'Heights' Charter Fails, 1,589 to 35

City Hall Has Lively Session

Things were far from peaceful at the City Commission meeting Monday night when a candidate for the Commission delivered a blistering attack upon individuals in the government and a delegation of 20 residents voiced objections to a proposed zoning change.

The first skirmish opened under a normally routine matter when a letter was read from the American Hospital and Medical Benefit Co., who handles the hospitalization insurance of City employees, telling about a minor amendment to its policy.

But before that was completed, Fabe Mirto, manager of Woodmen Accident & Life Co. agency here, asked for the floor and demanded to know why a proposal his agency made "that would cost the City \$200 less a month" was never considered. "I've never had the decency of a reply," he charged.

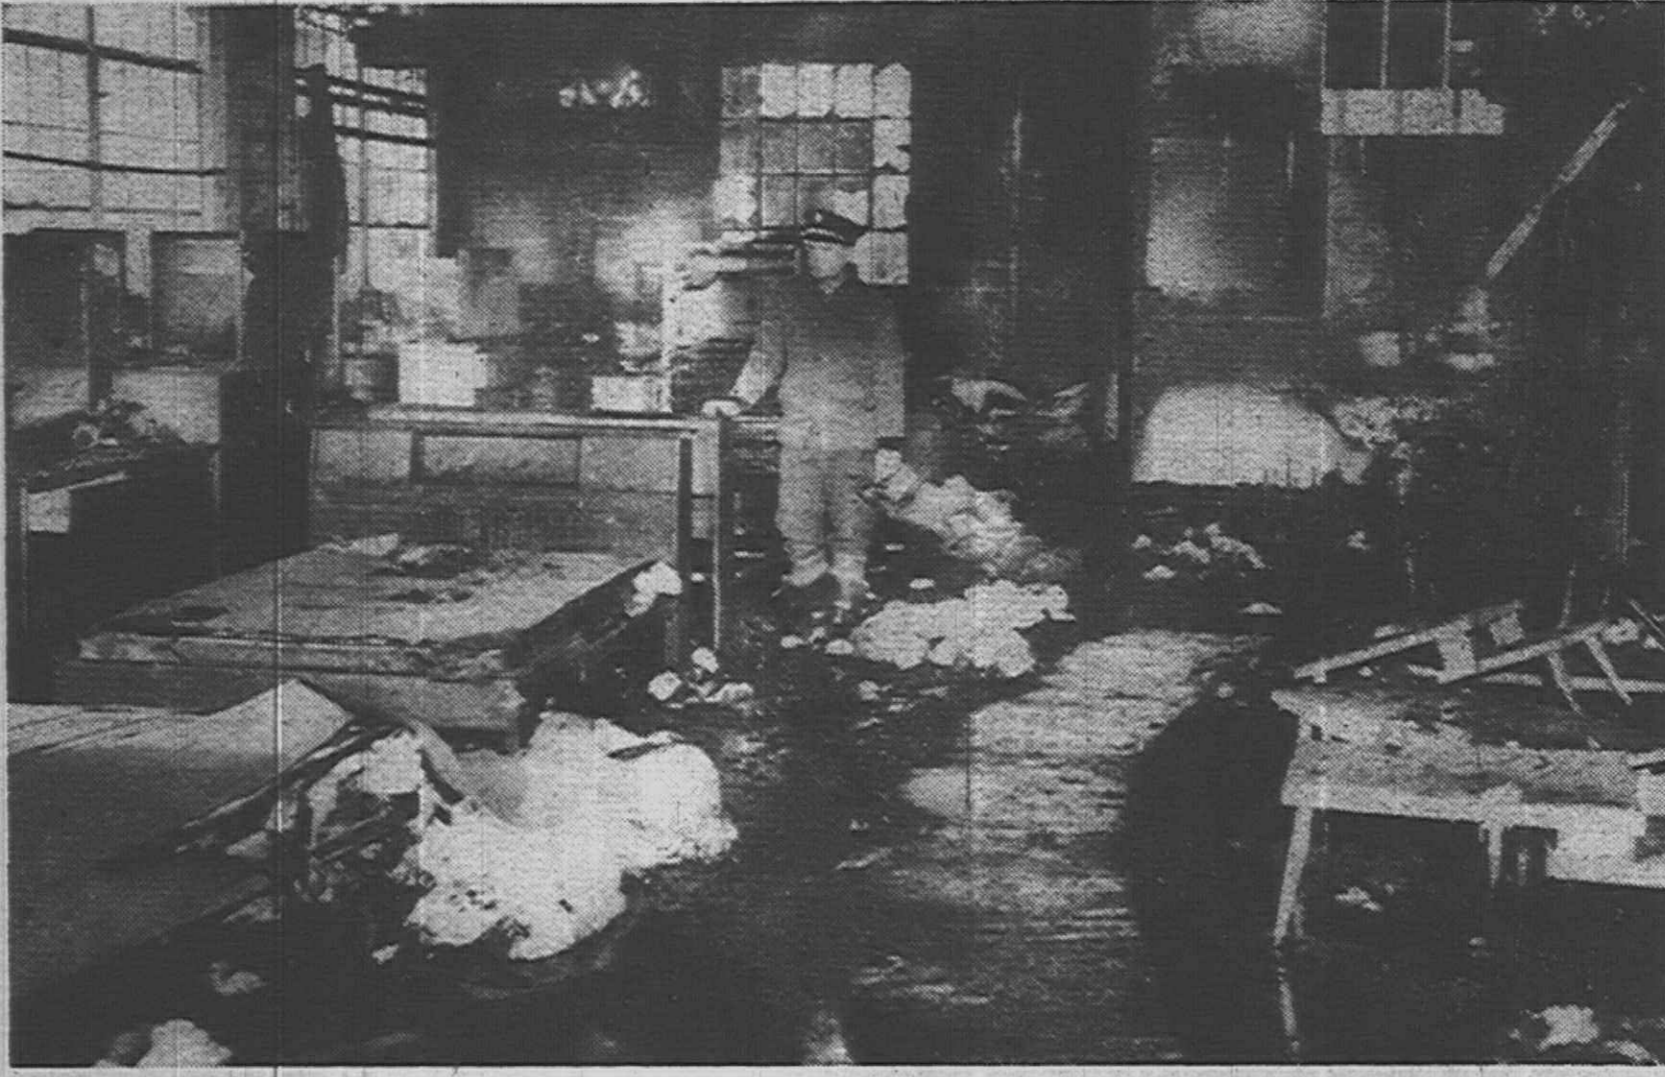

He quoted City Manager Albert Glassford as saying last year that since American Hospital and Medical Benefit had just built its home office in Plymouth, the City could not turn them out. (Mirto claims Glassford used stronger language.)

He then claimed that Commissioners Marvin Terry and Robert Sincock forgot his conversations with them asking about his company's plan. And during ensuing heated talk charged that Commissioners call special meetings to make their decisions at 9:10 p.m. after the regular meeting. He said that the City had lost the proposals he had made; and that Commissioners always voted the same way on every proposal.

The charges, of course, brought some rebuttal from Commissioners, especially on the special meeting charge. Commissioners pointed out that they receive no extra pay for such meetings and Commissioner Terry expressed his resentment of the charge that Commissioners never disagree, claiming that he has registered dissenting votes a number of times.

Glassford noted that American Hospital has been serving the City since 1946, long before it moved to Plymouth, and that records show that the company is paying out in benefits nearly everything that is being paid in.

Mirto is one of eight persons seeking the four seats on the City Commission in April. (Continued on Page 8)

ASSISTANT FIRE Chief George Schoeneman examines damage in Evans Discount Furniture and Appliances the morning after last Friday night's fire. The blaze started in the rear corner of the building shown in the picture, but

the cause has not yet been determined. Ironically, the store had covered its front windows during the week with signs declaring, "Must Liquidate."

Firemen Continue Investigation Into Cause of Major Store Fire

City firemen are continuing their investigation this week of a fire that swept through the Evans Discount Furniture & Appliances store last Friday night, a blaze that will be the City's highest loss in three years.

Two patrolmen driving through the alley at 10 p.m. noticed the fire in the northeast rear corner of the building at Forest Ave. and Wing St.

Receiving the police car's radioed alarm immediately, firemen arrived a few minutes later and found the entire ceiling ablaze. They were on the scene two more hours extinguishing fires which had eaten their way into mattresses and the heavily-stuffed furniture.

Assistant Fire Chiefs Charles Groth and George Schoeneman said yesterday that no estimate has been placed on the loss, but it is expected to run into tens of thousands of dollars.

men worked their way into the front of the building toward the back while others fought the blaze through windows at the side and rear of the structure. The fire was the first

one of 1960 for Plymouth City firemen, and for those who are superstitious, it was noted that it was Friday the 13th.

Berman said that he has not decided what to

(Continued on Page 8)

Tells Where To Apply For Surplus Commodities

How to qualify for surplus food is a question being asked more and more these days as apparently more people find their economic problems growing more acute.

The Plymouth Mail and governmental agencies have been receiving numerous inquiries about the surplus commodities program, such as — where to sign up and who is eligible?

Surplus commodities are administered through county Departments of Social Wel-

(Continued on Page 8)

Ballot Draws 48% Turnout

Sixteen hundred and twenty-nine voters went to the polls in Plymouth Township Tuesday and to no one's great surprise overwhelmingly turned down the proposed charter for the City of Plymouth Heights by a 45 to 1 ratio.

Unofficial tabulations listed 1,589 votes against the charter and only 35 for.

Also on the ballot were the names of three men who were seeking various positions should the new city be formed. Since the charter was defeated, the three candidates will have no city to run. There were also a number of write-in votes for the 13 positions offered.

The 1,629 who voted Tuesday represented 48 1/2 percent of the 3,356 who were eligible to vote on the charter and candidates. Those close to the election were surprised at the large turnout, for it had been feared that voter apathy might result in a small total.

Only those living within the 8.3 square miles of the City of Plymouth Heights were allowed to vote. This included all of the Township east of McClumpha Rd. If the charter had been approved, the section west of McClumpha would have remained as Plymouth Township.

Although all but 35 people voted against the charter, a third of the voters took time to vote for the candidates. John D. McEwen, candidate for mayor, received 558 votes. At prestime Tuesday night, totals were not available for Donald King and Peter Tonkovich, candidates for the seven-member council. There were no candidates for clerk, treasurer, municipal judge, five other council jobs and two constable positions.

Although McEwen has no city to run, he is in the legal position as de facto mayor. Voters in February 1959 voted for the City of Plymouth Heights by a margin of 65 votes. But the city cannot actually operate without a charter. But a petition can be presented to the de facto mayor within 10 days after the election calling for a new charter.

This was the breakdown on the charter vote by precincts:

Precinct 1, located in the northeast section of the Township, cast 14 yes votes; 769 no.

Precinct 2, in the southeast section, cast 11 yes votes; 564 no.

Precinct 3, that included just that part as far west as McClumpha, cast 10 yes votes; 256 no.

There was no line at the polls as the 8 p.m. closing time arrived. Township Clerk Fred Miller reported. Results were tabulated an hour after the polls closed.

It was no surprise to anyone that the charter was defeated, but perhaps the lopsided results were. It was the intent of the incorporation petitioners in the first place not to form a new city, but to provide two years of freedom from the threat of annexation of Township land to the City.

Water Bond Sale Wins Race With Charter Vote

Another milestone in the history of Plymouth Township was reached Monday afternoon when a \$1,100,000 transaction was completed that will assure the start of an expanded water system with the supply coming from Detroit.

Bond buyers, the First of Michigan Corp., turned over the \$1,100,000 check to the Wayne County treasurer's office. The money will be dispersed by the County as the job of laying 17 miles of new water mains in Plymouth Township progresses this spring and summer.

A contract will now be signed with the contractor and work is expected to start within a few weeks.

The job of completing the issuance of bonds was done in record time — amazing even to those in the business. Plymouth Township Supervisor Roy Lindsay said that the Michigan Finance Commission placed a priority on the bond issue and the consultants, the County and others involved worked fast to rush the sale.

The reason for the rush was the City of Plymouth Heights charter election yesterday. According to the Township's bonding consultants, the entire bond sale proceedings would have had to be started over again if the charter were approved first.

According to Supervisor Lindsay, "We were sure that the charter wouldn't pass, but one can never be completely sure." He noted that he had spent two years in getting Detroit water and then obtaining the "faith and credit" backing of Wayne County so that bonds could be sold at a lower rate.

Supervisor Lindsay, County Clerk Edgar Branigan, Board of Supervisors Chairman Blanche Parent Wise and As-

(Continued on Page 8)

Resident Is Seized In Congo

Press services and newspapers throughout the country this week carried the story of the seizure of a group of Baptist missionaries in the Congo — and one of those being held is a former Plymouthite, Mrs. William Battishill.

The daughter of Mrs. Emily Mosher, 963 West Ann Arbor Trail, Mrs. Battishill and her husband, Rev. William Battishill, have been in the Congo since 1952. They last visited here in 1957 and took at Calvary Baptist Church.

About 20 persons of the Conservative Baptist Foreign Mission Society are stationed at Bukavu in Kivu Province of the Congo. According to reports, followers of deposed Premier Patrice Lumumba are detaining the group.

Mrs. Mosher reports that the last letter from her daughter reports that "the attitude is all around us" but she asked her mother not to worry. "We are safe."

"The trouble never one to express fear," Mrs. Mosher explained. Their four-year-old son, David, has just been released from the hospital with what was first thought to be the typhoid. Apparently Mrs. Battishill has sent numerous letters, but few are getting through.

Rev. Battishill operates a religious radio station in addition to his other work, and other missionaries up to 200 miles away wrote Mrs. Mosher that her son-in-law had reported until late last month that he was still safe.

