Township Democrats Write In Slate

In City Election

Henderson, Vallier Win Nominations

A. E. Vallier and Mrs. Katherine Henderson will face each other on April 3 for the job of supervisor representing the City of Plymouth on the Wayne County Board of Supervisors.

The two were the top vote-pullers in Monday's Biennial Primary Election in the supervisor race in an election that saw only 8 1/2 per cent of the City's registered voters go to the polls.

The supervisor race was the only thing of local interest on the ballot. Democrats had to narrow a field of six County auditor candidates down to one and Plymouth Democrats followed the desires of others in Wayne County by nominating Charles F. Edgecomb, an incumbent.

Results of the supervisor race were:
A. E. Vallier, 120.
Mrs. Katherine Henderson, 104.

Plymouth Mayor Going to Big Rapids May 22

Big Rapids, a Mecosta County city that has only 80 less than the City of Plymouth, will exchange its mayor with Plymouth on Monday, May 22.

The drawing for pairings was held last week. Plymouth City Commissioners had requested that it be paired with a city of similar size this year, so that when the mayors are exchanged they can pick up information that can possibly apply to their own community.

Vaughan Smith, 88. Frederick Thomas, 76. Electors could vote for only one candidate. The two candidates receiving the most votes, according to election law, were named nominees.

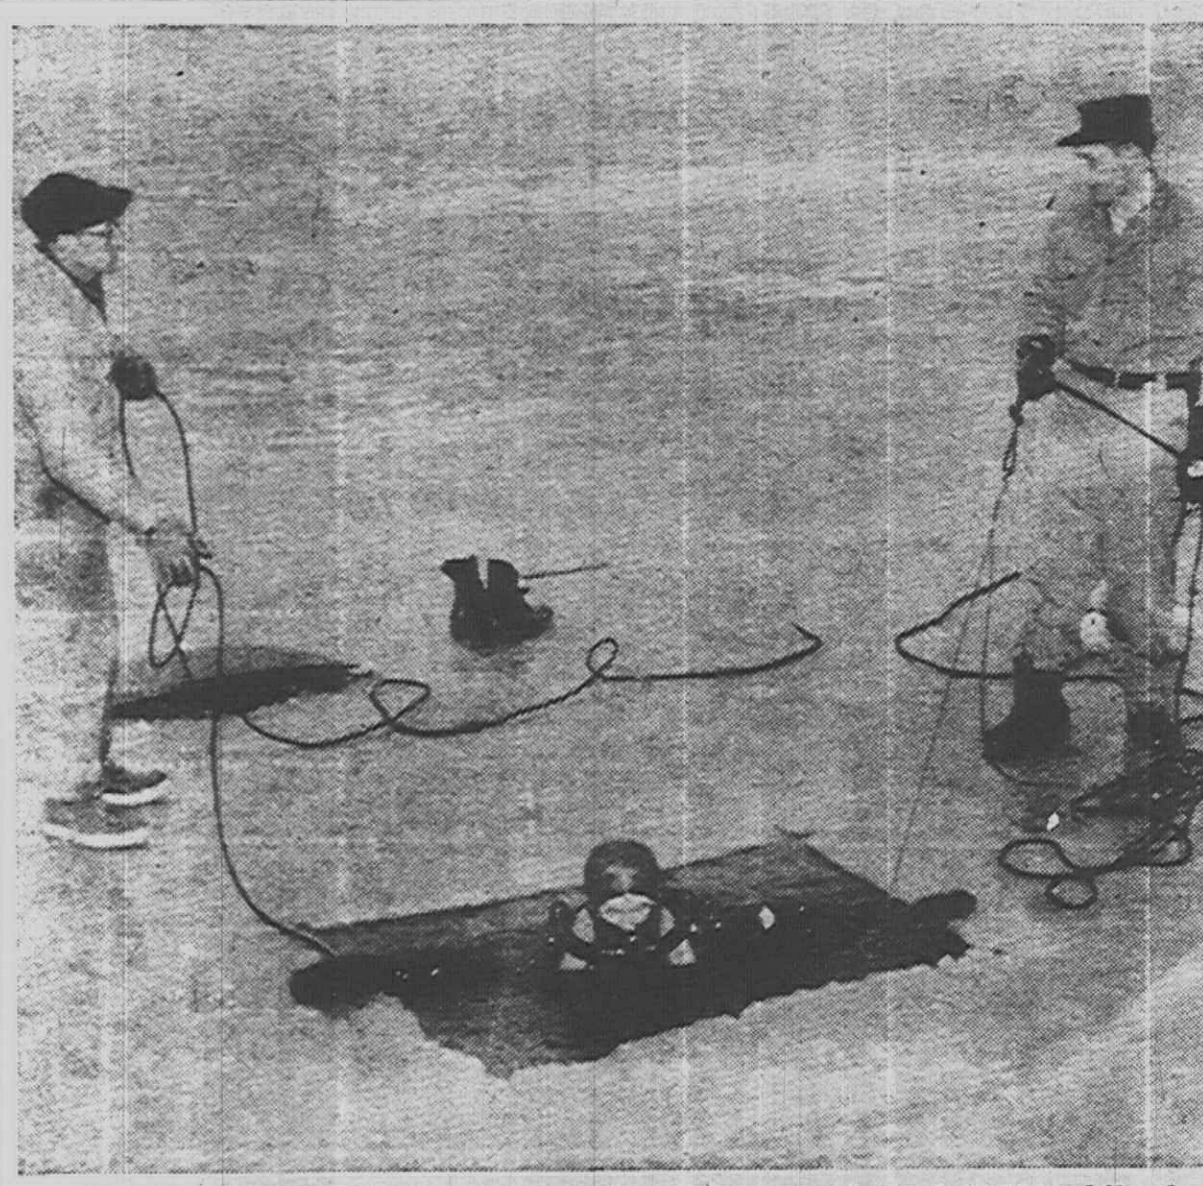

The job of supervisor is non-partisan. It is the duty of the supervisor to attend meetings of the Board of Supervisors in Detroit and report once a month to the City Commission.

Vallier, who lives at 1338 Penniman, is an engineer for Ford Motor Co. He has lived in Plymouth since 1951. Mrs. Henderson, 725 Auburn, is an interior decorator-counselor. She has lived here since 1930.

The lack of issues or a critical race was reflected in the turnout. Only 391 people out of 4,586 registered voters bothered to go to the polls. This is only 8 1/2 per cent. Last November, 85 per cent voted.

A breakdown of the precinct voting was as follows:

Precinct 1 (City Hall) 77; Precinct 2 (Fire Station No. 2) 77; Precinct 3 (High School) 104; Precinct 4 (Bronson Building) 91; Precinct 5 (Bronson Building) 66. In April, City voters will elect four City Commissioners. There are eight seeking the four seats, making the race more hotly-contested than most previous elections. There will also be other County and State-wide candidates and issues on the April 3 ballot.

STATE POLICE frogmen went swimming under the ice of Waterford Lake, just off Six Mile Rd., last Thursday and brought up two empty safes dumped there by burglars. One had been taken from Howard Johnson's on Plymouth Rd. the night before and the other was stolen Dec. 19 from a Novi drug store. The Howard Johnson safe had \$1,500 while the other had contained \$1,200. Police had received a tip about the safes from a man they were holding. The safes were located near the dam where there was no ice. The ropes tied to each of the diver's hands are used to guide him back to the hole. No arrests have been made in the case.

Johnson safe had \$1,500 while the other had contained \$1,200. Police had received a tip about the safes from a man they were holding. The safes were located near the dam where there was no ice. The ropes tied to each of the diver's hands are used to guide him back to the hole. No arrests have been made in the case.

Lunch Hour Problem Of School Studied

A committee was appointed by Board of Education President Harold Niemi Monday night to study suggestions made by citizens concerning the flood of High School students into the downtown area every noon.

Monday's meeting also saw approval of final plans for the new junior high school and opening of bids for \$460,000 in tax participation notes.

The moon-time problem has been under study by a committee appointed by Supt. Russell Isbister for several months. He named Municipal Judge Nandino Perlongo, Public Safety Director Kenneth Fisher and Mrs. Eugene Stout to look into the matter several months ago.

Appearing Monday night were Judge Perlongo, Mrs. Stout, Mrs. William Lyons, Mrs. William Ruge and Assistant Police Chief Loren Johnson, representing Fisher. They felt that the noon lunch hours are presenting a problem in the downtown area and they made several suggestions. They felt that the lunch hour is too long—that shortening the period and perhaps providing two lunch periods would help. This may mean providing better food service and purchase of more equipment.

Plymouth Adults Flock Back To Classroom

The old saying that "a little bit of knowledge never hurt anyone," is being taken seriously by hundreds of Plymouth adults, as indicated by enrollment this semester in the Adult Education courses of the Plymouth Community School District.

Fourteen hundred adults are now registered in the Winter courses offered by the department. In addition, there are 600 boys and girls registered in other activities coordinated by the department.

"This thing seems to get bigger every year," Director Herbert Woolweaver declared this week.

As an indication of how Plymouth people respond to the courses, he noted that in 20 cities where Michigan State conducted liberal arts courses last semester, Plymouth led the enrollment with 75—and Plymouth was the smallest city in the state offering the classes.

And not only has enrollment gone up, receipts from the registration fees are helping pay the department's own way and showing a profit. Woolweaver said that nearly \$9,000 in fees will be collected this school year. The budget had estimated \$5,800.

One of the most popular classes this semester is Real Estate, taught by realtors of Western Wayne County. There are 44 in this class. Skin diving has attracted 17 and a new course called Nature & Field Trips will soon open with 27 enrolled.

Two college credit courses conducted by Eastern Michigan, Human Development and Classroom Problems in Reading, each have 40 enrolled. And another new course, Bible as Literature, has 59.

Here are some enrollment figures for other courses: Basic Electronics 21, Golf (Continued on Page 6)

Civil Service Approved; Only 361 Go to Polls

Plymouth Township Democrats used the write-in route Monday to get back into the Township's elections.

An almost-complete slate of candidates will represent the Democrats next April 3 when the Biennial General Election takes place.

Facing Republican Supervisor Roy Lindsay in April will be Dr. Leo Speer, chiropractic physician. He lives at 9400 S. Main St. Only 361 electors went to the polls Monday out of a possible 4,000 registered voters. This is only 9 per cent.

Proposal Placed On April Ballot

Plymouth Township electors will be asked to decide on April 3 whether they want to increase the Township Board membership from five members to seven.

Addition of two more trustees was proposed last week at the Township Board meeting. It is up to voters to make the decision. The Board voted to place the question on the April 3 ballot.

The present Board is composed of five members consisting of the supervisor, clerk, treasurer and two trustees. The two new members would also carry the title of trustees.

The last federal census made the Township eligible for two more trustees. Law says that when a Township reaches a population of 5,000 and over 3,000 registered voters, two more trustees can be added.

Plymouth Township has a population of 8,364 and has around 4,000 registered voters.

If the proposition is approved, the two new trustee jobs wouldn't be open until the 1963 election. Trustees receive a salary of \$10 a meeting.

In other business before the Board last week, it was voted to explore the possibility of placing call radios in the homes of firemen on an experimental basis. The system, similar to that used in the City, would have a receiver in each fireman's home through which they would be summoned to fires.

Besides determining the nominees, voters were faced with one proposition—whether to provide for a civil service board that would serve the Township's Fire Department, and a police department if there should be one some day.

This proposition was approved, 192-71. There were two races among Republicans. Township Trustee Louis Norman defeated Harvey Ziel in his bid for the trustee job, 168-82.

And there were five Republicans competing for the four nominations as constables. Incumbent Thomas Dorset was edged out by the other four men. These are the unofficial results:

Republicans
Supervisor: Roy Lindsay, 232.
Clerk: Fred L. Miller, 228.
Treasurer: Elizabeth Holmes, 234.
Trustee: Louis Norman, 168; Harvey Ziel, 82.
Justice of the Peace: Martin Schomberger, 213.
Board of Review: Loyd Sharland, 174.
Constable: Robert H. Burnes, 123; Thomas Dorset, 118; Donald King, 160; Gene E. Leader, 121; Richard C. Powell, 122.

Highway Commissioner: Frank Millington, 181.
Democrats
Supervisor: Dr. Leo Speer, 31.
Clerk: Hoyt G. Hessler, 37.
Treasurer: Lois Lane, 32.
Trustee: W. A. Anderson, 29.

Justice of the Peace: William Crowther, 22.
Constables: William Mulhall, 23; Robert Barnhill, 21; Fred Lester, 20; Richard Simmons, 19.

The only Democrat on the Township part of the ballot was Hoyt Hessler, candidate for clerk. No others had filed nominating petitions.

At the Democratic Club meeting last week, members decided upon a slate of candidates and issued the list to Democratic voters for a write-in campaign. There were many other write-ins and election workers were on the job until 11 p.m. Monday trying to interpret some of the writing. It took at least 10 votes to qualify as a write-in candidate.

Democrats yet haven't been able to gain election to a Township office. Dr. Speer declared yesterday that he hesitated to become involved in politics, "but no one else seems available at this time to do this except myself."

Apologizing for being late in entering the election, Dr. Speer declared that "I made the decision to try to improve our Township only after realizing that neither the Republican or the Democratic organizations saw fit to oppose the one-man rule of our present Township Supervisor."

"I have considered opposing him this year because I am more interested in a growing Township than remaining supervisor forever. Time has passed and it is overtime for a change away from personality liabilities, which stand in the way of our community growth. Not one new industry has begun in our Township during the present supervisor's eight years in office," the candidate charged.

City Reviews Cemetery Costs, OK's Ordinances

A report on cemetery lot prices, first reading of a swimming pool ordinance and appointments to several boards and commissions were some of the items on the City Commission agenda Monday night.

The cemetery discussion concerns a proposal made by Commissioner Carl Shear several months ago. He maintains that City residents should be paying a lower rate for lots in Riverside Cemetery than non-residents.

He noted that there is a \$27,000 deficit in the Cemetery fund and that city taxpayers should not subsidize the program.

A report by City Manager Albert Glassford of municipally-owned cemeteries showed that only Traverse City gave discounts to City residents. The Commission voted to turn the matter over to the Cemetery Board for a recommendation.

First reading was given to a swimming pool ordinance. Plymouth has only three pools within its borders now. There were several changes suggested by Commissioners in the first reading that will be considered for the second reading next month.

The Commission confirmed appointments by Mayor Harold Guenther of Robert Maurer and Marshal North to the Planning Commission; David Mather and Mrs. Nell Currie to the Zoning Board of Appeals; Robert Gilles and James Green to the Electrical Board of Examiners; and Richard Straub to the Board of Review. All are re-appointments.

The commission turned down a request from the State Blind Sales for waiver of peddlers' license fees. The manager reported that the firm is a profit-making, private organization.

A letter was read from George Hudson, 706 Burroughs, thanking the Commission for the protection offered children at the crossings on S. Main St. Neighbors in that area asked for a traffic light last year, but upon recommendation of State traffic authorities, flashers were installed.

Second and third readings were given to a Fire Prevention Ordinance that gives the City Fire Department greater powers in connection with inspections, controlling flammable liquids and fireworks. Commissioners tossed out a section requiring licenses for all firms dealing with flammable liquids.

Mayor pro tem Robert Sincok presided in the absence of Mayor Guenther.

New Coordinator Needed

Community College Moves Ahead

A 200-page report was presented to the entire Proposed Northwest Community College Committee at their final meeting last Wednesday night. The report, recommending the necessity for the college in the six district area, will be condensed and printed in pamphlet form for citizens, businesses and organizations to study.

Verbal approval has been given by the executive committee of the Proposed Northwest Community College to a replacement for its coordinator, Dr. Albert M. Amerman. James O. McCann, Assistant Dean of Henry Ford Community College, is the candidate asked to fill the vacancy. He has the same status as Dr. Amerman in Detroit, however, served in a selling and business role at the college.

He would be on temporary leave from his present responsibilities until such time as the Northwest Community College became a reality. He is a Dearborn resident, married and has two children. In June he will receive his Doctorate from the University of Michigan.

Dr. Amerman spoke last Wednesday night at the meeting of the study committee. He will be leaving Feb. 26 to serve as dean of a community college in Long Island, N. Y.

During the six month study and survey Amerman said he met very little opposition on his "pea and patty shell" tour, and he hit many businesses, business, social and school organizations in all six communities involved.

A motion was made and approved at the final meeting to disband the study committee. A motion was also approved from the floor to recommend the six school boards re-appoint the entire study committee of 29, made up of citizens from each community plus another 150 citizens to form an "Action and Education" working committee. The target date for the approval of the community college in the six districts is being considered for May or June.

Livonia, Plymouth, Redford Union, South Redford, Clarenceville, and Garden City are the districts involved. The cost of building and operating the college to the 215,000 residents of the area would be less than one dollar on each \$1,000 assessed valuation, according to Dr. Raymond J. Young, associate professor of higher education at the University of Michigan. Dr. Young has been the survey director of the proposed college.

Expect Rust From Tank Inspection

City householders were warned today that they may find rust coming from water taps because one of the water tanks will be drained for inspection.

The Pittsburgh-Des Moines Tank Co. is in Plymouth today (Wednesday) to inspect the Church St. tank. The Department of Public Works was busy draining the tank Tuesday night and Wednesday morning in preparation for the inspection.

In order to maintain water pressure, men will be stationary outside the tank. (Continued on Page 6)

NEWS BEAT

Next Tuesday will be the deadline for putting 1961 cense tabs on vehicles and the usual last-minute rush is expected at the License Bureau on Liberty St. Hours of the office this week will be from 9 a.m. to 6 p.m. and the hours next Monday and Tuesday will be from 9 a.m. to 9 p.m. Don't forget to bring your certificate of title.

POLICE BEAT: Between 6:15 and 9 p.m. last Wednesday night vandals ransacked the Jack Remsing home, 305 N. Evergreen, upstairs and down. Around \$30 and an electric drill was stolen. A suitcase smashed, things pulled from drawers, cupboards opened, a kitchen knife stuck in a wall. On Joy Rd., the home of Township Trustee C. V. Spaaks was broken into and a camera, radio, rings and other items with total value of \$460 were stolen. Theft of a radio from a Mettetal Airport plane was also reported.

FIRE RUNS: City firemen have made 14 runs in the first 20 days of February, the worst coming Saturday afternoon at the Clay McLullum home, 618 Kellogg. A cigarette or pipe is believed to have started the fire in a closet while the family was away. It burned through a bedroom wall and into the dining room. Damage was extensive. A cigarette thrown to the tarpaulin of a pick-up truck caused a fire in downtown Plymouth last Tuesday. On Wednesday the ballast of a fluorescent light fixture was broken and burned through the ceiling at Food Fair. At the Gertrude Fulton home, 196 Hamilton, Thursday, there was no damage when rubbish outside the basement furnace ignited.

BUSINESS NOTES: Sherwin-Williams has opened its new paint store on Penniman, operated by Fred Hadley, well-known in local business. Grand opening will be at a later date. R. Ralph Fluckey, also a Penniman Ave. businessman, is celebrating his 20th year in the insurance business this week.

THEY'RE OFF: Larry J. Livingston of Plymouth was out of the U. of M. bandmen landing in Moscow Tuesday. The flight engineers' strike held up the band and Tuesday night's opening performance was canceled. The band will return in June. Larry is the son of Mr. and Mrs. Lawrence Livingston of Jener.

SHORT CHANGE: Of the \$400,000 of school and county taxes to be collected by the City Treasurer, only \$100,000 is in so far. The deadline, before penalty, is Feb. 28. Treasurer Kenneth Way warns...

