

## Four Seek School Board Vacancies

Four people remain in the race for two board of education vacancies after one who had filed last week asked to have his petition withdrawn.

In the contest for the two seats are the two incumbents, Mrs. Esther L. Hulsing, 1010 Church street, and Warren L. Smith, 794 South Main; and two new office-seekers, Robert R. Soth, 41430 Warren road, and Charles J. Zoet, 380 West Liberty.

Soth is an employee of the International Business Machine company while Zoet is a Livonia school teacher.

John R. Schroeder, 7878 Ridge road, had filed his petition but asked later to be withdrawn due to the need of more time to devote to his own job. State code allows up to three days to withdraw a petition. His letter was filed Monday and accepted by the board of education at its meeting Monday night.

For the first time since Canton township school districts were annexed to the Plymouth district, a resident of one of the original Canton districts has tossed his hat into the ring. Soth, a Warren road resident in Canton township, has decided to enter the race to offer representation from that area.

Mrs. Hulsing, secretary of the board, is completing her first term in office while Smith, board treasurer, is ending his second term. Terms are for three years.

The annual school election will be Monday, June 10 at the high school. Besides the school board contest, there will be two proposals on the ballot. One will ask if the school district should be changed from a fourth class to a third class district thus permitting a seven-member board instead of five members.

The other proposal will ask for a four and a half mill "increase" in taxes for operating revenue. There would be no actual increase in taxes, if the proposal is approved. Instead, two and one half mills would be "borrowed" from bond retirement levies that are no longer needed while two other mills voted in 1952 are expiring this year.

Voting in the June 10 election will be by machine instead of paper ballots, according to Superintendent Russell Isbister.

## Lure of Business, Industry to City Studied

### Mayor Names Committee To Attempt Broadening Tax Base

An effort to increase the tax base of the city of Plymouth by encouraging more business and industry to locate here and by making existing conditions more desirable, was unveiled this week by Mayor Harold Guenther who announced the appointment of a three-man committee to lead the study.

The committee has been charged with the responsibility of finding a way to increase the tax base (or valuation) of the city, Mayor Guenther said, in order to provide more services without an increase in the tax rate.

Appointed to the committee this week were Commissioners Robert Sincoc chairman; William Hartmann and Richard Wernet.

Mayor Guenther pointed out that the committee will confine its study to the city's two square miles; that no consideration will be given to tax base improvements through annexations.

The city of Plymouth now has \$17,864,000 worth of personal and real property being taxed at \$16.50 for each \$1,000.

(Next year it will drop back to \$15.50 after a fire engine is purchased.)

### Schools To Survive Cut In State Aid

Plymouth's Community School district will get by this fiscal year without the need of "cutting corners" such as some other districts in Michigan are doing due to the lack of additional school aid funds. After July 1 it could be a different story.

Superintendent Russell Isbister said that the final school aid check of this fiscal year is expected this week and should be about \$43,000. But if reports from Lansing hold true, the school will get but a small fraction of this amount.

Decreased sales tax revenue has upset the state aid allotment set up for each school district in the state. Plymouth was to get \$653,455 during the current fiscal year (July 1, 1956 to June 30, 1957). A check is received every other month and the final payment to Plymouth should be \$43,000.

Some school districts have already notified teachers that pay would be cut and some districts are "borrowing ahead". But even if Plymouth does not get its \$43,000, the superintendent states that there will be enough in the budget to carry the school district through.

What will happen after July 1 is another worry. Democrats and Republicans are still engaged in battle in the state senate, with Democrats favoring a corporations tax to support schools and Republicans favoring additional cigarette and liquor taxes. Without additional revenue, state aid is expected to be cut drastically and the local board would need to join other boards in the state in figuring out a way to get by.

### First of Three City Dog Clinics is This Saturday

A reminder was issued this week from city hall to dog owners that this Saturday will be the first of three dog clinics. From 9 a.m. to noon and 1 to 5 p.m., the clinic at the rear of city hall will be open. Final days will be Friday and Saturday, May 24 and 25.

Dog licenses and rabies vaccinations are given at the clinic.

## Burroughs Corp. Opens New 204,000 Square Ft. Addition

A 204,000 square foot addition to the Burroughs Corporation's Plymouth Manufacturing and Engineering Division has been completed and put into operation it was announced by Robert A. Niemi, general manager.

Completion of the new structure came just 12 months after President John S. Coleman announced building plans.

The new, modern, one-story brick, steel and glass structure increases the Plymouth Division's total floor space to 840,000 square feet, or 19 acres of manufacturing and office area.

The building will house assembly operations of the recently released Typing Sensimatic accounting machine, Sensimatic and bank proof accounting machines, a special parts fabrication department, an electrical components assembly operation and tape perforator machine assembly.

The new addition measures 310 by 600 feet. It features specially tinted glare-proof glass on the west and south sides, more overall window space, better ventilation and a cafeteria seating 350. Eventual employment of 2,000 more people is expected.

The new Plymouth addition is the second Burroughs expansion in the Detroit area this year. Last month a 104,000 (Continued on Page 8)

### School Site Price Set At \$45,230

A price of \$45,230 was quoted to the board of education Monday night for a 10-acre school site in the middle of the Fred E. Greenspan Building company's Lake Pointe Village in Plymouth township.

An hour-long discussion took place between Greenspan officials and the board with the area of disagreement focusing upon a \$13,000 charge as the school's share of bringing sanitary sewer and water to the site. School board members maintain that they should not share in the \$70,000 expense of providing services to the site.

Fred Greenspan and Joseph Staub, partners in the building firm, along with their attorney, appeared before the board to discuss the offer. Staub pointed out that the building company is offering the land at the exact raw land acquisition price, plus other costs incurred such as legal expenses, taxes and land contract payments.

Cost of the land alone is \$32,200 (\$3,220 an acre), which board members felt was a fair price, but they objected to the additional cost of sewer and water facilities which would bring the price up to \$45,230 an acre.

The board maintained that the cost of providing sewer and water, based on a fixed amount per acre, and added to the cost of each home, should not be passed on to the school. For one, they say, this cost could be borne by homeowners in the area as their share of constructing the school. The board also maintained that the school will be using only one tap.

## Work Started On New Church Of Christ, Scientist

Members of First Church of Christ, Scientist, Plymouth, have broken ground for a new and larger church, on the former Walter Sumner property at 1078 West Ann Arbor Trail.

The new church, designed by C. Dale Dykema of St. Petersburg, Fla., will be a single-story structure of modified contemporary design.

Church and Sunday School facilities are to be in separate buildings. They will be connected by a covered breezeway which will skirt the loop drive and provide shelter in bad weather for persons entering and leaving cars.

Buildings will occupy some 10,800 of the 75,000 square feet total area, the remainder being divided among lawn, shrubbery, and parking facilities.

The outgoing church structure which these new facilities replace has been in continuous use since 1903. It was the first Christian Science church building in Michigan to be erected expressly for such use.

WHILE THE 90-PIECE Plymouth Symphony Orchestra played familiar music from the past and present at Saturday night's Pop Concert, over 500 people sat around tables to enjoy the informal evening. The

pops concert, first attempted by the symphony, was termed an overwhelming success by its planners and those who attended. Girl standing in center is selling cookies. Coffee and soft drinks were also served.

## Mayor of Village of 600 Takes Over City Monday

Sixty-four-year-old Floyd L. Turk, mayor of Lexington, Michigan, will be Plymouth's mayor for the day next Monday while Mayor Harold Guenther travels to Lexington.

### Community Picnic Again Scheduled

A community picnic featuring a chicken barbecue which helped finance the purchase of playground equipment last year will again be held next month by the Plymouth Rotary club.

The picnic, to be held at the Hamilton Street Playground at Hamilton and Joy streets, will be Sunday, June 9. In case of rain it will take place the following Sunday.

Over 500 people attended the picnic last year, despite a threatening day, and helped finance the equipment for the Hamilton Playground. Rotarians hope to raise enough money to finance equipment for another playground this year.

The chickens are barbecued over large pits. Other fare on the menu make it a complete dinner. Serving will be from 1 to 5 p.m. Price of the donations will be \$2 for adults, \$1.25 for children under 12 and free for children under five years of age.

to take over the affairs of that village of 600.

Exchange of Mayors Day is but one of the observances taking place during Michigan Week which opens Sunday. Started in 1954, Michigan Week is designed to make citizens better acquainted with their state.

Like the past three years, the visiting mayor will be treated royally by the official city family. Mayor Turk will arrive in Plymouth Sunday evening and stay at the Hotel Mayflower. After breakfast at 8:30, he will be taken on a tour of city hall and the city.

After lunch, the group will

### Community Fund Votes \$2,000 for Festival

The Plymouth Community Fund Board of Directors voted Tuesday night to grant \$2,000 toward the Plymouth Colony Music Festival which is being sponsored this summer by the Plymouth Symphony Society.

Appearing before the board were three Symphony Society members, President Gerald Fischer, Roland Bonamici and Conductor Wayne Dunlap. The money will be used for developing the Plymouth Colony site of the summer festival. A total of \$5,000 will be needed by the Symphony Society.

visit Daisy Manufacturing, Dunn Steel and Anchor Coupling companies. Dinner for the visiting mayor, city commissioners, city manager, department heads and their wives will take place at 6:30 in the hotel. He will then stay overnight and will appear on WHRV at 8 a.m.

The Plymouth Chamber of Commerce, coordinators of the week's affairs, has established an

### 5 School Choral Groups to Give May Festival

Five Plymouth high school choral groups will combine their talents next Tuesday, May 21, for the annual May Festival of Song. Fred Nelson will direct the Choir, Chorus the Girls Glee Club, a triple trio and a trio in an evening of music which begins at 8 p.m. in the high school gymnasium.

The program will consist of the following:

The chorus will sing "Rejoice Ye Pure in Heart"; "Till See You Again"; and "Hold 'em Joe".

A trio consisting of Arlene Gobiel, Judy Heric and Beverly Harrison will sing "Three Little Kids from School".

Three numbers will be sung by the Girls Glee Club. They are "It's a Grand Night for Singing"; "Welcome Sweet Springtime"; and "Who Needs You?"

The triple trio will sing "Granina Mia"; "In the Still of the Night"; and "The Little Women".

Concluding the evening will be the Choir singing "Lord, To Thee We Turn"; "Choral Procession"; "Mark Twain"; "Carousel" selections; "Come to the Fair"; "Birth of the Blues" and "Round and Round".

Admission is 50 cents for adults, 25 cents for students.

### Two Firms Open At New Locations

A men's clothing store and a brokerage office formally opened their doors this week at the Hotel Mayflower.

Caplin-Sibbold, a men's clothing store, has opened at the Main and Ann Arbor Trail corner location in the hotel. Operated by Carl Caplin and Nat Sibbold, the store carries out a colonial design both inside and out.

The Union Investment company was formerly at the corner location. The clothers have completely remodeled the interior.

In the small room formerly occupied by the clothing store off the hotel entrance, Don Bursell has opened his branch office of the Anrew C. Reid & Company, Detroit brokerage firm. His is the first downtown office devoted entirely to the buying and selling of domestic investment stocks and bonds found on the public market.

## Stork Surprise Poses Child-Rearing Puzzle

PLYMOUTH'S ONLY triplets, Nancy, Susan and Mary Margaret Lytle, are in the afternoon kindergarten class at Starkweather school this year and still confuse most of their little friends. Here they are reading an Uncle Remus book.

By Virginia Robertson

It was the understatement of the year when the Beyer Memorial hospital nurse walked into the expectant fathers' waiting room at 8:22 a.m., Dec. 19, 1956, and said, to Robert Lytle, "We have a surprise for you."

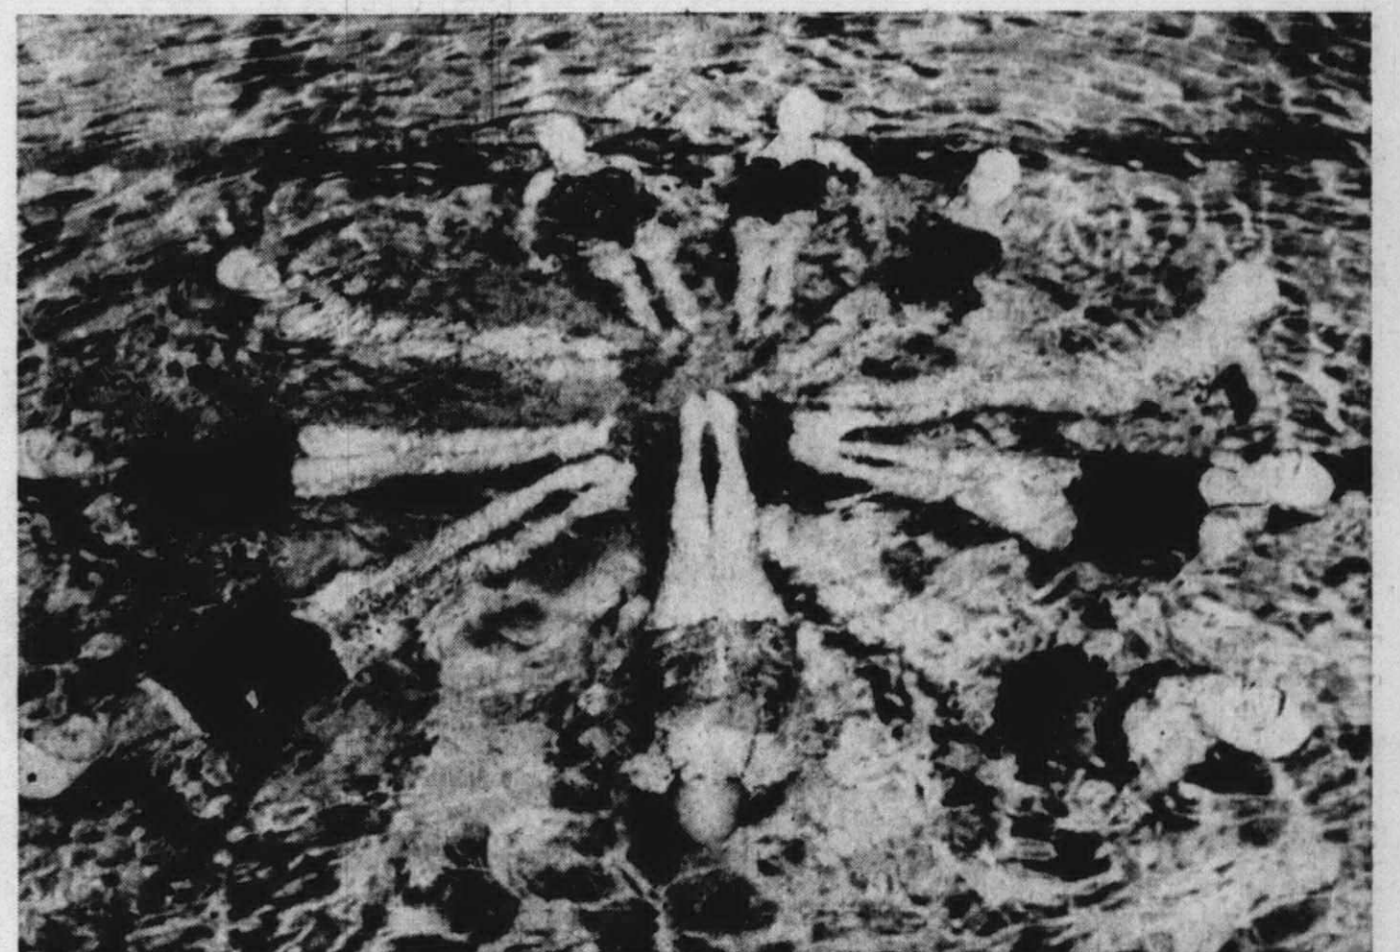

Her surprise was three six-week premature daughters, weighing in at three pounds nine ounces, four pounds four ounces and four pounds 15 ounces.

These additions to the Lytle family of 39819 Plymouth road, which already numbered five since the couple had three older children, came as something of a shock.

Two days before their birth, Mrs. Lytle was expecting one child. The day before, she'd had X-rays taken and the doc predicted the possibility of twins. Mrs. Lytle tells of how she "tore out immediately to buy more material" for the extra baby's clothes. But Mr. Stork didn't really let his secret out until the next morning when he finally decided to tell everybody.

Mrs. Lytle looks back on having the three little ones, Nancy, Susan and Mary Margaret, as somewhat of a problem as well as a joy. "Simply because there were three."

On the good side of this situation, those in the baby supply business were most generous in their gifts. Mrs. Lytle received free baby laundry and diaper service for the first nine months. (Continued on Page 8)

"AQUAVISION" is the name given to the 1957 water show of the high school's Dolphin and Water Wave clubs this evening and Saturday night. The show will be a water portrayal of various television shows, including a music spectacular and a three-ring circus for a finale. Tickets costing 75 cents for students are on sale at the door. The shows start at 8 p.m. Pictured are some of the girls rehearsing.

**Livonia Health Guild Plans To Sponsor Benefit Tea**

The Livonia Health Guild will sponsor a benefit tea from 1 to 4 p.m. Tuesday, May 21, at the home and gardens of Mrs. Fred Antil, 16855 Mayfield, located south of Six Mile road near Farmington road.

The public is invited. Donations will be used as a memorial to Georgina J. Reid, leader and member of the Michigan Society for Crippled Children and Adults.

The memorial will be a special drinking fountain to be installed in the new building for the Wayne Out-County chapter of the Michigan society, located at the corner of Michigan avenue and Middlebelt road.

Hostesses for the tea will be Mrs. Fred Antil, GA. 1-0668; Mrs. LaFontaine, GA. 1-8390; and Mrs. Clare Lyke, GA. 1-7104.

Mr. and Mrs. Joseph Burda

**Janet Lee Mulholland Weds Joseph Burda in Morning Rites**

A 10:30 a.m. ceremony at Our Lady of Good Counsel church, with Father Francis C. Byrne officiating, united Janet Lee Mulholland with Joseph Burda May 4.

Musical selections for the rites were "Ave Maria," "Mother at Thy Feet I'm Kneeling," "On This Day," and "Oh, Beautiful Mother." Daughter of Mr. and Mrs. James B. Mulholland of 46070 W. Ann Arbor Trail, Plymouth, Janet wore a white floor-length gown of nylon sheer, touched with seed pearls and iridescent sequins. Sequins were applied at the wrists of the long sleeves, and the bride's fingertip veil was held in place by a crown of seed pearls. She carried a cascade bouquet of white roses and hyacinths.