Mrs. Mosher said that she has received no official word about the Battishills, but heard of the detention only through press services with reporters in the Congo. Mrs. Battishill attended Moody Bible Institute, Eastern Michigan and did evangelistic work at Calvary Baptist Church. She has taught in the Congo. The church helps support the Congo missionary program.

Fire Losses During '60 Take Upturn

Fire losses took a marked upturn in Plymouth Township last year and a small increase in the City of Plymouth, the two departments announced this week as they filed their year-end fire loss report to the Michigan State Police.

Plymouth Township firemen reported losses of \$51,020 during 1960, compared with an unusually low loss of \$8,695 during 1959.

City firemen had an increase of less than \$2,000. Last year's fires caused losses estimated at \$23,559, while 1959 losses were figured at \$21,147.

Township Chief Howard Holmes reported 95 fire runs during the year with buildings accounting for \$25,825 worth of the damage total while their contents suffered damage amounting to \$26,200. The largest single loss during the year was at Lofy's Arbor-Lill when a fire starting in the kitchen caused damage estimated by firemen at \$35,000.

Grass fires were still the major cause of alarms in the Township. There were 35. There were also 16 dwelling fires, six auto fires, six false alarms, 32 other types of fires and six false alarms.

Thirty-one fires were caused by careless burning of rubbish. In fact, 45 fires were caused by carelessness of some type. Eight others were caused by defective electrical wiring or appliances; 15 by defective chim-

(Continued on Page 8)

NEWS BEAT

Firemen often get calls to rescue children locked in bathrooms, but last Thursday City firemen found a daughter of Dr. and Mrs. William Covington, 417 Evergreen, in double jeopardy — she was locked inside a closet inside a locked bathroom. Firemen used a ladder to climb through the second story window.

WARNING: Postmaster George Timpona this week issued a warning to those responsible for destroying rural mailboxes west of Plymouth. Some have been blown apart by firecrackers and others were twisted off their posts. The public is asked to report violators to the Sheriff's office. If there's mail inside, it's a federal offense.

POLICE BEAT: Burglars were busy Saturday and Sunday night with enterings reported at Minerva's, Sincock's Standard Station, Dickerson's Market and Berry Pontiac. Nothing was found taken at Minerva's and

Sincock's but \$29.80 was stolen from Dickerson's and two tires and wheels were missing from a new car at Berry Pontiac. A young driver calmly drove down Forest Ave. during Friday night's fire, passed a fire engine and drove over a four-inch hose. He was not ticketed but was lectured and was told he may be called in for further action.

IMPROVED: Miss Edna Allen, widely-known retired teacher and principal who fractured her hip last month in a fall on the ice is reported improving in St. Joseph's Hospital. She was considered critical two weeks ago.

BE KIND, SOMETIMES: The phrase, Be Kind to Animals, perhaps shouldn't always be obeyed. Clifford Caldwell, Jr., 12, of 1285 Carol, reached to pick up an injured squirrel and was bitten on a finger. Police caught the squirrel and took it to a veterinarian where it will be kept to see if it is rabid. Police hope the animal will live through its quarantine. Otherwise, they will have to take the head to Lansing for examination.

AMONG THE recipients of \$25 savings bonds under a new buyer profit sharing plan inaugurated by American Motors were these three Plymouth families who bought Rambler at Fiesta Rambler. From left are salesmen Walter Sousa and Lee Kester and car buyers Mr. and Mrs. Thomas

Dudley, 9810 Sheldon; Mr. and Mrs. Arthur Hatch, 8249 Ravine Dr.; and Mr. and Mrs. Russell Sanders, 190 N. Main; and agency owner Clarence A. DuCharme. They may receive even more bonds should Rambler sales remain above a certain level.

Newlyweds Live in Plymouth

Carolyn Sue Martin and Andrew Fedus, Jr. were united in marriage at 5 p.m. Saturday, Dec. 10, 1960 at the Riverford Heights Reformed Church by Rev. Arnold Dykhuizen.

The bride is the daughter of Mr. and Mrs. Lester Martin of 18962 Starnoor, Livonia. The bridegroom is the son of Mr. and Mrs. Rudolph A. Fedus, Sr., 9486 Lamont, Livonia.

For her marriage the bride chose a gown of ivory satin with a scoop neckline, fitted bodice and bell shaped skirt. A small crown of lace caught their home in Plymouth.

Mr. and Mrs. Andrew Fedus, Jr.

QUESTIONS & ANSWERS ABOUT BUILT-IN

ELECTRIC HEAT

Electric heat is an advanced and superior concept of home comfort. Here are some of the questions we've been asked about it.

WHAT DOES IT LOOK LIKE?
 The four most widely used types are illustrated below. Because electric heat is built in, there is little interference with living space.

DOES IT NEED MUCH SERVICING?
 No. There are no moving parts in the electric heating systems discussed here except in the forced air units where fans or blowers are used. Fans are not high velocity, so they are long lasting also. An added advantage of electric heat, depending upon the type, is its completely silent, or very quiet, operation.

WHAT MAKES ELECTRIC HEAT BETTER?
FLEXIBILITY—Each room has its own thermostat. So each remains at the temperature you choose without affecting other areas. Temperatures can be raised or lowered in any room without overheating or chilling the rest of the house. Just a touch on the proper thermostat does it.

SPEED—When a thermostat is adjusted to call for more heat, the response is fast! In the systems described here, the heat source is right in each unit—only inches away instead of many feet.

EVEN HEAT—There will be very little temperature difference between floor and ceiling. And, wherever possible, electric heat (except ceiling cable, of course) is installed in outside walls. Then there is a curtain of warm air between the cool wall and window surfaces and room occupants. This tends off chilling drafts.

CLEANLINESS—Nothing is burned to make smoke, soot or fumes. Air currents will carry only whatever dust may have been introduced by other means. Nor are large quantities of outside, potentially dusty air drawn into the house to support combustion. Result: walls, draperies, furniture and floor coverings stay clean longer.

ARE THERE OTHER TYPES OF ELECTRIC HEAT?
 Yes, the flexibility of electric heat makes it applicable to many basic systems. For example, there are electric warm air and wet heat systems.

WHERE CAN I SEE ELECTRIC HEAT?
 And a feature of every Gold Medallion Home is its electric heating system. Watch for announcements of Gold Medallion Home openings.

WHERE CAN I GET MORE INFORMATION?
 There's free literature at your Edison office, or mail the coupon below. Another source, especially for a cost estimate, is the electric heating contractor who displays this emblem.

The contractor who displays the emblem has had special training which enables him to estimate your heating needs accurately. He has also pledged himself to meet industry standards of installation.

WHAT DOES IT COST TO USE ELECTRIC HEAT?
 Various factors, including family living habits, affect operating cost, so a hard-and-fast answer is impossible. A rough rule of thumb is 25¢-30¢ per square foot of heated space, annually. But there's little need to guess. An electric heating contractor can calculate actual first cost and operating cost quickly and accurately.

Electric heat will cost more. But the cost will probably not be as high as one would imagine. Like any quality product, you pay more for electric heat but you get more benefits!

DETROIT EDISON

Engagements

Ellen Cowgill

July wedding plans are being made by Ellen Cowgill and David Lewis Childs. Their engagement has been announced by Mr. and Mrs. Carl L. Cowgill of Plymouth, parents of the bride-elect. Miss Cowgill attended Michigan State University, where she was a member of Delta Delta Delta Sorority, Mexico City College, and was graduated from the University of Michigan. She is now taking post graduate courses at the University of Michigan.

Mary Deanna Service

Mr. and Mrs. Dwight Service of Clinton announce the engagement of their daughter, Mary Deanna, to Donald Richard Houghton, who is the son of Mr. and Mrs. Howard Houghton of 9888 Joy Rd., Plymouth. A March 25 wedding is planned.

Elementary PTA's Tell Of Meetings

Bird School parents will have an opportunity to experiment and explore in the Art Workshop planned for the Jan. 24 PTA meeting.

Mr. Elden Zang, graduate of Wayne State and art teacher in the Plymouth Schools, will be joined by Mrs. Milla Livingston and Mr. David McKay of Wayne State, along with Mrs. Ruth Jones and Mrs. Joan Wehmeyer of Plymouth. They will demonstrate and assist parents in using the many new techniques and materials available for creative activities. Chinese paper cutting, silk screening, ozalid printing, cloisonne and aluminum print plating are some areas planned for the parents. The meeting begins at 7:45 p.m. Refreshments will be served.

Tuesday, Jan. 24 at 8 p.m., the Allen PTA will present a panel composed of the "extra" teachers who serve in our schools. The speakers will be Miss Cornelius, art; Mrs. Laury, music; Mrs. Hartweg, library; and Mrs. Workman, gym.

Parents are urged to come and meet these important teachers and join the discussion period, after which refreshments will be served.

"How Safe Are Our Schools?" This is the subject chosen for discussion at the Farrand School PTA meeting on Jan. 24 at 8 p.m. A speaker will present some old and many new ideas. All Farrand School parents and PTA members are urged to attend.

Dr. Speer Returns From Lecture Tour
 Dr. Leo Speer, local chiropractor, has just returned from a 10 day study-lecture tour which took him to Chicago, Denver and Los Angeles.

While in Denver, he spent some time observing the largest chiropractic hospital in the world and during his stay in California visited the Los Angeles Chiropractic College and the Honco Laboratories in Van Nuys.

Annual movement of the nation's wheat crop comprises the biggest single transportation job in the world.

Mr. and Mrs. Warren W. Feole

Amos-Feole Rites Dec. 15
 Mr. and Mrs. Harold Amos of Ann Arbor Trail, Livonia, announce the marriage of their daughter, Carole Jean Amos to Warren W. Feole. The groom is the son of Mr. and Mrs. Julius Feole of Northville. The wedding took place Dec. 15, 1960 at St. Paul's Lutheran Church in Northville. The groom is employed by Michigan Bell in Plymouth. The couple will make their home in Livonia.

Jean's Jottings
 By JEAN CAMPAU

A few days ago we had the opportunity of seeing a film taken by news photo men covering the House Un-American Activities Committee Hearing of last May 12, 13, and 14, in San Francisco. The movie, titled "Operation Abolition," is more than mildly frightening as it shows the diabolic methods employed by a few hard-core communists, involving hundreds of participants, largely alleged students, and the tactics they used to harass and block the proceedings of the Hearing.

We heartily recommend that program committees of clubs and PTA's take the first possible opportunity to arrange to have this film placed high on their calendar of events.

Now in a lighter vein, we discovered in Nettie L. Dibble's Plymouth History that for two years prior to April 1827, Plymouth was referred to as "Town one south; range eight east." Quite naturally the early settlers bridled under the indignity of living in a town (really a village at the time) that was nameless, and after rejecting Podunk, Joppa, Pekin and LeRoy, William Bartow, a member of the territorial legislative council, suggested the historic name of Plymouth. The name was approved by Gov. Cass on April 12, 1827.

The kick-off ceremonies for the Civil War Centennial took place Jan. 8 in New York. In our perusal of the Dibble History data, we learned that Plymouth played no small part in the Underground Railroad. The Station Masters, after offering shelter and assistance to the fugitives, passed their charges along to the next Station until they finally reached a border point, like Detroit, where they could cross into Canada and freedom from pursuit.

New Art Pieces Hung At Dunning-Hough Library

Works of three more artists, all members of the Three Cities Art Club, were hung last Saturday at Dunning-Hough Library. Every few months the club replaces the exhibit.

Featured this month are Mrs. Betty Spaeth, John E. Van Haren and Harold Stein. Mrs. Spaeth, a Northville housewife, attended Kansas City Art Institute and School of Design and took private lessons for five years. Her hobby is collecting decorative antique tinware.

At the library she is exhibiting "Mackinac Boat Dock," an oil seascape of Mackinac and the Gaspé Peninsula; and "Seashore Corral," a stylized oil of three seashores. Mrs. Spaeth won first prize in the Christmas lighting contest in Northville with a lighted hand-painted angel and star.

John Van Haren, who lives at 42465 Parkhurst, Plymouth, is an assistant professor of art at Eastern Michigan. As a painter, potter and metal worker, he has exhibited in all major Michigan exhibits and is currently showing a watercolor titled "View Near Phoenix Park" at the annual show of the Detroit Artists Market. The exhibit is at the J. L. Hudson Co. and will continue through Jan. 28.

Van Haren is showing jewelry, pottery and paintings at the library exhibit.

Harold Stein, 9433 Ball St., is a charter member of the club. He is a graduate of Eastern Michigan and took graduate studies in humanities at the U of M. He studied art under Carlos Lopez, Chester LaMore and Paul Haller Jones.

Stein is currently teaching at Wayne Memorial High School and teaches in adult education programs in Plymouth and Wayne. His work has appeared in leading Michigan exhibits and it has won several popular prizes. He works in both realistic and contemporary abstract forms.

A MOVIE at the P & A Theatre on Wednesday, Jan. 15 will be sponsored by the Plymouth Business and Professional Women's Club with proceeds going toward a college scholarship for a Plymouth girl. This year, "Young in Heart," starring Doris Day and Frank Sinatra, will be shown at 7 and 9:15 p.m. Donations will be \$1 a person and door prizes will be given at both showings. Mrs. George Bartel, left, president of the B. & P.W., and Mrs. Nancy Tanger, chairman of the event, are shown presenting the first ticket to George Lawton, president of the Plymouth Community Chamber of Commerce. Tickets are being sold in advance and will be available at the door.

Reports, Election Take Place At St. John's

Election of new vestrymen and a report on the past year's events during which the new church was opened were some of the significant items of business transacted at the Annual Parish Meeting of St. John's Episcopal Church last Wednesday night. The meeting was preceded by a potluck supper.

