START LIBRARY REMODELING

\$39,013 Construction Bid for "Base" Addition of \$89,000 Library Gets OK

A \$39,013 contracting bid for construction of a "base" addition to Plymouth Dunning Library got unanimous approval last week at a special hearing before City Commissioners.

It was last July Commissioners rejected a \$36,900 bid for the same structure due to what they called "lack of funds."

The "off again, on again" construction bids were resubmitted again last month, with the \$39,013 figure submitted as the low bid.

Earlier, Commissioners set aside \$36,000 for the new structure. It was made possible when a 1951-1952 annual audit disclosed a \$43,000 surplus in city coffers.

The way is now clear to begin immediate construction on the base addition, part of an ambitious \$89,000 library building project being undertaken by the city.

The first part of a new, modernistic library facility, the "base" addition will be attached to the rear of the present frame dwelling that houses the library.

The remaining front part of the projected new facility, to cost an estimated \$51,000, will be constructed as funds become available, probably some years from now. It will be attached to the

Top city dignitaries will officiate at ground-breaking ceremonies next Monday at 4:30 p.m., turning the first spadeful of ground at Dunning Library as a prelude to actual construction work to get underway here soon on the first addition to a modernistic library.

Mayor Russell M. Daane, City Commissioners and other administrative officials will be on hand for the ceremonies.

base addition, taking the place of the present frame structure to be torn down sometime in the future.

The latest construction bids came in for close scrutiny by Commissioners before approval. Heading off possible defeat of the library project, Commissioner Floyd Tibbitts told fellow members that "we have already lost over \$2,000 in delaying bids," emphasizing that higher construction costs might result from added delays.

Concurring was Mayor Russell M. Daane. He pointed out that the long dreamed-of library project was a cultural step forward. "It will not only beautify the city," he said, "but prove a valuable educational adjunct, appealing to the entire city."

Construction work on this phase will begin immediately. To be completed sometime next June, the base addition will provide additional reading room, storage space for a rapidly increasing library circulation, a new heating plant and rest room facilities.

Elks Will Bring Blood Bank Here December 11 - 12

The Plymouth Lodge of Elks, No. 1780, will stage a "Plymouth's Blood For Korea" campaign with a goal of 500 pints of blood from residents of the community.

Mr. Keyes said that the campaign will be launched on Thursday and Friday, December 11 and 12, when the Red Cross Bloodmobile makes the first of a series of visits to Plymouth under the Elks auspices.

A drive to sign up blood donors will get underway immediately, Mr. Keyes said, emphasizing that the campaign will not be confined to Elks but will cover the general public.

Early Edition Next Week

Because of the Thanksgiving holiday next Thursday, The Plymouth Mail will be published one day early. As in the past, we urge advertisers to cooperate by planning their copy early.

Local School to Be Given Award

Safety patrols and teachers at St. Michael school in Livonia and Starkweather school in Plymouth will be honored Wednesday, November 26 when the schools receive Automobile Club of Michigan's Traveling Safety Cup award.

St. Michael and Starkweather schools are among 80 schools selected for this honor from over 2,000 Michigan schools in the program. The cup is awarded for superior school safety programs and efficient work of safety patrol members in guarding school corners during the 1952 calendar year.

Fluorine Ruling Shelved as Barber Warns of "Inconclusive" Proof

Terming evidence favoring the use of sodium fluoride as "inconclusive," City Commissioners Monday night at a bi-weekly meeting turned hands down on the use of the tooth decay "determent" in the city's water supply.

This decision came after Dr. R. R. Barber, city health officer, recommended that any motion fa-

Kiwanis Hears Movie Critic

The role of the movie industry plays in bringing us a better way of life was discussed Tuesday night by Dick Osgood, Detroit Free Press columnist and WXYZ news commentator, before the Kiwanis club of Plymouth.

Drawing a parallel between the ideals of Kiwanis and the average movie story, Osgood pointed out that had never wins out over good. He stated that in addition to the message brought to the movie goers of the world, the great majority of actors and workers of the film industry were themselves people of high moral standards.

\$500,000 Sewage Interceptor to Step Up Expansion in Township

Construction work on a \$500,000 sewage interceptor system gets underway here early in 1953, helping speed up development of a whole new industrial and residential area, mounting, perhaps, into millions of dollars.

Scheduled to be completed in two years, the interceptor system will service the south portion of the city and Plymouth township, reveals Charles Rathburn, supervisor of Plymouth township.

The project is part of a \$5,000,000 Southfield interceptor pro-

gram being planned by the Wayne County Drain Commission.

Predicting rapid development with the tossing out of septic tanks, Rathburn also reveals at this same time a move to blanket the township area with Detroit water lines. Still in the "incubator" stage of planning, a five-year plan, Rathburn says, calls for a hookup with Detroit's unlimited water supply.

"There is a definite fear," he declares, "that Plymouth's water supply will be inadequate in the expansion program that is bound to take place here."

He indicates that with unlimited water and sewage facilities, the last obstacles delimiting expansion here will be removed.

A county surveying team is already at work, Rathburn notes setting up the right-of-way for the branch interceptor system serving the township. Hookup into the present Rouge interceptor will be made at Southworth street and Edward Hines Drive.

From there it will go south to Joy road, then east to Sheldon. Spur lines will be hooked in to the branch interceptor, serving an area as far as a mile south into Canton township.

As chairman of the Wayne County Sewage Disposal and Water Commission, Rathburn has been instrumental in developing

the Western Wayne county sewage interceptor system.

"We've been pushing this project for three years," he states. "We're going to get it through as fast as possible."

Rathburn notes that adequate sewage will improve the health of township dwellers and remove the constant fear of any disease outbreak.

"We want our school children as healthy as possible. It seems to me," Rathburn asserts, "that if we gain that objective through adequate sanitation, we have gained an objective of incalculable worth."

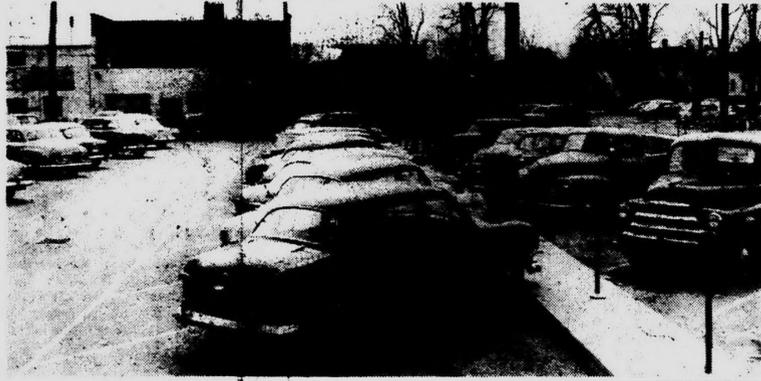

He also sees other benefits being derived from the sewage interceptor system:

- 1. "Development of the south-

BULLETIN

Arrangements were completed yesterday afternoon for the lighting of Christmas street lights on Thanksgiving evening in Kellogg Park, according to Chamber of Commerce secretary Nat Sibbold. The high school quarter will sing and it is hoped to have the band on hand for the event which will be held at 7:30 p.m. Dr. Henry Walch will give a short Thanksgiving prayer.

Gatfield Photo

DEVELOPMENT OF CITY PARKING LOTS continues as final installations of curbs and parking meters in the central area is completed this week. Development of this lot provides parking for 130 cars in the center of the downtown shopping area and revenues from the meters will be used entirely for purchase and improvement of additional areas throughout the city.

Gatfield Photo

WORKMEN ARE LOSING NO TIME on the east central lot in the rear of the Penn theatre and The Plymouth Mail. Buildings are now all torn down and bulldozing and filling of this area will be done this week. An entrance way is now being built to the lot in the rear of the Masonic Temple. When this section of the lot is done it will accommodate at least 50 cars. City officials stated Tuesday that the first item of work scheduled for spring is the black topping of these two lots.

City May Condemn Property Sought for Off-Street Parking

A threat by a local property owner to charge the city with trespassing and a threat to condemn a strip of property loomed today as City Commissioners last Monday got tough.

Scene of a two-cornered property fight is a 1,300 square foot strip of land bordering the south side of the Central Parking lot, owned by John H. Jones of 936 West Ann Arbor trail.

Sought after by the city for off-street parking, negotiations by city fathers to buy the land have so far failed.

Stumbling block to current negotiations, city officials said, is a final agreement on the property's value. In line with other property the city has bought for off-street parking, the city has agreed to pay 50 cents a square foot for Jones' property. Amounting to an estimated \$650, Jones is seeking \$2,500 for an irregular shaped

strip of land at the rear of his property, adjacent to the parking lot.

Mayor Russell M. Daane emphasized at this point that "I had hoped that Mr. Jones would be civic minded enough to sell his property for the same price per square foot as others have, in cooperation with the city in this expansion program."

City Manager Albert F. Glassford said Jones threatened the city with court action, charging that the city trespassed on his property months ago when a portion of the Central Parking lot was being graded and gravelled.

Disavowing responsibility for the alleged trespass, Glassford said contractors had been warned against using Jones' property. Glassford ordered posts installed, separating the properties while agreements are sought.

Pending outcome of a conference between city officials and Jones, the city may seek the courts to acquire the property for additional parking facilities, commission members indicated.

Acquisition of Jones' property would complete the Central Parking lot.

Community Fund Completes Listing

Listed below are the Community Fund campaign receipts of over \$10 received since the close of the drive. This is the final listing for this year to appear in The Plymouth Mail.

Table listing community fund campaign receipts including Burrough's Employees, Better Home Appliances, D. A. Burleson, Elmore L. Carney, OD Consumers Power Co., Chatham Machine Co., Richard Daniel, John J. DeMott, Jr., Eckles Coal & Supply Co., Russell E. Egloff, Kaiser-Frazier Corp., Kaiser-Frazier Employees, F. B. Mours, DDS, Mr. and Mrs. R. B. Fenton.

Hog Disease Wanes

Hog quarantines were lifted Tuesday in Canton and Northville townships as vesicular exanthema, a virus disease that affects swine, appeared waning.

The quarantine against moving hogs from eight counties was imposed by the State Agriculture Department when the fast spreading disease was first discovered.

The ban was also lifted from Green Oaks township in Livingston county, eight townships in Washtenaw county as well as four townships in Genesee county.

Study Salary of Municipal Judge

City Commissioners, at a date yet to be announced, will sit as a committee of the whole to examine and establish the salary of Plymouth's municipal judge for the next six years.

This was revealed last Monday at a bi-weekly meeting, when City Manager Albert F. Glassford informed Commissioners that slightly over a month remains before the municipal judge's salary, under charter regulation.

Official Says Ford Tank Made Here Deadliest Weapon in U.S. Arsenal

Before a full house in the Mayflower Room of the Hotel Mayflower November 12 the Plymouth Chamber of Commerce paid tribute to its past officers and directors and greeted its new president for 1953.

The occasion was the annual meeting attended by approximately 100 members representing retail, professional and industrial interests in Plymouth.

Presiding over the meeting was Frank E. Henderson, who introduced special guests and entertainment by the Lyra Male Chorus of Ann Arbor.

A preview of things to come at the Ford Motor Company's tank plant on Plymouth road was revealed by Guest Speaker Harold Lane, Jr., industrial relations manager. He was introduced by Dr. Walter W. Hammond.

Liquor-by-Glass Defeat Now Official

An official canvass of votes polled on local Proposal Number One by City Commissioners last week failed to turn up any discrepancies in votes cast for the proposal during the November 4 general election. Official tabulations show the liquor-by-the-glass proposal was defeated 1,795 to 1,266. Nearly 600 voters here failed to poll on the measure.

A call for cooperation and constructive suggestions in Chamber planning for 1953 was called for by President-elect Ralph G. Lorenz. "Instead of presenting a new program for you to approve," said Lorenz, "I'm turning the tables and asking you to provide ideas and guidance for the new year." Pointing out the great need for customer parking and other facilities, Lorenz stated that new competition must be recognized and fought with determined effort.

Pinch-hitting for Past-president Harry Roberts, James Houk commended officers, directors and members for their cooperation during the past year and presented special plaques to Directors Frank Arlen, Robert Marsden and Robert T. Waldecker.

A great deal of interest was centered on Lane's tank plant talk which dealt in some detail with the "T-48 Patton" tank. "Military experts call it the finest tank ever produced," said Lane. Pointing out that many details concerning the tank were classified "top secret," Lane nevertheless revealed many facts about its structure and performance.

Weighing 50 tons, it is powered by a V-12 air cooled engine which develops 810 horsepower, he said. Able to travel over 35 miles per hour, he revealed that the T-48 was capable of climbing grades of

40 degrees. Referring to it as the "deadliest weapon in the United States arsenal," Lane said it is armored with a 90 mm cannon, two 50-cal. guns and one 30-cal. machine gun. "The T-48 requires no shifting of gears, will manipulate sharp turns, span eight-foot anti-tank ditches, and offers max-

Scrolls Presented to Bank Officials

Two top banking officials from the Plymouth Branch of the First National Bank of Detroit were honored guests last Thursday at a Hotel Mayflower banquet held in their honor by the Board of Directors of First National.

The testimonial dinner was held for Vice-President Floyd Kehrl, of the Main street bank, and Asst. Vice-President Jack Taylor, of the Pennington branch. Each of the officials was presented with a wrist watch and a scroll citing "appreciation for their years of service" in helping successfully direct the affairs of the bank.

The dinner was attended by 65 bank officials, stock holders and friends from areas as far away as Grosse Pointe, Detroit, Livonia, Northville and South Lyon.

V.F.W. News

Virginia Bartel and Mr. and Mrs. Robert Smith made a special trip to the annex at Maybury on Armistice day.

Sunday, November 16, Alice Armstrong, Hilda Rorabacher, Marian Warner, Vivian Haar, Jane Dickman, and Ann Smith made the monthly hospital trip to Maybury. Christmas card orders were taken. The patients also stated their choice of Christmas gifts. Pajamas were the main item. Christmas cards will be delivered in about a week.

We are still looking for new and used toys for the rummage sale to be held December 5.

Corinne Clark and Madolyn Hartford attended Wayne county council on Monday, November 17.

Mrs. Wilbur Ale Guest Speaker For Methodist Congregation

Thank Offering Sunday was observed in the First Methodist church last Sunday, November 16, during the regular church service. Special speaker for the occasion was Mrs. Wilbur Ale, of the Central Methodist church in Detroit. Mrs. Ale, who is a well known member of the Woman's Society of Christian Service was the first president of the Detroit conference of the W.S.C.S. She chose for her Sunday topic, "Where are the Nine?"

There was a good attendance at the service and the money realized from the Thank Offering will be used for missionary work.

Many Attend Story Hour

Story teller, Agnes Pauline will narrate thrilling tales to youngsters who attend the story hour held each week at the Plymouth branch of the Wayne County library every Tuesday afternoon at 4 p.m.

All children of the Plymouth area are welcome to attend these sessions. There is no specific age limit.

According to some persons the difference between the present and the past generations is the past believed in hiding both its sins and its shins.

Mr. and Mrs. Donald E. Beaver Honeymoon in Eastern States

Mrs. Donald E. Beaver

The Church of the Nazarene was the setting Saturday evening for the wedding of Stella M. Brown to Donald E. Beaver, Stella is the daughter of Mr. and Mrs. Robert Brown of Cadillac road. Mr. and Mrs. Clyde Beaver of Ford road are parents of the bridegroom.

Reverend William O. Welton officiated at the 8 o'clock ceremony.

The bride approached the candle lit altar on the arm of her father. For her wedding she chose a dress of white net over satin with sequins around the neck and scattered on the skirt, and a fingertip veil. She carried a white orchid over a white Bible.

Fire Destroys Television Set

An afternoon of football viewing was rudely interrupted last Saturday when a console-model television set suddenly burst into flames at 728 South Main street.

The set was valued by its owners, Dr. and Mrs. Lancel S. Wright, at an estimated \$400. It was completely destroyed in the blaze touched off when its viewers failed to notice packing case paper stuffed inside the set, received in a shipment just a few days prior.

The loss is covered by insurance.

Local Teacher Guest Speaker at Book Club

Members of the Plymouth Library Book Club will meet at the home of Mrs. S. W. Spicer of East Ann Arbor trail, on Tuesday evening, November 25 at 8 p.m.

Guest speaker will be Miss Sarah Lickly, local high school teacher, who will give an account of her recent travels in Europe.

BIRTHS

Mr. and Mrs. Donnell Montgomery announce the birth of a son, Donnell Wayne, born on November 9 and weighing six pounds, four and one-half ounces.

Mr. and Mrs. Robert Warner of Evergreen street are receiving congratulations on the birth of a son, Gary Robert, born Monday evening, November 10 at Mt. Carmel Mercy hospital, Detroit. The young lad weighed in at seven and one-half pounds.

Mr. and Mrs. L. A. Shipman of Menasha, Wisconsin are happy to announce the arrival of a daughter, Martha Louise on Saturday, November 15. The baby weighed seven pounds and 12 ounces.

A baby girl weighing seven pounds, nine ounces was born in the U. S. Naval hospital at Oakland, Calif., November 2, to Mrs. Virginia A. McCoubrey, wife of Lt. (jg) David L. McCoubrey, of 150 Robbins road, Watertown, Mass., and Mrs. McCoubrey is the daughter of Mrs. Avis E. Waldecker of 391 Joy St., Plymouth. The baby, named Catherine Elizabeth, is the first child for the McCoubreys who are residing at 1256 Stanyan St., San Francisco.

