Concert Season to Open Here on Sunday October 26

Symphony Director

From the opening bars of Brahms' Symphony No. 2, Conductor Dunlap will herald the seventh consecutive concert season backed up by 11 instrumental and vocal guest artists known largely in Detroit for their talents.

Dunlap, director of the University of Michigan Symphony and an assistant professor of music there, asserts that the "one thing we've tried to do is make symphony music interesting by giving music lovers the type of music they like to hear."

"Symphonies," he declares, "can easily compete with television," indicating that one way to do this is to prove that "symphonic music is first class."

Conductor Dunlap notes that Plymouth is one of just 20 other communities its size having a symphony orchestra that belongs to the people.

He goes on to indicate that culturally Plymouth is far advanced over many small cities its size, noting that many patrons of the arts have responded to endow the symphony and give it a vote of confidence.

Bearing this out is the steady growth of the orchestral group. Conceived and organized here in 1945, it has surged from a 19-piece symphony to a 60 member orchestral group.

"It is hard to place a money value on such an organization, Mr. Dunlap notes; "but conservatively I'd say the orchestra is worth more than \$40,000."

Himself, a concert director, Mr. Dunlap stresses artistic perfection. Appreciative of this, he has collected about himself outstanding musicians.

The cellist is currently a member of the Detroit symphony, the bassoonist formerly with the Chicago Symphony, with the oboist backed by years of experience played in the Minnesota Symphony. The concert master was formerly with the Cleveland Symphony.

Mr. Dunlap will tell you that keeping such an organization functioning is more than a one-man job, it takes the cooperation of all, he declares, down to the listeners themselves.

Subscribers to the symphony—the patrons of the arts—know this. Yearly they have pledged up to \$4,000, and it is anticipated classical and semi-classical-popular music lovers here will again respond to meet growing budget needs.

Again this year, the symphony invites music lovers throughout the area to gain an active membership.

Condemn City Jail; Injunction to Close it Looms as State Gets Tough

Plymouth's basement jail has been condemned again by the State Inspector of Jails.

Only this time it is a little different.

In a letter addressed to City Manager Alfred Glassford, Department of Corrections Inspector, W. H. Nestle, warned that if the city fails to "better jail conditions" here that a court injunction might be sought to close the jail.

"We want to be fair and reasonable in bringing about better jail conditions for your city," he said. "There has been considerable talk and time spent on these factors, and apparently we are now in the same place we were four years ago."

"What the State would like to know," he asserted, "is whether or not there is any assurance that the city is going to take care of this situation, or if it will be necessary for us to take court action to close your jail."

Following its reading before Commissioners, the motion was made and accepted to "receive and file" the letter with the recommendation that a letter requesting suggestions for improvement of the lockup be sent to the Department of Corrections.

Condemned periodically for the last four years, the jail is located in the basement of the city hall. It was condemned because of its basement location, poor ventilation and lighting.

Described by one police officer as a place "I hate to put a prisoner in," the jail is a scene of poor city maintenance.

When inspected last Monday, the floor was littered with cigarette butts and dirt. A heavy, hard-to-breathe atmosphere, dim lighting from two basement window apertures give the lockup a dungeon-like appearance. A single 60-watt bulb furnished artificial lighting.

Blankets covering two steel cots enclosed by a five by ten feet by eight feet steel cubicle were another testimony to poor maintenance and upkeep. It appeared they had not been washed in months.

Commissioners complained that the State has recommended the city spend \$30,000 for a properly lighted and ventilated jail.

"That cost," they said, "is prohibitive."

Commissioners say that the projected alley thoroughfare would tend to "preserve the property and increase its value by affording rear of building entrances for off-street loading and fire protection."

The projected alley would bisect Demel's property about half.

ment of the lockup be sent to the Department of Corrections.

Community Chest Drive Opens October 14th

Plymouth is Now Class "A" School

Another indication of the rapidly growing population of Plymouth was made known Tuesday when Principal Carvel Bentley received a letter from Charles E. Forsythe, state athletic director, saying that Plymouth High school is now a class A school. This means that in all district, regional and state contests such as band, track and basketball, the high school will have to compete against schools from Detroit, Lansing, Flint, Grand Rapids and other larger schools.

The fast-growing school population made it necessary this year to bring some sixth grade classes from the over-crowded grade schools to the junior high school. The above action was made possible by transferring all the ninth grade classes to the high school building. Mr. Forsythe stated that this year the ninth graders would have to count in the high school enrollment. This made a total of 852, which is 53 over the limit for class B. Class A schools are those with an enrollment of 800 or more students.

A breakdown by grades finds that there are 245 ninth graders, 247 tenth graders, 191 juniors and 169 seniors.

Rack Up Record 4,584 Registrants

As "Operation Registration" ground to a halt last Monday, City Clerk Lamont C. BeGole began adding up a record 4,584 voter registrants.

With approximately 175 persons signing up the last day, new registrations, since the drive got underway here nearly two weeks ago, now total 537.

Making possible the record franchise were 30 specially deputized clerks who accounted for the larger percentage of the new registrations.

Earlier, during this year's primary, a record number of registrants were counted—4,047. In 1951, total voters numbered 3,414.

Behind the signatures of the latest franchise winners were the 30 volunteers who devoted hours of their time lining up the vote.

Chairmaned by Mrs. Henry D. Jensen, the names of the volunteers follow.

Mrs. Nellie E. Bird, Miss Edna M. Allen, Mrs. Iva G. Bentley, Mrs. Lucy E. Ware, Mrs. Cora Bourbon, Mrs. Lenore G. Light, Mrs. Mary G. Sackett, Mrs. Maxine B. Pankow, Mrs. Wilda G. Noll.

The list continues with: Mrs. Thelma Phalen, Mrs. Alice V. Strong, Mrs. Grace M. Lewis, Mrs. Pauline Kowalcik, Mrs. Stimson, Mrs. Dorothea M. Manwaring, Mrs. Roma B. Wyse, Mrs. Gladys M. Bowen, Mrs. Doris P. Pursell.

Also participating in the all-out registration drive were Mrs. Dorothy Thompson, Mrs. Esther L. Hulsing, Mrs. Doris J. Root, Mrs. Rose M. Holstein, Mrs. Mary G. Wiltse, Mrs. Muriel F. Sonderger, Mrs. Elizabeth S. Cutler, Mrs. Ruth West, Mrs. Ursula Carson and Mrs. Elizabeth Augustine.

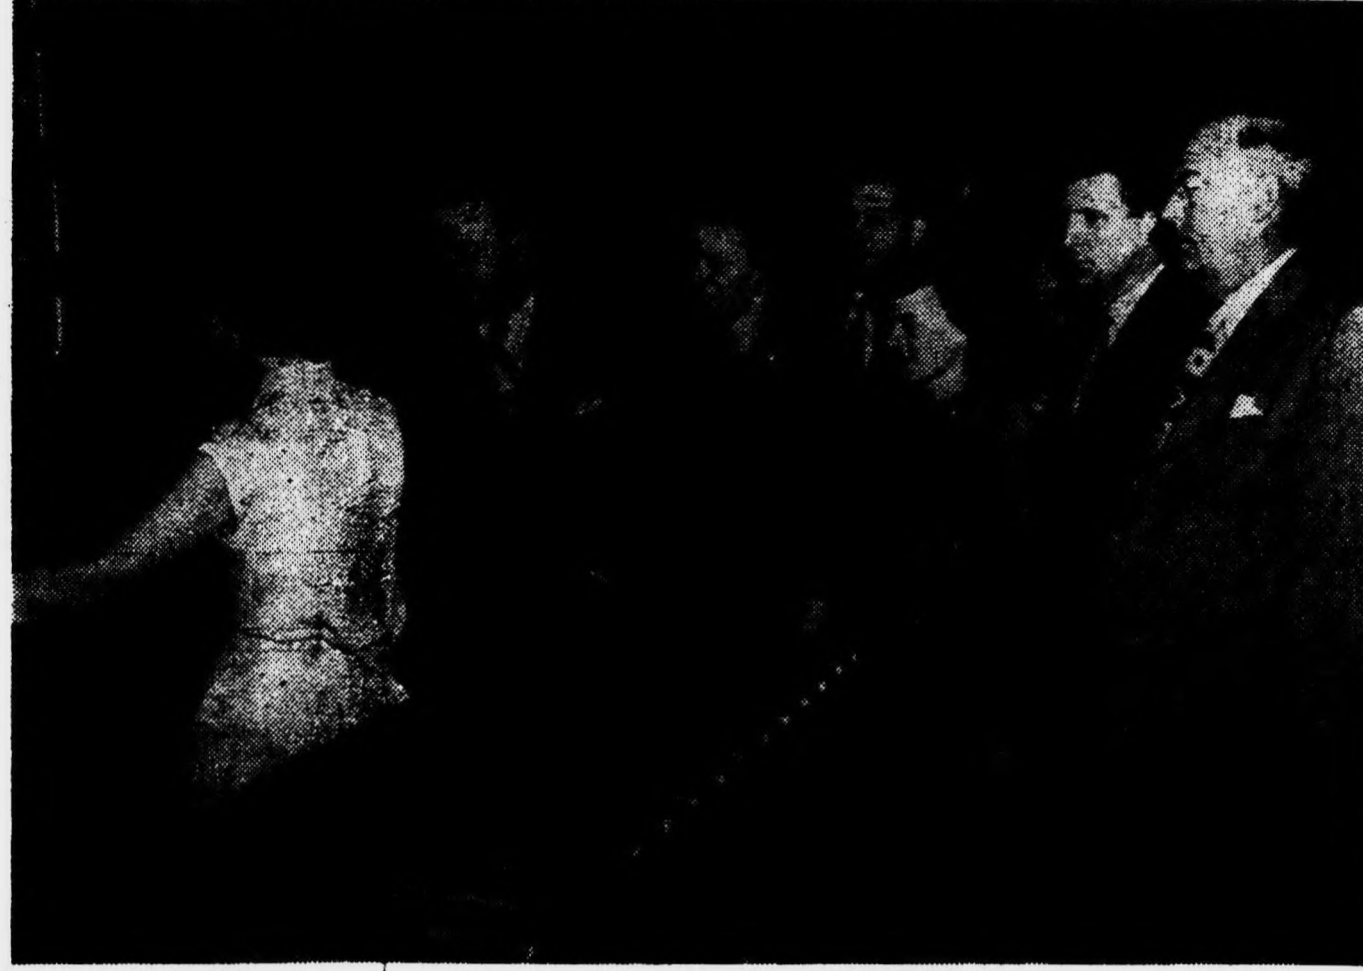

Kiwanians Hear Chief McAllister

Fire Prevention Week was observed Tuesday evening by the Plymouth Kiwanis club, which had as its speaker Fire Chief Robert McAllister.

In sighting the dangers of fire, McAllister pointed out that fire is costly to everyone, regardless of whether or not insurance is carried. He urged local businessmen to observe the fire regulations and to keep the doors of their business establishments tightly locked at night. "Fire is quite often a cover-up for theft," warned the chief. He went on to describe the role of fire prevention in civilian defense. Dean Saxton, program chairman, introduced McAllister to the group.

It was reported that the gasoline sale conducted for the National Kids' Day fund Saturday netted the drive approximately \$125. The sale was held at Burley's service station with Kiwanians pumping gas and washing cars.

The Lily club will meet at the Grange hall on Monday evening October 13. Hostesses will be Mrs. Joseph Tracy, and Mrs. Albert Groth. Bring your friends, table and cake or sandwiches.

TOP WALL WIRE OFFICIALS were on hand Wednesday to participate in the B.I.E. day visitation at their plant by teachers from the local schools.

Through the efforts of plant manager Harry Boorman, second left, and vice president Earl Russell, extreme right, hospitality keyed the visitation at this modern plant. Pictured is Lillian Minock at a welding machine where cross wires of a refrigerator shelf are welded together. Others in the group left to right are: Mr. Boorman, teacher, Mrs. Bruce Mackie, Chamber Secretary Nat Sibbold, teachers Mrs. Robert Tauber, Melvin Blunk and Earl Lucas, and Mr. Russell.