The rector, the Rev. David T. Davies, called the meeting to order and gave his report of the past year. He noted that 1960 had been a very significant year for the parish "in that we had brought to fruition the goal toward which we had been working and sacrificing together for the past few years — namely, the building of our new church and parish house."

The building was occupied on June 5, the Feast of Pentecost, and dedicated by the Rt. Rev. Richard S. Emrich, Ph. D., S.T.D., seventh bishop of Michigan, on Thursday evening, Sept. 15.

Rev. Davies also mentioned that there had been a substantial growth in the congregation since moving into the new church, and that the church is attracting many visitors. There are indications that it will be featured in a number of architectural magazines.

Three vestrymen to serve terms of three years on the Vestry were elected. Elected were Harry J. Christensen, Richard Dunlop and Ernest Ebert, Jr.

Retiring members were Mrs. James E. Hardimon, who was appointed to serve out the term of her late husband, James Hardimon; John F. Eley and Robert C. Utter, who served as senior and junior wardens, respectively. A vote of thanks was extended to the retiring members.

Following the Annual Meeting, the Vestry met to elect officers. They were: senior warden, Richard LaMirand;

New wonder drug cosmetic restores young look to skin

You can look younger. The evidence is startling—documented by doctors and research scientists, hospitals, clinics. Helena Rubinstein's Ultra Feminine® is the only wonder drug cosmetic containing both vital female hormones, estrogen and progesterone. Interacting, these hormones reactivate specific skin cells. Lines smooth out. Wrinkles due to dryness are reduced. Young skin tone is restored to mature skin.

LIFETIME GUARANTEE: Take advantage of this once-a-year sale. Helena Rubinstein promises: "Your skin must look smoother, younger in one month—then must stay younger looking with continued daily use of Ultra Feminine, if used as directed, or return your most recent jar for a full refund."

ONCE-A-YEAR SALE!
 Because Helena Rubinstein is convinced that Ultra Feminine is her greatest cosmetic achievement, she makes this special offer so that you may discover for yourself that you can look younger. One jar will convince you!

Canton Loses a Good Citizen, PTA Sees Life-Saving Film

By ESTHER SPRENGEL
GL 3-0194

The month of January brought a sad loss to the Township, with the death of Mr. Perry Campbell of Canton Center Rd. To many, Mr. Campbell was known as the owner and proprietor of the Jersey Belle Dairy, in which he took so much pride. However, Mr. Campbell had to give up his business due to health some time ago. But foremost, Mr. Campbell took great interest in the Township and the governing thereof. In 1947, he served as Canton Township Supervisor. Funeral services were held Wednesday, Jan. 11. Our sympathies are extended to Mrs. Campbell and family.

The past weeks also brought sad news to the family of Mr. and Mrs. Willard Bowman of Ford Rd. Mrs. Bowman's mother, Mrs. Baker, passed away in Florida. Funeral services were held Thursday, Jan. 12 at St. Clair, Mich. Our sympathies are extended to the family of Mrs. Baker.

living school's PTA's met at the Gallimore School along with other interested PTA groups, to hear and see a talk and movie on "Mouth-to-Mouth Resuscitation." The Township's Fire Chief, Fred Korte, presented to the group, Captain Bill Hackelberry, a retired fire captain of the Detroit Department.

Mr. Hackelberry has been devoting his life to fire prevention and showed a movie on the Chicago school fire which occurred about a year ago. The evening proved a need for more thought to fire prevention in the home. Items to help detect fire, put out fires and means of escape were on display. The movie on mouth-to-mouth resuscitation was in the mind of the writer — a wonderful thing to know by both children and adults. After the showing of this movie, I believe most anyone would have enough knowledge of the procedure to administer mouth-to-mouth resuscitation. The group present was also given cards showing the process step-by-step. Chief Korte assured me

that anyone wishing to have the movie presented to a group may make arrangements through him by calling GL 3-3076. It might interest parents to know that even their children may quickly learn and administer this method of artificial respiration.

Richard Crawford, president of the Canton Community Club, is searching for the answer to a successful community club. The group's main purpose is sponsoring the Boy Scouts. However, this is not their only reason for meeting. The club was to stimulate local interest and recreation. To maintain our Scouts, more persons are needed to join in the group, but foremost a group of our residents could find much pleasure in such a group. I'm sure Mr. Crawford would appreciate suggestions for building up Canton's Community Club. Perhaps talks on local advancement would interest people; perhaps there are certain social functions you would enjoy. Any ideas and suggestions would be most welcome.

Our Township Fire Department has had one fire call in the year 1961. The Township dump was on fire and the department answered the call at 11 p.m. Monday evening, Jan. 9, and were on the job until 2 a.m. Cause undetermined as yet.

We certainly could use some news hints. Don't be bashful about giving me a call.

THE BIGGEST YEAR IN CHEVROLET CAR HISTORY
featuring
AMERICA'S POPULAR PAIR

The best selling **CHEVROLET** The "car of the year" **CORVAIR!**

Overwhelming acceptance of the new 1961 models introduced last fall—together with the tremendous success of the '60 Chevrolets—has sent Chevrolet passenger car sales to an all-time yearly high. More new Chevrolets and new Corvairs were delivered to more people during the past year than ever bought any make of car in a single year before. We and your Chevrolet dealer thank you for your continuing confidence in, and preference for, Chevrolet. Your record-breaking purchases of Chevrolets have significance to everyone thinking of buying a new car this year, and—since sales of new 1961 Chevrolets and Corvairs continue at record-breaking levels—are a healthy indication of the inherent strength and vigor of our national economy.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

The Mail Attitude

Last week your editor announced his desire to win the Republican nomination (at the State Convention) to run for Regent of the University of Michigan.

It's been a merry experience already. The following are a letter and a report which tell of some of the tribulations. They were mailed over the weekend to all delegates in the Seventeenth District. I thought the readers would be interested.

January 16, 1961

Dear Republican Delegate:

Recently I launched a serious effort to win the nomination for the Regent of the University of Michigan.

You will be shocked, I believe, at the efforts since then by a small "palace guard" of five or six men in the Seventeenth District to stop, outmaneuver, or frighten me out of the race.

Instead, they are trying to railroad a candidate of their own selection past your eyes, while going through an elaborate pretense of "equal treatment for all candidates."

At the same time — by maneuvering, swapping votes, lobbying, and gerrymandering of the District delegate vote, they are trying to capture absolute control of the District, of our State Convention delegation and all our share of State GOP offices.

They are doing this right under the nose of a new District chairman.

Scores of delegates in the Seventeenth District have smelled out what is happening. In danger of losing their voice and legal party rights, they are mustering a bitter protest.

But others may not yet know what is happening. I entered the race because of strong belief in the need for a revitalized Republican party with strong, aggressive, informed and "vital" candidates. I also entered because of deep feelings about the danger of permitting CIO-Democrats to capture the policy levels of our University.

The manipulations of this "palace guard" are typical of the internal tumors which have ruined the Republican party for years.

The "kingmakers" are bent on establishing their own power. But to do this, they set up small tin kings.

When the small tin kings are paraded before the voters, they are recognized for their weakness immediately, and clobbered at the polls.

For years, we Republicans have been leaving our fight in the living room. We waste it on ourselves.

And after successive elections, Republicans retreat, wring their hands and weep.

What has happened to me over the past few weeks, is exactly what happened to another new candidate who asked for a fair break. He arrived at the District eight years ago.

A "leader" named George Schaffer told him "to come back when he wasn't wet behind the ears. We have a candidate of our own."

The young man walked across the street. His name was Swainson.

He sits today in the Governor's office in Lansing.

I'm not going to walk across the street.

Many friends outside the District and throughout Michigan have pledged me solid support in the State convention. We can win this nomination as Regent.

The "kingmakers" have not succeeded in frightening me off, or luring me into dropping my guard. I am sincere in my desire to help bring new vitality into the Republican party.

A fight is on. Your support and understanding are respectfully solicited.

The enclosed chronology is an outline of recent events in this District.

Yours very truly,
Paul M. Chandler

University of Michigan '41

P.S. Please attend the District Convention January 18. Your vote could change the entire outcome.

From: Paul Chandler for Regent Committee
Plymouth, Michigan

CHRONOLOGY OF A CANDIDATE

(Note: Paul Chandler has had a life-long interest in politics. He believes it determines our national destiny. He won an A.B. in political science from the University of Michigan in 1941.

(For the past five years he has published community papers in Plymouth, Redford Township and Livonia. Politically, they have taken an independent course, "endorsing" candidates as individuals.

(He believes the number one political problem in Michigan is to re-capture our government on all levels from CIO-Democrat grip. When Hare lost the primary for governor, Chandler gave up hope of the CIO being over-taken from within the Democratic party.

(Recently he jumped in completely to fight for the Republican cause.

(He was encouraged to run, and has offered himself as a Republican candidate for Regent of the University of Michigan.

(The following tells of the traps, pitfalls, and double-dealing which he has received within his own District, during the recent weeks. It is almost identical to what happened to John Swainson in this same district eight years ago.

(Meanwhile, Chandler has built up strong delegate support elsewhere in Wayne County, in outstate Michigan, and in the Upper Peninsula, where he was born and raised.)

BY PAUL CHANDLER

Early in December, long before any other candidates had emerged, I decided to run for the Republican nomination as Regent of the University of Michigan, provided it was approved by local GOP officials.

A conference was arranged with the 17th District Chairman, Robert Sornson, and the former chairman, Darrell Berry. Both greeted the idea enthusiastically. Sornson "encouraged" me, provided specific advice as to people to contact for advice and help, and "wished me all the luck in the world."

Among other things, Sornson indicated he would arrange a meeting with the other District chairmen in the metropolitan area, where the qualifications could be discussed.

A few days later, the Wayne County Republican headquarters called me, expressing delight and an offer to "help in every way possible."

Many other prominent Republicans took the same trouble to call and urge an "all out effort... we need you, and men like you."

I then began to methodically contact and organize convention delegate strength throughout Michigan. A substantial amount of this has been promised.

But, as days passed there came no word of any kind from the District Chairman Sornson. Former chairman Berry phoned one day to state, "Paul, something funny's going on... have you heard anything from Sornson; has he arranged that meeting with the other District Chairman?" "No, not a word," I told him.

Three days later I received another phone call. "There's somebody named Kennedy in the District," said the caller. "I believe he's the son of a Regent, or something."

"And I hear that your 'friend' Jack McDonald, the candidate for Supervisor in Redford Township, is telling people that Kennedy would make a better candidate than you."

"In fact, I hear there's a group of five or six guys in the District who are out to murder you... Phil Baden is one; Weldon Yeager another; Bob Hoard another... and Sornson knows all about it."

I thanked the caller for the rumor report. A call to McDonald brought the answer, "Yes, though I didn't really know you were running... but don't worry, I'll go back to Phil Baden and fix everything up..."

And at this point, I knew there was funny business in the arena.

Ultimately a meeting with the metropolitan area district chairman was arranged, voluntarily through the offices of the Wayne County Republican committee. It was pleasant and I presented my background and qualifications.

Chairman Sornson was there. "My position is known to Paul," he said, "I encouraged him to run and am glad to have him in the picture... but, er there's another candidate in the District, Charley Kennedy's boy. So, er, we have to take a neutral position, really, that is, you can understand."

I asked Sornson who was Kennedy.

"Well, he's son of a Regent, and I suppose he'll get support from that direction."

"Where does he live?"

"Down in the 22nd Ward, I think... he's been a precinct delegate."

"Where does he work, what's his background?"

"I just don't know any more about him than that. But I'm going to arrange a luncheon meeting like this one for him... like this one for you."

A few days later I called Baden, Yeager and Hoard to ask if they would meet to outline the general situation in the District.

We gathered and all three gentlemen proceeded to outline (a) that my efforts had been extremely innocent and naive, that my support didn't exist at all, that they should have been consulted, (b) that Charlie Kennedy was a grand fellow, would have all the power of Michigan alumni and the Michigan medical profession behind him.

The general idea was, "You have no chance, but go on if you want to, you innocent babe."

Twelve hours later Kennedy marched into his luncheon session with the Chairman. At his elbow were George Shaffer, Bob Sornson, Phil Baden, Weldon Yeager and Robert Hoard.

Five hours later Hoard called and asked to meet me. "It looks to me," he said, "that you can't possibly beat this Kennedy." (All in great confidence.)

He painted an awesome picture. The idea was I should withdraw. I told him I wasn't so inclined at all. There had been great work poured into my effort; specific promises of delegate help. I said I knew Kennedy had done no such organizational work, that he came in late and still had his work to do.

"OK," Hoard said, "if you're staying in, here's some people you should see." And he outlined some influential Republican men outstate.

Yeager the next day mailed me a copy of a campaign letter being distributed by the forces for Kennedy. I guess he thought I would regard this as a favor.

Much has been left out of this narrative, because I don't wish to further inform Messrs. Shaffer, Baden, Yeager, Hoard and Sornson.

But it is a literal story of the kind of "equal treatment for all candidates" as offered by the leadership of the Seventeenth District.

I haven't been scared off. Nor out-manuevered. We'll fight it out.

Bud Lanphear led Penniman with 13 points and Ken Kisabeth added 11 for the winners, while Al Runge led the losers with seven points. Mel Eoblean added nine for Penniman and Bob Jenkins and Jerry King had eight each.

In the other Men's league game, Tait's moved into a two-way tie for second place by beating Western Electric 40-38. Tait's now has a 1-1 record as does Cloverdale. Western Electric has won none and lost two.

