Utilities Line Burglarized Over Weekend

The Utilities Line Construction company of 1382 South Main street was burglarized last Sunday night by thieves who gained entry into the firm's building after smashing out a rear window. A company official said nothing was discovered missing. This marked the second time in two months that the company has been burglarized. Earlier a three-quarter ton hoist, six five-foot shovels, 800 feet of rope and wood blocks were stolen from a truck parked inside the firm's compound.

Police are investigating the latest burglary attempt.

Three Escape Serious Injury as Cars Collide

Two Plymouthites narrowly escaped serious injury last Sunday night following a two-car collision that spun the car around in which they were riding and tossed the two victims and their driver onto the pavement.

Scene of the spectacular crash, that resulted in minor bruises for Mrs. Florence Ellis, 69, and Wayne Carmickle, 24, both of 208 South Mill street, was the intersection of Ann Arbor and Lilley roads.

Police here said the crash came as a car driven by Ray M. McDonald, 34, of Detroit, struck the vehicle driven by Thomas T. Montgomery, 20, of 308 South Mill. Both Mrs. Ellis and Carmickle were passengers in the Montgomery car, going north on Lilley road when it was struck from the rear by McDonald who was going West on Ann Arbor road between 45 and 50 miles-an-hour.

Force of the impact spun the Montgomery car completely around and reportedly sprung open the doors, spilling the injured victims onto the pavement.

Suffering from bruises of the legs, knees, elbows and a cut over her left eye, Mrs. Ellis. She and Carmickle, who suffered bruises of the lower hip and elbow, were treated at a local physician's office and released to their home.

Both drivers' statements to police said they did not see the other vehicle approaching. Miraculously escaping without injury was Montgomery who reportedly was also tossed from the driver's seat of his car by the force of the impact.

Warns GOP Club Here Against "Complacency"

Norman Marquis, president of the Plymouth Republican club, last Friday warned his GOP following against what he called "complacency."

Marquis told seven of 13 board of directors meeting for the first time since last fall that "complacency and lack of organizational strength (of the local GOP club) won't win elections here in another two or four years."

Marquis was alarmed by a growing opposition force and called for a rallying Republican strength on the eve of the April 6 spring elections.

Let the natives of Maine and Manhattan argue the relative merits of clam chowder. With or without tomatoes, either is a satisfying dish. In fact any kind of chowder is hearty and good to eat. To make this national dish even more hearty and satisfying, offer your family Herb Croutons to sprinkle over the soup. Sauté soft bread cubes in melted butter or margarine until they are a delicate brown. While hot, sprinkle with a mixture of celery and onion salt. Serve immediately.

1951-52 Reports

(Continued from Page 1)
off-street parking negotiations were begun at this time to acquire the East Central Lot, that when opened this spring will accommodate 120 cars.

Though not mentioned in the Annual Report, perhaps one of the most progressive and outstanding accomplishments for the year was the establishment of the modern, up-to-date city charter. Its flexibility permits a hitherto prohibited street improvement program. Gone is the old charter clause that limited special assessment projects to 25 per cent of the total worth of individual pieces of property. The city may now borrow assessment or general bonds up to 10 per cent of its total evaluation.

The charter, that went into effect in November, 1951, permitted the establishment of the Ten-Year Improvement Plan that set forth a tentative schedule of projects to be constructed within a 10 year period.

Of interest are the 223 building permits issued here during the 1951-1952 fiscal year that saw \$934,801 earmarked by individuals for construction of 81 houses, 49 garages, four commercial buildings, a church, and other miscellaneous construction.

Another highlight is the 361,000,000 gallons of water pumped to some 2,500 metered users. At this rate, the average family or other user used some 15,500 gal-

lons during the one year. The report tells that the city has 30 miles of streets, 14 miles of them paved. The remaining 16 miles, the report explains, must be continually maintained. These unpaved streets were serviced during the one year with 1,800 tons of gravel, 20,000 gallons of oil, and 400 hours of required grading.

Some 38 per cent of the city's revenue was gained through residential and other property taxation, amounting to \$182,622. The majority of the city's operating expenses—some \$293,057—was provided through non-taxable revenue sources, such as water revenues that amounted to \$105,969. State collected taxes of \$87,167, parking meter fees of \$15,885, court fines and penalties of \$8,811 and special assessment taxes of \$21,912, accounted for the majority of these revenue sources.

At least one department of city government, the municipal court, showed a net profit gain from fines and penalties levied during the 1951-1952 fiscal year.

The 457 cases liquidated and adjudged through the court earned a gross sum of \$8,811.40. Traffic violation collections amounted to \$3,952, while total expenses of the court for the year were set at \$3,044.94. In addition the court earned \$4,572.62 for handling 157 ordinance cases, 187 civil suits and 13 state and county cases. A net profit of \$1,527.71 was listed by the report as the court's gain.

In case you didn't remember, podner, this year is the 50th anniversary of western movies. The very first gun-punctured drama of the Wild West was "The Great Train Robbery" in 1903. Since that epic the "hoss operas" have been galloping along at a pretty steady clip . . . and along the same old trails. The plot changes about as much as the expression on the face of the hero . . . but at least you always know what's going to happen.

The hero remains much the same, though different favorites have replaced the memorable stalwarts such as Wm. S. Hart, Hoot Gibson and Tom Mix. And the chances are the bad men will stick to their range skullduggery for at least another 50 years . . . while the pure and sturdy hero cuts 'em off at the gulch before heading off into the sunset. They're headin' thataway, Marshal!

In Chicago an enterprising wife kept her husband from going out with another woman by hiding his toupee. That's one way to keep him from being so hot-headed. Which reminds us, do you have a thermometer in your house? It's a real necessity these days of changing weather, especially with the children around the house. Interceptor

(Con't from Page 1)

secretary, and Norman Marquis, attended the Friday night meeting, said he thought actual construction of the interceptor would be gotten underway "within the next 90 days."

This was practically assured, Rathburn said. He noted that Drain Commissioner Mule said at the meeting he would begin asking for bids on the interceptor by April 10.

Up to this time bonding alternatives to pay for the project have not been listed. And scanty details indicate at this time that the 23-mile-long sewer will be paid for by assessing each affected community 50 per cent at large with the remaining 50 per cent costs being allayed through special assessments on those sections of the county who will benefit directly. Here again exact costs are an unknown factor.

Wayne out-county commissioners who have seen the growth of their communities stunted and laboring under "seventeenth century" type of sewage, in general, hailed the long sought after sewer in no uncertain terms.

Among these was Supervisor Rathburn who sees a surging growth of industrial and residential areas here coming in the wake. With Canton township also bordering the projected sewer right-of-way south of Joy road, a heavy future growth is also predicted several miles south into the township.

Uncertain up to this time Rathburn's earlier prediction that Detroit water lines, coming as far west as Livonia, will be available to Plymouth township suburbanites "within the next six years."

Miss Barbara Kanka, bride-elect, was honored at a personal shower on Tuesday, March 24, given by Miss Carol Day in the Kanka home on Ann Arbor road. Following the opening of the lovely gifts a spaghetti lunch was served by the hostess. Barbara will become the bride of Private Paul Denski in an early spring wedding.

tend the polls next Monday due to sickness, out-of-town business commitments, vacations or other valid reasons.

Shown on the spring ballot are 75 candidates for state, county and municipal offices.

On the state level the franchised will poll for two regents of the University of Michigan, a superintendent of public instruction; a member of the state board of education; two members of the state board of agriculture and a highway commissioner. Two justices on the state non-partisan ticket will also be elected.

County votes will be tallied for auditor and 13 circuit court judges for the third judicial district.

Tallies will be scored for four city commissioners, a municipal judge and representative to the Wayne county Board of Supervisors on the local non-partisan slate.

The Men's Brotherhood of the First Presbyterian church will hold their annual Father and Son banquet Thursday evening, April 9 at 6:30 p.m. Tickets may be secured from Lee Coolman, call 1297-M or Dick Wernette, call 1459-J, before Tuesday, April 7.

Canton Township

(Continued from page 1)

township hall that was really useful."

In the four short years the Democratic office holder has changed all this, furnishing progressive leadership and awakening Canton to its potentialities as a home for additional thousands over the 3,800 who currently live within its borders.

In 1950, he saw constructed under his urging a \$30,000 township hall that serves as a valuable adjunct in administering the township efficiently.

A modernistic, low-slung structure, the hall is the official meeting place of thousands. And within its two-stall garage is a \$14-

000 pumper type fire truck that protects over \$4,167,000 worth of evaluated property against the destructive effects of farm and home fires.