Women Educators To Hear Panel

Alpha Nu Chapter of Delta Kappa Gamma (honorary teachers' sorority), met for dinner at Hillside Inn, Monday evening, Feb. 13. Guests of the Chapter were Miss Catherine Riggs of Saginaw, who is Membership Chairman for the State, Mrs. Bernice Dondineau of Kappa Chapter, State Chairman of Intercultural Relations and others of the Kappa Chapter. The program was on Inter-

cultural Relations, and Mrs. Orpha Moshimer, chairman, presented as speaker, Miss Ujjivola Salve from India. Miss Salve is presently working toward a PhD degree at Wayne State University. She has been in educational work in India and gave a history of the educational development there. Great efforts are being made to overcome the illiteracy among the masses she told the group.

Mr. and Mrs. Arthur G. Griffiths

Golden Wedding Celebrated

Mr. and Mrs. Arthur G. Griffiths, of W. Ann Arbor Trail, left last week for Pecan Grove in Albany, Ga. After spending several days there they plan to go on to Daytona Beach and West Palm Beach.

The Griffiths celebrated their 50th wedding anniversary in Florida. It was Feb. 15, 1911, that the couple were married in St. Paul's Episcopal Cathedral in Detroit and following the ceremony left for a Florida honeymoon. Telegrams have been sent to them in Florida from relatives and friends and upon their return from the South an open house will be given in their honor by their daughters.

Ticket Deadline Is Friday For 'Sound of Music'

This Friday will be the deadline for obtaining tickets through the Plymouth Symphony Women's League for the hit musical, "The Sound of Music." Tuesday, March 7 has been set aside as "Plymouth Night" at the Riviera Theater. Those wanting to see the musical and also help the Symphony can purchase tickets through the Plymouth Women's League by phoning Mrs. Thomas Nichols at GL 3-5396; Mrs. Loren Gould, GL 3-4194; or Mrs. Lloyd Gates, GL 3-1263.

Mr. and Mrs. David Grow

Kendzior-Grow United In A Double Ring Ceremony

On Saturday morning, Feb. 11, at Our Lady of Good Counsel Church, Rosemary Kendzior, daughter of Mr. and Mrs. Chester Kendzior of Haggerty Road, became the bride of Mr. David Grow, son of Mr. and Mrs. Donald Grow, also of Haggerty Rd. Rev. Fr. Francis C. Byrne performed the double ring ceremony and celebrated the nuptial mass before an altar decorated with vases of white gladioli.

The father of the bride gave his daughter in marriage to the accompaniment of organ music played by David Conrad. The bride was gowned in exquisite chantilly lace. Sequins and seed pearls bordered the scalloped sabbina neckline of the fitted bodice, with long sleeves which tapered to a point over the wrists. Four tiers, scattered with sequins, formed a scalloped V-shaped chapel length train. Her imported, French silk illusion veil, trimmed with beautiful matching chantilly lace was attached to a crown of rhinestones and pearls accented by large pearl teardrops. She carried a bouquet of white roses and stephanotis centered by an orchid.

Donna Kendzior, maid of honor and sister of the bride, and bridesmaids, Jean Nasal, a cousin, from Dearborn, and Ann Fitzsimmons of Adrian, a college roommate, wore identical gowns of romance blue with fitted lace bodices and shirred cummerbund tapered to a point in front of the dress, accented by a bow. The skirts of the dresses were made of flowing silk organza. They had matching shoes, criss-cross headbands with flower dotted veils, white gloves and carried salmon colored carnations. Mr. Eugene Nasal of Detroit, the bride's cousin, was best man. The ushers were Jim Hill of Fremont and Jim Hill of Adrian, both roommates of the groom at the University of Michigan. Mrs. Chester Kendzior, mother of the bride, wore a sage green lace sheath with scalloped neckline trimmed with sequins and pearls and three tiers of scalloped lace forming the skirt. A matching

D. E. Stromback To Address Methodist Men

D. E. Stromback, general manager of the Plymouth Division of Burroughs Corp., will be the guest speaker at the Methodist Men's Club next Monday night, Feb. 27, at 7:30.

Born in Philadelphia, Stromback received his B.S. in mechanical engineering at Drexel Tech at Philadelphia and his M.S. at the University of Pennsylvania. After three years as an infantry captain, he joined Franklin Institute Laboratories for research and development at Philadelphia.

He was then with the Burroughs Research Center at Paoli, Pa. for five years, working on business machine equipment development. The next two and one half years were spent as manager of engineering at the Plymouth Division. He was named general manager two and a half years ago.

Local People Going To Detroit Meeting

A number of local Chamber of Commerce members will travel to Detroit March 1 for the 1961 Aircade for Citizenship Action sponsored by the U.S. Chamber.

Arthur H. Motley, president of the National Chamber and publisher of Parade Magazine, will head the Aircade team. The discussion leader and moderator will be Arch N. Booth, executive vice-president of the National Chamber. A dozen outstanding business executives and National Chamber staff specialists on legislative issues will serve on two panels.

The Aircade meetings are the same in each of 12 cities, starting promptly at 9:25 and ending at 3:30. Those from Plymouth wanting to make arrangements to go may contact Mrs. Fran Booth at the Chamber office.

Jean's Jottings

By JEAN CAMPAU

Art, it seems to me, takes many forms. Painting, drawing, various intricate handicrafts and music are the more obvious shapes it assumes. Then there are the more subtle approaches like cake decoration.

Mrs. Richard Herter of 466 Arthur gets my vote for her artistry in icing. The birthday cake she created for her son, Carl, on his seventh birthday is a real wonder.

The engine and the coal tender of the train-cake are carved from a jelly-roll. The seven little flat cars (one for each birthday) were cut from a sheet Perched atop each of the flat-cars is a saucy clown cake, and a shaped pound cake formed the caboose, and candle. For color Mrs. Herter used brown icing with orange to outline the engine and coal car and yellow and red for the flat-cars. The Herterville train station is complete in detail right down to a train schedule on the front of the 'building', and the cake-house is a replica of the Herter's home, including their address, mailbox and shrubs.

Mrs. Herter's hidden talent came to light four years ago when she took a beginning course in cake decoration at the high school, and she has been busy with it ever since, despite the fact that she has four children. This particular cake took about six hours to execute. While we were there she had a Valentine cake in the making which her son, Larry, was taking to his kindergarten teacher, Mrs. Haas, at the Bird School.

She frequently bakes these pretty goodies to give to friends and neighbors and because it gives them pleasure, it also gives her pleasure.

She's only 24, but already Kay Ingram of Plymouth is making herself known in the exciting world of television. Kay, a 1954 graduate of Plymouth High, is the daughter of Mr. and Mrs. Robert Ingram, 270 Union St. She is the sole woman director at WMSB-TV (Channel 10) in East Lansing. She is also one of the youngest of a very small group in the entire country.

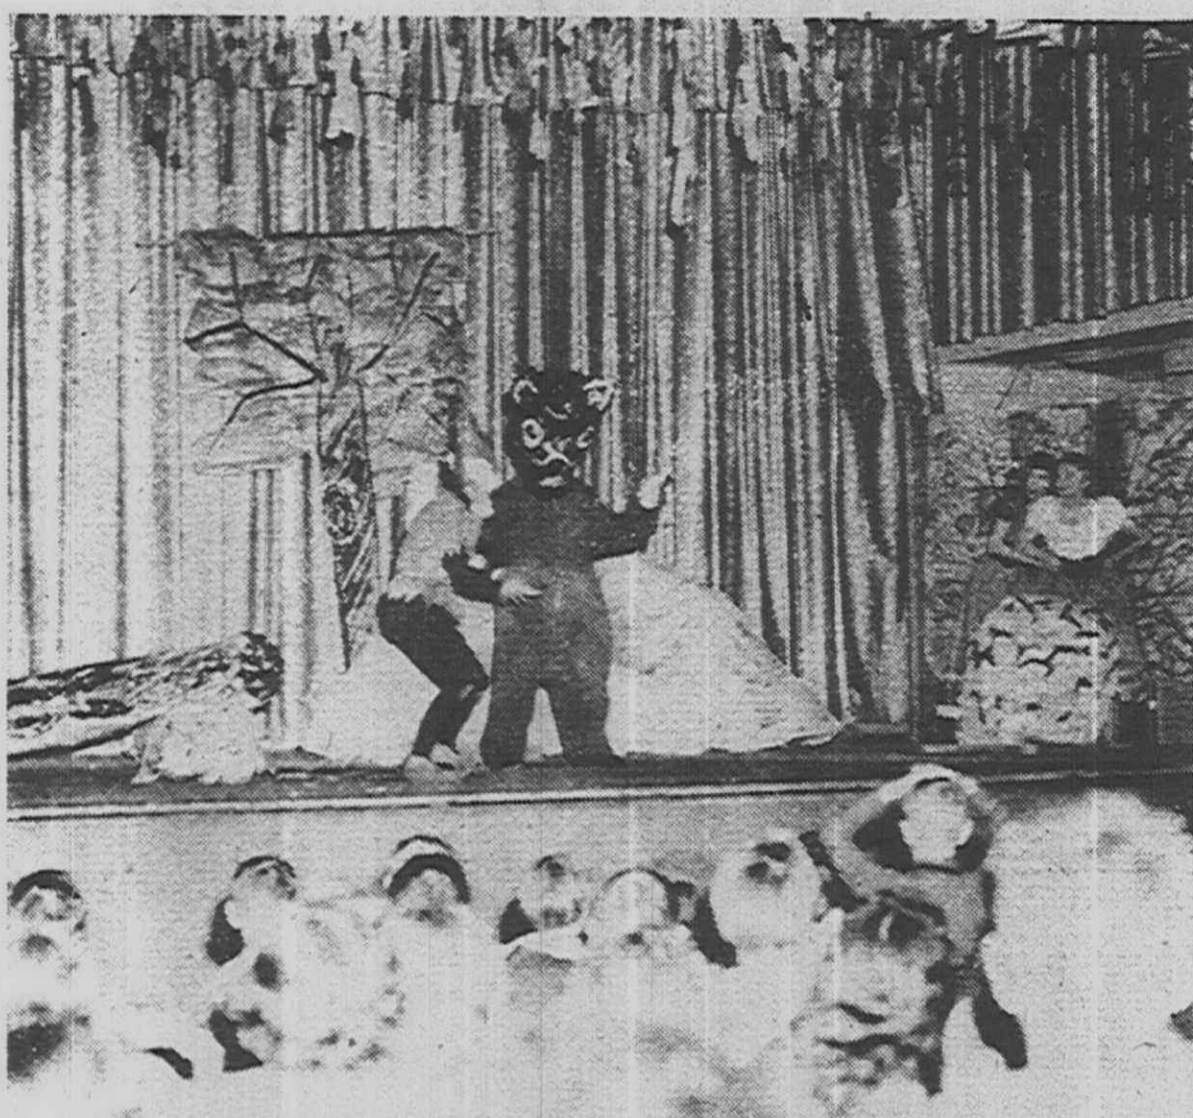

"I guess it's a pretty small sorority — women television directors," she said. "For years it was a completely closed shop, open only to men. When I was in school — here at MSU, they tried to talk me out of wanting to be a director. It was an impossible goal, they said.

"But I wanted it badly enough and the hard work with a little luck has paid off," Kay declared last week in an interview. The situation presented itself to Kay while an assistant in the art department at WMSB, a job she took upon graduation. Her first directing assignment was on "Progress," a program dealing with agricultural engineering. From this unlikely start (she still directs it) she moved to "Playbill," a monthly program that precedes "Drama Festival" produced by National Education television. It serves the same purpose as a theatre program given out at a play.

Unfortunately, Kay's proud parents can't get Channel 10, but they have friends living northwest of Plymouth who can. So they often visit their friends to see what their daughter is doing. When Kay is home, Mrs. Ingram noted, "she can watch TV and tell in a moment if everything is going right or wrong on the programs." When she isn't directing, Kay is assistant art director at the station.

Kay Ingram directing TV show

OVER 900 children attended the drama, "Snow White and Rose Red," at the High School last Saturday. Presented by the Drama Group of the American Assn. of University Women, the play brought cheers, tears and exciting moments to the children, such as in this scene as Rose Red and Snow White try to hide from the bear. But everything turns out all right in the end and for many of the 900 children it was their first experience with live drama.

Band, Choir Unite For Mid-Winter Concert

For their first annual Mid-Winter Band and Choral Concert to be held this Saturday, Feb. 25, at 8 p.m. in the Plymouth High School gym, the band, under the direction of James R. Griffith, will perform the following numbers: "Concert March - Jubilee," by George Kenny, "Symphony in B flat" by Paul Fauchet. (This is the required number for all class AA bands who enter festival competition.) "Chorale and Fugue," by Each - Albert. (This will be the band's selected number at the district festival.) First Movement - "Original Suite for Band," by Gordon Jacob. "Horse and Buggy," by Leroy Anderson. "March Electric," by Giuseppe Creatore. The choir's selections will include:

"To God on High," by Nicolaus Decius (16th Century). "In Monte Oliveti," by Giovanni Croce (7th Century). "De Gospel Train," Negro Spiritual. "An Evening's Pastorate," by Wilfrid Shaw. "Early One Morning," - English Folk Song. Selections from "The Sound of Music" by Rodgers and Hammerstein. The band and choir will combined for their final number, Festival Finale by Joseph Maddy, director of the internationally famous National Music Camp at Interlochen, Michigan. It is at this camp that the Plymouth High School Band will spend one week next August. Admission for the concert will be collected at the door. It is 50 cents for adults and 25 cents for students.

Risk Investments Topic at Monthly A.A.U.W. Meeting

"What Makes Us Tick," a film on the New York Stock Exchange, was shown at the regular monthly meeting of the Plymouth Branch of the American Association of University Women (AAUW) last Thursday evening at the Plymouth Community Junior High School.

Mrs. Richard Larson, chairman of the Status of Women Study Group for AAUW, was in charge of the program.

School Carnival Offers Fun, Food For Whole Family

Games, prizes and a supper for the family are being readied by the Starkweather Elementary School's Parent-Teacher Assn. for the Annual Winter Carnival scheduled for this Saturday (Feb. 25).

Opening at 5 p.m. and closing at 8, the Winter Carnival will provide a supper for the family consisting of sloppy Joes or hot dogs, baked beans, cole slaw, pie or cake and coffee or milk. The cost is 55 cents a person.

To entertain the family, the school will be filled with a variety of activities, including a cake walk, fish pond, silhouettes, beauty shop, lollipop tree, white elephant shop, country bakery, confectionery shop, game room and a spook house.

Senior Citizens To Hear Mayor And City Manager

The Senior Citizens will have a co-operative lunch at 12:30 p.m. Thursday, Feb. 23 in the Odd Fellow Hall on Elizabeth Street. Dessert will be furnished by the Woman's Club Committee, who are in charge this month. Please bring your own dishes and silver.

Mr. and Mrs. John Gillis are the Host and Hostess this week. Immediately following the luncheon there will be talks by Mayor Harold Guenther and City Manager Albert Glassford. Cards and work on cancer pads will complete the afternoon.

Anyone 60 years old (more or less) is welcome to come to these meetings as often as possible. A variety of programs have been enjoyed since the Club started in October.

Rebekah News

The Visitation with Scotia Number 498 is Wednesday, Feb. 22. Sister Broegman's husband is home from the hospital and feeling fine. Our best wishes go to her now, to get herself on the mend. Sister Minnie Ray is sick with tonsillitis. Best of wishes for a speedy recovery. The next general meeting is Friday, Feb. 24 at 8 p.m. It is hoped this meeting will be as well attended as the last.

See You There

Tuesday, Feb. 28 at 8 p.m. the Farrand PTA will have their annual combination 'men's night' and white elephant sale. Parents will have the opportunity on this date to become better acquainted with their children's teachers.

The Mail's fashion and beauty editor, Jerry Seibert, will speak to the Writer's Group which will be meeting Feb. 23 at 8 p.m. at the home of Mrs. Cameron Lambie in Lake Pointe Village. Those interested may contact her at GL 3-0551 for further details.

"Nationalism in Africa" and "Discipline" will be the subjects under discussion at the two study groups of the A.A.U.W., meeting Feb. 28 at 8 p.m. The first will be at the J. K. Pope home and the other will be held at the James Sponseller home.

Senior Citizens Club will lunch, Feb. 23 at 12:30 p.m. in the Odd Fellow Hall on Elizabeth St. Speakers will be Mayor Harold Guenther and City Manager Alford Glassford.

Marie DeAgastino, librarian at the Dunning-Hough Library, announces that the Children's Story Hour has begun once again. Saturday mornings at 11 a.m. the children will be offered a variety of programs from films to stories.

The Plymouth Garden Club is having a pre-ticket sale now, for the Builders and Flower Show at Cobo Hall which begins Feb. 25 and continues through March 5. Tickets may be purchased at 90 cents, under the regular price of \$1.25 from Mrs. Cass Kershaw, by calling GA 1-7653, or from the Forest Drug Store or Community Pharmacy.

Engaged Allen P.T.A. To See Film

Audrey Marie Combs

Mr. Oakley Combs announces the engagement of his daughter, Audrey Marie Combs, of 334 Elizabeth St., to Clayton Foster Parmenter. Mr. Parmenter is the son of Mr. and Mrs. Clayton A. Parmenter of 127 W. Main St., Northville.

As yet no date has been set for the wedding.

The Chicago school fire several years ago was a tragic one with a great loss of life. Could it happen in Plymouth schools?

The Allen P.T.A. will present this story on film Tuesday, Feb. 28 at 8 p.m.

A representative of the Plymouth Fire Department will moderate the film, which will be followed by a question and answer period.

All parents are urged to attend. Refreshments will be served.

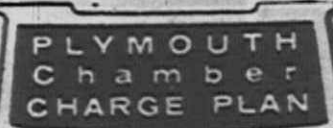

Men's Night at Farrand P.T.A. Feb. 28

The Farrand School P.T.A. will hold their second annual combination 'White Elephant Sale' and 'Men's Night,' Tuesday, Feb. 28 at 8 p.m.

The men will conduct the entire business meeting and then lead into the white elephant sale. This promises to be very exciting with many surprises for the lucky or unlucky bidders, as the case may be. Many items are concealed by wrappings, while others are in their natural state.

Parents, at this time, will have the opportunity to meet and talk with their children's teachers. Refreshments will be served at the end of the evening.

Retailers to Hear Talk On Downtown Survival

Using the title of "Downtown Can Survive," William F. Jewell III, area development specialist for the U.S. Department of Commerce, will address the Retail & Professional Division of the Plymouth Community Chamber of Commerce.

The address will follow the division's dinner held at 6:30 p.m. Wednesday, March 1 at the Mayflower Hotel. Tickets are now being sold.

Jewell, until last year, was head of the development area program of the Detroit Metropolitan Area Regional Planning Commission. He was a surveyor for Soil Conservation Service, a geographer for the Board of Economic Warfare 1942-43; worked in the hydrographic office of the Navy, 1943-45; staff assistant for Scripps Institute of Oceanography 1946; desk officer for

Arabian Peninsula Countries, Middle East Division, U.S. Department of Commerce; 1947-48.

Assistant professor of Geography, George Washington University, Washington, D.C., 1948-51; in residence at University of Michigan, 1951-53; in charge of conservation program at Northwestern Michigan College, 1953-54; and assistant professor of land and water conservation and extension specialist, land use planning and state leader, Michigan State University Extension Service, 1954-57.

The speaker is also a member of numerous professional societies.

The president and vice president of Brazil are elected for a five year term, and are not eligible for re-election.

THE MAIL ATTITUDE

BY PAUL CHANDLER

At a time when 1 of every 5 employable males is out of work or on part-time in our area, the legislators of our local communities are slowly analyzing a plan.

