

Champion Strike Enters 3rd Week

Negotiations between the union and Champion Containers, Incorporated, broke down twice during the past week when meetings called by state and federal mediators for last Friday and again yesterday morning failed to take place.

Seventy-five hourly employees, members of Local 1005, United Paper Workers of America, AFL-CIO, walked off their jobs two weeks ago today and picketing has continued ever since.

Last Friday's meetings were called off, according to Plant Manager Jack McFald, because pickets barred all entry into offices on Ann Arbor road and at the Sheldon road plant, making it impossible to secure minutes of previous meetings.

He added that an injunction was obtained against the pickets and was served Monday.

Another meeting was arranged for Wednesday morning at the Mayflower hotel but company representatives balked when they discovered two men they had fired were still representing the union in the negotiations.

The two were Robert Fennimore, union president, and Jerry Olson, financial secretary. McFald said that both were discharged after they were allegedly involved in some violence on July 6. Fennimore has been charged with assault and battery after allegedly pulling a company engineer from his car and dragging him across the road in front of the plant.

McFald has refused to sit down and meet with the union bargaining committee, the union told The Mail yesterday. "Therefore the union feels that the company is refusing to negotiate in good faith to arrive at an early settlement."

No early settlement now appears in sight. Until negotiations broke down last Friday, the company and union had met several times. The snag in their contract renewal talks so far has been over co-determination. The union wants to maintain its right in making certain decisions with the company while management claims that it should be able to make its own decisions.

There has been no discussion so far about wages.

Only 2 Infected Elm Trees Found

Only two cases of Dutch elm disease have been found in Plymouth this year, according to an encouraging report made this week by Hugh McAuley, superintendent of the city's parks and recreation.

There were 35 diseased elms found last year in Plymouth and its fringe area. The large decline may be attributed to the spraying program which has been carried on in the city during the past two seasons.

McAuley said that the two cases he has found so far this year have no apparent relation. One is located on Starkweather avenue and the other in Maplecroft subdivision. The disease usually spreads from one tree to another.

Trees infected by the disease must be cut and burned, according to state law. Dutch elm disease is carried by a bark beetle. It spreads through tiny holes bored in the bark by the beetle in search of sap. The fungi spores then enter and nurture in the tissues just under the bark and it is these epidermal tissues which carry life-sustaining water to the branches. As the spores mature, it becomes sticky clogging up the water supply. Branches then wither and die.

Plymouth Takes Night Out for Crippled Kiddies

One of the largest congregations of Plymouthites outside the city took place Monday night when 1,300 people attended the Rotary club's production of "Annie Get Your Gun" at Melody Circus Playhouse.

With profits from the venture going toward a crippled children center for western Wayne County, the Rotary club purchased the entire Monday performance of the musical. An early estimate yesterday placed the profit at \$3,000.

Commission Again Asked to Change Plan for Sewer

A small group of Maplecroft subdivision homeowners appeared before the city commission Tuesday night to make a last-ditch try in revising sanitary sewer plans which would place the sewer behind their homes instead of in the street. But it appeared that there would be no way to make the change unless they are willing to pay an extra \$683.

Over a dozen homeowners appeared Monday night but the lack of a quorum among commissioners brought a motion of adjournment until Tuesday.

Groups of Maplecroft homeowners have appeared several times before the commission seeking a change in the plans. They argue that the sewer should go down the easement behind the homes because it is closer to their present septic tank outlets, thus making it less costly for the individual homeowner.

Engineer Herald Hamill had placed the sewer in the street, however, claiming that the water line, storm sewer, garages, shrubbery and other things in the easement would make it necessary for the contractor to use expensive hand-labor. The commission finally agreed to take an alternate bid for placing the sewer in the easement.

Only two contractors bid on the alternate, the lowest being \$51,000. Divided among the homeowners in the area, this would figure to about \$683 each.

One homeowner suggested that those who have garages and other things in the easement should be required to pay for the extra work. This brought a strong reply from one homeowner who stated that his garage was in the easement when he purchased the home. Engineer Hamill added, however, that even if there were no infringements on the easement, the 12 feet would still not be wide enough to operate the machinery and pile dirt.

The next step to be taken by the commission is to approve bids from bond buyers. Bids will be opened August 1 at 7:30 p.m.

In other business before the commission, City Manager Albert Glassford was directed to bring in plans for paving Amelia street from Liberty to Mill. A public hearing on the project is being called for August 13. A hearing will also be held on that date for sewer and water main on Herald street, from Wing to Maple.

There was more discussion on the complaint of noise at the Brown Metal Manufacturing company, 322 Hamilton street. A number of neighbors had complained of the night-time noise at a meeting last month. The city manager said that the company had agreed to eliminate its night shift when its present job is completed.

Construction Climbs In Six-Month Period

Construction and alteration of buildings in Plymouth township and city during the first six months of this year hit the \$2,464,245 mark—more than double the record figure reached in last year's first half.

The all-time construction record for a six-month period was brought out in building permit reports issued by City Clerk-Assessor Kenneth Way and Township Building Inspector Ernest Rossow.

Permits issued for a new building and parking lot at Burroughs corporation were the reasons for the new peak in construction estimates. A new addition is being constructed at an estimated cost of \$1,200,000 while the parking lot is costing \$130,000.

The Burroughs construction brings the township building figure up to \$2,103,215 while the city had estimates of \$361,030.

Permits for 36 new homes were issued during the first six months of the year at township hall. They have an estimated value of \$567,700. In addition, permits were issued in the township for \$160,200 worth of alterations and additions and \$45,315 worth of other buildings, excluding the Burroughs permits.

Among the permits issued was one to the Seventh Day Adventist church for a \$12,000 building; a

THERE WERE anxious moments Tuesday night and Wednesday when 1,200 gallons of gasoline leaked from an underground tank which workmen are shown digging out. In the center are Fire Chief Robert McAllister and station owner Robert Sincok watching the men dig out the gasoline-soaked sand.

Missing 1,200 Gallons of Gasoline Brings Worrysome Day Downtown

An area surrounding the intersection of South Main street and Ann Arbor Trail was blocked off to traffic Tuesday night as a search began for over 1,200 gallons of high test gasoline that leaked from an underground storage tank.

Bob's Standard Service, located in the center of Plymouth's downtown area across from the Hotel Mayflower, has been under guard since 8 p.m. Tuesday when firemen were called to investigate the disappearance of about 1,250 gallons of ethyl gasoline from one of the underground tanks.

Work was begun immediately Wednesday morning to dig up the big 2,000 gallon tank. Using all precautions, traffic was still barred from passing in front of the station on both streets, firemen stood by with hoses and equipment and foot traffic was held back from the service station.

By noon the tank had been taken out of the ground and was being inspected for the leak as The Mail went to press. Workmen had to dig through sand saturated with gasoline. Water was being poured into the tank to look for the leak.

The break was discovered Tuesday evening when a tank truck was filling the underground tank. There was about 400 gallons of gasoline in the tank when the filling operation started. The truck pumped 890 gallons. Upon measuring, the gasoline was almost gone.

The leaking tank is "self-equalized" with another 2,000 gallon tank. Gasoline remaining in the two tanks were pumped during the night into another set of tanks.

Chief McAllister said that his

Fire Chief to Head Governor's Committee

Fire Chief Robert McAllister has been appointed by Governor G. Mennen Williams as chairman of the Governor's Fire Prevention committee which has called a meeting at the Pantiind hotel in Grand Rapids on July 30.

Between 500 and 600 people representing fire departments, industry, police, insurance, labor and governmental agencies will participate in the meeting.

This is the second time that the governor has called such a meeting, the first being in 1949. Chief McAllister met in Lansing Monday with his 33-member committee to outline plans for the meeting designed to lower Michigan's fire losses.

Some of the speakers will be William Fitzgerald, president of the International Fire Chiefs association; Matthew Braeich and J. Stevens of the National Board of Fire Underwriters; and John Redway, president of the International Association of Fire Fighters.

To Open British Ford Dealership

A Plymouth auto dealership has become the first in the Midwest to be granted a franchise for the sale of British-built Fords.

Stadnik and Shekell, 203 South Main street, are expecting their first shipment of the overseas version of the Ford this week. Reports from East coast dealers indicate that the 12-model line is becoming much in demand.

Models include six-passenger sedans, stationwagons, convertibles and a quarter-ton van. The top bracket models are the Zodiac and Zephyr, both having six cylinder engines and coming in Mark II convertible styles. There is also the four cylinder Consul, Prefect, Anglia, Squirt stationwagon, Escort stationwagon and the van.

Manufactured in Dagenham, England, the cars will hold special appeal for those wanting utility-type transportation. Gasoline economy, a vital factor in European auto design, will undoubtedly be of more interest to Michigan drivers as the price of fuel steadily climbs.

The dealers state that the sixes will get from 26 to 35 miles a gallon while the fours will travel between 35 to 45 miles a gallon. Sale price of the new product is expected to be about \$500 less than domestic low-priced cars.

Stadnik and Shekell state that any Ford dealer will be able to service the British cars. All parts are stocked at the Ford Parts depot on Plymouth road at Middlebelt.

Owners of the agency are Joseph T. Stadnik and William Shekell. Operators of a used car business here 15 years, they recently built new offices and service garage. "Buck" Rogers is sales manager for the firm.

Mr. and Mrs. Thomas W. Moss of St. Petersburg, Florida, will be the guests of honor at a picnic party Saturday evening at the home of Mr. and Mrs. John T. Neale on Auburn avenue. Others present will be Mr. and Mrs. C. L. Cowgill, Dr. and Mrs. John L. Olsaver, of Plymouth and Mr. and Mrs. Edwin Bolton of Pleasant Ridge.

Chamber Disapproves City Annexation Issue

School Building Not Yet Affected By Steel Strike

Construction work on the Plymouth Community School district's two new schools is progressing on schedule, Superintendent Russell Isbister said this week, and the steel strike has not yet had any effects.

Ground was broken last April for the James Gallimore elementary school on Sheldon road. The Plymouth Community Junior High was started in mid-June at a site in the southeast corner of the city.

Footings for the main classroom unit of the junior high have been poured and work is now starting on footings for the home-making and cafeteria unit.

Blocks are starting to be laid for the elementary school with floors already poured. It is scheduled for completion by the end of this year while the junior high should be ready by September 1957.

But what effect the current steel strike will eventually have is unknown. Only steel used so far has been for reinforcing the concrete. A continuation of the strike may mean that beams later needed may not be available, putting all work behind schedule.

The junior high will cost about \$1,500,000 and will house 1,000 students while the elementary school is to cost about \$460,000, housing 420 students.

Several other projects are scheduled to start soon at other schools. The parking lots at Bird and Smith elementary schools are to be paved this summer along with part of the play area and a ramp leading down a hill to the playground behind Starkweather school.

A Detroit firm will begin next week to do some exterior maintenance to the junior high. Pointing up bricks and repair of the parapet will be included in the job.

Car Hits Utility Pole, Touches off Grass Fire

Plymouth township firemen were called out early Sunday morning to extinguish a grass fire caused when a car knocked down a Detroit Edison utility pole.

Sheriff's officers said that William Murdock, 857 Palmer was driving his car on Ann Arbor trail when it went off the road and struck the pole a half mile west of Beck road. Electric wires set off the blaze.

The front of Murdock's car was badly damaged but he was not injured, authorities said.

Says it Will Abide by Decision Of Electorate in Last Election

Plymouth's Chamber of Commerce entered the new city-township annexation controversy this week by approving a resolution which fails to endorse the city's action to annex the Burroughs corporation property without the company's consent.

While the Chamber last fall endorsed the proposal to annex the township to the city, their new stand places them at odds with the city's latest effort.

In addition, the Chamber board of directors concluded that there should be more cooperation between the township and city and suggested the formation of a group to work out area-wide growth problems in the future.

In a statement to The Mail, President Donald A. Burleson said that the board of directors met Monday morning and after a lengthy discussion of published reports on the subject, came to this conclusion:

"A recent referendum of the voters of Plymouth township very emphatically expressed the desire not to be annexed to the city of Plymouth. As long as the majority of the taxpayers of the township are opposed to annexation, the Chamber of Commerce, in an effort to fairly represent all its members, must abide by the decision of the electorate and not endorse the action of the city of Plymouth in attempting to annex Burroughs corporation property without the consent of that company.

"The board of directors of the Chamber believes that there is a very definite need for cooperation on the part of the township and city in working out common problems and that without the cooperation of the two units of government, our community will not achieve its greatest degree of growth and prosperity.

"The board suggests the formation of a group from township, city and industry to work up a program that will interest the entire community in a consolidation of effort for an orderly and progressive area-wide plan that will use all available resources to the general benefit of the community."

Burleson said that the Chamber's position was made clear after many of its members and other citizens of the community expressed their position of the chamber on the annexation issue.

It is recommended that vacationers have neighbors, friends or relatives pick up their mail each day from their mailboxes.

Mrs. Frank Loomis and daughter, Carol, of Ann street are spending the week at their summer cottage on Big Lake near Ewart. Mr. Loomis will join them for the week-end.

Ridgewood Has First Birthday

A birthday cake with one candle was blown out Tuesday at Ridgewood Osteopathic hospital as the new institution celebrated its first year of operation.

Located at 10000 Geddes road, Ypsilanti, the hospital has taken many Plymouth area people under its roof during the past year. It has rendered service to 2,507 patients in that period; 343 babies were born and 1,162 surgical operations were performed.

Three Plymouth residents hold key positions on the staff. They are Dr. Spencer Hilton, radiologist, whose department has performed 7,096 X-ray examinations; Dr. Virgil Haws, pathologist, whose department has given 50,000 examinations; and Dr. Robert Hindman, head of the department of anaesthesiology.

Ridgewood now employs 125 people and \$425,622 in salaries was paid out in the past year.

The hospital is a branch of the Garden City Osteopathic hospital. Both units are non-profit, owned and staffed by 70 osteopathic physicians and surgeons in this area. Dr. A. C. Williams of Plymouth is a member of the Ridgewood board of directors.

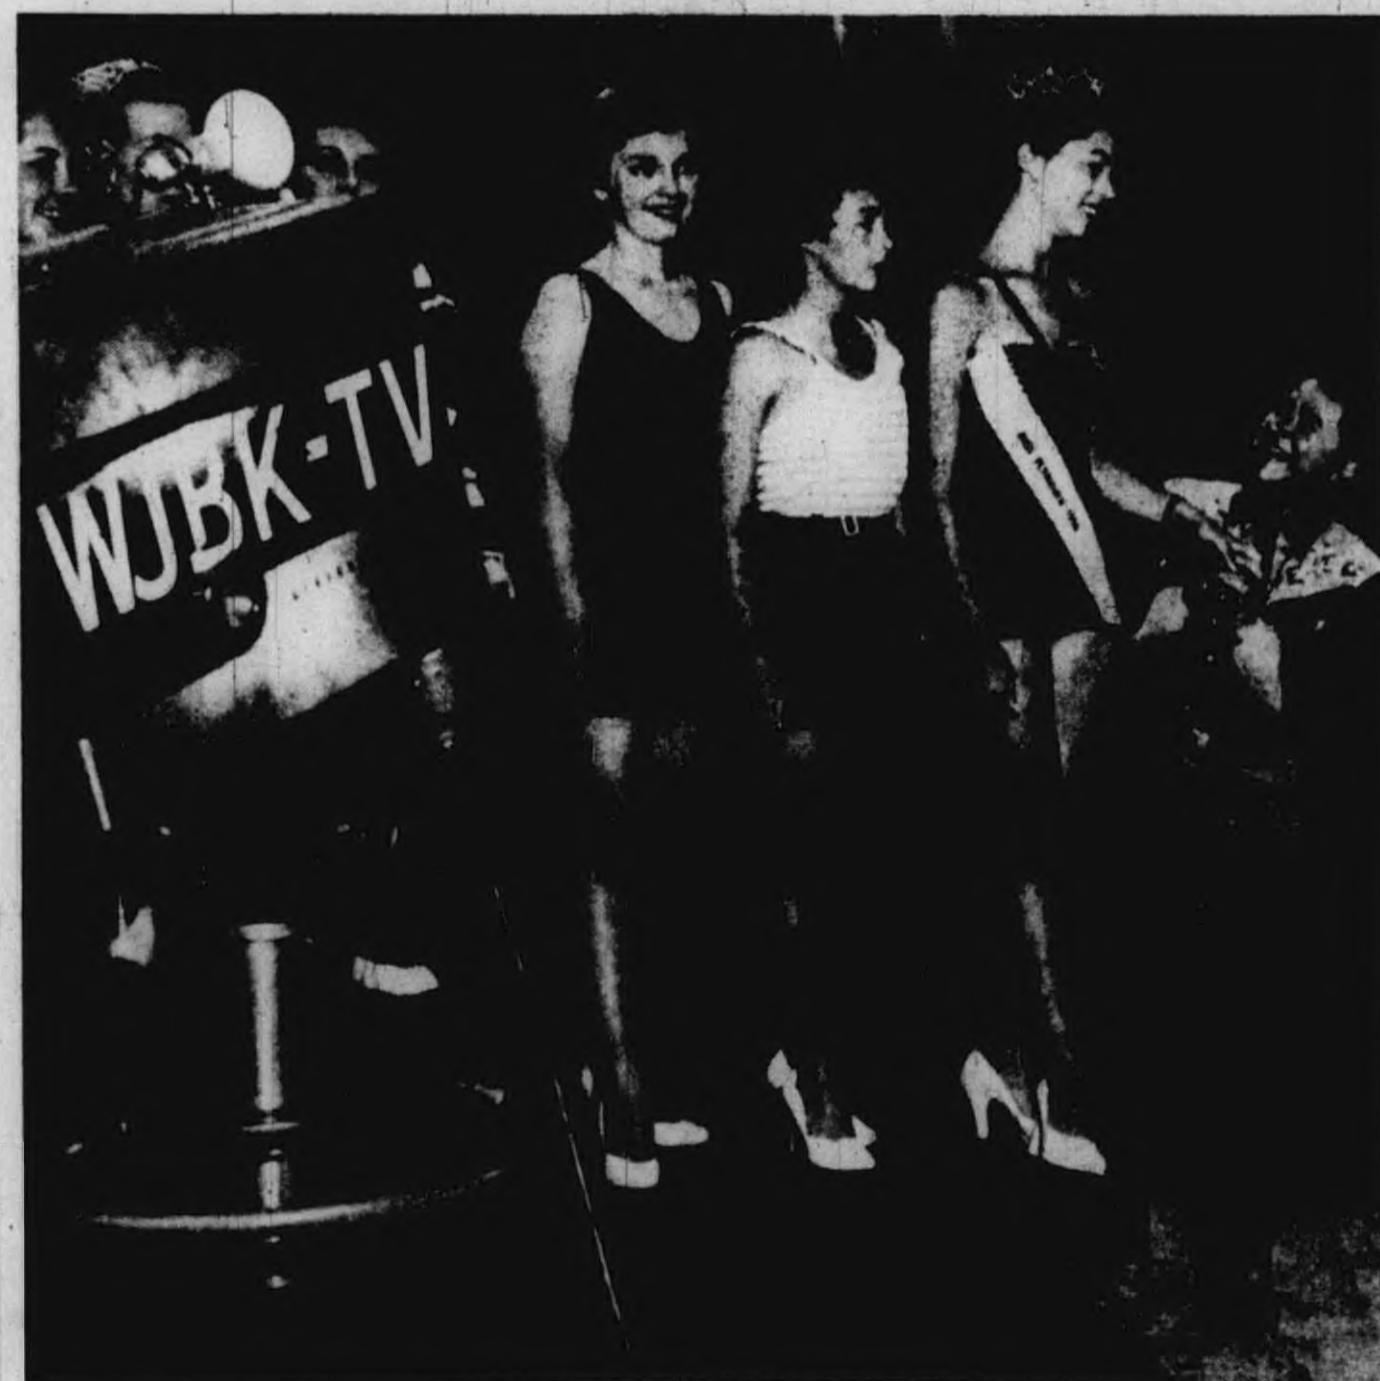

Youth Fractures Neck In Swimming Accident

Remaining on the critical list at the University of Michigan hospital today was James Williams, 16, of 592 South Harvey street, who last week received a broken neck in a swimming mishap at Walled Lake.

Jim is the son of Mrs. Frances Finley and James Williams of Plymouth.

A junior next fall in Plymouth high school, Jim was running on a dock, preparing to jump into the water when he slipped and fell into two feet of water. He was rushed to the hospital where he still awaits an operation.

Mrs. Finley reports that her son shows no real improvement and is partially paralyzed. The accident happened July 9. His room is Room 56-10, 5 West.

PLYMOUTH RECEIVED a bit of good-looking publicity last Sunday when its Miss Plymouth winners appeared on the Sagebrush Shorty TV show. Miss Plymouth (Pat Anderson) and her two attendants took part in a parade of bathing attire. From left are Attendants Marlene Watchko, Dee Brandell, Pat Anderson and Sagebrush. A number of Plymouth youngsters also appeared.

Jacqueline O'Neill Becomes Bride at Lutheran Ceremony

At a candlelight ceremony performed at 8 o'clock Saturday evening, June 30, in St. Peter's Lutheran church of Plymouth, Miss Jacqueline O'Neill, daughter of Mrs. Gertrude O'Neill of North Harvey street, became the bride of Russell E. Brown, son of Mr. and Mrs. Foster Brown, former residents of Plymouth now living in Herrin, Illinois.

Baskets of white gladioli and roses at the church altar and in front of the candelabra formed a decorative setting for the wedding rites which were read by the Reverend Edgar Hoenecke. Preceding the ceremony Mary Lou Hartwick sang "O Perfect Love" accompanied by Robert Bartel at the organ.

