

ONE OF THE city's three unprotected railroad crossings was the scene of a fatal accident last Saturday morning. Warren Edward of Plymouth was driving this 1957 stationwagon when it was struck by a passenger train at Holbrook avenue. The car was hurled against the box at right of picture.

Auto Crashes Kill Three Area Men

Auto accidents took the lives of three Plymouth area men during the past week with one of them being the city's first traffic fatality in six years.

Dead in the tragic accidents are: Warren A. Howard, 50, of 240 North Mill street, killed when his car was struck by a train at a Holbrook avenue crossing.

Samuel Glanbin, 68, of 1234 Beck road, killed in New Mexico when a hitchhiker driving his car fell asleep and struck a parked truck.

Rudy Wright, 18, of 48840 Proctor road, died several hours after his car skidded on Cherry Hill road and struck a tree.

Mr. Howard died instantly when a passenger train bound from Detroit to Grand Rapids struck the side of his car at the Holbrook crossing of the Chesapeake & Ohio railroad. It occurred at 9:06 a.m. Saturday. There is no signal at the crossing.

The train, which was slowing down for a stop at the nearby Plymouth depot, slammed into the driver's side of the south-bound 1957 station wagon and threw it against a signal control box nearby.

Mr. Howard, who was foreman of the Secondary Department of Dunn Steel Products division of the Townstead company, had been at work and was on an errand when the accident happened.

The only known witness was Ivan Speers, 920 Holbrook, who was looking down the street and saw Mr. Howard turn off Pearl street and drive onto the crossing. Speers told police that the car was coming at about 25 miles an hour and that it looked like the driver tried to turn to the right to avoid hitting the train but didn't make it.

Speers said that he ran outside to the car and that a man fell out of the front seat. He then returned to his home where his mother called for help.

The tragedy was the first traffic fatality in the city in six years. Chief of Police Kenneth Fisher said that the 1955 award plaque for no traffic fatalities had been received only the day before. The last fatalities occurred in 1950 when a car struck a train on Main street.

Funeral services for Mr. Howard were held at 8 p.m. Tuesday at the Casterline Funeral home in Northville. The Reverend

Autopsy Shows Driver In Mishap Died Of Coronary

An autopsy performed on a Plymouth motorist who died after his car struck a tree along South Main street Monday afternoon has shown that he died of a heart attack, not of injuries from the accident.

He was Richard George Waltz, 43, of 1099 Simpson street. According to a witness, Mr. Waltz had put on the brakes and was pulling off the road when it struck the tree just south of Simpson. It occurred at 4:38 p.m.

Police found him sitting upright but unconscious behind the wheel. He was attempting to get his breath. The fire department rescue truck arrived and oxygen was administered until the ambulance arrived and during the trip to Wayne County General hospital. He was pronounced dead upon arrival at the hospital.

Because there were no apparent signs of injury, an autopsy was performed Tuesday by the Wayne County Medical examiners and it was determined that a heart attack had caused his death. Mrs. Waltz reported that her husband had returned home from work that morning not feeling well. He

Henry J. Walch, D.D., officiated. Cremation was performed Wednesday.

Mr. Howard was born September 26, 1906 in Bay City to Harry and Hilma Howard. Surviving are his wife, Leota; a son, Roger, at home; his mother, Mrs. Harry Howard; and a brother, George, of Bay City.

He came to the community 19 years ago. He was a charter member of the Plymouth B.P.O. Elks and a member of First Presbyterian church in Bay City.

Samuel Glanbin was killed at 5 a.m. last Thursday somewhere in New Mexico as he headed toward Arizona to visit a daughter. He had been in Florida visiting a sister, Mrs. William O'Brien.

According to reports received here, Mr. Glanbin had picked up a hitchhiker and after getting tired, the hitchhiker began driving. The hitchhiker is then believed to have gone to sleep and drove the car into a parked truck. He was seriously injured.

Mr. Glanbin, who retired several years ago as a foreman at the Ford Motor company Rouge plant, lived alone at his Beck road home. His wife, Anastasia, died in February of last year. Born in 1888 in Germany, Mr. Glanbin is survived by four daughters, Mrs. Irene Walling, Mrs. Virginia Urban, Mrs. Beatrice King and Mrs. Viola Novak; a son, Donald Glanbin; two sisters, Mrs. Martha O'Brien and Sister Mary Anastasia; a brother, Leon Urbanak, 21 grand-children and four great grand-children.

To Extend Hours Of License Bureau

With but five weeks left to purchase license plates, the local license bureau at 181 Liberty will start longer hours beginning February 1. They will be open from 9 a.m. to 6 p.m., Mondays through Fridays, and until 5 p.m. on Saturdays.

While trying to get people to buy plates early is always difficult, license bureaus are having more difficulty this year with trucks and trailers. All trucks and trailers must be re-weighed before a license is purchased.

Owners must obtain a registration blank from the license bureau and then take it with their truck or trailer to a weigh station. The completed registration blank is then returned by the owner to secure the license.

Lorenz Named Easter Seal Drive Chairman

Ralph G. Lorenz, manager of the Hotel Mayflower and a member of the Plymouth Rotary club, will again head the annual Easter Seal campaign to help crippled children in the Wayne Out-County area, it was announced today by Lawrence M. Bailey, president of the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults, Inc.

Lorenz, appointed at a recent meeting of the Easter Seal committee will spearhead the annual appeal as campaign chairman, leading efforts to maintain and promote greater services for the physically handicapped children and adults in this area.

The 1957 Easter Seal campaign will open March 15 through April 21.

COFFEE DRINKERS at Barney's Plymouth Grill and Jack's Burgers donated \$83.38 for the March of Dimes last Saturday. Both establishments turned over their coffee proceeds to the campaign. Plymouth Symphony Taking Family to Circus Sunday

Admirers of fine music will be given a day at the circus this Sunday afternoon when the Plymouth Symphony Orchestra presents its annual Family Concert at Plymouth high school.

With the program being built around a circus theme, children of all ages are being invited to attend. The concert starts at 4 o'clock and is open to the public without charge.

The symphony will take its listeners to a day at the circus from dawn on the great day, the welcoming of the circus train, the circus parade, the menagerie and to the big show itself.

A feature of the concert will be the performance of the "Carnival of Animals" with Evelyn Woods and Loretta Petrosky as the featured pianists.

Other music to be played will be the "Dance of the Clowns" by Smetana, "Clouds and Festivals" by Debussy and "Stars and Stripes Forever" by Sousa.

The Family Concert is always one of the most popular programs offered by the Plymouth Symphony during its seasons. This is the fourth concert of the symphony's 11th season. Two more concerts remain—on March 3 and April 7.

Plymouth's 90-piece symphony is conducted by Wayne Dunlap. Rated one of the best symphony orchestras in the state outside the

Commission Debates Rail Crossings, Water Mains

Extension of Water mains at a cost to the city of over \$38,000 and discussion of the unprotected railroad crossings were two of the main items considered by the city commission at their meeting Monday night.

With Plymouth having its first fatal traffic accident in six years at a railroad crossing last week, commissioners

opened a discussion of the city's three unprotected crossings. There has been agitation and discussion in the commission for nearly two years about getting flasher or gate protection for Farmer and Starkweather crossings. Saturday's accident, however, happened at Holbrook avenue.

Starkweather avenue has a crossing guard. The three unprotected crossings are Holbrook, Farmer and York streets. City Manager Albert Glassford said that the C & O railroad is still making plans to install a new signal system, after which they have recommended that the city install flashers. The railroad and city will split the cost of warning installations.

Glassford said there are several alternatives for immediate protection of the York and Holbrook crossings. The streets could be closed at the crossings, or stop signs be erected. He added that the stop signs may be the best answer for the present.

An addition to the water system that will cost a total of nearly \$84,000 was given a go-ahead signal by the commission. Of this amount, subdividers laying out Hough Subdivision No. 2 and Fairlane subdivision will pay \$46,629. The remaining \$38,000 will go for water lines in other parts of the city's west side.

With a map of the city's water line system, Engineer Herald Hamill and Manager Glassford noted the weak points in the system where mains are too small to provide adequate circulation of

water. Commissioners voted to allow Hamill to proceed with plans and specifications.

In other business before the commission:

Lon E. Dickerson, operator of Dickerson Market at Liberty and Starkweather, asked commissioners if something could be done to eliminate the all-day parking on Starkweather. Customers for his and other stores in the area, he noted have a difficult time finding parking.

Tap-in rates and charges for sanitary and storm sewers and water lines will be increased due to a vote taken Monday night. The tap-in fee of \$80 will be raised to \$100 because of increased costs of installation. The sanitary sewer tap-in rate hike will not go into effect until July (Continued on Page 8)

Polio Equipment Being Displayed Friday, Saturday

An adult iron lung, portable chest respirator and a rocking bed will be demonstrated by an expert at West Brothers Nash showroom, 534 Forest Avenue, tomorrow from 10:30 a.m. to 8:30 p.m. and Saturday, from 10 a.m. to 5 p.m. The public is invited.

The demonstration is made possible by the Plymouth March of Dimes committee.

According to Dr. David Dickinson, director of the University of Michigan Respirator Center at Ann Arbor, the March Dimes furnishes equipment of this type for polio patients at the Respirator Center in the University Hospital. Dickinson added that the Respirator Center at Ann Arbor is one of only a few in the United States.

Dickinson continued that the approximate cost of an iron lung is \$1,650, portable chest respirator \$2,150, and rocking bed, \$1,200.

The equipment will be transported to Plymouth by David Galin & Son Furniture and Appliance Store.

Eighty dollars was turned over to the local March of Dimes drive as a result of a VFW Auxiliary and American Legion Auxiliary joint card party held at the VFW Post Hall January 14. Mrs. Harry Bartel, general chairman, said last week that most plans were completed for the Mother's March on Polio to be conducted January 31. However, a few more volunteers are needed, she added.

Anyone wanting to help in the campaign are urged to call a Mother's March chairman. They are Mrs. Charles Olson, city chairman, at 3278, or Mrs. Ray Gardner, Plymouth Township chairman, at 1989-R.

The Mother's March will be from 2 to 4 p.m. in the township, and from 7 to 8 p.m. in Plymouth. There will also be a Teens March for Polio for businessmen from 3 to 6 p.m. on Thursday, January 31, which will be handled by the Senior Girl Scout Troop 5 whose leaders are Mrs. Sheldon Baker and Mrs. Kenneth Hulsing.

Three Local Men March Before Ike

Three Plymouth men, members of the Northville Commandry No. 39, Knights Templar, were among the proud paraders who marched in the inauguration procession before President Eisenhower last Monday.

They were G. Lewis Balch, 615 North Mill, Eldred Huff, 40138 Warren road, and Wang J. Livingston, 41767 Schoolcraft road.

As guests of the Detroit Commandery, they helped form a group of 500 Knights Templar who were praised for their part in the procession.

"It was one of the highlights of a man's life," Huff declared. Boarding two special trains, the group got there at 11:30 a.m. Monday and left at 6 p.m. following the parade.

March of Dimes Fund Hits \$953

A total of \$953.32 has been collected so far in Plymouth's month-long March of Dimes drive to raise \$5,000.

With but one week remaining in the campaign, there is hope for a last-minute surge of generosity to help put the drive over the top. The Mothers March next Thursday is expected to account for much of the money.

Money received so far has come from the following sources: Girl Scout peanut sale, \$344.07; coffee clatch-for-Polio, \$186.12; American Legion-V.F.W. card party, \$80; Barney's Plymouth Grill coffee-for-Polio, \$47.38; Jack's Burgers coffee-for-Polio, \$36; and donations received by mail, \$259.75.

Citizens are being reminded that envelopes received by householders from the March of Dimes will be returned to the local chairman even though the return envelopes contain a Detroit address.

Those who have had a coffee clatch-for-polio can report their donations to Mrs. Earnest Beridge, 496 Irvin. The phone is 1326-W.

To Honor Bowles With Testimonial

Invitations were being extended this week to civic leaders in Western Wayne county communities to attend a testimonial dinner in Plymouth for Judge George E. Bowles of the Wayne Circuit Court.

The dinner, slated for Tuesday, February 5 at the Mayflower hotel, will honor Bowles as the only out-county resident serving on the Wayne Circuit Court.

The program, under the direction of Nat Sibbold of Plymouth, will feature the Honorable Talbot J. Smith, justice of the state supreme court, as speaker.

Invitations, limited to 125 for the dinner, will be extended to representatives of civic, educational, fraternal, religious, service and veteran organizations of Plymouth, Livonia, Northville, Belleville, Redford, Canton, Nanticoke (Continued on Page 8)

First Portion Opened Serves Gallimore Elementary School

Plymouth's \$600,000 sanitary sewer system now under construction went into partial operation this week and is now serving the new James Gallimore Elementary school on Sheldon road.

While the school will not be ready to open "at least by February 4," the long-standing obstacle of getting a sanitary sewer to the school has now been eliminated.

Over six miles of the nine-mile-long sanitary sewer system is now underground. Engineer Herald Hamill said that the part inspected and ready for use today includes the section on Mill street from Ann Arbor Trail to a point just north of Ann Arbor road; and from Mill street westward along Byron avenue to a point west of Smith school.

The sewer has also been laid in most streets in the southern end of the city and these sewers will probably be ready for use sometime next week, Hamill said. Still to be laid are the sewers for Beech, South Main, parts of Sutherland and Hart-sough streets and several other small sections.

Work is now progressing westward from Harvey street along the Tonquish creek toward Sheldon road. It is figured that of the 47,100 feet of sewer to be laid, 14,800 feet remains unfinished.

The George Odien construction company, contractors for the big job, have worked throughout the winter despite snow and some severe cold. Hamill points out that work will continue as long as the weather holds out, we'll have the job finished in two months," the engineer added.

The heart of the sewer system is a pumping station located between Byron avenue and Ann Arbor road in an open field. Two pumps with capacities of 500 gallons a minute are located 26 feet below the ground. Sewage flows to this point by gravity. It is then pumped uphill to Mill street and north on Mill to the established sewer line at Ann Arbor Trail.

The Gallimore School sewer line also must have a pump to get the sewage to the city sewer almost a mile away. Superintendent Russell Ibbister said that the original opening date of the school of January 28 has been postponed "at least a week" to February 4.

He added that floor tile is still being laid and that wash bowls which did not meet specifications had to be replaced and delivery of the faucets is now awaited. There has been one delivery of furniture and more is expected.

When the school opens there will be about 430 pupils enrolled which is already capacity.

City Manager Albert Glassford said that there are many householders in the southern part of the city anxious to get their homes attached to the new sewer. Some report that their seepage beds or septic tanks are not operating and that they must have the new sewer immediately.

As a result of the sewer project, many Plymouth streets have been torn up. It has also caused water mains to break at several points after the ground has settled. The contractor will be responsible for putting the streets back to their original state.

Eaton Named To Key Position

Sterling Eaton, Republican, State Representative from this area, has been appointed to the powerful House State Affairs committee, this newspaper was informed today by telegram from the GOP legislative publicity bureau.

"The appointment to this committee, in Mr. Eaton's case, is unusual in view of the fact that freshman legislators are seldom given this recognition," said the telegram.

Eaton also was named chairman of the mental hospital committee, and was made a member of the public utilities and federal regulations committee.

IT WAS too cold last week for any type of an official opening ceremony but some of those responsible for constructing the city's \$600,000 sanitary sewer were pictured at the entrance to the pumping station. From left are Engineer Herald Hamill; Leon Holda, superintendent for the contractor; Mayor Russell Daans and City Manager Albert Glassford; and Jack Cooper of Plymouth, distributor for Smith-Lovelace corporation, sellers of the pumping unit.

Mr. and Mrs. Claude E. Smith

Claude Smiths Return From Northern Honeymoon

Mr. and Mrs. Claude E. Smith have returned from a honeymoon at Grayling, Michigan, following their marriage on December 29, in the Plymouth Assembly of God church.

The seven o'clock service was read by the Reverend John Walasky before the altar which was graced with vases of white gladioli and pink carnations, palms and lighted tapers.

The Reverend Mel Jennings sang "O Perfect Love," "Because" and "The Lord's Prayer." He was accompanied by Miss Lura Puckett.

