School Issues Pass In Heavy Balloting

G. Fischer, Mrs. Hulsing Winners

Voters conclusively approved both proposals on the school election ballot Monday, setting the stage for a "pay-as-you-go" financing program for future major school building projects.

At the same time, the heaviest school election turnout in history here returned Mrs. Esther L. Hulsing to her position on the school board for a third time.

The other seat on the Plymouth Community School District school board went to Gerald J. Fischer, a newcomer who led the ticket in total votes Monday.

Proposal 1, whereby a five-mill, five-year building fund was established, was voted into being by a margin of 1,322 to 835.

Proposal 2, which asked permission for the school board to borrow ahead on a short-term basis, won by 1,246 to 775.

A total of 2,332 voters cast their ballots at four polling places Monday. It was by far the heaviest voter turnout for a school election here in history. Last year at the regular school election the total vote was 1,423.

For the two vacancies on the school board, Gerald J. Fischer led with 1,721 votes. Mrs. Hulsing, currently the school

board president, polled 1,441 votes.

She is now completing her second three-year board term and now will enter a four-year term.

Clarence M. Wilson, who also ran last year for a board position, placed third in the recent race with 871 votes.

Abraham M. Kooiman, who has never run before in a school board race, polled 297.

Fischer led all three of his opponents at each of the four precincts.

By establishing the "pay-as-you-go" plan encompassed by Proposal 1, voters have set in motion a method aimed to avoid

bond issues and heavy interest payments.

School building programs will be delayed until the school district has enough money in the bank. The money realized from the results of Proposal 1 will be earmarked for buying sites and for the construction of new buildings and additions.

It cannot be used for regular operation expenses or for meeting bond payments.

The additional approval of Proposal 2 sets up a unique situation allowing the school board to borrow money on a short-term basis.

And the combination of the two proposals should

prompt banks to be more willing to loan enough money to the school district so that it may get started on construction plans, if desired.

In the election for two seats on the school board, the results Monday place two men named "Fischer" side-by-side. Gerald Fischer, voted in during the election, joins with Harold Fischer, a member of the board for several terms. They are unrelated.

There was some conjecture as to how many voters would turn out for the election.

Last October, when two bond issues totaling \$4.5 million were voted into being, (Continued on page 6)

ARTISTS FROM THE Three Cities Art Club displayed their paintings, sculpture and other artwork in Kellogg Park Saturday. The display drew interested amateurs and professionals, who discussed the works with the artists themselves. Voting for "your favorite exhibit" resulted in special note for Marjorie Becker's "Farm House" painting and Roy Pederson's stoneware pottery. Other displays included wax sculpture, children's puppets and a mosaic table.

Playgrounds Underway On June 21

Summer playground program of the Recreation Department will begin on Tuesday, June 21. John Howe, supervisor of the entire program, announced that all playgrounds will be in session regardless of the weather. On rainy days the activities will be held in the schools.

Supervisors and leaders will hold their organizational meeting Monday, June 20 at 9 a.m. in the High School auditorium.

The following leaders will be on duty:
Allen School — 9:30 - 3:30 p.m., Leader: John Birk.
Lake Pointe — 9:30-11:30 a.m., Leader: James Grinenko.

Central — 9:30-11:30 a.m., (High School) 1-3 p.m., Leader: Miss Mavis Williams.
Cherry Hill — 1-5 p.m., Leader: Miss Wilma Wright and Miss Dolores Aldrich.
Hamilton Playground — 9:30 - 11:30 a.m., 1-5 p.m., Leader: Miss Catherine Catlett and Miss Deanne Van Lo.

Farrand School — 1-5 p.m., Leader: James Grinenko.
Gallimore School — 1-5 p.m., Leader: Robert Anderson.

Jr. High School — 9:30 - 11:30 a.m., 1-5 p.m., Leader: James Brown.
Truesdell School — 9:12-30, Leader: Miss Elizabeth Carless and Georgina Daubresse.

Hough School — 1:30-5 p.m., Leader: Miss Elizabeth Carless and Georgina Daubresse.
Auburn Playground — 9:30-11:30 a.m., 1-5 p.m., Leader: Miss Francis Smith.

Mr. John Close, specialist in Arts and Crafts will supervise the playgrounds, instructing leaders and students. Exhibits will be set up at the end of the season.

Among the activities of the playgrounds will be cook-outs, side-trips, doll shows and pet shows. Sports tournaments will be held in such sports as croquet, horse shoes, and Zel-ball. The Gallimore school playground will have special classes in nature study under the direction of Robert Anderson. Trips to nearby parks and day camps will be on the schedule.

Playground dramatics, group singing and storytelling are also included in the schedules.

Softball leagues for both boys and girls are being formed at the Junior High School playground, with James Brown as supervisor. The first meeting will be June 21 at 2:30 p.m. for girls and at 4 for boys. The tentative plans for the league games call for daily games from 4 to 8 p.m. starting Wednesday, June 22. Boys and girls from the sixth grade through high school are invited to participate.

The tennis classes for boys and girls will start June 20, under the supervision of Jim Stevens and Tom Locke. The beginners classes are from 9 a.m. to 12, with the more advanced players scheduled from 12 to 3. All tennis classes are being held at the Plymouth High School courts.

THE do-it-yourself craze hasn't yet included weaving your own cloth, but Kathleen Edgerton of Edgerton Handicrafts in Northville will, be prepared when it does. Using a small floorloom to weave fingertip towels, she drew spellbound spectators at the Three Cities Art Club summer exhibition in Kellogg Park. Mrs. Edgerton, who teaches handi-crafts, displayed other weaving and pottery at the show.

School Boundary Hearing Is Scheduled for Monday

A public hearing will be held Monday at 8 p.m. in the Junior High School library to permit the school board to hear parental feelings on proposed changes in elementary school attendance boundaries.

Invitations are being sent to the affected families by way of the school children involved.

The changes, said a school official, are proposed to relieve overcrowding in certain schools, to strengthen the over-all program in outlying schools by placing one grade in a room.

The proposed changes will develop a fuller program for the fifth and sixth graders in the outlying schools, namely the Truesdell school on Haggerty south of Cherry Hill and the Cherry Hill school on Cherry Hill at Ridge Road.

The boundaries for attendance were submitted for revision by the school administration recently. The school board is currently reviewing the proposals. However, no action will be taken by the school board until after the public hearing this coming Monday evening.

The boundary changes involve mainly the fifth and sixth graders from the Truesdell and Cherry Hill schools, in the southern portion of the school district.

It is proposed that those students be moved into the Gallimore and Allen Elementary schools. In order to make room at the Gallimore and Allen schools, it is recommended that some youngsters in the lower grades of those two schools be assigned to the Bird and Starkweather schools with the start of classes next fall.

Teacher Raises Are Finalized

Plymouth school board members, meeting Monday night with one ear on the returns of the annual school election here, nevertheless transacted considerable business.

They passed approval on a \$200 pay increase in base salary for all full-time maintenance, custodial, clerical and transportation workers within the school system.

At the same time, the school board approved other conditions for the same workers to include paid holidays, over-time pay and personal leave as recommended by Russell Isbister, school superintendent.

The board also gave final approval to the teachers' salary schedule which was first brought under consideration at a regular board meeting April 11.

Total cost of the teachers' raises is approximately \$58,000. The boosts for the other employees will amount to \$17,000.

Beginning teachers will now start at \$100 higher than in the past.

Joe's Graduation Struck One Day Early

Sunday was graduation day for eighth graders from Our Lady of Good Counsel School.

But graduation in another sense came a day earlier for 14-year-old Joseph Janicki, victim of an auto crash a few hours before his class was to leave on its annual picnic.

It was Wednesday morning, June 8, that 50 members of the graduating class rose early to participate in the 6:40 mass at the church.

After receiving communion, the youngsters were to have breakfast, board the school bus and spend a delightful day at Bob-Lo Island for the annual class picnic.

Word of the tragedy reached the students immediately after the mass. They were stunned. The realization that death had struck

their class seemed unbelievable. Now, their religious training was to be tested.

They continued their plans for their trip. The day at Bob-Lo passed swiftly and the thought of the tragedy momentarily subsided. But on the return boat ride they had time to think again.

Tears were shed and prayers were offered.

Joe was the son of Mr. and Mrs. Edward Janicki, 11684 Amhurst Ct. With him in the fatal crash were two classmates, David MacIntosh, who lives with his grandmother, Mrs. Cindy Herrick, at 1345 Lotz Rd., and Daniel Bondie, son of Roy and Eileen Bondie of Plymouth.

Joe and Daniel had gone to spend the night with David last Tuesday with intentions of getting up early for

the class trip. But with the excitement of the approaching trip and summer vacation, the three got up during the early morning, climbed into Mrs. Herrick's car and sped off down the country roads of Canton Township.

Sometime around 4:15 a.m., with David at the wheel, the car skidded some 200 feet on the loose gravel

Voting Over, Borrowing Action Starts

With the favorable results of the school election paying the way, school board members Monday night authorized the school board treasurer to file an application for permission to borrow \$200,000 on the new Building and Site Sinking Fund.

The new fund was created automatically when voters approved Proposal 1 on the school election ballot Monday.

The application for permission to borrow money will be filed with the state's Municipal Finance Commission using anticipated taxes as collateral.

A legal technicality will prevent the school board from signing notes to actually borrow the money until 30 days after the election of last Monday. This is the legal time period during which challenges to the election must be made.

After that 30-day period, the notes to borrow may be signed. For this same reason, there will be some delay in starting planned construction, a spokesman explained.

The money will be used for the alterations and additions to Starkweather School and for certain alterations at the Senior High School as directed by the State Fire Marshal.

It is expected that all work involved at those schools will be completed before school starts in September.

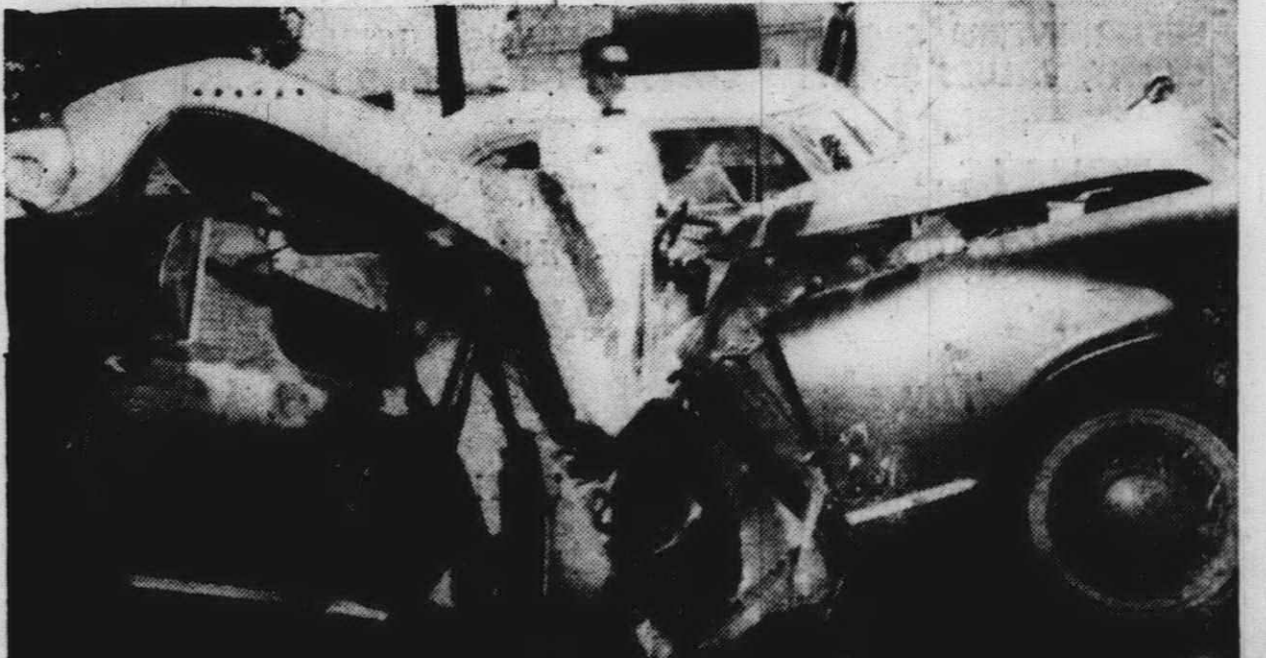

Wanted: 100 Pints Of Blood

Individuals who want to build up the blood "bank" of their organization or church or who want a "self account" for their own family will have a chance to make their "deposit" this Friday when a Red Cross Bloodmobile stops here.

Co-sponsored by the Plymouth Branch of the American Red Cross and the B.P.O. Elks, the Bloodmobile visit will be from 3 to 5 and 6 to 9 p.m. at the Elks Lodge on Ann Arbor Rd.

Organizations, churches and industries have been contacted to urge those with organizational blood banks to have their members or employees donate. Individuals can also establish credit in the Blood Bank for himself or his family. If and when blood is ever needed, it is then available.

Mrs. C. B. Lytle, local Red Cross branch chairman, said that anyone who wishes to donate but does not have transportation to the Elks Club can phone Mrs. Dorothy Arnold, (GL 3-6518) for transportation.

ONE BOY DIED and two others were injured in this car when it struck a utility pole on Lotz Rd. early last Wednesday morning. Shown with the auto here, a few hours after the accident, is Roy Hopper, a service station attendant. The crease on the roof of the auto was caused when the utility pole fell on the vehicle.

291 Graduate Thursday

A class of 291 seniors will be awarded their diplomas Thursday night—a class so large that for the first time since 1951 the Commencement exercises will have to be held outdoors.

Graduation will take place on the athletic field where between 2,500 and 3,000 people are expected.

Not since 1951, before construction of the gymnasium, has Commencement been scheduled for outside. Each year the gym has been packed, but with 25 more seniors graduating

tomorrow than did last year, it was realized that the gym is no longer able to handle the crowd.

Tickets will not be required for guests. But Principal Carvel Bentley said that should there be rain, the ceremony will be moved inside the gym and each graduate has been allowed five tickets.

Delivering the Commencement address will be Dr. Guy H. Hill, professor in the department of education at Michigan State University. (Continued on page 6)

Graduates Honored

Mrs. Doris Wick of Six Mile Rd. honored her daughter, Irene, and several friends at a picnic reception Sunday, June 12. Irene and Phyllis Bates of Wayne were graduated from Michigan Lutheran Seminary. Also honored were Yvonne Henon, a graduate from Piggot, Ark., and Clarisse Wicke, a graduate of Ladywood in Livonia. A cake with red roses, a Bible and the girls' names centered the table. Thirty-six guests from Northville, Livonia, Plymouth, Birch Run, Wayne, Detroit and Arkansas attended.

Engaged

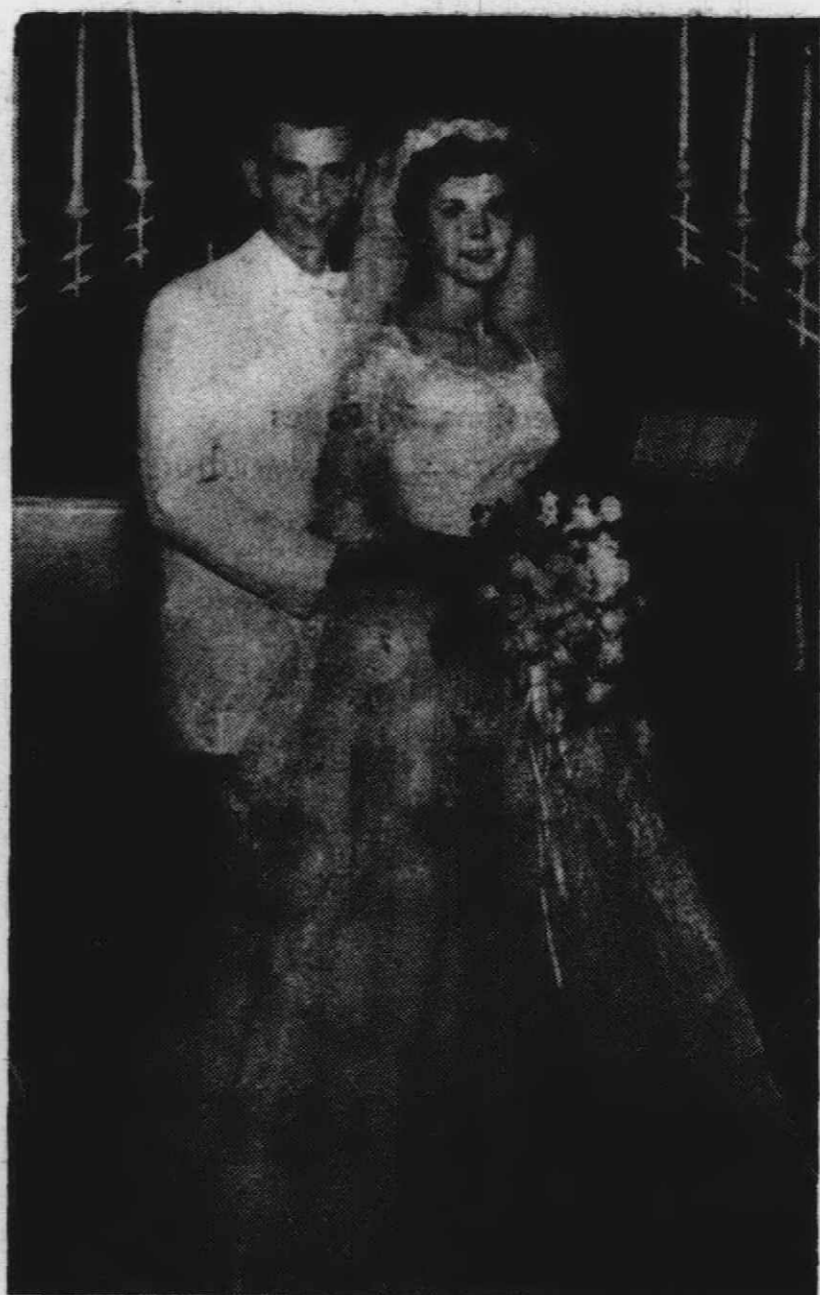

Florence Walker

Mr. and Mrs. James Walker of Thief River Falls, Minn., announce the engagement of their daughter, Florence to Mr. Hugh Slocum of Ann Arbor. Miss Walker, a teacher in the Plymouth system, lives at 1284 Williams. The couple will be wed in Minnesota on July 30.

