

Architect To Match High School Costs

The job of estimating how much it would cost to build additions to the present high school to provide space for 1,800 pupils was turned over to an architect by the board of education Monday night as the board also continued to move toward negotiations for a new high school site.

Estimating how much it would cost to build a new high school versus the cost of altering the old building was the job undertaken by the building and site committee of the board. This committee was headed by Board Treasurer Harold Fischer.

Fischer reported Monday night that the job of making the estimates should be placed in the hands of experts. They turned to James Coquillard, representative of Bennett and Straight, the architectural firm already hired by the board to make preliminary plans for a high school and to build the school administration building.

Coquillard agreed to have his firm do the estimating job under the present contract with the board.

Earlier in the meeting there was much discussion about negotiating for a new high school site. The board wants to know if an adequate site is available and at what price.

Being considered by the board is a 39.6 acre site located north of Ann Arbor Rd. at Canton Center Rd. west of the city. This property is owned by Miss Pauline Peck of Plymouth, the estate of Charles Bennett.

Administrative Assistant Melvin Blunk reported that he had been assured by Plymouth Township authorities that sanitary sewer would be available in the area.

The board has gone as far as having soil tests made on the property, with permission from the owners. Coquillard was at the meeting to report on the tests. He summarized that the land is suitable to support one and two story buildings.

Representatives of the board will now meet with the property owners to discuss price.

While the board is moving ahead in the direction of a new high school, they also have not dismissed the possibility of additions, although none of the members seem in favor of such a move.

Board President Austin Stecker, who will leave office June 30 due to his defeat in the June 8 election, declared "that the difference in cost (between additions versus a new building) would be too great to spend money on the old building."

While board Secretary Esther Hulsing said she would not give the possibility of a new high school any chance at the present time because of public sentiment, Fischer said that he would not be willing to give it up.

"I believe the only way a new high school can be sold to the public is to point out in dollars and cents how much each will cost them," Fischer asserted.

To accomplish this, he asked the board to have an estimate made on how much the comparative plans would cost.

Bennett and Straight are already working on preliminary plans for a new high school and should be able to

easily figure the approximate cost.

But how much it would cost to convert the present 1,000-pupil high school into an 1,800-pupil school will take some figuring that the board itself can't do, Fischer indicated to the board.

Coquillard said that his architectural firm could do the job by using blueprints of the present high school and making hypothetical plans for 1,800 students.

It will also mean looking into the condition of the present structure.

Because the state fire marshal has made many recommendations about improving the building to make it more safe, Coquillard suggested the marshal be contacted. One \$180,000 change is now being made.

The board already has cost estimates from most of the property owners adjoining the school property, should more property be needed.

If a new high school is built, according to board plans, the present high school would be used for a second junior high. If the present high school is enlarged, a new junior high will need to be built elsewhere.

According to board members, any bond issue needed for a new school or additions would not be submitted to voters until fall.

Crash Pins Girl Driver Under Car

A young driver who was thrown from her car following a collision and then somehow scooped up and wedged between the wheel, bumper and axle of her car, amazingly suffered few injuries, Plymouth police reported this week.

Dorothy Stremick, 18, of 140 Caster, was pinned under her car for at least 20 minutes Sunday morning until a wrecker arrived to lift up the vehicle.

Rushed to Wayne County General Hospital, she required four stitches in her ankle and x-rays revealed no broken bones. She was released later that day.

The unusual accident happened just before 11 a.m. Sunday at Pacific and Blanche streets. Police reported that Miss Stremick was driving north on Pacific.

Young 'Hams' Given Boost by Optimists

The Optimist Club, through the donation of a \$400 short-wave receiver, has paved the way for continuation and expansion of the high school Radio Club.

To start a club it was necessary to find the interested students, a willing advisor, cooperation on the part of the school and a helping hand from a service organization.

Finding the students that were interested in radio was not hard. But getting the money to purchase equipment was a major stumbling block.

Industrial arts instructor John Close found that some of the members of his class were interested in the ham radio field. Checking with school officials he learned that at one time a radio club had existed at the high school.

School administrators said they were in favor of a similar club starting again, if student interest was such. This fact was passed on at the next class session.

Once informed of this information, some of the students fell to the task of getting together and forming a club. A constitution was drawn up and presented to the student government organization for approval.

The club was formed with more in mind than just talking over the air on a ham setup. Its purpose goes farther than that and is stated in the constitution that was submitted to the school.

In it are such phrases, "to further understandings in the

field of electronics" and "to develop leadership ability," among other things.

The main stumbling block in a club of this type is the fact that they need equipment to stay active.

City Drops Assessment Appeal

Odds Too Great, Commission Told

Plymouth city commissioners have withdrawn their appeal to the State Tax Commission that had protested Wayne County's 10 per cent equalization of city real and personal property.

The resolution asking for the appeal withdrawal was approved at a special meeting of the city commission last Friday night following a meeting with two members of the State Tax Commission.

Dropping of the appeal will mean that the county's equalization of the city's real and personal property will stick. But City Treasurer-Assessor Kenneth Way said this week that the full 10 per cent will probably not be applied to assessments. It will be closer to seven percent.

Way pointed out that the city sets its millage rate according to how much money it needs. The city's new budget has been set for a need of \$371,250. This will mean that the city's millage will be

dropped to collect this much. The school district and county, however, will undoubtedly take their portion of the increase without dropping back their millage. The history of the city's assessing problems has been a long one. It started two years ago when the commission asked the State Bureau of Taxation to make a reassessment of the city real property. Following completion of the reassessment, commissioners felt that there was inequality in some of the reassessments. They postponed adoption of the new assessments until this year.

In January, notices were sent to property owners informing them of their new assessments. While most assessments jumped sharply, it was pointed out that there should be no county equalization this year because equalization is applied only when assessments are not up to where tax people think they should be. Commissioners felt that at last the city's assessments were "according to the manual".

But it was personal property assessment on business and industry that caused the disagreement. Two years ago the commission adopted the policy that personal property inventory, which had been assessed at 90 percent of value, should be assessed at the same percentage of value as real estate. The first step in this policy was to assess at 75 percent last year.

This year the tax roll was based on a personal property inventory assessed at 46 percent. But Wayne County recommends it be set at 80 percent. Commissioners believe that with the cooperation of merchants who opened their books for examination, the city's figure is more accurate.

Wayne County's Equalization Committee decided to increase assessments on personal and real property by \$2,481,050 to make up the difference between the city's 46 percent figure and their 80 percent. This is about a 10 percent equalization.

As a result, the commission early last month filed a formal appeal to the Wayne County Board of Supervisors and the State Bureau of Taxation to have the case reviewed.

Since then, the commission has been awaiting word about a hearing. Two Tax Commission members were then invited to meet with the city commission Friday night. While their positions did not represent an official action by the State Tax Commission, they informed the city commission that the appeal stood little or no chance.

(Unofficially, it can be said that the state agrees in a report to the commis-

Tribute to Handel

Symphony Outdoor Summer Festival Opens This Sunday

Plymouth Symphony Orchestra conductor Wayne Dunlap will raise his baton at 6 p.m. Sunday to open the third season for the Plymouth Colony Concerts—one of two concerts devoted to the music of George Frederick Handel.

The outdoor concert will be again held on the grassy slope of Plymouth Colony Farm, located about two miles west of Plymouth on Joy Rd. The slope overlooks a lake in front of which is a shell erected for the orchestra.

While folding chairs are provided, the concert is an informal affair and many people prefer to bring blankets to sit upon the ground. Entrance to the grounds can only be made from Joy Rd. There is ample parking. Sunday's concert will be the first of two in commemoration of George Frederick Handel. The second in the festival series will be Sunday, July 12.

There will be no admission charge at either concert. The Colony Concerts have each season drawn hundreds of people from communities all over the metropolitan area. The time this year has been changed from 4 p.m. to 6 p.m. Concert-goers are being invited to come to the grounds before the concert with a picnic supper.

Selected Arias: Care Selve from "Atlanta"; "Arm, Arm Ye Brave from "Semele"; "Why Do the Nations from "The Messiah"; Robert Kern, Baritone.

SOMEWHERE UNDER this mob of youngsters is a jet airplane, brought to Plymouth this week by the Air Force in connection with the July 4th celebration. Parked in Kellogg Park, the plane was immediately covered by young fry who delighted in

crawling through the plane from stem to stern. "They can't hurt it," the Air Force recruiter declared as they hauled in the plane, but there is hope that souvenir-hunting youngsters will leave their screwdrivers home.

Pro-Am Tournament

Harbert, Burkemo Among Golf Pros Here Monday

Golfing stars such as Walter Burkemo, Chick Harbert and Tommy Talkington will be among the top attractions at the Fox Hills Rotary Pro-Am Golf Tournament this Monday on the Fox Hills course.

Probably the largest golfing event ever held on a local course, the Pro-Am Tournament will combine an outstanding golfing show along with a barbecue outing for the benefit of the Rotary Club Crippled Children's Committee.

The tourney opens at 9 a.m. Monday and tee-offs of the professional-amateur foursomes will continue every seven minutes until 2:30 p.m. (It was announced in error last week that the tournament would be June 23 instead of June 29).

While pairings and tee-off times were not completed at press time, there will undoubtedly be a few pros who will have the biggest galleries during the day. There will be between 50 and 60 golfing pros in the tournament, according to general chairman A. Gerald Pease.

Among them will be Walt Burkemo of Franklin Hills, Chick Harbert of Meadowbrook, Horton Smith of Detroit Golf Course, Tommy Talkington of Washtenaw Country Club and Tony Oullette, widely-known Canadian pro at Essex Country Club, Windsor.

Each foursome will be composed of a pro, an amateur of his own choice, a Rotarian from the pro's community and a member of Fox Hills.

Plymouth's Pro-Am Tournament has been made especially attractive to the pros because of \$500 in prize money added by the Rotary.

Chamber Details July 4 Night Show

Details of the July 4th evening show were announced this week by the Chamber of Commerce as a half dozen committees wound up their plans for the big holiday event.

Stars from Harry's Holiday House, a talent program on WXYZ-TV, will appear at an evening show in the high school grandstand starting at 7 p.m.

The show will be one of the many events taking place during the day. Unlike years before, the day's activities will not start until the 2 p.m. parade.

According to the Junior Chamber of Commerce, general planners of the celebration, the committee for the parade feels that because July 4th falls on Saturday, the public would rather sleep in and have a leisurely morning.

This will leave a full afternoon of activity starting with the big parade at 2. The crowd will then be able to follow the parade to the high school grounds where a carnival will be set up. At 4 p.m. there will be a free circus act.

The 7:30 p.m. show is sponsored by the Chamber of Commerce and there will be an admission charge of 50 cents for adults and 25 cents for children up to 12 years of age.

From 7 to 9 p.m. there will be acts from Harry's Holiday House TV show with Harry Jarkey as master of ceremonies.

Among the stars will be Marion Rivers, a piano player-singer; Uncle Stan with his accordion, dancer Richard Boscemi, Karen McAllister & Men, the Stepping Tones and Dolores Szwala, nine-year-old Michigan champion baton twirler.

Also taking place during the show will be the selec-

tion of winners in the "Sparkler Days" contest sponsored by 57 Plymouth merchants and the Chamber.

Texas Millionaire Purchases 85 Percent of Daisy Company Stock

Eighty-five percent of the stock of the Daisy Manufacturing Company has been purchased by the Clint Murchison interests of Dallas, Texas.

Announcement of the sale, which for the first time takes control of the big air rifle company away from its original founding-family interests, was made in Detroit Tuesday. It confirmed a story in The Mail last week reporting that a sale was believed imminent.

Murchison is an oil tycoon of fabulous reputation and one of the richest men in the United States. He has investments in a legion of American, Canadian and foreign enterprises.

"The purchase involves stocks formerly held by the Bennett and Hough families," said the formal announcement.

This would seem to confirm the idea that sale of stock was necessary because of estate requirements that came with the death of Charles Bennett

in 1956 and Edward C. Hough in 1959. They were company pioneers, joining the firm shortly after its founding in 1888.

Cass S. Hough stated that he will "continue as president and chief executive officer of the company and will also continue to have a substantial financial interest."

He also emphasized that "there will be no changes in personnel or policies of the company."

The amount of money involved in the sale was not disclosed. Gross sales of air rifles and other Daisy products this year are expected to exceed 11 million dollars.

Among Daisy's assets are the vacant building and grounds at the original plant site in Plymouth. The company's main operations, however, have been headquartered for the past year in a new plant in Rogers, Ark.

Notice of Public Hearing
Board of Appeals on Zoning
City of Plymouth, Mich.

At a meeting of the Board of Appeals to be held in the Commission Chambers of the City Hall on June 29, 1959 at 8:00 p.m., a public hearing will be held to consider

Appeal Case No. 59-97 of the McLaren Company requesting permission to erect a sign triangular in shape to be erected closer than 12 feet from the property line on Lot 111b, Assessor's Plymouth Plat No. 5, also known as 305 N. Main Street.

All interested parties will be given an ample opportunity to participate in the hearing, and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Board of Appeals before making its decision.

visitors at the William Edmonds home of Pontiac Trail. Also visiting their grandparents are Bobby, Ruth and Jackie Edmunds of Danville, Ill.

Mr. and Mrs. Dave Border of Walled Lake were callers at the Charles Raymor home last week.

Mr. and Mrs. Clyde Hodgson of Seven Mile Rd., celebrated their 20th wedding anniversary last week.

Mr. and Mrs. Ray Clark and sons of Monroe were Sunday dinner guests at the home of their mother, Mrs. George Bennett.

Tom and Ann Wheeler of Ypsilanti are spending the week with their Grandmother, Mrs. Calvin Wheeler of St. Salem-Road.

Mr. and Mrs. W.G. Wheeler of Holly were week-end callers at the Wheeler home. Mr. and Mrs. Otis Bullock of Detroit were also callers this past week.

Mr. and Mrs. Carleton Hardesty, Ken and Ruth left Thursday for a long week-end up North. Kenney caught two nice pike. They were joined Friday night by Mr. and Mrs. Darrell Hardesty of Hamburg.

The Glen Hardestys of Seven Mile attended a family gathering at Flushing, Mich. this week-end.

Mrs. Tony Rohraff was operated on Monday at St. Joseph Hospital in Ann Arbor. Jim Doan will have one of his casts removed this week. Jim has been laid up for a long time.

Wendy Campbell, Kay Roberts, Mildred Purdue were actresses Saturday afternoon for a beach party at Kent Lake for approximately 40 friends.

Mr. and Mrs. Gilbert Alter and children spent Father's Day with Mr. Alter's father in Flat Rock. Karen Alter is visiting the Alter family this week.

Mr. and Mrs. Ferman Rohraff entertained at a picnic supper in their yard Sunday. Those attending were: Mr. and Mrs. Don Raymor of Wayne, the Bruce Raymor family, the Richard McKinleys.

Mr. and Mrs. John Nagay and daughters of South Lyon spent Saturday evening at the Famuliner home.

Mr. and Mrs. Charles Raymor spent the week-end at Munising, Mich.

Mrs. Elizabeth Collins left Saturday for Walla Walla, Washington. Mrs. Collins has been making her home with her daughter, Mrs. Charles Raymor, for some time.

The Carlton Hardestys celebrated their 13th wedding anniversary June 22.

Mr. and Mrs. Elmer Bennett attended an Open House in honor of Walter Schweim of Gottfredson Road on Sunday afternoon. Walter was a 1959 Plymouth High graduate.

A miscellaneous bridal shower honoring Miss Vera Avery was given by Mrs. Leonard Short and her mother, Mrs. Howard Stillwell on June 14 at the Stillwell home. Fifteen guests attended. A cake with bride and groom dolls and white bells centered the table.

The Salem Fire Dept. answered two calls on Sunday, one a grass fire at 3675 Five Mile Rd., on Sunday morning, and the other a shed fire in the afternoon at 10250 Seven Mile Road.

A group met last Monday evening at the Salem Fire Hall to see the demonstration of the E and J Resuscitator. Fireman Rohraff told the group how the resuscitator.

inhalator and aspirator worked and a question and answer discussion followed. The firemen served coffee after the meeting.

The Joy Road Extension Club named new officers for the year. The meeting was held at the home of Mrs. Elmer Braun. Mrs. Noble Phillips presided at the business meeting, roll call, told of favorite books and health hints. The hostess was assisted by Mrs. Barry Brannan and Mrs. Thad Prochnow, and served an attractive noon luncheon. Election of officers followed and those elected were: Mrs. Noble Phillips as Chairman; Mrs. Norman Millard, Vice Chairman; Secretary - Treasurer, Mrs. Russell Miller; Leaders, Mrs. Floyd Cline, Mrs. David Page, Mrs. Ed Ellsworth; Recreation Leader, Mrs. Fred Fuchs assisted by Mrs. Barry Brannan; Community Chairman, Mrs. Robert Egert; Historian, Mrs. Fred Fuchs; News, Mrs. Ed Ellsworth; Flower Committee, Mrs. Russell Gabel. The July meeting will be held at the home of Mrs. Ellsworth on Pontiac Trail, assisted by Mrs. Russell Gabel.

The Worden Farm Bureau met at the home of Mr. and Mrs. Clarence Carroll with 15 attending. After the opening of the meeting Mrs. Gertrude Bock gave a report of the Women's Committee. She told of the detail of the smorgasbord which will be held at the Dexter High School July 12 from noon until all are served. The dinner will be \$1.50 for adults and 75 cents for children. The food will be donated by the Farm Bureau and the proceeds will go for utensils for the kitchen in the new Farm Bureau building. The group discussed real citizenship in action in party politics and were of different opinions. It was agreed that radio and TV broadcasts in an election campaign do not give citizens a true account. The ladies were intrigued with the weaving Mrs. Carroll had learned while in Florida this last winter. She exhibited trays, purses and baskets which were made of pine needles and raffia. Mrs. Carroll served strawberry shortcake and coffee. The next meeting will be held at the home of Mr. and Mrs. DeForest Thompson, July 10.

South Lyon School has a new head for the Citizens Advisory Group. Rev. Faze Larudee was elected Chairman. Glen Dail was re-elected Vice Chairman; Martin Miller, Secretary. Donald Riddering has been newly elected as chairman of the Education committee; Mrs. Pat Crock has been placed on Public Relations.

BIRTHS

Mr. and Mrs. Lloyd A. Johnson of Minneapolis, Minn., formerly of Plymouth, are happy to announce the birth of their first child, a daughter, on June 17. Little Margaret Elizabeth was born in St. Barnabas Hospital in Minneapolis and weighed eight pounds, five ounces. Mrs. Johnson is the former Nancy Worth, daughter of Mr. and Mrs. Warren J. Worth of N. Territorial Road. Mr. Johnson's parents are Rev. and Mrs. Melbourne I. Johnson of Church St. Each set of grandparents is duly proud of this, their first grandchild.

Born to Mr. and Mrs. Joseph Signorelli, of 9040 Canton Center, was a girl, Lynn Ann Lynn, the first child, weighed in at 7 pounds, 5 ounces at St. Joseph's Hospital in Ann Arbor. Grandparents of the child are Mr. and Mrs. Loren J. Goodale and Mr. and Mrs. Anthony Signorelli.