Maid of honor Sally Burda, sister of the bridegroom, donned a waltz-length dress of mint green with white overlay. Her white picture hat was trimmed with daisies, and she carried white daisies and yellow carnations in her cascade bouquet.

Attired identically like the maid of honor, bridesmaids were Beverly Signorelli of Plymouth and Janice Sparks of Walled Lake.

Ushering wedding guests were Joseph Signorelli, Herb Trapp and best man Jerry Schoop. Parents of the bridegroom are Mr. and Mrs. Joseph Burda of 28396 W. Warren, Garden City.

Mrs. Mulholland wore a nylon sheath dress of dusty blue, with yellow accessories, while the mother of the bridegroom wore a paisley print sheath with matching beige duster and bittersweet accessories.

Following the ceremony, a reception was held in the Plymouth Veterans of Foreign Wars hall for 250 guests from Grand Rapids, Fremont, St. Louis and Detroit, Mich.

When returned from their northern Michigan wedding trip, the newly wed couple will live in Garden City.

Janet is a graduate of Plymouth high school and Joseph graduated from the University of Detroit.

**Plymouth Girl Plans Wedding**

SHIRLEY ELIZABETH CARTER

Mr. and Mrs. J. Ralph Carter of Pacific avenue announce the engagement of their daughter, Shirley Elizabeth, to Donald Charles Hoffman, son of Mr. and Mrs. Carl Hoffman of Palmyra, Mich.

Shirley is a junior at Hillsdale College, where she is affiliated with Chi Omega sorority. Donald attends Adrian College.

No immediate wedding plans have been made.

**Parents Reveal Truth Of Shirley Rakowski**

Mr. and Mrs. Clarence Bradford of Marlowe street announce the engagement of their daughter, Shirley Rakowski, to Kenneth Shoner, son of Mr. and Mrs. Sylvester Shoner of Brighton Mich.

The couple are planning a July wedding.

Mrs. Charles Terroux and daughter, Pat, her father-in-law, Alfred Terroux, and Dick O'Brien of Royal Oak, also Mr. and Mrs. Frank Sanders of this city were dinner guests on Mother's Day of the latter's daughter and son-in-law Mr. and Mrs. Wendell Lent on Edison avenue.

**Symphony Pops Concert Draws Capacity Crowd**

An overflowing audience of 500 heard the Plymouth Symphony Orchestra in a delightfully new kind of program at its Pops concert last Saturday at the high school gymnasium.

The orchestra showed its versatility by playing a varied selection of favorite, Strauss, opera, and musical comedy hits. Audience appreciation was so warm and receptive that the orchestra and soloists did many encores.

Part of the pleasure of the audience and the orchestra during the evening stemmed from the informal and colorful setting. The orchestra played against a backdrop of scenery suffused with color. The gymnasium was decorated with posters of international scenes. The audience sat at tables spread with red-checked table cloths. A willing and cheerful group of young people served refreshments and snacks.

The orchestra and soloists did everything to make that listening pleasure complete. Joanne Hulce and Nat Sibbold sang surpassingly well, both individually and when they joined together to sing two fine romantic airs "Make Believe" and "In the Still of the Night." Evelyn Woods' fine interpretation of Grieg's piano Concerto in A Minor was received with well-deserved enthusiasm.

The orchestra shifted easily from such varied fare as the Ballet Music from Faust to selections from "My Fair Lady". In between they provided their own humor through the "Pleasure Train Polka", in which the percussionist had a most distinctive solo of shooting off a pistol with six blank cartridges. The audience itself took part in the program by singing and whistling a tune under the guidance of Wayne Dunlap, conductor. The applause which the audience gave itself was deafening.

Altogether the pops concert, and the dance which followed, was such enjoyment for everyone that it promises to become an annual event.

Following the piano solo by Miss Woods, a ceremony took place at which she and her husband, Carl Groschke, were honored for their service to the symphony. They were two of the 12 original players with the symphony 11 years ago and are now leaving Plymouth to live in the southwest. Gerald Fischer, president of the Symphony board, presented a tray to be engraved to the Groschkes.

**To Sponsor Emerald Ball**

The second annual Emerald Ball will be Saturday, May 25, at the Latin Quarter in Detroit, with musical entertainment furnished by Johnny Long and his orchestra.

The event is sponsored by the Detroit Osteopathic Women's club and its coordinated auxiliaries in cooperation with the Osteopathic Physicians and Surgeons associations of Wayne, Oakland and Macomb counties. Proceeds will go to the retarded children's associations in these three counties.

Publicity chairman is Mrs. John N. Sommer of 9224 Morrison, Plymouth.

Ann Donnelly arrived home Tuesday morning from Glendale, California, where she had been visiting her sister, Mrs. Herman Erke and family for the past two weeks.

Mrs. John K. Chapman of Broadalbin, N.Y., is visiting at the home of her sister, Mrs. Thomas J. Hirzel, Sr., 660 Byron.

# Builders Show Opens Thursday

Thirty-five Plymouth businesses and industries will occupy 65 booths at the Western Wayne County Builders Show which opens next Thursday, May 23, at the Detroit Race Course.

The show is a joint project of 19 Rotary clubs in Western Wayne county to build a rehabilitation and recreation center for crippled children. The total cost of the building will be \$125,000 and the Rotarians hope to raise \$50,000 which is the amount needed to complete the project.

Plymouth's merchants and industries will occupy over a third of the exhibition space. There will be 181 booths under the race course stands.

Detroit Race Course is at Middlebelt and Schoolcraft roads, is a 10 minute drive from Plymouth. The show will run from Thursday through Sunday with the entire proceeds going toward the crippled children's center.

The clubs have also arranged for entertainment each afternoon and evening in front of the grandstand and also plan other novel events during the show. At 2 p.m. on Saturday and Sunday a four-hour horse show will be held. More than 250 horses, horse men and horse speed and action contests, horse racing and a girl's drill team will comprise the show. Jack Richards will be the Rotarian in charge of this feature.

Charles Allen, chairman and director of entertainment, has lined up the Inkster high school band for a concert Sunday from 3 to 5 p.m., a 30-piece accordion band will play from 7 to 8. Saturday night the Bentley high school

band will be on hand from 7 to 8 p.m. and there will be a variety of popular acts to entertain on Saturday and Sunday from 8 to 9.

For the youngsters and grown-ups alike, the Doug Wade Shows Carnival will be all set up to take care of everyone. Ferris wheels, whips, tilt-a-whirl, merry-go-rounds, etc. will all be there to add color and fun for the customers.

More than 200 exhibitors will display their wares to the public. Furniture, boats, builders supplies, gardener's equipment, airplanes, trailers, plumbing, appliances, etc. are only a few of the many useful items that will attract the interested home owner.

The Rotarians in their all-out effort to aid the crippled children of Western Wayne County will wear a Rotarian badge starting May 20 through May 26. Anyone interested in helping crippled children and at the same time attend the finest Builders Show ever presented in Livonia may secure a ticket from one of these Rotarians by donating 50 cents.

Parking is free to all children under 12 are admitted free if accompanied by an adult.

## Nancy A. Schroeder Plans July Wedding

NANCY ANN SCHROEDER

Reverend and Mrs. William T. Schroeder of Grand Rapids have announced the engagement of their daughter, Nancy Ann, to James Robert McDowell, son of Mrs. T. J. Brennan and the late Ralph J. McDowell, Sr., of Livonia.

A July wedding is planned.

## Pack 4 Cubs, Fathers Slate Pancake Breakfast

Cub scouts of pack 4, sponsored by the First Presbyterian church, will be holding a father and son pancake breakfast at 8 p.m., Sunday, May 26.

Boys in the pack and their leaders are to march in the Memorial Day Parade, May 30.

Parents and boys interested in taking part in the experiences of cub scouting are to contact N. L. Kellman, 217 Hamilton, 366-R.

## Evangelist to Participate In Church of God Services

Reverend E. B. Jones, pastor of the Riverside Park Church of God, has extended a personal invitation to his congregation to attend a local Evangelistic campaign, with Rev. Robert Williams presenting Gospel messages.

Rev. Williams will take part in the church services, beginning with the morning worship at 10 a.m. and staying for evening services, to be held at 7:30 p.m. Monday, May 19, through Friday, May 24.

Each service will feature congregational singing, personal testimonies, guest singers and singing by groups, duets, quartets and the choir. Rev. Jones said Rev. Williams is "a very enthusiastic minister and his attainments show it."

By June 1, Rev. Williams will

have completed five years as pastor of the Huntington church, preceded by four years as pastor of the Elwood, Ind., Church of God. He is a graduate of Anderson College and attended the first year of graduate work in theology.

Sunday evenings he broadcasts weekly from Fort Wayne over WOWO.

Present jobs include chairmanship of the Northern Indiana Ministerial Fellowship and of the Board of Christian Fellowship for Indiana. Rev. Williams was also camp manager in a Church of God Youth Camp, attended by nearly 700 young people.

Son of a Church of God minister, he is married and has two children.

## Ladywood's Party Is May 26

Ladywood High School's third annual Garden Festival will be all day Sunday, May 26, on the Campus of Madonna College, located in the area of Five Mile to Schoolcraft, Levan Rd. to Newburg Rd.

Participating with Edison Empey, from Plymouth, President of the Dad's Club, and Mr. Jerry from Livonia, General Chairman of the Festival, are the young sub-chairwomen who are working hard on preparations. Ruth Empey is a student at Ladywood from Plymouth, Cheryl Oakes from Dearborn Twp., Janet Scully and Margaret Sickles are from Livonia.

These special affairs are sponsored annually by the Mother's and Dad's Clubs of Ladywood High. The proceeds of the Festival go to the Felician Sisters who operate Madonna College as well as Ladywood, and who will operate St. Mary's Hospital which will soon be erected on the campus.

"Ladywood Festival is fast becoming a tradition in Livonia, Plymouth and surrounding communities," said Mr. Scully. "This year, we hope to surpass the fine crowds who attended the previous two years."

The girls who attend Ladywood come from homes in Livonia, Plymouth, Northville, Farmington, Redford Township, Garden City and a number of more distant communities. This Festival will give the people of those communities a fine opportunity to express, in a small way, their appreciation to the Felician Sisters now offering to care for our sick.

Featuring the Festival will be a roast beef dinner served all day in the school cafeteria. Dinner tickets will be available on

the school grounds at \$2.00 for adults and \$1.00 for children.

Various booths will give everyone an opportunity to walk off with some fine merchandise. There will be a special attraction for each member of the family, including Dad.

## School Custodial Staff Protests Pay Offer, Hours

Four men representing the Plymouth school system's custodial staff appeared at the board of education meeting Monday night to protest the board's recent pay increase offer and to appeal for a shorter work week.

The custodians had been offered a \$100 across-the-board increase and another \$125 to those with three or more years of service. One spokesman called the 22 local custodians "the poorest paid group in the state of Michigan, outside those in the little red schoolhouse."

They said that all custodians should be entitled to the \$225 increase. They also believed that they should work a standard 40-hour week, instead of 44 hours. Their work requirement calls for five 8-hour days and four hours on Saturday.

While the board failed to change its mind on the pay offer, they did ask that Business Manager Melvin Blunk work out some type of arrangement making it unnecessary for all custodians to come in Saturday mornings if work has been completed.

**Robert L. Pickering**  
After a three day illness, Robert L. Pickering of 41560 Schoolcraft road, Plymouth, passed away at 2:25 p.m., May 12, in St. Joseph Mercy hospital, Ann Arbor.  
Victim of a heart attack, he had retired as an employe of General Motors Corporation May 1 of this year.  
Mr. Pickering was born April 2, 1892, in Romney, W. Virginia, son of Mr. and Mrs. John Pickering. He came to this community in 1953 from Dearborn.  
Surviving are his wife, Mary Margaret; two daughters, Mrs. Martha Lee Zmack of Ann Arbor and Mrs. Jeanne Holloway of Plymouth; a sister, Mrs. Margaret Teale of Winchester, Va.; and four grandchildren.  
Mr. Pickering was a member of the Whitefield Methodist church and a Veteran of World War I. Funeral services were held at 2 p.m. Wednesday, May 15, at the Schrader Funeral Home with

Reverend R. E. Niemann officiating. Burial was in Riverside cemetery.  
**William A. Garrett**  
Funeral services for William A. Garrett will be held at 2 p.m. tomorrow (Friday, May 17) at the Schrader Funeral Home for William A. Garrett, formerly of 708 Church street, Plymouth.  
Mr. Garrett had been ill since 1951 and had spent the past year in Veterans hospital, Ann Arbor. He passed away at 5 a.m. Wednesday, May 15, victim of a stroke.  
Born November 24, 1891, in Slating, Kentucky, he was the father of two sons, William A., Jr., and Robert K. Also surviving are three brothers and six grandchildren. His wife preceded him in death in 1956. Mr. Garrett was a member of the American Legion, Myron Beals post.  
From Schrader's, he will be taken to the Riverside Mausoleum.

Reverend Melbourne I. Johnson will officiate at the services.  
**Frank Leo Piach**  
At the age of 73, Frank Leo Piach of 15576 Fry street, Northville Township, died suddenly of a heart attack May 4 in his home.  
He was born September 3, 1883, in Poland, and he came to the United States in 1914 and to Plymouth in 1950 from Uby, Mich. Mr. Piach was employed as a farmer.  
Surviving are three sons, Theodore and Cass of Roseville and Matthew of Plymouth; three daughters, Mrs. Helen Wrubel of Fillian, Mich., Mrs. Josephine Manzilla of East Detroit and Mrs. Rose Wisinski, Detroit; a brother, John of Chicago and 13 grandchildren.  
Services were held in the Catholic church, Freeburg, Mich., May 7 with interment in Freeburg cemetery. Arrangements were

made by the Schrader Funeral Home.  
**Leland Wilfred Lewis**  
Funeral services will be at 1 p.m. today (Thursday, May 16) in the Schrader Funeral Home for Leland Wilfred Lewis of 11409 Gold Arbor road, Plymouth. Rev. Charles Holland will officiate.  
After a four-months' illness, Mr. Lewis passed away at 6 a.m. Tuesday, May 14, in Sessions hospital, Northville. He was 49 years old.  
Born September 24, 1907, in Detroit, he was the son of Edith Leland and Wilfred Lewis. He was married November 24, 1934, and came to Plymouth in 1948 from Detroit. A member of Plymouth Elks Lodge 1780, he was employed as a plant operator for Detroit Concrete Co.  
Survivors are his wife, Hazel C.; his parents, Mr. and Mrs. Wilfred Lewis; and a brother, Warren B. Lewis, all of Plymouth. Interment will be in Riverside cemetery.

## Knowing Timetable of Seeds Avoids Worrysome Waiting

Like most of gardening's frustrations, impatience over slow-sprouting seeds usually disappears as the gardener acquires more know-how. Flower seeds have a wide time range in germination, and the gardener who looks for a slow-germinating seed to show some activity a week after it is planted is doomed to disappointment and needless fear that "something is wrong."

WHEN the new gardener decides his seeds are lifeless because they haven't sprouted he is apt to

abandon them. Then, when they do appear above ground and are in need of immediate attention, they have been forgotten and go unnoticed.

To avoid this needless waste, it is advisable to know the germination tables of all flowers planted. For example, here are some flowers which should germinate within five days:

**AGERATUM**, amaranthus, anemone, candytuft, cardinal climber, centaurea, clarkia, calliopsis, cosmos, cynoglossum, dahlias, annual pinks, heleniums, helichrysum, annual mallow, marigold, migonette, four-o'clocks, Virginia stocks, viscaria and zinnia.

When a flower has large seed and colorful blossoms, it is bound to be widely grown and popular, being easy to grow. Marigolds and zinnias, which share with petunias the popularity prize, are fast growing and have large seeds. Petunias, however, are an

exception to the rule among highly popular flowers and have small seeds, can take up to 12 days to germinate and are seldom sown directly in the garden.

**TEN DAY** germinators, include acrolinum, pimpermell, anchusa, snapdragons, asters, balsam, brachycome, calendula, carnation, cerastium, cleome, cosmos, dimorphothea, California poppy, gypsophila, lobelia, lupin, nigella, pansy, poppy, portulaca, scabiosa, tichonia.

In the 15 to 20 day varieties, we find begonia, datura, annual larkspur, godetia, impatiens, kochia, primula, salvia, salpiglossis, sweet peas. Of these, larkspur and salpiglossis seldom thrive when transplanted and should be sown directly in the garden. In the case of flowers sown in this manner, the gardener should exercise great care that the seed bed is not disturbed before the sprouts appear.

## Tastier Salads Made from Own Garden Crop

The fresher the green, the better the salad—and, no salad tastes quite so good as the one grown in your own garden.

Tossed salads are "musts" in most reducing diets and furnish a treasure of vitamins for growing children. Your reputation as a "hostess with the mostest" on the table can be grown in a corner of your backyard vegetable garden.

A salad garden can give you months of crisp, flavorful greens which you would never be able to find in markets. A further advantage of a homegrown salad is that the green leaves can be picked, washed, dried and chilled minutes before serving—an important factor, as any gourmet will agree, in extracting the fullest flavor from your salad.

Here is a suggested list of salad ingredients which can be easily grown by the home gardener:

Lettuce is the key to your tossed salad. The commercially grown lettuce tends to be the tight, white head which most salad chefs find to be tasteless and difficult to dress.

In growing your own, you can enjoy the preferred cos lettuce—known as "romaine" which is available for growing in several varieties.

Loose heading varieties—such as Bibb or limestone—also is a favorite with salad fanciers. This type of lettuce can be grown in the early spring and fall, but tends to go to seed in hot weather.

Leaf lettuce also is excellent in salads and can be grown for a much longer period than the head types. Leaf lettuce can be used when the leaves measure two inches across. The plants must be thinned out regularly in order to mature.

Endive can be grown in two types—broad and curly leaved. Both hold up under frost or hot weather and have a distinctive flavor which is an asset to a salad.

Since frost improves this flavor, a late sowing is recommended so that the plants will reach maturity in the fall.

On the subject of unusual flavor, corn salad is fresh and spicy and is grown easily in spring and fall. Curled garden cress also has a strong flavor and thrives with ordinary, routine garden culture.

