebrate Anniversaries

Friday, February 22 was the fortieth wedding anniversary of Mr. and Mrs. Floyd Nelson as well as the twenty-fifth anniversary of Mr. and Mrs. Roy Gottschalk, brother and sister-in-law of Mrs. Nelson.

To celebrate the occasion they invited several relatives to be their guests at dinner Sunday at the "Hi-Land" on Five Mile road. Following dinner the guests returned to the Gottschalk home where later in the day refreshments were served including a

decorated anniversary cake.

Guests besides their daughters, Norma Jean Nelson and Ruth Gottschalk Heim with Mr. Heim and their three children were Mrs. Effie Howe and son, Clifton, Mrs. Mary Gebhardt, Mr. and Mrs. Roy Lyke, Mr. and Mrs. Clinton Gottschalk, Mr. and Mrs. Clarence Gottschalk, Mr. and Mrs. Howard Last, Mr. and Mrs. Irvin Blasey and granddaughter, Mr. and Mrs. Leonard Engel, Mrs. Marie Paul and children and Mrs. Nina Keeler and daughter.

Both couples received many lovely gifts which will help them to remember this happy day.

### "FROM THE MEN AND WOMEN IN THE ARMED FORCES."

Brief items of interest about your sons or husbands in the services are welcomed in this column providing the information does not conflict with press security policies.

Sergeant William (Bill) Stout is studying advanced engineering at Ft. Belvoir, Virginia. Sgt. Stout, son of Reverend and Mrs. Lynn Stout of Union street, has been stationed in the Panama Canal Zone for the past few months. Upon completion of his training he will return to the canal zone.

Captain and Mrs. Lee Danielson, son of Mr. and Mrs. Leroy Danielson of Haggerty Highway, have returned from Camp Pendleton, California, where he has just completed 17 months with the U. S. Marine Corps.

The couple is now settled in Ann Arbor where Lee has resumed his studies in the Graduate School of the University of Michigan.

### W. S. C. S. NOTES

Mrs. Janet Allen told night unit 2 of the Women's Society of Christian Service about her one and a half years in Alaska. The talk described the living conditions in the "Land of the Midnight Sun."

In Los Angeles, the office of the city treasury received \$50 and an unsigned note from a civil servant. "This is the money that I feel I have stolen by loafing."

### Lt. Stevenson Marries in San Angelo, Texas

Miss Birdie Lee Dykes and Lt. Robert O'Neil Stevenson were united in marriage at 7:30 rites on Sunday evening, February 17 in the First Presbyterian church in San Angelo, Texas.

The bride is the daughter of Mr. and Mrs. Joseph Dykes of San Angelo and Lt. Stevenson's parents are Mr. and Mrs. Robert O'Brien Stevenson of Plymouth.

Given in marriage by her father, the bride chose a white satin gown that had previously been worn by her two sisters. Ruching extended around the neckline and down the front of the basque bodice. Her gathered skirt fell into a long train. Her veil of illusion was plaited to form a halo which was caught at either side by clusters of orange blossoms. Her bouquet was of gardenias attached to a white bible with long streamers showered with stephanotis.

Miss Louise Smith of San Angelo was the maid of honor. She was gowned in lilac taffeta. Mrs. J. E. O'Neil of Smyrna, Tennessee was her sister's bridesmaid. She wore pale green taffeta. Each attendant wore a halo of nylon net to match their gowns and carried nosegays of yellow daisies.

Captain Jack McGregor was Robert's best man and seating the guests were Sgt. James O'Neil and Bruce Stephens.

Following the ceremony a reception was held in the Educational Building of the church. When the young couple left for their wedding trip to Savannah, Georgia the bride was wearing a blue and white tailored suit with navy accessories and her corsage of gardenias. The young couple will make their home in Savannah, Mrs. Stevenson attended San Angelo college. Lt. Stevenson is a graduate of Plymouth High school and Hope University in Holland, Michigan. He is now stationed with the U. S. Air Force at Hunter's Field in Savannah.

Mrs. Stevenson, mother of the bridegroom, was in Texas for the ceremony.

### Melvin Korte - Patricia Larson Married Saturday Evening

Before an altar graced with palms, large baskets of white flowers and lighted tapers, Patricia Larson, daughter of Mr. and Mrs. Lawrence Larson of Ann street repeated her marriage vows to Melvin Korte. The bridegroom's parents are Mr. and Mrs. Fred Korte of Warren road.

The Reverend Henry Walch officiated at the impressive eight o'clock rites at the First Presbyterian church on Saturday evening, February 16. Nestor Sibbold sang "Because," "The Lord's Prayer" and "With This Ring".

Patricia approached the altar on the arm of her father, in a white slipper satin gown accented with mother of pearl beads and iridescent sequins which also adorned her veil of silk illusion. She carried a sheath of callalilies.

### Local News

Mrs. G. I. Friday is seriously ill at the hospital in Ann Arbor. Reverend Friday and daughter, Marilyn of Port Huron are staying with Mrs. Jesse Terry, mother of Mrs. Friday.

Mr. and Mrs. William Rose accompanied their daughter, Doris, to Texas where she will join her husband, Richard Myers who is stationed with the army. They will make their home in Mineral Wells, Texas. Mr. and Mrs. Rose will vacation in Florida before returning to Plymouth.

Mr. and Mrs. Jervis Wendland of Starkweather avenue celebrated their 24th wedding anniversary on Sunday by having as their dinner guests Mr. and Mrs. Walter Leader and Mr. and Mrs. Louis Beer and son, Rickey of Detroit, and Mrs. Ida Beyer of Plymouth.

The Plymouth Home Economic's group will meet on Friday evening, February 29 in the home of Mrs. William Rudick on Simpson street. The lesson will be on "Pattern Alterations."

Mrs. Harvey Dethloff has been convalescing for the past two weeks in the home of Mr. and Mrs. J. M. Swegles on Ford road. Mrs. Dethloff is recovering from major surgery performed at Beyer hospital, Ypsilanti.

### Local News

Mrs. Mable Weyrich and Mr. and Mrs. Robert Hart of Toledo, Ohio spent the weekend of February 16 with Mr. and Mrs. W. D. Brown of Sheridan avenue.

Lawrence Livingston, instructor of Band music in the Plymouth Schools received his Master of Education from Wayne University Graduate school last week.

Mrs. Charles Draper and Mrs. Elmore Carney with Mrs. Merrill Draper of Ypsilanti are attending a birthday luncheon Friday in the home of Mrs. A. J. Allen in Detroit. The honored guest will be Mrs. Walter Merrill also of Detroit.

Robert Zielasko was honored at a party Tuesday evening in the home of his aunt and uncle, Mr. and Mrs. Paul Funk on Horton street. Thirty friends from Plymouth and Detroit were present. Robert leaves March 3 for the Army. Decorations throughout the house were in red, white, and blue.

Keith Ebersole attended Melvin as best man and ushering were Donald Korte, brother of the bridegroom, Tom and Larry Larson, brothers of the bride and Gerald Micol.

Mrs. Larson chose for her daughter's wedding a royal blue dinner dress and Mrs. Korte wore navy trimmed in lace. Both mothers had corsages of camillas. A reception was held in the church parlor following the wedding and later an informal gathering in the home of the bride's parents.

For her honeymoon the new Mrs. Korte wore a coral suit with brown accessories and an orchid corsage. The young couple flew to Miami for their wedding trip. Upon returning to Plymouth they will be "at home" at 455 North Mill street. Patricia and Melvin are both graduates of Plymouth High school.

### Jacqueline Galamore - Sheldon Fulton United in Marriage

Miss Jacqueline Ann Galamore and Sheldon Fulton spoke their marriage vows at the Church of the Nazarene, Holbrook and Pearl streets, Plymouth, on Saturday evening, February 16, before an altar decorated with white gladioli and snapdragons.

Rev. William O. Welton officiated at the double ring ceremony at 7 o'clock. The bride, attired in a white lace over satin ankle length gown, wearing a fingertip veil and carrying white roses and carnations, was given in marriage by her father.

The bride's only attendant was her sister, Bonnie May Galamore, who wore a blue lace ankle length gown and carried pink carnations.

Frances Karker was the best man, and Joe Fulton and Paul Alberts served as ushers. Paul Hackenbury sang "Because" and "The Lord's Prayer" accompanied by Bill Welton at the piano.

The bride is the daughter of

Mr. and Mrs. Frazer Galamore, 3306 Orangelawn, Livonia and the bridegroom is the son of Mr. and Mrs. Gwynne Fulton, 174 Hamilton, Plymouth.