Mr. and Mrs. Thomas E. Dudley Jr., of 13301 Maxwell Rd., Northville, are the proud parents of a daughter, Lisa Ann, born June 22. The girl, a first child, weighed 8 pounds, 4 ounces and was born at Ridgewood Osteopathic Hospital. Paternal grandparents are Mr. and Mrs. Thomas E. Dudley, Sr. of Plymouth and the maternal grandparents are from Crocker, Mo., Mr. and Mrs. Everett Pummill.

Mr. and Mrs. Roger Pelchat of 46470 Ten Mile in Northville (she is the former Sharon Miller of Plymouth) announce the birth of a fourth son, Craig James. He was born on June 7 in Beyer Hospital, Ypsilanti and weighed 8 pounds, 2 ounces.

Rev. Holland Leaving City

The Rev. Charles F. Holland on Sunday morning will deliver his farewell sermon to his mission congregation of the Evangelical Lutheran Church of the Epiphany. Pastor Holland, who organized the new church here in 1956, is leaving to take graduate study at the University of Michigan which will qualify him for hospital chaplain service.

Epiphany Lutheran is a member of United Lutheran Church in America. Sunday services are at 11 a.m., the congregation meeting in the Seventh Day Adventist building on Ann Arbor Trail.

A BETTER UNDERSTANDING of the atomic age in which they are living was given Plymouth young and old Tuesday. A walk-in van exhibit showing the peacetime uses of atomic energy was parked downtown. Brought here by the Jaycees, the exhibit is sponsored by the Atomic Energy Commission. Shown are Joseph Renauer, 7, and his sister, Rosemary, 5, examining a Geiger Counter.

Mother and Son Are Classmates

On the commencement program at the University of Michigan last Saturday, June 13 were the names of Elizabeth Loomis Worth and Anthony Loomis Worth. They are not, as might be thought at first glance, brother and sister, but rather mother and son. Anthony is the son of Mr. and Mrs. Warren J. Worth of N. Territorial Road.

Mrs. Worth received her Master's Degree in Library Science, and Anthony, a PHS graduate of 1954, his Bachelor of Science degree from the College of Literature, Science, and Arts.

University of Michigan was also the school from which Mrs. Worth received her Bachelor's degree in French and English Literature. Following a successful career as wife, mother and homemaker Mrs. Worth, about six years ago, turned her attention back to literature and began working at the Dunning-Hough Library. This again stimulated her interest in academic activities and inspired her to the completion of the requirements for her Master's Degree.

Now, as librarian, Mrs. Worth feels adequately equipped to assist those in search of subject matter and to find available and proper texts. She is considered a most charming and happy addition to the library staff.

Son Anthony majored in Geology during his University career. One-high point was a geological field trip

Rebekah News

The next general meeting will be Friday, June 26. Sorry to report Sister Borna Krumm entered St. Joseph Hospital in Ann Arbor last week. Best wishes for an early recovery.

Next visitation is at Brightmoor Thursday, June 25. A thank-you to all the brothers and sisters for the wonderful turnout at the Calvary Baptist Church Memorial Service.

It was noted at our last meeting the Lodge vacation would be July 11 to Sept. 11.

LEAVING PLYMOUTH

Mr. William A. McHattie, President of Michigan Seamless Tube Company, South Lyon, Mich. has announced that Jacobus Sliopen, employed by the parent company since 1957, has been transferred to the Gulf States Tube Corporation, Rosenberg, Texas.

The Sliopens reside at 681 Jener Place in Plymouth. Mrs. Sliopen is employed by Dr. R. Barber, however, she expects to join Mr. Sliopen in Texas in a few weeks.

Elected to State Credit Union Post

George F. Lawton, treasurer of the Plymouth Community Credit Union, was elected as a director of the Credit Union National Association at a meeting held in Lansing June 20. Lawton has been treasurer of the State Association for five years.

Farewell Luncheon For Several Teachers

Twenty-four members of the staff of Gallimore School including the principal and his wife, Mr. and Mrs. Earl T. Gibson, gathered for luncheon at the home of Mrs. John M. Blossom Thursday afternoon to honor those of the staff who are leaving as the school year ends.

Those who are leaving are: Mr. Stanley Hench, art teacher, who will be an art consultant in the Livonia schools next year; Miss Glenda Peck, librarian, who will be married this summer; Mrs. Jay (Marilyn) Thompson, second grade teacher, who will be moving to Georgia; Mr. Michael Toth, fifth grade teacher, who is moving to Arizona; and Mrs. Roger (Beulah) Westland, sixth grade teacher, who is retiring from teaching. Each of the honored guests was presented with a going-away gift. A gift was also presented to Miss Carol Shepard, fourth grade teacher, who will be married this summer and who will be returning to the Plymouth Schools next year.

In 1946, only 15 states required teachers to have four years of college.

GRADUATION NIGHT at Plymouth High School saw Rev. Robert Richards delivering the commencement address to 226 seniors. Sitting at left, is School board President Austin Stecker who presented the diplomas, including one to his daughter Julie. The speaker, who mixed humor with advice, was formerly pastor of Newburg Methodist Church. The class was the second largest in the school's history.

cluding one to his daughter Julie. The speaker, who mixed humor with advice, was formerly pastor of Newburg Methodist Church. The class was the second largest in the school's history.

THE MAIL ATTITUDE

BY PAUL CHANDLER

There was an absorbing and important meeting held in Plymouth a few days ago on taxes. The Mail reported the general outline of the session last week, but a word or two of comment should be added.

Seated around a single table were most of the local officials who have a hand in cutting up the tax pie—the City, Plymouth Township, the Board of Education, and Canton Township.

After a warming up period, the question's soon settled upon: "Why can't we have the same kind of assessment rules throughout our school district?"

Everyone agreed it was a good idea, in theory. A man from Wayne County, the real expert in the field, said it was a sound idea. But he advised that the only way to have it happen was for the local communities to get together in a voluntary way.

The school board members were almost in a pleading mood. They find themselves right in the crossfire when portions of the district pay different sums of money to an identical school system for identical schooling for their children.

We long have advocated the same thing, and barring some better plan, beseech all the elected officials to continue to negotiate toward the end of achieving one set of assessment standards through the Plymouth school district.

The problem is made tough by a lack of full trust and faith between different units—and, just as important, an honest difference of opinion as to the value of certain kinds of property.

City officials long have been critical of the "low assessments" given vacant land in Plymouth Township.

And today Plymouth Township has every right to be critical of the "low assessments" given personal property within the City. Personal property in general consists of machinery and inventory held by businessmen and merchants, and the values were sliced drastically this year.

So, it is possible, if one is arguing, to claim that the Township "bends over backwards for the big land-holders."

And it is equally valid to say that the city is "bending over backwards for merchants and businessmen."

In both cases, Wayne County raised the two sets of local assessment figures, but "equalization" is a far from perfect process and the suspicion lingers that the assessments still are far from correct.

We bore into this phase of the matter to show only that the solution is no one-sided thing. No one element of the Plymouth district has any monopoly on virtue when it comes to assessments. All are trying in their own best way; all are subject to correction.

If this single fact is realized, I believe agreement can be reached within our community over this biggest of all individual problems affecting our civic harmony and tax base.

In the long run, a County-wide assessment process is much to be desired. Someday it will come to pass.

Meanwhile, it is impossible for reasonable citizens not to believe that our local governments are big enough and reasonable enough to put together a working agreement in our own portion of Wayne County which will provide for neighbors all being taxed according to one set of rules.

Today we're "plugging" two forthcoming local attractions, both for the joy contained in the events, and the worth of the cause.

There's a concert Sunday, as described elsewhere in today's paper, at Plymouth Colony Farms. It's free, but the size of the turnout will have a lot of bearing on whether the Symphony will be able to proceed this summer.

For our golfing fraternity and sorority, a delicious dish will be served at Fox Hills Country Club all day next Monday, June 29. The Club is on Territorial Rd., six miles west of Plymouth.

Chick Harbert, Wally Burkemo and all the glamour names of Michigan professional golf will be there for a pro-amateur tournament.

Obituaries

Charles W. Chapell
Charles W. Chapell, 55, of Alston, Michigan died June 20 of a heart attack. He had been ill for two weeks and was a patient of Baraga County Hospital.

Survived by his wife, Louise, daughter, Mrs. Luella Bailey and one grandchild, Chapell had been a life-long resident of the Northville area. He had graduated from Plymouth High School, attended Michigan State University and was Past Master of Plymouth Rock Lodge No. 47, F and AM. Before his retirement, he served as an employee of Maybury Sanitarium.

Funeral services were held at 1 p.m. Wednesday at the Schraeger Funeral Home, with Rev. Melbourne Johnson officiating. Pallbearers were Walter Gregory, Ervin Ottensman, Wang Livingston, Harold Mackinder, Harry Gerst and Arnold Williams. Interment was in Oakland Hills Memorial Gardens with Masonic graveside services by the Plymouth Lodge.

Edwin H. Allen
Former resident Edwin H. Allen passed away suddenly in Ames, Iowa on June 17. He is survived by his wife, Mrs. Irene Loomis Allen. The Allens were long time residents of this city.

Harry Williams
Funeral services were held today for Harry Williams, 77. The services were at Schraeger Funeral Home with Dr. Henry J. Welch officiating. Williams died June 21 in Bradenton, Florida where he had been living for the past five years.

Survived by his wife and several nieces and nephews, Williams had owned a local machine shop, at Sheldon, and Territorial, and had been a member of Zion Lodge No. 1 of Detroit.

Interment was in Forest Lawn Cemetery, Detroit, with Masonic Graveside services.

Samuel H. Marshall
Canadian-born Samuel H. Marshall died June 21 at the age of 93. He had been confined by long illness to Glenbrook Rest Home. He is survived by a son, George Marshall, eight grandchildren and 25 great-grandchildren.

Marshall came to this area in 1944 from Grand Rapids, Mich. He was a farmer before his retirement.

Funeral services were held at Schraeger Funeral Home on June 23 with Rev. Melbourne I. Johnson officiating. Interment was at Roseland Park Cemetery in Royal Oak.

See You There

The annual picnic of the Plymouth Historical Society will be held on Sunday, June 28 at 5 p.m. in the lovely back yard of the Clara Todd home, 207 West Ann Arbor Trail. Members are asked to bring their own table service and a dish to pass, also a card table and folding chairs if they have them. Members who have enjoyed Mrs. Todd's hospitality in the past will not want to miss this picnic and it is hoped that all new members will come and enjoy the good fellowship.

Dixboro Methodist Church is holding its annual ice-cream social and country store with games and fun on June 27 starting at 4 p.m. on the church grounds, Plymouth Road in the village of Dixboro.

Piano Pupils Entertained

Piano pupils from the class of Hanna Strasen were her guests last week at four studio parties. The pupils furnished a part of the entertainment by playing solos and duets after which refreshments were served and musical games were enjoyed by all the groups.

On Wednesday afternoon these pupils of high school age were present: Dolores Aldrich, David Fey, Nancy Frounfelder, Donna Garlick, Ann Gilles, Barbara Haas, Beverly Raycroft, Marlene Sharland, Dennis Simpson and Elizabeth Taylor.

The first group on Thursday afternoon consisted of the following sixth and seventh graders: Christine Arnisson, Pamela Barbour, Nancy Burley, Suzanne Donohue, James Eder, Janet Fleszar, Janis Lorenz, Linda Luelfing, Linda Lumsden and Jane Vallier. Pamela Barbour also played a solo on the clarinet accompanied by Jane Vallier.

Later on Thursday afternoon the group was made up of seventh and eighth graders: Susan Brinks, Nadine Criger, Barbara Diekmann, Alyce Graye, Larry Hall, Karen Eve Spitz, Christine Strasen and Ann Zoet. Sharon Heidt, a visitor, played two numbers on the accordion.

On Friday afternoon the following grade-schoolers took part in the recital party: Martha Arnisson, Gregory Hohler, David Johnson, Nancy Luelfing, Laura Raaflaub, Frank

SOCIAL NOTES

Reunion
Sunday, June 14 Mrs. Howard Bowden, 229 Ann St. was the happy hostess at a dinner for her sisters and brother, the first reunion of the entire family since the death of their mother 12 years ago. Present were Miss Ruth Coven of Royal Oak; Mrs. John McCormick and daughter of Grosse Pointe; Mr. and Mrs. Van McKee of Indianapolis; Mr. and Mrs. Edward King and daughter and son of Spring City, Pa. and F. Stanley Coven of Bethesda, Md. who flew in for the day. Also present was Mr. Chester M. Culver of Detroit, an uncle. With other family members present the total of 24 enjoyed the dinner with open house for friends during the afternoon.

Travelers
Mrs. Ella Holmes left Wednesday for Barstow, California. On July 17 she and her sister, Mrs. Alzora Kenter will sail for Hawaii. They will return in two months.

Stephen Oldford, past commander of Knights Templar and a resident of Lexington, Mich., was a guest last weekend in the Stewart Oldford home, 645 Ross St. He stayed at his brother's home in Plymouth while attending the Knights Templar Conclave held in Ann Arbor last Thursday, Friday and Saturday. The Stewart Oldfords went to Ann Arbor to attend some of the pageantry.

Mr. and Mrs. C.H. "Pete" Willoughby and children of Thayer, Mo. left Tuesday after vacationing in Plymouth with Miss Edna and Lucy Revell, Mrs. Fred Sullivan, Mr. and Mrs. Frank Revell and the George Gorneyes in Walled Lake. Pete is a Frisco R.R. conductor and considers the scenery more beautiful here than the parks in Missouri.

Guests, Parties News In 'Town Crier' Area

By MARGIE SPRATLING
GL. 3-3811

My apologies to Mr. Robert Lawson for getting his name garbled in last week's column. Bob is president of the Gallimore PTA.

A recent fund raising project of the D.A.R. has been the sale of a block of tickets to the Northland Playhouse production of "The Loud Red Patrick" starring Pat O'Brien. Among those attending the theater party were Mr. and Mrs. Robert Willoughby, of Ann Arbor Trail, Mr. and Mrs. Robert Utter of Amherst Court and Mr. and Mrs. Lewis Goddard of Beck Road.

House guests at the home of Mr. and Mrs. Maurice Ferguson of Powell Rd. this week are Mr. and Mrs. J.C. Moffitt and family of Nashville, Tennessee. Mrs. Moffitt is Mrs. Ferguson's sister. The Moffitts arrived Saturday, and expect to be here for about 10 days. They plan to go to Bob-Lo, Greenfield Village, the zoo, and see other sights.

Mr. T.H. Roberts of W. Ann Arbor Trail returned to his home Friday from Portland, Oregon where he had spent a week on business.

Ted Roberts, son of Mr. and Mrs. T.H. Roberts, entertained a number of his friends Saturday. The young people enjoyed a barbecue and dance.

Brownie Troop 270 held a

Fly-up ceremony earlier this month and the members were received into Intermediate Scouting by Mrs. Alice Smith, leader of Girl Scout Troop 270. The meeting was attended by parents of the girls. After the ceremony, a picnic was held at Riverside Park. Mrs. Steiner and Mrs. Arthier, new leaders, were introduced. Returning leaders are Mrs. Marurice Ferguson and Mr. T.H. Roberts.

Honoring Miss Shirlee Hopkins Thursday were many of the friends she made during the six years she taught second grade at Smith School. About 80 persons attended an open house at the home of Mr. and Mrs. Richard Stribley, of Carol, to bid bon voyage to Miss Hopkins, who will leave for California after her July wedding to John R. Kroft II.

Guests included personnel of Smith school and parents of the children Miss Hopkins has taught. The high regard felt for Miss Hopkins was shown by the attendance of parents of present seventh graders who were her first pupils at Smith through parents of her last class. Assisting Mrs. Stribley were Mrs. Marvin Sackett, Mrs. Dal Carlson, Mrs. Frederick Heidenrich, all of Hartsough, Mrs. Thomas Marshall of Simpson, Mrs. Eldon Martin of Dewey, Mrs. Webb Kinkaid of Rocker, Mrs. Al Adams of Jeter and Mrs. Herb Burley of Linden.

Veterans of Foreign Wars

The VFW state convention at Traverse City from June 25 to June 28 is the event of the hour. A large contingent of Post and Auxiliary members plan to make the trip. The Post has elected as delegates Dick Neale, Hal Young, Harry Bartel, John Schwartz, and Ray Dano. We will expect the delegates to return to Plymouth with many new and helpful ideas. The convention itself promises to be one of the largest in VFW history. The program included a year-end meeting of the council of administration, followed by a memorial service in the evening.

The following morning is reserved for guests, including Senator Patrick McNamara and Senator Phillip Hart. Music and marching will take over Saturday, after business sessions, and the Grand Parade will be held

in the afternoon. Our Auxiliary Drill Team is all set for their first important appearance with their new uniforms. On the last day, the election of state officers will close the convention.

Thirty members were present at the June 17 meeting. Bill Norman and Joe Elliot, both Californians, were unanimously elected as delegates to the National Convention in Los Angeles. Service Officer Gerry Olsen reported on the assistance given the needy family from the Plymouth area. The father of a large family is seriously ill. Permanent assistance has been encouraged through the Michigan Vets Association Trust Fund and welfare authorities.

Hal Young reported only fair results for the Color Guard at the competition at St. Francis Home in Detroit. Apparently the judge had some Army experience which gave him keen vision. The Drill team has been asked to participate in the Plymouth July Fourth parade.

A new member, Harry W. Krumm was voted into the Post at the last meeting. Harry will be initiated soon and is offered a hearty welcome. Membership chairman Bud Luttermoser has reminded all members that 1959 dues are now being accepted. The Post wants to reach, or exceed, its past membership.

About 100 thousand people were on hand to greet Charles A. Lindbergh when he arrived in Paris after his transatlantic flight.

Anniversary, Family Reunion Top Green Meadows Activities

By KATHLEEN B. DODDS
GL. 3-3085

A fair sunny sky, balmy breezes, congenial company and a gay weekend—the scene are the delightful ingredients that help our Green Meadows neighbors make such pleasant news. And really big doings were afoot this week.

Mr. and Mrs. David Francis of Brookline celebrated their 43rd wedding anniversary Sunday. Joining the Francis' and their son Severn for early dinner Sunday were Mr. and Mrs. Albert Jeffry and daughters from East Detroit. After dinner, the Francis and the Jeffrys went to visit the Francis' son, Mr. and Mrs. David Francis, Jr., at their home in Lake Pointe Village.

Daughter Mr. and Mrs. Robert Kujat and two children of Mt. Clemens arrived to join the group at a family barbecue later in the backyard of the junior Francis' home.

Mrs. Bertha Sims of Northern was a delegate to the World War I Veterans state convention in Bay City last weekend. She represented the Ponton Parkway Auxiliary of Plymouth Barracks number 267.

Mrs. Sims arrived Friday to participate in the nomination of state officers, and later in the evening enjoyed a lovely floor show put on by small children at the American Legion Hall in Bay City.

Saturday, following the election of officers, the group participated in memorial ceremonies in the park. After dinner, at which they enjoyed hearing the speaker, there was a fireworks display. Highlight of the weekend was the installation Sunday of the officers for the State organization.

