

## Foundation to Finance Library Completion

### ★ ★ ★ ★ Letter Offers Gift; Vote Accepts It

Members of the City Commission  
Plymouth, Michigan

Gentlemen:

Some time before her death, my sister and I established the Edward C. Hough and Mary Hough Kimble Foundation. We have both lived in Plymouth our entire lifetime, both graduated from the Plymouth High School, and appreciate the many favors we have received at the hands of the citizens of Plymouth.

Knowing the need of an addition to the facilities of the present library in Plymouth, the Foundation hereby authorizes the building of such addition and will provide the funds necessary for its erection.

We will appreciate the cooperation of the City in taking bids for this addition and looking after its erection, and will provide the necessary funds as needed.

Sincerely,  
Edward C. Hough

The following resolution was approved unanimously by the city commission Monday night:

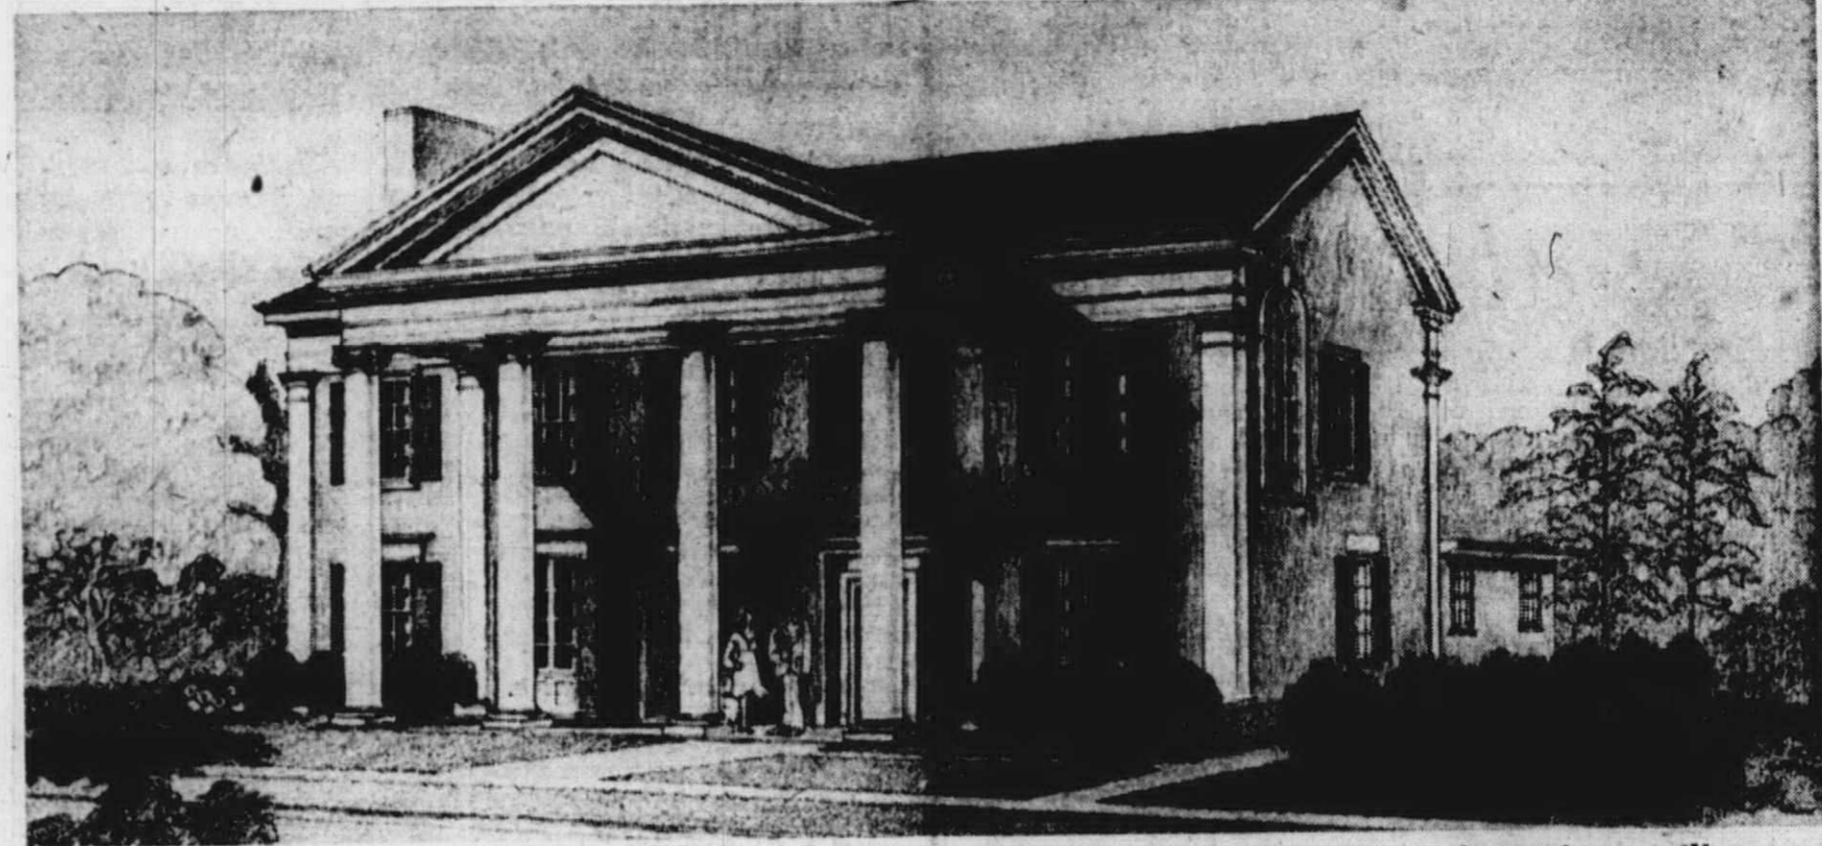

Whereas, Mr. Edward C. Hough, in a communication addressed to the members of the City Commission of the City of Plymouth, Michigan, has, in the name of the Edward C. Hough and Mary Hough Kimble Foundation, recognized the need of an addition to the facilities of the present library in Plymouth, Michigan, has authorized the building of the addition and will provide the funds necessary for its erection,

Now, therefore, be it resolved, that the most generous gift by the Edward C. Hough and Mary Hough Kimble Foundation, as contained in the letter from Mr. Edward C. Hough be accepted.

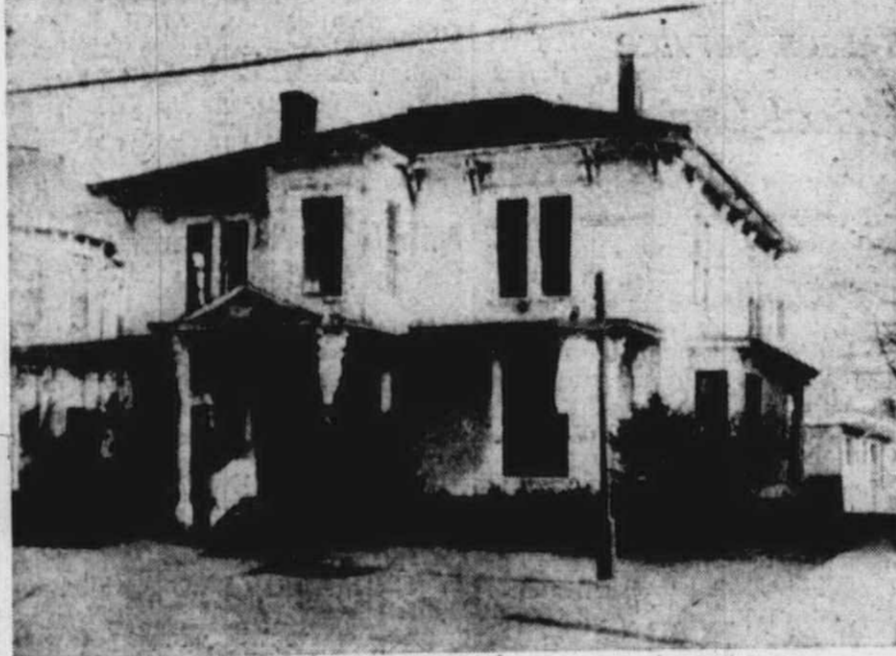

Be it further resolved that the name of the library be the Dunning-Hough Library, thus joining the names of the two Plymouth families whose foresight and generosity have made the purchase and construction of the library for our community a reality, and

Be it further resolved that a suitable plaque be placed in a prominent place in the library giving credit to Bessie and Margaret Dunning for their original gift in 1945 of the land and the then existing building; to the City of Plymouth for its addition of the rear portion in 1953; and to the Edward C. Hough and Mary Hough Kimble Foundation for its gift to make possible the completion of the front section in 1957, and

Be it further resolved that a copy of this resolution, as spread upon the minutes, be furnished to Miss Margaret Dunning and to Mr. E. C. Hough with our most sincere thanks for the generosity and civic mindedness which we, the City Commission, accept on behalf of the people of the City of Plymouth and of the community whose needs the library so fully meets.

ABOVE IS WHAT Plymouth residents will use as their public library by the end of this year in place of the present frame building shown at left. Strictly of colonial design, the new structure will be constructed of red brick. Its cost is estimated between \$75,000 and \$100,000. Bids are now being taken.

### \$88,000 Storm Sewer and Street Bonds Sold by City

A Detroit investment company representative who did a favor for a competitor Monday night by delivering their bid, along with his own firm's, on Plymouth street and sewer bonds saw his competition be awarded the bonds.

The offering was for \$88,000 in storm sewer bonds and \$30,000 in street improvement bonds. The storm sewer was laid in the north-west and southwest section of the city. The street improvement was for Amelia, completed last fall.

Kenower, McArthur and Company, joined by Manley-Bennett and Company, submitted the lower bid of the two received. Their interest rate on the \$88,000 issue will be 3.41482 per cent, or

\$14,820.

Bringing the winning bid to the commission meeting on a foggy night from Detroit was a representative for the First of Michigan Corporation, whose own bid offered an interest rate of 4.5779 per cent, or \$19,868 in interest. Commissioners immediately declared the Kenower, McArthur bid as the winner. They expressed satisfaction over the lowness of the winning bid.

In other business before the special commission meeting, an offer to finance an addition to the library was accepted (see main story) and the Parklane Subdivision was given permission to erect a large sign for a six-month period.

### New Gallimore School Dedicated

"Actors and actresses are elated when they see their names in lights for a few weeks on Broadway — but when you see your name on a school, it's an honor that will last a long, long time."

That was the closing comment by James J. S. Gallimore who was guest of honor Sunday afternoon at the dedication of the elementary school which bears his name.

Over 300 people attended the ceremony and many others came later to inspect the modern building on Sheldon road. Construction was started April 27, 1956 and the building was occupied February 11, 1957.

Gallimore credited the people of the community with the success of the school's building program and humbly accepted the honor of having a school named after him. A large picture of Gallimore (which appeared in The Mail last week) was placed beside the plaque at the school's entrance.

A color guard from the Passage-Gayde post of the American Legion opened the program. Principal Earl Gibson served as master of ceremonies and welcomed the audience. An introduction of special guests was made by Superintendent Russell Isbister. This included the board of education, Business Manager Melvin Blunk, Canton Township Supervisor Louis Stein and Mrs. Gallimore.

The superintendent pointed out that Gallimore has had a philosophy of service which has been offered through his many years on the school board, in his service club, fraternal organization, church and family.

Another speaker was Byron Becker of Plymouth of the firm of Wheeler and Becker, Architects. Becker, as designer of the building (his young company's first

school building), noted the many features not ordinarily found in other school buildings. Uniform lighting in the classrooms is one of the achievements. Two of the classrooms have a trial "low transmission" glass to eliminate outside glare.

Actual dedication of the building was performed by Harold Fischer, president of the school board. The audience took part in a ceremony of responsive reading.

In his remarks, Fischer called for use of the school by the entire community, not just for daytime classes.

Dr. Henry J. Walch, pastor of First Presbyterian church, delivered the invocation and benediction.

Gallimore school was constructed at a total cost of \$524,316.

FROM THE PLATFORM decorated with flags and flowers from well-wishers, James Gallimore accepted the honor of having the school system's newest building named in his honor.

### 65-Voice U. of M. Glee Club Sings Here Sunday Afternoon

For those who like to hear rousing college melodies, gay selections from Gershwin musicals or the harmony of traditional tunes, their best bet in "live" entertainment in Plymouth this weekend will be the University of Michigan Men's Glee Club.

The 65-voice Glee Club will present a concert at 4 p.m. Sunday in the high school gymnasium under the sponsorship of the U. of M. Club of Plymouth.

Fifteen selections and two medleys are on the Sunday program. It consists of:

"Laudes Atque Carmina" (traditional opening hymn) by Stanley; "Chorus of the Returning Pilgrims" by Wagner; "Who is Sylvia" by Schubert; "Fine Knacks for Ladies" by Dowland; "Then Round About the Starry Throne" by Handel;

"I Hear An Army" by Barber; "The Heart Worshipers" by Holst; "Eileen", an Irish folk tune; "Lay Down Dogies," a cowboy song; "Country Fair," by Mel Torme.

Following intermission, eight Gershwin show tunes will be sung as a medley, followed by "Hard-Hearted Hannah," "Jerusalem in the Morning" (a spiritual); a medley of nine Michigan songs, and the alma mater, "The Yellow and Blue."

Tickets are on sale at Smith's Music Store, Melody House and with U. of M. Club members.

The Glee Club has made itself internationally famous through its tours across the nation and in Europe, by its radio, television and movie appearances and through the records it has made.

### Urge Solicitors To Show Chamber Registration

A surge of complaints and inquiries concerning salesmen and solicitors have reached the Chamber of Commerce during the past two weeks and a warning is being issued by Chamber Manager J. H. Wilcox.

Local telephones have been busy in Plymouth lately with "advertising specials" and "no-cost display offers" involving all sorts of home improvements and magazine subscriptions, Wilcox declared.

With the advent of warmer weather, salesmen and solicitors who have been spending winters in warmer climates or close by the fire thinking up new sales pitches are now flocking to this territory to try them out, the manager added.

He reminded residents that telephone offers that "sound too good to be true" — probably aren't. Patrons "fortunate enough to be selected" as prospects for "advertising installations" should request that the salesman display a letter from the local Chamber of Commerce certifying that he has registered his company with the Chamber.

The Chamber does not guarantee the products or services offered, but feels that unethical concerns will be less willing to record their propositions than will established organizations.

Householders and businessmen can further protect themselves by requesting that solicitation proposals and "advertising" propositions be sent to them in writing through the U. S. mails.

Most confidence men and gyp artists, Wilcox concluded, know better than to take chances with the Federal Government and the charge of using the mails to defraud.

### E. C. Hough, Late Sister Give Gift

An offer by the Edward C. Hough and Mary Hough Kimble Foundation to furnish funds to complete the front addition of Plymouth's public library was accepted with gratitude by the city commission at a meeting Monday night.

A colonial style building that will cost an estimated \$75,000 to \$100,000 will be constructed in place of the frame building on South Main street and will adjoin the new brick structure erected in 1953.

In a letter to the city commission read at Monday's meeting, the Foundation offered to furnish funds to complete the building but left the planning and supervision of the construction up to the city. Bids for the construction will be advertised this week and the commission is expected to approve bids at its April 2 meeting.

It is estimated that the building should be completed by late fall.

Wheeler & Becker, Architects, have designed the new addition. This is the same firm that designed the rear portion of the library and also the new James Gallimore Elementary school. The colonial design will conform with the Chamber of Commerce long-range plan to "colonialize" the community.

In their resolution of acceptance, the city commission decided to rename the library to honor its original donors, Mrs. Bessie Dunning and Miss Margaret Dunning, and the Houghs. It will be called the Dunning-Hough Library.

E. C. Hough, president of the Daisy Manufacturing company, made the offer in the name of the foundation. Mary Hough Kimble is his late sister who was a life-long resident of Plymouth.

Library officials, both here and with the Wayne County Library System, have enthusiastically greeted the news. They note that the announcement comes at a time when the problem of space has grown acute. With 17,000 volumes now on file, the local library last year had the largest circulation of any library in the Wayne County System.

The addition will also make the Plymouth library the largest in physical size among Wayne County agencies. Plans call for the addition to have two floors and a partial basement.

Among the welcome features of the new building will be air conditioning to make the entire building more comfortable for use in the summer.

While the old frame structure is being torn down and the new building erected, all library operations will be carried on in the present new addition. This will deprive the library of much of its operating space, but occupancy of the new building will be gained as soon as possible.

The completed library will have a total of 9,100 square feet of floor space. There are 2,300 square feet in the present new unit, while the proposed addition will have 6,800 square feet.

With the final addition, the library staff will have an ample work room, lounge facilities and even a small kitchenette for their convenience on the first floor.

The children's department will be relocated in the front of the building and a fireplace will be provided on both floors.

Two meeting rooms will be on the second floor, one about 30 by 32 feet and the other 16 by 30 feet with a small kitchenette between. The second floor area will serve many purposes, such as for the story hour for children, lecture programs and as a music room.

The "check-out" counter for books will be moved from the front of the building. Entrance will be gained both from a front door facing Main street and from the present side door near the large city parking lot behind the building. There will also be a private side entrance to the work area where deliveries of books can be made without disrupting other parts of the library.

A basement room will be provided large enough to house air conditioning equipment and for the storage of magazines and custodial items which are now in the boiler room.

The gift making it possible to complete the library has come just as the rapidly growing use threatened to slow the library's progress. Last year the local library was first in circulation among all the community libraries affiliated with the Wayne County system. There were 136,000 books issued, an increase of 18,000 over 1955.

The need for more space has been felt for some time and the city has been faced with the prob-

lem of space has grown acute. With 17,000 volumes now on file, the local library last year had the largest circulation of any library in the Wayne County System.

### Careless Burning Of Rubbish Keeps Firemen Running

It was sunny and rather warm last weekend in Plymouth—and many people figured it was a good time to burn rubbish. Fourteen of these people in the city and township figured wrong. It was also windy.

The city fire department answered one alarm Friday and six on Saturday to extinguish grass fires that were all started by careless burning of rubbish. The Plymouth township department recorded five alarms on Saturday and two on Sunday for the same reason.

Sirens were heard at frequent intervals throughout the weekend as fire trucks rolled to all points of the city and township to extinguish the grass blazes. In one case at 3985 Schoolcraft road, township firemen saved a two-car garage which had been ignited by burning weeds.

City firemen answered alarms on Parkway Drive, Sutherland, Liberty, Amelia, Deer, Sheldon and Maple streets. Township firemen went to Morrison, Southworth, Ridgewood, Shearer, Schoolcraft roads and Ann Arbor Trail.

### Police Youth to Bring Mort Neff for Program

The public is being invited to attend a program on March 27 sponsored by the Plymouth Police Youth Club that will feature Mort Neff, widely-known Detroit TV outdoor editor.

Neff, who recently returned from fishing in Chile, will show movies and be available for a roundtable discussion on a variety of subjects. He will also present archery and rifle marksmen medals to some of the youths.

The program will be in the club's Central Parking lot building starting at 7:30 p.m.

### Something New In Plymouth

The secret is finally out. That three-letter puzzle — NIP — found in recent advertisements has been the merchants' way of warning shoppers that they have something "New In Plymouth" this Thursday, Friday and Saturday. An entire section in this edition is devoted to the new items of apparel, furnishings, appliances and many other things which have not ordinarily been seen in town.

The items are especially in keeping with the approach of spring. Many merchants are giving things away—so scan their advertisements carefully.

Also in this edition is the announcement of the opening of Lake Pointe Village, a 1,200-home subdivision in Plymouth township.

Another speaker was Byron Becker of Plymouth of the firm of Wheeler and Becker, Architects. Becker, as designer of the building (his young company's first

### 6,700 Local Homes Get Easter Seals

Flower bedecked Easter Seals—to give a crippled child a chance—went out to 6,700 residents of Plymouth this week as the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults took the first step in launching the greatest campaign in its 24-year history.

The campaign which officially opens March 15th and continues through Easter Sunday, April 21, provides an annual opportunity for residents in this area and across the nation to contribute

financial assistance for crippled children's services, according to Ralph G. Lorenz, chairman of the 1957 Easter Seal campaign, in the Plymouth area.

Funds contributed in this community will support and maintain services for the physically handicapped which include initial costs of diagnostic clinics, x-rays, braces, speech training, and occupational therapy; arranging or providing transportation to and from hospital clinics, brace shops, Easter Seal day camp, and year

round "out of the home" activities for teen agers and adults; providing equipment for loaning, such as, wheel chairs, crutches, walkers, bedside tables, hydraulic lifts for bed patients, hospital beds, and other special appliances.

Approximately 90 per cent of the funds raised during the annual Easter Seal campaign finance services within the state where raised. The remainder goes to help support a national program of service, education and research.

## Barbara Ann Cushman Weds James E. Brunk in Dearborn

Following their marriage Saturday, March 2, at the Christ Episcopal church in Dearborn, Mr. and Mrs. James E. Brunk left for a honeymoon in northern Michigan. The former Barbara Ann Cushman is the daughter of Mrs. Charles C. Cushman and the late Mr. Cushman of Forest-avenue in Plymouth. The bridegroom's parents are Mr. and Mrs. E. Brunk of Wiethof court, Inkster. Following the ceremony a reception was held in the church parlors.

Given in marriage by her brother, Charles C. Cushman, Jr., the bride wore a princess-styled gown of rose point lace. A silk illusion fingertip veil fell from a Venetian lace and seed pearl headpiece. The bride's bouquet was of Amazon lilies and stephanotis.

Maid of honor Alice Reddeman and attendants Mrs. James Saunders and Mrs. John Olsaver were dressed in princess-styled gowns of turquoise crystalette with matching hats, and carried bou-

quets of varied pink and rose carnations. Deborah Ann Cushman, niece of the bride, was flower girl, dressed in blue taffeta and carrying pink and white carnations.

Seating the guests were Roy Adams, best man, Harry Bekke and John Olsaver.

The bride's mother wore a red rose corsage with her French blue lace frock. Mrs. Brunk wore a yellow rose corsage with her beige chiffon.

For traveling north, the new Mrs. Brunk wore a navy suit with lilac hat and blue accessories.

The bride was feted with lovely showers given by Mrs. E. Brunk Jr. in Dearborn, Mrs. R. Hoffmann and Mrs. R. Blomberg in Plymouth and Mrs. C. R. Ickles at Hillside Inn. A shower for the bride and groom was given by the bridal attendants at the home of Mrs. John Olsaver.

