Norma Helm - Corp. Gerald Hamlin Wed in Early April Ceremony

The Church of the Nazarene was the setting for the pretty wedding uniting Norma Jean Helm and Corporal Gerald Hamlin on Saturday evening April 3. Norma is the daughter of Mr. and Mrs. Roy Helm of Starkweather avenue and the Flander Hamlins of Currie road, Northville, are the parents of the bridegroom.

The Reverend E. T. Hadwin officiated at the eight o'clock ceremony before the altar which was graced with bouquets of white snapdragons and Calla lilies. Mrs. Carl North presided at the organ and Ray Williams sang "Because," "I Love You Truly" and "The Lord's Prayer."

Norma, given in marriage by her father, chose a floorlength gown of all over Chantilly lace. The fitted bodice had a portrait neckline of illusion which was adorned with sequins and the long fitted sleeves extended to points over the wrists. The full skirt swept into a Cathedral

train and had a deep inset of pleated nylon extending down the front. Her fingertip length veil fell gracefully from a tilla of starched lace and seedpearls and she carried a bouquet of white carnations centered with a white orchid corsage.

The maid of honor, Daisy Hornback, and the other bridal attendants, Jean Skaggs and Ruth Norman were dressed in identical gowns of lace and nylon. The strapless bodice and deep peplum were of the lace and they wore matching bolero jackets. Each attendant wore a matching tiara in her hair. Daisy was in yellow and she carried yellow and white carnations. Both Jean and Ruth wore green and their flowers were white carnations centered with green Sherry Cronk, the little flower girl, wore pale blue. Duane Hamlin was the ring bearer.

Gerald asked his brother, Paul, to assist him as best man and the ushers were Donald Helm, brother of the bride, and Paul Hockenberry.

Mrs. Lottie Compton Has 90th Birthday

Mrs. Lottie Compton celebrated her 90th birthday Monday evening surrounded by her family with a dinner in the parlors of the First Baptist church.

Mrs. Compton and her husband, the late Harry Compton, came to Plymouth 36 years ago from Palo, Michigan. She was an employee of the Daisy Air Rifle company from 1924 to 1935, and has been an active member of the First Baptist church here for many years.

Present at the dinner were members of the immediate family, all from Plymouth, Mr. and Mrs. Harold Compton, son and daughter-in-law, grandchildren Mr. and Mrs. Russell B. Wallace, Mr. and Mrs. Donald Sherrick, Mr. and Mrs. Robert Mettetal, and great-grandchildren, Richard, Donald and Michael Wallace, Peter and Linda Sherrick, Judy and Nicholas Herrick, Nancy, Robert, Suzanne and Steven Mettetal. See picture on page 5, of this section.

Mrs. Helm selected, for her daughter's wedding, a grey dress with white accessories and corsage. Mrs. Hamlin wore a pink dress and her corsage was of white flowers.

Following the ceremony, a reception was held in the Masonic Temple in Plymouth. Guests were present from Ohio, Frankfort, Benzonia, Ann Arbor, Detroit and Plymouth.

Following a short honeymoon the young couple returned to Plymouth. Mrs. Hamlin will reside with her parents while her husband serves with the United States Army.

Name Robert Willoughby To National CAR Office

Robert Willoughby, son of Mr. and Mrs. R. D. Willoughby of West Ann Arbor trail, was elected honorary vice-president of the National Society of the Children of the American Revolution at the convention last week in Washington, D. C. Bob will serve for a three-year term.

Another honor went to the Willoughby family when Janet Willoughby was asked to serve as the personal page to the national president.

Mr. and Mrs. Buford Conn and Harold Hester of Northville road returned Saturday from a vacation in Dalton, Georgia.

Mr. and Mrs. Melvin Michaels and son, Dick of Holbrook avenue, were guests Sunday of Mr. and Mrs. Donald Woods in South Lyon.

SOCIAL NOTES

Nearly 500 men from all over the state attended the Convocation for Presbyterian Business Men at Alma College on Sunday. Robert Wilson of the Standard Oil Company was the guest speaker. Attending from Plymouth were Richard Wernette, Carl Hartwick, Douglas Shaw, Claude Gebhardt and Austin Pino.

Miss Florence Gabelman and Mrs. Agnes Pauline attended the meeting of the Northville Business Women's club on Monday evening. The program was under the direction of the membership committee and the theme "Festival of the States" was used throughout the evening.

A piano recital consisting of solo and ensemble numbers will be presented by students of Mrs. James Honey at the Plymouth high school on Saturday, May 1 at 2 p.m. The public is invited. The following pupils will perform: Michele Todd, Mary Lee Haug, Sam Hartloff, James Stout, Joyce Mynatt, Virginia Fetner, Krisan Fluckey, Sally Gilles, Kay Hines, Vicky Schipper, Susan Mather, Gene Light, Martha Wesley, Charlotte Luker, James Wallace, John Allison, Barbara Troyer, Pamela Kay, Steven Body, Jerry Wallace, Patricia Honey, Janet George, Connie Ritzler, Judy Theobald, Gary Gould, Pamela Turbett, Susan Love, Linda Leet and Kestie Schipper.

Arlene and Phyllis French were guests of honor at a family dinner Saturday given by their grandmother, Mrs. J. F. French in her home on Maple street, in celebration of their birthday.

Mr. and Mrs. Richard Vealey were guests at dinner Monday evening in the Ernest Vealey home on Adams street. The occasion was the birthday of Ernest Vealey.

Mr. and Mrs. H. Wilfred Wilson of Beck road were most delightfully surprised last Saturday evening when they arrived at the home of their son-in-law and daughter, Mr. and Mrs. William Bauman on Starkweather avenue to find that about 25 members of their family had arrived before them to help them celebrate their thirty-fifth wedding anniversary. During the evening the Wilson's son, Glenn of Wayne called to tell them that their ninth grandchild had just arrived. A beautiful wedding cake and ice cream climaxed the most enjoyable evening.

Sunday guests of Mr. and Mrs. Stanton Klink in their home on Adams street were Mr. and Mrs. Floyd Clement and George Clement of Kinsley, Kansas; Mrs. Birdie Buker and Mr. and Mrs. Jerry Fry and family of Adrian; Mr. and Mrs. Rex Dye and family of Northville; Mr. and Mrs. Everett Morgan and family of Livonia and Mr. and Mrs. Lyle Sweeney of Plymouth.

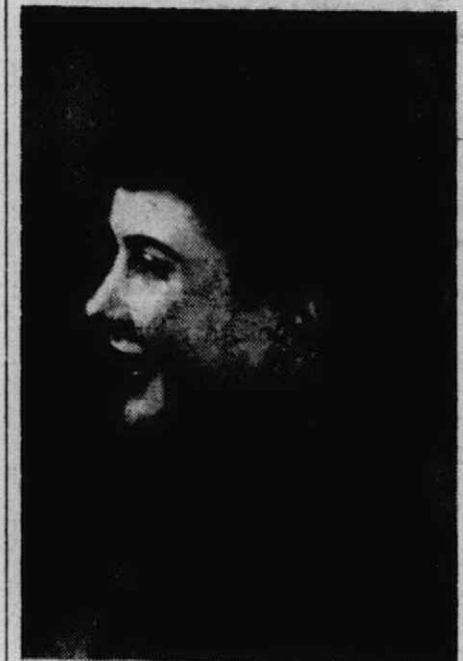

Mr. and Mrs. Charles Themm; Mr. and Mrs. Walter Packer and daughter, Pam; Mr. and Mrs. William Kreeger, and Mr. and Mrs. Norman Mahrey and family attended the wedding of Miss Barbara Smith and Leonard Ferguson in Walled Lake on Saturday evening and the reception following at the Northville Veteran's Memorial Hall.

Miss Irene Bond of Maple street, a bride-elect of May 15, was honored at a miscellaneous shower given by Mrs. F. Young in her home in Highland Park on Friday evening of last week. 24 guests were present at the delightful buffet supper and party coming from Detroit, Highland Park, Royal Oak, Pleasant Ridge, Northville and Plymouth. The table was centered with wedding bells and a miniature bridal party. Miss Bond was the recipient of many lovely gifts.

Mr. and Mrs. Vernon Peck had as dinner guests last Friday evening, Mr. and Mrs. Earl Becker and Mrs. Charles Peck, all of Northville.

Miss Helen Farrand, Mrs. Bertha Tiffin and Mrs. V. E. Coverdill spent the Easter holiday in Gatlinburg, Tennessee and the Smokey mountains.

Richard Kropf To Wed Greenville Girl

Miss Lois Jorgensen
Mr. and Mrs. LeRoy N. Jergensen of 309 South Franklin street, Greenville, Michigan, announce the engagement of their daughter, Lois Margaret to John Richard Kropf, son of Mr. and Mrs. J. Richard Kropf of Ann Arbor trail, Plymouth.

Miss Jorgensen is a graduate of Greenville High School and attended MacMurray college for Women in Jacksonville, Illinois and Michigan State college in East Lansing. Richard was graduated from Plymouth High School and is a student at the School of Hotel Management at Michigan State college.

A summer wedding is being planned.

Easter Seal Drive Draws to Close

Final collections for the 1954 Easter Seal drive are now being made and tabulated, according to Earl West, chairman of this year's campaign. From all indications, he said, the totals should top the \$3000 figure set for the drive. West stated that the largest single contribution was given by the management and employees of E-Z Sew Enterprises, who donated a check for \$200.

The Easter Seal drive to raise money for the Wayne Out-County chapter of Michigan Society of Crippled Children and Adults is taken over each year locally by the Rotary club. Additional money was raised by the Easter Lily sale put on by the Plymouth Rotary-Anns.

Trout Season Opens Slowly

As far as local fishermen are concerned, the opening of the trout season last Saturday left a lot to be desired. Most of the fly-rod enthusiasts agreed that the weather was responsible for the poor catches.

Biggest catch reported was by Dr. B. E. "Brick" Champe and Russell Davis. They came back from Mio with 16 speckled trout, the largest going 16 inches with the average around nine inches. Bill Keefer of Davis & Lent's sporting goods department said the best report of local catches was by Jerry Calhoun who caught seven rainbow trout trolling at Silver lake. Rain, chilly weather and muddy streams reportedly cut down catches throughout the state.

Until 1796, Michigan was part of Canada under the French and British regimes.

Bird School Safety Patrol Boy To Be Sent to Washington, D. C.

Two Plymouth-area boys will represent their schools in a 30,000-boy Safety Patrol Assembly and Parade in Washington, D. C., it was announced today.

They are Michael Porter, 12, of Bird elementary school, Plymouth and Gene Scholes, 11, of Botsford school, Livonia.

The boys will leave Detroit by train Thursday, May 6, as honored guests of the Automobile Club of Michigan. They are part of a group of 115 boys chosen for the four-day trip from among 44,000 Michigan AAA patrolers who guarded nearly 700,000 school children last year without a single reported death.

During their honor trip to Washington, the boys will join patrolers from all over the U. S. in the traditional five-mile-long parade down Constitution avenue. Michigan's delegation will be led by baton-twirling champion Gail Ponte of Dearborn. The boys will also meet Michigan's senators and representatives at a Friday get-together planned by Auto Club.

Patrollers making the trip will meet in Detroit Thursday afternoon for registration and physical check-up. Then, with their Auto Club supervisors and registered nurses, they will board special cars of Baltimore and Ohio's "Ambassador" at 6 p.m. for the overnight trip to the capital. They will be entertained by TV star Ed Storing, of the Detroit Police Department and his dog, "Safety Girl."

Friday morning they will tour

downtown Washington and the Capitol building, enroute to quarters in the Willard hotel. The boys will spend Friday and part of Saturday seeing the Lincoln and Jefferson Memorials, the Washington Monument, the FBI and other points.

Michigan's five patrol boy heroes, who have received Auto Club gold medals for saving lives of classmates during the past year, will have special places in the reviewing stand at the Saturday parade.

The patrolers will leave Washington Saturday evening and arrive back in Detroit Sunday. They will be escorted to their homes by Auto Club staff members.

NOTICE OF SPECIAL SCHOOL ELECTION

NOTICE OF A SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF PLYMOUTH TOWNSHIP SCHOOL DISTRICT, TOWNSHIP OF PLYMOUTH WAYNE COUNTY, MICHIGAN TO BE HELD

MAY 10, 1954

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice That a special election of the qualified electors of said School District will be held in the High School Building in the City of Plymouth, in said District, on Monday, May 10, 1954.

THE POLLS WILL OPEN AT 7:00 O'CLOCK A.M., AND CLOSE AT 8:00 O'CLOCK, P.M., EASTERN STANDARD TIME.

The following propositions will be submitted to the vote of the electors at said special election:

- I. Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Township School District, Township of Plymouth, Wayne County, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by three-tenths of one per cent (0.3%) of the assessed valuation, as equalized, of all property in the School District for a period of five (5) years, from 1954 to 1958, both inclusive, for the purpose of providing additional funds for operating expenses?
- II. Shall limitation on the total amount of taxes which may be assessed against all property in Plymouth Township School District, Township of Plymouth, Wayne County, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan by one-tenth of one percent (0.1%) of the assessed valuation, as equalized, of all property in the School District for a period of five years, from 1954 to 1958, both inclusive, to establish a reserve for building and site purposes.

Each person voting on the propositions to increase the total tax rate limitation must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

STATEMENT AS REQUIRED BY ACT 293 OF PUBLIC ACTS OF 1947 amending the Property Tax Limitation Act

I, Harold E. Stoll, County Treasurer of Wayne County, Michigan, do hereby certify that, as of March 4, 1954, the total of all voted increases in excess of the Constitutional fifteen mill tax limitation and the years such increases are effective are as follows affecting the taxable property of Local Unit:

PLYMOUTH TOWNSHIP SCHOOL DISTRICT Plymouth, Canton, Northville Townships and Plymouth City Wayne County, Michigan			
Local Unit	Date of Election	Voted Increase	Years Increase Effective
Plymouth Township)	March 28, 1949	8 mills	1949 to 1968 inclusive
School District)	December 11, 1950	1 mill	1951 to 1968 inclusive
	May 26, 1952	2 mills	1952 to 1971 inclusive
		2 mills	1952 to 1956 inclusive

Total Increases in Effect
 Years 1954 to 1956 incl. 1957 to 1968 incl. 1969 to 1971 incl.
 Mills: 13 each year 11 each year 2 each year
 (Dated—March 4, 1954)

(Signed) **HAROLD E. STOLL**
Wayne County Treasurer

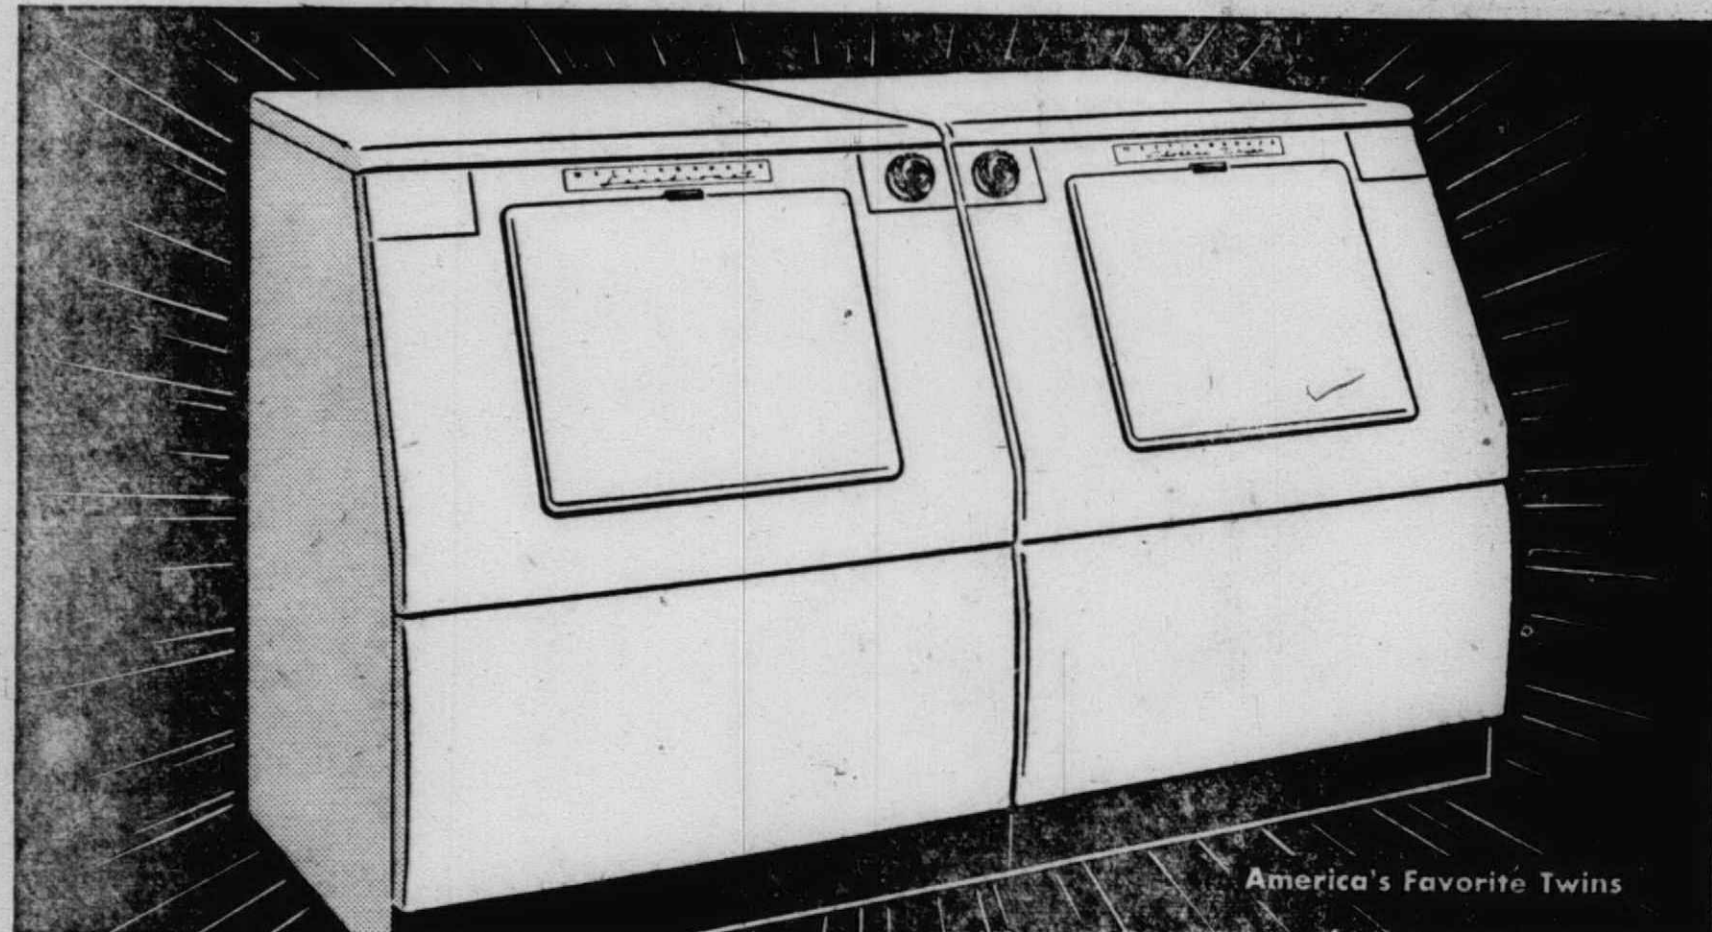

This Notice is given by order of the Board of Education of Plymouth Township School District, Township of Plymouth, Wayne County, Michigan.