Wanda Dolan

Mr. and Mrs. Henry Dolan of Chubb Road announce the forthcoming marriage of their daughter, Wanda Catherine Dolan, to Stuart Miles Stoll Jr., son of Mr. and Mrs. Stuart Stoll of W. Six Mile Road. The wedding will take place in Our Lady of Victory Church in Northville on July 23.

Mr. and Mrs. Kenneth Calhoun

Local Couple Wed

Linda Margaret Law became the bride of Kenneth Lee Calhoun in an afternoon service held in the First Methodist Church of Plymouth. Dr. Melbourn Johnson officiated at the June 11 ceremony.

Linda is the daughter of Mr. and Mrs. Hugh E. Law and Kenneth is the son of Mr. and Mrs. Harry S. Calhoun, both of Plymouth.

Given in marriage by her father, Linda wore a gown of white silk organza with scooped decollete and tight-fitted sleeves. Her fingertip was secured with a crown of white silk organza embroidered with seed pearls. She carried a cascade bouquet of stephanotis, centered with white roses.

Ann Ware of Grosse Pointe was her maid of honor. She was gowned in a lilac pima cotton sheath with a nylon overskirt of violet. Her hat and shoes were of violet and she carried a cascade bouquet of lilac fugi cysanthemums.

The bridesmaids were Barbara Bridgeman, cousin of the bride from Garden City; Elizabeth Calhoun, sister of the groom; Janet Spigavelli and Sandra Richard of Detroit. They wore identical gowns of lilac with overskirts of lilac nylon and matching hats and shoes. Their bouquets were of yellow fugi cysanthemums.

Dianne Calhoun, cousin of the groom served as flower girl. She wore a white nylon gown and carried a basket of lilac baby mums.

Serving as best man was Gerald King of Plymouth. Assisting the groom as ushers were Clyde Sumner of Plymouth, Terry Graves, a cousin of the bride, of La Grange Park, Ill., William Wolfe of Benson, Illinois and Charles Eads of Arthur, Ill.

Sharon Calhoun, sister of the groom, Ann Hulsing, Mary Louise Harper, Marianna Jensen and Susan Hulsing of Plymouth, and Barbara Graves of Downers Grove, Illinois and Pat Ramsey of Hinsdale, Ill. assisted at the reception.

The soloist was Nat Sibbold, who sang "This Love I Bring to You", which was composed by the bride's mother. He also sang "The Greatest of These Is Love."

At the organ was Inez Lock. Mrs. Law wore an azalea pink lace sheath with matching accessories and a corsage of cymbidium orchids. The mother of the groom chose a watered silk print gown of apple green with lilac and beige print. Her accessories were beige, with a cymbidium orchid corsage.

Guests attended from Grosse Pointe, Detroit, Linden, Franklin Village, Illinois and Tennessee.

For her honeymoon trip, the new Mrs. Calhoun wore a smoke grey silk suit with red accessories and her corsage from the wedding bouquet.

Linda was graduated in 1958 from Plymouth High School and attended Eastern Michigan University. Kenneth graduated from Plymouth High in 1957 and is a senior at Eastern Illinois University where he is affiliated with Phi Sigma Epsilon.

The young couple will be at home at 46120 Ann Arbor Road until the last of August when they will move to Charleston, Illinois.

Mrs. Carl Shemwell

Mr. and Mrs. Gerald Steever of 8581 Hix Rd. in Plymouth announce the marriage of their daughter, Vickie Lee Bronson, to Mr. Carl Shemwell, son of Mr. and Mrs. Earl Shemwell, also of Plymouth. An evening ceremony held June 1 in the Temple Baptist Church of Windsor, Ontario united the couple. The newlyweds left for a Northern Michigan honeymoon.

Isabella II became Queen of Spain at the age of three in 1833, on the death of her father, Ferdinand VII.

Evening Ceremony Unites Couple

An evening ceremony held May 21 at the First Methodist Church in Plymouth united Miss Rosemary Bellinger and Mr. Arthur W. Hering. Rev. Melbourne Johnson officiated at the wedding.

Rosemary, daughter of Mr. Alvin Bellinger of Detroit and Mrs. Eleanor Bellinger of Garden City, was given in

marriage by her father. Her gown was floor length of chantilly lace with a satin panel in back. Her flowers were white roses with stephanotis. Alice Bellinger, sister of the bride, was maid of honor in a mint green sheath with white nylon organdy. She carried yellow carnations and daisies.

Bridesmaids were Linda Moore of Flint, a cousin of the bride, and Jacquelyn Hering, sister of the groom. Their dresses were green sheaths with white organdy, while their flowers were pale yellow carnations and daisies.

Mr. and Mrs. Arthur Hering

Evening Ceremony Unites Couple

An evening ceremony held May 21 at the First Methodist Church in Plymouth united Miss Rosemary Bellinger and Mr. Arthur W. Hering. Rev. Melbourne Johnson officiated at the wedding.

Rosemary, daughter of Mr. Alvin Bellinger of Detroit and Mrs. Eleanor Bellinger of Garden City, was given in

marriage by her father. Her gown was floor length of chantilly lace with a satin panel in back. Her flowers were white roses with stephanotis. Alice Bellinger, sister of the bride, was maid of honor in a mint green sheath with white nylon organdy. She carried yellow carnations and daisies.

Bridesmaids were Linda Moore of Flint, a cousin of the bride, and Jacquelyn Hering, sister of the groom. Their dresses were green sheaths with white organdy, while their flowers were pale yellow carnations and daisies.

Assisting the groom as best man was Oscar McDonald of Plymouth. Ushers were Robert Hawkins of Flint and Gerald Perzyk of Livonia. The groom is the son of Mr. and Mrs. Arthur G. Hering of 29740 Minton in Livonia.

Mrs. Bellinger chose a lilac sheath with white accessories and the mother of the groom wore a beige sheath with white accessories.

A reception immediately following the ceremony was attended by 175 guests from Saginaw, Flint, Decker, Detroit, Livonia and Plymouth. The reception was held in the Fellowship Hall of the church.

For her going-away outfit the new Mrs. Hering chose a beige sheath with beige accessories. She is a graduate of Bentley High School and Cleary College. The groom was graduated from Cooley High School in Detroit. Their new home will be at 13514 Braile in Detroit.

Mrs. Gary Bates

LaMay-Bates

Wed At St. Michaels

In Saturday rites at St. Michael's Church in Livonia, Onalee Ann LaMay, daughter of Mr. and Mrs. Lionel E. LaMay, became the bride of Gary Bates, son of Mr. and Mrs. Charles Bates of Plymouth.

The bride's white peau de soie gown was fashioned with a sweetheart neckline of Alencon lace, the skirt with side and back fullness fell into a chapel train. Her veil was held in place by a cap of peau de soie and Alencon lace to match her gown. Her bouquet was of white orchids and stephanotis.

Mrs. Donna Brown, cousin of the bride, was matron of honor. Leo LaMay acted as best man. Assisting them were five couples, all friends of the bride and groom.

The mother of the bride wore a silver lace over pink peau de soie sheath gown, with a corsage of white orchids. The groom's mother wore a powder blue silk eyelet dress. Her corsage was also of white orchids.

A breakfast was held following the wedding and a reception was held in the evening for about 600 guests in the K. of C. Hall in Dearborn. After their return from an extended trip in the South, the young couple will live on Southworth Ave. in Plymouth.

Michigan's Pioneer Pari-Mutuel Harness Track

Northville Downs

Northville Downs to Open with New Look June 20

There's a "new look" lighting system, new fire-stake but introduces proof barns, a racing program that lists only one

exchange trots and paces, that's the "new look" suburban Northville Downs will have when it opens its 39-night harness race meeting on Monday night (June 20).

It will be the 17th opening for the Downs and everything points to the most interesting campaign in the history of Michigan's pioneer pari-mutuel track.

More than \$500,000 has been spent on improvements since the final night of the 1959 campaign — the start of a \$2,000,000 expansion plan scheduled over a period of five years.

The improvements include widening of the racing strip by 18 feet all the way round so that eight horses can start abreast; construction of 352 new stalls in winter type barns with 30 new tackrooms; and erection of a new lighting system with the poles only 30 feet apart which doubles the illumination and is one of the finest in the nation.

Other improvements include a new hub rail and improved drainage. A \$500,000 clubhouse is part of the future expansion program.

And to make things even more interesting, the Downs is experimenting with a race program that includes one stake, the \$12,000 HTA trot, and the six invitationals. The traditional stakes have been dropped.

"The invitationals will send the best trotters and

pacers stabled at Northville against the top stars from Buffalo, Cleveland, Columbus and Chicago and will bring new names to our track each week. We know it will create a great deal of interest in our weekend events," says Executive Manager John J. Carlo.

The Northville leg of the HTA trot is scheduled for Saturday, July 30, and will bring most of the nation's outstanding four-year-olds to the Detroit area.

The schedule for the invitational exchange: Friday, June 24, trot; Friday, July 1, pace; Friday, July 8, trot; Friday, July 15, pace; Friday, July 22, trot; and Friday, July 29, pace.

With the opening only a few days away, hundreds of horses are already on the grounds and have been pounding away on

the new strip which is expected to be just about the fastest in the Midwest.

ITALIAN SUPER-HIGHWAY
ROME (UPI) — Work is nearing completion on Italy's first super-highway, a 450-stretching from Naples to stretching kom Naples to Milan.

Several sections of the multi-million dollar "Highway of the Sun" already are in use — from Milan to Bologna and from Bologna to Florence. Work on the project began two years ago. Involved in the construction are 51 bridges, 52 viaducts and 19 tunnels.

291 Graduate

(Continued from page 1)

The ceremony will begin at 8 p.m. with a professional band by the Plymouth High School Band directed by James R. Griffith.

Dr. Hill will speak following the invocation by the Rev. David T. Davies, rector of St. John's Episcopal Church.

A senior, Larry Livingston, will play a clarinet solo, accompanied by his father, Laurence Livingston, Junior High band director. Principal Bentley will make the presentation of the class.

Three Board of Education members, each having sons daughters in the graduating class, will present diplomas. They are Mrs. Esther Hulsing, president of the Board; Robert Soth, vice-president; and Wesley Kaiser, trustee.

Closing the ceremony will be the singing of the class song by the Class of '60 and

the recessional played by the band.

Members of the Class of '61 will usher and provide decorations.

The speaker, Dr. Hill joined Michigan State in 1937 and was named full professor in 1949.

Born in Cartersville, S.C., he received his B.A. degree at Furman University in Greenville, S.C. and M.A. degree from the University of South Carolina and Columbia. He earned his doctoral degree from the University of Michigan.

Prior to his appointment at Michigan State, Dr. Hill was teacher, principal and superintendent in various South Carolina schools. He also held teaching positions at the University of South Carolina and Appalachian State Teachers College, Boone, N.C. He first came to Michigan in 1935 as principal of East Lansing High School.

Dr. Hill states that his main interest in life is people. He is interested in how they think, feel and behave. More specifically, he has dedicated the past 39 years to teaching, which he defines as "helping young people become their most promising selves."

Author and co-author of several textbooks and numerous articles in professional educational journals, Dr. Hill is a member of the Michigan Education Assn., American Assn. of Higher Education and the National Assn. of Secondary School Principals.

He served as program planning committee chairman during 1956-57 for the Michigan Assn. for Supervision and Curriculum Development, and is vice-president of the East Lansing Kiwanis Club.

This year's graduating class of 291 far outnumbers those of previous years. The largest previous class was the Class of '57 with 235. Last year was the second largest with 226.

Baccalaureate was held last Sunday in the gymnasium. Delivering the sermon was the Rev. Patrick J. Clifford, pastor of Calvary Baptist Church.

Sponsors of the Class of '60 are Edgar W. Brown and Donald D. Helm.

Joe's Graduation

(Continued from page 1)

David suffered facial lacerations and was released from the hospital last week.

But Daniel sustained severe internal injuries and underwent a six hour operation. His condition at Wayne County General Hospital is reported as being improved.

Thursday was a day for packing books and belongings for the summer vacation at Our Lady of Good Counsel. Three of the 50 desks remained intact.

Friday evening was to be the class party, but class members faced the question: would the three boys want the party to go on as usual, or should it be postponed? It was felt that the three would have wanted the party to be held.

The musical evening was surrounded with the decorations of the Holland tulip scene with its grass and flowers, a picket fence and drawbridge and punch and cake. But members of the Class of '60 could not forget their friends. There was a moment of silence to conclude the party for Joe's soul, and Dan's and David's recovery.

Saturday morning was the funeral at the church. Joe's classmates chanted the Mass and offered their Holy Communion for him. His baseball teammates guarded his coffin and his buddies served at the altar.

School Issues

(Continued from page 1)

million were defeated, there were 1,583 voters casting ballots.

In October, 1956, 1,557 voters showed up to approve changes in previously approved plans to add to elementary school buildings.

In March of last year, 1,882 approved a three-mill operating expense increase for a five-year period.

A 2½-mill Sinking Fund was approved by voters in 1957 and still has two years to run. But since electors approved Proposal 1 Monday—creating a new Sinking Fund—the 1957 edition will be dropped.

While the two proposals on the ballot were asking for five mills, the actual millage boost will be only 0.83 mills due to existing levies.

Veterans of Foreign Wars

It is with a great deal of pride that we announce our first place in the Wayne County Council Color Guard contest held June 5. Members of the team are Officer of the Day, Hal Young, Color Bearers Ray Danol and Bud Krumm, Guards Jack Olsaver and Ed Olson. Congratulations, fellows.

Presentation of the traveling trophy was made by the Commander of the Wayne County Council.

An added attraction to the day was an exhibition by the Oakland Post Junior Girls' Drill Team. The Poppy Queen and her court also attended.

Two other trophies were presented to the Color Guard June 11, at the Wayne County Council Installation of Officers ceremony. The ceremony was held in the Memorial Building in Detroit. One of the trophies was awarded the team from the Council.

In an effort to raise money with which to purchase tents for camping, Boy Scout Troop 862 will be selling doughnuts in Plymouth, Saturday, June 18.

There will be a "Chicken-que" at the post home July 4. Serving time will be from 12 noon until 6 p.m. Chairman Louis Dely reported plans are well underway but lots of help is needed.

Next regular meeting will be June 15 at 8 p.m.

Auxiliary

Regular meeting was held Tuesday, June 7 at 8 p.m. Delegates to represent Mayflower Auxiliary at the National Convention to be held in Detroit Aug. 21-26 were elected as follows—Loretta Young, Geraldine Olson and Dolly Bouterse. Alternates elected were Virginia Bartel, Jennie Tallmadge and Marion Krumm.

The drawing to select two girls to attend Camp Woodbury for two weeks was held. The lucky girls were Sue Fisher and Marsha Herter, daughter of Marcella Herter, Jean Krumm, daughter of Betty Krumm, was selected as alternate.

