

80 Nations to See Plymouth's Name:

DSI Head Tells Goals for Plymouth

Plymouth residents were told this week that the name of their city would be carried on more than a million packages in more than 80 countries of the world next year.

The message came from W. C. Scott, president of Distribution Service, Inc., the city's newest industry, which will take over occupancy of the old Daisy Air Rifle Plant here.

Scott pointed out that, "I want to assure you that D.S.I. will endeavor to create the same kind of image for Plymouth (that the Daisy Co. did). D.S.I. will distribute its product — which consists of promotional and printed material of all kinds for a variety of clients — not only in the Detroit area or in Michigan but throughout the entire United States and to more than 80 foreign countries throughout the world."

Scott made his remarks to a meeting of the Plymouth Rotary Club in the first of a series of four talks which he is giving this week to local organizations.

Highlights of his speech: Mr. Scott began by thanking all in attendance for their

welcome ... not just the welcome at the meeting but also for welcoming Distribution Service, Inc. and its associated organizations to Plymouth.

He commented that this was a big step ... for D.S.I. ... and for those in attendance as members of Plymouth's business community. It was a step that couldn't be taken without their help. But, he said, both were taking on a new responsibility in the stirring back to productive life of the former Daisy Air Rifle plant.

Mr. Scott pointed out that the Daisy plant has been a Plymouth landmark for fully half a century. He said that when the Daisy company was in full production it carried the name of Plymouth throughout the country and throughout the world.

This has been and still is one of the ingredients that has shaped Plymouth's personality, he said.

He said, "I want to assure you that D.S.I. will endeavor to create the same kind of image for Plymouth. D.S.I., too, will distribute its product — which consists of promotional and printed material of all kinds for a variety of clients — not only in the Detroit area or in Michigan ... but throughout the entire United States and to more than 80 foreign countries throughout the world."

"We will carry the name of Plymouth on more than a million packages and shipping containers sent around the world within the next year."

And Mr. Scott said, through an emphasis on efficient ...

effective and rapid distribution of materials ... "we hope to add to Plymouth's reputation as a place where things get done ... and get done well!"

Then he went on to answer possible questions about the kind of people who have been entrusted with the responsibility for managing the nine acres of Plymouth occupied by the plant.

He spoke of the contribution the company hopes to make to Plymouth ... and something about the way the company intends to handle the responsibility that has been given to them.

Mr. Scott said, "Distribution Service is a group of businessmen ... now, that's not news. And, like any business organization ... we are guided by a profit motive ... that's not news either."

"But ... perhaps ... our definition of what that profit motive is ... is news."

He said, "Profit is usually regarded in terms of dollars and cents ... what's coming into the cash register ... and what is accountable as net gain ... or it's thought of as a return to the stockholders for the money they've invested in the business."

"And" he said, profit is also considered as capital ... money to use to expand a business ... increase its scope ... add equipment, people and productive capacity."

But then Mr. Scott pointed out that this dollars and

cents profit can be defined as merely a report card ... providing one convenient yardstick which can be used to measure the total accomplishment of a business.

He said that ... accomplishment ... getting a needed job done ... is the real profit of a business!

We feel that the true profit motive ... is not to gain merely in terms of dollars and cents ... but to register a net gain in terms of accomplishment that is worthwhile to ourselves ... personally ... to our community ... collectively ... and to our community as a whole.

He pointed out that this accomplishment is vital to five interested groups ... to the customer, me as the man who receives the product or service; to the employee, as an outlet for his talents to the community ... as a worthwhile example of community life.

It also is vital to the stockholders, bringing them rewards for their faith and to management, providing an arena for ideas and capabilities.

Mr. Scott said, "This accomplishment ... can be considered in at least four very necessary levels. Each in itself ... provides a separate yardstick by which the business can be measured. We'd like you to judge our business by these yardsticks."

He then described these yardsticks. The first yardstick was ... usefulness of the product or service ... in terms of what it contributes to better (Continued on Page 5)

700 Vote In Con-Con Election

Building Ban To Be Lifted In Ten Days

The final hurdle to lifting a sewer ban that has crippled the building of new homes in this area was overcome Monday. And County officials were hopeful that the construction industry would be back in business and humming within ten days. Under television klieg lights and observed by a special state-appointed "task force," Redford Township became the last of 14 western Wayne County communities to approve the new Middle Rouge Interceptor Drain at formal ceremonies Monday.

Plymouth, Livonia and other areas had already signed, but Redford Township officials had disagreed over the amount of money being assessed against their community.

"I think this is the most wonderful thing that's ever happened to Wayne County," Nankin Township Supervisor Joseph Tattan, a leader of the "task force," present at Monday's signing, said.

Tattan and Redford Township Supervisor Jack McDonald said the new interceptor would provide 3,000 new jobs in the building trades industry, now that the ban will be lifted on new home construction. "It's a shot in the arm for Michigan's economy," they said.

Tattan and other members of his "task force," which has been visiting suburban communities, urging them to sign, made immediate plans to finish a number of official actions before the building ban, imposed by the State Health Department, is lifted.

Largely, they're just formalities. On July 31, the Wayne County Water and Sewer Commission will meet to approve the project.

On Aug. 2, the County Board of Supervisors' Ways and Means Committee will approve the project.

And, finally, on Aug. 3, the full Board of Supervisors will meet to bang the gavel for approval. The next day, Aug. 4, has been set aside for a formal, mass signing of the contracts by all communities involved.

As soon as this is done, the State Health Department's director, Dr. Heustis, has promised the building ban will be lifted and new homes will again

begin to rise in Redford Township, Livonia, and the Plymouth area.

Backers of the drain project squeezed in under the deadline for applying for federal aid. They said they hoped to obtain up to one-third of the cost of the project in federal grants. The legislation involved will not apply unless the project is underway by September.

McDonald cited action in Grosse Pointe, where, he said, one-third of the cost of a new drain project was paid for by the U. S. government.

The Township's action Monday approved what the Board had turned down just two weeks ago — participation in the project to the tune of \$1,300,000. The Board had told its drain counsel to hold out for \$1,176,000, but agreed Monday they wouldn't succeed.

Both Treasurer John Bennett and McDonald suggested that the Township's share of the drain cost be raised through a hike in tap-in fees, added sewage disposal rates and use of Water Dept. surplus funds, if available. The Board will meet to decide methods later.

\$500 Million Ready Now for City Projects

Livonia and Plymouth will soon be able to draw funds from a \$500 million reserve loan fund for construction of all types of community facilities.

Libraries, city hall buildings, street lighting, street paving and hundreds of other similar civic projects can be built with funds from the special loan fund, and interest rates are low.

These assurances came this week from 17th District Congresswoman Martha W. Griffiths who wrote officials about a new law which increases the public facility loan fund from \$150 million to \$500 million.

"I know that you are particularly interested," she told city officials, "in the Housing Act's provisions which were designed especially to help improve the economic structure of our smaller communities."

"Low interest-bearing loans," she said, "are now available to cities up to 150,000 population, if

Storm Damage Heavy

Heavy winds and rain took their toll of trees and power lines during Sunday's flash storm. Areas of the city were without power for about four hours, from 4 to 8 p.m., reported Director of Public Safety Kenneth Fisher.

At City Hall, one of the areas with power knocked out, the emergency generator in a next-door building was put to work so that police radios and other electrical equipment could still operate. "No serious damage was done," estimated Fisher.

Police were detailed to guide traffic at the Ann Arbor Trail-Main St. stoplight. Also non-operative was the railroad crossing gate at the Main St. crossing. Police and townspeople also aided motorists until the trouble could be fixed.

Department of Public Works employees were soon at work clearing tree limbs and other minor debris from streets and sidewalks. By Monday, all but a few areas were clear.

Rains temporarily overloaded the city drainage system, but no major trouble was reported. Telephone service continued as usual with only minor trouble along some lines.