Open House was held Sunday at the home of Mr. and Mrs. Harold Searfoss of Northville to celebrate the graduation of their son Harold, Jr., from Northville High. Attending the outdoor picnic-style luncheon were Mr. and Mrs. Roy VanBuren and daughter Sandy of Marlowe.

Philip Freuss, brother of Mrs. Leo Speer, and Mr. and Mrs. Bruno Preuss, their parents, were guests for dinner last Tuesday evening at the Speer home on S. Main.

Prior to dinner the family spent the afternoon visiting an aunt and uncle, Mr. and Mrs. Edward Preuss, at the cottage at North Lake.

Young Freuss is a Naval storekeeper home on leave from Norfolk, Va.

Mrs. Howard Smith of Northern has asked us to mention the fact that she is the Avon Cosmetic representative in this area and will be happy to make evening appointments. You can call her at GL. 3-2255.

Open House for Mary Jane, daughter of Mr. and Mrs. Earl West of Ball St., and Janet, daughter of Mr. and Mrs. Wilbert West of N. Sheldon Rd., was held at the Earl West home Thursday evening following commencement exercises. Celebrating the graduation of the two lovely misses from Plymouth High were friends, relatives and

members of the graduating class. The Nurses Association of Ridgewood Osteopathic Hospital and Garden City Osteopathic Hospital held their annual picnic at Metropolitan Park in Belleville Thursday evening. Mrs. Fred Wick, of Marlowe, who is a member of the Ridgewood nursing staff, with her husband, attended the festivities given for the resident doctors, interns, nursing staff of both hospitals and their families. The group enjoyed a good swim following the picnic-style dinner.

Mr. and Mrs. Frank Palmer of 30 Main entertained about 30 relatives over the weekend—and to hear her talk about it, one would think it were an everyday occurrence, she makes it sound so easy. Such aplomb! Joining the Palmers and their four children for family dinner Saturday night were Mrs. Robert Hoag of Pittsburgh, Pa., Mr. and Mrs. William Maulbetsch of Sebastia, Fla., and Mr. and Mrs. Wallace Joure and daughters of Marine City, Mich. On Sunday, following their pleasant night with the Palmers, this group was joined by the rest of the relatives, completing the gathering for a big family reunion.

From near and far came: Mr. and Mrs. George Palmer of Largo, Fla., the Charles Palmers and daughter of Sandusky, Ohio, the Robert Palmers and 3 children of Livonia, Mrs. Mildred Alber from Ann Arbor, Mrs. Katherine Chance and Mr. and Mrs. Art Beeman from Battle Creek, and Mr. and Mrs. Jack Kinim of Detroit. Everyone enjoyed a family-style picnic dinner outdoors at the Frank Palmer home, and later in the evening many of the guests stayed to enjoy a late snack.

Mr. and Mrs. Charles Austin and daughter Carol of Brookline were guests Friday evening in Royal Oak at a stork shower honoring a niece, Mrs. Clyde Patterson.

Mr. and Mrs. Jim Woods of Prescott, Arizona, attended Plymouth High School graduation exercises Thursday evening for their daughter Sharon. The Woods arrived about two weeks ago for a visit with her mother, Mrs. Blanche Beard of Brookline, and returned to Arizona Saturday.

Mrs. James Hastings and her children, Leo, Gary and Paula, from Gill, Mass., visited last week at the home of her sister, Mrs. Dean Busch of Marlowe. Mrs. Hastings, formerly of Plymouth, is in town for the wedding this Saturday of her sister, Miss Sally Kowalcik, at which son Leo will be ring-bearer. Mrs. Hastings will enjoy a nice long visit with her parents, Mr. and Mrs. Leo Kowalcik, of Main Street, with whom she is staying.

Mr. and Mrs. William Boyle of Detroit were guests Monday afternoon for dinner and a late evening lunch at the home of Mr. and Mrs. David Francis of Brookline. Mr. and Mrs. Earl C. Foster, parents of Mrs. Bertha Sims of Northern, and grand-

son Wesley Sims spent last weekend at Gibsonburg, Ohio, visiting relatives and friends.

Gary VanBuren, son of the Roy VanBurens of Marlowe, joined the Webelos Scouts Sunday on a hike, for which the boys fixed their own lunches.

Seems as if we just can't lick this chickenpox that's going around. Latest young "victim" is Charles Beard, son of Mr. and Mrs. Karl Beard of Brookline, who was confined last week. Biggest disappointment for Chuckie was missing the school picnic and the rest of the end-of-the-year school activities.

Guests last Monday night at the home of Mr. and Mrs. A.L. Allison of Elmhurst were his sister, Mr. and Mrs. Hugh Miller of Mancelona, Mich., and Mrs. Miller's son, Mr. Robert Foote of Duarte, California. Saturday afternoon, the Allisons entertained their grandson, Mr. James Reese for dinner at their home. Mr. Reese is the pastor of the First Baptist Church in Moline, Ill., and was passing through on his way to Wayne.

Mr. and Mrs. Orville Tungate of Brookline attended the Knights of Columbus dance Saturday night at the K of C Hall on Union St. with a group of friends. Preceding the dance, the Tungates were among the guests enjoying cocktails at the home of Mr. and Mrs. Dick Warga.

Mr. Kenneth Dodds returned home Saturday evening from a three-week business trip near Houston, Texas. Big thrill for daughter Karen, aside from having Daddy home again, of course, was a pair of real Texas dress boots her Daddy brought her.

We have a "line" on lots of interesting news for next week—be sure to give us a call at GL. 3-3085 so we can include your news.

MR. ARMSTRONG'S sixth grade class at Smith School enjoyed an international luncheon last Thursday. A culminating activity of a unit of study about the nations of the world, the menu was planned by students who assisted in the preparation of the meal. Some members of the class acted as waiters and entertainers. Particular emphasis in this course of study has been given to the trouble areas of today's world. The room was decorated with travel posters and a mural depicting the streets of Paris. A sidewalk cafe theme was carried out at the buffet table. Fried Chicken from America; Pizza from Italy; Combination Salad with French and Italian Dressings; French and Vienna Bread; Swiss cocoa; Fortune Cookies from Japan; and Tarts from England were on the bill-of-fare. Chef, waiters and participants above are Mr. Gary Fuelling, Bob Grubb, Linda Hill, Terry Cruce, Judy McDowell, Judy Olds, Larry Minehart and Linda Sawyer.

GARDEN GAB—

BY BILL SAXTON

Outdoor cooking on charcoal brazier is becoming more and more popular. Food flavors seem to improve a great deal or perhaps more flavor is retained and sealed in.

Here are some tips for beginners on rotating electric spits. Arrange the coals in a semi-circle in the half of the grill beneath the hood. Use aluminum foil bent up on the edges to form a drip pan and place in a position across the center near the coals to catch the drippings. When you start meat cooking spread butter or other suitable basting material with a basting brush to prevent drying and seal in flavor. A barbecue thermometer may be placed in the meat to check on the progress. Be careful not to get the thermometer next to a bone or the reading will be inaccurate. Plan on allowing a good hour and a half to two hours for chickens and proportionately longer for turkeys and hams.

Don't apply barbecue sauce until the fire has waned and there is no danger of burning. The latest thing in outdoor cooking is the barrel brazier.

These units enable you to smoke the food with Hickory Chips which is true barbecuing — not just grilling. Oh, the flavor!

Crab grass is appearing now. If you see signs of it get out the spreader and apply Glout while it is young and easy to kill.

If you have any gardening problems such as insects, plant diseases or weed control stop in Saturday and talk them over with John Cunningham, an authority on them. He will be in our store from 10 a.m. to 5 p.m. for the sole purpose of giving you aid and advice.

| Hamilton | 10-12 a.m. & 1:30-5:30 p.m. | B. Argo |
| Cherry Hill | 1-5 | K. West |

This is the summer recreation playground schedule released today by Herbert Woolweaver, director of Adult Education and Recreation.

On rainy days the Auburn group will go to Bird and the Hamilton to Central.

KEN KISABETH, pitching his first game of the season for the Plymouth Merchants club, winds up as the umpire watches. This win for the Merchants was the second of the season and coupled Ken's pitching with the team's hitting record. Sunday Plymouth will travel to South Lyon.

Merchants Take 2nd Win Sunday

Coupling their hitting with new pitching talent, the Plymouth Merchants won their second game of the season Sunday by a 12-6 margin.

South Lyons was forced to receive the short end of the score this week as the local club downed them for the second time this year.

Last meeting, Plymouth defeated them 7-3 at South Lyons. That game was the third contest of the season for the Merchants. Since that time they have been on the small end of the scores.

Pitching for the Plymouth club this week was Ken Kisabeth. Ken, who played with the Redford Merchants at the start of the season, was on the Plymouth club last year.

His pitching, together with the usual fine hitting power of the club, proved too much for the South Lyons group.

Ken went the full game, with only slight trouble in the ninth. It was in this closing inning that South Lyons collected three of their six runs.

Dennis Boufford and Harvey Wells were the afternoon's leading hitters. Dennis was 4-5 and drove in four runs, while Harvey was 3-4. Leading the team for hitting is Harvey Wells with a .567 average.

This Sunday Plymouth will travel to South Lyons to meet Seamless Tube. Last meeting Seamless Tube dropped the local club 12-9.

Jerry Stockwell, the first baseman that suffered compound fractures of both leg bones, has been released from the hospital. Jerry is reported to be glad the confined stay is over. It has also been reported that he is moving about with the aid of crutches.

The Philadelphia Phillies have set July 1st, 2nd and 3rd as the dates for their tryout camp at Rotunda Field, near Dearborn, with 9:30 a.m. the reporting time.

The camp will be under the direction of Tony Lucadello, Midwest Scout of the Phillies and he will be assisted by Casey Lopata, local area scout and Jr. Orri-son, Flint area scout.

All boys between the ages of 17 and 22 are invited to attend except American Legion players who must bring a letter from the Post Commander or Coach on Legion stationery. This restriction is made by Commissioner Frick.

Players who attend are requested to bring their own uniforms, gloves and spiked shoes. The Phillies will furnish all other equipment. The Rotunda Field has fine facilities for dressing and showers. Boys who signed to a Phillies contract as a result of their showing at the tryout camp will have their expenses refunded.

LANSING, June—Bid invitations are being sent to commercial fishermen and other persons who have shown an interest in buying Patrol Boat No. 1, former flagship of the Conservation Department's commercial fisheries patrol fleet.

Other state agencies were given first opportunity to acquire the boat which was recently assigned to the Department of Administration's surplus and salvage section for disposal. However, none had shown an interest by the June 17 deadline.

Northville Downs Offers \$11,392 H.T.A. Saturday

The opening week of harness racing at Northville Downs will be climaxed Saturday night (June 27) with one of the season's top races—the \$11,392 H.T.A. Pace.

It is the seventh and final qualifying leg of the rich event sponsored by the Harness Tracks of America at various midwest and eastern tracks. The Northville event is expected to draw eight or 10 of the nation's standout four-year-olds.

Only the top ten in point standings of the original list of 39 nominees qualify for the \$60,000 finale at Yonkers Raceway in New York City just two weeks after the race here.

That's what makes the Northville leg so important. All the eligibles on the ragged edge in the standings have to compete since any horse below them could get enough points to push them out of the chance for the big money of the finale.

Points are awarded on the basis of 10 for first place and scaled down to one for an eighth place finish.

Michigan fans will have their eyes focused on the speedy Linda's Indian, owned by Bill Stevenson of Adrian, first Michigan-owned to win with a record of 1:59.45 and ambitions of becoming the first Michigan-owned to win a leg in any of the HTA events.

The Indian showed his fitness in his last start at Hazel Park when he won in a fast 2:02 1-5, pacing the last

quarter in a shade over 28 seconds.

Others expected are: Curley Smart's O.F. Brady, Esquire Direct, Lynda Soangler, 52nd Street, Winnov, O'Brien Hanover, Rhythm Time, Prudence Adios, William Way, and Saundor Mills' Fleet Byrd.

This will be the third renewal of the stake which went under the banner of the Transamerica Pace in 1957 and 1958.

Steamin' Demén holds the stake record at the Downs with a clocking of 2:02 2-5 in '57. The event went in two heats that year with Widower Creed winning the second half in 2:03 4-5.

The famed Belle Acton was the victor a year ago in the creditable time of 2:07 4-5 over a track that was no better than slow after mid-afternoon rains. La Belle went on from there to completely dominate the stake, winning the spring and fall series finales at the two big metropolitan New York tracks.

SPORTS SEEN

The fans had the time of their life at Flat Rock Speedway Sunday when three sports writers found themselves on the back of an elephant, but even more side splitting resulted when said writers tried their hand at ostrich racing.

I was one of the poor unfortunate ones that took part in providing the paying customers with laughs. This is the price of being in the newspaper racket. Actually it was a problem of money. After Gene Holter's circus was secured no money was left for hiring clowns. So... who are bigger clowns than sports writers?

Somebody worked the elephant into the act. That doesn't sound too bad, but... Put eight or ten people on the back of this walking pile of skin and the last man sits on his will power. I was third man from the back and from where I was, it looked like about a mile to the ground.

Well we lived through it. We being myself, a representative from the Wyandotte Sports dept., Jim O'Tool of the Mellus papers and three midget wrestlers.

A midget elephant was provided for them much to their surprise. They laughed at us when the large economy size was led out. One of them turned to Gene Holter, owner of the animals, and remarked that if there was a little elephant they would ride too. A little elephant was brought out, over loud protesting.

Even Joan Simmons got to ride the great beast. We found out later that the same elephant had made a picture with Liz Taylor. It seemed like a down to earth type of animal... though.

With much fanfare the hooded racing ostriches were brought from the pit area to the starting line. Writers and wrestlers were chosen for the first race.

I was one of the first to advance on the steed. My racing colors, a crash helmet and a broom were handed to me. Behind each ostrich were little sulkeys. After donning helmet and colors, I climbed into the sulky to receive final instructions.

The idea is to sit on the front edge of the seat. This is for two reasons, the most important is so the broom will reach to the side of the ostrich's head, the only control we had over the direction traveled. And second, it took the weight off the wheels allowing the trusty animal to make great speed.

The first race I won. Then the other three had a race. O'Tool, using my ostrich, won. He did cut across the infield on the second lap though. Then O'Tool and I raced for the trophy. No chincy thing, either.

O'Tool wouldn't give up the ostrich, so I piled into another. He won. Talking with Gene Holter afterwards, Jim and I learned that most of the time, the ostrich that he was riding stops and loses the last race, and that the one I was in finishes first. Some people have all the luck.

To-end the evening, track owner Andy Barto, provided much food and mirth. A fitting climax to a fun filled evening.

It is a very sore, bruised writer that is preparing this column. But if given the chance to hit the trail again with trusty ostrich, would do so.

103 Report And Listen

A bleacher full of young ball players greeted Gus Gorguze, behind the high school Monday afternoon to signal the start of Plymouth's Little League season.

One hundred and three assorted boys, two girls, a dog and a half dozen or so mothers were on hand as the summer program was outlined by supervisor Gorguze.

The boys came in varying sizes, from short to extra tall. Some with baseball caps and other head gear, some attentive but a few not, but all with the same thought in mind. That being to play ball and make a team.

As has been the case in past seasons, the boys will be divided as to age group with practice and play to follow. Last summer there were eight teams, four in each age grouping.

Mr. Gorguze stressed the fact that no horseplay would be tolerated, inasmuch as it leads to accidents. The summer schedule was the next topic for explanation. As last vacation, play is from 3:30 to 5:30 Monday through Thursday. Boys are to report Fridays at the same time, but on this day a team of the week will be chosen with the possibility these baseballers might find competition with outside schools.

Before the boys left, they were given a contract to be filled out by their parents and returned prior to playing.

This gives the recreation department a record of the players for the summer.

V.F.W. Auxiliary

At the June 16 meeting, the Auxiliary had as their guest Leola Radtke, fourth district president, who spoke briefly commending the Auxiliary on its interesting and well-conducted meeting.

Hospital Chairman, Virginia Bartel, reported on the trip made to Ann Arbor where the Veterans were entertained with a picnic. Members who made the trip were Helen Bowring, Janet McLean, Geraldine Olsen, Mildred Dely, and Marian Skoglund. Hilda Korabacher and Alice Fisher helped in the preparation of the food.

At this meeting two National Delegates were elected: Georgina Elliott and Marie Norman. Gertrude Danol and Grace Burley were elected alternates.

Many thanks to all the girls who brought canned goods for a needy family. Patricia Dunlap, Rehabilitation Chairman, reported that a basket of food had been taken to this family and greatly appreciated.

The tune of the Marines' Hymn, first sung after the Mexican War in 1847, occurs in an old Spanish folk song and in the French comic opera "Genevieve de Brabant" by Jacques Offenbach.

Charlemagne was the first ruler of France, his reign lasting from 768 to 814.

LEGAL NOTICE

Thomas J. Foley
1866 Penobscot Bldg.
Detroit, Michigan
STATE OF MICHIGAN,
County of Wayne
ss. 470,822

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the first day of June, in the year one thousand nine hundred and fifty-nine. Present William J. Cody, Judge of Probate. In the matter of the estate of ADOLPH GUTZEIT, deceased. Fern W. Martin, administratrix of said estate, having rendered to this Court her first and final account in said matter and filed therewith her petition praying that the residue of said estate be assigned to the person her persons entitled thereto: It is ordered, that the eighth day of July, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition. And it is further ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the PLYMOUTH MAIL, a newspaper printed and circulated in said County of Wayne.

William J. Cody,
Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated June 1, 1959.

Local Girl Bride of Ensign

Photo by Gaffield

Ensign and Mrs. Ralph Logan Segar, Jr.

In the flower-banked chance of the First United Presbyterian Church in Plymouth June 13, marriage vows were exchanged by Nancy Elizabeth Rigney and Ralph Logan Segar, Jr. Dr. Henry J. Walch officiated at the 3 p.m. rites.

Among the wedding guests were the couple's parents, Mr. and Mrs. Winston T. Rigney, Grove Drive, Livonia and Mr. and Mrs. Ralph L. Segar from Topeka, Kansas.

Guests were greeted from Detroit area, Ohio, Kansas, Canada, at Thunderbird Inn following the ceremony. Mrs. William Rigney and Mrs. Frederick Palmer, grandmothers of the bride, were present from London, Ontario. The newlyweds left on a motor trip of Canada and New England.

For her wedding, the bride chose a waltz-length white embroidered imported spun silk organza, over pale yellow taffeta. A crown cap held her short veil. White roses and white orchids formed a cascade bouquet arrangement.

A waltz-length white nylon with yellow floral pattern and scalloped hemline was worn by the maid of honor, Miss Ainsley Rigney, sister of the bride. She carried a cascade arrangement of yellow daisies. Mrs. Frederick J. Westfall, III, of Livonia presided over the guest book for the bride.

In the absence of Kenneth Irby of Fort Scott, Kansas, slated to be the best man, Ensign Segar's father, Mr. Ralph L. Segar assisted his son, Frederick B. Palmer, Jr. of London, Ontario, cousin of the bride, and Frederick J. Westfall, III of Livonia, were ushers.

