Four Sections, 28 Pages

\$2.00 Per Year In Advance in Plymouth, \$3.00 Elsewhere

## Cement Shortage Causes Delay in Paving Sidewalks

Residents earlier urged by the city to privately contract for installation of walkways in front of their houses will not see their sidewalks joined in one complete "ribbon" until next year.

Sidewalk construction, originally slated to be underway here by September 16, has been postponed until next spring.

City Manager Albert F. Glassford told City Commissioners that a "shortage of cement" has caused the construction delay.

In March, the city negotiated a contract with a Detroit firm to install sidewalks in some areas of the city.

Officials of the firm later advised the city that its present contract, in view of the cement shortage, could not be completed until the spring of 1953.

**KNOW HOW TO VOTE:** A master switch that closes the curtain and unlocks the voting machine, a party lever and/or individual candidate levers are all that's needed to put your ballot on the record. When voting, the poller first switches the master lever (top left) being pointed to by City Manager Albert F. Glassford. This puts the voter in business. He now has a variety of party choices. If he votes a straight ticket he pulls a party lever being pointed to (right) by City Clerk Lamont C. BeGole. If he splits across party lines, he pulls individual candidate levers shown to the right of each nominee's name. BeGole warns that in all cases individual levers must be pulled to the left when polling for presidential nominees. Party levers will not record presidential choices. This also holds true for State constitutional amendments, the non-partisan judicial ballot and the city proposition for liquor-by-the-glass. Each of these must be voted on by pulling separate levers. Persons expected to deluge the polls November 4, are urged by city officials to know beforehand "exactly how you are going to vote." The Primary election in August indicated that many voters were spending up to 15 minutes in the voting machine booth. For persons who remain uncertain as to how to operate the machine, a practice session on how to use the voting machine will be held Thursday, October 23, at the city hall, from 8 a.m. to 5 p.m. and from 6 p.m. to 7:30 p.m. Voting machine instruction sheets are already available at the city hall.

## To Investigate "Hidden" Student Costs at PHS

Little known, "hidden" student costs that may range upwards to \$50 per semester for each high school student will be one subject earmarked for investigation by School Community Planning, meeting initially this year on November 5.

One of the objectives of the 30-member group is seen as an investigation uncovering the exact per-semester student costs for such things as class dues, books, health exams, rings, class trips and a myriad of sundry costs.

"The combined total of such items may run as high as \$50 per student," reveals Superintendent of Schools Russell Isbister.

"We would like to know what these exact costs are and whether they should be shared in a larger proportion by the schools or parents."

Mr. Isbister notes that books cost each high school student about \$10 each semester. To this student costs are added additional burdens of gym suit costs of nearly five dollars. Class rings account for another \$7.50, with graduating invitation cards adding notably to hike educational expenses.

These are just a few of the costs involved, he says, stating that education of individual students can be threatened by piling public education to "extras."

He warns that if this continues, "education may no longer be public."

The school planning group will hold its meet at Starkweather school.

It is made up of representatives from varying divisions within the school district, school principals and other administrative-teacher groups.

## Trailside Market Damaged in Blaze

Fire blazed through the basement of Trailside Market, at 40522 Ann Arbor trail, last Saturday causing an estimated damage of \$2,000.

Plymouth township firefighters answered the 11:27 a.m. fire, reported to have been set off when a burning cigarette dropped through a grating. It set stored clothing on fire, destroying a portable clothes closet. Electric and refrigeration lines were put out of service by flames that caused extensive first and second floor smoke damage.

According to the owner of the store, Walter Lutastanski, damage of the blaze may exceed \$2,000. Mrs. Lutastanski reports that stored clothing, a wedding gown, suits of clothing and a shotgun were among the items destroyed.

Five grass fire alarms were also reported over the weekend.

One troublesome grass fire on Parkhurst street resisted the efforts of the city fire department and Plymouth township firemen, who made four runs to the scene last Saturday before effectively dousing smoldering embers.

The fifth reported fire at 930 Ann Arbor road led city firemen to the scene to discover the resident there burning rubbish. The alarm was turned in by a neighbor.

## PTSA to Meet October 21

The Parents', Teachers' and Students' Association will mark its initial meet here October 21, from 7:30 to 9:30 p.m., at the Junior high school gymnasium.

The problem and aims of Junior high students and teachers will be the theme of the meet.

## Plymouth Safety Patrol Boy Will Be Given Lifesaving Medal

A Plymouth safety patrol boy who jumped into the street to pull a three-year old child to safety last May will be honored Tuesday, October 21 by the Automobile Club of Michigan.

Eleven-year old David Conrad, 251 Auburn (parents: Mr. and Mrs. Mark Conrad) will receive Auto Club's Lifesaving medal at a ceremony at Our Lady of Good Counsel school at 1:30 p.m.

The three-year old, Howard Carson, of 199 Arthur street, had broken away from his grandmother and run into the street towards the school. One approaching car stopped, according to witnesses, but the driver of a second car, pulling away from the curb, was unable to see the small boy.

David, on patrol duty near the school, turned and dashed into the street, grabbing up the child and

## Trust Official is DAR Speaker

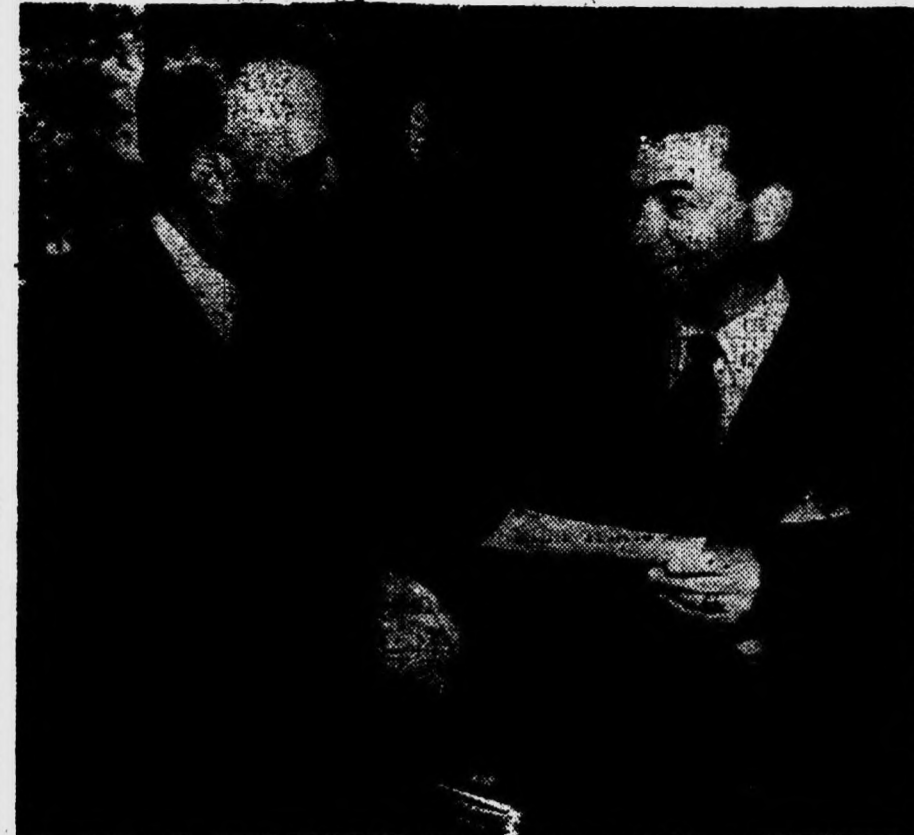

James Theodoroff of the Detroit Trust Company will be the guest speaker at the next meeting of the Daughters of the American Revolution. The meeting will be held on October 20 at the home of Mrs. Irving Blunk at 415 Arthur street at one p.m. Guests are invited to attend the meeting and reservations should be made through Mrs. Frazer Carmichael.

Mr. Theodoroff's subject will be "This is Our Problem" which is a flannelboard presentation on fundamental principles which are the foundation of America's greatness. Among its objectives are to help identify encroaching socialism and communism in America, to contribute to a better understanding of what makes our economic system work, and to point out the superiority of the American way of life.

## Kiwanis Salutes Oil Progress

In observance of Oil Progress Week, the Plymouth Kiwanis club had as its Tuesday evening speaker Lynn Hostetter representing the Standard Oil Company.

Hostetter presented a film, "Crossroads U.S.A.," which was prepared by the Oil Industry Information Committee. The film depicted a typical service station and related a story of progress possible under the American system of government. Ernest Henry acted as program chairman and introduced Hostetter to the group.

**PLYMOUTH'S COMMUNITY CHEST DRIVE** went into full gear last Tuesday morning with a kick-off breakfast at the Mayflower for fund workers. Officially opening the drive with the first contribution to the fund is Mayor Russell Daane, left, shown giving his check to Chest president George Mayhew. Goal for the local drive this year is \$18,000 in Plymouth and Plymouth township.

## Hunting Season to Open

Plymouth's farmers and rural residents are already shuddering at the thoughts of 10:00 a.m. next Monday morning. That's the legal time when local and visiting nimrods will take it on themselves to spread out, fan wise, over this entire area in search of elusive pheasants.

In favor of local rural residents is the fact that most of the good available hunting territory in this area is already posted, but in spite of this effort, Detroit hunters will again shoot chickens, livestock and mutilate farm fences.

An enlarged corps of Conservation officers will patrol this section in hope of helping farmers cope with the annual fall deluge of city visitors who in the past have cost farmers thousands of dollars in their wanton carelessness. In spite of the combined efforts of farmers and local sportsmen, who have made every effort to solve the problem, most local farm owners are still ready to be cooperative about hunting on their premises.

It is pointed out that not only is it a courtesy to drive in the farmer's yard to gain hunting permission and park your car, there is also a statute on the books that prohibits trespassing without permission. Local sportsmen are doing everything in their power to aid the farmer in his problem and it is only through their good sportsmanship and consideration that there are still areas left to hunt in this section.

Conservation authorities have revised their first prediction on the number of birds in western Wayne county downward, saying now that they believe the total crop to be only average this year. Members of the Western Wayne County Conservation Association are calling for more than ordinary care in the field this year and every effort will be made to keep hunting accidents at a minimum in this section.

Each year more and more pressure is evidenced throughout Plymouth and Canton townships by groups who desire to see the entire area closed for all hunting purposes and it is hoped that better cooperation can be obtained between hunters and farmers to avoid the loss of these favorable hunting areas.

## Commerce Members Get Board Posts

Three members of the Chamber of Commerce were elected last week to Board of Director posts. Robert Waldecker, supervisor of Canton township, and Robert Marsden, personnel manager of Burroughs Adding Machine company, gained the top posts after being reelected for a second three-year term, beginning January, 1953.

Marshall Kirkpatrick, manager of the S. S. Kresge company store here, was the third elected member to gain a director's seat in the poll of Chamber members that lasted from October 1 to October 10.

Their terms of office run until December 31, 1955.

## Presbyterians To Have Two Sunday Services

The First Presbyterian church will have two worship services each Sunday beginning October 19. The first service will begin at 9:30 and the second at 11 a.m.

"The services will be identical in most respects," stated Reverend Henry J. Walsh, D.D., pastor.

"The reason for the additional morning service is the overcrowded condition of the Sanctuary during most Sundays of the year," he said.

Dr. Walsh will preach at both services. The church school will meet at 9:30 to allow parents to bring children to church school at the same time the parents attend early service," he remarked.

"Both the 9:30 service and the church school will conclude at 10:45 a.m."

Because of the extra morning service, the Adult Bible Study will meet on Sunday evenings in the church parlor at 7:15 p.m.

Gatfield Photo

**YOU VOTE—WE'LL FURNISH THE TRANSPORTATION** and that's just what this picture indicates as these three well known local car dealers make plans for their part in the forthcoming presidential election. A ride for every voter who needs transportation to and from the polls on election day furnished through the courtesy of all local automobile dealers. According to ride chairman Frank Allison, right, no stone will be left unturned to provide automobiles to give people the opportunity to vote, and vote early election day. Making final plans for the car pool, eleven in all, one from each dealer, are Walter Beglinger local Oldsmobile-Cadillac dealer, Roy Hecox, West brothers Nash sales manager and Mr. Allison, local Chevrolet dealer. Within the next week or two the dealers will announce a phone number that residents may call to make reservations for a ride, or even may call on election day, to take advantage of this generous voting service.

## "Sneak" Thief Caught by Student Thwarts Daylight Drug Store Theft

A would-be-thief who injured his hip attempting to escape pursuit of his captors—a 17-year-old high school youth and a gas station attendant—was held last week for investigation of attempted larceny from Beyer Rexall Drugs, of 505 Forest.

Apprehended and held for police after a five-block chase was Richard Flynn, 20, of Detroit.

He was captured by Robert Fulton, of 346 Division street, a part-time Beyer Drugs employee and John Hamernick, 45, of 751 Sunset.

Flynn, police reported, attempted to rob Beyer Rexall Drugs.

"I first saw him trying to pry open a cash drawer with an ice pick," said Pharmacist Walter F. Drummond.

In answer to Drummond's demand "what the heck are you doing here?" Flynn was reported to have run headlong out of the store.

Fulton, who was threatened with the ice pick, said he chased Flynn from Forest avenue through a parking lot to Main street, then back to Forest avenue.

"He hit his hip on a post as he jumped over a fence," Fulton said. He and Hamernick downed Flynn, unable to run farther due to the hip injury.

Police report that Flynn's arrest may help solve two three-week old similar daylight burglaries of Sam and Son Drugs and Beyer Rexall Drugs that netted "sneak" thieves over \$1,000 in cash.

An alleged companion of Flynn was named by the captured youth as having engineered and carried out the earlier thefts.

He is being sought by Detroit authorities.

This latest robbery attempt marks the second time Beyer's has been illegally entered.

Flynn was reported to have entered the store from a rear entryway at 2:40 p.m., October 8. He was released on a \$1,000 bond following a hearing in Municipal court a week ago.

Pending "probable cause" to be determined at an examination before Judge Nandino Perlongo, Flynn will be bound over to circuit court for trial.

## Sits Near Nixon in N. Y. Church

"Boy I never saw so many people on the streets at night anywhere" said Captain William Roberts, local Salvation Army Captain, on his return from his first visit to New York City. Not only was Captain Roberts impressed with the size of the crowds but he said it was almost impossible to think all of them had some place to go, but they sure were in a hurry, he hastened to explain.

Captain Roberts was the Michigan delegate at the American Prison Conference at Atlanta city where he learned the Salvation Army had conducted over 5,500 meetings in American prisons last year and nearly one half million inmates were in attendance.

On Saturday afternoon he was invited to ride to New York with another Army officer and spend Sunday. One of his biggest thrills on his weekend visit was to sit near Senator and Mrs. Richard Nixon and to see Roy Rogers and his wife Dale Evans all in Marble Collegiate Church last Sunday morning in New York City.

Time Is Short to Post No Hunting Signs—Get Them from The Plymouth Mail

## Chest Drive Underway

The annual fund drive of the Plymouth Community fund got underway Tuesday with a kick off breakfast at the Mayflower hotel.

Attending this breakfast arranged by Lewis Goddard, chairman of the businessmen's drive, were 21 local businessmen, now wearing volunteer buttons, who will solicit over 300 other businessmen for contributions during the fund drive.

During the afternoon of the same day, Mrs. Russell Roe and a committee of 25 women stuffed envelopes to be mailed to the residents of the city.

Stressing the importance of the Community Fund to Plymouth, Mayor Russell M. Daane issued the following proclamation:

WHEREAS, the days from October 14 to November 6, 1952 mark the Community Fund drive for contributions, and

WHEREAS, the need for funds to alleviate suffering, combat disease and support worthy charities has never been greater, and

WHEREAS, the citizens of Plymouth are always mindful of the community services and benefits bestowed on the suffering and afflicted through the agencies of the Community Fund, THEREFORE,

BE IT HEREBY PROCLAIMED THAT the period from October 14th to November 6th be set aside for the Community Fund Drive and that during this period, we, the citizens of Plymouth, will give and give generously, embracing this opportunity to bring health and happiness to the less fortunate and will greet their representatives, the volunteer workers who solicit our contributions, as we would the unfortunates themselves. Let us give and give with our hearts—let us join to the fullest with our friends and neighbors in this heartening demonstration of human fellowship.

(Continued on page 8)

## Catholic Colleges Annual Meeting Will be Held Here

The annual meeting of The Association of Catholic Colleges of Michigan will take place at St. John's Provincial Seminary, Plymouth, on Wednesday, October 29, 1952.

This association, organized on January 31, 1936, has a three-fold objective. It aims to promote the welfare of member institutions in the State of Michigan, to encourage cooperation and mutual helpfulness among member institutions, and to advance the cause of higher Christian education, and thus education generally, throughout the State of Michigan.

Each year the 12 educational institutions which go to make up the association send representative faculty members to the meeting. A theme for discussion is chosen, a subject which is of interest to all, and which will foster the objectives of the organization.

This year the theme chosen is: "The Library's Place in College Instruction." The principal speaker of the morning session will be the Reverend James J. Kortendick, S. S., Head of the Library Science Department, Catholic University of America, Washington, D.C. The afternoon sessions will be devoted to panel discussions, in which Father Kortendick's suggestions will be applied to the particular fields of College instruction.

Over a hundred Catholic educators are expected at this year's meeting. Luncheon will be served in the Seminary refectory, and the meeting will close with Solemn Benediction of the Blessed Sacrament.

