Last Minute Drive Puts Red Feather Goal in Sight

Engraving Facilities Added to Mail Printing Department

Announcement of the addition of engraving facilities to the already expanded printing department of The Plymouth Mail was made this week. The Mail becomes one of the three first papers in the United States to obtain a Scan-a-graver Cadet, a product of the Fairchild Camera and Instrument Company of Jamaica, N. Y.

When the new engraver is in operation, shortly after the first of the year, it will enable The Mail to use more local pictures each week of a more timely and newsworthy nature and will make it possible for advertisers to show exact reproductions of the merchandise they offer in their ads, at a very nominal cost.

Job printing customers of The Mail will also benefit from the new service in that they will be able to use more pictures and illustrations on their printed products which in the past has been prohibitive because of cost.

The Cadet is an automatic electronic engraver which has an electric eye device which passes over a photograph and picks up impulses according to the intensities of the picture. These impulses are sent to a heated stylus which transforms a sheet of plastic engraving material into a top-quality halftone ready for printing.

The new service will be of great value to the many publications for schools and industries which The Mail produces each week in its printing department. They, too, will benefit from lower costs, faster service and greater flexibility.

In addition to the engraving equipment The Mail has added several thousands of dollars worth of modern typesetting equipment to its facilities in the last year.

Community Chest drive officials were highly elated Wednesday morning when a last-minute check of contributions revealed the fact that the goal of \$18,000 would probably be reached yet this week. According to drive chairman George Mayhew the few outstanding subscriptions, which are expected in the next day or two, will more than put the drive over the top.

Mr. Mayhew praised highly the work of all the people who helped solicit the funds and stated that it was through their efforts that the Chest met its goal this year. It was further pointed out that local business firms increased their contributions this year from \$3,300 to slightly over \$5,000. Industry and residential contributors also increased their contributions which made it possible to meet the increased Chest goal.

There had been some fear among drive officials that benefitting agencies might have had to cut their budgets in the event that the drive didn't make its goal. However, the excellent response given to the drive will again make it possible for organizations concerned to carry on their programs during the next year on a full scale basis.

Following is a listing of further contributions which helped bring the drive to a successful conclusion:

W. R. Augustine	\$ 10.00
E. S. Anderson	50.00
Allen Industries Employees, Additional Contributions	53.50
Ash Service Station	20.00
Arbor-Lil	10.00

\$648 in Coffers; Symphony Needs \$2,000 to Finish Concert Season

With \$2,008 already dispensed for scholarships and concerts played here this year, the Plymouth Symphony Society is just \$648.77 this side of bankruptcy—enough money to sponsor one more concert.

"What then?" asks its treasurer, Reverend Henry Walch.

He reveals that major contributions from four local industrial firms and two individuals "have bailed the Symphony out of the red and, so far, have kept it from going on the rocks."

But for some reason, Reverend Walch remarks, subscriptions for the remaining \$2,000 are not coming through. "People just aren't showing the necessary interest in the future of the Symphony Society."

Answering the orchestral group's earlier plea for \$4,400 to offset 1952-1953 concert season expenses, subscribers contributed \$2,391, or just 58 per cent of the goal set.

Of this amount \$1,100 was contributed as follows:

Boroughs Adding Machine company, \$100; Daisy Air Rifle company, \$100; Evans Products company, \$100; and Ford Motor company, \$200.

Charles H. Bennett, president of Daisy Air Rifle, was a major single contributor. He earmarked a \$400 subscription to the Symphony's scholarship fund. Edward C. Hough, vice-president and treasurer of Daisy also responded to boost the drive fund \$200.

To finish out its fiscal year, ending next April first, the Symphony organized a subscription drive two months ago that fizzled down to a near bust.

Just three days before its first "free" concert on October 28, Treasurer Walch warned that the future of the entire orchestral group was in jeopardy because of the lagging interest in its fund drive.

Some \$740 had been collected at that time. With the warning foretelling possible cancellation of a major portion of the concert (Continued on page 6)

Dr. Lance Wright Back in Plymouth

Lance Wright, M.D., who has been with the United States Health service for the past 21 months has returned to Plymouth.

He will be in his office at the Plymouth Clinic, 680 South Main street, from 6 p.m. to 8 p.m. Tuesday and Thursday evenings for general medical practice.

Dr. Wright will spend his days on the psychiatric staff of the Wayne County General hospital. He did psychiatric work while he was with the health service.

Barry Alford, M.D., will be at the clinic full time.

McAllister Elected President of Fire Chief's Association

Plymouth's fire chief, Robert McAllister, last Thursday was elected president of the South-eastern Fire Chiefs' Association.

Taking top honor at the election-banquet held in East Detroit, McAllister will steer the affairs of the 300 member association from Flint, south to the Ohio line and east from Jackson to the Great Lakes.

McAllister points out that the 300 fire chiefs meet periodically to hear lectures on firefighting and fire prevention. He notes that valuable ideas adding up to community security against fires are continually being exchanged between the fire department heads.

The election-banquet featured marked Ladies' Night at the function. Nester Sibbold and Evelyn Woods, vocal artists associated with the Plymouth Symphony Society, were selected to entertain the fire chiefs and their wives.

Gladstone Store Marks 2nd Anniversary

This week marks the second anniversary of the Gladstone department store, 578 Starkweather.

A special sale has been announced by Mrs. Carrie Gladstone in observance of this anniversary event.

Two Injured, One Severely In Collision

Two persons were injured, one critically, Monday night following a car and truck collision at Ann Arbor road and Haggerty highway.

Hospitalized with a severe skull fracture and internal injuries was Wayne Kramer, 17, of 38025 Amheim, Livonia.

Kramer was reported by police to have struck a haulaway truck broadside after failing to stop at the Haggerty-Ann Arbor road intersection.

Driver of the truck, Elmo Fisk, 35, of Detroit suffered face and leg lacerations.

Both men were taken to Wayne County General hospital. Kramer, whose condition was listed as "critical" by hospital authorities, underwent surgery. Fisk was treated and released.

Wayne county sheriff deputies said the impact of the Kramer car spun the haulaway off the road where it smashed down a speed limit sign. Witnesses, police said, estimated the speed of the Kramer car at upwards of 70 miles-an-hour at impact.

Garfield Photo

THE DEER HUNTING SEASON DOESN'T open until Saturday but this group of eager hunters spent last Sunday afternoon sighting in their guns so there would be no misses in their party. Probably the greatest mass exodus from Plymouth to ever take place will start today and tomorrow as local nimrods, by the hundreds, take off for their favorite hunting spots in the north. Dealers here say that the demand for licenses is the highest this year they have ever experienced. In the picture standing, left to right, are: Clair Travis, William Taylor, Dr. Harold Todd and Herman Krauter. Kneeling are, left to right: Joe Roland, John Foley, Vic Jonelli, and Chris Krauter. The Plymouth Mail's Wilbur Krauter, an expert marksman and proven deer slayer, is the hunter in prone position firing at the target. This group will hunt at their club near Alpena, of which Floyd Reddeman is the president.

R. S. VanAtta to Lecture Here, November 16

Robert S. VanAtta, C.S., will speak here at the Masonic Temple on Sunday, November 16, at 4 p.m. The lecture is sponsored by the First Church of Christ, Scientist, of Plymouth.

The subject of the lecture will be "Christian Science and the Search for Cause."

Mr. VanAtta resides in Rochester, New York, and is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

College Has Tea for Foundation Members-Wives

A tea and open house were held at Madonna College Sunday, November 9, for those who offered their services as representatives of the College in the Michigan Colleges Foundation, Inc.

The Foundation is an association of private non-tax paying colleges in Michigan. Its object is to foster private higher education and to mobilize the interest and support of business and industry in its behalf.

Approximately 20 guests were present at the affair, which lasted from 3 to 5:30 p.m. At 4 p.m. Dr. Harvey L. Turner, Secretary-Treasurer of the Foundation, presented a movie which explained the purpose of the Foundation and depicted scenes from the campuses of member colleges.

Present that afternoon were the two trustees representing the College on the Foundation Board: Rev. James Shannon, S.T.D., professor of philosophy at Madonna, and Thomas C. Kent, personal director of the Daisy Manufacturing Co. of Plymouth.

Others present that afternoon were: Wilson W. Edgar, member of Livonia City Council, Mr. and Mrs. William W. Brashear, Mr. and Mrs. Earl J. Demel, James Doyle, Mr. and Mrs. Donald Roach, Dr. and Mrs. Oscar P. Rosbott, Dr. and Mrs. George Rovin.

Not present because of pressing matters were three others who offered their services at representatives—large of the College: the Honorable Jesse Ziegler, mayor of Livonia, Sterling Eaton, publisher and editor of The Plymouth Mail, and Lewis Brooke.

Well Baby Clinic to Be Held November 19

The Well Baby clinic will be held in the health room of the high school Wednesday, November 19, from 10 a.m. until noon.

Dr. Milo Brady will be the pediatrician. All mothers with small children are welcome to come to Dr. Brady for advice.

Guild To Discuss Work Backstage

The duties of the backstage crew will be the topic discussed at the regular meeting of the Plymouth Theatre guild on Monday, November 17 at 8 p.m. in the Veterans' Memorial center.

Either Mr. or Mrs. William Merrill of Will-O-Way Playhouse will explain the duties of such persons as the stage manager, production manager, properties crew, and other backstage personnel. Both Mr. and Mrs. Merrill have directed past productions of the theatre guild.

"Residents in the Plymouth area who are interested in backstage work rather than acting are especially invited to this meeting," stated Mrs. Peter Ralph Miller, publicity chairman.

Judgeship - Four Commission Posts Now Open to Bids of Petitioners

Four city commission posts, a municipal judgeship and a representative to the Wayne county Board of Supervisors go on the election-day block here next spring.

In preparation for the varying municipal non-partisan races, nomination petitions are currently being sought.

The petitions must be filed by next January 24.

A poll of four outgoing city commissioners, whose terms of office expire April 12, 1953, indicate the incumbent city policy makers may seek second-term seats.

They are Mayor Russell M. Daane, and Commissioners Ernest Henry, George T. Bauer and Henry Fisher.

In an off-the-cuff statement, Mayor Daane, comptroller for Daisy Air rifle company, said "I have enjoyed working with the city." But filing a petition for reelection, he emphasizes, "depends upon what my friends want me to do." Presiding chairman over six other city commissioners, Daane does not see any municipal reelection issues backing up the

Funeral Rites Held for Korean Vet Killed by Car

Funeral services were held here last Saturday for a 21-year-old Korean war veteran who died November 5 at Wayne County General hospital, following injuries suffered when he was struck down by a Livonia motorist.

Dead is David Thatcher, of 33483 Richland, Livonia.

Thatcher was allegedly struck by a car driven by James C. Emanuel, of 10738 Stark road, as he was walking on the right-hand side of Farmington road, near Joy.

He suffered internal injuries, a fractured skull and broken left leg. Two emergency brain operations failed to save the injured youth. He never regained consciousness.

Thatcher served for 17-months in Korea with infantry troops there. He was awarded a purple heart for service injuries, the United Nations Service Medal and the Korean Service Medal with five bronze stars. On a tour of army duty that covered nearly four years, Thatcher also served for 15 months on Okinawa. He was discharged last May 8.

Funeral services at Schrader Funeral home were officiated by Reverend Henry Walch, with burial at Riverside Cemetery.

Survivors are the youth's parents, Mr. and Mrs. Edwin Thatcher, and three sisters, Geraldine, Joan and Fern.

Miss Geraldine Thatcher is employed here in the business office of Michigan Bell Telephone.

Thompson Attends Engineers Conference

Mr. and Mrs. Wilbert Thompson returned to Plymouth on the weekend after attending the executive engineers conference in Sky Top, Pennsylvania. After leaving the conference Mr. Thompson made several business calls through the east.

The couple had expected to meet their son-in-law, Robert Kine in the east on his return to the States after two years service in the Navy but his return was delayed until Tuesday of this week.

Local stores are keeping pace with neighboring cities in getting their holiday decorations up and before another week rolls around truck load after truck load of Christmas merchandise will be ready for shoppers' selections.

Employment Here Drops Slightly During October

Employment in the Plymouth area during October remained at a fairly constant level throughout the month, reports a Chamber of Commerce survey.

It noted a slight downward trend from September employment levels of 7,602 to 7,560 by October 31.

The four-tenths of one per cent drop was attributed to a shifting of employees to other industrial areas and not to the lack of jobs in this area.

The survey was conducted among 20 major industries here and smaller businesses in the city.

Seek Adults to Learn Piano Art

"Hobbying at the Piano" was this week added to the school's adult education curricula, announced Herbert Woolweaver, director of recreation and adult education.

Designed to teach piano skills to adult beginners, the course spans 13-weeks of instruction. Open to all adults, even though they do not own a piano, instruction begins Tuesday, November 18. Classes will be held in the band room at Plymouth High school, starting at 8 p.m.

Instructing the course will be Mrs. Hugh E. Law. She urges adult beginners interested in piano instruction to telephone her at 1901-R.

Each class Mrs. Law instructs will be limited to 20 adult students. Under the sponsorship of the Recreation and Adult Education Department, the course will be offered at no charge to the participant.

Capt. Roberts' Father Dies; Funeral Friday

William N. Roberts, father of Captain William Roberts, Salvation Army director here, died Tuesday in Detroit.

Funeral services for the 80-year-old man will be held Friday, at 2 p.m., at the Salvation Army, 15133 Burgess, at Five Mile road.

Mr. Roberts was a charter member of the Triple Link Lodge, Odd Fellows. His wife preceded him in death.

Kenneth Way Gets Appointment As City Assessor

Kenneth E. Way, a clerk in the city engineer's office for more than a year, was last week appointed by City Commissioners as acting city assessor.

In preparation for his new post, Way will attend the University of Michigan for instruction in assessing, sometime this month.

Annual assessment of real and personal property here starts about December first, Way said, stating that he will work closely with the Wayne county assessor's team expected in this area about that time.

Prior to his appointment in the City engineer's office, Way, 26, was employed by Whitman and Barnes. He lives at 302 North Holbrook street.

Sale Nets \$200 for Boysville

The Knights of Columbus netted over \$200 on their gasoline sale which was held at Joe's Service station recently. The money will be sent to Boysville.

"We feel that it was a very successful sale and wish to thank all the persons who participated in the event," stated R. J. Francis, chairman of the benefit.

Boysville is the Michigan home for boys operated on the same principals as Boys' Town Nebraska which began under the direction of the late Father Flanagan.

Badminton Club to Meet

The Plymouth Badminton club meets every Monday evening at 8 p.m. in the new gymnasium of the high school. Membership in the organization is open to all those interested from high school juniors up.

Members are requested to furnish their own rackets. Plastic birds are furnished by the recreation department.

In Memoriam

In loving memory of our dear husband, father and grandfather, Roy J. Stanley, who passed away five years ago, November 18, 1947. Nothing but memories, as we journey on.
Longing for smiles, a face that has gone,
But we keep in our memory the love of the past,
For deep in our hearts it was planted to last.
But our thoughts turn back as often they do,
To other days and the years with you.
Though absent, you are always near.
You will always be loved and remembered my dear.
Sadly missed by his loving wife, Effie, and family. 28-1tp

"I REMEMBER" BY THE OLD TIMERS

From Miss Pearl Minear, Harwood, Texas: I remember the hack my father used to drive. He burnt apples for lights. They were enclosed in glass to protect the flame from the wind. They were used on buggies.

