Still Protest Parking Lot Assessment

The \$118,900 plan to redevelop the Central Parking Lot was given a revision at Monday night's City Commission meeting by adding more area in the assessment district, but the revision apparently will still not be agreeable to several of the affected property owners.

Included in the new area of assessment are properties on the north side of Penniman Ave. and the south side of Ann Arbor Trail, between Harvey and Main St.

Not changed is the original plan of acquiring more property for the Central Lot that will cost \$24,600 and then raising the buildings and expanding the parking lot at a cost of \$94,300.

Under the original plan, the Central Lot would be assessed at \$29,299.94. The new plan would assess the parking lot at \$29,299.94. The new plan would assess the parking lot at \$29,299.94.

Again registering his protest at the Monday night public hearing was Dr. Charles Westover, whose property at Ann Arbor Trail and Harvey would be assessed \$3,579. He again termed the assessment unfair, basing his protest on the same reasons as when he objected during past hearings. Dr. Westover had filed a notice previously that he would seek court action against the assessment.

According to City Attorney, Edward Draugelis, assessments can be based only on the land, not on the buildings located on the land. An old building now located on the land could be removed and a large building erected that

Starting, Dismissal Hours Change

Over a quarter million dollars worth of alterations and additions will be completed in time for the opening day of school at the Senior High as 5,000 pupils file back into the public school classrooms in the Plymouth area and some 685 others into parochial schools.

The estimated 5,000 figure is 130 more than were enrolled after the first month of school last year, Supt. Russell Isbister declared.

Despite rumors that the Senior High construction work will not be completed to allow the building to open on Wednesday, Sept. 6, school officials have announced that the building will indeed be open and a full day's classes will be waiting for all students in the public schools.

Workers are rushing to have all work completed at the Senior High. A new stair tower containing a new front exit will be the first noticeable change students will find. They will also notice that all windows in the main building have been replaced with aluminum sash. On the third floor, rooms have been relighted and new ceiling installed.

A new addition containing two and a half classrooms has been added to the east side of the building. Another classroom has been added on the second floor where a stairway has been removed. Many other changes have also been made.

THE WORDS "High School" were erected Tuesday noon on the new Senior High entrance as workmen rushed to complete over a quarter million dollars worth of construction in the building. A new stair tower has been erected on the building's front, one of several projects demanded by the State Fire Marshal's office.

Hire 23 Teachers For Public School Vacancies

Twenty-three new teachers have joined the Plymouth Community School System while five others who have been away from their classrooms this past year are returning.

These are the new teachers:

High School
Lloyd Leach, chemistry, has B.A. degree from Western Michigan, 4 1/2 years of experience at Breckenridge, Mich.
Mrs. Lois Sutherland, librarian, A.B. degree from University of California and Miami University and masters from U. of M., taught 3 years at Ann Arbor.
Miss Judith Weir, Spanish and English, B.A. degree from College of Wooster, no experience.
E. Thomas Gorcyca, reading improvement; M. A. degree from University of Detroit, 1 1/2 year's experience at Hamtramck and Highland Park.
Miss Jane Sprague, physical education; B.S. in physical education from Bradford Jr. College, B.A. in elementary education from U. of M., 1 year at Port Huron.

Junior High
Paul Trichel, social studies; B.A. degree from Hillsdale College, no experience.
Miss Suzanne Elliott, kindergarten; B.S. from Indiana University, 2 years at Wauwatosa, Wisc.
Bird Elementary
Mrs. Karen Cubitt, fourth grade; B.A. from Michigan State, no experience.

Garling Co. Opens New Subdivision
Opening of a 94-lot subdivision that is located in both the Township and City of Plymouth will officially open this Thursday.

Called the Riverside Drive Subdivision, it is located on both sides of Park Entrance Drive which runs from Ann Arbor Trail into Hines Park Drive.

Garling Construction Co. of Dearborn, builders for 42 years in the Detroit area, are owners of the subdivision. Garling's has built several subdivisions and individual homes in the City over the past decade.

One tri-level model, the Town Crier, will be opened this Thursday and two more models are under construction. The subdivision will have concrete paved streets, water and sewer and gas.

The Town Crier model is a three bedroom tri-level with built-in oven and range, family room, disposal, gas heat. In another month, the other two models will be open. One will be a ranch type home while the other will be another tri-level colonial with a one-car garage.

