

Resident Donates J-A Headquarters

A Plymouth man's gift of a \$100,000 building to be used as the headquarters for Junior Achievement of Southeastern Michigan has been hailed by officers of the organization across the nation.

Dedication was held last week of the building at 14812 Grand River avenue that has been donated to the area Junior Achiever organization by Frederick A. Vollbrecht, 1299 West Ann Arbor Trail.

The air-conditioned brick building of 15,000 square feet has already been taken over as JA headquarters for Southeastern Michigan. It was the first time in the JA history that a single individual had ever donated to the teenage organization either a building of this size or a sum of money represented by the donation to the Southeastern Michigan unit.

Vollbrecht, a retired business executive, has been very active in JA affairs both in Michigan and nationally. Serving on the board of directors of JA of Southeastern Michigan since 1950, Vollbrecht prior to that date had been active in the national program as a member of the national board of directors.

He also serves on the National Development Committee for Junior Achievement.

Addressing the over-flow audience in the headquarters' large auditorium, Vollbrecht said: "Nothing I have ever done before has given me greater satisfaction than to be able to purchase this building for Junior Achievement."

He added that he was hopeful that the pattern established that afternoon may be followed by others, both in Michigan and nationally. "Junior Achievement is bigger than any of us," he said. "Its real growth is just starting."

A pioneer in Junior Achievement, Vollbrecht has been devoting nearly all of his time to the program since his retirement by counseling and helping to

develop the program in Southeastern Michigan.

Gathered in the auditorium February 12 were prominent Michigan and national figures to witness the formal dedication. Speakers at the afternoon dedication included S. Bayard Colgate, honorary chairman of Colgate-Palmolive company and chairman of the National JA board; Mayor Albert Cobo of Detroit; John P. Mansfield, president of the Plymouth division of Chrysler and

vice-president of the National Executive Committee; and Herbert F. Lange, vice-chairman and treasurer of Michigan Bell.

A luncheon preceding the dedication was addressed by Thomas G. Shirreffs, national Junior Achievement president, and with the Standard Oil Company of Ohio.

As a large bronze plaque bearing his likeness was unveiled, Vollbrecht declared: "I am of the opinion that some way may be

found in the future to utilize the great power inherent in the graduates of Junior Achievement... for its growth and operation."

Believing in the abilities of the American teenagers, he continued, "Perhaps we should think in terms of giving these young people more responsibility than we have given in the past... the kind of responsibility that will help us perpetrate Junior

Primary Draws 212 Township, 385 City Electors to Polls

Commission Gets Request to Hike Taxi Fare Rates

A request to raise taxi fares, more discussion on truck traffic in the Birch Estates subdivision and another progress report on gates for two railroad crossings were among the many topics on Monday night's city commission agenda.

The Plymouth Cab company has requested that rates be hiked to keep up with the increased operating expenses. In a letter to the commission, owner Theodore A. Johnson pointed out that the present rates were established in 1949 or 1950 and that profit is not now sufficient to cover the expenses of replacing or keeping present equipment up to standards. Earnings of employees are also below normal, he noted.

With the basic in-city charge now being 45 cents a passenger, Johnson requests that it be increased to 50 cents, with a 15 cent charge for each additional passenger (same point of origin and destination) from a central area bounded by Harvey, Fralick, Union and Wing streets.

The letter went on to explain a recommended charge of 65 cents for trips into various zones, a stop-over charge of 25 cents for pick-up of groceries, etc., and a waiting time of eight cents a minute in excess of three minutes.

Commissioner Marvin Terry exclaimed after the letter was read that it sounded to him like a bookkeeper would be needed to figure out the rate after every trip. Without further discussion, Mayor Russell Daane appointed a committee of Commissioners Ernest Henry, J. Rustling Cutler and Terry to study the request.

Several residents of the Birch Estates subdivision, who two weeks ago presented a petition protesting the truck parking and traffic in the neighborhood, again appeared before the commission. City Manager Albert Glassford and Police Chief Kenneth Fisher were appointed at the last meeting to see what could be done about the trucks.

Richard McWilliams, spokesman for the group, said that there has been some relief as far as truck parking is concerned, and that only a few trucks have been seen driving down the streets, but pointed out that the subdivision wants measures taken to permanently prevent through truck traffic.

Manager Glassford said that he has requested model truck traffic ordinances from the Michigan Municipal League and is still awaiting them. He added that he wasn't sure if signs forbidding truck travel on side streets would need to be posted on every street or just at the city's entrances.

Most of the truck traffic and parking has come from the Utilities Lines Construction company of which Commissioner Harry Roberts is superintendent. Roberts said that he forbids drivers from using the streets, and that action will be taken against those who will. Concerning the question of employee parking, Roberts said that he provides two parking lots for employees and that he requests them to use the lots.

Election Costs Over \$1 for Each Voter

Monday's primary election cost taxpayers between \$1 and \$1.30 for each person who went to the polls, a preliminary check of city and township expenses showed.

Clerk Rosalind Broome of the township said that her expenses ran at about \$275 for the board workers' salaries and legal advertisements. With only 212 persons voting, the election cost about \$1.30 per voter.

City Clerk Kenneth Way estimates that his expenses will be around \$380, which is \$1 for every voter. This does not count the time of salaried city and township officials who worked on the election.

Next Election Is Monday, April 1

Because it will have a number of local races and issues, the next election on Monday, April 1 is expected to bring out a larger electorate than last Monday's affair.

Plymouth city will have races for five different offices and one proposal while Plymouth township will have no races and a proposal.

Four city commission seats will be at stake in the April 1 election, plus the job as Wayne county supervisor from Plymouth. Six men seek the four commission vacancies and two are in the race for supervisor.

The big issue on the ballot will be a one-mill tax levy for the purchase of a new fire truck. The proposal calls for the levy to be in effect for only one year.

In Plymouth township, all races for local offices were decided December 31 when only one person filed nominating petitions for each office. This brought their automatic election for another two years.

Plymouth township Supervisor Roy Lindsay said this week that the township will definitely have a proposal on the April 1 ballot asking if hunting should be allowed to continue. The township board is expected to call a special meeting this month to approve the proposal for the ballot. A referendum of the people is required to ban hunting.

Bowles Runs Third Among 11 Candidates for Circuit Court

Without the lure of a hot local election but with the name of one Plymouth man appearing on the ballot, the turnout for Monday's primary election was good compared with a similar election two years ago.

A total of 385 city voters and 212 township voters went to the polls during the day to decide the nominations for county auditor and the election of four circuit court judges.

George E. Bowles of Plymouth, appointed by Governor Williams to the circuit court bench in January, won his nomination to run for the office in April. Eleven men were on the primary ballot, the top eight being nominated for the four vacancies. Judge Bowles ran third, gathering an unofficial 64,912 votes.

In statement yesterday, Judge Bowles commended his friends at home who "have been most kind and have helped me out. I will try my very best to maintain their continued support."

Plymouthites supported their hometown candidate by a margin of well over 2-1 over other candidates. Of the 385 voting in the city, Judge Bowles received 350; in the township where Judge Bowles resides, he received 166 of the 212 votes cast. All of Wayne county voted for the judges.

Considering that there are five precincts in the city and three in the township, precinct workers had an over-all average of slightly more than eight voters per hour. With polls open nine hours, workers whiled away the hours by knitting, reading and talking. Precincts 1 and 2 at the township hall each had but 46 voters all day.

Two years ago in the primary, the city had but 195 voters turning out—90 less than Monday. The township had a decrease this year of 42 voters. Two years ago, however, there was a Republican contest for township trustee to help attract interest.

In a break-down of the sexes, the city had 203 men voting, 182 women. Plymouth township men out-voted the women, 126-86.

The number voting in each precinct was:
City Precinct 1, City hall, 56;
Precinct 2, fire station, 69;
Precinct 3, high school, 112; and
Precinct 4, Bronson building, 103; and
Precinct 5, Bronson building, 45.

Township Precinct 1, 46; Precinct 2, 46; Precinct 3, 120.

The following are the totals for each candidate in the city and township:

Late License Buyers Given Benefit of Longer Hours

One week from today there will undoubtedly be a small traffic jam around West Liberty street for it is on that street that the 1957 license plates are on sale.

Despite constant appeals to "shop early", hundreds of car owners will wait until the last hour. Plates must be on all vehicles by March 1.

Mrs. Doris Root, manager of the office at 181 West Liberty, this week announced that hours will be extended until 7 p.m. next

Community Stamp Co. to Dissolve

'Mr. Jordan' Here Tonight

Curtain time is 8:15 p.m. tonight in the Plymouth high school auditorium for the season's second major production of the Plymouth theatre guild, "Here Comes Mr. Jordan."

Sponsored by the Kiwanis club of Plymouth, as a means of raising funds to support civic endeavors in the community, this three-act presentation deals with the search to find a suitable body for the soul of Joe Pendleton, heavyweight prizefighter.

This bit of the light fantastic all begins when Pendleton is gathered to his final reward about 60 years too soon, due to the over-zealous efforts of an emissary in charge of New Jersey soul gathering. The consternation that ensues in Heaven at this unheard of error is heightened by the pugnacious and outraged demands of Pendleton to return to earth to live out his allotted life span.

Much to the dismay of the higher echelon in Valhalla, however, Pendleton "ain't got no body," since his mortal remains have been reduced to ashes in an urn on his manager's desk mantle. The circumstances lead to many hilarious situations.

Donations of one dollar are requested. Shows will also be presented at 8:15 p.m. tomorrow and Saturday.

The Good Ship Mayflower which for a year and a half has sailed on those little blue Plymouth Community trading stamps across local retail store counters will soon come to the end of its voyage.

Directors of the Plymouth Community Stamp company have voted to suspend operations of its trading stamp venture as of Saturday, March 16.

The unique trading stamp's death will come a year and a half after it began.

A spokesman for the company said that after the last stamps are issued on March 16, customers will be allowed 90 days to redeem them at any of the participating stores.

Parts of the savings books or even pages will be redeemed. Up to 39 stores at one time belonged to the Community Stamp company. Today there are 8.

The board of directors voted to dissolve the company when most members decided that Plymouth merchants no longer felt the need for a stamp plan to compete with others which a year and a half ago were at their height in southeastern Michigan.

Merchants expect to devote their efforts toward other types of promotions, the spokesman continued, and will announce plans for a new promotion as soon as the stamp operation ends.

The Plymouth Community Stamp idea was born in Plymouth when several new nationwide stamp firms were organized in 1955. While the larger plans call-

Holiday Will Close Some Local Offices

The 25th birthday of George Washington tomorrow will provide a holiday for workers in some of the community's public and private offices and businesses.

Affecting many people will be the closing of the post office. National Bank of Detroit and First Federal Savings and Loan Association. The Michigan Employment Security commission will also close for the day.

Postmaster George Timpona reminded citizens that there will be no mail delivery except for special deliveries and "perishables."

There will be school as usual.

Symphony Plays March 3 Date

Two selections will be on the program when the Plymouth Symphony Orchestra presents its next concert on Sunday, March 3.

"The Requiem" by Faure will be presented by both the Symphony and the Plymouth Civic Chorus under the direction of Fred Nelson. There will be two soloists, Mrs. Joanne Hulce, soprano, and Nat Sibbold, baritone. Both are of Plymouth.

Also on the program is the "Fantastic Symphony" by Berlioz.

City Smoke-eaters To Serve Pancake-eaters

City firemen will turn waiters for a night next Wednesday to serve their annual pancake and sausage dinner to the hungry public.

Held at the Knights of Columbus hall on Union street from 5:30 to 7 p.m., the dinner's proceeds go toward the purchase of new uniforms. Last year two uniforms were purchased for the department which now has 17 volunteers and four regulars.

Also on the menu will be cake and coffee and milk for children. Tickets are on sale with the firemen and at the door.

Former Resident Freezes to Death

A former Plymouth resident, Mrs. Caroline Dayton Bieszk, was found Tuesday frozen to death a mile from her farm home near Mackinaw City where she lived alone.

Mrs. Bieszk and her husband who died just last summer, moved from Plymouth to Mackinaw City in 1945. Her husband Anthony, was associated with Bieszk Bros. on Plymouth road.

Her frozen body was found a mile from her car and a mile from her home by utility workers. Her car, which had gone into a ditch, had apparently stalled and she was believed attempting to walk home. State police are awaiting a coroner's report on the cause of death.

Mrs. Bieszk has a daughter, Mrs. Ruth Smith, living in Wyandotte.

Losers Win After All

Where to Put TV Prize is Next Question for Student Panelists

Five Plymouth high school students won a television set for their school on a television quiz program last Saturday morning—but how the school can work television programs into the curriculum and where it should put the set seems to be a \$64,000 question in itself.

Those who watched the program "Quiz 'em on the Air" on WWJ-TV saw the Plymouth high school's competition from Wayne win the first prize of a 21-inch television. But shortly after the show, judges found they had erred and declared that the two schools had ended in a tie.

Both teams were tied at the end of the quiz, so the "tie-breaking" question involving the size of Michigan's bean crop was asked. Both schools missed the tie-breaker so judges hastily figured that Wayne was the nearest and the viewing public saw the TV set go to Wayne while Plymouth panelists settled for a radio.

But another check after the show revealed that Plymouth had guessed a little closer, so WWJ-TV awarded duplicate first prizes.

On the Plymouth team answering difficult current event questions were Ann Hulsing, Ed Mil-

WHILE PLYMOUTH high school can boast a crack swimming team, the boys aren't the only ones who take to water like the proverbial ducks. These six young ladies have been selected from the Water Waves Club to present a show at the intermission of the Plymouth-Ypsilanti swim meet here next Thursday night. Plymouth to Host 2,500 High School Musicians

Plymouth will be infiltrated by over 2,500 high school musicians this Saturday when the Southeastern Michigan Band and Orchestra Association holds its 24th annual festival here.

This is the first time that the festival has been in Plymouth and may be the last time for many years, Plymouth Band Director Laurence Livingston said this week. Livingston is second vice-president of the association.

Forty-six bands and orchestras from B, C and D class schools will gather here—swelling the city's population from 2,500 to 3,000 during the day. All restaurants are being asked to make provisions to handle the crowds of youngsters and many of their parents.

Livingston said that the music-loving public is being invited to attend any of the sessions which will begin at 8 a.m. and end at 10 p.m. The class B, C and D high school bands will play in the high school gymnasium while the class C junior high bands and all orchestras will be at Bird Elementary school. This includes Plymouth's junior high band.

Bands will not compete against each other but will be judged upon their own merits. Each will play three numbers in public—one required and the other two of their own choosing. The band or orchestra will then be taken to another room and given a "sight reading" number to play. Without rehearsal, the band and director will be given five minutes to go over the new music. The public will not be allowed to attend this session.

Attendance at all concerts is free. Members of the Plymouth high school band will serve as guides for the public and visiting bands.

The Southeastern Michigan association covers schools from parts of four counties—Wayne, Macomb, Oakland and Washtenaw. Schools not on the B, C and D classes will meet at Ypsilanti March 2.

MR. AND MRS. PAUL F. GUY

Patricia Lidgard, Paul F. Guy United in Candlelight Service

In a 7:30 p.m. candlelight service last Saturday, Feb. 16 at the First Presbyterian church, Patricia Lidgard, daughter of Mr. and Mrs. Robert Lidgard of 670 Ross street, spoke her marriage vows with Paul F. Guy, son of Mr. and Mrs. F. P. Guy of 16730 Shaftsbury, Detroit.

Reverend Henry Walch officiated. Bouquets of white snapdragons, mums, and carnations, palms, and candelabra adorned the church for the ceremony. Musical selections of "The Greatest of These Is Love" and "With this Ring" were played by organist Mrs. Edna O'Conner, accompanied by soloist Nat Sibbold.

Patricia wore a floor length gown of white nylon tulle and Chantilly lace, with a sabrina neckline, long sleeves extending to points over her wrists, and a chapel train. Her tiara was of seed-pearls, with a fingertip length veil, embroidered in lace. She carried a bouquet of stephanotis, centered with violets in a colonial arrangement, and wore a string of pearls which was a gift of the bridegroom.

Roberta Lidgard, sister of the bride wore a ballerina length dress of pancy purple nylon chiffon and matching mitts as maid of honor. A wreath of velvet leaves with a pearl adorned face veil formed her headpiece.

Wearing identical gowns of orchid nylon chiffon, fashioned like the maid of honor's, bridesmaids were Inez Enterline, Gloria

Guy, sister of the bridegroom, Janet Wilson, and Ruth Ann Lidgard, another sister of the bride. All attendants carried sprays of orchid gladioli.

Ensign Charles Wood of Boston served as best man for Paul, while Clifford Hornung, a cousin of the bridegroom, Richard Stringer, Gary Saunders, and Jerry Marnell ushered.

Mrs. Lidgard wore a pink lace, street-length gown with matching pink accessories, and Mrs. Guy chose a blue chiffon, street-length dress with matching accessories. Both mothers carried orchids.

Two hundred guests from Detroit, Chicago, Cleveland, Ann Arbor, Ypsilanti, Pontiac, Milan, and Plymouth attended the reception, held in the church dining room.

For her going-away outfit, Mrs. Guy wore a black coat with black velvet collar over a pink sheath dress with matching hat and gloves. The couple traveled to Chicago, Illinois for their wedding trip.

The bride is a junior at Eastern Michigan College, affiliated with Sigma Sigma Sigma. Paul is a graduate of the University of Michigan, in industrial engineering, and is affiliated with Delta Tau Delta.

They plan to make their future home in Aberdeen Maryland, for the duration of the bridegroom's army service, as second lieutenant with the ordinance division.

Judge of Juvenile Court Will Speak at PTA Meeting

Judge Nathan J. Kaufman will be the guest speaker at the Smith elementary school PTA meeting at 8 p.m. Thursday, Feb. 23 in the school auditorium. The meeting is open to the public, and refreshments will be served.

Judge Kaufman, judge of probate in charge of the juvenile court since 1954, has 25 years of law experience behind him. He brought to the juvenile court a wide range of experience in dealing with family problems, as a result of his 7 years experience as Wayne county assistant prosecutor.

He has carried out a specific program, calling for an expansion of adoptive placement services for the 2,000 children in private boarding care at public expense. Realizing that the problem child is often the result of problem parents, he established a "School for Parents," using the services of trained psychologists, court workers, educators, and other specialists.

A Citizens' Advisory Committee has been appointed by Judge Kaufman, composed of prominent citizens who work with the Judge, offering advice and assistance and helping to plan for the future.

Mrs. Marie Hartung of 303 Maple avenue returned from Palmetto, Florida, where she had spent several weeks with her son and daughter-in-law, Mr. and Mrs. Richard Hartung of Adrian.

Mrs. Arnold Samuelson, who suffered a heart attack recently and was taken to Mt. Carmel hospital in Detroit, has returned to her home on Canton Center road but no visitors are allowed at present.

As hosts at the annual Mens' Night, the male members of Bird elementary school PTA will present Birdarama Fun Night, starting at 7:30 p.m. next Tuesday.

Featured will be "Island Hopping in the Caribbean," as Mr. and Mrs. R. F. Tanager show colored films taken during their last year's vacation.

Co-featured on the program will be the scout troops sponsored by the Bird school PTA. Skits will be presented by Brownie Troop 7, Girl Scout Troop 30, and Cub Scout Pack 293.

Andrew R. Taylor of 682 North Harvey street is recuperating at his home following surgery at the Veterans' hospital, Ann Arbor. He would enjoy a visit from his friends.