"Mother" Contest Ends Monday Noon

According to Chairman Miss Margaret Dunning, entries in the Plymouth Chamber of Commerce Mother of the Year contest are running very high and competition for the \$25 Savings Bond should be keen.

The contest is naturally in conjunction with Mother's Day, May 9. It's open to all Plymouth youngsters under 17 years of age. Entry blanks are available at most Plymouth retail stores and all the boy or girl has to do is tell why his mother should be chosen "Mother of the Year," in 25 words or less. Mother will win prizes from 16 merchants. Entries must be at the Chamber of Commerce office by noon, Monday, May 3. Announcement of the winner will be made in next week's Plymouth Mail.

Smith P.T.A. to Hold May Frolic Event

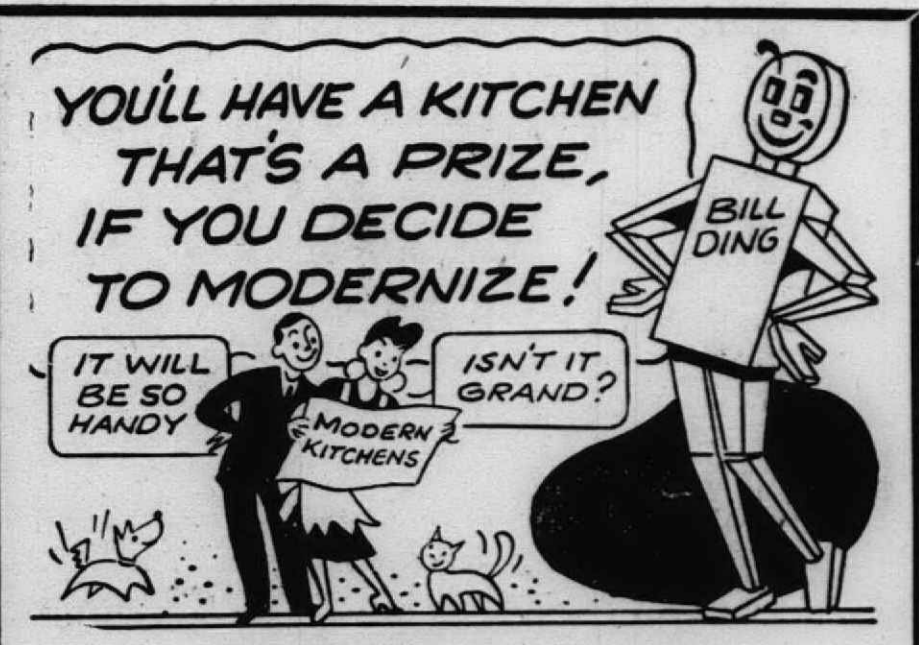

The Smith Parent-Teacher association will end its season with a May Frolic to be held in the Smith school gymnasium on Friday, May 7, from 8:30 p.m. to midnight. The event will feature modern and old-time dancing, with records providing the music. Mrs. William Theison of Wayne will do the calling.

For those not interested in dancing there will be games of cards. Refreshments will be served.

Members of all other Plymouth Parent-Teacher associations are invited to join the Smith P. T. A. in its May Frolic event.

ADMIRING THE 1954 Chevrolet to be given away at the Plymouth Chamber of Commerce annual Fourth of July celebration are two members of the program committee, Robert Beyer and Robert Willoughby (left to right standing) give their approval to Frank Allison of the Ernest J. Allison Chevrolet dealership. The annual Independence Day celebration will be held on Monday, July 5th this year and promises to offer a host of attractions including a parade and the appearance of several television personalities.

Area Clubs Host Division Meeting

The Plymouth, Northville and Rosedale Gardens branches of the Michigan Division of the Women's National Farm and Garden association were hosts to the officers of the Michigan division clubs on Wednesday, April 28, in the Presbyterian church.

Individual meetings were held beginning at 10 a.m., with a luncheon held at 12:30 p.m. Final plans were discussed for the national convention which is to be held in Detroit this year from May 18 through 21. Mrs. William Walker, Jr. of Northville was chairman of the annual division meeting here.

Lorenz, Sibbold Attend Washington Convention

Plymouth is being represented this week at the National convention of the United States Chambers of Commerce by Ralph G. Lorenz and Nat Sibbold, president and executive secretary of the Plymouth Chamber of Commerce.

Sibbold went to Washington by air and will return this weekend, while Mr. and Mrs. Lorenz plan a motor trip through the East following the convention.

MOMS Club News

In observance of Moms week the Plymouth Unit attended the First Baptist church in a group Sunday morning.

Monday evening there was a membership tea at the center with members of the state and national board present. From the state board were Mrs. A. W. Mack of Allen Park, the state president, Mrs. Arthur Kirkwood of Dearborn, first vice-president, Mrs. Walter Lund of Wayne, corresponding secretary, and Mrs. Laurence Gladstone, third vice-president. From the national board were Mrs. Frank Hedge, financial secretary, Mrs. Jennie Bostwick, director, both of Detroit, and Mrs. Charles Hower, treasurer.

Entertaining us for the evening were two of our MOMS and a son of one MOM also the trio from the First Baptist church.

We are happy to say our tea was not in vain, we are the winners of four new members.

SINUS! SINUS!

My recipe for
HONEY-RHUBARB PIE...

always successful in my
ELECTRIC RANGE

HONEY-RHUBARB PIE

Temp: 425°F. Time: 40-45 min.

2 eggs 1 teaspoon grated orange rind (optional)

2 tablespoons flour 1/4 teaspoon salt

1 cup strained honey 3 1/2 cups diced rhubarb

9-inch unbaked pastry shell

Beat eggs; add flour, salt, honey and orange rind. Pour honey mixture over diced rhubarb. Mix well. Place in pastry shell. Cover with lattice of pastry strips. Bake.

Detroit Political Writer Gives Local Judge Pat on the Back

Editors Note: The article which appears below appeared recently in The Detroit News under the column of Michigan Politics which is written by the News Political Analyst Carl Muller. Since it concerns one of Plymouth's best known residents we re-print it here for the benefit of our readers.

"A one-man inquiry was made recently into the background, reputation, work, personality and personal life of Probate Judge James H. Sexton.

"The inquirer has been hearing for 25 years a lot of talk to the effect that "Jim" Sexton approached the ideal of the unobtrusive, helpful, able and hard working official—was the type of man to whom the word "politician" in its opprobrious sense could never be applied.

"Having only a nodding acquaintance with Judge Sexton, the researcher first talked to attorneys. These are some of their comments:

"Jim Sexton? He is 'all judge.' He knows probate law inside and outside and upside down. And on the bench he is always thinking of the law, never of any advantage to himself."

"Lawyer No. 2—"You probably know that Judge Sexton has handled some of the biggest estate cases, including the \$55,000,000 Henry Ford estate. Such cases are complicated, but Judge Sexton readily understands the complications. He is always most careful to protect both the legitimate interests of the estate and of the state." (The amount of the state inheritance tax often depends on the Probate Court procedure.)

"What many do not know is that he is even more meticulous when handling small estates—the kind where the property involved is maybe a second-hand car and some beat-up furniture. He is aware that high-priced lawyers are on hand to protect their clients in the big cases, but often are not present in these small cases."

"Another lawyer—"In addition to being a good judge, and an impartial one, 'Jim' Sexton is one of the kindest men on two feet. He is the kind of man you would like to go fishing with. Being a kindly and a conscientious man, he often inflicts hours of torture upon himself trying to decide what is the right thing to do in mental incompetency cases and such. He is keenly aware that while estate cases deal with dollars and cents, these other cases deal with human lives and human emotions and the futures of human beings."

"All of the lawyers commented that Judge Sexton was 'a

gentleman," helpful especially to young lawyers."

"But so much for what the attorneys think.

"A better glimpse of him may be obtained in relating personal things. For the record, he is 57 years old; began his life work in the Probate Court in 1923; quickly became a deputy probate register; was made chief deputy in 1942; became a probate in 1945; was an enlisted man in World War I; and is a lawyer.

"It is more interesting to learn that his ancestors were Scots, Irish, Welsh, English, German, French and—he thinks—North American Indian. Or that the last of his ancestors to come to the United States were Frenchmen who came over with Lafayette.

Or things such as this: "Mrs. Sexton still turns the collars and cuffs of her husband's shirts when they become frayed. For many years she had to. Take the year 1937—the year that Judge and Mrs. Sexton found their Detroit home too small for themselves and their eight children, so they rented a nine-room frame house at Plymouth for \$50 a month, a home which they later purchased and in which they still live.

"In 1937 Judge Sexton's income was \$3,600. His maximum, before being elevated to the bench, was \$5,700.

"Judge Sexton recalls that for many years, the younger sons and daughters never had new clothes. They inherited the clothes their older brothers and sisters had outgrown.

"But the blessings of having a large family far outweigh disadvantages, if you want to call the need to save and conserve a disadvantage," the judge observes.

"The family is close knit. It was a bitter shock when the eldest son, James Jr., a flying ensign at 19, was killed in World War II. The family's acute sense of loss did not prevent another son, William from serving as an enlisted man in the Navy in World War II; nor another son, Robert, from serving with the Air Force in Korea.

"The record of such homely things could go on and on. But this being a political column, perhaps politics should be mentioned. Judge Sexton was appointed to the bench in 1945 by former Gov. Harry F. Kelly, now a State Supreme Court justice. In subsequent years he was elected twice.

"And this is what he says: "If I had not been appointed, I doubt if I would ever have chosen an elective office. I am astonished that I have been elected. I am told that to be a success in campaigns it is wise for a man to compromise with his convictions a little. I can't do that."

When Michigan first came under the jurisdiction of the United States in 1796, it was in the Territory Northwest of the River Ohio, usually called the Old Northwest. States made from the Old Northwest are Ohio, Indiana, Illinois, Michigan and Wisconsin.

Flucky Insurance Agency Moves to New Offices

R. Ralph Fluckey, of R. R. Fluckey Agency today announced the fifth anniversary of the firm in Plymouth, and the moving of the agency's offices to 843 Penniman avenue, above the new First Federal Savings and Loan office.

Fluckey is a 1941 graduate of the Detroit Business University. Before coming to Plymouth he spent eight years in the insurance business in Dearborn. Fluckey is Michigan manager for The State Life Insurance company of Indiana, and also represents Aetna Casualty Insurance company and Hartford Fire Insurance company. He resides with his family at 1380 Sheridan, Plymouth.

Reckless Drivers Enter Guilty Plea

The crack-down on reckless drivers continued last week as Municipal Judge Nardino Perlongo imposed fines on two youths ticketed for reckless operation.

James Slabaugh, 18, of 4355 Shearer drive, was fined \$75 and placed on probation for two years after pleading guilty to a reckless driving charge. He was halted by police on Forest avenue.

Robert Tucker, 18, Wayne, also entered a guilty plea on the same charge. His car struck the rear of a car stopped ahead while he was driving south on Main street near Penniman. He was fined \$50.

Townsend Company Declares Dividend

The Board of Directors of the Townsend Company of New Brighton, Pa., last week declared a quarterly dividend of thirty cents (\$.30) per common share, payable May 27, 1954, to stockholders of record May 6, 1954.

The directors held their meeting at the new Dunn Steel Products plant, the company's Plymouth Division. Townsend Company is the nation's oldest manufacturer of fasteners and the largest producer of rivets and cold headed parts.

SOCIAL NOTES

The Wesleyan Service Guild of the Newburg Methodist Church will hold a square dance on Saturday, May 1, at 8:30 p.m. in the church hall. A three-piece orchestra and caller has been secured. The public is invited to attend.

Mrs. Hattie White of Dewey street spent from Friday until Monday in Detroit as the guest of Mrs. Edna Loree.

Miss Elizabeth Small of Washington, D. C. will be the weekend houseguest of Mr. and Mrs. Gerald Fischer of Arthur street. Miss Small came to attend the May Festival at Ann Arbor with the Fischers.

Mr. and Mrs. James Thrasher and son David, of Lakeland Court returned this weekend from a 10 day visit with Mr. and Mrs. Ted Thrasher at Fort Smith, Arkansas, and a stay of a few days with Mrs. Thrasher's parents, Mr. and Mrs. J. L. St. John in Springfield, Ohio. They also did some sight-seeing in the Ozark mountains, and visited friends in Memphis, Tennessee. Ted Thrasher is an instructor at Camp Chaffe in the D. F. C. of the Fifth Army.

Mr. and Mrs. Carroll Seabury of Gaspport, New York were guests this past week of Mrs. Seabury's sister and husband, Mr. and Mrs. Gerald Fischer of Arthur street.

Mr. and Mrs. Lisle Alexander of north Mill street spent from Friday until Tuesday at their cabin on Lake Geneva near Atlanta. During their stay at Atlanta, Mr. Alexander attended several American Legion meetings in the northern part of the state.

Mr. and Mrs. Raymond Ondriek of Fort Wayne, Indiana, spent the Easter weekend with Mr. and Mrs. Walter Packer of Sunset avenue. Mrs. Parker and daughter, Pam, returned to Ft. Wayne and visited there until Wednesday.

Mrs. Miller Ross of Ann Arbor road will accompany about ten University of Michigan foreign students to Lapper on Saturday where they, with the group of Miss Betty Ross' Spanish class at the Lapeer schools, will give a Spanish Fiesta. Following a supper of Latin-American food the group will have Spanish dancing and singing and other Latin-American entertainment.

Dr. and Mrs. A. E. VanOrnum entertained 14 guests from Detroit and Plymouth at dinner Saturday evening in their home on West Maple avenue.

Mrs. O. H. Williams, Mrs. Edward Dobbs and Mrs. William Arscott spent Wednesday of last week in Adrian with Mrs. Alex Lloyd, former Plymouth resident.

Mrs. Thelma Sherman and daughter, Carol and grandson, David, of Detroit were the Sunday guests of Mr. and Mrs. J. M. Swegles of Ford road.

Mr. and Mrs. Howard Bowring of Bradnor road were hosts at a birthday dinner last Friday evening honoring Mrs. John Boring. Guests included the John Borings and their son, Dale, of Northville; Mr. and Mrs. Earl Boring and son, John, of Milford; Mr. and Mrs. Lee Bowring and children, Lee and Mary of Plymouth.

Thomas Aston has returned to his home in Florida after visiting for the past 10 weeks with his uncle and aunt, Mr. and Mrs. George Britcher of Wilcox road.

Mr. and Mrs. Frank Terry, Mr. and Mrs. A. K. Brocklehurst, Mr. and Mrs. Gus Lundquist, Mr. and Mrs. William Dowling and Mr. and Mrs. Grant Camphausen were the Saturday evening guests of Mr. and Mrs. Jerry Austin in Detroit.

Mr. and Mrs. George Chute returned to their home on Garfield avenue last weekend after vacationing for two weeks. They spent some time with their son and daughter-in-law, Mr. and Mrs. Robert Chute and daughter, Janet in Schenectady, New York, then drove to Washington, D. C., Maryland and South Carolina. Enroute home they spent some time with another son and daughter-in-law, Mr. and Mrs. George Chute in Hamilton, Ohio.

Motor vehicle accidents in the United States killed 38,000 persons in 1952. In the same year, cancer killed 220,000.

Chairmen Plan August Day Camp For Local Scouts

"Plans are being made to have the 1954 Girl Scout Day Camp the best we've ever had," stated general chairman Mrs. William Lyons. Mrs. Lyon and camp director Mrs. Sheldon Baker explained that events for this year's camp will include scavenger hikes, handicraft, "track and rail," cookouts, and a day at Kensington Lake.

Brownies will hold their camp from August 2 to 6 in the park, while Scouts will meet the week of August 16 to 20 at a site yet to be selected. Any rainy days will be spent at the Girl Scout cabin.

Applications are to be mailed to Scouts on May 1 with a deadline for their return of May 10. Since each camp is limited to 40 girls, camping heads stressed the importances of registering as soon as possible after receiving the registration forms.