It is a proposal to construct new capacity for the Middle Rouge sanitary interceptor sewer. Without the new facility, there can be no new building in broad areas of Western Wayne County. The State Health Department has ruled that existing sewers are loaded to their capacity.

Wayne County is the source of the plan for an enlarged sewerage system. It requires the endorsement of city councils and township boards in 14 communities. To date, only two have signed. Livonia, Plymouth and Redford Township are among the 12 others still "studying."

Facts and Opinions takes the view that the matter is virtually of emergency nature because of current economic letdown.

We believe that the contracts should be signed and the project begun; but, if there are communities opposed to it for their own reasons, that should they act immediately to reject the contracts and permit some new plan to be drawn.

To stall right now is indefensible.

Many of our elected officials have been subjected in recent weeks to some fundamental thinking about economics.

Men who previously couldn't have cared less about what makes the business mare run in recent months have been forced to wonder "what's happening, what do we do now?"

Our "climate" is changing many prejudices and opinions about such things as "taxes", "growth", "builders", and "business."

The crisis is making itself felt in our local city halls, our state capitals, and in Washington and Moscow. Specifically, the question of the hour boils down to: "Will the American system of production for profit really work, and if not, what do we substitute?"

It is becoming obvious everywhere that America has a problem in finding jobs for all its citizens.

At the same time we're learning that private business will not build new factories and create new jobs (under our present system) if there is a better opportunity to make a profit in some other state or land.

Thus we find a Democratic Governor in Lansing today trying to sell his party mates on a tax plan aimed to bring comfort to "business", which in the past has been more of a dirty word in his political camp.

And likewise we hear of states and communities actually financing new factories for industries, permitting such enterprises to start their manufacturing without having to pay any taxes and with actual subsidies from the "taxpayers."

It is not nearly as big a sin today to earn profit, if you also provide the town some jobs that otherwise wouldn't exist.

In an expanding society, there always must be expanding economic activity, if everyone is to receive a paycheck.

The only reason for improving the Middle Rouge Interceptor sanitary sewer, then, is to permit new construction of homes and commercial enterprises.

One study recently made shows that if 25,000 new homes were added to our production in Wayne County this year, it would provide 62,500 to 75,000 jobs in the general economy.

Specifically, 25,000 homes would provide a market for: 244 million board feet of lumber; 29 million feet of flooring; 26 million square feet of softwood, plywood; 117 million bricks; 475 gallons of paint; 50 thousand tons of steel; 31,700 bath tubs; and so on.

There is no assurance, of course, that a new sanitary sewer automatically would launch a building program of 25,000 homes. But it's a mortal cinch that the building business is totally paralyzed without it.

And the corollary is that the commercial and business activity which follows residential growth must remain in deep freeze until then, too.

That means fewer jobs, less tax income, more unemployment tax costs, welfare costs, and what have you.

Our local elected officials, of course, are being cautious of the new plan because it involves paying for the big sewer; because growth brings new government and school expense and problems; and because alternate methods of construction might be available.

We reply that whenever the natural growth of business is governmentally thwarted, local citizens are going to find it hard to obtain jobs. Michigan lives today in such a predicament.

There are systems other than the profit system (such as heavy government spending) which a l s o can provide jobs.

But, believe it, they also demand "higher taxes" to sustain, and they are not the type of economics upon which this country has staked its fate for the past two centuries.

Plymouth Adults

(Continued from Page 1)

36, Men's Gym 43, Oil Painting 9, Typing 37, Upholstering 21, Welding 13, Ballroom Dancing 33, Business Machines 10, English Grammar and Composition 10, Millinery 16, Philosophy 30, Piano and Organ 8, Sewing 16, Spanish 21, Swedish Gym 26, Spanish Guitar 7.

Bridge 30, Driver Education 5, Interior Decorating 21, Shorthand 33, Advanced Cake Decorating 8, Barbering 19, Drawing and Design 21, Investments 11, Knitting 7, Adult Band 30, Heart of the Home 23.

Crafts 10, Accordion 8, Great Books 14, Theatre Guild 90, Symphony 93, Square Dance Club 72, Beginner Square Dance 24, Intermediate Square Dance 30, Shakespeare for Moderns 17, Music Appreciation 11.

A class of 60 is expected for a new course, Rise of Popular Music in the 20th Century, starting March 8. Flower Arrangement, with 15, will start March 16; Dog Obedience, starting May 4, will have about 20 enrolled; and enrollment for a "Green Thumb" course for gardeners is now beginning (see story elsewhere).

There are also a number of classes involving young people. These are:

Baton Twirling 58, Tennis 45, Bowling 46, Cheerleading 100, Boys' Basketball 290.

Some of the activities being considered for next year are a TOPS Club for those wanting to lose weight, Junior Dramatics, Home Budgeting, Great Books for Beginners, and Retailing, designed for local merchants and their employees.

One course, the Interior Decorating class, has the employees of Schrader's Home Furnishings in the class this semester.

Not all of those taking the courses are from Plymouth. "Our doors are open to anyone," Woolweaver points out. People enrolled come from as far as Ann Arbor, Keego Harbor, South Lyon, Whitmore Lake, Dexter, Detroit, and

all of the closer points. "Many people who come here for classes go to our restaurants, buy gasoline or go shopping here," Woolweaver pointed out. "It's good for business and gives Plymouth a widespread, good reputation."

Expect Rust

(Continued from Page 1)

tioned at pumping stations to operate the pumps manually. The change in pressures, according to DPW Supt. Joseph Bida, will mean there may be some surging and this will cause rust. The condition can be expected to remain for a couple of days, he added.

The inspection is being made to determine the condition of the tank, both inside and out. Repairs will be made at a later date, if they are necessary.

Headaches Are Headache
ST. PAUL, Minn. (UPI) — Headaches are the leading cause of absenteeism from office and industry, reports the Minnesota State Medical Assn.

Physicians hear more complaints of headaches than of any other disease, the association said, and patients spend more trying to cure them than any other type of ailment.

NOTICE OF PUBLIC HEARING

ON A
PROPOSED AMENDMENT
TO THE
PLYMOUTH TOWNSHIP ZONING MAP

Notice is hereby given that a Public Hearing on a proposed amendment to the Zoning Map for the Township of Plymouth will be held on March 15, 1961 at 8:00 p.m. Eastern Standard Time at the Plymouth Township Hall, 42350 Ann Arbor Road.

The Petitioner, Mabel Johnston, requests a change of Zoning from R-1, Single Residence, to C-2, Commercial, for lot 187a1 of Supervisors Plat No. 7 lying in the Northwest 1/4 of Section No. 27, having an area of 11.07 acres and being the southwest corner of the intersection of North Territorial and Sheldon Roads.

Notice is further given that the proposed amendment to the Zoning Map may be examined at the Township Hall, 42350 Ann Arbor Road from 9:00 a.m. to 5:00 p.m. each day, Monday through Friday, and on Saturday morning until date of Public Hearing.

Plymouth Township Planning Commission
Claude Rocker, Secretary

(2-22 and 3-8)

NOTICE OF PUBLIC HEARING VACATION OF STREET

Notice is hereby given that on Monday, March 6, 1961, at 7:45 p.m., a public hearing will be held by the City Commission in the Commission Chamber of the City Hall upon the question of whether or not the following street will be vacated:

Edmdale Avenue from Sheldon Road to Evergreen Avenue.

All interested parties will be given ample opportunity to participate in the hearing and, at the close of the hearing, the comments and suggestions of those citizens participating will be considered by the City Commission before making a decision.

Joseph F. Near
City Clerk

City of Plymouth, Michigan NOTICE OF PUBLIC HEARING SPECIAL ASSESSMENT IMPROVEMENT

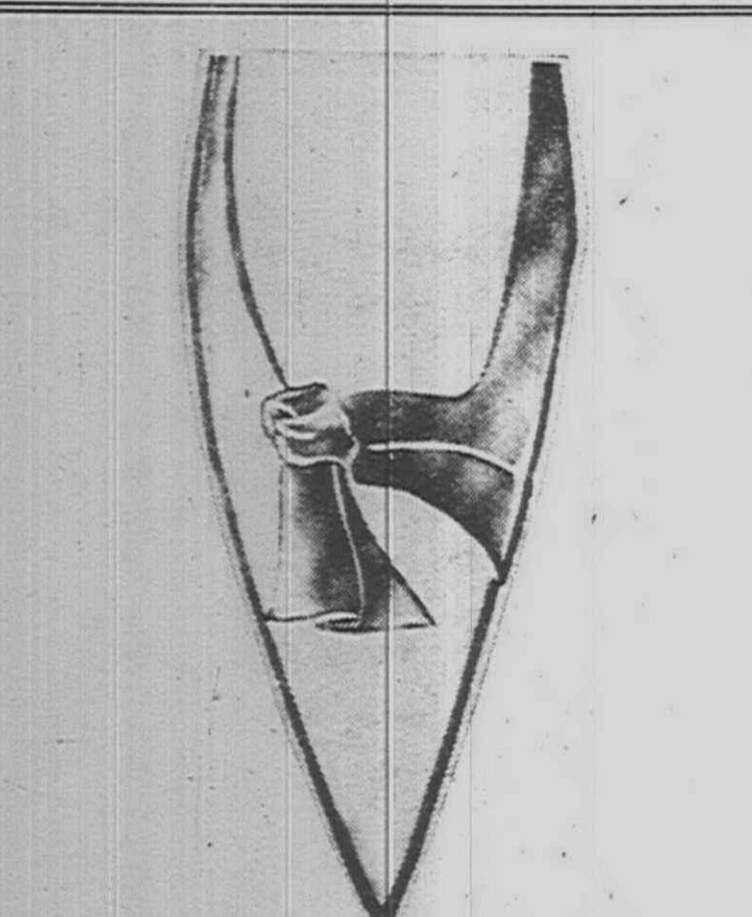

To All Interested Persons:

Notice is hereby given that on Monday, the 6th day of March, 1961, at 8:00 o'clock p.m., Eastern Standard Time, a public hearing will be held by the City Commission of the City of Plymouth, Michigan in the Commission Chamber of the City Hall, said city, upon the question of necessity in regard to the proposed specially assessed local or public improvement described as:

Foreign films consistently score high on critics' lists across the country. Hollywood could well take a lesson or two from some of the recent imports. Starting with "Tunes of Glory," the Alec Guinness picture about military tradition, and moving through any and all of the recent hits that have played at the Campus Theater, Surf, or Studio theaters, I'm positive that our movie moguls could absorb some

Realism is the strong suit of the films from overseas. Seldom do they give the technical treatment to life as our Hollywood producers are wont to do. Life is serious; people appear poor; homes are far from exaggerated eggshells and beautifully decorated. In short, the film directors, writers and actors reflect life in a more honest, naturalistic fashion in the in the movie mills from across the big pond.

Why? Your guess is as good as mine. I'd like to believe the myth that our Hollywood magicians are pledged to turn out their celluloid masterpieces for an audience that has an average mentality of a 12 year old. To me this is merely a poor excuse. Others

might say that the various censorship boards hold our American product down to a pre-adolescent level.

Few Good Ones
None of these reasons seem to shed any light on the tarnished silver screens and the problem of why we aren't getting a more creative product from the Bemoths of Beverly Hills. Every now and then a picture like "Anatomy of a Murder" comes along and dispels any such notions. Or "The Last Angry Man," unravels its exciting story for us and we find that our brothers of the celluloid can turn out competent motion pictures.

Only way out of this maze of miserable pictures might be for most of us to demand more foreign movies. Eventually, the moronic movie "mice" (I'd love to call them men, but I reserve that term for individuals that have the gumption to do more than placate the popcorn and pop-crowd) will get the message.

As a move in that direction let me warn you that you have only two days left to see Bergman's "The Virgin Spring" at the Campus Theater. Here's a movie that doesn't mince matters. Bergman presents the problem boldly, powerfully. When you leave the theater, your emotions have been put through a wringer plus your gray cells have been stimulated into thinking about the symbolic aspect of the problem. Starting Friday, Feb. 24, you will have an opportunity to view another of the year's ten best. "General Della Rovere." Roberto Rossellini directed this drama of a man who lets greed and his passion for survival almost quench the spark of honor in his soul. Not since Rosselli-

ni's "Open City" or "Paisan" have we had such a fine Italian film. Load up on pizza and red wine before you journey over to the Campus Theater, located on University Ave. a couple blocks off U.S. 23. "General Della Rovere" is one of the great films of this season.

Opera fans take note. Tickets for "Pelleas and Melisande," the Debussy opera to be presented by the U-M Dept. of Speech and School of Music (March 3, 4, 7, 8, 10, and 11), are now available by mail from University Players, Lydia Mendelssohn Theater, Friday and Saturday tickets are \$2; Tuesday and Wednesday tickets are \$1.75 and \$1.25. Performances will be at 8 p.m.

Musical in Demand
"Sound of Music," the last Rodgers and Hammerstein musical, opens at the Riviera Theater for a five week engagement on Monday, Feb. 27. Hurry and get your tickets for this exclusive engagement. Joe Nederlander tells me that already \$300,000 has come through the wicket as the general public continues to buy tickets in advance for this Broadway hit. Get your tickets now and be sure of a good seat.

"Under the Gaslight" continues to rock the Vanguard nightly with the exception of Mondays. Audiences get into the spirit of ye olde time melodrama with their hearty applause for the hero and the catcalls for the villain. And the piano player in his wild shirt adds to the merriment of the entire evening as the Vanguard players perform the classic melodrama, "Under the Gaslight." Call WO 3-3863 for tickets.

At the U of D
Went over to the University of Detroit to visit the Repertory Theater. "Touch of the Poet," Eugene O'Neill's last play, was the attraction for the evening. Alice Broder and Thomas St. Charles handled their taxing roles with professional ease. Tom's characterization hit a peak in the third act. In fact, Act III was the strongest and best. In most amateur productions this is not the rule. "Touch of the Poet" closes strongly and leaves you with few memories of some of the slow, poorly paced moments of Acts I and II. The U of D Players are to be complimented on tackling a play of this stature. Nothing phases this group, as one can readily see by the line-up of their plays in repertory: "Measure

for Measure," "Man and Superman" (G. B. Shaw's dramatic blockbuster), and "Faust" by Wolfgang Von Goethe. I'll let you know more about future production dates of the U of D Repertory Theater. I'm sure you'd enjoy seeing one of their plays.

Common Cold Is Challenge To Medicine

ANN ARBOR — Finding a prevention or cure for the "common" cold is an uncommonly tough problem, says a University of Michigan epidemiologist.

Fred M. Davenport (M.D.) of the U-M School of Public Health has outlined some of the curious effects of the common cold which have so far defied solution by medical scientists:

It causes fever in children, but usually does not cause fever in adults.

A diabetic person is apt to get severe acidosis when he has a cold.

People with chronic heart or pulmonary disease become markedly worse.

Laboratory tests such as blood counts give about the same results whether you have a cold or not.

Frequency of colds declines the older you get.

No matter what grandma says about bundling up for cold weather and wearing your rubbers, scientific tests have not shown any connection between chilling the body and "catching a cold."

Cold symptoms are almost identical to the early signs of severe infections like measles and influenza.

After considering such evidence, says Dr. Davenport, health scientists today believe there is no such thing as one cold virus. They suspect there are 40 to 50 different unidentified viruses which cause approximately the same symptoms which we call the common cold.

These viruses may strike singly, or in groups of two or more. Also, he says, people of different ages may be affected by different groups of viruses.

The U-M doctor believes we will someday get protection from colds by immunization. A "shot" will consist of a multiple vaccine to protect against the cluster of viruses which generally affect people in one's age group.

He says it is also possible that an antibiotic will be discovered which will control a wide range of cold viruses. But neither of these goals is close to fulfillment.

FOR SAFETY'S SAKE

NEW YORK (UPI) — In case of fire, follow these survival steps suggested by the National Board of Fire Underwriters:

At home — quickly get everybody out of the house; call the fire department immediately. At public gatherings — walk, do not run, to the nearest exit; call the fire department; keep calm.

But Bentley Can Tie for Title

It's All Or Half For R. Union

You could call it a Hollywood-type finish the Redford Union and Livonia Bentley are staging the "game of the night" in the Detroit area. Not only will RU be in the Suburban Six League's championship ship basketball race this winter. They're now down to the final wire — for their season meeting at Redford Friday evening in the Bentley gym.

Redford Union, with a 9-0 conference record, already is assured at least a share of the title. But Bentley, standing 8-1, isn't out of the picture. A win Friday would net Bentley a half of the flag, a tremendous height advantage, something like three inches on the average per man. RU also has some big gunners and rebounders.

But the Bentley gang makes up for its lack of size by outlasting, outfighting and outdefending its rivals. Also Bentley specializes in winning the close ones. The 41-40 triumph at Trenton last Friday was Bentley's third single-point conquest of the season.

While Bentley fought for its life, Redford Union swamped Plymouth, 67-41. Bentley couldn't stand prosperity at Trenton. Twice Bentley blew seven-point leads. With a couple minutes left in the battle, Bentley led, 33-35, when Dennis Snarey tossed in a two-pointer.

Trenton stormed back with a basket and charity Snarey dropped two free

throws with eight seconds remaining to sew up matters. It didn't make any difference that Richard Drabant netted another hoop for Trenton just before the final siren went off.

Snarey led the winners with 18 points, while John Hawkins followed with 11. Redford Union stormed to a 24-8 lead in the first quarter against Plymouth and coasted along the rest of the way. Sophomore Len LaPlante and Curt Johnson fired 17 and 16 points, respectively, to pace the RU assault.

Russ Nelson tossed in 12 besides turning in another brilliant effort as a playmaker. Top RU scorer Gary Ruetenik was held to five points, but he made up for his low output with his rebounding and the fact he set up several baskets.