Bud Bell scored 20 points for Western Electric, which was high for the league last week. Western Electric trailed 30-24 at the opening of the fourth quarter and battled to within two points of victory. Pat Robinson led Tait's with 11 points and teammate Dick Bearup was second with ten points.

Other Recreation League action included opening games in the 18 and Under and 15 and Under leagues. The Shamrocks covered the Midgets 58-15 in the 18 and Under League as Ron McMullen scored 14 points and Gary Fillmore added 12.

VFW took the Yellow Birds 44-13. Darrell Miller led the winners with 12 points and Wayne Wood and Dennis Robertson each had nine.

Gretzinger Betters State Record; Rocks Sink AA

GRETZINGER GREAT—as he betters the State swimming record for the 200 yard individual medley. The individual medley consists of 50 yards each of the butterfly, stroke, backstroke, breaststroke, and free style. Dick Gretzinger is shown here on the return leg of his backstroke effort in his record breaking race against Ann Arbor last Saturday in the Plymouth pool.

Over 400 people jammed into the Plymouth High School Pool last Saturday to watch the Rocks stun Ann Arbor High School with a 69-36 victory. "The biggest crowd in history," Coach John McFall said after the meet.

Fans crowded two deep on the edge of the pool. Many armed themselves with raincoats as they were sprayed with water when someone used the first lane. What they saw was worth a ny discomfort.

Dick Gretzinger raced through 200 yards of the individual medley in 2:12.5 to better the State record for the event. The record for State competition is 2:13.7. The National record is 2:06.4, set last year by Ralph Kendrick of Harry Ellis High School in Berkeley, Calif.

Six pool and six team records were posted by the Rocks who led from the beginning to gain their second consecutive win over Ann Arbor, perennially a state power.

It was the worst beating suffered by Ann Arbor within memory.

Bob Daley got things started right for Plymouth by setting a new pool and team record in the 400 yard freestyle. He won in 4:21.1 and teammate Bill Rossow was third and Plymouth led, 6-3. Ann Arbor's Chapman was second.

Jim Izzett sped to a new 50 yard freestyle team and pool record, winning the event in 23.7. Gary Gould was third, and Plymouth was off to a 12-6 lead in the first two events.

Gretzinger added a pool and team record in the 100 yard butterfly and Barry Corwas third. Gretzinger was timed at 57.0 and Plymouth's margin increased to 19-4.

Without breaking any record, Dick Michaels and Tom Hoffman placed first and third respectively in the 100 yard backstroke to continue Plymouth's solid showing in early events. Phil Bender and Doug Cash were first and third in the 100 yard breaststroke, and Plymouth led, 30-15.

Ron Daley set a pool and team record of 53.0 in the 100 yard free style and Jim Izzett was right behind him in 59.2 to grab a second. Plymouth's margin soared to 38-15. Nick Herrick surprised Plymouth fans by winning

the diving over Ann Arbor's Bill Taylor, who was third in the state last year. The meet began to look safe as Plymouth led, 43-20, after this event.

Gretzinger turned in his sensational performance in the individual medley a few moments later. Barry Corwin was third, as Plymouth's lead went to 49-23. The Daley twins were together in the 200 yard freestyle. Ron won it and Bob was second.

The 200 yard medley relay unit of Michaels, Bender,

Herrick and Gould set a pool and team record of 1:50.0 to win that event.

Ann Arbor's only first came in the 200 yard free style relay, the last event of the meet. Even here, Plymouth

set a team record. Warren Smith, Rossow, Win Schrager and Bill Britcher swam it in 1:37.4, but Ann Arbor was three-tenths of a second quicker. It was that kind of a meet.

RU Wins 49-36 Sub Scores 14 Pts.

Driving to be 1961 Suburban Six League champions, Redford Union rolled by Plymouth's basketball team Friday, 49-36, for their fourth consecutive league win.

Redford Union shares the league lead with Bentley (both 4-0) and the two teams meet next week. Redford Union showed power, poise and talent to Plymouth fans in the Rock gym last Friday.

Plymouth jumped off to an early 11-6 lead, but Redford Union never waived. They plunked in 12 points in a row late in the first period and early in the second to go ahead, 18-11.

The Rocks had suffered terrible shooting luck in the second period, scoring only one of 17 field goal attempts. Redford Union led, 26-16, at the half. It was too much to overcome.

Redford Union's strength is illustrated by the performance of a lanky substitute, Len Lepla. He entered the

JVs Lose In Overtime

Plymouth's junior varsity basketball team battled to a 41-41 tie before losing 50-48 in overtime to Redford Union last Friday.

The Rocks missed a series of foul shots in the three minute overtime. That made the difference in an exciting preliminary game to the varsity contest.

Dave Gothard, who left the game with too many fouls with about one minute remaining in the overtime, led both junior varsity teams with 16 points. Jared Stevens tied for second honors with 14 Redford Union's Crosse. Both had ten points.

SPORTSEEN

By BILL NELSON
"Swimming is a religion here," one observer remarked as Plymouth was sinking Ann Arbor last Saturday.

It's understandable. The Rocks have now won 26 dual meets in a row. In knocking over Ann Arbor last Saturday Plymouth beat a team which had handily handed Birmingham Thursday. Birmingham was second in the State meet last season.

Skin Diving Class Available to Adults

A new class in skin diving is being included in the Winter Term of the Adult Recreation and Education Dept. Meeting Tuesday nights from 9 to 10 p.m. at the High School pool, the class costs \$10. Students must provide their own masks, fins and snorkels. The minimum age is 14.

ORDINANCE NO. 272

AN ORDINANCE TO AMEND SECTION 66 OF ORDINANCE NO. 183, ENTITLED "AN ORDINANCE TO REGULATE THE USE AND OPERATION OF VEHICLES ON THE PUBLIC HIGHWAYS WITHIN THE CITY OF PLYMOUTH, MICHIGAN, TO PROVIDE A PENALTY FOR VIOLATION THEREOF AND TO REPEAL THE TRAFFIC ORDINANCE, NO. 99, AS AMENDED AND ALL ORDINANCES AND PARTS OF ORDINANCES CONTRAVENING THE PROVISIONS OF THIS ORDINANCE," AS AMENDED.

Section 1. Section 66 of Ordinance No. 183, entitled "AN ORDINANCE TO REGULATE THE USE AND OPERATION OF VEHICLES ON THE PUBLIC HIGHWAYS WITHIN THE CITY OF PLYMOUTH, MICHIGAN, TO PROVIDE A PENALTY FOR VIOLATION THEREOF AND TO REPEAL THE TRAFFIC ORDINANCE, NO. 99, AS AMENDED AND ALL ORDINANCES CONTRAVENING THE PROVISIONS OF THIS ORDINANCE," as amended, is hereby amended to read as follows:

Section 66(a). The operator of a vehicle overtaking any bus, stopped or about to stop for the purpose of receiving or discharging any passenger, may proceed past such bus, at the left thereof, at a speed not greater than ten (10) miles an hour, and with due caution for the safety of pedestrians.

(b) The driver of a vehicle shall not overtake or meet and pass any school bus which has stopped for the purpose of receiving or discharging passengers.

(c) The driver of a vehicle overtaking or meeting any school bus which has stopped for the purpose of receiving or discharging any passenger shall bring such vehicle to a full stop at least 10 feet from the school bus and shall not proceed until the school bus resumes motion or the school bus driver signals to proceed or the visual signals are no longer actuated. The driver of the school bus, before resuming motion, shall signal stopped traffic to proceed and shall when resuming motion proceed in such a manner as to allow congested traffic to disperse by keeping the bus as near to the right side of the road as can be done with safety. Passengers crossing the road upon being discharged from a school bus shall cross in front of the stopped school bus. At an intersection where traffic is controlled by an officer or a traffic stop-and-go signal a vehicle need not be brought to a full stop before passing any such school bus, but may proceed past such school bus at a speed not greater than 10 miles an hour and with due caution for the safety of passengers being received or discharged from such school bus.

(d) No school bus driver shall stop his bus upon the highway for the purpose of receiving or discharging passengers unless such bus is clearly visible in its stopped position to approaching or overtaking drivers of vehicles for a distance of at least 500 feet.

(e) The driver of a vehicle upon any highway which has been divided into 2 roadways by leaving an intervening space, or by a physical barrier, or clearly indicated dividing sections so constructed as to impede vehicular traffic, need not stop upon meeting a school bus which has stopped in the roadway across the dividing space, barrier, or section.

Section 2. This ordinance shall become operative and effective on the 25th day of January, 1961.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan on this 3rd day of January A.D. 1961.

Dr. Rupert To Speak at Men's Club Banquet

Dr. Hoover Rupert, pastor of First Methodist Church in Ann Arbor, will be the guest speaker at the annual Ladies Night of the Men's Club of First Methodist Church, Plymouth.

A banquet at 6:30 p.m. on Jan. 30 will precede Dr. Rupert's talk. He is the author of several books: "Prayer Poems on Prayer Perfect," "Christ Above All," "Youth and Evangelism," "Your Life Counts," and "I Belong." He has also just finished a book of sermons and writes a weekly syndicated column, "The Youthful Accent" and has contributed to eight books.

Dr. Rupert has traveled widely, recently visiting eight European countries and preached in Oslo, Copenhagen, Warsaw, Prague and Geneva. He has also appeared on CBS's "Church of the Air."

Veterans of Foreign Wars

The regular meeting of Post 6895 was held Tuesday, Jan. 10. At the meeting the membership drawing was held and the lucky recipients were: Everett Salow who won \$10.00, John Moyer, \$5.00, and Harold Young, \$8.00. The winners will receive checks in these amounts. Congratulations.

As of Dec. 31, 1960 we had 228 paid up members and up to this meeting, 133. We appreciate the fact that members dues are coming in so well. If you haven't paid your dues yet, try to get them in soon so we may reach our 400 per cent membership goal for 1961. In the membership contest, Team 1 is way out ahead with 41 points and Team 2 trails with 15 points. Come on Team 2, let's get going.

AUXILIARY NEWS
On Saturday morning several Post and Aux. members visited the patients at the Maybury Sanitarium. A total of 150 cartons of cigarettes as well as magazines were given to the men. A post member, Ulysses Hackenbury, a patient at the hospital, was also presented with a beautiful basket of fruit. Needless to say, he, as well as all the other patients, were very grateful.
Many auxiliary members attended the Civil Defense program under the direction of Dr. Les Felcham. Many we urge each of our members as well as the general public, to attend these interesting and informative classes.

Legal Notices

Rules and Regulations Governing the Use and Occupancy of State Lands Other than State Parks and Recreation Areas

Pursuant to the authority vested in the Commission of Conservation by the provisions of Act No. 17, Public Acts of 1921, as amended, the following rules and regulations are hereby made and adopted concerning the use and occupancy of state lands other than state parks and recreation areas administered by or under the control of the Department of Conservation.

1. It shall be unlawful:
a. To enter, use, or occupy state lands for any purpose when said lands are posted against such entry, use, or occupancy, as determined by the Director of Conservation.

2. To camp for more than 20 days without the written permission of an authorized representative of the Department of Conservation.

3. To anchor or leave unattended overnight at designated public fishing sites unless the owner's name and address, in legible letters, is affixed to the boat.

4. To store or leave boats, fish shanties, camping equipment, or other property for more than 20 days without the written permission of an authorized representative of the Department of Conservation.

5. To leave unburied refuse and rubbish, including tin cans, bottles, and fish offal, or to deposit same in streams or lakes. Garbage pits or other receptacles must be used where available.

6. To build a fire without proper provision to prevent spreading, or to leave said fire without extinguishing same.

7. To remove, destroy, mutilate, or deface posters, notices, signs, or markers of the Department of Conservation, or of any other agency of government.

8. To post, place, or erect signs, or to place or distribute advertising material, to erect a fence or barrier, to construct or occupy improvements, or to erect a structure on state lands, without the written permission of an authorized representative of the Department of Conservation.

9. To use state lands without the written permission of an authorized representative of the Department of Conservation.

10. To graze state lands without the written permission of an authorized representative of the Department of Conservation.

These rules and regulations shall be in force and effect until May 1, 1971.

PENALTY
Violation of any rule or failure to perform any act set forth in the rules is punishable by fine of not more than \$100 and costs of prosecution, or by imprisonment in the county jail for not more than 90 days, or by both fine and imprisonment in the discretion of the court.
These rules are to take effect February 14, 1961, supersede, and repeal R299.301 governing the use and occupancy of state lands as contained on page 1929 of the 1954 Administrative Code.

CELEBRATING their first anniversary in business in Plymouth, Sandy's Drugs on Penniman cut a large cake for their customers last Friday. Owner Sandy Linsky and his wife Lee are shown cutting the cake. Behind them is the rack of individualized coffee cups for customers.

Conservation Is Topic At Garden Club Program

At the regular meeting of the Plymouth Garden Club Jan. 9, members enjoyed a program presented by the fifth grade from Bird School, under the direction of Mrs. Lois Jensen, who is the club's representative to the Higgins Lake Conservation Institute. Galen Haws, Sue VanAntwerp, David Johnson, Neil Nash and David Hoffman comprised the panel discussing conservation problems from the standpoint of the conservation officer, tourist, industrialist, farmer and sportsman. The problems and questions were answered by Ricky Wylie, Kathi Crawford, Ricky Neale, John Ackerman, John Breed, Chris Corwin, Tom Tichy and Pat McCord. This conservation educational project is supported annually by the Garden Club as a means of educating school children, teachers and the public on the importance and value of conservation. The pupils gave a graphic and comprehensive presentation that was well received by the audience. Israel has practically no rain from April to November.