White orchids were pinned to the bride's mother's pale blue silk organza sheath, complimented by a small white feather hat, while the groom's mother chose a blue silk suit, deep blue petal hat, and wore a white orchid. The bride chose a white silk shantung sheath with an empire waist banded by aqua and lavender. Her coat was of the matching aqua and lavender pattern accessorized in white with a white orchid.

When they return they will make their home in New London, Conn. where the bridegroom will attend the six-month U.S. Naval Submarine School.

The bride is a graduate of Michigan State University, and a member of Alpha Omicron Pi Sorority and Theta Sigma Phi Journalism Honorary.

Installation For Navy Mother's Club

The Plymouth Navy Mothers' Club held their installation of officers jointly with the Ypsilanti unit on Wednesday, June 17, at the Veterans Memorial Center in Plymouth. The Installing Officer was Mrs. Liela Huebler, Past Commander, the Installing Marshal, Mrs. Elma Renwick. New officers for 1959 are: Mrs. Erma G. McLean, Commander; Mrs. Rebecca Erdelyi, Vice Commander; Mrs. Leona Schomberger, Adjutant; Mrs. Edna Burger, Finance Officer; Mrs. Mabel Donahue, Chaplain; Mrs. Joan Sackett and Mrs. Viola Mende, Matrons-at-Arms; Mrs. Jessie Whelan and Mrs. Lucille Alband, Color Bearers. Michael McLean entertained with numbers on the accordion. Refreshments were served. Tables were decorated with blue and gold floral arrangements and large cakes bearing the Navy anchor and insignia. Birthday cakes were taken to the V. A. Hospital on Sunday the 21st.

The American flag may never be carried flat or horizontally: always aloft and free.

QUICK CHANGE ARTIST
NEW YORK (UPI) — Two months after he completed editing the sixth edition of a 2,270-page mechanical engineering handbook, Columbia University Prof. Theodore Baumeister found that scientific developments had dated so much of his information he had to start revising.

Livonia Branch of Garden Club Meet At Rotunda Inn

Rotunda Inn, Pine Lake was the setting for the spring luncheon and installation of new officers of the Livonia Branch of the Woman's National Farm and Garden Association on Tuesday, June 16th.

New officers for 1959-1960 are as follows: President, Mrs. Ray Andrews; First Vice-President, Mrs. John VanLier; second Vice President, Mrs. Ernest Garside; Recording Secretary, Mrs. Joan Hoest; Corresponding Secretary, Mrs. Paul A. Cooper; and Treasurer, Mrs. Clifford Ayers. Installation was conducted by Past-President Mrs. Clarence Mott.

Report was given by Mrs. Evan Lounsbury, chairman, for a very successful card party, held June 9th at Crowley's Westborn store.

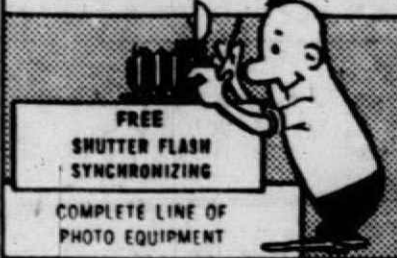

Engaged

Dorothy Sackett

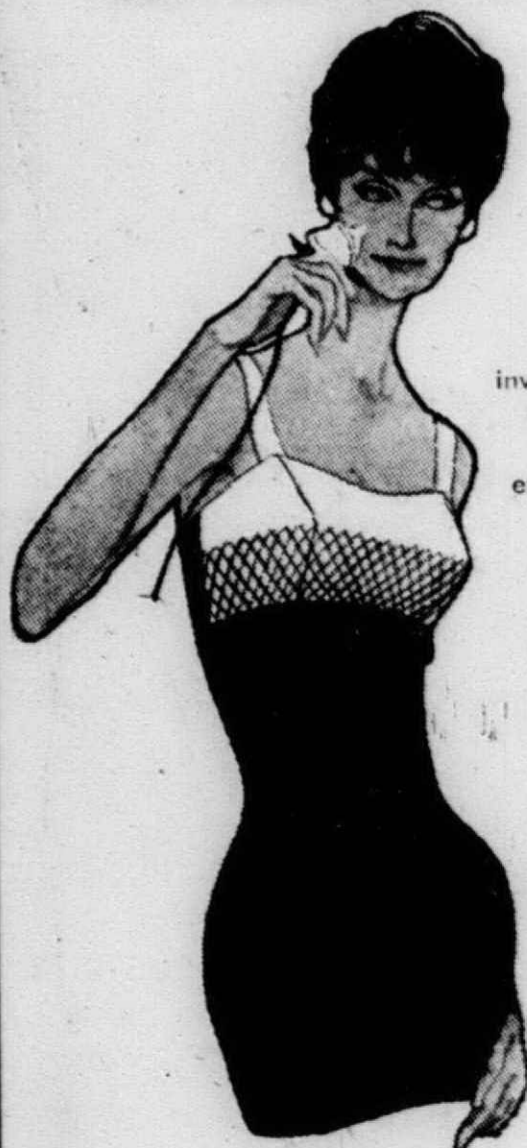

ST. JOHN'S Church will be the setting Sept. 5 for the wedding of Dorothy Sackett and Carl Pfizenmaier. Their parents are Mrs. Clark Sackett of Gilbert St. and the late Mr. Sackett and Mr. and Mrs. Herbert Pfizenmaier of Ann Arbor. The bride-to-be is a 1953 graduate of Plymouth High and is employed by Michigan Bell Telephone Co. Carl is a graduate of Ann Arbor High and is attending the School of Veterinary Medicine at Michigan State University.

Mrs. Roger Peterson

Residents United

Miss Joyce Lynne Smith and Mr. Carl Rodger Peterson were married in an afternoon ceremony at the First Methodist Church on Sunday, June 21. Dr. M.I. Johnson officiated.

Reflecting the elegance of the Renaissance, the bride's gown of embroidered Alencon lace emphasized her wedding day radiance. The lovely lace etched its rose pattern over the bodice, outlining in petal motif the bateau decolletage and tapered sleeves. Contour folds of the rich silk defined the high Empire waistline, closing at the back with silk and lace sculptured roses and the bouffant skirt belled in soft pleats.

A princess cap of Alencon secured her tiered veil of silk illusion and she carried a cascade bouquet of imported phalaenopsis orchids, stephanotis and English ivy.

Adding pageantry to the background, her attendants, Maid of Honor Jeanne Pauscher, sorority sister of the bride and bridesmaids Ella Plant, Beverly Deutsche and Sara Wesley were gowned in Dresden blue silk organza over taffeta, styled with wide turned back portrait collars and bracelet bell-shaped sleeves, bound in satin. They wore transparent picture hats and their bouquets were full and button mums with ivy.

Junior bridesmaid was Margaret McFarland, Brian Smith, youngest brother of the bride was in attendance at the altar. Best-man was Arthur Deutsche, brother-in-law of the groom. Fred Smith, Andy Smith, Dean Smith, Warren Smith, Jr. and Jack Porter were ushers.

Ella Plant sang "Verstich" and "The Lord's Prayer". Joyce is the daughter of Mr. and Mrs. Warren Smith of Main St. and Rodger is the son of Mr. and Mrs. Carl Peterson of Amherst Ct., both in Plymouth. The couple are 1955 graduates of Plymouth High and attend Michigan State University. The bride is a member of Alpha Phi sorority and the groom a member of Delta Sigma Pi fraternity.

Mrs. Smith, mother of the bride, wore soft blue applique lace sheath dress with mid-sleeves. Her hat was variegated blue. Mrs. Peterson, mother of the groom, wore rose silk organza with short cap sleeves and a rose feathered hat. Both mothers wore white orchid corsages.

Three hundred guests from Ohio, Arkansas, Detroit, Manistique, St. Clair Shores, Mt. Clemens, Port Huron, Lansing, Dearborn, Ann Arbor and Plymouth attended the reception following.

A beige-and-white check summer suit was the bride's going-away-outfit for the wedding trip through Michigan. The future home of the couple will be in University Village in East Lansing where they will finish their final year at MSU.

Plymouthite Weds Serviceman

Given in marriage by her father, Edith Faye Nicks exchanged vows with Sgt. Francis Kriedler June 6 at the Church of Christ, Plymouth. Rev. Paul A. McAllister officiated at the ceremony.

Their parents are Mr. and Mrs. Frank Everett Nicks of Brookline Avenue, Plymouth and Mr. and Mrs. Bertrum Plummer, Wayne.

For her wedding the bride chose musical selections "Tell Me Why", "O Promise Me", "Thine Alone". She was gowned in a white lace with rose motif and tulle over taffeta with a sabrina neckline and chapel train. Her colonial bouquet was made of white carnations with white roses. A fingertip veil was identically gowned in blue as the junior bridesmaid and Miss Debbie Barrett was flower girl.

Mrs. Homer Barrett, sister of the bride was matron of honor in a blue taffeta with empire waistline and featured bows in the back with long streamers. Judith Ann Truex was maid of honor in a similar gown of pale pink. Miss Winona Richie was identicaly gowned in blue as the junior bridesmaid and Miss Debbie Barrett was flower girl.

Carl Jakobovic, uncle of the groom, served as his best man. Ushers assisting the groom were Jerry French and Lowell Carmichael.

The bride's mother selected a steel blue organza for the occasion and the groom's mother a pink lace over taffeta. They greeted over 300 guests from Plymouth, Wayne, Livonia, Detroit and Erie, Pa., in the church parlor immediately following the ceremony.

Traveling to Pennsylvania on their wedding trip the bride chose for her going away outfit a pale blue crystallite with embossed blue daffodils. She is a graduate of Plymouth High School, class of 1954, and attended Freed-Hardeman College, Henderson, Tenn. The groom attended school in Pennsylvania and Detroit before joining the service in 1954. He is a Specialist, Fourth Class in the 11 Airborne Division. The young couple will live at Fort Campbell, Ky. where Sgt. Kriedler is presently stationed.

Sp(4) and Mrs. Francis M. Kriedler

FRONT ROW CENTER

How does one get angry with the lovely weather we've been having? You just can't manufacture bile while the buds are busting out all over. Difficult as it may be old George has forced himself to listen intently to two "angry young men."

Our first caustic visitor that talked to me was Mr. Phil Ashton, Mr. Ashton reviewed the spring production "Wake Up, Darling" that the Plymouth Theatre Guild had on view last month. Phil was upset for two reasons: one, a letter to the Editor from a Mrs. Renauer; secondly, Dick Cloonan of the Detroit News ran a review of "Wake Up, Darling" that made little sense if he is to be considered a competent play critic.

The first accusation (at least, that's what Phil called it) was that "Wake Up, Darling" contained too much sex. The writer of the letter thought a better play could have been selected. Phil indicated that Mrs. R. had better not attend the local drive-ins this week with Marilyn Monroe cavorting sensuously on screen in an item called "Some Like It Hot."

And recently, "The Mating Game" played at the Penn to many family groups. He pointed out to me that Harold Truex saw the picture with him and deplored the excessive use of sex to gain laughs. If you missed the scene between Debbie Reynolds and Tony Randall when Debbie is doing her darndest to attract Tony, you'd be wise to uncover those eyes and check those wild camera shots. You can't get much sexier than the bedroom scene in which Debbie sits on the bed and Tony imagines he has been with her all night. All in good, clean American fun?

Phil says you'd better censor some of the dialogue in

The Mating Game—it gets a little gamey in spots. O.K. Phil, we'll suggest that Mr. R. look in on some of the cinema offerings. They tell me that "Anniversary Waltz" is being filmed line for line as it was done on the stage. As you recall, this play centered about a pre-marital situation. Guess the movie makers are getting bolder or we're just getting older.

The case of Phil Ashton versus Dick Cloonan of the Detroit News deserved discussion. Phil saw the Guild play and enjoyed every minute of it. Dick saw the play and thought it dragged, went too fast, and was a let-down after "Teahouse". At the start you can see that Dick contradicts himself. Let's take the last item first: "Wake Up, Darling" was a letdown after "Teahouse". Phil points out that strangely enough Mr. Cloonan didn't attend any performances of "Teahouse". Check the record for a review of this production and you'll find none. The only mention was an item that "Teahouse" drew some 1,100 people to the show. Do mere numbers mean quality?

Phil agrees with everyone that "Teahouse" was the "top" show artistically during the past season. You can't begin to compare an international success with a show that lasted only five days on Broadway.

Five nations, the Seneca, Cayuga, Onondaga, Oneida, and Mohawk, belonged to the Iroquois Indian League.

BPW Close Year With Picnic

The local B.P.W. Group closed the 1958-59 season with a picnic at the home of the outgoing president Mary J. Wagenshutz on Monday, June 15 under the direction of the Executive Board.

After a delicious box lunch, prepared and served by Margie Toll House, games were enjoyed by the 48 members and guests present.

One of the members, Margaret Porteous showed excellent slides of her travels in Germany.

OPEN SUNDAY
No Sunday Phone Calls PLEASE

To Women It May Concern

By Myra Cox, Women's Editor

Music, like sunshine, is for everyone! Both are promised free of charge in generous quantity and quality for this Sunday evening at 6 p.m. at the Plymouth Colony Farms (Plymouth off Joy Road). The Plymouth Symphony Society is sponsoring the all string orchestra with 75 instruments under the direction of Wayne Dunlap, playing selections from Handel; and the Farmer's Almanac provided the prophecy for lovely weather.

I will guarantee the tone deaf and the music critic alike will get the shivers-on-the-arm feeling from this wonderful music. Speaking from experience (I can't carry a tune in a bushel-basket) an orchestra of this magnitude always stirs my imagination and gives wings to my spirit. Children too, are inspired with "really live music" such as Wayne Dunlap is capable of inspiring. And, really, wouldn't it be a good idea to take the tender shoots away from the murder in the living room and decollette of the top-notch song bird on TV and expose them to an evening of soul-stirring music?

You are invited by Dr. and Mrs. Pino to enjoy a picnic during the afternoon on their spacious grounds which they so generously open to the community for the concerts. Remember mothers, this is an informal, outdoor concert where the family may sit about and even wiggle without disturbing anyone.

Piano pupils from the class of Hanna Strasen in Plymouth will be proud to know "their teacher" will be one of many from all over the country attending the Piano Teachers' Clinic in the Kellogg Center for continuing education at East Lansing. She will be leaving Sunday, June 28, and the professional workshop lasts until July 3 with many phases of piano covered. Dr. Walter Hodgson, Head of the Music Department of Michigan State University, Dr. Jack Pernecky, Director of Youth Music Programs, and Mr. Robert Unkefer, psychologist and pianist are all leaders on the program. Plymouth should benefit from a completely re-inspired Miss Hanna Strasen.

Still on music, you may walk in any music store in the country and proudly ask for the recordings "I'll Never Forget You" and "Tell Me" by the **BOY FROM PLYMOUTH**. Danny Hargrove, son of Mr. and Mrs. Grady Hargrove of Canton Center is home from his studies at the University of Michigan, and has these newly released records available. Danny wrote his own material and plays the guitar and sings on the record. So much talent in the 'ole home town.

DOG OF DISTINCTION—Only canine ever to portray a human being on the screen is Shaggy, English sheep dog who plays the title role in Walt Disney's "The Shaggy Dog." His human counterpart is played by teen-ager Tommy Kirk in the hilarious comedy-fantasy which Buena Vista is releasing. Also starred are Fred MacMurray, Jean Hagen, Annette Funicello, Tim Considine and Kevin "Moochie" Corcoran. "The Shaggy Dog" opens June 28, at The Penn Theatre.

Mr. and Mrs. Donald L. Szulag

Szulag-Sockow Wed At Nuptial Mass

After an extensive trip in the upper peninsula, newly-weds, Mr. and Mrs. Donald L. Szulag returned to Plymouth to their new residence at 1067 Linden.

The bride, the former Claudia J. Sockow, daughter of Mr. and Mrs. Clifton Sockow, Plymouth, was wed to Mr. Szulag, son of Mrs. Frances Szulag of Detroit on May 30. Father Child heard the 9:00 a.m. nuptial mass at Our Lady of Good Counsel Church, Plymouth.

Gowned in a floor length, chantilly lace, the bride carried a bouquet of white orchids, roses, and carnations. Her matron of honor, Mrs. Rosemarie Janik, wore a white nylon flowered ballerina length gown and carried a basket of sweetheart roses and snapdragons. Sweetheart roses made up the head-

bands worn by the matron of honor and the bridesmaids, Miss Virginia Sockow and Miss Luanne Sockow. They were gowned identical to the maid of honor. Petite Gloria Sockow served as flower girl in a pale green nylon dress fashioned after the bride's attendants and John Szulag served as ring bearer.

Mr. Ertman Kessler was best man and Mr. Ron Szulag and Mr. Marvin Szulag served as ushers.

The bride's mother greeted the 200 guests attending the reception honoring the young couple in an ivory brocade sheath and she was assisted by the groom's mother in a pink lace dress complimented by a corsage of deep pink roses. Yellow roses graced the shoulder of the bride's mother.

Mr. and Mrs. Russell Gibson

Gibson-St. Louis Rites Said

Father Bujarsi officiated at a double ring ceremony for Carol Ann St. Louis and Russell Gibson at St. Vincent DePaul Church, Rogers.

The bride is the daughter of Mr. and Mrs. Gilbert St. Louis, formerly of Plymouth, now of Rogers, Arkansas.

Russell is the son of Mrs. Mae Gibson of Pineville, Kentucky.

For her wedding the bride chose a white chantilly lace over white satin gown. She wore a mother of pearl tiera holding a fingertip veil.

Doris March served as her sister's maid of honor, gowned in a powder blue lace over blue satin.

Timothy Yoe of Plymouth was best man.

A reception was held following the ceremony at the home of the bride's parents. The 100 guests attending were from Plymouth, Bentonville and Rogers.

Following their wedding trip the newlyweds will be at home at 511 Holbrook, Plymouth.

The next visit of Goodwill Industries pick-up trucks to Plymouth is scheduled for Monday, June 29. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Men's Club, Maybury Ssnatorium, telephone number, Fieidbrook 9-2682.

GOING UP—four teen-agers in the ascendant are Annette Funicello, Tommy Kirk, Roberta Shore and Tim Considine. The quartet co-stars with Fred MacMurray, Jean Hagen and Kevin "Moochie" Corcoran in Walt Disney's comedy fantasy, "The Shaggy Dog," which Buena Vista releases. "The Shaggy Dog" is playing now thru July 7, at The Penn Theatre.

TO THE MOTHER OF A BRIDE

All the years of growing up love you have given her are hers to give on her wedding day ... your greatest gift to a happy bride.

But the next best gift ... and one in which you can share ... is an album of informal photographs ... to keep the radiance of her wedding day alive for always ... for her ... for you.

Special \$47.50
Album & 12 Pictures

Call, write, or stop in soon to discuss the details with us ... so it won't be forgotten in the bustle of the getting-ready days.

American Legion News

Thursday (tonight) June 25th, 8 p.m. at the Veterans Community Center, the Auxiliary will hold nominations and election of officers. Attend and select the officers of your choice for the ensuing year. Chairmen will read annual reports for the year.