The model will be open from 1 to 9 p.m. daily. Price range of the homes will be from \$14,000 to \$18,000. Lots will also be sold in the subdivision from \$3,200. Lot sizes range from 60 feet wide up to 80 feet. Many back up to Riverside Park. Each of the models will have three bedrooms and will have 1 1/2 or two baths.

The subdivision is unique for this area because it is divided by the City-Township (Continued on page 10)

Supt. Isbister said that an open house will be held Friday, Sept. 29 for the public to inspect what has been accomplished within the 43-year-old structure. The evening will also be homecoming at the football game.

Most teachers will begin their new school year with a Pre-School Workshop next Monday. The workshop, while not compulsory, is usually attended by over 90 per cent of the faculty. The workshop consists of curriculum conferences within various departments and university consultants are brought in for the meetings.

Starting Time Changes
One of the major changes that students are urged to note this year is the change in school hours. In previous years, all pupils reported at approximately the same time. Starting this fall, Junior and Senior High School students will report to class at 8 a.m. Junior High pupils will be dismissed at 2:50 p.m. while Senior High students will finish their last period at 2:30 p.m.

Elementary students will start at 8:45 a.m. and will be dismissed at 3:20 in the early elementary schools and 3:30 p.m. in the higher grades.

In addition, the Senior High will offer a seventh period starting that will be dismissed at 3:28. This optional hour will offer classes that students may find they are unable to fit into their normal program.

Noon Hour Program
After months of studying the situation, the Board of Education has taken some action regarding the noon hour at the Junior and Senior Highs.

There will be "closed campus" policy in effect at the Junior High starting this fall. This means that students will be required to remain on the campus over the noon hour. Special permits will be issued to students to walk home for lunch if they live within the immediate vicinity.

At the Senior High, there will be no requirement about staying on the campus during the lunch period, but it will be more difficult for students to roam very far.

The lunch period has been cut from one hour to a half hour. In addition, the student body will be divided so that they will be taking their lunch period during one of three half-hour periods. This will result in less congestion at the cafeteria — a complaint that sent many students hiking downtown for their lunch.

Lunch will not be served in (Continued on page 10)

OVER 50 WOMEN employees, many of them from Plymouth, are already at work at the Distribution Services, Inc. plant (formerly Daisy Manufacturing). The firm produces sales promotion material for the auto industry and is now getting into its rush season as new model time nears. Tons of printed material are being folded, assembled and wrapped for shipment throughout the world. D.S.I. moved into the plant just last month.

Chop Suey Helps Send Band to Music Camp

Three bus loads of High School Band musicians, their instruments and chaperones will leave here at 7 a.m. this Monday for Interlochen where they will spend one week in concentrated practice and marching. The band will be one of nine at the 600-acre National Music Camp facility near Traverse City.

Seventy-six band members will make the trip, along with their director, James Griffith, five chaperones and three bus drivers.

The project has been a huge one for the Band Parents Assn. which has been promoting the trip for several years. First, it took a waiting period of three years before the Plymouth Band's turn came. Use of the National Music Camp by bands has been limited to the final two weeks of the summer, and many bands want to make the trip.

It will cost some \$3,000 to send the entire group for the week. This figures to \$32 per person. Of this amount, the student is paying \$10 while the remaining \$22 is furnished by the Band Parents.

The Band Parents Assn. knuckled down to some hard work last year to raise the money. Such events as a chop suey dinner, sponsoring dances and selling peanut brittle provided much of the money. Some local organizations also contributed. They were Kiwanis, Lions, Grange, Rotary and Vivians.

While at the camp, the bands will march three hours a day. They will then play three hours a day as a unit and two hours with the other eight bands. Some of the other bands will be Ferndale, Belleville, Grand Haven, East Lansing, Jackson and Portage Lake.

Concluding the week on Saturday will be a marching demonstration while Sunday will feature a mass band concert.

The day will begin at 7 a.m. and will end at 10 p.m. There will be some recreation thrown in to break up the days — such as one trip to Sleeping Bear sand dunes, a few dances and beach parties. Two hours a day will be allowed for swimming.

SORTING OUT MUSIC for each instrument is a major job as 76 members of the Plymouth High School Band prepares to leave Monday for the National Music Camp at Interlochen. Shown are Rosemary Richardson, left, and Jo Mecklenburg preparing the music.

