## City to Enforce Law Regulating Cellar Living

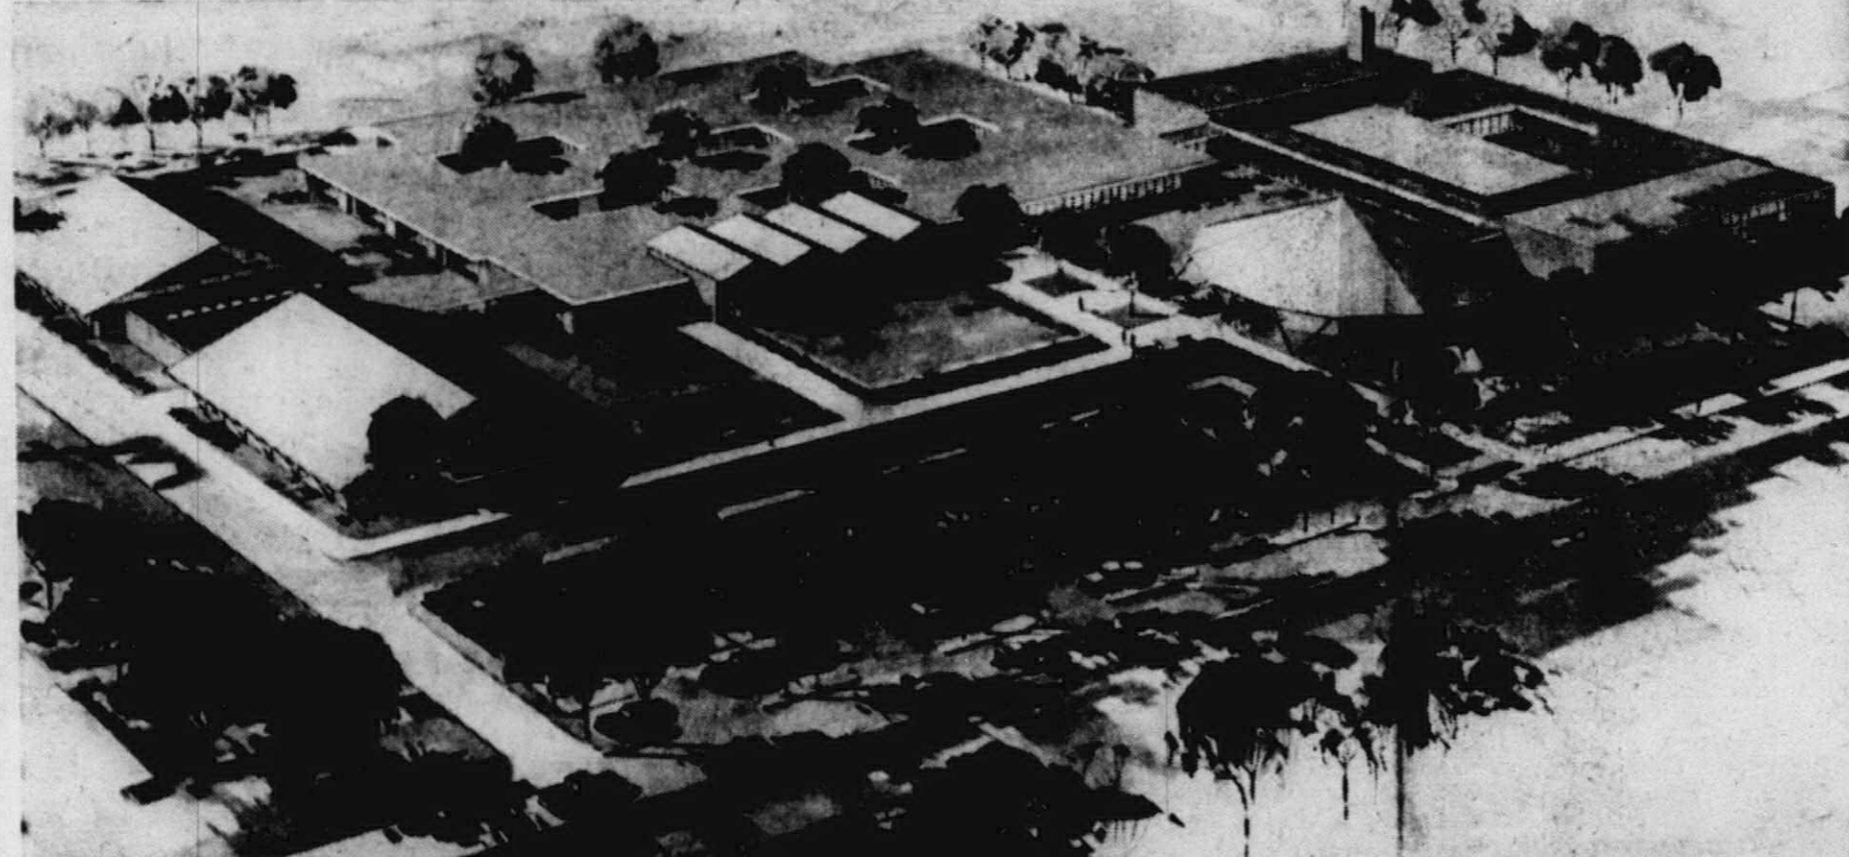

Basement living quarters may soon be on the way out in the city due to a decision to enforce the state housing law which makes nearly all of the present cellar dwellings illegal.

Building Safety Inspector Charles Thompson said that he will soon serve his first notice giving owners of a basement apartment 60 days to either comply with the law or vacate the dwelling.

Although there are no records indicating how many basement apartments and rooms there are in the city, Thompson said that there are "quite a few" and only a few will conform with the law. The 1951 state law requires a minimum of five days to comply with regulations, Thompson said, but the city is giving 60.

In its essence, the law requires that no basement room shall be occupied unless:

1. The room is at least seven feet high in every part from the floor to the ceiling.
  2. The ceiling of such room shall be in every part at least three feet six inches above the surface of the street or ground outside of or adjoining the same.
  3. There shall be appurtenant to such room the use of a water-closet.
  4. At least one of the rooms of the apartment... shall have a window opening directly to the street or yard of at least 12 square feet in size clear of the sash frame, and which shall open readily for purposes of ventilation.
  5. The lowest floor shall be water-proof and damp-proof.
  6. Such room shall have sufficient light and ventilation, shall be well drained and dry and shall be fit for human habitation.
- Thompson states that the law forbids the sharing of a kitchen by occupants of a two family dwelling and that a sink with running water is required.

FIRST DETAILED sketch of the Plymouth Community Junior High school was released this week as the federal government announced that the photograph will be exhibited at the International Conference on Public Education in Geneva. Main part of building will contain

standard classrooms, wing at right is for home economics, shop, cafeteria, etc., front wing at left is gymnasium. Not to be constructed is swimming pool (rear part of left wing) and auditorium (round building).

## Challenge of Voters Living In Burroughs Plant Denied

A hearing at which the voting registration qualifications of the occupants of the Burroughs corporation's plant apartment were challenged took place Monday in township hall and resulted in a victory for the residents.

The affair was another maneuver in the city's attempt to annex the Burroughs corporation plant and other lands east of the city.

Should the annexation ever come to a vote, only those living in the city could go to the polls. No one was living on the land to be annexed when the city started its first annexation proceedings

last spring. But the situation was later changed.

Two Burroughs corporation employees, Mr. and Mrs. Herbert Anderson, were moved into a comfortable apartment in the Plymouth road plant. They registered on June 5 as voters at that address and changed their postal address.

Henry Smith, a resident of Plymouth township and a Plymouth patrolman, filed the challenge last month with Township Clerk Rosalind Broome. The challenger stated in his petition that he had reason to believe that the couple were not qualified electors and that the move was a "fraud."

The hearing Monday afternoon was conducted by Mrs. Broome and was attended by Assistant Prosecutor Samuel Brezner. Both Smith and the Andersons testified and were cross-examined. The Andersons, who had their own attorney, told when they registered and other information about the move.

At the conclusion, the assistant prosecutor stated that the clerk should hold that the Andersons are qualified voters.

## Jr. High School Plan Selected For International Exhibition

The Plymouth Community Junior High School, now under construction in the southeast corner of the city, has been selected by a government agency for exhibition before a 75-nation parley.

Word of the selection has been received by the architects, Eberle M. Smith Associates, Inc., of Detroit, from the Department of Health, Education and Welfare.

The school has been chosen because it represents the latest advancements in educational planning, the governmental agency declared.

Photographs of the school will be exhibited at the 20th International Conference on Public Education in Geneva, Switzerland next July. Seventy-five nations will take part in this conference. The photographs will remain on display at the Geneva Exhibit Hall until July 1958.

This is the third honor bestowed upon the junior high school. Before it was started, the plan was given an award by a national architectural magazine. Last month the Michigan School Board Conference gave a citation to the school plan.

The building was considered 30 per cent complete as of November 1, Business Manager Melvin Blunk

## Foundation Gives Easter Seal Center \$10,000 Boost

A building being constructed on Michigan avenue for Western Wayne county's crippled children and adults was given a big financial "shot in the arm" last Friday when Plymouth's Edward C. Hough presented a check for \$10,000 through the Plymouth Rotary club.

Hough, a charter member of Plymouth Rotary, made the donation through a foundation established by him and his late sister, Mary Hough Kimble.

The donation brings the local Rotary club's contribution up to over \$26,000.

Since the building and its furnishings are expected to cost about \$93,000, the local club has given over a quarter of the money. Rotary clubs, Kiwanians and other organizations in the out-county area are participating in the financial drive which has been going on since last spring.

The building is being designed especially for treating the handi-

capped. Most of their recreational activities have been carried on in recent years at the Kiwanis Girl Scout lodge on Plymouth road. There are 52 handicapped people in the Plymouth area alone.

Plymouth Rotary club pledged \$15,000 as its share of the building costs. Until Hough's gift, all but \$1,700 of this amount was raised. But Rotarians still expect to attain the \$1,700. All of this money will go toward the building cost of \$93,293.

Memorial gifts raised by the Plymouth club in memory of the late Charles Bennett have netted \$1,050 for the cost of furnishings. The total estimated cost of furnishing the building is \$9,887. With Hough's check, there remains an amount of \$18,000 still needed for the building and furnishings.

Plymouth Rotary sponsored a Melody Circus showing for one of its money-making ventures last summer.

## Fire Hits Two Homes in Area; Estimate Damage at \$6,000

Two house fires, 18 hours apart, raged in the Plymouth area last weekend and caused over \$6,000 worth of damage.

One was Friday morning on Shearer drive in Plymouth township where an attic apartment was destroyed. The other happened early Saturday morning on Joy road in Canton township and an entire small frame home was leveled.

Plymouth township firemen were called at 11:33 a.m. Friday to 43732 Shearer drive where a home owned by Arthur Rowe, 906 Irving, was ablaze. Firemen said that flames were shooting 20 feet into the air when they arrived.

Told that a man was inside the attic apartment, Lt. Paul Albright entered the burning and smoking apartment with a mask but found no one. As it was later learned, the renters, Mr. and Mrs. Thomas Johnson, were not home.

Canton township furnished a water tank truck and manpower was asked from the Plymouth city department. The downstairs, with the exception of the ceiling, and some water seepage, was relatively free of damage. Firemen said that a cigaret in a couch is the only possible cause determined so far. Cardboard used for insulation, contributed to the spread of the fire, they added.

Damage to the building was estimated at between \$5,000 to \$6,000. The contents were not insured. Firemen left the scene at 2:30 p.m.

A small one-floor home occupied by three men burned to the ground shortly before 7 a.m. Saturday. Owned by Robert McTear, the house was located on Joy road, east of Lilley. Both Canton and Plymouth township firemen arrived at the scene, but flames had already spread throughout the building. The occupants were unidentified.

Canton township firemen said that the fire is believed to have started when an outside water pump froze and shorted out an electrical circuit.

One of the men told firemen

said this week. Walls of the building are now visible and structural steel is being delivered.

Ground was broken for the junior high last June. Its completion date has been set for September 1957.

Designed for 900 to 1,000 students, the building will undoubtedly contain some sixth grade classes until elementary school crowding is lessened, according to school board plans. The original sketches contain a swimming pool and auditorium which will not be built at this time.

## Elks Conduct Memorial Ceremony for Departed

Plymouth Elks Lodge No. 1780 will pay homage to members of its organization who have passed away during the past year at annual memorial services to be held at 2 p.m. this Sunday in the Elks temple, 41700 Ann Arbor road.

The Reverend Melbourne I. Johnson of the First Methodist church will deliver the main address. Music for the memorial service will be furnished by the Girls Triple Trios from Plymouth high school, under the direction of Fred Nelson and accompanied by Dorothy Stremich. Their selections will be "The Lord Is My Shepherd," "Praise We Great and Famous Men," "Then Shall the Righteous Shine, Forth" and "Auld Lang Syne."

The ritual service will be conducted by Exalted Ruler Wayne Cline and officers of the Plymouth lodge.

## Community Fund Ends With \$32,169 Total

### Two Sentenced On Morals Count

Two Plymouth area youths were last Friday taken to the State Prison of Southern Michigan at Jackson where they will begin sentences of from two to 10 years.

They are James Duty, 1344 Sheldon road, and Emmett Bishop, 6160 Canton Center road. Both are 18 years old.

The two were with four other boys who last May were accused with taking indecent liberties with a 14-year-old Plymouth girl. All six were arrested and turned over to sheriff's authorities. Duty and Bishop, because of their previous records and ages, were bound over to circuit court and tried.

Duty was also charged with breaking and entering in the night time and larceny. Pleading guilty to all counts, the sentence for the latter two counts was suspended.

Plymouth police arrested the six boys and turned them over to sheriff's detectives. They admitted the act and were arraigned before Municipal Judge Nandino Perlongo. Three of the boys lived in the city, two in Plymouth township and one in Canton township.

Because of their age, Bishop and Duty will probably be transferred at an early date from Jackson to a prison farm.

### Part of Money Going Toward Halted Dystrophy Campaign

Plymouth's 1956 Community Fund campaign has ended with \$32,169.59 in its treasury, a final report from the fund board of directors revealed this week. And included in the agencies to be benefited from the fund is the Muscular Dystrophy Association of America, one of the three main appeals which has prevented the Community Fund from being a "once for all" drive.

Four big donations totaling about \$7,000 helped put the fund drive over the \$30,000 during the final week. Although the exact figures are still not known, the fund is to receive about \$1,600 from the Burroughs corporation, \$1,400 from the Burroughs corporation employees, \$2,000 from Michigan Bell Telephone employees and \$2,000 from the Ford Motor company, Waterford plant employees.

An expression of gratitude to the public was stated this week by Marvin Criger, president of the Community Fund board, and the campaign co-chairmen, Mrs. L. B. Rice and Sheldon Baker.

Coinciding with the close of the drive was a controversy of whether Plymouth should have a muscular dystrophy drive in addition to the Community Fund.

An offer by the Community Fund board to give \$1,500 to the local muscular dystrophy drive brought a last-minute halt last Wednesday night of a house-to-house campaign by Plymouth township firemen.

City firemen had already announced that they would not participate in the muscular dystrophy drive this year, preferring that it become a part of the Community Fund.

The Muscular Dystrophy Association still has not agreed to join the Plymouth Community Fund, according to Philip Barney, member of the Community Fund board who has been spearheading this phase of the program. But they have been notified that the Community Fund has \$1,500 for

### Pupils Seek Money For Hungary Aid

"Freedom Dollars" for Hungary's freedom fighters are being collected by the fourth hour Plymouth high school government class taught by Miss Gertrude Fiegel. With \$40 already collected, the class hopes to increase the fund with public help. Money will go to the International Rescue Commission in New York.

Edward Miller is chairman of the project and Dennis Kudej, treasurer. Donations can be sent to the high school care of Miss Fiegel, Room 26.

### Joyner Sentence Expected Soon

Joseph Joyner, the young Plymouthite who last June fatally wounded 52-year-old Mrs. William Garrett at her Church street home, is expected to be sentenced within the next few weeks, Police Chief Kenneth Fisher said this week.

Because Joyner has pleaded guilty to manslaughter, there was no trial held. He was previously charged with first degree murder but Circuit Court Judge Ira Jayne, after studying evidence submitted by the prosecutor's office and Plymouth police, reduced the charge to manslaughter.

Joyner, 26, has been in jail ever since the shooting on June 12. One of the terms of the reduction in charges was that he not be allowed freedom under bond. Joyner also has been undergoing psychiatric tests and it is because of this that sentencing has been delayed. He has been held in county jail.

The shooting took place when Joyner went to the Garrett home to see his wife who had moved there only a few days before. He shot Mrs. Garrett twice and then held a policeman, Daniel Johnson, at gunpoint for five minutes until the patrolman grabbed the gun away.

Mrs. Garrett died two days later.

Manslaughter is punishable with a sentence of between seven and a half to 15 years in prison.

### Band to Present Show Tuesday

"Spotlight in Blue" is the title given the Plymouth high school band show scheduled for next Tuesday night in the high school gym.

Using the television type of review, lighting and scenery effects, the show is again expected to be one of the outstanding community programs of the season.

Laurence Livingston will direct the 100-piece band as the program begins at 8 p.m. Musical numbers popular in previous shows will be featured with the William Tell Overture as the finale. Colored slides of Tahquamenon Falls will be shown as the band plays "Land of Sky Blue Water."

There will also be Nat Sibbold singing several numbers. Fred Nelson directing the school choir, dancers from the Arthur Murray Studios in Detroit and drum majorettes in a special routine.

James Griffith and Bruce McCormick of the U-M symphonic band will assist the director. Narration will be by Herb Salter, audio by William Campbell, lighting by Robert Ingram and scenery by April Corey.

There were 1,200 attending last year's show.

## Merchants (a la Santa) Launch Yuletide Contest

For an amazing sight, turn to section 2, pages 4 and 5 of The Mail.

There can be discovered 42 Plymouth merchants in beads, red coats and tasseled hats—all looking like Santa Claus. "Extra! Plymouth's Merchant Feels Like Santa Claus This Year" is their united chorus.

What it really is, of course, is the launching of the Christmas shopping season in our community, plus the announcement of a novel and exciting promotion.

Every week—for four weeks—the 42 merchants, each, will give away, absolutely free, a substantial and desirable gift. Before it's over, that will be a total of 168 prizes to be awarded to persons who visit the participating Plymouth stores.

The winners will be determined by a serial number which will be posted on showcards in the merchants' individual windows. The customer who can match the number wins the prize.

There are two ways for a customer to get his number:

1. If you subscribe to The Plymouth Mail, then your number is imprinted on top of Page One, in the upper right hand corner, near the little Santa Claus.
2. If you aren't a subscriber, just drop into The Mail offices on S. Main street prior to 11 a.m. each Friday and pick up a free copy of our front page, which also will be numbered in identical manner. There is no charge whatever for this—and it gives you a number to use in the chase.

Tear off your number and check it with the store window posters.

The 42 winning numbers will be picked strictly by lot, (a public official will roll numbers from a cup) and they will be posted on the stores' showcards shortly after noon each Thursday.

The prizes won't be trivial. The merchants are picking them thoughtfully with the idea of getting something the customers really can use.

22 shopping days until Christmas... and "Every Plymouth Merchant Feels Like Santa Claus."

## Christmas Lights Going Up

A heavy snow which covered the area last week put most people in the so-called Christmas spirit, but the real season will be underway this week when the lights in Kellogg park and across the streets are turned on.

Stores will begin their night-time openings a week from today, Thursday, December 6. Plans are also being made for the arrival of Santa Claus next month and for a box in which youngsters can mail their letters to Santa.

The Chamber of Commerce is again in charge of the seasonal light-up program. Members of the Junior Chamber of Commerce spent last Sunday putting lights on four trees in Kellogg park and another at the Starkweather-Mill street point. A "Maypole" tree with 16 strings of lights was also erected by the Jaycees in the park.

The Garden Club is finishing the Christmas tree decorating job by placing their own home-made decorations on the trees. The Garden club also is providing a Santa Claus mailbox for Kellogg park into which kiddies will be able to drop their letters to St. Nick.