Proud parents of a son, Thomas John, are A. Ic and Mrs. Thomas J. Hirzel of Northville road, Thomas John, Jr., was born in Sessions hospital on November 11 and weighed five pounds and 13 ounces. His father, A. Ic is stationed in Alaska. Mrs. Hirzel is the former Ann Donnelly of Gloversville, New York.

Stubborn Brush Finally Doused at Township Line

A stubborn brush fire that burned for more than a week in Nankin and Canton townships was finally doused last Saturday.

Canton firefighters report that the stubborn fire that burned from five to 10 acres of underbrush first started in Nankin township.

Fanned by southerly wind, the brush fire, with no respect for township boundaries, blazed over into Canton cutting down some trees and acres of undergrowth along Koppernick, Hannon and Warren roads.

Firemen from Canton said they battled the brush fire for over a week but were unable to squelch it. Smoldering and blazing up periodically, firemen finally saw the fire die out in the northwest corner of the township along C & O railroad tracks.

There was no damage to farm buildings, although some observers became alarmed when it approached their buildings.

Music Center Adds Instructor

This past week the Plymouth Music Center has added a professional accordionist, Jerry Hoelscher, to its staff of instructors.

Mr. Hoelscher attended the School of Fine Arts of the University of Nebraska, graduating in 1949 with Bachelor of Music and Education degree. Following his graduation he was employed as a music supervisor at Highland, Kansas, conducting high school band and mixed choir.

While serving in the armed forces, Hoelscher entertained with one of the many Special Service units. Upon his release from service this past September he contracted for an instructorship with the Plymouth Music Center. He will make his home in Plymouth.

New Plymouths Go On Display

New Plymouths go on display publicly here and elsewhere throughout the state today.

Announcing details of its 1953 model cars, Chrysler's Plymouth Division also discloses price cuts that run from \$38.08 to \$78.45. Other body styles show prices unchanged or nominally lower.

Featured in the new Plymouths are streamlined exteriors, an improved silhouette achieved from lowered height and more headroom. Engine compression ratios have been increased slightly as well as the horsepower output.

The engine's output has been raised to 100 horsepower at 3,600 revolutions per minute, and compression ratio is up to 7 to 1. These changes, have but altered slightly the engine's basic design.

A one-piece, more uniform curved windshield and a larger, one-piece rear window that extends into each rear quarter panel are noteworthy changes in the body styling. The front seat is divided at one-third its width, in two-door models, permitting easier entrance and exit for rear-seat passengers from the curb side.

In all the 1953 models, rear fenders are integral with the quarter panels. The filler pipe for gasoline is at the left corner of the rear sill.

Being put into production are nine different body styles. Four of the 1953 lines will be in the Cambridge line and five in the Cranbrook. An innovation in the Cambridge business coupe is a removable rear seat to provide increased luggage space.

Following other Chrysler lines, Plymouth has numerous optional extra cost items, including automatic overdrive. Automatic transmissions have not yet been announced although rumor persists the Plymouth engineers currently are working on one.

Adding to the appearance of the 1953 models is the grouping of the operating instruments on the dash panel. Instruments are grouped in a long, horizontal (island) set into the instrument panel. The glove compartment is center-mounted on the panel, convenient to both driver and passenger.

IS THERE A BETTER PLACE FOR YOU, MR. MERCHANT, TO PLACE YOUR CHRISTMAS MERCHANDISE MESSAGE?

NEW TREATS FOR THE HOLIDAYS MADE EASY WITH CANNED FRUIT COCKTAIL.

Marguerite Michelsen

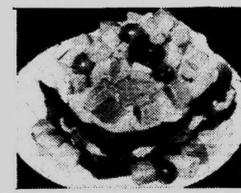

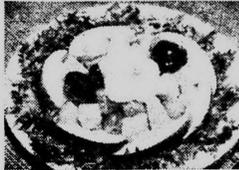

FRUIT ICE CREAM SWIRL—exciting, inexpensive, easy dessert with a rainbow all through it! Chill and drain a No. 2½ can of fruit cocktail. Prepare 1 package strawberry-flavored gelatin as package directs. Chill until set. Arrange fruit cocktail, gelatin, and 1 pint vanilla ice cream in layers in tall glasses. Serve at once. Serves 6 to 8.

The five luscious fruits which are combined in California fruit cocktail—golden cling peaches, pears, pineapple, grapes and cherries, make a perfect dessert when simply chilled and spooned from the can but can be used to make easy appetizers and salads as well as holiday desserts. Because the fruit is close-packed in each can it is an especially economical buy too.

FESTIVE SHORTCAKE—easy as you wish! Cut white cake into slices, using cake made at home your favorite way, or pound cake from your bakery or grocery store.

Make dessert "sandwiches" with bright canned fruit cocktail and whipped cream as filling and topping.

RED CIRCLE FRUIT SALAD—quick, thrifty! Chill and drain 1 can fruit cocktail. Arrange thin slices of unpeeled red apple in circle on salad greens. Fill center with fruit cocktail.

Top generously with your favorite mayonnaise or salad dressing.

THE STARS
DON McNEILL'S "Breakfast Club" will not double into TV this fall after all . . . It was decided a simulcast would be too expensive . . . Many an artist wishes he might do the sort of "concert tour" Dean Martin and Jerry Lewis are due to start in October . . . They figure to rake in \$100,000 . . . Looks as if the much heralded Charles Laughton show won't debut until next January . . . Faye Emerson plans to return to television in a daytime NBC spot this fall . . . Can't keep a good woman down . . . The music of Richard Rodgers' "Victory at Sea" which premieres next month on NBC-TV, is the talk of music and video circles . . . Said to be his most profound creative work to date.

Lily Pons and Andre Kostelanetz will perform for London audiences during Coronation Week next June . . . Radio Theatre, long-time Monday night favorite, is still shopping around without luck for a successor to William Keighley . . . Cecil B. DeMille doesn't appear to be slated for his former job as the show's emcee . . . CBS is auditioning to replace Cathy Lewis as co-star on Marie Wilson's "My Friend Erma" . . . Could it be that Marie doesn't like being overshadowed by the far more talented Cathy?

PLATTER CHATTER
COLUMBIA—This company has come up with an inspired album featuring The Chordettes, the lovely barber shop quartet from Arthur Godfrey's show . . . They do a collection of lovely, sentimental melodies in a nostalgic mood that is most appealing . . . Included in their excellent repertoire are such standard favorites as "S'posin'," "Sentimental Journey," "Basin Street Blues," "Kentucky Babe," "Carolina Moon," "Sweetheart of Sigma Chi," "Angry," "Drifting and Dreaming," "Anniversary Waltz," "Little Street Where Old Friends Meet," and several others.

Jerry Hoelscher

- Will teach beginning & advanced students—children & adults.

To Hold Creative Arts Festival Here, April 10-12

A Creative Arts Festival will be held here next April, reveals Herbert E. Woolweaver, director of recreation and adult education.

Hobby exhibits made up of personal creations by beyond-school-age persons will mark the three-day festival that will give local Theatre Guild artists an opportunity to display their talents. Also included in the festival, Woolweaver says, will be a recital by the Plymouth Symphony Society, and a square dance talent exhibition backed up with "live" music.

To be held from April 10 to 12, exhibits on display will include paintings, ceramics, sewing, needlepoint, china and textile painting, pottery, silver smithing, and copper and brass work. Rug weaving and flower arrangements from garden clubs and florists will also go on display.

The festival will be held at Plymouth High school.

Helping organize the unique festival, the first of its kind ever held here, are:

Maxine Willoughby, H. E. Woolweaver, Roberta Steele, Wayne Dunlap, Harry Draper, Adel Miller, Mr. and Mrs. E. J. Cutler, Lila Humphries and Russell Isbister.

Also included are: Bob Wesley, Carvel Bentley, Bob Carson, Henry Ponitz from Lansing, Fred Nelson and Larry Livingston.

There are a lot of women who suffer from car sickness. That is, it makes them sick to think a neighbor has a better car than they have.

They still put a lot of money into clothes but the girls don't put as much of themselves into them as they used to.

Farmers Offered Winter Factory Jobs

Farmers living near Plymouth can find interesting winter jobs at good pay in local industries. Clarence Jetter, Manager of the Plymouth office of the Michigan Employment Security Commission, said today.

"We have hundreds of good job openings waiting for men who can do a day's work," Mr. Jetter said. He also pointed out that the jobs are for skilled, semi-skilled or unskilled workers. A man with any industrial experience at all can be placed at his highest skill. "This is more than just an appeal for industrial workers," Mr. Jetter said, "and the men we place will be contributing to the defense effort. Much of the work of local industries goes directly into the sinews of war."

Mr. Jetter also pointed out that many workers will be needed between now and Christmas in retail establishments. There are also openings for office workers, such as clerks, typists and stenographers at the present time.

Mr. Jetter urged any unemployed worker to register with the MESC. The office is open 8:30 a.m. through 4:30 p.m., from Monday to Friday. It is located at 585 W. Ann Arbor trail in Plymouth.

Attorney: J. Rustling Cutler
 193 N. Main Street
 Plymouth, Michigan

STATE OF MICHIGAN, COUNTY OF WAYNE, ss.
 No. 399,743
 At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the thirteenth day of October, in the year one thousand nine hundred and fifty-two.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of MADISON POWELL, Deceased.

Esther Powell, Executrix of the last will and testament of said deceased, having rendered to this Court her first and final account in said matter and filed therewith her petition praying that the residue of said estate be assigned in accordance with the provisions of said last will.

It is ordered, That the second day of December, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

JAMES H. SEXTON,
 Judge of Probate

STATE OF MICHIGAN, THE PROBATE COURT FOR THE COUNTY OF WAYNE, ss.
 No. 402,013
 In the Matter of the Estate of NICHOLAS N. BILKAS, deceased, known as NICHOLAS N. BILKAS, NICHOLA N. BILKA, NICHOLAS NACOFF, NICHOLAS N. BILKAS, NICHOLAS NACOFF, NICK NACHOFF, NICHOLAS NACOFF, NICK NACHOFF, NICHOLAS BILKAS, NICK M. BILKAS, NICHOLAS N. BILKA and NICHOLS N. BILKA, deceased.

Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to send a copy thereof upon EMMA MILDRED BILKAS, ADMINISTRATRIX of said estate, at 402 Montgomery St. Detroit 4, Michigan, on or before the 28th day of January, A.D. 1953, and that such claims will be heard by said court, before Judge James H. Sexton, Judge of Probate.

In the Matter of the Estate of GAYLE M. DONNELLY, Deceased.

On reading and filing the petition of Edythe M. Donnelly praying that administration of said estate be granted to Anne C. Donnelly or some other suitable person.

It is ordered, That the eleventh day of December, next, at ten o'clock in the forenoon, at said Court Room be appointed for hearing said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

Fluorine Ruling Shelved as Barber Warns of "Inconclusive" Proof

(Continued from Page 1)

He also pointed out to the Commissioners that lawsuits could stem from putting a premature stamp of approval on water fluorination, telling of injunction suits in Cleveland and Seattle where legislation on fluorine resulted in court battles.

As a final warning, Dr. Barber said that scientific experiments in England indicated that water fluorination might result in Dental Caries, a rapid decay of teeth. This was revealed, he said, in a "personal communication" from a physician in Great Britain with whom he corresponds.

Water fluorination is not connected with current programs in the schools where student's teeth are painted with a sodium fluoride compound, termed by Dr. Barber as "non-injurious."

\$500,000 Sewage Interceptor to Step Up Expansion in Township

(Continued from Page 1)

ern part of the city where sewage facilities are lacking.

2. "Increased property values.

3. "Increased prospect of residential and industrial development in adjacent township areas, south to Canton township."

A 14-mile span of sewage lines, costing nearly \$5,000,000 dollars, will mark development of the Southfield interceptor system to be constructed within the next five years. It will hook into the Rouge interceptor carrying raw sewage directly to Detroit where it will be processed. Currently the Merriman road terminal point for the Rouge interceptor, going as far north as the Detroit House of Correction, processes the sewage, with the sludge being trucked out.

Official Says Ford Tank Made Here Deadliest Weapon in U. S. Arsenal

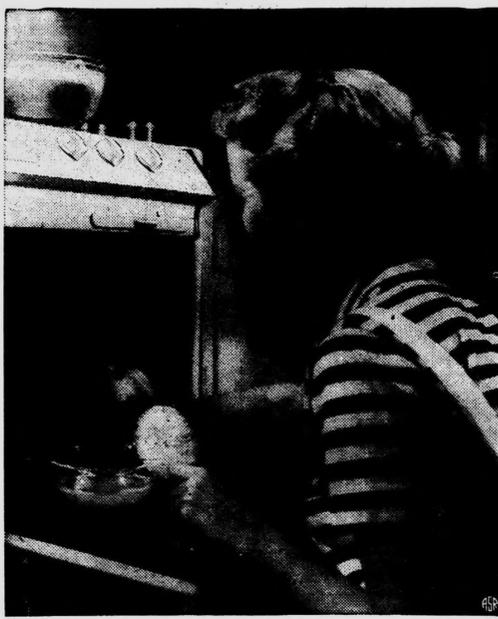

(Continued from Page 1)

imum protection with its armor plating, low silhouette and high speed," said Lane.

The present government order with the Ford tank plant for medium tanks totals more than \$300,000,000, Lane revealed. "We expect sizable deliveries to be made by the end of the year," he said. Lane pointed out that the tank plant was built and owned by the Ford Motor Company and that it covers a 160 acre plot. Presently employed are approximately 2000, he revealed, with an expected total of 5000 by the middle of next year.

Lane concluded his talk by outlining the training program of Ford and the great emphasis placed on human relations by the company. He stressed the importance also of good relations with the community in which Ford plants are located.

'A Clean Stove Saves Fuel

The easy way to clean an oven. Leave a bowl of soapy water and ammonia in the oven overnight with the door shut tight. Next morning, suds the interior with a stiff brush. Dirt and grease wash off easily, thanks to pre-sofening.

These are days of hearty meals and much home entertainment—and time to check the efficiency of your kitchen to save you time and money. A good start is the kitchen range.

Sputtering burners and smoky ovens are signs of trouble and wasted fuel. A good rule to follow is "a clean stove cooks better, saves fuel and lasts longer." But don't make a chore of it. Keep your stove in working order. Like the proverbial "stitch-in-time," constant care saves hours of hard labor.

Wipe the top and burners with a soapy cloth after each use, but let the stove cool first. Enamel may crack if water is applied while hot. However, wipe up spillovers at once with a DRY cloth or paper towel, lest they leave permanent stains. Follow with soap and water when the stove has cooled.

To keep carbon from jamming the pilot light, first turn it off;

Elks Will Bring Blood Bank Here Dec. 11-12

(Continued from Page 1)

ger store, Kresge's and the Plymouth branch of the National Bank of Detroit, Friday and Saturday, November 21 and 22. Ladies of the local Elks Vivians under the chairmanship of Mrs. Francis Walsh and Mrs. Cecil Owens will be on hand those two days to sign up local residents.

"It is, or should be, obvious to everyone who reads the news from Korea that the heavy fighting there demands a steady flow of blood from home to save the lives of wounded Americans," Mr. Keyes said. "Our soldiers must be able to go into battle secure in the knowledge that the blood will be there if they need it. It's up to us to provide that blood, and I have no doubt that the people of Plymouth will respond, again as they have in the past."

During the Elks Armed Forces Blood Campaign Plymouth Lodge compiled one of the top records in the Order with a collection of 330 pints against a 120-pint quota. A Certificate of Meritorious Achievement was awarded the Lodge by the Elks Grand Lodge in recognition of the accomplishment.

Chairman of the "Plymouth's Blood For Korea" campaign Committee is Joseph Elliott, and serving with him are Godber Jackson, Ray Danol, Tom Argo, Elton Knapp, Charles Wolfe, Mrs. Thomas Argo, Mrs. Francis Walsh and Mrs. Cecil Owens.

Anyone wishing to register by phone please call the Elk's Club, 1274 between 4 p.m. and 12 p.m.

Trouble with most friends is they are too much like wives—they don't spend enough time praising us.

100-Bed Installation Would Serve Livonia, Northville, Plymouth Area

(Continued from Page 1)

at a cost of about \$6,000 a bed. Completely equipped the initial 100-bed installation would cost an estimated \$20,000 a bed.

Many physicians serving Livonia, Northville and Plymouth are forced to shuttle continually between Detroit, Ann Arbor, and Ypsilanti to give adequate medical attention to their patients, forced to go to these cities where hospital facilities are available.

Marsden also points out that the strategically placed hospital could well be a factor in emergency cases where 10 or 15 minutes time means saving lives.

Several alternative locations for the proposed hospital have been considered by the joint Authority, though none of them have been accepted or rejected.

A tentative offer for a Plymouth and Hagerly road location was made some two years ago by John S. Coleman, president of Burroughs Adding Machine Company. He was reported as having said he would poll his Board of Directors in donating that area for the proposed hospital.

A second offer involving a five-acre tract of land abutting Ann Arbor trail, near Rouge Park, was also discussed by the Authority. The property is owned by Samuel Spicer, 41800 East Ann Arbor trail.

Composing the tri-area study commission are top business, medical and industrial figures.

