

Higher Budget May Hike City Taxes 8 1/2%

Because expenditures in the proposed 1956-57 budget exceed income by about \$20,000, city commissioners expect to adopt the state equalized valuation which will increase taxes about 8 1/2 per cent during the coming fiscal year.

Commissioners held special meetings on Wednesday of last week and last Monday to go over the budget page by page, but they failed to pare the record-high budget within reach of the income.

As a result, they are expected to take the advice of City Manager Albert Glassford and adopt the state equalized valuation.

But before they give final approval to the budget, a public hearing will be held on Monday, April 23 at 7:30 p.m. Taxpayers will be able to offer suggestions or objections to the proposed budget which is on file at the city manager's office. The new budget is about \$30,000 higher than the current one.

City Manager Glassford points out that the city will have an increased valuation of about \$1,000,000 next year, but this will not be enough to bring in an additional \$30,000.

As an alternative, the city commission is eyeing the state equalized valuation which has been adopted by many school districts and some communities in the state. School districts use the state bases wherever they cover more than one political district, such as the Plymouth Community School district which reaches into several townships and the city.

Plymouth's present tax rate is 15.4 mills. The 8 1/2 per cent increase would add another 1.35 mills.

"It is either a question of adopting the state equalized valuation or cut down on the services such as police protection and street sweeping," the city manager said.

The budget increase is due mainly to salary increases of \$12,000, \$18,000 needed for the city's share of proposed street improvements, \$10,000 for the city's sewer share, an increased welfare charge of \$6,000, a new patrolman and first payment on the Main street improvement bonds of \$6,800. By cutting expenses in other funds, the increase is about \$30,000.

Police and firemen will receive salary increases averaging about \$300 a year. The city manager said that a patrolman's wages will be equal to that received in Detroit, although local police will be working about four hours a week longer.

SCHOOL AND GOVERNMENTAL officials watched as James Gallimore took the first shovel of ground Monday afternoon for the school being named in his honor. From left are school board members Harold Fischer, Mrs. Esther Hulsing and Carl Caplin; Earl Gibson, principal of the proposed school; Mayor Russell Daane;

Louis Stein and Roy Lindsay, supervisors of Canton and Plymouth townships, respectively; James Gallimore; Byron Becker of Wheeler & Becker, Architects; and Andrew Smith, president of Smith & Young, the school's contractors.

1000 Hear Symphony Conclude Season Sunday

An estimated 1000 persons attended the final local Plymouth Symphony concert of the 1955-56 season, presented last Sunday afternoon in the Plymouth high school gymnasium. The three-part program concluded the Symphony organization's tenth and most successful year here.

However, the 90-piece orchestra, conducted by Wayne Dunlap, will hold one more concert in Farmington on Sunday, April 22, thus winding up the current stand having played a total of nine concerts including six here, two in Redford and the finale in Farmington.

Conductor Dunlap accentuated the fact that this year was by far the most productive in the relatively short ten-year history of the society. Easily shattered were previous attendance records as guests crowded to hear the Symphony during its tenth anniversary year. Included in the attendance mark were the 1500 persons present at the "Hansel

and Gretel" performance and the orchestra entertained a jammed standing-room-only high school gymnasium audience.

In addition to the new tops in attendance, the number of people who took part in the concert series also was the highest total since the society was organized in 1945. Conductor Dunlap estimated that 240 people participated, among which were many guest soloists, the civic chorus and numerous young people.

The concert Sunday consisted of three portions. First on the program was the ballet music from "Cephalo et Procris" by Gretry-Mottl, followed by the Concerto for Flute and Harp in C Major by Mozart, at which time guest soloists Merrylin Martin, harpist, and Nelson Hauenstein, flutist, were featured. The conclusion was La Mer (The Sea) by Debussy.

The annual meeting of the Symphony society will be held Monday, May 14.

Marks Start of New School at Ceremony

James Gallimore, president and former member of the local board of education for a dozen years, took the first shovel of ground Monday afternoon for the new elementary school named in his honor.

The brief ceremony on the Sheldon road site was attended by members of the board of education, officials of Plymouth and Canton townships, Plymouth city, the contractor, architect and several school principals.

Using the same gold-gilt spade which broke ground for the Bird, Smith and Allen schools, Gallimore's spade was followed by another taken by Board President Carl Caplin.

"How far down should I go?" asked Gallimore, who at 71 still maintains his renowned sense of humor. Looking into his first shovel of the black, wet ground, he remarked, "Even some fishworms."

The Reverend Melbourne I. Johnson, pastor of First Methodist church, opened the ceremony with a prayer and words of praise

Clears Land for New 52 Home Subdivision

Board Seeks Bids On Junior High; Plans Approved

Final plans for the proposed \$1,500,000 junior high building were approved at a meeting of the board of education Monday night and bids for construction are now being advertised.

Eberle M. Smith Associates, Inc., architects for the building, have already won a citation from the Progressive Architecture magazine with their preliminary plans of the building. It will be constructed in the southeast corner of the city.

Bids will be opened on Wednesday, May 9. The winning contractor is expected to start construction immediately and a completion date of 18 months has been set. This will allow the school to be used in September 1957.

The school will accommodate 1,000 students, grades seven through nine. Rooms are grouped in pairs with courts, between which share common storage and other non-teaching facilities. Students will leave their home rooms after the first third of the day to exchange with the neighboring room. The last third of the day will be spent in specialized areas such as homemaking, shops, music or gym. These "noisy" activities are grouped in a wing by themselves.

In other business before the school board, the resignation of Harry S. Fountain, commercial instructor, was read. He has been in the Plymouth system since 1937. He started his teaching in Drummond, Michigan in 1926-27; went to Rober in 1928-29 and to St. Charles from 1929 to 1937. He will retire at the end of the school year.

Grass Fire Burns Off 50 Acres Behind Plants

Plymouth township firemen were given a tough battle by a grass fire Tuesday afternoon when over 50 acres of field behind several Plymouth road industries were burned off.

Firemen received the alarm at 4:10 p.m. when the fire started behind Evans Products company. A strong wind carried it westward across a railroad spur into Barnes-Gibson-Raymond and it reached the field behind Whitman & Barnes. No property was damaged.

Citizens are again being reminded in both the city and township that permits must be secured from the fire departments to burn off fields or rubbish piles, other than what is burned in an incinerator.

City foremen were called out Friday afternoon to extinguish a grass blaze behind Smith elementary school.

Hough Woods Being Readied For Large Building Sites

Trees are being felled by the hundreds this week in Hough Woods — the city's last wooded area — to make way for a 52-home subdivision being developed by the Hough Park Homesites corporation.

Construction of the first homes is expected to start this year in Hough Park No. 2, an area of dense woods located across Sheldon road from Plymouth Colony. Crews have been in the woods for the past two weeks cutting trees to make way for roads which will wind through the development.

The 25-acre plot will contain 52 large building lots with high restrictions. Minimum cost of a home which can be constructed in the subdivision is \$29,000.

City planning commissioners have given tentative approval to the subdivision plat and final approval is expected shortly.

The proposed subdivision is bounded on the north by Elm street (and Hough Park No. 1), on the east by the rear of lots facing Herald street, on the south by the proposed Park Lane subdivision and on the west by Sheldon road.

There will be seven lots along Sheldon road, but the homes will face east on the proposed Evergreen avenue. Another north-south street will be a continuation of McKinley avenue. Two streets with new names will be in the subdivision. They are Woodland Place and Linden avenue, both east-west streets.

Streets will be of bituminous pavement and will be 60 feet wide. All of the other types of improvements are also being provided such as curb, gutter, sidewalk, water and sewer.

Unlike most present-day subdivisions which are being developed by contractors, lots in Hough Park No. 2 will be sold separately and to individuals only. All plans must be approved by the corporation to meet subdivision requirements.

The Hough Park Homesites corporation was incorporated in May 1949. Its officers are Edward C. Hough, president; Cass Hough, vice-president; Russell M. Daane, secretary-treasurer; and Robert Wesley, director.

Lots will range in width from 100 to 140 feet and in depth from 135 to 165 feet. One lot is expected to be set aside for playground use.

Hough Park No. 2 is the second large subdivision plan to be announced within the past month. Park Lane subdivision, located south of Hough Woods, will have 75 homes and is being developed by an Oak Park firm.

The sudden surge of home developments in the city is due to the sanitary sewer planned for the southern sections of the city. It is in this segment of the city where the last few large building sites remain.

A spokesman for the Hough Park Homesites corporation stated that another reason for the opening of Hough Park No. 2 is because all building lots are now taken in Hough Park No. 1. That subdivision was opened in 1926.

Trailer Park Hearing Ended

Attorneys presented their cases Tuesday before the State Supreme Court concerning the legality of denying a building permit for a trailer park planned for the western side of Plymouth township.

A circuit court decision ordering the township to issue the permit to Clyde Smith, local auto dealer, was appealed to the Supreme Court. Judges will decide the case on arguments and briefs submitted by attorneys Tuesday. It is not known when the decision will be made.

Smith has plans to build a 102-unit trailer park along Ridge road and was denied his permit in the fall of 1954. The issue has been pending in court since that time. The township based its denial of a building permit on zoning laws.

Two Announce Candidacy For School Board Vacancies

The two members of the Plymouth Community School system's board of education whose terms will expire this summer have both announced that they will seek re-election in the June 11 election.

Petitions are now available at the superintendent's office for those planning to enter the 1956 school board race.

Expiring on July 1 are the terms of Carl Caplin and Horton Booth. Both are serving their first terms and have announced that they will again be candidates for re-election. Caplin is now president of the board and Booth is vice-president. They were elected in 1953 when there were 10 candidates for two vacancies.

Nominating petitions must be filed at the superintendent's office by 4 p.m. on Saturday, May 12. The petitions must be signed

by a minimum of 50 registered school electors and an elector cannot sign more petitions than there are vacancies.

To be eligible for candidacy, the person must live in the school district and must own property in his or her own right which appears on the assessment roll. Where property is owned jointly but the name of only one appears on the assessment roll, both shall be eligible for candidacy.

Terms of office are three years. There are five members on the board of education. Two vacancies occur two years in a row while one vacancy occurs every third year. Last year, Harold Fischer was elected to fill the single vacancy. In 1954, Mrs. Esther Hulsing and Warren Smith gained office.

Train Crewmen Issued Tickets

Another Chesapeake & Ohio freight train crew has been issued tickets for blocking railroad crossings in the city late Sunday night. They are scheduled to appear in court this week.

Five railroad men were given tickets for blocking traffic for 50 minutes on the night of December 17, 1955. After city officials had conferred with railroad officials, a promise was made to "bend over backwards" to prevent a recurrence of the traffic tie-ups. The tickets were dismissed.

Since then, more trains have stalled within the city limits, and in most cases, police have been notified by the railroad of the cause and when repairs could be made.

Two patrolmen came across last Sunday night's tie-up on Starkweather avenue at 11:55 p.m. After waiting a few minutes, a motorist told them he had been waiting 15 minutes. Police talked with several crew members who didn't know why the train had stopped, but at the yard office they learned that there was a broken coupler knuckle. The engineer said, however, that there were too many cars and the train had "stalled out."

As a result of the tie-up, tickets for blocking traffic were issued Julius Urban of Saginaw, engineer; Jack Ryanning, Grand Rapids, fireman; Francis Gerke, Grand Rapids, head brakeman; Ronald Owens, Grand Rapids, brakeman; and Roger Miller, Grand Rapids, conductor.

Merchants Hear Parking Report

The problem of off-street parking was dropped in the laps of the merchants last Thursday morning at a meeting of the retail merchants committee of the Chamber of Commerce at the Mayflower hotel.

Reporting the findings of several week's work as a member of the Chamber's parking committee, Frank Lodge concluded that "everything has been done that should fall to the responsibility of the city" to provide off-street parking. "From here on out, it is a case of the development and survival by the merchants themselves," Lodge stated.

In his report Lodge said there are 555 parking spaces available for customers after spaces have been taken by merchants and clerks. He added that a minimum of 200 spaces are needed immediately to meet peak shopping loads. Lodge recommended a plan similar to that of shopping centers where part of the rent is earmarked for parking. He called for a plan of taxation of merchants, revenue from which would be used to provide parking.

The merchants' committee, headed by James Taylor, received the report enthusiastically and voted to have copies sent to every retailer in Plymouth. Lodge's report also included two maps, one outlining the trend of development in the downtown business district and the second showing the locations of parcels of land which could be developed to provide 250 new parking spaces.

DOWN COME more trees to make way for a 52-home subdivision in Hough Woods. Watching Solman Owens of the Austin Tree Expert company with his power saw are Russell Daane (left), secretary-treasurer of the Hough Park Homesites corporation; Sidney Strong, chairman of the city planning commission; and E. C. Hough, president of the corporation.

STERLING EATON, Publisher

**Historical Society to Hear Paper On "Salem Wreck"**

Miss Laverne Sly of Wayne, former Plymouth resident, will recall for members of the Plymouth Historical society and visitors a tragic disaster which occurred in this area some 40 years ago, at the society's meeting and open house tonight, April 12, at 7:45 in the Veterans Memorial Center.

The speaker has written a paper on the "Salem Wreck," a railroad, holiday disaster still vivid in memory of many residents of this area.

Host and hostess for refreshments at the open house will be Mr. and Mrs. Kenneth Wilske who will be assisted by Molly Groth.

**MOST RESIDENTS** may not be aware that Plymouth has a 4-H club right in the city, popularly known as the "Lutheran group" for its members' affiliation although it is not sponsored by the local church. Above the club readies its knitting project for display on 4-H Achievement Day to be held this Friday at the CIO-UAW hall on Michigan avenue. Shown with Co-leaders Mrs. Erna Losse, left of sign for display booth, and Mrs. Hilda Wagenschutz (second from right), whose Williams street home is the club meeting-place, are members from left: Sharon Heidt, Sharon Rohde, Mary Kuisel, Jeri Taylor, Jean Wagenschutz, Irene Wick and Carole Kalmbach. Absent from photo is Joan Ferch, also a club member.

Mr. and Mrs. Frederick D. Mikton

**Betty Gregory Becomes Bride At Presbyterian Ceremony**

Betty Jean Gregory, daughter of Mr. and Mrs. Eldon Gregory of 291 Sunset, Plymouth, became the bride of Frederick D. Mikton, son of Mr. and Mrs. John J. Mikton of 6320 Winona, Allen Park, at a ceremony held Saturday afternoon, April 7, at 4 o'clock in the First Presbyterian church of Plymouth.

The bride wore a ballerina-length gown of white crystalet with velvet dots, lined in pink with sash of the same shade about the waist. Her hat and shoes were of pink and she carried white carnations arranged in a cross. She was given in marriage by her father, repeating her vows before an altar graced with flowers, candelabra and palms. The Reverend Thomas Keefe read the nuptial service.

Mrs. Richard Garchow, matron

of honor, was gowned in a ballerina-length dress of aqua crystalet with hat of matching shade. She carried pink carnations in cross arrangement similar to the bridal bouquet.

Mrs. Gregory chose a blue dress and the bridegroom's mother, a pink dress, for the wedding ceremony. Both wore white hats, accessories of black and white carnation corsages.

Fred E. Wheaton was best man for the ceremony. Guests were seated by John Gregory and Richard Garchow.

A reception for 100 guests followed at the Veterans Memorial center. From out of town were those from Dearborn, Allen Park, Detroit, Leonard, Northville, St. Claire and St. Claire Shores.

For going-away, the bride wore a light blue suit with pink accessories. A short trip to Ohio was planned for the honeymoon. The couple will leave in three weeks for Paxton, Illinois where the bridegroom is serving with the U. S. Air Force at Chanute Air base.

The bride graduated from Plymouth high school in 1955 and attended Cleary college. She is presently employed at Evans Products company. The bridegroom is a graduate of Denby high school in Detroit.

Mrs. George Keeping of Hartstough avenue returned Monday from a months visit in Florida. She spent some time with a cousin, Mrs. David Melin and daughter, Mrs. Herbert Stafford in Ocala; also friends and relatives in Eustis, Brandenton, St. Petersburg and Wildwood. Mrs. Keeping had not seen Mrs. Melin for over 44 years.

**Woman's Club Installs New Slate of Officers**

Mrs. David Wood took over duties as president of the Women's club last Friday at an installation meeting held at the VFW Hall. In a ceremony conducted by Mrs. Kenneth Hulsing eight other officers also assumed their new duties.

Installed with Mrs. Wood were: Mrs. Austin Pino, first vice president; Mrs. William Clarke, second vice president; Mrs. Cass Kershaw, recording secretary;

Mrs. Leiter Rice, corresponding secretary; Mrs. Guy Higley, treasurer; and Mrs. Leslie Daniel and Mrs. Jack Taylor, directors.

A special honorary membership was awarded Mrs. Otto Beyer, a 34-year member of the organization. Mrs. Beyer has been active in helping lonely patients at Wayne County General hospital.

In other business the club allocated benefit money to eight organizations. It was announced that Mrs. Wood and board members would attend the State Federation convention April 17, 18 and 19 at Sturgis. Miss Edna Allen and Mrs. Walter Nichol brought the club's history up to date from 1893. A copy was sent to the General Federation and to the Dunning Library.

Doranne Wilton

**Miss Wilton's Troth Announced at Party**

Mr. and Mrs. Newell Wilton of 146 North Union announced the engagement of their daughter, Doranne, to Willis Robert Blossom, son of Mr. and Mrs. John M. Blossom of 49000 North Territorial road, Saturday night at a party attended by relatives and close friends.

Both were graduated from Plymouth high school and are now attending Michigan State university, from which they will graduate in June 1957.

No wedding date has been set.

### Pythians to Observe Fiftieth Anniversary

Fifty years of the Pythian Order in Plymouth will be observed this Saturday evening at the Plymouth high school. The charter for the local lodge was issued on April 24, 1906.

Grand Chancellor Walter F. Gries of Ishpeming will be the principle speaker of the evening. Russell Bingley will act as master of ceremonies.

Will E. Hampton, who as a member of City Lodge number 167 of Ypsilanti assisted at the charter ceremonies here 50 years ago, will attend the anniversary event. He is now a resident of Dearborn.

Chancellor Commander Ernest W. Rossow will welcome visiting Pythians. Grand Lodge officers present will be: Grand Vice Chancellor Harry H. Pattison of Pontiac; Grand Secretary Charles Address of Ypsilanti; Grand Treasurer Sidney Smith of Marshall; Grand Prelate Andrew Jackson of Ann Arbor; Grand Master at Arms Carl Johnson of Scotts; Grand Inner Guard William Rice of Flint and Grand Outer Guard Ralph Wilson of Hillsdale. Entertainment will be furnished by the Welsh Singers of Detroit.

Mr. and Mrs. Edward J. Martin and children, Gary and Stephen have returned to their home on Five Mile road after visiting for two weeks in Florida. They spent some time with Sergeant and Mrs. William J. Bair in Eau Gallie, relatives of Mrs. Martin. They also visited Silver Springs and did some deep sea fishing.

### 90% Do Majority Of Shopping Here

Nearly 90 per cent of the Plymouth area residents do the majority of their shopping in Plymouth, according to a random telephone survey sponsored here by the Chamber of Commerce.

A local telephone service conducted the survey for the Chamber by calling 520 homes. Of this number 464 said that they do the major share of their shopping here, 23 said that they do not do the major share of shopping, while 33 stated that they do "some."

Most of those who do only a small part of their buying in Plymouth claim it was because of the lack of parking space or congestion.

Of those who shop regularly here, the question was asked: "Do you generally shop Friday night?" There were 342 answering no; 116 answering yes and the remainder had no opinion.

"Do you favor a second night for shopping in Plymouth?" they were also asked. Yes, 184; no, 78; the rest were uncommitted.

"If yes, would you prefer Monday or Thursday?" Monday, 79; Thursday, 118; Saturday, 4.

When asked if they would prefer the second night of opening to be Monday or Thursday, the majority answered Thursday.

The Chamber of Commerce had the poll conducted in order to find out how shoppers felt about night time shopping. Monday night store hours were started last fall and the number of stores observing the hours has now dwindled to only a few.

Mr. and Mrs. William W. Wasson of Birmingham, announce the engagement of their daughter, Janet Claire, to Donald McKay Sutherland, son of Mr. and Mrs. Donald H. Sutherland of Plymouth. Miss Wasson will be graduated from Michigan State university in June. She is affiliated with Delta Gamma. The bridegroom-elect was graduated from Michigan State university and is a member of Sigma Chi fraternity and an associate member of the American Society of Landscape Architects. A September wedding is planned.

### Grange Cleanings

There was a splendid attendance at the Grange meeting last Thursday evening. A good supper and a good meeting.

We were very happily surprised to have two lovely "Hawaiian" girls come in, dressed in gorgeous dresses and wearing red hibiscus flowers in their hair. They danced two hula dances for us. They were charming and their dance was very gracefully done. Charlie Rienas decorated the girls with real Hawaiian leis. He was wearing a gay shirt from Hawaii.

After that Mrs. Wilson showed the slides of their trip to Hawaii. The pictures were beautiful and everyone enjoyed them so the Hawaiian evening was a complete success. The names of the young ladies who danced were Loretta Wilson and Milly Rienas, just in case you might like to know.

Next Monday night will be Lily club at the hall at eight o'clock with Mr. and Mrs. Grammel and Mr. and Mrs. Gardner as the hosts. Five hundred and Pedro will be the games played. So bring a friend or two and come, you will have a good time. Bring your own table service and cake, sandwiches or jello. Lunch is served after the games are over.

Remember next meeting, April 19, the apron social, bring your sandwiches, you women folks. The women are supposed to make an apron to be auctioned, it doesn't matter whether it is a big apron or a little apron but of course a big apron sells for more money.

We hope to see a lot of men out that night. We will need a lot of help from every member if we are to make a success of the community project we now have under way.

### Organize Art Group Here

With an art class headed by Nathan Shaw as nucleus, a group of Plymouth-area artists have organized a club for persons interested in the arts.

This association has been named the Arts and Critique guild and will meet the first Monday of every month from 8 to 10:30 p.m. at the Adams junior high school, Palmer road, near Venoy, in Wayne. The guild extends a cordial invitation to all prospective members to meet this evening, April 12, in Wayne Memorial high school annex at 7.

Further information may be obtained from Guild President Mrs. Jeanne Irwin at Parkway 1-1835. Other officers are Wayne residents Carl Dodson, vice president; Mrs. Dorothy Smith, treasurer; and Mrs. Gertrude Kittle, recording secretary; Mrs. Carmen Shaw, of Garden City, corresponding secretary; and Mrs. Jeanette Ramy of Wayne, publicity director.

Officers will be present to answer all inquiries during the exhibit at Wayne Memorial high school on Thursday, April 26, from 7 to 10 p.m. The exhibit is sponsored by the Adult Education program of the Wayne school system.

### Lawrence Mack Wins Bell Award

Lawrence R. Mack, 14265 Northville Road, graduate engineering student at the University of Michigan, is one of 15 outstanding college students named this week to receive the 1956 Bell Telephone Laboratories Graduate Fellowships.

He is the only Michigan resident so honored.

The fellowships were established to encourage study and research in engineering and science related to communications technology. All the recipients of the awards are working for their doctor's degrees.

Mack, 22, graduated from Plymouth high school in 1950 and received his B. S. degrees in engineering mechanics and in mathematics in 1954, followed by his M. S. degree in engineering mechanics in 1955, all from the University of Michigan. He plans to do his doctoral research there in the field of wave phenomena, specifically on the theory of gravity waves.

Each fellowship is for one year and carries a grant of \$2,000 for the fellow and an additional \$2,000 for his tuition, fees, and other costs at the university where he studies.

### Guild Announces Stage Manager, Crew for Show

Change in stage management and appointment of backstage crew for "Here Today," last three-act play of the Theatre Guild's 1955-56 season, were reported this week by J. H. Wilcox, Guild president.

Duane Branch will replace William McKinnon as stage manager for the show to be given April 26, 27 and 28. McKinnon, employee of Harding Williams corporation, industrial centers, assigned to Burrrough's Plymouth plant, was recently promoted to management of General Mills employee restaurant in Minneapolis, Minnesota. Plymouth theatre-goers will remember him in the lead role of the Guild's production of "Dial M for Murder."

Branch will be assisted in stage management of the April show by Russell Wallace. Adele Miller has been appointed production manager.

Other backstage committees, for the Guild's April production are: Susan Woolweaver, prompter; Barbara Branch, chairman, Marie Norman, Marjorie Thomas, Alice Wright, James and Ann Blackman, Martin Kennedy, proprietors; Henrietta Burch, Heloise Campbell, Saxie Holstein, Phyllis Kelly, Barbara Noe, Mary Rvaning, S. L. Warner, paint crew; John H. Lodge, chairman; Douglas Havershaw, George Hipps, Warren Worth, Garland Wright, staging; Carol Harris, Betty Mendel, costumes; Jean Ann Aubrey, chairman; Alyce Lodge, Kathryn West, Lillian Dickinson, make-up;

Gary Hees, Thomas Kelly, Lights; Russell Creel, chairman; Ruth Barney, Laurel Holan, Larry Gouin, publicity; Janet Lawson, programs; C. Veach Sparks, chairman; Mabel Dicks, Maude Laury, Ruth Larson, Angel Lind, Victoria and Dean Saxton, tickets; Mary Ellen Sparks, chairman; Glenna Merril-lat, Judy Sechlin, Carol Stratton, ushers.

Cast for the show is composed of Betty Demorest, Jean and Jack Scott, Effie Kiesel, Dorothy Smith, J. H. Wilcox, Jon Wolf and P. W. Aubrey.

The production is under the direction of William W. Merrill of Will-O-Way playhouse, Bloomfield Hills. Curtain time is 8:15 in the high school auditorium.

### OBITUARY

**Mrs. Mabel M. Warkup**

At the age of 64 years, Mrs. Mabel M. Warkup, 395 Adams street, died Friday, April 6, at University hospital in Ann Arbor. She had been ill for four months. Funeral services were held at the Schrader Funeral home on Monday, April 9 with Reverend Ray Norton officiating. Burial was at Riverside cemetery. Pallbearers included Harold Villerot, Lee McGorey, John Langendam, David Ingaill, Hugh Gardner and Verne Clark.

Born January 13, 1892 to Alonzo and Filora Catherine Bolinger Toll in Warsaw, Indiana, the late Mrs. Warkup is survived by her husband John, whom she married March 4, 1917. Other survivors include two daughters, Mrs. Frances Grimes of this city and Marie Bidwell of Wayne, and two sons, Carroll and Jack of this city.

A foster sister, Mrs. Midge Kukla of Milwaukee, Wisconsin, and seven grand children also survive.

The late Mrs. Warkup came to this community in 1918 from Traverse City. She was a member of the local MOMS club and also the local historical society.

James B. Hunter

James B. Hunter, 676 Penniman, died Wednesday morning at 6:45. He is survived by his wife Juanita W. Hunter, and two daughters, Mrs. Jane Harriman of Pittsburg, Pennsylvania and Mrs. Willis McCabe of Plymouth. Mrs. Marion H. Tipton of Philadelphia, Pennsylvania and Mrs. Grace Jaecques of Coronado, California, both sisters of the deceased, also survive.

Mr. Hunter came to Plymouth after retirement from Pittsburg. He was a member of the First Church of Christ Scientist of Mt. Lebanon, Pennsylvania. Mr. Hunter was a Spanish American war veteran and a member of the Pennsylvania Volunteers, Battery B. The body was taken to Oakmont, Pennsylvania for burial.

### Local U-M Club Has Last 55-56 Season Meeting

The largest turn-out of the Plymouth University of Michigan club's winter season gathered at the home of Mr. and Mrs. Russell Isbister, 50005 Ann Arbor road, earlier this month when the local organization held its last regular meeting until September.

Following a pot-luck supper, the group was addressed by Dr. Williams, assistant dean of faculties at the University of Michigan. Dr. Williams spoke of the present and planned future expansion of the university and discussed the U-M's new north campus. It has been estimated, he said, that by 1970 there will be 40,000 students at the U-M.