BARNES, GIBSON & RAYMOND participated in B.I.E. day for the first time this year. Here teachers saw at first hand production of America's finest springs coming off in all sizes and shapes from presses in this new factory. Personally conducting groups through the plant was N. Markham Purple, general manager left, and in the group are teachers, Elizabeth McDonald, Bertha Anderson and Harry Reeves. Factory manager, Lawrence Hills explains the function of the spring held by Barnes, Gibson employee John Konke, saying it is an automatic coiler transmission spring made for one of the many defense contracts held by the company.

Wildlifers Plan Another Fish Dinner

The Western Wayne County Conservation association is sponsoring a fish dinner Saturday, October 11, at the club house on Joy road.

The dinner will consist of all the trimmings. Members, guests, and their wives may purchase tickets from Jack Taylor, Gar Evans, or Dr. B. E. Champe. The committee requests that all those who plan on attending purchase the tickets in advance.

Hudson Lecturer Here October 13

Alice Burlingame

Alice Wessels Burlingame, dirt gardener and lecturer, will speak at a meeting sponsored by the Plymouth Branch, National Farm & Garden Ass'n on Monday, October 13 at 2:15 at the home of Mrs. Walter Sumner, Plymouth. Presented by The J. L. Hudson

B-I-E Leaders Meet to Examine Needs, Future of Local Youths

Plymouth's top businessmen, industrial leaders and educators met here yesterday in a day-long series of tours and conferences that marked a mid-week vacation for nearly 3,100 local school children.

The conference-tour—called B-I-E Day (Business, Industry, Education)—was set aside for varying representatives to discuss mutual problems closely inter-locked with their individual and city-wide functions.

B-I-E officials called the meet "a complete success." It was designed to better prepare local youths for their future employment.

Some 115 school teachers, key-noting this idea, viewed hundreds of employees at their jobs in a tour of 11 industrial plants and business houses throughout the morning.

The afternoon was set aside for a series of conference talks and panel discussions on office and retailing and industry, their needs and objectives. An hour long general discussion session was held, clearing up individual questions.

Instructors, in the day-long session, were divided into four groups and conducted on the tour and in discussions according to their teaching specialty.

Involved in the B-I-E Day meeting, said school officials, was an educator-teacher outlook consistent with community needs. "Educators and teachers," declared Mel Blunk, chairman of B-I-E Day, "can better prepare youth for their future employment by viewing workers on the

Announcement was made this week by Clifford Cannon, owner of Cannon's Motor Sales, that he has been appointed local dealer for Packard motor car.

Cannon stated that in addition to Packard sales he will also provide complete service facilities. His showroom is located at the corner of Mill and Plymouth roads.

Goal Set For \$18,000 In Area This Year

Plymouth residents will be receiving, during the coming week, envelopes with a red feather on the front. These envelopes contain information regarding the annual Plymouth Community Fund drive.

The drive will begin October 14 and continue through November 6. Plymouth area residents will be contacted by mail. They will receive a folder explaining

how the community fund spends its yearly collection. This year the goal is \$18,000 dollars, an increase of \$1,000 over 1951. The folder shows how much of this goes toward each of the eight locally-supported agencies and how much goes to the Detroit United Foundation for 22 other services.

Also in the envelope will be a return envelope with prepaid postage which makes it easier to send the contributions to the chest, a pledge card, and a red feather.

The envelope will be addressed by the advanced typing classes at Plymouth High school under the direction of Edgar Brown. Mrs. Russell Roe and a committee of local women will stuff the envelopes.

These envelopes will be stuffed Tuesday, October 14, from 1 p.m. until approximately 5 p.m. Any woman who is interested in assisting in this important procedure may call Mrs. Roe at Plymouth 316-W.

Local industries have been contacted by letter, and local businesses will be contacted during the drive.

"With increased budgets for almost every one of the eight local agencies, it is very important that the fund meet and if possible top its goal," stated George Mayhew, general director of the campaign.

If residents are not contacted and wish to contribute, they may mail contributions to box 356, Plymouth," he remarked.

The local agencies supported by the fund are the Boy Scouts, the Girl Scouts, Visiting Nurses association, Dental Fund, Well-Baby Clinic, Salvation Army, Recreation commission summer playground program, and the Veterans' Memorial Foundation.

United Foundation services include the Sister Kenny Foundation, Boys Club of America, United Defense Fund, American Cancer Society, American Welfare League, Epileptic Clinic, Michigan Heart association, the Michigan Society of Mental Hygiene, and 13 others. These services are made available to any Plymouth resident through the Plymouth Community Fund.

License Bureau in New Location

The Secretary of State's office opened in its new location last Wednesday morning. Forced to larger quarters by the need for additional storage space and parking facilities the office is now located in the Plymouth Township Hall on Ann Arbor road.

According to manager Frank Rambo the office will observe the same hours in their new location, 9 to 5 week days and 9 to 12 on Saturdays. To better accommodate persons buying license plates the additional office space and parking lot will make it possible to serve customers almost twice as fast as they have been in the past.

Rotarians See African Films

Life and resources of the continent of Africa were revealed to members of Plymouth's Rotary club last Friday by Mr. Ray MacDonald, export manager for the Burroughs Adding Machine Company.

Returning recently from a lengthy trip throughout the continent, MacDonald showed colored films and narrated the highly interesting features. Program chairman was Robert Marsden.

The Rotary club will honor United Nations Day this Friday at its regular Mayflower hotel meeting. Speaker will be Charles Brake.

No Money—No Xmas Lights, Warns Chamber of Commerce Officials

The Chamber of Commerce sent a warning to local businessmen that Christmas lights will not be displayed up and down Main street this year unless it gets \$3,800 worth of support for installation of the "twinklers."

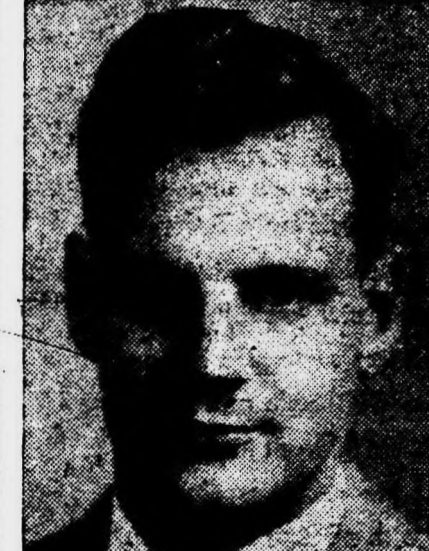

This was made clear in the Chamber's October newsletter that recounted high costs involved to give the city that warm Noel appearance.

"Last year," stated the newsletter, "the Plymouth Chamber of Commerce spent \$5,100 for the Christmas program, which included installation, costs of gears, electricity and new lights. The \$3,800 must be raised before the lights are put up" this year.

The Chamber is still waxing under a \$1,600 lighting deficit from last year.

Chamber officials say the lights and decorations will be strung by Thanksgiving. It will bring Plymouth in line with other communities saluting another white Christmas.

Chamber members participating in the drive for funds are: Jay Rucker, Lon Dickerson, L. J. Wilson, Frederick and William Beitner, Bert Giles, Bert Wyse, A. G. Pease and George Witkowski.

Dean A. Sipson

Dean A. Sipson, former assistant manager of the Michigan Bell Telephone Company's Ann Arbor office, this week became manager of the Plymouth area.

George P. Hartrick, Michigan Bell's manager at Plymouth since May, 1951, was assigned to special

Cannon stated that in addition to Packard sales he will also provide complete service facilities. His showroom is located at the corner of Mill and Plymouth roads.

(Continued on Page 3)

Sally Sowle Bride of Robert Puckett

Sally Lee Sowle, daughter of Mr. and Mrs. Lee J. Sowle of Robinson subdivision, and Robert Raymond Puckett repeated their nuptial vows on Saturday evening, October 4 in St. John's Episcopal church. Robert is the son of Mr. and Mrs. Oscar Puckett of Haggerty highway.

The Reverend David Davies assisted by the Reverend John Walasky officiated at the impressive eight o'clock candlelight ceremony. Large baskets of white gladioli and mums and a background of palms were enhanced by the soft glow of the lighted tapers. Mrs. Marie Bonamici presided at the organ and accompanied the soloist, Nat Sibbold who sang "The Lord's Prayer."

Sally was given in marriage by her father. She selected a gown of Chantilly lace and satin. The lace bodice featured long sleeves and extended into a peplum at the waistline. Panels of the lace fell to the hemline of the full satin skirt and also edged the chapel train. Her fingertip length veil fell from a tiara of seed pearls and rhinestones and she carried a white Bible centered with white orchids and Stephanotis.

Miss Lillian Pelley was the bride's maid of honor. Her gown was of peacock blue with a satin torso-length bodice and full nylon net skirt over taffeta. She wore a short satin jacket and matching

headband and carried an arm bouquet of shrimp colored carnations.

The bridesmaids were Betty Lynn Snider of Wayne, Carroll Day and Diane McKay. They wore gowns fashioned identically like that of the maid of honor and in shrimp color. They too, wore matching satin jackets and headbands and carried arm bouquets of peacock blue carnations. Shirley Ann Puckett, sister of the bridegroom, was the little flower girl. She wore a yellow satin and net floor length gown and scattered shrimp colored petals down the aisle. David Curtis, cousin of the bride, was the ring bearer. He carried a pillow of white satin trimmed with lace on which were placed both rings.

Lester Kitchen served Robert as best man and the ushers were James Puckett, brother of the bridegroom, Donald Murphy and James Woodcock, both of Detroit.

Mrs. Sowle, chose for her daughter's wedding, a gown of bronze taffeta with matching stole and cocoa brown accessories. Her corsage was of yellow roses. Mrs. Puckett wore deep purple with pink accessories and a corsage of pink roses.

Immediately following the ceremony a reception for over 200 was held in the church dining room with guests present from Howell, Ann Arbor, Saline, Milan, Dearborn, Detroit, Walled Lake, Northville and Plymouth.

For traveling the new Mrs. Puckett wore an aqua suit with

Mrs. Robert Puckett

black accessories and the orchids from her bridal bouquet. The bridegroom is a graduate of Plymouth High school and Sally is continuing with her studies at the same school. They are making their home at 555 Starkweather avenue in Northville.

Grover Proughs to Reside in Northville

Mrs. Eleanor Tierney, daughter of Mr. and Mrs. A. P. Murtagh of Plymouth was united in marriage to Grover S. Prough, son of Jefferson Prough of Bufton, Indiana, at 1 o'clock on Thursday, October 2.

The ceremony was performed by the Reverend Father Anthony Heraty of Our Lady of Victory Church in Northville.

The couple were attended by the bride's sister, Beatrice Plamondon, and Clifford LeFevre.

Following a wedding breakfast at Black's White House, for the immediate families, the newlyweds left on a honeymoon through the Upper Peninsula.

Upon their return Mr. and Mrs. Prough will make their home at 526 Orchard drive, Northville.

BIRTHS

Mr. and Mrs. Morris Beaver announce the birth of a son, Gary Lee born at St. Joseph's hospital, Ann Arbor and weighing 7 pounds 14 ounces on October 1. Mrs. Beaver is the former Arlene Wessling.

Mr. and Mrs. Donald Coyle of 40642 Ann Arbor Trail are receiving congratulations on the birth of a daughter, Deborah Lynn. The little miss was born at Garden City hospital on September 25 and weighing in at 6 pounds, 13 ounces. Mrs. Coyle is the former Doris Baker.

Private and Mrs. Calvin Becker announce the arrival of Cathy Linda born on September 12 and weighing 8 pounds. She was born at New Grace hospital, Detroit just the day after her father left for active duty in Europe. Mrs. Becker was the former Janet Nelson of Garden City.

Davis Firm to Build Concrete Islands

Construction of concrete islands in the Central Parking Lot is going ahead with construction work being done by the R. E. Davis Construction company.

They were awarded a low-bid contract by the city after outbidding two other competitors with a low figure of \$4.70 a lineal foot.

Better see Beglinger for better deal. New and used cars.

Madonna College Grange Gleanings To Dedicate New Shrine

The general public of the vicinity is cordially invited for the dedication of the new shrine of Our Lady of Fatima on the grounds of the Felician Sisters Motherhouse on Schoolcraft.

The dedication will take place this Sunday, October 12. Ceremonies will open at 3 p.m. with a procession beginning at the chapel entrance and proceeding to the shrine beyond the woods.

Taking part in the procession will be students of Felician taught high schools and of Madonna college, members of the Felician Sisters Auxiliary, sponsors, clergy, sisters and the general public.

