Charles H. Bennett, president of the Plymouth United Savings Bank for the last 17 years resigned from his office and as a director of the institution at the last meeting of the bank last week.

Under their leadership, with directors whose names are synonymous with the growth of Plymouth and Livonia, the Plymouth banks grew and kept pace with the industrial and residential expansion of recent years.

The Plymouth-Livonia Advisory committee is composed of: Russell M. Daane, Charles L. Finlan, Cass S. Hough, Carson W. Johnston, Floyd A. Kehrl, Harry Larsen, Harry O. Mohrmann, John L. Olsaver, Victor H. Petruschak, Charles H. Rathburn, Jr., Ernest S. Roe, Edwin A. Schrader, Clifford W. Tait, Jack E. Taylor, Paul J. Wiedman, and Jesse Ziegler.

Plane Crash Kills Detroit, Injures 3 Companions

One man was killed outright and three flying companions injured critically last Monday when their Cessna monoplane nosedived into the ground moments after takeoff.

He was dead on arrival at Wayne County General Hospital. In critical condition are Robert Snitgen, 37, of Detroit, Earl J. Esner, 36, of Cleveland Heights, Ohio, and owner-pilot Charles Haskin, 43, of Muncie, Indiana.

The crash came, they said, as the pilot banked the ship while gaining altitude. It fell off on one wing crashing headlong into the

# \$15,000 "Give-Away" House to Net Livonians \$30,000 Youth Center

Livonia is going to get a \$30,000 youth center. This prediction was made this week by Rotary Club officials who revealed the beginning of a fund raising campaign that will net some lucky ticket buyer a \$15,000 to \$20,000 house, probably at a cost of less than one dollar. Just one more proof of what a service organization closely allied in its interest with the community can do, the 56 Rotarians kicked off a third yearly drive two weeks ago to make the teen-age gathering spot a reality. Some enthusiasts point out that the projected Youth Center Foundation marks a new era in community cooperation. "The welfare of youth has become a prime concern of businessmen, industrial leaders and residents," they assert. "They're all parents of youth who will benefit from sound recreational and sociological leadership." Long sought after as a means of curtailing teen-age crime and juvenile delinquency, community organizations banded together in previous years to put \$22,000 in coffers earmarked for the modernistic gathering place for juveniles and teen-agers. This latest drive is anticipated to raise the remaining \$8,000 necessary to get construction of the youth center underway after the house now under construction goes on the "block" during the Carnival and Exposition, to be held sometime next spring.

Tentative plans for the "free" house call for construction of a three bedroom, including basement, breezeway, garage and two fireplaces. A conservative estimate places duplication of this structure near the \$20,000 mark. Modernistic in every detail, it will be a ranch type dwelling located on a 100 by 160 feet lot in Coventry Gardens.

### Local Club News

The Plymouth Branch of the National Woman's Farm and Garden association will meet Monday, October 13, at 2 p.m. at the home of Mrs. Walter Sumner, 1078 West Ann Arbor trail. It will be guest day. Mrs. Alice Wessels Burlingame will speak on how plans can be interesting companions. Mrs. Nina Blunk will be tea chairman.

## "Traffic Violators go to Jail" is New Decree of Municipal Court Judge

From now on traffic violators are going to jail. This was revealed last week following the arrest and conviction of two traffic violators arraigned in municipal court. "I'm sick and tired of giving just fines," declares Judge Nardino Perlongo. "From now on I'm going to start handing down jail sentences. Willful violations and malicious driving has got to stop," he asserts. These angry remarks scared the judge's office as he defended two jail sentences levied against two traffic violators—the first to fall under this newest decree. They were Thomas Brand, 18, of Garden City, and Walter Thornton, 24, of Redford township.

Brand was sentenced to 15 days in the Detroit House of Correction following his guilty plea of "making an improper turn." He was described by police as having "stepped on the gas, then slamming on the brakes" several times before his arrest came on Forest avenue. Judge Perlongo also accepted Thornton's guilty plea of running a red light and sentenced him to 30 days. Thornton's arrest came after he allegedly careened through a gas station driveway, sped through a red light, nearly crashing through a street barricade before he was stopped by police near Mill and Amelia streets. Released on \$50 bond, both men are appealing their arrests to circuit court.

## Chamber to Poll for Three New Board Members

Chamber of Commerce members will poll for three new members of its Board of Directors from October 1 to October 10. Terms of the directors run two years, beginning January 1, 1953. Nominees listed on the ballot for the top offices are: James Hinckley, Superior Furnace and Mfg. company; Marshall Kirkpatrick, S. S. Kresge company; William Otwell, Otwell Heating and Supplies; Robert Marsden, personnel manager of Burroughs Adding Machine company; and Robert Waldecker, supervisor of Canton Township.

#### 5 SUBURBAN AREAS TO BENEFIT FROM PROPOSED MERGER

Announcement of the proposed merger of THE WAYNE STATE BANK, the FIRST NATIONAL BANK in Plymouth, the PLYMOUTH UNITED SAVINGS BANK and the NATIONAL BANK OF DETROIT created much favorable attention. By this move, the services of Detroit's leading bank will be extended to GARDEN CITY, INKSTER, LIVONIA, PLYMOUTH and WAYNE. We are sure you will be interested in the comments of the executives of the banks concerned.

#### To Meet Expanding Trade and Commerce

"National Bank of Detroit offers complete banking and trust service, yet it is a neighborhood and community bank. Many of its branch offices in the neighborhoods are little different from our own bank, serving the same kind of businesses, families and individuals, financing the building of homes, stores and offices, and always exercising a helpful influence in the neighborhood."

It must be remembered that banks with national and world-wide connections are the traffic roads over which expanding trade and commerce travel.

**WILLIAM B. DETWEILER,**  
President  
The Wayne State Bank.

#### Great New Industrial District

"This fast-growing industrial, commercial and residential area is becoming the center of a great new industrial district of Metropolitan Detroit. Each new or expanded industrial installation creates new residential and business sections accompanied by stores and service establishments necessary to high standards of living. And all these demand amplified banking services such as this merger will provide."

**FLOYD A. KEHRL,**  
President  
First National Bank in Plymouth

#### Everyone Will Benefit

"When the resources, facilities and experience of the National Bank of Detroit are added to those of our Plymouth banks, the result can only be beneficial for everyone concerned."

**HARRY O. MOHRMANN,**  
Executive Vice President  
Plymouth United Savings Bank

#### To Add Strength to Strength

"We are very proud to be represented in these communities and to be associated with those who have contributed so much to their growth. Together we can offer even more helpful banking services—and that is the objective of this important move—to add strength to strength.

"In our main office and in all our branch offices we have always endeavored to be the same type of helpful, friendly advisors in financial matters as your doctor, your lawyer, your contractor or architect are in their fields. We sincerely believe this concept of the modern banker will be found at each and all of our offices."

**CHARLES T. FISHER, JR.,**

# TO SERVE YOU BETTER

FIRST NATIONAL BANK IN PLYMOUTH  
PLYMOUTH UNITED SAVINGS BANK  
THE WAYNE STATE BANK

announce their merger with NATIONAL BANK OF DETROIT

SEPTEMBER 30, 1952

YOU will still find the same sincere welcome from the people you know and who know you when you next visit us—as the National Bank of Detroit.