Other chairman assisting with the camping plans are Mrs. Clifford Manwaring, program; Mrs. Wayne Rubey, handicraft; Mrs. Hugo Russell, food; Mrs. William Edgar, transportation; and Mrs. George Bowles, publicity.

More Than 1200

Continued from Page 1
Woods playing the "Emperor" Concerto. The works of the most popular of all symphonic composers were beautifully presented by the 85-piece orchestra under the baton of Wayne Dunlap.

Included on the program were the very popular Beethoven's "Fifth Symphony" and the Lenore Overture No. 3. Comments following the performance indicated that this was one of the greatest concerts yet performed by the local orchestra.

Profiting from the experience at this year's Festival, Woolweaver said that tentatively next year's event will be given on only two days, forgoing the Friday night opening, which drew the smallest crowd.

Theatre Guild

Continued from Page 1

demonstrated by little Judy Laury as one of the energetic neighborhood kids; James Mitchell as the dashing treasury agent in a Life photographer's clothing; Mrs. Thomas Argo as the T-man's unable assistant; Mrs. Frank Dicks as the wife of the local unfriendly undertaker; Jack Wilcox as the aspiring reforming mayor of Stanwick; Mrs. Wallace Laury as Carrie Stanwick, descendant of the city's founder and high-strung interior decorator; and Fred Bird Jr., as the movie producer who can't stand to see TV get ahead of him.

Other chairman assisting with the camping plans are Mrs. Clifford Manwaring, program; Mrs. Wayne Rubey, handicraft; Mrs. Hugo Russell, food; Mrs. William Edgar, transportation; and Mrs. George Bowles, publicity.

Robert Augustine To Wed New York Girl

Announcement has been made by Mr. and Mrs. Walter Buzel of New York City of the engagement and approaching marriage of their daughter, Lucy, to Robert Augustine, son of Mr. and Mrs. Wilson Augustine of Powell road, Plymouth.

A June 9 wedding is being planned by the young couple.

OBITUARIES

Mrs. Elsa I. Salow

Funeral services will be held Saturday, May 1 at St. Paul's Evangelical Lutheran church, Livonia, at 1 p.m. for Mrs. Elsa I. Salow who passed away Wednesday morning, April 28 at the age of 58 years. Her home was at 16185 Newburg road, Livonia.

Surviving are three sons, Everett L. and Charles W. Salow, both of Livonia and Gerald E. Salow of South Lyon, also surviving are two brothers, William Wolf of Plymouth, Charles Wolff of Ann Arbor; three sisters, Mrs. Marie Peck of Ann Arbor, Mrs. Annie Melow of Plymouth and Mrs. Lillian Stoddard of St. Petersburg, Florida, and one grandchild survives, other relatives and many friends. Her husband, Louis Salow, preceded her in death in 1947.

Mrs. Salow has spent her whole life in Livonia. She was a member of St. Paul's Evangelical Lutheran church of Livonia where she was very active. She was a member of the Ladies Aid and had served as its president and a member of the Farm Bureau; she was formerly active in 4-H Club work.

The Reverend Theodore Sauer of Livonia will officiate. The active pallbearers will be Arnold Ash, Russell Ash, Edwin Ash, Donald Melow, Philip Peck and Carl Peck. Interment will be made in Riverside cemetery. The services will be under the direction of the Schrader Funeral home, Plymouth.

Friends may call at her home at 16185 Newburg road until 11 a.m. Saturday.

BIRTHS

Mr. and Mrs. John Althouse of Manchester announce the birth of a daughter, Amy Beth born at University hospital, Ann Arbor, on April 24, weighing seven pounds 14 ounces. Mrs. Althouse is the former Nancy Thornton. Mrs. Florence Wood is the new maternal grandmother.

Mr. and Mrs. Douglas Eckles announce the arrival of a daughter, Lu Ann born on April 9 at Session's hospital, Northville, weighing five pounds nine ounces. Mrs. Eckles is the former Ethel Ash.

Mr. and Mrs. Hiram Godwin of Warren road are receiving congratulations on the birth of a son, Bryan Hamilton, born on April 21 at the Florence Crittenton hospital, Detroit, and weighing seven pounds, four ounces.

Mr. and Mrs. Robert L. Smith of Pacific avenue are the proud parents of a son, Glenn Graham, weighing seven pounds 12 ounces, born at St. Joseph's hospital, Ann Arbor on April 20.

Born to Mr. and Mrs. Joseph Gates of McClumpla road, a son, Matthew. The young lad was born on April 26 in Session's hospital, Northville, and weighed six pounds four ounces.

Mr. and Mrs. Harry Blessing of Penniman avenue are the proud parents of a son, Craig Stephen, born on April 19 at Mt. Carmel hospital, Detroit, weighing eight pounds eight ounces.

Mr. and Mrs. Charles Moore announce the arrival of a daughter, Terri Ann, weighing five pounds 10 ounces and born at Session's hospital, Northville on March 26. Mrs. Moore is the former Joan Beck.

Gold has been mined in Michigan. From 1883 to 1897, the Ropes Mine near Ishpeming produced about \$650,000 worth of gold. Mining ceased when the cost of production exceeded the value of the gold extracted.

What Makes Oil

The discovery that petroleum is constantly being synthesized from the debris of marine life has exploded the theory that long periods of time are involved.

Who's New In Plymouth

GARDENING IS THE HOBBY of new residents Mr. and Mrs. Everett Birmaster of 1275 William street. The Birmasters came here in January from Detroit, because, as they explained, "We've always liked Plymouth, choosing it for our Sunday drives on most occasions. So we just decided to live here." The couple, who have a married daughter and two grandsons, are members of the Narden Park Methodist church. Mr. Birmaster is a civil engineer and builder.

Announce Troth Of Eleanor Wanks

Mr. and Mrs. Stuart Wanks of Hugh street, Livonia, announce the engagement of their daughter, Eleanor A. to Carl Kelly, son of Mr. and Mrs. Ralph Miller of Wayne. No date has been set for the wedding.

SOCIAL NOTES

Dr. and Mrs. Edwin A. Rice have returned to their home on West Ann Arbor trail after a plane trip to Florida where they spent a week in Key West and a week in Miami and Ft. Lauderdale.

Mr. and Mrs. John Britcher of East Ann Arbor trail and Mr. and Mrs. George Britcher and family of Wilcox road attended the wedding of the John Britcher's nephew, Robert Wencil and Louise Felix of St. Mary's Church in Wayne on Saturday morning. They also attended the reception at the Veteran's hall in Romulus.

Mrs. Miller Ross of Ann Arbor road accompanied by Miss Jer Daboo of Bombay, India, a student at the University of Michigan, journeyed to Lapeer on Tuesday, April 20 where they presented a program in the afternoon for the Lapeer Teacher's Club and in the evening at the Lapeer Methodist W. S. C. S.

Mr. and Mrs. Ralph Carter and daughter, Shirley of Pacific avenue returned Saturday from a weeks vacation with relatives in Church Hill, Maryland.

Mrs. Carl Hartwick spent Sunday in Alma with her daughter, Mary Lou and attended the open house at Wright Hall, women's dormitory at Alma College.

Mr. and Mrs. Wilbur Thompson and daughter, Seneth, Mrs. Thompson's mother, Mrs. S. W. Bale of Detroit and Seneth's girlfriend, Ruth Ann Carr of Plymouth, returned home Friday after a week's vacation on the Blue Ridge and Smokey mountains.

Mr. and Mrs. J. S. Pace have returned to their home on Plymouth road after spending the winter in Palm Bay, Florida.

Mr. and Mrs. Robert Carson of North Main street were hosts over the weekend to Mrs. Beulah Barnum, director of dancing and youth activities in the Jackson schools. Mrs. Barnum was one of the callers at the square dance festival held on Saturday evening in the high school gymnasium.

Girl Scout News

At the meetings of the Girl Scout Leaders club and the local Council held April 19 and 20, respectively, it was decided by a vote of 20 to two not to join in an area association. The proposed area would have included Western Wayne, Washtenaw and part of Livingston counties. The local Girl Scout group will continue to function with a council composed of local volunteer workers as its governing body.

Many Scouts participated in the Creative Arts Festival on April 24 and 25. Troop 5 members assisted by taking names of people who were interested in joining the Recreation Department sponsored classes next fall. They also ushered at the Theatre Guild's production on Tuesday, April 27. Troop 2 acted as guides at the Festival and ushered on Wednesday and Thursday evenings. Members of Troop 1 had the responsibility of maintaining the check room during the entire festival.

Intermediate Scouts in Mrs. Carl Wall's troop are continuing work on the My Community badge. A visit to the school provided a great amount of information at the regular meeting on April 12. Mrs. Mary Strassen explained public health services available to the community and pointed out ways in which Scouts can be of service. Superintendent of Schools Russell Isbister pointed out the cost involved in the education of each child and explained state attendance laws. Herbert Woolweaver, director, told of the work of the Recreation department and took the girls to see the mechanics of the swimming pool. Leo Kolwalick explained the maintenance of the equipment. On Monday, April 26, the troop learned more about our community by visiting the Michigan Bell Telephone company.

Bonnie Gibson of Brownie Troop 20, reports that they have had a very busy spring. One of their projects has been the making of stuffed toys for a children's hospital. A party, at which their mothers were guests, featured a display of the toys. They are also making sewing boxes and little seats. The troop visited a farm to see sheep sheared on April 24. Mrs. Stanley Wilt is the leader.

Betty Mae Kennedy Wed in California

LaVel Bonney of Encinitas, California, claimed Betty Mae Kennedy of San Marcos, California, for his bride at a lovely seven o'clock ceremony on Thursday, April 8. Betty Mae is the daughter of the Lloyd Kennedy's formerly of Plymouth, now residents of California.

The Reverend Wissman officiated at the service in the Community Methodist church in Encinitas.

Betty chose a gown of white nylon net in ballerina length. Her shoulder length veil fell from a crown of rhinestones, and she carried a bouquet of white carnations and daffodils.

The bride's attendants were Delores Kennedy, who wore a pink ballerina length gown and carried pink and white carnations, and Shirley Kennedy, junior bridesmaid, who wore blue organza and carried pink and white carnations.

Mrs. Kennedy wore a light brown dress with matching accessories. Mrs. Bonney was in orchid and white.

Out of town guests present at the wedding were Mr. and Mrs. Robert Ingram of Glendora, formerly of Plymouth; and Mr. and Mrs. G. Sharke, of San Pedro, also formerly of Plymouth.

Betty attended Plymouth high school and her husband attended San Dieguito high school.

Following a honeymoon in Las Vegas the couple returned to Encinitas where they will make their home on Woodley road.

Woman's Club To Tour Fairlane

The Plymouth Woman's club has selected Fairlane this year for its annual trip to be held on Friday, May 7. Members will meet at the First Presbyterian church at 12:30 p.m. and will tour Fairlane at 2 p.m. For the information of those driving to the building, the address is 19200 Michigan.

Of equal interest to Woman's club members is the annual benefit which will be held at the Women's League in Ann Arbor on Friday, April 30. One of the features of the event will be a summer fashion show put on by Hutzels of Ann Arbor. Proceeds from the benefit go to charity.

Co-chairmen of the event are Mrs. J. M. Robinson and Mrs. Robert Carson. Mrs. Robert Webster is ticket chairman, and Mrs. S. H. Armstrong, Mrs. Russell Daane and Mrs. Russell Isbister form the committee.

Install Dawn Huebler in Office

Dawn Huebler, past worthy advisor of the Plymouth Assembly No. 33, Order of Rainbow for Girls, was installed as grand worthy associate advisor on April 24 in Jackson. Dawn is the daughter of Mr. and Mrs. Charles Huebler. Mary Anne Klone of Highland Park was installed as grand worthy advisor.

Kay Ingram, worthy advisor of Plymouth Assembly, was appointed grand representative to Missouri. Kay's parents are Mr. and Mrs. Robert Ingram. Mrs. Gladys Ryder, past mother advisor, is a member of the registration committee, and Mrs. Gladys Colgan, past mother advisor, is a member of the arc committee.

Mrs. E. Alberta Coburn, Dawn Huebler

Chief McAllister Hears National Civil Defense Director Tell of Defense Needs

Plymouth Fire Chief Robert J. McAllister, as president of the Michigan Fire Chiefs association, was one of the 50 persons attending a meeting last week in Lansing called by the state civil defense director and Governor G. Mennen Williams.

Principal speaker was Val Peterson, former governor of Nebraska and now federal civil defense administrator who spoke of "Civil Defense Problems Now."

In a report on the address, Chief McAllister said that Peterson told of his extensive travels in Sweden, Norway, England and Germany where they are firm believers in civil defense. In Sweden, for instance, many precautions are already completed such as underground shelters, living quarters, communications centers, factories, power plants, airports and even ship docks. Many of these underground networks are beneath 50 to 75 feet of granite rock.

The legislators, military men, fire and police officials and other representatives were told that civil defense authorities must now conceive plans for evacuat-

ing people from the urban areas. He said that he hopes radar will give a warning of between 15 minutes to six hours. The last reported H-bomb explosion will destroy everything within a diameter of four and a half miles.

Peterson said that if Russia decides to attack, it will be a fast sneak attack on America. He added that American planes will be able to bomb Russian cities before Russian planes can return to a home base. He proposed that the federal government take on the project of building super highways for quick evacuation of a city.

If there must be an evacuation, the CD chief said, people will not be able to leave the large cities in cars but will have to start walking. At a point several miles outside the city, they would be met by buses and trucks which would carry them farther away. Most important in civil defense set up will be the police, fire, rescue, food and communications units.

Chief McAllister was one of three men representing the state's fire protection forces. The meeting was held in the senate chambers. Introducing the speaker was Governor Williams.

Bowles to Serve On Dance Committee

Serving on the reception committee of the Spring Whing Ding of the 17th Congressional District Democrats will be George E. Bowles of 884 Palmer avenue. Bowles, along with many other prominent leaders of the 17th District, will welcome guests at the event on Friday, May 7, at Carpenter's Hall in Detroit.

Prominent officials of the district will join in the festivities as square and round dancing begin at 9 p.m.; Jim Schulteis and his five-piece band will be featured at the dance. Refreshments will also be offered.

Expected to attend are Senatorial candidate Blair Moody, Judges George Edwards and Nathan Kaufman, Prosecutor Gerald O'Brien, councilmen Mary Beck, Edward Connor and Eugene VanAntwerp, and many others.

TCP Re-powers Your Engine

TCP, a Shell-discovered additive blended into Shell Premium Gasoline, sets free the captive power formerly locked in by lead and carbon deposits. *It's the greatest gasoline development in 31 years.*

Acts so fast it re-powers your engine before you've finished your second tankful.

Did you know that up to 15% of your engine's power is actually trapped... that you are paying for power you aren't getting?

The reason is this: Every gasoline sold today contains deposit-forming compounds. And, as gasoline is burned, lead and carbon deposits form on the walls of the combustion chamber and on the tips of the spark plugs. In the combustion chamber these deposits become "red hot," especially when you are accelerating, and "set off" the gasoline-air mixture before the piston reaches its proper firing position. Power works against you, not for you. This condition is called pre-ignition and it not only wastes power and fuel—it is also responsible for a most severe kind of knock—engineers call it "wild ping."

These deposits also cause power loss by short-circuiting spark plugs, causing them to misfire when you need power most.

Now, however, there is a way to release the imprisoned power in your engine—and quickly!

It's Shell Premium Gasoline with TCP, the greatest gasoline development since tetraethyl lead. TCP additive actually re-powers your engine by changing the character of the lead and carbon deposits. In the combustion chamber it "fireproofs" them so they cannot glow and cause pre-ignition. And, because it makes the deposits non-conductors of electricity, spark plugs no longer short-circuit—they fire on time. *Power works for you—not against you.*

By the time you have finished your second tankful, you'll be getting up to 15% more power. But remember—because these deposits are constantly building up, continued use of Shell Premium Gasoline with TCP is essential to retain its full benefits.

Shell Premium Gasoline with TCP is available only at Shell dealers.

*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

New Books at Dunning Library

Newest books at the Dunning library should appeal to a variety of interests among Plymouth readers. The books can be reserved and are distributed to readers according to the order on the reserve list.

The latest shipment included "It's An Old Irish Custom" by Olivia Robertson; "Communication in Management" by Charles E. Redfield; "The Story of Buckingham Palace" by Marguerite D. Peacocke; and "The Political Yearbook, 1952" from the "Reporter" magazine.

Darrell Huff's "How to Lie with Statistics", "Parents' Magazine Family Cookbook", "The Golden Spiders" by Rex Stout, "The Man Who Never Was" by Ewen Montagu, "Flying Saucers Have Landed" by Desmond Leslie and George Adamski, and "Primer on Roman Catholicism for Protestants" by Stanley I. Stuber.

"The Viols of Saint-Jacques" by Patrick Leigh Fermor, "Thrill with a Needle: The Complete Book of Mending" by Mildred Graves Ryan, gardening books "Vegetables" by Jack M. Swartout and "Roses" by Roy E. Shepherd "How to Work with Groups" by Audrey and Harleigh Trecker, and Lewis C. Reimann's "Incredible Seney."

Completing the list are "The Case of the Fugitive Nurse" by Earl Stanley Gardner, "Away All Boats" by Kenneth Dobson, "Sargent Guide to Private Junior Colleges and Specialized Schools and Colleges", and "Growing Spiritually" by E. Stanley Jones.

Rail Line Uses 10 Evans Loaders

The Western Pacific Railroad has had ten of its box cars equipped with Evans DF Loaders, according to an announcement by the Evans Products Company of Plymouth.

Completion of the order will bring to 37 the number of Class I American railroads, which own cars equipped with the permanently installed Evans load-locking, load-securing device.

The Evans DF Loader uses wood and steel cross members, locking into car wall belt rails, to secure lading from shifting in transit. Shippers who have used the cars they have been able to cut their state freight damage claims to virtually nothing and that they have been able to eliminate conventional wood dunnage. In addition they report they can make two DF-equipped cars carry as much lading as three ordinary box cars.