## Plymouth Hi-12 Meets, October 22

The Plymouth Hi-12 Club meets October 22 for a dinner to be held at Newburg Methodist church hall.

Starting at 6:45 p.m., a chicken dinner will be in the offing. Door and table prizes, entertainment and a card party will mark the affair.

Reservations that must be listed by October 21 with David Thompson, 1506-J2, Rex Hoffman, 1052-W, or Harry Brooks, Livonia 2478, are urged.

The church is located at Ann Arbor trail and Newburg road.

## LOCAL NEWS ITEMS

The Ruth Simonds circle 2 of the First Presbyterian church will meet in the Mimmack room of the church on Tuesday, October 21 for their regular meeting and potluck dinner. The dinner will begin at 12 o'clock instead of 12:30 as usually held. Please bring or send your Sunshine boxes.

The Allen Extension group have changed their meeting night from Wednesday to Thursday, October 23. They will meet at the home of Mrs. Alton Frederick on Ann Arbor trail. The lesson will be on credit and finance.

Fred W. Coverdill of Beck road has taken a large contract on plant change over at the Ford Rouge plant. He also has under construction 21 ranch homes in the Flint area. Mr. Coverdill constructed the local schools here.

Mr. and Mrs. Ragnor Blomberg of Arthur street were Thursday evening dinner guests last week of Mr. and Mrs. Vernon Peck of Irvin street.

Chapter AI of the P.E.O., Sisterhood held its first meeting of the season at the home of Mrs. J. W. Kaiser on Friday, October 3. Dessert was served by Mrs. H. E. Stephens preceding the meeting. Mrs. E. A. Rice showed slides taken in California during their vacation trip and Mrs. R. L. Nulty showed some which were taken on their trip into Canada last July. On Friday, October 17, the Chapter will entertain State officers, Mrs. Charles S. Fisher and Mrs. M. H. McCormack at a dinner in the home of Mrs. R. L. Nulty. The regular business meeting will follow after which there will be talks given by the guests.

A local group of Girl Scouts went on a hay ride Saturday. Mrs. Baker, their leader, was chaperone for the girls. Mrs. Heloise Campbell hitched her Farmall tractor up and drove it herself. A most enjoyable trip was had by all.

For tempting cornbread, add diced cooked ham to your cornbread batter before baking.

## MILK, EGGS AND BREAD NUTRITION NEEDS

Children of any school age will be tempted with this snack of French oven toast, jam and milk. Mothers faced with the necessity of meeting the nutritional needs of their active children will find in this after-school snack an answer to part of their problem. In the preparation of the French oven toast, a small amount of sugar and spices are used—all desirable additions to the diet. Served with either milk or fruit juice, it is a satisfying between-meal pick-up.

### FRENCH OVEN TOAST

2 eggs, beaten  
1/2 teaspoon salt  
2 tablespoons sugar  
Combine beaten eggs, salt, sugar, milk and almond extract. Dip sliced bread into mixture. Place slices on a well-greased cookie sheet and brown in a hot oven (500°F.). Turn the toast over after ten minutes and brown on the other side. Serve with honey butter or maple syrup.  
Note: This toast may be reheated satisfactorily.  
Yield: 6 servings—2 slices toast per serving.

## BIRTHS

Mr. and Mrs. Howard B. Richard of 1257 South Main street are receiving congratulations on the birth of a son born at Beyer Memorial hospital, Ypsilanti, on October 11 and weighing six pounds, eleven and one-half ounces.

Mr. and Mrs. Robert George McMullen of 1168 Helen drive, Inkster, are the parents of a new daughter, Annette Jeane, who weighed in at eight pounds, twelve ounces, on Saturday, October 11 at Plymouth Hospital. Mrs. McMullen is the former Caroline Goodale.

Mr. and Mrs. Charles Foster of Northern avenue are announcing the arrival of a daughter, Cynthia Lynn born on October 4 at Garden City hospital. She weighed eight pounds, three ounces at birth.

Mr. and Mrs. Robert L. Daniel of New York City announce the birth of a son, Robert Sheffer at the Presbyterian hospital on September 26. Robert is the son of Mr. and Mrs. Leslie Daniel of Rosedale Gardens.

Mr. and Mrs. Herbert H. Brown of Northville are the parents of a son born at Plymouth Hospital on October 5, weighing seven pounds, twelve ounces.

Mr. and Mrs. W. J. Stokes of Bock road, Plymouth are receiving congratulations on the birth of an eight pound, twelve ounce daughter on October 11 at Plymouth Hospital.

Mr. and Mrs. Edward Klopffestine are the parents of a son, Richard Alden born on October 7 and weighing eight pounds, eleven ounces at the Sessions hospital, Northville.

Dr. and Mrs. Barry Alford of 930 East Ann Arbor road are most happy over the arrival of a daughter on Monday, October 13 at New Grace Hospital. The Alfords have four sons.

Michigan farmers are increasing winter wheat planting far in excess of the national average.

In roasting meat use a rack in the roasting pan. This keeps the meat up off the bottom of the pan and permits air to circulate around it.

## NFCCS Congress To Convene at Madonna College

This year the Tenth Regional Congress of Detroit-Cleveland Region, National Federation of Catholic College Students will be held at Madonna College, Livonia. The weekend of October 25 and 26 is set aside for this important meeting of Catholic College students in this area.

Committee meetings, plenary sessions, commission panels and social activities will highlight the agenda for the two-day Detroit-Cleveland Regional Congress.

At 1:00 p.m., Saturday, October 25, the Congress will officially convene with opening ceremonies of the first plenary session. After the invocation and welcoming speeches, Reverend Valerian J. Jasinski will deliver the keynote address on the Congress theme, "Christian Student Living."

Commission panels will follow immediately afterwards. These panels will discuss plans and form resolutions for the coming scholastic year.

Mass preparation and a council meeting will close the official business for Saturday.

An evening of relaxation will be held at Marygrove College. Dance preparations are being taken care of by Marygrove students.

Congress-goers will keep the Sabbath by attending Mass in the college chapel. The Most Reverend Allen J. Babcock, Auxiliary Bishop of Detroit, will celebrate the Mass of the feast of Christ the King.

After Mass and breakfast, the remaining commissions will hold their panel forming the final resolutions. The plenary session, which will be held after lunch, will finish official business.

Closing in a fitting manner, all guests and students will attend benediction for world peace to comply with the wish of Our Lady.

CONTINUES DYNASTY... Dr. George Long, brother of ex-Governor Earl Long, becomes fourth member of Long dynasty to sit in Congress.

## Lester Daly Wins Diamond Ring

A \$150 diamond ring was awarded to Lester Daly last Saturday for his estimate of the diamond replica in Grand Jeweler's window.

Urban Holland, manager of the local jewelry store, announced that Daly made an estimate of 1175 carats which was the exact weight to the carat! Holland stated that many persons came very close to the right answer but that Daly was the only one with the exact figure. The diamond replica has been on display in Grand Jeweler's window for several weeks.

## Beginners Hold Square Dance Session Tonight

The Bird school gymnasium will be the scene of the first beginners square dance which will be held tonight from 8 until 10:30 p.m. Robert Caron will be the caller for this group. He has worked this past summer to plan a program so that the persons attending this group will soon be able to attend dances of the advanced set.

David Palmer is the caller for the advanced dancers. He has fashioned his program in such a way that once the beginners have been coached on the various calls and steps that they too can indulge in the advanced dances without too much difficulty.

Last Thursday night was the first dance of the season for the advanced set. All the dances are held in the Bird school gymnasium. This group will meet next week, October 23, from 8 until 11 p.m.

There will be no instruction period from 8 until 8:30 p.m. as there has been in past seasons. The beginner classes have terminated this season.

A woman in San Jose, California, sued her ex-husband for return of 14 cans of fish, an elastic stocking, 5 boots, and a crystal ball.

Dry hay fed with grass silage helps sharpen dairy cow appetites.

Meat on the hoof is worth an inspection stop enroute to market.

**Girl Scouts Will Hold Rally**

Members of the Girl Scout Leaders' club held their first meeting of the season at the First Scout cabin, Monday evening, October 13. Plans were made for the troops to complete the weaving of the hearth rug and to carve four totem poles. Mrs. Sheldon Baker demonstrated cooking a one-dish meal in the fireplace at the cabin.

The fall rally will be held at the cabin on Monday, October 27 from 4 to 6 p.m. It will be a field day program followed by a buffet supper.

The games for the Girl Scouts will be planned by Mrs. Henrietta Dobbs, Mrs. Sheldon Baker and Miss Louise Spence. Games for the Brownies will be planned by Mrs. H. D. Jensen, Mrs. Wayne Rubey and Mrs. Thomas Adams. The committees are planning alternate programs in case of bad weather.

The food committee consists of Mrs. J. C. Bowly, Mrs. W. D. Bassett, Mrs. G. R. Phillips and Mrs. J. F. Voss. All leaders are requested to notify Mrs. Atchinson by October 24 as to the number in their troops who will participate.

Girl Scout calendars can be picked up by the leaders at the home of Mrs. Kenneth Hulsing. Leaders are asked to leave their samples of troop handicraft made during the past year at her home. These will be displayed in the window of Davis and Lent during Girl Scout week, October 27 to November 1.

Announcement of the next meeting will be made at a later date.

Asked for his name after reporting theft of some accessories from his car, a motorist in Santa Monica, California, explained: "My name is Wojtkiewicz S. Wojciechowicz. But just call me Bow Wow. Everybody else does."

**American Education Faces Worst Crisis, Says MSC President**

A stern warning that America's higher education system may not be physically or intellectually equipped for its greatest crisis—expected in 10 to 15 years—has been issued by Michigan State College President John A. Hannah.

Speaking at Portland, Oregon before the Association of Governing Boards of State Universities and Allied Institutions, Dr. Hannah predicted that United States colleges will face their greatest crisis after 1960 when enrollments are expected to double.

To pass the crisis successfully, President Hannah said that we must tell the story, task and problems of higher education to the people and the legislatures.

"State legislatures need only to be reminded that the alternatives, to providing adequate physical plants and operating funds for the years ahead are to limit enrollments—or admit all comers and lower our educational standards tremendously."

Neither of these would be acceptable to the American people, Hannah added.

Another problem which the colleges must take to the people, President Hannah pointed out, is that the Korean veteran will be more costly to taxpayers for education than was his older brother, the World War II veteran.

"We would be well-advised to acquaint our legislatures with this fact," the M.S.C. president concluded.

**MORE HORSEPOWER** under the hood and new chrome trim which accents sweeping body lines are features of the Kaiser for 1953. Described as the world's first "safety first" automobile, all of the new Kaiser models are equipped with richly cushioned safety dash panels which harmonize with exclusive vinyl and fabric upholstery combinations. Horsepower of the 1953 series, offered with optional overdrive or Hydra-Matic, has been increased without affecting economy of operation.

**1,500 See Fire Safety Display**

An estimated 1,500 persons saw seven fire departments last Friday night snuff out a pit of flaming fuel oil and douse a natural gas fire during demonstrations in recognition of national Fire Prevention week.

Donating 600 gallons of fuel oil for the fire safety demonstration were the Standard Oil company, Sinclair Refining company and the Silkworth Oil company, all of Plymouth.

The Consumers Gas company laid a two-inch natural gas line to the site of the demonstrations, behind Plymouth High school.

Participating in the display of equipment and fire fighting techniques were seven members of the Mutual Aid Firemen's Association.

There were the Plymouth fire department backed up with fire squads from Plymouth, Canton, Northville, Salem and Livonia township. A unit from the Detroit House of Correction was also on hand.

Here's a treat with chili con carne. Make a rice ring, then place on a large platter. Fill with hot chili con carne. Pour cheese sauce over it.

**FROM THE MEN AND WOMEN IN THE ARMED FORCES.**

Lawrence Finney

Aviation Cadet Lawrence A. Finney of the United States Navy has recently reported aboard the U. S. Naval Auxiliary Air Station, Sauley Field, at Pensacola, Florida for training in fixed aerial gunnery and formation flying.

Cadet Finney, son of Mr. and Mrs. L. Carl Finney of 325 Arthur street, attended the University of Notre Dame at South Bend, Indiana, prior to entering the Naval Aviation Cadet program. He reported to Pensacola in January of 1952. Since that time he has participated in a strenuous schedule of military, academic and physical training.

Upon completion of duty at Sauley Field, Cadet Finney will commence training in carrier qualifications. This will be climaxed by six take-offs and landings aboard an aircraft carrier in his SNJ "Texan" trainer.

"The Robber's Roost", a cafe in Sacramento, California, was robbed of its cash register, 4 cases of beer, a shuffleboard coin box.

**Auxiliary Sponsors Tea**

Mrs. Charles Dengler of Jackson will review "Cyclone in Culico," by Nina Brown Baker at the book review and tea sponsored by the woman's auxiliary of St. John's Episcopal church Thursday, October 23, at 2 p.m. in the church.

Mrs. Dengler has appeared in Plymouth on three other occasions.

She recently returned from Boston where she was a delegate to the General Convention of the Woman's Auxiliary of the Episcopal church. Mrs. Dengler is Educational chairman of the auxiliary in the Diocese of Michigan.

Tea chairmen for the event are Mrs. Arden Sackett and Mrs. D. Armistead. Tickets may be obtained by calling Mrs. Arthur Jenkins, Livonia 5786.

**A.A.U.W. to Meet**

The Plymouth branch of the American Association of University women will meet with the Ypsilanti branch at 7:30 this evening at the Charles McKenny hall in Ypsilanti.

This will be the regular monthly meeting of the group.

**DALE CARNEGIE**

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

**Day-Tight Compartments**

MRS. SAMUEL ROSENTHAL, Newark, N.J., says she can never remember the time when things, however insignificant, didn't bother her. She worried constantly. In fact she declares she was the "coward who dies a thousand deaths."

When she was told that her mental attitude had brought severe hypertension she was sure that this would inevitably bring about heart trouble. So sure was she that on the day she did suffer a heart attack she knew what it was before the results of a cardiograph were known.

While in the hospital she was warned that her worrying would prevent recovery, but by that time she was lost in a whirlpool of regrets and a hopeless outlook for the future.

Then her daughter happened to bring from the library a book, recommended by the librarian. She didn't expect to glean anything from "just a book". The days were long in the hospital and when she began to read to fill in the weary hours, words of wisdom in the book seemed to be written just for her. She read that book over again, and now that she is recuperating at home, she still refers to it.

She says it has wrought for her what well meaning advice from various people, what warnings from doctors, and what her own conscience told her, could never do. And the most valuable piece of advice—for her—that the book contained was to live in day-tight compartments, and the advice she would pass on to the rest of us is to live each day by itself and not allow worry to enter.

CARNEGIE

**Instruct Optimists in Protocol of Serving Wines**

Optimist Club members last week were instructed in the protocol of serving the "right kind of wine" with varying dinner courses.

Leading the Optimists in the instructional hour were invited representatives from the Christian Brothers' Wines. They pointed out to the group "just how and what wines to serve with each course of a meal."

During this same Monday meet three new members were voted "acceptance into the club."

They were Ken Hannah, of the Turnsted Division of General Motors, Walton Richwine of Universal Stamping company, and Tom Kelley, of the Ford Motor company.

**V.F.W. News**

Wayne County Veterans of Foreign Wars council meets Monday, October 20.

There will be a pow wow in Lansing, October 18 and 19. Saturday will be social day with a banquet and dance. Sunday is the business meeting beginning at 9 a.m. All members of the post and auxiliary are cordially invited.

The building fund dance sponsored by the post at the Plymouth country club will be October 25. Tickets may be obtained from any post member. The dance will be open to the public.

Tickets are now on sale for the Smorgasborg dinner. A 3-piece Samsonite set will be given away following the dinner November 8.

In Saint John, Indiana, Daniel Boone paid a \$25 fine, had to give up his gun for shooting a rabbit out of season.

**Yale-Cornell Next TV Game**

The Yale Bowl at New Haven will be the setting for Saturday's, October 18, "TV Football Game of the Week" when the Bulldogs will attempt to avenge last year's 27-0 defeat at the hands of Cornell's Big Reds. The game will be televised over the nationwide NBC network of 60 stations starting at 1:45 p.m. EST.

Fifth in the series, the contest will be reported by Sportscasters Mel Allen and Russ Hodges. It will bring together a pair of traditional rivals who have been meeting since 1889, and will offer TV football fans their first opportunity to observe the handiwork of Yale's new coach, Jordan Oliver, who recently replaced Herman Hickman.

House for sale? Use a classified ad. Call 1600. Deadline is Tuesday at 5:00.

### Our Apologies Notice to our customers . . .

Please excuse the long delay on your request for furnace cleaning.

We are still many orders behind because of the unseasonable weather. We have been concentrating our efforts on the "no heat" calls and most of our men have been working on new furnace installations as these people had no means of heating. Please bring in your old smoke pipe to our shop and we will fabricate a new one while you wait.

We also have a full line of furnace brushes, air filters, oil filters, soot destroyers, furnace cement and other furnace supplies.

Save money and help us by taking care of your small repairs.

**POLIO CLAIMS SIX IN ONE FAMILY . . .** Six children of the Paul Pehl family of Stonewall, Texas, stricken with polio, lie in the isolation ward of the Robert Green hospital, San Antonio. Parents are grief-stricken.