From Mrs. Rose Ramser, Griffith, Ind.: I remember when my brother swallowed a two-cent piece. So we fed him mashed potatoes every time he was hungry.

From Amelia Doctor, Denver: I remember when women wore long, heavy black veils at the funerals of close relatives, and the men wore a black crepe band on their hats and coat sleeves. Black clothes were worn for a whole year after the death of a member of the family.

From Mary Karsh, Lakeview, Ohio: I remember when father used to get the sugar and some hollowed-out spigotts. He would tap the maple or sugar trees, and we boiled the sap down into a delicious maple syrup. We used the sweetened water to make delicious sassafras tea.

From Sam Williams, Fairmont, W. Va.: I remember when palm leaf fans were used to keep the air stirring in churches and at public gatherings.

From Mrs. Fannie Lester, Ringgold, La.: I remember when people wanted to paint their faces they went to the woods and got a bud off of a red oak bush, mashed it and used it for face rouge. There were no beauty parlors. When mother wished to dye some cloth, she boiled red oak bark and put coppers in it to set it. It made a dull blue.

(Mail your memories to THE OLD TIMERS, N.W.S.S., 210 S. Desplaines, Chicago 6.)

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

FAMILY-STYLE CHEESE TRAY

There's nothing quite like a Cheese Tray to start "ohs" and "ahs" in the family circle. And what a help it is to the dessert-weary meal planner. Easy-to-do and decorative enough that it serves as the centerpiece on the dinner table, the Family-Style Cheese Tray is as accommodating as it is popular.

All there is to it is choosing the varieties of cheese your home folks like best. If you've been a one-cheese devotee, do a little sleuthing and you'll find yourself adding to your favorite Cheddar on the weekly shopping list—Swiss, Blue, Cream, Camembert, Brick, Gouda, and many others. If there are young cheese lovers in your family, you may want to include one of the mild cheese foods or from the many packaged process and spread cheeses.

Since all these cheeses are good with fruit and crackers, team them up with an eye to beauty as well as family likes. Add a basket of assorted crackers and a dish of butter. Many people want butter with cheese and crackers or like to do a little mixing of their own, such as Blue cheese creamed with butter, adding a dash of Worcestershire sauce perhaps.

As to serving these cheeses, the favorite Cheddar, which has a range of flavors from mild to sharp, may be cut in wedges, slices, fingers, or cubes. Swiss cheese is always sliced thin, Brick cut pretty much as you please. Camembert usually comes in neat little triangles, foil-wrapped, which may be left on or removed, as you like. Blue cheese may appear as a wedge, just like it's cut from a wheel of cheese. Cream cheese may be left in loaf form, cut in cubes or fingers. The pretty little red ball—Gouda, small cousin of the Edam, which you must meet if you haven't already, may be left whole with the top cut off so the cheese may be scooped out with a teaspoon or cheese scoop, or it may be cut in wedges much the same as an apple. Its color will add a gay note to the cheese tray.

It's a good idea to keep the various cheeses at room temperature for an hour or so, to bring out the flavor. This is especially true of a cheese like Camembert, best when it is a soft, almost fluid consistency. This obliging little trait enables the homemaker to arrange the tray well ahead of the dinner hour.

VILLAGE of WAYNE

Civil Service Position

The Village of Wayne will continue to accept applications until Tuesday, November 25 at noon for written examination for the establishment of a Civil Service register for the following posts:

Patrolman and Firefighter Salaries \$3874 — \$4450

Starting salary will be \$3,874 for the first six months and \$4,316 next 18 months. Sick leave earned, and two weeks vacation, retirement and disability plans now in effect. One immediate appointment in the fire department. Register to be maintained for any additional position of vacancies.

QUALIFICATIONS:

Age Limit: 21-30 years at time of appointment
Residence: U. S. citizen. Residence requirement will be waived with the understanding that any man selected will move within the prescribed area at the completion of his six month probationary period and the confirmation of his permanent appointment.
Education: High school diploma or equivalent.
Physical: Policemen 5 ft. 9 in. minimum; Firemen 5 ft. 8 in. minimum and 6 ft. 3 in. maximum. Minimum weight 165 pounds. Persons afflicted with diseases of the heart, diabetes, defective speech, sight or hearing, flat feet, crippled or deformed hands, feet, legs, and so forth will be disqualified.

Character: Applicants who have police records or are addicted to narcotics or alcoholic liquors or are of questionable character will be disqualified. Before appointment, applicants will be fingerprinted.

Subject and Weight of examinations: (1) Written examination 60%; (2) oral interview and qualifications 40%. Physical examinations to qualify only. Successful applicants must achieve a grade of 70% on each of the subjects of the examination.

All eligible applicants will receive written notice as to the place and time for the written examination, after screening by the civil defense director.

To make application and for full details apply in person to the personnel director at the water board building, 34808 Sims avenue. Applications may be obtained from the police or fire station.

PERSONNEL DIRECTOR, VILLAGE OF WAYNE 34808 Sims avenue

OFFICERS OF THE GARDEN CLUB are already at work making plans for their annual Christmas greens sale which will be held this year on Friday and Saturday, December 12th and 13th. Because of the illness of club president, Mrs. Austin Stecker, the above group has taken over the program and are getting the sale set in hopes of raising money for their scholarship fund. Seated on the left is Mrs. Arnold Samuelson, chairman of the Christmas sale committee, and on the right is club treasurer, Mrs. Bruno Schroeter. Standing left to right are Mrs. Leo Crane, program chairman, Mrs. Edwin Schrader, club vice president, and Mrs. Charles Nelson, Ways and Means committee chairman.

Police Officer Resigns to Take Job at DeHoCo

Patrolman Egar Voss, 30, a police officer here for six months, resigned from his post, Police Chief Carl Greenlee revealed last week.

Voss, who also was a member of Plymouth's fire department for a year previous to accepting the police post, resigned to accept a job at the Detroit House of Correction as a guard. He lives at 443 North Harvey street.

Taking Voss's place is newly appointed Patrolman Calvin W. Brown, 27, of Detroit.

Prior to his appointment here, Brown served with the Northwest Patrol Service at Edgewater Park for two years. He was a lieutenant in the uniformed patrol there. Brown has been assigned to night patrol duty.

House for sale? Use a classified ad. Call 1600. Deadline is Tuesday at 5:00.

LOCAL NEWS ITEMS

Circle One of the First Presbyterian church will meet on Wednesday, November 19, for their regular meeting and dessert luncheon beginning at one o'clock. This meeting is one week earlier than usual because of Thanksgiving. Mrs. William McAllister is dessert chairman. A most interesting meeting has been planned with a demonstration of weaving and a guest speaker from the Plymouth Colony Farms on the program. All members and friends are invited to attend.

Ruth Simonds Circle Two of the First Presbyterian church will meet at the home of Mrs. Merle Rorabacher, 9304 Rocker avenue on Tuesday, November 18. This is a special meeting planned for the winning team of the Sunshine boxes. Please bring your own dishes.

Plymouth Mail Want Ads will get you fast results.

The Mission Society of St. Peter's Lutheran church will meet on Wednesday, November 19 in the home of Mrs. Jervis Wendland, 675 Auburn avenue. This is an evening meeting beginning at 7:30 instead of the usual afternoon meeting.

A discouraged housewife in Brockton, Massachusetts, totaled up the charges for yarn, implements, knitting lessons, and babysitting while taking the lessons, arrived at the cost of making her husband a pair of Argyle socks: \$45.

In Santa Monica, California, after Mrs. Shirley LaHeist opened a letter addressed to her missing husband and found in it a bill for a \$16 wedding ring, cops investigated, arrested Roland LaHeist for bigamy.

If you have a social item or any other local news, phone 1600.

Venetian Blind Drapery Co. to Open Saturday

Cadillac Venetian Blind and Drapery company located at 1313 West Ann Arbor road will open Saturday, November 15. The company will hold its grand opening sometime after the first of the year.

Mr. and Mrs. Verne Steele of North Territorial road are the owners of the store. Mrs. Lee (Kay) Coolman is manager of the store. Mr. and Mrs. Steele also own another venetian blind and drapery store in Detroit.

\$648 in Coffers; Symphony Needs \$2,000 to Finish Concert Season

(Continued from Page 1)

season, music lovers boosted the Symphony's coffers to its present \$2,351 figure—but still short of the quota by roughly \$2,000.

Four concerts and the Christmas oratorio, The Messiah, are still scheduled for the remainder of the concert season.

The November 30 concert date will feature Pianist Evelyn Woods playing Grieg's Piano Concerto in A Minor. Overture to "The Marriage of Figaro" by Mozart and Less Preludes by Liszt also mark this Sunday, 4:00 p.m. date. Included also is Moussorsky-MacArthur "Pictures at an Exhibition."

The Messiah by Handel, December 14, is the Plymouth Symphony's third seasonal offing supported by the Plymouth Civic Chorus and guest soloists.

The Annual Family Concert, January 25, is the first 1953 appearance of the group playing symphonic music for the young and old alike.

Featured guest soloist at this time will be Saxophonist Dwight Daily playing Creston's Saxophone Concerto, Rosenkavalier Waltzes, Concerto for Toys as well as Pee Wee the Piccolo will be offered with other selections.

"American in Paris" is one number many "modernists" will not want to miss. It is scheduled for the March 11 concert along with Dvorak's Concerto in B Minor. In the guest role will be Douglas Marsh, cellist. Symphony No. 35, "Haffner," by Mozart and Slavonic Dance No. 3 by Dvorak are also on the concert agenda.

Closing "concert hall," April 12 with its Spring Festival Concert, the symphony will range its way the Plymouth Festival Overture by Begliarian. Violinist Joseph Lazaroff, Soprano Norma Heyde and the Plymouth Civic Chorus are guest artists.

The PHS band will join hands with the symphony to play Tchaikowsky's 1812 Overture. Highlights of this concert date is Strauss's Suite from Die Fledermaus, a comic opera known to many music lovers.

All concerts are open to the public without charge. Concert dates fall on Sunday and will be held in Plymouth High school auditorium.

"10 Per Cent" Sale Marks Remodeling at Fisher Shoe Store

A "10-per-cent-off" pre-Christmas sale at Fisher's Shoe Store, of 290 South Main street, steps off this Thursday to help decrease shoe stocks, making way for a store-wide remodeling program.

Marking the half-way point in an enlarging and modernization of the store, James Houk, one of the owners, reveals that, when completed, the new facility will be departmentalized with an emphasis placed on "shopper convenience and service."

Taking over adjacent store space as part of the expansion move, Houk says the shoe center will be enlarged to 40 by 48 feet, following removal of a separating wall partition.

Taking on a completely new look also will be the exterior of the building. California redwood columns interspaced between large plate glass windows will help keynote the modern store front built up with red roman brick.

Following installation of new store furniture and fixtures, Houk anticipates a completion date of about March first.

Proclamation

WHEREAS, the Optimist Clubs are devoting their efforts to the task of developing and rehabilitating boys into responsible men and particularly is the Plymouth Optimist Club performing a service of great value to the City of Plymouth, and;

WHEREAS, the week of November 9 through November 15 is being observed as Optimist Week throughout the nation, with the slogan, "Every Boy Needs a Man's Helping Hand";

NOW, THEREFORE, I, as Mayor of Plymouth, do hereby commend the Optimists of this city for the service they have performed in our community and I further proclaim that the week of November 9 through November 15, 1952, shall be duly observed in Plymouth as Optimist Week. I further urge that every citizen of Plymouth join in observing Optimist Week and abiding by its policy as "A Friend of the Boy."

Done this 7th day of November, 1952.

Signed:
RUSSELL M. DAANE,
Mayor.

Judgeship, 4 Commission Posts Now Open to Bids of Petitioners

(Continued from Page 1)

By present city officials, sometime on or before 12 noon, on December 26.

Pending needed legislation by Commissioners, an associate judgeship may also be in the offing.

Persons seeking elective offices here are required to file nomination petitions with City Clerk Lamont C. BeGole. Each petition must bear a minimum of 25 and not more than 50 signatures of the qualified electorate here. Deadline for these petitions is 12 noon, January 24.

Should petitions for the varying offices more than double the number of offices becoming vacant, a primary race will be held here on February 17. The two candidates who receive the highest number of votes for each non-partisan post will be placed on the ballot for the April 6 election.

Voters among the 4,500 electorate here will also poll for a representative to the Wayne county Board of Supervisors. The post is currently being held by incumbent, Mrs. Eleanor Hammond.

Mrs. Hammond, also a City Commissioner, represents the city in legislation and policy-making affecting this area.

To qualify for a City Commis-

Local Chapter Supports Many Mountain Schools

Members of the Sarah Ann Cochran chapter of the Daughters of the American Revolution will meet at the home of Mrs. David Mather of Park Place on Monday, November 17. The meeting will start at 1 p.m.

Guest speaker for the "Guest Day" program will be Mrs. Thomas Navin, state chairman of approved schools. Mrs. Navin's message will be centered around facts and statistics concerning the two schools which have been established and are owned and operated by the Daughters of the American Revolution.

The Kate Duncan Smith D.A.R. School in Grant, Alabama was established in 1924, and is a day school. It has an enrollment of more than 600 students up to the age of 25 years. It is the only junior high and senior high school within a radius of over 100 miles. Instruction includes the usual academic subjects, home economics, agriculture, wood-working, blacksmithing, typing and other manual arts.

The Tamasee D.A.R. school in Tamasee, South Carolina, was

established in 1919 as a boarding-day school. Subjects offered there are commercial training, pre-nursing, agriculture, industrial arts and the regular academic subjects.

Other schools partially supported by the Society which Mrs. Navin will mention are: The American International College of Springfield, Massachusetts; Berea College, Berea, Kentucky; Berry Schools and College, Mount Berry, Georgia; Blue Ridge School, St. George, Green County, Virginia; Crossnore, Incorporated, Crossnore, North Carolina; Hillside School, Marlborough, Massachusetts; Hindman Settlement School, Hindman, Kentucky; Lincoln Memorial University, Harrogate, Tennessee; Maryville College, Maryville, Tennessee; Northland College, Ashland, Wisconsin; Pine Mountain Settlement School, Pine Mountain, Kentucky.

The members of this organization are eager for local persons to donate any old clothing which they might have, in order to help supply necessary clothing for some of the students who are attending these approved schools. Articles which the students can not use, will be sold in that area and the money used towards the schools.

Anyone interested in working to maintain true patriotism and love of our country and aid in keeping its blessings of liberty, should contact the Regent, Mrs. Harry Deyo, 808 Church street and find if they are eligible to join this society.

BIRTHS

Captain and Mrs. William Roberts, of the Salvation Army, announce the birth of a daughter, Betty Ann, born at Sessions hospital, Northville on Friday, November 7.

Mr. and Mrs. Albert Willmore are the proud parents of a ten pound, six ounce daughter, Janice Mae, born on October 30 at University Hospital, Ann Arbor.

Mr. and Mrs. James Gothard of Eckles road are receiving congratulations on the birth of a son, Scott Jon born at Sessions hospital, Northville on Tuesday, November 4 and weighing seven pounds, ten ounces.

Lt. and Mrs. David L. McCauley announce the birth of a daughter, Catherine Elizabeth, November 2 in San Francisco, California. Mrs. McCauley is the former Virginia Waldecker.

Annual Dinner Held at Temple

The third annual Masonic Knights of Columbus dinner was held recently at the Masonic temple under the auspices of the Plymouth Masonic lodge.