Watercress is easily grown in areas which have a ready supply of fresh water. Constant moisture is essential to the fullest development of watercress.

Cervil is an aromatic plant resembling parsley. However, there the similarity stops. The flavor of cervil is far superior and makes it a highly prized item in the salad bowl.

It also can be used as a garnishment for meats. Like parsley, the seed is slow to germinate. Sow it with a few radish seeds to mark the rows.

One of the most useful salad vegetables is chives. A cousin of the onion, its leaves have a delicate onion flavor, just sufficiently strong to give the faintest seasoning to a salad.

Chives grow easily from seed and a plant survives many years.

The Kalmia, or mountain laurel, was named in 1748 by the Swedish botanist Peter Kalm, who was on a plant exploration trip in this country. It is one of the most beautiful ornamental evergreen shrubs hardy in the north temperate zone, says the American Association of Nurserymen.

The plum, cherry, peach, nectarine, apricot and almond all belong to the same family of stone fruits called Prunus, says the American Association of Nurserymen. They are most widely cultivated in home gardens in the north temperate zone.

About half of Russia's inland maritime freight is carried on the Caspian Sea.

### Michigan Clubwomen Convene in Ann Arbor

Several Plymouth residents attended the 25th annual Adult Education Institute held May 8 and 9 at the University of Michigan, Ann Arbor.

U-M experts in educational television, art, medicine and politics gave some 400 Michigan clubwomen a review of the latest developments in their respective fields.

Attending from Plymouth were Mrs. David Wood, president of the Woman's club, Mrs. Kenneth Hulsing, Mrs. Donald Rank and Mrs. David Davies.

The state federation and the U-M extension service have sponsored the institute on a cooperative basis since its founding in 1932.

### DAR Will Meet Monday

The Sarah Ann Cochrane chapter of the Daughters of the American Revolution will meet at the home of Mrs. Earl Mastick at 1 p.m., Monday, May 20, on Lone Tree road, Milford.

Resolutions passed at the 66th Continental Congress will be discussed at this meeting. Reports of officers and committee chairmen will be given, and new officers elected.

### Local Boy Finishes Basic Training For Army, Receives 14-Day Leave

Graham Bennett, son of Mr. and Mrs. Jesse Bennett of Stark road, is home for a 14-day leave after having completed his basic training at Fort Carson, Colo. Bennett, in the Army, will report to Fort Leonard Wood, May 24 to begin further training in the Engineers' Corps.

The Lydia circle of the Women's Society of Christian Service of the Newburg Methodist church met at the home of Mrs. Ruth Bradwell on Joy road, Tuesday, May 7, with 20 members present. The ladies spent the morning making cancer pads and were able to complete 100 pads. After a nose-bag lunch, with beverage furnished by the hostesses, there was a short business session. This group will meet again on Tuesday, June 4, at the home of Mrs. George Hembre, 11200 Mayfield, Livonia.

Mrs. Harold Mackinder and children David, Douglas and Paula Sue of Hanlon avenue, Livonia, spent Mother's Day visiting Mrs. Mackinder's mother's home in Grand Rapids, Mich.

The Rhoda circle, associated with the Women's Society of Christian Service of the Newburg Methodist church, met at the home of Mrs. William Dorr on Dene, Livonia, Tuesday evening May 7. Members present were Mrs. Dale Foreman, Mrs. Clayton Roshirt, Mrs. Leon Rosenberry, Mrs. Carl Lampton, Mrs. Wesley Priebe, Mrs. Henry Pry, Mrs. John Ross, Mrs. Wallace Savage, Mrs. Ray Daniels, Mrs. Harold Knapp, Mrs. William Eastlake, Mrs. Paul English, Mrs. Tom Waltz and Mrs. Emil LaPointe. Guests present included Mrs. Athalie Kreger, Mrs. Dorothy Pazderka and Mrs. Peggy Edmonds. This group will meet in June at the home of Mrs. Edward Reid on Richland.

Mr. and Mrs. Leo Clausen of Ecorse, Mich., were dinner guests Sunday, May 12, in the home of Mr. and Mrs. Henry Mende of Newburg road.

The Sarah circle of the Newburg Methodist church met at the home of Mrs. Hazen Barringer of Schoolcraft, Monday, May 6. Mrs. Raymond Deja served as co-hostess for the evening. Members present were: Mrs. Norman Kerr, Mrs. Earl Waack, Mrs. Dorothy Pringle, Mrs. William Kenner, Mrs. William Schmidt, Mrs. Henry Mende, Dorothy Blanton, Mrs. Glenn McGhee, Mrs. Arthur Frost, Sr., Mrs. Warren Fittery, Mrs. Winford Blanton, Mrs. David Thompson, Mrs. Juanita Hessler, Mrs. Frank Ayres and Mrs. Ray Bowser.

Mr. and Mrs. Arthur Gennis of Joy road and daughters Kathleen and Mary Ellen spent Sunday, May 12, visiting at the home of Mrs. Mary Watt in Mason, Mich. Mrs. Watt is Mrs. Gennis' mother.

The Patchen Community club is meeting tonight, at the Arbor-Lill restaurant on Ann Arbor road for their annual dinner-out. All ladies are to be at the appointed place in time for dinner at 7 p.m. This community club is associated with the Patchen elementary school on Newburg road, and they have their monthly meeting every third Thursday. This meeting will be the final one until school resumes in September.

The Joy road Canasta Clan will leave this vicinity Tuesday, May 21, at approximately 5:30 p.m. to go to Utica, Mich., where they are invited to dinner and an evening of cards at the home of Mrs. George Simon, former resident of this area. Mrs. LaPointe and Mrs. Flaherty are driving, so please contact either for a ride. Dinner is to be served around 6:45 p.m.

The Women's Society of Christian Service of the Newburg Methodist church will change its regular order of monthly meetings this month and will meet at 6 p.m. in the church hall for a pot-luck supper Monday, May 20. All the women of the church are invited and are to bring their husbands and children. Highlight of the evening will be the showing of a colored film strip concerned with "Paul's Letters". A recent study group on this subject has just been completed. There will also be other movies in the lighter vein to suit the young folks present. The slate of officers of the nominating committee will also be introduced and election of officers will follow. Mrs. Edward Ayers, president of the organization, is hoping that all will avail themselves of the evening of fine fellowship and entertainment.

Mrs. Emil LaPointe and children Bruce, David, Mark and Nan of Joy road, along with Mr. and Mrs. E. C. Weiss, Sr., of Graham road, Detroit had dinner at Howard Johnson's in Ann Arbor, Sunday, May 12. Afterwards they visited relatives in Ann Arbor, Dexter and Whitmore Lake.

The fellowship class of the Newburg Methodist church is meeting at the church hall at 6:30 p.m., Saturday, May 18, for their regular pot-luck supper and business meeting.

Sunday May 19 after the 11 a.m. service the congregation of the Newburg Methodist church will meet in the basement of the hall for a share-a-dish meal. After the meal, at approximately 2 p.m., Dr. LaVerne Finch of Ann Arbor, district superintendent of the Ann Arbor district of the Methodist church, will conduct the annual quarterly conference. All new officers are nominated, elected and installed. Dr. Finch will also be the guest preacher in the pulpit at the 11 a.m. service. All members of the church are to attend this important meeting.

### Stork Surprise Poses Puzzle

(Continued from Page 1) a year's supply of Pet Milk which arrived in cartons before Mrs. Lytle was even home from the hospital so she "never bought an ounce," as well as a complete supply of Evenflo baby bottles and a 14-month supply of all flavors and varieties of Gerbers' baby foods.

"On the whole," Mrs. Lytle recalls, "we were lucky because they were exceptionally good babies." But, when it came to the usual procedures, there was triple trouble. Meal-times were pretty hectic at first, since they would come every single hour of the day and night. The girls were on a three-hour feeding schedule and one would wake each hour.

Each would take eight bottles of milk a day, which meant 24 bottles of the formula for Mrs. Lytle to prepare every day. To save time and energy, she would prepare the formula and put it in the bottles, then sterilize everything.

For the first two months, Mrs. Lytle would feed the girls by holding them, but then her milkman gave her three bottle holders which gave her time to do other things for her children.

As they grew older and started eating other foods than milk, Mrs. Lytle solved the problem by lining them up on the bed, and just feeding them right down the row. "At first I was very sanitary about it all," she laughed, "using a special spoon and bowl for each. But I'd get so confused, as to whose spoon was whose that I finally gave that up and just used one spoon and bowl for all." Mrs. Lytle explained that the three were so close in their playing and even sleeping that if one had a cold, or such, they'd probably all get it anyway.

The three caught the measles once, in addition to the usual childhood colds, but other than that, Mrs. Lytle says they've never been seriously ill.

It's enough of a problem to get one, or possibly two, youngsters dressed up, but when it comes to three, a mother really has her hands full. To cope with the three rambunctious and

"into-everything" little girls, the Lytle family purchased a special extra-large playpen, which "took up half our living room space," Mrs. Lytle said with a smile.

But when they outgrew this pen, Mrs. Lytle almost came to her wit's end. One day a lady psychologist friend visited them. Just to keep her entertained, the three little Lytles somehow got indelible ink spilled, as well as a bottle of hand cream. The friend came to Mrs. Lytle's rescue with a suggestion to give the girls a special play room, all their own, where there would be nothing to hurt them. The suggestion became a reality. Gates were put on the playroom doors, cribs bolted to the walls and floor registers bolted.

As first Mrs. Lytle had misgivings about such "penning," but now she feels it was the right thing to do. She watches their development carefully. The girls never knew any other children until they were four years old, but they did have each other for playmates.

Now attending kindergarten at Starkweather school, they're known as the three brown-eyed, brown-haired Lytle girls, friendly with everyone.

Mrs. Lytle summed it up by saying, "We've tried to stress that they're no different from anyone else, and we just want them to be normal, individual girls."

In addition to the three, other young Lytles are Janet, 14; David, 12; and Jim, 10. Mr. Lytle is a Chrysler employee.

### Burroughs Corp.

(Continued from Page 1) square foot addition was completed at Burroughs' Tireman plant in Detroit doubling its manufacturing space. This plant has figured prominently in the Corporation's defense goods production record.

Burroughs holds substantial government contracts for production, maintenance and installation of electronic data processing and transmitting equipment for SAGE, a system of continental air defense.

Currently involved in the largest expansion program in its 71-year history, Burroughs' building schedule includes new structures at its Research Center, Paoli, Pa.; ElectroData Division, Pasadena, Calif.; Acme Carbon & Ribbon Co. Ltd., a wholly-owned subsidiary, Toronto, Ontario; and in the newly established community of Cumbernauld, Scotland.

India's Air Force made aerial photographs of 22,000 square miles in Rajasthan in 1956 in connection with oil prospecting.

Canada's first hospital, Hotel Dieu at Quebec, was opened in 1639 by Catholic nursing sisters.

### School Site Price

(Continued from Page 1) not the 40 for which they are being charged if homes would be built on the 10 acres.

It will cost the construction company \$70,000 to lay 3,000 feet of mains to the school area. They estimate that it will be 18 months before this is completed. "We are as civic-minded as anyone around this table," Staub declared, "and we are willing to cooperate. If you had selected this site for other construction, you would never get it at this price, in fact, we wouldn't sell it at all."

The board of education has been considering an elementary school site in the northeast Plymouth township area to relieve congestion in Starkweather school. The problem of finding a school site stems from a health department rule making it necessary to build schools only where there are sanitary sewers. The Greenspan firm is spending much money to develop their own sewer and water system, the first in Plymouth township. It will eventually be turned over to the township to operate.

Both the Greenspan officials and the board members agreed Monday to think over each other's opinions for a week and to meet again next Monday.

### Lure of Business

(Continued from Page 1) large corporations. Your city government recognizes this condition in accepting its responsibilities and laying its plans."

He concluded by stating: "We are convinced that dedication and leadership from our city government and full cooperation from our people will methodically solve the problem facing us and our reward will continue to be one of the finest cities in which to live."

### Two Girls Injured As Car Hits Pole

Two 16-year-old high school girls were injured at 5:28 p.m. Tuesday when a car struck a utility pole on Arthur street.

Police reported that Lorraine Konke, 1293 S. Harvey, had turned the corner off William onto Arthur. Two boys waved and the driver turned to see who they were, the report added. The driver lost control and the car hit the pole, bringing down a telephone line.

Lorraine suffered a lacerated mouth and knee while a passenger, Pat Gaeke, 292 Pacific, received a fractured right arm, and lacerations of the face. She was taken to St. Joseph's Hospital in Ann Arbor.

Police said that the driver had no license.

### Park to Have Art Display June 8

Fifty paintings along with displays of silver jewelry, mobiles and mosaics will go on exhibit Saturday, June 8 in Kellogg Park.

This will be the first of three showings in Western Wayne county of work done by members of the Three Cities' Art Club.

Four of the club's 13 members are from Plymouth and Plymouth scenes will be included in the paintings. Mrs. Jessie Hudson will exhibit paintings of Plymouth's best-known corner, Main and Penniman, built in the mid 1880's. Emma Pine has paintings of the old bandstand on Penniman and Church and of city hall.

Hal Stein is a student of modern art and has done two pictures, one of a realistic tree and another of an abstract tree. Mrs. Marion Sober has done two portraits of Plymouthites, including the Starkweather avenue railroad crossing watchman.

The exhibit will be at Sheldon Center in Livonia on June 15 and on June 22 in Northville.

Bethel Bible camp will be held July 7 to 13 for ages eight through 18. Registration is five dollars. Total cost is \$18. Register with Rev. Burgess of the Federated church or Mrs. Robert Wilson.

The earliest known calendar in history was the Egyptian calendar established in 4241 B.C.

### Slate Town Hall For School Vote

Another Town Hall Tonight meeting to which candidates for the school board will be invited has been scheduled for Thursday, June 6 by the Area Cooperation Group.

The annual school election is Monday, June 10 and four candidates are seeking the two vacancies. The candidates will be introduced to voters at this meeting and the two ballot proposals will be explained. Robert Fitzner is chairman in charge of the meeting.

There were 35 people attending Tuesday night's meeting, each representing various organizations

of the community. The group has been invited to attend a joint meeting in May 27 of the city and township officials and school board.

The next meeting of the Cooperation Group will be June 11 in the junior high school.

Pioneer Campers of Bird school, organized five years ago under the leadership of their teacher, Miss Bock, plan a reunion of the group over the weekend at Proud lake with nearly all of the 35 members attending. Mrs. Blossom, a teacher will also be present.

**Foot-saving Education**  
By JIM HOUK  
DO ALL MEASURING DEVICES GIVE THE SAME SIZE FOR THE SAME FEET?  
Measuring devices are the cause of endless arguments among shoemen. Some add a half size, others subtract; some have the children stand, others measure them sitting down. There is no one right way because shoe sizes vary. 9C from one company may be as big as 9 1/2 D from another. It is a good idea to remember that a measuring device is used to save the shoeman's feet, not the customer's. Experienced shoemen can guess the size of eight out of ten feet without measuring them but if they guess wrong they have to make an extra walk to the stock. When they learn how the measuring device can be adjusted to the make of shoes they fit they get the right size the first time and have fewer complaints from their bunions.  
One thing that no measurer measures is the depth of the foot and that is very important. Nor is there any marking in the shoe to indicate whether it is shallow or deep. Again, the best answer is the old one—there is no substitute for the experience of man who is doing the fitting.

Indications Are Many that Springtime Has Arrived for Sure

Well it looks like Spring has finally sprung for 1957—the street is full of kids, brakes squeal with regularity, as cars avoid said kids, people are out weeding and pouring liquid gold—water to non-Livians—on their lawns, Teachers are getting a far-away vacation look in their eyes, and the Natives are getting restless. Mom! At present, we have four—count 'em—four ice cream vendors, including faithful "Norm" training the peace and quiet of our neighborhood, which is also an unflinching sign that the season is upon us. So stock up on dimes,

bandaides and aspirin, Moms, for the Foreign Legion is not open to housewives!

Joanne Schrader 6, of Cranston avenue recently spent her Spring vacation visiting her grandparents in Oregon. During the time Joanne was there she was junior bridesmaid for her aunt's wedding. When Joanne returned she found that she had acquired a new baby sister, Katherine Marie while she was gone. The baby weighed 8 pounds, 3 ounces and brings the grand total up to 3 girls and 1 boy for the Schraders.

Brownie troop No. 1081 ended up its meeting for this semester in grand style Wednesday night, May 9th at the home of Leader Mrs. Lorraine Ellerholz, W. Chicago. The girls gave a mother-daughter tea and all of the mothers attended. The girls were all attired in their pretty party dresses for the occasion and the decoration were all in pink, with snappers gracing the table. The girls presented their mothers with hat lapel pins in pink and blue which they had made themselves, their individual pictures in frames and spoon drips that they had also made. The girls themselves were surprised by receiving pictures of the troop and Little Lady bath powder and toilet water. Refreshments consisted of tuna chicken and turkey salad in puff, iced tea cakes, lemon ade for the girls and tea and coffee for the mothers. Girls present were: Barbara Glinksi, Mary Sue Williams, Linda Reid, Ann Remington, Carol Medland, Susan Kaiser, Linda Sue Ellerholz, Gail Crain, Linda Seifert, Marianne Martin and Susan Lane. Mrs. Ellerholz is the leader and Marie Martin co-leader.

home on Auburndale where they had a wiener roast and also made their Mother's Day gifts. These gifts were apothecary jars fancied up with paint and sequins and fashioned into bath salts containers that anyone would be proud to own. Boys attending were Jimmy Glynn, Den Chief, Robbie Ritter, Stevie and Ricky Ott, Billy Herbst, Billy Woods and Tommy and David Gamber. Ginny is the den mother for this group of Cubscouts.

Tuesday, May 7th marked the date for the Mother and Daughter Banquet at Rosedale Gardens Presbyterian church. The Wayne University Pupeteers highlighted the program.

Wednesday, May 22nd at 6:30 P.M. a Family Night Dinner will be served at Rosedale Gardens Presbyterian church. Adults \$1.25 and children 50c. The Reverend Jacob Quiambao, Professor of Family Life and Counseling, Union Theological Seminary, Manila, Philippines will speak on "The Christian Family." Reverend Quiambao's children will do Philippine folk dances. Call the church office for further details.

or you may call Art Larson, GA. 1-3125 or Bob Burton, GA. 2-8310 any time after today. Get together with your neighbors and talk this over, because the more people participating, the more effective it will be. This is just one more of the non-profit services that the Rosedale Gardens Civic Association offers to help make Rosedale Gardens such a nice place in which to live!