A short general meeting was held following the talk at which time the following members were elected to fill vacancies on the club's board of governors: Howard Fishbeck, Wendell Miller, and Dr. A. E. VanOrnum. These three replace Miss Virginia Olmstead, Mrs. Margaret Hough and Russell Isbister whose terms on the board expire this year.

The board of governors then met at which time the following officers of the Plymouth club were elected: Fred Green, president; Howard Fishbeck, vice-president; Mrs. Miller Ross, secretary; Mrs. Mack, treasurer; Harold Pine, Robert Lawson and Charles Root, Jr., comprise the rest of the local club's governing body.

Fred Green, the new president, announced that the next meeting of the board of governors would be held at his home, 6121 Lotz, on May 21 at 8 p.m. At that time the 1956-57 season program plans would be made and discussed.

### Pursells Attend Dallas Convention

Mr. and Mrs. Roy Pursell, 639 South Main street, were in Dallas, Texas last week attending a four-day convention of the Congress of Freedom. Mr. Pursell is national treasurer of the organization and was re-elected to that post by the board of directors for another year.

Over a dozen nationally-known speakers talked to the convention on problems of the day concerning the "loss of individual freedoms." They delivered stirring appeals for greater participation in politics.

Theme of this year's convention was "The Repeal of the Income Tax Amendment." Nine symposiums were held during the convention with Roy Pursell heading the panel on social security.

The Pursells visited Mrs. Mary Holdsworth Slaughter while in Dallas and attended the Third Church of Christ Scientist. Mr. Pursell followed William Holdsworth as first reader of First Church of Christ, Scientist, Plymouth.

School Takes Over City Property Under Lease

Contracts were signed this week which will give the school system a lease on city-owned property for five years at \$1 a year.

The property is located between Farmer and Blanchr streets behind the high school. The school board intends to use the property for school and recreation purposes. Although Blanche street runs between school and city properties, it will be "temporarily" closed while under lease.

### Boy, 16, is Top Teen-Age Driver

Sixteen-year-old John T. Pernicaro, 44760 Ford road, was first place winner of the Plymouth Jaycee Teen-Age Road-E-O held last Saturday behind the high school.

Judged on driving ability and on a written test, John won a rotating trophy and an Anaco Memar 35mm flash camera and case for his efforts. He will be taken to the state finals in Lansing on June 2 by Douglas Vincent, chairman of the Junior Chamber of Commerce event.

Second place was won by Carl Wehman, 17, of 36100 Cowan road and in third place was Dick Morrison, 17, of 1045 Brush. John had 344 points, Carl had 342 1/2 and Dick, 341. Second prize was a table radio and third prize was a Brownie Hawkeye flash camera. The trophy bearing the winner's name will be permanently displayed in the high school show case.

John attributes his driving ability to the training he has received in the driver training course at Plymouth high school under the directorship of Robert Anderson.

Obstacles and course layout were furnished by Guy Mulholand and the Michigan Trucking association, who conducts all Teen-Age Road-E-O's and the nationally known truck road-e-o's.

Judges were from the Plymouth police department, Wayne county sheriff's office and the driver training department. Cars were furnished to the Jaycees by the Paul Wiedman Ford agency, the Forest Motor Sales, Plymouth-Dodge agency.

### BPW to Entertain Girls State Choice

Plymouth Business and Professional Women's club will honor its representative and alternate to Girls State at a dinner Monday night, April 16, at 6:30 in the Mayflower hotel.

Delegate to be sponsored by the club is Patricia Hauk, daughter of Mr. and Mrs. Ira H. Hauk of 48708 Warren road. Her alternate will be Ann Goddard, daughter of Mr. and Mrs. Lewis Goddard of 12221 Beck road. Girls State will be held June 19-26 on the University of Michigan campus in Ann Arbor.

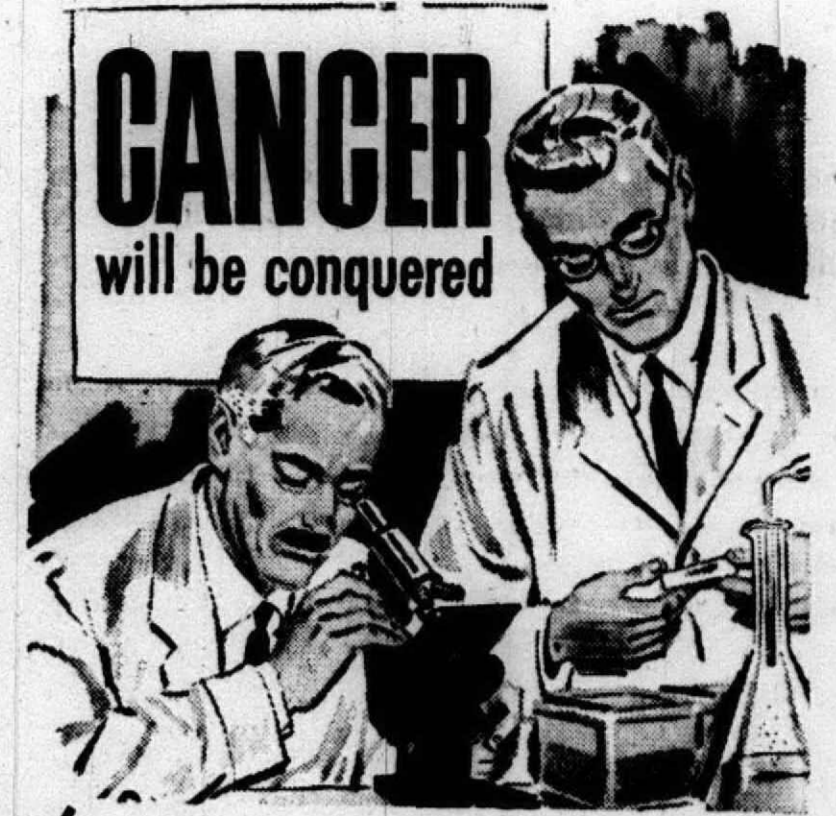

BPW announced that it is temporarily discontinuing its selection of Woman of Achievement for the month until start of club activities in the fall. For the second portion of this meeting there will be election of officers. At the May meeting a speaker from the state BPW will address the organization.

### Geranium Sale to Benefit Plymouth Symphony

Residents will be given an opportunity to beautify their yards and at the same time lend some financial assistance to the Plymouth Symphony orchestra come May 25 and 26, dates of a benefit geranium sale.

The event will be sponsored by the Women's committee of the Plymouth Symphony society. Geraniums will be sold on the above dates from stands in the downtown shopping area. All proceeds are earmarked for the symphony orchestra fund. Mrs. Ray Hulce has been appointed general chairman of the event.

**NOTICE OF BUDGET HEARING**  
CITY OF PLYMOUTH, MICH.

Notice is hereby given that a public hearing on the 1956-57 budget of the City of Plymouth will be held in the Commission Chamber of the City Hall on Monday, April 23, 1956 at 7:30 P.M.

All interested persons are urged to attend this public hearing where ample opportunity will be given for all citizens to participate. All requests for added municipal services or improvements or curtailments in any items of service or other municipal functions should be presented at this hearing, in order that consideration may be given the same before the approval of the budget by the City Commission.

Kenneth E. Way, City Clerk

READY FOR THE OPTIMIST Bicycle Rodeo on April 21 are these youngsters being given information about the event by Chief of Police Kenneth Fisher, left, and Optimist Raymond Viau. The youngsters, from left, are Bob Carley, 12; David VanOrnum, 10; Wallace Burton, 10; Jack Kopenki, 8; Jerry Tacia, 14; and John Campbell, 10. The rodeo will take place behind the high school starting at 9 a.m.

**Rodeo Highlights Four to Attend Bike Safety Week DAR Congress**

Optimist Bicycle Safety Week opens next Monday and youngsters of all ages will compete for prizes in the Bicycle Rodeo taking place Saturday, April 21.

"Make Plymouth the safest cycling city in the world" was the advice given to local bike riders by Mayor Russell Daane as he proclaimed April 16 to 21 as Optimist Bicycle Safety Week.

Highlighting the week's observance will be the rodeo in which some 1,500 bicycles will be inspected and judged. Riding skill contests will be scheduled for youngsters. The event will start at 9 a.m. on the baseball field behind the high school. In case of rain, it will take place in the Junior Police building in the Central Parking lot.

Grand prizes to be awarded at the event will be a boy's bicycle donated by Evans Products company and a girl's bicycle given by Hoffman & Holdsworth.

There will be other prizes ranging from softball bats to bicycle equipment which have been donated by the Optimist club, Bob's Handy Hardware, Western Auto store, Saxton's Farm Supply, Plymouth Hardware and Davis and Lent. A window display of the prizes can be seen at Davis and Lent.

Assisting in the inspection at the rodeo will be the Plymouth Junior Police and Junior Optimists.

The week-long observance is being held in cooperation with the Plymouth police department and the school system. Optimist Bob Bullard is chairman of the event.

The Sarah Ann Cochran chapter, Daughters of the American Revolution, will be represented by four of its members at the 65th Continental Congress of the national DAR society to open in Constitution hall, Washington, D. C. on Monday, April 16, and close the following Friday.

Leaving Saturday to attend the event are Regent Mrs. Claude A. Crusoe, Mrs. Robert D. Wiloughby, state treasurer of the DAR and second vice regent of the local chapter, Mrs. Harry N. Deyo, state honor roll chairman and chapter past regent, and Mrs. Ernest J. Shave of the board of directors.

The conference will be keyed to the theme, "Protect America's Future through Patriotic Education." Principal speakers will be Admiral Arthur W. Radford, chairman of the Joint Chiefs of Staff, and Herbert A. Philbrick, former counterespionage director of the FBI and author of "I Led Three Lives." Others will be secretary of the Smithsonian institute and director from Federal Civil defense administration.

DAR will have the honor of being the first women's organization to be saluted with military parade and citation to its president general by the Third "Old Guard" Infantry at Fort Myer, Virginia.

Other highlights will be ceremonial opening by the U. S. Marine band, White House tours, banquets, ball at the Mayflower Hotel, triennial elections, presentation of awards, addresses by the presidents of the national societies of DAR, Children of the American Revolution and Sons of the American Revolution, and choir selections from College Chapel of Berea and reports from other DAR sponsored schools.

**Must Phone City Hall To Have Elms Sprayed**

Plymouth city homeowners wanting their elm trees sprayed against Dutch elm disease have but one week to let the city know of their desires, according to Hugh McAuley, superintendent of the city's parks.

Spraying is expected to start a week from tomorrow. Unlike last year when the work crew went from door-to-door asking if citizens wanted their elms spray-

ed, homeowners this year must call city hall to make the request. Cost of the spraying is \$1 per tree. It was pointed out that this cost is small compared with the cost of removing a tree, should it become diseased.

The city will spray all elm trees located along the streets and on city property. But it must obtain consent of homeowners to come onto private property to spray.

MRS. ROBERT BREDIN of 232 Ann street got a preview look at the newly remodelled Bob's Handy Hardware, 816 Penniman, this week. Owner Bob Schultz, shown waiting on Mrs. Bredin, is conducting a 10-day remodeling event to celebrate the completion of the face-lifting. New lighting, modern shelving and pegboard displays have been installed for shopping convenience.

LIONS' CLUB White Cane week sale Chairman Bill West (left) and his Co-chairman Les Wilson check over display posters which will help to promote the coming event. Local Lion's members will conduct a street sale of white canes here on Friday and Saturday, April 20 and 21. The Michigan observance of White Cane week will be April 22 to 28. Proceeds from the sale will go toward furthering the local Lions' club sight conservation benefit program.

# SAVE \$1.00

## on a gallon of DuPont FLOW KOTE

the washable rubber-base wall paint that goes on extra-easily... dries extra fast.

A gallon paints the walls of an average room, and you can paint 4 walls in half a day with DU PONT FLOW KOTE. Goes on easily with brush or roller... thins with water... dries in 30 minutes with no "painty" odor. Spills and splatters wipe clean in a jiffy with a damp cloth. Try it today and save!

USE THIS COUPON... SAVE \$1.00

Regular price \$5.80  
 This coupon is worth \$1.00 toward the purchase of one gallon of FLOW KOTE. One use in a lifetime, on this offer. Good for two weeks only.

This Coupon Worth \$1.00  
 Price to you \$4.80

## Social Notes

Mr. and Mrs. William Johnson of Ann street have received word that their son, Private first class Ronald Johnson, has arrived in Germany and is stationed at Augsburg with the 11th Airborne paratroop squadron.

Mr. and Mrs. John Maxwell of Joy road and Mr. and Mrs. Robert Smith of Ypsilanti, were entertained at dinner Saturday evening in the home of the former's son and wife, Mr. and Mrs. Russell Maxwell on Orangelawn, Livonia.

Mr. and Mrs. Chester O. Teasel of Warren road were in Sandusky, Ohio, for two days this week, Mr. Teasel on business while Mrs. Teasel visited her mother.

Mr. and Mrs. Clark Bordin were guests Saturday evening for pinocle in the home of Mr. and Mrs. Robert Richardson of Morrison avenue.

Mrs. Chester O. Teasel of Warren road entertained a group of ladies at a luncheon Thursday of last week having as her guest of honor Mrs. Lea Blaisdell of Honolulu, Hawaii. Mrs. Blaisdell is mayor of Honolulu. They came to the states to visit their daughter, Mrs. Charles Ane, of Detroit. While in Honolulu the past winter Mr. and Mrs. Teasel were entertained by the Mayor and Mrs. Blaisdell.

Mrs. Wilbur Kincade entertained at luncheon, Tuesday, in her home on Keweenaw street for two of her sorority sisters, Mrs. Jan's Sterling of Pontiac and Mrs. W. J. Hendrickson of Ann Arbor.

Frank J. Millhouse of Sunset avenue has been chosen chairman of ticket sales for the University of Michigan Club Glee Club concert in Northville to be held on Thursday evening, May 3rd, in the Community Center of that city.

Mr. and Mrs. Horace Barney of Marlow street, have been visiting her mother, Mrs. Ida Blackford, in Rockford, Ill., the past week.

by Carl Peterson

After the big surprise in the Democratic primaries in Minnesota, you can expect hopeful candidates to pop up all over. There was a time when all a fellow needed to run for President were the necessary qualifications and a few votes. But now he needs the constitution of a bulldozer and an appetite like a vacuum cleaner. The hopeful candidates aren't on any picnic.

Radio, television, air travel, newsreels and a bigger population spread keep the candidate skipping around like Eliza crossing the ice. Reporters and photographers back him to the wall with questions and flash bulbs, and club banquets assault his innards with a steady barrage of chicken croquettes or a reasonable facsimile. It's rough going but great training for the White House job.

BRAND NAMES WEEK

April 15 - April 21

"You're always satisfied most with a BRAND that's made a NAME for itself!"

... and you'll find most of the best known brands here in our store!

Winston Churchill says, "We are happier in many ways when we are old than when we are young. The young sow wild oats. The old grow sage." And in between, you're supposed to make hay. We cater to people of every age... and our job is to have on hand everything in the way of health needs for young and old. Make it a habit to shop at Peterson's... for everything from baby goods to vitamins. Remember... someone you know, knows me."

**Plymouth to Salute MOMS, April 15-21**

Mayor Russell M. Daane has proclaimed the week of April 15-21 as MOMS of America Week, citing the Mothers of Men in Service for their "splendid work" in raising funds to care for needs of hospitalized veterans and their families, assisting in occupational therapy and furthering the work of the USO.

In his proclamation the Mayor stated "Morale of the men in service is compounded of many things including a feeling that the folks back home are aware of their vital part in our defense, freedom from worry about their loved ones being in need, and knowledge that there are those who do not forget them when they are hospitalized."

Local MOMS will observe the event with a window display at Davis and Lent and sponsorship of a card party for benefit of their activities on Monday, April 16, at 8 p.m. in the Veterans Memorial center.

**Plymouth Clubs to Participate In 4-H Achievement Day**

A variety of projects, booth displays, talent show and dress review will be features of the 4-H Achievement Day in which clubs from Plymouth, Sheldon and Denton will be participating tomorrow, April 13, at the CIO-JAW hall on Michigan avenue.

In addition to some 11 local clubs reported to have entries in the event, Plymouth will be represented by Pat Hauk, narrator for the dress review, and Lanny West, now disc jockey for WPAG, Ann Arbor who will emceed the talent show. The entire event program will start at 8 a.m.

An all-day affair, the event is open to the public. Four-H project displays will be up for ribbon awards on Achievement Day. They are to be exhibited in the morning, starting at 9, with judging by 4-H leaders from this and other areas to take place that afternoon.

Blue ribbon (first prize) winners will be eligible for competition at the County Achievement Day to be held at Wayne County

Training school on Thursday and Friday, April 19 and 20. White and red ribbons will also be awarded on the local achievement day for second and third place, respectively.

The exhibits, made by 4-H members as their year's project, will include, handicraft, electrical equipment, sewing, cooking, knitting, leathercraft, the 4-H story and its activities plus a host of other items.

Four-H leaders from Plymouth, representing clubs with entries in the event, are:

Mrs. Erna Losse and Mrs. Ralph Wagenschutz, Mrs. Heloise Campbell, Mrs. Leona Hull, Mr. and Mrs. Ira Hauk, Mrs. Donald Beyer, Mrs. Doris Rowe, and the Wayne County Training school group Mrs. Helen Thom, Mrs. Marcella Douglas, Mrs. Eleanor Cook, Mrs. Twyla Hartley and Mrs. Elizabeth Hoese.

Mrs. Helen Natelli of Belleville is general chairman for Achievement Day on Friday.

**COMPLETING PROJECTS** of clothing and home improvement articles for exhibit at the 4-H Achievement Day on Friday, April 13, at the CIO-UAW hall on Michigan avenue are the Warren Road Workers 4-H club gathered around Pat Hauk (center) who will be narrator for the dress review that evening. Looking on from left are Colleen Dennis, Carol Tomczyk, Leader Mrs. Ira Hauk, Club President Cathy Kops and Barbara Decker. Girls are wearing skirts they have made. In addition to 4-H project displays from Plymouth, Sheldon and Denton clubs, and dress review, Achievement Day will feature a talent show to be emceed by Plymouthite Lanny West, disc jockey for WPAG, Ann Arbor.

**Organizations Name Girls State Delegates**

Three Plymouth girls have been selected representatives to Girls State under sponsorship of local organizations, the fourth one to be chosen this evening, April 12, at a meeting of Passage-Gayde post, American Legion.

Delegates and sponsors are: Roberta Lindgard, BPO Elks; Patricia Hauk, Business and Professional Women's club; and

Carol Clarke, Woman's club of Plymouth.

Girls State, project of the Michigan department of American Legion, convenes June 19 and will be in session until June 26 on the University of Michigan campus in Ann Arbor. Training in American government on local and state levels is offered participants in the event.

**Workshop Slated April 19**

A workshop on landscaping will be held from 9 a.m. to 3 p.m. Thursday, April 19, at the Mayflower hotel under the auspices of the Plymouth branch, Women's National Farm and Garden association.

Mrs. G. T. Ullenbrunch, landscape specialist from Michigan State university, will conduct the program. The public is invited to attend.

PRESENTING TROPHY awards to winners of the 1956 VFW poster contest on "Safety and What It Means to Me" is Mrs. Jean Olson, chairman of the VFW Youth Activities committee which sponsors the event. Grouped in contest divisions class A (5th and 6th grades) and class B (7th and 8th grades), the winners are from left: Bonnie Broome, 2nd place, class A; Linda Mishler, 2nd, class B; Bonnie Anderson, 1st, class A; Alberta Wietecha, 3rd, class B; Jim Yost, 3rd, class A; and James Davis, 1st, class B. Honorable mention went to Jean Schwein and Mike Kenyon, class A, and to Barbara Gooch and Jon Hadwin in class B. Over 64 posters were entered in the contest. The presentation was made at the VFW meeting last week.

## Newburg News

**Mrs. Emil LaPointe,**  
Garfield 1-3029  
The Rhoda Circle of the Women's society of Christian service, Newburg Methodist church, met at the home of Mrs. Edward Reid, 36610 Richard avenue on Tuesday evening, April 3. A devotional service and review of the book, "The Robber" by Mrs. Ray Bowser were highlights of the evening. Members present were Mrs. Hope Brey, Mrs. John Ross, Mrs. Roseberry, Mrs. Donald Berras, Mrs. Ray Bowser, Mrs. Jesse Bennett, Mrs. M. Ayers, Mrs. Harold Case, Mrs. Marie English, Mrs. Kessling, and Mrs. Vern Urs.

There will be a combined Women's society of Christian service meeting at the Newburg church on Monday, April 16, at 8 p.m. The program will consist of a worship service and guest speaker, Mrs. Davis Draper, who will tell about her trip to Europe as a member of the Methodist Peace commission. All ladies of the church and their friends are cordially invited to attend.

Several ladies from the Newburg area attended the Plymouth V. F. W. dessert lunch Tuesday, April 4. The ladies were Mrs. Edith Gennis, Mrs. Eleanor De Coster, Mrs. M. Desmond, Mrs. Irene Overmyer, Mrs. Eva Ruckstal and Mrs. Eloise Mackinder.

The Sarah circle of the Women's Society of Christian service met for a short business meeting in the basement of the church Monday, April 9. Present were Mrs. Jane Kenner, Mrs. Mildred Remy, Mrs. Roberta Eastdake, Mrs. Dorothy Fetters, Mrs. Doris Page, Mrs. Laura Mende, Mrs. Florence Peterson, Mrs. Eloise Mackinder, Mrs. Leola Coole.

Mr. and Mrs. Harold Mackinder and children were dinner guests in the home of Mr. and Mrs. Mackinder of Jones street Sunday April 8.

Many Scouts attended the Court of Awards held at Stark school the evening of Thursday, April 4. Commendations recognized were Robert Engle, membership; Walt Metzner, scoutmaster; Dale Wheeler, assistant scoutmaster; Roy Mettle and Jack Ocha, committee chairman; Jack Hutton, advancement; Harold Bate,

committeeman; and Edward Houke, outdoorman.

Awards were received by both tenderfoot and second class Scouts. The tenderfoots were William Bancroft, Thomas Batie, Robert Cameron, James Engle, Louis Frontiera, Thomas Graney, John Hanton, David Metzner, Thomas Mettle, Monte Ocha, Patrick Robinson, Richard Savale, John Tucker, and Raymond Truesdale. Second class Scouts were John Tucker, Ronnie Ti-ohnem, William Bancroft, Thomas Batie, James Engle, Patrick Robertson, David Metzner, Thomas Grandy and Harry Hente.

We are sorry to hear that Mrs. James Remy, Sr. of Ann Arbor trail is very ill in St. Joseph hospital, Ann Arbor.

Neighbors and friends extend heartfelt sympathies to Howard Dickie, whose father passed away in Grand Rapids, on Friday, April 6.

Neighbors and friends extend heartfelt sympathies to Howard Dickie, whose father passed away in Grand Rapids, on Friday, April 6.

Mrs. Gilbert Alter and children spent Sunday at the home of Mr. and Mrs. Frank Cucchetti of Wayne.

## Rosedale Gardens

**Mrs. Joseph R. Talbot, Jr.**  
Garfield 1-5847  
The Civic association will hold their monthly meeting tonight at the Clubhouse, 9611 Hubbard. It should prove to be an interesting meeting particularly to the residents of the old section of Rosedale Gardens.

There has been a committee working very hard on the street problem and they will present their recommendations at this meeting. Following the business meeting you will have an opportunity to enjoy the refreshments served by Women's club while you visit with your friends and neighbors.

Congratulations to Mr. and Mrs. George Bugush, 9611 Roseland, on the birth of their son, Mark Joseph.

Mr. and Mrs. Timothy Horgan, 9620 Arden, entertained their daughter and son-in-law, Mr. and Mrs. Will Wagner and children, Jack, Joe, Mary Lynn, Jean and Jimmie for Easter Sunday dinner.

At the Rosedale Gardens Women's Pot-Luck supper on Thursday evening, April 5, the following women were elected to serve on the 1956-57 board. President, Eleanor Currier; first vice-president, Peg Miquelon; second vice-president, Carolyn Campbell; third vice-president, Doris Sears; secretary, Ginny Byrd; and treasurer, Velma Kastner. Congratulations gals!

Mr. and Mrs. John Majoney of Lansing, formerly of Rosedale

Gardens, left their children in the care of their very able grandmother and spent Monday and Tuesday, April 2 and 3, in Detroit on business. They spent one evening with Mr. and Mrs. Ed Hoffman, 9831 Ingram, but it is impossible for them to visit all their friends in the "Gardens" every time they make the trip.

We would like to extend our sympathy to Mrs. William Seigh, 9828 Mayfield, on the death of her father, Martin Charboneau.

The stork paid a visit to Mr. and Mrs. Rolan Villeneuve, 8992 Melrose, and delivered a son, Robert Mark.

Cathy Heimforth, 9904 Brookfield, celebrated her ninth birthday on Thursday, April 5, with a luncheon for 19 of her friends. The decorations were in a spring theme and the girls all came to the party dressed in their Easter finery. For place cards there were tulips cut from felt and placed on sucker sticks and stuck in candy. After numerous games the girls all danced the bunny hop. The transition from children to young adults is just becoming apparent at nine years old which makes it a very difficult time to have a party but Cathy's mother had the affair very thoroughly planned and the following girls were present: Suzie Black, Beverly Wicks, Linda Crittendon, Sharon Standish, Joyce Scofield, Jan Welch, Patsy Gumbard, Carolyn Kilikka, Christine Theisen, Earlean Phillip, Dianne Porteous, Sandra Curtis, Joyce Swindlehurst, Carolyn Francis, Ann Remington, Linda Reid and Cathy's cousins from Detroit, Linda and Carol Lintern.

Mr. and Mrs. Thomas Howarth, 9837 Mayfield and daughter Dianne and Cheryl and Mrs. Georgia Howarth, Mr. Howarth's mother, spent a wonderful Easter week-end in Grindstone, Pennsylvania visiting with all Mr. Howarth's family and school chums and talking over old times.

Mr. and Mrs. Leo Zadosko, 11410 Auburndale, are justly proud of the recent addition to their family. A daughter, Aliese Ann, was born in March to the Zadoskos in Detroit.

Mrs. Robert Page, 9905 Berwick, and sons Bobby, Tim and Kit spent the Easter vacation with Liz's mother, Mrs. Torbett, in West Virginia. Bob drove them down on Saturday, March 24, but business forced them to return to Detroit. The following week-end Bob again made the trip to bring his family home.

Porcupine Mountains state park, Gogebic and Ontonagon counties, is one of the largest state parks in the United States. Its 42,000 acres feature the state's tallest mountains, virgin hardwood forests, scenic Lake of the Clouds and winter sports.

★ MEN IN SERVICE ★

**Patrick H. Herbert**  
Specialist Third Class Patrick H. Herbert, son of Mrs. Beatrice Arnold, 8975 Beck road, Plymouth, is taking part in Exercise Lodestar Baker, a three-month maneuver at Fort Carson, Colorado. The exercise, scheduled to end later this month, is testing the skill of several thousand troops in simulated combat under cold weather conditions in mountainous terrain. Specialist Herbert is a member of the 77th Special Forces Group Airborne, regularly stationed at Fort Bragg, North Carolina. Assigned as a radio operator in the group, Herbert entered the Army in August 1953 and completed basic training at Fort Knox, Kentucky. He is a 1953 graduate of Northville high school.

**Glenn D. Pace**  
Serving with Helicopter Anti-Submarine Squadron 5 at the

Naval Air station, Key West, Florida, is Glenn D. Pace, aviation machinist's mate second class, USN. He is the son of Mr. and Mrs. J. Sylvester Pace of 35909 Plymouth road, Plymouth. Pace entered the service in 1947. He is presently serving in the Line Maintenance department at the Key West base. Mr. and Mrs. R. A. Kirkpatrick of Auburn street spent a few days last week in Unionville.