SUNDAY'S storm took its toll of trees and branches. Here Jack Massarello, 13, 276 Union, surveys left-over debris in front of the Masonic Temple. DPW

crews had cleared away most of the fallen branches and electrical repairs had been made by early Monday morning.

Northville Hospital Closes Doors Friday

Northville Community Hospital will close its doors Friday.

The decision to transfer the hospital's four remaining patients and close down operation came Monday night at a meeting of the Hospital's Board of Directors, which has been trying to solve pressing financial needs of the institution for some time.

"This is a tragic thing," Board secretary Rodney Kropf said Monday after the session. "Sometimes public apathy helps to destroy those things which are most beneficial to the public."

The hospital, which had been organized as a nonprofit community project, has been in dire financial straits for some time. Last week the Board of Directors announced that donations of \$10,000 were needed immediately to meet bills, including food and medical supply charges.

Kropf was hopeful that the hospital could be re-opened. "I think that in time, we'd eventually like to join the Peoples Community Hospital Assn.," he said. This is an inter-community association which helps run hospitals in several western Wayne County communities on a cooperative basis.

The hospital had six patients earlier this week. Two have been released, and the other four will be transferred. Northville Community has 25 full-time employees and a roster of 31 physicians, medical and osteopathic. "Our program of allowing both fields to use the community hospital has worked very well," the mayor said,

"but it appears too late to offset the backlog of bills." The hospital, formerly known as Sessions General, has been in financial trouble for years.

Starting as a two-room clinic in a private home years ago, it was purchased in 1959 by two partners who began a \$150,000 expansion program.

Highway Dept. to Repair M-14-Lilley Crossing

More than \$80,000 worth of improvements to two main Livonia and Plymouth intersections were approved this week by the State Highway Department. Construction is scheduled to be completed October 15 for the project, to be located at M-14 and Wayne Road. Another intersection improvement is scheduled for M-14 and Lilley Rd. in Plymouth.

Max Frisinger of Ann Arbor was low bidder for the projects, at \$83,052, the Highway Department reported. The improvements are part of 54 highway construction projects totalling \$19,382,273 which the State Highway Department approved.

Commission OK's Lot Assessment

Members of the Plymouth City Commission voted Monday night to modify their special assessment plans to provide funds for an enlarged Central Parking Area.

After hearing City Attorney Ed Draugelis' suggestions that two areas be added to the special assessment district, the Board voted to include the south side of Ann Arbor Trail and the north side of Penniman among areas which will pay special assessments.

Up to this time, only property adjacent to the proposed parking lot expansion was considered for assessment for the \$118,900 project.

This had brought objections from Dr. Charles Westover, who owns property at Harvey St. and Ann Arbor Trail, and from others in the area. Monday night, Westover

said he continued to disagree with the assessment plans. Draugelis told the Commission, in his presentation, "I find commercial

(Continued on Page 5)

Montgomery, Hahn, Yeager, Conklin Named Winners

Plymouth area voters piled up a better-than-expected turnout Tuesday as they went to the polls to cast ballots for Constitutional Convention delegates in two legislative districts.

Nearly 700 voters — compared to a pre-election forecast of 400 — nominated Democratic and Republican candidates for the Sept. 12 general election in both the 18th Senatorial and the 21st Representative Districts.

Again, Republican voters outnumbered Democrats locally. In district-wide results, the GOP column also outpolled the Democrats, 20,184 to 19,651.

In most cases, Plymouth votes reflected the results in other parts of the 18th Senatorial and 21st Representative Districts, from which candidates were nominated.

One exception was the race for the GOP 18th District nomination. Paul Chandler, publisher of this newspaper, piled up a better than 3-1 margin in Plymouth and a 2-1 margin in Livonia and Redford Township, but a heavy plurality in Detroit's 22nd Ward helped elect Weldon Yeager, 10,854 to 8,415. A third candidate, Raymond Schlager, polled 1,895.

In the 18th Democratic primary, George Montgomery polled 14,360; Ruth Coon, 2,874; and Joseph Kadans, 2,617.

Among Republicans in the 21st District, Chester Beadle polled 884; Anna Conklin, 2,887; Virginia Crawford, 400; Thomas Daoust, 641; Eugene Duston, 927; Randall Kohler, 781 and Archie Stabler, 477.

21st District Democratic candidates included George

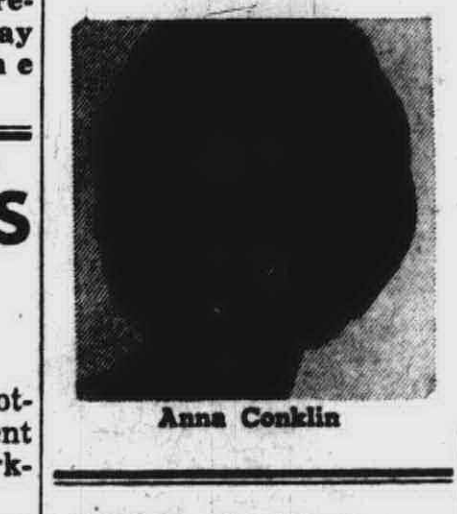

George F. Montgomery

Weldon O. Yeager

William Hahn

Anna Conklin

Totals for the Plymouth area were:

18th Senatorial District (Republicans)	Twp. City

Mrs. Donald Dean Helm

Helms Hold Afternoon Ceremony

Amoret Sigrid Erbs and Donald Dean Helm repeated their vows at an afternoon wedding ceremony at the Fairview Baptist Church in Fairview Park, Ohio, July 1, 1961. Rev. Samuel Cassel officiated.

The bride, given in marriage by her father, Mr. Johannes N. Erbs, wore a full-length peau de ange lace gown embroidered with seed pearls. The new dome-shaped skirt featured a bouquet peau back going into a chapel train. The scoop neckline of the long-sleeved bodice ended in a V-back. Her fingertip veil of illusion net was held in place by a double crown of lace embroidered with seed pearls. She carried a bouquet of stephanotis and white roses centered with an orchid corsage.

Attending the bride as maid of honor was Nancy Gunn of Detroit and bridesmaids Janice Smerda of LaGrange Park, Ill., and Judy Dunn of East Cleveland, Ohio.

Best man was Arthur Helm of Plymouth. Ushers were Dean Hamlin of Plymouth, Merle Erbs of Fairview Park, Carmelo Crespo of Plymouth and Larry Ordowski of Ypsilanti.

Following the ceremony a reception was held at the Fairview Park home of the bride's parents, Mr. and Mrs. Johannes Erbs.

The couple will make their home at 9917 Middlebelt Rd., Livonia, upon their return from their wedding trip through the Smokies.

The new Mrs. Helm attended Hillsdale College and is a member of Pi Beta Phi. The groom attended Eastern Michigan and the University of Michigan and is affiliated with Alpha Gamma Upsilon fraternity.

Marjorie Alford

Mrs. Arthur J. Alford of 655 Ross St., Plymouth, announces the engagement of her daughter, Marjorie, to Donald K. Easley, son of Mrs. Easley and the late Maynard Easley of Ferndale.

Marjorie is a 1960 graduate of the University of Michigan, where she was affiliated with Gamma Phi Beta. She is presently a teacher in the Plymouth Public Schools. Mr. Easley is a student at the University of Michigan and a member of Theta Xi fraternity.

Plans are being made for an August 19th wedding.

Soothing Music

Music can be a great source of comfort. That's why the music of our Hammond electric organ is always available upon request. The beauty of the music provided for our chapel services is the subject of much appreciative comment.

Jean's Jottings

By Jean Campau, Women's Editor

Their open faces were smiling, inquisitive and friendly. On the surface one would never suspect that they had problems, but they do. Some are socially retarded and others have academic retardation. Some have both.

We were visiting the Wayne County Training School. While the School itself houses and cares for 700 young people, our visit took in only the Occupational Therapy Special Treatment Center.

This particular unit supervises, with gentleness and love, 26 boys and 12 girls between the ages of 10 and 16. By virtue of their potential capacity these 38 children are participants in a special program for the exceptional child. This division is sort of the Princeton of the School.