The bride, who was given in marriage by her brother-in-law, Richard McKinley, wore a fitted gown of chantilly lace, the bodice of which was styled with sweetheart neckline and long sleeves which extended to a point at the wrist. The full skirt was of net over satin. A pearl necklace with matching earrings was worn by the bride and she carried a bouquet of carnations, roses and stephanotis with ribbon streamers. A crown and fingertip veil of illusion completed the bridal ensemble.

Mrs. Barbara McKinley attended her sister as matron of honor at the wedding rites. She was gowned in a ballerina-length dress of turquoise crystaletta with matching crown and veil and carried a colonial bouquet of pink carnations, roses and ribbon streamers.

Wearing gowns styled identically to Mrs. McKinley's but in pink shade were the bridesmaids, Mrs. Shirley Gøthard of Livonia, Lee Haines and Carol Wilkerson of Plymouth. All carried colonial bouquets in turquoise shade.

Assisting his brother as best man was Foster Brown, Jr. Ushers were Richard Brown, the bridegroom's other brother, Ernest Føerster and Lawrence Lamphart, all of Plymouth.

For her daughter's wedding Mrs. O'Neill selected a beige dress with white accessories while the bridegroom's mother chose a blue dress with white accessories. Each wore an orchid corsage.

A reception for 200 guests in the dining room of the church followed the wedding ceremony. A white sheath dress with white accessories and an orchid corsage was the bride's choice for her going-away outfit. Two weeks in Florida was planned for the honeymoon trip. The couple are residing at 644 Blunk in Plymouth.

HOW TO FILL 'EMPTY CALORIES'
By C. C. Wiltse
Registered Pharmacist

America's dining tables reflect the highest standard of living in the world, yet nutritionists have found that the average American eats a poor diet. The cause of this condition is the "empty calorie"—a calorie completely devoid of those elements necessary for normal growth and development, and for the function of vital organs.

Unfortunately, "empty calories" are popular calories. Carbonated beverages, sugar, syrup, pastries and candy contain an abundance of calories, but calories that are of little value in maintaining good health. The real cause for concern is provided by the statistics which show that today's American diet is composed of almost one-third "empty calories."

The simple, practical way to do something about this deficiency is to make regular use of a high quality multivitamin product. There are a number of good products on the market designed specifically to supplement your daily diet with the essential factors so necessary for good health. Your doctor will be happy to recommend one that provides broad protection and is well-balanced, yet costs only a few pennies a day.

This is another in a series of informative advertisements appearing in this paper each week, presented by Community Pharmacy, 330 S. Main.

BIRTHS

Mr. and Mrs. Norman Druce of 575 Simpson announce the birth of a son born June 12 in St. Joseph hospital in Ann Arbor. He was named Gary Alfred and weighed eight pounds, seven ounces.

A son, Timothy Michael, was born July 6 in New Grace hospital in Detroit to Mr. and Mrs. Harvey Cooper of 700 Parkview Drive, weighing seven pounds and eight and one half ounces. Mrs. Cooper was the former Barbara Litsenberger.

Born to Mr. and Mrs. Roy Liddle of Dodge street, a daughter, Brenda Kay, July 8 at St. Joseph hospital, Ann Arbor, weight six pounds, eleven and one-half ounces. Mrs. Liddle is the former Betty Dely.

Mr. and Mrs. Richard Nelson of Evergreen street announce the birth of their little daughter, Linda Ann on Monday, July 16, in the St. Joseph hospital in Ann Arbor, weight four pounds and 13 ounces.

On Thursday, July 12, Mr. and Mrs. Vern Kahler of Morgan street and Mr. and Mrs. Frank Tillotson had a picnic on the Au Sable at the home of Mr. and Mrs. Walter Liverance, former residents of Plymouth.

Grange Cleanings

Our first picnic on July 5 was not very well attended because of the weather, cold and wet, so the picnic supper was in the Grange hall and the evening was spent in visiting and playing Euchre which, of course, suited the men folks all right.

So now tonight we are supposed to try again for a real picnic at the usual place between the railroad viaduct and Plymouth road. Perhaps the weather will be more suitable this time.

Mr. and Mrs. Spicer, Mr. and Mrs. Jesse Tritten and the boys attended the Tri-County picnic at Milan, Sunday Worthy Master (State) William Brake was present and spoke on matters pertinent to Grange work. The program was very good. Too bad so few Plymouth people went.

We hope everyone is keeping in mind the Rummage sale on September 15. Also the bazaar on October 12.

Mr. and Mrs. Frank Tillotson of Morgan street returned home Monday after a week's vacation in northern Michigan.

W. A. Matthews of Pittsburgh, Pennsylvania spent last weekend with his mother and sister, Mrs. John Matthews and Mrs. A. V. Fawcett and family on Brush street.

Long on flattery!

Social Notes

Betty Salomon has just returned from a trip through the west including a week's visit to Bear Trap Ranch, near Colorado Springs, Colorado.

Mrs. Garfield of Oak Park was a Sunday caller of Mrs. Arthur Tillotson on Blunk street.

Mrs. Doris Wick of Karmada attended the dedication of Zion's Evangelical Lutheran church at Kalamazoo Sunday. She was a guest of her sister, Mrs. William Crawford in Kalamazoo over the weekend.

Mr. and Mrs. William Patrick entertained at a beach birthday party for their son, Kirk's fifth birthday at their summer home on Strawberry lake on July 12. Guests were Kirk's brother, Michael; Bill, Bonnie, Sherry and Melody Walker; Mrs. Walker; Susan, Bobby and Kathy List and Mrs. Al List; Danny, Teddy and Terry McPherson and Mrs. Davis McPherson, Mr. and Mrs. E. K. Patrick and Mr. and Mrs. Walter Patrick.

Mr. and Mrs. Earl Heim and family enjoyed Sunday dinner at the home of Mr. and Mrs. Roy Gottschalk of Plymouth. Mrs. Heim and family stayed until Wednesday with her parents and also visited Mrs. Peg Tungate, Mrs. Marjorie Barr, Mrs. Madeline McDonald, Mrs. Jean Micois, Mrs. Kay Henry, Mr. and Mrs. Clinton Gottschalk, Mr. and Mrs. Lloyd Sharland and Mr. and Mrs. Earl Luelling of Plymouth and Livonia.

Guests last week of Mr. and Mrs. Herbert Chaiken of Minerva's were Mrs. Chaiken's brother and sister-in-law, Mr. and Mrs. Morris Toll, of Philadelphia, Pennsylvania.

Mr. and Mrs. Howard Zander of Oakview street and children have just returned from a two weeks vacation at their cottage at Brownlee lake, Lincoln, Michigan.

Mrs. Robert Beyer entertained 20 guests at a picnic Wednesday evening at the Beyer home on North Mill street, honoring her husband on his birthday.

Miss Pamela Barbour, daughter of Mr. and Mrs. R. K. Barbour of Arthur street and Miss Jane Vallier, daughter of Mr. and Mrs. Arch Vallier of Penniman avenue are attending the Water Vliet Camp at Water Vliet, Michigan.

Detroit Attorney Speaks To Local Kiwanians

Detroit Attorney George E. Smith told Plymouth Kiwanians Tuesday evening that the "banking system and constitution of the United States are responsible for the great industrial opportunities of our land."

A candidate for congress from the seventeenth district, Smith chose a non-political subject for his address. He outlined the development of the United States since the drafting of the constitution and pointed out the many compromises necessary for 55 men to create such a document. Smith spoke at a regular meeting of Kiwanis at the Mayflower hotel and was introduced by Michael J. Huber.

WHO WILL IT BE? After a lot of hard work on the part of these civic-minded men George Haarbauer was chosen Scout Master of a newly formed Boy Scout troop. Pictured from left to right are: Leonard Cole, Committee Chairman; Ross Hampton, Advancement Chairman; Howard Marberger, Camping Chairman; Burt Johnson, heading the Organization of Extension; Douglas Miller, Institutional Representative; and Cliff Parmenter, the outdoor leader. James Huber is treasurer for the troop and Wendell Henry is the District Commissioner. The troop will meet on Thursdays.

Society for Crippled Children, Adults To Honor Day Camp Workers

Workers at the Easter Seal Day Camp will be honored by the Wayne Out-County chapter, Michigan Society for Crippled Children and Adults, at a 4 o'clock weiner roast in the park this afternoon to be followed by an entertainment program at the Plymouth Kwanis-Girl Scout lodge, site of the month-long day camp which will close its 1956 season tomorrow, July 20.

More than 75 crippled children from the Wayne Out-County areas have attended this 5th Easter Seal Day camp program, many of whom despite braces, crutches and wheelchairs were transported to the camp site from 17 different communities to participate in its activities.

The day camp is sponsored each year by the Wayne Out-County chapter, Michigan Society for Crippled Children and Adults, and is financed through funds raised in the annual Easter Seal drive. First organized for children, the day camp has now developed into a three-point program for crippled youngsters, teenage handicaps and home-bound older adults. Those attending the program include cerebral palsy, polio, muscular dystrophy and cardiac victims.

Handicapped youngsters attending the camp Mondays

through Thursdays have participated in such activities as crafts, games and field trips to Kiddieland at Hudson's Northland center where they enjoyed rides on the miniature ferris wheel, merry-go-round and small boats.

Pony rides at the Easter Seal Day camp have also been a favorite pastime for the crippled youngsters who range in age from 4 to 14. This year Mrs. Herma Taylor, R. N. and executive secretary for the Wayne Out-County Chapter, made arrangements for the campers to visit L & J Ranch stables in Plymouth on two different occasions for their pony rides. Mrs. Arthur Karnatz of Plymouth supervised the camp kitchen from which lunch was furnished approximately 40 campers daily by the Easter Seal society.

The handicapped teenagers and adults who attended the camp program on Fridays, enjoyed card and other games, film presentations, treasure hunts and similar activities.

The 1956 day camp was under the supervision of Miss Dothe Balaskas with Mrs. Bessie McCreadie as assistant director. A host of volunteer workers from Plymouth and Livonia were active participants in the program.

Parking Island Project Begins

Another step toward completing the East Central Parking lot was started this week when contractors began laying the concrete "islands" on which meters will eventually be installed.

Perlongo and Tibbitts, winning bidders for the concrete work, moved equipment in Tuesday and the lot was closed off. Their work will cost \$4,984.

The final step in bringing the lot into full use will be the paving and installation of meters. Commissioners have still not decided whether to pave the lot this year or wait until next spring.

The East Central Parking lot is located behind the Penn Theatre and continues northward to Dodge street. Since it was graded several months ago, it has been used heavily.

Mr. and Mrs. Alfred Fawcett have returned to their home on Brush street following a seven weeks tour through the south and northwest. They visited friends and relatives in Arizona, California, Oregon and Washington. In Spokane, Washington they spent several days with Mr. and Mrs. Elton Alford, former Plymouth residents, and in South Dakota they attended a performance of the Black Hills Passion Play at Spearfish.

First World Girl Scout Roundup Ends

(EDITOR'S NOTE: The first world encampment of girl scouts has broken up. Two of the four girl scouts from Plymouth have written the following impressions of this camping experience.)

By Diane Bever

With the first drifting strains of reveille on Saturday morning June 30, 1956, 6,000 girls and leaders awakened to strange new surroundings that were to be their home for the next 11 days. This encampment of girl scouts from the United States, its possessions, and Europe was to be known to the world as "The Roundup."

Housed in the 1,500 shaded acres of Highland State recreation area, the Roundup was an entirely new experience in girl scouting; its ultimate goal to promote international friendship, and its theme "Americana."

In accordance with this theme two colorful pageants were staged. The first depicting America's history in searching for constant betterment, entitled "On the Way" and the second called "The Girl Scout Story," written by Dorothy Fields, Broadway author of "A Tree Grows in Brooklyn" and "Annie Get Your Gun."

Michigan delegate Patrol 23 comprised Christine Baker and Diane Bever of Plymouth, Edna Jo Sturtevant, Donna Fogarty and Rebecca Ashlin of Wayne, Pam McClure of Ypsilanti, Nita Townsend of Flat Rock, and Bernice Ziegler from Waltz, was located in section "D" as were neighboring patrols from Kentucky, Texas and Pennsylvania.

When the first visitors began arriving on Saturday, July 1, no one suspected that in a few short hours they would number in the thousands, making the Roundup another of Michigan's wondrous tourist attractions.

Upon entering the central area the first sight that caught one's eyes was a long mall dotted with flags. Flags of the 48 states, the World flag, Old Glory, and flags of the participating nations in the Girl Scout World association. It was the fervent hope of each scout who took part in the raising or lowering of these proud flags that their purpose in being there would remain with that country forever.

By Carole Anne North

The first Senior Girl Scout Roundup held at Highland Recreation Area is now over, but for Betsy Edgar, my tent buddy from Plymouth, and me, the

memories of it will be with us always.

The July 4th ceremony in the arena will never be forgotten because it honored our country's birthday in the highest manner. One hundred fifty American flags carried by girls representing the 150 Round-up troops were presented flags of the 48 states. Flags of the United States territorial possessions were then presented in the order of their entry into the union. A special message from President Dwight D. Eisenhower was read.

Charlton Heston, star of the forthcoming movie "Ten Commandments," Lillian Gilbreth, world famous engineer, and aviatrix Jacqueline Cochran were the major speakers. JoAnne Warren a 15-year-old girl scout from Lubbock, Texas read her moving essay "What America Means to Me" which recently won first place in a nationwide Girl Scout Senior Roundup essay contest.

A big thrill came after the program when hundreds of Scouts rushed to see Charlton Heston, Judy Lynn, a girl from Missouri who is in our troop, went to see the star and was pushed to the ground by the mob, a cute MP and Charlton Heston quickly picked her up and since then no one has been able to touch the arm which he touched.

Another memorable event was the July 7 pageant held in observance of Roundups Americana theme. Michigan's governor, G. Mennen Williams, the guest of honor, welcomed the senior Girl Scouts to Michigan.

Girl Scouts in costume dramatized America's history in the very impressive pageant. The pageant opened as people of the stone age searched for new hunting grounds. They were followed by Indians, early explorers, pilgrims, inventors, the forty niners, immigrants, and modern day Americans all seeking some-

thing new and better. America as the melting pot of the world was symbolized by hundreds of Girl Scouts from all 48 states and different countries who joined together in dancing the "American Girl Polka."

One of the most wonderful sights at the Roundup was the Avenue of Flags. It included the flags of those countries which are members of the World Association of Girl Guides and Girl Scouts, state flags, a world flag and an American flag. In mass ceremony the numerous flags were raised simultaneously every morning and lowered every night.

The Roundup was a wonderful experience and Betsy and I learned many new things which we hope to share with others. We were proud to represent Plymouth at the first National Girl Scout Senior Roundup, and would like to thank the Plymouth Girl Scout Council and everyone else who helped make this possible.

NEWS FROM OUR NEIGHBORS

Green Meadows

Mrs. John Johnson
Phone 2525

Mr. and Mrs. Henry Schwartz and children of Brookline, who have been vacationing at Cheboygan and Escanaba in the Upper Peninsula for the past week, returned home the first of this week.

Mrs. Orville Plummer of Brookline visited her friend, Mrs. Roy Liddle, Monday. She is in St. Joseph hospital with a new baby girl.

Mr. and Mrs. Vern Sturm and daughter, Pat, of Elmhurst and Gerry Minehart of Brookline left Saturday, July 14, for a three week's vacation. They plan to go through Canada, Maine and New York and hope to go to Florida before returning home.

Mr. and Mrs. Chester Macer and children of Marlowe left Wednesday, July 11, for Alton, Illinois, to visit his mother, Mrs. Charles Macer, and sister, Geraldine. They expect to be home this weekend.

Mrs. C. W. Brandell of Sheldon road left Friday, July 13, for Chicago where she was called by the death of her uncle.

Mr. and Mrs. Ormel Gray and children of Reed City were weekend guests at the Norman Briggs' home on Marlowe.

Mr. and Mrs. Morris Cope of Elmhurst with their grandson, Richard Vickstrom, have returned home from their vacation. While away they visited Washington, D. C., then Tennessee where they visited her brother, then Mayfield, Kentucky where they visited his parents.

Ira Cude of Northern and daughter, Mrs. Leonard Forrester, and sons Don and Bob, spent last week at Nashville, Union City and Dickerson, Tennessee visiting relatives. Mrs. Cude was unable to make the trip with them due to illness.

Walter Bean of Detroit spent last evening visiting at the home of his cousins, Mr. and Mrs. Ernest Evans of Oakview.

Mr. and Mrs. William Fox of Northern celebrated their 13th wedding anniversary July 4 by having dinner at the home of her sister, Mrs. Raymond Rice, and family of Wayne.

Pat and Roberta Fox of Northern and Carol Rice of Wayne were in the Fourth of July parade in Plymouth and in the evening the two families attended the carnival held behind the

high school.

Mr. and Mrs. David Hall and son, Davy, of Oakview spent last weekend at Gildwin at their cottage, returning home Sunday, July 8.

Mrs. William Burton and children, Mrs. Eugene Eicher and children; Mrs. Mary Beaman and children of Elmhurst and Mrs. John Hoffman and children enjoyed a marshmallow roast at the home of Mrs. Eugene Eicher last evening.

Mr. and Mrs. Raymond Rice and daughter, Carol, of Wayne and Mrs. William Fox of Northern motored to Chicago last

weekend to visit relatives.

Neighbors and friends of Green Meadows wish to express their heart-felt sympathy to Mr. and Mrs. Elmer Slater and family of Northern in their time of sorrow.

Ira Cude of Northern is convalescing following an automobile accident on Adams street last week. He was badly cut and bruised.

Mr. and Mrs. C. C. Bryan and Mattie Pepper of Union City, Tennessee, are spending a two weeks vacation with Mr. and Mrs. Luther Grady of Oakview and Miss Bonnie Bryan of South Harvey street.

by Carl Peterson

It seems like a lot of our troubles are our own fault. You take forest fires, for example. Every year hundreds of fires are started by campers and vacationists who drop burning matches of cigarettes in the woods with the careless abandon of guests tossing rice at a wedding.

What happens? Forests and fields are destroyed. That drives animals and birds away and makes floods easier because when the rains come there are not plant roots to hold the water. Any way you look at it, we all lose from a forest fire. And what is destroyed in a day may take a lifetime or more to replace. So let's put out campfires and avoid tossing matches and "smokes" from our cars. It's easier to prevent a fire than to put one out.

The local cynic asked me to remind recent bridegrooms that the cooing may end with the honeymoon, but the billing will go on forever. But that's something they'll find out themselves. Best way for you to find out about our complete stocks of fine men's toiletries and ladies' beauty preparations, stationery, candies, greeting cards, photo supplies, etc. . . . is just to stop in and get acquainted. We give S & H Green Stamps for double savings at

Deadline on Want Ads - Noon Tues.

At What Age Should SAVING Start?

Many, many First Federal customers have had savings accounts for their children, opened soon after the youngsters were born. They start with a small account for the new baby. Then, it's surprising how such savings grow with money gifts for Christmas and birthdays. Later, the child's own after-school earnings are added. Besides offering important training in thrift, this plan builds savings for college, or for a start in business. Savings here are insured to \$10,000.

Rosedale Gardens
Mrs. Joseph R. Talbot, Jr. Garfield 1-5847
Joyce Swindlehurst, daughter of Mr. and Mrs. Donald Swindlehurst, 11446 Mayfield and Cathy Heimforth, daughter of Mr. and Mrs. Jack Heimforth, left last Sunday by plane to visit their respective grandparents for the summer. Joyce will be in Elk Rapids and Cathy will be at Traverse City. Both girls were thrilled and when the airlines knew they were taking their first airplane ride they made the girls "junior stewardesses" for the day.

Mr. and Mrs. William Byrd, 11315 Auburn, entertained Mr. Byrd's parents, Mr. and Mrs. D. F. Byrd of Little Rock, Arkansas for a week. Of course the

OBITUARIES

Stewart C. England
Following a short illness, Stewart C. England of 441 Dorothy street, South Lyon, passed away Wednesday, July 11, at St. Joseph Mercy hospital in Ann Arbor. A millwright at the Michigan Seamless Tube company in South Lyons, Mr. England was born August 7, 1905 in Novi, to George and Lillie Trick England. He leaves a wife, Thelma; three children, Lillie, George and Rosie; a brother, Robert, of Plymouth; and three sisters, Mrs. Ethel Passage, Mrs. Edith Randall and Mrs. Robert Grandtass, all of Plymouth.

Services were held from the Phillips Funeral home in South Lyon at 2 p.m. Friday, with the Reverend Prville Roth officiating. Interment was in South Lyon cemetery.

Mrs. Edith Wimmer
Mrs. Edith Wimmer, a resident of 707 Maple street, Plymouth for 14 years, passed away Wednesday, July 11, at Beaumont hospital, Royal Oak after an illness of two weeks. She was 79. Mrs. Wimmer came to this community from Detroit where she was born and raised. She was a member of Our Lady of Good Counsel church and its Altar society. The deceased had also belonged to the Auxiliary of Providence hospital, Detroit, and had been a member of the Detroit Study club.

Surviving are, three sons, Avis Granzow of Plymouth, Alvin Granzow of Ferndale and George Granzow of Tucson, Arizona; a daughter, Mrs. Jack Wagers of Detroit; two sisters, Miss Frances German and Mrs. Clara Davies, both of Detroit, seven grandchildren and six great grandchildren. The rosary was read at 8 p.m. Friday at the McInnis and Desmonde Funeral home, Detroit, followed by the mass at 9 o'clock Saturday morning from St. Benedict's church in Detroit. Monsignor Hankard was officiating minister. Interment was in Mt. Olivet cemetery, Detroit.

senior Byrds were very appreciative of the cooler weather.