The newlyweds will live in their new home at 27234 Lucerne in Inkster.

**SUMMER CASUAL FOOTWEAR** will be modeled by three high school girls at a shoe fashion show for women and girls, to be held from 10 to 11:30 a.m. and from 2 to 4 p.m. Saturday at Fisher's Shoes. Shown are Judy Van Hofe, model; Sandra Penney, commentator; James C. Houk, manager of the store; Carol Calkins, model; and Theota Williamson, model.

## Suburban Shrine Club Elects Officers, Will Hear Speaker

Special guest at the meeting of the Suburban Shrine club at 7 p.m. Monday will be Charles L. Wilson, illustrious potentate of Moslem Temple. The meeting will be at the Arbor Lill dining room, Ann Arbor and Lilley roads.

At the last meeting of the group, officers, and Board of Governors were elected for 1957. Edward E. Black is the new president; L. Jack Gage, first vice president; John H. Kilborn, second vice-president; past president Charles Huebler, secretary; and A. Gerald Pease, treasurer.

On the Board of Governors are past presidents William Al Hubbs and John J. Lietz and David M. Baker, Jack Clark, Donald B. Greenbury and Albert E. Hackett.

Officers and board members met Wednesday, March 6, to discuss plans and tentative dates for future events.

Deadline for Scottish Rite peti-

tions is April 2. Spring ceremonial at Moslem will be Saturday, May 11. Those who wish either Scottish Rite of Shrine petitions are to call Ed Black at 2090.

## Episcopal Auxiliary To Hold Book Review

Mrs. Charles Dengler of Jackson will review Louise Hall Tharpe's book, "Saints and Sinners," at 1 p.m. Tuesday at St. John's Episcopal church on Maple.

Tea will be served following the review. For reservations, contact a member of the church women's auxiliary, sponsors of the review, or call Mrs. Alfred Fawcett, 718-J or Mrs. Walter Hargrave, 1994-M.

## Social Notes

Mr. and Mrs. Ray Covell were hosts at dinner Sunday evening, in their home on Hamill street to Mr. and Mrs. Henry Holcombe of Livonia, Mr. and Mrs. Harry Christensen and Mr. and Mrs. Lee Coolman, of Plymouth. The dinner honored the Holcombs who will soon leave for an extended visit in the West.

Other guests were Mrs. Marguerite Brugman of East Detroit.

## Legion Auxiliary Stresses Service In Local Community

"A Better Community for a Stronger America," is the theme of the American Legion auxiliary for March, the month in which service to communities is emphasized by the auxiliary's 14,000 local units. Participation of the Passage-Gayde unit in the program is being directed by Mrs. Melva Gardner, unit's community service chairman.

"We of the American Legion auxiliary believe that our country can be no stronger than the sum of its parts—than the sum total of the communities which make up the country," said Mrs. Gardner. "We feel that we are serving the entire country when we work to build better communities."

"Each year each one of our units is expected to do something for the betterment of its community. A vast variety of activities are carried out, either by the auxiliary unit working independently or in cooperation with other patriotic, civic or health organizations. The auxiliary never duplicates the work of other organizations, but gives them cooperation and support if they are engaged in projects in which our organization is interested."

## Fashion Preview Will Be Presented

## 60 Past, Present Residents Gather in Tampa, Florida

A park in Tampa, Fla. was the meeting place of almost 60 past and present Plymouth residents Tuesday, March 5.

Those attending the pot-luck affair started arriving at about 11 a.m. had lunch under an outdoor shelter and spent the day visiting and reminiscing with Plymouth friends.

The coming of this annual affair has been spread by letter and word of mouth, and according to Ezra Rotnour, of 333 W. Ann Arbor trail, "It's been getting bigger every year."

Attending the event last week were Mr. and Mrs. Arthur Blunk, Mr. and Mrs. Irving Blunk, Mrs. Mabel Blunk, Mr. and Mrs. Hoeg, Mr. and Mrs. Ezra Rotnour, Mr. and Mrs. Harry Mumby, Mr. and Mrs. Earl Kenyon, Mr. and Mrs. E. J. Allison, Mr. and Mrs. Anderson, Mr. and Mrs. Charles Melow and Mr. and Mrs. Tom Moss.

### Somebody Goofed!

Some hen loused up the works and that's no yoke, son.

Mrs. Stanley Clinansmith of 150 S. Mill street was all set to sit down and eat the hard boiled egg her diet called for. She cracked off the shell, sliced the egg in half, then decided her appetite for eggs was gone. This egg had no yolk.

The culprit hen belongs to Mrs. Jack Hislop of Five Mile road.

# Sports Seen

**By Bob Young**

I would like to apologize for the absence of last week's column. I'm sorry it did not appear first because as a weekly column it should appear as such, and secondly because I made a number of successful predictions.

The first prediction read as follows: "My prejudiced opinion is that Plymouth stands a better chance of pulling out the first Suburban Six swimming championship, with Allen Park copping second, and Belleville and Trenton tying for third. As you have probably already heard Plymouth won hands down with Allen Park second, Trenton third with 28 and Belleville fourth with 25. Pretty close huh?"

I saw Bill Brandell as Plymouth's only double victor. Bill captured the coveted first in both the 200 and 400 yd. freestyle event. His time in the 200 set a new team record.

In the 150 yd. individual medley I chose Captain Gary Wright with Belleville's sophomore sensation, John Lytle for second. That was all I chose in the medley but senior Jim Archer made a good showing as he placed third.

Art Losse and John Walker finished one, two ahead of all competition in the diving event just like I thought. Allen Park's Bill Rusk was also one of the finalists which I picked.

Little John Lytle provided my only upset as he squeezed past Bob Isbister in the 100 yd. butterfly breaststroke. Lytle stopped the clock 1.6 of a second faster than Isbister. I just mentioned that Mike Todd and Dennis Willetts of Allen Park should provide a good race in the 100 yd. orthodox breaststroke, but Mike was ill and unable to compete.

Although Allen Park's Fagley had recorded better times than Jim Archer of Plymouth, I gave the nod to Archer, who won the event with Fagley second.

I made no final prediction in the 50 yd. freestyle sprint since Lumsden of Allen Park had been clocked at 24.7 and Carney of Plymouth at 24.9. I just said that I didn't want to miss seeing that one and boy am I glad I didn't. Carney, who set a team record in the preliminary copped first, with John Williams second, and Lumsden third. The five finalist all hit the tape within seconds of one another.

As much as I hated to have to give the edge to Lumsden in the 100 yd. freestyle race over Plymouth's Dennis Baker and Jack Taylor, Lumsden took the first, with Baker second, and Taylor fourth.

I figured the relay teams would have a breeze of it which they did. Well, 10 out of 11. That ought to bring my average up.

I guess I'm not the only one who thought Ken Calhoun had a great season this year. Last Tuesday afternoon it was announced Ken had been the only unanimous choice of all six league basketball coaches to the first team in the Suburban Six. Other players chosen to the first squad are: Mans and Dukus of Trenton; and Clark and King of Livonia.

Second team members in the league did not include any local talent. The choice of the six coaches was: Tresh of Allen Park, Voss of Trenton, Hinkle and Gibson of Redford Union, and Pitcher of Belleville. Bill Hubert and Biff Tait received honorable mentions.

# Rocks Squeeze Past Monroe

The Plymouth varsity basketball squad displayed a surprising surge of power as they upset the favored visiting Monroe five 45-43. The Rocks, who went into the game nursing a five game losing streak, jumped to an early 11-8 first quarter edge.

The locals outscored the invaders 16-7 in the second period to take command of a 27-15 halftime score. The Monroe team came back with determination in the final half and had pulled to within eight points at the end of the third quarter.

The Rock cagers garnered only a third as many points as the visitors in the fourth and final quarter but it was substantial for the victory.

Plymouth's percentage from the floor was still rather low as they bucketed 16-45 for a 36% pace. Their free throw effort was a respectable 54%. Monroe hit for 36% of their floor shots and 56% of their free throws.

Junior center, Ken Knipschild led the scoring attack with 13, Biff Tait pumped in 11, and Ken Calhoun scored 10. Beaugard was high for the losers with 12, Bacarelle added 10.

The Plymouth squad traveled to Ypsilanti last Tuesday evening to play Wayne on the Eastern Michigan College court.

The JV squad, who last week set down powerful Hamtramck, were not so fortunate against Monroe as they lost a rather one sided 48-35 game. The little Rocks trailed by only four at the end of the first period but Monroe catapulted to a 30-17 halftime edge.

The locals closed the gap momentarily before dropping behind to the final 48-35 trouncing. Freshmen John Nance paced the reserve attack with 11 points, Myron Hopper contributed 8, and freshmen Randy Egluff hit for 7. Oney paced the losers with 20, Kinsey hit for 11.

# Husband-Wife to Direct Guild Play

**Mr. and Mrs. Hal Young**

The spring production of the Plymouth Theatre Guild will be guided by Hal and Loretta Young of 345 Sunset. This ideal situation more than answers the need for close liaison and co-ordination needed between director and producer.

Hal is employed as a communications representative of the Bell Telephone company and has been active in dramatics both as

director and actor in school productions and was seen as "Boston Benny" in the Theatre Guild's fall production of "Strange Boarders". Loretta, who was seen as "Myrtle Hodge" in "Strange Boarders" is a past president of the VFW Auxiliary and is noted for her organizing ability, a quality that is most necessary to the producer of a stage presentation.

Tryouts for "Over 21" the play selected as the spring production of the Plymouth Theatre Guild will be held at the Plymouth High School Auditorium tomorrow night, March 8. All will be welcome and are urged to try out for the many parts available.

# Hubbard's Annexation Letter Filed Away

# New Nursery School Opens For Pre-School Children

A new nursery school for children from two and a half to five years is opening in Plymouth, located at 303 W. Ann Arbor trail.

When facilities are completed, Lee's Nursery, under the direction of Mrs. Jean Lee, will accommodate 30 children. Mrs. Lee has taught kindergarten for five years in the Plymouth area and has three pre-school children of her own.

Hot lunches will be served for children staying all day, as well as mid-morning and mid-afternoon snacks. Beds will be provided for the children's naps. Adjacent to the nine-room cheerful and bright home where the nursery is located is a playground which will be fenced in for the children.

Applications for children to enter the nursery are now being taken. Mrs. Lee will interview parents with their children, and requires a health exam and immunization shots for certain diseases before accepting the child. "This is for the protection of all," Mrs. Lee explained.

At least one teacher will be present for every ten children. There will be three teachers and a cook mornings.

Parents who work during the day or who want their child to have nursery school experience and teaching may apply.

**GIRL SCOUTING'S 45th birthday** was marked last Sunday with a cake at the Scoutarama program in the high school. Representative of Plymouth's Girl Scout Program, from left, are Brownies Kay Zouet and Eleanor Kanka; Mrs. Lloyd England, Troop 21 leader and president of the Leaders club; Bargarra Heldreth, Troop 8; and Jeanne Russell, Senior Troop 1. Hundreds of people visited the dozens of displays and activities.

**GIRL SCOUT NEWS**

News comes from Susan Hulsing that Senior Scouts of Troop 14 have been busy working for service hours towards their First Class badge. Recently they took guests to visit the children's ward at Beyer Memorial Hospital in Ypsilanti. They are planning a trip to Detroit to see some of the Public buildings, such as the Court House and City Hall. Troop leaders Mrs. Robert Utter and Mrs. Robert Widmaier are helping the girls plan an exhibit for the Scoutarama.

Requirements for the Good Grooming badge have been completed by members of Troop 3. Mrs. La Mar, Miss Mason, Mrs. Smith and Mr. Willoughby talked to the girls on different aspects of good grooming. Troop members are now working on the requirements for the First Aid badge. Mrs. William Edgar and Mrs. E. P. Light are troop leaders.

Troop 12 announces new members—Michelle Bender and Jeri Gulbransen.

Sharon Stremick has been elected to serve as president of Troop 12 for the remainder of the year. Jane Drobeck, who was the president, has moved to West Virginia. Troop members worked on their Cooking badge while on an overnight at the Kiwanis Girl Scout lodge Feb. 8. They are now working on their Good Grooming badge. Mrs. Robert McAllister and Mrs. Eugene Gulbransen are troop leaders.

Cindy Evey reports that Troop 27 had dinner at Chin's restaurant recently, honoring Barbara Schiller who was leaving the troop. On Feb. 4, the troop had a "date-with-father" night. The girls took their fathers to Nankin Mills Pond where they cooked dinner out-of-doors and then enjoyed an evening of skating. Feb. 11, Mrs. Lloyd England talked to the troop members about First Aid. Mrs. Hagar Green and Mrs. Elbert Horvath are troop leaders.

Following a luncheon meeting at the Kiwanis Girl Scout lodge Saturday, March 2, members of Troop 4 received awards. Linda Rossow, Mary Thomas, Nancy Thompson and Carol Sue Urban of Patrol 2 received Girl Scout pins. Christine Bartel, Joyce Day, Kathy Holt, Elaine Kanka, Joan Matthews and Rosemary Steele, members of Patrol 1, receive badges for cooking, homemaking and hospitality. Mrs. Fordyce Sutherland is leader of Troop 4.

Brownie troop 20 of Starkweather school gave a pot-luck supper Tuesday, March 12, at the Girl Scout cabin.

After supper a program was given with scenes from America, England, Holland and Hawaii. The program was closed by singing "Girl Scouts Together."

Young Housewife — Oh, you know — the part you eat mint sauce with.

**The MAIL Attitude**

BY PAUL CHANDLER

This still is "unconfirmed report", but I haven't seen published anywhere else that the Detroit Free Press reportedly has made an offer to buy out the Detroit Times, the sum being about 22 million dollars. Times officials are studying it carefully.

You might be interested, incidentally, in the circulation of the metropolitan papers in the combined area of Plymouth, Plymouth Township, Northville and Northville Township. The Detroit News has a circulation of 3,090; the Free Press 1,640; and the Times 560.

The Plymouth Mail now is circulating 6,600 papers in this area, more than double the biggest metropolitan paper; more than all three combined, in fact.

The Mail this week is beginning publication of the winning student essays in this newspaper's recently-concluded "area problems" essay contest. (We had planned to begin last week, but they were squeezed out of the paper in a last-minute jam.)

One essay that won't appear today, but which is forthcoming, was written by Steve Hayskar, and it won the eighth grade prize. Steve took up the subject of "public apathy". In adroit style he suggested that our community adopt an idea that the original Plymouth, Mass., might have used—to wit, hold regular "town meetings" to hash over local problems.

Almost at the same time, the members of the Area Cooperation Group were thinking along similar lines. This body of adults has been planning a public meeting in the high school auditorium late in March whereat the candidates for the city and township offices could speak briefly and then give their views in response to written questions from the audience. Carl Cederberg, WWJ announcer and a disinterested party, would be the moderator.

So a fortnight ago written invitations went out to 13 candidates. They were asked to reply by March 1.

As of now—March 13—three of the 13 have bothered to reply. One of the candidates phoned to say he was reluctant to accept because the meeting might drift into the realm of "controversy." He later agreed to come, however.

The Area Cooperation Group is thinking about repeating the invitation by personal phone calls, but the Group is stunned and puzzled by the lack of response.

But that's how it is.

As readers of the women's pages know by now, The Mail has a talented new staff member, Miss Virginia Robertson. She graduated from the University of Michigan at the end of the last semester and while on the campus was Women's Editor of the Michigan Daily, one of the finest student newspapers in the nation. I'm prejudiced, undoubtedly, because I also spent a substantial part of my campus hours working for The Michigan Daily.

Virginia doesn't know it, but one of her fans in Ann Arbor has sent me a clipping from the Daily in which one of her former associates wrote a glowing send-off to our new women's editor. We'll quote a few paragraphs here with the aim of helping our readers to know Virginia a little better:

"Within three weeks, former Daily Women's Editor Virginia (Deedy) Robertson has bridged the gap between coed and career woman with characteristic ease and efficiency.

"Coeds who worked with Deedy during her three years on the Women's Staff talk of her quiet determination in coping with problems, her inexhaustible ideas and vitality. A night editor recalls an instance when Deedy was night editor: "We had two pages to put out and almost no copy to help. Anyone else would have panicked, declared the job impossible. But Deedy wasn't discouraged. She kept her cheerful smile, sat down at a typewriter and wrote all the stories herself."

"Others remember her as always willing to find time to listen to your side, to work with you, not direct you. "To those who know Deedy only slightly, she appears quiet, shy, maybe indecisive. . . . Closer friends say that she's pretty independent, always has her own definite ideas on a subject. . . . Deedy claims her art of 'waiting before plunging' comes from her home background. She inherits the ability from her civil-engineer-turned-architect dad and lady-lawyer mom. With three younger brothers, she shrugs and laughs, 'you have to be patient.'"

"Deedy traces her flair for journalism back to Birmingham, Mich. junior high days—the Robertson clan has since been to Santa Barbara, Calif.—and 'homeroom teacher who published a gossip newsletter.'"

The article also said something about Virginia "still marveling over her free evenings" in her new job. Something will have to be done about that.

**BIDS WANTED CITY OF PLYMOUTH, MICHIGAN**

At the March 5 meeting, Roberta Wilson, fourth district president; Ethel Gagner, past president; and Cecil Liston, past fourth district president were guests. At this inspection visit, they complimented the local auxiliary on work done the past year. After the regular meeting, past presidents Jane Diekman, Eleanor Gust, Kay Coolman, Virginia Bartel, Gertrude Danol, Marie Norman and Loretta Young were honored at a party. Ethel Gagner, who installed each of our presidents, attended and was asked to present each with a key chain bearing the V.F.W. insignia as a memento from the auxiliary.

Members are asked to pay their 1957 dues immediately.

A rummage sale is coming up in the near future. The Hospital Committee announces that there is still need for magazines, puzzles and cards for hospitalized patients. The local group is going to serve at the annual Bird School Round-up in May. Members are asked to be ready to help if needed.

Community service chairman Adele Stevens announced that they had given records and books to the Gallimore School. There is still need for more. Contact Adele for more information.

The Post is sponsoring a St. Patrick's Day dance March 16 at the hall on Lilley road. Dancing begins at 9:30 p.m.

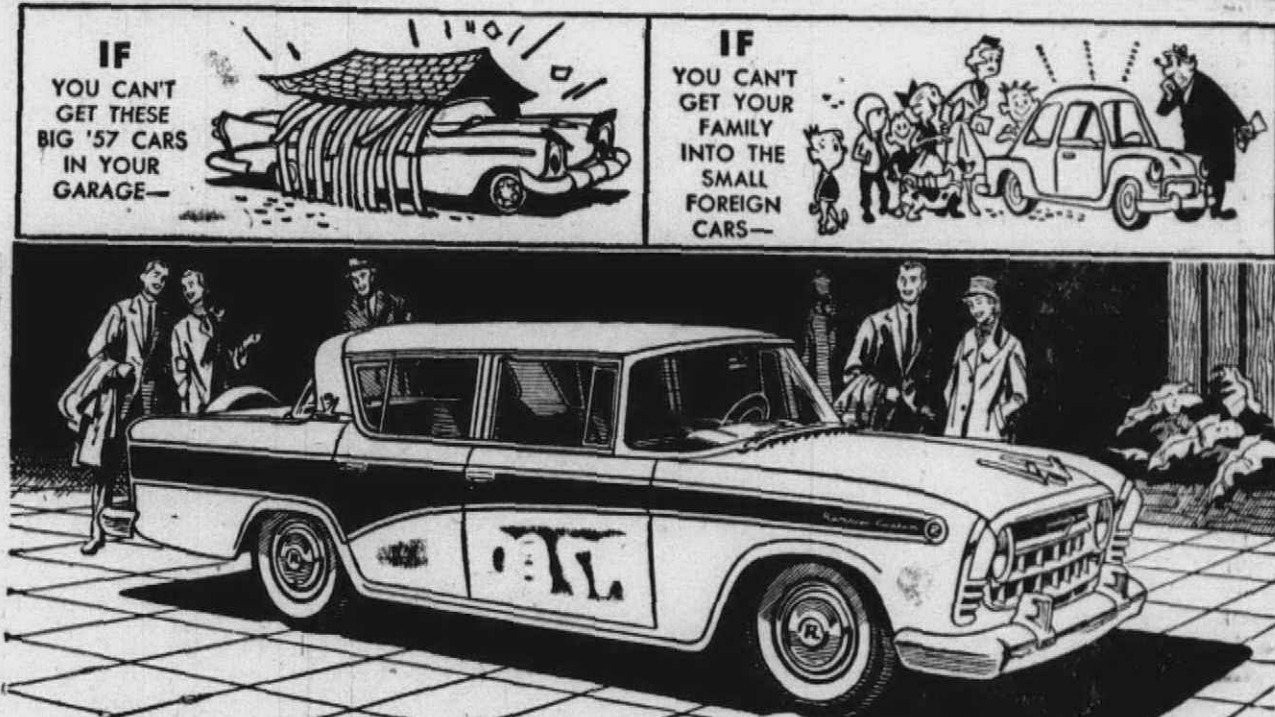

Next meeting will be March 19, with election of officers.

Mrs. Eileen Williams, publicity chairman of Mayflower auxiliary, to Post No. 6635, reports the visit of the National President of the Ladies Auxiliary, Mrs. Beth Kveton of Dallas, Tex.

Coal is now being shipped by barge from Kentucky to Florida, a distance of 1,600 miles.

# Plymouth Wins League Swimming Championship

Team captain Gary Wright (1) is shown here congratulating team mate Jim Archer after they finished first and third in the 150 yd. individual medley in the league swimming meet held here last Friday and Saturday.

## Bill Brandell And Don Carney Establish New Team Records

Last Saturday evening swimming coach John McFall was all wet—but he was enjoying it because it signified that his varsity swimming team had won the all important first Suburban Six swimming championship. Coach McFall had the honor of being the first coach of the first league swimming champions and as it is the custom for the winning team to toss in the victorious coach, in went McFall.

The Rock tankers scored 132 points while winning 8 of the 11 possible first places. Allen Park copped second while taking two of the other three firsts, Trenton finished third, and the league's youngest team, Belleville, finished last. The combined total of the three other teams was only 10 more than the locals scored.

Plymouth captured their first first Friday afternoon in the finals of the 400 yd. freestyle. Bill Brandell outswam his competitors to take the first, as teammates Jim Carney and Henry Mende finished fourth and fifth respectively.

Don Carney, who established a new team record of 24.5 in the preliminaries, squeezed out teammates John Williams and Ed Stretanski in one of the closest 50 yd. freestyle races ever swam in the local pool. Carney's time in the finals was 25.1 while Williams hit the tape at 25.4. Stretanski placed third and Dick Anderson fifth.