General chairman was Erwin Ottensman. He was assisted by Wang Livingston, Mason, and R. F. Francis, Knight of Columbus.

Dr. Harold Fredsell, minister of the Northville Presbyterian church spoke on the American Way. Frank DeVine of Ann Arbor spoke for the Knights of Columbus and Walter Gregory, Mason, was toastmaster.

Entertainment was furnished by the youth orchestra of the First Baptist church of Plymouth, a quartet from Bentley High school and Dick Harter who did a pantomime.

Approximately 175 persons attended the dinner.

After breaking into a High Point, North Carolina, store one night and making off with 4 cigarette lighters, the same thieves were back the next night to pick up 4 packages of flints.

Bucher Named Detroit Unit Head

Frank H. Bucher, formerly director of operations for A & P Food Stores' Central Western division, has been elected vice president and appointed head of the company's Detroit unit.

Announcement of Bucher's appointment was made by John M. Toolin, president of the division which operates five units from the Detroit headquarters.

The promotion marked the return of Bucher to head the unit in which he started his A & P career in 1929 after three years as a varsity end on the University of Detroit football team and two additional seasons with the Pottsville team of the National Professional Football League.

Bucher started in the Detroit warehouse produce operation in 1929. In 1930, he was successively named warehouse foreman, assistant operating superintendent of the Detroit unit and operating superintendent of the Cincinnati unit. He became operating superintendent of the Indianapolis unit in 1938 and the following year was named to the same post in the Detroit unit.

Bucher was appointed division director of operations in March 1941 and held that position until he became unit general superintendent in September of this year.

Local Lumber Dealers Attend Detroit Meeting

Two Plymouth lumber dealers, David Mather of Plymouth Lumber & Coal and Harry Lee of Roe Lumber company, attended a meeting of the American Wood Window Institute Association in Detroit recently. According to Mather, it was announced at this meeting that a new seal of approval for quality wood windows would be adopted.

It was pointed out by Mather that such a plan has been initiated to serve as a guarantee to the purchaser of wood windows that certain standards of quality have been met in constructing the approved window.

Five Marine helicopters got lost in a fog while heading from Bridgeport, Connecticut, to Quantico, Virginia, had to land in Verona, New Jersey, to get directions from a policeman.

In Detroit, after being selected "Miss Sewer Cleaner of 1952," Gaylia Davis, 17-year-old model, decided: "It may be a soggy title, but if it helps my career, I don't care."

By Carl Peterson

It seems like the perfect job is always one that someone else has. A few weeks ago a Medical Bureau in Chicago advertised for a young doctor for a \$50,000 a year job taking care of a King's harem.

The King was not identified except that he lives in a "sultry" far-off country. Applications poured in like a buffalo stampede. It isn't every day a stethoscope pilot has a chance to make a bevy of harem beauties say "Ah!" especially for a nice large round sum. Even doctors have an interest in cash accounts. There's one catch. The King doesn't want any harem-careem employees.

Better Buy the pound 49c per pound

An Illinois fellow says that a Communist is a guy who borrows your pot to cook your goose. And he doesn't want any wise-quacks in the process. This is the time of the year when head colds start to make their appearance. They are as plentiful as leaves on the ground and remember, the place to bring where purity and accuracy is your prescription is to us a must. PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2080.

Harley Cartmell Passes Away

Harley E. Cartmell passed away at his home on Park road, November 5 after an illness of four years.

He was born in New Portage, Ohio on March 28, 1874. In 1922 he went to work for the Timken Detroit Axle company, remaining with them until the time of his retirement in 1947. He moved to his present home in Plymouth in 1942.

Surviving are his wife, Ella; two sons, Raymond E. and Neal E., both of Detroit; and two grandchildren.

Funeral services were conducted from the Sonderregger Funeral home at 2 p.m. Saturday, November 8. Reverend Edgar Hoenecke officiated. Burial was in Glen Eden Memorial Park.

Group Hears Mrs. Dondineau

Chapter A1 of the P.E.O. Sisterhood met at the home of Mrs. Halvor Blomberg Friday, November 7.

Following the business meeting Mrs. Bernice Dondineau spoke to the members and their guests, about her trip last summer to the Scandinavian countries and Switzerland. She also showed slides taken on this trip. Mrs. Dondineau is a visiting teacher in the Detroit Public Schools. Last summer she was a delegate from the Michigan Educational Association to the Conference of the World Organization of the Teaching Profession at Copenhagen, Denmark. She also visited in the homes of friends that she

has met at Conferences in past years, and corresponds with people from many foreign countries.

Refreshments were served by Mrs. Clarence Adamson and Mrs. Paul Simmons.

The next meeting will be a luncheon, November 21 at the home of Mrs. Nell Curry with Mrs. Paul Christensen and Mrs. Harold Curtis as co-hostesses. Members of Chapter BP, Ypsilanti will be guests.

In Springfield, Massachusetts, Winston Churchill was nominated for the board of aldermen in the Republican primaries, and Robert Taft for school committee.

Services Held for Mrs. Martha Krum

Mrs. Martha Krum who resided at 5612 Gotfredson road, Plymouth passed away Saturday, November 8 at the age of 71 years.

Surviving are her husband, Louis; two sons, Floyd and Richard and a daughter, Mrs. Bessie Pelett, all of Detroit; a sister, Mrs. Ida Miller of Northville; other relatives and many friends.

Mrs. Krum has lived in the Plymouth area for 17 years, and was formerly of Detroit. She was a member of St. Peter's Evangelical Lutheran church of Plymouth.

Funeral services were held Tuesday, November 11 at 1 p.m. from St. Peter's Evangelical Lutheran church with Reverend Edgar Hoenecke officiating. The services were under the direction of the Schrader Funeral home. Hymns were rendered by Mrs. Norman Goebel and Mrs. Fred Waara, accompanied at the organ by Gerhard Mueller. The active pallbearers were George Miller, Alex Vokes, Jr., Kenneth Kahrl, Ace Krum, Gerald Krum and Clyde Dethloff. Interment was in Riverside Cemetery.

Alma Milliman Dies Suddenly

Funeral services will be held today, Thursday, November 13 at 3 p.m. for Mrs. Alma L. Milliman who passed away suddenly early Tuesday morning, November 11 at the age of 67 years. Mrs. Milliman resided at 149 Union street.

Her husband, William W. Milliman preceded her in death on October 10, 1951.

Surviving are her daughter and son-in-law, Mr. and Mrs. Jack Sidler of Plymouth and her sister, Mrs. Ruth Seckinger of Michigan Center, Michigan, other relatives and many friends. Her sister, Mrs. Helen Felt and her brother, Warren Baxter preceded her in death.

Mrs. Milliman was born in Plymouth, later living in Jackson and Adrian before returning to Plymouth in 1943 where she has lived since.

Reverend David L. Rieder will officiate at services from the Schrader Funeral home. Hymns will be rendered on the organ by Mrs. Edna O'Conner. Interment will be made in Riverside Cemetery.

If your window sills were recently painted or are still fresh in appearance, rub some wax on them. It will protect them from being ruined by weather exposure, keep them in perfect condition.

U. S. Produces One Quarter of World's Honey

Eight hundred million pounds of honey is a lot of honey. And that's about how much of the sweetening the world produces. Honey-rich countries of the world include the United States, Russia, Germany, at least before the war, Spain, Canada, Australia, France, the United Kingdom, Cuba, and Argentina. Our country has a large share of the world supply. In fact, the U.S.D.A. says it may be more than a fourth. Our production this year is estimated at a quarter of a billion pounds.

In this country, certain regions are known for honey of certain flavors. California and Florida, for instance, have honey from the orange blossoms. Here in the Midwest most of us are familiar with clover honey. Nectar from cotton blossoms provides still another flavor. Our most important commercial honeys are clover or clover blends, however.

Other countries of the world have their specialties, too. Honey from the heather is a favorite of the Scots. In Greece, wild thyme honey is a delicacy.

Just a few of the many flavors of honey are well known today. It all depends on what flowers the bees visit. Much of the honey we find at the market isn't honey from any one kind of flower, however. For processors often blend the flavors of honey from different flowers to produce a flavor that pleases us. Bees themselves aren't blenders. Once they start working a clover patch or apple tree, they keep going back to the same plant. That's what observers have noticed, and it's why some honeys can be specially labeled as orange blossom or tulip poplar or sage honey.

In addition to a choice of flavors, we can buy honey in different forms. The most common in this country is the liquid or extracted honey. In Canada, though, almost 90 per cent of the honey is sold creamed.

Creamed honey is made from extracted honey granulated in very tiny crystals to give it a creamy texture and a solid consistency. Then there's the well-known comb honey, the old-fashioned honey in the comb. And finally there's a mixture of extracted and comb honey. It's sold as chunk honey.

Yes, honey covers a multitude of flavors and several forms. And it can also be used in a multitude of ways. Now's a good time to use it because new crop honey is available and we have plenty of it.

Optimist Governor to Visit Local Club Monday

The Optimist club of Plymouth which is currently celebrating national Optimist week will have as its guest Harold M. Owen, governor of the 17th District Optimist clubs. Mr. Owen is from Battle Creek.

This is the 34th annual observance of Optimist week. The theme for this year is, "Every Boy Needs a Man's Helping Hand," and Optimists throughout the nation have given a helping hand to over a half million youngsters this year.

There are approximately 40,000 members of Optimist clubs in nearly 800 communities of the Western Hemisphere. The slogan of the Optimist clubs is "Friend of the Boy," and the prime objective, the development of youth as "Better Leaders of Tomorrow."

Arthur B. Hersh Interred Here

Arthur B. Hersh passed away Sunday evening, November 9 at the age of 80 years. Mr. Hersh resided at 47097 Joy Road in Canton township.

Surviving are his widow, Ida; a son, Kenneth of Pontiac, and a daughter, Mrs. Mildred Camp-hausen of Saginaw; a brother, Delevan of Toledo, Ohio; seven grandchildren and nine great grandchildren, other relatives and friends.

Mr. Hersh had been a resident of Canton township for 40 years. Reverend Robert D. Richards of Newburg officiated at services held Wednesday, November 12 from the Schrader Funeral home. Hymns were rendered on the organ by Mrs. Edna O'Conner. The active pallbearers were Columbus Wilkin, Bud Corwin, John Schaufele, Kenneth Gyde, Ralph Burch and Perry Campbell. Interment was in Riverside Cemetery.

Plymouth Mail Classifieds will sell surplus items overnight — Phone 1800.

Emma Henderson Succumbs at 91

The wife of a former city commissioner and county supervisor died at 91 last Saturday at Mt. Vernon, Washington.

She was Mrs. Emma Henderson, a Plymouth resident since 1912 before moving to Mt. Vernon, where she died at the home of her daughter-in-law.

The deceased woman is being brought to Plymouth for funeral services, held today at 1 p.m. from the Schrader Funeral Home.

Residing for many years at 238 South Main street, Mrs. Henderson married her husband, John W., before the turn of the century. He was a former city commissioner and county supervisor before his death in 1938.

The daughter of Thomas Patterson of Howell, Mrs. Henderson was born May 15, 1861. Before moving to Plymouth she lived for many years in Livonia.

Funeral rites will be officiated by Reverend Henry Walch, minister of the Presbyterian church of which she was a member, with burial at Riverside cemetery.

Survivors are a daughter-in-law, Mrs. Heddie B. Henderson, of Mt. Vernon; a granddaughter, Katherine Wilhite, and a grandson, Gordon Wilhite, both of Portland, Oregon.

Charles Austin
Private First Class Charles Austin returned to Germany recently after spending a 30 day leave with his parents, Mr. and Mrs. Charles Austin of Brookline avenue. Private Austin graduated from the Eucom Engineering school at Murnean, Germany.

Edward Schomberger
Private First Class Edward Schomberger, son of Mr. and Mrs. Stephen Schomberger, 992 Hartsough street, is assigned to duty with the European Theatre of Operations.

Pic. Schomberger, a member of Company A, 1st Special Troops Battalion of the Area Service Unit Provisional Group at Fort Benning, Georgia, was on duty with the Post Chemical Section prior to receiving his overseas assignment.

A graduate of Plymouth High school, Pic. Schomberger enlisted in the U.S. Army in January 1951 and has served 9 months with the Far East Command where he was stationed with the 21st Chemical Decontaminating Company. He has been awarded the Korean Service Medal with 1 bronze star and the UN Ribbon.

James Howard Walters
James Howard Walters, 17, son of Mrs. Leona S. Walters of 16045 Oporto, Plymouth, is completing his AF basic airman indoctrination at Lackland Air Force Base, the "Gateway to the Air Force," Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Social Security Agent Here on November 28

The social security representative will not make his regular visit to Plymouth on Thursday, November 27 due to the Thanksgiving holiday. Harry Baltuck, manager of the Detroit-Northwest office announced today. He will be at the Plymouth Post Office the following Friday, November 28. All residents of the Plymouth area who have social security matters to discuss with him should call at the Plymouth Post Office between 9:00 a.m. and 12:00 Noon on Friday.

Danger to "Flu" Outbreak Tied to Virus Mutations

Constant mutation, or change, is the influenza virus' chief means of survival.

As a result, no one knows what the prospects are of whether or when another "flu" outbreak like that of 1918-1919 will sweep the world.

This is the statement of Sir F. MacFarlane Burnett, director of the Walter and Eliza Hall Institute for Medical Research, Melbourne, Australia, and one of the world's leading influenza researchers.

Important advances, which some day may make the difference between life and death, will come, he believes, from two lines of influenza research.

1. The Genetic approach;
2. An attack on the nature of a substance produced by the virus in the infected body cell.

It is called soluble complement fixing antigen or CFA for short, being produced by the virus and appearing very early in the infection. The substance is very much like that found in the normal body cells but differs from this substance in being able to stimulate production of antibodies and to react with them. Present detection methods indicate there are substances in normal body cells which bear the pattern of the virus.

New patterns to which the cells will respond by producing replicas might be found if scientists could at will put such patterns into lung cells, Dr. Burnett believes. Pending this, he said, "we should have a tool of great power."

Dr. Burnett described recent findings on the relation of the influenza virus to the infected cell in the second R. E. Dyer Lecture at the National Institutes of Health here. His report was reviewed in Science Service.

Shed Destroyed Here by Blaze

A blazing shed that threatened the Glenn Kisapeth dwelling at 298 North Harvey street last Friday was brought under control quickly by local firefighters.

The 1:15 p.m. blaze was believed by firemen to have been touched off when sparks from a container of rubbish burning nearby were fanned over the shed by a heavy wind.

The shed, separated from the main dwelling by five feet, was completely destroyed. An estimate of the damage is not available.

Social items can be phoned to 1600.

Year's Smartest Car - Year's Greatest Deal!

TRADE NOW FOR THE DEAL OF THE YEAR ON A FUTURE-STYLED MERCURY
THINK of it this way. The car you are now driving will never be worth more money than it is right now. In a few short weeks it could be a year older by trade-in standards.
That's why it's more important than ever that you trade for a Mercury. For this is the one car in its class that eliminates the worry of buying a new car that may soon look out of date. Mercury's forerunner styling is designed to anticipate the future . . . is planned to stay years ahead of the calendar.
And don't forget Mercury's unequalled record for economy. On the official ton-mile basis—with optional overdrive—it's twice been Sweepstakes winner of the Mobilgas Economy Run. Pound for pound Mercury is the most economical car in America today. And that means the best balance you can buy of comfort plus power, beauty plus economy.
So let's talk figures. We honestly believe we can map out a deal that will open your eyes . . . make you glad you didn't wait any longer.
Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan. Sunday evening, 7:00 to 8:00 p.m. Station WJBK, Channel 2.