Home Handyman Still Big Source Of New Invention

The home handyman, working alone in his own shop, still is a prime source of new inventions despite the growth of research laboratories. A survey by a Michigan State university economist reveals that about one-third of patented discoveries are made by persons not trained in science or technology, and nearly one-half of all inventions are made by persons without college degrees. "The prevailing view that invention today is the exclusive stamping ground of expert scientists working in laboratories of large corporations... does not stand up under close investigation," reports Dr. Jacob Schmookler, assistant professor of economics at M. S. U. "But continued public belief in this erroneous view may make it true," Dr. Schmookler warns. "Potential independent inventors, if they believe the field has been taken over completely by persons hired to invent, may be discouraged and fail to do what they otherwise would have done—invent." The economist points out that the transfer of inventive function from the independent to the hired inventor definitely appears to be slowing down. Increases in leisure time and "do-it-yourself" hobbies may result in even more inventions by non-experts, he predicts.

## Need More Family Ties, Judge Kaufman Declares

A formula for helping to decrease juvenile delinquency was offered by Judge Nathan Kaufman in an address Friday noon before the Plymouth Rotary club.

The widely-known judge who appears on the "Juvenile Court" television show each week, admonished parents to make their homes a home that the child enjoys—not just to sleep; eat together as a family; pray together as a family, and do things together as a family.

In Wayne county, 17 per cent of all boys between ages 15 and 17 eventually come into juvenile court, the judge declared. There are five and a half boys to every girl who get into trouble.

Trying to list reasons for the amount of delinquency, Judge Kaufman stated that since 1914 there has been nothing but talk of wars. There has been a depression which left an economic effect on some families. Now, the judge added, the afternoon shift has done more to kill families than any other reason. "If mama works in the afternoon, papa should stay home."

He cited a recent example of where a mother and father both worked the night shift and thought that daughter was in bed by 10:15. Instead, she ran around every night and eventually was in trouble. The girl claims that it was what "all the kids were doing." The parents claim that they never believed that "such things could happen to our child."

With girls, Judge Kaufman said, the biggest problem is morality and drinking. "But what can you tell a girl about drinking

when their parents are regularly in a cocktail party? Or what can you tell a youngster about gambling when their parents do it at \$10 a roll of the dice? In some sections of the city there is the problem of youngsters carrying knives. But you can't tell them it is wrong when their father carries one too."

The biggest city-wide problem with juveniles is automobiles, the judge told his audience. "When the boy gets to be 14 years old, he thinks he has to have a car or he'll just die." If parents won't give them theirs, the boy will "borrow" one.

Judge Kaufman expressed the belief that parents should allow their children to use the family car, providing that they are properly licensed and trained. This would avoid the worse course of stealing a car.

The speaker optimistically predicted that there will come a day when delinquency will be "straightened out." "In the U. S. where we have made technological advances in every field, morality is either standing still or has slipped. It's time to lead clean honest lives."

He asserted that it is unfortunate that the people who need to be reached are unreachable. Those who can be addressed at clubs and meetings aren't the persons who need the lectures. One method of reaching these people is on a television program such as he himself conducts. "But you have to make it entertaining—you can't just lecture to the audience. If you tried that on all our channels, they would turn on the radio."

Judge Kaufman was introduced by Robert Maurer, manager of the local Michigan Bell Telephone company office.

## Kiwanians Learn Proper Lawn Care

Kiwanians were given a lesson in lawn and plant care Tuesday evening by Phillip Savage of the American Agricultural Chemical company.

Speaking at the regular May-flower hotel dinner meeting of the businessmen's club, Savage stressed the importance of keeping fertilizers in proper balance for best results. He also showed a film on care of trees, flowers and shrubs and instructions for starting a new lawn or rejuvenating an old lawn. Dean Saxton was program chairman for the evening.

Next Tuesday evening Kiwanians will hold their annual Farmers' Night at the Cherry Hill Methodist church. Each member will bring a farmer as a guest. Dinner will be served at 6:30. Fred Van Dyke is in charge of arrangements.

Federal taxes on fishing tackle are turned over to individual states under the Dingell-Johnson act to provide better sports fishing. Michigan received \$240,000 under the program in 1955, third largest among the states.

## New Books at Dunning Library

Three best sellers were added to the Plymouth branch of Wayne County library for reading pleasure of its Plymouth-area patrons. They were Harold Smith's novel, "The Horse Soldiers," "Love or Perish" by Smiley Blanton, M. D. and C. S. Lewis' "Surprised by Joy."

Other new additions were "The Popes," a history by Zoeli Aradi; "Memoirs by Harry S. Truman, Years of Trial and Hope, 1946-52," Ernest K. Emurian's "Living Stories of Famous Hymns," "Doctor at Large" by Richard Gordon, "A Teachers Answer," Percy B. Coley's reply to critics of public schools; Allen V. Elston's western, "The Wyoming Bubble."

"Celebrated American Caves" by Mohr and Sloane, "So This Is College," adjustments for new students by Paul A. Landis; Do-it-yourself books, "How to Make Shapes in Space" three-dimensional posters, ornaments, cards and decorations by Toni Hughes; "How to Grow Roses," "How to Plan Your Basement and Attic," "How to Plan Your Bedroom."

The library also added to its collection H. V. Morton's travel book, "In Search of Whales," "Coming Down the Seine" by Robert Gibbins, Foster Harris' "The Look of the Old West," "Opera in America," pictorial history by Daniel Blum; Evelyn

W. McDonald's novel about Maine, "The Turning Tide," "Lairs on parole" by Katharine Jullivan;

David and Marian Greenberg's "The Shopping Guide to Mexico, Guatemala, Caribbean area, Bermuda, Nassau and Panama," "Night Raider of the Atlantic," concerning a German submarine and its commander by Terence Robertson, Evan Hunter's "Second Ending," story of talented insecure young people; "Stop Dieting—Start Losing" by Ruth West and "Modern Medical Counselor," a health guide compiled by medical specialists.

In addition, the following were added to the collection as recent editions: "Practical Taxidermy" by John W. Moyer, Brogan and Fox' "Helping Children Learn," "Adventures in Staying Young" by Maxwell Maltz, M. D.; Green and Pollinger's "The Aircraft of the World,"

"Bugles and a Tiger," personal adventures of John Masters, "Beyond the Hundredth Meridian," John Wesley Powell and the second opening of the West by Wallace Stegner, C. S. Lewis, "Surprised by Joy," C. S. Lewis' story of his loss of faith and regain by reason.

The man who does not attend to his duties promptly eventually has few duties to attend to.

## Junior High Band At Muskegon Meet

Eighty-five members of the Plymouth Junior high school band will leave for Muskegon Friday evening to take part in the Michigan State Band and Orchestra Festival on Saturday. Director Lawrence Livingston stated that eight bands will compete for top honors in the state. The local band qualified for the event by winning superior honors in the class C division of the district junior high school band competition.

## Theatre Guild to Meet

Plymouth Theatre Guild will meet Monday, April 16, at 8 p.m. in the junior high school gym.

On the agenda are review of the backstage committees for "Here Today," the Guild's April presentation. The second act of the play will also be in rehearsal at that time. All newcomers interested in theatre work are particularly urged to attend this meeting.

The sloth, one of the slowest of all animals, eats so slowly that before he has finished one meal, it is time for the next.

## Don't Talk If Hoarse

By C. C. Wiltse, Richard C. Wiltse

Registered Pharmacists

You should go on a diet of words if hoarseness or acute laryngitis lingers on for a considerable time. However, medical advice is important if hoarseness lasts two weeks. Chronic laryngitis may be due to any one of a variety of causes and an expert should make the diagnosis.

Therefore, we advise that you see your doctor, then take his prescription to a quality drug store. Always be safe — YOU CAN DEPEND ON YOUR PHARMACIST!

This is the seventh of a series of informative advertisements appearing in this paper each week.

## ADVERTISEMENT FOR BIDS

Plymouth Community School District, Wayne County, Michigan, will receive sealed bids for the construction and completion of New Junior High School until 8 P.M. E.S.T., Monday, May 7, 1956 at the office of the Board of Education in the high school building Plymouth, Michigan at which time and place all bids will be publicly opened and read aloud.

Separate proposals will be received as follows:

- Proposal A—General Construction
- Proposal B—Mechanical Work
- Proposal C—Electrical Work
- Proposal D—Metal Lockers
- Proposal E—Kitchen Equipment
- Proposal F—Homemaking and Art Room Equipment

Accepted Bidders will be required to furnish satisfactory Performance Bond and Labor and Material Bond in the amount of 100% of the contract. The accepted bidders shall pay total cost of these bonds. Plans and specifications may be obtained on and after Tuesday, April 17, 1956 at the office of the architect, Eberle M. Smith Associates, Inc., 153 E. Elizabeth Street, Detroit 1, Michigan.

PROPOSALS MUST BE SUBMITTED ON FORMS FURNISHED BY THE ARCHITECT and supplemented by a certified check or Bid Bond in the amount of 5% of the proposal submitted.

All proposals submitted shall remain firm for a period of 30 days after official opening of bids.

A check in the sum of \$35.00 must be submitted as a deposit for each set of plans and specifications, same to be refunded when plans and specifications are returned; also a rental of \$5.00 per day will be charged contractor who retains plans and specifications longer than agreed.

The Board of Education reserves the right to reject any or all bids in whole or in part, and to waive any informalities therein.

**Play Presentation Set For Vivians Meeting**

Vivians will meet tonight, April 12, at 8 p.m. in the Elks temple for presentation of a one-act comedy by members of the drama group within the organization.

The play, entitled, "He's Having a Baby," will be presented by the following cast of five from the membership: Mrs. Vaughn Smith, Mrs. Howard Anderson, Mrs. William Fann, Mrs. Joseph Fulton and Mrs. Blaine Lytle. Rehearsals have been under the direction of Mrs. Thomas Argo who is also pro-

gram chairman for this meeting. Mrs. Finch L. Roberts is in charge of make-up.

Second portion of the entertainment program will include musical selections by Mrs. Walter Beglinger as soloist. Members have been asked to bring wooden clothes pins, coffee and tuna cans to this meeting.

**Joyce Sackett Competes For JA Queen Title**

Joyce Sackett, 17, the daughter of Mr. and Mrs. Arden Sackett, 11656 Russell, is Plymouth's Junior Achievement candidate for the title of "Queen of Junior Achievement" this year. The queen will be decided at the annual JA dance to be held Saturday, April 14, in the grand ballroom of the Masonic Temple in Detroit.

Joyce, a senior at Plymouth high school, will compete for the title against entrants from 13 other JA centers in southeastern Michigan. This is Joyce's first year in JA. She is the secretary of Chevro products, sponsored here by Chevrolet Motor division of General Motors corporation.

The annual semi-formal JA dance will feature the music of the Buddy Morrow orchestra. Tickets are available through members of any JA center or may be purchased at the door. Theme of the dance is "April Reign."

**Legal Notice**

**J. RUSLING CUTLER,**  
ATTORNEY  
183 N. Main street,  
Plymouth, Michigan

STATE OF MICHIGAN, County of Wayne, ss. 413.855.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the third day of April, in the year one thousand nine hundred and fifty-six.

Present James H. Sexton, Judge of Probate. In the Matter of the Estate of ELVIE LOVE, also known as ELVIE F. LOVE, Deceased.

J. Rusling Cutler, administrator de bonis non with the will annexed of said estate, having rendered to this Court his first and final account in said matter and filed therewith his petition praying that the fees as set forth in said petition and account be allowed and that the residue of said estate be assigned according to the provisions of the last will and testament of said deceased.

It is ordered, That the Twenty-second day of May, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

James H. Sexton  
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated April 3, 1956.  
John E. Moore,  
Deputy Probate Register.

# Who's New in Plymouth

DISPLAYING PART of the family's hobby, fossil collecting, are the S. W. Edmunds of 1347 West Ann Arbor trail. A dinosaur model belonging to Rollin, 7, at left, stands upright on table at center. Picked up on summer outings are such items as fossilized coral from the Lake Michigan area, deposited 350 million years ago when the sea covered the present site of Chicago, and dinosaur remains from Utah. Next to Edmunds is Laura, 10, and Dewey, 13, with Mrs. Edmunds standing next to "Judge," four-year-old basset hound and family mascot. Edmunds is economist for Ford Motor company in Livonia. The family moved to Plymouth on February 27, coming from Winnetka, Illinois.

## Margie Ouimet Sets Date for June 23

Margie Ouimet

Mrs. Grace Ouimet of 11646 Haggerty has announced the engagement of her daughter, Margie, to Sonny King, son of Mr. and Mrs. Dallas King of 40774 East Ann Arbor trail. The wedding will take place on June 23.

## Transatlantic Parents, Brides Meet Tuesday

The next meeting of the Transatlantic Parents and Brides association will be held Tuesday, April 17, at 8 p.m. in the Presbyterian church hall, Garden City, Middlebelt near Ford road. The club is open to brides who came to this country since world war II and the Korean War. Further information regarding the organization and its activities may be obtained from Mrs. John Cigan of Plymouth.

Mr. and Mrs. Wilson Augustine and son, John returned this week from Fort Lauderdale, Fla., where they have been visiting her mother, who is ill.

# Churches, Schools to Support Plymouth Cancer Crusade

The observance of Cancer Control Sabbath and Sunday this weekend followed by film showings on detection of the disease Monday through Thursday of next week will come as highlights to the Plymouth Cancer crusade now entering its third week of a month-long educational campaign conducted nationwide during April by the American Cancer society.

Duane Sheldon is local crusade chairman, assisted by volunteer workers from the ACS office, 821 Penniman. A documentary film on breast self-examination has been scheduled for presentation before adult audiences at Plymouth elementary and parochial schools, April 16-19. Local physicians will conduct discussions following the programs.

ACS headquarters expressed the hope that every woman resident would attend this film presentation. Prizes will be awarded the school and classroom with highest representative attendance.

Schedule for the film showings is as follows:  
Monday, April 16, Allen and Bird schools, 8 p.m.; Tuesday, April 17, Starkweather and Smith schools, 8 p.m.; Wednesday, April 18, Lutheran Ladies Mission society, 2 p.m.; Thursday, April 19,

Our Lady of Good Counsel school, 8 p.m.

Sheldon stated that although statistics indicate that cancer of the breast is one of the leading forms of cancer among women, it could be relegated to much less significant status in the mortality tables through recognition of its early symptoms and prompt medical treatment.

"People should realize that an annual or even semi-annual physical examination gives no guarantee that cancer won't strike during the intervening months," the chairman emphasized. "An individual may be completely healthy when she leaves the physician's office and may unknowingly develop a case of early cancer a month or two after. Since early cancer rarely involves pain or discomfort, it probably will not be detected until the next regular examination, and possibly not until the one after that, diminishing the chances for cure."

The film to be shown next week demonstrates methods for early detection of cancer. ACS reports it has been instrumental in saving countless lives.

On Cancer Control Sabbath and Sunday, April 14 and 15, congregations of all faiths have been asked to devote a portion of their services and prayers to the control of this dread disease.

# The PLYMOUTH MAIL

Thursday, April 12, 1956

Section 3

PREPARING TICKETS for distribution to local elementary and parochial schools where an American Cancer Society film on breast self-examination is to be shown to adults April 16-19 as part of Plymouth's Cancer crusade is this trio from the local ACS unit. From left, Mrs. Mary Carless, public education chairman; Secretary-Treasurer Mrs. Virginia Bartel and Mrs. Nora Horn, publicity chairman. Tickets are to record attendance as there will be no charge for admission to the film programs. Prizes will be awarded the school and classroom with greatest representation at the event.

## Social Notes

Mr. and Mrs. John G. Vanhoy returned last Wednesday from a five weeks visit in Los Angeles and San Francisco, California. They report spending a most delightful day with Mr. and Mrs. Paul Christensen of Vista, former Plymouth residents.

Mr. and Mrs. Carl Hartwick of Northville road spent the weekend in Portsmouth, Ohio, where they were joined by their daughter, Mary Lou, who had been vacationing for a week in Florida. She returned to her studies at Alma college on Sunday evening.

Mr. and Mrs. George Britcher of Wilcox road returned home Monday from Johnstown, New York, where they were called by the death of Mr. Britcher's uncle.

Mr. and Mrs. Herbert Allen of Brookline entertained at Easter dinner for the following: Mr. and Mrs. Bellefeuille and family of Novi; Mr. and Mrs. Arthur Allen and children, Mr. and Mrs. Charles Allen and son, and William Allen, all of Wixom; and Bethel Walters of Plymouth.

The Forward Look Extension group will meet at the home of Agnes Ingall 10493 Joy road on April 17.

Sunday dinner guests of Mr. and Mrs. Jack Gage of Clemons drive were Mr. and Mrs. James Horen of Maceday lake who were enroute from a three months vacation in Florida to their home; Mr. and Mrs. Jack Gage and son, Michael of Garden City, Miss Mary Lou Foote and Jim Gage. They were joined for supper by Mr. and Mrs. Carl Hartwick.

Eighty-five neighbors, friends and relatives of Mr. and Mrs. Buford Conn were their guests at an open house Saturday evening in their new home on Parkview drive. The Conns received many lovely gifts.

Mrs. Perry Hix and Mrs. William Sempliner were in Wayne Tuesday where they attended the leaders meeting of Extension groups on "Lawn Care."

Mrs. Lester Burden of Union street is confined to University hospital, Ann Arbor, where she will undergo surgery. She will be at the hospital about a month. She is in 2 West.

Miss Joanne Pursell returned to her studies at Denison University, Sunday, after spending the spring vacation with her parents, the Roy Pursells of South Main street.

Mr. and Mrs. Richard Stribley and two sons Thomas and Stephen of Hartsough avenue spent last week sightseeing in New York City and Philadelphia, Pennsylvania. They also visited the Hershey plant at Hershey, Pennsylvania.

Mr. and Mrs. Carl Blaich have returned home after spending the winter months in Lake Worth, Florida.

Den's Pack 3 visited the Sugar Bush at the Bolgas farm near Ann Arbor last week and watched them making their famous maple syrup. They also visited the Bolgas dairy barns. Accompanying the group were Mr. and Mrs. John Park and Mrs. George Hake. Boys attending the outing were Ricky Smith, Tom Clinan-smith, John Park, Lonny Hake, Joe Pekarek, Bill Way and David Cook.

Mrs. Mabel Dick's is still confined to her home on Forest avenue where she was stricken with pneumonia three weeks ago.

Darlene Burghardt, 19-year-old daughter of Mr. and Mrs. Chris Burghardt, 356 Blunk street, returned recently to St. Mary's hospital in Cadillac, Michigan, where she is taking practical nurse's training there. Darlene is staying at the nurses' home, 219 East Cass street, Cadillac. Her mother said that Darlene will graduate from the one and one-half year course next March.

Mr. and Mrs. George Burr and daughter, Margaret Ann, returned last Thursday from a week's sightseeing trip in Williamsburg, Virginia.

Joanne Pursell

## Both Son, Daughter to Marry In Late Spring Ceremonies

Both daughter and son of Mr. and Mrs. Roy R. Pursell of 639 South Main will be married at ceremonies in the late spring of this year.

Carl Pursell is to marry Peggy Jean Brown on May 26, it was announced by her parents, Mr. and Mrs. Homer Brown of Wyandotte. The Roy Pursells have announced the engagement and approaching marriage of their daughter, Joanne, to Clark B. Smith, Jr., whose parents reside at 33014 Rochester, Detroit. The ceremony will take place in June.

Carl's fiance graduated in 1955 from Michigan State Normal college, Ypsilanti, where she was affiliated with Delta Zeta Epsilon sorority. He is now teaching in Wyandotte. The bride-groom elect will graduate from the same college this year. He is a member of Tau Kappa Epsilon fraternity. The rites will be held in Wyandotte.

A 1953 graduate of Plymouth high school, Joanne is in her junior year at Denison university in Granville, Ohio. She is affiliated with Chi Omega sorority. She

Peggy J. Brown

will enroll for her senior year at Wayne university where her fiance is in his junior year at the university's medical school.

## O. E. S. NEWS

Plymouth Chapter No. 115 will hold its special meeting at 7:45 p.m. on Tuesday, April 17. A social hour with refreshments will follow.

All those wishing to attend church Sunday, April 15, for the 11 O'clock service at the Methodist church, please call Helen Ingram, Plymouth 1587-W by Friday night.

The O. E. S. annual Spring Luncheon and card party will be held April 24 at 12:30 p.m. Those coming only for lunch will be served from 11 a.m. to 12:30 p.m.

We will appreciate donations for the Fancy Work and Bake Goods booths. Violet Hauk, Plymouth 1742-W, is chairman of the fancy work and Hazel Grimm, Garfield 1-8202, is chairman of the baked goods. We also need door prizes.

Glady's Colgan is in charge of the tickets. Her telephone is Garfield 1-3682.

## Report Change in How Fatal Accident Happened

A more accurate version of how the accident occurred which took the life of Mrs. John Mastic of Plymouth two weeks ago has been learned. Mrs. Mastic, who died the day following the accident on March 30, was one of five Plymouthites injured.

It was reported that Cletus Meek, 343 South Harvey street, was driving north on Canton Center road and came upon a stalled car. Having passed the disabled car, Meek backed his car up into a driveway on the west side of the road and was in the southbound lane of traffic when it was struck by a southbound car driven by Marcus W. Newsom, 9269 Lamont, Livonia.

The accident took place at 10:32 p.m. in front of 6401 Canton Center road.

Mrs. Donald Ward entertained members of her contract bridge club last Wednesday evening, in her home on Burroughs avenue.

Midweek prayer service, Thursday, 7:30 p.m.

## Evangelist, Violinist Scheduled For Appearance at Calvary Baptist

Appearance of an internationally-known evangelist and noted violin artist as two programs planned by Calvary Baptist church, 496 West Ann Arbor trail, it was announced by Reverend Patrick J. Clifford, church pastor.  
Evangelist Jack Cochrane, who was converted at Calvary Baptist, will speak at the local church Sunday morning, April 15, at 11:00. Since graduating from Northwest Bible college in Minneapolis, Cochrane has been engaged in evangelistic work, having made one world-tour and several trips to Europe for evangelistic services.  
Cochrane will sail for Scotland Wednesday, April 18, where he will conduct evangelistic meetings. From there he will go to the Continent to speak in U. S. Army camps.  
Under the auspices of the Gull Lake Bible conference, Al Zahlout, noted violinist will present a musical fiesta at Calvary Baptist church on Friday, April 20, at 7:30 p.m.

Al Zahlout

assisted in the program by his wife, a talented pianist, and his four daughters singing in harmony.  
The public is cordially invited to the programs.

Jack Cochrane

## Salvation Army Clarifies Starting Date for Home

Clarification of a starting date for the proposed Salvation Army home for the aged on Canton Center road was announced this week. It had previously been reported that the \$1,000,000 home would start when enough funds were received from the Metropolitan Building Fund campaign.  
It has since been pointed out that owner of the estate, John Haggerty, had stipulated in his will that the large home cannot be used by the Salvation Army until its occupants had passed on. One woman still remains a resident of the home at 2146 Canton Center road.

## Pancake Supper Tonight

A pancake supper will be held this evening, April 12, at the I. O. O. F. hall on Elizabeth street under the sponsorship of Rebekah and Odd Fellows lodges.  
Serving hours are from 5 to 8 p.m. with tickets available at the door. The event is open to the public.

## United Church Women Plan May Breakfast

Plans for a May Fellowship breakfast were discussed Monday by representatives of five local churches at a committee meeting of the Plymouth Council of United Church Women held in the home of Mrs. Emerson Robinson.  
The breakfast is to be held Friday, May 4, at 9:30 in the dining room of the First Presbyterian church. The international-ly-observed event will have as its theme, "Who Forms Your Opinions?"  
Program for the local observance includes a play to be read by a member from each of the eight participating churches. They are: First Methodist, First Baptist, First Presbyterian, St. John's Episcopal, Assembly of God, Salvation Army, The Reorganized Church of Christ of the Latter Day Saints, and the Church of the Nazarene.  
Mrs. John Walasky will direct the rehearsals of the play reading. Mrs. Leslie Daniel is to be hospitality chairman for the breakfast.  
Those attending the planning meeting were Mrs. Emerson Robinson, chairman of the May Fellowship breakfast; Mrs. C. C. Sterner, Mrs. H. J. Nicholls, Mrs. Miller Ross, Mrs. Sidney Strong, and Mrs. Samuel Hudson, publicity and tickets chairman.

## Rotarians to Entertain Ladies Wednesday Night

Plymouth Rotarians will hold their annual Ladies Night next Wednesday at the Covered Wagon Inn on Telegraph road.  
Starting at 6:45, the event will begin with a dinner, followed by entertainment. Included on the program is Ana M. Martinez-Cazado of Havana, Cuba. The soprano sang the role of Gretel in the Plymouth Symphony's presentation of "Hansel and Gretel" last Christmas and appeared on Arthur Godfrey's "Talent Scouts" program a month ago.  
Lawrence Lyons is in charge of ticket selling for the Ladies Night program. About 100 Rotarians and guests are expected to attend. The Covered Wagon Inn is operated by John Zittel, Plymouth resident and Rotarian.