Mrs. Raymond Jares, 9825 Shadyside, invited a group of her friends to her home on Friday, July 13, for a cosmetic demonstration by Marge Glasser, former resident of Rosedale Gardens. Everyone had a mirror and kleenex and Marge went around and typed each woman for color of foundation, rouge and lipstick. All the women removed their old make up and used the samples to remake their faces. Naturally no woman can resist experimenting with cosmetics and the following were no exception: Stephanie D'Anna, Kay Welch, Joyce Curtis, Kay Knight, Dolores Bussler, Dolores Van Tuyl, Mary Jane Matter, Pat Vernier, Phyllis Houghtby, Ruth Secord, June Byrd and Shirley Conroy. After the demonstration Polly served a very delicious dessert and coffee.

Mr. and Mrs. Jack Heimforth and son Keith, 9904 Brookfield, attended the open house and christening for their nephew, Paul Lintern, in Detroit on Sunday, July 8.

Lucky Shaton and Timothy Ryan! Mr. Leonard Ryan, 9628

NEWS FROM OUR NEARBY NEIGHBORS

Newburg News

Mrs. Emil LaPointe, Garfield 1-2029

A birthday party to honor Fred Gney on his 80th birthday was held at the Gney home on Newburg road on Sunday, July 8. The following were present for the occasion: Mrs. George Bossardet, sister of Mr. Gney from Royal Oak, and Thomas Cavanaugh, a cousin, also from Royal Oak; Mr. and Mrs. John Gney of Detroit, Mr. and Mrs. Elden Gney of Wayne, Joseph Vaughn of Wayne, Mr. and Mrs. David Gney and daughter Karen from Dearborn, Mrs. Jessie Marvin and Mr. and Mrs. Wayne Bell and children, R. Kie, David and Sandra, all of Ann Arbor.

Mrs. Dorothy Pringle of Knolzen street, Plymouth has returned to her home after spending two weeks with relatives and friends in Wilkes Barre and Dallas, Pennsylvania and Buffalo, New York.

The Patchen Community will meet at the tennis courts in the park on Thursday, July 19, at 6:30 p.m. All who plan on attending are advised to bring a dish to pass and your own setting of dishes and silverware.

Guests at the home of Mr. and Mrs. Henry Mende of Newburg road on Sunday, July 8, were Mr. and Mrs. Leo Clausen of Ecorse, Mr. and Mrs. Harry Frycklund and children Harry Lee and Shirley Ann, Mrs. Helen Harris, Mr. and Mrs. Richard Gallinat and daughter Susan, Mrs. Madeline David and Gordon Briggs, all of Detroit.

The 39th annual Bassett re-

union was held at Riverside park on Sunday, July 8, with a picnic potluck beginning at 1 p.m. After the lunch Mrs. Guy Taylor had Mrs. Warren Bassett, secretary of the group, read the minutes of the last meeting of this assembly. A rising vote of thanks was given to Mr. and Mrs. James Bassett, Mr. and Mrs. Earl Wolfland, Mr. and Mrs. Clifford Cochran for the fine job they had done as refreshment committee. Under the supervision of Mr. and Mrs. Earl Zeese, young and old enjoyed playing games.

The following were present for the festivities: Floyd Bassett and Mr. and Mrs. Clark Bassett from LaPorte, Indiana; Mr. and Mrs. James Bassett and Ardith, Mr. and Mrs. Lester Bassett and family, Mr. and Mrs. Warren Bassett and family, Mr. and Mrs. Edward Bassett and family, Mr. and Mrs. Ora Bassett, all of Plymouth; Mr. and Mrs. Ronald Bassett and family from Wayne; Mr. and Mrs. Arthur Trost, Sr., Mr. and Mrs. Carl Johnson and family, all of Garden City; Mr. and Mrs. Thomas Davy of Rochester, Michigan; Mr. and Mrs. Earl Wolf of Plymouth, Mr. and Mrs. Herold Hanser of Novi, Mr. and Mrs. Jack Dobbs and family of Novi, Mr. and Mrs. Terry Tallmadge of Plymouth, Mr. and Mrs. Earl Zeese of Allen Park, Mr. and Mrs. Robert Vernard of Wayne, Mr. and Mrs. Gale Stoll of Walled Lake, Mr. and Mrs. Richard Conn of Plymouth, Mr. and Mrs. Clifford Cochran of Jackson, Mr. and Mrs. Irving Geer of Livonia and Mr. and Mrs. Guy Taylor, also of Plymouth.

The rest of the day was spent in visiting and reminiscing bygone days and the changes that have taken place. All the Bassetts were born in Livonia township. Their father and mother, Mr. and Mrs. Edward Bassett, moved from the northern part of Michigan to the old Bassett farm in 1882.

Mark LaPointe, son of Mr. and Mrs. Emil LaPointe of Joy road, spent the past week visiting in the home of his grandparents, Mr. and Mrs. Edward C. Weiss, Sr., of Detroit.

The Riverside Book club enjoyed two days at the beautiful cottage of Mrs. Mary Kershaw in Rhondo Park, Ontario, Canada on Thursday and Friday, July 12 and 13. Those who participated in this activity were Mrs. Edward Ayers, Mrs. Lester Larrabee, Mrs.

Henry Grimm, Mrs. Raymond Grimm, Mrs. Edgar Stevens, Mrs. Melvin C. Guthrie, Mrs. Guy Taylor and Mrs. Clyde Smith. Mrs. Ayers also brought two of her boys with her, Harry and Andy.

Mr. and Mrs. E. J. Howden of Joy road helped celebrate the 13th wedding anniversary of Mr. and Mrs. Clarence Fick by having dinner at Carl's Chop house and then taking in the showing of "Cinerama Holiday" at the Music hall in Detroit.

Robinson Subdivision

Mrs. Floyd Laycock, Phone 1060-R

Sally Darnell spent Saturday night with Barbara Carter of Butternut street.

Mr. and Mrs. Charles Spaulding and children spent Saturday at the Detroit zoo.

Mr. and Mrs. Maurice Gibson, Marilyn and Jimmy left last

week-end for a two weeks vacation camping in northern Michigan.

Mr. and Mrs. Conrad Olson entertained the following guests at a family dinner on Sunday of last weekend in honor of their daughter Ina's 21st birthday. Mr. and Mrs. Edward Olson and sons, Mr. and Mrs. Gene Priest and children, Mr. and Mrs. Don Nickerson and children, Mr. and Mrs. Donald Wallbridge and son, and Mr. and Mrs. Jerry Olson. Jerry also celebrated his birthday.

Mrs. Milton Vanderhoef of Marion, Michigan is spending two weeks at the home of her daughter, Mrs. Floyd Laycock, and family to help take care of her new grandson, Steven Ross, who was born July 10.

Nancy Austin of Francis street entertained several friends Saturday afternoon at a party in honor of her birthday.

Mrs. Doris McCurly and daughter Nancy are spending a few days vacation at the home of her parents in Ohio.

School Board Proceedings

A special meeting of the Board of Education of the Plymouth Community School District was held on Monday, June 4, 1956 in the homecoming room of the high school.

Present: Members—Mr. Booth, Mr. Caplin, Mr. Fischer and Mr. Smith.
Absent: Member—Mrs. Hulsing.

Also present: Mr. Blunk, Mr. Isbister and Mr. Hubbs.

President Caplin called the meeting to order at 7:20 p.m. for the purpose of discussing with Mr. Hubbs and Mr. Isbister the electrical contractors, their electrical bid for the new junior high school. Mr. Hubbs pointed out that, in the preparation of their bid, he had inadvertently left out the cost of the lighting fixtures, clocks, fire alarms and the labor on the installation—these materials totaling \$35,635.00. The deletion of these items accounted for the wide discrepancy between their bid of \$101,635 and the next bid of \$143,000. After considerable discussion it was mutually agreed that a fair adjustment was in order and the Board would assume one half of the cost of the items left out of the bid.

It was moved by Mr. Fischer and seconded by Mr. Booth that the electrical contract be awarded to the low bidder, Hubbs and Giles Electrical Contractors, in the amount of \$119,452.50 for the base bid and \$600 for Alternate No. 2 bid, and \$250 for Alternate No. 3 bid.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer and Mr. Smith.
Nays: None.

At 7:30 p.m., President Caplin reconvened the meeting in the library for the purpose of hearing opinions of citizens relative to the proposed changes in the elementary school attendance areas.

Present in the library were a large number of parents whose children would be shifted, under the proposed change, from the Bird and Smith Schools to the new Gallimore School. After a number of strong protests were expressed and suggestions offered, President Caplin agreed to appoint a Study Committee made up of parents from all the large elementary schools to study the problem. The Committee will report its recommendations to the Board of Education.

At 10:20 p.m., President Caplin reconvened the meeting with the administrative staff, in an adjacent classroom, for the purpose of discussing the administrative salaries for the coming year. Because of the lateness of the hour this matter was deferred for a future meeting.

The following people were appointed to the Special Committee to study the elementary school attendance areas:

Bird Elementary School—Ralph Lorenz, William Lyons.
Smith Elementary School—Mrs. Esther Franklin, Mrs. Esther Larsen.
Allen Elementary School—Mrs. Janet Magraw, Mr. Gene Overholt.
Starkweather Elementary School—Mr. Kenneth Rosecranz, Mr. William Harden.

This group will meet with the Board of Education in the homecoming room at the high school on Friday evening, June 8, 1956 at 7:30 p.m. The meeting adjourned at 10:45 p.m.

Respectfully submitted,
Russell L. Isbister, Acting Secretary

A special meeting of the Board of Education of Plymouth Community School District was held in the homecoming room at the high school on May 21, 1956. Meeting was called to order at 4:30 p.m. by President Caplin.

Present: Members—Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Absent: Mr. Smith.

Administrators: Mr. Blunk, Mr. Gibson, and Mr. Isbister.
Architect: Mr. Jarosewicz of Eberle M. Smith Associates, Inc.

It was moved by Mrs. Hulsing and seconded by Mr. Booth that the general contract for the construction of the new junior high school in the amount of \$84,769 for the base bid and \$1,387 for alternate No. 2 bid be awarded to the low bidder, Palmer, Smith Company.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

It was moved by Mr. Booth and seconded by Mrs. Hulsing that the mechanical contract for the construction of the new junior high school in the amount of \$318,525 for the base bid and \$9,336 for alternate No. 5 bid be awarded to the low bidder, Allen Briggs Company. Alternate No. 5 bid will be withheld if gas is available for heating purposes.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Booth that the contract for the installation of metal lockers in the new junior high school in the amount of \$18,200 be awarded to the low bidder, LaFontaine Equipment.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

It was moved by Mr. Fischer and seconded by Mr. Booth that the contract for the kitchen equipment and its installation in the new junior high school in the amount of \$19,444 be awarded to the low bidder, Gold Star Company.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Fischer that all bids for the homecoming and art room equipment in the new junior high school be rejected and the architect be authorized to advertise for new bids with either wood or metal specified.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

The question of negotiating a contract for the electrical work in the new junior high school with the low bidder, Hubbs and Giles, was discussed. It was pointed out that there was an error in the bid and some upper adjustment should be considered. Superintendent Isbister was directed to consult Mr. Perigo for legal counsel on this matter.

Mrs. Olson, Mrs. Mathias, and Mrs. Eaton, representing the bus drivers, appeared before the Board to interpret the needs of this group for a wage adjustment.

After words of commendation for their work were expressed by individual board members, it was moved by Mr. Fischer and seconded by Mrs. Hulsing that bus drivers be paid at the rate of \$2.00 per hour for their first year of employment and \$2.10 per hour for succeeding years.

Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

Mr. Traux and Mr. Fulton, representing the maintenance and custodial staff, appeared before the Board to interpret the needs of this group for a wage adjustment. The importance of their work was noted and commendation expressed.

It was moved by Mr. Fischer and seconded by Mr. Booth that maintenance and custodial salaries be adjusted for 1956-57 to the following schedule:

	1956-1957	1957-1958	1958-1959	1959-1960	1960-1961
Head Engineer	4,330	4,455	4,580	4,705	4,830
Sr. & Jr. High School	3,300	3,425	3,550	3,675	3,800
Chief of Maintenance	4,010	4,135	4,260	4,385	4,510
Night Custodian Supervisor	4,040	4,165	4,290	4,415	4,540
Elementary Head Maintenance	3,750	3,875	4,000	4,125	4,250
Skilled Maintenance	3,450	3,575	3,700	3,825	3,950
Custodian	3,600	3,725	3,850	3,975	4,100
Elementary Night Maintenance	3,600	3,725	3,850	3,975	4,100

1. Vacation:
A. All employees who are employed twelve calendar months will be granted vacations with pay as follows:
1 year - 4 days
2 years - 5 days
3 years - 6 days
4 years - 7 days
5 years - 8 days
B. Above vacations should be taken at a time satisfactory to the respective building principals.

II. Annual Leave
A. Twelve (12) days with full pay will be allotted for sick leave annually.
B. Unused sick leave days shall be accumulative to sixty (60) days.

III. Employment Policy
A. On recommendation of the Superintendent, up to two years of credit may be granted on the schedule for previous experience or training which may be considered in preparation for the duties to be performed.
Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

A cost of living allowance of \$100 will be added to all the full time clerical and secretarial staff with appropriate adjustments made where job reclassification requires added responsibility.

It was moved by Mr. Fischer and seconded by Mrs. Hulsing that the following policy apply to all employees. It reads as follows:
"Any employee who reaches the age of 65 prior to July 1 shall retire at the end of the immediate past school year. Example: If Miss A. reaches the age of 65 on June 29 she may not teach the following school year. Example: If Miss B. reaches the age 65 on July 2, she may teach only the following school year."
Ayes: Mr. Booth, Mr. Caplin, Mr. Fischer, and Mrs. Hulsing.
Nays: None.

The meeting adjourned at 11:00 p.m.
Respectfully submitted, Esther L. Hulsing Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held in the auditorium of the high school building on May 18, 1956.

Present: Mr. Booth, Mr. Caplin, Mrs. Hulsing, Mr. Fisher, Mr. Blunk, and Mr. Isbister.
Absent: Mr. Smith.

President Caplin called the meeting to order at 8:00 p.m.

The purpose of this meeting was to open bids for the new junior high school. A tabulation of bids which were opened follows:

ELECTION NOTICE
CITY OF PLYMOUTH
WAYNE COUNTY, MICHIGAN

Notice is hereby given that a General Primary Election will be held in this city on

Tuesday, August 7, 1956

at which time the qualified and registered voters of Wayne County and of each political party may vote for party candidates for the office of:

STATE AND COUNTY OFFICES

Governor, Lieutenant Governor, Representative(s) in Congress, State Senator(s), Representative(s) in State Legislature, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, County Auditor, Drain Commissioner, Delegate to County Conventions; also three Judges of Probate (Full Term)—Non-Partisan and Circuit Court Judge (To Fill Vacancy)—Non-Partisan.

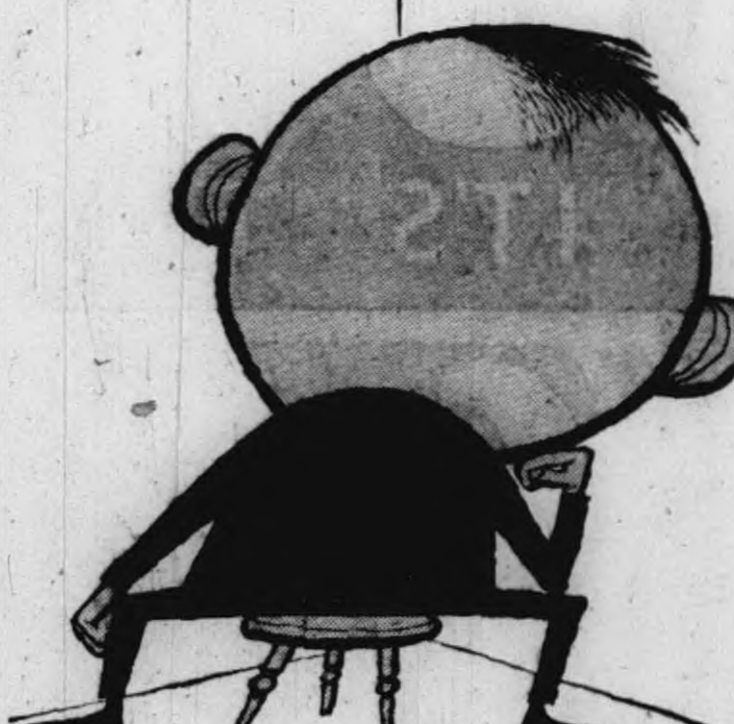

Also on the City Ballot will be the following City Referendum questions:

- "Shall the City of Plymouth, Wayne County, Michigan borrow the sum of not to exceed Five Hundred thousand (\$500,000) Dollars and issue its general obligation bonds therefor for the purpose of paying the cost of acquiring, constructing, owning, improving, enlarging, and extending a municipal airport?" (Only those qualified electors having property in the city assessed for taxes or the lawful husbands or wives of such persons are entitled to vote on this proposition)
- "Shall the City of Plymouth, Michigan, sell and convey to the Plymouth Community School District certain land described as:
Lot 437 of Assessor's Plymouth Plot No. 15 of Section 26, Town 1 South, Range 8 East, City of Plymouth, County of Wayne, State of Michigan."

The polls will open at seven o'clock A.M. and remain open until eight o'clock P.M. election day.

Kenneth E. Way, City Clerk

SULKY?

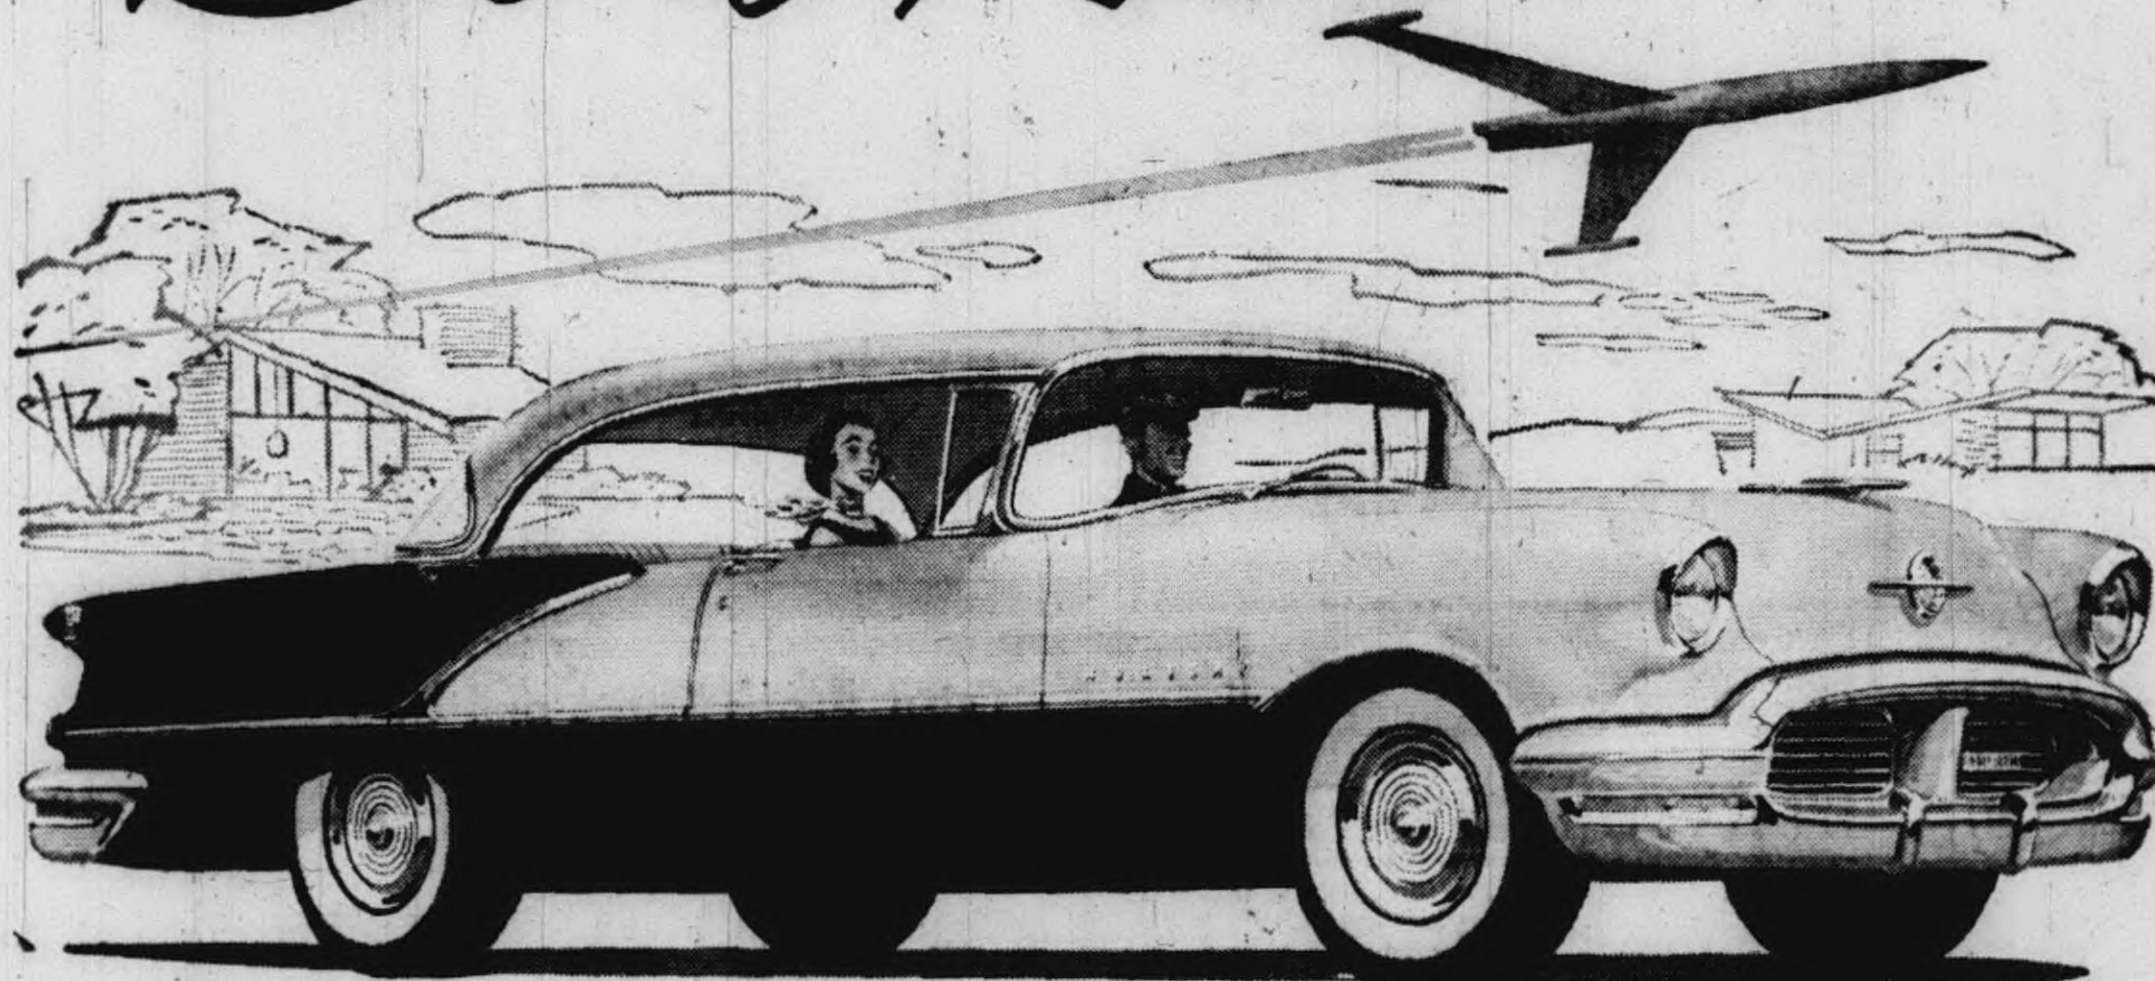

Early symptoms are usually mild enough. Sad and sulky disposition, soon complicated by that "cornered" feeling. It's all caused by worry, about tight-rope walking from paycheck to paycheck, with no cushion to fall back on. Medicine can't cure it—but money can—in either a regular savings account that you can open at any of our 53 friendly offices, or with National Bank's new Savings Certificates that pay 2 1/2% interest. Regular saving is the perfect prescription for money worries. Try it. You'll be footloose and frenzy-free in no time.