Important date: Wednesday, July 1, 1959, 8 p.m., Veterans Community Center — installation of officers. The Post and Auxiliary will hold joint installations, the 17th District Ritual Team will install the Post and the Unit's Past Presidents will install the Auxiliary. Refreshments will be served after the program. The public is cordially invited to attend this ceremony.

Plans for the 1959 Department Convention of the American Legion and Auxiliary to be held in Grand Rapids, Michigan, July 16 to 19, are developing rapidly. Mrs. Fern Burleson, President and Commander Donald Kinghorn have been informed. A number of local Post and Auxiliary members are planning to attend. Headquarters for the Auxiliary will be the Manger Hotel and the Pantlind Hotel for the Post. A joint banquet will be held on Saturday, July 18 at 7 p.m. in the ballroom of the Hotel Pantlind. A membership banquet for the Auxiliary will be held Friday, July 17, at 7 p.m. in the ballroom of the Pantlind Hotel. Membership trophies will be awarded at this time. The District and Zone Challenges will be presented at this time and will afford good entertainment. The Auxiliary will also be honoring a Past Department President, Martha Field. The evening has been planned with much thought given to making it an evening to remember with pleasure.

The Leamington Hotel in Minneapolis has been designated as the official headquarters hotel for the 41st National Convention of The American Legion to be held in the Twin Cities, August 22-27. Vice President Richard M. Nixon has accepted The American Legion's invitation to address the opening joint session of the Auxiliary and Post on August 25th in Minneapolis. General Lauris Norstad, USAF, supreme allied commander, Europe, and commander-in-chief, U.S. European Command, will address The American Legion National Commander's Dinner August 25 during the Convention.

Dates and locations for The American Legion's next four national conventions have been announced. Minneapolis-St. Paul, August 22-27, 1959; Miami Beach, October 15-20, 1960; Denver, September 6-14, 1961 and Detroit, August 23-30, 1962. A resolution adopted at Alaska's western district convention proposed that the 1965 National American Legion Convention be held in Anchorage.

To The Editor

Editor:
Clean up and beautify the downtown area. There are a few stores that should be condemned and all stores dress up their fronts, with permanent, attractive colored fibreglass awnings, in a uniform plan, also plant attractive flowery shrubbery at the outer edge of the sidewalks.

Van Wert, Ohio has a beautiful planting of peonies and have an annual flower show. All residence areas are planted. Holland, Mich. has their annual tulip show. Vermontville, Mich. has their annual maple sugar festival. Romeo, Mich. has their peach festival, Rochester, N. Y. has a huge lilac and magnolia planting, also other flowers. It is known as the flower city.

Our residence area could be planted to attractive flowering shrubs. All of this would attract people to our city.

The downtown park could be landscaped with more flowers and attractive shrubbery, by removing some of the trees, better bright colored benches and an attractive fountain and pool with aquatic plants.

Our garden clubs, societies and local nurseries could get behind this.

I have for three years tried to get the city and school board to build an outside skating rink at the high school football field. Approximately \$50 would take care of it. There are light connections for music, the city could keep it free of snow and flood it every few days to give smooth ice. A dime operated turnstile would take care of the expenses; hockey games could be played and competition in fancy skating. The Riverside park never floods its rinks, so it is very rough and dangerous from thin ice. There have been several children drowned from falling through the ice.

A Citizen

The average cost per foot of drilling an oil well in Texas in 1957 was \$13.50.

Your Friendly Food Fair in PLYMOUTH is on... S. Main St. at Linden

Open 9 to 9 Daily
Open 8 to 9 Saturday

LEAVING FOR BOY'S State at Lansing recently was this group, shown being given some instructions by Vern Miller, center, chairman of the American Legion Boys' State committee. From left

are Tim Graves, Allen Davies, Jay Selle, Don Williams, Miller, Arthur Helm, Dick Hubert and Jeff Huntington. Not present were Mike Knapp and Randy Egloff.

THESE LASSIES HEADED for girls' state last week. Shown here just before leaving, they are (l-r) Jackie Porter, Barbara Booth, Melva Gardner, chairman Passage-Gayde Aux. American

Legion, Nancy Alford and April Corey. Nancy was sponsored by the B. and P.W., Barbara by the Women's Club, April by the Elks Club and Nancy by the Legion Aux.

Ex-Wall Wire Head Named To New Position

Maxwell M. Wachowiak, assistant to the president of the former Wall Wire Products Co. of Plymouth, has been appointed director of manufacturing of Minneapolis-Moline, it was announced this week by J. Russell Duncan, president of the farm and industrial equipment manufacturing firm.

Wachowiak was made assistant to the president of Wall Wire Products Co. in 1953. He was a member of the Plymouth Rotary Club and participated in many local functions.

Three years ago Wall Wire operation was moved to Newport, Tenn. where Wachowiak has been executive vice-president of the Wall Tube and Metal Products Co.

Wachowiak (Vachowiac) has had wide administrative, manufacturing and engineering experience. A native of St. Louis, Mo., he studied engineering at St. Louis University and Washington University.

He began his career with Union Electric Co., St. Louis, 1939-1941, and Allied Chemical Company, Hopewell, Va., 1941-1942. Manufacturing developments were his responsibility from 1942 to 1944 at Western Brass Division of Oilin, Mathieson Corporation at Alton, Illinois. He was in the Army from 1944 to 1946, serving on special engineering assignments at the Pentagon.

Who's New in Plymouth

PLYMOUTH IS NOT an unfamiliar place to the Jack Reynolds family as they have moved here from Northville where Mrs. Reynolds has been a lifelong resident. Her father owns and operates the Northville Drug Store in town and during the war years Mrs. Reynolds was employed at the store. Above, shown with her family, she occupies herself now with gardening, sewing, and an occasional good session of bridge. The Reynolds chose their home

on Brentwood in Lake Pointe Village because both the home and the surrounding area appealed to them. Mr. Reynolds is employed in the Detroit office of Boyle-Midway and enjoys his spare time with the challenging game of golf. The youngest member of the Reynolds family is the focal point of attention because he had just made his feelings on "picture taking" quite clear—"No", however, through gentle persuasion he suffered the event in a very manful manner.

Youth Leaders Practices Democracy

Nine boys and four girls from Plymouth left last week for the Boys' and Girls' State Assemblies of Michigan—the place where young people will be given practical experience in democratic procedure.

Boys' State opened last Thursday on the Michigan State campus while the Wolverine Girls' State started Monday on the campus of the University of Michigan. Both are sponsored by the American Legion.

THIS WEEKS LUCKY WINNER

representatives and their sponsors are: Nancy Alford, Auxiliary of Passage-Gayde Post of American Legion; Barbara Booth, Woman's Club; April Corey, B.P.O. Elks; and Jackie Porter, Business & Professional Women's Club.

The nine Boys' State delegates and their sponsors are: Tim Graves, Mike Knapp, Allen Davies and Jeff Huntington, Kiwanis Club; Jay Selle, Don Williams, Rotary Club; Randy Egloff, B.P.O. Elks; Arthur Helm, Optimist Club; and Dick Hubert, American Legion post.

The 350 girls on the U of M Campus are offered guidance, instruction and actual experience in governmental procedures and its functions. After spending nine days in governmental instruction, two girls will be chosen to attend Girls' Nation representing Michigan at Washington, D.C.

help youths develop leadership qualities, learn the advantages of good citizenship and cultivate a spirit of good sportsmanship.

The city, county and state officials enact mythical bills and then enforce the laws. Climax of the program is on Sunday when delegates elect a governor and other top officials.

June 20 was American Legion Day at Boys' State. Legionnaires and their families are invited to see the program in operation. Representatives to Boys' and Girls' State are selected on the basis of high moral character, good sportsmanship and potential leadership ability.

Canton Township Picnic News Grange Gleanings

By ESTHER SPRENGEL
GL. 3-0194

Well, this is a fine state of affairs; where is all the news? Since I haven't come up with anything sensational to write about, we are almost extinct this week. Perhaps there is an excuse after all. School is now out and the "Moms" are busy getting used to having all of their little angels around all day. If it's like the Sprengels, it seems everything is topsy-turvy. For those faithful contributors to the column here is some news.

Mr. Steve Paskevich of Beck Rd., is recuperating from recent surgery in St. Joseph Hospital in Ann Arbor. According to his daughter, Mrs. Albert Wietecha, Mr. Paskevich is rather enjoying his stay at the hospital with all the attention accorded him. Nevertheless, Mr. Paskevich, we hope to see you home real soon.

The Clark Wrights of Proctor Rd., held a little party for their son Louie and some of his friends who graduated from the sixth grade at the Helen Farrand School. The guest list included Danny Patarino, Larry Ashman, Ronnie McLennan, Ray Harper, Fred High, all sixth grade graduates. The refreshments were highlighted with a cake, baked by Mrs. Wright, bearing the names of all the guests. Congratulations fellows and good luck in Junior High.

A neighbor called to inform us of the death of Mr. William McDicar, brother of the former Mrs. Galloway of Cherry Hill. I understand many of you knew Mr. McDicar and would want to know of his passing away.

Clark Wright of Proctor Rd. had to change its original plans because of cold weather. Although we haven't heard Rocky's plans after graduation, we want to wish him every success.

Another of our Township young men to graduate from Plymouth High is Rocky Wright, son of Mr. and Mrs.

We had a splendid attendance of Grange members at the church services at the Methodist Church last Sunday. Rev. Johnson intends to become a Grange member and he will be a welcome addition to our group.

Mr. and Mrs. Kenneth Lunn were weekend visitors at his brother's home in Paine, Ohio. Mr. and Mrs. Spicer and Mr. and Mrs. Tritton were called to Marshall Sunday to the funeral of a cousin of Mr. Spicer's.

Firm Gives to Hospital

The Star Cutter Company of Farmington has completed its memorial pledge to St. Mary Hospital. "The \$6000.00 contributed to the hospital," Sister Mary Columbine, the administrator, noted, "signifies the good-will of the Star Cutter Company toward the hospital and the people of Farmington and the surrounding communities."

the Star Cutter Company's contribution to the hospital is an expression of the good relationship existing between the company and its employees, since it gives evidence of the company's interest in the welfare of its people. According to hospital authorities, the hospital will be open for patient service in November, 1959.

"The company's willingness to share the community's burden of financing a humanitarian project like a hospital is to be highly commended."

In ancient times Palestine formed the main communication between Egypt and the great empires of Babylonia and Assyria to the northeast.

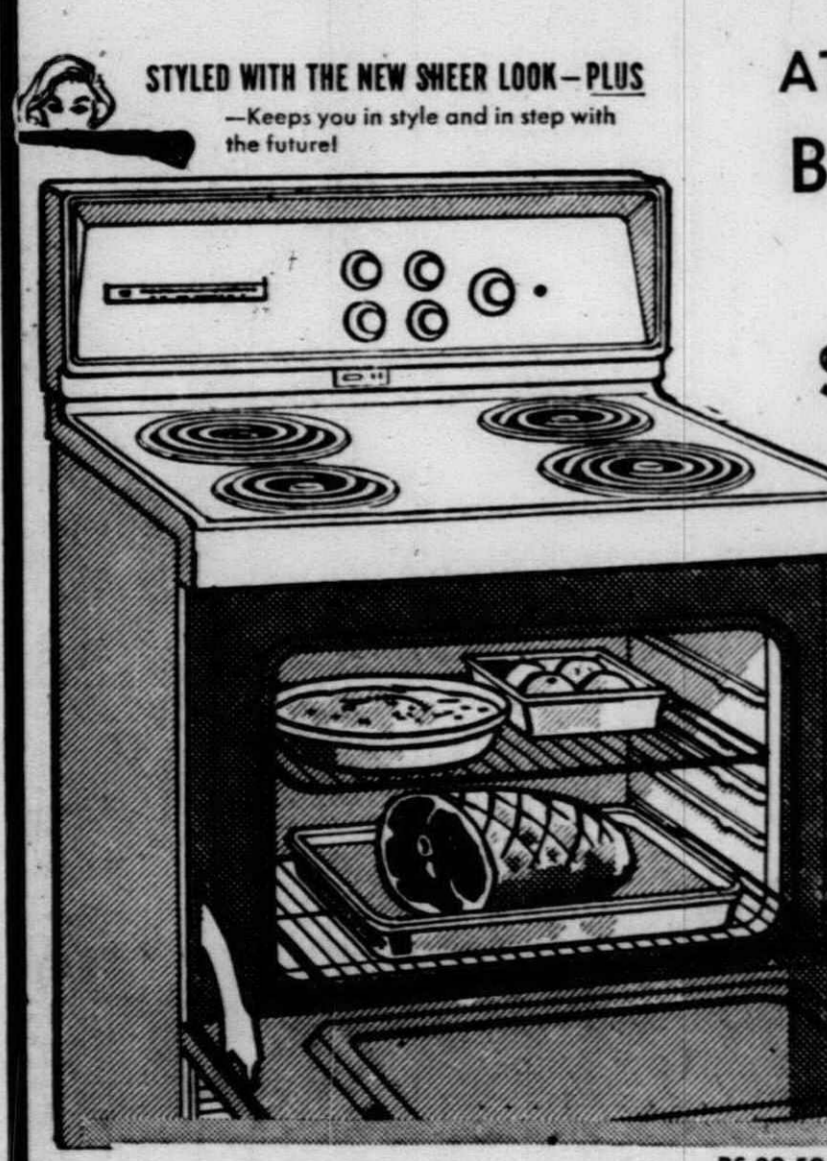

Red Wing's CUSH-N-STEP Hits a NEW HIGH in Farm Shoe Comfort

Good Pointers in Use of Fertilizers and Soil Conditioners

No garden, in fact no plant of any sort, can get along without fertilizer. If trees are to grow and be healthy, vegetables to produce a crop and annuals and perennials to flower, they need fertilizer not only in the spring but at other times of the year too.

The addition of fertilizer is for the purpose of replenishing the nutrients in the soil that were absorbed by last year's crops. Some soils will also need a soil conditioner, which does not contribute nutrients but improves the soil's physical character.

Fertilizers, whether dry or liquid, fall into two distinct groups, decided chiefly by their source and character. Chemical fertilizers are known as commercial or inorganic. Among them is to be found that most generally useful of all fertilizers, the commercial balanced one which contains the three main elements needed for growth in varying proportions. These elements are nitrogen, potash and phosphorus.

Organic fertilizers add not only the chemical elements needed for food, but also in time affect the texture and other physical properties of the soil. Manure is the best known organic fertilizer; others are tankage (obtainable as a dry material) and bone-meal. Usually organic fertilizers are slower in their reaction on plants than the inorganic or strictly chemical ones.

In spring rosebushes benefit from a ring of commercial fertilizer in a circle around each plant. But in fall a mulch of manure is excellent and will show in the quality of bloom the following summer. On the other hand, a dry organic fertilizer for the first annual feeding of the lawn in March is good, but use an inorganic one now and again in fall.

All shrubs and trees are aided by a feeding in spring, as are perennials and bulbs. Annual flowers and vegetables also need to have the soil replenished before they are sown each year. The proportions in which a fertilizer contains nitrogen, potash and phosphorus determine which commercial fertilizer is best for the purpose and recommendations are printed on the packages.

Liquid fertilizer is easy to make and easy to apply. These are quick acting and chiefly useful for the booster shots that plants may need in early summer to stimulate bloom. Useful as they may be, they cannot even in the small garden replace dry fertilizers for general feeding.

Not a fertilizer but a soil conditioner is lime. An application of either agricultural lime or ground limestone will not add one bit of food to the soil. It can do other amazing things. For example, an application of lime will sweeten a sour or acid soil, or help to balance an over-rich one. It will help to loosen the tight particles of a clay soil and to bind the loose ones of a sandy soil.

Other conditioners which help to improve the physical state of different types of soil are coal ashes, peat moss and synthetics which have appeared in recent years. They don't serve as many different purposes as lime, but each is effective in its own way.

LIQUID FEEDING is a recent development. It's more practical for quick stimulation than the annual fertilizing of all plants on the property.

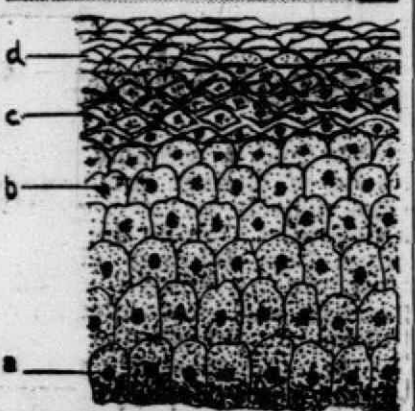

Suburban Living

America's No. 1 Beauty Problems

The human body is sixty or seventy per cent liquid. Dehydrate us, grind up our bones, and what are we? A handful of chemicals... and you cannot put us back together again with a glass of water like instant coffee. But we can help to moisturize, to rehydrate the cell structure of the skin, by constantly providing a supplementary source of moisture like a new beauty "ice"—so necessary to keep the skin cells actively reproducing a healthy, glowing, young-looking skin.

The amazing fact about the skin is that each cell lives for four to five days. As new cells are made, the old ones are pushed up, out, and off, revealing the fresh new skin underneath. This process is constant. Then why don't we all look like new born babies? Because of our miserable interference with this wonderful natural process. We pile on make-up. We stuff our pores with grease and waxy creams. We fail to remove make-up properly. We over-expose ourselves to sun and wind. We laugh, we cry, we ham it up, and the play of emotions across the face sets up tensions and pressures which slow down surface circulation. To have a healthy, glowing, dewy skin, we must keep the natural process of evolution active.

Life-Cycle of Skin Cells Diagram shows how cells change in their outward exfoliation from new, live moisture-filled cells (a) to: cuboidal, squarish cells (b); to: diamond-shaped granular cells (c) until they reach the outer surface and flake off (d).

Recently, one of the country's most distinguished commercial laboratories developed a revolutionary new moisturizer—a beauty "ice" which flows moisture into the skin. It contains five non-oily, non-greasy moisturizers, known to be compatible with the natural moisture from which beautiful, glowing new cells are created. As a plus, it also contains humectants which actually draw moisture from the air itself. Paradoxically it provides a mild astringent action which encourages circulation near the skin's surface, thus increasing its receptivity to the moisturizing ingredients.

An entirely new concept in skin care, this cool, clear-as-crystal, beauty "ice" softens and counteracts dryness; retards moisture loss; tingles; refreshes; tends to reduce large pores. Good for all skin types, it imparts an unbelievable smoothness. Wait until you wear it under make-up! Women of all ages hail its discovery as a round-the-clock, round-the-year necessity.

REYNOLDS WATER SOFTENERS

INVESTIGATE the wonderful Reynolds Fully-Automatic Water Conditioner (the softener that does everything). Also, Ball-O-Matic and Softroom Semi-Automatics. You can't beat the best! Factory sales, installation service.

Webster 3-3900

REYNOLDS WATER CONDITIONING CO.

(Michigan's oldest and largest manufacturer of water conditioning equipment... since 1899)

12100 Cloverdale, Detroit 4, Mich.

"Gourmet Chees Rolls"

Combine one cup shredded sharp cheese, one-third cup of mayonnaise, two tablespoons drained pickle relish, one teaspoon Worcestershire sauce. Spread mixture on fresh hamburger rolls and grill golden brown. (Try this recipe on all your favorite rolls.)