Both the hall and fire truck, Waldecker recounts, were obtained for township residents "without raising local taxes one penny."

Keynoting his intent to seek a third term, Supervisor Waldecker announced his candidacy with "I am interested in developing the township's sewage and water facilities."

Well known among his constituents, he has lived among them since 1920, owning a 250 acre farm at 48625 Warren road since 1929.

A justice of peace there at one

time, the 55-year-old candidate has been a member of the Plymouth Rotary club since 1945 and the State Farm bureau since 1948. As an out-county member of the Board of Supervisors during his 1949 and 1951 terms of office he has held seats on the County Drain Commission, Agricultural Commission and Commission for the Wayne County Training school.

He was instrumental in organizing the Canton Goodfellows club in 1951.

Married, Waldecker has one daughter, Mrs. Janet Magraw.

"The Crucifixion" to be Presented Easter Sunday

"The Crucifixion", a sound color film of the last day in the life of Jesus will be presented for the first time in eastern Michigan, at the First Baptist church, Sunday evening at 7:30 p.m.

The film portrays the trials of Jesus before Herod and Pilate; the concern of the disciples; the journey to Golgotha; the Crucifixion, and the conversion of the Centurion.

Living World Films, of Zion, Illinois, produced the film. For the past 25 years, the residents of Zion have been dramatizing the Passion play. This is the first year that it has been presented on film. The running time of the movie is 33 minutes.

Special items can be phoned to 1894.

Presbyterian Church to Hold Services Tonight

The First Presbyterian church will celebrate the Sacrament of Holy Communion tonight, April 2 at 7:30 p.m.

Part of this Maundy Thursday service will be the observance of the Service of Tenebra, the extinguishing of the lights which marks the closing of the doors on the earthly life of Jesus.

The organ prelude will be "Prayer" by C. Loret, the anthem, "Surely He Hath Borne Our Grievs" by K. Graun. Nat Sibbold, baritone, will sing "Sacrament" from St. Matthew Passion by J. S. Bach.

New members will be received in this service.

At 4 p.m. on Saturday, April 4, the Sacrament of Infant Baptism will be administered in a special Easter Even service.

There will be three services on Easter Sunday. One at 8 a.m. of special interest to children with a sermon by Dr. Walch. Solo "In Joseph's Lovely Garden" will be sung by Celia Balfour, soprano. Adults are cordially invited to attend.

The regular services will follow at 9:30 and 11. Mrs. Esther Scheppele, soprano, will sing "I Know That My Redeemer Liveth".

BURNING THE MORTGAGE of the local Salvation Army Citadel last Sunday morning was the feature of this special event in which Plymouth Salvation Army Advisory Board chairman, Frank Henderson, is pictured setting fire to the contract. Grouped around Mr. Henderson are left to right, Mrs. William Roberts, Mrs. T. M. Larsen, Colonel T. M. Larsen, Captain William Roberts, Captain Vern Vie, Nestor Sibbold and Charles Brake. The mortgage in the amount of \$9,300 was paid off in one year's time.

FIRST METHODIST CHURCH, Melbourne Irvin Johnson, Minister, Thomas Brierly, Jr. Organist and Choir Director, 9:45 a.m. Church School, Robert Ingram, Superintendent. An outstanding movie, depicting the Easter story, will be shown to our church school. It will be shown twice. Sunday there will be three services for worship in our church. The first is a sunrise service which will be held at 7 a.m. Following this service an Easter breakfast will be served. No stated charge will be made but a generous silver offering will defray expenses. The purpose is, of course, one of fellowship and not of profit. There will be two identical services held at 9 a.m. and 11 a.m. Special music will add to the inspiration of each service. Those who have not as yet found a church home in Plymouth are cordially invited to attend our services on Easter Sunday and indeed any Sunday. The sacrament of Holy Communion will be administered to all who love the Lord on Maundy Thursday at 7:30 p.m. Jesus said, "Do this in remembrance of Me." Forty eight new members were received last Sunday.

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Morning Services, 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years of age. Much that mortal man regards as true is found to be untrue in the absolute spiritual sense, when examined in the light which Christian Science throws on the scriptures. This is brought out in the Lesson-Sermon entitled "Unreality" which will be read in all Christian Science churches on Sunday, April 5.

The Golden Text is from II Samuel (22:29): "Thou art my lamp, O Lord; and the Lord will lighten my darkness." Among the Bible citations is this passage, (Eccl. 1:8): "All things are full of labor; man cannot utter it; the eye is not satisfied with seeing, nor the ear filled with hearing." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy includes: "Darkness and doubt encompass thought, so long as it bases creation on materiality." (p. 551)

The house you buy is the biggest single investment of your lifetime. That's why you should make sure of every possible feature before you spend one cent! Add up all the advantages of building to your own specifications and then you'll agree that it pays. Thrill to the distinctive beauty of your own individual home built to fulfill your specific needs and ideas... enjoy all of the work-saving arrangements you want to revel in all of the personal conveniences... depend on a lifetime of satisfaction and trouble-free service... and know that you hold a reasonable resale value, should you ever have to sell. That's not all. Investigate and learn, now, how economical such a home can be—for you can own all of the features, and more, than can be found in mass-produced, so-called "bar-gain homes"—and for the same price! Come in, now, and get the proof!

THE glory of Easter Sunday shines brightly in the hearts of men, women and children, the world over. In our observance of this most joyful of all days, may each one of us find the inspiration of hope renewed, of faith fulfilled. May all of us find new spiritual strength in the heartening promise of life everlasting, given to all the world on that first Easter Sunday, almost two thousand years ago.

Let us gather with family and friends in church this Easter Sunday. Let us join our voices with the choir in those beloved old Easter hymns. Let us see in the profusion of Easter flowers, the miracle of spiritual rebirth. Let us lift our hearts with the glory of the age-old Easter message. Let us return to our work-a-day worlds, refreshed in spirit by all the wonder and beauty that is Easter Sunday!

NATIONAL BANK OF DETROIT
Question . . .

"I am thinking about opening a personal checking account and would like to know what balance I must keep in your bank . . . and what is your plan?"

Answer . . .
 You may open an account for any amount . . . the size of the bank balance is entirely up to you.

Second, an allowance is made to you for earnings from your bank balance which is used to offset the cost of servicing your account. As your balance is increased, the net cost to you is reduced. Many thousands of customers pay no charge at all for this convenient and time-saving service.

Actually, a personal checking account in the National Bank of Detroit is a combination checking-cash reserve account. You pay for the actual service you use less an allowance for the earnings from your funds.

YOU ARE CORDIALLY INVITED TO DISCUSS THE ADVANTAGES OF A PERSONAL CHECKING ACCOUNT WITH ANY OF OUR OFFICERS, MANAGERS OR EMPLOYEES AT ANY OF OUR 44 BANKING OFFICES IN METROPOLITAN DETROIT OR CALL WO. 5-6000

Many Advantages . . .

- provides an account for keeping cash.
- bills are paid safely and conveniently—saving time, fares and gasoline.
- cancelled checks are automatic receipts of payments.
- the monthly statement and paid checks provide an up-to-date bookkeeping record.
- a personal checking account is an aid in establishing credit.
- the customer is better able to take advantage of opportunities and meet emergencies.

Easter Seal Sales Net \$2,300; Drive Ends This Sunday

Plymouth shoppers contributed \$513 to the Michigan Society for Crippled Children and Adults in Easter Lily street sales held here last Saturday.

More than 30 youths sold the artificial lilies from 9 a.m. to 6 p.m. under the direction of Mrs. Lewis Goddard, chairman of the street sales held under the sponsorship of the Rotary Anns.

Russell Daane, Easter seal chairman, said that \$1,700 has been received so far from the mailing campaign. An unofficial goal of \$3,000 was set during the month long drive ending this Sunday.

"As we enter the fourth and final week of the campaign many more contributions will be needed to reach our goal," Daane said.

Plymouth has 28 handicapped persons who receive services of the Wayne Out-County chapter. Donations to the Easter seal campaign are the only means by which the chapter is supported to bring needed treatment, equipment and education to the handicapped living in this area.

Michigan Slave Route Topic of Meeting

The Plymouth Historical society will meet Thursday, April 9, at the home of Mr. and Mrs. Arthur Todd on West Ann Arbor trail.

Mrs. Arthur Mills will read a paper on the underground railroad or slave route in Michigan from 1840 to 1860. A committee is arranging musical entertainment for the evening which will probably consist of Negro spirituals.