Tickets On Sale for 2nd Fall Festival

Moving along at 600 chickens an hour, the Plymouth Rotary Club's Fall Festival is again expected to attract crowds from all over Southeastern Michigan on Sunday, Sept. 10.

Tickets are now on sale by Rotarians for the Festival that last year brought some 3,000 people into the center of the City.

Setting up barbecue pits beside the Penn Theatre, the "chefs" are able to turn out 600 broiled chickens an hour.

But along with the food will be other events such as the display of antique automobiles, exhibits by the Historical Society and Three Cities Art Club and a concert by the Plymouth City Band.

The Festival will open at noon. Price of the tickets is \$1.50 for adults and \$1 for children under 12.

NEWS BEAT

Rumor was spreading rapidly this week that the High School will not be ready to open and that the upper classmen will get an extra few weeks of vacation. Anyone who peeks inside the building now may think that it may be a long time before occupancy, but school officials definitely state that there will be school for Senior High students on the first day.

BARGAIN DAYS: Starting Sept. 1, the 1961 license plates will be half price. The 1962 plates, however, will be going on sale Nov. 1. Mrs. Doris Root, license bureau manager, said that the new plates will be green numbers on a white background. They will replace the yellow and green plates that have been on three years.

Our Student in Holland Reports

Dutch DO Have Wooden Shoes

EDITOR'S NOTE: This is the fourth in a series of articles written by our Plymouth High School students spending the summer in Europe under the Youth for Understanding program. Susan Tichy is the daughter of Mr. and Mrs. Woodrow Tichy, 1497 Penniman.

By Susan Tichy

When I first heard that I would be spending the summer as an exchange student in Holland, I think I had the average American knowledge of the country. I knew it has many flowers, windmills and wooden shoes. Other than this, and a few pages in my world history book at school, my knowledge was about nil. After six weeks living with a Dutch family, I now know a great deal about this tiny country. However, six weeks does not make me an authority and I am sure that in another six weeks my opinions would change as much and as often as they have during these six weeks.

I am staying with a young couple in Oudshoorn, which is part of the municipality Alphen aan den Rijn (Alphen on the Rhine). This municipality, (which is not a town or city because in earlier days they did not have the rights of a town for a government and the right to build a wall around the homes for protection), has a population of about 25,000. It is located about 26 miles south of Amsterdam in the province South Holland. My "parents" are 29 and 31, and I have no "brothers" or "sisters."

It would be hard for me to express how thoughtful, generous, and self-sacrificing these people of limited means have been to me.

I have been to Amsterdam, Utrecht, Gouda, Leyden, Giessendam, and Amersfoort. Each of these cities had its interesting historic points, but now I will write about Dutch life.

My first two weeks in Holland I found everything very different than life in America. I have seen that beyond a doubt America's standard of living is much higher than Europe's. The family I am staying with would be ranked as upper middle class. The man is a teacher in the secondary modern school. Yet they have no car, television, refrigerator, telephone, oven, washing machine (automatic or otherwise) or clothes dryer. Of 90 families on the street

Two Parochial Schools Ready For Opening

Two weeks from today, Sept. 6, school bells will be ringing in Plymouth. Two parochial schools, as well as public schools, will be calling the children back after their long summer vacation.

The Lutheran Day School anticipates an enrollment of 85 students from kindergarten through eighth grade. Miss Joann Norder, who comes from Geneva, Ohio, places Miss Caroline Smales Nisser will be teaching grades one, two and three.

At Our Lady of Good Counsel School, over 600 youngsters are expected to converge on that institution. The opening of one new classroom will bring to a total of 13 those in use this year. The youngsters will be instructed by four lay teachers and assistants, four of which will be newcomers to the school.

Administrators are looking forward to the installation of television equipment this fall that will bring the children visual education in science and languages.

including napkin, salt, pepper, water and a flat plate rather than low bowl from which to eat. The Dutch ice cream, chocolate and cheese are delicious and these are my favorites.

The Dutch have old-fashioned means of entertainment. They don't very often go to movies, play cards or watch television. The typical evening, with or without guests, is to talk and drink coffee or tea with cookies or pastry. For special occasions, there are alcoholic beverages. Dutch women are very gracious hostesses. I don't like coffee or tea very much, so I always get cocoa.