"Quick Garlic Bread"

Mash in one or two cloves of garlic in one quarter soft butter. Spread mixture on bread. Grill, buttered side up, till butter melts. Sprinkle with Parmesan cheese. (Try cheese sandwiches charcoal grilled.)

Measure dry ingredients before liquid or sticky ones. Then you won't have to stop and wash measuring spoons or cups.

HOT ROLLS AND COLD CUTS—UNBEATABLE SUMMERTIME COMBINATION

EVEN WHEN THE TEMPERATURE IS 90 in the shade, most of us homemakers find that our families want something hot along with that standard meal of cold cuts and salad. And hot rolls invariably win the nod.

And do you know that you can make your very own yeast-raised rolls for supper in just a little over an hour? It sounds impossible, doesn't it? It used to be, but with this new quick recipe, it's true. The secret is active dry yeast and biscuit mix, combined with water. The mixing and kneading time has been cut down to nothing. And the best thing of all is that these home made hot rolls give that short-cut cold meal a real appetite appeal, especially when you make these rolls with a sharp cheese flavor.

CHEESE POCKET-BOOKS

¾ cup warm water (not hot—105 to 115 degrees)
1 package active dry yeast
2 cups biscuit mix
2 tablespoons soft butter
Cheddar cheese

Dissolve yeast in warm water. Mix in biscuit mix. Beat vigorously. Turn dough onto surface well dusted with biscuit mix. Knead until smooth, about 20 times. Roll dough into circle about ¼" thick. Cut into rounds with 2½" cookie or biscuit cutter. Crease circles with dull edge of knife to one side of center. Brush with butter. Put small slice of Cheddar cheese on smaller half. Fold larger side over smaller side so edges just meet. Place on greased baking sheet. Cover. Let rise in warm place (85 degrees F.) 45 minutes to 1 hour. Bake at 400 degrees F. for 10 to 15 minutes.

No Frost Problem In This Freezer

A food freezer that freezes without frosting is good news, indeed, for the homemaker.

There is a brand-new freezer on the market that never needs defrosting.

It automatically defrosts itself every 24 hours.

Not only that, it also eliminates that nasty frosting on food packages, freezer walls and shelves.

That way, packages never get stuck to each other or to the shelves.

Their labels remain legible, so that a glance tells you what the contents are.

This new freezer is the upright, bookshelf-type, which makes it easy to reach packages when you want them.

Its entire capacity is 438 pounds, but the door alone will hold 82 pounds of food stuffs.

For large, bulky packages, there's a special swing-out basket.

Straight-line design gives your kitchen a built-in look without the built-in expense.

The freezer can be installed flush against the wall, in line with base cabinets and other appliances.

ATTRACTIVE DUTCH DOOR HAS PRACTICAL USES

Many families have discovered that an old fashioned Dutch-style door has many advantages. Among the most important of these is that the top half of the door can be opened for ventilation while the bottom half stays closed to keep children and pets inside.

Dutch-style doors of ponderosa pine are available in stock from building material dealers, or can be made by the home handyman from stock panel door sawed in half.

During the Civil War the United States Naval Academy was located at Newport, R.I.

Traveling Rules Well To Heed

One of the safest things you can do on a cross-country auto trip is economize on your gas mileage. The reason, according to the Institute for Safer Living is that when you are traveling at safe, moderate speeds (in keeping with speed laws and driving conditions) you are also traveling at speeds which generally result in the most economical gasoline consumption. For both safety and economy, avoid sudden jerky stops and rapid acceleration.

Going camping this summer? Make sure that tent and other camping equipment are safely packed into the car before starting. The Institute for Safer Living says that equipment improperly lashed to the top of the car, or carelessly stowed in an open trunk compartment, is a constant driving hazard. Wind blowing against equipment projecting outside the car makes steering difficult, often risky, while an open trunk compartment door may block rear vision at a critical moment.

Even though your car appears to be in top-notch running condition, it pays to have it completely safety-checked before starting on a long motor trip, advises the Institute for Safer Living.

Physical and mental energy reach its lowest ebb after dark. Fatigue is a contributing factor in a large number of nighttime accidents. Vacationists who must drive at night should keep windshield and windows clean and travel at a reduced speed which permits stopping well within the range of headlight beams.

How To Be The Most Popular Folks In Town

A youngster's greatest need is to feel popular among his own age group... especially when the family moves to a new neighborhood.

Now that summer's here, you have a wonderful opportunity to plan a program that'll make not only Junior, but the whole family the most popular folks in town.

Undoubtedly you have a backyard or a front lawn. No matter how small the space, you can hold a children's garden party... a toy tournament... a cook-out... planning something different every week. Pick a special day like Tuesday or Thursday so eventually, everyone will get to know about it.

If you have no charcoal stove, hold a "weenie-sizzle" using an ordinary electric grill; carry it out to the porch or back door stoop, using several lengths of extension cord. Hot dogs, lemonade and a game or two are all you need.

There are cute, folding TV-Yacht chairs for children, made of wood and canvas which will give your lawn a real luxury-living look.

The main idea is to give Junior every opportunity to meet and make new friends.

Owning unusual play-things will give him enough confidence to ask schoolmates and new acquaintances to "come over and play."

Number one on the list is golf. Well made plastic-aluminum sets are now available in a subteen tournament series with special plastic putting-targets.

Next comes "Jai Lai" (pronounced hy-lay) - a fast catch and throw sport. It's a plastic version of the popular Spanish game with scoop-shaped racquets which fit over the hand and wrist by means of an adjustable strap.

A "must" for your garden party is "Krokay" - a delightful subteen set made of cool, polished hardwood.

For under-teens there are spinwheel dart games and cute Popeye and Donald Duck ring toss sets.

Completely new and different is a new water-space toy, dubbed "Squirty." It's a 12-inch plastic pump and hose that looks like a cross between a fire extinguisher and guided missile.

It shoots up to 20 feet of water into space... just a spit in the ocean but buckets of fun in the pool or on the lawn.

If you're an apartment dweller - don't despair. Summer shuffleboard is strictly a sidewalk game - that is if you don't mind chalking it up. A well made subteen set is available in wood and plastic.

Also, there's a "super-swat" plastic baseball bat ball that hits high but doesn't break windows!

Remember that happy childhood experiences last throughout one's lifetime. I hope your child will have many cherishable ones.

If you want any further ideas or information about backyard fun, write to The Toy Scout, 200 Fifth Avenue, New York 10, N. Y.

Penalties Increased On Overdue Books

The Dunning-Hough Public Library today announced an increase in fines on overdue books. Beginning July 1, 1959, fines will be 5c a day for each overdue adult book and 2c a day for each juvenile book. Maximum fines were also increased to 75c for each juvenile book and \$2 for each adult book with no limit for specially designated adult books.

It has been apparent that a disproportionate amount of time has had to be devoted to the 5 per cent of library users who fail to return books on

time and who need to be notified. The increase in fines is a trend in other parts of the country as well as in the Detroit metropolitan area. The vast amount of time spent on notifying readers is costly for several reasons. Books kept overtime are being denied other readers and usually it is these books which are in greatest demand. Thus, more books are required and service is poorer. Secondly, it is very costly in staff time to keep records of patrons who do not return their books on time.

Another disturbing factor has entered according to Mrs. Agnes Pauline, librarian. Some patrons, particularly students, are ignoring notices sent at considerable cost because maximum fines are so low. Often the books kept overtime are used in high school or college classes. Some students keep out books for whole school terms, knowing that the present minimum fine is not a penalty. Present fine rates encourage such abuse.

In addition, the fines now charged have not been changed in some 25 years or more and the increase proposed is hardly a true increase, merely reflecting the decrease in the value of money in recent years.

NOTICE OF HEARING

ON
PROPOSED AMENDMENT TO THE
ZONING ORDINANCE
TOWNSHIP OF CANTON
WAYNE COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN that a public hearing on a proposed amendment to the Zoning Ordinance of the Township of Canton on the following proposed change to the Zoning Map:

To change that part of the E. 1/2 of Section 9, T. 2, S., R. 8, E., located on the west side of Canton Center Road extending from Ford Rd. to Warren Rd. to a depth of 300 ft. and not already zoned Commercial from an R-1-H district to a Commercial District.

will be held at 8:00 o'clock Eastern Standard Time at the Canton Township Hall, Tuesday, June 30, 1959.

NOTICE IS FURTHER GIVEN that the Map of said proposed amendment may be examined at the Canton Township Hall, 128 Canton Center Road, from 8:00 A.M. to 5:00 P.M. each day, Monday through Saturday, until the date of the public hearing.

CANTON TOWNSHIP ZONING BOARD
Pearl M. Doyle, Secretary
June 11 and June 25

BEFORE... The Cole homestead on 1005 W. Ann Arbor Trail, a sturdily built home and landmark in the area for many years, was recently sold to Fabe Mirto, Plymouth resident since 1953. Mr. Mirto is Agency Manager of the Woodmen Accident and Life Company, established since 1890 covering Life, Health, Accident, Group Hospital Insurance. Their main home office is in Lincoln, Neb. and their Southeastern Branch office is right here in Plymouth. The agency was formerly located in the Schrader Building on Main St.

AFTER... Transferring a home to a bright, modern office suite was accomplished by Fabe Mirto since December of this year. The front screened porch has been made into a lovely reception room with light colored painted brick and wood paneled walls. Mr. Mirto's office and the Board Room are also in a mahogany paneling, stained light. Picture windows replace the smaller windows in front and on both sides of the building. Mr. Mirto invites residents of Plymouth to stop in and view "his project." An ample parking lot is available at the rear of the office.

Physics Institute at E. Michigan

Deadline for applications for admission to the Eastern Michigan University fall Institute in Physics has been extended to August 11 it was announced today.

Associate Professor of Physics James M. Barnes, director of the program which begins Sept. 26 and runs for the fall semester, said there are still openings for teacher applicants.

The Institute is jointly sponsored by the university and the National Science Foundation with the tuition and travel allowance for the enrollee paid by the NSF. The session is designed to increase teacher proficiency in the presentation of a modern physics program at the high school level.

Michigan Bell Dignitaries Hold Director's Meeting in Plymouth

Directors of Michigan Bell Telephone Company held their monthly meeting at Western Electric Company's new Distributing Center at Plymouth Monday, June 22, and toured the 36-acre layout. This is the first time a directors' meeting has been held in this area.

The tour of the building, which contains 420,000 square feet of floor space, began in the afternoon after welcoming remarks by Arnold D. Johnson, manager of the distributing house.

Western Electric, the manufacturing and supply unit of the Bell System, began occupying its Plymouth quarters last December. The new center represents a cost of more than \$5 million, including equipment.

Although no manufacturing facilities are located at Plymouth the center's 600 employees handle most of the equipment orders from about 60 Michigan Bell storerooms throughout the state.

The Plymouth distributing house is one of more than 30 such centers in key areas across the country. They are operated by Western Electric as part of its four-fold responsibility to the Bell System—manufacturing, installation, purchasing, and distribution of equipment for

providing telephone service. Monday's tour included the shop area where telephones and related equipment are reconditioned, and the warehouse where the directors will see how material orders are handled.

The final stop was at the "staging" area where supplies and equipment are assembled for loading on vans which make daily runs to the various supply points serving Michigan Bell's 268 exchanges.

Michigan Bell's 13-man Board of Directors is made up of Allen G. Barry, vice president and general manager, Michigan Bell; George L. Best, vice president, American Telephone and Telegraph Company, New York; Henry T. Bodman, president, National Bank of Detroit; William M. Day, president, Michigan Bell; Doan, president, Dow Chemical Company; M. F. Leland, Leland I. Ray, R. Eppert, president, Burroughs Corporation, Detroit; Malcolm P. Ferguson, president, Bendix Aviation Corporation, Detroit; John A. Hannah, president, Michigan State University, East Lansing; Thomas G. Long of the law firm of Butzel, Eaman, Long, Gust and Kennedy, Detroit; W. Calvin Patterson, vice president—public relations, Michigan Bell; R. Perry Shorts, chairman, Second National Bank of Saginaw; Dwight L. Stocker, president, Kalamazoo Vegetable Parchment company; and

Oscar Webber, president, the J.L. Hudson Company, De-

WITH thousands of enthusiasts this year joining the big swing to such water sports as boating and water skiing, it is likely that the current season will see an increase in the number of accidental drownings.

Accidents will happen, in any activity and in every sport, and it naturally follows that the more people engaged in a particular activity, the more opportunities are there for accidents to happen.

Despite regulations and off-repeated safety warnings, many people unnecessarily expose themselves to danger while in pursuit of fun and relaxation on the waterways. Some who cannot swim also foolishly cannot see why they should burden themselves by wearing life preservers.

Chevy Gives You Smarter Style Today...

FOR HIGHER TRADE-IN TOMORROW!

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

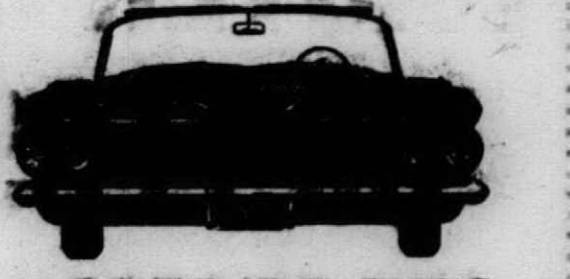

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* And no wonder. Chevrolet's brakes, built for up to two-thirds longer lining life, are the biggest in the low-price field.

Best Engine. Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

Best Ride. A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

DON'T WAIT TO WIN IN THE 1/4 MILLION DOLLAR SMILE-maker SWEEPSTAKES

Be one of 1400 winners this week!

We're giving away another Pontiac this week! All of us Marathon dealers are giving away a really terrific grand prize every week... a 1959 Pontiac. It's the kind of car we would like—and we figured you would, too. So we're giving away one each week until July 26.

We're also giving away over 1400 neighborhood prizes every week! Every one of us is running our own neighborhood SMILE-maker Sweepstakes—with a prize every week at each Marathon service station for folks who leave their names and addresses. That's why it's so easy to win one of the wonderful and valuable prizes we give away weekly.

This is a local sweepstakes. You're not competing with everybody from coast to coast, just people around here, your neighbors!

Easy to enter! We enter everybody who says okay. Come in, write or phone—just say the word and you're in the SMILE-maker Sweepstakes. Be sure to enter every week. There is nothing to buy... nothing to rhyme. Complete details are available at all Marathon service stations featuring the Marathon SMILE-maker Sweepstakes. Don't miss the opportunity to win each week!

THE GOOD OLD DAYS... FROM THE PAGES OF THE MAIL

10 Years Ago

June 23, 1949

Two cows valued at \$300 each were struck by lightning last week and discovered by their owner, Warren Palmer of 48145 Warren Rd. last Thursday.

A strong advocate of the "divining rod" method of finding a water supply is Charles Rathburn, Jr., Plymouth township supervisor. He recently used this procedure to discover a supply of what he called "100 per cent pure, good water" for the new township hall.

Exra Rotnour and son-in-law Henry Grikscheit, with Mr. and Mrs. Paul Smiley expect to leave by plane this weekend where they will take over a 65 foot auxiliary sailboat, which Mr. Smiley has recently purchased. They will sail up the Hudson and across the lake to Detroit. Mrs. Rotnour and daughter, Mrs. Grikscheit expect to join the party possibly at Buffalo, New York.

Miss Helen Moore and her aunt, Miss Emma Hanthorn of Irvin St. left for an extended trip to Montana. Mrs. Ida Williams and daughter, Betty, of Owosso spent the weekend at the Robert Lidgard home. Little Roberta Lidgard returned to Owosso where she will spend the next two weeks with her grandmother.

Stillman Warner of Farmington, who left in December for Rio Hondo, Texas, returned to Plymouth on Saturday.

Mrs. Charles Thumme will spend the weekend visiting with her son, Kenneth, and family in St. Louis, Missouri.

ORLON DYNEL COATS Cleaned & Finished by Approved Fur Frost Method Plus 2% of Valuation, Minimum 60c. FUR COATS Cleaned & Glazed by Approved Furriers' Methods Plus 2% of Storage Insurance, Minimum \$100. \$3.95 SHIRTS 5 FOR \$129 Beautifully laundered and finished. Individually packaged in plastic.

Miss Rosemary West, a member of this year's graduating class, leaves Monday to take a Business course at Cleary college, Ypsilanti. Florence Holt and Willard Lickfield wed Sunday, June 19. Only the immediate families and a few close friends attended.

Flood waters of the Tonawanda creek so weakened the Baker garage and M. M. Powell and Son deemed it advisable to move. They are now located in the Bronson garage on Penniman avenue.

Mr. and Mrs. R. A. Kirkpatrick and family are enjoying a few days at Unionville.

Bruce Miller returned from Houghton Friday where he has just completed his second year at the Michigan Institute of Mining and Technology.

About 50 ladies attended the bridge and "500" party given by the Eastern Star on Tuesday afternoon at the home of Mrs. I. N. Innis on Main street.

On Monday afternoon the Sarah Ann Cochran chapter of the D.A.R. met with Mrs. Carl Bryan in Northville. About 20 ladies were present, all greatly enjoying the beautiful musical selections sung by Mrs. Sterling Eaton of Plymouth. A most interesting paper was read by Mrs. George Wilcox.

About 40 relatives and friends gathered in the home of Mr. and Mrs. Walter Meilbeck on Farmer street last Sunday following the confirmation of their son, Don-

ald, at the Lutheran church in Livonia. Warren Bassett won his third straight victory when he let the crack Detroit Tigran A.C. team down with only 5 hits while he got 12. The Plymouth Buick Team defeated the Detroit team by a score of 10-3.

Reduction of from \$10.00 to \$15.00 on all 1934 Ford cars was made by Henry Ford this week. Ford is the first in the car field to cut his prices. Beginning on July 1, all "residents" of the Detroit House of Correction will begin a six day work week. Until then they have been working only 5 days.

25 Years Ago Friday, June 22, 1934 Pere Marquette and county plan to start soon on new separation. Both the Plymouth-Northville road and the Five Mile roads to be carried under the railroads.

Lynn Felton becomes president of local Rotary club at their last meeting. Delinquent county taxes for the city of Plymouth for 1932 amount to \$31,000, according to Jacob Sumeracki, county treasurer. Charles A. Root gets A.B. degree from University of Michigan.

Gleaner Hall at Newburg bought by Legion Post. Patriotic Plymouth group take over new hall. First event will be pot-luck picnic on July 4. Fine many changes as well as fine additions to building.

For every vote cast in the primary and general election of 1932, the taxpayers of Michigan paid 41.5 cents. The "Community Fair" that was to be held in front of Kellogg Park last week just wasn't. When the city commission found out that those holding the concession planned on keeping them on Main street for the entire week, it was deemed advisable to have it somewhere else. The committee in charge decided not to have it at all-hence no merry-go-round or ferris wheel on Main street.

Miss Rosemary West, a member of this year's graduating class, leaves Monday to take a Business course at Cleary college, Ypsilanti. Florence Holt and Willard Lickfield wed Sunday, June 19. Only the immediate families and a few close friends attended.

Flood waters of the Tonawanda creek so weakened the Baker garage and M. M. Powell and Son deemed it advisable to move. They are now located in the Bronson garage on Penniman avenue.