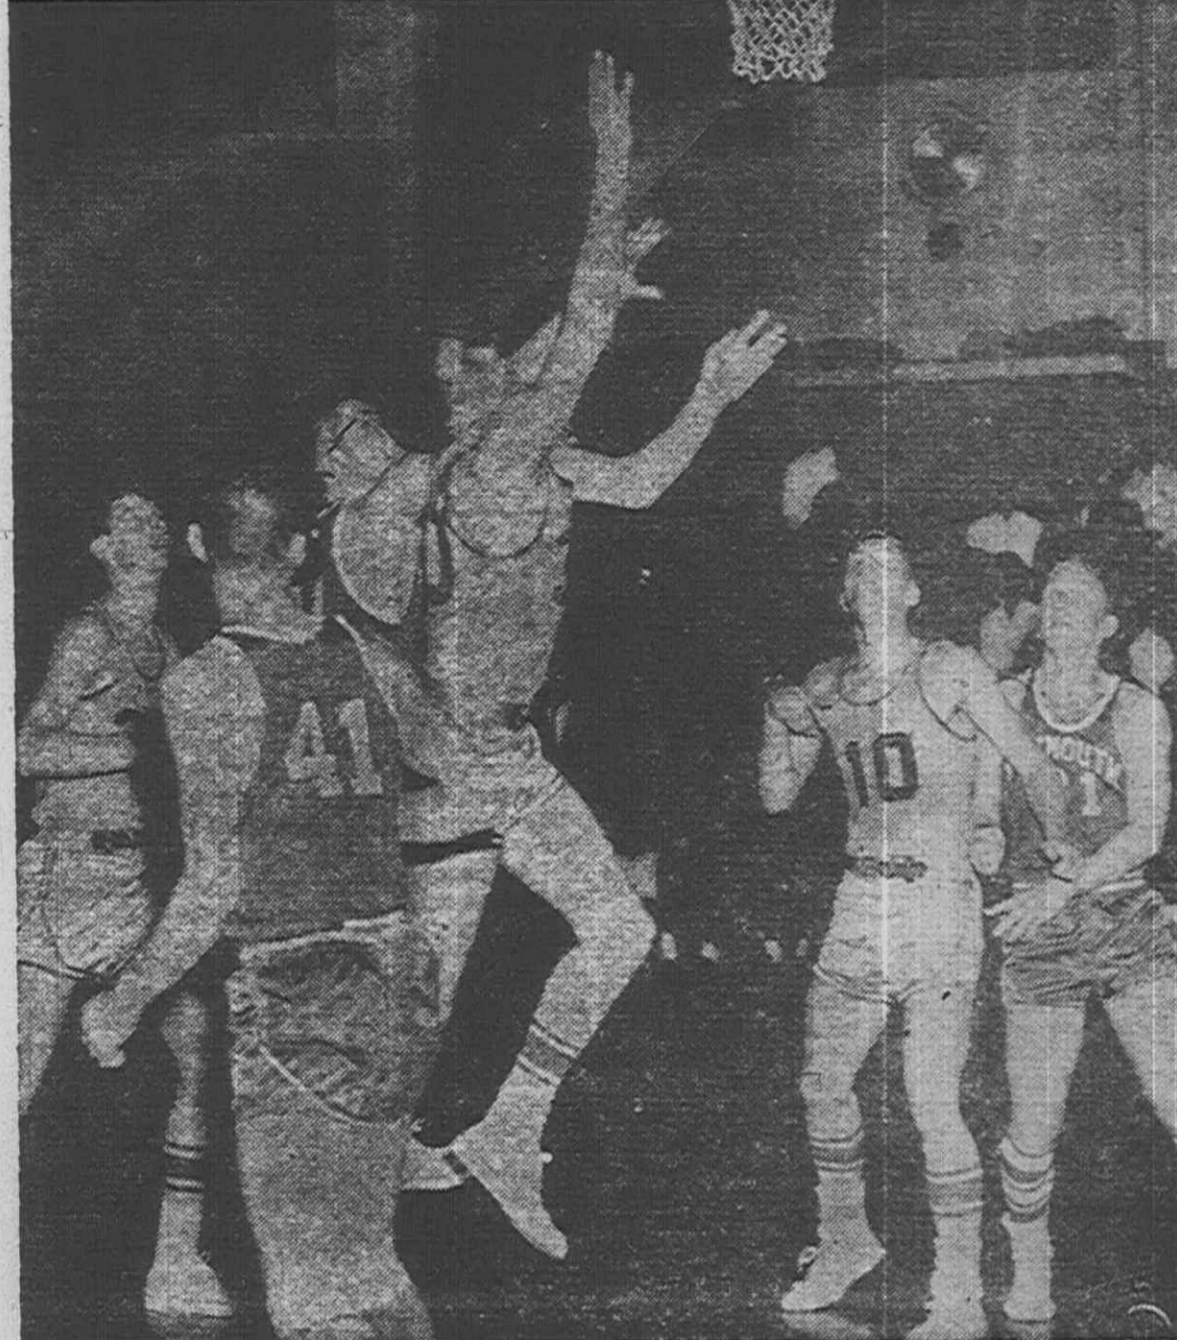

Redford Union came right back on Saturday night to outlast Farmington, 54-50, in a non-leaguer which brought RU's overall record for the season to 13-2.

Ruetenik was the big gun with 25 points while Nelson had 18. RU went into the last quarter leading by 13 points, but had to struggle to hold off the rallying Farmington forces.

Allen Park bested Belleville, 52-46, in the other league game as Larry Nickels meshed 13 out of 13 from the free throw line.

The Suburban Six League standings:

| Team | W | L |
|---------------|---|---|
| Redford Union | 9 | 0 |
| Bentley | 8 | 1 |
| Belleville | 3 | 6 |
| Allen Park | 3 | 6 |
| Trenton | 3 | 6 |
| Plymouth | 2 | 7 |

THERE'S PLENTY of action under the basket as RU's Curt Johnson (30) drives for a field goal in the Panthers' 67-41 victory over Plymouth. Johnson tallied 16 points while Len LaPlante (behind him, light suit) scored 17 more as the Panthers routed the Plymouth team to chalk up their ninth straight league victory.

Thurston Swims Southfield For Suburban Title

The meet of the season — Thurston vs. Southfield — for the championship of the North Suburban High School swimming league!

It was on the docket for this Wednesday evening in the Southfield pool. Both teams carried unblemished conference records against each other. Both had won four without a loss in the league.

What's more, Thurston was risking its perfect streak of 12 straight successes in all competition this winter.

"This is a meet which could go either way... by a point or two," declared Thurston Coach Joe Mrawca.

Naturally the Thurston coach leaned slightly in the favor of his charges. He's had every reason to be proud and happy over the way the Thurston swimmers have fared this season.

Take last Wednesday's victory over Fitzgerald High by a 55 1/2-44 1/2 score in the Fitzgerald pool. Thurston entries turned in four record efforts.

More marks might have fallen in the relays, except that Mrawca said he held back some of his better men.

"All of Southfield was there scouting us," the coach said. "So why should we show them any more than we had to?"

Just like a football coach, you see.

Thurston had wrapped up the meet before the relays. This prompted Mrawca to rest his regulars and also provide some of his second stringers on whom he'll be depending for victories in the future a chance to show their stuff.

Rick Barringer led the record barrage. He set a Thurston varsity standard of 50.4 seconds in the 100-yard free style after cracking the Fitzgerald pool mark with a 2:03.3 clocking in winning the 200-yard free.

Mike Zann scored a double. He won the individual medley in 2:18.9, a pool record, and the butterfly in 1:02.7. Bill Dickie copped the 400 free in 4:54.9, while Ron Bramble ran up 75.2 points, for another Fitzgerald record, in leading the field of divers.

Other point scorers for Thurston were Bruce Vorce and Dick Bubbs (50 free), Bill Lambert (third, butterfly); Tim Spicknell and Jerry Adams (back stroke), Terry Lucas (breast stroke), John Kostrick (individual medley) and the two relays which placed second.

As expected Redford Union high swimmers proved no trouble for Plymouth which rolled to an 80-25 conquest to sew up the regular-season, dual meet title in the Suburban Six League. The league meet is slated for March 3-4 at Redford Union.

Redford Union ran into rough fortunes at Plymouth. Five RU stars couldn't compete because of illness.

This resulted in Plymouth winning every event, despite the fact Ken Steiner broke his own RU varsity record with a 2:17 clocking in the individual medley as he was touched out for victory. Steiner also was second in the breast stroke while Denny Nasson in the 200-yard free, accounted for the only other Plymouth "second."

Livonia Bentley also succumbed in Suburban Six meet, falling before Trenton, 57-48.

Russ Walker (100 breast stroke), Jerry Mundy (100 free) and Ron Omar (diving) accounted for the Bentley individual victories. The medley relay streaked to a new Bentley mark of 1:56.1 as Dick Vots, Bryan Barents, Walker and Jeff Kellogg formed the speeding foursome.

District Cage Draws Tuesday

The draw for Class A district high school basketball tournaments to be held at Farmington and Ypsilanti will be made next Tuesday.

Redford Union and Livonia Bentley both have been assigned to Farmington, while Thurston will play in the district at the Eastern Michigan College fieldhouse in Ypsilanti.

SPORTS OBSERVER

By George Maskin

It's quite a baseball school Jack O'Leary, the director of Parks and Recreation, has going these days in Redford Township.

No Little Leaguer... or big leaguer for that matter... should miss the extravaganza now in the third week of a 10-week undertaking.

O'Leary, who has been known for his outstanding winter baseball schools in the past for youngsters, really has outdone himself this time.

He has spread the sessions over six schools so that the classes will be within walking range of virtually every youngster in the township.

What's more he has lured some crackjack talent... names like Al Kaline, Harry Chiti, Hank Aguire and Billy Pierce... plus others like Bob Miller, Art Houtteman, Ted Kazanski, Joe Koppe, Steve Gromek, Al Moran and Dick Radatz.

Sessions for pitching and catching marked the first two weeks of the winter school. Now the kids are learning a few tricks about batting.

Next week it'll be infield and outfield play. From March 6-11, the discussions will center around basic fundamentals. Teamwork and effort will draw the spotlight during the week of March 13-18.

Then will follow conditioning from a mental and physical standpoint (March 20-25); professional future (March 27-April 1), baseball running along with signals and sliding (April 3-8) and finally sportsmanship (April 10-15).

Each session runs for two hours. There are lectures, question-answer periods, movies and physical work in the gym.

The Monday programs each week take place at the Stuckey School starting at 3:45 p.m. Tuesday the scene switches to Will Rogers at 3:45. On Wednesday it's the MacGowan School at 3:30, Thursday the Mason at 3:45, Friday the Roosevelt at 3:30 and Saturday the Ashcroft beginning at 9 a.m.

O'Leary recommends that a youngster with baseball-playing ideas should take in the complete course.

"I don't think that so complete a winter baseball school ever has been offered in a northern community," O'Leary declared. "We're fortunate to have obtained the baseball people we have to conduct the program."

"These men know their baseball. Virtually all of them have been in the big leagues. They're all anxious to work with young boys. Each realizes that the future of professional baseball depends on how well the Little Leaguers of today learn their baseball lessons."

O'Leary feels that the after-school, along with the Saturday morning classes, make it convenient for every boy to participate.

"If a boy can't go one day, he can go to another school another day and still not miss a single lesson. All of which means boys won't have to break a dental or other appointments in order to attend our baseball school."

The schools are a forerunner to another gigantic junior baseball program being planned in the Township this year.

"We'll have more Little League baseball than at any time in the past," O'Leary pointed out. "Also we're going to expand our play in the older age groups."

"We want to make certain that the boys who have graduated from Little League baseball have a spot to play baseball. The same goes for the Babe Ruth and Pony League graduates and their graduates."

Incidentally, the Township Recreation department is charging a slight fee of 35 cents for each lesson to help to defray the cost of its baseball school.

It all sounds very worthwhile.

Giant-Killer's Role Awaiting Thurston Five

Thurston High's basketball team wraps up its Mid-Wayne League schedule Friday night with a chance to turn giant-killer.

The Thurston cagers have a home date with Inkster, Robichaud (formerly known as Roosevelt), a team now tied with Riverview for the league lead. If Thurston could pull an upset, Riverview could win the title outright.

With four players hitting in double figures, Thurston ripped Garden City 63-55, for its third loop win in nine tries last Friday.

Frank Santangelo tossed in 21, Ron Hawkins 13, Cass Jakwaskas 13, and Keith Spicer 12 for the victors.

Earlier in the week Thurston was clubbed by Oak Park, 63-46.

The Mid-Wayne standings:

| Team | W | L |
|----------------|---|---|
| Ink. Robichaud | 8 | 1 |
| Riverview | 8 | 1 |
| Taylor Center | 5 | 4 |
| Thurston | 3 | 6 |
| Schaefer | 3 | 6 |
| Garden City | 0 | 9 |

HIGH SCORER in the RU-Plymouth game, Rock Captain Jim Ralston (15) drives in for two points late in the game. The lithe Rock has been the driving force in all Plymouth games this year. He scored 18 points against RU, but Plymouth lost, 67-41.

RU JVs Rock Plymouth 56-34

Plymouth's junior varsity basketball team suffered a fate similar to the varsity against RU, losing 56-34.

The Rocks trailed only 8-9 at the end of the first period, but RU JVs led at the half, 24-17. At the end of the third quarter, the score was 46-28. RU's Feitz led both teams with 17 points and teammate Wellard had 14. Eloy Menchaca scored 11 for Plymouth.

Top Year For Eagle Matmen

Regardless of what happens in this, the final week of regular campaigning, Thurston High is assured one of its most successful wrestling seasons in the school's history.

With only action remaining with Oak Park and Ann Arbor before the Class A regionals at Thurston on March 3-4, Thurston enjoyed a record of 11 wins against one defeat and one tie.

Allen Park was the latest to fall before the Thurston power. The score was 36-13.

Five Thurston entries pinned their rivals — Bob Phier (112 pounds), Mike Mitchell (120), Norm Martin (145), Al Micallef (155), and Doug Spicer (165). Mitchell was truly a speed merchant, requiring only 43 seconds to finish his match.

Bob Rischer (133), John Pilarski (127) and Doug Schvck (130) scored decisions while Bob Bedard (95) gained a tie with his Allen Park rival, Jerry Scane (133), Lee Souder (138) and Heavyweight Larry Robinson suffered losses.

Livonia Bentley was no match on the mat for Thurston, losing 42-5, as only 120-pounder Ron Griffin managed to triumph for Bentley.

Redford Union emerged with a 27-16 wrestling victory over Northville. Tom Cunningham (95 pounds) started the RU victory parade. Don Hickman (103), Dennis Peterson (112), Jack Airie (120), Ken Bowman (138), Ed Bartram (145) and heavyweight Ron Lambie all whipped their foes while Chuck Mriotti (165) tied his foe.

Rock Tankers Take Jackson, Fordson, RU

Plymouth swimmers steamed to dual and triangular victories last week with a delightful display of team power. The Rocks powered past strong Jackson and Fordson units on Tuesday and finished off Redford Union on Thursday. Redford Union was beaten without the Daley twins (Ron and Bob), who were attending a funeral in Pennsylvania.

The Rocks piled up 95 points in the University of Michigan pool at Ann Arbor, while Jackson chipped in with 64 for second. Fordson was third with 33.

Coach John McFall's unit took to the U of M pool like it was home, winning 10 of 11 firsts in the three-way meet.

Bob Daley won the 400 yard free style in 4:27.5. In the next event, the 50 yard free style, Jim Izzett and Gary Gould were second and third respectively. It was to be the only event that wouldn't find a Plymouth man first.

Dick Gretzinger came back strong for Plymouth in the 100 yard butterfly to post a first. He was clocked at 56.5. Barry Corwin was fifth.

Dick Michaels was first in the 100 yard backstroke with a 59.0 effort and teammate Tom Hoffman was fifth. Phil Bender won the 100 yard breast stroke in 1:09.2. Doug Cash was third.

Ron Daley won the 100 yard free style in 54.0 and Win Schrader was fifth. Nick Herrick won the diving and Mark Schultheiss was third. Gretzinger scored his second win in the 200 yard individual medley, winning it in 2:12.3. Barry Corwin placed third.

Ron Daley also got a second first by winning the 200 yard free style in 2:01.2. Bill Rossow was second.

Michaels, Bender, Herrick and Izzett combined to win the 200 yard medley relay in 1:45.8 and Warren Smith, Bill Britcher, Gary Gould and Bob Daley got together to win the final event, the 200 yard free style relay in 1:36.6.

er, Gary Gould and Bob Daley got together to win the final event, the 200 yard free style relay in 1:36.6.

On Thursday, the Rocks performed before home fans for the final time this season and turned in a memorable performance against Redford Union.

Without the services of the Daley twins, who are usually good for three or four firsts, they won every event while sinking Redford Union, 80-25.

Bill Rossow won the 400 yard free style in 4:28.1, while Dick Alford placed third. Jim Izzett took the 50 yard free style and Bill Britcher was second. Izzett was timed at 23.9.

Gretzinger was first in the 100 yard butterfly (57.6) and Barry Corwin was second. Dick Michaels was first (59.5) in the 100 yard backstroke and Tom Hoffman was second. Doug Cash won the 100 yard breaststroke in 1:10.5 and Phil Bender was third.

Ford From Plymouth Featured In Rod-o-Rama

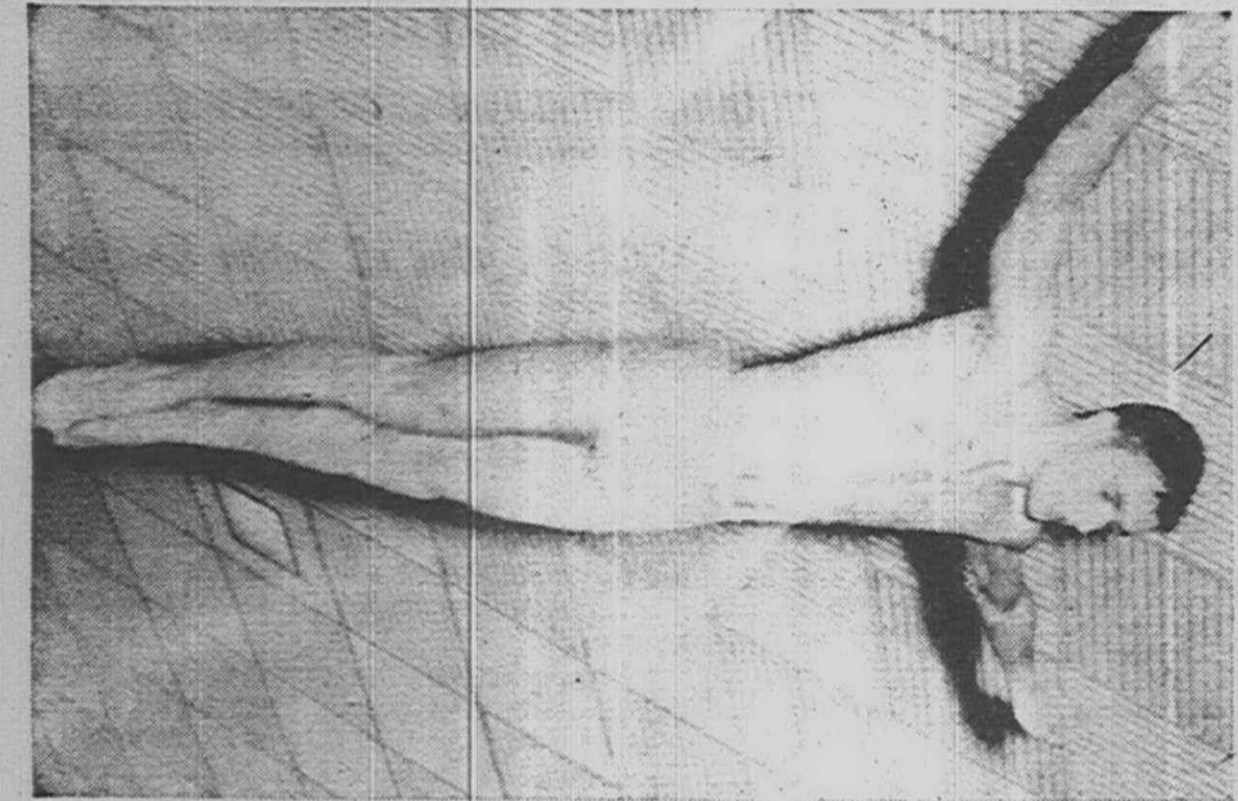

The American Competitive Car Assn. will exhibit more than \$1,000,000 worth of cars at their annual Rod-O-Rama starting Friday, Feb. 24 and continuing through Saturday, Feb. 26 at the Michigan State Fairgrounds.

One of the really fine cars of the show comes from Plymouth, Mich. John Conner, 22, 16240 Northville Rd., has entered a 1936 Ford in the custom class. John is working many long hours to ready this convertible coupe with a 1954 Cadillac motor for the show.

The car, with custom head and tail lights, one piece hood hinged in front, chopped grille, hand formed dash, dual quad manifold with 60 Cadillac carbs, and dozens of other features is sure to get favorable attention from the judges.

Adding zest to this year's Rod-O-Rama is the entry of some of America's greatest hot rods. The "Green Monster," the world's fastest and first jet propelled dragster from Akron; the Outlaw from California, America's wildest hot rod, valued at \$15,000; the Exotic Empress, Flint; the Victorian, Detroit; one of the top ten Customs in America; and the "Little Stinker," Detroit, are just a few of the more than 200 dazzling cars that will be on display.