June Wedding Is Planned By Peggy Price

Peggy Ann Price

Mr. and Mrs. George I. Price of Northville announce the engagement of their daughter, Peggy Ann, to Charles Hart Heiney, Jr. of Penniman avenue, son of Mr. and Mrs. Charles Heiney, Sr. of Jackson.

Miss Price attended Northville high school, Michigan State University, and the Detroit Conservatory of Music. She is now teaching third grade at Wilcox elementary school in Livonia.

Mr. Heiney attended Jackson high school and Purdue University. He served with the army in Korea, and is affiliated with the Consumers Power Co. in Plymouth.

A June 22 wedding has been planned.

Local Optimist Hear Handwriting Expert

A demonstration of grapho-analysis was enjoyed by Plymouth Optimist club members and their wives at the club's monthly Ladies Night meeting Monday at Arbor-Lill Restaurant.

Mrs. Lucille McKinney of Northville, a certified grapho-analyst, showed how modern methods of handwriting analysis are used today by business and industry for employment and job evaluation purposes, by doctors, police officials, and by juvenile authorities to gain better understanding of the problems of youthful delinquents.

Mrs. McKinney is a lecturer and instructor of the subject and has made several appearances before local organizations. She also teaches grapho-analysis through the adult education program of the Recreation department.

Mr. and Mrs. Kenneth McPherson of 248 North Main street and Miss Evelyn Stanible of North Harvey street are vacationing in Florida.

French-Woodard Vows Read Tuesday in Episcopal Church

Before an altar decked with white carnations and gladioli, Bonnie Woodard became the bride of Eldon French at 8 p.m. Tuesday in St. John's Episcopal church. Reverend David Davies officiated.

Bonnie is the daughter of Mr. and Mrs. Paul Woodard of 8603 Ravine drive. Parents of the bridegroom are Mr. and Mrs. William French of 8325 N. Territorial road.

Miss Woodard chose a white gown with a lace bodice and net-over-satin skirt, and carried a bouquet of white carnations. Her maid of honor in the ceremony was Wanda, her sister, who wore a yellow gown with lace bodice and net-over-satin skirt. Her bouquet was of pink carnations.

Roger French served as his brother's best man, while Jim French, another brother of the bridegroom, and Leroy Woodard, brother of the bride, ushered.

Mrs. Woodard chose a black dress with red accessories, while the bridegroom's mother wore a blue dress with white accessories. Both wore corsages of white carnations.

About 70 Livonia, Plymouth, Garden-City, Detroit, and Ypsilanti guests attended the wedding reception, held at the home of Leroy Woodard.

For a week's trip to Niagara Falls, the new Mrs. French wore a green print dress with matching jacket.

The bridegroom is a 1954 graduate of Plymouth high school.

Hough Foundation Grants to U-M \$1,000 Bequest

The Edward C. Hough and Mary Kimble Foundation of Plymouth have donated \$1,000 to the University of Michigan to establish a scholarship in the foundation's name.

This grant was part of a total of \$294,463.97 in gifts and bequests which was accepted by the U. of M. Regents at their February meeting held last Saturday.

Largest of the gifts came from the Carnegie Corporation of New York which gave the university \$100,000.

Stores Have Birthdays

Two Forest avenue stores are celebrating their anniversaries in Plymouth this week. Stop & Shop Super Market and Better Home Furniture & Appliances.

Bill and Joe Rucker of Stop & Shop have completed their eighth year in business here while Bert and Babe Wyse of Better Homes are finishing their seventh year. Both stores are holding special anniversary sales in observance of the events.

"I know it's provincial style, but what province?"

The young lady is evidently referring to the new 'Fidelis' console in provincial-styled furniture. Electronics experts built it, but furniture experts helped to design it to blend perfectly with any "period" furniture.

Mr. and Mrs. Melburn Partridge

Couple To Renew Wedding Vows Of 50 Years Ago

Mr. and Mrs. Melburn Partridge, former residents who spent most of their lives in Plymouth then moved to Tecumseh in 1939, will celebrate their golden wedding anniversary from 2 to 5 p.m. Saturday at an open house given in Tecumseh by their children.

At 3:30 p.m. Mr. and Mrs. Partridge will renew their wedding vows in the sanctuary of the First Baptist Church on W. Chicago boulevard, Tecumseh, with Reverend B. C. Bashore officiating. The reception will be held in the church Youth House before and after the ceremony. Friends and relatives are cordially invited and requested to omit gifts.

Melburn Partridge and Emma Wagenschutz were married Feb. 27, 1907 at the home of the bride's parents in Plymouth, with Rev. Howard Goldie, minister of the First Methodist Church here, performing the ceremony.

The Partridges have four sons: Russell of Brentwood, Calif.; Milton of Plymouth; and Owne and Austin of Tecumseh, as well as eleven grandchildren. Mr. Partridge formed the Partridge Implement Co., in which he is still active.

7 From Plymouth Are Awarded Degrees from U-M

Seven Plymouth students were granted degrees at the University of Michigan, after successfully completing requirements at the end of the fall semester this month. Regents approved the list of 1,159 degrees at a meeting last Saturday.

Graduate degrees were awarded to John Boeve, 15627 Portis, Master of Arts; Dale Arthur Griffith, 9590 Ann Arbor road, Master of Science; and Helen Jane Finkbeiner Mack, 14263 Northville road, Master of Science.

Receiving bachelor's degrees were Sara Lee Tuesdell Evans, 1236 Lilley road, Bachelor of Arts in Education; Verlyn Virginia Knight, 9743 Brookline, Bachelor of Science in Design; Theodore Arthur Oliver, 6265 Tower road, Bachelor of Science in Engineering; and Ralph Alfred Walch, 737 Church street, Bachelor of Business Administration.

On student request, commencement exercises were held Saturday, Jan. 26, the first since wartime school years. The date was set for before degrees were granted, allowing students to attend who are now beginning jobs in all parts of the country.

Ypsilanti Graduate Will Teach Music In Memphis, Mich.

Burton Zander, Jr., a recent graduate of Eastern Michigan college in Ypsilanti, has accepted a position in Memphis, Mich. teaching music. He is a member of Phi Mu Alpha, honorary music fraternity, and graduated from Plymouth high school in 1952. He is the son of Mr. and Mrs. Burton Zander, 1423 Marlowe.

Others present were Mrs. Christine Van Poppelien, Mrs. Raymond Bachelord, Mrs. George Cramer, Mrs. Arthur Johnson, Mrs. Josephine Fish and Mrs. Paul Wiedman.

Members of the Library Book club will meet Tuesday, February 26 in the home of Mrs. Louis Norman on Ann Arbor trail.

Flodin Wins Clerk Contest in Canton

Clerk John Flodin won over his Democratic rival in Monday's primary election in Canton township's biggest race. Flodin, who was opposed by George Boltrick, gathered 156 votes to Boltrick's 74.

There were no intra-party races for the top job of supervisor; Republican Supervisor Louis Stein will meet Robert Waldecker, Democrat, for the third time April 1. Stein received a complimentary vote of 76 and Waldecker tallied 131. All Democratic candidates pulled more votes than the Republicans.

Monday's primary drew 397 to the Canton township polls. Results of the election were:

Supervisor: Louis Stein (R), 76; Robert Waldecker (D), 131. Clerk: Hetta Burch (R), 60; John Flodin (D), 156; George Boltrick (D), 74.

Treasurer: Martha Ketchum (R), 70; Colburn Dennis, Jr., (D), 127.

Trustee: Ernest Plant (R), 58; Elmer Schultz (R), 74; Philip

Dingeldey (D), 149; Maxwell Allen (D), 115.

Justice of the Peace: Ralph Foote (R), 63; Joseph Caprara (D), 420.

Board of Review: Fred Corte, Sr. (R), 74 (unopposed). Constable: W. Gerald Cather (R), 63; John Collins (R), 59; Charles Johnson, (R); William Johnson (R), 45; Leo Bartz (R), 29. Bert Walling (D), 146; John Newport (D), 113. (Bartz is eliminated).

Highway Commissioner: Charles Curtis (R), 1; George Young (D), 13, (write-ins.)

Seniors Dance, Play Volleyball At Class Mixer

First senior mixer of the year was held last Saturday in the high school gym.

An admission fee was charged because the senior class treasury was low on funds. Dancing to the latest hits, volleyball, and refreshments were available from 8-11 p.m. while the pool was open from 9-10 p.m.

Executive board members in charge of making arrangements were Jack Taylor, tickets; Sandra Penney, chaperons; Dave De-Coster, refreshments and publicity; and Bill Brandell, pool and life guard.

Carol Clarke, Emily Cutler, Dave De-Coster, Jerry Hearl, and Judy Heric made up the graduation announcements committee. A sample of the cards they chose is in the display case.

Also on the senior agenda for the near future will be measurements for caps and gowns.

Basketball Fever Hits Girls Too

Cause for all the excitement among the G.A.A. members of Plymouth High School is basketball, the new after-school sport which is played every Monday night from 3:30 to approximately 5.

Team captains were chosen and they are as follows: Judy Nagy, junior; Mary Jane West, sophomore; Delores Aldrich, freshman; Eddie Dibble, sophomore; Linda Williams, sophomore; and Barbara Booth, freshman. Each captain is in charge of checking the attendance of her team and recording it with the basketball manager, Gerry Love, junior.

Each girl must play twice in order to receive her points. The first game is started at exactly 3:40 every Monday night with each team playing four times.

The executive board of the club, along with Mrs. Louise Cigile, club adviser, chose the 500 point letter and emblems to be given to those girls eligible to receive them. A special meeting will be held to pass out the awards.

Mr. and Mrs. William Campbell of Ann street entertained at an open house Sunday afternoon honoring their daughter, Barbara Singleton on her twenty-first birthday. Guests attended from Birmingham, Detroit, Ann Arbor and Plymouth.

It might be worth while to think about saving the lives of some of the children who are killed by automobiles.

JUVENILE JUDGE
Nathan Kaufman will be the speaker at next Thursday's P.T.A. meeting at Bird Elementary school. For story see page 2.

Plymouth Girls Attend Playday At Redford High

Enjoying an afternoon of fun at a basketball playday at Redford Union High School Feb. 12 were 12 members of the high school Girls' Athletic Association.

Girls representing Plymouth were Nancy Eaton, Linda Williams, Sally Jo Mathias, Beverly Tacia, Judy Van Wagoner, Mary Jane West, Cynthia Balfour, Judy Hart, Judy Nagy, Delores McLennan, Barbara Petty, and Lelah Irwin.

with the teams playing against each other. Refreshments were served.

The next playday will be for soft ball, with Allen Park playing host April 30.

For after-school sports, the girls play basketball, until each team has played every other team twice.

Gerry Love is sport manager, assisted by Sandra Davis, official timer and scorer.

Plymouth Firm Offering Issue

Myron H. Smith, president, today announced the issue of \$150,000 of six percent per annum, 10 year, junior subordinated debentures to provide for expansion of the Plymouth Finance Company, a small loan business.

To be sold in \$100 units, the debentures are available to any Michigan resident. "It is our intention, however," said Smith, "to sell as much of the issue as possible to present stockholders and local residents."

"Proceeds of the sale will be used to increase our firm's capitalization, enabling it to obtain or open additional branches."

Smith opened the Plymouth office in January, 1948 and subsequently expanded to Allen Park, Mich. in Sept. 1949 and Detroit in January, 1954. Smith himself spent four years in the U.S. Navy during World War II, attaining the rank of Lieutenant-Commander. He graduated from Belding, Mich. High School and Kalamazoo College, and attended the Detroit College of Law and Harvard University. He has been a member of the Board of Directors of the Michigan Consumer Finance Association for eight years and is presently Secretary of this Association.

Obituaries

Ralph Panattoni

The Rosary was recited Tuesday evening at the Schrader Funeral Home, and a funeral was held Wednesday morning at Our Lady of Good Counsel Church for Ralph Panattoni who passed away Sunday morning at his 967 Palmer street residence Sunday morning after a long illness.

Born in Rome, Italy, August 8, 1887, Mr. Panattoni married Della Ferrari on January 28, 1912. He was the son of Carolyn Bianucci and Peter Panattoni.

Mr. Panattoni came to this community in 1942 from Calumet where he was a restaurant owner and operator. He was later employed at St. John's Seminary in Plymouth. He belonged to Our Lady of Good Counsel church, the Holy Name society and the Christopher Columbus Lodge in Calumet.

Reverend Francis C. Byrne officiated at the funeral. Interment was at the Holy Sepulchre cemetery.

Pallbearers were Joseph Zarrardi, James Vairo, Clayton Caldwell, Carl Piercecchi, Sam Monticello, and John Sullivan.

Mr. Panattoni is survived by his wife, four daughters, Mrs. Carolyn Caldwell, Miss Florence Panattoni, Mrs. Dorothy Simecek and Mrs. Marie Criger, all of Plymouth; a brother, Eugene Panattoni of Chicago; and five grandchildren.

Harmon Schrader

After a long illness, Harmon Schrader, life resident of the area, passed away Saturday afternoon at his home on Canton Center road, Canton Township, at the age of 93.

Born June 2, 1863 in Canton Township, the son of Dora Kemp and Frederick Schrader, Mr. Schrader married Fannie Schoultz in 1892. A member of Macabees Tent No. 338 in Plymouth, he was a retired farmer.

Mr. Schrader is survived by his wife, a son, Owen Schrader of Plymouth, one grandchild, and two great grandchildren.

The funeral was held at 2 p.m. Tuesday at the Schrader Funeral Home, with interment at Riverside Cemetery. Reverend Henry J. Welch officiated.

Pallbearers were Nelson and Howard Schrader, Walter and Charles Schoultz, Russell McGraw, and Robert Waldecker.

GOP Supervisor Race in Salem Won by Scheel

Republican Supervisor William I. Scheel will meet Democrat William Young in the April 1 general election in nearby Salem township as a result of Scheel's win over his GOP opponent Monday.

Scheel easily eliminated W. Howard Stillwell in the Republican supervisor's race with a vote of 173 to 62. Young, who was unopposed on the Democratic ballot, pulled 45 votes.

Since Salem is still predominantly Republican, only four Democrats filed for offices. Besides Young, three Democrats filed for the two trustee vacancies and had a race among themselves with Fred Verran and C. F. Grimes as winners.

Incumbent Arthur Dahl led the field of five candidates seeking the Republican nominations for trustee, followed by Edwin Hamilton. Only two from each party were nominated.

With 311 people going to the polls, Clerk Grant Currie said that he was pleased with the turnout. This was one-third of the registered voters.

The following were the results: Supervisor: William Scheel (R), 173; Howard Stillwell (R), 62; William Young (D), 45. Clerk: Grant Currie, (R), 197, (unopposed).

Treasurer: Harlow Ingall (R), 204, (unopposed). Trustee: Arthur Hamilton (R), 106; Edwin Hamilton, (R), 99; Frank Buters (R), 59; Eleanor Tanner (R), 41; Gail Stanbury (R), 31; Fred Verran (D), 41; C. F. Grimes (D), 38; Don Butler, Sr., (D), 25.

Justice of the Peace: William J. Kelly (R), 127; George Schmemman (R), 109. Kelly elected.

Board of Review: Frank Geiger (R), 185, (unopposed). Constable: Gilbert Alter (R), 143; Gordon Tarham (R), 135. Both elected.

Highway commissioner: Robert Bulmon (R), 184, (unopposed).

organizations from all parts of the area.

Essays are restricted to a maximum of 1,250 words for grades 10-12; 1,000 words for grades 7-9; and 500 words for grades 5-6.

Winners will be announced at the Plymouth High gymnasium at half-time of the Plymouth-Hamtramck basketball game on March 1.

Complete contest rules were published in the Plymouth Mail of January 31. Entries must be in the Mail office by 8 a.m. Monday, Feb. 25, 1957.

Achievement." Vollbrecht is former president of the Industrial Wire Cloth Products company and has been associated with the automotive industry for many years. Formerly vice-president and general manager of the King Motor company, in 1914 he assumed the presidency of the George W. Franklin company, distributor for the famous Dorr motor cars. In 1956 he retired as head of Industrial Cloth, having served as president of Neville Wheel company before that.

A leader in Detroit area civic affairs, Vollbrecht is president of the Oakwood hospital, Dearborn, and owner of Hilltop Golf club west of Plymouth. He is a member of the Detroit Athletic club and the Economic Club of Detroit. His varied interests include a valuable collection of paintings and art described as one of the finest in this area.

Handicapped Must Wait for Services

There are approximately 54 handicapped adults in the Plymouth, Northville, and Livonia vicinity on the waiting list to receive physical and mental services, according to Edward Sobolak, field agent in this area for the Michigan Vocational Rehabilitation program.

Because of limited funds and manpower, the organization has been unable to keep up with increasing requests for their services, which include tuition and training supplies, artificial appliances, and medical therapy for rehabilitation of handicapped persons.

The state budget office has requested \$850,000 for the 1957-58 fiscal year, and if appropriated, the office will also be entitled to a federal grant of \$1,450,000. The organization could then advance 17 counselors to their staff, to help in bringing services more quickly to the 3500 Michigan residents now waiting to receive them.

Sobalok calls at the Michigan Employment Security Commission office at 585 W. Ann Arbor trail at 1 p.m. Wednesdays to serve clients in this area.

In Choosing Sheets

When you choose sheets, look at the selvage edges. A good quality sheet will have selvages that are firm, strong, neat, with no loose yarns, and woven with the same tension as the rest of the sheet. Extra yarns woven in the selvage to reinforce the edges are desirable. A good, closely woven selvage adds strength to a sheet and helps prevent tearing at the edges during laundering and handling.

The Homing Pigeon Club of Tucson released 109 birds for a short race . . . and only five returned. The rest were thought to be heading North on a beam carrying a Liberator concert or East with Elvis. A Pennsylvania flock released near a transmission tower never did return. A New York man lost 221 of his 230 racers. Looks like a bird in the hand is worth two in the air.

Then there's the fellow who crossed a carrier pigeon with a woodpecker. Now it not only delivers messages but knocks on your door to do it.

Commission Gets Request for Taxi Rate Hike

(Continued from Page 1)

Mayor Daane urged McWilliams and his neighbors to accept the present promises of keeping trucks off the subdivision streets until a time when a city-wide ordinance can be considered. It was noted that if trucks were not prohibited just from the Birch Estates subdivision, all side street residents would be requesting similar protection.

Manager Glassford made a progress report on the proposal to erect gates at the Mill street and Starkweather avenue crossings. He said that C & O officials have agreed to share half the cost which will come to \$30,000. Glassford said that since the city does not have \$15,000 readily available, the railroad has agreed to accept three yearly payments of \$5,000 a year. Stop signs have been erected at the Holbrook and York street crossings which are unprotected, the manager added in his report.

A recommendation that more of the Byron avenue branch of Tonquish creek be widened and deepened was approved. The part from Harvey street to Main street will cost an estimated \$3,150.

A big job of replacing water gates (valves) and gate wells got the support of the commission. DFW Superintendent Joseph Bida reported that the old valves, most of which are buried in the ground instead of being laid in a well, are rusted and snap off when turned off. He recommended that the 150 or so valves be gradually replaced and that wells be built. The commission agreed that the work should be done.

A letter from Superintendent of Schools Russell Isbister thanked the commission and other city officials for their cooperative efforts in getting a sewer built for the Gallimore elementary school and for the service offered at the junior high. It was noted that the city building inspector, Charles Thompson, prevented a costly error by discovering a wrong

location of a junior high boiler.

