

**Congress Shall Make No Laws Abridging the Freedom of The Press**

**What I Think and Have A Right to Say**

By ELTON R. EATON

**WHO MADE THIS COUNTRY GREAT?**

We hear a lot of cheap rabble talk these days about the progress of this great country—and claims by so-called political leaders of their part in making this country the greatest and most prosperous nation in the world.

But history shows that politics had little if anything to do with the progress of America.

When the writers of our constitution said that all men shall be free and that an individual can do as he pleases as long as he does not violate the laws of justice, that opened the way for the tremendous development this country has made.

It was the Robert Fultons, the Deerings, the Edisons, the Fords and other inventors and manufacturers who risked everything they possessed as well as their good names in the development of light, power and transportation that made this country great.

These great leaders, and others not mentioned, were not handicapped in their efforts by a lot of cheap, four-flushing politicians and goon squad leaders who thrive like other pests off the earnings of others. They had a free hand and the helping hand of high public officials who didn't want to steal credit as well as profit from what others had done and were doing.

No, don't give any politician or goon squad leader any credit for the progress and development of this great America of ours. Give ALL credit to the men who believed in our real American way of life—and thank them for all that you possess and enjoy.

**FIGURE IT OUT, IF YOU CAN!**

Over one hundred and ten thousand American boys have been killed or wounded in Truman's undeclared war in Korea. The United States News reports that there are nine American boys being killed to one from all of the other of our allies combined. That means that the ENTIRE Korean war is being fought almost entirely by boys taken from American farms, American schools and American homes everywhere.

The other day some one asked WHY it was that the political mob in control of affairs in Washington didn't permit Chiang Kai-Shek to use his faithful Nationalist troops against the Communists in Korea.

He is reported to have over 300,000 fighting men in good trim, armed, ready and anxious to fight their enemies in Korea.

Can you or any other person with an ounce of brains tell WHY our sap-heads in Washington haven't permitted the use of these Chinese Nationalist troops in Korea.

Why is it that they permit OUR American boys to be slaughtered and tortured by Chinese Communists when Chinese Nationalists are anxious and READY to go to the battle fronts in Korea?

They are doing a lot of talking about the Republican convention in Chicago—and the so-called ill-feeling that was manifested among the delegates. Maybe they didn't do what you thought they should have done. Maybe they didn't do what Yours Truly thought they should have done—but that's a minor point. Every New Dealer, Fair Dealer or Crooked Dealer in Washington who has had any part in the Korean mess should be overwhelmingly defeated. If there ever was a time when a change in Washington was needed that time is NOW!

**START BUILDING IT NOW!**

Our state highway department thought that when it put into operation, a few weeks ago, that big ferry across the Straits of Mackinac to augment the services of the other four ferries it would bring an end to the jam that prevails every once in a while between Mackinac City and St. Ignace.

But it did nothing of the kind! The early days of July have found tourists tied up for hours on both sides of the Straits waiting for ferry service. While the boats have been kept running on extra schedule, with no wait-overs of any kind, still they cannot take care of the greatly increased traffic across the Straits.

It was reported that during the Fourth of July holiday rush some drivers had to wait five and six hours before they could get from one Peninsula to the other. Cars were lined up just as they are during deer hunting season, for miles and miles waiting for traffic to move.

That is NOT as it should be! It should be apparent by this time to those who have doubted the need of a bridge across the Straits that a bridge connecting the Upper and Lower Peninsulas is the ONLY solution to the traffic jams at the Straits. As time goes on these traffic jams are going to get worse and if we do nothing to relieve the situation we will find that our summer visitors will be going to other states to spend their vacation money rather than put up with the inconvenience at the Straits.

We had better stop talking—stop letting a lot of penny-ante politicians fool with the question and get busy and build that bridge. It will pay for itself in half the time that has been estimated.

**PRIMARY ELECTION DAY IS NEAR.**

The Michigan legislature during its recent session changed the date of the primary election from September to August 5. They did this for the purpose of giving our boys in foreign service a chance to vote. By selecting our candidates in early August, there will be sufficient time to print the ballots and mail them to soldiers in service overseas.

We should not forget that date. It comes much earlier than any primary ever held before in the state.

So mark the date down. Plan now to be home to vote on August 5—because some of those you nominate for office on August 5 will serve you in Washington, Lansing and in our county offices. It is highly important that you keep this date in mind and vote!

City hall records show that there has been a substantial increase in registration. That is a healthy sign.

Let's make our primary vote in Plymouth and the nearby townships such a big one that it will amaze the rest of Michigan. Let's make it as nearly 100 per cent as we can. You will not only be doing your duty as a citizen but you will be honoring the city in which you live.

**A WORD ABOUT CONGRESSMAN DONDERO.**

For the first time since this congressional district was created, we are now called upon to elect another congressman. Because of the increase in population, the state legislature has divided the district, making Oakland county one district and that portion of the 17th district in Wayne county another district.

This action takes Congressman Dondero out of our portion of the district, as he is a resident of the city of Royal Oak in Oakland county.

We have numerous candidates seeking the Republican nomination to succeed Mr. Dondero.

It is our desire at this time to say a word pertaining to the able services given this district as well as the nation by Mr. Dondero.

In all the years he has been in Washington he has been regarded as one of the hardest working members of Congress. He has not only been a hard working member of the house, but he has found time to give attention to the hundred and

# The PLYMOUTH MAIL

Vol. 64, No. 48 CLASSIFIED ADS - PAGES 4-5-6 Plymouth, Michigan Thursday, July 24, 1952 Three Sections, 22 Pages \$2.00 Per Year In Advance

**German Youths Leave For Home**

Plymouth's seven German Youth for Understanding students, who have made their homes here during the last 12 months left Dearborn early Thursday morning to return to their respective homes across the sea.

Brought to the city to live as American young people in typical American homes by two southern Michigan Rotary districts and the State Department, this community had the opportunity to observe them in school, churches, at social gatherings and in local homes where they were frequent visitors or guests.

The program was developed to bring 74 young people from Germany so that they might learn American thinking and way of life and then return to their homes and spread the doctrine of peace and American ideas and ideals to the residents of their cities throughout Germany.

The students and the foster parents with whom they lived in Plymouth were as follows: Franz Euringer with Mr. and Mrs. Edwin Schrader, Hans Christian Kreger with Mr. and Mrs. Paul Wiedman, Traudi Briens with Mr. and Mrs. Sterling Eaton, Sophie Niemeyer with Mr. and Mrs. Carl Hartwick, Hans Edward Rosenplanter with C. H. Bennett, Gunter Dam with Mr. and Mrs. Edward Gardiner and Gerold Schmidt with Mr. and Mrs. Robert Willoughby.

Fortunately each of the group of 74 had signed agreements before leaving Germany that they would return with the group and would remain in Germany for two years after their interesting experience. In an interview with some eight or ten of the group it was found that in almost every case, except for seeing their parents, they wished to remain in America. In one case a boy had even gone so far as to explore the possibilities of joining the American Navy to see if in that manner he might avoid the return to his homeland.

Their year has been not only a (Continued on Page 8)

**Mayor Daane's Father-in-Law Dies in Crash**

Death came suddenly and ironically last week for a Vriesland, Michigan man, father-in-law of Plymouth Mayor Russell Daane.

T. W. Van Haitms, 75, died in Holland, Michigan hospital from injuries received in an auto crash on U.S. 16 when his car, out of control, was struck by an east-bound vehicle driven by a Muskegon man.

Van Haitms, who was enroute to visit his wife, Emma, 79, hospitalized for illness, died just a few doors from her bedside.

Mrs. Van Haitms, whose illness was described by hospital authorities as "serious", had been visited daily by her husband.

Police authorities theorize Van Haitms' car was hit after he lost control of the vehicle while attempting to recover control when he slid onto the road shoulder.

He is survived by his wife, Emma, Russell and Hildreth Daane, Willard and Nell Wickers, of Holland; five grandchildren and one great grandchild.

Funeral services were held last Saturday at Zeeland, Michigan. Burial was in Zeeland Cemetery.

**No Violators-Traffic Court Does Not Meet**

Municipal court did not meet last week—"there weren't any cases to air in the traffic court session," said Municipal court Judge N. Perlongo.

He recalled that it was the first time in "several months" that some traffic violator was not listed on court dockets.

Expressing the hope that drivers are "observing the rules of the road," Judge Perlongo felt that the court's "get tough" policy was producing some results.

"The dollar-a-mile penalty will still be used against first offense speeders," he cautioned drivers, "with that fine being doubled for second offenders."

"In all cases," Judge Perlongo warned, "it is mandatory that persons speeding over 45 miles-an-hour in a restricted zone appear before the court."

PLYMOUTH KIWANIS ARE REAPING THE REWARDS of their efforts these days as some 50 crippled children from Wayne County are enjoying the use of the Kiwanis Girl Scout cabin built by the local club on Plymouth road. Through an arrangement with the Out-County chapter of the Michigan Society for Crippled Children under the direction of Herma Taylor of this city these crippled children are brought to the camp each day by members of the police departments of the towns in which they live to enjoy a daily outing which consists of games, educational projects and lots of nourishing foods. Inspecting the camp are director Taylor, her husband Kiwanian Leslie Taylor, and Kiwanis President Michael Huber.

**Alley Decision Shelved as Planners Examine Protests**

A three-barreled discussion that resounded through Planning Commission chambers last Thursday led to sharp words and indecision as city planners sought to hold back the tide of growing resentment on a proposed alley project.

Disagreement on the alley thoroughfare, one of several listed on a master planning sheet, revolves around an area bordering Ann Arbor road, earlier zoned for commercial buildings.

Subject of the current dispute is the proposed alley that would run north of and parallel to Ann Arbor road from Harvey street to Sheldon road. The east portion of the alley would run from Main street to a point 100 feet west of the east line of the Davis property.

Its 20 feet width, according to some property owners through professional counsel, would cut

**Plymouthites to See "Quo Vadis" For One Week**

"Quo Vadis" is coming to the Penn Theater for a week's run, beginning July 27.

One of MGM's greatest technical spectacles, Quo Vadis has been called the biggest and best motion picture to come out of Hollywood studios. This critique has been made by national magazines, followed by the lauding praises of motion picture critics.

According to the Penn Theater Owner Harry Lush, this will mark the first time in 10 years that a picture has been played a full week at the Penn Theater.

And Quo Vadis is coming to Plymouth at regular prices, says the manager.

Due to the three hour length of the picture, there will be just three showings on Sunday, July 27, at 2:00, 5:00 and 8:00 p.m.

One showing will be held on week day nights starting at 7:30. Two Saturday shows will begin (Continued on Page 8)

**\$189,000 Tax Rate Hike Gives School Million Dollar Budget**

Most persons will agree that it takes a lot of money to operate, maintain and extend Plymouth's eight schools—to the tune of something more than \$1,012,000 for this next fiscal year.

For the four segments of Plymouth's school district taxpayer public, this will become increasingly clear toward the halfway mark of the 1952-1953 fiscal year—time for collection of "winter taxes."

The \$13.90 these taxpayers paid last year to make the school district tick has taken a skyrocket ride to the \$18 mark.

This means that for every thousand dollars of assessed property

property depths so severely as to cause a decrease in property values.

One of the property owners informed the Commission that the alley would run through the center of a proposed supermarket building, reputedly in the planning stage on his property.

The issue, which could shape up as one of "property encroachment," double assessments on the alley improvement, and decreased property values, was tabled until July 31.

Steering the Planning Commission in this decision was Mayor R. Daane who strongly favored the alley project that so far has not been scheduled for completion.

As part of the master zoning plan, he stated, it should be constructed to provide an easy access to the rear of property zoned for commercial purposes.

This alley project is part of an overall rezoning of some of the property in Plymouth that has been thoroughly examined by the Planning Commission with a view "toward meeting the economic and social needs of community life."

This statement was earlier released by City Planners who may join forces with the City Commission in the next few months to iron out the problems of their revised zoning ordinances recommended for acceptance.

In other Planning Commission action at this time two proposed major sub-divisions inside Plymouth borders received the green light from Commissioners.

Approved were the Birch Estates and the Fred Garling Parkview sub-divisions still in the planning stages.

Available plot maps indicate that some 100 new homes will be under construction in 1953, pending final approval from City Commissioners.

Cost estimates place combined building projects at a figure nearing the \$1,000,000 mark.

Because of early planning stages of both projects, exact size, type and cost of the separate houses are not yet available.

evaluation the City, Plymouth and parts of Canton and Northville townships (all part of the school district) will pay \$5.10 more to send their children on the school board trek.

The \$5.10 increase was earlier approved by school district voters at a special election that raised school tax limits two-tenths of one per cent for 20 years.

It has made possible a \$650,000 bond issue currently being negotiated by school officials. Money from the bonds will be used to build a new elementary school, re-equip the high school and ac-

**Police Warn of New Racket**

Roofing and siding racketeers may have invaded Plymouth.

This announcement was released yesterday by police authorities who warn Plymouth residents that "smooth talking fancy promising" alleged roofing and siding contractors have bilked unwary homeowners of thousands of dollars in Wayne and Garden City.

The suspected "sharps" are working their racket this way: They approach the homeowner with a high pressured sales talk stressing the need for siding and roofing. After making cost estimates, they demand a down payment from the homeowner.

This is the last time the alleged racketeers are seen. They neither complete the promised roofing or siding job nor do they return the money.

Local police were first alerted to the "sharps" when Garden City police and Wayne county sheriffs turned their investigation toward Plymouth—an area they say may have been staked out by the roofing and siding racketeers.

Police Chief Carl Greenlee says this warning is not intended to reflect on honest businessmen, but to warn "easily persuaded" homeowners of the danger.

He warns Plymouth homeowners, none of whom, he says, have been "taken as far as I know," to inform local police of any "roofing and siding solicitor who fails to properly identify himself."

As an added suggestion Chief Greenlee suggests that local homeowners thoroughly investigate any such solicitor before giving him money.

"These operators are smooth talkers, he said, and are defrauding the public with a lot of promises and a high pressured sales talk—all of which adds up to fraud."

**West Brothers to Hold Opening**

July 25 and 26 are the dates of West Brothers Nash grand opening at the showrooms on Forest street.

There will be flowers for the first 100 women on both Friday and Saturday, gifts for the children and prizes for father.

This is the first showing of the Nash by West brothers who recently bought out Oliver Nash.

**Car Fire Set Off by Playful Youth**

A car fire that sent firefighters scurrying to 760 Burroughs at 12:30 p.m. last Friday, was touched off by what firemen called a "mischievous" youngster.

The youth, firemen reported, caused a short circuit in the car's electrical system after sticking a piece of wire in a cigar lighter holder.

The fire, confined to the short circuited area, scorched the dash panel causing minor damage.

**High Costs Will Probably Delay Library Addition**

Construction on Plymouth's Dunning Library has been deferred.

This was made clear last Monday following an agreement by City Commissioners to hold up final approval of bids for the \$28,000 brick addition.

Crux of the problem behind this deferment is said to be the high cost of constructing the building. The lowest bidder for the 40 by 60 feet structure placed construction costs at slightly over \$36,000—more than \$8,000 more than earlier estimated by the City.