Group Will Hold Annual "Greens Sale"

The Plymouth Branch of the National Farm and Garden Association met at the home of Mrs. Edwin Schrader on Main street on Monday, November 10. Approximately 50 members and guests were present at the meeting.

Mrs. Edwin Schrader, vice president presided over the meeting in the absence of Mrs. Barbara Stecker, and it was during this time that the members voted to have their annual "Greens Sale" on Friday and Saturday, Dec. 12 and 13 at West Brothers on Forest avenue. The proceeds from the sale will be used for a scholarship for a local boy or girl.

Members also agreed that a donation would be given to the Ford Memorial Fun Dial by the group.

Social items can be phoned to 1600.

Old Saint Nicholas Makes Appearance at Christmas Village

All the units of the Methodist Woman's Society of Christian Service will join forces when they present their bazaar next Thursday in the Methodist church. A "Christmas Village" containing shops and various booths, and displaying many items will be the background for the bazaar.

Santa Claus will be on hand to distribute gifts to the very small children. Fun, food and amusements will be furnished by the ladies of the church.

Christmas shoppers will find many useful items for sale at the bazaar. Aprons, pillow cases, home made jams and jellies and candy can be found and purchased throughout the village.

Luncheon will be served cafeteria style and serving will start at 11 a.m. Found on the menu are such items as baked beans, baked ham, hamburgers, Chinese omelets, salads and desserts.

Girl Scout News Swimming Schedule Has Been Revised

The Girl Scout Leaders' Club announces the following changes in the swimming schedule for the Scouts.

The beginners will swim from 1 to 2 p.m., while the swimmers meet from 2 to 3 p.m. In order to participate in the swimming program, the Scouts must have qualified for school gym and swimming. There will be a ten cent charge, and the girls must be 48 inches in height. Bathing caps must be worn and there are to be no woolen suits worn in the pool.

Troops Hold Joint Meeting

Last week, senior Troop 3 and 13 held their first joint meeting at which members of Troop 3 were transferred to Troop 13. Mrs. Phillip Theobald is the leader of this troop and is assisted by Mrs. John Lodge.

Scout Leaders to Meet

The monthly Girl Scout Leaders meeting will be held at the Girl Scout cabin, Monday evening, November 17 at 7:30 p.m. A film strip on troop committee planning will be the basis for the program. Discussions will be led by Mrs. John Krygier of Livonia. Leaders are urged to bring members of their troop committees, including a member of their sponsoring group as well.

Many farm workers who now have only one hand trace the loss of the other to a corn picker accident. Cleaning out rollers or attempting to work around the picker with the power on is dangerous.

Grange Gleanings

Our Grange meeting of last week was especially pleasant and everyone enjoyed it very much.

Those members who never come really miss a fine opportunity for friendship and neighborliness.

The group from the High school who came and played for us were much enjoyed and the fine talk by Mr. Isbister was very good. Then the report from the State Grange Convention given by Hilda Lunn was splendid and showed much enthusiasm and appreciation for the Grange.

The card party that was talked of and planned for November 15 has been postponed until December 13 on account of so many who will be away during hunting season. So be sure to keep the new date in mind and come, bring your friends.

Our next meeting will be on November 20. We can not say just what the program will be but there is always good fellowship and a fine congenial crowd of people.

Several of the members have gone up North after deer, here's hoping they get one apiece.

In Buffalo, New York, members of the Women's Christian Temperance Union gathered for a state convention, found that the mayor had just announced the celebration of National Wine Week.

The purpose firm is equal to the deed.—Edward Young

Square Dancers All Promenade to The Chicken Reel

Because of the Thanksgiving holiday, the beginners' square dance group will hold only one November dance. This will be held tonight, November 13 at the Bird school, from 8 until 10:30 p.m.

Bob Carson, the caller, plans to repeat the "Chicken Reel," "Solomon Levi," "Darling Nellie Gray" and the "Sicilian Circle." Dancers will be introduced to the "Waltz of the Bells," "Birdie in the Center," and "Split the Ring and Balance Corners."

Local residents are urged to join their friends in an evening of dancing and fellowship.

The advanced dance set will meet on Thursday, November 7 at the Bird School.

Put Yourself in a Nash Rambler

The New Kind of Car Specifically Designed for Today's Traffic

WHEN you put yourself behind the wheel of this compact custom car, you'll discover a whole new motoring "feel". You'll snake through traffic with feather-light handling ease... cruise effortlessly on the open road.

Yes, in a smart Nash Rambler, you'll feel equally at home in city traffic or open highway!

You'll slide into tight parking spots that other cars must pass up. And whether you're engaged in stop-and-go driving or long-distance cruising, the miles will slip by with scarcely a flicker of the gas gauge. This is the all-time record holder in the Mobilgas Economy Run—31.05 miles to the gallon with over-drive.

You'll be amazed at the spaciousness that is yours to enjoy in this compact automobile. Plenty of room for your family to travel in comfort. And like all Nash cars, the Rambler provides the extra safety and rigidity of exclusive Airflyte Construction.

You get value plus in the beautiful Rambler—you enjoy a whole host of custom "extras" at no extra cost—even de luxe radio and Weather Eye Conditioned Air System.

Yes—put yourself in a Nash Rambler today, the new kind of car specifically designed for today's driving and parking. It's the car for you.

See us and make a "Traffic-Test."

Isn't it about time he had an ELGIN?

1918 Newspaper Recounts History of World War I Armistice Day

Thirty-four years ago Tuesday, World War I was over—69,451 American doughboys had been either killed, wounded or were missing in action.

Recounting the November 11, 1918 armistice is a yellowed copy of the Chicago American, a daily newspaper, given to The Mail just this week by Mrs. Robert Lidgard.

In three, short, terse words, "Fighting Has Stopped," the three-inch headline bore for over 100 million Americans a single thought—peace.

In a white house statement, President Woodrow Wilson said: "The armistice was signed this morning. Everything for which America fought has been accomplished. It will now be our fortunate duty to assist by example, by sober friendly counsel and by material aid in the establishment of a just democracy throughout the world."

That same morning, November 11, 1918, Marshal Foch, the allied generalissimo, issued orders to cease hostilities at 11 a.m. Orders were in the making that would strip the German army of its artillery, small firearms and would bring about immediate demobilization of the Kaiser's forces. Allied troops were being grouped to occupy strategic points within Germany, among them Strassburg, Metz, Coblenz and Cologne. The Germans were already retiring from parts of France, Belgium, Alsace Lorraine and portions of Russia and the Balkans.

In England, the Chicago American reports, a military critic of the Manchester Guardian saw four blunders that brought the German army to its knees.

1. By invading Belgium, she brought England into the conflict.
2. By her submarine campaign, she provoked the hostility of the United States.
3. At the first battle of the Marne she gave the opening which led to the collapse of her plans for a quick victory.
4. At the second battle of the Marne she gave a similar opening, which led to her complete defeat.

Detailing these and other points that drew the United States into the war, a political analyst of that time said:

"The truth is that this war was not a war of capitalism or the balance of power, or racial hatred, but a repetition of autocracy's effort to exterminate democracy, a way of tyranny against liberty, of evil against good."

The violation of Belgium, the tearing up of Belgian neutrality treaty as if no more than a scrap of paper, the terrible prosecution of Belgian and French civilians, the disregard of human and civilian rights by the air raiders, and, most of all, the atrocity of the submarine campaign—all these, he said, showed the true character of the Prussian.

Charged with formulating a lasting peace after the cessation of hostilities between the Allied and Central powers, President Wilson in a declaration of war before a joint session of Congress on April 2, 1917, said:

"To such a task we can dedicate our lives and our fortunes—everything that we are and everything that we have—with the pride of those who know that the day has come when America is privileged to spend her blood and

her might for the principles that gave her birth and happiness and the peace which she treasured. God helping her, she can do no other."

Despite President Wilson's warning for a "lasting peace," internationally, democracy was struck a severe blow when the United States, originator of the 14-point doctrine for peace, turned a cold shoulder to its wartime allies and shunned the League of Nations. Isolationist groups ducked behind a 3,200 mile Atlantic expanse, relying just on 12-inch shore batteries.

And 21 years later, Europe was again in flames, war clouds had burst on the western world deluging it with Fascist massacres that saw untold millions slaughtered.

A brief respite of five years, then in 1950—Korea. But what about tomorrow, millions of people are asking. The largest armament race in the history of the world is currently going on. Hereto free nations are being gobbled up by Communists intent on cracking the whip over the civilized world. Alliances are once again being formed as nation after nation squares to meet Communist aggression.

As millions of veterans marched down the streets of the nation celebrating Armistice Day, many a doughboy still remembers Wilson's declaration of war speech before Congress:

"It is a distressing and oppressive duty, gentlemen of the Congress, which I have performed in thus addressing you. There are, it may be, many months of fiery trial and sacrifice ahead of us.

"It is a fearful thing to lead this great, peaceful country into war, into the most terrible and disastrous of all wars, civilization itself seeming to be in the balance.

"But the right is more precious than peace and we shall fight for the things which we have always carried nearest our hearts—for democracy, for the right of those who submit to authority to have a voice in their own governments, for the rights and liberties of small nations, for a universal dominion of right by such a concert of free people as shall bring peace and safety to all nations and make the world itself at last free."

O.E.S. NEWS

A special meeting will be held November 18 at 7:45 p.m. A social hour and refreshments will be served following the meeting. The Rainbow Girls are having their bazaar at the special meeting. All members are asked to attend.

Members are reminded of the canned fruits or vegetables or donations to be brought to the Temple and then taken to the Wayne County home in Detroit.

Remember the Rummage sale November 14 from 9:30 a.m. to 5 p.m. at the Masonic Temple.

Remember the members confined to their homes or hospitals. A cheerful call or a thoughtful greeting card will help to brighten their hours.

Christian Science Topic of Speech

ROBERT S. VAN ATTA, C.S. Rochester, New York

How the understanding of God's spiritual laws may be applied in daily living, will be the topic of a Christian Science lecture to be given on Thursday, November 20, by Robert S. Van Atta of Rochester, New York. It was announced this week by Eighth Church of Christ Scientist, Detroit.

Mr. VanAtta, who is on tour as a member of The Christian Science Board of Lectureship, will speak in Eighth Church auditorium, 20011 Grand River avenue at Evergreen road, at 8 p.m. The lecture is open to the public without charge. Mr. VanAtta's subject will be "Christian Science: What It Is and What It Does."

An engineer for a number of years, Mr. VanAtta served in an engineering capacity at one time on the Panama Canal and on railroad construction in Bolivia. He later was an aeronautical engineer with the Army Air Corps. He has been a student of Christian Science since 1912, is an experienced public practitioner of Christian Science healing, and has been a Christian Science lecturer since 1946.

Hot Banana Muffins Surprise for Family

Need a touch to take your meal out of the "plain" class? A heaping basket of hot bread can often be the answer. Banana Surprise Muffins are one good example. The surprise? It's the strawberry jam your family finds when they break open these muffins, made with lard to be at their tender best.

Banana Surprise Muffins.
 1 1/2 cups sifted cake flour
 2 teaspoons baking powder
 1/4 teaspoon baking soda
 1/4 teaspoon salt
 1 3/4 cup sugar
 1 egg, well beaten
 1 3/4 cup melted lard
 1 cup mashed ripe bananas
 Strawberry jam

Sift together flour, baking powder, soda, salt and sugar into mixing bowl. Mix together egg, lard and bananas. Add to dry ingredients, mixing only enough to dampen all flour. Turn into well-greased small muffin pans. Drop about a teaspoonful of jam on top of each muffin. Bake in a moderately hot oven (400° F.) for about 20 minutes. 16 small muffins.

Stew Nests

For a real time-saver that your family is sure to enjoy build your dinner around canned beef stew. Heat the stew thoroughly and serve it in clear whipped potato nests.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

LIFE'S THAT WAY... A Lesson for Sally

WELL, MIGHT AS WELL GET MY HOMEWORK DONE EARLY THIS WEEKEND. GUESS I'LL CALL JANET.

JANET, LET'S WORK OUT OUR GEOMETRY TOGETHER NOW.

BUT SALLY, DIDN'T YOUR FOLKS WARN YOU NOT TO TIE UP THE LINE?

THEY'RE OUT. LET'S SEE NOW, ON THAT FIRST PROBLEM...

THAT BUSY SIGNAL AGAIN... SOMEBODY ON OUR LINES YAK-YAKING. WELL, WE'LL HAVE TO TRY SOMEBODY ELSE.

A WONDERFUL MOVIE, SALLY, THE SMITHS COULDN'T STAY FOR IT, SO WE TRIED TO REACH YOU, BUT THE LINE WAS ALWAYS BUSY.

P.S. EVERYBODY BENEFITS WHEN EVERYBODY ON A PARTY LINE IS CONSIDERATE, WHETHER THEY'RE YOUNGSTERS OR GROWNUPS.

MICHIGAN BELL TELEPHONE COMPANY

Swirling Paper, Trash Piled High by 40-Mile Wind

Harried city cleanup crews last Friday were victims of a "healthy" November wind that whirled through downtown alleys picking up something like a ton of paper, excelsior and cardboard boxes and depositing them on Main street sidewalks.

In places, swirling piles of excelsior were stacked two-feet deep along store fronts. With every shift of the wind the trash piled higher while bits of airborne paper "kissed" shoppers on the face.

City Manager Albert F. Glassford prodded city maintenance crews into action, chasing down the swirling stuff that filled gutters to overflowing.

The 25 to 40 mile-an-hour winds were listed by the Willow Run Weather Station as normal for this time of year.

On another side of the weather picture though, forecasters there predicted an average of three to six degrees below normal temperature for the rest of the week as thermometers plunged, with a cold front settling over the city. Normal temperatures in the Plymouth area for November average off at a cool 45.4 degrees. The average high is 50 with a 30-degree low during the Thanksgiving month.

Precipitation, including snow and rain, average 2.43 inches during November. With 30-day forecasts not yet completed for the month, weathermen would only

say that we will have a "trace of precipitation" during the remainder of the week. They indicated, however, that precipitation (including snow) could well remain light for the remainder of the month.

October—it started out with an 85-degree temperature—was listed by weathermen as a cold, dry month. A new temperature low was recorded at 25 degrees on October 20. It broke all previous October lows in the recorded history of the U. S. Weather Bureau.

Precipitation during October was "pretty sparse" with a total of 1.64 inches of rainfall recorded on just two days of the month.

PLUMS WITH HAM

Blue plums serve with a ham slice for a tempting combination. Purchase a ham slice that's cut about 1 inch thick. Place it in a shallow baking pan and sprinkle with brown sugar. Pour 1/3 cup of canned blue plum juice over the meat and bake for 1 hour in a 300° F. oven. Turn the slice once during this period. At the end of one hour, arrange plums over the top of the ham slice and return to the oven for an additional 15 minutes.

Vol. 8 No. 20

NEW?

Too frequently when individuals, families, businesses and corporations face a financial problem NEW to them—they conclude it is wholly new and there is no previous successful experience to guide them.

This is a most costly, sometimes ruinous misconception—particularly in a period such as this when quick decisions must be made.

TRIAL AND ERROR TOO COSTLY...

As a general rule, there are few financial problems which are altogether new and there is no need to pay the exorbitant costs of the trial and error method when successful experience is available to guide you.

Progressive Banking...