Northville Eagles to Mark 11th Anniversary Sunday

The fraternal order of Eagles of Northville Aerie 2504 will celebrate their 11th anniversary with a roast beef dinner and a dance Sunday, May 19, at the American Legion Hall, 9318 Newburg road.

A floor show and refreshments will follow. Door prizes of a 10 pound ham, a five pound roast of beef and a slab of bacon will be awarded.

The public is invited.

To Be Honored Guests

Coming guests for "Breakfast at the Mayflower" will be officials and employees of the Plymouth Michigan Bell Telephone and Western Electric companies, Tuesday, May 21, and the Plymouth Safety Patrol boys, Tuesday, May 28.

Hosts at the 7 to 9 a.m. broadcast over WHRV are Joe Gentile and Ralph Binge.

People in Rosedale Gardens are beginning to complain of the usual summer complaint: noisy motor scooters from 7 P.M. to 11 and 12 P.M. Seems as if it is almost impossible to get small children to sleep when all the racket is going, and it seems as if there must be some way to quiet these vehicles!

The Danas, Betty and Gordon, of Vermont avenue enjoyed a tour of northern Michigan over the weekend of the 4th of May. Johnny went along, too, but Laurie and Kristy spent the week-end with Grandma and Grandpa Starr in Rosedale Park.

A lot of folks think we ought to give the country back to the Indians... and a lot of Indians are just as sure they don't want it. One full-fledged Indian chief, by the name of Strongheart, looked over the current crop of Hollywood beauties and said, "Ugh!" They left him colder'n a clam's corpuscles.

"They're too skinny and too artificial," grunted Strongheart. "They could walk down the middle of our village and the braves wouldn't give them a tumble."

to a Hollywood press agent, scalping would have been much kinder. No doubt the glamor girls saw red... Still, maybe they're not too anxious to wind up in a tepee anyway. The glamor gals might be sad squaws in a wigwam, but in Hollywood they're sitting pretty.

Which reminds us of a little known fact that the reason an Indian wears a hat is to keep his wig-wam.

A TV rating service telephoned 1,000 men in Toledo to ask, "To whom are you listening right now?" And 934 answered, "My wife." Now all they need is a sponsor.

A lot of folks are dusting off the luggage these days... for a long trip or just a long weekend. Be sure your packing includes spill-proof, break-proof plastic bottles for your cosmetics and other liquids. Many of our fine toiletry items come "ready to travel" in these modern packages.

For your convenience, Edison bills are payable at Peterson's.

Lost and Found Dept.: A little 3 year old, identified as "Claudia" was among the missing Wednesday morning, May 8th. Lillian Forest of this street, Vermont, happened to be summoned to the door just in the nick of time and noticed that a little stranger was wandering around in the fields, and rescued Claudia who lives at the far end of Woodring. Claudia, it seems, was interested in attending school!

Anita Griffith, Louisiana avenue, gave a luncheon May 2, in honor of her mother, Mrs. Nelson, who is visiting her. Those attending were Margaret Hamilton, Beth Thiede and Geri Casler.

Happy to announce that the Women's Club meeting of May 2nd had a real nice turnout. A film on Cystic Fibrosis was presented at this meeting and Peg Miquelon gave a flower arranging demonstration. Tonight is the Installation Dinner at 7 p.m. at the clubhouse, which will be the last meeting of the season. Hope you took my warning and bought your tickets!

Beth and Bud Thiede, Louisiana avenue, recently attended a dance at which the Chrysler Band played. Bud is a member of this band.

St. Andrew's church choir is putting on a country auction to help defray the cost of a new piano, and needs bidders and goods to bid on! This auction is going to be held tomorrow night, May 17th at 8 p.m. at the church, but if you want to get a preview on goods to bid on, they will be on display from 7 to 8 p.m. Barb Core, Cranston avenue, says that if you have salable articles that you would like to donate for a good cause to please call her today at GA. 1-1854 and she will be glad to pick them up.

Auctioneer will be Dale Fournier, tenor in the choir, and two of the runners will be Les Core and Vic Diefenderfer. This sounds like a lot of fun, and refreshments will be served, children are welcome, and it is all for a good cause, so plan to be there! P.S.: hear there will be some real antiques offered at this auction, too!

Members of Peace Lutheran Church attended a dinner at Botsford Inn Wednesday evening, May 8th with a record present of over 200. After the dinner the people saw the points of interest at the inn. Among those attending were Mr. and Mrs. Quick, Vermont avenue, and Wayne and Ron Conway.

Mrs. Kenneth Luch, Vermont avenue, attended a wedding shower Wednesday evening, May 8th at Pat's Hall in Detroit. The shower was in honor of Miss Lillian Luch, Ken's sister, who is engaged to marry Mr. Joe Berak and was given by the future bride's mother, Mrs. Irene Luch. Many friends helped make the shower a success, namely Mrs. Andrew Desso, Mrs. Pat Luch, Mrs. Cass Wojtowicz, Miss Mary Ezyk, Miss Barbara Bodalski, Mrs. Helen Bodalski, Mrs. Chester Rama, Mrs. Frank Forchak, Miss Shirley Desso and Miss Dolores Desso. Many nice gifts and much help was given by the groom to be's mother, Mrs. Joseph Berak, Sr.

David Esper, 8 years old, of Fairfield avenue made his First Holy Communion at St. Michael's church Sunday, May 12th. David's grandparents, Mr. and Mrs. Arthur Kuhn of Toledo, Ohio came up for the weekend to celebrate the event.

The Shanks of Blackburn avenue and children Pat and Kim returned Sunday May 5th from a 3 week stay in Ft. Pierce, Florida where they had a wonderful vacation and visited Mr. Shank's parents.

Den 6 of Pack 272 of St. Michael's church Cubscouts went on a trip to the fire department in observance of Fire Prevention Month Wednesday, May 8th, where they were shown all the latest fire fighting equipment. After the tour of the fire hall, the boys went to Ginny Gamber's

Margaret Briggs, Vermont avenue, attended a baby shower Wednesday night, May 8th given by Marion Yadosky for her sister in law, Mrs. Elaine Smith.

Geri Casler, Louisiana avenue is putting on a baby shower Wednesday night, May 8th given by Marion Yadosky for her sister in law, Mrs. Elaine Smith.

Molly Durivage, 8, of Blackburn avenue made her First Holy Communion at St. Michael's church on Mother's Day, Sunday May 12th. Molly's grandparents, Mr. and Mrs. Arthur Durivage and Mr. and Mrs. Gus Lehnerd all of Youngstown, Ohio visited the Durivages over the weekend in honor of the occasion. The 12th was also Mr. Lehnerd's birthday, so this was a triple celebration.

The neighborhood bridge club met at the home of Betty Dana, Vermont avenue Monday, May 6th. Among those present were Dorothea Smith and Betty Johnson who substituted for Nancy Snowberger and Rene Swain who subbed for Celia Hearon. Hear somebody there played almost as bad as Earleen used to before the group accepted my resignation with a sigh of relief!

Word To The Wise Department: I've been told that the Latin teacher over at Whitman Junior High isn't going to look upon the situation with amused eye if some of the kids who plan to attend the Latin Banquet May 31st bring water pistols to use when the finger bowls are passed! Sure would be awful to have to take Latin I all over again, Kids! Parents: frisk your children for "fire-arms" before they leave for the shindig!

Speaking of teenagers, we survived another teen age get together Sunday evening, May 5th! Marilyn and Don had friends Larry Bodalski, John Peterson, Bob Wilson, Leslie Borgia, Connie Conway and Wayne Conway and someone else whose name I never did find out over for an evening of fun. They said they were playing a game called "casseball" that it sounded an awful lot like poker to me! Seriously, though, although they do make an awful lot of noise, they're a nice bunch of kids and we like to have them over and listening to them is often more fun than television and once in a while educational!

Saturday evening, May 11th a steak roast was held at the home of the Shanks on Blackburn in honor of Esther and Art Choma, also of Blackburn avenue, who celebrated their 11th wedding anniversary on that date. Also present were Marion and Vince Sullivan and Emma and Joe Kruger.

The Summer Spray Plan is going ahead, if only you residents will sign up for it! This will cost you \$10.00 which will include 4 sprays for effective bug control and especially aimed at those darned mosquitoes! Your street representative will contact you sometime very soon

# Plymouth Trackmen Win

The Rock's varsity track team get nearer and nearer the perfect sweep with every track meet. Last week the varsity runners took eleven of the possible thirteen first place slots. Plymouth's two downfalls were the shot put, where Plymouth has been weak all season, and the high hurdles, one tenth of a second separated first and second.

**Sprinter Ron Markham made a twin killing as he captured his two specialties. Ron ran the century in 10.6 for a first, and took the 220 yard dash in 24.1.** His 100 yard dash was also a twin killing.

Dave DeCoster raced Trenton's LaFleur to a deadheat in the mile, the duo was stopped at 4:51. DeCoster had led most of the way and it looked like another Plymouth triumph when LaFleur put in a race to become the Rock's mile champion.

Charlie Weidner, Trenton's best time of the year at 2:06.1. Freshman Ailen Davies was clocked at 2:11.5 for a second ahead of Trenton's Grayzel.

The 800 relay team flipped the oval for their fastest time of the year. Trenton's 3:37.5 is only two and two tenths seconds off the team record. Trenton's four man relay squad crossed the finish line at 1:40.3. The 800 relay victory left the team undefeated in this event.

The medley relay team capped their event with room to spare. Their time was a fast 2:43.2 as compared to Trenton's 2:47. The medley squad has been beaten only once this year.

## Varsitymen Take Eighth Straight

Plymouth's varsity baseball team, already assured of first division finish, maintained their victory string and undefeated status as they downed Belleville Monday, 7-3. Biff Tait got credit for the win but it was nowhere near the performance he turned in against Northville.

Harvey Wells was the big gun in the Plymouth hitting attack as he slammed out the Rocks first round tripper of the season along with a single in four times at bat. Harvey's brother Larry collected two doubles in four times to the plate.

Bob Cloar garnered a double and single in four trips to the plate. The Rock nine made eleven safeties in thirty four times at bat.

Plymouth scored their first run in the first inning, another in the second, two in the third, two in the fifth, and one in the seventh and final inning. Belleville tallied all three runs in the sixth.

"The ole sparkplug" captain Rocky Showers remained undefeated in his 440 special as he raced the quarter mile oval in 53.3. Ken Thomas finished second with a 55.8. Cava of Trenton was third with a 55.9.

Three of Plymouth's four field event crews managed at least a first with two of the squads taking seconds too. Myron Hopper won the broad jump with a leap of 19 feet five inches, while teammate Paul Cummings copped second with a jump of 18 feet one inch.

Mel Stephenson vaulted to a first in the pole vault event. Mel jumped 10 feet. Freshman Bill Brown took a second with a jump of eight feet six inches. Plymouth's Bogenshutz tied Trenton's Whitwam at eight feet for a tie for third.

## Junior Varsity Stamps Belleville Nine Monday

The Plymouth junior varsity baseball team avenged one of their two losses last Monday by humiliating a weak Belleville team 17-3. The little Rocks showed the visitors they meant business when they scored eleven runs in the first inning and coasted to an easy victory. In the first meeting of these two teams the Belleville nine turned back the locals 2-1. The JV squad now has won six out of eight.

Plymouth's other scores came as follows: one in the third, four in the fourth, and one in the fifth. Randy Egloff went the distance and got credit for the win. The win was number two for Randy against no defeats.

Al Runge paced the locals hitting attack as he collected four singles in five times at bat. Dick Hubert had three singles in five times at the plate. Jim

### Here 'n' There

The Detroit Lions will locate their summer football training camp at Cranbrook Institute, a well-known private boys' school north of Detroit. The team lost its previous training site, at Eastern Michigan College, when that school constructed dormitories on their football practice fields.

Chris Von Salta, 13-year-old California whiz, broke her own American record and the A. A. U. mark in the 500-yard freestyle of the National Senior Women's Indoor Swimming and Diving championships. She went the distance in 5:51.9, clipping her own mark of 5:52.5 and the 1956 record of 5:55.8 set by Dugle Gray.

A move was started in Knoxville, Tenn., to name the city ball park "Billy Meyer Stadium" in honor of the former Pittsburgh and Louisville manager.

Paul Cummings jumped five feet four inches to capture first in the high jump. Trenton's Karlton took second and Hopper and Kleinsmith tied Sharbonough at five feet for third place.

Jeff Yeoman finished first in the 180 low hurdles. Jeff's time was 22.6. Cline took second at 22.7 and Otto Bufo placed third with 22.9.

Trenton swept the shot put. Otto Bufo finished one tenth of a second out of first in the 120 yard high hurdles. Jeff Yeoman took a third in the 100.

The final score was 72 and one sixth to 36 and five sixths. Plymouth will meet Belleville on the home track Wednesday. Dick Showers and Myron Hopper are going to represent Plymouth at the state meet Saturday.

## Thompson Garnered Two Singles and a Double in Five Times

Last week the reserve team dumped the Bentley JV squad 8-3 for win number five. Weir Miller got credit for the win and also helped his own cause with a single and double in three times up.

Dave Mynatt sparked the Plymouth nine's hitting attack as he smashed out three safeties in four times at bat. Al Runge added a single and double in four times to the plate.

The locals drive include an 11-4 victory over Redford Union, a 4-1 win over Allen Park, a 17-6 trouncing of Northville, a 5-4 loss to Trenton, the 2-1 loss to Belleville, and a 15-3 runaway over Bentley.

## Golfers Rack Up Eighth Victory

Plymouth's varsity golf squad kept their undefeated streak going last week as they put down a powerful Dearborn team 167-169. The victory was number seven for the Rock for. The locals have recorded one tie against Ypsilanti.

Judd Sayre of Dearborn was medalist with a par 36. Tom Carmichael of Plymouth was second with a 37. Kurt Atchinson copped third with a 41. Dearborn finished fourth with a 42. Skip Rambo tied a Dearbornite for fifth slot, sophomore John Taylor captured seventh and a Dearborn golfer finished last with 47.

The Rocks will play Trenton Wednesday and Northville Thursday. Results of the Regional golf meet held at Burroughs Farm Golf Course in Brighton are reported on this sports page.

# Sports Seen

By Bob Young

Most sport fans, whether they like football, basketball, hockey or track, have heard about the famed baseball hall of fame at Cooperstown New York. The hall is where all greats of baseball are enshrined if accepted by the vote of the board.

Michigan has now established their own hall of fame, but it is for all sportsman of all sports, it's the Michigan Sports Hall of Fame. The recipients are voted to the Hall by the sports editors of Michigan.

Sunday, May 26, the Michigan Sports Hall of Fame will inaugurate its first three nominees. They are Mr. Michigan Football, Willie Heston, Charles L. Gehring, ex-Tiger second baseman, and Forest Evashek, ex-Wolverine quarterback and now head football coach at the University of Iowa.

Six athletes will be honored every year. There will be three candidates listed in the spring and three in the fall. Who would be your choice to Michigan's Hall of Fame?

Well I guess it's time to catch up on some of the back predictions. First off the Rock runners were supposed to defeat Allen Park. Well that's one right. Secondly in that same meet the locals were supposed to capture nine of the thirteen possible first places. Well seven ninth of that came true, and probably the other two ninth would have come about if the locals ace sprinter, Ron Markham, would have been in condition to run.

I mentioned a hot race in the straight 880. How true, they're really fought that one out. The prediction concerning Tony Monte, mile runner, came right down to the very meet. I said Tony would go under the five minute mark by the third meet. Tony hit a 4:59 flat in the third meet of the season.

I must have been pessimistic or else just cautious concerning the baseball team. I said they would finish in the first division. With two league games remaining to play the Rock nine is already assured of a first division finish and possibly first place and possibly undefeated.

Spring is really being kind to the Plymouth sports front. The varsity baseball team is undefeated in eight games. The varsity golf team is undefeated in eight scheduled meets plus

winning the Surburban Six League championship, and placing fourth in a rain drenched regional match. The four man squad will travel to the Midland Country Club to compete in the state tournaments.

The Rock cindermen have run up a string of three straight after dropping the opener. Besides the team record there are about seven of the thirteen team records in danger. The locals placed fifth in the regionals and will have two boys going to the state meet to be held in Lansing next Saturday.

The tennis squad now possess a 3-2 record with steady improvement. The JV baseball team has established a 6-2 record and continue to run up large scores against incompetent competition. The reserve track team now has a 2-1 record. All told the spring sports teams have made a 31-6 record.

I've been thinking about running a poll for athlete of the week. Does that sound pretty good? Let's look over some examples. There was Biff Tait and his no hit performance against Northville. Tom Carmichael and his constant golfing performance. Track captain Dick Showers and his constant challenge to the 440 record. Ron Markham and his fight for the 100 and 220 records. Dave DeCoster and his improvement. Dick Schryer, grade school no hit pitcher. Mel Stephenson, the surprise in the pole vault. And Jack Dobbs of the Inter-county league.

See you next week.

## Schryer Hurls Two No Hitters

Allen's sixth grade softball team has taken sole possession of first place in the elementary league behind the powerful pitching of Dick Schryer, who already in the young season has recorded two no hit performances. Allen's nine man team have won five of their six starts.

Dale Livingston, of second place Gallimore (4-1), pitched a one hitter against the Catholic team to take over their first division slot.

Catholic's courageous pitcher Maycock has pitched his team to three consecutive triumphs after suffering two defeats. Maycock's left arm is in a brace while he pitches.

The fifth graders calendar hasn't been quite as full but the junior ball players are turning in some good performances, in the report from elementary supervisor, Jack Carter. Smith and Bird are tied for league leadership with 2-1 records. Starkweather and Gallimore are tied for third with 2-2 records, while Allen sits in the basement with a 1-3 standing.

**FREE COUPON WORTH \$5.00 WITH PLAN 1 and 2**

## warm air or hot water heating systems

- ✓ We remove soot and scale from the furnace by wire brushing and by vacuum cleaning.
- ✓ We clean flues and smoke pipe to base of chimney.
- ✓ We check the boiler for rust and sediment.
- ✓ We clean oil burner strainer, nozzle, electrodes, air tube and fan.
- ✓ We inspect pump, oil lines and tank.
- ✓ We lubricate the burner motor, blower motor or circulator motor and pump.
- ✓ We check all controls.
- ✓ We adjust the burner for efficiency and economy.