The Evans Products Company recently introduced the 6-Car Auto Loader, built on a standard flat car, which permits six instead of four autos to be carried on a freight car.

Set Conference For Area Zoners

Attending the Fourth Annual Planning and Zoning conference of the Detroit Metropolitan region at the end of this month will be some of the members of the Plymouth planning commission, according to Chairman Sidney Strong.

The conference will take place April 30 and May 1 at the Veterans' Memorial building. Theme of the meeting this year will be "Making Use of the Regional Land Use Plan."

Dennis O'Harrow, executive director of the American Society of Planning Officials, will be the main speaker for the Saturday luncheon.

Panel discussions will occupy a prominent part on the program.

Pint Sized Horses

A species of extinct pony-sized horses, called tarpans, are represented once more among living species as the result of "throwback" breeding experiments conducted in Munich, Germany.

WINNERS OF \$25 BONDS in the local B.P.O. Elks youth leadership contest were Lucian Lovewell of Northville, shown above between Exalted Ruler Ray Creith, left, and Tom Argo, right, and Kay Ingram, Plymouth high school senior, pictured at the left. Contest winners were announced last Thursday evening at a youth dance given for area teenagers by the local Elks club. First place winners' names have been entered in the state contest sponsored by the Michigan Elks association with winners to be named on May 1. Other winners of \$5 in the contest were Florence Lodge and Shirley Grundy of Bentley high school, and Robert McCrory, Sue Miles and Robert Gouin of South Lyon high school. All seven winners will attend the May Day celebration in Lansing, as will Argo and Creith, Elks club members. Any Elks wishing to attend the event should make reservations by April 29.

Bank President Assists With Achiever Banquet

Charles T. Fisher, Jr., president of the National Bank of Detroit, has been named chairman for Junior Achievement's fourth annual "Future Unlimited" banquet May 13, it was announced this week as many of Plymouth's Achievers and their advisors made plans to attend the affair.

Announcement of the appointment was made by L. L. "Tex" Colbert, Chrysler corporation president and general chairman for the banquet.

Colbert said that this year's banquet will be the biggest affair J.A. has ever held in southeastern Michigan. "More than 3,200 businessmen, industrialists and Junior Achievers will be invited," he said, "and additional hundreds will attend a special entertainment program joining diners in the Masonic Temple auditorium for that part of the program.

"It is an outstanding tribute to J.A.," Colbert said, "and to the banquet's worth as a civic event that more people each year desire to attend. In the past we've faced the unfortunate problem of not being able to accommodate all of the businessmen and Achievers who want to be, and should be a part of this outstanding event. We believe that this year's arrangements will make it possible for more people than ever before to take part."

The banquet will also culminate J.A.'s \$200,000 subscription drive which is also being carried out in Plymouth.

Fight Animal Ills

The threat of animal tuberculosis has lessened as a whole in the United States. Although in some sections the disease continues to increase. Control of white muscle disease of lambs and calves was demonstrated in recent experiments by giving the animals alphatocopherol, the most potent known form of vitamin E.

FAVORITE BATS for swatting out the long runs are shown being selected by the outfielders of the Plymouth high school baseball squad. Only four lettermen are returning to the 1954 team. The Rocks won the league championship last year with a season's record of eight wins and four losses. There are 12 games on this year's schedule. From left are Dick Blomberg, right field; Ed Wall, right field; Jim Sorensen, center field; and Dale Wilkins, left field. Missing from the outfield lineup is Bob Middleton, center field.

Umpires Needed For Summer Ball

Do you want to become an umpire? Baseball and softball in local circles are in dire need of arbiters for this summer's games according to Earl Gray, secretary-treasurer of the Suburban Umpires Association. This association handles most of the ball games in this part of Wayne county and have many requests on hand for more league games, but just cannot handle them unless more men become interested in working games.

Gray says that so far the Umpires Association had contracted for all games in the Inter-County League, high school leagues, Plymouth and Livonia Recreational League, Northville Recreation. They have an invitation from Ypsilanti and Wayne to handle the recreational leagues in those cities but will not be able to do so unless they recruit some umpires. Also the Babe Ruth League in Livonia and Birmingham have asked for arbiters for this summer.

Anyone interested should contact Mr. Gray at 1342-W. Games are from 6 p.m. on from Monday through Friday. An umpire can work two games an evening. He is paid by the game and the pay is attractive and affords an excellent outside source of added income, Gray said. If interested contact should be made immediately.

SPORTS FLASHES

The Sporting News by J. G. Taylor Spink

DEAL FOR SLAUGHTER LAID TO YANKEES' FEARS

The most fantastic and surprising of all the Yankee acquisitions from the National League was the addition of 38-year-old Enos Slaughter to the menage of the world's champions. On February 23, Vic Raschi, 35-year-old righthander of the Bombers, disdaining to take a cut from his \$40,000 salary of 1953, was sold to the Cardinals for a reported \$80,000. The intimation was that Vic was too old. On April 11, Slaughter, three years older than Raschi, and getting \$20,000, was considered acceptable by the New York club from the standpoint of both age and salary.

It is obvious that something happened between February 23 and April 11 to change the attitude of those operating the Yankees. What happened was:

No. 1—Nineteen defeats in 27 exhibition games with major league opposition, six in eight engagements with the Dodgers.

No. 2—Doubt had enveloped Mickey Mantle's mending right knee.

In announcing the deal the Yankees said the move was in the interest of "protection and insurance."

Around the American League, reports the national baseball weekly, the addition of Enos to the New York family was regarded as a demonstration of fear.

"The Yankees are afraid, afraid for the first time since 1949, and perhaps the day of our freedom from New York bondage is nigh," the seven other clubs in the circuit exuberated.

The addition of Slaughter leaves Casey Stengel with three extra outfielders. It is quite conceivable that one of them, and First Baseman Eddie Robinson will be offered for a pitcher.

SHORT SHOTS FROM THE SPORTING NEWS

Among the innovations at Busch Stadium are phones installed in the dugouts for the convenience of Cardinal Manager Eddie Stanky or the visiting club pilot to call the pitchers from the bull pen. When Stanky noticed that the phone could be used for outside calls as well, he quipped: "I don't like this. Can't you see a pitcher getting knocked out, passing through here, grabbing this thing to call home and say, 'Get the dinner ready, honey, I just got knocked out in the fourth inning!'"

Mickey Grasso of the Cleveland Indians, who spent a lot of time visiting hospital patients when he was a member of the Washington Senators, now is all alone in Mercy Hospital, Mesa, Arizona, where he is recovering from his broken ankle. The Cleveland Indians naturally had to leave Mickey behind when they left Arizona. However, Grasso would like to hear from his friends, so drop a card to a nice guy who always took time out to help others.

Max Surkont, whom the Pirates obtained from Milwaukee in the Danny O'Connell deal, is still moaning about his tough luck last year. He was promised verbally he would receive \$500 for every game he won over 12 for the Braves. He had won nine going into July and visioned a few extra thousand dollars at the end of the season. However, he never reached 12, finishing with 11 and five. Max can't understand why he never started a game after August 14. John Quinn please write.

School Spring Sports Program Gets Underway

The spring sports program will get underway in earnest this week at the high school and continue in full force until school is out in June.

The baseball team began defense of its 6-B League title won last year Monday in a game against Allen Park. Tuesday, Redford Union was met on the local diamond, and tomorrow the baseball nine journey to neighboring Bentley High for a game with the Bulldogs. Next Tuesday afternoon Belleville comes here for a home game with the Rocks.

Today the track squad play host to Allen Park in a meet on the local cinder track. The Rocks opened the dual-meet season a week ago with a one-point loss to Bentley High. Next Wednesday, Redford Union comes here for a track meet.

The Junior Varsity baseball nine also opened its season this week with games against Allen Park at home on Monday, Redford Union away, on Tuesday, and next Tuesday will play Belleville, away.

The golf squad, after a first meet loss to defending state Class A champs Ann Arbor, met Ypsilanti away on Monday, Allen Park away yesterday, and tomorrow will replay Allen Park here at the country club course west of town. Next Monday they take on Bentley at home.

The tennis squad opened against Ypsilanti Central here Tuesday, and play Belleville here today on the courts in Riverside Park. Next Wednesday Trenton will be played there.

Results of all these meets will appear in the sports section of this paper next week.

YOUR DOLLARS go a LONG WAY when we do your printing

There are plenty of sporting events at the high school now for anyone interested in baseball, track, golf or tennis. All teams are in action this week, and if you are interested in any particular sport consult the article on this page as to when a certain team plays.

The high school has scheduled a full sports' calendar for each remaining week of school until early June.

Competition is expected to be keen this year with all local teams having an excellent chance of gaining some more trophies for the new case in the gymnasium.

I received an athletic circular from Fred Trosko, football coach at Michigan State Normal, stating that Plymouthite Phil Barnes is performing excellently in spring football practice and has a chance of gaining a place on next year's college eleven.

Phil began at Ypsilanti in January after having been out of high school for over five years. Phil played on the championship Cavalcade softball team last summer and also played baseball and football in high school here before his graduation.

Ron Nyhus is another good prospect for the Huron football eleven next fall, but is currently on the Normal track squad, and will not report for football until next fall.

Both boys were outstanding in high school and should make themselves known in college circles before they graduate.

If you are planning on attending the Athletic Alumni Association's All-Sports dinner Saturday, May 8, you had better get your reservation in right away. Reservations are limited to 250 athletes, coaches, alumni and parents, and the tickets are going fast, according to David Gates.

Many outstanding college and high school coaches have been obtained to be on hand for this big occasion and one of the most attractive programs ever to be presented to an athletic group has been arranged.

Former Michigan All-American Al Wistert will be toastmaster, and former athletes at the U. of M. plus outstanding coaches in high school circles will be in attendance. They include, Fred Trosko Michigan Normal coach; Henry Fonda, Ann Arbor High coach; Jim Wink, basketball coach at Highland Park; and Elmer Swanson of the U. of M.; and Jack Cotton from Wayne University.

Let's get those tickets now and plan on attending this gala affair.

by "Professor" Edgar Brown

fair. You'll be sorry if you miss this one!

Those Tigers are still fighting all the way for those wins, and are near the top of the standings at this writing. They lost a tough one last Sunday to Cleveland after coming from behind all the way to tie it up in the ninth, only to see Cleveland go two runs up in the tenth on a homer. But the Tigers nearly pulled it out in the bottom of the same inning when they scored one run, and had men out first and third.

These young kids this year have a lot of zip and never give up. The pitching has been holding up better than expected and the defense is much better. The youngsters have completed more double plays than any other major league team and have committed fewer errors at this time.

I saw them play their worst game of the year last week when Chicago beat them 5 to 1. They seem to have a lot of zip and spirit and that will carry them to a lot of wins this year, however, I can't see them much better than fifth or sixth at the end of the year.

Recreation Softball League Forming for New Season

Again this year the Plymouth Men's Softball League will be a combined one with teams entered in the Open Division and Industrial Division as of last year. Everyone concerned seemed highly pleased with the results last year, the first this had been tried, and it is indicated that more teams will be entered this year.

Recreational Director Herbert Woolweaver states that the various leagues are shaping up nicely and that many more teams will be playing this year than last. A few industrial plants have indicated a desire to enter teams this year who have not done so before.

There will also be an Old-Timers' League again this year, but there will be no age limit. Anyone can play, but players may be shifted to the Class A League. Each manager of a team in this league will serve as a member of the Ability Board to determine if a player should be shifted from this league. It is primarily for players who have reached the declining years of athletic ability, but who still desire to participate, or for younger players with less ability than it takes to gain a berth on a Class A team. The old milk can will

year. But, I'll be pulling for those youngsters each game this year.

Here is a chance for some of you bleacher umpires to have your say in the calling of balls and strikes this summer. Earl Gray is in grave need of umpires for softball and hardball games this season, and has plenty of work for some good arbiters.

This provides some good part-time financial pay for those who desire a little extra cash, and also you can be the head man out there calling the plays as they should be according to you.

If interested call Earl Gray at 1342-W.

I think the 7-foot high jump, the 4 minute mile and the 60 foot shot put is not too far away. Last week Parry O'Brien heaved the shot 59 feet 9½ inches unofficially; this year the mile has been run in 4 minutes and 2 seconds, and the high jump record is now 6 feet 11 inches. All these records were said to be unobtainable a few years ago by the experts at that time.

still be the trophy given to the winning team in the Old-Timers' League.

Teams from Evans, Burroughs, Daisy, Dunn Steel, VFW, Wall Wire, Contractors, Elks Lodge, and Carr's Plumbers have indicated a desire to enter the above league.

In the Class A League, there are three Open entries so far—Cavalcade, the defending champion; Beglinger Olds and the La-Fountaine Erecting Company of Livonia. Whitman & Barnes, Evans and the Ford Tank Plant have expressed a desire to enter the Industrial Division.

There will be a trophy for the winner in each division, but only the winners of the playoffs get the individual trophies.

The Old-Timers' League opens on the evening of June 8 and will play on Tuesdays and Wednesdays each week throughout the summer. The Class A Men's League will begin on June 3, and play will be on Mondays and Thursdays during the summer.

If any other industrial, open or old-timer team wishes to enter these leagues the entry must be in to Mr. Woolweaver's office immediately as the schedules will be made up soon.

Accepting Entries For Boys, Girls Summer Baseball

Entries are now being taken for the various hardball and softball leagues in the Class D, E and F leagues, and also in the girls Inter-City league, states Herbert Woolweaver of the Recreation Department.

The Class D league operates for boys 18 and under, and is an inter-city affair as is the E league for boys 16 and under and the F league for lads 14 and under. There is no age limit for the girls' league.

The latter league will be coached by Charles Dudley and Barbara McIntosh, and will have entries from Wayne, Plymouth, Ypsilanti and possibly Detroit House of Correction. Any local girl who desires to play on the Plymouth team should contact either of the above persons, or the recreation department.

Carter will tutor the Davis & Lent team in the E league, and Wally Dzurus, Jr. the Daisy team in the F league. A coach has not as yet been secured for the D entry in the Western Wayne County league.

If any young boys are interested in playing on any of the above teams he should contact the recreation department immediately as play will begin as soon as school is out.

Most Publicized Word
The century-old word "Chlorophyll," aided by advertising men and jokesmiths, took honors as the most publicized "new word" of 1952. New terms like "poodle cut," "whistlestop," "countrypolitian" and "teleprompter" also ranked high.

The bigger the bank roll the tighter the rubber band around it—and the tighter the man who owns it.

LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF PLYMOUTH TOWNSHIP SCHOOL DISTRICT TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice That the Board of Education of Plymouth Township School District, Township of Plymouth, Wayne County, Michigan has called a special election to be held in said School District on Monday, May 10, 1954.

Section 2 of Act 199, Public Acts of Michigan, 1951, effective September 28, 1951, provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides"

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL SCHOOL ELECTION CALLED TO BE HELD ON MAY 10, 1954, IS FRIDAY, APRIL 30, 1954. PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., EASTERN STANDARD TIME, ON THE SAID FRIDAY, APRIL 30, 1954, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.

Under the provisions of Act 199, Public Acts of Michigan, 1951, registrations will not be taken by school officials and only persons who have registered as general electors with the appropriate clerk of the city or township in which they reside are registered school electors. Persons planning to register with the city or township clerks must ascertain the days and hours on which the Clerks' Office are open for registration.

This Notice is given by order of the Board of Education of Plymouth Township School District, Township of Plymouth, Wayne County, Michigan.