A new team record. Gary Wright, swimming as an extra, took a second in the time of 2:11 flat. Henry Mende and Jim Carney finished fourth and fifth respectively.

Jim Archer won the 100 yd. backstroke in the time of 1:05.7 with Bruce Curtiss and John Gregory finishing third and fourth respectively.

Allen Park's captain, Bill Lumsden, paced the 100 yd. freestyle as

MEMBERS OF THE Class A champion Hickory Farms team are shown here after their decisive victory in the Men's League. They are from left to right: Bob Lufts, Ron Layman—coach, Don Huebler—captain, Larry Brennan, Dick Day, and Ken Kisabeth.

## Plymouth Club To Celebrate U of M Birthday

Next Wednesday the University of Michigan Club of Plymouth will celebrate the University's 140th birthday with a potluck dinner at the home of Dr. and Mrs. E. VanOrnum.

Dr. Harold M. Dorr, dean of Statewide Education for the University, will be the speaker and has announced as his subject, "Problems of Higher Education in Michigan." It is expected that his talk will include details on

future plans for the new Flint and Dearborn campuses of the University of Michigan. T. Hawley Tapping, general secretary of the Alumni Association, and Mrs. Tapping, will also represent the Ann Arbor contingent attending this annual event. Michigan songs will be on the program and the celebration will conclude with a business meeting at which the year's events will be reviewed and officers elected for the coming year.

Those members of the club or others interested in knowing more about these recent developments at the U. of M. should call Mrs. Larry Mack, Mrs. George Chute or Mrs. VanOrnum and advise them of expected attendance. One regular and one pasting dish should be brought by each family. The club will furnish coffee, cream, and butter.

## Mail's Team Wins Title

The Plymouth Mail drubbed Davis & Lent 37-16 in a rather disgraceful, rampaging, playoff basketball game. The win gave the Mail hoopsters the Class D championship with an 8-1 record.

The losing Davis & Lent team finished second with an 7-1 record. The two teams were tied up with 7-1 records at the end of the regularly scheduled season.

Davis & Lent was on the big end of a small 5-2 first period score. Halftime had advanced the two to a 9-6 score with Davis & Lent still holding the lead. The Plymouth Mail exhibited their offensive power in the second half as they took control of a 21-14 third quarter score.

The 18 points scored by the Mail quintet in the final quarter ran their second half scoring edge to 24 points. The Mail squad outscored the losers 31-7 in the last half.

Virgil Norgrove spearheaded the winning attack with 12 points. Rex Markham and Gary Wilson added 10 apiece. Jim Preston and Bill Westfall led the losers with 10.

## Plymouth Wins In First Round Of Tournament

The Plymouth varsity cagers are returning to their old form, both as a winning team, and a last second thrill squad. Last Tuesday evening the Rocks opened the first round of the regional tourney with a one point victory over conference champion Wayne. Wayne had a one point lead in the last half minute when Plymouth got possession of the ball and Ken Knipschild tipped in a rebound in the closing seconds to stand the score at 48-47 in favor of the locals.

Wayne called a time out with four seconds left in the game. When play resumed the opponents challenged but their effort was no good and Plymouth was ready for the second round, which match the Rocks up against Jackson.

The game was close all the way with both teams leaving the floor at the end of the first quarter in a 14-14 deadlock. Plymouth took a four point lead at half time and were still leading by two when the third period eclipsed. The Wayne coach played his starting five the whole game with one substitution.

The Rocks made good 36% of their floor shots as did Wayne. The locals tallied for 57% of their free throws to overtake the enemies 33%. Plymouth committed a total of 18 fouls while Wayne made only 13.

Bill Hubert paced the locals attack as he hooped 10 points, Biff Tait and Ken Knipschild added 9 apiece. Barton was high for the losers with 14.

Plymouth will play at Bowen Field House in Ypsilanti tonight. The field house is located on the Eastern Michigan College campus. The game will begin at 8:30 p.m.

## NO IT'S NOT JAYNE MANSFIELD! It's John McFall, coach of the victorious swimming team. Coach McFall was dunked after his tankers had won the first Suburban Six swimming title.

he was clocked at 56.1. Dennis Baker took second, Allen Park's Dave Horn third, and Jack Taylor fourth.

Plymouth's regular 100 yd. orthodox breastroker, Mike Todd, was suffering with a cold and was forced to miss his regular event. Allen Park took first and second with Plymouth's Don Cash taking third.

Locals Art Losse and John Walker put on a fine diving exhibition to capture first and second in their event. Losse compiled 199.7 to Walker's 167.7.

Team captain Gary Wright continued his winning ways with a victory in his 150 yd. individual medley special. John Lytle of Belleville placed second with Jim Archer pulling in a surprisingly fast third. The winning time was 1:40.3, Lytle's 1:42.7, and Archer with 1:43.1.

The Rock's two relay teams racked up easy victories in their 200 yd. sprints. The team of John Gregory, Bob Isbister, Don Carney, and Dennis Baker won the 200 yd. medley relay with ease. Their time was a rather slow 1:54.6. Allen Park took second with a 2:05.7. The 200 yd. freestyle relay team of Ed Stretanski, Dick Anderson, Jack Taylor and John Williams won their event in the time of 1:42.3. Allen Park again took second as they were clocked at 1:51.5.

Besides the eight firsts, the locals made five seconds, four thirds, and four fourths. So the individual stars were backed by a strong bench and in some events almost surpassed.

## Hickory Farms Captures Class "A" League Title

Hickory Farms put on a strong second half scoring spurge last week in their final game against Begingers to wrap up the Class A Men's League championship. The Oldsmen, who lead the league most of the season, trailed by a mere three points at the half time buzzer but were outscored 32-21 in the third and final quarters.

Hickory Farms, whose only loss this season was to the same Beginger team had a 15-1 record. The loss was the second to the Farm team for Beginger who also lost to lowly Northville Recreation for a 14-3 mark.

Ken Kisabeth was high for the winners and the game with 16. Don Huebler contributed 11, and Bob Lufts hit for 10. Jim Bloomhuff led the losers with 13, Mac Pierce had nine. Lou Pateau made eight points on free throw.

Last Thursday evening Begingers played third place Braders in a tight game which the Oldsmen won 65-57. Braders took an early 22-21 first quarter lead but trailed at halftime 35-31. The Beginger team moved out in the third period to take a 56-44 edge which they kept to rack up their fourteenth win of the season.

Bud Nedrey regained his regular scoring form as he hit for a total of 20 points. Jim Bloomhuff scored 14, and Bud Young pumped in 11. Don McMurray was high for the losers and the game with 25. Eddie Hock added 13.

In the only other game last week the last place Daisy squad finished the season in winning fashion as they downed Northville State Hospital 55-51. Daisy jumped to a slim 18-15 first quar-

ter lead, but the visitors took command of a 34-30 halftime score. Daisy doubled the invaders scoring effort in the third period to take hold of a 44-41 score. Max Algood led the winning attack with 21 points, Jack Hille scored 17, while Davis added 14. Hall had 18 for the losers and Ernie Winchester 14.

The win moved Daisy into a two way tie with Northville S. H. for sixth place. Hickory Farms and Begingers securing the one and two slots, with Braders third, Plymouth Independents fourth, and Northville Recreation fifth.

The unofficial scoring honors in the league went to Don McMurray of third place Braders Hickory Farms was second with 299. Ken Kisabeth of 275. Max Algood of Daisy was third with 258. Bud Nedrey of Begingers was fourth with 252, and Ernie Winchester of N. S. H. fifth at 218.

Sixth place was captured by Jim Bloomhuff of Begingers who scored 210. Lyle Jensen of Northville Recreation scored 185 points for seventh place. Ron Davis scored 157 points to cop eighth, Don Huebler took ninth with 149, and Bob Lufts tallied for 132 to take tenth.

## Essay Winners in The Mail's 'Local Problems' Contest

THESE ARE THE TWO winning essays in The Mail's "Local Problems" contest for youngsters in Grades 5 and 6. Later issues will contain essays for grades 7-9 and 10-12. Their subjects were selected from a list of what adults in the community believe are the most urgent problems.

(First Prize)

### SEWERS IN PLYMOUTH

As long as there is building and development in any area sewers will never catch up with building. Plymouth today has solved its sanitary sewer problem as well as the average community in this area.

About two-thirds of the city of Plymouth is already being serviced by sewers. The town sanitation Dept. started to finish the sewer line in the city in September of this year. To complete this city sewer project will cost about \$600,000. The people who use it will be assessed for it to cover its cost.

In the township they are having some trouble because the 11 1/2 miles of sewer line needed will cost about \$750,000, and there are only 524 homes on the line at this time to pay for it. Also the township believes that if they have a water supply with the sewer there will be more growth in the township. They figure that in 10 yrs. there will be 2400 homes on the line. The proposed sewer line runs only to Sheldon Rd. They hope to extend it farther west later. The water supply has not been found yet, although they have dug about 20 test wells. The county will be able to supply Plymouth with water if it has not found its own source in 1960.

It is a known fact that septic tanks and private wells are not very satisfactory in a populated area, both from the home owners view and a healthy community standpoint. I believe that the completion of the sanitary sewers and a community water supply should receive the foremost consideration and cooperation of town, township and county to give this area a means of growth. We need sewers and water to get more and better business plants, homes and schools.

I think that to solve this problem it should be introduced to the people to make them aware that it is a real problem and advise them of the costs and the affect on their taxes.

You will find attached a sketch of the sewers as they are now planned, through the courtesy of Mr. Hamill, Civil Engineer. This essay is based on a personal interview with Mr. Hamill.

### THE NEED FOR A COMMUNITY HOSPITAL

What is needed to make a well rounded community? We at once think of good schools, good churches and many other things. One of the most important is a community hospital. This is something Plymouth lacks.

Our city is growing rapidly and would attract more people and industries if we had the right health facilities, for prompt action in the case of accidents. How long can we depend upon neighboring cities to supply these?

We want our health standards to be high. A hospital, run by the community and recognized by the American Hospital Assoc. would help accomplish this. It would also be a good training center and would attract doctors and nurses to our town to help the good work of those we already have. It would give opportunity for volunteer work by local groups. This would teach our citizens to help prevent disease and accidents.

There must be many lives that could have been saved had we had a hospital in our city. It is many miles to the nearest hospital at present, which takes up valuable time each day for our doctors to travel to see their patients.

It is up to us, the citizens of Plymouth, to realize our need and take steps to remedy it. Let us make our community whole.

## Committee Urges New Bond Issue Of \$3,000,000

A committee of the School Community Planning Group has recommended a \$3,000,000 bond issue to continue the school system's building program, and in detail has listed what is needed to convert the present junior high for senior high use.

John Rudloff of the Secondary School Facility committee read the report to the School Community Planning Group at their March 6 meeting in Gallimore Elementary school. It recommended that the bond issue money be used to purchase land for and construct a multiple purpose room at Starkweather school; complete the swimming pool and a 500-seat auditorium at the new junior high; plan and construct another junior high to be completed by September 1960; and purchase a site for an anticipated second high school.

The recommendation was discussed and a motion was approved to present them to the school board for consideration.

In other business before the group, reports were heard from a number of committees, including the School Personnel Policies Committee headed by Willis McCabe. In their study of finding a way to "rate" teachers for salary purposes, McCabe said that both the State Board of Education and Michigan State resources have pointed out that principals should never be put in the position of rating teachers. "The school systems that seem to have the most stability are those that possess a high morale factor in the staff, rather than a high salary rate alone," McCabe quoted the authorities as saying.

There were 30 guests from Oak Park at the meeting to observe the group. Included was Superintendent James Pepper of Oak Park.

**For Extra Food Value**  
Now, as always, potatoes are a bargain in food value. Fall potatoes store well, but keep them in a place that is dark, dry and cool but not cold.

The hourglass, using sand, was a popular timepiece in Egypt centuries before the Christian era.

### Foundation

(Continued from Page 1)  
lem of making costly repairs to the original building.

Among those who happily received the news about the gift was Mrs. Agnes Pauline, head librarian. "We are eagerly looking forward to being in the new building," she declared. "It seems too good to be true."

"With additional space we will be able to accommodate more readers, more books, educational and civic groups, and increase our services in so many ways. We are deeply grateful for the generosity which has made these goals more fully attainable than ever in the past."

Walter H. Kaiser, Wayne county librarian, commented that "such a public spirited gift is always a signal event of great importance to a community. In Plymouth it is particularly cheering because of the responsiveness to the needs of the library by public officials and the intensive use of the facilities already provided have been most heartening."

"This gift," Kaiser continued, "will assure a high quality of library service in an area where such quality has long been appreciated by the library's thousands of patrons."

### Local Library

(Continued from Page 1)  
City commissioners also learned that the old building was badly in need of some costly repairs.

Last May, Byron Becker of Plymouth, partner in the Detroit firm of Wheeler & Becker, Architects, appeared before the city commission with two preliminary drawings—one a contemporary design and the other of colonial design.

The contemporary design, Becker estimated, would cost about \$65,000, while the colonial design could cost upwards of \$100,000. With the library being but one of many of the city's pressing financial needs, hopes of completing the second unit seemed remote unless a bond issue was undertaken.

Then came the letter from the Edward C. Hough and Mary Hough Kimble Foundation offering to finance the project. It is another new chapter in the 34-year history of Plymouth's library.

### Careless Burning

(Continued from Page 1)  
had two grass fires Saturday, one Sunday and one Tuesday.

If one wants to figure the expense of the weekend's alarms, Fire Chief Robert McAllister of the city said that his volunteers cost about \$54 per fire, plus another \$45 to \$50 for other expenses.

Township Chief Howard Holmes and Chief McAllister both gave warnings today to residents concerning the burning of rubbish. Use of a close-mesh container situated in a plowed area is recommended. It is also pointed out that wind usually dies down in the evening, making it more desirable for burning.

### Community Fund Seeks Budgets of Recipients

Organizations wishing to receive money from the Plymouth Community Fund this year are being urged to submit their budget requirements to the budget committee chairman, John Gaffield, at 600 West Ann Arbor Trail, no later than April 8.

The Community Fund board met Tuesday night at which Gaffield was named the new chairman of the budget committee. Others are Thomas Rossetti, Mrs. Jean Rice and Ralph Carter.

## Chamber Speaker Reviews Budget

Before an audience of 100 Chamber of Commerce members and their wives, Professor Richard A. Musgrave of the University of Michigan economics department spoke on the "Federal Budget Outlook."

The occasion was the Chamber of Commerce membership dinner, held at 7 p.m. Monday at Hillside Inn.

Prof. Musgrave indicated that we can expect a large Federal budget as long as the national defense problem continues. He said that the Russian economy is expanding, as they spend more and more on defense. We will have to match their expenditures, he said. Prof. Musgrave felt, however, that we would be able to handle a larger federal budget in view of our expanding economy.

Toastmaster for the dinner was J. H. Wilcox, manager of the local Chamber of Commerce. Frank Allison, the president, introduced several newcomers into the business community.

Prof. Musgrave obtained his undergraduate training at Heidelberg university in Germany and his Ph.D. degree at Harvard university. He also worked for the Federal Reserve and for the United States Government, as well as lecturing for Columbia and Swarthmore universities.

### A Matter Of Perspective

A Kansas editor insists women have two main aims in choosing clothes: 1. To make them look slimmer. 2. To make men look round.

## Metorologist Accepts Offer For New Job

Ernest B. Williams, chief meteorologist at Willow Run Airport and the man behind the weekend weather forecast appearing regularly in The Mail, has a new job assignment at Benton Harbor, Mich.

He will be working as consultant for the Berrien County Fruit Growers' Association until October, when he will be the airways forecaster at Wayne Major Airport.

At his present job, his office provides airways weather reports, briefing private and commercial plane pilots on weather conditions. He also provided a general service with daily forecasts and record-keeping of local weather.

Williams hopes to return weekends to his family, who will remain at their home at 11919 Anhurst court in Plymouth township. Included in the family are daughters Sally, 17 and a senior at Plymouth high school; Betsy, 8, who attends Gallimore school; and Gwen, two and a half; and a niece, Martha Shoemaker, 16.

Succeeding Williams at the Airport will be George Borders of the Detroit office.

### Runner-Ugghp

The little boy told his mother, after a school contest: "I didn't win a prize, but I received horrible mention."

## School Board Studies Finances

School board members devoted much of Monday night's meeting discussing the 1957-58 budget which it must adopt within the next month.

With the additional cost of two new schools, the need for more employees, and a proposal to increase salaries, consideration must be given to a higher operating budget.

The teaching staff has asked for an across-the-board increase of \$400 a year. Administrative, clerical and custodial personnel are also being considered for wage hikes. Representatives of the faculty will meet with the board at a special meeting next Monday night.

In order not to raise the present school tax rate, the board is studying a proposal to reduce the debt retirement levies and to an equal millage for operating expenses. Any such move must first be approved by the voters.

What's More Important?

than your Child's Feet

Did you know that one-fourth of the bones in the body are in the feet and that it takes 10 years for the general structure of the foot to be completed and certain details are not perfected until after the 20th year of life?

In an average lifetime your child will take over 133 million steps on hard floors and cement surfaces. Children's shoes take more punishment than any other part of a child's wardrobe. The constant running, playing, kicking and just wearing the shoes day in and day out cause ordinary shoes to break down and run over.

We feel you will agree with us that it is very important to make children's shoes with the finest material, with the strongest construction and with features which hold the shoes in shape, keep them from running over, and give extra wear which means you really save when you buy good children's shoes.

### SURVEYS SHOW DANGERS OF FOOT NEGLECT

Medical surveys show that 65 per cent of boys and 80 per cent of girls of school age have foot disorders, which if neglected may prove disabling in later life. The most common causes of foot defects among children are:

- SHORT, NARROW SHOES
- IMPROPER STYLE OF SHOES
- SHOES THAT ARE TOO STIFF
- RUNOVER HEELS AND BROKEN DOWN COUNTERS
- SHORT STOCKINGS THAT CROWD THE TOES

### CHANGE SHOES AS FEET GROW

Have you any idea how rapidly a child's feet grow? Just look at this Chart, prepared by the National Association of Chiropractors, Washington, D.C.:

2 to 6 years	4 to 8 weeks
6 to 10 years	8 to 12 weeks
10 to 12 years	12 to 16 weeks
12 to 15 years	16 to 20 weeks
15 years and over	6 months to 20 years

## Jerry McSafety Returns To Give Traffic Talks To School Children

"Stay on the safe side" Your Friends Jerry McSafety

Once again popular Jerry McSafety is back in town with his master, Wayne Fernelius, to entertain and instruct the children of Plymouth schools. The little policeman-ventriloquist is presented by Paul J. Wiedman, Inc., Plymouth, Mich. Jerry McSafety's illustrated lectures are practically a command performance with youngsters. He demonstrates with songs, stories and fascinating charts and practical, common-sense safety rules for children of every age... and leaves a lasting impression in the minds of his youthful audiences.

Jerry McSafety and Wayne Fernelius have appeared at school, lodges, churches and many other groups to dramatize the need for careful observance on approved safety rules.

(Fernelius and his wooden but quickwitted brain child, complete with regulation police uniform, will be in Plymouth, March 18th at Starkweather and Bird Schools, and March 19th at Smith and Allen Schools. The admission will be free.)

OFFICIAL PROCEEDINGS TOWNSHIP OF PLYMOUTH BOARD  
Wednesday, March 6, 1957

A regular meeting of the Township Board was held at the Township Hall, Wednesday, March 6, 1957 at 8:00 p.m. Present: Supervisor Lindsay, Board members Holmes, Broome, Hamill, and Norman.

The minutes of the regular meeting of February 6, 1957 and special meetings of February 13 and 20, 1957 were read by the Clerk, approved, and accepted.

Moved by Mr. Hamill and supported by Mr. Norman that the Treasurer be authorized to pay the bills as presented by Supervisor Lindsay. Carried unanimously.

Moved by Mrs. Broome and supported by Mr. Hamill to transfer \$465.00 to the Water and Sewer Authority fund to pay well driller, Kenneth Harrison. Carried unanimously.

A communication from the Burwood Corporation concerning the Fire Department's speedy response to a recent alarm was read by Supervisor Lindsay.

A communication from Mayor Hubbard regarding annexation to the City of Dearborn was read and placed on a file. Also presented was a copy of a letter written to Mayor Hubbard by the Township of Dearborn.

An invitation to the Board from the Plymouth Community School District to attend the dedication of the James Gallimore Elementary School on March 10th was read by the Supervisor.

The Fred E. Greenspan Building Co. had submitted for the Board's approval a contract with the Chicago Bridge and Iron Co. to build their spheroid water tower at Lake Pointe Village Subdivision. Moved by Mrs. Holmes and supported by Mr. Norman that the Board ratify the contract. Carried unanimously.

Supervisor Lindsay informed the audience that the proposal on hunting must be an act of the legislature before being placed on the ballot. Mr. Lindsay read the bill which had been filed by Representative Sterling Eaton on February 28, 1957.

The statement from the Wayne County Public Library was read, showing the cost to the Township for the year 1957 to be \$9,145.24.

Mr. Lindsay stated that the test well being drilled on the park property near the intersection of Northville Rd. and Edward N. Hines Dr. looked favorable.

Moved by Mr. Norman and supported by Mrs. Holmes to secure bids for a 12" well. Carried unanimously.

Since the option on the well at McChampha Rd. had expired, Mrs. Holmes made a motion, supported by Mrs. Broome, to renew the option for six months. Carried unanimously.

The proposed Fire Prevention Code was discussed and an amendment to the code read by the Supervisor. Moved by Mr. Hamill and supported by Mrs. Holmes that the code be referred to the Fire Department for further study. Carried unanimously.

Mr. Claude Eckles, 41006 Schoolcraft Rd., was present to inquire about the excavating taking place at the Settlement Day would be Tuesday, March 19th and that the Annual Meeting would be held Saturday, March 30th at 1:00 p.m.

Moved by Mr. Hamill and supported by Mrs. Holmes that the meeting be adjourned at 9:25 p.m. Carried unanimously.

Roy R. Lindsay, Supervisor Rosalind Broome, Clerk

# Legion Combines Membership Campaign with 38th Birthday

Passage-Gayde Post No. 391, The American Legion, along with thousands of Posts throughout the United States will observe the 38th Anniversary of the founding of the American Legion. The official dates of observance are March 15, 16 and 17.

The local post will serve an Irish Stew supper at the Hough Memorial Home on Saturday evening, March 16 from 5:30 to 7:30 p.m. and a program of presentations and movies will follow for those wishing to remain and attend. Tickets for the supper will be available at the door and from any Legion member. The public is invited to participate.

