AN ATTEMPT IS BEING made to send 17 outstanding Junior High School Band members to the National Music Camp at Interlochen this summer for two weeks. They can finance half of the \$97.50 cost but Director Larry Livingston is appealing to organizations

to help furnish the other half cost. Any group or individual wanting to further the music education of these young people may call the director at his home or at the Junior High. This is a photo of the prize-winning band.

Board Weighs

(Continued from Page 1) yet when to put a bond issue before voters. And contrary to some belief, they have not decided upon a type of building should a new high school be constructed. An architect is now at work drafting several plans. A date at least about by the board for the election is September or October.

Basel is the first Swiss city to grant women the right to vote in local elections.

Gioacchino Rossini, composer of the well known "William Tell Overture" (The Lone Ranger's theme) will have another of his equally brilliant overtures performed by the band, this being "The Italian in Algiers."

At this point, one of the trumpet trio of M. J. West, Doug LeGrande and Jim Yost will be featured in a sparkling arrangement of "Bugler's Holiday" by Leroy Anderson.

Also in the limelight will be Betsy Edgar, Sharon Sprague, Dolores Aldrich, Carolyn Scott and David Fey, flutes; Wade Schultze, Charles Yost and Tom Rollin, drums, as the "Spirit of '76" invades the gym.

St. Mary Hospital Begins Plymouth Membership Drive

A group of 12 Plymouth women interested in organizing a membership committee for the St. Mary Hospital Guild were entertained at a coffee hour Monday morning in the home of Mrs. Hugh Gavigan.

Mrs. Betty Packard, chairman of the Guild's Plymouth membership committee, stated that the purpose of the gathering was to explain the obligations of members, and that there would probably be future coffee-breaks for others interested in membership.

A general meeting of all members of the St. Mary Hospital Guild will be held Wednesday evening, May 20, at 7:30 in the DeSales Auditorium at Madonna College in Livonia.

Mrs. Ira Henderson, President of the Northville State Hospital Auxiliary will speak on the needs and purposes of the hospital guild and the place each member can fill most usefully within its structure.

He hopes to put his talent to good use in the future—he wants to be an international lawyer, feels he will have occasion to do some speechmaking in that line of work.

Previous to the regionals at Melvindale, Glyn took top honors in interpretative reading at the District contest. For that he won a dictionary. Last year he picked up a copy of the same volume at the District Forensic contest.

Just last Wednesday Glyn was awarded another dictionary, this one by the Detroit News for a key award in its Scholastic Awards contest.

That makes six dictionaries Glyn owns counting the three he already had before he started winning contests!

locked when residents are away from home or the pool not in use.

There are also restrictions regarding lighting, wiring, and plumbing. A filtration system must also be installed.

The ordinance also requires existing pools to be fenced within 60 days after the ordinance becomes law and a filter added within one year.

The complete ordinance is published in this issue on page 6 of section one.

An amendment to the building code affects the use of sheathing and decking.

Upon recommendation of the building inspector, the use of five-sixteenth inch plywood has now been increased to a minimum of five-eighths.

Also approved was a bid from Burroughs Corp. for an accounting machine to be used by the township clerk's and water departments. Burroughs bid \$8,383 with its Sematic.

Invitation To Library During Michigan Week

In recognition of Michigan Week May 17-23, the Dunning-Hough Library will hold open house for friends and visitors all week.

Friday, May 22 will be the "special" Our Heritage Day. Agnes Pauline, Head Librarian, working with the Women's Club, Garden Club, Historical Society and the Sarah Cochrane Chapter of the DAR will have displays of early Plymouth.

There will be a tea in the afternoon honoring early Plymouthites. All visitors are welcome, particularly on that day, to meet with Mrs. Pauline and representatives from the various Plymouth organizations.

May 27 will be the second government released film to be shown at the library, entitled, "Battle of Britain," also "Divide and Conquer." The film runs from 7 to 9 p.m. This is free and is an open invitation to all residents of the community.

City Hall Oxen

(Continued from Page 1)

ing. McCandlish was told to keep the paintings impersonal for political reasons.

The end of the murals is just another page in the long history of city hall. It was constructed in 1889 at a cost of \$4,519 and on a lot that cost \$750.

But even before the hall was started, there was a controversy that ended in court. Some people thought it should be used just for village offices; others believed it should also be an entertainment center.