A week ago Mayor Russell Daane assured construction of the building. He stated that the building project would not be shelved because of "insufficient funds."

"We have every intention of going ahead with the library

building project," he declared. "It may be necessary," he said, "to eliminate some of the niceties of the building's interior until more funds become available."

However, it now appears the much needed library structure will not see the light of day, perhaps, until 1953.

City Manager A. Glasford detailed the deferment with the statement that the city "lacks sufficient funds" to even start the structure.

"It is feared," he said, "that if we start the library project now, lacking \$9,000 to complete it, that we (City) may end up losing money. Besides," he concluded, "we might have half a building on our hands."

Construction of the proposed building, to be erected behind the present library site, originally was to have been started before the end of the summer.

Need for the addition to this Wayne county library was explained by Librarian Ada Murray.

Every available square foot of shelf and floor space has been utilized to house the increased book circulation, she declared.

Mrs. Murray pointed to the latest improvisation to accommodate books overflowing library shelves—pieces of boards that had been placed across several of the library windows.

Besides housing overflowing books giving added shelf and book storage space, the library addition would provide additional reading rooms, a new heating plant and rest room facilities.

An architectural sketch indicates that an overall master plan has been set up calling for a scientifically designed library building to be added unit by unit until complete.

An entirely new library facility will be realized, city officials reveal, as additional funds become available.

**Scouts Leave For Northern Camp**

About 30 local Boy Scouts, members of troop P-3 sponsored by the Plymouth Rotary club will leave Plymouth Saturday for a week's outing at the State Park on Burt Lake. Loaded into two trucks furnished by Rotarians Henry Penhale and Charles H. Bennett, each filled to overflowing also with food provided by members of the local Rotary club, the boys will spend an entire week swimming and fishing under the direction of their scout master, Ferris Mathias.

Mr. Mathias will have assisting him on the excursion Steve Varish, John Snider, Price Cloar, George Caldwell and William Johnson. Members of the scout troop making the trip will be Biff Tait, Virgil Norgrove, Edward Ward, Richard Brown, Ziggy Przybylowski, Jim Abate, Tom Stickey, Darle Tonkovic, David Zimmer, Bob Nagle.

Bob Cloar, Larry Keeler, Steve Jewell, John Luther, Herb Salter, Dick Snider, Dave Dayton, Tom Caldwell, Dennis Merchant, Edward Simpson, Earl Fulton, Ross Willett, Donald Ward, Steve Varish, John Zimmerler Foster Brown, Raymond Eaton, David Grow and Jack Smith.

(Continued on Page 8)

**Merchants Note Business Boom**

"It's an ill wind that blows no one any good" is an old saying which seems to have come true in Plymouth. The wind which blew the current heat wave to Plymouth apparently has blown an increase in business during a usually slack season.

Ralph Seyfried, manager of Seyfried Jewelry store reports that business continues good and steady during the change of ownership sale which ends Saturday.

James Houk, manager of Fisher's shoe store, is enthusiastic over the amount of business done in the store during the past week.

"At times during the weekend, it was necessary to lock the door for short periods of time because we could accommodate no more customers," he said.

(Continued on Page 8)

**Lions Install New Officers**

Robert Smith was recently installed as president of the Plymouth Lions club. The installation took place at the Plymouth Country club with District Governor Elect Louis A. Komjathy installing the officers.

J. Rushing Cutler was installed as first vice president; Carl Sonderdregger as second vice president; and Frank Weller as third vice president. Other officers installed were Alfred Vincent, secretary; Thomas Stokes, treasurer; Clayton Stokes, tail twister; Bruce Richards, lion tamer; and Roland Widmayer and Henry Mills, directors.

Immediate past president of the organization is George Witkowski.

**Unusual Flowers In Bloom Here**

Many unusual events in the world of nature have been taking place in Plymouth during the past week.

Mrs. Howard Zander of Oakview drive picked a double cucumber and a double squash in her garden. Mrs. E. N. Paul of Newburg road has yellow Pom-Pom chrysanthemums in bloom in her garden. She states that the plant which customarily blooms in the fall may bloom all summer because it is loaded with buds.

Mrs. Paul also has grapes in blossom. Her Wagelia bush is blooming for the second time this year.

Mrs. John Wagar of Farmer street had a night blooming cereus out Sunday night. The flower began to bloom at 7 p.m. Friends and neighbors watched while the plant flowered and died. This type of flower blooms only once and then only after seven years of care.

Mrs. Wager stated that the plant was started from a leaf approximately seven years ago. The flower is white with a colored center.

### Mrs. George Gebhardt Honored at Party

Mr. and Mrs. Claude Gebhardt opened their home on North Harvey street last Sunday to over 75 guests in honor of their mother, Mrs. George Gebhardt on the occasion of her 75th birthday.

The open house, a complete surprise to Mrs. Gebhardt, had been planned for the lovely garden of the Gebhardt home but due to the rain had to be held indoors. Lovely bouquets of flowers were placed throughout the house.

Friends and neighbors as well as relatives came from Flushing, Detroit, Brighton, Northville, Monroe and Plymouth with neices and nephews, grand neices and grand nephews and great grand neices and great grand nephews present.

Mrs. Gebhardt received many lovely gifts, cards and floral bouquets to help her long remember the occasion of her 75th birthday.

### Local News

Mr. and Mrs. Dunbar Davis and family spent last weekend at Little Crooked lake as the guests of Mr. and Mrs. Hamilton Searfoss.

Wyman Bartlett, who has been ill for the past several weeks, is improving nicely at his home on Blunk street.

Mr. and Mrs. Rolland McGrew of Cadillac spent Wednesday night with Mrs. William Farley enroute to Dayton, Ohio. Mrs. McGrew will be remembered as Mabel Smith.

Mr. and Mrs. Walter Dzurus and son, Jimmy of Sheridan avenue spent last Friday with Mr. and Mrs. William Pryor at Woodland lake near Brighton.

Mr. and Mrs. Perry Hix and Mr. and Mrs. Warren Hix and daughter, Sandy spent the weekend at Diamond lake near Barrytown.

Austin Whipple, Edson A. Whipple, Miss June Larsen and Mrs. Madeleine Wood motored to Mullett lake to spend last weekend with the Whipple family.

The Child Study Club and a few guests enjoyed their annual picnic on Thursday of last week at the cottage of Mr. and Mrs. Wilbur Hill on Portage lake.

On Wednesday, July 16, Mrs. Chester Shoebridge entertained at a luncheon in her home on Huff road for Mrs. Minnie Ray, Mrs. Vesta Allen, Mrs. Leila Heller, Miss Adele Carson, Mrs. Lottie Williams, Mrs. Gladys Baker, Mrs. Rose Wilson, Miss Loretta Wilson, Games and a social afternoon followed the luncheon.

There will be an ice cream social sponsored by the women of Our Lady of Good Counsel church on Wednesday evening, July 30 from 6 to 9 p.m. on the grounds.

Mr. and Mrs. W. D. Brown and daughter, Beverly of Sheridan avenue returned to Plymouth Monday after spending two delightful weeks at Camp Minne-ning, Algonquin Park, Ontario. Beverly had the good fortune of catching the largest lake trout at the camp so far, this season weighing 7 pounds 10 ounces. Until Beverly's catch the record had been held by the camp guide.

Miss Ada Daggett, Mrs. Earl Wellman, Mrs. Ara Fehlig and Mrs. William Farley spent Sunday and Monday visiting relatives and friends in Flint.

Edson O. Huston, Oscar Huston, Elmer Huston Whipple, Mrs. Hattie White and Mrs. Austin Whipple have returned home after spending two weeks at Mullett lake. While there Mr. Huston visited with Mr. and Mrs. Ernest Allison at their cottage on Round lake and was a guest at a picnic given by Mr. and Mrs. Henry E. Baker at their summer home on Mullett lake.

Ferris David Mathias has just finished his Basic Training at the Marine Base in San Diego, California and will arrive home today, Thursday to spend a 14 day furlough with his parents, Mr. and Mrs. Ferris Mathias of Blunk avenue. Upon completion of his furlough Ferris will again return to San Diego where he will enter the Marine Tank School.

### Music Teachers' Association Formed

At a meeting held on July 17, a music teachers' association was formed for the purpose of keeping teachers informed of the latest teaching trends and exchanging ideas for better teaching standards.

Officers elected for the coming year were, Louis J. Ribar, president; Edna O'Conner, secretary; Carl Groschke, corresponding secretary.

Music teachers interested in this group may contact one of the officers.

### MOMS NEWS

Moms of America, Inc. Unit 18, will meet at the Veterans' Memorial center, Monday, July 28, at 8:30 p.m. for the monthly social evening. We are happy to have Irene Irwin with us for the summer months.

The Moms wish to thank those who responded to our appeal for eye glasses to be sent to the Veterans' Facility at Grand Rapids. They will be greatly appreciated.

### BIRTHS

Mr. and Mrs. Elvis McCann of 36410 Cowan road announce the birth of a daughter on July 16 at Beyer Memorial hospital weighing 7 pounds, seven and one-half ounces.

Dr. and Mrs. Lance Wright of Birmingham, Alabama announce the birth of a daughter, Rebecca Ann born on July 5 and weighing six pounds, six ounces. Dr. Wright is now at the Mid-South Medical Center in Birmingham, Alabama.

Mr. and Mrs. Gerald Hepler of 2870 Brookline are the proud parents of a daughter, Cynthia Louise born at Beyer Memorial hospital, Ypsilanti on Thursday, July 17. She weighed in at 7 pounds 6 1/2 ounces. Mrs. Hepler is the former Sally Fraleigh.

Mr. and Mrs. Robert C. LeJeune of 565 Ann Arbor trail have a new son, David born on July 11 at the Garden City hospital weighing 6 pounds 10 ounces.

### LAFF OF THE WEEK

"Do you have to start being domestic so soon?"

Mrs. Ethel Parmalee and Mrs. William Farley spent Wednesday in Orchard Lake visiting their cousins, Mr. and Mrs. Harry Paterson.

Mrs. John Cordon and children of Newington, Connecticut are visiting her parents, Mr. and Mrs. Harry Gilbert of Newburg road for a month.

Mr. and Mrs. Raymond Highfield are now making their home in Chicago, Illinois where Raymond is employed with the International Harvester Research Division. Raymond has been ordered to return to active duty on October 10 and has been assigned to Ellington Field at Houston, Texas.

Cpl. Richard Farwell is leaving Friday evening for Ft. Davis in the Panama Canal Zone after spending a 30 day leave with his parents, Mr. and Mrs. George Farwell of Adams street.

Mrs. Floyd Burgett and children, Jack and Judy; Mrs. Otto Beyer, Miss Patty Hyatt, Miss Amelia Gayde and Mr. and Mrs. Robert Beyer and children, Michael and Susan spent last Thursday at White Lake as guests of Mr. and Mrs. T. L. Sullivan.

Mr. and Mrs. Edmond Watson have returned from a vacation trip through the New England states.

Mr. and Mrs. Joseph Allor and children of Detroit spent Sunday with Mr. and Mrs. James Allor and daughter, Vicki.

Mrs. Norman Potter of Sheridan avenue is spending this week visiting her sister in Ithaca.

Jane Smith of Gottfredson road is enjoying a week's camping at the 4-H camp near Island lake.

Mr. and Mrs. Clayton Kops and family of Hamilton street were Sunday evening dinner guests of their old neighbors, Mr. and Mrs. Edward Viau in Dearborn.

Mrs. James Steele and children are spending the month of July at their summer home on Black lake. Mrs. Steele's sister, Mrs. Carroll Haas and children of Mendon are with her. On August 1 she will be joined by Mr. Steele and together they will visit Mr. and Mrs. James Steele Sr. at Ruyard, Michigan.

### V.F.W. News

Auxiliary members and families picnic and trip to National Home, Eaton Rapids, Sunday, August 10.

Bring donations of canned goods on that day. Hoping the members keep that date in mind for an enjoyable and inspirational time.

July 17, was a gala affair, a picnic at the home of Mrs. Ed Brown, honoring the winning team of the membership drive. Gifts were received by the three girls, Loretta Young, Kay Coolman and Ann Smith for getting the most new members. Many entertaining games were played, prizes and fun for all.

The cooties annual picnic was given July 20 at the Western Wayne Conservation club. Cooties and families were present along with a few members of our post and auxiliary.

All those interested in helping in the Auxiliary style show are requested to get in contact with Marion Warner, Phone 1932-J. Another ice cream social is coming in August.

### THE STARS

By LYN CONNELLY  
**BERT PARKS**, peppery emcee of ABC's "Stop the Music," will continue active on both radio and TV in the fall . . . While his present video show ends its run soon, he has picked up another sponsor for CBS will air a video audience participation show in October called "Balance Your Budget" . . . Nice if you can do it these days . . . "What's Your Trouble?" . . . a TV series produced by the Protestant Broadcasting and Film Commission and featuring Dr. and Mrs. Norman Vincent Peale in a discussion of common problems, will be filmed shortly in Atlanta, Georgia.

Jan Peerce will become radio's first operatic disc jockey this fall . . . Things must be tough all over . . . Costs of TV on "I Love Lucy" and "Racket Squad" have forced the sponsor to drop its daytime radio features, "Against the Storm," "Break the Bank" and "Romance of Evelyn Winters" . . . Phil Harris, Tallulah Bankhead, Maurice Chevalier and possibly Bing Crosby will make their television debuts this fall.

**PLATTER CHATTER**—Columbia's gem of the year is a fine album on the musical comedy "Robert" . . . Joan Roberts, Jack Cassidy, Kaye Ballard, Portia Nelson, Stephen Douglas and Frank Rogers do justice by such Jerome Kern favorites as "Smoke Gets In Your Eyes," "Lovely to Look At," "Yesterdays," "I Won't Dance" and many others . . . Chorus and orchestra are directed by Lehman Engel.

In singles, Columbia has a real winner in Rosemary Clooney's latest, "On the First Warm Day" . . . Her treatment is the new ballad is warm and tender and should go big . . . Back has "Booth-A-Me" . . . Tony Bennett comes up with "Have a Good Time" with "Please, My Love" on the flip.

Mr. and Mrs. John Maxwell of Joy road are vacationing at Gould City in northern Michigan.

Mr. and Mrs. Kenneth Harrison of Penniman avenue spent several days last week with Mr. and Mrs. Harvey Springer at their cottage near Oscoda on Lake Huron.

### Wagenschutz Annual Reunion Last Sunday

The 25th Annual Wagenschutz reunion was held at the Ingham County Park, Williamston, Michigan on Sunday, July 20.

The reunion was opened by the president, Mrs. George Ruttan and a prayer of thanks was led by Mrs. Amelia Ford.

Following the family dinner, the business meeting took place. All joined in the singing of America and a pledge to the flag. Mrs. Arthur Marsh then conducted a memorial service for the loved ones who are no longer in the family circle. One death during the year was George Krumm, beloved husband of Alice Wagenschutz Krumm.