Reduction of from \$10.00 to \$15.00 on all 1934 Ford cars was made by Henry Ford this week. Ford is the first in the car field to cut his prices. Beginning on July 1, all "residents" of the Detroit House of Correction will begin a six day work week. Until then they have been working only 5 days.

50 Years Ago Friday, June 25, 1909 Married in the home of the bride in Salem at high noon last Wednesday, Miss Lena Bartlett and Mr. Harold Lovelace. Reverend Milo Sweet of Hudson joined the young couple in matrimony.

We of the Livonia center church are most unhappy to hear of our beloved pastor, Reverend George Ehms resigning his post in Plymouth (and Livonia Center) to accept a position with the Lutheran congregation of Monroe. A government inspector came along the other day and found an empty sign in Fred Burch's cellar, upon which the canceling of the revenue stamp had been neglected. Last Thursday, Mr. Burch was invited to come down to the collector's office in Detroit and explain, which he lost no time in doing the next day. Several other places were inspected but found OK.

The Pere Marquette will run excursions to Grand Rapids and Bay City on Sunday, July 4. Round trip from Plymouth to Grand Rapids \$2.00, to Bay City, \$1.50. Excursions to Detroit will be 25 cents round trip.

Born Saturday June 19 to Mr. and Mrs. Monte Wood, a son, Clifford. The Methodist church and parsonage have just received a clean white coat of paint. A cement sidewalk will be built along the west side of Kellogg park-a needed improvement. A new walk is also to be built along the east side of Harvey street from Sutton street south.

The Methodist Ladies Aid Society will serve coffee, tea, doughnuts, crabs and sandwiches in E.P. Lombard's office all day July 3. The family circle of Will Henry was added to on the instance of June 22 when a boy arrived at the family home. Everybody doing fine.

June Bridal Couples In the home of the bride in Williamston at high noon Wednesday, James Dunn of this city and Bertha Eberle were united. Miss Eva Knickerbocker of Plymouth and Mr. Louis Schroeder of Farmington were married in Detroit on Tuesday noon.

At the home of the bride's parents, Mr. and Mrs. C.W. Hull, in Springport township, Jackson, Wednesday afternoon, occurred the marriage of Cass Gittins and Miss Mabel Hull.

Miss Maude Leona Farrell, well known in Detroit musical circles, and Leigh H. Markham of Plymouth were quietly married in the home of the bride's mother in Detroit on Tuesday, June 22.

Notice: I will be at W.W. Murray's grocery store every Thursday and Friday during July to collect village taxes. W.B. Roe, treasurer.

Local Witnesses To Attend Convention Carson Coonce, presiding minister of Jehovah's Witnesses announced today that the Plymouth congregation of Jehovah's Witnesses has been invited to attend a four-day convention to be held July 9 through 12 at the IMA Auditorium in Flint.

Mr. Coonce will head the local delegation of about 125 persons. The convention is arranged by the Watchtower Bible and Tract Society of New York, Inc., located in Brooklyn. A total attendance of 8,000 is anticipated. "The purpose of the meeting", said Coonce, "is to provide additional Bible instruction for the Witnesses enabling them to be awake to their ministerial duties. For this reason, the program carries the theme of 'Awake Ministers'". There will be morning, afternoon and evening sessions devoted to Bible talks, discussions and practical demonstrations, he explained. Mr. Coonce further reported that several members of the Watchtower's World headquarters in Brooklyn would be on hand for the convention and will appear on the program. Highlight of the convention will be the public address at 3:00 p.m. on Sunday, July 12 on "When God Speaks Peace To All Nations".

Ninth Infantry Alumni To Picnic at Kensington

Plans are being completed by the Michigan Chapter of the Ninth Infantry Division Association for a potluck picnic reunion on Sunday, June 28, 1959, at 1 p.m. till 6 p.m. at Kensington Park near Okemos, Michigan, east of Brighton on U.S. 16 (Grand River). Those requiring more information about the Association and the convention plans may write Rumenapp or the National Secretary, Stan Cochran, P.O. Box 66, Livingston, N. J.

Presbyterians Will Switch To One Sunday Service This Sunday, June 28, will be the last Sunday of having two services of worship at First United Presbyterian Church. Starting on Sunday, July 5, there will be one service and one church school session, each Sunday morning at 10 o'clock. This schedule will continue through Labor Day. The term "forecast" was invented in 1860 when the first estimates on future committee makes an urgent weather were made.

NOTICE OF PUBLIC HEARING ON TWO (2) PROPOSED AMENDMENTS TO THE PLYMOUTH TOWNSHIP ZONING ORDINANCE WAYNE COUNTY, MICHIGAN ORDINANCE NO. XIV-C

Notice is hereby given that a Public Hearing on two (2) proposed amendments to the map of the Zoning Ordinance for the Township of Plymouth will be held on July 15, 1959 at 8:00 P.M. Eastern Standard Time at the Plymouth Township Hall, located at 42350 Ann Arbor Road.

ITEM A This proposed map change, proposes the change of the following described properties from AG (agriculture) District to R-1-H (Country Homes) District.

Commencing at the Southeast corner post of Section 31, T.1S., R.8E., Plymouth Township, Wayne County, Michigan, running thence S. 89° 48' 50" W. along the South line of said section a distance of 1664.82 feet; thence N. 0° 06' 10" W. a distance of 723.01 feet; thence N. 0° 14' 30" W. a distance of 569.0 feet; thence N. 2° 44' 50" W. a distance of 1324.35 feet to the East and West quarter line of said section; thence N. 88° 37' 30" E. a distance of 1717.6 feet to the East quarter corner of said section; running thence due South on the East line of said section a distance of 2639.54 feet to the Point of Beginning. This description comprises the following items: # 31U1-W, 31X1a, 31M1a, 31M1d, 31M1c, 31M1b, 31N 31R, 31Q1b, 31S2, 31V1-U2, 31Y1b, 31Y1c3, 31X2a, 31M2-P, 31U1-N2, 31Y1d, 31Y1a, 31X1b,

ITEM B This proposed map change, proposes the change of the following described property from a R-1-E (Country Estates) District to a C-2 (Commercial) District.

Commencing at the East quarter corner of Section 32, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, running thence N. 1° 00' 30" E. along the east line of said Section 32, a distance of 399.41 feet to the north line of Ann Arbor Road; thence N. 61° 26' 30" W., along said North line of Ann Arbor Road, a distance of 476.47 feet to a point of tangency, thence continuing westerly along said north line of Ann Arbor Road, which is along the arc of a circular curve concave to the south, whose radius is 1061.55 feet, through a central angle of 11° 20' 04" a distance of 210.00 feet for a POINT OF BEGINNING; thence continuing westerly along the north line of Ann Arbor Road, which is along the arc of a circular curve, concave to the south, whose radius is 1061.55 feet through a central angle of 10° 47' 41" a distance of 200.00 feet; thence S. 0° 16' 23" W., 269.95 feet to the POINT OF BEGINNING, containing 0.92876 acres of land more or less. This property comprises Item number 32E2b2-3211b-3212b.

NOTICE IS FURTHER GIVEN that the proposed map changes may be examined at the Township Hall, at 42350 Ann Arbor Road from 9:00 A.M. to 5:00 P.M. each day Monday through Friday and on Saturday morning until the date of Public Hearing.

PLYMOUTH TOWNSHIP PLANNING COMMISSION George DeGroat, secretary June 25, and July 9,

Above Average We feel that it is our duty to offer more than just ordinary facilities to those we serve. Our paved, spacious parking areas are examples of the better facilities that we make available. Michigan "Fleet" For Sale

By ELMER E. WHITE

Shippers around the world will be asked to take a look at the price of Michigan's ferry fleet, the Vacationland, now up for sale.

The vessel is the last of the five-boat fleet which linked the upper and lower peninsulas of Michigan before the \$100,000,000 Mackinac Bridge was opened Nov. 1, 1957. The others have been sold at a fraction of their original cost.

The Vacationland is moored alone and lonely at the St. Ignace dock, barred by the law which authorized construction of the bridge from ever making the trip again.

To protect buyers of the bridge bonds, the law states that there can be no boat in competition with the bridge, which is being paid for by tolls.

The Vacationland now is occupied by only one watchman and a few seagulls, which used to follow the fleet between Mackinaw City and St. Ignace.

The trip, which formerly took 40 minutes in good weather, is now a 10-minute drive through the sky over the bridge.

The Vacationland, the largest of the fleet, can carry 675 passengers and 140 vehicles.

Philip H. Anderson, deputy director of the purchasing division of the state department of administration, sees new hope for selling the Vacationland in the opening of the St. Lawrence Seaway.

"Now that we have the seaway and can get her out of the Great Lakes Basin, we should have much trouble selling her," said Anderson.

History which helped end the war between the states a century ago will be repeated at Bull Run, Va., in 1961.

Michigan will send National Guard troops to Virginia, clad in the traditional blue, to re-enact the Battle of Bull Run as part of a historical celebration.

The request came to Michigan from Virginia Gov. J. Lindsay Almond to take part in the celebration.

To ease the fears of families and relatives of the men going to Virginia in two years, there are assurances that none of the guns will be loaded, with live ammunition at least.

HEART ILLS DECLINE

NEW YORK (UPI) — The number of middle-aged men who die of heart ailments has dropped since 1949, according to the Metropolitan Life Insurance Co. However, bad hearts continue to be the nation's most serious health problem for people between the ages of 45 and 64.

The S.S. Canberra, now being built, will have a superstructure made entirely of aluminum.

Many New Girl Scouts in Newburg Area

By Mrs. Emil LaPointe
GA. 1-2029

On Tuesday, June 16, Mrs. Paul Bowman of Farmington and Mrs. James Sexton and Mrs. Melvin C. Guthrie both of Plymouth, attended what is known as "Come To The County Fair" at the Frost apple farm in Washington, Michigan. This is an annual event and all three ladies reported having had a very enjoyable day.

In honor of their son David's 10 birthday, Mr. and Mrs. George Black entertained six of their son's young friends at their home on Angeline circle on Wednesday, June 17. Present for this gala occasion were Jimmie Barres, Chip Schoen, Ronnie Higgins, David Fisher, Dick Frescholtz and David Gorton. Mr. Black took the entire group swimming at Kent Lake for the afternoon and they all returned to the Black residence for birthday supper.

Three cheers for Newburg Methodist church's baseball team. They are playing bang-up ball this year. Tuesday, June 16, saw them chalk up another victory by winning over St. Marks by the close score of 11 to 10. Newburg's record now stands at three wins, one loss and one tie. There's still quite a few games left for the season to come, so be present to cheer the home team. Game for Tuesday, June 30 will be with Rosedale Gardens Presbyterian church at the Rosedale school diamond, Orange lawn and Hubbard. Time of game: 3:30 p.m.

Many Girl Scout activities in the Washington school area have been taking place, bringing their activities to a close until school resumes again in the fall. The first of these took place at the home of Mrs. William Abbey on Angeline Circle and was a meeting of neighborhood mothers for the formation of neighborhood association for adult girl scout participation in the Washington school area. Leaders were chosen and these were: Mrs. Otto Brey, pianist; Mrs. William Meyers, song leader; Mrs. William Abbey, secretary and Mrs. Dale Hartwick, publicity chairman. Colored slides were shown of the Camp Crafter's weekend at Camp Holly. Camp Holly is a girl scout camp located in northern Michigan. Slides were also shown of the "Doll Parade" an April event sponsored by this group. Next in line of activities was a potluck picnic on June 6 at the Wayne Ridge for all Brownies, Intermediate and Senior Girl Scouts. The event was well attended by all leaders, mothers and scouts. Biggest events to mark a close to this season's work was the "Fly-up" ceremony held at Levan Knoll on Thursday, June 18 at which time 15 Brownies were advanced to the Intermediate rank of Girl Scouting. This is how the ceremony was conducted, and quite effectively, too. Brownie troop 1573, leader Mrs. Margie Meyers and co-leader, Mrs. Alma Foerster, sang a song on one side of a very picturesque bridge located at this knoll, and then Mrs. Foerster, with the assistance of Mrs. Amos Jackson, pinned on the wings, symbolic of advancing, and tied on their Girl Scout tie and each girl, walking separately, crossed over the bridge where she was greeted by Mrs. Betty Westlund and Mrs. Margie Meyer, who presented them with their Girl Scout pin, and the scouts of Mrs. Westlund's troop, troop 1906, presented each girl with her world pin.

The following girls advanced from the Brownie troop 1573 to Girl Scout troop 1906: Kathy Brooks, Lyn Burmeister, Kathy Cody, Mary Jane Dickie, Cheryl Edmonds, Karen Foerster, Debbie Farward, Chris Loewe, Kathy Meyers, Emily Peterson, Marlene Shelton, Marilyn Taylor, Kathy Wentzel, Sherilyn Westlund and Sandie Wilcox. Receiving these girls were scouts Leslyann Edmonds, Barbara Fittery, Sherri Shelton, Susan Davis, Diane Fryssinger, Joan Shepard, Kathy Yorgitch and Kathy Gilmore. These events would indicate that these girls have much to be grateful for in that they have such dedicated women giving of their time and talents for such a wonderful cause as girl scouting. Good luck, girls, in your new experience of advancement.

The Joy Road Canasta Club met at the home of Mrs. Edward Howden on Joy Road, Tuesday evening, June 16 for their usual game of cards. Present for the evening were Mrs. William Kenner, Mrs. Emil LaPointe, Mrs. Clifford Hocking, Mrs. Stuart Flaherty, Mrs. Claude Desmond, Mrs. Arthur Genis, Mrs. Bert Overmyer, Mrs. Raymond Peterson, Mrs. Howard Dickie, Mrs. Harold Mackinder and Mrs. Robert Pregitzer. The next meeting for this group will be at the home of Mrs. Bert Overmyer on Ravine Drive, on Tuesday, July 21.

Mr. and Mrs. Arthur Hatch of Ravine Drive are home after spending three weeks visiting in San Juan, Puerto Rico. The Hatch's flew to Miami and then on to Puerto Rico to the Ramey Air Force base where they visited with Staff Sgt. and Mrs. Manuel Smith and children Raymond and Susanna. Mrs. Smith is the former Laura Ann Hatch. From this base they flew to St. Thomas in the Virgin Islands where they enjoyed sight-seeing and shopping. On the return trip and upon landing in the states, they stayed a day in Hollywood, Florida where deep-sea fishing was the order of the day. Mrs. Hatch reports that temperatures in

these vicinities ranged from 85 to 90 every day and upon arriving at Willow Run was amazed at the chill Michigan weather and had wished she had the forethought to leave a sweater out of her suitcase. We are glad that the Hatch's had such a wonderful trip and that they have been willing to share it with the Newburg friends and neighbors.

Beginning next Sunday, July 5, the Newburg Methodist church will change their time for worship. The schedule will be this: first worship service 9:30 a.m. and Sunday School at the same time, 9:30 a.m.; second worship service will remain the same, 11:00 a.m. Please take note of this change and keep in mind the date, Sunday, July 5.

Our house was overflowing with visitors on Friday evening, June 19. First to arrive were Mr. and Mrs. Henry Nida and children, Robert, Gail and Jane of N. York, Dearborn, and then my parents, Mr. and Mrs. E.C. Weiss, Sr., of Graham Road, Detroit.

Vacation-Bible school all this week and next, June 22 through July 3, at the Newburg Methodist church, Ann Arbor Trail and Newburg roads. Sessions are from 9 to 11:30 a.m. each morning of the two weeks. This is a fine opportunity for your youngsters to keep in the school habit and learn a little of Christianity in a fine atmosphere of fellowship and dedication. Mrs. Edward Reid and Mrs. Warren Fittery are in charge of the school and are looking forward to a very successful two weeks.

Another event at the Newburg Methodist church will be on Saturday, July 11, when the Men's Club will have an outdoor chicken barbecue. This promises to be quite an occasion, so plan to come and bring your friends. More information, as to time and price, will be available soon. Keep posted by reading Newburg News.

Been nice being with you this week. Thank you for your calls and keep up the good work. See YOU next week?

March of Dimes to Conduct Emergency Appeal in State

Their treasuries empty, the Wayne County Chapter of the March of Dimes (The National Foundation) and 53 other county chapters in Michigan will conduct an Emergency Appeal during the month of August, Richard T. Kelly, chapter chairman announced.

"Every day we are getting deeper into debt," Kelly said. "On the basis of the more than 2,500 patients on our rolls, from the 1958 epidemic and previous years, we will owe hospitals, rehabilitation centers, and professional personnel more than \$412,000 by the year's end.

"If we should have another epidemic such as we had last year, the picture will, of course, be darker," Kelly said. "The 1959 March of Dimes held in January did not raise sufficient funds to carry chapters through the year either nationally or in Michigan. During the past year, national headquarters has sent the Wayne County Chapter \$620,000 in emergency funds.

"We are now at the point where unless additional funds are forthcoming from the public, polio patients in Michigan may be stranded without hospitalization, physical therapy and equipment vital to their recovery from this crippling disease," he said. "One hundred per cent of the money raised in August will remain in the county."

While the August campaign will not be statewide, the 53 chapters are scattered and the appeal will assume statewide importance.

Kelly paid tribute to the March of Dimes volunteers who have expressed their willingness to back the campaign. He said the Mothers' March in Wayne County would be held on Tuesday, August 25th.

"In the meantime, our dedicated volunteers are helping to get as many persons as possible vaccinated against paralytic polio so the organization may begin full scale operation of its new program which includes the fight against arthritis and birth defects. On a national scale, the new program has begun with research grants and pilot studies in rehabilitation."

Michigan is first in the value of goods produced per worker.

These vicinities ranged from 85 to 90 every day and upon arriving at Willow Run was amazed at the chill Michigan weather and had wished she had the forethought to leave a sweater out of her suitcase. We are glad that the Hatch's had such a wonderful trip and that they have been willing to share it with the Newburg friends and neighbors.

We are glad that the Hatch's had such a wonderful trip and that they have been willing to share it with the Newburg friends and neighbors.

Beginning next Sunday, July 5, the Newburg Methodist church will change their time for worship. The schedule will be this: first worship service 9:30 a.m. and Sunday School at the same time, 9:30 a.m.; second worship service will remain the same, 11:00 a.m. Please take note of this change and keep in mind the date, Sunday, July 5.

Our house was overflowing with visitors on Friday evening, June 19. First to arrive were Mr. and Mrs. Henry Nida and children, Robert, Gail and Jane of N. York, Dearborn, and then my parents, Mr. and Mrs. E.C. Weiss, Sr., of Graham Road, Detroit.

Vacation-Bible school all this week and next, June 22 through July 3, at the Newburg Methodist church, Ann Arbor Trail and Newburg roads. Sessions are from 9 to 11:30 a.m. each morning of the two weeks. This is a fine opportunity for your youngsters to keep in the school habit and learn a little of Christianity in a fine atmosphere of fellowship and dedication. Mrs. Edward Reid and Mrs. Warren Fittery are in charge of the school and are looking forward to a very successful two weeks.