Roger Reger, psychologist and director of the group, has had working with him Toni Dawson, an occupational therapist. Robbie Jamieson, another OT, has recently become a regular staffer. And during her summer vacation from Eastern, Plymouth's Janet West is working with the children. Janet, a 4-H'er, is passing along to the girls social skills and grooming tips.

During the regular school year classes are conducted in pleasant and attractive schoolrooms in the OT building covering the academic subjects. The occupational therapy program covers a wide range of handicrafts, including weaving, ceramics, modernistic wall plaques; wood, metal and leathercraft.

Judging by the finished products displayed throughout the large OT room, the young people take great pride in the meticulous execution of their hand work. Some of their projects will be entered at the Michigan State Fair this fall. (See picture elsewhere on page).

Despite the fine work they do here, the need for additional volunteer help is desperate. Among the younger boys, a Cub Pack of 42 lads has been started by the Parents and Friends Assn. But the boys need adult leaders, men and women. They also need uniforms! How delighted those little hearts would be if they could be Cubs not only in thought, word and deed but have the blue and gold attire too.

A group of Y-Teens from Cody High come out regularly and conduct a program of games and crafts that the School's moppets respond to enthusiastically. The Northville Garden Club has had a garden program going since spring with the children and their products will also be shown at the Fair. And the Kiwanis Club of Redford recently took some of the boys bowling. Still, this is only a drop in the bucket needed to fill the gap to help these youngsters prepare for their return to the community.

Right now, Mr. Reger is hoping a group of "volunteers" boys will come and help teach the fundamentals of baseball. Some of the children don't even know how to hold a bat.

Volunteer assignments are, as a whole, largely left up to the individual's abilities and interests. Books at the School are a dear commodity. The children are avid readers. But there aren't many books for them to read. So Reger hopes to build a library through volunteer contributions, too.

These kids are eager, well-mannered and nice and they need an extra helping hand. Plymouth teens and adults can respond to this challenge by calling GL 3-6500, the Occupational Therapy Department, and speaking with either Mr. Reger or Miss Dawson.

THERE IS JOY in creating something with your own hands and these youngsters in the Occupational Therapy Unit of the Wayne County Training School are extremely proud and pains-taking with their projects. Shown with them are Janet West of Plymouth and Robbie Jamieson, OT.

Veterans of Foreign Wars

At our last meeting we had two of our members from California present - Bill Norman and Joe Elliott, who told us of their activities in California. It was real nice to see both of them at the meeting for they were both active in the post when they lived here. They were both decorated with a Fifteen year continuous membership pin at the meeting.

The Post Charter was draped in memory of our late comrade, Leland C. Blood, who passed away very suddenly.

A second new wheel chair was purchased for our Service Officer to help in his work. The large wooden chairs should be retired now with quite a history for all the use they have had over the years.

This will be the last reminder for notice of the vote on the dues raise for the July 25 meeting. Come out and help run the Post.

The Color Guard has the approval of the Post for their trip to the National Convention competition in Miami. The team would also be Delegates being elected as such. It has been a very rare thing for the Post to ask our City for any money except for Poppy Day donations but the call is out now for donations and may be sent to the Chamber of Commerce, who also approves it, or to Hal Young.

VFW Auxiliary

Marie and Bill Norman have been enjoying a visit with friends and relatives in Plymouth for the past week. They are presently making their home in California. We would like to express our sympathy to Ruth McDonald and her family in the death of Ruth's father. We would like to extend get will wishes to Donna McAllister and Pat Mecklenberg. Both girls have been ill and hospitalized.

Saturday evening, President Olson and Rehabilitation chairman Lucinda Archer along with four other Auxiliary members took a planter to Marian Groth at Sinai Hospital. Marian is beginning to make progress in her recovery but she still has a long stay in the hospital ahead of her. If you are in the vicinity, why not stop in for just a few minutes, or if not, mail another card to help encourage her.

Easter Seal Society Helps 282 Area Kids

The report of services given by the Easter Seal Society of Western Wayne County during the month of June to physically handicapped children and adults shows that 282 individuals, including youngsters from Livonia, Redford Township and Plymouth, used the resources of the agency during that period. Individual case service: giving information, arranging transportation to hospitals, clinics and the summer Day Camp, completing arrangements for loans of wheelchairs, crutches or walkers required 471 contacts, in person and by telephone.

Group activities involved 56 individuals who attended one or more of the clubs meeting regularly at the Easter Seal Center, the Career Days arranged by the Society for physically handicapped high school students or the meeting of the Parent Group at the Center. A total of 198 conferences were involved for planning, setting up and administering the services.

The Summer Day Camp for crippled children is now in operation at the Center five days a week through August 18. The Day Camp and all the other agency services are financed through contributions received from the distribution of Easter Seals at Easter time, related special events during that season with funds designed by individuals or by community groups for specific purposes.

Chamber Warns of Furnace Frauds

The Plymouth Chamber of Commerce cautioned the public today to be on guard for furnace repair gyps who are active during the summer and early fall, when furnaces are not in use. The Chamber stated:

"In a typical version of the racket, the unscrupulous repairman will ring the homeowner's doorbell — frequently during the daytime when the man of the house is away — and state that 'he just happens to be in the neighborhood' and had 'just completed' some other furnace repair work nearby. He states that, while he and his associates are in the area, they are willing to undertake a complete inspection of the homeowner's furnace, with absolutely no obli-

gation of any sort to the homeowner."

Once the repairman secures access to the basement, the chamber stated, he dismantles the entire furnace, and then states that it is in extremely dangerous condition and is unrepairable. By the use of such "scare" tactics, the gyps frequently succeed in getting the homeowner to sign a contract for an entire new heating plant.

In some instances, gyp furnace repairmen may pose as "official inspectors," or representatives of governmental or civic groups, in order to secure access to the homeowners' furnace for the purpose of dismantling it. In other instances, the gyps will take the furnace apart for the purpose of "cleaning" it, and will then call in a fake "heating engineer," who is in reality a party to the hoax, to look over a defect they have

allegedly discovered. This fake engineer will give his opinion that the furnace is dangerous and unrepairable.

Pointing out that most homeowners are not qualified to diagnose accurately the problems that may arise in connection with their heating equipment, the chamber cited the following rules of the National Better Business Bureau with which the Chamber is affiliated, as guides to the homeowner in taking proper care of heating equipment and avoiding the small minority of gyp artists in the field:

1. Establish contact with a dealer in whose reliability and integrity you have complete confidence. If in doubt, a check should be made with the Chamber of Commerce.
2. Have your furnace serviced regularly by a service-man of known reliability. Have your servicing done when the furnace is not needed

so as to avoid hasty decisions later on when you cannot get along without your furnace.

3. Request the credentials of anyone who represents himself as a "furnace inspector." Governmental and civic authorities will carry complete identification.
4. Beware of the itinerant repairman who says that he just happens to be in the neighborhood and will perform services free or for a very modest cost.
5. Never permit anyone to have access to furnaces and heating systems before you have satisfied yourself completely regarding the authenticity and integrity of the firm or individual involved.
6. Give the purchase of a new furnace the same prudent consideration involved in making any major purchase. Hasty action should not be taken. Estimates should be secured.

7. Seek corroboration of allegations that your furnace is beyond repair, through a qualified heating engineer.
8. Secure competitive bids on major repairs or replacement of heating equipment. Beware of unusually low bids.
9. Refuse to do business with any firm that employs high pressure "scare tactics" in order to make sales.
10. Refuse to do business with any firm that engages in "bait" advertising of furnace repairs and service.
11. Read and understand

thoroughly all contracts BEFORE signing. NO contract should ever be signed in blank. Beware of the individual or firm that tries to exert pressure to secure an immediate signing of a contract.

12. Secure all guarantees and service warranties in writing.
13. Never sign completion certificates until the job has been finished.
14. Report the activities of furnace repair gyps promptly to the Chamber of Commerce.