Mrs. Smith, who is the former Mildred Redd, chose a gown of white Chantilly lace over slipper satin. The fitted bodice had a sabrina neckline and long sleeves extending to points at the wrists and was adorned with embroidery of sequins and seedpearls around the neckline. The bouffant skirt fell gracefully into a Chapel train and she carried a spray arrangement of white roses. Her fingertip length veil was held in place by a cap of lace edged with seedpearls and rhinestones.

Jean Campbell, sister of the bride, was matron of honor. Her princess style gown was of ice pink with boat neckline, short sleeves and she wore matching mitts and miniature crown. Her flowers were a cascade of red roses.

Bridesmaids, Sharon Reader, cousin of the bride and Margie Baker, niece of the bridegroom, were gowned identical to the honor maid, Debra Smith, niece of the bridegroom, was the flower girl. She wore a short red and white organdy dress. Bobby Smith, nephew of the bridegroom was the ring bearer.

Robert Smith served his brother as best man and seating the guests were Robert and Edward Redd.

Mrs. Redd selected a rose lace over pink satin gown with matching accessories for her daughter's wedding. Mrs. Smith's dress was of grey lace and had a deep yolk of pale pink. Both mothers chose pink rosebuds for their corsages.

Following the ceremony nearly 160 guests attended the reception held at the Odd Fellow Hall. Friends and relatives were present from Northville, Detroit, Livonia, Grand Rapids and Plymouth.

For her northern honeymoon Mrs. Smith wore a winter white knitted sheath dress with matching accessories and a corsage of red Happiness roses.

Mr. and Mrs. Everett Redd of Hanaford road, Plymouth, are the bride's parents and Claude is the son of Mr. and Mrs. Claude A. Smith. The young couple are residing in Northville for the present.

Mrs. Maurice Ferguson and Mrs. Alton Frederick were co-hostesses at a tea at the home of Mrs. Frank Bradsett on Joy road honoring her on her 70th birthday, January 14. Guests included Mrs. Paul Jackson, Mrs. Frederick Leithe, Mrs. Arthur Hersh, Mrs. Charles Hever, Mrs. Kenneth Gyde, Mrs. Howard Goodale and daughter Karen, Mrs. Grant Camphausen, Mrs. Leon Scharmen, Mrs. Otto Kaiser, Mrs. Bert Kahrl, Mrs. Clarence Hix, Mrs. Fred Gantz, Mrs. Allen Campbell and daughter Susan and Mrs. Harold Barnes. High School Junior Competes In County Pie Contest Monday

Geraldine Love, 16, 33065 Ann Arbor Trail, a Plymouth high school junior, and her cousin Marilyn Love, 15, 35254 Bakewell, Wayne, have respectively been named Cherry Pie Baking Champion of Nankin Mills 4-H Club and Wayne High School.

Geraldine and Marilyn will compete in the Wayne County Cherry Pie Baking Finals which will be held in the Home Service Department of Michigan Consolidated Gas Company, Monday, January 28. Judges will announce the winner and crown Wayne County Pie Baking Champion at a press conference Tuesday morning, January 29, at Michigan Consolidated.

Both Geraldine and Marilyn acquired their baking skill at home while cooking and baking for the family. Their 4-H leaders Mrs.

Olive Laginess of Martinsville and Miss Barbara Goral, 3930 Newberry, Wayne, are now coaching them for the County event.

The girl whose home training and experience pays off in the county contest will win \$25 and a free trip to Grand Rapids. All her expenses, and those of her chaperone will be paid by the sponsors, The Michigan Canners and Freezers Association. In Grand Rapids, if she passes the Wayne County test, she will compete against other County champions on February 14 for a \$200 scholarship and the state crown.

Objections To Proposed Alley Heard by Zoners

A proposed alley to run from Brush to Byron streets, behind lots on the west side of Main street, was the subject of considerable discussion before the city planning commission last Thursday night.

Because the lots are now zoned for commercial purposes, the commission is considering an alley behind the lots that would serve future buildings. The alley would be placed on the master thoroughfare plan so that it could be provided at any time.

One of the affected property owners who spoke out against the alley was Dr. G. K. Ashton who operates his chiropractic office on Main street. He pointed out that there is no need for the alley.

The discussion concluded with a decision to study the proposal further.

Also carried over for further study was a proposal to re-zone light manufacturing area along South Mill street for one family residential. David Galin, who erected a small warehouse on a large lot he purchased along the street, has objected to the re-zoning, claiming that it will prevent him from developing the expensive piece of property any further. The re-zoning was requested because of a subdivision being planned west of Mill street.

There was a petition to vacate an alley between Deer and Kellogg streets, south of Wing. Zoners, however, turned the request down, claiming that the business area may someday extend to that area and an alley may be needed.

There was a request from Mr. and Mrs. Jack Lee to re-zone West Ann Arbor trail from residential to professional-residential use. They plan to open a nursery school in

a home along the street. Their request was approved and recommended to the city commission.

There was approval to change the name of Pine street to Harding and McKinley street (on the west side of Garling subdivision No. 1) to South Evergreen.

P. L. Quinn requested that a piece of land along Starkweather avenue at the city limits be changed from C-1 to M-1.

Sterling-Foster Rites Read Last Saturday

Mrs. Marjorie Bush Sterling of Monroe and Harry Mee Foster of 1396 West Ann Arbor Trail, were united in marriage Saturday afternoon.

The ceremony took place at the First Presbyterian church here with the Reverend Henry Welch, D.D., officiating.

Only members of the immediate families and several friends were present.

Former Resident's Engagement Told

Mr. and Mrs. Earl Baker of Lennon, Michigan, announced the engagement of their daughter, Phyllis Eileen, to Keith Allison Miller, son of Mr. and Mrs. Peter R. Miller of 40170 East Ann Arbor Trail, Plymouth.

The bride-elect is a graduate of Owosso High School and received a bachelor of music degree at Michigan State university in 1956. Her sorority is Alpha Omicron Pi. She is a teacher of grade school music in Pontiac.

An alumnus of Plymouth high school, Mr. Miller received a bachelor of science degree in communication arts from Michigan State University where he was affiliated with Phi Kappa Tau fraternity. He was sports editor of The Plymouth Mail in 1948 and 1949, and now resides in Freeport, Illinois, where he is sports editor of The Freeport Journal-Standard.

Mr. Della Bingham of Five Mile road attended the hockey game between the Red Wings and the Rangers in Detroit last Sunday with friends.

LANSING REPORTING

By JOHN SWAINSON (State Senator)

(Editor's Note—With the commencement of a series by State Senator John Swainson this week, this paper now is receiving regular, personal reports of what's happening in the state and national capitols from the elected representatives from this district. Sen. Swainson is a resident of Plymouth, a Democrat, and Leader of the minority party in Lansing.)

BY SEN. JOHN B. SWAINSON
I welcome this opportunity that the publisher of the Plymouth Mail has given to me to bring to you a direct report of functioning of your government in Lansing.

In these days, when freedom has vanished from so many sections of the globe, it is most important that each individual citizen of the United States guard this most precious of gifts. It cannot be stated too often that "eternal vigilance is the price of liberty." It has long been a principle of mine that an informed electorate will be a discriminating electorate and that if the people of the State of Michigan are informed of the affairs of their government, their choice of men and parties will be the correct one.

I fully realize the responsibility that I write this column entails and I shall do all in my power to hold partisan opinions to a minimum. Of course, being a Democrat, my interpretation of the affairs of state will be through the eyes of a Democrat. However, I shall put the facts before the readers of this fine newspaper and the conclusions that they draw will be their own.

I shall at all times welcome any questions that anyone may have and they may be addressed to me, John B. Swainson, State Senator, c/o Plymouth Mail, Plymouth, Michigan.

I would imagine that the big question on the minds of the people of the State of Michigan at this time is the fact that Michigan must seek new means of taxation to erase the red ink from the ledger books.

Like most people, the state has been borrowing this year and hoping to pay the bill out of next year's revenue, but each year brings its own problems, and therefore, in 1957, we ourselves are facing a day of reckoning. The Sales Tax, which was enacted in 1933 as a "stop-gap" measure has become a permanent tax.

What is a Sales Tax, and is it fair? I don't think so. A person earning \$25,000 per year and a person earning \$5,000 a year, pays about the same amount of tax under the Sales Tax.

Why? Sales tax attaches to all commodities that you purchase in Michigan. Both persons mentioned above must eat daily, must use and purchase much the same things. By this, I mean, garden hoses, screwdrivers, meat, food, shoes, writing paper, Christmas cards, etc. Taxation, in my opinion should be judged only on the basis of its equity. Those with the ability to pay should pay more than those with a lesser ability. This is the incentive to earn more money is in no way impaired.

The State Legislature in years past has not (since the depression) faced up to its responsibilities in regard to the re-evaluation of the Michigan Tax Structure. Another unfair tax as placed on the books in 1953, the so-called "Gross Business Receipts Tax," which was again an emergency tax, but in my first year in the Senate, was supposed to end, but instead was amended and became a permanent tax. This tax is written in such a way that a business would be taxed on its gross receipts regardless of whether it showed a net profit or not.

Is this fair for our small business man? I don't think so, but it should be remembered it was conceived, written, and in fact, explained on the floor of the Michigan House of Representatives by the paid lobbyists. They receive the benefits under it, which isn't surprising.

I feel I am the representative of the people and I am going to work towards a tax program that will produce the revenue to provide the State Services the people have indicated they wanted without placing a burden on any one segment of the population.

Now, what is this program AND what is the answer to the fiscal dilemma that the State of Michigan is faced with? I shall give what I think is the answer to this problem next week.

SOCIAL NOTES

The Hough Extension group will meet on January 28 at 8 p.m. in the home of Mrs. Don Schmidt on Lilley road. The lesson on "Health and First Aid in the Home" will be given by Mrs. William Sempliner, leader and her assistant, Mrs. James Allor.

Mr. and Mrs. Harvey McKenna of North Holbrook avenue entertained at a family dinner Sunday at Hillside Inn honoring their son, William, who will enter the United States Army on January 31. On this Sunday William's uncle and aunt, Mr. and Mrs. John McKenna of Orchard Lake will entertain a host of relatives and friends at a skating party and weiner roast for William.

Legion Plans Card Party

The American Legion Post and Auxiliary will resume its monthly series of card parties this Saturday.

Held at 8 p.m. in the Veterans Community Center, the party is open to the public. Tickets may be purchased from members of the Passage-Gayde Post of Auxiliary.

The series of parties has been planned to create a fund for the purchase of American flags for the Plymouth Community schools. They have already been granted permission to supply and raise flags at dedication ceremonies at the new James Gallimore school and St. Mary's of Providence.

school for mentally retarded girls on Beck road.

It is also hoped to do the same for the new junior high school.

Future card parties are scheduled for the last Saturday of each month. Each table will have the choice of games for the evening. Prizes are being awarded. In addition, refreshments will be served at 10:30 p.m.

Mr. and Mrs. James Allor, Mr. and Mrs. John Albertson and Mr. and Mrs. Perry Hix were guests of Mr. and Mrs. Robert Soth Friday evening at a "pancake" supper.

by Carl Peterson

Well, I see where the anti-filibuster bill introduced by Sen. Anderson of New Mexico was defeated. The filibuster is a system of talking a bill to death. As long as a Senator has the floor and keeps talking he can prevent a bill from coming to vote . . . and it doesn't matter what he talks about. He can read, recite, give home recipes or impersonations. Sen. Morse of Oregon once set a record of 22 hours and 26 minutes. That's quite a mess of chit-chat!

Filibustering has hung up more bills than Swift has smoked hams. Talk may be cheap, but not when you're paying nearly a hundred Senators to sit around and listen to it. Nevertheless, there's one thing always seems able to lick an anti-filibuster measure . . . and that's a guster filibuster.

Which reminds us of the fellow who hadn't spoken a word to his wife for 20 years because he was afraid to interrupt her.

A union official in Milwaukee opposed consolidation of garbage and trash collections because garbage grabbers are "specialists." The trash men remained calm and collected.

Social Notes

Mrs. Robert Dirlan entertained members of her Samba group Wednesday evening in her home on Ross street. Twelve guests attended from Livonia and Plymouth.

A luncheon was given Friday by Mrs. Jack Dobbs in her home on Auburn avenue when her grandmother, Mrs. Smith, was the guest of honor. Other guests were Mrs. James Bassett, Mrs. Earl Bassett and son, Richard, Mrs. Warren Bassett and daughter, Michele, Mrs. Theron Talmadge and daughter, Tam, Mrs. Harold Hanson, Mrs. Lester Bassett, Mrs. Edward Bassett and Mrs. Edward Dobbs.

Mrs. Blanche Johnson, Mrs. Autie Cranson and Mrs. Della Matthews were luncheon guests Monday of Mrs. Nina Blunk. The group watched the Inauguration on television.

Mr. and Mrs. Carl Hartwick were pleasantly surprised last Sunday evening when 17 of their neighbors arrived for a potluck supper and housewarming at their new home on Clemons drive. The Hartwicks were presented with a lovely gift from Mrs. Eugene Orndorf, Mr. and Mrs. Walter Abate, Mr. and Mrs. Charles Minehart, Mr. and Mrs. Jack Gage, Mr. and Mrs. Ray Horn, Mrs. Harold Todd, Mr. and Mrs. Fred Kolak, Mr. and Mrs. Harry Bucon and Mr. and Mrs. Steven Veresh and daughter, Judy.

Wallace G. Rush spent last weekend from his studies at Ferris Institute, Big Rapids, with his parents. He was accompanied by Les Buza, Kevin Constantine and Larry Hier, all of Ferris.

Mrs. Deloris Koppen was guest of honor at a stork shower on January 16 given by Mrs. Vincent Ferrari and Mrs. Harold Voss. Games were played and dainty refreshments were served after which the prettily wrapped gifts were opened. Guests included Mrs. Nina Edens, Mrs. Rudolph Koppen, Mrs. Dorothy Wilkie, Mrs. Eugene Ferrari, Mrs. James Julien, Mrs. Willard Bowman and Mrs. Kevin Smith.

Mrs. Guy Higley and Mrs. Edward Dobbs will be joint hostesses Friday at a luncheon in the latter's home on Penniman honoring Mrs. Norman Stanhope. Covers will be laid for 20 ladies.

Mr. and Mrs. M. L. Kirchhoff will leave on February 1 for Florida where they will spend the month stopping in Orlando, Miami and Sarasota.

The Past Counselors club met Monday evening in the home of Mrs. Ray Rorabacher on Union street.

Mrs. Ethel Parmelee is visiting in the home of her daughter, Mrs. Clark Felton and family in Rochester.

Mr. and Mrs. George Baker of Northville have moved from Homer road to Flushing road outside of Flint. Mrs. Baker was formerly Mrs. Mildred Johnson.

Error in Sewer Service Billing Procedure Found

An error has been found in the billing of sewer service charges for city sewer users, City Manager Albert Glassford announced this week, and unfortunately the error is not in favor of the citizenry.

Prior to the enactment of a new sewer ordinance last summer sewer service rates were based only on the amount of water used during a two-month billing period. But the new sewer ordinance also provides that the minimum service charge shall be \$1.50 with the service charge being 10 cents per 1,000 gallons, a household using less than 1,500 gallons of water will be charged \$1.50 as the minimum charge in the future. The average family of five usually uses about 15,000 gallons of water each two months, so will not feel the effect of the minimum charge.

The city accountant, Joseph Near, discovered the error this week. Corrections in billing procedures are being made.

Mrs. W. S. Martin of Ludington visited her mother, Mrs. Della Bingham of Five Mile road last weekend enroute to Fort Lauderdale, Florida.

REGISTRATION FOR Plymouth's 60 Adult education courses will end this week. Director Herbert Woolweaver reminded the public. Woolweaver, with back to camera, is shown signing up members of the Plymouth Theatre Guild which comes under the Adult Education program. Seated are Jackie Ling, left, and Mrs. Jack Scott. If 10 people do not sign up for a class, it cannot be held. Information can be secured by visiting or phoning Woolweaver's office at the high school.

Address on Arab-Jewish Situation Heard by College Banquet Crowd

A crowd of approximately 50 people heard that the Arabic-Jewish situation in Suez can be eased by settlement of Arab refugees in large numbers and a token payment for land and casualties by Israel to the Arab people, when Dr. Bartlett Hess was principal speaker at the University of Michigan Alumni Club's All-College Banquet held at Hillside Inn last Thursday.