During the week of March 18, Membership Chairman Laverne "Buck" Rutenbar will have teams of local Legionnaires conduct a door-to-door campaign inviting eligible veterans to consider membership in the American Legion.

Ernest Koi, Commander of the local Post, states that there are three classes of veterans, who at one time or another are concerned with present veterans benefits and legislation:

(1) The majority, who are not using any benefits today and may not know what protection they now have; (2) veterans with service-connected disabilities; and (3) veterans who have met with ill-health and financial adversity and are now using the protection against such adversity that the present veterans laws provide.

He states that "the nation's veterans program is sound, sane, well regulated, moderate and stands up well under honest study. There are no give-aways or handouts in it, the American Legion has always insisted, and the Congress has agreed, that each benefit should make sense and serve a clearly recognized purpose."

Commander Koi further points out that "the American Legion, composed of 2,800,000 World War I, World War II and Korean War veterans, and the Auxiliary with its some 1,000,000 members make up the most solidly organized veterans representative in the country for some 22,000,000 veterans. Most Legionnaires believe

in the decency of the present veterans program, don't get benefits themselves. How about the millions of veterans who don't belong to the American Legion, or any other veterans organization? All of them stand to lose rights that some of them may desperately need in the future. Many of them include men and women who are now drawing benefits."

## American Legion News

The American Legion birthday party and Irish stew supper will be Saturday, March 16, with dinner served from 5:30 to 7:30 p.m. Tickets will be a dollar for adults and 50 cents for children. A door prize and five and ten year pins will be presented.

The auxiliary business meeting will be at 8 p.m. tonight at the Veterans Community Center.

Next meeting of the juniors will be at 3:30 p.m. Wednesday, March 20, in the sun-room of the Veterans Community Center.

A card party will be held March 30 at the Veterans Community Center. Guests are to be invited.

Melva Gardner, president, is in Rm. 4014 St. Joseph Mercy Hospital in Ann Arbor and will be there another week or so. Either Wilson's father, John Veresh, is in Harper hospital, doing very nicely. Cards would be appreciated.

The zone oratorical contest was held in Northville, March 2 at 1 p.m. at the Lloyd H. Green post home, instead of as previously announced. The state oratorical contest will be at 8 p.m. tomorrow at Charles McKenny hall, Eastern Michigan college, Ypsilanti. Calvin Mortenson, 16, senior at Pontiac high school, was first, and from the 18th district, Judy Borkins of Lansing was second, and Arthur Voisin was third. Calvin Mortenson will participate in the state contest.

Next birthday party will be March 21 at Camp Custer and the American Legion hospital. The 16th, 17th and 18th districts of the legion auxiliary will act as hostesses. Ice cream and cake will be served to about 180 patients.

Enrollment of 850,000 American Legion auxiliary members for 1957 has been reported to the national headquarters up to Feb. 15, according to Mrs. Gwen Holcombe, local membership chairman.

Total enrollment is expected to exceed 1,000,000. The local auxiliary unit has reached its membership quota and is continuing to accept enrollment for the current year.

### Local Girl at MSU Elected Dormitory Representative

Joanne Pankow, daughter of Mr. and Mrs. Clarence Pankow of Irvin street, was recently elected representative of Phillips dormitory to the Associated Women Students' U.S. judiciary legislative board at Michigan State University.

One girl is elected from each dormitory to serve on this board, which hears and judges all disciplinary cases of coeds, has jurisdiction over house rules and interpret revisions in AWS rules.

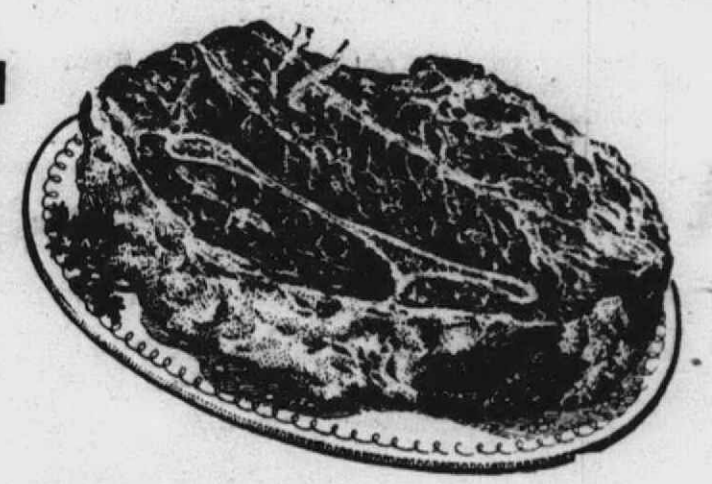

### Husbands to Be Honored At Vivians Club Meeting

Vivians club, Elks No. 1780, will present their annual Husbands' Night at 8 p.m. tonight at the Elks Temple. The drama club will present their second play for the group, "Just Imagine." Guests are welcome.

## BOOK REVIEW

By R. Roy Pursell

### KEEPING UP WITH THE TIMES

With the many questions that have been asked about "Why Johnny Can't Read," "Why Johnny Can't Add" and "Why Teacher Can't Teach" parents are doing more and more home-work about the educational process.

"The Turning of the Tides is a basic book written by Congressman Paul Shafer and John H. Snow. It is fully documented on the way various 'isms' have become part of the school program — especially that part that is being questioned in light of new studies on Collectivism, Individualism, and Conservatism.

"The Turning of the Tides" is a 185-page book that every parent or friend of education should read. It is priced at \$2.

See our many books on education, religion and subversion in churches, school and government. "To be fore-warned — is to be fore-armed."

**Ladies Mission Society To Convene Next Tuesday**

The ladies mission society of St. Peter's Lutheran church will meet at 7:30 p.m. Tuesday at the home of Mrs. Edgar Hoenecke. Members are asked to bring their own dishes.

**Official Proceedings Plymouth City Commission**

Monday, February 18, 1957

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, February 18, 1957 at 7:30 p.m.  
PRESENT: Comms: Cutler, Guenther, Henry, Roberts, Terry and Mayor Daane.  
ABSENT: Comm. Sincock.  
Due to a death in his family, Comm. Sincock's absence was excused.  
Moved by Comm. Guenther and supported by Comm. Roberts that the minutes of the regular meeting of February 4, 1957 be approved as written. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Henry that the bills in the amount of \$109,281.06 be allowed and warrants drawn, subject to the completion of the audit by the auditing committee. Carried unanimously.

The Clerk presented the following reports for the month of January: Building & Safety, Municipal Court, Cash Receipts and Disbursements, D.P.W., Engineering and Planning, Fire, Health, Police and Treasurer. The reports were ordered accepted and placed on file.

The Mayor opened the hearing on the Harding (Pine) Street water main project.  
Mrs. Finnegan and Mr. & Mrs. Valovase were present and raised no valid objections.  
Mayor Daane declared the hearing closed.

The following resolution was offered by Comm. Cutler and supported by Comm. Terry:

WHEREAS, the City Manager, as heretofore directed, has presented his report to this commission, dated February 15, 1957, relative to a proposed local or public improvement described as:

Harding (Pine) Street Water Main—Project No. 115C-2-2  
WHEREAS, this Commission has reviewed said report.

NOW THEREFORE BE IT RESOLVED that the City Manager's report be accepted, and

BE IT FURTHER RESOLVED, that the City Commission of the City of Plymouth, Michigan does hereby find and determine that the above described improvement is necessary and that said improvement is a benefit to the property affected and also is a general public improvement.

BE IT FURTHER RESOLVED that all of the cost of the said improvement shall be paid from the water department improvement fund, which fund shall be reimbursed from time to time by monies to be received from benefit collections for water main, as provided under Ordinance No. 214, the water main improvement ordinance.

BE IT FURTHER RESOLVED that the water main improvement benefits be determined specifically to be charged against Lots 9, 10, 11, 12 and 13 of the Michigan Subdivision, provided that collection of benefit charges shall be deferred until application for service is received.

BE IT FURTHER RESOLVED that the benefits of said improvement be measured on the basis of front foot of lot width and benefit charges made in accordance with Ordinance No. 214, the Water Main Improvement Ordinance, as amended from time to time.

BE IT FURTHER RESOLVED that the City Manager be authorized to advertise for bids for construction of said project forthwith. Carried unanimously.

The following resolution was offered by Comm. Cutler and supported by Comm. Terry:

WHEREAS, the City Manager, as heretofore directed, has presented his report to this Commission, dated December 20, 1956, as revised February 15, 1957, relative to a proposed local or public improvement described as:

Harding (Pine) Street Water Main—Project No. 50-2-132, and  
WHEREAS, this Commission has reviewed said report.

NOW THEREFORE BE IT RESOLVED that the City Manager's report be accepted.

BE IT FURTHER RESOLVED, that the City Commission of the City of Plymouth, Michigan, does hereby find and determine that the above described improvement is necessary and that said improvement is local and of benefit to the property affected thereby and also is a general public improvement, and

BE IT FURTHER RESOLVED that \$500.00 of the cost of said improvement shall be paid by special assessment upon the property benefited thereby and that \$385.00 of the cost shall be paid by the city at large from the Water Improvement Fund.

BE IT FURTHER RESOLVED that the limits of the special assessment district within which property is

deemed and hereby determined to be specially benefited are as follows: Lots 20, 21, 22, 23 and 24, Maplecroft Subdivision and also Outlots A and B, owned by the City of Plymouth.

BE IT FURTHER RESOLVED that benefits of said improvement be measured and assessed upon the property benefited, at the rate of \$3.00 per foot frontage upon the property fronting or abutting upon the improvement.

BE IT FURTHER RESOLVED that said report of the City Manager and this resolution shall be placed on file forthwith in the office of the Clerk for public examination and shall remain on file therein for at least seven days before any hearing upon said public improvement.

BE IT FURTHER RESOLVED that this Commission find a public hearing upon said public improvement and the necessity thereof on March 4, 1957 at 7:30 o'clock, P.M. in the Commission Chambers at the City Hall and that notice of the time and place of such hearing and the purpose thereof shall be published by the Clerk in the Plymouth Mail and shall be posted upon three or more of the official public bulletin boards of the city not less than ten days prior to said date of hearing. Carried unanimously.

The Clerk presented a communication from the First of Michigan Corporation offering to sell \$7,000 water improvement bonds, dated 1976, at a price of 97, or a total cost of \$6,690.00, plus accrued interest to date of delivery.

Moved by Comm. Terry and supported by Comm. Guenther that the City Commission purchase the \$7,000 Water Revenue bonds, due July 1, 1976, at a cost of \$6,690.00, and that the money be transferred from the Mayor's Fund to the Bond Redemption Fund to cover the cost of the bonds. Carried unanimously.

The Clerk presented a communication from the Plymouth Community School District expressing its appreciation for the good service and cooperation given it by the city. The communication was ordered accepted and placed on file.

The Clerk presented a communication from the Plymouth Cab Company requesting permission to increase the rates. The Mayor appointed a committee consisting of Comms. Cutler, Henry, and Terry to study the situation and report back at the meeting of March 4, 1957.

The City Manager presented a request from the Michigan Bell Telephone Company for the city to sign a joint easement with the Cassadys for an underground cable along Sheldon Road. The matter was referred to the City Manager, City Engineer and City Attorney for study and recommendation.

The City Manager presented a communication from the Wayne County Health Department relative to the activities of the engineering and sanitation division. The communication was ordered accepted and placed on file.

The Clerk presented a communication from the Plymouth Association of Insurance Agents relative to the type of service it performs. The communication was ordered accepted and placed on file.

The City Manager reported relative to widening and deepening of the Byron Street creek from Harvey Street to Tonquish Creek recommending that the work be done at a cost of approximately \$150 be charged to the Southwest Area Storm sewer project and the sanitary sewer project.

Moved by Comm. Henry and supported by Comm. Cutler that the City Manager be authorized to widen and deepen the Byron Street Creek, as per his recommendation, and that he be authorized to advertise for bids or quotations for the work. Carried unanimously.

The City Manager reported relative to the future replacement of water gates and installation of water gates as they are needed. The commission agreed that the work should and must be done as the emergency arises, and the cost charged to the

water department.  
The City Manager presented a progress report relative to costs of installation of flasher and gate protection for the Starkweather and Mill Street railroad crossings.

The matter of the petition presented by the Birch Estates Subdivision relative to truck traffic and parking was put on the table. Mr. McWilliams reported that the matter of parking was somewhat improved, but that trucks were still using the streets. He was informed that alleviation of truck traffic would be further stressed.

The City Manager reported relative to the charge proposed to be billed by the City for sanitary land fill service to Salem Township, in accordance with contract provisions concerning permits issued to Salem Township users in excess of 500 in number.

The City Manager reported that Cameron Lodge, Sr., building and electrical inspector of Novi Township, has offered reciprocal services to the City of Plymouth as building and electrical inspector during the absence of our inspector Thompson.

The Clerk read a proposed ordinance to amend Ordinance No. 182, the Zoning Ordinance, requesting a change from R-2 (Two family residential) to PR-1 (Professional Residential) along W. Ann Arbor Trail from Hamilton Street east to approximately the C & O Railroad Company right-of-way, by title only.

Moved by Comm. Cutler and supported by Comm. Terry that the proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, be passed its second reading, by title only. Carried unanimously.

Moved by Comm. Cutler and supported by Comm. Terry that Ordinance No. 215, an ordinance to amend Ordinance No. 182, Zoning Ordinance, be passed its third and final reading, by title only, and become operative and effective on the 11th day of March, 1957. Carried unanimously.

The Clerk read an ordinance to amend Ordinance No. 141, Water Ordinance, by title only.

Moved by Comm. Terry and supported by Comm. Henry that the proposed amendment to Ordinance No. 141, Water Ordinance, be passed its second reading, by title only. Carried unanimously.

Moved by Comm. Guenther and supported by Comm. Roberts that Ordinance No. 216, an ordinance to amend Ordinance No. 141, Water Ordinance, be passed its third and final reading, by title only, and become operative and effective on the 11th day of March, 1957. Carried unanimously.

The following resolution was offered by Comm. Roberts and supported by Comm. Guenther:

RESOLVED, that Special Assessment Roll numbered and covering the described improvements follows: Special Assessment District Roll No. 214.

Improvement  
McKinley (Lincoln) Avenue curb, gutter and pavement, between Sutherland Ave. and easement south of Linden (Brush) Street

and the same is hereby accepted and it is ordered that said roll be filed in the office of the Clerk for public examination.

RESOLVED FURTHER that the Commission will meet to review such special assessment roll at the Commission Chambers, City Hall, Plymouth, Michigan, on Monday, March 4, 1957 at 7:30 p.m., and the Clerk is directed to publish notice of said hearing by publication at least 10 days prior to the holding of the hearing in the Plymouth Mail and by posting upon three or more of the official public bulletin boards of the city. Carried unanimously.

Moved by Comm. Roberts and supported by Comm. Terry that the City Manager be authorized to advertise for bids for the paving of the east side of McKinley (Lincoln) Street next to the Parklane Subdivision. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Cutler that the meeting be adjourned. Carried unanimously.

Time of adjournment was 9:04 p.m.

**BIDS WANTED**

**CITY OF PLYMOUTH, MICH.**

The City of Plymouth, Michigan will receive bids for the construction and completion of an addition to the Public Library Building located at 223 South Main Street, Plymouth, Michigan.

Sealed proposals will be received at the Office of the City Clerk, City Hall, Plymouth, Michigan until 7:30 P.M. Eastern Standard Time on March 28, 1957, at which time the City Clerk will publicly open and read aloud the bids received.

Separate proposals will be received as follows:

- Proposal No. 1 Architectural Trades
- Proposal No. 2 Mechanical Trades
- Proposal No. 3 Electrical Work

Bidders will be required to furnish satisfactory performance bond in the amount of 100% of the contract and a satisfactory labor and material bond in the amount of 100% of the contract, the cost of which shall be paid for by the bidders.

Plans and specifications may be obtained on and after March 14, 1957 at the office of the Architect, Wheeler and Becker, 1210 David Stott Building, Detroit 26, Michigan. A certified check drawn to the order of the Architect in the amount of \$25.00 shall be deposited with the Architect for each set of plans and specifications taken from the office of the Architect. The deposit will be refunded when the plans and specification are returned to the office of the Architect within 5 days after the bid date, without mutilating marks.

All proposals shall remain firm for a period of 30 days after the opening of the bids. All bids are to be accompanied by a certified check, or a bid bond, made out to the City of Plymouth for 5% of the amount of the total proposal submitted.

In the event the successful bidder fails to enter into a contract with the City of Plymouth within 30 days after the opening of bids, the bid bond shall be forfeited to the City of Plymouth.

The City of Plymouth reserves the right to reject any or all bids in whole or in part and to waive any informalities therein.

# Luxury Family Room Feature of 'Mayflower'

FROM THE LIVING ROOM, one can see the dining area and stairway which leads to the bedrooms in the tri-level model.

## Design Is Split Level

"The Mayflower", one of the three Lake Pointe Village furnished models on Shadywood Drive, is a new and interesting split level, "side-to-side" floor plan.

Its low and handsome architectural lines bely the fact that within there are over 1,829 square feet of delightful living space. The upper level of The Mayflower has three bedrooms, master bath and connecting hallway. Down a few steps to the main level are the spacious living-dining areas and large kitchen with dining space.

A rear entrance leading to the kitchen and dining area is also convenient to the short flight of stairs leading down to the lower level. Here, a large family room measuring 14' 8" by 22' 2" has a contemporary brick fireplace with raised hearth as warm focal point of this all-activities room. Adjoining is a bathroom and large, bright utility room.

The Mayflower has been decorated and furnished in Early American theme with tones of brown, turquoise and beige, selected by Miss Elsie Gedrich, decorator. A wool tweed carpeting has been used throughout living-dining areas, on the stairway and hallway of upper level for unity.

Harvest tan walls in the living-dining rooms are gentle background for upholstered chairs and sofa in tones of Turquoise. A maple hutch cupboard and Early American Maple tables in a light, warm tone add to the welcoming atmosphere. Sheer beige cafe curtains in geometric print on gleaming brass poles and rings blend with the quiet color scheme.

The Hotpoint-equipped kitchen of The Mayflower model features built-in Hotpoint range and oven for ease and efficiency in cooking. Knotty Pine kitchen cabinets and turquoise blue walls, and white eyelet-embroidered organdy curtains are background for a round Pine dining table with polished black Hitchcock chairs and black Lazy Susan on the table.

The family room with its rich mahogany panelled wall and turquoise painted walls, has horizontally-striped deeper turquoise short traverse draperies. A sofa, coffee table, card table and chairs are all in honey-toned rattan with deep-blue-green upholstery on sofa and easy chairs. A brown and tan corkstone tile floor in this room provides an excellent basis for plenty of usage and easy upkeep.

The Mayflower is priced at \$21,990 including 60 foot lot, water and sewer system, paved streets and walks.

## 'Newport' Displays Colonial Exterior

The Newport model is a three-bedroom, white brick ranch home in Colonial style with black shutters and large covered entrance porch. This, as well as the Mayflower and Kensington models, may be selected in a wide choice of attractive exterior elevations.

The Newport's center-entrance floor plan affords traffic access to three bedrooms, baths and kitchen without the necessity of going through the living room or dining area. A sliding glass wall at the rear of the large living-dining area

leads to a future terrace. This home has a full basement with ample space for future recreation room.

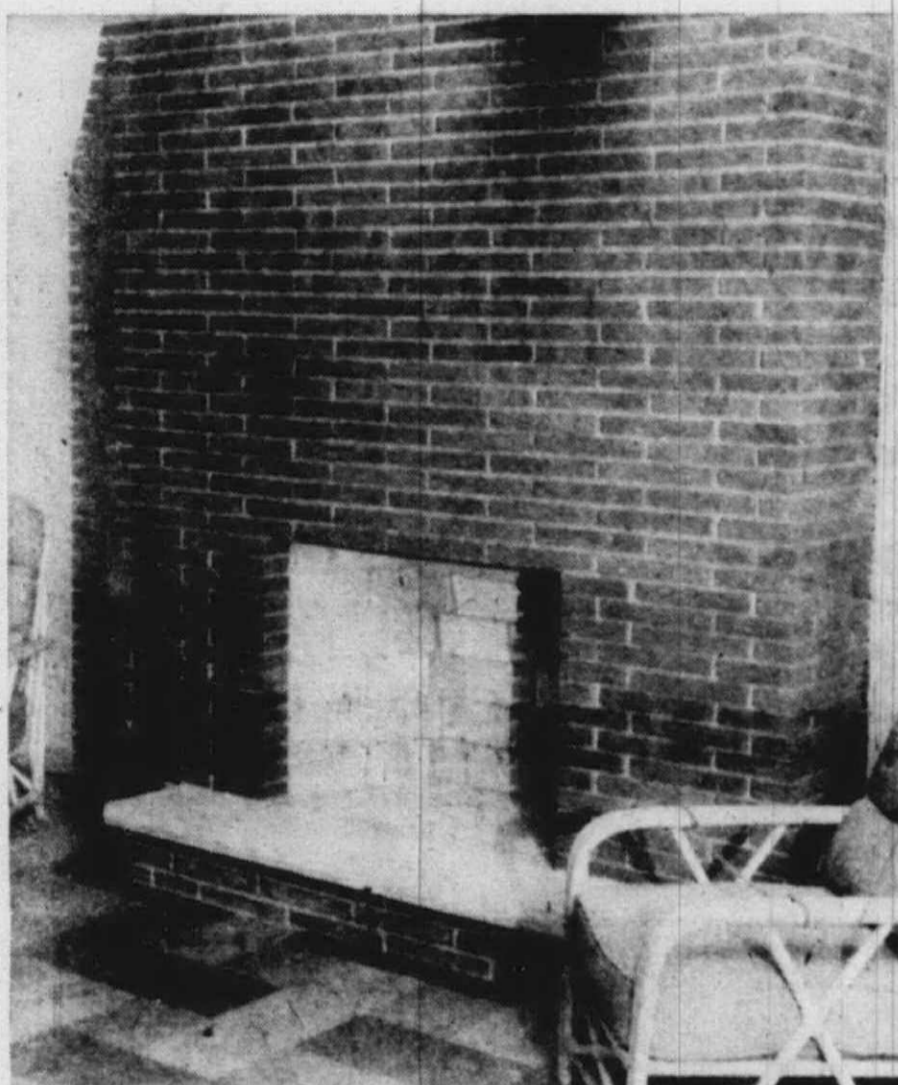

The Newport's wonderful kitchen has natural Birch cabinets, a "walk-in" storage pantry with peg-board wall for convenient storing, garbage disposer, Formica counter tops, built-in bread box, vegetable spray. There is dining space in this large kitchen. Hotpoint built-in oven and range are included in the Newport's price of \$19,950 including lot, water, storm and sanitary sewers, paved streets, and walks.