Obituaries
Stuart Rockafellow Dies At CD Radio Meeting

Stuart C. Rockafellow, whose interest in electronics and radio helped introduce numerous Plymouth area youths to the hobby of ham radio operation, died of a heart attack in the Plymouth City Commission room last Tuesday night, Jan. 10, as he met with a Civil Defense radio group. He was 51. Mr. Rockafellow, who lived at 43450 Reservoir Rd., had been temporarily presiding at a meeting of the group newly formed by the City Civil Defense office. With nearly 40 ham radio operators present, Mr. Rockafellow had just been seated when he complained of not feeling well. Suffering a heart attack, he did not respond to efforts of the City firemen with emergency equipment. Born April 20, 1909 in Flint, Mr. Rockafellow was the son of Ernest and Ethel (Craze) Rockafellow. He was married to the former Laura Stewart on Aug. 29, 1930. Surviving are his wife, his mother, a daughter, Miss Jill Rockafellow, at home; a son, Craig, of Ann Arbor; and one sister, Mrs. Beth Morse of Flint. Mr. Rockafellow was an engineer for Robotron Corp. He moved to the community from Farmington in 1955. He attended the Institute of Radio Engineers and was a member of the American Welding Society, American Radio and Relay League, Southfield Businessmen Association and National Electronics Mathematics Association. An avid amateur radioman, his call letters were W8NJK. Funeral services were held Friday Jan. 11 from the Schrader Funeral home at 11 a.m. The Rev. Paul Cargo of Northville officiated.

Mae Beitner

Mae Beitner Now Managing Bob's Paint Shop

Bob's Paint Spot on Penniman Ave. is now operating under the management of Mrs. Mae Beitner, who for the past 12 1/2 years was employed by Plymouth Lumber Co. Mrs. Beitner's background in decorating was gained at Wayne State University and through training at a paint factory and at the workshop where she learned characteristics of paints and where to apply them. She is adding another service to Bob's Paint Spot by offering free color counseling in the home. She is vice-president of the Plymouth Business and Professional Women's Club, vice-president of the Northland Chapter of the Dale Carnegie Alumni, director of religious education at the Riverside Park Church of God and has finished a term as chairman of the Retail and Professional Division of the Plymouth Chamber of Commerce.

Knut A. Gustafson
Knut A. Gustafson died at the age of 62 Jan. 15, in Henry Ford Hospital after an illness of several months. He was born April 12, 1898 in Eskelstuna, Sweden and came to the United States in 1923, moving from Dearborn to Plymouth in 1926. Mr. Gustafson was a toolmaker at Ford Motor Company and was a member of the Lutheran Church of the Epiphany of Plymouth. Surviving him are his wife, Marie A. Boers Gustafson, one daughter, Mrs. Sally Alenstien of St. Louis, Mo., one sister, Mrs. Ellen Gustafson, and two brothers, Lambert and John Gustafson, all of Sweden. The funeral will be Jan. 18 at 1 p.m. from the Schrader Funeral Home, Rev. John W. Miller will officiate at the services. Interment is to be at Woodmere Cemetery.

Dr. F. Clever Bald
Guest speaker for the Sarah Ann Cochrane Chapter of the D.A.R. at their 94th birthday luncheon was Dr. F. Clever Bald. Dr. Bald's informative talk depicted the life of Col. John Francis Hamtramck, who served as an officer under Gen. George Washington. Dr. Bald is Director of the Michigan Historical Collections, lecturer in history and author of "Detroit's First American Decade," "Michigan in Four Centuries" and numerous articles on Michigan history.

Dr. F. Clever Bald

AAUW to View Africa On Slides Thursday Night

"A Look at Africa Through Slides" will be the theme of the Thursday evening meeting of the Plymouth-Northville Branch of the American Association of University Women when they meet at the Wayne County Training School at 7:45 p.m. William Foster, a recent Fulbright Exchange Teacher and presently a sixth grade teacher at Starkweather School, will show and discuss his African slides. Poster taught at Kitwe Teachers' Training College in northern Rhodesia, and in his spare time he traveled in other parts of Africa. His slides will show many facets of African life: the school, the home, copper mines, and game preserves. Miss Mildred Young, chairman of the hostesses for the evening, will be assisted by Miss Lucile McLaughlin, Mrs. Dempsey Ebert, Mrs. R. F. Endress, and Miss Twyla Hartley.

Masterful

There are excellent reasons why the 1961 Cadillac so completely dominates the highways of America. The finest Cadillac in a long and distinguished history, it is a motor car which reflects an authority unchallenged by any rival. Stately... majestic... masterful... these are words which convey some small measure of the manner in which it takes command of the road and wins the unstinting acclaim of those who drive or ride in it. Your Cadillac dealer cordially invites you to enjoy a memorable demonstration drive at your earliest convenience.

See You There

Friday, Jan. 20 at Krogers in Plymouth is the time set for the Grange Bake Sale.

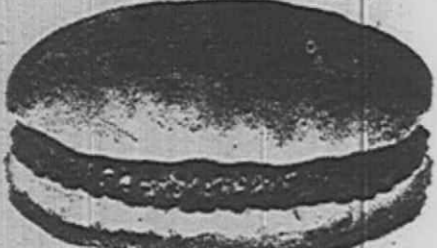

A spaghetti dinner is to be sponsored this Saturday evening from 5 to 7 o'clock at Plymouth High School by the International Relations class as its biggest fund-raising project for a study trip to the United Nations in New York this February. The price for a full meal, including a main course, salad, dessert and beverage, is \$1.25 for adults and 75 cents for children 5 to 10 years of age. Children under 5 will be served free.

Wednesday, Feb. 1 at 8:00 p.m., hostesses for the Rosary Society of Our Lady of Good Counsel Parish will welcome newcomers and members at the annual membership social. Entertainment will feature "Great Women of Romance."

Tells Where

(Continued from Page 1)

Application can also be made each Wednesday at the Nankin Township Hall in Nankin area.

In neighboring Washtenaw County, application must be made in the basement, Room 35 of the County Building in Ann Arbor, Mondays through Fridays. Ray Tice is the director.

Who is eligible? The qualifications differ from county to county. It is based on the monthly income of the family and how much it has in assets.

In Washtenaw County, for instance, a family of four cannot earn more than \$215 a month or have savings of more than \$750. A family of two in Wayne County cannot earn more than \$185 a month or have more than \$555 in savings.

A sliding scale tells exactly what the maximums are for a family, based on the number of dependents. If a family qualifies, it is issued a card entitling it to obtain the food. It is issued once a month.

For this area, of Wayne County, food is drawn at a market at Ford and Dix Roads, either the Monday, Tuesday or Wednesday after the third Sunday. In Washtenaw County, it is issued at Ypsilanti and Ann Arbor on the fourth Tuesday of each month.

What type of food is given? This month, recipients will receive non-fat dry milk, lard, rice, white and whole wheat flour, cornmeal and dried eggs. The amount, of course, is based on family size. None of the food can be given away, sold or destroyed, according to government regulations.

Water Bond

(Continued from Page 1)

Assistant Prosecutor Hobart Taylor journeyed to Chicago last Wednesday to sign the bonds which are in \$1,000 denominations. Mrs. Wise and Branigan were actual signers and the others witnessed the signing. The bonds were then carried back to Detroit by Brink's.

Last Friday, the bonds were to be turned over to First of Michigan, but a printing error in the interest rate was found on 60 of the bonds. This held up the transaction until Monday—one day before the charter vote.

Township Board Hears Sewer Contract Details

Another look at the proposed interceptor sewer contract, discussion of Plymouth Colony's sewer problems and the setting of a salary for the treasurer were some of the agenda items facing the Plymouth Township Board at their regular monthly meeting last week.

George Bingham of the Wayne County Department of Public Works was present to explain details of the contract for the Rouge Valley Interceptor. Bids for the \$18 million interceptor that will serve Western Wayne County have already been received, but signing of the contracts with the participating communities has been delayed pending a re-write delineating certain phases.

Bingham explained that Plymouth Township's allotment for 8,000 taps is based on an expected population of 24,000 by 1975. He held an optimistic attitude that the 17 communities involved in the project will sign contracts so that work can get started in February or March. In any event, he said, the project will get underway this year and if any community fails to go along, a court-ordered program would result.

Herald Hamill, consulting engineer for the Township, reported by letter that it would cost an estimated \$86,301 to extend a sewer to Plymouth

Plymouth High School

By Lester Barison

An investment club! That's what a group of PHS'ers under the direction of Mr. Warren Pelton, history teacher, have formed. The group will study and evaluate the happenings in the stock market. Much such analysis is to take place before any definite investments are made. Dave Sutherland was recently elected president while Ken Evans was chosen as secretary. Ken said that all students who are interested in the club's field of activities are most welcome to join, and should attend one of its regular noon meetings on Wednesday in room 27.

Further in the club vein, the National Thespian Society, Troupe 1784, has announced that it is now accepting applications for membership. Those who feel that they have done enough work in the dramatic arts, both from the standpoint of actual acting on stage and other fields related to dramatic production, may submit a sheet listing their activities to either club secretary Georgina Daubresse or any Thespian member before Jan. 19. The impressive candlelight initiation is to be held on the evening of Feb. 14.

The high school band had its first local Solo and Ensemble Festival last night. A musical array of solos, duets, trios, and quartets as well as a brass sextet and various instrumental combinations were presented to the audience, many of whom had come to hear their favorite instrumentalists perform on a more individual basis than usual.

All those bandsmen whom the judges awarded a first or second place rating will compete next February at a larger district festival, and with luck will go on to compete for honors in the state festival at Jackson on March 25. Another splendid opportunity for the bandsmen is their participation in the upcoming school production of Gilbert and Sullivan's operetta "The Mikado," when they will be called upon to effectively provide musical accompaniment for the vocal groups.

Peanut Sale Adds \$278 To March of Dimes Fund

The annual March of Dimes Peanut Sale last Saturday swelled funds by \$278.35.

Seventy-four Plymouth teenagers from the Junior High and Our Lady of Good Counsel were on the sidewalks selling peanuts for the New March of Dimes. The Peanut Sale chairman was Mrs. Harry Bartel.

A "thanks" was extended to several places of business which allotted space to the young volunteers. They were Kresge's, Better Home Appliances, and Dickerson Market. Hot chocolate was served the volunteers at Cloverdale Dairy and Beyer Drugs.

Mrs. James Shaw reports that \$25 has been turned in at coffee parties, another special activity. Those wishing to have a party to fight the crippling of polio, arthritis, and birth defects may call her at GL 3-6888.

Mrs. Joseph Witwer, local March of Dimes chairman, announces that the annual Mothers' March will be held Sunday afternoon, Jan. 29 from 2 to 4 p.m. in both the Township and the City. The Mothers' March chairman, Mrs. Charles Olson, needs more volunteers for this most

City Hall Has Lively Session

(Continued from Page 1)

He concluded his remarks Monday night by telling the City manager that he may soon not have a job. (The manager is hired and discharged by the City Commission.)

The rezoning proposal concerns a change of a lot and a large parcel on Joy St. from R-1 (one family) to E-2. A sign for Smith Realty asked to have the parcel rezoned in order to erect co-op apartments of around 12 units. The lot involved is one on which Don Lightfoot has a home.

A petition signed by 25 neighbors objected to the change, claiming that it would depreciate the value of their homes. During the half-hour discussion, the residents claimed that the change would mean that Lightfoot would increase the use of his premises for operation of his heating business, and that the apartments would be undesirable in a neighborhood of homes.

Vaughan Smith pointed out that the apartments will be sold, not rented, and that they will return taxes to the City and schools. There was also some discussion over the point whether Lightfoot began operation of his heating business before or after the City's first zoning ordinance in November 1939. A report by Manager Glassford declared that he started it in January that year, placing it in non-conforming use category. Concluding the discussion

was a vote by Commissioners on the first reading of the ordinance change. Commissioner J. Rusling Cutler disqualified himself because he is involved in the matter privately as an attorney. Yes votes were cast by Commissioners Richard Wernette, Robert Sincok and Carl Shear. No votes came from William Hartmann and Marvin Terry. The first reading was approved.

The commission accepted a proposal from the Board of Education to sell the school district 4.766 acres of land between Blanche and Farmer St. behind the High School. The price will be \$23,830. Commissioners approved the sale providing half of the payment is made this year.

City Loses

(Continued from Page 1)

year and that the county's tax bills will now be issued.

Late last month, City Treasurer Kenneth Way sent out the City bills. Known commonly as the "summer tax," the City bills were to have been issued last July. The "winter bills" consisting of county and school taxes, are normally sent out Dec. 1. Since they, too, were delayed, they are not due until Feb. 3. Way said that he has ordered that the winter bills now be printed and he expects them to be in the mail around Feb. 1. Because of equalization and a small increase in school taxes, a vote was approved by voters last June, property owners will find their winter bills increased around 10 percent over last year.

Firemen Continue

(Continued from Page 1)

do with the business. The building is owned by J. Miller and J. Gilbur of Huntington Woods.

The loss is expected to be the heaviest since 1958 when Daisy Manufacturing suffered a loss of \$201,000.

Fire Losses

(Continued from Page 1)

The William Dwyer home at Holbrook and Pearl had \$4,000 worth of damage.

The largest cause of fires in the City were 13 touched off by minors, the report indicates. There were 10 each started by careless smoking, careless burning of rubbish, six through careless use of matches, five by faulty heating equipment and three by faulty electrical equipment.

The largest fire in the City last year was the Charles Finlan home on S. Main St. where a gas explosion touched off a fire that caused damage estimated at \$7,000. City firemen also had 101 emergency truck runs.

THE GOOD OLD DAYS... FROM THE PAGES OF THE MAIL

10 Years Ago

Despite some layoffs, the Plymouth area labor force is at an all time high, the local branch of the Michigan Unemployment Commission announced, and these are slowly filtering back to jobs.