YOUR INVESTMENT HOLDS
WHEN YOU GO OVER TO OLDS

Do it Now!

Don't put off the thrill of owning a new car any longer! Come in today—we can show you why this is the month to buy!

BEEEN PLAYING a waiting game? You'll know the time for waiting is over... the time for action is here... when you try an Olds "88". It's the car you've waited for... the smart time to get it is *right now!*

If you're like most wide-awake folks, you'll be pleased to see how little it takes to drive this Oldsmobile home. Especially after you sample its bigness. For there's no compromise with power, comfort, and performance in this one. When you step up to an "88", you rate a Rocket Engine, and that says

worlds for the action you'll enjoy. You'll find all the features to hold your investment in driving pleasure high.

Surely now is the time to trade... now while the value of your present car has hit its summer high... while there are so many weeks of pleasant driving ahead.

So why wait? Waiting can only cost you money and enjoyment. Common sense says it's smart to get your Rocket Engine Olds... and get it now!

WHO NEEDS A SUIT: Brrr it looks cold, but these little boys and girls from the Truesdell Playground don't mind. The children are shown here taking a farewell splash party. The playground is closing after four very active weeks under the supervision of Margaret Fotovitch and De McLennan.

Merchants Down River Rouge Team

The Plymouth Merchants have started a two game winning streak by downing the River Rouge Squad 16-8 after going three games without a victory. The local boys scored at least once in every inning but the second, with five tallies coming in the sixth inning.

Richard Shepard started the game for Plymouth, he pitched the first four innings when he was relieved by Eddie Hoch, who got credit for the win. Hoch came into the ball game with the bases loaded and no one out; he then proceeded to retire the side allowing only one run to score. Lozon was charged with the loss.

Fred Hutchins on lead the home attack with a triple, and a home run in four times to the plate. River Rouges ball playing preist, Rakacy, hit a home run for the losers, Blaszczek also clouted a circuit blow for the visitors.

The run down for the game was: Plymouth 16 runs on 15 hits and one error; River Rouge made eight runs on nine hits and seven big errors.

Plymouth will play in Lincoln Park this Sunday, at 3:30. The field is located at Fort west of Southfield.

Other games around the league:

Northville	8
Lincoln Park	6
Saline	13
Club Supino	11
Romulus defeated the Pressler Club but the score was unknown.	

INTER-COUNTY LEAGUE

Saline	1 7
Pressler Club	0 8

Groundskeepers can be a decided asset to managers with imagination and perhaps just a touch of the devil in their make-up. Between them, the field keeper and the field general can devise some ingenious, if not fiendish, methods to help win ball games.

Take Bill McKechnie, for instance. When he managed the Cincinnati Reds, his four starting pitchers all were low ball pitchers, that is their throws came in well below the belt.

Quite aware that opposing batters have a tendency to hit such pitches into the ground, Bill ordered his groundskeeper to let the infield grass grow to three inches and keep the field well watered.

Fit the Situation

This slowed up many grounders that would have gone through the infield like a shot and permitted the fielders to make easy putouts of what ordinarily would have been hits.

On the other hand, when he moved to Pittsburgh McKechnie soon discovered that his two star hitters, the Waner brothers, Lloyd and Paul, frequently chopped down on the ball, literally beating it into the dirt.

So he ordered the area in front of the plate packed with hard clay and left to bake without watering.

The result was that while opposing players were waiting for the ball to come down from the first bounce, one or the other of the Waners was already on first.

Soaking in Cleveland

The story goes that because the Indians' Bob Lemon is a low ball pitcher, in Cleveland the

A Race Tightens, VFW Holds Lead in B

At the end of action last week it looked as though Beglinger was in a runaway in the "A" softball league, but when games were concluded last Thursday the story had been altered. League leading Beglinger was upset by both Box Bar and Evans Products, the first game being a 5-3 decision, the latter a 4-2 margin. Livonia Office remained a close second with victories over Box Bar and Cavalcade.

Northville V. F. W. continued their winning ways and remain league leaders in the "B" softball league with a 15-4 trouncing of last place Price Bros. Second place King Furniture was idle because of the Daisy's lay off. Eight teams completed a total of 36 runs in play last week.

A LEAGUE

Box Bar came up with five runs in the last two innings for a 5-3 victory over pace setting Beglinger Olds; Beglinger Thibodeau had pitched a no hit shut out til the top half of the sixth inning when two hits produced one run to leave them trailing 2-1, then in the last inning Box Bar crossed the plate with four runs on three hits and two walks, and held the runners to preserve their third win of the season.

The red hot Evans nine led by Dick Stevens put Beglinger down to their second bitter defeat of the week by the tune of 4-2. The

Oldsmen were plagued by the final two innings again as Evans came up with three runs in the last frames. Evans' pitcher Dick Stevens came to bat in the top half of the sixth inning with his team trailing 2-1, two men out and a man on second, having failed to hit his other two trips to the plate Stevens unleashed a mighty blast over the outfielders head for a home run and the winning tally. Stevens got credit for the win with Street being charged for the loss.

Livonia Office romped to their fifth victory of the season by trouncing Cavalcade 7-3 on a 13 hit attack by the winners. Becker led the attack with two singles, two doubles. The Livonians broke a one to one tie with three runs in their half of the fourth inning, and three more in the fifth to end the scoring for the game.

It seemed to be the fad for pitchers to win their own game on home runs as Lowe of Livonia Office turned the trick in his game against Box Bar. Lowe's circuit blow came in the fifth inning with two men on to break a 2-2 tie. Lowe allowed only three hits while fanning 11 opponents. Rutenbar and Doolin collected two hits each in three times at bat to lead the winners.

Evans Products and Chevrolet Spr. & B. battled steadily for twelve innings and still neither

team could claim the victory. It was a two man pitchers battle from the start with Stevens going the distance for Evans, and Tiliski twirling for Chevy. Each pitcher allowed only one hit to the opponents, each pitcher allowed one run to the opponents. Stevens struck out a total of 23 batters, while Tiliski was able to get 22. The very first batter knocked out a single and the ball wasn't rapped again til the sixth inning when Vercursee collected Chevy's lone hit. The game went one hour and fifty five minutes.

Chevy scored early in the game against Cavalcade and coasted to their fifth win in the regulation seven innings. Tiliski received credit for the win as he struck out 15 while allowing only two hits. Quigley lead the four hit Chevy attack with two singles in three trips.

B LEAGUE

Pace setting V. F. W. smothered last place Price Bros. at the bottom of a 15-4 score. The Northville team knotted 19 hits which included 14 extra base blows, for a total of thirty three bases. V. F. W.'s pitcher Perry clouted the only home run of the game to continue the fad set in the A league. LaRue and Funke led the attack with three hits in four times at bat.

Wall Wire remained in third place despite their 11-7 setback at the hands of the visiting Garden City. Daniels garnered a single, double, and triple, in his four times at plate, for the winners. Kluta hit the only four bagger of the contest. Gier was the winning pitcher with Serfass being charged with the loss.

Main & Mill bombarded Evans Products 26-5 with a total of 36 hits being collected between the two teams. In the B competition this week there was a total of 88 runs scored between the eight teams. Batterton, the guy that no pitcher in the league seems to be able to figure out again paced the winners with four hits in five times at bat. Schwarz, the winning pitcher also collected four for five. Stangberry rapped the only four bagger the winners were able to collect. Mechan received credit for one for the losers. Allen was the losing pitcher.

Whitman & Barnes racked up their second win with a 11-7 effort against Chevrolet Spr. & B. Nagy got the decision over Seelye. The Whitman nine were able to collect only seven hits.

IN A JUBILANT MOOD after their victory over the little National league all stars are these happy all stars from the American league. The guy in the background who appears to be fighting his way to air is the winning manager Jerry Foreman, assistant recreation supervisor.

SPORTS

American League All Star Champs

The little league all stars met the pee wee league all stars in a hard, clean fought battle that kept the parents and friends of the little stars cheering from the edge of their seats. A lot of hits, a lot of runs, a lot of good plays, were all part of the action that saw the American league squad finally down the all stars from the National league 15-9.

The American League exploded for ten big runs in the fourth inning and was able to coast to the final winning margin. The National league combined three hits with five walks for six runs that appeared to put the Nationals back in the race in the top half of the fifth inning but they rally died and the American League dominated the play throughout the rest of the play.

Tony and Dennis Hunt collected eight of the teams ten hits to pace the losers. Included in Tony's total was a double, and a triple. Jerry Stevens accounted for the other two National hits, one being a three bagger.

Friday the thirteenth wasn't unlucky for Dale Livingston and Dick Schyrer as both connected for circuit blows one right after the other, to lead the American's.

Playgrounds Prepare For Junior Olympics

With the world olympics just around the corner the Plymouth playgrounds are taking their junior olympics to heart, with many commendable performances being turned in by these future cindermen.

STARKWEATHER

Leading the playgrounds with the idea of the track and field competition was the Starkweather playground under the supervision of Bill Foster and Ella Plant.

The junior olympics began with the junior girls division 50 yard dash. Breaking the all time 9.2 seconds was little Tam Rosecrans, following in second position was Merna Roy, with Jeanie Latter finishing third.

Tam Rosecrans turned in her second straight victory by copping the broad jump with a leap of 7 feet 1 inch. Merna Roy again took second, while Patty Goeth knotted third.

Merna Roy flashed to a 19.5 victory in the century run. Capturing second and third places respectively were Tam Rosecrans, and Jeanie Latter.

Carol Outman released a surprising 44 feet 2 inch fling in the softball throw. Only an inch short of the first place slot was Laura Raoflaub, as Tam Rosecrans took third.

The shortest time recorded for the base run was a 16.8 turned in by the old faithful Tam Rosecrans. Carol Outman placed second by circling the bases in 18.6 seconds, followed close by Laura Raoflaub.

In the late afternoon the girls chose partners for the three legged run. Valerie McMullen teamed with Tam Rosecrans for the winning position in a time of 22 seconds flat. Theresa Andrews and Carol Outman took seconds, as Laura Raoflaub and Bonnie McMullen stumbled into third.

Final event in the junior girls division was the hopping race. Hopping to the time of 18 seconds was Theresa Andrews, Bonnie McMullen and Tam Rosecrans crossed the finish line in second and third respectively.

The senior boys division began the track events on Tuesday, at 6:00 when Dennis Robertson blazed across the finish line in 15.3 seconds for a smashing victory in the 100 yard dash. David Raoflaub placed second, with Eloy Mechaca copping third.

DeWayne Stephenson's 10 feet 7 inch leap in the broad jump was one of the afternoons spectaculars, with Dennis Robertson

finishing a close second, and Tony Hunt taking third.

Dennis Robertson won the 50 yard dash in 8.1 seconds followed closely by Tony Hunt and David Raoflaub.

Wayne Wood supplied the power in the soft ball toss with a one hundred and ninety two feet fling which copped first place for him. Mardo Mechaca was second.

Wayne Wood strode to victory in the 50 yard hurdles with a respectable 9.1 showing. David Raoflaub hurdled to second place, as Larry Papp placed third.

Dennis Robertson circled the diamond in the bases run in 13.5 seconds to beat out all other competition. The times were so close that there was a rematch for second place with Wayne Wood finally winning out over Tony Hunt.

Taking honors in the high jump with a four foot jump was Wayne Wood, Dennis Robertson took second place, with Larry Papp capturing third.

22 feet 1 inch was the winning distance for the hop, step, and jump, made by Dennis Robertson. Eloy Mechaca placed second as David Raoflaub took third.

Hitting four minutes 20 seconds for the half mile run was Wayne Wood, followed closely by Eloy Mechaca, and Dennis Robertson. The olympic activities were continued despite a drizzling rain with the winners receiving blue ribbons for first, red ribbons for second, and white for third.

The Starkweather playground is planning a weenie roast for today with Dick Dahmer and Dennis Robertson acting as firemen.

ALLEN PLAYGROUND

Karen Lagrow, Nancy Miller, Tommy Kenyon, Gregory Hough-tailing, and Doug Miller, were the big winners in the scavenger hunt held at the Allen playground last Tuesday.

Breaking the string at the finish line of the 50 yard dash was Grant Fischer, second Cheryl Bradley and placing third was Nancy Miller. Warming up for the junior olympics in the baseball throw were winners Gary Singleton and Tommy Price.

Johany Kreg and Bill Prystup copped honors in the bike contest. Supervisors Bill Harding and Janet Wickens announced plans for a pet show and cook out for next weeks agenda.

HOUGH PLAYGROUND

Judges Larry and David Schmidt, Turner and Charles McLennan chose the following girls

as winners in a baking contest held at the Hough playground this week:

Brownies, Charlene Jankowski, Donna Hoffman;

Cookies, Cheryl Georke, Ileen Schultz;

Cakes, Linda Condash, and Stevia Jankowski, Patty Condash;

Candy, Vickey Allor, Barbara Hines, Kathy and Virginia Dethloff;

The boys weren't going to let the girls slip anything over on them so they held their own baking contest with Ileen and Amy Schultz, Donna Hoffman, and Patty Condash judging. The girls were assisted by David McKay. Winners in the baking contest were:

Candy, The McFarland brothers; Carmel corn, Jim Goerke; Cake, Glen Heinrich, Orville, and Leonard Henning;

Pies, Tim Strong;

Cookies, David Strong;

Joyce and Rickey Soth guided the group on a bicycle hike last Tuesday.

BIRD PLAYGROUND

Wednesday the Bird playground enjoyed a fine doll show with all the neighborhood dolls attending. Such well known folks as Davey Crockett, Raggedy Ann, Andy, Pinocchio, Snow White, and the three bears, attended the party. Carrying home blue ribbons for first place dolls, were:

Best dressed, Joan Firch;

Biggest doll, Ruth Sheldon;

Biggest bear, Joel Skarpulla;

Smallest doll, Susie Skarpulla;

Smallest bear, Ruth Sheldon;

Prettiest doll, Christine Przeklasa;

Cutest doll, Christine Magnusson;

Most original, Rita Beukama;

Curliest hair, Mary Hinkley;

Cutest dog doll, Richard Beukama;

Prettiest baby doll, Mary Magnusson;

Smallest baby doll, Carol Otwell;

The playground also enjoyed a deluxe pizza pie, donated by Chris Przeklasa during their hot dog roast. Supervisors MacPierce and Nancy Vincent reported that the playground enjoyed an entertaining afternoon last Tuesday, when Dennis Hunt again brought his portable T. V. set and the group watched the complete All Star game.

Winner of a big chocolate cake were, Rita Beukama, Skip Otwell, Margaret Magnusson, Arthur Bell, and Richard Beukama, for their participation in the scavenger hunt.

CENTRAL PLAYGROUND

The Central playground featured a puzzle contest this week with Betty Jo Fisher and Joanne Butler copping first place.

Central's softball team romped over the Bird team 7-1 last Monday, with Pete LaMonaco getting credit for the win. Later in the week Central bombarded Smith 19-0 as LaMonaco allowed the losers only two hits. The star fielding play of the game was made by Johnny Gilles as he raced out into right field to catch a smash off from the bat of a Smith player.

TRUESDELL PLAYGROUND

The Truesdell playground completed its four week session with a farewell party with all the parents and friends of the children attending. Watermelon was served after a talent show was presented. Last Friday the playground helped Johnny Towshick celebrate his tenth birthday. Cake and kool aid was provided and served by his mother.

The fathers and daughters teamed up to beat the sons in a tight 5-4 softball game, John McLennan Sr. received credit for the win as Ricky Pyle was charged for the loss.

HAMILTON PLAYGROUND

The Hamilton playground broke their new found softball team in on a 30-9 trouncing at the hands of Bird. Supervisor Dick Manion thinks after a little practice the team will make a better showing, and will ask for a rematch.

Sheri Fisher, Pat McKenna, and Susy Lightfoot were patrol leaders for the past week.

AUBURN PLAYGROUND

Dennis Roeding's team which consisted of, Judy Warrner, Ricky Neil, Barbara Hosworth, Diana Schmidt, and Janet Calworth took first place in the scavenger hunt. Tom Fletcher won the zell ball championship for the week.

SMITH PLAYGROUND

Tuesday night the boys from the Smith playground played host to their dads in a softball game, with the dads eking out a 10-9 victory in eight innings. Tom Vick's father clouted out a four bagger that proved to be the winning margin for the dads. Dave Agnew and Chuckie Olsen lead the boys attack with four hits apiece.

GREEN MEADOWS PLAYGROUND

Jimmy Yorch and Eugene Eiker teamed to take first place in the nature hunt held last week. Pat Fox and Bonnie Grady finished in the runner up spot.

PLYMOUTH 145

The Reader Speaks . . .

To The Editor:
An airport will be as vital to Plymouth within the next few years as are the highways which link this community with the remainder of the state and the nation.

An airport is, and will become even more so, a vital link in our transportation system.

For the past 17 years, Mettetal airport has served the community. The community has outgrown the present airport facilities. Mettetal, and the land adjacent to it is the last remaining site in Western Wayne County suitable for the type of facility this area needs to keep pace with today's requirements.

An airport is not just a place to land airplanes. It is a vital hub of community life. It deals in services, commodities, and education. A great many people are taking flying lessons every day, all over the United States. These instructions can be provided only at an adequate airport.

The people who work at an airport, and the people who fly in and out of them are not wild, reckless, and irresponsible as some folks would lead us to believe. They are substantial citizens in the community who pay taxes, whose children go to public schools, and who patronize the local merchants.

Inasmuch as the first step down from a plane in the air is a long one, the ships must be kept in constant maintenance and are subject to much more rigid controls than automobiles. By law, an airplane must be thoroughly inspected after every 100 hours of flying time. This inspection must be completed under government standards by a licensed mechanic.

The present manager at Mettetal Airport, Robert Mettetal, is a young married man, the father of four children. He and his family live in Plymouth Township. They have been residents of this community all their lives.

Some of the mechanics are single, some married. It is their means of earning a livelihood—the business in which they are most interested and best qualified.

By and large, the pilots range in age from 16 to over 60. Some of them are married, some are single. Most of those married have families and in some cases, several members of the family fly. There are about four or five couples with both husband and wife holding a pilot's license at Mettetal Airport.

Some of them fly strictly for pleasure, some fly for business, and some of them combine the use of their aircraft for both business and pleasure.

Professional pilots may spend most of their time flying either for charter, hauling passengers or freight, or instruction. Those who fly for pleasure and partly for business are engaged in a great many occupations. Among the pilots who are presently flying in and out of Mettetal Airport, we find engineers, salesmen, police men, secretaries, housewives, doctors, store owners, painters, carpenters, draftsmen, factory workers, lawyers, and purchasing agents. This list could go on indefinitely. It includes people from all walks of life. They enjoy their airplanes as

some people enjoy their automobiles or their boats.

More and more of our citizens are becoming air minded. More and more of them will require the facilities of an adequate airport in this community in the years to come.

The job must be done now. We urge you to cast your vote as a forward-looking citizen on August 7th.

The Airport Committee

Sixty-Seven Attend Wagenschutz Reunion

The 29th annual "Wagenschutz" reunion was held Sunday, July 15, at the home of Mr. and Mrs. Elmer Lindow in Chelsea, Michigan with 67 members present.

