'I'm Still Numb' Says Bowles After Circuit Court Appointment

"I'm still a little numb," was the reaction expressed yesterday by George E. Bowles of Plymouth who Monday was informed of his appointment to the circuit court bench of Wayne county.

CIRCUIT COURT APPOINTEE George Bowles has been Plymouth's official greeter of Governor Williams when the governor visited here in recent years. Bowles, left, is shown with the governor and Lt. Governor Phil Hart at the city's last July 4th celebration.

A resident of 11749 Turkey Run in Plymouth Colony, Bowles will take office December 30 along with seven other new Michigan circuit court judges. Their appointment was not to have been announced until Governor G. Mennen Williams returned from South America but word slipped out prematurely.

Bowles had been confined to his home all last week with pneumonia and decided to return to work at his Detroit law office Monday morning where he received a call from a governor's aide. From then on, he and other appointees were besieged by newspapermen and his personal life became public domain.

The Plymouthite stated yesterday that although law is not too clear on the matter, it is believed that he and the other appointees will need to run for the office in the spring. Several men have already announced their intentions to oppose the appointees.

Bowles, who moved to Plymouth in March 1947, has held the important post of chairman of the State Labor Mediation board from July 1951 until present. He was first appointed to the board in January 1951 and six months later was named chairman.

In Plymouth, he is a member of the Chamber of Commerce, First Presbyterian church and this fall was an organizer of the Area Cooperation Group.

Born on a farm near Grove City, Pennsylvania, Bowles put himself through the Grove City College by selling potatoes from his farm. He graduated in 1936.

Although he majored in history and political science, he taught English and Latin in Pennsylvania schools for several years. His "long suit" in college however, had been forensics in which he once won the state title.

Deciding to become an attorney, Bowles enrolled in the University of Michigan Law School and it was during this period that he met his wife-to-be, Catherine, who was teaching in the Monroe schools. He graduated from law school in 1944.

During World War II he served on the National Labor Relations board in Milwaukee and the Regional War Labor board. In September 1945 he entered the law office of Prentiss M. Brown. Two years later he opened his own practice which he has been following in conjunction with his state post.

and had just received some national magazine publicity because of the unique woman-mayor angle.

The Plymouth draft board was called upon to deliver 20 selectees to Ft. Custer by December 3. Draft calls for the holidays, however, had been suspended.

Public construction projects had already been slowed down by the defense program and the city commission at its meeting on December 1 decided to set up a money reserve for the post-war period. These projects, they said, will take up the slack during a period of unemployment which will follow the defense program.

Plymouth was also interested in a huge \$47,000,000 bomber plant under construction near Ypsilanti that Ford was calling Willow Run.

Following December 7, it took the community only a few weeks to tune itself to wartime thinking. Many will recall the "Victory Meeting" held December 22 at the high school. Frank N. Isbey, Detroit business executive and

invalid who could not talk. This left only Joyner and his wife as witnesses. Most of the evidence was circumstantial.

Mrs. Garrett, though shot twice, called police for help. Patrolman Daniel Johnson answered the call alone and was held at gunpoint for five minutes by Joyner until he grabbed the gun away.

The judge-appointee has three children. Gloria Lee, 14, Franklin, 12, and Stephen, 8.

Professionally, Bowles is a member of the State Bar association, Detroit Bar association, Judicial Society, National Academy of Arbitrators, a panel member of the American Arbitrators association, and counsel member of the Labor Relations Law section of the State Bar association. He has been a lecturer at the University of Michigan, Wayne State and Michigan State universities and has written for several publications on labor law.

Nominating Petitions Now Ready For '57 Grass Root Politicians

Diphtheria Well Checked Locally

Because of a long-standing policy regarding diphtheria inoculations for grade school youngsters in the Plymouth Community School district, there is little or no chance of any mass outbreak of the disease in this area, according to Mrs. Mary Carless, school health nurse.

Whereas Detroit schools have been lax in giving booster diphtheria shots to pupils, Mrs. Carless states that the Plymouth schools maintain a regular schedule for shots.

Before entering school, she stated, the children are given a "triple shot" that includes diphtheria, tetanus and whooping cough. When they are in the fifth or sixth grades they are again given a booster diphtheria shot, along with another tetanus shot.

"Booster shots should be given every three years, so it is possible that the children in the fourth grade could contract the disease since they are overdue for a shot," Mrs. Carless said.

No cases of diphtheria have been reported in this vicinity. The health nurse explained that the Detroit schools depend upon the Detroit Board of Health which does not work full time in the schools. "A letter goes home to the parents asking that certain shots be given but there is no follow-up to see if it has been done."

Mrs. Carless stated that there has been very good response to the local school's health program. A clinic is set up at each school making it easy for youngsters to get the shots. They are charged a nominal 50 cents for each treatment.

"People have forgotten how bad diphtheria once was," the health nurse declared, "and have become careless in obtaining shots for their children." The disease has hit 132 in Detroit. Clinics are now being set up in Detroit to offer mass inoculations.

Because the diphtheria situation seems to be well in hand here, the health nurse says she is more interested right now in setting up a polio vaccination program for there is now plenty of polio vaccine available in Plymouth which is going to waste unless more people take advantage of the opportunity to get vaccinations.

The city commission Monday night decided to take no action either opposing or supporting a proposed hike in telephone rates of the Michigan Bell Telephone company.

A communication was read from the Public Service commission informing the city of the public hearing to be held in Lansing on December 19 at which objections can be heard.

City Attorney Harry Deyo said that smaller communities usually can do nothing about opposing rate hikes because of the costs involved in waging legal battle. It is usually Detroit or a few of the larger cities of the state which take active parts. He said that he understands that Flint is opposing the rate increase and will appear at the hearing.

The proposed increase would amount to 85 cents a month for an individual line, 55 cents on a four-party line, 25 cents on a rural line, \$3.50 for a PBX trunk, \$2.25 for a single business line, 75 cents for two party business line and 25 cents for rural business line.

For his 22 years of service to the city, Ernest A. Wilson was presented with a resolution signed by the commission at a ceremony early in the meeting. Wilson is an employee of the Department of Public Works and has served as a garage mechanic and volunteer fireman.

A resolution was approved asking that 10 per cent of the

Stores to Begin Night Opening Starting Today

Most Plymouth stores will have their doors open each weekday evening until Christmas starting tonight, Chamber of Commerce Manager Edward Hart announced this week.

And the lights which decorate the downtown area are also expected to be thrown on.

Less than two and a half weeks remain until Christmas and merchants are going all-out to stock up their shelves with a wide variety of merchandise to help give shoppers what they want without going out of town.

Santa is again to make his annual pre-Christmas visit to Plymouth with the cooperation of the B.P.O. Elks. While complete plans of his visit will not be announced until next week, Santa is expected in town a week from this Saturday.

A mailbox just for Santa Claus letters is being erected in Kellogg Park by the Garden Club.

The Christmas lights which were scheduled to be turned on last week, probably will be on tonight, Hart announced. There was a delay in getting the strings up because of the difficulty in obtaining someone to take the job, he added.

Structure Being Built For Realty Business

A building being constructed at 193 North Main street will be the home of a new real estate business, it was announced this week.

The 24 by 36 foot building is being built on the front lawn of the J. Rusling Cutler home by Vaughn Smith, 265 Irving Smith, a former Plymouth chief of police, expects to enter the real estate business for himself. He has been selling real estate for another local firm.

Attorney Cutler states that the building will be of colonial design in accordance with a plan of the Chamber of Commerce to "colonialize" Plymouth. It is expected to be completed early next year.

Most Officials to Run Again; City's Daane, Henry Ineligible

While the campaign speeches for national and state candidates are still ringing in the ears of Plymouthites, it's now time for the "grass roots" politicians to toss their hats into the ring for the 1957 spring elections.

Four city commission seats, the job of county supervisor representing the city and all Plymouth township offices will be at stake next April.

Nominating petitions are now available at the city and township clerks' offices. They must be filed by 4 p.m. on December 31.

Most of those currently holding office have already decided if they are going to run again or not. Both Mayor Russell Daane and City Commissioner Ernest Henry cannot run again because of a two-term limitation provided by the charter.

Here are the other city and township officials whose jobs will be at stake:

City Commissioner Harold Guenther—He was appointed two years ago to fill an unexpired term. With the term expiring in April, Guenther states that he has not yet decided if he will run again.

Commissioner J. Rusling Cutler—He was elected to a two-year term in April 1955 and has announced that he will seek reelection.

Supervisor Norman Marquis—Elected to the Wayne County Board of Supervisors in April 1955. Marquis is undecided if he will seek that office again. Terms are for four years.

Township Supervisor Roy Lindsay—Appointed to this office in 1953 following the death of Supervisor Charles Rathburn, and successfully running for the office in 1955. Lindsay states that he is trying for another term. He and all present township officials are Republicans.

Treasurer Elizabeth Holmes—She too plans to run again. Mrs. Holmes was appointed as treasurer to succeed her husband who died in office two years ago. She won handily in April 1955.

Clerk Rosalind Broome—Mrs. Broome took office by appointment last summer after illness forced Clerk Norman Miller to retire. She has declared her intentions to retain the office.

Trustee Herald Hamill—An engineer in private life and tied up in jobs for both the city and township, Hamill states that his work prevents him from entering the race. He was elected for the first time in April 1955.

Trustee Louis Norman—Also elected for the first time in April 1955, Norman has announced his candidacy for another term.

Also up for election are several minor township jobs. They are the offices of four constables, a justice of the peace, two members of the board, and a highway commissioner.

Township nominating petitions must include signatures of not (Continued on Page 8)

Supervisors Formally Reject Annex, Incorporation Petitions

Two of the brief items on the Wayne County Board of Supervisors agenda Tuesday were motions to reject the city's petition to annex township land and the township's petition to become a city.

Both of the petitions had been rejected by the Ways and Means committee two weeks ago and it was upon their recommendation that the Board of Supervisors formally killed the two.

This leaves but one petition in the hopper. It is another petition to incorporate part of the township as the City of Plymouth Heights. The petition rejected Tuesday was turned down because it contained an error in the legal description of the area to be incorporated.

After it was learned in October that this incorporation petition would be rejected, another corrected petition was hastily filed. There has been no legal opinion offered concerning the legality of the second petition.

This flurry of petitions during the year has left many citizens confused. The score stands thusly: 1. The city has filed two petitions to annex Burroughs land and other property east of the city. Both have been rejected. The first was turned down because a deed had not been recorded. The second was turned down because of an error in the legal description of the property and because there were not enough qualified signers of the petition.

2. Township citizens have also filed two petitions. As mentioned, their first petition was rejected because of an error. The second is still pending and will take precedence over any others that might be filed by the city.

As it looks today, the city would not want to file any more petitions, unless an error can be found in the township's second petition. The city could file suit protesting the board of supervisors' action or take some action against the township's petition.

Remember that Day 15 Years Ago?

Chances are that you remember what you were doing 15 years ago tomorrow.

It seems like almost every adult can recall the details of that day and what the exact circumstances were when they heard the news.

The news, of course, was the Japanese attack on Pearl Harbor. It took place at 1:25 p.m. EST, December 7, 1941. Like in every other community across this nation, the news was so shocking to most Plymouth citizens that they have not forgotten how, when and where they heard it.

Radio first flashed the news during that afternoon. Some heard it and spread the word. Many Plymouthites were enjoying themselves that afternoon in the city's new motion picture house, the Penn Theatre, which had opened only three days earlier. A riotous pre-war movie called "Keep 'Em Flying" starring Abbott and Costello was showing.

(Strangely, the old Pennman-Allen Theatre located down the street was just opening when the Armistice of World War I was signed. Plymouth's big victory celebration was held in that theatre.)

Only two weeks before December 7, the Plymouth Mail published an account of an address at the Plymouth Mason's Father and Son banquet by S. L. A. Marshall, Detroit News military writer. The headline read: "S. L. A. Marshall Declares America Must Wage War." Marshall, however, was thinking of Hitler and the Near East. By coincidence, a picture was run inside this story of Vice Admiral Mineichi Koga, the new Japanese fleet commander.

Two weeks before Pearl Harbor there was an attempt to enlist volunteers for Civil Defense. There were 230 volunteers.

The late Mrs. Ruth Whipple was mayor of Plymouth at that time

Joyner Sentenced to 10-15 Years in Jackson State Prison

A sentence of 10 to 15 years in prison was given Joseph Joyner, Plymouthite who last summer shot and fatally wounded 52-year-old Mrs. William Garrett at her Church street home.

Though Joyner's charge was reduced from first degree murder to manslaughter, Circuit Court Judge Ira Jayne placed the maximum prison limit of 15 years on the manslaughter charge. He will be taken to the State Prison of Southern Michigan at Jackson.

Joyner, who observes his 27th birthday today, was given psychiatric tests while awaiting sentence in county jail. He has been in jail ever since the shooting took place last June 12.

The shooting was Plymouth's first slaying in many years. Joyner went to the Garrett home to see his wife who had left him a few days earlier. She and her two children were rooming at the Garrett home.

Although a full account of the shooting was never related, it is believed that Joyner first shot at his wife and then turned the 22 pistol on Mrs. Garrett. Mrs. Garrett was never able to make a statement and her husband, who was in the next room, is an

NOW NEARING 50 per cent completion, the new manufacturing building of the Burroughs corporation on Plymouth road is fast taking shape. Steel work is now up and brick laying continues. Scheduled for completion in mid-1957, the new facility will increase the plant's employment by 2,000 by 1958. The 204,000 square foot addition will increase the plant's manufacturing area to 840,000 square feet, or 19 acres. This is the third expansion of the plant since 1950.

He was selected from among 45 applicants for the Oak Park job.

**Pat Lidgard to Marry
Engineering Student**

Patricia Lidgard

A February 16 wedding is planned by Patricia Lidgard, whose engagement to Paul F. Guy, son of Mr. and Mrs. F. P. Guy of Shaftsbury avenue, Detroit, has been announced by her parents, Mr. and Mrs. Robert Lidgard of Ross street.

Pat is a junior at Eastern Michigan college in Ypsilanti where she is affiliated with Sigma Sigma Sigma sorority. Her fiancé will graduate from the University of Michigan School of Engineering in January. He is a member of Delta Tau Delta fraternity.

An extra bathroom can often be included as part of the family room.

Mr. and Mrs. Bertil A. Lindback

**Bertil A. Lindbacks Return
From Northern Honeymoon**

Now residing at 15307 Murray Hill in Detroit are Mr. and Mrs. Bertil A. Lindback, who recently returned from a wedding trip in northern Michigan.

The couple were married at an 8 o'clock candlelight ceremony performed Saturday, November 10, at the First Methodist church of Plymouth. Mrs. Lindback is the former Marjorie L. Thomas, daughter of Mrs. Bernice Thomas of 970 Starkweather. The bridegroom's parents are Mr. and Mrs. Olof Lindback of 15341 Marlowe in Detroit.

The nuptials were read by the Reverend M. I. Johnson, preceding which Mary Lou Hartwick sang "The Greatest of These Is Love" and "The Lord's Prayer." Chancel decorations were palms

and baskets of white fuji mums. The bride, given in marriage by her uncle, Elton West of Flint, was dressed in a ballerina-length gown of white imported peau de soie. Styled along princess lines, the gown was trimmed at neck and hemline to follow the pattern of lace. Her fingertip veil was attached to a cap-style headpiece embroidered with seed pearls. She carried a white orchid centered on a white Rainbow Bibles her bridal bouquet.

Wearing a dark brown, princess styled cocktail dress of peau de soie fashioned with floating panel at back was Wanda Finney, matron of honor. Her attire was accented with a yellow fuji mum bouquet and feathered cocktail hat.

Dressed identically to the matron of honor but in lighter shade of brown with bronze and rust fuji mum bouquets were the bridesmaids, Eleanor Micol and Joanne Thomas, sister-in-law of the bride.

An ice blue, metallic sheath dress with white accessories was worn by Mrs. Thomas while the bridegroom's mother was dressed in a beige gown of lace over taffeta with matching accessories. Both wore pink carnation corsages.

Phillip Jones was best man for the wedding ceremony. Ushers were Richard Groves and Calvin Thomas, brother of the bride.

Three hundred guests gathered at the VFW hall in Plymouth to congratulate the couple, those from out of town coming from Toledo, Ohio; Flint, Grand Rapids, Detroit, Livonia, New Boston and Alma.

The bride's going-away outfit was a charcoal grey suit with winter white accessories and the orchid corsage from her bridal bouquet.

The Wednesday evening prior to the wedding ceremony a rehearsal dinner was given at the home of Mr. and Mrs. Harold Guenther of Holbrook street for members of the wedding party.

A 1952 graduate of Plymouth high school, the bride is employed as a receptionist at Burroughs corporation. The bridegroom graduated from Cooley high school, Detroit, in 1949 and is employed as a lithographer at Calvert Lithographing in Detroit.

**Scout Scrap Metal Drive
Gets Underway Saturday**

Launching a scrap metal drive this Saturday will be members of Boy Scout Troop P-3 sponsored by Plymouth Rotary club.

Proceeds collected from the campaign will be used to send local troop members to the 1957 Boy Scout Jamboree.

Committee chairman for the drive is Wilbur Ebersole. The local troop is headed by Steve Veresh as scoutmaster.

Mr. and Mrs. Kenneth Ramsey, Mr. and Mrs. Charles Finlan, LuAnn LaGrow and Charles Chesney enjoyed dinner at Mario's in Detroit Saturday evening and later attended the viewing of "The Seven Wonders of the World" at the Music Hall.