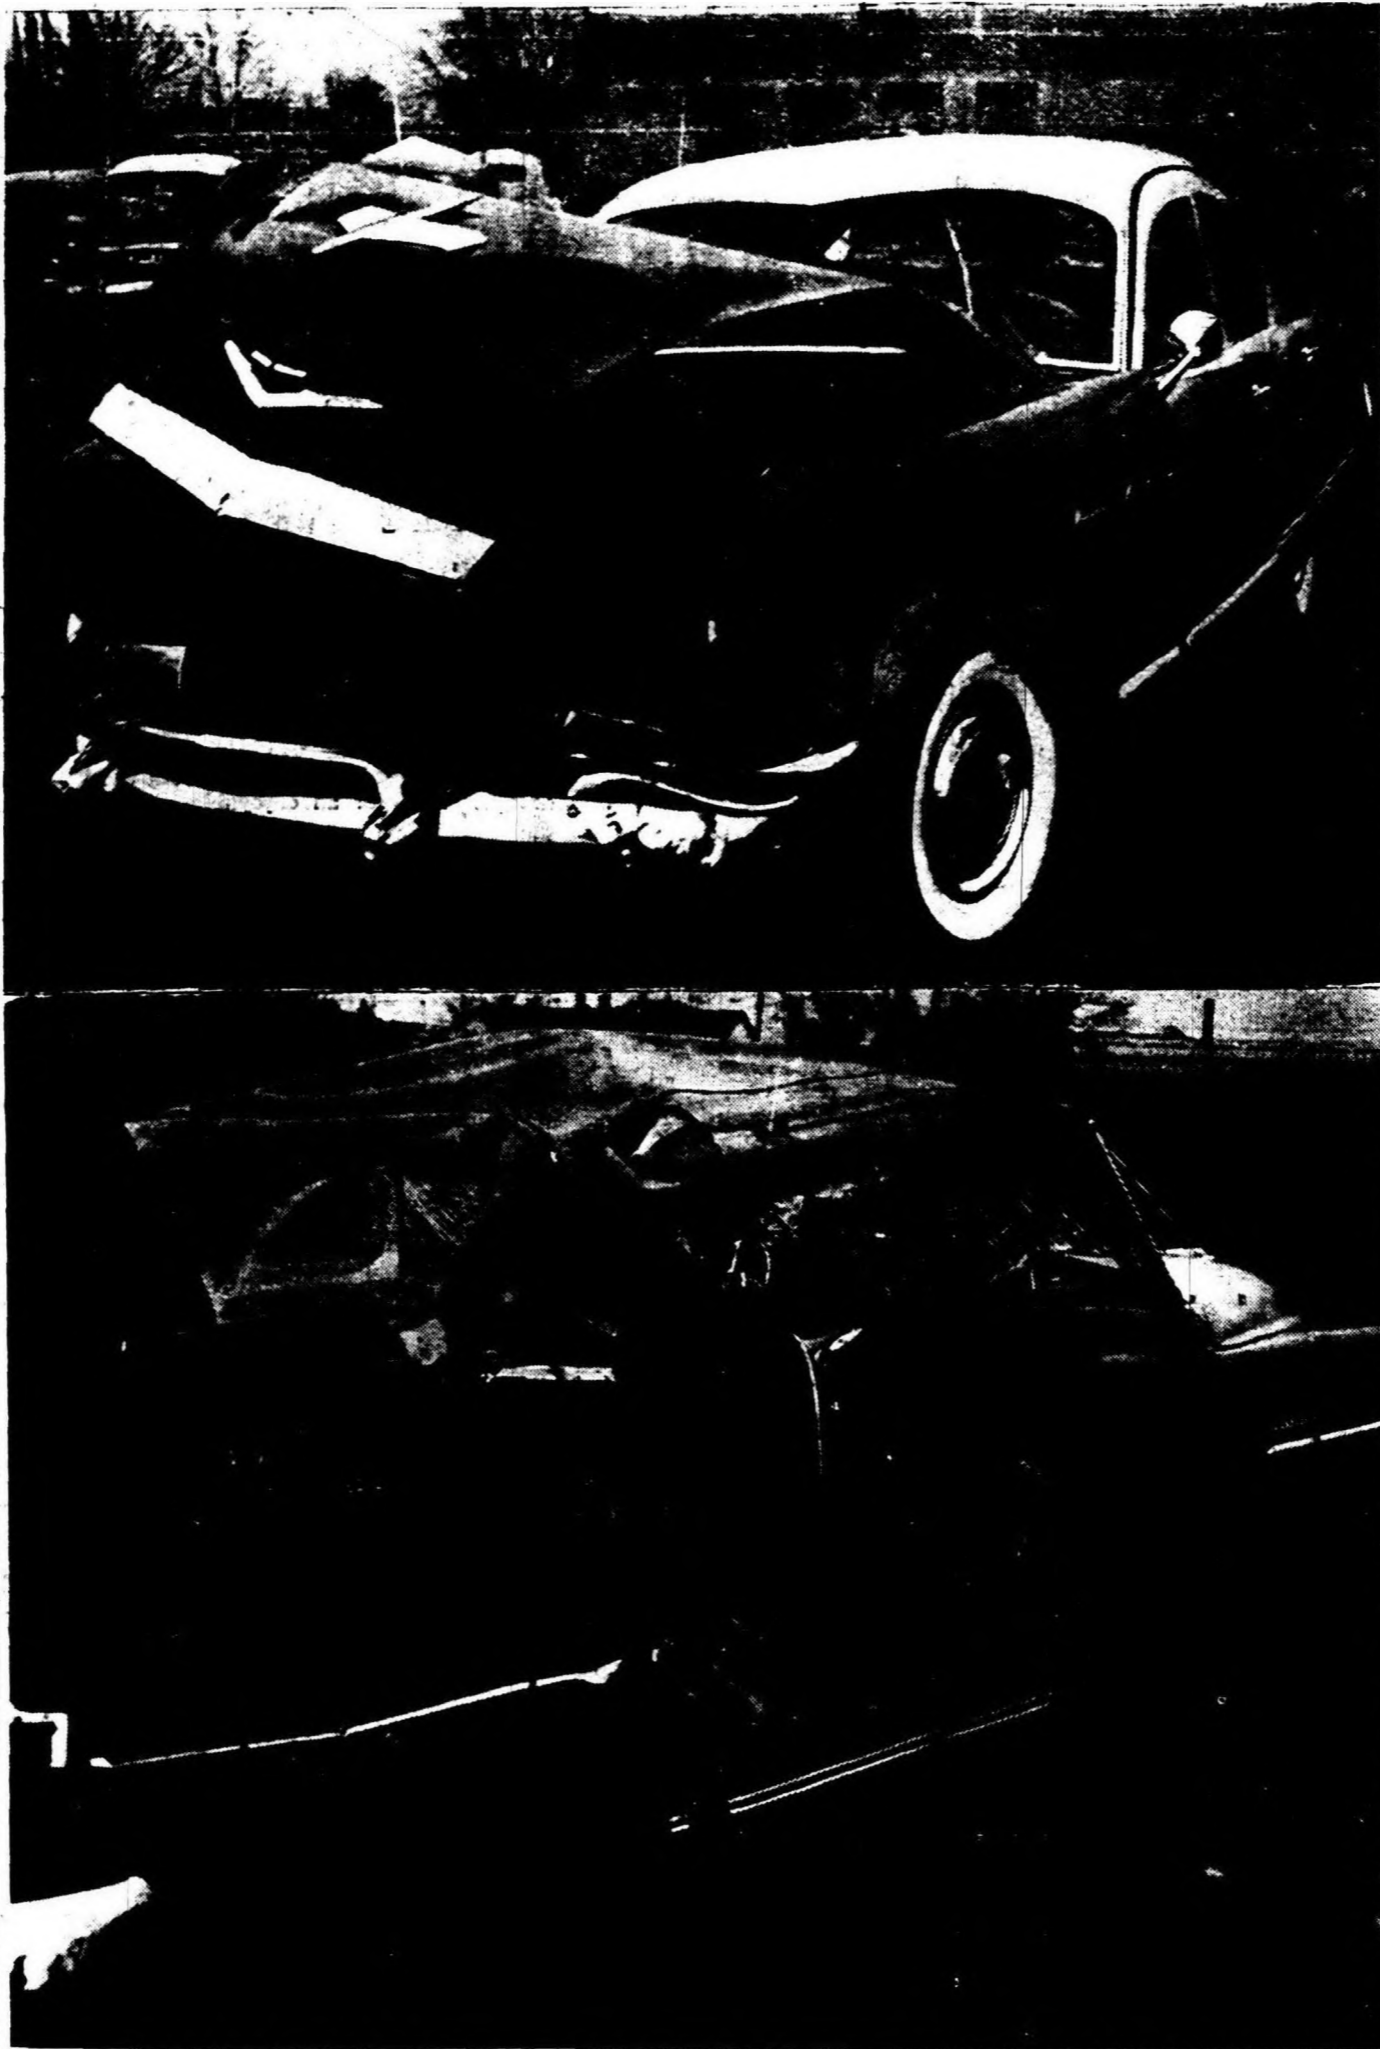

Red Cross Drive Still Underway

The results of the Red Cross drive have not been tabulated as yet since all collections have not been made, said Mrs. Harrison Moore, chairman of the drive.