Chamber of Commerce Manager Edward Hart said that merchants have decided to begin their night openings on December 6, allowing shoppers two and a half weeks of night-time buying. Most merchants are also participating in a contest that will run during the season (see story elsewhere).

Strings of lights wound with green roping are being placed across downtown streets this week. Work is being done late at

night. Strings will also be placed across Liberty street.

The city again erected its manger scene in Kellogg park.

Another sure sign of Christmas is the appearance of the Salvation Army with their kettle. The local Salvation Army started their campaign last week.

### The Weekend Weathervane

U. S. Weather Bureau Outlook

Temperatures to average 5 degrees below normal. Normal maximum, 39; normal minimum, 29. Total snow fall, 2 to 3 inches.

THURSDAY—Windy, colder.

FRIDAY—Partly cloudy and colder. Low 16, high 28.

SATURDAY—Cloudy, warmer. Low 25, high 40.

SUNDAY—Light snow, colder. Low 22, high 35.

WHILE FURNISHINGS of the first floor apartment were carried to safety, the upstairs apartment occupied by Mr. and Mrs. Thomas Johnson was a total loss in a fire last Friday morning on Shearer drive. Firemen from Canton township and Plymouth assisted the Plymouth township department.

**Wood-McIvor Troth Told at Open House**

Marcia L. McIvor

The engagement of Marcia Lynn McIvor of Dearborn to Larry Wood, son of Mr. and Mrs. Howard L. Wood of Simpson street, was announced at an open house Thanksgiving evening at the home of her parents, Mr. and Mrs. Edgar W. McIvor of Dearborn.

The bride-elect is a junior at Michigan State university. Her fiancé is in his senior year at the same university.

No immediate plans have been made for the wedding.

Louise W. Diedrick

**Parents Announce Haley-Diedrick Troth**

Mr. and Mrs. George Diedrick of 515 Irvin street announce the engagement of their daughter, Louise Wilma, to Joseph Haley of South Mill street, son of the late Mr. and Mrs. Lewis Haley.

Miss Diedrick is a senior at Plymouth high school. Her fiancé, who attended schools in Detroit, is employed at Daisy Manufacturing company.

No date has been set for the wedding.

**Melena-Braemer Ceremony Solemnized in New York State**

Baskets of white mums formed the setting at St. Joseph's church, Oneida, New York, for the marriage of Carolyn Braemer, daughter of Mr. and Mrs. Louis P. Braemer of 624 Jener, Plymouth, and Francis J. Melena, son of Mr. and Mrs. Anthony Melena of 108 Gordon avenue, Sherrill, New York, on Saturday, November 17, at 2 o'clock.

Father John Lauer officiated at the double-ring ceremony. Musical selections, "Ave Maria" and "Pans Angelicus," preceded the ceremony.

The bride, given in marriage by her father, selected a wedding gown of tulle and chantilly shadow lace over white taffeta. The bodice was fashioned with portrait neckline of crushed tulle edged in lace and short sleeves. The skirt of panelled lace and tulle ended in a chapel train. Her illusion veil was of fingertip length and attached to a cap of imported heirloom rosepoint lace.

**Resident Engaged To Ypsilanti Student**

Betty J. Ferguson

The betrothal of her daughter, Betty Jean, to Ronald Howell, son of Mr. and Mrs. Homer Howell of Tipton, Michigan has been announced by Mrs. Avery Ferguson of Gordon street.

The bride-elect is a graduate of the Alexandra School of Cosmetology in Ann Arbor. Her fiancé attends Eastern Michigan college in Ypsilanti.

Date for the wedding has not been set.

belonging to her mother which had been re-embroidered with sequins and seed pearls. To complete her outfit, she wore long white kid gloves and carried a cascade arrangement of white fuji mums centered with a white orchid.

Attending as maid-of-honor was Miss Cynthia Bradish of Schenectady, New York. She wore a waltz-length, princess-style crystalette dress of wood violet with elbow length sleeves. Her headpiece was a violet velvet band trimmed with pearls and she carried a cascade arrangement of white fuji mums centered with novelty orchids.

The bridesmaids, Miss Jeanie Butting of Canastota, New York, and Miss Mary Jane Verro, cousin of the bridegroom from Hamilton, New York, wore identical dresses and headpieces. Miss Jane Phillips, of Freeport, Long Island, junior bridesmaid wore pale violet crystalette in a similar styled dress. The bridesmaids also carried cascade arrangements.

A princess-style dress of taupe peau de soie with taupe and white accessories was worn by Mrs. Braemer. The bridegroom's mother selected a dress of apricot velveteen with white accessories. Both mothers wore corsages of cymbidium orchids to complete their attire.

Anthony DeNova of Oneida, served as best man. Donald Flanagan and William Stewart, also of Oneida, and Ronald Corona of Canastota, cousin of the bridegroom, served as ushers.

Following the ceremony a reception was held at the White Elephant hotel, Canastota, for 200 guests. Later in the evening Mr. and Mrs. Anthony Melena were hosts to a group of friends and relatives at their home.

For the wedding trip to Miami Beach, Florida, Mrs. Melena changed to a heather beige sheath and jacket with beige hat and brown accessories.

They will reside at 995 James street, Syracuse, New York, where the bridegroom will enter the graduate school of Education at Syracuse university next semester in order to obtain his master's degree.

**Yule Program to Highlight Lutheran Women's Meet**

Caroline S. Cantrell

### Caroline Cantrell's Betrothal Announced

Mr. and Mrs. Robert L. Cantrell of West Nine Mile road, Northville, announce the engagement of their daughter, Caroline Sue, to Rodney Arnold Dahlager, son of Mr. and Mrs. C. Noble Dahlager of Grace street, Northville.

Caroline Sue graduated from Northville high school in 1957 and is now employed with Marr Taylor Ford sales of Northville. Rodney, who graduated from Northville high in 1954, is now serving with the Armed Forces. He is stationed at Fort Benning, Georgia.

No date has been set for the wedding.

Maybe you can't take money with you, but where can you go without it?—The U. S. Coast Guard News.

### Greens, Bake Sale Preview Set for Friday

Residents will be given a preview of articles awaiting their selection at the December 14 Christmas Greens and Bake sale sponsored by Plymouth Branch Women's National Farm and Garden association, at a display table to be set up this Friday in the lobby of the National Bank of Detroit, Main street.

Exhibited will be a variety of Yuletide decorations to be featured at the big event, including centerpiece displays, wreaths, swags, roping, Christmas candles and novelty items. Orders will be taken throughout the day by Garden club members. The committee is headed by Mrs. Edwin Schrader while co-chairmen for the Greens and Bake sale are Mrs. W. E. Lickfeldt and Mrs. Earl Russell.

The advance display will be repeated Thursday and Friday of next week and the following Monday and Tuesday preceding the annual event to be held at West Brothers on Forest avenue. Proceeds of the Greens and Bake sale go towards the club's scholarship fund.

### P.T.S.A. Slates Monday Meeting

Presentation of football awards and musical entertainment program will highlight Monday evening's meeting of the Parent Teacher Student association of Plymouth junior high school, to be held at 7:45 p.m. in the senior high school auditorium.

Thirty junior high students will be recipients of the gridiron awards, to be presented by Francis Sullivan. Following, the 84-member junior high school band under the direction of Laurence Livingston will be featured in a short concert. Presentations by the junior high girls' quartette and 67-member junior high chorus are also scheduled for the program, the audience participate in a Christmas caroling with the latter group. The quartette and chorus are directed by Fred Nelson and William Grimmer, respectively.

PTSA president is Kenneth Hulsing. Mr. and Mrs. Earl West are in charge of program planning.

Mr. and Mrs. C. H. Goyer attended a dinner Wednesday evening in the Calvary Baptist church in Detroit when the Lions Club in Detroit entertained the ladies, at their annual affair.

### SOCIAL NOTES

Mrs. Fannie Miller of Dearborn has been spending the past week with her sister, Mrs. Della Birmingham of Five Mile road.

Harold Anderson, a former resident of this area, is returning to Plymouth next week for a visit with old friends. Mr. Anderson, who with his family resides in Las Vegas, Nevada, will arrive in Plymouth on December 2 and will be staying at the Mayflower Hotel.

Mr. and Mrs. Vernon Peck of Irvin street celebrated Mrs. Peck's birthday on Saturday, November 17, with dinner at Pine Lake Rotunda Inn.

The Ladies of the Lutheran church are holding a bake sale at Dunnington on Forest avenue, Friday, November 30 beginning at 9:30 a.m.

Mrs. Harry Davis and son, Mike, spent the weekend with her daughter and son-in-law, Mr. and Mrs. Kenneth Hart in Hillsdale.

Mrs. Ernest Miller of Osceola, Iowa, is a guest this week with her daughter and son-in-law, Mr. and Mrs. Duane Johnson and their new daughter, Janet Lynn.

Mr. and Mrs. William Johnson of Ann street had a most pleasant surprise, Friday, when their son, Corporal Ronald Johnson, called for Munich, Germany, where he is with the 11th Airborne Division, and informed them that he is to have a thirty-day leave and hopes to be home for Christmas.

The Misses Elsie, Eva and Pansy David and brother, Russell David of Detroit were entertained at dinner Thanksgiving Day in the home of their cousin, Mr. and Mrs. Ralph Roy on Ann street.

Mrs. Charles Terroux and daughter, Patricia, Dick O'Riley and Alfred Terroux of Royal Oak, Mr. and Mrs. Frank Sanders, Mrs. Harry Davis and son, Mike, Terry West of Plymouth and Linda Lent, who was home from Western Michigan College in Kalamazoo, were dinner guests Thanksgiving Day in the home of Mr. and Mrs. Wendell Lent on Edison avenue.

### Episcopal Church Bazaar Set for Tomorrow, Saturday

A "Winter Wonderland" of Christmas gifts, decorations and novelty items will be unfolded before residents tomorrow, November 30, with the opening of the two-day annual bazaar conducted by the Women's auxiliary of St. John's Episcopal church.

A portion of the attractive items to be offered at the event have been on display this week at the National Bank of Detroit, Main street.

Taking the theme "Winter Wonderland," the basement of St. John's has been transformed into a Yule shoppers' paradise for the bazaar which goes into operation at 2 p.m. Friday to continue through 10 p.m. Booths will again open Saturday morning at 10 closing at 5 p.m.

Highlights of items offered include silver and copper jewelry, English bone china, cheese, homemade candies, jellies, jams and pickles from the country store.

### Marilyn Smith Feted at Series Of Showers

Four lovely pre-nuptial parties have been given for Marilyn Smith, daughter of Mr. and Mrs. Clyde E. Smith of Newburg, who will become the bride of Ralph Gray on Saturday, December 1, at the Newburg Methodist church.

Mrs. Melvin Gutherie and daughter, Mrs. Lewis Litzburg, were hostesses to 21 guests at a luncheon and miscellaneous shower held recently at the Plum Hollow Country club with Marilyn as guest of honor.

Following this event the bride-elect was feted by approximately 20 of her former schoolmates at a miscellaneous shower given by Janice Miller, Wanda McCann and Alice Giesner, who attended school with Marilyn, at Miss Miller's home in Wayne.

Mrs. Robert Fugenschuh, a cousin of Marilyn's, and Mrs. William Duty, sister of the bridegroom-elect, were hostesses to a miscellaneous shower given recently at the home of Mrs. Henry Grimm of Wayne road. Twenty-two persons attended, presenting the bride-to-be with many lovely gifts.

Most recent of the pre-nuptial parties was a miscellaneous shower given Friday, November 23, by Mrs. Verner Nyman, Mrs. Earl Waack, Mrs. Jesse Bennett, Mrs. William Schmidt and Mrs. Dorothy Pringle for the bride-elect. Twenty attended the event held at Mrs. Nyman's home in Livonia.

**Shetland TWIN-BRUSH ELECTRIC POLISHER SCRUBBER RUG CLEANER**

THE Complete FLOOR AND RUG CONDITIONER

SCRUB, WAX AND POLISH Every Floor in your home. And — clean every rug on your floors, bring back their original colors and make them new-like and beautiful. And — you can do it all without drudgery as the Shetland does the hard work for you — you just guide it over the floor. You'll get the same deep down professional finish on your floors that is used on the heavy-traffic floors of hospitals and office buildings all over the country — a finish that lasts and lasts, instead of just a mere surface gloss. You'll do your floors less often and you'll avoid disappointments from the so-called "self-polishing" waxes. You'll save money too!

ONE ROUND OF RUG-CLEANING IN THE AVERAGE HOME PAYS THE ENTIRE COST OF THE SHETLAND

**COME IN TODAY OR PHONE FOR DEMONSTRATION**

**LOOK! WHAT YOU GET!**

- 2 Scrubbing Brushes
- 2 Polishing Brushes
- 2 Felt Buffers

THE EXCLUSIVE SHETLAND RUG CLEANER which automatically adjusts itself to any rug.

SEE HOW SIMPLE IT WORKS: Just spread rug cleaning preparation on your rug as directed... snap rug cleaning attachment into rug... it's so easy, it's fun... now once over with your vacuum... and the bright original colors of your rug are restored.

**John C. Schaufele**  
John C. Schaufele, 62, widely-known butcher who had worked in numerous local meat markets during his lifetime, died suddenly at his home at 11 a.m. Monday. His home, where he continued his work as a butcher, was at 48222 Jew Road.

Born in Canton township on March 10, 1894, Mr. Schaufele spent his entire life in the area. His only wife was August and Mrs. Margaret Truesell Schaufele. On October 1, 1923 he was united in marriage with the former Marie Brown who survives with the following:

Four sons, Jack and Kenneth of Plymouth, Robert of Garden City and Donald of Redford; a daughter, Carol Schaufele of Plymouth; two sisters, Mrs. Mary

Sackett of Plymouth and Mrs. Margaret Edson of Dearborn; a brother, Frank Schaufele of Owosso; and seven grandchildren.

Funeral services will be held at 1 p.m. today from the Schrader Funeral home. Officiating is the Reverend Melbourne I. Johnson, D.D., pastor of First Methodist church. Interment will be in Riverside cemetery.

**Mrs. Ruth Lois Bischoff**

Funeral services will be held in Plymouth for Mrs. Ruth Lois Bischoff, 32655 Annapolis, Wayne, who passed away at 5:50 p.m. Sunday at Ridgewood Osteopathic hospital. She was 40 years of age.

Ill for over a year, Mrs. Bischoff moved to Wayne from Detroit in 1950. She was formerly a resident of Plymouth.

Born in Detroit on January 17, 1916, she was the daughter of George D. and Fern Lydia Crumb Michelin. She is survived by her husband, Albert Harold Bischoff; her parents, Mr. and Mrs. George D. Michelin of Plymouth; two children, James and Kay Ann Freshman; and a sister, Mrs. Beatrice Lee of Plymouth.

The Reverend David T. Davies, rector of St. John's Episcopal church, officiated at funeral services Tuesday from the Schrader Funeral home. Interment was in Grand Lawn cemetery. Pallbearers were Clarence Bischoff, Clarence Bradford, Clarence Esterling, Charles Lee, James Bell and Robert Eatherington.

**Carl Sage**

A resident of Detroit who was born in Plymouth in 1900, Carl Sage, died at 2:30 a.m. Tuesday in Detroit.

Living most of his life in Detroit, Mr. Sage will be buried in Riverside cemetery following services at the Schrader Funeral home Friday at 1 p.m.

He was born here April 1, 1900 to Henry and Alvina Heide Sage. Only a brother, Harold Sage of Houghton, survives.

**Mrs. Louise M. Noggle**

Funeral services will be held at 3 p.m. today for Mrs. Louise M. Noggle, of 201 Bliven, Walled Lake, who passed away Monday in University hospital after a long illness. She was 47.

Formerly a resident of the Plymouth area, the deceased had lived in Walled Lake for five years. She was born in Farmington on May 4, 1909 to Helmut and Leona Burden Ringle. On October 19, 1945 she was married to Harold L. Noggle who survives with the following:

Two sons, George Montague, Jr., of Kalamazoo and Darryl Montague of Walled Lake; a sister, Mrs. Jennie Montague of Walled Lake; two brothers, William Ringle of Helena, Montana and Albert Ringle of Milford; and four grandchildren.

Services are being held at the Schrader Funeral home. Interment is in Thayer cemetery, Northville.

Mr. and Mrs. Thomas J. Foley and little son, Tommy, of Priscilla Lane, were dinner guests Thanksgiving Day, in the home of the former's sister and husband, Mr. and Mrs. William Hunt in Flint.

 them and that local firemen did not stage their drives.  
 (\$1,500 was set because that is the amount raised by township and city firemen last year in the house-to-house solicitation.)  
 Seven months ago, Barney said, the fund board offered the Muscular Dystrophy Association a \$1,500 share of the Community Fund. "They turned it down," Barney added, "because they believe that they can raise more money with a drive of their own." The dystrophy drive is held on Thanksgiving Eve, which is at the tail-end of the Com-

munity Fund drive here and the torch drives in most other communities.  
 In last week's Mail, Fire Chief Robert McAllister of the city announced that his men were not participating in the dystrophy drive. The township firemen, however, had already made their plans and they were scheduled to start at 5 p.m. Wednesday.  
 At 4 p.m., Barney said that he called Captain Lawrence Maas, chairman of the township drive asking if the men would agree to call off the drive if the Community Fund board gave \$1,500.

At 6 p.m., Barney and the campaign co-chairman, Sheldon Baker, spoke to the firemen who were willing to go on the drive but agreed to accept the Community Fund offer.  
 Barney said the Plymouth Community Fund now has a "wedge" in breaking the national Muscular Dystrophy Association's policy of separate campaigns. "We hope they will come to us each year for their money. People want a 'once for all' campaign."  
 The other two organizations still holding separate campaigns are the Polio Foundation and the TB association.

# Who's New in Plymouth

PLYMOUTH HIGH school's driver education instructor, Robert Anderson, relaxes at home with his wife and youngsters (l. to r.) Robbie, 5; Jeff, 2; and Terry, 8. "Cookie," toy manchester, is at left. The family moved into 1113 South Harvey the end of May. Originally from Waltz, they last resided in Ypsilanti where Anderson received his degree from Eastern Michigan college in 1955. Additional studies were taken at Michigan State university. His second year of teaching here, Anderson has also taught the geography and English classes in addition to driver education. Leisure interests are sports, such as hunting, while Mrs. Anderson enjoys homemaking pursuits.

## Use of Milk Containers In 'Crisis' Seen in Film

The second showing in Michigan of a new film called "Crisis" was seen by Plymouth Rotarians last Friday noon. Cyril Lindroth, public relations director of the Ex-Cell-O Corporation and a resident of Plymouth, brought the movie.

"Crisis" is the story of how the nation's milk dealers plan to aid disaster communities where there is no safe drinking water. By using milk containers, dairies can bring safe drinking water for distribution to areas where pollution has taken place. The project is undertaken with the co-operation of the Federal Civil Defense Administration.

The plan first was used at Stroudsburg, Pennsylvania where Hurricane Diane made the city waterless—except for the floods which inundated the city.

Newsman Bob Considine is narrator for the film which is to be shown on television through the sponsorship of Civil Defense.

Mr. and Mrs. Charles Gow of Penniman avenue were hosts at a family dinner on Thanksgiving Day entertaining her parents, Mr. and Mrs. Bert Krumm, of this city, Miss Dumka, of Redford, Marian Dickie of this city and William Challis of Ypsilanti.