## Sponsors Rummage Sale

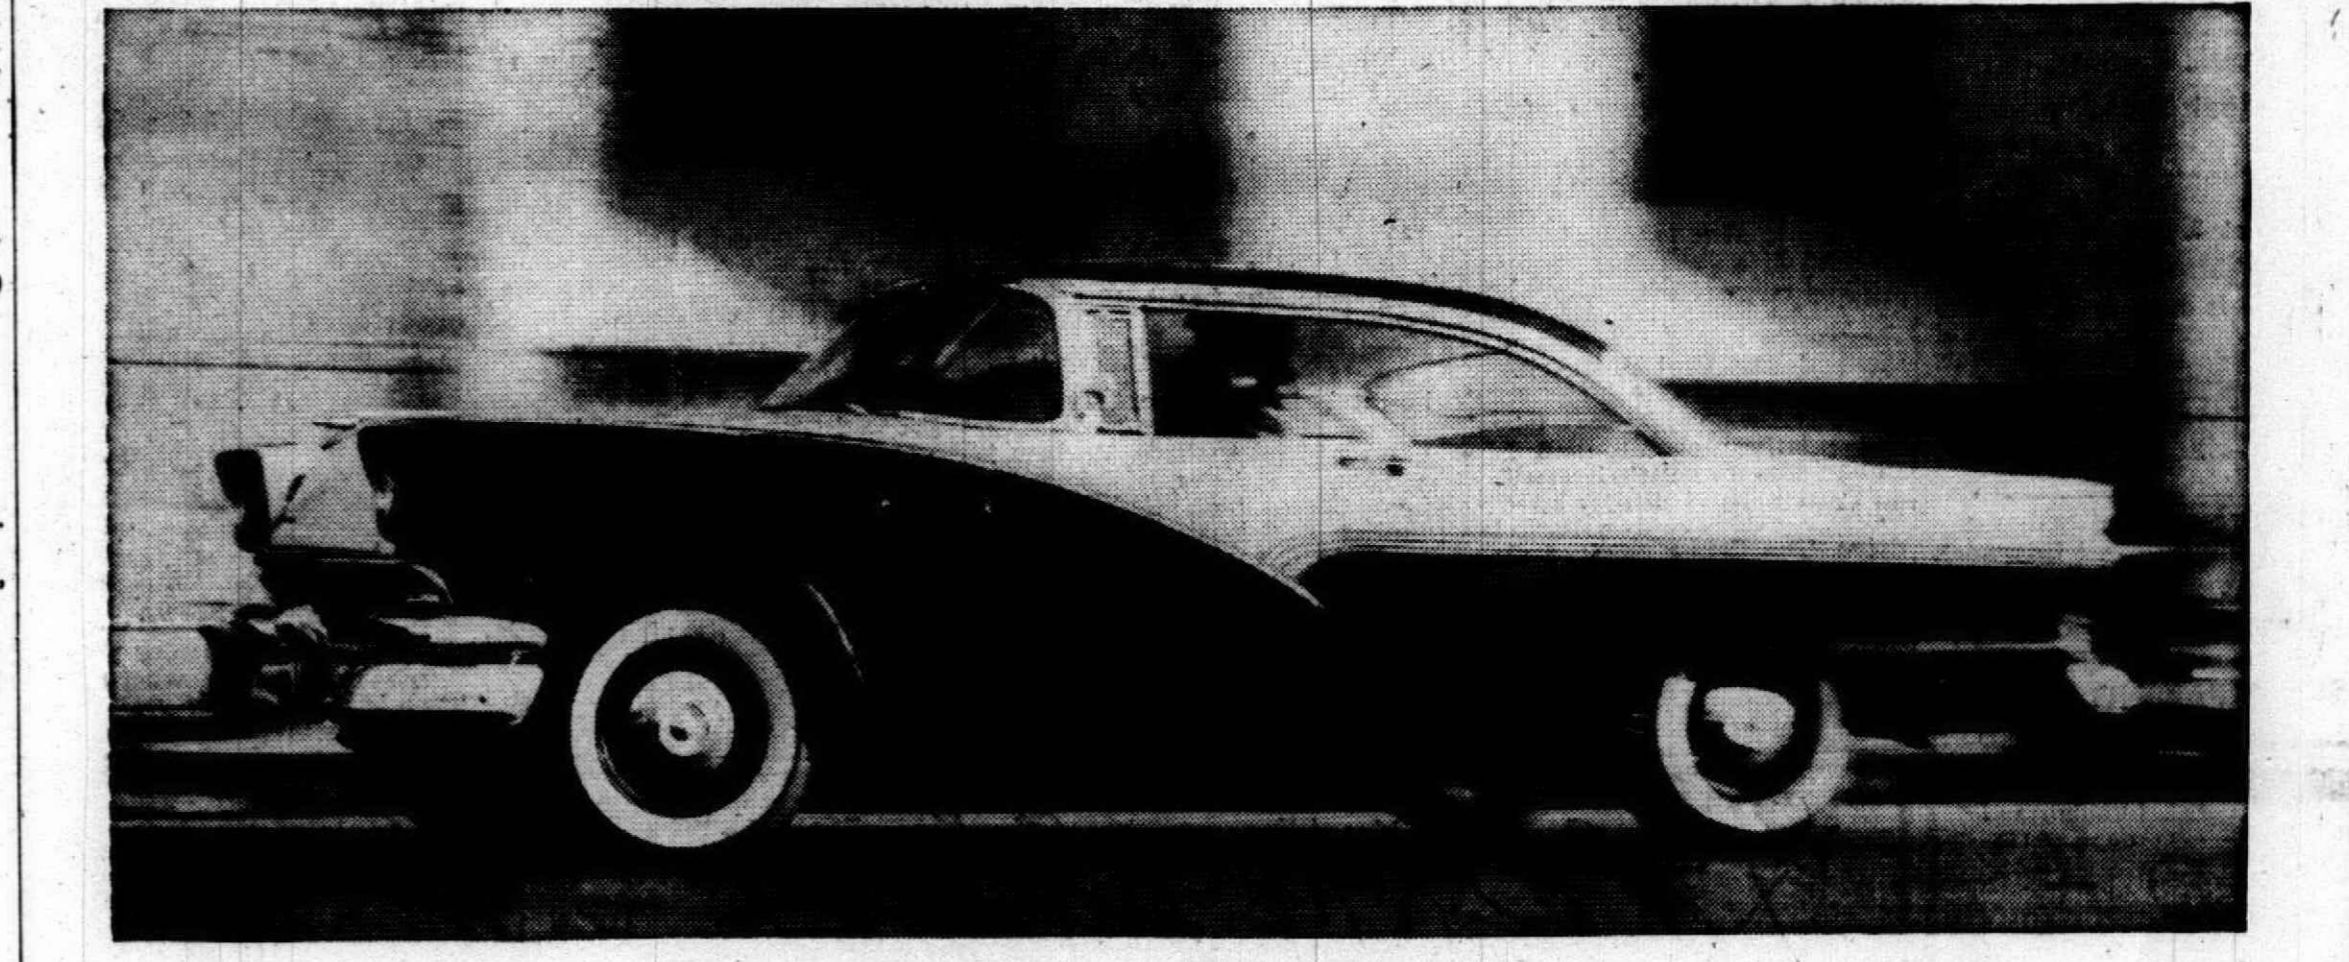

The auxiliary to Veterans of Foreign Wars, Mayflower post No. 6695, will sponsor a rummage sale this Friday and Saturday at the post hall on Lilley road.  
The event will start at 8 p.m. and is open to the public. Eleanor Gust is chairman of the sale.

Life is a wave which in no two consecutive moments of its existence is composed of the same particles.

**Its power packin' punch put it No.1 in V-8 sales**

**And now Ford's new 225-h.p. engine gives you even hotter performance!**

Today's biggest trend in automobiles is to the V-8 engine. That's because today's car buyer demands performance. And latest sales figures show that the Ford V-8 with its power-packin' punch is the largest-selling eight in the world! Official figures for 1955 show that 346,373 more people bought Ford V-8's than bought the two other low-priced eights combined!

But now Ford is setting an even hotter V-8 pace by making available the biggest engine ever offered in the low-price field. It's the Thunderbird Special V-8—and you can order it now in Fairlane and Station Wagon models. This engine has a displacement of 312 cubic inches and delivers 225 horsepower. It whisks you from "whoa" to GO as you've never gone before!

And Ford gives you that wonderfully long, low look of the Thunderbird in all of its '56 models. You get new Lifeguard Design, also, to help protect you in case of accident. Test Drive this great new '56 Ford... today!

**Ford wins all 3 awards**

# Thinclads Open Rocks' Spring Sports Today

Plymouth high school's full spring sports schedule takes official form during this week and next as all four of the athletic teams from the Rocks' camp open their respective battlings between now and Friday, April 20.

The track squad is the first to initiate its 1956 year when the local thinclads host Redford Union this afternoon behind the high school. Then in short order the remaining three sports swing into competitive action.

The golfers open their link campaign Monday when they journey to Southfield. The tennis team kicks off its warm-up wars next Thursday when Trenton pays the Rocks a visit. Finally the entire slate at Plymouth will be underway when the baseball nine travels to Belleville April 20 to kick-off the diamond season.

The thinclads, under the eye of Keith Baughman, will be out for a better-than-second place finish in the Suburban Six circuit, which was their end result last year. The golfers hope to improve on a two-win, one-tie and six-loss card from 1955. The tennis hopefuls, headed up by newly discovered coach, Bob Smith, plan to improve on a mediocre 1955 showing. The baseball team is after the crown to match the one captured last season.

Golf mentor this year will be High School Athletic Director John Sandman, while Cage Coach Charlie Ketterer takes over the duties as baseball head. Competitive sports at Plymouth this spring will consist of 43 contests, paced by the 14 tilts the diamond squad will wade through. The golf slate includes 13 events, while track and tennis look to eight. Also featured on the baseball list of games are two Saturday afternoon set-tos, both with Thurston high.

A new drill, developed for cut-coal mines, will cut a hole 73 inches in diameter and recently bored 467 feet straight down.

More than 97 1/2 per cent of the atmosphere lies below an altitude of 90,000 feet or approximately 17 miles, the highest level yet attained by man.

## Announces Enforcement Of Swimming Rules

The announcement of enforced regulations with regard to the only recreation swimming program Monday nights at the Plymouth pool was made by Recreation Director Herb Woolweaver last week. Enforcement entails allowing the parents and their children with only two other additional children as guests to participate in the program as a single group.

The complete swimming schedule at the pool in Plymouth high school is: Monday—family night for parents, children and two outside guest children; Tuesday—adult women only, 17 years of age and older; Wednesday—fathers and sons only; Thursday—mixed adult swimming; Friday—mixed swimming; Saturday—mixed teen-agers.

The hours of the swimming program each night are from 7:30 to 9 p.m.

## Recreational Baseball, Softball Loops Forming

An open meeting for all parties interested in the local men's class "A" and "B" recreational softball leagues will be held April 24 at the high school recreation office, announced Dick Huebler of the recreation department last week. The meeting will start at 7:30 p.m.

Huebler said that deadlines for team entries in the two local softball leagues will be midnight of Friday, May 18. The two leagues will begin their action this year the week of June 4.

In addition to initial plans for the "A" and "B" softball conferences, Huebler is also making early arrangements regarding the class "D," "E" and "F" baseball leagues here this season. These circuits are being organized now.

# Three Nearby Golf Courses Throw Open Links as New Season Arrives

TYPICAL OF HOPEFUL golfers who will soon swarm golf courses across the nation is this pair of men snapped by The Mail photographer at Hilltop. Along with the other two neighboring links nearby Plymouth — Brae Burn and Plymouth Country Club — Hilltop officially opened up last weekend despite a sudden and short return to wintry weather. Putting is Bob Hennelly of Beck road while holding the pin is Jimmy Tennant, a new professional at the Hilltop layout. The club house is visible in the background.

As a balmy spring clime apparently takes firm grasp on Michigan's unpredictable weather, golfers once more look to their woods and irons in happy anticipation of the current golf season.

And in keeping with the long-awaited transition from winter to spring, the three golf courses near Plymouth — Hilltop, Plymouth Country Club and Brae Burn—are at the same time making final preparations prior to throwing their fairways open to the many golfing enthusiasts who will soon swarm tees and greens.

A Plymouth Country Club, 8768 North Territorial, Pro-manager Casey Partridge made his official opening last weekend as he finished last-minute mowing and other initial-season jobs that readied his 18-hole par-72 layout for the 1956 season. The course was reported to be in as good condition as it ever has been this early in the year.

In addition to the normal amount of work on the fairways, greens and tee-off points, Partridge also has beautified his club house. At present a new locker room upstairs is being completed and downstairs final work is being done on a new banquet room. League play at CC will begin later this month.

Hilltop, 47000 Powell road, also opened officially last week-end as Chris Burghardt swung wide his doors. Burghardt, pro and manager at the nine-hole Hilltop outfit, has added a second professional to his personnel staff. The newcomer is Jimmy Tennant, former member of the Detroit department of recreation.

Burghardt said that the course is looking very good for this time of year. He added that the greens are in good condition and the fairways are fine for golfers. Burghardt anticipates having the best year yet. He has set aside each Tuesday as Ladies day.

Another new feature at Hilltop is the junior instruction plan for the younger golfing set. It is designed to handle two groups of youthful golf aspirants with Burghardt and Tennant dividing the instruction chores. It will begin with the onset of summer vacation and last through the fall.

At Brae-Burn, 19860 West Five Mile road, a spokesman for owners Fred and Walter Block explained that this lay-out, too, is in good shape for the current year. Brae Burn also opened officially last weekend.

Work is being done there to add nine more holes to the present nine. Other new features include a remodelled clubhouse which consists of new locker room and showers, new floors and an enlarged kitchen and dining area.

The spokesman added that the greens are in good shape and the course all-in-all is ready for the season.

Shirts for daring men are now offered in such colors as ambrosia apricot, Adriatic blue, Genoa lemon, Milona melon, California gold and peach.

CHAMPS of the Five Star bowling league, which recently completed the current season of action, are these six keglers, members of the Jack's Burgers team. The Burgers bowlers closed the year with a record of 72 points won and 40 lost. The men, from left, with their averages are: Hank Pry (167), Jim McGraw (166), Ken Keith (164), Jack Young (144), Ed Zielasko (177) and Lou Hurtik (159). Keith is team captain and Young, owner of Jack's Burgers, 714 Penniman, was the team sponsor. The squad also set the year's high team three-game mark of 3634 and the high team one-game tops of 961.

## Two from Local Recreation Office Attend Meeting

Herb Woolweaver, adult education and recreation director, and Dick Huebler, supervisor of competitive activities in the local recreational program, attended the Michigan Recreation Association's athletic meeting held in the Michigan State university's Union building, East Lansing, on April 4.

Discussed at the meeting were various phases of recreation work in the state. Included were the awarding of recreation baseball and softball tourney sites for the current year plus sites for the swimming, tennis and golf tournaments for this season.

Also the numerous members present discussed the new season's rules for baseball. The recreation state 1956 rule book, recently published, was found to have several errors in it that had to be straightened out. Among the subjects with regard to rules for baseball teams was the fact that baseball batters will be required to wear protective helmets this season.

## Manager of Plymouth Merchants Issues First Call for Ball Players

The first call for players on the Plymouth Merchants' class "A" amateur baseball team for this year was issued Monday by Manager Johnny Schwartz, who said that the initial try-out practice will be held Sunday at 2 p.m. on the Riverside Park diamond. Schwartz, who will co-manage the Merchants with Warren Bassett during the coming campaign, said he is looking for ballplayers for practically all positions on the squad. Last year, after a good start in the league, the Merchants faded to finally wind up seventh in the regular circuit with a five-win and 10-loss card.

Although the schedule is still being planned and the exact number of teams that will battle in the conference is as yet undetermined, Schwartz said that he is quite sure at least eight ballclubs will be contenders for the crown. He added that perhaps as many as 12 will form the 1956 Inter-County circuit. The teams will play 20 games.

The league is presently being cleared in Lansing as strictly an amateur conference. This means that players will not lose their amateur standings by taking part in the loop. The amateur listing will be retroactive through past seasons, Schwartz said.

Last year in the post-season play-offs, which pits upper division finishers against each other and lower-division clubs against each other, the Merchants closed in the runner-up slot to Northville in the second division tourney.

The initial try-out practice Sunday will be held specifically for the co-managers of the Merchants to get an idea of the players they have out this year. It also will start the pre-season drills which end the second week of May when regular league play begins.

Expected returnees from last year include Ed Hook, Joe Glatzer, Harold DeWulf and Elmer Rousseau and others. The Merchants will carry 15 players.

Those that make the best use of their time have none to spare.

## It's usable horsepower that counts!

Rated horsepower figures don't tell the whole story of truck performance!

Many passenger-car-type engines have to strain at the job of developing power to pull a normal load. They have to "give it all they've got" to move their loads and keep them rolling, cost big money in wear, repair and shortened life.

INTERNATIONAL Truck engines—built for trucks—turn at relatively low rpm—deliver high usable power at normal road speeds. They are part of the all-truck engineering that asks no passenger car component to do a truck job—part of the thinking that builds trucks stronger, to last longer... save you the BIG money in operating and maintenance costs.

Come in and let us give you all the facts!

All-Truck Power Plus Today's Most Modern Truck Features

- Functional, practical, money-saving styling
- Famous driver-designed Comfo-Vision cab
- Power steering, power brakes available for most models
- Automatic transmission optional on many models

Your trade-in may cover the down payment. Convenient terms arranged.

# Sanitary Sewer Bond Issue Ordinance No. 201

AN ORDINANCE TO PROVIDE FOR THE ACQUISITION AND CONSTRUCTION OF SANITARY SEWERS FOR THE CITY OF PLYMOUTH, TOGETHER WITH NECESSARY APPURTENANCES AND ATTACHMENTS THERETO; TO PROVIDE FOR THE ISSUANCE OF SELF-LIQUIDATING REVENUE BONDS FOR THE PURPOSE OF PAYING THE COST THEREOF UNDER THE PROVISIONS OF ACT 94, PUBLIC ACTS OF MICHIGAN, 1933, AS AMENDED; PROVIDING FOR THE FIXING, COLLECTION, SEGREGATION AND DISPOSITION OF THE REVENUES OF SAID SEWAGE DISPOSAL SYSTEM OF THE CITY AND PAYMENT OF SAID BONDS OUT OF THE REVENUES THEREOF; AND CREATING A STATUTORY LIEN ON SAID REVENUES.

**THE CITY OF PLYMOUTH ORDAINS:**

**Section 1.** It is hereby determined to be necessary for the public health, safety and welfare of the City of Plymouth to acquire and construct, in accordance with detailed maps, plans and specifications therefor prepared by Herald F. Hamill, consulting engineer of Plymouth, Michigan, sanitary sewers in the City of Plymouth described as follows:

**Section 2.** The cost of said sewers has been estimated by said engineer to be Six Hundred Thousand (\$600,000.00) Dollars, including the payment of incidental expenses as specified in Section 3 of this Ordinance, which estimate of cost is hereby approved and confirmed, and the period of usefulness of said public improvements is estimated to be not less than forty (40) years.

**Section 3.** To pay the cost of acquiring and constructing said sewers, including the payment of legal, financial and other expenses incident thereto and incident to the issuance and sale of the bonds and including payment of interest due on the bonds on January 1, 1957, it is hereby determined that the City of Plymouth shall borrow the sum of Six Hundred Thousand (\$600,000.00) Dollars, and that revenue bonds be issued therefor pursuant to the provisions of Act 94, Public Acts of Michigan, 1933, as amended, which bonds are referred to in this Ordinance as "the bonds."

Whenever the words "the System" are referred to in this Ordinance, they shall be understood to mean the complete Sewage Disposal System of the City of Plymouth, including all sanitary sewers, combined storm and sanitary sewers, sewer pumping stations, sewage treatment plant when and as acquired, and all other facilities used or useful in the collection and disposal of domestic, commercial or industrial sanitary wastes, and all appurtenances thereto including all extensions and improvements thereon.

Whenever the words "public improvements" are used in this Ordinance, they shall be understood to mean improvements authorized to be acquired and constructed under the provisions of this Ordinance.

Whenever the words "revenues" and "net revenues" are used in this Ordinance, they shall be understood to have the meanings as defined in Section 3, Act 94, Public Acts of Michigan, 1933, as amended.

**Section 4.** Said bonds shall be designated SEWAGE DISPOSAL SYSTEM REVENUE BONDS, and shall be not general obligations of the City of Plymouth but revenue bonds, payable out of the net revenues of the System after provision has been made for the payment of expenses of operation, and shall consist of 600 bonds of the denomination of \$1,000.00 each, dated as of May 1, 1956, numbered in direct order of maturity from 1 to 600, both inclusive, and maturing as follows:

- \$20,000.00 July 1, 1959;
  - \$25,000.00 July 1st of each year from 1960 to 1963, both inclusive;
  - \$20,000.00 July 1st of each year from 1964 to 1982, both inclusive;
  - \$25,000.00 July 1st of each year from 1983 to 1986, both inclusive;
- said bonds to bear interest at a rate or rates not exceeding four (4%) per cent per annum, payable on January 1, 1957, and semi-annually thereafter on July 1st and January 1st of each year, both principal and interest to be payable in lawful money of the United States of America at National Bank of Detroit, Detroit, Michigan. Interest payable January 1, 1957, shall be paid from the proceeds of sale of the bonds.

Bonds numbered 1 to 260, both inclusive, maturing in the years 1959 to 1970, both inclusive, will not be subject to prior redemption.

Bonds numbered 461 to 600, both inclusive, maturing in the years 1981 to 1986, both inclusive, will be subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any interest payment date on or after July 1, 1961. Bonds numbered 261 to 460, both inclusive, maturing in the years 1971 to 1980, both inclusive, will be subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any interest payment date on or after July 1, 1965. Bonds called for redemption shall be redeemed at par and accrued interest to the date fixed for redemption plus a premium for each bond so redeemed as follows:

- \$40.00 on each bond called for redemption on or before July 1, 1965;
- \$30.00 on each bond called for redemption after July 1, 1965, but on or before July 1, 1967;
- \$27.50 on each bond called for redemption after July 1, 1967; but on or before July 1, 1969;
- \$25.00 on each bond called for redemption after July 1, 1969, but on or before July 1, 1971;
- \$22.50 on each bond called for redemption after July 1, 1971, but on or before July 1, 1973;
- \$20.00 on each bond called for redemption after July 1, 1973, but on or before July 1, 1975;
- \$17.50 on each bond called for redemption after July 1, 1975, but on or before July 1, 1977;
- \$15.00 on each bond called for redemption after July 1, 1977, but on or before July 1, 1979;
- \$12.50 on each bond called for redemption after July 1, 1979, but on or before July 1, 1981;
- \$10.00 on each bond called for redemption after July 1, 1981, but on or before July 1, 1983;
- \$ 7.50 on each bond called for redemption after July 1, 1983, but on or before July 1, 1985;
- \$ 5.00 on each bond called for redemption after July 1, 1985.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan

which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds, thirty days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the paying agent to redeem said bonds.

Said bonds may be registered as to principal only in the manner and with the effect set forth on the face thereof as hereinafter provided.

Said bonds shall be signed by the Mayor and countersigned by the City Clerk and shall have the corporate seal of the City impressed thereon, and shall have interest coupons attached bearing the facsimile signatures of said Mayor and City Clerk.

**Section 5.** Said bonds and the attached coupons shall not be a general obligation or indebtedness of the City of Plymouth, but shall be payable solely from the net revenues derived from the operation of the System; and to secure such payment there is hereby created a statutory first lien upon the whole of the net revenues of said System, to continue until the payment in full of the principal and interest on said bonds.

**Section 6.** The holder or holders of said bonds or coupons representing in the aggregate not less than twenty (20%) per cent of the entire issue then outstanding may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce the statutory first lien upon the revenues of said System and may by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the City of Plymouth, including the fixing of sufficient rates, the collection of revenues, the proper segregation of the revenues of the System and the proper application thereof: Provided, however, that the statutory lien upon said revenues shall not be construed as to compel the sale of the System.

If there be any default in the payment of the principal of, or interest upon, any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate said System on behalf of the City, and under the direction of said court, and by and with the approval of said court to perform all of the duties of the officials of said City, more particularly set forth herein and in Act 94, Public Acts of Michigan, 1933, as amended.

The holder or holders of any such bonds or any coupons therefrom shall have all other rights and remedies given by said Act 94, Public Acts of Michigan, 1933, as amended, for the collection and enforcement of said bonds and the security therefor.

**Section 7.** The construction, alteration, repair and management of the System shall be under the supervision and control of the City Commission. The City Manager shall have active administrative charge of the operation and management of the System, and may employ such person or persons in such capacity or capacities as he deems advisable to carry on the efficient management and operation of the System, subject to the approval of the City Commission. The City Commission may make such rules, orders and regulations as it deems advisable and necessary to assure the efficient management and operation of the System.

**Section 8.** The rates to be charged for sewer service furnished by the System until July 1, 1956, shall be those in effect in the City on the effective date of this Ordinance; and commencing July 1, 1956, and until otherwise provided, shall be at the rates and shall be collected as follows:

**I. SEWER RATES**

**A. RESIDENTIAL CONNECTION CHARGES**

1. For all new houses or residential dwellings constructed or completed subsequent to the date of the adoption of this Ordinance, connecting directly to the sewers to be constructed from the proceeds of sale of the bonds herein authorized, the sum of \$400.00 shall be paid as a connection charge or charge. Such charge shall be paid in full at the time permit is requested for a connection to the Sewage Disposal System.

2. For all houses or residential dwellings heretofore constructed or completed and occupied, connecting directly to the sewers to be constructed from the proceeds of sale of the bonds herein authorized, the following shall be paid as a connection charge: (a) The sum of \$400.00 in cash prior to permit being issued for any connection, or (b) at the option of the applicant, in lieu of such cash payment, such connection charge or charge may be paid at the rate of \$3.00 per bi-monthly (two-month) period until a total of \$468.00 has been paid, said sums to be billed bi-monthly (each two months) at the same time as the consumption rates hereinafter set forth are billed as a separate item in said bill.

3. For all houses or residential dwellings whether heretofore or hereafter constructed and completed, connecting directly to lateral sewers constructed by developers or constructed from the proceeds of special assessments on the property benefited but which use or are served by sewers constructed from the proceeds of sale of the bonds authorized herein as an outlet, the sum of \$200.00 shall be paid as a connection charge or rate. Such charge shall be paid in full at the time permit is requested for a connection to the System.

All connections to the System shall be made by and at the expense of the property owner or user so connecting, subject to any rules or regulations therefor now or hereafter established by the City, and subject to inspection and approval prior to use. Permit for such connection shall be obtained in advance from the City, and the property owner or user making such connection shall pay all inspection charges now or hereafter established by the City prior to the use thereof.

**B. COMMERCIAL, INDUSTRIAL AND SCHOOL CONNECTION CHARGES**

All commercial, industrial and school users hereafter connecting, directly or indirectly, to sewers of the System constructed from the proceeds of sale of the bonds herein authorized shall pay a connecting charge or rate as follows:

- (a) Commercial connections: \$1.00 per front foot per year, payable in bi-monthly (each two months) installments, for a period of fifteen (15) years.
- (b) Industrial and school connections: \$100.00 per acre per year, payable in bi-monthly (each two months) installments, for a period of ten (10) years.

**C. SEWAGE CONSUMPTION RATES**

Such rates shall be levied in addition to the connection charge set forth above, on each lot or parcel of land, building or premises now or hereafter having any connection with the System, on the basis of the quantity of water used therein or thereon, as the same is measured by the water meter installed therein. Such consumption rate shall be as follows, to wit:

- (a) For users connecting directly to the sewers of the System constructed from the proceeds of sale of the bonds herein authorized and for users who make use of said sewers as an outlet, a charge of \$1.7 per 1,000 gallons shall be made.
  - (b) For all other users, a charge of \$1.0 per 1,000 gallons shall be made.
- The minimum bi-monthly consumption charge shall be \$1.50 per bi-monthly period.

**II. BILLING**

Bills for the connection rates and charges (where payable in installments) and consumption rates shall be made as separate items on the water bills for those premises served by the System who have connections to the water system of the City of Plymouth, and separate bills for such rates and charges, or those applicable, shall be prepared for premises having no connection to the water system. For those premises not having a water meter to measure the quantity of water used, a special consumption rate may be established by the City. Said bills shall be rendered bi-monthly (each two months) during each operating or fiscal year and shall represent charges for the bi-monthly (each two months) period immediately preceding the date of rendering the bill. Said bills shall become due and payable within fifteen (15) days from the date thereof, and for all bills not paid when due, a penalty of ten (10%) per cent of the amount of such bill shall be added thereto.

**III. MUNICIPAL CHARGE**

For the benefit derived by the City-at-large, the City shall

pay a charge of \$14,000.00 per year, which charge shall be payable in quarterly installments, in advance, from the current funds of the City, or from the proceeds of taxes which the City, within constitutional and statutory limits, is hereby authorized and required to levy in an amount sufficient for that purpose.

**IV. SPECIAL RATES**

For miscellaneous services for which a special rate shall be established, such rates shall be fixed by the City Commission. Where a user uses a large amount of water which is not discharged into the sanitary sewer system, a special rate for sewer service of such user may be established.

**V. ENFORCEMENT**

The charges for sewer services which are under the provisions of Section 21, Act 94, Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such lien and whenever any such charge against any piece of property shall be delinquent for six (6) months, the City official or officials in charge of the collection thereof shall certify annually, on April 1st of each year, to the tax-assessing officer of the City, the fact of such delinquency, whereupon such charge shall be by him entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general City taxes against such premises are collected, and the lien thereof enforced: Provided, however, where notice is given that a tenant is responsible for such charges and service as provided by said Section 21, no further service shall be rendered such premises until a cash deposit of not less than Ten (\$10.00) Dollars shall have been made as security for payment of such charges and service.

In addition to other remedies provided, the City shall have the right to shut off and discontinue the supply of water to any premises for the non-payment of sewer rates when due. If such charges are not paid within thirty (30) days after the due date thereof, then water services to such premises shall be discontinued. Water services so discontinued shall not be restored until all sums then due and owing shall be paid, plus a turn-on charge of One (\$1.00) Dollar.

**Section 9.** No free service shall be furnished by said System to any person, firm or corporation, public or private, or to any public agency or instrumentality.

**Section 10.** If the character of sewage from any manufacturing or industrial plant or any other building or premises shall be such as to impose an unreasonable additional burden upon the sewers of the System, then an additional charge may be made over and above the regular rates, or it may be required that such sewage be treated by the person, firm or corporation responsible therefor before being emptied into the sewer, or the right to empty such sewage may be denied if necessary for the protection of the sewer and sewage disposal facilities of the System or the public health or safety.