"Things have been going along very well," Mrs. Moore said, "and Plymouth residents have been most cooperative."

The Woman's club, who are sponsoring the 1953 drive, are striving toward a \$2160 goal. Members of the club solicited from door to door starting March 23. Though the campaign was to have ended March 27, the date has been extended because some of the collectors were unable to canvass their territories at that time.

Mrs. Moore said the total collections of the Red Cross drive will be announced next week.

PLY-MAIL PHOTO

CRITICALLY INJURED as the above cars collided in Green Meadows subdivision was Plymouthite Arthur Calhoun of 1304 Oakview. The crash, that also injured Calhoun's companion and a Detroit driver, occurred last Thursday at an open intersection. Police said both drivers stated that they didn't see the other vehicle approaching. (See today's Mail for the accident story.)

Starkweather PTA Elects New Officers

New officers for the Starkweather Parent-Teacher association were elected prior to the group's last meeting, Tuesday, March 24. The meeting was the occasion of the annual Scout program of the Starkweather PTA.

Newly elected officers are: president, Mrs. Edward Ayers; vice president, Mrs. Durward Jewell; second vice president, Mrs. Vivian Thorson; secretary, Wilbur Ebersole; and treasurer, Harold Fischer.

Five Cub Scout dens presented skits or demonstrated Scout handicraft for the group. The dens were members of the pack sponsored by the Plymouth Rotary club. Den 2 was led by Mrs. Thomas Dorsett, Den 3 by Mrs. Clarence Bolen and Mrs. Harold Fulton, Den 4 by Mrs. Raymond Carley, Den 5 by Wilbur Ebersole and Den 6 by Mrs. W. J. Livingston and Mrs. John Zittel.

District Governor Speaks to Lions

The district governor for the Lions club was guest speaker for the local Lions club when they met last Thursday, March 26. Three new members were also installed at the meeting. They are Walter Drummond, Ernest Elzerman and William Lush.

Louis Konjathy, the district governor, told the club and particularly the new members, about the international strength of the club. He said that there are Lions clubs in 43 countries. There are 10,000 clubs in the world enrolling about one-half million members.

To emphasize the neighborly

feelings among the Lions in the various countries, Konjathy told about his trip to the Lions International convention in Mexico last year.

Re-Elect Adolph F. Marschner

Circuit Court JUDGE

Adolph F. Marschner

Judge Adolph F. Marschner, member of the Wayne Circuit Court, is a candidate for re-election on April 6. During his tenure of office as Circuit Judge, he was a leader in organizing the pre-trial division to promote the settlement of lawsuits, saving litigants' time and expense and to avoid delay in the trial of cases. This procedure has been adopted uniformly by the courts of the country.

Judge Marschner is known for his devotion to matters pertaining to the public welfare, has a deep interest in the conciliation of marriage difficulties, and especially in the rights of children in divorce cases.

"Law and justice do not end in the courtroom or with a verdict," the Judge stated. "They stretch out and identify themselves with every social agency in the county, and it is the duty of the judge to become informed and to take an active interest in matters concerning the public benefit."

His record for fairness and impartiality and his fine judicial temperament qualify him for re-election. He is a native-born Detroitier and since his first election has continuously served in that office with distinction.

Judge Marschner has received the endorsement of the Detroit Citizens League, business organizations, organized labor, lawyers associations and social and charitable agencies.

Grand Opening at S & W Store Called Success

Approximately 800 persons turned out to help the S. and W. Hardware store celebrate the grand opening, said manager Chuck Thompson.

Twenty-five prizes were given away to those who attended the event. These included a bicycle, mixer, Presto cooker, picnic ice box, Sunbeam iron and many other hardware items.

To celebrate the event, ginger ale and doughnuts were served and suckers and balloons were given to the children. Free samples of merchandise were also given away. Thompson said he was very pleased with the way Plymouth people came to the opening.

A delightful winter luncheon dessert can be made in a jiffy by topping slices of baker's gingerbread with applesauce. Sprinkle a mixture of sugar and cinnamon over each slice and broil under low heat until the applesauce bubbles.

Clergy to Attend Tea at Northville Hospital

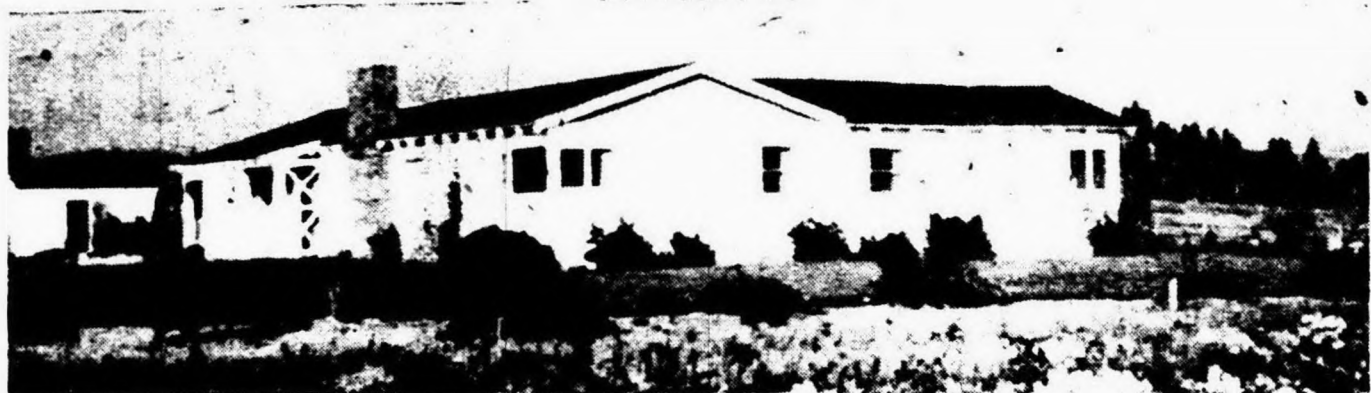

On Thursday, April 9, between two and four in the afternoon, the staff of Northville State hospital will have a tea for clergymen of the surrounding communities. The program will include a tour of the hospital between one and two, Reverend William F. Hoot, who is resident Chaplain at the hospital, is chairman of the committee for the tea.

The hospital staff members believe that clergymen, as family counselors and community leaders, are an essential group in promoting healthy home life, preventing mental illness and assisting the patient to adjust to the demands made by society after his discharge from the hospital.

At the present time there is no pastoral training program at Northville State hospital, but facilities will be made available to ministerial students when the need arises.

The Chicago doctor who says girls don't get enough exercise must think all the chewing gum factories have closed down.

THE CALIFORNIA HOME of Mr. and Mrs. Harry Lush received praise recently in the San Dieguito Citizen, a newspaper published in Encinitas, California. Lush is owner of the Penn and Penniman-Allyn theatres in Plymouth. The Lushes have lived in their Rancho Santa Fe home for three years. The home, shown above, is described as a place where "discriminating taste is shown to best advantage." It has white stucco walls and a beautifully weathered roof of shingles. The terra cotta shutters provide the only color used on the house. There is a formal garden area to the west of the house and an orchard on the east.

Local Graduate Receives Honor, Wins Scholarship

Robert F. Brunner, son of Mrs. Nellie Brunner of Joy road, and a 1948 graduate of Plymouth High school and now a senior at Concord college, at Athens, West Virginia, has received a scholarship to Ohio University at Athens, Ohio.

The scholarship which he has received is for a Master of Fine Arts degree and he will major in art with a minor in education.

Robert will receive this spring from Concord, A.B. and B.S. degrees in Education in Art and English. During his freshman year he attended Central Michigan college at Mt. Pleasant.

Among Robert's varied activities at Concord college are: membership in Sigma Tau Gamma, national social fraternity; president of the English club; secretary of Blue Key honor fraternity; and Kappa Delta Pi, honorary education fraternity.

Students Lead Worship in Pre-school Services

Four students at Plymouth High school took over leadership of pre-school Lenten services at the Presbyterian church this week. The services began at 8 a.m. and lasted until 8:15 Monday through Thursday.