From Northville, they are Dr. R. M. Atchison, of the Atchison Memorial hospital, and Clifton D. Hill. Both men represent the Retail Merchants' Commission of Northville.

From Plymouth they are Dr. Walter W. Hammond, Jr., Dr. Charles Westfall, Harry Mohrmann, Dean Saxton, Cass Hough, Albert F. Glassford, and Robert Marsden, chairman of the Plymouth group.

Serving on Dr. Rosbolt's committee are Jesse Ziegler, mayor of Livonia, Marie Clark, city clerk, Dr. Loris M. Hochkiss and Donald Roach.

Study Salary of Municipal Judge

(Continued from Page 1)

tions, must be set.

The \$2,000 a year present salary has been under fire by Ass't. City Attorney J. Rusling Cutler. He called the yearly stipend "peanuts", stating the salary schedule should be raised "to at least \$3,000."

Four Commissioners were also formed into a committee at this same time to study the "10-Year Plan", making suggestions and recommendations and helping formulate a schedule for city-wide building and construction improvements next year.

They are Commissioners Mrs. Eleanor Hammond, George T. Bauer, Ernest Henry, and Frank Arlen.

Why is it that a skinny person can always get skinnier and a fat person can always get fatter but they can't reverse the process?

Who can remember the old days before a fellow could get free of a murder charge by pleading insanity.

Local Minister Participates in New Experiment

The Reverend Glenn Frye, Methodist minister, a resident of Plymouth, is one of 400 clergymen across the nation selected to help conduct a new experiment in evangelism to be tested in Washington, D.C., November 28-December 5.

Coming from every state, the 400 ministers will participate in a Spiritual Life Mission sponsored by the Methodist Church's General Board of Evangelism, Nashville, Tenn.

"Our goal will not be new church members, but how to reclaim inactive and indifferent members," said the Reverend Dr. G. Ernest Thomas, staff member of the Nashville board, who will direct the program. He said the Washington project will serve as a test pattern for metropolitan Methodist churches throughout the country.

FIRST METHODIST CHURCH, Melbourne Irvin Johnson, Minister. Thomas Brierly, Jr., Organist and Choir Director, 9:45 a.m. Church School. Robert Ingram, Superintendent. 11 a.m. Divine Worship. Sermon theme—"The Core of Christian Gratitude." Children's sermon—"The Magnet." An opportunity will be given Sunday morning, November 23, for all those who wish to be received into full membership or on Confession of Faith to do so. Those who have not already spoken to the Minister about receiving the Sacrament of Holy Baptism are asked to call the church office not later than Friday. The Union Thanksgiving Service conducted under the leadership of the Plymouth Ministerial Association will be held in the First Methodist church this year on Wednesday evening, November 26 at 7:30 p.m. The Reverend David Davies, pastor of St. John's Episcopal church will preach using as his theme, "Hearty Thanks." The public is cordially invited.

PLYMOUTH ASSEMBLY OF GOD, Ann Arbor Tr. and Riverside Dr. Phone 410-W. John Walasky, pastor. Mrs. Juanita Puckett, Sunday School superintendent. Sunday School, 10 a.m. Morning Service, 11. Young People's Service, 6:30, and Evening Service at 7:30 p.m. Wed. Prayer and Bible Study at 7:45 p.m.

On Sunday evening, Nov. 23, the young people of the church will have a special Thanksgiving Day program in the evening service. It will be directed by the young people's leaders, Norman and Edith Remines. We are uniting with the other churches represented in the Plymouth Ministerial Association in the union Thanksgiving Day service to be held Wednesday evening, November 26 at 7:30 p.m. at the First Methodist church in Plymouth.

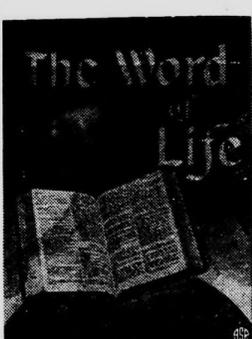

RIVERSIDE PARK CHURCH OF GOD, Hal A. Hooker, minister, Plymouth Rd., corner of Newburg Rd. Phone Plymouth 2086. Church of the Christian Brotherhood hour. Sunday Morning Worship, 10:00. Sunday School, 11:00. Howard Harder, superintendent. Wednesday, Bible Study, 7:30 p.m.

Thanksgiving Service to be Held November 27

As is customary in all Christian Science churches, a special Thanksgiving service will be held on Thanksgiving Day in First Church of Christ, Scientist, corner Main and Dodge streets at 10:30 a.m.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text from Psalm (96:1) is appropriate for the occasion and reads: "O sing unto the Lord a new song; sing unto the Lord, all the earth."

The Bible citations include Proverbs (3:27): "Withhold not good from them to whom it is due, when it is in the power of thine hand to do it."

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, (p. 518) will be the following: "The rich in spirit help in the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good."

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Morning Services, 10:30 a.m. Sunday Evening Services, 7:30 p.m., every fourth Sunday of the month. Sunday School, 10:30 a.m., for pupils up to 20 years of age.

How everyone may have a healthful body is shown in the Lesson-Sermon to be read on Sunday, November 23, in all Christian Science churches, under the subject of "Soul and Body."

The Golden Text is from Psalms (84:2): "May soul lengthen, yea, fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God."

Among the Bible citations is this passage, (1 John 3:2): "Beloved, now are we the sons of God, and it doth not yet appear what we shall be; but we know that, when he shall appear, we shall be like him; for we shall see him as he is."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The material body and mind are temporal, but the real man is spiritual and eternal" (p. 302).

FIRST BAPTIST CHURCH, No. Mill at Spring St. David L. Reider, Pastor, phone 1586. Wm. Foley, Sunday School superintendent. 10 a.m. Bible Study Hour. Classes for adults, youth and children. Any desiring bus transportation call 1586 for same. 11 a.m. Morning Worship. Organ Dedication, Guest Organist, Miss Shirley Strong of the Detroit Bible Institute. The D.B.I. Trio and additional talent will be heard. "Dedicate What?" will be the pastor's message. 6:30 p.m. Combined Youth Service with D.B.I. guest talent participating. 7:30 p.m. Happy Evening Hour—Rev. Lloyd Riddle Gospel Magician will be present. Musical talent by students of D.B.I. Vocal and instrumental, Stanley Koehnke, song leader. The Church orchestra will also be heard. All welcome to this great service.

Weekly Calendar
Wednesday 7:30. Midweek service at the church. "Leadership Echoes" theme. Gems from recent state conference. Wednesday 8:30. Senior choir practice at the church. Thursday, 7:30 Youth Choir Rehearsal. Saturday, 6:00. Bus leaves from the church for V.C.Y. service in Detroit. Tuesday, Nov. 25, 7:30. Loyal Daughters Class meeting at the church.

SALEM CONGREGATIONAL CHURCH, Lucia M. Stroh, minister, Mrs. Ralph Wilson, superintendent. Divine Worship, 10:30 a.m. The pastor will bring the message. Sunday School, 11:45 a.m.

The Voice Needed Most

The increased attention being given to new translations of the Bible by Protestant and Catholic alike has caused the American Bible Society to sponsor again between Thanksgiving and Christmas a worldwide reading of the greatest passages of the Bible.

It is expected that these 29 selections will be read, one a day, by millions of people in not less than 38 countries. The President of the United States is honorary chairman of a committee of distinguished laymen supporting the movement. In his endorsement of the plan the President has said:

"In these troubled times, the truths which the Bible teaches are of greater and greater importance to mankind. They are the only final answer to the forces of organized hate which now threaten the civilized world.

"I hope that the Worldwide Bible Reading program this year will be widely observed, and that more Americans than ever will take advantage of it. Whatever translations or revisions the Bible may go through, it will always remain the same great Book bearing God's message to man."

ST. JOHN'S EPISCOPAL CHURCH, Harvey & Maple Sts. Reverend David T. Davies, Rector. Office phone 1730; Res. phone 2308. Harper Stephens, Choir director. Mrs. Roland Bonamico, Organist. 23rd Sunday after Trinity, November 16, 8 a.m. Holy Communion. 9:30 a.m. Family Service and Class Instruction. Adult Class led by the Rector. 11 a.m. Morning Service and Sermon. Class for little children during the sermon period. Brief period of fellowship and coffee in the Church Hall following the 11 o'clock service. Visitors always welcome. Family dinner meeting Friday, November 21 when the Honorable and the Reverend M. C. Davies, Rector of St. George's Church, Walkerville, Ontario, and Speaker of the Ontario Legislature, will be the guest speaker. The Rev. Mr. Davies has carried on the radio program, "Quiet Sanctuary" over CKLW for the past 20 years. Mrs. Gustaf Lundquist is in charge of the dinner and Harry O. Draper in charge of the program.

SALEM FEDERATED CHURCH, Douglas R. Couch, pastor. Sunday Morning Worship, 10:30. Sunday School 11:45 a.m. Sunday evening service 7:30 p.m. Wednesday prayer and Bible meeting. A cordial welcome is extended to all visitors.

SEARCH CONDUCTED FOR AUGUSTANA LUTHERAN AFFILIATES, MEMBERS

A survey is under way, now, for members, former members and adherents of the Augustana Lutheran church.

Such a search is being conducted by Milton Bloomquist, Northville and Attorney U.S.A. Hegglow, Detroit, to discover if it would be feasible to conduct a canvass for such members in this section of Wayne County.

Mr. Bloomquist said that the Augustana Lutheran church was formerly known as the Augustana Synod and that its official news organ is "The Lutheran Companion", printed in Rock Island, Illinois.

"At present, we have church edifices in the Chandler Park area, Detroit (East Side), Tracey and Curtis avenues, near Shaffer road, between 6 and 7 Mile roads, west and in Berkley," said Mr. Bloomquist, "but we would like to know if there are other prospects."

Interested persons should write Mr. Bloomquist, at P.O. Box 56, in Northville.

CHURCH OF CHRIST, 9451 S. Main street, Robert Hampton, 40651 Five Mile road, phone 2321-M. Sunday School, 10 a.m. Morning Worship, 11 a.m. Evening Services, 7:30 p.m. Midweek service, Wednesday, 7:30 p.m.

God's Witnesses THE JEWS
Prove the Truth of God's Promises!
Their strange history—homeless, scattered worldwide, persecuted for ages, but NEVER destroyed—explainable only by God's hand. Their present gathering proof that the "LAST DAYS" are here!
Jeremiah prophesied, about 600 B.C. (Jer. 31:10, 17, 34, 40)
"He that scattered Israel WILL gather him, and keep him as a shepherd doth his flock. There is hope in thine END, saith the Lord, that thy children shall come again to their own border. . . I will remember their sin NO MORE. . . It shall not be thrown down any more forever."
Ezekiel prophesied, about 600 B.C. (Eze. 37:25-26)—
"They shall dwell in the land that I have given unto Jacob, they shall dwell there forever. . . It shall be an everlasting covenant. . . I will set My sanctuary in the midst of them for EVERMORE."
Jesus Christ prophesied, about 30 A.D. (Luke 21:24)—
"Jerusalem shall be trodden down of the Gentiles—UNTIL THE TIMES OF THE GENTILES BE FULFILLED."

LOCAL NEWS ITEMS

Janice Anderson of Gold Arbor road returned Tuesday from Chicago where she has been visiting relatives.

Robert Haston Jr. of Newburg road spent the weekend in Indiana with friends.

A Stanley-Party was recently sponsored by the Passage-Gayde Auxiliary at the Veterans' Memorial home.

Juanita Langmaid of Koppernick road had as her houseguest last Saturday evening and Sunday, Rita Thomas of Sunset avenue.

Mr. and Mrs. Roy Jacobus and son, Kenneth of Warren road have just returned from a two weeks vacation in Florida. They flew to Jacksonville and from there toured many places of interest in the state by car. Interesting fact made known by Mrs. Jacobus was the fact that they were in Florida 16 days and the sun was shining every day but one.

Mrs. Adah Langmaid and daughters Carol and Juanita, and Rita Thomas of Sunset avenue spent last Sunday morning horseback riding at the Circle D ranch on Haggerty highway.

Mr. and Mrs. H. F. Enterline of Haggerty highway and daughter Inez, returned Monday from a vacation in New York.

Mr. and Mrs. George Burr and daughter, Margaret, of Sheridan avenue visited last Sunday, their son, Sanford, who is a student at Albion college.

Mr. and Mrs. George Snider of Newburg road are attending this Saturday evening, a housewarming party of Mr. and Mrs. Joseph Sobus of New Boston.

Mr. and Mrs. Russell Anderson and family of Blunk street were the Sunday dinner guests of Mr. and Mrs. Fred Behnken of Huntington Woods.

Miss Jean Elliot of Auburn street was the weekend guest of Miss Carolyn Staples of Detroit.

Thed Carpenter of Corrine street has returned home after a three weeks vacation to Tennessee. While there he visited friends and also transacted some business.

Attending a hockey game recently between the New York Yankees and the Rangers at Olympia were Walter Dzurus of Sheridan avenue and Kenneth Kisabeth of Haggerty highway.

Elaine Lietz, a student attending Michigan State college in East Lansing, spent the weekend with her parents Mr. and Mrs. John Lietz of Sheridan avenue.

Entertaining guests with a dinner this Saturday evening will be Annette Brandt of Brookville road. Those attending will be Sally Truesdell, Terry Carney, Pearl Kemnitz, Jackie Langmaid, Ann Hammond, Joyce Nagel, Jennie Bedwell, Shirley Travis, Nancy Kropf, Judy Lockhart, and Joanne Oliver.

Mrs. John F. Thomas and family, of Ford road, returned to their home last week after attending the wedding of Mrs. Thomas' niece in Pittsburg, Pennsylvania. Her son, John, served as best man for his cousin's wedding.

Cranbrook Club Coupe in Plymouth's 1953 Line

Dash and distinction are combined in the flowing lines of the Cranbrook Club Coupe, one of nine outstanding body styles in the new 1953 line of fine Plymouth cars. The new styling is combined with increased power and improved performance to make it more than ever the big car value in the low-priced field. Power has been increased to 100 horsepower with 7.1 to 1 compression ratio for finer response and efficiency. New suspension gives virtually gyroscopic stability under varying road conditions. Engine and rear axle relocation, coupled with easier riding, angle-mounted rear springs, provide the utmost in comfort. Plymouth engineers have designed more headroom, legroom and hip and shoulder space into the 1953 models.

Karl Bender of Chandler, Indiana is visiting his daughter, Mrs. Helen Elliot of Auburn street.

The Passage-Gayde Auxiliary had their regular business meeting last Thursday evening at the Veterans' Memorial Home. Refreshments were served later.

The youth fellowship of the Methodist church had a monthly party last Saturday evening in the church. Entertainment included games, and dancing. Later refreshments were served.

Mrs. Mary McKee of Indianapolis, Indiana arrived today as the guest of Mr. and Mrs. H. W. Bowden of Ann street.

Weekend guest of Mr. and Mrs. Frederick W. Jaross of Koppernick road was Mrs. Jaross' sister, Mrs. Leroy Bush of Pinconning, Michigan.

Circle Three of the Presbyterian church will meet Tuesday, November 25, at 8 p.m. in the church parlors.

Barbara Lanka and Paul Deniski announced their engagement at an open house on Sunday, November 15 at the Lanka's home on Ann Arbor road. Guests were present from Detroit, Northville, Romulus, Ypsilanti and Plymouth. Many good wishes and gifts were presented to them.

Unit 18, MOMS of America will meet for its social evening on Monday, November 24 at 6:30 p.m. at the Veterans' Memorial center.

Mr. and Mrs. Howard Start and Mrs. Mary Start of Burr Oak were Sunday guests of Mrs. George A. Smith. Mrs. Mary Start will remain in Plymouth for a week.

The Junior High Fellowship of the First Presbyterian church will have a dance in the dining room of the church, Friday, November 28, from 7:30 until 10:30 p.m.

Mrs. Mabel Oldenburg remains about the same, she is at her home on Blunk street.

Mr. and Mrs. George Oldenburg moved last week to Walled Lake from the LeVan farm where they have lived for 27 years.

Mr. and Mrs. Kenneth Lunn were the installing officers for the Pittsfield Grange on Wednesday evening, November 12. They were accompanied by Mr. and Mrs. Charles Rienas.

Corporal and Mrs. Ralph M. Diedrick surprised relatives and friends, Monday when they arrived in Plymouth from Belton, Texas to spend the Thanksgiving holidays.

Wayne County 4-H service club and the 4-H fair board will sponsor a dance Saturday evening, November 22, at the Wayne County 4-H fairgrounds.

Mr. and Mrs. Robert Rutland of Buffalo, New York, are visiting Mrs. Rutland's brother, Mr. and Mrs. Howard T. Dailey of Haggerty road.

Plymouth ladies interested in enrolling in a Nurses Aide class should contact Mrs. H. R. Pothale, 252-W, for further information.

Want to drive for the motor corps? Many drivers are needed. Anyone interested in driving should contact Mrs. M. Arnold, phone 1035, for particulars.

Mr. and Mrs. Russell Kaiser and son left November 13 to visit Mrs. Kaiser's parents in Florida.

Mr. and Mrs. Esten Gray of Starkweather avenue returned recently from a vacation in Mexico.

Mr. and Mrs. Neil Pedersen, formerly of 37925 Grantland, have recently moved to 575 Evergreen.

Circle Six of the First Presbyterian church will meet today at 1 p.m.