A trio of popular soloists will perform with the Plymouth Symphony Orchestra at the recital concert Jan. 28 in the high school auditorium. Paul Wagner is director of the orchestra.

Richard Gray, 259 Elizabeth St., is now on active duty with the 2242nd Air Force Reserve Training Center, Selfridge Air Force Base. Mr. and Mrs. Walter Klein-schmidt received a letter from their son, Mike, stating that his ship, the U.S.S. Montague, took part in the evacuation at Hankung, Korea.

25 Years Ago

When the flames died away in the fire that completely destroyed the First Presbyterian Church, it was revealed that the old Bible that had served many pastors of the church was undamaged, except for water. Its pages were as good as ever and it was the only thing in the entire church that was not ruined or damaged by flames. Although the members of the First Baptist Church are bending every effort to clear their organization from debt,

50 Years Ago

Bertha and Myron Beals, the Misses Jolliffe and Mrs. M. H. Ladd attended the Madame Schuman-Heink concert at the Light Guard Armory last Friday night.

Whether one wears a hobble skirt or not, there is no question that one must be up to date enough to accept the moderately narrow skirt of the season. Skirts are not allowed to stand out. Now, the muslin petticoat does not aid

or abet a skirt to remain close to the ankles.

A. C. Root, six miles west of Plymouth, has a big auction sale Tuesday, Feb. 21 at 10 a.m. Five horses, 16 head of cattle, 45 sheep and 14 hogs is enumerated among the livestock. Frank Boyle is to be auctioneer.

W.C.T.C. news — While this week's meeting was well attended and interesting, the State President is deploring the fact that there is not the usual increase of membership. She says, "The battle is on us as never before, so I come to you with this call—fill up the ranks."

F. F. Pinckney has purchased a candy business in Northville. He took possession Monday.

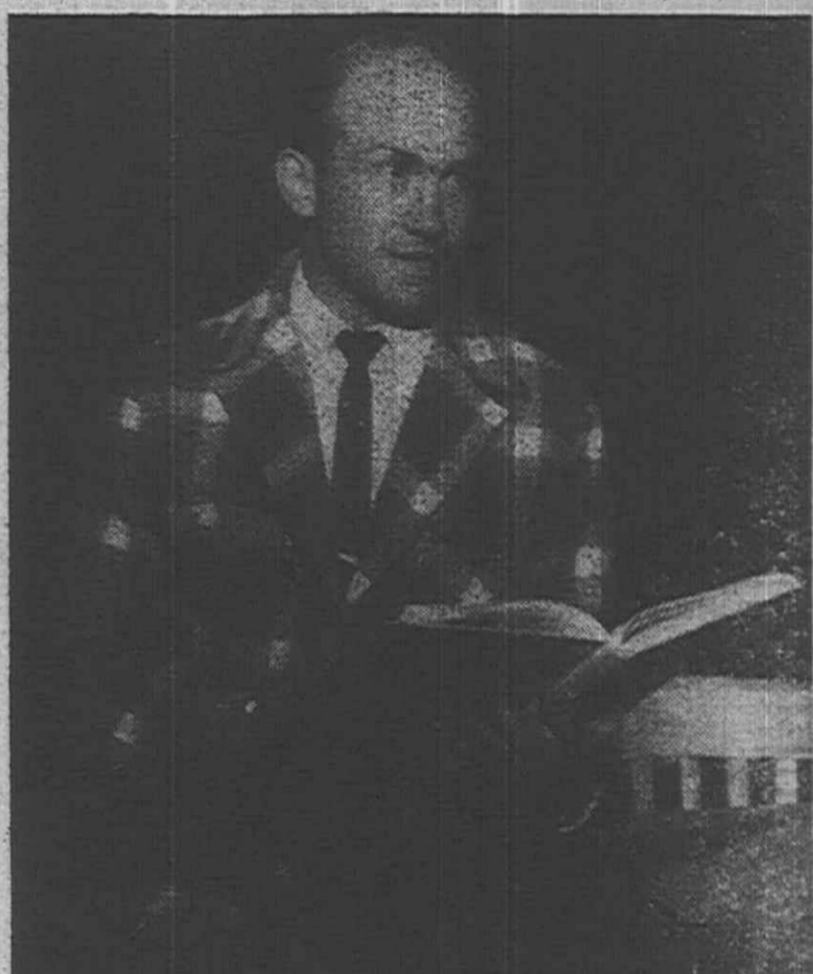

F. J. Pierce, the Depot Restaurant proprietor, is doing a hustling business. As many as 100 per day take meals there.

Gordon Holland Wins Rifle Medal

The Expert Rifleman Medal, second highest award in American junior shooting, has been won by Gordon Ray Holland of 259 E. Pearl St., Plymouth, the National Rifle Assn. announced here today. Shooting several hundred targets in the last few months the new expert marksman fired his way through 13 lower NRA qualifications to achieve his new high rating. With one more set of targets to fire, the new expert will up his rating to Distinguished Rifleman, the select top rating for the junior shooters of the nation.

The new junior expert attends Plymouth Jr. High and is a member of the Plymouth Jr. Police Rifle Club.

Who's Who in the Plymouth Community Schools

Max Sommerville

A young man of many interests and talents is Max Sommerville, who teaches a combination fifth and sixth grade class at Smith School. Mr. Sommerville, who has spent his entire four-year teaching career to date in Plymouth, is one of the newer members of our local teaching staff.

The Sommerville clan, which includes wife Darlene, Kristi Kay who is an enterprising two-year old, and Scott, who will soon be five and will enter Farrand School next fall as a kindergartner, live at 3214 Brentwood Dr. Prior to becoming a mother, Mrs. Sommerville was a secretary at Boyne City High School for three years.

A native of East Jordan, Mich., Mr. Sommerville attended East Jordan High School. The elder Sommer-villes still make their home there where his father, Leo, was a merchant until his recent semi-retirement. His mother, Dorothy, is a housewife. Mr. Sommerville's sister, Frances, is a teacher and a housewife, while a brother, Jack, is an executive of the Gaylord Standard Products.

Mr. Sommerville attended Alma College in 1951. During the 1952-1953 school year he enrolled in Central Michigan University.

For the next two years Uncle Sam was his employer while he served as a corporal in the artillery of the U. S. Army. During that time he was stationed in the Southern states spending most of his service in Oklahoma. After his discharge from the Army in 1955, he continued his studies as a recipient of the Korean G. I. Bill at Central Michigan University.

At present he is doing work in the University of Michigan Graduate School. Mr. Sommerville attended summer school there last year. He will complete his master's degree requirements during the spring semester of 1961 and will then receive his degree in elementary supervision and administration.

Mr. Sommerville is an active member of the Plymouth Education Association.

In addition to his duties as a teacher, husband, father and student, he is interested and works at his hobbies of woodworking, ceramics, golf, softball, gardening and lawn care. He is also a high school athletic official at football, basketball and baseball games.

Men In Service

John W. Huber

John W. Huber, son of Mr. and Mrs. James F. Huber, of 279 Ann St., graduated from recruit training Jan. 18 at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp," included a review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" developed in a Navy Blue jacket, ready for duty with the fleet.

NESTING

SAN ANGELO, Tex. (UPI)—Willard Cates hung his w's h-and-wear trousers on the clothesline to dry, and returned to find a mockingbird had appropriated one of the pockets for a nest.

Do We Fit Christ's Words Or Vice Versa?

The word "brotherhood" has
different meanings for different
people.
For some the word has a
more limited meaning than for
others. Few can bring them-
selves to shake of their prej-
udices in a Christianlike man-
ner to embrace—if only in thought
—all men everywhere.
This is a big order for even
the most devout Christian. As
we are beset by troubles
throughout our lifetime, it is
all too tempting to blame
others for our own mistakes.
Perhaps it is the people across
the street, foreigners, those of
other religions and races. Look-
ing down on someone is always
the easy way to believe that
others are looking up to us.
Thus, reacting to the pres-
sures of our own frustrations
and shortcomings, it becomes
all too simple to put aside the
words of Christ to his apostles:
"Love one another."
There was no qualification.
He did not say: "Love those
you choose to love" or "Love
only those who love you."

Bishop Confirms Class of 45 At St. John's This Sunday

The Rt. Rev. Archie Henry
Crowley, suffragan bishop of
the Diocese of Michigan, will
make an Episcopal Visitation to
St. John's Episcopal Church this
Sunday, Jan. 22,
for the purpose of administering
the rite of Confirmation.
A class of 45 persons will
be presented by the Rector,
the Rev. David T. Davies.
Following the service, a recep-
tion will be held in the
Parish Hall in honor of the
confirmees, as well as to af-
ford the congregation an op-
portunity to greet the bishop.

Bishop Crowley

Bishop Crowley was conse-
crated suffragan bishop of
the Diocese of Michigan on
Sept. 30, 1954.
He was born in Lynn,
Mass. in 1907. He was gradu-
ated from Dartmouth Col-
lege in 1929, and the Episco-
pal Theological School, Cam-
bridge, Mass. in 1934. Before
entering the latter he taught
in the public schools in Lynn
for two years. Recently he re-
ceived an honorary degree of
doctor of divinity from Ken-
yon College.
After two years as Curate
of Grace Church, Lawrence,
Mass. he became rector of that
parish, serving in that
capacity until he came to the
Diocese of Michigan in 1949.
From that time until his elec-
tion in 1954 he served as rector
of St. James' Church,
Grosse Ile.
As suffragan bishop of the
Diocese of Michigan his re-
sponsibilities include the De-
partment of Boys' Work, The
Department of Christian Edu-
cation, the Department of
Christian Social Rela-
tions, The Girls' Friendly So-
ciety, Laymen's Work, Dioc-
esan Camps and Confer-
ences, Diocesan Institutions,
the Marriage Commission of
Advice to the Bishop and

Men In Service

Freddie Spencer
Freddie Spencer, fireman
apprentice, USN, son of Ray-
mond Spencer of 646 Maple
Ave., Plymouth, is serving
aboard the attack aircraft
carrier USS Coral Sea oper-
ating with the Seventh Fleet
in the Western Pacific.
The Coral Sea, flagship for
Commander, Carrier Divi-
sion Five, was scheduled to
visit Japan and Okinawa for
the Christmas and New Year
holidays.
About half the population of
the United States brushes its
teeth twice a day, according
to a recent survey, and 15
percent three times a day.

TIPS FOR TEENS

By ELINOR WILLIAMS
Q.—"Dear Elinor: I am a
boy of 15, almost 16, and my
girlfriend is almost 13. My
friends tease me about her
because she is younger than
I am. I try to tell them that
most boys are older than
their girlfriends and most
married men are older than
their wives. Am I right, or
wrong in having this girl for
a friend? How can I keep
the kids from teasing me? I
get mad easily and I don't
want to get into a fight about
it."
Ans. — This isn't too much
age difference, if you have
fun together and if you keep
all her family's rules about
dating when you're with her.
So ignore what your friends
say when they tease you.
Don't let them see that it
bothers you and they'll stop.

Keep your "boiling point"
down, too, because this isn't
important enough to fight
about. You're right that boys
— and men — are often older
in date-couples as well as
marriages.
Q.—"Dear Elinor: I have a
good friend, a girl, but some-
times I ask her to call me
on the telephone for some
reason and she says she will
never call me unless it is
"very important." Most of the
time it is important to me.
Put something in your col-
umn to make her change her
mind!"
Ans. — She means that she
prefers not to be the one who
telephones a boy unless it is
unavoidable. And she's right.
It's better for the boy to do
the telephoning whenever
possible for many reasons...
so be glad you have a date-
partner with good sense!

NOTICE OF PUBLIC HEARING

ON A
PROPOSED AMENDMENT
TO THE
PLYMOUTH TOWNSHIP ZONING ORDINANCE
WAYNE COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hear-
ing on a Proposed Amendment to the Map of the Zon-
ing Ordinance for the Township of Plymouth will be
held on January 18, 1961, at 8:00 o'clock p.m. East-
ern Standard time at the Plymouth Township Hall,
located at 42350 Ann Arbor Road.

The proposed Map change proposes a change
from R-2 To Family Residential to R-3 Multiple
Family Residential for that area commencing at
the Southeast corner of the West 1/2 of the S.E.
1/4 of Section 26, T. 1 S., R. 8 E., Plymouth Town-
ship, Wayne County, Michigan. Running thence
N. 1 degree 52' 58" W. along the East line of the
West 1/2 of the S. E. 1/4 of said Section 26, a dis-
tance of 682.68 feet for a POINT OF BEGINNING;
Running thence S. 82 degrees 22' 04" W., 46.00
feet; thence N. 1 degree 47' 58" W., parallel to
and 120 feet easterly from the easterly line of
Park Entrance Drive 555.88 feet; thence Easterly
along the south boundary of Middle Rouge Park-
way four courses as follows: S. 84 degrees 52'
34" E., 236.40 feet; and S. 60 degrees 42' 31" E.,
280.82 feet; and S. 41 degrees 16' 17" E., 228.60
feet; and S. 69 degrees 07' 45" E., 164.90 feet;
thence S. 0 degrees 49' 10" W., 144.54 feet; thence
S. 88 degrees 22' 04" W., 720.04 feet to the POINT
OF BEGINNING, containing 7.025 acres of land
more or less, lying south of the Middle Rouge
Parkway property and 120 feet east of the east
right-of-way line of Park Entrance Drive.

NOTICE IS FURTHER GIVEN that the proposed
Amendment to the Map may be examined at the
Township Hall, at 42350 Ann Arbor Road from 9:00
a.m. to 5:00 p.m. each day Monday through Friday
and on Saturday morning until the date of the Public
Hearing.