Evans Again To Try Plant Acquisition

Stockholders of Evans Products Company, of Plymouth will be asked to approve, at a meeting to be held August 3, a new plan for the acquisition of Aberdeen Plywood and Veneers, Inc., of Aberdeen, Washington.

Edward S. Evans, Jr., president of Evans Products, said proxy material describing the proposed transaction in detail has been mailed to all Evans stockholders.

The new plan contemplates an exchange of Evans common stock for Aberdeen stock on the basis of six-tenths of one share of Evans common for each share of Aberdeen common and one and one-half shares of Evans common for each share of Aberdeen \$25 par value preferred, Mr. Evans said.

Evans said it is his personal conviction that Evans Products must develop along the lines which an amalgamation with Aberdeen will make possible if the company is to realize its full earnings' potential in the future.

"One of the most significant trends in the plywood industry is the development by our major competitors of their own warehousing and distribution facilities," he said. "We took an important step in this direction in 1957 with the acquisition of Fiddes-Moore, through which we acquired 12, which are now 15, warehouses. In addition, Fiddes-Moore produced 'Plywal', a plywood specialty, and both the warehouse distribution operation and the specialty production has proven the acquisition to be profitable to Evans.

Aberdeen operates an extensive distribution system through 19 strategically located warehouses. In addition, it is a major producer of various plywood specialties, which traditionally are not subject to such wide price fluctuations as are the standard plywood items.

Aberdeen's net sales for the year ending March 31, 1961, were in excess of \$23,000,000. Aberdeen operates two plants whose principal products are plywood specialties. The company is the largest producer of marine grade plywood on the Pacific Coast, and the largest producer of medium density overlay plywood in the United States.

Evans Product's sales in 1960 were \$79,411,679. A diversified company, Evans is a major producer of plywood, hardboard, and related wood products, such as building panels and office partitions. It is the major producer of damage-free railroad loading equipment. The company also produces bicycles and other wheel goods, truck and bus heaters; and battery separators.

Evans operates 11 plants in four states, plus a plant in Vancouver, British Columbia. In addition, the company operates 15 plywood and related building products warehouses which with the addition of the Aberdeen warehouses would result in a total of 34 distribution centers coast-to-coast.

"Both companies should benefit from the amalgamation in that it will provide additional controlled warehouse distribution outlets for the plywood and related products of both companies and, conversely, will provide additional controlled sources of supply for the warehouse distribution systems of both companies," Evans said.

"This matter has been under intensive and almost constant review for approximately nine months. During this period we have become intimately acquainted with all aspects of Aberdeen's operations and its management; have had the benefit of independent appraisals of Aberdeen's major physical assets; and our own auditors have made a detailed analysis of Aberdeen's operations and costs. All of these studies have tended to strengthen our conviction that amalgamation with Aberdeen is highly desirable from the viewpoint of the Evans stockholder."

The amount of Evans common stock to be issued under the new proposal will be the same as that which would ultimately have been issued over a five year period under the earlier proposal. The Evans preferred stock which was to have been issued initially has been eliminated.

At the meeting in May over 72 per cent of the stock voting voted in favor of the authorization of the new class of preferred. However, the statutory requirement of a majority of all of the outstanding stock was not obtained.

Commission OK's Lot Assessment

(Continued from Page 1) property on the south side of Ann Arbor Trail and the north side of Pennington which would receive benefit from the

parking project. Since these two areas would be improved, people owning this could participate in the assessment on the basis of improvement. I recommend," he continued,

"that the assessment be enlarged to include these two areas."

Draugelis continued, "By enlarging the special assessment district and including these new areas we would decrease the assessments of abutting owners, although they'd still be bearing most of the cost."

"How do you determine benefits?" asked Westover. "I can't use this parking space now. It won't benefit me."

The doctor told Commission members that even if he built on all his available land, the city would still be unable to supply the necessary legal parking requirements of 1 1/2 square-feet of parking space for each square foot of building area. "They aren't doing the complete job."

"If I erect a building on this area," he continued, "there will be a total of 86 parking spaces needed that I'd be required to buy. The city couldn't supply this. I think they're trying to make a guinea pig out of us."

he stated. "I've never objected to a central parking lot," he continued, pointing out that he would pay assessments for a lot that was bigger, "a double-decker one that would solve all our parking needs."

Attorney Draugelis, backed up by Commissioners, said, "We must move one step at a time."

Said City Manager Al Glasford, "The city has only \$60,000 to help pay for this. We have to get the rest from special assessments. We can't afford a complete project now, although we'd like to be able to."

Crux of the disagreement appeared to be argument over how the assessment should be levied — on present value and improvement of property or on "available use."

While Westover and Jerome Hoelscher, another property owner, told Commission members that their present businesses didn't need addi-

tional parking space and therefore they shouldn't be assessed, Commissioners countered with the argument that "available use must be considered. The use of the property at the present time has no bearing on the decision."

"One piece of land gets the same benefit as another," the city attorney said. "How it is used now, he pointed out, is irrelevant, because the potential use of the land makes it just as valuable as all other pieces."

"The Supreme Court has referred to this type of special assessment as legally correct ... It is extremely correct," he said.

The Commission, on a motion by James Houk which was seconded by Richard Wernette, voted to accept the city attorney's new recommendations. They set a hearing on the proposal for Aug. 21.

Next regular meeting of the Commission will be Aug. 7.

\$500 Million

(Continued from Page 1)

structure to provide necessary facilities." "Now 40-year loans are available to help remedy these problems. In addition to water and sewer systems, the low interest-bearing loans are available for such community facilities as streets, street paving, street lighting, city halls, libraries, etc., almost everything except schools. And the loans preclude the necessity for floating a bond issue — probably at higher rates — for desirable and urgent community improvements."

living, to effective job performance, and to reduced cost. The second was ... Productivity. What the business accomplishes in terms of the growth of the company ... and the personal satisfaction and individual earnings of the people that make up the company.

The yardstick he pointed out was ... the character of the business establishment ... in terms of the integrity and dignity it maintains in all things ... in terms of the decisive strength it displays in its work ... in recognizing the problems and realizing the opportunities. And ... in terms of understanding the individual needs and aspirations of all people involved.

The fourth yardstick Mr. Scott defined as ... the stewardship ... that the business has over its activities ... in terms of the productive use of the properties it has been given within the community ... and the effective use of employment time of each person in the firm giving them an honest outlet for doing an honest day's job. Also, in relation to the all-encompassing Christian title ... of making good use of God's goods.

Plymouth Board of Education Minutes

The regular monthly meeting of the Board of Education of the Plymouth Community School District was held Monday evening, June 12, 1961, in the Board Room of the Administration Building, 1024 South Mill Street, at 8:05 p.m.

Present: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra; Sup'r. Kelly, Adm. Asst. Blunk, Sup'r. Isbister and Mr. Arnold.

Also present: Mrs. Peck, Messrs. Ross, Sponseller, Rupert, Peck, Utter and Jordan.

President Niemi called the meeting to order at 8:05 p.m. It was moved by Member Zylstra and seconded by Member Soth that the minutes of the meetings held May 8 (Special), May 8 (Regular), May 24 and June 7 (Special) be approved.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

Mr. Robert Ross representing Local 522 of the International Union of Operating Engineers, discussed the favorable relations between the union and the school administration and directed attention to previous requests regarding wage scales and fringe benefits. He indicated that ten employees had completed a twelve-week course in boiler operation which should prove beneficial not only to the men but also to the school district.

It was moved by Member Soth and seconded by Member Zylstra that the following bills be approved for payment:

General Fund:

Voucher 5225, Payroll 5-5-61	\$87,378.16
Voucher 5226, Payroll 5-19-61	87,379.86
Voucher 5227 to 5205, incl.	45,853.96
Bids, Site Survey	64,023.91
Voucher 123 to 194, incl.	64,023.91
Nichols Trust Fund:	630.99
Voucher 913 to 918, incl.	630.99

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

President Niemi, Chairman of the Finance Committee, indicated that the 1961-62 operating budget had been investigated and was being studied.