After a full-course chicken dinner at noon, the meeting was opened by President Mrs. Carl Wagenschutz of Livonia with pledge of allegiance to the flag and singing of "America."

The minutes of last year's meeting and treasurer's report were read by Mrs. George Rutan of Williamston.

Newly-elected officers for next year are: president, Mrs. Elmer Lindow of Chelsea; secretary and treasurer, Mrs. George Rutan of Williamston; entertainment, Mrs. Robert Wagenschutz of Plymouth; historian, Mrs. Arthur Marsh of Ann Arbor.

Memorial services were conducted for members of the family who had passed on by Mrs. Arthur W. Marsh of Ann Arbor.

Those attending the event were from Kalkaska, Plymouth, Livonia, Chelsea, Dearborn, Northville, Tecumseh and Ann Arbor. Next year's reunion will be held at the home of Mr. and Mrs. Carl Wagenschutz, Five Mile road Livonia.

Water from melting glaciers irrigates rice paddies in Nepal. The farmers stir the mud with wooden plows but leave the sowing and reaping to their wives.

Local Girl Scouts Have Campout

THIS IS THE WAY IT'S DONE: Could have been the words of Mrs. Paul Grimes as she showed the girls how to make their little beany hats which identify each individual group. The girls enjoyed cooking, hiking, conservation, earning of badges, camping out over night, and the highlight attraction of traveling to the Senior Girl Scout Roundup last Monday.

PEEKING OUT of her overnight tent to see whose hammering on her stakes is Rita Fornwald. The two girl scouts who are putting on the finishing touches are (from left) Patricia Carey, and Anna Zoet. The tent is one of the twenty pup tents donated by the Community Chest Fund, the girls also received six wall tents.

CHOW'S ON: Making preparations for the cook-out that the girls are to enjoy are, (from left) Sally Gilles, Gail Micol, and Diana Allen.

Social Notes

Mr. and Mrs. Thomas W. Moss of St. Petersburg, Florida, arrived in Plymouth Sunday after spending the week-end with Mr. and Mrs. John Steffen, the former Catherine Moss, in Detroit, and will make their headquarters while here in the home of their friends, Mr. and Mrs. John T. Neale on Auburn. Mr. and Mrs. Moss, formerly of Plymouth, have many friends here and nearby who will be pleased to see them again. While in Michigan they plan to visit another daughter in Owosso and also spend a month at a cottage at Spring Lake near Grand Rapids, where Alan Bennett, a son and family live.

Mr. and Mrs. M. G. O'Neil returned Saturday to their home on Hamilton street after vacationing for a week in the Upper Peninsula.

Dr. and Mrs. A. E. Van Ornum and children, David and Ann, were dinner guests Sunday in the home of her parents, Mr. and Mrs. George Ratz in Brighton.

Mr. and Mrs. William Seeberger and son, Richard, of Tucson, Arizona, were entertained over the weekend in the home of Mr. and Mrs. Merle Rorabacher on Rocker. Mr. and Mrs. Seeberger, formerly of Plymouth, also called on other friends.

Dr. and Mrs. Kenneth Bartlett of Syracuse, N. Y., were recent guests of his mother, Mrs. Wyman Bartlett on Blunk street and were entertained at dinner in the home of Mr. and Mrs. Russell Dyer in Ann Arbor while here.

Mr. and Mrs. C. H. Goyer of Church street spent last week in Detroit during the Shriners convention when the Nobles of the Moslem Temple of that city entertained Shriners from all over the United States at their eighty-second gathering. Mr. Goyer is a Shriner and has been a member of the band for many years.

Mrs. O. Bates of Farmington spent Tuesday of last week in the home of her sister-in-law, Mrs. Wyman Bartlett, on Blunk street.

The Just Sew group enjoyed a pancake breakfast Tuesday in the park. Covers were laid for Mrs. Karl Starkweather, Mrs. Merle Rorabacher, Mrs. Ada Murray, Mrs. James Gallimore, Mrs. George Cramer, Mrs. William Monteith, Mrs. Ernest Vealey and Mrs. Norman Potter.

Mr. and Mrs. John P. Moorhead were in New York City last week where he attended the National Conference for Patent Lawyers.

Mrs. Anna Huffman and daughter, Mrs. Richard Midleton and son, Ronnie, of North Manchester, Indiana, and daughter, Mrs. Jene Stamate and son, Robert, of Wabash, Indiana, were house guests a few days last week in the home of the former sister and husband, Mr. and Mrs. Karl Starkweather on Starkweather avenue.

Mrs. Lehn Potter and children of Ann street are in Iowa this week visiting her parents, Mr. and Mrs. Miner.

Jack Reamer of South Main is in St. Joseph hospital in Ann Arbor where he will undergo surgery.

Mr. and Mrs. Earl Markham son, Ron and daughter, Irene, also their niece, Sharon North, have returned from a week's vacation in Brevort in the Upper Peninsula.

Mr. and Mrs. Rex Smith, daughter, Roxanne and son, Buzz, of Ann street returned Sunday from their two week's vacation which included a visit to the Smokey Mountains and Miami, Florida, where they formerly resided.

Mr. and Mrs. Julius Bocik of Kenosha, Wisconsin, have been the guests of his mother, Mrs. Irene Bocik and his sister and husband, Mr. and Mrs. Charles Nelson on Blunk street.

Dr. and Mrs. Elmore Carney will entertain at a family picnic Sunday at their cottage at Little Silver Lake, having guests from Detroit, Ypsilanti and Plymouth.

Mr. and Mrs. John Gallagher of Finleyville, Pennsylvania were overnight guests on Wednesday, July 11, at the John W. Davis home on Main street.

Mrs. Ruth Fox gave a luncheon at the Mayflower hotel July 13 honoring Miss Patricia Curtis of Wayne. The bride-to-be was presented a beautiful bed spread. She will marry Earl Hollis of Northville road on August 18. Those attending the luncheon were from Plymouth, Wayne, Royal Oak and Clinton.

Karen Kindman, daughter of Mr. and Mrs. Kindman and Nadine Criger, daughter of Mr. and Mrs. Marvin Criger returned Sunday from a most enjoyable stay at Camp Woodland, near Kalamazoo.

A small bachelor party was given by Charles Burden of 758 Holbrook for Ilar Cranford. Guests were Gale Jimerson, Richard Burden and Lester Burden. At the same time the bride-to-be, Arlene Burden, held a party on Wing street for the wives and friends. Attending were Martha Jimerson, and son Bobbie, Lillian Burden, Shirley Burden, Katherine Johnson, Mrs. Betty Leeds and daughter, Lynn, and Miss Hazel Jimerson.

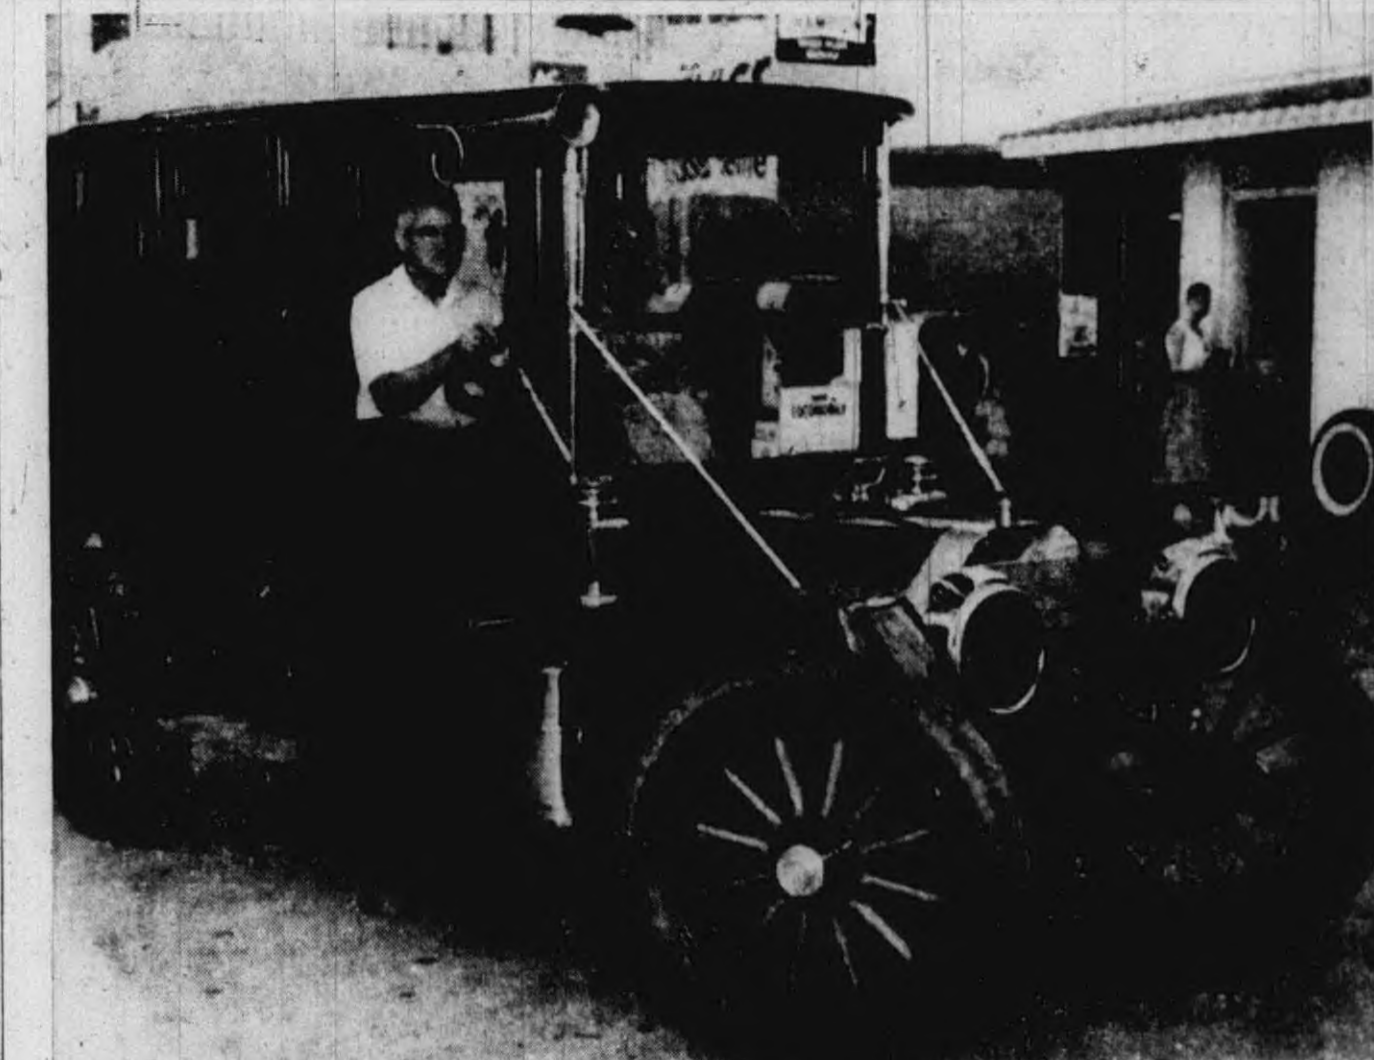

Mr. and Mrs. Leonard Dudek and children of Ann street will return this week-end from a two week's vacation with her parents, Mr. and Mrs. D. W. Calvert in Coldwater.

Mr. and Mrs. Edwin P. Hart and children, Garry, Kevin and Tommy, of Fairground avenue left last week on a vacation trip to the West, first going to Davenport, Iowa where they will visit their parents and leave the children while they go on to California for a visit with friends.

The PLYMOUTH MAIL

Thursday, July 19, 1956, Plymouth, Michigan

Section 3

ALL THE WAY from California came this 1908 Locomobile limousine driven by Mr. and Mrs. Nelson Holmwood of Newport Beach. In Plymouth last week they visited Mr. and Mrs. Gus Lundquist, 348 Auburn. The four-cylinder car cost \$6,500 when new. Mr. Holmwood is a member of the Horseless Carriage Club of America and Antique Automobile club. He owns eight old cars. No motor trouble was encountered in the month-long trip here.

Safety Council Lists Safety Tips

Are any of you Plymouthites planning a vacation? Then don't let an unpleasant experience spoil it.

The National Safety Council says you can have a carefree vacation if you will remember these tips:

- BEFORE YOU LEAVE—**
1. Stop milk, newspaper and other deliveries. Ask a neighbor to keep advertising circulars off your porch.
 2. Don't lower window shades. Arrange to have your lawn mowed. Prowlers watch for such tips-offs.
 3. Notify postoffice to hold mail, or arrange delivery to a neighbor.
 4. Lock windows and doors. Remember basement windows and coal chutes.
 5. Shut off gas and water at main valves. Shut off electricity at master switch unless refrigerator or food freezer is to be left on. If current must be left on, disconnect lamps and appliances at wall outlets. If refrigerator is disconnected, leave door open to prevent mold.
 6. Inform police how long house will be vacant and where you can be reached in an emergency.
 7. Service car thoroughly with close attention to safety features such as lights, brakes, tires, steering, windshield wipers.
 8. Put a first aid kit and flashlight in the car. An inexpensive package of fuses may be a lifesaver if you have trouble along the road.

WHERE QUALITY COUNTS

Evans Doubles Timber Supplies

E. S. Evans, Jr., president of the Evans Products company, with headquarters in Plymouth, today announced the company had doubled its timber supply on the west coast by the acquisition of cutting rights on a half-billion feet of timber in Oregon.

The acquisition will help supply veneer for production of the company's Evaneer plywood operations. This tract was formerly part of the huge Coos Bay Lumber Company timber holdings.

With this acquisition, the Evans company—among the nation's top 10 plywood producers—now controls 2 billion 200 million feet of Douglas fir in the United States and Canada.

Evans pointed out the new timber tract is near the company's Coos Bay and Roseburg, Oregon plants, and that existing logging roads in the area will assure quick and economical logging. Cutting in the new tract, which consists principally of old-growth Douglas fir, will begin next year, Mr. Evans said.

The company also produces specialized loading equipment for railroads, Evans-Colson bicycles and velocipedes, custom truck and bus heaters, and aircraft engine parts.

PICNIC ITEMS

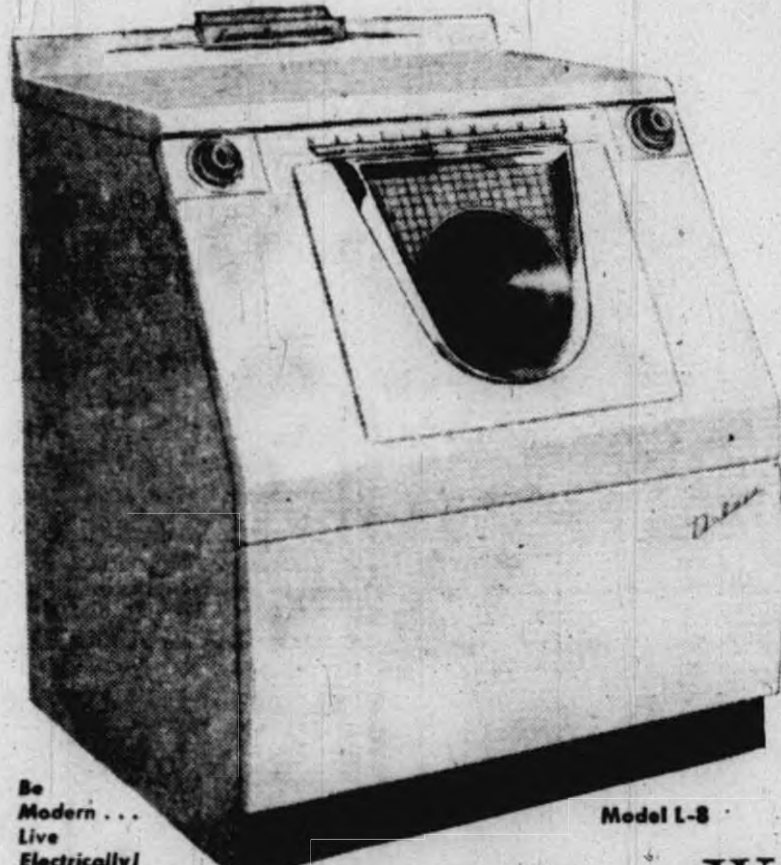

A new addition is gaining popularity as an item for the family picnic basket this summer. It isn't something to eat or drink, but still an item that can help make these outings more pleasant for all concerned. Families are discovering that tossing a well-planned first aid kit in next to the catsup and mustard bottles will do the job. Salt tablets (for heat fatigue), iodine and band-aids (for cut fingers), eye drops (for sun-strained eyes) and suntan lotion (for sun-burned backs) will prove a real aid in bringing the family back in the evening as happy as it was when it left in the morning.

Firm Honors Employee For 20-Year Service

A dinner and party honoring Arthur Merryfield of 184 Caster street for his 20 years of service to the Plymouth Lumber and Coal company was held Wednesday, July 11, at the company office on 308 North Main. Merryfield, now yard man, started his career as a driver for the local firm 20 years ago this month. He was presented with a gift at the party by the company's owner and manager, David Mather. Merryfield, his wife and two daughters reside at the Caster street address. He also has a married son.

Former Texas Pastor to Serve Spring Street Baptist Church

Announcement was made this week of the appointment of W. A. Palmer, Jr. of Fort Worth, Texas to the pastorate of the Spring Street Baptist church of Plymouth, an affiliate of the Southern Baptist association.
 The local congregation officially met its new pastor on Thursday, July 12. The church was formerly served by Reverend Royal A. Martin of Ypsilanti and visiting ministers.
 Born near Dyersburg, Tennessee, Reverend Palmer graduated in 1948 from Harrison Chilhowee Baptist academy in Seymour, Tennessee. He attended Union University in Jackson, Tennessee for two years prior to transferring to Bethel college in McKenzie, Tennessee where he received his B. A. degree. In addition he has spent two years of study at Southwestern Theological seminary in Fort Worth, Texas.
 In his nine years of pastoral ministry, Reverend Palmer has served Baptist congregations in Gibbs, Newbern, Hawthorne and Dyersburg, Tennessee as well as in Fort Worth, Texas. As pastor of the Spring Street church he will head Plymouth's newest congregation.

The local church was organized August 28, 1955 following a series of tent revival meetings. Services were temporarily held in the Plymouth Grange hall until mid-September when the congregation moved to its present site, the former Lutheran church building. Using the Broadway band method of church financing, the congregation of approximately 43 members this week met its goal of \$56,000 in bonds sold for purchase of the Lutheran building. The bond sale was launched in December.
 Reverend Palmer, his wife and two children reside at 12075 Beck road.

Gospel Singers to Appear Sunday at Calvary Baptist

The Gospel Messengers from the William Jennings Bryan University of Dayton, Tennessee, will present a program of sacred music at the Calvary Baptist Church at 11:00 a.m. this Sunday. The public is invited to attend this service.
 Gospel Messengers from Bryan University have traveled literally thousands of miles over a period of several years since the first group toured the eastern part of the country some fifteen years ago. Since then they have appeared in more than thirty states, the District of Columbia, and Canada, with many repeat appearances.
 This year's tour will take the singers into nine or ten states over a period of eight or nine weeks. States visited will include North and South Carolina, Virginia, West Virginia, Pennsylvania, New York, Ohio, Indiana, Illinois, and Michigan.
 And So Does \$20!
 Girl — "You want me to marry you, and you earn only \$20 a month?"
 Suitor — "Don't worry, dear; a month soon passes when people are in love."

SOCIAL NOTES

Mr. and Mrs. Harry Mumby will be hosts Saturday evening at a co-operative dinner at their home on Sheridan entertaining Mr. and Mrs. Thomas Gardner, Mr. and Mrs. William Grammel, Mr. and Mrs. Arthur Blunk, Mr. and Mrs. George Billings, Mr. and Mrs. Perry Campbell and Mr. and Mrs. Earl Gray, members of the Suburban 500 club.

Mr. and Mrs. William Boon and daughters, Linda and Nancy, have returned to their home on Priscilla Lane after spending the past two and one-half weeks at Fort Lauderdale, Florida, visiting enroute Washington, D. C., and Mt. Vernon.

NEW BOOKS At The Wayne County

Several new editions were added this week to the permanent collection of the Plymouth branch, Wayne County library, along with a number of circuit books which will be available to patrons of the local library for the next three months.

In the permanent collection are the following: "Squadron Airborne," a novel by Elleston Trevor; Jay Williams' "A Change of Climate," impressions while traveling abroad; "Your Horse," selection, stabling and care by George C. Saunders; Sylvan M. Shane's "Anesthesia, Thief of Pain," sixth edition of Mills and Hayward and Rader's "Materials of Construction," manufacture, properties and uses of engineering materials.

The new circuit books, which because of their short availability cannot be included in the library's vacation loan policy where books may be taken out for the entire summer months, are as follows:

Millar Burrows best seller, "The Dear Sea Scrolls"; "The Man behind Roosevelt," bio-

Junior Achiever Program Again Seeks Sponsors

Barnes - Gibson - Raymond was named today as the first concern to pledge sponsorship for a Junior Achievement firm in Plymouth for JA's 1956-57 program.

Wallace L. Fleming, executive director of Junior Achievement of Southeastern Michigan, also announced that the Plymouth JA committee, headed by Robert Niemi of Burroughs Corporation, is seeking concerns interested in sponsoring the Achievers in their business activities that will start in October and end in May, 1957.

JA companies are miniature corporations operated by boys and girls aged 13 to 21. The Achievers go through "life cycle" operations of their own business—selling stock to raise capital, manufacturing and selling products and finally liquidating their enterprise—gaining practical experience in private enterprise.