It has always been our objective to provide better, always better services. As our communities grew and prospered, we grew, and helped them to prosper—adding to our staffs, increasing our facilities, building new branch offices. In all these forward steps we had the support of community leaders as directors. These directors will now become members of advisory committees, and their wise counsel will be available to all of us in the future as in the past. With the experience, the resources and the facilities of the National Bank of Detroit added to our own—strength will be added to strength and even broader, even more helpful services will be available to everyone.

For the present, please continue to use the check books and savings pass books which you now have. These will be changed to National Bank of Detroit in due time.

And may we thank you for your wonderful patronage in the past—and assure you that we and the entire personnel of the National Bank of Detroit will strive to merit it in the future.

### Local Woman Sets 55 Year Sunday School Record

Mrs. Lona Otto, of 15596 Cadillac road, received special honors Saturday as the Plymouth Seventh-day Adventist church paused with fellow churches the world around to observe the 100th anniversary of Adventist Sabbath schools.

With 55 years of continuous Sabbath school membership Mrs. Otto tops the list of long-time Sabbath school members in the local church. She first enrolled in 1897, at Saginaw, and has been attending Sabbath school Bible classes ever since.

Mrs. Silvia Jewett, 98, of Bay City, holds the record for the longest period of continuous Sabbath school membership for any known living Seventh-day Adventist. It was in 1859, in Rochester, New York, that five-year-old Silvia Hawley joined the Sabbath school. That was 93 years ago. Today, still a faithful member, she vividly recalls the friendship she formed as a child with James White, at that time a leading pioneer of the Seventh-day Adventist movement and originator of the denomination's Sabbath school system.

It was in the summer of 1852 that Elder White felt impressed with the need to make Bible study attractive to the children. He was traveling by carriage from Rochester, New York, to Bangor, Maine at the time. He had stopped for lunch beside the road, and while waiting for his horse to be fed and rest he commenced composing a series of simple lessons for youth. White's writing desk was his now empty lunch basket.

Those and subsequent lessons have proved to be the backbone of the entire Sabbath school organization, grown from that simple beginning to a round-the-world international "school" operating in 716 languages.

At first children met at home to pursue these Bible studies. Then churches in Rochester, and Bucksbridge, New York led the way in organizing Sabbath schools for children like Mrs. Otto and Silvia Hawley. But there was no official organization of the program until 1878. At that time the denomination, in General Conference at Battle Creek, Michigan, created the first general Sabbath school organization, with 5,851 members in 177 schools throughout the United States.

John E. Johnson Sr., Sabbath school superintendent, who presented the honors as part of the centennial program, revealed that since that year the Sabbath school membership has doubled nearly eight times, and the older members of the church run the youngsters close competition in perfect attendance records. In 1951, Sabbath school headquarters in Washington, D.C., reported 1,034,060 members in 17,373 of these weekly schools throughout the world. He further stated that since the first Sabbath school was organized, in Rochester, in 1852, more than \$81,000,000 has been contributed through this branch of the church to promote the spread of the gospel overseas.

The Plymouth Sabbath school was organized in 1935 and met in the home of Mrs. Georgianna Heller, 630 South Main street for some time, however, because of its rapid growth it was necessary to find a more suitable location and, after meeting in the Jewell-Blaich Hall for a year or more it was thought advisable to secure a permanent location so the property at 1058 South Main street was purchased which is now the home of the Plymouth Sabbath school.

At the 11 o'clock worship service Mrs. Otto was presented with a corsage in honor of her long Sabbath school record by the Pastor A. J. Lock. Mrs. Olive Troyer, 85, also received a corsage as being the oldest member present, at which time she shook hands with the youngest member of the Plymouth Sabbath school, Cheryl Annette Johnson, 16-month-old daughter of the superintendent, who started her Sabbath school record at the age of three weeks. There were other members present with close attendance records with Mrs. Otto.

Now as the Seventh-day Adventist Sabbath school organization start on the second 100 years of brotherhood and expansion in their great Missions promotion program they wish to thank all who had a part in the wonderful progress made in the past century, and extend a cordial invitation to any one who wishes to join them in achieving a greater record of advancement in this great world-wide work.

To have thought far too little, we shall find in the review of life, among our capital faults. — John Foster

## Northville State Hospital to be Dedicated, Oct. 3

Dedication ceremonies of Michigan's new Northville State Hospital will be conducted tomorrow, with Governor G. Mennen Williams delivering the dedicatory address at the institution at 1:30 p.m.

The ceremony is part of a three-day program of the Michigan Society for Mental Health, dedicating the new structure to diagnostic treatment, care and prevention of mental disorders.

Efforts to bring about construction of the new treatment center represents interest widespread throughout the State. The few buildings completed and currently in use are only part of a larger number of buildings where eventually 3,500 patients will receive care.

In accordance with the needs and stimulus of public support, no effort is being spared to staff the hospital with well-prepared personnel in all areas.

Located strategically between two educational centers, the hospital provides a field work area for advanced students in psychiatry, social work, occupational therapy, psychology and psychiatric nursing.

Patients have an opportunity at Northville to try out life situations in a variety of cultural media preparatory to resuming community life.

Members of the State Department of Mental Health as well as the hospital staff will be hosts to dignitaries attending the function.

The hospital is open to the public for inspection and a general invitation is extended to attend the exercises.

## Grange Fair Huge Success

Hundreds of people thronged through the doors of the Grange hall, Friday night to participate in the Country Fair. Greeted at the various booths by the Sunbonnet women, the patrons observed the wares which were on sale.

The County store featured the typical old time Cracker Barrel from which guests "borrowed" a cracker or two to sample. Close by was the jam pot which supplied a little added treat to the crackers.

Rose, gold and green, Grange colors, crepe streamers added colorful hues to the fair. The silver tea in the afternoon, featuring tea and crumpets brought the guests into a circle of friendship.

The Candy Mountain Kids and the Dancing Baileys furnished the evening's entertainment. Old and young alike joined in the festivities. The Mountain Kids sang and played musical selections while the Baileys presented specialty numbers in tap and ballet.

Mrs. Josephine Hammond of Ann avenue was the recipient of the quilt which the Grange Ladies made. The Country Fair was a great success and the Grangers are planning on making such an event an annual festival. To many of the people attending the Fair, it was a means of a homecoming or a get-together.

Proceeds realized from the gala affair will be used to further the goals and aims of the Grange.

## Polio Victim Dies

A former Plymouth youth died last Sunday in Duluth, Minn., following an attack there of bulbar poliomyelitis while enroute with his parents to Burbank, Calif.

Dead is Robert Otwell. According to relatives, the 15-year-old youth died in St. Luke's Hospital at Duluth. He was reported by hospital authorities there to have been the "most complete paralysis victim" of the dread disease they had ever seen.

The dead youth is the son of William Otwell, owner of Eckles Coal and Supply company.

He was reported stricken August 27 near Duluth as he was returning to his home.

His body is being removed to Burbank.

It is not thrif to keep old dishes. Fall cleaning time is an opportunity to get rid of chipped and cracked dishes—especially cups. When the glaze is worn or chipped from dishes they simply cannot be sterilized and hence they may be a health hazard.

# Mr. and Mrs. Donald Korte Honeymooning in Florida

Mr. and Mrs. Donald M. Korte are honeymooning at Ft. Lauderdale, Florida, following their marriage in Our Lady of Good Counsel church on Saturday morning, September 20.

Mrs. Korte is the former Marilyn J. Stevens, daughter of Mr. and Mrs. Kenneth R. Stevens of Virginia avenue and Mr. and Mrs. Fred J. Korte of Warren road are Donald's parents.