FRED E. GREENSPAN opens the door to one of his furnished models to Chamber of Commerce Manager J. H. Wilcox.

DECORATED IN Early American, the Mayflower model's living room, as well as other parts of the interior, were decorated by Miss Elsie Gedrich.

A FIREPLACE in the family room of the Mayflower model is one of the many pleasing features built into the Greenspan Building company plan.

THE NEWPORT model features a sliding glass wall at the rear of a large living-dining area leading to a

future terrace. Built-in oven and range is included.

# 1200 Modern Homes Rise in New 'Village'

## Lake Pointe to Open Swank Model on Friday

An entirely new area for fine residential living opens tomorrow in Plymouth Township as the Fred E. Greenspan Building Company introduces their Lake Pointe Village subdivision.

This new, ideally located community, featuring three unusual and original model home designs, will encompass three hundred acres of scenic property, bounded by Wilcox Road, Five Mile Road and Northville Road. The first section for development is bounded by Wilcox and Schoolcraft Roads and models are located on Shadywood Drive, to the right of Wilcox.

The Fred E. Greenspan Building Company has constructed a complete "municipal" water system to serve their 1200-home community in this area where building has not heretofore been possible due to the lack of a water system. A modern spheroid water tower of 400,000 gallon capacity will be dedicated by the builder-organization to Plymouth Township officials this year, it is announced by Greenspan.

Residents of Lake Pointe Village will thus enjoy country living with all the conveniences of city water, storm and sani-

tary sewers as well as paved streets and walks. Accessibility to nearby industrial plants, commuter train service to downtown Detroit and new expressways all contribute to the desirability of this prime location, situated in the heart of parks and recreation areas, lakes and nearby cultural centers.

The Greenspan organization has worked closely with land-planners and Plymouth Township officials to create an ideal home development, anticipating future growth to some 3,600 people within the next three years. Foresighted planning includes a beautifully designed subdivision with curbing, paved streets, park and play sites within the subdivision, and a large school site.

Split-level and ranch homes in Lake Pointe Village, featuring individuality of design, are priced from \$18,750 to \$21,990 including 60' x 120' minimum lots, municipal water and paved streets.

Nearby industrial plants which are just a few minutes drive from Lake Pointe Village include Burroughs, Ford Motor Company, Western Electric, Evans Products, Daisy Manufacturing Co., Fisher Body, Chevrolet, Whitman Barnes,

Dunn Steel and others.

The Chesapeake & Ohio train schedules offer three commuter trips daily to and from downtown Detroit so that Plymouth area residents enjoy the same fast transportation as Birmingham residents. Detroit is just one-half hour from Lake Pointe Village by train.

In addition to the Lake Pointe Village park areas reserved by the Greenspan organization for their residents, there are scenic drives and recreational facilities at nearby Wilcox Lake, Phoenix Lake, Middle Rouge Parkway and Edward N. Hines Drive.

Visitors may reach the Lake Pointe Village models by Schoolcraft Road, left to Wilcox Road; Five Mile Road, left onto Haggerty, thence to Schoolcraft and Wilcox Roads. If approaching via Plymouth Road, turn right onto Haggerty and left onto Schoolcraft. If approaching via Northville Road, turn right onto Wilcox and models are on the left.

Models are open to the public daily 1:30 to 8:00 P.M. and Sunday 11 A.M. to 8:00 P.M.

### "The Kensington" Proved Its Popularity in Other Areas

THE KENSINGTON, three-bedroom brick ranch home is a popular Greenspan model, built previously in their Dearborn Township subdivisions.

An open floor-plan makes the large rooms seem even more spacious. A really huge kitchen with dining space has natural birch kitchen cabinets in abundance.

There are one and one-half baths with choice of colored bath fixtures, Formica kitchen counters and bath-vanity counters, marbled window sills, copper plumbing, safety bathtub rail, garbage disposer and all the other important custom features of the other two models.

The Kensington is priced at \$18,750 including lot, municipal water and paved streets.

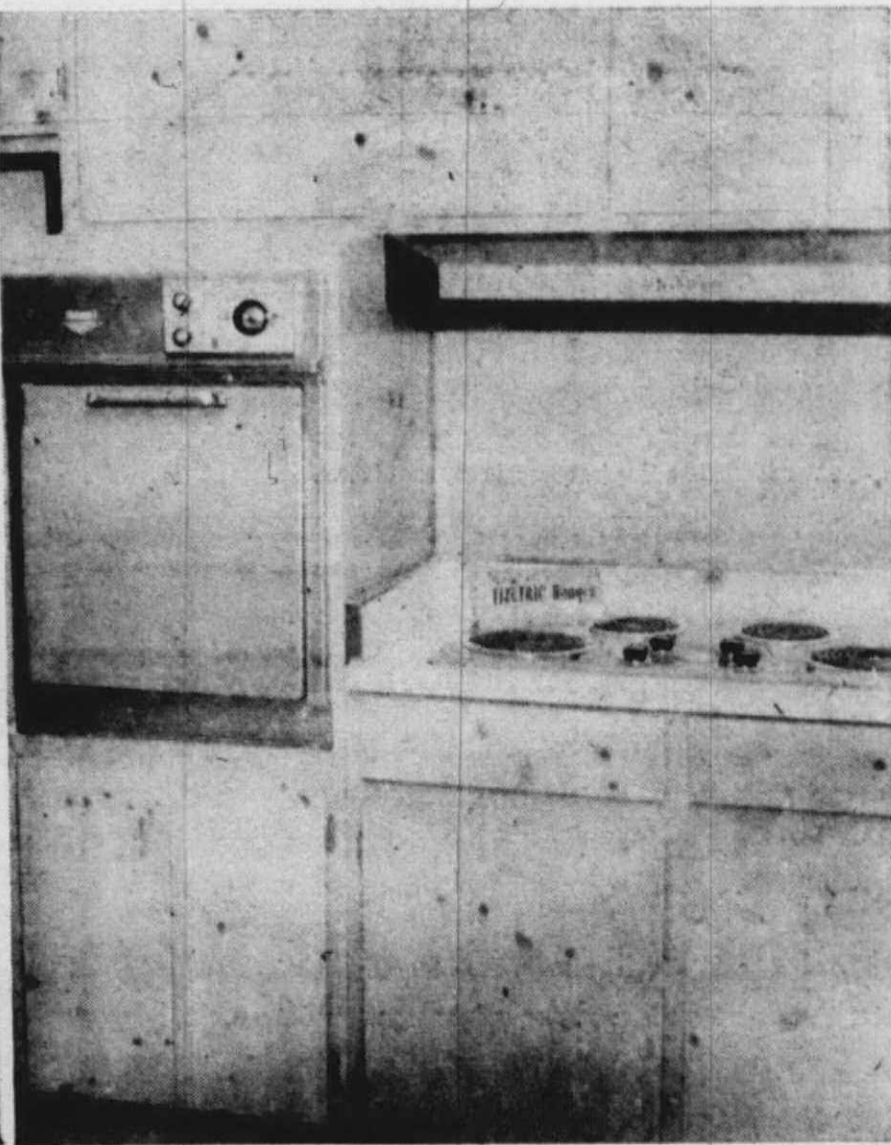

FULLY DECORATED inside is the Mayflower Model, three bedroom plan with the new split-level

feature. There is a 14 by 22 foot family room downstairs adjoining a bathroom and utility room.

KENSINGTON model was popular in Greenspan's

Dearborn development. It has one and a half baths.

ONE OF THE unique features for the housewife in the Lake Pointe models is the built-in Hotpoint oven and range.

## Sunset District Scout Leaders Expect Big Happenings in 1957

Executive organization of the Sunset district Boy Scouts was completed recently, announced Kenneth L. Hulsing of Plymouth, district chairman.

"1956 was the biggest year for the Sunset District. We expect to do even better in 1957," said Hulsing. "There are a great many more boys in our area who want and need Scouting. With the team we have developed, we can bring scouting to all of them."

Hulsing continued, "Every man on our district committee is serving without pay. He is serving because he is interested in boys and interested in his community. He knows that 'Scouting Builds Boys Into the Leaders of Tomorrow.'"

Four representatives to the Detroit Area council have been elected: Henry Fortson of Inkster, Hvie Carmichael of Romulus and Chester E. Smith and Theodore

Kuckelman of Wayne. Added to their duties as council representatives, these men have duties within the district. Their greatest single duty in the district is to recruit district committee personnel.

G. Harold Wiegand of Livonia will again serve as district commissioner with Sidney D. Strong of Plymouth as special field commissioner. They will be assisted by a staff of 55 neighborhood commissioners, working with the Cub packs, Scout troops and Explorer posts in their own locality.

Three vice chairmen have been elected. Each vice chairman will have several district committees as his direct responsibility.

Vice chairman Cris Hammond of Northville will have responsibility for camps and the camping committee under George Conover of Plymouth, health and safety under Dr. E. J. McClendon of Livonia, special events - civic service under R. J. Cramer of Wayne and church relations led by Richard Hansz of Livonia.

Vice chairman Horace Cooke of Garden City will be in charge of the advancement committee with chairman Beryl Zimmerman of Wayne, organization and extension committee with chairman James O. Wilkins of Belleville and the leadership training committee with chairman Frank Shurtliff of Garden City.

Vice chairman Edward G. Martin will supervise the activities of the finance committee under Miles Dietrich of Wayne, the public relations committee under Mark Christensen of Inkster and the Explorer planning committee.

MIKE WALLACE, president of the local Junior Achievement group, receives the company charter from Jud Huntley, district commercial supervisor for Michigan Bell Telephone Company, sponsor of the local JA group. The charter shows official recognition by the national JA office that the Plymouth group has lived up to JA standards. Occasion for the presentation was a luncheon given by Michigan Bell Co. for Ply-Bel-Co, Plymouth JA branch, at the Hillside Inn Wednesday, Feb. 27.

## NEW BOOKS At The Wayne County LIBRARY

Among the new books at the Plymouth branch of the Wayne county library are biographies and auto-biographies of and by such famous persons as Eartha Kitt, Paul Harvey, Captain John Smith and Clarence B. Randall. Miss Kitt tells her own story in her autobiography, "Thursday's Child." Bradford Smith relates the life and legend of a famous historical hero, "Captain John Smith." Paul Harvey, famous news commentator and columnist, adds his own personal touch to true stories and events in "The Rest of the Story." "Over My Shoulder" has the personal reminiscences of Clarence B. Randall, president of Inland Steel Co.

"Water, Water Everywhere" is Emily Kimbrough's account of her travels to Athens, Argos and the Greek mainland, to Yugoslavia, Paris and London. Harnett T. Kane with Inez Henry tell the true story of a woman's crusade for the mountain people in the south in "Miracle in the Mountains."

"James Burrill Angel," president of the University of Michigan when Grant was president of the United States, is presented as a strong influence on American education by Shirley W. Smith. Along the line of popular novels, new arrivals are "The Etruscan," by Mika Waltari, author of "The Egyptian," "Beyond the Gates," a warm family story of the 1920's by Dorothy Evelyn Smith; "The Balance Wheel" by Taylor Caldwell; "Sprig Muslin" by Georgette Heyer and "Blind Tiger," novel of conflict between man's loyalties and love by Robert Slandish.

"My Fair Lady," popular Broadway play of Alan Jay Lerner adapted from George Bernard Shaw's "Pygmalion," is now among the library-owned books. Hobbyists will find good-picks in this week's new books. For the mighty hunters, there's "Hunt and Be Damned" or "Lost in Field and Forest" by Lawrence Lariar, who gives hints on the care and feeding of the American hunter and classifies them into types, such as the Houn' Dog Man, Davy Crockett and The Stuffer.

"The Complete Book of Pet Care" by Howard J. Lewis tells basic rules for caring for canaries, hamsters, fish, dogs, cats, mice, rabbits, turtles and parakeets. "Machine Shop Training Course" comes in two volumes by Franklin D. Jones and explains elementary and advanced practices. Larry Koller has also written two books for hobbyists: a complete how-to-do-it book on "Salt Water Fishing" and "The New Book of Guns," in which he catalogues over 250 guns of every make and model, as well as accessories such as scopes, sights and the various ammunition.

Psychology as an aid to better living and understanding is the basic topic of several new library books. Leon J. Saul, M.D., writes "The Hostile Mind" on the sources and consequences of rage and hate. Dr. Saul says "I believe man's hostility to man is the central problem in human affairs," and it is "recognizable disease to be cured and prevented for healthier, better living for all."

"Understanding Your Child" is a four-point guide to a more flexible, more sympathetic understanding of children. William Muehl's handbook for public speaking, "The Road to Persuasion," will help you discover and make full use of your capacity for leadership through the magic of learning to speak persuasively.

"Your Rewarding Years" by Mr. Clarence H. Hamilton offers new meaning, and purpose and happiness from the middle years on. Margaret McEathron presents a simplified way to teach reading, combining the sight and phonics methods in "Your Child Can Learn to Read."

Handwriting analysis as a practical guide to efficient living is explained in "Handwriting, an Introduction to Psychophology."

Three collections by famous persons have been acquired by the library: "Collected Poems" by Edna St. Vincent Millay, compiled by her sister, Norma Millay; "Further Fables for Our Time" by James Thurber, who advises "People who already know everything there is to know about people shouldn't bother reading this book. Others need it badly and 'Tellers of Tales,' 100 short stories selected by W. Somerset Maugham from United States, England, France, Russia and Germany.

New mysteries are "Dead Storage" by George Bagby and "The Methods of Maigret," Simonon's tale of the murder of a fisherman.

## Morning Ceremony Unites Jim Hudgens, Beverly Meissner

Beverly Meissner, daughter of Mr. and Mrs. E. Meissner of 9801 Ridge road, was wed to Jim Hudgens in a 10 a.m. ceremony Saturday, March 2, by Reverend Shaw, pastor of the First Baptist church in Ypsilanti.

**Frosh, Sophomores Take Most Places on Honor Roll**

The freshmen and sophomores showed an overwhelming victory over the upperclassmen when honor roll lists were released at Plymouth high school recently.

All-A students predominated in the sophomore class, with six; the freshmen followed with five while the juniors claimed three all-A students and the seniors, two.

Sum totals revealed that 66 freshmen, 37 sophomores, 18 juniors, and 21 seniors made the honor roll with all A's and B's.

On the list of all-A ninth grade students were: Russell Egloff, Lee Feldkamp, Susan Hulsing, Brenda Richardson and Larry Smith.

by Carl Peterson

Even folks who are in the habit of saying, "It's a small world," must have had their eyes bugged out a bit after that recent flight of the three Air Force B-52's around the world in 45 hours and 19 minutes. At the same time, cinema houses across the nation were showing a film of Jules Verne's story, "Around the World in 80 days." Shows how time change.

Back in 1899, Nelly Ely, a New York newspaper woman, circled the big apple in 72 days, plus a few hours. Since that time a lot of people have made the merry-go-round tour. The last entry was "Lucky Lady," a B-50 that made the first non-stop loop in just under four days in 1949. It took Magellan's crew three years to make it by sail. But that was before jets.

Sure is a small world. But the old saying still holds true that East is East and West is West and never the twain shall meet. It must be because the twains are on different tracks.

The local philosopher says every time he feels a little mean he remembers a sign he saw once — Be kind to your friends. If it weren't for them you'd be a total stranger.

If you're a total stranger to the excellent quality of our fountain service, better make it a point to stop in soon . . . enjoy your favorite sandwich with a delicious cup of fresh-brewed coffee . . . or relax any time of day with a soda or other fountain special . . .

**Grange Cleanings**

The Grange meeting last Thursday evening had a splendid turnout of members and a fine group from Tecumseh, making over 100 members altogether. Degree work was enjoyed by all. The young man who was leader of the team jessed on, and his sister is acting as prompter instead of leader.

Attending were Mr. and Mrs. Mel Partridge, former members of the Plymouth Grange who lived here all their lives until a few years ago, when they moved to Tecumseh. Mr. Partridge is in the implement business there.

Next on the calendar is the St. Patrick's party Saturday evening. Reservations can be made through Louise Tritten or Mary Fillmore until tomorrow evening. Tickets will be picked up at the door. Every member is asked to invite a guest. Dinner will be at 5 p.m. with cards and dancing at 8:30 p.m. Door prize will be given. Mr. and Mrs. Robert Carson will furnish music. An exhibition dance will be given by a lady in a gay 90's costume and a friend. Anyone not wearing green to the party will be fined ten cents by the Grange "cops." Money will go toward some community health project.

Blue Cross collections will be at the next Grange meeting, Thursday, March 21. Payment by check is requested. There may be some added benefits in the near future, which will mean added expenses.

Grange members are to bring their own table service and a dish to the pot-luck supper meeting, Thursday, March 21. The usual first night supper was changed because of the degree team.

**OBITUARY**

**Mrs. Ann Marie LaByatt**

After an illness of three months, Mrs. Ann Marie LaByatt, 52, of 30201 Five Mile road in Livonia passed away Friday, March 1, at Harper hospital.

Born September 5, 1904 in Ireland, daughter of Ann and Richard Power, she was married to Thomas LaByatt July 6, 1927 in Ohio. She has been a resident of Wayne county for 34 years and of Livonia for 19 years.

Mrs. LaByatt was a member of Our Lady of Fatima Circle, Altar Society, secretary of Green Acres civic association and an active member of the Democratic association of Livonia.

Services were held Tuesday, March 5 at the Livonia Funeral Home, with Reverend John O'Connor of St. Michael Catholic church officiating. Burial was at Holy Sepulchre.

Surviving are her husband, daughter, Mrs. Eileen Bennett of Plymouth and brothers, Christopher, James and Richard Power of Bay City.

**Mrs. Matilda Kemp**

Funeral services were held last Saturday in Detroit for Mrs. Matilda Kemp, 45140 North Territorial road, who died at her home March 6. Death was due to coronary thrombosis. She was 84.

Born in Germany on August 12, 1872, she was the daughter of Mr. and Mrs. John Wagner. She was united in marriage with Gustav Kemp who preceded her in death.

Survivors include four sons, Charles and Albert Kemp of Plymouth, George Kemp of Detroit and Otto Kemp of Florida. There are also seven grandchildren and eight great grandchildren.

Funeral services were held at Harry J. Will Funeral home with Reverend Henry Baumgaertl officiating. Interment was in the Woodmere Cemetery, Detroit.

**Francis A. Sowle**

Services were held Tuesday, March 12, at the Schrader Funeral home for Francis A. Sowle, life resident of the area and retired press operator. Reverend David Davies officiated.

Mr. Sowle, 73, died at 6 a.m. Sunday, March 10, in his home at 536 Kellogg street, after a year's illness. He was born April 4, 1883, in North Farmington, son of Orilla Francis and Joseph Sowle.

In 1904, he was married to Minnie M. Sowle, who preceded him in death in 1952.

Surviving are a son, Lee J. Sowle of Plymouth, a grandchild and two great grandchildren.

**Local Insurance Agent on Panel**

James Thornton of the William Wood Insurance Agency was one of six young Michigan insurance agents who appeared on a panel before the Michigan Association of Insurance Agents in Detroit recently. Held at the Hotel Statler, the midyear meeting drew 600 agents.

Thornton discussed the use of "available sales tools" for agents. These include such things as advertising aids, direct mail advertising, merchandising aids, advertising campaigns, field men and the companies themselves.

The convention was concluded with an address by President Robert Schimer of Saginaw who encouraged agents to organize Safe-teen clubs in their towns. He also noted that insurance has become a \$1 billion business in Michigan, up three fold in the last 10 years.

Thirty-five members of the Lutheran Ladies aid were present at their meeting at the church last Wednesday afternoon. Refreshments were served by Mrs. Paul Groth, Mrs. William Last and Mrs. Henry Rengert.

About 30 ladies will attend the bridge-luncheon given in Ann Arbor Saturday honoring Miss Athalie Hough by Mrs. C. W. Gill and her daughter, Mrs. Albert Logan.

A list of Plymouth churches this week have as their pastors: Catholic church, Father Frank LeFever; Methodist church, P. Ray Norton; First Presbyterian church, Reverend Walter Nichol; First Baptist church, Reverend Richard Neale, St. Peters Evangelical Lutheran church, Reverend Edgar Hoenecke, Salvation Army, Captain and Mrs. William Wright, Salem Congregational church, Reverend Lucia Stroh.

## Resident's Art Object Accepted in Exhibition

The stoneware bottle entry of Sally Lennington Reinholz of 1014 William street was one of 310 art objects which was accepted from 817 entries in the 12th annual exhibition for Michigan artists-craftsmen.

The exhibit will be open from 1 to 10 p.m. Tuesday through Friday and from 9 a.m. to 6 p.m. Saturday and Sunday at the Detroit Institute of Arts, 5200 Woodward avenue. Many objects are on sale at the craftsmen's own prices.

# Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

A BARRAGE of budget mail has hit Capitol Hill and my office is no exception. Scores of letters are pouring across my desk, expressing all shades of concern—from mild disapproval to grave apprehension—at the size of the federal budget.

I share that concern. Seventy-two billion dollars is quite a bit of change for Mr. and Mrs. American to spend in a single year. While I am confident that Congress will be able to whittle this out-size spending program, I would be less than candid if I predicted monumental savings.

As a member of the Committee on Appropriations, I have the task of trying to effect economies on the President's money requests. You may be sure that I shall work vigorously to trim the bill, without detriment to our national defense and essential government services, and with the

aim of providing some well-deserved relief for the American taxpayer.

My thanks go to every one of you who have written me about this. Opinions from home are precisely what I want and need to perform satisfactorily as your Senator.

THE WHEAT WAR is my name for the current hassle over the plan to change U. S. wheat standards. Department of Agriculture officials, for the first time in twenty years, are taking a long, hard look at standards for wheat with the idea of improving its quality. They've proposed eleven changes, and two of them would work a real hardship on Michigan wheat farmers. I am urging Secretary of Agriculture Ezra Benson to kill these two changes:

Reduction of minimum moisture requirements for tough wheat and reduction of limits of wheats of other classes. Yesterday, at a standards conference attended by wheat state Senators, I explained how the two proposals would down-grade Michigan wheat and bring severe losses to our farmers. Wheat represents about ten percent of our State's cash farm income and I don't intend to stand by and watch that figure drop.

A NEW-FANGLED four-syllable word—automation—lies behind legislation which I am sponsoring. Automation is bringing greater miracles of production within our reach, but it is doing so by replacing men with machines. It wipes out certain types of jobs at the same time it creates a need for more highly-skilled positions. Last summer, for example, the United Automobile Workers listed these skilled jobs as needed for the age of automation: tool and die, millwright, machine repair, hydraulics, electricians, sheet metal, metal pattern-making and pipefitting.

