

## A SUBSTANTIAL MOVE FOR A SUBSTANTIAL CITY.

By Sterling Eaton

When the announcement was made that Plymouth's two banks, among the most prosperous in Michigan, will soon become a part of The National Bank of Detroit, one of the 12 largest banks in the United States, it was not too much of a surprise to the citizens of this community who have been keeping a close watch on the trend of business in Plymouth.

For a number of years back this city has enjoyed a remarkable and a substantial growth. In fact the development of business in this area has advanced so rapidly that our two excellent banks, under splendid management, have not been able to take care of the demands for services that have been made upon them. They have done well, there is no disputing that fact, but they have not had sufficient capital to take care of the loan demands that have been made and that are vitally essential in a city that is growing by leaps and bounds, as is Plymouth.

No greater proof can be given as to the future progress of Plymouth than is reflected in the highly important transaction that has just been announced. The Detroit bankers involved in this transaction are among the most outstanding in the country. Their interest in our city therefore simply adds to our confidence in the future development and growth of this city and area.

We have only the highest commendation to express to the Plymouth bank officials and their associates who have carried on under the many handicaps they have faced in recent years. They have earned both our good will and our thanks for what they have done.

It is gratifying, therefore, to read that Harry Mohrmann, Harry Larsen and their associates of the Plymouth United Savings bank and Floyd Kehrl, Jack Taylor and the other employees of the First National bank will all become a part of and be active in the new banking organization. Opportunities for advancement of all the bank employees will be much greater than existed in the past.

It is good news to know too, that these local bank officials we all know so well will continue to take care of our financial problems. As one of the results of this consolidation bank loans of a far greater amount can be made than heretofore. Loans up to \$50,000 can be made by local officials, loans of this size being out of question under past banking conditions in Plymouth. That will be one of the direct benefits to our community.

The stockholders of the two banks will also benefit through the increased value of their bank stock and by greatly increased earnings from their investments.

Depositors will also benefit through having in Plymouth every banking facility that can be offered by any bank anywhere.

We residents of Plymouth have our part to do at this time. We must come to the conclusion that this is not only one of Michigan's most substantial communities, but that it is a city growing much faster than the most of us realize. We must do many things in a community way in order to keep up with this business advancement. We individually will suffer if we do not.

We believe that this highly important financial transaction will play an important part in bringing about a closer cooperation on the part of all of us, and that as the years roll by we will be well satisfied in the part all of us have taken in making this the most desirable city in the United States in which to live and do business. Congratulations and good luck to our new banking institution.

### OTHERS WOULD, TOO.

If the Dopester, alias Pipeline Pete, alias Malcolm W. Bingay, says he would like to see the Washington lawyer who popped Drew Pearson on the beeper do it again. So would many hundreds of thousands of other decent citizens of this land of ours. Glad to note that there is some one on the Free Press who has the number of Washington's Number 1 newspaper faker.

### BLABBING BLAIR WANTS TO DEBATE.

Read in the newspapers the other day where Blabbing Blair Moody, who made a jackass of himself and Soapy over at the Democratic convention in Chicago a while back, now wants to debate with his opponent, Veteran Charles Potter of Cheboygan.

It appears that Blabbing Blair's opponent is wise to the Blabber. He hasn't wasted a good stamp in answering his letter. Some few months ago we happened to see by television a "debate" that Blabbing Blair was having with some one.

The Blabber as usual made a fool of himself. He didn't give his "opponent" hardly a chance to say a word. If he started to say anything, the Blabber would cut in on his statement and prevent him from completing the sentence he had started.

So disgusting was the Blabber's performance on that television debate that another person who had also watched it, said some one should have socked Moody one for his discourteous conduct during the program. We are sure that Senatorial Nominee Potter will use his usual good common sense and tell Moody to run his own disrespectful shows, that he, Potter, wants no part of them!

### NOW IS THE TIME TO DO IT.

The primary election a few days ago made it clear that there are many citizens residing in and around Plymouth who are not registered voters.

They did not vote in the primary, but right now is the time to prepare to vote in the November election. If you are not registered, go down to the city hall and register today.

Never before has the country needed your vote as badly as now, so do not fail in your civic responsibility by not becoming a registered voter.

The hours of the city officials are long and you can register most anytime during the day, as there is generally some one at the city hall who can take care of your registration.

Then, too, a lot of young people who have just come of age, should see to it that their names are on the registration list.

If you live in the township, the Plymouth township hall is also convenient for your registration. Like the city hall in Plymouth, there is generally always someone there who can see that you are properly registered for the November election.

Let's have as nearly a one hundred percent vote in the November election as humanly possible. Show to the rest of the state and nation that here is one community that believes in voting. And if you vote, you have a perfect right to do all the kicking or boosting you desire. If you do NOT vote, you haven't a right in the world to find fault with anything that public officials may or may not do. Register—AND VOTE IN THE NOVEMBER ELECTION.

### MORE ABOUT PARKING.

Plymouth has made some progress during the present summer in expanding its parking facilities. But what has been done is a mere drop in the bucket as to what HAS GOT TO BE DONE.

We must keep constantly in mind the fact that this is one of the fastest growing cities in all Michigan. The problem (Continued on Page 3)

# Plymouth Banks to Consolidate With Detroit National to Care for Tremendous Expansion

**PRESIDENTS OF THE FOUR BANKS and some fifteen other top officials of the merging institutions were guests of The Plymouth Mail at an informal luncheon at the Hotel Mayflower last Friday noon. The meeting was the first time that the four top officials of the National Bank of Detroit, the Wayne State Bank, the First National of Plymouth and the Plymouth United Savings had met in Plymouth to discuss the proceedings involved in the gigantic financial transaction. Pictured in the Hotel's Pilgrim room are left to right: Wayne Bank president, William B. Detweiler; Charles T. (Chick) Fisher, Jr., National Bank president, Charles H. Bennett, United Savings Bank's president, and Floyd A. Kehrl, First National of Plymouth president.**

## Local Bank Officials and Employees to Continue in Present Capacities

Proposed merger of Plymouth's two banks — First National and Plymouth United Savings — with National Bank of Detroit was announced today in a joint statement by Floyd A. Kehrl, president of the First National, Harry O. Mohrmann, executive vice president of the Plymouth United Savings, and Charles T. Fisher, Jr., president of the National Bank of Detroit.

According to the statement, "the merger proposals have been approved by the boards of directors and preliminary approval has been received from the State and federal banking authorities. The proposal will be submitted for the approval of stockholders at special meetings to be held on September 12 and upon final ratification of the consolidation is expected to become effective on or about September 30."

Deposits of the First National and its Livonia branch are more than \$11,000,000. Plymouth United Savings has deposits in excess of \$6,000,000. National Bank of Detroit deposits on June 30 were more than one billion five hundred (Continued on Page 3)

## Interesting Sidelights About the Banks

In discussing the proposed merger of Plymouth's two banks with the National Bank of Detroit, Floyd Kehrl, First National president, stated that if the merger actually took place he would do everything in his power to see to it that the local institutions didn't lose their individuality. "For many years it has been my hope that the two local banks could some day become as one so that they might combine their efforts for the good of the entire community. From this union will come one of the major benefits, complete harmony in the community as far as its banking facilities are concerned."

In all probability the present Davis and Lent clothing store on Penniman avenue will be refaced to look like the present Plymouth United Savings bank building and will be used for expansion purposes so that within the next few months all local banking will be done from that location. No disposition of the First National Bank building is at present contemplated.

Interior remodeling of the Plymouth United building may include a glass partitioned second floor entering into the Davis and Lent building and the safety deposit vaults may be moved to the basement of the Davis and Lent store.

Two of the original directors of the First National Bank are still active members of the present board. They are Dr. John L. Olsaver and Charles Finlan. Floyd Kehrl was cashier of the bank when it was founded in 1924 as the Peoples State Bank with a capitalization of \$50,000. In 1925 the bank was converted to the First National Bank and Jack Taylor became assistant cashier. In 1934 when the bank's total resources were less than \$300,000 Mr. Kehrl became president. Today the bank's total resources are 13 million dollars. Showing a gain of about one million dollars every year for the last ten years.

Stockholders of both local banks will gain materially by the very satisfactory rate of exchange of the local stocks for National Bank of Detroit stock in addition to finding National Bank stock much more desirable from a marketability standpoint.

In all probability a local board will direct the affairs of the local branch of the bank consisting of the directorate of both local institutions. Under consideration for chairmanship of the new board, if approved, are Cass S. Hough and Edwin A. Schrader. This group it is understood will have power to approve loans up to \$50,000 giving local business much more flexibility when in need of financing.

One local banker stated that if a Detroit Bank had to come to Plymouth, and it probably would in order to bring more capital here it was fortunate that it was the National Bank because it was the more aggressive of all Detroit banks and has given far better service to its customers than had others in the adjoining city.

Down River Banks are also faced with increased capitalization problems and may soon do as Plymouth banks are doing.

The major advantage of the merger as pointed out by leaders in both local banks is the bringing of more money to this area for loan purposes. At the present time both local banks are restricted by law on their mortgage loans which, even today, is restricting some building in this locality.

Plymouth can be proud of the aggressiveness of its two local banks when it is learned that the Wayne State Bank with its two Wayne branches had total resources of only 17 million dollars as against Plymouth's 20 million. The two Ypsilanti banks at their last statement had only 19 million dollars resources.

The Plymouth United Savings is the oldest Plymouth bank, being founded as the Plymouth National Bank in 1883 in rooms over the present Dodge Drug store. In 1903 it consolidated with the Plymouth Exchange Bank and purchased its present site in 1913 from Fannie Coleman. The present building was built in 1920 and at that time it was announced that much foresight had been given to the building to care for the community's banking needs for many years to come.

None of the original founders are still living of the Plymouth United Savings Bank but Charles H. Bennett, president today, is the son of one of the first directors and first vice-president of the bank, L. H. Bennett. Cass S. Hough a director of the institution is the grandson of L. C. Hough another founder-director of the institution.

As soon as stockholders of the two local banks approve the merger steps will be taken to get the expansion program underway and it is hoped that within some six months the entire operation will be completed.

Most interested party in the entire local transaction and one who probably can be given most of the credit for steering the negotiations from the beginning is Arnold "Mike" Freydl a vice president of the National Bank of Detroit. Freydl was born and raised in Plymouth the son of Mr. and Mrs. Felix Freydl, the former now deceased. His former home is now owned by Roderick Cassidy and is just east of the Penn theatre. It was here that for many years his father operated a tailoring service and many old-time Plymouthites to this day remember his suits as some of the best ever produced in this part of Michigan.

## "Back to School" Edition to Help Local Shoppers

The news and advertising departments of The Plymouth Mail have joined hands to bring to the Mail's reading public a "back to school" section in its next week's, August 21, edition.

The "back to school" theme is right now being designed to help parents put their "finger" on outstanding values for youth starting kindergarten, up to "last year" high school seniors.

Ease of shopping, saving money (Continued on Page 3)

## Store Celebrates 5th Anniversary

Dunning's women's and children's store is holding its fifth anniversary sale August 14 through 23. The store, formerly located on Main street and now at 500 Forest avenue, was opened in Plymouth in August of 1947.

"It has been a pleasure to serve our customers and friends during the five years we have been in business here," remarked Margaret Dunning, owner of the store.

"We are now in the midst of an expansion," she continued, "which we hope will help us to better serve these customers and friends."

The new addition will be open some time during the fall.

## Report 'Progress' of Polio Victim

Plymouth's third infantile paralysis victim, Mary Ann Wither, 19, 593 Edison, is making "some progress," report University hospital authorities.

Her condition, reported fair to good, has left Miss Wither with partial paralysis of the throat and a "weak" muscular reaction in her left arm.

Miss Wither, a Michigan State College student, was stricken with the dread disease August 4. She had been attending summer school prior to the polio infection.

## 16 Sue To Halt City Levy of Fralick Tax

The city is being sued by 16 Fralick avenue property owners to "cease and desist" collecting a special assessment levied against them last May by city commissioners.

This was made public last Thursday following a chancery circuit court summons served on the city and naming City Treasurer Charles A. Garlett.

It was indicated last week by City Attorney Harry N. Deyo that the City has 15 days to answer the summons that may delay any court action for an additional two weeks while the "bill of complaint" is examined by the City.

Earlier, the complaining property owners filed charges, in a June 7 "intent to sue" statement, accusing city administrators of "laxness and negligence" in levying assessments against them in the development of Fralick avenue.

They claimed in a 10-point engineering declaration, through professional counsel, that proposed assessment levies on their Fralick avenue property exceeded 25 per cent of assessed property values. This, they declared, is a direct tax levy — "to the extent (it) is improper and void."

In another charge, they claimed that Fralick avenue should not be paved or recapped at 16 property owners expense because the "owners became innocent purchasers for value of their land," after the Fralick avenue project was started—with no knowledge that in a subsequent 10-years (1952) the city would assess them for the street improvement.

This improvement consists of a concrete strip of paving and curb and gutters completed at varying times within the last ten years.

City officials said it was agreed in 1942 that assessments for these improvements would not be levied against property until the project was completed. The assessment now proposed by the city would include costs of an additional strip of concrete that would run from Main street to South Harvey street. To this would be added curb and gutter repairs, sidewalks and a pavement recap.

The charge of "laxness" on the part of the local officials revolves around a report by "the city manager," which the property owners declared, did not include "plans, profiles, specifications and estimates of cost of paving prior to the time the City Commission (Continued on Page 3)

## 8th Annual Golf Tournament Gets Started Sunday

Over 50 golfers will tee off this weekend in quest of the many prizes being offered in the Eighth Annual Plymouth Golf Tournament over the rolling fairways of the Plymouth Country Club.

This popular tournament has provided the highlight of the golfing season for the past seven years, and has formerly been held at the Hilltop Golf Course.

Qualifying rounds were completed last Sunday and of the 51 linkmen who entered this year's meet, Robert Johnson and Ray Hartner emerged as co-medalists. Both shot a 69 on this par 70 layout, each playing the out nine in 36 and the in round in 33. These two medalist face each other in the first round.

Last year's champion, Harper Stephens, tallied a 71, and Tom Locke, who has his name inscribed on the trophy more times than any other golfer, shot a 72. The large, beautiful trophy, donated by The Plymouth Mail, is on display in the newspaper office window. There will be other handsome prizes also.

Tournament Manager Casey Partridge states the first match must be played off by Sunday (Continued on Page 3)

## Nelson Stricken by Heart Attack While Driving Car

A former superintendent of Plymouth schools was stricken with a heart attack last week while driving his car in Detroit.

Admitted to New Grace hospital, Detroit, was Helmer A. Nelson, 47, 1412 West Ann Arbor trail, superintendent of schools here from 1945 to 1951.

Nelson's condition was described by his family as satisfactory, with some progress reported.

The former superintendent is employed by Michigan Products, Inc., a Lansing firm.

A member of the Rotary Club, Nelson has resided here for the last seven years.

## Civic Band to Conclude Season Friday Evening

The final performance in the summer concert series of the Plymouth Civic band will be played Friday evening, beginning at 7 p.m. in Kellogg park.

The band, under the direction of Laurence Livingston, will play songs which have been most popular with the audiences this summer. There will be service songs, semi-classics, and popular music.

"We are very pleased with the attendance at the concerts during the summer. The residents of Plymouth and surrounding area seem to appreciate and enjoy them," states Mr. Livingston.

The band is sponsored by the Parks and Recreation department.