Final approval was given to a change in zoning for Ann Arbor Trail, from Hamilton street to the railroad. It has been changed from R-2 (two-family residential) to PR-1 (professional residential). Final approval was also given to an ordinance hiking the tap-in fee for water lines from \$80 to \$100.

A letter was read from the Plymouth Association of Insurance Agents reminding the commission of its existence and willingness to assist the city on insurance matters. The association has made numerous donations to the school and city such as scholarships, fire equipment and class aids.

The correct answer to this question amuses some people, angers others and doesn't help the budget a bit. It might save a pair of feet if Mom can use it to convince Dad that shoe prices are not bad.

The real reason that shoes are expensive is because we have to have TWO of them. When we look at a pair of eight dollar shoes we should think of them individually as four dollars each. That is how the manufacturer must look at them when he figures his cost of material and labor.

A single shoe at three, four, or five dollars is a far better value than a hat, a purse or a necktie at the same price. The shoe must withstand grinding on sandstone and yet not blister little feet. It wades through puddles, kicks cans, shinies up trees and comes up smiling with a little polish.

With the exception of glasses nothing that we buy for a child can affect his future happiness as much as the footwear that protects the very foundation of body health.

Why are children's shoes so expensive?

The correct answer to this question amuses some people, angers others and doesn't help the budget a bit. It might save a pair of feet if Mom can use it to convince Dad that shoe prices are not bad.

THREE AREA WINNERS of the Daughters of the American Revolution good citizen award are presented with special pins by Mrs. Frazier Carmichael, good citizens chairman. Shown are Judy Smith of Garden City, Sally Williams of Plymouth, and Janice Howarth of Northville. Other area winners, Lou Ann Hembree of Livonia and Ann Bidwell of South Lyons, were absent from the picture.

High School Girls Receive Award Pins at DAR Meeting

Five senior high school girls, chosen as good citizens, and their mothers were honored at the meeting of the Sarah Ann Cochran chapter of the Daughters of the American Revolution last Monday at the home of Mrs. Walter Hammond, 1312 W. Maple.

Winners of the award are Sarah Williams, Plymouth; Janice Howarth, Northville; Judy Smith, Garden City; Lou Ann Hembree, Livonia; and Ann Bidwell, South Lyons.

Qualifications of the good citizens are dependability, service, leadership, and patriotism. Mrs. Frazier Carmichael, good citizens chairman, presented award pins to them. They will attend the state D.A.R. conference in Grand Rapids Saturday, March 16, where all the state winners will be honored with a program and a luncheon.

Delegates and alternates were elected for the state conference and for the 66th Continental Congress, held in Washington, D. C., April 15-19.

Edward J. Cutler spoke to the group on Greenfield Village, where he was engineering architect.

Judges for the high school bands will be George Cavender, University of Michigan; Al G. Wright, Purdue university; Mark DeLeonard, Wayne State university; and William Johnson of Plainfield.

Judges for the junior high bands and all orchestras will be Arthur Best, Western Reserve university; Clifford Cook, Oberlin Conservatory of Music; Harold Geordes, Calvin college; and Edgar Kirk, Michigan State university.

It is surprising how many good, patriotic Americans are to be found in the small towns and rural areas of our country.

Well, the latest charge against television is that it is leading birds astray. Not that TV programs are below the standards of our feathered friends . . . but broadcast waves seem to confuse the bird's sense of direction. Homing pigeons just aren't coming home . . . and valuable flocks of racing birds are disappearing in the direction of the hottest commercials.

The Homing Pigeon Club of Tucson released 109 birds for a short race . . . and only five returned. The rest were thought to be heading North on a beam carrying a Liberator concert or East with Elvis. A Pennsylvania flock released near a transmission tower never did return. A New York man lost 221 of his 230 racers. Looks like a bird in the hand is worth two in the air.

Then there's the fellow who crossed a carrier pigeon with a woodpecker. Now it not only delivers messages but knocks on your door to do it.

With all the talk of atomic power, an Army spokesman says, "The best defense against the atomic bomb is not to be there when it goes off." Okay, we'll try to make other plans.

When you don't have other plans, there's nothing quite so pleasant as spending an evening in your favorite armchair with an assortment of the latest magazines. Make it a habit to stop at our magazine stand frequently and check for the new arrivals that suit your reading tastes. . .

Each week you and I — whether we are a \$50- or \$100-a-week clerk or a \$50,000-a-year executive — receive our pay checks minus a certain sum known as the Social Security Tax. Our employers take this money of ours, add to it an equal sum from their own funds, and send it to the United States government.
 This "bite" on our pay has been going on for almost 20 years now — with the tax rate and the amount of taxable wages rising continuously (Future rates already in the law raise the tax to 1 1/2% of payroll).
 But none of us has been too much concerned about it because we have been assured by ministers of official government folders, leaflets, radio broadcasts and statements that we are buying insurance — insurance against the hazards of old age. Here is the way Mr. Stokes summarizes the story as it has been fed to us by a hundred million pieces of government propaganda:
 "Social Security is an insurance system run by the government which guarantees most American families against loss of income by reason of old age or death of their breadwinners. The covered workers pay for this insurance with premiums held out of their wages or paid by employers on their account. Through these contributions the workers build up rights to benefits for themselves and their families. The amount of benefits depends on the worker's earnings, and thus on the premiums he pays."
 "Social Security is backed up by a huge reserve fund. All premiums are paid into this fund, where they draw interest. As they fall due, the promised benefits will be paid out of the reserve fund, just as they are being paid now to seven million persons who contributed the last 19 years. These benefits are not relief. The people pay for what they get and they get what they paid for. There is not any means test or showing of need required. Social Security is an insurance system . . ."
 "And then comes the shocker in this completely startling book — "every statement in the foregoing passage is false."
 Social Security is not insurance; the taxes you pay are not premiums — they're taxes just like any other taxes; you and your families have no rights when you buy this fake insurance; the benefits you may — or may not — get have no relation to your earnings; there isn't any "reserve" fund into which the government puts your money so it can be paid back to you when you are old; the government collects social security taxes (fake premiums) from you and your employer, then promptly borrows the money from the Social Security Board on its own I.O.U.'s (non-negotiable bonds) and spends it — on everything from colleges in Ethiopia to grass seed for Britain. When benefits have to be paid — where does the government get the money? It has already spent what you paid in, so the only thing it can do is tax you again — through general tax levies — to pay the benefits. SOCIAL SECURITY — FACT AND FANCY by Dillard Stokes. 208 pages including appendices and notes and comments. \$4.00.

 Readings in the Lesson-Sermon entitled "Mind" will include the following from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (128:14):

Local Couple To Give Illustrated Lecture Sunday

A Plymouth couple, Dr. and Mrs. G. H. Fitch, will give an illustrated lecture this Sunday on their archaeological trip to Mexico two months ago.

The public lecture is sponsored by the Reorganized Church of Jesus Christ of the Latter Day Saints and will be held at the Masonic Temple starting at 7 p.m. Dr. and Mrs. Fitch have long been interested in archaeology and have made several trips into Mexico to study ancient ruins. The latest trip was made between Christmas and New Years and took 10 days.

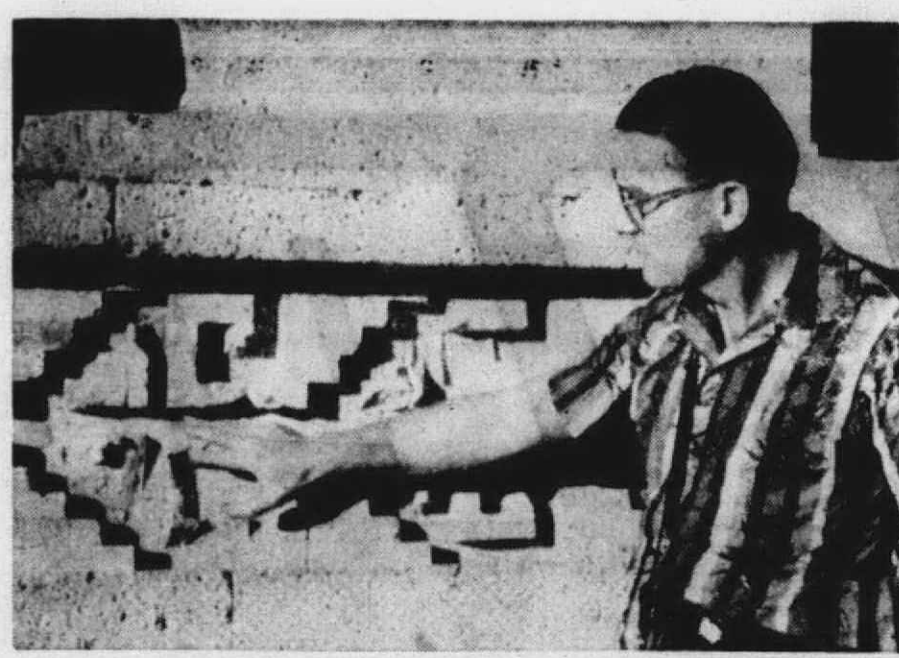

They will show colored slides and play recordings of authentic Mexican music Sunday night. Their holiday trip took them to the Mitla ruins 400 miles south of Mexico City. This was the home of the Zapotec Indians. Last year the Fitches traveled to Yucatan and further trips will take them to South America.

Character Researchers Hear Talk on Christianity

The character research group met at the Mayflower Hotel at 6:30 p.m. Saturday with the parent group from the Greenfield Methodist church as guests. Rev. Kearney Kirkley from the character research project staff in Shenectady spoke on "Big Enough to Begin," advocating the "chewable bite" approach to Christianity. National workshop for the project will be in August at Michigan State University.

Eighteen guests attended the fourth birthday party of David Dethloff of 11666 Morgan street; Kenny, Gary, and Janet Dethloff; Raina and Kendall Smith, Sandy vana, Alice and Beckie Widmaier, Debbie and Teddie Van Toll, David and Nancy Altenbernt, Tommy and Gerry Kenyon, Stephen and Gregg Ash, and David and Dickie Lewis. The children played games and watched cartoons.

Members of the Mayflower bridge club were guests of Mrs. Fred Ballen on Burroughs avenue Tuesday afternoon. Present were Mrs. B.E. Giles, Mrs. Arthur Johnson, Mrs. John A. Miller, Mrs. Raymond Bacheider, Mrs. Fraser Carmichael and Mrs. Homer Frisbie.

DR. G. H. FITCH, who with his wife will speak this Sunday in Plymouth, is shown examining the Mitla ruins at the Oaxaca palace in Mexico. The couple has made several archaeological trips to Mexico.

Hold Luncheon Meeting

A luncheon meeting was held for the 12 members of the Robinson extension group last Friday at the home of Mrs. Norman Frid, 374 N. Rogers street, Northville.

Mrs. Robert Widmaier and Mrs. Harold Shirey gave cake decorating lessons. The next meeting will be held March 7 at the home of Mrs. Russell Cunningham, 9025 Ball street, with a lesson on clothing and textiles.

A new member of the group is Mrs. Harvey Ziel, of Southworth street. The Tuesday afternoon club was the guest of Mrs. William Bartel, Sr., in her home on Plymouth road. Guests were Mrs. Howard Sharpley, Mrs. Lawrence Lyons, Mrs. Harry Deyo, Mrs. Edwin Zipse, Mrs. H. J. Brisbois, Pauline Peck of this city, and Mrs. Henry Woolens of Farmington.

PONTIAC WINS THE FLYING MILE AT DAYTONA!

A Standard Pontiac Stock Car Sweeps Its Class In The Two Most Important Events To You From The Standpoint Of On-The-Highway Performance . . . Winning First, Second and Third Place In The NASCAR Flying Mile And Winning First And Second Place In NASCAR Acceleration Tests Run From A Standing Start Over A Measured Mile!

The experts have been saying "Watch Pontiac at Daytona" — and there's been plenty to watch! Pontiac was the most exciting car on the beach, as the last minute boxscore above will show you. This impressive record was made by a Nascar-approved, strictly production model Chieftain, powered by Pontiac's special high performance Strato-Streak V-8 with 317 h.p., 10 to 1 compression ratio . . . and featuring Pontiac's new tri-power carburetion system. What does this mean to you as an ordinary, everyday driver? It means you can drive America's Number 1 Road Car—with all the ruggedness, safety and precision handling that make it a favorite of the men who earn their living by driving. And you can own it at prices starting below 30 models of the low-price three! Why not make a date right now to catch up on the newest, most spectacular performance on the road today? Tomorrow would be a wonderful day for that thrill!

We Said It—And Daytona Proved It. Completely New From Power To Personality . . .

SCHOOL BOARD MINUTES

The regular monthly meeting of the Board of Education of the Plymouth Community School District was held in the homemaking room of the high school on Monday, January 14, 1957.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Stecker, Mr. Blunk and Mr. Isbister. Absent: Mr. Mitchell and Mr. Smith.

Also present: Mr. Jacobus, Mr. VanOrnum, Mr. Vallier, Mrs. Snyder, Mr. Christensen, Mr. Cantrell, Mr. Anderson, Mr. Elston, and Mr. Joliffe.

President Fischer called the meeting to order at 8:30 p.m. after Board members had previously convened in the Gallimore School for the purpose of observing progress of the new building. Mr. Becker in describing the status of the construction program noted that all the contractors were emphatic that the building would be ready for occupancy on January 28, 1957.

It was moved by Mr. Stecker and seconded by Mrs. Hulsing that approval be granted to the Michigan Bell Telephone Company for a right of way across a portion of the Bird School property and that the president and secretary be authorized to sign in the name of the Plymouth Community School District the necessary documents in order to consummate such a right of way agreement.

Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

Mr. Jacobus, Mr. VanOrnum, and Mr. Vallier asked the Board to re-consider the conditions under which the residence requirements and the ruling by the Board in the acceptance of additional students from the Nankin Mills and Patchen School Districts would force a tenth grade boy to discontinue his membership in the Plymouth High School when his family moves from one of the districts to the other. It was pointed out that when the mother of the boy contemplated the move from one district to the other, she was informed by the school authority that the boy's membership in the school would not be affected by the move.

It was further pointed out that at the time the opinion was given in the school all high school students were being accepted from both of the districts and the non-residents filing was made subsequent to this opinion.

In the light of this new evidence it was moved by Mr. Stecker and seconded by Mrs. Hulsing that the student be permitted to continue in high school until the school year is completed and that the meantime his legal residence doesn't change to another high school district.

Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

Mr. Cantrell asked for a clarification of the West Boundary south of Ann Arbor Township in the Bird School attendance area when the new boundaries are established at the opening of the Gallimore School. It was pointed out that the houses with McClumpha Road addresses are considered in the Bird and South districts and houses with Ann Arbor Trail addresses west of McClumpha Road are considered in the Gallimore School attendance area.

Mr. Christensen asked the Board about policies which are followed in working with the Board of Education and Township and City Planning Commissions in the procuring of school sites.

Mr. Anderson and Mr. Blunk discussed problems connected with the driver education program. It was noted that practice dictates that the school district should own the driver education cars.

It was moved by Mr. Stecker and seconded by Mrs. Hulsing that bids be taken for the purchase of a new driver training car.

Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Stecker to approve for payment the following bills:

General Fund: Vouchers 18, 19—Payroll December 21, '56— \$68,448.52
 January 4, 1957 18,666.61
 Vouchers 20-171, incl. 167,897.17
 Bldg. & Site: Vouchers 300-314, incl. 167,897.17
 Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

It was moved by Mr. Stecker and seconded by Mrs. Hulsing to approve the minutes of the last regular board meeting.

Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Stecker to accept the resignation of Mrs. W. S. Congdon from the Adult Education and Recreation Commission and approve the appointment of Mrs. O. H. Williams as her successor. (Mrs. Congdon resigned because of a change in residence.)

Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

After some discussion it was moved by Mrs. Hulsing and seconded by Mr. Stecker to approve the resignation of Mrs. Hulsing as a member of the Houghton and Mr. Blunk and authorize bids be taken on a new bus.

Ayes: Mr. Fischer, Mrs. Hulsing, and Mr. Stecker.

Nays: None.

A special meeting was scheduled for Monday, January 28, 1957, at which time the Northville Board of Education will meet with the Board for the purpose of discussing a change of boundary in the Six Mile Road and Haggerty area.

Another special meeting was scheduled for Monday, February 4, 1957. Representatives of the Plymouth Education Association will be invited to be present to discuss the salary situation.

A letter from Mr. William McFarlane of Free Church School District asking for a hearing before the Board for the purpose of discussing their school year real. Superintendent Isbister was invited to be present at the meeting on February 11, 1957.

Meeting adjourned at 11:15 p.m.

Respectfully submitted,
 Esther L. Hulsing, Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held in the homemaking room of the high school on Monday, January 28, 1957.

Present: Mr. Fischer, Mr. Mitchell, Mr. Smith, Mr. Stecker, Mr. Blunk, and Mr. Isbister.

Absent: Mrs. Hulsing.

Also present: Mr. Coolman, Mr. Schaefer, Mr. Clark, and Mr. Amerman of the Northville Board of Education, and Mr. Munshaw of the Wayne County Board of Education.

President Fischer called the meeting to order at 8:30 p.m.

Under consideration was the possible transfer from the Plymouth Community School District to the Northville Community School District of the following described property:

"All that part of Section 13, Town 1, South, Range 8 East, Northville Township, Wayne County, Michigan, being 141.46 acres and being described as follows: Beginning at the Northeast corner of said Sec. 13 and proceeding thence S 0° 09' 10" E along the East section line, 172.97 ft. thence S 28° 36' 50" W along the original center line of Haggerty Road, 677.02 ft.; thence N 87° 38' 20" W, 294.51 ft.; thence N 0° 16' 44" W, 1456.26 ft.; thence along the boundary of WOLFBERG Estates, as recorded in Liber 69 of Plat of Wayne County Records, S 85° 38' 45" E, 1637.26 ft. and N 0° 05' 40" E, 1,071.88 ft.; thence S 85° 11' 30" E, along the North section line, 1643.97 ft. to the point of beginning."

The transfer of this property, if approved, would make a more regular boundary in the northeast corner of the school district. It was pointed out that eleven families and nine schooled children live in the proposed transfer area. It was suggested that the boundary line would be further improved if more land were included in the transfer. Since both Boards were concerned with the attitudes of the people affected, Mr. Munshaw pledged the cooperation of the Wayne County Board of Education in conducting a survey in the area to determine how they felt about the transfer.

Mr. Munshaw noted a provision in the school code that states the property to be transferred must continue to be assessed in the original district for debt retirement purposes until all the outstanding bonds which were voted by the district prior to the transfer have been retired. He also noted that under the law the County Board of Education must, after appropriate resolutions have been passed by the Plymouth and Northville Boards describing the transfer, provide for a public hearing within a ten day period.

It was mutually agreed to have another joint meeting of both Boards after the results of the survey are available.

Bids for the driver training car were read as follows:

Forest Motor Sales	\$2,035.40
Paul Wiedman, Inc.	\$2,075.40
Ernest J. Allison	2,055.00
West Bros.	2,125.85

It was moved by Mr. Smith and seconded by Mr. Stecker to accept the low bid of Forest Motor Sales in the amount of \$2,035.40, and the business administrator be authorized to purchase the driver training car in the name of Plymouth Community School District.