Other speakers included Fredk Green, club president; Dr. A. E. Van Ornum, toastmaster; and Joseph Hooper, U of M alumni president who told "What's What in the Alumni Association."

Earl Kelly, district president, covered some of the recent news from the Ninth District while Wendell Miller discussed future events planned by the association.

Dr. Hess, pastor of Ward Memorial Presbyterian church of Detroit, traced the birth of hostilities in Suez to repeated Arab raids, Israel's fear of encirclement of Jordan, bitterness because of the blocking of the Suez Canal by Egypt and the apparent danger of Egypt's Premier Nasser's buildup of a jet airforce.

Church of Jesus Christ To Have Guest Speakers

Guest speakers will appear nightly starting January 27 at the Church of Jesus Christ, Cherry Hill and Canton Center roads.

Starting at 7 p.m., the speakers will be Brother Artell Garrigus of Plymouth and Brother Edward Junior Smith of Garden City. There will be a baptismal ceremony (in the name of Jesus Christ according to Acts 2:38) at the Church Temple in Salem starting at 10:30 a.m. Bishop John H. Merriman will perform the ceremony. For further information, it is possible to phone Garfield 2-4348 or Northville 20-W.

Veterans Foreign Wars

Chairman Barbara Nash would like to thank everyone who helped in any way with the serving of the dinner for the Daisy Employees Credit Union party. From the comments of the people attending the dinner, this was one of the best to be served by the Auxiliary, and so thanks should go to Barbara too for all her work and efforts to make this a successful dinner.

We would like to extend our deepest sympathy to the McLellan family on the death of their mother, Mrs. N. McLellan.

John Moyer has been ill and is in Veterans Hospital Ann Arbor. We would like to express our sympathy to John on the death of his daughter, Alice Perkins. If you are near the hospital or if you can send him a card, it would certainly be a help to him at this time to know that he has friends who are thinking of him and wishing him speedy recovery.

Remember the Post is having a party January 26 and everyone is more than welcome to attend.

Please remember that this is the month for the March of Dimes. Anything you give is badly needed and is always deeply appreciated. Anyone wishing to take part in the Mothers March, January 31 should contact Gerry Olson, if not already contacted.

American Legion News

The Card Party for the benefit of the March of Dimes, Polio Drive, which was sponsored by both Auxiliaries of the V.F.W. and American Legion was a grand success. Thanks to all who worked on this project.

Melva Gardner's "Coffee Clutch" was held Tuesday, January 22 and was a success. The woman there will follow through and have them at their homes during the month of January. All proceeds go to the March of Dimes Polio Drive. Contact Melva Gardner if you can march on the Mother's March on Polio this year. Phone 1989-R.

Attending the Birthday Party at the "Billet" at Otter Lake from the 17th District were: Third Zone Commander Oscar Hammond, 17th District president Lena Hammond of the Lloyd H. Green Post, Northville, and Mrs. Armita Nevins and Mrs. Harlow Tubbs of the Redford Township Unit of Redford. Games were played and candies and treats were given to 95 children and cake and ice cream were enjoyed by all. A special birthday cake and presents were for six children whose birthdays were in January. Every month the birthdays of the children at the Billet are celebrated by different Units of the Districts.

January 31 is the night to visit the V.A. Hospital in Ann Arbor. Hope everyone is ready with their cookies for the boys call Barney Kot for any information or transportation phone 2369. PLEASE NOTE THE DATE FOR HOSPITAL VISIT IS THE 31st INSTEAD OF THE 24th.

Church Women Plan For Day of Prayer

Preparations for the annual World Day of Prayer observance being held this year on March 8 were made at a board meeting of the United Church Women last week.

Represented were six churches, First Methodist, St. John's Episcopal, First Baptist, Assembly of God, Reorganized Church of Jesus Christ of the Latter Day Saints and First Presbyterian.

Mrs. Roy Jacobus was appointed international student chairman. It was noted that the United Church Women are the largest contributors in Michigan to the foreign student work and for migrant workers.

The University of Michigan is one of the top three universities in the nation in foreign student enrollment, having over 1,000. Anyone wishing to entertain a foreign student in their home or at a group meeting can call Mrs. Jacobus at 2798-W.

Whenever an individual thinks he is above the law, it is time to set him straight.

Those who founded the United States would probably be amazed at what it is today.

The deadline date for entry fees in the Legion Bowling Tournament to be held in Battle Creek is February 3. Bowling Chairman Vern Miller urges any member who wishes to participate should contact him within the next week. Call Vern at 715-W.

An American patriot is not a man who thinks that other nations will run with the United States says, "Boo!"

Christian Scientists To Hear New York Speaker

How spiritual understanding of God brings freedom from sin, disease, and discord of every kind will be the topic of a lecture on Christian Science to be given in Livonia Thursday, January 31 by Louise S. Karpen of New York City.

Open to the public without charge, the lecture will be sponsored by members of Fourth Church of Christ, Scientist, 5240 West Chicago Boulevard at 8 p.m. Her subject will be "Christian Science: Its Message of Freedom".

Rock Swimmers Lose One Pointer To State Champs

Plymouth's varsity swimming team dropped their first dual meet of the season last Saturday at Ann Arbor's new pool.

Some consolation to the die-hard swimmers of Coach John McFall was that their conquerors were last year's Class A state swimming champions.

Plymouth outswam and out-pointed the Ann Arbor swimmers right up to the last event—the 200 yd. freestyle relay. Thus far

in the season Plymouth hadn't been beaten in this event but Ann Arbor managed to flash their four freestylers out in front and establish a new pool record, and a one point victory over Plymouth. The final score was 48.5-47.5.

At the completion of the first event Plymouth held a 6-1 lead via Bill Brandell's record shattering victory in the 50 yd. free-

style. His time of 24.7 was good for a pool record and a new team record.

Gary Wright swam to a pool record in the 200 yd. freestyle race. His time was 2:06.5. Bill Brandell finished second behind Gary.

Jim Archer and John Gregory finished second and third respectively in the 100 yd. backstroke. Mike Todd and Jim Cash finished

second and third in the orthodox breaststroke event. Mike's time was also a team record.

Bob Isbister placed second in the 100 yd. butterfly breaststroke and eclipsed a new team record. Jack Taylor copped second in the 100 yd. freestyle.

Plymouth's John Walker placed second in the diving with a total of 179.3 points. Art Losse took third with 177.3. At the end of the diving event Plymouth held a 33.5-28.5 lead.

Rocks Fell Redford, Remain Undefeated

Plymouth's varsity basketball squad, sparked by captain Ken Calhoun, staged a dramatic comeback Friday night to dump Redford Union 58-55 in an important league tilt. Plymouth went into the game leading the Suburban Six league with a 4-0 record. The Panthers of Redford Union were tied with Trenton for second, each boasting 3-1 records.

For the second straight week the game was wide open till the final buzzer went off. From the time the ball went up at center court for the opening jump off to the time the clock ran out to end the game the capacity crowd was in near bedlam.

Redford Union jumped to an early lead and was on the big end of a 29-26 halftime score. Plymouth was able to connect on only 38% of their field goal attempts in the first half. The Rocks earned a 43-43 third period tie and continued the second half hitting at an admirable clip connecting for 55% of their floor shots.

Captain Calhoun scored 29 points to lead his team to their fifth straight league victory. Ken was successful on 14 of 20 field goal tries for an individual pace of 70%.

Ray Crenshaw was high for the losers with 15. Four Redford Union players reached the double figure mark.

Coach Charlie Ketterer spoke cautiously of next week's foe. He said Allen Park is capable of upsetting the apple cart if we go out with an over confident attitude. They're capable of upsetting any team on a good scoring night. We can't afford to take them lightly.

Allen Park will have two graduating seniors playing their last game when the two teams meet on Plymouth's home court tonight.

MIKE TODD of the Plymouth relay team, shown as he dives into Ann Arbor's new pool, helped set a new pool record in the 200 yard medley. Others were Bob Isbister, Don Carney and John Gregory.

Dick Showers captured a third place in the 150 yd. individual medley, and then the team of Bob Isbister, Don Carney, John Gregory and Mike Todd set a new pool record in the team 200 yd. medley relay. The winning time was 1:54.9 which established a new team record.

Plymouth held a slim 43.5-40.5 lead over the Ann Arborites going into the final event which Ann Arbor won with a new pool record. The defeat was Plymouth's first of the season. They now have a 5-1 record.

Scoring for the meet was five points for first place, three for second and one for third. In the team relay events the winners got eight points, the losers four.

The JV swimming squad defeated Trenton 51-45 for their second win of the season, last week. Plymouth took five first with Jack Vincent and Byron Williams both making twin killings. Jack won the 50 and 100 yd. freestyle races and Byron copped the 100 yd. butterfly breaststroke and the individual medley. Bruce Wood took a first in the 200 yd. freestyle. The JV record stands at 2-1.

Plymouth's reserve squad was not quite so fortunate. Redford Union took command in the first quarter and maintained the lead throughout the rest of the play.

Don Alsboro led the JV team with Eddie LaRoach and Myron Hopper pumping in 11 and 10 respectively. Hagen and Fortner had 14 each for the winners.

BASKETBALL

Beglinger Olds continued to lead the Class A Men's league with a 76-47 trouncing of Northville State Hospital. Hickory Farms managed to remain in second spot with a 62-57 victory over Braders. Plymouth Independents climbed to a tie for third slot with a 57-53 win over Northville Recreation.

Bud Nedry paced the strong Beglinger team with 27 points. Bud Lamphear and Jim Bloomhuff contributed 16 and 14 respectively. Winchester garnered 22 for the losers. Beglinger dominated play most of the way.

Ken Kisabeth kept Hickory Farm in contention by dunking in 24 points. Don McMillurray was high for both teams with 30. He hit for 10 field goals and made 10 of 13 free throws.

The Plymouth Independents came from behind last Thursday to score a 57-53 victory over Northville Recreation. Barrett was high for the winners with 12. Bill Lovette and Steve Polino had 13 apiece for the losers.

Jerry Vette, recreation basketball supervisor announced the league will not play tonight because of the scheduled varsity game.

The Class A Men's league standing is as follows:

Beglinger	7	0
Hickory Farms	6	1
Northville S.H.	3	4
Plymouth Independents	3	4
Daisy	2	4
Northville Recreation	2	4
Brader	1	5

Starkweather tightened their hold on first place in the elementary league standings with a 20-5 drubbing of Canton Hill. Ken Wanner was high for the game with 9. Ralph Grady scored 3 for the losers.

Allen, holding down last place, upset Catholic to the tune of 16-10. Tom Nagy pumped in 8 for the victors. Francis Guldbransen had 6 for the losers.

Bird, who didn't play this week, moved into a tie with Catholic, each have 3-2 records. Smith overtook Lutheran as they racked up an 18-11 triumph. Mark Schyltheiss was high point for Smith, while Dick Egloff was the big gun for Lutheran with 5.

Mark Schyltheiss of Smith leads the league in scoring with a total of 43 points. First place Starkweather placed Charles Worthington and Keith Wanner in second and third with 31 and 29 respectively. Dick Egloff of Lutheran has captured fourth slot with a total of 25 and Francis Guldbransen has moved into fifth with 22. Canton Hill's Hugh Sarah has hit for a total of 18.

Plymouth Students to Collect Clothing for Needy Children

Next winter will be a little warmer for many boys and girls—if local students have their way. On February 4-8 they will launch a Bundle Drive to collect good, used clothing for Save the Children Federation to distribute to needy people in this country and overseas.

School Superintendent Russell Isbister urged residents to save discarded garments for the Bundle Drive. He explained that while children's clothing is especially wanted, infant and adult wear are also welcome. Items most needed are long-sleeved sweaters, shirts, pants, dungarees, overalls, hats, knit caps, cotton dresses, underwear, socks, pajamas, cloth coats, sheets, blankets, diapers, baby

shirts, booties, rubbers, over-shoes, and work shoes. Clothing collected here may reach any of several destinations through Save the Children Federation—Southern Appalachian Mountain homes, Navajo Indian hogans, areas here and abroad struck by disasters such as floods, fires, or earthquakes.

Save the Children Federation has held Bundle Drives in American schools for the past 14 years. In its 25th year of serving youngsters, this international agency has national sponsors that include Mrs. Dwight D. Eisenhower, James A. Farley, Henry R. Luce, Sen. H. Alexander Smith, and Thomas J. Watson.

The last drive was held here two years ago.

OBITUARY

Charles Carson

Funeral services for Charles Robert Carson, 85, of Sebawaing, Mich., formerly of Newburg, were held at the Wiltse Funeral Home in Sebawaing on Jan. 17 at 11 a.m. Mr. Carson was born at Mahomet, Ill., on Dec. 7, 1871, the son of Joseph Alexander and Mrs. Mary Elizabeth Carson. He was graduated from the Philadelphia College of Pharmacy in 1893, and later went to Detroit where he had two drug stores.

He was married to Mary Elizabeth Jane Sunderland on Jan. 11 1899 in Toledo, Ohio. They moved to Rochester, Mich., where Mr. Carson purchased a general store in 1908. From 1924 to 1931 they lived in Kuskonago, until they moved to Newburg. They stayed in Newburg until June 1956, when they moved to Sebawaing.

Mr. Carson is survived by his wife; a son, Joseph A. of Port Hope, Mich.; two daughters, Mrs. Marian Kerrick of Garden City, Mich., and Miss Adele G. of Sebawaing; two grandchildren and one great-grandchild.

He is also survived by the children of Mary Josephine Carson; three half brothers, Ben H. of Danville, Ill. and John and James of Mahomet, Ill.; and three half-sisters, Mrs. Elmer Heater of Urbana, Ill., Mrs. Carl Werner of Danville, Ill., and Mrs. Bertha Harriott of Mahomet.

The Rev. James G. Crosby, pastor of the Trinity Evangelical United Brethren Church of Sebawaing officiated. The burial was held at Riverside Cemetery in Plymouth at 4 p.m. Jan. 17.

Albert B. Schroder

Services will be held this Saturday for Albert B. Schroder of 15940 Newburg Road, Livonia, in the Schrader Funeral Home at 1 p.m.

Mr. Schroder, a life resident of Livonia, was a retired farmer and member of the First Methodist Church of Plymouth. He was born Jan. 18, 1877 in Redford Township, son of John and Mary

Ash Schroder. On Dec. 28, 1899 he married Ida M., who died last year.

Mr. Schroder died in Ridge-wood Hospital Wednesday, following a short illness. He is survived by three daughters, Miss Harriett Schroder of Livonia, Mrs. Marion Meredith of Lake Worth, Fla., and Mrs. Gladys Latta of Jackson, Miss.; a son, John Schroder of Livonia; a brother, Louis Schroder of Tampa, Fla.; five grandchildren and two great-grandchildren.

Funeral services will be held at 10 a.m. Wednesday at the Mt. Olivet cemetery.

William Stinson

A heart ailment resulted in the death at 12:10 a.m. Tuesday of William Stinson, retired officer at the Detroit House of Correction, who lived at 11676 Haggerty highway. He died at St. Joseph Mercy Hospital in Ann Arbor at the age of 75.

Mr. Stinson retired three years ago from his job at the House of Correction. He attended First Presbyterian church here. Born September 14, 1881 in Pontypool, Ontario, he was the son of John and Isabelle Cochran Stinson. He was united in marriage to the former Ada Atwood who preceded him in death in 1939.

Surviving are a stepson, James Tambling of Algonac; two sisters Miss Maggie Stinson of Low Banks, Ontario, and Mrs. Anna Hecyk of Menominee; and two brothers, George Stinson of Low Banks and LaVern Stinson of Hamilton, Ontario.

Mr. Stinson came to the community from Canada in 1913. Funeral services will be held tomorrow, Friday, January 25 from the Schrader Funeral home at 1 p.m. The Reverend Henry J. Walch, D.D., will officiate. Interment will be in Oakview cemetery, Royal Oak.

Rudy Paul Wright
Funeral services were held Saturday in Ypsilanti for Rudy Paul Wright who died at 3:30 a.m. last Thursday after his car skidded on an icy pavement and struck a tree five hours earlier. The accident occurred on Cherry Hill road west of Beck road. He died in Wayne County General hospital.

The youth had lived in the Cherry Hill community all of his life. Born on November 18, 1938, he was the son of Clark and Mary Wright. He graduated from Ypsilanti high school last June with an all-A record throughout his schooling.