**Food Sense—Not Nonsense**

Are you a follower of the food faddists? Do you listen to their blasts on the airplanes? Are you influenced by the suggestions of their printed messages? Are you buying their nostrums and gimmicks which are being offered you in scores of ways?

Doctors, nutritionists, Government authorities and others concerned with the public welfare continue to be disturbed over the influence of these faddists. To counteract it, the public is being assured by authoritative sources that a varied, balanced diet of available foods will provide the nutrients necessary for buoyant health.

In order to simplify the planning of nutritious meals, the Seven Basic Food Groups were developed, as an easy-to-follow blueprint. Those who choose foods from each group daily, regularly obtain protective foods that help build sturdy bodies, make minds alert, and produce quick energy.

Featured in the seven food groups are: Meat, fish and eggs; milk and dairy products; bread, flour and cereals; fruits and vegetables; fats, oils, and nuts; and other essential nutrients.

for muscle-building protein, essential vitamins and minerals; milk and milk products for calcium as well as protein; bread, flour and cereals (enriched or whole grain) for three B vitamins—niacin, thiamine, riboflavin—and iron, in addition to energy-providing carbohydrates; butter and margarine for vitamin A and concentrated food energy.

To simplify selection, the fruit and vegetable families are divided three ways: Green and yellow vegetables, high in vitamin A, iron and other essentials for growth, energy and health; oranges, grapefruit, tomatoes, raw cabbage and salad greens, rich in vitamin C (the seasonal fruits, strawberries, and cantaloup and some others also are high in this important vitamin); The popular group which includes potatoes, beets, onions, corn, and other vegetables, and pears, apples, bananas, pineapples and other fruits, lends variety to meals and help round out the dietary needs.

By including foods from these three fruit and vegetable groups every day the diet talks will show that all the required vitamin C has been included; about 2/3 of the vitamin A; 1/2 of the iron, niacin and thiamine; and 1/2 of the calcium and riboflavin. Because of their carbohydrate content they furnish a significant part of the energy requirement.

Known as "protective" foods, these fruits and vegetables help build a defense against disease and infections, provide roughage and are an aid to good vision. Items from each one of the three groups, as well as from the other four of the basic seven must be eaten each day to assure a diet that is adequate, nourishing and health building.

**"I REMEMBER" BY THE OLD TIMERS**

**From Mrs. Anna May Smith, Waynesburg, Ky.:** I remember in olden times my father had a pair of oxen. He would haul logs with them. Brother and I plowed up our potato patch with them. He would plow and I would drive, then I would plow and he would drive.

**From Mrs. Leta Burdick, Coudersport, Pa.:** I remember the nickel-odeon, enchanting movie of my childhood. The front of the bare, un-luxurious little building was adorned on both sides of the door thus: "5c." The play I recall most was an illustration of the song, "Wait Till The Sun Shines, Nelly." Ah, the vivid blue, pink and yellow of Nelly's gown in technicolor, the handsome mustached hero with whom she went strolling down lover's lane! Once we attended a church social movie where a man was flattened by a steam roller, but ran flatly around.

**From Mrs. James R. Taylor, Shawnee, Okla.:** I remember when the stores used to get shipments of dried raspberries. We thought the pies our mother made from them were out of this world. It's been years and years since I've seen any of them in the stores.

**From Henry Houge, Houston, Minn.:** I remember when Schaisberg and Solberg in Caledonia, Minn., operated a meat cutter with a 150-lb. dog-powered treadmill. Later a 200-lb. sheep buck was used. Later, a small gasoline engine. Now by electricity—just turn a button.

**From Hendrik Dinkla, Florahome, Fla.:** Sixty years ago my father told me to wash my hair once a month with petroleum and then with soap and water and I would never have dandruff. I have followed this advice. I am 75 years old and still have all my hair.

**Last Rites Read For Ethel George**

Ethel George, 15, of 12000 Cardwell, Livonia, passed away Tuesday, October 14, following a long illness.

Surviving are her mother, Mrs. Bernice Jeffers, of Livonia; her father, William George of Detroit; her grandmother, Mrs. Clara McLaughlin and her grandfather, John George, both of Detroit, other relatives and many friends.

Ethel attended the Bentley High school and was a member of the High School Orchestra and Band.

Rosary will be recited Friday evening, October 17 at 8 p.m. at the Schrader Funeral home, Plymouth. Funeral services will be held Saturday, October 18 at 10 a.m. from St. Michael's Catholic church, Rosedale Gardens, with Reverend John E. Contway officiating. Interment will be in Forest Lawn cemetery, Detroit.

**Last Rites For R. F. Leszczynski**

Roman F. Leszczynski passed away suddenly Thursday morning, October 9 at his home, 815 Haggerty road in Canton township. He was 37 years old.

He is survived by his wife, Genevieve; his son, Roger; his parents, Mr. and Mrs. Joseph Leszczynski his brother, Marion Leszczynski and his sister, Mrs. Leona Brasch, all of Detroit, other relatives and many friends.

Mr. Leszczynski has lived in this vicinity for the past eight years, and was formerly of Detroit. He was employed at the Kaiser-Frazier company, Willow Run.

Reverend Edgar Hoenecke officiated at the funeral services which were held from the Schrader Funeral home, Sunday. Hymns were rendered by Mrs. Edna O'Conner at the organ. The active pallbearers were Philip Dingley, Ray Hopper, Stanley Padolski, Warren Tillotson, Gus Kerstein and Edward Kubik. Interment was in Maple Grove cemetery, Nankin township.

**MAY COLLECT FORTUNE . . .** Because there was no mention of oil rights when her grandmother's Canadian farm was sold 31 years ago, Mrs. Marie Mayot, Los Angeles, may collect a fortune. Oil was discovered on the farm where she was born.

**Georgiana Heller Interred Here**

Mrs. Georgiana Heller passed away after a long illness October 9 at the age of 76 years. Mrs. Heller resided at 412 W. Ann Arbor trail.

Her husband, Benjamin F. Heller preceded her in death on November 1, 1944, and her son, Clarence Heller in 1935.

Surviving are her daughter, Miss Vera M. Heller of Plymouth; her daughter-in-law, Mrs. Leila Heller of Plymouth; two brothers, Amzi Gossard and Halbert Gossard, both of Peoria, Illinois; three grandchildren and eight great-grandchildren, other relatives and many friends.

Mrs. Heller was a member of the Seventh Day Adventist church of Plymouth.

Services were held Saturday from the Schrader Funeral home, Arthur John Lock of Plymouth officiated. Hymns were rendered by Mr. and Mrs. Fred Otto, accompanied at the organ by Mrs. Edna O'Conner. The active pallbearers were Bert Tillotson, Donald N. Button, John Johnson, Fred Otto, Gerald Prince and John Johnson. Interment was in Riverside cemetery.

**Cora B. MacLaren Entombed Here**

Mrs. Cora B. MacLaren, who has resided at 2619 Montgomery in Detroit for the past 20 years passed away Friday evening, October 10 at the age of 72 years.

She was born in Nankin township on May 19, 1880 to Ammon and Ella Warner, both of whom have preceded her in death.

Surviving are her sister, Miss Bertha Warner of Detroit; three brothers, Harvey Warner of Kalamazoo, Russell Warner of Schenectady, New York, and Arthur Warner of Cincinnati, Ohio; also surviving are two grandchildren, Mrs. Lester Burleson and Miss Patricia MacLaren of Durham, Connecticut; and one great-grandchild, Lynn Burleson; other relatives and many friends.

Mrs. MacLaren was brought to the Schrader Funeral home, Plymouth. Funeral services were held Monday, October 13 from the First Presbyterian church at 2 p.m. with Reverend Henry J. Walsh, D.D., officiating. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were George R. Warner, J. D. McLaren, Douglas McLaren, Harry Miller, Norris Hunt and Lewis Delameter. Entombment was in Riverside mausoleum.

**John R. Lash Dies Suddenly**

John R. Lash of Irvin street died suddenly of a heart attack while driving his car Sunday. He was 75.

Mr. Lash was born in Redford township. He lived in Northville for 50 years before moving to Plymouth. He has lived here the past four years.

Surviving him are three sons, Edward of Northville, Clyde of Plymouth and Kenneth of Commerce; five daughters, Mrs. Rosella Wells, Mrs. Marcella Graham and Mrs. Hazel Gallisico of Plymouth, Mrs. Suzie Mandall of Livonia and Mrs. Ruth Kelly of Detroit; a brother, Ray Larson of Detroit; three sisters, Mrs. Hattie White of Plymouth, Mrs. Margaret Dufore, Garden City, and Mrs. Ida Thomas of Newburg; 24 grandchildren; and five great-grandchildren.

Funeral services were held Wednesday, October 15 at 2 p.m. from the Schrader Funeral home, Northville. Reverend Arif Hodgson of Northville officiated. Interment was in Riverside cemetery.

**Services Held For Charlotte Ware**

Funeral services were held Wednesday, October 15 at 1 p.m. from the Schrader Funeral home for Mrs. Charlotte V. Ware, who passed away Sunday, October 12 after a long illness at her home, 1009 Starkweather avenue. Mrs. Ware was 69 years old.

Her husband, Thomas R., preceded her in death on August 11, 1947.

Surviving are her four daughters, Mrs. Margaret Thomas of Plymouth, Mrs. Alice McDaniel of Saginaw, Mrs. Madeline Barden of Jackson and Mrs. Genevieve Weld of Washington, D.C.; one sister, Mrs. Grace Jackson of Hollywood, California; 11 grandchildren, nine great-grandchildren, other relatives and many friends.

Mrs. Ware has been a resident of Plymouth for the past 12 years, and was formerly of Northville. She was a member of the First Baptist church of Plymouth.

Reverend David L. Reider officiated, assisted by Reverend Lucia M. Stroh. Hymns were rendered by Mrs. Edna O'Conner at the organ. The pallbearers were George Humphries, Hubert Luker, Donald Aughenbaugh, Clifford Rogman, Jose Torres and Caryl Buell. Interment was in Riverside cemetery.

**Sarah Shoebridge Passes Away**

Sarah Frances Shoebridge, 85, of 920 Holbrook avenue passed away at her residence Monday, October 13.

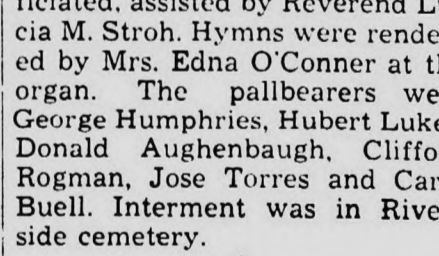

Mrs. Shoebridge was born in Canada on July 10, 1867, the daughter of Andrew and Sarah Heddie. Her husband, Benjamin F. died in January of 1938.

She resided in Salem for 40 years and has lived in Plymouth with her daughter, Mrs. Ray Speers, at the Holbrook address for the past six years. She was a member of the Salem Congregational church.

Surviving are two daughters, Mrs. Speers and Mrs. Leo Hollis of Northville; four brothers, Andrew of Pontiac, James of Ann Arbor, Richard of Detroit, and Jack of Canada; two sisters, Mrs. Bessie Ross of Godrich, Canada and Mrs. J. W. White of Detroit; seven grandchildren and two great-grandchildren.

The funeral will be this afternoon from Casterline Funeral home, Northville at 2 p.m. Mrs. Lucia Stroh of Salem Congregational church will officiate. Burial will be in Thayer cemetery, Salem.

Russell M. Daane  
Mayor  
City of Plymouth, Michigan

Professional men in the city of Plymouth will be contacted by mail during the early part of next week stated Dean Saxton, chairman of the professional campaign committee.

"All residents of the city, industrial, business, and professional men who have not been contacted and wish to give may mail their contributions to box 356, Plymouth," according to George Mayhew, chairman of the local drive.

There are eight local agencies supported by the fund, Plymouth Dental fund, Well Baby clinic, Boy Scouts, Girl Scouts, Recreation commission summer playground program, Veterans' Memorial building, Visiting Nurses, and the Salvation Army.

"We all know that the price of almost everything has gone up," stated Robert Marsden, chairman of the industrial drive, "and that the dollar buys less than it did a year ago. In spite of this, the goal of the Community Fund has risen only \$1,000, from \$17,000 to \$18,000 in the past year."

The folder which is contained in the envelopes to the residents, and which are available from any member of the Community Fund board upon request explain exactly what proportion of the amount collected goes to the local agencies and what part goes into Detroit to pay for the services of 22 other organizations.

"It's a bigger red feather this year" reads our campaign literature, please help us help the other fellow," said Norman Marquis, president of the board.

Other members of the board of directors are Duane Parkes, Thomas Kent, Rexford Purkey, Mr. Marsden, Mr. Mayhew, Mr. Saxton, Russell Isbister, Mrs. Rose Joan Karner, Mr. Goddard and Harry Larsen.

**Starkweather PTA to Meet**

Starkweather Parent-Teacher Association will hold its regular monthly meeting Thursday, October 23 at 8 p.m. in the school gymnasium.

The program will be a panel discussion of the particular problems of Starkweather school. Members of the panel will be Mary Strassen, school nurse; Marguerite Biomey, reading improvement teacher, Arnel Pylkas, physical education instructor; Mildred Field, visiting teacher; and Donald Rank, school principal.

Refreshments will be served by Mrs. Price Clear and her committee.

**HEAVYWEIGHT KING . . .**

The heavyweight boxing crown has been moved from New Jersey to Massachusetts. Here's Rocky Marciano, Brockton, Mass., the man who whipped Jersey Joe Walcott, flashing his victory smile after the Philadelphia bout in which he kayoed Joe in the 13th round.

Mrs. John Hauk, Mrs. Edwin Reber, Mrs. Walter Dethloff and Mrs. Linwood Dethloff attended a shower in South Lyon last Saturday afternoon.

Mrs. Lottie Jones spent last weekend with her son and daughter-in-law in Coleman.

Members of the board of directors of the Soroptimist club will meet at the home of Mrs. Gerald Pease on Penniman avenue on Wednesday, October 22. The meeting will begin promptly at 7:30 p.m.

Pvt. John McIntyre has been the houseguest of Mr. and Mrs. Homer Feamster of Beck road. Pvt. McIntyre has been in Germany for the past two years and is now awaiting honorable discharge from the Army.

Mrs. Carl Finney, Mrs. Gerald Hossier and Miss Helen Meier returned Sunday from a 10 day vacation. The trio visited N/C Larry Finney at Pensacola, Florida where he is taking his training. The group also spent two days in New Orleans and visited scenic spots and points of interest.

Mrs. E. Fletcher Campbell of Ann Arbor trail was hostess at a lovely shower on Tuesday evening honoring her niece, Mrs. Matthew Fortney.

The Women's Circle of the Reorganized Church of Jesus Christ will hold a bake sale in the S. S. Kresge store this Saturday at 9 a.m.

Mr. and Mrs. Walter Anderson of Gold Arbor road entertained at a buffet supper Sunday evening in honor of the announcement of the engagement of their daughter, Janice to Jerry Klinske. Present were Mr. and Mrs. E. Klinske, Mrs. Helen Smith, Mr. and Mrs. E. Kopinski, M. Klinske, Walter and Martha, Mr. and Mrs. Richard Anderson and Mr. and Mrs. James Ward.

Mr. and Mrs. Marvin Terry of Roosevelt avenue with Mr. and Mrs. Kenneth Hollidge of Grosse Pointe attended the Albion college homecoming last weekend.

Mr. and Mrs. John Hauk and Mr. and Mrs. Henry Ehrensberger visited Mr. and Mrs. Raphael Mettetal Sunday in their home in Clintonville.

Mr. and Mrs. Jervis Wendland were given a surprise housewarming last Saturday evening in their newly purchased home on Auburn avenue. Guests included Mr. and Mrs. Ernest Wendland, Mr. and Mrs. George Britcher, Mr. and Mrs. Kenneth Norris, Mr. and Mrs. Maurice Garchow, Mr. and Mrs. Walter Packer, Mr. and Mrs. G. H. Mahrley, Mr. and Mrs. Edwin Goebel, Mr. and Mrs. Lawrence Blunk, all of Plymouth; and Mr. and Mrs. Rudolph Knaut of Wayne.

Mrs. Rhea Watts of Adrian and her son Christopher spent last week with her parents, Dr. and Mrs. Luther Peck of Ann Arbor trail.

The Women's Missionary Council of the Plymouth Assembly of God will meet tonight at the home of Mrs. Sidney England on Bradner road. The meeting is scheduled for 7:30 p.m.

Miss Jane Houk was surprised last Saturday evening at a pajama birthday party held in the home of Mrs. Robert Kine on Haggerty Highway. Guests were girls from the Youth Choir of the First Baptist church.

Mr. and Mrs. Lawrence Miller, Mr. and Mrs. Elton Miller and Mr. and Mrs. Dwight Miller, all of South Lyon were dinner guests Tuesday evening of Mr. and Mrs. Edwin Reber of Auburn avenue in celebration of Mr. Reber's birthday.

Karl Hoenecke, who has been so critically ill at University Hospital in Ann Arbor, has returned to the home of his parents, Reverend and Mrs. Edgar Hoenecke on Spring street where he is convalescing very nicely.

Mr. and Mrs. Frank Terry and their grandson, Scotty Terry spent last weekend in Midland as the guests of Mr. and Mrs. Milton Curtis and family.