## Rotary Anns Sale For Handicapped Now Underway

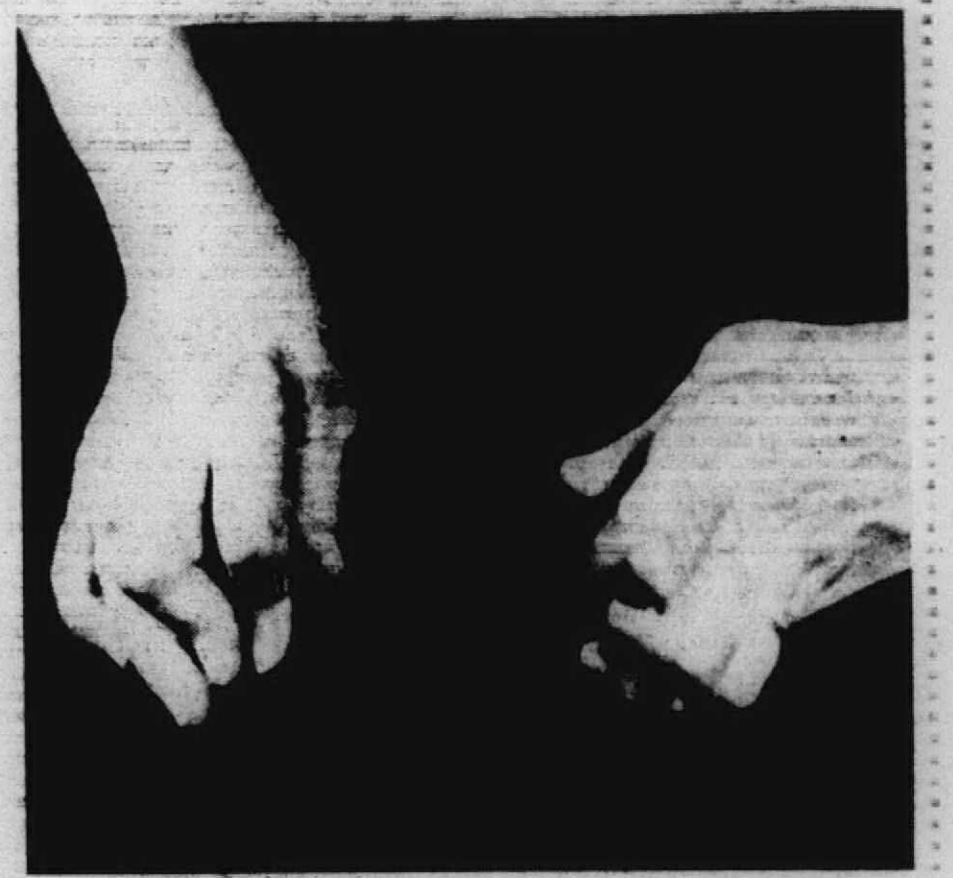

Currently underway is Plymouth Rotary Anns annual sale of articles made by the homebound handicapped, the event taking place through Saturday, December 1, at the Kroger store on Forest avenue.

Chairman of this year's project is Mrs. Earl West who is being assisted by a corps of Rotary Anns members in conducting the event held during store hours.

Rotary Anns volunteer their time each year to do the sales work for the severely disabled served by the Homebound Occupational Therapy department of the Easter Seal agency. Articles to be sold have been made by such physically handicapped persons as victims of polio, cerebral palsy, multiple sclerosis, strokes, arthritis and blindness. Proceeds from the sale of individual items are returned to the handicapped persons who have made the articles.

Offered at the sale will be a variety of homemade gifts such as hand-tooled leather goods, hand-decorated stationery of original design, infants wear, aprons, rugs and many kinds of novelties.

Purchase of Christmas gifts at the Rotary Anns booth will be helping a severely disabled person help himself, the chairman reminded residents.

HOME-BOUND HANDICAPPED persons, such as this victim of arthritis whose crippled hands are shown above, will receive proceeds of the annual Christmas sale sponsored by Rotary Anns for individuals served by the Michigan Society for Crippled Children and Adults. The sale will be held through December 1 at the Kroger store on Forest avenue. Ceramics, leatherwork, aprons and toys will be among the many attractive items featured at the event.

## Grange Gleanings

Let us hope we have good weather next week Thursday evening for our usual pot-luck supper. As we ought to have a big crowd. Our membership is increasing so fast our dining-room has become entirely too small without uncomfortable crowding. But come anyway, there will always be room enough. Only two more meetings in this year, you know.

After having taken care of the Grange hall for nearly seven years, Ernie Vealey very regretfully has had to give up on account of his health. He enjoyed the work and misses it very much.

Mr. and Mrs. Kenneth Lunn spent Thanksgiving with his father in Payne, Ohio. There was a family reunion dinner with 16 members present at the table.

Sam Spicer and Jesse Tritten came home last week, each of them were lucky. They "brought home the bacon," or the venison from their hunting trip.

and expects to come home this week which is good news.

A mistake was made in the date of the next Pomona meeting in our last Grange Gleanings. The date is January 8, 1957, at Pittsfield Grange.

Our next meeting promises to be very interesting. A group of singers will be present and also Mr. Stevens has promised to sing a solo. When you consider that he has just recently celebrated his 91 birthday, that is a really not worthy achievement. There is to be a little skit by some of our own members so be sure to come and enjoy the program.

Louise Tritten who is state chairman of the Health committee is leaving next Monday for a tour of the state with several other state officers, visiting Granges in the U.P. and throughout the state. The tour will take about 10 days.

## I. O. O. F. News

Don't forget the bazaar to be held from 1:30 to 8 p.m. tomorrow, November 30, at the I.O.O.F. hall. Roast beef supper will be served from 5 to 7 p.m. Call Mrs. Perry Krumm, 1259-W, or Mrs. Lydia Drews, 1559, for further information.

At our next regular meeting, December 14, Sister Annabelle Larson, vice grand of Rebekah Assembly of Michigan will be our guest. Rebekah members are urged to turn out and enjoy the meeting followed by lunch.

The Rebekahs extend their sympathy to Sister Louise Granger in the recent loss of her sister.

Unless principle restrains selfishness, there is no hope for a person, a nation, or a world.

## Northville News

### Four Northvillites to Host Annual Church Bazaar, Tea

Four Northville homes will be transformed into a "Cookie House," "Tea House" and "Sparkle House" for the annual bazaar and tea to be sponsored today November 29, by Our Lady of Victory Mother's club. During the hours of 1-5 p.m. the following ladies will be host to various booth displays in their homes:

Mrs. Patrick Brady, 41380 East Eight Mile road; Mrs. Andrew Bertoni, 40640 East Eight Mile road; Mrs. George Kohs, 473 West Cady; and Mrs. Joseph Crupi, 41600 Nine Mile road.

Here's a reminder on the senior class play, "The Barretts of Wimpole street," to be presented Wednesday, December 5, and Thursday, December 6, at the Northville Community building at 8 p.m.

Does anyone have a "sweet-tooth?" If so, be sure and contact a Northville senior. They are selling five varieties of Christmas candy, butter crunch, mint, caramel, cream-filled chocolates, and peanut brittle for a dollar per pound box. Money earned will go toward expenses for their senior trip next May.

Mr. and Mrs. W. H. Hensch have moved from their former home located at 528 West Dunlap into their newly-purchased home at 855 Scott.

Thanksgiving Day guests of Mr. and Mrs. Earl Heard of Franklin road were Richard Raymond, fiancee of Faye Heard, and Mr. and Mrs. Charles Heard and sons, Marvie and Bobby.

John Reese of Marilyn road and Gerald Beller of Bradner road went deer hunting last week in Daggett.

"Bud" Wagner of La Salle road got his buck on Thanksgiving Day in Milford. The 5-point animal weighed around 200 lbs.

Mr. and Mrs. Walter Wagner, Jr. and son, Cobert, of LaSalle road and Mr. and Mrs. Clarence

Schwab and children of N. Rogers street were guests Thanksgiving Day of Mr. and Mrs. Walter Wagner, Sr. of N. Rogers street.

Helping Mrs. Hila DeNise of Clawson celebrate her birthday on Thanksgiving evening were Mr. and Mrs. Walter Wagner, Jr. along with some 40 guests. Mrs. Wagner is Mrs. DeNise's daughter.

Suzanne Dewsbury held a "Coke-tail" party at the home of her parents, Mr. and Mrs. Jack Dewsbury of Grace street last Friday evening before the J-Hop for 40 boys and girls. Suzanne attended the dance with N. C. Schrader.

Gerald Beller and "Bud" Wagner went hunting in Milford, Friday, November 23.

## Rosedale Club Plans Annual Greens Market

Monday and Tuesday, December 10-11, Rosedale Gardens branch of the Women's National Farm and Garden association will hold their annual "Greens Market" at the clubhouse, 9511 Hubbard avenue, Livonia.

The workshop will be held Monday from 9:30 a.m. to 4 p.m., and on Tuesday, from 9:30 a.m. to 12 noon.

Tuesday from 1 to 4 p.m. the Greens Market Tea will be held with "Prelude to Christmas" as the theme setting. There will be an interesting table of Christmas ideas. On sale will be Yuletide bows, loose greens and roping for the holidays. Proceeds from this sale will be deposited in the club's scholarship fund.

Co-chairmen of the event are Mrs. John Riggs and Mrs. Earl O'Hara. Tea hostess is Mrs. Earl Bishop. The public is cordially invited to attend.

## Announce Betrothal Of Donna Renwick

Announcement has been made of the engagement of Donna Renwick, daughter of Mrs. Elma Renwick, 1121 Simpson street, and the late Dale Renwick, to C. Louis Deibel, son of Mr. and Mrs. Charles Deibel of Trenton.

## Salvation Army Yule Kettle Idea Was Born in San Francisco, 1894

As much a part of the American Christmas scene as stockings hanging by the fireplace and Christmas tree lights are the cheerful lassies of The Salvation Army, manning their gay red kettles on icy street corners. As the bells ring and the coins jingle, singing of brighter holidays for many in need, one might wonder why, each year, the kettles and tripods are brought out of storage, given a new coat of paint and set up with such care.  
The tradition is one which dates back to 1894 and its origin is a story in itself.  
The idea was born in northern California during a time of extreme depression, Major Harliff Nicholls of the Plymouth Corps relates. With shipping at a standstill, many seamen and longshoremen were out of work and in dire need. An enterprising Salvation Army officer in San Francisco had been granted permission to set up a soup kitchen for them, providing he would assume sole responsibility for financing it.  
Obtaining funds for the operation was a problem of major proportions for the officer until one day, in a ship chandler's shop, he spied a soup kettle suspended from a crane. Why not, he thought, set up the actual kettle itself in a public place and let the hungry sailors by dropping money into the pot.

## Local Students Attend Engineering Conference

Ten Plymouth high school students were among the 1,000 in the Detroit area attending the Engineering Society of Detroit's 22nd annual Vocational Guidance Conference yesterday.  
The specially planned conference is one of the largest and most successful of its kind in the country and is designed to open up the wide vistas of engineering and science that are available to students and assist them in selecting a career in the engineering profession.  
Attending from here were David Deoster, Raymond Green, Jerry Hearl, Robert Isbister, Jerry King, Arthur Losse, Mike Stickney, Karl Wehman, Charles Westover and John Williams.  
Each student was given an opportunity of a personal interview in any branch of engineering he so desires.

## Democrats Stage Thank You Party

Two Plymouth residents, Orville Tungate and Dorothy Frank, head committees now making plans for a thank you party for all neighborhood Democrats. It is being sponsored by the Seventeenth District Democratic Organization for 8:30 p.m., Friday, December 7 at Carpenter's Hall, 22521 Grand River.  
Planned in the form of a Christmas Carnival, the affair will feature dancing and refreshments, community singing and strolling musicians. As an added attraction there will be special bazaar booths with unusual items for sale so that guests may do some last-minute Christmas shopping. Booths will feature such homemade items as Christmas cookies, candies, jellies, aprons, corsages and Christmas decorations.  
Final plans for the Carnival were completed at a committee meeting Tuesday evening, November 27 held at the home of General Chairman Mrs. Melvin Bleich, Westmoreland Rd., Detroit. Other district members attending included Ione Reichel, Stewart Hertzberg, State Representative Raymond Dzendzel, Lorree Cox, Ruth Brown, Helen Eiges, Martha Varga, John Tutro, Orville Tungate, Dorothy Frank and Bill Auten.  
There will be no admission charge for the Christmas Carnival.  
We happen to be a little suspicious of these "do-it-yourself" books.

## GIRL SCOUT NEWS

### Good Citizens, These Railroads

OF ALL forms of transportation only the railroads and the pipelines fully pay their way.

The railroads build and maintain their own roads and terminal facilities.

They have spent millions in the construction of bridges to meet the requirements of waterway navigation, used—without charge—by competing barge lines.

Unless millions of their taxes have gone into the construction and maintenance of highways used by their competitors, the trucks and buses.

They have repaid the Federal Government many times over in reduced passenger, freight and mail rates for the land grants of the 1860s-1890s.

They have repaid practically all loans from the Government and full interest on such loans and those from private investors.

And hundreds of millions of their taxes help support federal, state and local governments, help maintain military establishments and schools, and all other governmental activities.

**Michigan Railroads Association**

Mr. and Mrs. Earl Olson and daughter of Ann Arbor, Mr. and Mrs. Anna Olson and Carl of Sheldon road and George Huffmaster of Livonia were dinner guests for Thanksgiving at the home of Mr. and Mrs. Grayden Olson of Elmhurst.

Mrs. Ernest Evans of Oakview spent Sunday, November 18, with her sister, Mrs. Charles Stacy of Salem.

Mr. and Mrs. David Francis and son, Severn, of Brookline were guests at the home of their daughter, Mrs. Robert Kujat, and family of Roseville where they enjoyed a wonderful Thanksgiving dinner.

Mr. and Mrs. William Strautz and children of Marlowe enjoyed a venison dinner Wednesday evening at the home of his sister, and family, Mr. and Mrs. James Kearns of Marlowe.

## NEW BOOKS LENDING LIBRARY At The Wayne County

Guy Endore's best-selling novel, "King of Paris," plus a wide range of assorted fiction and non-fiction reading material were added this week to the Plymouth branch, Wayne County library collection. To be found on the new book shelf are the following: "The Man Who Didn't Fly," Harper suspense novel by Margot Bennett, two copies of Adelaide Hummer's "New England Nurse," "Information Processing Equipment" by M. P. Doss, Harry Hepner's "Modern Marketing-Dynamics and Management," "Complete Book of Wood Finishing" by Robert Scharff, Paul Mailery's "Electrical Handbook for Model Railroaders," "Roll Shenandoah" by Bruce Lancaster, Fred Gipson's "Old Yeller," "Better Homes and Gardens Decorating Book," and "The Life and Times of Nero" by Carlo M. Franzoni.

Other new additions were "The Fingerprint," a Miss Silver mystery by Patricia Wentworth, Ned Armstrong's "Man and Boy," "A Republican Looks at His Party" by Arthur Larson, Undersecretary of Labor, Anne S. Mehdevi's "From Pillar to Post," adventures of a globe-trotting family; Margaret Trouncer's novel, "The Nun, St. Margaret Mary and the Sacred Heart,"

"A History of Architecture on the Comparative Method" by Sir Banister Fletcher, Knt.; U.S. Department of Agriculture's "Year Book of Agriculture, 1956: Animal Diseases," two copies of "Captain Rebel" by Frank Yerby, Carli Laklan's "The Candle Book," New revised edition of "New York City" by editors of "Look" magazine; Doris M. Disney's crime tale, "Unappointed Rounds," "Risks We Face," brief non-technical survey of property insurance by Ackerman and Bugli; and Archibald Hart's "Twelve Ways to Build a Vocabulary."

Also arriving in the new shipment were "Costumes and Styles" by Henney H. Hansen, evolution of fashion from earliest Egypt to present times with colored illustrations; J. H. DeGros' "Holiday Candy and Cookie Cookbook," "So Far from Spring," novel of the American West by Peggy S. Curry, D. E. Stevenson's "Summerhills," "Mamba" by Stuart Cloete, Wallis and Blair's air novel, "Thunder Above."

Insects have no lungs. They breathe through tubes running all through their bodies.

You can't beat this bromide: "An honest man is the noblest work of God."

## Parents Aid Boys In Wreath-making

Parents of boys in Scout Troop P-4, sponsored by the Presbyterian Church, gave a hand to the youngsters recently by helping them make Christmas wreaths. The wreaths will be used to fill orders the Scouts have been taking from local residents during the past two weeks.

The Scouts selling most wreaths so far in the troop are Dick Alsbro who sold 36, and Joe Steencken who sold 25.

At an investment ceremony held prior to setting up the wreath production line, Joe Steencken, Paul Nicholls and Jim Stout were invested into the troop as Tenderfoot Scouts.

Two tickets to the Detroit Lions-Green Bay Packers football game on Thanksgiving Day were won by Paul Nicholls in connection with the troop's recruiting drive. Six new Scouts have been added to the troop as a result of the recruitment contest.

Bruce Hudson was elected Troop Scribe. Refreshments were served to the parents and scouts at the close of the meeting. Troop P-4 meets every Monday evening at the Presbyterian Church at 7 P.M. An invitation is extended to boys aged 11 to 14 to attend any of the meetings.

If the process continues, there will soon be more organizations in the United States than there are people to join them.

## Residents Celebrate Holiday With Kinfolk

Mr. and Mrs. William Klenk, 32900 Vermont, and their children Larry, Jeff, Barbara, and Paula left Wednesday, November 21, for Wheaton, Illinois to visit Mrs. Klenk's parents for the Thanksgiving holiday.

Kay and Bob Durivage, 11036 Blackburn, went to Youngstown, Ohio for Thanksgiving to visit Kay's parents, Mr. and Mrs. Gus Lehnerd. Susie, Mitchie and Ginny were already at Grandma's, and the Durivages took along Molly, Peggy and Bobby to join them.

Kristine Dana celebrated her fifth birthday Sunday, November 25, with a party, the children present enjoying games with prizes, birthday cake, ice cream and noise. Grandma and Grandpa Starr of Detroit were present, also friends Susan Hunter, Bobby Hunter, Sandy Kobiatka, Vicki Nattieu, Diane Forest, and brother John and sister Laurie.

Mike Kobiatka, 33028 Vermont, reached the ripe old age of four on November 17 and some of his pals helped him celebrate with ice cream and birthday cake.

Christine Roberts, six years old, of Louisiana street recently parted company with a pair of troublesome tonsils.

Margaret and Dick Briggs enjoyed a rare evening out Saturday, November 17, and went in to Detroit to see "Giant" and have dinner. Margaret's sister and brother-in-law did the honors as baby sitters.

Dorothea and Fred Smith and daughter Darby Ann of 9245 Virginia went to West Virginia for the holidays and annual family get-together.

Betty and Roger Johnston, 32931 Vermont, and Jack and Phyllis Cutting attended the Lions-Green Bay football game Thanksgiving day.

Norma and Dean Walton of Detroit were guests of Betty and Gordon Dana, Vermont street, November 24 at the Civic dance, Marilyn and George Yanka, Meyers road, Detroit were guests of the Pomroys.

Mrs. Jeane Stanley, Ingram street, was featured at the Welcome Wagon Newcomers club Tuesday, November 27, when she demonstrated her decorations, small gifts and floral arrangements for Christmas. Rosemary Hilgers, president, discussed the club's charity work, the children's T.B. unit at Maybury sanatorium, and stressed the need for sleepers and washable toys for these unfortunate tots.

Plans were discussed for the Christmas dance December 8 which will be held at the civic clubhouse on Hubbard. This dance is going to have a midnight buffet, and information can be obtained by calling Betty Cox, chairman, at GA. 2-8089. The club meets the third Tuesday of each month in the conference room, First Federal Bank building, Sheldon Center, at 8 p.m. All newcomers in this area are invited.

The Louisiana Pineoche club met Tuesday, November 20, at the home of Lois Durfee. Present were Gladys Wendt, Anita Griffith, Janet Blanchard, Jerri Casler, Shirley Good and Beth Thiede.

Mr. and Mrs. Durfee, Louisiana street, had as their guests for Thanksgiving Mrs. Durfee's parents, Mr. and Mrs. Clarence Fisher of Detroit, and a brother and sister-in-law, Mr. and Mrs. Edward Fisher and children Michael and Leslie.

The Danas, Betty, Gordon, Laurie, Kristie and John all went to Dearborn for Thanksgiving dinner in a restaurant, guests of Betty's parents, Mr. and Mrs. Leonard Starr of Detroit. These modern grandmas are getting just too, too smart—no cooking, no dishes, and no left-overs to worry about!