Employed as a toolmaker apprentice at the GM Transmission plant since November, he was attending evening classes at Henry Ford Community college in Dearborn. He was a member of First Baptist church in Ypsilanti.

Surviving are his parents, two sisters, Suzanne and Wilma, and three brothers, Edward, Roderick and Terry, all at home. Interment was in Cherry Hill cemetery.

To Honor Bowles

kin and Wayne. According to Sibbold, accommodations for nearly 200 will be available following the 7 o'clock dinner.

Bowles, a resident of Plymouth, was recently appointed to the circuit court by Governor G. Mennen Williams. Bowles has served as state chairman for the Labor Mediation Board since 1951. His experience in mediating labor disputes dates back to 1942. He has engaged in general law practice in Detroit and Plymouth since 1945 and was associated with the law firm of Prentiss M. Brown until 1947.

Bowles won wide recognition for his ability as a mediator and his appointment to the circuit court brought wide approval from the metropolitan newspapers.

Commission Debates

The MAIL Attitude

BY PAUL CHANDLER

As is well known, womanhood defies explanation. This week's U. of M. survey offers new confirming evidence.

Our friends on the faculty in Ann Arbor recently interviewed 3,000 teen-age girls on a number of subjects. To one question, a total of 93 percent said they wanted to get married "someday."

But of the whole 3,000, only 3 percent said they wanted to become housewives. And only 7 percent wished to marry men who work in factories, on farms, or at a trade or craft.

Young ladies, the brutal facts of life are that the men you marry aren't going to become the housewives. And all the executive jobs available in the world aren't enough to provide one piece for your ambitious 93 percent.

Some weeks ago I complained about fog in the winter-time hereabouts, but when the big thaw arrived this week—with fog—it was rather welcome. It vindicated my point of view, expressed in the war councils at home, that it was foolish and irrelevant to try to shovel all that snow which piled on all those walks of ours during the blizzard. "It'll only melt right down in a day or so," was my completely logical argument. Well, the cold spell settled for a little longer than I had anticipated and there was beginning to be quite a chill inside the home, as well as outside, all over this shoveling business.

Incidentally, so far as I know, my wife is the original author of the statement, "Have you ever heard of a woman getting a heart attack shoveling snow?" I never have. She says she isn't going to risk—in any way—becoming the first one.

Last week we ran a blank inviting Plymouth-area residents to send in their idea of the five foremost local problems. In the returns which came this week, not a single individual cited the unguarded railroad crossings. The blank appeared again in this issue, close-by the sad news story on page one telling of the fatality at the tracks.

Rotarians of Plymouth last week were tipped off to some income tax things by one from the trust department of National Bank of Detroit, a man with the good American name of Tom Payne. There's no reason the Rotarians should have the ideas all to themselves. Tom Payne said that:

1. Some people in the \$5,000-\$7,000 bracket save money by making their charitable donations twice in one year (as with church or Community Fund) and in that year listing all the various deduction items separately. Then, the following year, when they have practically no such items, they take the standard minimum allowed by the Treasury.
2. Injured persons who remain on their employers payroll can exclude up to \$20 a day from their gross income figure for the period they are absent from work. In case of sickness, as distinguished from injury, a 7 day waiting period is necessary, but then the same rule applies.
3. In giving to charity, persons with stocks that have increased in market value, can give the stock rather than the cash. This way the capital gains tax on the stock is avoided.
4. The "fair market value" of durable goods given for charity is a deduction—such as rugs, furniture, food, etc.
5. Travel charges and other actual expenses, including uniform for civil defense work or charity, constitute a deduction.
6. The rule now is that all medical expenses above 3 percent of gross income may be deducted, instead of the 5 percent limit previously in force. People over 65 can deduct all medical charges.
7. Losses from casualty are deductible, such as wrecking of an automobile, even if you're at fault. Or damage in a flooded basement; or ice damage to shrubs, etc.

"When we were first married, we got along fine," the woman was telling the judge, "but as we were leaving the church, he . . ."

This week I took a trip to Benton Harbor to speak to a group of United Lutheran pastors on the subject of public relations. In the course of the journey we hit two eating establishments which are worth a try if you're going that way.

One is on Washington Street in Ann Arbor, the "Old German Restaurant" and may already be familiar to you. It has a quaint dingy atmosphere and fine, filling German food. If you like this kind of thing, a leading dish is sauerbraten with noodles and dumpling. The public address system plays classical music and the draft beer is imported from Germany. The second restaurant is Win Shuler's glossy new place on US-12 south of St. Joseph. The menu is the same and the food all just as good at his more-famed settlement in Marshall.

Pastors, as a group, are not sure, incidentally, that they should spend a set percentage of their budget for public relations, as do merchants and businesses. They also see no way that the trading stamp craze can be adapted to their purposes—and neither do I.

Girl Takes Part in Show

Barbara Carter was one of the Junior Achievement members shown to go to the Automobile show in Detroit Saturday and explain the J. A. company to the visitors at the show.

On Friday, January 11 Nancy Gibson of Morgan street, Marilyn Gibson of Butterut and Sally Gibson of Gilbert street joined the rest of their Brownie troop and spent the night at the Girl Scout cabin on Plymouth road.

The neighbors of the subdivision wish to extend their sympathy to the Milton Gibson family in the death of Mrs. Gibson's mother, Mrs. Frances Burbank, last Thursday.

The Kahler girls returned home last weekend from their southern vacations. Barbara arrived on Sunday from Florida and Bernice on Saturday from Texas.

The children at Allen school are to receive the polio shots this Thursday and Friday.

Mr. and Mrs. Charles Spaulding of 40375 Gilbert Street attended the Barnes-Gibson-Raymond credit union dinner at Carpenters hall in Detroit Saturday evening.

Mr. and Mrs. Ralph Kranz of 40363 Gilbert street had their family in for Sunday evening dinner. Those present were Mr. and Mrs. Chester Dix and daughter Margie, Junior Kranz, and Mrs. Kranz's cousin, Harley and family.

Remember call 1060R if you have any news or social items. We all like to read what our neighbors are doing and it makes your paper more interesting to read.

Men In Service

Lt. Comdr. Fitch

Lt. Commander Paul B. Fitch, SC, USN, son of Mr. and Mrs. Harry Fitch, of 352 North Main street, Plymouth, is enroute to Japan after being relieved of duty recently at the Bayonne Naval Supply Depot where he served for almost three years.

Two brothers, Dr. G. H. and Dr. Mel G. Fitch also reside at the North Main Street home. Lt. Commander Fitch is to be the supply officer aboard the USS Luzon which has Sasebo, Japan, as its home port. He joined the Navy as an enlisted man in 1932 upon graduation from high school. Married to the former Mildred E. Ricketson and the parents of a three-year-old daughter Sara Beth, the Fitches will visit his wife's parents at El Paso, Texas, until he reports at San Francisco, California, February 18 to depart for Japan.

While at the Bayonne Depot for almost three years, a peninsula that projects two miles into New York Harbor, Lt. Commander Fitch was the storage branch officer. He was also active in local clubs and was a pilot in the Bayonne Squadron of the Civil Air Patrol.

He joined the Navy as an enlisted man and rose through the ranks. During this time he visited lands in all parts of the world including Panama, the Hawaiian Islands, Alaska, Guam, Philippine Islands, Siam, Hong Kong, China, and Russia.

He also attended George Washington University at Washington, D. C.

Cherryhill News Shower Honors Mrs. Thorne

Mrs. Emile LaPointe
GA. 1-2029

A baby shower to honor Mrs. Dorothy Thorne, was given by Mrs. Oscar Gisner at the Gisner home on Newburg road, Wednesday, January 16. Guests present for the evening were Mrs. Marie Kehrer, Mrs. Jean Newbern, Mrs. Millie McCollum, Mrs. Laura Mende, Mrs. Joanne Stanley, Mrs. Phyllis Kehrer, Miss Vicki Pagel, Miss Joanne Feister, Mrs. Betty Ramsey, Mrs. Bernice Bogard, Mrs. Ruby Feister, Mrs. Mildred Howell, Mrs. Helen McCollum, Mrs. Hazel Bissett, Mrs. Lottie Feister, Mrs. Katherine Watt, Miss Blanche Wise and Mrs. Jane Feister. The guests gathered at the supper hour for potluck and the remaining evening was spent playing games.

Mr. and Mrs. Tom Gennis and son Timmie of Detroit were guests in the home of Mr. and Mrs. Arthur Gennis of Joy road.

The songs of the minstrel days were revived again on Friday, January 18, at the Myron Beals Legion hall on Newburg road, with the presentation of the Newburg Methodist church's Men's club Minstrel show. This was the third performance of the show and the 100 people assembled were kept laughing throughout the entire performance. Enid Stannitz and her dancing girls, Connie Mae and Linda Stannitz, Ann York, Sandra Simon, Janet Hocking, and Ann Pregitzer provided the show with that extra sparkle a beautiful dance always brings. David York performed two tap routines to the delight of all assembled. James Mitchell kept the young folks spellbound with his fine impersonation of Uncle Remus.

The talent of Evelyn Shier, Charles Bowen, Henry Fry, Paul Nixon and Leonard Ritzler came out in their entertaining vocal solos. The famed, Newburg quartette composed of Graham Bennett, Leonard Ritzler, Ed Reid and Joe Achor sang "The Old Ark's A Moverin'", "Little Brown Jug" and "I Had a Dream Dear". With the fine accompanist, Mrs. Paul Nixon, presiding at the piano, the show went off with perfection. Ed Reid, director and composer of the script, is being congratulated on the excellent job. The folks in the Newburg area are mighty lucky to have so much talent in its midst.

The Patchen Community club met at the Patchen school on Newburg road, Thursday, January 17 for their regular monthly business and social evening. Members present for the evening, were Lulu Westlake, Mae Blanton, Laura Mende, Eleanor Rucinski, Eleanor DeCoster, Barbara Brown, Georgiana Pregitzer, Edith Gennis, Clarice Nesbitt, Joan Cramb, Florence Peterson, Kathy Feedback and Irene Over-

myer. The ladies played Bunko and Mrs. DeCoster won the first prize, Mrs. Mende won second and Mrs. Peterson received the low prize. The monthly mystery prize was won by Mrs. Overmyer.

Mr. and Mrs. Emil LaPointe and children Bruce, David, Mark and Nan of Joy road were guests in the home of Mr. and Mrs. Walter Baitinger on Prospect road, Ypsilanti, Saturday, January 19.

Mrs. Gene Page of Angeline circle along with 10 of her girls from the Junior Class of the Newburg Methodist church Sunday school, spent Saturday afternoon, January 19, ice skating at the Nankin Mills rink. The young ladies participating in this event were Sharon Hoffman, Cheryl Goerke, Connie Ritzler, Suzanne Quarles, Janice Kenner, Diane Deja, Josephine Mecklenberg, Nancy Austin and Joan Engel. Mrs. Ritzler and Mr. Austin furnished transportation for the group and after the skating activity, all returned to the Page home for hot chocolate and a record session.

Mr. and Mrs. Emil LaPointe and children Bruce, David, Mark and Nan of Joy road visited in the home of Mrs. Matilda Coll on Melrose avenue, Detroit on Sunday, January 20.

The sympathies of the friends and neighbors of the Newburg area are extended to the family of Mrs. James Remy, Sr., of Ann Arbor Trail who passed away this past weekend.

Trio Appears Sunday At Church of God

One of four musical groups touring some 35 states of the nation this summer from Anderson (Ind.) College, the Harmonettes Trio, appears here on Sunday night, January 27, at the Riverside Park Church of God, in Livonia, it was announced today by the Rev. E. B. Jones, pastor. The program of hymns, Gospel songs, and messages by the young singers will begin at 7:30.

Members of the trio are Lois Stephenson, Ellettsville, Ind.; Helen Frost, Miami, Florida; Lotie Berlin, Miami, Florida. Their accompanist will be Shirley Germany, Gulfport, Mississippi.

Beginning June 24 in Indiana, the summer tour schedule takes the singers also to Illinois, Missouri, Oklahoma, Kansas, Colorado, Nebraska, and Iowa.

GIRL SCOUT NEWS

Mrs. Harold Shirey has collected about half the number of TV and Plymouth Community stamps she needs to purchase a vacuum cleaner for the Kwanis Girl Scout lodge. She would appreciate any stamps you or your friends would be able to turn over to her so that our vacuum cleaner could become a reality instead of a dream. Please call her at 1126-J if you have any stamps for the vacuum cleaner.

Lynn Cantrell reports that members of Brownie Troop 7 had an interesting and enjoyable meeting at the Bird School recently when they carved articles out of bars of soap. Mrs. Frank Allison and Mrs. A. E. Van Ornum are troop leaders.

Brownie Troop 25 have been very busy collecting Christmas cards for their sponsors, American Legion Auxiliary, Passage Gayde Post. These cards will be presented by the Auxiliary members to the children at the Lapeer State Home and Training School. Troop members have finished making bird feeders for their feathered friends. They are now making plans for the Scoutorama which will be held in March. Mrs. John Davids and Mrs. Robert Van Meter are leaders of Brownie Troop 25.

Intermediate Troop 26 enjoyed an ice skating party at Wilcox pond on January 4. Troop members have been busy making a wood-covered note-book in which they will keep their badge records. The girls are working on their second class requirements. On Saturday, January 12, the girls joined other Brownies and Girl Scouts in selling peanuts for polio. Mrs. Helen Spence and Mrs. Charles Zoet are troop leaders.

Senior Scout Troop 1 is planning a bake sale for Saturday, January 26, at Kroger's starting at 9:30 a.m. Buy your baked goods for the weekend at this sale! Mrs. Sheldon Baker is troop leader.

Grange Cleanings

The big news is that the "Fun Night" party was a huge success. Good crowd, good supper and a good time was the unanimous verdict. Over 100 sat down to the bountiful supper and pronounced it delicious. Afterward those who cared to play cards did so at tables downstairs. The majority went up stairs for dancing and had a good time.

So there will be another party of the same kind on Feb. 16. It will be called "Open House" and everybody will be welcome. We hope the State Grange Master will be present and perhaps some of the other officers.

The party was a fine success in spite of the cold weather and the difficulty in finding a parking place.

Flora Rathburn and Mildred Collins are in St. Joseph's Hospital at present. Mrs. Carl Blaich was a hospital patient for a short time but is at home now.

Our Grange meeting of the 17th was not as well attended as the one just before, because of the cold and the deep snow. We hope our next meeting will be better. Pot luck you know on Feb. 7—so come and bring a dish to share as your own table service.

There will be a Rummage Sale at the Grange hall on Saturday, Feb. 9, so bring in your donations early. Further details next week.

Mrs. Mollie Tracy, Mrs. Albert Groth, Mr. and Mrs. Thurman Rodman and Philip Rodman were called to Toledo, Ohio Saturday to the funeral of a nephew who was killed.

By R. Roy Pursell

KEEPING UP WITH THE TIMES

If any person will read one good book a month he will soon be classed as a "well-informed" person, one who "knows what's going on" or one who "understands" the news. Newspapers, radio and T-V give one-dimensional view of news—the Events.

Books give three-dimensional insight because they give the history of the growth of that subject so that the reader has a basis for more solid convictions. It is always easy to spot the one who reads the news only—he knows what happened but not why.

"Reflections On The Failure of Socialism" (\$2.75) by Max Eastman is such a book. Lots of people talk about events in this crazy world. You have to read a book like this to understand the pressures that make the events. Communism is still growing in this country—in schools and churches, clubs and civic groups. Why?

One of the foremost American socialists was Max Eastman. In his youth he was an ardent follower of Marx, a confidant of Lenin and Trotsky. For him the Bolshevik Revolution was the beginning of heaven on earth. That greater freedom, that better life would now begin. Max Eastman went to Russia to be a part of this great chapter in history. He saw Communism born. He watched it take shape. He saw how Stalin seized control. He saw freedom die in Russia.

Max Eastman is no longer a socialist. He stuck with the socialist dream as long as he could. Even those years in Russia didn't fully convince him. But facts finally drove out the dream.

In this book Max Eastman points out the one big reason why socialism always has failed and always will fail.

Read this book—loan it to others who want to understand the reasons why Communism grows in a nation of free people.