We have initiated and developed many significant improvements in banking services to meet special conditions and these have been of invaluable help to our customers.

We have not only kept pace with their needs, but have assisted in the development of their plans along sound financial lines.

BE PREPARED...

The best advice is to build your banking relationship with the National Bank of Detroit, to establish your contacts and your credit before the need arises.

New to You...

But if you face a financial problem which is NEW to you, which you did not anticipate—do not immediately consider it new.

The probability is that we have helped others solve virtually the same problem or helped them to avoid it altogether.

Like your travel with a JOYOUS THRILL?

WE HAVE NEWS for a lot of folks who want more fun from driving than they get from their present cars.

There's a trim bundle of eager high-powered energy that's just the ticket for you—a spirited automobile that can give you thrill after joyous thrill, for mile after fleeting mile.

Why not come in and try the Buick we have in mind?

The excitement starts with your first look at it, your first sitting in it, your first fingering of its slender wheel.

But wait till Dynaflo Drive* begins working its magic—and its constant and complete smoothness fills you with never-ending wonder.

Wait till you feel the bubbling exuberance of taking your first hill with a high-compression Fireball 8 Engine doing the honors. That's when you get a man-sized sampling of the tremendously able and instantly responsive power you command here.

Wait till you feel the serene satisfaction of skimming over rough roads, cobbles or ridged crossings. That's when you know, better than words can tell, what a million dollars' worth of ride engineering can do in the way of magnificent comfort.

Wait till you jockey into a real tight parking space and note the fun and ease that Power Steering** brings to a once-tough job.

But—why wait?

There's a Buick that can do all this—and more, far more—all ready for you to try it.

And listen: If you can afford a new car, you can afford a Buick.

How about coming in this week for a real sampling of this joyous travel?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. **Optional at extra cost on Roadmaster and Super only.

He Even Hates to Stop for Lunch!

Put a man behind the wheel of a Golden Anniversary Cadillac—point it to a destination some hundreds of miles away—and try to stop him!

And small wonder! In all the world, there is no finer relaxation for a work-weary man than a day's drive at the wheel of a Cadillac.

Try it sometime, and see for yourself. The moment you slip into the driver's seat, you'll sense that something extraordinary is about to happen to you.

The car has a "feel" to it—even when it isn't in motion. You sit right. The wheel

falls naturally into your hands. You look out through the big curved windshield—over the beautiful hood and into the distance—and you know that "this is it!"

And then you turn the key and the great engine whispers into action—and the day's fun begins.

First, there's the *silence*—only the soft sound of the wind slipping by—and the occasional tick-tick of the electric clock.

And then there's the *comfort*—the easy, soft ride over almost any type of road.

And next, the *handling ease!* The steering wheel moves with the weight of the hand.

There is remarkable steadiness on both straightaway and curves. And the big, easy-acting brakes give you added confidence every time you touch the pedal.

So the miles go by and the miles go by. Towns and villages appear and disappear.

"What's that? It's time for lunch?" "Okay—but let's make it quick and easy. We'll have a big dinner tonight."

Don't you think you'd like to own the car that can make a journey such a great delight?

If so—come in and see us—any time.

Dale Blackmores Return From Southern Honeymoon

Mr. and Mrs. Dale Blackmore

Mr. and Mrs. Dale Blackmore have returned to Plymouth following their recent honeymoon which took them to Florida and stops in Ohio and Kentucky.

Mrs. Blackmore is the former Hazel Darnell, daughter of Mr. and Mrs. James A. Darnell of Northville road. Mr. and Mrs. Oren Blackmore of Canton Center road are the bridegroom's parents.

The impressive candlelight service was performed at the First Methodist church on Saturday evening, October 25. The Reverend Melbourne Johnson officiated at the eight o'clock ceremony.

Large baskets of white mums graced either side of the chancel. Nat Sibbold sang "Because" preceding the ceremony and "The Lord's Prayer" while the young couple were kneeling at the altar.

Hazel, given in marriage by her father, wore a waltz length gown of white lace over satin. The fitted bodice was attached to the picture neckline of illusion with bands of the illusion draped with seed pearls and orange blossoms.

The sleeves were long and extended to points over the wrists. The hooped skirt was caught up with tiny white satin bows. Her fingertip length veil fell from a crown of seed pearls and she carried a spray of white carnations and roses on her white Prayer Book.

Patricia Simmons was Hazel's maid of honor. Bridesmaids were

Marion Amrhein and Dolores Sofran. Their gowns were identical to that of the bride's. Patricia wore powder blue net over satin and carried pink baby mums. The other attendants gowns were of ice blue and their flowers were mums in shades of yellow. They wore tiny matching bonnets.

William Blackmore assisted Dale as best man and the ushers were Charles Snider and Daniel Julien.

Mrs. Darnell, mother of the bride, wore a street length dress of wine colored crepe and blue accessories. Mrs. Blackmore selected a gray dress with which she wore blue accessories. Both mothers wore orchid corsages.

A reception was held in the church parlors following the ceremony. Nearly 200 guests were present coming from Michigan, Ohio and Indiana.

For traveling the new Mrs. Blackmore wore a green suit with brown accessories and the corsage from her bridal bouquet.

Both young people are graduates of Plymouth High school. They will make their home on Northville road, Plymouth for the present.

Mrs. Victor Volinsky of Detroit, formerly of Corrine street, is seriously ill with polio in Herman Kiefer hospital in Detroit. She would appreciate hearing from her numerous friends by means of cards and letters.

The Soroptimist Club met Thursday, November 6 at 11:30 a.m. for a luncheon at the home of Grace Gray on Elizabeth street.

Betsy Ann Reddeman Engaged to Clifford Schroder

Betsy Ann Reddeman

Mr. and Mrs. Floyd L. Reddeman of 325 Blunk street announce the engagement of their daughter, Betsy Ann to Private Clifford B. Schroder, son of Mr. and Mrs. John F. Schroder of Ridge road, Northville.

Betsy is a graduate of Plymouth High school and is now employed by the National Bank of Detroit, Plymouth branch. Clifford was graduated from Northville High school and is now with the United States Army.

No definite wedding plans have been made.

John Nelson of Main street, was the weekend houseguest of Mr. and Mrs. William Clark and daughter, Gloria, in Trenton, Michigan.

Miss Marcia Woodworth was honored Tuesday evening at a miscellaneous bridal shower when Miss Mary Lou Hartwick invited 16 of her former classmates to her home on Northville road. Games and refreshments followed the opening of the many lovely gifts. Marcia will become the bride of William on December 20.

Mr. and Mrs. Richard Neale have moved from their former home on Starkweather to their new home which is located on the corner of Sunset and Farmer street.

Canasta and monopoly furnished the Saturday evening entertainment for Mr. and Mrs. Robert Houghton, guests of Mr. and Mrs. Robert Bullard on Maple street.

Yesterday C. E. Carter of Butternut street, Jessie Walker, Nelson and Virgil Pyle left Plymouth to go deer hunting up at Amasa, Michigan, which is located in the Upper Peninsula.

Mr. and Mrs. Merville Luker and family of West Chicago avenue were guests for dinner last Sunday of Mr. and Mrs. Elvis Maddox of Schoolcraft road.

Mr. and Mrs. John Chaney and daughter, Gloria, of Pacific avenue spent last Friday visiting Mr. Chaney's mother and father, Mr. and Mrs. Joe Baker and other relatives in Battle Creek. They also visited in Schoolcraft near Three Rivers.

Dinner guests of Mr. and Mrs. Lloyd England Monday evening, in their home on Sunset avenue, were Mrs. England's aunt, Mrs. Lucy Fager and daughter, Edna, of Indianapolis, Indiana; her mother, Mrs. Edna Martin and her sister, Donna Bridges, of Detroit.

Mrs. Ada Johnson of Saginaw and Mrs. Lawson Johnson of Starkweather.

Friday evening guests of Mr. and Mrs. William Herter of Auburn avenue were Mr. and Mrs. Lawrence Funke of Detroit.

Neil Bynum, a recent patient at St. Joseph hospital, is convalescing in the home of Mrs. Garnet Hitchcock of Sutherland.

Mrs. Russell Rinehart of Bradford road has returned from Hammond, Indiana where she has been visiting her sister-in-law.

Mr. and Mrs. Alfred Horn of West Chicago street celebrated their 35th wedding anniversary on Monday, November 10.

Dollie Dunningan has established his residence in Michigan. Last weekend he went to Tennessee to move his furniture from there to Plymouth.

Mr. and Mrs. Kenneth Hulsing of Church street, and Mr. and Mrs. Merle Huntington of Sunset avenue were the Election Eve guests of Mr. and Mrs. George Conover of Blunk street.

Mr. and Mrs. Frank Arlen have returned to Plymouth after visiting with Mr. and Mrs. Andrew C. Dunn at their new home in Asheville, North Carolina.

Jean Tetzlaff spent the weekend with her parents, Mr. and Mrs. Edward Tetzlaff of Gotfredson Road. Jean is enrolled as a student of Michigan State College in East Lansing.

Sunday guests of Dorothy Hester of Stark road were Mr. and Mrs. Charles Conn and daughter, Fay of Starkweather and Mr. and Mrs. Leonard Southland and son, Paul of Union street.

Mrs. Ernest Adams and children of Parsons, Kansas were guests last Friday evening of Mr. and Mrs. Gerald Adams of Gotfredson road.

Kathy Bernash, Doranne Wiltson, and Mary Stone were the guests of Pat Wahn at a pajama party following the Plymouth-Southfield football game last Friday evening.

Members of the Methodist Youth Fellowship enjoyed a turkey dinner last Sunday evening in the Methodist church. The turkey was supplied by the Reverend M. I. Johnson and prepared by the group.

Mr. and Mrs. Frank Dely of Hammill street have received word that their son, William, will be home for Christmas. William is with the Navy and stationed in San Diego, California.

Mr. and Mrs. James Kidwell of Oakland, Oregon arrived Monday as guests of Mr. and Mrs. Phillip Dingeldey of Haggerty Highway.

Mr. and Mrs. Richard Gust and daughter, Thila, of Warren road, with Mr. and Mrs. Ted Manilla of Detroit, attended the wedding of David Hobbin, son of Mr. and Mrs. Elmer Hobbin, last Saturday evening in the Presbyterian Church in Lapeer.

Mr. and Mrs. Ralph Sharp of Lancaster, and Mr. and Mrs. Marvin Hauk of Dearborn were Sunday guests of Mr. and Mrs. Ed Hauk of Canton Center road.

Miss Doris Fisher is convalescing at her home on Northville road after undergoing major surgery at St. Joseph's in Ann Arbor. She returned to her home on Sunday.

Following the Youth Rally held at Ann Arbor, Sunday, members of the Senior Methodist Youth Fellowship returned to the church here and had their dinner.

Mrs. William Stockton was pleasantly surprised last Saturday at her home on Joy road, the occasion being her birthday. Guests included her husband, William Stockton, two sons, Bill Jr. and Donald, Mr. and Mrs. Hersel Clements, Mr. and Mrs. George Molnar, Mr. and Mrs. Harold Williams, Mr. and Mrs. Warren Bassett, Mr. and Mrs. Art Clement of Dearborn and Mr. and Mrs. Joe Haller of Detroit. A buffet supper was served at midnight.

Hints for Plymouth Homemakers

Dainty Tea Sandwiches Add Special Treat to Any Party

Looking for something to make your party something special? Try these dainty tea sandwiches. They're good to eat, and easy to prepare. Best of all, they can be prepared in advance.

To serve 16 people you will need one 1 1/2 pound loaf of enriched unsliced sandwich bread and one 1 1/2 pound loaf of whole

Better Eating
by Jean Allen

TURKEY TRIMMIN'S

Half the fun of fixing Thanksgiving dinner is in making the garnishes to serve with the tender, juicy roast turkey.

Cinnamon Fruit

Peel bananas. Cut lengthwise and then in thirds. Peel and slice oranges. Sauté bananas and oranges in butter or margarine until lightly browned. Spoon whole cranberry sauce over the fruit.

Frosted Grapes

Small bunches of firm sweet Tokay grapes frosted with sugar are a pretty decoration on the turkey platter.

To Frost

Wash the grapes and snip the stems to form small bunches. Stir two tablespoons white corn syrup into one cup of warm water. Put granulated white sugar in a small paper bag.

Smooth Turkey Gravy

Brown turkey neck and giblets in one tablespoon hot fat. Dissolve two chicken bouillon cubes in two cups hot water. Four broth and one small onion, chopped, over the neck and giblets.

Buy Wisely, Keep Food Costs Down

Agricultural economists at Michigan State College are singing on a sour note when it comes to food costs. They say that food costs are high, but they may go higher. But you don't have to sing the blues with them if you buy wisely.

And a note of hope comes when the economists predict that meat prices in 1953 will probably be about the same as this year. The U.S. Department of Agriculture reports meat production is on the increase with slightly more beef than pork recorded.

Canned fruits and vegetables are likely to stay about the same in price, too. The pack this summer and fall was slightly lower than last year, but carry-over stocks will keep prices on an even keel.

The MSC economists predict advancing prices for canned and frozen fruit juices, however. Supplies are low, they say. Homemakers may expect fresh citrus fruits, oranges in particular, to stay at the 1952 price average because a good citrus crop is reported.

Applying these economics to your own pocketbook and table means you should spend your food dollar with care. Watch re-ports for plentiful, less-expensive foods in your markets. For instance, the U.S.D.A. reports that in Michigan the best buys are Michigan carrots, cauliflower, most apples, squash, and western lettuce.

Moderate-priced items on the markets now are Michigan celery, most greens, topped beets, snap beans, Honeydew melons, onions, peppers, potatoes, rutabagas, tomatoes, sweet potatoes, and bananas.

Correct Storage Avoids Waste

When you have an eye on your food budget special attention must be paid to care of foods in your home. Proper storage is an important part of avoiding waste.

Meat should be taken care of immediately after you get it home from your market. Remove the heavy store wrappings and place it uncovered or lightly topped with a sheet of waxed paper in a cold section of your refrigerator. This allows for a slight drying out of the meat surface which is desirable.

Cooked meats are stored in just the opposite way. Leftover cooked meat and ready-cooked meat should be tightly wrapped with waxed paper and stored in the refrigerator. This prevents it from drying further.

Canned meats may be stored on your kitchen shelf with one exception—canned hams. They should be refrigerated. Bacon may be kept in its original package. Remember, however, to remove only the slices you'll be cooking immediately.

Using this as a guide menus are practically unlimited. Here are some suggestions: hot vegetable soup, roast beef sandwich, celery and carrot sticks, baked apple and milk. Meat patty on bun, tomato slice, carrot salad, sliced peaches, milk. Bacon and peanut butter sandwiches, lettuce wedge, pear, milk.

HOT GINGERBREAD A LA MODE

These are the evenings when gingerbread a la mode is the desert of the season! Not that gingerbread isn't a favorite all the year 'round—morning, noon and night. But "a la mode" is different!

Vanilla ice cream is perfect with hot gingerbread. For variety, chocolate ice cream gives a delightfully different twist to gingerbread a la mode. And too at holiday time try it with Egg Nog ice cream.