Member Soth, Chairman of the Facility Committee, and Supervisor Kelly presented for consideration certain necessary changes to the New Junior High School.

It was moved by Member Soth and seconded by Member Hulsing to approve the addition of one sink and one drinking fountain in each of seven classrooms and to connect the art room sink to a sink and drain fountain for a total additional cost, including plumbing, of \$2,110.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

It was moved by Member Soth and seconded by Member H. Fischer to approve the revised plan for the communication system for a total additional cost of \$630.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

It was moved by Member William Foster and seconded by Member Kaiser that the resignation of Mr. William Foster be accepted with regrets.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

It was moved by Member Soth and seconded by Member H. Fischer that the school board policy on the naming of schools be adopted.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

It was moved by Member Zylstra and seconded by Member Hulsing that the official name of the new junior high school be "Plymouth Community Junior High School - West" and that the official name of the present junior high school be changed to "Plymouth Community Junior High School - East."

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser, Niemi, Soth and Zylstra.

Nays: None.

The motion was carried.

President Niemi appointed Member Hulsing and Member G. Fischer to acquire information regarding the legal services available for the school district.

The meeting adjourned at 10:20 p.m. Respectfully submitted, Harold E. Fischer, Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held Tuesday evening, June 27, 1961, in the Board Room of the Administration Building, 1024 South Mill Street at 8:00 o'clock.

Present: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi; Member-Elect Utter, Administrative Assistant Blunk and Superintendent Isbister.

Absent: Members Soth and Zylstra.

President Niemi called the meeting to order at 8:10 p.m. A letter from Mr. John Hopkins setting forth his reasons for protesting the late issuance of teachers' contracts was read.

It was moved by Member Hulsing and seconded by Member Kaiser that the request of Olivia Bell Johnson for a year's leave of absence be approved.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

It was moved by Member Hulsing and seconded by Member Kaiser that the resignations of Lenore Howe, Sandra DeYoung and Rita Munzer be approved.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

It was moved by Member Kaiser and seconded by Member H. Fischer that the resignation requesting permission from the State Superintendent of Public Instruction for the Plymouth Community School District to join with Livonia, Garden City and Clarenceville in the formation of a Community College District be approved.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

The 1961-62 operating budget was reviewed in detail for the third time. Certain services, capital expenditures and maintenance items, of necessity, were deleted from the budget in order to bring the expenditures more closely in line with anticipated revenues.

It was moved by Member Hulsing and seconded by Member G. Fischer that the 1961-62 operating budget figure be set at \$3,304,000.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

It was moved by Member H. Fischer and seconded by Member Kaiser that Superintendent Isbister be given a three year contract at an annual salary of \$17,000 with the understanding that the salary will be subject to review from the budget in order to bring the expenditures more closely in line with anticipated revenues.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

It was moved by Member Kaiser and seconded by Member H. Fischer that Administrative Assistant Blunk be given a monthly car allowance of \$75.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

It was moved by Member H. Fischer and seconded by Member G. Fischer that Principal William Harding be given an annual contract at a salary of \$11,000 and Principal Carvel Bentley one at a salary of \$11,750.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The motion was carried.

It was moved by Member G. Fischer and seconded by Member Kaiser that the Superintendent's recommendation for the appointment of Glenn Williams as Principal of the Bird Elementary School at an annual salary in accordance with the salary schedule be approved.

Ayes: Members G. Fischer, H. Fischer, Hulsing, Kaiser and Niemi.

Nays: None.

The meeting was adjourned at 11:28 p.m. Respectfully submitted, Harold E. Fischer, Secretary Board of Education

The meeting was called to order at 8:00 p.m. Superintendent Isbister was appointed temporary chairman. Member Niemi was nominated for president.

It was moved by Member Utter and seconded by Member Kaiser that the nominations be closed.

Ayes: Members Hulsing, Kaiser, Niemi and Utter.

Nays: None.

Abstaining: Member Zylstra.

The motion was carried.

A ballot was taken and Member Niemi was declared elected president. President Niemi took charge of the meeting.

Member Kaiser was nominated for vice president.

It was moved by Member Hulsing and seconded by Member Zylstra that the nominations be closed and the acting secretary be authorized to cast a unanimous ballot for Member Kaiser.

Ayes: Members Hulsing, Kaiser, Niemi, Utter and Zylstra.

Nays: None.

The motion was carried and Member Kaiser was declared elected vice president.

Member Hulsing was nominated for secretary.

It was moved by Member Utter and seconded by Member Kaiser that the nominations be closed and the acting secretary be authorized to cast a unanimous ballot for Member Hulsing.

Ayes: Members Hulsing, Kaiser, Niemi and Utter.

Nays: None.

The motion was carried and Member Hulsing was declared elected secretary.

Member Soth was nominated for treasurer.

Member Zylstra protested the nomination of Member Soth on the grounds that Member Soth was out of the city and unable to be present to decline or accept the office and that Member Soth could not handle the public funds associated with this office in absentia.

It was moved by Member Kaiser and seconded by Member Hulsing that the nominations be closed and the secretary be authorized to cast a unanimous ballot for Member Soth.

Ayes: Members Hulsing, Kaiser, Niemi and Utter.

Nays: None.

Abstaining: Member Zylstra.

The motion was carried and Member Soth was declared elected treasurer.

It was moved by Member Hulsing and seconded by Member Kaiser that the treasurer be directed to deposit all monies for all accounts of the Plymouth Community School District in the National Bank of Detroit (Plymouth Branch) and purchase Certificates of Deposit for the Plymouth Community School District in either the Michigan National Bank of Flint, the National Bank of Detroit (Plymouth Branch) or the Detroit Bank and Trust Company, as designated by the Board of Education.

It was moved by Member Hulsing and seconded by Member Kaiser that the actual or facsimile signature of President Niemi or Secretary Hulsing be designated as the paying agents for bonds of the Plymouth Community School District as required.

Ayes: Members Hulsing, Kaiser, Niemi, Utter and Zylstra.

Nays: None.

The motion was carried.

It was moved by Member Kaiser and seconded by Member Utter that the National Bank of Detroit (Plymouth Branch) be requested, authorized and directed to honor checks, drafts or other orders for the payment of money drawn in the name of the Plymouth Community School District against all accounts of the school district when bearing the actual or facsimile signature of Treasurer Soth and the actual or facsimile signature of either President Niemi or Secretary Hulsing.

Ayes: Members Hulsing, Kaiser, Niemi, Utter and Zylstra.

Nays: None.

The motion was carried.

A communication was read from Mr. George Rowland, Secretary of Superior No. 4 Pri. School District, in which specific requests were made for annexation to the Plymouth Community School District and transportation services. Sup'r. Isbister was authorized to investigate the transportation services and report to the Board.

Mr. Becker, representing Wheeler and Becker, Architects, discussed with the Board of Education Bulletin No. 3, for the Plymouth High School alteration-addition project.

It was moved by Member Kaiser and seconded by Member Hulsing to accept specific revisions and additions for work to be performed at Plymouth High School increasing the amount of the contract of the P. N. Markward Company in the amount of \$2,777.00.

Ayes: Members Hulsing, Kaiser, Niemi, Utter and Zylstra.

Nays: None.

The motion was carried.

Supervisor Kelly and Mr. Becker reported that satisfactory progress was being made on the Plymouth High School project.

Mr. Arnold presented a progress report on the 1960-61 Annual Report.

The meeting was adjourned at 10:55 p.m. Respectfully submitted, Esther L. Hulsing, Secretary Board of Education

Senior Citizens Meet

The Senior Citizens of Plymouth will meet July 27 at the Masonic Temple for pot luck dinner, beginning at 12:30, followed by community singing and cards.

A picnic was held at the park, July 20. Games and cards were the entertainment. Serving as hostesses were Addie Storrie and Minnie Felsner.

OBITUARIES

Della Amelia Haas

Mrs. Della Amelia Haas died July 24 at the age of 84 in the Orchard Haven Nursing Home after several years of failing health.