Officers elected for the coming year were: President, Charles Wagenschutz; vice president, Hazel Wagenschutz; secretary-treasurer, Mary Jane Wagenschutz.

Thirty-four members were present this year including Mr. and Mrs. Charles Wagenschutz, Mr. and Mrs. Ralph Wagenschutz, Mrs. Carl Wagenschutz, Mr. and Mrs. Lynn Partridge, Mr. and Mrs. Clayton Myers, Mr. and Mrs. Austin Partridge, Mr. and Mrs. George Ruttan, Mr. and Mrs. Don Hamilton, Mrs. Luella Partridge, Mrs. Amelia Ford, Mrs. Gladys Johnson and Mr. and Mrs. Arthur Marsh and their families. They came from Tecumseh, Williamston, Northville and Plymouth.

Farmington Man Dies in Local Doctor's Office

A Farmington man, who complained of a "pain in his chest" died suddenly Monday in a local osteopathic surgeon's office—victim of a heart attack.

Dr. A. C. Williams made this announcement Tuesday following a post mortem of the dead man, Junior R. Miller, 29, 33528 Rhomswood road, Farmington.

The local surgeon and obstetrician said Miller was afflicted with a severe anaphylactic "shock." It is the sort of situation similar to a case where hypersensitivity to a bee sting causes the victim to die, he said.

He went on to indicate that a virus bronchitis had earlier weakened Miller's respiratory and circulatory systems that caused the heart attack, following the anaphylactic shock.

The Plymouth fire department responded to an emergency call from Dr. Williams, using a resuscitator that brought Miller out of "shock" state before his heart attack.

Firefighters reported that Miller's throat was constricted, preventing him from receiving the oxygen. They said an insertion into the trachea, through the throat, was made by doctors and a resuscitator tube inserted to get oxygen to Miller's lungs, in an attempt to revive him.

Dr. Walter W. Hammond, physician, also helped attempt to revive Miller.

Funeral Rites to be Held For Northville Man

A life long Plymouth and Northville resident died early Tuesday at Sessions Hospital, Northville, after a prolonged illness.

Dead is Floyd E. Stanley, 44, a Northville resident at the time of his death.

Well known to many Plymouth and Northville friends, Mr. Stanley is survived by his wife, Mildred, a daughter, Virgie, and son, Richard. His death is also being mourned by his mother and father, Mr. and Mrs. H. Stanley.

Funeral arrangements are being made at the Ray J. Casterline Funeral Home, Northville.

Persons wishing to attend funeral services may call the Casterline Funeral Home for date and time of the funeral.

Services Held For Mervin Wilkie

Mervin Daniel Wilkie of 46645 Ford road, Canton township, passed away July 18 at St. Joseph Mercy hospital, Ann Arbor. He was 31 years of age and has resided in Canton township for the past 27 years.

Mr. Wilkie was a moving contractor and also worked with his father, Roy Wilkie on his farm up until his father's death in 1950. Since that time he has managed the farm for himself.

Surviving Mr. Wilkie are his wife, Dorothy; six children, Betty, Barbara, Mervin, Daryl, Ronald and Richard; his mother, Mrs. Elvira Wilkie; two brothers, Donald of Plymouth and Ralph of Canada; four sisters, Mrs. Coralie Brimer of Wayne, Mrs. Marjorie Barr of Garden City, Mrs. Lois Weathers and Mrs. Joan Rathbun, both of Plymouth; also surviving are his grandfather and grandmother, Mr. and Mrs. John Wilkie of Dearborn, other relatives and many friends. He was preceded in death by his father, Roy Wilkie on March 24, 1950.

Funeral services were held Monday, July 21 at the Schrader Funeral home at 2 p.m. with the Reverend George Nevin officiating. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were Henry Mizgalski, Jack Boltrick, John Thrope, Thomas Freeman, William De Karske and Russell Wilson. Interment was in Riverside cemetery.

Laundromat Has New Front

A face lifting job has been completed on the Forest avenue Laundromat. The front has been changed from cement block to a porcelainized metal in white and brown.

"This new front has been on for over a week now, and we like it very much," remarked Stanley Krieg who with his brother Glen owns the laundromat.

The brothers have placed a flower box of cacti and snake plants in one window. "We tried flowers, but the heat wilted them," they said.

The front was installed by Michigan Architectural Porcelain company.

HERO RETURNS... Retired New York cop Marty Sheehy discovers that the youngsters of his beat still look upon him as a hero when he visits Public School No. 122.

Group Discusses Draft Status

A panel to discuss the draft act and how it affects young men was held Wednesday night at the Ann Arbor high school. The meeting was sponsored by Company K, 125 Infantry, Michigan National Guard.

Members of the panel were Mr. Tunnicliff of Ypsilanti, Harold Door, director of the University of Michigan summer session, Captain W. E. Bush of the Michigan National guard and a member of the Officer reserve corps in Ann Arbor.

Any Plymouth resident who was unable to attend the meeting may obtain further information by calling the Ann Arbor Armory, Ann Arbor 2-0566.

2 From Plymouth Attend New York Meeting of Elks

An Elks National convention July 13 to 17, in New York City, saw two members from Plymouth Lodge 1780 attending installation ceremonies of "grand" officers.

Attending the Waldorf Astoria ballroom meeting were James A. Keyes, 1480 W. Ann Arbor terrace, H. Phillip Barney, 934 Hart-sough, and their wives Ethel and Ruth, respectively.

During the annual meeting Deputy Grand Exalted Ruler Sam Starr, Utah, was installed as head of the Elks in the United States.

Keyes, a local contractor, is the present exalted ruler of Plymouth's Elks Lodge 1780. Barney is past exalted ruler of this same lodge.

Plymouth's Elks association has been active on the local scene sponsoring, in the past, decathlon sporting events for youth.

Recently the local organization moved into a new program awarding college scholarship funds to outstanding high school graduates.

This "first time" award was won by Gladys Witt, 18, 1095 South Main street.

Miss Witt placed fourth in a State Elks scholarship race, winning \$100. In addition, she received a \$100 scholarship contribution from the local Lodge.

Miss Witt's current plans call for attending Michigan State college, starting in the fall.

She won a probational four-year scholarship after taking top honors in the State college entry exam. Miss Witt says the scholarship award will become permanent pending college "scholastic grades."

HOSPITAL GRADUATION... Robert Polunas, 13, received elementary grade diploma in Brooklyn hospital, where he as a victim of rheumatic fever. Here, he is congratulated by nurses. He completed courses in hospital.

CATCH HOLDS GATE TO DESIRED OPENING... Length of iron rod, bent to shape pictured and inserted into hole bored in gate, provides a holder that can be dropped down to keep gate opened at desired place.

### Richwine Calls For Diplomatic Training Corps

A 17th District Congressional candidate attacked the Administration last Friday accusing it of appointing peace negotiators because of "who they are instead of what they know."

Speaking before a Livonia taxpayers' meeting, Perry W. Richwine, Republican nominee for Congress, declared that "it is necessary that we (the nation) take time to train our citizens for diplomatic service."

"We have a West Point to train army officers. An Annapolis to train our officers for the navy." It is time, he asserted, that the nation establish a school where diplomats can be trained.

Richwine, a Plymouth attorney and former mayor of Plymouth, suggested a diplomatic college set up on a "competitive" basis.

"Entrance to this college should be gained only by competitive examinations conducted in all the Congressional districts in our country," he suggested to the group.

He went on to round out a training course highlighting specialties in history, economics, language and background political understanding of the nation in which the diplomat serves.

The English government has had a diplomatic training corps, established in the latter 1800's.

Over 60 students, ranging from 13 to 14 years of age, showing exceptional ability are appointed to this diplomatic academy each year. They specialize in social sciences and humanities studies.

Richwine was one of seven Republican nominees for Congress attending the political rally at the Livonia municipal court building, Seven Mile road. Also in attendance were two Democratic nominees for 17th Congressional district seats.

### Their Hornets Swept Detroit 250-Mile Championship Race

The Hudson Hornets of Drivers Tim Flock, Buddy Shuman and Herb Thomas (L. to R.) were first, second and third, respectively, in the annual Detroit 250-mile NASCAR stock-car championship race June 29. The winning trio is being congratulated by N. K. VanDerzee, Hudson vice-president in charge of sales (right). Flock, Shuman and Thomas attributed their record to Hudson's exclusive "step-down" design, which brings "road-hugging safety, sparking performance on the straightaway and sure, easy control on turns." Hudson cars have won 25 out of 28 times in stock-car competition this year.

### YOUR brain budget

1. The average person's body loses about how much fluid per day: (a) one quart, (b) two quarts, (c) three quarts?
2. Word "timbre" should suggest which object: (a) motor, (b) musical instrument, (c) farm tool, (d) clock?
3. Which is not appropriate in this grouping: (a) cockpit, (b) sick bay, (c) brig, (d) galley?
4. Which is not associated with an oven: (a) broiling, (b) baking, (c) frying, (d) roasting?
5. Which term is most suggestive of fishing: (a) tease, (b) coax, (c) lure, (d) cajole?

ANSWERS  
1. (c) Three quarts.  
2. (b) Musical instrument.  
3. (c) Brig.  
4. (c) Frying.  
5. (a) Tease.

Deadline on Want Ads — 5:00 p.m. Tuesday

### Archery Meet Nets Winners Nine Trophies

An archery championship match, July 20, sponsored by Western Wayne County Conservation Association, netted nine trophies, 13 medals and honorable mention for 24 other archers.

Trophy award winners with top marksmanship scores are: Frank Sancho, expert bowman A; Fernie Olson, expert bowman B, in the free style shoot.

In the instinctive shoot, men trophy award winners are: Ernest Kirin, expert bowman A; James Ross, expert bowman B; Les Bookout, bowman; Dale Turner, archer; The woman trophy winner in the instinctive class is Gert Turk who received an archer rating after shooting a top score of 236.

Medal winners in all classes are: Robert Trower, Dan Cresan, Clifford Krohn, James Marshall; John Bialke, Merville Luker, James Osborne, Richard Delvo, Herman Levi, James Turk, Joan Kirin, Jessie Krohn, Carol Pacione. Receiving honorable mention are 24 other archers.

Bob Wideman, Jim Pettibone, Tony Giachina, W. Kirchner, Ray Pacione, Don Mrowka, R. Von Walhausen, Don Dwyer, E. Moffett, Jr., Bob Masterson.

Others listed are: Bill Kelley, Bob Pine, Bill Keefer, Ray Bialke, Kenneth Welch, Ken Butterfield, Don Deary, Chuck Cummings, Louis Dionne, Paul Seyler, Reid Favor, Don Cadillac and Sarah Deary.

Ten of the archers brought in incomplete shooting scores. They are: Carol Wilkerson, Tom Brown, Raymond Galefsky, Roy Lasky, Orville J. Law, Robert Nippa, Frederick Read, Donald Sutcliffe, Robert Witte, Fred Woodbeck.

Scandal is a 50-50 proposition—50 per cent of the people take pleasure in inventing it and the other 50 per cent in believing it.

### DALE CARNEGIE

The Help of a Wife

TOP SERGEANT Sam A. Chambers, Oklahoma City, Okla., says that he discovered what is the most important thing in life to a man. He doesn't worry about the little troubles that come into his daily life; he just does the best he can with them, holding to a deep abiding faith in God and believing in his own ability to look out for himself and his family.

Not that he thinks himself perfect; not that he doesn't often fall far short of his aims; not that he doesn't fail woefully at times. But he tries to practice the rules of Christian living as laid down by what he terms "the world's only perfectionist," Jesus Christ. He pays his debts, tries to keep on good terms with his neighbors, and to give the best in him to his job. And by the law of average, he usually "gets his" and he refuses to worry.

Now, what do you think is the one outstanding contribution to his lack of worry? It is cheerful, helpful Mrs. Sam Chambers. When Sam is faced with a problem, he doesn't have to fight it topped with a wife's antagonism and derision. His wife believes in him, knows he will win, or if by some chance he doesn't, she knows he will do even better next time, and usually he does. Two of them to face his problems, not one fighter plus a bitter discouraging opponent.

So, says Sam, he has learned that the most important thing in the world to a man is his family, and their attitude toward him. If his wife and two little girls continue to think well of him, he will always be inspired to do his best. If they think he is a pretty fine fellow, it may keep him on his toes, but he's going to aim mighty hard at being what they think he is.

### EASY DOES IT

AN ORDINARY paint brush will do an excellent job of dusting on furniture if it has especially intricate carving and decoration on it. Keep the brush just for this purpose, and tuck it into the cleaning basket so it's handy.

To prevent glass from coming off, wash with milk and a little Borax soap. Every once in a while, it's a good idea to dissolve a lump of salt in the kitchen sink. It keeps it sanitary.

Go over your radiators every once in a while with an oiled cloth.

### RECIPE OF THE WEEK

Summer Party Pudding (Serves 6-8)

- 1 1/2 cups apricot whole fruit nectar
- 1/2 cup granulated sugar
- 1 tablespoon lemon juice
- Few grains salt
- 1 envelope plain gelatin
- 2 tablespoons cold water
- 1 3-ounce package cream cheese
- 1/2 cup cubed, canned pineapple
- 1 cup sliced banana
- 1 cup cream, whipped

Combine 1 1/2 cups nectar, sugar, lemon juice and salt; heat just below boiling. Soften gelatin in cold water and dissolve in hot nectar. Chill to consistency of unbeaten egg whites. Soften cheese in remaining 1/2 cups nectar. Blend with thickened nectar-gelatin mixture, adding banana and pineapple. Fold in whipped cream. Chill until firm.

This will prevent them from rusting.

If you have a bad scratch on a piece of furniture, rub a pecan nut into this, then go over the spot with furniture polish. Polish well, and you'll hardly be able to see the scratch.

Turn your rugs around a couple of times every year and you'll distribute wear evenly, and thus avoid worn spots showing.

Knives or other cutlery with wood handles should not be allowed to soak in dish water or rinsing water. This loosens them and also causes them to crack. Hang in a rack and you'll prevent nicked blades and bent points.

★ Social items can be phoned to 1600.

WHAT I THINK AND HAVE A RIGHT TO SAY

(Continued from page 1)

one little details that face a Congressman from such a thickly populated district as this. Mr. Dondero has not only been a hard worker, but he has used good judgment in what he has tried to do. Only once in all of those years have we ever disagreed with him, and we were frank to tell him so at the time. But one slight difference in all of these years is nothing as compared to the good judgment, honesty and determination he has constantly displayed. We regret greatly to lose Congressman Dondero's services. The people of Oakland county, however, are fortunate in having him as a candidate for another term. He should be overwhelmingly re-nominated and elected.

City Vacates Stub End of Church Street

German Youths Leave for Home

(Continued from Page 1)

interesting one for them but certainly the residents of Plymouth gained much of interest in their contacts with them. Each agreed he had an entirely different outlook on America and each said he had loved every minute of his stay in America. Of the things they enjoyed the most was the boundless supply of fruits, pop and ice cream which were scarce in Germany and when available much too expensive for the average pocketbook. Girls were particularly impressed with lipstick and cosmetics and the casual clothing worn here throughout the year. Suitcases were packed with nylon garments, silk stockings, shirts and every other conceivable kind of clothing for their own use at home and for their families and friends.