Leading the procession will be a student formation of a living rosary. Closing the high school section will be a group of students carrying the 110-foot World Mission Rosary made by Dr. Victor Kolasa and used last May in the World Sodality Day ceremonies in the U of D Stadium.

Right Reverend Monseigneur Adalbert B. Zadala of Detroit will dedicate the shrine and officiate at the Benediction of the Blessed Sacrament. Reverend Joseph Swastek of Saints Cyril and Methodius Seminary will preach the sermon and lead the Rosary.

Climaxing the ceremonies will be a public act of consecration to the Immaculate Heart of Mary followed by a coronation of the statue of Our Lady.

Donated to the Felician Sisters by the women's auxiliary association, the shrine consists of an outdoor altar and statues of Our Lady of Fatima and the three shepherd children.

Made of limestone, Our Lady's statue stands 11 feet high and weighs 5 tons. The children kneeling at her feet are approximately 5 feet in height each.

Commissioners Set Policy for Care of Lawn

City Commissioners indicated during a regular bi-weekly meeting last Monday that residents as a matter of policy should grade and maintain lawn areas between sidewalks and curbs.

This and a promise of "future study" came in answer to a resident request that the city grade his lawn area between street and sidewalk. Earlier, the city had cut a furrow adjacent to the sidewalk for installation of the sidewalk, leaving a raw ground edge protruding above the sidewalk.

The property was never graded, Commissioners explained, because it would increase assessment costs levied against property owners.

Commissioners explained that sidewalk excavating was necessary to bring sidewalks down to street level.

They explained that the "care-for-your-lawn" policy was evolved from an attempt by the city to "keep property assessment costs as low as possible."

MESC Field Agent Helps Disabled Job Seekers

The office of Vocational Rehabilitation of the State of Michigan, announces the appointment of John C. Walton as Field Agent in the Plymouth area, effective October 1, 1952.

Any or all of the following services are available to disabled men and women:

1. Medical examination in every case to determine the extent of disability, to discover possible hidden, or "secondary," disabilities, to determine work capacity and to help determine eligibility—at no cost to the individual.

2. Individual counsel and guidance in every case to help the disabled person to select and attain the right job objective—at no cost to the individual.

3. Medical, surgical, psychiatric, and hospital care, as needed, to remove or reduce the disability—public funds may be used to meet these costs to the extent that the disabled person is unable to pay for them from his own funds.

4. Artificial appliances such as limbs, hearing aids, trusses, braces, and the like, to increase work ability—these also may be paid for from public funds to the degree that the individual cannot meet the cost.

5. Training for the right job in schools, colleges or universities, on-the-job, in-the-plant, by tutor, through correspondence courses, or otherwise, to enable the individual to do the right job well—at no cost to the disabled person.

6. Maintenance and transportation for the disabled person, if necessary, while he or she is undergoing treatment or training—these expenses may be met from public funds, depending on the person's financial inability to take care of them.

7. Occupational tools, equipment, and licenses, as necessary, to give the disabled person a fair start—these may be paid for from public funds to the extent that the person is unable to go so.

8. Placement on the right job, one within the disabled person's physical or mental capacities and one for which he has been thoroughly prepared—at no cost to the individual.

9. Follow-up after placement to make sure the disabled person and his employer are satisfied with another, at no cost to either party.

Mr. Walton will be available to clients in this area on the second and fourth Thursdays of each month, at 1 p.m. through the cooperation of the Plymouth office of the Michigan Employment Security Commission, located at 585 W. Ann Arbor trail.

Win Heating Contract Erdelyi and Sons were awarded a \$1,400 heating installation contract by the city after outbidding five other local contractors for installation of three gas fired blower units.

The blower units will be installed at the city garage on Arthur street.

Concert Season to Open Here on Sunday, October 26

(Continued from Page 1)
 bership in the Symphony Society.
 Broken down into categories, active membership is \$5.00 a year, associate membership \$25 a year. Patrons of the Arts membership recognition can be gained with a \$50 or more for each concert season.

Backed with subscription pledges now being circulated, Mr. Dunlap and his orchestral group have arranged a series of five concerts for the 1952-1953 concert season. Besides these, the symphony will join hands with the Civic Chorus, December 14 to play the much vaunted Messiah.
 But like many symphony orchestras open without charge to the public, Plymouth's symphony has its troubles.
 The biggest one Mr. Dunlap

notes is the lack of a concert grand piano. "It costs the symphony \$50 every time a guest pianist appears on the program," he reveals, stating that the minimum budget support does not permit the group to buy its own piano. "Rental of such equipment," he concludes, "takes upwards to 10 per cent of our budget."

Highlighting Plymouth's unique geographic position to the educational center of the State—Ann Arbor—and industrial Detroit, Mr. Dunlap says that the symphony has been fortunate in getting at least one guest artist to appear at each concert.

Present at the October 26 concert date will be Soprano Delores Lowry and Baritone Russell Christopher. They will delight music lovers with strains from "The Telephone". Following the introduction and Allegro by Couperin-Mihaud, Symphony No. 2 in D Major by Brahms and The Comedians by Kabalevsky will be played.

The November 30 concert date will feature Pianist Evelyn Woods playing Grieg's Piano Concerto in A Minor, Overture to "The Marriage of Figaro" by Mozart and Less Preludes by Liszt also mark this Sunday, 4:00 p.m. date. Included also is Moussorsky-Mac-Artor "Pictures at an Exhibition," The Messiah by Handel, December 14, is the Plymouth Symphony's third seasonal offing supported by the Plymouth Civic Chorus and guest soloists.

The Annual Family Concert, January 25, is the first 1953 appearance of the group playing symphonic music for the young and old alike.

Featured guest soloist at this time will be Saxophonist Dwight Daily playing Creston's Saxophone Concerto, Rosenkavalier Waltzes, Concerto for Toys as well as Pee Wee the Piccolo will be offered with other selections.

"American in Paris" is one number many "modernists" will not want to miss. It is scheduled for the March 1 concert along with Dvorak's Concerto in B Minor. In the guest role will be Douglas Marsh, cellist, Symphony No. 35, "Haffner", by Mozart and Slavonic Dance No. 3 by Dvorak are also on the concert agenda.

Closing "concert hall", April 12 with its spring Festival Concert, the symphony will range its way the Plymouth Festival Overture

THAT'S THE GUY! . . . Brought to Hollywood police station to identify man who allegedly held him up, Douglas Sims (left) grabs the hair of Murray Jaconson and shouts, "That's the guy!"

by Beglarian. Violinist Joseph Lazaroff, Soprano Norma Heyde and the Plymouth Civic Chorus are guest artists.

The PHS band will join hands with the symphony to play Tchaikowsky's 1812 Overture. Highlights of this concert date is Strauss's Suite from Die Fledermaus, a comic opera known to many music lovers.

All concerts are open to the public without charge. Concert dates fall on Sunday and will be held in the Plymouth High school auditorium.

Attorney Charges He Lost \$30,000 When City Approved Alley Plan

(Continued from Page 1)

way. A projected Marlowe avenue, already on the master planning sheet, would account for the final quartering of his property.

Demel contends that the property "has been removed from the market as a supermarket site."

He told Commissioners, "I have already lost attractive deals. Your action diminishes the property value 80 per cent."

Earlier, property assayers had placed the Ann Arbor road business area property at \$100 a foot.

City building codes prohibit building any structure that would intersect proposed improvements shown on the master planning sheet.

In the near hour-long discussion, Commissioners reviewed the Planning Commission's action in passing on the controversial alley, accepting testimony from one of its members, Ezra Rotnour.

Supporting the Planning Commission's position, Rotnour says, "we try to give everyone as fair a deal as possible. We bend over backwards to help business or industry."

Mayor Russell M. Daane sees the projected alley as a "safeguard to development of the area. I personally agree," he says with the Planning Commission's action.

Commission Bauer claims "it's just common sense."

Thomas W. Randall, a realty broker from Detroit representing a Mrs. Kryda in 30 acres of property bordering the Ann Arbor road area, warned Commissioners that they should assay the Ann Arbor road business site as the potential location of a "fine business center."

It would, he states, prove economically valuable to the city in terms of taxation revenues and development of the city.

He charged that the Planning Commission had failed in notifying his client of the time and date in July when final approval of the alley was made.

Randall says he recently represented clients in the purchase of 100 acres of land being developed into a \$10,000,000 industrial center.

Supporting Demel in his bid for further consideration of the alley were Commissioners Floyd Tibbitts, Ernest Henry and Frank Arlen.

Hudson Lecturer Here October 13

(Continued from Page 1)

Company Speakers' Bureau, Mrs. Burlingame's topic will be, "House Plants Can Be Interesting Companions." This is an informal discussion covering the propagation of all kinds of house plants, interesting new trends, the care and culture of plants for added beauty, and their decorative value in the home. Plants, containers and other materials are used as a display to illustrate highlights of the program.

Mrs. Burlingame concludes her talk by answering questions put to her by her listeners.

Mrs. Burlingame attended the University of Michigan and the School of Floriculture at Michigan State College where she specialized in greenhouse production. She is a talented and enthusiastic dirt gardener as a result of combining academic training and practical experience. Her club affiliations include membership in the American Association of University Women, P.E.O., and the Birmingham Branch of the National Farm and Garden Association. She is a member of The J. L. Hudson Company Speakers' Bureau, Detroit.

B-I-E Leaders Meet to Examine Needs, Future of Local Youth

(Continued from Page 1)

job," and by seeing the needs and qualifications for job skills they are teaching to students.

Blunk stated that many job opportunities right within the community unknown to graduating students can be pointed out, "benefitting the entire community."

Blunk is coordinator for Plymouth High school. He heads the Vocational Training Program that affords non-college bound students on-the-job training.

It is thought by B-I-E participants that educators can help point out and guide a student's training according to the city's needs. The philosophy behind this thinking is Plymouth industrial and business jobs for Plymouthites.

"By showing teachers that there is a definite place for each and every student in our community work-a-day world," Blunk emphasized, "where students may earn a living, live a happy life and be a valuable part of the

community" there is bound to be community understanding.

School officials participating in the event were James J. S. Galimore, president of the Board of Education; Russell Isbister, superintendent of schools, and Melvin Blunk.

Representing business were Harry Roberts, president of the Chamber of Commerce and Nestor Sibbold, secretary; L. B. Rice, manager of the Automobile Club of Michigan; Wendell Lent, co-partner, Davis and Lent; Harry Mohrmann and Floyd Kehr, vice presidents of the National Bank of Detroit; and Marshall Kirkpatrick, manager of the S. S. Kresge company.

Industrial representatives present during the discussions were: Lawrence E. Hiltz, manager, Barnes-Gibson-Raymond; Frank Bentzel, manager, Burroughs Adding Machine company; E. S. Anderson, assistant to the president of Whitman and Barnes; Cass S. Hough, executive vice-president, Daisy Manufacturing company; Dean Sipson, commercial manager, Michigan Bell Telephone company; and Earl Rus-

sell, vice-president, Wall Wire Products company; George Haarbauer, general manager, Dunn Steel Products company.

City Manager A. F. Glassford met the top executives during the 11:30 a.m. luncheon held at Bird Elementary school. He extended greetings to the assemblage complimenting them on the hands-across-the-table meet.

Sipson Gets Bell Managerial Post

(Continued from Page 1)

ial duties in the company's Fort division, under the personnel shift announced by J. F. Healy, division commercial superintendent.

Following graduation from Springfield College in Massachusetts, Sipson joined Michigan Bell's commercial department in 1948. After assignments as outside representative in Royal Oak and on the company's directory staff in Detroit, Sipson was named assistant manager in Ann Arbor.

During World War II, the new manager was an Army infantryman for almost three years.