Ayes: Mr. Fischer, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

Some discussion was given to the impending school finance problems. It was pointed out that the total state aid payments for the current year are in jeopardy and a possible cut back of \$14 per membership child has to be reckoned with. Various proposals for the revision of the state aid formula were discussed. Also under consideration were problems of local support for schools. It was mutually agreed that the Board would spend considerable time and thought on this problem.

Meeting adjourned at 10:40 p.m.

Respectfully submitted,
 Russell L. Isbister, Acting Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held in the homemaking room of the high school on Monday, February 4, 1957.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, Mr. Stecker, Administrative Assistant Blunk, and Superintendent Isbister.

Also present: Robert Baxter of the School Community Planning Group, and John Birk, Gerald Exton, Bill Foster, Frank Heger, Robert Ingram, Elizabeth Sheldon, Marilyn Thompson, and Anne Welch of the Plymouth Education Association.

President Fischer called the meeting to order at 8:30 p.m. He noted that the purpose of the meeting was to discuss the salary situation for the next school year. He pointed out that additional money would be required to finance the expanded program caused by this opening in the school year.

After considerable discussion relative to such matters as additional millage for operating purposes, cost of living, salary trends, and other budget demands, it was mutually agreed that another meeting would be scheduled to discuss the specific salary adjustment for the next school year. Meetings were scheduled for February 25 and March 4. Non-teaching employee representatives will be invited to be present on February 25.

Bids for the purchase of a new school bus were opened and read as follows:

E. J. Allison—Chevrolet 8802	'56 Wayne Body	\$6,500.	Immediate

	B750	'57 Onida Body	7,062.41	3/30/57
	B750	'57 Wayne Body	7,267.41	3/30/57

No action was taken on the bus bids pending further study.

The proposed change in zoning from M-1 (light industry and business) to R-1 (residential) along the west side of Mill Street in the City of Plymouth was discussed. It was mutually agreed that the interests of the Plymouth Community School District would be better served if this change were made.

It was moved by Mr. Stecker and seconded by Mrs. Hulsing to support the change in zoning and Superintendent Isbister be authorized to so notify the City Planning and Zoning Commission of the Board's action.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith, and Mr. Stecker.

Nays: None.

The proposed school calendar for 1957-58 was discussed. Action was deferred until the regular meeting on February 11, 1957.

Mr. Blunk reported on the progress in the construction of new school buildings. He pointed out that the Gallimore School would be opened on Monday, February 11, 1957.

Meeting adjourned at 11:00 p.m.

Respectfully submitted,
 Esther L. Hulsing, Secretary

News from Rosedale Gardens

Chance Visit With TV Cowboy Thrills Young Folks

Chuck and Alicia Stanwick of Woodring avenue had quite a thrill last week when they accompanied their parents to the Tuller Hotel for a family dinner and the Range Rider happened to be there in the flesh! In town for T.V. appearances, he talked with the children, gave them autographed pictures and gave Alicia a kiss!

Celia Hearon, Vermont avenue, was hostess at a brush demonstration party Tuesday evening, February 12. Friends and neighbors present were Irene Ochs, Vivian Gilday, Margaret Briggs, Tig Tarbuton, Betty Dana, Nancy Mahon, Mary Wilson, Helen Fortney, Helen Firnhaber, Marion Yadosky and Joan Bialecki. The demonstrator was Bill Thomas of Plymouth.

The Walter Jordans of Fielding Avenue, Redford, entertained with a turkey dinner and all the trimmings February 3 for the Sells 14th wedding anniversary with 10 guests, including Elizabeth Whitefoot and Mae Kubik. The Sells reside on W. Chicago.

The Lyle Gamertfelders of Dearborn called on the Sell family and Mrs. Kubik Monday evening, February 11 before leaving on their Florida sojourn.

A Valentine party was held at the clubhouse on Hubbard Thursday, February 14 for the ballroom dancing classes from 7:30 to 9 p.m. Refreshments were served by Mrs. C. Andrews, Mrs. Don Roble and Mrs. I. McIlvain.

Nancy Rutherford, W. Chicago, celebrated her 4th birthday Sunday, February 10 with a party; guests included Aileen and Nancy Briggs, Ann Marie Wilson, Diane Forest, Mark Scofield, Johanna and Nancy Wallo, Nancy's grandma, Mrs. Anita Sheriff and all the mamas of the children.

A really super-duper fashion show with fashions modelled by professional models is being given by the Women's Club March 7 at 8 p.m. at Whitman Junior High, and you'd better get your tickets early unless you want to be disappointed!

Tickets are available now through your street chairman at \$1.50 each which includes not only this fashion show but on by Saks Fifth Avenue, but an elegant tea afterwards. Proceeds are going to Muscular Dystrophy and Cystic Fibrosis, two charities which do not come under the United Fund.

You do not have to be a member to attend, so bring friends and relatives and neighbors for a really enjoyable evening! (P.S. I'm a street chairman!)

Dorothea and Fred Smith and daughter Darby of Virginia avenue returned Sunday, February 10 from their vacation in Florida. Dorothea said it rained all the way down and back, but the weather was beautiful while they were there and they swam almost every day.

They visited Dorothea's folks, Mr. and Mrs. John Reilly in St. Petersburg, had dinner with friends in Tarpon Springs and went out on a boat to watch the sponge divers. They also made an overnight trip to Miami and visited friends in Tampa for a week-end. Pretty nice, folks, now back to shovelling snow!

Henry Sell, W. Chicago, and a party of three from Wayne and Redford spent last week end rabbit hunting at Wixom Lake near Midland.

I attended the Whitman Junior High P.T.A. Tuesday night, February 12, and there was really quite a turn out, in spite of the bad weather. Mrs. Frances Ohl was temporary chairman and Mrs. Keras was temporary secretary.

Conrad Hector read the proposed by-laws and they were approved with only two words changed, a new record of some kind, I'm sure!

\$100 was presented to the new P.T.A. as a gift from the Bentley P.T.A. While the tellers counted votes the meeting broke up into informal discussion groups to get ideas for future meetings.

I heard one teacher (male) express the idea that future meetings would be improved if they included refreshments! I have just one more suggestion to add to this: couldn't a jar of instant coffee free coffee and a pitcher of hot water be available for the poor souls who like to be sociable but can't sleep if they drink coffee at night? I don't mean just for P.T.A. meetings, I think it would be thoughtful at all evening functions.

St. Michael's Senior Choir members and their wives and husbands staged a gala affair Saturday night, February 9 with a buffet style dinner of roast beef. Chairman were Pat and Del Mills and Mrs. Ralph Dunlevy was chairman of entertainment.

Choir director Chuck Madigan gave a brief talk, charades were played, and a quartet consisting of Bob Miquelon, Al Kotles, Chuck Madigan and Jim Cooney entertained with old fashioned barber shop harmony.

Chuck Rimer, Virginia avenue had a night "out with the boys" when he took Gary and Bobby to the father and son banquet at Hope Lutheran Church last week. They must have had a good time because they didn't get home until 11:00 p.m.! They enjoyed a steak dinner, saw two films on outdoor life and the boys received favors and refreshments.

Barb and Jo Jacques, Virginia avenue, gave a party Saturday evening, February 9 in honor of Cal Dewey. Games were played, among them musical chairs, and prizes were live gold fish in plastic bags.

Nursery School has started its new semester and new Mother's classes and the waiting list is very short. Call Betty Broscoff, GA. 1-4117 for information.

There are openings in ballet classes at the clubhouse at present and if you want to enter your child call Peg Miquelon at GA. 1-6132.

The Rutherfords of W. Chicago gave a surprise birthday party Sunday, February 17 for Marilyn's mother, Mrs. Anita Sheriff. Guests present were Mrs. and Mrs. Erving Dohm, Mr. and Mrs. Douglas Croll and the six Rutherfords.

Margaret Sell and Mae Kubik of W. Chicago attended a baby shower in honor of Dolores Marlowe of Wayne Sunday, February 10.

Now hear this, members of Rosedale Gardens Civic Association. The next monthly dance is Saturday night, February 23rd, and Angie and Bob Scott, chairman, with Ginny and Chuck Gamber, Vera and Bob Lorian and Betty and Joe Talbot, committee, have really been knocking themselves out to make this dance different, so don't miss it.

This is going to be a Travel Trot, for the benefit of all the poor souls who can't go gallivanting out to Florida, etc., and the lucky couple who win the door prize will win an all-expense paid "holiday" for two including travel, entertainment, food and baby sitting fees.

This sounds real jolly, and I was told that it won't be an overnight trip, so don't expect to win a trip to Paris, or anything like that! This dance is open to members of the Rosedale Gardens Civic Association and their non-resident guests only.

Sunday, February 10 the Junior Civic Teen Age Club met at the clubhouse on Hubbard from 6 to 9 p.m. for an evening of fun. The kids had planned a tobogganing party originally, but the weatherman didn't cooperate, so it was called off. Mr. and Mrs. Borgia, Blackburn avenue, were chaperones for the evening.

Jenks and Phil Young of Brookfield avenue are the parents of a baby daughter, Janet Lynn, born February 11 at University of Michigan Maternity Hospital. Janet Lynn, who has two brothers, Larry and Dennis, weighed 8 pounds, 13 ounces.

The Louisiana Pinochle Club met February 13 at the home of Gerri Casler and honored Anita Griffiths with a stork shower. Present were: Gladys Wendt, Jean Stewart, Lois Durfee, Janet Blanchard, Shirley Good, Beth Theide, Nancy Roberts, Dolores Weinberger, Monica Mahase, Cathy Pons and June Howard. Gladys Wendt decorated a cake special for the event.

Susan Wendt became 3 years old February 13.

Billy and Mary Kumbier, Vermont avenue, were entertained at a Valentine Party Thursday, February 14 when their young friends gathered at their home to make valentines for their mothers, enjoy a Valentine post office and enjoy refreshments. Guests present were Jimmy Davis, John Tarbuton, Paula Klenk, Lee Gizowski, Steven Fortney, and Ricky and Randy Carpenter.

Mrs. Robert Welch, Fairfield avenue, gave a surprise birthday dinner Valentine day for Janet who was 8 years old. Guests included sister Jill, Pat Gamburd, Kathy Heimforth, Susan Snyder, Susan and Carol Wait, Sheila O'Brien, Tyrre Hilgers, Linda Chalfont, and Colleen Thomas.

Pat and Ken Luch, Vermont avenue, had Mary Ann Dreger, Barbara Bodalski, Larry Bodalski and Carol Dreger as their guests Saturday night, February 9. Larry went next door to a teen age get together held by Marilyn Pomroy.

A Blue and Gold dinner, an annual Cub Scout dinner held during Scout Week was held at St. Michael's school hall by pack No. 272 February 13. This dinner was for the Cub Scouts and their parents. The new Cubmaster is Ray Madigan.

Jean Gizowski, Vermont avenue, gave a bridal shower Thursday, February 14 in honor of Marion Elliott of Detroit who is Jean's Goddaughter. Co-hostess was Jean's mother, Leona Moynihan of Detroit, and Irene Townsend of Garden City helped out, too.

The guest list included June and Elaine Elliott, Arlene Heenan,

Virginia Thornton, Maude Servis, Myrtle Servis, Audrey Pollack, Pat Servis, Gertrude Campbell, Barbara Meirka, Edith Campeau, Shirley Lyons, Loretta Moynihan, Zelma Steffins, Shirley Reedy, Winifred Hope, Mrs. Vivian McKay, Cheryl Servis, Joan McKay and Anna McKay.

Little Lee Gizowski, dressed up in a bride outfit, passed out the gifts and Lee's bride doll formed the centerpiece of the table.

Happy to report that Peg Jenkins, Berwick avenue, flew back from Washington with the news that her father, who suffered a heart attack, is recovering.

Mrs. John J. Coleman entertained her pinochle club in her new home on Montana avenue Tuesday, February 12. Guests present were Mrs. Louis Fix, Detroit, Mrs. John Wenderlak, Flat Rock, Mrs. Andrew Furie, Detroit, Mrs. Jack Zajak, Detroit, Mrs. Thomas Furie, Redford, Mrs. Henry Wojcik, Wayne, and Mrs. John McKillop of Detroit.

The Colemans are new neighbors of ours, and have already joined Civic and we surely do welcome them and hope to see lots of them at meetings and the rest of the "doings".

One more Durivage is down with the chicken pox! That leaves 5 to go, and it looks as if they are going to do it the hard way and come down with it one at a time. At this rate we won't see Kay and Bob before spring. Molly is the unlucky one at present, Peggy already having taken her turn.

The Wyatts, Woodring avenue, took in the Shrine circus Saturday, February 9 with children Mike, Bruce, and Beth.

Pat and Chuck Balhorn, Mayfield avenue, and son Kenny spent Saturday evening, February 9 at the home of Mr. and Mrs. George Rudy in Allen Park.

Did I tell you that the Pomroys went to a square dance at Rosedale School Friday night, February 8. Well, we did and we took along two squares from Royal Oak, Ed and Mary O'Halloran and had a real nice time.

This club, sponsored by Livonia Recreation Department, meets the 2nd and 4th Fridays of the month and is an intermediate group. If you'd like any more information on this, I'd be glad to have you call me!

Silhouettes of 1957 is the name of the fashion show to be given at St. Michael's school hall Sunday, February 24th from 3:30 to 6:00 P.M. Donation of \$1.25 per person gets you a top notch fashion show plus refreshments and a crack at winning some door prizes.

Styles will include ladies' clothes, maternity clothes and children's fashions. This show is given by the Altar Society and clothing will be modeled by members of the church and their children. Chairman is Betty Martin, Garfield 1-6252.

St. Andrew's Church is holding a pre-lenten dessert card party Tuesday, March 5 at 12:30 P.M. Tickets are \$1.00 and there will be prizes.

There was a surprise birthday party for Gladys Wendt, Louisiana avenue, at the home of Lois Durfee Friday, February 15. Girls who turned out to wish Gladys a happy birthday were Gerri Cas-

Reservists See Air History Film

A film entitled "We Saw It Happen" was shown at a meeting last week of the Plymouth Air Force Reserve Unit held at the Veterans Memorial building.

Narrated by such famous names as Wright, Sikorsky, Douglas, Goering, Rickenbacker, Mitchell, Grumman and many others, the film carried through from the balloon to the rocket.

Of considerable interest was the first military aircraft annual budget of \$150 to maintain and operate aircraft in 1910. Today it is over \$16 million.

Ed Granger of the Plymouth Flight pointed out in a discussion that since an Air Reservist is a "neighborhood" unofficial spokesman for the Air Force, he has the responsibility to be well informed on Air Force matters. He then told the group some basic facts about current Air Force matters, policy and situations.

Jack Mitenebuler, another local Reservist, presented findings of a Senate subcommittee on Air Force readines.

The Air Reserve is about to undertake a membership drive and encourages all area AF veterans to join the local Flight. Meetings are held the second and fourth Tuesdays at the Veterans Memorial Building.

Owners Pain More Than Maples

This is annual "worry time" for home owners with trees that appear to be bleeding to an untimely end.

The bleeders are maples but they should offer no cause for home owners' alarm. All maples, including the American sugar maple which produces the delectable confection for which many American eastern states are renowned, will run sap when conditions are right.

Oozy "icicles" often form on branch ends from natural or man-made wounds. These are unsightly but not harmful to home grounds maples.

Tree men usually avoid pruning maples at this season, partly because the bleeding from newly made cuts seems to be painful to tree lovers if not to the trees, and partly because wound dressing should be applied to cuts will not stick to sappy surfaces. But where pruning must be done and where owners don't quail at the sight of running sap, go ahead with it and paint the cuts later.

One man's sap is another man's sugar, and farmers in all sections of the East are busy tapping their maples and boiling down the sap to proper consistency. The sap exuded from maples really is largely water containing only rather minute amounts of sugar.

There was a time when preachers warned against card-playing, dancing and even skating. Maybe they were right, about skating.

Do You Know ALL The Things That Dri-gas CAN DO IN YOUR HOME? ?

Dri-Gas costs so LITTLE—does so MUCH!

DRY CLOTHES quickly. Even, perfect drying 365 days a year. A blessing in wet, stormy, chilly weather when you have a Dri-Gas Dryer!

BURN TRASH AND GARBAGE. Odorless, smokeless Dri-Gas incinerators quickly dispose of everything that will burn.

HEAT WATER faster. Oceans of hot water from small, low-cost, easily-installed Dri-Gas heater. No "premium rate."

COOK YOUR MEALS automatically. Gives you pure, clean, hot gas flame. Dri-Gas ranges offer new features, safety devices.

HEAT YOUR HOME automatically. Clean, healthful heat—no smoke, ugly, oily film on walls, woodwork.

What is Dri-Gas? Dri-Gas is pure LP-Gas with 2 1/2 times the heating power of natural gas. It is especially "Dri-Processed" to give you a hotter, cleaner flame. Unlike ordinary, impure fuels, Dri-Gas never leaves any of that familiar black, greasy deposit on your walls or ceilings.

TO A SALESMAN WHO MAY BE TOO "HOT" TO HOLD

The man we're looking for has real sales ability. He likes to meet people. He's enthusiastic. He wants an income that is well above average for his family, and will roll up his sleeves to get it.

He wants a job with a long future. His ultimate goal is a sales executive post.

He is ready to take a crack at selling the most interesting new products on the market—automobiles.

If that sounds like you, see us now. We sell the car that for the past three years out sold every other car in America except two in the best-known smaller cars—Buick.

We'll give you thorough sales training, a brand new Buick as a demonstrator, hot prospect lists and all the help you need. With a car like the new Buick to sell, plus your willingness to work hard—you can build a solid clientele that will buy from you year after year.

Cagers Lose Title As Trenton Wins 64-42

Plymouth vs Redford Union In Seasons Last League Tilt

Trenton captured the Suburban Six title last Friday night as they downed the Plymouth Rocks in a 64-42 basketball game on Trenton's small home court. The Trenton team secured the title with a 8-1 record. The loss shoved Plymouth into a two way tie for second with Bentley. Each team now has a 6-3 record in league competition. Trenton took possession of the

Rocks on Winning Rampage

The Plymouth swimming team drubbed the opposition for the second straight week as they dunked Wyandotte 71-25 in the latter pool. The Rock tankers took nine of the ten possible first places. The lone loss of first was in Plymouth's usually strong diving.

Don Carney and John Williams placed one, two in the 50 yd. freestyle to start Plymouth's romp. Carney's time of 25.8 was two tenths of a second faster than teammate Williams.

The 100 yd. butterfly breaststroke was won by Bob Isbister, with Byron Williams finishing second, and Sutka of Wyandotte third. The winning time was 1:06.3.

Bill Brandell and Jack Taylor helped Plymouth's scoring total as they finished first and second in the 200 yd. freestyle. Brandell's time was 2:05.5 while Taylor was clocked at 2:19.

Jim Archer captured first in the 100 yd. backstroke in the time of 1:37.4. John Gregory showed Plymouth to a 32-4 lead by finishing second behind Archer.

Dennis Baker and Wyandotte's Weier were tied for first in the 100 yd. freestyle Ed Stretanski of Plymouth capped third.

The 100 yd. orthodox breaststroke was won by Mike Todd in the time of 1:14.8 with John Cash finishing second. Duncan of Wyandotte outpointed Art Losse and John Walker of Plymouth.

lead in the first quarter 16-8 and had boosted the lead to 15 points by the end of the half. The victors had a substantial 45-26 edge at the end of the third period of play and the final 64-42 sent the Rocks to their third straight conference loss.

The local team was again handicapped in shooting as they hit for a lowly 30% of their floor shots. Trenton was hitting at a 44% clip on field goals, but only 38% of their free throw shots as compared to Plymouth's 42%.