Antoinette J. Bondie

**Announce Betrothal
Of Antoinette Bondie**

Mrs. Eileen Bondie of 566 Maple announces the engagement of her daughter, Antoinette J. Bondie, to Lawrence A. Wilhelm, son of Mr. and Mrs. Joseph Wilhelm of 413 Adams.

The bride-elect is a graduate of Ladywood high school, class of 1955, and is now employed at the Plymouth branch, National Bank of Detroit. Her fiancé employed at Dunn Steel Products, is a 1955 graduate of Plymouth high school.

An August wedding is being planned.

Mrs. Ralph Gray

Newburg Methodist Church, Setting for Gray-Smith Rites

A 4:30 candlelight ceremony held at the Newburg Methodist church on Saturday, December 1, united in marriage Marilyn Fay Smith, daughter of Mr. and Mrs. Clyde E. Smith of 8010 Newburg road, Plymouth, and Ralph Gray, son of Mr. and Mrs. Harold Rankey of Hanlan street in Garden City.

For her wedding, the bride chose a gown of imported Italian silk, its low V-neckline embellished with alencon lace re-embroidered with sequins and pearls. The princess-styled, elongated bodice had tapered sleeves and billowy flounce of the same material which extended to a full skirt with chapel train. Her veil of silk illusion was attached to a crown of sequins and pearls. The bride carried a colonial arrangement of white gardenias and garnet roses. She was given away by her father.

Dressed identically in ballerina-length frocks of ruby red velvet, with empire waistline and short, shirred sleeves were Mrs. Robert Fugunchuh of Garden City, cousin of the bride who served as matron of honor, and Bridesmaids Mrs. William Duty of Wayne, sister of the bridegroom,

Janice Miller, also of Wayne, and Wanda McCann of Livonia. Juliet caps of matching velvet, trimmed with pearls and small veils completed their ensembles. They carried colonial bouquets of red roses.

The bridegroom's niece, Gladys Gipson, was flower girl and wore a short ruffled dress of white net over nylon. Her floral accent was a miniature bouquet of red roses.

Mrs. Smith wore a dusty rose dress with fitted satin bodice and sweetheart neckline of lace underneath a jacket of elongated styling. A gown of navy lace over silk with round neckline trimmed with sequins was the selection of the bridegroom's mother. Both wore purple orchid corsages.

The ceremony was performed by the Reverend Robert Richards against an altar setting of white mums, gladioli, palms and lighted tapers. Mrs. Paul Nixon presided at the organ while Miss Dilys Richards sang "O Promise Me," "With This Ring" and "The Wedding Prayer."

The bridegroom was assisted by his brother, Donald, as best man. Ushers were the bride's brother, Everett, James Tomlinson and William Duty.

The reception which followed at the church hall was attended by 200 guests from St. Johns, Alpena, Dearborn, Detroit, Drayton Plains, Wyandotte, Wayne and Plymouth.

A red jersey dress with gray coat and hat was the bride's choice for her going-away outfit. A trip to Florida was planned for the honeymoon, following which the couple will be at home at 7880 Newburg road.

The bride is a June 1956 graduate of Plymouth high school, while the bridegroom attended high school in Wayne. He is a member of the Newburg Methodist church Men's club.

Over 500 Attend Comedy Opening Guild Season

An enthusiastic audience of over 500 persons applauded the three-day presentation of "Strange Boarders," opening production of Plymouth Theatre Guild's 1956-57 season, Wednesday, Thursday and Saturday nights at the high school auditorium.

The show, in addition to providing a delightful evening of entertainment for local theatre-goers, was a noteworthy achievement for the Theatre Guild in that it marked the first production to be directed by one of the membership, Guild President Jack Scott, whose ability in this field was evidenced by the play's success. Producer of the three act comedy-mystery was Dorothy Smith. Jeannine Dahlager was assistant director and prompter.

The presentation was made by a 14-member cast, who are to be commended for their outstanding performances. A professional interpretation of the scatter-brained spinster, principal in the plot, was given by Jeanne Frank. The assorted personalities of her boarding house were excellently portrayed by C. Yeach Sparks, John Lodge, Carol Stratton, Betty Gondek as were the romantic interests and opposition played by Dean Saxton, Duane Branch and Loretta Young.

Convincing was Hal Young's interpretation of "Boston Benny," supported plot-wise by the following accomplices from gangsterdom: Jean Ann Aubrey, Miriam Sutherland, Jim Blackman, Dr. Ford Sutherland and Douglas Havershaw. Unique touch at the curtain call was the seaweed-draped appearance of "bumped off" gangster, Dr. Sutherland.

The set, Guild inspired and created throughout, provided a realistic background to the scene of the plot, a seaside, ramshackle boarding house in the suburbs of Boston. Operation of the fish-pole and rocking chair device as a method of securing the boarding-house diet was most convincing to audience viewers. Adding another air of authenticity to the stage setting was the seascape

Symphony Ball Date is Set

Plans are already well underway for the Symphony Ball sponsored annually by the Plymouth Symphony Orchestra board.

It will be held Saturday, December 29 in the high school auditorium from 9:30 p.m. until 1 a.m. The Symphony Ball held yearly between Christmas and New Years is always one of the social highlights of the community.

Bernie Vogel and his Orchestra will furnish music for the dancing. The five-piece orchestra and soloist are from Detroit. Proceeds from the dance are used to further symphony work.

Mrs. Thomas Adams is general chairman of the ball. Decorations are in charge of Mr. and Mrs. George Hudson while the ticket chairman is Mrs. Margaret Hough. Information concerning tickets can be secured by calling Mrs. Hough.

Mr. and Mrs. A. M. Wileiden were in Oxford Sunday to help celebrate the 50th wedding anniversary of Mr. and Mrs. Clayton Jones.

Woman's Club to Hold Annual Christmas Program Friday

The Birmingham Madrigal Singers will be featured guests at the Plymouth Woman's club annual Christmas program, slated for 1 o'clock tomorrow, December 7, at the Masonic temple.

The Singers, assisted by Mrs. Jack Berno as narrator, will present "A Christmas Story," a new musical and dialogue setting of the Nativity which contains unaccompanied choral music in plainsong to contemporary styling by Mrs. Harold L. Walker, director.

The group, now in their seventh season, appear in colorful costumes for their programs of traditional Elizabethan madrigals and have sung for many of the music clubs of Michigan. The entire personnel are members of the Birmingham Musicals.

Mrs. Walker, director, was

Raymond-Heard Vows Spoken In Northville

Marlene Priscilla Faye Heard, daughter of Mr. and Mrs. Earl R. Heard of 16461 Franklin road, Northville, and Richard J. Raymond, son of Mrs. Ellen Johnson of 611 Center street, Bangor, Michigan were married at a 7 o'clock ceremony performed by the Reverend Ivan Hodgson at the Northville Methodist church, Saturday, November 24.

White gladioli decked the church altar for the rites which were preceded by selections played on the church organ.

The bride selected a ballerina-length dress of white lace over net and taffeta with white gloves and white satin pumps completing her ensemble. She carried white and pink rosebuds with blue ribbon, centered on a white Bible. The bride was given in marriage by her father.

Elaine Ulrich, matron of honor, wore a turquoise gown and carried a bouquet of blue mums.

The bridegroom was assisted by his brother, Don Raymond, as best man. Guests were seated by Ed Raymond and Jack Heard.

A purple dress with beige accessories and corsage of white gladioli was Mrs. Heard's selection for her daughter's wedding. The bridegroom's mother was gowned in a blue dress with black accessories and the same floral accent.

The Methodist church parlor was the setting for the wedding reception, attended by approximately 75 persons from Northville and surrounding communities.

For traveling to Indianapolis, Indiana, the new Mrs. Raymond chose a blue and silver print dress with black accessories. The couple will reside at 1937 Fry road, Northville upon their return.

The bride is a graduate of Northville high school, class of 1955, and is presently employed at the Michigan Bell office in Northville. The bridegroom graduated from Greenes Barber college, Detroit, in October and is now employed at Sam's Barber shop, Ann Arbor.

Salem Church Dedicates New Sunday School Unit

Dedication of Salem Federated church's new Sunday School addition took place at 2:30 Sunday afternoon at a special service following a dinner served approximately 125 persons in the church dining-room.

The two-story brick unit costing \$18,745 houses pre-school and beginner's Sunday School rooms on the first floor with a pastor's study, nursery and young married couple's classrooms on the second level. Started the middle of last May, construction was completed this fall and the addition occupied on October 15. It will serve a Sunday School enrollment of 202 persons.

Dr. Howard Sugden, well-known conference speaker and pastor of the First Baptist church in Lansing, gave the principal address at the dedication service. The invocation was delivered by the Reverend Henry Tyskerund, Salem Congregational church pastor, and the scripture lesson,

by the Reverend John Drummond, pastor of the Covenant Community church of Redford township.

The dedication response was given by Church Pastor Reverend Richard S. Burgess. Reverend Harold Engel, pastor of Fourth Avenue Baptist church, Ypsilanti, gave the dedicatory prayer with the offering prayer spoken by Harry Richards, former pastor of Salem Congregational church. The benediction was said by the Reverend Peter Nieuwkoop, Northville First Baptist church pastor.

In addition to choral selections accompanied by Miss Berva Adams, pianist, a trumpet and vocal solo was presented by Charles Ohman, featured on the recent "Youth on the March" television program sponsored by Kings college, New York.

Membership in the Salem Federated church totals 100 persons.

Hoffman Elected Hi-12 President

Rexford Hoffman was elected president of Plymouth Hi-12 to succeed Raymond Bachelord, retiring head of the organization at a meeting last Wednesday night at Arbor-Lill.

Also elected at that time were A. Gerald Pease, first vice president; Louis Balch, second vice president; Albert Hubbs and Donald Ryder, sergeants-at-arms. Bachelord becomes the new international representative and will also serve on the board of directors with the following persons: William Schmidt, Charles Huebeler, Eric Froberg and Russell Kirkpatrick.

Installation of officers will be held January 9 which has also been designated as Ladies Night.

At their meeting last evening Hi-12 heard Pete Aubrey, assistant commercial engineer at the Plymouth office of Michigan Bell telephone company, discuss his firm's new system.

Hostess at Card Party

Mrs. Zaida Gorton was hostess Saturday evening to the Laf-a-Lot card club in her home on Forest avenue when the following were present: Mr. and Mrs. Clyde Smith, Mr. and Mrs. William Micol, Mr. and Mrs. Charles Hewer, Mr. and Mrs. Roy Sallow, Clyde Fisher, Edward Bolton, William Bauman and guests, Mr. and Mrs. Henry Grimm and Mr. and Mrs. Arthur Millard. Refreshments were served following cards.

If any of the gentlemen readers are having difficulty maintaining their prestige around the old homestead, they may be interested in the views of a physical education expert by the name of Streit. He says U. S. women are becoming "taller, somewhat heftier and more muscular." Almost as quick as ducking he adds, "They are also prettier and more zealous."

Since World War II the ladies have led a more active life, and it's done their muscles more good than Wheaties. Their hands are bigger—gives 'em a better grasp of the situation—and the fashion of open-toe shoes allows toes to grow, too—for a better understanding, I guess.

So it seems that women are getting stronger and more attractive daily. The expert didn't say a word about the men.

It may be true that the early bird catches the worm, but don't forget that the poor worm was there early too!

Local Knights Cite Two for Awards

Tom Mathews and Joseph Wilhelm were presented awards as the Knights of the Month at last week's meeting of Plymouth Council No. 3292, Knights of Columbus.

The awards are made to Knights who make that volunteered effort that stamps a job well done, stated Grand Knight Larry Zielasko.

Due to the approaching holiday season, the regular meeting of the month scheduled for the fourth Monday will be held December 17, the third Monday. The regular monthly Council officers meeting was held at the council chambers on Monday, December 3.

Grand Knight Zielasko urges all members to place their New Year's Eve reservations at the earliest possible moment, as reservations are limited. Arrangements may be made with Zielasko or Mike Spitz.

All knights are urged to obtain candidates or prospects for the class to be initiated on January 20. If a Knight does not desire to sponsor a candidate but knows

of a prospect, please relay his name and address to Membership Chairman Tom Boyne. The cooperation of all Knights is requested in this effort.

With Past Grand Knight Rollie Francis in charge, the Council is in the process of organizing a K of C bowling league to bowl at Northville Recreation. Eight teams of five men each are needed to establish this league. Only requirement to participate in this league is that the bowler be a member of Council 3292.

Council members are reminded that all they have to do with those old newspapers and magazines is to take them to Joe Theur's property at 11211 Haggerty road and he and his helpers will take it from there.

The many friends of Mrs. Irene Boick will be sorry to learn that she is in St. Joseph hospital again having suffered a slight stroke which paralyzed the right side. At latest report she is improving.

ORDINANCE No. 213

AN ORDINANCE TO AMEND ORDINANCE NO. 182, KNOWN AS THE "ZONING ORDINANCE."

THE CITY OF PLYMOUTH ORDAINS:

Section 1. Section 6.01 of the Zoning Ordinance of the City of Plymouth, Ordinance No. 182, Zoning Ordinance of the City of Plymouth, is hereby amended as follows:

Section 6.01 USE REGULATIONS. In R-2 Districts, no building, structure, or premises shall be used, and no building or structure shall be hereafter erected or altered, unless otherwise provided in this Ordinance, except for one or more of the following uses:

- All uses Permitted in R-1-A Districts.
- Two family dwellings.
- (b-1) Apartment houses limited to the occupancy of four (4) families.
- Single family terrace dwellings of not more than eight housekeeping units each, when all are erected at the same time.
- Efficiency apartments of not more than fourteen (14) housekeeping units each, when all units are on the ground floor level and the unit and lot area arrangements are approved by the City Planning Commission.
- A dwelling may be used for a home occupation; provided, no goods are publicly displayed or sold on the premises, and no sign or advertisement is shown thereon, other than one (1) sign, not exceeding two (2) square feet in area, bearing the name and/or occupation (word only) of the practitioner, after approval (word only) of the City Planning Commission.
- Open parking lots for vehicular parking on the same lot with building, or where such space is not available on the lot occupied by a building, then on vacant property near the building, when the entire area of the parking lot is within three hundred (300) feet of a PR-1, C-1, C-2, M-1 or M-2 District. In the case of an existing non-conforming use, where parking space is not available on the lot occupied by the non-conforming building, a parking lot may be permitted, when the parking lot area is entirely within three hundred (300) feet of the non-conforming use. Such parking lots shall be approved by the City Planning Commission, after public notice and hearing, and when such use is found to be not injurious to the surrounding neighborhood and not contrary to the spirit and purpose of this Ordinance, and shall comply with facilities as specified in Section 3.14 of this Ordinance.
- Private garages, either separated or in connected groups, having common and unpierced dividing walls between contiguous private garages.
- One (1) non-illuminated sign per lot pertaining to the sale or lease of the lot or building and not exceeding six (6) square feet in area, and not more than one (1) trespassing, safety or caution sign, not over two (2) square feet in area shall be permitted on a lot.
- Building and uses, customarily incident to the above permitted uses, shall include not more than one (1) private garage or community garage, which shall provide parking space for not more than two (2) motor vehicles per living unit, not more than one (1) of which may be a commercial vehicle, which shall not exceed one (1) ton capacity, provided, said commercial vehicle is owned and operated by a member of the family who resides in said living unit. Where the area of a lot or plot is greater than six thousand (6,000) square feet, the garage space for additional cars may be increased, but in no case, shall such space be greater than twenty-five (25%) percent of the area of the rear yard.
- The storage or parking of trucks, truck-trailers and truck trailers, of over one (1) ton capacity, automobile trailers or the storage, parking or use of moving vans, automobile trailers, trailer coaches, tourist cabins or tents, shall not be considered a legal accessory use in R-2 Districts, except that this shall not prohibit the storage of one (1) unoccupied house trailer or small utility trailer, which is the property of the dwelling occupant, when such unoccupied house trailer is stored within the garage building, or in the rear yard.

Section 2. This Ordinance shall become operative and effective on the 24th day of December, A.D., 1956.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan, this 3rd day of December, A.D., 1956.

Funeral services were held from the Schrader Funeral home at 12:30 p.m. Sunday for Joseph R. Krochman, 69, of 1041 Howard street, Detroit, who died suddenly at Redford Receiving hospital November 28. He suffered a heart ailment.

Mr. Krochman had lived in Detroit six years where he worked as a laborer. He was born in Poland in May 1887 to Mr. and Mrs. Vincent Krochman. He had never married.

Survivors include a brother, Stanley Krochman of Plymouth; and three sisters, Mrs. Helen Stephens, Mrs. Katherine White and Miss Bridget Krochman, all of Tacoma, Washington.

The Reverend Robert Richards of Newburg Methodist church officiated at the services. Interment was in Newburg cemetery.

Funeral services were held Tuesday morning at Our Lady of Good Counsel Catholic church for Mrs. Helen Josephine Rettman, 9475 Canton Center road, who passed away at 4:30 p.m. Saturday at the age of 73.

A cerebral hemorrhage caused the death.

Mrs. Rettman moved to Plymouth in 1951 from South Lyons. She had moved to South Lyons from Chicago in 1949. Born in Milwaukee on February 28, 1884, she was the daughter of Mr. and Mrs. Joseph Fischer.

She was united in marriage with Fred B. Rettman who preceded her in death in 1955. Surviving are a daughter, Mrs. Vina Marie Galloway, with whom she resided; a granddaughter, Mrs. Gloriette Alandt of Plymouth; and three grand children.

Mrs. Rettman was a member of Our Lady of Good Counsel where services were held at 9 a.m. Rosary was recited at the Schrader Funeral home Monday evening. The Reverend Francis C. Byrne officiated. Interment was in Holy Sepulchre cemetery.