Mrs. Dolores Wineberger, Louisiana street, left her appendix at Harper hospital recently.

St. Andrew Episcopal church held confirmation services Sunday, November 25, at 7:30 p.m. Mrs. Betty Johnston, Vermont street, was in the group being confirmed.

Mr. and Mrs. Bruce Stewart, Louisiana street, had her parents, Mr. and Mrs. R. L. Shaffer of Grosse Isle, over for Thanksgiving dinner.

Margaret and Dick Briggs, 32600

Vermon, and their four children had Thanksgiving dinner with Margaret's parents, Mr. and Mrs. George Rudy of Allen Park.

At 7:30 p.m. November 20 the Men's Brotherhood held their monthly meeting at Rosedale Gardens Presbyterian church. Jack Allen gave a talk and demonstration on Hi-Fi-rama. The movie, "Time and Eternity," was also shown. Coffee and dessert was served.

Celia and Travis Hearon, 32810 Vermont, and children Hugh, Pamela and Dennis spent last weekend in Toledo, Ohio, the guests of Mr. and Mrs. William Phelps, former residents of Mayfield in Rosedale Gardens.

The Junior High Teen group of Rosedale Gardens Presbyterian church met Sunday, November 18, at 5 p.m. at the church and elected officers. President is Geri Cowder; vice president, Wanda Harter; secretary, Don Fisher; and treasurer, Bill Howard. Mrs. Washburn, choir director, taught songs. This club is open to all 7th, 8th, and 9th graders, and meets every Sunday from 5 to 6:30 p.m.

David Gamber, 9, of Auburn-dale street had a birthday party November 16 which featured cake and ice cream and a trip to the movies, with Mr. Gamber officiating. Children present for the event were Rocky Ritter, Freddy McNulty, Billy Herbst, Tommy and Michael Gamber, Susy Lane, Patty Lorion, Patty Biddinger and Charlene Gamber.

Helen Fortney, 32711 Vermont, and children Barbara and Steven, along with husband, Matt, visited Matt's parents, Mr. and Mrs. Glenn Fortney in Fort Wayne, Indiana for Thanksgiving. Fortney's mother, Mrs. Doris Fisher of Plymouth, also went along.

Ellie Button, Melrose street, gave a benefit card party at her home Tuesday evening, November 20, to help raise funds for equipment for the Boy Scouts.

Mary Jane Hudnut, Oregon street, held open house from 3 to 7 p.m. Sunday, November 25, to show her mother's ceramic work.

Kay and Kenneth Glide, 32631 Vermont, had their Thanksgiving dinner at the home of Mr. and Mrs. Connard, Brenda court, Livonia.

Rosemary and Ed Hilgers, 9914 Westmore, had as their guests over the Thanksgiving holidays, Rosemary's sister and brother in law, Mr. and Mrs. J. W. Klima of Western Springs, Illinois and children Rosemary and Richard.

A baby shower was given for Mrs. Beora Charland of Fairfield avenue Thursday, November 15, at the home of Mrs. Donna Flickman by Mrs. Flickman and Mrs. Mary Bohm, both of Fairfield avenue. Those attending were Mrs. Marilyn Hall, Mrs. Dolores Harvath, Mrs. Marilyn Wire, Mrs. Jean McCallie, Mrs. Fay Sawicki, Mrs. Lorna Porter, Mrs. Robert Ross, Mrs. Marilyn Graham of Royal Oak, formerly of Livonia, and Mrs. Bette Anderson of Pontiac. Mrs. Pauline Charland of Walled Lake and Mrs. Shirley Barton of Inkster. A good time was had by all and Mrs. Charland received some very nice gifts for the little one.

Helen Fortney, Vermont street, entertained her club Monday, November 19. Present were Marie Bonamico, Doris Diederick, Marion Fisher, Mary Ellen Milovell, Marion Owens, Pat Schroeder, Marion Smith, and Diane Stephens, all of Plymouth, and Bea Otis of Ypsilanti. This group went to school together and have been getting together every two weeks for about 10 years.

The 2nd grade Brownie troop at Grant school met in the kindergarten room Monday, November 19, and made Thanksgiving turkeys out of potatoes, colored tooth picks, marshmallows and other unorthodox turkey ingredients. Mrs. Dorothea Smith is troop leader.

If the Yadlosky's eyes seemed to pop a bit the day after Thanksgiving, it was due to the fact that they ate two Thanksgiving dinners, the first at John's folks, Mr. and Mrs. John Yadlosky, Sr. and the second at Marion's folks, Mr. and Mrs. William Smith.

Jackie Sechlin, Westmore street, entertained her club Friday, November 23. Members present were Mrs. Harry Blessing, Mrs. George Kolb, Mrs. Don Hay, Mrs. Don Fulkerson, and Miss Saxie Holstein, all of Plymouth; Mrs.

### Cherry Hill

## Visits, Reunion Mark Holiday In Cherry Hill

Glen and Jean Snyder, 32601 Vermont, had as their guests for Thanksgiving dinner Jean's folks, Mr. and Mrs. R. H. Holden, grandfather E. H. Kurlle, and her brothers, John and Ken Holden, and friends, Marilyn and John Teft.

The Pomroys really went "over the river and through the woods" to grandmother's house for Thanksgiving dinner, although the ride was only a 10-minute drive to Nankin township to the home of Mr. and Mrs. Earl Ogden.

Mr. and Mrs. John Yadlosky, 32811 Vermont, had quite a crowd at their home the weekend of November 17, what with their own three children and visitors, Mr. and Mrs. Ray Hollowell and their four children of Canada, and Marion's brothers and their wives, Mr. and Mrs. William Smith and Mrs. Charles Smith. Sunday, November 19 John Yadlosky and Ray Hollowell made a little more room in the house by attending the Lions football game.

The 4th grade Brownie troop at Grant school had their meeting Monday, November 19, and made Thanksgiving table decorations. The girls are going to be busy at their next meeting practicing for their investiture.

Jackie and Dave Sechlin, 9913 Westmore, took Cindy to the Thanksgiving parade downtown Thanksgiving morning, then went to the family's traditional Thanksgiving dinner and get-together at the home of Mrs. Florence Abramsohn, Dana's aunt.

Mr. and Mrs. Fred Randall, 11304 Berwick, are the proud parents of a son born at Mt. Carmel hospital November 16. The baby weighed in at six pounds, nine ounces.

Pat and Ken Luch and their three young sons, Kenny, Tommy and Danny of Vermont street, spent Thanksgiving at the home of Mr. and Mrs. Joseph Badalski, Pat's parents in Detroit, and then later in the day went to Ken's folks, Mr. and Mrs. Paul Luch, also in Detroit.

Mrs. Betty Madigan, Vermont street, returned home Wednesday, November 21, from Ken's West, Florida, where she has been visiting her mother who is ill.

We have some new people in Rosedale Gardens—Dick and Jane Hammert of Berwick street. Welcome, folks, hope you join right in and have as much fun as the rest of us in Rosedale!

We went to the Civic association monthly dance Saturday, November 24, and aside from freezing to death from the draft from that ever-open front door, had a fine time. Can't somebody do something about that door, like putting an old-fashioned spring on it?

Anyway, the committee did a fine job of decorating, the theme being "Shine on Harvest Moon", with cornucopias adorning the walls, and a "couple" sitting on a bench spooning under the harvest moon, complete with a jug to keep them warm. The Salomons, Robinsons and Hopps were on the committee. The music was very danceable, and every one seemed to be having a good time.

Before the dance Saturday night, November 24, there was a pot luck supper at Marie and Oscar Heitner's of Berwick street. Those present were the Gammers, Cores, Lorions, Hammerts and Cloggs.

Well, that's it for another week. Sure hope most of you folks in old Rosedale give me a buzz as to what you're doing, because I'd sure like to include it in this column.

**Scouts Announce Plans For Scrap Metal Drive**

A scrap metal drive will be conducted by Boy Scouts of Rotary-sponsored Troop P-3 on Saturday, December 8, it was announced this week by Scoutmaster Steve Veresh.

Proceeds collected from the campaign will be used to send local troop members to the 1957 Boy Scout Jamboree.

Committee chairman for the drive is Wilbur Ebersole.

**Wings**

"Is you-family going to be active in society?"

"I suppose so," answered Senator Sorghum. "You can't expect them to deny themselves the same pleasures that they enjoyed at home."

"Will you become a social butterfly yourself?"

"No, I'll keep working hard and try to fly high enough to get into the airplane class."

**Precautionary Measures**

Mrs. Towns—I see you've built two servants' wings on your house. But aren't they rather small?

Mrs. Hiram Offun — Yes, but Hiram thought it best to clip the servants' wings so they couldn't fly so readily.

The warm cheerfulness of Christmas giving is expressed in all the gift items at India House. The glow of light, reflected in the bright brass of the top of our candle sticks will add atmosphere to a holiday table or mantel decoration. Now is the time to stop in and make your selection from our large and unusual gift supply. You will like our Christmas cards too. We have gay ones, old fashioned ones, religious ones, kiddie ones and many quite foreign ones.

# Two From Plymouth High Make First All Star Team

## Calhoun And Ward Selected

End Edward Ward and Halfback Ken Calhoun of Plymouth High have won places on the Suburban Six League 1956 all-star football team. The selections were made by the coaches of member schools.

Halfback John Thomas of Plymouth was named to the second team.

The lion's share of the honors, however, was grasped by Livonia Bentley, which had three men on both the first and second teams. Tackle Howard Hollister, Guard Roger Wolfgram and Fullback Eric Goodwell were selected from Bentley for the first eleven; and Tackle Larry Massey, Center Wayne Dunn and Halfback Dick Clark of Bentley for the second team.

Trenton also placed three boys on the first team—End George Mans, Guard Ted Walldoug, and Halfback Lonnie Scharbonneau. Allen Park was represented by Center Gerald Morron and Halfback Gerald Thome, while Belleville placed Tackle Jim Habel. The only league school unrepresented on the first team was last place Redford Union.

All the boys on the first team are seniors. Eight seniors and three juniors made up the second squad.

Others who made the second team were Guard Bob Drennan and Quarterback Tom Tresh of Allen Park; End Cliff Perry and Halfback Bob Wisniewski of Belleville; Tackle Dave Kalaska of Trenton and Guard John Davidson of Redford Union.

Named for honorable mention were Petrucci, Bush, Day, Snarey and Holman of Bentley; Kirkpatrick, Vereb, Magyar, Elwood, Stramy and Mazur of Allen Park; Snodgrass, Daroci, Anguilm, Ostrowski and Butler of Belleville; King, Hearl, Tait, Trevedell and Cannady of Plymouth; Yanowski and Hinkle of Redford Union; and Wilson, Gerow, Henry and Mans of Trenton.

## Wayne County Wildlife May Height Big Problem For Plymouth Cagers

The job of a Wayne County Conservation Officer (game warden to some) differs from that of conservation officers in other parts of the state because Wayne County is largely metropolitan with almost the only hunting done in the Plymouth and Northville areas.

"Much of our job is public relations" says Robert Hume, 39, of Redford, one of Wayne County's two conservation officers. He recalls the indignant, elderly Detroit lady who called and demanded that he come right out and get his squirrels out of her attic. When he arrived she scolded him severely, itemized the damages done and ended up with, "Now get your squirrels out of our attic!"

"Public relations" Hume grins. He says he often finds that when wild animals cause trouble they are referred to as "your animals."

Because the wildlife population is not controlled by hunters in the metropolitan areas, they increase to an extent not found elsewhere and many of them are of old age. An over population of racoon, pheasant and skunk in a residential area can give rise to interesting situations.

A few years back a boy in Highland Park had a pet deodorized skunk named Petunia who wandered off and could not be found. The boy notified the police and asked them to call him if they ran across her. A few weeks later the police called the boy and told him Petunia was under a front porch several blocks away.

Petunia wouldn't come out when the boy and his father called her so, thinking she had grown shy during her absence, they crawled under the porch after her. After a moments frenzied scrambling the boy and his father crawled back out reeking an odor not of the rose. Definitely not Petunia.

Deer also occasionally wander down into Wayne County. Two deer were killed by cars on Canton Center Road and Michigan Avenue last year and only two weeks ago a dead buck was found in Huntington Woods. Both times the Conservation Department checked with the zoo and found no deer escaped.

Hume takes issue with people who think wild animals make good pets.

"Generally they do not" he says, "they usually turn on the owner or a stranger and some one gets bitten, besides, it's illegal. Most of our trouble in this line is with pet skunks and racoons."

When coming into contact with hunters, Hume is usually surprised at their ignorance of game laws and regulations. Their statements generally start, "Well I heard that . . ." or "A friend of mine says . . ." or "They tell me that . . ." Few bother to check the regulations themselves and consequently don't know their rights and privileges.

A conservation officer for nine years, Hume finds that many Wayne County residents don't realize the scope of conservation. It includes, he says, the departments of research and management, game and fish, forestry and minerals and the administration of 62 state parks and recreation areas including 5,000,000 acres of state owned land, plus forest fire prevention and law enforcement. Law enforcement, of course, is Hume's department.

Conservation officers carry side arms and have all the authority of a regular peace officer. As a matter of policy, however, they restrict their activities to conservation.

"It would be easy to become cynical in a job like this, I suppose, Hume says, "but I never have, partly because, in this area, it's as much public relations as law enforcement and partly because the people we come in contact with are average citizens rather than the sub-average type

Robert Hume

that a regular peace officer deals with.

Unlike a regular police officer, a conservation officer follows the whole case, which may include detection, arrest and court procedure.

Those who think of "game wardens" as crabby spoil-sports who only enjoy themselves while spoiling someone else's fun, should meet Hume.

A genial, intelligent family man with a good sense of humor and an air of the outdoors about him, he obviously enjoys his job.

"This job has a tendency to grow on you" he says, "it's pleasant work, much of it outside, and, while you don't get rich, there is a lot of personal satisfaction in it."

Handicapped by both a lack of height and tested veteran strength, Plymouth High opens its 1956-57 basketball season at Northville Friday evening.

Coach Charley Ketterer has been studying his personnel since practice opened a month ago, and still is undecided about a starting lineup. Only one player is certain to be on the floor when the first whistle blows Friday—Forward Ken Calhoun.

Three other letter-winners are available, Cliff Tait, Bob Jenkins and Jerry King. None are a cinch for their positions, however, competing for the jobs against Bill Hubert, Dave DeCoster, Jim Dzurus, Paul Cummings, Jim Knipschild, Dave Walasky and John Thomas.

No problem has proved more nagging to Coach Ketterer than the one of height. Only two men reach six feet—Paul Cummings, at 6 feet 2, and Ken Knipschild at 6 feet exactly. Most of the others are 5 feet 10 or less.

Plymouth finished the regular season last winter with a 6-7 record and held fourth place in the Suburban Six League standings. In tournament play it won one and lost one. The Rocks defeated Northville last year.

After the opener, Plymouth travels to Allen Park on Dec. 7 to open League competition and will be host to Belleville in the home opener here on Dec. 14.

Bentley of Livonia won the league championship last year and is a strong pre-season favorite again. Bentley lost several talented members by graduation but the junior varsity and the reserves were highly-ranked in 1955-56 and have moved to the varsity. Trenton and Redford Union also have cheerful pre-season prospects for 1956-57.

A new shuffling of assignments in the Plymouth athletic department now has Bill Brown as junior high coach; John Sandman in charge of freshmen; and Mike Hoban as junior varsity coach.

## Young Marksmen Win Thanksgiving Turkeys

Eight members of the Plymouth Police Rifle and Archery club shot themselves a Thanksgiving turkey last week. The turkeys, however, were dressed.

Held at the police pistol range, over 100 boys participated in the turkey shoot November 20. There were three turkeys given to archers and five to rifle marksmen.

Archery winners were Class A, Ronald Wahn; Class B, Roy Fortner; Class C, Larry Foreman.

Winners among the rifle shooters were Hale Zander, Don Cash, and Dave Cheney.

The turkeys weighed 14 pounds and were purchased through donations from several Plymouth merchants. They were bought at cost through the courtesy of Stop & Shop.

## Men In Service

Scheduled to leave this week from Fort Gordon, Georgia for two and a half years of overseas duty is Army Private Glenn S. Kirk, son of Mr. and Mrs. Duncan Kirk of 39640 Ann Arbor road, Plymouth.

Kirk joined the Army on July 1 of this year, receiving his basic infantry training at Fort Leonard Wood, Missouri from which he was graduated September 15. Following a 14-day leave he reported to Fort Gordon on September 28 for eight weeks of military police training, which will be completed next week.

## Harlem Globe Trotters Coming to Ypsilanti

The world famous Harlem Globe Trotters will be in Ypsilanti Friday, November 30, to meet the Washington Generals at Bowen Field House on the Eastern Michigan College Campus at 8 p.m. Six acts of athletic vaudeville are also on the evenings program.

Sponsored by the college physical education department for the benefit of the grant and aid fund for college students, a fine show is promised by the "Trotters" who are not only a top pro basketball team but as fine a group of comedians as any on the circuit.

Both general admission and reserve seats are available for the show and a sell-out is anticipated. The "Trotters" and the "Generals" move to Detroit's Olympia Stadium from Ypsilanti to play the following night, Saturday, December 1.

## Library Collection Features Assorted Foreign Magazines

It's a wide, wide world, but the people in it seem to be much the same. The Plymouth branch of the Wayne County library, is willing to prove this statement if you care to stop in and browse through its new collection of foreign magazines.

"Paris Match" may be concerned with the national bicycle race, but they are equally concerned with Marilyn Monroe. In the weekly, Mexican "Hoy" there are articles on the national golf scene just as there are in "Time" and "Newsweek" during the season. "Settimo Giorno," weekly from Milan, Italy, is another similar in content to our leading pictorial magazines.

The magazines that comprise the collection are presently at the branch library on circuit loan. They will be available to local patrons for one month before being sent on to another branch as new issues arrive.

Those who read French, German, Spanish, or Italian will not have to depend exclusively on pictorial content, but for those who do not two of the magazines come from English-speaking countries.

"Housewife" (a monthly from London, England) is comparable to our smartest women's magazines, containing short stories by top writers, articles on home management and commentaries on topics of current interest.

It is the country scene that is the concern of "Scottish Field" (published monthly in Glasgow) with articles on birds and flower arranging as well as sports and fashions.

A German magazine for women, "Constance" (bi-weekly publication from Hamburg), has articles, fashions and profuse illustrations to help surmount the language difficulty.

"Illustrated London News" and "Realites" from France are also available at the local branch library.

## American Legion News

The 17th District Christmas dinner is being held at the Redford Township Post home, Beech road, on Friday, December 7, serving from 6-8 p.m. Bring a gift for your own children as Santa will be there.

Our annual Christmas party will be held on Sunday, December 9, at the Veterans Community center, time and more information to follow. All members will be contacted.

Remember, girls, December 4 is our day at the V.A. hospital, Dearborn, to help in the Xmas Gift shop. Mildred Hewer, Rehabilitation representative, will contact you.

The Juniors regular business meeting will be held at 3:30 p.m. in the Sun-room of the Veterans Community center on Wednesday, December 5. The Juniors distributed Thanksgiving favors and cookies to the Orchard Haven Convalescent home and also the V.A. hospital in Ann Arbor. They really enjoy doing this kind of work. The Juniors installation was a grand success and it was good to see so many adults attending. Makes you pretty proud that we think so much of our Juniors.

Regular Post meeting Wednesday, December 5, 8 p.m. Also, fellows, remember the monthly trip to V.A. hospital, Ann Arbor. The boys really enjoy your visits. The first card party was a fair success and we hope that they will be better in the future. They will be held the last Saturday of each month, although because of Christmas there will be none in December. Winner of the evening's prize was Albert Holcombe. Several small prizes were also awarded. Refreshments were served by the Auxiliary.

The Auxiliary's next business meeting will be Thursday, December 13, at 8 p.m. in the Veterans Community center. This is Membership month and we are doing wonders. A letter of congratulations was read that we have reached our quota before the deadline! Come on, boys, how are ya doing? Remember we are challenging you. We extend a most hearty welcome and hope that they will attend our meetings to Mrs. Bernard Kot and Mrs. Emily Mosher and her daughter, Geraldine, as a junior.