Mr. and Mrs. Howard Bowring of Bradner road will be houseguests this weekend of Mr. and Mrs. Howard Knight in Monroe.

Mrs. John Miller was hostess to the members of her Priscilla Sewing club Tuesday afternoon in her home on Irvin street.

**Grange Gleanings**

This is "Booster Night" and I hope you are all planning to attend. The program will be something quite different. We are to have the Manchester "Barber Shop quartette" with us which will be a treat we know, then there are some other features of the program which will be interesting. Let's have a fine crowd. Bring your friends and neighbors. Refreshments will be served after the meeting.

Several of our Grange members attended the "Mystery Ride" from Pittsfield Grange and other Granges.

The Lily club was a very pleasant affair on Monday evening. Everyone had a good time.

Social items can be phoned to 1600.

Official Proceedings of Your City Commission

A regular meeting of the City Commission held September 15, 1952 at 7:30 p.m. Present: Comm. Fishers, Hammon, Henry, Tibbitts, and Mayor Daane. Absent: Commissioner Arlen.

to limit the liability of each special assessment district to the amount of the unpaid assessments against each of the special assessment districts. NOW THEREFORE BE IT RESOLVED THAT: 1. Paragraph (2) of said resolution adopted August 18, 1952, be amended to provide as follows:

30.00 on each bond called for redemption on or before July 1, 1957; \$15.00 on each bond called for redemption after July 1, 1957, but on or before July 1, 1958; \$5.00 on each bond called for redemption after July 1, 1958, but on or before July 1, 1959.

the collection of special assessments for the purpose of the Special Assessment District Nos. 167 to 170, inclusive, 172 and 174 to 176, inclusive, in said City in accordance with resolution duly adopted by the City Commission of the City of Plymouth, on August 18, 1952.

cent per annum, expressed in multiples of 1/4 of 1 per cent. Said interest shall be payable on July 1, 1953, and semi-annually thereafter on the first day of January and July of each year. The interest rate for each coupon period on any one bond shall be at one rate only. Both principal and interest will be payable at a bank or trust company to be designated by the purchaser of the bonds.

Noted by Comm. Tibbitts and supported by Comm. Hammon and Mayor Daane. Moved by Comm. Fisher and supported by Comm. Hammon that the meeting be adjourned. Time of adjournment: 11:05 p.m.

What Proposal 2 Does: Restores majority rule. Redistributes the Senate on a population basis. Redistributes the House on a population basis. Insures redistricting (reapportionment) after every U. S. census.

DON'T LET "INTERESTS" STEAL YOUR VOTE! You—like every other American—are entitled to a full vote. Yet, at the present time, your vote for state senator counts only about a tenth as much as a vote cast in the Upper Peninsula.

**Bessie Dunning  
Addresses Society**

The Plymouth Historical Society met at the home of Mrs. Ethel Clark Thursday, October 9. Forty-five members attended the meeting.

Earl W. DeLaVergne of Livonia, who represented the society at the 78th annual convention of the Michigan Historical Society in Petoskey recently, gave a report on the convention.

Mrs. Bessie Dunning read her paper entitled "Recollections of My Childhood and Youth on the Farm." The farm on which she lived was located at the corner of Plymouth and Merriman roads, now Rosedale Gardens.

"Around 1880," Mrs. Dunning related, "district school teachers moved from home to home for room and board. Families sending children to school were supposed to keep the teacher a certain number of days and nights."

A teacher who received board and room free was paid about \$10 per month. If she did not have free room and board, she received about \$15 per month, according to Mrs. Dunning. Women received less than men. Top pay for men was between \$25 and \$30 dollars.

A teacher taught grades one through eight and sometimes nine. The teacher also did janitor work, swept the floor, carried wood, built fires, took out ashes, kept the water pail filled and called the pupils into class with a brass hand bell, she said.

To help the teacher, sometimes the older girls would hear the younger ones recite on the side-seats.

After describing the schools, Mrs. Dunning went on to talk about the typical country store with its pot-bellied stove with men sitting around it in the winter solving all of the problems of the world, and settling them to their satisfaction.

Clarence Wright, a former resident of Plymouth and a graduate of Plymouth High school, now an engineer with the Detroit Water board gave a review of the diary of his grandmother, Julia Hough.

A social hour followed the meeting. Refreshments were served by Mrs. Clark assisted by Mrs. Ivah Bentley, Mrs. Karl Starkweather, Mrs. J. H. Todd, and Mrs. Paul Ware.

The next meeting of the society will be held at the home of Mr. and Mrs. Roderick Cassady on November 13.

**Public Letter Box**

We a family of Plymouth like many others have been unfortunate who have been evicted from our house. When you go out and try to rent a house the people won't allow pets or children. Why is it? Don't they have any consideration for others or are they too proud of themselves? The average person just can't go out and buy a house. We, of course are not the only family who have been forced to move. Don't these people who rent homes stop and consider that they were once children? What's a man supposed to do? Sell his belongings and children and just go from place to place? Why don't some of the citizens of Plymouth get behind this and do something? Could we please have this printed in the Plymouth Mail? Thank You.

### MESC Urges New Vets to Register for Work Here

Recent veterans of the armed forces, who may be eligible to file claims for unemployment compensation under the Veterans' Readjustment Assistance Act of 1952 after October 14, today were urged to visit the branch office of the Michigan Employment Security Commission and register for work if they are not working.

Clarence Jetter, manager of the Plymouth office, which is to handle claims under this act, covering payment of unemployment compensation to veterans, pointed out that there are several conditions which must be met to become eligible for benefits.

This compensation is payable only to veterans who are unemployed for no reason other than that they cannot obtain a suitable job. One of the first requirements is that the unemployed veteran be registered for work with the MESC. Another is that he must be able to work, and available for work. Openings exist locally for these jobs: toolroom workers, production workers and stenographers.

Mr. Jetter also announced that his office of the MESC, at 585 W. Ann Arbor trail, has full information on re-employment rights under the Selective Service act.

He also stated that the purpose of the new veterans unemployment compensation legislation is to provide job insurance until the veteran can be successfully placed in a job he is qualified to do. The maximum amount payable is \$676, in weekly payments of \$26 for 26 weeks. The money will remain until used.

Veterans who are receiving mustering out pay cannot receive these payments for the same period. Nor can unemployment compensation for veterans be collected while the veteran is receiving allowances for education subsistence or on the job training.

In addition, Mr. Jetter pointed out, if the veteran had any credits under the Michigan Employment Security Act, for work before he entered service, he must draw those benefits first. The branch office at Plymouth will be glad to advise veterans of their rights.

Veterans should bring their discharge or separation papers with them when they file the claim after October 14, their social security card, and a list of the employers for whom they worked prior to entering service and up to date of claim.

### Rocket Ship to Appear Here

Plymouth kids, and adults alike, will be treated to a special attraction Monday, October 27 in the form of a gigantic 35 foot rocket ship. The rocket is owned by the Stop & Shop super market.

Jay Rucker, owner of Stop & Shop, stated that the ship has real controls and will be open for public inspection. It has been shown throughout the country and, according to Rucker, is in great demand by other food stores for public showing. Rucker announced that the rocket will be outside his store all day.

By Carl Peterson

Don't forget to have a few "treats" on hand for your Halloween visitors . . . if you want to spend a quiet evening. It used to be that Halloween activities were about as frantic as a Mickey Mouse comedy, although not so funny. Hardly a village or town failed to wake up the next morning without finding a cow or carriage in the steeple or on someones' roof.

Today kids are more civilized . . . or the police force is more alert. There are more parties or community activities, and fewer acts of vandalism. Just in passing . . . when are witches going to start riding vacuum cleaners instead of old-fashioned brooms?

We give

A department store in Memphis made the mistake of accepting a check drawn on the "East Bank of the Mississippi". Anyway, it ought to have a lot of liquid assets. The greatest assets at PETERSON DRUG are the people serving you . . . we are proud of them and we know that they are proud to serve you in a courteous and friendly way. PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2480.

**OPEN Thurs., Fri. and Sat. Until 9:00 p. m.**

# Sees Labor-Management Peace Evolved From "Infant" ASMA

## Mediation Experts to Exchange Ideas in Inter-State Parleys

By Jack H. Lewis

The day of "shotgun wedding" tactics between management and labor unions is over. Outlawed are the strike-breakers and labor "gangs" who cracked skulls of the laboring man and "service" groups who brandished a threatening 38.

By 1939 arbitration between management and labor had become a guidepost. Too, it marked the birth of the then "infant" Labor Mediation Board set up by the Michigan Legislature.

Today—after helping settle 37,094 cases in its 12-year existence—mediators have one philosophy—to settle strikes quickly, with

little economic loss, and in the American tradition of collective bargaining.

Postulating this "hands-across-the-table" idea of equanimity, is a soft-spoken, 37-year-old Detroit attorney, who resides in Plymouth, George E. Bowles, now chairman of the State Labor Mediation Board.

Seeking to kick off the shackles of federal intervention in state labor disputes, Bowles speaks fondly of a newly created inter-state organization—Association of State Mediators Agencies—as the beginning of the end of long drawn out and costly labor strikes.

ASMA, he believes, has the potentiality of saving the nation's manufacturers and wage earners millions of dollars in production and wages each year, making a huge contribution to the nation's defense effort.

Expecting some sort of a "gimmick," I asked Mediator Bowles in an interview what sort of magical formula was involved.

His answer to begin with was a criticism of nearby metropolitan daily papers for failing to accept a scholarly approach, considering ASMA some sort of a hair-brained scheme—a "blue baby" born of frustrated mediators.

Actually, this could be no farther from the truth.

Records antedating to 1943 show that the Labor Mediation Board has set between management and labor, helping settle 2,813 strikes that involved the staggering sum of 23,747,700 lost hours of man labor. Besides the millions of production dollars lost, there were also lost wages of 1,996,400 workers that, undoubtedly, added up to a lot of economic suffering.

One of its creators, Bowles explains that ASMA is a scholarly approach by mediators from every state in the Union. Last June 6 his agency played host to these state mediation agencies out of which ASMA was born.

At this time the Association's by-laws and objectives were set. Briefly, the objectives are these:

(1) Exchange among State Mediation agencies of experiences out of which will come "productive ideas and plans that will play some part in the evolution of a system of labor dispute settlement consistent with American traditions . . . and completely responsive to pressing needs of this period and the future."

(2) Evolution of a valid social-economic standard of mediation consistent with local, regional and national needs.

(3) Breakdown of mediation on federal levels not attuned to state mediation boards.

(4) Good faith bargaining of "litigants" and a realistic operating procedure for time of intervention.

On the latter point Bowles emphasized that mediation is not a compulsory requirement levied against any employer or labor union.

"It is voluntary mediation of labor disputes and requires disputants to file a ten-day notice before a lockout or strike can be legally effected," he said.

Calling the Taft-Hartley Law a "political football," Bowles indicated that the controversial labor bill shackled disputants and put arbitration and mediation in a mental straight-jacket.

"THE STRENGTH OF THE MEDIATION PROCESS," says George E. Bowles, chairman of the state Labor Mediation Board, "is the confidence disputants have in the integrity and impartiality of mediation." This, he indicates, is the basic thinking behind the creation of the Association of State Mediation Agencies. It promises to revamp social-economic thinking behind management-labor relations, exclusive of federal intervention in provincial labor disputes. Bowles is a Plymouth resident, living at 884 Palmer street.

Our problem today, he declares, is "how to best preserve in the field of labor dispute settlement the greatest possible freedom of action, and still, in the public interest, get settlements with a minimum of interruption of production or service."

Uniquely qualified for his difficult job of assuaging fiery tempers in the interest of strike settlement, Mediator Bowles is a combination of political scientist, sociologist, school teacher and lawyer.

In 1941 he graduated as a fledgling attorney from the University of Michigan law school. Earlier, he applied his scholarly knowledge of Latin as a high school instructor in Pennsylvania following his "sheepskin" award from Grove City College there.

Bowles' appointment to the Labor Mediation Board came at the behest of Gov. G. Mennen Williams. It culminated 10 years of experience as a mediation expert on the National Labor Relations Board and War Labor Board, director of Detroit Regional Labor Board and member of the newly formed Association of State Mediators' Agencies.

He strikes out sharply indicating that the urgent word "emergency" had been used as a stick to beat labor "lion" into subservience.

"It is in periods of emergency, in periods when the average citizen and men in positions of responsibility in business, labor and government are most impatient with interruptions of production that we are most likely to place greater reliance upon compulsory procedures," he declares, stating that such action had tended to weaken mediation.

"Significantly in this period when the whole free world is looking to America for leadership

in preserving the greatest freedom of the individual and group action, every conceivable effort should be exerted to preserve, strengthen and expand voluntary processes."

Bowles warns that in the nation's zeal and desire for speed in arming the nation and its allies against communist aggression, it cannot afford to weaken or destroy voluntary action and individual and group responsibility.

They are, in themselves, he cautions, "the basis for a government of free people."

He points out that from his experiences, mediation of labor disputes "can best be handled on a state level," calling federal intervention "unnecessary" in sovereign state affairs. He again declared that ASMA would make unnecessary the duplication of mediation services.

Equally at home in the court room or at a conference table seeking conciliatory proposals for a strike settlement, Bowles has

got firm support and recognition from labor and management alike.

In just one year his two district chairmen and staff of eight mediators have been called upon by mutual consent of management and labor to settle 6,102 cases involving contract and wage disputes as well as individual "hardship" cases.

Struggling against a heavy caseload, nearly round the clock negotiations are going on somewhere in the state to help catch up with 1,780 mediation cases still hanging fire.

Bowles tells of first becoming interested in labor relations while studying law.

It was in Wisconsin he first cut his labor relations "teeth" working on the production line at the Allis Chalmers plant.

Led there by courtship pursuit of the teacher-girl friend he finally married, he tells of working as a labor relations understudy in the then labor "hotspot" of the nation, recalling that the men werer split in labor factions rife with communist sympathizers.

A resident of Plymouth, Bowles, his wife, Catherine, and three children live at 884 Palmer street.

Issuing a call for a "National Old Maids' Day", a bachelor lady instructor at North Texas State college explained that it was time something was done for spinsters, many of whom never even get birthday presents because they're so anxious to avoid the subject of age.

## ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Scout Leaders Attend Great Lakes Conference

Two women will represent the Plymouth District Girl Scouts at the Great Lakes Regional Conference which is being held October 15, 16, and 17 in Indianapolis, Indiana.

Mrs. Kenneth Hulsing, a member of the Girl Scout council and Mrs. Sheldon Baker, Girl Scout leader are attending the three day conference.

A highlight of the conference will be the dramatic presentation by the Indianapolis Girl Scouts in honor of Girl Scouting's 40th anniversary, which is being celebrated throughout 1952.

Dr. Clark G. Keubler, president of Ripon college, will give the keynote address, "To Live Democracy." The program also includes special sessions on planning activities for Girl Scouts of all ages, preparation for different types of camping...

Mrs. Warren B. Cooksey, of the metropolitan Girl Scout Board, and a member of the Regional Committee will participate in the conference program. Miss Charlotte Hartman and Miss Janelle Griffis, of the metropolitan Detroit Girl Scout Staff, will conduct special sessions on program planning with girls and the use of audio-visual aids.

A discouraged woman in Los Angeles, California got her divorce after charging that her husband kept her and the children awake with the noise he made every night as he figured up his income on an adding machine.

ORDINANCE No. 175

An Ordinance to amend Ordinance No. 141, as amended, entitled "An Ordinance authorizing the acquisition and construction of additions, extensions and improvements to the water supply system of the City of Plymouth; authorizing and providing for the issuance of self-liquidating revenue bonds for the purpose of defraying the cost thereof under the provisions of Act 94, Public Acts of Michigan, 1933, as amended; Providing for the fixing, collecting, segregation and disposition of the revenues of said water supply system and payment of said bonds out of the revenues thereof; creating a statutory lien on such revenues and providing for other matters relative to said bonds, the water supply system and the revenues therefrom."

The City of Plymouth Ordains:

Section 1. Section 8 of Ordinance No. 141, an ordinance entitled "An Ordinance authorizing the acquisition and construction of additions, extensions and improvements to the water supply system of the City of Plymouth; authorizing and providing for the issuance of self-liquidating revenue bonds for the purpose of defraying the cost thereof under the provisions of Act 94, Public Acts of Michigan, 1933, as amended, providing for the fixing, collection, segregation and disposition of the revenues of said water supply system and payment of said bonds out of the revenues thereof; creating a statutory lien on such revenues and providing for other matters relative to said bonds, the water supply system and the revenues therefrom," is hereby amended to read as follows:

Section 8. The rates for services furnished by said Water Supply System shall be as follows:

Except as herein otherwise provided, water to be furnished by the System to each tap shall be measured by a meter installed and controlled by the City. Water charges shall be as follows for each bi-monthly (two-month) period, to-wit: (a)

Table with columns for water volume and service charges. Includes rates for 17,000 to 500,000 gallons, and various meter sizes from 3/8-inch to 6-inch. Minimum bi-monthly charge is \$3.00.