The Reverend Father William

Mooney officiated at the 10:30 o'clock Mass before the altar which was graced with baskets of white gladioli, baby mums and palms. Mrs. Felix Cylk presided at the organ and accompanied her daughter, Mary Ann Robertson, who was soloist for the ceremony.

Marilyn, given in marriage by her father, approached the altar in a floorlength gown of marquisette over satin. The fitted bodice was strapless and the full

panels of lace fell from the waistline. The tiny jacket had a mandarin collar and long sleeves pointed at the wrists. She carried a white Bible centered with an orchid and stephanotis and tied with white satin streamers. Her fingertip length veil fell from a coronet of satin.

Joan Stannitz was the maid of honor. She wore peacock blue nylon net taffeta and a feathered headpiece and matching veil in her hair. Her flowers were of hybrid roses and yellow mums in a colonial bouquet.

Betty Korte and Nancy Newstead were the bridesmaids. Their gowns were of shrimp colored net over taffeta and matching headpieces of feathers and short veils. Their colonial bouquets were of yellow and bronze mums.

Fred Korte served his brother as best man and seating the guests were Keith Stevens, brother of the bride, and Donald Brinks.

Following the ceremony a reception for 400 guests was held in St. Michael's Hall in Rosedale Gardens. Guests were present from Plymouth, Northville, Wayne, Detroit, Ann Arbor, Ypsilanti, Texas, New York and Florida.

For traveling the bride chose a

Mr. and Mrs. Donald Korte

light blue suit and hat with navy accessories and the orchid from her corsage. Both mothers chose navy blue dresses with matching accessories and pinned orchid corsages to their shoulders.

The young people are both graduates of Plymouth High school and upon returning to Plymouth they will make their home at 6934 Beck road.

Well, this is the kind of world where anything can happen and usually does. Now some star-gazer claims a dog's life is influenced by the stars. So if Bowser or Prince is giving you a bad time... just blame it on the twinkles in the sky. Or, hide his telescope. An Aquarius dog is supposed to be "ruled by ideas"; a Cancer dog may be sad, so treat him kindly; a Sagittarius pooch resents bright colors, so keep your plaid ties under cover. This is an easy out for dogs who bite mailmen or jump on people wearing white suits. But any dog that blames it on the stars better have a good lawyer.

I see where the University of New Mexico is trying to stir up its football team by painting the locker room a bright, "exciting" red. Unfortunately most games are played outside the locker room. You know, there are quite a few exciting things in our drug store... things like fine toiletries and cosmetics... but there is something else, too... there is dependability in prescriptions... with a registered pharmacist always in attendance. ## Dessert a Problem? Try These Recipes for Taste Variety

"What's for dessert?" is a question mothers often hear. It seems that the diners, small fry especially, are more interested in dessert than any other part of the meal.

**Sunny-Peach Shortcake**  
loaf cake and frozen pear meringues are three desserts which will be received with exclamations of delight.

Here's a basically easy dessert. The sauce is best made ahead. The short-cakes can be made ahead, too, just reheated to bring out their richness.

**Orange Sauce:** In a small sauce pan, slowly stir 1 cup orange juice (fresh or frozen) into combined dry ingredients (½ cup beet or cane sugar, 3 tsp. flour, ¼ tsp. salt). Cook together until thick, about 5 minutes. Remove from heat; cool. Fold in ¼ cup pastry cream, whipped, and ¼ cup almond extract. Makes 1 ½ cups.

**Shortcakes:**  
2 cups sifted all-purpose flour  
2 ½ teaspoons baking powder  
½ teaspoon each salt, mace  
2/3 cup beet or cane sugar  
1 cup shortening  
1 egg  
½ cup milk  
4 tablespoons melted butter or margarine  
½ cup coarsely chopped nut meats

Sift dry ingredients into a mixing bowl. Cut in shortening until mixture looks like coarse meal. Stir in egg, broken up in measured amount of milk. Fold in melted butter or margarine and nut meats. Spoon into well-greased, medium sized muffin tins or 6 ½ oz. custard cups. Bake in a very hot oven (450° F.) about 15 minutes, or until golden brown.

**Fruit Filling:** Scald, peel, pit 1 ½ lbs. (3 large) freestone peaches; thinly slice. Quarter warm short-cakes, not cutting through completely, and open like "petals". Fill with sliced peaches. Top with Orange Sauce. Serves 8

**Mocha Loaf Cake**  
½ cup shortening  
2 cups brown sugar, firmly packed

1 square (1-oz.) unsweetened chocolate, melted  
½ cup sour milk or buttermilk  
2 eggs, separated  
1 teaspoon vanilla  
2 cups sifted, enriched flour  
1 teaspoon baking soda  
1 cup hot, strong coffee

Cream shortening and sugar; add melted chocolate; continue

beating until fluffy. Stir in sour milk, unbeaten egg yolks, vanilla. Beat well. Sift flour and baking soda; add alternately with hot coffee to batter. Beat until very smooth and light. Fold in stiffly beaten egg whites. Pour into large greased and floured loaf pan, filling about half-full. Bake in moderate oven, 350° F., 60 minutes. Serve with Coffee Cream Sauce and garnish with grated unsweetened chocolate.

**Yield, 8-10 servings**  
**Coffee Cream Sauce**  
Stir ¼ cup sugar over low heat until it forms a golden brown syrup. Remove from heat. Gradually add ¼ cup strong coffee. Return to heat, boil until smooth, cool slightly, fold into 1 ½ pint heavy cream, whipped.

**Frosty Pear Meringues**  
Dessert delicious—Frosty Pear Meringues, a treat that combines pears into a dessert that will win acclaim, and be a repeat performer. Frosty Pear Meringues combine California bartlett pears poached in Orange Sauce with vanilla ice cream in a meringue shell. This dessert will make any occasion a special one. Spoon some of the Orange Sauce over the poached pears for a delightful final touch.

**TOPS IN DESSERTS**  
3 bartlett pears  
½ cup sugar  
¼ cup orange juice  
¼ cup water

1 ½ teaspoons grated orange rind  
Pare, half and core pears. Heat sugar, orange juice and water to boiling. Add pears. Simmer until pears are tender, about 12-15 minutes basting occasionally. Remove fruit; add orange rind. Simmer syrup 3 to 5 minutes longer or to desired consistency. Chill pears and syrup.

**Meringue:**  
3 egg whites  
½ teaspoon cream of tartar  
1 cup sugar  
1 ½ teaspoons vinegar  
½ teaspoon almond, rum or vanilla

Beat egg whites and cream of tartar until foamy. Add sugar, one tablespoon at a time. Continue beating until no sugar particles remain in meringue. Add flavoring and vinegar. Form shells about 2 ½ inches in diameter 2 inches apart on a greased baking sheet. Bake in a 275 degree F. oven for 45 minutes or until firm.

At serving time put a scoop of vanilla ice cream in each meringue shell, top with an orange poached pear and spoon orange sauce over pear. Serves 6

### BRIDGE PARTY DESSERT

Trumping your opponent's ace with the two spot gives you the triumphant feeling of doing a big job at a low price.

You will feel the same success when you serve one of these easy frozen desserts after the card game.

**Chocolate Smoothie**  
2 packages chocolate pudding  
2 cups milk  
32 marshmallows, quartered  
1 pint whipping cream  
1 pound vanilla wafers

Mix pudding with milk and cook over low heat. Stir constantly until thick and smooth. Add marshmallows. Cool. Whip cream and blend into chocolate mixture. Arrange vanilla wafers on bottom of two loaf pans or one large rectangular pan. Cover with chocolate mixture. Repeat, making three chocolate layers and four layers of wafers. Chill several hours.