Congratulations go to the Martin Schomburgers on the birth of a baby girl who automatically becomes a Tiny Tot member of the Auxiliary. This makes seven members in the Tiny Tots. Harold (Red) Wilson is in University hospital, Ann Arbor, 4th floor, E. wing, Room 4106. He will certainly enjoy hearing from you or a visit.

The Toy party was a good success and thanks to Gwen Holcombe, chairman. Proceeds of this party went to the Red Feather Community drive. The Post will again sell Christmas trees so watch for time and place, and if you can help selling, please contact Commander Koi, 486-J. We need workers.

Save all newspapers and magazines. Call Vern Miller, 715-W, or Donald Kinghorn, 1026-R, for information or pick-up. Still time for ordering those Christmas cards. Call Maxine Kunz, 550-R. She has a lovely assortment and also occasional cards.

★ **Nuclear Engineer To Address Hi-Twelve**

John M. Finan, nuclear engineer associated with the Atomic Power Development Association, Inc. was guest of Plymouth Hi-Twelve at its meeting Wednesday evening November 21, at 8:30 in the Arbor-Lill restaurant.

Arrangements to secure the speaker, who was previously with the Atomic Power Laboratories at Laguna Beach and Oak Ridge, were made by Vice President Rexford Hoffman through Detroit Edison company.

The group recently heard U. S. Army Sergeant Henry J. Zaleski in a film presentation on guided missiles, taken at White Sands Proving Grounds, New Mexico, and another on development of jet aircraft. Results of the election meeting held last evening, November 28, were unavailable by press-time.

## Sessions Nurse to Be Honored by Optomists

Miss Connie Lee, Surgical Nurse at Sessions Hospital, Northville, Michigan for the past 25 years, will be the recipient of the "Bouquets for the Living" award at the next meeting of the Northville Optomist club, on Wednesday night, December 7. Miss Lee is being honored for her kindness and attention to the sick and ailing of our community for the past many years.

Miss Lee was graduated from the University of Minnesota, receiving her training in the George B. Wright Memorial Hospital there.

She served for a short time in the State Sanitarium of North Dakota at Dunseith, North Dakota before joining the nursing staff at Sessions Hospital.

## To Urge Increases For War Disabled

Cost of living increases in the compensation of disabled war veterans will again be urged by the American Legion Auxiliary during the coming season of Congress, Mrs. Melva Gardner, legislative chairman of Passage-Gayde unit of the Auxiliary, has announced.

A bill providing such increases was passed by the House during the last session but failed to come up for Senate action, and similar legislation is expected to be introduced early in the new Congress, she stated.

The Auxiliary also will give its support to efforts of the American Legion to liberalize existing disability pension benefits for aged and needy veterans.

## Local Scouts Participate In Recognition Service

Five Scouts who attained a first-class rating this year from Troop P-3, sponsored by Plymouth Rotary club, recently joined first-class Scouts from other areas at a recognition service given by the Detroit Lions at University of Detroit field house. The players presented each Scout with a pocket piece.

Participating in the event from this area were Bruce Johnson, Gary Van Valkenburg, James Ebersole, Philip Ferguson and Robert Carley. Color Guards Mark Tiltonson and George Condash also accompanied the group.

## TV TODAY AND TOMORROW

By Ralf Hardester Feature Editor TV Guide

**OLD DETECTIVES NEVER DIE:** a new Charlie Chan show, designed as a TV series, is in the works with J. Carroll Naish already signed to play the philosophic crime-fighter. Another old-timer, this one French, is coming to TV. Detective Arsene Lupin will appear first on a Climax! episode and later in a possible film series . . . NBC producer Jess Oppenheimer has signed Ben Hecht, John P. Marquand, Thomas Costain and William Faulkner to write episodes for his planned hour-long film series, The Ten Commandments. He's also trying to get C. B. DeMille as host-narrator. The series will deal with modern interpretations of each of the commandments . . . Gil Stratton, baseball umpire, sports-caster and actor (That's My Boy), may become a regular on the new Tennessee Ernie Ford Show. Above and beyond the call: Ben Alexander named his baby boy Webb . . . Dept. Of TV Records: Bob Cummings recently shot two complete episodes of his film show in two days.

Naish . . . new Chan episodes of his film show in two days.

**THE ACADEMY OF TV ARTS & SCIENCES** is planning two New Year's Eve balls, one in Hollywood, one in New York, and hopes to make them annual affairs . . . Playhouse 90's December 6 show, Made In Heaven, will star Imogene Coca . . . Gregory Peck has at long last been sufficiently intrigued by a script to (maybe) break down and do it for GE Theater -- his TV debut . . . A TV entry which promises to be the brightest and most imaginative new show of the season is the upcoming UPA cartoon series, Boing Boing. It bows on CBS, December 16 at 5 P.M. (EST). The sponsor of Matinee Theater decided recently it might be a good idea if his office had script and casting approval for the show. The producers, with prompt cooperation, sent along 75 scripts and the names of 3000 actors. The demand for approval was changed to a strangled "help!"

**IT'S NOW APPARENT THAT LUCILLE BALL AND DESI ARNAZ** have given up thoughts of retiring from I Love Lucy. They're just signed writers Madelyn Pugh and Bob Carroll for three more years on the show . . . Requiem For A Heavyweight, which won a critical reviews, is scheduled for a repeat showing within the next few months. It will be the second Rod Serling play to be repeated public demand; he also wrote Patterns . . . A big casting search on at ABC to fill the roles of Doc Holliday and "Big Kat," his wife soon to be introduced in the Wyatt Earp show. Next to Earp, w apparently broke the sound barrier every time he drew. Hollid was the fastest draw in the Old West . . . The American premiere of Prokofiev's opera, War And Peace, is scheduled for NBC's 7 Opera Theater, January 13 . . . Lawrence Welk is keeping things the family; his daughter, Shirley Welk Fredrics, is now eastern t; ent scout for his new Monday night show . . . Dept. Of TV Personal Changes: Victor Allen of CBS has been appointed Animal Cens- by the network's Production Department. His job: to make certa the animals appearing on CBS programs do not offend anyone at that they maintain a degree of dignity while on camera.

## Thank You . . .

Five years ago we opened our door to you. November being our Anniversary month we want to express our thanks to you who have made possible our success . . . as you can see here. This expansion was made possible only because of our many friends in Plymouth and surrounding communities who have patronized us so consistently. To these good friends we say, "Thank you very much."

Our policies have made us successful and we pledge their continuation. We believe there is no substitute for good food and courteous treatment of our customers.

So visit us soon and bring your friends — we would like to meet those whom it has not been our privilege to serve.

Sincerely,  
Your Host

## Favorite Recipes From Plymouth's Kitchens

Sampling "Heavenly Fudge" being cut at right by Mrs. Russell Rudick are daughters Joyce, left, and Betty (Mrs. Darryl Spears).

## Here's Confection Deserving 'Heavenly' Title!

An idea for Christmas-giving for those sweet-toothed friends of yours or for having on hand to serve holiday guests who'll be dropping in to exchange the season's greetings within these next few weeks, is a delicious choco-

late confection recommended by Mrs. Russell Rudick of 1300 Ann Arbor road. "Heavenly Fudge" is the suggestion, which lives up to every inch of its ethereal title with its creamy smooth texture and melt-

in-your-mouth goodness. Individually-wrapped pieces in a bright tinsel-covered container — what could be prettier or more delectable to the gift recipient? Here's the recipe:

### Heavenly Fudge

- 4½ cups sugar
- 1 large can evaporated milk
- ¼ cup butter or margarine
- 1 teaspoon salt
- 1 teaspoon vanilla
- 1 pound milk chocolate bar
- 3 six-ounce packages chocolate bits
- 1 8 ounce package marshmallows or equivalent amount of marshmallow whip
- 1½ cups chopped nuts

Mix sugar, salt, milk and butter and bring to boiling point. Cook over medium heat, stirring constantly for 4½ minutes. Break chocolate bar into pieces and mix with chocolate bits, marshmallow and vanilla, into a large bowl. Pour hot mixture over chocolate mixture and beat thoroughly. When very creamy add nuts and mix. Pour out on cookie sheet which has been covered with waxed paper. Makes large amount.

### OCD Offering Course In 'Home Protection'

Through the sponsorship of the City of Detroit Office of Civil Defense, residents of out-county communities are being invited to take a course in "Home Protection."

The course was started last Monday and will continue on December 3, 10, and 17. Held from 8 to 10 p.m., it takes place in the Detroit office of Civil Defense, 900 Merrill Plaisance, Palmer Park.

Being taught are what to do when the signal sounds, preparation of a shelter, evacuation, food and water, sanitation, fire safety, emergency action and radioactive fallout.

Further information can be obtained from Plymouth Township CD Director Leo Flowers.

Sound plans are essential in the accomplishment of any program, whether national or individual.

## Crisovan-Hauk Marriage Solemnized at Ypsi Church

The marriage of Lillian Crisovan, daughter of Mrs. Michael Crisovan of Geddes road, and Ross Hauk, son of Mr. and Mrs. Henry Hauk, took place Saturday, November 10, at a ceremony held in the First Methodist church of Ypsilanti.

Dr. William Clyde Donald officiated at the double-ring ceremony. The bride was given away by her brother, John Crisovan, of Dearborn. Altar decorations for the rites were baskets of white chrysanthemums, candelabra and palms.

Mrs. Herbert Fry sang "Because" and "The Lord's Prayer" accompanied by Mrs. L. J. Wilson. The bride's gown was of white chantilly lace over satin, ending in a train. A crown of seed pearls and rhinestones held her fingertip illusion veil and she carried a bouquet of white roses.

Miss Ina May Webber was maid of honor, wearing a copper crystaletta ballerina-length gown with matching head piece. She carried a semi-crescent bouquet of bronze and gold chrysanthemums.

Bridesmaids were Mrs. Russell Crisovan, sister-in-law of the bride, and Miss Gloria Frakes, niece of the bride. They wore

toast and champagne gowns, styled the same as the maid of honor's and carried bouquets of gold and cream-colored chrysanthemums.

Alice Crisovan, flower girl, was dressed in a pale pink gown and carried a bouquet of bronze chrysanthemums.

Donald Hill was best man with Raymond Schultz, Russell and William Crisovan serving as ushers.

The bride's mother wore a navy blue dress, while the bridegroom's mother selected a medium blue dress. Each wore a corsage of miniature sweetheart roses.

The reception was held in the church parlors. A turkey dinner was served approximately 200 guests in the church dining room. The out-of-town guest list included those from Ypsilanti, Adrian, Wayne, Dearborn, Allen Park, South Lyon, Dexter, Milan, Detroit, Belleville and Flat Rock.

Following the rites Mr. and Mrs. Henry Hauk and daughter were host to the rehearsal dinner, Friday evening, at their home on Ridge road.

Following a wedding trip through the Smoky Mountains and southern states, the couple will reside at 600 Ridge road.

## HEALTH AND BEAUTY

### RESTING IN BED

Prolonged illness or disability compels many people to spend months or years in bed. Time often drags, especially for those who are not fond of reading and for those whose eyes are weak or defective.

Complete rest in bed is necessary in the cure of many diseases. The body is not equal to the wear and tear of every day living. When you are up and about, your heart beats more rapidly and the lungs have to work harder. You cannot keep the muscles still; they are constantly in motion. You do not notice this particularly, but your body is burning fuel which must be replaced to sustain life.

Rest conserves the fuel supply. The drain on the system is greatly reduced so that the body is enabled to fight the infection more effectively. Thus, the healing process can be greatly hastened. The new drugs, such as sulfa, penicillin, streptomycin, and other antibiotics, have not done away with the necessity for rest, though they do help to combat and overcome the infection. Remember that the body must heal itself. The new drugs only help to destroy the infection.

The body is assisted in repairing itself when germs and infection are weakened and destroyed. The process of repair goes on rapidly when the patient does not have to struggle against fatigue, changes in temperature, work, or worry.

Unless the patient resigns himself to bed rest, he will get but little benefit from it. Long immobilization is necessary only in certain illnesses. It is positively detrimental in some cases.

When you retire learn to relax. Do not clench your fists and draw up in a knot. You must sleep if your body is to repair itself during the night. First, get into a comfortable position when you go to bed which should be reasonably early, around 10 o'clock. Relax your muscles. Let your body go completely limp.

Approach sleep by an evening prayer. Ask forgiveness for all your wrong deeds or thoughts. If any one has trespassed against you, forgive him. Wipe the slate clean. Do not harbor any feelings of hate or unkindness towards any one.

Having gotten your mind and body in a state of peace and relaxation, turn into a position in which you usually go to sleep and repeat the little prayer that your mother taught you as a child. Inhibit thought. In a few moments, you will be sleeping soundly.

## Three Cities Art Club Holds Recent Meeting

A meeting of the Three Cities Art club was held recently at the home of Marion Sober, Bradner road, with President Hilda Sands in charge of the gathering.

New members of the club are Joan Wehmyer, Plymouth; Pat Hart and Wilfred Becker, both of Northville; and Peter Gilleran, Livonia. Becker and Gilleran are professors of art at Wayne State University.

Mrs. Hart showed her watercolor of Phoenix Lake bridge as her contribution to the spring art exhibition of places and people of interest in Plymouth, Livonia and Northville. Along with paintings in the spring show will be a ceramic mosaic of Livonia City hall by Hilma Aubert, silver jewelry by Marge Owens and woodcarving by Wilfred Becker.

At the December 11 meeting of the club, to be held at the home of Mrs. Hart, all members will bring three sketches each of local subject matter.

## Cost of Vets Benefits Down 30 Per Cent

Cost of war veterans' benefits and service to the Federal government has decreased nearly 30 per cent since 1948, a digest of Federal budget expenditures received by Mrs. Mildred Hower, Rehabilitation chairman of the local American Legion Auxiliary unit, from the Legion's office in Washington, D. C., shows.

Expenditures in all other functions of the Federal government, except international affairs, have increased substantially during the same period.

In 1948, veterans' benefits and services cost \$6,654,000,000, while the 1956 cost is estimated at \$4,793,000,000. In 1948 expenditures for veterans constituted more than 20 per cent of the budget, but in 1956 the amount required for veterans will be slightly more than 7.4 per cent of the total.

MEMBERS of the Adult Education and Recreation art class taught by Mrs. Marion Sober display some of their paintings of Plymouth homes and buildings that were shown last Sunday prior to the Plymouth Symphony Orchestra concert. Buildings are among the older ones found in the community.

## Push Benefit Cookbook Sale

With over 1,000 copies sold to date, the Women's committee of the Plymouth Symphony Society is pushing the sale of remaining editions of its cookbook, "Symphony for Pots and Pans" by Plymouth Cooks" as a suggestion for the Christmas shoppers' list. The book, containing 360 recipe favorites of local homemakers, is being sold as a benefit project for the symphony orchestra fund. Copies are still available at the following locations: National Bank of Detroit, Cassady's, Mayflower Wine Shop, Early American Shop, D. Galin & Son, and Beiter's Jewelry.

Mrs. James Warren is general chairman of the sale, assisted by Mrs. Margaret Hough.

If you can explain the universe, you have a right to think yourself smart.

## Pack-Your-Own-Gifts

It is the special touch by you that adds pleasure to every gift you give. Everyone likes the new, the unusual and it is the exciting foods packed in their visible glass containers that make the perfect Christmas gifts. Select foods that will intrigue the receiver. For instance, bottles of exotic salad dressings, almond stuffed olives, capers, rolled anchovies, and a jar of artichoke hearts are a few ideas to arrange in a gift basket for the man who specializes in salads. For the snack server, there are exciting cocktail tid-bits, and unusual spreads, packed in sparkling glass containers. And for a favorite aunt, jars of honey and jellies make handsome displays when tied with a bright Christmas-colored ribbon.

## Try Your Hand at This List Of Fruit Cake Suggestions

The time has come to begin planning that Christmas fruit cake. Here are some recipes, some of them old and some of them new. Take your pick.

### Dark Fruit Cake

- 1 dozen eggs
- 1 pound butter
- 1 pound sugar
- 1 1/2 pounds flour
- 2 pounds shelled nuts chopped
- 1 cup brandy
- 2 teaspoons cinnamon
- 1 teaspoon allspice
- 1 teaspoon cloves
- 2 teaspoons nutmeg
- 1 teaspoon soda
- 2 pounds raisins seeded
- 2 pounds currants
- 1 pound citron cut fine
- 1 pound dates cut up
- 1/4 pound dried figs cup up
- 1 cup molasses

The flour should be slightly browned in the oven before commencing the cake. Cream butter and sugar, add eggs which have been beaten separately and 1 pound of the flour. Add spices. Use 1/2 pound flour to dredge the fruit, add to the cake batter. Add brandy and molasses. Add soda which has been dissolved in 1 tablespoon of water. Divide in 2 parts and put in greased paper

lined pans. Bake in an oven 275 degrees.

### Japanese Fruit Cake

- 1 cup butter
- 4 eggs
- 2 cups sugar
- 3 1/4 cups flour
- 1 scant cup milk
- 1 teaspoon baking powder
- 1 teaspoon vanilla
- Make as any cake. Divide batter into 2 parts. Into 1 part add one teaspoon each of cinnamon and allspice, 1/2 teaspoon cloves, 1/4 pound of finely chopped raisins. Bake in 2 layers. Put together with the following filling:

### Filling

- Juice of 2 lemons
  - Grated rind of 1 lemon
  - 1 good sized coconut grated
  - 2 cups sugar
  - 1 cup boiling water
  - 2 tablespoons corn starch
- Put all ingredients except corn-starch in a saucepan. When the mixture begins to boil add corn-starch, which has been dissolved in 1/2 cup cold water. Continue to cook, stirring constantly, until mixture drops in a lump. Put between layers, cover top layer with a white icing.

# There's Oodles of Yule Gifts for Homemaker

A truly ideal Christmas gift is one that keeps on giving pleasure long after the holidays has passed. Electrical appliance gifts not only provide the answer, but also have several features which make them unique.

They are gifts that the family can share and put to good use. Besides being practical, today's appliances add a note of beauty to the home.

Most major appliances can now be had in soft porcelain colors that will harmonize with any kitchen color scheme. Some come with copper, stainless steel or monel metal trim in addition to the standard chrome.

The size of the family or of the home presents no problem to the new refrigerators, which now appear to be less bulky, while offering more storage space than ever before. Many standard models feature door storage for small items; others offer easily accessible shelves. Most feature a sizeable compartment for frozen food packages.

As attractive as the refrigerators and available in matching colors are this seasons models of ranges, deep freezers, washers, dryers and ironers. And, to put stars in mother's eyes—give her a new automatic dish-washer, which will save her the task of washing close to 3000 dishes per week for a family of four.

These appliances, of course, rank in the "major" class and require a major outlay, which may not fit within the bounds of your budget. Your real gold mine of gift material is to be found in the small housewares department. Less expensive, these make excellent gifts for one family to give another.

Frequently overlooked is the liquefier-blender, a fairly recent adjunct to housekeeping. Chances are good that the house-wife or family you're buying for doesn't already have one.

The following roll call of gifts for the kitchen and dinette should offer at least one good suggestion:

Toaster, mixer, automatic coffee maker, coffee grinder, rotisserie-broiler, roaster-oven, juicer, deepfat fryer, automatic skillet, egg cooker, ice cream freezer, hotplate, waffle iron, sandwich grill, knife sharpener.

Many appliances formerly belonging strictly to the kitchen now make attractive accessories to even the most elaborate din-

A happy holiday season indeed for the woman who finds an electric Dutch Oven under the tree. Turquoise porcelain, the 4 1/2 quart cooker is skillet, fryer, sauceman, and can be washed as easily as a dish.

ner. Electric trivets and hot trays keep food and beverages at serving temperature, and automatic casseroles and sectioned ceramic servers, electrically heated, are beautiful and practical accessories for buffet suppers.