There was a minstrel group in town at that time called The Plymouth Lively Colored Boys that took active interest in seeing that a theatre was included. Sketchy records show that there was an injunction filed before a Detroit judge and it was finally decided to include a theatre.

The present commission room was the balcony and the police department was the stage. There were not only council meetings at the hall, but also elections, band practices, concerts, plays, commencement exercises, church services, banquets and gatherings "causing citizens to wonder how they had ever been able to run the affairs of the village without it," according to an early account.

When Kate Allen built the Penniman-Allen Theatre in 1918, plays and other entertainment shifted there and brought an eventual end to the village theatre.

But according to those who frequently attend commission meetings today, citizens can still get a good evening of free entertainment at the city hall meetings.

But they will no longer look over the heads of the commission and see the struggling oxen. It looks like the old pioneer, with whip in hand, has finally got his plowin' done.

Ask How City

(Continued from Page 1)

ers also took some official action. They authorized the advertising of a rezoning hearing. It is proposed to zone the property as M-1 (light manufacturing).

It is also proposed to divide the 36 acres into equal parcels so that any one is large enough for industrial use but it would be possible that one firm could purchase several or all of the parcels.

Annexation of the city's own land from Plymouth Township required only a resolution, which was approved last week, and the filing of the description and resolution with the county clerk and secretary of state. The latter two steps are to be completed this week.

Commissioners have received several inquiries about the future expansion of Riverside Cemetery. According to estimates made from past burial statistics, the vacant land now within the confines of the cemetery should last at least 42 years.

Who's New in Plymouth

WELCOME BACK to Mr. and Mrs. Gordon T. Campbell who were both reared in Plymouth, and graduated from Plymouth High. They moved away after they were married and Gordon was in the Army. Easter Sunday they again became Plymouthites and moved into their home on 9031 Brookline. In addition we introduce, really new to Plymouth, 13-month-old, personality-plus Allan Campbell and the family's Siamese Cat - known as "just

cat." The young couple's parents live in Plymouth also. Mrs. Campbell was the former Joan Redd.

Gordon has a full schedule as he is employed by the Livonia Spring and Bumper Company on the night shift, and is a freshman student at Eastern Michigan majoring in Mechanical Engineering. When young people such as the Campbells move back to the "home town" it must be a truly nice place to live.

Lake Pointers Welcome New Neighbors

By MARCY BARTSON
GL. 3-6729

Last Sunday the weather appeared threatening for Mother's Day celebrations, but after a few short showers in the early morning things cleared up and everyone was prepared for a happy day. Many Lake Pointe mothers were seen dressed in their prettiest as they were escorted to church by

their loving little broods. Many moms were treated to a Sunday dinner out, something really appreciated by mother. (we know!) Since next month has Father's Day, why not take Dad out to dinner then too? Clever, huh, Mom!

Joseph and Elsie Daleen are recent newcomers to Lake Pointe Village. They are the owners of a pretty new house on the corner of

Shadywood Drive. The Daleens moved from Detroit and say that they are in love with this part of the countryside. They have two young sons, Michael, 10, and Paul, 6. Joseph is with the Prudential Life Insurance Company at the Dearborn Office. He enjoys doing art work, and oil painting is his favorite medium. He attended the University of Detroit where he obtained his master's degree in clinical psychology. Young Michael is a student of the dance and will be in a recital at the Melvindale High School next week. He is studying tap, ballet and acrobatic dancing.

Elsie will be busy next weekend because this is the month in which it is her turn to entertain the happy family group to which they belong. Seems like about 14 friends and relatives have their own little club going and meet each month at someone's home. The entertainment is always left up to the host and hostess and can be anything from cards to charades. But whatever it is Elsie says there is always lots of fun and food.

Over on Brentwood Drive we have another newcomer from Detroit, the Palmers - Harold and Dorothy and their children David, 7, Diane, 5, and Barbara, 2. Harold is employed at the Link Engineering of Detroit. His favorite pastimes are golfing, hunting, and hockey. Dorothy says she has been busy entertaining many guests these past few weeks, many of them from Muskegon.

The Chapmans of Oxford Drive had guests for a whole week recently. Carol's mother and father, Mr. and Mrs. R.H. Batterman stopped here to spend some time with their daughter and family and also to see their brand new home. The Battermans spent six months in Florida and are on their way home to Wisconsin.

Donald and Carol Chapman moved into their new home on March 28. They arrived from Livonia, but are originally from Wisconsin. Sandra, their daughter, is nine years old, and Dennis is six years old. Don is the state of Michigan representative for the Gardner Machine Company.