Slice and serve plain or with whipped cream.

**Yield: 12 servings.**  
It's up to you as the hostess to be the dummy at just the right time to put the coffee pot on the stove and fill the cream pitcher.

**Lemon Icebox Dessert**  
1 egg, separated  
1 ½ cups milk, scalded  
15 marshmallows, quartered  
½ pint whipping cream  
6 tablespoons lemon juice  
Vanilla wafers

Beat egg yolk. Stir small amount of milk into yolk, then stir yolk into remaining milk. Cook over very low heat two minutes. Remove from heat. Add marshmallows and stir until dissolved. Cool. Fold in whipped cream, beaten egg white and lemon juice. Line loaf pan with vanilla wafers. Pour mixture into mold. Chill in refrigerator for several hours or overnight.

**Yield: 8 servings.**  
Place the dessert on your fanciest plates and be ready to serve when the last table finishes the rubber and the scores are added.

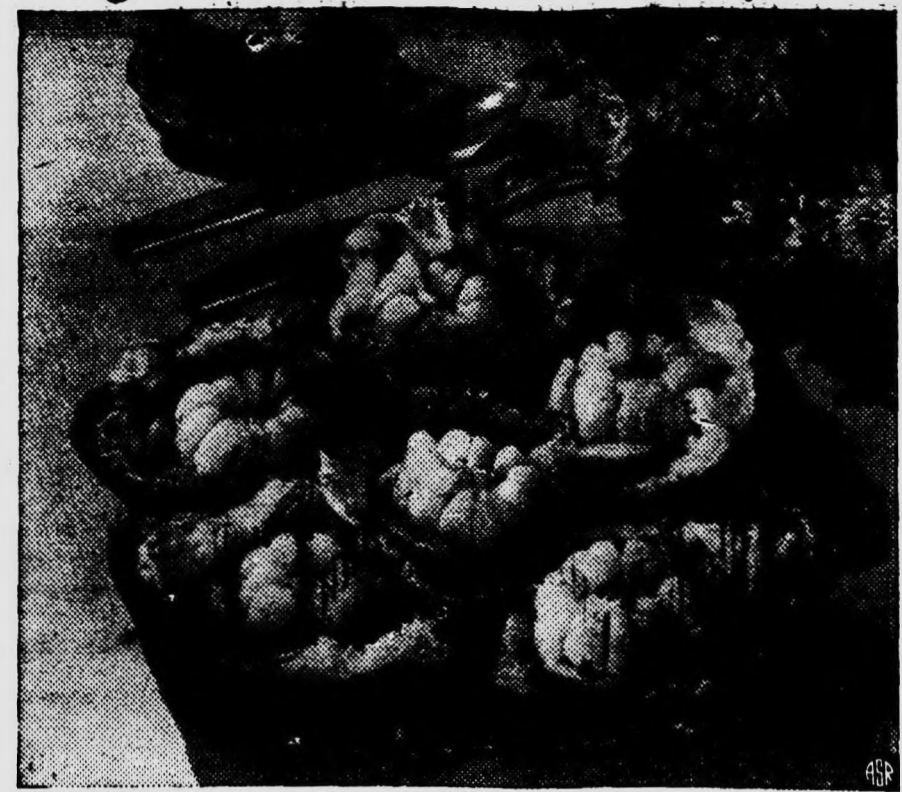

Faithfully,

## Tangerines Make A Picture-Pretty Salad

Tangerines make your salad platter as pretty as your centerpiece. Florida's little zipper-skin fruit is here this month in abundance. Easy to section and prepare, it's a natural for salads and fruit cups. And like the other Florida citrus fruits, it's one of the best natural sources of vitamin C.

**Tangerine Salad**  
6 tangerines  
2 3-ounce packages cream cheese  
2 tablespoons top milk or cream  
¼ cup cranberry jelly or orange marmalade  
Crisp lettuce cups

Cut peel of tangerines part way down to form 4 sections, and tuck them under like flat petals; separate tangerine sections but do not loosen from the peel. Place each tangerine in a crisp lettuce cup. Soften cream cheese and blend in top milk. Add jelly or marmalade and whip until smooth. Serve over tangerine salads. Makes 6 salads.

## Carving Suggestions

Carving a roast pork loin sometimes presents problems to the head carver of the family.

To simplify this problem have the retailer loosen backbone from the roast. After cooking, remove the backbone in the kitchen; and place roast on platter with rib side toward the carver.

The carver should insert a fork firmly in the top of the roast, cut close against both sides of each rib, thus making one slice with a bone, and one without.

If these suggestions are followed, ease and grace in carving a pork roast is almost assured.

## Coffee Pecan Pie Has New Subtle Flavor

Pecan pie with added coffee flavor cuts the intense sweetness of the pie. At the same time, its subtle flavor blends with pecans, molasses and corn syrup for a truly delightful dessert.

### Coffee Pecan Pie

3 eggs, beaten  
¾ cup unsulphured molasses  
¾ cup white corn syrup  
½ cup double-strength coffee  
2 tablespoons butter or margarine, melted  
¼ teaspoon salt  
1 teaspoon vanilla  
1 cup chopped pecan meats  
4 tablespoons flour  
1 8-inch unbaked pie shell  
Pre-heat oven to 375° F.

Combine eggs, molasses, corn syrup, coffee, melted butter or margarine, salt and vanilla. Mix thoroughly. Combine pecans and flour, add to liquid mixture and pour into unbaked pie shell.

Bake 40 to 45 minutes in moderate oven, 375° F., or until firm. Cool before cutting. Garnish with whipped cream if desired. Portions should be smaller than average. Yield: 7 servings.

## Fall Vegetables Have Color, Eye Appeal, Variety

The harmony of fall's variety of brightly colored vegetables gives both eye appeal and economy to Michigan homemakers. The list of vegetables available through the fall is a long and colorful one—green and wax beans, beets, broccoli, squash, cabbage, carrots, celery, cauliflower, cucumbers, eggplant, onions, peppers, potatoes, radishes, spinach, tomatoes, turnips and sweet corn. Generous use of these bright fall vegetables will help homemakers give the family good nutritious meals with plenty of color and flavor and will do much to keep food costs low.

Here are a few tips on buying and storage of some of the more important fall vegetables.

Carrots, beets, turnips and parsnips, if stored in a cool dark place in sand kept slightly moist to prevent drying out, will be usable most of the winter. Those vegetables that are firm, smooth and free of cuts and bruises keep the best.

Buy potatoes that are firm, smooth, well shaped, clean and free from disease blemishes and mechanical injury. Keep cool in dark storage where the temperature is above freezing, it is practical to buy the entire winter supply.

Tomatoes are at their peak during the early days of the month. There are all kinds of tomatoes on the market this season, with the best bringing high prices.

Onions, squash and pumpkins are vegetables that should be stored in a dry, cool, well-ventilated place. Moisture causes these vegetables to spoil quickly. Many folks find their attics ideal for storing these crops. It is important in buying these vegetables for storage that they be fully mature. Onions that are bright, clean, hard and well shaped, with dry skins, are usually mature. Squash and pumpkin are mature if the skin is hard to scratch with the fingernail.

Late cabbage with solid, firm heads for their size, free from insect damage will usually keep well if stored in a cold dark storage that is not too moist.

Broccoli and cauliflower need cool weather for best growth and flavor. Look for those two vegetables now.