If a hostess fails to offer her guests cigarettes, whether anyone in the family smokes or not, it is generally considered quite an insult. At a party, the people entertaining provide cigarettes for everyone attending. Most people are shocked that I at 16, don't smoke at least on occasions. Twelve and thirteen year olds were smoking in the presence of their parents at a wedding I attended recently.

Area Young People Bring Home 4-H Fair Blue Ribbons

A host of Plymouth area young people brought home blue ribbons from the annual Wayne County 4-H Fair which ended last Sunday.

The six-day event drew 30,000 people, equal to that counted a year ago. Many of the 4-H'ers will be heading for the State 4-H Fair in Lansing.

Among the Plymouth area winners of top prizes were these:

Duane Wilkin, winner of the annual plowing contest.

Merrie Wright, high point winner of the English challenge riding trophy. This trophy was retired last year by Barbara Niemi after winning it three times in a row. Both girls are members of the Plymouth Bridle Club. Runners-up in this category were

Donna Moers and Sue Niemi, members of the same club.

David Magraw of Plymouth Livestock Club, won grand championship for dairy animals.

Jay Hartford, Sheldon Livestock Club, best female angus and best breed in beef animals trophy.

Terry Clark, Plymouth Livestock Club, reserve champion for sheep.

William Sheridan, Plymouth Livestock Club, best angus steer trophy and best market steer.

These 4-H'ers, by winning the top blue ribbons, will be going to the State 4-H Fair; Susan White, 4-H Bridle Club, handicraft.

Dee Bosman, Spoon & Spool Club, conservation.

Judith Clixby, Sheldon Community Club, entomology.

Marjorie Victor, Sheldon Community Club, flower gardening.

Bring Home 4-H Fair Blue Ribbons

Shirley Rakoczy, Ins and Outers, landscape.

Carolyn Korte, Sheldon Community Club, child care.

Susan Hauk and Barbara Black, Plymouth Clovers, vegetable gardening.

Tod Ehhart, Plymouth Livestock Club, soybeans, barley and corn.

Josephine Armstrong, canning.

Joan Jarrett, Sheldon Community Club, creative cookery.

Janice Williams, knitting.

Mrs. Frank Bird of Wayne was matron of honor. She wore a blue and white gown and a corsage of white roses.

Best man was James E. Williams of Wayne.

For the nuptials, the bride's mother was dressed in a brown print dress. The groom's mother wore a blue print dress. Both mothers had corsages of yellow roses.

Class of '51 Gathers Again

Ninety-five people attended a reunion of Plymouth High School Class of 1951 at the Veterans of Foreign Wars Hall on August 12.

Starting at 6:30 p.m. with a cocktail hour, the reunion group was served a family-style dinner by a catering firm. Following the dinner, a program was offered with Richard Underwood as master of ceremonies.

Prizes were given to graduates who fulfilled various accomplishments during the 10 years since graduation. The group received special enjoyment from a class movie taken in their senior year.

Members of the reunion committee were Donny Young, chairman; Dick Nelson, treasurer; Betty Swan, secretary; Betty Racz, Joan McLellan, Jackie Seclin, Gerald Huddleston, Gary Sockow and Pat Korte.

The last reunion was held five years ago.

A relatively mild climate is found inside the Arctic Circle where the Gulf Stream nears Norway's coast.

JEAN CAMPAU, WOMAN'S EDITOR

What is there about a sale that brings out the latent huntress in us women? The very word 'Sale' has a mesmerizing effect on the grey matter of the distaff mind. The average woman will rise at the crack of dawn and drive miles to be first in line. The recent sale Norma Cassady had was a good case in point.

Ladies converged on this establishment like there was no tomorrow. Every available square foot of space was occupied with milady, her arms laden with a colorful array of garments, waiting for a spot to set down her exciting burden and get down to the serious matter of selection and rejection.

Squeezing through the throng, one attractive Plymouth matron we know, summed up the matter of sales in general with this apropos remark, "Whoever finds a bargain has really earned it."

However, if the ladies are clothes conscious, we learn from the American Institute of Men and Boys' Wear, Inc., that the men in our lives are no less interested in the fashion scene.