If the family you're buying for enjoys dining on the patio, a good gift would be a portable refrigerator, an electric charcoal starter, or a set of garden lamps. You'll find lamps and electric clocks to suit every room in the house and harmonize with any decor.

Other suggestions for adding to the pleasure and comfort of your friends and family are: an electric blanket or electric sheet, a heating pad or a vaporizer.

Even the bathroom is not overlooked as the setting for small appliances gifts. Your thoughtfulness will be appreciated for such things as a massager, foot vibrator, electric shaver, hair dryer, or sun lamp.

Plan your gift list early and let your shopping tour include a stop at local appliance dealers. You'll turn up other suggestions and get a head start on a Merry Christmas!

Most appreciated by the homemaker is the gift which is both attractive and useful. Shown here: a place setting from a new 18-piece dinnerware set that is made of a heatproof white opaque glass highlighted by gold bands. Another gracious accent—the smart glasses!

## Here's Festive Brunch-Lunch With Plenty of Color, Style

A well known home economist suggests a festive brunch or lunch with a splurge of color and style. It's a midday meal planned around pork sausage links, cranberry sauce and grated American cheese.

### Brunch Sandwich

- 1 1/2 pounds pork sausage links
- 2 tablespoons water
- 8 slices white bread, toasted
- 1 cup jellied cranberry sauce, crushed
- 3/4 cup grated American cheese

Place pork sausage links in a frying-pan. Add 2 tablespoons water. Cover, simmer 8 to 10 minutes. Remove cover, pour off

drippings and brown. Spread 2 tablespoons cranberry sauce on each slice of toast. Place sausage over cranberry sauce, using 3 sausages for each slice of bread. Sprinkle grated American cheese over the top.

Place sandwiches on broiler pan and insert about 2 inches from heat for 5 minutes, or until cheese melts. Yield: 8 servings.

Sunday night suppers will seem special if you make rounds of crisp toast, cover this with thick slices of tomato, sprinkled with grated cheese, covered with mayonnaise which has been topped with anchovy fillets. Run under the broiler long enough to heat and melt the cheese slightly.

## Tasty Dish--Turkey Thighs Prepared as Swiss Steaks

Turkey drumsticks will be welcome for months after the holidays if they are converted into turkey Swiss steaks and frozen.

For economy, buy a 25-pound bird when prices are seasonally low, advise home economists. The large bird can be cut into family size portions and frozen to be cooked as needed. To make the turkey Swiss steaks, prepare the thighs in this manner:

Cut 6 1-inch slices, sprinkle them with monosodium glutamate and dredge them in flour. Sauté in 6 tablespoons butter or margarine in deep-well cooker over medium-low heat, about 10 minutes to a side or until golden brown. Arrange steaks in freezer casserole.

Sauté 1 cup chopped onions and 1 minced garlic bud in cooker until golden brown. Add 2 1/2 cups tomato juice. Cover steaks with sauce. Cool. Freeze. Cover, label and seal with freezer tape and store in freezer. Freezer storage life: 6-8 months.

To thaw and serve, unseal and uncover. Sprinkle 1 teaspoon salt over steaks. Return cover. Bake in preheated 300-degree oven 1 1/2 hours, or until tender.

# TWO GIRLS, A CHEVY AND A RECORD!

A meaningful achievement  
in automobile performance

Most automobile performance records you read about these days are set on a track or closed course. The results are usually pretty difficult to relate to the kind of day-in, day-out driving most of us do. Running at safe and legal speeds, a '57 Chevrolet recently chalked up a new coast-to-coast record on the road. And the way it set this record is even more important than the record itself!

A new '57 Chevrolet recently proved it has the qualities most people look for in a car—and proved it on the roads you travel, under the same conditions you drive in every day. It broke the record for the coast-to-coast run from New York to Los Angeles (certified by NASCAR). It was a strictly stock, V8-powered Chevy. It was driven by two young ladies.

This last fact, we think, is even more important than the impressive new record set by Chevrolet. Oh sure, it's nice to know that a Chevrolet can cross the country in one uninterrupted span—and do it in less than 57 hours. It's a tribute to Chevrolet's great-hearted V8 engine and solid road-worthiness that it could travel day and night for 2,913 miles at safe and legal speeds—and better the existing record for the trip by more than three hours. But it's only when you consider that all the driving was done by 98-pound Betty Skelton and her friend Caroline Russ that the true significance of this record run becomes apparent.

When a pair of young ladies step into a car and drive it round the clock to a new transcontinental record, you know that car is easy to drive. You begin to see what we mean by smooth-cruising comfort... by nailed-to-the-road stability... by sweet-feeling sureness of control... by quicksilver responsiveness.

We'd like you to get to know this new Chevy. Stop in and see how beautifully it does all the things a car should do.

### Three Local Men Get Promotions At Burroughs

Three Plymouth township residents, Thomas Bridge, Bruce Read and Carl Olson, have recently received new appointments at the Burroughs corporation's Plymouth Division.

Bridge, who was promoted to foreman of electricians and millwrights, joined Burroughs' Detroit plant in 1934, as a steel selector. He transferred to the Plymouth Division in 1940, as a stand and chair assembler, when this operation left the Detroit plant.

In 1941, he was assigned as an electrician's helper in the maintenance department and in 1950, this department. He retained this position until his recent promotion.

Bridge, who resides at 11426 E. Side Drive, is married and has two daughters.

Read, who was appointed a tool engineering section supervisor in commercial products engineering, began working at Burroughs' Plymouth Division in 1947, as a

tool and diemaker in the tool making department.

In 1950, he transferred to tool engineering and two years ago was appointed unit leader in the main assembly parts department, the post he retained until his new appointment.

Read, who resides at 9934 Marlowe, is married and has a daughter.

Olson was appointed foreman of plumbers, sheet metal workers, welders and oilers. He traces his Burroughs career back to 1937, when he was hired as a stockman in the Detroit plant. Later that year, he became a plumber's apprentice and completed his training before entering the Armed Forces in 1943.

After his return in 1946, he transferred to the maintenance department at the Plymouth Division. In 1952, he was promoted to plumber leader in this department, holding this position until his new appointment.

Olson resides at 9290 Sheldon Road.

### Correct Mailing Urged By Postmaster

Pointing up the need for your cooperation on his 1956 "Mail Early For Christmas" Campaign, Postmaster George Timpona, says if you will follow these three simple rules, all of your gifts can be delivered before Christmas Day:

Wrap them securely, address them correctly, and mail them early. Amplifying these rules, the Postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use corrugated mailing cartons, plenty of heavy brown wrapping paper, and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the shocks."

He also said that size and weight limitations for parcel post packages vary according to place of mailing and destination, and advises to secure Pamphlet No. 2 at the post office, telling all about packaging and wrapping parcels for mailing.

Speaking about correct addressing of Christmas gifts and cards, the postmaster said: "Be sure your Christmas mailing list is up to date and that you have the complete name, address, zone number, city and state for everyone on your list. Send all your Christmas cards by first-class mail, because they will be processed and delivered quicker, and they'll be forwarded, or returned, if it becomes necessary." Only Christmas cards sent first-class mail may

carry written messages, a custom everyone enjoys. Moreover, Christmas card envelopes smaller than 2-3/4" by 4" or larger than 9" by 12" require hand cancellation, and thus, must carry first-class postage.

The postmaster urges everyone to secure free labels at the post office marked "All For Local Delivery" and "All For Out of Town Delivery." Then, sort your Christmas cards accordingly, tie them in two separate bundles with each address facing the same way, and attach the correct label to each bundle.

Early mailing of all Christmas gifts and cards is the biggest factor in getting everything delivered before Christmas, according to the Postmaster.

Christmas packages for local delivery should be mailed by December 15th and all Christmas cards for nearby destinations by at least a week before Christmas.

# Official Minutes of Your Board of Education

**MINUTES**  
The regular monthly meeting of the Board of Education of the Plymouth Community School District was held in the home-making room of the high school on Monday, October 8, 1956, at 8:00 p.m.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, Mr. Stecker, and Superintendent Isbister.

Absent: None.

Also present: Mrs. Massarelli, Mrs. St. Louis, Mr. Arnold, Mr. Elston, and Mr. Spones.

Mr. Massarelli and Mrs. St. Louis made, through a letter, a request to the Board that some provision be made for shower curtains on individual showers in the shower rooms. Mr. Isbister agreed to investigate and report to Mrs. Massarelli.

Mr. Groschke, in letters sent to all Board members, urged that private music teachers giving lessons on musical instruments to students in the schools be assessed a fee of fifty cents per lesson for the use of the school.

Mr. Isbister was instructed to find out how many students were involved and what they were paying for the lessons. Mr. Becker recommended that the Board install glare-reducing glass in one north and one south room in the Gallimore School at a price of \$175 per room. The installation of the glass would provide an opportunity to study a visual environment which has been highly recommended by authorities in school construction. It will be a basis on which to make judgment on whether to use the glass in future buildings.

It was moved by Mr. Smith and seconded by Mr. Stecker to accept Mr. Becker's recommendation.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Stecker to approve the minutes of the last regular and intervening special meetings with an addition to the September 25 meeting.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

It was noted that the Board last spring agreed to study with Plymouth Education Association the possibility of establishing a salary schedule based on performance or merit. After consultation with Mr. Arnold and Mr. Elston it was moved by Mrs. Hulsing and seconded by Mr. Mitchell to form a study group which will include, in addition to the Board members, three administrators, three teachers, and three lay citizens chosen from the Teachers Relations Committee of the School Community Planning Group.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

It was moved by Mr. Smith and seconded by Mr. Mitchell to approve for payment the following bills:

Vouchers 9433-34, Payrolls September 14-28, 1956	\$109,632.75
Vouchers 9435 through 9647 38,239.37	
Building and Site Fund, 270 through 280	153,173.92
Nichols Trust Fund, 895	131.40
1955 Debt Retirement Fund, 1098 144.00	
Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.	
Nays: None.	

It was moved by Mrs. Hulsing and seconded by Mr. Mitchell to approve the 1956-57 tuition rate as follows:

Elementary	\$181.26
Secondary	227.78

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

It was moved by Mr. Warren Smith and seconded by Mr. Austin Stecker that the President and Secretary of the Board of Education of the Plymouth Community School District of Wayne and Washtenaw Counties, a public corporation, are hereby authorized, empowered, and directed to execute an instrument of conveyance in behalf of the Board of Education of the Plymouth Community School District of Wayne and Washtenaw Counties, a public corporation, to the City of Plymouth Lumber and Coal Company, a Michigan Corporation, of the following described property:

"Part of Lot 438 of Assessor's Plymouth Plat No. 15 of part of Northeast 1/4 of Section 26, T. 1 S., R. 8 E., City of Plymouth, Wayne County, Michigan, recorded in Liber 66, Page 81 of Plats, Wayne County Records. More particularly described as follows: Beginning at the Southeast corner of said Lot 438 of said Assessor's Plymouth Plat No. 15 running thence North 77° 03' 30" West along the Southerly line of said lot a distance of 206.91 feet; thence due East 212.27 feet; thence South 12° 54' 0" West 45.54 feet to the point of beginning, containing 0.11290 acres of land more or less."

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

Resolution was declared carried and it was moved by Mrs. Hulsing and seconded by Mr. Stecker to recommend the appointment of Mr. William Harding as junior high school principal to fill the vacancy caused by the death of Mr. Arthur Alford. The salary for the remainder of the school year was set at \$9,000 per month.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Upon the recommendation of Mr. Blunk and Mr. Jaroszewicz it was moved by Mr. Stecker and seconded by Mrs. Hulsing to award the contract for the junior high school home-making and art storage cabinets to the low bidder, Penninsula Slate Company, 4665 East Eight Mile Road, Van Dyke, Michigan, in the amount of \$9,485.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

It was moved by Mr. Mitchell and seconded by Mrs. Hulsing to approve the proposed diabetic detection program sponsored by the Wayne County Medical Society and the Michigan and American Diabetic Associations.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

Superintendent Isbister presented for consideration the addition of a 6" crock line to drain by gravity the No. 2 sump located in the lower tunnel of the new junior high school. The use of this line would eliminate the continuous use of a sump pump to drain what appears to be an excessive amount coming from the soil at that level. The cost of the 304 feet of 6 inch line is \$1,259.94. He was advised to consult the architect for his recommendation.

It was moved by Mr. Mitchell and seconded by Mrs. Hulsing to accept, subject to the approval of the school attorney, the provisions contained in the proposed agreement between the City of Plymouth and the Board of Education for the extension of the 4 inch sanitary sewer between the Gallimore School and the City sewer system.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

It was moved by Mr. Smith and seconded by Mr. Stecker to accept the report of the results of the special school election held on October 8, 1956, as recorded by the election inspectors.

Total Votes Cast	1,537
Total Yes Votes	436
Total No Votes	1,101

Since a majority of the total votes cast were negative the proposal was declared failed.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

The Board agreed to meet with the City Commission and the City Planning Commission on Monday, October 29, to consider the opening of Edison Street.

Meeting adjourned at 11:30 P.M.

Respectfully submitted,  
Ester L. Hulsing, Secretary

**MINUTES**  
A special meeting of the Board of Education of the Plymouth Community School District was held in the home-making room of the high school on October 15, 1956.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Smith, Mr. Stecker, Administrative Assistant Blunk, and Superintendent Isbister.

Absent: Mr. Mitchell.

Also present: Mr. Faust, Mr. McCabe, Mrs. Franklin, Mr. Arnold, Mr. Elston, Mr. Platnik, Mr. Bentley, Miss Erikson, and Miss Stein.

President Fischer called the meeting to order at 8:00 p.m. It was noted that this was not a legal meeting of the Board of Education since proper notice had not been given. However, by mutual agreement Mr. Mitchell, who was unable to attend the meeting, was contacted by telephone and he agreed to sign a waiver of his right of vote on the approval of a contract and a bid under consideration.

Bids for the 604' of 6" chain link fence to be erected on the south side of Starkweather School play area were read as follows:

King Fence & Supply Company	\$1,227.00
Cadillac Fence & Supply Company	1,297.87
Keystone Fence Company	1,485.00
Chain Link Fence & Construction Company	1,523.00
Wayne Fence & Supply Company	1,548.00
Mr. William Foster	2,000.00

It was moved by Mrs. Hulsing and seconded by Mr. Smith to accept the low bid of King Fence and Supply Company.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Smith, and Mr. Stecker.

Nays: None.

It was moved by Mr. Stecker and supported by Mrs. Hulsing that the following resolution be adopted: "BE IT RESOLVED that an agreement having been submitted to the Board of Education of the Plymouth Community School District, relative to the construction and operation of a sanitary sewer from the James Gallimore School, Canton Township, Wayne County, Michigan, to the City of Plymouth, Michigan, and said agreement appearing to be in proper form, said agreement between said City and the Plymouth Community School District is hereby approved and the President and Secretary of the Board of Education of said District are hereby authorized and directed to sign and execute same for and in behalf of said District and its Board."

BE IT FURTHER RESOLVED that the plans and specifications for said sewer project are hereby approved.

BE IT FURTHER RESOLVED that a copy of this resolution, certified by the Secretary of said Board, shall be attached to and be a part of said agreement.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Smith, and Mr. Stecker.

Nays: None.

The following resolution was received by the Board of Education from the City Commission:

"Moved by J. R. Cutler and supported by M. E. Terry that the following resolution be adopted: "BE IT RESOLVED that, an agreement having been submitted to the City Commission of Plymouth, Michigan, relative to the construction and operation of a sanitary sewer from the James Gallimore School, Canton Township, Wayne County, Michigan, to the said City for the benefit of the Plymouth Community School District, and said agreement appearing to be in proper form, said agreement between said City and the Plymouth Community School District is hereby approved and the Mayor and Clerk are hereby authorized and directed to sign and execute same for and in behalf of the City."

BE IT FURTHER RESOLVED that the plans and specifications for said sewer project are hereby approved.

BE IT FURTHER RESOLVED that a copy of this resolution, certified by the Clerk, shall be attached to and be a part of said agreement.

I hereby certify that the within and foregoing resolution was unanimously adopted by the quorum of the City Commission of the City of Plymouth, Michigan at a regular meeting on October 15, 1956.

(Signed) Kenneth E. Way,  
City Clerk

City of Plymouth, Michigan  
Upon a firm recommendation of Mr. Mark Jaroszewicz of Eberle M. Smith, Associates, it was moved by Mr. Stecker and seconded by Mr. Smith to approve a change order in the amount of \$1,259.94 issued to Allen Briggs Company for the installation of a 6" crock line to carry by gravity the water seepage from Sump No. 2 at the new junior high school.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Smith, and Mr. Stecker.

Nays: None.

Superintendent Isbister presented for consideration the recommendations of the administrative staff and the parent representatives from the elementary schools relative to changes in the attendance areas when the new schools are opened. The Board before approving the recommendations agreed to hold public hearings in order that citizens might voice their opinions on the proposed changes.

The organization of the committee to study teachers' salaries based on merit or performance was discussed at length. It was mutually agreed that the Study Committee would be advisory in nature and would report its findings and recommendations to the School Community Planning Group. Moreover, the Committee would consist of three teachers, one administrator, and three lay citizens. It was also agreed that the superintendent, board members, president of the School Community Planning Group, and the president of the Plymouth Educational Association would serve as ex officio members of the Study Committee.

A special meeting of the Board of Education was called for Monday evening, October 29, at 8:00 o'clock in the City Commission Chamber. This is to be a joint meeting of the City Commission, City Planning Commission, and the Board of Education.

Meeting adjourned at 10:15 p.m.

Respectfully submitted,  
Ester L. Hulsing, Secretary

## Surpasses its Own Great Reputation!

You're looking at a mighty surprised man. Almost all of his adult life he has owned and driven Cadillac cars. And so, when he decided to take an hour out from his busy schedule to see and drive the new 1957 Cadillac, he thought he knew about what to expect.

Well, here he is—barely under way in the city—and already he is learning the startling truth. He is learning that *nothing* could adequately prepare a man for the new "car of cars"—not even Cadillac ownership itself!

He suspected it, in fact, the instant he stepped into the showroom and caught his first glimpse of this newest Cadillac creation. This was an entirely new kind of Cadillac beauty—brilliantly fresh in line and in contour.

And then he opened the door and swung into

the driver's seat—and found added evidence all around him. On every side were new miracles of interior beauty and comfort and convenience.

And when he turned the key and put his foot on the accelerator, his sentiment grew to conviction. The car was incredibly nimble and quiet and smooth of ride.

Surprised, did we say? Just wait until he hits the open highway and receives the final verdict.

No question about it—*this is the Cadillac that literally surpasses its own great reputation!*

\*\*\*\*\*

We suggest that you come in soon to see and drive this most surprising new Cadillac in fifty-four years. It's an experience you shouldn't postpone—and one you'll not soon forget.

## Crevice Left Unplugged Cost Money

Caulking now can save you cash this winter. Even if your house is only a few payments old, it's quite likely that a tour of inspection of the exterior will turn up more than a few cracks and crevices. And if yours is an older house it's a sure bet you'll find them.

Cracks and crevices at the construction joints are inevitable in every house no matter how new and well built it is. But each crack left unattended is an open invitation to moisture that causes rot, to drafts that boost heating bills, to insects seeking room and board, and to dust and dirt.

The solution is to plug up the crevices with a caulking compound, a stick-to-anything substance that you can squeeze from a special caulking gun or from a king-size toothpaste-type metal tube of compound holds plenty for average use. It has a special beveled tip to facilitate application and a "key" to help you roll it easily and without waste.

There are two kinds of caulking jobs you may encounter. One is preventive caulking to keep a house new by heavily coating the joints where cracks may eventually occur, thus circumventing future trouble and maintenance costs.

The second, curative caulking, is more difficult since it can involve filling large openings. Sometimes it means replacing rotted boards that earlier caulking

would have saved. If an opening is large, pack first with oakum, then caulk.

Whichever kind of a caulk job your house needs, you'll find it a money-saving effort well worth the few hours it will take you to do it.

## Build Schools Children Like,

"We're learning to put up school buildings for the children, not for the school board."

That optimistic observation on school design comes from Ben John Small, partner in LaPierre, Litchfield & Partners, a New York architectural firm with considerable experience in school work.