Plymouth Girl Scout Council Reorganizes; Growth is Cited

At the annual meeting of the Girl Scout Council of Plymouth on January 15, the following officers were elected to two-year terms:

Mrs. Thomas Adams, registrar; Mrs. Claude Gebhardt, treasurer; and Mrs. Melville Trayer, secretary. This will be Mrs. Trayer's second term as secretary.

Mrs. Wayne Rubey was elected program chairman and her committee members will be Mrs. Thomas Thorpe and Mrs. Earl West.

The camping committee will be headed by Mrs. William Edgar who will have as her committee members Mrs. Lloyd England,

Mrs. William Congdon and Mrs. Joseph Merritt.

The Kiwanis Girl Scout lodge will be under the supervision of Mr. and Mrs. Harold Shirey, Mr. and Mrs. Martin Bever, Mr. and Mrs. Kenneth Corey and Mr. and Mrs. Charles Derr.

Mrs. James Hardimon will be in charge of troop organization. Working with her will be Mrs. J. E. Cooper, Mrs. Wendell Lent and Mrs. Joseph Merritt.

Chairman of training will be Mrs. Woodrow Tichy, Mrs. R. E. Houston, Mrs. John Izett and Mrs. Marshall North will be working with her.

Elected to the nominating com-

mittee were Mrs. Edward Kaunis, to, chairman, Mrs. Melvin Blunk, Mrs. William Otwell, Mrs. Charles Zoet and Mrs. Elmer Boer.

Mrs. Lloyd England will serve as president of the leaders club.

There are 427 girls registered as Brownies and Girl Scouts in the Plymouth Council at the present time; 147 adults are registered as board members, leaders and troop committee members. Last year, 374 Brownies and Girl Scouts were registered, and 117 adults.

With the growth of Girl Scouting in the Plymouth Council, there is a continuing need for qualified leaders. Anyone in-

terested in becoming a leader may call Mrs. Sheldon Baker, president of the Council.

Goodwill Industries Trucks To Visit Plymouth Monday

The next visit of Goodwill Industries pick-up trucks to Plymouth is scheduled for Monday, January 28. Local Students To Win Degrees

Five Plymouth people will be among the 1,000 men and women who will receive diplomas at Wayne State University's mid-year commencement exercises, Tuesday, January 29 at 8:30 p.m. in the Masonic Temple Auditorium.

Dr. Clarence B. Hilberry, president of the University, will confer the degrees. Ruth E. Eriksson of 545 W. Ann Arbor Trail will receive her Master of Education, Ben Platnik of 42503 Five Mile will receive his Master of Education, and Arnold Pykas of 747 Blunk also will receive his Masters in Education.

Recipients of the Bachelor of

Science degrees will be Roberta Jane Johnson of 6435 Beck road, and Cecile Taylor of 135 N. Holbrook.

Five honorary doctoral degrees will be conferred by President Hilberry. Citations summarizing the recipients' achievements will be read by Winifred A. Harbison, vice-president for academic administration.

Music will be provided by Wayne's Symphony Orchestra directed by Valter Poole. The January graduating class represents students completing degree requirements last August and this month.

Student Teachers Visit Workshop

A half-day workshop on Handwriting in the Elementary Schools will be held Saturday, January 26, from 1 to 4 in the afternoon at St. Florian Education Center, Poland and Bromback, Ham-track.

Arrangements for this event were made by Sister Mary Bonifilia, community supervisor of Felician schools and member of the Teacher Training Division at Madonna College.

The workshop will be conducted by Miss Ruth Kittle, author of the well known Kittle method in handwriting, and currently associated with the American Book Company in Chicago. Miss Kittle will both explain the techniques of teaching manuscript and cursive writing as well as demonstrate their effective uses in the classroom.

Some 200 religious and lay teachers from the elementary schools conducted by the Felician Sisters and student teachers of Madonna College have thus far registered for the workshop. Others interested, however, are also invited to attend.

The workshop is a part of the in-service program sponsored annually by the Teacher Training Division at Madonna College. Each year emphasis is placed on a different phase of the elementary or secondary school curriculum.

Linda Lent, who attends Western State college in Kalamazoo, spent the week-end at home. On Friday evening Mr. and Mrs. Lent entertained 20 young people, former classmates of Linda while in high school, in celebration of her birthday as a surprise to her. Games were enjoyed during the evening.

The optimist believes in luck; the pessimist in fate.

Mrs. Catharine McLellan
Following a long illness, Mrs. Catharine McLellan, 80, of 917 Simpson, succumbed Saturday, January 12. She was the widow of Neil B. McLellan who died in 1939.

Born in Sheridan township in Huron county, Mrs. McLellan lived many years in Bad Axe. Her husband was a prominent contractor and builder in Michigan. They moved to Plymouth in 1927.

Survivors include four daughters, Mrs. Mary Walsh and Mrs. Christine McVicker of Detroit, Mrs. Flora Yuchas and Miss Sarah McLellan of Plymouth; two sons Matthew McLellan of Pontiac and Donald McLellan of Plymouth.

Two brothers and two sisters also survive. Mrs. Angus McLellan of Bad Axe, Mrs. Angus McIntosh of Detroit, Matthew McIntyre of Bad Axe and Alex McIntyre of Lansing.

Active in civic affairs, Mrs. McLellan was a charter member of the Veterans of Foreign Wars Auxiliary and was its secretary.

The body was at the family home on Simpson street until January 15 when it was moved to the Vinger Funeral home in Uby, Michigan. Services were at St. Columbkille Catholic church in Bad Axe. Reverend John McMillan of Romeo and Reverend John McEachern of Croswell, cousins of the deceased, assisted Reverend Father Wernat at requiem high mass. Interment was in the church cemetery.

Mrs. Frances Burbank
Interment was held Saturday, January 19 at the Parkview Cemetery, Livonia, after a funeral at the Schrader Funeral home for 64-year-old Mrs. Frances Ruth Burbank of 20526 Santa Rosa, Detroit.

Mrs. Burbank is survived by her son; Curtis Chester Wood of Romulus and a daughter; Mrs. Irene B. Gibson of Plymouth.

OBITUARIES

Two sisters, Mrs. Ina Bundo, South Miami, Fla., and Mrs. Emily Roach, Detroit, and two brothers Alec and Christopher Hacker, both of Bad Axe also survive the deceased. There are also eight grandchildren.

Rev. Melbourne I. Johnson, D. D., of the First Methodist church, officiated at the funeral.

Mrs. Blanche Remy

A twenty year resident of the area, Mrs. Blanche Clara Remy, 78, of 37423 Ann Arbor Trail, Livonia, died January 18 at St. Joseph Hospital in Ann Arbor after a long illness.

Married July 24, 1901 to James Remy the deceased is survived by her daughter, Mrs. Agnes Gibson of Angola, Indiana and her two sons, James Jr. and Arthur, both of Livonia.

Mrs. Remy is survived also by two brothers; Edward residing in Wellston, Ohio and Roy of Dennison, Ohio.

The funeral was Saturday, January 19 at the Schrader Funeral Home with Rev. Norman Stanhope officiating. Interment was at Ridgewood Cemetery, Wellston, Ohio.

Mrs. Anna Sprague

Funeral services were held Wednesday, at the Querfeld Funeral Home in Dearborn for Mrs. Anna Sprague, 92, mother of Ort Sprague, 8877 Canton Center Road.

Interment was in Albion Cemetery at Willis, Michigan.

The deceased was born in Greenville, Michigan May 5, 1864. She was the wife of the late Willie Sprague.

Mrs. Sprague is survived by five daughters and three sons. The daughters are: Mrs. Mabel Durham and Mrs. Nina Smith of Dearborn; Mrs. Minnie Smith of Romulus; Mrs. Anna Dolbe of Phoenix, Arizona; Mrs. Milbur Drake of Dayton, Ohio.

Besides Ort Sprague, her surviving sons include Charles and Arthur of Ypsilanti. There are also 48 grandchildren, 40 great grandchildren and 11 great, great grandchildren.

Whenever teaching degenerates into a money-making profession, the cause of education will be lost.

80 Students Now Participating In Occupational Training

Because there are some 80 students participating in the school's Occupational Training program, young folks are now entering that bewildering period of filing income tax returns.

They might be heard to say, "Whew—these taxes sure are high! Don't I get a refund?"

Wages received by those participating in the program have changed from year to year according to the fluctuations in the economic structure in the society concerned.

Between 1937 and 1938 at the beginning of the program, students earned an average rate of 19 cents an hour. Following World War II, in the years between 1946 and 1947 the students received 83 cents, the average rate per hour. And \$1.06 per hour was the average amount made by students during last year 1955-56.

Clubs to Have Pictures Taken

Joan Van Wagoner, senior photography assistant, and Donna Guideau, senior photography assistant of the school annual, will be in charge of the picture taking of school clubs and organizations all day January 31 and February 1.

A representative from the H. A. Powell studio of Detroit will be here to take the pictures in the high school auditorium.

Pictures of the clubs will also be on sale at some later date to all students who wish to purchase one.

Powell Studios also took senior class pictures and these faculty during the early fall.

Approximately 80 students participate in the program today while representing many different fields of work. Twenty-six students are in the trade and industrial field, 25 in the retailing occupation while another 25 do office work.

AN ORDINANCE TO AMEND THE ZONING MAP OF THE ZONING ORDINANCE TOWNSHIP OF CANTON WAYNE COUNTY, MICHIGAN

WHEREAS, The Zoning Board of the Township of Canton has in the exercise of its functions determined certain portions of the said Township should be rezoned, and the said Zoning Board after a public hearing has recommended to the Township Board that certain changes in the said Zoning Ordinance be made, and the said Township Zoning Board having notified the Coordinating Zoning Committee of the Wayne County Board of Supervisors, and the said Committee having failed to make any objections to the said change,

ON MOTION of Elmer Schultz supported by Philip Dingeldey, the following Ordinance was adopted: AN ORDINANCE TO AMEND THE ZONING MAP OF THE CANTON TOWNSHIP ZONING ORDINANCE ENTITLED:

"An Ordinance to regulate the use of land, natural resources and structures; to regulate and restrict the location of land and structures, including tents, trailer coaches and other temporary structures, designed for trade, industry, agriculture, residence or other specified uses; to regulate and limit the height, the area, the size and location of structures hereafter to be erected or altered; to regulate and determine the area of yards, courts or other spaces; and for such purpose to divide the Township into districts and zones; to provide for the administration and enforcement of the provisions of this Ordinance and to prescribe penalties for any violation thereof."

IT IS HEREBY ORDAINED by the People of Canton Township, Wayne County, Michigan, that the Zoning Ordinance of the Township of Canton entitled:

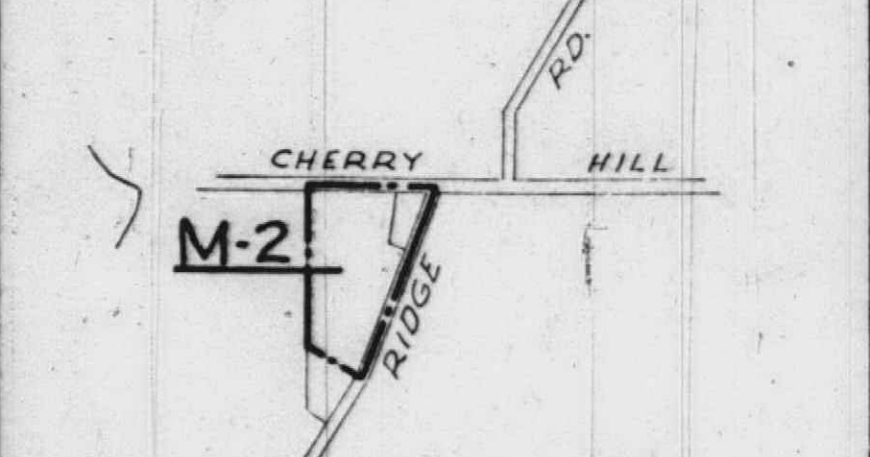

"An Ordinance to regulate the use of land, natural resources and structures; to regulate and restrict the location of land and structures, including tents, trailer coaches and other temporary structures, designed for trade, industry, agriculture, residence or other specified uses; to regulate and limit the height, the area, the size and location of structures hereafter to be erected or altered; to regulate and determine the area of yards, courts or other open spaces; and for such purpose to divide the Township into districts and zones; to provide for the administration and enforcement of the provisions of this Ordinance and to prescribe penalties for any violation thereof,"

be and the same is hereby amended in the following particulars:

Sec. 1. To change the Southwest corner of Cherry Hill and Ridge Roads, being part of the Northwest quarter of Section 19, from C and R-1-H to M-2 in accordance with amended Zoning Map No. 18.

Sec. 2. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed, but only to the extent necessary to give this Ordinance full force and effect.

Sec. 3. This Ordinance shall become effective thirty (30) days after its publication.

State Representative

The legislature is now back in session after a week's adjournment. Because members of the Senate and the House must meet concurrently under the State Constitution, the week's vacation was caused by a recount the Senate had to conduct in the Upper Peninsula, and the fact that several Senate committees had to visit State institutions around the State before starting work on the budget for the coming year.

During the week's recess I couldn't help reading in all of the papers about the great financial problem facing the tax payers in regard to the schools of Michigan. It reminded me of a visit we made last fall to Dartmouth College in Hanover, N.H. where, in the middle of this most picturesque campus, sits the oldest dormitory now in use in United States. I couldn't help but compare it with beautiful, gilded multi-million dollar halls recently opened on the campus of Michigan State.

Last summer I visited at University of Missouri in Columbia, Mo. There I found in action probably the greatest journalism school in all the world, located if you please, in buildings so old the stairs actually creaked as you went up and down.

It made me wonder . . . and I firmly believe that a student attending classes or living in these antiquated structures probably gets just as good an education as the one basking in the glamorous, modern edifices; all which prompts me to say . . . probably one way to still provide education for our greatly increasing student population . . . and not completely wreck the State's budget and the tax-payers pocket book, might be to provide adequate facilities built at a much more economical level.

I am of the opinion that if our student population is to double in the next 10 or 15 years we probably will find higher tuition and higher student living cost a factor which

cannot be avoided. However, every Michigan youth is entitled to an education and it is our responsibility to provide it. The fact remains just the same, that sometime in the very near future someone or somebody has to take the bull by the horns and face this problem on a more practical basis.

Though the Legislature cannot actually direct the affairs and expenditures of our great institutions of learning it holds a powerful club in the awarding of funds for their operation, as well as in the operation of our secondary schools.

I certainly realize that ability in our teaching profession is a necessity and more money must be provided to raise its standards. On the other hand a college conducting classes in Quonset huts and providing bare, barrack type dormitories, with other necessary teaching aids, could turn out graduates comparable in ability and training to any from the splendid halls of learning which are arising around the country today.

I don't feel it is necessary to provide class rooms and living quarters more luxurious than most students are used to at home. Certainly in this modern age of accomplishment we all are striving for bigger and better things but in the places where economy could be affected, especially for the taxpayer's benefit, I firmly believe it my responsibility as an elected representative of the people to look for, and bring about if possible, pressure in some degree to stop this snow ball, not only in education but other lines as well on the local level.

Perhaps Secretary of the Treasury Humphrey is more than right in saying, "If we don't stop spending we may face a depression which will curl your hair". However, in my particular case this isn't much of a threat, I have very few hairs left to curl, but I'll bet I can find a lot of help in trying to save a few of the tax payer's dollars.

Lawmakers Have Minimum Debate, MSU Study Finds

Only one in four bills before the Michigan Legislature receives any debate, reports a Michigan State University speech specialist who studied a recent session. Dr. Fred G. Alexander, assistant professor of speech, conducted a study of the 1953 legislative session to determine the influence of debate on measures passed or defeated by Michigan lawmakers. Some 783 bills came before the session.

About half of the measures passed after debate could be classified as non-important, Dr. Alexander commented, and he estimated that of measures passed without debate, about one-fourth might be termed important.

Lack of debate, the M.S.U. professor said, does not mean that the legislators necessarily were negligent in serving the public interest. There are numerous instances, he said, in which debate on a measure is unnecessary—as in the case of routine business which appears regularly every session.

It must be remembered, he added, that discussion and debate are not confined to the floor, but occur in hearings, in committee and caucus meetings. Some bills, he noted, are too technical for the average legislator to debate, and with more than 700 bills proposed, some were bound to be neglected.