The new town and country suit, we learned, is less formal than the business suit, yet dressier than slacks and a sport jacket. This currently popular in-between garment is available in two, three and four piece combinations. The two-piece consists of a modestly patterned tweed, cheviot or shetland matching jacket and trousers. The jacket is usually tailored like a sports jacket with patch pockets and welted seams. The three piece suit includes a matching vest that may reverse to another fabric or a bolder pattern. The fourth piece is a bonus pair of contrasting trousers.

When it comes to sweaters, a fellow can select anything that strikes his fancy this fall from a featherweight shell-stitch sweater-vest to a rugged thick fisherman's knit, and still be dressed in top style.

Supplementing the classic crew-necks and V-necks, there are good looking new round necks, square necks, modified boat-necks and softly rolled shawl collars. Buttoned closures, zippers and novelty frog-fasteners mark the coat styles. Some of the high style pullovers have parka-like hoods knitted as part of the garment.

According to the Institute, the news in hats this fall is that brims have gotten as narrow as they ever will without going into the beanie. The swing of the style pendulum is back toward slightly larger shapes. Albeit considerably smaller than the 10 gallon hat, which incidentally, doesn't actually hold 10 gallons, but only about three-quarters of a gallon.

For returnees to college, two outfits that are almost campus uniforms are the classic blazer with grey slacks and the shetland or tweed jacket worn with olive or grey slacks.

Social Security Change Hikes Widow Benefits

Widows of age 62 or older who have applied for social security benefits — or who are eligible to apply — are affected by recent changes in the Social Security Act. Social security benefits to widows will be higher when received early in September.

The amount of the increase for most aged widows is 10 percent. For example, a widow who was receiving \$50 per month before the law changed will now receive \$55 per month; one who received \$70 per month before will now receive \$77 per month. The exceptions to the 10 percent increase will be those widows who were receiving the minimum (\$53) or near minimum benefits before the new law. Such women will now receive the new minimum of \$40 per month (an increase of more than 10 percent).

These same increases also apply to a widow or to a dependent parent who is the sole survivor of his or her son or daughter. Approximately 1½ million aged widows, widowers, and dependent parents throughout the nation will be affected by the new law.

Girl Guides Again Sponsor Ice Cream Social Saturday

Girl Guides of the Salvation Army will sponsor their second annual Ice Cream Social this Saturday (Aug. 26) at the Citadel on Fairground St. Hours are from 5:30 to 8:30 p.m.

In addition to ice cream, cake and coffee are provided. Tickets are 35 cents each or three for \$1. The tickets are being sold in advance by the Girl Guides or can be purchased at the social.

The social is held on the front lawn of the Citadel. In case of bad weather, it will be held inside.

Girl Guides is an organization similar to the Girl Scouts. Capt. John Cunard said that local group now has 15 members and there is room for 15 more girls. Members must

be from 11 to 18 years old. Entertainment will be furnished during the social.

Janet Main

Janet Main graduated from the Mercy School of Nursing in commencement exercises held Sunday, Aug. 20 at Mercy College's McAuley Auditorium.

Miss Main, a 1958 Plymouth High School graduate, is the daughter of Mr. and Mrs. E. B. Main, 8837 Corinne. She will be on the nursing staff of St. Mary Hospital in Livonia.

Teachers to Attend 4-Day Workshop Next Week

A four-day Pre-School Workshop will begin next Monday at the Junior High School for Plymouth teachers. The optional session was started several years ago to study and improve the various programs of study offered in the schools. Dealing mostly with curriculum, the workshop will be divided into four main areas — math, science, language arts and social studies.

There will also be several other specialized study groups — business, education, fine arts, health and physical education, home economics, industrial arts, lan-

guages, library and music. Consultants in the study areas have been invited from Eastern Michigan, Wayne State and University of Michigan. Teachers who have been taking special courses this summer will also be invited to share their experiences.

The workshop will last from 8:30 a.m. to 2:30 p.m. Over 90 per cent of the faculty attends the workshop. Those attending receive extra compensation of \$100.

Eastern Theme Motif of Party

To the swaying of Japanese lanterns, bright balloons and soft music the guests of Juanita Johnson, 11704 Russell St., helped celebrate her 13th birthday anniversary at a Japanese garden party.

Little wooden Japanese figurines were the favors and the refreshments were served from a low scenic covered table as the girls in true Japanese fashion were seated on pillows.