Mrs. Galamore chose for her daughter's wedding a navy blue taffeta dress with white accessories and Mrs. Fulton wore a brown rayon crepe with brown accessories, both mothers wore a pink carnation corsage.

A reception was held at the Mayflower Hotel in Plymouth for 100 guests from Livonia, Plymouth, Detroit, Ohio, Morely, Michigan, and Coalport, Pennsylvania.

For her going away outfit the bride wore a red suit with black accessories. The couple is spending their honeymoon in Louisville, Kentucky and is traveling through the south.

The bride is a graduate of Bentley High school and the bridegroom graduated from Plymouth High school.

### By Carl Peterson

Well, let's face it, men... in most American homes Mom is the boss. What she says goes... including Pop. This hot news, which many fellows probably suspected, was just revealed after a national survey. Married men and women were quizzed individually, away from the party of the second part... which possibly kept a lot of brie-a-brac intact in many homes. Both men and women agreed that Mom wears the spurs oftener than Pop does, although the men were six percent higher on the estimate of the little lady as the powerhouse in the home. Looks like women's place is in the home... solidly.

Parking in Plymouth is quite a problem. Let's hope that the parking committee does something to solve it soon. An addition to the current lot is the best solution.

The Pontiac, Ill., Junior C of C decided to quit picking a queen for their summer festival because "The local talent has been exhausted." What ever became of chivalry?

We don't know about chivalry... but we can tell you where to get friendly, personal attention to all your drug and toiletry needs. We have friendly folks to help you anytime you drop in to PETERSON DRUG, 840 W. Ann Arbor Trail. Phone: 2080.

**WHEN YOU WANT TO BE HERE, THERE, EVERYWHERE AT ONCE...**

A SUGGESTION: The youngsters might have fun cutting these out for paper dolls.

### Recreation Dept. Classes

Woodworking Class - The woodworking class under the direction of Bud Holmes, will continue for another six weeks. February 25 at 7 o'clock was the first night at Holmes Wood Products on Haggerty Hwy. Please pay your registration fee at the Recreation office at the city hall.

Swedish Gymnastics - The Swedish gymnastics classes which have been in progress for the past eight weeks will continue four more weeks. Registrations will be accepted on Tuesday, March 4, at 9:30 a.m. and Thursday, March 13, at 7:30 p.m. at the respective classes or any time before March 4 in the recreation office.

Shop Math - A class in shop mathematics will begin on March 10, at 7 o'clock, at the high school in room 33, and will be taught by Mr. Grieves. Enroll now at the recreation office.

## "Heckler" Who Opposed Building of Water System, Got Good Soaking

By Charles H. Bennett  
**His Unfortunate Bet That Water System Would Fail Led to Incident Long Talked About in Days Gone by**

Charles H. Bennett

It was along in the late months of the year 1891 when the citizens of Plymouth began to tire of the old oaken bucket and of leading old Dobbin down to the creek for a drink of water twice or three times every day. So they began to plead with the village council to take some steps of finding means to secure an adequate supply of pure drinking water for present and future use.

Thus it was that in 1892 a citizens' committee was formed to consider the matter and if possible to find a flowing spring with enough water to supply the needs of our community.

My father, L. H. Bennett, was asked to head this committee. Immediately a long and careful search was begun. Eventually a large and healthful spring of water was located and finally chosen by this committee as a source of a water supply for the village. An option to purchase the property on which the spring was located was secured by the committee.

In 1892 Plymouth citizens voted a bond issue for the purpose of purchasing the beautiful spring of water located on the Beck road some four miles northwest of the village and to provide funds for laying a water main from the springs to Plymouth. The laying of the water mains was started that same year and the work was finished in late 1893.

Just a few days before the work was finished and the water ready to turn on, Plymouth had the most disastrous fire in its history. This fire wiped out most of the business block on Main street between Penniman avenue and Ann Arbor trail.

There were many disgruntled taxpayers who predicted that the engineers hired by the village to look after the construction of our water supply system were "plumb crazy." These "d. . . taxpayers" knew, they said, that no water would ever climb the hills that must be climbed before it could reach Plymouth.

These "crepe hangers" as they were called at the time, had a real surprise awaiting them.

The day the water was finally turned on, my father, who had held his job without any compensation whatsoever except the constant jibes of these fellow citizens "who knew" that water from the spring on Beck road would never reach Plymouth, was allowed to hold the fire hose as the water was turned into the mains for the first time.

Well wishers and "crepe hangers" stood about. One of Dad's hecklers who had fought the building of a water system, was noisier than he had been at any time since there was first talk about getting a water supply for Plymouth.

As the crowd waited, he offered to make a bet of ten dollars that he could stand on the roof of Conner's store and that no stream of water from the hose could reach him. His bet was immediately covered by one of the boosters for the water system.

At the fateful time, Mr. "Heckler" climbed to the roof of the store. My Dad held the nozzle of the hose. As he did so, he directed it right towards the heckler standing on the roof. Then the first hydrant was opened.

The stream of water proved to be a powerful one and it was well aimed. It hit the heckler directly and all but swept him off his feet and down the roof into the street.

The crowd that had gathered had the fun of witnessing a thoroughly soaked citizen of our village climb slowly down the ladder from which he had ascended to the roof, with a stream of cold water from the hydrant playing upon him until he reached the street. My guess is—that he was a sadder and wiser man.

When I think of that good drinking water we had back in 1893 I sometimes wish our city had not outgrown the Beck road spring that in the beginning furnished us with all of our water.

To Be Continued

Editor's note:—What an unfortunate thing it is that the men who worked so diligently to provide this fast growing city of Plymouth with its first water supply, cannot be here today to see what their good judgment, displayed more than sixty years ago, is doing for a city that will soon claim a population of 10,000 people or thereabouts. The spring and land that they recommended be purchased at that time, has been developed into a water plant that engineers say will provide a sufficient water supply for a city of 40,000 to 50,000 people. The water no longer comes from the old spring, but wells on the city's "water farm," purchased in 1892, provide an amazing flow of good water. The spring mentioned in Mr. Bennett's article was close to the side of Beck road, and up to a few years ago before the advent of gravel pit operations nearby, water still stood in the spring, clear as a crystal.

### New Look for 1952 Henry J Sedans

NEW INSIDE AND OUT for 1952 are the Henry J Corsair four and six-cylinder sedan models. Wide horizontal bars, which enclose parking lights and a bronze "K" medallion, distinguish the new grille design. The rear styling treatment features new tail lamps mounted in the crown of the fenders. Exceptional fuel economy and high-performance horsepower are leading mechanical features of the low-priced models. Illustrated is the six-cylinder Corsair Deluxe.

### Grange Conducts Essay Contest

Mr. Elbert Hartom, Master of the Plymouth Subordinate Grange, announced that a "substantial number of young men and women in this area" have entered the nationwide essay contest conducted by the National Grange and the American Plant Food Council on "Conservation Farming for Abundant Living."

population there comes an increased responsibility to our youth to conserve and wisely use our land resources for the coming generations. Conservation farming is an investment that pays handsome dividends and all of us must assume a part of the responsibility to furnish the leadership for both the present and future to guarantee the sound agricultural economy so essential to the national welfare."

### Farm Bureau News

The cause and prevention of farm accidents and liability insurance for the farmer were discussed at the monthly meeting of the Canton Center group of the Wayne county Farm Bureau association.

The meeting was held Thursday, February 21, at the home of Mr. and Mrs. Ivan Campbell of Lilley road. Philip Dingeldey led the discussion.

The next meeting will be March 27 at the home of Mr. and Mrs. Fred Korte, 46601 Warren road.

### Plan New Home Area Near Here

What may prove to be one of the biggest housing developments in this part of Wayne county is in prospect for the present year, states Roy R. Lindsay, well known Plymouth real estate dealer.

He states that there is a pretty definite report that some Detroit developers have purchased the large area of vacant land at the southeast corner of Merriman and Warren road and that they plan to build the entire area into a modernistic housing project.

This locality is at the present east of the parkway drive and has the advantage also of having both sewer and water service.

### Symphony Review

By Grace Von Bergen

The long-awaited performance of the Brahms' Concerto for violin and violoncello in A Major (Op. 102) took place last Sunday in the Plymouth High School Auditorium. The artists were concertmaster Josef Lazaroff and Douglas Marsh, Plymouth's claim to two distinguished musicians through its own symphony orchestra.

From the program notes it was learned that one of the reasons that the concerto is seldom performed may be due to the difficulty of finding two soloists willing to share the limelight. Therefore, the audience was doubly rewarded by having the privilege of hearing it by their own orchestra and by two men of such skill and unassuming characteristics.