OLD - FASHIONED BOSTON BOSTON (UPI) - In Boston, the gaslight era has never really ended. The City Council has been advised that there are still 300 old-fashioned gaslights on the streets of this metropolis.

ARE YOU A LUCKY WINNER?

each week, in a different ad in this newspaper, there appears the name and address of a person taken from the subscription list of the Plymouth Mail. This lucky person will receive "dinner for two" for himself and one other, as guest of Marquis Toll House Restaurant, 335 N. Main. Free Parking across the street. Madonna College Gets Complete Accreditation

Regional accreditation by the North Central Association of Colleges and Secondary Schools has been granted to Madonna College, Livonia.

Announcement of the decision by the accrediting commission was made public at the Association's annual meeting last week in Chicago. Attending were Sister M. Assumpta, president of the College, and Sister M. Raynelda, academic dean.

A four-year liberal arts institution conducted by the Felician Sisters, Madonna College was opened as a senior college for women in 1947. The College was approved by the

Michigan Commission on College Accreditation and by the State Board of Education.

Formal application for the highest accreditation by the regional agency was filed last July with a comprehensive self-study report on the College.

In December the institution underwent a two-day inspection by the assigned North Central examiners: Dr. William H. Conley of Marquette University and Dr. Howard G. Johnson of Ball State Teachers College (Ind.). Accompanying them were two associates: Dr. Merritt Ludwig of

Grinnell College (Iowa) and Dr. H. S. Stillwell of the University of Illinois.

Madonna College offers bachelor of arts and bachelor of science de-

grees. Within a liberal arts curriculum it offers programs in teacher education, medical technology, and home economics.

Grange Gleanings

The Anniversary meeting of last Thursday evening was a complete success. Nearly 120 were present for the lovely party. There were guests from Lansing, Pontiac, Pittsfield, Webster and Tecumseh.

The splendid program showed a great deal of work and thoughtful interest on the part of our Lecturer, Bessie Salow. Mr. Stevens was present, and being 94 years old, he gave a short talk on the Grange as he knew it when he was a boy. His father was the first Secretary for the Plymouth Grange.

Miss LaVerne Sly, a niece of one of the first officers of the Plymouth Grange, gave some old time remembrance thoughts to add to the pleasure of the evening.

There was a pageant showing some of the first officers (acted by Jesse Tritten, Louise Tritten, John Oldenburg and Arthur Blunk), which was exceptionally good. Some songs by the audience ended the program.

State Master Mr. Brake and his wife came forward and presented Mr. and Mrs. Spicer with the "Golden Sheaf" pins in honor of their 50 years membership in Plymouth Grange.

Mr. Brake gave a talk on the political situation and told a few funny stories that put all that attended in a jovial mood at the close of the meeting.

Tonight (Thursday) is the Historical Society's Annual Supper which is to be at the Grange Hall and will be served by our Grange catering service. A good attendance is expected.

The next Grange meeting will be May 23, Jennie Langkabel will be in charge and the subject is Home Economics.

May 23 will be the Fish Supper. Tickets will be available at the meeting May 21. The menu will be published next week.

Mr. and Mrs. Jesse Tritten attended a meeting Friday night at Chelsea that was held for Grange Masters and their wives from Wayne and Washtenaw counties.

Mrs. John Root is again in St. Joseph's Hospital quite seriously ill. We all sincerely hope for her full recovery.

We are sorry to report Charles Rienas is still in the University Hospital. Our best wishes go to him.

We extend our sympathy to Mrs. Hodge upon the passing of her husband, Mr. B.A. Hodge, who has been ill for several years.

THE READER Speaks Up

An Open Letter to The Plymouth Theatre Guild

After reading the write-up in this week's Plymouth Mail about the Plymouth Theatre Guild's production, "W a k e U p Darling," we have changed our plans, along with another couple, and have decided this is not the type of entertainment we care to patronize. If a play has to be a "sexcess" in order to be a success, our guess is that it won't draw an overflow crowd. We feel that the people of Plymouth prefer a higher type of entertainment, than an evening of laughs derived from situations and lines, that are an insult to the God-given instincts in all of His creatures.

The Guild is an activity of the adult education department of the Plymouth Community Schools, with a number of teachers as members and in the cast of this play. There must be a wealth of material for stage productions, at their disposal - the kind of play that we would encourage our young people to attend.