PLYMOUTH TOWNSHIP ZONING BOARD
Claude Rocker, Secretary

All About BABIES

By Dr. Bernard Kushner, President, Vision Conservation Institute

The human eye seems to be one of Mother Nature's favorite and outstanding creations. It has more than 100,000,000 parts and is infinitely more complex than anything made by man.

Because the eye is so complex, its intricate parts become differentiated early in the unborn child. Three months before a baby is born, he is blinking his eyelids and is moving his eyes much as he will when he begins to explore the world of light in a few weeks.

However, vision needs time for growth after birth. A child's eyes must be developed for all the wonderful seeing tasks that two eyes working together with the brain can perform. At birth, the part of the eye on which clearest vision depends is not fully developed. Only time brings about development.

As if these practical functions were not enough, eyes must also be beautiful. Your baby is born with blue eyes. But, the color will change by the accumulation of pigment in a coating over the iris, if he is destined to be brown-eyed, for instance.

There can be endless fascination in watching a baby progress from one stage to another as he learns to see and get meaning out of the information that his eyes gather so avidly. At first, a baby checks everything with his mouth, as if he didn't trust his eyes. What an achievement it is when he develops hand-eye coordination, when his eyes can guide his hand or foot.

You can watch your child build what optometrists call his space world. As you would expect, he is the center of it. At first, he has little awareness of anything beyond arm's length. Slowly, the space expands. He learns what and where the objects are that his eyes see. This is a developmental process involving not only his eyes, but his whole being.

Eye doctors point out that baby first explores this expanding world with his right hand, foot and eye. Then, in turn, will come a period of concentration on the left. Soon, this cycle is repeated and growth and development take place.

Optometrists find that for the first few months, a baby's eye may be turned under the nose or "crossed" as it is commonly described. At this time, baby is using the other eye. There is nothing to be concerned about at this time.

Have a Good Breakfast, Says Health Chief

Does your breakfast help to give you as much energy and buoyant health as it should, Dr. Joseph G. Molner, City-County Health Commissioner, asks?

Your breakfast should contain one-fourth to one-third of the entire food requirements for the day. An adequate breakfast for everyone is important for starting the day right. Eating a good breakfast as a means of helping to make a better school record is backed by a number of studies. Students who had a good breakfast turned out more work, were quicker in their reactions and were less tired as easily as children who came to school without breakfast.

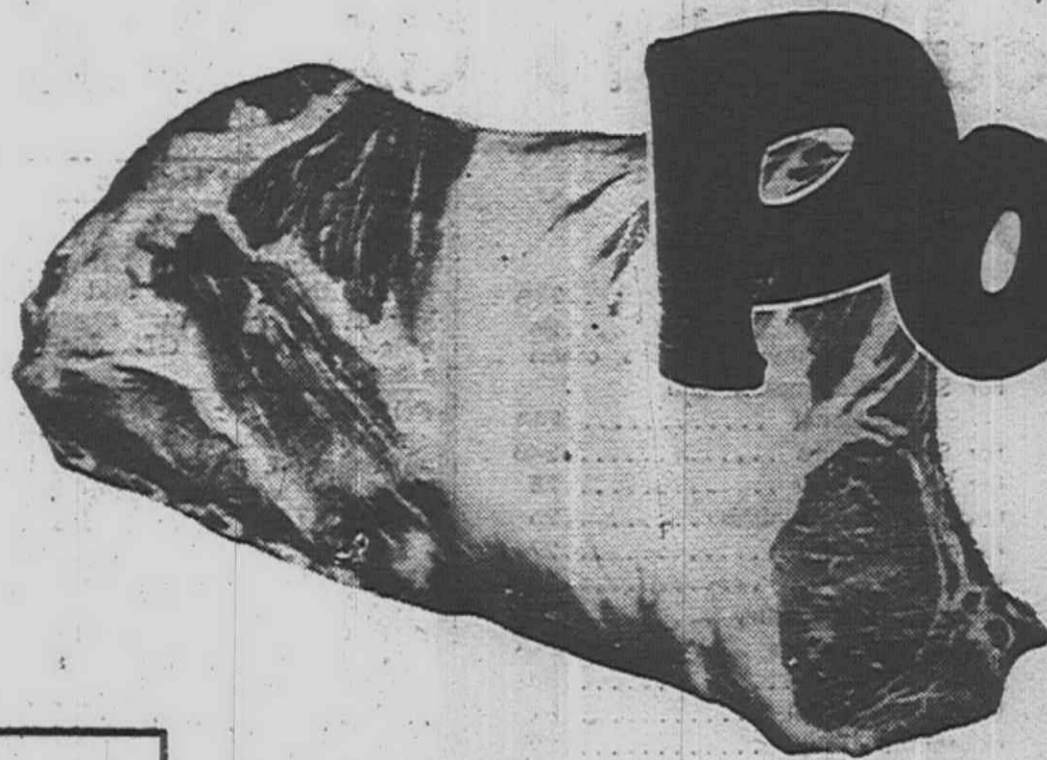

A good breakfast should include fruit, milk, cereal, bread — whole wheat or enriched — and butter or margarine. An egg should be included three to five times a week and either a hot drink or hot dish should be included. Breakfast advanced made an appetizing meal and have more variety than the average breakfast provides. Teenagers need more food than children or adults because their rate of growth is faster — for them an egg five times a week is desirable.

Even in families in which the mother works and must leave before the children have their breakfast, advance planning can provide for their needs. With fresh fruit or fruit juice in a covered container in the ice box and with milk, bread, softened butter and a choice of cereal, even a very young child can manage his own breakfast on a "do-it-yourself" basis. The secret of success here is that there must be advance planning to have the food in the right place and the child properly instructed.

Dr. Molner says, "A hungry child cannot learn as well as he should and like a hungry adult he is at a disadvantage in his relationships with others, so send him to school with a good breakfast, eaten without rush or tension."

Even for adults who are on a reducing diet, three well-balanced meals are necessary. A well-balanced adequate breakfast is a help to those who are struggling to lose weight.

"Every business concern needs some promising young men — in order to attract good secretaries." — Marjorie Johnson.

If one cannot enjoy reading a book over and over again, there is no use in reading it at all. — Oscar Wilde

Editorial

No Mystery About Michigan

The only surprise in Gov. Swainson's message to the legislature was the fact that he offered no surprising suggestions for the future of the state.

Both Democrats and Republicans had anticipated recommendations by the young Governor to create a new atmosphere at the capitol. They expected he would come up with a couple of ideas establishing youthful vigor in the new administration.

For the time being, however, he has picked up where Gov. Williams ended by repeating the frazzled fact that something is very wrong with Michigan's economy and that everyone in Lansing must work together to find a cure.

The new Governor set his keynote by saying: "There is no task of greater urgency facing our state and our people.

"The key to Michigan's economic problems resides in Michigan. It lies in the energies, the optimism, the strength and the determination of the people. Full employment means greater fiscal strength and stability."

No one can take issue with these platitudes.

There is an old gag that Coolidge said unemployment results when people are out of work. Gov. Swainson's point was the opposite.

But he presented the Republican-controlled legislature with a problem that has no solution as long as the Democratic Party is governed by a labor union.

There is no mystery in diagnosing Michigan's illness.

New industries cannot be attracted to this state as long as the courts make new rules like the Ford Motor Co. decision granting unemployment compensation to employes who are

out of work because of a strike, and the recent decree granting compensation to a worker injured while at lunch away from the property.

New industries cannot be enticed to Michigan when workmen's compensation insurance rates reach the highest level in the nation and threaten to go higher.

The constant threat of higher unemployment compensation, assessed against employers, is not persuasive advertising.

The State Labor Department policy that employers always are wrong is not an asset.

So the remedy to Michigan's depressing climate rests with Gov. Swainson really, not with the legislature. He alone will be responsible for the policies of the commissions that will make up his government.

All talk about reorganizing and strengthening the Economic Development Commission becomes meaningless as long as the government regards employes as ugly enemies.

A few hours before Gov. Swainson went to the legislature with his message, a warning about the present course of government was made in Detroit by John F. Gordon, president of General Motors.

"They would have us believe," said Gordon, "that the United States is sacrificing social benefits for material indulgence — that our production of consumer goods like automobiles is using too much energy and too many resources that should be allocated to public goods like schools, hospitals — and yes — missiles.

"They do not seem to understand that it is the production of consumer goods and services that makes possible the tax revenues necessary to create social goods."

—Frank Morris

Under 21

By DAN HALLIGAN

Dear Dan: I'm a girl who loves to write letters and receive them and am wondering if writing to a serviceman would be considered improper if I didn't know him? My best friend has been writing to a soldier for nearly a year and now he's sent her the name of a buddy. The buddy wants a girl to write to him. My parents have already said I could write to this soldier but I thought I should ask you too before making my decision.—Jackie.

Dear Jackie: I'm always in favor of servicemen receiving mail and favor this arrangement with reservations. Keep your letters on a friendship-only basis, don't say anything in your letters you don't mean and don't let the soldier write anything out of line.

If he starts getting too romantic, tell him you can't receive that type of mail any longer. Letters between a serviceman and a teen-age girl can be nice to send and receive as long as the subject matter remains on the level.

Dear Dan: My grandparents gave me a trombone three years ago as a birthday present. I'd like to buy a better and more expensive trombone now and want to trade in the first horn as a down-payment. My mother says she'd like me to be able to do that but that it wouldn't be proper.

Proper or not, there's no sense in having two trombones and if I can't trade in my first trombone, I won't be able to get the new one. What do you think about this?—D. S.

Dear D. S.: It's never considered too polite to trade away a present but in a case such as yours, I'm sure your grandparents would understand. As a matter of fact, they would probably be happy knowing their initial musical present has helped you progress as far as you have. Ask it,

their permission and I'm sure you'll get it.

Dear Dan: My steady and I have never had an argument except over one thing and that's parking. He allowed me to give the orders when we were just dating but we started going steady last month and somehow or other he has the idea that type of dating changes matters. He says we're expected to park sometime during each date and when I disagree, he gets mad and we end up having a big fight. I don't like arguing all the time but I don't believe a girl should risk the start of a bad reputation just because of going steady. Am I wrong in my thinking?—No Parker.

Dear No Parker: The person wrong in his thinking is your boy friend and the quicker you tell him he is, the quicker you two will stop your arguments. Just because a boy and girl start sitting steady doesn't mean the girl is supposed to change her way of thinking where parking is concerned. If you don't approve of parking, you just don't and there's no argument.

Dear Dan: I have hair that I don't quite know how to manage, especially where the color is concerned and I would like to know if I would be considered cheap if I went to a beauty parlor and had it tinted every so often. Remember, I'm not talking about dyeing my hair. What do you have to say about this?—Queenie.

Dear Queenie: I'd have to see your hair before I could say anything about tinting it but because I can't, I'll refer you to a beauty parlor in your city. Personally, I'm opposed to women dyeing their hair and that goes double when teen-agers are concerned. Tinting may be something else again but you'd better ask an authority as far as you have. Ask it,

Michigan Mirror

Big Gas Companies Collide

By ELMER E. WHITE

LANSING — Michigan is caught in the middle of a hassle between giant corporations over natural gas.

Conceivably, higher bills to individual customers could result from the struggle, though no move is now underway to obtain permission for a gas rate hike by any party in the dispute.

Involved in the fight, which is in the federal courts and before federal and state agencies which have the power to regulate utilities, are Panhandle Eastern Pipeline Co., a supplier of natural gas, and American Natural Gas Co. The latter's subsidiary, Michigan Consolidated Gas Co., is well known to southeastern Michigan residents and to people in other areas as well.

The extremely complex questions at issue between the two systems include how much, if any, gas Panhandle should sell to the Michigan utility.

The profit motive is, of course, at work.

But to say that either side lacks conviction that its position is ultimately the one which will enable the best and cheapest service to both the homeowner and the huge industrial user would be unfair.

The Federal Power Commission and the Michigan Public Service Commission are governmental agencies set up to regulate utilities because questions of the public good are inherent in their operations.

Protecting the consumer and making sure the utilities receive a fair price for their service are part of the duties of the FPC and MPSC.

Appeal from the decisions of the regulatory agencies can be made to the courts if a company coming under them thinks a decision should be mod-

ified. That happened in the Panhandle-American Natural case.

The struggle over natural gas is an example of how everyday business activity affects each individual consumer.

Corporations of a quasi-public nature, such as the utilities, must carry on their high-level maneuvering and business agreements and disagreements under the public eye.

Purely commercial firms can cloak their competitive rows in secrecy under the heading, "private business matters."

Ultimately, however, the cost of these maneuvers come home to roost on the consumer's pocketbook. And that includes the cost of long lawsuits and repeated appearances before regulatory agencies.

WHY SHOULD A pedestrian walking along a highway use the left side of the road; walk facing the oncoming traffic?

A reasonable and correct answer is that it's safer that way. Drivers can see the pedestrian better when he is facing them. The pedestrian can also dodge out of the way better should a driver fail to see him and come dangerously close.

But it's also against the law to walk on the right side unless it's impossible to keep to the left.

Attorney General Paul L. Adams recently answered a citizen's query on the point, and probably cleared up the question or many others who, though they always walked on the left side, weren't quite sure why.

Anyway, Adams cleared the point up for once and all:

Not only is it good practice to walk on the left, it's mandatory under the law. For those who want to see for themselves what the law says, Adams refers them to the Michigan Vehicle Code, Section 655.