The andante number of this concerto was especially beautiful, a mellow warmth of rich harmony that lingers long with the listener. The concerto has a brilliant.

finance all of its own—and hearing it played by two musicians one knows personally, makes it even more priceless than professional recording, for one thing, a deeper appreciation of this music is made evident. With this pair of musicians—Plymouth has its own Kreisler and Kindler.

Wayne Dunlap, Musical Director, extended a warm welcome to the audience and asked that the audience surrender itself to the music for a spiritual and uplifting reward. Mr. Dunlap introduced Dr. Hans Theodore David as the intermission speaker and hailed him as one of the world's greatest musicians. Dr. David, it will be recalled, composed the third movement for the Schubert's Unfinished Symphony which was performed earlier in the season.

Other numbers on the program were Overture to "Donna Diana" by Reznick; Pelleas and Melisande, a Suite for Orchestra by Faure; a Suite from the Ballet "Incredible Flutist" by Piston and Sources Musicales by Rossini-Britten.

As customary with the preceding concert, Mr. Dunlap announced the numbers with very short explanations. The Piston number which is very modern, he called "free and fragmentary" which seemed a most apt expression. The descriptive inclusions were easier to follow—and there was no mistaking the carnival crowd and the barking dog (by bass player Deal Fisher). Some of the audience seemed not too impressed with this modern piece after the masterpiece of the Brahms'

concerto.

A spring touch was given to the tea table at the symphony social following the concert. Pink snapdragons with Dutch irises in a silver bowl flanked by matching candlesticks and reflected in a mirrored base was one of the most beautifully set tables of the season.

Two German high school students, Miss Sophie Niemeyer and Miss Traudl Briens presided at the table. Mrs. Paul Wiedman was tea chairman.

The concert will be repeated at the Redford Union High School auditorium at Puritan and Lexington avenues (between Five and Six Mile roads) in Redford Township next Sunday. The concert will start at eight p.m. and will be followed by a social hour.

### Cherryhill News

Mrs. Grace Corwin, Mr. and Mrs. James Burrell and Douglas motored to Kalamazoo Sunday, February 17 and spent the day with Mr. and Mrs. William Freeman and family in celebration of Mrs. Freeman's birthday.

Mr. and Mrs. Ray Bogart and Mr. and Mrs. E. L. Burrell of Detroit called on Mr. and Mrs. Leslie Freedle Sunday afternoon.

Mr. and Mrs. Donald Combellock of Detroit called on Mrs. Amie Dunston and family Sunday.

Mr. and Mrs. Charles Burrell and family of Rossford, Ohio were here to attend the funeral of Glyn Holmes and also called on Mr. and Mrs. James Burrell and Mr. and Mrs. Leslie Freedle on Saturday afternoon.

The Father and Son Banquet at the church house Wednesday evening was well attended.

The Community Club held Friday evening at the church house was well attended. A pot luck supper was served and the Girl and Boy and Cub Scouts put on the program.

Mrs. Grace Corwin and Mr. and Mrs. James Burrell and Mrs. Fred Aldrich attended the funeral of Mrs. Nina Dingman in Wayne, Monday afternoon.

Wire Soldered to Oil Can Spout Prevents Clogging

GREASE and dirt can easily clog the spout of an oil can. The home mechanic can readily prevent this clogging by drilling a small hole in the

bottom of the can and inserting a length of piano wire. It should extend to a point slightly below the top of the spout. The wire may be fixed firmly in place with a drop of solder, which also seals the hole. Any dirt or grease that collects in the spout may be immediately ejected merely by pressing the bottom of the can in the usual way.

FENCE LINES

HANDY LITTLE ANVIL THAT CLAMPS to leg may be devised from a discarded flatiron attached to a section of tire casing. Drill flatiron and tap to receive two small bolts. The heads of bolts will sink into tire fabric as tightened.

William Wood Agency, Inc. 276 Main Street Plymouth, Mich. Just a note - - - Would you be willing to sell your property for the amount of insurance you are carrying now? Well, a fire will buy it for that amount and not ask any questions. Call us for more information. F. Wood

Hirschlieb - Rising Wedding Solemnized on Saturday

Florence Rising and Donald Hirschlieb were united in marriage on Saturday, February 23, at the Newburg Methodist church.

The Rev. Robert Richards performed the double ring ceremony at eight o'clock. The bride was given in marriage by her brother Harold Rising, before an altar decorated with baskets of white gladioli. Traditional organ music was played during the service by Mrs. Robert Richards.

Florence is the daughter of Mr. and Mrs. Edward Rising of Tennessee Ridge, Tennessee and Donald is the son of Mr. and Mrs. Charles Hirschlieb of Plymouth.

The bride wore a suit of powder blue with frost white accessories. A necklace of pearls, gift of the groom, graced her neck. A white orchid with stephanotis made up her shoulder corsage.

Mrs. Vernon Ellison, of Detroit,

attended her sister as matron of honor and was attired in a grey suit with pink accessories and wore a corsage of pink camellias.

Kenneth Hirschlieb assisted his brother as best man.

Mrs. Charles Hirschlieb selected navy blue for her son's wedding and wore a pink carnation corsage.

Following the ceremony, a reception for the immediate families was held in the home of the bridegroom's parents, with guests present from Detroit, Ypsilanti, Allen Park, Livonia and Plymouth.

After a week's motor trip through Michigan the newlywed couple will make their home in Plymouth.

Local News

Just Browsing

A lot of new things have been received at MARTIN'S CHINA SHOP this past week. Among the new things is a shipment of beautiful Tole Trays, hand decorated in gorgeous colors. They come in oval, rectangular and small round trays, the latter ideal for serving a few drinks or for sandwiches. We also have folding wrought iron stands on which you can set the larger trays and make grand television serving tables. The trays are very moderately priced ranging from \$1.75 to \$5.00 according to size and the wrought iron stands are only \$3.95. They can be used with any round, oval or rectangular tray and convert it into a useful extra serving table. Also new is a shipment of Ironstone Soup Tureens and other serving pieces in genuine Ironstone China. You have seen these advertised in all the leading magazines and now you can see them on display here and see how very attractive they really are. They make wonderful display pieces to use on an Early American hutch cupboard. And here you have over sixty patterns in stock dinnerware to choose from starting at \$5.95 for a 20 piece set. Two new patterns in fine china have just been added to our already fine selection. You are always welcome to browse around at MARTIN'S, Ann Arbor Road (US 12) one mile West of Plymouth. Your headquarters for everything in tableware, unusual gifts and decorative accessories. Open daily including Sundays 'till 7 P.M. Friday evenings 'till 8:30. Phone 1943W.

**Hints for Plymouth Homemakers**

**Dried Fruits Make Economical, Appetizing Sauces And Desserts**

Dried fruits make easy, economical and appetizing sauces, desserts and baked dishes and are high in food energy and iron. Raisins are especially plentiful—about two-thirds more than last year. Prunes, figs, dried peaches are also in good supply. Apples and apricots are the only dried fruits which will be less plentiful than last year. Newer methods of drying fruits make it no longer necessary to soak before cooking. Quick cooking is recommended. Dried fruits become more plump and the cooking liquid has much more

**FOR QUICK, SURE REMOVAL OF BASEMENT WATER... BUY THE NEW KENCO SUBMERSIBLE UTILITY-SUMP PUMP**

**DEPENDABLE, POWERFUL TROUBLE-FREE ENDS THREAT OF DAMAGING SEEPAGE WATER, FLOOD OR OTHER EMERGENCY**  
Protect your home against damage caused by seepage or flood water. Save expense that water and grime cause to household goods in your basement. The new Kenco Electric Sump Pump gets water out fast—IT WILL KEEP YOUR BASEMENT DRY.  
Pump is operated by Kenco's exclusive floatless switch—NO FLOATS TO STICK—will not foul. The pump cannot be damaged by flood or power failure. Automatic, completely submersible, compact, easily carried about. Pumps a barrel a minute at 10 foot head. Simple installation—connect to discharge pipe and plug in. Factory guaranteed for a year. See us today.