School Board

(Continued from Page 1)

Nankin Mills or Patchen schools, one student who attended here who lived in Nankin recently moved to Patchen. The board had set the policy that those already enrolled could continue until graduation, but decided that the boy in this case is considered a new student. The request for continued enrollment was denied.

Business Manager Melvin Blunk reported that the James Gallimore elementary school should be ready for occupancy by January 28. The Plymouth Community Junior high is now 33 per cent completed and most of the steel has now been delivered, the report added.

City Not Taking

(Continued from Page 1)

Boam Construction company's contract be withheld for the County Road Commission. Boam has been given the contract to lay the sewer from Gallimore Elementary school to the city and the road commission requires that money be held in case road replacement is not satisfactory.

A resolution was also passed to give the city manager authority to be the purchasing agent for federal surplus property, a report of the International Fire Chief's convention was presented by Fire Chief Robert McAllister; a card of thanks was read from Dr. Sonia Andonian, city health officer, who was sent flowers during a recent illness; and a letter of thanks to the commission was read from the Parkview Circle Homeowners association for the city's part in having Park drive paved from Mill street to Parkview drive.

Mayor Pro Tem Ernest Henry presided due to the absence of Mayor Russell Daane.

Nominating Petitions

less than 29 nor more than 116 registered voters. The only qualification to run for office is that they must be a registered voter.

Those seeking city office must have several qualifications. They must be a resident of the city for two years prior to the date of his election, have owned property in the city for two years prior to the election, be a qualified elector and shall not be in default to the city or school district for taxes.

City petitions must have a minimum of 25 signatures of qualified electors and a maximum of 50.

City elections are non-partisan. The three commissioners whose terms will not expire until April 1959 are Marvin Terry, Harry Roberts and Robert Sincok. Every other year there are four vacancies on the commission. The one of the top four receiving the least amount of votes is elected for a two-year term—the other three terms are for four years.

Should not more than two persons file for each commission vacancy (meaning not more than eight), it will not be necessary to hold a primary election in April.

In the township, a primary is not needed if not more than one from each party files for each vacancy. Two years ago, Supervisor Lindsay ran unopposed in both the primary and general election.

Dr. and Mrs. Elmore Carney surprised their son, Jimmy, Friday evening of last week by inviting about 30 of his school-mates in to celebrate his birthday. Games were played and dancing was enjoyed.

Kenneth Ramseyer of this city and George Hassett of Birmingham spent five days last week at the AuSable Ski Ranch at Grayling.

Mrs. Sidney Strong to Head Local United Church Women

Mrs. Sidney Strong of St. John's Episcopal church became the new president of Plymouth council, United Church Women, following an election held at the organization's second annual meeting Friday in the First Methodist church.

Retiring president is Miss Helen Beavers, who has headed the local UCW council for the past two years. Miss Beavers was elected president at the organizational meeting in May 1954 and was re-elected to this post last November.

Others elected to serve with Mrs. Strong were: Vice president, Mrs. Dunbar Davis, First Baptist; secretary, Mrs. George D. Graham, Assembly of God; and treasurer, Mrs. Claude Gebhardt, Presbyterian.

Also serving on the board will be the following chairmen of UCW's three standing committees: Christian World Missions, Mrs. Ervin Knudsen, Assembly of God; Christian Social Relations,

Mr. and Mrs. B. Horton Booth of Sheridan avenue entertained the following guests at dinner and bridge Saturday evening: Mr. and Mrs. Kenneth Hulsing, Dr. and Mrs. Elmore Carney and Mr. and Mrs. Eber Readman.

Mr. and Mrs. Bruce Mackie entertained members of their contract bridge group Saturday evening in their home on Lincoln avenue.

Mrs. O. H. Williams of Ann Arbor trail was hostess to her contract bridge club on Tuesday afternoon of last week. Dainty refreshments were served.

Mrs. Fred Thomas entertained members of the Priscilla sewing group on Monday of last week in her home on Blunk avenue.

Mrs. Hall Bailey, First Methodist; and Christian World Relations, Mrs. Gerald Fitch, Reorganized Church of Jesus Christ of Latter Day Saints, Publicity chairman, Mrs. Roy Jacobus of the Presbyterian church, will also serve as a board member.

Guest speaker at the annual meeting was Mrs. Lawrence B. Ward of Milan, state chairman of UCW's work with international students, administered in this area through the Protestant Foundation for International Students, University of Michigan, Ann Arbor.

In discussing the relationship of Plymouth churchwomen to the international student program and its contribution to furtherance of world peace, she particularly urged her listeners to extend an invitation to one or two of the U-M's 1600 foreign students to spend the holidays at their homes. Those interested may call Miss Doris R. Rumman, director of the Protestant Foundation, at NOrmandy 8-6076. In addition to its foreign student work, UCW contributes to the welfare of thousands of migrant workers in Michigan.

chairman of the Michigan Defense Bond Committee, was the chief speaker. While some predicted that the Japanese would be crushed by the U. S. forces within a few months, Isbey declared that the war would be long and that there would be "many gloomy days ahead before the war is won."

By Christmas, nearly 500 Plymouth youths were in uniform. As predicted by Isbey, the days ahead were gloomy.

Area Cooperation Group to Continue

The recently-formed Area Cooperation Group voted Tuesday night to continue as an organization indefinitely and set its sights on interesting more groups to send delegates.

So far, the Cooperation group has confined its discussion to water and sewer problems. A committee was appointed to glean all facts from these meetings and put them into a report that will be provided to the public.

A nominating committee appointed at the last meeting reported that they had not yet drawn up a slate. The organization has been operating with temporary officers. Co-chairman have been William Lyons and George Bowles. The slate of officers will be presented at the day's meeting.

next meeting on Tuesday, January 8. One of the possible projects of the group under discussion was a "town meeting". It is proposed to have all candidates in future elections speak at a public meeting.

The Area Cooperation Group is formed of representatives of several dozen organizations in the community. Because attendance has been falling off, there was a discussion as to whether the organization should be continued or not. It was voted to continue and to make an effort to regain members.

Lyons was chairman of Tuesday's meeting.

Marines Seeking 'Toys for Tots'

The Marines have embarked again on their "Toys for Tots" campaign in the Plymouth area. It's a program where citizens can deposit good toys in containers at any Shell station, after which the Marines will pick them up and give them to the Goodfellows for distribution.

Rev. Charles F. Holland of the United Lutheran Church, phone Plymouth 1695-M, is local director. The area program is directed by the U.S. Naval and Marine Reserve Training Center, Dearborn. Rev. Holland is a Naval Reserve Chaplain.

Superior Group to Hear School Annex Report

E. U. Vielhauer, chairman of the Ypsilanti Area School Study committee, will speak at tonight's meeting of the Superior Township Civic Association at the township hall. It will begin at 8:30 p.m.

Vielhauer will summarize data accumulated during the study on annexation. This study included six school districts in Superior township and the results and recommendations are expected to be of interest to residents.

Notices have been sent to school boards in the township asking them to attend the meeting so that all angles of annexation can be discussed.

YOU MAY know that a petrel is a small, sooty-black bird marked with white on wings and tail, but did you know that the name is derived from "petrellus," (little Peter) and refers to the bird's habit of seeming to walk on water as St. Peter was recorded to have done? Another name for these birds, Mother

Carey's Chickens is derived from the words "Mater Cars" (tender mother) and has reference to the Virgin, under whose especial protection, so sailors aver, the birds weather the ocean's fiercest storms. Although a "stormy petrel" is a person fond of strife, you wouldn't describe him as one of Mother Carey's Chickens.

Almost 100 years ago, Paul Charles Morphy of New Orleans became the first — and only — American to win the world chess championship. He won it in 1858 and held it to 1862. At the age of 12, he was considered the amateur chess champion of New Orleans. Long-time world chess champions include William Steinitz, Austria, who held the crown 27 years, and Emanuel Lasker, Germany, 26 years the champion.

Evans Products Gives \$5,000 To Wayne University Center

"Good grief . . . Our anniversary completely slipped my mind."

"What mind . . .?"

The Materials Management Center of Wayne State University in Detroit has received another \$5,000 contribution from the Evans Products Company of Plymouth, bringing to \$25,000 the amount given the center by Evans.

R. B. Evans, vice president of the Evans Products Company and program chairman of the university center's Industrial Advisory Committee, presented the check to Dr. Spencer A. Larsen, director of the center since its founding.

The Materials Management Center is a university-industry sponsored educational project for training management, scientific, and technical personnel employed in industrial and commercial organizations.

"The Evans Products Company is the second largest single contributor to this practical educational program in the dynamic fields of materials management, science and technology," Dr. Larsen said, "and Evans was the first to make a grant to this rapidly growing program of practical education."

"Not only are we appreciative of cash grants but also contributions of instructional and experimental equipment for our new Development, Research and Testing Laboratory," Dr. Larsen pointed out.

"Here the Evans company has given additional support—by furnishing us with an intricate, functional scale-model of their unique Evans DF Loader, a damage-and-dunnage-free box car installation for freight fastening, now in wide use on the nation's railways. Replicas of equipment in industrial automation, such as the Evans DF Loader, are proving invaluable in training men to create ingenious solutions to increasingly complex problems in business and industry."

The Evans company has long held a vital interest in the training center. Evans and his associates in the expanding, diversified Evans Products Company have frequently addressed the staff and students.

The Evans company—manufacturers of railroad freight-securer equipment, bicycles, velocipedes, truck and bus heaters, and wood products from five West Coast plants—and 52 other companies have awarded the university center \$163,635 in cash and \$16,844 in equipment grants.

Township People Protest Zoning

Four families living in one section of Plymouth township where present zoning allows 60-foot wide lots appeared at the township planning commission meeting last week to register their objection.

They live in a area bounded on the north by Ann Arbor trail, east by Sheldon road, south by Ann Arbor road and west by McClumpha road.

The zoning is now designated at R-1, which allows a minimum of a 60-foot wide lot. They want the zoning changed to R-1-H, which sets a minimum width of 120 feet.

No action was taken on the zoning request. Clayton Koch, chairman of the commission, said that the board will probably work out something acceptable to residents of the area and present it at a future hearing.

WASHINGTON QUIZ

Q—In my travels by automobile I notice the growing practice of shell games or games of chance at roadside restaurants and other places. Is there anything to be done about this sort of thing?
A—We would suppose this would come under the heading of local law enforcement. However upon inquiry, the American Automobile Association has taken note of these reports and has taken the matter up with the Internal Revenue Service and they have agreed to investigate incidents of gambling in such cases involving income tax evasion or failure to obtain gambling stamps under federal law.

Q—It is becoming more and more difficult to obtain FHA and VA mortgage loans on homes. Can you give me any indication on why?
A—According to the National Association of Real Estate Boards increasing numbers of home buyers are acquiring their homes through conventional financing rather than government-backed mortgage loans for the following reason: There is a dwindling number of investors in the residential mortgage field; a trend of the prevailing interest rate to rise above the 5% level; increasing reluctance on the part of banks and other lenders to make loans on long-term mortgages, such as the government mortgages with low down payments; willingness on the part of local banks to meet the needs of builders and purchasers in their community who have established credit; and the sharp increase in discounts charged by lenders in connection with FHA or VA financed loans; sharp curtailment in new home construction and more financing of older and existing homes.

Q—Has any one eaten food irradiated by atomic energy for preservation purposes?
A—Yes. The Army has been feeding volunteers in Colorado for some months, food irradiated by nuclear energy. Also at a Kansas City Research center, scientists have been eating irradiated food regularly for some weeks without noticeable harm. In hearings before the Joint Committee on Atomic Energy several witnesses from the Army Quarter master Department testified they also had eaten some of the food.

ACROSS THE DESK
ideas from other editors

From The Independent, Fuquay, Springs, N. C.: Thanks to the progress made in science and medicine, we have reason to expect to live longer lives than people in the past. Unless we make more progress in the manner in which we deal with older citizens, however, those extra years will be unhappy and lonesome ones for many people.

Recently an official of the Department of Health, Education and Welfare called for work centers where older people can be trained in new skills, or where their old skills can be put to use. At such centers, elderly people could set their own pace, work at tasks they enjoy doing.

Even more important than the fact they would be earning money would be the sense of satisfaction and usefulness such employment would give them. Their lives would have a purpose. In the words of one olderster, "It's better to wear out than to rust out."

From The Granite State News, Wolfeboro, New Hampshire: Talking a while ago with a high ranking Air Force officer, we were a bit shocked to hear him remark regarding protests from a city after a jet had smashed and burned a building. "It is about time the civilian population began to realize the danger of death and injury due to training risk of the men in uniform."

But the more we considered the remark, the more righteousness it drove home.

Night fighters and interceptors must train over the areas they may be called upon to protect. Pilots and crews must train out of the airports they will actually use. National Guard pilots and crews should train on airports nearest their homes.

And fighter planes are no longer the glamorized wood and canvas crates of World War I, carrying thirty caliber guns and perhaps forty gallons of gasoline.

When the present day jet crashes, it is a matter of five tons or better of screaming metal, pods of rockets and hundreds of gallons of fuel oil hitting with earthquake effect.

In this year of our Lord nineteen hundred and fifty-six we, as a nation, are playing for keeps. If war breaks it will sweep over the top of the world with the speed of sound and there will be no time for drills and no time for second guessing.

Everyone will be in that war, if it should come, from the old man in his terminal illness to the new born babe.

In Style Show Friday Night**

Here's a final reminder on the Fur Style show set for tomorrow night, December 7, at Whitman junior high school on West Chicago near Merriman road at 8 p.m.

Christmas will be the central theme of the event and as highlight of the evening, someone will win a beautiful four-skin mink scarf to be given away as prize.

The Dorcas circle of the Women's Society of Christian Service, Newburg Methodist church, is the sponsoring organization. Richland Fur company of Blissfield, Michigan will furnish furs and woolens for the event. Professional models will be used to display the apparel as well as the following women from this area: Gisela Brashear, Carol LaPointe, Jean Greenwood, Helen Bryan, Laurel Dorr, Lynn Petrie, Jacqueline Mepians, Marion Rosenberry, Mary Wagenschutz, Marilyn Karnatz, Donna Bennett and Muriel Coole.

There is still time to get your tickets, so call one of the local models or Ga. 2-8855 or Ga. 2-4344. The women of the circle are anxious to sell all of their 500 tickets, so won't you help by purchasing one? Tickets will also be sold at the door.

The swimming team from Plymouth high school met with Lincoln Park at Plymouth on Thursday, November 29, with the local team emerging victorious. At the close of the meet, the entire Plymouth team attended a pizza party at the home of Mr. and Mrs. Henry Mende, Sr., on Newburg road. The party was also in honor of Henry Mende, Jr. who was celebrating his 18th birthday.

The Men's club of the Newburg Methodist church will hold their monthly meeting and supper on Monday, December 10, at 6:30 p.m. The men will have as their special guest, Dr. Laverne Finch, of Ann Arbor, district superintendent of the Ann Arbor district of the Methodist church. Dr. Finch will deliver a brief address centered around the Christmas theme. All of you who plan on having a Christmas tree, remember that this same men's organization is having a Christmas tree sale with all proceeds going to the new church building fund. The tree lot is located at the Lakeview Orchards on Plymouth road.

Dinner guests in the home of Mr. and Mrs. Henry Mende, Sr. of Newburg road on Sunday, December 2, were Mr. and Mrs. Leo Clausen of Ecorse and Mr. and Mrs. Richard Gallinat and daughter Susan of Detroit.

Hard at work on their Christmas cantata is the Newburg Methodist church choir. Indicative of this is the fact that for the past three Sundays the group has been having extra practices. This past Sunday, December 2, the members met at the home of Mr. and Mrs. William Dorr on Denne avenue, Livonia. The following were present:

David Mackinder, William Schmidt, Beverly Mende, Ruth Ann Busenbark, Sally Fedus, Muriel Coole, Ed Reid, Leola Coole, Leonard Ritzler, Paul Nixon, Jean Greenwood, Graham Bennett, Carol LaPointe and organist-choir director, Winifred Nixon. The cantata presentation date is Sunday, December 23, and will be given during the regular worship service at 11 a.m. at the Newburg Methodist church, Ann Arbor trail and Newburg road. The cantata is entitled "The Christ Child" and promises to be a fine hour of musical inspiration.

Deer hunting proved a successful adventure for this quintette of men; Ralph Gray, James Tomlinson, and Clyde Everett and David Smith. The first day of the season found David Smith the proud possessor of a black bear and then each man in his turn, downed himself a fine buck. All this activity went on in the Alpena area lower Michigan. The hunters left their homes on Newburg road on Monday, November 12, and returned Monday, November 26.

Beverly Mende, daughter of Mr. and Mrs. Henry Mende of Newburg road, was installed in the Plymouth assembly, Order

of Rainbow for Girls, on Monday, November 26.

Dinner guests in the home of Mr. and Mrs. Harold Mackinder of Hanlon avenue, Livonia, on Saturday, December 1, were Mr. and Mrs. Harry Gerst, Mr. and Mrs. Arnold Williams, Mr. and Mrs. Richard Straub, Mr. and Mrs. Leslie Evans, Mr. and Mrs. Fred Hadley, Mr. and Mrs. Frank Willard, Mr. and Mrs. Arthur Fulton, Mr. and Mrs. Eliza Moore, and Mr. and Mrs. Henry Whalen.

The Fidelis class of the Newburg Methodist church will meet Saturday, December 8, at 6:30 p.m. in the home of Mr. and Mrs. C. Donald Ryder on Ann Arbor trail. This will be the group's annual Christmas party and there will be the usual pot-luck supper and traditional 50c gift exchange. All members and friends are urged to come and enjoy an evening of fine fellowship.