Legislative Chairman Lucille Johnson gave us some very interesting information about the procedure for introducing a bill into Congress.

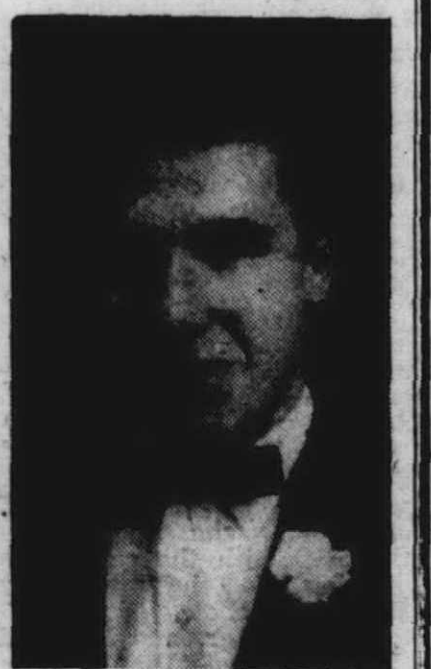

Civil Defense Chairman Marion Skoglund reported on fallout shelters and stated that many new homes are being constructed with fallout shelters. She also stated that it is possible to obtain VA or FHA approval to build a shelter.

Hospital Chairman Virginia Bartel reported that on June 14 we are sponsoring a trip to Camp Woodbury for 40 patients from the veterans hospital at Ann Arbor. A picnic lunch will be served. The patients really enjoy these trips and appreciate the chance to go to the camp for the day.

Marion Skoglund and Betty Krumm want to thank all the girls who helped prepare and serve the dinner for the Michigan Bell Retirement Party on June 3. Approximately 90 dinners were served. From all reports it was an excellent dinner.

Big plans are underway for the 4th of July celebration in Plymouth. There will be a chicken barbecue at the Hall. More details later.

Next regular meeting is June 21, 8 p.m. President Eileen Williams will represent Mayflower Auxiliary at the 33rd annual state convention being held in Saginaw on June 16 to 19. Other delegates will be Mrs. Lucinda Archer, Mrs. Geraldine Olson, Mrs. Grace Burley and Miss Dolly Bouterse.

Charles A. Renner

In ceremonies held Friday, June 3, Charles A. Renner was graduated from Catholic High School for Boys in Memphis, Tenn. Charles, a former area resident, is the brother of Mrs. William Fox, c Plymouth, Mrs. Fox and her sister, Mrs. Catherine Clement, attended the graduation. Charles is employed by the Memphis Commercial Appeal newspaper. Parents are Mr. William H. Renner and the late Mrs. Renner.

VFW COLOR GUARD of Mayflower Post 6695 stands at attention, winners of the Wayne County Council Color Guard contest. L to R, Commander Hal Young, Jack Olsaver, Bud Krumm, Ray Danol and Ed Olson.

Hospital Auxiliary

The recently organized Community General Hospital Auxiliary members enjoyed a potluck picnic at the Timberlane Rd. home of Mrs. Cristen Hammond on Monday evening, June 6. The social meeting marked the group's six-month anniversary. The auxiliary's first service project has been desk-admittance where volunteers serve during the afternoons. A patient's cart will be instituted in September, making available library service and miscellaneous

for-sale items. Information regarding membership in the auxiliary is available by contacting Mrs. Willard DerHouwer, GL 3-1311.

Final Meet Scheduled At Area Church

Last meeting of the season for the Livonia League of Women Voters will be held June 16 at 8 p.m. in the second floor conference room of Montgomery Ward's Wonderland store.

Featured speaker will be Mrs. Arthur Yabroff, 20123 Appoline in Detroit. Mrs. Yabroff, finance chairman of the League at the state level, will outline steps necessary for financing the newly formed Livonia group.

Also the first in a series of "Know Your Town" studies will be presented by Mrs. Myron Singer, 19667 Ingram and Mrs. Joseph Perna, 11001 Ar-

den. Designed to acquaint the women with the local political community, the reports are: History and Makeup of Livonia and Charter and Government of Livonia.

Persons desiring transportation to the meeting should call GA 7-0067.

Mrs. John M. LaRue, president of the Livonia League of Women Voters, was featured speaker for the May meeting of the United Church Women of Livonia. She described the work of the League to the 275 churchwomen present.

Mrs. LaRue also discussed the proposed constitutional revision for Michigan before the Livonia-Redford chapter of the Citizens for Michigan.

Convention Held New School In Salem; Building Plans Set

The first statewide Brotherhood Convention for Michigan will be held Saturday, June 18 at the Allen Heights Baptist Church on Haggerty Rd. in Plymouth.

During this convention, a constitution will be adopted and officers will be elected.

Dr. Truett Smith, editor of the Michigan Baptist Advocate, is the brotherhood secretary for the Baptist state convention of Michigan. Dr. Smith will be in charge during the convention, until a permanent president is elected.

The principal speakers for the brotherhood convention will be Dr. Roy Valentine, chairman of the Christian Life Commission, and Dr. L. E. Coleman, representing the Brotherhood Commission of the Southern Baptist convention.

The first session is scheduled to begin at 2 p.m. on Saturday. The evening session will begin at 7:15.

The Allen Heights revival, which began with the first service in the new church, is continuing through June with services held each evening at 7:30. Dr. Truman Delkner is preaching during this series of meetings. Gene Riley, former music director of the church, is directing the music.

Plan Summer Bible School

Bible study, handicraft, singing, recreation and refreshments will be featured in the Vacation Bible School conducted by The Lutheran Church of The Risen Christ at the Plymouth Veterans' Community Center, 173 N. Main St., next to the Plymouth High School. The sessions will take place during the period of June 20 to July 1, Monday through Friday from 9 a.m. to 12 noon.

The Vacation Bible School is open to boys and girls three years old through sixth grade. The members of the teaching staff are Mrs. Alice Preuss, Aileen Stroebel, Lois Brauer and Pastor Norman H. Brauer. Mrs. Robert Sockow is in charge of refreshments.

The only West Virgin who served as Postmaster General of the United States was William L. Wilson.

By Mrs. Herbert Famuliner The South Lyon School Board accepted school plans at a special meeting held Friday, June 3. Final plans for the new 20-room elementary school were approved.

Construction on the one-level building is scheduled to get underway soon. The new building is to be off Pontiac Trail in Woodside Acres. A board meeting is set for June 27 at 8 p.m. for accepting general contract bids. Kitchen equipment bids and the well will also be taken at that time.

Ninety-eight seniors received their diplomas last Thursday evening at the high school in South Lyon. Nine received awards for scholastic achievement and activities. Dianne Sopp received the Scholarship award; Kenneth Bakhaus, science and mathematics; Joan Wilson, Homemaking; Donald Tapp, history and citizenship; Jerilyn Grimm, English; Arlene Somers, commercial; David Cash, industrial arts and agricultural awards; Dave Wren, athletics and band; and Dorothy Schroeder received the attendance award.

Annual Conference Held In Ann Arbor

Sunday, June 19, Methodists from more than 500 communities in eastern Michigan will bring to a close the Annual Conference of The Methodist Church with a Service of Worship in Hill Auditorium on the campus of the University of Michigan. This climactic service will draw more than 4,000 people to share the final day of the five-day annual conference being held in Ann Arbor, First Methodist Church.

Bishop Marshall R. Reed of Detroit, episcopal leader of Michigan Methodism will be the preacher at the Auditorium Service and will speak on the theme "Christ Go to Before Us." Host pastor, Dr. Hoover Rupert will conduct the service in a special worship setting being prepared for the occasion on the concert stage of Hill Auditorium. Three choirs will participate in providing special music for the occasion under the direction of Lester McCoy, director of the University Choral Society.

Methodist churches within a fifty mile radius of Ann Arbor are being especially invited to unite their regular Sunday morning worship service with their fellow

Methodists in attendance at the conference, and attend the Auditorium Service which will begin at 10:30 a.m. Doors will be open at 9:30 a.m.

In announcing the Conference, the conference, and attended service, leaders stressed the fact that persons of all faiths are invited to attend the service which will be a public service.

Men In Service

Arthur E. Kreger Army Reserve 2nd Lt. Arthur E. Kreger, 28, son of Mr. and Mrs. Anthony J. Kreger of Gray St. in Plymouth, completed the ten-week officer basic course June 10 at the Army Signal School, Fort Monmouth, N.J.

Lt. Kreger, a newly-commissioned Signal Corps officer, was trained in signal tactics, staff and command procedures, communication methods and military leadership. The lieutenant is employed by Consumers Power Co. in Traverse City. He is a graduate of Plymouth High School.

Graduates

Mrs. Clifford J. Blum, formerly Celia Anne Balfour of Penniman, received the degree of Bachelor of Science from Michigan State University. Mrs. Blum will continue her studies this fall at the graduate school of the University of Wisconsin as a candidate for her Ph.D. Her husband, also a graduate of MSU, will continue his studies at the medical school of the university. The couple are the parents of a 3-month-old daughter, Gail Anne.

Colorful Coleus Gives Garden Variety

By DOROTHY H. JENKINS
Coleus, colorful house plant all winter, is an equally fine garden plant in a partly shaded location during summer. Indoors or out, its chief beauty is its fascinatingly colored leaves.

The name of one of the best-known strains of coleus, Ball's Rainbow Mixture, hints at the array of colored foliage that may come from sowing a package of seed. Dark and bright reds, shades of rose and pink, copper, bronze, shades of green, yellows from true gold to pale cream—two and sometimes three colors blend harmoniously in every leaf. Coloring lends infinite variety and the size and shape of leaves also contribute. Some plants have leaves three times as large as other plants. Occasionally you'll come across a plant with frilled or deeply scalloped edges. Coleus does bloom but this is not a plant grown for flowers. It's reasonably easy to collect coleus plants, each one

different. A cutting or slip roots without delay in water or damp, sharp sand. Within three to four weeks after being given a slip (a 3-inch length of tip growth), enough roots should have formed so that this new young coleus can be planted in a small pot filled with a mixture of soil and sand. Spring is as favorable a time for rooting cuttings as it is for sowing seed. A packet of seed can produce an amazing assortment of different plants. However, getting seeds to germinate and seedlings to grow is more precarious than rooting cuttings. Seed of coleus germinates more slowly than such other garden favorites as marigolds and zinnias. Seedlings can be poky too but, once growing, the plants are sturdy and independent. When seedlings open their second pair of leaves, it's time for their first transplanting or "pricking." Lift the tiny seedlings with a pencil and plant a generous inch apart in rows in a flat or shallow box of soil.

Dunlap Attends Missouri Meet

Wayne Dunlap, conductor of the Plymouth Symphony and Saginaw Civic Symphony, will attend the 15th National Convention of the American Symphony Orchestra League, June 15-18 at the Chase Hotel in St. Louis, Mo. The four-day convention will be climaxed by an address by John D. Rockett, President of the Lincoln Center for the Performing Arts, New York City, at the

final banquet on Saturday, June 18. Participating in the many convention sessions embracing every phase of orchestra and arts council operation are representatives of leading major orchestras, including John S. Edwards, President of the League and Manager of the Pittsburgh Symphony Orchestra, Roger G. Hall, Manager of the Philadelphia Orchestra, Donald Voorhees, Conductor of the

Bell Telephone Hour Orchestra, John R. Bullock, President of the Cincinnati Symphony Orchestra, and representatives of the Music Publishers Assn. and leading Performing Rights Societies and Artist Representatives. Fifteen of the country's leading first-chair major orchestras musicians, from the Chicago, Cincinnati, Cleveland, Philadelphia, Pittsburgh, St. Louis and New York Philharmonic orchestras

will be present to instruct orchestra players from all sections of the U.S. and Canada in a two-day Musicians Workshop held in conjunction with the convention June 15-16. The convention also embraces the 6th International Arts Council Conference and the 2nd Annual Metropolitan Orchestra Managers Conference. Sessions on such subjects as "Business and Industrial Support of the Arts," "Radio, Television and Symphony Orchestras," "School System and Symphony Orchestra Cooperation," "Legal Documents and Tax Responsibilities," "Arts and Cultural Centers," will be held in addition to many sessions of specifically musical interest.

Junior High Tennis IM's Successful

Thirty tennis enthusiasts participated in the 1960 Junior High School intramural tennis program. The program, supervised by Jim Stevens, junior high teacher, ran for six weeks during the spring.

Practice and instruction sessions were held twice a week at the courts behind the Senior High School. Players participating in the two-hour meets learned the basic tennis strokes and the rules governing the game. Both boys and girls entered in the program.

The automatic tennis ball throwing machine helped competition between players as they hit forehands, backhands, volleys and learned various methods of serving. The spring intramural program also included baseball.

Tennis Picture Looks Bright at PHS

SELECTED THE most valuable players on the Plymouth tennis team this season were Don Argo, left, and Larry Livingston, doubles partners. Before three years ago neither had played tennis.

Tennis has always been a "weak" sport for Plymouth High School, but if this year's team is any indication, the netters representing the Rocks in future seasons are sure to win their share of trophies.

Two graduating members of this year's tennis team are examples of what the future can hold. They are Don Argo and Larry Livingston, who have been playing in doubles matches together for the past three seasons.

During the 1959 season, they won 6 and lost 2. This year their record was 12 wins and 4 losses.

But the amazing part of the story is that they just

started playing tennis three years ago.

Don and Larry learned the game from Jim Stevens, who is still busy developing youngsters. He has formed a Junior Tennis Club that has some 80 members of Junior High age and under.

"We won't talk about our first season," Larry and Don declared. But they have nothing to be ashamed of during the past two years. They were selected by teammates as the most valuable players this year.

The PHS tennis squad finished third in the Suburban Six League this season, following Trenton and Allen Park who tied for first. The

season record was 8 wins and 5 losses.

The two youths praised both Stevens for his early efforts and their present coach, Jim Doyle, who lived up extra matches this year in which valuable experience was gained.

Next fall will find Don attending Western Michigan where he expects to try out for the tennis team. Larry will go to the University of Michigan where he may decide to try out if time permits. He expects competition to get a berth on the U-M team to be quite rough.

Recently the pair entered the All-City matches in Detroit where they reached the semi-finals in the regionals.

Watch For Car Trouble

By DAVID ALLEN

No matter how many persons drive the family car, it's the woman driver who usually is responsible for taking it to the service station. With all the driving and chauffeuring she does, it's only natural for her to stop and get gas, have the oil changed, or leave a tire to be fixed.

However, sometimes other things need to be checked and it's well to know enough about them so that she can talk to the service man intelligently.

One important service is checking the front wheel alignment. When it is noticeable that the front tires are wearing down unevenly, it may mean that the wheels are out of line. Proper alignment can add many more miles of wear to the tires.

Then again, the woman driver may notice a slight pull to one side when the brakes are applied. This condition may be traced to uneven tire pressure, worn brake linings or poor alignment. The service man must be told of the symptom so that he can correct it.

A hard riding car sometimes means that the springs or shock absorbers need adjusting or replacing. At least it's worth having them inspected to find out.

It is only the driver who notices all these faults and it is up to her to notify the service man so that he can check the car and make proper adjustments.

21 Earn Varsity Letters in Track.

Varsity track letters have been presented to 21 Plymouth High School boys with 38 others have won Junior Varsity letters.

Coach Keith Baughman also announced that Captain Don Williams was elected the most valuable member of the team and Dave Westover has been elected captain for next year.

The 28 Varsity letters were presented to:

Donald Williams, William Hall, Allen Davies, Bill Brown, Gary Hondorp, Lee Feldkamp, David Hauk, James Carney, David Westover, John Spigarelli.

Also, Gary Mirto, Byron Lattar, Richard Alsborg, Scott Soth, Tony Hunt, John Stephenson, Charles Bowers, David Fey, Daniel Stremick, Frank Eidson and Mark Fischer.

Junior Varsity letters went to:

Dale Gulbrandsen, James Cooper, Ralph Spigarelli, Rick Sweet, Philip West, Andy Krukutis, Don Cranston, Gary Clement, Donald Mcullen, Hugh Sarah, Larry Moore, Michael Kenyon, Kenneth Fischer, Gerald Fischer, Harold Fischer, James Hallock, George Schwein.

Also, Larry Rossow, Richard DeCener, Dale Hauk, Norman Fullerton, David Jaskierny, Robert Failing, William West, Bruce Austin, John Denny, James Steele, Robert Crosby, James Ayers, Bruce Mirto, Harlie Smith, James Walaskay, David Dunning, John McLaren, Jason White and James Thomas.

Manager awards were given Robert Loesch and Gary Gould.