**ALL FOR \$20.00**

## PLAN 2 steam or vapor vacuum heating systems

Dirty water will boil only after a long period of heating. Until it boils, no steam is generated and no heat goes into your radiators. Clean water boils rapidly, thereby cutting burner operation time to a minimum.

You save money when we clean out your boiler by our special method that gets rid of all dirt and rust which accumulates. In addition, we clean the flues and fire box walls. Dirt and rust scale accumulate layer upon layer each year if these surfaces are not cleaned to expose the metal walls to direct heat. When this job is done, you save oil.

**ALL FOR \$30.00**

## Toby David to Make Appearance At Allen School Carnival May 18

Toby David, alias Captain Jolly of Popeye fame from the current television series, will make a personal appearance at the Allen school carnival, May 18.

Toby, known for his many characterizations and voices, will assume the role of Captain Jolly, in wig and beard, dressed in a fisherman's attire. Familiar characters to youthful viewers are Toby's friends Whitey and Mouse, Fuzzy the Bear, Lizzie the Lizard, and Finnie the Fish.

Toby will be appearing from 9:30 to 9 p.m. Dinner will be served from 5:30 to 7 p.m., including meat loaf, scalloped potatoes, salads, rolls, butter and coffee, tea or milk, for a total cost of 55 cents.

Items priced separately at this evening of family fun will be hot dogs, baked beans, strawberry shortcake, pie and cake.

TOBY DAVID, Alias POPEYE

### Nazarene Church Youths Visit Olivet College, Ill.

Taking part in the Eastern Michigan Nazarene Young Peoples' Motorcade that visited the campus of Olivet Nazarene College May 9 and 10 were Mr. and Mrs. Frank Ockert of 530 Jener, Plymouth.

Approximately 150 high school juniors and seniors and their sponsors spent two days on the college campus as guests of Olivet students for dinner Thursday evening and while touring the campus and conferring with college faculty on enrollment procedures.

The college is one of seven in the United States, sponsored by the church of the Nazarene. Annual enrollment is approximately 1000.

## Parkview Circle News Association Votes Unanimously To Sponsor Petunia Contest in Sub

The Parkview Circle association meeting held at the Sasals' last Friday night was a hum-dinger. It isn't possible to give a full report but here are the highlights and some news items gathered during the coffee hour.

Joyce Truax of Garling Drive and Lee Ruland of Parkview Drive volunteered to take over the duties of getting flowers and gifts to hospitalized members.

Meetings will be every other month for the rest of the year. Alternate months will be in the form of social activities with a card party, progressive dinner and a night barbecue on the list. A complete schedule will appear later when dates and hostesses are lined up.

It was voted unanimously to sponsor the "Petunia Contest", open to all living within this subdivision. You don't have to belong to the Association or own property to be eligible. The Rulands head the committee in charge and will be assisted by Doris Kuhns, Les Upton, Walt Lake, Bob Fitzner and Jim Spenseller.

The rules are easy as pie. Set out petunia plants on or about May 20. Call Lee Ruland at 1248-J no later than June 1 to register your home in the contest.

A first and second prize of a \$10 and \$5 gift certificate will be awarded by the association. Judging will be by the Chamber of Commerce, based on the most attractive display of petunias. Plant them alone or in arrangement with your other flowers. Front yard, back yard or on the roof if you prefer—it makes no difference. The judging date will be announced next week (probably sometime late in June).

We have also long realized the tragic appearance of our entrance way into the sub. The above committee volunteered to include that in their other duties and have contacted the city fathers who agreed to clean it up and prepare the inner island for landscaping. The association treasury will furnish funds for seeding petunia beds and said committee will supervise planting and maintenance.

Marty Kennedy Jr. of Parkview Drive spent last weekend at the Boy Scout Camp near Brighton, Mich., where 452 scouts gathered for the Order of Arrow Conclave.

Surprise potluck was enjoyed by Betty and Jim Parks the other day when Betty's sister and her husband, Audrey and Nate Burk-

which, showed up with all the food and trimmings for a picnic.

Congratulations to Jack Ruland of Parkview drive, who has been promoted to "traffic analyst" of the Edsel division of the Ford Motor Company.

Marty Kennedy, Sr., was one of the candidates initiated into the Order of the Knights of Columbus last Sunday when the work was put on by the Plymouth Council. He and Rose attended the dinner dance in the evening given for all the candidates and their wives.

Dee Upton, Esther Atkinson, Helen Lake, Lee Ruland and I attended the May Breakfast at Methodist church, Friday morning, sponsored by the Plymouth Council of Churches. We thoroughly enjoyed the educational movie and informal talk given by Russell Isbister on "Free Schools in a Free World".

Ethel and Jim Cameron have gone halvers on a cabin cruiser with Diane and Bill Stang. Naturally they are excited about their new venture and plan to make the Grosse Isle Yacht Basin their headquarters for the summer.

Please call me if you have news items, especially you people who live in the duplex apartments.

Don't forget the Petunia contest.

**Class of 1932  
To Have Reunion**

Plymouth high school's class of 1932 will hold their 25th reunion party at 8 p.m., June 29, at the Knights of Columbus hall at Union and Dodge streets, Plymouth.

The committee, headed by Jack Gilles and Frank Allison, has planned dancing and refreshments, with a Smorgasbord to round out the occasion.

An effort has been made to contact all graduates and their wives or husbands by mail. Committee members say that the response has been very enthusiastic.

Class faculty advisors have also been invited.

Any member of the class who may have been overlooked may contact Frank Allison before June 1.

The opera "Hansel and Gretel," adapted from the famous fairy tale, was first performed in Germany in 1893.

**LANSING REPORTING**  
By JOHN SWAINSON  
(State Senator)

The most controversial subject with which the Legislature started its session this year remains the most important item on the list: Where do we get the money for the State's increased need for revenue?

One observation can be made without contradiction: The same citizens who are anxious that no new taxes whatever be levied are often the persons who petition against cutting a specific budget. A specific example: The wife of an important businessman appealed to us recently to be sure that the budget for child guidance clinics remained intact. "Any cut in mental health budgets," she said, "and especially this one, will undo the most important progress we have made". The same lady, whose idea in mental health is quite correct, and her husband have been strong advocates of no new taxes.

No-one who remembers the Jackson prison riot would favor a cut in the Corrections Department budget. No-one is willing to face realities which oppose increased numbers of State policemen to reduce our highway fatalities. No-one can face the plight of the mentally retarded children and their parents without wanting promises of adequate facilities and personnel (promises made two short years ago) to be kept. No parent in the area where youngsters attend school half-time will argue against adequate school budgets.

Frankly, for the sake of all families in our communities, let's separate out of the controversy the usual arguments about government efficiency versus spending. A number of specific steps have been proposed, after very thorough study, that insure that we get "the most for our money" out of government agencies. Most of the same people who consider the budget too high have also voted against reorganization proposals to make government more economical. Factually, the State of Michigan is no worse, and considerably better, than most of the other states in the U. S. Citizens would find it worthwhile hearing State Controller James Miller describe the details involved in purchasing for the state and the economies that have been effected there in recent years.

Thus the vital issue remains "how do we get the money?" My Republican colleagues have differed in their specific proposals but each and every proposal made has been one which adds to consumers' tax burdens without regard to income. A cigarette tax, beer and wine tax, soda pop tax, a tax on every car (another?) and

Steve Jewell son of Kenneth Jewell and Mrs. Catherine Apel, has returned to his base, after spending a seven-day leave at home.

**Madonna College Exhibit to Feature Local Art Work**

A featured exhibit of the Madonna College annual art showing will be the work of senior art major Mary Anne Watson daughter of Mr. and Mrs. Wilfred W. Watson of 1170 W. Maple, Plymouth.

Miss Watson will be displaying works produced during her years at Madonna, including ceramics, paintings, drawings and a major opus of a five-foot painting of Madonna, patroness of the college.

The exhibit will open at 2 p.m. Sunday, May 19, in the college study hall, with visiting hours during the week from 3 to 5 p.m. and 7 to 8:30 p.m.

Adult part-time students of this area who are displaying projects at the exhibit include Mina Gardner of 42457 Parkhurst and Kathryn Castle, 9924 Mayfield, Livonia.

Projects displayed will deal chiefly with still life subjects, landscapes, portraits and figure drawings, as taught in the painting, drawing and ceramics classes.

**Plymouth High Art Work To Be Exhibited May 29**

Present and past high school students will have their art work shown from 3:30 to 9 p.m., Wednesday, May 29, in the high school auditorium, in a public exhibit sponsored by high school art teacher Frances Overton.

There will be no admission charge. Displays will be mainly of drawings and paintings, although there will be some copper jewelry, mobiles and wire sculpture shown. Oil paintings as well as water colors will be displayed.

**CHANGE OF SCENE**

If your bathroom has a cold, unfriendly look, try paneling it with wood, suggests the National Lumber Manufacturers Association. Wood paneling will kill the chill and make your bathroom seem warm and cheery. You can seal the pores of the wood against moisture by applying a water-repellent resin finish.

# Who's New in Plymouth

**PUPPETEER OF THE FRED N. WAGNER FAMILY** of 13961 Ridgewood road is six-year-old Danny, shown above with a hand puppet. Family on-lookers are Marianne, 13, who attends Edgebrook School in Chicago. Mrs. Wagner, Michael, 10, Danny and Wagner. This new Plymouth family moved here from Chicago early in March. The Mr. and Mrs. like working outside in their garden, as well as taking time out on the golf links. Mrs. Wagner and Marianne both enjoy playing the piano. ("strictly for their own recreation," they say). Wagner is factory manager of Barnes-Gibson-Raymond. According to Mrs. Wagner, she and her family like the wide open spaces here, a nice view from their home, the school system and "most everything."

# A Woman's Eye View

by Virginia Robertson

Back seat drivers, usually female and once looked upon as the scourge of the driving public, have now come into their own.

The Iowa State Safety Department has endorsed the practice as "our most underrated safety device." Folks say it amounts to invasion of a man's castle by government momo, or something like that.

Officials will argue the point, however. The Iowa Safety education director said "A passenger who sits quietly while a driver risks death is not using good sense." "Women," he continues, "offer the best hope for effective backseat driving . . . because a male passenger often hesitates to speak his mind to a driver for fear of sounding frightened."

This expert says women are realists and seldom let false pride interfere with their sense of responsibility. But, he does list a few tips for backseaters so they can do a good job.

1. Use a calm, pleasant tone so you don't startle the driver, and be sure to be specific about the danger. Don't just yell "Look out."
2. Don't carry recommendations to the "nagging extreme," where it simply irritates the driver to the point where he drives even more recklessly.
3. And lastly, don't be petty about it all, by taking advantage of an occasional minor error to harass the driver.

My 12-year-old cousin, of a Detroit suburb, has an official backseat driver's card, issued by some enterprising company. It states she is fully qualified as a backseater. For practice, she concentrates on her 16-year-old sister, who has just received her driver's license and is sometimes a little more cautious than most. Anyone who graduates from this kind of driver-training ought to be able to withstand anything!

Clergymen are often the target of no-harm-intended humor, and some of them seem to enjoy it all so much, they'll pass along their own favorites. Here's one I heard recently about a bit of a mixup:

**Two men bearing identical names, one a clergyman and the other a businessman, lived in the same city.**

The clergyman died at about the time the businessman took a trip to Southern California. Upon reaching the Pacific Coast, the businessman sent his wife a telegram informing her of his safe journey.

Unfortunately, the message was delivered to the widow of the clergyman. The good woman was more than a bit surprised when she read: "Arrived safely—heat terrific."

A suggestion by a fellow employe. at the Daisy Manufacturing plant grew rapidly last week into a simple, moving tribute to the late Alverta Wenger, industrial nurse of the plant who passed away April 28 at the age of 56.

Daisy folks contributed a total of \$314 by the week's end, as a gift to the American Cancer Society in memory of Miss Wenger.

A check for this amount was presented this week to the Plymouth chapter of the society, together with a letter of purpose and with a brief biography of Nurse Wenger.

## Residents Help Plan Democratic May 18 Reception

Several Plymouth residents are among those engaged in making arrangements for the Jefferson-Jackson Day Reception in Detroit on Saturday, May 18. The afternoon gathering is the major social affair for Detroit and Out-state Democrats and their friends.

Local women on the committee are Mrs. Tony Frank, 540 Parkview Drive; Mrs. George Bowles, 11749 Turkey Run; Mrs. Jack Ruland, 640 Parkview Drive; and Miss Helen Beavers, 1017 Holbrook.

Governor Williams will be host at the reception which honors the newly-elected state public officials. It will be held in the Crystal Ballroom of the Masonic Temple at 3 p.m.

Senator Wayne Morse of Oregon will speak on the very important and timely subject, "What Price Education?" The reception is open to the public and there will be no charge.

The honored guests will be Dr. Lynn M. Bartlett, superintendent of public instruction; Dr. Carl Brablec and Irene Murphy, regents of the University of Michigan; Chris H. Magnusson, state board of education; Don Stevens and Jan Vanderploeg, members of the state board of agriculture; and John C. Mackie, state highway commissioner.

Democratic State Vice-Chairman Adelaide Hart is general chairman of the affair.

Mrs. Harry N. Deyo entertained members of her contract bridge group Tuesday afternoon in her home on Church street.

# TIPS for TEENS

By ELINOR WILLIAMS

Boys, if you want to know how to be popular with date-dolls—or how to lose friends and miss date-fun—glance at this high school girl's letter:

Q.—"Dear Elinor: There is a dance soon and I haven't enough courage to ask a boy I like very much. He kids me and he is friendly, but he's one of the big shots of the class. He is polite, though, I don't know how to ask him and I am afraid that he might reply in a way that might hurt. The whole class would know and I'd be ridiculed and would die of shame."

Ans.— Nothing ventured, nothing gained!

So why not give this boy a buzz on the telephone and invite him? Tell him about the dance, say that you were wondering if he could go... it would be fun if he'd be your guest.

He might surprise you and say "yes," because a boy usually doesn't bother to "kid" a girl unless he likes her. If he accepts, reply, "Fine! I'll look forward to seeing you at my house at 7:30."

If he doesn't accept, you'll find that a little word like "No" isn't fatal. After all, your invitation might give him date-making ideas, and even if he can't go to this dance with you, he might invite you to one later. So don't worry about his refusal if he is polite, as you said in your letter.

But if he is a rude, crude character who would refuse "in a way that might hurt" (as you also said) and would tell the whole class about it to embarrass you, he's not the kind of date you want, anyway. If he's really as bad-mannered and childish as that, think twice before you telephone him—then don't. Instead, invite a boy who has consideration for other people's feelings,

and you'll have more fun with him, even if he isn't a big wheel in the class.

(For free tips on "When a Girl Invites a Boy," send a stamped, self-addressed envelope to Elinor Williams at this paper.)

## May Luncheon Honors Old, New Society Members

The May meeting of the Women's Society of Christian Service was a luncheon held May 8 at the First Methodist church, followed by a business meeting and program.

Theme of the program, under Mrs. Kenneth Bisbee was "The Old and the New" in honor of new members as well as older members of the society.

Many were dressed in old-fashioned clothes and some brought old family Bibles and old jewelry. Many of the dresses worn belonged to Mrs. Howard Bowden.

Included in the program was a play depicting an early meeting of the society at which the minutes of the previous meeting were read. These included frequent references to a publication known as "The Heathen Women's Friend."