The Boy Scouts of troop 271 of St. Michael's Catholic church are busy taking orders for Christmas wreaths for the approaching holiday season. The wreaths are beautiful and full and priced reasonably. If you would like to place your order now, call the writer of the column.

The Methodist Youth Fellowship of the Newburg Methodist church is having a Christmas Record Hop on Saturday, December 8 from 8-11:30 p.m. There will be a small charge. Refreshments will be served and all young people are cordially invited to attend. The young people will dance in the hall of the church, located at Ann Arbor trail and Newburg road.

The Joy road Canasta Clan met at the home of Mrs. Harold Mackinder on Hanlon avenue, Livonia, Tuesday, November 20. The following ladies were present for an evening of cards: Mrs. Arthur DeCoster, Mrs. Enid Stammitz, Mrs. Claude Desmond, Mrs. Les Durbin, Mrs. Clifford Hocking, Mrs. Edward Howden, Mrs. Arthur Gennis, Mrs. Robert Preitzer, Mrs. William Kenner, Mrs. Raymond Peterson and Mrs. Emil LaPointe. Next meeting for this group will be Tuesday, December 18, at the Desmond home when there will be a gift exchange and regular Christmas party.

**W-E Offers Plan
To Pay Tuition**

Western Electric company, whose Detroit plant will eventually be moving to Plymouth, has announced a plan to pay the tuition of employees who want to go to college on their own time.

The offer was extended to all of the 125,000 employees of the company regardless of position or length of service—one of the few such plans in American industry.

Called the "Tuition Refund Plan," it provides that Western Electric will pay 100 per cent of the tuition for out-of-hour study, up to \$250 a year to employees who can meet the academic qualifications. The refund is made in two payments, one after registration and the other when the employee has satisfactorily completed the course.

The only stipulation concerning the courses selected by the worker is that they be related to his current assignment or to one to which he might reasonably aspire. Most fields of study in science and business would be included in the scope of the plan.

IN PLYMOUTH!

168 *Free* GIFTS

WILL BE GIVEN AWAY—42 EACH WEEK FROM NOV. 29
'TIL CHRISTMAS! NO PURCHASE NECESSARY TO WIN!

ALL YOU NEED IS A LUCKY NUMBER!

Here's How It Works:

1. Check this page of your Plymouth Mail for the special number which will appear in the instruction box inside the Santa Claus picture. Each copy of the Mail will bear a special number like this each week from now to December 20th.
2. Compare the number on your copy of The Mail with the number on the poster in the window of each one of these 42 participating merchants. The numbers on these posters are the lucky numbers which will be different each week. Only 42 winning numbers will be picked at random each week and each of the 42 participating stores will display 1 number on the poster in the store window.
3. If the number on this page of your copy of The Mail corresponds with any 1 of the numbers which appear on the posters in the store windows, you are the winner of the FREE GIFT which will be presented to you by the store

4. which has your number—just show your number to the manager or clerk.
4. Remember, absolutely no purchase is necessary to win the FREE GIFTS and anyone is eligible to win regardless of age or residence. One person may win more than one time, of course.
5. The lucky winning numbers will be displayed in the store windows each Thursday afternoon and winners will have until 9 p.m. Wednesday of the following week to claim their gifts, at which time new numbers will appear in your Plymouth Mail and will be effective for the next week's gifts.
6. Extra numbered copies of The Mail will be available in the Mail office at no charge. Gifts will be given for 3 more weeks so be sure to check your copy of The Mail each week for the winning numbers.

To Speak at 4th Science Church

The need for practical religion will be the topic of a free public lecture to be delivered at the Fourth Church of Christ, Scientist, 5240 West Chicago boulevard, at 8 p.m. Friday, December 7, by Sylvia N. Poling of Phoenix, Arizona.

A member of The Christian Science Board of Lectureship, will speak on the topic, "Christian Science: The Way to Holiness and Health."

Active in public education for a number of years, Miss Poling holds degrees from Arizona State college and has also studied at the University of California at Los Angeles and the University of Southern California. She became interested in Christian Science as a college student. She resigned in 1950 to devote her full time to the public practice of Christian Science healing.

At 2:15 p.m., members of the Plymouth Theatre Guild will present an inspiring play, "A Child is Born", by Stephen Vincent

Rosedale Presbyterians To Observe 28th Year

Services commemorating the 28th anniversary of the church will be held this Sunday at Rosedale Gardens Presbyterian church at 9:30 and 11 a.m.

Preaching at both services will be the Reverend Dr. William Townsend, minister of Grace Presbyterian church, Detroit.

The church was organized in Rosedale Gardens school December 11, 1928. On December 16, 1928, the original building, a gift to the congregation by the Board of National Missions of the Presbyterian church, was dedicated. The church school addition on the west side of the building was dedicated in December 1951.

Dr. Townsend preached in the Rosedale church when he was a student at McCormick Theological Seminary, Chicago, during the second and third summers of the church's life in 1930 and 1931.

Former members of the church who have moved to other communities will be invited back for the services. Following the 11 a.m. service, a tea to which everyone is invited will be served.

The church is at Hubbard and West Chicago in Livonia.

Christmas Program Tea Set for WSCS

A business meeting at 12:15 p.m. will precede a special Christmas program and tea planned by the Women's Society of Christian Service for their get-together Wednesday afternoon, December 12, at the First Methodist church.

The program, centered around the theme "For All Children," will include presentation of the film, "Assignment Children," starring Danny Kaye. The film star is shown visiting with children around the world. The Christmas tea following the program will be served by members of the executive board.

To Present Youth Film At Calvary Baptist

The "Seventeen" Story, a recent film produced by Youth Films, will be shown at Calvary Baptist Church, Sunday night, December 9, at 8 p.m. Here is a film in the language of our day by young people and for young people. The cast for "Seventeen" was selected from over 400 young people.

The film running time is 70 minutes and presents the problem of our teen-agers of the present day and reveals for them a faith that can help them for today's problems and guidance for the only kind of future which can give them security. The musical score is by Ralph Carmichael, outstanding gospel musician and choir director of Los Angeles, California.

The public is cordially invited.

Plymouth Youths 7th in Nation

Thomas Carmichael and Lee Huber of Plymouth were ranked seventh in the nation in junior doubles play, according to rankings of the American Badminton Assn. released this week.

The high national ranking was a result of the boys' participation in the National Junior Badminton Tournament held last spring in Grosse Pointe Michigan. This year the Plymouth Junior Badminton Team has an unbeaten record, winning home-and-home matches with Ferndale Juniors.

Postpone Revival Series

Due to weather conditions preventing the appearance of guest speaker, Bishop W. E. Smith of Dyersburg, Tennessee, a series of revival meetings scheduled to begin this week at the Church of Jesus Christ, corner of Cherry Hill and Canton Center roads, has been postponed until further notice.

The series was to have begun Tuesday evening with Bishop Smith conducting the services planned for 7:30 nightly.

OBSERVING National Book Week by touring the Plymouth branch of the Wayne County Library last week was the third grade from Smith elementary school taught by Mrs. Florence Leyanna. The children were shown through the rooms and listened to a story told by Mrs. Helen Richards.

It's Always Book Time Is Theme of Book Week

Plymouth's library joined with other libraries across the nation last week in observance of National Book Week. Theme of the week was "It's always book time."

Special children's book displays were set up by the local branch and tours of the library facilities were encouraged. Chief purpose of the week is to interest young people in the reading of good books.

National Book Week was started in 1919 by Frederick Melcher, publisher and editor, who awards Newberry and Caldecott awards for the best written and best illustrated children's books.

Franklyn Mathews, writer of books for boys, also played an instrumental part, along with the American Library association which continues to encourage observance of the week.

Available at the Dunning library are free pamphlets for parents of selected children's books. The pamphlet, "Growing up with Books," is for ages 3 to 12 and up. Prices of the books are also listed.

Public Invited to Fish Fry, Dance at Elks Temple

Plymouth Elks are inviting the public to a fish fry and dance to be sponsored by their organization this Saturday at the Elks temple, 41700 East Ann Arbor road.

Serving will be from 5 to 9 p.m. with the dance to follow featuring Gordie Hartford and his orchestra. Tickets will be available at the door.

Two Appointed To ACS Positions

Norman Marquis of Plymouth, president of the Western Wayne County Unit of the American Cancer Society, has made two committee appointments.

Dr. Lee Feldkamp, Plymouth physician, has been appointed chairman of the medical and scientific committee. The position entails the job of stimulating medical interest in the cancer problem; to increase the knowledge of the medical profession in newer methods of cancer detection, diagnosis and treatment and to keep physicians in Western Wayne county informed of public education activities.

The other appointment was of John Carol, manager of WKMH in Dearborn. It will be his duty to serve as publicity chairman of all Western Wayne county. This committee works the avenues of communication through the press, radio, television, house organs, clubs, bulletins and magazines. To hammer home the education message, to inform people of the local service program and to urge their response to campaign appeals.

President Marquis is at present also serving as president of the local Plymouth ACS board. Offices at 821 Penniman are open Monday, Thursday and Friday from 1 to 4 p.m.

Only "Does that novel you are reading end happily, pledge for the year. Your pastor will appreciate knowing he can count on a certain sum from you.

If you don't go to church very often, there is even more reason for you to make a firm pledge for the whole year. Your church cannot function on mere token support. And you expect the church to be operating when you go.

If you already use envelopes, you might give thought to a substantial increase. Pay on time, too. Remember church expenses take no vacation. A church that has to fight to get ahead usually is a live church. But don't let this thought comfort you too much. Most people, say church leaders, could double their contributions without straining their pocketbooks and with considerable beneficial effect on the church. The question is, the editors ask, Could you?

Nearly everybody is for the common good until they come to the pocketbook test.

Men of wealth seem to just naturally think they are inclined to genius, even if they inherited the cash.

A record for economy does not apply to appropriations for a congressman's district.

J-Hop, Schools Biggest Dance Of Year, Set for Saturday Night

MISS MARY BORDEN, former Plymouthite who is now a student at Madonna college, will be a vocalist with Red Johnson's Band of Ann Arbor at the J-Hop this Saturday night. The dance is sponsored by the junior class.

The J-Hop is here again! Come this Saturday, December 8, one of the biggest affairs of the school year will again be presented by the Junior class.

"Sweet Dreams" is the theme chosen by the members of the class which will represent a candy-land fantasy.

"It's coming right along," said general chairman, Betty Worth, as the time grows short before the "dancing starts." Other chairmen are:

Linda Law and Mary Harper, decorations; Bob Isbister, tickets; Bob Drobeck, publicity; Carol Ford, invitations; Wayne Jordahl, clean-up; Ken Thomas, chaperones; and Tim Yoe, refreshments.

Faculty advisors who are giving much needed assistance are: Miss Virginia Orsted, general chairman; Miss Moyra McNeill, decorations; Mr. Walter Goodwin, tickets and invitations; Mr. Harry Reeves, clean-up; and Mr. William Campbell, who is helping with construction of the various props and decorations.

Parent chaperones for the important event are Dr. and Mrs. Elmore Carney, Mr. and Mrs. O. H. Williams, Mr. and Mrs. James Spigarelli, and Mr. and Mrs. Dennis Watson.

Parents are being invited to drop in during the evening to watch the affair.

Committee Begins Work on School Personnel Policy

A group consisting of teachers, school administrators, and lay citizens has been formed and is meeting on alternate Tuesdays. This group, the School Personnel Policies committee, is a sub-committee of the School Community Planning Group.

Chaired by Willis McCabe the committee consists of Urey Arnold, Esther Franklin, Ben Platnik, Donald Rank, Dorothy Stein, and Ray Hulce. Serving as observers and assisting in providing communication are the following ex-Officio members: all school board members, the president of the School Community Planning Group, the president of the Plymouth Education Association, and the superintendent of schools.

The committee's objective is "To obtain the most effective school opportunities for our children by exploring and recommending school personnel policies that will promote the most effective teaching and administration."

The committee plans to use all sources as references—industry, education, etc. To implement this Barton Rogers has been chosen to chair a sub-committee to collect and index materials pertinent to the study of school personnel policies. Another sub-committee consisting of one person, Ben Platnik, has been appointed to handle communications to the newspaper regarding the committee's progress.

Comments and constructive suggestions are welcome and can be directed to any member of the School Personnel Policies Committee.

Allen PTA Entertains School Scout Groups

Allen School P.T.A. was host last Tuesday night to all the Scout groups emanating from the school.

President Gene Overholt opened the meeting at 7:30 followed by various committee reports. The group was briefed on the Scout activities by Vice President Leonard Cole.

The Cubs started the program by displaying the American flag and giving the pledge of allegiance. Mr. Graham, Cub scout master, explained the functions of the Cubs.

Introduction of the Brownies, explanation of their functions and a brief history of their formation was given by Mrs. Joe Merritt. Mrs. Elderhartz introduced the Girl Scouts and Mr. George Haarbauer, the Boy Scouts.

Refreshments were served by the fifth-grade room mothers.

The will of the people may be erroneous and unwise, but it is this that makes a democracy live.

Madonna to Stage Students to Take Part in Campaign

Competitive examinations for tuition scholarships at Madonna College will be open to all senior high school girls ranking in the upper divisions of their class. Applications for the tests must be received by the College not later than Dec. 21.

The scholarships, open for one year in any field, are renewable annually upon maintenance of high scholastic standards and good conduct.

The examinations will be administered to all applicants at the following centers: Monday, Jan. 1, from 1 to 3 p.m., at Madonna College, Livonia; Felician Academy, Detroit; and Our Lady of Mt. Carmel, Wyandotte; and on the following Saturday, Jan. 12, at Madonna.

Those who live at a distance from any of these centers may take the examination in their own school under the supervision of their principal.

Students who have previously taken the National Qualifying Scholarship examination on Oct. 24 will not be required to take the competitive examination. However, they are requested to submit a transcript of their scores, since these must meet the college requirements.

Further information may be received upon request from the Dean, Madonna College, Livonia, Michigan.

Vocational Conference Attended by 10 Students

Ten Plymouth High School students and Mr. Walter Goodwin, mathematics teacher, attended the Fall Vocational Guidance Conference for High Schools on Wednesday, November 28, from 9:39 a.m. to 1 p.m. at the Rackham building in Detroit.

David DeCoster, senior; Ray Green, junior; Jerry Hearl, senior; Bob Isbister, junior; Jerry King, senior; Arthur Losse, senior; Mike Stickney, junior; Karl Wehman, senior; Charles Westover, senior; John Williams, senior, were those attending.

The principal speaker at the general assembly was an eminent engineer whose talk was followed by a conference with engineers serving as counselors.

There's nothing you can do to make an individual believe something that he doesn't want to believe.

Isbister to Attend Area School Conference

Russell Isbister, superintendent will represent Plymouth Public Schools at the 10th annual meeting of the Metropolitan Detroit Bureau of Cooperative School Studies. Miss Elizabeth McDonald, a member of the English Committee, will also attend.

Robert E. Schwab, assistant manager of employee relations, Detroit Edison Company, is the speaker. The subject of his address is "Improved Human Relations and Organized Effectiveness."

The meeting is scheduled for Wednesday, December 12, from 3:30 p.m. to 8 p.m. at the Lincoln Elementary School in Livonia. Roy E. Robinson is chairman of the Bureau Executive Board.

All school administrators, school board members and committee members are invited to attend the meeting.

Our public schools present the world's most prodigious project to perfect people.

Many New Scholarships Being Offered to Nation's Graduates

Ninety-eight young men may now enroll in a four year course leading to a bachelor of science degree in business administration, majoring in Motor Transport Management at Tri-State College at Angola, Indiana. This scholarship is worth \$500 per year and is renewable, thus making its total worth \$2,000. This is just one of the many new scholarships available to the graduating class this year.

Some of the others are:

A scholarship for those in the upper 25 per cent of their class in need of financial aid at Lake Forest, Illinois. Applicants take an aptitude test of the college board consisting of English composition, social studies, and one other subject of the students choice.

Scholarships leading to degrees as bachelor of arts, bachelor of arts in business administration, and bachelor of science in medical technology, are available to other students who are academically acceptable and need no financial support. They are being considered for honorary scholarships at the University of Chicago. These scholarships range up to \$1500 per year, the actual amount being determined by the need of the student.

Full tuition and fees, plus \$500 personal expenses will be offered to seniors by the Lockheed Aircraft Corporation, and provided by the Lockheed Leadership Fund for four-year scholarships to 15 of America's leading universities. These are for students interested in private industrial careers. Among them are 10 for engineering majors and five for those specializing in business administration, mathematics, industrial relations, accounting and other subjects connected with the aircraft industry.

Carnegie Institute of Technology in Pittsburgh offers 10 scholarships to men graduates. These provide the following amounts: freshman year, \$1100, sophomore year, \$950, junior year, \$800, and senior year \$800. The current tuition is \$800 with no additional fees. Besides these awards, students may apply for liberal student loans after the first year at the school.

More scholarship information is available to students from Miss Ruth Butts, guidance counselor in the guidance office.

Plymouth High 'Runs in Waves' to Stop Northville

Speed Is The Difference In First Game, 62-44

Plymouth High didn't have much height and no particular individual stars, so the team ran—frantically and all night.

It worked. The Rock basketball team used the surprise tactics to capture a solid 62 to 44 victory over Northville Friday night, in a game there which opened the season for both teams.

Coupled with the strategy was a smart Plymouth shooting average of 28 field goals on 64 shots from the floor. This is 44 percent, and most coaches consider anything over 35 percent a good night. Northville, by contrast, finished at 29 percent with 16 field goals on 55 shots.

"I actually didn't make up my mind to try the plan until shortly before the start of the game," said Coach Ketterer, "and I was a little bit shaky about its chance of success. But we decided to plunge in and see what happened, anyway."