(b) For water furnished otherwise than through meters, the following flat rates or charges shall be made for all such connections to the System:

- For a 3/8 inch, 1/2 or 1-inch pipe, the sum of \$12.00 per year
For a larger than 1-inch, including 2-inch \$20.00 per year
For larger than 2-inch pipe \$30.00 per year
In addition thereto charges shall be made as follows:
For domestic outlet \$ 4.00 per year
For water closets \$ 2.00 per year
For bath tub or shower 2.00 per year
For hydrant or sill cock 4.00 per year
For stores 10.00 per year
For soda fountains 10.00 per year
For barber shops:
First two chairs at \$5.00 per year
Other chairs at \$2.00 per year
First tub or shower, \$10.00 per year
Other tubs or showers, \$6.00 per year
For restrooms, each annual \$2.00 per year
For restaurants, \$20.00 per year
Churches, \$8.00 per year
For any other non-meter water service furnished which is not covered by the above schedule, the City Commission shall fix a reasonable rate based on the number of taps or any other special considerations.

(c) For building or construction purposes, the following charges shall be made for the use of water from the time of installation of the service pipe until meter is installed:
For 3/4-inch service pipe—\$8.50 per month
For 1-inch service pipe—\$9.00 per month
For 1 1/2-inch service pipe—15.00 per month
For 2-inch service pipe—25.00 per month
For 3-inch service pipe—57.50 per month
For 4-inch service pipe—102.50 per month
For 6-inch service pipe—230.00 per month

(d) For water supplied to users outside the corporate limits of the City of Plymouth, the rates charged shall be as follows:
1. For water supplied through meters, the service charge in accordance with the above schedule, and double the domestic rates as hereinbefore set forth, for the first 67,000 gallons used. All in excess of 67,000 gallons shall be at the regular rate charged users within the corporate limits of the City.
2. For water supplied otherwise than through meters, the rates shall be double the flat rates or charges hereinbefore listed for such users within the corporate limits of the City.

(e) The City shall pay for all water used by it, or any of its departments, at the foregoing rates for users within the corporate limits of the City, and no free service shall be furnished by said Water Supply to any person, firm or corporation, public or private.

For fire protection, the City shall pay out of its appropriate funds, the sum of \$25.00 per year for each fire hydrant, said sum to be paid annually.

(f) The term "tap" as used herein shall include any opening or outlet heretofore or hereafter made in the System for the purpose of withdrawing water therefrom for any use, public or private, either commercial or domestic, excepting fire hydrants, and no taps shall be made to the System unless authorized by the proper City authorities.

CONNECTION CHARGES

(a) Charges for water service connections to users within the corporate limits of the City of Plymouth shall be Eighty (\$80.00) Dollars for all connections up to and including 3/4 of an inch. For connections exceeding 3/4 of an inch in size, the charge shall be, including the Eighty (\$80.00) Dollars, the actual cost of making such connection, plus 15%.

(b) Charges for water service connections to users outside the corporate limits of the City of Plymouth shall be the actual cost of making such connection, plus 15%. PROVIDED, HOWEVER, that said connection charges shall not, in any event, be less than One Hundred (\$100.00) Dollars.

(c) Prior to the making of any connections to the System, application therefor shall be made at the office of the City Treasurer upon blanks furnished by the City, and prior to the connection being made all connection charges shall be paid in full.

DEPOSIT

A cash deposit of Fifteen (\$15.00) Dollars as security for the payment of water bills shall be required of each user in such cases as the City Commission shall deem such security to be advisable, or in such cases where a deposit is required by the provisions of Section 21 of Act 94, Public Acts of Michigan, 1933, as amended.

BILLING

Charges for water service furnished by the System shall be collected in bi-monthly (two-month) periods, and bills shall be sent to each user immediately after the end of each bi-monthly period, and shall be due and payable at the office of the City Treasurer fifteen (15) days after the date of the bill. For all bills not paid within fifteen (15) days of their date, a penalty of 10% shall be added.

ENFORCEMENT

Charges for water service shall constitute a lien on the property served, and if not paid within six months shall be placed on the next general tax roll and collected as a part of the general City taxes. The City shall have the right to shut off and discontinue the supply of water to any premises for the non-payment of water rates, when due. For turn on charges, a fee of One (\$1.00) Dollar shall be paid prior to turning on the water to such premises.

Section 2. This ordinance shall take effect and be operative twenty (21) days from and after the date of its passage by the City Commission. Made, passed and adopted by the City Commission of the City of Plymouth, Michigan, this 8th day of October, 1952, A.D. R. M. DAANE, Mayor Lamont C. BeGole, Clerk

# Our Thanks to the Families of the Northwest Area!

The hearty welcome you've given our new Redford branch is appreciated.

You gave us a real reception—by coming in, thousands of you from near and far to pay us a visit. In the first six days, about 2600 savings accounts were opened here.

The photo at top shows the people who served you during the Grand Opening. Most of them will continue at the Redford Branch—the others came from other First Federal offices to help us take care of the opening crowds.

It was a pleasure to see you, and we hope to serve you in many ways in the months ahead.

### Radio Program to Tell Lake History

The thrilling story of Etienne Brule, young explorer who discovered Lake Superior, will be told school children on the University of Michigan Radio Classroom program.

In finding the biggest fresh water lake, Brule became the first white man to enter what is now the state of Michigan.

About 1618, when the explorer was only 19 years old, he set out as a scout for Samuel de Champlain to find the elusive Northwest passage to China. With an Indian guide, he made his way through the wilderness in search of the "great sea of the West."

dramatic moment when Brule knelt on the shore of Lake Superior to sip its water expecting to taste salty sea water.

Brule's story is one of a series of radio programs about important names in Michigan history carried by 27 stations in the state. Teachers, participating in rural areas, use the broadcasts during school hours as a supplement to their regular instruction. Nearly 30,000 students are served by the programs produced on the University campus.

### Gets 90-Pound Deer With Bow and Arrow

Charles J. Cole, of 36111 Five Mile road, was Plymouth's third reported archer to bring down a deer with bow and arrow.

Cole brought down the 90-pound "venison on the hoof" October 4, near Luzaine, Michigan.

He was accompanied on the north-woods trek by his brother-in-law, Wayne Hohl, of Plymouth.

### Local Executive Speaks in Iowa

A prediction that the "carriers and shippers of the nation can do much to free themselves substantially from the \$100 million-a-year grip of damage claims within the next decade" was made here today by Harvey Cooper, loading engineer from the Evans Products Company, Plymouth.

Cooper spoke before an estimated 300 industrial traffic men, materials handling men and railroad traffic and claims managers attending the 100th regular meeting of the Mid West Shippers' Advisory Board at the Hotel Russell-Lamson.

"Last year," Cooper said, "the AAR reported rail freight damage claims totalled \$100,094,075. No figure is available on damage caused in truck transportation, but is undoubtedly also large. That appalling figure reflects only a part of the whole grim picture of waste and loss imposed on the manufacturer, the shipper, the carrier and the ultimate consumer."

In Seattle, Washington, after a motorist slammed on the brakes and stopped just an inch away, an indignant pedestrian yelled, "Why don't you go ahead and hit me?" later complained to the police that the accommodating driver inched forward, bumped and bruised him neatly in the leg, then drove off.

Wrinkling in a paint job is the result of applying too thick a paint, the surface drying before the rest of the coat. If your house suffers from an extreme case, the only thing to do is remove the old paint entirely and start again. So watch out for too heavy a load of paint on your brush for any job!

### Passage-Gayde Post Hosts to Six Legion Posts

The Passage-Gayde Post 391 of Plymouth were hosts last Friday evening to the first regular meeting of the re-organized 17th district of the American Legion held at the Veterans' Memorial Home at 8:30 p.m.

The following posts and auxiliaries were represented at the meeting: Redford Township Post 271, Redford-Detroit Post 358, Rosedale Park Post 390, Howard Hudson Post 509 of Detroit, Lloyd H. Green Post 147 of Northville, Myron H. Beal Post 32, and Passage-Gayde Post 391 of Plymouth.

Presiding over the meeting were Oscar Hammond of Northville, 17th district commander; and Mrs. Alice Mickens of Redford Township, president of the women's auxiliary.

Following the business meeting a social hour was held at which time refreshments were served.

### Brothers; Sister Meet For First Time in 37 Years

Five members of the Wickens family met here in Plymouth last week, shook hands, recounted their childhood days and wept with brotherly and sisterly joy.

It marked the first family reunion of the group in 37 years, since 1915 separated by 3,000 miles of water between them and Belfast, Ireland, their native home.

Recounting the circumstances behind the reunion, Joseph Wickens, of the Specialty Feed Company, 13919 Haggerty highway, said that his brother, William S., 52, arrived here in Plymouth just two weeks ago.

He was the last of the Wickens family to come to the States, he remarked.

It was in 1910 that Joseph J., 58, immigrated here. He was followed in 1922 by his brother, Henry C., 50. In 1925, Edward G. Wickens settled in Lansing from the Belfast family homestead.

Mrs. Margaret Kennedy, 56, of Toronto, Ontario, sister of the four became a Canadian resident in 1949 after going there in 1949 from Belfast.

The arrival here of William S. two weeks ago permitted the first family reunion since 1915, when "Joe", as he is known to Plymouthites returned to Belfast for a visit.

William S., who is still somewhat mystified by rapid transportation and "high-powered" cars, remarked, "I wished I had come here 30 years ago. There is plenty of everything here, including more opportunity for advancement."

Both of his daughters came to the States in 1944. One is currently residing in Wilmington, North Carolina, the other in Atlanta, Georgia.

He intends living here permanently and is already taking an active part in the Specialty Feed company's business affairs.

Police in Richland Center, Wisconsin, were looking high and low for two men who broke out of jail, where they were being held for stealing a car from a used-car lot, escaped with another car stolen from the same lot.

## Rose Marie Dix is Bride of Ralph Kranz

Miss Rose Marie Dix and Ralph Kranz were united in marriage in Our Lady of Good Counsel church in Plymouth on Saturday morning, September 27. Rose Marie is the daughter of Mr. and Mrs. Chester Dix of Salem, and Mr. and Mrs. Sylvester Kranz of North Territorial road are Ralph's parents.

Mrs. Ralph Kranz

The Reverend Father William Mooney officiated at the 10 o'clock Mass. Mrs. Felix Cylk presided at the organ and accompanied her daughter, Mrs. Mary Ann Robertson, the soloist.

The bride, given in marriage by her father, approached the altar in a floor length gown of Chantilly lace and net over satin. The lace bodice had long sleeves and her portrait neckline was of net. Panels of the lace extended down the sides of the bouffant skirt. Her fingertip length veil of illusion was banded with the lace and fell from a coronet of seed pearls. She carried a bouquet of white glamelias and stephanotis tied with white satin streamers.

Jean Buttermore was her cousin's maid of honor. She wore a gown of blue lace and net over taffeta. Marjorie Dix, sister of the bride, and Shirley Wick, a cousin, were Rose Marie's bridesmaids. Their gowns were fashioned like that of the maid of honor in shrimp color. All attendants wore matching headbands and carried bouquets of glamelias. Mary Dix, another sister of the bride, was the flower girl. She wore a dark rose floor length gown and carried a basket of rose petals and mums. She wore a matching headband and corsage.

## Barbara Davison to Wed Harold Howard

Mr. and Mrs. William Davison of Lakeland Court announce the engagement of their daughter, Barbara Ellen to Harold Howard, son of Mr. and Mrs. James C. Howard of Wayne. No wedding date has been set.

Russell Palmer served Ralph as best man and the ushers were Sylvester Kranz, brother of the bridegroom and Thomas Wick, a cousin of the bride.

Following the ceremony a reception for 100 guests was held in the K of C Hall in Plymouth. There were 250 guests at the reception which was held in the same hall that evening.

Mrs. Dix chose for her daughter's wedding, a turquoise blue gown of lacy net and taffeta with navy blue accessories. Mrs. Kranz was in grey with black accessories. Both mothers complimented their outfits with corsages of roses.

The young couple will make their home at 9515 Five Mile road in Salem.

## Joan Cavell Guest at Prenuptial Parties

Many lovely prenuptial parties have been held for bride-elect, Joan Cavell. Last Friday evening Mrs. Earl Wolfe and Mrs. Kenneth Wolfe were co-hostesses at a miscellaneous shower in the Earl Wolfe home on Sheridan avenue. Twenty-five guests were present.

On Sunday afternoon, Miss Alice Reddeman, Miss Pauline Bell, Miss Ilene Powers and Miss Marilyn Karnatz entertained for Joan at a personal shower. Twenty guests attended the lovely affair which was held in the Reddeman home on Blunk street.

Joan will become the bride of Richard Palmer on November 1 in a ceremony at the First Presbyterian church in Plymouth.

## Harvey Proctors to Hold Open House

Mr. and Mrs. Harvey Proctor will celebrate their fiftieth wedding anniversary with an open house from 2 to 5 p.m. and from 7 to 9 p.m. on Sunday, October 19 at their home on the Manchester-Chelsea road, one mile north of Manchester.

Mr. and Mrs. Proctor were married in Plymouth and for several years resided near here. Mrs. Proctor was the former Pearl Place, daughter of Mr. and Mrs. E. O. Place.

The Proctors are the parents of 12 children, ten of them still living including their daughters; Mrs. Charles Barnsdale, Trenton; Mrs. William Stark, Ann Arbor; Mrs. Erwin Pidd, Dexter; and Mrs. Charles Dinius of Tecumseh. Their sons are Stanley of South Lyon, Kenneth of Chelsea, Russell of Detroit, Floyd of Grass Lake and Lester and Wesley of Clinton. There are 32 grandchildren and four great grandchildren. Their many friends in and around Plymouth wish them many more years of happiness together.

Mrs. Bev Smith with her mother, Mrs. A. M. Johnson left last Thursday for Florida where Mrs. Smith has gone because of ill health.

## LOCAL NEWS ITEMS

Sgt. and Mrs. Douglas Burkholder have arrived from Texas to be the guests of Mr. and Mrs. Edward Harrison and family of Merriam road. Sgt. Burkholder has to report for active duty in the Air Force on October 20, after having had a 20 day furlough.

Dimple Hester of Stark road left for Dalton, Georgia to make her home there with her father, Walter Hester.

Mrs. George Griggs, Mrs. Arthur Haines of Joy road and Regina Polley went to the Methodist Home in Chelsea to visit Mrs. Joseph Blackmore.

Mr. and Mrs. George Beaugrand and daughters, Barbara and Kathy were the Wednesday evening dinner guests of Mr. and Mrs. John C. Harper of Pacific avenue.

Approximately 14 members of Cub Scout Den 4 and Den 2 journeyed on a hike through Tramp Hollow, on Wednesday, October 8. The lads were accompanied by their Den Mothers, Mrs. Grizinger and Mrs. Edward Hart. Mrs. John Harper also accompanied the group. Johnny Harper narrated an Indian tale in order to complete an achievement test.

Recent visitors at the John Harper home were Mr. and Mrs. Leslie Harper of Akron, Ohio.

The Smith school Parent Teacher Association will hold their second annual country fair on Saturday, October 25.

A turkey dinner will be served to the public on Wednesday, October 22 by members of the Woman's Society of Christian Service of the Methodist church. General chairman for the dinner is Mrs. Harry Mumby.

Members of the Western Wayne County Conservation Association, guests and their wives enjoyed a fish dinner which was held at the club house on Joy road on Saturday, October 11.

Parishioners, both young and old alike, of the Calvary Baptist church will witness the first Christian Western film, "Mr. Texas." Billy Graham will present the picture at the church on Monday, October 20 at 7:30 p.m. Featured in the film are Redd Harper and Cindy Walker. Musical selections by the Sons of the Pioneers, Hardin-Simmons University Cowboy Choir, Fort Worth 1,000 Voice Crusade Choir and the Hour of Decision Choir, are interspersed throughout the program.

The Methodist church dining room was the setting for the Stanley Demonstration party which was given by the Char-Mar's, a newly organized group. Guests at the event, which was held Tuesday evening were ladies from the seven units of the W.S.C.S.

A harvest home dinner was held at the St. John's Episcopal church last Thursday.

The Dorcas Unit of the W.S.C.S. will meet at the home of Mrs. Nellie Bird of Ann street at 8 p.m., Monday, October 20.

Mrs. Edward Harrison and son, Michael of Merriman road and Mrs. Earl Siterlet and son, Richard of Five Mile road traveled to Canada over the week-end. They visited relatives in Toronto, and later were the guests of Mr. and Mrs. Lambert Beacock of Allenville.

Mayor Russell Daane was the speaker at the Veterans of Foreign Wars October 14 meeting. He discussed the subject of politics.

The V.F.W. Auxiliary is sponsoring a smorgasbord dinner which will be served to the public on Saturday, November 8 at the Masonic Temple.

Members of the Mary Unit of the Woman's Society of Christian Service will meet at the home of Mrs. James Gretzinger of North Harvey street, Monday, October 20.

The Canton Township Goodfellows are sponsoring their annual frolic consisting of modern and old time dancing. The frolic will take place at the Masonic Temple in Plymouth, Saturday, October 25. Dancing will be from 9 p.m. until 1 a.m.

Mrs. Ernestine Lewis of Maple street will be hostess to the Rebecca Unit of the Woman's Society of Christian Service on Monday, October 20.

The woman's auxiliary of the St. John's Episcopal church will hold a book review and tea at the church, Thursday, October 23 at 2:30 p.m. Tickets may be obtained from Mr. Arthur Jenkins.

The regular business meeting of Unit 18 MOMS of America was held Thursday evening at the Veterans' Memorial building.

Former graduates of Albion college, Mr. and Mrs. William R. Foster of Sheridan spent the weekend at the Albion college homecoming festivities. Mr. and Mrs. Foster graduated from the school in 1948 and 1949.