HIGH AND DRY for the moment is Plymouth diver Nick Herrick. Herrick has consistently placed first in Plymouth dual meets this year. Against RU last week, he totaled 101.6 points.

Free Throws Win In Overtime

Two free shots by Dick Bearup in overtime tipped victory to Tai's Cleaners in a Plymouth Men's League game with Cloverdale last week. The two teams tied 50-50 in regulation time and Bearup scored the only two points in overtime.

Bearup led both teams in scoring with 15 points, while Cloverdale's Tony Monte scored 14. Lou Potovea added 12 for Tai's and Larry Wells 11 for Cloverdale.

Penman Barbers continued unbeaten, winning their seventh in a row, 55-42, over Western Electric. Ken Kisabeth had 19 for the barbers and Mel Bobclean 16. Bud Bell tallied 14 for the losers and Ed Parrot contributed eight.

In the 18 and Under League, the Shamrocks covered the Midgets 53-17 as Ed McMullen scored 20 points and Ward Griffith 11. Ron Fulton and Harry McMullen had six and five, respectively, for the losers.

Junior High Musicians Capture Share of Awards

Saturday was a busy day for over 2,000 junior and senior high instrumental musicians from Washtenaw, Wayne and Macomb Counties. Solos and ensembles were heard by professional judges who awarded ratings of I (Superior); II (Excellent); III (Good); IV (Fair) and V (Poor), to each entry.

After weeks of practice in memorizing the solos and rehearsing the many duets, trios, quartets, quintets and sextets, there was many a squeal of delight and tear of regret as the official ratings were posted.

Third Division, Good, ratings were won by: Laura Raafaub and Gail Vincent, flute duet; Carol Bosman and Janice Nagy, flute duet; Charles Mather and Eugene Armstrong, clarinet duet; Dick Lorenz and Peter Ackerman, trombone duet; Margaret Rudloff and Jill Von Hofe, clarinet duet; Douglas Fey, trombone solo; Mike Ross and Jeff Lightfoot, clarinet duet.

Plymouth Junior High Band students were entered in 33 events. First Division, Superior, ratings were awarded: Robert Wilson and Reta Lane, cornet soloists; Jack Dean, clarinet solo; Mary Yost and Becky Lyons, flute duet; Pam Adkins, Carole Loesch and Janice Williams, clarinet trio; Dan Grady, Robbie Wilson, Andrea Smith, Jim Lee, Terry Holt and Dale Cunningham, brass sextet; Marilyn Gibson and Nancy Miller, bass clarinet duet.

First division winners will receive a bronze medal with the blue satin ribbon for each event entered while the second division group will be given the bronze medals with a red satin ribbon. Sixty-one medals were won by the Plymouth Junior High Band entries, 38 blue and 23 red ribbon awards.

Lola Valley Triple Victor

Lola Valley junior high's basketball teams captured three of four games against Pierce Junior High cagers last Thursday.

The Lola Valley ninth grade varsity triumphed, 44-19, led by Bill Bolin's 18-point output. The ninth grade reserves won, 30-14, as Mike Sroch netted 11. The eighth grade varsity gained a 20-10 win as John Roxberry counted 13. Pierce's eighth-grade reserves eked out a 15-14 win.

Marshall's varsity cagers overpowered Farmington, 40-27, as Mike Pakula counted 14. The Pierce wrestlers lost a squeaker to River Rouge, 26-25.

SPORTSEEN

Plymouth's two major winter sports activities couldn't be more different. The basketball team is in the cellar and there's little joy in Rockville court these days, despite some impressive performances throughout the year. One could hardly expect more than has been provided by Captain Jim Ralston. He hasn't quit in a game this year.

A split-level down from the basketball court is Plymouth's swimming pool where there is unrestrained joy among the fans and a twinkle in Coach John McFall's eye, although this is the time of year he usually gets very serious and cautious.

His swimming team, as everyone in Plymouth knows, has not been beaten in 31 dual meets and they have again won the Suburban Six swimming crown.

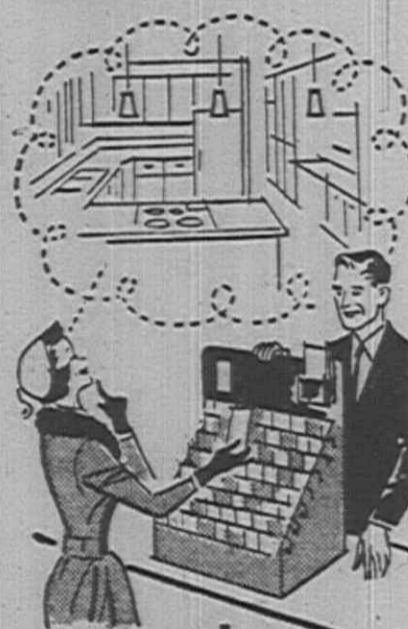

Coming up soon is the League meet and this will be followed by the state meet. McFall can rattle off six or seven teams that could beat Plymouth in the state meet in Ann Arbor.

It is no mean trick to be the best in the state. Plymouth has its best chance this year and it may be worth the trip to Ann Arbor in March to watch the Rocks. They could come home with the big prize.

*A sign of the successful times in the Plymouth pool is the addition of a new electric swimming time board that shows who won the race, what time he had and what the score is at any given time of the meet.

It cost about \$500 and was partially paid for by the Dolphin Club at the school.

it's so much fun to pick a new

at YOUR NAME

When you select your favorite Formica color and pattern you're taking one of the most important steps in planning your new or remodeled kitchen.

We have over 70 Formica samples from which you can select. Formica is so easily cleaned with a damp cloth... so resistant to scratching, boiling water, alcohol, and stains from food acids and cleaning alkalis.

You're welcome to come in and select a few color swatches in which you're most interested and take them home. Study them... match them with your ideas and color schemes.

Our business is kitchens. We'll help you plan yours (new or remodeled) from the first pencil scratch to the very last touch. Then we'll build it for you. We stress quality workmanship and materials. That's why we stress Formica. Come in or call—no obligation.

Canton Scouts Sponsor Supper; More About Chartered Twp.

By Esther Sprengel
GL 3-0194

Sorry I was a bit hard to get hold of this past week, but some news did manage to sift through to me.

Perhaps this notice is a bit early, but we want to make sure you mark this date on your calendar. Circle March 23, the date for the Pancake Supper being sponsored by Boy Scout Troop 298. The supper will be held at the Cherry Hill Methodist Church and serving will begin at 5:30 until 8 p.m. Donations are 75 cents for adults and 50 cents for children. The menu will be pancakes, sausage, coffee or milk.

Mr. and Mrs. Perry Hix of Warren Rd. and Mr. and Mrs. John Albertson of Marben Rd. and their two daughters spent a Saturday evening visiting with friends in Detroit. Mr. and Mrs. Walter Wackers.

Although we did not receive any new questions this past week on a chartered township, we did receive a word of a correction on an answer printed last week. The question was: Will the Board be authorized to levy five additional mills to the present four mills now granted the Board? We stated that the Board could levy five additional mills to the four al-

ready granted, making a total of nine mills. However, according to our legal consultant, Mr. Kimbro, if we become a chartered township, the Board automatically loses the four mills they have been granted by vote and can only levy five mills total.

As a side bit of information, I stated that upon reaching a population of 5,000, the Township would be expected to pay into the County Library fund. I inquired as to what amount we have to pay. This year our amount will be \$1,800. This, however, has nothing to do with a charter township. This amount is used to maintain our libraries from which our young people and adults derive much pleasure. Under this, also, comes our traveling library enjoyed throughout the summer by Township residents.

Last Saturday a large crowd of persons collected at the corner of Beck and Ford Rd. A young lady driving a car south down Beck Rd. started to go into a skid, tried to avoid hitting a tree and went through the bridge and landed far below in the creek. The young lady walked away from the accident without injury, but the car was badly damaged. The car was hauled from the creek by the Ford Service Garage. The

name of the driver was not recorded, but a lot of residents were curious as to what happened.

The Township Fire Department was called to the Huff Rest Home on Warren Rd. last Sunday morning. Upon arrival the department found a clothes dryer the cause of the call. Damage was estimated at approximately \$200. No one was injured and smoke was the main damage. The fire was in the dryer and did not extend further.

Many residents will remember the Guy Foppes family, who resided on Sheldon Rd., but moved to Garden City. We received word the other day that Guy and Esther proudly announce the birth of a new son, Paul Steven, 7 lbs., 8 oz., born Feb. 1. The couple have four other children.

A notice to all Gallimore PTA members and parents of Gallimore students. We want to emphasize the importance of our February meeting. At this meeting a discussion will be held as to whether Gallimore parents would like to help plan and put on a carnival as a fund-raising project. It will take the ideas and help of all parents if they decide on this project. The executive board wants your opinion, so come out and give

us your ideas. The meeting will begin at 7:45. Refreshments will be served.

Well, back to my head-hunting. I'm taking a home-barbering course, but must supply my own head for 10 weeks. My fellows are not too sure of my new talent.

Boy Scout Troop 298 of Canton Township, held their annual potluck supper and Scout Court of Honor last Monday, Feb. 13, along with the observance of Scout Week. Grace was given, before supper, by Scout Robert Voss, holder of the God and Country Award. Following the meal, the group all joined in with a song fest. A film strip was presented by Scoutmaster, Ralph Leifer. The film took approximately 40 minutes and was taken by Mr. Leifer while enroute to and including the happenings at the National Jamboree at Colorado Springs, a trip to Pike's Peak, Garden of the Gods, Indian Cliff Dwellings, Cave of the Winds, and some authentic Indian dances, by real Indians.

Following the film, the court of honor ceremonies were held. The presentations began with Jerry Harper, who was installed as the new assistant scoutmaster. Jerry then helped the scoutmaster and his assistants present the awards to the other scouts. Three scouts received their Tenderfoot Pins — Dan Hammond, Robert Szepieski and Gary Gidcomb. Five scouts received their Second Class Pins — Dave Eastin, Ralph Meyer, Steve Crawford, Jim Brooks, Joe Barton. Scout Dave Smith received his first class pin.

The following scouts received their merit badges: Larry Ashmun, swimming; Robert Voss, swimming and fingerprinting; Roy Harper, swimming. Ralph Meyer was selected as the new troop bugler. Tim Fotovich and Dave Smith were selected as assistant patrol leaders. Dave Eastin was sworn in as the Thunderbird's new patrol leader. Larry Ashmun was sworn in as the troop's first instructor, a new position in Scouting for older Scouts helping the scoutmaster and his assistants to give them a little more time for other Scouting duties. The office of senior patrol leader was presented to Larry Lea, a Star Scout in the troop with three years in Scouting.

The following Scouts received year pins: Dave Eastin, 1; Jim Brooks, 1; Larry Lea, 3; Tom Wiles, 3; Frank Harper, 1; Dan Thorpe, 3; Joe Barton, 1.

Attendance pins were presented to Larry Lea, Tom Wiles and Bob Voss.

Recognitions were given to the following Scout leaders: Gerry Harper, assistant scoutmaster, five-year pin; Arthur Lea, assistant scoutmaster, eight-year pin; Harold Voss, assistant scoutmaster, 17-year pin; and Ralph Leifer, scoutmaster, 21-year pin. This is a total of 51 years of Scouting experience with the leaders of Troop 298.

Recognition was given to the committee members: Chairman John Campbell, Secretary Treasurer Howard Moyer, Richard Crawford, Gerry Fotovich, Cassel Harper, Norman Higgs and I. R. Arthur Lea. The Court of Honor was brought to a close with a ceremony entitled "The Four Freedoms" with scoutmaster, Ralph Leifer and five Scouts, Bob Voss, Larry Ashmun, Tim Fotovich, Roy Harper and Larry Lea.

Get out the old banjo, accordion, sheet music or what have you, and start practicing, because PHS is having a talent show!

Seems that in past years a number of students have regretted that while we were able to view the talent of other schools in an exchange of assemblies, we had few opportunities to see our own fellow students perform. So this year, an all-school assembly at which PHSers will display their various talents has been scheduled.

Plans for the show, which will take place sometime around the middle of March are being laid this week by a committee that has been formed for this purpose, the chairman of which is Junior Marjorie Hulsing.

All those interested in participating should begin planning their performances now. Early in March an elimination show is to be held, with the judging probably being done by both students and teachers. More definite information should be available soon.

Noticed all those strange looking tape lines on the floor of the auditorium? Well, they represent the plan of the stage that is later to be erected in the gym for the forthcoming production of "The Mikado." The cast has been practicing stage movement with Director Robert Southgate during the last two weeks and have progressed through both the first and second acts. On other days during the same period, they have been involved in random rehearsing of the musical scores with Mr. Fred Nelson.

A current project of the Student Council is the prepara-

Notice of Public Hearings
City Planning Commission
City of Plymouth, Michigan

At a special meeting of the City Planning Commission to be held Thursday, March 2, 1961 at 7:30 p.m., public hearings will be held to consider rezoning:

- That property on the northwesterly corner of Sheldon and North Territorial Roads described in the 1960 City of Plymouth Tax Roll as 2V1Vala in the N. W. 1/4 of Section 27, City of Plymouth, T. 1 S., R. 8 E., Wayne County, Michigan, from R-1, One Family Residential, to R-2, Two Family Residential District; and
- That property on the west side of Dewey Street known as those parcels and parts of parcels in the N. W. 1/4 of Section 35, City of Plymouth, T. 1 S., R. 8 E., Wayne County, Michigan, described as:
 - All of both parcels identified in the 1960 City of Plymouth Tax Roll as Item Nos. 35BB3c3 and 35BB3b5a;
 - The east 47.5 feet of four parcels identified in the 1960 City of Plymouth Tax Roll as Item Nos. 35X1, 35X2, 35Y and 35Z;
 - The east 128.00 feet of a parcel identified in the 1960 City of Plymouth Tax Roll as Item No. 35AA; and
 - The east 119.5 feet of a parcel identified in the 1960 City of Plymouth Tax Roll as Item No. 35BB3c1;
 from R-1, One Family Residential, to R-2, Two Family Residential District.

All interested parties will be given an ample opportunity to participate in the hearing, and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Planning Commission before making its decision.

City Clerk

Legal Notices

J. Rusing Cutler, Atty.
193 N. Main
Plymouth, Mich.
STATE OF MICHIGAN
County of Wayne
ss. 404,437

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the second day of February, in the year one thousand nine hundred and sixty-one.

Present Ernest C. Boehm, Judge of Probate. In the matter of the estate of STELLA P. FORD, deceased.

On reading and filing the petition of Kathleen Micol praying that administration of said estate be granted to herself or some other suitable person: It is ordered, that the fourteenth day of March, next at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition. And it is further ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in THE PLYMOUTH MAIL, a newspaper printed and circulated in said County of Wayne.

ERNEST C. BOEHM,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated Feb. 2, 1961.
Deputy Probate Register
(2-15, 2-22, 3-1)

New Books

JUMBO, KING OF THE ELEPHANTS by Edmund Lindap, ill. by Jane Carlson. The true story about P. T. Barnum's Jumbo, who endeared himself to thousands of children and grownups before he met his untimely end.

WOMEN WHO REACHED FOR TOMORROW by Aylesa Foree. Biographical sketches about eight distinguished women, emphasizing qualities of character. Audrey Hepburn, Althea Gibson, Edith Head and others are but a few written about.

THE BRAVE AND THE FAIR selected by Helen Ferris. An anthology of 11 short stories by prominent American writers. Stories of courage and romance.

SHAG - LAST OF THE PLAINS BUFFALO by Robert M. McClung. Realistic story depicting the life of the buffalo in the days when great herds roamed the plains.

ANATOLE AND THE ROBOT by Eve Titus. How Anatole, the mouse, saves his job as a cheese taster at the cheese factory from a robot who challenged his position.

OTTO OF THE SILVER HAND, PEPPER AND SALT AND THE WONDERCLOCK by Howard Pyle — are reprints of old favorites, relating high adventure in the medieval days of knights and armor.

Obituaries

Mrs. Anna M. Allen
 As she approached the century mark, Mrs. Anna Mitchell Allen died Feb. 14 at the home of her daughter, Miss Edna Allen, 305 Arthur St. Mrs. Allen was born Oct. 17, 1861 in Gratiot County.

Her parents were John and Ann (MacLennan) Mitchell. Her husband, Jotham Allen, died in 1930. Always alert and proud of her family, Mrs. Allen lived periodically in Plymouth with her daughter, Miss Edna Allen, who is a retired school principal and teacher.

Also surviving are three other daughters, Mrs. Florence A. Sluyter of Royal Oak, Mrs. Margaret A. Wood of Detroit and Miss Dorothy L. Allen of Birmingham; two sons, Lester J. Allen of Ithaca and Robert M. Allen of Detroit; nine grandchildren and 21 great grandchildren.

Mrs. Allen moved here in 1956 from Birmingham. She was a member of the Alma Presbyterian Church. The body lay in state at the Schrader Funeral Home until Thursday morning. Services were held at 2 p.m. Thursday at the Old Home instead near Ithaca where the Rev. George Gillette officiated. Interment was in Pine Grove Cemetery, Emerson Township, Mich.

Surviving Mrs. Reddeman are four sisters, Mrs. Edith Potts of New Hudson, Mrs. Jane 'Cork' of Madison Heights, Mrs. May Driver of Howell and Mrs. Charlotte Shuell of Wayne and six brothers, Floyd Cash of New Hudson, Robert Cash of Howell, James Cash of Wixom, Donald Cash of Wixom, John Cash of New Hudson and Charles Cash of Plymouth.

Palbearers were Messrs. David Mather, Arthur Merryfield, Carl Finney, Carl Detloff, Lon Dickerson and George Trinka. Interment was in Riverside Cemetery.

Her husband preceded her in death in 1919. Surviving are two sons, Crover and Francis, both of Livonia and one daughter, Mrs. Mildred Melow of South Lyon, one granddaughter, Miss Abbie Scheuemann of South Lyon and one great granddaughter, Miss Ellen Abbie Scheuemann. Funeral services will be held from the Schrader Funeral Home, Feb. 22, at 2 p.m. Rev. Arnold Kehrl will officiate. Interment will be in Riverside Cemetery.

Roman P. Arjay
 Roman P. Arjay, 518 Irvin St., died Feb. 17 at St. Joseph Mercy Hospital following a long illness. He was 49.

Moving here from Detroit in 1950, Mr. Arjay worked as a cost clerk at Barnes-Gibson-Raymond Division. He was born in Detroit on July 29, 1911 to Roman and Sophia (Lesinski) Arjay. He married the former Joan Klos on Oct. 3, 1940 and she survives with the following: Two daughters, Celeste and Magdalen, both at home; a sister, Mrs. Eleanor Oplach of Detroit; four brothers, Alphonse and Thaddeus of Detroit, Julian of Livonia and Stanley of East Detroit. Rosary was recited at the Schrader Funeral Home Monday, Feb. 20. Funeral services were Feb. 21 from Our Lady of Good Counsel Church with the Rev. Fr. Camill P. Klos officiating. Interment was in Holy Sepulchre Cemetery.

Mrs. Jennie R. Gardiner
 Funeral services conducted by Rev. Henry J. Walsh were held for Jennie R. Gardiner, Feb. 18 at 1 p.m. from the Schrader Funeral Home.

Mrs. Gardiner was born 85 years ago in Detroit, on Dec. 28, 1875. She died in the Fish Memorial Hospital in New Smyrna Beach, Fla., on Feb. 14.