Of the 10 men Plymouth sent on the floor, nine got into the scoring. Veteran Ken Calhoun was the leader with 12 points. John Thomas had 11, Jerry Tait nine, and the rest of the points were spread evenly down the lineup.

Plymouth led all the way, the scoring being 24 to 16 at halftime.

If there was a danger omen, it was that Plymouth made only six free throws in 15 tries, a percentage of 40. Anything under 50 percent is considered unsatisfactory. Northville clicked on 12 of 22 free throws for 55 percent.

To complete a successful evening, the Plymouth Jayvees

Men's Recreation Play Begins On Tuesday

Seven teams are entered, and six will open the season on Tuesday, Dec. 11 in the Men's Recreation, Dec. 11 in the Men's Recreation play three games each Tuesday and Thursday, with one team drawing a bye nightly. Games are at 7:20, 8:45, and 10:10 p.m. Entered are Brader Company, Plymouth Independent, Hickory Farms, Northville Recreation, Beginger Olds, Daisy Manufacturing and Northville Hospital.

dumped the Northville junior varsity, 48 to 36. Myron Hopper scored 17 points and Jim Urquhart and Dave Alasky 10 apiece for the winners.

League competition begins for the varsity this week at Allen Park. The latter opens its season against Ecorse Tuesday, and Rock scouts will be watching. Bentley, the last winter's Suburban Six champion, opened with a victory over Farmington Friday night. Redford Union, reputed to be tough this season, defeated its neighbor high school, Thurston, in a season opener.

Mail Football Contest is Over, More Popular Than Ever

The Plymouth Mail's third annual football contest is over and a summary of the eight weeks of entries shows that the contest is growing more popular each year. Mrs. Jess Underwood, 294 West Ann Arbor trail, was the last winner of the contest series which ended two weeks ago. She was the first member of the "opposite sex" to win first prize money.

Second place in the contest went to Ray F. Bowser, 10011 Stark road, Livonia; and third place to Bonnie Goodale, 47941 Powell road.

Winners three weeks ago were: first, Fletcher Campbell, Jr., 150 Sheldon road; second, John Luther, 15, of 42485 Parkhurst; and third, Charles Orr, 12, of 702 Coolidge.

Around 300 entries were received each week during the contest. It was a big job for editors

to check over the 15-game entries every weekend. Only a few points difference in picking the Detroit Lions scores meant the win or loss for many contestants.

Many readers, while not entering the contest, filled out the weekly entry form for their own amusement. Dozens of entries were sent in by mail each week, some of them from distant points. As long as entries were received in the office or postmarked by 5 p.m. Friday, they were eligible.

Furnishing the prize money of \$15, \$7 and \$3 each week were Bill's Market, Kresge's, Box Bar, Jack Selle Buick, Latture Real Estate, Beyer Rexall Drugs, Davis & Lent, Community Pharmacy, Cloverdale Farms Dairy, Willoughby's Shoes, King Furniture, Hubbs & Gilles, Forest Motor Sales, Clover TV and The Photographic Center.

Bird School Cagers Win First Game

Elementary school Recreation League basketball opened Saturday morning at the high school gymnasium, with these results:

Bird 12, Smith 9
Starkweather 12, Lutheran 3
Canton Hill 19, Allen 13
Dick Schryer of Allen was the leading scorer with nine points contributed to a losing cause. Bryan Schultheis of Smith netted seven points and Hugh Sarah and Ralph Grady of Canton Hill, six apiece.

The league plays every Saturday morning. It is restricted to fifth and sixth graders.

Plymouth Swimmers Set 3 Pool Records in First Meet

Grabbing six first places in 10 events and setting three pool records, Plymouth High's swimming team scored an impressive victory Thursday over Lincoln Park, an opponent that had been un conquered in 23 previous meets.

The score was 59 to 37. First places were won by Plymouth's Gary Wright in the 50 yard free style; Dick Showers in the 100 yard butterfly breaststroke; Art Losse in diving; Wright in individual medley; and by two relay teams.

On the victorious medley relay team were Jim Gregory, Mike Todd, Bob Isbister and Bill Brandell; combining for victory in the freestyle relay were Dennis Baker, John Williams, Jack Taylor and Don Carney.

Lincoln Park's top star was Hank Reest, who surged 200 yards freestyle in 2:02.0 to establish a new pool record. Reest is state champion in the event. Wright tied the pool and team record with a 25.4 clocking in the 50 yard freestyle. Showers set a team record with 1:08.4 in the 100 yard butterfly. Wright also set a team and pool record with 1:40.2 in the 150 yard individual medley. And Plymouth's 200 yard medley relay team set a team and pool record of 1:57.7.

Plymouth's next meet is against Belleville here at 7:30 p.m.

Thursday. A tougher battle looms on Dec. 13 when Plymouth will be host to powerful Birmingham.

Competition in the Suburban Six League will begin after that. This is the Rocks' first season in League swimming.

Garden Residents in Holiday Plans

Well, it looks as if winter finally caught up with us but here in Rosedale Gardens the snow shoveling machine shovels our side walks clean as a whistle, so at least that much misery is taken out of it.

Maryhelen Joan Gilday, daughter of Ed and Vivian Gilday, was christened Sunday, November 25th at St. Michael's Church. Godparents were Ed's sister and brother-in-law, Mr. and Mrs. James Nolan of Wyandotte. Mr. and Mrs. Byron Gilday, Ed's parents, of Monroe, and Mr. and Mrs. George King, Viv's parents, of Detroit were also present at dinner to celebrate the event.

David Gibson, Cranston Ave., attended the General Motor 25-year banquet November 27th.

Bobby Galasa celebrated his birthday Sunday, November 25th with a party at his home, and a trip to Plymouth for the movies. Friends present were Bobby Rutherford, Dale Forest, and Kenny Chion.

Bill and Gretchen Garvey, formerly of Vermont street, dropped in at the Hunters on Vermont street over the Thanksgiving holidays. The Garveys now reside in Saginaw.

Mr. and Mrs. Carley and their children, David and Steven flew in from Indianapolis Wednesday, November 21st to spend the Thanksgiving holidays with Mr. and Mrs. David Gibson of Cranston street. The Gibsons took their company to visit Canada and the Ford Museum.

Rosedale Gardens Civic Association Dancing class is now taking registrations for tap lessons—beginners or intermediate. Class lessons or Semi-private lessons are available, and the instructor is Jimmy Pagonis, who is really the "most" when it comes to personality and dancing. The children all love him, and are really advancing rapidly under his expert instruction. The classes are to be held Saturday mornings at 9:30. For further information call Peg Miquelon at Ga. 1-6132.

If any of you adults are interested in adult ballroom dancing instruction, and want a class formed at clubhouse, please call Ga. 1-6132.

Mr. and Mrs. William Klenk, 32900 Vermont, and their children Larry, Jeff, Barbara, and Paula left Wednesday, November 21st for Wheaton, Illinois to visit Mrs. Klenk's parents for the Thanksgiving holidays.

Sunday, December 2nd a tea was given in honor of Marion Linabury who is leaving to make her home in Chicago after Christmas. Approximately 50 persons attended the tea at the Civic clubhouse which was decorated in pink and silver in a Christmas theme. Hostesses were Mrs. Forest Randall, Mrs. Willis Finn, Mrs. Richard Milliman, and Mrs. John Miquelon. Marion was given a farewell gift of a set of milk glass tea plates by all of her friends who will miss her greatly. Mr. and Mrs. Willis Finn will be moving into Marion's home.

Some of our hunters are back. Mr. and Mrs. Speedy Quick of Vermont street hunted at Iron Mountain, Michigan with Jackie and Kenny Sheldon. Speedy caught a beautiful case of flu, but no deer. Vivian's parents, Mr. and Mrs. Edward Lantz, of Iron Mountain, came home with them and plan to spend the winter in this area.

Jack Sheldon of Louisiana street brought home a buck, and so did Ray Wickman, of Virginia street.

Rosemary and Ed Hilgers, 9914 Westmore had as their guests over the Thanksgiving holidays Rosemary's sister and brother-in-law, Mr. and Mrs. J. W. Klima of Western Springs, Illinois and their children Rosemary and Richard.

A baby shower was given for Mrs. Bette Charland of Fairfield avenue Thursday, November 15th at the home of Mrs. Donna Flickman by Mrs. Flickman and Mrs. Mary Bohm, both of Fairfield avenue. Those attending were Mrs. Marilyn Hall, Mrs. Dolores Harvath, Mrs. Marilyn Wire, Mrs. Jean McCallip, Mrs. Fay Sawicki, Mrs. Lorna Porter, Mrs. Roberta Ross, Mrs. Marilyn Graham of Royal Oak, formerly of Livonia, and Mrs. Betty Anderson of Pontiac. Mrs. Pauline Charland of Walled Lake and Mrs. Shirley Barton of Inkster. A good time was had by all and Mrs. Charland received some very nice gifts for the little one.

Helen Fortney, Vermont street, entertained her club Monday, November 19th. Present were Marie Bonamic, Doris Diederich, Marion Fisher, Mary Ellen Mitchell, Marion Owens, Pat Schroeder, Marion Smith, and Diane Stephens, all of Plymouth, and Bea Otis, of Ypsilanti. This group went to school together and have been getting together every two weeks for about 10 years.

Jackie Sechlin, Westmore street, entertained her club Friday, November 23rd. Members present were Mrs. Harry Blessing, Mrs. George Kolb, Mrs. Don Hay, Mrs. Don Fulkerson, and Miss Saxie Holstein, all of Plymouth; Mrs. Bob Jones of Detroit and Mrs. Betty Bemis of Farmington. The club started plans for their charity work of the season.

Mr. and Mrs. Fred Randall, 11304 Berwick, are the proud parents of a son born at Mt. Carmel hospital November 16th. The baby weighed in at six pounds, nine ounces.

Mrs. Betty Madigon, Vermont street, returned home Wednesday,

November 21st from Key West, Florida, where she has been visiting her mother who is ill.

We have some new people in Rosedale Gardens—Dick and Jane Hammert, of Berwick street. Welcome, folks, hope you join right in and have as much fun as the rest of us in Rosedale!

We went to the Civic Association monthly dance Saturday, November 24th, and aside from freezing to death from the draft from that ever-open front door had a fine time. Can't somebody do something about that door, like putting an old-fashioned spring on it? Anyway, the committee did a fine job of decorating, the theme being "Shine on Harvest Moon" with cornucopias adorning the walls, and a "couple" spooning under the harvest moon, complete with a jug to keep them warm. The Salomonsons, Robinsons, and Hoppes were on the committee. The music was very danceable, and every one seemed to be having a good time.

Jackie and Dave Sechlin, 9913 Westmore, took Cindy to the Thanksgiving parade downtown Thanksgiving morning, then went to the family's traditional Thanksgiving dinner and get-together at the home of Mrs. Florence Abramsohn, Dave's aunt.

The Louisiana Pinochle club met Tuesday, November 20th at the home of Lois Durfee. Present were Gladys Wendt, Anita Griffith, Janet Blanchard, Jerri Casler, Shirley Good, and Beth Thiede.

The Danas, Betty, Gordon and children Laurie, Kris and John, all went to Dearborn for Thanksgiving dinner in a restaurant, guests of Betty's parents, Mr. and Mrs. Leon Starr, of Detroit. These modern gradmas are getting just too, too smart—no cooking, no dish washing, and no left-overs to worry about!

Mrs. Dolores Wineberger, Louisiana street, left her appendix at Harper Hospital recently.

Mrs. Betty Johnston, Vermont street, was confirmed at St. Andrew Episcopal church November 25th.

Mr. and Mrs. John Harte, Cranston, spent Thanksgiving in Pennsylvania with Peg's sister and family, Mr. and Mrs. John La Rosa.

The Women's Missionary Union of Livonia Baptist church met November 23rd at the home of Mrs. Nell Gourieux, 29503 W. Chicago. This group is providing Christmas gifts for 50 patients of Northville State Hospital, and have arranged a Christmas party at the hospital December 21st, featuring caroling, candy and cookies. Anyone who would like to contribute a gift or financial assistance for this project may call their Community Service Chairman, Mrs. Margaret Flanagan, Ga. 2-3549.

Mr. and Mrs. Byron White, Fairfield street, just returned from a 10 day vacation in the Upper Peninsula, where they visited relatives.

Mr. and Mrs. John Bohm and their children John, Jim, and Judy, accompanied by Mrs. Bohm's mother, Mrs. McCallip, went to Chillicothe, Ohio to have Thanksgiving with Mrs. Bohm's sister and brother-in-law, Mr. and Mrs. William Hatfield.

Mr. and Mrs. Frank Wicks, Brookfield will spend the holidays in California. Leaving by plane December 14th, they will visit Mr. and Mrs. Arthur Wicks. Three days have been set aside for a tour of Disneyland, which will make Beverly and Ronald the envy of their playmates, who will have to be content to spend Christmas in the cold, cold North!

Lillian and Bill Forest, Vermont street, had as their guests for the Thanksgiving weekend Mr. and Mrs. Frank Forest of Montley, Michigan and Anna Jane, their daughter. For Thanksgiving dinner the Forest's guest list also included Mrs. Martha Gannon and Mrs. William McGee, of Detroit. Friday, November 23rd Dale and Frank Forest were the guests of Mrs. Gannon for the day in Detroit, where they had lunch, went to see "Oklahoma!" and went to dinner, and wound the day up with a visit to Windsor. Wish we had an aunt like that Dale.

St. Michael Church held open house Sunday from 2 to 4 p.m. in honor of the new priest, Father Thomas McMahon. All the various church groups were present, and refreshments of tea, coffee, and cookies were served.

Mr. and Mrs. Dale Thompson have a new baby girl, we just heard, born about 3 weeks ago, named Linda Ann. The Thompsons live at 31519 W. Chicago.

Jean Gizowski was awarded a certificate by the bowling alley last week for highest over-average number of pins for the week, with 101 pins over her average.

David Gamber, 9 Auburndale street, celebrated his birthday November 16th with cake and ice cream and then took his guests to a movie, with Mr. Gamber officiating. Children present were: Bobby Ritter, Freddy McNulty, Billy Herbst, Tommy and Michael Gamber, Susy Lane, Patty Lorion, Patty Biddinger and Charlene Gamber.

Mike Kobata, 33028 Vermont, reached the ripe, old age of four on November 17th and some of his pals helped him celebrate with ice cream and cake.

Kay and Bob Durivage, 11036 Blackburn, went to Youngstown, Ohio, for Thanksgiving to visit Kay's parents, Mr. and Mrs. Gus Lehnerd, taking along Molly, Peggy and Bobby to join Susie, Mitchie, and Ginny who were already at Grandma and Grandpa Lehnerd's house.

At 7:30 p.m. November 20th the Men's Brotherhood held their monthly meeting at Rosedale Gardens Presbyterian church. Jack Allen gave a talk and demonstration on Hi Frama and the movie "Time and Eternity" was shown. Coffee and dessert was served.

Celia and Travis Hearon, 32810 Vermont, and children Hugh, Pamela and Dennis spent a weekend recently in Toledo, Ohio, the guests of Mr. and Mrs. William Phelps, former residents of Mayfield street in Rosedale Gardens.

Dorothea and Fred Smith and daughter Darby of 9245 Virginia street went to West Virginia for the Thanksgiving holidays and nearly froze to death—the temperature the day they returned being 2 above zero. While they were in West Virginia they picked up an oil portrait of Darby Ann that the artist had just finished, and now have it hanging over their mantel—a lovely portrait of a lovely child.

Norma and Dean Walton of Detroit were the guests of Betty and Gordon Dana, Vermont street, at the Civic monthly dance. The Pomroy's guests were Marilyn and George Yanka, of Detroit.

Before the dance at the clubhouse November 24th there was a pot luck supper at Marie and Oscar Heitner's who live on Berwick street. Those present were the Gammers, Cores, Lorions, Hammerts, and the Cloggs.

Mrs. Jean Stanley, Ingram street, was featured at the Welcome Wagon newcomers club Tuesday, November 27th, when she demonstrated her decorations, small gifts, and floral arrangements for Christmas. Rosemary Hilgers, president, discussed the club's charity work, the children's T.B. unit at Maybury sanatorium, and stressed the need for sleepers and washable toys for these unfortunate tots. Plans were discussed for the Christmas dance December 8th which will be held at the civic clubhouse on Hubbard. This dance is going to have a midnight buffet and information can be obtained by calling Betty Cox, chairman, at Ga. 2-8089. This club meets the third Tuesday of each month in the conference room of the First Federal Bank Building, rear entrance, at 8:00 p.m., and all newcomers in this area are invited.

The Grant P.T.A. held an executive meeting Monday, November 26th at 8:00 p.m. at the school. Those present were Alene Hultquist, president, Nicky Voskiel, teacher vice president, Lenore La Pyrne, mother vice president, Al Rusch, treasurer, Betty Dana, corresponding secretary, Pat Bowers, historian, Vern Patterson, parliamentarian, Mary Lefens, James Green, and Larry Rosenthal, council delegates, and Mrs. Sperry, principal. There was a general discussion on committee and plans for the next meeting, Wednesday, December 5th were made.

The Muscular Dystrophy drive was Thursday, November 29th. Persons in the new area of Rosedale Gardens working on this project were street chairmen Dorothy Rimer, Virginia, Jean Gizowski, south Vermont, Earleen Pomroy, north Vermont, Dorothea Smith, Louisiana, Nancy Snowberger, Oregon, Mrs. Robert Mallison, W. Chicago, Marilyn Pomroy, Woodring. Assisting the street chairmen were Ginny Klenk, Betty Eates, Irene Swain, Mary Lou Fay, and Barbara Amserman. Betty Dana was the chairman for this area.