The most influential legislators, usually senators, were those who debated most actively, Dr. Alexander found. Influential speakers, he said, were more likely to speak for than against a bill.

Well? Indeed

His wife began to laugh at him. "You silly," she said: "Fancy being superstitious after all these years! Why, do you remember the first time we met. We walked under a ladder, and you said you were sure something horrible would happen to you."

Community Fund Board Members Omitted in Story

Two names were unintentionally omitted from the list of those who were re-elected to the board of directors of the Plymouth Community Fund. They are Mrs. Claude Gebhardt and Thomas Rossette, both of whom have served one year terms on the board and were re-elected for three years.

The board held its annual re-organizational meeting last week and a report of the meeting appeared last Thursday.

The reason some people talk while others sing is that without the conversation they could hear the singing.

You'll learn on a turn—
It's low for MORE than looks alone
it snugs the car to the road. How it cuts down the sideways. How it gives you the safe-and-sure-footed steadiness of four wheels always on the road.
That's because these sweet-handling, sweet-riding beauties give you the lowest center of gravity in Buick annals—born of a brilliantly engineered new chassis that "nests" your ride low and steady as you go.
But the core of this new Buick's story is the action you get.
You get action that stems from the instant response of an advanced new Variable Pitch Dynaflo* so able and obedient and full-range in "Drive," even without a switch of the pitch, that the need for "Low" is virtually eliminated.
And it's action that's sparked by a brilliant new V8 engine of 364-cubic-inch capacity, of record-high horsepower and compression, and of almost complete freedom from vibration.

As you can plainly see, the gorgeous new 1957 Buicks are low—low to match the sleek silhouette of their modern sports-car styling—
Lower than any Buick in history—by as much as nearly four inches—and, mind you, with more interior room and without sacrificing an inch in road clearance.
But you'll soon learn that this sleek new lowness does more than add beauty to the Buick look. It brings new greatness to the Buick ride.
First time you twist 'round a corner or snake into an "S" curve, you'll learn how this new Buick's new lowness tames the turns. How

SMOOTH and responsive!
Only car in the world with Variable Pitch Dynaflo!

Safety News
Only Buick has the Safety-Minder*—a simple device that's a great boon to your safety. You merely press the miles-per-hour you want. When you reach that pace, a warning buzzer sounds. Drop below that pace and the buzzer stops.
Safety Reminder
If you miss your turn-off on a highway, don't jam on your brakes. Just go on to the next exit. *Put it along*

So come in to see and sample all that's new in these newest Buicks yet—all that's new in styling—new in ride and handling—new in power and performance—new in roominess, safety, luxury and fun. Do that—before another sun sets!

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Favorite Recipes From Plymouth's Kitchens

MRS. MAURICE EVANS is shown kneading the dough to make her buttermilk biscuits.

'Unwritten' Biscuit Recipe Finally Written

When Mrs. Maurice Evans, 610 Adams street, was asked to contribute a recipe, she hesitated for a while, for Mrs. Evans is one of those cooks who works without the written word. This recipe for buttermilk biscuits, like most all of her recipes, was learned from her mother while a small girl. This was probably the first time she had ever stopped to write it down.

Buttermilk Biscuits
2 cups flour
1 heaping tablespoon shortening
1/4 teaspoon soda
1 tablespoon baking powder
1 teaspoon salt
1 1/4 cups buttermilk
Mix flour, salt, soda, baking powder, shortening and then add milk. Mix well. Then roll out and cut out the biscuits. Bake at 450 degrees for 10 or 12 minutes. Makes 18 biscuits.

Everything's growing in these parts ... including The Prudential

Wherever you look there are signs of growth. One sure sign is Prudential's new sales and service office at 22601 Plymouth Road which is under the management of Elmer Barringer. The local representatives who staff this office are well qualified to help you plan life insurance protection to fit your family's income... protection that will help provide the money for their food, shelter, clothing, and your youngsters' education if Dad is no longer here. And if you live, this same protection can provide a monthly check during your retirement years.

And there are also Prudential plans that will provide financial aid when you become unable to work because of sickness or accident... plans that help you meet the high cost of hospital and surgical expenses when you are hospitalized.

The Prudential serves you in other ways, too. Dollars that buy Prudential insurance are put to work in your community and state. The Prudential lends money to farmers, businessmen, builders, and home-buyers. The interest earned on these investments enables The Prudential to provide your life insurance protection at a cost far lower than would otherwise be possible. Right now, The Prudential has more than \$414 million invested in Michigan.

Other Prudential Offices serving your community are the Detroit Agency, 660 Woodward Avenue; the Motor City Agency, 645 Griswold Street; and the Northland Agency, 20104 James Couzens Highway.

ELMER C. BARRINGER, C.L.U. Heads our new Livonia Office at 22601 Plymouth Road

Elmer C. Barringer, a native of Detroit, began his Prudential career as an Agent in Dearborn nine years ago. In 1952, he was advanced to Staff Manager. In less than three years, Elmer Barringer was promoted to Training Consultant. He served Prudential in that capacity until his promotion this December to Manager of Prudential's new Livonia Office. Elmer Barringer earned his Chartered Life Underwriter (C.L.U.) degree from the University of Michigan Extension Service in 1953, and is well qualified to help you plan all phases of your life insurance protection. He and his wife, Ruth, are the parents of three boys, Rick, 11, William, 8, and Jeffrey, 3.

The do-it-yourself fad has even invaded the sundae world. Everyone loves rich, wonderful ice cream sundaes and here are the sauces for just such delicacies. These elegant sauces are a real boon when fixing spur-of-the-moment desserts. Prepared with foods packed in glass containers, the sauces are stored in the refrigerator in their original containers.

FRUIT MEDLEY SAUCE
Makes about 2 cups.
1 (1 lb. 1 oz.) jar fruits for salad
2 teaspoons cornstarch
2 teaspoons water
1/2 cup fruit syrup
1/4 teaspoon almond flavoring
1/2 cup chopped candied ginger
2 tablespoons sugar
1/4 cup plain or toasted almonds, sliced
Remove lid from jar; save lid. Drain fruits; save syrup. Remove fruits from jar and cut into bite-size pieces. Dissolve cornstarch in water. Add to the syrup and cook, stirring constantly until sauce is thick and clear. Add almond flavoring. Mix fruits, chopped ginger, almonds and return mixture to jar. Pour over the syrup. Re-cap the jar tightly. Store in the refrigerator until ready to use.

MEXICAN FUDGE SAUCE
Makes about 1 1/2 cups
2 teaspoons instant coffee
2 tablespoons boiling water
1/2 teaspoon cinnamon
1 (10 oz.) jar chocolate fudge sauce
Dissolve coffee in boiling water. Stir in cinnamon. Remove cap from jar. Add the coffee mixture to the sauce and stir until chocolate and coffee-cinnamon mixture is well mixed. Re-cap tightly and store in refrigerator until ready to use.

CHERRY NUT SAUCE
Makes about 1 cup
1 (8 oz.) jar maraschino cherries
3 tablespoons chopped pecans
1/2 cup cherry liquid
1/2 teaspoon sugar
1/2 teaspoon cornstarch
2 teaspoons water
1/4 teaspoon peppermint extract
Open cherries; save top. Drain cherries; save liquid. Combine cherries and nuts and return to jar. Mix cherry liquid, sugar together. Dissolve cornstarch in water. Add to cherry liquid and cook, stirring constantly until sauce is thick and clear. Remove from heat. Cool. Stir in peppermint extract. Pour over cherries and nuts. Re-cap jar tightly and store in refrigerator until ready to use.

MICHIGAN BELL

TELEPHONE lines

SNOW IS FUN FOR THE KIDS. But it sure can be disappointing for grown-ups, especially when it means that trips to visit friends and relatives have to be called off. Don't let the miles keep you apart when blizzards blow and the weather isn't fit for man or beast. Get together by telephone. Long Distance rates are low and you can talk as long as you want. Remember, when Old Man Winter spoils your trip, enjoy a visit the comfortable way—by telephone.

EVER THINK HOW convenient public telephones are? They're your phone away from home. When you're out shopping or traveling, the public telephone is the best way for you to keep in touch. Call home if you've forgotten something or want to check on the children. Call ahead to let folks know if you're going to be late. Public phones, whether in convenient outside booths or in the stores where you shop, are ready to handle your calls. Let them help keep your mind at ease.

THE TINY TRANSISTOR
The tiny transistor (shown here with a pen point to give you an idea of its size) is an electronic marvel. One of these days when you make a Long Distance call, your telephone operator will use transistors like this to help put your call through. This tiny electronic device generates musical tones which will automatically connect you with the number you're calling. For inventing transistors, three telephone scientists working at Bell Laboratories were recently awarded the Nobel Prize.

What Can You Do If Storm Stops Freezer?

If a hurricane or other violent storm disrupts the electrical power supply to your home, you may be able, just by keeping the home freezer closed, to hold all your frozen food at safe temperatures until power is restored. Owners of deep-freeze home freezers are advised that food will stay frozen for 24 to 48 hours after the current cuts off, provided the freezer is not opened. The food acts as its own block of ice for a time, and entry of outside heat is checked by thick insulation in the walls. In any situation where power is likely to be off for a long period, it is advisable to obtain dry ice for the freezer if possible. The dry ice, wrapped in a dozen or more sheets of newspaper or other paper, should be distributed throughout the freezer, but most heavily near the top. This procedure may be repeated if necessary. When warnings are issued that a severe storm is approaching, it is wise to find local sources of dry ice. Ice cream manufacturers, locker services and frozen food centers are among businesses likely to stock it.

Frozen foods of all kinds are all right to refreeze as long as some ice crystals remain. Should food become completely thawed though still cold to touch, it may be refrozen, but the planned maximum storage life of such foods should be cut to one-half of the normal period. In emergency conditions where electricity is off, cooking facilities also may be impaired or lacking. Precooked and other ready-to-eat foods from the freezer, even if served at room temperature instead of hot, will provide nourishing and tasty meals. Foods that thaw and reach more than 40-degree temperature despite all precautions to keep them frozen or chilled should be cooked thoroughly and eaten within 12 hours. If there is more than your family and neighbors can eat, the surplus probably can be sold for at least cost to institutions, restaurants and hotels, whose food supplies may be interrupted by the local disaster.

MEAT COOKERY Quiz

Q. What is the name of this cut of meat?
A. Canadian-style Bacon.
Q. Where does it come from and how is it identified?
A. It is the boneless, cured and smoked back strip from the loin of pork.
Q. How is it prepared?
A. It may be roasted in a slow oven (300°F.) approximately 1 1/2 hours for a 2-pound piece; or sliced and broiled, panbroiled, or panfried until lightly browned on both sides.

MEAT COOKERY Quiz

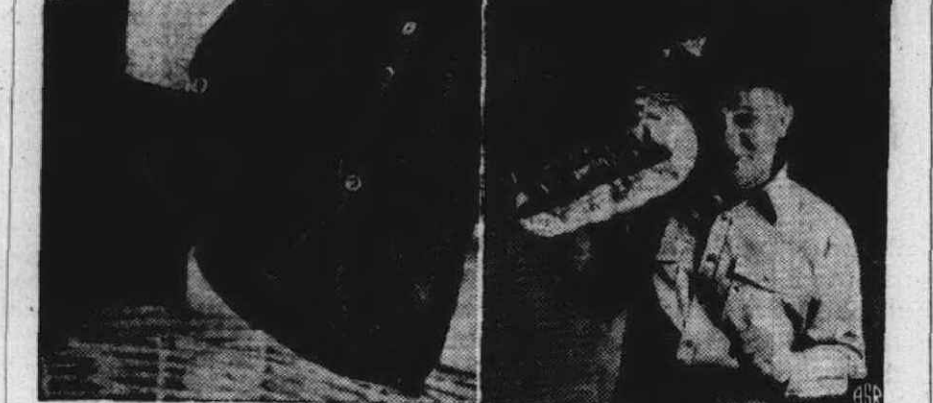

Q. What is the name of this cut of meat?
A. T-Bone Steak
Q. Where does it come from and how is it identified?
A. It is cut from the short loin. It is identified by the T-shaped bone. The tenderloin muscle in the T-bone is slightly smaller than that found in the Porterhouse steak. These two steaks are quite similar and used more or less interchangeably.
Q. How is it prepared?
A. It may be broiled, panbroiled or panfried; 1-inch steaks require 10 to 12 minutes per side for rare steak, 12 to 14 minutes per side for medium done steak.

Hamburgers on Brochette
For a different picnic treat, serve hamburgers on brochette. Form ground beef into balls about 1 inch in diameter. Then thread on metal skewers with burr pickles and tomato wedges. Cook over glowing coals until meat balls are done.

Speedy Lunch
Add finely minced onion to seasoned mashed potatoes. Place a serving of the potatoes between two slices of canned luncheon loaf. Bake "sandwiches" in a moderate oven for about 20 minutes.

Green Pepper Relish Cups
Slice large, firm green peppers through lengthwise and remove seeds. Fill with prepared mustard and pickle relish to serve as clever relish cups on your cold meat platter.

Wives Welcome No-Button Work Shirt That Saves Hours Of Care!

Newest work-saver for homemakers is the modern, buttonless work shirt now being sold in all reputable stores carrying work clothing and it gives greater freedom from mending and laundering than has been possible with the conventional button-equipped shirts. Housewives who have faced regular button repair work over the years are finding these new shirts eliminate many laundering, ironing, and button-replacement problems. Gripper snap fasteners instead of buttons are on the shirt front and cuffs. Metal snap fasteners do not crack or chip and, of course, button holes with their usual problems of wearing and fraying are eliminated completely. These new work shirts stay cleaner in use because the wearer does not have to fumble all the way up the front with soiled hands to get such a shirt open. The snap fasteners hold firm and sure for the life of the shirt, yet it takes just a sudden tug to open the shirt all the way. This is considered an important safety feature for men working around moving machinery. If the shirt snags on something, it would give way rather than pull the man toward danger.

Can Get Facelifting Treatment

In many a family circle, first thoughts of home improvement will turn, this year, to the matter of "face lifting," with a view to giving the home's exterior a completely new look via one or more of the many new (and old) siding materials now available.

The most common material for resurfacing is wood (Redwood, cedar, Douglas fir and white pine) which presents itself in a variety of siding types. Most popular is bevel or lap siding, applied horizontally, with the lower edge thicker than the upper. Wide panels (8 and 10 inches) are favored today over the 4- and 6-inch widths seen in older houses. Drop siding, which has a groove cut along one edge is also applied, horizontally and lapped.

For Sheltered Areas

Vertical applications include board and batten siding (wide boards with narrow battens covering the joints) and tongue-and-groove paneling, which is especially adaptable to sheltered areas.

Cedar shakes and shingles make an attractive exterior wall, high in insulation value. The cedar shingle single-course exterior has proven extremely popular. If a double-coursed wall is desired, economical cedar shingle under-coursing is laid first. The distinctive grooved or striated cedar shake is then laid directly over the under-coursing, with a resulting rich, deep shadow line, emphasizing the horizontal lines of the house.

Asbestos-cement siding shingles are obtainable in many colors, impregnated into the material, which is very hard and fireproof.

Hardboard, made of heat and pressure-treated wood fibers, is available in wide panel horizontal lap siding, applied with aluminum strips, and vertically scored siding, which is applied in large sheets.

In Various Colors

Aluminum siding, in various colors, comes in long lengths for application as horizontal lap siding.

Insulating siding consists of fiber panels and shingles with facing of asphalt and mineral granules, and affords a thrifty approach to house "face lifting."

Plywood siding provides a durable exterior surfacing. It comes in large panels, which facilitate application, and in a variety of patterns.

Thin, light, masonry veneers are entering the resurfacing market in a big way.

CUT HEATING COSTS

Studies by the University of Illinois have shown conclusively that insulation saves heating fuel. The researchers compared identical houses, one with properly installed mineral wool insulation and the other without any insulation. They discovered it cost less than half as much to heat the insulated house as it did to heat the one without insulation.

ROOF IS COLOR KEY

A house is built from the foundation up, but it should get its exterior scheme color from the roof down, color stylists say. Asphalt shingles, which come in many colors, including solids, blends, deep tones and pastels, give many color consultants a "key" from which to plan harmonizing colors on the rest of the house.