Mr. and Mrs. John S. Grimes of Schoolcraft are visiting relatives in California and Tennessee and expect to be gone about three months.

Kay Bache of Wyandotte is visiting her sister Nancy on Church street.

The Plymouth Historical Society will hold their next meeting on December 31 at the home of Mr. and Mrs. Roy Fisher.

Square Dancers Continue to Swing And Promenade

Tonight, November 20, members of the advanced square dance group will hold their dance at the Bird school. This group will not meet again until December 4.

Last Thursday, November 13, the beginners group held their only dance for November, as the regular scheduled date falls on the Thanksgiving holiday. December 11, will be the date for the next dance of the beginners.

House for sale? Use or classified ad. Call 1600. Deadline is Tuesday at 5:00.

Youth Groups Study American Indian Lore

Members of the Junior group, of the Plymouth Corners Society of the Children of the American Revolution met Tuesday at the home of Ann Hulsing on Church street. On Wednesday evening the Senior group met for dinner at the home of Sandy Cutler on Main street. "American Indians" was the subject for discussion for both groups. All old jewelry and beads brought to the meetings by the members will be sent to Indian reservations.

The most important thing to a successful marriage is not giving the bride away but giving the bride her way.

Girl Scout News Troop One Reports

Susan Campbell of Troop One reports that as a Thanksgiving service project, members of the troop sent 300 candy suckers to leukemia patients at the Children's hospital. Members of the troop are going to have an "Over Night" at the Girl Scout cabin soon.

Local Chapter Hears Educator Discuss Schools

The Sarah Ann Cochran chapter of the Daughters of the American Revolution met at the home of Mrs. David Mather of Park Place on Monday, November 17. There were many members and guests present for the meeting.

Mrs. Thomas Navin, state chairman of the approved schools for the Daughters of the American Revolution, and a member of the Piety Hill chapter in Birmingham, showed slides and made comments on the schools which are supported entirely by the organization at Tamassee, (an Indian name which means "The Place of the Sunlight of God") in South Carolina, and the Kate Duncan school in Alabama. Mrs. Navin has been a frequent visitor at both schools and her pictures and discussion gave the members a better understanding of the project.

The Christmas meeting will be held at the home of Mrs. Jack Burkman in Northville. Tea and donuts were served with the new Regent, Mrs. Harry Deyo presiding at the tea table.

According to some, an auto show is a place where every part of the car is on display except the mortgage.

Wonder what an efficiency expert would do if you asked him to find something in which to wrap up an order of wrapping paper?

By Carl Peterson

I see where the Italian Army General Staff hopes to turn out the world's politest soldiers. The Italian "brass" has made a 118-page cigarette book required reading for the spaghetti-loving GIs from the southern side of the Alps.

The book advises: don't write on walls, don't spit out soup that is too hot, don't play your harmonica when others are sleeping. That hot soup item is apt to become a burning issue. The book also reminds the Italian warriors that "woman is not in the least inferior to man, but she is different from him." Sounds like the book will be used in basic training.

Be sure to stop in and look at our selection of Christmas toys.

The City Medical Examiner in Louisville reported that about 50% of the city's 499 policemen are flat-footed. At least they're on the level. And we're on the level when we tell you about the efficient pharmacists working at our store... which speed is only surpassed by purity & accuracy... and where the cost is always reasonable. EFFANBEE'S SPECTACULAR NEW

Tintair Doll

with 3 personalities YOU COLOR HER HAIR!

Such fun! So easy! Brush on the absolutely harmless coloring... and the natural blonde TINTAIR DOLL is a redhead... or a brunette. It's as quick as a wink! Washes out with plain water. Complete Doll Hair Coloring Kit with each TINTAIR DOLL. (Refills available) \$11.95

Honey Walker

IN TWO SIZES \$7.98 15" Tall \$9.98 19" Tall

SHE WALKS RIGHT INTO YOUR HEART!

Pretty and perky—all ready to step out and go places with the proudest "little Mother" in the land! She walks along with you easily and naturally, gaily moving her head from side to side with each dainty step. She seems for all the world like a real live little girl, the way she stands and sits so gracefully and even does a ballet split! She's all plastic—as durable as she is lovable—and has beautiful long saran hair that you can brush, comb, wash, set and curl (in fact, she brings her curlers with her—on her wrist). She's wearing a crisp, striped cotton dress with organdy and lace trim. Come—look—and fall in love with Honey Walker TODAY!

THE DOLL WITH THE HUMAN VOICE

\$14.95 YOU WON'T BELIEVE YOUR EARS! So Life-Like Does She Say "Momma" When You Gently Squeeze Her!

No other doll says "Momma" in such a real-life voice... In fact, there's no comparison—except with a real live baby—and even then it's hard to tell the difference. Mommy's Baby is oh-so-cuddlesome in soft smooth darcex latex, filled with foam rubber. Her lovable face is soft, true-life vinyl and her curly saran hair can be washed, combed and set just like a real little girl's. She even brings her own curlers to you on her wrist. She's simply adorable in washable, crisp pique with dainty, embroidered organdy trim on both her bonnet and her dress. Give your favorite little girl a thrill that will linger in happy memories forever after! Get Mommy's Baby for her TODAY!

Society Hears Papers on Former Plymouthites

Mr. and Mrs. Roderick Cassady were hosts to 45 members of the Plymouth Historical society at the regular monthly meeting held November 13.

Karl Starkweather read a biography of Eberczar J. Penniman who came to Plymouth in 1835. Mr. Penniman was a prominent banker and politician. He was active in the formation of the Republican party.

Mr. Starkweather has been hunting sources and preparing material for this paper for the past five years.

Marquis Shattuck, first assistant superintendent of schools in Detroit, presented a history of the Shattuck family emphasizing its part in the life of Plymouth from the time the family arrived here in 1832.

Cider and doughnuts were served to the group by the hosts, assisted by Mr. and Mrs. Richard Kimbrough and Charles A. Root, Sr.

The next meeting will be held December 11 at the home of Mr. and Mrs. Roy Fisher.

Theatre Guild Hears Merrills

Mr. and Mrs. William Merrill of Will-O-Way playhouse spoke to the members of the Plymouth Theatre guild about the backstage crew and its relationship to the actors and the stage manager.

Mr. Merrill outlined this relationship and explained the position of the stage manager first and then related the actors and the crew members to the stage manager who is in his words, "all powerful."

The stage manager is responsible only to the director of the play, said Mr. Merrill. It is the stage manager's responsibility, he continued, to see that the properties are in the right places at the right times, that the actors are in the theatre a half an hour before curtain time, that they are ready for their entrance, and that the telephones, doorbells, and the like sound at the proper time.

In professional theatre, he remarked, the stage manager is a member of the actors union and may have a walk on, or a small speaking part. Assistant stage managers may often be understudies.

After explaining the numerous duties of the stage manager, he continued with an outline of the duties and positions of such persons as the properties chairman, the costume mistress, the technical advisor, and other important backstage personnel. He also told of the unions which have made many a director in the professional theatre tear his hair. There are arguments as to whether a certain object is a part of the scenery or a property. This, however, does not happen in amateur productions where everyone "pitches in and does what he can," said Mr. Merrill.

Following the discussion, coffee and donuts were served.

Christmas comes but once a year but the installment plan enables you to pay for it all the rest of the year.

Social items can be phoned to 1609.

"I REMEMBER" BY THE OLD TIMERS

From Sam Ludy, Ft. Recovery, Ohio: I remember when in the horse and buggy days, a hitch-up race was held near Greenville, Ohio. Half a dozen young men lined up their buggies with harness in buggy and horse tied to rear axle. At a signal, they harnessed the horse, hitched it to the buggy and started down the track. My brother Willie won the prize, a box of cigars, but he didn't smoke.

From C. L. Leonhard, Portland, Ind.: I remember when men would strike the old-fashioned matches on the side of their leg to light pipes and cigars. From habit they would forget and ruin their Sunday trousers.

From Elsie Mae Norman, Scott City, Kan.: I remember when my mother made polish for my little brother's shoes by mixing soot from the inside of a stove lid with lard. After crowding into a one-seated rig with him, I always arrived at our destination with generous smudges of the greasy stuff on my best dress.

From Mrs. Agnes Buck, Waterloo, Ill.: I remember the old hard coal baseburners of the 1890's. And there is one still in use right here in Waterloo. A hardware merchant still uses it in his store.

From Mrs. Estella Cobb, Waco, Texas: I remember when we put our milk and meat in a small bucket and placed them in the oak bucket and let them down in the well to cool. Corn that wasn't hard enough to go to mill, we grated on tin punched with holes and called the product bolted meal.

(Mail your memories to THE OLD TIMER, N.W.N.S., 210 S. Desplaines, Chicago 6.)

Bird School Group Hears Famed Orator

The November meeting of the Bird School Parent Teacher Association will be held Tuesday evening, November 25, at 7:45 p.m. in the gymnasium. The committee is presenting a program of special interest at this time of year and all members and their friends are urged to attend. Mrs. Tousey, of the J. L. Hudson company will discuss, "Books Tell the Story." Mrs. Tousey was on the faculty of Wayne University, Department of Speech, and has had experience speaking before various civic and professional organizations in the field of books, music, theatre and interpretation. She is now a member of the J. L. Hudson company Speaker's Bureau. She will bring with her a display of appropriate and interesting books for children of all ages. Mrs. Tousey will be able to guide mothers in selecting the right type of book for their child's Christmas. Following the program, refreshments will be served by the hospitality committee consisting of Mrs. Rexford Hoffman, Mrs. C. Bentley, Mrs. Ralph Lorenz, Mrs. John Leet, Mrs. Richard Kropf, Mrs. William Foley and Mrs. E. P. Light.

Panel Discusses School Health

The regular meeting of the Starkweather Parent Teacher Association will be held Tuesday, November 25 at 8 p.m. The program will consist of a panel discussion on "School Health". Members of the panel will be Mrs. Mary Strassen school nurse; Jean Vernier, dental hygienist; Rosemary Bergin, speech correctionist. Harold Fischer, parent and Mrs. Edward Ayers, moderator. Also included in the program will be several vocal selections by the Twin Trios, under the direction of Fred Nelson. Refreshments will be served by Mrs. George Caldwell and her committee.

A hypocrite is a person who pretends to believe what you tell him when he knows you're lying.

ALL 'BOUT TURKEY

It takes more than luck to stuff and roast a turkey to perfection. Here are a few suggestions that will help, especially if this is your first attempt. First, the Bird There are little turkeys and big turkeys—a size to fit every roast-

er, oven and family. Ordering your turkey by size a week or ten days in advance will assure you of getting the size you want. Allow at least one and one-half pounds of oven-ready turkey per person. This makes generous servings plus cold turkey for sandwiches the next day.

Next, the Stuffing Bread that is two or three days old will make the best stuffing. Here are the number of twenty-ounce loaves you will need:

No. of Loaves	Wt. of Bird
1 to 1 1/2	5 to 8
1 1/2 to 2	8 to 10
2 to 2 1/2	10 to 14
2 1/2 to 3	14 to 18

Apple-Celery Turkey (5 to 8 pound turkey)
1/2 cup butter or margarine
1 cup finely cut onion
1 large tart apple
8 cups bread cubes
1 1/4 cups celery
2 teaspoons salt
1/4 teaspoon sage
1 cup hot milk or water
Melt butter, add onion and cook until soft. Pare, core and slice apple. Combine all ingredients and toss lightly. Place the stuffed bird, breast side up, on a rack in an open roasting pan. Cover with a double thickness of cheesecloth that has been dipped in fat. Do not cover the pan or add water. Baste occasionally.

Weight—pounds	Time—hours	Total Roasting Time—hours
5 to 8	2 1/2 to 3	3 to 3 1/2
8 to 10	3 1/2 to 4	4 to 4 1/2
10 to 14	4 to 4 1/2	4 1/2 to 5
14 to 18	4 1/2 to 5	5 to 5 1/2

Slow oven (325° F.).

Faithfully
Jean Allen

Cautions About Xmas Tree Law

The Michigan Department of Agriculture has established inspection stations at several places on the highways leading from the Christmas tree producing areas of the state. State inspectors at the stations will check on Christmas trees and boughs being transported to determine if they are accompanied by a bill of sale as required by state law. Other inspectors will free lance in the tree and bough-cutting area and in metropolitan centers to see if the provisions of the state law are complied with.

State laws require that Christmas trees be accompanied by a bill of sale signed by the property owner from whom the trees originated. The bill of sale is proof that the trees have been legally

acquired by the person who has them in his possession. The bill of sale forms are furnished by the Michigan Department of Agriculture free of charge. They are available at the offices of the County Agricultural Agents, County Sheriff, the State Police barracks, and Conservation headquarters in all counties of the state. Land owners who desire to transport Christmas trees or evergreen boughs taken from their own property may carry the property deed or a tax receipt in lieu of a legal bill of sale.

The Department of Conservation and State Police cooperate with the Department in the enforcement of the Christmas tree law.

The provisions of the Christmas tree law do not apply to the transportation of trees with roots attached. Such trees are classed as nursery stock and an inspection certificate is required when such trees are transported. Anyone desiring to move rooted trees or shrubs from one property to another should apply to the Department of Agriculture for inspection before the trees or shrubs are moved. Requests for further information and bill of sale forms may be obtained from C. A. Boyer, Chief, Bureau of Plant Industry, Michigan Department of Agriculture.

4-H Club, Board Sponsor Dance

Wayne County 4-H service club and the 4-H fair board will sponsor a dance Saturday, November 22, at the Wayne County 4-H fairgrounds.

Both square and round dancing will be featured at the dance which will begin at 8 p.m. Cliff Busha and his orchestra will furnish the music. Mr. Busha will call the square dances.

The dance is for the benefit of the Wayne County 4-H fair building fund. Dances are held every other Saturday at the fairground which is located on Quirk road one mile north of Belleville.

Nurses Aide Classes Offered

Plymouth residents interested in Nurses Aide classes may enroll in those given by the Detroit chapter.

Evening classes which begin at 6:30 and run until 9 p.m. started November 18. Another series of evening classes will begin on January 20. Day classes begin at 9 a.m. and last until noon. These classes will start January 5.

Those enrolled in the course must be between the ages of 18 and 50 years.

The first three weeks of classes will be given at 153 East Elizabeth street, Detroit, and the last three at Grace hospital.

All interested persons may call Mrs. H. R. Penhale, 252-W, for further information.

Mrs. M. Arnold states that the motor corps needs drivers. She may be reached at 1035 by anyone interested.

Induct New Hi-Y Members Sunday

Nine boys accompanied by Harry Reeves and Walter Goodwin attended a city-wide Hi-Y Induction service, at the Masonic Temple in Detroit, Sunday, November 16.

The new members inducted into the local club are: Wayne Smith, Dave Tillotson, Barrie Lightfoot, Donald Johnson, Charles Osebold, Edward Barrett, Paul Dimec, Bob Young, and Larry Wilhelm. These nine boys along with 299 other boys were presented membership cards by their club advisers.

Highlights of the program consisted of a speech in recognition of W. Romaine Barnard, a Hi-Y club adviser for 25 years, presented by Ralph Hileman, general secretary of the Detroit YMCA. A. Douglas Jamieson, president of the Detroit Board of Education, introduced Dr. William J. McLeod of Baldwin Wallace college in Berea, Ohio, who in turn spoke to the audience on "Minding Your Own Business."

The Metropolitan Hi-Y Club celebrated its 46th anniversary at the same time Plymouth was celebrating a 25th anniversary.

Grange Gleanings

We hope there will be a fine crowd at our Grange meeting tonight. You will miss something if you are not there. You know it does one good to mingle with the kind of people that belong to our Grange. We will have a Thanksgiving program. We all have much to be thankful for.

There were 15 Pomona members of our Grange who went over to Stoney Creek on Tuesday night, November 11 to witness the installation of Pomona officers for Washtenaw county with which our Grange is affiliated. The following officers were installed.

Master, William Hayes, Stoney Creek Grange; overseer, Mr. Wheeler, Webster Grange; lecturer, Dorothy Frederick, Pittsfield Grange; steward, Matt Swegles, Plymouth Grange; treasurer, Mrs. Rowan, Pittsfield Grange; secretary, Mrs. Wheeler, Webster Grange; chaplain, Mrs. Walter Gale, Ypsilanti Grange; assistant steward, Charles Rienas, Plymouth Grange; lady assistant steward, Mildred Rienas, Plymouth Grange; Ceres, Mrs. Lovelace, Ann Arbor Grange; Pomona, Mrs. Aura Condit, Ann Arbor Grange; Flora, Isabelle Taylor, Plymouth Grange; and executive committee, Clarence Buss, Pleasant Ridge Grange.

The installing officers were Mr. and Mrs. Andy Campbell with Mr. and Mrs. Gudekunst as Marshalls. The work was well done. Several of the members gave a brief talk about the State Grange. Lunch was served in the dining room following the meeting. The next Pomona meeting will be in January—date and place will be announced later.

Mrs. Mabel Oldenburg remains about the same, she is at her home 288 Blunk.

Mr. and Mrs. George Oldenburg moved last week to Walled Lake from the LeVan farm where they have lived for 27 years.

Mr. and Mrs. Kenneth Lunn were the installing officers for Pittsfield Grange on Wednesday evening, November 12. They were accompanied by Mr. and Mrs. Rienas.

School Band Show to be December 4

Presenting the annual band show, "March of Time," the Plymouth High school band will perform on December 4, in the new gymnasium at 8:00.