Students taking charge were Mary Lou Hartwick, Mike Reh, Bob Young and Joan Donnelly. All students were invited to attend the services, though they were not sponsored by the school. Each chairman provided the prayer, benediction and hymns for the day on which he had full charge.

LEGISLATIVE NEWS LETTER

By Leonard E. Wood
State Representative

Long daily sessions, punctuated with bitter and heated debate, and stepped up committee activity mornings and evenings, are now in full swing as we proceed to meet the April deadline for moving all House Bills which are to pass this session, out of committees for floor action and transmittal to the Senate. Under the rules we have three weeks from March 20 to get House Bills to the Senate, and in this session, the same as in all previous sessions, the great bulk of meritorious bills make their appearance on the floor at the 11th hour, so to speak.

As always the Michigan Employment Securities (Unemployment Compensation) bill is one to provoke prolonged debate. It was argued pro and con for two days. The bill as it came to the floor for action and subsequently passed, extended the period of compensation benefits from 20 weeks to 26 weeks, without increasing the weekly rate, and lowered the contributions of employers having a low lay off rate, with the provision that should the fund fall below the minimum requirements, employer contributions would be increased. The purpose in revising the merit rating provision for those employers

regardless of size, with a good employment experience, is to further encourage employers to prevent or to minimize lay offs. During debate, it was brought out that a Survey Committee of Employment Experts set up by the Governor, had recommended this change, stating it would not in any way endanger the fund to pay claims of the jobless.

As was to be expected, efforts were made to amend the bill to increase the rates of weekly benefits to conform to the high cost of living, as well as to remedy what is alleged to be a "death penalty" provision, whereby employees are disqualified, except on a limited scale, from benefits if they leave their jobs voluntarily without just cause attributed to the employer, accept other employment, and then subsequently lose their jobs before building up a benefit credit in place of last employment. Despite the eloquent pleas made, the amendments failed, and the bill was finally passed as it came from committee. In retaliation for defeat of the amendments mentioned, sufficient votes could not be mustered to give the bill "immediate effect," which means if and when the Senate pass it, and if and when the Governor approves it, it will not go into effect until 90 days following final adjournment.

Incidentally, once the bill was passed a resolution was introduced, authorizing appointment of a legislative interim committee to study the possibility of increased benefit rates. The committee would function during the interim of sessions and report its

findings and recommendations for consideration by the 1954 session.

A bill which would have absolved a landowner from any liability for injuries received by any person while hunting or fishing on his land, ran into a snarl and attempts to amend it in such a fashion as to make it acceptable, were unsuccessful, with the result it was re-referred to committee.

A bill making it illegal for any employer to sell to an employee or to anyone, at a discount, any article they do not normally stock in the course of their business, consumed a lot of time in debate. This would do away with the advantage many people now enjoy by purchasing at a sizeable discount, through an employer or friend, from a catalogue or elsewhere, any item of household furnishings, jewelry, appliances, clothing, etc., which that particular person or business does not normally sell. Because the bill was so far reaching in its effects, and because of the differences of opinion, a demand for a hearing was made and supported, and the bill consequently was referred back to the committee.

Another bill which would increase the penalty from \$25 to \$100 against the Railroads if a train held up traffic at a crossing for more than five minutes, ran into stiff opposition and was finally sent back to committee.

One of the very few non-controversial bills on the calendar this past week and which was unanimously passed by the House, was H. B. 185, which prohibits sending inheritance money from Michigan to heirs in Communist-controlled countries. The money would escheat to the State. This action was taken because the heirs would not get the money anyway as their government would take it, presumably to further their World Conquest purposes.

A bill extending the non resident fishing license from 10 days to 15 days, was passed without difficulty.

It has been agreed that public hearings will be held on each major tax proposal before an agreement will be reached on any specific measure or measures to push as the solution to the fiscal problems of the State. The hearings are scheduled to begin April 8.

Midget Flash Bulb Fits Any Size Socket

A revolutionary new photoflash bulb, scarcely larger than a peanut, yet said to be powerful enough to accommodate the great majority of all picture-taking requirements, has been announced.

To be marketed in this country under the trade name "My-T-Myte," the new lamp was developed in Europe.

The "My-T-Myte" photoflash bulb will be offered here in two sizes — 6,000 and 11,000 lumen seconds — and features the use of hydronalium wire-fill. The new bulb fits all existing bayonet-type sockets and standard reflectors without the need for adapters. Although it can be used with practically all cameras, the "My-T-Myte" was designed principally for all fixed-focus types and for synchronized shots up to 1/100 of a second.

Said to be the smallest, most powerful, yet lowest priced flash bulb on the market today, the PF 3 bulb (6,000 lumen seconds) lists at 11 cents each, and its slightly larger, more powerful brother, the PF 4 (11,000 lumen seconds) at 12½ cents. The bulbs come in a handy 12-bulb package, scarcely larger than a pack of cigarettes, that conveniently fits pocket or purse.

Senior Play Nets \$142 for Class

A capacity crowd filled the new High school auditorium when the senior class presented "Curtain Going Up" Thursday evening, March 26.

Ed Brown announced that \$142 in net receipts were taken in at the performance. After meeting several bills the senior class will probably get about \$75, Brown said. Money from the senior play goes into the class treasury for goes in senior class projects such as caps and gowns and the senior annual.

The play was under the direction of Miss Louise Spence. The cast of the play included, Ann Hammond, Jackie Langmaid, Irene Truesdale, Susan Wesley, Terry Carney, Joanne Pursell, Ellen Daane, Ruth Richwine, Annette Brandt, Alex Paskevich, Peter Leemon, Bill Moore, Rod Juve, Jerry Vettese, Neil Williams, and Joyce Nagle.

Re-Elect Lila M. Neuenfelt
Circuit Court
JUDGE

Judge Lila M. Neuenfelt is a candidate for re-election as Circuit Judge for Wayne County at the general election to be held on April 6, 1953.

Judge Neuenfelt has been twice elected as Circuit Judge for Wayne County, first in April, 1941, when she became the first woman in Michigan ever to be elected to this high office. She was again re-elected Circuit Judge in April, 1947, running 2nd in the field of eighteen Circuit Judges to be elected. She is still the only woman in Michigan holding this office. She was formerly Municipal Judge in Dearborn, from April, 1926, until she was elected to the Wayne Circuit Bench in 1941, having been elected and re-elected Judge in Dearborn 5 times by the voters of Dearborn.

Judge Neuenfelt was born in Lewiston, Michigan, and has lived in Wayne County for the past 36 years. She is a graduate of the Highland Park High school, and has her L.L.B. and LL.M. from the University of Detroit Law School.

Her record on the Circuit Bench is very exceptional. Of 34 cases appealed to the Supreme Court in her over 11 years on the Circuit Bench, she has been affirmed in 28 of them—an average of over 82% affirmances. This indicates that not too many of her cases are being appealed, about 3 cases per year. This certainly indicates that attorneys practicing before her believe her decisions have been fair and just.

She was appointed Chairman of the Election Study Commission for the State of Michigan by Gov. G. Mennen Williams and is now acting as such.

Judge Neuenfelt has proven that she is capable and qualified to sit on the Circuit Bench. She is worthy of being re-elected Circuit Judge for Wayne County on April 6, 1953.

Accuse Livonia of Conspiracy in Sewer Hookup

Livonia this week moved one step ahead in solving her growing sewage disposal problems and was promptly charged with attempting to "sneak in" a sewer connecting with Redford's system.

The charge was levied by Redford Township Supervisor Leonard Broquet who was quoted in a Detroit Times article as having said:

"I caught them and I stopped them. They tried to hook in at night. At least, they hauled the pipe up at night and unloaded it."

In reply to Broquet's tart remark, Livonia's Mayor Jesse Ziegler explained that "it is our understanding that it's a county sewer, owned by the Wayne County Road commission. We're just going to go right ahead and build it and connect it in there."

Scene of the sewer hookup is on Clarita avenue. A \$47,000 contract has been let to a private contractor to build the sewer and tap it to the Redford system.

But Redford is taking a dim view of this offense. And public relations between the two municipalities were seen at a breaking point as Broquet said militantly:

"We've fought for two years to get our water and sewer systems up here and we are paying for them. But we're not paying for sewers for Livonia to come in and flood them."

The scream of conspiracy rose last Saturday after Broquet said that he "just happened" to discover the pipe at the Clarita and Inkster intersection and had notified residents to stand guard and alert him if construction crews so much as turned a spade of earth.