Captain Ken Calhoun hit in the twenties for the third straight week and for the fourth time this season. His mark this week was 23. Ken tallied for 10 field goals and 3 free throws. Jerry King totaled 8 points, with Bob Jenkins hitting for 5. Bob Voss was high for the game as he dunked 14 field goals and one free toss for 29 points.

Tomorrow night the Rocks will entertain the invading Redford Union five in the last conference tilt of the season. The last time the two teams met Plymouth won for their sixth straight triumph.

The JV team lost their third straight cage game of the season as Trenton JV's squeaked out a 42-38 triumph. Plymouth trailed throughout the ball game but began to close the gap in the closing minutes. The Trenton reserves held a slim 11-8 first quarter lead. They had stretched out an eight point lead at the end of the third quarter and maintained the

Frosh Undeclared In Nine Games

The Plymouth Frosh, under the direction of John Sandmann, won a lip sided 42-17 decision over Trenton for their ninth straight cage victory. Nine players made the scoring column as the freshmen continued their drive for an undefeated season.

Play was tight in the first quarter with Plymouth coming out on top of a 7-4 score. The Frosh extended their lead to 12 points at the end of the half and to 17 by the third quarter.

John Nance sparked the Plymouth attack with 18 points. Randy Egloff and Dick Hubert added 6 and 5 respectively. Martin was high for the losers with 6.

The Trenton jr. high set the little Rocks down 57-45 for their fourth defeat in nine starts. Trenton took the lead in the early stages of the game and coasted to the final victory.

Dave Palmer was high for the losers with 12. Ralston had 7. Lyons and Fenner were high for the winners with 18 and 14 respectively.

Information that confuses Mr. Average Citizen: "Shortages in many commodities predicted by spring." "Nation's inventories at an all time high."—Christian Science Monitor.

Interesting is a disclosure that jet-propelled planes and missiles are indiscriminate in their fuel requirements, operating on anything from coal oil to Napoleon brandy. Sounds like night life in the twenties.

Mail, Davis & Lent Win

The Plymouth Mail of the Class D League racked up one of their largest margins of victory this season as they blasted the Northville Blooms 80-13. Four of Plymouth's six players hit for the double figures in the scoring column.

The Mail team jumped to an early 19-2 first quarter lead and at the end of the half was on the commanding end of a one sided 40-6 score. The Plymouth team continued to stretch its lead until the third period found Plymouth with a 53 point advantage.

Gary Wilson was high for the winners and the game with 26, enough to double the losing score. Ron Markham had 19, Virgil Norgrove had 17, and Jerry Hearl 16. Bill Young lead the losing attack with 8.

The Mail's first victory of the week was not so lopsided. Plymouth held a slim 10-8 first quarter lead and the Redbirds were challenging. Plymouth was able to stretch their lead to four points by the end of the half and the game began to open up.

The local team put on a second half scoring spurge and wound up the game on the big end of a 57-31 score. Plymouth again had four of their starting players in double figures. Wayne Jordahl paced the winners with 14 points, Virgil Norgrove had 12, while Gary Wilson and Jerry Hearl had 10 apiece. Ray was high for the losers with 10.

The Davis & Lent team of the Class D League came from behind to overtake the Northville Optimist and win a 55-43 ball game. The Optimist had a 13-9 first period lead and play was close, then Davis & Lent rebounded to take a six point halftime score. By the end of the half the locals had a 10 point lead and the game was as well won.

The locals attack was led by Tom Carmichael with 29. Westfall and Preston contributed 12 apiece.

In the Class E competition the Lutheran Day School team racked up two close victories the past week. The first game was a 32-15 triumph over the Northville Optimists. Ray Tisch was high for the victors and the game with 12. Hopper was high for the losers with 5.

The locals were on the short end of a 19-8 halftime score last week when playing the Wolverines but a strong second half

Beglingers, Hickory Farms Hold Lead With Victories

Beglinger Oids of the Class A Men's League rebounded from their first set back of the season by slaughtering Daisy 38-40 last Thursday. Hickory Farms slipped by Bradens 59-54 to hold their first place tie with the Beglinger five. Brader's remained in third though dropping a close decision to the Hickory team. Northville Recreation took over fourth place as they were awarded a 2-0 forfeit from the Plymouth Independents.

Beglingers put on their strongest scoring spree of the season in putting down Daisy 38-40. The league leaders flashed to an early 20 point first quarter edge and by the halftime had a substantial 51-57 lead. The third quarter found Beglingers with a commanding 65-25 score.

Jim Bloomhuff tallied for 14 field goals and one free throw to lead the winners with his 29 points. Bud Young pumped in 17, while Bud Lamphar and Bud Nedrey hit for 13 and 12 respectively. Hill paced the losers with 12. The victors committed a total of 23 personal fouls, the losers had 15.

Dick Day and Larry Brennan cashed in for five free points from the foul line with just 20 seconds to go to give Hickory Farms their slim 59-54 triumph over the much improved Bradens squad.

Hickory Farms, who last week upset Beglingers, went into the game with only five players, but were still able to grab a narrow 12-10 first period edge. Bradens pulled to within one point at the end of the third period after trailing by five at the end of the half.

Davis with 129, Bob Lufts in ninth with 114, and Lovette is tenth with 109.

The first place slot in the Suburban Six has been decided but the race for every other position in the league depends on tomorrow night's results. Plymouth plays host to Redford Union, Trenton takes on Bentley, and Belleville challenges Allen Park.

If Plymouth and Trenton should win, Plymouth would be in sole possession of second, with Bentley third and Redford Union fourth. If Plymouth and Trenton should both lose, then Bentley would hold down second, and Plymouth and Redford Union would be tied for third.

Belleville and Allen Park have identical 8-1 records with the winner of tomorrow night's game moving into fifth all alone. Allen Park was the winner of the last encounter with Belleville's lone win coming against the locals in the upset of the year.

I've been teased that after four weeks' service as the Plymouth Mail's sports writer, I should begin my predictions on sporting events. So here goes. After a three week slump in the cage circles I think the Rocks are about due to rack up their eighth victory.

Plymouth defeated the Panthers 58-55 on Redford's home court the last time the two teams met. Since that meeting, Ray Crenshaw and Frand Driscoll, two high scoring seniors, have graduated. Plymouth will also have the advantage of the familiar court.

My second prediction will be on the sparkling team captain

POWER...to cut time costs every trip!

New DODGE PowerGiants

MOST POWER OF THE Low-Priced 3

You get a power reserve in a Dodge Power Giant that pays off every mile you drive. From 204-hp. pick-ups to giant 232-hp. tandems, Dodge gives you the most power of the low-priced three... actually as much as 31% more.

Extra power means faster acceleration, safer passing... cuts your time costs every trip. It cuts operating costs, too, because it lets your Dodge engine loaf under loads that make less powerful engines whine with strain. Less strain means less wear, fewer repairs. And the special design of these Power Giant V-8's delivers full-powered performance on regular gas.

More power lets you haul bigger loads. That's why Dodge can offer bigger payload capacities in every weight class. For instance, the Dodge 300 pick-up packs up to 73% more payload each trip than comparable competitive makes. And that's the kind of payload advantage that many times means one trip instead of two.

Dodge is the easiest handling truck on the road — with the shortest turning radius for easier parking and quicker zip-in-and-out maneuverability. Power steering is available for most models. And, for the first time on any truck, Dodge offers the extra convenience of a push-button* automatic transmission for the easiest driving ever.

HERE'S HOW...

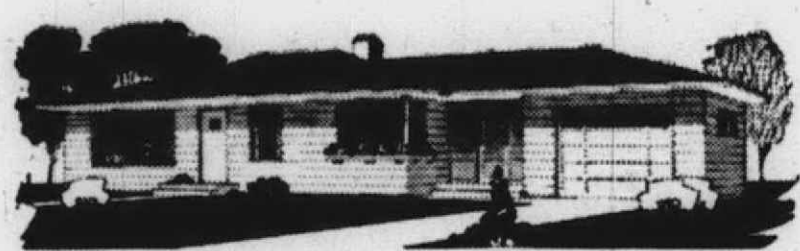

MAKE A FIREPLACE BOOKCASE

A bookcase can double as a Christmas fireplace if you add brick paper covering. Make the sides and shelves of 1 by 10-inch lumber. Notch the sides 11 inches wide for the upper segment of the back. The shelves are cut 9 1/2 inches deep. The top is made of 2 by 12-inch lumber. Make the back. The upper segment is 11 inches wide and extends the length of the bookcase. The other segments of the back are made of 1 by 12-inch lumber. Cut the boards so they fit between the shelves. Assemble the project and attach the quarter-round molding beneath the top. Recess all nails.

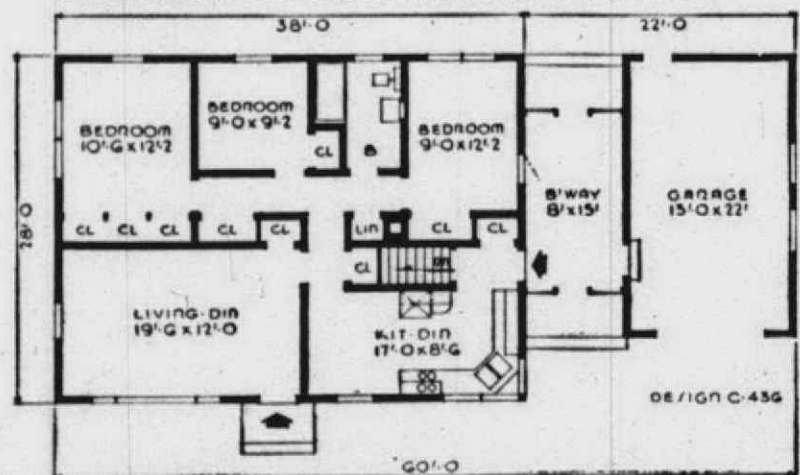

Materials Needed:
 1 pc. 2x12 @ x8 ft.
 1 pc. 1x12 @ x8 ft.
 2 pcs. 1x10 @ x8 ft.
 2 pcs. 1x10 @ x10 ft.
 1 pc. 3/4 in. quarter-round molding x 8 ft.
 8- and 8-penny finishing nails
 furniture glue
 wood putty

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-436

DESIGN C 436. This well-balanced home has three bedrooms with abundant wardrobe closets and storage and linen closets in the hallway. The kitchen-dinette features a built-in corner sink and colorful flower box beneath the window. The rear entry, with its large closet, opens into the attached breezeway and garage. A French door could be used to connect a bedroom and the breezeway for possible use as an office. Other details include a well-proportioned hip-roof, asphalt shingles, wide siding and a full basement. Floor area is 1064 square feet, cubage is 20,216 cubic feet (including full basement). SPACE PROBLEM?

Venetian Blinds Make Two Rooms One

-by Isabel Barringer, American Institute of Decorators-

Space problems are of many kinds... extra-large rooms that need dividing; tiny rooms that need expanding; awkward areas that need re-shaping. Recently I had the experience of working with a space problem in a lovely old colonial house that had small, squared rooms. The family's living habits, however, demanded a large living room with contemporary flexibility in its space arrangements; a room that could include a dining area, a "relaxing" area, a TV corner, and so on, and which could be partitioned off at will. Our solution, in spite of a very limited budget, was simple, inexpensive, and highly effective. We took down the existing wall between two rooms, one 9' by 13', and the other 14' by 13'. We then installed a ceiling track where the wall had been, and hung two Venetian Blinds side by side. One blind was styled with alternating slats, blue and white, the other, pink and white slats. As each operated independently, one could be lowered to serve as a room divider or both could be dropped to create a gay, candy-striped partition between two virtually separate rooms. Venetian Blinds are extremely striking decorative features. A novel and highly pleasing effect was achieved in the apartment of a newly-married couple who consulted with me not long ago. Their bedroom color scheme was aqua and white, with coral accents. They combined Venetian Blinds at the window with sheer, aqua and white fortisan draperies that covered the entire wall. When drawn, the drapery no longer seemed sheer, but over the blind took on an interesting opacity as though lined. The effect thus created was one of glowing warmth and softness of color.

For The Blonde Look

If you admire the popular blonde furniture, you can get the same effect with an unfinished piece, provided the wood is even in coloring. Plan to bleach the article with a commercial chemical solution from your paint dealer. Put on your paint togs, don your rubber gloves and apply the bleach to the wood with a rubber sponge, wetting the surface evenly. Bleaches with a hydrogen peroxide base leave nothing in the wood to harm the finishing coats. After the wood is dry, sand it smooth and finish with white shellac. Wax may then be applied, if desired.

36 MONTHS TO PAY

Be Sure of Full Value when Buying a Used Home

The average American family is amazingly casual about buying a used house, a prominent Washington, D. C., architect reports. Often, he says, the selection of a second-hand car is given more consideration.

Since the purchase of a home represents a sizeable investment, the architect recommends a thorough check be made before signing on the dotted line. Here are some of his recommendations:

Be sure the house is large enough for your needs. Consider the number of square feet rather than number of rooms. Try to avoid buying the biggest house in the neighborhood. In old neighborhoods, an extra large house may not bring much more than the average one if offered for resale.

Get an appraisal by an architect, bank or real estate man. Determine how much you must add to the original cost for needed repairs or planned remodeling.

FIX-UP TIPS

For the Home

Personal Wall Desk Boon to Boy or Girl

A PERSONAL desk is a boon to the school age girl or boy. It needn't be costly, either. The illustration shows a wall-hung desk, made in the home workshop at small expense out of common building materials such as 1-inch lumber, a Masonite "Peg-Board"

panel for a back, and a piece of hardboard that's smooth on both sides for the drop-down writing surface. Ordinary molding, obtainable also at the lumber yard, is another material required. An interesting feature is the optional chalkboard, which can be made by painting the underside of the writing surface with blackboard slating, available at paint stores. An important feature is the built-in fluorescent lighting fixture, which furnishes a soft but sufficient light right where it is needed. Readers may obtain a free plan showing how to make the wall desk. Send a postal card to the Home Service Bureau, Suite 2037, 111 West Washington St., Chicago 2, Ill., and request plan No. AE-310.

Find out whether zoning laws will permit desired additions. Check to see whether a new electric service will be needed to handle all the modern appliances you want. Most old houses have 60-ampere service; new houses have 100-ampere service. Remember that adding a new heating system, a bathroom or kitchen is expensive.

Make sure the house is structurally sound. Give floors the "marble test." Drop a marble on the floor. If it rolls freely, it indicates that the house has settled unevenly.

The roof requires special attention. Find out, if possible, when the house was last roofed and the probable life of the roofing material used. Then you can estimate how soon you will be called upon for a new roofing job. If the roof is of a permanent material such as asbestos-cement shingles, it will last for the life of the house with a minimum of maintenance expense. For fire-safety, the roof covering should be of noncombustible material, such as asbestos-cement, or one that has a good fire-resistance rating. While you're inspecting the roof, take a look at gutters and downspouts.

If you are planning to convert

Many families prefer to improve the home they own rather than buy a new one. This year is a good time to do this because builders, dealers and lenders all over the country are cooperating in Operation Home Improvement, a campaign to make home improvement services readily available. Paint dealers are cooperating by offering payment plans to meet your needs.

Front Hall Are Back

Foyers practically disappeared during World War II and its aftermath, but the less hectic building pace prevailing these days may bring time for a revival of interest in such refinements. Foyers are a gracious touch appealing not only to the homemaker's sense of hospitality, but the insulation they offer against outside blasts of hot or cold air make sense to the man of the house. A rugged, good-looking material like quarry tile is an ideal surface for steps, entrance and foyer.

The charm courses don't emphasize it, but actually there is no way a woman can get into a 1957 car gracefully, short of having the vehicle built around her.

Emotions are valuable but civilization teaches one self-control.

100 Attend Baptists' Open House

Open house was held by members and friends of the First Baptist Church at the recently purchased parsonage at 331 Arthur, from 3 to 6 p.m. last Sunday. Approximately 100 persons attended the event. A coffee and tea service were presented, among other gifts, to the pastor and his family. The parsonage replaces the one formerly owned by the church at 494 N. Mill. The event was sponsored by the young adult class of the church school. Lester Upton is the instructor.

Chairman Mrs. John Bowsman was assisted by Mrs. John Adams, Mrs. Edward Sommerman, and Mrs. Lester Upton. Pourers for the afternoon tea were Mrs. R. H. Harrison, Mrs. Larry Burnette, Mrs. Robert Lane, Mrs. Wilton Lax, Mrs. Wade Eddleman, and Mrs. Charles Olson. Table arrangement was by Mrs. John Bowsman and Mrs. Grant Corey, featuring pink spiral capers and centerpiece of pink carnations and white phlox.

Did you hear about the sailor who went over to the hospital for observation? He wanted to get another look at the nurse.

The Reader Speaks Up

Mr. Paul M. Chandler, Editor The Plymouth Mail, Plymouth, Michigan Dear Mr. Chandler:

The Girl Scout Council of Plymouth would like to take this opportunity to thank the people of Plymouth for their fine cooperation in the interests of the Girl Scouts. We would in particular like to thank the Community Fund, and the people who support it, for their financial help. It is because of this kind of support that the growth of the Girl Scouts in Plymouth has been possible.

The council's annual report shows a steady increase in scouting activities during 1956. Girl Scout membership went from 374 Brownies and Girl Scouts to 427;

117 registered adults to 147; and 23 troops to 28.

One hundred Brownies participated in Brownie Day Camp this year. Forty-six Intermediate Scouts benefited from their camping experience at Intermediate Day Camp. In addition, 4 Senior Scouts were sent to the National Senior Roundup and 4 to alternate camp at Three Rivers. Ninety-two different girls participated in troop or trip camping.

Girl Scouts have been ready and eager to serve on community projects whenever possible. They were active in such projects as collection of white cloth for the local chapter of the American Cancer Society, March of Dimes,

and took a minor part in the Community Fund Drive.

We greatly appreciate the splendid cooperation of the Plymouth Mail in helping us interpret the Girl Scout story to the public.

Again acknowledging the fine support we have had in the past, we express a hope for continued cooperation in our efforts to train Girl Scouts to become good and useful citizens.

Sincerely yours, Mrs. A. C. Williams, Public Relations Chairman Girl Scout Council of Plymouth

Old Man Winter Sends Some South, Some Tobogganing

Mr. and Mrs. Ward Cook of Center street left last week by airplane for Sarasota, Fla., where they will visit Mrs. Cook's sister and family, Mr. and Mrs. Walter Curtis.

Daley Hill, son of Mr. and Mrs. Clifton Hill of Beck road, celebrated his eighth birthday last Saturday by having a few friends in for a tobogganing party.

Visiting Mr. and Mrs. Clifton Hill of Beck road last week was Mrs. Hill's sister, Mrs. R. H. Mehrarq of Hammond, Ind.

Bob Dixon, son of Mr. and Mrs.

R. Dixon of N. Rogers street, was home from Michigan State University last week-end, visiting his parents.

The young people of the Baptist Church went to the youth rally last Saturday at the Dexter Bible School in Dexter, Mich.

The annual Baptist church father & son smorgasbord dinner was held last Thursday at the church. The dinner was sponsored by the charity missionary circle. About 75 were present.

Mrs. T. R. Carrington of Main street entertained at a luncheon

last Monday noon. Ladies attending were Mrs. Emmet Wirth, Mrs. Fred Butler, and Mrs. Phillip Anderson.