Outstanding features will be colored slides of Keweenaw, special lighting effects, new and original music, vocal soloists, the majorettes twirling lighted batons, a narrator, instrumental novelties, music by outstanding Americans, good entertainment, and special scenery and background effects by Kay Ingram.

This show will be in co-operation with the speech, and music departments with about 250 participating. Also included in the program are the song flutes from the grades.

Tickets may be purchased from band members.

Plymouth Mail Classifieds will sell surplus items overnight—Phone 1600.

Hold until Christmas!

Pioneer Woman Dies at 102

Had Mrs. Susan Lennox lived until next January 22, she would have been 103.

Death, however, claimed Mrs. Lennox last Sunday, one of the city's oldest residents. She died at the home of her eldest son, John L. 76, and his wife, at 258 Joy road.

Mrs. Lennox was born in Rockford, Illinois, the daughter of James and Permelioa Fulford Collison.

She came to Michigan 95 years ago, settling near what is now Brighton. She grew up to marry a lumberjack and carpenter who took her to Buckley, a small town south of Traverse City on the Wexford county line. He died 18 years ago when he was 85.

Mrs. Lennox lived in Plymouth 62 years. A pioneer woman who remembered much of the saga of the west, she "came back east" when she was seven years old.

Her family recalls Mrs. Lennox often said she "always wished and prayed that the Lord would let me live to be 100 years old."

Burial was held last Tuesday in Cadillac Memorial Gardens in Detroit, with funeral rites being held at Schrader Funeral Home.

She leaves two other sons, James Arthur of Jackson and Harry Lyman of Michigan Center; and two sisters, Mrs. Henrietta Schaar of Davison and Mrs. Victoria Sloggett of Bay City.

Public Letter Box

The Plymouth Mail
 Plymouth, Michigan

Dear Mr. Eaton,

The Woman's Club wishes to express our thanks for the picture and article in "Plymouth Mail" for publicity in behalf of our cooking school benefit.

We appreciate your help in making this event a success.

Sincerely yours,
 Mrs. A. E. VanOrnum
 Corresponding Secretary

Dear Editor Sterling Eaton,

Optimist Week in Plymouth is over. We are pleased, of course, with its success. Most of all, however, we are happy that we live in a community surrounded by good people who are willing to support any effort intended for the common good.

The Plymouth Mail did a bang-up job. The story of Optimism and our club was handled wonderfully well and reflects credit on you and your staff.

Thanks to you. Please consider yourself an "Honorary Member" of our club. You always are welcome at any of our affairs and meetings, and I'll personally be happy to greet you.

Optimistically yours,
 Herb Woolweaver

P.S. We would be pleased if you would care to use this letter in your "Letter to the Editor" column.

**Official Proceedings of
Your City Commission**

for \$1,000.00 from Unappropriated Reserve Account to Insurance Account for Building Valuation Survey.

Carried unanimously. Moved by Comm. Hammond and supported by Comm. Henry that the meeting be adjourned. Time of adjournment: 9:25 p.m.

Monday, November 10, 1952. A special meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, November 10, 1952 at 7:30 p.m. with the following items on the Agenda:

1. Opening bids received for construction of the first step of a new public library building.

2. Consideration of proposed decorative Christmas street lighting.

Present: Comm. Bauer, Fisher, Henry, Tibbitts, and Mayor Daane.

Absent: Comm. Arlen, Hammond. (Comm. Hammond arrived 7:35 p.m.)

Three sealed proposals for construction of the library building submitted by the following contractors were publicly opened and read aloud:

1. R. E. Davis Construction Company, Plymouth, Michigan

2. Danart Construction Company, Plymouth, Michigan.

3. Dan Mills & Sons, Plymouth, Michigan.

The mayor referred the bids to Byron Becker, the architect, for his evaluation and recommendation for presentation to the Commission at the meeting to be held November 12, 1952.

Moved by Comm. Fisher that

the City underwrite the cost of the power used for Christmas street lighting not to exceed \$500.00. Comm. Fisher's motion received no support; motion lost.

A general discussion of decorative street lighting for the coming Christmas season was participated in by all Commissioners present and the matter was deferred for further consideration pending additional information.

Moved by Comm. Hammond and supported by Comm. Tibbitts that the meeting be adjourned. Time of adjournment: 9:55 p.m.

Wednesday, November 12, 1952. A special meeting of the City Commission was held in the Commission Chamber of the City Hall on Wednesday, November 12, 1952 at 4:00 p.m. with the following matters on the Agenda:

1. Canvassing election returns on referendum for liquor by the glass.

2. Awarding construction contract for library addition.

Present: Comm. Arlen, Bauer, Fisher, Henry, and Mayor Daane.

Absent: Comm. Hammond, Tibbitts. (Comm. Hammond arrived at 4:05 p.m.) and (Comm. Tibbitts arrived at 4:15 p.m.)

The statement books of the several precincts of the City of Plymouth containing the results of the votes cast at the Special Municipal Election of November 4, 1952 were submitted to the Commission by the Clerk. These results were checked and tabulated by the Commission and the following consolidated tabulation for the entire City prepared:

PRECINCT NO. 1. TOTAL- 665. FOR

308, AGAINST 357. Precinct No. 2. TOTAL 501. FOR 189. AGAINST 312. Precinct No. 3. TOTAL 1133. FOR 437, AGAINST 696. Precinct No. 4. TOTAL 762. FOR 332. AGAINST 430. TOTAL 3061 FOR 1266 AGAINST 1795.

The following resolution was offered by Comm. Fisher and supported by Comm. Bauer:

WHEREAS, this Commission has canvassed the returns of the Special Municipal Election held on Tuesday the 4th day of November, 1952, has reviewed the poll books and statement of votes prepared and certified to by the Election Boards of the several precincts, and has found the results to be as reported by the City Clerk

THEREFORE, BE IT RESOLVED, that this Commission hereby approves and confirms the report of the several Election Boards and determines from such canvass the results as follows:

That the proposal relative to the sale of spirits submitted to the electors of the City of Plymouth on November 4, 1952 received a majority of "NO" votes and therefore failed to carry and therefore the sale of spirits in addition to beer and wine shall not be permitted for consumption on the premises within the City of Plymouth.

YES: Comm. Arlen, Bauer, Fisher, Hammond, Henry, and Mayor Daane.

NO: None.

A general discussion of all bids submitted for the construction of the first step of a new Public Library building was participated in by all Commissioners present as well as Byron Becker, the architect.

Moved by Comm. Henry that the low total bid of Dan Mills & Sons in the amount of \$39,315.33 be accepted. No support; motion lost.

Moved by Comm. Henry and supported by Comm. Tibbitts that the low bid of Dan Mills & Sons including alternate No. 1 for a total bid of \$39,013.36 be accepted construction to begin immediately.

Carried unanimously. Moved by Comm. Tibbitts and supported by Comm. Fisher that the appropriation for the purchase of a Part of Lot 232 Assessor's Plymouth Plat No. 9, acquired as a portion of the East Parking Lot be increased by \$54.00 to cover additional area required.

Carried unanimously. Moved by Comm. Fisher and supported by Comm. Henry that the meeting be adjourned. Time of adjournment: 5:05 p.m.

By LYN CONNELLY

CHARLES FARRELL and "Seventh Heaven" are synonymous, at least in the minds of avid moviegoers of the late 20's . . . He played Chico opposite Janet Gaynor in the stirring drama of World War I . . . Now he's playing the part of a middle-aged father in the CBS-TV series, "My Little Margie" . . . His daughter, Margie, is played by Gale Storm, who has three children of her own . . . It was at the behest of Hal Roach, Sr., a long-time friend of Charlie's, that the star returned to public life, and it is Hal Roach, Jr. who is producing the series of T.V. domestic comedies.

Farrell's screen career, after some years of extra work, was launched in Paramount's "Old Ironsides," directed by the late James Cruze . . . "Seventh Heaven" followed (1927) . . . Then came a series of other Fox pictures, including "Street Angel," "The Man Who Came Back," "Sunny Side Up," and others, most of them with Janet Gaynor . . . In 1932 he married Virginia Valli in New York City . . . She had been a screen star in her own right, but retired upon marriage.

When the picture industry apparently was failing for him, he hid himself to Palm Springs, picked up a piece of sand which later became the lucrative Racquet Club . . . It was on Christmas Day of 1934 that he opened the project . . . The following day, Hal Roach Sr. went down to the California desert spa, ran into Charlie and asked him how he was doing . . . Farrell, in all honesty, replied, "Well, we took in \$18 yesterday" and Roach, in all honesty, said, "Well, we opened the Santa Anita race track and took in a million and a half" . . . The chickens came home to roost for Charlie . . . In the years that followed he has made close to three quarters of a million a year with his original pile of sand.

He and Virginia operate the club together and during the summer reside in Beverly Hills.

The way some people around Plymouth drive cars it would be a lot more in keeping to remove the steering wheel and put a bigger horn button on the post.

Announcing . . .

THE PENNIMAN OFFICE ANNEX TO SERVE YOU BETTER

In keeping with our policy to provide complete banking service for individuals, families, large and small businesses, and industries in Plymouth and the surrounding area, we are pleased to announce the opening of the Penniman Annex at 811 Penniman Avenue—a temporary measure pending the completion of the remodeling of the building at South Main and Penniman.

Among the banking facilities provided at the Penniman Annex will be Installoan service for customers of the Penniman Office. Installoan is the National Bank of Detroit's plan of borrowing which has definite advantages for both individuals and businesses. Installoans can be quickly arranged on the individual's signature for personal or business needs, purchase of an automobile, home improvements and any other useful purpose. Repayments, which are keyed to the income of the borrower on a monthly instalment basis, may be made at the Penniman Annex.

We extend a sincere "Thank You" to the people of Plymouth for their warm reception and assure you that, as time goes on, our services will be continuously improved to meet the financial needs of this fast-growing community.

Plymouth, Michigan

Section Three

George Hillmer of Maple street has returned to his home after having been in Sessions hospital in Northville. Mr. Hillmer is feeling much better and would welcome any visitors and friends.

Buford Conn and Clyde Southerland of Plymouth road were the dinner guests of Dorothy Hester of Stark road recently.

A canteen class, sponsored by the Livonia Red Cross, has been started for Livonia and Plymouth women. Women in the new class will learn the fundamentals of cooking to serve a large group in case of disaster. They will also learn how to assist in the Blood Banks.

The Royal Motor Court, 27751 Plymouth road, has been awarded an American Automobile Association appointment. It will display the AAA-Approved sign along with 257 other Michigan motels and hotels and 55 Michigan eating places, according to Automobile Club of Michigan's travel manager, Harry N. Rogan.

Sunday guests of Mr. and Mrs. Virgil Wooley of South Main street were Mr. and Mrs. Frank Wooley of Wayne.

Recent houseguests of Mr. and Mrs. Bill G. Young of Junction street were Major and Mrs. J. A. Green of Germany.

Deer hunter, Bill Young of Junction street traveled north near Gaylord in search of his game. While there, he was the guest of Mr. and Mrs. H. F. Ulp, former Plymouth residents.

Mrs. Charles Kellogg has recently moved to Red Banks, New Jersey to be with her husband, Pvt. Charles Kellogg, Pvt. Kellogg is stationed at Fort Monmouth and is in the Army radio signal corps.

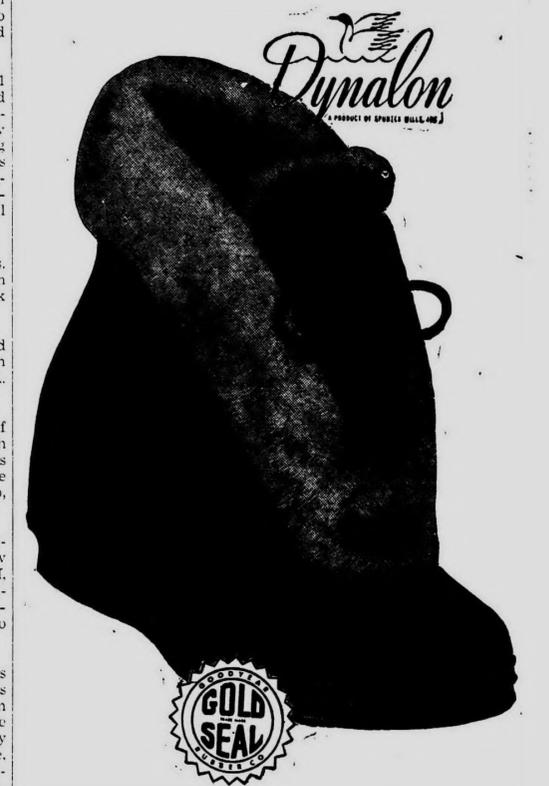

Six members of the Vivians Club traveled to Grand Rapids over the weekend to bowl in an Elks' tournament. Bowling in the tournament were Mrs. Ray Creith, Mrs. Alvin Buttermore, Mrs. Gar Evans, Mrs. Harold Williams, all of Plymouth, Mrs. William Darnell of Northville and Mrs. Pat Buttermore of Farmington. All of the ladies are members of the Plymouth Elks lodge.

Pfc. Collin David Williams, son of Mr. and Mrs. Joseph Williams of West Ann Arbor trail is expected home for a 14-day furlough from the Army Air Force. Pfc. Williams has been stationed at Nome, Alaska. Following his furlough, he will report for duty at the Elgin Air Force base in Florida.

Mr. and Mrs. Warren Palmer of Warren road and Mr. and Mrs. Glenn Wiseley of Detroit attended the Michigan-Purdue football game last Saturday afternoon and enjoyed dinner afterwards.

Mr. and Mrs. Richard Palmer have returned from their northern honeymoon and are at their new home, 48195 Warren road. Mrs. Palmer is the former Joan Cavell.

Blueberry Waffles Ideal For Dessert and Coffee Party

Dessert waffles really came into the spotlight in recent times because of the increasing popularity of dessert parties. Waffles are filling enough for a dessert and coffee party and lend themselves to all manner of interesting ways of serving. For the informal party, the waffle iron comes right to the table... and for the fancier kind, waffles on a buffet platter served from a buffet create a festive atmosphere.

One dessert waffle sure to become a favorite is Blueberry Waffles served with whipped cream. Good any time of the year with fresh or frozen blueberries, these waffles have a distinctive flavor and texture.

For any party you like to plan ahead, it takes a minimum of 15 minutes preparation. Using a pancake ready-mix to prepare the waffles makes these Blueberry Waffles a quick specialty. The few ingredients necessary may be assembled on a tray in advance. If fresh blueberries are used, wash them and have all ready to add into the batter. Frozen blueberries may be put out to thaw.

When it's time for re-arrangements, simply stir up the batter, fold in the blueberries and start to bake the waffles. While the waffles are baking, you can whip the cream. If you want to serve the waffles platter-style, you may keep them warm in the oven until enough are baked to serve everyone.

When it's a waffle dessert with a real sparkle you're looking for,

remember this recipe for Blueberry Waffles.

- BLUEBERRY WAFFLES**
 2 cups pancake ready-mix
 2 cups milk
 1/3 cup melted butter, fat or oil
 2 eggs
 1 cup fresh or frozen blueberries
- Place ready-mix, milk, melted butter and eggs in a medium-sized mixing bowl. Beat with a rotary egg beater until batter is fairly smooth.
 - Fold in blueberries.
 - Pour batter onto a hot waffle iron. Bake until the iron stops steaming.
 - Serve with whipped cream. Note: If you like a sweeter waffle, sprinkle with confectioner's sugar.
- Makes 6 waffles.

Broil Young, 4-8 Pound Turkeys

A fat young turkey weighing 4 to 8 pounds after it's been dressed is a good choice for the broiler.

To prepare a young turkey for broiling, split it down the back, remove the breastbone, and divide the bird in half. Cut the skin on the side next to the body and take out the drumstick and thigh-bones carefully. Cut the wing off at the "elbow" joint, and remove the bone from the wing stump by cutting the skin on the side next to the body. You can leave the backbone and ribs to help you hold the turkey halves in shape.

Prepare a savory stuffing, and put a spoonful of it into the boned legs and wings, and then sew or skewer them to the body. Coat the turkey halves with melted fat, sprinkle with salt and pepper, and, if you like, dust with flour.

Start cooking the bird with the skin side away from the heat, and turn and baste the turkey frequently during broiling. You'll need an hour to an hour and 15 minutes of cooking time for a 4 pound bird.

When the turkey is nearly done, turn the halves skin side down on the broiler rack and fill each cup-shaped half with stuffing. Pat the stuffing into place, and return the turkey to the broiler to finish cooking the meat and to brown the stuffing.

LUNCH BOX DESSERT
 Candy kisses or a few wrapped caramels tucked into the lunch box will fit into a small boy's

pocket very well. Five or six whole walnuts are easy to crack and make a treat that is not sweet.

Banana Chocolate Pudding
 1 package chocolate pudding mix
 1 banana
 4 chocolate chip cookies

Make pudding using directions on package. Cool. Fill dessert dishes half full. Add one-fourth peeled diced banana to each dessert. Cover with more pudding. Press a small chocolate chip cookie into the center of each.

Yield: 4 servings.
 Another time use chopped nuts instead of bananas in chocolate pudding.