Methodist Men's Club will meet tonight for a "sea food" dinner which will be served by Phil Barney.

A Hunter's Ball featuring Sod Schaffer's orchestra will be given by the Western Wayne County Conservation Association on Saturday, November 8. Dancing will be at the club house and will start at 9 p.m.

The Fortnighters Club of the First Presbyterian church, held a potluck supper Friday evening. Following the supper the group indulged in square dancing.

Mr. and Mrs. Leonard Forrester of Irvin avenue recently returned from Tensala, New Jersey after having visited Mrs. V. F. Craig who is hospitalized.

Cadet Edwin L. Kimbrough, son of Mr. and Mrs. Richard Kimbrough of South Main street, is one of 98 cadets participating in Wentworth Military Academy's intramural football program this fall according to a bulletin received from Lexington, Kentucky.

**DOWN, DOWN, DOWN...**  
GO THE PRICES OF **WONDER DRUGS!**

In three short years, the price of cortisone has dropped 92%. Vitamin B-12 costs 97% less than it did in 1949, and penicillin and streptomycin cost only 3% of what they did seven years ago. These are but a few examples of how the miracle of American productive ingenuity brings down the prices of wonder-working drugs and makes their health-restoring, life-saving benefits available to all. We do our part in keeping down the price of these—and all drugs—by basing our prescription prices upon the cost of the ingredients plus a nominal fee for professional service.

## 25 Years Ago

Plymouth high school has become a member of the Michigan High School Debating League this year and will compete for the Inter-scholastic Debate Championship of the state according to an announcement by Professor G. F. Denmore of the University of Michigan, the manager of the league. The team is coached by Mrs. Ruth E. Huston Whipple.

About October 22, the Economy Shoe Store will open in the Patterson block in the store room

formerly occupied by Calvin Whipple. A new and modern store front is now being constructed, and when completed will make a splendid addition to the business frontage on Penniman avenue.

Mr. and Mrs. J. B. Pettingill entertained a small company at dinner, Sunday, in honor of the ninth birthday of the latter's father, T. B. Davies, who resides with them. Covers were laid for 10 and a delicious dinner was served.

A very pretty wedding was celebrated at the home of Mr. and Mrs. John Bays, October 5, when their daughter, Viola L., became the bride of Clarence Wolfrom, son of Mr. and Mrs. Riley Wolfrom, Reverend Peters of Wayne, performed the ceremony.

Playing to large audiences on both nights, the Plymouth high school alumni association's annual dramatic event sealed new heights with its 3-act musical

comedy, "The Flapper Grandmother," Tuesday and Wednesday of this week.

Miss Katherine Wilcox and Miss Evelyn Schrader are two of the 200 freshmen girls at the University of Michigan who accepted sorority bids last week-end. Both girls chose Chi Omega as their sorority.

Mr. and Mrs. Frank Crompt and family of Brightmoor, have moved into Mr. Daggett's house on South Main street.

The squirrels of this section of Wayne County will have difficulty in laying away stores of nuts for winter use and will probably depend upon corn for their food until spring, farmers of the county report. The crop of nuts on hickory and walnut trees is unusually light this fall and is in marked contrast to the plentiful supply of a year ago.

Nineteen acres of onions are being harvested on the Driggs farm near Bridgewater, Washtenaw county, and is a sight. The yellow globe onion was grown and eight men and women pulled them and after topping them put them through a sifter and sacked them. They have the double trucks with trailers similar to freight cars and are hauling them into Detroit.

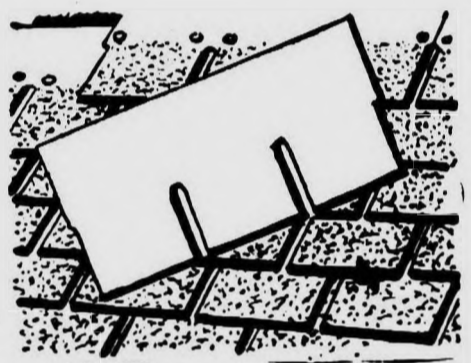

Dr. F. W. Bramigk has closed his Northville office, and will conduct his office from now on at 217 North Main street, Plymouth. He removed his family here some little time ago.

## 10 Years Ago

Plymouth's school board works just a little bit faster than President Roosevelt, if such a thing is possible. Monday night just about one hour before the President recommended physical training for all high school boys, in his radio address to the nation, the Plymouth school board had officially taken action making compulsory training for boys in the senior class, with the expectation that many of the students will be called into the service of their country within the coming year.

Plymouth citizens will, Thursday noon, entertain at a community luncheon United States Senator Prentiss M. Brown and Governor Murray D. Van Wagoner, the affair taking place at the Mayflower hotel. After the luncheon, at which both Senator Brown and the Governor will speak, the two high officials have been invited to inspect some of the Plymouth plants working on war materials.

The Plymouth board of education has voted to change the time of the opening and closing of school one-half hour, beginning Monday. The beginning time will be 9 a.m. instead of 8:30 a.m. and the closing time will be 4 p.m. instead of 3:30 p.m.

Proudly youthful James Gray and his brother Tom, of 1927 Dewey, sons of Mr. and Mrs. Thomas Gray, brought to The Plymouth Mail office last Saturday forenoon an unexploded three-inch shell made for the last World War. The powder and firing device had been removed from the shell when it was given to the Grays as a keepsake by Charles Sorenson of the Ford Motor Company. It went on the scrap pile, to make new shells for the present World War after it had remained on display for a number of hours in the big window of The Plymouth Mail office.

Mrs. Beatrice M. Schultz, assistant postmistress, has been appointed by Mayor Ruth Huston Whipple as director of the Citizen's Service Corps, an important post in connection with Plymouth's war defense organization. She will work in conjunction with the Plymouth Defense Council of which she is a member.

Plymouth will need at least 70 volunteer registrars for gasoline rationing work the week of November 5. At least 50 per cent of them should be able to type. Registration for gasoline cards has been declared the responsibility of the local Defense Council, according to a letter received by

Amos Thompson, secretary of the Plymouth Defense Council.

Jane Springer was hostess, Tuesday evening, at a miscellaneous shower honoring Ruth Kirkpatrick, a bride-elect of this month. There were 18 guests present who enjoyed games planned by the hostess. The guest of honor received many lovely gifts.

HOME and AUTO STORES

## Autumn Tourist Business Good

The term "off season", is heard less frequently in mention of Michigan's tourist business, says Robert J. Furlong, Executive Secretary of the Michigan Tourist Council. Evidence of this is found in reports which indicate a highly successful autumn business in the state's recreational areas.

The beauty of her forests, invigorating weather, good fishing, upland bird and duck seasons and the bow-and-arrow deer season have combined to fill a gap in

Michigan's vacation calendar that once was very evident after Labor Day.

"With this upswing in autumn business, the state's tourist industry is enjoying a very successful year," said Furlong. "Reports from the summer season are most encouraging," he added.

The Tourist Council executive mentioned certain "measuring sticks" which indicate that tourists came to Michigan in increasing numbers during the 1952 summer. Traffic across the Straits of Mackinac, by the middle of September, was 17 per cent above traffic for the same period in 1951. And in 1951 an all time high was recorded in Straits traffic.

General highway traffic throughout the state showed a nine per cent increase over the 1951 figure for the period ending September 15.

By September 20, 1952, tourists visiting the State Highway Department's information lodge at New Buffalo, Monroe and Meno-

minee totaled 395,279. On the same date last year the total was 354,958. Long distance telephone calls originating in the state's resort areas showed another increase this year over last. State park attendance through September 17 this year was up 14 per cent over the 1951 figure. Camping permits at these parks shows a 19 per cent increase. Conservation Department officials predict that by the end of the year attendance will exceed the previous record established in 1949 when 13,107,000 persons visited the state parks.

"Add to these the enthusiastic reports of chamber of commerce secretaries, resort operators, retail merchants and other interested persons in the recreational areas and we conclude that the summer tourist season of 1952 will go down as one of the best, if not THE best in the history of Michigan's multimillion dollar tourist industry," said Furlong.

A combination of factors were responsible for this success, according to the Tourist Council official. He mentioned the favorable weather, but pointed out that Michigan's nearby competitors also enjoyed good vacationing weather. Efforts on the part of communities, counties, regions and the state itself to call attention, through advertising and promotion, to their vacation attractions, was said Furlong, a major factor.

"A continuation of these efforts is the best assurance for more and better summer seasons in the future," he added. Such efforts must also be geared to autumn, winter and spring promotion for Michigan has become a year-round playground with every season an "on season" in the tourist industry.

Estimates Cheerfully Given

## Naval Intelligence Officer to Give Talk on Asia

"Do Our Major Interests Depend on Asia", is the subject chosen by Rear Admiral Ellis M. Zacharias for his talk at Detroit Town Hall, Wednesday morning, October 22, at 11 o'clock in the Fisher Theatre.

The veteran Naval Intelligence Officer will tell the Town Hall audience how we can combat Communism in the East, and at the same time protect our interests elsewhere.

Zacharias has a background of 38 years in the Navy. His highly successful campaign of psychological warfare against the Japanese High Command during the closing phases of World War II was credited with crystallizing Japanese opinion to surrender even before the Hiroshima bomb.

Since retirement from the Navy, the Admiral has written two books, "Behind Closed Doors" and "Secret Missions."

Tickets for the lecture are at Grinnell's, Wo. 2-1124.

In a Brooklyn, New York court, protesting against the elevator service in her apartment building, a frustrated woman told the judge that when she complained to the elevator operator, Chief Reindeer, she was informed, "This my country. You leave."

### Rescue Redford Man From Middle Rouge

Robert Thiede, 77, of Redford township, was listed by police last Thursday as an attempted suicide.

Thiede was reported to have calmly waded into Rouge River near Noythville road and Edward Hines Parkway and attempted to drown himself in three feet of water.

He was pulled from the river by two Wayne county park employees, Rex Bennett, 24, of 9080 Elmhurst, and Donald Soper, 34, of 550 Irvin. Both men were passing the scene at the time.

Revived by Patrolmen Louis Westfall and Donald Pinckney and the fire department's Emergency-Rescue Squad, Thiede was rushed to Sessions hospital at Northville.

## Firm Offers 39 Scholarships

Kroger scholarships will be offered at three additional colleges for the 1952-53 school year, Joseph B. Hall, Kroger president, announced today. The company previously announced continuation of the Kroger Scholarship Plan, which for several years has offered 86 scholarships of \$200 each at the land-grant colleges of 17 states.

The new schools are Arkansas Agricultural, Mechanical and Normal College, Kentucky State college, and Tennessee Agricultural and Industrial State college. The scholarships will be divided between students planning to major in home economics and those specializing in agriculture.

Scholarship committees at the colleges will select winners on the basis of high school scholastic achievement and evidence of leadership qualities demonstrated in school, church, 4-H Clubs, New Farmers of America, or similar organizations.

Addition of the new scholarships will bring the total offered annually by the retail food company to 93. Colleges participating in the plan, and the number of scholarships awarded at each are: Ohio State University, 12; University of Illinois, 6; Purdue University, 6; Michigan State college, 6; University of Missouri, 6; Alabama Polytechnic Institute, 4; University of Arkansas, 4; Kansas State college, 4; University of Georgia, 4; University

of Kentucky, 4; Mississippi State college and Mississippi State college for Women, 4; North Carolina State college, 4; Pennsylvania State college, 4; University of Tennessee, 4; Virginia Polytechnic Institute, 4; West Virginia University, 4; University of Wisconsin, 4; Tennessee Agricultural and Industrial State college, 3; Arkansas Agricultural, Mechanical, and Normal college, 2; Kentucky State college, 2; and West Virginia State college, 2.

## Rocks Win Fourth Straight Victory; Defeat Belleville 20-6 in Slow Game

Even though they had a slight let-down the high school griders came through with a 20 to 6 win over Belleville last Friday night over at Belleville. The snarling Tigers played inspired ball for their homecoming crowd, and that coupled with the Rock let-down prevented a higher score.

Plymouth went to work fast and scored the first touchdown in just four plays. Russell Brown received the kickoff and returned it 25 yards to the Plymouth 40 yard line. Lanphear gained 9 yards and then Ritter passed to Dick Huebler for 25 yards and a first down on the Belleville 18 yard line. After a pass fell incomplete, Jerry Kelly romped around right end for 18 yards and a touchdown. Jerry Vettesse added the extra point with a placekick.

Bud Lanphear, who punted splendidly throughout the game, set up the second touchdown with a beautiful 40 yard punt that went out of bounds on the Tiger one-yard line. Belleville tried a running play, but fumbled, and Gary Gothard recovered for Plymouth on the 5 yard line. Three plays later Johnson passed to Kelly for the touchdown. Vettesse again split the uprights for the extra point.

The second and third quarters were most uneventful for the Rocks, and they were played to a standstill by the Tigers.

In the third quarter Belleville fumbled again with Brown and Cavell recovering for Plymouth. The Rocks drove to the 20 yard line where Johnson fumbled. A few minutes later Dick Huebler went 35 yards on an end around play, and they got to the Belleville 16 where the attack bogged down, and they were held for downs as the third quarter ended.

Lanphear's punting also set up the third touchdown. He got off a tremendous 55 yard boot from his own 35 yard line that sailed over the head of the intended receiver and rolled dead on the 10 yard line. Then another fumble was picked up by Dick Nagel who galloped over the goal line for the final score.

Ritter intercepted two passes in the late stages of the game and Plymouth was on Belleville's 6 yard line as the game ended.

Belleville scored their touchdown about two minutes before the end of the first half when a back marched through a hole at center big enough for a truck to go through, and scored without a hand being laid on him. That was the first counter against Plymouth this season.

Capitalizing on fumble recoveries, Lanphear's punting, and a couple key passes carried them to victory. The offense and defense was not quite as sharp as in previous games.

Plymouth made a total of 11 first downs—7 on rushing and 4 on passes. They gained a net of 147 yards by rushing the ball—75 of those coming on three long runs by Lanphear, Kelly and Huebler. The Rocks completed 5

of 10 passes for 84 yards. Lanphear kicked 5 times for an average of 48 yards from scrimmage. Bud also had the best average in rushing with 8 carries for 57 yards for a 7 yard average. Huebler carried once on an end around play for 35 yards. Jerry Kelly carried 11 times for 50 yards—just short of a 5 yard average.

Much of the credit for this four-game winning streak must go to the coaching staff. Coach Ketterer and John Sandmann have done a splendid job in shaping up and guiding this unbeaten squad. John McFall is doing a great job in the training room, and two newcomers, Bill Harding, who coaches the reserves, and Frank Sullivan, who handles the junior high team, both have done all the scouting work and their reports have been extremely valuable in these victories.

Tomorrow the Rocks engage the Bentley Bulldogs in what is expected to be a great game before an expected record homecoming crowd on the local field. The game will begin at eight o'clock.

## Harriers Eke Out Victory; Balogh Sets New Record

The high school harriers eked out a two-point victory over a good Belleville cross country team last Friday to cop the meet 27 to 29. The Tigers had 6 men in the first 10 finishers, but only 5 of them could count in the team total points.

John Balogh had to establish a new Riverside Park course record to edge out A. Grieg of Belleville by five yards. John ran the two miles in 11 minutes and 2 seconds to break the record of 11 minutes and 10 seconds he set last year.

Bob Danol came in third in 11:17; James Blanton fourth in 11:24; Ed Grosjean eighth and Bob Middleton finished eleventh to complete the team scoring.

Tomorrow afternoon another close meet is in prospect for the Riverside course when Bentley meets Plymouth. Bentley has one of the best squads in the league this year, and neither team has been defeated. The meet begins at 4:15 p.m.

The league meet promises to be a close one this year with Plymouth, Bentley and Belleville fighting it out for the championship and the trophy. This will take place at Riverside on Friday, November 7, beginning at 3 o'clock.

The state meet will be held on Saturday, November 1, and this meet will be the first one in which a team from Plymouth will compete against Class A competition—Plymouth is a Class A school now.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

## Bentley Eleven Here Tomorrow For Homecoming

The high-flying Plymouth Rock football eleven go after their fifth straight victory of the season tomorrow night before a homecoming crowd that is expected to break all local attendance records. Their opponent, a natural for a homecoming game, will be the respected Bentley High school eleven of Livonia. These two rivals have drawn capacity crowds at all athletic contests ever since the neighboring school became an athletic power.

Bentley will bring a fighting squad here, and one that has shown improvement with each game. After dropping a 19 to 13 decision to Garden City in the season's opener, and then losing to Trenton 25 to 0, the Bulldogs have beaten last year's league champions, Redford Union, by a 14 to 7 score, and last week came from behind to tie a scrappy Allen Park team 19 to 19 in the last minute of play. At present they are in third place in the 6-B league standings right behind the leaders, Plymouth and Trenton.

The local Rocks have one of the best teams to represent Plymouth in years. The first four straight wins without a defeat is more than any Plymouth team has won in a season in a number of years. If past performances between these two gridiron foes are any indication, Plymouth will have to play at top form to chalk up their fifth win of the season.

The huge crowd expected will witness a top-notch spectacle of football. A gala homecoming ceremony has been arranged with the high school bands of both schools scheduled to participate. Each father of a player will sit behind the bench wearing a number corresponding to that of his son. Mothers will sit in a group in the stands.