Sponsors provide a team of volunteer executives, specialists in management, sales and production, to counsel each JA firm they sponsor. Advisers who will work with the Barnes, Gibson, Raymond JA firm are:

Ken West of 9919 Brookfield, Livonia, business adviser; Ed Mandziara, of 448 Brentwood drive, Inkster; sales adviser; Ed Siekles, of 28034 Elmira, production adviser and Joe Spaunburg, of 921 Sherbourne drive, Inkster, alternate.

During JA's last program Plymouth boys and girls operated eight firms at the JA business center located at 204 So. Main St. Fleming said that the number of firms teen-agers operate this year depends on the number of adviser teams volunteered by sponsor concerns.

Sponsorship can be arranged by contacting Junior Achievement, at 12950 Woodward Avenue, Highland Park.

Prospective advisers are orientated in the program at training sessions held in August.

Boys and girls join JA by filing applications at high school assemblies held by the organization during the first week of school.

American Legion News

The junior members of the Auxiliary are sponsoring a cookie sale during the month of July. Place your orders with Chairman Gwen Holcombe and please allow a day or two for delivery. Let's support these youngsters—they have done excellently in the short space of time they have been functioning.

The Post held their last regular business meeting of the Legion year on Wednesday, July 11, at the Veterans home. Plans were discussed regarding the participation of Plymouth high school in the Department convention in Lansing, August 2 to 5.

The Auxiliary held their regular business meeting on Thursday, July 12, at the Veterans home. Final plans for the joint installation of officers were discussed. The opening ceremonies of the meeting were conducted by the junior members.

Several members attended the 17th District election meeting held Friday, July 13, at the Redford-Detroit Post home. In addition to the delegates, Albert Holcombe, Robert Wilson and Harry Burleson, those in attendance were 17th District Senior Vice Commander Harold Wilson, Charles Laury, Dorothy and Ernest Koi.

RESPONSIBLE GOV'T.
HAGUE
REPUBLICAN

Gordon Howe is Speaker At Local Rotary Club

Gordon Howe, star forward of the Detroit Red Wing hockey club, spoke before the Plymouth Rotary club last Friday noon.

Some reasons why the Red Wings failed to win last year were offered by Howe preceding a movie of the 1956 Stanley Cup playoff games.

Howe blamed some disappointing trades for some of the club's failures last year. He also cited the injuries suffered by key men as another reason.

The film highlights showed the Red Wings beating Toronto Mapleleaves in the semi-finals, only to be defeated in the finals by powerful Montreal.

Howe during the past season became the third 300-goal scorer in all National Hockey League history. He holds all team scoring records. Now, 28, he began his career in the NHL at 18, youngest ever to enter the league. He is also the only player ever to lead the league three years straight in scoring.

keeping in touch

TWO HIGH SCHOOL students are home after attending the ninth annual high school journalism course at Michigan State university. They are Barbara Carter, 11637 Butternut, and John Gregory, 391 Sunset. The event attracted 165 students from 71 cities to study news writing, editing, page makeup, advertising, feature writing and photography.

AMONG THE STUDENTS receiving the "distinguished rating" for their work at Purdue university for the second semester of the 1955-56 academic year was Sara Jane Morgan, 659 Ann street. She was a freshman in science.

WITH LESS than half of the club year elapsed, Fred Van Dyke, 9585 Joy road, field representative for Mutual of New York, has qualified for the National Field Club, company honor group.

C. WILLIAM NORMAN, son of Mrs. Bruce Mackie, 350 Lincoln, has been appointed administrative assistant to the city manager of Jackson. He is a graduate of the University of Michigan with a degree in civil engineering.

EVERYDAY was Sunday at Michigan State university recently for two Plymouth church musicians who attended the second annual Church Music Workshop. They were Mrs. Edna O'Conner, 857 Palmer, and Mrs. H. G. Searfoss, 1185 West Ann Arbor trail. The workshop drew 105 interested in religious music.

OUTDOOR NOTES

From The MICHIGAN DEPARTMENT OF CONSERVATION

The Great Lakes lamprey control program received a setback recently with discovery that electrical weirs now in operation on major streams must remain in operation at least seven to eight years and possibly longer to be effective.

Lampreys stay in the Great Lakes as fish-killing adults at least one year, then migrate up inland streams and lay their eggs in gravel beds. The eggs hatch soon after and the young spend their larval stage in mudbanks.

Formerly, it was thought this larval stage lasted four years before the young moved downstream for their rampaging period of Great Lakes fish destruction.

But continuing research by the U. S. Fish and Wildlife Service and the Conservation Department's institute for fisheries research first shows this larval stage to be not four years, but five years, then at least six, now "at least seven to eight years and possibly longer."

In short, it means that electrical weirs now in some streams must be in operation at least this length of time to halt all possible spawning lampreys and put an effective check on the predator.

Two chemicals are known to kill the young larvae without damage to fish life. These chemicals recently were discovered at the Fish and Wildlife Service research station near Rogers City, but both presently are unavailable in commercial quantities and production would be costly.

Small game hunting regulations for the 1956-57 season will be considered by the state Conservation Commission at its meeting at Higgins Lake training school.

No major changes in statewide regulations are included in recommendations which the Conservation Department's game division will present to the Commission.

Only small game hunting regulations will be up for approval at the meeting. Deer hunting regulations will be considered at the Commission's August meeting and migratory game bird laws will be set after federal regulations are established in August.

Recommended changes which the Commission is scheduled to consider include:

Pheasants: same regulations as 1955, except an open season in Delta county, west of the Escanaba River.

Prairie chicken and sharp-tailed grouse: same as 1955 regulations, except closed season on Drummond and Neebish Islands.

Bear: same as 1955 regulations, except that the special September 1-15 season in Chippewa county be extended to the entire upper peninsula.

Other changes, which do not require Commission action, include:

Squirrels: an October 1-November 10 season in the U. P. on gray and black squirrels; and October 1-November 10 season in the lower peninsula on all species, except no open season on black squirrels in Cheboygan, Clare and Isabella counties. There was no open season on black squirrels last year.

No other changes in regulations, seasons, or bag limits are recommended, except minor changes in boundaries and regulations at Swan Creek wildlife experiment station.

Experimental muskellunge work is progressing at Wolf Lake hatchery near Kalamazoo and Conservation Department fish specialists hope to plant several thousand muskies later this summer.

Several ponds at Wolf Lake have been stocked with tiger muskies and these fish will be planted when they have reached fingerling size. Recommendations from field personnel are being studied in order to select the planting sites. Fish workers hope to realize at least 5000-6000 muskies in one or two selected lakes.

The tiger muskies were hatched from eggs obtained from several lakes in Gogebic county. A few Great Lakes muskies also have been stocked at Wolf Lake and any resulting fingerlings will be planted in the Indian River, where the eggs were obtained.

The first recorded planting of Great Lakes muskellunge in Michigan was made last week when about 600 fry were released in the Indian River. The planting was a disposition of fry obtained from experimental hatching at Oden hatchery.

Unlawful killing and possession of a doe brought heavy fines and jail sentences to two Boon residents recently.

The men, who were convicted in a Cadillac court, were each ordered to pay a \$50 fine and \$8.40 in court costs and to serve seven days in jail.

The two were among 84 conservation law violators listed on the latest convictions report. Violators paid a total of \$576 in fines and \$652 in court costs. All fines go to the state library fund.

Territorial Road Due For New Paving Job

Those motorists who frequently drive on North Territorial road and m u t t e r uncomplimentary words about its crater-top paving have been heartened by some signs of proposed improvement.

John Hiltz, engineer of highways for the Wayne County Road commission, said this week that work will begin soon to reconstruct the road from the city limits to the county line.

The commission first plans to build a stone base which will remain through the winter to detect any failures. This stone base, Hiltz said, will be a compacted stone.

An asphalt mix will then be applied next spring. Plans also call for the road to be a uniform 22 foot width. It now varies in width with much of it being but 20 foot.

Favorite Recipes

From
Plymouth's Kitchens

Mrs. Eugene Crosby and Russell, 9, get ready to sample "Maple Cream Pie" while Bob, 13, takes over the serving duties.

Mrs. Crosby Suggests Old Family Recipe

"Maple Cream Pie," an old family recipe, takes the spotlight this week, the recommendation coming from Mrs. Eugene E. Crosby of 15335 Lakeside drive. The recipe was one handed down through Mr. Crosby's family and a favorite at their farm home in the Finger Lake district of New York State, where numerous maple sugar trees abound.

"Maple Cream Pie"
 1/2 box plain gelatin
 1 1/2 cups maple syrup
 1 pint whipping cream
 1 1/2 cups milk
 2 eggs
 salt to taste
 Soak gelatin in 1/2 cup milk for 10 minutes. Heat 1 cup milk in double boiler and add the beaten yolks of eggs mixed with 1/2 cup maple syrup. Stir and cook until mixture thickens. Add gelatin and the balance of the maple syrup. When cold

add cream which has been whipped, and add the beaten egg whites. Turn into a mold to set in a pre-baked pie shell. Serve with whipped cream and chopped walnuts.

'Happy Time' is Had By All at Playhouse

"The Happy Time," that opened Tuesday night for a two-week stay at Will-O-Way Playhouse, more than answers Will Shakespeare's query, "what's in a name?" "The Happy Time" is what the audience came to see and a happy time is what they received. Seldom has a play been so successful in hitting a high note of comedy from the opening curtain and sustaining it throughout the entire performance and audience reaction indicated that "The Happy Time" managed to do just that.

"The Happy Time" will play nightly except Monday at Will-O-Way Playhouse, Long Lake Road near Telegraph, through July 29th. Curtain time is 8:40 and reservations may be made by just calling Midwest 6-2222. Tickets may be picked up the night of the performance.

Pour left-over cereal into a glass that has been rinsed out with cold water. Chill thoroughly and tip it out of the glass. It can then be sliced and fried until it is crisp. A bit of syrup poured over the top will make it more appetizing for the children. This will make a good luncheon dish as well as one suitable for breakfast.

Birmingham Rites Unite Grant Gabel, Rosemary Hicks

The First Baptist church of Birmingham was the setting for a double-ring ceremony uniting in marriage Miss Rosemary Ann Hicks of 1860 Oak, Birmingham and Grant Edward Gabel of 8114 Hildale, Detroit, at 4 o'clock Saturday afternoon, July 14.

Parents of the couple are Mr. and Mrs. Harlie H. Hicks of Birmingham and Mr. and Mrs. Russell Gabel of 261 North Mill street, Plymouth.

For the wedding ceremony the bride selected a gown of nylon tulle over satin with bodice of chantilly lace styled with portrait neckline and long sleeves. The full, flowing skirt of nylon tulle was applied with rosepointe lace and terminated in a chapel-length train. Outlining the bottom of the skirt and train was a deeply-pleated nylon net ruffle.

A tiara of tiny seed pearls and sequins secured the bride's fingertip veil of French silk illusion which was made by her mother. She carried a cascade bouquet of white carnations, madonna lilies and ivy.

The rites were read by Dr. Emil Kontz before 300 persons in attendance at the ceremony. "The Lord's Prayer" and "Because" were sung by Miss Dorothy Uren of Detroit and Cecil King of Birmingham. The bride was given in marriage by her father.

Miss Patsy Ruth Uchill of Great Neck, New York, former roommate of the bride, was maid of honor. She wore a white and blue rose print nylon gown fashioned with full skirt, a white nylon picture hat with blue vel-

vet ribbon and white accessories. Blue delphinium and ivy composed her bouquet.

Bridesmaids were Mrs. Bruce Gabel of Ann Arbor, sister-in-law of the bridegroom, and Miss Barbara Hicks of Detroit, the bride's niece. They wore gowns styled identically to the maid of honor's and carried bouquets of the same flowers.

The bride's mother wore a street-length dress of gray lace over pink taffeta with pink accessories and corsage of pink cybidium orchids. Mrs. Gabel selected a street-length dress of delphinium blue lace with blue velvet trim, white accessories and yellow cybidium orchids.

Miss Carol Jean Thompson, daughter of Mr. and Mrs. Eugene Thompson of Detroit, was flower girl.

Bruce Gabel of Ann Arbor assisted his brother as best man. Guests were seated by Thomas Athanas of Rochester, New York and Richard Stephen Rucinski of Wayne.

White gladioli, white chrysanthemums and blue delphinium decorated the banquet hall of the church for the reception which followed the wedding ceremony. Among the out-of-town guests were the bridegroom's grandmother, Mrs. Lena Hasley of Detroit and Orlando, Florida; Miss Eloise Yates of Long Beach, California, the bride's aunt; and her uncles, William and Julian Yates of Birmingham, Alabama. Also attending was Mrs. Charles Lewis, Sr., the bride's aunt from Dothan, Alabama.

For traveling to northern Michigan, the new Mrs. Gabel changed to a sheath dress and coat ensemble of hyacinth blue silk shantung with white accessories. The couple will reside at 8114 Hildale, Detroit after July 22.

The bride attended Michigan State university for two years before transferring to the University of Michigan where she was graduated this June. The bridegroom also graduated from the University of Michigan last month and was commissioned in the U. S. Air Force. He is now employed by Chrysler Missile Operations.

Sprinkling clothes in preparation for ironing should be done with warm water, evenly and lightly. Be especially careful to sprinkle just slightly at the seams. Smooth out wrinkles, adds Mrs. Baird, and fold loosely. Store the clothes in a plastic container.

Burroughs Buys Site For Future Offices

Burroughs corporation has announced that it has obtained an option to purchase 24 acres near the intersection of Northwestern Highway and Franklin road.

The corporation is exploring the possibilities of having the zoning restrictions changed from residential so that the plot may be used as a location for additional office space. Plans are now being developed regarding the size of the building and the offices of the corporation to be effected by the expansion. General offices of the company are located at the main plant, 6071 Second avenue in Detroit.

Plymouth Library to Start Story Hour for Children

A story hour for children will be held at 11 a.m. each Tuesday at the Plymouth branch, Wayne County library, starting July 24 and ending August 21, it was announced this week by Mrs. Agnes Pauline, head librarian.

The program will be conducted by Mrs. James Richards, the new children's librarian. Mrs. Richards received her master's degree in library science from the University of Michigan, Ann Arbor, this June. She joined the staff at the Plymouth library on Monday, July 2, replacing Renwick Garpie who entered military service this spring.

Legion Post Auxiliary Install New Officers

The main clubroom of the Elks temple was the scene of impressive installation ceremonies performed by Salon 10 of the 3rd and 10th and Voiture 102 of the 40th of 3 for the newly-elected officers of Passage-Gayde Post no. Auxiliary of the American Legion at 8 p.m. Wednesday, July 18.

New officers for the Auxiliary installed by Salon 10, were: Elected President Melva Gardner; Gwen Holcombe, vice president; Evelyn Gardner, secretary; Fern Burleson, treasurer; Jean Simon, chaplain; Gertrude Simon, historian; and Marilyn Moore, sergeant-at-arms.

Installed by Voiture 102 were the following new officers of the Post: Ernest Koi, commander; LaVerne Rutenbar, senior vice commander; Raymond Viau, junior vice commander; Donald Singhorn, adjutant; Martin Schomberger, finance officer; Walter Hochlowski, chaplain; William Hansen, historian; and Anthony DiRusso, sergeant-at-arms.

Refreshments were served the age gathering following the joint installation program. In addition to members of the Post and Auxiliary, a number of friends of the Legion and Auxiliary were in attendance.

Here's Cooking Time - Savers For Busy Summer Schedules

With so many women spending more time outdoors, now that warm weather is here, or being away from home for other reasons, there doesn't seem to be much time for cooking. Don't become careless about meals when the weather makes you want to stay out of the kitchen.

Women who come home after work to cooking and accumulated housework often slip into the habit of stopping at a nearby store each night to purchase food which can be quickly prepared.

A Wayne County Home Demonstration agent points out that this can become quite an expensive habit, and all too often the meals lack variety.

organize her week-end time. Sit down with pencil and paper and plan menus for two weeks. Allow room for "planned-overs." (These are not the same as leftovers as you plan in advance to have enough left for another dish the family especially likes.) This cuts cooking time.

Plan one major trip to the grocery each two weeks. Pretend you live 20 miles from a grocery and you won't have another chance to shop for two weeks. You will be surprised how this will improve the efficiency of your shopping by reducing the number of auxiliary trips to pick up something you forgot.

Another way to save time is to prepare a large batch of one of the home-mixes on the week-end. From all-purpose type mix, Muffins, and other hotbreads can be made in a jiffy for meals during the week. Or you can quickly prepare a cake for dessert or waffles for a breakfast. Freezing precooked foods is another way of cutting down the time needed to prepare a meal. Several meals can be prepared ahead this way.

"PLANNED-OVERS"

Why not buy in quantity when your grocer has "specials" on frozen foods? Doing so amounts to a double saving. You spend less money per package—spend less time shopping. And frozen vegetables, like tender green peas, stay garden-sweet for months in a home food freezer or two-in-one refrigerator-freezer.

SEE YOUR ELECTRIC APPLIANCE DEALER

Suggestions On Selection, Care of Linens

A little extra care can mean much longer wear for your pretty tablecloth. Following are a few suggestions that will add years to the life of linens.

When you buy a tablecloth, save the tag that gives you fabric content. Use it as a guide for washing and ironing. For example, you will want to hand wash a pure linen cloth.

The washing instructions on the tag will save you ironing time when you read that linen is ironed damp with a very, very hot iron.

To choose the correct size tablecloth for your table. Allow a six to eight-inch overhang on all sides. A 50x70-inch cloth is perfect for a 40x58-inch table.

A good basic supply of table linens is eight cloths. Three should be breakfast tablecloths, five dinner cloths. You can replenish or add as needed.

It is best to buy your tablecloths after you select your china-ware and pottery. You can then select cloths that blend best with your china. Printed tablecloths are considered high fashion today, but use them wisely. If your dishes have intricate and varicolored designs, use printed tablecloths that are reasonably simple in design.

Store your tablecloths clean and pressed neatly in a linen closet or storage drawer. In order to avoid too many creases, it is recommended that a cloth be folded once and then rolled around a cardboard tube.

Old worn linen tablecloths can often be made into attractive table mats. If you feel the fabric too worn for this, make dish-cloths. There is nothing better for putting a shine on crystal and silver than drying with a linen-cloth.

"Meals That Wait," Boon to Cook, Family

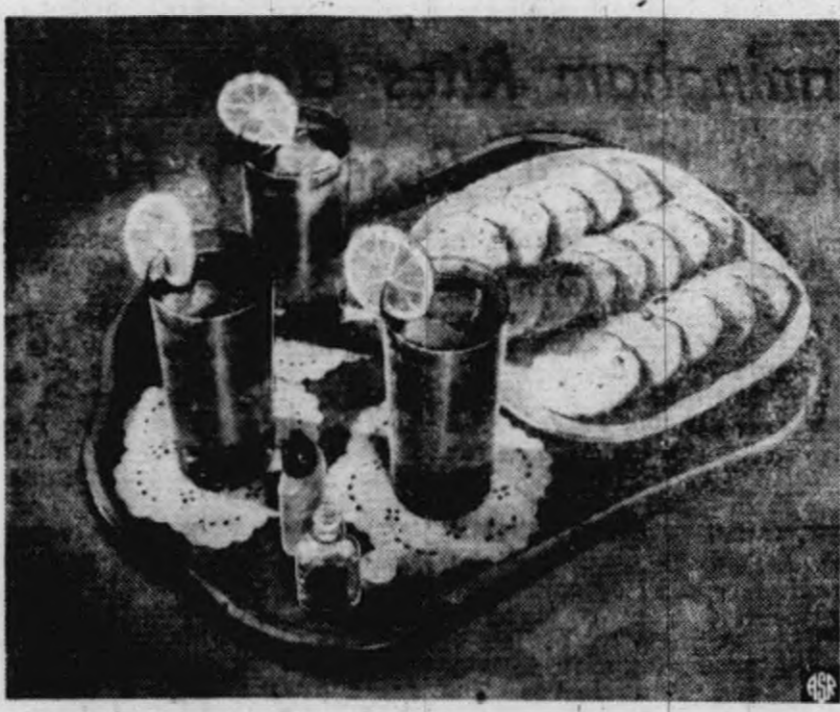

Getting Dad and the kids in for dinner "on the dot" can be exasperating for all concerned these pleasant summer evenings. So, why not plan a cold main dish—one that will wait? Then you can stay outdoors with the rest of the family.

Plan some tasty dishes to make in the morning and take out of the refrigerator at night, whenever the family feels like eating, early or late. Main dish suggestions are: molded chicken loaf, deviled tongue and cabbage mold, ham and potato salad ring, or tuna mounds. The menus that go with them can be ready in short order, too.

Garden fresh vegetables and fresh fruits lend themselves to minimum preparation. Remember it is best to include ONE HOT DISH in summer menus. Brown'n serve rolls, buttered corn on the cob, broccoli and green beans can be done by the time the table is set and everyone is ready to sit down.

If you have leftover fruit use the syrup in place of part of the milk for a pudding. When the pudding is thick, add the fruit as a garnish. You can, of course, do the same thing with jello or any gelatine salad.

Low-Calorie Snack Fits To A Tea!

A pleasant way to shun the sun these sultry days is to take a tea-time-out from your chores, relaxing beside a tray-like this of nibbly icebox cookies and tall, frosty glasses of iced tea.

Heat-producing calories are kept to a minimum in these slimmed snacks, for both the cookies and the tea are sweetened with pure saccharin, more than 400 times sweeter than sugar but containing not a single weight-adding calorie.

To sweeten the tea, choose from several brands of liquid saccharin, or dissolve 24 1/4-grain tablets in one-half cup of water to make your own syrup. A teaspoonful equals one teaspoon of sugar in sweetening power.