Many homemakers will find eggplant, peppers, late celery and the fall lettuce, spinach, chard and head lettuce, excellent for adding variety to their fall menus, but they should not generally be purchased for storage as they are not particularly good keepers in home storage.

Remember that the heavy harvesting season is the time to get the most for your money and to get the best quality in fall vegetables.

Freeze only firm, well-ripened fruits and vegetables and highest quality meats. In all cases, proper handling is essential to a quality frozen food.

## Varsity Wins Over Redford Union; Offensive Unit Displays Power

Displaying a more powerful offense than they did in the opening game, the Plymouth High School football team outplayed a Redford Union eleven last Friday evening to win by a 13 to 0 score. The Rocks dominated the play throughout the contest but a stubborn Panther team prevented them from scoring until the second half.

Plymouth made one serious threat in the first half—when Bud Lanphear blocked a punt and Lewis Beaver recovered for the Rocks on the Redford Union 42 yard line. With Lanphear, Ritter and Finney carrying the ball, they advanced to the 3 yard line where they had a first down and goal to go for a touchdown. On first down, Ron Johnson fumbled and Redford Union recovered to end the threat. On another occasion Dick Muebler cleared a pass when he was in the muff.

Plymouth received the kickoff on the 19 yard line at the opening of the second half, and without giving up possession of the ball proceeded down the field to score. Lanphear provided the spark with runs of 12, 9 and 8 yards, and Finney coming through with a 12 yard gain—Lanphear plunged through center to score after 4 minutes of play. Jerry "The Toe" Vettese converted the extra point for his sixth straight extra point.

Shortly after the last period began, Plymouth scored their second touchdown. After being held for downs inside their opponents 20 yard line and losing the ball, Redford Union attempted a pass and Gothard intercepted it and returned it to the Redford Union 25 yard line. Johnson's pass, intended for Ritter was incomplete, but Lanphear then faded back and tossed a beautiful pass to Dick Muebler, who made a spectacular catch on the 5 yard line as he stepped out of bounds. On the first play from scrimmage, Lanphear rammed through guard for the clinching touchdown. Vettese missed his first extra point attempt this year.

Plymouth was on the march toward another score as the gun sounded ending the game.

The Rocks made a total of 12 first downs—11 on rushing and

one on a pass. They gained a total of 220 yards—200 on rushing. They tried 11 passes being successful on 2 of them, and had one intercepted. Allen Park completed one pass out of 15 attempts, and had 3 intercepted.

The defensive unit again proved a stone wall and allowed Redford Union only 4 first downs, and very little yardage.

Individually, Bud Lanphear was the offensive star as he gained 82 yards on 19 carries for an average of 4 yards per carry. He also scored both touchdowns. Ron Ritter carried 12 times for 38 net yards and Dave Finney 5 times for 30 yards.

So completely did Plymouth dominate the game that Lanphear was forced to punt only once—that being a 40 yard kick.

Tomorrow night a strong Allen Park team comes here for a game with the Rocks, and another capacity crowd is expected to see them try to win their third straight victory of the season.

## PHS Jr. Varsity Win Opener 7-0

The local junior varsity football team began their season in an impressive manner as they edged the Redford Union reserves 7 to 0 in a game played at Redford Union last Thursday afternoon. The locals looked good in their first appearance of the season.

The Rocks scored in the first quarter on a quarterback sneak by Chuck McKenna. Gordon Champion booted the extra point. Two other good scoring opportunities were wasted. Redford Union didn't get inside the Plymouth 30 yard line any time during the game.

Good tackling, blocking and a good defense made the victory possible. The defensive line thwarted their opponents running game at all times.

The junior varsity will make their first home appearance in a game at 4 p.m. today against Allen Park. The public is admitted free to these games.

## Sports Glances

by "Professor" Edgar Brown

The high school football team looked good again last week in their win over Redford Union. They had a good test and came through splendidly. The offense improved over that displayed in the Northville game, and the defense was just as sharp as in the first game. It is too early to tell whether they will have a better season this year, but from all indications they should, and we do know the boys will be out there to do their best. The tackling and blocking is better this year, and I saw some real jarring tackles made the other night.

Tomorrow night's game against Allen Park will provide another test for the local lads, and should be another thrilling game for the home fans to watch.

Just saw and heard the Lions-San Francisco game on television and radio. It looks like a repetition of last year when the early games lost, that should have been won, played an important part in the Lions not winning the title.

The Lions looked like champions in winning their 6 exhibition games, but when the season began they lose the first game. Breaks played a prominent part in the loss, but the Lions were bottled up and not up to par in this game. Maybe they are the Cleveland Indians of the football league—on paper they should win, but during a season's play they are unpredictable.

Michigan State took care of Michigan Saturday, but the Wolverines surprised everyone by their great depth of material available. Michigan will win a lot of games this year, and State should win them all.

Michigan dominated football in the state for years and years, but that domination has ended with MSC coming to the fore in recent years.

Two of Plymouth's former opponents appeared in the game for Michigan—Ypsilanti's Lowell Perry, a senior who played a bangup game at end and safety, and Jim Bates, a sophomore end from Farmington. Perry is being touted as an all-American this year.

The baseball season is over with the exception of the world series. The Yankees had too much competitive spirit, and didn't falter in the stretch drive as many thought they would do. The schedule and everything was against them, but they kept right on winning anyway. Cleveland also kept pace with them and played superb ball the last month, but the key game against the Yankees was lost to the champions, and that setback finished the Indians. I'll admit I rode the wrong horse, but the world series ought to be a blinger—I'll take Brooklyn in 6 games. (This column was written last Monday before the series began.)

I'll now continue the explanation of the game of football I began two weeks ago. Some have asked the difference between a safety and a touchback. A safety occurs when a member of the team supplying the impetus to the ball, is caught behind his own goal line. A safety results, and 2 points is scored for the other team.

A touchback occurs when a ball is put into the end zone by an offensive team, usually by a punt or pass. If by a punt it is an automatic touchback as high school players are not allowed to run it out after it crosses the goal line—in college they can. If a pass is caught by a defending player it is a touchback provided he grounds it and does not try to run it out. If he does and is tackled behind the goal line it is a safety. The same applies to a fumble by the offensive team—if a defending player falls on it, it is a touchback, but if he attempts to run it out and is tackled behind the goal, it is a safety. A touchback brings the ball out to the 20 yard line where it is put in play.

In high school an offensive player cannot ground a punt inside the 10 yard line to prevent it from rolling into the end zone.

The three officials in a high school game are the referee who is in charge of the game; the umpire, who along with the referee watches for rule infractions, and the head linesman, who keeps track of the downs.

The difference between a forward pass and a lateral is as defined—a pass that goes forward from the passer to the receiver is a forward pass, and one that goes laterally to the side, or backwards, is a lateral. A fumbled forward pass goes as an incomplete pass, but a fumbled, or missed, lateral is a free ball and the team that recovers gains possession.

In the Northville game Kelly caught a punt and lateraled to Ritter, but the ball went forward to him, which was illegal. On a punt, or kickoff, a lateral has to be passed backward or laterally.

A field goal is a place, or drop, kick over the bars by an offensive team. It cannot be punted over. A place kick counts 3 points, and usually a team resorts to this when they have a lot of yards to go on last down, and the game is rather close, or the time is running out at the half or the end of a game.

More about football later.

## Harriers Score Easily in Victory

The hill and dale runners of Plymouth High school easily won their first meet of the season as they ran Redford Union into submission by an 18 to 45 score.