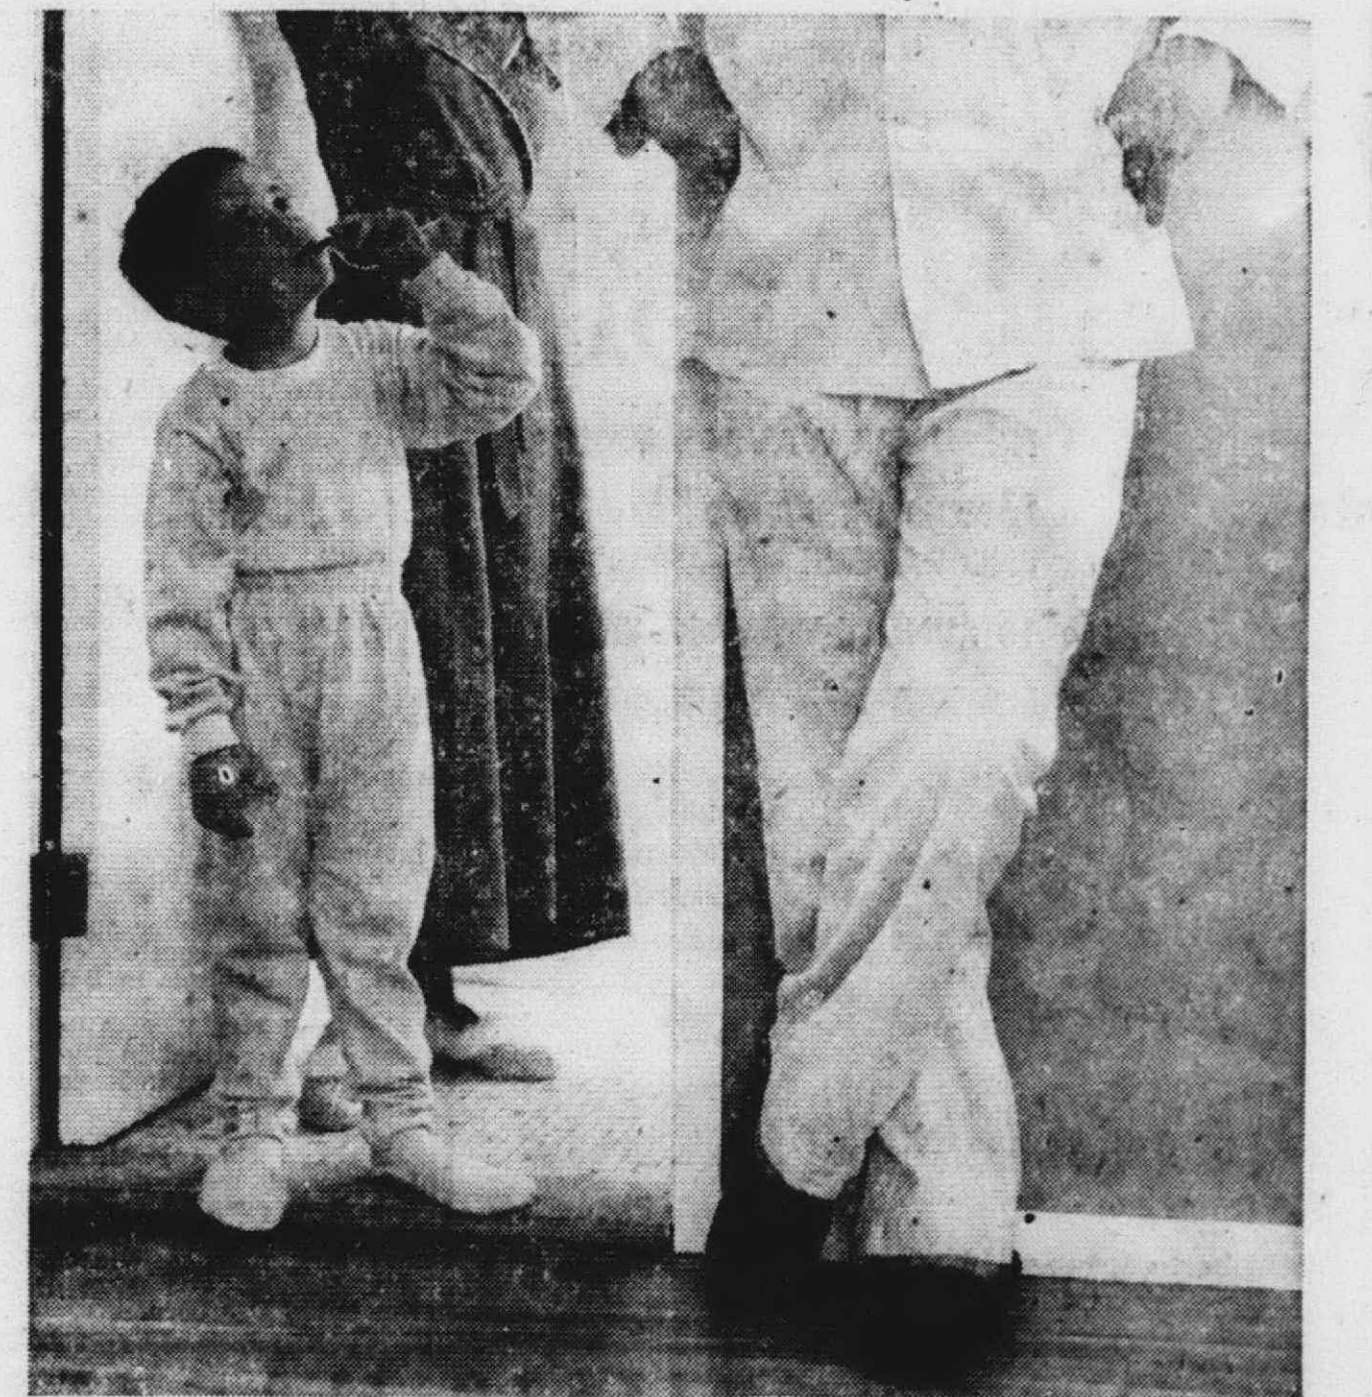

Mrs. George Richwine was honored as one of the older members. Other old members who were unable to be present were Mrs. Passage and Mrs. I. Dickerson. The program closed with Mrs. Herbert Bond singing an old hymn.

## Biographies, Autobiographies Top List of New Books at Plymouth Branch of the Wayne County Library

**"The World's Great Religions"** by the editors of Life—Colorful and sweeping panorama of mankind's spiritual heritage, half of which is devoted to Christianity, the largest and most widely spread religion on earth. The volume won the Benjamin Franklin award.

**"Women of the Bible"** by H. V. Morton—New life is given old stories, written as if they were about living women. The book is illustrated with works of the great master painters.

**"A Pilgrim's Vow"** by Pierre van Paassen—Autobiography of a man and his strange journey to the Holy Land.

**"The Sea Dreamer"** by Gerard Jean Aubry—Biography of Joseph Conrad, a forceful, complex and passionate Pole who wrote great English, including "The Nigger of the Narcissus" and "Typhoon," stories now regarded as classics.

**"The Road to Monte Cristo"**—Memoirs of Alexandre Dumas, creator of the Three Musketeers, and his powerful zest for life, boundless energy and a capacity for getting in and out of trouble.

**"Laughter Is a Wonderful Thing"** by Joe E. Brown as told to Ralph Hancock—Story of how one man found a way of laughter and gave it to the world. Mirth-

maker Brown, clown prince of the movies, radio and television, was also a humanitarian who never hesitated to cooperate with a cause to the advancement of the human race.

**"The Last Days of Hitler"** by H. R. Trevor-Roper—Author tells for the first time fully and completely what he learned in interviews with those who witnessed the incredible events preceding Hitler's death. The story has been termed "appalling and tremendously interesting."

**"The Year of My Rebirth"** by Jesse Stuart—The dramatic true story of a man's struggle back to life from a near-fatal heart at-

tack. He was faced with beginning a new life, drastically changed by his illness.

**"Antique Dealer"**—Autobiography of a famous antique dealer and his varied and successful professional life. The author begins in his youth, explains how he learned discrimination in choosing antiques and tells his encounters with colleagues and customers, ranging from American tourists to the Queen of England.

**"Bears in My Kitchen"** by Margaret Merrill—Funny, warm-hearted story of a city girl who married a U.S. Ranger. Their life together began with a honeymoon in a remote ranger cabin with

bears in the kitchen.

**"How to Travel with Parents"** by Eloise Barrangon—A humorous expose of grownups as seen through the eyes of a worldwise teenager, a turnabout on books about how to bring up children.

**"The Last Parallel"** by Martin Russ—A Marine's war journal through training, then combat in Korea with the famous First Marine division, presented with a "compassionate, unaffected, fresh, factual" outlook.

**"A Many Splendored Thing"** by Han Suyin—A poignant human document which tells of a great love story, lived and suffered in the turbulent Hong Kong of to-

day, all the more impressive because it is true.

**"Twenty Million Tons Under the Sea"**—by Rear Admiral Dan V. Gallery, USN—True account of the first boarding and capture of a German submarine. No one in the boarding party was familiar with subs, much less German ones.

**"Give Us This Day"** by Sidney Stewart—Novel which is already a best-seller in five European languages. A young Oklahoman reveals little-known aspects of the Pacific war, as he experienced it in Japanese prison camps.

**"Home Before Dark"** by Eileen Baming—Novel of a young wife's

desperate comeback after a mental breakdown. The story begins where "The Snake Pit" left off, after release from the hospital.

**"The Hungry Leopard"** by Mary Borden—Story of Amanda and the five days her life hung in the balance.

**"Some Darling Folly"** by Monica Stirling—France sets the scene for the story of a man to whom seduction was as much of an art as was his own profession, the theater.

**"The Day and the Way We Met"** by Mary Stolz—Story of an adolescent's new and wider understanding of the truth, and

strong promise of happiness in the future.

**"Encyclopedia of Jazz"** by Leonard Feather—Two hundred photographs help to trace the world of jazz from its beginning to its eminence as an art in our day.

**"Problems of Family Life"** edited by Marwell S. Stewart—Sound and helpful guidance on parents, in-laws, children and husband and wife.

**"Progress of Creative Writing"** by Pearl Hogrefe—A fresh and stimulating approach on specific narratives and personalized exposition.

### New Air Express Service Offered

Air express will extend its service into Plymouth and Livonia effective next Monday, Leonard Millross, agent for the Plymouth office of the Railroad Express, announced this week.

The direct to and from-airport service will mean the fastest transportation at a cost reduction, Millross declared, with the rail charge being discontinued. The area affected will be Plymouth, Livonia, Northville, Novi, Milford, Wixom and Farmington.

Air express reaches over 1,800 airport points and 21,000 off-airline points served by 1,325 of the modern airliners providing 10,212 daily scheduled flight departures in the United States, Canada, Alaska, Hawaii, Cuba, western Europe, the Middle East and the Far East.

Shipments will arrive within hours from the time shipped through fast coordinated ground work provided by 13,500 vehicles. Further information can be obtained by calling the Plymouth Railway Express Agency.

Mrs. Robert Willoughby of West Ann Arbor trail attended a luncheon meeting Saturday of the State Board of the Children of the American Revolution, in the home of Mrs. Harvey Mainsner in Mason.

### Advanced Starkweather Pupils Kept Busy In Special Classes

By David Jolliffe

An experiment has been going on at Starkweather school this year which is giving the more gifted children a chance to turn their interests toward a wider variety of activities outside the normal curriculum.

And, according to Principal Mildred Field, the program has been successful ever since it began last November 1.

Such activities as art, music, French, Spanish, sewing, practical banking and cooking are offered to boys and girls in grades 3 through 6. Only those who are far enough ahead in their normal studies are eligible to participate.

Each class carries on special projects during regular school hours. For example, the foreign language groups exchanged valentines and birthday cards written in French and Spanish.

Largest of the special groups is the 30 member music chorus which works on harmony and two part singing; something they wouldn't be able to learn during the regular music classes, according to Miss Field.

The four-boy cooking class specializes in baking cakes, pies and making candy, just as the 10-girl group.

Starkweather's art instructor David McKay, directs an art clinic which, besides practicing sketching and water colors, goes

in for such aesthetic endeavors as basketweaving and crafts.

"We're not too interested in the final product as long as the kids learn to enjoy art," McKay said. "In these special art classes we only have eight children and they can get more individual attention. Then too, if they want to go off on a tangent with something unusual, we can encourage it because we have time to help them with whatever they want to try."

"But whatever happens we encourage their strong points, whether it's drawing or working with the hands."

He idea was apparent when sixth grader Herman Esch's charcoal sketch of the Spring Street Baptist Church was examined. The placard at the top points out that the "interest is in the lines and shadows."

McKay encourages individual initiative by providing photographs of automobiles which he encourages his pupils to use as a model for a different approach to a sketch.

For example, we give them a three-quarter view of a car and then suggest they use it to draw a head-on view of the grill and headlights. That encourages them to use their own initiative instead of merely copying something," he concluded.

Perhaps the most unusual class of all is the recently contrived School Bank which opens for 15 minutes before classes in the morning and at noon.

"There are five students enrolled in the class and they are encouraged to take turns as teller," Miss Field explained. "We don't let them put away their books until all the deposits and withdrawals are balanced."

"The program has only been going on for six weeks, but we already have about \$35 deposited. The average deposit is 10 cents or 12 cents and the withdrawals are usually 5 cents, curiosity enough just enough to buy an ice cream cone. But the money belongs to the children and they can make deposits or withdrawals without special permission," Miss Field added.

The idea for these special classes originated last fall when a group of teachers from Starkweather thought they could encourage and keep busy some of the brighter students in more advanced work by having special classes for them.

### Future Plymouth Plant Appoints New Manager

Arnold D. Johanson

A new manager for the Western Electric operation that will next year move to Plymouth was announced this week. Arnold D. Johanson has been named manager of the Western Electric distributing house at 832 Oakman Boulevard, succeeding Thomas A. Gibbs who will move to St. Louis.

Johanson comes to his new assignment from Houston, Texas where he served as manager of the company's distributing house since March 1953. He began his career with the Bell Telephone System in 1929 following his graduation from the University of Nebraska.

From warehouseman he progressed through various positions until after a meeting is held with the Detroit Edison at the site on Tuesday, April 23 at 3 p.m. At this time it is assumed that the Detroit Edison will reveal to their method of supplying the four wire three phase lines required.

A year and a half later he was appointed to the post of accountant in the company's distributing house in Washington, D. C. He later became stores manager at this location and moved to Houston in March 1953.

Gibbs became manager of the Detroit distributing house in April 1953. He has been with the company since 1953. He and his family made their home in Birmingham.

### National Leader Of Legionnaires To Be in Detroit

American Legion National Commander W. C. Daniel will make his only official visit to the local Department May 20, as dinner guest of the Detroit district association.

Michigan legionnaires and auxiliary members will have a chance to meet the commander personally.

The dinner will begin at 7 p.m. in the ballroom of the Legion Memorial Home, 401 W. Lafayette, corner of Cass. Reservations may be made through district headquarters, 401 W. Lafayette, Detroit 26.

### Official Proceedings Plymouth City Commission

A special meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, April 22, 1957 at 7:30 p.m. to consider the following matters:

1. Hearing on the proposed 1957-58 Budget.
2. Awarding of Library addition contracts.

PRESENT: Comms. Hartmann, Shear, Sincok, Terry and Wernette. ABSENT: Comms. Roberts and Mayor Guenther.

Since Comms. Roberts and Mayor Guenther were out of town, their absences were excused by the commission, and Mayor Pro-tem Sincok presided.

Mayor Pro-tem Sincok opened the hearing on the proposed 1957-58 budget. Since there were no objections, the Mayor Pro-tem declared the hearing closed.

Mr. Byron Becker of Wheeler & Becker, architects for the proposed library addition, presented a tabulation of bids recommending the following firms be awarded the contract: Architectural, Hyatt Construction in the amount of \$71,233.00; Electrical, All State Electric in the amount of \$13,175.00; and Mechanical, Norman D. Nelson in the amount of \$32,000.00 for a total of \$116,408.00.

Moved by Comms. Hartmann and supported by Comms. Shear that the bids for the library addition construction be accepted and that the Mayor and Clerk be authorized to enter into a contract with the bidders, after approval by the City Attorney, as outlined in the letter from Wheeler and Becker.

#### WHEELER & BECKER

Honorable Mayor and members of the City Commission of Plymouth, Michigan Gentlemen:

A meeting was held at 10 a.m. Saturday, April 20, 1957, in the office of the Mayor with Mr. Hough, Mr. Russell Daane, and the writer present.

After reviewing the bids, the writer was authorized to recommend to this body that the low bids be accepted and contracts be awarded as follows:

- Wyatt Construction \$71,233.00
- Electrical Work \$13,175.00
- Mechanical Work \$32,000.00

No decision will be made on the alternate submitted for the substitution of an overhead entrance service until after a meeting is held with the Detroit Edison at the site on Tuesday, April 23 at 3 p.m. At this time it is assumed that the Detroit Edison will reveal to their method of supplying the four wire three phase lines required.

The aggregate of these bids total \$116,408.00, which represents a reduction of \$1,000.00 from the low base bid as originally received.

We recommend the acceptance of all of the above bids, by Hyatt Construction in the amount of \$580.00 for the painting of the existing portion of the permanent building, which, it is our understanding, is to be paid by the City of Plymouth and is not to be a part of the grant to the city.

If this meets with the approval of this governing body, we would appreciate being vested with the authority to prepare contracts in the above amounts to the low bidder for execution prior to their formal execution.

WHEELER & BECKER  
Byron H. Becker

Moved by Comms. Hartmann and supported by Comms. Wernette that the meeting be adjourned. Carried unanimously.

Time of adjournment was 8:00 p.m. Mayor Pro-tem Acting Clerk I. Joseph Near, Acting City Clerk of the City of Plymouth, hereby certifies that on Monday, April 22, 1957, I posted on the public bulletin board in the City Hall and on three official bulletin boards located in other places in the city, copies of a Notice of Special Meeting of the City Commission to be held on Monday, April 22, 1957 for the purpose set forth above.

Joseph Near—Acting City Clerk

# Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

**ST. LAWRENCE SEAWAY** Development Corporation in Washington reports that the two U.S. locks—the "Dwight D. Eisenhower" and "Grasse"—are now 40% completed. One half of the Long Sault Rapids have now been dried out by cofferdams, and curious tourists are walking on the rocks which were once the bottom of rapids—one of the important bottlenecks in the St. Lawrence Seaway. Two pieces of floating equipment have been given the names of prominent men from the Great Lakes area. A tugboat has been named Alexander Wiley, and a gatelift former Michigan representative, George Dondero.

And at the same time as the ground breaking ceremonies for the work around Detroit in connection with the Seaway are scheduled for May 28 at Amherstburg, Ontario, a French travel agency is reported to be already grooming one of its ships for a Great Lakes tour as soon as the Seaway is completed.

**BUDGET FEVER**, as it should, continues to be the principle item of concern all over the country. Here are some of President Eisenhower's long range budget remedies which are now under scrutiny by the Congress:

1. Adjust postal rates as soon as possible to reduce and eventually eliminate the postal deficit.
2. Establish interest for Government loan programs that will induce private funds to participate in their financing, and at the least require such rates to cover the borrowing costs of the Federal Government.
3. Provide user charges for such things as use of Federal airway facilities that will relieve the general public of having to subsidize governmental services affording special benefits.
4. Require State financial participation in Federal disaster assistance programs.
5. Encourage State and local groups to engage in partnership with the Federal Government in

major water resources development.

6. Reject new projects not approved by the Board of Engineers for Rivers and Harbors and not reviewed by all interested parties, including the affected States; provide where appropriate for more local participation in approved projects; and withhold authorization and construction of all but urgently needed projects.
7. Enact bills approved by the Administration to implement Hoover Commission recommendations, such as the authorization of appropriations on the basis of annual accrued expenditures and the extension of the Reorganization Act of 1949.
8. Establish procedures that will facilitate the return of surplus Federal land and other property to private, local or State use.
9. Before adopting unbudgeted programs, project the costs they would impose on the Federal budget in years ahead, and reappraise the necessity for and rate of implementation of each program.
10. Grant the President veto power over specific items in appropriations bills.

VETERANS FOREIGN WARS

In keeping with its long-established role in stressing national defense, the Veterans of Foreign Wars again this year will give full support to the observance of Armed Forces Day, May 18. Since 1933 the slogan designated has been "Power for Peace," a phrase so descriptive of the mission of our Armed Forces that it has been retained as most appropriate for 1957 Armed Forces Day.

There will be a Wayne County council meeting May 20 at the Veterans Memorial Building in Detroit. For further information call Beverly Brown 1108.

Poppy Day has been set for May 24 here in Plymouth. It is a job which cannot be properly done by a few dedicated workers. Surely every member can donate some time and effort. The best results are obtained where there is

complete cooperation between post and auxiliary members. Let's help Chairman Ed Olson and Mildred Dely make this year's Poppy Day a huge success.