"The whole purpose of a school building should be to make it easier for children to learn the three R's," Mr. Small says. "Fortunately, that idea is gaining wide acceptance, and the structure that is largely a fortress of learning, or a monument to the school board, is being replaced."

"Institutionalized school buildings are too abrupt a change from the child's home. They form a cold, environment for the child and are an obstacle to learning."

Mr. Small says that in its meaning to a child a school building should provide a "domestic character" design home life and school life. Terrain permitting, Mr. Small himself likes to design schools that spread out "campus style," with a number of one- and two-story units that fit into a residential community, rather than one large, ponderous building that doesn't fit.

A school building should be akin to the home in detail as well as in architectural form, the architect believes. For instance, he specifies wood windows "for wood in tune with the domestic character we want. Carried into the school, it adds to familiarity and ease and consequent receptiveness to learning. From an architectural standpoint, the narrow sash and frame members of ponderosa pine window units satisfy modern design objectives."

The small units of a campus-style school contribute to proper lighting and acoustics, Mr. Small points out. He explains that by breaking the school up into individual buildings, classroom units, labs, auditorium, lunchroom, faculty rooms, gymnasium, and offices, the architect can situate each unit so that it gets natural light. Noisy areas, such as the gym, can be kept distant from classrooms.

Another advantage of smaller buildings, he says, is that in case of fire or other emergency pupils can be evacuated more quickly.

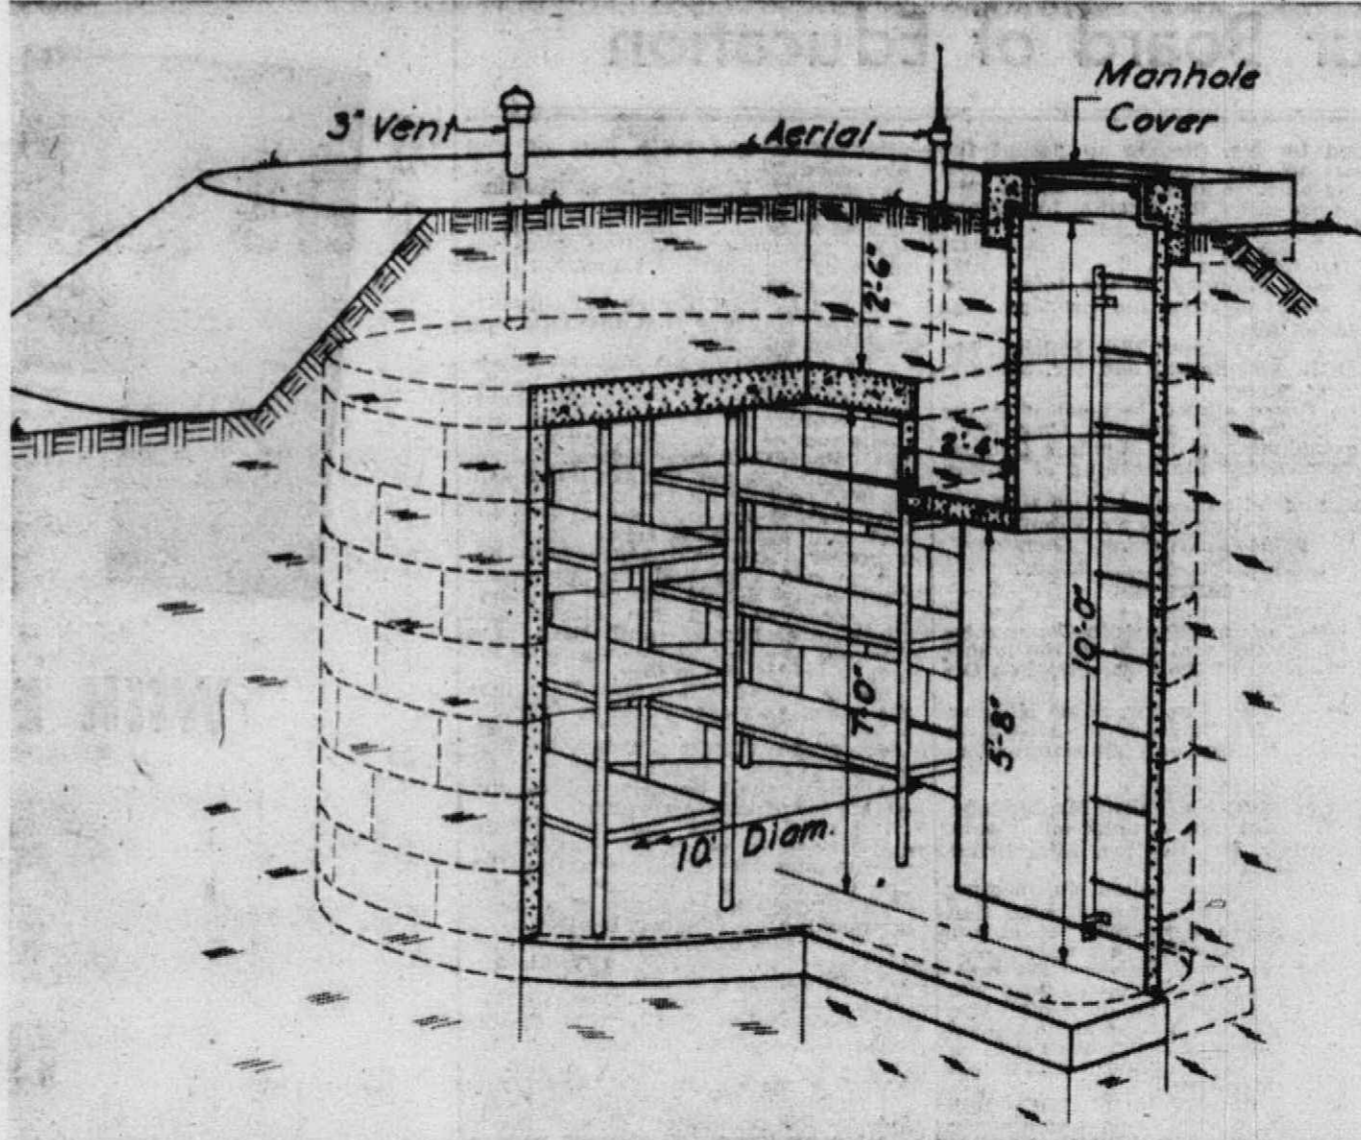

## Millwork of Pine Treated to Resist Harsh Weather

Chemistry and nature have been combined by millwork manufacturers to make modern wood windows and exterior doors tough enough to resist even the harshest weather.

The sturdy ponderosa pine now is treated with a water-repellent preservative to minimize warping, swelling, and shrinking.

This treatment, in accordance with standards of the National Woodwork Manufacturers Association, has no effect on the appearance of the window or door and does not affect the ability of the wood to take paint or varnish.

The preservative is used on all ponderosa pine double-hung windows qualifying for the American Wood Window Institute's Seal of Approval.

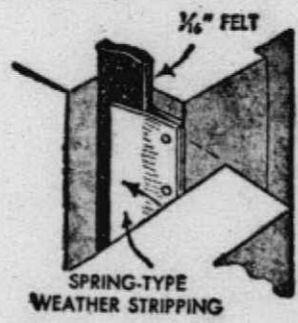

ONE OF the designs for a bomb shelter approved by the Federal Civil Defense Administration is this underground shelter using concrete silo staves. Designed for six persons, entrance is gained through a manhole cover.

## Silence Weather Stripping

THERE'S nothing quite so annoying as a whistling or vibrating metal weather strip on a door. A strong wind will cause the noise. This nuisance can be stopped effectively by

inserting a thin strip of felt or rubber between the leaves of the spring, according to Popular Mechanics.

Fit the strip and make sure the door will close snugly against the weather stripping without binding. Then cement the felt or rubber into place or fasten it with brads.

## Hostilities Make Homeowners Think of Bomb Shelters Again

Outbreak of hostilities in the near East and Africa during the past month has brought renewed interest by some Plymouth area people in the construction of bomb shelters. A tornado which roared around the city last May also made more people think about shelters.

Shelter from the effects of nuclear weapons is one of the basic tactics of Civil Defense. Properly constructed, shelters will give reasonable protection from blast, heat and radiation outside zones of total destruction.

The Federal Civil Defense Administration, Battle Creek, Michigan, can furnish copies of underground shelter designs. These free copies can be obtained by just writing to the administration.

If one is looking for minimum protection in an atomic attack or tornado, the lean-to shelters can be constructed at a relatively small cost. A book entitled "Lean-To Shelters" can also be obtained.

A lean-to type of shelter is merely a sturdy platform placed at a 45-degree angle from the basement floor to the wall.

Several types of underground shelters recommended by the Federal CD Administration are found in the "Shelter Designs" bulletin. One is a reinforced concrete shelter; another is a masonry shelter as a basement exit (for

new house construction); a temporary basement corner-room shelter; and a shelter utilizing concrete, corrugated metal pipe, concrete silo staves, reinforced concrete pipe or cattle-pipe pipe. Most of these shelters hold between four and 10 people.

## Moisture Found On Water Heater Can Be Fake Leak

Moisture collected at the base of a new water heater doesn't necessarily mean that the tank is leaking. It's probably nothing more than condensation, which will soon disappear.

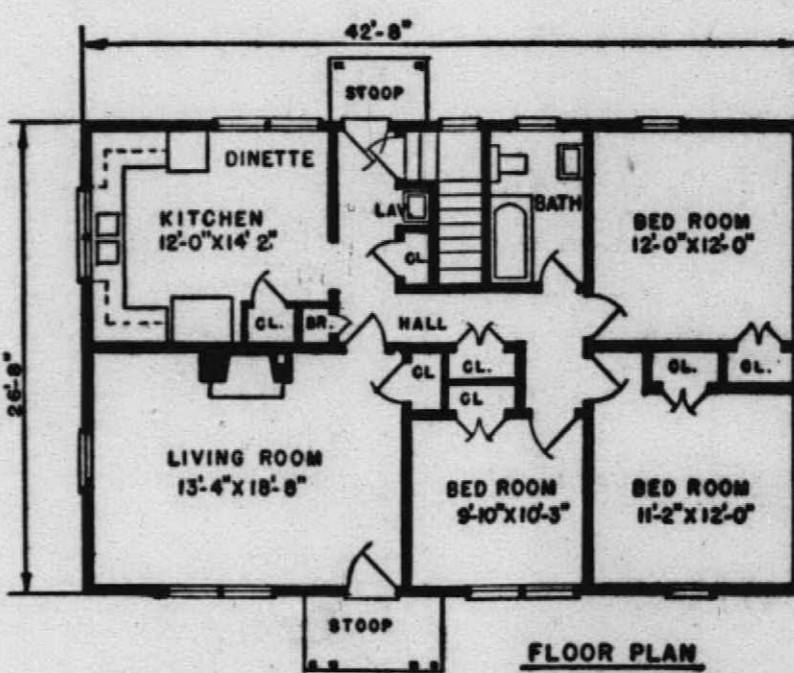

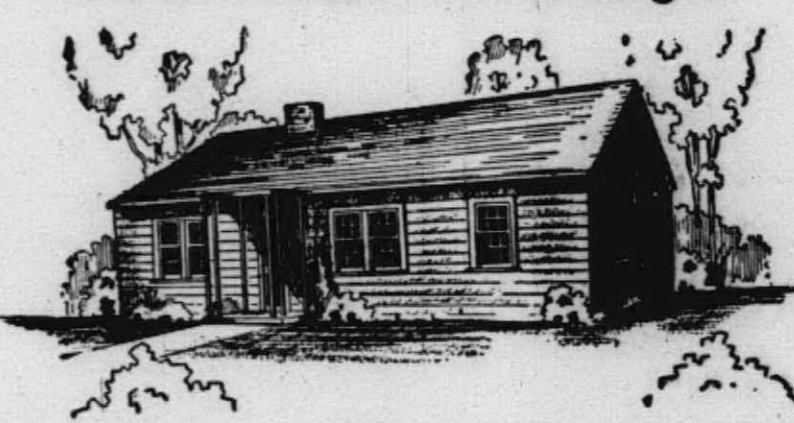

The condensation is caused by heat coming into contact with a cold surface when the burner is first lighted, according to the Coleman Company, a water heater manufacturer. The condition usually does not occur again while the heater is kept in continuous service, but where exceptionally cold water is used condensation might occasionally show up.

In a new structural, colored glass a backing of aluminum is welded to the glass to protect ceramic coloring and form a heat barrier.

A recent survey of \$25,000 homes in the Chicago area showed that the average home contained over a half ton of glass.

It requires a minimum of thirty days to bring a cold plate glass furnace to melting temperature of approximately 2800 degrees.

## A Farm House For Michigan

This one-story home—designed especially for the farm—features a full basement, clean-up area at the rear entrance, eight closets, large U-type kitchen, combined with dining area, and three bedrooms. The plan, designed by the U. S. Department of Agriculture, is available for either frame or masonry construction. It has been approved for Michigan by agricultural engineers at Michigan State University. You can get blueprints at cost from the local county extension office. Ask for Plan No. 7011 for frame or No. 7023-N for masonry construction.

# State Parks Bulging, Need Funds

Too Many People In Too Little Space. That's the problem the Michigan Department of Conservation must face as it tries to provide adequate park facilities for residents and tourists in the years ahead.

Michigan's 59 state parks are already bulging at the seams. In 1955 some 18 million persons jammed the state's playground areas. According to Gerald Eddy, director of the Department of Conservation, this figure is expected to swell to more than 38 million persons in the next 10 years.

Crowded Conditions Multiply The Problems. Already, parking spaces are often unavailable. Sanitary facilities are inadequate. Picnic tables are difficult to locate. On week-ends the problem becomes most acute.

Equipment in parks needs constant replacement. Age, heavy usage, and weather conditions all take their toll.

To do a good job, additional funds are necessary for proper maintenance and an expansion of facilities. According to a report by the Automobile Club of Michigan, the state is falling behind the nation not only in expanding facilities, but in keeping the present park system properly maintained.

Excluding headquarters personnel, there is an average of only one employe for every 400 acres of park land, says AAA. It becomes an impossible task to keep washrooms clean, grounds free

from litter, picnic tables and stoves in repair.

State Legislatures have been reluctant to increase appropriations. In 1951, the Conservation Department received approximately \$2 million to provide for both maintenance and expansion. In 1955, appropriations were slightly more than \$3 1/2 million. During the same period attendance shot up from 12 million to 17 million persons.

In other words, Michigan spends about 14c for each park visitor. The national average is 30c per visitor.

To spearhead a \$25 million program, the Conservation Department is asking the legislature to allot \$6 million for parks in 1957. One-half of this amount would be spent for new land—the rest for maintenance and improvements. In subsequent years more of the money would be spent for park improvement, less for land.

If successful, the appropriations must be spread over a five-year period. This means several future legislatures must act favorably on the bills.

What are the alternatives? The AAA makes four proposals in addition to increased legislative appropriations. 1. Sell windshield "stickers" that would permit a car to visit any state park in the system as often as desired during the year of issue, regardless of the number of people in the car. 2. Charge a parking fee. 3. Charge an admission fee for

cars and passengers. 4. Sell a bond issue, to be retired out of park concession returns and oil, gas and other mineral royalties.

One final alternative: Withhold the money, let the parks decay and lose many of Michigan's recreational areas.

Now That The Dust Is Settling in the recent state political campaign, a calmer view is emerging from the political charges that industry is leaving Michigan because of high taxes and labor costs.

In a survey conducted by the Michigan chapter of the Society of Industrial Realtors, Carl Rosman, president of the group reports that three industrial firms have moved into Michigan for every one leaving the state.

The survey indicates that Michigan is continuing to grow in industrial strength and is holding its own against competition from other states. Charges that industry is moving out of the state because of high taxes and labor costs "have either been unfounded or grossly exaggerated," Rosman states.

"Michigan has one of the most outstanding industrial development programs in the nation, and I feel it's important to show every individual that he has a share in it," Rosman concludes.

Here We Go Again! With the embers of the last election still glowing, both political parties are busy collecting new fuel for the spring elections, April 1.

The stakes are high. Posts to be filled include State Highway Commissioner, State Superintendent of Public Instruction, members of the Board of Regents and Board of Agriculture (governing bodies of the University of Michigan and Michigan State University) and one Supreme Court Justice.

Winners in this election will hold control over state highways, schools and the judicial system. Biggest plum falls to the next Highway Commissioner. Many roads planned for years will soon be opened. With almost unlimited building funds available in the near future, whoever holds the post is certain to reap more glory and fewer tears.

All these jobs are currently held by Republicans with the exception of the Supreme Court post. Charles M. Ziegler is expected to seek re-election as highway commissioner. The Democrats will probably oppose him with Carl McMonagle, a former member of Ziegler's staff, now working on highway safety program at Michigan State University.

Clair L. Taylor, currently State Superintendent of Schools, will run again according to capitol sources. Democrats have not named his opponent.

Declaring that human understanding was the "trust path" to enduring peace, President Eisenhower urged that "every possible think in the Iron Curtain" be widened.

The Air Force has disclosed the development of a research rocket capable of speeds up to 5,000 miles an hour.

### \$2,100 Tax Per Employee

BY HARRY C. FRANCE  
The political oratory of 1956 dwelt at length on bigness in America. The size of corporations came in for considerable attention. Bigness was pictured as something sinister and as against the overall welfare of our country.

It is for this reason — now the campaign is over — that I decided to look into this whole matter of size. And the figures I gathered are quite surprising.

The largest corporate employers of labor in the United States are (in their number of employees) American Telephone and Telegraph, General Motors, United States Steel, Standard Oil of New Jersey and Great Atlantic and Pacific Tea Company. At the present time, total employment of these five giants is about 1,930,000 persons.

Total annual revenues of these five enterprises are running around \$33,000,000,000.

Now for sheer bigness the United States Government itself outshines a combination of all these. Counting the men and women in the Armed Forces, Uncle Sam has more than 5,000,000 individuals on his payroll! Thus, in bigness in employment he is two and a half times as large as the five biggest employers in America combined.

What are his annual revenues? They are over \$80,000,000,000 counting the cash budget and the sundry trust funds. His total income is more than twice that of America's five largest revenue producers.

The support for government bigness comes from taxation, for the most part. Everything in

this world must be paid for. And those people and institutions who think that they are receiving from Uncle Sam comes from some benevolent source are only fooling themselves.

There are in America two economic philosophies. One of them runs like this: "We'll vote and tax and spend." The other is "For every man must bear his own burden!"

The first philosophy favors big government and hence big taxation. Under it, Uncle Sam underwrites the social and economic welfare of millions of people who, with diligence, thrift and saving, can best take care of themselves.

The second philosophy — cruel to many who never want to discipline their economic lives — would cultivate an atmosphere of

self-reliance in which government costs would be cut and taxes reduced.

Big government means big taxes (if the budget it to be balanced) and such imposts kill General Motors, for example, in 1955 paid income taxes of \$1,350,000,000! Suppose taxes had been \$700,000,000. Great good could have come through capital improvements, in higher wages and dividends and in reduced prices of cars by a saving of \$650,000,000. Last year General Motors' income taxes totaled more than \$2,100 for each employe on its payroll!

The biggest job in America is a reduction of the size of Uncle Sam's payroll and expenses and a consequent reduction in taxes. Uncle Sam's bigness is holding our country back.

### From where I sit... by Joe Marsh

### The Kid's Learned to "Take Charge"

I was down at Buck Benson's store the other day when a fellow came in with a six-year-old boy—obviously his son.

While the fellow was looking over some stuff on the counter, Buck handed a free peppermint stick to the boy, who promptly tore off the wrapper and went to work on it.

The father seemed quite put out about his son's lack of manners and held up his hand to stop him. "What do we say when Mr. Benson gives us something?" he demanded. "Charge it," replied

the kid without hesitation. From where I sit, children aren't the only ones who "repeat things" without knowing what they're talking about. For instance, I'm convinced that many of those who speak out against the old American custom of enjoying a glass of beer after work are just parroting what they've heard others say. It's better to get the facts—then make up our own minds—and permit our neighbors to do the same.