**Section 11.** The rates hereby fixed are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the said System as are necessary to preserve the same in good repair and working order, to provide for the payment of the interest due and payable, and all the bonds as and when the same become due and payable, and the creation of the reserve therefor required by this Ordinance, and to provide for such other expenditures and funds for said System as this Ordinance may require. Such rates shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed at all times to fix and maintain such rates for services furnished by the System as shall be sufficient to provide for the foregoing.

**Section 12.** The System shall be operated on the basis of an operating year commencing on July 1st and ending on June 30th next following.

**Section 13.** From and after April 1, 1956, the revenues of the System shall be set aside, as collected, and deposited in a separate depository account in National Bank of Detroit, Detroit, Michigan, a bank duly qualified to do business in Michigan, in an account to be designated SEWAGE DISPOSAL SYSTEM RECEIVING FUND (hereinafter, for brevity, referred to as the Receiving Fund), and said revenues so deposited are pledged for the purpose of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified.

**(A) OPERATION AND MAINTENANCE FUND:**

Out of the revenues in the Receiving Fund there shall be first set aside, monthly, into a separate depository account designated OPERATION AND MAINTENANCE FUND, a sum sufficient to provide for the payment of the next month's current expenses of administration and operation of the System and such current expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order.

The City Commission, prior to the commencement of each operating year shall adopt a budget covering the foregoing expenses for each year and such total expenses shall not exceed the total amount specified in said budget, except by a vote of three-fifths (3/5) of the members of the City Commission.

**(B) BOND AND INTEREST REDEMPTION FUND:**

There shall next be established and maintained a separate depository account, designated as the BOND AND INTEREST REDEMPTION FUND, the moneys on deposit therein from time to time to be used solely for the purpose of paying the principal of and interest upon the bonds hereby authorized. The moneys in the Bond and Interest Redemption Fund (including the Bond Reserve Account hereinafter established) shall be kept on deposit with the bank or trust company where the principal and interest on the bonds herein authorized are currently payable.

Out of the revenues remaining in the Receiving Fund after provision has been made for expenses of operation and maintenance of the System, there shall next be set aside, monthly, in the Bond and Interest Redemption Fund, a sum proportionately sufficient to provide for the payment of the principal of and interest upon all outstanding bonds payable from the revenues of the System, as and when the same become due and payable. Commencing January 1, 1957, the amount so set aside for interest each month during the last six months of each operating year shall not be less than one-sixth (1/6) of the total amount of interest maturing on the following July 1st, and each month during the first six months of each operating period shall be not less than one-sixth (1/6) of the total amount of interest maturing on the following January 1st. The amount so set aside for principal during each month during each operating year, commencing July 1, 1958, shall be not less than one-twelfth (1/12) of the amount of principal maturing on the July 1st following such operating year. If there shall be any deficiency in the amount previously required to be set aside, then the amount of such deficiency shall be added to the current requirements.

There is hereby established in the Bond and Interest Redemption Fund a separate account to be known as the Bond Reserve Account into which there shall be paid, in each month from the revenues of the System after provision has been made for the Operation and Maintenance Fund and the Bond and Interest Redemption Fund, all of the remaining revenues of the System, until there has been accumulated in said Bond Reserve Account the sum of Fifty Thousand (\$50,000.00) Dollars. Said Bond Reserve shall be accumulated in its full amount not later than the close of the operating year commencing July 1, 1958. The moneys in the said Bond Reserve Account shall be used solely for the payment of the principal and interest on said bonds as to which there would otherwise be default.

If at any time it shall be necessary to use moneys in the Bond Reserve Account for such payment, then the moneys so used shall be replaced from the net revenues first received thereafter which are not required by this Ordinance to be used for operation and maintenance or for current principal and interest requirements: Provided, however, that such Bond Reserve Account shall not be regarded as moneys otherwise appropriated or pledged for the purpose of determining the sufficiency of funds available for redemption of callable bonds.

No further payments need be made into the Bond and Interest Redemption Fund after enough of the bonds have been retired so that the amount then held in said Fund (including the Bond Reserve Account) is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the bonds then remaining outstanding.

**(C) REPLACEMENT FUND:**

There shall next be established and maintained a separate depository account designated as the REPLACEMENT FUND, which shall be used solely for the purpose of making major repairs and replacements to the System. There shall be deposited into said Account, each month, after providing for all requirements of the Operation and Maintenance Fund and the Bond and Interest Redemption Fund (including the Bond Reserve Account), all of the remaining revenues of the System until such fund shall total Twenty-five Thousand (\$25,000.00) Dollars. If, at any time, it shall be necessary to use moneys in said Fund for such purpose, the moneys so used shall be replaced from the net revenues in the Receiving Fund which are not required by this Ordinance to be used for the Operation and Maintenance Fund or the Bond and Interest Redemption Fund (including the Bond Reserve Account).

**(D) SURPLUS MONEYS:**

Moneys remaining in the Receiving Fund at the end of any operating year, after full satisfaction of the requirements of the foregoing funds, may, at the option of the City Commission, be transferred to the Bond and Interest Redemption Fund and used for the purpose of calling bonds for redemption in the manner herein specified, transferred to a separate depository account to be designated Improvement Fund and used for improvements, enlargements and extensions to the System or used to pay principal and interest on general obligation bonds or special assessment bonds of the City hereafter issued for the purpose of acquiring improvements to the System: Provided, however, that if there should be any deficit in the Operation and Maintenance Fund, Bond and Interest Redemption Fund (including the Bond Reserve Account) or the Replacement Fund on account of defaults in setting aside therein the amounts hereinbefore required, then transfers shall be made from the moneys remaining in the Receiving Fund at the end of any operating year to such funds in the priority and order named, to the extent of such deficits.

**Section 14.** All cash on hand in the Sewer Department on April 1, 1956, and not specifically allocated for a definite purpose, shall be transferred to the Receiving Fund at that time.

**Section 15.** In the event the moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund or the Bond and Interest Redemption Fund, any moneys and/or securities in other funds of the System shall be transferred, first to the Operation and Maintenance Fund, and second, to the Bond and Interest Redemption Fund to the extent of any deficit therein.

**Section 16.** Moneys in the Bond and Interest Redemption Fund over and above those being accumulated for the payment of principal and interest next maturing and moneys in any other fund except the Receiving Fund and the Operation and Maintenance Fund, and moneys derived from the proceeds of sale of the bonds, may be invested in obligations of the United States of America. In the event such investments are made, the securities representing the same shall be kept on deposit with the bank or trust company having on deposit the fund or funds from which such purchase was made. Income received from such investments shall be credited to the fund from which said investments were made.

**Section 17.** Said bonds shall be sold and the proceeds applied in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended.

**Section 18.** The proceeds of the sale of the bonds herein authorized to be issued shall be deposited in National Bank of Detroit, Detroit, Michigan, a Federal Reserve System Member Bank. From the proceeds of sale of the bonds there shall be immediately transferred to the Bond and Interest Redemption Fund, the accrued interest and premium, if any, received on sale and delivery of the bonds and a sum sufficient to pay interest on the bonds herein authorized on January 1, 1957. The balance of such proceeds shall be applied solely in payment of the cost of the project hereinbefore described and any engineering, legal and other expenses incident thereto and to the financing thereof. Payments for construction, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the City Commission a signed statement to the effect that the work has been completed in accordance with the plans and specifications therefor, that it was done pursuant to and in accordance with the contract therefor, and that such work is entirely satisfactory.

Any unexpended balance of the proceeds of sale remaining, after completion of the public improvements herein authorized, may, in the discretion of the City Commission, and to the extent of fifteen (15%) per cent of the amount of the bonds authorized by this Ordinance, be used for further improvements, enlargements and extensions to the System, provided that at the time of such expenditure such use be approved by the Municipal Finance Commission. Any remaining balance after such expenditure shall be paid into the Bond and Interest Redemption Fund and shall be used for the redemption of callable bonds, or prior to the first call date only, purchasing bonds on the open market at not more than the fair market value thereof, and at a price in any event not exceeding the first call price.

**Section 19.** The City of Plymouth covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest—

(a) The City of Plymouth will maintain the System in good repair and working order and will operate the same efficiently and will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Michigan, including the making and collecting of sufficient rates for sewer services rendered by the System, and the segregation and application of the revenues of the System in the manner provided in this Ordinance.

(b) The City Commission will cause to be maintained and kept proper books of records and account, separate from all other records and accounts of the City, in which shall be made full and correct entries of all transactions relating to the System. Not later than sixty (60) days after the close of each operating year, the City Commission will cause to be prepared on forms furnished by the Municipal Finance Commission, if such forms be available, a statement in reasonable detail, sworn to by its Chief Accounting Officer, showing the cash income and disbursements of the System during each operating year, the assets and liabilities of the System at the beginning and close of the fiscal year, and such other information as is necessary to enable any taxpayer of the City, user of the service furnished, or any holder or owner of the bonds or anyone acting in their interest, to be fully informed as to all matters pertaining to the financial operation of the System during such year. A certified copy of such statement shall be filed within seventy-five (75) days after the close of each operating year with the Municipal Finance Commission, and a copy sent to the manager of the account purchasing the bonds. Such statement and books of record and account shall at all reasonable times be open to inspection by any taxpayer of the City, user of the service or holder or owners of any bonds or anyone acting in their behalf. The City Commission will also cause an annual audit of such books of record and account for the preceding operating year to be made each year by a recognized independent certified public accountant, and will mail a copy of such audit to the manager of the syndicate or account purchasing the bonds. Such audit shall be completed and so made available not later than three (3) months after the close of each operating year.

(c) The City will maintain and carry, for the benefit of the holders of the bonds, insurance on all physical properties of the System, of the kinds and in the amounts normally carried by public utility companies and municipalities engaged in the operation of sewage disposal systems. All moneys received for losses under any such insurance policies shall be applied solely to the replacement and restoration of the property damaged or destroyed, and to the extent not so used, shall be used for the purpose of calling bonds.

(d) The City will not sell, lease or dispose of the System, or any substantial part thereof, until all of the bonds have been paid in full, both as to principal and interest. The City further will cause the operation of the System to be carried on as economically as possible, will cause to be made to the System all repairs and replacements necessary to keep the same in good repair and working order and will not do or suffer to be done any act which would affect the System in such a way as to impair or affect unfavorably the security of the bonds.

**Section 20.** The right is reserved, in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended, to issue additional bonds payable from the revenues of the System, which shall be of equal standing with the bonds herein authorized but only for the following purposes:

- (a) To complete the public improvements in accordance with

# Sanitary Sewer Bond Issue Ordinance No. 201

the plans and specifications therefor, and such bonds shall not be authorized unless the consulting engineers, or the successor engineers in charge of construction, shall execute a certificate evidencing the fact that additional funds are needed to complete the public improvements in accordance with the plans and specifications therefor. If such certificate shall be so executed and filed with the City Clerk, it shall be the duty of the City Commission to provide for and issue additional revenue bonds in the amount stated in said certificate to be necessary to complete the public improvements in accordance with the plans and specifications.

(b) For subsequent extensions and improvements to the System: Provided that no such additional bonds shall be issued unless the average annual net revenues for the last two (2) preceding completed operating years of the System, when supplemented by the net revenues estimated to accrue from the extensions and improvements to be acquired, and/or when supplemented by the net revenues estimated to accrue from an increase in rates to be put into effect at the time such additional bonds are authorized, shall be equal to at least one and one-half (1-1/2) times the average annual principal and interest requirements thereafter maturing on the bonds herein authorized, on any then previously issued bonds of equal standing with the bonds herein authorized, and on such additional bonds then being issued. Prior to the issuance of any additional bonds pursuant to this paragraph, there shall be filed with the City Clerk a statement showing the average annual net revenues for the two (2) preceding completed operating years, the net revenues estimated to accrue from the proposed extensions and improvements, the net revenues estimated to accrue from said increase in rates, if any, and the average annual principal and interest requirements on all outstanding bonds payable from revenues of the System and the bonds proposed to be issued. Said statement shall be executed by a registered engineer appointed by the City and by an engineer designated by the Municipal Finance Commission (or such other State body having jurisdiction over the issuance of municipal bonds). Permission of the Municipal Finance Commission (or such other State body having jurisdiction over the issuance of municipal bonds) to issue such additional bonds shall constitute a conclusive presumption of the existence of conditions permitting the issuance thereof.

Except as herein authorized, no additional bonds having equal standing with the bonds of this issue shall be authorized or issued.

Section 21. Said bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA  
STATE OF MICHIGAN  
COUNTY OF WAYNE  
CITY OF PLYMOUTH

SEWAGE DISPOSAL SYSTEM REVENUE BOND

No. \_\_\_\_\_ \$1,000.00

KNOW ALL MEN BY THESE PRESENTS, that the CITY OF Plymouth, Wayne County, Michigan, for value received, hereby promises to pay to the bearer or, if registered, to the registered holder hereof, but only out of the revenues of the Sewage Disposal System of the City of Plymouth, including all appurtenances, extensions and improvements thereto, the sum of

ONE THOUSAND DOLLARS

on the first day of July, A.D., 19\_\_\_\_, with interest thereon from the date hereof until paid at the rate of \_\_\_\_\_ per cent per annum, payable on January 1, 1957, and semi-annually thereafter on the first day of July and January of each year, on presentation and surrender of the proper interest coupons hereto attached as they severally become due. Both principal and interest on this bond are payable in lawful money of the United States of America at National Bank of Detroit, Detroit, Michigan, and for the prompt payment thereof, the gross revenues of the Sewage Disposal System of the City of Plymouth, including all appurtenances, extensions and improvements thereto, after provision has been made for reasonable and necessary expenses of operation, administration and maintenance, are irrevocably pledged and a statutory first lien thereon is hereby created.

This bond is one of a series of six hundred (600) bonds of even date and like tenor except as to date of maturity aggregating the principal sum of \$600,000.00, numbered consecutively in direct order of maturity from 1 to 600, both inclusive, issued pursuant to Ordinance No. 201, duly adopted by the City Commission on April 2, 1956, and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying the cost of acquiring and constructing improvements to the Sewage Disposal System of the City.

For a complete statement of the revenues from which, and the conditions under which this bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued, and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described Ordinance.

Bonds of this issue numbered 1 to 260, both inclusive, maturing in the years 1959 to 1970, both inclusive, are not subject to prior redemption.

The right is reserved of redeeming bonds numbered 461 to 600, both inclusive, maturing in the years 1981 to 1986, both inclusive, at the option of the City, in inverse numerical order, on any interest payment date on or after July 1, 1961. Bonds numbered 261 to 460, both inclusive, maturing in the years 1971 to 1980, both inclusive, are subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any interest payment date on or after July 1, 1965. Bonds called for redemption shall be redeemed at par and accrued interest to the date fixed for redemption plus a premium for each bond so redeemed as follows:

- \$40.00 on each bond called for redemption on or before July 1, 1965;
- \$30.00 on each bond called for redemption after July 1, 1965, but on or before July 1, 1967;
- \$27.50 on each bond called for redemption after July 1, 1967, but on or before July 1, 1969;
- \$25.00 on each bond called for redemption after July 1, 1969, but on or before July 1, 1971;
- \$22.50 on each bond called for redemption after July 1, 1971, but on or before July 1, 1973;
- \$20.00 on each bond called for redemption after July 1, 1973, but on or before July 1, 1975;
- \$17.50 on each bond called for redemption after July 1, 1975, but on or before July 1, 1977;
- \$15.00 on each bond called for redemption after July 1, 1977, but on or before July 1, 1979;
- \$12.50 on each bond called for redemption after July 1, 1979, but on or before July 1, 1981;
- \$10.00 on each bond called for redemption after July 1, 1981, but on or before July 1, 1983;
- \$ 7.50 on each bond called for redemption after July 1, 1983, but on or before July 1, 1985;
- \$ 5.00 on each bond called for redemption after July 1, 1985.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds and in case of registered bonds, thirty days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond, and is not a general obligation of the City of Plymouth and does not constitute an indebtedness of the City of Plymouth within any constitutional or statutory limitation, and is payable, both as to principal and interest, solely from the revenues of the Sewage Disposal System of the City. The principal and interest on this bond are secured by statutory lien hereinbefore mentioned.

The City of Plymouth hereby covenants and agrees to fix and maintain at all times while any of such bonds shall be outstanding, such rates for service furnished by said Sewage Disposal System as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds and when the same become due and payable, and to create a bond and interest redemption fund (including a bond reserve account) therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of said Sewage Disposal System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for said System as are required by said Ordinance.

This bond and the interest thereon are exempt from any and

all taxation whatsoever by the State of Michigan or by any taxing authority within said State.

This bond may be registered as to principal only on the books of the City Treasurer in the name of the holder, and such registration noted on the back hereof by the City Treasurer, after which no transfer shall be valid unless made on the books and noted hereon in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the City of Plymouth, Wayne County, Michigan, by its City Commission, has caused this bond to be signed in the name of said City by its Mayor and countersigned by its City Clerk and the corporate seal of the City to be affixed hereto, and the coupons hereto attached to be signed by the facsimile signatures of said Mayor and City Clerk, as of the first day of May A.D., 1956.

CITY OF PLYMOUTH

By \_\_\_\_\_ Mayor  
(Seal)  
Countersigned: \_\_\_\_\_ City Clerk.  
(Form of Coupon)

No. \_\_\_\_\_ \$ \_\_\_\_\_  
On the first day of \_\_\_\_\_ A.D., 19\_\_\_\_, the City of Plymouth, Wayne County, Michigan, will pay to the bearer hereof the sum of \_\_\_\_\_ Dollars, in the manner and out of the revenues described in said bond at National Bank of Detroit, Detroit, Michigan, being the semi-annual interest then due on its Sewage Disposal System Revenue Bond, dated May 1, 1956, No. \_\_\_\_\_

This coupon is not a general obligation of the City of Plymouth, but is payable from certain revenues as set forth in the bond to which it pertains.

By \_\_\_\_\_ Mayor  
City Clerk

THE CITY TREASURER

Date of Registration	Name of Registered Owner	Address	Registrar

Section 22. The City Clerk is hereby authorized and directed to make application to the Municipal Finance Commission for authority to issue and sell said bonds, and for approval of the form of notice of sale of said bonds in accordance with the provisions of Act 202, Public Acts of Michigan, 1943, as amended, and of Act 94, Public Acts of Michigan, 1933, as amended.

Section 23. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 24. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance, are to the extent of such conflict, hereby repealed.

Section 25. This Ordinance shall be published in The Plymouth Mail in full, a newspaper of general circulation in the City of Plymouth, under State law to publish legal notices, within ten (10) days after its adoption and the same shall be recorded in the Ordinance Book of the City and such recording authenticated by the signatures of the Mayor and City Clerk.

Section 26. This Ordinance shall become effective immediately upon its adoption.

Made, passed and adopted by the City Commission of the City of Plymouth on this 2nd day of April, A.D. 1956.

RUSSELL M. DAANE Mayor KENNETH E. WAY Clerk

## American Legion News

William R. Hanson was initiated into the membership of the Passage-Gayde post at their regular business meeting on Wednesday, April 4. Congratulations, Bill!

Bowling Chairman Vern Miller reported the following results of the recent State Bowling Legion tournament as it affected local members: Red Wilson and Bert Morgan, third in the doubles; Al Holcombe and George Carr, 115th; and Farris Barnes, 101st in the singles events. Respective checks were given to each individual as sent out by the State committee. Congratulations to these men:

Pan-American Chairmen for Redford Township, Rosedale Park and Passage-Gayde Auxiliaries presented some interesting reports on Haiti which this year is subject for the Auxiliary's Pan-American study program, at the regular monthly meeting of the 17th District Auxiliary held at the Myron Beal's Post home in Livonia, Friday, April 6. Legionnaires also held their respective business meeting at the same location and same date. Attending from Plymouth were Robert Wilson, Harold Wilson, Dot and Ernie Koi, Adah Langmaid, Gwen Holcombe and Maxine Kunz.

Next regular business meeting of the local Auxiliary will be tonight at the Veterans Community center at 8 p.m. Judging of essays in the recent Essay contest will be part of the business of the unit.

Attention girls! The Auxiliary is having a Linen party on Thursday, April 26, at 8 p.m. at the Veterans Community center. Get your guests lined up! The public is cordially invited. Refreshments will be served following the party. All Auxiliaries are urged to attend this affair as the Poppy posters will be judged following the serving of refreshments.

Members of the local Post and

Auxiliary wish to extend their sympathy to the family of Sr. Vice Commander Raymond Viau on the recent death of Mr. Viau's father.

Past Commander Harry Burleson attended an Employment Clinic for Veterans held Friday, April 6, at the Veterans Memorial building on West Jefferson Avenue, Detroit. Purpose of the clinic was to advise veterans of job opportunities in federal service, preference in employment, and many other benefits accruing to veterans in connection with federal employment. We will get a more complete report from Harry at our next regular meeting.

More than 50 different mammals, including bear, cougar, and the largest remaining herds of Roosevelt elk, inhabit the primitive wilderness of Washington State's Olympic Peninsula.

## INCOME TAX FACTS No. 8 Plan Now for Next Year's Tax

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Accountants and the Michigan Society of Certified Public Accountants.)

The previous articles in this series were intended to help you in preparing your tax return for 1955. This article deals with your taxes for 1956 and beyond.

When the time comes to make out your tax return for 1956 it will be too late to take advantage of some possible tax savings. Here are some possibilities for reducing your tax which you can't do anything about after the end of the tax year.

1. If you are providing nearly half the support of someone who might qualify as a dependent, consider providing more than half so you will be entitled to a \$600 exemption. The extra amount you contribute may be less than the tax saving.
2. Remember that unless a dependent is under 19 or a student, you will lose the exemption if his income is \$600 or more. Be sure to check the income of everyone you expect to claim as a dependent.
3. If you are planning to be married, a wedding before midnight December 31, 1956, will give you the privilege of filing a joint return for 1956. This probably would result in substantial tax saving.
4. A baby born up to midnight December 31 qualifies as an exemption for the full year.
5. If your medical expenses are likely to be over 2% of your income this year and you expect them to be less next year, pay as many medical bills as possible before the end of the year, up to the maximum allowable deduction. If you borrow to do this, remember that you can also deduct the interest.
6. If your medical expenses are over the maximum deduction, perhaps you can defer part of the payment until after the end of the year.

7. Borrowing to pay your taxes can sometimes let you take the deduction a year earlier.
  8. If you sell your home at a profit, remember that you do not have to pay a capital gains tax if you pay more for a new home within a year than the price you get for the old one.
  9. When investing money, remember that stock in a domestic corporation offers the possibility of dividend exclusion and credit.
  10. If you sell securities or other "capital assets" at a profit, it is usually better to wait until you have held them at least six months so that the profit will be taxed at the capital gains rate instead of as ordinary income.
  11. When buying bonds, consider not only the interest rate but the fact that interest on state and municipal bonds is exempt from federal income tax.
- If any of these points is likely to make a substantial difference in your tax, it will probably pay you to discuss your problems with the Internal Revenue Service, or to seek professional tax advice. Anything you pay for assistance in preparing your tax return is deductible from your taxable income.
- But beware of any "tax expert" who claims he can cut your tax below the amount you really owe. It's a good idea to pick someone who has had experience in dealing with the Revenue Service, just in case the government should raise some question about your return.

(Final article of the series.)

## MOMS News

Plymouth Unit No. 18, Mothers of men in Service, Inc., will observe MOMS Week beginning April 15 through 21.

Through the courtesy of Davis and Lewis, there will be a display in their window showing the work being done by this unit. Mothers of this unit help with donations to Grand Rapids Facility hospital, Gaylord sanatorium and the USO. Parties are also given for patients in the veterans hospitals.

On April 6, Mrs. Agnes Rollins, hospital chairman, and five ladies from the unit gave a party for 80 patients at the Ann Arbor veterans hospital. Games were played with cigarettes and canteen books as prizes. Home-made cakes, and coffee were served.

A spring card party for benefit of MOMS activities will be sponsored by the unit on Monday, April 16, at 8 p.m. in the Veterans Memorial center. Tickets may be obtained at the door. Mrs. Agnes Rollins is in charge of this event.

The MOMS extend their deepest sympathy to the family of John Warkup in their recent bereavement in the loss of their wife and mother.

## Odd Fellows

Brothers reported sick at the meeting of Tuesday, April 2, were Charles Robinson, who is home now at his daughter's at 1105 Ross street, and John Maxwell, who is also at home now at 42955 Joy road. Please call on them at your convenience or remember them with telephone calls and cheerful cards.

Remember the pancake supper tonight, April 12. Tell your neighbors and friends. Serving from 5 to 8, tickets at the door. We need help also, so please come and volunteer your services. Following the supper many will perhaps want to go to the Dearborn I. O. O. F. lodge as it is district visitation night there.

Brothers Earl Gray and John Oldenburg attended Garden City lodge last Wednesday evening and had a very enjoyable evening there with a lunch afterwards. Brothers, come to Lodge as often as you can.

Sweet Thing - Well, they told me that was the chance I had with you of getting a job.

## Present Flags to Schools

American flags for classroom and outdoor use were recently presented to two Plymouth schools by Veterans of Foreign Wars, Mayflower Post No. 6695, in connection with its Americanism program.

Truesdell was the recipient of classroom flags while an outdoor flag went to Starkweather school. The presentations were made by VFW Americanism and Essay Chairman Catherine Cline and members of her committee. Part of the committee's function is to instill patriotism among youth and school-age children.

## Good to Remember

Although it might be good to remember the number of Schrader ambulance service, most of us do not have the ability to remember a lot of telephone numbers. Since the Schrader ambulance number is important, however, we suggest that you write the number, Plymouth 1000, on the cover of your telephone directory.

## Lincoln Park Motorist Injured in Collision

A Lincoln Park motorist was injured last week when he was thrown from his car in a collision with a truck at Ann Arbor and Lilley roads.

He is Lindsay, V. Ellis, 65, driver of a car which was heading south on Lilley. Sheriff's authorities said that he failed to heed a stop sign or flashing signal and drove in front of a truck driven by Oscar J. Sommer, Albion.

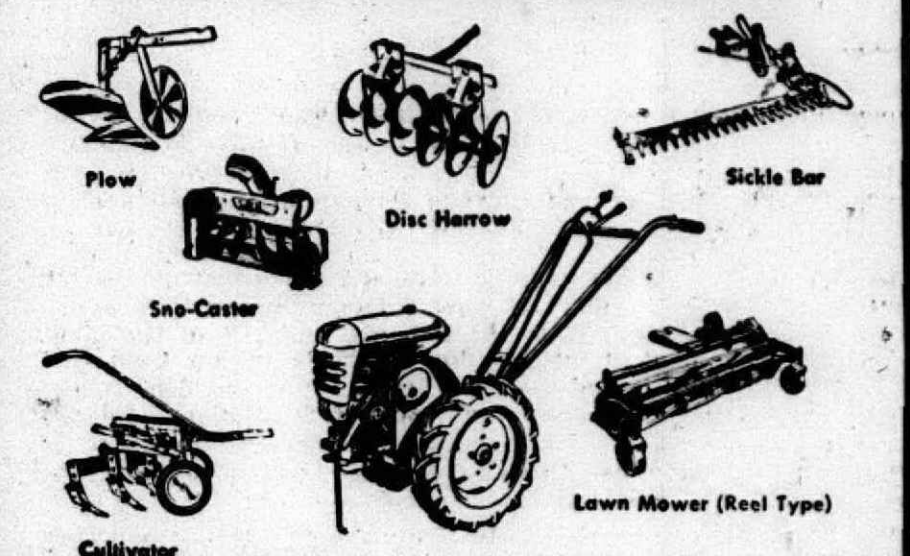

Sommer was driving a chassis pulling another saddle-mount. The trucks were being delivered by a Detroit haulaway company.

Ellis was taken to Wayne County General hospital where he was reported suffering possible internal injuries.

The accident took place at 1 p.m. on Wednesday of last week.

About 2,500 people now live in mobile homes. This house trailer population is enough to make it the third largest U.S. city, ranked only by New York and Chicago.