Sorry to report that little Vickie Nattieu of Vermont street has a full-blown case of chicken pox. Cheer up, Vickie, I'll bet you'll be O.K. for Christmas, and maybe by then sister Susie will take over.

St. Andrews Episcopal church is holding its annual charity benefit tea for the benefit of Livonia Hospital patients Sunday, December 9th from 4 to 6 p.m. This is a real nice affair, and will be in the true Christmas spirit, complete with a Christmas tree, so be sure to be there—children included! Everyone is welcome.

St. Michael Church held open house Sunday from 2 to 4 p.m. in honor of the new priest, Father Thomas McMahon. All the various church groups were present, and refreshments of tea, coffee, and cookies were served.

Mr. and Mrs. Dale Thompson have a new baby girl, we just heard, born about 3 weeks ago, named Linda Ann. The Thompsons live at 31519 W. Chicago.

Mike Kobata, 33028 Vermont, reached the ripe, old age of four on November 17th and some of his pals helped him celebrate with ice cream and cake.

A Christmas party will highlight a meeting of the Bartlett School Mothers club Wednesday evening, December 12, at 8 o'clock at the school.

The program will include a dollar gift exchange for the membership and a 50-cent gift donation for a children's hospital.

Serving on the refreshment committee for this month are Mrs. William Springel, Mrs. Dorothy Wilkie, Mrs. Eugene Armstrong, Mrs. Roger Smith and Mrs. Elmer Krause.

Mr. and Mrs. Peter R. Miller of Ann Arbor trail visited their son, Keith, at Freeport, Illinois, over the Thanksgiving Day week-end. They were accompanied by Miss Phyllis Baker of Lennon. On Thursday they were all dinner guests of Mr. and Mrs. Francis Heinen in Freeport and on Saturday the party drove to Iowa City for the University of Iowa-Notre Dame football game.

MIGHTY BIG for such a little price tag!

Actually costs **Less** than a lot of the low-priced cars!

With this king-sized, brilliantly powered Chieftain Pontiac you can set yourself up in grand style at a cost less than many models of the low-priced three! Here's more than 17 feet of clean-cut Star Flight beauty, solidly placed on a full 122 inches of road-hugging wheelbase, and cradled in Pontiac's exclusive cloud-soft Level-Line Ride.

And when it comes to performance, where else but in the Chieftain Pontiac can you get a 10-to-1 compression ratio, 347 cu. in. Strato-Streak V-8, brilliant successor to last year's champ that broke more than 50 performance marks and led all "eights" in miles per gallon?

And this value-packed new Chieftain comes to you proved by a 100,000-Mile Marathon Test Run that would break the spirit of many another far costlier car.

Come in soon and catch up with the car that caught them all napping—even to the low, low price tag... and enjoy real big-time driving!

There will be a meeting of the Adult Camera club tonight, December 6, at 7:30 at the library.

Northville Junior Chamber of Commerce has invited the public to attend a dinner-dance to be held at the Community Building, Saturday December 8.

The dinner-dance is part of the Jaycees' charter night celebration. The dinner will start at 6:45 p.m., followed by the charter presentation, and the dance at 9 p.m.

Newcomers to Northville are Mr. and Mrs. B. G. Elliot who reside at 672 Thayer with their two children, Barbara, 9, and Mark, 7. The Elliots are former residents of Royal Oak.

A three-time winner is 14-year-old Jay Leavenworth, 538 Randolph.

First winning was a weekly football contest. Next, returning from deer hunting he brought back a six-point buck, shot with a .22 rifle. Last week, Jay won the final football contest, spending his winnings on Christmas gifts.

The Moonlight and Ceramic clubs gave a shower in honor of Leeann Tyé of Oregon, who became the bride of Jack Stinson on Saturday evening. Hostesses were Mrs. Margaret Clinansmith and Mrs. N. Avis.

Mr. and Mrs. William Edmunds of Pontiac trail spent last weekend in Indiana.

PARENTS were invited to join Boy Scout Troop 4 recently to help make Christmas wreaths that the Scouts are selling. The get-together was held at the Presbyterian church.

Gallimore Sewer Bid Approved

Gallimore elementary school, which has suffered every type of set-back possible due to the lack of nearby sanitary sewer facilities, looks again like it is back in business.

Two weeks ago when bids were read from contractors seeking the sewer laying job from the city to the school, it was found that the lowest bidder Ray Welch of Allen Park, did not properly submit his bid. His bid was \$5,000 less than the next lowest.

The city commission, which is handling the job, and the school board, which is paying for it, thought perhaps for \$5,000 the technical error might be waived. Welch had based his bid on five per cent of the contract instead of a flat \$1,500.

At a meeting last week between the two bodies, a representative from the Welch company submitted a letter stating that they wished to withdraw their bid. This settled the question for the commission and school board.

The bid of the next lowest bidder was approved. It was that of the Boam Construction company of Livonia with a bid of \$25,953.40.

Since the sewer must flow uphill to the city's new south-end sewer, a pump is needed and has been ordered. Work is expected to be completed so that the school can be occupied by February.

What became of the young man who started to live his life according to unselfish principles?

The true believer in the merit, or honor system, will accept nothing that he has not earned.

It's a good rule to buy from a merchant who frankly admits he is making a reasonable profit.

SUDDENLY, IT'S 1960

PLYMOUTH...

...AMERICA'S MOST WANTED CAR!

Most stared after, most longed for car in the country! And no wonder! If you're like everybody else, you'll find it hard to believe that this breath-taking new Plymouth is a low-priced car instead of a much more expensive make. And when you see and drive it you'll prove to yourself that this Plymouth is actually three full years ahead of anything in its field. For example, there's the unequalled comfort of Torsion-Aire Ride that tames any road... the surging power of the mightiest V-8 in the low-price 3—now up to 290 hp... the extra safety of Total-Contact Brakes. See this car today and you'll see the car of 1960—at your Plymouth dealer's.

American Legion News

Correction on last week's news. Proceeds from the Toy party went to the general fund and proceeds from the Linen party of \$18 went to the Red Feather drive.

Melva Gardner, president of the Auxiliary, attended the Polio Drive campaign meetings and he dinner. She has been named chairman of the Plymouth Township Polio drive.

Melva Gardner, Marie Thompson, Evelyn Gardner and Fern Burleson attended the 17th District School of Instructions. Peggy Crawford of Redford was hostess and served refreshments after the meeting. Marie Kedle, 3rd Zone vice president, and Lena Hammond, president of the 17th district, presided.

Third Zone Steering committee was held in Flint last Thursday night. Those attending from Plymouth were Chairman Robert Wilson and Ernest Koi.

Our annual monthly visit to the Veterans hospital in Ann Arbor on Thursday night was well attended. Those attending were as follows: Harry Burleson, Phyllis and Vern Miller, Lillian and Donald Kinghorn, Barney Kot and Dorothy Koi. Barney Kot showed a movie on fishing in northern Michigan. We would like to take this time to thank the junior members of the Auxiliary for the favors they made for the veterans. Girls, the fellows really enjoy the things you are doing for them.

The post will again sell Christmas trees. Be sure and buy your tree for them. There will be more about the trees next week. Don't forget the 17th District Christmas dinner at the Redford Township post Friday night, December 7.

Don't forget the Christmas party Sunday. Let's have a good turnout.

The post meeting was held last night and a lot of business was discussed. Let's try to have more members at these meetings.

Don't forget the Auxiliary's meeting December 13 at the Veterans Memorial home.

The Juniors held their regular business meeting yesterday afternoon and started to make their Christmas favors. Keep up the good work, girls.

Don't forget to send your card to Harold Wilson, at the University hospital in Ann Arbor, Room 1106, 4th floor, East Wing. Hurry in and get better so you can come home, Red.

Still time to order your Christmas cards from Maxine Kunz, Phone Ply. 550-R.

Save all newspapers and magazines. Call Vern Miller, 715-W, or Donald Kinghorn, 1026-R, for information or pick up.

Weep not that the world changes—did it keep a stable, changeless state. There's cause indeed to weep.—Bryant.

A CHRISTMAS tree decorated with mittens can be seen at the National Bank of Detroit now. Members of Girl Scout Troop 3 are urging citizens to place mittens on the tree within the next few weeks. Mittens will be distributed to the needy through the Goodfellows. From left are Mrs. E. P. Light, co-leader; Jody Edgar, Genie Light and Helen Otwell.

OUTDOOR NOTES
From The
MICHIGAN DEPARTMENT OF CONSERVATION

Early deer season reports indicate slight declines in the number of hunters afield and in the total deer kill, compared with the 1955 season.

Conservation Department game workers, who have made random checks on hunting activity, report a general decrease in deer kill, due in part to lower hunting pressure and bad weather during the first two days of the November 15-30 season.

Weather conditions improved during the weekend, however, throughout most of the state's deer range and hunting success was running closer to normal.

In the upper peninsula, warmer temperatures were recorded during the weekend and heavy winds subsided. There is snow on the ground in much of the U.P., except in the Straits area and along the Lake Michigan shore.

Hunting success improved along with conditions, after a rather slow start. The number of hunters in the U.P. seems to be somewhat below the 1955 level, but heavier than normal north-bound traffic at the Straits was reported during the weekend.

The general picture was much the same in the northern lower peninsula, when improved hunting conditions brought about heavier kills. There are traces of snow in most districts in the region, but little tracking snow. In general, hunting pressure seems lighter to normal, but good kills are reported in some areas.

At the Rifle River area near Rose City, hunters bagged 35 bucks through Sunday, compared with 24 in the same period last year. Thus far, the Rifle River kill has exceeded the total season kill at the area during each

of the years 1948, 1951 and 1952. Through Sunday night, Conservation Department field workers checked some 1350 antlerless deer taken by special permit holders in Area 2—a seven-county area centering around Baldwin—where a concurrent special season is in effect to take 3000 antlerless deer.

Michigan received 50,000 brook and 50,000 brown trout eggs from Pennsylvania this week to start a long-range, long-planned production of disease-proof, trouble-proof, game and lustrous hatchery trout for Michigan fishermen.

The eggs came from brood stock that were selectively bred to eliminate disease and to encourage better color, flesh and fighting qualities. They were a "gift" of the Pennsylvania Fish Commission. Dr. A. S. Hazzard, assistant executive secretary of the Commission and former head of Michigan's institute for fisheries research, was instrumental in making the egg transfer. The eggs will be hatched at Oden hatchery.

Last month, Wisconsin gave Michigan 50,000 high quality brook trout eggs, now being processed at Thompson hatchery near Manistique, which will probably be used in another phase of the same program.

Michigan has long planned a program of selective breeding with native trout, but to date this has been stifled by a lack of necessary fish, pond space and technical assistance. The brook and brown trout from Pennsylvania and Wisconsin, if they can adapt to Michigan conditions, will be the first important move in the breeding program.

Selectively-bred trout might solve a number of disease and hatchery problems for Michigan and might make it possible to extend the state's trout range to more southern, warmer, waters.

Progress of the program, however, would depend on how soon Michigan could set up tank and pond systems at hatcheries to handle the necessary brood stock. Several years are needed to produce each generation of fish used in selective breeding work.

About one million lake trout eggs were collected from Lake Superior this fall and will be at the Conservation Department's Marquette hatchery.

Thirteen commercial fishermen from Munising and Marquette participated in the cooperative spawn-collection venture.

The total this year was smaller than previous years. The decrease is probably a reflection of sea lamprey devastation to lake trout numbers.

Also, 90,000 eggs were taken from 44 females of the 162 brood stock lake trout being reared at Marquette hatchery. These fish have spawned several year classes of young fish that will provide

eggs and fish in future years to take up the slack being caused by lamprey losses.

And 8000-9000 "splake" eggs are also being processed. These are eggs taken from lake trout and fertilized by brook, or speckled trout.

Banded birds play an important part in game management programs, both on the state and federal level. Hunters can participate in helping their sport by returning these bands to the proper agency.

State and federal conservation workers urge that banded birds be reported by waterfowl hunters and others finding them. If the bird is dead, the band and full information on place and date of recovery should be mailed to the Fish and Wildlife Service, Washington 25, D. C. or the Conservation Department, Lansing 26.

Banding data gives an indication of bird migration routes, life span and other information. The band will be returned to the hunter on request, along with information on the date and place of banding.

Who's New in Plymouth

ARRIVING IN PLYMOUTH last September was the family of the Reverend Charles D. Ide. A native of Grand Rapids, Reverend Ide is pastor of the Church of the Nazarene. He is shown with his son, Dan, 14, (and dog Rusty), daughter Sandra, a student at Olivet Nazarene college, and Mrs. Ide. Reverend Ide was executive field secretary at Olivet for four years and was pastor of a church at Bradenton, Florida three years before coming here. His hobby is golf.

SANTA CLAUS IS IN TOWN... at least he has already arrived at Minerva's store looking as merry and jolly as ever. This striking Santa display has been the subject of many comments from adults and awesome oh's and ah's from the small fry for the past week. This Santa stands over 5 feet in height and moves his head and arms while he chuckles merrily at passers-by.

GIRL SCOUT NEWS

Calling all Brownies and Girl Scouts to help in getting a new vacuum cleaner for the Kiwanis Girl Scout lodge!

Mrs. Harold Shirey tells us that we are greatly in need of one, and possibly might be able to get one with either Plymouth Community stamps or TV stamps. If you or your friends have any of these stamps which you would be willing to turn over to the Girl Scouts, to help get the vacuum cleaner, please contact Mrs. Shirey at 1126-J. If each one of us helps, we should be able to have our vacuum cleaner in the near future.

Intermediate Scouts Troop 6 held a Court of Awards on Monday afternoon, November 26, at our Lady of Good Counsel school. The troop birthday was also celebrated and service stars were awarded. Marcia Randall was inducted as a new member. Mrs. George Hudson and Mrs. Melville Troyer are troop leaders. Gay Shirey is troop reporter.

At a recent meeting of Intermediate Troop 27, Linda Barney was elected president, Nancy

Burley, secretary; Chesterine Stretanski, treasurer; Diane Unger, sunshine girl; and Cindy Evey, scribe. On Monday of this week troop members hung their mittens on the mitten tree in the lobby of the National Bank of Detroit. Later they had a business meeting at Mrs. Albert Horvath's home when plans for a Christmas party were discussed. Mrs. Horvath and Mrs. Hogar Greene are leaders of Troop 27.

Christine Horvath reports that Sherada Erdely and Susan Darnell became new members of Brownie Troop 18 at a recent investiture service. Troop 18 visited the mitten tree yesterday and then made a tour of the bank. Mrs. Phil Barney and Mrs. Harry Larsen are troop leaders.

Mr. and Mrs. John Guettler of Dewey street, returned Sunday evening by plane from a two week's vacation in Mexico, visiting Acapulco and Mexico City.

Mr. and Mrs. Wilson R. Augustine have returned from a vacation trip to New Orleans, La.

Here's Old Fashioned Plum Pudding Recipe

Christmas wouldn't be Christmas around the F. Manford Becker household at 575 Pacific without the traditional appearance of plum pudding. For year his old-fashioned treat has been a familiar item on their Yuletide table, the recipe having originated in England with Mrs. Becker's grandmother.

Though the recipe calls for cooking the pudding in a cloth bag, the Plymouth homemaker recommends steaming it in eight-pound coffee tins or four 2-pound tins. Plum puddings will keep as long as Easter-time is stored in a cool place. Those with home freezers may take advantage of having the puddings available year-round.

Below is the recipe for this old-fashioned treat:

- Plum Pudding**
- 1 lb. large dark raisins
 - 1 lb. small dark raisins
 - 1 lb. mixed candied fruit
 - 1 lb. suet, chopped fine
 - 1 tsp. cinnamon
 - 1 1/2 tsp. ginger
 - 1 tsp. nutmeg
 - 1 tsp. cloves
 - juice of 1 lemon and grated rind
 - dash of salt
 - 1 qt. sweet milk
 - 1 loaf dry bread with crusts removed. Soak in milk overnight
 - 1 cup of sugar
 - 1 tsp. baking powder
 - 2 cups flour
 - 1 cup nutmeats if desired
- Thoroughly mix all ingredients. Place in cloth bag. Sew ends up, allowing enough room for pudding to swell. Boil 8 to 12 hours. When taken out, dip in cold water for an instant. Serve with the following sauce:
- Plum Pudding Sauce**
- 1 cup sugar
 - 1 cup water
 - 1/2 cup butter
 - juice of 1 lemon
 - juice of 1 orange, grating a little of the peel
 - dash of salt
- Combine all ingredients and thicken with corn starch. Serve hot over pudding.

Lutheans Serve Foods Of Native Lands Sunday

Dinners from eight foreign lands will be served this Sunday at the St. Peter's Lutheran church second annual Christmas Fete of the Nations.

Congregation members whose parentage stems back to the eight European nations will prepare and serve the dinners while dressed in their native costumes.

Last year's Christmas Fete drew 450 people.

Nations represented are the Danish, Dutch, English, German, Hungarian, Latvian, Norwegian and Swedish. Pastor Edgar Hoencke states that the affair gives members an opportunity to preserve and return to the old Christmas traditions of their native lands.

Meals will be served from 2 to 4 p.m. and 5 to 7 p.m. It is possible for ticket purchasers to try any or all of the food on the eight menus.

Looking at some of the menu items, the Swedish smorgasbord contains pickle herring, caviar, shrimp, Christmas ham, Swedish potato sausage. There are also meat balls, fish, potatoes, brown beans, cake, cookies, coffee bread and coffee.

The Hungarian menu has chicken paprika, dumplings, sweet and sour lettuce, Hungarian break, dobos torte, wonder crescents, fillings, nuts.