There is a distinct shortage of facilities to train people for such jobs. Last week I joined 34 other Senators of both parties in sponsoring a measure to assist the state to expand vocational training facilities. The measure encourages States and local communities to develop vocational programs of less than college grade in keeping with local, state and national needs and sets up a system of matching-fund assistance.

The future of America is tied to the skills and productivity of our people. Any effort to build these deserves prompt Congressional action.

## Men In Service

Army PFC James E. Lowden, son of Mr. and Mrs. James K. Lowden, 9244 Morrison, recently participated in a nine-day ski training exercise with the 11th Airborne Division in Bad Tolz, Germany. Lowden is a runner in Company D of the division's 503d Infantry Regiment, entered the Army in January 1955 and completed basic training at Fort Campbell, Ky. The 20-year-old soldier was graduated from high school in 1954.

Army Pvt. Walter J. Angevine, whose wife, Loretta, lives at 509 Willard street, was graduated March 1 from the carpentry course at Fort Leonard Wood, Mo. During the eight-week course, Angevine was taught to inspect and repair buildings. He learned the use of jacks and bridging, the replacement of joints, repair of timber trusses and cutting of new windows and doors. Angevine, son of Mr. and Mrs. John K. Angevine, 908 Corinne street, entered the Army last October and received basic combat training at Fort Leonard Wood. He is a 1955 graduate of Plymouth High School and a former employe of Plymouth Paying Co.

Melvin Sawyer, airman second class, son of Mr. and Mrs. George Sawyer of 11406 East Side drive, has been transferred from Selfridge Field to Charleston, S. C.

## Ice Skating Club Will Give Show At 'U' Coliseum

The Ann Arbor Figure Skating Club will present its 15th annual "Melody On Ice" Saturday, March 16 at 8 p.m. and Sunday, March 17, at 3 p.m. in the University Coliseum in Ann Arbor. Five numbers with colorful costumes will be featured: a Circus, My Fair Lady, Sleeping Beauty, Westward Ho and Holidays, with over 200 skating members taking part. Among the club members from Plymouth are Mr. and Mrs. Dean Busch, Mr. and Mrs. William H. Martens, Charlotte West, Joan Lowden and Jill Congdon.

Tickets for the ice revue may be purchased at the ice rink, Behnke's Furniture store, Shipman's, Cahow's Drug store, Slater's Book store, both Wahr's Book stores, Ulrich's Book store, Michigan Union in Ann Arbor, or Brien and Stephen's Shoe store in Ypsilanti. ## GAA Members Receive Honors

Awards to deserving members of the high school Girls Athletic Association were given out at a recent meeting. Those girls who have earned 150 points and received a club emblem are Carolyn Crowell, Sandra Davis, Judy Rowe, and Judy Veresh.

Those eligible for 500 point letters were Jane Hardimon, Lelah Irwin, Joy Kalmbach, Geraldine Love, Beverly Tacia, Judy VanWagoner, and Marianna Jensen. With a total of 750 points and 1,000 points, bars are received. Kay Fisher received one bar and Delores McLennen received two bars. A trophy will also be given

to Delores McLennen for having one thousand points. The girls decided that they will continue to play basketball until weather permits the playing of tennis, track, and softball out of doors.

On March 18 from 2:30 to an indefinite time, a basketball playday will be held in the gymnasium with nearby schools attending. Plymouth will play host to schools in the Suburban Six League on May 21 for a track playday. Next scheduled playday for the club is at Allen Park on April 30 for softball. Adviser for the club is Mrs. Louise Cigle.

**TELEPHONE lines**

**MANY HOUSEWIVES** are taking the "run" out of running their homes. Know how? By putting telephones wherever they need them—in the kitchen, in the bedroom, the living room, and down in the basement. Well-placed phones save countless

steps and lots of time for the home "managers." And, of course, additional telephones bring better service to everyone in the family. The cost? Just a few pennies a day, plus the one-time installation charge. Order your additional phones from our Business Office today.

**HOW CAN** shut-in boys and girls keep up with their school work? In recent years Michigan Bell's School-to-Home telephone installations have proven to be one successful method. Telephone equipment, using special two-way speaker units, lets the child who must stay home, or even in bed, hear everything that goes on in his regular classroom. He can recite and ask questions just as though he were actually in school. This daily contact with classmates gives the shut-in child a sense of belonging; he is a real part of the class. We'd be glad to tell you more about School-to-Home telephones. Just call our Business Office.

**SCIENCE CAN GIVE** us great entertainment, as the Bell System's television Science programs show. These programs aim to bring you an understanding of scientific work and its importance to modern life. And, of real importance to our country's future, they are helping to interest young people in scientific careers. The second show in this new series, televised nationally, is the fascinating story of blood. It's called "Hemo the Magnificent" and will be on the CBS-TV network at 9 P.M., March 20.

A shoe fashion shoe with styles for women and girls will be held from 10 to 11:30 a.m. and from 2 to 4 p.m. Saturday at Fisher's Shoes, 290 S. Main, in conjunction with the New In Plymouth (NIP) campaign.

There's fashion afoot for men, too, just as surely as there's fashion on your shoulders. To someone not in the field, the whole business of fashion in footwear may occasionally seem a bit ridiculous. "So I wear socks," says the man in the street. "Once you know your foot size and that heavy darning makes blisters on your toes—ain't that the end of it?"

Well, that isn't quite all there is to it. For instance, take a look at the people around you and just see how their personalities are reflected in their footwear.

There is, for example, the guy who really gets some wear out of those horrible 'creations he got for Christmas. This character usually wears hideous purples and dull browns in some busy pattern obviously stolen from an unsuccessful line of drugstore wallpaper.

Then, there's the practical type—or old do-it-yourself. He stops at the nearest Army and Navy store and buys socks for himself and everyone else—four dozen at a time. His ankles are thus tastefully draped in khaki-brown or purple-black. Of course, the texture of his socks resembles an old window screen, artistically freckled with dead flies and bits of fluff, but then, he's got a bargain!

And finally, there's the man whose ankles really show taste, quality and even a bit of design. That's a lot to expect of a bony joint, but it's an achievement well worth the effort. So the next time you see an old friend walking down the street, take a second look at his socks and just see if his personality doesn't match. While you're at it, why don't you take a look at your own?

Buying unpainted furniture is a good way to keep furniture expenses down. After a coat of basic color, you can achieve some nice effects by trimming a table with a gold strip edging, using masking tape to cover up areas which you don't wish to paint. Book cases, coffee tables and end tables all lend charm when painted to suit your individual taste.

Seems to me, the do-it-yourself addiction represents a broadening of interests since 30 years ago. Then it was simply, brew-it-yourself.

They say that the grass is always greener on the other side of the fence. Well, here's a case of a fellow who didn't like it that way. Harold O. Harlan, librarian at the Grace A. Dow Memorial library, in Midland was mighty glad when it snowed and covered up his library's mysterious green grass lawn. People said it was the greenest winter grass they'd ever seen. Things got so bad that motorists ran off the road staring at the lawn. No one could figure why it was so green in Michigan in March.

Well, the truth is, men from the Dow Chemical company sprayed it recently with a new chemical compound,

It's a pleasure to have left-over meats appear in a new guise. Here's a trick that makes for good eatin'. Arrange a lettuce leaf on a slice of toasted bread. Top lettuce with thinly sliced leftover pork or ham and top meal with two tablespoons of canned cranberry sauce. Add one teaspoon mayonnaise atop the cranberry sauce. Serve sandwich with a bowl of steaming hot soup.

I really get quite a chuckle out of some of the ads in today's reading material. For instance, there's the one of a smiling and glamorous lady, in a flowing chiffon dress and fur stole. Where is she and what's she doing? Paddling a canoe in the corner of someone's basement. Or how about the one with the slinky, fish-faced siren with her hands on her hips, saying "My constipation worries are over." But the latest shocker is the one with a pouting, dark-haired beauty saying, "Won't anyone cigarette me?" Seems some advertisers would rather make people laugh than sell their products. Or maybe the two go together? Who knows?

GIRL SCOUTS OF TROOP 16 prepare some "Bags of Gold" under the direction of their troop leaders. As a favorite accompaniment to this recipe, the girls choose Raggedy Ann Salad for their week-end camp-outs at the Girl Scout Cabin.

**Scouts Make Camp-Out Treats**

For fun-to-make and delicious camp-out treats, intermediate Girl Scouts of troop 16 choose their special favorites, Bags of Gold and Raggedy Ann Salad. Here's how the scouts make them:

**Bags of Gold**  
4 cups flour  
2 2/3 teaspoons baking powder  
1 1/2 teaspoon salt  
5 teaspoons shortening  
1 can condensed tomato soup  
Combine flour, baking powder, salt and shortening. Add enough

dumpling dough. Roll one inch balls of cheese in the dough, making an egg-sized ball.  
Put tomato soup in a pan, add half a can of water and bring to a boil. Drop cheese-dough balls into boiling soup and cook as for dumplings, about 20 minutes.  
**Raggedy Ann Salad**  
Shredded lettuce, carrots and celery  
Apples, cut up  
Raisins  
Combine ingredients and toss

with mayonnaise.  
Mrs. Helen Grimes is leader of troop 16, assisted by Mrs. Jane Diekman and Mrs. Ida Mae Gooch.  
Girls in the troop are Bonnie Hunt, Kathy Gooch, Janet Brown, Anna Zoet, Marcia Livingston, Mary Lou Smith, Carol Jewel, Paula Grimes and Barbara Diekman. Karen Rudloff was absent from the picture.

### Patience, Calm Persuasion Get Best Results for Feeding Baby

A baby's life should be made up, as much as possible, of eat-sleep-and-be-loved. When a baby is happy, he eats well, even if he dawdles.

Pediatricians say that a baby is affected by the emotional condition of the person feeding him, and this will affect his appetite. For this reason, it is wise to conceal any emotional upset you may feel from your baby. Calmly talk him into another bite, but never force food in his mouth. Set aside the necessary time to feed your baby and don't skimp. If you must cut corners, be sure it's not with baby's meal time.

Introduce new food gradually so that he can easily become used to each new flavor and texture. If he refuses to eat a new food and spits it out, don't become upset. Just try him on the same new food the next day.

Babies have two definite feelings connected with eating. Hunger is an uncomfortable feeling in his tummy. He'll let you know he's hungry with an angry cry. Appetite is a pleasant desire for food, and this is said to aid digestion.

Formula-making is easier for the modern mothers. With the new partially prepared formulas, all you need add is boiled water. What's more, they're said to be better for baby.

## Shamrock Pies Tempt Appetites

March 17 is a proper and fitting time to give Saint Patrick his due by setting a table in Ireland's best manner.

Old-fashioned country-cured ham, honey, oatmeal and a robust tea are all appropriate to the occasion. So are rich scones and a boiled leg of mutton. The Irish are genuinely fond of corned beef and cabbage, but rare roast beef and Yorkshire pudding are almost as popular on the Emerald Isle as they are in England.

AN IDEAL ST. PATRICK'S DAY DESSERT

For those who plan a Saint Patrick's Day feast, individual "shamrock pies" are ideal for dessert. To make them, pastry cut-outs in the traditional shamrock shape, are baked to a golden doneness and filled with a mixture of sweetened whipped cream and fruit. Whether family and guests speak with a brogue or not, this is a dessert that will appeal to every palate.

**Shamrock Pies**  
2 1/4 cups sifted enriched flour  
1 teaspoon salt  
3/4 cup shortening  
5 tablespoons water  
1 cup heavy cream  
1/4 cup sugar  
1 teaspoon vanilla or rum flavoring  
1/4 cup chopped walnut meats  
1 cup sliced fruit or berries

In a mixing bowl combine flour and salt. With a pastry blender or two knives cut in shortening until mixture looks like coarse cornmeal. Sprinkle water over mixture, one tablespoon at a time, and mix lightly with a fork until all flour is moistened. With the hands, gather dough into a ball and divide in half.

Cut a shamrock pattern from heavy brown paper. On a lightly floured board roll out half the dough at a time into a circle one-eighth inch thick and, with a sharp, floured knife, using the paper cut-out as a guide, cut out four shamrocks each time. Place the shamrocks on a baking sheet, prick generously with the tines of a fork and bake in a 425° F. oven for about 15 minutes, or until golden brown. Makes eight medium-size shamrocks.

Whip the cream until stiff and stir in the sugar and flavoring. Fold in the fruit and nuts. When ready to serve, put two shamrocks together, sandwich fashion, with the fruit-cream filling between.

## New Spring Fashions Take on Softer Look

Many significant trends emerge as ways of expressing this spring's new and pretty look. Outstanding—and charming—is the cape, which has just about taken over the fashion world. Dresses, costumes, separates, suits, coats and toppers display the cape influence in many forms.

Pretty evidence of the trend to gently feminine fashions is seen in the spring liking for shirtwaist dresses. News here is the softening of classic styles—through the use of lantern-shaped sleeves, for example.

Appearing as another major trend is the softened skirt. Somewhat longer this spring, skirts move away from severe sheath lines to the pegged, pleated, draped or paneled silhouette.

In the "Dutch Boy" or Flemish skirt for suits and dresses, pleats or gathers provide easy roundness just below the waistline and taper in at the hem.

New interpretations of the basically-slim line provide a variety of bodice treatments. Rounding the top of the silhouette, for symmetry with easier skirts, is frequently achieved by the use of dolman sleeves.

The high empire line is now lowered, placing the "artificial" waist at a point two or three inches above the natural waistline. Sometimes both the modified-empire and the normal waist are defined.

Waistlines are marked by belts, cummerbunds or draping. Necklines, too, get soft treatment. Scoops and bateaus are gentled by gathers, draping or bows. The high-in-front, low-in-back neckline often has a bow or streamer as a finishing touch. Soft and drapable, too, are

## Lenten Season Recipe Calls For Tuna, Rice

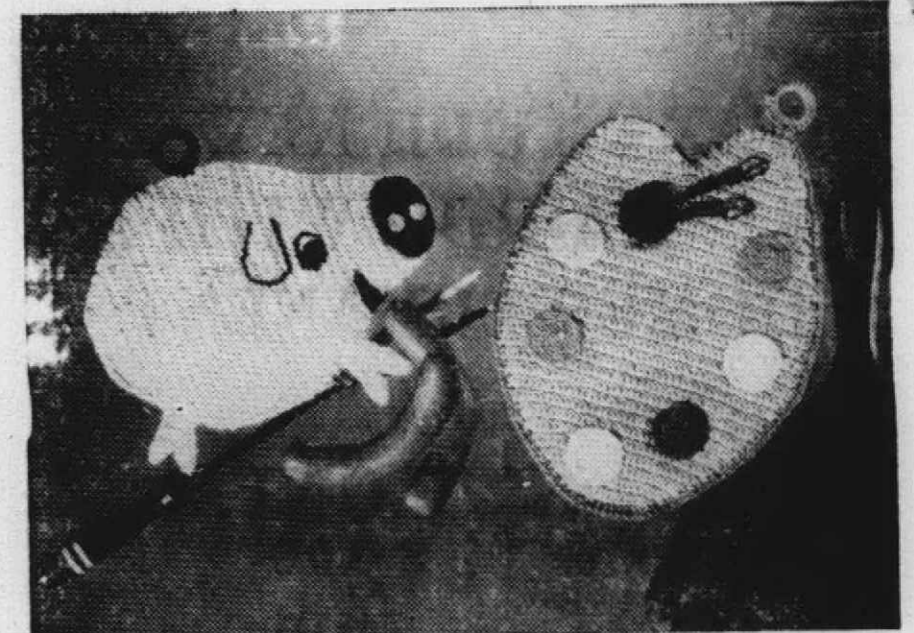

"Quadragesima" was the earliest name for Lent way back in the second century A.D. And meal-planners from that day to this have turned to rice and tuna as important mainstay foods for this season.

A layer of tuna flavored with lemon juice mustard and ketchup makes an excellent "filling" for what might be described as a casserole sandwich. The seafood filling is baked between layers of rice and green peas. The combination is colorful and tastes mighty good, as well as being easy to prepare and serve.

A crowning flavor touch for this dinner is a rich celery sauce. Bread and butter and a dish of crisp relishes, such as radishes, pickles and olives, complete this easy Lenten meal.

**Baked Tuna Rice Layers**  
4 cups cooked rice  
2 cups cooked peas  
1/3 cup melted butter or margarine  
1/2 teaspoon salt  
1/3 teaspoon pepper  
2 six-ounce cans tuna  
2 tablespoons lemon juice  
2 teaspoons prepared mustard  
1/4 cup ketchup  
1 hard-cooked egg, if desired.

Combine rice, peas, melted butter or margarine, salt and pepper. Toss with fork. Arrange half of the mixture in bottom of greased 1 1/2 quart baking dish. Flake tuna. Add lemon juice, mustard and ketchup. Toss with fork. Arrange in layer over rice in baking dish. Cover with remaining rice and peas. Set in pan of water and bake in moderate oven at 350° F. 30 minutes. Garnish with sliced hard-cooked egg. Serve hot with celery sauce made from condensed celery soup.

**WHIMSICAL POT HOLDERS**—These clever pot holders are gay conversation pieces as well as good insulators. The perky pig is crocheted in pink cotton. The platinum artist's palette is edged with red and has seven swirls of color. **Smaller Attendance**

It is true that in the majority of cases, attendance at a funeral is notably smaller, these days, than it was a few decades ago. It is likewise true that once in a while the attendance is VERY large, which makes it important to remember that our chapel seats, in comfort, as many as two hundred people.

Serving As We Would Wish to be Served

### Sewing Attachment Simplifies Stitching

A new sewing attachment, called the walking presser foot, has been designed to simplify your sewing problems.

The construction of the walking presser foot provides two toes that move separately, so that two layers of material can be stitched without slipping or stretching. The right toe holds the material firmly in position while the left toe returns for each succeeding stitch.

This attachment is especially useful for welt seams on coats, in combining fabrics of different textures or in stitching velvet seams, always a problem with the ordinary presser foot, since the layers tend to adhere when stitching.

**At the Shoe Store**  
Manager (to salesman)—Don't tell a woman that her one foot is larger than the other—in this shop we say, "Madam, your left foot is smaller."

### Ready Patcher

Hairline cracks and small holes in plaster-covered walls are easily patched with a plaster stick which is always ready to use.

Betty and Jim just bought one of those new electric water heaters."

"Jim told me. He says now they get all the hot water they need. And with Edison's new service it doesn't cost much, either. Sounds like it's worth looking into."

**EDISON'S NEW SERVICE ADDS ANOTHER ADVANTAGE TO ELECTRIC WATER HEATING!**

Completely new, completely different, Edison's new Super-Supply Plan assures you of all the hot water you need at surprisingly low cost. The 1957 electric water heaters are entirely new, too; redesigned from top to bottom with two extra-powerful heating units that give you more hot water—and do the job faster—than ever before. You can put your confidence in the new electric water heaters—built to Edison's own rigid specifications.

# Parties And Meetings Galore For Gardens People

## EARLEEN POMROY GA. 1-5231

Well, here we are again with the news for Rosedale Gardens, and the old typewriter still limping along held together with scotch tape! I've found the missing part, however, so expect to be doing better in the future.

First I will cheer everybody with a sign of Spring rearing its lovely head in the Gardens—Betty Broscoff, Woodring reports a daffodil is coming up through her new asphalt drive!

Marilyn Rutherford, W. Chicago, is in Harper Hospital at this writing, and neighbor Vivian Quick is taking over on the child tending detail. Seems that Viv always comes to the rescue for her neighbors!

Others on the sick list recently were Virginia Kobiata with tonsillitis, Margaret Briggs with good old flu, and Darby Ann Smith with the same. My estimate is one million and ten flu germs per square inch in this lovely mud!

We have two little girls turned two years old last week on Vermont—Lisa Golasa and Debbie Chapin.

Ginny Byrd will be the proud mamma pushing the carriage up and down Auburndale avenue this Spring, and if you peek inside you will see Douglas Eldridge Byrd, Ginny and Bill's newly adopted son. Douglas is two months old, and has blue eyes and dark hair, and everyone I've talked to say he couldn't have happened to two nicer people!

Ginger and Frank Jacobs, Mayfield avenue, are \$100 richer these days, having won the 2nd prize in Ford's Bowling Tournament at Maple Lanes.

The speaker at St. Michael's Altar Society meeting Tuesday evening, March 5th was Mrs. Lucille McKinney who is a certified Grapho-analyst and spoke on handwriting.

The Martha circle of Rosedale Gardens Presbyterian church will serve tea following the Lenten services Monday evening, March 11th.

The first meeting of a newly-formed Arts and Crafts group met at the home of Nancy Snowberger on Oregon avenue Tuesday evening, March 12th. Interested persons present were Dorothea Smith, Betty Dana, Al Granger, Ruth Barber, Leona Felder and yours truly. This group will be limited to 10 members.

Brownies belonging to troop No. 2295 planted narcissus bulbs in pretty red bowls last week at their meeting at Grant school. They were planted in marbles and water, and the Brownies are tending them carefully.

Monday, February 25th Cubmaster Major Wirth took his pack to visit Fort Wayne and see the historic sights. The boys belong to R. G. cub pack No. 1.

The Cup and Saucer Pinochle club met the home of Lucille McNulty on Ingram last week and Jean Gizowski must be slipping, because she didn't manage to win a prize.

Leona Moynihan, Jean's mother, won the first prize of a cup and saucer and Betty Holman won the booby prize. Strawberry short cake and whipped cream rounded out the evening, and maybe the girls, too!

Fred and Dorothea Smith, Virginia avenue, entertained at a dinner party Saturday evening, March 2nd. Guests were Mr. and Mrs. Arthur Rector of Detroit and Mr. and Mrs. John Biggard of Grosse Pointe Park.

The former Florence Wood of Hubbard, who is now Mrs. Egan, is honeymooning in Florida.

Gladys Wendt, Louisiana avenue, has had her folks from Fullerton, Calif., visiting her lately. Her father flew back last

week, but her mother is staying on for a round of visiting.

Wednesday, March 6, the Women's Republican Club met at the First Federal Bank Building for a short and small meeting, due to the fact that many members were busy attending a Republican banquet downtown that evening. Next month the club will have its election of officers.

Lou Jacobs, son of Mildred and Lowell Jacobs of Berwick avenue, was home to visit from Ypsilanti last week end.

At Bentley High P.T.A. meeting Tuesday, March 6th exchange students from Redford Union, Thurston, Cooley, and Redford, along with Bentley's own exchange student, Eddie from the Philippines gave short talks on how they were chosen to come to study in America and life in their own countries, which provided a very informative and interesting program for those attending.