You can freeze and keep rolls of these icebox cookies handy for munching in a matter of minutes.

Orange Pecan Cookies

Dissolve 6 saccharin tablets (1/4 grain each)
in 1/2 cup unsweetened orange juice

Cream in a 6-cup bowl 1 teaspoon vanilla
Sift together 1/4 cup shortening
1 cup sifted all-purpose flour
3/4 teaspoon salt
3/4 teaspoon baking powder

Add sifted dry ingredients alternately with orange juice mixture.

Blend well into dough 1 teaspoon grated orange rind
2 tablespoons pecans, finely chopped

Shape dough into a roll 2 inches thick and wrap in waxed paper. Chill in refrigerator until firm enough to slice, about 2 hours. Cut into 1/4-inch slices and place on ungreased cookie pan. Bake on rack slightly above center in 400° oven (moderately hot) for 12 minutes. Makes 18 cookies. Calories per cookie 41.

KNOW FINANCE FACTS TOO GOOD TO WASTE

Contact your financial institution or appliance dealer for last-word information before starting any major home improvement job requiring credit, advises the Gas Appliance Manufacturers Association. Availability and terms of loans will vary from time to time and place to place, it is pointed out, although sound improvement projects always rate high with lenders.

With families growing and recreational interests broadening, the home improver cannot afford to let part of his dwelling be useless much of the year because of heating woes, says the Gas Appliance Manufacturers Association. Compact gas zone heaters, many completely automatic and in bright colors, can convert chilly areas to comfortable quarters for sleep, work or play.

Treat Family To "Fiesta Loaf"

Frequently there's just the spot in your summer menu planning for a well-seasoned meat loaf. Here's just the recipe, a flavor-some and generous-sized loaf, making 10 to 12 servings, that combines ground beef with pork. To add to its flavor appeal, the mixture is seasoned with prepared horseradish and mustard. Catchup is used as the liquid.

Fiesta Meat Loaf

1 pound ground pork
2 pounds ground beef
1/2 cup minced onion
1/2 cup prepared horseradish
1 teaspoon prepared mustard
2 eggs, slightly beaten
2 teaspoons salt
1/2 teaspoon pepper
1/2 cup catchup
1/2 cup chopped green pepper, if desired

Combine all ingredients and mix thoroughly. Pack into a 2-quart ring mold. Bake in a moderate oven (350° F.) 1 1/2 to 2 hours. 10 to 12 servings.

Clothes Close-ups

By D. C. P.

SUMMER CLOTHING TAKES A BEATING FROM ACCUMULATED PERSPIRATION!

Contaminated perspiration or normal perspiration causes fabrics to rot and lose strength, besides producing strong odors. Color and finish of fabric may also be affected.

Cleaning garments slows down the destructive action of perspiration.

1. The mechanical action of cleaning removes the bacteria, skin scales, and soil and dirt from a fabric.
 2. The drycleaning solvent used in cleaning dissolves the sebum or oily part of perspiration.
 3. The spotting of the fabric with moisture removes the salts that form as crystals on the fabric with the evaporation of perspiration. If these areas are large, the garment must be wet cleaned.
 4. The alkaline concentration is reduced in cleaning and spotting and thus the destructive action of perspiration is slowed down.
- Protect your garments from the destructive action of perspiration by having them cleaned regularly. This advertisement published as a service to Plymouth homemakers by the Dry Cleaners of Plymouth.

Frozen Crab Meat Salad Welcome Refresher on Hot Day!

Frozen Crab Meat and Tomato Salad

2 cups canned tomatoes
2 whole cloves
1 small onion minced
1-2 teaspoon celery seed
1 teaspoon salt-pepper
1 tablespoon sugar
1 tablespoon gelatin
2 tablespoons cold water
1 tablespoon lemon juice
1 cup cream
1 green pepper
1 small can crab meat

Combine the tomatoes, cloves, onion, celery seed, salt, sugar, and pepper. Simmer 15 minutes. Strain and add the lemon juice and the gelatin which has softened in cold water. Stir until thoroughly dissolved. Cool, until the mixture begins to set, then beat with an egg beater until frothy. Fold in the cream, which has been beaten stiff. The green pepper seeded and chopped and crab meat. Turn into a refrigerator tray and freeze. Serve in 1-2 inch squares on crisp lettuce with mayonnaise or French dressing.

PRESENT CAR PAYMENTS REDUCED

With Union Investment Company's low payment plan it is often possible to obtain additional cash on your 1955 or 1956 automobile and still reduce your present payments. No Payment on Your New Contract until August!

Switch the Pitch - And you Zing like a Bird

You can do it only in a Buick. Only with Variable Pitch Dynaflo* can you switch the pitch like an airplane pilot does. Only with Dynaflo can you get a safety-surge of extra power that's smooth as a soaring bird.

Only the newest version of Dynaflo gives completely smooth, swift acceleration — even at the first gas-saving inch of pedal pressure.

Trying is believing—this new 1956 Dynaflo is years ahead of any other transmission. And it's just one of the great new features that you're missing if you're still driving an older car.

So why wait for your present car to become another year older—and considerably less valuable as trade-in—when you can take advantage of

today's prices? And enjoy a car so excitingly new?

Just look at Buick's new styling. "Massive" and "grace" are words that seem almost contradictory. But they're beautifully combined in these newest Buicks. And in a classic way that will still look fresh for years to come.

Just try the newest Buick ride. It's the steadiest yet. Based on deep-coil springs, deep-oil-cushioned shock absorbers, torque-tube drive, and a long list of new developments not even Buick has ever had before.

To get a softer, more buoyant ride than this, you'd have to repeal the laws of gravity.

And to say that this is a great time to buy a Buick is really an understatement. Come see the sensible, down-to-earth prices of Buick's tremendous range of models. Come hear the deal we can give you.

It's our deal—for your pleasure. Come draw up a chair—we're ready whenever you are.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**AIRCONDITIONING
At a COOL NEW LOW PRICE**

It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

THE GOOD OLD DAYS... FROM THE PAGES OF THE MAIL

5 Years Ago

July 19, 1951
Lawrence Livingston is Plymouth High school's band director.

Mr. and Mrs. Joseph Mault of Palmer avenue are at home following a recent visit with their daughter in Chicago, Illinois.

Mrs. Fred Bowers, Mrs. Fred Shaw, Miss Ruby Drake, and Mrs. Hazel Ebert spent Tuesday visiting in Sarnia and Port Huron.

Mr. and Mrs. Lloyd England and family of Sunset spent Sunday at Ore lake as guests of Mr. and Mrs. Wilbur Wild and Mr. and Mrs. Wilbur Fortier.

Herbert Barron and David Poole left Sunday morning for a two weeks stay at Camp Burkett, YMCA camp on Big Silver lake.

William Loomis, formerly of Newburg, visited his daughter, Mrs. Melvin Clement and other friends and relatives last weekend. Mr. Loomis now makes his home in Miami, Florida.

Mr. and Mrs. Gerhardt Mueller who have been living on Wilcox road are now located on Penniman avenue.

Joan Cavell and Ilene Powers are spending ten days vacationing in East Tawas.

Mrs. William Magee was honored Friday evening at a stork shower given for her by Mrs. Donald King in the King home on Gold Arbor road.

10 Years Ago

July 19, 1946
Walter Hammond, Jr., is Plymouth's new Soap Box Derby champion and today is sporting a new bicycle as a reward for his effort in building and driving the faster coaster racer in the city.

Mr. and Mrs. Charles Rengert have returned to their home from Yuma, Arizona, where they have been since last fall.

Mr. and Mrs. R. W. Shingleton, well known Plymouth residents, have been visiting for several days in Salida, Colorado where Mr. Shingleton was in business years ago.

Mrs. Nelson Bakewell and Mrs. Orville Bloomhuff were hostesses at a shower given in honor of Mrs. Owen Johnson at the latter's home last Friday evening.

Mr. and Mrs. Harry Wiley, Jr., of Willow Village were guests Saturday for dinner and a game of badminton at the home of Mr. and Mrs. Robert Lidgard.

Mr. and Mrs. Roger Vaughn of Flint and formerly of Plymouth, were guests Wednesday of Mr. and Mrs. Earl Mastick at Base Lake.

Phyllis Schryer and Mrs. Howard Schryer entertained at a shower for Mrs. Shirley Depew

Annual Hobby Show Planned for Detroit

The All States Hobby Club will sponsor its eighth Annual Convention and Hobby Show in Detroit, at the Detroit-Leland Hotel, on July 27, 28, and 29.

The Hobby Show will be open to the public, Friday and Saturday from 11:00 a.m. to 11:00 p.m. and from 11:00 a.m. to 6:00 p.m. Sunday.

Next years Convention city and officers for the ensuing term will be chosen during the business meeting.

Highlighting this years convention will be the choosing of the 1956 Junior King and Queen. The National Talent Association has announced they will sponsor a talent contest for the Hobbist with a special baton twirling contest.

Friday evening at their home.

Mrs. Milton Knapp left Sunday morning by plane for Glen Harbor for a two week's outing near Traverse City.

25 Years Ago

July 17, 1931
A quiet wedding was solemnized, Sunday at the home of Mr. and Mrs. Frank Hake of Whitmore lake when their daughter, Gladys, became the bride of William Bieger. Both young people are employed at the Wayne County training school, Northville.

School budget is approved by board. Big reduction in school tax is announced for next year. It was announced that the total enrollment for the 1929-30 year was 1403 with the 1930-1931 enrollment 1469, a decided increase.

New Bolt-action Hamilton gun is announced by the Hamilton Air Rifle company this week. This gun is ready to go on the market at the extremely low price of 3.50.

Twenty-six members of the local DeMolay enjoyed a most delightful outing at AuSable over the Fourth. The cars of young people left Plymouth at eight o'clock in the morning arriving at AuSable by six o'clock—in time to make camp.

Mrs. Howard Salisbury of Omaha, Nebraska, arrived in Plymouth this week and will visit some with her sister, Miss Gertrude Grainger and other Plymouth relatives and friends.

Miss Clarice Jane Hamilton, daughter of Mr. and Mrs. Coella Hamilton was one of a group under the guidance of Dr. Hobbs of the University of Michigan who spent last week in Niagara Falls. The trip was sponsored by the University Geology department. Miss Hamilton was one of those who also flew over the falls in an airplane.

George Videan and daughter, Mrs. Alfred Jones, of San Diego, California, visited with Mr. and Mrs. O. F. Beyer this week.

A nine pound daughter arrived at the home of Attorney and Mrs. Perry Richwine, 525 Blunk avenue, Tuesday morning, July 16.

Mrs. L. C. Manners of Chicago, Illinois, who is visiting her mother, Mrs. Lydia Hubbard, was the guest today of her friend, Mrs. Frank Dunn of North Territorial road.

The Penniman-Allen Theatre presents today SPECIAL "Daddy Long Legs" 5c for children.

50 Years Ago

July 20, 1906
Little Clifton Howe of Newburg has been quite sick but is better now.

Miss Hulda Beyer has returned to her home in Perrinsville after visiting in Detroit.

Plymouth Gala Day on Wednesday, August 1. Governor Warner and Congressman Townsend will be present. Two ball games will be played and lots of games and races have been planned. Two male quartettes and the Plymouth Band will furnish music. Fireworks and dancing are in the evening plans.

Mrs. C. Tice of Ann Arbor was a Sunday visitor at the E. Nowland-home.

Misses Edna Hunter and Viola Wright are visiting in Belleville this week.

Mr. and Mrs. Charles Draper and son, J. L. Gale, Mr. and Mrs. Charles Merritt and Mrs. Ella Safford spent Sunday at Murrays lake.

Mrs. Charles Ryder entertained the Misses Shattuck, Woodworth, and Whitbeck last Thursday at a lawn party in honor of Miss Xarita Ross of Manistee, Michigan.

The Pinckney Pharmacy is now ready for your patronage. See their notice in this paper.

Plymouth defeated the O.K.'s of Detroit last Friday in as pretty a game as has ever been

played in Plymouth. At the end of the game the score stood at 6, and 3.

Frank Burrows and Miss Zaida Briggs spent Saturday and Sunday with the latter's brother, Claude Briggs at the Detroit Boat Club.

Albert Stever and Miss Anna Wolgast surprised their friends by being married in Detroit on June 20th. Both are well known in Plymouth and will be glad to see all their friends at their new home after October 1.

Many farmers complained that the fire works Saturday evening frightened their horses so this feature will be eliminated from the regular Saturday evening entertainment and band concerts.

Mrs. S. J. Winters and son of Bay City are visiting Mrs. O. Wingard this week in her home on the North Side.

The German Sunday School had their annual picnic in Mr. Dickerson's Wood on Wednesday of this week.

Frank Toncray, Carl Heide, Ira Smith and Ed and Albert Gayde were visitors in Port Huron Sunday making the trip by boat.

School Employee, 84, Gets Surprise Social Security Checks, Still Works

(EDITOR'S NOTE: In place of the Social Security Question Box which has appeared periodically, the following story about a Plymouth high school custodian and his new social security payment is being presented to illustrate a little-known phase of the plan.)

Eighty-four-year-old Fred Rogers, who started as a sweeper at the high school 13 years ago and who now is in the maintenance department, has just learned that his late start under social security now means \$106.10 a month to him. In addition, his wife Anna will receive a monthly check of \$53.10.

The Rogers were surprised to learn that they had payments due them, especially since he is still working and he had never been under social security until last year.

The Plymouth Community School district employees elected last year to be covered by social security. Rogers and his wife will receive checks beginning with April 1956.

Because he is over 72, Rogers can receive these payments even though he is still working. The social security law allows a worker between ages 65 to 72 to earn up to \$1,200 per year and draw their payments without any loss of benefits. But after 72 there is no limit on the earnings.

All social security information is strictly confidential, but the Rogers have consented to the

publication of the facts to illustrate the important fact that anyone 72 and over can still work and get payments.

"I think a lot of people will be surprised to learn, just as I was, that they can receive payments even though they are on the job," said Rogers. "I have no plans for retiring," he added. "Everytime I mention leaving, the board tells me I am needed at the school." The new coat of paint being worn by the high school when it opens next fall will be because Rogers has been at work with his paint brush.

The Rogers filed their claim in Plymouth. The Detroit-Northwest District office has a representative in the basement of the Plymouth post office on the second and fourth Thursday of each month. The northwest office is at 18200 Grand River, Detroit 13.

Chevy beats own Pikes Peak record... and tops all rivals including cars in every price range!

Last fall, Chevrolet broke the Pikes Peak record in a history-making pre-production test.

Chevrolet takes first, second and four of the top six places! Beats its own stock car record by a full minute and 16 seconds!

It happened on July 4. Running against the hottest competition in the land, Chevrolet won the Pikes Peak climb—a towering challenge open to all makes of cars. This is far more than a blazing demonstration of power. It is unquestionable proof of Chevrolet's supreme roadability—the accuracy of Ball-Race steering, the solidity of outrigger rear springs, the traction "bite" that stems from balanced weight distribution.

There is no greater test of a car's road safety qualities than the Pikes Peak climb. See for yourself, in the car that's won the "crown" twice in a row!

MICHIGAN BELL

TELEPHONE lines

ONE OF THE PLEASANT excitements that never seems to wear out is speaking Long Distance with someone you miss. And once you decide to make a call (if you're like most people) you can hardly wait to be connected. If you call by number you'll be connected much faster. That way information won't have to take your time getting the number. So keep handy, those numbers you call often. We'd be glad to send you a free alphabetized personal directory for the purpose. Just call the telephone Business Office.

NATURALLY we think telephone women are among the nicest people there are. That's why we're so glad when one gets singled out for an honor. Mrs. Herman Gibson, one of our customer representatives at Flint, was one of two Flint women recently selected to represent Genesee County as "ambassadors" to European countries this summer. The visits are part of the Experiment in International Living Program sponsored by the Flint Junior Chamber of Commerce. Mrs. Gibson will live with a family in Sweden for a month and spend another month touring that country. All of us wish her a happy voyage.

IT'S TELEPHONES three to one! Back in 1946 there was one telephone for every five persons in the U. S. Today there is one phone for every three. Why the boost in phones? Because the public wants more and more telephone service.

Telephone growth also reflects the general prosperity and an increasing dependence on fast communications. Incidentally, in ratio of telephones to people, the U. S. ranks first. Sweden, Canada, New Zealand, Switzerland and Denmark follow in that order.

How to Apply Hardwood Plywood Wall Paneling

When installing hardwood plywood wall paneling in postwar homes, the old wall in most cases will be of a dry-wall substance. The simple application procedure, which is a quick carpenter job or can be handled with ease by a home craftsman, is shown in the three photos above. At left, the back of the 1/4-inch-thick paneling is coated liberally with contact cement. The craftsman is working with a piece cut from a standard 4 x 8-foot panel to fit around a door frame. In the center, the dry-wall surface is coated with contact cement. Note paneling to right already installed. The two coated areas are allowed to dry until tacky, and then (photo at right) the panel is pressed firmly to the wall, tightly butted to the adjoining panel. The joint runs next to the craftsman's right hand. It is important to get proper alignment because the bond is almost instantaneous. Finishing nails are then driven in at top and bottom where the nailheads will eventually be covered by the trim. The paneling shown is beautifully-grained elm plywood, grooved vertically.

BUILDING AND REMODELING NEWS FOR EVERY HOME

Consider Moisture, Condition, and Use of Lumber When Selecting for House Construction Needs

(This is the second of three articles to appear on these Building Pages concerning the problem of selecting lumber for house construction needs.)

The amount of moisture in wood affects its performance. As wood dries, it shrinks; when wood gets wet, it swells. Lumber which is excessively moist over a long period of time is likely to rot.

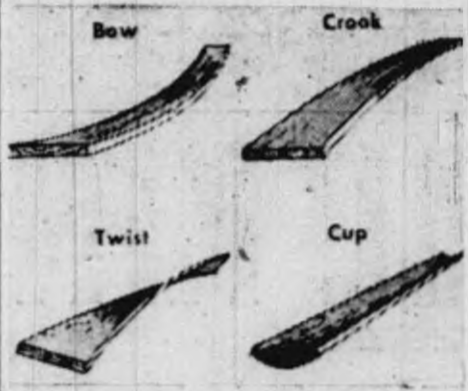

Do not use freshly cut or green lumber in house construction. Although it costs less than lumber which has been dried, it is usually more expensive in the end because of difficulties resulting from shrinkage — nail-popping, warping, checking, cracking of plaster.

used to treat the more susceptible woods. Methods of applying preservatives are: pressure treatment (most effective), hot-cold bath, cold-soaking, and brush or spray (least effective).

Storing Lumber: To avoid warping, staining and other possible ill-effects, lumber delivered to a job should be stored in a dry place and stacked as it is in lumber yards. If the lumber must be stored out-of-doors, put it on a level foundation of the ground. Protect it from rain and moisture with tarpaulins or moisture-resistant covering. These same precautions should be taken for wall panels and roof trusses. Interior millwork and flooring should not be delivered until they can be stored inside the enclosed building.

Wood Flooring: When a house is heated, wood finish-flooring is apt to shrink. To avoid excessive shrinkage, the flooring should be stacked inside the house for a week or more before it is laid so that it reaches a balance with the moisture content of the air inside the house. Let fresh plaster dry before bringing in flooring, otherwise it will absorb moisture given off by the plaster. These suggestions also apply to paneling.

When the moisture in wood is excessive (20 per cent or more), the wood is susceptible to decay, blue stain, or mold. Decay is caused by fungi, small plant-like organisms which feed on wood until it becomes soft and punky. Even though this wood may appear to be sound, it loses some of its strength.

Lumber should be dried to about the same moisture content that it will have when it is put into use—about 10 per cent. Problems can be expected if the moisture content exceeds 20 per cent. Electric moisture meters can be used to check moisture content if the dryness of the lumber is questionable.

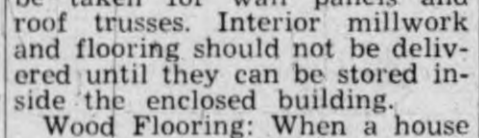

The two most common methods of seasoning lumber used by lumber mills are:

Air-drying. Wood is stacked and allowed to season out-of-doors. This method is impracticable in cold, damp weather; in hot, dry weather, the green lumber may warp or check since the rate of shrinkage is difficult to control.

Kiln-drying. Lumber is placed in a large "oven" where the rate of seasoning is controlled by adjusting humidity, air temperature and air circulation. Kiln-drying is more expensive than air-drying but the lumber can be dried faster and to a lower moisture content.

Lumber dried to the same moisture content by either method will give equal satisfaction if it does not warp or check in drying.

Regardless of how it is dried, lumber will pick up or lose moisture until it reaches a balance with the moisture content of the air.

Some fungi do not rot the wood but only cause stain or mold which affects the wood's appearance. Wood which is blue-stained can be painted, or if the stain is not too deep, it can be planned to restore its original appearance.

When the finish flooring is laid over joists, the subflooring should be of softwood, surfaced one or both sides, 25/32" thick, not over 8" wide, well seasoned (preferably kiln-dried), as green or wet boards are sure to shrink and open cracks between finish flooring strips. Subfloor boards should be laid diagonally, with at least two 10d nails at each joist and each board end. Firmness of top floor depends on this.

Fungi require favorable temperatures, air, and water to remain active. There is no such thing as "dry rot" since the so-called dry-rot fungi can carry moisture several yards into dry wood.

Certain woods, such as cedar, cypress and redwood, are more resistant to decay and insect attack than others because the heartwood contains chemicals which are poisonous to fungi. Sapwood is generally not as resistant to decay as heartwood but absorbs wood preservatives better.