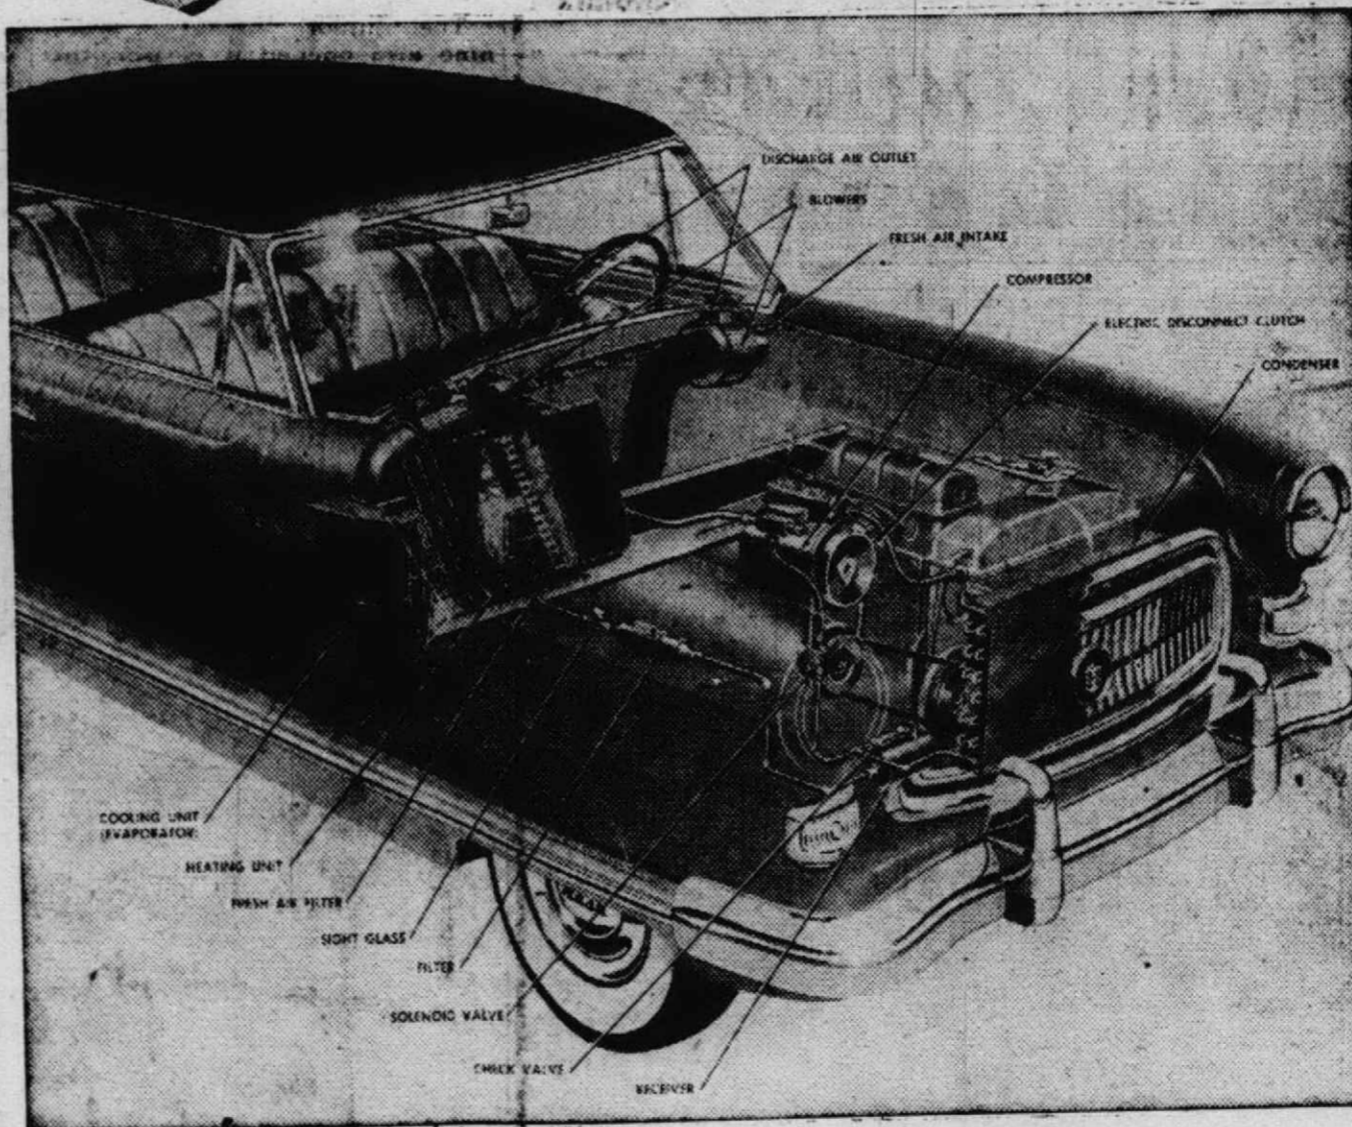

Carl Caplin
Secretary, Board of Education

Township Fire Unit Installs Radio System

More efficient fire protection became a reality in Plymouth township last week when a two-way radio system was installed in each of the fire trucks with the department office as the station base.

"It's going to be a big help in fire protection," Fire Chief Bud Holmes said enthusiastically during tests of the "F.M." system. "In the past when additional help was needed after arriving at a fire, we had to hunt around for a telephone to call back. And there were times at night when getting someone out of bed to use their telephone was a tough thing."

Those days are now gone. Should a fire truck arrive at a fire and it is found that another truck is needed, or that trucks from neighboring communities are needed, the fireman need only radio back to the township hall.

Half of the cost of the radio system was absorbed by the state civil defense department. It is figured that departments with radio communication systems are much more valuable, especially during a disaster when telephone communications would possibly be disrupted.

The base unit in the fire department office has a transmitter output of 30 watts. Power of the units in the three trucks is 10 watts. In a test conducted last week, Chief Holmes reported that communication from truck to office and office to truck were both very satisfactory. In fact, from the most distant point in the township, near the House of Correction, the Wayne fire department easily communicated with the Plymouth township truck.

Erection of a 45-foot mast on the township hall was needed for the office transmitter. Firemen on the trucks can converse with each other as well as the office and truck. Two trucks usually travel to a fire, with one leaving several minutes earlier than the other. Often the first truck arrives to find the fire already extinguished or a minor blaze. Truck No. 1 on the scene is now able to radio to truck No. 2 enroute to the fire, informing them to return to the station, the fire being under control.

On the same wave length as Plymouth township are the departments of Wayne, Redford township, Livonia, Van Buren, Ypsilanti township and Romulus. Chief Holmes stated that installation of the radio system completes the modernization of the township fire department. Most recent additions to the department were a tank truck and a hose dryer. None of the trucks are over six years old.

HONORED FOR HIS AID in recruiting for the Army and Army Air Force was Lamont C. BeGole, Plymouth city clerk, who received the citation last week at the Mayflower hotel. Lieutenant Colonel William Chapel, Jr., commanding officer of the Detroit Recruiting Main Station, is shown giving the letter of commendation to BeGole. At left is Captain Peter Voninski, operations officer at the Main Station, and at far right is Sergeant LeRoy Sipes, commander of the Ann Arbor recruiting station. The letter said in part: "The type of cooperation you have given us contributes greatly to our success in meeting our responsibility and also to the success of the overall National Defense effort." The city clerk has arranged for local youths to meet with recruiting officers here for the past two years.

New Outdoor-Indoor Furniture

When buying new furniture for your porch or terrace this year, you will probably have the opportunity to purchase tables and chairs that can also be used indoors during winter months. Keep this factor in mind in selecting your colors. You'll find wrought iron pieces which combine such hues as black and white, pink and lime. There are new finishes on rattan furniture, too—finishes that are deeper brown and smoky in tone. Even some of the redwood furniture designed for the outdoors has a new look—a "blond" look that is light copper in color.

Advise to Up Corn Planting Rate To Get Highest Yield Per Acre

Don't be stingy with your seed when you're planting corn if you want the best yields.

Michigan State college farm cropmen suggest growing 16,000 plants per acre if you have good corn land. That's in contrast to what farmers on good corn ground usually plant—about 10,000 plants per acre. On lighter or less productive soil, however, your planter should be adjusted to put out less seeds per acre.

How do you know you're getting approximately 16,000 seeds

planted per acre? Leyton V. Nelson, M.S.C. extension farm crops specialist, says you can estimate the rate roughly this way: If your planter is using a bushel of medium flat seed corn in five acres, you are planting about 16,000 seeds per acre. If you are using 38 to 40-inch rows, the seeds will be about nine inches apart. To be reasonably accurate means careful selection of planter plates and slower-than-normal planting speed, Nelson indicates.

In nearly every experiment by M.S.C. last year, increased plant populations boosted yields substantially. And 1953 was a dry year in many parts of Michigan. In no case was there a decrease in yield.

On top soils in southern Michigan, 16,000 plants per acre gave an increase in yield of 11½ per cent over plots which averaged 10,500 plants per acre. In Kent county, 15,600 plants per acre upped the yield 35 per cent over plots that contained 7,800 plants per acre. In another experiment on lighter soils the yield increased three per cent when 15,600 were used instead of 6,800 in the control plot. Nelson believes the right planting rate on lighter soils is between 10,000 and 12,000 plants per acre.

Thicker plantings usually results in smaller ears of corn. But Michigan research shows that the best yields are obtained when ears average about a half pound. Large ears often weigh three-fourths of a pound.

Old Dobbin Fades

Old dobbin has almost faded away from the country landscape. On January 1, 1952, the number of horses and mules on farms was 60 per cent below the 1935-39 average, the service reports. The decrease in the number of work horses on farms is attributed to the ever increasing use of labor saving machines.

NOT ALL LOCAL SMELT FISHERMEN could report a catch as heavy as the one pictured above. In less than an hour, in a small creek near Greenbush, Michigan, these three local youths filled two wash tubs with silvery Smelt from Lake Huron. Pictured left to right are Randy Eaton, Dennis Campbell and Don Carney, the sons of Mr. and Mrs. Sterling Eaton, Mr. and Mrs. Edwin Campbell and Dr. and Mrs. Elmore Carney.

Big Questions On Ballot Ask Simple Answers

A couple of \$64-looking questions will appear on the special school election ballot May 10, but their answers will remain a simple "yes" or "no."

Each of the two millage propositions on the ballot contain 102 words—quite a bit of reading if a person wants to spend some time in the voting booth studying the somewhat legalistic wording. For those who want to familiarize themselves with the propositions before that time, here is what they say:

Proposition 1: "Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Township School District, Township of Plymouth, Wayne County, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by three-tenths of one per cent (0.3%) of the assessed valuation, as equalized, of all property in the School District for a period of five (5) years, from 1954 to 1958, both inclusive, for the purpose of providing additional funds for operating expenses?"

Proposition 2: "Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Township School District, Township of Plymouth, Wayne County, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan by one-tenth of one per cent (0.1%) of the assessed valuation, as equalized, of all property in the School District for a period of five (5) years, from 1954 to 1958, both inclusive, to establish a reserve for building and site purposes?"

★ THINKING OUT LOUD ★

One question, sometimes controversial, sometimes personal, is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's guests are "thinking out loud" on the question:

"What one improvement do you think Plymouth needs most?"

ERNEST ROBINSON, 1090 Holbrook: "I think we need some decent streets. Most of them could be improved. There were too many years when the city didn't do anything to them, putting the job 10 years behind. It isn't the fault of the present administration."

EDIE MCKENNA, 233 West Ann Arbor trail: "A recreation center for kids is what I think is needed. There should be a place where we could go for dancing, ping-pong and things like that."

TOM ARGO, 285 East Ann Arbor trail: "Relieving the traffic congestion in town is badly needed, especially around 5 o'clock. There ought to be a way of getting rid of it by rerouting traffic around the downtown bottleneck. Perhaps they could send them down Farmer street."

MRS. LOREN HARL, 300 North Mill: "There's room for some improvement on the streets, I believe, but outside that, I believe this is a nice city. We moved here just last summer and we think it's a nice place to live. It is just the streets that I would say need some change."

Local Officials Attend Municipal League Meeting

City Manager Al Glassford, City Assessor Kenneth Way and Public Works, were among 83 municipal officials representing 20 cities and villages at the Wayne County meeting of the Michigan Municipal League in Lincoln Park on April 22.

Officials at the one-day meeting selected the following people as their regional officers for 1954-55: regional chairman, Jack Johns, mayor, Lincoln Park; regional vice-chairman, Ralph Guy, councilman, Dearborn; regional secretary, William G. Kirby, councilman, Grosse Pointe Farms.

Professor Arthur W. Bromage, University of Michigan, moderated

the afternoon session, which was devoted to a discussion of proposals being considered by Wayne County Organization Study Committee, appointed by the Wayne County Board of Supervisors.

The Study Committee members, including Chairman Mrs. Blanche Parent Wise, Detroit; Dale H. Fillmore, Dearborn; Willis H. Hall, Detroit; William C. Kirby, Grosse Pointe Farms; Frank X. Martel, Detroit; Harold Rippe, Taylor Township; Thomas E. Shawcross, Highland Park; and Francis S. Thomas, Munguavon Township, heard Mayor Orville L. Hubbard, Dearborn; David V. Addy, budget director, Detroit; Mayor Waid H. McKnight, Grosse Pointe Woods; City Manager Glassford; Mayor William E. Kreger, Wyandotte; Douglas F. Waddell, City Manager, Garden City; and Wallace G. Arrow-

smith, Village Manager, Wayne, express their views on: (1) a County Manager; (2) Uniform Fiscal Year and Single Tax Collection Agency; (3) Single County Assessing Agency; (4) Single County Election Commission; (5) Single County Health and Hospital Agency; (6) Single County Water and Sanitation Agency; and (7) Single County Park and Recreation Agency for Wayne County.

The evening session was highlighted by a review of federal and state legislation of particular concern to municipalities. George H. Deming, director of technical assistance, American Municipal Association, Washington office, was the guest speaker and talked on current federal legislation affecting local government. John H. Huss, Director of the Michigan Municipal League, discussed state legislation considered during the current session in Lansing.

Local Delegates Attend Midwest Soroptimist Meet

Mrs. John Henderson, Miss Neva Lovewell and Mrs. John Melczek returned Sunday from Milwaukee, Wisconsin where they were delegates to the 41st conference of the Midwestern Region of Soroptimist clubs. Meetings were held in the Plankinton hotel on April 23, 24 and 25.

Friday was taken up by registration, meeting of the regional board and a fun night. On Saturday delegates were welcomed by Milwaukee's Mayor Frank P. Zeidler and Frank A. Widmann, of the Milwaukee Chamber of Commerce. Afternoon meetings highlighted the business session, committee reports, Governor's report, and reception and a banquet in the evening.

Business was completed at the Sunday morning sessions of the convention and the delegates adjourned at noon.

City Chicken

A simple dish which goes well for large gatherings or small family groups is the city chicken prepared by Mrs. O. H. Williams of 1328 West Ann Arbor trail. Mrs. Williams has fixed the meat dish for Presbyterian church suppers with great success, judging from the comments of those attending the suppers.

The Williams' have two children, Karl, and a married daughter, Mrs. Raymond Highfield. Both are also fans of the city chicken for a delicious dinner.

As a menu with city chicken Mrs. Williams chooses french green beans, mashed potatoes, tart slaw salad and cherry pie.

City Chicken

Buy veal and pork cut in chunks, figuring about one-half pounds of meat per person. Alternate chunks of veal and pork on a lollypop stick and then roll in egg and flour. Add 1/2 cup water, 1/4 cup green pepper and 1/4 cup onions and place in a slow oven. Seasonings may be varied to suit the individual. The city chicken in a tightly covered pan may be cooked either on top of the stove or in the oven. Bake for one and one-half hours and serve.

Mrs. O. H. Williams takes a peek at her city chicken.

Advisory Group Meets to Discuss Adult Classes

Thirty-two persons turned out for the first meeting of the advisory committee to the adult education commission, Wednesday evening, April 21. The committee is made up of representatives of the city's various organizations. The meetings in times each year, the meetings in January, April and September either following or preceding a term of adult education courses at the high school. Main objectives of the group are to evaluate

the past semester's program, make recommendations for the program to follow and to advertise to their respective groups so they may have an opportunity to take part.

Speaker at Wednesday night's meeting was John Holden, of Michigan State college's continuing education service. In his talk he pointed out that Plymouth is considered one of the top cities of its size for the number per capita taking adult education courses.

Harold Wilcox, adult education director in Ferndale, showed color movies of activities in adult classes in Ferndale. Following the film, Wilcox and Holden answered questions from the group.

The adult education and recreation commission held a regular business meeting later in the evening.

Rainy Sundays every now and then are good things. They save a lot of gasoline, profanity and accidents.

Local Girl Tells of Career As Member of Air Force

A lot of lines are written about the men who are in the armed services while the girls in uniform are often neglected by the printed columns. One of these girls, a former member of the Women's Air Force, has recently returned to Plymouth following two and one-half years in the service. She is Mrs. Roberta Ross, daughter of Mr. and Mrs. Henry Ray of Starkweather avenue.

Roberta was graduated from Plymouth high school in 1951, and the following September she became eligible for acceptance in the United States Air Force. After completing all the necessary qualifications she reported to the Veterans Administration building in Detroit where she was sworn in. Then with eight other Detroit area girls she was off by train for Lackland Air Force Base in San Antonio, Texas.

It was at Lackland that she underwent eight weeks of basic training, which included drilling, learning military law and procedure, how to pass very strict personal and barracks inspection, kitchen police, and general reconditioning from civilian to military life.

Friends are made very rapidly during that period of hardships, she said, but all your work later proves its value. "By the end of the training period we had had many good times and made lots of friends" Roberta explained.

Along with a half-dozen other girls, she was then sent to Lowry Air Force Base in Denver, Colorado for three months in school learning the principles and operation of International Business Machines. While there school was closed for the Christmas holidays and she received her first leave. Thirty days leave per year is granted.

Upon finishing school she took another short leave and then proceeded to Hamilton Air Force Base, just outside of San Francisco, California. It was here that she spent the next two years and finished out her air force career.

Roberta paints a glamorous picture of her life while at the Hamilton base. She said she was on a W.A.F. drill team that toured many parts of California and even went to Mexico City to put on a marching exhibition before military and civilian personnel. She was the forward on the base

W.A.F. basketball team, which played teams from other branches of the service and came away with several championships.

Commenting on her quarters, Roberta said that there were two girls to a room, and that her barracks had automatic washers, a hair dryer, telephone, shower room, powder room, luggage room and supply closets.

As for social life she pointed out that the Hamilton Base had weekly dances, two shows, tennis courts, a date room, swimming pool, gymnasium, non-commissioned officers' club and service club. She met her husband, Robert, at the base swimming pool where he was the life guard.

When her husband received orders to go to Korea for a tour of duty, Roberta applied for and received her honorable discharge. Now home in Plymouth, she describes the time she spent in the service as "one of the most rewarding times of my life."

Seniors to Dance To Prom Music On First of May

For an evening of beauty, and dancing entertainment to the music of Jim Servis and his orchestra, the seniors have chosen the night of Saturday, May 1, to present their Senior Prom. "Improvisation." This will be a night of magnificent settings and beautiful lightings, changing the gym to a beautiful colored wonderland.

The prom which starts at 8:30 and extends to the hour of midnight is being handled under the co-chairmanship of Ann Sumner and Mike Reh.

Publicity is handled by seniors Pat Lidgard and Jim Gage, while Sally Shuttleworth and Ed Rossow will supervise refreshments which will be served in the hall. The refreshments include punch which will be set up like a fountain in the center of the dance floor, and sandwiches served in the hall.

Ticket committee chairmen are Margaret Burr and Howard Oldfold. The tickets, which will be made up of eight different colors, can be obtained for alumni and out-of-towners as well as Plymouth high students.

The PLYMOUTH MAIL

Thursday, April 29, 1954

Plymouth, Michigan

Section 4

SOCIAL NOTES

Mr. and Mrs. Gus Eschels have returned to their home on Godfredson road following their winter's sojourn in Englewood, Florida.