RANCH HOMES BRIGHTER

Color stylists give the exterior of ranch homes a "lift" by painting panels in the entrance door a bright accent color. The "rancho," a panel door of ponderosa pine made especially for modern ranch homes, has three equal-sized panels which are ideal for the accent color treatment.

TITLE I AVERAGE \$464

The average Title I home improvement loan made by FHA during 1955 was \$464, according to a report released by the agency. Average monthly payments were \$14.83 for a three-year term.

FARM INCOME HIGH

U.S. farmers are reaping an annual estimated income of more than \$12 billion, the best level in 2½ years, according to the Department of Agriculture.

OLD HOMES OUTSELL NEW

The National Association of Real Estate Boards reports that for every new house put on the market in the U.S., two existing homes are sold.

SLUM FIGHTERS GET AID

The National Association of Home Builders reports that at least nine states have set up special departments to help localities clean up slums and improve housing conditions.

NATURAL WOOD POPULAR

A strong interest in natural woodwork contrasted with painted baseboards, doors and trim has been noted in interior decorating surveys undertaken by a Minnesota manufacturer.

The Question

The father decided to have a serious talk with young Jimmy, who was inclined to be light-hearted and irresponsible.

"Jimmy," he said, "you're getting to be a big boy and you ought to take things more seriously. Just think—if I died suddenly where would you be?"

"Here," said Jimmy. "The question is where would you be?"

Crazy

A guard from the lunatic asylum rushed up to a farmer on the road and said, "I'm looking for an escaped lunatic. Did he pass this way?"

The farmer puffed thoughtfully on his pipe. "What did he look like?" he asked.

"He's short," said the guard, "and he weighs about 350 pounds."

The farmer looked at him in amazement. "How can a man be short and still weigh 350 pounds?"

"Don't be silly," retorted the guard testily; "I told you he was crazy."

Back to Earth

When the operation was finished, the patient was asked how she had felt under the anesthetic.

"It was beautiful," she said. "I thought I was in heaven till I saw the doctor."

100-MPH Winds Can't Damage Good Construction

Ordinary frame or masonry farm buildings can be constructed to withstand storm winds of hurricane velocities of more than 100 miles per hour, according to the U.S. Department of Agriculture.

High winds would do much less damage if it weren't for weaknesses caused by poor construction. Key structural points are shown in the drawing. Improper application is the main

Farm Buildings and other structures will resist winds of hurricane velocities if special attention is given to construction at these key points:

- (1) foundation,
- (2) joist connections at sidewalls,
- (3) connection of flooring to end wall,
- (4) rafter and plate connections,
- (5) ridge connections, and
- (6) roofing application.

Books and Magazines

Whether you enjoy reading in bed, or wish to make a thoughtful gift to an invalid, you'll find this bedside rack a project that's easy and fun to build. You can also use it at the end of a day bed couch. The Do-It-Yourself aluminum bars fit between the mattress and springs to hold the rack handy for storing books and magazines.

Cut the rectangular sheet from square embossed aluminum. Bend ¼" side seams first with the aid of a slotted board. Bend the double seams along the top edges next and hammer them together tightly. Use a 1x3 board to bend the trough.

Rivets can be used to assemble the support bar to the upper ends of the rack. Bolts are more likely to tear bed linen. File formed ends of rivets smooth. Reynolds Do-It-Yourself Aluminum is available at local hardware stores and lumber dealers.

What Home Owners Should Know About Loans

Here are the pertinent points about the government sponsored for home modernization, remodeling and repairs:

1. FHA Title I Loans for home improvements can be obtained from banks, savings and loan associations and mortgage companies. They are insured by the Federal Housing Administration.
2. Loans range from \$100 to \$3500. You can take up to 5 years to repay loan.
3. Interest rate (fixed by the government) is 5% on the first \$2500 and 4% on any amount over \$2500 up to the \$3500 ceiling. Interest is deducted at the time loan is made.
4. No mortgage is involved. No title examinations. No extra charges or service fees. You fill out a simple application form which is processed by the lender. Within a few days your check is ready.

When you are tired, take five minutes to relax and you might avoid being a victim of another accident. It's when a person is "dog tired" that things go wrong: hands fumble, feet trip over things and eyes fail to see possible dangers.

News from Rosedale Gardens

Citizens' Republican Club Elects Officers

Well, here I am again, frozen, but still carrying on! Weren't you glad for that snow-shoveling service the day of the big snow? Now let's all pay him, so he doesn't get discouraged and we have to get out on those shoveling bees again!

Tuned in on Johnny Slagle's Dance Party Sunday afternoon, January 12th and saw Leslie Borgia, Blackburn avenue, and her escort Ted Weeks of Livonia among those dancing and enjoying the program.

More chicken pox reports from the Briggs family of Vermont avenue! Nancy lost her last scab in time to get back to school the day of her birthday, January 16th, but Aileen and Lloyd now have the pesky things. Sunday, January 20, Nancy's grandparents, Mr. and Mrs. George Rudy and her aunt and uncle, Mr. and Mrs. Richard Jerolamson, are coming to dinner to help Nancy celebrate her 8th birthday.

By the way, did you all know that Pearl and William Seigh, 9828 Mayfield, returned from a 6-week trip to Europe two days before Christmas? They visited France, Switzerland, and Italy. Mrs. Burns of Mill street, who was home and tended the children, Jay Ann, Billy, and Cindy and the Boxer, Chingo.

Dorothea and Fred Smith, Virginia avenue, had as their guests for dinner Sunday, January 13, Mr. and Mrs. James Ray of Dearborn and their two children, Stan and Gary.

The Citizens' Republican Club of Livonia met at the First Federal Building at Sheldon Center Monday evening, January 14th and held an election.

The following officers were elected: President, Jack Kennedy; vice-president, Pearl Bunker; secretary, Mrs. Jack Kennedy; treasurer, Darrell Barry, who was re-elected, and corr. secretary, Helen Coloske.

Committee chairman elected were: program, Mrs. Bosworth; campaign activities, Ann Conklin; legislation, Mr. Bosworth; membership, Walter Dixon; finance, ways and means, John Kimpton, and watchdog, Helen Byers.

The watchdog committee will be concerned with affairs of city hall, etc. and attend meetings of the Council and things like that. This club meets the 2nd Monday of each month and any interested person is welcome. Be sure to come to the rear entrance of the First Federal Building.

David Falzetti, Westmore avenue, celebrated his 10th birthday January 15.

Carolyn Pope, Berwick avenue, who works for the Parks and Recreation Department is home recovering from an operation at the Detroit Osteopathic Hospital.

Sorry to report that Dotty Maiworm was ill last week with a sinus infection, the curse of Michigan climate.

Sheri and Debbie Caglia, Kay Glide's niece, stayed with the Glides on Vermont avenue last week while their mother was in the hospital with a new baby brother.

Mike Wyatt, Woodring avenue, celebrated his 4th birthday Saturday, January 12th with a party for his young friends. Children who shared the birthday cake with Mike were: Carol Ann Lescoe, Jon Griffith, Bonnie Jo Adams, Buff and Scott Hay, Kristyn Kirkwood, Bruce Wyatt and Terry Ninnis.

Do you know that dancing class registration day is Saturday, January 26 from 1 to 3? If you have any budding talent that needs to be developed you'd better get over to the civic clubhouse on Hubbard and get it registered for the next semester of 15 lessons.

Jimmy Pagonis is the instructor for the tap and ball room dancing, and Mrs. Lenore Dunlap teaches ballet. A course in roller skating will also be offered this semester, which is something different and should appeal to the youngsters. It will be right over at the clubhouse, so, investigate this!

Ballroom dancing instruction will be held Wednesday nights at 6:30 P.M. and is open to both adults and teenagers. These classes are open to non-members of Civic by paying an assessment of \$3.00 for tap and ballet and \$1.50 for ballroom plus the regular tuition fee.

Carole Allen, W. Chicago, has a birthday too near Christmas for practical purposes, so she celebrated her birthday this year Saturday, January 12. Mrs. Allen packed lunch for Rosemary Heath, Sharon McGee, Mary Golasa, and Margaret Schultz and took them all to the movies for the afternoon. Mr. Allen called for the girls after the show and took them out for a soda. Carole was 10 years old.

Pat Luch, Vermont avenue, has joined the St. Michael Women's Bowling League. The girls bowl Thursday evenings in Plymouth.

Tuesday, January 22nd the Welcome Wagon Newcomer's Club held its meeting in the conference room of the First Federal Building at Sheldon Center. James Taylor of Blunk's in Plymouth spoke on "Background and Origin of Furniture Styles." This club is open to all newcomers in this area and meets the 3rd Tuesday of each month. Be sure to use the rear entrance, as the front one is locked at night.

Steven Fortney, Vermont street, was 4 years old Thursday, January 17th and a family dinner party was held in his honor. Steven's grandpa and grandma, Mr. and Mrs. Roy Fisher of Plymouth were present and his aunts, Kay and Marion Fisher also of Plymouth were there. Happy birthday, Steven!

Mr. and Mrs. Roland Thorn, Westmore avenue, are moving back to Detroit February 1st.

Mr. and Mrs. Richard Wendrick, Berwick avenue, are the parents of a baby girl, Lisa, born January 5th at Woman's Hospital. Lisa weighed in at a whopping 10 pounds, 3 ounces!

Don't forget that the Livonia Business and Professional Women's Club is presenting the comedy, "The Solid Gold Cadillac" at Bentley High Saturday, February 2nd at 8:30 p.m. The cast will be composed of Michigan State University Players. Donations of \$1.25 for adults and 85c for students. Money goes for the Livonia Student Scholarship Fund. Call GA. 1-5095 or GA. 1-5709 for tickets.

A plastic demonstration was held at the home of Jean Arlen, Vermont avenue, January 14th, and everyone seemed to be having a very gay time. The demonstrator was Carole Russeau, and those attending were: Eileen Smuk, Barbara Watkins, Fran Sukol, Irene Ochs, Betty Dana, Celia Hearon, Marion Yadosky, Joan Balicki, Helen Fortney, Alice Arlen, Jean Gizowski, Vivian Gilday, Dee DeWulf, Barbara Ammerman, Audrey Nieber and Yours Truly. After an interesting demonstration Jean served punch cookies.

David Snyder, Vermont avenue, became one year old January the 16th. January the 17th the grandparents and other relatives came over to celebrate.

Betty and Gordon Dana, Vermont avenue spent Friday evening, January 11th at the home of Dorothea and Fred Smith of Virginia avenue, along with daughter Laurie. Laurie spent the night with Darby Ann Smith.

Jack and Doris Chapin, Vermont avenue, really got "away from it all" the weekend of the 19th. They went to a wedding in Toledo and left small Debbie and Jackie with neighbor Vivian Quick. Now, Vivian, if you'd care to take Leslie off my hands some weekend, I'm sure I could find a wedding somewhere to attend!

Sorry to hear that the Madigans of Virginia avenue had a real sick, year-old baby last week. Pat had pneumonia.

The Fred Felices of Westmore entertained their Charade group Saturday night, January 19th.

Betty and Gordon Dana, Ver-

mont street, took their children Laurie, Kris and John out for an afternoon of skiing, tobogganing, and sledding Sunday, January 13th and all went well until Betty's ski strap broke. At the rate these people go, we are expecting to report a broken leg or arm any week now. Betty also reports that the flying saucers give you one wild ride.

Sad news from the Gibsons of Cranston avenue lately—Ricky and Roger have the German measles. Hope they have recovered by the time you read this!

Mozette and Paul Campbell, formerly of Brookfield Avenue, who moved away to Grosse Pointe Farms are now moving even further away to Chicago and will be leaving about a month from now. Jo Ballert, Cranston, tended their children, Cheryl, Larry and Carol Ann the 11th, 12, and 13th of January while the Campbells were house hunting in Chicago.

Say there, Civic members, don't forget the monthly dance at the clubhouse Saturday night, January 26th. You don't have to dress up for this one, just come comfortable (up to a point!). The committee for this dance will be the Howarths, McLivains, Swains and Seighs, and this dance is open to members of Rosedale Civic Association members and their guests.

Dorothea Smith, Virginia avenue, is the hard-luck kid. Last week she not only had her arm in a sling, suffering from that misery called bursitis, but when she got up that frosty Thursday morning she found that her hot water and garbage disposal were frozen.

The Louisiana Pinochle Club met Wednesday evening, January 16th at the home of Janet Blanchard. Members present were Gladys Wendy, Jean Stewart, Lois Durfee, Anita Griffith, Gerri Casler, Nancy Roberts and Dolores Weinburger. Shirley Good, just home from the hospital, couldn't make it this time.

Charles Meyer, brother-in-law of the Heitners of Berwick avenue, and his son Butch flew up from Indianapolis the weekend of the 12th to visit the Heitners and purchase the Larson's station wagon. Talk about nice people! After the Larsons knew the sale was in the bag they had the horn fixed, the oil changed, and even had the wagon washed. This certainly deserves a gold star on the forehead, folks.

Monday, January 14th, Gerri Casler entertained her sewing group at her home. Members of this group attending were Anita Griffiths, Louisiana avenue, Cathy Pons, Woodring avenue, Isobel Rehner, W. Chicago, Alice Byers, Dearborn, and Jean Pons and Ruth White of Detroit. These girls get together once a month and do all their mending painlessly with a social evening.

Wierd doings for the 10th grade Biology class at Bentley High last week! Cooked octopus tentacles were available at 25c a piece, and the students—the braver ones, I assume—were buying and eating same. Leslie Borgia said they were "Delicious, but should be taken in small amounts". The smaller the better, I'd say!

Circle Friday evening, February 8th on your calendar, because that is the date set for the Grant school P.T.A. dance to be held at Whitman Junior High, next door to Grant. This is to be a fund raising dance, and will be held from 9 to 11 p.m. There will be door prizes and refreshments will be available at a coke stand. Donation will be 50c per person and you can get your tickets at Grant school office. Everyone is welcome, so why not get several couples in your neighborhood together and join the fun? See you there!

Will end this column on a sad note—just heard that the Briggs, Ricky, has the chicken pox, too. Sure hope Margaret survives!

Well, dial Ga. 1-5231 with your news, as I'll be sitting by the phone, reading my new seed catalogues, dreamer that I am!

OUTDOOR NOTES
From The
MICHIGAN DEPARTMENT OF CONSERVATION

Michigan had more small game hunters and more archery deer hunters last year than in 1955, according to latest license sales reports.

In sales reported through December 31, resident small game license totals jumped from 603,000 in 1955 to 627,000 last year—a four percent increase. Nonresident license sales jumped from 6100 to 6300, a 2.5 percent increase.

The total number of hunters in 1956 will not be known until final reports are made by all license dealers in the state. A total of 741,000 small game licenses were sold for 1955 seasons.

Archery deer hunting continued to grow in popularity during 1956, with some 31,000 resident bow and arrow license sales reported through December 31. This figure shows a 3.5 percent increase over the 29,000 sales reported in the same period in 1955. Another 3700 nonresident archery licenses were reported sold through the end of the year—an 18 percent increase over the 3200 listed in the 1955 report for the same period.

Final license figures for all 1956 Michigan hunting and fishing seasons will not be available until the state's 4200 license dealers make their final reports for the year.

A Michigan rainbow trout, wearing tag number 22999, holds the record for the longest journey to date for any fish recovered from the 29,000 "bows planted by Conservation Department fish workers in 1955.

No. 22999, planted in May, 1955 in Pencil's Creek, Chippewa county, was caught in November, 1956, in the Brule River, on the Michigan-Wisconsin boundary in Iron county. The 'bow had traveled at least 370 miles by water from the point of release.

During its 18 months of travel, the rainbow grew from an eight-inch, 2 1/2-ounce youngster to a 20 1/2-inch three pounder.

Corn borers or wigglers are fine

bait for catching bluegills and perch through the ice, but it's a good idea to take along some light-colored artificial flies.

So states an article on ice fishing in the January-February issue of "Michigan Conservation," the Conservation Department's bi-monthly magazine.

The article, written by Dale Benjamin, includes many tips for the hardy fisherman who likes to test his skill during the winter months. The current issue of "Michigan Conservation" also contains some answers about the complex sea lamprey problem in the Great Lakes; a look at the conservation law violator; and several other articles.

Michigan's 58 state parks have a total of 7,377 camp sites, according to latest tabulations by the Conservation Department's parks division. Only 4,744 of these sites are equipped with electrical facilities.