She was born to Katherine (Brehm) and Paul Schaaf in Eddyville, Iowa, on Aug. 29, 1876. On Oct. 23, 1907, she married John Sigmund Haas and came to this community in April of 1956 from Livonia and previously Illinois.

Surviving her are two sons, Paul M., and John H., of Plymouth, and two grandchildren.

Funeral services were held July 26 at the Schrader Funeral Home at 10 a.m. Rev. Henry J. Walch, D.D., officiated.

Interment was in Riverside Cemetery.

Dewayne Leroy Lee

Dewayne Leroy Lee, 41101 Wilcox Rd., Plymouth Township, died July 19 at the age of 30. Cause of death was drowning in Baseline Lake. He was born Feb. 23, 1931, in Plymouth to Bernita (Funk) and George Lee. On May 5, 1951 he married Barbara Bailey Lee. He lived in this area all of his life, and was a driver and salesman for the M. Powell & Son, Inc.

Surviving him besides his widow are two sons, John Cooper and Mark Steven, one daughter, Tana Susan, his parents, Mr. and Mrs. George Lee, two sisters, Mrs. Phyllis Janskey of Plymouth, Mrs. Juanita Bryan of Mobile, Ala., two brothers, George, Jr., and Jerry, both of Plymouth, his grandmother, Mrs. Flo Funk of Plymouth and his grandfather, Mr. John Lee of Indiana.

Funeral services were held July 22 from the Schrader Funeral Home, Rev. Rolla O. Swisher officiated.

Pallbearers were Messrs. Ross Fulton, Roy Bennett, Homer Reeder, Joe Fulton.

R. R. FLUCKEY

Funeral services were held July 22 from the Schrader Funeral Home, Rev. Rolla O. Swisher officiated.

Howard McClellan and Bob Martin. Interment was in Cadillac Memorial Gardens, West.

Jean Irene Stuyvenberg

Mrs. Jean Irene Stuyvenberg died July 18 in Genoa Township at the age of 36. Mrs. Stuyvenberg was born March 9, 1925 in Lansing to Elizabeth (O'Rourke) and William C. Hardy. On May 15, 1945 she was married to John Stuyvenberg, Jr. The couple moved to the area from Dearborn in 1954.

Mrs. Stuyvenberg was a member of the Christian Science Church and recording secretary of the Ford Wives Club.

Surviving her are her husband, John, one daughter, Karen Sue, one son, John Stuyvenberg, III; parents, Mr. and Mrs. William C. Hardy of Louisville, Ky.; grandmother, Mrs. Fay Hardy of Lynchburg, Va.; two sisters, Mrs. Billie Lou Bissell and Mrs. Ouida Worley, both of California; and one brother, Richard Hardy, with the U.S. Armed Forces.

Funeral services were held July 21 from the Schrader Funeral Home, Mr. David B. Baldwin, Christian Science Reader, officiated.

Interment was in Riverside Cemetery.

 Livonia, Mich.
 STATE OF MICHIGAN
 County of Wayne
 ss. 686,933

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the seventh day of July, in the year one thousand nine hundred and sixty-one.

Present Frank S. Szymanski, Judge of Probate, in the matter of the estate of CONSTANTIN PETRASZEWSKY, deceased. John Petraszewski, executor of the last will and testament of said deceased, having rendered to this Court his first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned in accordance with the provisions of said last will:

It is ordered, that the sixteenth day of August, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition. And it is further ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in THE PLYMOUTH MAIL, a newspaper printed and circulated in said County of Wayne.

FRANK S. SZYMANSKI,
 Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

provided for those who will attend the Plymouth Listening Post — a new lecture series sponsored by the American Association of University Women.

Walter Midener, internationally noted sculptor and director of Detroit's Society of Arts and Crafts, will be the first speaker. He will be followed, on Jan. 31, by Dr. and Mrs. Fred Dohrs, geographer and artist, who will talk on "The Soviet's Use of Their Land." The third lecture will be given March 6 when Listening Post subscribers will hear an informative speaker on a current international situation. Each lecture is scheduled for 8 p.m. in the Plymouth High School auditorium.

If you have not yet purchased your tickets you may reserve them by calling Mrs. C. C. Wilse, Mrs. B. William Secord, Mrs. John W. Moehle, Miss Helen F. Gilbert, or any AAUW member.

Proceeds from the Plymouth Listening Post are tax exempt because all of the profits go toward helping support AAUW's Fellowship Program. The women of AAUW believe that what advances women anywhere, advances women everywhere. Their faith in their educational fellowships is backed by more than a million dollars in an Endowment Trust. The maintenance and development of this fund for the gifted scholar is a continuing and vital goal of AAUW.

The Fellowship Program began in 1890 when \$500 was given to one woman for graduate study. Today the Endowment Trust helps more than 95 promising scholars. In fact, AAUW Fellowship Awards for 1961-62 totaled \$247,000. Fifty Fellowships carrying stipends of \$134,500 have been awarded to gifted women in the United States, and 45 International Fellowships totaling over \$100,000, have gone to women in 31 countries abroad.

The program of International Grants began in 1945 after

World War II to help women in liberated countries come to the U.S. to study, to give training needed in the reconstruction of their countries, and to learn useful new techniques in reconstruction and development. Thirty-five are studying annually in the United States. Two of these scholars were in Michigan last year. They were Dr. Antje Tallgren of Finland, who studied dentistry at the University of Michigan, and Miss Antoinette van den Hoek of South Africa who is studying how to teach deaf children to speak. Miss van den Hoek's work is being done at Wayne State University.

The "fellows" are chosen

on the basis of stiff academic competition; only the more gifted can qualify. However, funds are not earmarked for any particular purpose; the sole purpose is to find the best possible candidate in whatever field she may be working. Fields of interest are, of course, as varied as the personalities of the scholars themselves.

A great deal of practical work is being done in scientific research, in fact, the majority are not working in the humanities, but those who have interesting projects in view. Among these are: a post doctoral research program on the influence of Bernard of Clairvaux on the

thought of John Donne; a study of the 12th century epic in the original medieval Latin by Joseph of Exeter; a dissertation on English diplomatic history from 1660 to 1688; a survey of the prehistoric and Mycenaean pottery in the Athenian Agora; research in Italy on contracts between Renaissance artists and patrons; a study of attempts made by American colonists and the British government to unite the colonies under one government before 1776; a study of the theory of knowledge of the ancient Greek Sceptics.

A Listening Post ticket will help some promising scholar

Shell experts test for knock by accelerating up steep grade. In another test, that "fifth wheel" in the back is lowered onto the road to measure mileage precisely.

TOP PERFORMANCE:

Shell test crew reveals five ways to test your car for top performance—and how the 9 ingredients in today's Super Shell can help you get it

Test #1. Quick starting
 Count the seconds it takes to start your car. The engine should "snap to" in about two to three seconds. A slow start drains your battery. And it may load your cylinders, causing performance troubles.

If your engine is balky, try Super Shell. It's blended with a frisky ingredient called Butene—

to give you quick, easy starts.

Test #2. Smooth running
 Pay close attention to your engine in traffic.

Does it vibrate roughly when you stop for a traffic light? Does it seem to "surge" as you pull away, then falter and fade?

The problem may be the wrong blend of gasoline.

In summer, for example, excessive heat can make winter grade gasoline bubble in the fuel line. Bubbles can interfere with the flow, causing rough running.

Shell scientists don't let that happen with Super Shell. When hot weather threatens, they adjust Super Shell's 9-ingredient formula to give it the correct volatility for smooth summer driving.

Test #3. Reserve power
 On a turnpike, in light traffic, accelerate suddenly from about thirty miles an hour to the legal limit. Now ask yourself:

1. Did your car accelerate smoothly—with no faltering, no bogging down?
2. Do you have plenty of power to spare?

If you feel you've "run out of engine," it's time to do something about it.

Super Shell may be your answer. It contains TCP, to help restore power lost to combustion chamber deposits.