The Lutheran Ladies Aid Society will meet on Wednesday, May 5, at 1:30 o'clock in the home of Mrs. William Sacriska on Kopernick road.

Miss Mary Merryweather was guest of honor at a "bon voyage" party on Wednesday, April 21, at the home of Mrs. George Lyke on Schoolcraft road. Twenty guests were present to wish Miss Merryweather a happy trip. She will sail on June 26 on the S.S. America for London, England.

The Robinson Extension group met on Monday evening, April 19, at the home of Mrs. Gene Overholt. The lesson on landscaping was given by Mrs. Darwood Holmes and Mrs. Robert Widmaier.

Mr. and Mrs. Steven Veresh of Clemons drive and Mr. and Mrs. Carl Hartwick of Northville road were the Saturday evening guests of Mr. and Mrs. Jack Gage, also of Clemons drive.

The Women's Society for Christian Service of the Newburg Methodist church will meet on Tuesday, May 4, at the Newburg Church hall. The business meeting with the election of officers will be at eleven o'clock with lunch and twelve-thirty. At one-thirty Reverend E. E. Rossow of Northville will speak to the group. Reverend Rossow is the Protestant chaplain of the Detroit House of Correction. Everyone is welcome.

Gloria Chaney Wears White Lace For Marriage to Fredrick Pringle

Gloria Francis Chaney wore a ballerina length gown of white lace when she walked down the aisle of Plymouth Methodist church April 10 to become the bride of Airman 1st Class Fredrick Pringle.

The bride is the daughter of Mr. and Mrs. John Chaney of Quincy, Michigan, and the bridegroom is the son of Mrs. Fred Pringle of Knowson Drive, Plymouth, and the late Mr. Fred Pringle.

Rev. Johnson performed the double ring candlelight service at 8:30 in the evening before an altar banked with baskets of white flowers.

Margie Thompson sang "The Lord's Prayer" and "I Love You Truly."

The fitted bodice of the bride's gown featured a V-cut neckline in front and back and long tapered sleeves. She wore a fingertip veil and carried a white orchid surrounded by petunias.

Joan Buck of Northville was maid of honor and wore a gown of yellow net over taffeta. The strapless bodice was covered with a short jacket. She carried an arrangement of aqua carnations on a fan.

Bridesmaids were Mrs. Ruth Daymon and Jane Johnson, Madeline Jones was a junior bridesmaid. They wore gowns of aqua net over taffeta and carried yellow carnation arrangements similar to the maid of honor.

Robert Daymon, brother-in-law of the bridegroom was best man. William VanBynen and Phillip Truesdal ushered guests into the church.

Mrs. Chaney wore a natural colored lace gown with white accessories for her daughter's wedding. She wore a corsage of pink calliomas. Mrs. Pringle chose a gown of pink net over taffeta with white accessories, and yellow calliomas.

Following the ceremony a reception was held at the Masonic temple for 200 guests. When the couple left for a honeymoon trip to California the bride wore a cocoa brown suit with dark brown accessories. She pinned the orchid from her wedding corsage to her shoulder.

Both the bride and her husband are graduates of Plymouth High school.

Select Fats Suitable for Job For the Best Cooking Results

How do you select cooking fats? For best results in frying or baking, you'll select fats with some thought regarding the job they are to do.

A solid fat, to be used for pastry or biscuits, should have the capacity to coat the flour, to spread well and to be rolled or pressed into thin layers. When oils are used to make these foods, you must use methods designed especially for them.

When you want to bake a cake, you need a fat with creaming quality—able to entrap and hold tiny air bubbles. The ability of the fat to mix well with other ingredients, particularly the liquid, is also important.

And, of course, the shortening power ability to spread over the flour and produce a tender product is just as necessary for cakes as for pies and biscuits.

When you choose a fat for frying, you need one which will

stand high temperatures without smoking. Some fats are better than others in this respect but all of them need care.

Overheating should be avoided. All fats break down to some extent and smoke at a lower temperature after they have been used for some time. But they last much longer when excessive heating is avoided.

After use, they should be strained to remove foreign matter which also hastens decomposition. Then they should be stored in a cold place out of contact with light and air.

Such storage is a good rule for any fat.

While modern technology has developed fats with far better keeping qualities than were previously known, few will withstand exposure to light and air at ordinary temperatures and none will be hurt by refrigeration.

Serving

Bride's Meal Can Impress Special Guest

A meal of much concern to a young homemaker is the first lunch she serves to her first special guest. She wants to make a good impression, but an inexperienced cook finds it hard to make "something special" and have all the foods ready at the same time.

Planned with such a situation in mind, here is a "Bride's Guest Meal," which is recommended by the Home Economics Institute of Deepfreeze Home Appliances. Consisting of curried salmon, frozen peas, cheese macaroni wedges and parker house rolls, the complete meal is prepared in advance and stored as a unit in a home freezer. It can be heated and served on a few minutes' notice.

The meal may be arranged attractively for serving on an 18-inch foil-covered cardboard disk, a serving tray or platter. The salmon dish, surrounded by peas, is in the center. Around the edge are the macaroni wedges, pointed outward, with the rolls between wedges.

Here is how the "Bride's Guest Meal" was prepared in the Deepfreeze test kitchen.

Cook, drain and blanch 2 cups elbow macaroni.

Mix with: 2 beaten eggs, 1 cup milk, 1/2 cup soft bread crumbs, 1 cup grated processed cheese, 1/4 cup chopped parsley, 2 tablespoons minced onion, and 1/4 teaspoon salt.

Scrape into a well oiled 8-inch foilware pie pan. Bake in a preheated 350-degree oven 40 minutes. Cool slightly. Cut into six wedges. Chill. Seal in freezer foil and store in home freezer.

Drain and flake 1 large can salmon.

Blend: 1/4 cup margarine or butter, 1/4 cup flour, 1/2 teaspoon salt, few grains pepper, 1/2 teaspoon monosodium glutamate.

In quart sauce pan cook at medium heat. When bubbly, add 1/2 teaspoon curry powder and 2 cups milk.

Cook until smooth and thick. Add flaked salmon. Freeze in 5-inch bowl. Unmold. Place in 7-inch freezer casserole, surrounding salmon with peas. Seal cover with freezer tape and store in home freezer.

Baked parker house rolls, wrapped in freezer foil, stay fresh longer when frozen.

When lunch time is at hand, remove freezer tape from casserole and heat everything at once for 25 minutes in a preheated 350-degree oven. Arrange the foods on the disk or platter and serve.

When it comes to providing taste appeal, onions are an excellent way to obtain it. Use the big white onions called "Spanish" for milk flavor, and the smaller yellow ones known as "Yellow Gloves" for a slightly stronger taste.

A Breakfast of Old-Fashioned Goodness

If you've forgotten how good breakfast can be, sit down to an old-fashioned breakfast of steaming hot oatmeal and milk, homemade Oat Bread to be toasted or not, and smothered with strawberry preserves. Take time for peeling the orange to eat it, segment by segment, as you did in your little girl days. Here is a meal that's as good for you as it is good, and there's no age limit on enjoying a breakfast like this.

Old-Fashioned Oat Bread

1 cake compressed yeast
1/4 cup lukewarm water
1 teaspoon granulated sugar
4 tablespoons fat
1 tablespoon salt
1/4 cup brown sugar
2 cups rolled oats, uncooked
1 cup boiling water
1 cup cold water
5 cups sifted all-purpose flour (approximately)

Crumble yeast into small bowl. Add lukewarm water and granulated sugar. Set in a warm place until mixture is light and bubbly (about 15 minutes). Combine fat, salt, molasses, brown sugar, rolled

oats in large bowl. Stir in 1 cup boiling water. When lukewarm, add yeast mixture, then flour and cold water alternately. Mix until soft dough is formed.

Turn out on floured cloth or board. Knead until smooth and satiny to the touch, sprinkling more flour on cloth if necessary. Place in greased bowl. Brush top of dough with melted fat. Cover and let rise in warm place until double in bulk, about 1 hour.

Turn dough onto lightly floured cloth or board. Divide into 2 portions for molding. Let rest, covered with kettle or bowl, for about 10 minutes. Then shape into 2 loaves. Place in greased loaf pans 8 1/2 x 4 1/2 x 2 1/2 inches. Brush tops with melted fat. Cover with waxed paper and a damp cloth. Let rise until double in bulk, about 1 hour. When loaves are about half risen, brush top with milk and sprinkle over the surface rolled oats, about 1/2 cup for each loaf, moistened with milk.

Bake in a hot oven (425°F.) 15 minutes, then reduce temperature to moderately hot oven (375°F.) and bake about 30 minutes longer. Remove from pans. Cool on rack. Yield: 2 loaves.

Prune Souffle Makes Delicious Dessert

2 cups cooked prunes
3/4 cup granulated sugar
1/2 teaspoon baking powder
5 egg whites
1/2 teaspoon vanilla extract

Measure prunes and cut from pits. Put through a coarse strainer. Add sugar, baking powder and very stiffly beaten egg whites. Stir in vanilla. Pour into a buttered baking dish and place in a pan of hot water. Bake in a moderate (350°F.) oven

about 30 minutes. Serve hot or cold, plain or with whipped cream. Chopped almonds or shredded coconut may be sprinkled over the top before baking. The recipe serves six.

Apply a cream-type wax to your linen shelves about twice a year; the wax will protect the shelves and make them easy to clean.

Novel Ways to Fix Tongue Dishes

Chilled tongue slices, cut about 1/4 inch thick, make an attractive cold meat platter serving. For broiling, slice tongue 1/2 inch thick. Brush with melted butter or margarine, then cook at a moderate temperature. Slice, reheat and serve tongue on split hot corn bread squares and top with a mushroom sauce. Or reheat slices in a clove-cherry sauce, lemon or raisin sauce.

With tongue prepared ahead of time and stored in your refrigerator you have the basis of many interesting and flavorful main dishes.

Here is a guide for buying tongue. Pork and lamb tongues are small and are usually sold in a ready-to-serve form. Beef and veal tongues are larger and are sold fresh or cured. You can count on 10 to 12 servings from an average beef tongue and from 4 to 6 from a veal tongue.

In cooking smoked or pickled tongue it may be necessary to soak it in water before cooking. Then follow the same directions as when preparing an uncured tongue. Place the tongue in a heavy deep utensil and completely cover with water. For fresh tongue add 1 teaspoon of salt for each quart of water used in covering the tongue. Then cover the meat closely and let it simmer until tender, allowing 1 hour per pound cooking time.

When tongue is tender, trim away the hard part and remove the skin. To do this, plunge the

tongue in water a few minutes immediately after cooking. When planning to serve tongue chilled, let the meat cool in the liquid in which it was cooked. Then tightly cover and store in your refrigerator for later slicing and reheating.

REMODEL or BUILD

BUILDING NEWS

Helpful Hints Concerning Building, Remodeling, Repairing & Redecorating

REMODEL or BUILD

ONE OF THE MAJOR contributors to the "new look" on Simpson street is Contractor Stewart Oldford. Three of his homes are shown above and others may be found in the Smith school area making it one of the nicest, new residential sections in Plymouth. Featuring three-bedrooms, Oldford's homes offer modern, ranch-style design and latest features for maximum home comfort.

Build-It-Yourself Sandbox Is Excellent Spring Project

A sandbox provides many hours of enjoyment and safe play for the small child. While a box may be built without an awning, a covering is recommended for hot sunny days. For convenience in storing the box in the winter months, the awning frame should be removable.

A sturdy sandbox, that may be knocked down for winter storage, is easily made with a few hand tools.

The basic box is made by first constructing a frame of 1 by 2-inch strips. Purpose of the 2 1/2 by 5 1/2-inch frame is to hold the floor of the box off the ground and to provide a center support for floor boards.

The floor, three 1 by 10-inch boards, 54 1/2 inches long, is nailed across the frame, and the sides and seats are added. The sides are also 1 by 10-inch lumber, the long sides being 68 inches in length to provide a 6-inch extension at each end. This extension holds the seat. The short sides are 28 1/2 inches in length. The seats measure 8 by 39 inches, and are placed across the side extensions so that the inner edge of each seat comes even with the inner edge of the box. All exposed edges of the sides and seats should then be beveled with a plane or rounded with a wood rasp.

The awning frame is made on two upright posts each 54 inches long, made of 1 by 3-inch lumber. In preparing the posts, a slot is provided in each to allow the awning to be raised or lowered. The slot is made by boring a 3/16-inch hole in the centerline of the post, and sawing the slot with a keyhole saw. To avoid splitting, start the slot at least 4 inches down from the top of the post. Exposed edges of the post should be rounded.

The posts are attached to the centers of the long sides of the box with round-headed bolts. The bolt heads should be inside the box, both for the protection of the child and to avoid damage to the threads on the nut end.

The awning frame (D) is made of two 54-inch pieces of 1 by 3, jointed with 3/4-inch dowels. The dowels are inserted in holes bored clear through each frame piece, and are held in place with one long finishing nail. Beneath the center dowel in each frame, a 3/16-inch hole is bored for insertion of a bolt and

wing-nut. This bolt serves both as a pivot on which the awning may be tilted, and to hold the awning at the desired height.

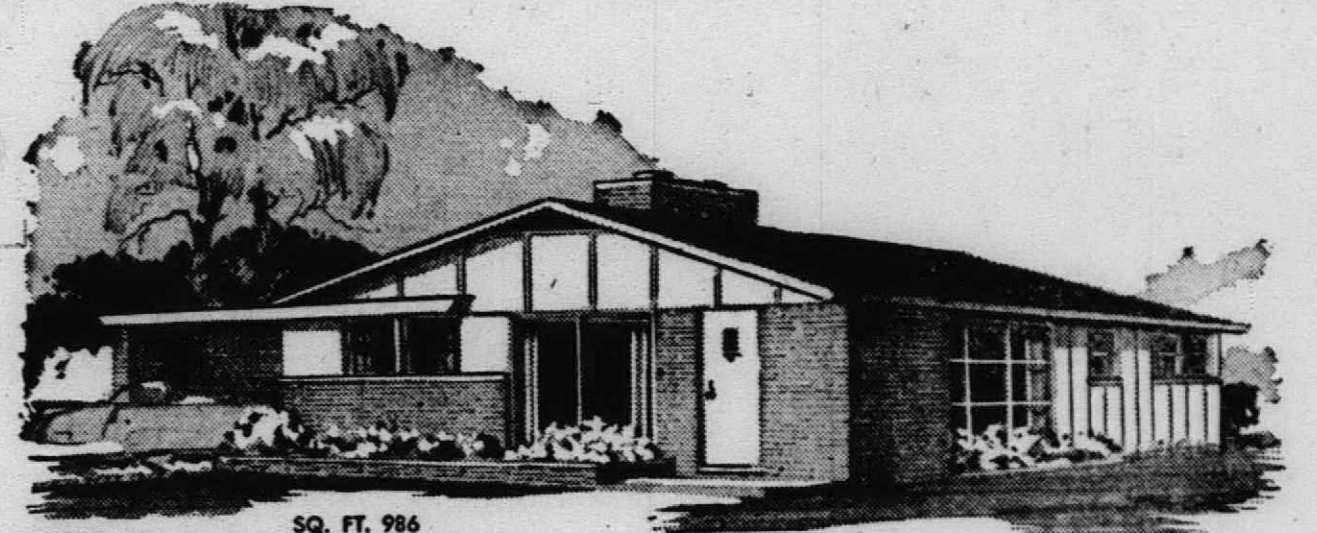

The covering for the awning is brightly colored canvas, 2 yards of 32-inch cloth, fastened to the top of the frame with broad-headed upholsterer's tacks. Or, if the craftsman is handy with a needle and thread, he may sew loops on the underside of the cloth, which can be "buttoned" on the round-headed screws, partly inserted in the frame. The latter arrangement facilitates the removal of the cloth for laundering.

This box does not have legs. It is supported by its sides. The ground on which the box is to be placed should be level so the box will not rock.

Wash Before Painting

Before re-painting, walls that have previously been painted with an oil paint should be washed thoroughly with a detergent to remove all grease and dirt. This is particularly true of a kitchen where cooking deposits a film of grease which—if not removed—will interfere with the drying and adhesion of new paint.

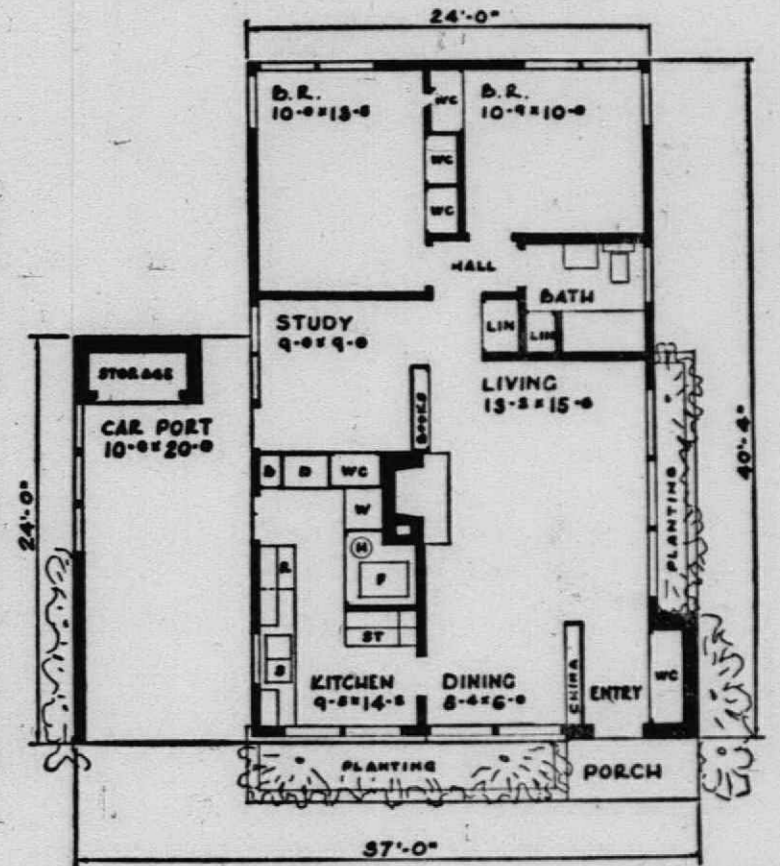

Cleanliness, health protection, long wear, economy—these are the factors to look for when considering floors for any new building.