## A GARDEN TRACTOR IS ONLY AS GOOD AS ITS ATTACHMENTS

## BOLENS GARDEN TRACTORS

have 111 attachments which literally snap or hitch on. In town or country, garden or field, Bolens Tractors make every job easier, and do it quicker and better. Bolens has eight tractors from which to choose, from the one-wheeled Handi-Ho to the Ridemaster riding tractor. The famous Power-Ho series now has Versa-Matic Drive, the amazing new development which gives continuous smooth speeds at full power, with no belt switching, gear shifting or clutching. See for yourself why it's Bolens Power-Ho, with gardeners who know! Come in, look, try one in your garden or on your farm without charge or obligation.

MORE THAN 200 people attended the annual Pease "Colorama" last week and received some timely hints for their Spring interior decorating plans. Two of the interested homemakers attending who also won prizes were Mrs. Landon Taylor and Mrs. Rockwell Smith (center). Looking on are A. Gerald Pease, owner of Pease Paint and Wallpaper company, and Irma Dutrieux (right), color stylist of O'Brien corporation. Thirty prizes were given out at the show held in the high school.

ARCHERY COMPETITION last Thursday among the Junior Police archers resulted in nine medal winners, three in each of three age classifications. This is the second of three tournaments being held during the year. From left are Ronald Bondie, Ronald Wohn and Frank Roberts, first, second and third in Class A; Lary Smith and Ronald Soleau, second and third in Class B; Bill Chappel and Larry Grady, first and third in Class C. Not in picture are John Robinson, first in Class B and Bruce Sharrow, second in Class C.

THIS GROUP of 35 handicapped teenagers calls themselves the "Happy Friendship Club". Organized by the Wayne Out-County chapter of the Michigan Society for Crippled Children, the members were guests Tuesday evening of the Plymouth Kiwanis club at its regular

meeting at the Mayflower hotel. In the summer months they meet at the Kiwanis Girl Scout lodge. Members of the Kiwanis underprivileged children's committee along with Mrs. Herma Taylor and Mrs. Robert Lidgard made arrangements to bring the children to the meeting.

### Plymouth Area Civil Defense News

Civil Defense Director Leo F. Flowers of Plymouth township has announced that permission has been secured to use Plymouth high school for an assignment post for semi-professional and medical personnel in case of emergency.

The Detroit Civil Defense medical division had requested that all high schools within 15 to 25 miles of the Detroit city-county building be secured for use in case of emergency. The use of schools is in the Federal Civil Defense survival plan.

While Civil Defense is still lagging in the U. S., there are reports of vastly stepped-up Civil Defense activities in Communist-controlled Czechoslovakia. Quoting refugee sources, the reports said virtually every Czechoslovakian is being schooled in the essentials of protection against atomic civil air defense and first aid.

A large network of atomic-proof shelters is under construction, reports to Radio Free Europe said. Many World War II bomb shelters have been reconditioned for use by the civilian population. Around Prague, a network of subterranean corridors under the military hospital has been completed after two years of work. Groups of homes outside city limits are organized into Air Defense units and every apartment house in the cities has trained air defense personnel.

Federal Civil Defense Administrator Val Peterson has announced the awarding of a \$591,000 contract to the University of California for research leading toward a national radiological defense plan. The FCDA aims at laying the basic framework for a national system of defense against radioactivity fallout that could result from a nuclear attack on the U. S.

There will be a Civil Defense meeting on Thursday, April 19 at 8 p.m. at the Plymouth township hall, Director Leo F. Flowers announced. Everyone is welcome to attend.

The duty of CD units during tornadoes will be discussed. Co-operating in preparing the discussion are the state police and the weather bureau at Willow Run.

There will be an "Operation Alert '56" throughout the United States on June 15 and 16.

ATTENDING A TICKET rally for the May 17-19 Scouting Exposition to be held in Detroit were Plymouth Leaders Robert W. Bachelord, Eugene Stout and Jules Eder who go over plans above with Charles J. French, General Motors executive in charge of ticket sales, at a recent dinner in Hotel Fort Shelby. The Exposition, to be held at the State Fairgrounds, will include exhibits of arts and crafts, recreation and educational activities offered in Scouting. Tickets for the event are available from Plymouth units, many of which will participate in the three-day show involving over 25,000 Boy Scouts.

### Veterans of Foreign Wars

Our newly-elected president, Helen Bowling, announces the following Auxiliary members as her appointed officers for the ensuing year: Secretary, Beatrice Walton; color bearers: Jean Olson, Marilyn Wiltse, Irene Stroschein and Alba Van Meter; flag bearer, Bette Neale; banner bearer, Delores Olsaver; historian, Delores Show; patriotic instructor, Bernice Kopsenski; and musician, Kay Coolman.

Appointed chairman for the new year were the following:

National home, Beatrice Hessler; rehabilitation and service, Geraldine Olson; hospital, Margery Swann; membership, Le May Smith; delinquent, Ellen Hokenson; legislative, Marie Norman; Americanism and essay, Jean Olson; youth activities, Beverly Brown; community service, Adele Stevens;

Cancer, Virginia Bartel; civil defense and bonds, Alice Armstrong; publicity, Eileen Williams; poppy chairman, Kay Coolman; dinner booking chairman, Betty Marquis; housing committee, Loretta Young, assisted by Mar-

Warner, Beatrice Walton, Marilyn Wiltse. Investigating Committee — Bernice Kopsenski, Lucinda Archer, Esther Miller.

Our new President will call a special meeting of all chairmen in the near future and you will be notified of same. All officers and members are urged to attend the joint Post and Auxiliary installation on Sunday, April 29. We wish you the best of luck in the new year and pledge our full cooperation. We would also like to thank all the past officers and chairmen for a job well done.

At our last business meeting on Tuesday, April 3, a special party for Past Presidents Jane Deikman, Kay Coolman, Virginia Bartel, Eleanor Gust, Marie Norman, Gertrude Danol and outgoing President Loretta Young was held after the meeting. The girls were presented with gifts honoring their service as our officers. Thanks to the committee who planned the affair.

We welcome into our Auxiliary, Catherine Holman. Hope you enjoy your association with us! Isabelle Lueke is still in St.

Joseph's hospital in Ann Arbor for special treatment. We are sure she would like visitors or a card or two! Also one of our new members and officer, Jean Jones, is entering the hospital for a foot operation and will remain for a week! Speedy recovery to both of these members.

Poster contest winners appear elsewhere in this issue! Congratulations to all the winners and we would like to say we were extremely pleased with the response from all the children. It shows they have an interest in community projects and makes them worth our efforts!

Our Rummage sale is this Friday and Saturday, April 13 and 14, at the Post hall from 8 a.m. on. We urge you to see that your rummage gets there on time or call Bea Walton for pickup service. We also need more volunteers to work during the sale and on Thursday evening.

The Post 10th Anniversary Dance was a huge success. The members attending danced to the music of Russ Egloff and his orchestra and enjoyed this special

observance of their 10th anniversary. The Auxiliary was proud to be a part of this celebration! Our sincere congratulations to the Post members for their progress during the past 10 years and now the proud owners of their own Post Hall!

Thanks to Beverly Brown and Mary Catherine Skinner for their lovely donations of clothes to the needy family which the Post and Auxiliary is taking care of!

### Township Supervisor, Guest of Farm Bureau

Louis Stein, Canton township supervisor, will be a guest of the Canton Center Farm Bureau at its meeting tonight, April 12, starting at 8 p.m.

Hosting the meeting are the Richard Palmers of 48195 Warren road. Topic for the evening's discussion will be "How Should Schools and School Construction Be Financed?"

Isn't it funny how little value other people put on your time?

### Superintendent Speaks To Homeowner Groups

Superintendent of Schools Russell Ibister spoke to two homeowners groups last week about the Plymouth Community school system, its problems and its future.

He spoke Thursday night before members of the Plymouth Township Improvement association at a meeting held at the home of Mr. and Mrs. George E. Bowles, 11745 Turkey Run.

The superintendent spoke Friday night at a meeting of the Parkview Circle Homeowners association held at the home of Mr. and Mrs. Lester Upton, 195 Garding drive. The next meeting of the Parkview group will be on May 4 at the home of Mr. and Mrs. Jack Ruland, 640 Parkview drive.

### Six Receive Appointments

Six delegates from Plymouth Assembly No. 33, Order of Rainbow for Girls, were named to various appointive posts at the State Grand Assembly of Rainbow Girls held in Traverse City, April 5-8. Grand Worthy Advisor Dawn Huebler of Plymouth presided over the sessions.

Receiving appointments were Janet Wickens, grand associate drill leader; Marcia Wiegand, grand representative to Arizona; Miss Kay Ingram, the College Club; Mrs. Gladys Ryder and Miss Huebler, registration committee; and Mrs. Gladys Colgan, Arc committee.

Others attending the event from the Plymouth assembly were: Theresa Carpenter, worthy advisor; Marian Braund, Carolyn Carpenter; Ruthann Henry; Linda

Box; Carol Pulfer; Jayne Brown; Gayle Colgan; Emily Leece; Virginia Shirley; Karen Dawson; Claudia Rocker, Mrs. Lawrence Carpenter, mother advisor; Mrs. Gwen Braund; Mrs. Kate Wickens, Mrs. Helen Ingram; and Mrs. Elsa Gerst.

**FLAVOR-SAVOR 44c PIE PLATES**  
The pie-plate leader for years... design prevents spills, makes cleaning easy.

**NEW Glamorene Liquid**  
For RAYON, NYLON, COTTON, WOOL and WOOL BLEND  
only \$2.95 each

**BOB'S HANDY IN HARDWARE 816 Penniman Ave. Phone Plymouth 92**

As far back as last fall a group of local businessmen traveled to Birmingham to meet with one of America's outstanding city planners. Purpose of the visit was to discuss the possibility of having this man study Plymouth's problem with an eye to redeveloping our downtown business section.

He was approached for advice on a solution to our parking problem, and for suggestions on making our downtown area more inviting to customers for our stores. The meeting was most interesting, and one surprising factor was that it was possible to undertake a multi-million dollar face lifting and have it partially paid for by Federal Government funds.

At the time he told the group his firm was more than swamped with requests for their services from other municipalities, and that they were in the middle of the Mt. Clemens' face-lifting project. However, he stated that shortly after the first of the year he would come up with some kind of projection for Plymouth and advise the approximate cost of his services.

After several telephone calls later by the local committee, and to this day, there has been nothing forthcoming as far as this city is concerned. Why? ... it's very simple. Other communities already alert to the need for modernization of their shopping areas have so swamped his facilities that he just can't add any more clients to his present list.

All of which makes this appeal for local interest more alarming and more important to every merchant, businessman and property owner in Plymouth. If this city is to stand still while neighboring communities improve their positions in this respect, we will find ourselves one day with one of the most antiquated shopping areas in this section of Michigan. Proof of this can well be evidenced by examining the well laid plans of Ann Arbor's Mayor William Brown, or by the upheaval of the city government in Livonia where a progressive expansion program, propounded by newly elected Mayor William Bra-shear, pushed out of office the present officials of that city.

Our two neighboring communities are out to get business from this area. They will offer ample parking, modernized business sections, and easy access for the busy shopper of today. And, incidentally, they are not alone. Dearborn, Wayne and other neighboring areas are already alert to their responsibilities in this respect.

The downtown merchants of Detroit have millions of dollars already pledged to improve their position. Therefore, it is imperative that if our businessmen are to stem the threats of these close-at-hand shopping areas, as well as the shopping center, the time for action is at hand.

Talk will not do the job. It calls for real concerted effort on the part of our Chamber of Commerce, our service clubs, and every person who depends upon retail business for his livelihood. You may treat this as idle conjecture, but I should hate to be held responsible five years from now for our dilemma if something isn't done.

The fact that we know some 3,000 homes are projected for this community, and requests for building permits for 50,000 homes are on the mayor's desk in Livonia, should give us something to lay awake nights and think about. And for my money it will take something besides thinking to solve this problem.

The right of the people to know is basic to the preservation of our freedom, and fundamental to our American way of life. The infringement of this right, whether by government or by groups, or by individuals, no matter in what small measure it may begin, will lead to tyranny and the death of liberty.

Meter, City Funds Equal Ninety Per Cent of Current Parking Kitty

A fifty-three page report entitled "What Parking Means to Business" was published last November by the Highway Safety Foundation of Washington, D. C. It was compiled by various agencies of the Highway Research Board and from studies by the Universities of Michigan, California, Washington, Kentucky and Ohio State. Funds for this study were made available by the Automotive Safety Foundation.

Its conclusions, assembled to aid cities of metropolitan size, should be highly interesting to businessmen of Plymouth for it points out the attractions of suburban communities to the shopper. The report had this to say:

"From 80% to 90% of retail purchases both downtown and in the suburbs are made by women. Surveys in representative cities show that shoppers consider downtown's chief attraction to be wide variety of goods and services; its worst drawback - difficult parking. Nearness to homes is rated the main advantage of suburban shopping areas; their worst drawback - limited selection."

"Car-shoppers usually spend more per trip than transit or walk-in customers. Similarly, offstreet parkers spend considerably more than curb-parkers."

"Having a wide choice of other shopping areas, where parking is more convenient and usually free, some shoppers desert downtown."

"The problem of shopper parking cannot be divorced from the over-all parking problem. Offstreet facilities must be provided to meet the needs of both shoppers and long-term parkers, including downtown workers."

"Suburbs are growing three to four times as fast as the central cities, retail decentralization is proceeding at a rapid pace."

"To meet the competitive challenge of free parking in the suburbs, downtown businessmen in over 40 cities are now cooperating in Park and Shop programs, subsidizing their customer's parking costs."

"Provision of parking by an individual store may increase car-shopper sales by from 10% to 20%."

And finally, this most interesting conclusion: "While parking is an important business asset, it is not a cure-all . . . but must be undertaken in conjunction with other essential civic improvements . . . to preserve the traditional economic base of the community."

In this report, as in all others, the problem of maintaining the "traditional economic base" is never-ending and has but one solution - MONEY.

With these thoughts in mind let's take a dollar and cents look at the parking situation in Plymouth.

There are presently 955 parking spaces in Plymouth's downtown business district. The west central lot provides 145; the completed east central lot will provide 141; another 434 spaces are provided in private lots; 215 spaces are on the streets. About 400 of these spaces are used daily by merchants and employees.

According to an excellent report prepared and presented to the retail merchants committee of the Chamber of Commerce by Frank Lodge of Clark Aerial Survey, a minimum of 200 additional spaces is required to accommodate peak shopping loads. These spaces will cost approximately \$750 each. Lodge points out that Plymouth

provides parking at the rate of 1.2 square feet for every 1 square foot of retail shopping space. The recommended ratio for communities is 3 to 1, while shopping centers provide 7 to 1.

With the completion of the east central lot between Main and Union streets Plymouth will have approximately \$232,000 worth of parking space. Excluding what some merchants have spent privately to provide parking, \$23,755 has been contributed by merchants to the community parking program. This sum represents the contributions of 30 merchants. If every business or profession which attracts automobiles into Plymouth were to be counted, it means that less than one-third of the total have given financial aid.

To date the main contribution to parking has been made by the city. More accurately, this contribution has come from the motorist who uses the parking meters. Last year revenue from parking meters reached \$26,000. From this approximately \$19,000 must be subtracted to pay administrative expenses, meter servicing, land contract payments, land and improvement of the east central lot, plus other expenses. This year, too, \$8,500 will be used to replace aging meters or surface the east central lot. Actually, the city now has parking obligations totaling more than \$46,000 which are being paid off from meter receipts.

From these figures it is evident that the city has no dollars to spend on parking unless it dips into the general funds. It is apparent, however, that a sympathetic view towards the merchants' parking problems is shared by many city officials. In next week's concluding article we shall report on these views.

Roger Babson

Investors Should Watch Automation

Babson Park, Mass. We see much in the news today regarding "Automation," which is the scientific name for automatic factories. I want all investors to know how I feel regarding such developments.

CHANGES WILL COME SLOWLY The automatic factory is coming, but will come slowly, for several reasons: (1) It awaits more consolidations. (2) It requires large capital expenditure. (3) It applies only to standard goods which can be used in great quantities, and cannot now be used for a product which has various styles and sizes. The oil industry uses automation successfully; but the baking, candy, textile, and many other industries could also do so if they could raise the capital and secure the volume necessary for a profitable change-over.

Investors should realize that it is foolish to invest in obsolete concerns. Many corporations listed on the N. Y. Stock Exchange

are now earning good money, but have obsolete plants. They could not stand up, in competition, with this new automatic development. The sooner these stocks are sold, the better. Please, however, do not write me for the names of these companies. Your investment advisor or local bank should be able to give you this information. I believe that investors have much more to fear from automation than has labor.

REASONS FOR AUTOMATION Automation is absolutely necessary if we are to continue to raise the American standard of living. It is also necessary for our national security. A recent article in LIFE magazine, March 5, 1956, shows how the Russians are educating their youth for automation. Most important of all, the automatic factory is in the best interest of all groups - customers, suppliers, share owners, the public, and employees.

Although labor leaders have not openly opposed automation, they are using it in an appeal

for shorter hours and higher wages. Temporarily, when a factory changes over to automatic operation, it will throw some people out of employment, but the most intelligent workers will still be needed to watch the machines and keep them in order. In other words, the automatic factory will upgrade labor and encourage efficiency and quality.

AUTOMATION ENCOURAGES NEW INDUSTRIES

Many present women workers should return to their homes and devote their time to bringing up their families. Many of the young men workers should go back to school and become more efficient. More of the older workers should be retired under proper pensions. These and other changes should take up any slack in the labor market. Automation as a part of our national security program may result in increasing "piece-work wages" and killing any idea of the CIO that all employees in a department should have the same wage.

There is a little company in Washington known as INVENTION, INC. It studies new inventions by keeping three full-time experts in the Patent Office reading new patents. This company's "patent" manufacturers informed as to new machines which may compete with their present machinery. I am astonished at the new developments now on drawing boards and in test tubes. Looking back over the past fifty years, we have seen great new industries - such as automobiles, electrical appliances, radio and television - being born and prospering. These Patent Office studies indicate that the next fifty years will see even greater changes and more new industries. These should bring a greater opportunity for labor in the years ahead.

THE COST OF FOOD

Efficient employees have nothing to fear from automation. The inefficient, as my friend H. L. Pratt teaches, should go back to school and learn how to become efficient. This especially applies to those in the food industry. During the past few years, the cost of our food has increased unnecessarily notwithstanding the good work done by the supermarkets.

In 1949, the average reader paid about \$950 a year to his favorite supermarket. Since then, these same purchases have increased in price about 11%. The farmer has constantly been getting less during this period and the supermarkets have been benefiting from "self-service." The increased cost must be due to certain services rendered between the time the farmer sells the food and the time you buy it at the supermarket. It looks as if the food business is in immediate serious need of automation.

Michigan Mirror

State Politicos Review Year

Different ideas on a "report card" for the 1956 Legislature are being expressed as the lawmakers draw close to the April 6 closing date.

Democrat Gov. Williams calls it a "do-nothing" Legislature. Members of the Legislature, Republicans dominating both House and Senate, list achievements they consider impressive.

They increased appropriations for 1956-57 by \$12,000,000, with heftiest boosts going for mental health, higher education and public health.

"It does not live up to the program that the people of Michigan want," says Gov. Williams.

No increase in taxes are involved in the larger appropriation, claims Republicans. This is because of a surplus in the treasury and increased collections of existing taxes.

Unless the tax yield reaches an unprecedented pace again next year, the Legislature expects trouble, and probably the need for a new tax or increases in the old ones.

Final budget, after Williams signs the bills, will be between \$325,000,000 and \$330,000,000. The Legislature has been more generous than ever before in coming within \$9,000,000 of the governor's recommendations and without asking taxpayers for more money to pay the bills.

The Governor was less successful in other fields.

This year he proposed a "Michigan Best" label for products grown in Michigan, a fresh version of his "Seal of Quality" proposal when he first took office in 1949.

Farm groups supported the idea in public hearings before legislative committees, but it failed to get to the Senate floor after passing the House.

Republicans reasoned the program of marketing is being carried out satisfactorily under a state-financed program at Michigan State University and by the Michigan Department of Agriculture.

The Legislature also killed Williams' request for a \$1.25 an hour minimum wage, reorganization and more power for the Department of labor and other items.

Williams vetoed his first bill before the legislature was out of the Capitol.

He rejected the bill designed to make it harder on aliens to collect inheritances in Michigan. He said the bill, as drafted, was too general and would hurt desirable aliens in other parts of the United States.

The bill was originally drawn to prevent Iron Curtain countries from confiscating property in-

herited in Michigan by Europeans.

Politicians are still trying to figure out the meaning of two appearances of Detroit's Mayor Cobo before the Legislature.

He came to Lansing to argue for money to expand a Detroit airport, but members of both parties saw hints in his visit that he still might be drafted for the Republican candidate for governor.

Cobo was invited to address both the House and Senate.

One Republican legislator, who wanted to introduce him to the Senate, said he would use the phrase "the next governor of Michigan." Someone else made the introductory remarks.

Politicians were left deeper in the dark a few days later when Cobo left for Arizona and a prolonged vacation.

Both parties are setting up campaign machinery for 1956.

State Chairman John Feikens has called Republican precinct delegates to meet by county and district April 18 and State Chairman Neil Staebler has picked April 26 for Democrats.

Republicans will select 1,602 delegates to the state convention in Detroit May 5 and Democrats 1,380 to their state convention in Grand Rapids June 2.

At the state conventions, Republicans will pick 46 delegates to the national convention in San Francisco August 20 and Democrats 88 delegates for the Chicago convention August 13.

Quotes

DR. RONALD H. SPAULDING, aviation authority: "The United States holds technological superiority over the Soviet Union but is in danger of losing it."

DR. GRAYSON KIRK, president Columbia University, back from trip to Japan, India and the Near East: "It is quite possible to spend a vast amount of money and still lose the game so far as influencing mass opinion. Dollars are not enough."

ORVAL E. FAUBUS, Governor of Arkansas: "The people of Arkansas are, as a whole, moderate, reasonable and honorable. They resent outsiders attempting to enforce a code of behavior to which they are unaccustomed."

E. SMYTHE GAMBRELL, president, American Bar Association: "To allow the public schools to become dependent upon Federal aid would be nothing short of a national calamity."

BARNABY C. KEENEY, new president of Brown University: "We have now the greatest powers - physical and mental and social - of any people in the history of the earth, and we show the greatest lack of confidence in these same powers."

GEORGE M. HUMPHREY, Secretary of the Treasury: "If the nation will go ahead and work and buy, build, and improve with confidence, tempered with prudence, new peaks of prosperity lie ahead."

NATHAN F. TWINING, Air Force Chief of Staff: "The time is fast approaching when no conflict will be waged with nuclear weapons."

DR. ABRAM KARDINER, dean Psychoanalytic Clinic of Columbia University: "The cloistered family unit of former years was a better place to rear children than today's culturally invaded home."

HAROLD WEISBERG, Jewish rabbi: "Mental flabbiness threatens the 'spectator mind' that feeds on a diet of radio, television and movies."

★ THINKING OUT LOUD ★

One question, sometimes controversial, sometimes personal is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's guests are "thinking out loud" on the question:

"April 1-7 is National Laugh Week, which probably doesn't mean much to anyone. But we would like to ask you who your favorite comedian, living or dead, is?"

PHIL STRAUB, 608 Ann: "Buddy Hackett is my favorite. I split everytime I see him. He is an original and up and coming comedian. Buddy appears on the Perry Como show."

WENDELL FARMER, 376 West Ann Arbor Trail: "I don't have television now but on radio I always liked Edgar Bergen and Charlie McCarthy best. I listened to them about every time they were on."

JIM SKAGGS, 14238 Sheldon: "The Bowery Boys are the ones I always liked best. I usually go to see them every time they're on at the movie. They're just a lot of fun to watch."

HOWARD SLABAUGH, 43515 Shearer drive: "I work nights now and don't get to hear programs like I used to. I liked Bob Hope a lot when he was on radio. His whole team, Jerry Colonna and the others, were good."

Plymouth Insurance News

FIRE POLICY - BROAD FORM

In the preceding articles the basic fire policy was explained. In the third Extended Coverage and the perils covered when added to the basic policy were explained. Broad Form is another endorsement that is added to the basic fire policy. We must bring out at this time that there are four different popular endorsements to attach to the basic Fire policy when insuring a dwelling and/or its contents. Each endorsement covers additional perils or hazards that can do damage or destruction to your property. It is natural the more perils covered under the policy the higher the premium.

20 MAJOR PERILS

The following specified perils are covered under Broad Form, besides Fire and Lightning: Windstorm, Hail, Explosion, Rupture of Steam or Hot Water Heating Systems, Vandalism and Malicious Mischief, Burglar Damage, Riot, Civil Commotion, Aircraft, Vehicles, Smoke, Falling Objects, Weights of Ice, Snow or Sleet, Collapse of Building, Landslide, Water from within Plumbing or Heating Systems, Glass Breakage, Freezing of Plumbing or Heating Systems, Sudden and Accidental Injury to Electrical Appliances from electrical currents artificially generated except TV picture tubes. This coverage may be purchased with or without a \$50 deductible on some perils.

As in any insurance policy, there are limitations and exclusions applying to the above; ie, flood damage, earthquake, war, exclusions, and others. These exclusions are important and should be reviewed and understood.

EXTENSIONS OF COVERAGE

You have 10% ADDITIONAL insurance over and above what is on the dwelling to apply to a detached garage or other private structure on the premises. For example, with this form, if you have a \$10,000.00 policy on your house and both the house and detached garage were destroyed it would be possible to collect \$11,000.00 if your garage was valued at \$1,000.00. 10% ADDITIONAL insurance also applies on additional living expense. Using the above \$10,000.00 policy on the dwelling, you would collect up to \$250.00 per month for four months if your house were made untenable by any of the insured perils. This being additional living expense means you would collect for ex-

penses above your normal living expenses for staying at a hotel, eating out, laundry, etc., while your dwelling was being rebuilt or repaired. 5% additional insurance is provided for trees, shrubs, plants and lawns. In the above example this would provide \$500.00 of insurance but not exceeding \$250.00 on any one tree, plant, or shrub.

REPLACEMENT COST

One of the latest features, and a very important one in this form is the elimination of deduction for depreciation on the building repairs. The only requirement for having this endorsement in force is the building be insured for at least 80% of its replacement cost at the time of loss. Depreciation on older buildings can run as high as 50% which means if the cost to replace the building today were \$20,000.00, its insurable value today is only \$10,000.00. Under Broad Form you may carry \$20,000 of insurance and in event of total loss you would collect \$20,000. Check your policy and see if you have Broad Form coverage - Your local independent insurance agent listed below will be more than happy to explain to you personally the advantages of this better coverage for dwellings and contents.

**Plymouth's Kitchens**

Cutting up marshmallows for "Snow Balls," favorite dessert among family and guests alike at the Thomas W. Kohler home, 325 Sunset, is Mrs. Kohler with her three youngsters looking in on preparations. From left, the admiration society is composed of Mary, 4, three-year-old Bill and Margaret, 21 months.

**Treat Guests to This Refreshing Dessert**

A refrigerator dessert is going to be mighty welcome on warm-weather days to come, and for just such occasions we have a suggestion from Mrs. Thomas W. Kohler of 325 Sunset.

"Snow Balls" are mighty popular around that area, and especially so with guests at the Kohler home for an afternoon bridge party, luncheon or evening's visit. Nice part about this dish is that it can be whipped up hours before serving, giving the hostess plenty of time to whisk the dust mop, relax and look pretty before guests are due to arrive.

Here's the recipe for this refreshing dessert:

**Snow Balls**  
(Serves 10-12)

1 No. 2 can of crushed pineapple  
3/4 pound marshmallows, cut fine  
1 box of dates (6 1/2 oz.), cut fine  
1 cup walnuts

2 packages of hard macaroons  
1 pint of whipping cream  
coconut for topping

Add marshmallows to pineapple, then dates, walnuts. Let stand about one hour. Spread between three or four macaroons to form snowballs. Let stand in refrigerator two hours. Frost tops and sides of snowballs with whipped cream. Sprinkle with coconut. Let stand overnight in refrigerator.