Business Opportunities 5A

REAL BUSINESS OPPORTUNITY FIRESTONE STORE DEALERSHIP
An interesting future in a sound and profitable business is yours with a Firestone dealer store dealing in tires, auto accessories, radio and television, electrical appliances, sporting goods, housewares, hardware, lawn and garden, wheel goods, toys, etc. A capital investment of \$20,000 to \$30,000 puts you in business and all details of basic stock, fixtures and sales promotion, advertising, etc, takes care of you under your complete business franchise. Previous merchandising experience preferred, but not necessary, if you have a capacity and desire for learning. Our plan includes training and personal assistance if desired. Franchise available in Plymouth area. The many Firestone dealers now operating successful stores will testify to the excellent results of our dealer program. Call or write A. N. Stuart, district manager, The Firestone Tire & Rubber Co., Detroit, Phone Wo. 3-1060. 5A-7-2tc

Card of Thanks 27

I WISH to thank my friends and neighbors of Phoenix Sub. for the beautiful floral offering given in the recent loss of my sister. Mrs. Nancy Rowe 27-1tp

In Memory 28

IN LOVING memory of Asa Barber Rowe, who passed away three years ago October 6, 1949. No one hears the door that opens. When they pass beyond our call Soft as dropping of the roses. One by one our loved ones fall. But the memory of our dear ones Like the fragrance of the rose God sends to linger with us. Till our own life's door shall close. Sadly missed by wife and children 28-1tp

IN MEMORY of Stella Simmons who passed away Oct. 12, 1951. You suffered much, your pleasures few, You never deserved what you went through, You stood the test and you stood it well, Just what you suffered none can tell. Sweetest memories are all that are left Of a wife so precious I'll never forget. No earthly wealth can ever replace Your loving ways and smiling face. Husband and children 28-1tp

IN MEMORY of the Estate of JOHN FREIHAUT, Deceased. Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon CATHERINE MANDL, EXECUTRIX of said estate, at 1290 Junction, Plymouth, Michigan on or before the 10th day of December, A.D. 1952, and that such claims will be heard by said Court, before Judge James H. Sexton, in said County, on the 3rd day of December, A.D. 1952, at 2:30 o'clock in the afternoon. Dated September 22, 1952. JOSEPH A. MURPHY, Judge of Probate

"I REMEMBER" BY THE OLD TIMERS

From Mrs. A. B. Flaming, Reedley, Calif.: I remember when we would get two bricks and rub them together until we had enough fine brick dust, and we would scour our knives and forks with it.

From Mrs. Etta Jackson, Mogadore, Ohio: I remember when we girls cut up tin cans in strips, wrapped them in paper and rolled our bangs up for curls on them. They made the curls OK but were hard on our heads when we retired for the night.

From H. Floyd Craig, Mt. Gilead, Ohio: I remember when we thought nothing of going a couple of miles through the late winter mud to prayer meeting. We had to put the collar and hames on the horse to pull through the deep clay roads.

From Jamie A. Minton, Lipscomb, Texas: I remember when my mother canned her fruits in brown stone jars and sealed the tops on with sealing wax. She seldom lost a jar from spoiling.

From Mrs. F. W. Macomber, Washburn, N.D.: I remember when my father planted cane in the spring and then in the fall we children had to help strip it and get it ready to take to the sorghum mill to be made into molasses. The man who made the molasses would give us a small paddle to eat the warm molasses. We made rags from corn husks, braided them to lay at back door to wipe our shoes.

(Mail your memories to THE OLD TIMERS, N.W.N.S., 210 S. Desplaines, Chicago 6.)

Post Office to Continue Savings Stamp Program

The Plymouth post office now has a plentiful supply of Schools Savings Stamps and albums ready for the new school season. Postmaster George Timpona announced today: "We have received shipments of both stamps and albums during the summer recess and are fully prepared to continue serving all of our schools," he added.

Timpona said, "There is every reason to anticipate a far heavier demand for Saving Stamps this year than at any time during the peacetime years. The School Savings campaign last fall, which proved such an outstanding success, created keen interest in the program on the part of teachers and students. The drive, which added 5,815 new school savings programs throughout the country, will be continued during the first semester of this school year. It is expected that nearly 5 million students will be in Stamp Day schools by the end of this calendar year.

"It is hard to visualize the great benefit this one program will have for our country with 5 million children saving nickels and dimes and building the habit of thrift. School savings have been on the uptrend the past three years," he continued. "Stamp sales in the nation's schools increased from \$10 million, 800 thousand in 1950 to \$14 million in the 1951-52 school year."

Postmaster Timpona also announced that the new improved Series E Bonds are now available. In describing the new bond he

said: "It is now better than ever. Your return on this bond is 3 per cent, compounded semi-annually, if held to maturity. It also provides higher cash values in the earlier years. Proof of its popularity is evidenced by the fact that the cash value of E Bonds now outstanding has mounted to \$34.9 billion, the highest ever attained."

Apologies, Plus \$100 Costs Takes Sting From Insult

A train of apologies—plus \$100 in costs—assuaged the angry tempers of Plymouth High school officials and students last week, waxing under the misguided hands of alleged pranksters from Allen Park High school.

The repercussions heard from Detroit to Plymouth, were caused after numerous "AP" insignias inscribed with white oil paint were discovered last Friday, painted on high school windows.

To add insult to injury a large "AP" had been burned on the football playing field as a preliminary to Allen Park's homecoming game with Plymouth, held last Friday night.

Chalked up to pre-game enthusiasm, school officials and students nevertheless heard apologies from the principal of Allen Park High school, the student council mayor and president of the senior class and a promise that "it wouldn't happen again."

Property damage in the altercation was slight.

However, it took school maintenance personnel a number of hours and several gallons of paint remover to erase the hand-wrought insignias.

A fee that may run as high as \$100 is being deducted from Allen Park's game receipts to cover costs of removing the blight.

School officials here cautioned local students against what they called any acts of vandalism, expressing fear that over-enthusiastic students may seek retaliation or duplicate the action of a few students.

Bacon and bananas join for grand eating. Cut bananas in half. Roll each half with a slice of bacon and fasten with wooden picks. Broil or bake in a mod. hot oven until the bananas are tender and the bacon is crisp. Turn them frequently.

PICTURE OF PAIN . . . Joseph Rubin is freed from elevator shaft in Albany, N. Y., after being pinned between elevator car and wall. He was taking a pushcart to first floor from basement and slipped. His leg, caught between car and wall, stopped the elevator.

Defer Action on Library Addition

City Commissioners last Monday held over until a later meeting action on a \$29,000 addition

Stores Equipment at City Garage

Harvey Container Corporation has taken its initial step to move here "lock, stock and barrel."

The infant firm— it was incorporated last June— rented a city-owned garage last week to store its heavy equipment, prior to starting operations at the Allen Industries plant, early in 1953.

Harvey bought the Allen plant early last August for an undisclosed sum.

After taking over the Allen plant, scheduled to cease operations here December 15, Harvey will manufacture varying sizes of corrugated containers.

It will employ some 75 workers, 50 per cent of them women. Harvey officials estimate employment will reach a peak of 150 as its production slips into high gear.

Tentative plans have already been made to re-employ some 250 workers to be displaced when Allen moves its automotive jute operation to its Brewster plant in Detroit.

They point out, however, that rehiring of their Plymouth employees depends on the combined action of the CIO-UAW's Plymouth and Detroit locals and the International Union.

to Dunning Library.

High construction costs shelved the 40 by 50 feet addition to the present library, sorely needed for additional storage and service facilities.

A "scaled down" architectural drawing is in the office. It promises to compensate for building costs that earlier outran the original blueprint.

Discussions on the library during the commission meeting ranged from a complete new facility located at a new site at a cost of \$80,000, to branch libraries located in varying precincts with the present facility being used as a children's library.

Discussion included changing the name of the new facility from Dunning Library to Plymouth City Library.

GIVEN TANK . . . Celebrating his fourth (and probably last) birthday, little Kenneth Ward is intent on riding a Gen. Sherman tank, given to him by a Fresno national guard unit.

Employment Tops 7,600

The Chamber of Commerce's October newsletter listed total employment here at 7,602.

The survey covered Plymouth's 20 major industries in the city and township besides smaller independent businessmen.

The 7,602 figure includes all those employed up to September 30. The survey noted an increase of 126 employees over August.

It also concluded, along with the Employment Security Commission, that a critically short supply of labor was in the offing, especially in the skilled and semi-skilled machinist, tool and die and stenographic help.

Three Share \$30 in Poster Awards

Three local youths won \$30 in awards this week for prize-winning posters urging fire safety, as a part of Fire Prevention Week, October 5 to 11.

A \$15 first prize went to Glenna Merrillat. Second place award netted Richard Garchow a \$10 prize with a five dollar award going to James Thorpe, taking third place.

The awards will be presented as gift certificates.

Six local insurance agencies sponsored the poster contest. They are: C. L. Finlan and Son, Florence M. Parrot, Vivian Wingard, William Wood Agency, Inc., Joe Merritt, Roy A. Fisher Agency.

KEEP FROM BETWEEN PARKED CARS

OCTOBER MEANS FOOTBALLS bouncing in streets, shortcuts home from schools and what appears to be a time-saver: the dash between parked cars. But motorists cannot see youngsters if they dash into the streets. Children cannot judge traffic from between parked cars, and the "parked" cars may suddenly move. As a reminder to school children of the dangers, Automobile Club of Michigan has sent 10,500 full size copies of this poster to state schools.

Mrs. Edward Hauk entertained 26 neighbors and friends at a miscellaneous shower last week in her home on Canton Center road honoring Miss Hazel Darnell who will become the bride of Dale Blackmore on October 25.

Clubs to Sponsor City-Wide Party for Hallow'een

Plymouth's service clubs, recreational department and schools are banning together again this year to take the "spook" and destructiveness out of Hallow'een.

Initial plans set to entertain the town's youthful Hallow'eeners call for a costume parade and a community bonfire behind Plymouth high school. Cider and donuts will be in the offering as well as games and costume prizes.

Merchants answering the Hallow'een season with displays will be judged by a committee from the Chamber of Commerce and awards will be made for original displays.

A reverse switch on the "no soaping of windows" decree will permit organized soaping of downtown windows, say recreation officials. As a matter of fact, the most skillful window soaper judged by a committee may be recognized with an award for a soaped-up job well done.

MOMS NEWS

Unit 18 Moms of America will hold the regular business meeting, October 9, 8:00 p.m. in Veterans' Memorial.

A report on the convention held in St. Ignace will be given by Mrs. Charles Hower, who acted as delegate. Others attending from our unit were Mrs. Arthur Norgrove, Mrs. Lawrence Gladstone and Mrs. Alicia Estep. Anyone who has eye glasses to be used for veterans, please bring them to this meeting. Keep in mind the card party to be held this month. Let's all work toward making this a success.

Retail Hardware Group Meets Here

Earl McIntyre, professor of Advertising, Michigan State college, and also Advertising Community Relations Consultant to the Michigan Retail Hardware Association, will be the featured speaker on the program of the 28th Annual District Meeting to be held in the Mayflower Hotel, Plymouth this Thursday night with dinner served at 7:30 p.m. according to Clarence Jahn, Jahn's Livonia Hardware, Plymouth General Chairman.

Professor McIntyre will discuss the subject "How To Increase Store Profits" through the use of advertising and other modern merchandising methods.

Also on the program is Michael D. Knopic, Midland, and Harold W. Schumacher, Lansing, President and State Manager respectively of the Association who will discuss the Fair Trade Law, motor freight surcharge, legislative re-apportionment, and new state laws which became effective September 18.

Smith PTA Plans Country Fair

Plans are underway for the Smith school Parent Teacher Association's second annual Country Fair to be Saturday, October 25 at the school.

Charles Wolfe, general chairman, announces that this year a pancake supper will be served in addition to a variety of food and snacks offered in the Supper Club.

A country store, cake and pie walks, attic treasurers, flower shop, fish pond, and shooting gallery are some of the booths which will be featured at the fair.

GRAND OPENING

of Our

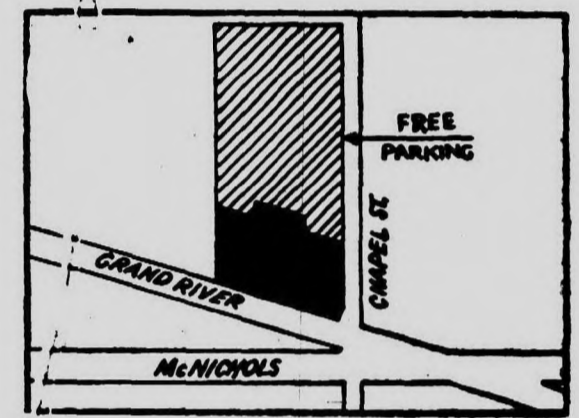

REDFORD BRANCH

Grand River at McNichols

Will Continue Through Friday, October 17th

First Federal's new Redford Branch—Grand River at McNichols

FREE PARKING in a large parking area directly behind the branch.