**Satisfy Keen Appetites With Beef Brisket**

For keen family appetites plan a beef brisket dinner. Allow the meat to slowly simmer on top of the range, then add vegetables for a one-dish meal. Prepare beef brisket by the same cookery method as a stew; that is, completely cover the meat with water, then place a cover on the utensil and allow it to cook slowly allowing about one hour per pound. For the one-dish dinner add such vegetables as sweet potatoes, cabbage, carrots, onions or potatoes. When cooked, remove the meat and vegetables to a chop plate. Slice the brisket across the grain and complete the menu with an orange-grapefruit salad, corn sticks, baked pears and beverage. To vary preparation, braise the beef brisket. Dredge the brisket with a mixture of flour, salt, pepper and paprika. Brown the meat slowly in lard, then add one cup of water, cover closely and cook slowly for an hour per pound or until tender. Make gravy with the drippings.

**Chipped Beef Rice Ring Tempting Casserole**

Here's a handy combination you'll turn to time and again. It's handy because it is prepared with chipped beef from your kitchen shelf. This is a dish you'll find appropriate for guest serving too.

**Creamed Chipped Beef—Curried Rice**  
1/2 pound chipped beef  
1/4 cup butter or margarine  
6 tablespoons flour  
3 cups milk  
**Curried Rice Ring**  
Shred beef. Melt butter or margarine and add beef, stirring occasionally until browned and crisp. Add flour and mix well. Add milk gradually, stirring constantly until thickened. Boil 3 minutes. Serve in a ring of curried rice. 6 servings.

**Curried Rice Ring**  
Wash rice. Drain. Add curry powder and salt to boiling water. Add rice and boil rapidly 15 to 25 minutes. Turn into sieve and rinse with hot water.  
To make a rice ring, add 1/4 cup melted butter to cooked rice and pack in a well-greased 8-inch ring mold. Let stand a few minutes. Unmold the ring onto a large platter and fill with cream chipped beef.

**New Coat Styles Will be Varied**

Fashion dictators have been anything but dictatorial in putting together this spring's coat trend. Both snug-waisted and moderately full silhouettes will be seen, and special interest is going into sleeve construction. Dropped shoulder seams, diamond and square cut armholes are prevalent, but no padding this year. Sleeve gathers and puffs add to the all-out-for-femininity trend.

Materials, more than cut, are the distinctive feature of the coats in stores now. "Poodle cloth" is a popular soft fabric with nubs to give a texture interest. Incidentally, "nub" and "slub" will be words we will hear often. A nubbed fabric has distinctly raised bumps while slub is made of thread with sudden thickenings in it. These raised textures are being carried over from wool to rayons, silks and even cottons.

Colors are clear and sometimes startling. Vivid blues, blue-cast pinks and greys are in the fashion picture. Special emphasis has been given to the beige family that ranges from blonde to the new Benedictine to burnt sugar, a near-brown shade. The beiges are found especially in accessories.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

Suggestions for Landscaping

Keeping House and Grounds In Proportion

By Harlow O. Whittemore  
Professor of  
Landscape Architecture  
University of Michigan

Use small trees to frame small houses.

Planting, to be effective, must be in scale with the size of the house and of the property as a whole.

The owner of a small property will do well to choose from the numerous varieties of larger trees which have grown as dwarfs or have been propagated by nurseries to retain that character, or he may select plants of normally small size having mature character even as small plants.

NEW COMPLETE Full color

Make it a point to see our new publication "Planning Your Individual Home" at your first opportunity. Scores of home designs in full color . . . interior and exterior suggestions designed to help you carry out your own ideas and preferences in building your individual home.

Whether you are planning the construction of a new home, remodeling your present home or obtaining ideas and data for future planning you are cordially invited to visit us and see this outstanding presentation and discuss your building or remodeling plans with us. Our experience and facilities are always at your service.

Among the dwarfs available are the Swiss Mountain pine, Alberta spruce, Colorado limber pine, which is a dwarfed form of white pine, and the Swiss Stone pine. These are all natural dwarfs. Trees which are small in growth but which nevertheless show rugged maturity are the red-bud, wild crab apples and certain of the Asiatic crab apples, Chinese honey locust, black haw, various hawthornes and flowering dogwood.

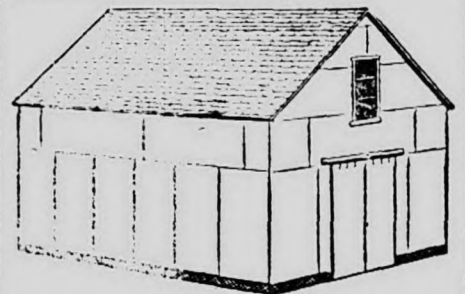

The larger houses, calling for large growing trees and shrubs demand one of three things. Rapidly growing trees, which give mature effects within eight or ten years, such as poplars, willows, tulip trees and plane trees, may be used. A second possibility is to use long-lived medium growth trees, moved in by the use of special machinery. Large elms, sugar maples and red oaks can be moved in this way but the cost of moving is high. A third method is to plant rapid growing temporary trees and slower trees have reached a semi-mature stage.

Large growing shrubs and rapidly growing shrubs for border planting off the corner of the building are easily available either in rapidly growing material or material already of large size. Such are flowering mock orange, common and French hybrid lilacs, Amur honeysuckle, Forsythias and shrubby dogwoods. The problem of using rapid growth plants and still keeping the composition neat and clean-cut can be solved by under-planting, after five or ten years, with hard-enduring small shrubs and broad-leaved evergreens.

(This is the fourth of a series of ten articles. The fifth will discuss how trees should be used with relation to the garden.)

Save That Old Barn

Building a new barn these days is an expensive undertaking. Many farmers, however, are finding that old, weather-beaten barns can be given a new lease on life through a comparatively inexpensive re-siding procedure. It consists of covering the battered building with large sheets of asbestos-cement board, a modern material that is weatherproof, ratproof, termite-proof and incombustible.

Asbestos-cement board is available at lumber and building materials dealers in 4x8-foot sheets. Each sheet covers an area of 32 square feet, thus speeding the work of application.

Numerous farmers who rehabilitated their barns in this manner report they are enthusiastic about the service the material has given. They say the buildings no longer need painting and that the new siding does not rust, rot, burn or flap.

If you have a social item, or any other local news, phone 1600.

Citizens Donate Gifts to Library

Many citizens of Plymouth have contributed many worthwhile books and magazines to the Plymouth High School Library. Mr. and Mrs. James Gallimore presented the school library with ten years issues of the National Geographic Magazine, as well as many issues of the Reader's Digest. These are very valuable to the school system. The Geographic will be bound by the Berrien Binding Company into pamphlets, and arranged by subject matter for use in the new Junior High Library. The Digests are excellent resource material for all grades. Mrs. William F. Taylor gave several years back issues of Better Homes and Gardens, which are being used for reference by Home Economics classes of the high school. She will be sending more later for the new department in the Junior High.

Harry Reeves has enriched the library with some fine books on economics from his own collection. From time to time, Miss Neva Lovewell donates books from her library. Recently, she gave a group of twentieth century American novels, which will be very useful for out-side reading, in the eleventh and twelfth grade English classes, as well as for general recreational reading.

The Starkweather School Library presented the High School with a complete set of the Harvard Classics, a five foot book shelf of all types of literature. These are being out-lent and classified individually for more efficient use.

A large portrait of George A. Smith, Superintendent of Plymouth Schools from 1917 to 1945, was presented to the library by a group of teachers who taught under Mr. Smith, and who desired to continually remind citizens, and students, of Mr. Smith's valuable contribution to the Plymouth Public Schools. Written on

the back of the portrait are the names of those who contributed toward this memorial. There will be a plaque attached to identify Mr. Smith's portrait, and to serve as a permanent record of his devotion to the school system.

In Cleveland, Edward Annen, manager of a linen rental supply firm, glanced at the name and serial number inside a pair of white duck pants a customer had returned by mistake, excitedly telephoned his ex-Seabee son that the pants he lost on Okinawa during the 1945 typhoon had turned up.

### Junior Class Play Well Received

I'm Charlie's Aunt from Brazil—where the nuts come from." Including this line, members of the Junior Class of Plymouth High produced "Charlie's Aunt," a British play, which has amused people everywhere, and Plymouth proved no less vulnerable.

The play takes place on the campus of Oxford University, involving students, their girls, and numerous members of the family.

When two young ladies are invited to luncheon—to meet Charlie's Aunt from Brazil, and word is received that she will be delayed, Lord Babberly is dressed up as the aunt, and the fun has begun. Jack, roommate of Charlie, has a dignified father who finds he's in love with her. How they straighten the situation out when the real Aunt arrives is a laugh-seeking chaos.

Bill Moore portrayed the role of Jack Chesney, his natural wit magnified by the lines coincided to make a job well done.

Gary Koppen played the role of Lord Babberly, the wo-

man assumed to be from Brazil—truly where the nuts come from—if they are all like this.