GINGERBREAD
1/2 cup evaporated milk
1/2 tablespoon vinegar
2 cups sifted flour
1/2 teaspoon soda
1/2 teaspoon ginger
1/2 teaspoon cinnamon
1/2 teaspoon cloves
1/2 teaspoon baking powder
1/2 cup sugar
1/2 cup molasses
2 eggs
1/2 cup soft butter

Combine milk and vinegar. Re-sift flour with soda, spices, baking powder and sugar into a mixing bowl. Add molasses to the milk-vinegar mixture. Stir into dry ingredients. Add eggs, one at a time, and beat thoroughly, then beat in the butter. Pour into a well

greased layer cake pan. Bake in a moderate oven (375°F.) 25 to 30 minutes. Serve hot, cut in squares with vanilla ice cream atop. Yield: 1 layer (9 inches square).

SAUCES FOR ICE CREAM
Sometimes—though it may seem like gilding the lily—go one step further and offer hot sauces to top the ice cream. Any of these sauces are good toppers for ice cream the year 'round.

NOTE: To serve these sauces hot, heat by placing pan over hot water. To keep, store in covered jar in refrigerator.

BUTTERSCOTCH SAUCE—Combine in saucepan 1 cup brown sugar (tightly packed in cup), 2/3 cup dark corn syrup, 1/2 teaspoon salt. Cook over low heat, stirring until all the sugar is dissolved. Boil 3 minutes. Remove from heat. When cool, stir in 2/3 cup undiluted evaporated milk. Makes 1 1/2 cups.

HONEY BUTTER SAUCE—Combine 1 cup honey or 1/2 cup honey and 1/2 cup sugar with 1/4 cup butter. Bring to the boiling point and cook 3 minutes. Cool slightly and stir in 1/2 cup undiluted evaporated milk. Good cold or hot. Makes about 1 1/2 cups.

Vary School Lunches to Have Balanced Diet

With school in session it means mother must pay special attention to meal time in order to provide her growing youngsters with the foods they need.

First of all, week day breakfasts must be complete to carry the student through without a mid-morning lag. And at mid-day, whether youngsters carry their lunch or go home, a well-balanced meal is needed. Here are the foods which should be included in each luncheon menu: meat, vegetables, bread, fruit and milk.

Proper Washing Saves Curtains

Marquette, widely used for sheer curtains, is made of cotton, rayon, acetate, nylon and other fibers. Such curtains, often used throughout the house, may represent a sizable investment. Correct laundering saves wear, tear and expense—and time and labor at the job.

Tests show that over-stretching for drying is the cause of much damage.

Nylon, orlon and spun glass curtains need no reshaping or stretching on frames. Cotton and Rayon marquettes, however, come out well if dried on stretchers, but cannot be stretched to their original size because laundering causes shrinkage. High-tension stretching in tests broke filling yarns at top and bottom hems, even in new fabric. Even so, none of the cotton and rayon curtains could be brought back to the original dimensions. The curtains shrank most in the first laundering but shrinkage continued with several successive launderings.

To save such damage, the housewife should make allowance for considerable shrinkage when she buys or makes these curtains and not attempt over-stretching.

As for washing, most marquettes, except spun glass, may be safely machinewashed by proper methods. It is recommended that curtains be put in laundry-size mesh bags—four to a bag and two bags for a washer load. Use plenty of luke-warm water and a good detergent and run the machine only the few minutes necessary to remove soil. Use two rinses.

Soberly, a policewoman in Chicago explained the difficulties of her job: "All you have to do is look like a girl, think like a man, and work like a dog."

**Official Proceedings of
Your City Commission**

Monday, October 20, 1952
A regular meeting of the City Commission was held in the Commission Chambers of the City Hall on Monday, October 20, 1952 at 7:30 p.m.

Present: Commissioners Bauer, Fisher, Hammond, Henry, Tibbitts, and Mayor Daane.

Absent: Commissioner Arlen (Commissioner Arlen arrived at 7:33 p.m.)

Moved by Comm. Bauer and supported by Comm. Tibbitts that the minutes of the regular meeting of October 7 and the special meeting of October 7, 1952 be approved as read. Carried unanimously.

Bills were presented in the amount of \$46,396.47.

Moved by Comm. Fisher and supported by Comm. Tibbitts that the bills be allowed as audited and warrants drawn. Carried unanimously.

The following reports were presented by the City Clerk for the month of September: D.P.W., Fire Dept., Police Dept., City Treasurer, Receipts and Disbursements, and Health Dept. for August and September. Moved by Comm. Tibbitts and supported by Comm. Bauer that the reports be accepted and placed on file. Carried unanimously.

A letter from Mr. Gerald Shetterloe requesting that the approval of the City Commission be given his proposed tavern location at 673 S. Main Street was read by the Clerk. Also read was the report of a survey taken of the residents in the area of the proposed tavern as required by the liquor laws of the State of Michigan. The survey showed a majority of the residents were not in favor of any tavern being located in the vicinity. The following residents of the vicinity of the proposed tavern were present and protested personally against any tavern being permitted in the neighborhood:

Mr. Sullivan, corner of Deer and Wing Street.
Mr. A. Dayton, 684 Deer Street.
Mr. Benton, 685 Deer Street.
Mr. Pursell, 639 S. Main.
Mr. Van Loo, corner of Deer and Wing Street.

Moved by Comm. Hammond and supported by Comm. Fisher that Mr. Shetterloe's request be denied. Carried unanimously.

Mayor Daane on behalf of the City Commission and the citizens of the City of Plymouth presented citations of welcome to Charles M. Thompson and Eugene C. Krachenfels who recently returned from active service with the United States Army in Korea.

The following two bids for the \$43,000.00 Special Assessment Street Improvement Bonds were opened and read by the Clerk:

1. McDonald-Moore & Company of Detroit, Michigan with a net interest on the bid of \$4,280.83 equal to 2.1439%.
2. Siler & Company of Detroit, Michigan with a net interest of \$4,974.06 or an average interest rate of 2.49118%.

The following resolution was offered by Comm. Tibbitts and supported by Comm. Bauer:

WHEREAS, the City of Plymouth after having advertised publicly for bids for \$43,000.00 Special Assessment Street Improvement Bonds and has received, opened, and read all bids submitted at this regular meeting of said Commission on October 20, 1952, and has determined the low bidder to be McDonald-Moore & Co. of Detroit, Michigan.

BE IT HEREBY RESOLVED that said bonds be awarded to the McDonald-Moore & Company whose low bid is as follows:

Par value thereof, accrue interest to date of delivery of the bonds, plus a premium of \$ none, for bonds bearing interest as shown below:
\$28,000.00, bonds due July 1, 1953 to July 1, 1958, incl., 2%
\$15,000.00, bonds due July 1, 1959 to July 1, 1961, incl., 2 1/4%
The gross interest on this bid is \$—, net interest \$4,280.83, equal to 2.1439%.

Carried unanimously.
A communication from the Stop and Shop Super Market requesting permission to park the Ralston Space Ship Exhibit in front of the market at 470 Forest Ave. on Monday, October 27, 1952, was read by the Clerk. Moved by Comm. Henry and supported by

Garfield Photo

"YOUR SMILE IS WORTH A DIME!" That's the slogan during Optimist Week currently being observed by the local Optimists. Above President Herb Woolweaver displays one of the cards to which a dime will be attached and awarded to wearers of smiles during an unannounced hour this week. Edward Houghtaling, left, and Matt Fortney, center, are committee members who will join other Optimists in awarding the dimes in downtown Plymouth.

Comm. Tibbitts that the request be granted. Carried unanimously.

A communication from the Plymouth Community Fund requesting permission to hang United Fund flags on the light poles at Main Street and Penniman Avenue and at Ann Arbor Trail and Main Street was read by the Clerk. Moved by Comm. Tibbitts and supported by Comm. Bauer that the request be granted subject to approval by Detroit Edison Company of the use of the light standards. Carried unanimously.

Moved by Comm. Bauer and supported by Comm. Hammond that the receipt of the annual audit report be acknowledged and said audit report be accepted and placed on file. Carried unanimously.

Moved by Comm. Henry and supported by Comm. Hammond that the City Manager be authorized to advertise for library construction bids in the manner outlined by the architect. Carried unanimously.

City Attorney Harry N. Devo read to the Commission his opinion on the title of parts of Lots 225 and 226 Assessor's Plymouth Plat No. 9. Moved by Comm. Bauer and supported by Comm. Tibbitts that the proper city officials be authorized to accept a Warranty Deed from Sterling and Ida Rose Eaton and a Quit Claim Deed from Grace Eaton and also pay them \$7,500.00 less expenses of \$34.00 and the cost of revenue stamps of \$8.25. Carried unanimously.

Moved by Comm. Hammond and supported by Comm. Henry that the conveyance of water mains and pipe lines in Plymouth Colony Farms Subdivision be accepted.

Yes: Comm. Arlen, Hammond, Henry, Tibbitts and Mayor Daane.
No: Comm. Bauer, Fisher.
Moved by Comm. Fisher and supported by Comm. Hammond that the plans for water mains and sewer lines of the Birch Estates Subdivision be accepted with the provision that the following water main easement be included, said easement to be 12' wide between Lots 3 & 4 and Lots 9 & 10 Birch Estates and to be shown on plat thereof so recorded plat will reflect easement; also subdivision furnish city a written grant of easement for both easements in forms suitable to city attorney. Carried unanimously.

Moved by Comm. Arlen and supported by Comm. Henry to accept plans for water and sewer of the Fred Garling's Subdivision No. 2. Carried unanimously.

Moved by Comm. Henry and supported by Comm. Tibbitts that Herald Hammill be appointed as project engineer for both the Birch Estate Subdivision and the Fred Garling's Subdivision No. 2 and any fees charged by him to the City are to be reimbursed by the subdividing corporations. Carried unanimously.

Moved by Comm. Tibbitts and supported by Comm. Fisher that \$2,792.00 be appropriated from the Surplus Account to the Capital Outlay Account of the General Fund to cover the expense of the purchase of 2 Shoup Voting Machines at \$1,396.00 each. One of said machines to be used in Precinct No. 2, the other to be used as a reserve machine. Carried unanimously.

The following resolution was offered by Comm. Bauer and supported by Comm. Hammond:

WHEREAS, the ladies auxiliary of the V.F.W., recognizing the importance of, and the necessity for expanded library facilities, has without request and in the interest of the public, made available \$115.00 to be expended on additional library facilities.

BE IT RESOLVED that this Commission in the name of the City and citizens of Plymouth accepts this contribution and as a token of appreciation directs that a certified copy of this resolution be furnished to the donors by the City Clerk.

Yes: Comm. Arlen, Bauer, Hammond, Henry, Fisher, Tibbitts, and Mayor Daane.
No: None.

The following resolution was offered by Comm. Tibbitts and supported by Comm. Bauer:

WHEREAS, government by the people and for the people is an impossibility unless the people themselves take an active part, and since to fully participate, it is necessary to be a registered

voter, and
WHEREAS, certain of the citizens of Plymouth recognizing these truths volunteered their services to the city to assist in registering as many of the qualified citizens as possible, and

WHEREAS, due in great part to the efforts of these volunteer workers given freely and without compensation of any kind, the City of Plymouth now has approximately 4,600 registered voters.

BE IT HEREBY RESOLVED, that this commission, in the name of the City of Plymouth, and the citizens thereof expresses its gratitude and appreciation to these volunteer workers who have made it possible for the voice of the people to be more clearly heard in the workings of their government, and

BE IT FURTHER RESOLVED, that a copy of this resolution, certified by the clerk, be presented in the name of the commission to each of the following volunteer workers:

Mrs. Henry D. Jensen, Mrs. Nellie E. Bird, Miss Edna M. Allen, Mrs. Iva G. Bentley, Mrs. Lucy E. Ware, Mrs. Cora Bourbon, Mrs. Lenore G. Light, Mrs. Mary G. Sackett, Mrs. Maxine B. Fankow, Mrs. Wildo G. Noll, Mrs. Thelma Phalen, Mrs. Alice V. Strong, Mrs. Grace M. Lewis, Mrs. Pauline Kowalcik, Mrs. Dorothy Stimson, Mrs. Dorothy M. Manwaring, Mrs. Roma B. Wyse, Mrs. Gladys M. Bowen, Mrs. Doris F. Pursell, Mrs. Dorothy Thompson, Mrs. Esther L. Hulsing, Mrs. Doris J. Root, Mrs. Rose M. Holstein, Mrs. Mary G. Wiltse, Mrs. Muriel F. Sondregger, Mrs. Elizabeth Augustine and Mrs. Gladys Tilton.

Yes: Comm. Arlen, Bauer, Fisher, Hammond, Henry, Tibbitts and Mayor Daane.
No: None.

Moved by Comm. Henry and supported by Comm. Tibbitts that the meeting be adjourned.
Time of adjournment: 9:45 p.m.
RUSSELL M. DAANE, Mayor.
LAMONT BEGOLE, Clerk.

Takes Insurance Course in East as PHS Trainee

An 18-year-old "fledgling" insurance agent this week laid claim to being the youngest high school student from Michigan to attend an insurance college, held under the sponsorship of one national insurance concern.

He is Patrick J. Finlan, of 331 Arthur street, attending the North America company's college in Havertford, Pa. as a trainee under Plymouth High school's Occupational Training Program.

Finlan was accepted as an insurance agent trainee in an eight-week survey course that covers fire, casualty, marine and accident insurance underwriting, despite his age. "Ordinarily," his mother, Mrs. C. L. Finlan says, "trainees are not accepted in the insurance college until they are 19."

Mrs. Finlan is herself an insurance underwriter. She operates the C. L. Finlan and Son insurance agency at 893 West Ann Arbor trail.

Following her son's graduation from high school here in January, 1953, Mrs. Finlan says he will help take over the agency's insurance underwriting. Since 1951 he has worked with the agency part-time.

Rocks Remain Undefeated; Tounce Southfield 47-7; Last Game Friday

The high school varsity eleven added another chapter to one of the most successful seasons in many years last Friday night when they smothered a hapless Southfield eleven 47 to 7. The first three times the Rocks had their hands on the ball they marched down the field for touchdowns. They took exactly 11 plays to march 80 yards for their first touchdown, 5 plays for their second touchdown, and 8 plays for the third.

Southfield kicked off out of bounds and the Rocks put the ball in play on their own 40 yard line. Dick Laphear, Ron Ritter and Dave Finney took turns eating up huge chunks of yardage with a pass from Ritter to Dick Huebler adding 20 yards, and Ritter going the last 16 yards for the counter. Jerry Vettese added the extra point with his trusted toe. Casey Cavell kicked off for Plymouth, and after the Rocks had Laphear partially blocked a punt with Plymouth gaining yardage on the Southfield 35 yard line, Bud gained 10 yards on the first play, Finney 5 on the second, Ritter lost one, Laphear added 6 more before Ritter kicked and for his second 16 yard touchdown. Vettese missed this extra point. Cavell again got a kick off down the field, and Laphear charging Plymouth to move unit bottled up the rival Rocks forcing them to punt. Laphear gained a total of 32 yards in this drive, Ritter 29 and Finney 5, with Bud going over the one yard line for the third touchdown. Vettese added the extra point making the score 29 to 0 as the second quarter got

underway. At this point the reserves took over, many of them just up from the junior varsity, and the ball half was merely a romp for them. Four more touchdowns were added in the last half—Laphear added another, and Lee Juve drove 5 yards for one, Bob Angevine one yard for another, and Jerry Kelly counted the last one on a one yard smash. The extra points were divided up so some of the regular linemen could try to score a point this year—Ron Nyhus, a star tackle, ran the ball over on one, Ron Bender, a stellar guard, ran another one across, but Dick Nagel fumbled in his attempt to run an extra point across by a foot.