All-Star Baseball Ends League Season

The 1960 season of Junior High intramural baseball closed June 8 with an all-star game. Approximately 80 boys participated in the entire program, which is scheduled to begin again next spring. The second intramural season will begin with football and girls' swimming when school resumes in the fall.

Winners of the all-star game were the Eighth Grade All-Stars with a score of 10-

4. Team members are Sandy Black, Jim Lambert, Caleb Luibrand, Paul Montry, Skip Otwell, Terry Clark, Larry L. Duty, Ralph Grady, Bob Powell, Larry Duty, Jim Edwards, Jerry Scott, Hal Smith, Pedro Villeneuve, Tom McGill and Cliff Burpo.

On the seventh grade all-star team were Jerry Collins, Lowell Thomas, Gary Grady, Ken Groom, Jim Lake, Don Cranford, Terry Cosgrove, Dave Wall, John Daniel, Bruce Vernon, Don Stamper, Ken McFarland, Bill Flippen, Bill Cummins, Al Roberts and Terry Cruce.

League play began late in April. Supervising the seventh grade league was junior high teacher, Bill Grimmer. Grimmer announced league standings at the end of the season as:

Batbusters 7-3-1
Eagles 4-4-3
All-stars 3-4-4
Dudes 3-6-2

Members of the winning team were Cap. Don Stamper, Bruce Vernon, Lowell Thomas, Bill Cummins, Gary Kubick, Vic Buttermore, Bill Ray, Dale Tonkivitch and Fred Boltrick.

In the eighth grade league, under the supervision of Heinz Ditmar, standings were:

Basehogs 8-2-2
Torpedoes 5-6-1
Fencebusters 4-5-3
Dodgers 4-8-0

Members of the winning team were Capt. Ralph Grady, Skip Otwell, Tom Chinasmith, Nelson Carter, Jim Edwards, Dick Bowman, Tom McGill, Chuck Ruge, Lon Hake, Jim Norman and Ron Fellows.

The entire program was comprised of three sets of seasonal sports — football, drawing over 95 young people and girls' swimming, with 20 girls participating, during the fall; basketball, with 75 in the sessions, and 25 boys attending the swimming program in the winter; spring with baseball and tennis.

Director of the program, Charles Ketterer, stated that over 300 students participated in the complete program.

Junior Golfers Begin Monday

The advanced division of the Plymouth Junior Golf Assn. will begin its season of league play Monday, June 20 at Hilltop Golf Course. Boys and girls planning to participate who have not registered may do so next Monday morning at 8 a.m. Mrs. Gene Light will have a table set up near the parking lot of the course.

At 8:30 a.m. the advanced golfers will begin their first week of match play. Those having previously registered will pay their greens fees and report to the starters at the first tee. Not more than one round can be played Mondays in order to have the course cleared in time for an afternoon men's league.

As in previous years, those players with a firm handicap will be required to play four Monday matches out of the seven to qualify for the tournament, Aug. 8 and 9.

Walkers may contact Mrs. William Otwell.

The Beginners' group will have their first lesson Friday at 8:30 a.m. Those who wish to play in this group but have not yet registered may do so at 8 a.m., Friday, June 24.

All players after registering and paying their greens fees of 75 cents will report to the first tee. Mrs. Howard Beck is assisting with this group. Walkers may contact her at GL 3-0138.

Leads College League Pitching

Leading the All-Interstate Conference in pitching this season was Ken Knipschild of Plymouth, a sophomore attending Central Michigan.

Ken topped the loop in earned run average with 1.73 in 41 2-3 innings of work. He completed a 4-1 record in conference play. He was one of 57 to receive varsity athletic awards at Central Michigan this month.

FORMER Plymouth High athletic star Ken Calhoun, now a junior at Eastern Illinois, helped his team win third place in league play this season. Ken, a shortstop, batted .232 and stole 13 bases to lead the team. Eastern had a 19-12 overall record.

THIS IS "Jetarama," a jet air fair that Plymouth residents will find at nearby Willow Run Airport this Sunday through Tuesday from 10 a.m. to 8 p.m. There is no admission charge.

Show Featuring New Jet Opens Sunday at Willow Run Airport

A chance for Plymouth people to get a close-up look at a new Douglas DC-8 Jet Mainliner will be offered three days next week.

"Jetarama," an elaborate jet air fair presented by United Air Lines, will introduce the DC-8 at a three-day showing starting at nearby Willow Run Airport Sunday, June 19.

Occupying more than 140,000 square feet of ramp area, Jetarama is the largest exhibit ever staged by an air transport company and the first to spotlight the nation's jet age.

Inside the three tents, United will present displays featuring jet planning, operations and service. Star of the show will be the \$5 million Douglas DC-8 surrounded by specially designed ground equipment.

The admission-free fair will be open to Detroit area residents Sunday, June 19, from 10 a.m. to 8 p.m. United will begin DC-8 service between Detroit and Los Angeles, June 22.

In the center tent, exhibits on jet crew training, flight operations, aircraft maintenance and communications will be featured. United's new \$16 million reservations system, the latest innovation in passenger express check-in facilities, and extensive weather and radar displays may also be viewed.

In the second tent, the J-75 jet engine, the latest type used to power the DC-8, and mockups of the thrust brake, sound suppressor, electrical equipment and landing gear are featured.

In the third tent will be a full scale mockup of a DC-8 cabin section plus exhibits of the tub-shaped baggage containers specially developed for automatic on-and-off loading.

Jetarama, requiring more than two years of preparation and six months of construction, has played to more than 500,000 guests in seven United cities across the country. The entire production, including a staff of 40, moves from city to city in United DC-6A Cargoliners.

Day Camp Begins Monday, June 20

The annual Plymouth-Northville Girl Scout Day Camp will begin Monday, June 20 with a 9 a.m. to 3 p.m. session. Indian Lore is the camp's theme.

In daily meetings, beginning at 9, girls will learn various sports and handicrafts. Skip Rambo of Plymouth and several assistants will teach archery to senior and intermediate scouts. Badminton, croquet, rubber horses, and baseball will be included on the schedule.

Chairman of the handicraft unit will be Mrs. Conley of Northville, assisted by Mrs. Rae Deibert also of Northville.

Friday, June 24, the last day of camp, will be visitors' day. Contests in the various sports are planned, with winners receiving prizes contributed by Plymouth and Northville merchants.

Parents and guests will be permitted to visit camp from 1 to 3 p.m.

The girls who are registered will meet at the flagpole on Scout Hill at Edward Hines Park in Plymouth. At 9 a.m., the girls are to be assembled and are to bring a nosebag lunch and raincoat. The parents of the girls may sign them out at 3 p.m.

More helpers are needed in the camp. Senior girl scouts and any other interested people may contribute time and have some fun by calling Mrs. Fred Sterner Jr., at FI 9-3679.

Social Security Office Answers Some Questions

For the benefit of readers of the Plymouth Mail, Harry Baltuck, manager of the Detroit-Northwest social security office, answers some of the questions most frequently asked about social security.

Q. I have a cleaning woman who comes to me just one day a week. I pay her \$7 plus carfare and also provide her lunch. Should I be reporting her wages for social security?

A. Yes. If she works for you every week, her cash wages over a three-month period will amount to more than \$50. Any household worker who is paid \$50 or more in cash wages by any one employer during a calendar quarter of the year is covered by social security. The employer is required by law to file a return, reporting the amount of wages paid to the employee, and to pay the social security taxes due on those wages. If you give her cash for her carfare, it counts as part of her cash wages. Bus tickets do not count, nor does the lunch you serve her. These returns, form 942, should be sent to the District Director of Internal Revenue.

Q. Just how disabled do you have to be to qualify for social security disability benefits at age 50?

A. The law defines disability as an inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or to be of long-continued and indefinite duration. You should contact the social security office for more details.

Q. I have been drawing social security retirement benefits for a number of years. Recently a friend of mine has told me that my benefits would soon be exhausted. Is this true? I am dependent upon my benefits for my livelihood.

A. No. Your benefits do not have a time limit on them nor are they ever exhausted. Your friend just slipped you some misinformation. You need have no worry that your social security payments will run out.

Q. I have been drawing social security benefits for my minor son who will be 18 years of age this coming November. Since he will still be in high school at that time, will his benefits be continued until he graduates in 1960?

A. No. There is no provision to pay benefits to children past 18 except disabled children whose disability began before 18. Therefore, benefits will cease when your son attains 18. Actually your son's last payment will be for October because benefits end with the month before the month of attaining 18.

Q. I have been unemployed for almost two years, yet I am only 63 years of age. Some friends have told me I should freeze my social security record, telling me that I will lose out on my benefits if I do not.

A. Sorry. You cannot freeze your earnings record because you are unemployed. Social security earnings can be frozen only when the worker is totally disabled. However, every worker has up to five years of little or no earnings dropped when his benefit is figured. In your case, this drop-out covers the years of unemployment. If therefore, you had steady work under social security from 1950 on up to the time you reached age 60, the years since then will not be counted against you.

Elect JA Officials At Annual Meeting

Elected as officials of Junior Achievement were two area men: H. John Lowery of Livonia, who is president of the Michigan Mutual Liability company, was elected to the office of vice-president. Plymouth resident, Frederick A. Vollbrecht, who is one of JA's original promoters, regained his title as chairman of the board in southeastern Michigan.

At the organization's eleventh annual corporation meeting held at Junior Achievement headquarters in Detroit, fifty five top industrialists and business executives were elected to the board of directors. An additional forty four business leaders were elected to JA's Advisory Council for the coming year.

Seven top officers were voted into office at the annual meeting.

Succeeding James M. Roche, General Motors vice president in charge of distribution, as president of Junior Achievement of Southwestern Michigan is John E. Brennan, a Chrysler vice president and director of corporate manufacturing and services.

Some thirty five hundred subscribers to Junior Achievement were eligible to vote by proxy or in person as members of the JA corporation.

The outgoing president of Junior Achievement Jim Roche said at the meeting that this year "more Achievers were graduated into the community than the combined graduating classes of Michigan's four largest universities."

Some seven thousand five hundred high school students were active Junior Achievement members this year, Roche added.

In citing the high esteem in which JA is held by all segments of the community, Roche said that more money was raised during the organization's fund campaign in February than at any time in its eleven year history here.

With a goal of \$240,000, the organization actually raised \$255,838.

Twin Bill At DRC Saturday

A thoroughbred racing doubleheader?

The Detroit Race Course has scheduled a twin bill for Saturday (June 18) with the Windsor Handicap and Bully Boy Handicap topping the program.

The Windsor Handicap will bring together the finest three-year-olds on the grounds. They will travel six furlongs in the \$5,000 event. Heading the field are Rex Ellsworth's Prove It and C. W. Smith's Hillbrook.

Prove It has been a sensation while winning three straight races, two of them at the DRC. John Burton, the veteran West Coast jockey, will be up on Prove It in the Windsor 'Cap.

Hillbrook, a half sister to the great Hillsdale, has one victory to her credit at the DRC and has finished third to Prove It.

Another Ellsworth campaigner tops the list for the \$7,500 Bully Boy, another six-furlong test. This time it's Going South, a five-year-old mare. Going South and Burton teamed last week to crack a track record. The speedy daughter of Khaled covered 5 1/2 furlongs in 1:04, knocking three-fifths of a second off the mark set in 1958 by Skeno.

Shan Pac, another track record setter, has been shipped from Chicago for the Bully Boy by owner T. A. Grissom. Shan Pac set the local six-furlong mark of 1:09 2-5 in 1957.

Mrs. Jay Smith's Jesters, winner of the DRC's Inaugural Handicap, is another standout in the field of three-year-olds and up.

Racing at the DRC, located at Schoolcraft and Middlebelt Roads in Livonia, starts at 2 p.m. on Saturdays and Holidays and 3:30 p.m. weekdays.

LANSING Observer

(Editor's Note: The author of this column is employed to write it by the Republican Party.)

By FRANK G. MORRIS

Two big newspaper stories out of the Michigan AFL-CIO convention in Grand Rapids last week were delightful examples of how union magicians set the stage for fake illusions.

The first was related in headlines informing state and nation that Walter Reuther, president of the UAW, was "shocked" by Gov. Williams' endorsement of Senator Kennedy for the Democratic presidential nomination.

The second was a pious decision to give Gus Scholle \$108,000 for political activity on behalf of the Democratic Party. Scholle is the veteran president of the Michigan AFL-CIO Council, a one-man operation. The implication was that poor Gus has been struggling for the last 15 years on peanuts.

Michigan has witnessed many political shams in the last decade. But these are prize-winners that should earn for Democratic State Chairman a special award — such as a solid gold crocodile tear.

Let's first consider Scholle and his special fund of \$108,000 to be stacked on his desk each year by assessing every AFL-CIO member one and a half cents a month. That's only 18 cents a year per unionist, but the convention delegates argued for more than an hour before voting to grant Gus' request.

When an organization like the union has 600,000 members in Michigan, however, this 18 cents a year can produce a splendid harvest.

Not one newspaper writer covering the convention mentioned that Scholle has been receiving \$43,200 annually for political purposes, on the basis of the present shrinking membership, and now will have \$540,000.

Not one reporter mentioned that Gus spends nearly all of this money to help the Democratic Party and to lobby for the CIO in Lansing.

Not one story mentioned that UAW, at present membership level, earmarks \$6,600,000 a year for political activity — a sum that makes Scholle's loot appear to be piddling stinginess.

The masterful stagecraft in Grand Rapids made it appear that starving Gus needs \$108,000 this year to get Democrats to the polls because the Republican Party is struggling to raise \$1,200,000 in Michigan for the national and local candidates.

The one purpose of Gus' office is to aid the Democratic Party and get pro-labor legislation on the books. He does not negotiate contracts. He has nothing to do with strikes. He is the union's political arm, and nothing else.

So anyone taking a clear look at the resources of the Democratic Party will find that the UAW has \$6,600,000 to spend on politics (it's called the "Citizenship Fund") and Scholle has an additional \$540,000.

No wonder some Republican legislators have discovered that their Democratic opponents this year will have newspaper advertising and posters, television and radio time, sound trucks and professional campaign directors all worth as much as \$30,000 or more in a single legislative district.

Congressman Alvin M. Bentley, candidate for the GOP nomination for U. S. Senator, charged that the UAW long ago promised to deliver Michigan's delegation to the Democratic National Convention to Senator Kennedy. In return, the McClellan committee laid off the union.

Williams replied indignantly that he had not talked to Reuther about his decision to support Kennedy.

The Governor is a truthful politician.

Scholle, whose office is across from the capitol in Lansing, is the negotiator between Williams and Reuther. Only on inauguration day, and not always on those, is Reuther seen in Lansing.

Because Gov. Williams' close tie with the UAW will handicap his campaign for the nomination for Vice President, Reuther is making another effort to impress the nation that the Governor is independent.

But in Los Angeles next month Reuther and all of his delegates will be solidly back of the Senator from Massachusetts.

Colors For Home Dominate, Accent

CHICAGO (UPI) — The choice of colors for the home is a science as well as an art.

Here are some of the principles, compiled by the decorating staff of a national chain of stores.

Pale colors, which make rooms seem bigger, also carry the eye into the distance and draw attention to the outdoors in rooms with a view.

Strong, bold colors, which

make rooms look smaller, can also be used on the 12-foot high ceilings of older homes to make them appear lower.

One dominant color is enough for any room. Other colors should complement or accent the dominant color rather than compete with it. The dominant color can be varied by using different shades and tints of it, as in a dark green rug, pale green

walls and slightly deeper green draperies.

Colors in the red and yellow families lend warmth and should be used in at least one major area of any room with windows facing north, east or northeast.

Blues and greens are cool colors which look most effective in rooms with windows facing south, west or southwest.

When choosing wall or drapery colors, look at a big

sample because the color will appear more intense over a wide area. For example, bright orange or red, dramatic in small doses, can be overwhelming in big-room helpings.

For walls, it's a good rule of thumb to pin up a big sample of a color, study it from across the room under a daylight and then by lamplight.

Only a room 12 x 18 feet or more is large enough to accommodate two or three

major colors, and then only one dominant one. Smaller rooms rarely can take more than two major colors, or two shades of one color.

The same rule holds for bright patterns. Only a large room is suitable for a bold York theater. Shows on tour, summer theaters, and the off-Broadway theaters were not affected by the Actors' strike. Seems strange that the Union wouldn't

strike the entire industry. Luckily the powers-that-be didn't. Our local season of fine plays out at Northland Playhouse could have disappeared into thin air had the Actors' Union wanted to be rough enough. Regardless of the outcome of the Actors' strike on Broadway, "Redhead" will continue its run this week. And next week Vivian Vance comes to Detroit in "There Goes the

Miss Vance was on the tube last week with Jack Paar. Yes, Jack stopped in one evening last week to see how his midnight program was going. He's away so much these days that an occasional viewer often wonders if he is a guest panelist or merely an imposter that goes by the name of Paar. I'm inclined to favor the latter opinion. I've never felt that Jack was for real. In fact, I believe his many, many vacations from the program are carefully planned to build up his tear-stained personality.