Northville VFW members made their monthly visit to the state hospital last Sunday to give a Valentine party for the patients.

The cost of everything, almost has risen markedly in recent years, and the cost of making history probably heads the list.

So far as we know local churches have not yet felt the results of any excessive contributions.

'Swing your Partner' At Bi-weekly Lessons In Square Dancing

Residents of Green Meadows are urged to attend the bi-weekly square dance classes for beginners, sponsored by the Plymouth recreation department. The first class will be held Wednesday, Feb. 27, from 8 to 11 p.m. at the Gallimore school on Sheldon road, two blocks south of Joy road. These dances will be held on the second and fourth Wednesday of each month. There will also be classes for the intermediate group held on the first and third Wednesdays, starting Feb. 20. For further information, call Plymouth 484-J.

The Green Meadows Sewing club met Wednesday evening Feb. 13, with eight members present, at the home of Mrs. Harold Fredrick on Marlowe.

Mrs. Charles Cude and children of Newburg road and her mother, Mrs. Spears of Holbrook, spent Thursday Feb. 14 at the home of Mr. Cude's mother, Mrs. Ira Cude on Northern.

Dean Busch of Marlowe attended a dinner given by the Junior International Typographical union in Detroit Sunday evening Feb. 17.

Dee Brandell and Linda Kopeck of Bay City, who are attending college in Grand Rapids, are spending this weekend at the home of Dee's parents, Mr. and Mrs. C. W. Brandell on Sheldon road. Mr. Brandell spent last weekend with his family.

Mr. and Mrs. Charles Austin of Brookline motored to Farwell last Saturday to attend the funeral of his brother-in-law, Orville Sherman, who passed away Feb. 14.

Miss Barbara Johnson entertained 12 ladies in her home on Oakview street last Thursday honoring Kay Johnson, bride-elect of March 16, at a bridal shower.

Mr. and Mrs. Orville Tungate and children of Brookline were guests at the home of Mrs. Tungate's parents, Mr. and Mrs. Albert Plummer of Ridge Road last Thursday, where a valentine dinner was given for Susan and Shannon Tungate.

Mrs. Jenny Wilson, who has been in the hospital for the past eight weeks, has been released and is now at the home of her daughter, Mrs. Leslie Hoelt of Brookline. She is doing fine and is able to get around on crutches by having a special brace for her leg.

Mr. and Mrs. Gilbert Wasalaski of Brookline attended the class party Saturday evening, Feb. 16 at the home of Mr. and Mrs. Frank Oeckert on Jener street.

Experiments are being made in removing the print from newspapers and using the paper again. The salvaged ink, too, can be rearranged into different words.

MRS. EMIL LAPOINTE
Garfield 1-2029

The Newburg Methodist church choir gathered at the home of Mr. and Mrs. Emil LaPointe on Joy road last Saturday for a surprise party in honor of Graham Bennett who is leaving for the service for two years. Mr. Bennett was presented with a gift of money and some candy. Donors and guests were Mr. and Mrs. Leonard Ritzler, Mr. and Mrs. Charles Bowen, Mr. and Mrs. Harold Case, Mr. and Mrs. Jesse Bennett, Mr. and Mrs. William Dorr, Mr. and Mrs. Tom Waltz, Sally Fedus, Beverly Mende, Muriel and Leola Coole, Jean Greenwood, Donna Bennett, Ruthann Busenbark, David Mackinder, Rev. Robert Richards, and Mrs. Paul Nixon.

Joseph Hounam of Stonehouse avenue is home recuperating from a recent operation. Best wishes for a speedy recovery are going his way from his neighbors and friends. The Hounams will be leaving for a two-month stay in Arizona in the immediate future.

Mr. and Mrs. Emil LaPointe and sons Bruce and David attended the 53rd annual Lincoln banquet at the Preston Methodist church in Detroit, Tuesday, Feb. 12. Dr. Guy O. Saulsbury, Detroit physician spoke, and a barber-shop quartette, the Tune Grinders, sang several selections.

Tuesday, Feb. 5, Karen Foerster, daughter of Mr. and Mrs. Richard Foerster of Ravine drive, celebrated her eighth birthday with friends. Emily Peterson, Georgia Garmus, Stephen and Mary Jane Dickie, Peggy, David and Loren Grudnick, Sherry, Marlene and Ethel Shelton, Linda, Sharon and Mike Heilmann and Karen's sister, Diane, attended.

The junior high Sunday school class of the Newburg Methodist church went to the Shrine Circus Saturday, Mrs. Gene Page, class teacher, Mrs. Hoover, Leonard Ritzler, and Mrs. R. Fedus drove for Judy Hirschlieb, Sally Fedus, Betty Austin, Janice Kenner, Sharon Mitchell, Midge Bailey, Gail Connie Ritzler, Pattie Green, Barbara Dickson, Sharon Hoffman, Diane Deja, Suzanna Quarles, Nancy Hoover, Joyce McCann, and Mrs. Page's small son, Donald.

Guests in the home of Mr. and Mrs. Emil LaPointe Friday were Mr. and Mrs. A. Anderson of Dearborn, and Sunday, Mr. and Mrs. Earl Kline and son Louis of Garden City came.

The Rhoda circle of the Newburg Methodist church's Women's society of christian service will have a bake sale at the Sheldon center Kresge store Saturday, March 16.

A special meeting of the board of education was called on Wednesday night of last week to reconsider previous action which approved a bid on a new school bus.

The board had approved the bid on February 11 of Paul J. Wiedman, Inc. for a bus costing \$6,450. Two other bids were slightly lower but were rejected because they failed to meet specifications.

It was later learned that the specifications were not clearly written and that dealers were not bidding on the same thing. A motion was made at the special meeting to rescind the previous motion awarding the contract and to also reject all of the bids. Specifications will be re-written and an advertisement for new bids asked.

Grange Cleanings

"Open House" at the Grange hall last Saturday evening was a very successful affair. A fine crowd sat down to the splendid dinner prepared by Mrs. Perry Krumm and her able committee. After dinner we went upstairs for a short program consisting of a solo, "Abide With Me", by Mr. Stevens, our oldest Grange member, a solo by Mollie Groth our youngest member, then a duet by them.

William Brake, our State Master from Lansing and his wife, came in at this time. Our own worthy master John Oldenburg introduced our State Treasurer Jesse Tritten and his wife Louise. Jesse then introduced all of our local officers followed by the presenting of Mr. Brake who was to be the speaker of the evening. He gave a short history of how the Grange came into existence followed by a talk on the aims and purposes of the Grange, the Legislative projects and many other things. After his talk was over the chairs were quickly pushed aside and the floor cleared for the square dancing. Mr. and Mrs. Carson brought their record player. The party broke up about eleven thirty. There will be another party of a similar nature on March 16 so mark that on your calendar.

On March 7 is our Degree work. The splendid drill team from Tecumseh will be here to put on the degree work for all the new members who have joined since last spring.

It is a real pleasure to watch their work, it is done with such precision. All the new members should be present. There will be no pot luck supper that evening but refreshments will be served after the meeting. Come about 7:30.

We were happy to see Albert Groth back again. He has not been with us since his serious illness last fall. He is coming on fine now.

Ernie Vealey continues to be in very poor health and is nearly a "shut in". Grange members are urged to call upon those who are so unfortunate.

The members will be very sorry to learn that our old friend and former Worthy Master, Glenn Northrup has been very ill in the hospital with pneumonia and complications. He is at his home now and his daughter, Mrs. Buers of Salem, is up there with him for awhile. Let's send him a card. Johannesburg, you know.

The dancing class from Dearborn will be with us this evening for exhibition dancing.

Health Guild Meeting To Be Open to Public

Any persons interested in community health may attend the next meeting of the Wayne County health guild, scheduled for 12:30 p.m. Thursday, March 7, at St. Raphael's Church, 5775 Merriman road.

Dr. Howard Cadwell, director of the Wayne County health department will speak on "Health and our Tax Dollar." Reservations for this meeting may be made by calling Mrs. Gustav Nord, GA. 2-0435, or Mrs. Joseph Blaharski, 579, on or before March 4. The county health guild is made up of several community guilds within the county. Their aim is "to determine the health needs of the communities and ways to meet these needs."

Mr. and Mrs. Tom Corey returned to their home in Los Angeles, California, recently after visiting with parents, Mr. and Mrs. Kenneth Corey and coming for the wedding of his brother, Roger, and Mary Ann Witner.

Favorite Recipes From Plymouth's Kitchens

RONALD, 8, AND EDWARD, 7, watch their mother, Mrs. Neil Jones stir the topping for her Baked Devil's Float, as they anxiously await the first taste of this Jones family favorite.

Devil's Float Delights Family

Mrs. Neil Jones' Baked Devil's Float is "just a recipe which has been passed along," but has turned into a Jones family favorite.

It was first written down for Mrs. Jones by some girls she worked with, who compiled a cook book for her when she stopped working.

Here's how to make this unusual dessert:

BAKED DEVIL'S FLOAT

1/2 cup sugar
1 1/2 cup water
12 marshmallows, quartered or

1 cup miniature marshmallows
2 tablespoons shortening
1/2 cup sugar
1 teaspoon vanilla
1 cup flour
1/2 teaspoon salt
1 teaspoon baking powder
3 tablespoons cocoa
1/2 cup milk
1/2 cup chopped nut meats

Cook 1/2 cup sugar and 1 1/2 cup water for five minutes. Pour

sugar and water mixture into casserole. Top with marshmallows.

Cream shortening & remaining sugar; add vanilla. Add flour, sifted with salt, baking powder & cocoa alternately with milk. Add nut meats.

Drop mixture from spoon over marshmallows. Cover; bake in moderate oven 350 for 45 minutes. Serves 6.

Serve while warm for a real taste treat.

TIPS for TEENS

By ELINOR WILLIAMS

A big black mark, datewise, goes to boys who leave their dance-partners or girl-friends abruptly alone during a dance, evening, movie or date: It's "how to lose dates and popularity in one easy lesson," boys! A girl writes:

Q. "Dear Elinor: I like a boy very much and I'm pretty sure he likes me. I was in the movies with him and he had to go home before the end. My girl-friends were sitting with their boy-friends and I was alone when my boy-friend left. Then a boy I know asked to sit with me and I let him. Was I stupid and what should I say to my boy-friend?"

Ans.—No need to say anything to your boy-friend about it because you have a right to sit with a friend—girl or boy—in the movies, unless you two operate on a definite "going steady" deal.

If your boy-friend mentions it, you could remind him that it's

always bad manners, for a boy to leave a girl alone in the middle of a date, evening, dance, or movie, etc. without first seeing that she has somebody to be with... and somebody to go home with her afterward.

If he took you to the movie, he goofed—as your escort—in not making arrangements for you to go home with some girlfriends, so you wouldn't be alone.

Even if he didn't take you to the movie and you merely sat together, it would have been courteous for him to have tried to make arrangements for you to sit with somebody after he left you alone... with a friend of yours or a friend of his... and he should have been sure that you had somebody to go home with you. He needs to brush up on his he-manners.

(For free printed tips on "Date Manners for Boys," send a stamped, self-addressed envelope to Elinor Williams at this paper.)

wonderful attendance at the last meeting and hope we can have more of them. President Melva Gardner reported on the Testimonial Dinner she attended, in honor of Judge George E. Bowles at the Mayflower Hotel, Feb. 5. Commander Ernest Koi also attended.

Attending the Michigan Women's National Security Council at the Port-Shelby Hotel, Feb. 15 were Maxine Kunz and Fern Burleson. Judge Nathan Kaufman of Juvenile Court spoke in the morning and Dr. Daniel A. Poling in the afternoon. Following our Americanism program, Dr. Poling stated that we should "teach our students to love their country intelligently through a knowledge of American history and leadership." Dr. Poling has worn the uniform of chaplain in three wars; World Wars I and II and the Korean Conflict. He called for a "threefold, impregnable defense program": physical, calling for more adequate military training for American youth; intellectual, "a defense of the mind" through democratic philosophies; and spiritual.

Mrs. Genevieve Wilson is now at her daughter's home, Marjorie Hoelt, 9411 Brookline. She is doing very well.

MRS. RALPH FLUCKEY, tries on her newly-acquired mink scarf, as Mrs. George Bauer, benefit chairman; Mrs. David Gates, style show narrator; and Mrs. David Wood, Women's club president, congratulate her.

Fur Scarf Given As Door Prize

Of the 200 women attending, Mrs. Ralph Fluckey was the lucky winner to take home a ranch mink fur scarf, awarded as a door prize at the Women's Club special benefit last Friday afternoon at the Masonic Temple.

The award highlighted the afternoon's events, which included a style show, foursomes for cards, and refreshments of lemon chiffon pie, tea, and coffee.

Narrating the fashion show was Mrs. David Gates, as ten local women served as models: Mrs. Walter Beglinger, Mrs. Max Todd, Mrs. Edwin Schrader, Mrs. Robert Stewart, Mrs. David Wood, Mrs. Paul Wiedman, Mrs. Mowry Arnold, Mrs. Vaughn Smith, Mrs. William Herbold, and Mrs. Richard Jones.

Chairman of the benefit was Mrs. George Bauer. Committee members included Mrs. Ray Barber, Mrs. Neil Davidson, Mrs. Rex Hoffman, Mrs. Kenneth Libbing, Mrs. Lewis Litzenberg, and Mrs. Edwin Zipsie.

Robert Dittrich and Douglas Behrend of Dittrich Furs on Grand River were on hand to present the award.

Mrs. Robert Probeck took charge of publicity for the event.

Florida Orange Juice Travels

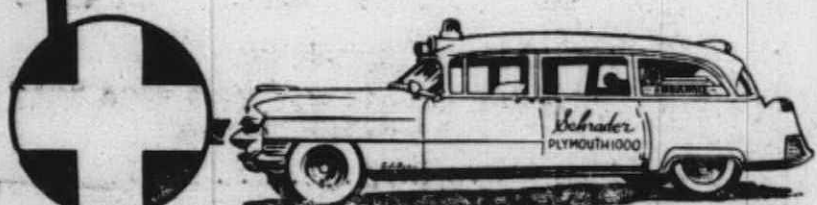

Whether the lunchbox is bound for school, factory or office, it's a good idea to include Florida orange juice. Working men and women as well as children need the energy and vitamin C the tasty juice provides. Put enough in the thermos container for a mid-morning pickup as well as a lunchtime treat. From every five pounds of Florida juice oranges you'll get at least one quart of flavorful juice, thanks to their thin skins. Protect your family's health by serving orange juice daily.

Prunes Rate Top Ranking In Food Value

If you carelessly leave prunes out of your diet, nutritionally speaking you don't know what you're missing! "What's in a prune?" you ask. Well, prunes outrank many fruits in food value... here's why.

First of all, prunes are a good source of energy. Their sugar content is higher than most fruits, with a total energy value of 216 calories per 100 grams, generally. An average serving which you would expect to have at breakfast perhaps, contains only 100 calories, for those with an eye on the bathroom scale.

Prunes are highest of all fruits as a source of iron and copper. Iron is a necessary component of the hemoglobin in the blood. It is necessary to transport oxygen to and from the tissues. Prunes rate second highest of all fruits in calcium and phosphorus, topped only by dried raisins. Calcium and phosphorus are necessary to build bones and teeth.

Prunes contain more riboflavin and niacin than any other fruit, and, exclusive of raisins, contain more thiamine. They are also a good source of vitamin A. To get an idea of how much vitamin A they do furnish, a four and a half ounce can of strained prunes for infants will furnish 60 per cent of the baby's minimum daily requirement.

By virtue of providing smooth bulk, prunes are mildly laxative to most people. This holds true for prunes in any form—juice, canned, strained or even in baked products.

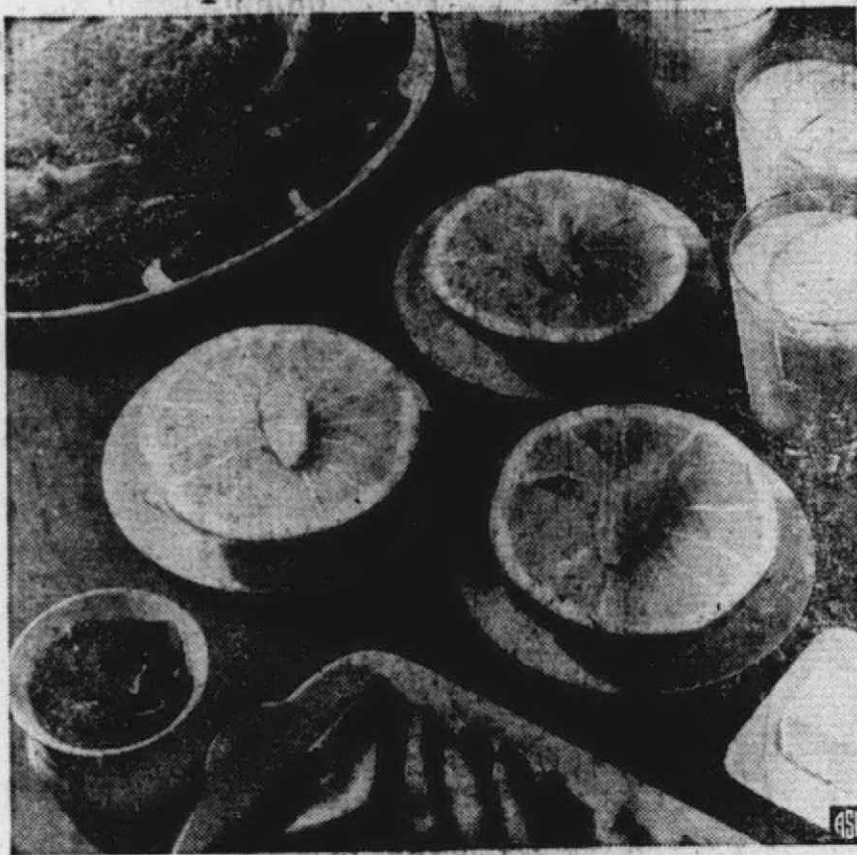

With dried prunes now being "tenderized," you no longer have to soak them before stewing. You don't even have to cook them. Just fill a glass fruit jar or covered dish with prunes and add boiling water to cover. Allow to stand in the refrigerator 48 hours or longer. The fruit will be tender and the syrup will be thick and contain much flavor.

You could add fruit juices, such as pineapple or grapefruit to the prunes instead of the water to produce a slightly different flavor. Prunes have varied uses rather than just the stewed prunes as we generally see them. The flavor of prunes can combine very well with meat such as pork chops, ham, or sausages. Prunes have wide and varied uses in salads. They can be stuffed with cream or cottage cheese and served as individual salads, or molded into gelatin salads. Generally lemon flavored gelatins are the best to use with prunes.

In quick breads, prunes can add greatly to the flavors. Try combining prunes with the plain batter of coffee cakes and top them with sugar and cinnamon. Otherwise, fillings can be made for coffee cakes from a mixture of prunes, almonds, brown sugar, and butter. Any plain muffin batter could have prunes added to it. For better flavor use the liquid from the prunes for some of the milk in the recipe. Prunes are good in pies, too. If you have a recipe for a sour cream raisin pie, try substituting prunes for the raisins once in a while.

Prune cookies or prune fillings for pinwheel cookies are appetizing as well as nutritious.

Grapefruit Starts Day Right

With all the emphasis on winter health and better breakfasts, it's a wise woman who sets her table for the first meal of the day with the proper components for good health and energy. And every woman knows that nothing has a cleaner, wake-up taste first thing than a juicy half Florida grapefruit.