Lunch Menu In Plymouth's Schools

First Bond Payment Level Reached As Rambler Sales Increase. 34,324 U.S. SAVINGS BONDS ARE ON THE WAY TO DECEMBER RAMBLER BUYERS

39th Straight Record-Breaking Month Means Bonds for December Buyers of Ramblers and "Mets". Now January Buyers Can Share, Too. Bonds are already on the way to the 34,324 customers who took delivery of new Ramblers in December (the 39th straight month in which Rambler sales set an all-time high over corresponding previous months).

How's Business? Here's Forecast for 1961. By ROGER W. BABSON. In retrospect, 1960 proved to be a good year for business. The total dollar value of goods and services produced attained a new high; industrial production for the year as a whole was at a new peak; personal income set a record; and consumer spending — including both purchases of goods and outlays for services — climbed to a new peak level.

Local Phone Users Can Reach 130 Million Other Telephones

Telephone users in Plymouth cannot get through to Basutoland, Iri, Swaziland, Christmas Island or a few other remote spots. But they can reach more than 130 million other telephones around the world which represent more than 97 per cent of all the phones on earth.

The 1960 edition of "The World's Telephones," released by the American Telephone and Telegraph Co., reports that in 1959 the number of phones in the world rose to 133.6 million, a gain of almost 9 million over the previous year. More than half of them are in the United States.

All figures in the report, an annual statistical study undertaken by AT&T, are as of the end of 1959, as it takes a year to compile the statistics. At that time, the United

States had 70,821,000 phones. Today, there are more than 74 million.

American cities, such as Washington, Atlantic City, and Las Vegas, which consist predominantly of an adult population — such as government workers and conventioners — have the greatest number of telephones for each 100 persons.

Washington has 83 telephones for every 100 men, women, and children living here. This ranks the nation's capital as the first in the world in the number of telephones per capita. Atlantic City has 68.8 phones, and Las Vegas has 66.5, per 100 population.

Contrasted with this are the communities with growing families and many children. Statistics indicate, in Michi-

gan for example, it's the suburban communities around Detroit whose younger and smaller inhabitants set the figure at 39.6 telephones for each 100 population.

The woman called the Division of Wildlife headquarters here with the request: "Where can I buy a tiger? Not a little tiger, but a full-grown one — one that will stop my husband's snoring."

In this same respect, the smallest number per capita among the major countries. Russia was second with 39.5 telephones per 100 persons. Brazil, with 1.48 telephones per 100, reported

For the eighth successive year, Canada out-talked the rest of the world — averaging 530 conversations per person. Next was Iceland with 508 conversations, followed by the U.S. with 496, and Sweden with 337.

Since 1950, the report shows, the number of telephones in the world has almost doubled. The number of phones in the United States increased 74 per cent in that period, while in Asia, the number more than tripled. In Europe and South America, the total doubled. No growth figures were available from Russia.

The new edition of "The World's Telephones" was based on statistics gathered by AT&T from some 200 countries.

TIPS FOR TEENS

By ELINOR WILLIAMS

"Was it proper for me to give my boyfriend a Christmas gift? — What could I have given?"

Santa-time brings a carload of gift queries from teen girls. Here are some answers:—

Yes, it's proper to give him a gift if he has already given you one. If he has never given you a present, but you think he is planning to have a gift wrapped and ready, but don't give it to him unless he has one for you. Why? Because it'll embarrass him to receive a gift from you if he hasn't given you one and he'll feel that he has to... and it will look like an after-thought, still more embarrassing.

Your gift to him should not be expensive and not too personal; clothes are not prop-

er, except less-expensive accessories. You CAN give him these:—

Accessories to wear — Scarf, cuff links, tie rack, tie pin, tie and initial handkerchiefs... or a small article that may be a fad in your school.

Accessories to use — nail file and pocket comb in a leather case. Nail care essentials in a leather case, comb and brush set, bill-fold, key case, a small accessory for his car, shaving essentials if he uses them, pen and pencil set.

Something you made — hand-knitted socks, knitted tie, a box of his favorite fudge.

Book publishers issued 13,142 hard-cover titles in 1957 and 4,500 paperback titles.

This and That

GROWLING MAD

AKRON, Ohio (UPI) — An Akron woman has a permanent cure in mind for her husband's snoring.

The woman called the Division of Wildlife headquarters here with the request: "Where can I buy a tiger? Not a little tiger, but a full-grown one — one that will stop my husband's snoring."

PLAN FILM FAIR

KARACHI (UPI) — Plans for a 30-day international film fair have been announced by film industry organizers.

R. A. Sheikh and Rifaquat Ali Khan said they expected 30 nations to participate. They said the fair will be held on the outskirts of Karachi but no firm date was given.

FIRE FACT

NEW YORK (UPI) — Every 35 seconds, a fire breaks out in some American city, the Insurance Information Institute reports.

Close to one-fourth of the fires are caused by matches and smoking. Electricity and electrical equipment is the second most common cause, followed by lightning.

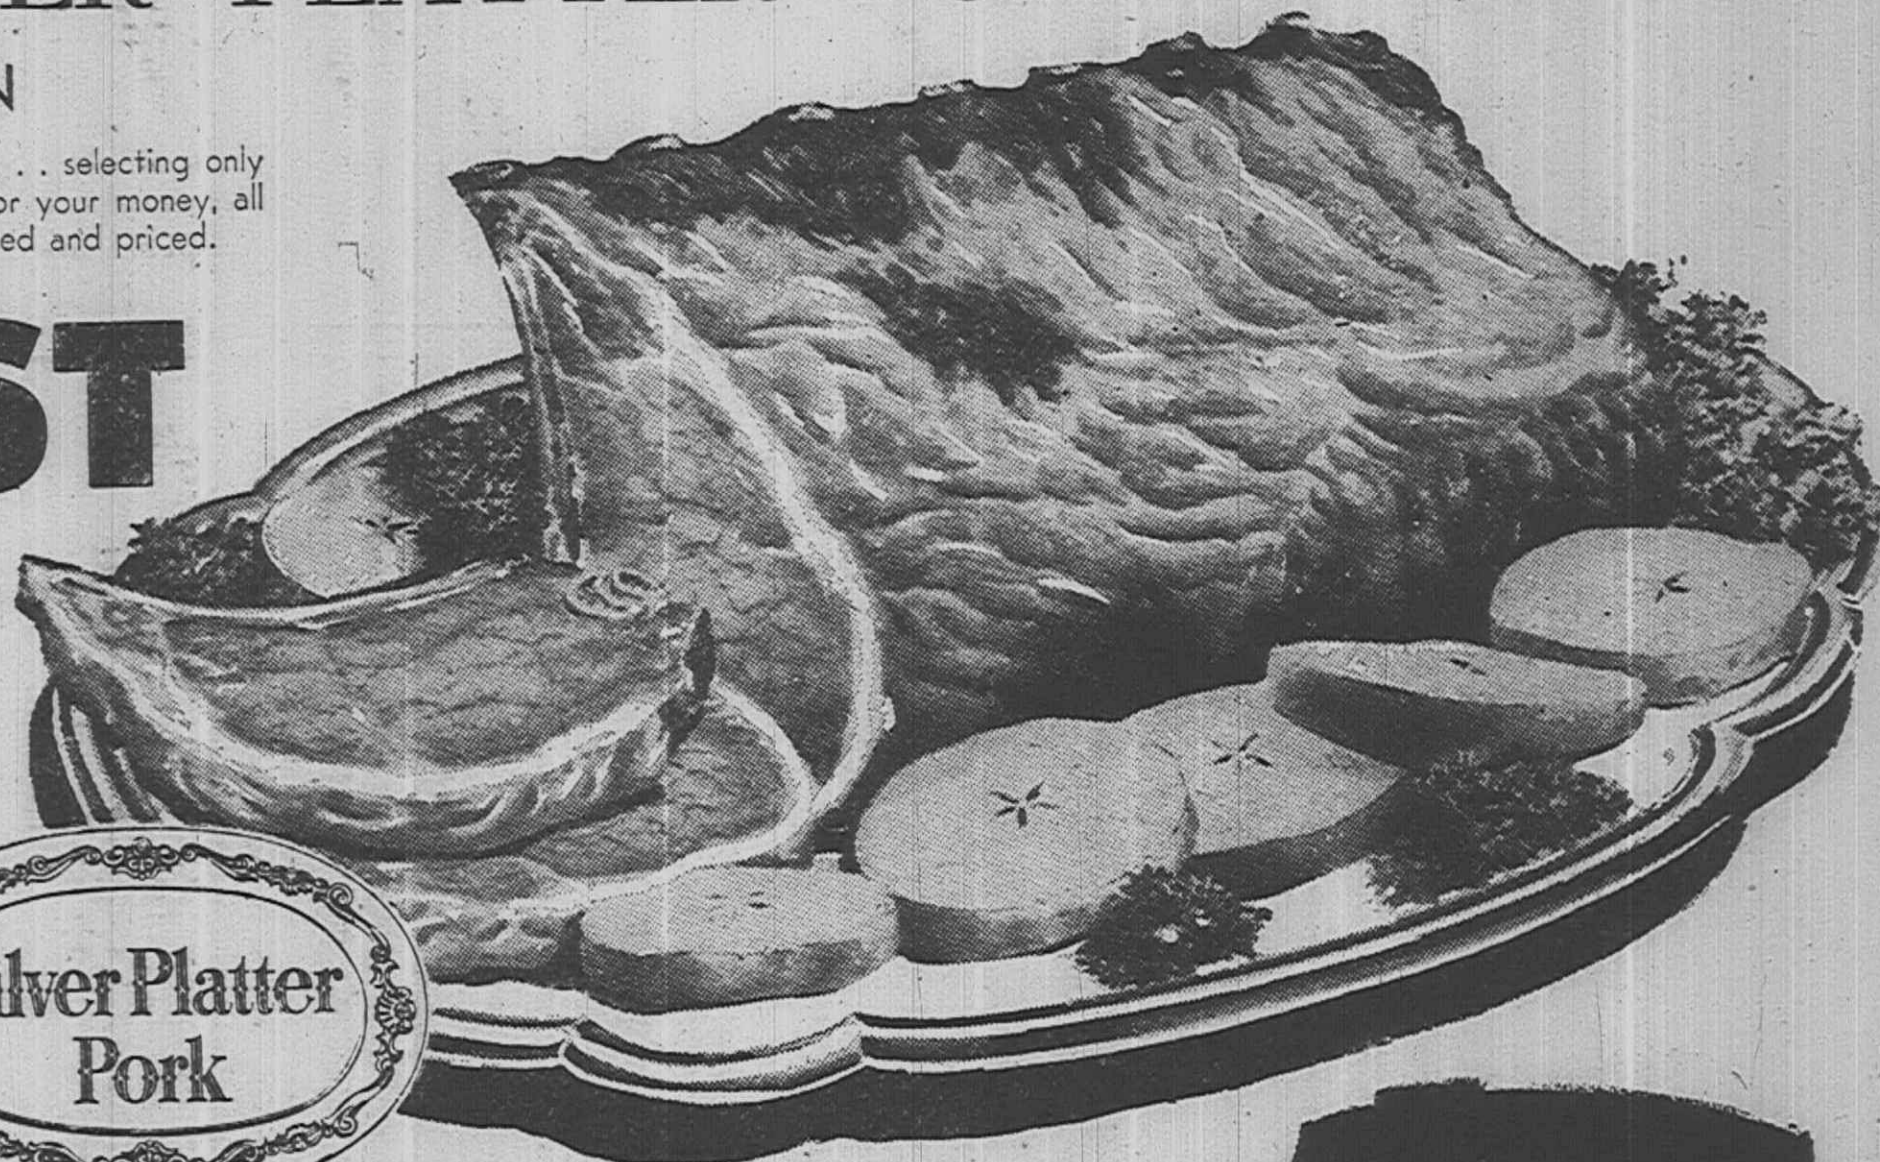

KROGER "SILVER PLATTER PORK" SALE!

CROSS ONLY AT CORNERS

WINNER, AAA TRAFFIC SAFETY POSTER CONTEST

NON-STOP FEELINGS
 BAY CITY, Mich. (UPI)— Janet McGunagle, 19, had a ready explanation for police when her car recently failed to stop and rammed into the rear of another automobile. Her kitten had crawled down under the brake pedal. Miss McGunagle said, and she just couldn't bear to press down on the brake and squeeze her pet.

CLOSE, BUT SAFE
 DETROIT (UPI) — Hank Greenberg had stiff competition when he won the American League home run title in 1938. The former Detroit Tiger first baseman hit 58 homers that season—eight better than the 50 poded by Jimmy Fox.

AN UNBEATABLE VALUE TO CELEBRATE

Sealy's 80th ANNIVERSARY SALE!

Sale Starts Tomorrow at 9:30 A.M.

YOU CAN'T BUY A BETTER MATTRESS AT \$39.95

Sealy 80th Anniversary mattress (on box spring)

These nationally known authorities checked quality, durability, and value of this Sealy 80th Anniversary Mattress

Willmark Shopped FOR FEATURES
 Famous Willmark Research Corporation has shopped and checked comparative mattresses in a nationwide survey. On the basis of these findings, Sealy rates this mattress your best value at \$39.95.

Tested FOR DURABILITY
 The American Standards Testing Bureau made extensive torture tests for rugged wear... found the 80th Anniversary mattress remarkably durable.

Verified FOR VALUE
 Good Housekeeping Institute reviewed the findings of these tests. As a result, this mattress earned its famous Money-Back Guaranty Seal.

Just look at the many features of this great mattress:

- Button-free top gives smooth sleeping surface, luxurious appearance
- Exclusive flanged construction reinforces edges, keeps cover taut
- Handsome flannel ticking in gray with white fleur-de-lis design
- Sealy's famous comfortably firm support
- Choice of full or twin size