Denny Luker, just up from the reserves, played a sparkling game and lugged the pigskin 51 yards in 6 carries. Ritter had 99 net yards in 9 carries and Bud Laphear smashed his way to 110 yards in 15 rushes for a 7 1/2 yard average. His average for the entire season is well over 6 yards a rush.

The Rocks made a total of 19 first downs to 4 for Southfield—the Rocks had 17 on rushing and 2 on passes, while their opponents were held for no first downs rushing, three on passing and one on a penalty. Southfield scored their lone touchdown on a neat 50 yard pass play. The Rocks gained a total of 313 net yards rushing to 32 for their opponents.

Cavell averaged 40 yards on his kickoffs, and Jerry Kelly took over the punting chores for the evening—there were only two punts—one for 20 and one for 30 yards. Plymouth completed 2 out of 4 passes, while Southfield was successful on 4 out of 12 attempts.

The last game of the season is over at Garden City tomorrow evening in a game beginning at eight o'clock. The Rocks will be gunning for their ninth straight win and also for an undefeated season.

Between 12,000,000 and 24,000,000 children require medical care each year because of accidents.

Something you want to sell?—Use a classified.

Hail The Champs..The Plymouth Rocks of 1952

PLYMOUTH HIGH SCHOOL'S UNDEFEATED football team is pictured all dressed up for their annual photograph which will be used in the Plythean this year. Top row, left to right, are: Coach John Sandmann, Louis Beaver, Dave Finney, Bruce Campbell, Ronald Raven, Rod Juve, Russell Brown, David Wilkin, Jeff Hubbell, and head coach, Charles Ketterer. The middle row, left to right, are Paul Hamlin, Dick Day, Jerry Vettese, Herbert Olson, Ron Johnson, Gary Gothard, Jerry Kelley, Robert Angevine and William Petraszewsky. The bottom row, left to right, are Ron Ritter, Casey Cavell, Dick Huebler, Pete Lee-mon, Ron Nyhus, Dick Nagel, Ron Bender and Bill Corwin.

Sports Glances

by "Professor" Edgar Brown

Our gridiron warriors had a breather last Friday evening when they walloped Southfield 47 to 7, but the reserves played most of the game and gained some valuable experience under fire which will help them next year. Remember we have a lot of seniors graduating this year from the varsity team, and these reserves will be counted upon to fill their places. From all indications there will be a few fairly good football players coming up next year. This game was a good one to test them out, but Southfield, a new school with seniors for the first time this year, will be more powerful in a few years—it is a school that is coming up much the same way that Bentley High school has come along. Every boy got into this game except Russell Brown who has been nursing an injured leg.

Rocks Try for 9th Win in Last Game

The undefeated Plymouth varsity football eleven will be trying for their ninth straight win, and an undefeated season, tomorrow night when they journey to Garden City for their last game of the season. The Garden City game will prove much more difficult than the Southfield victory last Friday night, and the coaches definitely are not taking the game lightly. The Garden City lads have enjoyed a fairly successful season, and have proved a good defensive team with plenty of scrap when the going is rough. Most of their opponents have been held to a couple of touchdowns or less—they lost to Belleville last Friday night by a score of 13 to 12 when Belleville came through with a couple of key passes for touchdowns. A good Dearborn Lowrey team was held to a 12 to 0 win. If the Rocks win this one it will be the first time a local football team has gone undefeated for a season in well over a decade. The same hundreds of loyal gridiron fans who have been following the team all season will again be pulling for them to gain this important victory. One thing they can expect is that the Rocks will go all out to win this one, and won't have to hold any trick plays back as it is the last game of the season.

The game will begin at 8 o'clock, and will be played at Inks-ter Field on Middlebelt just past Michigan avenue.

Georgia Tech Is Next Game on TV With Crimson Tide

Grant Field in Atlanta, Georgia will be the scene of the "TV Football Game of the Week" next Saturday, November 15, when the Yellowjackets of Georgia Tech clash with Alabama's Crimson Tide in the thirty-third meeting between these southern rivals.

Harriers Finish Second in League

The high school harriers, who recently placed ninth in the Class A cross-country meet, found 6-B competition a little difficult last Friday afternoon on the Riverside course, and came in second in the league meet, which was won by Belleville. Plymouth had defeated each of the league members in dual meets. Belleville's well-balanced team has been improving with each meet, and finished second in the State Class B meet. They won with a total of 46 points to 54 for the runnerup Rocks. Trenton finished third with 60 points, Bentley fourth with 79, Redford Union fifth with 112 and Allen Park brought up the rear with 174 points.

John Balogh finished in second place for the first time this year against B competition when Trenton's Burgor won in 11:05. Balogh barely edged out Bentley's Middlewood for second place. John held back too long before starting his drive and was not able to overtake the smooth-running Burgor. Grieg of Belleville was fourth and Bob Danol of Plymouth finished ninth, Ralph Bakewell seventeenth and Bob Middleton twenty-first.

No Adult Swim This Week

There will be no adult swim tonight as the pool has been let out for the evening according to swim officials. The next regular meeting of the adult group will be Thursday, November 20.

25 Years Ago

On Wednesday afternoon and evening Hotel Mayflower was opened for inspection by stockholders and their friends, and from 4:00 in the afternoon until late in the evening throngs of Plymouth citizens and out of town visitors were shown over the building by members of the reception committee. At 5:30 the Grenoble Hotel, Inc. operators were hosts at a complimentary luncheon comprised of chicken and ham patties, mashed sweet potatoes, buttered finger rolls, orange sherbet and coffee. The high school

band furnished music in the afternoon, and the high school orchestra and glee club rendered musical selections during the evening. H. K. Wrench, manager of the local gas plant of the Michigan Federated Utilities, presented a new schedule of gas rates to the village commission for their acceptance and approval last Monday evening. The new rate schedule was accepted by the Commission by a unanimous vote. The new rate provides for about an eight per cent reduction under the present rate.

Plans are now being formulated for the construction of the first Detroit Free Press model home in Plymouth. This home, which will employ every facility and comfort known to the building fraternity, will be opened to public inspection for at least three months and visitors will be privileged to view perspectives and plans of other models which will be maintained on the premises.

Office space adjoining the lobby of the Hotel Mayflower, has been reserved by Charles Finlan & Son, automobile insurance brokers. This concern has developed a highly productive business

in Plymouth and environs, and in the new ground floor location will undoubtedly increase this in considerable proportion.

Last Friday night about 12 o'clock the fire department was called out by a blazing pile of railroad ties in the rear of the Markham Air Rifle company's plant. Tuesday morning an automobile in the garage at the rear of George Burr's house, on Sheridan avenue, caught fire and the department was again called out. Very little damage was done.

Mr. and Mrs. James Stevens have moved from Burrows street to their new home on Blunk avenue.

The rapid development of Plymouth road as a popular artery between Detroit and this community has necessitated its widening, and county forces are now preparing for the first additional stretch of cement between Telegraph road and division.

James L. Johnson will open a new drug store in the store room at the corner of Ann Arbor and South Main streets in the Hotel Mayflower building. Mr. Johnson has purchased new and modern fixtures for the store, including soda fountain equipment.

If you have a social item or any other local news, phone 1600.

10,000! AND STILL TOPS

Freeman Gosden and Charles Correll, known to millions of radio listeners for the past 25 years as "Amos 'n' Andy," celebrate their 10,000th broadcast Sunday, November 16, over CBS Radio, an unparalleled record in the annals of broadcasting.

Three Pledged at University

Three Plymouth youths attending the University of Michigan in Ann Arbor have been named as pledges out of a record number of 506 students being pledged in 44 social fraternities on the campus.

The three pledges, who have just completed the formal rushing period and will become active members in late February, are David L. Green of Lotz road, Kappa Sigma; Richard Shirley of Canton Center road, Alpha Sigma Phi; and Richard A. Underwood of Sheridan avenue, Sigma Phi Epsilon.

Their first work as pledges was a three-day program of painting and rejuvenating the U-M Fresh Air Camp for underprivileged boys. A twist from the traditional "Hell Week," when heckling and paddling were the symbols of the time, the pledges were sent out to help on this constructive welfare project.

10 Years Ago

Mrs. Mildred Barnes, chairman of the Plymouth salvage committee, and Mrs. Russell Powell, chairman of the Plymouth township committee, have announced that the big drive in this vicinity to collect hosiery for Uncle Sam will start Monday. Mrs. Frank Terry has been appointed and has accepted the chairmanship of the hosiery drive campaign. The government needs every old silk or nylon stocking that can be found—and Mrs. Terry urges the women of Plymouth and vicinity to put forth a special effort to make the collection in this city the largest of any city of its size in the state.

Just one little cup of coffee—that's all members of the luncheon clubs of Plymouth are going to get from now on down at the Mayflower hotel. Manager Ralph Lorenz declares that the hotel's most "liberal" policy in "filling 'em up" again is a thing of the past.

Every effort is being put forth by officials and employees of the Plymouth Coach company to take care of the sudden increase in passenger business that has resulted in recent weeks from the curtailment of automobile traffic.

Probably the first and only person in the United States—maybe in all the world—to have a pair of leaky rubbers "reapp-ed" and put in first class condition for another year's service, lives right here in Plymouth. Probably, too, Earl Fluelling is the first and only tire recapper in the universe to turn his attention to such a little thing as "re-apping" a pair of rubbers for a gent who got his feet wet the other day because his rubbers leaked.

Announcement was made this week by Attorney Dunbar Davis that Nandino Perlongo of Detroit will become his associate in the practice of law in the Penniman-Allen theatre building. Mr. Perlongo is a graduate of the Michigan State college and received his law degree at the University of Michigan some seven years ago.

Robbers sometime Monday night broke into the gas service station located across from the Ford factory in Northville, and blew the safe open and stole over \$200 in cash as well as a large number of pay checks. The station is owned by William Petz, a former resident of Plymouth.

Charles Folsom, son of Mr. and Mrs. E. E. Folsom of Adams street and Miss Myrtle Murray of Bald Knob, Arkansas were united in marriage at the Methodist church in Bald Knob last week. The young couple will make their home in this city.

BREAD STUFFED
Give frankfurters a bread stuffing. Partially cut through the franks lengthwise, then fill with a bread stuffing prepared of small cubes of bread, grated onion and finely chopped parsley. Wrap stuffed franks with bacon slices and bake in a roasting pan on a rack in a moderate oven for about 30 minutes.

BUY YOUR NEXT CAR ON THE BASIS OF ITS RECORD...

The features you want in your car, SAFETY, DURABILITY, PERFORMANCE, are proved in these unbiased tests!

ALMOST every week the make of car you drive is matched with America's other popular makes in stock-car races.

To date this year, Hudsons, just like those you can buy from us, have won 44 out of 52 stock-car races, an all-time record never even approached by any other make.

These victories show beyond question that Hudson's exclusive "step-down" design (with America's lowest center of gravity) gives you road-hugging stability no other car can touch. That's safety! They prove Hudson's Monobilt body-and-frame* is the safest, strongest construction in any car. That's durability!

Finally, this all-time record shows Hudson's high-compression engine has all the power that you'll ever need to get you out of tight spots. That's performance! Thus Hudson gives you more of what you need for your daily driving than does any other car.

So, stop in and see us. See how it feels to drive America's stock-car champion!

Swint Appointed Gen'l Manager of Tank Plant

John A. Swint was appointed general manager of Ford Motor Company's Tank Division at Livonia, succeeding A. C. Moore, who was named general manufacturing manager of the Ford Aircraft Engine Division at Chicago.

The changes were announced today by John Dykstra, vice-president - aircraft engine, tractor and machined products group.

Swint has been chief product engineer at the Tank Division since it was organized in April 1951. He joined Ford's Dearborn engineering staff in 1945, and for almost five years was in charge of truck experimental engineering.

In his new post, Moore will direct operations in engine assembly and test, foundry and forge plants of the division under Maynard T. Murray, division general manager.

Moore has been in charge of Ford's tank program since April 1951, directing activation, tooling, and manufacturing in a new 1,600,000 square foot plant on Plymouth road in Livonia. He came to the Tank Division from Ford International, with which he became associated in 1949.

PUBLIC LETTER BOX

November 10, 1952. To the Editor:

In answer to the character who calls himself H. F. LeMieux, I certainly would like to assert myself. If he had any sense at all he would be able to figure out it is impossible to operate and maintain buses in A-1 condition if you don't have riders. When and if the time comes to warrant more and later service on Sundays I'm sure it will be taken care of. As for getting to these factories and plants—the schedule was made out to help accommodate these people. Of course if you and others like you have to hang around and gossip, well its too bad if you miss your bus, after all, the other people on the bus have homes and they want to get there.

You certainly must be a very small minded person and very stupid, both of these are very evident in your statement about the drivers. Firstly we are all married men and have families and loved ones so therefore are not going to endanger our lives any more than our passengers. Furthermore, Mr. M., showing your ignorance again, if you would use your so-called head you would know the busses can't go over 42 m.p.h. The speed limit is 45 m.p.h. Too bad you don't have the intelligence to

drive and you could try it, then you would have a "birdseye" view of what a driver has to contend with, with passengers like you.

I assure you though, Mr. M., if you ever board my bus and I know who you are, you are in for some thrills you've never experienced—better increase your insurance.

A Driver, Dale McKinney.

Add 9 Members to Roster of 157

The Chamber of Commerce counted a mounting membership this week by adding to its roster nine local business and industrial organizations. Its membership now totals 166.

Newcomers added to the roster are: R. C. Hoffman of Peerless Industries; Harold Gunther and Sidney Schwartz of the E-Z Sew Enterprises; Roy Pursell of Pursell's Office Supplies; Mark Haar of the Asplundh Tree company; William and Fred Beitner of the Beitner Jewelers, Inc.; Clifford Cannon of Cannon's K-F Sales; Ted Box of the Box Bar; and Claude Stratton of the Plymouth Softener Service.

Robert Rotarius Passes Away

Funeral services were held Saturday, November 8, for Robert Frank Rotarius, 22, of 40408 Ford road, who died at his residence on November 5, following a long illness.

He was born March 22, 1930 and resided in this area for his entire life.

Surviving are his parents, Mr. and Mrs. William Rotarius, a brother, Richard, 12; three sisters, Margaret, 20, Rosemarie, 14, and Mary, 8; and his grandmother, Nellie Thayer of Bay City.

Services were held from the Caldwell funeral home with the Reverend Robert Richards officiating. Burial was in Parkview Memorial cemetery.

PHS J-Hop To Be Held December 13

"Moonlight Fantasy" is the theme chosen by the juniors for their 1952 J-Hop. The class has set the big event for Saturday, December 13, in the new high school gymnasium.

Margaret Burr and Dean Palm-er are co-chairmen of the annual affair and have the help of many other juniors.

The ninth through twelfth grades are invited to attend and no special invitations are needed as long as one member of the couple is attending Plymouth High school. If neither one of the couple attends Plymouth High, those wishing to attend may secure invitations from the invitation committee.

Social items can be phoned to 1800.

History Classes Write to Pen Pals Overseas

Johnny Ray rates tops in Australia, too, the world history classes of Plymouth High learned when reading one of the letters received from neighbors across the sea.

What started out to be an experiment has turned into an interesting and profitable project. Gerrit Kramer, social studies teacher, took a class period off a few weeks ago for the students to write a fellow student in another land. Seventy-seven letters were sent going to the countries of Canada, Austria, England, Greece, France, Denmark, the Netherlands, and Australia.