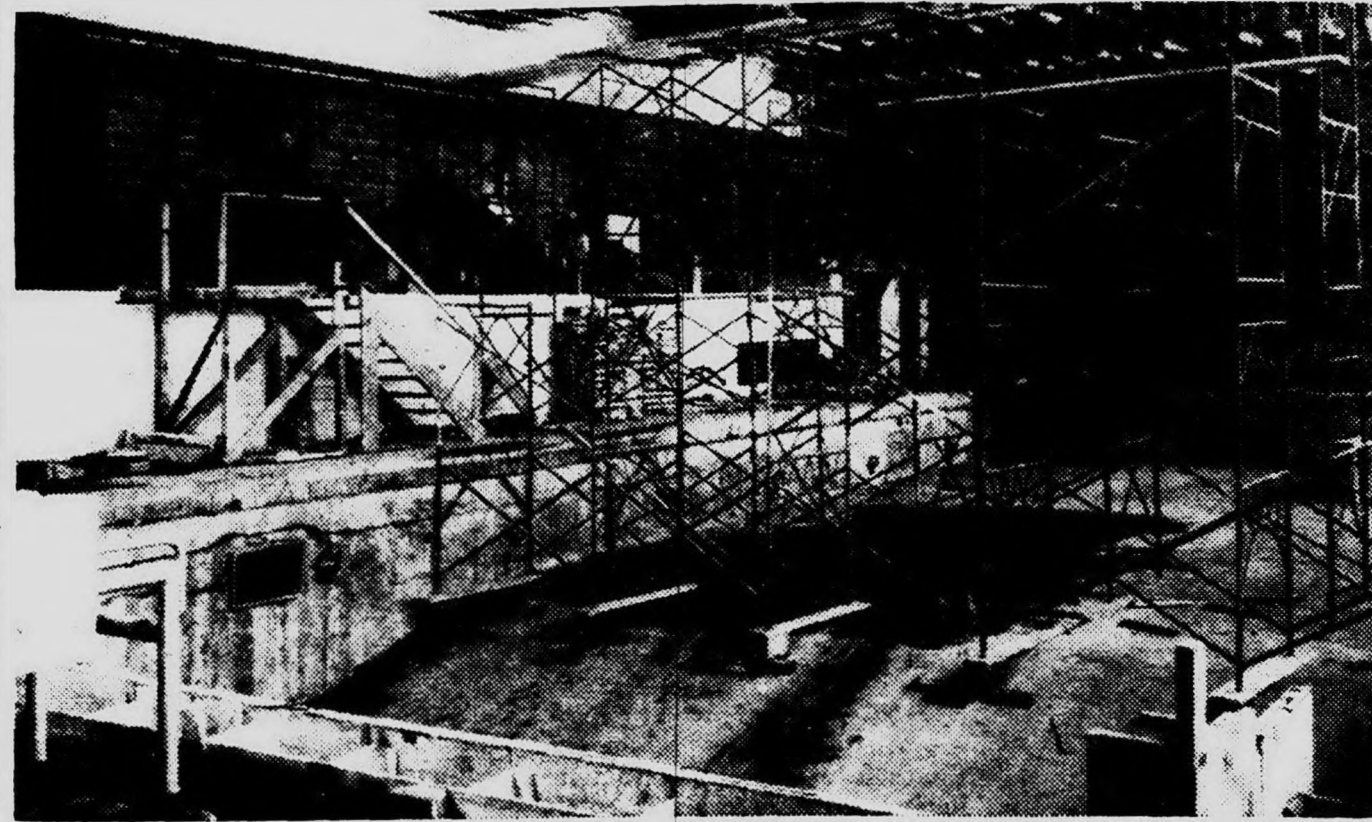

Other commendable jobs were given by: Jon Brake, as the father, Ralph Wagenshultz, the girl's guardian; Peter Leemon, Charlie himself; Richard Lickfeldt, a college scout; Ellen Dagne, the real Aunt; Pearl Kemnitz, Charlie's girl; Susan Wesley, the roommate's girl; and Joanne Anderson, an orphan.

"Charlie's Aunt" was written by Brandon Thomas and produced by special arrangement with Samuel French.

Many hours of work were rendered by Miss Louise Spence, dramatic coach, to make the production the success it was.

All who witnessed the story will agree that members of the Junior Class can well be proud of the job they did on their production of "Charlie's Aunt."

House for sale? Use a classified ad. Call 1600. Deadline is Tuesday at 5:00.

PLYMOUTH HIGH SCHOOL'S new swimming pool is fast nearing completion. The beautiful 35 by 75 foot pool will be ready for use sometime late in March. In addition to its observation desk accommodating 40 people the spectator bleachers will seat 800 people. The room, 80 by 100 feet is heated with radiant wall heating and has a fibre glass sound proof ceiling and a ceramic tile floor. All doors and trim are of aluminum. When open it will provide Plymouth school children with one of the finest swimming pools in America.

### Symphony Notes

By Grace Von Bergen

Charles H. Bennett, the author of the interesting Old Plymouth series now running in this newspaper was present at last Sunday's concert. He was one of the patrons who contributed a gift of \$100 in the symphony's financial crisis. A check from Evans Products for another \$100 was displayed back stage, and the program listed money gifts from S. S. Kresge, Plymouth Buick Sales and Plymouth United Savings Bank.

Behind the scenes between rehearsal at 2 p.m. and the concert at 4 p.m. the orchestra personnel keeps "warmed up" by running over difficult passages on their individual musical instruments. All busy as bees, an interesting noisiness—Mr. and Mrs. Curtis served coffee during the interval which is much appreciated for the makers of the coffee brew revive the thirsty orchestra crew.

A report came that Ernest S. Bentley, sales operation Manager of G. M. Diesel was among the

notables present at last Sunday's concert.

Five-year-old Arthur William Schindler of Detroit is one of the orchestra's greatest fans. He insists that his parents, Mr. and Mrs. William A. Schindler bring him to the concert. He does not have to do too much persuading as his parents are proud of his early-in-life music appreciation.

Wayne Dunlap, Musical Director of the orchestra had the distinctive delight of hearing his own come at during the tea hour at the Veterans Memorial Building. Carl Groschke played back the recording made of the Brahms concerto, as performed by Josef Lazaroff, violinist and Douglas March, on the violincello.

Max Straep, also made a recording which we were unable to hear. Thank you Max, for the invitation just the same.

Another thank you to Fred Betmer of the second violin section who repaired the writer's pet pencil when it was damaged during a recent rehearsal.

Hanna Straep, the most faithful past president of the Symphony Society in attendance at

concerts, says that it would break her heart if Plymouth should ever lose the orchestra. Let's never let that happen to Hanna!

President Lila Humphries was on hand as usual for the concert and reported that some friend who read the concert's plight in the Plymouth Mail did some telephoning and encouraged 12 of her friends to attend the concert.

Another "Bravo" was heard following last Sunday's concert. A wonderful sound in the musical director's car—and to the orchestra with whom he so graciously shares his curtain calls.

### Local News

Monday evening dinner guests of Mr. and Mrs. George Britcher in their home on Wilcox road were Mrs. Otto Beyer, Miss Amelia Gayde and Mrs. Floyd Burgett.

F. O. E. 2504 Ladies Auxiliary will meet tonight, Thursday, February 28. Officer's meeting is scheduled for 7 p.m., regular meeting following. The St. Patrick's party will be discussed. Proceeds are to go to the Memorial Foundation Fund.

Mr. and Mrs. David Mather are entertaining the members of their dinner bridge club Saturday evening in their home on Park Place.

**Plymouth High School News**

**Contest Open to Grades 7-9**

The Plymouth Branch of the Woman's National Farm and Garden Association is sponsoring a Bird House contest for boys in seventh, eighth, and ninth grade shop classes. The contest which is already under way will close the week of March 17, and the bird-houses and feeding stations will be on display until March 22.

First and second cash prize will be given to each grade for wren and bluebird houses, and feeding stations.

Mrs. C. E. Elliot and Mrs. L. R. VonStein, representatives for the Association came to the shop Tuesday, February 19, and explained the rules which include the same specifications as those of the Detroit News Bird Houses Contest.

The usual work is progressing in the various units which consists of woodwork, metalwork, electrical work, household mechanics, and hobbies and crafts.

**Home Ec. Class to Publish Paper**

A home economics paper called "Home Ec. Review" is being published by home economics class III.

The purpose of the paper is to help students who do not take home economics to become better acquainted with different classes.

The paper which will be one mimeographed sheet will carry current school news, fashions and cooking ideas, and news contributed from each home economics class.