### BULLETIN

Through mutual consent at the suggestion of health officer Dr. R. Ray Barber, city and school authorities closed the high school swimming pool Wednesday for an indefinite period.

The action was taken as a precautionary measure during the time that polio is present in southeastern Michigan. An opening date will be announced in The Plymouth Mail sometime in the future.

chaser for value of their land," after the Fralick avenue project was started—with no knowledge that in a subsequent 10-years (1952) the city would assess them for the street improvement.

This improvement consists of a concrete strip of paving and curb and gutters completed at varying times within the last ten years.

City officials said it was agreed in 1942 that assessments for these improvements would not be levied against property until the project was completed. The assessment now proposed by the city would include costs of an additional strip of concrete that would run from Main street to South Harvey street. To this would be added curb and gutter repairs, sidewalks and a pavement recap.

The charge of "laxness" on the part of the local officials revolves around a report by "the city manager," which the property owners declared, did not include "plans, profiles, specifications and estimates of cost of paving prior to the time the City Commission (Continued on Page 3)

### Legs Injured as Car Rolls Down Driveway

An auto crash and a car that rolled backwards over the legs of a two-year-old boy marred Plymouth's weekend and boosted the accident-injury rate.

Receiving leg injuries as he was playing behind a car last Friday was Charles A. Hoadley, 2, 14373 Sheldon road.

The accident occurred as visitor David Andrews, 44, 336 West Pearl, started up his car parked in the Hoadleys' driveway. Police report the car suddenly rolled backward as the brake was released.

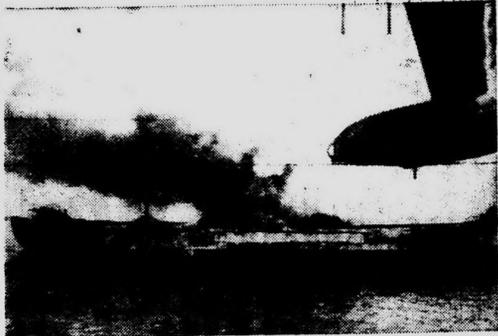

Hoadley, whose leg injuries were not counted as serious, was rushed to Acheson hospital, Northville, where he was treated and released.

A second accident that left Letha Thumme, 61, 376 West Ann Arbor trail, with leg bruises and a slight shock, occurred last Thursday after a two-car crash at Edward Hines drive and Wilcox.

Police reported that Charles Warren, 37, Detroit, smashed into the rear of Mrs. Thumme's car as it came to stop at the posted intersection.

Mrs. Thumme was treated by a local physician and returned to her home.

In the southeast corner of Huron County is White Rock, famous landmark of the Indian and fur trade era. It marked the boundary of the Hull Treaty of 1807 whereby the southeast quarter of Michigan was obtained from the Indians.

**FREIGHTER BURNS . . .** Norwegian freighter Black Gull burns some 65 miles off Montauk Point, L.I. Forty-five of 49 aboard were picked up by a Swedish liner.

### Chief Greenlee Announces Start of Safety Drive

Police Chief Carl Greenlee announced this week that his department is co-operating with the State Safety Commission in a safety program aimed at reducing traffic accidents due to dangerous passing. This program, under the leadership of Charles M. Ziegler, State Highway Commissioner, will carry on through the month of August.

According to Chief Greenlee, head-on collisions caused by dangerous passing are one of the most fatal types of traffic accidents. "The next time you drive by a wrecked car junkyard look for a car that has the whole front end caved in and the windshield smashed to bits. This should be sufficient evidence for anyone as to what happens when you hit another car head on," he said.

"Keep in line—don't cut in," the official slogan of the campaign, is good advice for all motorists to follow.

"Cutting in on the driver you are passing is one of the dirtiest tricks one motorist can pull on another," the Chief added, "you may force him into the ditch or cause him to stop too suddenly and be hit by a surprised driver behind him.

"The professional driver never cuts in on the car he is passing. He waits until he can see this car in his rear vision mirror before he turns right to get back into the righthand lane. In this way he knows that he will not interfere with the car he is passing."

Chief Greenlee stated that he is instructing his men to pay particular attention to dangerous passing and to stop all violators. "After all of the information motorists receive through the educational campaign of newspapers, radio stations and posters, there is no excuse for a motorist to pass dangerously," he concluded.

### Services Held For Martha Britten

Funeral services were held Wednesday, August 13 at 2 p.m. from the Schrader Funeral home for Miss Martha A. Britten who passed away Monday, August 11 at the age of 80 years at 10330 Wayne road, Livonia. For the past nine years she has resided at the home of her cousin, Earl Ryder.

She is survived by many relatives and friends. Miss Britten attended the Newburg Methodist church and was formerly a member of the Rebekah Lodge of Lansing.

Reverend Robert D. Richards of Newburg officiated. Hymns were rendered on the organ by Mrs. Edna O'Conner.

### Last Rites Read For George Hull

George G. Hull who has resided at the home of his uncle, George McGill at 356 North Harvey street for the past seven years passed away Sunday, August 10 at the age of 51 years.

Surviving are his father, Warren C. Hull of Lansing; his sister, Miss Helen Hull of New York and his brother, Frederick M. Hull of Ann Arbor, other relatives and many friends.

Mr. Hull was brought to the Schrader Funeral home and later taken to Mt. Hope cemetery, Lansing, Michigan where graveside services were held Wednesday, August 13 at 3 p.m. Frederick M. Hull, C. S. of Ann Arbor read the service.

Within Michigan's boundaries are more than 500 islands.

**SLAYS RABBIT . . .** Edward Baldwin, Brooklyn, who was a participant in the slaying of a Brooklyn rabbit on a dare, is confronted with gun by police official.

### Gutherie Home Center of Pre-Nuptial Fetes

The Melvin Gutherie home on Newburg road continues in a flurry of pre-nuptial parties, which will climax with the marriage of their daughter, Rosemary, on Saturday, August 16.

Melvin Gutherie Jr. and Thomas Gutherie, brothers of the bride-elect flew to Cleveland, Ohio last Thursday to attend the bachelor party given for their brother-in-law to be, Lewis C. Litzberg.

Mr. and Mrs. Lewis C. Litzberg, Sr. will be hosts at the rehearsal dinner for the Gutherie-Litzberg wedding on Friday evening, August 15 at the Temple Colonial Inn in Wayne, Michigan.

On Tuesday, Rosemary will entertain ten friends at a spinster dinner at her parents home on Newburg road.

Mrs. Frederick Bird and her son, Frederick, Jr. of Ann Arbor Trail entertained at dinner on Monday evening for the Gutherie family in honor of Rosemary.

### To Seek Seventh District Recount

David J. Trombley, defeated for renomination as State representative from the Seventh District by 237 votes, stated last Saturday that he would ask for a recount.

Trombley lost in the August 5 Democratic primary race to Raymond T. Doherty who polled 2,475 votes to Trombley's 2,239.

The two-term Democratic incumbent blamed his defeat on voter unfamiliarity with voting machines, claiming that voters had difficulty locating his name on the ballot.

Despite these claims, Plymouth voters gave Trombley a margin of six votes. Trombley polled 54 votes against Doherty's 48.

Included in the sprawling Seventh District are Plymouth, Northville, Inkster, Wayne, Garden City, Plymouth, Nankin, Northville, Canton and Dearborn Townships.

### Margery Hadley is Recent Bride

Miss Margery Ruth Hadley, daughter of Mrs. Edythe Hadley of 638 Dodge street and Master Sgt. William Clyde Williams, son of Mrs. Estelle Eddy and the late Mr. Williams of Clarksburg, West Virginia were married at Ft. Campbell, Kentucky on Friday, August 8.

Margery, a graduate of Plymouth High school, has been in the service since 1943 serving with the Red Cross as a recreation worker and club director overseas in Australia, New Guinea, the Philippines and Japan and more recently director of Club 1 at Ft. Campbell, Kentucky.

Marge and Bill were on the same boat when she went to Panama in 1947 and met again at Ft. Campbell where they were married.

The young couple spent the

weekend in Plymouth. A reception was held for them in the home of her mother last Saturday. A large group of Marge's friends and relatives gathered to wish them many years of happiness together.

### Linda J. Kidston Buried Here

Linda Jane Kidston, the infant daughter of Mr. and Mrs. Robert Bruce Kidston who reside at 185 Blunk avenue passed away Thursday, July 31 at Mount Carmel hospital. She was born early Thursday morning and lived but a few hours.

Besides her parents, Linda Jane is survived by her grandparents Mr. and Mrs. Leo Van-Bonn of South Lyon and Mr. and Mrs. Arthur Kidston of Plymouth and other relatives.

Graveside funeral services were held Friday, August 1 at one p.m. with Reverend Cora Pennell officiating. Interment was in Riverside cemetery.

### "Back to School" Edition to Help Local Shoppers

(Continued from Page 1) and time and informing parents about the newest in hard-wearing, long lasting clothing are just a few of the conveniences to help make the "back to school" preparations of nearly 2,500 Plymouth students easy—without that last minute rush.

On the news feature side, the editorial department will highlight the entire school program schedule for the school year. Included, will be little observed facts about the functioning of the school system. The school book store, lunch program, registration procedures, sports program.

Added to this will be a capsule report of improvements made in the schools (and there have been lots of them), a report on the guidance program.

To this Mail reporters will determine the overall safety campaign to help protect children from injury on their way to school. Bus schedules will be listed for the convenience of suburban students.

All in all, the "back to school" edition is going to be valuable to the reader, in one of the biggest Plymouth Mail attempts, coordinated with the school system, to make the "back to school" transition easy—without any hair-tearing and uncertainty.

### 8th Annual Golf Tournament Gets Started Sunday

(Continued from Page 1) evening, August 17. All matches may be arranged to be played at any time on Saturday or Sunday. If no arrangement is made, players shall meet at the Plymouth Country Club at 10 a.m. on Sunday, or forfeit the match. Rules for play will be posted at the club.

All scores will be posted for the public to see in the window of The Plymouth Mail, and Davis & Lent's new store on Main street, formerly occupied by Taylor & Blyton.

There are 16 men in the Championship Flight, 19 in the 1st Flight and 16 in the 2nd Flight. Because of the larger number in the 1st Flight, six golfers will have to play preliminary matches preceding the first round on Sunday. These are Jim Meyers vs. Atchinson, L. B. Rice vs. Tyler Caplin, and Dale Johnson vs. Russell Rudick. These matches will have to be played off before 10 a.m. Sunday, and the winners will enter the first round.

Other pairings find: In the Championship Flight, Chris Burghart vs. Bill Sliker; Ray Hartner vs. Robert Johnston; Bill McAllister vs. Harpo Stephens; A. Richards vs. A. Owens; Sam McCullough vs. W. W. Woods; H. F. Bowers vs. Elton McAllister; Jerry Walsh vs. Ed Crooks; Tom Locke vs. Paul Richards.

First Flight has Bruce Turnbill vs. George Kenyon; Gordon Moe vs. D. Steele; Jack Lucas vs. Les Anders; John Desmond vs. winner of Atchinson-Meyers preliminary match; Joe Belobradic vs. J. P. O'Neil, Jr.; Fred Benson vs. Walter Patrick; Harvey Cooper vs. George Petro; the winner of the L. B. Rice-Tyler Caplin match vs. the winner of the Dale Johnson-Russell Rudick preliminary match.

Second Flight finds Ed Wingard vs. Bob Brown; Don Huebler vs. J. George; Art Foesterling vs. Bill Eger; Carl Pursell vs. Joe Miller; Clarence Hoffman vs. Bob Marshall; Leon F. Walker vs. D. W. Vandervoort; Floyd Tibbitts vs. Charles D. Ryder; and Harold vs. E. I. Coolidge.

**WORLD FLAGS . . .** Two Finnish scouts carry armfuls of national flags as Helsinki plays host to the world in the Olympic games.

**THIRD SET OF TWINS . . .** Mrs. Thomas Selman, Effingham, Ill., gave birth recently to her third set of twins. All are girls. Although the Selmans do have a boy, 6.

### WHAT I THINK AND HAVE A RIGHT TO SAY

(Continued from page 1)

blems of yesterday are the problems of years gone by — and we are now in the midst of an expansion program so important and so essential that every step we take should be geared to the future.

What we have done so far about parking is a mere drop in the bucket—and what has been planned by the city for future development will barely take care of the parking needs of today—if we had already completed what the city proposes for the future.

We are sure that our civic leaders and our local officials have noted what is being done in Ann Arbor about additional parking facilities. The city council some years ago bought land for additional parking—and now the Ann Arbor officials find it necessary to inaugurate a far more extensive parking program than the one started just a few years ago.

Ann Arbor is USING its parking meter money for parking development. Our present city commission last spring voted to set aside our parking meter money for use in additional parking development. With the increased funds coming to the city from the state for street improvement and with increased funds from our parking meters, we believe that we will be able in the very near future to do much more about parking than we have so far done.

Coupled with this parking development is the necessity for street widening, which will soon come without much doubt. City administrative officials are known to have given this much serious consideration and they plan to act as quickly as funds are available.

Main street, which probably holds first prize in Michigan as the roughest bit of paving within the boundaries of the state, is booked for quick attention.

The thoroughfare from Penniman to Mill street which carries probably five or six times more traffic than it did three or four years ago, can never be used for street parking, even though it is widened 15 or 20 feet. So off-street parking becomes increasingly more essential almost by the day.

No, not next year, but right now, this summer and this fall, is the time to get busy on Plymouth's Number 1 civic problem — MORE PARKING SPACE NOW, not next year or the year after.

### Plymouth Banks to Consolidate With Detroit National to Care for Tremendous Expansion

(Continued from Page 1)

million dollars. It serves more than 400,000 customers through 32 branches in Detroit and three additional branches are under construction. The bank is 14th in size among the nation's banks.

"Our area," Mr. Kehrl said, "has been experiencing a vast expansion in manufacturing activity with an influx of new enterprises and a substantial growth in residential sections. We are also obtaining new community shopping and business centers and improved transportation facilities.

"It probably is not generally realized that manufacturing plants in operation or soon to be completed in Livonia will employ approximately 20,000 people. This fast-growing industrial, commercial and residential area is becoming the center of a great new industrial district of Metropolitan Detroit. Each new or expanded industrial installation creates new residential and business sections accompanied by stores and service establishments necessary to high standards of living. And all these demand amplified banking services such as this merger will provide."

Mr. Mohrmann confirmed these views and added, "When the resources, facilities and experience of the National Bank of Detroit are added to those of our Plymouth banks, the result can only be beneficial for everyone concerned."

The joint statement emphasized that the present managing and operating personnel of the Plymouth and Livonia offices will continue to serve in their respective locations with the assistance of an advisory committee composed of the present directors, thus permitting "a high degree of local autonomy so that the banking requirements of all customers, regardless of the size or scope of their needs, will continue to receive prompt, on-the-spot, personal attention."

Mr. Fisher also stated: "In our main office and in all our branch offices we have always endeavored to be the same type of helpful, friendly advisors in financial matters as your doctor, your lawyer, your contractor or architect are in their fields. We sincerely believe this concept of the modern banker will be found at each and all of our offices.

"We are very proud to be represented in these communities and to be associated with those who have contributed so much to their growth. Together we can offer even more helpful banking services — and that is the objective of this important move."

Simultaneous announcement was also made by Mr. Fisher and William B. Detweiler, president of the Wayne State Bank in Wayne, Michigan of the proposed merger of National Bank of Detroit and the Wayne State Bank.

### 16 Sue to Halt City Levy of Fralick Tax

(Continued from Page 1) considered making the public improvements."