**Social Notes**

Mr. and Mrs. Mayford Siefloff have just returned to their home on Haggerty highway after spending three months in Marathon, Florida. They report the fishing excellent.

Mr. and Mrs. John Jacobs returned to their home on Virginia avenue last Thursday after spending the winter months in Ft. Lauderdale, Florida.

Mrs. William S. McAllister of Northville road is convalescing at University hospital, Ann Arbor, where she underwent major surgery last week. She is in room 3103.

The Ladywood Mother's club will meet on April 9 at 8 m. at the school. Dads are also invited to attend.

Mr. and Mrs. Perry Hix entertained at a family gathering Saturday evening in their home on Warren road in celebration of their wedding anniversary.

Mrs. A. J. Allen and niece, Kathleen O'Connor and Mrs. Paul Healy of Detroit were luncheon guests last Tuesday, of their sister, Mrs. C. H. Goyer on Church street.

Mrs. Theresa Cameron of Governor Bradford road, was hostess this Thursday evening to members of her contract bridge group.

Mrs. John L. Olsaver returned last Thursday of last week, from a week's visit with her daughter, Mrs. J. B. Walters and family in Canton, Ill. She was accompanied by Mrs. Walters and children, Ricky and Gretchen. On Friday Mr. Walters joined them then all returned to their home on Monday.

Mrs. Douglas Sinclair and children of Royal Oak visited her brother, Douglas Finch, on Maple avenue, Sunday afternoon, April 1.

Members of the Priscilla sewing group met last Tuesday afternoon of last week with Mrs. R. A. Kirkpatrick on Auburn street for dessert.

Mr. and Mrs. C. L. Cowgill attended the Block and Bridle Horse show, Saturday, at M. S. U. in East Lansing. Ellen Cowgill, their daughter, will also attend the show on Friday afternoon and evening. The Cowgills have had an entry the past two years receiving blue ribbons in both years and had their horse in this year's show. Bill London is the rider.

Mr. and Mrs. Edward Dobbs were dinner hosts, Saturday evening, in their home on Penniman avenue entertaining Dr. and Mrs. Elmore Carney, Mr. and Mrs. George Farewell, Mr. and Mrs. John Henderson, Mr. and Mrs. Howard Wood and Mr. and Mrs. O. H. Williams.

Mr. and Mrs. Ralph Cole of Ann Arbor trail were dinner hosts Easter Sunday at a family gathering entertaining her mother, Mrs. Marie Hartung, Mr. and Mrs. Russell Cook, Mr. and Mrs. James E. Ritchie and son, Craig, William Stinson and niece, Mrs. Winnifred Smith.

Mrs. Harry Reeves and Mrs. Hope Hill were joint hostesses at dessert Tuesday evening, in the former's home on Ann Arbor trail to members of their contract bridge group: Mrs. Wyman Bartlett, Mrs. C. H. Goyer, Mrs. William Kaiser, Mrs. George Burr, Mrs. Elmore Carney, Mrs. George A. Smith and Miss Grace Stowe.

Cathy Goodard celebrated her sixth birthday last Thursday with a luncheon party in the home of her parents, Mr. and Mrs. Lewis Goodard on Beck road, having as her guests, Katy Wall, Judy Utter, Peggy Clyde, Peggy Fluckey and Arthur Daane.

Mr. and Mrs. Ralph J. Lorenz returned this week from a month's vacation in Florida having visited while there his nephew, Emil Regner and family who reside in Sarasota, also Mr. and Mrs. Jack Hines in Lantana and other places.

Mrs. Marvin Terry and children Susan and Scotty, have been visiting her parents in Irvine, Kentucky this week.

Mrs. C. L. Cowgill and Mrs. Clarence Moore spent Monday of last week in Toledo, Ohio, as the guests of the former's sister, Mrs. Arthur Schaub.

Mr. and Mrs. John Paul Morrow and daughter, Ann, of Royal Oak, and her roommate at Colby Junior College, New Hampshire: Mr. and Mrs. Sanford Burr and son, Bobby of Plymouth, also Margaret Ann Burr, who was home from Albion College, were dinner guests Easter Sunday in the home of Mr. and Mrs. George Burr on Sheridan avenue.

Glenna Fraleigh, a student nurse at the St. Joseph hospital in Ann Arbor, and Casey Cavell, who attends Michigan State university were week-end guests in the home of her parents, Mr. and Mrs. Glenn Fraleigh on Gold Arbor road.

Mr. and Mrs. Ora Rathbun of Kellogg street, entertained at a family dinner Easter Sunday in the home of Mr. and Mrs. George Arthur E. Smith and children, George Rathbun and children and Mr. and Mrs. John C. Miller.

OFFICERS FOR 1956-57 were elected by the Woman's club of Plymouth Friday at a luncheon gathering in the VFW hall. Highlight of the meeting was the presentation of a jeweled pin as a gift from the club to Retiring President Mrs. Leslie Daniel (left foreground). The presentation is made by newly-elected president, Mrs. David Wood. Other new officers looking on from left are Mrs. Jack Taylor of the board of directors, Mrs. Leiter Rice, corresponding secretary; Mrs. Austin Pino, first vice president; Mrs. Cass Kershaw, recording secretary; and Mrs. William Clarke, second vice president. Absent from photo is Mrs. Guy Higley, new treasurer.

**Cancer Unit Provides Variety of Services**

Did you know that you could receive cancer detection examinations, sickroom supplies and dressings for cancer patients through the Plymouth branch of the American Cancer society, 821 Penniman avenue?

These are but a few of the many services performed by this and other branches of ACS, which is the only national voluntary health agency devoted to comprehensive program of education, research and service.

Statistics show that thousands of lives can be saved if the public is sufficiently informed regarding symptoms of cancer, need for regular physical check-ups and early detection of the disease which is instrumental in its cure.

ACS distributes free literature, posters and motion pictures containing facts about cancer and arranges programs with films and speakers for any organization. A professional educational program is also conducted to keep physicians informed as to development in research and new types of treatment. At least one-quarter of ACS funds goes into research for the ultimate cure of cancer.

Services available to individuals in this area through the Plymouth branch office are:

1. Cancer detection examinations at Yates Memorial clinic, Detroit.
2. Free dressings for needy cancer patients.
3. Transportation arrangements for treatment of medically-indigent cancer patients.
4. Rehabilitation programs for former cancer patients such as esophageal speech classes.
5. Qualified personnel to advise and counsel cancer patients and their families.
6. Sickroom aids for care and comfort of cancer patients.
7. Six conveniently located full-time information centers.

The local ACS unit, under direction of Norman Marquis as president, is supported primarily through the Plymouth Community fund. An ever-growing portion of the national society's income is derived from memorial donations, wills and bequests.

Headquarters for the ACS southeastern Michigan division are located in the Detroit Cancer center, 4811 John R.

**Plymouth Journalists To Attend Convention**

Plymouth high school journalists representing both the school newspaper and the staff of the annual will be among several hundred high school journalists who will convene at the University of Michigan on Friday, April 20, to hear numerous experts discuss all aspects of year-book and newspaper editing.

Accompanying the Plymouth students will be high school journalism teacher Miss Elizabeth McDonald and yearbook director Miss Joan Petro.

Sponsored by the Michigan Interscholastic Press association, the convention will be hosted by the U-M journalism department. Students attending will have a chance to watch the annual Michigan parade on campus at the close of their business meetings.

## Taking Off Weight, Matter Of Determination, Habit Change

You can't lose weight unless you've really made up your mind to do it.

Weight control is an individual problem. No one can do it for you. The more you lean on someone else for support, the less likely you are to be successful. You must make changes in living as well as in eating.

changes which you live with indefinitely—not just for two months while you lose 10 pounds.

This philosophy is expressed in a new bulletin, "Live Lean and Like It," available at county extension offices. Written by nutrition professor at Michigan State University, the bulletin tells who should lose weight and then how to go about doing it.

Fasting today because you overstuff yourself yesterday is not the way to make good food habits. Your body needs the basic nutrients every day and it needs them equally distributed throughout the day. These daily basic nutrients can be had by including: One pint of skim milk or buttermilk; three servings of high protein food, such as egg, meat fish or cheese; three servings of cereal; two servings of green vegetable; two servings of fruit; and three small pats of butter or margarine, or three tablespoons salad oil or shortening.

How much additional food you should add to this basic daily diet depends on how many calories you, as an individual burn in a

day. This will vary from 1,500 to 6,000 calories depending on size, sex, age and the amount of work you do. For example, if you are a young woman of average size whose work is done chiefly in a sitting position, you need 1,900 to 2,200 calories every day to maintain your weight. If you want to lose weight, then subtract 500 to 1,000 calories per day from this figure.

The extra foods you add to the basic diet may mean a lot in terms of satisfying your appetite, points out the nutritionist. A potato per day can be an excellent investment in morale; or so can an occasional cookie. Often a choice of whole milk instead of skim milk may mean the difference in being satisfied or really hungry before the next meal.

Regular consistent exercise can help you lose weight, but only if done while on a well-balanced diet suited to your needs. A thorough medical check should always precede weight reduction. And, as you grow older, you should see your doctor at regular intervals even if you only want to maintain your weight.

## Lard Gives This Cobbler Its Flaky Texture

Whether it is in cakes, pies or cookies, lard is one of the most versatile of the shortenings. In the cobbler, notice the tender, flaky texture lard gives to the finished product.

**Cherry Cobbler**  
2 cups sifted enriched flour  
1 tablespoon baking powder  
¼ teaspoon salt  
4 to 6 tablespoons lard  
1/3 to 1/2 cup milk  
1 No. 303 can pitted red cherries  
½ teaspoon almond extract  
½ cup sugar  
2 tablespoons butter or margarine

Sift together flour, baking powder, and salt. Cut in lard until mixture has fine even crumbs, about the size of peas. Add enough milk to make a soft dough. Divide into two parts, one slightly larger than the other. Roll the larger part to ¼ inch thickness and line an oiled pan. Mix cherries and almond extract and spread over dough. Sprinkle with sugar. Dot cherry mixture with butter or margarine. Roll remaining dough and place over cherries. Bake in a hot oven (400° F.) for 30 minutes. Yield: 6 servings.

After roasting your chicken or turkey, allow the bird to stand in the roasting pan 15 to 30 minutes so that juices may be absorbed. Remove the trussing equipment and place the bird on a large warm platter. Garnish and carve it at the table so everyone can enjoy its full glamour.

Brown-shell eggs may be just as high in quality as white-shell eggs, say food specialists. Quality is based on the interior condition of the egg, not the shell.

## Cereal And Milk Combine In Strawberry Chiffon Flake Pie

April is the month breakfast cereal and dairy industries sponsor the Third Annual Spring Cereal and Milk Festival to promote the food value of cereal and milk. Few foods can equal the nutritional contribution of the cereal and milk serving at such low cost. Rarely is so much nutritional goodness, taste appeal, and glamour so readily available to the homemaker. Strawberry Chiffon Pie with Cereal Flake Crust is easy to make. The directions are carefully explained in the recipe below. This pie is only one of the many ways of combining cereal and milk in food preparation. You never outgrow your need for cereal and milk.

**Strawberry Chiffon Pie With Cereal Flake Crust**  
**Cereal Flake Crust**  
4 cups whole wheat flakes  
5 tablespoons sugar  
½ cup melted butter or margarine  
Crush whole wheat flakes very fine. Add sugar. Mix in melted butter or margarine thoroughly. Press mixture evenly into 9-inch pie pan, making the bottom slightly thicker than the sides. Chill thoroughly before adding filling. Yield: One 9-inch pie shell.

**Chiffon Filling**  
1 envelope plain gelatin  
¼ cup water  
1 ½ cups milk  
1 package vanilla pudding mix  
2 eggs, separated  
¼ cup sugar  
Combine gelatin and ¼ cup water. Let stand 5 minutes. Add milk to pudding mix. Blend. Cook over low heat until thickened, stirring constantly. Beat egg yolks. Mix ¼ cup hot pudding mix into egg yolks. Return to pudding mixture, blend. Cook over low heat 1 additional minute. Add softened gelatin; stir until dissolved. Cool until mixture sets around edge of pan. Whip egg whites to soft peak. Add sugar, 2 tablespoons at a time, beating well after each addition. Whip cooled pudding until smooth. Fold egg whites into pudding mixture. Pour filling into pie shell. Chill until firm. Cover with strawberry topping. Yield: Filling for one 9-inch pie shell.

**Strawberry Topping**  
Add 1 cup fresh strawberry halves to 1 cup of strawberry flavored gelatin, chilled to sirupy consistency. Pour over cooled pie. Chill until firm, garnish top, if desired, with whipped cream and sliced berries.

## Bananas Best For Baby's Diet

It's a commonplace today that babies like bananas, and that they're good for them. But did you know just how good? Bananas are the only raw fruit recommended for baby during his first year of life. Ripe bananas are one of baby's first solid foods, and he gets them nowadays by the time he is two to four months old.

Yet not so long ago bananas were the greatest luxuries. In the American grocery store, they were as rare as truffles or other exotic tidbits. Bananas would still be luxuries today were it not for the daring of the early engineers who pitted their lives against putting a railroad through the jungle to bring bananas out.

Important, too, was the steamship that could coddle bananas in temperature-controlled hold en route to our ports. The first bananas came to this country in clipper ships. A fair wind to northern ports brought a captain a bonanza for bananas in those days. But the fruit was little known beyond the Gulf ports.

## Pick Neckline to Flatter Individual Type Face

What kind of dress neckline does your facial type call for? Because the neckline on your dress or blouse mirrors your face, you should consider it when buying clothing. Clothing specialists suggest that an oblong face can be figuratively shortened with a line of interest. Collared types, high, round necklines, bows and modified "V" will make the face look less long and will soften features.

A round face is a contour which needs length. The deep "V" and other low necklines are good. Narrow "V" necklines slenderize a round face and deep ovals and sweetheart types tend to add length.

Most necklines, except very round ones, claims the specialists, are becoming to the oval face. If the neck is thin it can be concealed with curved, mounting necklines. A triangular shaped face usually requires width at the neckline. This can be done with high, square or round types. High, draped necklines broaden the lower part of the face and tend to make it look less triangular.

## Clothes Close-ups

By D. C. P.

Proud as a Peacock . . .

Of your new draperies — if they don't shrink, sag, or lose their original color, texture, design, or finish. Consider these buying guides:

Has the fabric been given a pre-shrinkage treatment, or stabilized for shrinkage control? Five per cent shrinkage on a two and one-half yard drapery means four and one-half inches of shrinkage! Remember, the lining fabric must be pre-shrunk, too. Uneven shrinkage of drapery and lining fabrics is a common occurrence when this is not considered. Has the color of the drapery been tested for colorfastness to light? To drycleaning? Is the decorative design permanent to drycleaning? And what about finish? Some finishes are not permanent to drycleaning.

**On Drapery Care:**  
Air and brush draperies frequently to remove surface dust before it becomes embedded in the fabric. Draperies should be cleaned as soon as they become soiled. The longer soil remains in the fabric, the more difficult it is to remove in cleaning. Dirt, grime, moisture and gases in the air in combination with heat, all work together to cause yellowing of the fabric, weakening of its strength, deterioration of dyestuffs and finishes.

## Spruce Up . . . It's Spring!

Spring housecleaning comes around every year, but it's a job that can be more fun and less tiring each time . . . provided you approach it scientifically. First, remember to give yourself enough time, a week or two . . . not a whirlwind two-day spin where you wreck havoc over the house and end up in a state of collapse. Start with a plan to organize your cleaning materials . . . treat yourself to the modern products sold in your grocery store and designed to do specific jobs easily and efficiently. Assemble your tools and put your cleaning aids in a handy cleaning basket. Work on a room at a time. Work in comfortable clothes, protect your hands beforehand with a creamy lotion, wear rubber gloves for damp work, and stop before you are too tired. It's a good idea to add a sprightly touch . . . something like colorful new shelfpaper and edging on shelves and in closets to give your rooms a springtime lift.

**REBUILT ROOM** at the Thomas Adams' home, 1116 Harding, once a rough-finished storage room, is now an attractive knotty cedar bedroom for the two Adams' boys, Jonathan, 8, and Tom, Jr., 13. Taking two months to redo, the room was designed by local architect Chuck Sawyer, and the carpentry work done by Maurice Ferguson, a local carpenter. Adams completed the job by applying a Penchrome wood finisher to the knotty cedar panelling. He also installed the cork flooring. The room, which measures 18 feet by 14 feet, has an acoustic tiled ceiling. Features of the new room are a built-in book case beside the beds (above) and a large study desk (below). The bedspreads are a matching color as are the curtains, both complementing the cedar walls. Mr. and Mrs. Adams have one other child, Judy, 11.

## BUILDING AND REMODELING - NEWS - FOR EVERY HOME

### Experts Give Symptoms and Aid For Old, Faulty Plumbing Systems

Want to modernize your heating system because you suffer in winter months from drafts, cold floors or walls, fluctuating temperatures, noisy equipment, cold pockets or chilly corners? Don't be too hasty. Your troubles may be due to minor flaws in installation or equipment. Before you jump into your modernization job, check to see what you really need. Then proceed to bring your home heating up to date. Here are six points compiled by the Institute of Boiler and Radiator Manufacturers to use as a guide.

**Symptom: Temperature variation.** Sensation of warmth about the shoulders and cold about the feet.

**Cause:** In a new house, flaws in design or installation of system. Thermostat may be too close to a lamp, TV or appliance, all of which affect proper operation of this "watchdog." In an old house, need for a simple cleaning or servicing of equipment. Also, improper placement of heating baseboards, convectors or radiators.

**Symptom: Drafts, sudden chilling air movement . . . persistent head colds.**

**Cause:** Improper insulation of walls or lack of weather-stripping and storm windows. (If heat distributors are not placed under windows, infiltration of cold air sets up air movement in room.)

**Symptom: Cold floors.** Worry about children's health.

**Cause:** Insufficient size heating plant, poor design of system or improper placement of heat distributors. In a panel heating system with tubing embedded in floor, insufficient size of boiler or furnace, flaws in design of system. In a hot water or steam system, heat distributors are improperly placed.

**Symptom: Dirt . . . dust . . . Streaked walls or smudged drapes.**

**Cause:** Heating plant, burner and flue passageways need cleaning. (Call a competent heating contractor for annual check-up and cleaning.)

**Symptom: Noise . . . vibration.**

**Cause:** In a new system, poor adjustment to burner, pumps or lower is needed. If heating plant is just plain worn out, adjustment won't help. (A contractor should be called in for periodic checks of component parts.)

**Symptom: Expensive operation.** Fuel bills coming in too fast.

**Cause:** Poor quality equipment or wear and tear are hampering efficiency. (A contractor will have to tell you what's needed. As for bills, best way to judge whether you're burning too much fuel is to compare your heating system with a similar one in a comparable house.)

### Asbestos Siding Adds Beauty And Greater Value to Home

Restoring serviceability and youthful appearance to a tired, dingy exterior is an "Operation Home Improvement" that can be done quickly and economically through the use of asbestos-cement siding shingles, modernization authorities report.

Since asbestos siding was introduced a little less than 25 years ago it has given new leases on life to literally millions of old homes, manufacturers' production records indicate. It is widely used as well, in new construction.

Asbestos siding was produced in answer to the need for a material that would combine all the requirements of an exterior wall covering—attractive appearance, non-combustibility, low initial cost, enduring weather protection and economy of maintenance. Made of asbestos fibers and portland cement, it resists the weathering effects of rain, heat, wind and snow. It can be applied easily over old wood or stucco walls. Neither initial painting nor any subsequent preservative treatment is needed.

Today's asbestos siding shingles are smartly styled in a wide range of beautiful and dramatic colors. The home owner may choose from various shades of greens, reds, ivories, browns and grays, or classic white.

While asbestos siding shingles come in several sizes, the most widely used unit for residing is 24 inches wide and 12 inches deep. They are sold in squares, with a square providing coverage for 100 square feet of wall area.

### TODAY'S KITCHEN

Friendly colors and decorative design enhances the efficiency of kitchens in new homes today. Producers of quality materials for the kitchen are now bringing out their products in a wide variety of work-inspiring colors and designs. There are some 200 different colors to choose from in ceramic tile, for instance, and a great range of shapes, patterns and textures. Practical not only for floors and walls because of its durability, decorative ceramic tile is also being used in finer homes for splashbacks behind the range and sink. Work counters, too, are surfaced with the stain-proof material. Indeed, one of the latest trends in kitchen design is the all-tile work "island" conveniently located in the center of the room.

We will custom build to your plan . . . or you can choose from our large selection of attractive, modern plans.

HERE'S GOOD NEWS! We can rent an R-S Water Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered.

THAT'S RIGHT! And when we're ready to buy a new R-S Ball-O-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

**R-S Ball-O-Matic WATER SOFTENER**

They're both right. The Reynolds Rental Plan is really sensational! You rent an R-S Ball-O-Matic 50,000 Grain Capacity Water Softener for only \$3.25 per month. You control it and regenerate it as often as you want. It's yours to use—just as if you owned it. It will only cost you 13¢ a day (in extreme cases a few cents more) to have all the zero-soft water you need. All the water in your home will be zero soft, and can be used abundantly. Then, when you're ready to buy a water softener, you receive a credit for the rent you've paid to apply on a new R-S Ball-O-Matic (or you can keep the rental unit, if you wish). See us today. You can't afford to be without soft water!

Ball-O-Matic water softeners have been manufactured in Detroit since 1931. There are probably more of them installed in this area than of all other makes combined. You are sure with a REYNOLDS quality softener. Factory installation and factory service.

"You Can't Beat the Best!"

Call collect, WE. 3-3800, for free water analysis and full information. Be sure to see the new Reynolds Automatic Water Softener at the Builders Show.

### L-Shaped Cottage

There's something appealing and durable about America's justly famous Cape Cod home designs, and here is a plan that incorporates the best from Cape Cod architecture with the convenience and comfort of the newest ranch designs. All the features traditionally found in the best of America's homes can be found here—the separate dining room, only a step from kitchen and living rooms, the staircase in the center hall; the two main floor bedrooms each with double exposure; the thoughtfully-engineered L-shaped kitchen with its delightful breakfast nook. Much of the appeal of this house derives from its marvelous expansion possibilities. You can finish two more bedrooms upstairs and an extra bathroom. Truly, this is a home to grow in—a home keyed to your future.

Actual working drawings of this house are available to readers at \$20.00 a set and \$5.00 for each additional set. Send check or money order to Modern Plan Service, Department 106, Lincoln Building, Mount Vernon, N. Y.

Area: 1484 sq. ft. Cubage: 23,022 cu. ft.

## BUILDING AND REMODELING NEWS FOR EVERY HOME

### Science Improves Millwork For Greater Beauty, Durability

Modern millwork—windows, doors and kitchen cabinets—makes for easier, better-looking, less costly, longer-lasting remodeling. Science has made the difference. Chemists have come up with preservatives that lengthen the life of windows and doors and that all but stop wood's absorption of moisture, preventing shrinkage and expansion and assuring easy operation. Curtailing moisture, absorption also improves wood's natural ability to take paint. Most paint failures, such as peeling, cracking, and bubbling, are caused by the presence of moisture beneath the painted surface. This advantage is particularly welcome because of the importance of color styling now. A good-looking wing or enclosed porch gains much of its pleasing appearance from attractively painted doors and windows. They are decorating focal points. A long-lasting paint job means beauty and economy. Ponderosa pine windows come in many styles. This is important for remodeling because new additions to a house should have windows and doors that are in keeping with their counterparts in the older sections of the house. This is one of the ways to keep new construction from sticking out like a sore thumb. Double-hung windows come in a number of different styles. There are Colonial types with small multi-panes, transitional types, and modern types. The horizontal-pane double-hung windows are often used when a large number of sash are to be replaced. Their horizontal lines give a contemporary note to the house. A recent development is the American Wood Window Institute standards set up by the U. S. Department of Commerce. Window units—sash and frame fitted to each other at the factory—are easy to put in and are tight-fitting and smooth operating. The units are weather-stripped at the factory. Matching combination storm-screen windows are available with panels that can be interchanged from inside the house. Ponderosa pine kitchen cabinets, stocked by local lumber dealers, are suitable for use all over the house in remodeling as well as new construction. Designed in many different styles and sizes, they easily can be finished and refinished to meet various decorating needs. They can be used as night tables, end tables, room dividers, and sound-absorbing storage areas as well as in the kitchen. Cabinets come knocked-down or completely assembled. Only a screw driver and hammer are needed for assembling the knocked-down type.

A recent development is the American Wood Window Institute Seal of approval. This small metal seal, now found on the windows of many manufacturers, assures the home-owner that the double-hung sash meets rigid

### Summer Cooling Equipment Added to Existing Furnace

A furnace can cool a house as well as heat it. The trick is done by "add-on" air conditioning, one of the latest methods of cooling a house. The furnace alone doesn't provide summer air conditioning, of course, but many components of the furnace and heat distribution system economically serve during the summer as well as the winter. Add-on air conditioning can be installed in a house at the time it is built, or it can be added onto the forced warm-air heating system in an existing house even though the furnace has been in use for several years.

Add-on cooling is well suited to the situation in which a family wants to build an air-conditioned house, but isn't able to afford the air-conditioning equipment initially. The house can be planned for air conditioning, and forced-air heating can be installed at once. Equipment necessary to convert the system into year-round air conditioning then can be added at any time. If the conversion is properly engineered, the result will be as successful as if the work had been done in the beginning. The accompanying drawing shows how a furnace does double duty. The Coleman Company, Wichita, Kan., a manufacturer specializing in residential heating and cooling, explains it this way: All components of the furnace except the burner and the heat exchanger, which transfers heat from the burner to the stream of moving air, are used in summer air conditioning. A cooling coil (shown as an inverted-V shape in the drawing) is inserted in the sheet-metal bonnet on top of the furnace. The furnace blower forces air past this coil, which cools the

air and takes moisture out of it. The cool, dehumidified air moves out to the rooms of the house through the same ducts used to carry warm air in winter. In the rooms, this air picks up heat and moisture and its temperature rises. Some of it is then carried back to the furnace through one or more return ducts. As the air enters the furnace to be cooled and dehumidified again, Coleman explains, it passes through a filter where it is cleaned of dust and pollen. One element of add-on air conditioning is not shown in the drawing. This is a condensing unit installed outside the house. The function of the condensing unit, in which refrigeration machinery is housed, is to make the cooling coil cold. A cold refrigerant gas or a chilled liquid circulates to the cooling coil in the furnace bonnet through tubing, shown as heavy black lines in the drawing.

### HOME OWNERS QUESTION BOX

Q—Is there any way to overcome binding when sawing wood?

A—Binding is most likely to occur in long cuts, particularly if the wood is damp or green. The end of a screw driver or a wedge-shaped piece of wood should be inserted in the cut, after the saw. This will minimize binding.

Q—My step railing is rusted. I'd like to paint it, but I'm afraid the rust will eat through the paint. Is there any kind of paint primer that will hold back the rust?

A—Scrape off the loose particles of rust, then paint the metal with red lead. Give the red lead four or five days to dry. It can then be covered with enamel. The red lead will check the rust.

Q—What are the common causes of damp basement walls?

A—There are three frequent causes. First, the bricks or cement blocks of the foundation may be faulty, or they may be joined in a faulty way. Second, there may be cracks in the wall that were formed as the building settled and uneven weight was placed on various parts of the foundation. Last, the pressure of water on the outside of the foundation may be so great that water is forced through the pores of the foundation.

### ON SUBJECT OF LIGHT

Of the utmost importance to industry are its lighting fixtures. These must not only be carefully designed and constructed, they must be given protective coatings that will reflect light to the greatest possible degree.