Veteran John Balogh led his teammates around the two-mile course in 13 minutes and 4 seconds. In second place was James Blanton, who edged out Corrigan of Redford Union. The next five places went to Rock harriers, but only 3 of them placed in the scoring as only the high 5 men on each team are counted. Bob Danol finished fourth, Ed Grosjean fifth and Bob Middleton sixth. Lynn Becker and Ralph Bakewell finished seventh and eighth respectively.

Tomorrow they meet Allen Park on the Riverside course beginning at 4 o'clock.

## Plymouth On Top in League Play

The tough 6-B Suburban league had some interesting and close contests in the opening week of league play.

Last year's champions, the Trenton Trojans, won their first league game in defense of their title when they downed Bentley in easy style 25 to 0.

Belleville and Allen Park battled to a 12 to 12 tie.

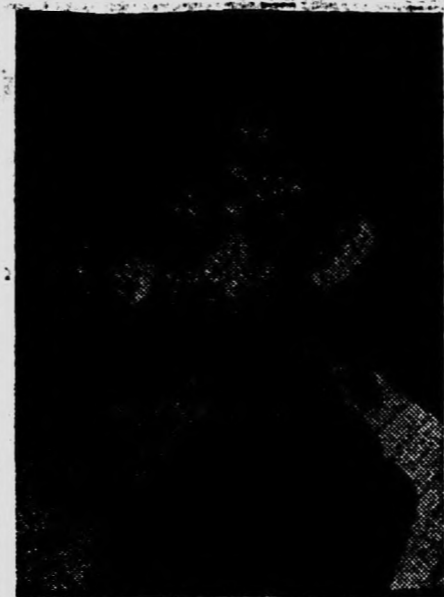

Other scores around this area were: Wayne 13 River Rouge 0, Farmington 24 Southfield 0, Northville 12 South Lyon 6, and Lansing Sexton 6 Ypsilanti 0.

6-B League Standings

Team	W	L	T
Plymouth	1	0	0
Trenton	1	0	0
Allen Park	0	0	1
Belleville	0	0	1
Bentley	0	1	0
Redford Union	0	1	0

Saturday I predict Michigan State to win over Oregon State, Michigan to tie Stanford, Wisconsin to down Illinois, Villanova to trounce U of D, Notre Dame to beat Texas, and Purdue to win from Ohio State.

**MOST VALUABLE . . . Johnny Lindell, voted "most valuable player" in the Pacific Coast League, is the first pitcher selected since 1948. Now with the Hollywood Stars, Lindell, who doubles as an outfielder, has won 22 games for the league leaders.**

## Rocks Seek Third Victory Friday

The third successive home football game of the season will be played here tomorrow night with the tough Allen Park eleven as the opposition. The Rocks will be seeking their third straight victory of the young 1952 season at the expense of the Parkers.

Last year Allen Park won a hard-fought close victory, which was also played here. The game tomorrow night is being played here again as Allen Park does not have lights on their field, and transferred the game.

The Parkers will be seeking the first win as they have been defeated by Melvindale 18 to 0 and last week tied Belleville 12 to 12. They always prove a formidable foe, and the game is expected to be an extremely close one.

Another capacity crowd is expected to attend this third home game of the season. Around 3000 fans witnessed each of the first two games.

In Syracuse, N.Y., a farmer who reported that he had lost thousands of dollars in the past four years was asked by Internal Revenue officials why he didn't quit farming, replied, "I've got to make a living, don't I."

## Frosh Eleven Tie Redford Union 6-6

The Plymouth High School Frosh opened their 1952 football season against Redford Union last Thursday afternoon and were held to a 6 to 6 tie by an unimpressive Panther eleven.

The local gridders outclassed the Redford Union lads, but couldn't outscore them. Lack of experience proved a decided handicap, but the team is expected to improve as the season goes along. Many scoring chances were wasted.

Redford Union scored first in the second quarter on a plunge through center after a pass had set up the counter to give them a 6 to 0 lead at the half.

Facing defeat, the young Rocks came through in the final quarter to even the count at 6 all when George Pine intercepted a pass on the Redford Union 25 yard line, and then he passed to Linden Mills and Bill Snider for the marker. A running play failed to gain the extra point, which would have won the game.

The Frosh played Northville last evening under the lights at our neighboring city, and their next game is at home against Bentley Frosh next Thursday. The game will begin at 4 o'clock.

In Dallas, Texas, a motorist who attended a lecture on how to prevent automobile thefts came out after the meeting to find his car stolen.

25 Years Ago

Paul Hayward will open a new clothing and gent furnishings store in the Penniman Allen building, next door to the post office, Saturday. For the past week workmen have been busy remodeling the front of the store. Associated with Mr. Hayward in the store here will be Orlow Owen, who has been clerking for Fletcher & Fletcher at Ypsilanti for several years.

The old Clinton Tavern, at Clinton, Michigan, landmark for nearly 100 years on the road between Detroit and Chicago, is to be taken down and rebuilt on the old Ford farm, the birthplace of Henry Ford and the site of the new Ford Museum, at Ford and Division roads according to an announcement made by Mr. Ford. The tavern was built in 1830.

Sage & Dworman, who have been operating the Red Indian Oil Station and the Plymouth Super-Service Station, have dissolved partnership and Mr. Dworman takes over the Plymouth Super-Service Station, auto accessories, batteries, car washing and greasing, while H. A. Sage & Son will operate the retail and wholesale oil station for Red Indian gasoline and Havoline oils and greases.

D. E. Kellogg & Company, wholesale milliners of Detroit,

suffered a considerable loss last Friday night, by smoke and water, when fire broke out in a clothing establishment on another floor in the building which they occupy on Jefferson road. Mr. Kellogg resides in Plymouth, and was notified of the fire on the following morning.

Born, to Mr. and Mrs. Wilbur Clinton Mault of Golden road, a daughter, Dorothy Vee, September 28.

F. L. Becker, real estate dealer, has sold a farm of 79 acres for Mrs. James Cousins of Hillsdale, to J. A. Tait of Northville. The sale also included the stock, tools, hay and grain upon the farm. Mr. Tait's son, Charles, will take possession of the farm at once.

Born, to Mr. and Mrs. James Cooper of Mill street, a son, at Providence hospital, Detroit, September 28.

Mr. and Mrs. Henry P. Lezotte gave a charming dinner party at their home last Thursday, for 16 guests. The house was prettily decorated with cut flowers and Chinese lanterns, with incense burning in each room. A five course Chinese dinner was served. After the returns of the Tunney-Dempsey fight, five hundred was played.

Reverend Francis Henry Tetu, well known Indiana Episcopal rector, has been assigned to St. John's Episcopal church of Plymouth and will assume his duties in this city on October 1. The new pastor and his family will reside at 475 Jener Place.

Plymouth citizens turned out in goodly numbers Monday to bid God-speed to 34 lads from this city and vicinity who left for military training service in Uncle Sam's army.

Even the bees say "V" for victory! From out of the garden of Mrs. Hattie Greenlee at 558 Karmada avenue, came a sugar beet this week, with a perfect "V" formation.

Mr. and Mrs. William Farrand, 252 East Ann Arbor trail, last Friday, September 25, celebrated their 55th wedding anniversary. Congratulations were offered by their hosts of friends, many of them friends and associates for more than 50 years.