In addition they charged former city administrations in "sleeping on their right to assess property levies, and jailing bona fide purchasers into insecurity."

City commissioners also came in for critical comment by the group that seeks an injunction against assessment levies.

"No resolution," property owners stated, "was passed by the City Commission prior to a public hearing determining (1) nature of the improvement, (2) and describing what portion of the cost should be paid by special assessment and what portion was to be paid by the city."

To this they added the accusation that "no report was placed on file for public inspection."

In the July 7 Commission meeting, Mayor Russell Daane partially answered the property owners' accusations, declaring that as "private citizens, it is the property owners' right to sue. But to me," he continued, "the suit seems untimely and improper."

He went on to inform the other commissioners that charter regulations stipulate that a complaint against assessment rolls must be filed with the city no longer than 15 days after the rolls are made up.

No representative of the property owners represented in the suit, he concluded, appeared within that time. Mayor Daane then informed the commissioners that the May 20 objection deadline was not protested until June 7.

Seeking an injunction against the assessment levy are:

Hattie B. Henderson and E. Henderson, Katherine M. Willhite, Maude S. Schrader, Sol J. Baron, Salome M. Britton, Hugh H. Schoof and Mabel Schoof, Burton E. Giles and Blanche I. Giles, Fred D. Schrader estate, Edwin A. Schrader, Myrilla M. Schrader, Earl Fluelling, Marguerite M. Fluelling and Bessie Baron.

### St. John's to Hold Vacation Church School

Vacation Church school will be conducted at St. John's Episcopal church, Harvey and Maple streets, beginning Monday, August 18 and continuing through August 29. Classes begin each day at 9 o'clock and close at 11:30.

Reverend David T. Davies will have charge of the school, which will use as its theme "The Kingdom of God." Worship, Bible stories, handwork, games and songs will be presented each day for all children ages four and older. There will be a final program the last day of the school for the parents and families of the children.

Helping with the teaching at the daily sessions will be: Mrs. Walter Hargrave and Mrs. Gerold Doub, pre-school group; Mrs. Arden Sackett and Mrs. Robert Bickley, primary; Mr. R. J. Hatcher and Mr. Robert Bickley, junior group. Various other members of the church will assist.

### "I REMEMBER" BY THE OLD TIMERS

From Amelia Doctor, Denver: I remember when horses became frightened and ran into the ditch and upset the buggy when an automobile passed us.

From Mrs. Ida Johnson, Duluth, Minn.: I remember when I was nine years old buying one-cent ice-cream cones—also five pieces of gum in a round tin box.

From C. L. Miller, Vale, Oregon: I remember when a President was elected—Grover Cleveland. The Democrats would get the blacksmith anvils and load them up with gun powder and shoot them. On a still night you could hear them 25 miles away.

From Rovena Warren, Harvard, Idaho: I remember when we lighted the kerosene lamps only when company came. We used candles made of beef and mutton tallow and a little beeswax. We ran melted fat into tin molds with sticks laid across the top with candle wicking dangling from them.

From Mrs. Nellie Keene, Hilliard, Fla.: I remember when we baked sweet potatoes in a Dutch oven on a clay hearth, and carried water in pails up about a 100-foot hill.

From Mrs. True C. Whitler, New Sharon, Me.: I remember when my mother and all the ladies saved the yellow stamps from yeast cakes and sent them in for pictures. Also when a certain brand of soda came with pictures of birds, flowers and animals in each package.

(Mail your memories to THE OLD TIMER, BOX No. 340, Frankfort, Kentucky.)

### Plymouth Seen as Tri-City Shopping Mecca

Plymouth has become a tri-city shopping mecca for more than 15,500 persons.

This growing popularity of the City's business houses became an established fact after a month-long telephone poll sparked by the Chamber of Commerce.

In its three-pronged survey, covering Livonia, Northville and

Plymouth, the August newsletter of the Chamber showed that 88 per cent of Plymouth's residents did their shopping here. In addition, survey figures indicated that 42 per cent of Livonia's consumers and 68 per cent of Northville shoppers trekked to Plymouth to buy their needed items.

Of the persons who shopped here, there was nearly unanimous agreement on the 9:00 a.m. to 6:00 p.m. daily and 9:00 a.m. to 9:00 p.m. Friday shopping hours.

Of those polled on this question: "Are you satisfied with present shopping hours," 81 per cent of local shoppers said "yes," with Northville and Livonia shoppers racking up an affirmative answer at the rate of 83 and 95 per cent.

Of those who preferred shopping another night, not satisfied with present shopping hours, more than half of those polled from Plymouth and Northville wanted stores to remain open Monday nights.

The Chamber poll found that many of the shoppers who did not shop in Plymouth, bought many of their needed consumers' goods in Detroit.

Larger items, such as furniture and other household goods, were generally brought back here in Plymouth after being purchased in Detroit stores.

### Local News

Mr. and Mrs. J. Gregory Clemons who have resided on Dewey street in Plymouth for a number of years have moved to Detroit. Their many Plymouth friends regret their moving and wish them well in their new home.

Mr. and Mrs. James Duffey and three sons of Wayne were Sunday evening guests of Mr. and Mrs. Albert Pint of Schoolcraft road.

Unusual in the way of parties was a recent stork shower given Charles Burden, expectant father, by his uncle Frank Burden in his home on Garland avenue. Twenty four men were present and the father-to-be was presented with many lovely gifts. Needless to say, a most enjoyable evening was spent by all those present.

Mrs. Luther Passage has sold her home on East Ann Arbor trail to the Horace A. Thompsons.

Weekend guests in the W. A. Martin home on Blunk street were Mr. and Mrs. William Walton and Mr. and Mrs. Eldon Martin and family of Detroit; Miss Maxine Martin and Dr. John Pennington of Ann Arbor.

Mr. and Mrs. George Howell of Gold Arbor road with their daughter and husband, Mr. and Mrs. Oscar Ford and family of Detroit were in Northville last Friday evening where they celebrated the 88th birthday of Mr. Howell's mother, Mrs. Alzina Howell in the Foster Howell home.

Mr. and Mrs. Milton Laible of North Main street had as their dinner guests on Monday, their aunt and uncle, Mr. and Mrs. Fred M. Shinnick Sr. of Birmingham.

Edson A. Whipple of Penniman avenue spent last weekend at Crystal lake with a group of his fraternity brothers from the University of Michigan.

Mr. and Mrs. Floyd Burgett and children, Jack and Judy, Mrs. Otto Beyer and Miss Amelia Gayde visited Mrs. George Ehms in Monroe on Sunday.

Mr. and Mrs. Robert Lidgard and family of Pine street attended the Paul Lidgard family reunion in Elkhart, Indiana last Sunday.

Mr. and Mrs. Eber Readman of Blunk street had as their weekend houseguests, Mrs. Readman's sister and husband who were enroute from California to New York City where they are making their home.

Mrs. Earl Russell attended a luncheon at Plum Hollow Golf Club on Wednesday.

Mr. and Mrs. Walter Abate of Clemons road have Mrs. Abate's mother from Detroit spending this week with them.

Ted Thrasher has returned to his home on Lakeland Court to spend the remainder of the summer with his parents, Mr. and Mrs. James Thrasher. Ted has just completed a nine weeks cruise with the NROTC which included stops at Scotland, France and Cuba and the North Atlantic territory. Midshipmen from Annapolis were also on the cruise. Ted will be a senior at Ohio State University in the fall.

Ivan Gray made a flying trip from Pasadena, California last weekend to visit with Mrs. Luther Passage. Mrs. Gray was unable to accompany him as she was convalescing in a California hospital following surgery.

Mr. and Mrs. Michael Schuster of Lake Lelanaw near Traverse City spent a few days this week in Plymouth.

Mr. and Mrs. Horton Booth and children of Sheridan avenue spent Friday until Monday visiting friends in Philadelphia, Pennsylvania.

Mr. and Mrs. C. W. Schuler of Blunk street were the Saturday evening dinner guests of Mr. and Mrs. Jack Gage of Clemons road.

Mr. and Mrs. Stanford Burr announce the birth of a son, Robert George born at Tolfree Memorial hospital, West Branch on Wednesday, August 6. He weighed 6 pounds 11 ounces at birth. Mr. Burr is the son of Mr. and Mrs. George Burr of Sheridan avenue.

Mr. and Mrs. Ronald Bassett of 615 South Harvey street are receiving congratulations on the birth of an 8 pound 14 ounce son born on August 8 in Beyer Memorial hospital, Ypsilanti. Mrs. Bassett is the former Shirley Schroeder.

Mr. and Mrs. Sterling Stanfill of 33865 Orangelawn avenue are the proud parents of a son born in Beyer Memorial hospital, Ypsilanti on August 10 and weighing 6 pounds and 2 ounces.

Mr. and Mrs. Floyd Brandon of Penniman avenue announce the arrival of William Clark Brandon.

### REPAIRS FOR RAPIDS AHEAD

Mr. and Mrs. William Martin of Blunk street spent Sunday with their son, Edward Martin and family of Wayne who are vacationing at Joslin lake.

Mrs. George Howell of Gold Arbor road spent Monday in Detroit with her daughter, Mrs. Oscar Ford who that morning underwent major surgery in Women's hospital. Mrs. Ford is progressing very nicely at this time.

Mrs. Alvina Otwell, who is visiting here from California, was the luncheon guest of Mrs. Milton Laible on Tuesday.

Mrs. Warren Worth and son, Anthony of North Territorial road motored to North East Pennsylvania last weekend. Elizabeth Worth, who had been visiting her grandmother there for the past month, returned home with them.

Mr. and Mrs. Dow Swope and children, Judy and Dow Jr. have been spending the past 3 weeks at Crystal lake.

Friends of Dr. and Mrs. Lauren F. Busby, former residents of Plymouth, now of Santa Barbara, California celebrated their silver wedding anniversary on July 31. Their two older daughters, Mrs. Jack McFerran and Mrs. Theodore Raven and their families could not be present for the event but their younger sister, Diana was there. The Busby's many Plymouth friends extend heartiest congratulations to the former Plymouth couple.

Edwin Highley of New York City is visiting this week with his cousins, Mr. and Mrs. Frank Pierce of Northville road.

Mr. and Mrs. Harry Reeves of West Ann Arbor trail have just returned from Creighton, Nebraska where they attended a family reunion on the occasion of the 87th birthday of Mrs. Reeves' mother.

Don't forget the Lapham School Ice cream social on Thursday evening, August 14, on Brookville road.

Cpl. Donald F. Gottschalk has returned to the Marine Air Base at Cherry Point, North Carolina after spending nearly three weeks with his parents on Kellogg street.

Joyce Lynn Smith accompanied Reverend and Mrs. Robert McFarland to Chicago, Illinois last Sunday where she will visit for a week.

Mr. and Mrs. C. W. Schuler of Blunk street were the Saturday evening dinner guests of Mr. and Mrs. Jack Gage of Clemons road.

Mr. and Mrs. Horton Booth and children of Sheridan avenue spent Friday until Monday visiting friends in Philadelphia, Pennsylvania.

Mr. and Mrs. C. W. Schuler of Blunk street were the Saturday evening dinner guests of Mr. and Mrs. Jack Gage of Clemons road.

Mr. and Mrs. Stanford Burr announce the birth of a son, Robert George born at Tolfree Memorial hospital, West Branch on Wednesday, August 6. He weighed 6 pounds 11 ounces at birth. Mr. Burr is the son of Mr. and Mrs. George Burr of Sheridan avenue.

Mr. and Mrs. Ronald Bassett of 615 South Harvey street are receiving congratulations on the birth of an 8 pound 14 ounce son born on August 8 in Beyer Memorial hospital, Ypsilanti. Mrs. Bassett is the former Shirley Schroeder.

Mr. and Mrs. Sterling Stanfill of 33865 Orangelawn avenue are the proud parents of a son born in Beyer Memorial hospital, Ypsilanti on August 10 and weighing 6 pounds and 2 ounces.

Mr. and Mrs. Floyd Brandon of Penniman avenue announce the arrival of William Clark Brandon.

Mr. and Mrs. Joseph West and children, Martha Jean and Bill returned home last weekend from a delightful five weeks' trip. They visited relatives in Ft. Worth, Texas; Phoenix, Arizona; and California. Stops were made at Grand Canyon, Bryce Canyon, Hoover Dam, Yellowstone National Park, Salt Lake City, Mt. Rushmore, Pike's Peak and many interesting sights in California.

Mrs. Alice Sherman, Louis Sherman and daughter, Diane, and George Merchant attended the wedding reception in Inkster last Saturday evening honoring Miss Mathilda Ann Whitman and Arthur Underwood.

Mr. and Mrs. Marvin Sackett have been vacationing at Mullett lake for two weeks.

Mr. and Mrs. H. Dobbs and Mr. and Mrs. Frank Tuck of Port Perry, Ontario spent from Friday until Tuesday with Mr. and Mrs. Edward Dobbs of Adams street.

Mrs. Otto Beyer entertained 15 guests at dinner last Friday evening in her home on Liberty street honoring her daughter, Mrs. Carl Hartwick on her birthday.

Reverend and Mrs. Patrick Clifford left Monday morning for the Christian Camp, Fa-Ho-Lo near Muskegon. They will have charge of the evening services this week.

Mr. and Mrs. Wilbert West and daughter, Janet spent the weekend at Crystal lake with Mr. and Mrs. Leland Smith of Detroit.

Mrs. Ruth E. VanWagoner and family spent last week at Birch lake near Traverse Bay.

Mr. and Mrs. Howard Bowring of Bradner road enjoyed dinner last Friday evening at Porritt's Inn at Novi, later going to the home of Mr. and Mrs. Leo Harris in Detroit.

Mrs. Lee Philips and Mrs. Geo. Philips and son, Terry Lee were Friday luncheon guests of Mrs. William Farley of Adams street. Mrs. George Philips is leaving very soon with Terry Lee for Texas where they will join Mr. Philips.

Mr. and Mrs. Maurice Garchow and son, Richard were hosts last Saturday evening at a co-operative supper at their home on Bradner road. Guests included: Mr. and Mrs. Walter Tacia and family of Deford, former Plymouth residents; Mr. and Mrs. Rudolf Knaut of Wayne; Mr. and Mrs. Jack Norris and family, Mr. and Mrs. Norman Mahrley and family, Mr. and Mrs. Walter Packer and family, Mr. and Mrs. Hugh Johnson and family, Mr. and Mrs. Ernest Wendland and family and Bob Lewis all of Plymouth.

### MELONS

Our Melons are Now Ripe. J. E. BRINKS 48734 W. Ann Arbor road

By-Carl Peterson

For years there have been predictions that some day the U.S. would have a woman president. . . and each convention time we seem to be getting closer to it. This year Mrs. Indiana Edwards and Judge Sarah Hughes were nominated for the Vice's job by the Democrats. Both the ladies bowed out with a smile. . . but it still marked a high tide for feminine hopes. It was the first time the "weaker sex" had gotten more than a kind word from the speaker's stand. There are a lot of arguments as to whether a woman would make a good president. . . but we won't have to get involved in them for another four years.

The ex-president of the American Sunbathing association says nudism would promote peace, "because if soldiers wore no clothing you couldn't tell which ones were enemies." That's getting down to bare facts.

There's no doubt about facts, when it comes to accurate prescriptions. . . There's plenty of know-how in every preparation. That's why we're proud of our reputation. We make accurate prescriptions our life work. . . and our prescriptions are trusted 500 times a month by those who depend on us. . . Come in soon. . . let us prepare your doctor's prescriptions at PETERSON DRUG, 840 W. Ann Arbor Trail. Phone: 2680.