A trip to the Veterans hospital in Ann Arbor is planned for Wednesday evening, May 29. Anyone wishing to go may contact Mildred Dely, 1888-W1.

Any post member who is eligible for his 10-year pin and has not yet received it, may contact Commander John Schwartz, 3470-W.

Best wishes for a speedy recovery to Eileen Williams, in St. Joseph Mercy hospital in Ann Arbor, and to Leona Crum.

Thanks to Hal Young, chairman of the May 11 dance, for a great job. Proceeds will be turned over to the landscaping fund.

Adah Langmaid, department Pan-American chairman; Marie Thompson, unit Pan-American chairman; and Maxine Kunz attended the Mexican American unit 505 Pan-American Fiesta honoring the Republic of Honduras, April 14th, at the Neighborhood House Settlement in Detroit. Mexican and Honduran foods were served followed by folk dances of that country. They said it was very interesting, and they wished more members would attend these meetings.

Maxine Kunz attended the final board of directors Meeting on Girls' State Sunday, May 5, at Alice Lloyd hall, Ann Arbor. She announced that the quota of 360 girls has been reached.

The Juniors now meet at Gwen Holcombe's home on Joy road. Mrs. Annabelle Gotts of Northville has delivered cards to Lapeer State hospital. Thanks are extended to all who participated and donated cards. Juniors will still continue to save all cards, since the children use these cards all year around. Ribbon is also used at the hospital. Contact Mrs. Holcombe for more information, 1759-M.

A vase with three roses were taken to Gold Star mothers on Mother's Day by President Melva Gardner. The vases were made by the Juniors.

Ethel Wilson's father, John Veresh, is now in Maybury Sanatorium, Northville and would enjoy cards. He is expected to be there for some time.

President Melva Gardner and Mildred Hewer, rehabilitation chairman, attended the Volunteer Recognition ceremonies at the V.A. hospital, Ann Arbor, May 14. Mrs. Gardner received a certificate of recognition honoring the Passage-Gayde unit 391.

American Legion and auxiliary members will make a "Pilgrimage for Peace" to Europe this fall, revisiting world battlefields and bringing America's honoring remembrance to graves of the war dead. It will be the fourth time the Legion has visited Europe since World War I. They will be leaving immediately after their national convention in Atlantic City, N. Y., September 16-19, and assembling in Paris for three days of ceremonies September 28-30. The pilgrimage is expected to be the largest since the 1927 national convention in Paris, when more than 20,000 Legionnaires and auxiliary members went to France.

At the American Legion state bowling tournament in Battle Creek, top team honors went to Faust post 3. Mt. Clemens post 4 took the double championship. Bob Novotny of Chrysler ABD post 242, Detroit, won the three high game series.

In the annual American Legion National Oratorical Contest held early last month in Waterville, Maine, second place winner was Theodore Everingham of Jackson. He was sponsored by the Richard F. Smith post 29 of Jackson. Previously, Everingham had won the state finals at Ypsilanti, region seven finals at Crown Point, Ind., and section C finals at Joliet, Ind. He won a scholarship award of \$2500 and plans to attend Western Michigan College next fall to study pre-law.

# Favorite Recipes From Plymouth's Kitchens

MRS. KENNETH FAILING of 644 S. Sheldon road cuts up some dates for her pinwheel cookies as nine-months-old Richard looks on. Raisins can be substituted for the dates in this recipe.

## Three Boys Help Date Cookies To Disappear

Mrs. Kenneth Failing of 644 S. Sheldon road reports that she can make a batch of her date-filled pinwheel cookies on one day and that they're gone the next.

Culprits in this disappearing act are, no doubt, Mrs. Failing's three sons: Bob, 14½; Ron, 10; and Richard, nine months. (Ron recently won an Evans bicycle, first prize in the Optimist club's annual Bike Rodeo.)

### Pinwheel Cookies

2 cups brown sugar  
3 eggs  
1 cup shortening  
4 cups flour  
1 teaspoon soda  
1 teaspoon cream of tartar  
½ teaspoon salt  
1 teaspoon vanilla  
date filling

Cream shortening and add sugar and unbeaten eggs, one at a time.

Sift dry ingredients together and add to first mixture.

Divide dough into three parts and roll each about ¼ inch thick. Spread date filling on each and roll up. Refrigerate overnight and slice about ¼ inch thick. Bake at 450° until brown.

**Date Filling**

2 cups dates  
2/3 cup sugar  
2/3 cups boiling water  
1 tablespoon lemon juice  
1 tablespoon butter  
1 teaspoon salt

Cook ingredients until thick. Cool before using. Raisins may be substituted for the dates. Omit lemon juice.

## 2 PHS Seniors Get MSU Award

Two Plymouth high school seniors have received scholarships to Michigan State University effective for the fall term of this year.

Sharon Marlene Beyer and Frederick Jennings Libbing were recipients of the awards, covering tuition for one year. They are renewable for a total of four years provided the student maintains a high scholastic average and meets requirements of the all-university scholarship committee.

Awards are made on the basis of scholastic average, financial need and record of extra-curricular participation in high school.

Three hundred fifty scholarships were awarded to seniors in 261 high schools in 70 Michigan counties.

In Mexico, the president is elected for a term of six years by direct popular vote and cannot serve two terms in succession. There is no vice president.

## Several Area Residents Receive Awards at U-M Honor Convocation

Several area residents, students at the University of Michigan, were honored for outstanding scholastic achievement during the past two semesters at the annual Honors Convocation at 11 p.m. last Friday in Hill auditorium in Ann Arbor.

From Plymouth, Jon Michael Brake, son of Mr. and Mrs. Charles E. Brake of 299 Ann, a junior in the literary college, received the Gombert scholarship in chemistry, given to outstanding undergraduates in chemistry, in need of financial assistance.

James Michael Reh, son of Mr. and Mrs. Frederick Reh of 203 N. Holbrook, was cited for junior honors in the literary college and also received the Gombert prize in chemistry. Awarded the McNaught Medal for Excellence in Graduate Studies was Edson Austin Whipple, son of Austin Whipple of 909 Penniman. He is a student in the Rackham School of Graduate Studies.

Northville residents honored were Marlene Ruth Weiss Harrington, daughter of Mr. and Mrs. George W. Weiss of 925 Grace, receiving senior honors in the music school. Awarded the association of the United States Army Medal, William Byer Chase III, son of Mr. and Mrs. William B. Chase of 43900 Eight Mile road, is a senior in the business administration school.

A senior in the College of Engineering, John George Friess, son of John W. Friess of 15720 Stanford, Livonia, received the Air Force Association Silver Medal. Robert Earl Wills, son of John A. Wills of 35597 Parkdale, Livonia, was awarded sophomore honors in the College of Education.

The honored students, their parents, faculty members, deans of the schools and colleges and the public attended the convocation, which ranks second only to commencement in the University's important yearly events.

Class honors in the various schools and colleges were given to students who have at least half A's and half B's.

Following the convocation, students and their families were guests of President and Mrs. Harlan Hatcher at their home from 3 to 5 p.m.

Princeton University's President-elect Robert F. Goheen gave the convocation address, entitled "The Not So Serene Temples of Learning." President Hatcher presided at the convocation, and Erich A. Walter, assistant to the president, presented the honor students.

Also on the program was a hymn from "Voices of Michigan," written by J. Fred Lawton, composer of "Varsity," and by U-M School of Music Dean Earl V. Moore. Sung by the Men's Glee club, this was the number's first public performance in Ann Arbor.

## Call New Representative For Goodwill Pick-up

The next visit of Goodwill Industries pick-up trucks to Plymouth is scheduled for Monday, May 20. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture, and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Miss Carley, Plymouth 2505.

Lewis Cass, governor of Michigan Territory for 18 years and influential in the territory's admission to the Union in 1837, was Michigan's first candidate for the presidency of the United States in 1848, but was defeated by Zachary Taylor.

## College Honorary Initiates Girl From Plymouth

Margaret D. Amrhein, a senior at Western Michigan University in Kalamazoo, recently was initiated into Kappa Delta Pi, a national society in education.

This organization seeks to encourage high professional, intellectual, and personal standards. Membership by invitation is extended by the chapter to juniors and seniors ranking above the upper quintile point in scholarship. Manifest leadership attributes and a continuing interest in education are other requirements.

## 4th Armored Division Slates Annual Convention

The Fourth Armored Division Association, made up of men who served with the famed division during World War II under General George S. Patton, will hold its 11th annual convention at the Hotel Carter in Cleveland on July 20-22.

Plymouth area men who served in the division are being invited to attend the affair. The committee in charge of arrangements for the convention is headed by Fred Palmer of Findlay, Ohio and John Kaminsky of Erie, Michigan. They also head up the Tri-State Chapter of the association encompassing Michigan, Ohio and Indiana.

General William Hoge, former division commander, will be the principal speaker.

About one-third of the world's annual supply of commercial arsenic is produced in the United States.

**THE MICHIGAN Savings and Loan League** has awarded a certificate of service to **Perry Richwine, vice-president and manager of the Plymouth branch of First Federal Savings and Loan, Detroit.** The award is given for 25 years of continuous service in the savings and loan business. First Federal is Michigan's largest savings association, serving over 108,000 savings customers.

Valuation of property in Montreal at the end of 1956 has been placed at close to three billion dollars compared with two billion dollars at the beginning of 1954.

**FOR THE SMART SET**—Young scholars in the family favor sweaters and skirts or slacks for versatility. Mom does too, when the sweaters are as neat-looking and easy-to-care for as these striped cardigans. Of versatile design, this style appeals to both brother and sister. The only difference is found in the buttonhole band which is made on the right for girls and on the left for boys. Knitting directions in sizes 8 through 12 may be obtained without charge by writing to the Needlework Department of this paper. Please enclose a stamped, self-addressed envelope with your request for the **BOYS' AND GIRLS' CARDIGAN**.

### Remove Grease, Oil Spots with 'Triple Treatment'

Grease and oil are among the most stubborn and persistent hangers-on to material, and often prove very difficult to remove. Fresh grease spots usually are the pure fat or oil. Old grease spots or stains from automobile, wheel, or machine greases usually contain also more or less dust, dirt, or fine bits of metal. First scrape or wipe off as much of the grease as possible; then treat the stain by one of the following methods:

**Soap and Water**  
If the material is washable, wash in warm sudsy water. Be sure to use plenty of soap on the stained part and rub well between the hands. The soaplike washing agents (soaps, less shampoos, oils, and lathers) are good to soften grease stains.

**Absorbents**  
Use cornstarch, French chalk, or white talcum powder for fine materials; corn meal or salt for carpets, rugs, and other coarse

materials. Dust the powder or salt over the spot, let stand until it absorbs the grease or oil, then brush off. Another method is to place the stained part between blotting papers and press lightly with a warm iron. Change the blotting paper as it becomes soiled, or use cleansing tissues or paper towels in the same way.

**Grease Solvents**  
Remove common grease and oils with gasoline or benzene. Place a pad of clean cloth or a white blotter beneath the stain and sponge with a clean cloth, moistened with the grease solvent. Work from the wrong side of the material in order to push the dirt and grease out rather than to rub it into the material. Use light, brushing motions, work from the outside of the spot toward the center and spread or "feather out" the solvent into the cloth around the stain until there is no definite edge. Then pat dry with a clean, dry cloth.

If a grease spot contains dirt or fine bits of metal, first loosen the stain by rubbing a little lard, petroleum jelly, or dry-cleaning soap into it. Then sponge, with the grease solvent or dip the stain into a small bowl of the solvent. Another method is to make a paste by mixing cornstarch or talcum with dry-cleaning fluid. Spread the paste over the spot; when dry brush it off. Repeat if necessary. The solvent does not spread and is less likely to form a ring if used in this manner.

"The egg is the cement that holds the castles of cookery together, once said a famous chef. You may use eggs to thicken a custard or sauce, to leaven or lighten a soufflé or cake, to hold together oil and vinegar in a creamy mayonnaise. Use egg whites to make cloudy soups clear, or an eggshell with some of the white still clinging to "settle" muddy coffee.

### Try Serving Fresh Fruit Punch For Cooling Summertime Treat

For those hot summer days ahead, try mixing up a batch of cooling, refreshing punch, to be served when desired. There are many flavor and ingredient variations for punch, but for a starter, here are a few tried and tested recipes:

#### Simple Syrup

- 2 cups sugar
- 1 cup water

Boil gently for five minutes; cool and store in a closely covered jar. Keep in refrigerator.

#### Strawberry Punch

- 1½ cups orange juice
- 1½ cups lemon juice
- 1 quart crushed strawberries
- Simple syrup to taste
- 1 quart cold water
- 1 quart ginger ale
- Whole strawberries

Mix all ingredients except the ginger ale. Chill. Just before serving add ginger ale and whole berries. Pour into punch bowl and serve.

#### Mint Punch

- 1 large bunch of fresh mint
- 1½ cups sugar
- ½ cup water
- 3 pints ginger ale
- 1 cup lemon juice

To the lemon juice, add mint leaves, sugar and water. Let stand 45 minutes. Pour over ice and add ginger ale.

#### Cranberry Punch

- 1 quart cranberry juice
- 2 cups water
- Simple syrup to taste
- 1 cup orange juice
- 2 tablespoons lemon juice
- 1 quart ginger ale

Sweeten cranberry juice with syrup to taste. Chill. Add fruit juices and water. Just before serving add ginger ale.

#### Punch

- 8 cups pineapple juice
- 2 cups grapefruit juice
- 1 cup grenadine
- 1 cup simple syrup
- 1 pint spiced tea
- 1 bottle ginger ale
- 1 bottle orange drink
- 1 lime rickey

Mix grapefruit juice, spiced tea, pineapple juice, grenadine, and simple syrup. Chill. When ready to serve add ginger ale, orange drink and lime rickey. Pour over ice and serve.

#### Spiced Tea for Punch

To each quart of tea add 6 whole cloves, two inches of stick cinnamon and a small piece of ginger root. Place these in the tea pot with the tea. Pour boiling water over tea as usual. Strain before adding to punch.

#### Dosia's Punch

- 6 oranges
- 9 lemons
- 1 large can crushed pineapple
- 1 small bottle maraschino cherries
- 1 quart carbonated water
- 2½ lbs. sugar
- ½ teaspoon lemon extract
- ¼ teaspoon vanilla extract

Squeeze juice from oranges and lemons. Cover rinds with 1 quart of boiling water. Make a syrup of sugar and water. Add pineapple and cherries. When the water in which rinds are soaked is cold, squeeze rinds and add water to punch. Just before serving add 1 quart of carbonated water. Pour into punch bowl over a large piece of ice.

#### Tea Punch

- 1 cup strong hot tea
- 1 cup sugar
- ¾ cup orange juice
- ½ cup lemon juice
- 1 pint ginger ale
- 1 pint charged water
- Few oranges slices

Pour tea over sugar, when sugar is dissolved add fruit juices. Strain into punch bowl over a large piece of ice. Just before serving add ginger ale, charged water, and orange slices. Serves 12.

#### Punch

- Juice of 4 lemons
  - Juice of 4 oranges
  - Juice of 2 limes
  - 1½ quarts pineapple juice
  - 1 cup sugar
  - ½ cup mint leaves
  - 3 quarts of ginger ale
  - Maraschino cherries
- Combine fruit juices, mint leaves and sugar. Let stand 45 minutes. Chill. Just before serving add ginger ale and cherries. Pour over ice and serve. Garnish with lemon and lime slices.

## Pick Modern Furnishings Carefully

Selecting good modern furniture takes time and thought, and there are several important things you should find in the furniture. All modern furniture should work for you. Its first function is comfort. Comfort means the right size or fit for your family. It should be a comfortable height, width or depth. New materials, such as foam rubber, fiberglass, and plastics, are used to increase comfort and easy care.

Quality is another important consideration and includes not only the quality of the materials but the design of the piece itself. Good modern furniture is decorative only to enhance the structure, never to cover poor structure.

Lightness applies to size, shape, weight and color. Because new homes are more open, furniture should follow suit. It should be open, lightweight for easy moving and light in mass to fit the space it occupies. One of the biggest mistakes made in selecting furniture is buying pieces too large for the size of rooms. A chair does not need to be large and bulky to be comfortable and useful. Slender steel legs can withstand more weight than even large wooden ones.

Rough, tweedy textures suggest casual informality; while sleek, rich smooth ones depict a more formal way of life.

Modern furniture should reflect your way of living. It should be flexible enough to be used in several different circumstances, or to be changed with accessories. Upholstered pieces should be easily reupholstered or recovered.

When shopping for new furniture, keep these ideas in mind

and make sure your home doesn't "wear a bustle" with out-dated, non-functional furnishings. Paint and wallpaper can work wonders for your home. It can be brightened, made to appear larger or smaller, help emphasize good points and play down bad ones. One new trend is to combine paint and wallpaper in one room—using paint on certain walls and wallpaper on the others. Both of these materials are being used to complement one or more walls of wood-paneling. There is an almost limitless list of wallpaper patterns. Many designs go equally well with traditional or modern furniture. Monochrome prints and textured designs create interesting backgrounds for modern decor and can be very effective with early American furniture. Many new designs simulate pebbles, bamboo, tufted leather and bricks. There have been recent improvements in both paint and wallpaper. There is a paint that gives a slate-like finish which can be written on with chalk or crayon and easily erased. Washable and stainproof wall paper costs more but is more than worth the extra money. Fabric and plastic are popular wall covers in the modern home. Most of the good fabric coverings have baked-on finishes and are washable. Bottles of champagne and other wines are stored on their sides to keep the corks from drying out.

**How to Gear Workshop to Home Jobs**

Having decided to join the growing fraternity of do-it-yourself craftsmen, where do you start? The answer, of course, is start by selecting and equipping an adequate place to work, a shop area for your do-it-yourself activities.

In selecting the physical location for your shop, don't skimp on space. Take every inch you can spare. It will pay off later, and you'll be glad you allowed enough. As a bare minimum, six by twelve feet will suffice, but with stationary power tools, a ten by twenty area is closer to the ideal.

After choosing the spot, think next of floor, walls, ceiling, electrical outlets and lighting. Asphalt, rubber or cork tile are best for the floor. Walls can be finished pretty much to taste, but wood paneling or a sound-deadening insulation board are always good. Allow yourself plenty of electrical outlets—115 volts, properly grounded—particularly in the main work areas of your shop. Overhead lighting—preferably fluorescent—is best, and again provide for plenty to prevent eye-strain on close work.