Parks in the northern lower

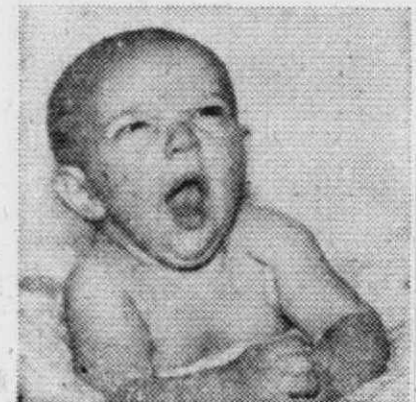

peninsula lead in the number of camp sites, with space for 3887 tents or trailers at 25 parks in the region. About 2900 of these sites have electrical outlets available for camper use.

At 18 parks in the southern lower peninsula, 2292 camp sites are available—11 with electricity. Eleven upper peninsula parks have space developed for only 1198 tents or trailers, and 459 of these sites have no electrical facilities.

Camping areas at several state parks receive tremendous use throughout the spring, summer and fall seasons. During 1956, an estimated 30,000-36,000 persons had to be turned away from state parks because of overcrowded campgrounds.

She is! "Aren't you ashamed to have your wife support you by taking in washing?" "Yes, I am. But what am I going to do? She's too ignorant to do anything better."

TIPS for TEENNS By ELINOR WILLIAMS

"Is 14 old enough for dates?" Many teen girls believe they should be allowed a full-scale date-life at that age, but most parents want their 14-year-olds to begin dating gradually. Here's what a high school girl writes about it in her letter:

"Dear Elinor: The letter about the 14-year-old girl who wasn't allowed to have dates in your column recently stirred a strong urge in me to sound off. "I, too, am 14 and until the last year I was in the same position. Then I discovered the root of my trouble. I was looking at everything from MY point of view and not my parents'."

"I didn't help with the housework and I forgot that my parents wanted to protect me, not punish me. When they let me go out alone, they gave strict orders what to do and what not to do, and often I would disobey, thinking there was no harm in it. Well, in what I did, there wasn't any harm, but I learned how girls can get into trouble when they're not protected by their parents' rules."

"I've discovered that when you obey your parents, prove yourself trustworthy and try to be agreeable, friendly and anxious to please your parents, they will allow you to do many things that they wouldn't otherwise. Remember, parents are human!"

Obvious Conclusions
The city editor was lecturing the dub reporter again. "You use too many words, Wadsworth," he said. "You say here that he was poor but honest. Why not just say he was honest?"

The regular monthly meeting of the Board of Education of the Plymouth Community School District was held in the library of the high school on Monday, December 10, 1956.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, Mr. Stecker, Administrative Assistant Blunk, Superintendent Iabister and Principal Tanager.

Also present: Mr. Merriman and Mr. Brocklehurst of Plymouth Association of Insurance Agents; Mr. McCabe, Mr. Arnold, School Personnel Policies Committee; Mr. Elston and Mr. Foster of Plymouth Education Association; President Fischer called the meeting to order at 8:00 p.m.

Mr. Iabister and Mrs. Tanager presented data to show what the distribution of school population among the larger elementary schools would be if, in addition to the recommendations made by the Advisory Committee, the sixth grade students were transferred to the Gallimore School when it opens on January 28, 1957.

It was moved by Mr. Smith and seconded by Mrs. Hulsing to accept with the following addition the recommendations suggested by the Advisory Committee on Attendance Areas through the school year 1957-1958: "That the three sixth grade groups and their teachers at the Bird School be transferred to the Gallimore School when it opens on January 28, 1957."

Mrs. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker. Nays: None.

Mr. Mitchell suggested that a population study be made which will point out the future of the Plymouth Community School District. After some discussion relative to the need of such a study it was moved by Mr. Mitchell and seconded by Mr. Stecker to refer the problem to the School Community Planning Group and seek their assistance in undertaking a completed study before June, 1957.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker. Nays: None.

Mr. McCabe commented on the need for a continuous study of the population growth and the ever present problem of changes in school attendance areas. He felt the community should be alerted early on any proposed changes.

It was moved by Mrs. Hulsing and seconded by Mr. Mitchell to accept Mr. Blunk's recommendation that the fire extended coverage, vandalism, and malicious mischief policy in the amount of \$406,427, now expiring on March 31, 1957, be placed with the Atlantic Mutuals through the Merriman Agency in accordance with the recommendation of the Plymouth Association of Insurance Agents. The premium for a five year period is \$1,857.27, less approximately percent anticipated dividend payment.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker. Nays: None.

Mr. Merriman agreed to furnish a communication in writing setting forth the recommendations of the Board of Directors of the Plymouth Association of Insurance Agents, Mr. Merriman and Mr. Brocklehurst, speaking for the Plymouth Association of Insurance Agents, recommended both orally and in writing that an up-to-date appraisal of school properties be made by the Fidelity Appraisal Company. It was mutually agreed that a further review of this service was necessary and arrangements will be made in the near future to have a representative of the Fidelity Appraisal Company meet with the Board and the Agents for that purpose.

It was moved by Mr. Mitchell and seconded by Mrs. Hulsing to approve the addition of coverage for the boiler in the Gallimore School to the present policy written by the Gray Mutual.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker. Nays: None.

The relationship between the Board of Education, the Salary Committee of the Plymouth Education Association, and the School Personnel Committee of the School Community Planning Group were discussed at length. It was mutually agreed that the Salary Committee of the Plymouth Education Association had a short term function to perform, namely, to appraise the present salary structure in terms of the general practices in the area, and the Personnel Policies Committee had a

longer and broader function to perform, namely overall salaries, conditions of employment, supply of teachers, the place of performance reviews, etc. It was further agreed that communication between these two committees was extremely important and an observer from the Salary Committee of the Plymouth Education Association will be invited to attend the Personnel Policies Committee meetings.

Mr. McCabe reviewed with the Board the recommendations of the 1955-56 Curriculum Study Committee. It was noted that some of the recommendations had already been acted upon and others were being contemplated. Mr. McCabe and the committee were commended for their work. Superintendent Iabister was asked to prepare an evaluation of the recommendations which had not been acted upon and the reasons why they could not be undertaken at this time.

It was moved by Mr. Mitchell and seconded by Mr. Stecker to award the contract for the kitchen cabinets in the junior high school to the low bidder, Penninsular Slate Company of Detroit, in the amount of \$4,175.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker. Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Smith to approve for payment the following bills: Vouchers 9846 and 9847 Payrolls November 21, and December 7, 1956. \$111,851.01

Vouchers 9848 through 9998 and Vouchers 1 through 16. \$41,767.79

Rave reviews from the auto critics!

"Beyond a question of a doubt, the 1957 Mercurys are the most different cars of the year . . . For those who've been shouting against warmed-over hash and crying 'Give us something new!' the answer is simple: this is it— a Space Age design for earth travel . . . It has more new features than any car tested in over ten years."
Tom McCall in MECHANIX ILLUSTRATED Nov. '56, Jan. '57

"Mercury is the car for you if you want a distinctively styled medium-priced car that isn't a carbon copy of any other automobile."
CAR LIFE—Jan. '57

"Redesigned from the tires up . . . the most unusual U.S. car . . . from its new sculptured styling to its refined suspension, it's a leader."

Buy 'Quality' Stocks in 1957

A peddler of risk-laden uranium shares is under indictment. A prison term looms ahead for him. Thousands of small investors stand to lose millions of dollars. Several of them are readers of this column. The true story I tell here is for their benefit.

Years ago when I entered Wall Street, the international banking house of J. P. Morgan was a private institution. The young men in the bank where I worked held it in awe. I was a public relations employee and I frequently met depositors who carried accounts with Morgan.

Then a little more than 15 years ago the institution became a public one. And for the first time, the common shares in the House of Morgan soon thereafter became avail-

able to the hoi polloi — to investors like myself. I am a Schoharie County, N. Y., farm boy who milked eight cows night and morning for years. And if, when I was 12 years old, anybody had ever told me that someday I would be a part owner in the world's greatest private banking institution, I would have shrugged off the suggestion as cruel madness.

Yet, that very thing happened. And all over America today there are hundreds of Morgan stockholders whose social and economic heritage is as humble as mine.

I should like to say very earnestly early in 1957 to every new investor in common stocks: This year buy quality. It is far, far better to buy the best stocks at high

prices than to sink precious dollars into low grade speculations.

The young man who has lost \$400 knows that corporations like DuPont, General Motors, General Electric and Standard Oil of New Jersey are leading enterprises. Then why does he throw his money into promotion schemes? Probably because, like me before I could buy into the House of Morgan, he was not fully aware that with \$400 he could become a part owner in the greatest corporations in the world.

The investment bankers and stockbrokers have a fabulous job ahead of them during 1957 to direct into sound channels the investment of billions of dollars belonging to inexperienced stock and bond buyers.

If Your Name is Jerome

By ANN REYNOLDS

Are you familiar with paratroopers' lingo? Then you remember the cry "Geronimo"; paratroopers were urged to yell "Geronimo" as they leaped. It was in order to lessen the pressure in the ears caused by the sudden change in altitude.

A variation of the name Jerome, the cry "Geronimo" originated at Fort Benning, Georgia, with the members of the 50th Battalion during World War II. Before their first jump, the G.I.s happened to attend a motion picture about Geronimo, the famous leader of the Chiricahua Apache Indians.

The name Jerome in its original form sounded Hieronymos. It's Greek, and means "sacred name." Its most important early bearer was St. Jerome who translated the Bible into Latin. His bible text was made the basis of the Vulgate translation. St. Jerome was greatly revered in the Middle Ages and that's why his name spread all over Europe. In Italy it became "Geronimo," in France it was shortened to Jerome, the English spelled it Jeronimus or Geronim. It also grew into quite a few family names, among them Jerome, Jerram and Jerroms.

Napoleon's youngest brother was called Jerome. The emperor made him give up his

American wife, Elizabeth Patterson, and ordered him to marry a German princess, then made him king of Westphalia. King Jerome's only concern was to arrange festivities. That's why his German subjects tagged him "Koenig Immerlustig," that is "King Ever-Merry."

There is an English humorist, in whose appellation the name Jerome occurs twice; Jerome K. Jerome, most widely known for his amusing "Three Men in a Boat." It's music that made our own Jerome D. Kern famous, the popular composer of many favorite songs. His "Ol Man River," from "Showboat," carried his fame all over the world. Together with "Smoke Gets in Your Eyes" and "The Way You Look Tonight"

Currently, Mrs. Lynch is completing work for an M.A. degree in education. She is specializing in the educational aspects of gerontology—the study of aging and retirement—and hopes to convince others her age that academic life has much to offer the older person. "Going back to school," says Mrs. Lynch, "is the ideal solution to the problem of finding inspiration and creative satisfaction in the retirement years."

Mrs. Lynch is but one of hundreds of retired persons who are taking up educational pursuits. In the opinion of many educators, this is as it

should be for education, to paraphrase Bernard Shaw, is all too often wasted on the young. Education should be pursued at a leisurely pace and by persons sincerely interested in learning. Unfortunately, young people tend to hurry through school at the fastest pace possible since they have neither the maturity to appreciate knowledge nor the patience to sit back and enjoy it.

If you have a yen for learning, why not plan to resume your education when you retire? You may find a particular interest in history, psychology, sociology, or arts and crafts. If you don't wish to follow a general course of study, you can often arrange to take special work in the subjects of your choice. You can, of course, pursue retirement studies on your own. But you'll probably have more fun studying with a group of students under the direction of a competent teacher.

With the rise in numbers of older people, and the parallel rise of interest in new careers and pursuits for retired folk, it is not unlikely that older people may someday constitute a substantial percentage of the student body in our schools.

Ever hear of a school for older people? That's what you'll find at Cold Spring Institute, Cold Spring, N. Y. There, in a handsome French

provincial mansion set in acres of rolling countryside, you'll find a group of 20 older men and women enrolled each year from October til June. This Institute, sponsored by the Walt Foundation as an experiment in adult education, is open to persons 55 years of age and up who meet various entrance requirements and who can afford the all-expense fee of \$250 a month. The purpose of this school is to help mature people learn how to derive the most from their later years, and the curriculum includes classes in music, literature, science, rhythmic dancing, and handicrafts.

MICHIGAN MIRROR

Almost 8 Million in Michigan

Do you have more neighbors now than you did 15 years ago? It's entirely probable, according to statistics released by Dr. Albert E. Heustis, state health commissioner.

Michigan's population passed the 7½ million mark in 1956, says Dr. Heustis. What's more, the 8 million mark should be reached in 1960.

More births—less deaths are the biggest factors in the state's spectacular population increase. For each recorded death there are now more than three new babies entering the world in Michigan. In 1956 the birth rate was approximately 27 for every 1,000 residents. At the same time deaths continued below nine per 1,000.

The birth rate continues to grow according to Dr. Heustis' report. "In 1941," the report states, "births surpassed 100,000 for the first time."

Medical advances continue to make inroads in the death rate.

Maternity deaths decreased 90 per cent in the past 30 years. The death rate for newborn infants is down 55.8 per cent.

Among adults, heart diseases and cancer continue as the No. 1 and 2 killers.

The "ups-and-downs" of medicine's fight against disease are recorded in the report. On the "good" side of the ledger the fight against infantile paralysis makes the most dramatic showing. With the first full year of immunization shots now past, poliomyelitis cases are not expected to go much higher than 600 for 1956. This is approximately half of the 1,177 cases reported in 1955.

Tuberculosis deaths are apparently leveling off. Last year's deaths are expected to number 500. Some 5,488 new cases were reported.

On the "bad" side, increases in typhoid fever and diphtheria are noted. The number of diphtheria cases is expected to exceed 300, although only 59 cases were reported in 1955. Typhoid's 50 cases are more than double the 1955 figure of 24.

A permanent residence for the governor will be discussed by lawmakers this year as one of the less "knotty" problems requiring their attention. Michigan remains one of the few states without a Governor's mansion.

A site survey report presented to the joint legislative state office buildings committee lists, among others, the novel proposal for a penthouse apartment on top of a new state office building as a possible solution.

While a penthouse differs from the conventional concept of a state mansion, it possesses some important advantages, says James W. Miller, state controller. "It is the

only way a residence can be built adjacent to the capitol without the expenditure of approximately \$350,000 for land," Miller states.

The proposed mansion would be used to provide facilities for visitors and rooms for official functions as well as living quarters for Michigan's Governor and his family.

"Pay-as-you-play" proposals to find additional revenue for the upkeep and improvement of state parks and recreational areas are gaining adherents both in the legislature and among sportsmen.

Several proposals, outlined in Michigan Mirror several weeks ago, now seem destined to be placed before the legislature early in the present session. Basically, the Michigan Conservation Commission wants to levy an admittance fee to state parks or sell year-long stickers to park users.

All fees would be used exclusively on park expansion and upkeep.

Opponents of the idea charge that a fee program would be an unfair levy on a few persons.

To check the attitude of the people most affected if the plan becomes law—the park patrons themselves—the Conservation Department asked Michigan State University researchers to conduct an extensive survey. The MSU study showed that 85 per cent of the users were willing to pay a fee.

Yearlong stickers are finding the most favor with the Conservation Commission. Wayland Osgood, deputy director of the Commission states that stickers would entail less administrative costs. Individual fees would require that collectors be on hand at all state parks.

The Automobile Club of Michigan was one of the first groups to support the Conservation Department on their fee program for improvement. The Michigan United Conservation Clubs also are backing any plan the legislature adopts.

Jammed playground areas are forcing a decision. Park attendance swelled alarmingly after World War II and now reaches 18 million patrons yearly. Gerald Eddy, director of the Conservation Department, estimates this will continue to grow to some 38 million people in 10 years.

Unless park growth continues to keep pace with this increase, facilities will deteriorate, and space will be cramped.

In a year when the legislature is having trouble paring the budget to meet available revenue, the suggested "user-pays" proposal will be greeted with a sympathetic ear.

Let's see the decisive factors in the '57 Inner Ford

They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!

The secret of Ford's nationwide success is this: it's a new kind of Ford... new from the wheels up... more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious rock-solid unit.

If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the liveliest car in the low-price field is the completely new Ford. For the decisive facts see your Ford Dealer.