### Rosary Held For Roscoe F Buck

Rosary was recited at the Schrader Funeral Home, Plymouth, on Wednesday evening, August 13 at 8:30 p.m. and funeral services will be held Thursday, August 14 at 9:30 a.m. at St. Michael's church, Rosedale Gardens, for Roscoe F. Buck who passed away early Tuesday morning, August 12. Mr. Buck was 71 years old. He resided at 9920 Arden in Rosedale Gardens, Livonia.

Mr. Buck has been a resident of Livonia for the past 45 years. He was a member of St. Michael's church, and the oldest member of the V.F.W. Lt. L. J. Owens Post No. 3941 of Livonia.

Reverend Albert Zinger will officiate. The active pallbearers will be William Powell, Rudolph Kleinert, Bernard McGrath, Charles Cook, Joseph Livernois and Charles Kunkel. Interment will be in Holy Sepulchre cemetery.

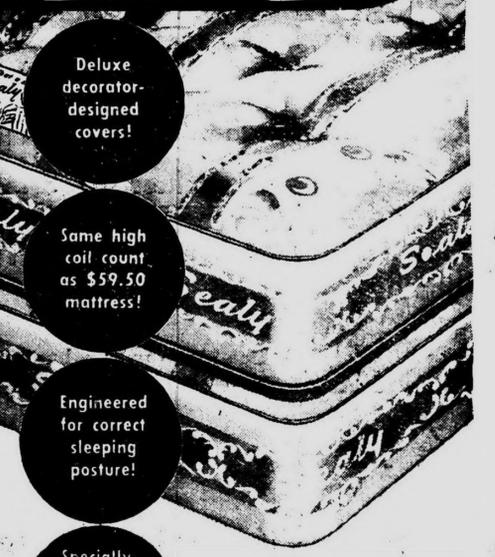

He is survived by his wife Mrs. Estelle Buck, other relatives and many friends.

### 2 Plead Not Guilty to Selling Illegal C & O Scrap Iron

Two C & O railroad employees accused of simple larceny pleaded not guilty when arraigned in Municipal Court, July 22, and were released on \$100 bond each pending outcome of a court trial, set for September 8.

The two men, Calvin Heard, 16380 Franklin road, Northville, and Martin Hutchinson, Grand Rapids, were accused of illegally selling 3,000 pounds of scrap iron they allegedly stole from a C & O railroad car.

A complaint filed against them indicates they sold the scrap iron for \$24.50.

### Eastern District of Church of the Nazarene to Hold Camp Meeting

Sixty-two churches of the Nazarene in the eastern Michigan district will hold a camp meeting August 18-24 at the School Lake Evangelical United Brethren campground on U. S. 23 near Brighton.

The meeting will open with a district wide rally at 7:30 p.m. August 18. On succeeding days, meetings will be held at 10:30 a.m. and 2:30 and 7:30 p.m.

Speaking at all evening services will be the Reverend C. B. Cox, superintendent of the Colorado district. Harold Baumgardner of Pontiac will be featured singer. He was formerly associated with light opera in New York.

Dr. W. M. McGuire, district superintendent of Pontiac, will be platform manager of all services.

### Grange Gleanings

Our annual picnic will be this evening at the park if it is good weather. If not we will meet at the Grange Hall as usual. This is the birthday party for those whose birthday comes in August. We should try to be on time, 6:30 as nearly as is possible as it gets dark early.

We are going to meet at the foot of Riverside Drive in front of the first Comfort Station and go to the tables south of the drive.

Mrs. Mable Oldenburg is slightly improved at this time.

Mr. and Mrs. Huebler came down from their northern home last Friday to stay for a week. Just in time for the Grange Picnic.

Mr. and Mrs. Sam Spicer, Mrs. Hutton and Louise Tritten attended the big Grange picnic near Adrian last Thursday at which Herschel Newsome the National Master was scheduled to speak.

## Isbister Directs State Conference Helping Solve Schools' Problems

School administrative and instructional problems are coming in for a complete survey this week at a Statewide workshop conference, directed by Superintendent of Schools Russell Isbister of Plymouth.

Now in progress at Higgins Lake, August 10 to 16, the workshop is also being attended by 10 Plymouth school principals and teachers. They will share their experiences with nearly 100 other top secondary (high school) educators from the State having mutual administrative-instructional problems.

Before leaving for the site of the conference, Superintendent Isbister said: "We expect to bring back some valuable information that will improve instructional methods in Plymouth's schools."

He indicated that the schools' public relations techniques among school teaching and administrative staffs as well as with the public will come in for extensive discussion and policy revision.

"Extensive pre-planning for a

top-notch school system is essential," he declared. "And one way to do this is to get away from the work situation and dig right down into 'grass roots' problems plaguing school systems, using all available rich human resource."

Being sponsored by the Michigan Secondary School association and Department of State, and attended by University of Michigan and college educators, the conference members will also discuss inserting a conservation training program in the state school systems.

Calling for a realistic approach to Michigan's dwindling natural resources, Superintendent Isbister said that trained persons are sorely needed to administer scientific principles to conserve fish, wildlife and mineral resources throughout the state.

He suggested that such a program might be installed in the secondary schools throughout the state as part of a natural science

curriculum, pending outcome of the conference.

School principals from Plymouth attending the Workshop are: Mrs. Nancy Tanger, Bird school, Ruth Eriksson, Smith school, Donald R. Rank, Starkweather school.

Teachers from the city also seeking solution to some of their instructional problems at the conference are: Elizabeth McDonald, Mrs. Joan Hayskar, Kathryn Bock, Athol Packer, Mrs. Marion Mathews, Verle Crawford and Ruth Butts.

## Summer School Band Performs

The Plymouth summer school band group of beginners concluded its activities with a concert for parents Friday, August 8.

The group, conducted by Laurence Livingston, is made up almost entirely of fourth grade students in the Plymouth schools. The students have been practicing for the past eight weeks.

A picnic was held for the musicians, their parents and friends in Riverside park on Thursday, August 7.

Take care to use oven glassware in the oven only. Use over direct heat only glass that is definitely labeled "flameware".

Photographers take aerial pictures of Traverse City from a height of three feet. The city's Clinch Park contains a miniature of the city, accurately constructed to scale.

**AGILE HOUSEPAINTER**—Clarence E. Stevens, 86-year-old piano tuner, sees no hazards in painting his own house "just to keep busy." Stevens, who lives modestly at 240 North Harvey street, has multi occupations. He teaches "piano art" to neighborhood youngsters and still tunes 30 to 40 pianos every month. His biggest pleasure is driving his own car, taking trips to all parts of the nation.

## 86-Year-Old Piano Tuner Paints House, Sings in Choir to Keep Busy

By Jack H. Lewis

Plenty of work and daily messages are part of a formula for longevity of one 86-year-old Plymouth "oldster" who sees his aging years as having few hazards.

Still as physically and mentally active as a person 40 years old, Clarence E. Stevens, 240 North Harvey street, adds proof to these words.

He is currently painting his house, hanging precariously from a ladder and stretching up to douse the lower gables with gobs of fresh white paint.

Stevens says he gets a "lot of fun" out of sprucing up the exterior of his house. "Besides," he adds, "it passes away the time and keeps me occupied."

The near life-long resident of Plymouth for all his 86 years, still stands erect and straight, his "ramrod" six-foot figure still agile and supple.

With a gleam in his eye, Stevens gives away one of his secrets of a longevity that has outlasted his spouse's by six years.

"I massage myself daily with a towel," he declares, "it helps keep up good circulation."

But keeping physically fit is just a part of a formula that has its combined mental-physical aspect.

By occupation, Stevens is a piano tuner, a profession to which few persons can claim his equal.

Besides this job he still pursues actively, he is also a former

elementary and high school music teacher. Perhaps one of the few left of Plymouth high school's graduating class of 1883, Stevens took his first teaching job at a country school on "the outskirts of the then village of Plymouth."

About his area-wide recognition as an "ace" piano tuner, Stevens says very little.

"I did get him to admit, however, that lining up a set of no strings so that they sound melodically is not a job for a beginner. 'It takes years of practice to detect the proper pitch of a piano string,' he admits, stating that he just uses a middle 'C' tuning fork to get the first pitch.

But from then on his shrewd skill tuning each string by ear, and there are hundreds of them, so that each tone balances and blends to make the "88's" produce harmonious, melodic sounds.

About the number of pianos he has tuned, Stevens is uncertain. But he reasons, on the basis of customer lists—that the number runs into many thousands since he launched his piano tuning career in 1908.

In an average month he still beats the discordant sounds out of 30 to 40 pianos.

About music teaching, Stevens says besides a sense of depth and the meaning of music, a piano player needs rhythm and "lots of practice."

An expert pianist himself, he doesn't feel as though modern youth has changed much when it

comes to putting in daily hours of toil practicing on the ivories.

"To keep their children interested in music, parents should temper their insistence with gentle helpfulness," he advises, "making sure they never discourage, but encourage their offspring in the pursuit of musical expression."

Using this philosophy, Stevens is teaching two neighboring children in piano skills, indicating that one day, on the basis of their present progress, they will make "first rate showmen."

Besides his distinction, perhaps, as being the oldest 1883 Plymouth high school grad, Stevens has another distinction.

Recently he was awarded with an engraved tie pin from the Presbyterian church for having

sung in its Sunday choir for over 50 years.

The active house painter, piano tuner, music teacher and choir singer, who will soon celebrate his 87th birthday, says he gets his greatest pleasure from driving a car vacation bound for a sight-seeing trip about the nation.

He recently returned from a

driving tour through the southern part of the United States.

As a concluding commentary, Stevens says he has been given a "clean bill of health" by his doctor, advising other "oldsters" that one way to stay young is to "keep busy doing something constructive that makes other people and yourself happy."

Worlds of mileage in these

# Seeks Overhaul of Antiquated Nuisance Laws

## Humane Society News

A new nuisance ordinance to do away with a "nuisance" is the objective of one City representative.

City Attorney Harry Deyo indicates that "old time" nuisance ordinances, passed as early as 1873, when Plymouth was a village, are coming in for a complete overhaul if he has anything to say about it.

"The 'old time' ordinances—there are nine of them—were antiquated even in the horse and buggy days (about 1900).

"Besides," the attorney adds,

"they're cast in the old English parliamentary style complete with 'yea's' and 'thee's". In addition, he says, "the ordinances were set up at varying times—they need consolidation."

The single nuisance ordinance Deyo proposes still smacks slightly of the original terminology used before the turn of the 1900's.

One of the acts within the proposed nuisance ordinance would prohibit "sheep, swine, horses or other animals—chickens, ducks, geese, turkeys or other domesti-

cated poultry," to run at large.

It would levy a \$100 fine or 90 days in jail, or both, on any persons riding bicycles upon the public sidewalk in the city" and would punish anyone "firing or causing to be fired of any powder rifle, revolver, pistol" on public streets, alleys, parks, cemeteries or other public places in the City. An exception here is made—police or other "peace officers" may fire powder firearms inside the City.

The revised nuisance ordinance covers, in addition, everything

from gambling, to defacing telegraph and telephone poles with any "advertising of any kind or nature, whatsoever."

And it gives police authority to take charge of animals, poultry and written notification of such possession to the property owner.

Further, the ordinance permits the City to sell captured animals after five days, deduct its expenses and return the balance of the "cash sale" to the property owner.

In the words of City Attorney Deyo, "the revised nuisance ordi-

nance is more up to date and realistic in terms of present day City needs."

He went to detail the changes talking about parliamentary English—"yea" and "thee"—and muttering something about tractors with iron flutes digging into the pavement.

The last statement made, as he went out the door, was something to the effect that at least this new ordinance wouldn't be quite so "ancient" as the one the City is now operating under.

phone 1255-W. Dr. W. E. Lickfeldt is in charge.

All stray dogs are taken there by the Police Department. Dogs are kept there 48 hours by law and then mercifully destroyed. A lot of stray dogs also can be located at the Humane Society.

All pets that come to the humane society shelter are housed and fed as a result of generous donations. To continue this service and do more for pet lovers, the shelter is in constant need of additional funds to meet climbing expenses. Your donations will be put to good use.

Anyone interested in joining the Humane Society Auxiliary or in need of information regarding

pets, may telephone 1283-M or 786-J.

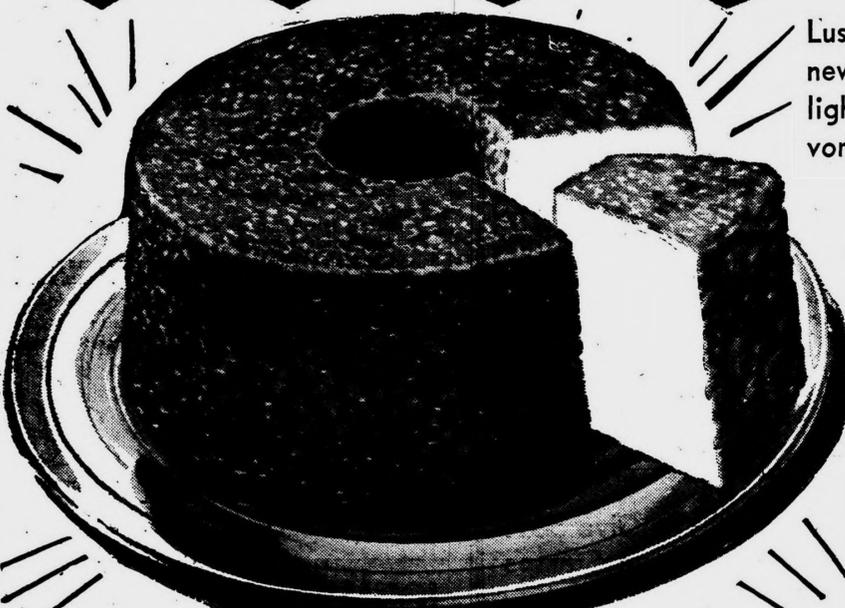

If you have a social item or any other local news, phone 1600.

### Archers Honored at Conservation Club on Joy Road

In a recognition service at the clubhouse of the Western Wayne County Conservation Club Monday, August 4, members honored all winners in the recent archery shoot held at the new archery range on the club grounds. President Gar Evans presented the trophies to the various division champions.

For their proficiency in the use of the bow the following were awarded a trophy: In the Free Style Shoot, awards were made to Frank Sancho, expert bowman A; Fernie Olson, expert bowman B; Clifford Smith, archer.

In the Instinctive Shoot, Ernest Kirin was the expert bowman A winner; Jim Ross the expert bowman B winner; Les Bookout, bowman; and Dale Turner, archer.

The ladies and junior boys also won laurels. In the women's Instinctive Shoot, Gurt Turk won an archer's award, and in the young boys' division, Jerry Kuhn received an award.

The trophies were donated by the following merchants: Burley's Service Station, Fisher Shoe Store, Plymouth Lumber Company, Beglinger Olds, all of Plymouth; The Archery Shop, Jim Turk, Dr. M. E. Georgeson, all of Detroit; Krohn's Archery Tackle of Ypsilanti; and Geer Brothers of Livonia.

There will be two more tournaments this year—the Field Tournament on Sunday, August 24, and the Broad Head Tournament on Sunday, September 14.

The Western Wayne County Conservation Club is regarded as one of the best such organizations in this part of the country.

Organized in 1938, its membership has grown by leaps and bounds since that time. The grounds provide ample marksmanship for both rifle and bow as many moving silhouette targets bring a semblance of reality to the sport.