Florida grapefruit is right at the peak of its goodness and flavor now. You'll find both seeded and seedless, white and pink grapefruit in your markets. Fix them properly, separating each section from the dividing membranes, and serve with various toppings every day while they're so good. For they're so good for you! Low in calories, high in vitamin C, they're your plain old ally whether you're fighting the battle of the bulge or just abate colds. Besides your daily citrus, a well-balanced breakfast should include eggs in some form (here's an omelet, a pleasant change and easy too), sausage or bacon or ham; toast and butter, and of course, milk. Remember that adults need milk just as children do.

Boys Take on Ivy League Look, With Even Back Straps on Pants

Little boy fashions this spring are junior chips off the Ivy League block.

For jackets, slim stripes in such rich color combinations as red and gray, brown and black and yellow and brown dominate the little boy scene. Close seconds are glen and madras plaids and manly houndstooth checks.

Whatever the pattern, jackets are Ivy-League-styled.

Teamed with the jackets are solid-color coordinated pants in short or long lengths, and often with back straps and buckles.

Along the line of boys' ties, the trend in neckwear is toward more restrained patterns becoming more pronounced for spring. Many light ground colors will be shown in neckwear and there will be more interest in whites and silvers. Repp and foulards will remain favorites with Ivy League partisans. Some bolder patterns will be available to complement some of the new dark suits.

Bow ties for the young ones will enjoy their usual warm weather revival. The narrow shape will continue to lead the field with little or no indication of any widening.

Bermuda shorts are also popular, while striped knickers provide a new note.

A three-piece set, consisting of sports coat, gabardine slacks and a bulky pullover with continental collar trimmed to match the slacks, makes a particularly good-looking outfit.

Tweed is a favored fabric for

little boys. Besides lightweight wools, many of the tweeds are cotton, silk or synthetic blends.

Gray pin-striped flannel and rayon flannel are two other handsome spring suitings.

Highlighting many garments is the silky look. Silk or rayon threads are woven through woolen, blended and cotton fabrics, giving a smooth, decorative appearance to little boys' spring clothes.

Onions are plentiful. They are good in themselves and make other foods taste better. Try them in vegetables, soups, on meats, and even in breads.

Winter Sports Give Younger Set Chance to Try Out Cooking Skills

Along about now, what's more fun than getting a gang of teenagers together for a big whiff of the great outdoors? Might be a sleighride if there's snow. Or it might be ice skating if there's ice. Might even be skiing if you happen to have a white-capped mountain handy. And in case all these fail, you can always take to bicycles or roller skates!

No doubt about it, the outdoors is really fine these late-winter days. But, good as it is, it can't match up with the warmth and cheer of home when you bring everybody back to your house for supper. No fair coming in, though, until you're all pink-cheeked and chilled to the bone! That's when food tastes its very best and the smell of steaming coffee seems like a breath of paradise.

How about homemade spaghetti and meatballs for supper? Serve it with a grapefruit and avocado salad, plenty of warm garlic bread, and a big pot full of the best coffee you know how to make.

It's a wonderful meal for a gang and, best of all, you can make it all yourself. That is, you can have the spaghetti sauce and the meat balls made, the bread ready to be heated in the oven and the salad complete except for the last-minute dressing.

If your mother really wants to help a bit, it would be fine if she'd have the coffee steaming and fragrant when you come in out of the cold. (Not, of course,

that you can't make just as good coffee yourself!) She might have a bottle of boiling water all set for the spaghetti, too. Mothers are nice people to have around the house, aren't they?

Here's an all-your-own recipe for spaghetti with meat balls and tomato sauce. This is enough to serve eight generously.

- MEAT BALLS**
- 2 lbs. ground beef
 - 1/2 tsp. salt
 - 1/2 tsp. pepper
 - 1/4 tsp. garlic or onion salt
 - 1 tsp. pure monosodium glutamate
 - 3 tsp. tomato catchup

Combine all ingredients, mix thoroughly. Roll in balls about one inch in diameter and saute in olive or salad oil until brown.

QUICK TOMATO SAUCE

- 2 garlic cloves, slashed
- 1/4 cup grated onion
- 4 8-oz. cans tomato sauce
- 1/2 tsp. oregano
- 1 tsp. olive or salad oil
- Salt and pepper

Cook garlic and onion in oil five minutes over low heat or until onion is soft, but not brown. Add tomato sauce and simmer 20 minutes. Add seasonings and simmer 10 minutes longer. Remove garlic cloves.

To serve, mix sauce gently with hot, freshly cooked spaghetti. Place meat balls on top. If sauce and meat balls are prepared in advance, be sure to re-heat thoroughly before serving.

ONLY a few dollars more than the price of a smaller car—for a big and brawny Buick! But that's just part of the news.

Do you know this spanking Buick is new from the rubber up?

That it has an all-new body—and a windshield with over 200 square inches of new visibility?

Do you know its roof line is inches lower — yet there's full headroom, legroom, footroom for all six passengers?

All this took some great engineering. But where the engineers went all out was in making this the dream car of the year to drive.

New engine—new Dynaflo* response—new steering—new ride—more than 150 other chassis changes that make this, in fact, the most completely new Buick in years—offered at a price level that makes it literally true: if you can afford any new car you can afford a Buick.

And what a buy you'll get for your money! See your Buick dealer, take the wheel—and find out.

MICHIGAN BELL TELEPHONE COMPANY

The MAIL Attitude

BY PAUL CHANDLER

One of the resources of Plymouth is an abundance of intelligent, community-minded housewives. The distaff portion of this community is unusually active in civic, cultural, youth, and club affairs. Few cities can offer any higher percentage of feminine interest and participation in affairs outside the home.

Hence, it was something of a surprise when the Girl Scout ladies came to our office to ask help in finding leaders for their work in this area. They reported that something like 70 young girls have been waiting since last autumn to get into Scouting work and have been delayed because there are no leaders for their troops.

I say "surprise" because Girl Scouting strikes as an activity that has a special allure in that it spends a lot of time outdoors. Hikes, picnics, craft work in the Kiwanis lodge down by the park, outdoor cooking—and all the rest—get a city dweller a little closer to nature than do most other activities.

In addition to the regular troop leaders (and the organization could use 16 more leaders in Plymouth, right now) there is a chance to participate as a Day Camp Leader next June. This requires a five-day stint at the camp, everyone returning home each evening.

The place to volunteer is to Mrs. James Hardiman, 481 Evergreen, phone 3585—or if milady is interested in the Day Camp work only, then the contact is Mrs. William Edgar, 12350 Ridge Road, 1888-J.

As a reformed sports writer, the statement by Vic Wertz that interested me most was that he believed ball players can see the ball actually better under lights at night than they can in clear sunlight. Wertz spoke to the Plymouth Rotary Club Feb. 8. His statement about night visibility runs contrary to a lot of expert theory on the subject. Vic also contends, however, that night baseball shortens the careers of big-league ball-players because (a) the dampness in the ground is hard on legs, and (b) the eccentric schedule it creates in terms of sleeping and eating is harmful to general physical condition.

Wertz, now with Cleveland, seemed sincere when he forecast that the Tigers would be in the thick of the run for first place this season if they find just one more front-line, starting pitcher.

What is the responsibility of a newspaper to "expose"? A Livonia reader has written to suggest that our paper become "more vigorous" as a critic of local affairs. And another nameless reader who replied to the Mail's poll on local problems stated that a "more crusading" newspaper was needed in the community.

This is all good counsel, in general. We are keenly aware of the responsibility of a newspaper to hold a bright light on what happens in local government. To the best of our ability, we are watching all the time, and we are, and shall, report everything we see, without fear.

We have seen the big state-wide political scandal exposed in Illinois by a metropolitan paper, and we have followed intimately the progress of Wayne County investigations that the metropolitan papers brought about.

If and when this newspaper uncovers similar situations, we'll pound and pound as hard as we can.

But, I'm wondering if these same people who speak up for more "crusading" have done much thinking about the total responsibility of a newspaper, and of the fundamental justice to which Americans are entitled.

The easiest kind of newspaper to write—and sell—is one that spouts out every rumor, piece of juicy gossip, and after-the-fact second guess that it can think up. The citizens lap it up, chuckle at the discomfort to which the targets of the stories have been subjected, and lay down the paper with suspicions in their head.

This kind of journalism would be harmless fun, except for one terrible thing—it condemns individuals without giving them any benefit of a "trial." It subjects them to suspicion and ridicule, but leaves the burden of proving otherwise upon THEM. A "yellow" journal always will hurt five innocent people for every legitimate wrong it uncovers.

The usual target for such newspapers is a government official. He's in a wide-open, exposed position. If the smear is effective enough, the voters will throw him out of office at the next opportunity. The editor, with motives of his own, thus can in effect become prosecutor, judge, and he can swing the jury—the public—to dispose of any official he chooses.

There are two safeguards against this kind of journalism: (1) Editors of integrity with a high sense of responsibility; or (2) An opposition newspaper that will keep the first paper within bounds.

I'll confess that I have become not-a-little discouraged with the recent behavior of newspapers on this very subject. In their desperate urge to "scoop" or to rush a bit of alleged scandal into print, they have been brutally trampling the rights of officials and citizens. When later the citizen is proved to be innocent, or almost innocent, the "follow up" is treated as a boring paragraph which is laid away with the obituaries deep inside the paper.

No one case showed the trend more clearly than the respective behavior of two Detroit papers in the case of a Livonia councilman who was accused of a "deal" with a top-soil man. One paper was the accuser—all out and screaming. A competing paper was the defender—printing the man's "own, real story," also in sensational style. Which paper was right? Which wrong?

The case still hasn't gone to a court of law and probably will never get there.

The world is full of honest local officials, doing a capable job, usually at the expense of personal time and profit. If such men constantly are subjected to newspaper gossip and abuse, sooner or later they will throw in the towel and retire to a more rewarding life. The loser then is the community.

My phone rings rather regularly with rumors. "I hear that so-and-so has done such-and-such. Why don't you check and write something about it?" Usually I ask them if they have any evidence, signed and in writing—the kind of thing that will stand in court. They never do. Then we promise to quietly check it ourselves and if we find anything, we'll investigate completely, and when we print it, we'll know that it's correct.

This may not be "crusading," in the way our two letter-writers want it, but it's how we're going to operate. We'll let others have the false sense of power and the sadistic fun of casually blasting public officials just because it happens to be the trend, and because it sells a few more papers over the short haul.

NEW BOOKS At The Wayne County

Sports car fans may be interested in a new book at the Plymouth branch of the Wayne County library, containing a first-hand report on the world's newest and distinctive automobiles.

Written by John Freeman and illustrated with 250 photographs in black and white and in color by Alexander Georges, the book, "Sports Cars," evaluates each car in terms of the manufacturing and driving environ of its home country.

"The Fireside Book of Baseball," edited by Charles Einstein, provides stories, articles, poems, letters, and anecdotes for baseball fans. For persons who prefer a less active sport, "Trophy Chess" offers commentary on a chess tournament, written by Larry Evans, international chessmaster.

Along the line of popular fiction, Lloyd C. Douglas' two new novels have arrived: "Forgive Us Our Trespasses" and "White Banners." Douglas is also the author of "The Robe" and "Magnificent Obsession." A. J. Cronin's story of a coal mining community in New England, "The Stars Look Down," is another newcomer on the new book shelf at the library. Cronin is author of "The Citadel" and "The Green Years."

The Great World and Timothy Colt, a new novel by Louis Gruenberg Aichinloss, relates the story of a large Manhattan law firm and of a young lawyer trying to succeed. Tripping the light fantastic, Elizabeth Cadell presents a story of doubtful doings in a double-love affair in France in her new novel, "I Love a Lass."

"Many a Good Crusade," the memoirs of Virginia Crocheron Gilder, tells of the problems and privileges involved in serving as dean of Barnard College of Columbia University in New York City for 36 years. Another personal history, rating high in public demand, is the late Fred Allen's "Much Ado About Me."

Included in the new book arrivals are two desert adventure stories: "Gold on the Desert," Olga Wright Smith's story of the struggles of building a home in southwestern Arizona, and "Sahara Adventure," Philippe Dirole's Tale of the "most beautiful desert in the world." Dirole helps readers share a sense of discovery for man's desert heritage.

At the other temperature extreme is Archibald Lang Fleming's tale, "Archibald the Arctic," an adventure life story of a Scotsman who dared the desolation of Baffin Land and beyond.

Goal of \$40,000 Set in Out-County Easter Seal Drive

Some \$40,000 will be needed in 1957 if crippled children in the Wayne Out-County area are to receive the care necessary for their rehabilitation.

Setting that amount as the goal for the annual Easter Seal campaign in accordance with an operating budget prepared by the Easter Seal Society's Finance Committee, Ralph C. Lorenz, campaign chairman, said that crippled children and adults in the area depend upon the generosity of Easter Seal contributors to bring them care, treatment and other services.

"In 1957, more funds are needed to make possible growth and expansion to meet the demands for services created by increased numbers of crippled persons," Lorenz said.

Easter Seals, which will be placed in the mail about March 15, symbolize 36 years of service to the crippled by the Easter Seal Societies nationwide. Campaign contributions this year will support and maintain the following services for the handicapped: braces, crutches, wheelchairs, diagnostic clinic fees, occupational therapy to the homebound, day camp for crippled children, recreational program for teenagers and adults and educational assistance.

The 1957 appeal is scheduled March 15 to April 21.

The Reader Speaks Up

Dear Sir: This is just a letter to inquire if you know why there has never been a law whereby the parents of children do not pay just a little towards their children's schooling? I do not mean the home-owners, we do.

I mean the ones who come here from another state, seek the lowest rental and find them, work in the factories, pay little income tax as they usually have many deductions, send their children to school where they receive good education, free shots, dental care when they can't afford to pay, which is the usual case, then leave the state when collecting unemployment.

These people won't have huge homes because taxes and repairs are too high. Maybe I have the wrong attitude. I have raised seven children and am still paying taxes which I don't object to, but I think maybe the burden could be borne by a few hundred others then probably there'd be more jobs for our Michigan people.

Oh, yes. I have grandchildren who would and should be affected. What do others think of this? "All for Education"

Getting to Europe is sometimes half the fun, and telling other people about the trip is the other half, for some people.

The village secured last Saturday from Jacob Begart the deed for 80 acres of land in Northville Township on which is located the village water supply and for which \$3800.00 was paid.

Frank Shattuck has had electric lights put into his home on the north side.

Twelve girl friends of Edith Fisher gave her a surprise party last Friday night the occasion being her 12th birthday.

Richard Fisher and Dora D Gumore of Livonia Center were married last Saturday and soon will move into the Leach home where he will work for Fred Lee for the coming summer.

A very pleasant surprise was given Mr. and Mrs. Peter Kubick of Perrinville last Friday evening. The evening was spent playing cards.

On last Wednesday occurred the heaviest snowstorm of the entire season so far.

Quite an addition has been built onto the Hamilton factory on the south side.

A recent report shows that December receipts for electric current is the heaviest of the year. The receipts for that month in 1905 were \$261.14. For the same month in 1906 the receipts were \$390.58 a material increase. By way of comparison also the water receipts for 1906 were \$2,364.89 while for 1905 they were \$2,539.13. As both plants are run on the municipal ownership basis, the people may well congratulate themselves on the acquisition and for the excellence of service given.

Beauty Aids Can Damage New Fabrics

Beauty aids that come in bottles can often do more damage than good since they often contain substances harmful to fabrics. Stains from some permanent waves are almost impossible to remove. Technicians suggest wearing old towels and garments, since the solution tends to destroy dyes. Perfumes and colognes lose some of their enchantment when they've caused spots. They should never be applied directly to clothing. The alcohol content tends to bleed some dyes, forming stains. Many liquid deodorants, acid in nature, disintegrate fabrics. Cotton, linen and rayon are especially susceptible. To minimize or prevent this type of damage, users should carefully follow the directions on the containers, or use only deodorants harmless to fabrics. A number of deodorants bear a special seal, indicating the product is harmless to fabrics. Another feminine grooming preparation which may cause damage is nail polish. Women should avoid the home removal of nail polish stains, experts warn. Acetate fabric may be ruined by applying polish remover in an attempt to remove the stain. If the polish is not completely removed, the stains sometimes ignite or burn when heat is applied in pressing. Since stains have a tendency to set the longer they stay on fabrics, the harder they become to remove. Textile experts advise rinsing most ordinary stains at once with cool or warm water. Reactions of new synthetic fabrics make stain removal risky. Unknown stains should be left for the commercial laundryman.

Nowadays, manufacturing plants don't have to put up with the expense and inefficiency of keeping large inventories of materials and parts on hand.

Trucks and truck-trailers, by providing swift, direct, door-to-door transportation service, have made such costly procedure a thing of the past.

The modern assembly line extends, in effect, beyond the manufacturing plant itself to the commercial motor vehicles which continuously supply industry with 'round-the-clock shipments of materials and parts.

Yes, trucks and truck-trailers are indeed assembly lines on wheels, serving industry in a way that brings an ever-improving standard of living to all the people.

GIRL SCOUT NEWS

We are making a final appeal to all Brownies and Girl Scouts for stamps for our new vacuum cleaner for the Kiwanis Girl Scout Lodge. About seven books of Community or TV stamps are still needed. If you have part of a book, half a book, or a full book that you would be willing to turn over to Mrs. Harold Shirey, please call her at 1126-J. If enough stamps are contributed, we will have our own vacuum cleaner for the lodge. Let's finish the job:

Joan Matthews reports that Scouts in Patrol 1 of Troop 4 have completed their Hospitality and Homemaking badges and are working on their Child Care and Cook badges. Sue Newsom, Nancy Thompson, Carol Sue Urban, Mary Thomas, Michelle Bender, and Linda Rossow of Patrol 1 have completed their tenderfoot requirements. Mrs. Henry Zeuner who comes from Germany talked to the girls recently in regard to international friendship. Mrs. Fordyce Sutherland is troop leader.

At a recent meeting of Troop 22, the following officers were elected: Cynthia Cuture, president; Barbara Kelley, secretary; Joyce Allen, treasurer; and Gail Donnelly, reporter. Mrs. Hugo Russell is leader of Troop 22.

Troop 26 announces the election of the following officers: Theresa G. drell, president; Christine McMullen, scribe; Patty Stevenson, treasurer; Barbara Clickner, publicity girl, and Luan Penney, sunshine girl. Leader of Patrol 1 is Gail Bearden and assistant leader is Mary Jane Cross. Carla Wilkins is leader of Patrol 2, and Carol Sue Outman is assistant leader. Members of Troop 26 were the guests of Troop 38 Thursday evening, Feb. 7, at the Veterans Memorial Building. Mrs. Lloyd Jacobs showed films on Holland and Egypt, after which the girls paired up and the Cherry Hill girls from Troop 38 taught the girls from Troop 26 a square dance. Ice cream and cake topped the evening. Mrs. Lawrence Ashmun is leader of Troop 38, and Mrs. Helen Spence and Mrs. Virginia Zoet are leaders of Troop 26.

A professional Girl Scout song leader will meet with troop leaders and Girl Scouts on two consecutive Monday evenings, Feb. 18 and 25, to teach new songs and games. The meetings are held in the dining-room of the Presbyterian church from 7 to 9 p.m. With the leaders, two representatives from each troop were invited to participate in the Feb. 18 meeting, and two others will attend the meeting on the 25th. These representatives will in turn teach the songs and games to their own troop members. The result should be more interesting and more enjoyable meetings for all.