Surviving her is one daughter, Mrs. Ellen Laible of New Smyrna Beach, and one sister, Mrs. Lillie Shinnick also of New Smyrna Beach, two grandchildren and three great grandchildren.

Men In Service
 Thomas Calhoun
 Army PFC Thomas J. Calhoun, 25, son of Mr. and Mrs. Harry S. Calhoun, 9235 Corinne, Plymouth, was graduated with honors from the 9th Infantry Division Non-Commissioned Officer (NCO) Academy in Germany, Feb. 11.

Calhoun received four weeks of training in various military subjects with emphasis on leadership and combat tactics. The 1954 Plymouth High School graduate entered the Army in March 1959 and completed basic training at Fort Riley, Kan.

Mrs. Julia Zander Griffin
 Mrs. Julia Zander Griffin of 801 Starkweather died at age 78, Feb. 20, after an illness of two years.

Mrs. Griffin was born in Willis, Mich. on March 27, 1882, and she spent almost her whole life in this area. Surviving Mrs. Griffin is one daughter, Miss Gladys Griffin of Fort Jefferson, Fla., five sons, Carl and Burton Zander, both of Plymouth, Harvey and Earl from Wayne and Howard of Rogers, Ark., 16 grandchildren and 22 great grandchildren.

Emma H. Johnson
 Emma H. Johnson died Feb. 20 at the age of 94 in St. Mary's Hospital, after a year's illness.

Mrs. Johnson was born in Minnesota, June 22, 1866 and came to Michigan from Iowa in 1896 with her parents, Harriet and Rufus Emerson.

Palbearers were Messrs. Paul DePodesta, Fred Alsop, Harold Vasher, Fred Bove, Reginald Lasky and Tracey Sucey. Interment was in Woodmere Cemetery.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy travel riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds up to less sway, less bounce, less dip, less drive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voila, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's.

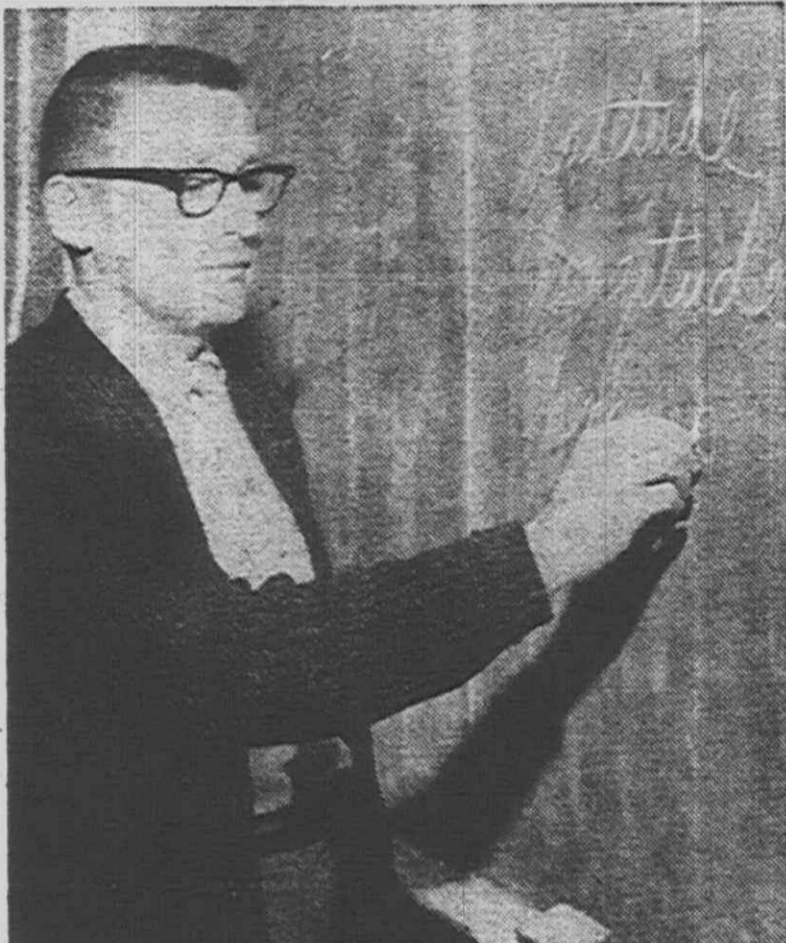

Irene Wick Graduates
Irene Wick of Karmada St., graduated Saturday from the Virginia Farrell Beauty School with a 97 per cent average in her studies. She plans to continue at the Farrell Academy doing further work in advanced hair styling. Miss Wick is the daughter of Doris Wick.

Who's Who in the Plymouth Community Schools

Gilbert John Pearson

Gilbert John Pearson has been a teacher for seven years. That comparatively short time has been spent in the Plymouth schools. He is presently teaching seventh graders English and social studies. Prior to this year Mr. Pearson taught mathematics, English, geography, remedial reading, spelling and health to seventh and eighth grade students. As a teacher Mr. Pearson is not alone in his family. His wife Sally taught special education for five years in Royal Oak. And now she manages to care for their children, Jon, who is two, and one-year-old Amy Lee, in addition to teaching three afternoons a week at Our Lady of Providence, a school for mentally retarded girls. An aunt, now retired, was a school teacher as are several of Mr. Pearson's cousins. His sister, Sonja, is also in that profession. She is a special education teacher at Redford Union School.

Mr. Pearson is a native Detroit. His parents still live there where his father, Algot Pearson, is in the building business. Mother Esther Pearson is very active in the housewifery line. It was with his father and an uncle that Mr. Pearson did part-time carpentry work to help work his way through college. His father must have been a good teacher, too, because the younger Pearson learned enough to build his own home which is at 15600 Lakeside Drive. Mr. Pearson attended and graduated from Cooley High School. He went on to Eastern Michigan University to receive his bachelors degree. Later he attended and was awarded his Masters degree from Wayne State University. At present he is taking classes at Wayne State University to complete the second half of his doctor of philosophy degree. Although his working career has been brief, Mr. Pearson has joined a number of professional and non-professional organizations. He at present holds membership in the Michigan Education Assn., the Plymouth Education Assn., and the National Education Assn.

In addition he is a member of Pi Gamma Mu, a social science honorary group, the Stoic Society, and Kappa Delta Pi. He also belongs to the Theta Chi fraternity and the Epiphany Lutheran Church Council. Officers held in the above named groups are vice-president of the Theta Chi, treasurer of the Plymouth Education Assn., trustee on the Church Council and chairman of the church building committee. Prior to his entering the teaching profession, Mr. Pearson served in the Army as a corporal. During his service from 1953 to 1955, he was stationed in Korea. He was awarded the National Defense Service Medal, the Korean Service Ribbon, the United Nations Service Medal and the Sharpshooter M-1. While he was in Korea, Mr. Pearson's duties consisted of teaching the non-commissioned officers the fundamentals of learning to enable them to retain their sergeant's stripes. Many of them were career Army men who had not completed much more than their elementary school education. One of his most interesting students there was a sergeant who had passed the half-century mark and had never had the opportunity for higher education. He "breezed" through three years of mathematics in three months. In the evenings Mr. Pearson helped teach the Korean children. During his years as an undergraduate at Eastern Michigan University, Mr. Pearson was more than busy with extra-curricular activities. He was the president of the sophomore class, treasurer of the senior class, member of the Student Court and the Student Council. He received a State Board of Education undergraduate Jefferson Scholarship to graduate school in recognition of his outstanding work. In addition to his travel experiences in Korea during his Army service, Mr. Pearson has visited Japan, Canada and most of the United States. When he is not traveling or teaching, Mr. Pearson enjoys bowling, golf, hunting and carpentry.

Seminar on Paving In Plymouth March 2

A seminar on concrete paving construction will be presented March 2 under sponsorship of the American Public Works Association, Michigan chapter, and Portland Cement Association at Lofy's Arbor Lill Skyline Room, 42390 Ann Arbor Rd., Plymouth. The meeting for public works personnel will open with registration at 9 a.m. The morning program will include a discussion of paving contracts and specifications by W. L. Strasser, Livonia city engineer; a paper on concrete mix design by J. E. Kratzer, Plymouth, PCA paving engineer; and a review of new developments in concrete pavement construction by T. M. Reynolds, Lansing, PCA supervisory engineer. A welcome will be extended to the group by G. L. Nampa, Royal Oak, president of the Michigan chapter of APWA. Following a luncheon period, Kratzer will review the National Test Road research project recently completed under auspices of the American Association of State Highway Officials and other federal and state road building agencies. J. R. Stevens, Birmingham, PCA paving engineer, will discuss concrete street pavement inspection, and B. A. Ross, Dearborn, testing engineer for the Wayne County Road Commission, will speak on concrete testing and reports.

Rev. Andrew Seminchuk

ALWAYS RIVALING
ST. PAUL, Minn. (UPI) — The Minnesota State Fair, one of the largest in the nation, is now held here annually, but it wasn't always that way. At one time, rivalry between St. Paul and sister-city Minneapolis was so great that Minneapolis sponsored a competing fair. When the Minneapolis event started drawing bigger crowds, the official fair was forced to move out of town. It was held at different cities for five years until a permanent fair grounds was established here.

WINNER LIVED LONG
LEXINGTON, Ky. (UPI) — Man O'War, considered the greatest thoroughbred in history, was 30 years old when he died at Faraway farm here Nov. 1, 1947.

My Neighbors
"Is there somebody more my size I can complain to?"

Fake Ideas About Food

Food has always been a symbol of friendliness, sociability and pleasure. But fake ideas and superstitions about food are as common today as they were in ages past. Today, no one can make us believe that snake oil and powdered gypsy bones can cure rheumatism and baldness; yet most of us have in our homes vitamin pills, weight-reducing "aids" or special "health" foods. If you have any of these preparations without the advice of your family doctor, you may be dealing with the modernized version of old-time medicine man. You may be among the ten million Americans who are spending about a half billion dollars each year in search of a shortcut to health.

1. **Fallacy:** Everybody needs vitamin concentrates. Vitamins are "cure-alls." **Fact:** Regular foods are the best sources of vitamins, and the vitamin preparations are not necessary for the average person if the diet is adequate. Vitamin concentrates should be taken only on the advice of a physician.
2. **Fallacy:** Butter has more calories per pound than margarine. **Fact:** Margarine and butter have the same caloric value.
3. **Fallacy:** It is dangerous to leave food in a can that has been opened. **Fact:** It is just as safe to keep food in opened cans in the refrigerator as it is to empty food into another container. Often other containers carry more bacteria from the air than the cans themselves.
4. **Fallacy:** Water is fattening. **Fact:** Water is calorie free and cannot be converted to body fat. Water is essential to health at all times.
5. **Fallacy:** Frozen orange juice contains more Vitamin C than fresh or canned orange juice. **Fact:** The Vitamin C content of fresh, frozen and canned orange juice is about the same.
6. **Fallacy:** Soil that is inferior produces vegetables and cereals of low food value. **Fact:** Experiments seem to show that poor soil lessens the quantity of the crop, but not its food value.
7. **Fallacy:** Milk is not a needed food for adults. **Fact:** A pint or more of milk should be included in everyone's daily diet. The calcium in milk helps fortify bones against breakage. Milk, cheese and other dairy products are high in protein, minerals and vitamins.
8. **Fallacy:** People need less protein as they grow older. **Fact:** Protein and the B vitamins actually delay aging. Since meats are sources of both protein and B vitamins, they should be included in the diets of both old and young.

PLYMOUTH Telephone Lines
By HUGH C. BRONAUGH, Manager

Do you often find your "Two Party" line BUSY when that important call must be made? I agree it's frustrating to say the least. Actually, if you stop to think about it, it's not a "Two Party" but a "Two Family" line you share. In all probability each family has four or five members who are telephone users. We know the calling habits, in most families, are about the same. Our records indicate the peak hours are 10 to 11:30 a.m., 3 to 4:30 p.m. and 7 to 8:30 p.m. I'm glad to say that private lines in Plymouth are now available. Why cause the old blood pressure to rise when, for a few pennies a day, you can have the very best. Call your local Service Representative on GL 3-9900 and she will make the necessary arrangements for you.

A VERSATILE LITTLE INVENTION called the thermostat (short for thermal resistor) has proved a boon to your telephone service. This supersensitive device—no bigger than a tiny bead—keeps telephone voice transmission at uniform volume. Volume can vary with temperature, and thermostats, reacting to heat and cold, keep the voice level constant. Developed by Bell Telephone Laboratories, millions of them today are hard at work in your nation-wide telephone network. Tiny and efficient, thermostats are another example of how your Telephone Company is constantly working to help keep down the cost of your ever-improving telephone service.

A NEW HOME TELEPHONE service is now available from Michigan Bell. It's called Home Interphone. Here are some of the wonderful things you can do with it • talk by phone from room to room; the person you call can answer "hands free" • answer the door from any phone (via a microphone speaker by the door) • "hold" and transfer incoming calls to another telephone in the house by using the telephone to page the person being called. Home Interphone is a new Bell Telephone product that makes your telephone service more useful and convenient than ever.

ADVERTISEMENT FOR BIDS

The Board of Education, Plymouth Community School District, Wayne and Washtenaw counties, Michigan will receive bids for the construction and completion of:

Alterations and Additions to EXISTING HIGH SCHOOL BUILDING

Located at 650 Church Street Plymouth, Michigan.

Until 7:30 p.m., E.S.T., Monday, March 13, 1961, at the office of the Board of Education, Plymouth Community School District, 1024 South Mill Street, Plymouth, Michigan, at which time and place all bids will be opened and read aloud.

Proposals will be received for General Contract, including all trades.

Bidders will be required to furnish satisfactory performance bond in the amount of 100% of the contract, and satisfactory labor and material bond in the amount of 100% of the contract, the cost of which shall be paid by the bidders.

Plans and specifications may be obtained on and after 9:00 a.m., Monday, February 20, 1961, at the office of the Architect, Wheeler, Becker & Associates, Inc., 1210 David Stott Building, Detroit 26, Michigan. A certified check, drawn in the amount of \$25.00 shall be deposited with the Architect for each set of plans and specifications taken from the office of the Architect. The deposit will be refunded when plans and specifications are returned to the office of the Architect not later than five (5) days after bidding date. A charge for prints held after five (5) days will be \$2.00 per day.

Construction of those phases of the work which will not hamper the full operation of the normal school activity shall start on April 1, 1961, and the work shall be completed on or before Saturday, September 2, 1961.

Only those contractors who can show a satisfactory performance record on like work will be allowed to bid this work.

The successful bidder will be required to furnish a written guarantee that he will complete the work on or before the established completion date, and that he has no previous commitments which will deter this work. Each proposal shall be accompanied by a certified check or a bid bond made out to the Plymouth Community School District, Board of Education, in the amount of 5% of the total proposal.

The Board of Education reserves the right to reject any or all bids and to waive any informality therein.

THE GOOD OLD DAYS... FROM THE PAGES OF THE MAIL

10 Years Ago

The installation of a central switchboard for all Plymouth schools was completed this week. Now all schools may be reached at the new telephone number, 895.

Principals of all schools, the superintendent's office, and all school offices may now be reached at this number. The switchboard is located in the business office at the High School.

Molten lead spilling on a wet basement floor caused an explosion that seriously burned Joseph Thomas, 44128 Ford Rd., Monday night. Thomas was taken to Beyer Hospital with serious burns on his face and neck. His left eye was badly burned but doctors believe his sight will be saved.

On Feb. 16, the members of Chapter A.I. of the P.E.O. Sisterhood met for dessert at the new home of Mrs. Robert Nulty on Park Place as a surprise housewarming.

Dr. and Mrs. A. E. VanOrnum entertained the members of the Board of Directors of the University of Michigan Club in their home on Maple Ave. Tuesday evening.

A George Washington birthday motif formed the setting for the Symphony Tea given last Sunday at the Veterans Memorial Center following the Fifth Plymouth Symphony Orchestra concert.

Four Plymouth boys, Gary Rodman, Bob Martin, Kenneth Schaufele and Jim Law, are all stationed at Camp

McCoy, Wis. The four, who graduated in the same class from Plymouth High, all enlisted together.

25 Years Ago

Scouts of Plymouth, both boys and girls, are invited to take part in the birdhouse contest being sponsored by the Rotary Club. First prize will be \$3, second \$2.50, third \$2, fourth \$1.50 and fifth \$1.

Reported to be one of the most dramatic spectacles of the repeal era, "The Prisoner at the Bar" will be presented at 7 p.m. Sunday at the First Baptist Church. It will be directed by Frank Church, with a cast of local residents.

For the first time in years, severe weather conditions endangering winter food game birds made it necessary for the state department of conservation to appropriate money to purchase corn and other grains. For two weeks conservation officers in the southern half of the state have been spending most of their time establishing and caring for winter bird feeding stations.

Martin Strassen returned Friday from Miami. He reports that he caught two shark on fishing expeditions in Florida waters.

Unemployed persons wishing to register with the Federal Re-employment Service, may do so at the city hall, Feb. 21. A representative from the service will be there between the hours of 9 a.m. and 3 p.m.

A public hearing on the special assessment roll for the Hamilton Ave. sanitary and storm sewers has been ordered for Monday evening, March 2, by the city commission. In the event that WPA funds are cut short, and men withdrawn from the project, those property owners who do not receive any benefits from the work completed will not be assessed, according to Mr. Elliott.

50 Years Ago

William Blunk, who purchased the Allen farm north of Church St., contemplates plating the same into village lots and opening streets. He expects to build four new modern residences thereon this summer. In selling lots on a portion of the lots he

will stipulate with the buyer that no house be built costing less than \$2,000. This section of the village is expected to grow materially.

That the Central Grand Concert Co. will give the people of Plymouth one of the greatest musical treats ever, is an assured fact. The bureau has used this company to advertise their lyceum and so have secured high class talent.

At the last meeting of the fire department a committee was appointed to circulate petitions to the council among the taxpayers, asking that body to purchase a motor hose truck or wagon for use of the department, instead of the present antiquated and cumbersome carts. The committee is now circulating such a petition but has included in it "either a motor truck or team of horses and

Eli Nowland, driver of the depot bus, was kicked on the leg by a horse he was hitching up last Saturday afternoon and was seriously bruised, being unable to use the limb for several days.

Gayde Bros. have purchased a Brush delivery motor wagon and expect to have it in use in a week or two. The boys are the first to adopt delivery in this village and their enterprise and progressiveness is certainly commendable.

Consumers Announces Plans For Expansion During 1961 **32 on Madonna College Dean's List**

Registers Ladywood Group

More than \$12,000,000 will be invested by Consumers Power Co. in its Southeast division during 1961 on projects to expand and improve the company's natural gas services, Division Manager David H. Gerhard announced Tuesday.

The division encompasses some 800 square miles in an area north and west of the City of Detroit, and includes the communities of Plymouth, Royal Oak, Pontiac, East Detroit, Livonia, Birmingham, Mt. Clemens, and many others. Consumers has some 255,000 gas customers in the area, which has a total population in excess of 1,500,000.

Major projects listed by Gerhard include installation of more than 238 miles of new gas mains in division

communities, and the addition of an estimated 21,500 new gas customers to the company's Southeast division lines.

In addition, improvements to the existing gas system will be completed to benefit some 2,500 existing customers.

Gas production and pumping facilities will be expanded at the Northville gas field also, Gerhard said.

The field encompasses parts of Wayne, Oakland and Washtenaw counties.

Numerous gas regulator stations in the area will be installed or enlarged during the year also, he said. These are the stations which keep gas flowing at even pressure throughout the hundreds of miles of mains serving the neighborhoods of the divisions.

Major distribution pipeline extensions will be completed in sections of Farmington, Erin Townships, also, he said.