In most cases the young people arrived with scarcely a suitcase full of clothing and in all cases box after box has recently been sent home filled to overflowing with luxury items purchased in this country.

In addition to the boxes already sent more than one of the students purchased extra suitcases to carry the new clothing and souvenirs of their visit here. Their aggressiveness has been a revelation to most of their foster parents and in addition to living in the homes they have had spare jobs to earn spending money, most have visited Washington, D. C., and seen much more of the State than have many Plymouth children.

A farewell dinner party was held Wednesday night in Dearborn where all of the parents and students assembled for final farewells prior to their boarding busses bound for Niagara Falls and their boat which will be ready to sail on Friday.

THE BAFFLES By Mahoney

Great Poverty Seen in Mexico

"It was a wonderful trip, but it certainly was good to get back onto American soil," stated George Witkowski who recently returned from a trip to Mexico. Mr. Witkowski, immediate past president of Lions, and his wife went to Mexico City to attend the International convention of the Lions club. They remained after the convention to do a little sight-seeing on their own. The Witkowskis drove to Mexico City, left their car there and traveled by taxi, plane and in the cars of guides during their stay in the country. "We were almost afraid to drive, it was nerve wracking enough riding with someone else," he said.

He described Mexican drivers as ignoring all policemen and elaborated on the lack of driving regulations in the country. "You ride with a taxi driver or a guide going 60 and weaving in and out of traffic. This would not be so bad," he continued, "except that everyone is driving 60 and weaving in and out of traffic." "It is unfair to judge Mexico by the border cities even as far into the country as Monterrey, vice is legalized and the cities have a tendency to be dirty," he emphasized. "As you progress into the country and toward Mexico City the cities become cleaner. Everywhere there is intense poverty."

Residents of the country and tourists who travel a great deal in the country explain that the only way to enjoy the beauty of country is to ignore the poverty. "We found this hard to do at first," he remarked, "but after a while it became a habit." "The churches, most of which date back many hundreds of years, are beautiful," he said. In one church were paintings approximately 15 feet high by 10 feet wide depicting the life of the Mother of Christ. The frames of these pictures were of carved wood covered with gold. It has been estimated that the pictures, which are perfectly preserved, were painted in the middle of the seventeenth century.

"We took a side trip to witness a bull fight, and were surprised to learn that after the bull had been killed and the fights were over, the meat is given to the poor," Mr. Witkowski said. "An average of 10,800 pounds of meat is distributed following every evening of fighting."

A visit to the floating gardens of Xochimilco proved very interesting to Mr. and Mrs. Witkowski. He described the over 1200 boats which were decorated with orchids, carnations, and other flowers every Sunday, Mexican market day. Some of the boats have names of sweethearts, wives or children written on the sides with flowers. Besides these boats there are the boats of the vendors and those containing native bands which play as they paddle up and down the canals.

"We plan to return to Mexico some day. We made many friends in Mexico City whom we would like to see again," he concluded.

Upholstered Chair Destroyed by Fire

Sparks from a burning cigarette ignited an upholstered chair at 356 North Harvey, causing minor damage. Plymouth firefighters responded to the 9:40 p.m. blaze reported to be covered by insurance. The house is owned by George J. McGill.

What a person doesn't know does not hurt him, but it gives his friends something to talk about.

A dream is often a nightmare if you catch her minus her make-up.

Local Man Named Legion Vice-Commander

William Langmaid of Plymouth has been named the senior vice-commander of the re-organized 17th district of the American Legion.

The Legion is organized on the boundaries of Congressional districts and Mr. Langmaid belongs to a post in the 17th district.

\$189,000 Tax Rate Hike Gives School Million Dollar Budget

(Continued from Page 1)

quire additional land sites. What actually happened after the voter approved increase was that operational and bond retirement accounts were opened to receive the \$5.10 additional revenue.

Broken down, the bond retirement fund gets two dollars more to raise that account to eight dollars for every thousand dollars of assessed property evaluation.

This is followed with the operational account. It has hiked \$3.10 to bring operational costs to \$10 for every thousand dollars assessed evaluation against school district property owners.

The two latest figures add up to \$18. Tax experts call this an 18 mill levy (they expect the layman to understand its meaning) and suggest to the taxpayer he open his pocketbook and pay according to the figure shown in the assessment roll.

The "roll" is a three feet long book that shows what individual pieces of property are worth. Shooting for understanding, now—if a piece of property within the school district's boundary was assessed by the city engineer at \$3,000, it means the school taxpayer, using the \$18 figure, will pay into school coffers \$54 as his share of the school tax bite. This figure is estimated by school officials to be the "average cost" for the City homeowner, already harrided with an average \$65 out-go for city and county taxes.

These figures, which are some four dollars higher than Detroit's, are divided in a four-way split. City township industries are footing 50 per cent of the school tax dollar. Residents from three townships and Plymouth citizens pay another 34 per cent, with local and township businesses riding the school tax rails with the farmers for 10 and six per cent contributions.

These four school taxpaying segments, bound to the 18 mill star ("mill" is a Latin term meaning one-thousandth of a dollar), will, this fiscal year, pay out nearly \$668,000.

Of this amount, Plymouthites will contribute about \$236,000. Plymouth township, whose property evaluation exceeds \$22,000,000, will hand over about one third again as much as the City—nearly \$396,000. Northville and Canton townships, whose students come to Plymouth, round out the \$668,000 figure with about a \$36,000 tax burden share.

The taxpayer, however, still is not finished, theoretically at least, paying for those gems of wisdom nearly 100 instructions will expound to some 2,400 Plymouth area school children starting in September.

This "extra" comes in the form of a state sales tax rebate that will fatten school pocketbooks by nearly \$345,000—and at three cents on the dollar.

Of special interest to taxpayers is one of cost that is not listed by school accountants. It is unofficially estimated that the 10 million words of wisdom to be spoken by each instructor for his take-home pay throughout the 1952-1953 school year, will cost taxpayers approximately one cent for every 20 words uttered.

In Sunnydale, Calif., an undertaker, suing for divorce, complained that his wife made him sleep in his hearse.

Plymouthites to See "Quo Vadis" for One Week

(Continued from Page 1)

at 4:30 and 7:30 p.m. respectively. The box office will be open 45 minutes before the first scheduled performance.

Owner Lush says he expects sellout crowds for every week night performance and urges all who wish to see the motion picture to come early.

He suggests that Saturday and Sunday matinees may be less crowded.

Quo Vadis is a historical photoplay taking place during Nero's reign. It features Marcus Vinicius (Robert Taylor) as commander of the victorious Roman legions, returning to Rome after his conquests in Britain to be honored by the Emperor.

He meets and falls in love with Lygia, a Christian hostage and daughter of a defeated King, who spurns him because of his pagan ways.

Lygia eventually falls in love with Marcus and consents to become his wife. But Marcus leaves her in a fit of anger because she refuses to give up her Christian faith.

He later rushes to her rescue, however, when Nero set fire to Rome, and is seized with her and other Christians when Nero casts the blame for the deadly fire on the Christians.

TORCH BEARER . . . This is one of the Greek relay runners who will bear the Olympic fire from Greece to Helsinki, site of the 1952 Olympic games. The fire burns at the Olympic altar in Greece during the games, having been kindled from the sun.

Merchants Note Business Boom

(Continued from Page 1)

tomers," he stated. "Business was very good during the entire weekend," according to Robert Willoughby of Willoughby brothers.

Fashion shoe store also reports good results during its sale. All three of the shoe stores are continuing their sales.

Plymouth Men's wear and Cap-itol Shirt shops managers are pleased with the results of their sales.

The women's stores, Dunning's, Minervas and Graham's had good results with their mid season clearances. These stores had little sale merchandise left because summer merchandise has sold well this year.

Other business men in town report business anywhere from "satisfactory" to far above normal for this time of the year.

### Church Groups Raise \$1,000,000

Congregations of the Church of God in this area shared in a successful nation-wide effort by the church to raise \$1,000,000 for World Service, according to the local pastor of the Riverside Park Church of God, Reverend Hal A. Hooker.

The 64th annual Camp-meeting which meets in Anderson, Indiana was the launching of a new goal of \$2,000,000 campaign for a special mid-century building fund. The Church of God movement has 2,000 congregations.

The Riverside Park Church has just completed the largest and most successful Vacation Bible School in its history. A large tent has been erected adjacent to the present building to help take care of the growing Sunday School until the new building is completed. Reverend Hooker has found it necessary to rent larger auditoriums for services of special nature.

Rev. Hooker returned recently from Middleton, Ohio where he served as Evangelist for a city-wide tent revival.

**FIRST CHURCH OF CHRIST SCIENTIST**, Sunday Morning Services, 10:30 a.m. Sunday Evening Services, 7:30 p.m., every fourth Sunday of the month. Sunday School 10:30 a.m., for pupils up to twenty years of age. Christ Jesus taught that freedom comes from understanding truth. This is emphasized in the Lesson-Sermon entitled "Truth" to be read in all Christian Science churches on Sunday, July 27. The Golden Text is from I John (5:6): "It is the Spirit that beareth witness, because the Spirit is truth." Among the Bible citations is this passage, (John 1:17): "For the law was given by Moses, but grace and truth came by Jesus Christ." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Divine Truth must be known by its effects on the body as well as on the mind, before the Science of being can be demonstrated."

**WEST SALEM COUNTRY CHURCH**, 7150 Angle Rd., Salem Township, Patrick J. Clifford, Pastor. Bible school 2 p.m. Mr. Richards, Superintendent. Preaching Service, 3:00 p.m. You are invited to attend the old-fashioned country church where friendly people worship.

Phone news items to 1600

### Visiting Speakers to Conduct Services

For the next five Sundays visiting speakers will conduct the services at the Rosedale Gardens Presbyterian church, Hubbard and West Chicago.

Dick Wylie, local boy and candidate for the ministry from the Rosedale church will preach Sunday, July 27, at 11 o'clock. Dick will be a senior next year at Alma college and then he will go to Seminary for his theological training. Two years ago he was Moderator of the Youth of Synod of the Presbyterian church in Michigan.

On Sunday, August 3, Dr. Rupert Cortright, head of the Speech Department of Wayne University and teacher of a large Adult Bible Class at Metropolitan Methodist church, Detroit, will speak. Dr. Cortright, a well known Christian layman, is in constant demand as a speaker on the lecture platform and in churches. He is co-author of the text book "The New Training for Effective Speech" used extensively in colleges and universities.

Rev. Harold M. Bailey minister of the Parker Street United church, Sarnia, Ontario, will preach at the service August 10. Mr. Bailey is a young man, a graduate of Emmanuel college, Toronto.

August 17, Rev. Donald M. Zimmerman, National Missions Secretary of Detroit Presbytery, formerly minister of the First Presbyterian church, Dearborn, will preach. Mr. and Mrs. Zimmerman were missionaries in the Orient and were prisoners of the Japanese at the famous internment camp in Manila for the duration of the War. They were liberated by General MacArthur's forces when MacArthur conquered Manila.

William N. Ponder, local attorney, and Kenneth Peterson, psychiatric social worker at Wayne County General Hospital, will speak at the service August 24. The men of the Men's Brotherhood will conduct the service. Parents may leave their children at Church school which meets at 11 o'clock during the summer. All departments from two-year-old Nursery through Junior (6th grade). Senior High and Adult Bible Classes meet as usual at 9:30 a.m.

The pastor, Rev. Woodrow Wooley and his wife will be taking post-graduate work in the Union Theological Seminary division of the summer session of Columbia University.

**SEVENTH DAY ADVENTIST CHURCH**, 1058 S. Main St. Phone 670-R. Services every Saturday. Sabbath School, 9:30 a.m. Missionary Service, 10:45 a.m. Church Service, 11:00 a.m. We cordially invite you to all the services.

**OUR LADY OF GOOD COUNSEL CHURCH**, Wm. P. Mooney, pastor. Masses 6-8-10-12. Confessions Saturdays 3:30 to 5. 7 to 9.

**Lamont C. BeGole**  
City Clerk  
City of Plymouth

### Designing Center Springs Up at Colony Farms.....

Striking fashionable gowns that make milady lovely to look at are just one product of a unique clothes designing center that has sprung up at Plymouth Colony Farms.

Once a swampy land developed into a conservation farm nearly 20 years ago, the site today is a prosperous farm.

Using hand woven wool home produced, weaving experts are now producing fabrics for clothes that may soon be available in

Plymouth stores. The Farm is located on west Ann Arbor road, just outside the city limits.

First, established by Dr. Ralph Pino, a Detroit eye surgeon, the Farm is already noted for its upholstery and drapery materials.

Most of the material for gowns will wholesale at \$10 to \$15 a yard. Gowns made of the fabrics will be sold to stores at prices ranging from \$60 to \$125.

Fabrics have been designed by

Shop Director Karl Laurell and Dolores DeMaria and the clothes designed by Laurell's wife, Rig-mor.

The combined designers-weavers Laurell and DeMaria have attempted to utilize the natural colors of the wool, ranging from pure white to black. In some cases, Laurell said, dyes may be used to achieve the desired effect.

One of the gowns designed for fashionable, chic purchasers is a white wool and silk theater dress accented with silver metallic household discards drop off thread. The metallic design is made of a non-tarnishable material called Melton. Featuring a shawl collar and push-up sleeves, the gown will retail for \$105.

Followed by something new and chic in mixtures is a metallic brown and chenille evening skirt with patterns in the material that are not duplicated. A flowing, delicate fabric, the skirt can be worn as an ensemble with varying tops.

Another unusual product that comes from the weaving shops is a 50 per cent afghan wool and 50 per cent karakul, the wool for which comes from karakuls raised on the farm.

Only natural color wool was used in the suit, designed with a horizontal stripe of dark tan and near black. A short jacket and an extra long cummerbund waist are also featured in the suit, retailing at \$95.

### Goodwill Seeks Contributions

In order to maintain the record breaking level of employment of physically handicapped men, and women achieved in the past few months, Goodwill Industries of Detroit is seeking increased contributions of household discards says Mrs. Albert Pint of Plymouth. Collections of home discards last spring were the greatest in the entire History of the Goodwill Industries organization. As a result, it was possible to increase the number of handicapped persons on the Goodwill payroll.

With the slackening of house-cleaning activities during the summer months, collections of household discards drop off. Eventually this will mean a reduction in Goodwill's work force. To prevent lay-offs of handicapped workers, Goodwill Industries asks that housewives in this area make an effort to send in discards now. Items particularly needed are clothing of all types, shoes, hats, toys, furniture, small appliances and other household articles.

Arrangements for a Goodwill Industries pick-up truck may be made by calling TRINITY 3-3600 or addressing a card to 6522 Brush, Detroit 2. In Plymouth a call to 305-R, Mrs. Albert Pint of 42445 Schoolcraft, will bring a Goodwill Industries' truck to your door.