The paper will be sold to interested students.

Home economics III has also been baking cakes and selling them to teachers at noon to raise money for class projects.

**Chess Club Formed at PHS**

Plymouth High school has a new club. It is the "Chess Club", with Loren Grieves, mathematics teacher, instructor. There is a total of six members now, with about ten more needed. A constitution has been drawn up and approved by the Student Council, also a temporary president and secretary have been elected.

Every Thursday the club meets in room 3 to play chess. A knowledge of how to play is not needed for a student to join.

**Pictures of California Shown in PHS Library**

Slides from her 1951 California trip were shown by Esther Ham shown in the PHS library on Tuesday, February 20.

Pictures of the Badlands, Grand Canyon, Los Angeles and many other places visited by Miss Ham who was accompanied by her son, Jimmy and Don Lightfoot, were shown to the interested students and teachers during lunch hour.

A lot of people can't get into high gear because they are shiftless.

**P.H.S. Students Hear VanDensen**

On Friday, February 22, an assembly was held for the 11th and 12th grades to celebrate George Washington's birthday. John VanDensen was the speaker.

Mr. VanDensen is a professor of American History at Hobart college, Geneva, New York. He has been a teacher for 35 years and has done much public lecture work, chiefly in the field of international politics.

Mr. VanDensen is an authority on such topics as "What's found in Europe," "Behind the Iron Curtain," "Holiday in Europe," "What the Foreign Policy of the United States Is," "China sees Reds." For Plymouth High the topic was "George Washington." He was secured by the Plymouth Rotary Club, where Mr. VanDensen spoke at their weekly luncheon, February 22.

Another assembly was held on Monday, February 25, consisting of the students from Plymouth who participated in the exchange assembly with Bentley on January 14. This assembly consisted of music solos, skits, and dancing.

**Music Department Presents Concert**

Under the direction of Fred C. Nelson a vocal concert will be presented Wednesday, March 19, at 8 p.m. by the Music Department of Plymouth High School. Admission will be charged.

A Leap Year dance will be held on Friday, March 14, sponsored by the Girls Glee Club. An intermission show is being planned by Pat Johnson, general chairman.

The District Solo and Small Ensemble contest is on Saturday, March 22, at Pontiac High school.

"Passion According to St. Matthew" by J. S. Bach, conducted by Maynard Kline, will take place in Hill Auditorium, Friday, March 28 at 8 p.m. in Ann Arbor. The High school choir, along with 30 other high school choirs and the University of Michigan Choir, will participate in the singing of the passion chorals.

Selling farm scrap metal is a good farm management practice and helps increase production of new steel.

**Speech Classes Record Voices**

Second hour speech class will record their voices in the public address room of the school gymnasium, February 19 and 20, to define faults and mistakes in their voices.

Carl Kranish, public speaking teacher, tried the class on tape recording in the class room but the attempt failed because the recorder picked up every sound and magnified so greatly they couldn't hear the speaker. Mr. Kranish stated that he prefers wire tape as he believes it is truer and more exact.

William Campbell sent a student to operate the recorder while a speech student read cuttings from the Reader's Digest into a microphone.

**The greatest low-priced car ever built!**

**The car that's made greater strides forward for '52 than any other in its class!**

**The most powerful low-priced car ever built!**

**Guess again... it's the '52 FORD!**

You won't believe your eyes when you see the big, new '52 Ford! For never before has a low-priced car offered such power, such fine-car styling, such big car comfort! You'll see such built-for-keeps advances as Ford's new longer, stronger Coachcraft Bodies... its more powerful, high-compression V 8 and Six engines... and the many other features described at right.

Ford's 110-h.p. Strato-Star V-8 is the most powerful engine—the only V-8 offered in a low-priced car. Ford's 101-h.p. Mileage Maker Six is an all-new low friction Powerhouse with new free-turning overhead valves and shorter piston stroke. Both engines feature the Automatic Power Pilot which gives you high-compression "go" with regular gas.

**Full-Circle Visibility** New curved one-piece windshield... new car-wide rear window... picture windows all around give you visibility "unlimited." A Ford exclusive in the low-price field.

**Automatic Ride Control** New wider front tread, lower center of gravity, longer rear springs, new tailored-to-model front springs and diagonally mounted rear shock absorbers help take the bounce out of bumps, the tilt out of turns.

**Coachcraft Bodies** The newest, most advanced bodies in the low-price field... styled to stay beautiful and designed to stay young.

**Fordomatic Drive** Finest of all "automatics," Fordomatic gives you two drives in one! Torque-converter smoothness plus the get-up-and-go of automatic gears.

**Come in and "Test Drive" the '52 FORD**  
 IT'S BUILT FOR KEEPS!

### Optimists Still Lead "F" League

Action in the "F" basketball league last Saturday, February 16, saw Davis and Lent suffer its third defeat of the season, at the hands of the Colts.

The Colts got off to a fast start and led all the way, with the final score reading 33-15. David Tillotson was high man for the Colts with 12 points, while Robert Clear netted 7 for Davis and Lent.

Fisher's Shoe Store lacked enough players to start the second game, so it was forfeited to Junior Optimists. Fisher's will have to pay another forfeit fee or they will not be allowed to play any more league games.

Standings

W	L

### Daisy Wins One

Daisy beat Livonia in another game in the men's division last week by the lopsided score of 60 to 32 when they scored most of their points in big first and third quarters.

For Daisy, Phil Jacobus had 18 points, Hank Levering 13 and Wally Dzuris M. Fischer had 13 for Livonia.

### Smith Grade Ties For First Place

In grade school basketball last week, the Smith school defeated the Lutheran varsity five 34 to 4 to tie for first place with the Starkweather varsity. B. Crawford had 12 points and Dennis Brunan 2 for the winners.

David Bogenschutz and Hale Haber each made two fouls for all the Lutheran scores.

Bird defeated Catholic 25 to 8 to remain in the third spot. Bufo had 9 points for Bird, and Solaun 6 for Catholic.

The Bird Reserves plastered a 25 to 24 feat on the Catholic reserves to remain in first place in the Reserve division.

Kennedy had 3 for Bird and Curtis 5 points. Peter Signorelli made all the Catholic points on his lone basket.

## Local Sport News

### Gaff's Ousted from Mens League

The seven team Men's Senior Basketball League has suddenly become a six team league with the eviction of Gaff's Cleaners. Gaff's were ousted because of the un-sportsmanlike conduct, and the abusing manner they displayed in a game with LaFontaine last week. Gaff's lost the game 64 to 54, and the real rough stuff became intensified during the last two minutes of the game.

Because of the abuse to game officials, authorities of the recreational league decided that for the best interest of recreational basketball, the offending team should be severely penalized.

Two players, Saivadore and Tarczy of Gaff's, were banished from Michigan Recreational athletics for a period of one year.

Herb Woolweaver, director of recreation, says that this sort of thing will not be tolerated in any recreational sport, and there is absolutely no excuse for players abusing officials at any contest.

Gaff's had beaten Tait's on Tuesday night to tie for first place, but on Thursday, they were behind all the way, most of the time by more than ten points, in losing to LaFontaine.

This just about assures Tait's of representing Plymouth at the state recreational meet at Albion, the latter part of March. And LaFontaine, now in second place will go to the Inter-City meet at Pontiac as the runner-up in this cage.

### Gaffs Beat Tait's But Lose Another

On Tuesday, Gaffs pulled into a tie with Tait's for first place when they handed their rivals a second defeat of the season 59 to 54. But the first place tie was short-lived for on Thursday night Gaffs bowed to the LaFontaine five by a score of 64 to 54, to put them a game behind the leaders again.

In the first game, Gaffs out-scored Tait's 22 to 6 in the second quarter, and were able to maintain a lead the remainder of the game for the win. The half-time score was 32 to 21 for Gaffs.

Tarczy led the winners with 15 points. Fairbanks had 12 and Shuk 10. For Tait's, Paige had 21 and Brodie 16.

These two do not meet again during the regular season.

In the loss to LaFontaine on Thursday night, Gaffs were behind all the way and never could close the gap. This game was very rough, and three Gaff players were ejected from the game near the end. The winners led 31 to 25 at the half and 47 to 35 at the beginning of the final quarter.

For the winners, Gillis had 25 points, Norman and Bennett 14 each. For Gaffs, Tarczy and Woodseach had 15.