First State Recreational Cage Meet Big Success; Mt Pleasant Winner

The first Michigan Class B Recreational Basketball Tournament ever to be held in Plymouth was a decided success according to Bill Foster and Herbert Woolweaver, who were in charge of the tournament. Eight good teams from all sections of the state were here—each of these teams had won first round games in their area to gain the right to compete in this state tournament. Mt. Pleasant emerged as the winner over a good Spirit Saint Marie team when they clashed in the finals with the Oil City team coming out on top 60 to 49. The Oilers had some close shaves before they became champions—they defeated Albion in a first round game 71 to 66; in the first game here they took Mt. Clemens 75 to 72 in overtime; next they took Wayne in a close

Squad Plans First Golf Meet

Spring vacation is going to be a thorn in the side to the Plymouth Golf squad since they hold their first meet with Northville April 15 and school doesn't resume until April 13. The squad has not held any practice sessions as yet, but Coach John Sandmann hopes to have them out on the links during spring vacation for a few practice rounds.

The championship this season will be decided on the league meet rather than the seasons play as in the past. This year a team could have a mediocre season and still win the championship in the league meet. Plymouth will compete in Class A competition in the state meet this season.

Co-captains Fred Benson and Tyler Caplin will lead this year's golf team. Other candidates out for this season's squad are Mike Hershey, Dick Blomberg, Bill Strickland, Carl Galla, Wally Rush, George Evans, and Mike Reh.

The following is the 1953 Plymouth golf schedule:

April 15—Northville	A
April 17—Ann Arbor	A
April 22—Allen Park	A
April 27—Bentley	H
April 29—R. Union	H
May 4—Allen Park	H
May 6—Bentley	A

Sports Glances

by "Professor" Edgar Brown

I read a nice article in last week's paper concerning the Occupational Training program at the high school. Such a program is most worthwhile when a student is trained for a particular job. I have always maintained that a student learns more from actual experience than by studying in the classrooms about how it should be done.

I think a related work experience program wonderful. It gives assurance to students before going on a permanent job. I have a feeling that many of our students, who have not been on such a work experience program, when starting out in search of a position, do so with an all-gone feeling in the pit of the stomach—something like that which gets hold of one when on his way to keep a date with his dentist.

Such a program in our high school can help immensely in orienting the person to the job, and the employers know that these students are beginning their first positions.

Well this is the in-between season in sports—basketball has ended and spring sports are just beginning to get under way. Recreation basketball was prolonged a while by participation in the state tournaments, and they did alright for themselves. Tait's, the Men's league champions didn't fair too well in the Class B state tournament held here in Plymouth, but it took a good team to knock them out in the first game. They lost a first-round game to a fast Soo outfit—the upper peninsula team went on to the finals where they bowed to a superior Mt. Pleasant five.

Capitol Shirts, runners-up in the local league, went on to win the inter-city tournament—they brought home a splendid trophy and individual awards. They defeated Dearborn, Pontiac and Detroit DeSota to gain the title. The hard-luck local team was the Twin Pine Girls team, who went to the finals in the state Recreational tournament only to lose to a good Kalamazoo five in overtime. They had beaten Detroit Nurses and Dearborn to gain the finals.

All-in-all they fared good in representing the city in these state tournaments. I have always smiled every time I drove by one of these signs which read, "Slow School Ahead" or "Slow—Children Crossing." Why in the world such comic signs were printed in such a way is beyond me unless for humor. It would be much more appropriate to have signs that read, "SCHOOL AHEAD—Please Go Slow" or "We love our Children—School—Please Go Slow."

I have seen many wonderful signs while traveling throughout Michigan, and some towns have some of the above good signs—such signs leave a good impression to everyone. This country and the world lost one of the greatest athletes the world has ever produced when Jim Thorpe died the other day out in California. Jim, who was good at anything he participated in, was especially great in track and football—he also played baseball with the New York Giants for a short spell. Some oldtime coaches say he was the greatest football and track star the world has ever seen. He stole the show in the 1912 Olympics—he won the pentathlon and

FROM LAST PLACE TO CHAMPIONS inside a year is the record of these Lutheran Grade School lads. After finishing in last place in 1952, the team came through this year with only three losses to win the Grade School Basketball League title. Reading from left to right in the bottom row are: S. Hartloff, J. Selle, J. Taylor, N. Lehnhardt, P. Petz, R. Tisch, W. Lockwood. In the top row are: J. Foerster, H. Huber, Coach G. Mueller, R. Eglolf, D. Bogenschutz and G. Simmons.

the decathlon—his records in each have never been equaled. He won all-American football honors twice on Walter Camp's great teams of 1911 and 1912. Yes, Jim was truly a great athlete—I can just remember him when he was in the twilight of his brilliant athletic career.

I have received many comments from students, teachers and visitors concerning a sign I have on display in my room—it reads, "The measure of a man is the size of the thing it takes to get his goat." I think that's a fairly good bit of advice, and something anyone can give some thought to.

We have an athlete in Plymouth that is very good in his particular sport, and who hasn't been mentioned on this page for it. Bob Hitt, who competed in the rich Peterson bowling classic in Chicago last weekend is the young gentleman we are referring to. Bob has been mentioned for his baseball ability, but he is more widely known for his bowling ability. He bowls regularly in two major leagues in Detroit and is rapidly becoming one of the best bowlers in Detroit. An article appears on this page.

Bob Hitt Stars in Detroit Bowling

A local athlete is rapidly becoming one of the best bowlers in Detroit. Bob Hitt, who has been bowling for years, and a long time one of the best bowlers in Plymouth, bowls in two major leagues in Detroit. He is a member of the famed E & B team, which has won a lot of prize money lately. Bob has maintained an average of 208 in the Detroit Major League, and has an average of 200 in the Traveling League. The former league bowls all the games at Chene Alleys, while the latter league bowls on different alleys each night.

Bob was on television recently as a participant in Fred Wolf's final bowling show—he gave a good account of himself. Last weekend he participated in the rich Peterson classic in Chicago, and has bowled in ABC tournaments for years. Bob has been active in sports for a long time—while a student at Plymouth High school, and afterwards with the Plymouth team in the Inter-County league where he distinguished himself as a very good pitcher. He is just arriving at his peak in bowling, and much will be heard about him in the next few years.

Diamond Practice Underway at PHS

The Plymouth High school baseball squad began working out doors for the first time this week. Coach Gustave Gorguza has a large squad competing for various places on the high school nine. He has had them working out in the large gymnasium for several days, and most of them have the kinks out of their arms by now. This early practice is necessary each year since the first game is around the middle of April—this year it comes on April 20 with a home game against Northville.

Coach Gorguza has 11 lettermen back from which to form a nucleus for this year's team. These being: Bill McKenna, Dave Finney, Casey Cavell, Gary Gorthard, Herbert Olson, Kenneth Kisabeth, Ron Bender, Russell Brown, Phil Straub, Dick Huebler and Ron Ritter. Unless some help comes from last year's frosh in the hurling department, the pitching may be the weakest spot. This year help could even come from a freshman player who showed up, exceptionally well as freshmen are now allowed to play varsity sports since Plymouth became a Class A school.

Last year the local nine ended up as runners-up to the championship Belleville team, which is

Tait's Defeated By Soo in State Cage Tournament

Tait's Cleaners, who won the Plymouth Men's Recreation league crown this year, found competition very keen in the Michigan Class B Recreational Tournament held here last weekend. The Tait team went down to defeat in the first game against a fast gunner squadron quintet from Sault Saint Marie. The upper peninsula lads won rather easily 73 to 59, and led all the way—17 to 15 at the quarter, 35 to 23 at the half, and began the final quarter with 59 to 42 lead. The scoring was evenly divided among the winners with G. Kahle leading the way with 20 points. For Tait's, G. Ostrick was high with 19 points made on 6 baskets, and 7 free throws out of 7 chances. Keith Ebersole had 9 points, Mac Pierce 9 points and DeWayne Becker 6 points. Tait's had a phenomenal foul shooting record of 15 out of 18 tries.

The winners went on to the finals where they bumped into a better Mt. Pleasant team and were defeated 60 to 49.

Capitol Shirts Win Inter-City Basketball Meet

The Capitol Shirt quintet, runners-up in the local Men's Recreation League, won the Inter-city basketball tournament last Saturday night when they defeated a strong Detroit DeSota five by the score of 60 to 54. This win enabled them to bring home the splendid trophy and individual awards that went with the victory.

To gain the finals, Capitol Shirts had to eliminate such good teams as Dearborn and Pontiac—each game was won by a close margin—Dearborn 50 to 51 and Pontiac by three points.