Gerhard said the 1961 construction program in the Southeast division is part of Consumers Power company's general expansion and improvement program in which the company is investing \$98,000,000 this year in the 64 counties of outstate Michigan where it serves. More than 4,000,000 people live in the company's service area.

Consumers provides electric service in 61 Lower Peninsula counties, and natural gas service in 30 counties.

Wins Scholarship In Retail Program

Richard A. Morrison, son of Mrs. Jean E. Morrison, 1045 Linden, Plymouth, who is a student in the Michigan University Retail Training Program, has been awarded a Gilmore Brothers Cooperative Retailing Scholarship for the school year 1960-61.

In selecting candidates for this scholarship, only students with a B average were considered. Each student was ranked on the basis of scholastic ability, character, personality, financial need, and a real interest in retailing as a career.

Morrison was a graduate of Plymouth High School.

Thirty-two students who maintained a B-plus average of 3.25 or better during the fall semester, have merited a place on the Dean's list at Madonna College. Twenty-seven were awarded second honors for their average of 3.4.

On the dean's list are the following seniors: Mildred Bursel (all A), Violet Hedrick, Lucille Rivers, Beatrice Spring and Marie Wyss.

Juniors: Barbara Jupp and Florence Kijek.

Sophomores: Catherine Bitonti, Sister Shaun Marie, CSB, Sister Cordia Marie, CSB, Carol Hellus, Sister M. Angelette, CSSF, Sister M. Noreen, CSSF, Geraldine Przeslawski, Donna Pusz, Diane Stempien, June Sulewski.

Freshmen: Mary Einberger, Angela Friemoth, Sister

Bernadine Gazda, Sister Kathleen Glonek, Valerie Gniwek, Antoinette Gulowski, Susan Hasselberg, Sister Jane Kujawa, Justine Malinowski, Dianne Mazur, Joyce Pierucki, Dianne Ptak, Ann Quinn, Cynthia Radzialowski and Pat Thebert.

Receiving second honors are seniors: Ann Antonelli, Elizabeth Czarnecki, Sister Joseph Ann, O.P., Patricia Hoover.

Juniors: Mary T. Hayes, Christina Kary and Cathy Koszegi.

Sophomores: Nancy Burd, Cecilia Chernick, Diane David, Sister M. Florice, CSB, Klaretta Konz, Doris Kulik, Karen Lubig, Patricia Makarewicz, Carol Paski, Barbara Sobczak, Susan Starkweather and Bernadine Styburski.

There was an overwhelming response to the Open House and registration for incoming students for the 1961-62 school year at Ladywood High School recently. Two hundred sixty-seven prospective Ladywood students took the entrance examination, it was reported by Ladywood's principal, Sister Mary Benigna. The exam was conducted by the Felician Sisters, faculty of Ladywood.

Parents of the applicants met in the school dining hall to hear the outline of school policies, curriculum, activities and fees. The parents also were told about the Ladywood High School expansion plans by the Fund Drive Committee. Plans call for an additional eight rooms, gym-

nasium and operating facilities. With the unprecedented numbers of new applications this year, need for expansion is imminent.

The Fund Drive Committee is working hard to realize the goal of \$250,000 by June 1, so that ground breaking can begin in September 1961 and completion and occupancy of the new facilities by September of 1962.

Newburg Scouts Receive Awards; Church Lenten Services Present Guest Speakers

MRS. EMIL LAPOINTE
GL 3-3797

Congratulations are in order for a couple of families in the Newburg area. First of all to Mr. and Mrs. Carl Shemwell of Lamont Avenue, who recently announced the arrival of a son, Christopher Daniel, who weighed in at an even six pounds. Mrs. Shemwell is the former Vicki Lee Bronson. The other family receiving our congratulations is Mr. and Mrs. Kenneth E.

Hanchett of Newburg Road, whose son, Kenneth, recently received the degree of Bachelor of Science in Mechanical Engineering from the University of Michigan.

In the Lenten schedule of services of the Newburg Methodist Church, some former pastors of the church have been engaged to be guest pastors at the 7:30 worship service on Wednesday nights. The first of these services is set for Wednesday, March 1, at which time Rev. Robert

Trenery will be the preacher of the evening. Rev. Trenery was at Newburg during the time of the fellowship hall construction. On March 8, Rev. Robert Richards will be the preacher; Rev. Richards is now serving the Saline Methodist Church in Saline, Mich. On March 15, Rev. G. MacDonald Jones will preach the 7:30 p.m. service. Rev. Jones is now pastor at the Glenwood Methodist Church in Wyandotte. Preceding each of these services will be a family potluck supper at 6:30 p.m. to which all are cordially invited.

Mr. and Mrs. Leonard Ritzler of Plymouth Road have been hosts to the Rev. Ralph Dean of Westwood Methodist Church, Kalamazoo, while he was in the Newburg area. The following ladies were present for the morning cancer pad sewing, a noon nose-bag lunch and their regular business meeting at 1 p.m.: Vera Guthrie, Dorothy Pittney, Winifred Nixon, Shirley Fenkin, Margaret Ayers, Elsa Hammond, Bearrice Ellis, Julia Ruehle, Lillian Kerr, Nancy Sutton, Jean Epley, Hazel Grimm and Fay Grimm.

The ladies will meet again on Tuesday, March 7, at the home of Mrs. Warren Fittery on Hix Road. This circle, along with the ladies of the Lydia Circle, are sponsoring a "Luncheon Is Served" program on Wednesday, March 8, at 12:30 p.m. and tickets are set at \$1. There will also be a bake sale in conjunction with the luncheon and a Nursery will be provided for the very young, if their mothers would like to come.

Glad to hear that Floyd Mahl of Anrheim Road is home after being confined to St. Joseph Mercy Hospital in Ann Arbor for about 10 days. Send your wishes for his return to health, for they are most welcome.

Mrs. Dale Hartwick of Joy Road is now home, too, from the hospital and is so pleased to be and to also be able to tell all how grateful she is for the many kind cards and calls and the help she has received from many, many people while she was ill.

Mr. and Mrs. Edward J. Howden of Joy Road are home from the sunny climate of Florida after spending about four weeks vacationing and visiting with friends and relatives.

In keeping with the annual celebration of Boy Scout Week, Troop 271 of St. Michael's Catholic Church had their regular February Court of Honor on Wednesday, Feb. 15, at the St. Michael's School. The program was opened with the presentation of the colors and the pledge of allegiance led by Scout Jack Krygier. Tenderfoot in vestiture was conducted by Scoutmaster Lou Saplis with the following boys being received into the troop, Bob Coseo, Kenneth Cyr, Mike Roney and Stephen Roush. During the ceremony, each boy was obliged to recite the Scout Oath and light his candle at the campfire. Mothers and fathers of the new Scouts were then called upon to pin on their boy, upside down, his tenderfoot badge. The pin is to be put in its right position after doing some good deed.

William Powell, Scout committeeman, presented the first class awards to Michael Mortons and Michael Donahue with each boy's mother coming forward to receive a duplicate, miniature pin of her boy's rank. The next award given was that of the Gold Palm, which is the second award above that of the Eagle and requires the boy to have an additional ten merit badges above the Eagle rank of 21. This Gold Palm was presented to Scout David LaPointe by William Powell.

The award of Silver Palm, the highest rank any boy in the history of the troop has received, was then presented to Bruce LaPointe, by John Krygier. The Silver Palm indicates that this boy has worked for 15 more merit badges above the Eagle rank of 21. Mr. Krygier then presented the rank of assistant Scoutmaster to Bruce, who is the only boy in the troop to come up from the ranks and go on to become a leader of the troop.

One boy, Richard Powell, received merit badges which were presented by Committeeman St. Amour. Scout Powell received badges for camping, weather, nature, safety, firemanship, reading and personal fitness.

Awards for service to the troop were given out by scoutmaster Saplis. Six year service was awarded to Jack Krygier; four years of service was awarded to David LaPointe; three years to Mike Brady, Bill Davis and Bob McHugh; two years of service to Mike Donahue, Mike Kowalski, David St. Amour, Bob Bennett and Kevin Dahill; one year awards were given to Warren Williamson, John Saplis, William Coseo, Mike McNeese, Michael McMullen, Danny West and Ted Gozdzianski.

This marked the end of the award presentation and Scoutmaster Saplis then talked briefly to the assembled parents concerning the problems of parental participation and his need for help. He outlined the proposed plan for the coming months for the troop which included the weekly swimming program held every Thursday at the

Bentley High School pool strictly for the boys of Troop 271 so that they may become more efficient in the art of swimming; a spring camp-out April 23, 29 and 30th; the annual canoe trip, this year down the Rifle River, June 2, 3 and 4 and finally the proposed summer troop camp-out, July 22-30.

All fathers were advised of the committee meeting scheduled for April which time movies shown. The event is closed with the scoutmaster benediction led by Bruce LaPointe.

On Sunday, Feb. 19, the minister, Rev. Roger W. Merrell, organist, Mrs. Paul Nixon and all the choir members, Mrs. James Greenwood, Mrs. Tom Leverton, Mrs. Joan Lee, Mrs. Emil LaPointe, Mrs. Marge Myers, Mrs. William Dorr, Mrs. James Baker, Mrs. Earl Wacker, Mrs. Fred Walitz, Mrs. Richard Crawford, Mrs. Roger Merrell, Mrs. Donald Barres, Mrs. Michael Lorraine, Tom Waltz, Fred Waltz, Leonard Ritzler, Paul Nixon, Joseph Achor, Clyde Fink, Robert Lorraine and Graham Bennett, from Newburg Methodist Church, exchanged places with the folks of the Bethel A.M.E. Church in downtown Detroit, their pastor, organist and choir, and preached, played their pipe organ and sang, respectively. The people of Newburg were treated to dinner after the 11 a.m. service and the folks from Bethel were treated to refreshments at Newburg. It was a thrilling experience shared by all in commemoration of Race Relations Sunday.

Had hoped to be hearing from more of you this past week. Since I didn't, I had to glean whatever I could, via the grapevine. Hope you found it interesting and that next week you'll remember to give that old dial a little twirl. See you next week?

For he is our peace, who has made us both one, and has broken down the dividing wall of hostility. —(Ephesians 2:14)

Here is a suggestion of a new dignity which comes to a man who has found himself drawn into this fellowship of Christ. It is a newness that comes from a sense of oneness with others in Christ.

For he is our peace, who has made us both one, and has broken down the dividing wall of hostility. —(Ephesians 2:14)

For he is our peace, who has made us both one, and has broken down the dividing wall of hostility. —(Ephesians 2:14)

Here is a suggestion of a new dignity which comes to a man who has found himself drawn into this fellowship of Christ. It is a newness that comes from a sense of oneness with others in Christ.

For he is our peace, who has made us both one, and has broken down the dividing wall of hostility. —(Ephesians 2:14)

CANTON TOWNSHIP ZONING ORDINANCE

WHEREAS, the TOWNSHIP PLANNING COMMISSION of the Township of Canton has in the exercise of its functions determined that an amendment to the Zoning Ordinance is desirable and the said Planning Commission after a public hearing has recommended to the Township Board that a change in the said Zoning Ordinance be made, and the said Township Planning Commission having notified the Detroit Metropolitan Area Regional Planning Commission and the Coordinating Zoning Committee of the Wayne County Board of Supervisors, Michigan, that the said Commission nor Committee having made any objection to the said change,

ON MOTION of Flodin supported by Dingeldey the following Ordinance was adopted:

AN ORDINANCE TO AMEND THE CANTON TOWNSHIP ZONING ORDINANCE ENTITLED:
"An Ordinance to regulate the use of land, natural resources and structures; to regulate and restrict the location of land and structures, including tents, trailer coaches and other temporary structures, designed for trade, industry, agriculture, residence or other specified uses; to regulate and limit the height, the area, the size and location of structures hereafter to be erected or altered; to regulate and determine the area of yards, courts or other open spaces; and for such purpose to divide the Township into districts and zones; to provide for the administration and enforcement of the provisions of this Ordinance and to prescribe penalties for any violation thereof."

IT IS HEREBY ORDAINED by the People of Canton Township, Wayne County, Michigan, that the Zoning Ordinance of the Township of Canton entitled:

"An Ordinance to regulate the use of land, natural resources and structures; to regulate and restrict the location of land and structures, including tents, trailer coaches and other temporary structures, designed for trade, industry, agriculture, residence or other specified uses; to regulate and limit the height, the area, the size and location of structures hereafter to be erected or altered; to regulate and determine the area of yards, courts or other open spaces; and for such purpose to divide the Township into districts and zones; to provide for the administration and enforcement of the provisions of this Ordinance and to prescribe penalties for any violation thereof," be and the same is hereby amended in the following particulars:

Sec. 1. Section 2.03 of Article II is amended to read as follows:

2.03 SIZE OF DWELLINGS. No one story building used as a dwelling shall hereafter be erected or altered in any district in the Township of Canton with a floor area of less than eight hundred (800) square feet. No building of more than one story used as a dwelling shall hereafter be erected or altered in any district in the Township of Canton with a first floor area of less than six hundred twenty-four (624) square feet. Apartments shall comply with minimum room sizes, Section 2.04, and shall have a total one floor area of not less than four hundred fifty (450) square feet.

Sec. 2. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed, but only to the extent necessary to give this Ordinance full force and effect.

Sec. 3. This Ordinance shall become effective thirty (30) days after its publication.

I hereby certify that this is a true copy of an ordinance adopted at a regular meeting of the Canton Township Board held Tuesday, February 14, 1961.

JOHN W. FLODIN
Canton Township Clerk

About Babies

National Assn. of Science Writers
Editor, All About Babies

Babies usually are born with an immunity to a number of communicable diseases. They obtain this immunity from their mothers.

The inborn immunity, however, is good for only about the first six months of life. After this, baby must develop his own immunity.

Immunity is a natural defense of the body against disease. It is made possible by a supply of protective substances known as antibodies.

The presence of antibodies, and thus immunity, is brought about in three different ways. First, in a natural way during the disease itself. Second, by immunization, a method by which the body is stimulated to build the desired antibodies. Third, by the injection of antibodies against a specific disease.

When it comes to the communicable diseases of babyhood, the first method is least desirable. The second, the use of antiserum, is but a temporary method when quick protection is needed and then, only in certain diseases.

The second method is the most useful in protecting baby against the more common communicable diseases of babyhood. To provide this protection, doctors observe an immunization timetable.

Baby's first immunizations are against diphtheria, tetanus and whooping cough. These usually begin when the child is one to two months of age. Three or four monthly inoculations are given. "Booster shots" are usually given a year or so later. Many doctors feel "booster shots" for whooping cough are unnecessary after the age of five, but that anti-tetanus "boosters" are advisable at three to 10-year intervals.

A relatively new entry on the immunization timetable is polio. Many doctors recommend that "polio shots" be started at just about the time baby is receiving his first immunizations.

Immunization against polio consists of a series of three shots. The second dose is given four to six weeks after the first and the third, seven to 12 months later. A "booster dose" is recommended about a year after the completion of the series.

A single vaccination against smallpox is usually given at five or six months of age or any time during baby's first year. It is recommended that this vaccination be repeated every three to five years throughout life.

In some areas where the probability of exposure exists, doctors may recommend inoculations against typhoid and para-typhoid every one or two years.

The eye of a hurricane varies from three miles to 40 miles in diameter.

ORDINANCE NO. 273

AN ORDINANCE TO LIMIT, CONTROL AND REGULATE THE TIME OR DURATION OF THE PARKING OF MOTOR VEHICLES OR OTHER CONVEYANCES IN AND UPON THE "CENTRAL PARKING LOT" SO CALLED OF THE CITY OF PLYMOUTH, MICHIGAN, AND TO PROVIDE PENALTIES FOR THE VIOLATION THEREOF.

THE CITY OF PLYMOUTH ORDAINS:

Section 1. The City of Plymouth, Michigan, being the owner of a public parking lot known as the "Central Parking Lot" situated within the area bounded by Penniman Avenue, S. Main Street, W. Ann Arbor Trail and S. Harvey Street, in said city, said parking lot being established and maintained for the benefit of the nearby business or shopping area, and the Mayor determines that, to accomplish such purpose, it is necessary to limit, control and regulate the time or duration of the parking of motor vehicles or other conveyances in and upon said lot as hereinafter provided.

Section 2. The following words when used herein shall be deemed to have the meanings given below:

(a) "Parking Lot"—The above described "Central Parking Lot."

(b) "Parking"—The storing of a motor vehicle or other conveyance upon said parking lot.

(c) "Motor Vehicle"—Every vehicle which is self-propelled.

(d) "Conveyance"—Every vehicle intended for or capable of carrying persons or property or moving upon wheels.

(e) "Person"—Every natural person, firm, partnership, association or corporation and their respective trustees and receivers, appointed by any court whatsoever.

(f) "Owner"—A person who holds the legal title to a motor vehicle or conveyance or has possession thereof under a conditional sales contract, lease, mortgage or other instrument or agreement.

(g) "Operator"—The word "operator" shall mean and include every person or individual who shall operate a motor vehicle or conveyance as the owner, driver, or as the agent, employee, or permittee of the owner, and with reference to the provisions of this ordinance, any person parking or moving a motor vehicle or conveyance whether remaining in such parked motor vehicle or conveyance or not.

Section 3. No owner or operator of a motor vehicle or conveyance shall park the same or permit the same to be parked in said parking lot of the city, between the hours of 9:00 a.m. and 6:00 p.m. on Mondays, Tuesdays, Wednesdays, Thursdays and Saturdays, and between the hours of 9:00 a.m. and 9:00 p.m. on Fridays for a continuous period of time in excess of two (2) hours. Said two hour limitation upon parking in said parking lot shall be in force during all days of the week excepting Sunday and the legal holidays known as New Year's Day, Memorial or Decoration Day, July the Fourth or Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

The movement of a motor vehicle or conveyance from place to place in said parking lot or the removal of same from such lot and immediate return thereof to the lot shall not be deemed to interrupt the running of said two hours parking limitation hereby imposed. Such conduct shall be deemed prima facie evidence of intent to violate this ordinance.

Section 4. The Director of Public Safety shall post or cause to be posted in said parking lot signs giving notice of the aforesaid limitation upon the time of parking.

Section 5. Any person who violates any provision of this ordinance shall be subject to a fine of not more than Twenty-five (\$25.00) Dollars and costs, or, in default of payment thereof, to imprisonment to the Detroit House of Correction for a period of not to exceed ten days.

Section 6. This ordinance shall become operative and effective on the 28th day of February, 1961.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan, on this 6th day of February, 1961.

Harold E. Guenther, Mayor Joseph F. Near, Clerk

ORDINANCE NO. 274

AN ORDINANCE TO AMEND ORDINANCE NO. 182, ZONING ORDINANCE OF THE CITY OF PLYMOUTH, MICHIGAN.

THE CITY OF PLYMOUTH ORDAINS:

Section 1. The Zoning Map of the City of Plymouth, Ordinance No. 182, Zoning Ordinance of the City of Plymouth, Michigan is hereby revised as follows:

A. The North 300 feet of the South 500 feet of a parcel described as: That part of the N.E. 1/4 of Section 34, City of Plymouth, T. 1 S., R. 8 E., Wayne County, Michigan, described as beginning at the center 1/4 corner of Section 34 and proceeding thence N. 0 degrees 21' 20" E., along the N. and S. 1/4 Section line, 1960.25 feet; thence East-easterly along the South line of "Parklane Sub.", 1312.08 feet; thence S. 0 degrees 02' E., along the West line of Lots 53 and 52 of "Puritan H 0 1 m Addition", 266 feet; thence Westerly along the North line of "Fred Garling's No. 1 Sub.", 710.00 feet; thence S. 0 degrees 02' E., 1697.65 feet; thence N. 89 degrees 40' 50" W., along the E. and W. 1/4 Section line, 615.41 feet to the point of beginning, except the West 43.00 feet thereof; also, except the South 53.00 feet thereof, changed from R-2 (Two-Family Residential) to C-2 (Commercial Business District).