We are sure there are others who feel as we do about this matter, so let's hear from you via the Readers Speak Up column and hope it results in an A-1 classification for the Plymouth Theatre Guild's next production. Then we will come and bring our family. (8 tickets).

Yours truly,
Mr. and Mrs. Joseph C. Renauer

Services Held For Life-Time Newburg Resident

By MRS. EMIL LaPOINTE
GA. 1-2029

A bit of nostalgic and historic old Newburg was revived last week with the passing of Miss Emma Arnold at the Livonia Convalescent home on Plymouth road. Miss Arnold would have celebrated her 100 birthday, had she lived, on October 4, 1960. Her residence was formerly on the property now owned by the Newburg Methodist church as a site for their new church on Ann Arbor trail and Levan road. Many old friends and neighbors gathered at the Newburg Methodist church for her funeral service conducted by the pastor of the church, Rev. R. E. Niemann and the organist, Mrs. Paul Nixon. Interment was in old Newburg cemetery. Sympathies of friends and neighbors of the Newburg area are extended to the surviving relatives of the dear lady.

Seaman James Hocking, son of Mr. and Mrs. Clifford Hocking of Narise drive, is home for a furlough, having completed his required number of weeks of basic training while stationed in California. Glad to see Jim back in the neighborhood for this brief visit and we wish him well in this new venture.

Mr. and Mrs. Henry Nida and children Robert, Gail and Jane of N. York, Dearborn were early evening guests in our home on Wednesday, May 6.

If there were merit badges for fathers in the Boy Scout activities, I'm sure my husband Emil should get one for hiking. The boys, Bruce and David along with their Dad, hiked to the home of Mr. and Mrs. E.C. Weiss, Sr., on Judd road, south of Belleville on Sunday, May 3. They left our home on Joy at 8:30 a.m. and arrived at their destination about 4 p.m. Total distance, clocked on the speedometer of our car as I drove out to pick them up, 20.7 miles. Oh, my aching feet! They completed the last of their five 10 mile hikes on Wednesday, May 6. Congratulations to all three brave souls.

Ben Thurman, brother of Miss Susan Thurman of Ann Arbor trail has been a little under the weather these past few weeks and, while he is not confined to his bed, cards of good cheer and encouragement would be most helpful and welcome. Miss Thurman's other brother, Allen, has returned to the Ann Arbor Trail home after visiting in Phoenix, Arizona since January.

The Lydia Circle of the Women's Society of Christian Service of the Newburg Methodist church met at the home of Mrs. Clyde Smith on Newburg road, Tuesday, May 5 at 10:30 a.m. for a morning of sewing on cancer pads. This group of ladies has made over 1000 cancer pads during the past year and would appreciate more white material so they can continue their fine work. After a nosegay lunch and beverage served by the hosts, Mrs. Lester Larrabee and Mrs. Edward Ayers presented a program dealing with missions in Africa. New officers were also elected and Mrs. Delmer Ruehle was selected to remain as chairman; vice chairman, Mrs. Hazel Adams; secretary treasurer, Mrs. Margaret Ayers; flower chairman, Mrs. Angeline Norris; spiritual

life chairman, Mrs. Hazel Grimm; local church activities chairman, Mrs. Fay Grimm and chairman in charge of cancer pads, Mrs. Layra Busenbark. As usual, the fine attendance of ladies prevailed and present for this day were Mrs. Edwin Norris, Mrs. Susan Tice, Mrs. R. E. Niemann, Mrs. Henry Grimm, Mrs. Nancy Sutton, Mrs. Robert Arnold, Mrs. Lester Larrabee, Mrs. Melvin Guthrie, Mrs. Elsa Hammond, Mrs. Elsie Waddington, Mrs. Nancy Sutton, Mrs. Edward Ayers, Mrs. Floyd Mahl, Mrs. James Busenbark, Mrs. Bert Halloran, Mrs. Francis Bird and Mrs. Delmer Ruehle.

In celebration of over 70 years of service, Monday, May 18 will be marked with a very special and interesting meeting at the church on Ann Arbor Trail and Newburg road for the church women of Newburg Methodist Church. The meeting will begin at 7:45 p.m. and be held in the sanctuary of the church which is over 125 years old. Special events of the evening will include a memorial service conducted by Mrs. Raymond Grimm to honor all past presidents of the old Ladies Aid and the Woman's Society of Christian Service who have passed away. Living past presidents of both organizations will be honored with a gift of a past president's pin. Newly elected officers of the society will be installed in a stimulating service. The entire program is under the leadership of Mrs. Melvin C. Guthrie. It is the hope of the president, Mrs. Harold Mackinder that this meeting will be well attended by all the women of the church and their friends. It isn't often that a church is able to celebrate such an occasion as this and attendance is a large factor in making the evening a complete success.