Pinwheel Fruit Dumplings
 No. 1 tall can (2 cups) fruit cocktail
 1/4 cup sugar
 2 cups biscuit mix
 1/2 cup milk
 1/2 tablespoon butter or margarine

2 tablespoons brown sugar
 1/4 teaspoon cinnamon
 1/4 teaspoon nutmeg
 2 teaspoons lemon juice
 1/2 teaspoon lemon rind

Drain fruit cocktail. Add water to juice to make one and one-fourth cups. Add sugar and boil together ten minutes.

Combine biscuit mix with milk. Knead lightly a few times on floured board and roll out in oblong shape one-fourth inch thick. Spread drained fruit on dough. Dot with butter or margarine. Mix brown sugar and spices together and sprinkle over fruit; then sprinkle with lemon juice and rind.

Roll as for jelly roll. Cut into one and one-half inch slices. Place in greased baking dish about one inch apart. Pour in hot syrup. Bake with syrup once to upward end of baking. Bake in very hot oven (450° F.) for 25 minutes.

Yield: 8 servings.
 For either of these desserts you will need dessert dishes with plastic covers or waxed paper cups with lids. The paper dishes are light to carry and can be thrown away when the dessert is gone.

Faithfully

 JUNIOR FOOD FOUNDATION, CINCINNATI, OHIO

Well Cooked Food Needs Proper Salting

The perfection of cooked foods depend greatly on using salt at the proper time. Some meats and vegetables should be salted before cooking. Others should be salted just before the cooking time is up. And still others should be soaked in salt water before use.

Roasts, stewing meats, pot roasts, liver and kidney are among the meats which need to be salted liberally before cooking. Chops and steaks should be salted as each side is done. Leafy vegetables should be salted after cooking.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

M-m-m-BUTTER-ROASTED TURKEY!

When the holidays come dancing onto our calendars, then is the time to "talk turkey." A plump, golden butter-roasted turkey with plenty of gravy and dressing is as traditional as Thanksgiving, as expected as Santa Claus.

When it comes to turkey—there is one department of eating where you get no thanks for trying to be original. No better way has been found to roast turkey—basted with butter and stuffed with a savory dressing made of bread with lots of butter and seasoned to a turn with poultry seasoning or sage, and onion—it fairly melts in your mouth.

You'll find this recipe for butter-roasted turkey suited to a queen's taste. Complete your holiday meal with creamy mashed potatoes, buttered pearl onions and green beans, a tasty cranberry salad, hot buttered rolls, and pumpkin pie with whipped cream or mince pie with cheese—and you will have a remembered meal.

BUTTER-ROASTED TURKEY WITH CELERY DRESSING

- 14 to 16 lb. turkey.
 3 qts. day-old white bread cubes
 2 cups diced celery
 1 cup butter
 2 teaspoons salt
 2 tablespoons chopped onion
 2 teaspoons poultry seasoning
 1/2 teaspoon black pepper
 1/2 cup butter for basting turkey

Serve Hot Soup on Cool Days

Good, hot soup has many virtues, most of them applicable to snappy fall weather and the rather substantial appetites developed therefrom. It looks good, it tastes good, and it is the rich creamy kind, if it's long way toward satisfying those appetites.

CORN AND POTATO CHOWDER

- 1 lb. diced salt pork
 1/2 cup finely chopped onions
 1 cup diced raw potatoes
 1 cup boiling water
 2 1/2 cups (1 No. 2 Can) whole
 1 kernel corn
 2 cups milk
 1 tablespoon flour
 2 teaspoons salt
 1/2 teaspoon pepper
 2 tablespoons minced parsley
 1 cup rice krispies

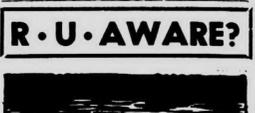

Cook salt pork in frying pan until brown and crisp. Lift from fat and drain. Cook onions in salt pork fat until tender and slightly browned. Drain onions, reserving fat, and put into soup kettle; add potatoes and water; cover and cook ten minutes. Add corn and milk. Make smooth paste of one tablespoon of the salt pork fat and flour, stir into soup. Continue cooking about 10 minutes. Stir in seasonings and parsley; serve in warmed bowls.

Brown some crisp rice cereal in one tablespoon of the salt pork fat. Drain well, combine with crisp salt pork cubes. Serve in separate bowl with chowder.

Yield: 6 servings.

The modern city home has developed to the point where it is only used by the boys and girls of the family as a place to sleep.

Turn on Electric Units Singly to Avoid "Blackout"

When one electric "blackout" follows another in the home, householders often wonder what ails their electric systems. Frequently fuses blow out just after the current is restored following a power failure—for example, during a thunder storm.

To save blown fuses that cause the second blackout, disconnect some household motors as well as such appliances as television sets that draw heavily on electric current, specialists of the REA, USDA advise. Many people don't realize that household motors often need 3 or 4 times as much current in starting as in running. When the current comes back after a power interruption, automatic motors such as those in refrigerators, home freezers, pumps and water heaters may start all at once. This can add up to an overload on wires, especially if lights and other appliances are on. Then the call for current is more than the wires can supply for long, and fuses blow out. When wires are overloaded, it's hard on motors, too. They start slowly and may become overheated.

This is why the specialists say it pays to disconnect some appliances while the current is off. When it comes on, turn appliances on gradually so that one motor is running before another is called on to start. This saves fuses, motors, wires and trouble.

Local Sport News

Rocks Gain Ninth Straight Victory; Complete 9-Game Undefeated Year

The Plymouth High school football eleven ended the most successful season in modern times last Friday evening when they humbled Garden City 39 to 6 to complete an undefeated season. The play of the locals improved with each game, and towards the end of the season Coach Charles Ketterer had one of the smoothest working outfits in Michigan. The last four games were hard-fought, well-played, inspired contests with the offensive line charging hard and fast to give the backs plenty of yardage.

The defensive unit has been working hard all year as shown by the fact that they have allowed less than a touchdown per game against them. This is the first undefeated season in a long time for a local team.

The game last Friday night started out on a sinister note as Garden City received the kickoff and ran it back for a touchdown for their only points of the evening. They missed the conversion to take a 6 to 0 lead before the game was a minute old. However, the Rocks came back magnificently, and scored two touchdowns in the first quarter, another in the second, one more in the third, and two in the last quarter to win going away.

Ron Ritter contributed runs of 76 and 41 yards, the first for a touchdown. He scored on another short dash around end. Bud Lanphear, who has starred all year with his power rushes and booming spiral punts, also scored two touchdowns. The other two were made by Russell Brown and Denny Luker. Luker's was scored on the only time he carried the ball when he dashed 11 yards for a TD.

Jerry Vettese, who has been most proficient in kicking the

all-important extra point this year, was a little off in his last game as he was successful on only 2 out of 5 attempts. Ron Johnson booted one extra point in his only try.

Statistically the Rocks had a decided advantage. Plymouth made a total of 17 first downs—15 on rushing and 2 on passing. Garden City had a total of 5 first downs. The Rocks had the most yards rushing of any game this year when they compiled the staggering total of 378 yards on the ground and 42 through the air. Garden City had 27 net yards from rushing and 112 by passing. The first half was fairly close with Plymouth enjoying a 19 to 6 lead, and Garden City had one touchdown called back because of a clipping penalty.

Plymouth completed 2 passes out of 7 attempts. In rushing Ron Ritter led with two long rushes for 76 and 41 yards—he carried the ball 16 times for a grand total of 216 yards. Bud Lanphear carried 15 times for 127 yards.

This game concluded the season for the locals, and most of the boys will switch over to basketball now to get ready for the first game of the season on December 5.

A goodly number of the first-stringers will be lost this year by graduation, and Coach Ketterer will have to find replacements for some good players before another year rolls around.

The reasons some Plymouth men don't have to tire their brains thinking up alibis for their failures is because they have wives they can always blame them on.

House for sale? Use a classified ad. Call 1600. Deadline is Tuesday at 5:00.

EIGHT RACCOONS represent the bag of hunter John Miller of 712 Maple, shown above, and his partner Jim Gohard of Eckles road. According to Miller, the pair used three dogs and shot the raccoons west of Plymouth. Miller stated that his hunting pal, Gohard, was an expert rifleman known for his sharp-shooting. Proud dog shown with Miller is "Fred."

Gaffield Photo

Sports Glances

by "Professor" Edgar Brown

Our boys brought home the bacon from Garden City the other night in fine style to complete an undefeated season for this first time in the memory of recent graduates of the local school, undoubtedly the first time on a 9 game schedule. Now it can be told those boys really played grand ball each game with the exception of the Belleville and Bentley games.

You see it is not too good sometimes to praise up a team in mid-season because it may cause a few to get the big-head, and think they can take anyone—over-confidence sometimes backfires and causes a defeat. I think the boys know what I mean. To my way of thinking this year's team was the best team I have ever seen on a Plymouth field—they had drive, poise, spirit and confidence, and looked the part of a very good high school team. Teamwork paid off in that all the players were in there all the time giving their all—and remember, the substitutes and reserves played an important part in each victory as they were out there night after night practicing plays against the varsity which helped tremendously in overcoming weakness in offense and defense.

At least 4 from the local team should make the all-league team this year.

Coaches Ketterer and Sandmann, McFall, Sullivan and Harding all had an important part in developing this great team, and the boys played their best for them. I can not add anything but to say a truly great team and they deserved every win.

It was my misfortune to miss the last game of the season, the only one I didn't see, but I want to thank the coaches for getting the statistics for me, and they did a thorough job. I have been getting them all season, and I have every play down in my little book so that I can look back to the first game and see who carried the ball on every play, what they did, how many yards they made, and even what yardline the ball was on each play. When I was sports editor of the Central Michigan College "Central State Life", I began taking statistics and the first thing instructor Maynard Hicks told me was to get the facts right, or it was best not to have them in the article at all. It is a lot of fun and I hope it has been a lot of information for the coaching staff.

Now for the yearly comparison of scores. Do you know that if you figure comparative scores you can just about make Plymouth lick any Class A school in Michigan. Just look—Plymouth beat Wayne by one touchdown—Wayne beat Ypsilanti by two touchdowns—that makes Plymouth 3 TD better than Ypsilanti. Well Ann Arbor, the best class A team in the state beat Ypsi by two touchdowns—so, doesn't that make Plymouth one touchdown better than Ann Arbor! Better have a post-season show-down game. Even at that I'll bet that the Rocks could give the highly-touted Ann Arbor eleven a run for their money if they played like they did the last four games—it would be a great game to watch.

The boys turn to basketball now, and the full squad are out there on the new gym floor sharpening up their eye for the hoops, and getting used to the long floor—conditions will mean much more now than they did in the crackerbox gym we had before the good taxpayers voted to

build this wonderful new one. We all should be really proud of the new gym and swimming pool—it is one of the nicest ones in this part of the state, if not in the whole state, and we should appreciate it as much as we possibly can. It will be a relief to be able to come to a game and know that there will be an available seat to watch the game. The first game is December 5.

Michigan State came through in great style last Saturday against Notre Dame—some will say they were lucky and got the breaks as they recovered 7 Irish fumbles—two leading to touchdowns with the aid of penalties. But let me say this—a team who recovers a fumble usually makes that break itself by hard tackling which causes the fumble, and alertness recovers it. Our local team recovered a lot of fumbles this year, and I know they spent hours practicing recovering fumbles each night, and that hard tackling made the other team fumble.

Michigan also won and are now tied with Wisconsin for the Big Ten lead. Both have been beaten by Pacific Conference teams, and I would vote to send Michigan State to the Rose Bowl this year. They can send another team, even outside the conference, if they want—MSC is in the conference, and would be truly a great team to go as they are the number one team in the nation, having beaten Michigan, Purdue, Indiana in the Big Ten, and Notre Dame. Stanford beat Michigan and Southern California walloped Stanford 40 some to 6. Send Michigan State! The Big Ten will vote on it Saturday if a tie still exists.

Plymouthites Play Badminton on Mondays

Plymouth area residents who are interested in playing or learning how to play badminton are invited to the high school gymnasium to play with the Badminton club Monday evenings.

All persons from high school juniors on up are eligible to join the club. Each person is to furnish his own racket. Plastic birds are furnished by the recreation commission.

Representing the Plymouth Vivians Club, the ladies' auxiliary of the Elks Club, in the annual Michigan Elks Ladies Bowling Tournament in Grand Rapids. Mrs. Frances Buttermore of Farmington bowled 627 to win the singles, and Mrs. Helen Buttermore bowled 1730 to tie for fifth place in all-events. The tournament ended Sunday, November 16, 1952.

This would be a better world to live in if it offered a man as many opportunities to make money as it offers him to make a fool of himself.

Times Rate Rocks Fourth in State

The Detroit Times rated the Plymouth High school football team fourth in the state in class B for the season just completed. Rated ahead of the Rocks were Battle Creek Lakeview, who won the unofficial Class B championship, Redford St. Mary's Menominee and then Plymouth.

At the rate the Rocks were playing the later part of the season most local observers believe they could take any Class B team in the state, and most of the Class A outfits.

Plymouth has been in the first ten since early in the season, and after they defeated Trenton and Wayne they were solidly entrenched in the select few. These ratings began before it was definitely determined in which class the Rocks would compete this year.

Thanksgiving Day
Actively Notes

The Teenage dances held every other Saturday night at Bird School is sponsored by the Plymouth Optimist Club. It is their wish and ours that the Plymouth Teenagers would come and enjoy their dance.

No Swim Tonight

There will be no adult swim tonight as the pool has been rented by the Plymouth Teachers' Club for the evening.

The next adult swim will be next Thursday night at the regular time.

More adults are needed to assure each Thursday night being set aside for adults. The junior high students are just waiting for a chance to get the pool for another night. So far very few adults have been taking advantage of the pool, and officials say they can't hold the pool open for just a few.

House for sale? Use a classified ad. Call 1600. Deadline is Tuesday at 5:00.

Lanphear, Ritter Lead Statistics

When the total statistics were compiled for the recent football season it was found that Plymouth ball carriers had lugged the piskin a total of 402 times in the 9 games for an average of 5 yards per carry on the ground. Bud Lanphear was the biggest ground-gainer with 806 yards in 743 carries for a 6 yard average. Ron Ritter with several sparkling long runs had 102 carries for 645 yards and also a 6 yard average. Jerry Kelly rushed 43 times for a 5 yard average, Russell Brown 25 times for a 4 yard average, Denny Luker 7 times for 62 yards and a 9 yard average, Dick Huebler 8 times for a 4 yard average, and a few more players carried for less average.

Ronald Johnson led the passers with 10 completions out of 18 tries for 132 yards and had no interceptions; Ron Ritter tried 12 times and completed 5 passes for 102 yards and had 2 intercepted; Dave Finney tried 20

passes and completed 3 for 60 yards and had 4 intercepted; Jerry Kelly tried 9 and had 1 completed for 5 yards. The team tried 65 passes and completed 22 for a .333 average—there were 7 interceptions.

Dick Huebler was the best receiver of passes having caught a total of 11 for 192 yards; Ritter caught 3 for 66 yards and Dave Wilkins 2 for 25 yards; Kelly, Brown and Juve each caught either 1 or 2.

Bud Lanphear punted brilliantly all year and booted the ball 27 times for a 40 yard average from scrimmage.

Jerry Vettese average 43 yards on 30 kickoffs. Besides kicking off, Jerry was successful on 20 of 28 attempts at the extra point. A summary of the scoring shows Lanphear leading with 12 touchdowns for 72 points; Ritter had 42 points; Kelly 30; Vettese 20; Johnson 7; Luker, Brown, Wilkin, Nagel, Finney and Lee

Juve each 6; Ron Nyhus and Ron Bender each 1 point. The team totaled 215 points for the 9 games for an average of 24 points per game.

The defensive unit held their opponents to a mere 750 yards rushing, or less than 100 yards per game. Plymouth averaged 225 yards per game from rushing with most of it coming against the tough competition at the end of the season.

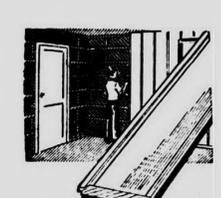

A question in etiquette that hasn't been answered yet is whether the man or the woman should go through the windshield first when they are in a head-on collision.

25 Years Ago

Plymouth auto owners will not find it necessary to go out of Plymouth to get auto license plates this year. Through the courtesy of John S. Haggerty, secretary of state, an office will be opened in the old branch bank building of the Plymouth United Savings Bank, at 192 Liberty street, the office of Edward M. Plichta, real estate and insurance.

John S. Crandell, attorney at law, with offices in the Florence building on Main street, announces that John Loree, who has been engaged in the practice of law in Detroit since 1910, has now

become associated with him in Plymouth, and the firm will conduct a general law practice under the name of Crandell & Loree. Plymouth's first league debate this year will take place Friday evening, at Fordson High school. Fordson is not very far from Plymouth, and with concrete highways all the way, it will be convenient for Plymouth debate fans to drive over.

VILLAGE of WAYNE Civil Service Position

The Village of Wayne will continue to accept applications until Tuesday, November 25 at noon for written examination for the establishment of a Civil Service register for the following posts:

Patrolman and Firefighter
Salaries \$3874 - \$4450

Starting salary will be \$3,874 for the first six months and \$4,450 next 18 months. Sick leave earned, and two weeks vacation, retirement and disability plans now in effect. One immediate appointment in the fire department.