### High Rating For Druggist . . . .

The annual report this week of the Rexall Drug Company of Los Angeles brought a smile of pride to the face of Robert Beyer, owner of two Rexall drug stores in Plymouth.

Carrying the standings in volume of business with Rexall of nearly 400 stores throughout Michigan, the report showed Beyer Drugs to be number six.

"I'm especially happy about our high position because we are competing against much larger stores in Detroit, Grand Rapids, Flint, etc.," said Beyer. Only a chain

of two stores in Detroit and Flint ranked higher than Beyer's, while no Grand Rapids store topped the local druggist.

Beyer Drugs has been associated with Rexall since 1912.

### Autos Collide on Slippery Roads

Two weekend collisions last Sunday played havoc with the front and rear of four automobiles, causing some property damage but no injuries.

Involved in one two-car crash was Casimir Burzynski, 27, 9724 Horton and Airman David Lamb, 18, 1194 Calvert, Detroit, member of the air force.

According to sheriff's deputies, Burzynski crashed into the rear of Lamb's car as he was making a left hand turn at Warren and Nightingale.

A second crash involving a Detroit and Northville man put two other cars on the damaged list.

Raymond Adeox, 52, 115 Linden, Northville and Robert Boudie, 24, 18500 St. Aubin, Detroit, met in a collision on U.S. 12 at Northern, in Plymouth Township.

The accident occurred when Boudie pulled to the left side of the road to pass the Adeox car, which abruptly made a left hand turn crashing into the rear of Boudie's car.

The Wayne county Sheriff's road patrol reported slippery pavements following a rain squall made highways slippery and treacherous.

They commented that the flurry of these and other collisions could have been prevented had motorists "exercised some precaution and restraint."

Nothing stops a wife's tears more quickly than a husband who pays no attention.

After you reach 30, you lose height at the rate of about 1/2 inch every 20 years, a recent anatomical study shows.

Social items can be phoned to 1600.

Local News

Mr. and Mrs. Frank Pierce of Northville road spent the weekend at their cabin near Oscoda.

Mr. and Mrs. Walter Packer and daughter, Pamela spent last weekend visiting Mr. and Mrs. Don Themm and family at Romeo and Mr. and Mrs. Ralph Oberle in Marlette.

Mr. and Mrs. Walter Klein-schmidt have returned to their home on Northville road after visiting their son, Mike and family in Encinitas, California.

Mr. and Mrs. Carl Petersen and family have returned home after a trip through the Smokey Mountains and the southern states.

Roger Box, son of Mr. and Mrs. Clarence Box of Houghton, Michigan and former Plymouth residents was recently appointed to Annapolis and has already reported there.

Private Noel T. Showers spent a ten day furlough with his parents, Mr. and Mrs. Noel Showers. On Saturday Noel with his parents and his brother, Dick left for Ft. Devens, Massachusetts where he is stationed. Before returning to Plymouth Mr. and Mrs. Showers and Dick will visit Boston, and New York City and other points of interest.

Mr. and Mrs. Edward Long and daughter Shirley of Five Mile road, Livonia held a potluck picnic last Sunday on the lawn of their home. Guests included Mr. and Mrs. George Curtis of Plymouth; Mr. and Mrs. Clifford Cranson, Mr. and Mrs. Edward Long, Jr. and daughter Patsey, Mr. and Mrs. James Walden and son, Jimmie, Miss Dorothy Stueckle and Paul Stueckle of Northville; and Mr. and Mrs. Robert Long of Livonia. The afternoon was spent visiting and playing games.

The women of Our Lady of Good Counsel church will hold a lawn social on the grounds on Wednesday, July 30 from 8 to 9 p.m. There will be plenty of ice cream and home made cakes.

Miss Lucy Clair, an August bride-elect was honored at a dinner on Monday, July 21 by her sister, Mrs. Harold J. Moran in her home in Detroit. Guests included her great aunt, Mrs. Charles Doss of New York; her grandmother, Mrs. Carter; Mrs. Clayton Clare, Miss Janet Curly of Detroit; Mrs. Ralph Wilson of Northville and Mrs. Cora Gaplin.

Mrs. Alice Sherman, Louis Sherman and his daughter, Diane and George Merchant were guests Sunday at an all cousin picnic held at the home of Mrs. Sherman's sister Mrs. Madeline Whitman on Fenkel road. Forty-one guests attended.

City to Purchase Police Cars-Truck

Two police cars and a three-quarter ton truck will be purchased by the city in the near future. Authorization for their purchase was given by the city commission at its regular meeting Monday evening.

The low bids in each case were accepted. Forest Motors bid \$1250 on the truck, including trade in; Paul J. Wiedman bid \$879.73 including trade in for the Ford police car; and Cy Owens bid \$747 for the Dodge police car, including trade-in.

Citizens Request Sidewalk Delay

The City Commission deferred until August 4 decision on the requests of residents of Spring street, Davis street, Roe street, Sheridan avenue and Amelia street that the installation of sidewalk be delayed.

The commissioners heard representatives from these areas at their regular meeting Monday evening in the commission chambers. The Spring street residents wish to delay construction until spring of 1953.

Davis street, property owners requested the commission to delay the installation of sidewalk until there are more houses on the street. Property owners now living on Roe street mentioned the lowness of the 50 feet of sidewalk now installed and the small amount of pedestrian traffic. They asked that no sidewalk be installed at all.

Also requesting that no sidewalk be installed are the property owners on Amelia street.

Dr. and Mrs. Carl January of Sheridan avenue were present to request the commission to permanently defer the sidewalk on their property because of trees and shrubs planted thereon.

The commissioners will, before the next regular meeting, investigate the sites and decide whether or not to defer the installation of sidewalk.

**Legal Notices**

**NOTICE OF FORECLOSURE SALE**  
 Default having been made in the performance of the conditions of a mortgage made by NICHOLAS G. KARAGAS and MELANTHE E. KARAGAS, his wife, also known as MELANTHE KARAGAS, to PLYMOUTH UNITED SAVINGS BANK, a Michigan banking corporation, of Plymouth, Michigan, dated October 4, 1950 recorded October 13, 1950, recorded page 684, Wayne County, Michigan, Records, on which mortgage there is claimed to be due at the date of this notice the sum of Three Thousand One Hundred Fourteen and 66/100ths Dollars (\$3,114.66), and the attorney's fee provided by law.

Notice is hereby given, that by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, on Friday, October 3, 1952, at 10 o'clock noon, Eastern Standard Time, the undersigned will, at the southerly or Congress Street entrance to the County Building, Detroit, Michigan, that being the place where the Circuit Court for the County of Wayne is held, cause to be sold at public auction to the highest bidder the premises covered by said mortgage and hereinafter described, or so much thereof as may be necessary to pay the amount so as aforesaid due on and secured by said mortgage and any additional amount due thereon and secured thereby at the time of said sale, including interest at the rate of seven per cent (7%) per annum and all lawful costs.

The premises to be sold are described as follows: Land in the City of Livonia, County of Wayne and State of Michigan, described as part of the west 1/4 of the east 1/2 of the southwest 1/4 of Section 25, Livonia Township, Wayne County, Michigan, more particularly described as beginning at a point, said point being south 87° 13' east 1327.93 feet along the south line of said section 25, also being along the center line of Plymouth Road, so called, and north 2° 47' east 1042 feet from the southwest corner of said Section 25; thence north 2° 47' east 40 feet to a point; thence south 87° 13' east 220 feet to a line parallel to the south line of said section 25 to a point; thence south 2° west 40 feet to a point; thence north 87° west 220 feet along a line parallel to the south line of said Section 25 to the point of beginning, being Parcel 219 of survey made by J. E. Bressler, Registered Civil Engineer, November 4, 1938, the east 80 feet to be reserved for street purposes.

**Says Wheat Will Be Higher Later**

Wheat marketed during the 6-year period 1946-51 brought an average of 35 cents per bushel less at or near harvest time in August than when sold 5 to 10 months later, according to Fred C. Ernest, Chairman of the Wayne County Production and Marketing Administration Committee.

This means that growers in position to store their grain to avoid dumping their crop on the market at harvest time have a good chance to come out ahead. It is to help farmers avoid the low prices that result from the harvest season dumping that Commodity Credit Corporation Farm storage loans are available. This program has three main features: 1) provides loans to producers on their stored grain, 2) permits the producer to market his grain on which he has a loan if the market price goes higher than the loan value, 3) permits the producer to deliver his stored grain to the Commodity Credit Corporation in repayment of the loan if the market price is less than the loan value at time of maturity.

Purchase agreements, designed for growers who do not need loans, permit the producer to earmark any specified amount of stored wheat for sale to CCC at the support price. Under the agreement, the producer is free to market his grain as he desires so that he can take advantage of any increase in market price during the period of the agreement. The wheat is not mortgaged in a purchase agreement.

**VIRTUE AND REWARD** went hand in hand for James Mackintosh, 13, 45930 Maben road, pictured second from left. His benefactor, William Rose, extreme left, rewarded the youth with a North Woods vacation because "he was very polite and showed good character." Shown at extreme right is Richard Rose who chaperoned Mackintosh on the fishing, hiking, boating trip that took them to Raber, Michigan. Third from left is Joe Sweet, an employee of Rose's Plymouth Hardware.

**Rewards Youth With Vacation For Being Polite**

Virtue and reward went hand in hand for James Mackintosh, 13, 45930 Maben road, who spent a summer weekend vacation in the Upper Peninsula because, in the words of his benefactor, "he was very polite and showed good character."

Mackintosh's benefactor was Bill Rose, owner of the Plymouth Hardware, 515 Forest avenue, who has started something unique in juvenile and teen-age circles. "From now on," said Mr. Rose, "I'm going to give a boy, every few weeks and send him on a vacation bound trip to the 'Northlands.'"

The youths that are picked, he declared, will have to be good boys who are polite, neat and show good character.

Mr. Rose, who has been active in juvenile and child welfare circles, believes that if more persons reward their youth "just for being good" that Plymouth would have a better group of youngsters, well adjusted to their environment.

When Mackintosh returned to Plymouth, he observed that he "could turn right around again and go back."

"I don't know why I was lucky enough to be asked by Mr. Rose to go, but I'm sure glad I was," he commented.

Mackintosh's parents, Mr. and Mrs. James Mackintosh, who stated they were just as surprised about the trip, said their son had been kept busy with 4-H activities.

**Flynn Company to Patch Streets**

A contract addition to the Flynn Contracting company's contract was authorized at the regular city commission meeting held Monday evening in the commission chambers.

The addition to the contract permits the company to patch the streets prior to seal coating. The Department of Public Works was going to do his job but is about 10 days behind in its schedule. The Flynn company will patch the streets for the additional amount of \$2,800 which will be drawn from the street fund.

A man in Atlanta, Ga., was fined \$13 for stealing a comic book called "Crime Does Not Pay."

**LOS ANGELES, Calif.** — The Rexall Drug Co. announces its annual report of the status for 1951 of all its nearly 400 stores in Michigan. This rating is based on volume of business with REXALL. Beyer Drugs of Plymouth stand No. 6 in Michigan!

The first trial of this unique experiment proved an outstanding success, he says.

Mackintosh, escorted by Mr. Rose's son, spent his long to be remembered weekend, nearly two weeks ago, at Raber.

In a written capsule report citing his experiences, he related that every minute of his trip was filled with new sights, stating that he was especially impressed with deer that bounded across the highway as he went northward.

At Raber, fishing, hiking and a trip to Lime Island occupied much of his time.

### Draws 90 Day Jail Term on Check Charge

A Monday morning arraignment in Municipal court judge chambers sent a Plymouth man to the Detroit House of Correction for 90 days.

Originally held on an "uttering and publishing" charge, Elmer Eason, 32, 8875 Elmhurst, pleaded guilty to a reduced misdemeanor charge.

Police officials report that Eason signed over 12 checks on an "insufficient bank account."

The checks, made out to several Plymouth businessmen, were not redeemed though Sheriff's officers and local police issued warnings to Eason to make the checks good.

### Violators of Dog Ordinance to be Fined

The city commission has instructed the Municipal Court to enforce the fines levied against those persons ticketed for owning unlicensed or un-vaccinated dogs.

Until this time, the dog violation tickets have been dismissed by the court. It is the feeling of the commission that the ordinance is on the books and should be enforced.

### Merchants Rained Out of Playoffs

The Plymouth Merchants team in the Inter-County league was rained out of the playoffs, which begin next Sunday. The Merchants needed this win and tried desperately to play on two different diamonds Sunday, but the rain made it impossible.

Team officials took their plea to the Board meeting Monday night, but the league officials and managers denied them the right of competing as the by-laws definitely state that a team must complete all its games by a certain date—that date being Sunday.

If the Merchants had won this game, they would have made the playoffs, and they stood a good chance of beating the league-leading Wayne nine as only 9 men showed up for Wayne.

Northville was also declared out of the playoffs, and had to forfeit the game they won last Sunday, because they used two ineligible players from the Detroit league who were under contract there.

That leaves Wayne, Gamble Post, Grandale and Teamsters as the first four teams in the blue division, and River Rouge, Taylor township, Detroit Merchants and Bodker Dairy as the four top teams in the red division. These eight teams will compete in the playoffs.

All playoff games are set for 3:30, and this Sunday at Cass Benton park, Bodker plays Gamble Post and The Detroit Merchants play Wayne at Wayne. Bodker is the other team that uses Riverside park as its home diamond.

Final Standings

	W	L
Wayne	10	3
Gamble Post	9	4

### More Debates Are Scheduled

It was learned today that through the combined sponsorship of the Livonia Taxpayers' Association and Redford Township Post 271 of the American Legion, a series of debates between Homer Martin, Republican, of Plymouth, and Eugene Donohoe, Democrat, of Detroit, will be brought to the voters of the 17th District.

One of the scheduled debates is to be held at the American Legion Post Headquarters at 15585 Beech road, Tuesday night, July 29, at 8 p.m.

Two similar debates between the two candidates which have been held previously, one in Plymouth and another in Rosedale Gardens, have created wide interest among the voters of this district.

The American Legion committee composed of Lionel Mickens, Romaine C. Rise and Clem Cranley, in announcing their sponsorship of the debates, said:

"The committee feels that this type of old-fashioned political debate, in which the important issues of this campaign are discussed by candidates from both major political parties, is of the utmost importance in this election year. We urge our members and the voters of this district to participate in these debates."

The committee for the Livonia Taxpayers' Association, David L. Jones, Elbert Hartom and Veri Lahe, stated: "The Taxpayers' Association considers this series of debates to be a rare opportunity for the voters of the 17th Congressional District to hear their candidates express themselves on the issue of the day unhampered by partisan politics."

Social items can be phoned to 1600.

By Carl Peterson

Back in 1924 when early experiments were being made with television, the A. I. & T. engineers said, "The possibility of transmitting action pictures of ball games, riots, parades, etc. directly is almost negligible." But the events of 1952 are proving the prophets as wrong as a U-turn in a narrow tunnel. It's estimated that more than 50 million people have been watching the Chicago convention from the vantage point of their living rooms. The political peek-a-boo has sure put the pressure on the politicians. With the Big Eye on them the politicians are giving America back to the people.