At the choir practice of the adult choir of the Newburg Methodist church, Thursday, May 7, all the May birthdays of the choir members were honored with cake and coffee immediately following the practice. Those honored were Mrs. Paul Nixon, Mrs. James Greenwood, Mrs. Willard Coole, Robert Lorraine and Graham Bennett.

Guess that is all for this week. Hope you had a happy Mother's Day. Won't you call and let me hear of your activities? See you next week.

SEE YOUR QUALITY BUICK DEALER...AND Get inside the clean winged beauty of Buick '59

Along with the most talked about style on the road today goes performance new even to owners of previous Buicks... and too great for you to miss.

Buick '59 is livelier yet smoother, more powerful yet thrifter, as any previous Buick owner will tell you. And credit goes to the turbine smoothness of Buick transmissions, plus the new responsiveness of Buick "Wildcat" engines.

At the wheel, too, you'll find new handling ease and finned-brake softness that owners put high on their "most liked" list.

But that's far from all these owners tell us. They talk about new operating economy from the most efficient power plant on the road today. About quality of finish and detail, and of quietness that even beats the best of Buick heretofore. They speak of reliability... and they speak of the pure pleasure of owning a Buick '59... in ways that warm the heart.

Plymouth Tomorrow Forward or Backward?

A city can only go two ways — either forward or backward. A city without an Association of Commerce is like a ship without a rudder in the waves of the sea.

These groups (Associations of Commerce) vary in effectiveness in a degree directly attributable to the support they receive. With Plymouth's future prospects as brilliant as they seem to me to be you will pass up the greatest opportunity you will have if you do not get behind this Chamber and make it click.

An Association of Commerce must have objectives which might be generally summarized as (1) to get business interests pulling together; (2) to raise standards of doing business;

On Sunday evening of last week Mr. and Mrs. Ivan Gray entertained a group of friends at dinner honoring her parents, Mr. and Mrs. Luther Passage on their 39th wedding anniversary.

The marriage of Miss Irene Gotts and William Curtis of this city was quietly solemnized on Thursday afternoon, April 26, in the Belleville Methodist church.

On Monday, April 23, Miss Jeanette Shoemaker and Hawley Mills were wed in the local Catholic parish. They were accompanied by Mr. and Mrs. Arthur McGorey.

Residents of Plymouth and vicinity spent approximately \$500 per person in the retail stores here during the past year according to a survey just released by the Chicago Wholesale Market Council.

It is not often that one is privileged to have his picture taken with Edsel Ford, associated with his father in the manufacture of Ford cars, who is also president of the Ford Motor Company.

That opportunity was afforded William Connor the other day as he was attending a Ford Motor Company Stockholders meeting. Better still his picture alongside Edsel Ford appeared in many papers across the country.

Saturday afternoon at two o'clock, Miss Arbutus Williams became the bride of Fred Killingworth. They were united in the local Presbyterian church by Reverend Walter Nichol. They were accompanied by Miss Lucille taken with Edsel Ford.

The new bride has had several very lovely showers given her preceding her marriage.

Announcement has been made of the approaching marriage of Elton Ashton of this place and Miss Geraldine Young of Columbus, Ohio. The wedding will take place on May 2 in Columbus.

Many relatives and friends from here plan on attending. Miss Camilla Ashton, sister of the bride-to-be will be one of the bridesmaids and Wilbur Murphy of this city will serve Elton as his best man.

Several of the horses attached to carriages in the funeral procession Tuesday afternoon were frightened by the oncoming car. The conductor did not attempt to stop until several of the carriages had been backed across the tracks and several of the ladies had jumped from their carriages. It would seem that our village council could take some action whereby it would be necessary for a street car to come to a dead stop upon approaching a funeral procession.

While returning from Whitmore Lake last Sunday Will Heeny's team became frightened and ran away throwing him from the buggy seriously injuring him about the head and face.

About 10,000 pounds of milk daily is being shipped from Elm station to Detroit.

Mr. and Mrs. William Garchow of Livonia Center had their little daughter baptized Sunday at the German church and now she is Leona Ruth Garchow.