It wasn't until a little over a year ago that archery became a part of the program. Archery Chairman Fernie Olson went to work in earnest and built up a high-class type range. With the help of archery expert, Carl Strang of Detroit, the two laid out a 14-target course along Tonquish Creek. Other men interested in archery helped lay out the course,

built bridges, cleared brush, and other work connected with making this such a fine course.

Since its completion last May, the club has held three tournaments on the now 28-target course. Over 400 archers have signed up as members since the first meeting in 1951.

It is now possible to use the rifle and archery ranges the year around.

The Western Wayne County Conservation Club is located on Joy road.

A light at the entrance to farm buildings can help eliminate stumbling accidents.

### Thoroughbred "Play" Ponies to be Exhibited

Some of Michigan's outstanding thoroughbred ponies go on display at the third annual showing of the Michigan Pony Club.

To be held August 19 to 24, at the Midland County Fair, the "play" ponies, cute enough to delight the hearts of most children, will be exhibited in harness, under saddle and in hand.

LeRoy Jewell, president of the Michigan Pony Club, says one of these Children's pets will be given away free at the Hillsdale County Fair, September 21 to 27.

Two of the objectives of the Club, Jewell points out, are to recreate interest in ponies as children's pets and for the "betterment of the pony kingdom."

The ponies sold by the Club members range in price from \$100 for a registered male weanling to about \$1,500 for show ponies.

The Michigan Pony Club, in anticipation of its yearly showings, met last Sunday at Jewell's 39859 Ann Arbor road home for a kickoff potluck dinner.

Some 49 members came from area wide districts to attend the potluck.

In Van Nuys, California, Irving Levin returned from the police station, where he had gone to turn in \$90 somebody lost, found his car ticketed for illegal parking.

In Santiago, Chile, Weather Forecaster Julio Bustos was being sued by the mayor of Valdivia, who charged that Bustos' prediction of rain during Valdivia's centenary celebrations had discouraged tourists, cost the city ten million pesos.

### Football Practice For PHS Varsity Starts Labor Day

Labor Day, September 1, will see no rest for Plymouth high school footballers. This will be the kickoff day—the official beginning of varsity football practice.

Those players already assigned a berth on the varsity, junior varsity, junior high and freshmen squad are urged to report for physical examinations, August 25, at 9 a.m.

In addition, varsity football Coach Charles Ketter invites any junior high or high school student interested in playing football to check in with him at the High School Athletic Office, starting August 25.

Coach Ketter informs his "pigskin" crew that when they report for their physical they may insure themselves against injury by bringing \$2.50 for athletic insurance.

Practice sessions for the Freshmen team will begin September 3, with the junior high squad starting their initial practice sessions after school days officially begin.

The late jumpoff on beginning football practice, the coach points out, is due to a new ruling of the Michigan High School Athletic association that curtails fall practice to September 1.

Of interest to football players are side notes released by Coach Ketter.

He warns his "crew" to bring their own towels, hereafter. That service has been cut out, he declares.

Uniforms (complete with crash helmets) will be issued to the "pigskin" boys of the 10th, 11th and 12th grades, beginning August 27, at 9 a.m.

Freshmen players will get theirs September 2, beginning at 2:00 p.m.

Besides Coach Ketter, John Sandmann, athletic director, will also help coach the varsity squad. Junior varsity squad will have as its coach, Bill Harding, new junior high school teacher.

John McFall will coach the Freshmen team, with Frank Sullivan, also a new addition to junior high, coaching the 7th and 8th graders.

### Age, Condition of City Property Called "Average"

According to appraisal experts, the condition and age of city-owned property is "average."

Two appraisers, from the American Appraisal company, Milwaukee, made this statement after eyeing nearly every piece of property owned by the City.

The appraisal experts have been hard at work since last Monday assigning a dollar evaluation to business machines, typewriters, such things as city furniture, and a thousand other things that make a city tick.

The reason for this, the professional appraisers point out is to determine the value of the property for insurance.

They also list the value of the city-owned items so that the City may lay properly evaluated claims in event the property is destroyed by fire.

The American Appraisal company, a national firm, has evaluated property values of several Plymouth industrial firms. Yearly, they assay about 85 per cent of industrial and business property throughout the nation.

In Gary, Indiana, Justice of the Peace Paul Dudak indignantly announced that he would not marry any more couples who chew, drink, hum, whistle, wear greasy clothes or crack improper jokes during the marriage ceremony.

WALTER WINCHELL

... often tells what's what before it happens. Winchell, unique in the annals of American journalism, originated a new news-gathering custom—that of going behind the usual news for "inside happenings." Winchell, in crisp, candid and fearless style, comments revealingly on persons, great and otherwise. It's Winchell who tops the list with reports about what's going on here and everywhere. He's another noted writer who helps to make the

C. L. Finlans to Hold Open House

Mr. and Mrs. C. L. Finlan will celebrate their 50th wedding anniversary on Sunday, August 17, at their home 197 Arthur street. They will hold open house from 2 to 6 p.m. and hope all their friends and neighbors will drop in to see them.

Mr. and Mrs. Walter Rensel returned today Thursday after vacationing in Pennsylvania.

James Smith Weds in Massachusetts

Announcement is made this week of the marriage of Audrie Zografos of Medford, Massachusetts to James Smith, son of Mrs. Vada Smith of 941 Stark-weather avenue, Plymouth. The wedding took place on June 21 in the Medford Methodist church. James attended Plymouth High school and enlisted in the United States Navy in 1948. He received his discharge in February of 1952.

The young couple are both employed in the East where they will make their home.

Dr. Robert McFarland of Chicago, Illinois arrived last Friday to spend the weekend with Mrs. Fred Schaufele of North Main street. Mrs. McFarland and two daughters, Mary and Margaret, who have been visiting Mrs. McFarland's mother for the past few weeks, returned to Chicago with him on Sunday.

Mr. and Mrs. Robert Grieve

Joyce Houghton-Robert Grieve Wed in Candlelight Ceremony

Large baskets of white mums and gladioli and a background of palms and lighted candelabra formed the setting for the impressive ceremony on Saturday, August 2, when Joyce Elaine Houghton repeated her nuptial vows to Robert Lorne Grieve, Joyce is the daughter of Mr. and Mrs. Howard Houghton of Joy road and Mr. and Mrs. Stirling Kennedy of Rose street are Robert's parents.

The eight o'clock ceremony was read in the First Presbyterian church by Dr. Henry Walch. Miss Norma VanDyke, accompanied by the organist Fred Nelson sang "Because" and "The Lord's Prayer".

Joyce, lovely in a gown of white lace and net over taffeta, approached the altar on the arm of her father. The lace fitted bodice and bouffant skirt of her gown was complimented by a lace jacket with Mandarin collar and lace gauntlets and was of ballerina length. Her fingertip length veil of illusion fell from her matching lace bonnet and she carried a bouquet of white carnations, gardenias and stephanotis.

Miss Wanda Grieve, sister of the bridegroom, was the maid of honor. Her gown, made similar to that of the bride, also had a small jacket and was of pink net in ballerina length. She wore a matching picture hat and gauntlets and carried lavender asters.

Miss Carolyn Smith and Miss Barbara Matt, cousin of the bride, were bridesmaids. Their gowns were of orchid net and made identical to that of the maid of honor. They too wore matching picture hats and lace gauntlets and carried bouquets of yellow roses and yellow Fuji mums. Susan Dougan, another cousin of the bride, was the flower girl. She wore a gown of aqua net and her flowers were bronze daisy type mums.

Robert asked Allen Finney to be his best man and the ushers were Derald McKinley and Charles Stark.

Mrs. Houghton selected for her daughter's wedding, a dress of coffee colored nylon lace with matching accessories. Mrs. Kennedy was in teal blue with white accessories. Both mothers wore corsages of yellow carnations.

Immediately following the ceremony, a reception was held in the church parlors for over 150 guests who came from Canada, Ann Arbor, Ypsilanti, Detroit, Pontiac and Plymouth for the wedding.

Following a honeymoon which will take the young couple to Rainbow Springs, Florida, they will be "at home" to their friends on Starkweather avenue. For traveling, Mrs. Grieve wore a navy suit with white accessories and a gardenia corsage. Both young people are graduates of Plymouth High school.

Local News

Mr. and Mrs. Ragnor Blomberg spent last week vacationing at Mackinaw Island, Traverse City and a few days at Surrey House in Harrison.

Mr. and Mrs. Frank Pierce and daughter, Jane spent last weekend in Mecosta visiting Mrs. Frank Pierce Sr. and other relatives.

# Hints for Plymouth Homemakers

## Peaches Now in Plentiful Supply, Use Them in Dessert Dishes

Peach season is at hand—a season that's greeted with a great deal of enthusiasm by everyone. The golden fruit is in plentiful supply right now and it's time to honor it with a special dessert.

Peach Crisp might be nominated as a worthy treat to honor the season. Sweet and juicy, it combines the peaches with a crunch topping of brown sugar, butter and rolled oats. The topping has the same rich butterscotch flavor and crunchy texture that has made its twin, Apple Crisp, such a favorite.

Sometimes you will be serving Peach Crisp straight from the oven. Work ahead then and avoid a last minute rush by preparing the topping mixture and storing it in the refrigerator. Other times you may bake the Crisp early in the day to serve ice cold. Either way, a cap of whipped cream or a scoop of ice cream makes this a truly delightful dessert.

**Peach Crisp**  
3 cups sliced fresh or frozen peaches (or apricots)  
1 tablespoon lemon juice  
1/3 cup flour  
1 cup rolled oats, (quick or old fashioned, uncooked)  
1/2 cup brown sugar  
1/2 teaspoon salt  
1 teaspoon cinnamon  
1/3 cup melted butter or margarine

Place peaches in shallow baking dish. Sprinkle with lemon juice.

Combine dry ingredients; add melted butter, mixing until crumbly.

Sprinkle crumb mixture on top of peaches.

Bake in a moderate oven (375° F.) about 20 minutes or until peaches are tender.

Serve warm or cold with whipped cream or top milk or cream.

Another appetizing peach dessert is Dutch peaches and cream pie.

**Dutch Peaches and Cream Pie**  
6 ripe peaches (approximately)  
1 9-inch unbaked pie shell  
1/2 cup sugar  
1/4 cup flour  
1/2 teaspoon cinnamon  
1/2 pint sour cream  
2 tablespoons sugar  
1/2 teaspoon cinnamon

Peel, halve and stone peaches; place in pie shell, cut-side up. Do not overlap more than necessary. Mix 1/2 cup sugar, flour and 1/2 teaspoon cinnamon; sprinkle evenly over peaches. Pour cream over all. Combine remaining sugar and cinnamon; sprinkle over cream. Bake in hot oven, 450° F. ten minutes. Lower heat to 350° F. and bake 1/2 hour longer.

Read the classified pages.

## Cold Cuts Good For Informal Lunch, Supper

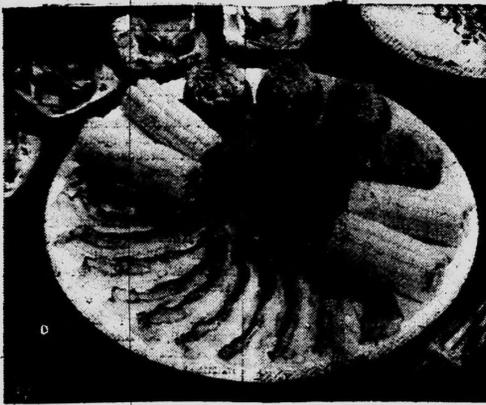

When you're serving guests in the late evening or at an informal porch luncheon or supper, there's something gay and chummy about serving a tray of cold cuts.

With rye bread and a tossed salad, it's a meal all in one. If you use pretty paper napkins and paper plates you'll find entertaining no burden at all, even in the hottest weather.

**Cold Cuts Supper Tray:** On one side of the platter, arrange alternating slices of summer sausage and liver sausage. Next to these, place cornucopias of bologna or pimiento loaf filled with chive cottage cheese. Make ham rolls by rolling "boiled" ham around sticks of processed American or Swiss type cheese. Add these to the tray along with some sliced rye bread.

Center the tray with a shallow bowl filled with a salad made from mixed greens, tomato wedges, sliced cucumbers and sliced hard cooked eggs. Just before serving, toss with a French dressing or a combination of mayonnaise and French dressing. Or you might center the tray with assorted relishes—cucumber and carrot sticks, ripe olives, stuffed celery, etc.

## GARDEN SUPPER FEATURES BACON

Meat meals can be economy meals, too... and here's delicious proof! With our eyes on the budget, we've selected a menu that does triple duty. Guaranteed to satisfy all appetites, it's a good choice nutritionally and economically.

Crisp-broiled strips of bacon with fresh green beans, corn on the cob, and broiled tomatoes are combined in one of the best tasting meals that ever caressed your palate. The vegetables are now in season in your garden, and, of course, bacon's in season any day of the year.

Yes, bacon makes friends the year around, every meal of the day. Whether it's breakfast, lunch, or dinner, bacon can hold its own on any menu. Bacon makes any meal an easy-to-prepare and flavorful one that will satisfy all the hungry members of your family.

When it comes to cooking bacon, it should be cooked slowly, watched carefully, and removed when it is just crisp, not brittle. The method by which you cook it can match almost anything, else you're cooking and use the same part of the range. Bacon may be broiled, pan fried, or baked. Baking is recommended for cooking large quantities of bacon at one time. Broiled bacon has the very finest cooked flavor, needs no draining, and cooks in a few minutes.

To prepare the bacon-vegetable platter pictured here, first, slice the top off whole tomatoes—then heap on buttered bread crumbs. Place the tomatoes on a broiler rack beside the strips of bacon. Let the bacon broil slowly 2-2 1/2 minutes to a side, turning it only once. Add the good wood-smoky flavor of bacon to the tomatoes by spooning the drippings over them while they are broiling. Season the cooked beans and corn with bacon drippings, too. Arrange the meat and vegetables on a large chop plate and then serve with iced tea and piping hot rolls.

## Transparent Apples Now on Local Markets

Transparent apples are coming on the market in large volume. These will be closely followed by the Wealthy, Duchess and Maiden Blush varieties.

These early varieties will be plentiful but there will be fewer fall, fall and winter, and winter varieties that we had last year. A crop of six million bushels of all apple varieties is estimated for Michigan, as compared with nine million bushels last year.

Transparent apples make excellent sauce and many folks like them for "green apple pie." Transparents will cook to pieces more than some of the later varieties. They are not especially good for eating out of hand because of their mealy texture. The Duchess apple resembles the Transparent in texture and color.

The Wealthy apple is more distinctly a red apple and is a good eating apple. The Maiden Blush is better for baking, sauce or pie. None of the early varieties keeps well, so purchasing in small quantities that can be used before they become wasteful is good economy. Store apples in a cool place in the refrigerator until they are used.

Early apples do not freeze well but can be canned as apple sauce fairly easily for winter use in desserts and baked dishes.

## Try Broiled Dinner For Cooler Cooking

Broiled dinners are good choices for summer because the main course can be cooked quickly all at the same time. For instance, ground beef patties require only 12-15 minutes to broil. Tomato halves topped with grated cheese and cooked potato slices brushed with butter, or patties made from leftover mashed potatoes, can be popped into the broiler when the meat is partially cooked and ready to turn. The entire meal comes out hot and savory after only fifteen minutes total cooking time.

In Detroit, Mrs. George Atkinson complained that her husband, an ardent Republican, shoved her out of the car when she told him she had voted the straight Democratic ticket.