CIRCUSES ARE ABANDONING STREET PARADES PRIOR TO THE ELECTION. TOO MANY DEMOCRATS HAVE BEEN BOOING THE ELEPHANTS.

A newspaper in Germany reports the finding of "one set of false teeth with a lighted cigar still clenched in them." It has all the toothmarks of a gripping drama.

We all heard the expression "It's the little things that count", and certainly most of us have found it to be true. The small remembrance often means more. That's why we're proud of our famous Fanny Farmer candies. So many of you folks have chosen them as that remembrance, and then have come back to tell us how much they were appreciated. Drop in again some time. And while you're here pick up another box at PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2080.

### Fred Tobey to Hold Open House

Mr. and Mrs. Fred Tobey will celebrate their golden wedding anniversary on Sunday, July 27. They will hold open house for their many friends and relatives at the home of their daughter and husband, Mr. and Mrs. Kenneth Stevens, 599 Virginia avenue from 2:30 p.m. on.

They would enjoy meeting all their old friends, neighbors and relatives at that time.

There are over 1,000,000,000 ties along U. S. railroad tracks. It takes 3,000 ties for each mile of track, each tie costing \$3 to make and \$2 to install. Their life has now been extended to 30 years.

### Marvel Hancock to Wed Cpl. Sambrone

Marvel Hancock

Mr. and Mrs. L. C. Judd of North Holbrook avenue announce the engagement of their niece, Marvel Hancock to Cpl. Vito A. Sambrone, son of Mr. and Mrs. Frank Sambrone. Vito is serving in the Medical Corps and stationed in Virginia. No definite date has been set for the wedding.

Phone news items to 1600

### Skinner-Johnstone Marriage Announced

Mr. and Mrs. John E. Johnstone of Lilley road announce the recent marriage of their daughter, Jane to Wallace W. Skinner of Pittsburg, Pennsylvania. Wallace is the son of Mr. and Mrs. Joseph Skinner also of Pennsylvania.

The ceremony was performed at Napoleon, Ohio Thursday, July 3. Jane chose a white organdy ballerina length dress with white accessories and a corsage of pink orchids.

After honeymooning in the Smokey Mountains the young couple will make their home with the bride's parents on Lilley road.

#### Ham and Egg Salad

Here's a suggestion for using ham you may have leftover. Make an egg and ham salad of it. You'll need a cup of diced cooked ham, 6 diced hard-cooked eggs, 6 sweet pickles, sliced, a cup of chopped celery, 10 stuffed and chopped olives, and French dressing. Combine all of the ingredients, and add enough French dressing to moisten them. Chill the salad thoroughly and serve on salad greens.

### Jeanette Wallace Bride of John Hopkins on Saturday

Mrs. John M. Hopkins

At an impressive candlelight ceremony last Saturday evening in the First Presbyterian church in Ypsilanti, Miss Jeanette A. Wallace repeated her nuptial vows to John M. Hopkins, son of Mr. and Mrs. N. W. Hopkins of Lakeland Court, Plymouth. Jeanette is the daughter of Mr. and Mrs. George Wallace of Linden Place, Ypsilanti.

The large baskets of white gladioli and the lighted tapers formed a soft background for the rites which were read at 7:30 o'clock by the Reverend Raymon Bair. Mrs. Fred Hopkins, Detroit sang "O Promise Me" and "The Lord's Prayer" accompanied by the organist, Miss Barbara Stoltz of Ypsilanti.

Jeanette approached the altar on the arm of her father, in a gown fashioned with white nylon net overskirts and nylon lace bodice over white satin. Her fingertip length veil fell from a matching lace cap and she carried a bouquet of white orchids and stephanotis.

Miss Arlene Ursin of Chicago, Illinois, a roommate and sorority sister of the bride, was her maid of honor. Bridesmaids were Miss Ann Cleary and Miss Nancy Barenow of Ypsilanti; Miss Beverly Stout of Belding and Mrs. Ralph Smith of Plymouth. Their gowns were all made identically alike and of white embroidered organdy over aqua. Each attendant carried a bouquet of white daisies.

Fred W. Hopkins assisted his twin brother as best man and seating the guests were James Hopkins, another brother of the

bridegroom; Gordon Wallace, brother of the bride; Tom Wilcox of Ypsilanti and Ralph Smith of Plymouth.

Mrs. Wallace, mother of the bride, chose a dress of sage green with orchid accessories and Mrs. Hopkins was in beige lace with brown accessories. Both mothers pinned orchid corsages to their shoulders.

Immediately following the ceremony, a reception was held in the Charles McKenney Hall formal lounge in Ypsilanti with over 300 guests attending. Mrs. R. R. Rubison served as hostess at the reception with Miss Ann Bedford presiding at the guest book. Pouring were Mrs. Ralph Southard of Ypsilanti; Mrs. John Wallace of Plymouth; Mrs. R. B. Hutchinson of Chicago, Illinois and Mrs. Hutton Schrader of Saginaw. Cutting the cakes were Mrs. James Hopkins of Plymouth, and Mrs. James Hopkins of Ypsilanti. Others assisting were Miss Marilyn Shay of Grosse Pointe; Miss Mary Heald of Ann Arbor; Miss Nancy Barrett of Flint and Mrs. William Sweet of Ypsilanti.

The young couple are motoring in northern Canada. The new Mrs. Hopkins chose, for traveling a white summer suit with red accessories. They will make their home in Ypsilanti.

Jeanette is a graduate of Roosevelt High school and received her B. A. degree from Michigan State college. John received his degree at Michigan State college and is a graduate of Plymouth High school. John is affiliated with Delta Sigma Phi and Jeanette's affiliations are with Alpha Xi Delta.

### Rosemary Guthrie Honored at Parties

Miss Rosemary Guthrie, who on August 16 will become the bride of Lewis Litzberg has been honored at several pre-nuptial parties. On August 28, Mrs. Edward Ayres gave a delightful dessert luncheon for 24 guests. The bride's table was centered with a tree covered with multi-colored paper and hung with small pastel shaded umbrellas. The bride received many lovely gifts, all in shades of red for her kitchen.

On July 7, Mrs. Don Ryder entertained at a dinner party and canasta for eight guests. Each guest received a colorful fan.

July 9, Mrs. R. Paul Brewman of Farmington honored Rosemary at a dinner party and miscellaneous shower for 17 guests at the Woman's City Club in Detroit. Guests attended from St. Clair Shores, Allen Park, Ypsilanti, Farmington, Detroit and Plymouth. The table was centered with a mixed bouquet and thin colorful lighted tapers. At each place at the table was a fan.

A green and yellow bathroom shower was given by Rosemary's former Plymouth High School classmates on July 11. Miss Mary Evans, Mrs. Graham Laible, and Mrs. Jack Gasvoda were the hostesses and the affair was given in the home of Miss Evans. Twenty-four guests were invited and refreshments were carried out in the color scheme of the party. For entertainment the guests made bride books.

Forty guests assembled at the home of Miss Joyce Smith on Newburg road and honored Rosemary with a miscellaneous shower on July 16. This was a pink and white party and the mantle of the fireplace was decorated with a bridal party made up of dolls from Joyce's collection of Hollywood dolls, even to the groom.

## Simple Ways to Keep Sandwiches Fresh

Here are tips to use when you're packing a lunch box or picnic basket, and want sandwiches that stay fresh and appetizing.

1. Two or more thin slices of meat in a sandwich taste better than one thick slice. And, to keep the bread from getting soggy, spread mayonnaise or mustard between the meat slices.

2. Or, sandwich in a layer of shredded cabbage moistened with mayonnaise for a meat-n'-salad combination.

3. Liver sausage can be varied from day to day. Try blending minced onion with it. Next day, mix in chopped sweet pickles. Another time use dried cooked bacon bits.

4. To keep lettuce leaves crisp, wrap them separately in waxed paper to be added to the sandwich just before eating. Do the same with sliced tomatoes.

Better see Beginner for better deal. New and used cars.

### Better Eating

by Jean Allen

#### SIMPLY SUPER MEALS

Casserole dishes are simply super for the one who does the shopping and the cookin' to say nothing of their popularity with the one who does the dishes. For all around family appeal add a crisp raw salad to the meal.

#### OUR FAVORITE CANDIDATES

FOR SUPER MEALS!

Make up a bowl of cole slaw with crushed salted peanuts added to the dressing to serve with this low-in-cost main dish.

#### Camper's Kettle

1 pound boneless lean pork  
1 1/2 cups chopped onion  
1/4 cup chopped celery  
2 cups canned tomatoes  
1 cup cooked dried beans  
1 1/2 teaspoons salt  
2 teaspoons sugar  
1/2 pound uncooked spaghetti.

Brown cubed pork and push to one side of pan. Add onions and celery and brown lightly. Add tomatoes, beans and seasonings. Stir in uncooked spaghetti. Cook slowly forty-five minutes to one hour. Stir occasionally.

Yield: 6 servings.

#### Scout's Delight

4 neck rib pork chops  
1 can (1 pound) beans with pork  
1 teaspoon brown sugar  
1/2 cup catsup

Brown pork chops on each side. Mix remaining ingredients and top with chops. Cover and cook for twenty minutes in a moderate oven (350° F.) or over low heat on top of stove.

Yield: 4 servings.

Whole wheat or rye bread goes especially well with either of these meals. Don't forget the milk and coffee.

Faithfully  
Jean Allen

ROGER FOOD FOUNDATION, CINCINNATI, OHIO

See Beginner for a better deal.

## Pressure Cook Vegetables for Better Eating

Pressure cooking of vegetables during the summer has many advantages and care in the cooking adds enormously to the taste, the nutrition and the appearance of vegetables.

1. Keep the amount of water at a bare minimum. Generally, 1/2 cup is sufficient. The vegetables are on a rack out of contact with the water. Cooking is done at the higher-than-boiling temperature of 250 degrees, resulting in rapid heat penetration. The result is a high retention of health-giving vitamins and minerals.

2. By careful timing and following the instructions of your pressure cooker, vegetables will not be overcooked. This is of great importance, both from the viewpoint of taste, and of nutrition and color.

3. Two or three vegetables may be cooked at one time through the use of a divider. Since the vegetables rest on a rack, there is no intermingling of flavors.

4. Vegetables are at their best in the summer when they are garden-fresh. In a pressure cooker, they may be cooked in an absolute minimum of time, some in no more than 1 or 2 minutes.

There is no odor from cabbage or cauliflower or any other vegetable. Since the cooking time is reduced to a minimum and several vegetables may be cooked at the same time, the heat that is added to the kitchen is nominal.

Here are some suggestions: When cooking corn on the cob, leave attached one or two layers of husk. They improve the flavor and help to retain the heat.

Score stems of broccoli and cauliflower flowerettes to assure even cooking.

Cook spinach, without the rack, using only the water clinging to the leaves after lifting from washing water. Add salt, pepper and butter. Cook for one minute and serve.

Snap the tough ends from the asparagus and use them for soup. Leave an inch or two of top and roots to prevent beets from bleeding during cooking.

Cook a few well-washed pods with early June peas for extra sweetness.

In Looe, England, first prize for "the most outstanding and unusual fish" caught in an angling contest was awarded to Henry Whale.

## All-Star Muffins

Four different muffins to star at breakfast, luncheon or dinner can now be made from the one basic recipe below. The foundation for the batter is good, sound, all-bran cereal combined in the standard way with flour, milk and molasses for the basic recipe. Add grated orange rind and dried apricots for the Fruity Variation. For a sweet-topped "up-side-down" muffin, try the Honey-Nut Muffin adaptation. Or make a spicy "baked-on-topping" combining butter, su ar and cinnamon and sprinkle over the muffins before baking, as suggested in Spicy Bran Muffins. Up-side-down—baked-on-top, any way you like, you'll find this recipe is good. Make up the variations and serve a different bread at each meal... or on successive days.

**All-Star Muffins**  
2 tablespoons shortening  
1/4 cup sugar or molasses  
1 egg  
1 cup ready-to-eat all bran cereal  
1/2 cup milk  
1 cup sifted flour  
2 1/2 teaspoons baking powder  
1/2 teaspoon salt

Blend well shortening, sugar; add egg, beat well. Stir in ready-to-eat bran cereal, milk; soak until most moisture is taken up. Sift flour with baking powder, salt; add to first mixture, stir only until combined. Fill greased muffin pans 2/3 full. Bake in preheated moderate hot oven (400° F.) 30 minutes. Yield: 9 medium or 12 small muffins.

**Fruity Bran Muffins:** Mix 1 teaspoon butter, 1/2 cup sugar, 1 teaspoon cinnamon. Sprinkle over unbaked muffin batter.

**Honey-Nut Muffins:** Put 1 teaspoon honey, chopped nutsmeats in each greased muffin cup; add batter.

## Prepare for Picnic Breakfast in Advance

Gather the family together for a big picnic breakfast. Choose a week-end morning for this outing and prepare as much of the food in advance as possible. Be sure to have the cooking utensils in your basket so you can be off on your early morning picnic without delay.

To make this a different breakfast menu turn to the old-fashioned combination of fried ham and mush. You'll want to prepare the mush the day before and chill it overnight. This way it's ready to slice and fry at the picnic. Cook it in the drippings from the ham slice or from bacon or Canadian-style bacon.

Any one of these three meats gives you that wonderful smoky flavor. And there's nothing quite like meats cooked out in the open over hot coals for satisfying hungry breakfasters.

You'll need hot coffee for the older members of the family, hot chocolate for the younger. For quick chocolate making, take along a can of chocolate syrup and some canned milk, mix and heat. An assortment of fresh fruits—pears, peaches, bananas—in your basket will provide your first course for breakfast.

### Garnish

Peel and cut oranges in half-inch slices; brush them with corn sirup or honey, and broil them for 10 minutes. Then serve them as a garnish to your meat dishes. For added flavor and color, you can put a little currant or mint jelly in the center of each broiled ring.

### Sandwiches

Sandwich-making goes along like a production line when you gather your supplies on a kitchen table. Then pull up a comfortable stool and sit down to finish the job. Save your feet for a fresh-air walk.

House for sale? Use a classified ad. Call 1600. Deadline is Tuesday at 5:00.

## Timely Tips

Feeling dull and weary after the holiday rush? Tired and all as you are, take time out for a little extra beauty care and you'll feel like a brand new woman!

After your bath give your body a brisk rub-down with a bath towel. This stimulates circulation, relaxes tired nerves and gives your skin a nice healthy glow.

A touch of perfume will cheer you up, but go one step farther. In addition to your regular deodorant spray your body with one of the new delicately perfumed powder spray deodorants. Won't take but a minute. Those nylon pretties you wear are wonderful but they are non-absorbent. A body deodorant is a must if you want to stay fresh and comfortable throughout the day. And don't neglect your feet! Keep them dry with powder and they'll feel better and so will you.

Above all, take just ten minutes before you dress to lie down and rest, putting cotton pads dipped in witch hazel on your eye lids. You'll be amazed at the lasting lift these few moments of relaxation will give you.