Vivian Vance of "I Love Lucy" fame is coming to Northland Playhouse next Monday in a play that was known a few years back as "Here Today." Belongs to the Plymouth Theater Guild players had the show on their schedule some eight or nine seasons ago. Might be fun for all the members of that Plymouth cast to roll over to Northland to see what Vivian and her cohorts do to this happy-type comedy.

The Vanguard Theater on 58 E. Columbia Ave. in downtown Detroit, home of legitimate theater the year-round, has communicated with me and assured me that the strike will not affect their Actors' Equity company. So "The Boy Friend," their current musical bit of madness, will cavort crazily all summer. Went down to see the opening of "The Boy Friend" last week. I'll report my findings in next week's column.

Of course, the people of New York City have the movies and TV to consider for entertainment. During the summer months the fare on TV becomes rather light and has a recurring flavor from the many re-runs. Too bad, our TV producers can't get brave and do some experimenting in the summertime. Old George will circle one area that the TV boys are doing something about during these air-conditioning days—all networks are working the "mystery story" side of the street. The pitch must be that the chills from the eerie tales are quite appropriate and welcome when the temperature shoots up to 90.

Movies are still your best bet for entertainment during these days that call for fun and relaxation. Take the family out to a drive-in movie. Although I can't stand the long 4 to 5 hour programming they do, your "kids" might want to make a night and a half of it. Again, the park you that would better pack a picnic lunch, stock up on jugs of water, and a safety light or two, handy to use as a beacon to lead Junior back to the car after one of his many trips to the Restless Rooms. How well I remember the few times we chanced a movie under the stars with our bawling brood.

First... I thought it would save money to pop up my own king-size bag of popcorn. Took me an hour to do it, the twenty-pound sack, salt it, and spray it down with Land O' Lakes Butter (Send stamps... money is worthless). We chilled up several cans of soda pop, the canned version had just been introduced locally and loaded our family in the car for a pleasant evening at the movies. Well, it turned out anything but.

An argument ensued soon after we took our place in the serried ranks of the drive-in embankment. Who would have the front seat? Mom and Dad led the verbal battle by indicating they enjoyed watching from the rear. Cartoons weren't over when eager hands started foraging for food. Popcorn, in the form of flying kernels, soon almost obscured the large screen, was passed from bag to mouth and back again. Next, the soda pop had to be opened. The jiggling of the car had prepared the soda pop in such a manner that was a total surprise to all of us. Helpful Dad leaned over with his opener and punctured a can of the pop. Pop, fizz, kersplash... in the soda pop exploded in a sizzling stream that sent all of us scurrying for cover. My oldest boy had presence of mind to cover the spouting carbonated Vesuvius long enough for us to mop up temporarily. But not for long. Another one of our more adventurous children had enjoyed the fruit-flavored show so much that she went ahead with a second can. Result: total black-out from the inside of our windshield...

rootbeer and accumulated dust made an opaque screen that not even Walt Disney could pierce. I wonder what movie was playing that night. As I recall we left quickly, put our "monsters" to bed, and watched the late, late movie.

All that happened several seasons ago. Speaking of seasons reminds me the Nankin Mills Players will be putting on a show entitled "The Fifth Season." They do their plays at the Nankin Mills Elementary School on Ann Arbor Trail... just past the Farmington Rd. Plan to go over that way on June 24 or 25 to see a new group, two years old, do a show that's a scream. I chuckled all through the show twice and I believe I'm going to rush over and view it again. Besides the money that the Nankin Mills Players raise goes for a very worthy cause—college scholarships.

Mrs. Yuchas presented the first scholarship to Betty Lou Weeder of 3222 Joy, Livonia. Betty graduates from Livonia Bentley and plans to be a teacher. Wouldn't it be ironic if she completed her college training and had charge of dramatics in her first teaching assignment?

Time to close off the light for another week. I'm not turning them off as the Actors' Equity—unlike the typewriter-punchers' union provides us with so many benefits that it would be pointless to strike. Besides, how could I ever saw up the time-lock that the boss has on the chain that links me so romantically to my sweat-stained desk?

Strawberries Are Ripe

BY ROSELLA M. BANNISTER
Wayne County Extension Agent, Home Economics

June is busting out all over with delicious Michigan strawberries. Strawberry season has a way of slipping by in a hurry, so now is the time to eat them, freeze them, and make preserves.

Be choosy when you buy strawberries. Select solid red berries, free from bruises and decay. Avoid moist berries, berries without caps, stained containers and all signs of mishandling or spoilage.

Size is not a good sign of quality. Flavor depends on ripeness and variety, not size. You'll actually get more strawberries by weight if you choose medium berries rather than large.

Isn't it nice that strawberries taste so good and they are so good for us! They are a wonderful source of Vitamin C. One cup of strawberries contains almost all of our daily requirement for Vitamin C.

Strawberry Jam for the bride. The June bride will appreciate an extra gift from you—a pretty glass of strawberry jam. Here is a recipe for strawberry jam using liquid pectin. This method makes jam which has more of the fresh strawberry color and flavor than regular jam.

STRAWBERRY JAM
4 cups crushed strawberries, fully ripe
7 cups granulated sugar
1/2 bottle liquid pectin
Measure crushed berries into kettle, add sugar and stir well. Bring mixture to a full boil and cook for one minute, stirring constantly. Remove jam from heat, add pectin, and alternately skim and stir jam for 5 minutes. Ladle jam into hot contain-

ers. Cover immediately with 1/4 inch layer of hot paraffin. Makes ten, six-ounce glasses.

Strawberry Preserves for Christmas. It's fun to play Santa with a gift of strawberry preserves from your kitchen at Christmas time. Here's my recipe for strawberry preserves.

STRAWBERRY PRESERVES
6 cups washed, stemmed strawberries
4 1/2 cups sugar
Combine fruit and sugar in alternate layers and let stand for 8 hours or overnight in the refrigerator. Heat the fruit mixture to boiling, stirring gently. Boil fruit rapidly for 15 to 20 minutes, stirring occasionally. Remove preserves from heat and skim. Ladle at once into hot jars, and seal immediately. Makes about 4 half-pint jars.

Strawberries Freeze Well Too. Next winter you can enjoy frozen strawberries in shortcakes, on ice cream, in salads, or plain with sugar and cream. Use thawed berries just before the last ice crystals have melted.

TO FREEZE STRAWBERRIES
Combine 1 cup sugar with each 4 cups of washed, stemmed strawberries. Pack in moisture-proof, air-tight containers. You may pack them whole, sliced or crushed.

For more information, Two free Michigan State University booklets on freezing and making preserves are available on request. Write for "Freezing Foods" or "How to Make Jams, Jellies and Preserves." Write to Rosella Bannister, c/o Plymouth Mail, Plymouth, Mich.

Swimming, Wading Pool Tips

Swimming and wading pools should have special attention to make them safe for use by children or adults, Dr. Joseph G. Molner, City-County Health Commissioner, states. Certain important precautions are needed to keep them from becoming accident hazards or to prevent them from becoming a means for spreading infection.

For many years sanitary regulations have made it mandatory for public swimming pools in Detroit to have the water treated by controlled filtration and also to have it chlorinated. The water in these public pools is kept in satisfactory condition by being recirculated, filtered and chlorinated continuously while in use. Personal cleanliness is required of the users of public pools. Sanitation and operation are checked frequently by the Department of Health.

Proper care of private swimming pools require measures quite like those practiced at public pools which are carefully engineered, operated and supervised to keep health and accident hazards at a minimum. Private and family swimming pools should be equipped with a filter and a pump which have enough capacity to recirculate the water every 12 hours. In addition water should be disinfected with chlorine or some other suitable chemical. A fenced in area or yard is a must for safety around every swimming pool.

Usually it is impractical to provide similar equipment for a wading pool. The best compromise which will reduce the chance of infection is to change the water often enough to keep it clean in appearance and to add chlorine or other disinfectant before and during use.

In hot weather a shower spray from a hose helps to keep children cool and this water is always fresh.

The following hints on the care of small pools should be followed in order to reduce the chance of accidents or the spread of infection.

1. Keep in mind that the person maintaining the pool has a legal liability as well as moral responsibility for its condition and safety.
2. Do not permit too many people in the pool.
3. The use of the pool should be restricted, if possible, to members of one family. If playmates are allowed to share it, make certain that they are in good health.
4. Any pool over 12 inches deep is a potential drowning hazard and should be maintained only in a completely fenced area.
5. Make sure that water in the pool is clean. Dirt in the water prevents disinfectants from reaching the bacteria to destroy them.
6. Make sure only clean clothing is worn by the users of the pool.
7. Rinsing the feet before entering the pool is a valuable precaution.

"Evershine" leather
world's first leather with a "built-in" shine

Jarman

Here's the simplest way ever of keeping your shoes looking their best. This Jarman style is handsomely fashioned of "Evershine," a revolutionary new leather which retains its shine and repels dust and dirt and moisture. And when "Evershine" finally does get dirty, all you do is buff briefly with a soft dry cloth to clean it up and restore the lustrous shine. Think of the time and trouble you save! Come in and let us demonstrate.

STRAWBERRY-LEMON SHORTCAKE PIE

3/4 cup cream or 1/2 cup milk plus 1/4 cup butter, melted
Grated rind of one lemon
2 cups biscuit mix
2 tsp. sugar, if desired

Add cream, lemon rind to biscuit mix. Add sugar. Mix thoroughly with fork. Keep dough soft; if too sticky, add more mix. Spread in greased 9" pie pan spreading to the edges. Bake about 15 min., at 450 degrees. Turn out of pan onto serving plate, crusty side up. Top with sweetened strawberries to which 1 tsp. lemon juice has been added. Top with whipped cream on outer edges only.

A SALE WITH A REASON — NOT JUST AN EXCUSE — DON'T MISS IT
Due to the death of Mr. Irving E. Blunk and the retirement of other key members of BLUNK'S INC. and other personnel changes, the decision has been made to liquidate — sell out all furniture and bedding to the public at these unusual price reductions. DRASTIC MEASURES HAVE BEEN TAKEN TO CLOSE OUT THESE STOCKS TO THE BARE WALLS. When reorganization plans are completed certain present members of the organization, plus the possible addition of new members will take over the new management. They will have free rein to replenish — restock in the manner that the demands indicate. The response to this ABSOLUTE CLOSE OUT SALE so far has been tremendous — we just could not take care of the huge crowds of people who came in. We have made extra arrangements to cope with this condition for the balance of the sale, and to those of you who were not properly taken care of, let us assure you that we will do so now. Mr. I. E. Blunk passed away this past week, and we closed the store all day Friday, June 10th. If this has inconvenienced you we are sorry. Please accept our regrets. AS QUICKLY AS POSSIBLE WE ARE BRINGING OUR WAREHOUSE STOCKS TO OUR SELLING FLOORS. NEW BARGAINS WILL BE READY FOR YOU TONIGHT WHEN THE DOORS OPEN AT 6 O'CLOCK.

TERMS OF SALE
• Orders of \$125 or Less — Cash Only. Exception: Established Accounts. 50% Down — Balance 30 days.

Father's Day Officially 50 Years Old This Year

Father's Day may be officially 50 years old this year, but tributes to Dad are an ancient tradition. Probably the oldest is a clay tablet written by Elmesu, a Babylonian, about 2000 years before Christ. It implores the gods to grant his father good health and "enduring days" — wishes which are echoed in a thousand different ways on this year's affectionate Father's Day greeting cards.

A light-hearted tribute to the family's "forgotten man" is this one from one publisher: "Happy Father's Day from your favorite Dish ... Washer!"

Several of the "off-beat" studio type cards depict Dad as he really is:

"To Dad who is always calm, cool and ... collected from!"

And, "To good ol' Pop ... Happy Pauper's Day!"

Dad may be King in America (well for one day, anyway) but in some parts of the world, he could stand a little recognition.

On Palau Island in the South Seas, for example, the ruling matriarch can have any male executed if he even disturbs her contemplation.

And near Sumatra, Dad has to go live with his wife's family; children take their mother's name—and only daughters inherit property.

In India, Dad's in even worse shape. If he goes into debt, Mother can sell him into slavery to pay off his creditors. And in the African Sudan, Mother may return to

her parents after bearing five children—leaving Father to look after the little ones. Fathers were, not always low men on the totem pole, though.

Back in Ancient Greece, an annual festival honored Zeus, father of the gods. Zeus was also patron of human fathers, and dutiful sons gave their Dads the traditional gift—a cluster of ripe grapes.

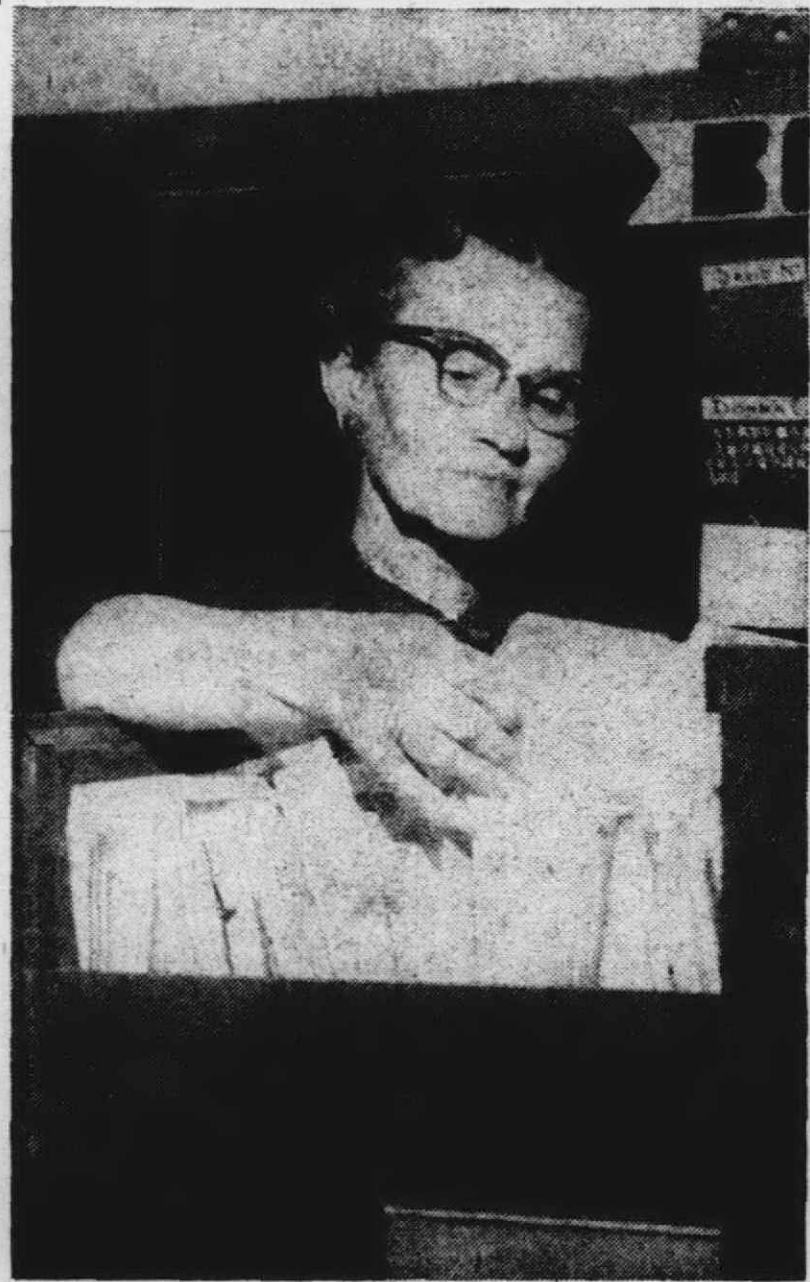

Probably the champion father of all time was Emperor Mulai Ismail of Morocco, who died in 1727 at the age of 81, leaving 548 sons and 340 daughters. He had 300 wives and 700 concubines.

The setting apart of a day on which to honor fathers by special services in churches and in other ways, originated independently in different parts of the country and in different years. Different days were chosen before there came to be a general agreement on the third Sunday in June.

The credit for making the first suggestion of a Father's Day belongs to Mrs. John Bruce Dodd of Spokane, Washington. The idea came to Mrs. Dodd in 1909 as a suitable tribute to her own father who had successfully reared a family of children after the death of their mother.