GOING OVER plans for the "Litterbug Bounce" to be co-sponsored by high school cheerleaders and Plymouth Garden club on Friday, April 13, as kickoff to the club's Litterbug campaign. April 27-May 12, is this representative group from the sponsoring organizations. From left are Cheerleaders Shug Watson, Carol Partridge, Cathy Thompson, Mrs. Louise Cigile, faculty advisor, Mrs. Gail C. Mason, Garden Club co-chairman with Mrs. Paul Wiedman (absent from pic) Jeannette Foreman, Joan Bassett and Pat Calkins. The event will feature the Sun-Tones orchestra, prizes and selection of king and queen for the campaign. Starting time is 8 p.m. in the high school gymnasium. Dressy attire and heels for girls, sport coats or suits for boys, is the order of the evening.

**Set for Achievement Day**

Warren Road Workers 4-H club met last week to discuss plans and ready projects for 4-H Achievement Day to be held Friday, April 15.

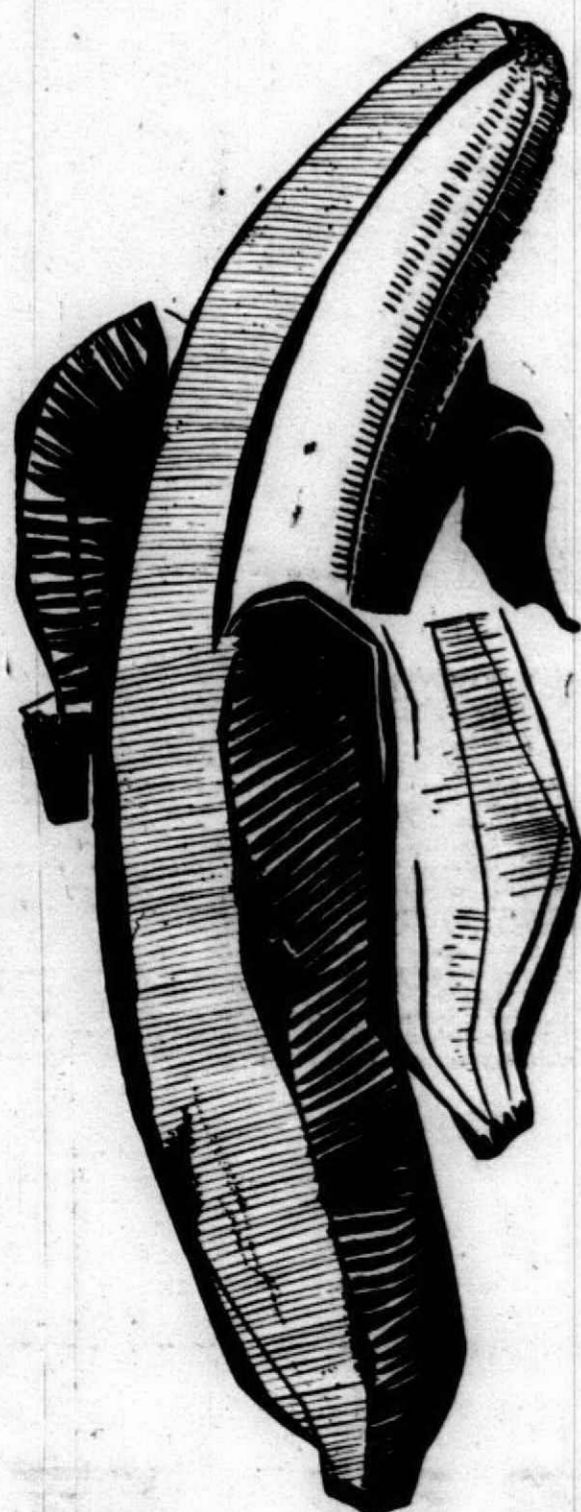

The event is scheduled for 8 p.m. in the Union hall on Michigan avenue. Featured will be a dress review and other events in addition to the main display of 4-H projects. Participating are 4-H clubs from this and other areas. The public is invited to attend the event.

Every generation is entitled to live its own life, which is a principle that older people find hard to accept.

**WHAT DO YOU MEAN, "JUST FACE LIFTING"?**

EVERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new — just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

**The Styling is New**

Sure, it looks like a Buick. But it has a new V-prowed grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweepspear is new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours. But that, friends, is only the beginning.

**The 1956 Dynaflo\* is New**

It introduces what the engineers

call "double regeneration"—which means a double-action take-off. It gives you new, split-second response in the first inch of pedal travel — plus the "switch the pitch" at full acceleration, which no one else has yet approached.

**The Ride is New**

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

**The Power is New**

All 1956 Buicks have new 322-cubic-inch V8's — with record highs in power and compression — with unique

new double "Y" manifold to step up efficiency—with new carburetor "deicing" — and a host of other new features to make owning a Buick pure pleasure.

**The Thrill is New**

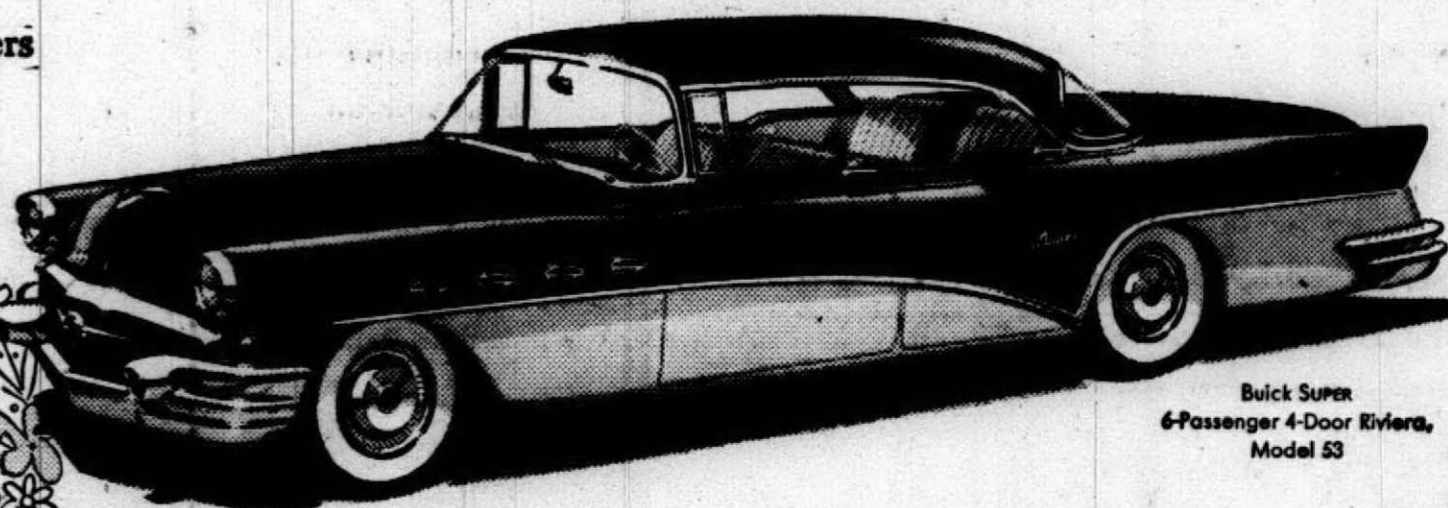

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the *best Buick yet*—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**JACK SELLE BUICK**

200 Ann Arbor Road

Plymouth, Michigan

**IN CASE YOU'RE** wondering what this tiny object is, Mrs. William G. Gardiner of 42467 Five Mile road holds an Indian arrowhead she discovered recently in the back yard of her home. Checking with the Plymouth Historical society, Northville Taxidermist Harvey Guntsviller and other Indian lore specialists, the arrowhead has been attributed to the Potawatami Indians who frequented this area as late as 1840. A village site has been pinpointed on Beck road between Eight and Nine Mile from charred campfire stones and other findings. A nomadic tribe, the Potawatamis would migrate each fall to northern Ohio to spend the winter with the Miami Indians, returning to this area again in the spring. Fishers and hunters, the tribe followed lakes and ridges for food and sustenance. The Gardiner home is a few yards distant from Phoenix lake.

**Senior Scout Troop Sponsors Photo Contest**

A snapshot contest for intermediate Girl Scouts is being sponsored by Senior Troop 1 under leadership of Mrs. Sheldon Baker, it was announced this week. Pictures for the contest which ends April 30, should be of Girl Scout activities, animals or landscapes. All photos must be taken by contestants themselves. Prizes will be awarded winners in each category. Contestants should write their name, address and troop number on the back of each snapshot, and submit their entries to their troop leader who will forward them to the contest judges. All intermediate Girl Scouts are urged to enter this event.

Three of a kind—golfers, fishermen and proud parents.

**Men In Service**

**Loren G. Beaver**  
Army Corporal Loren G. Beaver, 23, whose wife, Patricia, lives at 9456 Oakview, Plymouth, recently was assigned to the 398th Transportation Terminal battalion at Fort Eustis, Virginia.  
Corporal Beaver, son of Mr. and Mrs. George M. Beaver, Route 4, Bad Axe, is a documentation specialist in the Battalion's Headquarters detachment.  
In the Army since 1950, he wears the Korean Service medal and the National Defense Service medal.

The problem before the republic today is how to spend money without limit and without taxation.

**INCOME TAX FACTS No. 7**  
**Pensions and Investments**

*(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Accountants and the Michigan Society of Certified Public Accountants.)*

This article deals with investors in general — and retired people in particular.  
Many people can stop filing income tax returns when they have retired, because no return is required from a person who is 65 or over and had less than \$1,200 income, not including Social Security or Railroad Retirement Act benefits, which don't count.  
But when retired persons are required to file, their returns can be quite complicated.

First, let's look at some provisions that affect people with investments, whether they are retired or not.

**Dividend Credit**  
Anyone who owns stock needs to know about the dividend exclusion and credit. This applies only to dividends from corporations which are subject to United States corporate income tax; it does not include dividends from savings and loan associations, credit unions or foreign corporations.  
Your first \$50 of qualified dividends is tax free, and should be subtracted from the total of your dividends in a special schedule on page three of the tax form. Husband and wife are each entitled to exclude the first \$50 for dividends on stocks that each own.

If you received dividends beyond this amount, you are entitled to a "dividends received credit." This credit is 4% of the remaining dividends, but it cannot be more than 4% of your taxable income, or more than the amount of tax otherwise due. This credit is not just a deduction from your taxable income—it is actually subtracted from your tax.  
For example, if you received \$550 in dividends, you can exclude \$50 from your taxable income, and subtract 4% of \$500—or \$20—from the tax you would otherwise have to pay. The last page of the tax form provides a schedule for figuring the amount of your credit.

**Capital Gains and Losses**  
If you made a profit on the sale of stocks, bonds or other property you must report it as a capital gain on a special form. The same form is used for capital losses.  
Detailed instructions are printed on the back of this form. Generally speaking, your profit on the sale of an asset which you held more than six months is taxed at half the rate of ordinary income — and never

more than 25% regardless of the tax bracket you are in.  
Interest from state and municipal bonds is tax exempt, of course, but any gain from selling these bonds must be included in your tax return, and any loss can be reported as a capital loss.  
**Retirement Income**  
There is a provision for "retirement income credit" which may reduce your tax on pensions and investment income in some circumstances. You may be entitled to this credit if you are able to answer "yes" to all three of these questions:  
1. Did you (or your deceased husband or wife) earn more than \$600 in each of any ten calendar years before 1955?  
2. Did you receive less than \$1,200 in tax-exempt pensions or annuities in 1955?  
3. If you are under 75, did you earn less than \$2,100 in 1955?  
The space for computing your retirement income credit takes up most of the last page of the tax form. It is not too difficult to work out if you read the instructions carefully.  
The most any individual taxpayer can save from this provision is \$246, but husband and wife can each save this amount if they are both eligible.  
The retirement income credit is more liberal this year in regard to retirement benefits from the armed forces. Be sure to take advantage of this credit if you are eligible.  
If you have an annuity from life insurance, pension plan, or other source, the portion which you may receive tax-free depends on your life expectancy. The Internal Revenue Service will furnish actuarial tables upon request to help you figure this out.  
The instructions that come with your tax forms give further information. Help is also available from the Internal Revenue Service, which urges you to consult a properly qualified advisor if you need outside assistance.

Next article: Plan Now for Next Year's Tax.

**Official Proceedings of the City Commission**

Monday, March 19, 1956

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, March 19, 1956 at 7:30 p.m.

Present: Comms. Cutler, Guenther, Henry, Roberts, Terry and Mayor Daane.  
Absent: Comm. Sinecock.  
Since it was necessary that Comm. Sinecock be out of town, his absence was excused by the commission.

Moved by Comm. Terry and supported by Comm. Roberts that the minutes of the regular meeting of March 5 and the special meeting of March 12, 1956 be approved as written.

The Clerk presented bills in the amount of \$49,394.56.  
Moved by Comm. Guenther and supported by Comm. Roberts that the bills in the amount of \$49,394.56, subject to the approval of the auditing committee, be allowed and warrants drawn. Carried unanimously.

The City Manager presented the following reports for the month of February: Police, D. P. W. Fire, Health, Treasurer and Bookkeeping Cash Statement.  
Moved by Comm. Cutler and supported by Comm. Terry that the above reports be accepted and placed on file. Carried unanimously.

The Clerk presented a communication from the Liquor Control Commission which advised that local legislative bodies may voice objections to the Liquor Control Commission against renewals of beer and wine tavern and hotel licenses by April 1 of each year. Unless objections are received, license will automatically be renewed. The communication was accepted and ordered filed.  
The Clerk presented a communication from Thomas Kavanaugh containing his approval of the form of ballot presented in order to submit to the voters the question as to whether or not the city owned park in front of Starkweather School should be sold to the school district. The communication was accepted and ordered filed.

Mr. Stewart Oldford presented a petition signed by 93 families in the south end of the city, requesting an alternate plan for the installation of sewers in the proposed sanitary sewer project. Mrs. Evalyn Cash, J. D. McLaren and Donald Marsden presented their views relative to the sewer project. Mr. Herald Hamill

explained the plans as presently outlined.  
Moved by Comm. Roberts and supported by Comm. Cutler that the petition be accepted and placed on file. Carried unanimously.

Mrs. Bernard Schwartz requested some relief be given her to overcome flooding of her basement when it storms. She was advised that when the new sewer is installed, all her connections will be connected to the sanitary sewer and the backing up of storm water should be eliminated.

The Clerk presented a communication from Mr. Carl Evey requesting a water tap to extend from the alley adjoining the west 1/2 of Lots 53, 54 and 55 to the east 1/2 of Lots 53, 54 and 55, Brookview Subdivision, a distance of approximately 100 feet.

Moved by Comm. Guenther and supported by Comm. Roberts that the matter be referred to the City Manager for his disposal and that the cost be determined on a time and material basis. Carried unanimously.

The City Manager presented a report of the over-assessments and under-assessments of the projects completed during the last fiscal year.

Moved by Comm. Cutler and supported by Comm. Guenther that the report of over-assessments and under-assessments for improvements installed by special assessment, submitted by the City Manager, be accepted, and, since no project was over-assessed by more than five percent, the over-assessments be credited to the general fund, and further, that the under-assessments be charged to the general fund as city share of the project. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Henry that the resignation of Dr. Barber as Health Officer be accepted, effective April 1, 1956. Carried unanimously.

The Mayor appointed Dr. Andonian as Health Officer, effective April 1, 1956.  
Moved by Comm. Cutler and supported by Comm. Guenther that the appointment by the Mayor of Dr. Andonian as Health Officer be confirmed. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Henry that the proposed Sewage Disposal System Revenue Bond Ordinance be passed its first reading. Carried unanimously.

Moved by Comm. Roberts and supported by Comm. Henry that the meeting be adjourned. Carried unanimously.  
Time of adjournment was 10:01 p.m.

decide the cost, extent, and necessity of the improvement proposed, and what part or portion thereof should be paid by Special Assessment upon the property benefited and what part, if any, should be paid by the City at large. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Guenther that the proposed amendment to the Zoning Ordinance, Ordinance No. 182, be passed its second reading, by title only. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Guenther that Ordinance No. 200, an ordinance to amend Ordinance No. 182, Zoning Ordinance, (Mather property) be passed its third and final reading, by title only, and become operative and effective on the 10th day of April, 1956. Carried unanimously.

Moved by Comm. Henry and supported by Comm. Cutler that the bid of Daniel S. Mills for Lot No. 22 (except the northerly 100 feet parallel with W. Ann Arbor St.) together with the south 50 feet of Lot 835 of Assessor's Plymouth Plat No. 22 (south side of W. Ann Arbor St. at C & O R.R.), in the amount of \$3500 on a 3 year land contract at 6% interest on the unpaid balance, and the City Attorney be authorized to draft a land contract and the Mayor and Clerk authorized to execute the contract. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Henry that the resignation of Dr. Barber as Health Officer be accepted, effective April 1, 1956. Carried unanimously.

The Mayor appointed Dr. Andonian as Health Officer, effective April 1, 1956.  
Moved by Comm. Cutler and supported by Comm. Guenther that the appointment by the Mayor of Dr. Andonian as Health Officer be confirmed. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Henry that the proposed Sewage Disposal System Revenue Bond Ordinance be passed its first reading. Carried unanimously.

Moved by Comm. Roberts and supported by Comm. Henry that the meeting be adjourned. Carried unanimously.  
Time of adjournment was 10:01 p.m.

Russell M. Daane  
Mayor  
Kenneth Way  
Clerk

**WHAT MAKES 'THE ROCKET' ROCKET?**

**Here's why the engine that started the high-compression era still tops the field today!**

**THE ROCKET BROUGHT HIGH-COMPRESSION performance to motoring . . . set the standards . . . broke the records.**  
Today it's the same. With a high in compression of 9.25 to 1 and a displacement of 324 cubic inches, the Rocket packs a potent new wallop.  
**THERE'S AN EFFORTLESS SMOOTHNESS** that tells you this one is a masterpiece of balance and precision. What's more, this power plant's big-bore, short-stroke design means shorter piston travel for less friction, wear and longer life.

You'll rarely use the full 230+ horsepower under the hood. But you'll go for the Rocket's high torque—the force that makes the wheels go 'round. Even at medium speeds, your toe can call a hefty 340 pound-feet of torque into play—to move you away from a light or pass by any emergency. Add Jetaway Hydra-Matic\* and you meet Rocket action at its smoothest.

**VISIT OUR SHOWROOM TODAY!** We invite you to "Rate the Rocket" on the road. You'll get out of the ordinary . . . into an Olds!

**ROCKET SCORES DOUBLE VICTORY IN '56 MOBILGAS ECONOMY RUN!**

Tops for economy, too! In the famous Mobilgas competition, two Oldsmobiles were entered, two won! Both the 88 and Ninety-Eight took first place in their fields! Here's more convincing proof that Oldsmobile brings you top value today . . . top resale tomorrow!

**ORDINANCE No. VII**

AN ORDINANCE ENACTED PURSUANT TO ACT 167, PUBLIC ACTS OF 1917, AS AMENDED TO PROMOTE THE HEALTH, SAFETY AND WELFARE OF THE PEOPLE BY REGULATING THE LIGHT AND VENTILATION, SANITATION, FIRE PROTECTION, MAINTENANCE, ALTERATION AND IMPROVEMENT OF DWELLINGS; TO DEFINE THE CLASSES OF DWELLINGS AFFECTED BY THE ACT TO ESTABLISH ADMINISTRATIVE REQUIREMENTS AND TO ESTABLISH REMEDIES AND FIX PENALTIES FOR THE VIOLATION THEREOF.

**The Township of Plymouth Ordains:**

**Section 1. Adoption of the State Housing Law of Michigan.** The State Housing Law of Michigan, as amended, copies of which are on file in the Office of the Clerk of the Township of Plymouth, available for inspection by the distribution to the public at all times, is hereby adopted.

**Section 2. Purpose.** The purpose of this Ordinance is to provide minimum standards to safeguard life and limb, promote the health, safety and welfare of the people by regulating the light and ventilation, sanitation, fire protection, maintenance, alteration and improvement of dwellings and to define the classes of dwellings affected.

**Section 3. Effective Date.** The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect Thirty (30) days after final passage and publication.

STATE OF MICHIGAN )  
 ) SS.  
COUNTY OF WAYNE )

(I, Norman C. Miller, Clerk of the Township of Plymouth, do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Plymouth, at its regular meeting held April 4, 1956.

**Norman C. Miller**  
Township Clerk

## keeping in touch

TWO STUDENTS from the Plymouth area have art work on display at the student art exhibit at Western Michigan college in Kalamazoo. They are: Margaret Amrhein, daughter of Mr. and Mrs. John Amrhein, 46150 West Ann Arbor trail; and Shirley Robinson, daughter of Mr. and Mrs. Gano B. Robinson of Livonia. Margaret is showing a section of a mural, while Shirley has a stained-glass window design.

AMONG THE 54 new compositions to be played during the fifth annual Southwestern Symposium of Contemporary American Music at the University of Texas April 8 to 15 will be a selection by Grant Beglarian of 536 Maple. Works of 44 composers will be performed.

RONALD M. KRUMP, son of Mr. and Mrs. Matthew R. Krump of Gold Arbor road, is a member of the Michigan Tech Engineers Army ROTC drill team which participated in the National Cherry Blossom Festival in Washington, D. C. April 3 and 4. Krump is a junior in chemical engineering.

A THOUGHT FOR THIS WEEK: While the right to talk may be the beginning of freedom, the necessity of listening is what makes the right important.—Walter Lippman.

## Youth Competes For Scholarship

Lee M. Huber, son of Mr. and Mrs. Michael J. Huber, 9429 South Main street, is one of the 4,300 top notch high school seniors in the nation being considered for scholarships to be awarded about May 1 by the National Merit Scholarship corporation.

The 4,300 were screened from 60,000 seniors, nominated by their high school principals to take the first NMSC test last October when more than \$1,000,000 in scholarships was announced as available.

Lee and the 4,300 seniors have been awarded a Certificate of Merit by the scholarship corporation. These students are all estimated to be in the top half of one percent in ability of all high school seniors.

Names of the certificate winners are being circulated among colleges, universities and other scholarship granting agencies. Sixteen leading U. S. corporations have now joined the scholarship program, making \$3,000,000 worth of scholarships now available for the coming year. Each of the scholarships will have an average total value to student and college of \$6,000 and will cover all four years of college.

Actually, the amount of each scholarship will be based on the need of the student and will range from nominal amounts to full tuition plus full cost-of-living expenses.

Lee is in a pre-medical college course.

## OUTDOOR NOTES

From The MICHIGAN DEPARTMENT OF CONSERVATION

Michigan sportsmen are being saved thousands of dollars annually under a new fish feeding program being used in the state's fish hatchery system.

The use of dry pellet-type food for trout rearing has given results in the last three years "little short of phenomenal," state Conservation Department fish workers say.

Pellet feeding has a double-barreled effect on old methods of trout rearing. More and better trout are being produced with the new food and, at the same time, annual food costs have been pared by more than 25 percent.

The Department's fish division has "rolled its own" food formula, so nutritious that it produces one pound of trout for every 2.6 pounds of food. Formerly, ground waste meat from slaughterhouses was the principal food used in trout rearing; it produced one pound of trout for 5-6 pounds of food.

In addition, the pellet diet is much less expensive to produce and—in a time of high labor costs—far easier to handle. It can be stored without refrigeration, it's clean to handle and it provides a constant, controllable diet.

Other states have been using pellet foods in recent years, too, each juggling various diet factors, testing and retesting methods of production and feeding. And happily, fish thrive on the new diet. In 1955, the state planted an all-time record 1,823,000 legal-sized trout, reared largely on pellets.

"We usually plant 1,000,000 to 1,500,000 legal-size trout," said hatchery chief M. J. DeBoer. "But last year our pellets made fish grow faster than we expected, so we had to plant them out. This new diet really builds fish."

The diet was developed in the state hatcheries, under the supervision of animal nutrition specialist Edward F. Grassl, a Department research worker.

Group camp use at Michigan parks and recreation areas totaled 227,542 camper-days in 1955. During the year, more than 42,000 persons made use of group

camp facilities. Schools, religious groups, scout organizations and adult clubs were the leading camp users.

Attendance records for group camps in 1955 show that Chief Noonday camp at Yankee Springs recreation area was the most heavily-used, with 3330 campers. Seasonal and short term campers accounted for 27,217 of the 11,968 persons used day-camping facilities, including 3937 at Proud Lake recreation area, the most popular day camp site.

Some 2170 persons used trail-side cabins and 624 persons made use of family tents at Brighton recreation area.

Conservationists and other citizens are endeavoring to make a word obsolete in our language. The word, "litterbug," is now to be included in the new edition of Funk and Wagnalls dictionaries, and other dictionaries are following suit, according to an announcement from the "Keep America Beautiful" organization. Officials of "Keep America Beautiful" are urging all citizens to cooperate in a nationwide project to keep woods, fields and other outdoor areas free of refuse.

Douglas Smith, Huron county conservation officer, recently received a complaint from a farmer about strange pheasant damage.

It seems the farmer stepped into a seldom-used barn on his property and frightened up a flock of about 100 pheasants.

The birds took wing in a hurry and flew right through the barn windows, smashing every window pane.

Bird banding, an important tool in management of waterfowl and other game birds, has been used widely in North America since the first banding program was started in 1899.

Some 7,000,000 birds—representing more than 600 species—have been banded in that time in the United States and Canada. All banding records are kept on

file at the federal Fish and Wildlife Service research laboratory at Laurel, Maryland.

Banding data gives an indication of bird migration routes, how long birds live in the wild state and other information.

A bird banded in Michigan holds the longevity record among recovered wild birds. The bird, a Caspian tern, was banded near St. James, Beaver Island, and was killed 26 years later in Ohio.

Long-distance migrations also are revealed by recovery of banded birds. One pintail duck banded in North Dakota was killed in South America; another pintail banded in California was shot three months later on a Pacific island 4,500 miles away; still another was killed in England just 21 days after being banded in Labrador.

The Arctic tern has the longest recorded migration, extending from the Arctic to the Antarctic. This long-distance migrant travels 25,000 miles a year as it follows the sun from north to south and back again.

Bird specialists point out that banding is only part of the job in management studies. The cycle is not complete unless the band is reported when found. More than 600,000 banded birds have been recovered in past years.

State and federal conservation workers urge that banded birds be reported by anyone finding them. If the bird is dead, the band and full information on place and date of recovery should be mailed to the Fish and Wildlife Service, Washington 25, D. C., or the Conservation Department, Lansing.

Mount Etna, Sicily's 10,636-foot volcano, has had more than 50 major eruptions during recorded history. Etna is Europe's tallest volcano and its last violent out break occurred in 1950.

Mt. Markham, highest known peak on the Antarctic continent, is approximately 15,100 feet.

## Social Security Question Column

Readers are invited to send their social security questions to the Plymouth Mail. The full name and address should be included, although only initials will be used for those answered in this column.

1. I do baby sitting and would like to get under social security. The people I work for say they don't have to pay social security. Do I pay it myself? B. S. G.

Answer: You do not pay the social security tax yourself as you are not self-employed. However, if you are paid \$50 or more in cash in a calendar quarter by any employer you are under the social security law. Your employer is expected to deduct 2% from your wages and his contribution is the same amount. A calendar quarter is a three month period beginning January 1, April 1, July 1, or October 1.

2. If I move to California to live with my daughter will my social security checks stop? L. H. T.

Answer: Social Security benefits are payable throughout the United States. You should notify the Social Security Administration of your change of address so that your checks will be sent to your new address.

3. I have rented my upstairs as an apartment. Will I have to report this to social security? Can I keep my checks? C. L. D.

Answer: You do not have to report any income from rent. You may keep your social security checks.

## Local Safety Council To Hear Dr. Ruedemann

"The Seriousness of Eye Injuries" will be the topic of a speech by Dr. A. D. Ruedemann, M. D., when he addresses the Plymouth division of the Greater Detroit Safety Council at its last big meeting of the current season at Arbor Hill restaurant on Monday, April 16.

Reservations for local members may be had by telephoning the council office at TRinity 2-6900 or Secretary Ross Sinclair at Plymouth 560 before April 12. Dr. Ruedemann is well-qualified and fully acquainted with the subject of eye injuries, their causes and effects.