And another Super Shell ingredient, called Platformate, contains components that release 11 per cent more energy than even the finest of 100-octane aviation gasolines.

Test #4. Knock
 Accelerate up a long, steep hill and listen carefully. If you hear a sound like marbles falling into an empty oil drum, you've got knock. It could cause engine trouble.

Take no chances. Switch to Super Shell. Its formula includes no less than three ingredients to fight the various causes of knock.

Test #5. Miles per gallon
 Don't trust your fuel gauge when you measure miles per gallon. Take these three simple steps and be sure.

1. Start your test by filling your tank. Make sure the gasoline comes up to the brim. Write down your mileage reading.
2. Drive in your normal manner for at least three tankfuls—
3. Finally, fill your tank to the brim again. Add up all the gallons you've bought (not counting the initial fill-up in step 1.) Divide this amount into your total miles driven. This gives you your miles per gallon.

Try this test with three tankfuls of Super Shell. You'll see what top performance really is.

A Bulletin from Shell Research—where 1,997 scientists are working to make your car go better and better.

SHELL

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Proceedings of the Plymouth City Commission

THE GOOD OLD DAYS...

10 YEARS AGO

Final plans for a concert for local music lovers by the Racine Wisconsin Boy Scout Drum and Bugle Corp has been completed for Friday night at 7:30 in the high school athletic field. The band's performance will be of unusual interest in view of the fact that the many maneuvers the band goes through when it plays will be an added treat for residents of this city.

shows. This makes a balance as of July 1, of \$7,950.40; the balance July 1, 1935 came to \$7,181.36.

More than 3,000 people attended the third annual picnic of the Michigan State Highway Department held Sunday at Cass Lake under the auspices of the Plymouth office. Commissioner Murray D. VanWagoner flew over 400 miles to act as host for the occasion.

During the past week the playgrounds have taken on new life following the intensely hot weather. Games and tournaments were resumed, as well as handicraft classes. The attendance for the week aggregated 1,658.

50 YEARS AGO

This section of Wayne County not only grows the most sweetcorn but can boast of the sweetest tomatoes. Marvin Schmidt, a commercial vegetable grower, recently grew a real giant. The tomato was 13 1/4" in circumference and weighed 1 1/2 ounces, with a 4" diameter and a height of 3 1/2". What's more it is rated Grade 1.

Mrs. Sheldon Gale attended the Lapham's Corners Ladies' Aid meeting at Mrs. William Tait's Wednesday and had an enjoyable time, over 60 being present. Mr. Sheldon Gale is erecting a new silo, the cement foundation of which is completed. They are now erecting the woodwork.

The ice cream social at the hall given by the stewards last Friday evening was well attended. They cleared \$2.50. Several of our neighbors have been whortleberrying the past week. Some had such a good time they went twice.

WITH HIS TRIP to New York last week Kurt Thrun of the Travel Centre flew 56,000 miles since April 15. It started with a trip to San Salvador, Mexico and Guatemala in April, then to Tokyo, Hong Kong and Hawaii, two trips to Europe and two trips to San Juan, Puerto Rico. Here he is shown in Hong Kong taking one of the traditional rikshaw rides. Total miles flown in the two months amounts to over two trips around the world.

Monday, July 3, 1961
A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, July 3, 1961 at 7:30 P.M.
PRESENT: Comms. Hartmann, Houk, Shear, Wernette and Mayor Sinecock.
ABSENT: Comms. Beyer and Terry.
Since Comms. Beyer and Terry were out of town, their absences were excused by the Commission. Deputy Clerk Charles Thompson acted as Clerk in the absence of Joseph F. Near, who was on vacation.
Moved by Comm. Wernette and supported by Comm. Hartmann that the minutes of the regular meeting of June 19, 1961 be approved with the correction that the words "as sponsor" be deleted from the motion on page 3118 relative to the Senior Citizens' Housing Project and that the minutes of the special meeting held June 28, 1961 be approved as written. Carried unanimously.
Since Supervisor Vailier was out of town, no report of the activities of the Board of Supervisors was presented.
The Deputy Clerk presented a communication from the City of Livonia requesting support of legislation which would protect and control the flood plains along natural water courses in the River Rouge Basin Area.
The following resolution was offered by Comm. Shear and supported by Comm. Hartmann:
WHEREAS, the City of Plymouth, Wayne County, Michigan, is traversed by several natural water courses, among which is a branch of the River Rouge and the Tonquah Creeks;
WHEREAS, the City of Plymouth and environs are rapidly growing and hundreds of residential homes are being constructed adjacent to and abutting on these many water courses and tributaries, and **WHEREAS**, these many homes could very well be endangered and made unsafe as a result of the unregulated use of such natural water courses, and
WHEREAS, individual residents and developers may, in the future, proceed to encroach upon the natural flood plain areas along and adjacent to these natural courses, and
WHEREAS, there is legislation which would grant the authority to local governments to impose reasonable restrictions

on this type of operation in the event that the same occurs, and **WHEREAS**, many of the other several states throughout the nation have the foresight and good judgment to enact legislation for this purpose and in this direction,
NOW, THEREFORE, BE IT RESOLVED, that the Michigan Municipal League through its Board of Directors is hereby requested to sponsor a bill which would give local units of government sufficient police power and authority to impose reasonable restrictions upon the use of flood plain areas through the establishment of reasonable zoning regulations in order that properties abutting such natural water courses may be protected, and in order to protect the health, safety, and welfare of persons residing on such properties; and **BE IT FURTHER RESOLVED**, that copies of this resolution be forwarded to Mr. John Huss, Director of the Michigan Municipal League; Raymond D. Dzundzel, State Senator; Harvey J. Beadle, State Representative; and all other communities situated in the River Rouge basin and flood plain. Carried unanimously.
The Deputy Clerk presented a communication from the Automobile Club of Michigan advising that the City of Plymouth will be awarded a NO-DEATH certificate in the 1960 AAA National Pedestrian Program Appraisal. The communication was ordered accepted and filed.
The Deputy Clerk presented a communication from Ullman-Leman & Associates, Inc. advising the creation of a full-time position to handle the duties of an Urban Renewal Director or Coordinator. The communication was ordered accepted and filed.
The Deputy Clerk presented a communication from the City Planning Commission recommending the use of septic tanks until such time that the State sewer ban is lifted.
Moved by Comm. Houk and supported by Comm. Hartmann that the matter of the above recommendation be tabled until July 17, 1961. Carried unanimously.
Moved by Comm. Hartmann and supported by Comm. Wernette that the request of William C. Hann, owner of the House of Glamour Salon, 307 W. Spring Street to place a directional sign for his business on Lot 11, Assessor's Subdivision No. 2, controlled by Milton Orr, be referred to the City Manager and dealt with. Carried unanimously.
The City Manager presented a curb and gutter survey taken from

postal card return from property owners in the affected areas.
Moved by Comm. Shear and supported by Comm. Houk that local public improvement is deemed a necessity as follows:
Dewey Street, Hartsough to Ross
Having Street, Ross to Hartsough
Hartsough, Evergreen to McKinley
Harvey Street, Wing to Ann Arbor Road
Maple Street, McKinley to S. Harvey
Roosevelt, Ross to Hartsough
Ross Street, Evergreen to McKinley.
Further, that the said projects are hereby referred to the City Manager and he is directed to submit to this Commission for its consideration, reports upon said improvements, which shall include necessary plans, profiles, a description of the recommended assessment district or districts, and such other pertinent information as will permit the Commission to decide the cost, extent, the necessity of the improvements proposed, and what part or portion thereof should be paid by Special Assessment upon the properties benefitted and what part, if any, should be paid by the City at Large. Carried unanimously.
Consideration was given to the appropriate classification of property use, when determining the sewer connection charge for apartments.
Moved by Comm. Wernette and supported by Comm. Shear that apartments involving four or more living units shall be charged for sewer connections according to the rates established under "B. COMMERCIAL, INDUSTRIAL AND SCHOOL CONNECTION CHARGES," of Ordinance No. 29. Carried unanimously.
Mayor Sinecock opened the public hearing on Project No. 50-2-168, Sheridan Avenue 2' bituminous pavement, Sheldon Road to McKinley Avenue 2' bituminous pavement.
Bruce and Dorothy Woodbury and Arthur Shepard all spoke in favor of the proposed paving.
After all interested persons had been given an opportunity to be heard, Mayor Sinecock declared the hearing closed.
The following resolution was offered by Comm. Shear and supported by Comm. Hartmann:
WHEREAS, a public hearing, after due notice thereof, was held in regard to the necessity of the public improvement described as: Sheridan Avenue, Sheldon Road to McKinley Avenue, 2' bituminous pavement, and all persons interested were given an opportunity and no valid upon the question of the necessity of the improvement and no valid objection thereto was made, and the necessity of the improvement is deemed a necessity as follows:
NOW, THEREFORE, BE IT RESOLVED, that the Commission, determine, and it does hereby determine to proceed with said improvement and