FIRST FEDERAL PAYS

2%

Current Rate on Insured Savings

The same earnings rate is paid on your entire account, not just part of it. Savings are insured to \$10,000 by Federal Savings and Loan Insurance Corporation. Savings and withdrawals can be made by mail—and postpaid mail-saving envelopes are furnished on request.

With assets of 86 million dollars, First Federal is now one of the country's larger savings institutions. We are members of the Federal Home Loan Bank System and of Federal Savings and Loan Insurance Corporation.

SAFE DEPOSIT BOXES are available at the new Redford Branch—and you are invited to inspect the big, new vaults. Rentals begin at \$5 a year, plus federal taxes.

First Federal's headquarters building on Griswold at Lafayette, across from Detroit's City Hall.

YOUR CHOICE OF USEFUL GIFTS

When you open a new savings account with \$10 or more, you may have your choice of:

A SHEAFFER FINE LINE PEN AND PENCIL SET—nationally known, attractively styled and nicely packaged. There is no advertising imprint on pen or pencil; you can use as a welcome gift or keep for your own use.

OR—A ONE-YEAR READER'S DIGEST SUBSCRIPTION—the whole family will enjoy this famous magazine, read by millions all over the world. (If you already subscribe to Reader's Digest, we'll furnish a one-year extension of your subscription.)

By opening a savings account with \$5 or more, you can have the attractive globe bank pictured which will hold several hundred dollars in mixed coins. This is an up-to-date world globe, with contours and coloring to indicate oceans, continents and so forth. Fine for either youngsters or grownups! This offer is good only during the Grand Opening.

USEFUL SOUVENIRS FOR ALL—To share this happy occasion, there will be worthwhile gifts for everyone entering our doors during the opening days—including a 3 1/2" plastic bank and a pocket-size cardboard dime-saver.

NOTICE OF SALE

\$43,000.00

CITY OF PLYMOUTH, COUNTY OF WAYNE, MICHIGAN

SPECIAL ASSESSMENT STREET IMPROVEMENT BONDS

(DISTRICT NOS. 167 to 170, both inclusive, 172 and 174 to 176, both inclusive)

Sealed bids for the purchase of Special Assessment Street Improvement Bonds (Dist. Nos. 167 to 170, both inclusive, 172 and 174 to 176, both inclusive) of the par value of \$43,000.00, to be issued by the City of Plymouth, County of Wayne, Michigan, will be received by the undersigned at the City Hall, Plymouth, Michigan, until 7:30 o'clock P.M., Eastern Standard Time, on the 20th day of October, 1952, at which time and place said bids will be publicly opened and read.

Said issue of Special Assessment Street Improvement Bonds will consist of forty-three (43) coupon bonds of the denomination of \$1,000.00 each, numbered consecutively in direct order of maturity from 1 to 43, inclusive, and will mature as follows:

\$5,000.00 July 1st of each of the years 1953 to 1956, both inclusive;

\$4,000.00 July 1st of each of the years 1957 and 1958;

\$5,000.00 July 1st of each of the years 1959 to 1961, both inclusive.

Said bonds will be dated August 1, 1952 and will bear interest from their date at a rate or rates not exceeding three (3%) per cent per annum, expressed in multiples of 1/4 of 1%. Said interest shall be payable on July 1, 1953, and semi-annually thereafter on the first day of January and July of each year. The interest rate for each coupon period on any one bond shall be at one rate only. Both principal and interest will be payable at a bank or trust company to be designated by the purchaser of the bonds. Accrued interest to the date of delivery of such bonds must be paid by the purchaser at the time of delivery.

Bonds numbered 1 to 20, both inclusive, maturing in the years 1953 to 1956, both inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered 21 to 43, both inclusive, maturing in the years 1957 to 1961, both inclusive, shall be subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any interest payment date on or after July 1, 1956, at par and accrued interest plus a premium as follows: \$15.00 on each bond called for redemption on or before July 1, 1957.

\$10.00 on each bond called for redemption after July 1, 1957, but on or before July 1, 1958;

\$ 5.00 on each bond called for redemption after July 1, 1958, but on or before July 1, 1959.

No premium shall be paid on bonds called for redemption after July 1, 1959.

Thirty days' notice of the call of any bonds for redemption shall be given by publication of notice thereof in a newspaper of general circulation in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest shall accrue on bonds called for redemption after the date fixed for redemption provided the City has sufficient funds for such redemption on hand with the paying agent.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from November 1, 1952, to their maturity, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

Said Special Assessment Street Improvement Bonds are issued in anticipation of the collection of special assessments on the lands in Special Assessment District Nos. 167 to 170, both inclusive, 172 and 174 to 176, both inclusive, and the liability of each Special Assessment District is limited to the payment of the following principal amount and interest thereon: Special Assessment District No. 167—\$3,942.63; Special Assessment District No. 168—\$2,143.96; Special Assessment District No. 169—\$9,731.16; Special Assessment District No. 170—\$4,171.41; Special Assessment District No. 172—\$8,841.60; Special Assessment District No. 174—\$2,957.67; Special Assessment District No. 175—\$4,085.55; Special Assessment District No. 176—\$7,162.56. The full faith, credit and resources of the City of Plymouth are irrevocably pledged for the prompt payment of the principal and interest on said bonds, as the same become due.

A certified or cashier's check in the amount of \$860.00 drawn upon an incorporated bank or trust company, payable to the order of the City Treasurer of the City of Plymouth, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof. The purchaser shall furnish bonds ready for execution at its expense. Bonds will be delivered at Detroit, Michigan or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any and all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds".

Lamont C. BeGole, City Clerk

Korean Veterans Home on Leave Receive Citation

Two Plymouth area Korean veterans received a "Welcome Home" citation last Monday from City Commissioners.

On hand to receive the framed citation during a regular commission meeting was Private Robert L. Houghton, 22, of 356 Sunset.

The second veteran identified only as Robert Wassman of Canton Center could not be located for the "welcome home" greetings.

Houghton, who spent 15 months in Korea and Japan, was introduced to Mayor Russell M. Daane, City Manager Albert F. Glassford and six city commissioners.

In part, the citation read: "The City Commission, and the City of Plymouth, with deep feeling of gratitude, welcomes you home from Korea. We are happy because you are safely home with us after having served your country on foreign soil, and we are proud of you for having fought bravely in the cause of freedom and democracy."

Private Houghton saw combat with the 45th Division in Korea. He was a BAR (Browning Automatic Rifle) man and ammunition clerk.

Home on a 30-day furlough, Private Houghton is hopeful of getting an army discharge. He has been on active duty 21 months.

Auxiliary to Hold Book Review

The woman's auxiliary of St. John's Episcopal church will hold a book review and tea at the church, Thursday, October 23, at 2:30 p.m.

Mrs. Charles Dengler, of Jackson, will review "Cyclone in Calico" by Nina Brown Baker. The book concerns the "Cyclone in Calico," a nurse, who went through every battle in the Civil War.

Mrs. Dengler, who has appeared on three other occasions in Plymouth, recently returned from Boston where she was a delegate to the General Convention of the Woman's Auxiliary of the Episcopal church. She is Educational chairman of the Woman's Auxiliary of the Diocese of Michigan.

Following the book review, tea will be served.

Tickets may be obtained by calling Mrs. Arthur Jenkins, Livonia 5786.

Last Rites Read For Kim R. Reh

Infant Kim Robert Reh, son of Robert and Marilyn Reh who reside at 104 Holbrook avenue passed away Saturday, October 4.

Besides his parents, he is survived by his sister, Terri Lee Reh, his grandparents, Mr. and Mrs. R. E. Kalmbach of Livonia and Mr. and Mrs. Frederick Earl Reh of Plymouth, and other relatives.

Interment was Monday, October 6 at 10 a.m. at Riverside cemetery.

First Federal Extends Opening

The grand opening of the Redford branch of First Federal of Detroit will continue through October 17. This is an extension of a week beyond the original date.

There were over 1,600 new accounts opened during the first three days of the opening. All persons opening an account of \$10 or more receive either a year's subscription to the Readers' Digest, or a Fineline pen and pencil set. Those opening accounts of \$5.00 receive a globe bank. Gifts will be given to all who come into the new building.

Gets 75-Pound Deer With Bow and Arrow

Lawrence E. Parmenter, 35, of 1150 Roosevelt, strong-armed a bow at Mio, Michigan last Friday and brought down a 75-pound deer, one of the first reported kills from this area since the bow and arrow deer-hunting season started.