Class "A" Standings

W	L
Tait's	12 2
Gaffs	11 3
LaFontaine	11 4

### Sports Glances

by "Professor" Edgar Brown

The way the Bentley game ended a boy from each team might as well have taken a foul shot at the beginning of the game, to see who won the contest. A double foul in the last 10 seconds decided the contest, with calm and confident Jerry Kelly sinking his, and the Bentley led missing his, for the difference in the final score. It was a tough one to lose for either team, and chances are that these two teams will meet again in the district tournament at Bentley beginning next week.

The Plymouth lads have been showing a lot of pep and fight in the last few games, and as a result they have kept the scores close. It is not the size of the fight, but the size of the heart in the box. That applies to any sporting event, to life in general, and often makes a winner out of what would have been a loser.

The district tournament begins next week to determine a state champion. Following these schoolboy games each week, I have tabulated some of the top teams that should get into the state finals.

In Class "A"—Highland Park will be the favorite, along with Kalamazoo, Ann Arbor and East Detroit.

In Class "B"—River Rouge will be tough again this year, as will Romulus, Davison, Cass City, Inkster and Marshall. I don't look for Trenton to go too far, as a good defense will tie up their two top-notchers Lowe and Henderson. Too, River Rouge and Trenton are in the same district tournament and one of them will get knocked off. Romulus and Davison are good.

In Class "C"—St. Andrews of Detroit, the defending champion hasn't lost a game in two years. St. Louis is another undefeated team that looks good. By the way St. Louis is coached by a brother of Virginia Olmsted, a teacher at the High School, Gwin, in the upper peninsula, also had a powerhouse—any of them could win.

In Class "D"—Little Mass from the upper peninsula is back with another good team, but Fowler teams is the new D state champion barring an upset.

The spectators can look for two top-notch games at the high school tomorrow night.

See Beglinger for a better deal.

### Bank Drops Two

The Plymouth United Bank team dropped two more games last week, the first on Tuesday to LaFontaine 61 to 25, and the second to Tait's on Thursday 82 to 59.

In the first game, Hall led his teammates to victory with 21 points. Thompson had 8 for the losers.

On Thursday, Ebersole led Tait's to the win with 24 points. Paige had 19 and Brodie 16. Thompson again led his teammates with 19.

### Three Teams Tied For Cellar Spot

In 6-B league play four teams are fighting to remain out of the cellar position. Plymouth, Bentley and Redford Union are tied for that spot now, with Allen Park just a game above them.

Chances are that Bentley, who play Trenton tomorrow night, and the loser of the Plymouth-Redford Union battles will be the two last place teams. Last week, Trenton edged Plymouth 4 to 34, Bentley surprised Redford 42 to 29, and Redford Union nipped Allen Park 49 to 43.

In other games around this area, undefeated Reardon won their 14th straight victory in defeating Wayne 53 to 43.

6-B League Standings

W	L
Trenton	9 0
Allen Park	5 4
Plymouth	4 5
Bentley	3 6
Redford Union	3 6

### Reserves Near 6-B League Title

The Plymouth High School Reserve basketball five, won their 11th and 12th cage victory last week, when they copped games from the Northville and Trenton Reserves.

On Tuesday, they downed Northville 58 to 47 on the good point-making of Tyler Caplin, who had 13, and Cole with 17 points.

Northville was never a contender as the young Rocks compiled a commanding lead early in the game and increased it with each period.

On Friday the Rocks won their 12th victory of the season when they trounced the trojans 52 to 33. After a close first quarter, the Rock quintet drew away and the outcome was never in doubt after that. The half ended with Plymouth in the lead 23 to 17.

Pat Robinson was "hot" in this game and his 17 points was high. Cole had 10 and Gordon Champin.

### Varsity Defeated in Two Close Tilts

The high school cagers lost two close games last week, when Northville nipped them on Tuesday, in overtime, by a score of 51 to 49. On Friday they bowed to Trenton after threatening to hand the trojans their first defeat of the year.

In the Northville game they fought to overcome a 45 to 40 deficit with only two minutes remaining, but were outscored 6 to 4 in the overtime.

Jim Bloomhuff was the hero in this uphill fight staged by the Rocks in the waning minutes of the regular game, when with 2 seconds remaining, he was awarded two foul shots, and he made both of them to tie up the game just before the gun sounded. Northville then won in overtime.

At the half, Plymouth was out in front 23 to 22. The Rocks made 15 out of 30 foul tosses, while Northville made 16 out of 24.

Al Williams did not play in this game because of illness. Casey Coxell was high point man with 12, followed by Jerry Kelly with 10, Jim Bloomhuff and Bud Lappear with 9 each. Howeath led the Mustangs with 12, followed by Somers with 11.

On Friday, Plymouth blew a chance to upset high-touted Trenton on the trojan floor, when in the last three minutes, erratic passing gave Trenton a quick points. The score was close throughout, and with three minutes remaining Trenton led by only 4 points. The final score was 44 to 34. At the half Trenton led 21 to 17.

Jerry Kelly led the Rocks with 11 points, with Al Williams and Jim Bloomhuff having 9 each. Henderson had 16 and Lowe 13 for Trenton.

### Camping Program Will be Discussed

School camping is now considered a part of a public school educational program. Dr. Lee M. Thurston, Michigan Superintendent of Public Instruction, has set a goal so that by 1950 every boy and girl in Michigan should have the opportunity of spending a week in camp as a part of their education.

In order to acquaint the community with the camping program Edward H. Hoot, principal of the Benjamin Franklin School, Royal Oak, and Mrs. Goldie Wheeler will be at the Bird Elementary School on February 29 at 8 p.m. to discuss the program. They will bring a movie "Outdoor Classrooms."

Everyone interested in conservation and the camping program is invited to attend this meeting.

## These Events Were News

### 25 Years Ago

Marian Kiely, who was graduated with the class of 1923, was one of the 55 in the whole student body at the University of Michigan to come through the first semester year with an A record.

The Redpath Lyceum Bureau, under the auspices of the Senior class of the Plymouth High School, will present the Jackson Plantation Singers, Wednesday evening, at the high school auditorium.

At a meeting of the new Mayflower Hotel committee Tuesday afternoon, the plans and specifications of the architects for the new hotel were accepted by the committee. These plans and specifications are now available to contractors, and can be examined at the office of the architects and engineers, 324 Book Bldg., Detroit.

The Penniman Allen auditorium, which was kindly donated for the occasion by Mrs. Kate E. Allen, was the setting for the largest card and sewing party of the season on Wednesday, given by the Woman's Club.

In a full page announcement today the Penniman Allen theatre

announces that starting the week of March 13, there will be a show every night. By making four changes a week, the management is able to give its patrons all of the best pictures released.

Plymouth citizens were greatly excited last Friday morning, when the news circulated about town that a bandit and a young woman companion had robbed the branch office of the Plymouth United Savings Bank, at the corner of Starkweather avenue and Liberty street, of \$3,500, that morning, after kidnaping Frank J. Pierce, the manager. Mr. Pierce was taken to a barn on the Henry Pankow farm where he was left untied. From there he escaped and telephoned the bank officials. This is the second robbery within the past year.

Mr. and Mrs. R. B. Gilbert and daughter, Helen, who recently went to Florida for the remainder of the winter, are now located at St. Augustine. Helen is attending school in that city.

Several from here went to Lansing yesterday to hear the debate on capital punishment.

Alvin Carter of the Community Pharmacy, who recently took the state pharmacy examination successfully passed the examination, and is now a full-fledged pharmacist. Congratulations, Al.

Mr. and Mrs. Earl Mastick and little daughter returned home last Saturday, from their motor trip to Florida. Mr. Mastick says they had wonderful weather while they were in Florida, and they found splendid roads both going and coming.

### 10 Years Ago

Dr. Robert H. Haskell of the Wayne County Training school near Plymouth was the guest speaker at a meeting of the Plymouth Kiwanis club Tuesday evening. Dr. Haskell explained the organization and program of the training school, its honor system and experiment in self-government. Program chairman for the evening was Roy Crites.

Blank and Thatcher Furniture company lost \$3,000 worth of furniture when a pipe burst in the water sprinkling system in the company's warehouse on North Main street early Monday morning. The pipe froze from condensation in the sprinkling system on the second floor of the warehouse and water from the large storage tank flooded the second floor level and leaked through to the first floor, where the furniture was stored.

Alex Trufin, owner and manager of the Plymouth Grill, which opened less than six months ago, has already found it necessary to considerably enlarge the facilities of his popular north side eating place to care for his rapidly increasing business.

Plymouth's first trial air raid alarm will be sounded Saturday noon to test hearing distances of the signal and to familiarize the civilian population with the procedure. Spotters will be assigned to designated locations in and around the city to report the success of the test.