Joe Marsh

## ★ THINKING OUT LOUD ★

One question, sometimes controversial, sometimes personal is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's guests are "thinking out loud" on the question:

Do you think Christmas is being commercialized by the early preparations for it, which in some cities begins even before Thanksgiving?

**BENJAMIN WALLACE**, 905 Sutherland: "Well, really, I do. It seems like Christmas gets kind of old before it finally arrives. I think they should wait until after Thanksgiving, at least."

**MRS. KERMIT SMITH**: "Yes I do. It takes the spontaneity out of it. And I think it gets worse every year. It kind of creeps up on us."

Wallace Mrs. Smith Mrs. Griffis Bernash

**MRS. ELIZABETH GRIFFIS**, 14780 Merriman: "I think so. It seems as though it's given too much emphasis on too large a scale. It's getting out of hand and we're losing the spirit of it."

**ALLEN BERNASH**, 125 South Harvey: "Absolutely. I come from Germany and everything is more commercial here, but it seems to me that people should think more of God than to commercialize such a thing."

TELEPHONE lines

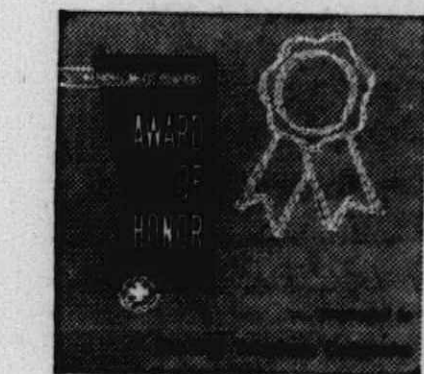

WHAT GIFTS BRING pleasure every day of the year, make life easier, and are not likely to be duplicated? Additional telephones in color, of course, a welcome solution to the "what to give" problem: Bedroom phones are wonderful for Mother. Dad would get a real kick

out of a telephone for his den or basement workshop. And teen-agers think a phone in their own room is tops. Remember, Christmas will be here before you know it—a perfect time for giving gift telephones.

### "LET'S GET THE FAMILY TOGETHER

if the weather's good." That "if" used to be a mighty big one. But now you can get the family together no matter what the weather or how far apart all of you live. A Conference Call will do it. You just give the operator the names and addresses or telephone numbers of the members of your family. She'll get them all on the line at the same time whenever you want. Call the Long Distance operator soon and have her arrange a Conference Call. It'll be fun.

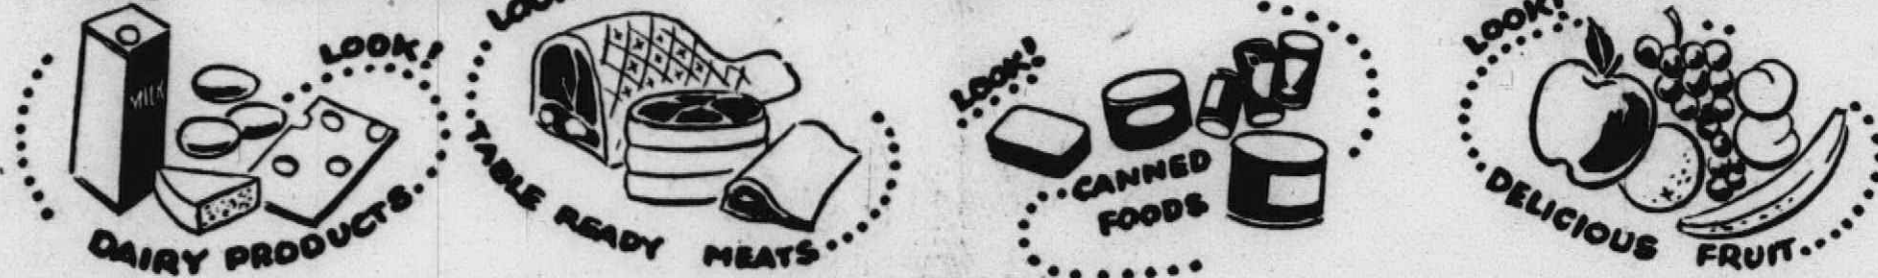

PERHAPS YOU'VE NEVER thought of it as such, but a Telephone Company job ranks as about the safest job in the United States, according to the National Safety Council. The Council has given the Bell Telephone Companies its highest safety award four times in the last five years. Observance of safety practices and constant inspection of tools and buildings to eliminate accident hazards play a big part in helping us give you good, dependable telephone service.

**BPW Taking Orders For Yule Fruit Cakes**

Orders for Christmas fruit cakes are being taken through Saturday, December 1, by the Plymouth Business and Professional Women's club in an effort to boost funds for its various activities.

The campaign is being conducted by the Finance Project committee of the local club and is under the direction of Mrs. Dorothea Coutu as chairman. Orders may be placed with any BPW member with delivery of cakes to be made direct to the individual by December 15.

Under direction of the Career Advancement committee, club members enjoyed a tour in word and picture through Iran, given

by Mrs. Sundra Moayyad of the TB and Health Society of Detroit as guest speaker for their meeting last week at the Mayflower hotel.

Other guests for the program were Judith Richwine, recipient of BPW's annual scholarship award, and Mrs. Ada Murray, retired head of Plymouth branch, Wayne County library, who was chosen as November's Woman of Achievement.

Dr. Cyrus W. Stinson of Cleveland, Ohio, is to be the week-end guest in the home of Mr. and Mrs. Beman Newbeck on Ann Arbor road.

**Co-op Nursery Group Plans Father's Night**

A special "Father's Night" program has been planned for the monthly meeting of Northville Co-operative Pre-school Play group, to be held Monday, December 3 at 8 p.m. at the home of Mrs. Wayne Wilcox, 45924 West Seven Mile road, Northville.

Speaker for the evening will be Dr. Gordon Eady of Wayne County Health service, and his topic, "Enjoying Your Pre-School Child." Program chairman is Mrs. Paul H. Gerhardt of Lakeland court, Plymouth.

Did universal charity prevail, earth would be a heaven.

**★ Men In Service ★**

David Lea

Private First Class David Lea, son of Mr. and Mrs. Richard Lea of 102 North Holbrook, is presently serving with the Army's Transportation Terminal Command in Thule, Greenland, it was announced this week.

Lea serves his present organization as a diesel mechanic and oversees, the battery room of the maintenance section. Recently home on leave during the month of October, he is due to return to the U. S. in March 1957, when he will re-enter civilian life.

Under the operational control of the Northeast Air Command (NEAC), the Transportation Terminal Command at Thule manages and operates water terminal facilities in support of Thule Air Base and other agencies in the northern area. Greenland, a county of Denmark lying about 800 miles above the Arctic Circle and 800 miles south of the North Pole, is the northernmost air base in the world.

Progress will come to an end when children agree with the views of their parents.

**AAUW Study Groups to Meet**

Meetings of four study groups of the American Association of University Women have been scheduled within the next two weeks, it was announced by president of the organization, Mrs. Arthur E. Gulick.

The International Relations group will meet Monday, December 3, at 7:30 p.m. with Mrs. William Slinger, 1451 Sheridan, as hostess. Chairman of this unit is Mrs. R. F. Webber.

A gathering of the Social Studies group has been planned for Tuesday, December 4, at 9:30 a.m. at the home of Chairman Mrs. Austin Pino, 729 Forest.

ing of the Arts Study group Thursday, December 6, at 7:30 Sober and Miss Irene Truesdell.

Scheduled for Friday, December 14, is a meeting of the Education Study group. The gathering will be held at 8 p.m. at the home of Chairman Mrs. Kenneth L. Hulsing, 1010 Church.

All members are urged to attend these meetings.

Mr. and Mrs. Donald Graham and two sons, Donald, Jr., and Duncan, attended the Lions-Green Bay Packer football game on Thanksgiving Day in Briggs stadium, Detroit.

**Christmas Party in Store For Ladywood Mothers**

Ladywood high school Mothers club will hold its annual Christmas party on Monday, December 3, at 8 p.m. at the school located on Newburg road between Schoolcraft and Five Mile.

The program will include entertainment by Ladywood students and gift exchange among the membership. Refreshments will also be served.

Mr. and Mrs. Laverne Rutenbar of Holbrook avenue were dinner hosts Thanksgiving Day entertaining his brother and wife, Mr. and Mrs. Dewayne Rutenbar and daughter, Bonnie Sue, of Garden City and brother, Delbert Rutenbar of this city.

## TIPS for TEENS

By ELINOR WILLIAMS

Pen-pals in foreign lands and a boy's date-dilemma fill today's 'teen mail:

Q.—"Dear Elinor: Do you know where we three girls could write to get pen-pals? We would appreciate it very much."

Ans.—Yes, Write to the International Friendship League, Inc., 40 Mount Vernon St., Boston 8, Mass. This is a nationally sponsored organization that helps to build good-will and understanding among 'teen-agers of about 100 countries.

Q.—"Dear Miss Williams: A girl I am dating thinks that we shouldn't go out together because we disagree on things like—well she likes to go to the beach and I don't and many other things like that. A little fuss erupts over nothing at all and it gets serious at times. I'd appreciate your advice."

Ans.—This girl is right. Even if you two like each other, there'll always be "fusses" and disagreements when you don't enjoy the same things and share many interests.

She realizes this and by pointing it out to you, she's suggesting in a nice way that you get lost

... you're a "wrong number" for each other. You both can find dates with others who like the same things you do. It's not always easy to "break off" and make a fresh start in dating, but it'll be better for both of you to do it immediately and in a friendly way, simply saying that "it wouldn't work out. You'll soon be glad you did."

(For free printed tips and "Date Manners for Boys" send a stamped, self-addressed envelope to Elinor Williams at this paper.)

Well, Well!

A woman was telling her doctor about her husband's delusion. "He thinks he's a steam radiator and he sits under the living room window all the time."

"Well," said the doctor, "you bring him in tomorrow and I'll cure him of that in no time."

"No, no, doctor, we need the heat," replied the wife: "just take the pounding out of him."

Our advice: When you have a good profit, take it; let somebody else ride the wave to the top.

Charles had just returned from a visit to the country, where he had assisted in the performance of the farm chores. One responsibility of the youngster was to gather the eggs and mark each with the date it had been laid. "Well Charles," father inquired, "how did you like the farm?" "Very well, father," the boy replied, "except I didn't care very much about being secretary to a bunch of old hens."

## USAR Commandant to Speak At Area Military Meeting

Colonel Irwin Greenbaum, Commandant of the Detroit USAR School and considered one of the best informed men in the armed services, will take the leading role in the Military Information meeting scheduled for this whole area at Bentley High School on Monday, Dec. 10, at 8 p.m.

The meeting, being sponsored by the Livonia Chamber of Commerce with the complete co-operation of the schools in the area, is designed to help the youth make a proper choice of military service. At least, the various changes in the Reserve Act, the Selective Service Act, and the opportunities awaiting him will be explained to the fullest.

"We were very fortunate in being able to obtain the services of Col. Greenbaum," W. W. Edgar, executive secretary of the Chamber of Commerce, stated. "He is a highly-regarded speaker, aside from being well informed in military procedure and I know the youth and their parents will be satisfied with him."

While the meeting is scheduled for Bentley High School, it is for schools including Redford Township, Northville, Plymouth, the Clarenceville School District and Livonia. It has been estimated that more than 600 youths will turn out for the meeting that opens a new vista for military information.

The co-operating schools are those in Clarenceville, Thurston High in Redford Township, Northville High School, Plymouth High School and Bentley High School. Along with the principals in these schools, the various PTA groups have agreed to join forces to make the meeting the best of its kind held in Michigan this year.

Col. Greenbaum has served in many capacities since his graduation from the University of Michi-

gan in 1932. Prior to his present assignment as Commandant of the Detroit USAR School, he was a member of the faculty of the Command and General Staff College course at the Army General School at Fort Riley, Kansas.

Every branch of the service will be represented at the meeting. After Col. Greenbaum explains the various changes in the Reserve and Selective Service Acts, each branch of the service will be assigned a room to offer further information to the young men of military age in the area. It is a meeting that no young man should miss—and no parent with a son or daughter of military age should miss it, either. It would be much better to learn where the best opportunities exist than to get into a branch of the service in a hurry and then regret it.

The Chamber of Commerce hopes to eliminate that by spearheading the meeting that should prove one of the most worthwhile ventures of the year.

Remember the date! Monday, December 10, and the general public is invited.

An intelligent patient, who expects to get well, will not try to tell his doctor how to treat his particular ailment.

VACATION IN SOUTH... Beach umbrella can't conceal all the charms of lovely Carole Corby as she suns herself at Miami Beach, Florida.

BY FRANKLIN J. MEINE  
Editor, The American Peoples Encyclopedia

WHETHER a horse's four hooves leave the ground at the same time while the horse is running was a burning question among sportsmen back in the 1870's. The answer to it gave Leland Stanford, American industrialist and founder of Leland Stanford University, a place in motion picture history. Stanford engaged a photographer to arrange cameras in a row and take a series of

pictures of a horse in motion. The pictures proved that the four hooves are off the ground at the same time. Thus Stanford accomplished what might be considered the first pictorial analysis of motion.

The statistician is not a newcomer to the political or economic scene. Herodotus records that in 3050 B. C. a compilation of the wealth and population of Egypt was made in order to arrange the building of the Pyramids. Moses in 1490 B.C. took a census count to determine the number of able warriors in the tribes of Israel. Historical research indicates that during the Roman era 69 censuses were taken to assess taxes, determine voting rights, and calculate war strength.

Q—My husband died on active duty, and I am drawing monthly Servicemen's Indemnity payments. After Dec. 31, 1956, will I be allowed to continue drawing these payments, along with Indemnity Compensation payments under the new Survivors Benefits Act?

A—No. Indemnity Compensation under the new law is not payable unless you surrender your rights to Servicemen's Indemnity payments.

Q—On what basis are the railroad seeking another freight rate boost?

A—Eastern and Western railroads, plus some in the South have asked ICC for a freight rate boost of approximately 15% on the grounds, according to their petition that substantial improvement in rates of return is needed "to attract capital on reasonable terms," for improving efficiency and adequacy of service and to maintain their "competitive position."

Q—What are the dates for the annual Information Service Fair of the National Council of Farmer Cooperatives?

A—January 14-17, 1957, at the Edgewater Beach Hotel in Chicago.

Q—Can you give me the number of workers in the Nation's Labor Force?

A—According to the Department of Commerce, total labor force is estimated at 70,905,000. This is broken down as follows: armed forces, 2,823,000; in non-agricultural industries, 59,000,000; in agriculture, 7,173,000; unemployed, 1,909,000.

Q—Has a Supreme Court Justice ever been impeached?

A—Justice Samuel Chase, of Maryland, was impeached, but was acquitted.

**Deer Hunters Home with Kill**

Three residents of the area recently returned from successful deer-hunting trips. John Lazor came home Saturday with one shot near Gregory while other successful deer hunters were Foster Hilton of Chubb road and Ferman Rohraff of Six Mile road.

Donald Lanning celebrated his 14th birthday on Tuesday.

Salem Union School Mothers club met Monday evening at the school with 15 present. Plans were made for a Christmas program for the children on December 21 at the Town hall. The school now has a Bible club under the leadership of Mrs. H. Bragg, which meets every Wednesday morning at 9 o'clock. Parents are invited to attend.

Salem Extension club met at the home of Mrs. John Riorden on Tuesday evening with 12 members present and one guest. Mrs. Don Sherrick gave instructions on basket-making. A special meeting will be held Tuesday evening at Mrs. Fred Verrans to finish the baskets.

Mr. and Mrs. Clifford Ellis of Detroit were Thanksgiving guests of Mr. and Mrs. Earl Roberts of Chubb road.

The home of Mr. and Mrs. Oliver Baggett on Chubb road was badly burned inside on Sunday evening. Mrs. Baggett received bad burns on her hands taking burning clothes from the closets.

The Salem Busy Beaver 4-H club of photography and 4-H Club girls had a hay ride and party on Friday evening with 12 present.

Mr. and Mrs. Herbert Conant entertained the South Salem Farm bureau on November 15 with 30 attending. The Blue Cross roster was discussed but no changes were made. Roll call will be at 9 o'clock with the business meet-

**Livonia Chorus Sings December 8**

A Livonia singer, Sophia Taday, will be among the soloists for the ninth annual Christmas Concert of the chorus, to be held at the Bentley High School gymnasium Saturday, Dec. 8.

She will sing the mezzo-soprano role in Saint-Saens' "Christmas Oratorio," which will also feature soloists from the University of Michigan: Betty Grottegut, soprano; Shirley Gosling, contralto; Jerry Sangerkamp, tenor; and Jack Zei, basso.

The oratorio, which tells of the birth of the Saviour, is part of an all-Christmas program, directed by Donald Nelson.

Of especial interest to concertgoers will be audience participation in the singing of Christmas carols, led by Nelson. Musicians from Livonia, Plymouth and Ann Arbor are joining to play for this event.

Following the concert, chorus members will serve tea in the high school cafeteria. Tickets may be bought from any chorus member or at the door. Anyone wishing to buy tickets may call Mrs. Shuring at GA. 1-7317 or Mrs. Hensley at GA. 1-7095.

ing to last one hour. Recreation will follow. Discussion topic was "The Growing Job of Keeping Rural Representation in Our Michigan Legislature." A Thanksgiving game was played. Mrs. Conant and her committee served pumpkin pie with ice cream and coffee. The next meeting will be held December 20 at the home of Mr. and Mrs. George Henning.

Mr. and Mrs. Knowles Buers spent the week-end at the Glenn Northrup home at Johannesburg.

Mr. and Mrs. Sam Wheelar and children of Ypsilanti spent Thanksgiving at the Wheelar home.

A. C. Wheelar celebrated his 86th birthday on Friday.

Carleton and Glenn Hardesty attended the Thanksgiving Day football game at Briggs stadium.

Mr. and Mrs. Donald Tiffin and children spent Thanksgiving Day at the Al White home on South Salem road.

Mr. and Mrs. Herbert Famuliner and daughters spent Sunday at Pine Lake visiting the Davis family.

Mrs. Carleton Hardesty, Ruth Ann and Kenneth, and Mr. and Mrs. Charles Stacy spent Thanksgiving Day at the G. Heintz home in Ypsilanti.

**HOW NEAR IS YOUR CORNER DRUG STORE**

By C. C. WILTSE  
Registered Pharmacist

Sometimes folks complain about the so-called "high profits" we pharmacists make.

They point out how much cheaper it would be if all drugs were sold in big discount stores where profits are kept at a sub-minimal level.

But have you ever stopped to think that the big discount operator can do business on a low profit only because he does a huge volume—draws customers in from miles around?

Such service might be cheaper, but it's also inconvenient if you have to drive 10 or 12 miles in the middle of the night for a prescription every time a member of the family is ill.

Those are the times that you want your medicine "as close as the corner drug store."

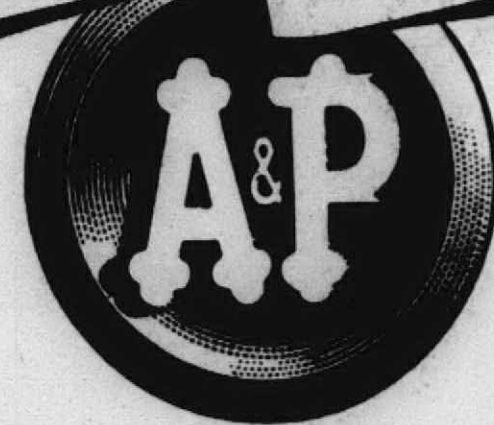

But the corner druggist can only operate at a lower volume if he gets a higher profit. So, in effect, it is convenience you pay for when you buy your drugs in a neighborhood store. You are paying the druggist for the service he provides by having the drugs where you want them . . . when you want them.

And if you think the druggist's profit is too high, just stop and think about this: when was the last time you saw a retail druggist who was rich?

This is another in a series of informative advertisements appearing in this paper each week, presented by Community Pharmacy, 330 S. Main.