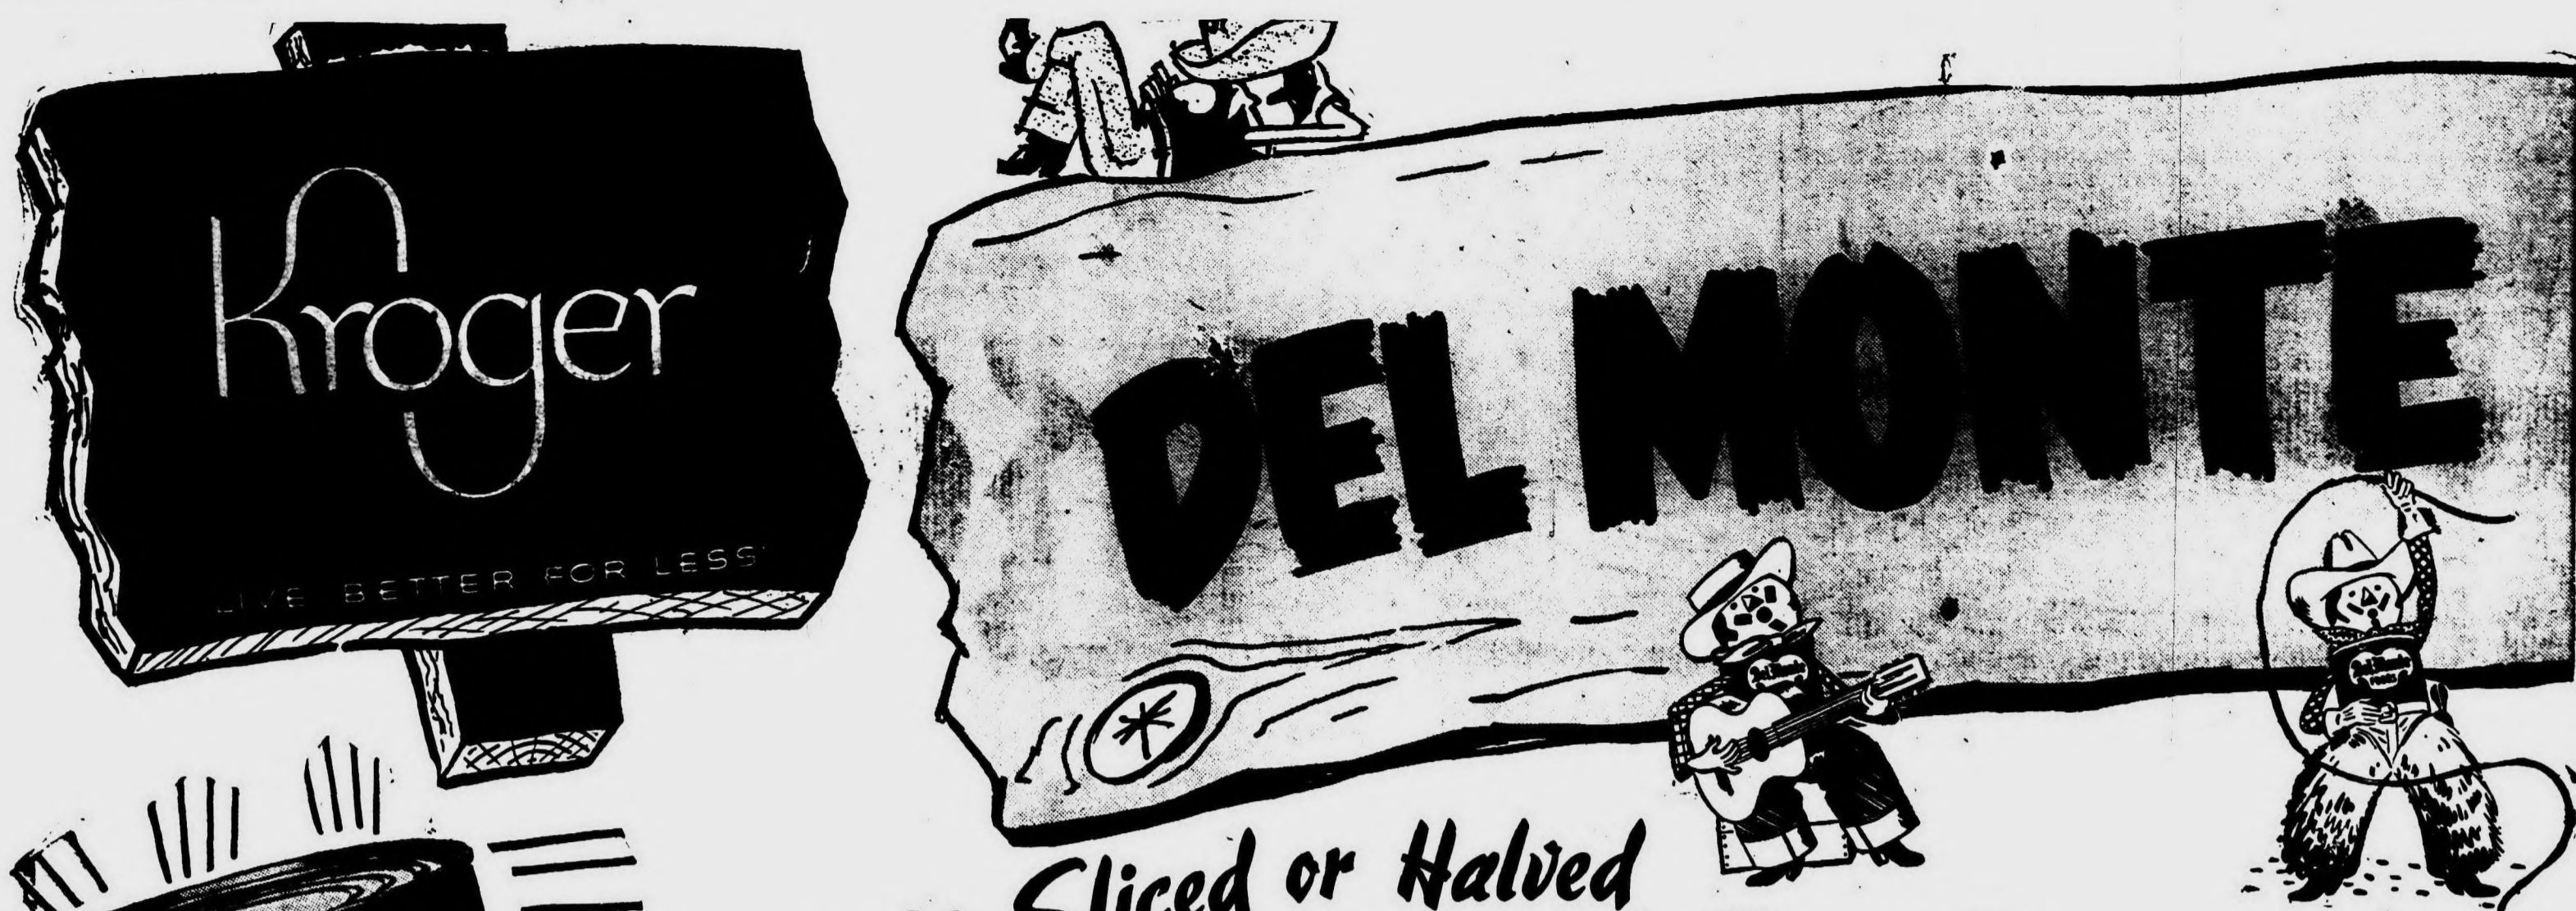

He was accompanied to a student at Michigan State College, and a companion from Plymouth, Ward Lester.

Pear Tree in Blossom

A pear tree which lost its leaves and was apparently dead, recently regained all of its leaves and blossomed for the second time this year.

According to Mrs. C. E. Carter of Butternut street, the tree, which grows in her garden, had leaves and a few small pears when it withered and lost its fruit and leaves. However, during the past few weeks it has regained its leaves and blossomed.

Turn cubed steaks into barbecued steaks. Dredge the steaks with flour. Then brown them on both sides in a small amount of lard or drippings. Pour barbecue sauce over them. Cover and cook slowly until the meat is tender, about 30 minutes.

Monte H. Wood Dies in Detroit

Funeral services were held in Detroit for Monte H. Wood, former Plymouth resident who died suddenly at his Edison avenue home in Detroit on September 28.

Mr. Wood was born in Wayne in 1886 and moved to Plymouth at an early age. He attended school here and was active in baseball and other sports circles.

He married Louise Gentz in 1908. She passed away in 1916. In 1920 he married Mrs. Beatrice Stevens of Detroit who survives him.

Also surviving is a son, Clifford; a daughter, Marie; a late daughter, both of Plymouth, four grandchildren, a step daughter, Mrs. Betty Hudson of Virginia; another daughter, Geraldine Wood Bowers of Detroit and a brother, R. S. also of Plymouth.

Mr. Wood was associated with Burroughs Adding Machine company for 43 years and was a member of Friendship Lodge, number 417 Free and Accepted Masons, Damascus Commandery and Moslem Temple shrine, and an elder in the Woodward avenue Presbyterian church.

Interment was in Avoca Park cemetery.

V.F.W. News

October 14 at the Veterans' Memorial center Mayor Russell Daane will discuss politics. Everyone is welcome to attend.

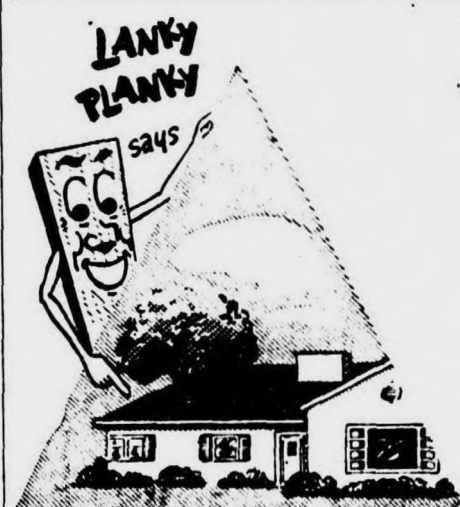

Grace Burley, Jean Olson, Marian Luttomoser, Madelyn Hartford, Shirley Sandline, Loretta Young, and Delores Olaver attended the dramatic rally at Trenton, Sunday. The afternoon was highlighted with the presentation of the members who trophy to the auxiliary. The auxiliary won the trophy in a recent membership drive headed by Loretta Young. The trophy will be displayed at one of the local stores.

Essentials of Scouting Discussed at Meetings

Girl Scout Leaders' Training course will be held at a hotel at the home of Mr. Farley Beach on Sheridan avenue. The meeting for the Browning program will take place at 1 p.m. Attendance at the last meeting was good but there is still a demand for more persons interested in Girl Scouting.

Browning and Intensive leaders will meet at the Girl Scout cabin on Thursday, October 16, at which time a session on troop organization, re-education and the policies of Scouting will be discussed. The leaders are urged to be at the cabin at 1 p.m.

Bible Club Elects Officers

A newly organized high school Bible club, consisting of young people from all religious denominations, had their first meeting of the year on September 30. The purpose of the club is found in the scripture passage of I Timothy 4:12. "Let no man despise thy youth; but be thou an example of the believers in word, in conversation, in charity, in spirit, in faith, in purity."

The group, containing approximately 25 members, met during the lunch hour at the high school. Young people from the 7th to the 12th grades may join the organization.

At the first meeting an election of officers was held. Those elected were as follows: Sally Canning, president; Judy Marshall, vice president; Marilyn Paul, secretary and Irene Anderson, treasurer.

The young people take part in rallies which are held every other Saturday in Detroit at the Masonic Temple.

Company Sponsors Twin Contests

Twin contests, with prizes for both customers and employees, will highlight a fall sales event September 29 to November 4 for 142 stores of the Kroger Co. in this area. C. Olaf Talla, Kroger Detroit branch manager, announced today.

Consumers will vie for a \$10,000 cash prize, 14 tons of free food, 25 completely stocked home freezers, and 500 automatic coffee makers in a giant Kroger coffee election contest. A unique ballot-type entry blank carries out the election theme. Awards will be made on the basis of 25-word-or-less statements on "my favorite Kroger coffee blend."

The employee contest, on the other hand, will be based on sales gains during an eight-week period ending November 29. More than 4,000 merchandise awards will go to employees of winning stores, while managers of the 50 top stores and their wives will receive an all-expense-paid vacation trip to Washington and New York. Each store will be in competition with six other stores of comparable size.

"Free food for a year" for a family of four will be offered as top prize in each of the five weekly consumer contests. Value of the food is based on U. S. Government estimates at today's prices. Winners will receive \$1,500 in certificates redeemable at any Kroger store.

Also to be given away to winners in the weekly contests are 25 14-cubic foot Crosley home freezers, filled to the brim with 100 pounds of Kroger Tenderay beef roasts and steaks, and 400 packages of Birds Eye frozen foods. In addition, 500 Cory automatic coffee makers, 100 each week, will be awarded to contest winners.

Each of 530 weekly prize winners in the coffee election contest will be eligible for the \$10,000 cash grand prize, according to Talla. Entry blanks for the contest are available at all Kroger stores, he said.

Professor Edgar Waugh Speaks to Woman's Club

Edgar Waugh, professor of political science at Michigan State Normal college, Ypsilanti, spoke to the Woman's club of Plymouth on current politics. Professor Waugh was guest speaker at the first fall meeting of the club held October 3.

Professor Waugh outlined four points which he considered most important in the forthcoming Presidential election. The first of these, according to the Professor, is "Do we want a military man for President?" Corruption in government is second on his list. He states that history shows that corruption usually follows wars.

Communism and Foreign policy were points three and four as named by Professor Waugh.

The Woman's club is planning a cooking school for November 11 as its annual benefit.

Better see Beglinger for better deal. New and used cars.

Mr. and Mrs. Robert Soth and family of Warren road were Sunday dinner guests of Mr. and Mrs. Arlo Soth of Ridgewood Drive.

On September 30 the members of the Vivian's club held their first social function in the new Elks Temple. The combined luncheon, card party and bake sale was held to raise funds to purchase the new sign for the temple. Mrs. Ethel Keyes was general chairman assisted by several other members. All proceeds went to the fund.

Mr. and Mrs. Guy Fisher visited their daughter and husband, Mr. and Mrs. Henry Trombley in Farmington last weekend.

The Girl Scout leaders club will meet at 7:30 p.m. next Monday evening, October 13 in the Girl Scout cabin. Mrs. Sheldon Baker will demonstrate one dish meals for outdoor cookery. Plans for the rally to be held in late October and the observances of Girl Scout week will be discussed. All members are urged to attend.

WORKING THE NEWS

By Carl Peterson

Well, the great indoor sport in the fall semester is picking the winners of the week-end football frays. All you need is a pencil stub and an opinion... even a biased one. If all the limbs that football fanatics go out on during the pigskin season were laid end to end you could start a branch office.

"Experts" who make a business of selecting teams always add an "if" to the end of their statements. This gives them a running start on an alibi if the football bounces the wrong way and the favorites bog down. Of course, you can always blame losses on the officiating. The officials are used to it by now.

MOTHERS! Be on the watch for Eff an Bee walking dolls. They will be on display here shortly.

In Hamiburg, Iowa, someone chopped a hole in the bottoms of 16 duck hunters' boats. You just can't trust a bird lover with an ax. But you can trust our pharmacists with prescriptions... accuracy and purity are standards at PETERSON DRUG... the newest and most modern drug store in Plymouth, opposite the Mayflower hotel, 840 W. Ann Arbor Trail. Phone 2080.

The Thursday club was invited to the new home of a former member, Mrs. Alice McCollum in Northville on September 25. Mrs. McCollum was presented with a lovely gift from the group. Following a social afternoon dainty refreshments were served by the hostess.

Roy Pierson visited his sister, Miss Merinda Pierson in Detroit last Thursday.

Mr. and Mrs. Paul Bairas of Clemons road have returned to Plymouth after spending a week in Weirton, West Virginia where Mr. Bairas attended to business and then went on to Cumberland, Maryland, where they visited a few days with cousins.