QUALIFICATIONS:

Age Limit: 21-30 years at time of appointment
Residence: U. S. citizen. Residence requirement will be waived with the understanding that any man selected will move within the prescribed area at the completion of his six month probationary period and the confirmation of his permanent appointment.
Education: High school diploma or equivalent.
Physical: Policemen 5 ft. 9 in. minimum; Firemen 5 ft. 8 in. minimum and 6 ft. 3 in. maximum. Minimum weight 165 pounds. Persons afflicted with diseases of the heart, diabetes, defective speech, sight or hearing, flat feet, crippled or deformed hands, feet, legs, and so forth will be disqualified.
Character: Applicants who have police records or are addicted to narcotics or alcoholic liquors or are of questionable character will be disqualified. Before appointment, applicants will be fingerprinted.

Subject and Weight of examinations: (1) Written examination 60%; (2) oral interview and qualifications 40%. Physical examinations to qualify only. Successful applicants must achieve a grade of 70% on each of the subjects of the examination.

All eligible applicants will receive written notice as to the place and time for the written examination, after screening by the civil defense director.

To make application and for full details apply in person to the personnel director at the water board building, 34808 Sims avenue. Applications may be obtained from the police or fire station.

PERSONNEL DIRECTOR,
VILLAGE OF WAYNE
34808 Sims avenue

the first luncheon in the new Hotel Mayflower, last week Friday. The large beautiful dining room makes an ideal place for the holding of the luncheons of the club. The speaker of the afternoon was Professor Charles McKenny, president of the Michigan State Normal.

Village Manager William Weltner and Herald Hamill attended a convention of the Michigan Engineering Society at the Hotel Hayes in Jackson, last Friday and Saturday.

Mr. and Mrs. P. A. Miller and son, Grant, left Thursday, for Lake Worth, Florida to spend the winter.

Miss Blanche Clark, who has always made her home in Northville, has moved to Plymouth, where she will reside with her sister, Mrs. James Sessions.

Mr. and Mrs. Harry C. Robinson and Plato Hough attended the laying of the cornerstone of the new Municipal Building at Trenton, last week Friday.

Miss Mae Hallahan and Mrs. Clyde Harmon entertained with a miscellaneous shower for Miss Ruth Holt, last Tuesday evening. The guest of honor was the recipient of many pretty and useful gifts.

Thursday afternoon of this week, Mrs. Henry E. Baker, Mrs. Floyd Hillman, Mrs. John Hubert, Mrs. Carl January, Mrs. John Larkins, Mrs. George Smith and Mrs. Florence Webber were joint hostesses to a large number of guests for a bridge luncheon at the Hotel Mayflower.

If you have not registered for gas for your car, do so before 9 o'clock this Friday or wait until after December 2 before you can get your ration card. Chairman William Wood urges everyone to act quickly, if they have not already done so.

Bushels and bushels of those "holey" stockings possessed by women of Plymouth and vicinity have been turned in at the various collection depots during the past few days. One Plymouth lady had nearly 20 pounds that she donated. Another, who had started a collection for the purpose of making a silk rug, donated her entire lot to the government.

So well have Plymouth residents responded to the appeal for coat hangers to be given to boys who have been inducted into military service that officials of the Plymouth selective service board believe they have enough to last for two or three months.

If any one has an idea that war shortages have not already hit Plymouth, just go over to your favorite meat market and try to purchase some bacon or smoked hams. Maybe if by chance you should be right there when a slab or two of bacon comes in, you might get a pound or two, but there has been practically no ham or bacon on the market for several weeks. Local dealers state that they do not expect to be able to supply their customers with ham and bacon for some time—and maybe not for the duration.

Miss Opal Stanley, who resides at the Powers home on Joy road, returned Tuesday with an eight-point buck that she shot near Houghton Lake on the opening day of the deer season. The deer, when dressed, weighed over 200 pounds.

The fifth anniversary of the opening of the new Presbyterian church will be celebrated Sunday next, with appropriate services. The preacher for the anniversary is Dr. Paul H. Buchholz, executive secretary of the Presbytery of Detroit.

Born to Mr. and Mrs. Jimmie Stimpson, an eight and a half pound boy, on Saturday at Plymouth hospital. He has been named James Grant Stimpson.

Sally Ann Thorpe, daughter of Mr. and Mrs. Charles Jack Thorpe of Holbrook avenue, underwent a tonsillectomy in Sessions' hospital last Wednesday. She is recovering nicely.

Mr. and Mrs. Harry Martin announce the birth of Frederick Thomas, on Tuesday, in Plymouth hospital. Weight six pounds and seven ounces.

Mrs. Harold Brown was the guest of honor, Saturday evening, at a party given in the home of Mrs. Rau Dunham, of Belleville, with her daughter, Mrs. Elmer Horvath, of this city, assisting.

Plymouth High School News

Seniors Hold Football Finale

"Football Finale" was the theme of the senior dance Friday, November 14 from eight o'clock to eleven. A theme taken because it was Plymouth High's last football game of the season that night.

Bob Nulty served as general chairman working with the other committees. Serving on the ticket committee were Susan Wesley, Ellen Daane, Nancy Kropf, Ann Hammond, and Terry Carney. On the music committee were Sally Truesdell and Jackie Langmaid. Chaperones for the dance were Mrs. Virginia Calligan, Walter Goodwin, Miss Betty Baker, and Robert Ingram.

Bob Jenkins Named Eighth Grade President

Bob Jenkins is the newly elected eighth grade president. Helping him make his term a successful one will be Cliff Tait, vice president, Jerry Hotchkins, secretary, and Faye Lietz, treasurer.

We know some fellows around Plymouth who seem to think that it's not unkindly to postpone a wedding so long as you keep on postponing it.

Many a Plymouth man who believes in free speech is still paying rental on the telephone.

Y-Teens Hold Scavenger Hunt, Special Dinner

The Y-Teens white chapter had its annual scavenger hunt last Wednesday, November 19. The activity started at 6:30 p.m. at the high school. The club was divided into three groups with Gale Lietz chairman of group one, Pat Lidgard group two, and Margaret Burr group three. Then the girls went out to collect canned goods or money which they gave to needy families. At 8:30 the girls went back to the high school where prizes were awarded for the group collecting the largest amount.

The blue chapter of the Y-Teens has also been active. On November 11 members held a progressive supper starting at the home of Jane Nulty. Joan Donnelly and Jane had charge of the first course of the supper. Then the girls went to Sally Morgan's house where Margie Alford and Sally had taken care of the main course, which was chop suey. The girls then hiked to Thalia Bairas's home for dessert.

The club plans to take in new members around the first week of December. The club advisor, Miss Virginia Olmstead, reports that the adult councils for both chapters are planning to buy song books for the club.

Junior High Publishes Paper

Faye Lietz was editor-elect of the junior high newspaper this month, with others on her staff consisting of Elaine Keith, assistant editor; Bob Jenkins, make-up editor; and the rest of the 8B's acting as reporters.

Publishing a newspaper is a new project for the junior high students. It is under the direction of the English classes, each class being responsible for one issue. Mrs. June Kelly, Miss Barbara Daniels, and Mrs. Joan Hayskar, all eighth grade English teachers, are the sponsors.

The first issue was published by Miss Daniels' class with Jim Hauk as editor-in-chief. Kay Porter held the top position when Mrs. Hayskar's group published it. This month Mrs. Kelly's class was responsible for the paper.

The paper itself is from three to five pages in length, consisting of a front page, an editorial page, a joke page, and favorite columns such as "Tin Pan Alley" and humorous interviews.

The paper is typed on stencils by a typist hired by the class and then the papers are run off with the use of the ditto machine. The class buys the supplies and sells the paper at a cost of between one and five cents, depending upon the cost.

Mrs. Kelly states, "The project is proving very beneficial. It gives the children an opportunity to collect news, write the stories, proof read them, and publish them. It also gives the children good business experience."

A Yale professor says that long legs are a sign of intelligence. They are if vigorously used when crossing a street where traffic is heavy.

Better see beginner for better deal. New and used cars.

Students Hold Mock Election

In the recent presidential election held in Plymouth High school 660 students voted. The Presidential ballot for Eisenhower was 454 votes and Stevenson 192 votes.

About 90 students from the government classes helped to carry the election out by working in the booths and visiting the different rooms and explaining the procedures for voting.

The art prizes given to the Halloween paintings for '52 were as follows: for the seasonal painting first prize went to group 5 with chairman Theresa McCarthy and painted at the Laundromat.

For the most comic painting first prize went to group 11 with Phillip Straub as chairman and painted at the D & C store.

The Halloween atmosphere first prize went to group 19, Dave Bowen, chairman and painted at Smith's (corner end).

Best design painting given first place were group 4 led by Sue Goddard at Grand Jewelers and Capitol Shirts.

For the most original painting group 3 won first prize, Kathy Bernash, chairman, painted at the Dairy Queen.

Mrs. Gerald Hondorp, Mrs. Earl Becker, and Mrs. Robert O. Wesley acted as judges for these prizes.

Eight Attend Clinic at Bentley

Bentley High school was host to the 6B League Publications Clinic, Thursday, November 13.

Speakers were Isadore Rosen, of Royal Oak High school, who spoke on the method of producing a successful annual. Jack Pickering of the Detroit Times, explained how high school journalism work can be related to professional publications.

Students attending from the school annual staff were: Alex Paskevich, editor; Betty Bowden, business manager; Jean Elliott, assistant editor; and Janet Mulholland, activities editor.

From the school paper staff were Jacqueline Langmaid, editor-in-chief; Dean Palmer, make-up editor; Tyler Caplin, sports editor; and Jennine Tidwell, business manager.

Phone news items to 1600

PHS Observes Book Week

The 34th National Book Week, November 16-22, which is being celebrated throughout the nation, is being observed at PHS this week.

The local high school library has over 250 new books. One hundred of these will be on display in the library. These are a few of the different types of books, fiction, short stories, biographies, humor, poetry, art, Michigan history, journalism, reference, communism, and many others.

Patrick Bulter, school librarian, and student librarians will be on hand all week to add additional information and to answer questions concerning the books.

Seventh Grades Sponsor Party Grades School

Movies, dancing, charades, games, and many other exciting amusements were planned for the entertainment of the junior high students Friday, November 14, from 2:30 to 3:30.

Mrs. Violet Schield, junior high art teacher, and her 7B1 home-room were in charge of the party, the first one ever held during school hours.

Each student paid 15 cents to cover the cost of refreshments and entertainment. Each home-room teacher was responsible for one activity in his room. Students were free to go to the rooms of their choice but they changed rooms at the end of each quarter hour.

As long as the party was held during school hours this gave every student a chance to attend.

Modern motorists are not the only people who have troubles. Look how long old Noah had to float around in the Ark until he found a parking place.

"MOBIL BILL" MOORE, Admiral electrical appliance salesman, who services this section of Wayne county introduced local appliance dealer David Galin to a new way to order merchandise one day last week. It seems that Admiral is taking no chances on wasted time when dealers need merchandise so Mr. Moore now has a telephone equipped car to enable dealers to contact him through the entire day while he is on the road. Says Mr. Galin, "If our customers need something in a hurry we can now call Mr. Moore who will return to the warehouse and make a personal delivery of the item on the same day."

The Woman's Society of Christian Service will hold their bazaar today at the Methodist church. The theme of the bazaar is "A Christmas Village."

Mr. and Mrs. Hugh E. Law entertained at dinner Friday night in honor of Mr. Frazl Ahmad of West Pakistan and also Mr. Chen Ming-teh of Formosa, China, who are teachers in their homeland. They have been studying the English language at the University of Michigan.

Fay Slaughter, an employee of the Bathing Manufacturing company, broke his left foot while at work.

Charles Wolfe of Roosevelt street was among a party of deer hunters who went to Gaylord in search of some venison.

Mrs. John A. Miller was hostess to the members of her Mayflower bridge club Tuesday afternoon in her home on Irvin street.

Mr. and Mrs. Leonard E. Howell of Blackburn street, recently visited the Little White House at Warm Springs, Georgia, where President Franklin D. Roosevelt lived part time and where he died in 1945. Now a national shrine, the Little White House is kept just as he left it and is open to the public the year round.

Mrs. Shirley Groit of Bainbridge received an early telephone call Sunday morning from her husband, Hank, who is stationed in Alaska. Soldier Groit works in communications.

Frances Harrison of Merriman road and Mrs. Shirley Groit of Bainbridge attended the party which was held in St. Mary's church in Wayne last Saturday.

Twenty members of the Get-Together club met at the home of Mr. and Mrs. Walter Kleinschmidt of Northville road on November 8.

Friday night guests at the Thuman Rodman home on Church street were Miss Jeanette Baldwin of Dayton, Ohio, and Miss Camille Rodman of South Lyon.

The next meeting of the Get-Together club will be on Saturday, November 22 at the home of Mr. and Mrs. U. Sutfin on Maple avenue. Carrie Dickinson and Lydia Ebersole will be on the committee.

Dinner at Paul's Steak House and followed by an evening of dancing at the Military Inn were the highlights of the celebration of Dorothy Hester's birthday last Saturday. Buford Conn was her escort. Dorothy received many lovely gifts from her relatives and friends.

The Daughters of America are sponsoring a bake and rummage sale, Friday and Saturday, November 21 and 22 at the Grange Hall. The sale starts on Friday at noon.

John Nelson of Main street spent the weekend in Trenton, as the guest of Mr. and Mrs. William Clark and daughter, Gloria.

Saturday evening guest of Peggy Hicks of Starkweather was Dorothy Hester.

Mr. and Mrs. Lewis Goddard of Maple avenue are spending this week in Biloxi, Mississippi.

Weekend guests of Mr. and Mrs. Finis Hicks of Starkweather were Phyllis Mandolyn of Jackson and Erna Barnes of Detroit.

Deer hunters Lynn Wilson, Ernest Burger, Ole Wefsenmoe and Chuck Harrison spent the weekend at Gladwin.

Kenneth Wolfe, Maurice Wolfe and Bua Myers were deer hunting over the weekend.

LOCAL NEWS ITEMS

Avis Blackmore of Canton Center road, a member of the Plymouth chapter of the Rainbow Girls, number 33 visited chapter 2 of the Highland Park Rainbow Girls, Saturday evening.

Guests of Mr. and Mrs. Howard Salley of Ford road, who celebrated Mrs. Salley's birthday last Sunday, were Elmer Witt, Ronald and Gladys, of Main street; Mr. and Mrs. Theron Palmer and Dean of Beck road; Mr. and Mrs. Fred Palmer of Beck road and Mr. and Mrs. C. E. Ripper and John of Dearborn.

Mrs. Bev Smith of Territorial road left Plymouth on November 7 for an indefinite stay in Bradenton, Florida. Mrs. Smith had left previously for Florida but returned to Plymouth due to ill health of her mother.

Mrs. Oren Blackmore of Canton Center road had her son and daughter-in-law, Mr. and Mrs. Dale Blackmore of Plymouth and Northville roads, as her Saturday dinner guests. The Blackmores just returned from their honeymoon.

Ron Nyhus of Lilley road entertained several friends last Friday evening following the Plymouth-Garden City football game. Among those present were Carol Hamilton of Royal Oak, Dick Huebler, Shirley Phillips, Ron Ritter, Bud Lanphear, Janet Mulholland, Janet Schneider, Pearl Kemnitz, Dick Nagel, Ann Hammond, Jackie Langmaid, and Terry Carney.

Linda Wilt of Joy road celebrated her seventh birthday last Saturday with a party including guests Barbara Jewell, Carol Jewell, Karen Banta, Kay Banta, Vicki Ritter, Sharon Heidt, Joyce Day, Julie Lent, Sharon Mathews, Bonnie Lon Aldrich, Toni Shettleroe and Connie Shettleroe, all from Plymouth, and Karen Williams of Livonia.

Nancy Blackmore of Canton Center road spent Sunday at the home of Peggy Davidson of Lotz road.

Mrs. Charles Ferguson of Sheldon road spent Saturday evening at the home of her mother, Mrs. Fred Gwinup of Ball street.

SCHRADER FUNERAL HOME

Hers Is the Voice of Comfort

Mrs. Agnes Edwards

A Jackson operator couldn't understand what the woman on the telephone was trying to say but she sensed the caller was in trouble. Service Assistant Agnes Edwards came quickly to her aid and together they managed to get the woman's name, Mrs. H. R. Belbeck.

The woman could hardly speak but wanted her husband. In her distress she couldn't remember the tool company where he worked.

Mrs. Edwards has handled a good many emergency calls during her telephone career and assured Mrs. Belbeck they would find her husband. The operators called local tool companies until they found the right one and had him sent home.

Calling back to offer further help, Mrs. Edwards learned that Mrs. Belbeck couldn't stop a severe nosebleed that had caused a serious choking spell. A doctor was notified and Mrs. Edwards lent a voice of comfort to this woman in trouble, alone by her telephone.

"I want to thank her," Mrs. Belbeck wrote to Michigan Bell after her recovery, "and tell her how very grateful I am there are such good people working for your company."

Now the car of the year — the deal of the year!

And we're ready to back up that headline with appetizing facts and generous figures. For example, "the car of the year" is more than a glib phrase, it's a title that Mercury has earned by doing — by making news.

Mercury is the one car in its class that came up with something really new for 1952 — styling so new it left other cars far behind. And Mercury (with optional overdrive) again proved that pound for pound it could beat all comers for economy in the Mobilgas Economy Run.

But, we know, you're equally interested in "how much" for your present car. We can give you some idea if you just pick up the phone and call us. But we can do even better if you give us a chance to appraise it firsthand — so we can allow for the extras and the care you've given it.