The Michigan Bell Telephone company announced this week that uniform schedules of reduced local service rates will go into effect on the billing date beginning April 26 at the Plymouth office and other exchanges of comparable size and with less than 10,000 main telephone stations.

Mr. and Mrs. Robert Brown (Alberta Patterson) announce the birth of a son, William Douglas, Tuesday, February 10. Weight seven pounds.

Jimmy Stevens, son of Mr. and Mrs. Harold Stevens, is slowly recovering from a severe case of measles and pneumonia.

Robert Beyer, a student at Ferris Institute, Big Rapids, has recently been made a member of Gamma Kappa chapter of Kappa Alpha Phi, an international phar-

macy fraternity. Mr. and Mrs. Jack Carney returned to their home in Chicago, Tuesday, following a few days' visit in the home of Mr. and Mrs. High Cash.

In Swanwick, England, nine bell ringers of St. Andrew's Church went on strike when the Rev. L. H. Roper told them they would have to attend services, too.

## It's a HONEY for the MONEY

Can you imagine this—A car with Buick's power, Buick's size, Buick's room and Buick's big-car roadability—at a price down where anyone with the price of a new car can reach it? That's what you'll find in the Buick SPECIAL pictured here. How about coming in and looking it over? Some things you'll need to see—such as the smartest new fabrics and interior trims that these swift beauties have ever offered. Or a long list of new conveniences, developed by Buick's engineers this year.

Some things you'll need to try—such as Wide-Band brakes—new this year on the SPECIAL, and also on SUPER and ROADMASTER.

Some things you'll need to feel—such as the Million Dollar Ride, so called because it cost Buick this much and more in cold cash to perfect the 15 engineering features that give it a road-hugging smoothness—cushion your going like a million dollars' worth of velvet beneath the wheels.

Or the effortless ease of Dynaflow Drive.\*

Some things you'll want to sample

—such as the hoodful of power—the power of the mighty and thrifty Fireball 8 Engine—a valve-in-head that makes the most of high compression, gets good mileage from gas.

Some things you'll want to compare—such as delivered prices—and to help you with this one—we print sample prices here.

Our welcome mat's out. Why not come in soon and get set for a thrilling year?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series.

to learn based upon the recent statistics and experiences of the Pacific Northwest.

**Prewar Situation**  
Prior to 1940, the region was almost entirely dependent for its prosperity on selling its raw materials. Its products were mostly shipped eastward in a raw state for processing and distribution to more profitable mass markets.

Here was an important lumber district, but all its lumber was shipped East in the raw state. Rich northwest farm lands supplied a large part of America's fruit and grain, but often at a loss. Copper, zinc, lead, silver, gold and antimony were scooped from its mines and shipped elsewhere for refining and fabricating. Fishing, especially for salmon, was big business. But, manufacturing industries were badly needed for lasting strength.

**War-time Experience**  
Expansion for war needs stimulated manufacturing industries temporarily. Aircraft factories mushroomed overnight. A full-blown aluminum industry sprang up, and there was a new plutonium plant at Hanford. Ferroalloy and other electro-process war industries were started. Huge power requirements pushed ahead hydro-utility construction. Population growth kept pace with industrial expansion. People rushed in from adjoining sections to get employment. There could have been a very bad slump when the war ended.

There were no established peacetime products or markets to which the industries and workers could return. However, instead

of a slump, the area has forged ahead to new heights, due to the enterprise and courage of its business leaders. Labor today is even scarce in some lines and net migration into the area has continued high.

**Postwar Events**  
Aided by extensive research and these few businessmen, their raw materials are now going into finished goods. Prewar, no aluminum was produced in the Pacific Northwest; today nearly half of all our aluminum comes from this area. Food processing has been emphasized to take advantage of the area's growing output of agricultural products. Its bustling businessmen are making it the center of the new frozen foods industry. They are starting new flour mills, new canning plants, and other industries to employ nearly twice as many workers as in prewar 1939. This proves again that every community depends upon the ability and courage of about 5 percent of its people.

Furniture production has become a big industry utilizing the regions lumber resources. Paper and pulp industries have expanded 50 percent since 1940, while the chemical industry is being doubled. Other industries have been induced to move into the region to decentralize operations, and be closer to raw material supplies. Electric power output, despite tremendous growth, is being further increased.

**Important Lesson**  
New stores, laundries, filling stations, and restaurants have been financed by forward looking citizens before they were really needed. This has all occurred in an area which seemed on the brink of a depression only some five years ago. Don't let any community, where this column is printed, get discouraged under any conditions.

No one examining the situation in 1947 would have been willing to forecast such a rate of growth. Today, similarly, there are other regions, as well as inventions and ideas, which stand on the threshold of most rapid growth. Our frontiers never really pass; the experience of the Pacific Northwest shows that the brightest opportunities often lie where the prospects seem least promising.

## Rotarians Honor First President

Plymouth Rotarians, whose weekly meeting date last week fell on Washington's birthday, had the opportunity of hearing one of the best Washington day addresses ever given before the organization.

The speaker was Dr. John Van-Deusen, professor of American history at Hobart college, Geneva, New York and a well known historian author. He revealed an intimate knowledge of the life of Washington that brought forth facts about the great Revolutionary leader and first president of these United States that few had ever heard before.

There is no recorded date of the birth of Washington, he said. He served during the entire Revolutionary war without pay. It was Washington's devotion to his brother Lawrence, who died of tuberculosis, which led to his inheritance of Mt. Vernon, the home of Washington during most of his lifetime. His leadership welded into a fighting unit a leaderless mob that defied the tyranny of an English king, that finally resulted in American freedom, said Dr. Hobart.

Supt. Russell Isbister of the Plymouth public schools, who had invited Dr. Hobart to speak before the high school assembly Friday, also introduced him to the Rotary club. President David Mather expressed to the speaker the club's appreciation of his time as well as patrotic address.

## Grange Cleanings

Our Grange was not as well represented last Thursday evening as it should have been. Why?

Reverend Henry Welch was our speaker and he is always worth hearing. Molly sang three songs, she was accompanied by Mrs. O'Connor. After the meeting Henry Ehrensberger showed 3 films. One of them about the Atom Bomb gave material for thought.

It was decided to purchase 60 new steel chairs so that is good news for the old wooden chairs are always breaking down. The new chairs appear to be very comfortable.

Be sure to come to the card party Saturday night, March 1. Invite your friends and neighbors. Bring your card table. There will be prizes and refreshments. Next meeting will be March 6. This will be a birthday supper honoring all of those who have birthdays in March.

## Madonna College Press Club to Hold Bake Sale

A bake sale will be held on Saturday, March 1, at Kresge's store on Main street in Plymouth. The sale, beginning at 11 a.m., is sponsored by the Press Club of Madonna College.

A variety of baked goods, including cakes, pies, cookies and cupcakes, will be on sale to the public.

The proceeds from the bake sale will be used to finance the publication of the forthcoming issues of The Madonna Herald, the college newspaper.

Watch for announcement of our record sale March 7 and 8.

# Now Take a Good Look at 1952!

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan. Sunday evening, 8:00 to 9:00 p.m. Station WJBK-TV, Channel 2.

Standard equipment, accessories and trim illustrated are subject to change without notice. White side-wall tires, when available, at extra cost.

Future Features for You Now!

**NEW "JET-SCOOP" FOREBUNNER STYLING**—Here's the most challenging new car design on the American Road—made possible by new methods in metal engineering. The results: new and different "let's go" lines, "Space-planned" interiors, up to 17% greater visibility, especially over the low hood.

**NEW 125-HP V-8 PERFORMANCE**—Up goes the horsepower. Up goes the compression ratio. This engine has to be good. It's precision-manufactured by the builders of more V-8s than all other companies combined.

**NEW "INTERCEPTOR" PANEL**—The most practical instrument panel ever designed. It takes its inspiration from the quick-sight controls in the latest fighting aircraft. All instruments are conveniently grouped in a handsome, unitized console—built out from the dash for easy reading, reaching, and "eyes-front" safety.

**NEW SPORTS-CAR "FLOOR-FREE" PEDAL**—The brake pedal is suspension mounted (no need for a floor hole) for easier action and extra foot room. Drafts and dust are minimized. Big, powerful, quick-acting brakes provide smoother, safer, straight-line stops in response to the slightest toe pressure.

**NEW CENTRALIZED "HIDE-AWAY" GAS CAP**—It is located behind the new hinged license-plate holder. You can approach gas pumps from either side. Everywhere you look there's something new, for the 1952 Mercury is a really new car! See the 1952 Mercury, compare it, today.