Robert Finton of Saginaw spent a few days this past week with his parents, Mr. and Mrs. Herbert Finton of Palmer avenue.

Mr. and Mrs. Sam Spicer, Mr. and Mrs. Jesse Tritten and Mr. and Mrs. Charles Rienas attended the dedication services at Deerfield on Sunday.

Miss Lorraine Corbett will entertain at a stork shower Friday evening in her home on Blunk street honoring Mrs. M. Graham Laible.

Plymouth High School News

Student Council Installs Officers

Four new officers were sworn into student council by Carvel Bentley, principal, at a meeting held Wednesday, September 24. They are Carol Partridge, Larry Welheli, Elaine Rich and Bill Moore.

The class of 1951 left some money towards purchasing a television set. Melvin Blunk, 1951 advisor, has turned the fund over to the Student Council asking them to decide what to do with the money, suggesting using it for its original purpose or some other worthwhile project.

"National Register of Outstanding High School Students" is to be supervised by the Student Council. A committee of eleventh and twelfth grade executive boards and advisors are to select this outstanding student.

Y-Teens Blue Chapter Names Chairmen

Committee chairmen were appointed for the blue chapter of Y-Teens at the meeting of the year on Thursday, September 18. Marilee Watson will head the Service committee; Margie Alford, the Ways and Means committee; Jane Nulty, the Music and Devotions committee; and Glenna Merillat, the Publicity committee.

Plans were made for a progressive dinner with Sally Morgan acting as chairman. It was decided that the regular meetings will be held every two weeks.

New members will be initiated in November.

Swim Club Organized

A swim club, under the direction of Mrs. Delores Caldwell, which will feature synchronized swimming, has been formed at Plymouth High school. Meetings will be held every Monday and Friday, after school.

A water show is to be presented May 14 and 15, with the theme of the program yet to be chosen. Tryouts were held last Friday and the girls were divided into groups accordingly.

Officers of the club will be elected in the near future.

Staff Members Attend Meeting

Members of the Plymouth High school newspaper and annual staff will attend the sixth annual Journalism Day at Michigan State college on October 15.

During the day there will be instruction and discussion, which will start with registration in the auditorium lobby at 8:30 a.m. Following will be a general assembly, planning the All American yearbook. One of the top yearbook men in the nation will lead the discussion of this topic.

Planning the All American newspaper will be next. A practical expert will lead the open forum discussion on this topic. He will be aided by experts discussing news stories, general sports, editorial writing, photography, columns, and general advertising.

Schools submitting yearbooks and newspapers will receive a written analysis of their work. Certificates of merit on the basis of articles printed in their papers will be given out to individuals and papers.

The Michigan high school newspaper judged to be the best in the state for the 1951-52 year will be awarded a John S. Knight Trophy.

Y-Teens Plan Halloween Party

The all-girl Halloween party, which is an annual project of the Y-Teens white chapter, has been set for Tuesday, October 28. At the recent meeting of the club held September 25, the girls signed up for committees.

The club is in charge of the publicity for the homecoming football game on October 17, with the girls volunteering to help the publicity committee make posters for this event.

The club unanimously decided to send its chocolates for Christmas to the children in Korea.

Terry Carney, treasurer, announced that the club's assets amount to \$39.95. It was decided that the dues this year will be 35 cents per semester.

PHS Debate Team Meets Northville

Plymouth High School's debate team will have a practice debate with Northville High school today, Thursday, on the state topic: "Resolved that the Atlantic Pact Nations should form a Federal Union."

On Saturday the team will travel to Ann Arbor to attend the Discussion Debate clinic.

Members of this year's squad include Larry Tillotson, Annette Brant, Tom Sawyer, Tom Rowe, Brian Kidston, Sally Ford, Marilyn Sheere, Jim Isbister, Wayne Smith, Dennis Bonnette, Frank Taft, Dick Root, Foster Brown and Bill Moore.

The team is coached by Karl Kranish, Plymouth High speech teacher.

Sharlene Johnson Named G.A.A. President

Sharlene Johnson was elected president of the G.A.A. in a meeting of the club, Tuesday, September 30. Other officers are: Joan Donnelly, vice president; Pat Lidgard, secretary; Judy Swope, treasurer.

A letter received from Redford Union G.A.A. was read inviting 12 girls to a league meet to play soccer, speedball, and field hockey. The 12 girls chosen to go are: Carol Schaufele, Sharon Van Sickle, Sally Gyde, Pat Lidgard, Faye Parmenter, Jane Carney, Dolores Eckstrom, Ann Sumner, Barbara Campbell, Laura Hatch, Susan Simpler, and Ruth Norman.

Dues were discussed and it was decided that 25 cents a semester would be paid by the girls.

Appointed Dealer For

AMERICA'S MOST EXCITING CAR

More Than 53% Of All Packards Built Since 1899 Are Still In Use!

PACKARD

ASK THE MAN WHO OWNS ONE

BELIEVE US, we're really proud that Packard recently appointed us one of its dealers. Because today's great Packard, by any yardstick of comparison, is America's most exciting car—engineered to outperform and precision-built to outlast them all!

• • • Come in—see and drive this magnificent Packard for yourself. Extra-wide doors invite you into handsome interiors unmatched for comfort and roominess. You settle back on seats as wide as the car is high and enjoy full, all-around visibility through Packard's 3,046 square inches of safety glass.

• • • Press your foot on the accelerator and you're in command of the smoothest, quietest and most efficient power combination in any car—Packard's mighty Thunderbolt Engine, the world's highest-compression eight-teamed with Ultramatic, the automatic drive that excels all others in smooth performance, safety and dependability. Then try Packard's exclusive new Easamatic Power Brakes and discover how quickly you can stop this big '52 Packard—with 40% less foot pressure!

• • • If you plan to spend \$2500 for a car, invest one hour in seeing how few dollars more it takes to own a Packard. Packard costs less to buy than you may think, and the record over the years proves it costs less to own—for "Built like a Packard" means built to last!

Proper Guidance of Youth Essential to Mental Health Says Psychiatrist

For the emotionally disturbed, psychosomatic child the world is a living nightmare.

This is the testimony of Dr. John Pitkin, top psychiatrist and staff head of the Huron Valley Child Guidance Center, located in Ypsilanti—some 13 miles from Plymouth.

During his years as a guidance expert Dr. Pitkin has treated many emotionally disturbed individuals.

Most of them, he says, were commonly regarded as "personality problems" by their families.

A few of them were arsonists, thieves, forgers and bullies. They came from high and low income families, and their intelligence ranged from superior to low, but they all had one thing in common.

They were children under 11 years of age.

Dr. Pitkin heads a staff of one psychologist and two psychiatric social workers at the Ypsilanti clinic. It is under the Michigan Department of Mental Health, yet cooperates closely with local social, police and educational organizations.

Children labeled as "problems" or believed suffering from emotional disturbances are referred to the clinic by school teachers, social agencies and courts or are brought in by worried parents.

Dr. Pitkin said fear, anxiety and insecurity—whether created by real or fancied causes—may drive children into frequent periods of hostility, resentment, boredom, destructiveness or into psychosomatic illnesses.

A living nightmare filled with child-like fears and uncertainties is often the lot of emotionally

disturbed children. "Often parents expect us to perform miracles with their children," he declares. "But it takes five to ten years for a child to develop a behavior pattern and we can't change him overnight."

Many youngsters are victims of over-conscientious parents, Dr. Pitkin pointed out, stating that usually though neurosis comes from "unfavorable child-parent relations."

He theorized that publicity given to child psychology had caused mothers to become over anxious to raise their children properly.

"As a result when youngsters start doing any number of perfectly normal things common to their ages, mother runs to a book to see if there is anything wrong with them."

Dr. Pitkin warns that "eventually this habit of 'bringing up the book' instead of the youths creates the very tensions and anxieties in children that the mother is trying to avoid."

In many cases where children become emotionally insecure, the causes are beyond the control of the parent, he informs, revealing that there are cases on record where a well-behaved child at home becomes extremely mischievous at school.

It is a practiced rule at the Guidance Clinic to avoid blaming parents for a youngster's emotional condition, Dr. Pitkin concluded.

"It is a primitive, punitive method to use in attempting to correct the emotional disturbances of their children. Parents love their offspring and are sincerely anxious to properly rear them."

Comics and Skaters Combine Talent for Olympic Spectacle

Detroit Olympia will blossom into a segment of the romantic West Skating Vanities of 1953.

The Vanities, with a cast of the world's outstanding skaters, will open with a Tuesday night performance and continue through Sunday, Oct. 26. Its 200 talented performers, headlined by the funsters Ole Olsen and Chic Johnson, whirl, whiz and glide through a breathtaking program which takes its tempo from a glittering opening number.

Against a background of ranch houses, corals and Western scenery, Nancy Lee Parker and Peggy Wallace, both former national figure skating champions, lead the entire colorfully-garbed company through fast moving rhythm. The Dude Ranch Round-up serves to introduce the celebrated Broadway comedians Olsen and Johnson and their merry-making horde. The Vanities, recently arrived from European successes, will make its 11th annual appearance at the Detroit Olympia. Besides the 8:30 p.m. nightly performances there will be a matinee on Sunday, Oct. 26, at 2:30 p.m. Tickets may be ordered by mail or purchased at the Olympia boxoffice.

Ted Shawn Next For Town Hall

Ted Shawn and 10 stars from Jacob's Pillow Dance University in the Berkshire Mountains will appear at Detroit Town Hall, Wednesday morning, October 15, at 11 a.m. in the Fisher Theatre. This will be the official opening of the Town Hall series of 18 Wednesday mornings of lectures, music, and entertainment.

Ballet, modern, and folk dancing will be featured by this group of artists who were headliners during the summer festivals at Jacob's Pillow which yearly attracts thousands of dance students and tourists.

In addition to Ted Shawn who will dance and also act as Master of Ceremony, the cast includes Myra Kinch, exponent of the modern and satirical school of dancing; Tatiana Grantzeva of the Ballet Russe; Polajenko, formerly of Ballet des Champs Elysees; Ralph McWilliams, now on leave from Ballet Theatre; Mme La Meri, authority on the dances of all nations; Richard Stuart and

Vanya, internationally known ballroom team. Mary Campbell, composer-pianist, on leave of absence from Texas State College for Women will be musical director.

One of America's greatest male dancers, Shawn is also an urbane and witty commentator. For the past decade, he has presided over the Jacob's Pillow Dance Center, and it is from this mecca that he recruited the dancers who will appear at Town Hall.

Advance reservations for the program are at Grinnell's, Wo. 2-1124. For season memberships, call Detroit Town Hall Headquarters, 1613 Kales Bldg; Wo. 3-5617.

Here's a way to prepare mock french fries. Cut potatoes in eighths lengthwise, leaving skin on. Put in 1/4 cup of lard in frying-pan, season with salt and pepper, brown, stirring occasionally. When brown, cover and cook for 20 minutes, continuing to stir occasionally.

Farmers choosing between red and white winter wheat should check their elevator to avoid mixtures in one community.

Certified seed wheat is true to variety, free from noxious weeds and rye and has higher germination rates.

ENROLL NOW!

Classes are forming for new and regular students of THE LOVETT SCHOOL OF THE DANCE at 35601 Schoolcraft (1 1/2 miles W. of Farmington Rd.) Enrollments taken at studio daily, except Monday after 4 p.m., Saturday 11 to 4. Ballet, toe, taps, ballroom and baton.

Children and Adults

Phone Plymouth 1067, or Livonia 2463

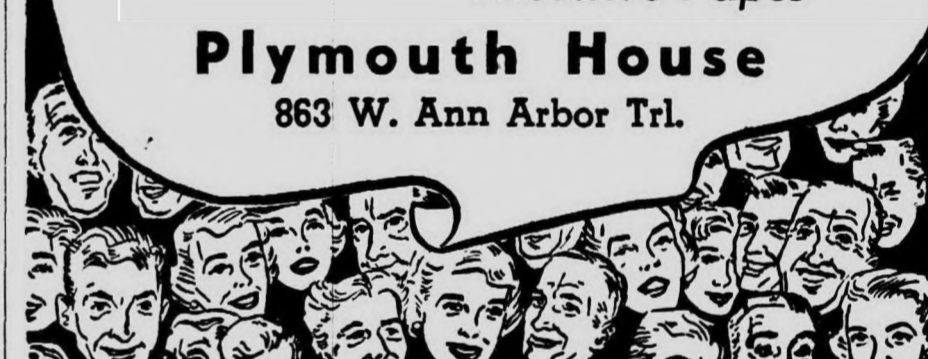

New Faces!