In Passaic, New Jersey, Joseph Gardella, arrested for drunken driving, explained that he had been repairing a tavern refrigerator. None of the early varieties keeps fumes from the methyl chloride used as a cooling fluid.

## VACATION

## Flavored Pears Easy to Can

Pears should be removed from the tree when fully mature and stored in a cool place (60-65° F.) until ripe, but not soft. The Bartlett is usually considered the best pear for canning, but the Keiffer and similar varieties are satisfactory if properly ripened and then cooked until almost tender in plain water before sugar is added.

Wash, pare, halve, or quarter, and core pears. Drop the fruit into water containing 2 tablespoons each salt and vinegar to a gallon of water. Rinse. Boil gently from 4 to 8 minutes in sirup made of 1 part sugar to 2 or 3 of water. Pack into hot jars. Cover with sirup in which cooked. Seal with Dome lids and bands. Process 20 to 25 minutes in hot-water bath. Use the longer time for large fruit.

**Orange Flavored Pears:** Use orange juice instead of water when making the sirup. Cook the rind of 1/2 orange with each quart of sirup. Remove the rind before packing the pears.

**Cinnamon Flavored Pears:** Use 2 or 3 tablespoons of "red hots" to each quart of sirup, or use stick cinnamon and a few drops of red coloring.

## TV Sets Can be Fire Hazards

Television set owners sometimes create fire hazards inadvertently, say specialists of U.S.D.A.

One hazard may be the way the aerial is attached to the chimney. This danger is somewhat greater on farms than in town, because in the country aerials must be high. If not securely attached, the constant vibration of the aerial in the wind may weaken the mortar, causing bricks to come loose or cracks to develop in the chimney wall. If this occurs, two things can happen: Sparks can fly onto the roof, or hot gases accumulate in the walls or attic of the house. Either might result in a disastrous fire. And remember to have the television aerial grounded against the possibility of a lightning strike.

The specialists also suggest television precautions to take inside the house. One concerns location. Each set uses from two to three hundred watts of electric power, so it generates a good deal of heat. If so the owner pushes it flat against the wall, or into a tight corner, this may cut off air circulation, and the heat that accumulates may damage the set. It might even result in a fire inside the cabinet.

Television manufacturers provide for further ventilation by putting small vent holes in the cabinet—usually at the top or bottom of the set. The home-maker who puts a decorative mat or covering over the cabinet may nullify this safety effort of the maker. With a table model, it's well to take care that the family doesn't slide magazines into the space between the bottom of the cabinet and the table. This will shut off the air from the vents in the under side.

### Extra Helpings

THE nutrient-valuable egg serves as a cooking tool. It thickens custards and sauces; leavens and lightens a soufflé or cake; binds together oil and vinegar in mayonnaise.

Air present in reamed orange juice heightens the natural fruit flavor. During canning, air is removed. That's why economical Florida canned orange juice should be aerated with rotary beater or by pouring between two containers.

Loosely wrapped and kept at 35 to 40 degrees F. are cues to meat freshness in the home refrigerator. Meat also retains best flavor when used as soon as possible. Hamburger and liver may be stored two days; pork chops for three days; frankfurters and table-ready meats, four to six days; rib roast of beef, five to eight days; round beef steak, five days.

A spicy sauce that perks up cooking yet has never been cooked itself is Tabasco. The Tabasco peppers are naturally fermented, like wine, but through three years.

Despite their color and flavor difference, blueberries and cranberries are nearer kin than blueberries and huckleberries. Cultivated blueberries, grown commercially the past 50 years, can be frozen dry-pack style in the home freezer.

Count sugar as liquid in recipes calling for unflavored gelatin since sugar goes into solution. The rest of the rule is: one envelope of unflavored gelatin jells two cups of liquid at refrigerator temperature. Up to two cups of solid ingredients may be added.

No market basket dents result when butter and margarine are purchased in paraffined cartons. In addition, the carton prevents odor-absorption from fruits or vegetables in shopping bags and home storage.

For a two-tone frosting based on the 7-minute classic: use half the frosting between cake layers. Then sprinkle a package of semi-sweet chocolate morsels into remainder; set stand until chocolate is softened, blend and use for top and sides of cake.

## Local Sport News

### Softball Tourney Begins Monday at Garden City

The winner of the playoffs, now in progress in the Men's league, will represent Plymouth in the District tournament at Garden City beginning next Monday evening. The local entry will play Garden City in a best two out of three series, and the winner will qualify for the state tournament at Allen Park beginning the following Friday.

The second game against Garden City will be played next Tuesday, August 19, and the third, if necessary, on Wednesday, August 20. To reach the diamond on which these games are played in Garden City, go down Middlebelt and turn left on Ecorse road, go three blocks past Pelham road and turn right three more blocks to the park.

If Plymouth gets by Garden City, they will play Allen Park on Friday, August 22 at 8 o'clock in Champaigne Park. This park is on Balfour and Champaigne in Allen Park.

Among the entries that will be in the state tournament at Allen Park are those from Allen Park, Adrian, Albion, Drayton Plains, Midland, Monroe, Roseville, Trenton and either Garden City or Plymouth.

If the season's record in the Men's league runs true to form, Beglinger Olds will be the Plymouth representative in this tourney. The Olds team went to the finals in last year's state recreational tournament where they were edged in the last game after a questionable drawing.

### DTD Win Gains Playoff Position

The Detroit Transmission softball team in the Men's league insured themselves of a place in the playoffs, which began last night, when they downed the last-place Cavalcade team 9 to 0 last Thursday evening.

This win gave them a season's record of 9 wins and 7 losses, and a second-place finish in this combined league.

H. Somers chucked the first five innings and allowed only 2 scattered hits, struck out 9 men and walked one. Cutsinger relieved him in the sixth and was touched for three hits.

Wellman, the losing hurler, gave up 12 safeties.

The attack of the winners was led by Somers and Janis, each having 2 hits. Every man in the starting lineup made at least one hit.

Detroit Transmission scored all their runs in clusters of three—3 runs in each the first, fifth and seventh innings.

This left the Cavalcade team in the cellar with a record of 3 wins and 12 losses. However, these boys played some of the best ball in the league, and many of the lost games were low-scoring and one-run losses.

### Gamble Post Out; Teamsters Lose in Inter-County

The undefeated team of the eight that began the playoffs in the Inter-County hardball league is River Rouge, a team from the red division. Last Sunday, River Rouge downed previously unbeaten Teamsters 12 to 3 at Cass Benton park. The winners scored most of their runs in two innings, the first and the sixth. In the first they shoved across 5 runs on some sloppy fielding by the Teamsters players, and then cinched the game with a 6 run outburst in the sixth inning.

Wayne knocked Gamble Post out of the playoffs in a 6 to 3 decision, while the Detroit Merchants ousted Grandale by a 6 to 4 score.

This leaves River Rouge with 3 wins and no losses, and the other three teams yet in the race, Wayne, Detroit Merchants, and Teamsters with a 2 win and 1 lost record. Two defeats eliminates a team.

Next Sunday, Wayne plays at River Rouge while Teamsters goes against Detroit Merchants at Inkster park.

If Wayne should defeat the undefeated River Rouge nine then three teams would be tied at 3-1 records. In such a case, River Rouge will draw the bye as the leading team, and the other two would have to play to determine who plays River Rouge for the title.

The winner will enter the District Tournament at Royal Oak to see who will go to the national tournament at Youngstown, Ohio. The first game at Royal Oak will be played Friday, August 29.

The playoff standings after last Sunday's games are as follows:

Team	W	L
River Rouge	3	0
Wayne	2	1
Detroit Merchants	2	1
Teamsters	2	1
Gamble Post	*1	2
Grandale	*1	2
Bodker Dairy	*0	2
Taylor Township	*0	2

\* Eliminated

### DTD Stagger Evans in 4-2 Win

Detroit Transmission strengthened their playoff hopes and dashed those of Evans Products with a close 4 to 2 win last week. DTD scored all their runs in the third and fourth innings when they counted twice in each inning. Evans tried vainly to pull the game out with a two run rally in the fifth inning, but Somers struck out the side in the last inning to kill Evans rally with two men on base.

Somers was touched for 4 hits by Evans batters, while Graczyk yielded 6 safeties to the winners. Hungerman had 2 hits for Detroit Transmission.

This left DTD needing one win in their two remaining games to make the playoffs, and Evans needing to win all their games, including one from Olds.

### HS Girls Victor For First Time

The Twin Pines high school girls team won their first game of the year by scoring 3 runs in their last turn at bat to down the league-leading Wayne girls 20 to 19. This was the last scheduled game of the year and concluded this Inter-City high school girls league. The Twin Pines entry improved with each game.

Barbara O'Neil was in the pitcher's box for the winners. She allowed 14 hits, but only walked 5 players. Her teammates backed her up with 15 hits, including home runs by her sister Jackie O'Neil, Betty Bowden and Ellen Sparks. Betty Bowden, Joan Donnelly and Barbara O'Neil all had three hits.

In the last inning Donnelly led off with a two-bagger, an error let her score and Bowden reached base safely, then after 2 were out Janice Runge singled home the tying run, and scored the winning run on a double by Barbara O'Neil.

Dawn Huebler suffered a fainting spell in the second inning and had to be relieved of her catching duties by Janice Runge.

All the teams in this league are planning a picnic-swim at Kensington Park. The two leading teams, Wayne and Salem, will play an exhibition game while the other players watch.

### Daisy Wins First Playoff Contest

Daisy continued the late season spurt that carried them into the playoffs in the Old Timers' league and won their first playoff game from Dunn Steel 6 to 3. These playoffs probably will end tomorrow night when the two finalists meet for the championship. Daisy will play the winner of the Allen-Dunn Steel game which was played Tuesday night.

This first game saw a real good brand of ball for "the greys" and both teams fought for a lead during the first part of the game. Dunn Steel led 1 to 0 going into the fourth inning when Daisy tied it up. Daisy went ahead by scoring twice in each the fifth and sixth innings to take a 4 to 1 lead, but Dunn Steel scored twice in the bottom of the 6th to trail by one run as the last inning began. Daisy scored one more run on 3 singles in their half of the final inning, but Dunn Steel could not shove a man around in their turn.

Campbell and Wells each had 2 hits for the winners, while Levy and Crump had 2 for the losers. Harold Williams bested L. Herter in the mound duel.

### Davis & Lent Nine Finishes Fourth

By breaking even in their last two games, the Davis & Lent team in the class F league for boys 14 and under, ended up in fourth place in the 8 team league. The youngsters won 7 and lost 5 during the regular season.

They dropped their last regular game to the undefeated Rosedale nine 7 to 4. Rosedale scored 4 times in the fourth inning on one hit, three walks and a couple errors. Davis pitched for Plymouth, and allowed only 4 hits. Davis & Lent made 5 hits with those being evenly distributed. Arnold had a two-bagger.

In a previous game, Davis & Lent lambasted the last place Livonia Center team by a 17 to 1 score. Carter hurled this game, and allowed only three scattered hits. Foreman and Ferenczi each had three hits.

The final standings:

Team	W	L
Rosedale	13	0
Garden City	10	3
Pierson	9	4
Plymouth	7	5
Clarenceville	7	6
Wilcox	3	11
Northville	2	12
Livonia Center	2	12

### Whitman - Barnes Lose Last Chance

Beglinger Olds knocked Whitman & Barnes out of any chance to gain the playoffs last week with a 11 to 0 shutout victory. This was also a revenge win for the league leaders, as Whitman and Barnes was the only team to defeat the Olds last year.

Joe Nagy, who tamed the Olds team the last time these two met, just didn't have it this time and he was tagged for 10 hits, while his mates could get by Gabby Street, the Olds ace chucker, for only 3 hits.

Olds scored once in the first inning, 3 times in the third, 5 more in the fifth and twice in the sixth for their 11 runs.

Street struck out 8 men, 6 of them in the first two innings. He issued one walk. "Muggs" Hunt had 3 hits and Wilkie two for Olds.

This loss left Whitman & Barnes with a 5 won and 9 loss record and with it went their last chance of making the playoffs.

### Sports Glances

by "Professor" Edgar Brown

Signs of Fall are just around the corner. In a couple of weeks you will see the high school football lads out practicing on the gridiron at the rear of the high school.

The coaches will be putting the boys through their paces for another football season. The Rocks have lost some good players from last year's team, but these will be replaced by others this year, we hope.

In any case they will come up with a team worthy of representing Plymouth high school in football, and I look for it to be a better than average team this year.

The swimming season will come to a close tomorrow night and the pool will be closed until after school opens in September. Many hundreds have taken advantage of a refreshing dip in the new pool during the hot summer months, and beneficial sport will be available for years and years to come right in our own back yard.

The good old game of horseshoes is silently becoming extinct. I can remember whenever people got together on a Sunday or evening, a picnic wasn't complete without many horseshoe games. With the auto, truck and tractor replacing the horse, the grand old game of horseshoe is also feeling the purge. It would be nice if we could promote a horseshoe tournament in Plymouth each summer—it really is a splendid form of recreation and an inexpensive one also.

I did my duty last week Tuesday and voted. That is one privilege I have that I intended to exercise each election no matter how small an election it is—I can testify that I have voted in each one in Plymouth the past 7 years.

I will say that I never had to wait in line 3 hours to cast my ballot before—and that is how long it took me this year. The one voting machine at Starkweather was insufficient for this election. As a result I know personally of 15 persons who did not vote because of the long wait. How many others in other precincts, I don't know, but I'll wager that it was a good number that went home without voting.

Such a wait discourages voters. I got "fed up" on waiting in line for everything during my nearly 5 years in the army during the last war. They say this is a national election year and the vote was heavier, but I don't believe the vote at Starkweather was heavier than some of the other elections in the past—that is the number of voters. At 8 p.m. when the polls closed only 190 had voted and there were about 40 waiting in turn then. I know many times that precinct has had many more than 200 voters.

The voters weren't familiar with the candidates, particularly those of minor offices, and consequently they had to study the ballot while voting—I think one woman took nearly 20 minutes to vote—the average was about 5 minutes. The state law says that a person has one minute in which to cast his ballot.

What has the above got to do with sports anyway. Nothing unless it gives a person a sporting chance of voting—some people intended to vote on the way to work like they used to do, but found this impossible with the machine. I have been intending to change the name of this column, but can't find a suitable name. Maybe some of you could help me out.

You softball lovers who want to see a few more games before the curtain rings down on this year's play, can do so by attending the Olds Timers' league, the Mens' league, and the Older girls league. All are on at present. Olds is favored to cop the Mens' league title, Allen Industries in the Old Timers' league and Twin Pines to grab the title in the older girls league.

### Local Boys Finish 6th in Class "E"

In Class E baseball for boys of 16 years old and under, the Plymouth entry didn't fair so well in league play. They finished the season with a 4 won and 9 lost record good for 6th place in this 8 team league.

Livonia Center won all their 12 games for first place, beating out Garden City and Northville who finished next in line.

The final standings were:

Team	T	W	L
Livonia Center	12	0	
Garden City	10	4	
Northville	1	9	3
Rosedale	7	7	
Clarenceville	6	7	
Plymouth	1	4	9
Pierson	2	10	
Wilcox	1	12	

### Local Older Girls Win First Place

Twin Pine Girls are assured of first place during the regular season, but have to win the playoffs in order to gain the state recreational tournament at Lansing beginning August 25.

Three of the four teams in this older girls league made the playoffs—each having reached the 500 percentage. They are Twin Pines of Plymouth, DeHoCo, and the Boosterettes of Ypsilanti.