Or if you like German food, the diner may enjoy sour roast, potato dumplings, pig hocks in sauerkraut, etc.

A souvenir menu is given each diner which contains the native and English name for the foods. Tickets, which cost \$2.50, can be secured by calling Miss Hilder Carlson, phone 1276-J.

Meetings Feature Vegetable Topics

Vegetable growers in the Plymouth area are being invited to a series of meetings during the early part of next year sponsored by the Wayne County Agricultural office in Wayne.

Specialists from Michigan State university and other guest speakers will offer their opinion in a variety of topics. Location of each meeting will be announced as soon as arrangements can be made. All will start at 7:30 p.m.

The schedule is as follows:

Tuesday, January 15, "What's New and What's Best in Varieties," with Dr. John Carew, extension vegetable specialist.

Tuesday, February 12, "What fertilizers Your Vegetable Plants need and When," with Dr. Robert Aronius, professor of horticulture.

Tuesday, February 26, "How to know What to Do When About insect Pests," with Dr. Gordon Tupper, entomologist.

Tuesday, March 12, "Hoing out weeds the Easy Chemical Way," with Dr. Stanley Ries, weed control specialist.

Tuesday, March 26, "How Vegetable Growers Can Take Advantage of Soil Building," with Harvey Vetal, office manager, Wayne county ASC committee.

Tuesday, April 9, "What Mrs. Consumer Wants and What the Buyers will Look for this Year," with Jack Tuuk, Michigan State marketing advisor and Ed Beaudet, produce buyer for Wrigley's.

Lions to Observe Leader Dog Week

Plymouth Lions are joining with Lions clubs throughout Michigan in the observance of Leader Dog Week, which has been proclaimed by Governor G. fennen Williams.

During the week Lions are calling attention to the important program being carried on by the famous Leader Dogs for the Blind school located at Rochester, Michigan. A non-profit organization established in 1939, it has trained over 1,000 leader dogs.

Each leader dog has led its master to the door of opportunity where he could make the best use of his abilities.

In his proclamation, the governor points out that "though there is an ever-growing demand for leader dogs, this school has, through intelligent planning, made preparations to satisfy the requests of all those who seek this service."

"In order to acquaint our citizens with this need and with this highly successful program which is supported by contributions from the Michigan United Fund, Lions clubs and outstate organizations, a week is set aside each year as Leader Dog Week."

Lions clubs have sight conservation and aid to the sightless as their chief projects.

Try This Easy Yule Flower Arrangement

Cut flowers can be worked into your holiday decorations in many ways. Here's one suggested by the Michigan State University horticulture department.

The materials you will need are: a flat wicker basket, a block of Oasis or Sno-Pak (new materials available from your florist that hold water), a small vase or bowl to hold the Oasis or Sno-Pak, approximately two and one-half dozen red carnations, seven pine cones, a variety of greens and a can of snow spray.

Oasis or Sno-Pak are materials that hold two to three times their own weight in water and will keep flowers as though they were in regular water. To get water into it, immerse the Oasis in water that completely covers it. Place a heavy object on top of it to keep it submerged. Leave the material in the water for at least one half hour, being sure it is completely covered with water at all times.

Put the Oasis or Sno-Pak containing the water in a small bowl and place it in the middle of the flat basket. In the small dish with the Oasis or Sno-Pak put some water so you won't have to replenish the water very often.

Next spray your greens with the snow spray and then arrange them in any manner you like. The greens used in this particular arrangement are spruce, Scotch Broom (the very tall, thin greenery), Lycopodium and Jade.

Add your carnations to the arrangement by sticking them in the Oasis or Sno-Pak. Your pine cones should be cut off about three-fourths of the way down the cone so that you have something left that looks like an open rose. The cones are the last piece to be added to the arrangement.

Here's Time, Energy-Savers For Holidays

Christmas is fun, but it means added work to prepare extra food, your family and yourself for the occasion. A home management and child development specialist suggests a few time and energy savers for you.

"Preplanning pays off," she states. Start your Christmas planning as soon as you have finished the leftovers of your Thanksgiving turkey. Follow through on your plans, too. For instance, you may empty one drawer to be used to store only Christmas equipment such as special cookie cutters, molds, centerpiece accessories and wrapping materials.

Make room in your kitchen for the added supply of goodies. Your work will be greatly simplified if you check the storage situation in your kitchen now. You will be well organized for the rush.

Rule No. 1: store everything nearest the place it is first used. For example, the flour sifter will be at the mixing center, not near the range; soap powder or detergent needs stored near the sink, not in the mixing center. In some cases there will be duplications you may need the salt at the range just as often as you need it in the mixing center. The answer to your problem is two salt shakers. Extra steps mean wasted time and energy, so make life easier for yourself.

Your freezer will be your best friend during the holiday rush. By bringing your inventory up to date, you will know what you have and what you need to buy. Plan to use those things which have been in the freezer for a long time in your pre-Christmas menus. Then you will be sure to have plenty of room in the freezer for the Christmas turkey, breads, cakes and emergency casseroles to help you through the season.

Old Stand-by

Peanut butter is an old stand-by for filling sandwiches-on-the-go, but by itself it can be pretty monotonous.

By dressing it up with a few tasty ingredients, you'll have tasty combinations that are easy and quick to fix.

Peanut Butter Combos

For tasty sandwich fillings, combine peanut butter with any of the following:

1. Sandwich spread.
2. Salad dressing and minced onion.
3. Honey
4. Cream cheese and sliced stuffed olives.
5. Chopped cooked bacon, chopped pimiento and salad dressing.
6. Chopped raisins, celery and green pepper.
7. Cream cheese and orange marmalade.

All of the above combinations can be made with either plain or crush style peanut butter.

Homemade Candies Add to Christmas Fun

Christmas time is candy time. Whether you are preparing little gifts for neighbors, leaving a snack for Santa or stuffing tiny stockings, homemade candies are always welcome.

The secret to making perfect candy lies in accurate temperature control. In sugar cooking, where exact finishing temperatures are critical, the difference of just two or three degrees can also mean the difference between success and failure.

A reliable candy thermometer, carefully calibrated for candy temperatures, will eliminate the guesswork.

Fondant is one of the simplest and most versatile candies. It can be used to stuff dates, prunes and apricots; melted, it can be used to dip fruits and nuts; or it can be tinted and moulded into a variety of shapes.

Here's the basic recipe:

Put two cups of sugar, two tablespoons of light corn syrup or 1/4 teaspoon cream of tartar and 1 1/2 cups boiling water into a deep, two-quart saucepan. Stir over low heat until sugar dissolves, then bring to a boil. Cover and cook three minutes; uncover and cook without stirring, to soft ball stage (238° F.). Wipe sugar crystals from sides of pan several times during cooking with fork wrapped with damp cloth.

Immediately pour on platter or porcelain table top rinsed with very cold water. Do not scrape pan. Roll until fondant feels only slightly warm to touch; do not move. Scrape fondant from edge of platter toward center with spatula or wooden spoon. Work with spatula until creamy and stiff, then knead until smooth and free from lumps. Wrap in waxed paper; place in covered container to ripen 24 hours. Fondant may be kept in refrigerator 3 to 4 weeks. The ripened fondant is then ready to be used in a variety of ways.

Other candies with a festive air are divinity puffs and rich, delicious chocolate-pecan slices. Perennial favorites include chocolate and white fudge, peanut brittle and popcorn balls. All are easy to make with the aid of a good candy thermometer.

Check Labels Before Buying Fabric Gifts

The wise shopper always reads labels. So, being able to understand them will greatly decrease the time you spend Christmas shopping.

A clothing expert says that the names of quite a few new fibers will appear on labels this season. Among these will be Dynel, Fortisan, Darlan, Acrilan and Arnel. Dynel has high bulking power and can be made into the same articles as wool can. Unlike wool, though, Dynel is washable and dries quickly. Two disadvantages are its properties to collect static electricity and to melt at a very low temperature. You will be likely to find Dynel in mittens, children's snow suits and snow boots and blankets.

A fiber similar to rayon, Fortisan, is very sheer in appearance. A very stable fiber, it is being used mainly for curtains.

When you are looking at jersey, sweater or hand knitting yarn, you are likely to come across the fiber Darlan. Darlan is very similar to Dynel and Dacron. Darlan fabrics need no finishes to improve their dimensional stability. However, water-repellent and anti-static finishes may be added.

Acrilan has been used primarily for blankets, dress fabrics and sweaters. This fiber dries quickly but picks up static electricity. It also discolors when in direct contact with dry heat. Acrilan gives a soft hand, warmth without weight, bulk, drapability and is washable.

Perk Up Party Crinolines

Want to perk up that petticoat or crinoline for the holidays? Carolyn Middleton, textiles and clothing professor at Michigan State university recommends dipping your petticoat in a concentrated form of plastic starch. After dipping, allow the petticoat to dry. Pressing isn't necessary.

The original stiffness of these nylon petticoats is put in by curing resin in the fabric. Since nylon absorbs practically nothing in a water solution, restore stiffness by using a stiff starch solution, a concentrated form of a plastic starch or a gelatin solution which will coat the fabric. Drip-dry the petticoat. Make sure that you do not wring it at all. No wringing or squeezing will increase the chances that enough solution will cling to the surface to stiffen the fabric.

It's a Whiz at Everything a car should do

It turns out that the 1957 Buick is far more than just a brand-new automobile.

It turns out that this stunningly low-styled beauty is a wonderful new whiz at everything a car should do.

It turns out that this new '57 Buick is winning the raves with a new kind of going and a new kind of stopping—a new kind of handling and a new kind of road sureness—a new kind of safety and a new kind of comfort.

We'll be specific. When you press the pedal of a new '57 Buick, the response is literally instant...

Because the high-torque power of a new 364-cubic-inch V8 engine is delivered in the split of a second through a new full-range Variable Pitch Dynaflo* that's immediate in its oil-smooth action.

When you brake to a stop, you and the car stay on a level plane...

Because an ingenious new ball-joint suspension in every '57 Buick virtually ends the down-in-front dip that cars have on sudden stops.

When you take a turn or swing into an "S" curve, you still hug the road like a streamliner on rails—

Because under you is a massive wide-frame new chassis that "nests" the whole car inches closer to the road with the lowest center of gravity in Buick history—yet with no change in road clearance.

And when you sit in the deep comfort of those soft wide seats, you can drive with the pleasant ease of a clear conscience, without watching the speedometer...

Because only in Buick today can you

have an ingenious new Safety-Minder* that acts as a warning sentinel for the miles-per-hour you preset for yourself.

There are many other new things that make this gorgeous Buick a car of limitless wonders—from the bigger and more rakish windshield that makes seeing more relieving, to the extra roominess that's so surprising in this beauty with the sports-car lowness.

But there's nothing like a firsthand sampling to know how modern the newest thing on wheels really is. Come in today for your meeting with the newest Buick yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special Safety-Minder standard on Roadmaster, optional other Series.

What size does Aunt Mary wear?

No worries about size* when you give an automatic blanket for Christmas. You know your gift will be gratefully received because it's the gift that keeps on giving... all-over warmth all night long, all winter long. Someone on your gift list wants an automatic blanket.

*Automatic blankets are available in single and double-bed sizes with single or dual controls and in a wide variety of colors.

TIPS for TEENS

By ELINOR WILLIAMS

Whether "it's cold outside, baby" or not, an indoor winter sports party will be fun for you and your friends.

So if it's your turn to play hostess, or if you'd like to be invited to more parties, give one of your own. This one is a cinch!

Make the invitations yourself, drawing and cutting out pairs of skis (criss-crossed) of gay paper. Tie a bow of ribbon on bright string around the middle of the skis where they cross and attach to this card or slip of paper with the invitation written on it in colored ink.

If you can decorate the room where the party will be, carry out the winter sports theme with pairs of skates and real skis in corners, mittens on the walls, Indian blankets on the chairs. Use winter sports cartoons, illustrations and posters, too . . . and perhaps some "snow" like you use in Christmas decorations. Over the door, hang a big sign, "Ski Lodge."

Similar little skis made of paper or cardboard tied with ribbon can be favors or place cards. Print the guests' names on them. Start the fun with a game that helps everybody "get into the act." As each girl and boy arrives, pin a picture of an unusual object clipped from a newspaper or magazine on her or his back. Every guest must then find out what he is by asking each guest a question about his identity. The others answer only "yes" and "no." Use pictures of such things as a corn plaster, a spool of thread, a bottle of catsup, a jar of pickles, a hamburger, a lobster, etc.

Food? Good, sturdy refreshments go with a winter sports party and are easy to concoct in advance. Hot dogs with cheese melted over them in the oven at the last minute make delicious "cheese dogs". With them, serve a variety of catsup, pickles, chopped onions, relish, mustard. Hot chocolate with a "snowball" of marshmallow floating on top and cake or brownies.

(For more party games, send a stamped, self-addressed envelope to Elinor Williams at this paper.)

HEALTH & BEAUTY

Over 10 per cent of the United States population suffers at least one cold per "season" — a total of over 130 million cold sufferers annually. This is according to officials of Grove Laboratories, Inc., the world's largest manufacturer of cold tablets.

The common cold is a year-around disease, however, it reaches a peak outbreak three times each year. The first high point results from the sniffles and sneezes occurring between mid-September and the end of October. The second, and most severe, takes place between early January and mid-February, while the third occurs from late March to late April.

The latest treatment of a cold is citrus bioflavonoids coupled with vitamin C. Amazing results

with this drug have been accomplished. The relief is noted in these three ways. First, the prompt or gradual subsidence of the usual symptoms of the common cold; next the degree of improvement reported by the patients and the evident remission of his symptoms up to and on the third day after medication; the patient feels much relieved in a general way; whether complications ensued.

Even young children can be given the new bioflavonoids and benefit.

There is still a great deal of work to be done in this field. However, it is a major medical discovery and may some day completely control the common cold.

Men In Service

Bennie D. Montgomery
San Diego, California, (FHTNC) Bennie D. Montgomery, son of Mr. and Mrs. Bennie Montgomery of 1083 North Holbrook, Plymouth, recently completed recruit training at the Marine Corps Recruit depot, San Diego, California. Relatives and friends of many of the new Marines were on hand to witness the graduation ceremonies.

The 12-week training schedule included drill, bayonet training, physical conditioning, parades and ceremonies, and other military subjects.

Three weeks were spent on the rifle range where the recruits fired the M-1 rifle and received instructions in basic Marine infantry weapons.

Thomas W. Rutherford
Thomas W. Rutherford, electrician's mate third class U.S.N., was advanced to his present rate November 16 while serving aboard the Atlantic Fleet submarine USS Sablefish, it was announced this week.

Rutherford, son of Mr. and Mrs. Harvey G. Rutherford of 918 Hartsough street and husband of the former Miss Connie Jewell, also of Plymouth, wears "Silver Dolphins", emblem of the qualified submariner.

Before entering the service in 1955, he graduated from Plymouth high school.

Puppy Hits Car, Flees

Police and an anxious family are searching for a six-month-old puppy named Tuck who ran into the side of a car late Tuesday afternoon and then disappeared down the street.

Belonging to Kevin Huntington, son of Mr. and Mrs. Merle Huntington, 302 Sunset, the puppy may have been slightly injured or stunned when it hit the car. Running up Sunset and down Blanche, the dog, liver and white in color, has not been seen since despite an intensive search.

All the Plymouth gun factories are running night and day to fill their holiday orders.

Mr. and Mrs. S. W. Spicer were greatly surprised Tuesday morning when some 25 relatives and friends gathered at their pleasant home to help them celebrate their fifth wedding anniversary. The dining room was prettily decorated in pink and white, the original wedding colors. Many lovely wooden gifts were left as a memento of the day.

Before purchasing all your holiday gifts call and see the beautiful china and toys on display at Gayde's on the North Side.

MAKE AN EXPANDABLE PLAYPEN

A safe place to play is provided by an outdoor playpen. It can be expanded as the child grows. The sections can be used later for a garden trellis or fence.

The rails and pickets are of 1 by 4-inch lumber cut to the dimensions shown. Use a miter box to make the ends square. Two eyelets are needed in each rail. Center the eyelets by drawing diagonal lines from the corners on the ends of the rails and drilling pilot holes at the intersections. Screw the eyelets in place.

Assemble each section by first finding the mid-point on

the rails. Place the middle picket on the rails at the mid-point. Space the other pickets equally along each rail. Fasten with waterproof glue and 3-penny rustproof nails.

Connect each section with a 1/2 by 3/8-inch rod. Drive the rod 10 inches into the ground to anchor the playpen. Bend the top of the rod to form a small eye.

Sand smooth and round all exposed edges. Finish with a non-toxic paint, or varnish.

Decorate With Holly Cut From Perforated Lincane Aluminum

The delicate texture of the Lincane pattern in sheet aluminum is ideal for making large holly leaves and other decorations. A king-size holly sprig for the door

with red ornaments and a touch of evergreen is a natural. Center pieces or oversized holly wreaths are easily made with these leaves.

First layout a cardboard pattern of the leaf using the one-inch squares for enlarging. For bigger leaves use larger squares. Trace the pattern on the aluminum and cut to shape.

To bend the center vein, grasp the leaf in two hands and fold a little at a time as shown. The side veins are bent over the sharp corner of a table.

Well and Pump Meet Water Need Of Rural Areas

Whatever other problems a move to the country may seem to pose, water supply no longer is one of them if there's water below.

Thanks to modern well drilling techniques and efficiency of electrically-powered pumping equipment, the homeowner who has to provide for his own water supply can count on a source every bit as satisfactory as city-supplied water, the Plumbing and Heating Industries Bureau maintains.