B. That part of the N.E. 1/4 of Section 34, City of Plymouth, T. 1 S., R. 8 E., Wayne County, Michigan, described as beginning at a point on the N. and S. 1/4 line of said Section 34, distant N. 0 degrees 21' 20" E. 585.00 feet from the center 1/4 corner of said Section 34 and proceeding thence N. 0 degrees 21' 20" E., along said N. and S. 1/4 line, to the point of intersection of said N. and S. 1/4 line with the Northern line, projected Northwesterly, of Lot No. 41 of the proposed "Arbor-Croft Subdivision"; thence Southeasterly along the North line of Lots 41, 62, 61, 60, 59, 58 and 57 of proposed "Arbor-Croft Subdivision", to the East boundary line of said proposed "Arbor-Croft Subdivision"; thence S. 0 degrees 02' 50" E., along the said East boundary line of proposed "Arbor-Croft Subdivision" to a point distant N. 0 degrees 21' 20" E., 583.00 feet from the E. and W. 1/4 Section line of said Section 34; thence N. 89 degrees 40' 50" W., approximately 612.18 feet to the point of beginning, changed from R-1 (Single Family Residential) to R-2 (Two-Family Residential).

Section 2. Section 2.03 is hereby amended to read as follows:

Section 2.03. The Zoning Map of the City of Plymouth, originally made a part of this Ordinance as such map has been heretofore amended and as now further amended by "Zoning Map Amendment No. 27 of the City of Plymouth" which map is hereto attached and made a part of this Ordinance, shall be the official Zoning Map of the City of Plymouth.

Section 3. This Ordinance shall become operative and effective on the 28th day of February, 1961.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan, this 6th day of February, 1961.

Harold E. Guenther, Mayor Joseph F. Near, Clerk

Minutes of the Plymouth City Commission

Monday, January 16, 1961

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, January 16, 1961 at 7:30 p.m.

PRESENT: Comm. Cutler, Hartmann, Shear, Sincok, Terry and Wernette.

ABSENT: Mayor Guenther.

Since Mayor Guenther was ill, his absence was excused by the Commission and Mayor Pro-tem Sincok presided.

Cutler moved that the minutes of the meeting of January 3, 1961 be approved as written. Carried unanimously.

Moved by Comm. Hartmann and supported by Comm. Cutler that the bills, in the amount of \$102,332.39, as audited by the auditing committee, be allowed and warrants drawn. Carried unanimously.

The Clerk presented the following reports for the month of December, 1960: Building Safety, D.P.W., Engineering & Planning, Fire, Health, Municipal Court, Police, Treasurer and Water Meter Department.

Moved by Comm. Cutler and supported by Comm. Hartmann that the above reports be accepted and placed on file. Carried unanimously.

Mr. Ray Wardell, D.P.W. Superintendent of Wayne, Michigan, presented certificates to the following persons, who had successfully completed the I.C.M.A. course in "Sanitation Methods in Municipal Administration": Kenneth E. Way, Albert F. Glassford, Joseph F. Near, Stanford L. Besse, Charles Groth, George Schoeneman, Kenneth Fisher, Loren Johnson, Teresa Felgenauer, Dorothy Jancheck, Robert Usher and Nina DeCarage.

The Mayor opened the hearing on Special Assessment Roll No. 242, Deer Street water main, Wing Street to Tonquish Creek. After all persons having an opportunity to be heard, the Mayor declared the hearing closed.

The following resolution was offered by Comm. Terry and supported by Comm. Wernette:

RESOLVED, that the Commission of the City of Plymouth, Michigan has reviewed the special assessment roll covering improvement and given all interested parties an opportunity to be heard and has found the same to be correct as follows:

| NO. | IMPROVEMENT | AMOUNT |
|-----|-----------------------------------|------------|
| 243 | Adam's Street, Church to Junction | \$4,322.75 |
| 244 | 2" bituminous recap | |

NOW, THEREFORE, BE IT RESOLVED that the City Commission does hereby approve and confirm said special assessment roll. BE IT FURTHER RESOLVED that the City Treasurer be, and he is hereby commanded to collect the various amounts shown on special assessment roll numbered 243 in 2 equal installments, the first installment upon the aforesaid roll to be due upon completion of the project, and like installments due annually thereafter until the assessments are fully paid with interest on all installments from and after 30 days after billing of the assessment roll, at the rate of 6 percent per annum. Carried unanimously.

The Clerk presented a communication from Mr. and Mrs. Joseph W. Wray, co-chairmen of "The New March of Dimes" for the National Foundation, requesting permission to have a "Mothers' March" on Sunday, January 29, from 2:00 p.m. to 4:00 p.m.

Moved by Comm. Hartmann and supported by Comm. Terry that permission be given to have a "Mothers' March" as outlined above, and that "The New March of Dimes" organization be requested to participate in the Plymouth Community Fund next year, rather than solicit house to house for funds. Carried unanimously.

City Attorney Devo reported that the Supreme Court had denied the request of the city to appeal its case against the State Tax Commission.

The City Manager presented a report suggesting a committee to study the wage and salary scale for the proposed 1961-62 budget. The communication was ordered accepted and filed, and it was decided to discuss the matter further at a Committee-of-the-Whole meeting on Monday, January 23, 1961.

The City Manager reported that the purchase of the Newell house at 325 S. Harvey Street has been completed, at a total cost of \$20,000.

The City Manager reported that through a clerical error, no notice to construct sidewalk on Hartsough Avenue had been sent to Mr. Arthur Shephard, and that the bill to Mr. Shephard should be cancelled.

Moved by Comm. Hartmann and supported by Comm. Wernette that the bill in the amount of \$167.67 for sidewalk construction along Lots 53-55, Brookview Subdivision, to Mr. Shephard, be cancelled. Carried unanimously.

Mayor Pro-tem Sincok opened the hearing on Special Assessment Roll No. 244, Spring Street, Starkweather to east end of street, 2" bituminous recap. After all interested parties had been given an opportunity to be heard, the hearing was declared closed.

The following resolution was offered by Comm. Hartmann and supported by Comm. Terry:

WHEREAS, the Commission of the City of Plymouth, Michigan has reviewed the special assessment roll covering improvement and given all interested parties an opportunity to be heard and has found the same to be correct as follows:

| NO. | IMPROVEMENT | AMOUNT |
|-----|--|------------|
| 244 | Spring Street, Starkweather to east end, 2" bituminous recap | \$1,026.88 |

NOW, THEREFORE, BE IT RESOLVED that the City Commission does hereby approve and confirm said special assessment roll. BE IT FURTHER RESOLVED that the City Treasurer be, and he is hereby commanded to collect the various amounts shown on special assessment roll numbered 244 in 2 equal installments, the first installment upon the aforesaid roll to be due upon completion of the project, and like installments due annually thereafter until the assessments are fully paid with interest on all installments from and after 30 days after billing of the assessment roll, at the rate of 6 percent per annum. Carried unanimously.

The City Manager presented a proposed plan for the Mill Street Urban Renewal project, advising that Villcan-Leman & Associates will be present at a meeting of February 6, 1961.

The City Manager reported that the owners of the Masserman Springdale Subdivision have requested that a reduction be made in their sidewalk bond.

Moved by Comm. Terry and supported by Comm. Cutler that the matter of the sidewalk bond for the Masserman Springdale Subdivision be tabled until further information is available. Carried unanimously.

The following resolution was offered by Comm. Cutler and supported by Comm. Shear:

RESOLVED, that the City shall have the right to shut off and discontinue the supply of water to any premises for the non-payment of water rates, when due. For turn on charges, a fee of Three (\$3.00) Dollars shall be paid, in cash, prior to turning on the water to such premises. Carried unanimously.

The City Manager presented a report relative to the status of the property at 337 Joy Street, Lot 20, Joy and Eddy's Subdivision, advising that the property is a non-conforming use and has been since 1939.

The Clerk presented a petition from the property owners in the area of Joy and Coolidge Streets, opposing the proposed change in zoning of Lot 20, Joy and Eddy's Subdivision and Item 35K2c from R-1 to R-2 zoning. Also present to protest the proposed change in zoning were Clarence Jetter, Mrs. Valovace, Kenneth Hannah, Mrs. Avis Waldecker and Mrs. Chappel.

The Clerk read a proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, changing the zoning of Lot 20, Joy and Eddy's Subdivision and Item 35K2c (vicinity of Joy and Coolidge Streets) from R-1 to R-2 zoning.

Moved by Comm. Shear that the proposed ordinance in amend Ordinance No. 182, Zoning Ordinance, be passed its first reading.

Comm. Cutler was excused from voting, since he represented one of the interested parties.

YES: Comm. Shear, Sincok and Wernette.

NO: Comm. Hartmann and Terry.

Motion carried.

The Clerk read a proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, changing the zoning of a part of the proposed Arbor-Croft Subdivision.

Moved by Comm. Cutler and supported by Comm. Shear that the proposed ordinance to amend Ordinance No. 182, Zoning Ordinance, be passed its first reading. Carried unanimously.

The Clerk presented a proposed ordinance limiting the parking hours in the Central Parking Lot.

Moved by Comm. Hartmann and supported by Comm. Cutler that the proposed ordinance limiting the parking hours in the Central Parking Lot, be passed its first reading, by title only. Carried unanimously.

Moved by Comm. Cutler and supported by Comm. Wernette that the meeting be adjourned. Carried unanimously.

Time of adjournment was 9:23 p.m.

STRENGTH FOR THESE DAYS

And let our people learn to apply themselves to good deeds, so as to help cases of urgent need, and not to be unfruitful. —Titus 3:14

It is a law of life that the self-centered destroy themselves with the poison of selfishness, fear, and anxiety, with hatred and resentment. Those with Christlike compassion for others enrich themselves with friendship, strong allies, and the consciousness that they are in partnership with God.

26 Senior High Bandsmen Receive Festival Honors

Twenty-six Senior High Band members received high ratings at the annual Solo and Ensemble Festival held last Saturday at Eastern Michigan University in Ypsilanti. The following Plymouth High School band members received first division superior ratings:

Russell Stahl and Cheryl Wright, trombone duet; Clare Wilson, clarinet solo; Dale McIvor, Don Carson, Garry Heath, Richard Michaels, horn quartet; James Yost, cornet solo; Sharon Sprague, flute solo; Dale Livingston, cornet solo.

These band members are now eligible to enter the State Solo and Ensemble Festival which will be held on March 25, in Jackson.

Those who received a second division rating of excellent were: Clarinet quartet, Doug Eder, Sally Anthony, Michelle Bender, Bob Webber. Clarinet quartet, Clare Wilson, Doug Eder, Barb Troyer, Mary Lou Smith. Brass sextet, Shirley Puckett, Dave Millross, Frank Eidsen, Jerry Lee, Don Carson, Leroy Lane. Clarinet Duet, Christine Cutler, Sandra Fielden. Clarinet Duet, Karen Rudloff, JoEtte Dyson. The next band event will be this coming Saturday, Feb. 25, in the high school gym.

Letters TO THE EDITOR

To the Editor:

The time has arrived for us to take cognizance of the fact that is now apparent: the only information which is released is what is desired for us to know. Please refer to the minutes of the February 6, 1961 Commission meeting appearing in this issue of the Plymouth Mail (this meeting being held during the week I attended classes at Purdue University) and see for yourselves that the members of the Commission all agree or all disagree. For this, my good friends, we are paying an aggregate amount of approximately \$35 an hour per meeting. However, one might say we are probably fortunate in being blessed with such a congenial and agreeable group.

Please note further that every communication and report is clearly defined, but what of the Insurance accusation which was of a public nature? Why is this report made public? Tell me why, my good people. It's because the facts were distorted and misleading and, as usual, not facing issues squarely. It has been my understanding that the Commission represents the people of Plymouth. Then why didn't some member of this Commission have the initiative to at least suggest looking at the "other side of the coin" by getting my facts and figures before you? Are we being kept in the dark? Is all this pussy-footing intentional or is it due to the lack of proper judgment by those responsible? Is this democracy in action — or have we uncovered a "Plymouth Presidency"?

I challenge that this report be made public! Let us thank God that we have freedom of the press, for only through this wonderful medium can we, the people of these United States of America, make our views known. So let us have this report for all Plymouthites are indeed interested.

Do you stand accused or have you been exonerated in the eyes of seven individuals? How about the other 8,708 persons who are a part of this community? They have the right to know, for it is they who pay the Commissioners' salaries. Are the people of the City of Plymouth getting mileage tax dollars-wise?

The evasiveness with which the issue at hand has been treated can furnish only one answer — NO! We are not getting the desired mileage. Therefore, **THE TIME FOR A CHANGE IS AT HAND!** Always, Fabe Mirto

Salem Supervisor William Scheel Loses Nomination

William I. Scheel, who has been Salem Township's supervisor many years, was unseated in Monday's Republican primary by Harlow Ingall, Salem treasurer Harlow Ingall. There were no Democratic contests.

Scheel lost his bid for nomination with a 239-151 vote. Arthur R. Dahl, seeking a two-year term as trustee, was also defeated in his bid for re-election by Ferman A. Rohraff. Rohraff pulled 168 votes; Arthur Dahl, 144; and Henry Lentz ran third with 119.

Betty Shear with 282 votes was unopposed as Republican candidate for clerk. In the treasurer's race, Glenn Renwick easily won over Harriet M. Edmunds, 306-128.

Rolland M. Brengle received 291 votes as justice of the peace; Frank Geiger, for board of review, won 305 complimentary votes. Two contestable candidates were William Edmunds, 252, and Carleton Hardesty, 255. Raymond Dooling received a write-in nomination with 14 votes.

The lone Democratic candidate, Edward Fitzgerald, running for clerk, had 33 votes.

Offers Speakers For Organizations

H. L. Lane, manager of Ford Motor Company's Livonia community relations committee, today announced the establishment of a management speakers' bureau designed to provide program speakers and films for clubs and organizations in the Livonia and Plymouth areas.

Speakers include key executives from the company's automatic transmission plant and national parts depot, both located in Livonia. There is no charge for speakers or films.

Speech subjects include the history of Ford Motor Company, the role of the automotive industry in the national economy, management's role in politics, highway traffic safety, Ford's community relations programs, and the story of the introduction of the Falcon.

The company's current motion picture catalog lists 31 16-millimeter films, including color movies. Pamphlets describing the films are available at the Livonia bureau.

Requests for Ford speakers and motion pictures should be directed to Chairman, Ford Speakers' Bureau, Ford Motor Company, P. O. Box 2097, Livonia, Mich.

In Print

By PAT BUTLER

Plymouth Community School District Librarian

What new adult books are most worthwhile for college-bound high school students?

The Senior Booklist Committee of the Independent Schools Education Board, a national association of some 600 independent secondary schools, has ideas on the subject. The committee has just given out its annual awards for what it calls "the best adult books of 1960 for the pre-college reader."

We would like to mention some of their top choices here.

Some Fine Fiction

The Lovely Ambition by Mary Ellen Chase is a beautifully written novel about a Methodist minister and his family who leave their native England to settle in a Maine coastal village back around the turn of the century. To bring some sense of normal life to the inmates of the mental hospital where he acts as chaplain is the "lovely ambition" of the minister. This is a quiet novel but a very real one peopled with memorable characters.

A Separate Peace by John Knowles is a subtle and sensitive novel laid in an Eastern boys' school during World War II. It deals with the friendship and rivalry between two teenage boys and the tragedy that comes between them.

In The Hands of Cormac Joyce Leonard Wibberley tells a more serious story than he usually does—a story based on a tale told him by an Irishman in County Galway. It concerns a staunch island family who are struck by a terrible storm; during this ordeal the boy of the family learns what strength and courage really are.

Lions, Ladies and Other Animals Joy Adamson is the wife of a Kenya game warden. In **Born Free** she relates the appealing account of how she and her husband raised a lion cub as a household pet. **Born Free** is, of course, a natural for animal lovers but it is lively enough to enthrall even those who didn't know they cared.

The Living House by George Ordish must be unique. The author, an entomologist, traces the history of an English house—Barton's End—built in 1555 and the history of all its inhabitants, insect, animal and human. An odd but happy blend of social, economic and natural history, **The Living House** is informative and entertaining.

Edwin Way Teale must be, by now, America's best-loved naturalist; surely nature lovers can find no more pleasant and knowledgeable companion than he. In **Journey Into Summer** Mr. Teale follows the course of a summer across the United States from the White Mountains of New Hampshire to the Rockies of Colorado. As always, Mr. Teale is enlightening and thoughtful.

A Pitcher and a Poet In 1959 Jim Brosnan was pitching major league baseball for the St. Louis Cardinals and the Cincinnati Reds. The journal he kept that year has now turned into an unusual book called **The Long Season**. Brosnan is outspoken and articulate; **The Long Season** gives us a glimpse of the world of baseball seen from the locker room and the pitcher's mound.

The single book of poetry chosen by the Committee is **Times Three**, the wonderful collection of 300 of Phyllis McGinley's best verses written over the past three decades. One of our most enjoyable poets as well as one of our most accomplished, Miss McGinley on any topic is wry and relevant.

Veterans of Foreign Wars

The regular meeting of Post 6895 was held Feb. 14, at which time William Keller was mustered into the Post. Donald Totten transferred his membership into our Post at this meeting also. Don was a member of Romanoski Post 6896, Detroit.

The Post welcomes you both and hopes to see you attending meetings regularly. As of Feb. 14, we have 152 paid up members. We are 30 short of our 100 per cent goal of paid up memberships. Let's get those dues in.

Court of Honor for VFW Boy Scout Troop 862 was held at the Post Feb. 13, marking the Troop's first anniversary.

A pot luck dinner was served at approximately 7:30 p.m. Any boy wishing to join this energetic troop may contact Scoutmaster Bill Ronk.

Our VFW boys' hockey team ended the season in fourth place. This was the fourth year. They worked hard and played well. Congratulations to the boys and their manager, Jim McKindes.

We had a very good turnout at the Post-sponsored square dance last Saturday night. Thanks to Chairman O. Luttermoser and his committee for a most enjoyable evening.

The next regular meeting will be Feb. 23 at 8 p.m.

Auxiliary News

The regular meeting of Auxiliary 6895 was held on Feb. 7.

Adult Education Offering Course On 'Green Thumb'

An Adult Education class for persons interested in gardening will be started this spring. Director Herbert Woolweaver announced.

Called "Green Thumb," the class will be taught by a Michigan State instructor. It will begin Tuesday, April 4, will start at 7:30 and last two hours for 10 weeks. The cost will be \$10 a person and \$15 per couple.

The course is one offered under a liberal arts grant from the State of Michigan. It will cover both gardening and landscaping. Those interested may contact the Adult Education office at the High School.

No Extra Charges

There are no extra mileage charges made to families who live within a fifty-mile radius of Plymouth. Families we've served in these outlying areas have found Schrader service to be prompt and dependable.

GAS dries clothes
Spring-breeze Fresh!

Drying clothes in wintertime is a discouraging problem... hauling, lugging, stooping, stretching, and stringing clotheslines—a cluttered damp basement for days on end—frosty fingers and frozen clothes. Now's the time to get a Gas clothes dryer. Why Gas? Because Gas dries clothes so white, sweet-smelling and fluffy-soft... so fast and easy. And a Gas dryer costs less to install and less to operate.