Mrs. Dodd took her plan to a preacher. A resolution was drawn up a year later and on June 10, 1910, the first known Father's Day was observed in Spokane, sponsored by the Spokane Ministerial Assn. and the Y.M.C.A.

Who's Who in the Plymouth Community Schools

FLORENCE M. LEYANNA

Retiring this June after 37 years in the teaching profession, Mrs. Florence Leyanna has been a third grade teacher at the Smith Elementary School for the past seven years.

She was born in Leslie, Mich., and graduated from Lansing Central High School. She attended the Chicago Art Institute, the Boothbay Harbor Studio of Art in Maine and received her Bachelor of Science degree from Eastern Michigan University.

Mrs. Leyanna has taught in the rural schools of Clinton County, Mich., in the Detroit Public Schools and in Lansing, Mich. For 19 years she was on the art staff of the Dearborn School District as both a teacher and Supervisor. In addition she taught Adult Education Art classes for a number of years in both Lansing and Dearborn. Following World War II she conducted art classes twice a week at Percy Jones Army Hospital in Battle Creek.

Mrs. Leyanna is a member of the Plymouth Education Association, the Michigan Education Association, and the National Education Association. She has served two terms on the Executive Board of the Plymouth Education Association.

The Leyannas live on Caster St. in Plymouth during the time school is in session. During vacations and weekends they are at home on their small farm six miles north of Lansing.

Mr. Leyanna, a graduate of

Attend NEA Convention

Named as delegates to the 9th annual convention of the National Education Assn. to be held in the Shrine Auditorium, Los Angeles, June 26 to July 1 were four Plymouth residents.

John N. Donegan of 674 Arthur, John J. Ort of 11705 Brownell, Charles J. Zoet of 380 W. Liberty, and Phillip A. Johnson of 235 Adams are Plymouthites who will be among the 20,000 educators from all over the country. Keynote speakers will be NBC news commentator Pauline Frederick and Senators Hubert H. Humphrey of Minnesota and John Sherman Cooper of Kentucky.

Highlighting the six-day program will be Classroom Teacher Night which will feature a banquet for some 3,000 classroom teachers in the Paladium and a concert, "Starlight Symphony," by the Los Angeles Symphony Orchestra in the Hollywood Bowl.

Other major events will include the Presidents' reception, the Public Affairs and Notables dinners and Friendship Night.

Some 200 delegates from Michigan will be active participants in the general and business sessions, department meetings and group discussions. They will also attend a state delegation meeting and a state breakfast in the Statler Hilton Hotel, June 29, at 7:30 a.m.

Vital areas for discussion will include such topics as: new frontiers of elementary, secondary and higher education; exceptional children; biological sciences; industry in education; local associations; and instructional

programs in the public schools.

Representing the staff of the Michigan Education Assn. will be Dr. E. Dale Kennedy, executive secretary; Dr. Fred J. Vescolani, associate professor of education, Michigan State University, department coordinator and director of regional conferences; Jack M. White, director of public relations; and Arthur Rice, Jr., editor of the ME Journal. Los Angeles headquarters for the Michigan delegation will be the Biltmore Hotel.

Rebekah News

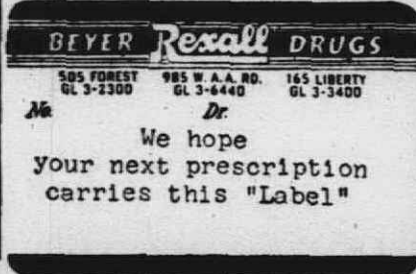

We were honored to have so many members at our memorial services, Sunday, June 12. Our next meeting is Friday, June 24, which also is visitation. Bessemer Lodge No. 182 will present the emblem to our Noble Grand.

We are grieved beyond words at the passing of our beloved sister, Mable Mott. Our heartfelt sympathy goes to the family.

The best of wishes to Sister Carter who re-entered University Hospital.

Our sympathy to Sister Evelyn Stabile in the passing of her uncle.

Hope to see you at the meeting June 24. Bring a member with you.

Grange Cleanings

Regular business meeting of the Grange will be held tomorrow evening, June 16 at 8 p.m.

Sister Louise Hutton, Mille Rienas, Louise Tritton, Isabelle Taylor and Mary Fillmore were in East Lansing last Tuesday for the judging of the dresses and a award given in the National Sewing Contest, the luncheon and Office.

Do not forget, there is to be a public social at the Grange Hall this Friday evening, June 17. Ice cream with fresh strawberries, cake and coffee or tea will be served from 5:30 to 9:30 p.m.

We regret the passing of Sister Mable Mott. Also, Irving Blunk, brother of Brother Arthur Blunk. Our sympathy is extended to the families.

Jerry Seibert Says...

Hints for the Shutterbug

By William H. Schleisner
 Imperfections in negatives can be so ruinous that a photographer won't even show the pictures to friends. The three causes of spots on negatives are the developing process, poor drying or storage. All can be prevented.
 If negatives aren't submerged in water, the emulsion does not accept the developer evenly. Areas where the developer doesn't penetrate as rapidly will show as lighter spots.
 Washing negatives in water first makes them more receptive to the developer and usually leads to a spotless negative. To be sure of this, bang the negative against the side of the developing tray to knock off any air bubbles that might still be present.
 Spots that result from poor drying are irregular and usually only an outline. They are noticeable when negatives are collected after drying. Usually they are on the reverse side.
 At present, I am using the method of submerging negatives in foto-flo. The bottle states the amount to use (it does not pay to try to save this material). If all the directions are followed, fine clean negatives will result.
 The second safe method of drying negatives is to put each film, one after another, on a piece of plate glass. Then dry the reverse side of the negative with a viscose sponge, turn the film over and wipe off the other side.

SUMMER BEAUTY TIPS
 As always Fashion's favorite summer look is a glowing, golden sun-tanned look. But this year (department of isn't science wonderful!) a tan doesn't require lavish leisure, nor a burn-proof complexion. Tans, any shade from delicate ivory to deep burnished brown, come straight from a bottle and don't require even a glimmer of sun.
 Positan, an amazing new sun tan lotion, produces this

minor miracle. To develop a golden glow in a matter of hours, simply smooth it on. The more applications, the deeper the tan. It is a "real" tan, not a stain, color or make-up. It will not rub or wash off, but fades gradually, as any tan does.
 Drug Research Corp., makers of Positan, say its remarkable tanning action is due to "Protosol," which produces a tan color when combined with the top layer of skin and the oxygen in the air—much as the proteins and sugars in a sliced apple oxidize and turn brown. They also say this action takes place in the top layer of skin only, and that their product is completely non-penetrating, and not absorbed by the body in any way.
 Positan is ideal for tan touch-ups: lighter spots left by bathing suit straps, wrist watch and sandals, and that ugly, pasty-white pallor of legs and thighs making a first appearance in shorts and bathing suits.
 Redheads and others with tender skin, who hate being "palefaces," but fear the sun, can bronze beautifully while safely in the shade.
 It was bound to happen! The 1960 rage-for-beige and the whole tan and brown color range, has inspired striking, beige-tinted lipsticks. Max Factor is pioneering this new color concept with two provocative, never-before shades in what he calls "Cool Coffee Colors." Coffee Toffee is a tawny orange tone. Cafe Frappe is a coffee-creamed, mocha-pink. Both are meant to complement and glamorize this season's popular fabric col-

ors and every shade of suntan. Both are fun, under the summer sun.
 If you are going to be caught up in the 'big boating boom, choosing the right make-up to wear aboard can be almost as important as choosing the right gear.
 To create an extra smooth complexion look, for a striking summertime effect, give your make-up a simple sheen finish. Apply a compact eye make-up, using foundation and face powder. Brush off all excess powder. Then dampen a silk sponge with skin freshener or astringent and gently pat your nose, cheeks, forehead and chin area. Let it dry naturally without blotting, and your complexion will have a delicate sheen.
 Pastel shades of lipstick (or the new, Cool Coffee Colors) will make your suntan look darker. But don't wear pastels with a white over-cast. Their look of blanched color is cruelly unflattering to anyone five minutes past twenty. Use iridescent tints for paler colors instead.
 If you dine under artificial lights aboard your craft, don't wear lipstick with blue undertones. When you are surrounded by blue waters, blue-red lips will seem to turn purple.
 A deodorant cologne is as important to a man as its feminine counterpart is to a woman. (Make sure it's a strictly masculine scent.) Beside actually clenching his social security, it will give him the added assurance of knowing that his good grooming is secure.

Power of Advertising

As a young man, George Romney, now one of our best known industrialists, went from Utah to Washington, D.C., to seek his fortune. What happened is told in a Harper's book, "The Story of George Romney" by Tom Mahoney which is being hailed by reviewers as one of the best recent business biographies.

One morning, George noticed a male-help wanted advertisement in a newspaper. It simply said "stenographer" at a room in the Senate Office Building. Out of a hundred candidates, he landed the job working for the late Senator David L. Walsh of Massachusetts. This started a career which a few years ago made him head of American Motors Corp.

With such an incident in his background, it is natural for George Romney to be interested in newspaper advertising. In fact, he is so interested that his company spends a larger share of its advertising money in newspapers than any other automobile manufacturer. As those who follow the financial pages know, the results have been very happy for him.

"The outstanding success story—

in fact the only automotive success story of 1958—was that of American Motors," noted Editor & Publisher, the trade magazine. It spent about \$4,300,000, more than two-thirds of its advertising budget in newspapers. The company was the only one with greater sales than the previous year and had profits of \$26,000,000.

Last year Romney's company spent \$8,507,433 in newspapers, virtually double the year before, and had profits of \$60,000,000. In the compact car field, where it was once alone, his company now has a host of competitors. But it is still putting the bulk of its advertising in newspapers and in April had a greater share of the greatly expanded 1960 compact market than any other company!

"This is not surprising. When we seek something as vital as a job or want to make a purchase as important as an automobile, it is only natural that we turn to our newspaper where the essential information is recorded in black and white and usually with a local address at which we can do business.

Judge Cracks Down on Juvenile

Judge James H. Lincoln, recently appointed to head the Wayne County Juvenile Court, cracked down on gangs in the Wyandotte area because of beating, intimidating and threats against witnesses who have appeared in cases involving hoodlums in the Wyandotte area.

Judge Lincoln said: "I will, without hesitation, commit these hoodlums to Boys Vocational School until they are 19 years of age or waive them to Circuit Court with a view to sending them to Jackson Prison."

Judge Lincoln's crack-down came after testimony from a number of witnesses involved in holdups, breaking and entering and a case involving illegal possession of a gun, clearly showed that a juvenile from Wyandotte had repeatedly escaped punishment and rehabilitation by beating and threatening

witnesses. Judge Lincoln is sending the Wyandotte juvenile to the Boys Vocational School in Lansing until he is 19 years of age and the Judge directed that a copy of the Order be sent to the United States Bureau of Immigration and Naturalization and requested that the juvenile be deported if at any time he got into any further difficulty whatsoever. The juvenile involved is not a citizen.

"The real tragedy of this case," Judge Lincoln said, "is that this juvenile has repeatedly been able to go free because he and his gang have beaten and intimidated witnesses so that they have changed their testimony when they were brought before this Court."

The mothers of witnesses before the Court today, expressed great fear because their sons had testified. One stated she feared to have her son go

to school because of fear of reprisals from juvenile hoodlum gangsters.

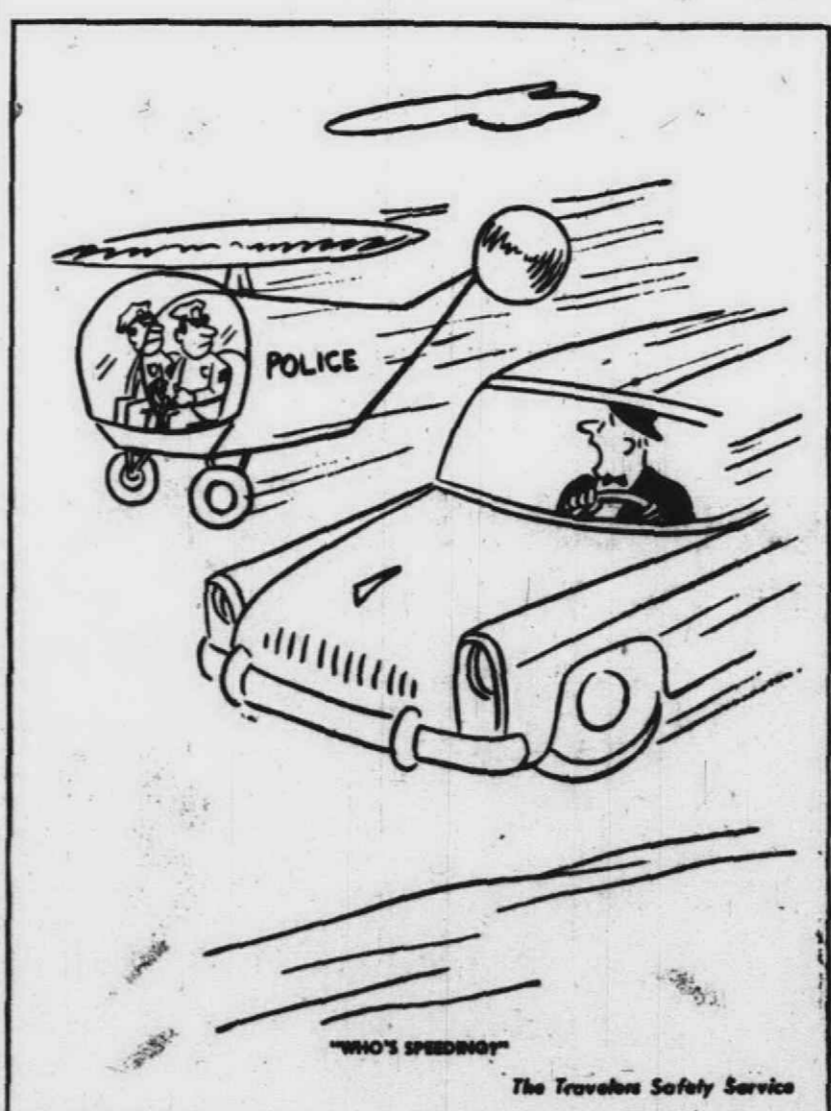

It was then that Judge Lincoln stated he considered the beating and intimidation of witnesses a vicious crime and that he intended to stop this sort of thing in Wayne County by putting the juvenile violators of the law where they belong, "just bring these hoodlums before me." Judge Lincoln told Detective Sergeant Jezewski, Wyandotte Police Department, "I will put them where you won't have any trouble with them for a long time."

Judge Lincoln continued, "at any rate, one big step has been accomplished today by removing this hoodlum from the Wyandotte area and if in later years he ever gets out of line again, we have a record so that he can be deported."

"Anyone who has the slightest objection to removing this hoodlum from the Wyandotte area for a long period of rehabilitation has no regard for the safety of the people of Wyandotte. The evidence before this Court is overwhelming and conclusive," Judge Lincoln said.

This juvenile hoodlum gangster is also described by the Wyandotte Police and the Probation Officer of this Court as one of the most undesirable and dangerous characters who has developed in the Downriver area in recent years.

Handwriting Is Clue About You

Dear Miss Williams: Please tell me the good and bad points in my personality with this small sample of my handwriting.

Thank you, P. E. H.

Dear P. E. H.: You are more spiritual minded than material, with good thinking ability along the analytical type. You pour through, sift facts and come up with your own conclusions. You have pride in what you do and are not sensitive to criticism. There is a tendency toward clannishness—of being very selective in your close friends.

You do not care too much for responsibility, but have a good memory and are careful of details.

You are thrifty, like to hold on to what you have and are very emphatic in your decisions. You are practical and like to talk.

Dear Miss Williams: This morning I picked up the paper by chance and read your column, which re-fired my interest.

Would you please analyze my handwriting and advise me so that I may consider future analysis.

Sincerely, M. Permicano

Dear Marge: I left out the first part of your letter. I was not the speaker you referred to. I'm glad you were interested and I'm glad you read the columns.

You have good organizational ability and enjoy variety in affairs, work and routine. You are capable of enthusiasm and are practical minded.

There is no sensitivity in your writing and you can

take criticism for the help it will give you.

You have a better than average memory with a set purpose in mind. There is some creative ability and you have a knack of expressing yourself on paper.

You show good concentration, don't mind being alone and like music. There is emphatic decision in your writing, able to make up your own mind and stick to it. You show tenacity.

Dear Miss Williams: I find your column very enjoyable and look forward to reading it every week. I would appreciate it very much if you would analyze my handwriting.

Thank you, L. D. N.