The boys at the school have marked out a track in the back lot and they are practicing hard for the runs. Heeny and Humphries run the "Hundred" in real good time.

Undertaker Schrader has a dandy new rig to be used in connection with his business. Don't forget to enter the bread baking contest put on by Gittens Brothers for Washburn-Crosby Company's Gold Medal Flour. First prize will be three 49-pound sacks of flour, the second two bags and for third, one bag. All bread must be at Gittens store by May 29. There will be three judges.

Nurserymen Compare Sodding With Seeding

Timing is one of the important factors when considering the seeding of a new lawn area. The optimum time for good seed germination is during the last two weeks of August. The seed will then germinate and have the fall

growing season to establish itself before the winter season. The annual weeds that appear in the seed-bed area will, for the most part, be eliminated by the frosts experienced in the fall, and natural rainfall at this time will aid in giving the new grass plants a good start.

To start a lawn, the Michigan Association of Nurserymen has these suggestions. A clay base and a minimum of four inches of good topsoil will provide a lawn of good quality. Seed can be started with less topsoil, but the longevity of your lawn is sacrificed. When seeding, buy the best quality seed available... stay away from bargains in seed as inferior types of grass and weed seed percentages might be high.

Study the analysis on the container before buying... the percentage of Kentucky Blue or Merion Blue should be high. (Better still, use the seed of the desired grass instead of the mixtures).

The biggest advantage of sodding is that it can be done any time when the ground is not frozen. The preparation for sodding should be the same as for seeding. Al-

though the initial cost for the sod job may be higher than the seeding job, the homeowner is not taking a chance on the results. That is, if good sod is used on a proper foundation, the consumer can see what he is getting right from the beginning.

A hard rainfall can put the seed (along with the effort of application) right down the gutter. Besides water erosion, high winds can be a problem; bird damage, many little feet of trespassers, poor timing in watering, weed infestation can all make one realize that the higher initial cost in sod is worthwhile.

In conclusion, the end result may be realized by either method with luck and proper care. The decision to make is whether or not it is worthwhile to you to take a chance on seeding with a lower initial cost, or to go the extra cost of sodding and have a lawn almost immediately... one that you can see at time installation and a lawn that someone else has established for you to enjoy.

Invitation From State Police

Michigan Week, May 17 to 23, will be observed by the State Police with open house at all posts "Hospitality Day" Tuesday, May 19, and the flying of the State flag all week, according to Sgt. Ellis J. Potter, commanding officer of the Redford post.

Similar programs held the last two years have been very successful, thousands of persons taking advantage of the special opportunity to visit their nearest post and look over the facilities.

The visiting hours are from 10 a.m. to 5 p.m., and officers will be on hand to escort persons through the building, explain equipment and answer any questions regarding department operations.

"Although visitors are welcome at State Police posts at any time, 'Hospitality Day' provides a special occasion to be with us," said Sgt. Potter. "The public can learn at first hand how their department operates and the services it performs. The more visitors the better. Get acquainted with your State Police."

MILTON and Roberta Orr, owners of Bill's Market and Mill's Coffee Shop at 578 Starkweather, celebrated their 22nd Wedding Anniversary last week with dinner at Danny's

Boy Scouting Needs You

By DAVID RAAFLAUB

Have you ever thought about joining Boy Scouts? If you have, and didn't why didn't you? Doubtless to say, those of you who did join found out in a few days what scouting meant and what scouting could do for you. Swimming, hiking, camping, fishing, and all the other worthwhile activities are the building blocks of which scouting is made. Is there any of you that does not enjoy at least one of these activities? If you don't like all of these activities, scouting will fill your life with the one you really enjoy.

This brings me to my point. **JOIN BOY SCOUTING!** Scouting today is in trouble in Plymouth. While many boys enjoy Boy Scouting, many others lack this enjoyment. Without a fresh

supply of boys, Boy Scouting cannot survive. In short, you need scouting; but scouting needs you. There are opportunities for fishing trips, summer camp among countless other activities.

Now, you might say, "I can have fun on my own," but I say "YOU CAN HAVE 10 TIMES MORE FUN IN BOY SCOUTS."

You might come to the conclusion that this is an article for selling scouting. Well, you are right. If you would like to get into the nationwide scouting program and enjoy its great opportunities, come to Starkweather School, Monday night at 7:30 or phone GL 3-4179.

REMEMBER: SCOUTING CAN HELP YOU, BUT YOU CAN HELP SCOUTING.