Mr. and Mrs. Leon Starr, of Rosedale Park drove over to Vermont avenue Tuesday, March 6 and took daughter Betty Dana and this reporter to see the Idea Home.

Bob and Esther Mallison and daughter Holly of W. Chicago were dinner guests at the home of Mr. and Mrs. Joe Mallison in Lincoln Park Sunday, March 3.

The Civic dance is going to be on the 23rd this month, instead of the traditional last Saturday of the month. The reason is that Civic is giving a "Millionaire's Party" instead on the 30th.

The committee for this consists of Jim and Kay Keras, Bob and Ellie Button, Harold and Dorothy Burley, and Angie and Jack Francis. This party promises to be great fun, from the moment you walk in and are presented with lots of "money" to the time the evening ends when you will be richer (or poorer), strictly in phoney money!

You can play roulette, black jack, etc. to your heart's content without a fear of ending up in the poorhouse for a whole evening for the small price of \$2 per couple. Tickets may be had from any committee member and this party is open to members of Rosedale Gardens Civic Association members and their guests.

Martha and Fred Chalfant, Brookfield avenue, decided that the fact that son Mark was finally over the chicken pox and Fred's seige with mumps was ended called for a celebration and held a buffet dinner party for 14 Saturday night, March 2nd at their home. Old fashioned parlor games were played, and the Chalfants also showed their slides of Nassau.

New neighbors at 9611 Cranston are Mr. and Mrs. Arthur Bosetti and their two children. The Bosettis are members of St. Michael's church.

The Gibsons of Cranston avenue entertained at a dinner party Sunday, March 2nd. Guests were Mr. and Mrs. Ray Hayes, Mr. and Mrs. John Hayes and Mr. and Mrs. Arthur Leas.

Linda Sue Ellerholz, W. Chicago, celebrated her ninth birthday Saturday, March 2nd with a birthday party. Girl friends who gathered to wish Linda Sue a happy birthday were Susan Lane, Phyllis Barnhart, Carol Duchin, Ann Opland, Elaine Kuhl, Mary Sue Williams, Patty Lou Bohman, and Peggy Core.

Saturday evening a joint party for Linda Sue and her sister, Marcia Linn, whose birthday was Tuesday, was held for the aunts and uncles, and the number present totalled 25. Marcia Linn was 5 years old Tuesday, March 5 and also celebrated with a party at nursery school.

The Herbert Sullivans, Cranston avenue, are back from a 3 week stay in Florida, looking tanned and healthy. The Sullivans

flew both ways, taking children Connie, Missy and Kevin with them, and I hear that Connie wants to go by train next time.

Jean and Glen Snyder, Vermont avenue, visited the Emil Edelmayers in Detroit Saturday, March 9th.

Mrs. Richard Shelden, Louisiana avenue, gave a luncheon party Wednesday afternoon, March 6th. Ladies present were Mrs. Henry Quick, Mrs. Laniz, Mrs. Sanstrum, Norma Shelden, Jackie Shelden, Dorothy Rimer, Beverly Wickman, Bev's sister Elberta, and Tootsie Schei.

Linda Chalfant, Brookfield avenue, was hostess to her school chums in Mrs. Hollowell's 1st grade last week at a cupcake and ice cream party in honor of her 7th birthday.

Betty Dana over here on Vermont, who took her davenport apart and remodelled the back last week is doing over her dinette set this week into a blonde finish, because she didn't like it, either! Sure hope she's satisfied with the color of the shingles on the roof!

The Woman's Republican Club of Livonia is sponsoring a St. Patrick's Day Maggie and Jiggs dinner dance at Ivory Polo grounds March 16th. Tickets are \$2 per person and information may be obtained by calling GA. 1-5709 or GA. 1-5955.

Next Women's club meeting will feature "Green Elephant Bingo" and will be held March 21st at the clubhouse on Hubbard. Green elephants and white elephants are the same things, so you'll know what to bring along for table prizes! This affair is open to members only.

Kage Gilbreth, air-line hostess

for American Airlines, and who is Fred's cousin, was weekend guest at the Chalfant's on Brookfield last weekend.

Spent a very pleasant evening Wednesday, March 6, at the meeting of Grant P.T.A. Al Lewis who is P.T.A. father and on the publicity committee presented a movie "The Sociable 6's Through the Noisy 9's" which was very informative and also, as we parents recognize our own everyday problems, amusing.

After the movie Mr. Lewis led a discussion on the pros and cons of the treatment of problems that were presented in the story. This was Father's Night, but from the small number of fathers present, you'd have thought it was Father's Night to stay home! Room prize for the class having the most parents attending was given to Mrs. Arlen's 11 to 1 Kindergarten class.

Women's Club members, let not forget that it is now time to be signing up for those fundraising card parties in individual homes! This is quite a painless way to raise money for operating expenses. Anyone wishing to be hostess merely invites 4 or any number of her friends to her home at any time to play cards and each guest donates \$1.00. The hostess furnishes dessert

and coffee, of course. If you would like to play cards at one of these parties, or be hostess at one, please call Ruth Taylor at GA. 2-3278.

The Livonia Business and Professional Women's Club met Tuesday, March 12th at Hillside. Guests were students from Madonna College and Ladywood High who spoke on college and high school activities.

Johnny Thompson, Oregon avenue, celebrated his 6th birthday Saturday afternoon, March 10th with his friends. Among those present were Larry Wendt, Donny Schei, Gerald Nolan, Dicky Barber, Jimmy and Billy Frankfurth, Lanny, Kathy and Diane West and brother Patrick.

Now don't forget Civic tonight, and be sure and call in all your news to me, because I'll have the screw that holds the back part of the carriage on this machine back in place and remove the scotch tape that is holding it now, and be all ready to type up scads of news! See you at Civic!

## BUILDING and REMODELING NEWS FOR EVERY HOME

### Plant New Shrubs With Plenty of Growing Space

If you are planning to plant some shrubs around your house, be sure to get them far enough away from the wall, advises Joe Cox, Michigan State University extension specialist in landscape architecture.

Two main problems arise from planting too close to the house.

They are crowding of the plants, and lack of water.

If a shrub is planted too close to the house when it's small, it will crowd up to the walls when it is mature. It should be far enough away from the wall that it will not have to be pruned and trimmed away when it matures.

The other problem, lack of water, is a result of the eaves on the house taking moisture away from the plants. The building protects the shrubs from much of the rain from which they might otherwise benefit.

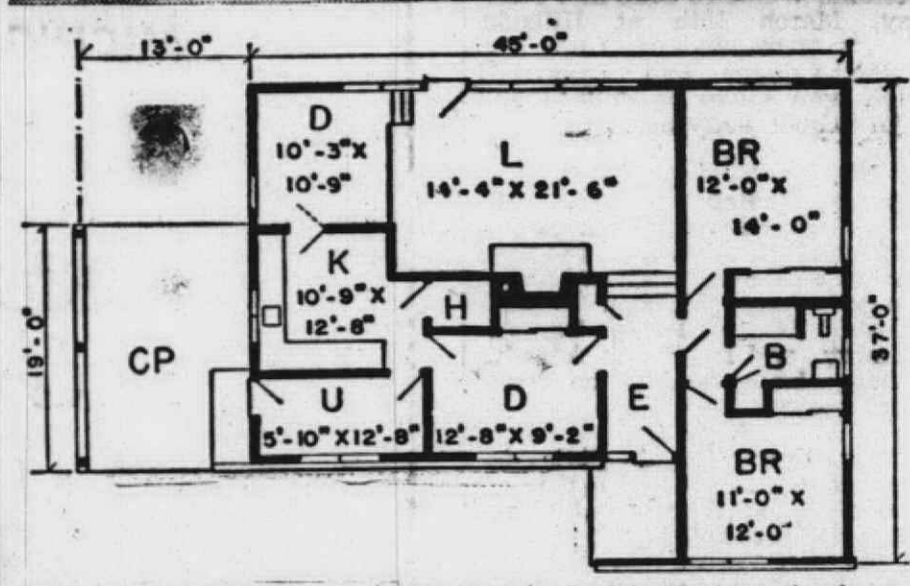

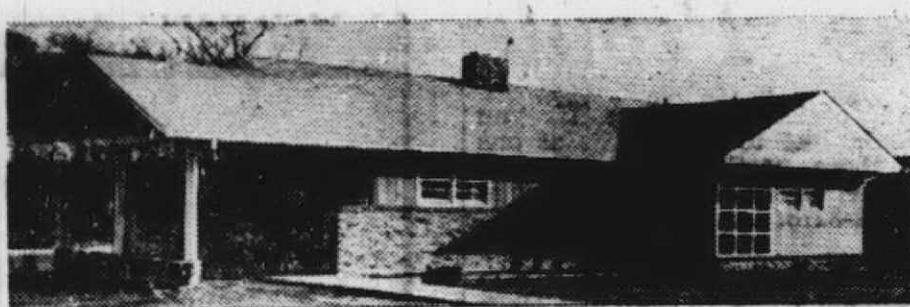

Many persons like to plant their shrubs one and one half times as far away from the building as their mature diameter. In other words, if a plant will mature to four feet in diameter, it should be planted six feet from the wall.

The size that a plant will be when mature can be determined from a foundation plant key prepared by Cox, and available from the department of landscape architecture at Michigan State University, East Lansing.

**TOUCH OF SPRING**  
Brighten up the paper lamp shades you will be using this spring and summer by painting bright bands of color at top or bottom—or both.

**PAINT IS PLENTIFUL**  
Some 1,400 manufacturers produce paint and paint products in steadily increased amounts and improved qualities in every part of the United States.

### Planned for Air-Cooling

Important hidden savings distinguish this well-planned ranch home. To make future installations of air-conditioning practical and economical for the owner, the plan calls for heating ducts suitable for carrying sufficient conditioned air. Also specified are wall and ceiling insulation, and a wide roof overhang to block the warm rays of the sun. The plan is No. AB208N, American Builder magazine, 79 W. Monroe St., Chicago.

For the roof the architect specifies asphalt shingles. Durable materials used both outside and inside favor an integrated color scheme. The rustic flavor of the red-brown asphalt roof is carried out in the vertical redwood boards used on the front of the house, and on one living room wall.

Brick extends across the front at various heights. The wood windows and trim are painted white, in contrast to the subdued roof and siding.

Heat for the basementless house is provided in a heater room located next to the living room fireplace but opening on the kitchen. Furnace and fireplace flues are built in one chimney.

The overall floor area is 1,521 feet, a figure useful in estimating construction cost.

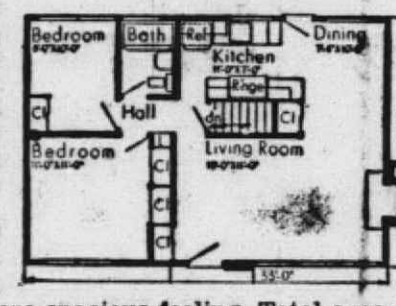

(Detailed building plans are available from American Builder Home Plan Service, 79 West Monroe St., Chicago 3. Refer to Plan No. AB208N.)

### 'Bare Minimum' Plan from Small Homes Guide

This tiny structure, featured—and enthusiastically so—by SMALL HOMES GUIDE magazine, might be considered the bare minimum in a two-bedroom house. Designed by Architects Grainger Thomas and Baar, the modern-looking honeymoon cottage is just the thing for the beginning family.

In spite of the small size of the house, the rooms are good-sized, and closet space is well planned. Open planning gives a more spacious feeling. Total area is 726 sq. ft. Information on blueprints and their cost can be obtained by writing to SMALL HOMES GUIDE, Dept. 1674, 621 N. Dearborn Street, Chicago 10, Ill.

### Handy Jim's FIXIN-UP TIPS For the Home

**Protect Your Linoleum**  
LINOLEUM, asphalt or plastic tiles are excellent floor coverings, but their life and appearance depend a good deal on what's underneath. Oftentimes this is a finished, wood floor which has grown rough and unsightly. It might be, instead, just the rough flooring.

In any case, it's a good idea to have a smooth surface for the new floor covering. Many applicators recommend and use Masonite Underlayment because of its smooth-

ness, even thickness and low cost. The floor covering will look better and wear longer because of the underlayment.

Unless they are covered, uneven boards very likely will begin to "mirror" right through the floor covering, and when that happens you may be sure that the boards are wearing through and the surface will be broken before long.

Masonite Underlayment comes in 4 x 4 or 4 x 3-foot sizes and is available at lumber yards. It's approximately 1/4" thick—215 inches, to be exact. Directions for its application come right with the bundles, or full details may be obtained free by writing the Home Service Bureau, Suite 2037, 111 West Washington St., Chicago 2, Ill.

**Worst**  
A sign in a Missouri bank reads: "The worst place in the world to live is just beyond your income."

### Plan to Screen Heat of Summer During the Spring

Now is the time to inoculate the home handyman with spring fever vaccine and plan measures to stem oncoming summer heat waves.

Attic fans, room air-conditioners and cool drinks are effective remedies for combating discomfort after heat strikes. But there is a fundamental preventive—stopping the sun's rays.

Here are several prescriptions:

1. Extend the roof so that it hangs over the south wall. Overhangs are ineffective in other directions because of the low angle of the sun. The amount of overhang to protect a south-facing window from the sun depends on the latitude in which the dwelling is located, the height of the window and the calendar period during which protection is desired.
2. Walls or fences make effective screens for the low sun on east and west exposures. A terrace surfaced with a light shade of quarry tile is an ideal companion cooler. Spraying the waterproof tile surface lowers the temperature by evaporation.
3. Light-colored jalousies with slats set at 45 degrees are 70 per cent effective in reducing heat from the sun. Harmonious designs should be selected to minimize the effect on the appearance of the house.
4. Canvas awnings are from 65 to 70 per cent effective in blocking the sun's rays. Awnings protect windows on east, south and west walls during most of the day.
5. Trees are especially good screens for the roof and east and west walls. Planting pattern should follow the shape and height of walls. Of course, mature height of the tree and outline of the branch spread must be considered. If possible, plant deciduous varieties because they shed their foliage in the winter and admit the sun when it's welcome.

### Handy Jim's FIXIN-UP TIPS For the Home

**To Lubricate a Lock**  
IF A LOCK becomes stiff and hard to operate, a temporary cure is available in any home in the form of a soft lead pencil. Simply rub the key until it is heavily coated with the graphite, and then turn it in the lock a few times. This treatment should make the lock work like new. Of course, you can use powdered graphite, which is available in most hardware stores. This lubricant is blown into the lock through the keyhole by squeezing the tube. The illustration appeared in *The Home Craftsman*.

**House Plants**  
Most plants will require a bit of extra attention during winter to keep them alive and growing. Make up for some of the lack of sunlight by letting plants sit under electric light bulbs. Give them plant food, too, for extra vigor.

**COLORFUL ENTRANCE**  
A brightly painted front door—especially if your house has a flagstone patio and terrace—gives a nice touch of emphasis to the entrance area. The same color, repeated in a floral border, will add further charm to the scene.

# ★ THINKING OUT LOUD ★

One question, sometimes controversial, sometimes personal is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's guests are "thinking out loud" on the question:

Patty Christine Judy Luan

With this being Girl Scout Week, we asked four members of Girl Scout Troop 26 what they like most about Scouting.

**PATTY STEPHENSON, 14260 Minehart:** "I like camping out best—making fire outside and cooking. I've been a Girl Scout since last fall and I would recommend that other girls become Scouts too."

**CHRISTINE McMULLEN, 292 S. Mill:** "I find that it is very interesting—not boring. The most interesting thing we do is camping. We stay overnight in tents or a cabin and do our cooking outside. We also have a Scoutarama, parties and make treats for hospital patients. I would join again if I had to do it over."

**JUDY LOWE, 139 E. Liberty:** "I started last fall in the Scouts after a year in the Brownies and I like it. I particularly like camping out. We also do woodburning, work in scrapbooks and cut things out. I'd like to be a Scout leader myself some day."

**LUAN PENNEY, 16370 Haggerty:** "My favorite is hiking and cooking. We work on scrapbooks play games and sing. Girl Scouting teaches us to take care of ourselves better when we get older."

# Market Crash 'Can't Happen'

BY HARRY C. FRANCE

Readers of this column frequently write me to ask when the stock market is going into a tail spin. The memories of some of these people go back to the depression 1930's when the basic commodity price level was very low, unemployment was rampant, farmers were in distress and industry was prostrate.

Twenty-five years ago, total national income was about 40 billion dollars. The years 1931, 1932 and 1933 still haunt many investors. Some of them believe the country can drift back into the economic conditions of those days. Well, it can't. There are too many powers, and controls, available to prevent that happening.

The Commodity Credit Corporation, a most important governmental agency, makes loans on a great variety of agricultural products—especially wheat, corn and cotton—and purchases vast supplies of farm commodities. In 1932, when national income hit a low, wheat sold for 40 cents a bushel and cotton at 5 cents a pound. Economic paralysis on the farms brought stagnation to industry. Today, the Commodity Credit Corporation has billions of dollars invested in basic farm products. This is only one of Uncle Sam's controls.

Just now, wheat futures (March, 1957) are \$2.37 a bushel. March cotton is about 35 cents a pound. And so on down the line. Today, wheat is about 600 per cent higher in price than it was in 1932. And cotton is 700 per cent higher. Those are important figures for investors who went through the bear market 30's to remember. Agricultural prices are supported by the Government.

The Eisenhower budget for fiscal 1957-1958 calls for 72 billions of dollars. In addition to this, tax collections for Social Security will bring the total amount of Uncle Sam's income to 80 billions. Now this is an amount twice as big as was national income in 1932.

Blood does not come out of a stone. And 80 billions of tax money for the United States

Government will not come out of a deflationary economy. Today national income should be around 400 billions a year if tax revenues are to be big enough to furnish Uncle Sam enough money to pay his bills.

What if the country should go into a depression? Well, high governmental budgets would still be with us. And if tax collections did not provide the money, Congress would have to do what was done for so many years—pass legal measures authorizing an increase in the Federal debt. Then this debt would be turned into money.

Such money causes wages and prices to rise and the dollar loses some of its purchasing power. Such phenomena are called inflation. And inflation has ruled America's economic roost for over two decades.

If our country does not enjoy a sound prosperity, then an unsound prosperity will have to be promoted. It is very doubtful that in the years ahead the governmental budgets will be markedly lower than they are now. National income must remain high if tax collections are to be adequate.

The money Congress helps to create when income does not balance out unsettles the whole economy. But Uncle Sam pays his bills and his dollars are better when national income is high and taxes cover his expenses.

Those who are looking for stock market conditions of the 30's will not find them. I am not saying stocks won't sell off. They may. But such a collapse of prices as we had in 1931, 1932 and 1933 just won't happen.

(Q) "I am 32. My uncle has just left me \$15,000. have no securities or insurance. What should I do with this money?" W.W.B.

(A) Put \$1,000-\$2,000 in a savings bank. With the rest, buy an assortment of bonds, preferred, and common stocks selling to yield 5 per cent. Use \$400-\$500 of this annual income to buy an insurance contract.

Harry C. France will answer one letter each week through this column. If you have any investment questions, write in care of this newspaper.

# I REMEMBER PLYMOUTH

EDITOR'S NOTE: This column was started last week with recollections of Homer H. Howe, 585 Maple. This week, Mr. Howe concludes his memories of Plymouth during the early part of this century. Anyone having favorite recollections of Plymouth before 1920 are invited to jot them down and send them to The Mail.

I remember Pete Delcur who drove a two-wheeled meat wagon with a white horse. He sold meat all through town. In those days meat and vegetables were sold for so many shillings a pound. (We used regular U.S. money but salesmen talked in terms of shillings.) Weight was valued at one shilling's worth or about 24 cents. Vegetables sold at 1/2 shilling (12 1/2 cents) a quart basket. Meat was 1/2 shilling to a shilling and a half per pound.

My grandfather sold gravel to the Wayne County Road department in 1909 for 15 cents a cubic yard. In 1915 my family rented a building on Main street for a confectionary store, located next to the old Plymouth Hotel. It has been torn down to make way for the Kregge store. On January 13, 1918 we moved by bobleigh to Maple street and there was a terrible blizzard with the temperature at 20 below zero.

Wind was at 40 miles an hour and it lasted two days. That was the year of the coal embargo and we could not buy any. Mayor Harry Robinson had to obtain permission for the people to get enough coal from the railroad cars to keep warm.

I remember the street cars that went to Northville-Farmington junction, Pontiac, Detroit and Wayne. You could go as far west as Chicago by transferring at Wayne.

I recall Charley Thumme, Bill Ellington and my uncle, J. English as conductors, and George Groth as motorman. One time on Halloween, us boys threw a rope over the trolley line and fastened a dummy on one end of the rope. When the street car came by, we swung the dummy in front of the car and it ran over the dummy. George Groth thought he had killed someone. We all ran in every direction and to this day I don't think anyone knows who we were. We were sorry we were so darn foolish.

Once during World War I, they sold cornmeal in Plymouth with ground glass in it. There were also flower plants which made your hands and face swell when touched. It was during this time that the Penn-Allen Theatre was built. Before that we had had movies and plays in the Plymouth Opera House, now the city hall.

There was a blacksmith shop where Saxton's Feed Store is now located. Where the Parkview Bowling Alley is, there was a foundry and farm implement store run by Hop Shaffer.

And out where Fair street is now located was Kellogg Field where we played ball. Mr. Kellogg was a tall, slim man with a long waving, white beard. I remember more, but this is enough for now . . . thanks for listening.

# What's Your Question on World Affairs?

BY EDGAR ANSEL MOWRER  
"A friend says that we import oil from the Middle East countries. I say that all of our oil is domestic. Who is correct?" (Mrs. C. R., Jamaica, N.Y.)

Your friend is right. The United States imports oil from both the Middle East and Latin America.

Anti-Semitism still stalks the land. Recently it has been fed by a book called "Iron Curtain Over America" which argues that Israel is mostly responsible for the Israeli-Arab troubles. All I can say is, after reading it I find this book a misleading presentation wherein many real facts are forced into a fantastic pattern at the command of a sincere but embittered mind. There is plenty of firsthand evidence of a diametrically opposite kind, including my own observation on the spot — and Nasser's uninhibited threats!

Simeon (?) — please write more clearly! Laventich of Gary, Ind., sends me a very intelligent de-

fense of the thesis that the entire Hungarian rebellion was planned and carried out by the Kremlin in order to profit by the event. I have heard this argument before from a good source. Yet I do not believe it. For the outcome has not been — in my judgment — a profit for the USSR but a loss so grave it may end by destroying the fabric of Soviet tyranny. Nonetheless, the situation is worth watching and Mr. L. may turn out to have been right.