Her sister, Cheri Johnson, Carol and Carla Davis acted as hostesses. Carol Hughes, Linda Adams, Shirley Langford and Janet Barrett of Livonia expressed themselves as having an enjoyable time.

Senior Citizens Plan Card Party

The Senior Citizens of Plymouth met at the Masonic Temple, Thursday, Aug. 17. There were 41 members present.

Refreshments were served at 1 p.m. by the Senior Citizens, after which all enjoyed playing cards.

Next Thursday, Aug. 24, there will be a pot luck dinner at 12:30 p.m.

Hostesses for the meeting were Katherine Manners, Emma Ladzick and host Herman Ladzick. They were assisted by Irene McCartney and Mollie Tracey. Members and friends are reminded that there will be a Card Party on Sept. 28.

Engagements

Carol Elaine Canning

Mr. and Mrs. H. E. Canning of 41663 Schoolcraft Rd., Plymouth, announce the engagement of their second daughter, Carol Elaine, to Rev. John Philip Kiger of Kokomo, Ind.

Miss Canning is a graduate of Plymouth High School and of the Jones School of Practical Nursing in Ann Arbor. She has attended Olivet Nazarene College in Kankakee, Ill., for the past two years. Presently she is doing private duty nursing at the University of Michigan Hospital.

Rev. Kiger graduated from Kokomo High School in Kokomo and from Olivet Nazarene College. He has also served with the United States Air Force overseas.

A winter wedding is being planned, after which the couple will make their residence in Kansas City, Missouri, where Rev. Kiger will pursue post-graduate studies for the ministry.

Carol Ann Graham

Mr. and Mrs. Howard Graham of Delray Beach, Florida, announce the engagement of their daughter, Carol Ann, to Dennis R. Simpson, son of Mr. and Mrs. Clayton Simpson of Northern St., Plymouth.

Mr. and Mrs. Howard Graham were former residents of Plymouth.

The couple were 1960 graduates of Plymouth High School.

Family Honors Mrs. Ida Beyer

Mrs. Ida Beyer was guest of honor at a reunion given by her children and their families Sunday, Aug. 13. It was Mrs. Beyer's birthday.

A picnic supper was held at the home of her granddaughter and husband, Mr. and Mrs. Allen Wagenschutz on Six Mile Rd., in Livonia. There were 39 present including five daughters and their families which embraced seven grandchildren and twelve great grandchildren. Several of the grandchildren and great grandchildren were unable to attend.

Guests were present from Pontiac, Drayton Plains, Detroit, Livonia and Plymouth.

BIRTHS

It's a daughter for Mr. and Mrs. Donald K. Alexander of 4171 Russet Lane. Joan Kay was born Aug. 18 at St. Mary Hospital in Livonia. She weighed 7 lbs., 6 ozs. at birth. Grandparents are Mr. and Mrs. George Rice of Detroit and Mr. and Mrs. D. M. Alexander of Hillsdale, Mich.

Mr. and Mrs. John W. Stamper, 260 Elizabeth St., announce the birth of a son, Aug. 15, 1961 at St. Joseph Hospital in Ann Arbor. John Emerson weighed 7 lbs., 4 ozs. at birth. The new baby has a 3½ year old sister, Deborah Anne. Grandparents are Mr. and Mrs. H. E. Canning of Plymouth, and Mr. and Mrs. Richard Stamper of Garden City.

Mr. and Mrs. Richard E. Day of Allenton Court, Wayne, announce the birth of a baby girl, Mary DeElla was born August 21 at St. Mary Hospital in Livonia and weighed 7 lbs., 2 ozs. Brother Jamie and sister Laura complete the Day family.

2 from Here Take Course on Wildlife

Bill Hopkins, chief naturalist for the Huron-Clinton Metropolitan Authority announced that 20 people completed a three-week Nature Interpretation Course, Friday, Aug. 18.

During the final week of the course the group participated in planning of "nature trail", learning how to conduct a field trip and identification of plant and animal life along a nature trail.

Doris Isberg Hardimon, 481 N. Evergreen St., and Jeanette Rank, 296 Pacific St., were participants from Plymouth.

The fourth annual workshop, which was jointly sponsored by the department of natural sciences of Eastern University and the Huron-Clinton Metropolitan Authority, was this year conducted by Dr. Herbert A. Caswell, Jr., and Professor John E. Lutz, both of Eastern.