There will be plenty of refreshments consisting of steaming hot coffee, cider, hot dogs and pop for all—this is being sold by the senior class.

The student council will hold a dance after the game.

## Two Teams Left in 6-B Title Race

The 6-B Suburban League race has settled into a two-team affair between the Trenton Trojans and the Plymouth Rocks. The local entry won their third straight league victory, and the fourth of the season, last Friday night when they defeated the Belleville Tigers 20 to 6. This still left them in a tie with Trenton for the league leadership as the Trojans handed Redford Union a 20 to 0 lacing. Redford Union, last year's league champs; have lost all three games and are in the cellar. In the other league game, Allen Park played their second tie game of the season when Bentley scored in the last minute to tie the game up at 19 to 19.

The two leaders have won all their league games in easy style, and both have staunch defensive records as Trenton's goal line has not been crossed in league play, and Plymouth's had its crossed for the first time last week when Belleville scored a touchdown just before the half ended.

Other scores of games around this area found: Walled Lake and Waterford battling to a 0 to 0 tie; Northville downed Milford 14 to 0; Fordson defeated Wayne 18 to 7; Garden City took Detroit Lutheran 12 to 0; Southfield 13 Harper Woods 6; Ypsilanti upset Jackson 25 to 13; Farmington 13 Keego Harbor 0, and Ann Arbor smothered Lansing Sexton 60 to 6.

This week finds Bentley facing Plymouth; Allen Park going against Trenton; and Redford Union playing Belleville.

The league standings with points scored for and against each team is listed below:

	W	L	T	PF	PA
Plymouth	3	0	0	49	6
Trenton	3	0	0	63	0
Bentley	1	1	1	33	51
Allen Park	0	1	2	25	41
Belleville	0	2	1	12	44
Redford U.	0	3	0	7	47

## Sports Glances

by "Professor" Edgar Brown

The boys won another football game over at Belleville last week, but to me they didn't look quite as sharp as they have in their last few games. The defense was not as good as it has been in the past, and the offense was not as potent. After a couple quick touchdowns in the first quarter, they were held even the remainder of the contest. Perhaps they were due for a let-down, and it is just as well it occurred against a weaker team.

Lanphear's punting played an important part in the win as his long kicks constantly put Belleville in a hole and set up the two touchdowns the Rocks made under their own power.

You can bet they will be out there giving their all tomorrow night to prove to the huge crowd that their four wins were no flukes.

It seems Bud Lanphear has been kidding Dick Huebler about a certain blocked punt that occurred during the Redford Union game. The Rocks have blocked one punt this season, and it was announced over the PA system and in this paper that Bud was the hero. It has come to my attention that Dick was the one who charged through to block the punt. Now it's your turn to do the kidding, Dick, but one thing you can't kid him about is his punting in last Friday night's victory.

Yes, last Tuesday I felt like a dog with his tail between his legs—after the Dodgers were "home-run" out of the title. The Yankees knew they had been in a series though and had to use all the strength and cunning they had to pull it out of the fire. The Dodgers had their chance to wrap it up, but flubbed it. The losers had only one home run threat, that being Duke Snider, while the champs had four or five. That made the difference. Some great pitching and fielding took place in this series.

Didn't do so well on my football this week either as only four out of the seven came through—MSC, U of M, Illinois and Purdue won as expected, but Notre Dame, U of D, and Wisconsin fell by the wayside.

Now the Big Ten could end in a real scramble this year. There is even a possibility that Michigan could be up there in the driver's seat if they can get by Illinois and Purdue. Might even end in a 3 or 4 way tie.

This week I'll take Purdue over Notre Dame; Wisconsin over Iowa, Illinois over Minnesota; Michigan over Northwestern; MSC over Syracuse; Ohio over Washington State and Pittsburgh over Army.

The Lions look like kittens again—their roar in winning 6 pre-season contests has turned to a meek purr. The 49'ers have trounced them twice in the first three games played. Those may determine the championship, and the 49'ers could very easily win the championship by these early season wins.

The big home game is tomorrow night. The fast-growing rivalry between Bentley and Plymouth is a pleasant one, and will remain that way as long as students and fans will conduct themselves as good sportsmen should.

We have here some of the best young people and sports fans in this area, and we're proud of that fact. The rowdies at the Detroit games in recent weeks are making it look bad for sports in general. Let's hope that such goings-on never penetrate our sports scene.

I admire a man who trusts others. Such a person is Phil Barney of Barney's Grill on Starkweather. Anyone going in his place of business for breakfast doesn't have to wait for someone to come and take his money—the top of the showcase is covered with all kinds of change, and the customer merely leaves his money and picks up his change. Barney says that he doesn't think anyone cheats him, and sometimes they leave more than they should.

He not only saves on help that way, but his waitresses have more time to serve the many customers eating in this homey place. More people should be that trustworthy with human beings.

## Pheasant Season Begins Monday

Next Monday many local bird hunters will be tramping through the fields in the hopes of getting a pot shot at a pheasant, for the 1952 season for that bird will begin at that time.

Hunting promises to be as good, if not better, than that of a year ago when a good take was reported. Some of the better bird hunting sections will be those around the Thumb area, and in Jackson, Monroe, Gratiot and Hillsdale counties. More birds have also been reported around the Plymouth area this year.

There were a few unfortunate incidents in connection with the local season last year where some property owners, who had their property posted against hunting, reported birds were shot in the fields, and some even in the yard. Such acts of poor sportsmanship are unnecessary. More and more farmers are pasting no hunting signs simply because the hunters do not play the game fair.

If a farm is not posted against hunting, it is common courtesy to ask permission of the farmer to hunt on it. Do not destroy his crops, fences or animals, but respect his property as you would want your property respected. A better relationship can be attained if the hunter thanks the farmer after hunting on the farm, and, even to offer him a bird.

By all means follow the rules of safe hunting—never carry a loaded gun in your car—carry your gun as it should be with barrel pointed toward the ground or upward—be sure of your target.

## Reserves Down Belleville 19-6

The high school reserves racked up their second triumph of the season at the expense of the Belleville reserves last Thursday afternoon in a 19 to 6 win.

The improved junior varsity scored twice in the first half to lead at intermission 13 to 0. They scored again in the third quarter, while Belleville garnered a touchdown on a pass in the closing minutes of the game.

Denny Luker was the leading offensive man for the Rocks when he scored the first touchdown, and then galloped 80 yards for another score later on. Bob Gobiel scored the other TD for Plymouth. Gordon Champion kicked one extra point.

Coach Bill Harding was impressed with the showing of his team. The blocking was better, and allowed the ball carriers to get into the open. The defensive unit was good.

Next Thursday the junior varsity travels over to Bentley High for a game with the Bulldog reserves.

The locals now have a two win and one lost record.

Social items can be phoned to 1600.

## Junior High Lose Close Game 13-12

In a game last Wednesday afternoon the Junior High football team lost a heart-breaker to a Belleville Junior High outfit by the close score of 13 to 12.

The first half was evenly played as indicated by the 6 to 6 halftime score.

Both of the youngsters scores came on long marches down the field. Belleville scored on an intercepted pass and the last one on a pass completion play. The

extra point after this last touchdown proved the difference in the score.

The local lads outplayed their opponents most of the game, but couldn't quite muster enough strength to cop the win. Frank Sullivan is the coach of this team.

### Award Winning Books in Library

Many new books are offered to the students of Plymouth High school this year.

Some of these books have taken many awards. "Kon-tiki" by Thor Heyerdahl, which is the story of how six men crossed the ocean to prove a scientific theory, has received the Best Non-Fiction Award of 1951.

"The Sea Around Us" by Rachel Carson is both interesting and significant in the history of the ocean. The book has received two awards, a Eugene F. Sator Fellowship and the George Westinghouse Science Writing Award for the best scientific writing of 1950.

These and many more fiction and non-fiction books are being taken out by the students each day.

The library is open all day to students and help is offered by Patrick Butler and the student librarians, who are first hour—Florence Delaney, Phyllis Sailor, Mary Ortman, and Jeannie Walker; second hour—Tony Worth, Faye Nicks, Carleen McCollum, Mary Ann Mathe, and Volma McEwen; third hour—Paul Rimmer, Joyce Campbell, Ben Campbell, and Pat Farnum; fourth hour—Jimmie Cason, Jim Foreman, and Jeanie Powers; fifth hour—Norma Leslie, Marilyn Card and Bill Blosson; and sixth hour—Marilyn Card and Frances Farnum.

A rookie policeman in Pueblo, Colorado, demonstrating how a fellow rookie had accidentally shot himself in the leg, made it all very realistic by accidentally shooting himself in the leg.

### Ninth Graders Hold First Dance

"Fall Roundup" was the theme chosen for the ninth grade dance Friday, October 10, from 8 to 11 p.m. in the high school gym.

Peter Schipper was general chairman with the following committee chairmen: Judy Richwine, refreshments; Dick Noll, entertainment; Lindy Mills, floor; Barbara Smith, decorations; Jim Parry, tickets; Carol Partridge, publicity; Madeline Jones, chaperones; and clean-up, everyone.

Chaperones for the evening were: Mr. and Mrs. Ervin Franklin, Neva Lovewell, Alita Hearn, Jerry Hopkins, and Gustave Gorguze.

### Varsity Club Initiates Nine

Nine new members are being initiated into the Varsity Club which is under the supervision of John Sandmann, athletic director at Plymouth High school. Initiation began with a probationary period on September 29.

The proposed new members are: Russ Brown, Gary Gothard, Casey Cavell, Tyler Cuplin, Dave Finney, Ralph Bakewell, Dick Partridge, Ken Kisabeth, and Dick Root.

The initiation service included such acts as pushing pennies on the floor with their noses, wearing black armbands, proposing to the girls in the halls, addressing all the old members as Mister, and other things that were requested of them.

To be eligible for membership to the club one must have earned one letter in a varsity sport. Officers of the club are: Ron Nyhus, president; Ron Bender, secretary; Larry Wood, treasurer; and Jerry Vettese, sergeant-at-arms.

The club plans to sponsor a school dance, to arrange for the honor assembly, and to honor their fathers at the Homecoming game.

Read the classified pages.

### Club Names Committees

The Plymouth Teachers' club held its first meeting of the year in the high school on Tuesday, October 7.

A coffee hour preceded the business meeting which was conducted by the president, Kathryn Book.

Mrs. Virginia Calligari, high school language teacher who spent the summer in Europe, showed colored slides of Italy and Spain.

Other officers for the year are vice-president, Loren Grieves; recording secretary, Jewell Bell; corresponding secretary, June Kelly; and treasurer, Dorothy Stein.

The building representatives are Edgar Brown, high school; Joan Hayskar, junior high; Elsie Arscott, Bird school; Bertha Anderson, Smith school; Margaret Roberts, Starkweather school; Margaret McKenna, Bartlett school; and Rosemary Hendley, Hough school.

Members of the program committee are Loren Grieves, (chairman), William Preinit, Madge Frew, Millicent Smyth, and Hazel Parmalee.

Public relations committee consists of Ruth Butts (chairman), William Harding, Nancy Tanager, Wanda Hutchison, and Anne Welch.

Grace Jarvis, chairman; Emma Pine; Beverly Rowe; Barbara Daniel and Freda Olsen are members of the flower committee.

Heading the finance committee is Harry Reeves. Carl Kranish, Dorothy MacKenzie, Gerald Elliston, Vivian Thorson, Earl Gibson, Mildred Field, and Margaret McKenna are committee members.

Members of the publicity committee are Lucile Finkbeiner (chairman), Gustave Gorguze, Frances Chison, Bernice Lichty, Verle Crawford, and Mary Strassen.

Solving the professional problems of club members will be Walter Goodwin (chairman), Pauline Morgan, Margaret Walker, and Heinz Dittmar.

Melvin Blunk (chairman), Irene Waldorf, Anne Makel, and Ruth Eriksson will handle legislative matters.

Arnold Pylkas and Rosemary Bergin are co-chairmen of the social committee. Assisting them are Lorceli Lynnik, Phyllis Peterson, Carol Stinton, Rosemary Hendley, Beatrice Besse, Betty Baker and Patrick Butler.

Parliamentarian is Carl Kranish and club clerk, Donald Rank.

### Homecoming To Be Tomorrow

Homecoming festivities will include a hearty welcome to the alumni of Plymouth.

The high school band, with Laurence Livingston as director, will dedicate several numbers to the alumni on October 17 when the Plymouth varsity will meet the Bentley Bulldogs on their annual Homecoming game.

The seniors will have charge of concessions. Student tickets will be sold at school and tickets at the gate will be adult prices. Posters publicizing the event are being made by the Y-Teens and will be placed in local stores. After the game there will be a Sock Hop, sponsored by Cheer Leaders, held in the new gymnasium.

### Commercial Club Holds Initiation

Old and new members of Commercial club were initiated at a candle light service and potluck supper held Tuesday, September 7 in the high school cafeteria.

Plans were made for get-togethers after school to get acquainted with one another. Posters are being made by Barbara Ferraro for a membership drive through which the club hopes to get more members.

At the first Commercial club meeting the program for the coming year was discussed. The club plans to visit the banks and other places of business; also to invite business men to come to talk to them.

Those holding offices are Joanne Skaggs, president; Marion Donohue, vice president; Gretchen Schuster, secretary; and Shirley Fradette, treasurer.

JEAN BOYER

## ...then sudden silence

When the line went dead, the Kalamazoo operator knew she had to act fast. A woman had been placing a call to a doctor in Chicago, then—sudden silence.

Quickly the operator summoned Service Assistant Jean Boyer. In an emergency like this, a life may depend on quick thinking and quick acting. Jean had a testman trace the interrupted call and help was dispatched to the woman who had fainted at her telephone.

The woman was Mrs. J. Ralph Adams

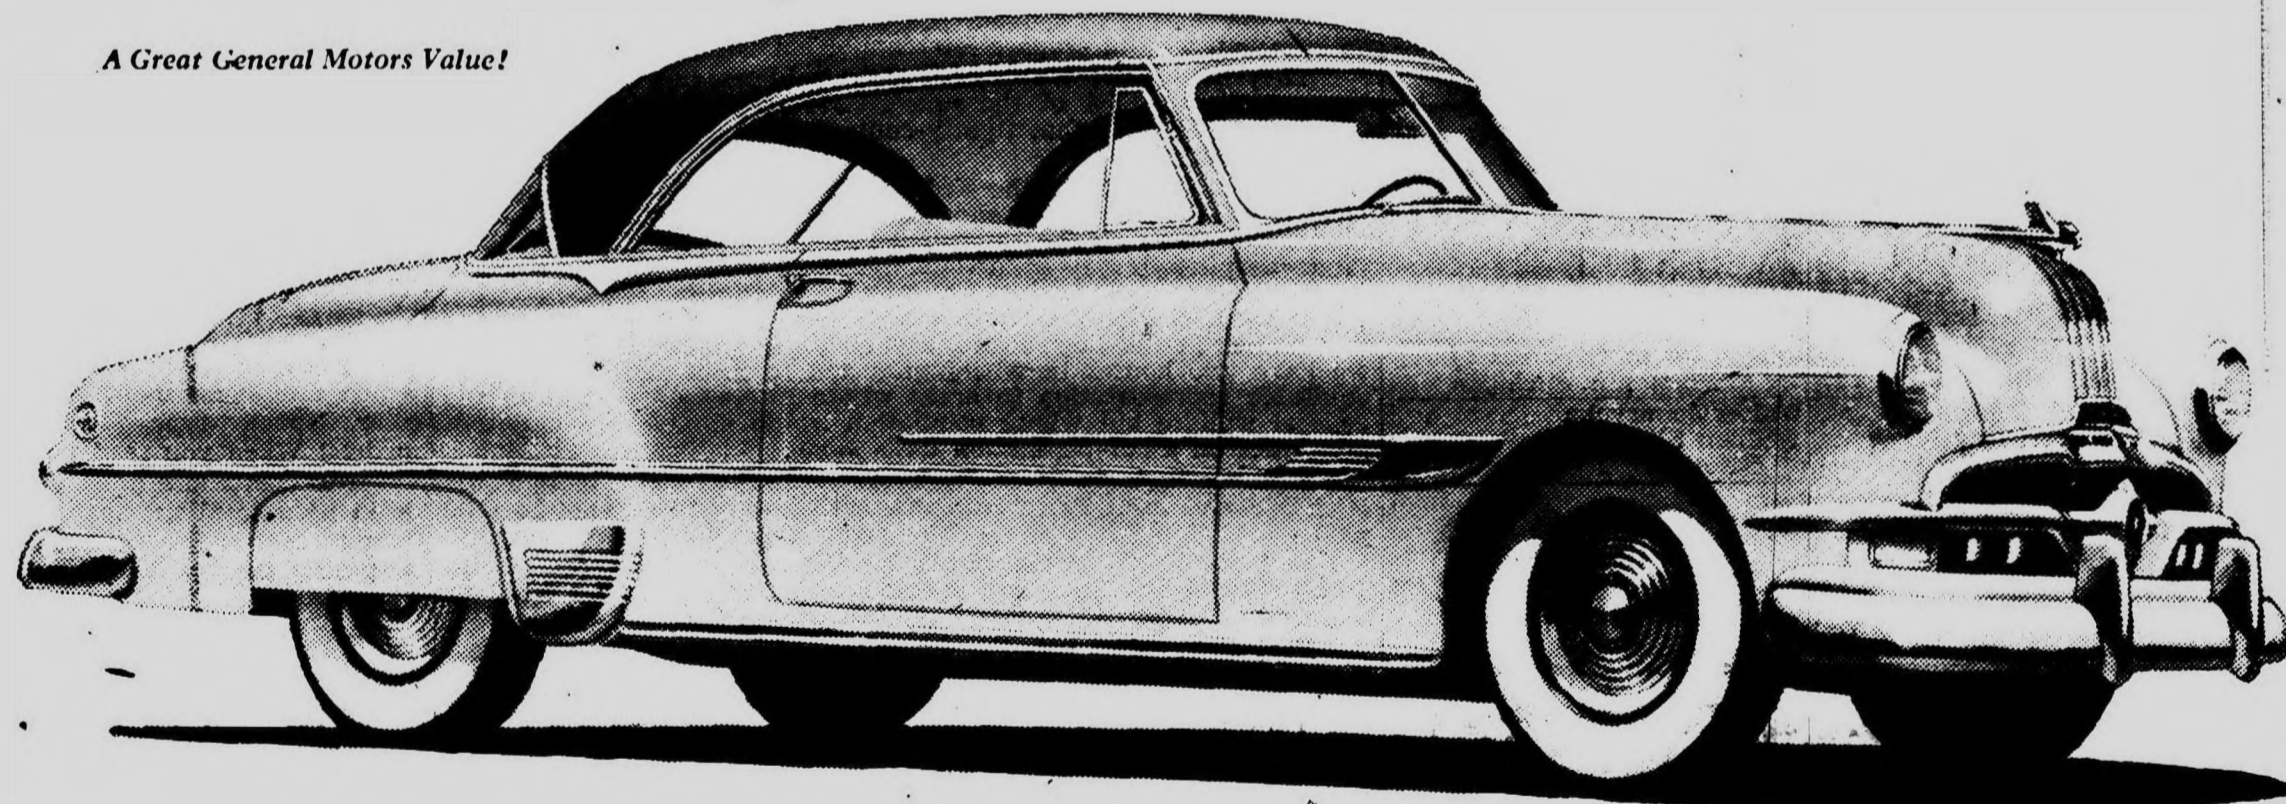

of Kalamazoo. She was calling her Chicago doctor when stricken. Having been ill for two years, Mrs. Adams said the telephone became the most important article in their home. Before returning to the hospital for further surgery, Mrs. Adams graciously took the time and trouble to write Michigan Bell: "I have never seen such outstanding service."