Chemical preservatives, which poison the food supply of the fungi and give wood resistance to insect attack, are frequently

These 8 Packing Suggestions Will Ease Your Moving Task

1. Use a container that is strong enough to withstand a long trip.
2. When packing barrels or cartons, place heaviest articles in the bottom, lightest items on top.
3. Pack containers as compactly as possible, pressing shredded paper gently, but firmly, around each article for protection.
4. If possible, pack in the same container all parts of the same article or articles that are used together.
5. Protect with cushioning pads any surface or edge of an article that can easily be damaged.
6. Don't pack articles which could damage others, even though well-cushioned, in the same container. For example, do not pack percolators and toasters with skillets, pots, and pans.
7. Try to group articles from the same room in the same container.
8. Label each container, identifying various items.

More than 65,000 plumbing and heating contractors are joining with 4,000 wholesalers and 800 manufacturers in the observance of August, 1956, as Plumbing—Heating—Cooling Month, says the Plumbing and Heating Industries Bureau. Special displays and special emphasis in newspaper advertising will direct attention to the advance made in these industries in recent years.

HERE'S HOW... REPAIR AND REFINISH OUTDOOR FURNITURE

Prepare for a summer out of doors by repairing or refinishing broken or worn furniture.

Wooden furniture will require different treatment from rattan or wicker furniture. Replace broken pieces with new lumber, using the piece to be replaced as a pattern for the new one. Furniture broken or worn beyond repair can be completely rebuilt from new lumber with the disassembled pieces serving as patterns for the new ones. Several duplicates of an old favorite piece can be made easily in this manner.

Old furniture to be refinished should first be cleaned with water and detergent. Let dry thoroughly. Brush worn or chipped spots with a wire brush, sand smooth and feather the edges. Fill cracks or holes with wood putty and sand smooth when dry. Touch up all such spots with enamel undercoat.

Planning Outlined For Making Den On Summer Porch

A summer porch can be made into a year-around den or recreation room.

Before barging into such an improvement, check your local building regulations, find out whether the porch foundations need reinforcement, determine how you are going to heat the room, make some rough plans and get a job estimate.

Economy and life of the materials used for the walls are major factors to consider. Appearance is important, too. As a remodeling panel, Masonite Presdwood is popular because of its reasonable cost, excellent paint-taking and holding qualities, durability and clean application.

Limestone or asphalt tile will make an ideal floor surfacing. Assure long life for it by laying it over Masonite Underlayment, a precision-calibered hardboard which goes directly over the old floor and bridges gaps that would show through otherwise and be unsightly.

In planning the remodeling, consider insulation, combination screens and storm sash; also correct lighting and ample outlets for lamps and electrical appliances, including probably a TV set.

AN All-Gas Home IS AN ALL-WEATHER HOME

Gas is an ideal fuel with a dual personality... one for winter heating and one for summer cooling. A Gas air-conditioner gives the utmost in year 'round comfort.

In-sizzling summer weather, a Gas unit wrings gallons of water out of the humid, sticky air. And in the cold of winter, it adds moisture to the air to prevent dry, parched heat. A Gas air-conditioner gives perfect all weather temperature control.

If you seek truly modern living, choose an All-Gas home... one with Gas year 'round air-conditioning and Gas for refrigeration, cooking, water-heating, clothes-drying and incineration. Although Gas Heating Permits may not be immediately available, they are well worth waiting for.

ONLY GAS DOES SO MUCH, SO WELL, YET COSTS SO LITTLE

"YOU CAN'T BEAT THE BEST"

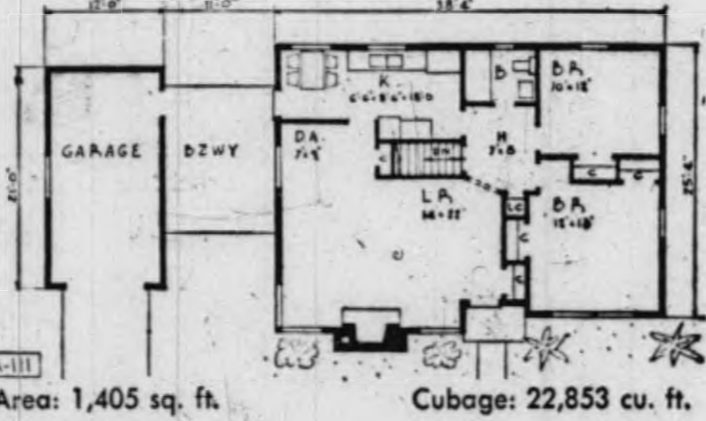

Leo M. Zamory, Architect-Engineer

House No. A-111

Enduring Beauty

YOU have to examine this home carefully to realize that it is planned as a rectangle—universally conceded to be the most economical kind of home to build. And within, the architect has achieved the extraordinary result of putting every square foot of space to its fullest use. The living room with its fireplace provides warmth and charm. By placing the fireplace on the front outside wall, you get an impression of a brick front. The eighteen-foot kitchen will delight the most discriminating homemaker. For formal meals there is a dining room which, by the way, provides direct access to the breezeway. Each of the two bedrooms has windows facing in two directions, insuring plenty of light and air. Then, too, the full basement provided for in this design will take care of any future "expansion area" ideas you may have.

Area: 1,405 sq. ft.

Cubage: 22,853 cu. ft.

BUILDING AND REMODELING — NEWS — FOR EVERY HOME

"Beautyguard" Hardwood Tops Resist Burns, Stains on Modern Furniture

Now you can enjoy beautiful real wood furniture without worrying about careless abuse, even at parties. A forgotten cigarette can burn to ash and not harm today's newest furniture featuring "beautyguard" genuine hardwood tops developed in Fine Hardwoods Association research.

Spilled alcohol, nail polish and remover, fruit juices, perfumes, cosmetics and other common abuses also won't mark or stain these new wood furniture surfaces. Protected by a special new "beautyguard" process, these abuse-resistant real wood furniture tops retain all the warmth, depth, richness and individuality of the genuine hardwoods used. There's no longer any need to settle for commercial-looking substitutes.

These new hardwood tops give you fine woods in fine finishes for surfaces subjected to hard use, eliminating the glassy, waxy look of most resistant-surfaced materials. The "beautyguard" process supplements the extremely durable, modern finishes already available on wood furniture.

With these new wood tops, you can decorate with fine hardwood furniture you're proud to have in your rooms, and still have a care-free, modern home that won't be hurt by careless guests.

Typical of the handsome new furniture designs featuring abuse-resistant hardwood top surfaces is this "Antigua" dining room grouping in richly-grained, toast-finished mahogany, with matching "beautyguard" genuine mahogany tops on the table, buffet and china.

Occasional tables, desks and bedroom groupings are also offered with these worry-free wood tops.

You'll be glad to know, too, that furniture with these luxurious hardwood tops costs no more and usually less than comparable furniture with plastic imitation wood tops. There are styles priced for every budget.

Another advantage is that these abuse-resistant real wood tops always exactly match the rest of the piece, and are offered in every finish color and degree of gloss, permitting many custom finish effects. You can identify genuine "beautyguard" furniture only by the "beautyguard" seal used by many leading manufacturers, as this new abuse-resistant furniture looks just like any fine hardwood furniture.

This latest scientific "miracle" is a real boon for you, homemaker who want a gracious and carefree home. You'll never have to apologize for being practical and choosing "beautyguard"-protected furniture.

Easy Hardwood Plywood Edge Cover

A new type of edge cover for the handsome hardwood plywoods used by home craftsmen in making furniture and built-ins is now available. It comes as a timely aid in giving handiwork a professional look, now that home projects are expected to increase due to the interest in the "Operation Home Improvement" campaign.

The edge cover is actual wood, packaged in thin strips eight feet long and one inch wide. Another make is 3/4-inch wide. Both types are available from retail dealers in species to match the popular hardwood plywoods such as birch, oak, mahogany and walnut. The new product is intended to be applied with contact cement. The other has a pressure-sensitive adhesive backing.

Hardwood plywood 3/4-inch thick is generally used for home furniture and built-in projects. The one-inch wide tape is firmly

cemented to the plywood edge, with 1/4-inch lapping over each side. Two coats of cement will give a permanent hold. The excess is then removed either by

creasing back and forth with a weight such as an iron, or by trimming with a razor-knife. The final finish is applied to the project after the edge tape has been put on, for a perfect match.

Tom—I understand, old man, you hold divers stocks.

Bill—You said it—they are divers sure enough.

Tough Flooring Will Take Beating Down on the Farm

Various farm building floors take a severe beating. A floor covering that stands abuse, therefore, is desirable. Frequently used because it lasts so long is Masonite 3/4" Tempered Presd-wood.

This material, available at lumber yards, is excellent in hallways, kitchens, enclosed porches and recreation areas of the home. It is widely used also for flooring in workshops, grain storage bins and other buildings where low cost and durability are the main factors.

In panels, applied in sizes up to four feet square, it may be laid in interesting patterns right over existing wood floors that are above grade-line. The only treatment needed to keep them in condition is the occasional application of a penetrating sealer.

would you call a home that costs \$2.30 a day expensive?

We don't mean a small home . . . we mean a generous size custom built home you'll be proud to own.

Why continue to accumulate useless rent receipts when you can own your own home, a home built to suit the particular needs of you and your family, and costing only a few dollars a day.

PLAN 2 WITHOUT BASEMENT

This home boasts a pleasant exterior, plus a well planned interior. The floor plan includes two bedrooms, one of which is of the twin bed size, a large living-dining area, and an efficient "U" kitchen with snack space. The garage provides a handy storage space for garden tools. See us for complete details on this home.

Can You Identify This Mystery Farm?

LAST WEEK'S WINNER WAS DALE WILKIN WHO CORRECTLY IDENTIFIED MYSTERY FARM NO. 11 AS THE CHERRY HILL, OR FORD FARM, 2734 GOTTFREDSON ROAD. REGISTRATIONS OF CONTEST ENTRIES ABSOLUTELY WILL NOT BE ACCEPTED BEFORE 8:30 A.M., FRIDAY.

QUALITY SERVICE

BEGINNING OF A BEAUTIFUL VACATION?

Roger Babson

Drop in Stock is Natural

Babson Park, Mass. Many people are disturbed over the way the stock market has acted during the past few weeks. In short, the Industrial Averages dropped from a high of \$21 to a low of 469. Those, however, who have read this column during the past months are not surprised.

PEOPLE ARE TOO SELFISH

Losses in the stock market are due primarily to selfishness. This applies to even the "conservative investor," so called. He tries to get a higher rate of return than his investment deserves, or else he tries to avoid paying income taxes by buying second-grade revenue bonds issued by "authorities" of turnpikes or of small communities, mostly in the South. Unless the investor supplies something along with his money, he is headed for trouble.

This is not a criticism of small towns and cities. I much prefer "full obligation" bonds of such small communities to the bonds of big cities. These latter usually both suffer from poor government and also would be vulnerable in case of World War III. "Bigness" is no more a good measure of a community's credit than of a man's character. There also are good revenue bonds; but I like to buy them after the electric, gas or water plant has been installed, or after the pike has been built.

WE CAN'T CHEAT NATURAL LAWS

Statistics show that the nation is increasing its wealth only about 3 1/2% a year. In order for an investor to get safely more than 4% he must render some real service. In addition, let me add that the small cities are growing more healthily than the big cities. I have noticed that most of the sensible graduates from college this June have insisted upon taking jobs in smaller cities. Such places are having the soundest growth, are the best in which to bring up a family, and should be the safest in case of World War III.

The Bible tells us that the fruits we get out of life equal only what we put into it. Surely, in the long run, we reap only what we sow. Action and Reaction applies not only to mechanics, chemistry, and all the physical sciences, but to character building as well. All natural laws apply to successful investing as well as to successful living. Money can temporarily be secured through begging, stealing, or speculating; but usually such money is lost, or the so-called owner dies at an early age. Very seldom does such money do the children and grandchildren much good.

TOO MUCH EDUCATION?

I believe in education; we probably cannot get too much of the right kind. This especially applies

to Atomic Engineering and Business Administration. Education as it is passed out today by high schools and colleges will never help the graduate to build up an estate and keep it. The honest and successful way to create a fortune is by rendering service. To do so requires that you and I store up cash during these boom times so as to help the nation when it again "goes through the wringer." But should we expect a college professor who has not done successful investing for himself to teach it to others? Those of us who will then have the cash to buy, build, and invest, during the next period of depression, will render great service. For this service we will be richly rewarded. The savings which we are holding today to invest then should be multiplied two or three times in a short period. If educators would give more attention to character building and economic laws, and arouse in sufficient students a desire for service, I forecast that unemployment could be eliminated and we would have a much happier world.

Booths Register 149 Potential City Voters

Volunteer workers registered 149 city voters at booths set up at Kregg's and Krogers Friday and Saturday, July 6 and 7. The Plymouth Democratic club furnished volunteers who took registrations on the eve of the deadline for voting in the August primary. Monday was the last day to register. Eight volunteers worked on the registrations during the two days.

Two Begin Jail Terms

Two men charged with drunk driving started terms at the Detroit House of Correction last week. They were Roy Sixkiller, 9000 Beatrice, Livonia, and Joseph Pierce, 19444 Gerald street, Northville.

Sixkiller was arrested July 7 and was fined \$100 and 10 days in DeHoCo, or 90 days if he can't pay the fine. On another charge of operating a vehicle without a license he was fined \$25 or 15 days. Pierce was also given 10 days and a choice of 90 days if he can't pay the fine.

Michigan Mirror

Dope Traffic Not Major Problem of Law Enforcement

Despite growing concern, narcotics traffic among Michigan young people is not a major problem of law enforcement here, says State Police Commissioner Joseph A. Childs.

Few complaints about dope originate in rural areas. State Police estimate that of the 195 cases investigated in 1955, some 85 per cent occurred in the populous parts of Wayne County.

Narcotics peddlers remain a chief target of police activity. According to Childs, most dope entering the state is driven in by a automobile from Chicago or Cleveland.

"Effective interception of illegal narcotic shipments is a prime objective of our efforts in this area," Childs says. "The detective branch of the State Police has been successful in the past in confiscating large quantities of narcotic supplies."

"Let George do it," the familiar catch-phrase denoting escape from an unpleasant job, is being capitalized into the newest of Michigan's summer festivals. "George" will receive "his" day of honor at Corunna, county seat of Shiawassee County.

Town fathers have proclaimed Aug. 11 and 12 "George Do It Day." They plan a festival complete with street dance and barbecue honoring the mythical man of many talents.

Everyone attending the festivities will lose his given name for the day. All men are to be called "George" while the women will be known as "Georgina."

Idea for the new festival came about when Corunna started a campaign for city improvement.

Empty bottles are not commonly thought of as a hazard involving forest fires. However, the conservation department warns that bottles strewn carelessly on the ground can concentrate the sun's rays the same as a magnifying glass, causing a blaze to ignite.

"Campers using common sense are our greatest ally," department spokesmen say. They recommend that all camp fires be properly entrenched with water or covered with dirt; bottles or other glass containers be left in waste cans or specified dumps; care be used with cigarettes and matches.

Only one amendment to the constitution will be brought before the voter in the fall elections.

All groups desiring amendments failed to file the required number of petition signatures by the July 6 deadline.

As a result, only the single proposal submitted by the state legislature last spring will come to the voter's attention.

This amendment specifies a minimum age of 21 for all legislators and disqualifies persons convicted of felonies involving a breach of the public trust or subversion from being a member of the legislature.

Nominating conventions for both Michigan political parties will be held in Grand Rapids late in the summer.

Democrats meet first on Aug. 25 to select their state ticket. Republicans invade the city a week later on September 1.

Both parties must hurry from their respective national conventions to set up state tickets. Democrats meet in Chicago Aug. 14. Republicans hold their national convention in San Francisco Aug. 20.

Editorials - Features

The PLYMOUTH MAIL logo and publication information: Published Weekly by Mail Publishing Company, \$3.00 per year in Plymouth, \$4.00 elsewhere. Entered as Second Class Matter under Act of Congress of March 3, 1879, in the U. S. Post Office at Plymouth, Michigan.

Look at the City Traffic Record

An item in The Mail several weeks ago made note of the fact that Plymouth has not had a fatal traffic accident in five years. For those who have studied accident reports on a state and nationwide basis, this is truly an amazing accomplishment for a city of this size and location.

Five citations from the National Safety council, dating from 1951 through 1955, can be found on the wall of the police department. The governor wrote a letter this year commending the city for passing through 1955 without a fatality. We believe that Safety council officials are unaware that Plymouth now has gone five years without a fatality and it would be a nice gesture if some recognition could be given for this milestone.

But aside from any ceremony or citations, Plymouthites should perhaps look back to see why five years have elapsed without a fatality. Instead of examining the cause of fatal accidents, we have the unique opportunity to determine what caused the lack of them.

Some would attribute the record to luck or the will of the Almighty. There have been many accidents resulting in injury, but none of them serious enough to take a life. Youngsters have been struck down, motorists have been thrown out onto the pavement and cars have ramed into trains. But no one has been killed. Why?

Police maintain that not many people are going to get hurt if cars heed the speed limit. In Plymouth the limit is 25 miles an hour. We have been inclined in the past to agree with many citizens that 25 is too slow for this day and age. But how can you put up much of an argument when a record of five years without a traffic fatality is produced? Whether the same record could have been achieved with a 35-mile-per-hour limit is speculation and lives are too precious to experiment with. Just outside the city's borders, for instance, where speeds of 40 to 65 are permissible, there have been numerous fatalities. So we cannot deny that there must be a direct relationship between speed and death. (Safety council statistics conclusively prove this.)

Enforcement of traffic laws is another factor. No laws are worthwhile unless enforced. Ticketing by the police department has increased many times during the past few years, much to the displeasure of many motorists. But one of these disgruntled motorists could well have made the obituary column had he been allowed to speed on his merry way.

Finally, a large bit of commendation should go to the motorist himself—the majority who do observe laws, who are considerate of fellow drivers and pedestrians and who want to live another day. All kinds of safety gimmicks on cars, traffic signs and laws are still no replacement for the motorist possessing good old horse sense.

Let's keep Plymouth fatality-free. Plastering all four walls of the police department with safety citations may not be too artistic, but to those who love life and want their children to enjoy it too, it would be a beautiful sight.

Quotes from The News

DR. WAYNE McFARLAND, Los Angeles doctor: "Leave nicotine for spray to kill bugs, and allow your physician to use his caffeine as a life-saving item rather than by taking it cup by cup throughout the day."

MARTINO CARLO, French actress: "American men are very young, very gay."

DR. DUPONT QUERRY, ophthalmologist, Medical College of Virginia, at Richmond: "All basic optical principals have been completely ignored in today's wrap-around windshields in automobiles."

DR. SEWARD MILLER, U.S. Public Health Service: "People eventually should be willing to agree to periodic medical checkups to keep their driver's licenses."

ADELE SIMPSON, fashion designer, after trip around the country: "Surprisingly enough, it's now fashionable to be lady-like, neat, elegant, properly hatted and gloved, even a bit formal."

DONALD QUARLES, Secretary of the Air Force: "The grave danger in the present situation is that the talk of peace and the smiles from behind the Iron Curtain may delude us into a sense of security and cause us to relax our guard to the point where terms can be forced upon us."

R. DORSEY WATKINS, U.S. District judge: "On the basis of statistics, one of every ten persons in the United States will need some kind of treatment for mental illness."

JOHN CHARLES DALY, advising people watching political candidates on TV:

"Turn the volume down. Slouch in your chair—way down—get as comfortable as you can. . . . And always have some salt near your TV chair—just a few grains will do."

NOTICE OF PUBLIC HEARING BOARD OF APPEALS ON ZONING CITY OF PLYMOUTH, MICHIGAN

A meeting of the Board of Appeals will be held in the City Hall, Thursday, July 19, 1956 at 7:30 P.M. to consider the applications of:

- 1. Broen Metal Products, Inc., of 322 Hamilton, Lots 680 and 681 of Assessor's Plymouth Plat No. 19 of part of the S.W. 1/4 of Section 26, T. 1 S., R. 8 E. to use Lots 680 and 681 for loading and unloading and temporary storage of in-process materials.
2. Krause & Dunlap to erect a sign of 18 sq. ft. at 1018 Starkweather, part of Lot 583 of Assessor's Plymouth Plat No. 17 of part of Hardenbergs Addition to Plymouth Village and of part of the S.E. 1/4 of the S.W. 1/4 of Section 23, T. 1 S., R. 8 E.

All interested parties will be given an ample opportunity to participate in the hearing and at the close of the hearing all comments and suggestions of those citizens participating will be considered by the Board of Appeals before making their decision.

David Mather, Pres. Ada Murray, Sec'y.

THINKING OUT LOUD

One question, sometimes controversial, sometimes personal is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's guests are "thinking out loud" on the question:

"As you know, the big election comes up again in November. Assuming that Eisenhower and Stevenson will again be opponents and aside from your own political beliefs, which do you think will win the election?"

TONY CURMI, 41167 Ann Arbor Trail: "In my opinion it will be Eisenhower. People seem to think he has done all right and he hasn't lost many friends since the last election. I wouldn't be able to say if he will lose any votes because of his health because you read one thing about it and then another."

A. HEATH, 46642 Ford: "I think Eisenhower will win. I can't see that he has done too bad of a job. It seems like candidates defeated once never are successful the second time. Eisenhower is more popular now than he was four years ago. I don't believe his health will affect his election."

MRS. W. J. PETZ, Northville: "I'm sure Ike will win, at least if I have anything to do with it. He's my man! I think his health has been a big issue but that can be an issue on any job. I don't believe it will hurt his re-election. He may not get as many votes as he did four years ago but he'll win."
JIM WALASKAY, 42007 East Ann Arbor Trail: "Eisenhower! I don't know why he'll win. I guess he has been a good man. He will do better than the last time 'cause my dad things so. I don't think much of Stevenson. . . I guess, I don't know much about him."