Veterans of Foreign Wars

Our fingers are crossed for a successful mission to the convention at Miami Beach for our Color Guard. The Michigan champs, Jack Olsaver, Ed Olson, Bud Krumm, Ray Danol and Hal Young, left early last Sunday and entered the nation-wide competition on Monday. Our best wishes went with them all the way. Among the fans were Comrade Harry Krumm and his father who spent part of their vacation there. Harry had other business in Minneapolis the week before.

The Post was saddened to learn of the passing of Comrade Ferdinand Freund, suddenly on Aug. 19. He was an active supporter of our Post and played an important part in our early days. Our sincere condolences to his family.

Chaplain Kamen reports that Comrade Ray Birtles is progressing satisfactorily at Beyer's Hospital, Ypsilanti. Our best wishes for his continued progress.

On Sunday, Aug. 20, approximately 25 Post and Auxiliary members, and their children, journeyed to the National Home at Eaton Rapids. A picnic was provided for the children and housemothers of the Michigan Cottages. Those making the trip, toured the points of interest. This trip always makes us proud that we help support our National Home. Chairman Ed Bassett is to be complimented for this fine project.

A social event to remember is the "Open House Dance" at the Post home on Saturday, Aug. 26. Music will be provided by the juke box and there is no admission charge. Members are urged to attend and bring their friends, for an enjoyable evening. This would be an ideal time to invite veterans who are eligible to join the V.F.W.

Membership Chairman - F. Johnson, is making plans for the approaching membership campaign; he is anxious to hear your suggestions for this project. One known method is to recruit those eligible in this area.

Commander Luttermoser has expressed the hope that attendance at the meetings will increase, with the vacation period drawing to a close. We have many important committees and projects that need more help. There is a part in this outfit for you!

Auxiliary
Wednesday afternoon, President Olson, Jennie Tallmudge, chairman of the Senior Citizens Committee, Mildred Dely, Mary Schwartz and Delores Olsaver gave a birthday party for three of the senior citizens at the West Trail Nursing Home. Refreshments were served to all of the patients at the home.

We would like to extend our sincere sympathy to the family of Ferdinand Freund. Congratulations are in order to the Danols on the birth of a grandson, Raymond B. Danol.

Forty Post Auxiliary members and their children made the trip to the National Home Sunday. They entertained the 13 youngsters and two housemothers from the two Michigan cottages. Many of the visitors took the tour through the cottages and many of the various buildings. Auxiliary members donated an approximate \$25 worth of jam and jelly which will stock the shelves of the village store to be used as needed by the housemothers. The group who made the trip felt it well worth while and those going for the first time were really amazed with what they saw. Helen and Howard Bowring made the trip from their home in Ewart.

The Post Color Guard Team in Florida working hard to bring home another title for the Post. They have put in a lot of time and have practiced diligently to try to add the touch of perfection that makes a champ. Their plane will arrive at the Metropolitan Airport Thursday evening, Aug. 24 at 9:30 p.m. Let's from a welcoming committee, go to the airport, and greet our boys as they return. Remember to contact Marion Skoglund if you have rum-

The first committee meeting of the Auxiliary will be held Thursday, Aug. 24 at 8 p.m. at the Post Home. Let's have a good turnout and give

Marion Kot, our new president, cooperation on the plans or out new year. One of our own past presidents, Melva Gardner, was installed as 17th District president. Also installed were: vice-president, Selma Nowicki of Redford Detroit Auxiliary; secretary, Maxine Kunz of Passage-Gayde Auxiliary; chaplain, Lena Hammond of Lloyd H. Green Auxiliary; historian, Marie Kettle of Rose Dale Park; sergeant-at-arms, Armetta Nevins, Redford Detroit. Retiring president is Betty Wilcox of Myron Beals Auxiliary. Installing officer was our past president, Adah Langmaid, who also is a past 17th District president, and sergeant-at-arms, Hazel Wright of Lloyd H. Green Auxiliary.

We were so happy to have Ada here as she has been residing in California the past two years.

Distinguished guests were Lisle Alexander, newly retired Department adjutant, and Mrs. Alexander. A lovely lunch was served to about 75 guests. The next 17th District meeting will be Friday, Sept. 15, 8 p.m., at the Myron Beals Post Home, Newburgh Rd., Livonia.