The playoffs began Monday evening with Boosterettes playing DeHoCo. Last night the winner of that tilt played Twin Pines. As this is a two defeat and out tournament the playoffs will continue tomorrow night with the two losers of the games playing, and next Monday night will be the championship game.

The standings through August 6th were as follows:

Team	W	L
Twin Pines	6	2
DeHoCo	5	3
Boosterettes	4	3
Waafs	0	7

### Evans Wins Extra Inning Game 3-1

Evans Products still clung to a possible playoff berth after last week's games. Evans downed Whitman & Barnes by a last inning spurt which tied up the game, and then went on to win in extra innings by a 3 to 1 score.

Trailing 1 to 0 going into the last inning, they tied up the game after two men were out. Choban opened the seventh inning by bouncing out the pitcher to first, Juopperi was safe on T. Kolbasa's error, but was forced at second by Durbin for the second out. Then facing elimination with Durbin on first and one more out to go, Crawford came through with a ringing single to right center scoring Durbin with the tying run.

Inspired by this turn of events, Evans connected for 3 solid hits in the first extra inning to win the game. With one out, Fairbanks singled, Graczyk also singled, and Juopperi capped it off with another single for the two runs.

Nagy pitched for the losers and allowed 6 hits, three of them by Fairbanks. Graczyk allowed only 3 hits.

It is altogether improbable that Evans would win the one more victory necessary to get into the playoffs as their last game was with the classy Olds team, a team

### Olds Wins Over Lincoln Park 5-0

Beglinger Olds improved their position in the Inter-City Softball league with a win over Lincoln Park 5 to 0 on Gabby Street's two-hitter.

John Wilkie led the attack with a double and a home run. After three scoreless innings Wilkie opened the fourth with a double, Schultz sacrificed him to third, from where he scored on a pitch-out that backfired.

Olds scored 4 more times in the last inning on a single by DeWulf followed by Wilkie's home run.

Tomorrow night the Olds team, who now have a 4 won and 2 lost record, play over at Dearborn.

### Golf Correction

A correction concerning last year's winner of the City of Plymouth Golf Tournament is in order at this time.

Last week, this paper stated that the winner was Tom Locke. This was wrong as Harper Stephens won the trophy last year for his splendid rounds of golf in the local tournament to defeat all his opponents.

Harper will be back in this year's tournament to defend his laurels against all comers in the Championship flight.

### Recreation Schedule

Monday, August 18  
Men's League Playoffs, 7  
Swimming Pool Closed  
Reports  
Tuesday, August 19  
Reports  
Wednesday, August 20  
Men's League Playoffs, 7  
Thursday, August 21  
Friday, August 22  
Women's MRA Softball, Flint  
Men's Intercity Softball, 8:15  
Band Concert, 7

that they have been unable to beat all season. This game was played Monday night, too late for this week's paper.

The playoffs began last night with Olds and Detroit Transmission sure entries, and a possibility of Evans if they got by Olds Monday night.

The standings with all but the last Monday's games are as follows:

Team	W	L
Beglinger Olds	14	1
Detroit Transmission	9	7
Evans Products	7	8
Whitman & Barnes	5	10
Cavalcade	3	12

### Playoff Facts

The regular season schedules have been completed in all soft and hardball leagues with one exception, and the playoffs to determine league champions are now in progress. These playoffs will ring down the curtain on the local baseball program with the exception of the Inter-City softball league, which will not finish its season until September 12—Beglinger Olds is the Plymouth representative in this league. However, there may be a few additional games in state tournament play for the Men's league winner and the Older Girls' winners enter the state tournament. Olds should win the Men's league title, while Twin Pines has an excellent chance of copping the Older Girls' crown.

The Old Timers league championship will be decided tomorrow night, Daisy Mfg. Company will play the winner of the Allen Industries-Dunn Steel game played Tuesday night for the title.

The playoffs in the Men's league began last night, probably with Beglinger Olds playing Detroit Transmission. This will be a best two out of three series. The second game will be played tonight, and a third, if necessary, on Friday evening, as the winner of the league has a first round state tourney game scheduled against Garden City on next Monday night.

The Older Girls' playoffs began Monday night with the Ypsilanti Boosterettes playing DeHoCo. Last night the local Twin Pines

played the winner of the above Monday night's game. Tomorrow, the two losers will play, and then the championship game will be played next Monday night.

In the Inter-County hardball league, four teams, remain in contention, River Rouge with a 3-0 record, and Wayne, Teamsters, and Detroit Merchants with 2-1 records. Next Sunday, Wayne plays at River Rouge, while Teamsters play the Detroit Merchants at Inkster Park.

## 25 Years Ago

Work on the new women's prison, which is being built by the City of Detroit, as a part of the Detroit House of Correction, on a site nearly opposite the House of Correction farm near this village, is fast nearing completion. The prison is located upon what was formerly the F. L. Becker farm in Northville township, which was purchased by the city for this purpose about a year ago or more.

On Wednesday last, there gathered at the home of Dr. W. G.

Jennings and wife, nee Gibson, on the Ann Arbor road just west of Plymouth, what might properly be termed an "International Home Coming" there being representatives present from nearly all parts of the world. Some of these brothers, sisters and cousins had not seen each other from 30 to 40 years. The relatives had come recently from South Africa, New Zealand, Singapore, Minnesota, Canada, Puerto Rico, and Detroit.

The school buildings are now getting their annual renovation. The third floor of the high school building is being redecorated and

minor improvements are being made in order that everything be in readiness for the fall term. The Starkweather school building is being rushed to completion, and it is expected that it will be in readiness for the opening of school September 6.

The Farmers and Mechanics Bank building at Ann Arbor, was demolished shortly after midnight last Friday morning, when four heavily laden freight cars on the Detroit, Jackson and Chicago Railway, a division of the Detroit United Railway, broke loose near the fair grounds on West Huron street, coasted down the mile-long grade to the business section, and leaving the tracks at the turn from Huron into Main street, crashed into the front of the building. Three of the cars piled against the building and the fourth tore its way inside. The loss is estimated at \$150,000.

Born, to Mr. and Mrs. Levi Pankov, of the Six Mile road, a son, Floyd Eugene, Monday evening.

Mr. and Mrs. C. H. Bennett arrived home last Saturday, from a few days stay in New York City.

The Mayflower, Plymouth's Community Hotel, is rapidly nearing completion, the lathes are now at work. The sub floors are laid. The committees are busy buying furniture and kitchen equipment. Unless something unforeseen comes up the Mayflower will be open for business on or about October 1, 1952.

## 10 Years Ago

This week brought to a close the summer recreation program on Plymouth's school playgrounds, sponsored by the Board of Education and the recreation committee of the city commission. The total attendance at the summer playgrounds for the eight weeks' period was 31,000. Although there were fewer adults available for the Starkweather adult ball teams this year, the attendance of boys and girls increased considerably over previous years.

John Blyton of Taylor and Blyton, just back from the Chicago wholesale market, predicts a rapidly growing shortage of goods that will be offered for retail trade. It is the general opinion throughout the entire trade represented at the Chicago mart

**IT'S THE HEAT...** This Albany, N.Y., frog was told to "sit on a lily pad," and he was just small enough to find a comfortable spot on a lily pad. Photographer was hovering on the brink of the pond.

that clothing will be rationed before the end of the year and possibly before Christmas.

It was one hundred percent cooperation upon the part of every Plymouth gas dealer when the curfew went into effect Tuesday night for the closing of all gas stations at 8 o'clock. Not a single gas station in or about Plymouth disobeyed the order to close their places of business at that hour. Not only did they close exactly on the hour, but all display lights at gas stations were turned off as well.

Registration cards for a census of women available for war work have been distributed by postal mail carriers to 50 per cent of the homes in the Plymouth area including the city and rural township sections. All women in the community are requested to fill out the voluntary registration cards and return to the U. S. Employment service office in Detroit as soon as possible.

The first local collection of tin cans for salvage will be made by city trucks Saturday, states City Manager C. H. Elliott and William C. Hartman, chairman of tin and metal salvage in Plymouth.

Jack Selle, Jr., of the Selle Square Deal Body shop, was carrying a cigar in each hand and a broad smile last week in celebration of the arrival of twins, Jay Gregory, six pounds, and Kay Sandra, five pounds and four ounces, were born at the Plymouth hospital last Thursday afternoon at about 5 o'clock. Mrs. Selle, the former Jacquelyn Schoof, and the twins are reported doing fine.

Eighteen men and women are enrolled in the aeronautical ground school course which is being given at Plymouth high school Monday and Tuesday evenings each week. The class has had six of its 10 lessons.

A son, John Duncan III, was born to Mr. and Mrs. J. D. McLaren, Sunday, August 9, in the Plymouth hospital, weight six and one half pounds. Mrs. McLaren was formerly Jane Kemmerling, daughter of Mrs. Jere Kemmerling of Monroe.

**NOTICE OF FORECLOSURE SALE**  
Default having been made in the performance of the conditions of a mortgage made by NICHOLAS G. KARAGAS and MELANTHEE B. KARAGAS, his wife, also known as MELANTHEE KARAGAS, to PLYMOUTH UNITED SAVINGS BANK, a Michigan banking corporation, in and for the County of Wayne, Michigan, dated October 4, 1950, recorded October 13, 1950, in Liber 10627, page 68A, Wayne County, Michigan, Records, on which mortgage there is due the sum of Three Thousand One Hundred Fourteen and 00/100ths Dollars

(\$3,114.66), and the attorney's fee provided by law.  
Notice is hereby given, that by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, on Friday, October 3, 1952, at 12:00 o'clock noon, Eastern Standard Time, the undersigned will, at the southerly or Congress Street entrance to the County Building, Detroit, Michigan, that being the place where the Circuit Court for the County of Wayne is held, cause to be sold at public auction to the highest bidder the premises covered by said mortgage and hereinafter described, or so much thereof as may be necessary to pay the amount so as aforesaid due on and secured by said mortgage and any additional amount due thereon and secured thereby at the time of said sale, including interest at the rate of seven per cent (7%) per annum and all lawful costs.

The premises to be sold are described as follows: and in the City of Livonia, County of Wayne and State of Michigan, described as part of the west 1/2 of the east 1/2 of the southwest 1/4 of Section 25, Livonia Township, Wayne County, Michigan more particularly described as beginning at a point, said point being south 87° 13' east 1327.93 feet along the south line of said section 25, also being along the center line of Plymouth Road, so called, and north 2° 47' east 1042 feet from the southwest corner of said Section 25, thence north 2° 47' east 40 feet to a point; thence south 87° 13' east 220 feet along a line parallel to the south line of said section 25 to a point; thence south 2° 47' west 40 feet to a point; thence north 87° 13' west 220 feet along a line parallel to the south line of said Section 25 to the point of beginning, being Parcel 2119 of the east 1/2 of J. E. Bressler, Registered Civil Engineer, November 4, 1935, the east 20 feet to be reserved for street purposes.  
Dated: June 27, 1952.

July 3 to Sept. 25, 1952

**TO THE SUPERVISOR AND HIGHWAY COMMISSIONER OF THE TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN.**

You are hereby notified that the Board of County Road Commissioners of the County of Wayne Michigan, did, at a meeting of said Board held on July 17, 1952, decide and determine that the certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets are hereby made a part of this notice, and are as follows:  
Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Cadillac Tower, Detroit, Michigan, at 9:30 A.M., Eastern Standard Time, Thursday, July 17, 1952.  
Present: Commissioners O'Hara, Wilson and O'Brien.

Commissioner O'Brien moved the adoption of the following resolution: **BE IT RESOLVED** by the Board of County Road Commissioners of the County of Wayne that the following described roads be, and they hereby are taken over as county roads and made a part of the county road system of the County of Wayne:  
All of John Alden Road, also all of Gov. Bradford Road, also all of Turkey Run and Priscilla Lane, as dedicated for public use in Plymouth Colony Subdivision of part of the S.W. 1/4 of Sec. 27, T15, R2E, Plymouth Twp., Wayne County, Michigan, as recorded in Liber 12 of Plats on page 84, Wayne County

Records, constituting a total of 0.559 mile of county road.  
The motion was supported by Commissioner Wilson and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien. Nays: None.

**THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.**  
In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 31st day of July, A.D. 1952.  
BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN  
John P. O'Hara, Chairman  
Charles L. Wilson, Vice-Chairman  
Michael J. O'Brien, Commissioner  
By Sylvester A. Noetzel,  
Secretary & Clerk of the Board  
Aug. 7-14-21, 1952

**STATE OF MICHIGAN, COUNTY OF WAYNE.**  
No. 283,100

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the first day of August in the year one thousand nine hundred and fifty-two.

Present: Joseph A. Murphy, Judge of Probate.  
In the Matter of the Change of Name of ROSE NANCES SEIGLE, An Adult.  
On reading and filing the petition of the said Rose Nances Seigle praying that her name be changed to ROSE NANCES, It is ordered, That the fourth day of September, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.  
And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

**BUICK'S POWER STEERING?**  
It's the big NEWS of the year

There is a host of things that endear a ROADMASTER to anyone who loves to drive.  
There's the might of its Fireball 8 Engine—most powerful ever put in a Buick.  
There's the thrift of its Airpower carburetor—a four-barrel automatic that literally brings increased power right out of thin air.  
There's its hushed and luxurious silence—its poised and level ride that cost a million dollars to develop—and the infinite smoothness of its Dynaflo Drive.  
But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.\*  
Gone is the tug of turning, parking, maneuvering in small space.  
Power Steering takes over the effort of turning the front wheels—makes it a one-hand operation.  
Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.  
But you'll notice this: When you suddenly hit loose dirt or sand—or a stretch of rough road—Power Steering smoothly goes into action—helps take up the jerk—makes control of the wheel easier and driving safer.  
Wouldn't you like to try out this newest wonder—on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.  
Equipment, accessories, trim and models are subject to change without notice. \*Optional at extra cost on Roadmaster and Super only.