In the title game the Shirtmen were paced by John Bass with 23 points, Emmitt Allen had 12 and Don Huebler 17; the remainder of the scoring was done by Jim Bloomhoff with 5 and Carl Purcell with 3 points. G. Wilkenson led Detroit with 21 points and C. Brooks had 15 points. Bob Gow and David Reitzel also played a good game.

Capitol Shirts went ahead to stay in the fourth quarter after having been behind at the half 32 to 27 and behind by one point at the beginning of the final quarter. This tournament was for teams who had won crowns in league play. Many good teams in and around Detroit competed and play was fast and very exciting.

Track Squad Has Test Meet Today

The Plymouth High school track squad officially opens with a meet at home against Trenton on April 16, but Coach Keith Baughman has arranged for a practice meet today with Ann Arbor High school over at Ann Arbor. Approximately 25 men will make the journey over to university town, and Coach Baughman will get a definite idea as to the quality of his thin-clads this year, even though this is a little early to expect any good times or distances.

Eleven lettermen and some good lads up from last year's freshman squad are being counted on to carry the burden this season. Arlen Ottensman, who was high point man on the cinder squad last year, has not reported for practice yet, but the fans can expect some good competition from Jerry Kelly, Jerry Vettese, Ron Nyhus, Dick Nagel, Jim Blanton, Ralph Bakewell, Ralph Wagenschutz, Bill Bush, John Balough, Tom Dudley and Lynn Becker. Terry Danol and Ron Pasenkopf should help in the distances. Other question marks will be answered soon so Coach Baughman can get a better line on his squad.

The 1953 schedule is as follows:

April	
16 Trenton	H
23 Allen Park	H
30 Redford Union	A
May	
7 Belleville	H
12 Bentley	H
16 Regional Meet	H
23 State Meet	H
29 League Meet	H

Twin Pine Girls Lose in Overtime In State Finals

The Twin Pine Girls team won a lot of laurels for themselves the past weekend. This team, sponsored by "Shorty Miller" is composed of local girls who enjoy playing basketball, went to the state finals in the Michigan Recreational Girls Tournament before bowing to a team from Kalamazoo. The final game went into overtime before the local girls lost 42 to 41—the regulation contest ended in a 37 to 37 tie.

The game was nip and tuck all the way with neither team enjoying more than a few points lead at any time. Eleanor Wilkin and Baker Street shared top honors for Twin Pines in offensive play—Eleanor garnering 19 points and Baker getting 13; Beverly Brown had the other 4 points. All the girls played a superior brand of basketball.

The team had defeated a Detroit Nurses team earlier 41 to 24, and then Dearborn by three points in the semi-finals, before bowing to the Kalamazoo lassies.

Eight teams from all sections of the state, and each a section winner, competed in this tournament. Twin Pines won the right to play by winning the Inter-city league composed of Wayne and two teams from Ypsilanti.

Re-Elect Carl M. Weideman

Circuit Court JUDGE

Circuit Judge Carl M. Weideman was born in Detroit, Michigan on March 5, 1898.

After becoming a member of the bar he became one of the County's most active trial lawyers.

During 1933 and 1934 he served as a member of the United States Congress.

He was Circuit Court Commissioner from 1935 to 1950, during which time he handled many thousands of rent cases during the trying years of World War II and built for himself a reputation of Fairness and human understanding.

In recognition of his fine work as a Circuit Court Commissioner he was appointed Circuit Judge May 1, 1950 and was elected to the same office the following year.

Judge Weideman enjoys an excellent reputation among the members of the bar, as shown by the recent bar poll. His candidacy for re-election to the office of Circuit Judge is endorsed by a wide variety of organizations, including Civic and Labor. He merits your vote on April 6, 1953.

Chips from the ROCK

Dr. Henry Walch is looking for someone going to Europe sometime next month who can take his trunk to Paris on their steamer ticket. It seems the Reverend is flying across to attend the Rotary convention and carting a trunk by air is almost like buying another full fare ticket.

A note from G. A. Bakewell in St. Petersburg, Florida tells of a coincidental meeting with Douglas Doubleday formerly of Kalamazoo and now real estate editor of the St. Petersburg Times. Both were surprised while raising funds for a Presbyterian Church there that they had a mutual friend here in Plymouth... no one else but the writer who went all through grammar school with both of the well known Doubleday brothers.

George Chute found an unusual way to remind his wife he enjoyed her cookies as much as do her two grown up sons. When Mrs. Chute opened her kitchen cookie jar she found a note saying, "what about me." Of late Mrs. Chute had been making large batches of cookies and putting them in the deep freeze until she had enough to take to both of the boys, one in Ohio and the other in New York whom she is visiting this week. She took the hint however and filled the jar for George.

Another note writer is Caroline Jendrycka who enclosed daily grocery receipts in husband Chester's lunch after he suggested the grocery bills might be a little on the high side. One week was enough and Chet said he was convinced.

City official Lee BeGole came up with a good idea last week when he said afternoon traffic on Main street might be handled more efficiently if the lights were turned off and two or three police officers were stationed at the main intersections.

Arch B. Shawd, who owns radio station WKBZ in Muskegon hastened to drop a note saying during the many years he was in the newspaper business he learned one thing in favor of the weekly paper having so many sections, as we mentioned here last week, was the fact that every member of the family could have a section to look at as soon as it arrived in the home. Could be true.

Harry Roberts of the Utilities Line Construction company here remarked the other day that good linemen are hard to find this time of the year. "They go south in the winter and come north in the summer and right now they're between stops," he said.

Reminiscing about his 33 years as a Buick dealer here, Carl Shear recalled last week that he has sold some 6000 cars. "And the worst deal I ever made was taking a Carter Car in trade," he added. The old Carter Car had a friction clutch that had a habit of slipping, he said.

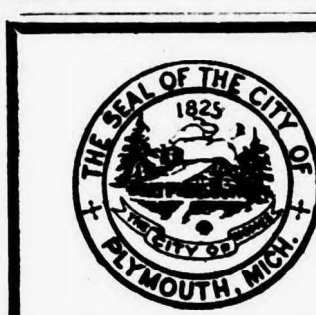

Plymouth movie-goers who are waiting to see "Hans Christian Andersen" may have to be patient, but they should be thankful to Margaret Wilson and the Penn theatre. Seems that to get the picture a bid must be made and, according to Margaret, those theatres who charge higher rates for the showing get first choice. "Plymouth movie-goers will see the picture and see it at regular rates," said Margaret.

INTERPRETING THE NEWS

Serious problems already facing members of the legislature concerning deficits, new taxes, reapportionment and many lesser questions, leave little time for them to be concerned about Monday's election. Unfortunately, their feelings are reflected by many of their constituents. Except where local matters like bond issues or races for city positions make hot contests, light balloting is predicted.

Intense attention is being paid the election, however, by Charles M. Ziegler, who is a candidate for another term as Road Commissioner. The campaign for this position showed activity when his Democratic opponent, Eugene I. VanAntwerp, charged that Mr. Ziegler, "through failure to take full advantage of matching federal aid, lost Michigan \$9 million in road building funds."

Mr. Ziegler lost no time in securing a letter from the Bureau of Public Roads stating that Michigan's Road Commission had utilized every penny of federal money. It ended with the sentence, "Michigan's record of taking up federal-aid allotments has been most excellent."

Future state elections will be directly affected by reapportionment provisions that are finally approved. Senators and representatives approach the problem with the same attitude most people feel while awaiting a visit to the dentist. They know it must be done; that it will cause some discomfort; that in the long run, it's all for the best. But they can't be anxious about it, either.

Michigan voters approved a measure last fall which requires the legislature to rearrange its system of selecting members to conform more nearly to the population distribution in the state. If the legislature fails to take this action, the law specifying that the Board of Canvassers, which consists of the secretary of state, the treasurer and the state land office commissioner, shall draw the redistricting lines.

A swing in power from rural to city legislators will follow the reapportionment. A change in the status quo is often disturbing but when rural lawmakers must arrange for the transfer of majority to city areas, it's like sending a boy for a switch to beat him.

The new setup will provide additional members for three Detroit area counties in the house, while the Upper Peninsula, northern half of the lower peninsula and the city of Saginaw will lose one each. Little can be done about the increases; the wrestling matches concern how the areas losing a representative shall be realigned.

Parts of the districts Kenneth O. Trucks (R Baldwin) and Harry B. Werner (R Leroy) might be merged as would the areas represented by Einer E. Erlandsen (D Escanaba) and John F. Wood (R Manistique). These men would face each other to see which would remain. Rep. Clarence F. Graebner and Thomas M. Burns, both Saginaw Republicans, also may battle for the one seat left to the city.