The Plymouth high school is co-operating in the national emergency by introducing some new classes particularly adaptable to defense workers, air raid wardens, and those with similar occupations. Among the new courses being offered are: trigonometry, being taught by Mr. Blunk; physical training; the Spanish language, taught by Mrs. Bixler; badminton; and a pre-flight course.

Monday evening the first class in home nursing will start at the high school with Mrs. Mary Strasen as instructor. This class is more than filled with 28 registrations, but another class will be given later if enough register to make it worthwhile.

October is clean-up month for Red Cross knitters, according to the chairman, Mrs. John Blickenstaff. All women who have had yarn for several months and who for any reason are unable to finish their knitting should turn the material in at the Red Cross work room at once.

The city will collect all scrap during daylight hours so if you see any one loading scrap into a truck at night time, make up your mind that he may be a thief—and call the police at once. It is unfortunate that several loads of scrap were stolen from the streets last weekend. Trucks drove up to places in the northwest section of the city and loaded a considerable amount of scrap. They had no authority to take it.

Mr. and Mrs. Lloyd Sharland (Alice Gottschalk) announce the arrival of an eight and a half pound son, Richard Lloyd on Sunday, September 20.

A dinner party was given Friday evening of last week, by Jean Blunk in her home on Penniman avenue, when she entertained 22 Detroit Edison girls from the Wayne office. Miss Dorothy Dunbar, the guest of honor, received a lovely gift from those present.

Plymouth High School News

Junior High Council Names New Officers

Jerry King, eighth grader, was elected president of the newly-formed junior high student council under the direction of Mrs. Joan Hayskar, social studies teacher.

Other officers are Jerry Hearl, vice president; Carol Clarke, secretary; and Robert Kennitz, treasurer, all eighth graders.

This group is made up of a student representative from each home room. Those students, elected from the three sixth grade rooms temporarily occupying the third floor of the junior high building, are Janet Nest, David Thrasher, and John Pope. The seventh grade members are Bob Bauer, Kay Fisher, Luther Luker, Elizabeth Worth, Peggy Owens, and Carol Stadtmiller. Eighth graders other than the officers are Robert Ramp and James Wallace.

The purpose of the council is to promote citizenship, develop leadership, and be of service to the school.

During the weekly meeting of the council on Thursdays, second hour, the members have tackled many problems.

Their principal undertaking has been establishing and executing a monitor system for the junior high halls. Fred Heidt, eighth grader, is chairman with 16 other students working under him. The monitors go on duty at 8:00 in the morning and 12:15 at noon with their responsibilities being to see that the halls are orderly, clean, and that traffic is at its best. Any violation of the rules is taken care of by a ticket system used for discipline.

Other projects so far this year have been setting up a school supplies store on the second floor which is kept open first hour, planning the assembly program, forming a hospitality committee which will make any visitors feel at home, and establishing a social calendar with at least one party a month. Rainy noon hours are pleasant since the council and Mrs. Jeannie Donnelly, woman's recreation director, have games, dancing, and singing in the building.

Future plans include a lost and found department, pep assemblies, a clean up program, and the handling of the class elections.

Offer Students Dances, Swims

Teen-age dances and "splash" swim parties are going to be offered alternately each week throughout the school year under the sponsorship of the Optimist Club.

The first "splash" party will be held this Saturday at the Plymouth high school gymnasium. Open to Plymouth township teen-agers, the swim will be offered every other week.

The alternate week, starting October 11, Optimist sponsored teen-age dances will be offered to local students and those from Northville and Bentley High schools. A 30-cent charge will be made for the 8:30 to midnight dance to be held at the Smith school.

PHS Annual Pictures Taken

Pictures for the school annual were taken September 30 and October 1, by the All State Picture company.

Alex Pashevich is editor of the annual and Jean Elliot, his assistant. Betty Bowden is business manager, and Janet Mulholland activities editor with Shirley Travis, Sally Morgan, and Paul Rimer, as assistants.

Carolyn Taylor was selected as girls sports editor, with Dolores Beckstrom assisting her, while the boy's sports editor will be Jerry Vettese. Class editors and assistants are as follows: Twelfth grade, Pearl Kennitz, editor, with Sally Truedell and Ruth Ann Richwine assisting; eleventh grade editor—Mary Stone with Jeannie Walker as assistant; tenth grade editor—Katherine Bernash with Janet Denhoff assisting; ninth grade editor—Barbara Smith with Dale Houghton helping; eighth grade editor—Sandra Penny with Laura Puckett as assistant; seventh grade editor—Pat Gaeke with Gay Griffiths assisting.

The staff, under the supervision of Elizabeth McDonald had its first meeting Wednesday, to discuss plans for getting the annual underway. It was decided to add 12 pages to the "fifty-three" yearbook.

Students to Attend Meeting

Two members of the Plymouth High School Library will attend the meeting of the State Library Assistants at Clear Lake camp near Battle Creek, on October 3, 4, and 5. The expenses of two students will be partially paid by the club.

The day of the regular club meeting has been changed from Tuesday to Wednesday because too many other clubs are meeting on Tuesday.

Alice Miller is president of the club this year and other officers are Jean Elliott, vice president; Dorothy Thomas, secretary; and Fay Nicks, treasurer. The club is sponsored by Patrick Butler, school librarian.

Y-Teens Plan Program for Year

Roll call week was the chief topic of concern for the Y-Teens white chapter when the girls met for their business meeting Thursday, September 18.

The publicity committee, with Luree Merillat as chairman, placed a display calling attention to the club on third floor above the drinking fountain where the club may sign their names.

The ways and means committee with Susan Wesley as chairman, is planning to sell peanuts and raisins again this year as a means of making money.

Sally Truesdell, chairman of the program committee, is working on program booklets for the girls containing the dates of meetings and important events of the Y-Teen program, a list of the executive board and committee chairmen, and the Y-Teen purpose.

In St. Louis, as four holdup men were leaving the home of Mr. and Mrs. William J. Roehl with \$25,000 worth of loot, one remarked politely: "You certainly have a nice place here."

When buying lemons, avoid the green-tinged fruit, as generally it is not fully "cured". On the other hand, limes should be green rather than deep yellow for green limes contain more acid.

**Panic Will Cause Fire to Spread**

If you were returning home late one night and suddenly saw flames shooting up from your house, what would be the first thing you would do? Or if fire broke out in your place of work, what would you do? Fire department reports show that fires often get out of control because of panicky behavior of people involved in them. Some of the boners which contribute to the spread of fires are: putting off calling the fire department while occupants try to fight the fire themselves; calling the police instead of the fire department; wasting time tracking down the origin of the fire before calling the fire department.

Prompt action in case of fire can prevent a small home fire from turning into a real catastrophe. In all fires, the fire department should be notified immediately, before you tackle the fire with extinguishers.

The National Board of Fire Underwriters has prepared an illustrative booklet, "The Fire Safe Home" which outlines effective home fire fighting as well as household fire prevention. It is available without charge at the National Board of Fire Underwriters, 85 John St., New York 38, New York.

## Chips from the ROCK

Ford dealer Paul J. Wiedman gave an extra \$25.00 allowance on a used car trade in last week when a customer took up his offer to put him in touch with an experienced bookkeeper for his office. It seems in discussing a trade in on a new car Mr. Wiedman told his prospect that he was badly in need of additional help in his office and that he would gladly allow an extra \$25.00 for the old car if the prospect could find him a first class bookkeeper. To his surprise the customer immediately put him in touch with a new Plymouth resident, just moving into town, who for many years was with the water board in Lansing. It's hard to say who is the happiest, Wiedman, the customer or the bookkeeper.