"Don't you think Israel owes it to the world to submit to the UN injunction to withdraw even if it is unjust (as you argue) in order to spare the world the risk of another world war?" ("Catholic," Buffalo, N.Y.)

No nation has an obligation to sacrifice its national existence to spare the world a war. The Arabs make no bones of their intention of wiping Israel off the map. Withdrawal by the Israelis would make this easier for them. The Israelis have as much right to defend

their existence even at the cost of a world war as I hope you agree, the American people would have.

"Do you find the choice of Jock Whitney as Ambassador to London a good one?" (Miss O.G., Philadelphia)

I can find nothing in his background to support that conclusion. An American diplomat in a major post abroad needs, above all, vast experience in world affairs. Mr. Whitney seems to lack such vast experience. Therefore, his appointment is another gamble by the State Department. Let us hope the Department is betting on a good horse. For it is our money too.

Send that one SHORT question on world affairs to Edgar Ansel Mowrer in care of this newspaper.

"On what basis do people say the next war will destroy all the belligerents?" (W. C., Wheeling, W. Va.)

On the analogy of the Kilkenny cats:

"There once were two cats from Kilkenny  
Who thought there was one cat too many.  
So they clawed and they bit  
And they scratched and they fit  
Till 'stead of two cats, there weren't any."

Bad verse, perhaps, but a sobering thought.

# New Officers Named By Cancer Society

The American Cancer Society board met at the ACS offices Monday, Feb. 25. President Mrs. Harry Bartel appointed Mrs. Lucille Tanner as secretary-treasurer; Mrs. E. J. Carless, educational chairman; and Mrs. Thomas Horn, publicity chairman. Plans are being made for the Cancer Crusade in April.

Others on the board are Charles Wyse, vice president; Mrs. H. J. Brisbois, office chairman; Dr. Ray Barber, Norman Marquis, Mrs. Austin Stecker, Rev. M. Johnson, Mrs. M. Hough, Mrs. Robert Barbour, Link Lantz, Elizabeth McDonald, Dr. Robert Hindman and John Truer.

# Be Old and Popular?

BY ROBERT PETERSON  
"Two-Thirds of Older persons feel unwanted—and many of them are right," says Dr. Erwin Ackerknecht of the University of Wisconsin. This sounds like a scathing indictment of older people, and yet the statement carries a pack of truth.

What causes many people in their retirement years to be unwanted? When someone tossed this query into the conversation at a party the other evening, we all took a crack at it, including two retired gentlemen. Here are some of our conclusions:

**Lack of means.** A majority of older people have very little money, and this probably contributes to their being unwanted. While money won't buy friends, we must face the fact that human nature generally finds financial independence more attractive than indigence. In addition, money permits the individual to do things, such as entertainment and travel, that increase his opportunities for being appreciated.

**Lack of interest in others.** Older people as a rule show less interest in others than do younger ones. Watch a new family move into your neighborhood. It isn't long until the children are making friends with other children in the area. But it may be weeks or even months until you call on the parents, or until they call on you. This may be because you have your own circle of friends and relatives so you don't feel the need to make new friends. Or you may fear you'll be rejected if you extend the hand of friendship. Or you may lack self-confidence. Older people who want to feel wanted should make the effort to show by word and deed their sincere interest in others.

**Lack of attractiveness.** Many people tend to neglect their ap-

pearance as they grow older. This declining interest in how one looks may scare potential friends away. While older people needn't dress expensively, they should make an effort to follow current styles. They should also give continued attention to their grooming and to care of their skin, nails, and hair.

**Too much or too little to say.** While both these extremes lead to an older person being unwanted, it is my observation that the first may be the lesser of these two evils. A very loquacious person may prove tiresome and aggravating, but a silent one who has nothing to contribute to a conversation may prove even less interesting to have around.

**Lack of tolerance.** As people grow older they may tend to become increasingly critical of views that differ from their own. They may cling so tenaciously to their established opinions that they vent their spleen on everything that fails to fit their pattern of prejudices. Unless an older person can see occasional merit in the views of others he is likely to be unwanted.

The grayling a freshwater fish of northern Canadian areas, is a distant relative of salmon and trout.

# The Case Against COMPULSORY AUTO INSURANCE

Question: Surely the New York Compulsory Auto Insurance Law eliminates the objectionable features that came to light in Massachusetts?

Answer: It doesn't because it can't. No such law can. Consider the comment of the New York Superintendent following passage of the law to the effect that "the uninsured motorist endorsement is capable of doing more to solve the problem of the uninsured motorist than any law the Legislature could pass."

Even as the Governor signed the Bill into law he expressed regret that it afforded no protection against non-compliance, hit-runners, stolen vehicle operators or out-of-State transients. (All of which are included in UM coverage!)

The Governor commented optimistically that he would "continue to press for Legislation to fill the void," but when questioned later to what remedial amendments might exist, the Superintendent said: "No conceivably valid New York State Law can be passed" which would fill the void acknowledged by the Governor.

Massachusetts can't solve its Compulsory mess after 30 years and over 800 proposed amendments to the existing law!

New York couldn't enact a new law without the same inherent evils!

Does anyone believe Michigan could expect to do better?

Question: Would an Unsatisfied Judgment Fund be better than Compulsory?

Answer: It would be the lesser of two evils, but it still could not do as good a job as Uninsured Motorist coverage.

In addition, available evidence indicates UJ Funds tend to weaken Financial Responsibility Laws which encourage purchase of insurance.

Plymouth Stores Hold Open House To Introduce —

# NEW IN PLYMOUTH!

3-Day Event March 14, 15, 16 To Mark Special Showings Of Newest Spring Apparel, Shoes, Home Furnishings and Garden Supplies

The first signs of Spring in Plymouth will be made dramatically evident to people in the Plymouth-Northville-Livonia area next weekend when most of the major stores in Plymouth will participate in an exciting 3-day Spring Open House, March 14, 15, and 16. The underlying theme of the event is "NEW IN PLYMOUTH" and the merchants will hold special demonstrations, and offer unusual displays of the newest spring merchandise available. Stores will display the "NIP" emblem shown at right in connection with showing and explaining everything that's "New in Plymouth."

Spring always pays its first visit to the store windows and

shelves! Long before the robin returns, the grass turns green or the leaves begin to bud, the merchant has turned his store into a proverbial greenhouse bursting with the season's newest offerings.

Examine carefully every page and every ad in this "New in Plymouth" section. It contains important shopping news about all types of things you will be buying this spring for your family . . . men's, women's and children's clothing, shoes, furniture, carpeting, draperies, garden supplies and equipment, paint, wallpaper, auto tires, giftware, etc.

Most important, remember that you'll find all your Spring needs right in PLYMOUTH . . . where shopping is convenient and clerks are friendly. Plymouth's stores are brimming full for this Grand Season-Opening Event!

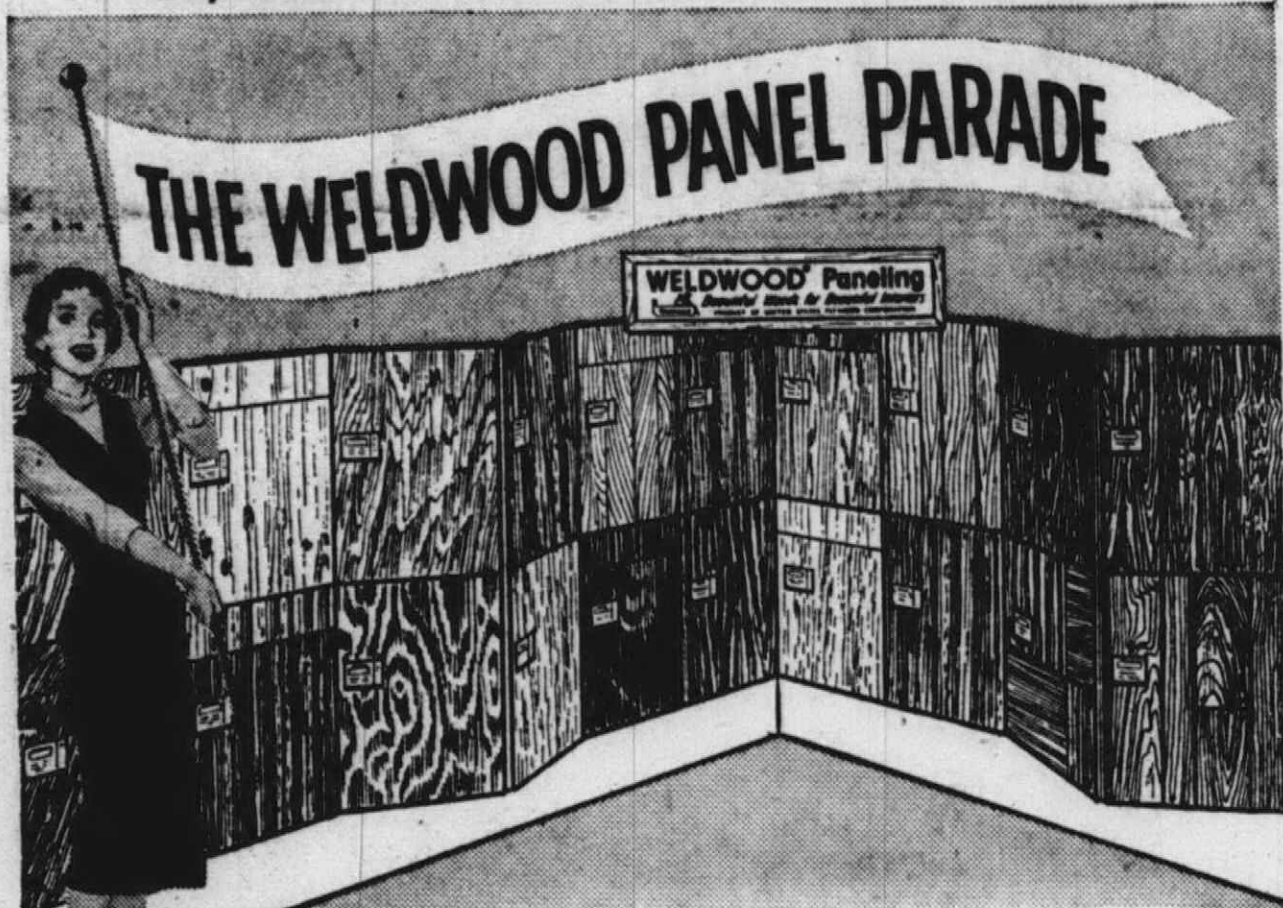

If you're thinking of **PANELING PLYMOUTH LUMBER** HAS IT!

TO MAKE YOUR CHOICE EASIER, WE HAVE ONE OF THE LARGEST, MOST COMPLETE PANELING DISPLAYS IN THIS AREA — NOT SMALL SAMPLES BUT COMPLETE WALL AREAS!

During our "NIP" open house, March 14, 15, 16, a factory representative will be on hand to explain the characteristics and uses of varieties of paneling and answer any questions you have . . . . .

SO, COME IN AND SEE THIS UNUSUAL DISPLAY!

The biggest selection of wood paneling you'll see anywhere!

NOW ON DISPLAY—a Weldwood paneling for every room—every decorating style! 16 beautiful woods—including walnut, oak, mahogany, birch, Nakora, Samara, knotty pine, cherry and other fine woods. See the textured panels—Sea Swirl, Surfwood, Weldtex, Surfplank! Don't miss V-Plank—the v-grooved paneling. Or Plankweld—the paneling you install with metal clips.

16 BEAUTIFUL WOODS  
5 DISTINCTIVE STYLES  
68 INDIVIDUAL WOOD PANELS

Many Weldwood panels are factory-finished (even waxed)—ready to install. Come in and select real wood paneling for your home from the PANEL PARADE display in our showroom—we'll help you estimate the job (even show you how to do it yourself). The cost is surprisingly low—you can panel a 12' x 8' wall for as little as \$26, depending on the wood selected. Remember, Weldwood paneling is guaranteed for a lifetime, too!

**Handsome Stone Facing  
And Block are Enduring**

Stone, the most ancient of materials for home building, is gaining new favor with decorators as a veneer in home remodeling.

Both interiors and exteriors acquire new beauty through the effective use of the colors, textures and varied shapes of stone wall facing and blocks.

Resembling natural flagstone, this moulded building material lends itself to either formal or informal treatment, depending upon the way it is set and the room in which it is used.

Throughout your home you'll find innumerable places where this attractive material can add beauty and character to colorless rooms.

If you have an outmoded, unattractive fireplace, try facing it, floor to ceiling, with stone.

For striking beauty extend the fireplace facing to cover the entire wall, with, perhaps, a built in niche for your television set, for books, or for shelves on which to display family treasures.

To add distinction to an other-wise drab living room, try a stone facing planter-wall to define the entry or to give semi-privacy to the dining area.

The rough natural texture of stone is ideally suited to the more informal rooms of your home — the rumpus room, play room, or family room.

Give your family room a casual air with a counter-bar of stone. Veneer one wall adjacent to a picture window.

As practical outdoors as indoors, you may wish to extend your "stone wall" across the end of a porch or patio to achieve the airy "open" look.

Weather resistant and fire-safe, this material requires no painting nor upkeep and can be applied over walls of any type.

The insulative value of stone facing will reward you with more even indoor temperatures in hot or cold weather, and its beauty will increase the value of your home.

Dri-Gas costs so **LITTLE**—does so **MUCH!**

**DRY CLOTHES** quickly. Even, perfect drying 365 days a year. A blessing in wet, stormy, chilly weather when you have a Dri-Gas Dryer!

**HEAT WATER** faster. Oceans of hot water from small, low-cost, easily-installed Dri-Gas heater. No "premium rate."

**COOK YOUR MEALS** automatically. Gives you pure, clean, hot gas flame. Dri-Gas ranges offer new features, safety devices.

**HEAT YOUR HOME** automatically. Clean, healthful heat—ends smoky, ugly, oily film on walls, woodwork.

**BURN TRASH AND GARBAGE.** Odorless, smokeless Dri-Gas incinerators quickly dispose of everything that will burn.

**What is Dri-Gas?** Dri-Gas is pure LP-Gas with 2 1/2 times the heating power of natural gas. It is specially "Dri-Processed" to give you a hotter, cleaner flame. Unlike ordinary, impure fuels, Dri-Gas never leaves any of that familiar black, greasy deposit on your walls or ceilings.

**Ivy League Look Wins Boys' OK**

Little boy fashions this spring are junior chips off the Ivy League block.

For jackets, slim stripes in such rich color combinations as red and gray, brown and black and yellow and brown dominate the little boy scene. Close seconds are glen and madras plaids and manly houndstooth checks.

Whatever the pattern, jackets are Ivy-League-styled.

Teamed with the jackets are solid-color coordinated pants in short or long lengths, and often with back straps and buckles.

Bermuda shorts are popular while striped knickers provide a new note.

A three-piece set, consisting of sports coat, gabardine slacks and a bulky pullover with continental collar trimmed to match the slacks, makes a particularly good-looking outfit.

Tweed is a favored fabric for little boys. Besides lightweight wools, many of the tweeds are cotton, silk or synthetic blends.

Gray pin-striped flannel and rayon flannel are two other handsome spring suitings.

Highlighting many garments is the silky look. Silk or rayon threads are woven through woolen, blended and cotton fabrics, giving a smooth, decorative appearance to little boy's spring clothes.

## Men's Shoe Wardrobe Gains Great Diversity From Lighter Leather

The American male has acquired a new flexibility with regard to the clothes he wears and this is nowhere more apparent than in the shoes for spring and summer 1957. New leathers have encouraged this diversification. Leading the list is the new lightweight tropical leather, which has meant a whole new warm-weather shoe wardrobe for most men. The new leather grains, used alone and in combination with smooth leather, are another factor. Latest is the new brushed, or suede leather with the two-way nap.

Leather shoes for dress and business wear will have a luster this season in keeping with the lustered look in men's suits. Smooth calf and pebble-grained shoes will have a natural gloss which takes to a high polish. Shrunken calf will have a lustered finish. Even suede, when used alone, will be glossy, though in combination with smooth leather it may be dull-finished for contrast.

**Ankle Line Varies**  
Another factor multiplying men's shoe styles has been the emergence of the continental look and its adaptations. First was the modification of the ankle line, until now we have the re-emergence of the six-eyelet oxford for dress-up wear, with business shoes generally settling for three or four eyelets and casuals for two. Slip-ons may be low or high, but low models have cross-over vamp straps or gores to insure fit. Welt construction with its superior shape retention and comfort features is the general rule for dress and leisure shoes.

The general appearance of the shoe will be trim and carefully designed, with tailored leather soles, fine stitching, and light, well-executed perforations.

**Elegance Predominates**  
The trend toward elegance is apparent even in casual shoes and is particularly noticeable in the long Continental-type slip-on with high tongue. While the moc toe still leads among casuals, the plain toe and the medallion borrowed from the classic brogue are making their appearance.

On shoes for town, leading leather colors will be black, medium tan, teak brown, London tan, cordeau and dark maple. For dress-casual wear there will be combinations of black and gray and of light tan with darker tan or tan with brown.

Ivywood will be popular for both dress and casual wear for coordination with the Loden greens and the new bronze and Khaki tones in suits and coats. Casual shoes will be seen most often in wheat, gray, beech, sun-tan, and related colors, but some reversed calf and shag leathers will sport dull red and olive hues.

## Colors Making '57 Spring News In Carpet Field

The sense of elegance comes from the way a room looks at first glance, and then from how comfortable it is to live in. New carpets seem to be designed with both thoughts in mind.

New colors and patterns give the handsome first impression. Softer, richer texture provides the deep comfort. Behind-the-scenes practicality is also built in, for continuing good looks.

Color is the big carpet news. Brilliant jewel tones—sapphire, topaz, aquamarine and pearly white—provide exciting color on the floor.

More subtle, but lending a sophisticated decorating air, are muted tones such as olive green, nutria, a new rose hue and sandalwood.

Just as interesting are color mixtures in tweeds or bolder combinations. Usually, two neutral tones are sparkled with a bright accent color, so that the carpet can serve as a coordinator for the room decorating scheme.

For even easier color-planning, many fabric and carpet manufacturers have planned their new products together, so that the colors naturally go with each other.

In texture, the trend is toward a hand-loomed look. Numerous new tweeds sturdy textures and tight weaves resist signs of traffic and soil.

## Well-Planned Patio Eases Outdoor Living

Outdoor living is easy and elegant, too, when it centers around a well-planned, thoughtfully-furnished patio. An enclosed court, a terrace or a corner of the lawn can serve as a patio, and the choice of furniture is equally flexible.

Styles range from classic to modern, with emphasis on comfort. Every type of outdoor furniture has its special advantages.

Spun aluminum tubular furniture, with plastic covered

innerspring cushions or plastic webbing, offers the benefits of light weight and easy care.

Wrought iron furniture makes a more formal arrangement, and is also adaptable for indoor use. Wood furniture blends well with an outdoor setting. Tubular steel furniture is liked for its durability and contemporary design.

Furniture with enameled steel frames tends to modern design and usually has the added advantage of economical price.

Since barbecue equipment

is equally varied, the type of cooking to be done should determine the choice. A simple rack over a charcoal bed is sufficient for hamburger and hot dogs.

- 1 Both feet are measured. The longer foot size and greater width is fitted.
- 2 Big toe joint is fitted to the widest inside line of the shoe.
- 3 Small toe is fitted to the widest outside line of the shoe.
- 4 Approximately ½ inch allowance from the end of the toe to the end of the shoe.
- 5 Heel fitted wide enough at bottom and properly snug at top.
- 6 Regular intervals suggested for rechecking shoe size.

SHOE SHEATH IN LEATHER, the most popular silhouette for Spring. Long slender lines in highly polished black calf emphasize the covered-up look so chic this season.

### New Spring Slacks Are Lean, Light in Style

Spring will bid a fond farewell to the heavy-weights in the slack family and to the long popular charcoal tones.

This year's slacks are as light as a feather and are well suited to blend with interesting sport shirts and coat combinations.

More patterns and lighter color hues are the theme for the well-attired male, with an over-all tapering and slimming of measurements. Even a slight shortening of the trouser length can be detected.

Slacks will be seen in thin and pencil stripes, checks and plaids in a wide variety of waistband styles.

Still popular is the English model with double front

pleats, no belt and a continuous waistband that includes side button tabs.

An American adaptation of that model has similar pleats and proportions, but a rubberized inner waistband.

Hollywood's contribution to the slack-set brings out the high rise, with pleat stitches running to the top of the waist, and the slacks have a more generous cut.

For the males who have accepted the comparatively new fad of walking shorts, they're here this spring in full color. Greater acceptance indicates that men of all ages will continue to champion the cause of walking shorts for spring and summer.

NOW YOU SEE IT, now you don't. A pretty party shoe in patent leather that can be worn as a pump or a Mary Jane. A loop under the shank holds the strap in place.

Ivy influence is seen in the return to wool caps as a major headgear fashion. This one is gray glen plaid, with ivy buckle in back. By Stetson.

YOUNG IVY — Neat stripings plus a short, button down collar are style features in shirts sported by the younger set.

Typical of the new spring trends is this worsted wool suit that's light in color and light in weight, a modified natural-look style in pebble design, combining light and dark grays.

## Heywood - Wakefield Modern

Now, at King's you can completely furnish your home in modern decor with nationally famous Heywood-Wakefield

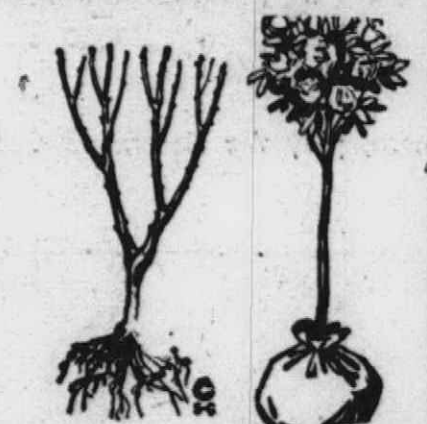

- LIVING ROOM
- BEDROOM
- DINING ROOM

The trend is toward the longer, lower silhouette. These Encore Dining Room pieces feature the advanced design motif. The sleek, long pulls, recessed and moulded bases and flared legs all accentuate the silhouette look. There's a style innovation, too, in the high and low bases which can be mixed or matched in good taste.

These new Bedroom pieces feature the lower, longer silhouette, too. Most important is the combination of good design and characteristically skillful craftsmanship so typical of Heywood-Wakefield quality . . . available NOW at KING FURNITURE!

## FREE ROSE BUSHES