## Now's the Time to Serve Chicken With Dumplings

Stewing hen supplies are double those of a year ago so now's the time for fricasseed chicken with dumplings.

Disjoint the bird and simmer it until the meat is tender. When the pieces are done, take them out of the broth and keep them in a warm, covered dish while you make gravy and the dumplings.

Skim off the fat and measure the broth left in the kettle. For each cup of skimmed broth, mix one and a half to two tablespoons of the fat with an equal amount of flour. Blend the fat and flour with the hot broth until you have a smooth gravy.

To prepare the dumplings, sift three-fourths of a cup of sifted flour with two and a half teaspoons of baking powder and half a teaspoon of salt. Beat one egg, add half a cup of milk, and mix this with the dry ingredients. Drop this batter by spoonfuls into the boiling chicken gravy. Cover the pan tightly, and cook for 15 minutes without lifting the cover.

Then put the chicken into the gravy and serve it promptly.

All successful individuals have become such by hard work; by improving moments before they pass into hours, and hours that other people may occupy in the pursuit of pleasure. — Mary Baker Eddy.

## Rural Family Gets Michigan Bell's Two Millionth Telephone!

There were important goings-on last week at the farm home of Mr. and Mrs. Clifford Pond of Holt, a pleasant and prosperous rural community near Lansing.

A telephone was installed in their home, a telephone inscribed with these words:

TWO MILLIONTH TELEPHONE MICHIGAN BELL TELEPHONE COMPANY MR. AND MRS. CLIFFORD POND HOLT, MICH., JULY 15, 1952

This telephone is an important new member of the Pond family. It unites Clifford and Sylvia Pond with their three daughters, five grandchildren and Mr. Pond's parents, all living in nearby communities within the same local telephone calling area.

While strengthening family ties, this two millionth telephone stands as a symbol of your telephone company's strength—the kind of strength needed to furnish a service that is essential to everyday life and vital to defense.

## Beglinger Olds Reign Ends; Lose Whitman - Barnes

It finally happened— Beglinger Olds was defeated in the Combined Mens' Softball league last Thursday evening when Whitman & Barnes turned the trick by a 3 to 1 score.

Joe Nagy threw a magnificent two-hitter at the supposedly powerful Olds team. The only two scratch hits made off his delivery were a single by Gilles in the first inning and a single by Likewise in the last inning. Nagy struck out only three men, and walked two, but otherwise he mowed them down with regularity to the great satisfaction of the large crowd on hand to see the Olds defeat.

Maas went the distance for the losers and allowed 4 and walked 3 men.

Olds scored in the first inning when DeWulf was hit by a pitched ball, went to second on a sacrifice and scored on Gilles' single.

Whitman and Barnes squared it at one run each in the second inning when Crooks led off with a tremendous home run.

The score remained tied until the sixth inning and then Williams beat out a single, Onusko doubled scoring Williams, and scored himself on Gilles' error. This made the score 3 to 1 and ended the scoring for the day. Besides his home run, Crooks also had a single.

In another game Detroit Transmission won on a forfeit from Evans when the latter failed to field a team.

## Daisy Team Plays in Hearst Tourney

The class D league Daisy team in the Western Wayne County baseball league is competing this week in the quarter-finals of the Annual Hearst Baseball Tournament at Dearborn.

The Daisy nine won the right to advance to the quarter-finals by winning the first round district tournament held at Plymouth two weeks ago. At Dearborn they will compete against district winners from other communities in southeastern Michigan.

If the locals are successful at Dearborn, they will advance to the Ann Arbor semi-finals. The two semi-final winners will play at Briggs Stadium in Detroit on August 8.

Even though Plymouth may lose, they stand a good chance of getting some members of the team to Briggs Stadium as an all-star team composed of star players from losing teams also will play at Briggs Stadium on August 8.

Two players who participate in the Detroit game will be picked to go to the Polo Grounds in New York to play in the national tournament. The past two years one of these players selected from the state has been a player from the tough Western Wayne County class D league of which the Daisy team is a member. Two years ago it was a player from Wayne and last year a player from Garden City. The lad from Wayne has already signed a Detroit Tigers contract.

The results of this week's play at Dearborn will appear on this page next week.

Herbert Woolweaver, recreational director, says this is one of the greatest opportunities a boy has to show his baseball talent to scouts who can help him advance his baseball ambitions.

## Contractors Win

By counting 3 times in the last inning, Contractors won their second game of the year in the Old Timers' league last week when they won from Daisy 9 to 7.

## Sports Glances

by "Professor" Edgar Brown

Beglinger Olds finally came to the end of their victory streak in the Men's League when Joe Nagy and his Whitman and Barnes teammates upset them 3 to 1 last Thursday evening.

The Olds team would be just another good team in the league without Gabby Street, their star hurler. A number of times lately they have been headed for a beating in the late innings and had to call on Gabby to salvage it for them. His assortment of tosses fools the best of batters.

Olds also has a star team, practically the same outfit, the newly-formed Inter-City league. I have had nothing in the paper about the games in that league simply because I can't find where to get the information. If someone connected with that team would contact me, as Warren Bassett and Harold Williams do in the Inter-City league, or let me know whom I could call, I'd gladly have their games in the paper.

Our family motored over to Kensington State Park at Kent Lake last Sunday, and that is a truly grand beach for kids and grownups. It is well-supervised, and has many safety devices. That was our first trip there and we were very much impressed with the beach. The Mrs. and the boys had a grand time bouncing about in the water—I didn't get in this time—thought the water level might have risen to such an extent that it might have caused a mild panic.

The Tigers are now operating under the talented Freddie Hutchinson, but are still floundering in the wallow of all the other clubs. "Hutch" is an intelligent well-liked fellow, and I look for the players to respond under his able leadership. The club has lost 18 games by one run, and have been shut out 14 times this year. The team batting average of .237 is over 30 points lower than the average for a Detroit club, and their fielding is the lowest in the league. Their weakness around the keystone sack is attested to by the fact that they have completed 10 less double plays than the lowest team above them in this department, and only about one-half as many as the leader. The pitchers hurl a grand game one day and the hitting is no good—then the hitters go on a rampage and the pitching turns sour—once in awhile the two get together and they win a game.

Don't forget the big fishing derby next Tuesday morning for kids up to 19 years of age. It is being sponsored by the Plymouth Optimist club, and will be held at a nearby fishing paradise. The one who catches the largest fish will receive a grand prize.

This contest promotes good sportsmanship and all the principles advocated by the late Isaac Walton.

Call 895 and ask for Mr. Woolweaver to register, or go to his office at the high school. Do it today.

I heard a very pleasing story about a local merchant the other day. A friend of mine went into the merchant's place of business for an item, and the merchant did not have it on hand, but said he would have it within a few days. He then said that if my friend needed it before that, that another merchant would have one down the street.

If all merchants would take that friendly attitude of cooperation it would really be a credit to the community. It not only creates a better understanding among merchants, but the customer feels that a service has been rendered him, and an interest shown in his welfare, and appreciates it tremendously. That is good salesmanship.

We went into a local jewelry store some months ago to purchase a clock for on top of the television set. The jeweler didn't have anything in stock that we particularly liked, but bought out a catalog and took considerable time in showing it to us. We saw one of those glass, workless "magic" clocks and he ordered it for us.

All such things are appreciated and much goodwill is established. Such service is the prime thing a store has to offer, and it pays off in the long run. Ask any successful merchant.

In Smithsburg Md., the fire department complained once more that it was having trouble fighting fires because people kept listening in on every alarm over the party telephone line and asking questions, finally got the county commissioners to install a private line.

  - Swim, 9:30-9:30

## Recreation Dept. Moves to Office in High School

Last Friday was moving day for Herbert Woolweaver and his recreation department assistants. The total program is now under the control of the Board of Education. Heretofore it was jointly under the direction of the city and the Board of Education.

Mr. Woolweaver and his staff have moved into an office in the high school building and henceforth all work will be transacted there.

The expanded recreational and adult education program of the past few years, under the direction of Mr. Woolweaver, has become recognized as one of the most progressive of any in Michigan.

The department has four principal sources of revenue, namely, the Public School Budget, State revenues, Community Fund, and fees collected for teams in recreational activities, and those paid by participants in the adult education classes.

An increased program is in prospect for this year with the addition of the new gym and swimming pool. All activities will be conducted in the public school gymnasiums and classrooms.

Mrs. Jennie Donnelly, in charge of girls' activities, will also have an office in the high school to carry on her many activities.

## Davis & Lent Nine Wins 2; Drops 2

The Davis and Lent team in the Class F league for boys 14 years old and under won 2 and lost 2 games in recent weeks.

The first win was over at Livonia Center where they triumphed by a 12 to 2 score. Larry Davis, the winning pitcher, allowed only 3 hits, struck out 7 men and was the leading hitter when he collected 2 hits. Dave Grow came up with a timely double that chased home two runs.

Next they took on the undefeated Rosedale nine and lost a heart-breaker 8 to 7. Plymouth led throughout the contest only to lose in the last inning on a bad throw to home plate. Jackie Carter led the hitters with 2 singles and a triple.

The third game resulted in the local entry being swamped by Garden City 17 to 6. Larry Davis was the losing hurler, Jack Carter again had 2 singles and a double. Playing on their home diamond last week, Davis & Lent won from Pierson 10 to 9. Davis and Carter shared the pitching chores, and Ed Ferenczi was the leading batter with a double and a single. Kenny Calhoun thrilled the largest crowd of parents and spectators to witness a game by his spectacular defensive play around third base.

W	L
Rosedale	8 0
Clarenceville	6 3
Garden City	5 3
Plymouth	4 4
Pierson	4 4
Livonia Center	2 7
Whicox	2 7
Northville	2 7

## Permanent Swim Schedule Now in Operation at Pool

The swimming schedule at the high school pool, that has confused so many people by the frequent changes from week to week, has finally leveled off into a permanent hourly schedule.

There were so many the first few weeks, particularly in the first three grades, that changes had to be made to accommodate all, and give everyone an equal amount of time in the pool. Many more came to take advantage of the pool than officials anticipated. It took time to work it out as only a certain number could be allowed in the pool at one time for safety reasons.

For the remainder of the summer the schedule will be a constant one. Including this week there are four more weeks that the pool will be open. After August 15, the pool will be closed, and the time will be spent in readying it, the lockers, showers, etc., for the opening of school the first week in September. Too, the swimming instructors need a couple weeks vacation before their regular school duties begin.

For the next four weeks all the boys will have swimming each morning until 1:30 p.m. The girls will swim each afternoon from 1:30 to 5:30 p.m. There will be no swimming from 5:30 to 6:30. In the evening will be older children and adult swimmers.

The permanent schedule is as follows: Each morning Mondays through Friday—boys in grades 1-2 at 9:30 a.m.; boys, grades 3-5, at 10:30; boys—grades 6-7 at 11:30; boys—grades 8-12 at 12:30 p.m.

Girls in grades 1-2 will go each day at 1:30 p.m.; girls, grades 3-5 at 2:30; girls, grades 6-7 at 3:30; and girls, grades 8-12 at 4:30 p.m. There will be no swimming from 5:30 to 6:30 p.m.

On Monday evening at 6:30 will be an older boys' swim; at 7:30 will be family night lasting until 9:30.

On Tuesday evening at 6:30 will be an older girls' swim; at 7:30 there will be a beginning women's swim class, and at 8:30 a women's swim.

On Wednesday evening at 6:30 the older boys will have the pool again; at 7:30 there will be an adult swim for those over 18 years of age which will last until 9:30 p.m.

On Thursday evening at 6:30 the older girls will again have the pool; at 7:30 the pool is for junior high students and 8:30 will be for men swimmers.

On Friday evening at 6:30 older boys will again have the pool, and from 7:30 to 9:30 is reserved for teen-agers.

Swim officials say this schedule will not change again this summer, and to avoid confusion and unnecessary phone calls, it will be well if swimmers would cut this schedule out and post in a conspicuous place in their home.

Recreational Director Herbert Woolweaver and swimming instructors are very pleased with the response shown by swimming enthusiasts of this district, and plan an even more ambitious program next summer. Evening classes will continue throughout the year.

## Scoring Record Set by Dunn Steel

The Dunn Steel softball team really went on a rampage against VFW in an Old Timers' league contest last Tuesday evening and swamped VFW by a 27 to 3 score. The game, stopped at the end of five and one-half innings because of the time element, was a free-hitting affair for the winners.

They jumped on the offerings of Norman right after the umpire yelled "play ball" and never let up. Thirteen runners crossed the plate in the first inning, four in the second, six in the third and four in the fifth. For some reason no runs were scored in the fourth, even though there were three hits made that inning—three men were left on base.

This large score is a record for the season.

## Allen Continues Unbeaten in OT

The Allen Industries' softball team continued to dominate the Old Timers' league last week when they disposed of last year's playoff winner, Dunn Steel in a closely played ball game last Wednesday evening by a 3 to 0 score.

Perry tossed for Allen and allowed seven hits, but kept them scattered. L. Herter was the losing pitcher and gave up 9 hits, but 3 of them came in each of the fourth and fifth innings.

For the winners, Sparkman was the only man who had more than one hit—he had 2 singles. Harris had 2 for Dunn Steel.

The Standings

W	L
Allen Industries	6 0
Daisy Mfg. Company	3 3
Dunn Steel	3 3
VFW	2 5
Contractors	2 5

## High School Girls Come Back to Tie

Last Tuesday evening the Plymouth Parkview girls team in the high school league proved the old adage that a ball game is never over until the last man (or girl) is out. They were playing Ypsilanti and at the end of the first half of the fifth inning were on the short end of a 20 to 11 score. Taking their turn at bat in the fifth with determination, the local lasses succeeded in crossing the plate 8 times to bring the score up to 20 to 21.

The visitors made only 3 hits to 11 by Plymouth, but 15 walks, 4 hit batsmen, and many errors enabled Ypsilanti to score 21 runs.

The tie will be played off at a later date.

The local team has reorganized and is coached by Charles Dudley. The team is rapidly improving under his expert coaching.

Bill Stockton, of the Parkview Recreation, purchased new uniforms for the girls, and they look very attractive.

## Older Girls Gain League Top Spot

The Twin Pines entry in the Older Girls' Inter-City Softball league backed into first place last week when the Ypsilanti Boos-terettes won from DeHoCo. The DeHoCo girls had shared first place with Twin Pines until this upset. Plymouth defeated Boos-terettes last week by an 8 to 7 score.

As a result, the local girls are nearly assured of finishing in first place and thus entering the state tourney at Lansing later in the season.

The Standings

W	L
Twin Pines	4 1
DeHoCo	4 2
Boosterettes	3 3
Waafs	0 5

## Parents, Youth Meet Halfway in Organized Games

Kiddie Parade float winners from Starkweather school pulled a reverse switch on their parents last week and invited them for a playtime at Kellogg Park.

Emphasizing her combined juvenile and adult recreational format, Mrs. Jennie Donnelly said: "the youngsters and their youthful parents had a wonderful time sharing the five dollars the Starkweather students won as prize money."