DESIGN H-205 SQ. FT. 986 CU. FT. 10,069

FOR A NARROW LOT

Architecturally attractive, this modern ranch-type home is especially suited to a narrow lot. From the entry, one's view is momentarily cut off from the dining area adjacent to the living room by the built-in china cabinet siding the entry hall. This touch provides the necessary partition between the living and dining areas. The ceiling-high fireplace, two bedrooms and study that can be used as a guest or third bedroom, and the large L-shaped kitchen are outstanding in this design. The modern carpet features storage space and the planting boxes in front and on the side will provide necessary color. For further information about Design H-205, write the Building Editor, The Plymouth Mail.

Decorating Wallboard

The increasingly popular dry-wall construction is not at all difficult to decorate attractively. The various types of wallboard are, however, very absorbent and need to be well sealed with a good coat of primer. Before applying the primer, cover the joints between the panels with a tape that is especially designed for the purpose. Also fill all nail-head holes with a spackling material and sand them even with the surface.

Many Families Living Atop Gold Mine of Unused Space

Many a space-hungry Plymouth family is living right on top of a gold mine of wasted space, according to the National Warm Air Heating and Air Conditioning Association.

This is the space currently taken up by the old gravity-type furnace, which is still so common in older homes.

To prove what a gold mine the basement is, the Association estimates that at present building prices, the space in a 22 by 24 foot basement is worth more than \$3000.

If your house has an old-type heating system, you can reclaim the space for far less than its value by installing a new, forced warm air heating system, the Association points out.

The new furnace can be installed neatly in one corner of the basement and all the pipes can be tucked up between the joists, clearing the decks for many

decorating possibilities. One plan might be to make the basement into a stag retreat for the men in the family.

A partition could be built to separate the room from the furnace and laundry, and walls and ceilings could be paneled in any number of inexpensive wall board materials.

Then there would be room for lounging furniture, pool table, card table, and bar, as well as show cases for trophies and sporting gear.

New Wallpaper Brush

The wallpaper brushes with brush fibers made of plastic can be cleaned by a quick dipping in warm suds. The long single row of brush tufts is said to make it easy to smooth paper and glue flat against the wall. The tufts are gripped tightly in a long wooden handle.

Space formerly taken up by old furnace and coal bin is outlined in dotted lines. New furnace fits snugly against chimney and modern heat-ducts are well above head level.

Here's designer's idea of how basement could be renovated now that new heat system has been installed. Plenty of room is provided for pool table, lounge furniture, card table, and show cases for sporting equipment.

Window Shopping With SUE

You know, the trend these days seems to be "If you need more space make a new room." Then, of course, we'll scoff and say, "Easier said than done" or some other cliché. But actually, after looking at some of the suggestions offered in the magazines, you figure maybe it isn't so hard to make a lovely room out of that attic, basement or even porch.

And what makes it easier and more inexpensive today than ever before are the new products. Take Nu-Wood, a product sold locally, for instance. With Nu-Wood, for one thing, you don't

have to wait for the paint or plaster to dry because it's pre-decorated. This way you can move right into the room as soon as it's put up.

Nu-Wood plus Balsam-Wool Sealed Insulation go together to make a wonderful remodeling team. The insulation, of course, protects the rooms against excessive heat and cold—and then beauty is added to the room with the Nu-Wood panels.

And naturally you can apply it yourself, using the exclusive clip system, Adhestik, or even by nailing. The ease with which you

can cut and fit the material certainly chalks up another point in its favor when you're remodeling an unusual-shaped room.

Of course, remodeling is not the only way you can use it, but also perhaps you want to redecorate your living room, dining room, solar room or bedroom. All can be enhanced with the Nu-Wood products, whether they be for the walls or ceiling.

It is a good idea to store hardwood flooring, piled loosely, in the building for at least three days before laying.

Laying of top finish floors should be the last operation in building.

These Events Were News

50 Years Ago

Mr. Keglal has converted his building which he bought of Dee Robinson into a blacksmith shop. His son-in-law Bert Martin of Wayne is running it.

The Wilcox mill-dam which recently went out, is being thoroughly repaired and the mill will again be in full running operation in about a week.

The six o'clock car going south ran off the track on the main corners Wednesday evening. It took one and a half hours work to get it back on the rails.

Messrs. Hamilton and Allen were out this week for the first time this season with their autos. Elmer Toncray left Monday for Summer Center to take charge of a flouring mill there. He expects to move his family there soon.

Remember the necktie social at the home of Mr. and Mrs. Peter Gayde Wednesday evening, May 11. Proceeds go to the German church.

The Plymouth Ice company has made a deal with R. R. McKahan, of Northville, to take care of the latter's Plymouth customers and they will hereafter be served by the Plymouth company. Pure lake ice will be delivered and the best of service given. Leave orders at Penny's livery or phone 92R.

Treasurer Beals was ordered Monday evening to collect electric light dues, the first collection to be made since the plant was installed. Hereafter collections are to be made the first of every month.

A telephone booth has been placed in the depot for the convenience of the public.

C. G. Draper has been appointed watch inspector for the Plymouth division of the Pere Marquette.

Ray Smith, of the Junior ball team, will play with the South Lyon club this season. South Lyon business men raised \$100 to defray expenses of a ball team.

25 Years Ago

May 3, 1929

The announcement of the Mack-Craft Amphibian Corporation brings to the Detroit district and possibly to Plymouth, another airplane factory. The first plane will be ready for its flight about August 1st, according to R. U. McIntosh, president of the company.

While in New Orleans recently, E. C. Hough had the good fortune to purchase a clock of which there are probably few remaining in this country. It is a copy of an ancient Greek Clepsydra or water clock made in the year of 1700.

The Western Union has opened

an up-town telegraph office in the Chamber of Commerce room in the Hotel Mayflower block. The operator in charge is Mrs. Sheffner of Olivet, Michigan.

We want to congratulate Raymond Levandowski for his success in getting a position as junior accountant with the Union Trust company of Detroit.

Reverend Dr. F. A. Lendrum addressed the local Kiwanis club last Tuesday noon, on the national immigration problem. The doctor has made an exhaustive study of this problem, and his views on the subject provided a most interesting half hour. Kiwanian Russell Roe, introduced the speaker.

George H. Robinson is serving on the circuit court jury for the May term.

Many of our boys and girls went to Dearborn to celebrate Wayne County Achievement day. Geraldine Schmidt won first place in third grade sewing, third place in style show and third place in judging. Alice Bakewell won second place in first year sewing and Clarence Levandowski won second place in handicraft.

Thirty-five ladies attended the Thimble Party in the basement of the Lutheran church given by Mrs. Streng, Mrs. Springer and Mrs. Sage. After the business meeting, a social hour was enjoyed and a delicious lunch was served. At the close of the meeting, Mrs. Jacob Streng was presented with a gift, the occasion being her wedding anniversary.

10 Years Ago

April 28, 1944

According to a telegram received Tuesday by Mr. and Mrs. Joy Bliss of Northern avenue from the war department, it has been definitely established that their son, Milo, reported missing in action in Italy two weeks ago, was killed in action on April 2.

Miss Florence Malik has enlisted in the Woman's Army Air Force and leaves May 4 for basic training at Fort Oglethorpe, Georgia. Miss Malik was an employee of the Kelsey-Hayes Wheel company and has resided at the home of Mr. and Mrs. Warren Perkins for the past five years.

The Okie Dokes club was the guest of Mrs. Edwin Schrader in Detroit Tuesday evening for dinner. They later attended the play, "Doughgirls", at the Shubert-LaFayette theater.

Malcolm McGregor, son of Mr. and Mrs. H. R. McGregor of Melrose avenue, entered Great Lakes training school the 11th of April and is now a member of the Blue Jacket choir, which is heard every Sunday morning over a national radio hookup, the outlet in Detroit being station WJR. After his boot training he plans to take up the study of radio.

Mr. and Mrs. Ernest Burden announce the engagement of their son, Arvid to Miss Adeline H. Allison, daughter of Mr. and Mrs. A. L. Allison of Monmouth, Illinois. Miss Allison is director of physical education in the Coldwater schools. Mr. Burden is pastor of the Maple Flats Baptist church in Cleveland, New York.

For the third successive time Lois Vetal has won the school championship in the ping-pong tournament. Ladema Johnson was runner-up and Jeanne Schuler the consolation winner.

Mr. and Mrs. Austin Whipple and Mr. and Mrs. Rolfe Smith of Farmington attended the reception given Governor Harry Kelly at the Book Cadillac hotel last Wednesday evening.

Dr. and Mrs. S. N. Thams left Wednesday for Atlanta, Georgia, to attend the graduation exercises of their son, Robert, who is completing a course at Georgia Military academy.

Sergeant Russell Kirk has recently been transferred from the Dugway proving grounds at Toole, Utah, to a chemical warfare mobile unit located at Bushnell, Florida. He is now in the administrative organization of the unit to which he has been assigned.

HEALTH AND BEAUTY

Do Not Neglect Colds

Colds seems to be almost ubiquitous especially at this season of the year. They are most prevalent in winter and spring.

A neglect cold often leads to serious complications which may result in tuberculosis pneumonia, kidney disease, heart trouble, inflamed tonsils, infected sinuses, and other ailments any one of which might end fatally.

To most people the common cold is only a minor disorder that is often regarded lightly and left to cure itself. Yet it is one of the most dangerous and baffling problems that confronts scientific medicine today. We know that colds are contagious, and that they often grow to epidemic proportions.

Children are particularly susceptible to colds, as they lack the resistance of older people. The running ears, mastoid complications and other serious chronic diseases, which afflict children frequently have their inception in colds.

Taking colds is an evidence of lowered vitality. The chronically tired person whose diet is inadequate, who goes on insufficient sleep and is irregular in his habits is an inviting host for cold germs. Consequently he catches cold easily and finds it difficult to throw off.

Since we have no vaccine upon which we can place absolute reliance in the cure of colds, we should endeavor to build up resistance by proper diet and plenty of sleep. When feasible, avoid people who have colds.

Experience has taught us many valuable lessons in the treatment of colds. For example, a prominent physician told the writer that during an epidemic of colds a year ago every member of his household, including the servants, took severe colds, with the exception of two of his daughters. Both of the girls were convalescing from malaria and were still taking quinine. One of the girls was unusually susceptible to colds, but in this particular epidemic was protected by quinine.

Dr. Fishbein, whom you all know as a medical authority, says, "Quinine Sulfate has been used for years as an abortive treatment for colds." During the war a physician who served in an army hospital told me that when a soldier began to develop a cold, he was immediately ordered to bed. He was given two grains of quinine together with an intestinal antiseptic

every three hours. A laxative was administered to rid the bowels of poisons, and the kidneys were flushed by drinking plenty of water and fruit juices. This treatment usually resulted in restoring him to duty in a day or two.

Do not neglect a cold. If you begin to develop one, go to bed at once and follow the treatment outlined above. Nothing yet has been discovered that is so effective in preventing and curing a cold as quinine. We have an abundance of proof for this from many men of science who have given us the benefit of their observations and experiences.

The above treatment is just as effective with children as it is with adults. Of course, the amount of quinine to be given children is in proportion to their ages. They all take cocoa quinine with little or no persuasion.

It is foolish, almost criminal, to neglect a cold. By so doing you may develop a serious illness and also spread it throughout the community. This may result in expense, and even death.

Don't leave the cold to cure itself. Left alone there are so many dangers in this, the most common of all known ailments. There are many sufferers from chronic sinusitis, bronchitis, mastoiditis and other respiratory disorders, all on account of a neglected cold.

A good tonic to help ward off colds is quinine and iron.

Big Fire Started To Aid Animals

Conservation workers burned 1075 acres of brush and scrub timber country in Pigeon River state forest, nine miles southeast of Gaylord, last week.

The controlled burn was made to develop more habitat and cover for deer and for sharp-tailed grouse, introduced to the area in 1949 and since found taking hold.

The soil, present cover and location of the site all indicate the land may pay greater benefits by managing for game than by possible future use for timber.

Conservation crews, trained in fire work, set and controlled the fires.

The area will be studied this summer to determine effects of

the burn on developing game populations in the area. Wildlife workers add that this type of work is experimental. Eighty-nine snarptails were released in the area in the spring of 1949. Since then, their increase has been significant and game workers want to encourage the release in any way possible.

If you have overplanted and want to comply with your wheat acreage allotment, you can plow under the excess acreage for green manure, pasture it off or cut it for hay and silage.

Every dog has his day, but it seems that around Plymouth the nights are reserved for the cats.

America's lowest priced low-friction SIX!

FORD'S NEW I-BLOCK SIX IS THE MOST MODERN SIX IN THE INDUSTRY . . . THE ONLY LOW-FRICTION SIX IN ITS FIELD!

Why are more and more folks who like sixes swinging to Ford's 115-h.p. I-block Six? Because they're getting the most modern six in the industry . . . and for less money than practically any other six in America. Ford's short-stroke, low-friction design means less gas waste, less wear and longer engine life. The extra-deep, "I-shaped" block means a more rigid, quieter engine. And the new high-turbulence combustion chambers, teamed with Ford's exclusive Automatic Power Pilot, bring you even more "GO" per gallon.

ONLY FORD OFFERS BOTH A V-8 AND SIX IN THE LOW-PRICE FIELD!

Ford is still the only low-priced car to bring you V-8 power. And this year, Ford's Y-block V-8, with its new deep-block, low-friction design, is the most modern "eight" in the industry. Both new Ford engines are available with Fordomatic, "Overdrive" or Conventional Drive—the finest choice of drives in the low-price field. **at extra cost*

HERE'S WHAT FORD'S LOW-FRICTION DESIGN MEANS TO YOU

'54 Y-block V-8 piston stroke

Old type engine piston stroke

LONGER ENGINE LIFE. Both new Ford engines are of short-stroke design. This means pistons travel less distance. Naturally, there is less friction and less wear. In both engines overhead valves have a free-turning feature which allows them to rotate to cut down wear.

MORE POWER. Because there is less friction to overcome in moving pistons up and down, there is more energy available to move the car. And because combustion chambers are wedge-shaped, fuel burns more completely . . . for even more power and less gas waste.

MORE "GO" PER GALLON. In addition to this gas-saving, low-friction design, Ford engines bring you the Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. You won't find any of the modern advances on this page in any other low-priced car.

Worth more when you buy it . . . worth more when you sell it!

COME IN AND TEST DRIVE THE **'54 FORD**

★ OFFICIAL PROCEEDINGS OF THE CITY COMMISSION ★

Monday, April 5, 1954
A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, April 5, 1954 at 7:30 p.m.
PRESENT: Comms: Bauer, Fisher, Hammond, Henry, Terry, Tibbitts and Mayor Dagne.
ABSENT: None.

Moved by Comm. Bauer and supported by Comm. Hammond that the minutes of the regular meeting of March 15, 1954 be approved as read by the Clerk.
Carried unanimously.

Moved by Comm. Henry and supported by Comm. Tibbitts that petitions by interested parties for a local or public improvement having been filed with the Clerk as follows:
Junction Ave. water and sanitary sewer main between Sunset and Auburn S. Holbrook Ave. water & sanitary sewer main between Union and dead end

that the said petitions are hereby referred to the City Manager and he is directed to submit to this Commission for its consideration a report, upon said improvements, which shall include necessary plans, profiles, specifications, estimates of cost, and estimate of the life of the improvement, a description of the recommended assessment district or districts, and such other pertinent information as will permit the Commission to decide the cost, extent and the necessity of the improvement proposed, and what part or portion thereof should be paid by Special Assessment upon the property benefited and what part, if any, should be paid by the City at large. Carried unanimously.

The Clerk read a communication from the Detroit Edison Company requesting a adoption of an ordinance prohibiting erection of permanent structures on easement.

The Mayor referred the matter to the City Manager and City Attorney for study and recommendation.

The Clerk read a communication from Chief of Police Greenlee requesting that "No Parking at any time" signs along Deer Street between Ann Arbor Trail and Maple streets be made permanent.

Moved by Comm. Tibbitts and supported by Comm. Bauer that the "No Parking at any Time" signs on Deer Street be made permanent.

Carried unanimously. A communication from Warren Simpson was presented and filed.

The Clerk read a communication from Eckles Coal & Supply Co. regarding damages to one of their trunks.

Moved by Comm. Henry and supported by Comm. Hammond that payment of damages to Eckles Coal & Supply Co. be denied. Carried unanimously.

The Clerk read a communication from Mayor Jesse Ziegler of Livonia thanking the Fire Department of Plymouth for their cooperation at the opening of the new Livonia Fire Station. The Mayor requested the communication be accepted and filed.

Supervisor Norman Marquis presented the Supervisor's monthly report.

The City Manager presented a bid from Archie Shufelt for installation of a control valve at the Mill Street Booster Station.

Moved by Comm. Bauer and supported by Comm. Hammond that the bid from Archie Shufelt, in the amount of \$5375, for the Booster Station piping be accepted.

YES: Comms. Bauer, Fisher, Hammond, Henry and Mayor Dagne.
NO: Comms. Terry and Tibbitts.

The City Manager reported on the progress of negotiations for East Central Parking Lot land. The City Manager was instructed to continue until an agreement was reached.

The proposed budget for 1954-55 was presented by the City Manager.