Mrs. Adams' tribute to Service Assistant Jean Boyer is a tribute to all the people who make service like that a tradition in the telephone family.

It's People Who Make Telephone Service Good!

# Wonderful to Drive!

A Great General Motors Value!

**More Powerful!**

**More Economical!**

Drive It Yourself!

There's only one way you can truly know the greatness and exciting performance of the 1952 Pontiac. Come in today and put this grand performer through its paces. You'll love it!

If you want to learn how much fun it is to drive, get behind the wheel of a Dual-Range\* Pontiac.

You'll think every street and road you drive on has been improved, every bottle-neck opened, every hill made lower and easier—that's what a Dual-Range Pontiac does for you.

In Traffic Range you can feel the eagerness, the pep and the authority of Pontiac's great high-compression engine. On the open road, Cruising Range takes over, reduces engine revolutions as much as 30 per cent—for more go on less gas!

There are many other good things you should know about this wonderful car: It's the lowest-priced straight-eight in America, the lowest-priced car with Hydra-Matic Drive and it's built to last 100,000 miles.

Get all the facts and figures—it's so easy to give yourself the joy of owning a Pontiac.

\*Optional at extra cost

## ORDINANCE No. 174

An Ordinance to define disorderly persons, to provide for the punishment thereof and to repeal certain ordinances.

THE CITY OF PLYMOUTH ORDAINS:

Section 1. All persons who shall be found loitering in or about any street, alley, lane, public place, doorway, stairway, vestibule, bank, cigar store, hotel, restaurant, cafe, garage, saloon, dope joint, gambling house, billiard or pool room, or place where pools are sold on horse races, depot, hall, church, theater, or other place of amusement, or lounging, hanging around or wandering in or upon any street, lane, alley or other public place, either by day or night, without any lawful or legitimate means of support or without being able to give a satisfactory or sensible account of himself or herself, or who shall be jostling or roughly crowding people unnecessarily and for illegal or unlawful purpose in street cars, vehicles, gatherings, crowds, or in any of the places above named in this section, and all persons that stand, loiter, lounge, hang around or stroll about, or shall be in any of the above named places awaiting or seeking an opportunity to obtain money, property, or other valuable thing from others by theft, trick or fraud, or who aid therein, shall be deemed disorderly persons and upon conviction thereof shall be punished as hereinafter provided.

Section 2. Any person or persons who shall make, or assist in making any noise, disturbance or improper diversion, or any rout or riot, by which the peace and good order of the neighborhood is disturbed, shall be deemed disorderly persons and shall be punished as hereinafter provided.

Section 3. Any person who within the limits of the City of Plymouth wanders about in the streets, or from house to house or sits, stands, or takes a position in any place and begs from passers-by, either by words, the exhibiting of a sign, or by gesture and every person who wanders about and lodges in outhouses, or in any of the public buildings or places, or in the open air in said City, and has no permanent place of abode or visible means of maintenance, shall be deemed a disorderly person, and punished as hereinafter provided.

Section 4. Any person who shall be found in or on any public street, lane, or alley, square, park or other public place or building in a drunken or intoxicated condition, shall be deemed a disorderly person and upon conviction thereof shall be punished as hereinafter provided.

Section 5. Any person who uses foul, profane, indecent or obscene language in or upon any public street, alley, square, park or other public place or building shall be deemed a disorderly person and upon conviction thereof shall be punished as hereinafter provided.

Section 6. Any person who shows, offers for sale, sells, gives away, exhibits or distributes any indecent or obscene picture, drawing, engraving, card, paper, book or pamphlet, sign, matter or thing shall be deemed a disorderly person and upon conviction thereof shall be punished as hereinafter provided.

Section 7. Any person who operates a sound truck or other sound or broadcasting device, or who sounds automobile horns or sirens unnecessarily, or who drives automobiles with tin cans or other objects attached thereto causing noise in, upon, or near any public street, alley, square, or other public place within the city shall be deemed a disorderly person and upon conviction thereof shall be punished as hereinafter provided; provided, however, that the broadcasting by a loud speaker device of announcements, speeches or music deemed to be of public interest or benefit, if done with the permission of the City Commission or City Manager shall not be a violation of this section.

Section 8. Each and every day that a person is found violating any of the provisions of this ordinance shall be deemed a distinct and separate offense and punished separately.

Section 9. Any person who shall violate any of the provision of this ordinance shall be punished by a fine not to exceed One Hundred (\$100.00) Dollars and costs of prosecution or the offender may be sentenced to imprisonment for a period not to exceed ninety (90) days, or both such fine and imprisonment in the discretion of the Court.

Section 10. Ordinance No. 14, entitled "An Ordinance to prevent persons from disturbing the quiet and good order of the inhabitants of the Village of Plymouth"; Ordinance No. 77 entitled "An Ordinance defining disorderly persons and providing for the punishment thereof" and all ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 11. This ordinance shall become operative and effective on the 27th day of October, 1952.

Made and passed and adopted by the City Commission of the City of Plymouth, Michigan this 6th day of October, 1952.

R. M. DAANE, Mayor  
Lambert C. BeGole, Clerk

# Chips from the ROCK

Returning via air liner from a New York style show Tuesday evening, Oct. 7, Graham's Manager Ralph Rostow found himself seated next to world series hero Bob Kusava. The lanky New York hurler who pitched the last 2½ innings of the series was hurrying home to Wyandotte. He told Rostow that he and his family frequently visit Plymouth for a Sunday evening dinner at the Mayflower hotel.

Burroughs Adding Machine employees were informed of the outcome of the world series inning-by-inning via telephone from Beyer's Drug. Because there is no radio at Burroughs, Beyer would call the office there after each inning and the results would be broadcast over the loud speaker system.

M.S.C. football coach, Biggie Munn, told Michigan editors at a 7 a.m. breakfast last Saturday that the funniest experience he ever had in coaching happened at last year's State-Marquette game. An inebriant got through the usual police guard at the bench and came up to Munn and put his arms around his shoulders and told Munn to have his quarterback throw a pass to Wells. State was trailing 14 to seven in the third quarter at the time. Police rushed the enthusiastic fan back to the stands but as they did so the quarterback flipped a pass to Wells which netted a touchdown, making the score 14 to 13. Before the team converted the same fan rushed back on the field and again put his arms around Munn and said "You carry on now, I've got to rush back to my assembly line job at Olds."

Al J. Smith, who resides at 1027 Penniman avenue had a surprise last week when an American exchange teacher from Butler, Pennsylvania arrived at his home to inform him she had lived during the last year with his brother Abraham and his wife in Birmingham, England. The two brothers haven't seen each other for 39 years and needless to say the Plymouth Smith was more than interested in being brought up to date on the affairs of his contractor brother in far away England. The Smiths expect to visit the teacher in Butler sometime later this fall and see movies she took while living in Birmingham.

Winter isn't far away and the first visible proof seen in Plymouth was Robert Jolliffe and Harry Wickens standing on the bank corner last Friday discussing where they were going to stay again this year. Each was returning to his usual haunt they agreed, and each was waiting for the first snow to get them on the way.

Spokesman for the Sheldon Land Company of Detroit says so many Plymouth businessmen have requested space in the proposed shopping center at Farmington and Plymouth roads that the company has adopted a policy of no leases for Plymouth businessmen. The reason, they think local businessmen are planning a lease operation which they don't intend to develop to stop progress on the project. True or not, even though it came from a most reliable source, The Chamber of Commerce has something to think about and the city shouldn't waste any time providing more desirable parking area in and around Plymouth's shopping centers.

## RELUCTANT ACROBAT

An old Ozark preacher once attributed the amazing success of his sermons to the manner in which he delivered them. "Fust Ah tells the con'gregation what Ah is gonna tell 'em. 'Then Ah tells 'em. 'Then Ah tells 'em what Ah tol' 'em."

On that basis, that it take more than one telling to clarify a situation as confusing as the one facing Michigan voters on constitutional amendment proposals, leaders throughout the state are "telling" the voters what they told 'em.

Business and professional organizations and farm groups throughout out-state Michigan are repeating this theme in the closing weeks of the campaign.

"Proposal No. 2 would place control of both houses of the Legislature in the hands of 26% of the voters."

That's a broad and alarming statement. To people outside the Wayne-Macomb-Oakland area that prospect becomes more alarming when they are reminded, again and again, that 26% of Michigan's voters represents a bloc which is apparently well under control of CIO labor bosses.

It hasn't been until recently that such domination of both the Senate and the House was possible.

In 1900, for instance, it took 24 counties to account for 51% of the state population. These represented both industrial and agricultural sections from Detroit factories to Thumb farms to Ionia shops.

The House of Representatives, elected on a population basis, could therefore never become lopsided in reflecting the welfare of a small segment of Michigan.

The Senate, based on area, made representation even more thoroughly reflective of the whole state.

Under two state constitutions—those adopted in 1835 and in 1850—the plan worked satisfactorily. Under the present, 1908, constitution there have been rumblings of dissatisfaction. Because, by constitutional provision, senatorial districts have to be redrawn in every year ending in 3, labor bosses see the November election as an excellent way to prepare for reapportionment next year, '53.

They noted that Wayne, Macomb, Oakland and Genesee counties now have 51.6% of the state's 6,371 million population. They are also well aware that tightly-controlled unions can swing those four counties.

Thus, by scrapping the Federal ideal of representation in the lower house by population and in the upper house by area the labor bosses would obtain the same half-brother reception in the Legislature they now enjoy from the Governor's office.

If the CIO Plan 2 were in effect, there would be no reason for two houses in the Legislature, say outstate opponents. The reason we have two houses in Washington and in most states is to give equitable representation to areas whose interests are vital to the general welfare but whose population would make them impotent minorities on a per-population basis alone.

Farmers, especially, are gravely concerned and, though the Michigan and local Farm Bureaus, are fighting to defeat the CIO plan.

In 1900, 60.7% of the state's inhabitants lived in rural areas. Today, 64.3% live in urban areas, incorporated places of 2,500 or more.

Part of the shift was the emergence of industry as the biggest economic factor in the state. Part was due to mechanization of farm work so that fewer and fewer farmers could feed more and more city cousins.

There are four methods of determining representation. Population only, the plan the CIO sponsors, which is used by five states; Voting participation, with representation determined by turnouts at the polls, which is not used by any state; Functional representation, with occupational or economic interest groupings determining legislative makeup, which is used only by Arizona; and geographical only, a plan used nowhere in the United States.

Thirty-three of the 47 states which have two houses use a combination a different base for each house. This is the present Michigan set-up which is threatened by the CIO attack.

Amendment No. 3 maintains the current system, has the House chosen by population and the Senate by areas. The only difference between Plan No. 3 and the present plan is minor. It would raise the House from 100 to 107 Representatives and provide 34 instead of 32 Senators.

So, the outstate battle-cry is "No on No. 2; Yes on No. 3." Privately, some leaders would be very content if both questions were defeated. "It's better to carry the slight handicap of the present system than to have the whole state under the thumb of Walter Reuther," they philosophize.

With two strong groups fighting over two questions on the ballot, it's good for the peace of mind of the average voter to know that everyone agrees on Question No. 1.

Without any recorded dissent, all parties are agreed that passage of No. 1 will strengthen the law in its fight against narcotic mobsters. It revises rules of evidence so that the scum that pushes dope to teenagers will find fewer loopholes to escape their just desserts.

Michigan had its first snowfall last week.

There wasn't enough to whiten the landscape but there was enough to start state officials speeding up their cold-weather planning. Highways, police, conservation and parks are affected by weather.

Plans were started before last Winter's snow had melted. Now comes last-minute detailing. Execution depends on when the weatherman really cuts loose.

Shades of Paul Reverer!

A Michigan city has a chain-telephone-call system that alerts merchants against bad-check passers. In the first 90 days of operation the alarmers went into action four times . . . and since then not a bad check has been passed.

While the community is proud of that record, it isn't taking any public bows. It isn't giving advance warnings to any slick crook by revealing its identity.

## ROGER BABSON SAYS:

### Babson Getting Optimistic

New York City, October 16. According to the Cycle Theory a business depression may be due during the next year or two. When at Wellesley, studying charts and statistics, I am inclined to agree with this school of thought. After, however, a visit to New York and seeing what the sales organizations are doing today, compared with 20 years ago, I believe that—barring World War III—there will be no return of conditions such as existed in 1932.

### Protection for All Worthy Cases

There are several reasons for my mild optimism: (1) Real estate mortgages will be protected by the Federal Housing Agencies. (2) Stock prices will be bolstered by 50 per cent margins. (3) Big business failures will be prevented by the RFC. (4) The banks are in a very strong position, and most of the large corporations have no loans outstanding, but rather big surpluses. (5) Farmers are insured by price supports, and climate controls. The most damage will come from selfish labor leaders, heavy imports, and reckless price cutting.

The brightest factor, which I have in mind, never existed 20 years ago. I refer to the billions now being spent on wise advertising, salesmen training, and especially on conventions. During my visit here in New York City, I have seen some of the brains, the planning, and the energy which are being spent on copy, color, space, type, and even models! When you read national advertisements in a great weekly or in your local newspaper, you have no idea of the work spent in preparing those advertisements.

### Markets Now Are Analyzed

Even before writing these ad-

vertisements, both the product and the appeal have been tried out on thousands of housewives. Perhaps five different advertisements would be selected out of 40 copies submitted; then each of these five would be tried out on five thousand families. The reaction of these housewives determines who are the best artists, photographers, copy writers and psychologists. In case of a depression, this advertising will be even increased as a factor in giving consumers confidence to buy when the nation is again threatened with unemployment.

In addition to this newspaper, magazine, and similar advertising; millions are being spent on radio and television. Modern television advertising did not exist 20 years ago. Not only is this a great factor today in creating consumer buying, but plans are being laid for television to serve in a most wonderful capacity in case business should suddenly go into a tail spin.

Conventions for Salesmen Twenty years ago anyone who couldn't get a job at anything else could always try to sell something on commission. Now this is all changed. Eighty per cent of the salesmen being employed today have taken college courses on Business Administration. Before being allowed to sell, they are put through individual plant training. Then once a year the leading concerns have great conventions here in New York, or elsewhere. Preceding the last depression only about 150 of these annual national conventions were held. I learn today that over 585 are already planned for the next eight months. Moreover, plans are made so that this number could be doubled if unemployment should seriously return.

Visual Demonstrations At these conventions the sales forces not only hear speeches; but these speeches are illustrated by films, tape recorders, dioramas and "flap photos." In short, when the last depression struck, the country was unprepared with no economic army, navy or air force. But, today we have in reserve for special use, in case of unemployment, a sales army, an advertising navy, and a radio—television air force. These can be thrown into activity at the drop of a hat.

So long as people are dishonest, inefficient or lazy, there will be business depressions; the same as there are sicknesses when we abuse our health. As, however, new treatments and new drugs are reducing the death rate, so these new sales developments can prevent unemployment from becoming too severe. In other words, we are now building up an economic "fire department" to prevent an economic conflagration. This, we never had before.