So drop around. Our deals are now the best of the year. That means tops in town.

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan. Sunday evening, 8:00 to 9:00. Station WJBK-TV, channel 2

Standard equipment, accessories, and trim illustrated are subject to change without notice. White side-wall tires and full-disc hubcaps at extra cost.

Robert VanAtta Lectures Here

Through the understanding of God and His spiritual qualities, it is possible today to delineate upon human lives the heavenly vision of freedom and joy which men have mistakenly believed could be attained only hereafter, declared Robert S. VanAtta, C.S., in a public lecture here at the Masonic Temple on Sunday, November 16, on "Christian Science and the Search for Cause."

"Science is quite generally thought of as the knowledge of material things," Mr. VanAtta told his audience in Plymouth. "It is commonly believed that knowledge of stars, rocks, plants, animals, numbers, and material forces, is true knowledge of science. But the knowledge of Spirit and its manifestations, the knowledge of kindness and love, patience, unselfishness, and mercy, knowledge of purity and moral courage, of honesty, holiness, faith, and hope, in short the knowledge of spiritual reality, is not properly called 'science,' because it is revealed, established, systematized, demonstrated, and made available and practical in work, life, and the search for truth. It is based on divine Principle and subject to God's laws."

The lecturer came to Plymouth on invitation of The First Church of Christ, Scientist. He is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, founded by Mary Baker Eddy. From his home in Rochester, New York, he is making a tour of the United States. Members of the Board of Lectureship travel throughout the world to present the truth of Christian Science to the public, without charge.

From the numerous and constantly increasing instances of healing in Christian Science, Mr. VanAtta drew two cases of physical recovery to illustrate the present beneficial effects of understanding spiritual reality.

The first healing was of a man who had an infection that threatened to become alarming. By diligently practicing the teachings of

POSING WITH THE MEMBERSHIP TROPHY of the fourth district of the Veterans' of Foreign Wars auxiliary are (left to right) Mrs. Gerald A. Krumm, 1951 membership chairman; Mrs. Lee Coolman, past president of the auxiliary; Mrs. Lawrence Bartel, president of the auxiliary; and Mrs. Harold A. Young, 1952 membership chairman. The trophy was recently awarded to the local auxiliary for increasing its membership more during the drive period than any other auxiliary in the district.

Christian Science, he had the joy of seeing the flesh become again pure and clean.

A woman out in the country took hold of a stove lid litter that was almost red hot. Her first impulse was to scream, so intense was the pain. Instead, she turned her thoughts steadfastly away from the hand and toward divine

Truth, Life, and Love.

"She affirmed persistently," Mr. VanAtta continued, "that Spirit is all and matter nothing; she prayed humbly that only God's thoughts should find abiding place in her heart. She realized the power of divine Love to cast out all fear and hold her securely in the consciousness of good."

"The worst of the pain subsided," she continued to look at the hand and refused her preparations for the evening meal. Nothing was said to the family during the dinner hour. Washing the dishes afterwards, she found she could put her hands into the hot water without trouble.

"After dinner she showed her hands to the family. They could see no difference between the upturned palms. There was not the least sign of a burn. With a heart full of gratitude she told them of her beautiful demonstration of God's protecting power."

Just think how much larger the treasury surplus would be if Uncle Sam would quit publishing bulletins that nobody ever reads but the proofreaders.

13 Local Hunters Get Bucks Early

At least 13-deer hunting nimrods came home last weekend with reported early deer kills as the buck-hunting season swung into its first week.

Using a 12 gauge rifled slug, John E. Pint, of 42005 Micol, dropped an eight-point, 160-pound buck at Island Lake, near Brighton, last Saturday. His was the first recorded kill in The Plymouth Mail survey.

In a father and son combination, Everett Schroeder, of 864 South Main street, beat out elder Roy, his father, bringing home a 140-pound lot of deer streaks. Schroeder, the younger, sighted down on his kill at West Branch.

Looking at the deer kills from the woman's angle, sportswoman, Mrs. Edith Bredin, of 232 Ann street, outpaced a 100-pound, five point buck with a rifled slug from a 20-gauge shotgun.

Mrs. Leon Stefaniak, also representing the women among Plymouth deer hunters, brought down her season's kill last Sunday. Her husband, Leon, also accounted for a buck. One of the animals, a six-point buck, weighed 116 pounds dressed, the other, a four-point buck, weighed in rough dressed at 117.

The third of these latter three kills, recorded by Lorandson Locker Service, of 192 West Liberty, was Al Balden. His Saturday deer kill weighed in at 143½ pounds rough dressed.

McAllister Bros. Grocery, 14720 Northville road, reports an additional seven deer kills over the weekend. Names and statistical data of persons bringing in the animals to be dressed are not available.

Unsuccessful nimrods venturing into the upper portions of the lower peninsula report that hunting there is generally poor due to warm weather, lack of snow for tracking and the general dryness of the woods.

Dry twigs cracking underfoot tend to warn the deer of advancing hunters is the general commentary.

D. of A. News

Regular meeting of the Daughters of America will be Friday, November 21. Members are reminded of the bake sale, fancy work and rummage sale to be held at the Grange hall on Friday and Saturday, November 21 and 22.

Roll call night and regular lodge meeting will be Friday, December 5.

The Past counselors club will meet Monday, November 17. Mrs. Louise Rulison will be hostess to the Canasta club on November 25.

Old Glory Council initiatory team will initiate members of the Good Cheer Council, Detroit, on November 28.

Mary Carivean announces the birth of a baby boy. Evelyn Wilson is doing fine after her fall.

Smith School PTA to Meet

The Smith School Parent-Teacher association will meet Tuesday, November 25, at 7:30 p.m. in the school.

Julian W. Smith, assistant State Superintendent of Physical Education and Recreation, will tell of the new camping program in the schools.

We've noticed that the Plymouth citizens who argue that there ought to be a tax on bachelors are all married.

Radiator Repair Shop Does Big Business Here

Housed in a new \$5,000 building, 18 by 24 feet, the Plymouth Radiator Repair may well be called one of Plymouth's biggest little businesses.

Since 1949, says its owner, H. D. Spence, "I have repaired over 12,000 radiators." At this rate, since Spence first went into the radiator repair business here in 1943, he has cleaned, repaired or recored something like 36,000 radiators—the "breathing" system of every car.

Something like a year ago, Spence, whose business serves communities as far away as Detroit and Pontiac, bowed to his cramped quarters and looked at his business growing by leaps and bounds. Six months ago he moved into his new repair shop at 15201 Northville road, equipped with all the gadgets that help make radiators hold water and anti-freeze without leaking.

Speaking of leaking radiators, Spence remarks that of the 12,000 of them he has repaired since 1949, fewer than fifty of them turned out wrong. "Then," he says proudly, "they were only tiny leaks."

Located opposite Phoenix lake, just 50 feet from his old location at 15185 Northville road, Spence also repairs gas tanks and auto heaters.

The finest man you ever met is the one who agrees with you in everything and then compliments you on your good judgment.

Chips from the ROCK

Your editor had an interesting experience last Wednesday evening. Missing the Chamber of Commerce annual banquet here because he had been previously committed to attend the Michigan College Foundation banquet at Lansing where he served as a member of the Madonna College Foundation membership. There he dined with old friend Simon Den Uyl, president of Bohn Brass and Aluminum company, Mayor Russell Daane's brother-in-law Willard Wichers, midwest director of the Netherlands Information Bureau and insurance company vice-president, L. J. Wall. The latter, a member of his high school graduating class at Lansing High and an old friend he hadn't seen or heard of for nearly 28 years.

Tradition played its course last week when unidentified "artists" from Plymouth High school sought year-long fame for their graduating class by inscribing a "53" insignia in three-foot numerals 125 feet atop the Church street water tower, south of the high school. Taking a dim view of the neatly wrought numerals, Police Chief Carl Greenlee said something about destruction of city property, calling the night-climb to fame "dangerous." Wryly, though, the chief admitted that "20 years ago I climbed that same tower and stood on the round ball with one foot." Proving his claim, the chief, who was a DPW maintenance man then, said he has a picture to prove it.

Barber Harry Terry is doing a "land office" business these days because of the "landslide" victory of Eisenhower. Seems Terry was "clipped" to the tune of several free haircuts. Betting against Ike made him a sure-thing to win, claims Terry.

That wasn't snow you saw blowing around Plymouth last week — just some of the 3500 candy cotton cones given away by Mrs. Stevens' Candies. The 3-day give-away event literally produced kids with cotton coming out their ears!

With armed escort, City Clerk Lamont C. BeGole took 43 signed \$1,000 bonds to Detroit last week, returning them to a bonding company to whom they had been sold. Expecting to pick up a \$43,000 check, BeGole came back red-faced and empty handed. Reason was the bonds were void—someone had forgotten and left off two assessment districts to which part of that \$43,000 had been allocated for street improvements.

A probable intended miscalculation almost scuttled Daisy's Robert Wesley's weekend brick laying project. Neighbors "came to his rescue" with odds and ends from their own brick piles however and furnished him enough materials to keep him busy throughout the day and bring to completion his long overdue sidewalk building program.

Laugh of the week came in Marshall Field's store in Chicago last Saturday morning when George Jackson and William Slinger, both of Plymouth bumped into each other over the toy counter where they were finding some little gadget to bring home to their sons. Mr. Jackson ended up an hour and a half later with an intricate airplane for his year and a half old youngster. Jackson was in Chicago with his business associate William Eger attending a paint and wallpaper show and Slinger was there with Sterling Eaton attending a National Editorial Association work shop.

Any concern by Plymouthites that tanks produced at the Ford plant on Plymouth might be crowding and generally destroying Plymouth road was cast aside at the Chamber of Commerce annual meeting last week. Industrial Relations Manager Harold Lane, Jr., quipped that we could rest assured there was a test track for the tanks on the plant grounds, even though it isn't visible from the road!

THANKSGIVING, 1621-1952

"Food costs are high and may go higher." That's no news to Mrs. Michigan. She knows it and—evidently—accepts it. So she's in a buying mood. She and her husband are still looking for values when they shop but they've decided that prices aren't coming down and there's no point in putting off buying the things they want. That upsurge in buying will push prices up. At least, with little buyer resistance, there won't be pressure on merchants to cut prices to move merchandise.

Those are the conclusions drawn by Michigan State College's department of Agricultural Economics. THE USE OF DRY SKIM MILK is on the increase because it is a practical way to stretch the food budget; fluid milk is likely to average more in '53.

Egg prices aren't expected to be as high this Fall as they were last year but the '53 average will be higher than this year's. Canned food prices will remain about the same. A large carry-over will counteract effects of a smaller '52 pack.

MEAT PRICES MAY BE A LITTLE LOWER on a yearly average in '53. Some grades of beef and poultry will drop; some of pork will rise.

At least so say the MSC experts. Mrs. Michigan will check the accuracy of their predictions by her grocery bills.

ONE OF THE ELECTION RESULTS is that many new county officials will take over new duties come Jan. 1.

To make sure that there is no dangerous or inconvenient lag in county business because of this, the Michigan Institute of Local Government will give its fifth biennial short course for newly elected county officers at Kellogg Center in East Lansing Dec. 15-17.

D. Hale Brake, state treasurer and Institute chairman, is given credit for the rapid growth of interest in grassroots government.

He is also being talked about as the GOP candidate for governor in 1954. That talk is hush-hush at this stage of the game with a recount coming up on the Nov. 4 election. But his admirers, and they come from every part of Michigan, feel that his plain, straightforward-the-shoulder talking is the antidote to the personal glamor of the hard-to-stop Gov. Soapy.

MICHIGAN HISTORY is growing in popularity. Local historical societies are doing a good job of letting the public know that there is still much valuable historical data hidden in attics of Michigan homes.

But as each year rolls along, more and more priceless material is destroyed in period housecleaning sessions. Every time a family moves, it discards accumulations that may go back to the early days of statehood. So the continued boom in home-building doesn't make local historians too happy.

THEY ARE HAPPY, though, about the publicity that is being given now to a Michigan law of 1948 that permits county boards of supervisors to appropriate public funds to volunteer historical associations. "It's one of the best laws in the country," says Vernon R. Beall of the Michigan Historical Association.

Forty-two thousand red pine seedlings have been planted in Leelanau County, most of them around Empire.

LOOK FOR LEGISLATION to be introduced early in the 1953 session that would increase membership of Township Boards.

A Michigan Supreme Court decision—which received little public attention because of campaign headlines—said that Justices of the Peace may no longer serve on Town Boards. JPs are members of the judiciary and therefore are prevented by the Constitution from taking part in administrative or legislative branches of the government.

FOR MORE THAN A HUNDRED YEARS justices have been considered regular members of such boards and the decision came as a bombshell to local governments. They hope that there will be no lawsuits to question the legality of board action taken during the century while JPs sat unconstitutionally.

Town Boards now have only three members, the supervisor, clerk and treasurer, where once they had two or four justices also. That means it's harder to get a quorum and harder to get a cross-section in deliberation.

NEW LEGISLATION will probably provide for two or four "board members" to make a more workable board.

The demand for birth certificates is keeping Michigan Department of Health clerks on the double these days. Dr. Albert E. Heustis, commissioner, says that the pace is approaching that of the early days of World War II.

An average of 50 persons a day personally seek copies of their certificates and the backlog of unprocessed mail requests has passed 1,000 and is increasing daily.

One of the reasons for the unusual demand is that schools are so crowded that many require a birth certificate for enrollment. Resumption of hiring by heavy industry after the steel strike also contributes to the load.

THERE WERE 384,717 NEW MOTOR vehicles licensed in Michigan during 1951. Pennsylvania, Illinois and Texas surpassed this mark.

Michigan ranked seventh in the number of passenger car registrations last year with 2,218,227 of them on the road. There were 306,213 trucks and 5,877 buses adding to highway traffic.

ROGER BABSON SAYS:

BABSON DISCUSSES IKE'S THREATENED HEADACHES

Babson Park, Mass., November 20. Headache No. 1 is Korea. The sad feature of the Election is that his landslide may have come from parents and young people who dreaded Korea. If so, may not this be a sign of fear or cowardice which may likewise show itself in other problems?

HEADACHE No. 2—THE WEATHER

Certain states are now severely suffering from drought. This was one factor which brought on the Hoover depression of the Thirties, following several bountiful years under President Coolidge. When Ike reads the 41st Chapter of Genesis his headache must become worse.

HEADACHE No. 3—LABOR UNIONS

Ike realizes that wageworkers should receive their share of the profits—but they should do so by increasing production—not by striking. During the past 10 years Labor Leaders have usurped the powers of government. They will not give up this power without a struggle. Yet, Ike will consider it his duty to curb this dangerous situation. We must back Ike up in his efforts.

HEADACHE No. 4—FOREIGN IMPORTS

Ike knows that to keep Europe and Japan from going Communist we must accept their goods graciously. To raise tariffs would be suicidal, he believes. Yet, U. S. manufacturers will make a concerted drive upon him for higher tariffs.

HEADACHE No. 5—EXCESS OF U.S. MANUFACTURING CAPACITY

Fear of World War III has caused a great expansion in man-

ufacturing space. This has greatly stimulated the building trades—lumber, steel and the other 27 industries which go into building. Barring World War III, this expansion is ending. Accompanying unemployment appears inevitable.

HEADACHE No. 6—REAL ESTATE OUTLOOK

Last year five times as many houses were built as during a year ten years ago. This would be encouraging if these houses were paid for—but they were built on a shoestring. When unemployment comes a million of these houses could be vacated and come back on the market. This could ruin the market for houses, as well as throw millions of carpenters, bricklayers, painters and others out of work.

HEADACHE No. 7—INFLATION

Ike has promised to stop inflation and he won millions of votes thereby. But can inflation be stopped without deflation? Does anybody want deflation? Solving this problem will be a real headache, but here again we must stand behind our new President.

HEADACHE No. 8—STOCK MARKET

Unfortunately, a steadily declining market, commodity market and real estate market will give millions of people—as well as Ike—a headache. Most bankers believe that such declining markets will come in 1953 and, or 1954. However, these bankers may be wrong.

HEADACHE No. 9—CONGRESS

For real progress Ike must have a friendly congress. He will start with one as did Herbert Hoover in 1928. But too many Congressmen think only of themselves, rather than the nation's good. Ike could lose the Congressional Elections in 1954 unless we fight for him from now on. His election will not be definite until November 1954.

HEADACHE No. 10—CORRUPTION AND INEFFICIENCY

Ike will try to clean house and increase efficiency at Washington; but every Government employee has many Congressional friends who will beg Ike to retain these friends—especially if general unemployment is increasing. Taxes cannot be decreased without mass discharges of Government employees. This will cause unemployment. President Hoover tried it. It started his collapse and the depression which followed.

HEADACHE No. 11—RELIGION

Ike well says that America's greatest need is for a spiritual awakening; but thus far in the past only "Hard Times" have brought such about. This, however, may be necessary if we all work for the New Administration and willingly put the good of the nation ahead of our own selfish wishes.

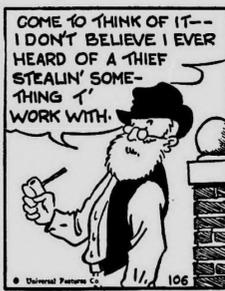

A man said he could enjoy classical music over the radio more if so many of the singers didn't sound as though they were only hitting on one tinsel.