MICHIGAN BELL TELEPHONE COMPANY

Navy Needs Civilian Help

Miss Mary Kelly, Civilian Navy Representative, who recently arrived at the Navy Recruiting Station in Detroit to replace Miss Esther Dewey as civil service employment representative for southeastern Michigan stressed the continued need for civilian stenographers and typists with the Navy Department in Washington, D.C.

Typists who can type 40 words a minute and stenographers who can take dictation at 80 words a minute are eligible for consideration. No experience is necessary. Government work in the Navy

Department offers a rewarding and patriotic career to men and women. The positions which pay \$2950 and \$3175 per year offer high job security, good promotional opportunities, and a chance to work in one of the most beautiful cities, Washington, D.C., the international capital of the world.

The Navy Housing Office guarantees housing for the first week in Washington and assists in securing suitable permanent housing.

Full details may be obtained by contacting Miss Kelly, Navy Recruiting Station, 423 Federal Bldg., Detroit, Monday through Saturday. Phone Woodward 3-9330, Ext. 420.

The Season's CLASSIC

Car after car in the gay parade to the big game. But one especially seems to be in its glory—seems to thrive on the crowds and thrill to the challenge of the traffic. It's the real fall Classic—the "Rocket" at its finest—Oldsmobile's notable new Ninety-Eight. You can easily tell one when you see it. The graceful sweeping rear deck. The modern simplicity of styling. The "Custom-Lounge" luxury inside. And above all—the confident way it steps ahead with the "Rocket" and Hydra-Matic—glides easily through traffic with Power Steering*. You are invited to drive it—visit our showroom soon!

Visiting Nurse Association Gets PCF Support

By contributing to Plymouth's community fund drive that kicks off here October 14, you—the resident—help finance the services of the Visiting Nurse Association. The association provides nursing service to meet the needs of families—from infancy through old age. Working with county and city health departments, the registered nurses are experienced in maternity aid, bedside care, diet therapy and nutrition and physical therapy. The services are available to all economic groups. It charges a minimum fee because it is a community organization. Emphasizing pre-natal care, the association holds classes for expectant mothers. Top flight nurses are used for this service that features the latest baby tending techniques. The classes are designed to pre-

pare young mothers for parenthood. Films and special demonstrations and open discussions on birth and care of the child make this a valuable educational service. Visiting nurses care does not stop here. It continues in the field where nurses attend invalids and paralytics. Diabetic patients are administered insulin daily under the experienced hands of the nurse. In baby tending, nurses show mothers how to feed, clothe and bathe the new arrival, answering the myriad of questions accompanying each new experience. Whatever the medical nursing need seen by patients, there are the Visiting Nurses to help individual cases and yet help maintain high standards of community health.

Editors to Study Rural Community

What's happening to the rural community?

That's the question that Sterling Eaton of the Plymouth Mail is going to discuss along with other weekly and daily newspaper editors of the state at Michigan State college on Friday and Saturday, October 10 and 11.

The Rural Life Editorial Conference in Kellogg Center at East Lansing is being held to permit editors to discuss their problems of serving the communities in which they circulate. Rural sociologists have found that rural communities are changing. Today many people who live on farms work in the city. At the same time many people who live and work on the land are becoming more and more active in community affairs centering in towns and villages.

The two-day conference which Mr. Eaton will attend is being sponsored jointly by the Michigan Press Association and Michigan State college.

Fourteen Tons of Free Food

Five families in the United States will have no food worries during 1953. That's because the Kroger Co. is offering "free food for a year" for a family of four as top weekly prizes in their big coffee election contest. Above, a typical family, Mr. and Mrs. Bob Bischoff and their two children, are amazed at the huge 14-ton tractor-trailer that would be necessary if all the food offered in the five weekly contests were delivered at once.

AUTOMOBILE LOANS - REFINANCING

Present Car Payments Reduced

Are your present car payments too high? Do they impose a hardship on you? See Us. We may be able to reduce your payments substantially. Besides reducing your payments it is often possible to give you additional cash at the same time.

A Straight Cash Loan On Your Automobile

If you need money and need it quickly you will appreciate our service. We will make you a straight cash loan on your automobile—while you wait. Bring evidence of ownership. We specialize in this field. Quick service—No endorsers—Convenient payments—low rates.

Square Dance Club Donates \$100

The Plymouth Square Dance Club has donated \$100 to the Recreation Commission toward the purchase of a record player and amplifying system. The player will be used for the programs sponsored by the Recreation Department.

This sum was voted at a meeting of the Square Dance Committee, held October 1, at the home of the president, Robert Carson. Plans for the coming year were discussed.

All dances will be held at the Bird school gymnasium on Thursday nights. For the first time the club will sponsor a beginner's group. The first dance for this group will be held October 16, and alternate Thursdays thereafter, at Bird school, from 8 to 10:30 p.m.

This is an opportunity for the people of this community who want to learn or wish to renew square and couples dancing, to

attend dances planned to their interests.

More experienced dancers will want to attend the advanced group, which will have their first dance on Thursday night, October 9, from 8 to 11 p.m. at the Bird school gym. Dave Palmer, who attended a Dance Master's Clinic at Interlochen during the summer will again be the caller for this group.

The Square Dance Committee extends a cordial invitation to

local residents to take advantage of the opportunity to attend square dances regularly in their own community, and hopes the enlarged program will better meet the needs for square dancing in this locality.

Salt broiled meat after it is cooked. Salting before cooking draws some of the juices from the meat and lengthens the cooking time.

Says Wonderful Things About You!

The instant your beautiful Cadillac points its crest into view, it begins to say wonderful things about you.

It says, almost as plainly as if the words were written out, that you are a person of achievement in your own world of affairs.

It talks of your good judgment and your splendid taste—and indicates your sense of responsibility for those who ride with you as passengers, or drive beside you in the traffic lanes.

It speaks of your family and home and your way of life—and, in general, paves the way for the respect of those you encounter as you sit at its wheel.

This is true because those who own Cadillacs form a virtual "Who's Who" of America's highways. In almost every community in the country, it is obvious that Cadillac is the favored car of the leading people.

The reason for this, of course, is found in the history of the car itself.

For fifty years, it has been the unwavering purpose to make Cadillac as fine a car as it is practical to produce. Goodness has always been the watchword—craftsmanship has always been the creed.

As a result, Cadillac has long been known and accepted as—"The Standard of the World." And, inevitably, people who want and seek the finest have turned to Cadillac.

That's why the man who sits at the wheel of a Cadillac is an accepted member of the most distinguished motoring family to be found anywhere.

If you are ready for membership in this incomparable group, better come in and see us soon. We'd be happy to welcome you at any time.

PALS WHY BOTHER, BUDDY? DON'T REGISTER! DON'T VOTE!! VOTE SLACKER

Battle lines are being drawn over who is to control the Michigan Legislature—CIO Labor leaders of four counties or the citizens of Michigan in 84 counties.

They've earmarked \$9,000 to be spent in that county—in fact, mainly in only 17 precincts within the cities of Muskegon and Muskegon Heights!

They'll spend \$2,400 for workers in those 17 precincts in the final three days of registration for the general election.

On election day they'll hire 180 field workers for \$2,880 to haul voters to the polls and will spend over \$300 just to pass out campaign literature.

Here's how the labor bosses plan to take over. On November 4, Michigan voters will choose between two amendments setting up a new system for allocating the seats in the State Legislature.

Amendment No. 2 is sponsored by the Michigan CIO. Governor G. Mennen Williams has given it his blessing; the Democratic Party put it into their state platform.

The CIO amendment would make population the key to the whole Legislature.

Reapportionment Plan No. 3 would follow the system of the United States Constitution whereby geographic areas as well as population assures against domination of our federal legislators by sheer weight of population.

The CIO labor strategy in backing Proposal No. 2 is crystal clear. A few populous counties would be able to dominate the Legislature by sending a majority of senators and representatives to Lansing.

They're Wayne, Oakland, Macomb and Genesee. All have heavy concentrations of CIO membership. Add Kent, with its Big Rapids industries, and Muskegon and perhaps Saginaw and the labor bosses have plenty of insurance.

Gov. Williams is sympathetic to the CIO to put it mildly. He sees the labor-dominated Legislature as a perfect solution to the impasse that arose when the GOP Legislature consistently opposed his corporation profits tax.

The CIO thinks the plan is swell. They'd like to have the law-making boys sit up to their whistle.

The CIO's Walter Reuther demonstrated his power this summer when he turned down Alben Barkley as a presidential possibility and approved the draft that made Adlai Stevenson the Democratic standard bearer.

He wouldn't be human if he didn't savor the taste of such power in national circles; he wouldn't be human if it didn't irk him to see his control of the governor go for naught because he can't control the Legislature the same way.

The Republican position, as outlined by Alger, is: "The Legislature should function for all citizens, all sections—not for any special class or area."

Any plan which would make 79 of Michigan's counties controlled by organized minority groups in four counties just couldn't give the state a Legislature that could equably represent the best interest of Michigan as a whole.

Michigan's rural counties would be stepchildren of the auto workers under Plan 3. So it's natural that the Michigan Farm Bureau should get into the fight.

According to the Constitution, the seats of the House and Senate must be reapportioned every 10 years. That has to happen in 1953.

There must be some revision; everyone agrees to that. The traditional solution of voting no to a puzzling amendment would be a mighty bad way out of the present situation.

The out-state voter must vote NO on Proposal 2 and YES on Proposal 3 to protect himself from UAW-CIO domination and assure reapportionment on a basis accepted as equitable through all Michigan's history.

Because it is such a complicated issue, backers of Plan No. 3 will hit on a few major points such as: The whole Upper Peninsula and four Lower Peninsula Counties would have only two Senators;

Science Says We Shouldn't Starve

SCIENCE believes the world can continue to feed its constantly increasing population, possibly due to rise from the current estimate of two and one half billion to as much as four billion by the end of the century.

The assurance was given during the recent International Geographical Congress in Washington. The Society was one of the hosts to the gathering of delegates from more than 50 foreign countries.

Dr. W. H. Sebrell, Jr., director of this country's National Institutes of Health, reported to a symposium on world food supply that chemistry and agricultural technology, advancing side by side, inevitably will keep pace with the numerical growth of the human race.

He said that eradication of malaria—and he called this entirely possible—alone would increase food yields in all parts of the globe by making agricultural workers more productive.

Dr. Theodore Schultz of the University of Chicago's department of economics told the same group that the United States, if called upon, could increase its food production by 20 percent in five years, or enough to feed 50 to 100 million more people.

Dr. George Kuriyan, University of Madras, said India probably was not as yet making the best use of its farm land. In many instances, he told his scientific audience, tracts are either too large or too small to be efficient, and much land that could raise foodstuffs is presently devoted to commercial crops such as jute.

Other Congress speakers expressed the opinion that the increasing population will have to be fed from land already in use because there are "no longer empty areas worth developing."

Dr. Josue de Castro of the University of Brazil disagreed in part. He held that the bottomlands of the Amazon River country could be made vastly productive.

Roger Babson Says-----

Babson Discusses Business Profits and Taxes. Babson Park, Mass., October 9. It strikes me that a lot of people have some queer notions about business and profits.

How Much Profit? Surveys reveal that the average person has an entirely erroneous impression of company profits. For example, a recent sample study indicated that over 50 per cent of the people think that company profits range anywhere from 10c to 40c on the sales dollar.

On the theory that large profits are not a good thing, our braintrust in the government enacted an "excess profits" tax. The average worker's attitude toward such taxes has been one of "let them tax business. That won't hurt me any."

Mortgaging the Future I've been asked by some workers why such taxation isn't a good thing if we're all willing to pay higher prices.

Do You Have A Garden? Just ask yourself what your reaction would be if you and your neighbor had garden plots of the same size.

I believe in the laws of Action and Reaction and Supply and Demand. Human beings, because we are what we are, cannot be forced to buy most things.

WHICH WOULD YOU CHOOSE? Auto insurance that costs less and gives limited protection and service.... or auto insurance that costs more because you get more protection, better service.... greater security?

When prices are too high, people stop buying. This results in unemployment and further curtailed buying. Then we are headed for a "bust".