Boston Post Columnist Joe Harrington has become a close friend of Plymouth's Winston Cooper, sales manager for Cadillac Motor Car Company. It all started when Harrington's column mentioned the handsome gent that sat in the second row at all of Detroit's Wednesday night Olympia fights that were telecast. He thought it might be Robert Montgomery but he thought the gentleman (Cooper) looked slightly older and might have less hair. Friends from Boston wrote Cooper and in no time he corrected columnist Harrington on both counts and since, both have become very good friends and Cooper is frequently the subject of items in the column.

Earl Russell, executive vice-president of Wall Wire gave away his secret of building a beautiful lawn last week when he said he used only Kentucky Blue grass seed, 10-4-D fertilizer and lots of water, plus of course, many hours of time. His lawn shows the results and his buddies at Plum Hollow agree that it takes a lot of time because his golfing days were cut from three to only one during the season just closing.

Don't be surprised if Plymouth Policeman Chuck Thompson becomes red-faced at the mention of "handcuffs". Last week Chuck received a call from Mrs. Landon Taylor of Pacific street who asked if he had lost his handcuffs. Upon investigation Chuck discovered that his four-year-old son had taken them outdoors. "Yes, they are missing," replied Chuck, whereupon Mrs. Taylor said that if he would be kind enough to bring his keys and unlock the cuffs from her dining room table he could have them back!

Major highlight of the State-Michigan game Saturday, at the expense of States beautifully outfitted new band, was the appearance of governor Soapy Williams on the field. If tomatoes had been available, judging from the boos that could be heard, Michigan's turf would have been well seeded for next fall's crop.

For 35 years a soldiers' monument — a "six pounder" rifle—has been guarding Kellogg Park's northwest entrance. Dedicated to the tenets of freedom and in the name of World War I dead, the once proud artillery piece is just one step this side of the scrap heap. Its carriage wheels are split and cracked. Its ammunition boxes are completely rusted out. And paint scales on the gun's armor though recently painted a "heretical" gray—the color should be olive drab—are turned up like crisp potato chips. It occurs to us that Plymouthites are fortunate democracy and freedom in these United States are not symbolized by a 1917 dedication perpetuated in decay.

## Roger Babson Says---

**Babson Discusses People's Pocketbooks**  
Babson Park, Mass., October 2. Much has been written recently about the need for salesmen to sell! They say sales are down because sales men have forgotten how to sell. Is this really so?  
**How Much Money Do People Have?**  
Much has also been written about the savings people have accumulated since World War II. We have been told that people have more money to spend than ever and that, if they would only spend it, business would be good. Sales managers have long sung the tune that the ability to buy has not fluctuated so much as the desire to buy; that people aren't buying because they are not being sold! The fact is, however, that most sales statisticians overlook the way in which savings are distributed among our people. Federal Reserve Board figures for 1950 estimated that the \$20 billion in savings were distributed as follows: the top 10 per cent of our population held 73 per cent of the net savings; the top 20 per cent owned 93 per cent of the total net savings. This leaves the bottom 80 per cent of the population with but 7 per cent of the savings, operating pretty much on a hand-to-mouth basis. If the average income of this 80 per cent is \$3,000 (and this is a high estimate), then how, I ask, can you expect salesmen to sell to people who just haven't the money? If you don't believe a \$3,000-a-year worker doesn't have the money, then take your pencil and figure roughly—after deducting Federal, State and Local taxes—what you yourself pay for rent, light, heat, water, gas, telephone and repairs. Add to this, food, clothing, charities, insurance and miscellaneous. Then do the same for the \$3,000-a-year worker, married and with two children. I am sure you will then begin to wonder where the mass market is for \$2,000 automobiles, \$200 refrigerators, \$75 vacuum cleaners, \$10 shoes, or even 9c-per pound potatoes! I believe in more intensive selling and more in-must reduce costs so people will have the money to buy more.  
**Why Do They Buy?**  
The one time since World War II when business conditions were relatively normal was in the early months of 1950. The great backlog of demand was beginning to be satisfied for those who had the money. Then, bang, came Korea! War scares and talk of shortages prompted a mad rush of scare buying. According to a recent sampling study of about 10,000 families by the Bureau of Labor Statistics, a good cross section of our population, from almost a hundred large cities to small towns, the 1950 buyers were upper middle-class families with a net income, after taxes, of about \$4,300. But their spending spree put them in the red to the tune of \$400 that year!  
Keep in mind that these were people with net earnings of \$4,300—an appreciable cut above the average worker with gross earnings of \$3,000. Even so, they not only had to dip into savings but go into the hole for the purchases they made. Why did they spend? Their wants were spawned primarily by war hysteria and cries of shortages. There were those who were afraid that if they waited they wouldn't be able to buy that new car, or washer, or suit of clothes; or that, if they did wait, prices would skyrocket. In other words, many of these people had their hands forced by fear.  
**Pricing Yourself Out of the Market.**  
Sales managers can talk all they want to about the need to

sell and sell hard, but if the consumer can't afford the price tag, how is he going to buy? We've watched the recent potato fiasco change the dietary habits of a number of people. Potato sales still haven't fully recovered, while the sales of rice, macaroni, and spaghetti remain high. When bus companies raise fares too fast they lose 10 per cent of their riders.  
Whatever happened to natural rubber—and butter—and the silk industries? The answer to this question explains why the automotive industry is in the peculiar economic paradox of having both a shortage of cars and a shortage of buyers. The history of US industry is filled with the ghosts of overpricing. Either industry doesn't know, the history of overpricing, or else it is operating with it head in the sand. Unless the manufacturers and labor leaders who depend on mass markets reduce their costs to fit the mass pocketbook, their days are numbered.

## City Leaders Get Compliment From Kresge Co

With off-street parking facilities booming ahead under city leadership, Mayor Russell Daane last week received a "well done" compliment from the S. S. Kresge company officials in Detroit.  
In a letter addressed to the city's top official a Kresge company representative said, "you and your associates have done and are doing a splendid job in the matter of providing additional off-street parking in downtown Plymouth."  
"We feel you and your administration should be publicly congratulated on the work you have done."  
The Kresge representative went on to point out that the parking facilities when completed "will alleviate to a great degree the unsatisfactory parking situation which confronts Plymouth today."

## Mercantile Fires Threaten Jobs Fire Chief Warns

Calling for a fire safety program in stores and factories this Fire Prevention Week, Chief Robert McAllister asked all store owners and employees to assist in a town wide effort to cut down mercantile fires.  
Employees have proportionately as large an investment in the fire safety of the store or factory in which they work as the owner, the fire chief reminded town workers. In case of a serious fire forcing the plant or shop to close, employees would be put out of work until repairs are made.  
The worst problem in store fire safety is smoking, Chief McAllister said. Here, he warned, employees' tact and diplomacy are needed to suggest to a customer that he ought not to smoke in the store. Employees should themselves set a good example by smoking only in those areas set aside as safe for smoking.  
One person or more, depending upon the size of the shop, should be designated to check at closing time for lighted cigarettes. Many fires break out an hour or two after closing when lighted cigarettes may have burned into combustibles.

## Family Swimming Night

Swimming officials say the response to family night in the new pool has not been too good so far this fall. The Monday night family swim was very popular this summer, and it is hoped that more will take advantage of the wonderful opportunity for the family being together for an evening of good exercise and fun.  
Family night is on Monday evening from 7:30 to 9:30, and tickets are available at the door.