Moved by Comm. Hammond and supported by Comm. Terry that a special meeting be held at 7:30 p.m. on April 26, 1954 for a public hearing on the proposed 1954-55 budget. Carried unanimously.

The Clerk read a proposed ordinance for Sewage Disposal Charges, by title only.

ment Rolls for the construction of street improvements in the City of Plymouth have been prepared, reviewed and confirmed:
AND WHEREAS, said rolls bear the following roll numbers, are for the following improvements, and there remains unpaid on said rolls for installments due in the year 1955 and thereafter the following amounts:

AND WHEREAS, the City Commission deems it necessary to borrow the sum of Sixty Thousand (\$60,000.00) Dollars in anticipation of the collection of the unpaid part of the installments of said rolls due in the year 1955 and thereafter;
NOW THEREFORE, BE IT RESOLVED THAT:
1. The estimated period of usefulness of said improvements is not less than fifteen (15) years.

2. Special assessment bonds be issued in the amount of \$60,000.00 in anticipation of the collection of the unpaid part due in the year 1955 and thereafter; said issue of bonds to be divided among the several special assessment districts as follows:
Special Assessment District No. 184 - \$7,968.18
Special Assessment District No. 185 - \$9,826.57
Special Assessment District No. 186 - \$2,125.85
Special Assessment District No. 187 - \$5,141.82
Special Assessment District No. 188 - \$2,575.62
Special Assessment District No. 189 - \$7,036.52
Special Assessment District No. 190 - \$4,375.26
Special Assessment District No. 191 - \$9,450.01
Special Assessment District No. 192 - \$4,228.82
Special Assessment District No. 193 - \$441.04
Special Assessment District No. 194 - \$5,860.34
Special Assessment District No. 195 - \$969.97

In addition to the special assessments as aforesaid, the full faith, credit and resources of the City of Plymouth shall be pledged for the prompt payment of the principal and interest on said bonds as the same shall become due. Said bonds shall consist of sixty (60) bonds of the denomination of \$1,000.00 each, numbered consecutively in direct order of maturity from 1 to 60, inclusive, dated May 1, 1954, and payable serially without option of prior redemption as follows:
\$11,000.00 June 1st of each year from 1955 to 1959, inclusive; \$5,000.00 June 1, 1960.

Said bonds shall bear interest at a rate or rates not exceeding three (3) per cent per annum, payable on June 1, 1955, and semi-annually thereafter on the first day of December and June of each year. Both principal and interest shall be payable at Detroit Trust Company, Detroit, Michigan.

3. Said bonds shall be signed in the name of the City by the Mayor and City Clerk and shall bear the City seal, and the interest coupons annexed thereto shall bear the facsimile signatures of the Mayor and City Clerk; said bonds when executed shall be delivered to the Treasurer and delivered by him to the purchaser thereof upon payment of the purchase price therefor in accordance with the bid therefor, when accepted.

4. There shall be established and maintained a separate fund for each of said special assessment districts to be designated "1954 Special Assessment Fund" into which shall be placed the respective district's proportion of the proceeds of sale of the bonds, except accrued interest and premium, if any. From such fund there shall be paid the cost of the improvement in the proper district. The moneys in said several funds may be kept in one bank account, but no money shall be drawn therefrom for the benefit of any district unless there is sufficient balance therefor in the fund of such district.

5. There shall be established and maintained a fund to be designated "1954 Special Assessment Paving Bond Retirement Fund." Into said fund there shall be placed the accrued interest and premium, if any, received at the time of delivery of said bonds. In addition, there shall be paid into said fund all collections of principal and interest on the Special Assessment Rolls in anticipation of the collection of which the bonds authorized by the provisions of this resolution have been issued; Provided, however, that the amount to be paid by each such district shall not exceed the amount of bonds allocated to such district and the interest thereon. If at any time said fund is insufficient to pay principal of and interest on said bonds as the same become due, the City shall advance from its general funds a sufficient amount to pay said principal and interest.

6. Said bonds and the attached coupons shall be in substantially the following form:
UNITED STATES OF AMERICA
STATE OF MICHIGAN
CITY OF PLYMOUTH
WAYNE COUNTY
SPECIAL ASSESSMENT
STREET IMPROVEMENT
BOND

KNOW ALL MEN BY THESE PRESENTS THAT THE CITY OF PLYMOUTH, County of Wayne, Michigan, acknowledges itself to owe and for value received hereby promises to pay to bearer the sum of ONE THOUSAND DOLLARS lawful money of the United States of America, on the first day of June, A. D. 19... with interest thereon from the date hereof until paid at the rate of ... per cent per annum, payable on June 1, 1955, and semi-annually thereafter on the first day of December and June of each year, on presentation and surrender of the annexed interest coupons as they severally become due. Both principal and interest on this bond are payable at DETROIT TRUST COMPANY, Detroit, Michigan, the full faith and credit of the City of Plymouth are hereby irrevocably pledged.

This bond is one of a series of 60 bonds of even date and like tenor except as to date of maturity... aggregating the principal sum of \$60,000.00 issued in anticipation of the collection of the deferred installments of special assessments in Special Assessment Districts No. 184 to 195, inclusive, for the purpose of acquiring street improvements in said Districts and is issued in accordance with a resolution of the City Commission of the City of Plymouth duly adopted on April 5, 1954.

This bond is payable out of the unpaid part of the installments of special assessments due in the year 1955 and thereafter, to be collected on Special Assessment Rolls numbered 184 to 195, inclusive; Provided, however, that the liability of each Special Assessment District shall be limited to payment of the following amounts and interest thereon: District No. 184 - \$7,968.18; District No. 185 - \$9,826.57; District No. 186 - \$2,125.85; District No. 187 - \$5,141.82; District No. 188 - \$2,575.62; District No. 189 - \$7,036.52; District No. 190 - \$4,375.26; District No. 191 - \$9,450.01; District No. 192 - \$4,228.82; District No. 193 - \$441.04; District No. 194 - \$5,860.34; District No. 195 - \$969.97; or in the case of the insufficiency of said special assessments, out of the general funds of the City of Plymouth, and it is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one have been done, exist and have happened in regular and due time and form as required by law, and that the total indebtedness of said City, including this bond, does not exceed any statutory or charter debt limitation.

IN WITNESS WHEREOF, the City of Plymouth, County of Wayne, Michigan, by its Mayor and City Clerk and the City Seal, has caused this bond to be executed with the facsimile signatures of its Mayor and City Clerk, all as of the first day of May, A. D. 1954.

CITY OF PLYMOUTH,
County of Wayne, Michigan
By Mayor
Seal
Countersigned:
City Clerk
(Form of Coupon)

On the first day of A. D. 19... the CITY OF PLYMOUTH, County of Wayne, Michigan, will pay to bearer hereof the sum of Dollars, lawful money of the United States of America, at Detroit Trust Company, Detroit, Michigan, being the semi-annual interest due that date on its Special Assessment Street Improvement Bond dated May 1, 1954, No.

7. The City Clerk shall make application to the Municipal Finance Commission for an order order granting permission for the issuance of said bonds and approval of the form of Notice of Sale, and upon receipt of such approval, the City Clerk shall cause Notice of Sale of said bonds to be published in the Michigan Investor of Detroit, Michigan, and the Plymouth Mail, Plymouth, Michigan, a legal newspaper circulated in the City of Plymouth, at least seven (7) full days before the date fixed for sale of the bonds.

8. The Notice of Sale shall be

in substantially the following form:
NOTICE OF SALE
\$60,000.00
CITY OF PLYMOUTH, COUNTY OF WAYNE, MICHIGAN
SPECIAL ASSESSMENT
STREET IMPROVEMENT
BONDS

Sealed Bids for the purchase of Special Assessment Street Improvement Bonds of the par value of \$60,000.00 will be received by the undersigned at his office in the City of Plymouth, Wayne County, Michigan, until 8:00 o'clock p.m., Eastern Standard Time, on the day of 1954, at which time and place said bids will be publicly opened and read.

Said Special Assessment Street Improvement Bonds will be coupon bonds of the denomination of \$1,000.00 each, numbered consecutively in direct order of maturity from 1 to 60, inclusive, will be dated May 1, 1954, and will mature serially without option of prior redemption as follows:
\$11,000.00 June 1st of each year from 1955 to 1959, inclusive; \$5,000.00 June 1, 1960.

Interest on said bonds will be payable on June 1, 1955, and semi-annually thereafter on December 1st and June 1st of each year.

Said bonds will bear interest from their date at a rate or rates not exceeding three (3%) per cent per annum, expressed in multiples of 1/4 of 1%. The interest rate for each coupon period on any one bond shall be at one rate only. Both principal and interest will be payable at Detroit Trust Company, Detroit, Michigan. Accrued interest to the date of delivery of such bonds must be paid by the purchaser at the time of delivery.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from (Here insert the first day of the month next following the date of opening bids or the date of the bonds, whichever is later, to their maturity, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City. No proposal for the purchase of less than all of the bonds herein offered or at a price less than their par value will be considered.

Said bonds are issued in anticipation of the collection of special assessments on Special Assessment Rolls No. 184 to 195, inclusive. The liability of each of the Special Assessment Districts shall be limited to payment of the following principal amount of bonds and interest: District No. 184-\$7,968.18; District No. 185-\$9,826.57; District No. 186-\$2,125.85; District No. 187-\$5,141.82; District No. 188-\$2,575.62; District No. 189-\$7,036.52; District No. 190-\$4,375.26; District No. 191-\$9,450.01; District No. 192-\$4,228.82; District No. 193-\$441.04; District No. 194-\$5,860.34; District No. 195-\$969.97. In addition to the foregoing, said bonds pledge the full faith and credit of the City of Plymouth for their payment.

A certified or cashier's check in the amount of \$1,200.00 drawn upon an incorporated bank or trust company, payable to the order of the Treasurer of the City of Plymouth, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, at

torneys of Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof. The purchaser shall furnish bonds ready for execution at its expense. Bonds will be delivered at such place as may be agreed upon with the purchaser.

The right is reserved to reject any and all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

City Clerk
9. All resolutions and parts of resolutions insofar as the same conflict with the provision of this resolution be and they hereby are rescinded.

Carried unanimously. Moved by Comm. Bauer and supported by Comm. Henry that the City Manager be authorized to transfer \$4500 from unappropriated reserve account to sewer maintenance account for the purpose of a sewer cleaning program.

Carried unanimously. City Manager reported relative to the final payment due on the Gerald Taft well field improvement contract. The matter was referred to the City Manager and City Attorney for disposition.

The Clerk read a communication from the Consumers Power Co. requesting permission to install new gas lines on Penniman Avenue from Ann Arbor Trail to the post office, and on Main Street from Fralick to Penniman Avenue.

Moved by Comm. Bauer and supported by Comm. Tibbitts that the Consumers Power Company be allowed to install gas mains on the above mentioned streets as outlined in their letter with backfill to be specified by the City Manager.

Carried unanimously. Moved by Comm. Henry and supported by Comm. Terry that the meeting be adjourned.

Carried unanimously. Time of adjournment was 9:37 p.m.

Mayor
Clerk

Erupting Volcanoes
Two new volcanoes appeared in recent months. One of these, El Boqueron, broke out on San Benedicto Island, 250 miles off the tip of Lower California. Within a few weeks it attained a height of 1,250 feet, with a crater a half mile wide and 300 feet deep. The other volcano Didiac, rose 250 feet above sea level to form a 600-acre island off the north coast of Luzon, Philippine Islands.

A THOUGHT FOR THIS WEEK: Who says he does not err, errs in conceit.—John Norden.

State Hunters Bag 1,175,000 Birds in 1953

The conservation department's post card poll of pheasant hunters indicates about 1,175,000 birds were bagged during the 1953 season.

About 664,000 persons purchased small game hunting licenses, and of this group, those who hunted pheasants bagged an average of 2.3 birds per hunter.

The poll was sent to 3,000 small game license buyers, chosen at random from conservation department records.

Staff members of the University of Michigan Survey Research Center were consulted on the poll and the statistical method met with their approval.

To date, 84 per cent of this sample have answered the brief questionnaires. The few remaining returns are not expected to change the final figures by very much.

An interesting comparison was noted between the post card poll and the annual voluntary hunter report cards.

Game men have long thought voluntary reports were somewhat inflated, and that the statistically-designed post card poll would be lower and probably closer to the actual figure.

This year, the post card poll showed 1,175,000 birds were bagged; the voluntary report system showed only 1,063,000 were taken.

The poll information also provides data on distribution of hunting effort and kill, invaluable in technical wildlife work, game men note.

OUTDOOR NOTES

From The MICHIGAN DEPARTMENT OF CONSERVATION

The trout and general game fishing season opened throughout the state on April 24—except on nine lakes, where anglers should be careful not to violate special regulations.

Bass season, statewide, does not open until June 19.

The nine lakes are being used to test present regulations on bass and pike.

On Fife Lake in Grand Traverse and Kalkaska counties, Minnewaouk Lake in St. Joseph county and Sugarloaf Lake in Washtenaw county, anglers may not take any bass under 16 inches in length or any northern pike under 24 inches. The usual season opening dates and creel limits apply on these lakes.

On Bear Lake in Manistee county, Pontiac Lake in Oakland county and Whitmore Lake in Washtenaw and Livingston counties, the game fish season is open throughout the year, but the usual statewide size and daily creel limits remain in force.

On Fine Lake in Barry county, Duck Lake in Calhoun county and Big Portage Lake in Jackson county, anglers may take pike or bass of any size; however, the usual creel and season limits are in force.

State fisheries specialists are checking the present bass and pike regulations as they did panfish regulations a number of years ago to see if angling rules can be liberalized or whether they should be tightened to protect the species.

Because of the earlier studies, anglers may take panfish in state waters almost without restriction. The studies indicated such fishing would not harm parent stocks and regulations were relaxed accordingly.

Nearly 650 acres of state forests and grasslands were burned last week in 111 fires, conservation department fire fighters report.

The weekly total more than doubled the yearly damage loss; to date, 1217 acres have been swept by fire.

Nine upper peninsula lakes and 42 lower peninsula lakes were mapped during winter operations of the conservation department, fisheries workers report.

Most work was done in St. Joseph and Livingston counties where nine lakes each were mapped. Seven were mapped in Jackson county, four in Kalamazoo county and two each in Houghton and Oakland counties.

Together, the lakes total about 5000 acres of water, including

750-acre Indian Lake in Kalamazoo county, 680-acre Rice Lake in Houghton county and 630-acre Vermilac Lake in Baraga county.

Five crews, located in various parts of the state, did the work. However, unfavorable ice conditions in the southern lower peninsula forced suspension of operations earlier than planned; in the northern area, budget cutbacks halted work short of projected goals.

To date, about 2200 lakes in the state have been mapped; maps are available at cost from the institute for fisheries research at Ann Arbor. Lakes mapped during the winter will not be available, however, for some time because of reproduction problems.

Water that trickles into underground iron mines to wet the ore and sloss at the feet of mine workmen raises the cost of iron production and the ultimate cost of steel products to the consumer.

About nine years ago state and federal geologists began a study in the upper peninsula to see if the problem could be licked in some way. Copies of the first report of findings from the Marquette mining district are now on file at Ishpeming, Iron River and Lansing offices of the state conservation department.

The highly technical report points out the difficulty of working against the movement of underground water supplies, but adds that some corrective measures may be possible.

Water, in its underground movement, flows down "valleys" formed by hard rock cradling silt, sand, gravel and other porous materials. The water flows through the porous material along the rock valley and into ore deposits.

If these valleys can be blocked or if wells can be drilled to pump off underground water in the vicinity of the mines, the report says, then the problem may be lessened somewhat.

would apparently as soon see winter continue awhile longer.

Lumber operators in an upper peninsula woodlot cut down a giant white pine last week and after the tree hit ground, a bear scurried out of the top, walked across a creek, went 150 yards into the woods and went back to sleep.

Bears generally hibernate underground, biologists say, but this bruin's den was more than 50 feet up in a hollow of the tree.

Grand Rapids has ample supplies available for its use, a recent state and federal geological study indicates.

The west Michigan city used water at an average rate to 50 million gallons per day during 1951, the study shows.

This water was taken from three sources: 29 million gallons came through pipelines from Lake Michigan, one million was taken from the Grand River and its tributaries and the remaining 20 million gallons came through wells from ground water sources.

Each of the first two sources and possibly the third is capable of supplying all present needs of the area, the report notes. The study is one of a series being made on selected industrial areas in the country. The information is valuable in national defense work and will be used for the orderly planning of city and industrial expansion.

It notes that water from Lake Michigan is of good quality, but costly to transport.

Grand River water is ample in supply, but needs considerable treatment before it can be used.

Ground water underlying the Grand Rapids area is "extremely hard and moderately to higher mineralized," and is "generally of inferior quality."

Data in the report have been collected over a period of many years through cooperation of city, state and federal agencies.

Is the Local Delivered Price of the 1954 Buick SPECIAL.
2-door, 6-passenger Sedan, Model 48D (illustrated).
*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

the weather (WISE) man...

... chooses a DEVONAIRE, one of the new Tempawate suits by Hart Schaffner & Marx, for a new high in clothing comfort this Spring. Lighter than winter weight, not-so-light as a tropical... specially midweight for mild 50°-75° temperatures, spring or fall. Right for air conditioned summer living, overheated winter quarters, too. Devonaire is the new "comfort weight" for in-between temperatures anywhere. Specially handsome in the new Trend model.

\$69.50 and up

10 Reasons why-BUICK is the big Success

More than five dozen new features are to be found in Buick for '54—but we give you here just a few of the reasons for the soaring success of these gorgeous new glamour cars.

P. S. During April, 1,500,000 Americans will join the Thrill Of The Month Club— just by taking the wheel of a 1954 Buick and discovering the new thrills in power and ride and handling ease to be had in this tomorrow-styled automobile. We cordially invite you to join them, by guest-driving a 1954 Buick. It's a thrilling new experience. Why not drop in this week?