A motion was unanimously passed in the classes to send all the letters air mail. The total postage amounted to \$9.79 with a letter to Austria topping all with a cost of 60 cents.

"Learning about these friends and their lands can be fun when done by way of pen pals. Such things as pets, families, education, climate, crops, exports, entertainment, and hobbies are topics in the letters," students say.

Approximately 55 letters have been received coming from the countries of England, Australia, British Columbia, Denmark, and the Netherlands.

Mr. Kramer says, "I appreciate the reaction of my students in this project. I am more than pleased by the answers we have received. I feel this is building international relations among the future generations and is acquainting the students from all countries involved with other customs and ways of life."

PAN-BROLLING

To pan-broil meat, place it in a heavy frying-pan without added fat or water. Leave the meat uncovered. Cook slowly, turning occasionally, and pour off the fat as it accumulates in the pan. Brown on both sides, season with salt and pepper and serve immediately.

ADDS TO CRISIS . . . Latest in touchy Iran oil situation is news German financial wizard Hjalmar Schacht is en route to Tehran to help solve the country's financial problems.

Best Sellers Available in High School Library

Several books on the best seller list are now available in the Plymouth High library.

Topping the list is "Caine Mutiny" by Herman Wouk, followed by "The Best of the Best" edited by Martha Foley, which consists of short stories from 1915 to 1950. Others are "Conquest By Terror," a story of satellite Europe, by Leland Stowe; "White Fang" by Jack London; "Kingsblood Royal" by Sinclair Lewis; "National Velvet" by Enid Bagnold; "Nineteen Eighty-Four" by George Orwell. On the lighter side are "Filler Up!" the story of 50 years of motoring, by Bellamy Partridge; and "Betty White's Teen-Age Dance Book."

Editors Sort School Pictures

Alex Paskevich, editor of the 1953 Plythean, reports that staff members are busy sorting and identifying the all-school pictures which arrived October 28. They were distributed to the students on November 11.

Grade editors, Mary Stone, Jeannie Walker, Kathy Bernash, Janet Denhoff, Barbara Smith, Dale Houghton, Sandra Penny, Laura Puckett, and Patricia Gakke, are the students responsible for setting up the pages of the various grades. Their work must be finished in order to meet a December 1 deadline.

In addition to the student pictures those of the faculty, seniors, and football action shots are in the process of being made ready for the annual.

LOCAL NEWS ITEMS

Mr. and Mrs. Orlyn Lewis and family have returned to their home in Tonawanda, New York after visiting with his parents, Mr. and Mrs. Carlton Lewis on Hartsough avenue.

Six young people attended a party Saturday night at the home of Mabel Hester on Stark road.

Mr. and Mrs. Carl Hartwick and daughter, Mary Lou and Miss Judy Burgett were Sunday evening dinner guests of Miss Patty Hyatt and her mother in Detroit.

Mr. and Mrs. Michael Vary have gone to Palm City, California, where they will spend the winter months.

Mr. and Mrs. Arthur Mills and Mr. and Mrs. Kenneth Wilske enjoyed dinner at Shuler's in Marshall on Sunday.

Theodore Sieloff of North Holbrook avenue has gone to Bellaire where he will spend the winter.

Mr. and Mrs. Arthur Pharo, Miss Lillian Doench and Mr. and Mrs. J. E. Doench, all of Detroit, were guests Saturday afternoon and evening of Reverend and Mrs. Arvid Burden and their daughter, Allison Lee of North-avenue.

Miss Ilene Powers was honored at a linen shower recently when Mrs. Richard Houston entertained 20 guests at her home on Decosta avenue in Detroit. Plymouth guests included Mrs. Andrew Powers, Mrs. Betty Schneider, Mrs. Ray Rogers, Mrs. Wayne Herriman and daughter, Kay. The rest of the guests were her co-workers at Burroughs Adding Machine company. Ilene will become the bride of Pat Herriman on January 1. She received many lovely gifts.

Mr. and Mrs. Dale Blackmore, the former Hazel Darnell, have returned from a trip into Florida, Kentucky and Ohio.

Mr. and Mrs. Alfred Innis of Riverside drive have left for Florida where they will remain until May. The couple traveled by house-trailer.

The Maccabees will meet at the home of Grace Howard in Detroit on Wednesday, November 19.

Mrs. Edythe Hadley of Dodge street was the honored guest at a luncheon recently which was given by her sister and mother, Mrs. Harold Underwood and Mrs. Charles Foster of Sheridan avenue. The luncheon was in honor of Mrs. Hadley's birthday. Also present for the occasion were Mrs. Edna O'Connor and Mrs. Erwin Hadley.

Walter Cowan of Roe street has returned to his home after having been in Mt. Carmel hospital in Detroit for observation. He is still convalescing at home.

Mr. and Mrs. Carol Creech and son, Benny of Sunset avenue recently visited Staff Sergeant and Mrs. John Naeve of Columbus, Ohio. Staff Sergeant Naeve will soon be stationed some place in the Far East.

Arriving today from Lansing to be the houseguests of Mr. and Mrs. Charles Custer of Hartsough avenue are Mrs. Vern Nielsen and her children.

Tom Benson, son of Mr. and Mrs. Eugene Benson, sang in the Annapolis Chapel Choir on Armistice Day when President Truman placed the wreaths on the grave of the Unknown Soldier. The Bensons were former Plymouth residents.

Mr. and Mrs. F. E. Nicks of Brookline street honored their daughter, Faye, with a birthday dinner at their home, Sunday, November 9. The guest list included, Kathleen Nicks, Jayne Thompson, Jimmy Thompson all of Plymouth and Buford Bevins of Wyandotte.

Mr. and Mrs. Hugo Nagel of 11657 Russell street were surprised on Sunday, November 2, when a group of 50 relatives stopped in to help the Nagels celebrate their 31st wedding anniversary. Dinner was served at 4 p.m. and the guests of honor received many gifts.

SAME OLD ROAD BLOCK

One thing about Michigan elections, with these nip-and-tuck gubernatorial races that hold the final decision way past the normal vote-counting period, folks in this state can get full conversational mileage out of elections. While other states relax and recuperate, Michigan is still waiting to find out who's going to sit in the governor's chair.

The power of the press, so long sneered at by political opponents, demonstrated itself in an almost-overlooked facet of the election: The resounding support of Amendment No. 1, the anti-narcotics measure.

With very little campaigning or advertising and a bare minimum of radio mentions the amendment was brought to the public's attention almost entirely through newspaper stories. That the public read—and remembered—is evidenced in the vote.

MICHIGAN FARM EARNINGS will net about the same in '53 as they have the last two years. So says the Michigan State College department of agricultural economics. Farm prices will be slightly higher; so will agricultural production; so will farm expenses.

On the other hand, the United States Department of Agriculture says: Farm output will be the same as '52; Prices will be slightly down; Net farm income will be down 5% from this year. The Washington prediction was made before the election. So maybe it ought to be taken with a political grain of salt.

LOOK FOR PROPOSED LEGISLATION to make Michigan election officials (a) have adequate voting supplies for all possible voters and (b) report results as soon as possible after polls close. There are laws now . . . but no penalties!

Michigan dairymen are keeping a wary eye on the northward spread of "frozen desserts." Already doing land-office business in Texas, Oklahoma, Illinois and Missouri, where it may legally be sold, the new product is made of vegetable oil substitutes for expensive butterfat and taste much like ice cream.

AMERICAN COLLEGES AND UNIVERSITIES—and Michigan's, too, naturally, are expecting that their enrollment will more than double between now and 1965. Birth rates are doubling. Michigan college heads got a head start by conferring with both gubernatorial candidates long before the election.

LAKE MICHIGAN dropped 7.5 inches in October say the U. S. Engineering Department. It was only the second time in the past 13 months that the lake has gone down but it's still two inches higher than a year ago. August was the worst month for high water and Autumn winds can wreck a lot of damage to shore properties.

Life is getting easier all the time for the lazy man. Now he no longer need go through the laborious process of turning the calendar 12 times a year. A Tecumseh, Mich., firm has just placed an all-electric calendar on the market.

THE STATE LIQUOR CONTROL COMMISSION is working to get "dogs" off its inventory. That canine appellation refers to liquor brands that don't move and keep State funds tied up—or is bottled up the correct term. From here on in, brands will be put on an introductory basis. If Michigan palates don't like the stuff—as demonstrated by sales quotas—out it goes.

MAPLE SYRUP has appeared on many Michigan markets during the past two weeks. The pancake downy is selling at 85c a pint in Lansing.

THERE STILL WILL BE CHICKEN for your Sunday dinner although the egg hatch in Michigan dropped in September. August was 600,000; September 460,000. Michigan Department of Agriculture spokesmen say its just seasonal, though, and the hatch was still a September record and 7% above September of '52.

"I'm a stranger in town myself." If a Detroitter should say that to you, he probably isn't fooling. Sixty per cent of Detroit's inhabitants came to the city as adults.

The largest group (14%) came from the South; 11% came from outstate Michigan. Thirty per cent lived on farms before coming to the Motor City.

Ninety-eight per cent have religious preferences, 56% Protestant and 37% Roman Catholic. But only half belong to a church. A team of 30 graduate students and professors of the University of Michigan made the survey of which this information was only a small part of the total statistics obtained.

IN INDIANA, one fourth of all 1,247 fatal accidents in the state last year involved commercial trucks.

Michigan is paying special attention to the commercial truck driver. For the second year, Michigan State College is offering a course for drivers. Surveys show that if a driver is delayed in leaving his terminal, his desire to make up lost time is often a factor in accident. So MSC goes right down to that root and offers a course for warehouse foremen, too.

FRONT-AND-BACK license plates have the endorsement of State Police Commissioner Joseph A. Childs. The Michigan Municipal League has asked the Legislature to restore the front plate, eliminated as an economy measure but decry by most law enforcement officers.

40. In other words, after considering both inflation and increased book value, the Industrial Average—now at 270—could easily go back to 172, or a decline of about 100 points.

POSSIBLE MARKET DECLINES

The above adjustments, however, are largely theoretical. Stock prices depend more upon emotions than on statistics. Furthermore, a change in customs or new inventions may raise havoc with mathematics. For instance, the railroads have high book values, making their stocks, theoretically, worth very much more than they are selling for; but this does not make people ride on the railroads! It does not prevent people from using automobiles and trucks. Hence, a forecast of stock prices should not necessarily place too much dependence upon politics, even when conclusions are adjusted to inflation and book values.

In the long run, stock prices are determined by: (1) Earnings of corporations; (2) The amount of funds available for investment; and (3) The confidence of people to buy stocks, which must have increased since November 4th. There are three other factors, however, which could determine stock prices during the next two years. These are (1) the action of labor unions; (2) the growth of foreign imports; and (3) the recklessness of domestic competition and price cutting. All of these factors now indicate the stock market could decline 100 points, notwithstanding last week's great Republican victory.

WHAT IS TODAY'S BEST BUY?

Every reader is justified in asking how he can capitalize on the recent great Republican victory. I have a definite answer—namely, "Buy Dollars." Today Dollars can be purchased for fifty-three cents. I believe they are the best bargains that there are today. Furthermore, whatever else the new Republican Administration is able to accomplish, it should make these Dollars worth more money both at home and abroad. For the time being—as long as we avoid World War III—inflation may be at an end.

BABSON DISCUSSES ELECTIONS AND STOCK MARKET

New York City, November 13— I saw more smiles on November 5 than I have seen for several years. Knowing of my interest in Florida, my friends have been congratulating me that Florida "voted Republican." I, however, cannot forget that the last and only other time Florida voted Republican was in 1928. Although everyone likewise smiled then, yet within less than a year we had the Panic of 1929. I do not believe that history need now repeat itself; but the Dow-Jones Industrial Average could go off 100 points. I say this after allowing for both inflation and the Vast Sums which these thirty big corporations, the stocks of which compose this Industrial Average, have plowed back into their businesses since 1929.

INFLATION AND BOOK VALUES

You will naturally ask: "What about inflation since 1932—which should prevent the next 'lows' from reaching the 1932 figures?" This is a fair question. Well, in 1932 the value of our dollar, in terms of wholesale commodity prices, was \$1.50. Today this value is 53 cents. This means that we would be justified in multiplying the 1932 "low" of 40 by 2.8. This would be equivalent to a theoretical "low" of 112 for today.

Many corporations since 1932 have put back into their businesses large sums of money without increasing their indebtedness or the number of their outstanding shares. On the average, this amounts to a total estimated figure, after depreciation, of 60% for the twenty years. This could also be added to the 112, to make a figure of 172, which could now be compared to the 1932 "low" of

UNKLE HANK SEZ

Chips from the ROCK

Plymouth's street decoration problem is again stymied by the lack of funds. This is an age old problem and it always becomes a stalemate just at the time of year when Christmas decorations should be up. Local merchants have subscribed \$1,600 for the project but another \$700.00 is needed to complete the job. We think the city should put up the money and do it now. The Detroit city council appropriated \$14,000 to underwrite the entire cost of the decorating of their downtown streets.

Commercial teacher, Edgar Brown, is supporting a new kind of a brush hair cut and its not the result of the election, like Stop and Shop's Jay Rucker's. Jay got his trimming as a result of a misplaced election bet but "professor" Brown received his unorthodox trim at the hands of his four year old son, Bobby, who had fun with the shears while dad took a nap on the davenport.

Jerry Pease of the Pease Paint and Wallpaper store was so pleased with the window painting done by high school students on the windows of his store for Halloween that he plans on entertaining the group that did his windows, at a dinner party.

Sammy Suffrin, owner of Detroit's Wonder Bar, said Max Todd had to spend all day Wednesday and Thursday at his popular eating place paying off election bets to the many manufacturer's agents who dine there daily. Max predicted a Democratic landslide. On the other side of the fence was Northville Mayor Conrad Langfield, who spent Wednesday at the D.A.C. collecting his winnings. He said it was like all the way.

Imagine the consternation of the Penniman avenue mother that called her six-year-old daughter from a neighbor's house and asked her to take weiners from the refrigerator, cover them with water and start them warming for lunch. A few minutes later the daughter called back and said even though she filled the pan with water she couldn't get them covered.

It just takes a couple of strong gusts of winter wind to transform Ann Arbor trail and Main street into one of the most impressive rubbish dumps to be seen in this part of the state. A vacuum from the central parking area seems to carry all of the opened packing boxes, excelsior and wrapping boxes from local stores out on to the main streets. Walking down Main street on Friday you were ankle deep in refuse no matter where you stepped. It was at least two days before the trash was cleaned up.

Daisy's Cass S. Hough was elevated to chairmanship of the National Council of Profit Sharing Industries at their annual convention in Philadelphia last week. Mr. Hough was one of the instigators of the organization and it was through his efforts and interest that a profit sharing plan was put in operation at the Daisy Manufacturing Company here in Plymouth. Daisy was one of the first companies in the country to adopt the program.

A little bit of South Carolina is "blooming" at Stone school, at Curtis and North Territorial roads. Mrs. Henry Prough, of 8321 Joy road, reports that a cotton boll on one of the plants she gave to the science lab is ripe for picking, with other plants now in bloom threatening to increase the cotton yield. Transplanted in the science room flower box from her garden. Mrs. Prough says the plants were given to her by a friend from South Carolina.

It seems that two local hunters traveled to Michigan's beautiful north country this past weekend but chose the wrong places to seek out their game. After spending the better part of the day beating their way through cold brush, swamp, and woods without success, they returned to the car. When they started the engine to leave, three fine partridge flew up from beneath the car and winged a hasty retreat!