Wayne County, would gain 11, from 27 to 38 representatives; Oakland and Macomb each gain one, raising their total to five and three. Other counties having more than one representative are: Kent 5, Genesee 4; Ingham 3; Berrien, Calhoun, Jackson, Kalamazoo, Saginaw, Muskegon and Washtenaw, two each.

Total new number of representatives is 110; of senators, 34, increased from 32.

Six urban counties can control the house with 58 votes. They are Wayne, Oakland, Macomb, Kent, Washtenaw and Genesee. Wayne, alone, with its 38 votes could prevent immediate effect of any measure, since a two thirds vote of the new chamber would be 74. Rural lawmakers could stop immediate effect but not prevent ultimate passage of a bill.

No tax decision during this session, is the guess of some legislators. Further, there is a growing suspicion that Governor Williams' corporate income tax which is being pushed hard by Walter L. Nill (D Muskegon) may slip into law if the Republicans can't get together on a tax program. And so far they haven't. If the legislature should fail to come up with a solution, Gov. Williams would then be forced to call them back for special session. It is then that his bill might become law. There are indications, say observers, that once the election is over, the house will pass both the corporate income tax and House Leader Wade Van Valkenberg's (R Kalamazoo) business profits tax. The senate, faced with both of these measures, can then make the decision to accept the Democratic or Republican sponsored bill. If senators cannot agree, the special session may come about.

Michigan has more railroads than any of 11 leading foreign countries. Figures show that 6,954 miles of railroads in the state keep 38,900 workmen busy earning \$124 million. Taxes paid by the state's railroads, contribute more to education than any other state industry—enough into the state's primary school fund each year to equal the cost of a year for 117,234 of the state's children.

ROGER BABSON SAYS:

BABSON DISCUSSES WAR
For the first 2 years I have definitely stated that there would be no War III so long as Stalin lived. This is a fact for which much printed evidence exists. Now that Stalin is dead, I have my "fingers crossed."

WATCH THE BRITISH
Malenkov does not want war. He will try to follow Stalin's policy of "trying them out." Stalin hoped he could drain us of men and money until we suffered from a depression. He, however, did not understand the American people, who are in no mood to compromise with Russian imperialism.

On the other hand, England is prepared to compromise with China in order to hold Hong Kong, to avoid a complete embargo and to prevent Russia from getting to the Mediterranean. Hence, Churchill could be a great factor in bringing the Korean War to an end. Therefore, I still believe that 1953 will see a Korean truce unless one of the satellites kicks over the apple cart.

WATCH THE SATELLITES
Another factor is that the Russian Army chiefs do not want war. Although they might make a fine showing the first month by overrunning Europe and destroying one or more American cities, they know that Russia would be whipped in the end. They further know this would result in their death or banishment to Siberia.

This, however, is not true of the satellites—Poland, Czechoslovakia and China. Although these nations are now "under the thumb" of Russia with their people cowed by fear of the Russian police, yet 99 per cent are for freedom from Russian control. Their people are very patriotic and their stooge leaders are praying for some way to get free without themselves being shot, hanged or sent to Siberia.

WORLD WAR III WOULD FREE THE SATELLITES?
If World War III should come about, Russia would hesitate to arm the people of Poland and Czechoslovakia for fear these satellite armies would join with us and our Allies. Whenever the Communist leaders in these countries might wish, 90 per cent of the people would want an Allied victory.

Every one of their Communist leaders might like to be another Tito. Furthermore, the United States and her Allies would have no objection to this provided we are assured they will never

double-cross us. Probably both Eden and Tito have been discussing this in London. President Eisenhower does not deny any people a Communistic economic system of their own choosing; but he will insist on honest dealings and noninterference with other nations.

STOCK MARKET INDICATIONS
In short, while we surely want peace; and Russia probably wants peace, the satellite nations surely would like to see Russia and the United States come to blows. Hence, the big question today is: "Will one of these satellite nations do something to start World War III?" The recent action of the stock markets indicates this is a possibility.

All of the above makes me hesitant to make any War III forecasts at this time. I will, however, guess that Mr. Stalin's death will result in better business for 1953 than most of us at the beginning of the year anticipated. If I were today writing my 1953 Forecast I would be more bullish.

Cub Pack Uses Mardi Gras Theme at Meeting
A Mardi Gras theme highlighted the monthly meeting of Cub Pack 4 Friday evening, March 27, at the Presbyterian church. The pack is made up of five dens, each of which make its own float for the event. The floats, made on wagons, carried the boys dressed as Walt Disney characters, men from Mars and cowboys and Indians.

At the meeting Thomas Adams was installed as the new Cub Master, taking the place of Merle Huntington. New den mothers were also installed.

The meeting for next month will be on a Hawaiian theme.

Guild to Install New Officers

Officers of the Livonia Health guild will be installed at its annual meeting Thursday, April 9, at 12:30 p.m. at St. Paul's Presbyterian church, Five Mile at Arcola.

Following the luncheon and installation, there will be a work simplification demonstration. Mrs. Frances Sanderson and Mrs. Hannah Pretzer of the Home Economics department, Wayne University, will demonstrate "Short Cuts to a Longer Life". Reservations should be made to Mrs. Walter Gregory, phone Livonia 3284; Mrs. J. Blaharski, Plymouth 1626-W1; or Mrs. W. Mc-Cain, Farmington 3012-W, before April 6.

The guild now has another wheel chair available in its loan closet. Those interested in using the chair, or other items, should call Mrs. Charlotte Cooper, at Plymouth 2327-M.

Raincoats come in two fabrics—waterproof and water repellent. Waterproof coats stand up under prolonged, heavy rain, but they are made of hot, non-porous fabrics. Water repellent porous fabric will withstand only showers, but will be more comfortable to wear.

The Gold Medal contest which occurred at the Baptist church last Friday evening was well attended and proved to be one of the finest entertainments of the season. The contestants rendered their recitations in a most creditable and pleasing manner. The contest was a very close one and where all did so well, it required most careful consideration from the judges. The medal was awarded to Miss Laura Bell who recited in fine Irish style, "Patty Ryan Demands Her Rights." The evening's entertainment was made the most enjoyable by the inspiring music furnished by Cable's Orchestra.

OUR MUNICIPAL JUDGE ASKS: "WHERE ARE OUR TEENAGERS GETTING THEIR BEER?" AND SAYS . . .

"Two weeks ago, twenty-three youths, 15 to 19 years of age, held an illegal beer party. Then two of them maliciously stole a truck, crashed it against a tree, and were held by police for investigation of a felony.

Current investigations have failed to uncover just who illegally sold the beer to the teenagers. But let me guarantee, that when sufficient evidence is documented, whoever is responsible will promptly suffer the penalties of the law. Why? Supposing the teenagers had crashed into a car severely injuring or maiming innocent victims . . . what then?

In my court, I seek to protect the innocent, and protect the public against thieves just as I would protect them against a road-hog type of driver . . . inconsiderate . . . dangerous to life and limb. That's my job, that is what the electorate charged me to do when I was elected to Plymouth's municipal bench four years ago. The teenager has not been persecuted but has been treated impartially, receiving the same penalty as adults. (Example: reckless driving—\$35, first offense. Statute law sets this fine between \$25 and \$100, or 90 days in jail or both). I, too, want to see our teenagers become civic leaders, but not after they have been maimed or imprisoned for felony violations.

By law, I am charged to carry out state statutes that set minimum and maximum penalties. If a person is found guilty, he must be penalized in accordance with statutes setting the fine. This much I have to do.

Frankly, I charge that teenagers do not have enough to do to occupy themselves in their spare time. The court cannot change this. It is a responsibility of civic leaders.

When I penalize a person before the bench, I always counsel them . . . seek to understand their behavior, and I warn them not to repeat their violations. In the 1,100 ordinance and criminal cases I have adjudged in the past four years, the number of "repeaters" has been negligible. And at least 70 per cent appearing have resided elsewhere than in Plymouth. This, I believe, is a good record . . . and I submit it to YOU . . . THE VOTER . . . for affirmation."

Ann's new hat

"That's a darling hat on you, Ann."
"I like it, too—and it's the first thing I'm buying out of my first pay check."

"You're pretty lucky to get a good job with such good pay at the telephone company, Ann—and without experience, too."

"And it's interesting, Peggy, being a telephone operator. It's a thrill handling telephone calls for so many people. And that good pay keeps getting better with frequent raises."

"Wouldn't you enjoy an important job like mine . . . in attractive surroundings, among friendly young people? Sound good? Then see us about it soon!"

WHY

do some auto insurance policies cost more than others? Because they give you more! More protection, more service, more security. That's why you buy automobile insurance.