Dear L. D. N.: You have an expressive quality that gives out your feelings. You say what you feel. You are kind and generous but resent anyone taking advantage of you.

There is very little sensitivity and you're not hurt easily. You can handle some responsibility and show some organization.

You are aggressive to go forward and acquire more knowledge and do things. You learn easily and have a quick thinking mind. You have a good memory and pay close attention to details.

You are very practical and determined.

How's Business?

Studies of changes in economic activity in the past reveal a close correlation between fluctuations in capital expenditures and the ebb and flow of industrial production, employment, and incomes.

Spending for new homes, stores, office buildings, industrial plants, and durable producers' equipment generates consumption of goods and services and utilizes manpower, equipment, and energy.

The current downturn in business is rather unique in that private capital expenditures have continued to rise. Sharply higher business spending for new plant and equipment since the third quarter of 1958 has offset the sag in new home building.

Estimates of 1960 business capital spending indicate a new record of \$38 billion, up 16 percent over the \$32.5 billion figure for 1959 and 3 percent above the previous record in 1957.

This uptrend in business capital outlays is somewhat of an enigma, considering the excess productive capacities in many industries and the disappointing profits trend. The vitality of this economic force has been due to the high rate of cash flow from depreciation allowances which permits management to carry out long-range plans irrespective of interim sags in business.

Moreover, construction of new distribution facilities, offices, etc., remains high because of the population surge to the suburbs and urban renewal programs. Management is routing a major portion of the increase in capital expenditures into efficient and modern productive equipment motivated thereto by competition and the relentless pressure of wage costs.

By ROGER W. BABSON

Capital Outlays Up

The accelerated rate of business capital spending has exerted a strong bolstering influence on the economy, helping to ward off a more serious decline in general business. In recent months, govern-

ment surveys have indicated successive upward revisions in capital spending plans. Should this trend continue, it could act as a stimulus to the economy and perhaps restore the upbeat to business.

If Your Name is Ruth

By ANN REYNOLDS

"Ruth" is a girl's name near the top in the list of our most popular first names, but it has been used for a comparatively short time only, just since the Reformation.

About its meaning scholars don't agree. It has been translated as "beauty" or "friend," and some interpreters of the "Book of Ruth" trace it to the verb "to see" as it is in Hebrew. According to this explanation Ruth "saw or considered her mother-in-law's words," and followed her to Bethlehem.

Today none of these elucidations holds any water; the meaning of the name remains obscure. That detracts nothing from our fondness of it. Most of us, I am sure, like it for the pleasant associations it evokes thanks to the beautiful character of the biblical Ruth.

Her story, told in the biblical book that bears her name forms part of the Old Testament. Ruth was a Moabite girl, and Mahlon, a man from Bethlehem, married her when famine had driven him, his parents and brother to Moab. Left a widow, Ruth followed her mother-in-law, Naomi, to Bethlehem. There she found new happiness with Boaz, a relative of her late husband. She had gleaned, gathered after the reapers what was left of barley in the fields of Boaz, and thanks to the sensible advice of Naomi, eventually became Boaz' wife.

In those bygone days it was, among the Hebrews, the duty and privilege of the nearest kin to marry the widow of his relative; Boaz was not the first whose right it was to exercise this duty, but he agreed with the other man, and married Ruth. Eventually they had a son,

"The 11 o'clock hour on Sunday is the most segregated hour in American life," the Rev. James A. Pike, Episcopal Bishop of California, told a gathering in Washington, D. C. recently.

This charge should jolt the politicians, who have seized upon the issue of "Catholic for President," into reviewing the policies of their own churches on an equally important issue — civil rights.

Top clergymen and church groups have made strong statements in favor of racial integration, but the words refer to Little Rocks and dime stores, not to churches. The majority of churches remain almost entirely segregated. Recent decisions of two of the country's most influential Protestant bodies show disension over racial issues. The nation-wide Methodist Conference of the Methodist Church voted to retain an all-

Negro division within the Church, and they rejected a move to cut off funds from Methodist-supported seminaries at Duke and Emory universities (both turn away Negro students).

The General Assembly of Southern Presbyterians voted down a declaration of support for ministers who get into trouble with their members by upholding the church's official position: segregation "is against the will of God."

The integrated church issue is not entirely the child of Southern segregationists. In Baltimore, a pastor told a regional meeting: "The doors of my church would close next year if I publicly declared a nonsegregation policy."

Canton Area Graduates Prepare For Future At College, Work

By ESTHER SPRENGEL
GL 3-0194

With graduations the primary talk these days, we thought perhaps the names of some of the Canton Township graduates would prove of interest to our residents.

Betty Julien, daughter of Mr. and Mrs. James Julien, graduated from Romulus Senior High Thursday, June 9. Although Betty does not reside in the Township, she is well known to many of the Township residents since she was a little girl. Betty's parents own and operate Julien Market on Canton and Ford Rds., so she is very much a part of Canton.

The following young people graduated from Plymouth High and have revealed some of their plans: John

McLennan, son of Mr. and Mrs. John H. McLennan of Cherry Hill, plans to attend Eastern Michigan University in the field of law. Norman Lenhardt, son of Mr. and Mrs. Milton Lenhardt of Saltz Rd., plans to attend Michigan State in the field of chemical engineering. James Magraw, son of Mr. and Mrs. Russell Magraw of Warren Rd., plans to attend Michigan State, majoring in agriculture. David Hawk, son of Mr. and Mrs. Ira Hawk of Warren Rd., plans to attend Michigan State on an engineering course.

Karen West, daughter of Mr. and Mrs. Stanley West of Ridge Rd., will continue in her part-time job in the city hall on a full-time basis. Her parents are planning an open house celebration in her

honor on Sunday, June 19. Joyce Rafe, daughter of Mr. and Mrs. Stanley Rafe of Canton Center Rd. has been working part-time for the board of education.

Jean Murdock, daughter of Mr. and Mrs. William Murdock of Canton Center Rd., has been working part-time for the National Bank of Detroit and is planning further training at the Detroit branch. Ron Small, son of Mr. and Mrs. John Small of 1125 Canton Center Rd. Daryl Wright, son of Mr. and Mrs. G. F. Wright of Gyde Rd., registered last Sunday at Big Rapids to enter classes in Diesel Repair Maintenance. The course takes two years.

Judith Forshee, daughter of Mr. and Mrs. Edsel Forshee of Joy Rd. The Forshees spent a very festive week. Besides Judith's graduation, the family celebrated Mr. Forshee's birthday on Saturday and their son, Ed's birthday on Friday. To all occasions we want to add our best wishes.

Ivalynn Keeler, daughter of Mr. and Mrs. William Keeler of Saltz Rd. has plans to attend a stenotypist school in Detroit. Her family plan an open house celebration on Thursday evening, June 16, and Mr. Wesley Kaiser of Saltz Rd., has plans to attend Michigan State next fall in the field of forestry and conservation. Open house will be held in honor of Jim, Friday, June 17.

Marjorie Hines, daughter of Mr. and Mrs. Albert Hines, Jr., of 1910 Al Smith, was honored by an open house held Sunday, June 19. Edna Hampton, daughter of Mr. and Mrs. Berl Hampton of Ford Rd., and Wilma Wright, daughter of Mr. and Mrs. Clark Wright of 4940 Proctor Rd. Robert Bowman, son of Mr. and Mrs. Willard Bowman of Ford Rd. and Duke Wooley, son of Mr. and Mrs. Robert Wooley of Ford Rd. Open house in honor of Bob was held by his parents for relatives and friends June 16.

Christina Steiner, daughter

of Dr. and Mrs. Frederick Steiner of Ridge Rd., plans to attend Hillsdale in a premed course with future plans as laboratory technician.

Mrs. Thompson received word that her son, Navy Airman R. Thompson and his wife are moving from Virginia to Jackson, Fla., where he will be stationed.

You know that feeling when you want to get away from home for awhile—well, Mrs. Joseph Thomas (Alberta) got

just that chance when she was asked to help her brother and his family, Mr. and Mrs. Harold Bronson of Plymouth move to Tennessee. Mrs. Thomas saw to it that the family got situated in their beautiful new home near a wonderful fishing lake, but home sickness hit her hard and she turned right around and returned to Canton Township. Her family

feels sure she won't get that going away feeling again for quite some time. The Thomases family resides on Ford Rd.

The Gallimore School will hold a family cook-out picnic on June 16 from 5 p.m. until 7:30 p.m. Grills to cook supper will be set up, relish will be supplied for those hot-dogs or what-have-you each family furnishes for their supper. John Schroeder, chairman of the event, promises games, prizes and a lot of fun for all parents and children of Gallimore attending. It is requested that children be accompanied by an adult. A special invitation is extended to the parents of kindergarten youngsters who will enter Gallimore next year. Come out and get acquainted with the other parents of your school.

Mr. and Mrs. Frederick Leithe of 4875 Joy Rd., returned from an eight day trip to Bermuda. The couple and friends from Redford flew a non-stop 4 1/2 hour flight to and from Bermuda. While in Bermuda, the group celebrated Mr. Leithe's birthday with a beach party.

Mr. and Mrs. Phillip Dingeldey of 819 Haggerty Rd., announce the forthcoming marriage of their son, Jacob Dingeldey, to Miss Mary Eiler of Minneapolis July 2. Mr. and Mrs. Dingeldey and their son, George, who will act as his brother's best man, plan to attend the wedding in Minneapolis. Also, William Wing of the Township will accompany the family to Minneapolis.

Monday, July 13, Girl Scout Troop 270 held their Court of Honor. Mrs. Authier, their leader, announced that the majority of the 16 girls belonging to the troop will receive their second class rank badges and service stars for one year attendance. Gretchen Steiner will receive her swimming badge. Following the court, the girls

Miss Blanche Olsaver of South Lyon visited her sister, Mrs. R. G. Samsen a few days last week.

Little Calvin Stevens of Newburg, who was kicked in the face by a horse last week, is getting along nicely.

A gentleman complained to The Mail yesterday of certain people who run their automobiles at night time without lights on. The best place to make such a complaint is the justice court.

Under a new postoffice regulation, Postmaster Ladd will have his salary raised from \$1,700 to \$1,800 per year beginning July 1. Receipts of the local office justify the raise.

Professor Woodbridge N. Ferris of Big Rapids will deliver the commencement address in Plymouth at the opera house on the evening of June 23. There are sixteen graduates, the largest class that has ever passed from the school.

A miscellaneous shower was given by Mrs. Forrest Smith of West Plymouth last Saturday in honor of Miss Ila Walker's approaching marriage to Morris Sec. Mrs. Arthur Walker will entertain this Saturday for the bride.

At the council meeting Monday night the tax rate was fixed at one per cent for the next year, the same rate as for several years past. Two mills of this amount will be placed in the sinking fund for the redemption of bonds.

lowing the ceremony the girls enjoyed a picnic supper at the Authier home on Shelton Rd. The menu consisted of hot dogs, beans and popovers. Mrs. Frederick Steiner of Ridge Rd. is co-leader of the troop.

One more reminder that on June 23, the Canton Community Club will hold their annual strawberry festival, proceeds going to Boy Scout Troop 298. The tickets are on sale now, along with the premises of a delicious dessert, each ticket owner will have a chance on a RCA Radio. The winner need not be present. Ticket donation is 35 cents per ticket or three tickets for \$1. The event will be held at the Geddes Rd. Hall, 7 p.m. until 9 p.m. If you would like to purchase a ticket but do not know a Boy Scout, this Scout or Explorer of your troop, call me. I'll be glad to refer you to a ticket salesman.

Well so long. Please call with your news. We are real pleased to hear from you.

Aquarium Society Meets Each Month

The Wayne Aquarium Society, the only tropical fish club in Wayne County, meets at the Rouge Recreation Center, off W. Warren and Pierston, on the third Wednesday of every month.

The June 15 meeting will consist of a sound movie, fish and equipment raffle, and a showing of the Anabatis family of fish by members, and for the first time a swap night for those who have excess equipment or fish to trade or sell. Refreshments are served after each meeting.

There is no charge for admission. Everyone interested is invited to come.

Letters TO THE EDITOR

Dear Sir:

In regard to "Swimming in the Nude," where is the people's dignity? Here is a cartoon to illustrate the dignity and good morals of three children, which goes to show they have more brains than the older people. We do not feel it is sanitary we take a bath after we have changed the water and only with the door locked in our home, because we respect our own body, how can we respect the body of others by swimming in the nude. I know my boys are ashamed to undress in each other's presence so you can imagine how they feel in front of strangers.

Schools are places where the students are supposed to be taught the correct way of living, how can they do this when the school is exposing their bodies to strangers, even if they are of the same sex? To my opinion swimming in the nude is probably one of the greatest causes of sex MANIACS. I think we pay enough taxes for the school to keep the water clean, as for the swim suits I will buy one for my boys.

I feel like other mothers about swimming in the nude. I'm not for it and since they were seven years old I never dressed them because they are ashamed to dress and undress in my presence.

Mrs. Guido Costantino

Tips for Teens

Q. — "Dear Miss Williams: I met a boy recently and he called afterward and wanted my sister and me to double date with him and his cousin. We couldn't go at that particular time. Now when I see him, he talks to me, but says nothing about a date. My parents think he is a very nice boy and I like him. How can I get him to ask me for a date again?"

Ans. — Too bad you missed the boat the first time he called. When he asked for a date and you had to refuse, you could have added that you were disappointed, because you'd really like to ... and could they make it another time soon? Would Friday night be convenient? — and made a definite date then and there while you had a chance. He's probably still interested, but doesn't know whether you are or not ... so an invitation from you to your home or a coming social event will give him the message.

Q. — "Dear Elinor: My problem seems to be a lost friendship. I'm a girl of 11. When I came back from a trip recently, I found that my best girl friend has found a girl she likes better and I am left out. What shall I do?"

Ans. — Learn a lesson from this experience and "don't put all your eggs in one basket". Have more than one good friend, so if one is busy or gets involved in an interesting new friendship, you'll have other friends. Meanwhile, spend more time on school work. (Sounds square? It pays off in many ways!), join a school activity, find a hobby that you can enjoy by yourself, if necessary ... a sport, a skill, a craft or good books (they're fascinating! Your English teacher or librarian will give you suggestions, so you can try various types of books and find the kind you like best.) Friends are fine, but you should be able to enjoy being by yourself once in a while, too.

MEN IN SERVICE

Frederick Smith

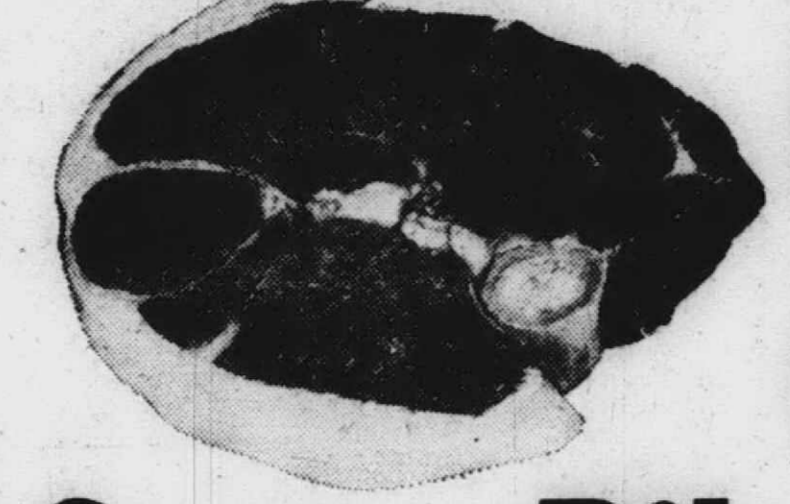

Frederick A. Smith, son of Mr. and Mrs. Warren L. Smith, 794 S. Main St., Plymouth, enlisted in the United States Air Force June 6 and will enter the mechanical career field. Fred chose this particular field prior to enlistment.

Fred attended Plymouth High School prior to enlistment and worked with construction equipment for one of the companies in the area. Fred hopes to be able to take up heavy equipment maintenance while in the Air Force and follow this as his lifetime career.

The Air Force now has in effect the new Buddy Group. This group is basically designed to enlist two or more friends at the same time and let them be guaranteed their training together. This "Buddy Group" enlistment will only last a short while. So, contact the local Air Force Representative, TSGT Irving D. Kaiserman, at his office, 2240 Middlebelt Rd., Garden City, or phone GA 4-2580 for additional information. Sgt. Kaiserman further stated that "Parents are cordially invited to ask questions concerning their sons and daughters' opportunities in the Air Force, and are welcome at the recruiting office at any time."