Free ice cream, balloons and noisemakers were in evidence throughout the playtime as parents and offspring played together—with the agline forgotten.

"This is one more proof," Mrs. Donnelly declares, "that parents can forget for a few hours they are the overseers of their children's every activity."

"A meeting of youths' and parents' ages and attitudes in organized play can well be the breaking point of childlike delinquency or misbehavior."

"We must remember," she concluded, "that the well-skilled hand of parents guiding their youth is something their children refer to throughout their teens into adulthood."

## Eight Run Inning Sparks Olds Win

The powerful Beglinger Olds team continued to prove their mastery over all other teams in the Combined Mens' league again last week. Last Monday evening they exploded in the sixth inning for 8 runs to win from Detroit Transmission 11 to 2.

In the big inning 7 hits, a walk, 2 hit batsmen and an error provided the 8 runs. Somers and Hungerman pitched for Detroit Transmission, while Maas went the distance for Olds. Maas allowed 2 hits, a triple by Cutsienger and a home run by Jesky. The home run came in the top of the eighth inning after Hungerman had walked to score all the Detroit Transmission runs.

Hunt also had a home run for Olds in the first inning. Wilkie had 3 hits.

Spare moments are the gold dust of time;—of all the portions of our life, the spare minutes are the most fruitful in good or evil.—Hall.

## Wellman Pitches No-Hit Contest

The last-place Cavalcade team provided the thrills in the Combined Mens' league last week when their star hurler, Jim Wellman, pitched a no-hit game. This sterling mound performance enabled Cavalcade to beat Evans, the industrial division leader, by a score of 3 to 1. Olds leads the open division since they are the only open entry in the league.

Wellman faced 27 batters in the seven innings, struck out 7, including the side in the last inning, and walked only 5 men. Those walks had him in trouble in the first and sixth innings. In the sixth he walked the first three men up, but got out of it with only one run being scored.

Graczyk, who hurled for Evans, also pitched splendid ball, and allowed only 3 hits, but his support crumbled in the fourth inning when the winners scored all their runs on 3 errors followed by a single.

Besides hurling a no-hit game, Wellman also made two of the three hits his team was able to get—Travis got the other binggo.

## Annual Optimist Fish Derby Next Tuesday Morning

Next Tuesday morning a band of young boy and girl anglers will leave Plymouth to visit a fishing site near town in the hopes of catching the biggest fish in the lake. Yes, it is time once again for the Annual Optimist Fish Derby which is sponsored yearly by the Plymouth Optimist club.

Club president, Herbert Woolweaver, says indications are that this year's fish derby will be one of the most successful of any we have had. A fine fishing spot has been provided, and some large catches are anticipated.

Any boy or girl may compete who is under 19 years of age; a rod and reel, or pole, must be brought along. The club will provide other essentials.

One of these young anglers will win a handsome rod and reel as a prize from the Optimist club for the biggest fish caught. Each contestant must bait his own hook, and land his own fish. All the others will enjoy a morning of good sport and good fun.

The group will meet at the parking lot at the high school next Tuesday morning at eight o'clock where a bus will be waiting to take them to the fishing site. Mr. Woolweaver, Robert Smith and Edgar Brown will accompany the group.

Anyone desiring further information, or wishing to register for this contest call 895 and ask for Mr. Woolweaver.

## Alert Farmers to Virus Disease Affecting Hogs

A farm science service has sent out a warning to farmers that a rare virus disease that hits hogs has gained a foothold in the Midwest.

The virus disease causes symptoms similar to but not quite as serious as those of foot and mouth disease of cattle.

Known as vesicular exanthema of hogs, the disease has been most troublesome in Nebraska. But it indicates an eastward movement of the virus disease that first started in California 20 years ago.

Since the hogs do not usually die from the virus disease no serious financial damage has been suffered by the farmers. The "porkers", however, cannot be sent to market until they recover, a matter of several weeks.

The disease symptoms include blisters above the hoof and between the toes and on the snout and nostrils.

P. R. Biebesheimer, Wayne county agricultural agent, says that the hog virus disease has not taken hold in Michigan.

"As far as I know," he said, "the disease has been confined to the western states."

He warns farmers, however, that the disease, should it take hold in Michigan is "very serious", asking that farmers alert the agricultural service should they detect any outbreak.

Mr. Biebesheimer is a representative for the Michigan State college agricultural service.

In advances of farm science at this same time, Dow Chemical company has introduced a new chemical control for mites—a notorious egg killer. Called Ovtoran Wettable, the new miticide is said to have especially interesting properties from the standpoint of farmers and city gardeners.

Reports indicate it is a highly effective killer of mite eggs and has several weeks of residual effect.

Experiments conducted with the new chemical indicate effective protection has been given to fruit, nut and shade trees, shrubs, melons, grapes and some other crops.

## Office Seekers Aim Programs at Preventing Crime

Two politicians seeking nominations for Wayne county sheriff and prosecuting attorney have joined forces in what they call a "joint campaign to help prevent crime instead of just punishing offenders."

In joint statements the two Republicans, Joseph A. Powers and Edward Behrendt, seeking nomination for prosecuting attorney and sheriff offices, respectively, severely criticized their incumbents.

"They have failed to get at the source of crime," the office seekers declared, "just satisfied with establishing a record number of arrests and convictions."

Behrendt, former Wayne county sheriff, 1948-1948, opened his barrage criticizing the present sheriff administration as "interested only in arrests and failing to institute a valid juvenile rehabilitation program that would cut down future crimes."

The former sheriff, who gained recognition for his Junior Deputy clubs set up during his 1946-1948 stint in office, says this program "that took youth off the street" has been abandoned.

"It is essential," he declared, "that this program be reinstated and expanded. There never was a time," he continued, "that police organizations could work separately from juvenile authorities."

Behrendt emphasized the need for a "working philosophy" on first offenders not involved in capital crimes. "Logically," he said, "such youths should be separated from 'hooligans and toughs' and be referred to a rehabilitation officer," indicating this was not being done in any organized program by the present sheriff.

Powers, seeking the Wayne county prosecuting attorneyship, aimed his anti juvenile delinquency program at what he called "constructive progress where first offenders would not be stigmatized before given an opportunity at rehabilitation."

Taking full advantage of existing social rehabilitation organizations, the prosecuting attorney aspirant said he would work closely with juvenile authorities under a "pre-warrant" that would guarantee first offenders every opportunity to reestablish themselves in society.

Striking at what he termed "neglected civil branch of the prosecutor's office," Powers maintained that it is the duty of that office to provide legal advice to county and township officials.

"The Prosecutor outside his criminal duties is also the legal advisor for the entire County and for all other county officials."

"If these officials are to operate at top efficiency—if they are to spend the vast county funds entrusted to them—they must have competent legal advice."

Powers went on to conclude that a civil branch of the prosecuting attorney's office "has not been even organized up to this time."

## Local Merchant Shuns \$1,000 Bill

One thousand dollars—three hours of terrified distress—and a conscientious businessman—all these added up to a "Little Bo Peep" plot that, of course, had a happy ending.

This story-like plot unfolded last week after Galin & Son Appliance owner, Dave Galin, found a \$900 surplus in his day's receipts.

He quickly recalled a Bell Telephone employee who earlier had bought over \$700 in new appliances. Contacting him through the telephone company, Galin smilingly returned the money, part of a \$2,800 insurance check.

What happened, Galin explained afterward, was that this buyer paid for the appliances with six \$100 bills, mistakenly turning over a \$1,000 note thinking it was the seventh \$100 bill.

## ELECTRICITY ENDS THREE-YEAR SEARCH FOR EFFICIENT GRAIN and BEAN DRYER

For three years, Harold Gremel, Huron County farmer, searched for a better way to dry his beans and small grains. Then, with some help from Edison Farm Service Advisors, he successfully developed this electrically powered dryer that enables him to handle six to seven thousand bushels of beans and grain per season. Result: He can harvest when his crops are ready and cut down weather losses. This means higher prices on the market.

**DETROIT EDISON**

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

# MORE POWER FOR YOUR DOLLAR MORE MOTOR FOR YOUR MONEY MORE PERFORMANCE FOR THE PRICE!

What the smart buyer looks for in a motor car today is POWER. For power pays off—in added performance, smoothness and safety. When people discover that Oldsmobile's Super "88" offers more power per dollar than any other car, naturally they want to try it. So they "make a date with the 88" . . . with its thrilling 160-horsepower "Rocket" Engine . . . with Hydra-Matic Super Drive\*, GM Hydraulic Steering\* and the amazing Autronic-Eye\*. One date is enough to convince most people. Try it yourself!

**These Events Were News**

**25 Years Ago**

A study just completed by George F. Granger, Executive Secretary of the Tuberculosis Society of Detroit and Wayne County, shows that 161 persons died of tuberculosis in Wayne county outside of Detroit last year. As a result of this survey the trustees of the Society have appointed a Committee headed by Eber W. Yost, Wayne County School Commissioner, to present a petition to the Board of Supervisors at their meeting in September, asking them to appropriate funds for a county tuberculosis sanatorium.

Grandstand attractions at the Fair are never complete without an exhibition of aerialists, and this year Secretary Floyd Northrop of the Northville Wayne County Fair has announced that there will be the largest line-up of sensation performers ever to appear there to amuse the visitors. One of the featured acts to appear will be "The Flying Melzers", billed as America's Foremost Aerialists.

Under the auspices of the Detroit Automobile Club and with the assistance of the local police department, another brake test will be held in Plymouth, Monday and Tuesday. The tests will be made on South Main street in front of the new service station being erected by Russell Dettling. It is very important that the brakes of your automobile or truck work properly. Every car or truck owner should have the brakes of his vehicle tested at this time. The test is made free of charge.

C. J. Hinchman, of the Floyd W. Hillman company, local Paige dealers, won one of the major prizes for scholarship in the Paige institute, a course of study for salesmen conducted by the Paige-Detroit Motor Car company, according to announcement received here yesterday. Fourteen hundred members of the company's national organization enrolled in the course.

Next Sunday beginning promptly at three o'clock, those who have radio sets will have an opportunity to hear Judge J. F. Rutherford give an address at the International Convention of Bible Students being held at Toronto, Canada. The speaker's voice will be conveyed directly from the platform of the coliseum, Toronto, by telephone wire to New York City.

The Northville Record was 57 years of age last week, and has the distinction of being one of the oldest newspapers in the state. During the time the paper has been published, it has been under only four different ownerships. The present owner, Elton R. Eaton, is publishing a splendid paper and one that Northville can well feel proud of.

Mr. and Mrs. Sidney D. Strong of 251 Auburn avenue, are receiving congratulations on the birth of a son, Edward Ralph, born Monday afternoon.

A woman in Boston, Mass., got her divorce after charging that her husband insisted on dancing a polka whenever the orchestra played a waltz.

## Roger Babson Says---

**Babson Discusses The 1952 Crop Outlook**  
Babson Park, Mass., July 24. Mother Nature surely smiles on the Democrats by giving the U.S. good crops for 1952. This total crop production now promises to be second only to the record of 1948. Here are a few highlights.

**Food Grain Riches**  
Billion-bushel-plus wheat crops have been almost taken for granted in recent years. With the exception of 1951, they have been the rule since 1943. This year's indicated total outturn of 1,249,019,000 bushels is the third largest crop on record. Despite its size, it should not cause any trouble. Farmers have more storage space available this year, and can take advantage of Government loans if necessary.

In Mississippi, Arkansas, Louisiana and Texas, as well as in California, rice growers are producing an indicated record crop of well over 45,000,000 bags of 100 pounds each. But I guess it will not prove burdensome market-wise. Although a relatively small buckwheat crop is likely, I do not forecast a shortage of pancakes on the American Sunday breakfast table! The smallest rye crop outlook in over 80 years, plus the low carryover, may well mean considerable stringency.

**Bumper Corn Crop—If**  
Barring unfavorable weather from now on, the nation's 1952 corn outturn may reach the huge figure of 3,365,089,000 bushels—the second largest corn crop on record. This should be good news to livestock producers, since it points to more favorable feeding ratios this fall and winter. The barley crop probably will be the

**OTWELL HEATING & SUPPLY CO.**

smallest since 1936, in contrast to an indicated oats crop well above the ten-year average. A large total hay crop, of good quality, also is in the cards.

Bean eaters—and they are by no means all in Boston—will draw on a smaller total crop of dry edible beans this year than last. The indicated outturn of 15,747,000 bags (100 pounds each) is down materially from 1951 as well as the ten-year average production. The much-loved Irish potato, which recently has been spotlighted because of Government maneuverings, will be somewhat more plentiful this year than last. The indicated national potato outturn of 339,048,000 bushels is 4 per cent larger than the short crop of 1951, but 18 per cent below the 1941-1950 average. It should suffice, although the margin may be none too wide. I expect about an average production of commercial truck crops, and a slightly below-average outturn of deciduous fruits in 1952.

**Cotton and Oilseed Prospects**  
Although it is too early to forecast as to the probable size of the 1952 U. S. cotton crop, it is likely to fall short of the 1951 outturn of 15,068,000 running bales. I base this forecast solely on the fact that indicated acreage now in cultivation is 7 per cent under that of a year ago. Weather and insect damage between now and harvest time could further cut yields; but otherwise the cotton crop and the financial returns therefrom will be satisfactory.

Another oilseed crop also promises to be large. I refer to the versatile soybean. But here, again, I have nothing to go on but the expected 4.2 per cent indicated increase in acreage. This could result in topping last year's 280,512,000 bushels—the second largest crop on record. Although flaxseed and peanut prospects are materially under 1951, total supplies of oilseeds and their products will again be sufficient.

**Another Good Year for Farmers**  
America—the Bountiful as well as the Beautiful—should

thank God and her farmers for the munificence of her harvests—past, present, and currently indicated. There has never been a real famine in the land, and I pray that there never will be. From present prospects, 1952 will be another good year for the farmers, despite the rising trend of production costs. Prices, for the most part, should be well maintained, allowing for the usual seasonal variations. Sales opportunities in the farming areas should continue excellent, provided sellers stress quality and price their goods fairly.

**4-H Dairy Club to Judge Cows**

Members of the 4-H Dairy club, 4-H Livestock club leaders, parents and all other interested 4-H club members are invited to attend the dairy judging training to be held July 25 from 9:30 a.m. to 4 p.m.

Those attending will meet at 9:30 a.m. at Jessie Smith and Sons' farm on 50015 Michigan avenue. At 1 p.m. the group will move on to the William Bakhus and Son's farm, 4441 Warren road. The day will be concluded at the Ivan Campbell farm at 1059 Lilley road. At all of these farms Jersey cows will be judged.

Nevels Pearson from Michigan State college will give helpful hints on picking out the "Tone Type Dairy Cow", and tips on fitting her out for the 4-H fair.

All persons attending should bring a sack dinner, pencil, and ball glove.

Several of those who attend will be chosen members of the Wayne county judging team which will go to Michigan State college, August 7 and 8.

In Atlanta, less than an hour after he paid a \$125 fine for possessing four gallons of bootleg liquor, Milton White was arrested for possessing 15 gallons of bootleg liquor.