**HOME OWNERS QUESTION BOX**

**80% of Nation's Homes Need Better Lighting**

**Q**—How can I stop bugs and insects from sticking to freshly painted outside walls?

**A**—A tablespoon of citronella added to each gallon of paint should effectively keep the bugs and insects away from the wet paint.

**Q**—What causes dark streaks of dirt to appear on walls and ceilings? In our house, the streaks seem to take the form of the spaces between the wall studs and ceiling joists.

**A**—These are called "ghost marks" and appear most frequently in houses which are not insulated. The streaks are caused by warm, dust-laden air which tends to move to and through the colder surfaces between the framing members. Mineral wool insulation puts a stop to "ghost marks" by making the temperature of walls and ceilings uniformly warm. Mineral wool also saves winter fuel and makes the house more comfortable in all seasons.

**Q**—Sooner or later the mortar always seems to come out of the cracks I've filled in the concrete walls of my garage. How can I fill the cracks once and for all?

**A**—If you'll chisel out the crack into a dovetail-shaped hole, it will hold the mortar much better. Also, be sure you soak the hole thoroughly before you fill it.

**Q**—How can I stop my stairs from squeaking?

**A**—Generally, the creaking sound in stairs is caused by movement of treads or riser boards. A simple solution is to drive finish nails through the treads into the riser boards. Attaching cove molding under the treads where they join the riser boards in front or corner blocks at the same joint in the rear will also solve the problem.

**Installation of Tile Floor Simplified for Handyman**

Here are seven suggestions for laying a new tile floor:

1. Needed materials: Notched trowel, tile knife, chalk and chalk string for measuring, awl and a tape measure or rule. For wood underlayment floors you need 15-pound asphalt felt paper, linoleum paste and clay emulsion cement. Concrete underlayment floors require only clay emulsion cement.
2. Lift molding from around edge of floor so tile can be laid flush to the wall. Remove old floor covering, paint, wax and foreign matter.
3. If the wood underlayment is a bit warped, install over the floor 1/4 inch plywood nailed every 6 inches throughout. Cracks and holes should be filled with filler or wood putty.
4. Lay felt paper at right angles to the wood boards. After fitting felt strips, pull one side back and spread linoleum paste on floor in thin, even coat, press

- felt paper down firmly and then do other half. Repeat this operation until felt paper is down securely in all parts of room.
5. Get the exact center of the room by marking the middle of one wall and then the other, repeating the procedure with the other two walls. By connecting these points with chalk-covered string and then snapping the string, an accurate guide line is imprinted on the felt.
6. To get the border, start from the center and dry-lay on one line of tiles in each direction in order to see how much room is needed.
7. Actual tile laying is the next step. Starting at the mid-point of the guideline, spread clay emulsion cement over an area just large enough for comfortable reaching. Lay each tile firmly against those already laid and press down with a minimum of "sliding."

**HERE'S HOW...**

**MAKE A RAIL FENCE**

An easily maintained and attractive fence is made with rail-type construction. Naturally durable or treated wood should be used. It is suggested that even with naturally durable wood, the underground portion of the posts should be treated to prolong the life of the post. Extend the treatment to about 4 inches above the ground level.

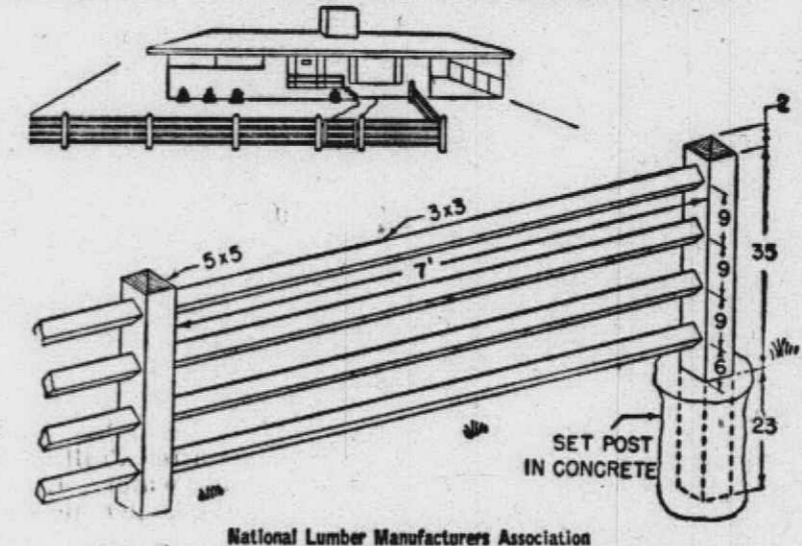

The posts are cut to a length of 60 inches. The top is pyramidal as shown to provide drainage for rain. Mark the location of the rails on the side faces of the posts. The rails may be fastened to the posts by dowel joints or by notching the posts and inserting the

rails. For dowel jointing, use at least two pins for each joint. Drill holes 1 1/2 inches deep and 3/4 inch in diameter. For notching, drill holes 1 1/2 inches deep along the edge of the section to be removed and chisel out the holes.

Posts may be of 4 by 4 or 6 by 6-inch lumber and rails of 2 by 2 or larger if desired.

Locate and dig the holes for the posts 24 inches deep. Cover the bottom inch of the holes with gravel. Set the posts in concrete.

The rails are cut 7 feet long if dowel joint construction is used and 7 1/2 feet long if they are inserted in the posts.

**Many Ways to Air Cool Homes**

Everybody still talks about the weather, but now (unlike in Mark Twain's day) a great many people are doing something about it. What they are doing is air-conditioning their homes for comfort from one end of the summer to the other. In fact, air-conditioning is fast leaving the "luxury" class and becoming a necessity in the view of most families.

There are several practical ways in which an air-conditioner can be installed in an older home: (1) Central air-conditioning, which comprises a central unit, ducts and registers; (2) Units that become parts of existing warm-air heating systems; (3) Units that become parts of hot-water heating systems; (4) Individual room air conditioners.

**Central System**  
A central air-conditioning system calls for a basic unit, containing a compressor, condenser, cooling coil, air filter and blower, along with a duct system to rooms and room registers.

The blower pulls warm air into the unit where it is filtered and circulated over coils containing a refrigerant and then blown through the ducts into the house. The heat from the air is absorbed by the refrigerant in the coils and transferred to the condenser, which (if water cooled) is connected with the house water supply pipes in which the flow of water picks up the heat.

In the air-cooled condenser, the refrigerant is cooled by a stream of air. The operating unit may be located in the attic, basement, utility room or outdoors.

Often the air-conditioning unit can be incorporated into the existing warm-air heating system, thus utilizing the same ducts and registers. "Year round" air-conditioning systems are becoming increasingly popular.

Other heating-cooling combinations use water, which is chilled by refrigeration apparatus and circulated through the house by thin pipes, in some cases the same pipes used to circulate hot water for heating. In other cases, small

pipes can be installed without expensive alteration.

**Combination System**  
One new combination hot-chilled water system uses baseboard distributor units for both heating and cooling. These are installed around the perimeter of the room, at floor level, and appear similar to the conventional baseboard radiator which heats the home.

Room air conditioners are easily installed and two or three room units can make even a large home much cooler. They may be either air or water cooled.

**STRAIGHT LINES**  
The fashion news in virtually all appliances is the new "straight line look." Refrigerators of 1957, for instance, have clean straight lines and flat planes, different from anything seen in refrigerators up to now. Nothing bulges or protrudes from the top, back or sides, which makes it easy to achieve the "built-in look" without built-in expense.

**LIGHT ON THE SUBJECT**  
Good lighting can make a small room look more spacious. By focusing light on the ceiling or walls, a room will look higher or wider. Another trick for creating height is highlighting tall draperies.

They're built to carry heavy loads, yes, but you can drive them with a light touch—these gay, good-looking Chevrolet wagons. You have six models to choose from—and they're all Sweet, Smooth and Sassy!

Talk about beautiful hard-working wagons! Chevrolet offers you the handsomest line-up of all to choose from. Whether you hanker for a wagon to help with do-it-yourself projects, to tote your gear for outdoor sports, or just to use as an all-round family car—here are eager beavers to see.

There are two-door and four-door models, with six- or nine-passenger capacities. They convert in a flash to take up to half a ton of cargo. The tailgate opens first, and wide, so there are any number of loads you can slip in without having to open the topgate.

Being Chevrolets, they have the performance, too; up to 245\* V8 horsepower that's frisky and smooth, yet practically as quiet as a kitten on a carpet. Being a

Chevy, the one you choose will be a joy to handle with its steady way of going, its easier steering, smoother cornering and its keen, alert response.

Drop by your Chevrolet dealer's soon. Let him help you answer the only question that could possibly remain: Which of these Chevrolet station wagons is for you?

MICHIGAN MIRROR

# Ready to Dig Waterway

BY ELMER WHITE

START OF A \$136 MIL-LION project which has an economic importance to every person in Michigan and the entire area of the Great Lakes will be marked with a full day ceremony May 28 on the Detroit River.

Then work will begin on the Great Lakes Connecting Channels. This five year project will deepen the waterways between the lakes so that modern ships can navigate.

Every inch deeper means 90 more tons that can pass through the lakes. Present channels are dredged to permit depths of 21 feet for light cargoes carried by upbound traffic and 25 feet for heavier downbound channels. The new depth will be 27 and 30 feet minimum along the 1,200 mile waterway.

The deeper channel means lower transportation costs. It is estimated that more than \$10 million per year will be realized by U.S. shipping alone; similar savings will result to Canadian shippers.

The deeper channel will also permit each port along the Great Lakes to develop fully its opportunity for expanding foreign trade. Any ship which can pass the St. Lawrence Seaway and the Welland Canal will be able to sail the Connecting Channels without difficulty.

Official ceremonies include 1,500 national and international leaders in government,

business, industry and civil affairs. Walker L. Cisler, chairman for the Channels project, announced that the program will begin at the Detroit Woodward Ave. dock where guests will board the boat to Bob-Lo Island. A reception will take place and lunch will be served on the boat. Then the party will go ashore at Amherstburg, Ont.

There will short speeches and dedication remarks as well as a parade on the river of all types of shipping using the lakes. At the proper moment, a whistle blast will signal beginning of work.

Groups cooperating in arrangements for the dedication ceremonies include the U.S. Army Corps of Engineers, Great Lakes Harbors Association, Lake Carriers Association and the Great Lakes St. Lawrence Association.

**A BITTER BATTLE ABOUT TAXING** corporation profits has waxed and waned in Michigan for several years. And fighting is renewed during this legislative session.

Gov. Williams has tried with a grim, recurring determination to tax corporate profits. He claims that industry is growing rich in Michigan, is happy to be here and is paying less than its share.

Spokesmen for Michigan manufacturers paint a gloomier picture of their lot, reminding that all taxes

are ultimately paid by consumers, pointing to other increased costs and warning that higher taxes may force them to move to other states.

It is doubtful that either side convinces the other. It is also doubtful that arguments make much impression on the "average" Michigan citizen. He has heard too much shouting on this subject for too long.

What seems certain is that Michigan is suffering in the existing competition to entice investors to locate new plants within its boundaries. It is not difficult to imagine a company which wants to select a new site eliminating Michigan as a potential spot because "they say the tax rate is too high."

There seems a real need for a new spirit of working together in solving the tax problem and selling the state as a good place for industry, say representatives of the Michigan Economic Development Department. This office is charged with the job of securing new industry, and though it has no part in the tax fight, its efforts are hampered by the battle.

A Bureau of Census report on manufacturing for the period 1947-1954, when Michigan had no corporate profits tax, shows that Michigan gained 2,819 manufacturing establishments. This is more than any other state except California; 570 more than Ohio.

The most recent figures available show that in 1954 Michigan industry spent \$870 million for new plants and equipment, more than any other state.

Figures also show that Michigan's gain has been mostly in smaller industries. Employment in auto industry has fluctuated during the past 10 years.

Population statistics show the state now has some 7,500,000 persons. Studies indicate that population will rise sharply for the next few years. It is obvious there is a need for more job opportunities. It is also obvious a healthy situation for industrial growth cannot exist in a continued atmosphere of public argument.

## Fight In Our Back Yard?

## "Life Begins at Forty"

By ROBERT PETERSON

"OUR GREATEST PROBLEM of the future," said industrialist David Sarnoff recently, "will be how to use leisure time." He pointed out that scientific progress is proceeding at such a rapid pace that by the turn of this century most labor will be performed by automatic methods and man will be faced with even larger segments of leisure time than the forty-hour week now affords him.

Electronic stoves, automatic washers, cake-mixers, and other household conveniences are already providing so much leisure time that many women are deprived of those duties around the home that used to spell the difference between contentment and boredom.

To prove that all women aren't happy about the electronic age let me quote from a letter sent me by a midwestern housewife. She says that after using a dishwasher for two years she is returning to the suds-and-scrub method. "I've found," she writes, "that housework is one of the most rewarding occupations in life. Doing the dishes myself, and feeling a pride in seeing them emerge sparkling clean from my hands, gives me a sense of satisfaction and accomplishment that I never got from my dishwasher."

Men as well as women are thwarted in their search for chores around the house that will keep them happily occupied. In the old days most people lived in big houses on large lots where there were always things to be done such as fixing fences, trimming trees, repairing outbuildings, tending the furnace, and maybe caring for some livestock. But today the great majority of us live in cities—often in small homes or apartments—where we're deprived of those pattering pleasures that kept our grandparents pleasantly occupied in their later years.

Millions of dollars are being spent to prolong life and give us

greater leisure time, yet little is being done to help us enjoy those added years and savor the unfamiliar pleasures of leisure time. Such time-killers as television and table tennis give only temporary pleasure at best, and surely we'll want something more stimulating to do as we grow older than sit in a scientifically-designed contour chair and watch the robots go by.

We can solve the leisure time problem by selecting a string of activities to pursue evenings and weekends. Perhaps it will be photography, historical research, wood-working, ceramics, gardening, or painting. And let's not forget our humanitarian obligations. It's fine to see mature people pursuing personal pursuits that bring them real satisfaction, but it's even finer to know they're devoting a segment of their leisure time to the needs of others.

IF WE PLAN our years after forty wisely and cultivate several stimulating pursuits, we'll find that our problem is not what to do with our leisure time but rather one of finding the time to enjoy the many interests that pique our curiosity.

## What's Your Question On World Affairs

BY EDGAR ANSEL MOWRER

"Stewart Alsop insists that the Administration is putting economy and a balanced budget ahead of keeping a superiority in long-range bombers over the Russians. Is this true?" (J.J.D., Philadelphia)

It is impossible for me to answer since if anyone in Washington really knows how many long-range bombers the Russians have, and how many they are making, he is not telling me. But the whole attitude of this Administration is that a balanced budget is more necessary than military superiority. This is based on the view that the USSR will never have recourse to all-out violence (or threat of such violence) to attain its ends. I do not share this view.

"Sometimes you talk like a good American, then you go and favor these foreign giveaways at the expense of hard-pressed American taxpayers. How do you explain this?" (P.S.M., Syracuse, N. Y.)

Two comments. First, it is fantastic that Americans who are living better than any people, including themselves, ever did at any time, anywhere, should grudge a small amount spent by their government on strengthening other peoples. Second, the United States by these "gifts" is buying more military power abroad for our side than it could possibly get at home for the same money. Those who say otherwise are talking through their hats.

"The Tablet of March 30 charges that Hungarian patriots are being sold to Chinese Reds for \$150 each. Have you heard of this or can you confirm it in any way?" (Joe Spenser, Stayton, Ore.)

A first investigation yields no infor-

mation, but I shall try again. Incidentally, there would be nothing remarkable about this. One could suppose that Hungarian patriots were first seized by Russia as slave labor and then sold or leased to Red China—though why Red China, with its superfluous manpower, should need more slaves is hard to see.

"Are the Dardanelles and the Bosphorus international waterways or are they controlled by Turkey alone? Are Russian vessels permitted to go through them toll-free? Would the closing of the waterways to Russian ships greatly affect Russia's economy?" (K. Westberg, Norwalk, Conn.)

Under the Montreux Convention of 1936 (still valid), Turkey has the sole responsibility for the defense of the Straits. This means it can in time of war close the passage to Russia. I know of no tolls. The closing of the waterway as part of international sanctions would not greatly affect Russia's economy. Incidentally, American readiness to allow Nasser of Egypt to assert ownership of the Suez Canal has been partly based upon a fear that if Suez were internationalized, the USSR would immediately claim the same for the Turkish Straits and Panama.

"Something ought to be done to get the President to stay more on the job. Why aren't all you news fellows protesting?" (Mrs. F. D., New Orleans)

Before the last election, Candidate Eisenhower warned the voters he would have to care for his health and concentrate on the really important presidential duties. They voted him back into office with enthusiasm. Certainly those who voted for him have no cause to complain.

The largest bridge in Europe stretches two miles between the Danish islands of Zealand and Falster.

Sir Isaac Newton was a poor scholar until he beat another boy in a fight. His self-confidence aroused, he went on to lead the school.

The average human ear responds to a range of 16 cycles per second to 20,000 cycles per second.

GEARED TO MIDWESTERN LIVING

"Come on try it... there's nothing like a J2 Rocket!"

- Olds Owner:** Let me show you. This J-2 Rocket\* is like two engines under the hood.
- Friend:** Neat trick—how does it work?
- Olds Owner:** It's a new progressive carburetor system. Gives you more economy... or extra power for safety. Take your choice.
- Friend:** Economy sounds swell... but with a big car like this...?
- Olds Owner:** You bet! They engineered the J-2 Rocket Engine for our kind of driving... top efficiency at normal driving speeds because it's fueled by one carburetor.
- Friend:** How about that extra power?
- Olds Owner:** Give it ¾ throttle and two extra carburetors cut in. It's mighty reassuring to know you've got that extra power in the bank.
- Friend:** I get it. Economy when you want it—power when you need it.
- Olds Owner:** Correct. But talking about it won't give you the whole story. This one you've got to drive. Climb in—let's go.

**PERSONAL NOTE:** Your Olds dealer would like you to try J-2, too! It's available now on all models, including the Golden Rocket 88, lowest priced Rocket Engine car. Be his guest for America's newest driving experience.  
\*Optional at extra cost.