RESOLUTION
Commissioner Kreger moved the adoption of the following resolution:

WHEREAS, pursuant to petition and accordance with the provisions of Section 18, Chapter 4, Act No. 283, P.A. 1908, as amended, this Board has conducted a hearing to determine the advisability of absolutely abandoning and discontinuing:

All of Proctor Road Extension (also known as Old Ridge Road), in the W. 1/2 of the S.W. 1/4 of Section 19, T. 2 S., R. 8 E., Canton Township, Wayne County, Michigan, lying between the north right-of-way line of Proctor Road and the southeasterly right-of-way line of Ridge Road, each 60 feet wide. The center line of said Proctor Road Extension being more particularly described as beginning at a point on the southeasterly right-of-way line of Ridge Road distant S. 88 degrees 33' 30" E., 88.16 feet measured along the E. & W. 1/4 line, S. 5 degrees 10' 55" W., 330.28 feet and S. 2 degrees 13' E., 383.28 feet measured along the center line of Ridge Road, S. 2 degrees 13' E., 143.95 feet and S. 13 degrees 48' 55" E., 22 feet, from the W. 1/4 corner of Section 19 and proceeding thence along the center line of Ridge Road, S. 13 degrees 48' 55" E., 267.6 feet and S. 8 degrees 52' 05" E., 208.6 feet to the north right-of-way line of Proctor Road.

WHEREAS, a view of the premises above described was had in accordance with said statute.

NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above-described county road or portion thereof be absolutely abandoned and discontinued and that said road or portion thereof is hereby absolutely abandoned and discontinued reserving therein an easement for public utility and sewer purposes.

The motion was supported by Commissioner O'Brien and carried by the following vote:

Ayes: Commissioners O'Brien and Kreger. Nays: None.

Absent: Commissioner Wilson. (June 1, 8, 15)

MINUTES OF THE CITY COMMISSION

Monday, May 16, 1960
A recessed regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, May 16, 1960 at 7:30 P.M.

PRESENT: Comms. Cutler, Hartmann, Shear, Sincock, Terry and Mayor Guenther.
ABSENT: None.

Moved by Comm. Cutler and supported by Comm. Shear that local or public improvement is deemed a necessity as follows:
W. Ann Arbor Tr., Sheldon Road to Harvey Street, 2" Bituminous re-cap. Further, that the said project is hereby referred to the City Manager and he is directed to submit to this Commission, for its consideration, a report upon said project, which shall include necessary plans, profiles, a description of the recommended assessment district or districts, and such other pertinent information as will permit the Commission to decide the cost, extent, and necessity of the improvement proposed, and what part or portion thereof should be paid by Special Assessments on the property benefited, or, in part, if any, should be paid by the City at Large and the County of Wayne.

Carried unanimously.
The City Manager's report was presented relative to W. Ann Arbor Trail, Sheldon Road to Harvey Street, 2" Bituminous Re-cap, Project 50-2-159.

The following resolution was offered by Comm. Terry and supported by Comm. Hartmann:

WHEREAS, the City Manager, as heretofore directed, has presented his report to this Commission, dated May 19, 1960, relative to a proposed local or public improvement described as:
W. Ann Arbor Trail, Sheldon Road to Harvey Street, 2" Bituminous re-cap. and

WHEREAS, this Commission has reviewed said report.

NOW, THEREFORE, BE IT RESOLVED that the City Commission of the City of Plymouth, Michigan, does hereby find and determine that the above described improvement is necessary and that said improvement is local and of benefit to the property affected thereby and also is a general public improvement, and

BE IT FURTHER RESOLVED that part of the cost of said improvement shall be paid by special assessment upon the property benefited thereby at the rate of \$1.00 per front foot abutting the improvement.

BE IT FURTHER RESOLVED that the limits of the special assessment district within which property is deemed and hereby determined to be specially benefited are as follows:
As priorities about the improvement, except Lots No. 347 and Assessor's Plymouth Plat No. 12, and 5197 of the frontage of Lot No. 348, Assessor's Plymouth Plat No. 13, Lots No. 288 and No. 289.

BE IT FURTHER RESOLVED that said report of the City Manager and this resolution shall be placed on file forthwith in the office of the Clerk for public examination and shall remain on file therein for at least seven days before any hearing upon said public improvement.

BE IT FURTHER RESOLVED that this Commission hold a public hearing upon said public improvement and the necessity thereof on Monday, June 6, 1960 at 8:00 o'clock, P.M., in the Commission Chamber of the City Hall, and that notice of the Mayor read the Clerk in the Plymouth Mail and shall be posted upon three or more of the official public bulletin boards of the city, not less than ten days prior to said date of hearing.

Moved by Comm. Hartmann and supported by Comm. Wernette that the meeting be adjourned. Carried unanimously.
Time of adjournment was 7:40 p.m.

Tuesday, May 31, 1960

The following resolution was introduced by Mayor Guenther:

RESOLUTION ACCEPTING AN OFFER OF THE UNITED STATES TO MAKE AN ADVANCE OF FEDERAL FUNDS TO THE CITY OF PLYMOUTH, MICHIGAN TO AID IN FINANCING THE COST OF CERTAIN SURVEYS AND PLANS FOR URBAN RENEWAL PROJECT NO. MICH. R-30.

WHEREAS, under Title I of the Housing Act of 1949, as amended, and supplemented, the United States of America (herein called the "Government") has tendered to the City of Plymouth, Michigan (herein called the "Local Public Agency") an offer, hereinafter mentioned, to make an Advance of Federal funds to the Local Public Agency to aid in financing certain surveys and plans for an urban renewal project, designated Project No. Mich. R-30, in the urban renewal area described therein; and

WHEREAS, the Local Public Agency has given due consideration to said offer.

BE IT RESOLVED BY Comm. Hartmann and supported by Comm. Cutler as follows:

Section 1. The offer of the Government to the Local Public Agency, dated May 17, 1959, designated "Contract for Planning Advance" Contract No. Mich. R-30(A), consisting of Parts I and II, under and subject to the provisions, terms, and conditions of which the Government would make an Advance of Federal funds to the Local Public Agency to aid in financing the cost of certain surveys and plans for an urban renewal project, designated Project No. Mich. R-30, situated in the City of Plymouth, Michigan, is hereby in all respects accepted.

Section 2. The Local Public Agency agrees to abide by all of the provisions, terms, and conditions of said offer.

Section 3. The Clerk of the Local Public Agency is hereby authorized and directed forthwith to send to the Housing and Home Finance Agency two certified copies of the proceedings of the Local Public Agency in connection with the adoption of this Resolution, together with two certified copies of this Resolution, and such further documents or proofs in connection with the acceptance of said offer as may be requested by the Government.

Section 4. The City Manager is hereby authorized to file requests, together with necessary supporting documents, with the Government from time to time as Advance funds are required, requesting payments to be made to the Local Public Agency on account of the Advance provided for in said offer, and to do and perform all other things and acts required to be one or performed in order to obtain such payments.

Section 5. This resolution shall take effect immediately.

YES: Comms. Cutler, Hartmann, Shear, Sincock, Terry, Wernette and Mayor Guenther.
NO: None.

Moved by Comm. Sincock and supported by Comm. Wernette that the meeting be adjourned. Carried unanimously.
Time of adjournment was 8:50 p.m.
Harold Guenther, Mayor
Joseph Near, Clerk

Where Ten Miles are a Revelation!

As far as distance is concerned, it's but the briefest of journeys. But even a short acquaintance with the "car of cars" constitutes a revelation in the wonders of modern motoring. You sense this the instant you settle into the driver's seat. For comfort and spaciousness and luxury have never been more beautifully combined in a motor car.

And then you turn the key—press your toe to the accelerator—and the seat cushion presses gently against your shoulders to announce that you're off!

The car rolls into the city's traffic in extraordinary silence. The wheel moves as if your hands had been blessed with a magic touch. The pedals require only the gentlest pressure. Then, as the city streets blend into more spacious boulevards and you accelerate your pace somewhat, Cadillac's magnificent riding qualities come more keenly to notice.

You seem almost to float over the highway. Any flaws in its surface are simply absorbed before they can be felt.

The car moves with a feeling of substance and solidity—and with an inbred sense of mastery over the roadway.

Why not visit your dealer this week—and see for yourself? He'll be happy to lend you the keys for the ten most memorable driving miles you have ever experienced!

Blown Wool Helps Cool Older Home

Part of the myth and mystery that confuses many people about air conditioning is insulation. Some owners of old houses think that, much as they'd like it, air conditioning is beyond reach because their houses can't be insulated properly.

Not so, say air conditioning engineers. Insulating an existing house of any age and any construction has been simplified by materials, tools and techniques developed especially for the job.

Granulated mineral wool, called "blowing wool," is blown into spaces between ceiling and floor joists and wall studs through pneumatic hoses. The mechanic moves a brick, shingle or section of clapboard from the sidewalk, drills a hole in the sheathing, inserts the nozzle and forces the mineral wool tightly into every crevice with air pressure.

The siding is then carefully replaced. Attic floors and ceilings are done by bringing the hose through a window.

This "blowing wool" technique has been successfully used in millions of houses, including many row houses at

Men In Service

FIRST LT. Grant E. Gabel, left, being sworn in by Major Kenneth B. Packer, Commander, Detachment No. 1, 6988th Radio Squadron, Mobile, APO 328, San Francisco, Calif.

First Lt. Grant E. Gabel, son of Mr. and Mrs. Russell Gabel of 4785 Joy Rd., assigned as Communications and Electronics Officer for Detachment No. 1, 6988th Radio Squadron Mobile, USAFSS, U.S. Security Forces, Japan, received his appointment in the Regular Air Forces, in May.

It is a policy of the Air Force that the officers appointed in the Regular Air Force possess abilities, qualities and experience required by the Air Force and requirements dictate that only young men with great potential be selected for this appointment.

Upon graduation from the University of Michigan in 1956, with a degree in Electrical Engineering, Lt. Gabel received a Reserve commission in the United States Air Force. In October of that year he entered active duty with the Airways and Air Communications Service at

Tinker Air Force Base, Oklahoma and in November of 1958 was reassigned to the USAF Security Service for duty with Detachment No. 1, 6988th R.S.M.

Accompanying Lt. Gabel on his tour of duty in Japan are his wife, Rosemary, and two sons, Stephen and Mark.

Donald E. Reh

Navy Lt. Cdr. Donald E. Reh, son of Mr. and Mrs. Frederick E. Reh of 203 N. Holbrook, and husband of the former Miss Kathryn B. Gilmore, St. Louis, Mich., graduated May 26, from the Naval Postgraduate School, Monterey, Calif.

Speaker for the occasion was the Assistant Secretary of the Navy for Research and Development, the Honorable James H. Wakelin, Jr.

Incorporated into the Postgraduate School are three courses, Engineering, General Line and Naval Science.

Visits In Newburg

By Mrs. Emil LaPointe

Mr. and Mrs. James Greenwood of Newburg Rd., along with Mr. and Mrs. William Bauman of Plymouth attended the Plymouth post office carriers' sponsored dance at the Walled Lake Casino on Saturday, June 4. This is to be a semi-annual event to be enjoyed by all post office employees and their friends.

Well, they did it again. Those Newburg wonders, the baseball team representing the Methodist Men of the Newburg Methodist Church, won their third straight game on Tuesday, June 7, when they beat Augsburg Lutheran by a score of 19 to 2 with only 4 hits being given up by the Newburg pitcher, Art Bettinger. Jim Greenwood clouted one home run and Earl Nuckols got two and a triple, for the Newburg team. Hey, all you Newburgites, come out and support the home team.

This past weekend Mr. and Mrs. Edward Reid and their oldest son, Marlin, of Richland Ave., visited their former residence, Tarrytown, Md., where Mr. Reid attended the twenty-fifth reunion of the class of '35 of his high school.

Mr. and Mrs. Arthur Kreger, passing through this area on their way from Mr. Kreger's officer training for Army Intelligence in New Jersey, stopped to visit at the home of Mr. and Mrs. Anthony Kreger on Gray Ave., as well as many other friends and relatives in the Newburg area. Then they were on their way to Traverse City.

The combined members of the Sarah and Lydia circles of the Woman's Society of Christian Service of the Newburg Methodist Church, met at the home of Mrs. Melvin C. Guthrie, Sr., on Newburg Rd., Tuesday, June 7 at the noon hour for potluck luncheon and following this hour of fellowship divided into two units and took care of their individual business as circles. Ladies who were in attendance for this afternoon gathering were Elsa Hammond, Dorothy Fittery, Carol LaPointe, Dorothy Ritzler, Jean Epley, Mary Hoffman, Fay Grimm, Lillian Kerr, Florence Halstead, Donelda Woodward, Gladys Arnold.

Ruth Halloran, Florence Mahl, Pearl Barker, Marguerite Lockhart, Grace Lockhart, Nancy Sutton, Lau-

ra Busenbark, Sarah Gilbert, Mildred Remy and daughter Ann Elizabeth, Hazel Grimm, Beulah Smith, Dorothy Schroeder, Margaret Ayers, Angeline Norris, Rosalie Beasley, Shirley Jenkin, Hazel Adams, Bernice Ellis, Vera Guthrie, Elsie Bailey, Elsie Waddington, Margaret Baldwin, Winifred Nixon, Laura Larrabee, Julia Ruehle and Florence Crawford.

At a recent clothing demonstration in the home of Mrs. Fred Bird on Ann Arbor Trail, several ladies were present from the surrounding neighborhood: Mrs. Joyce Anderson, Mrs. Laurel Dorr, Mrs. Joyce Crawford, Mrs. Mary Foreman, Mrs. Alberta Pry, Mrs. Marilyn Gray, Mrs. Laura Busenbark, Mrs. Rosalie Beasley, Mrs. Martha Smith, Mrs. Roberta Eastlake and daughter Kathy, Mrs. Edna Smith, Mrs. Jean Greenwood and Mrs. Ida Bird. All the proceeds from this affair are to go to help the ladies of the Rebekah Circle in their seeking after financial gain during the coming year.

Tonight, June 15, the Boy Scout Troop 271 of St. Michael's Catholic Church will have their June Court of Honor at the school basement at 7:30 p.m. at which time two boys will be honored with their Eagle award. This is getting to be quite a tradition with Troop 271 and they are now the proud possessors of 10 boys in their troop who have achieved the Eagle rank. Of this achievement they are justifiably proud. Good work and keep on with your high ideals!

The Canasta Clan of Joy Rd. will meet at the home of Mrs. Irene Overmyer on Ravine Dr., Tuesday, June 21 at 8 p.m. All ladies of this group are requested to advise their hostess as to their attendance so that she may secure the necessary substitutes, as the occasion may arise.

"Can I Canoe You Up the River?" could have very well been the theme song for the boys of Scout Troop 271 and their dads on the weekend of June 3, 4 and 5, for this was the occasion of their annual canoe trip down the famed AuSable River in northern Michigan. The weatherman cooperated completely with the boys and men by furnishing them with ideal weather

and a good time was had by Dan Szuba, Dan Darrab, Bruce and David LaPointe, Brent Eggleston, Jack Krygier, Michael Rea, Jack Trombley, Danny West, George Bachelor, Mr. Leo St. Armour and son David, Mr. William Powell and sons Jim and Richard, Mr. James McHugh and sons Robert and James, Mr. Jerome Miller and son Richard.

Mr. Marvin Swain, Sr. and sons Marvin and Brian; Mr. William Davis, Sr., and son William; Mr. Byron White and son Robert; Mr. Wayne Shanks, Sr. and son Wayne; Mr. Joseph Ott and sons Richard and Stephen; Mr. Edward Newacki, Sr. and sons Edward and James and Mr. Edward Dahill and son Kevin. On the return trip the boys had the thrill of seeing three beautiful deer in the equally beautiful north woods.

Mrs. Oscar Gisner of Newburg Rd. is home after undergoing surgery recently. We are glad to hear that she is recuperating nicely and I'm sure cards of cheer would be most welcome at this time.

It was nice being with you again and don't forget to give that old dial a twirl every now and then to keep us

ALMOST everything has CHANGED

... but a free press is still the indispensable safeguard of all our freedoms!

Shown here: front page of one of the leading revolutionary newspapers, reporting the signing of the Declaration of Independence. Despite its austere appearance, it had aggressive politics.

No headlines — no pictures, yet this newspaper packed a wallop as it relentlessly urged our forefathers to fight for liberty.

We've come a long way since then. Now the miracle of electronic communication brings us the news as it happens; photography, modern typography and art reproduction graphically illustrate and punctuate ideas.

But no matter how the world changes, our American heritage can only be upheld through a free press.

Through the printed page the citizens can examine the issues in their community, go over them point by point among themselves and make their wishes known at the polls.