There is still room for Brownies and Girl Scouts in the swimming course conducted by Mrs. Harold Shirey Saturday afternoons at the High School swimming pool. The beginners class meets from 1 to 1:45 p.m. and the advanced class from 1:45 to 2:45 p.m. The classes will continue through April 13. Admission is 15 cents.

Several of our Senior troops were active in the March of Dimes campaign. Senior Scout Troop 5 contacted all the business places on Thursday afternoon, January 31, in the interests of the campaign. Senior Troop 1 provided and served refreshments for the workers in the Mothers March that evening. Miss Cynthia Baker and Mrs. Kenneth Hulsing are leaders of Troop 5 and Mrs. Sheldon Baker is the leader of Troop 1.

Troop 26 elected the following officers at their last meeting: Theresa Gardell, president; Christine McMullen, scribe; Patty Stevenson, treasurer; Barbara Clickner, publicity girl, and Luan Penney, sunshine girl.

Air Fighter of Two Wars Visits Adopted Hometown

By David Jolliffe An improved method for bending irreparable enemy railroad tracks in 1951 may have altered the course of the Korean war and certainly has brought lasting fame to an adopted Plymouthite who this week ended a visit here. In 1951 Navy Commander John Ramsey, son-in-law of Mr. and Mrs. Lee Rae, 540 Ross street, was flying commander in charge of Navy Jet Squad 111 whose mission was to damage enemy railroads by bending the rails.

At that time the North Koreans lacked the means by which they could straighten their rails. By bending a track in one spot, an entire railroad could be rendered unusable. Ramsey recommended carrying eight 100 pound bombs instead of two 500 pounders, the practice at that time. Thus allied air forces could do four times as much damage if their marksmanship was accurate. The young commander led several low-level air strikes and the idea soon proved so successful that the idea was adopted by allied forces fighting in Korea, and Ramsey was awarded a bronze star for his resourcefulness.

Combat fighting was nothing new to the lean, boyish appearing veteran. Assigned to a Guadalcanal Naval fighter unit in the early days of the war, Ramsey received the first of four Distinguished Flying Crosses by downing two enemy zeroes. During those dark days of the war Ramsey's squadron lost half of their pilots and was rotated to the U.S. in 1943 where they were restaffed and sent back to the South Pacific in time to take part in the first big offensive action of that war—the invasion of the Philippine Islands. Stationed aboard the Aircraft carrier Hornet II, the young aviator took part in the Philippine Sea Battle when the back of the Japanese Navy was broken in a pitched sea battle. In their F4F Navy Wildcats, Ramsey and his squadron accounted for three ships sunk and several damaged. Allied air power began to assert its might at that time and Ramsey remembers one particular mission when his squadron machine gunned 220 undefended planes on the ground.

During the later part of the war Ramsey added another DFC to his collection in the battle of Okinawa. Equipped for the fight with rockets, Ramsey and his wingman attacked and sunk a huge Japanese Seaplane Tender. But the maturing young commander wasn't to escape these escapades unscathed. During a strafing mission, John's plane was severely damaged by small arm fire and fragments from a shell explosion scattered through his cockpit.

Cancer 'Spillover' During Operations Now Prevented

Cancer may recur in many patients because deadly cell "crumbs" spill over during an operation and seed the system with lethal cancer colonies, a growing number of scientists have found. Surgical scientists at the University of Illinois College of Medicine have begun a new program to overcome surgical risks, the American Cancer Society announced today. The Illinois Division of the Society supported research which makes the program advisable and possible. A group of scientists working with Dr. Warren H. Cole, immediate past president of the American College of Surgeons, showed experimentally that phophylactics could overtake and destroy cells escaping from a cancer, and they have adopted surgical techniques and drugs designed to protect patients from the lethal spillage of cancer cells during an operation. The program constitutes a bold bid to save many patients who are given a fair chance for a cure by the surgeon but who later succumb to widespread cancer. A number of other distinguished surgical scientists and pathologists have expressed the suspicion that some patients were doomed at operation by the cell spillage; but this is the first concerted effort to evaluate and overcome the danger. The measures, which are now mandatory here in operations for cancer of the breast, colon, rectum and stomach, include: 1) Tying off early during the operation all blood vessels serving the operative area; and injecting a drug into the abdominal cavity or veins at the end of the operation; 2) Bathing the area with a solution capable of killing any cancer cells which might have spilled over; and 3) On each of three days following surgery injecting drugs into veins to chase down and destroy any cancer cells which might have escaped into the blood stream or wound. The procedure is limited for the present to four organs which are drained by veins as well as lymphatic vessels, and which are among the more common original sites of cancer.

The only thing that saved three week visit, for New York and a rendezvous with the SS Independence which will begin a two-year tour of duty in Italy. His assignment is to "write operation orders for fast carrier striking forces in the Mediterranean area" as part of the NATO defense. John's wife, Ella Mae, and their two daughters, Darlene, 5, and Donna Lee, 3, will accompany him overseas. "We plan on seeing as much of Europe as possible by rail," he concluded. "Hope the European tracks are in better shape than those I saw in North Korea."

PRIZE WINNERS in the draw contest held at Davis & Lent during their recent clearance sale are shown receiving their awards. From left, are Wendall Lent showing the first place suit to winner Roy Mattison, 39861 Six Mile road, Northville, and Mary Jane Gretzinger, 679 North Harvey, getting her tent from Mrs. C. B. Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

Michigan Visitors have lent spice and sparkle to the past week in Washington. From Mason came Max McCarn, Michigan Commander of the Veterans of Foreign Wars. About mid-week Commander McCarn let a group of fellow VFW members into my office. The annual visit to Washington sponsored by the VFW certainly is a fine way to acquaint our Congressional delegation with veterans' thinking.

Principal topic of our talks was my proposal for a permanent standing Senate Committee on Veterans Affairs. The House of Representatives has had such a committee for years, but somehow, in the Senate, veterans have been bypassed. Their bills are parceled out between two Senate Committees. Both have a heavy workload of other duties and can't give the necessary priority to the problems of those who have served in the armed forces. Certainly if the Senate can set up a Small Business Committee or a Committee on Labor and Public Welfare to handle the special problems of those interests, it can and should establish a Committee to devote its exclusive attention to our 22 million veterans. These men and women, together with families and dependents, comprise almost half the population of the United States.

If my resolution is adopted, the new Committee would consider all matters relating to veterans—their pensions, life insurance, compensation, vocational rehabilitation, education, hospitals, medical care, civil relief, and the readjustment of servicemen to civil life.

Ugliest Visitor—and I use the word advisedly—balled from Lake Huron. He arrived in a large glass jar of formaldehyde and was placed on my desk by John Farley, head of the U.S. Bureau of Sport Fisheries and Wildlife. The

jar held a giant specimen of the sea lamprey, the killer whose attacks on trout and whitefish are costing Great Lakes fishermen \$3 million per year. In the past I have exhibited this vicious eel-like creature before the Appropriations Committee. He has had a persuasive, if shocking, effect on the rignified Senators, and we've been able to secure funds to fight this evil pirate fish. Mr. Farley described the lamprey as a "spectacular" specimen. I agree. One look at the six-year-old grandpa in the bottle should convince the most skeptical that he's not welcome in the Great Lakes.

Farm Visitors have expressed enthusiasm for my new bill to abolish the penalty for overplanting wheat, so long as the farmer uses that wheat on his own property for feeding or seeding. As the law now stands, a farmer may freely plant only fifteen acres of wheat. Under marketing quotas, the farmer who overplants his allotment is penalized. He must either pay a cash sum of 10 cents per bushel or undertake the expense of storing it. Certainly small farmers should not be forced to waste their excess wheat, nor should they be penalized for using it. I expect to push hard on this one.

Michigan Wins by the recent Interstate Commerce Commission ruling to give Great Lakes ports an even break with Atlantic, Pacific and Gulf Coast port cities. Two weeks ago I outlined the transportation tug-of-war on "free time" at port cities, describing the move of the eastern and southern railroads to gain a competitive advantage for their region. I'm delighted to report that the ICC has now equalized "free time" at seven days for all ports. Those of us who fought for this decision consider it eminently fair. It will permit Lake ports to compete and will permit the Seaway to properly develop its full share of water-borne traffic.

Hough School Children Present Variety Show

About 120 parents, children, and teachers attended a variety show presented by the children of Hough Elementary school in Canton township Wednesday, Feb. 13. Poems, songs, a short patriotic play, and a puppet show were included on the program, organized and directed by Mrs. Doris Beerbrower and Mrs. Roberta Johnson. Refreshments were served after the program.

This is the time of year to order seed and think about the crops you won't make this spring and summer.

Rotary at 52 Is Bigger than Ever

Plymouth Rotary club is this week joining 9,200 other clubs on the world's six continents to commemorate the 52nd anniversary of the founding of Rotary. The birthday occurs this Saturday, February 23.

More than 439,000 business and professional executives belong to the 9,200 Rotary clubs. For more than half a century, Rotary has grown in numbers and strength. In the last 12 months, for example, more than 400 new Rotary clubs have been organized in 50 countries and six new countries have been added to Rotary's membership roster—Iraq, Jordan, Netherlands, New Guinea, Ruanda-Urundi and Swaziland.

Rotary is now found in 99 countries throughout the free world—more than belong to the United Nations. There are many different political and religious beliefs, but Rotary ideals of friendship, fellowship and service have been a common bond of union.

One of Rotary's big worldwide projects—not to mention the many undertaken by each club—is the Rotary Fellowship Foundation. More than 900 fellowships have been awarded graduate students to pursue their studies in foreign lands as an aid to international understanding.

Plymouth Rotary club, which maintains a membership of about 85, had several large projects last year, including a \$15,000 campaign for the Western Wayne county Easter Seal Center. This was over-subscribed by \$10,000. Outfitting of a playground on Hamilton street was also accomplished.

Plymouth Rotary will itself be 33 years old next month.

THE INVESTORS' FORUM

By HARRY C. FRANCE

Auto Stocks a Good Buy?

About 14 months ago, the Ford Foundation was about to sell a portion of the Ford Motor common shares. And the news of this event was glad tidings all over America.

"My broker says that the Ford issue will be greatly over-subscribed and he cannot promise to deliver any of the shares to me.

There was a romantic demand for the stock. Without concrete knowledge about the issuing price of the shares or their earnings and dividends, thousands of investors were anxious to buy blindly.

The syndicate finally allotted the shares to enthusiastic buyers at \$64.50 each. Many investors got none. Some of these persons became indignant, especially when the price of the shares went to \$70 and higher.

When the bloom was off this enchanting operation, the price of the shares declined about \$20 each. And when they could have been bought at \$52 and \$53 each in large amounts, I didn't receive a single letter from those investors who, a few months earlier, complained that their brokers couldn't promise to deliver a share at an unknown price.

The psychology of the stock market is like that. Blind enthusiasm even in the face of inadequate sales, earnings and dividend statistics can put prices up. And the reverse is true.

That is why public statements by Secretary of the Treasury Humphrey and Mr. Hoover can influence millions of investors. Often the dividing line between a favorable and an unfavorable economic decision can be very thin.

Just now the motor stocks are in the doldrums. The automobile business is one of America's most important industries. Psychologically speaking, these stocks are on the spot.

In 1954, General Motors, Ford and Chrysler did a combined business of about \$16,000,000,000. In 1955, around 21 1/2 billions and last year approximately 18 billions.

The motor common shares are always a businessman's investment. Deferred sales can come along in any given year. A prospective buyer of a new automobile can suddenly become fearful and cautious and decide to drive his three-year-old car another year.

But the time to buy the best shares in any basic industry is when public investor confidence is low, and there is abroad a feeling that the industry is in for a bad year. The three leading motor stocks may go lower in price and they will if public feeling about them remains negative long enough.

For those investors who can assume ordinary risks in basic industry shares, they deserve interested attention. The peak sales of 1955 of over 21 billions of dollars will be surpassed in the immediate years ahead and the price doldrums of the stocks will come to an end.

(Q) "From the standpoint of security, return and growth, what financial setup is best for a single person 47 years of age?" C. E.

(A) Without much additional information, a satisfactory answer cannot be made. Is the person employed? If so, what is the amount of yearly savings? Has the person dependents? How about inherited or accumulated wealth?

Harry C. France will answer one letter each week through this column. If you have any investment questions, write in care of this newspaper.

GOP Chief Has Big Task

A big test for the new Republican state chairman, Lawrence B. Lindemer, comes right on the heels of his election as Michigan's GOP chief.

April 1, the Republicans will muster all strength to prevent Democrats from capturing their last two seats on the state administrative board—Highway Commissioner and Superintendent of Public Instruction.

It's a tough assignment. The Democratic powerhouse led by Governor Williams has proven strength. Unlike the fall elections, the Democrats also have a natural offensive position.

Confident optimism seems to prevail in the GOP. Lindemer, 35, represents the "New Guard" Republicanism. His strategy is to bring Eisenhower concepts to the state and county level.

"It's a working theory of government which ties in the rights of the individual with the responsibilities of the individual," he told party leaders at the Republican state convention.

Republican leaders agree that the party must be strongly organized from the grass root levels up. They believe Lindemer can do the job.

While the April 1 test is a big one, that election won't be a "true test" of Lindemer's ability. The time is too short to build a complete organization.

Lindemer recognizes that much of William's political success comes through campaign tactics waged between

elections. Lindemer wants a permanent organization that can meet the governor on equal ground.

Besides Taxes, Paychecks, Education and Tattooing are some of the many subjects covered in bills awaiting legislative action in Lansing. Some will pass. Most will never receive favorable committee action or come before the legislature as a whole.

Higher pay for state administrative offices are in a bill introduced by six members of the House of Representatives. Salaries of \$17,500 are asked for the Superintendent of Public Instruction, the State Highway Commissioner, the Secretary of State, State Treasurer, Auditor General and Attorney General.

In addition, Rep. George Sallade (R-Ann Arbor) is asking that the Highway Commissioner post be taken out of politics by creating an appointive commission of seven members. In turn, they would be empowered to appoint a Highway Commissioner. But it is so close to a new election that such a change will probably not take effect for another four

years, even if it is approved now. Community colleges receive a boost from eight senators in legislation granting the Superintendent of Public Instruction power to approve their formation.

Sen. Clyde Geerlings (R-Holland) wants the highway department to post signs along state trunklines to indicate the penalties for scattering litter and dumping rubbish.

A bill that would prohibit the sale of "alertness pills" except by prescription is supported by Sen. Charles S. Blondy (D-Detroit).

Regulation of milk marketing is the object of a wide-sweeping proposal introduced by Bert J. Storey (R-Belding). His bill would authorize the licensing of milk dealers, regulate prices and trade practices, define the powers of the director of agriculture, and provide penalties for non-compliance.

Water sports enthusiasts can study a bill presented by Robert E. Faulkner (R-Coloma) which prohibits water skiers from being towed by boats if the operator is alone.

Finally, three state representatives have banded together to urge the passage of a bill prohibiting the tattooing of persons under 21.

When You Retire

BY ROBERT PETERSON

Elsa Maxwell Isn't Bored

ELSA MAXWELL, 73, plump and peppy, should be an inspiration to retired persons everywhere. At an age when many of her contemporaries are wondering what to do with themselves, this bouncy bundle from Keokuk, Iowa, famed as a party-giver and intimate friend of world celebrities, is proving that old age is a wonderfully exciting time of life.

SHE PADDLES around New York like a sturdy tugboat on an eventful mission. Last month I saw her with bejeweled friends at a concert; last week she was sitting a few rows from me at the opera; and just this afternoon I was jowl to jowl with her in an elevator in the Waldorf-Astoria Hotel.

Her most astonishing characteristic is an utter disinterest in being beautiful, youthful, or wealthy—qualities so coveted by most people that lack of one or more of them is a cause of smouldering dissatisfaction. She makes no attempt to be beautiful and frequently calls herself, "The world's fattest frump."

IF YOU ARE curious to know what makes Elsa run, you can pick up a few clues in her book of memoirs entitled, "R.S.V.P." Concerning her enthusiasm for life she writes, "I wake up every day with the unshakable conviction that something exciting is about to happen."

With reference to growing old she informs us brightly that "this old girl is more alive and kicking harder than ever. The past year has been the busiest of my life. . . . I can't remember a year I worked on more charity committees, arranged more parties and dinners, saw more shows, read more books, and wrote more special articles."

BOREDOM AND apathy seldom plague the young. School activities and a host of simple pursuits fascinate us in our green years. The middle years too are normally packed with absorbing things to do—watching the children grow up, getting the house paid for, and making a success of our career.

Trouble is apt to set in when our chicks have left the nest, the house is ours, and we must retire from the career we pursued for such a long time. To enjoy these years it is obvious that new useful activities must be found to substitute for those which once held our attention.

LIKE THE INDOMITABLE ELSA we can keep boredom and apathy on the run when we retire by engaging in charitable functions, by radiating enthusiasm that will attract interesting persons to us, by stepping up our social program, by doing creative work, and by worrying less about our looks and our money and more about those inner resources from which all contentment springs.

As far as we are concerned, few television plays make any sense.

The Case Against COMPULSORY AUTO INSURANCE

Question: If we had a Compulsory Auto Insurance Law a fellow wouldn't have to carry a lot of costly insurance himself?

Answer: Better think that over. You carry Hospitalization and Medical insurance to guard against the many accidents and illnesses which can occur in any family.

You want to protect your own auto with collision coverage in case you might be negligent or no other auto would be involved. And unless you pay cash, the bank will probably insist on this protection anyway.

Medical Payments coverage is like Hospitalization insurance—it covers all kinds of accidents that can occur in an auto.

So the Uninsured Motorist endorsement is actually the only cost relating directly to the uninsured motorist subject.

Question: But to pass a law making everybody carry liability insurance sounds like such a simple solution.

Answer: Yes, it does sound like the easiest solution. The trouble is, it's like the old adage of the cure being worse than the disease.

Question: Just what is so evil about Compulsory Insurance?

Answer: It leads to political domination of the insurance business; increases rates; destroys beneficial competition; floods the courts with questionable suits; does an incomplete job in accomplishing the alleged objective of protecting you against an uninsured motorist. It just isn't in the public interest. Or that of insurance companies and their agents, either.

Cadillac

International Synonym for "Achievement"!

Mention the name "Cadillac" wherever you will—and in whatever part of the civilized world you might be—and you will find a common meeting-ground of understanding.

It is, in brief, a world-wide synonym for personal achievement!

And this is, we think, entirely logical. For over the years, the Cadillac car has played a vital role in the lives of so many of the leading citizens of every community where motor cars are seen.

Cadillac is, in fact, the almost predictable choice of those who choose without restriction.

This, of course, is not to say that a motorist need necessarily possess an abundance of this world's goods in order to enjoy the great and unduplicated satisfactions of Cadillac ownership.

Consider, for instance, the economy of buying a Cadillac. Several models are actually priced competitively with much smaller, lighter cars.

Consider the practical aspects of driving a Cadillac. The car is remarkably economical from a standpoint of both maintenance and operation.

And lastly, think of the wisdom of owning a Cadillac. Year after year, Cadillac returns a greater share of its owner's original investment than any other motor car in the land.

In other words, wisdom and practicality can lead you to the "car of cars" just as surely as prominence and prosperity.

We suggest that you come in soon—that you spend an hour at the wheel—and that you delay no longer in making the magic move to Cadillac.

We'll be looking for you—soon.