Another event at the Newburg Methodist church will be on Saturday, July 11, when the Men's Club will have an outdoor chicken barbecue. This promises to be quite an occasion, so plan to come and bring your friends. More information, as to time and price, will be available soon. Keep posted by reading Newburg News.

Been nice being with you this week. Thank you for your calls and keep up the good work. See YOU next week?

These vicinities ranged from 85 to 90 every day and upon arriving at Willow Run was amazed at the chill Michigan weather and had wished she had the forethought to leave a sweater out of her suitcase. We are glad that the Hatch's had such a wonderful trip and that they have been willing to share it with the Newburg friends and neighbors.

Editorial

Can Benefit From Service

In many ways military service is more difficult today than it is during a full scale war. There is no clear, simple necessity making it all justifiable for the man who must pack his bag and leave to the foreign atmosphere of a training camp.

working democracy and for the individual later on it will be the key to finding something significant, and meaningful in his own life. If he brings only that one thing back from military service, he will have done himself immeasurable good.

Halt Area 'Sprawl' Now

The Suburban idea in many places has failed. People who rushed from the teeming cities to find a little green in the countryside and a place in the sun came in such numbers that they have succeeded only in taking it all with them.

from the people with its fertile breeding of specialized government. One of the big factors in the drive to the suburbs has been a need for local, personal government. It seems possible that an area government of similar interests among suburban localities could maintain the personal touch and still cut some of the tape and vested interests which hampers enlarged planning among many township officials.

MICHIGAN QUIZDOWN prepared by MICHIGAN TOURIST COUNCIL... No. 15

"When You Retire"

By JOHN BAY

Caravan of Seniors Will Tour Africa

Bakersfield, Cal. I've heard of many novel groups for senior citizens, but none that tops the Wally Byam Caravan Club. It has several thousand trailer-owning members and its lofty purpose is fun, companionship, and travel by trailer. There are no fees and anyone can join who owns a car and a trailer.

Driver Failure Causes Accidents

(Editor's note: This is the first in a series of articles dealing with the four-point legislative program of the Traffic Safety Committee of the Michigan Press Association and what various state agencies are doing to reduce the toll of accidents and fatalities on Michigan highways and streets.)

By Al Haugner
Editorial Writer, Port Huron Times Herald
You spend several days talking to Michigan law enforcement officers, State officials and engineers and professors who are dedicated to highway safety and exploring new approaches to a problem that threatens to grow with our surging population growth.

Michigan State University, tance, the more aggressive driver will break out of position and attempt to pass four or five cars ahead. Drivers with emotional problems present another challenge in safety work. In this category the concern is with those with a considerable range in intensity, from those with only slight losses in personal efficiency up to those that should be identified and given treatment.

While there is an easy inclination by some to blame most accidents on teenagers, drunks, a few reckless drivers, or on elderly people, the truth is—and the facts show—that more than fifty per cent of fatal accidents are caused by drivers who have a reasonably good driving record. Further, in a limited study, experienced drivers "flunked" a test of safe driving practices. The average score of 68 per cent would be rated unsatisfactory in any high school in the State.

'If Your Name Is Frank'

By ANN REYNOLDS
This name today is an independent name. It is also used as the endearing form for the men's name "Francis". As a name in its own right, it has come about from the designation of a Germanic tribe, the Franks. They obtained their name from their favorite weapon. That was a javelin, a light spear thrown by hand, a dart. We don't throw spears today, and so this word is not too familiar to most of us. The word for "javelin" in that ancient Germanic language, the Frankish language, is supposed to have been "frankon".

word "frank" meaning "free" has its beginning in the folk-name. By the way, "Frank" is not the only first name that originated in a folk-name. There is Norman, for instance, which is easily recognizable as the appellation of the Normans. Not as obvious is the origin of "Warren" and "Joyce", which are also folk-names. So much for "Frank" as an independent name. To explain it as the endearing form for "Francis", we have to look to the 12th century, and the life story of the saint known as St. Francis of Assisi. His name means "little Frenchman", and there are various explanations why his father changed the boy's name from "Giovanni" (which is Italian for "John"), to "Francisco" from which we got "Francis".

"Make me not wish to be loved so much as to love Help me to learn that in giving I may receive. And in forgetting myself, I may find life."
Another name which is related to "Frank", in its meaning of "free", is "Franklin". This, too, contains the medieval Latin word "francus"; the derivation of the suffix "-lin" remains obscure. The word Franklin, in Middle English, means "a freeman". Later it was used to designate the class of landowners ranking below the gentry.

Later on the word "frank" took on the meaning of "free"! This came about because in Frankish Gaul freedom was a privilege of those only who belonged to the ruling people, the Franks, or of those who were adopted into them. For many centuries it was believed that the folk-name "Frank" is derived from the adjective meaning "free". As early as in the 10th century this notion was current. However, it seems that the truth is just the opposite. The

From this, by way of abbreviation, evolved "Frank".—To the gentle saint who preached to the beasts and the birds in the all embracing love for every living thing, a beautiful prayer has been ascribed. It contains the lines so characteristic for

Just returned to Lake Pointe Village after an extensive tour of the East and Art and Joann Cooksey. They had a marvelous two weeks of traveling and sightseeing all through the eastern part of our wonderful U.S.A. Niagara Falls was one of the first highlights of the trip. Also explored and enjoyed Old Fort Niagara. New York City impressed the Cookseys and kept them busy (as it never fails to do). They saw Leonard Bernstein's "Westside Story" and loved every bit of it. Also the Museum of Modern Art, Museum of Natural History (because Art is fascinated by dinosaurs, bones, etc.), the United Nations, Rockefeller Center, and the many other attractions this fabulous city offers. From New York the Cookseys traveled on, covering Sturbridge, Massachusetts, where they saw a re-created old American village (at the Publick House); Connecticut; Rhode Island; and spent three days at Cape Cod and loved it; saw Boston; Quincy Massachusetts; North Conway, New Hampshire (where they went hiking in the mountains and still have the insect bites to prove it). They toured the Corning Glass Museum at Elmira, New York and saw the famous Sturben glassware being made. Mr. Arthur Vose was an excellent guide to the Cookseys while they were in Boston, and also gave them some excellent tips for their jaunt through the White Mountains of New Hampshire. Mr. Vose is the father of Connie Marsden of Plymouth. The Marsdens are friends of the Cookseys—thus the lucky chance to meet such a nice friend as Mr. Vose on their travels.

come to as many as they wish—just come and help yourself. Joann lives on Shadywood Court at 14490.

The traffic on Snadywood Drive is still moving too fast. The Cookseys and many others have called and asked that this be brought to the attention of our residents again. Now that school is out, there will be that many more youngsters on the street. Please slow down and watch out for little ones. Wouldn't it be horrible to hit someone just because we couldn't slow down a bit? Also a reminder—when backing out of the driveway, look around for the little children who appear from nowhere. Accidents just don't happen; sometimes it's carelessness.

Irene and Pat Herriman entertained a large group at their home when they held a birthday party for Irene's sister, Mrs. E.J. Schneider, last week. The guest list included 22, dinner being served earlier in the evening for 14 of the guests. Visiting with the Herrimans are Irene's parents, Mr. and Mrs. A.J. Powers, who spend an equal amount of time in Plymouth and Florida.

New to our Village are the Larivieres. They moved into their new tri-level home on Brentwood just a few weeks ago and are really "in love with Plymouth." Shirley and George were living in a large home in Livonia with an acre of land surrounding the house. They found Lake Pointe Village more to their liking, with less lawn to mow, and the friendly atmosphere very inviting. They have a little son, Steven, who will be two years old this July. Also living with the Larivieres is Shirley's mother, Mrs. Margaret Bonkoski. George, who is employed at Burroughs, is an excellent artist as his many excellent oil paintings prove. When he isn't too busy doing other things, art work keeps him well occupied. Shirley says that train whistles of Plymouth fascinated and kept the family awake for a while, but that they are used to them now.

Coming here for a month's visit are George's parents, Mr. and Mrs. George Lariviere Sr. They live in Venice, Florida. Last December George and Shirley spent a month down there and had a marvelous and unusual Christmas vacation. Palm trees with Christmas lights, and no snow! Shirley said it looked very pretty and different.

On Thursday, June 18 Chip Ennis gave birth to an adorable little boy who weighed 6 pounds, 3 ounces. We are all pleased and happy to report this birth since Chip has had a little more than her share of unfortunate health during the past months. Mother and child are both doing fine and are at the University Hospital in Ann Arbor.

That's all for this week. Have you called yet? Now that summer and vacations are here, there must be an occasion for each and every one of you to call and report. Let's hear from our Villagers regularly GL. 3-6729.

Spectacular success in ferreting out new cases of tuberculosis has been reported by the Detroit House of Correction in Plymouth Township in a program launched jointly with the Tuberculosis and Health Society of Wayne County.

Using chest X-ray equipment loaned by the TB and Health Society, admissions personnel at DeHoCo have found 33 active cases of tuberculosis among the 2,798 inmates X-rayed since Jan. 5 when the program began. That is 12 times as much tuberculosis as is found in the general population.

"It's an outstanding program," said DeHoCo Supt. Albert Shapiro. "It provides the best possible protection for the public, and obviously for our staff and inmates. It should have been done a long time ago."

When the program opened last January, a Detroit Health Department mobile unit took chest X-rays of all inmates and personnel. Since then, all new prisoners have been X-rayed as part of their admitting procedure. The 4 by 5-inch X-ray pictures are taken with equipment bought by 7,200 Christmas Seal dollars. They are sent to nearby Maybury Sanatorium at Northville for "reading" by staff experts, and returned to DeHoCo within a week. Aside from TB, 199 other lung abnormalities have been found, enabling prompt treatment where necessary.

When tuberculosis is found, patients are legally committed to hospitals for proper care. The health department in each patient's home town is notified so it may check the family for additional TB cases. If tuberculosis is caught early enough, treatment is shorter, thereby saving tax funds spent to protect the public from this contagious disease. (Detroit and Wayne County taxpayers spend \$10 million on tuberculosis care and control each year.)

At the Detroit House of Correction, Supt. Shapiro's rehabilitation program has been aimed at social and psychological adjustment to prisoners to society. "Now we can add health to the list," Shapiro said. "It's an outstanding way to protect the public."

Conservation Notes

LANSING, June — Conservation Department officials urge the public not to handle or molest fawns.

These whitetail "babies" are currently making their appearance on Michigan's wildlife scene. They are often taken by well-meaning persons who think they have been deserted by the mother and are in need of help.

The fawns are not abandoned or orphaned and it is far better to leave them where they are found. Not only is it entirely unnecessary to pick up fawns in the woods, but it is illegal as well. Fawns are pretty and appealing but they are wild animals and should be treated as such.

TREE ALLERGIC TO MAN

KENT, Ohio (UPI)—While the American beech will often grow to the age of 300 to 400 in the woods, it won't last long in civilization. According to experts of the Davey Tree Co. here, the beech is just allergic to man.

Dear Lucy:
Now is the time for all good men to come to the aid of their country. Will this do? Thanks a million.

Sincerely,
Mary W.

HANDWRITING Tells About Yourself
By LUCILLE WILLIAMS

Dear Mrs. T.A.M.:
No person's analysis through the mail except those wishing a longer and more complete one—for this service there is a routine fee.

Your writing shows a definite trend towards cultural things: music, art and writing. You show good color sense and appreciate the deep rich tones. There is also a sense of rhythm here, too.

You think quickly and learn easily. There is a sense of humor at times, not consistently but it shows up every once in a while.

You penetrate and probe a subject for all its worth and retain a very large portion of what you've learned.

Enclosed is my little boy's writing. Does he show anything at all that might help us to help him in school? He's very young, maybe nothing will show in his writing.

Mrs. L.M.J.

In Memoriam

To John Doe, who lost his valuables during his vacation because they were in a drawer drawer instead of being in a SAFE DEPOSIT BOX at the Bank of Livonia, Member Federal Deposit Insurance Corporation.

Plymouth Village Was Incorporated in 1867

(This is the fourth in a series on the history of Plymouth written for the Plymouth Historical Society in 1930-31 by the late Mrs. Nettie Dibble.)

By Mrs. Nettie Dibble

The village of Plymouth was incorporated by an Act of May 15, 1867. The first village election was held May 25, 1867 at the Adams House, hotel of Thomas Whipple. At this election 129 votes were cast and the following officers elected:

President, Bethel Noyes; recorder, Michael Conner; treasurer, A.B. Coleman; assessors, Lewis Bennett, W.A. Bassett; trustees, Samuel Hardenburg, Isaac Hedden, Ira Hough, Abraham Fralick and Frances Fairman.

The first known newspaper published in Plymouth was in 1860. It was very small,

measuring four by six inches. Mr. John Root has a copy of a paper published in Plymouth in 1860. It is very small, four inches by six inches.

In 1875, a paper called the "Plymouth Chronicle" was published in Plymouth by Mr. D.B. Sherwood, the editor and proprietor; the first year total number issued was 26. Terms were \$2.00 per year in advance. Some of the advertisers in this paper were J.W. Voorhies, Attorney and Counselor at Law; William Mead, M.D.; A. Pelham, Dentist; David Moreland, Auctioneer; Andrew Reynders, Painter; Isaac Hedden, Hardware Store; R.G. Hall, Dry Goods; O.A. Fraser, Dry-goods and Groceries; Root & Allen, Drugs, Medicines, Jewelry, Clocks, etc.; Bassett & Orr, Furniture and Undertaking.

An edition of the Wayne County Review of Wayne for Plymouth, with O.S. Howard as the editor was issued in December of 1878 by J.H. Stiers. In September, 1887, the Plymouth Mail was issued at Plymouth with J.H. Stiers as editor and proprietor; the office was in the Taylor Block on Main Street, the building south of the funeral home.

June 20, 1899, H.J. Baker and M.F. Grey were editors and proprietors; their successor was F.W. Samsen; his successor was Elton R. and Sterling Eaton in 1930.

Amity Hall, seating about five hundred, was completed in 1869, and burned in 1893. The first National Bank of Plymouth was organized November 18, 1871, with a capital stock of \$50,000.00.

Officers were: E.J. Penniman, president; C.H. Bennett, vice-president; T.C. Sherwood, cashier.

Those gentlemen with about twenty-five others were stockholders. Mr. Penniman was president of this bank for fourteen years.

The First National Bank was re-organized in November of 1891, and was called the First National Exchange Bank with George A. Starkweather as president and Oscar Fraser, cashier.

The Plymouth National Bank was organized January

16, 1884, and began business February 11, 1884. T.C. Sherwood was president and L.D. Shearer, vice-president and acting cashier.

This bank re-organized May 13, 1890 as the Plymouth Savings Bank.

The new Plymouth United Savings Bank Building on the corner of Main Street and Penniman Avenue was opened April 12, 1920.

A branch of this bank was opened in North Village on the corner of Liberty Street and Starkweather Avenue in the spring of 1915. A new branch building was built and opened for business March 1, 1926.

The People's State Bank was organized in 1924 and on July 1, 1926, became the First National Bank of Plymouth.

On March 7, 1878, the Township of Plymouth was divided into two election districts in compliance with a law of May 23, 1877, Sections 1 to 18, both inclusive designated as the First Election District, meetings to be held in the village of Northville; Sections 19 to 36, Second Election District, meetings to be held in Plymouth village.

In 1868, the Township of Plymouth was divided into six whole and five fractional school districts.

The Plymouth Fair Association organized April 1885; Stock Company \$1200; T.C. Sherwood, president, Dr. J.M. Collins, secretary, and L.C. Hough, treasurer. In 1889 C.B. Crosby was secretary. The first fair was held in September of 1885.

In June, 1891, it was voted to hold an election to bond the town for \$30,000 for a water system. In February of 1922, Sheehan and Dunn, contractors, were engaged to lay water pipes from Springs four-and-one-half miles north and west of Plymouth. The water has a fall of 108 feet.

The Fire Department was organized about 1894. No dates on origin of volunteer companies are available.

Fire hose was purchased March 15, 1893, after the completion of the water mains. Fire companies were named by the village March 4, 1895. The first Fire Department Ordinance was adopted June 3, 1895.

The Detroit - Plymouth Street Railway Ordinance was that a line should be built and put in operation before August 1, 1898. This street railway line was discontinued in the summer of 1927.

The right to run the proposed Detroit and Howell Railroad through the corporation limits was granted October 24, 1887. This road was completed from Detroit to Lansing in 1871 and was known as the Detroit, Lansing and Lake Michigan Railroad. The Detroit, Lansing and Grand Rapids Railroad was voted on in March of 1910.

In May, 1871, a track was completed from Wayne to Northville and on November 6, 1871, from Northville to Holly. This road in Plymouth was called the Holly, Wayne and Monroe. It connected with the Michigan Central at Wayne and after June 28, 1875, trains of this road known as the F. & P.M. used the tracks of the Michigan Central to Detroit, arriving and departing from the old Michigan Central Depot at Third and Jefferson.

Falls are the second most frequent source of accidental death in the United States. They cause nearly 21,000 deaths a year. No. 1 accidental killer: motor vehicle accidents.

Evans Products Leases Michigan Plant to Manufacture Metal Racks

Evans Products Company of Plymouth, Mich., has leased a plant at Gageton, Mich., for manufacture of metal racks. E.S. Evans, Jr., company president announced today.

The company's new plant will be known as the Rack Division of the Evans Products Company. Evans is the nation's largest manufacturer of damage-prevention devices used in rail shipping.

The 44-year-old Evans will manufacture various types of adjustable and non-adjustable metal bracing devices for in-plant use and for safely transporting such products as automotive engines, transmissions, bumpers, fenders, etc.

Limited production is scheduled to begin next week, Mr. Evans said, with from 50 to 100 people employed as production increases later on.

Company manufactures rail-way freight-protective equipment such as the DF Loader, a general commodity locking system permanently installed to date in nearly 37,000 box cars on 51 Class I railroads; the Quick Loader (QL), a freight car partitioning device; and the Auto-Loader, a steel-frame device for double-deck shipment of automobiles in box cars.

Evans also manufactures bicycles and velocipedes;

truck and bus heating and ventilating equipment; Ply wall, plywood, hardboard battery separators and other wood products. One of its subsidiaries makes laminated plastic curtain wall building panels and boat parts (Haskelite Manufacturing Corp., at Grand Rapids, Mich.). Another subsidiary, Fiddes-Moore & Co., is a large distributing organization in the building products field.

VALUE-RATE the ROCKET

Figure it out for yourself... **OLDS VALUE HOLDS!**

Before you put a single dollar on the line for your new car, do some thinking about the total value of your purchase.

If you do, the chances are good you'll join the swing to Oldsmobile!

Only Olds offers the spectacular performance of the Rocket with its economical operation and low maintenance. Olds styling is fresh, distinctive — it's a car that will stay in style. You'll find any number of important quality and value features — starting with the exclusive Wide-Stroke Chassis and its 9-inch wider Guard-Beam Frame and Air-Scoop Brakes.

All these things add up to more satisfaction of ownership. But equally important, they are responsible for Oldsmobile's traditionally high resale value. Year after year, Oldsmobile owners get a higher return on their investment when they trade.

Your local quality dealer is ready to give you all the facts and figures. Come in today and "Value-Rate the Rocket" ... it will be one of the wisest moves you ever made!