**Official Proceedings of  
Your City Commission**

Monday, July 21, 1952  
A regular meeting of the City Commission held July 21, 1952 at 7:30 p.m.  
Present: Commissioners Arlen, Bauer, Fisher, Hammond, Henry, Tibbitts, and Mayor Daane.  
Absent: None.  
Moved by Comm. Tibbitts and supported by Comm. Bauer that the minutes of the July 7th meeting be approved as submitted.  
Carried unanimously.  
The bills were presented.  
Moved by Comm. Fisher and supported by Comm. Bauer that bills in the amount of \$25,810.41 as approved by the Auditing Committee be allowed and paid.  
Carried unanimously.  
The following reports were presented by the City Clerk for the month of June: Receipts and Disbursements, Municipal Court, Police Dept., Fire Dept., DPW, City Treasurer, and the Health Dept. Moved by Comm. Tibbitts and supported by Comm. Bauer that the reports be accepted and placed on file.  
Carried unanimously.  
Mr. Carl Greske requested that sidewalk be constructed along the City owned property on Mill street from Starkweather to Wilcox. His request was taken under advisement pending reports by the City Engineer and Manager.  
Dr. January objected to an order from the City requiring sidewalk construction on Garfield from Sheridan to Penniman. The City's policy on sidewalk construction was explained by Mayor Daane and the matter was deferred for further consideration by the Commission.  
This was the night for the hearing on the proposed vacation of the stub end of Church street. The following written objections were read by the Clerk:  
1. Letter from Dickinson, Wright, and Davis attorneys for Century Metal Products Co.  
2. Letter from Mary Louise Arlen, Secretary, Century Metal Products.  
3. Letter from D. V. Wood Special Agent, North American Companies.  
4. Letter from A. F. Kehrl.  
President, First National Bank.  
5. Mr. David Mather, Plymouth Lumber & Coal Co.  
The Clerk also read the following 3 citizen's petitions objecting to the proposed vacation:  
1. Contained 25 signatures from various parts of the City.  
2. Contained 21 signatures from various parts of the City.  
3. Contained 9 signatures from various parts of the City.  
Comm. Arlen stated that the vacation was undesirable and presented various maps and aerial photographs relating to his objections. Daisy Mfg. Co. the owner of the abutting lands and the original petitioner was represented before the Commission by Mr. Cass Hough and Mr. Roy Tollen-son of the law firm of Berry & Stevens.  
The Clerk also presented three deeds as follows:  
1. A Quit Claim Deed from the Bathey Manufacturing Company to Century Metal Products conveying part of Lot 653, Assessors Plat No. 18 and also conveying an easement across said land; dated August 7, 1950.  
2. A Quit Claim Deed from the Village of Plymouth to Daisy Manufacturing Company conveying certain lands; dated August 6, 1917.  
3. A Warranty Deed from Daisy Manufacturing Company to the Village of Plymouth conveying certain lands to be used for street purposes; dated July 23, 1917.  
After opportunity was given for all to be heard, the following resolution was offered by Comm. Bauer and supported by Comm. Hammond:  
WHEREAS, a resolution was adopted June 16, 1952, fixing the 21st day of July, 1952 at 7:30 p.m. as the time for hearing objections by the City Commission to the vacation of a portion of Church street in the City of Plymouth, County of Wayne, Michigan described as follows:  
Commencing at the center corner of Section 26, T18S, R8E, City of Plymouth, Wayne County, Michigan, running thence south 88 degrees, 20 minutes, 20 seconds, west along the east and west quarter line of said section, a distance of 823.21 feet to the west line of the Chesapeake & Ohio Railroad right-of-way for a point of beginning;  
Running thence south 17 degrees, 39 minutes, 14 seconds east along the west line of said right-of-way 49.00 feet; thence south 88 degrees, 20 minutes, 20 seconds west 132.00 feet; thence 17 degrees, 39 minutes, 14 seconds east 19.66 feet; thence south 88 degrees, 20 minutes, 20 seconds west 158.36 feet to the south line of Union street; thence north 26 degrees, 21 minutes, 08 seconds, east along said south line of Union street produced a distance of 31.88 feet; thence north 31 degrees, 48 minutes, no seconds west along east line of Bennett street extended a distance of 47.28 feet to the east and west quarter line of said section; thence north 88 degrees;

20 minutes, 20 seconds east 275.55 feet to the point of beginning; and WHEREAS, said hearing was duly held and objections to said proposed vacation of said portion of Church street were duly considered, now therefore  
BE IT RESOLVED that that portion of said Church street as above described be and the same hereby is vacated subject, however, to an easement, hereby retained, by the City of Plymouth, Michigan, for its water main, fire hydrant, and sewer and the use, service and repair thereof.  
Yes: Commissioners Bauer, Fisher, Hammond, Henry and Mayor Daane.  
No: Commissioners Arlen, and Tibbitts.  
Carried  
The following petitions requesting deferment of sidewalk construction were presented for the consideration of the Commission:  
1. South side of Spring St. (1 year deferment requested)  
2. North side of Roe, east of Hamilton.  
3. Davis street (Discussion continued from last meeting)  
Moved by Comm. Fisher and supported by Comm. Henry that the matter of sidewalks be deferred for further study and acted upon at the next regular meeting.  
Carried unanimously.  
The matter of authorization to advertise for garbage and rubbish pickup bids was deferred until the next regular meeting.  
Moved by Comm. Arlen and supported by Comm. Bauer that the low bid of Paul J. Wedeman, Inc. of \$679.73 with trade-in for a Ford 8 Cyl. Police car, and the low bid of Cy Owens of \$747.00 with trade-in for a Ford 8 Cyl. Police car, and the low bid of Forest Motor Sales of \$1250.00 with trade-in for a Dodge 3/4 Ton Pickup Truck be accepted.  
Carried unanimously.  
Consideration of the library bids was deferred to next regular meeting or to a special meeting called for that purpose.  
Resolution relative to authorization to issue and sell special assessment bonds was deferred to next regular meeting or to a special meeting called for that purpose.  
Authorization to expend \$5,000. from Equipment Fund for fence and alterations at the City Garage was deferred until the next regular meeting.  
Communication from the Ira Wilson & Sons Dairy Co. was presented by the City Clerk requesting permission to erect a sign 5' wide by 10' high. Communication was accepted and placed on file for further consideration.  
The matter of the approval of the Birch Estate Subdivision and the Garlings Parkview Subdivision 2 was deferred until the next regular meeting.  
Moved by Comm. Henry and supported by Comm. Bauer that the meeting adjourn.  
Time of adjournment: 11:20 p.m.  
★  
Wednesday, July 23, 1952  
A special meeting of the City Commission held Wednesday, July 23, 1952, at 7:00 p.m., called for the purpose of considering bids for the Dunning Public Library Addition.  
Present: Commissioners Henry and Mayor Daane.  
Absent: Commissioners Arlen, Bauer, Fisher, Hammond and Tibbitts.  
Mayor Daane adjourned the meeting until 8:00 o'clock because of the lack of a quorum present.  
The adjourned special meeting of the City Commission was held July 23, 1952, at 8:00 p.m. for the purpose of considering bids for the Dunning Public Library Addition.  
Present: Commissioners Bauer, Henry, Tibbitts and Mayor Daane.  
Absent: Commissioners Arlen, Fisher, and Hammond.  
A general discussion of all bids submitted for the proposed addition to the Dunning Public Library was participated in by all Commissioners present. In view of the fact that the bids greatly exceeded the original estimate as made by the Architect the following resolution was offered by Comm. Bauer and supported by Comm. Tibbitts:  
WHEREAS, the bids received by the City on July 15, 1952 for construction of an addition to the Dunning Public Library were found to be in excess of estimated costs and such bids should be rejected, now, therefore.  
BE IT RESOLVED, that the aforesaid bids be and the same are hereby rejected and the Clerk

**YOU CAN EAT BETTER**  
  
Edison Home Service Advisor, left, shows Mrs. Desmond Walters the latest technique in wrapping foods for freezing. The Walters' 20-cubic-foot freezer is always well-stocked with good things to eat.  
**the year round**  
with an **ELECTRIC farm freezer**  
Mr. and Mrs. Desmond Walters farm about 90 acres in St. Clair County. They are general farmers with a milking herd of 12 cows. They also keep 200 to 500 laying hens, and raise 500 broilers a year.  
The Walters keep their farm freezer packed with meats, fruits and vegetables, either home-grown or purchased. Mrs. Walters says she doesn't know how they would get along without it. She finds freezing easier than canning, and loves the convenience of always having tasty food at her finger tips.  
You, too, can enjoy better meals and extra convenience the year round with a farm freezer. For full information see your Edison Home Service Advisor.  
Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

# Roger Babson Says---

**Babson Discusses Booms and Busts**  
 Babson Park, Mass., August 14. A lot of people have recently asked me whether we are headed for a boom or a bust next year. I am going to try to give the answer with a few economic facts of life.

**Present Situation**  
 Business today is not so bad as some would have us believe. Even

so, it may be later in the economic cycle than you think! Some phases of business, such as textiles, shoes, consumer soft goods, will improve during the next few months. Consumer durables, such as automobiles and washers, will remain off from last year. There will probably be a moderate improvement in the volume of business by the third quarter. The Babsonchart Index now stands at 125% of the 1939 and 1947 average. This is close to the low point for the past two and a half years. However, the current level of business is still higher than in much of the 1940's.

What happens to business next year depends largely on earnings rather than upon politics. I believe that both General Eisenhower and Governor Stevenson are good men. I now see no reason for fearing any drastic change immediately after November 4th. No President will intentionally encourage deflation. The military program should continue to hold up gross business. We, however, could have a period of "profitless prosperity."

### Will Props Drop?

By 1953 we shall have about completed our tooling up and our plant expansion to handle Government contracts. We are already beginning to see defense plans curtailed. Further cuts are anticipated between now and the end of the year when Government spending will reach a high of \$66 billion. By late 1953, assuming present plans and conditions, it will taper off to \$58 billion. Government curtailment of spending may slow down fast by late 1953 and early 1954. But this depends upon Uncle Joe and not Uncle Sam.

Boom or bust for 1953-54 first becomes the problem of inflation versus deflation. During a boom, such as we have all recently witnessed, the buying public wants goods more than money. During a recession or depression, the opposite is true. Booms cause depressions; depression brings about further deflation. What, then, causes the boom? The most important cause of the booms of the past has been inflation.

## MAYOR McGUP By John Jarvis

### Simple Economics Explained

If the supply of goods available had kept up with the supply of money, we would have had no inflation. But because of shorter hours and unnecessary strikes, production fell off; then the value of the dollar fell likewise. People wanted to buy goods with their high wages, goods were scarce. Prices shot up; we had creeping inflation and an artificial boom.

There is a point in this cycle where people, banks, insurance companies, and other financial houses begin to get worried about earnings. Experience tells them that boom times can't last forever. We may be approaching this point now. Already, many plants across the country have cut back to a forty-hour week. Some workers are being laid off. But no definite forecasting regarding 1953 should be made at present. It looks now as if we must await 1952 net earnings. — that is, how much corporations and families have left after paying their bills, wages and taxes.

### Sane Religion Needed

During this kind of a period, people begin to worry. They again want money more than they want goods. Mortgage rates and business loan rates become higher. Voluntary credit restrictions begin to set in. This puts a damper on good business. People no longer have so much money or credit with which to buy goods. Sales drop; production is cut back; and unemployment is on the way.

I am especially troubled by the lack of religious interest today. This lack always precedes a financial crash. The desire to get something for nothing—so prevalent today—is a bad sign, whether by investors, employers or wageworkers. When attendance at Church declines and attendance at the races increases, look out for trouble. Hence, proceed with caution, clean up your debts, build up your liquid savings and work harder at your job.

More than 20,000 conventions were held in the U. S. last year.

## Suffers Injuries as Car Strikes Riding Horse

A vacation bound Canton township resident was injured last Friday and the car in which she was riding was demolished after hitting a horse that bounded out onto U. S. 16.

The accident that occurred east of East Lansing left Mrs. Doris Raymond, 35, 47857 Cherry Hill road, with bruises and scratches. She was treated at Sparrow Hospital, Lansing, and released.

Driver of the car was Howard Raymond, 43. He was not injured. Two other passengers, Mr. and Mrs. Carl Andrews, 42431 Hamill, also escaped injuries as the Raymond car struck the horse, later shot by police because of its extensive injuries.

Raymond and Andrews are employed by the Selle Body Shop.

## Native Plymouthite Dies in Southern California

Funeral services for a former Plymouth resident, Mrs. Millie Armstrong, were held August 5 in Alhambra, California.

A native of Plymouth, Mrs. Armstrong lived in Southern California 42 years. She died August 1.

Survivors listed are a daughter, Mrs. Irene E. Black, and two sons, Roy C. and Harry M.

## Local News

Mr. and Mrs. Walter Anderson and son, Bobby of Dewey street returned Saturday evening from a three weeks vacation at Black Lake and Sand Point near Caseville.

Mr. and Mrs. Lou Chambers of Francis street and Mrs. Minnie Barlow of LaMont street have returned from a 10 day vacation trip through the Porcupine Mountains and Copper Harbor.

Mr. and Mrs. Allous Owens and son, Cecil of Northville road returned to Plymouth on Saturday after spending a week with Mrs. Owen's parents, Mr. and Mrs. Calvin Keene and other relatives in Union City, Tennessee.

## Draws 90 Day Jail Term on Assault Charge

Linwood Tarrow, 18, Livonia, was sentenced to 90 days in the Detroit House of Correction last Monday.

Found guilty in a Municipal court jury trial of assault and battery, Tarrow was recommended by a psychiatric examination by Judge Nandino Perlongo.

Tarrow, who pleaded not guilty when earlier arraigned, allegedly struck a 15-year-old boy who court authorities reported "spread stories around about the Plymouth girl he was going to marry."

The assault that took place in Livonia was tried in Plymouth at the behest of Justice of the Peace Leo Nye, who disavowed jurisdiction over the case "due to personal acquaintance with the Tarrow youth."

Tarrow had earlier appeared before Judge Nye on a "delinquency" charge, involving a teenage girl.

## Former Resident Dies In Lansing

LANSING—The widow of a former national advertising manager of The State Journal, and a one-time resident of Plymouth, died here last Thursday at a local hospital.

Dead is Mrs. Lotta Baker, 81, the former Lotta Davey, who married Herbert J. Baker, in Plymouth, in 1897.

Prior to her death, Mrs. Baker had been sick for nearly two years.

Funeral services were held for her last Saturday with burial in Lansing's Mt. Hope cemetery.

In Pittsburgh, when police searched Juile Oberman, who had chosen a ten-day sentence instead of a \$5 fine for drunkenness, they found 34 lbs. of silver coins in his pockets.

## Driver Injured in Two-Car Crash

A two-car crash that involved a 63-year-old driver left Robert Trombley, 24, 997 North Wixom road with head and knee injuries.

The collision occurred last Saturday at South Harvey and Ann Arbor trail, sending Trombley to Sessions hospital where he was treated and released.

Police reported Elizabeth J. Stewart, 63, 102 North Holbrook, the other driver, was going south on South Harvey when the crash occurred. She said she didn't see the Trombley car approaching. Reports indicated Mrs. Stewart was not injured.

## Switches to Dodge... lowers hauling costs

- ▶ Whatever you haul, there's a Dodge truck—1/2-ton through 4-ton—that's "Job-Rated" to fit your job and save you money.
- ▶ Full crankcase ventilation saves oil, lengthens engine life, and lowers upkeep costs.
- ▶ Two fuel filters—instead of only one—keep fuel clean to help prevent carburetor clogging and fouled cylinders.
- ▶ For smooth power that saves wear and tear, gyrol Fluid Drive—a Dodge "exclusive"—is available on 1/2-, 3/4-, 1-ton, and Route-Van models.
- ▶ Come in today for a demonstration and a real good deal.

## "My Dodge has proved to be a real saver on gas!"

"We are getting several more miles per gallon with our Dodge 'Job-Rated' truck—and in a small business like mine, economy is important."  
 "My Dodge has not only proved to be a real saver on gas—but we are real pleased with Dodge dependability. Hauling pipes, fixtures, plumbing tools and other heavy equipment has broken down several trucks for us. But our Dodge has taken heavy-duty use over bumpy roads for a long time now and we haven't had to have a single mechanical repair."

Enjoy over-all economy. Dodge "Job-Rated" trucks are easy on gas and oil, thanks to compression ratios as high as 7.0 to 1. Other cost-cutting advantages include lightweight aluminum-alloy pistons and gas-saving carburetor with economizer valve.

Cut down upkeep. With a Dodge "Job-Rated" truck you get such proved money-saving features as 4-ring pistons with chrome-plated top rings, exhaust valve seat inserts, pre-fitted connecting rod bearings, positive-pressure lubrication, and other features.

Get long life. A Dodge "Job-Rated" truck gives you special alloy steel springs and shot-peened axle shafts. Other dependable Dodge long-life advantages include such features as wear- and heat-resistant valves, oil-bath air cleaner, and floating oil intake.