Plymouth Township Board Proceedings

OFFICIAL PROCEEDINGS
TOWNSHIP OF PLYMOUTH BOARD
MINUTES OF REGULAR MEETING
HELD AT TOWNSHIP HALL
TUESDAY, JULY 11, 1961
MEMBERS PRESENT: Roy R. Lindsay, Fred L. Miller, Louis Norman, C. Veach Sparks.
A quorum present, the meeting was called to order at 7:30 P.M. by the Chairman, Fred L. Miller.
After the reading of the minutes of the last meeting were approved, the following resolutions were adopted:
AG. N. A. T. 1961
An amendment to Section 22.03 of Zoning Ordinance No. 14, which was presented by Planning Commission, with the collaboration of Township Attorney, Earl J. Demel, was presented to the Board for consideration.
After deliberation and discussion, which resulted in making minor changes, agreement was reached to adopt the following revised language for Section 22.03:
FILING FEES
An application for an amendment shall be accompanied by a fee of Twenty-five Dollars (\$25.00), no part of which shall be refundable. If the applicant fails to pay the fee, the application shall be deemed abandoned. If the applicant fails to pay the fee, the application shall be deemed abandoned. If the applicant fails to pay the fee, the application shall be deemed abandoned.

PART I. That the Township Zoning Ordinance No. 14 is hereby amended by amending Section 3.3 to read as follows:
MINIMUM SIZE OF DWELLINGS. Every one (1) story or structure, used as a one family dwelling, hereafter erected or structurally altered, shall have a first floor area of not less than eight hundred twenty (820) square feet, every one and one-half (1 1/2) story building or structure, used as a one family dwelling, hereafter erected or structurally altered, shall have a first floor area of not less than seven hundred twenty-four (724) square feet, and an aggregate floor area of not less than one thousand (1,000) square feet; every two (2) story building or structure, used as a dwelling, hereafter erected or structurally altered, shall have a first floor area of not less than six hundred twenty-eight (628) square feet and an aggregate floor area of not less than one thousand two hundred fifty-six (1,256) square feet. Any building used as a two (2) family dwelling or a multiple dwelling, single family terrace (apartment) shall provide not less than four hundred eighty (480) square feet of livable floor space for each dwelling unit with a maximum occupancy load of three (3) persons and an additional one hundred (100) square feet for each additional inhabitant.
Each two family and/or multiple dwelling unit, shall provide a utility room and/or storage space in addition to the above requirements, which shall be not less than one hundred (100) square feet in area. Equal basement area, not including area for stairs, may be submitted for utility room or storage space.
PART II. CONFLICTING PROVISIONS REPEALED. All Ordinances or parts of Ordinances in conflict, herewith, are hereby repealed.
PART III. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.
PART IV. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184 of the Public Acts of Michigan, 1943, at a meeting duly called and held on the 11th day of July A. D. 1961, and ordered to be given publication in the manner by law.
Moved for adoption by Elizabeth Holmes, supported by Fred L. Miller.
YES: Roy R. Lindsay, Fred L. Miller, Elizabeth Holmes, C. Veach Sparks.
NAYS: Louis J. Norman.

AMENDMENT "B" TO ORDINANCE 14 DECLARED ADOPTED.
AGENDA ITEM NO. 7
A discussion was held regarding the City of Plymouth water lines located in the Township. It was pointed out that the Township will soon be in a position to serve those Township residents now receiving City of Plymouth water with Detroit water, and that many of these residents have expressed a desire to receive water from the Township mains.
Mr. Sparks supported a motion by Mr. Norman that Mr. Lindsay be requested to meet with City of Plymouth officials to obtain the thinking regarding the ownership of these water lines to be carried out.
AGENDA ITEM NO. 8
A letter from Daniel J. Horgan, Attorney for Wayne County Road Commission, that the Township furnish a resolution adopted by the Township Board, approving the amount of \$834.65, which represents Mr. Demel's bill for legal services rendered during the month of May, 1961, for the Township of Plymouth, Michigan.
Mr. Lindsay advised that, during later discussion with Mr. Horgan, he pointed out to him that a resolution was adopted at the regular Board Meeting held on March 14, 1961, authorizing Roy R. Lindsay, Supervisor, to approve any bills to be paid out of the proceeds from the \$1,100,000 Bond Issue.
As a copy of this resolution had been supplied to Mr. Horgan, and as Mr. Lindsay had previously approved Mr. Demel's bill in the amount of \$834.65 for payment, Mr. Horgan advised that he was withdrawing his request for a resolution approving this specific item. No further action was held by the Board.
AGENDA ITEM NO. 9
A discussion was held regarding the advisability of selling the estimated 1,500 feet of 6 inch cast iron water pipe presently stored in the yard behind the Township Hall, providing that an acceptable offer can be obtained. Mrs. Holmes offered a motion permitting the Township to sell provided the price is right. Mr. Sparks supported the motion, which was unanimously approved. Mr. Hamill offered to contact the source most likely to be interested in making an offer.
AGENDA ITEM NO. 10
Mr. Frank Mangogna had requested that he be given time on the agenda to appear before the Board to present this request for favorable recommendation by the Board to the State Liquor Commission regarding his application for a Class "C" liquor license. Mr. Mangogna has previously operated a restaurant at 47600 Ann Arbor Road, which area is zoned R-1-E, residential, and therefore Mr. Mangogna's present business is non conforming under the conditions of Zoning Ordinance No. 4. He explained that the bar would be of minimum size, and that drinks would be served only to food patrons. He also stated that he had the verbal approval of his abutting neighbors, and that within one year he planned to relocate his business to a commercially zoned area. He stated further that if the license were issued to him, he would change his place of residence from his present place of business to some other place in order to conform to the requirements of the State Liquor Commission.
The Board informed Mr. Mangogna to obtain a petition that would be representative of the feeling of the residents in the area and submit it to the Board for their consideration.
No further action was taken at this meeting by the Board.
There being no further business, Mr. Norman moved for adjournment. After support by Mr. Sparks, the meeting was adjourned at 10:16 P.M.
Roy R. Lindsay Supervisor
Fred L. Miller Clerk

Golfers to Start Tournament Work Scores dropped as the temperature rose Monday as the Plymouth Junior Golfers played their fifth week of league play. Interest and excitement are building up for the tournament which will be played Monday, Aug. 7 with the finals played Tuesday, Aug. 8. All players with a firm handicap are eligible to enter.

Gerry Scott captured both low net and low gross for boys in Monday's round, scoring a 38. Gail Schweg took the girls' low net and low gross with a 64.

Point winners are four points: G. Scott, Beck, Fueling, J. Janicki, Eder, Dunlap, Schweg, Duke, S. Holmes, and Hoffman. Three points: Zornow, Kreitsch,

Holt, N. Criger. One point: Light, Burselon, Shepard, D. Criger.

Twenty-six members of the PJGA played their first game Monday, July 24. Fifteen boys played a full round, those having a score 60 or less were: Keith Johnson, Peter Ackerman, David Parker and Tim Nuoffer.