Before buying a lot and building in the country, the availability of ground water in the area should be determined. Once this is settled, papers have been signed and a general contractor engaged to do the building, the next step is to choose a competent well drilling contractor to develop a water source.

When the well is delivering water and has been tested for capacity, it is time to decide on the pump for an electric water system. No pump can deliver water faster than the well can supply it. This emphasizes the need for a test of capacity.

Pump selection is based on (1) sizes needed to deliver water in accordance with carefully calculated requirements; (2) rate of water yield from the well; and (3) capacity needed for fire fighting. The water systems dealer estimates total peak demand, then recommends a somewhat larger sized pump in terms of gallons per hour pumping capacity, to provide a reserve.

It is unwise to size a pump entirely on the basis of current requirements. Needs are bound to grow as families increase in size, adding to the home's water-using automatic appliances for better living. Probable future needs must be given due weight in planning a water system that will be adequate tomorrow as well as today.

Among the natural resources attracting industry to Michigan are vast amounts of iron ore, gypsum, limestone, salt and copper. Union Carbide, Hooker Electrochemical, and DuPont are three industries which recently located in Michigan because of the state's large storerooms of salt and brine.

The buyer who always hunts a bargain fails to realize that he gets just what he pays for, or a little bit less.

Tots' Table and Stools Make an Ideal Gift

Your children will have a real grownup feeling with this sturdy table and stool set, just their size. They're an easy weekend, or evening, project for your workshop.

Cut the legs to length from 3/4" Do-It-Yourself aluminum tubing, 1 1/2" for the table and 7/8" for the stools. Attach the legs and mounting flanges together. Saw the table top to shape and sand

the edges. Make four leg mounting blocks from 3/4" plywood. To assemble the table position the mounting block and screw in place with 1 1/4" #10 F.H. wood screws. Then screw the flanges with legs attached to the bevels of the mounting blocks with two 1 1/4" #10 and two 1" #10 F.H. wood screws. Cut stools to length and plane

corners as shown before sawing out the contour. Then saw and sand the edges smooth. Attach the legs with 3/4" #10 F.H. wood screws. Drill lead and pilot holes to avoid splitting the wood.

Paint stools and table in contrasting colors and your gift is ready. The set above has red stools and a light gray table.

BUILDING and REMODELING NEWS FOR EVERY HOME

How About Giving Fire Extinguisher For Yule Gift?

In the wintertime, it is often tough going for fire apparatus responding to an alarm. Because of this, it would be wise to have firefighting equipment on hand. Don't attempt to fight the fire, of course, until everyone is safely out of the house and you have called the fire department.

Although there is no all-around extinguisher which can be used on every type of fire, the 2 1/2-gallon soda-acid type or 2 1/2-gallon water pump tank will be suitable for most parts of the home. Exception is the kitchen, where because of the danger of fires involving fats or greases, a carbon dioxide or dry chemical extinguisher is preferred.

Whatever type you choose, be sure every extinguisher you buy bears the label of Underwriter's Laboratories, Inc. As soon as you buy one, carefully read directions for operating it. Inspect all extinguishers at least once a year. Follow manufacturer's instructions for refilling.

The modern puzzle is how the old folks managed to raise their children without about a dozen books on child care.

Even Old Homes Can Still be Insulated

It's never too late to insulate. That is what the National Mineral Wool Association says about old homes that for years have been costing their owners from 25 to 40 percent more than they should in fuel bills.

No matter what the age of the home, it is always possible to reduce heat loss by pneumatically blowing mineral wool insulation in loose form into the hollow spaces of walls and ceilings. Skilled workmen can do this by removing and replacing shingles and clapboards, and blowing in the mineral wool fill without muss, fuss or marring the appearance of the building. The whole operation is performed by machine, and the insulation pays for itself within two to five years in lower fuel costs.

Granulated mineral wool is filled with millions of tiny air cells for best insulating value and is pneumatically blown in place. It achieves a uniform density as it fills the space in the walls.

Try Indoor Air Rifle Shooting This Winter

An indoor target for use with an air rifle or B-B gun will help provide safe recreation for Plymouth's young marksmen.

The target box may be made of lumber either 1 inch or 3/4 inch thick. The wood parts of the target box may be cut from two pieces of 1 by 8-inch lumber, 8 feet long, and one piece of 1 by 12-inch lumber, 3 feet long. Use the 1 by 8-inch stock for the bottom, sides and back, cut-

ting each piece to the dimensions shown in the drawings. Rip the 12-inch board to produce the 8 1/4-inch width for the top, and use the remainder to produce the top and bottom rails and the vertical interior strips. Cut out the upper front corner of the side pieces to accommodate the top rail.

Using 6-penny finishing nails and glue, fasten the bottom to the sides, and the back to the sides and bottom.

Fasten the interior strips to the inside of the box using 1-inch No. 16 brads, allowing 5/16-inch clearance between the guides and the rails for insertion of a cardboard sheet. Then fasten the top and bottom rails in place, using 4-penny finishing nails.

To use the target, insert a light cardboard sheet in front of the interior guides. Stuff the area behind the sheet with cotton batting or crumpled newspaper. A regulation paper target may be fastened to the cardboard with thumb tacks or cellophane tape for easy replacement.

The target box may be mounted on a wall with screws or anchor bolts, or hung from basement joists at the desired height. Do not use this box for high powered air pellet guns or for explosive-powered rifles.

Easy Cleaning Suggestions For Your Building Plans

Today's quality home is stain-proof.

In addition, it's resistant to burns, fading, moths, termites,

rugged wear and tear. It's also washable.

The modern house is built primarily for family use and easy maintenance. Realistic home builders are using an increasing amount of easy-to-clean surfacing such as durable ceramic tile for walls and floors.

One reason for these trends is the dwindling supply of domestic servants. Another is the high cost of living, with more women forced to tackle housework by themselves. A third reason is changed living habits; the home once again is the social center and it has to "take it," no matter how many dungaree-clad teenagers there are.

Here are some tips for a stain-proof house.

Install easily washed material such as ceramic tile in every room of the home, including the kitchen, bathroom, rumpus room, nursery, laundry, garage—and the living room.

Reduce perishable, dust-catching furnishings to a minimum, or eliminate them entirely. The same goes for delicate rugs and carpeting.

Substitute smart, dirt-resistant window treatments for delicate fabrics and curtains that need repeated laundering and ironing.

In a house like this, you can live in a pleasant, carefree manner.

THE CLYDE SMITH family, 8010 Newburg road, brought home four bucks and a black bear recently from their camp at Black River Swamp near Alpena. From left are Ralph Gray, future son-in-law; Everett Smith; David Smith, 1333 Newburg; Clyde Smith; and son-in-law Jim Tomlinson, 7830 Newburg. David Smith shot the 300-pound bear a few hours after the season opened, making it perhaps the first bear shot this season in the state.

FIVE CUB SCOUTS from Pack 293 s sponsored by Bird elementary school PTA will soon be full-fledged Boy Scouts. They were among the 700 Detroit area Cubs who recently attended a Webelos Den Day at the Howell Scout Reservation near Brighton. Enjoying themselves at knot-tying, along with other outdoor activities, were, from left, front, Jim Perlongo, Joe Light, Harry Fountain, Skippy Otwell and Denis Knapp. Behind them are Arthur Shepard, Den Dad, Gene Light, Harry Fountain, William Otwell and Elton Knapp.

Fewer Hunters Brought 'em Back

While the majority of Plymouth hunters were luckless in their deer hunting attempts this year, there nevertheless are some who will be eating venison for some time to come.

The Clyde Smith family, for instance, brought back four bucks and a 300-pound bear among the five men hunters. They include Smith and his two sons, a son-in-law and son-in-law-to-be. They reside on Newburg road.

Another very early kill was reported by Bob Fox, 9074 Northern, who got a spike horn buck at 7:45 a.m. on opening day near Cadillac.

One of the biggest rack spreads was brought back by Robert Amos, a long-time Plymouth resident now living in Northville. The rack of his 185-pound buck measured 19 1/2 inches. He hopes to win a contest in Northville with the animal. The state record as of last week was 21 3/4 inches.

An eight point buck was shot by Jim Steel on November 17 in Chippewa county. He lives at 1291 South Harvey. Dressed, the buck weighs 150 pounds.

Named Local Distributor For Ashland Oil Firm

The appointment of Earl Fluelling and Son, 905 Ann Arbor road, as local distributor for Ashland Oil and Refining company was announced recently.

A wholesale distributor for approximately 25 years, Fluelling was previously associated with Hi-Speed and Pure Oil company. He has been a Plymouth businessman and resident for 32 years, starting in business here in 1924 with operation of a Standard Oil retail service station adjacent to Allison Chevrolet on Main street. Fluelling will be assisted in the new distributorship by his son, Douglas.

Offers Safe Winter Driving Rules

"Most people enjoy Christmas shopping, even though it requires effort and money," Police Chief Kenneth Fisher said today. "There's a certain satisfaction in making that last purchase and getting back home to relax—a big task has been completed and they can look forward to Christmas with pleasure, knowing they've done a big share of helping to make it a happy time."

"Motorists who have already prepared their cars for safe driving during the winter months ahead are enjoying a similar satisfaction. They can look forward to winter knowing they've prepared their cars to meet the challenge of snow, ice and cold weather."

But motorists who haven't winterized their cars are in a much more risky position than Christmas shoppers who haven't done more than make out a list. They run the risk of unnecessary injury, even death, for themselves and their families.

Chief Fisher offered these rules for safe winter driving:

1. Avoid skidding by "pump-
2. Get the "feel" of the road when, starting out on slippery mornings by testing your brakes while driving slowly and away from traffic.
3. Never follow the car ahead too closely; allow safe stopping distances to avoid rear-end collisions.
4. Install and use safety belts for yourself and your passengers to minimize injury and possible death in the event of an accident.
5. Be sure of good vision by clearing your windshield and windows of snow and ice and by being sure your windshield wiper blades, defrosters and all lights are in good working condition.
6. Get the best possible traction by using a complete set of reinforced tire chains when needed; they cut stopping distance in half and give four to seven times more traction on packed snow and ice, according to results of tests conducted by the National Safety Council.

All About Baby Sitting

To the Michigan Department of Health, we are indebted for this useful Code of Rules in the vital field of baby-sitting:

RESPONSIBILITIES OF THE FAMILY TO THE BABY SITTER

1. Meet your baby sitter prior to an assignment so that she can know you, your children and your home.
2. Introduce her to the physical setup of your home. Show her how to lock and unlock the doors, where to find the light switches and the telephone, how to regulate the furnace, where to find the child's food, clothing, equipment, playthings.
3. Acquaint her with the schedule of your particular household such as information about mealtime, where the child plays, what time he goes to bed, does he say his prayers, have a story? What ventilation should there be in the bedroom? Are the lights on, does the door remain open? Where is the extra bedding kept?
4. Acquaint sitter with family pets and their habits.
5. Point out the danger spots in your home.
6. Show her where the foods are kept for the child and give instructions about feeding.
7. Instruct her as to whether she may go to sleep pending your return and, if so, where.
8. Have an understanding as to what extras she is to do—wash dishes, iron, etc.
9. Have a clear understanding about the use of your home—whether she may have guests, use the telephone, radio and television, what foods may be eaten.
10. Try to have your child understand he must obey the sitter.
11. Work out an information sheet to be kept near the telephone.
12. Tell her where you may be reached and when you expect to return.
13. Tell a responsible neighbor that you are to be away and would like her to help in case of an emergency that the sitter cannot handle.
14. Have an agreement as to the rate of pay

she is to receive and pay her promptly.

RESPONSIBILITIES OF THE BABY SITTER TO THE FAMILY

1. Have an interview with the parent before accepting the job. This will acquaint you with the children, pets and the home in which you are to work.
2. Let your parents know in advance where you will be working, your telephone number and how you will get home.
3. Know your job. You are to keep the child happy and safe until his parents return.
4. Make sure you are in good health.
5. Be prepared to handle minor hurts and bruises.
6. Ask for a written list of instructions from the parent.
7. Know ways of getting the child to cooperate without threatening or frightening him.
8. Be sure you know your way around the house—where the food is found, how the furnace operates, where the light switches are, and where danger exists.
9. Be clear about the business arrangements when you are hired—references, time of arrival, length of assignment, getting home, amount to be paid and extras to do such as washing dishes, ironing, use of telephone, radio, television, snacks, friends and sleep.
10. Don't be afraid to ask questions before the parent leaves.
11. Know where the parents can be reached.
12. Have the doctor's name to use in case of emergency.
13. Know where the fire department can be reached.
14. Obtain the name and phone number of a relative as well as that of a neighbor whom you might call in an emergency.
15. Do not let strangers into the house.

Korean Bonus Awaiting Many

Missing — 23,000 Michigan veterans! That's the number

who have yet to apply for their state Korean bonus.

Maj. Gen. George C. Moran, state adjutant general, warns that the time is now growing short. According to the terms of the act, formal application must be in the mails before midnight of March 6, 1957.

Except for the stragglers, most of the Michigan bonus money is paid. General Moran states that payments now total more than \$56 million to some 204,170 veterans. There were 3,948 claims rejected and 1,646 are still being processed.

When the state bonus act first took effect, 14 Army officers and 177 civil service employees were needed to handle the avalanche of claims. Now only one officer and 14 civilian employees remain on the staff.

About 35 to 50 claims are received weekly. At this rate only 700 will be received by the March 6 deadline. The question remains: where are the 22,300 other eligible veterans?

"CHRISTMAS TREE BOULEVARD," a stretch of US Highway 27 in Otsego County, is once again open for a one month season that will provide an ultimate \$5 million crop and happiness in thousands of homes throughout the state.

Ordinarily a normal part of the state highway system, Christmas Tree Boulevard gets its name from the many trucker's depots that once each year set up shop, stock-piling the sweet-smelling greenery that means Christmas throughout southern Michigan and parts of Ohio

Some 1,350,000 trees make up the 1956 crop. By Dec. 14 most will be in city lots or already reaching homes for decoration.

While the selling season is short—approximately one month—it is the result of long years of hard work in a risky business. A scotch pine may bring around \$1.75 at depots, but first it must survive eight years of weather, insects and fire.

That \$1.75 isn't all profit either. Such expenses as taxes, spraying, cutting and trucking costs must be deducted first. And there is no accurate guide to anticipate the market in advance. Some years, supply can't begin to meet the demand. Other years the market may be glutted with trees.

The Yuletide tradition that makes the Christmas tree an important part of every home, also makes a valuable annual crop for Michigan.

The "Boiler Room" salesmen are busy again in Michigan.

Latest story comes from Grand Rapids where they sold more than 100,000 booklets supposedly "for" Kent county civil defense. Now the complaints are rolling in to the city's Better Business Bureau.

A boiler room salesman gets his name from the operation he carries on—usually from a temporary office using a telephone to make contacts. In the trade they're called "phonemen."

What's Your Question on World Affairs?

By EDGAR ANSEL MOWRER
"Will you please tell us what percent of Israel comes from the ten tribes and what part from the two tribes, Judah and Benjamin?" (Rev. Joseph M. Johnson, Gold Beach, Ore.)

The Bible speaks of the ten tribes as "lost." The Israeli Embassy informs me that there is no sure evidence of their ever having been found again. So presumably all the Israelis descend from the two tribes of Judah and Benjamin—or from later converts to Judaism.

Mrs. Elva M. Wirth, of Walbridge, Ohio, accuses me of being

"evasive and apologetic" and trying to "defend the aggressive actions of the Jews, British, and French and their unwarranted attack on Egypt." That's the first time I've heard this one so let's set the record straight:

I believe that the Israeli attack upon Egypt was entirely justified in view of the UN's inability or unwillingness to make the Egyptians stop raiding over Israel's borders, and open the Suez Canal and the Gulf of Aqaba to Jewish shipping. Texans would have done something about a similar situation long ago. I think Britain and France should

have asked the UN to stop Egypt's sending of arms to Algeria. Egypt's official exhortations to Black Africans to rise and murder, and Egypt's seizure of the Suez Canal

★ THINKING OUT LOUD ★

One question, sometimes controversial, sometimes personal is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's guests are "thinking out loud" on the question:

"Do you remember how it was that you learned that St. Nick was a myth?"

BRENDA FOREMAN, 9234 Northern: "I found out when I saw mom and dad get stuff out of the closet and put it around the tree. I guess I was six or seven years old."

LARRY COLE, 44206 Shearer Drive: "I was about six or seven years old when I heard my folks talking as they went into the bedroom and brought out the gifts. I then knew it was a fake."

Brenda Larry Carole Mary Jane

CAROLE ANNE NORTH, 444 Jener Place: "There wasn't any single thing that did it. I heard a little here and there and heard kids and mom and dad give away a little bit. I was in the third grade when I found out."

MARY JANE READMAN, 1310 Maple: "I think it came naturally when I heard other kids talking in school."

It's sheer pleasure, in the first degree, to drive an OK Used Car. That's because it's inspected and reconditioned for safety and performance—then dealer-warranted in writing! It gets a big value-verdict, too. You always buy it where volume trading keeps selections high and prices low—at your Chevrolet dealer's.

Only franchised Chevrolet dealers display these famous trademarks.

Give her a bedside telephone this Christmas

Want a really different gift for your wife this Christmas? How about a bedside telephone in the color of her choice?

A color telephone in her bedroom will add charm to her home and increase the comfort and convenience of modern living. No longer will she have to run up and down stairs, or from one end of the house to the other, to answer the phone or make a call.

A bedside telephone costs only pennies a day after a nominal one-time charge for installation. You can have her telephone installed before Christmas or place it under the Christmas tree for installation later at her convenience. In either event, it will be delivered in an attractive gift package.

To order your gift telephone, just call our Business Office.