Remember, the Auxiliary will be having a rummage sale Sept. 15 and 16. Get your rummage ready and if anyone can assist any part of these days, please call Emily Mosher at GL 3-4173. Let's make this the best rummage sale yet.

The Post is having a car wash Saturday at the Post Home. Donations are \$1. If rained out, the wash will be the following Saturday. We hope to see a good many of you there.

Londeau Belts Homer; Loses 6 to 2

Cloverdale lost 6-2 against Adrian last week and was knocked out of district softball play. Cloverdale went into the game, needing a victory.

If they had won, they would have met Adrian again in the second game the same evening for the championship. The Adrian team was declared district champions.

In battling to the district finals, Cloverdale knocked out four of the five other competing teams. In the last game last Wednesday, they were trailing

6-0 in the seventh, when first baseman Walton Londeau belted a home run over the right field fence, over 250 feet away. It drove in teammate John Wilke to account for Cloverdale's two runs.

The home run, according to Ray Doolin, was a tremendous blow, the best the umpire had ever seen. Londeau was presented with the ball for his feat.

The game completes 1961 activity for Plymouth softball teams.

Front Row Center

BY GEORGE SPELVIN

Once more it's the season for old George to rant and rave about the drooping gladioli in far too many gardens. Yearly I feel an inward compulsion to place my protest publicly regarding this act against nature. Gladioli or "glads" as most folks call them, were meant to be cut and placed in the house. As soon as the first floret appears, you snip the stem and take it inside to some cool water, usually residing in a tall vase. The whole house brightens with its presence. Out in the garden, if left to mature, the "glads" take on a leperous condition and look sad, mighty sad. In short, get those scissors out of the drawer and cut those glads quickly.

Since we're in the bucolic mood, let's take a moment to report about my pastoral adventures while visiting the relatives in the Wisconsin boondocks. My wife's folks have a 400 acre plantation that skirts the Mississippi near the bluffs of La Crosse.

To such a restful "back 400," a yearly trip is taken. The peace and calm of a farm five miles from any of even small town "city" life gives a person time to meditate, read and re-charge those mental batteries.

Sean O'Casey was my constant companion. I read his "The Bishop's Bonfire" and "The Star Turns Red" and while visiting the relatives. As you well know by this time, Mr. O'Casey is one of my favorite playwrights. Incidentally, the Vanguard will open up their fall season with one of Mr. O'Casey's funniest, "Purple Dust." Watch for this play

during September — you'll be charmed by its Irish wit and humor.

In "The Bishop's Bonfire," O'Casey has a character that is trying to stay away from the "drink." Here's a wee sample of how that darlin' man, O'Casey, lets us know about a keg of whiskey:

Daniel: The Codger has discovered a keg, Manus — a beauty! The wood was swollen with the soaked-in juice left behind. He's drenched it gently with more 'n half a gallon of boilin' water, an' left it to mature in the sun. I've tasted it, an' it's the fire of love meltin' into dew.

And while the Russians were sending that space craft around this crazy, mixed-up star known as the Earth, I was reading O'Casey's "The Star Turns Red." This play is seldom performed since it is a pro-Communist polemic. I'm surprised that Khrushchev and company don't put this production on more often. Of course, getting the Russian thespians to master the Irish brogue might be a bit difficult. Or if that task isn't too great, how about some of our more brilliant minds figuring out a way that we can skyjack the next Russian space capsule as it heads for the Moon. Let's be mean and make Boris Tiguarian land on Mars... just for kicks!

I can hear Sean O'Casey mumbling to himself over the horrible state of chaos that the world has itself all twisted into. "Sure an' you're just a wee bit jealous of Nikita and his cosmonauts. Your envious hearts are all puffed out of shape. Best you get to work and show those lugubrious lugworms what good

old American know-how can do." And I'm sure we all agree that the space race is far from finished. We usually start slow, but finish fast. Even the Tigers may be planning some such strategy on the orbiting Yankees.

Meanwhile back on the local stages of the Detroit area, you'll still find plenty of lively entertainment. The P and A has booked "Exodus" for a limited engagement. The critics have been divided in their opinion of this extra-long movie. Everyone agrees that Sal Mineo does an outstanding job and that the scenery is beautiful. Check and see what you think about "Exodus."

The Vanguard continues with "Billy the Kid." You have only a couple more weeks to get down to 58 E. Columbia and see this hilarious melodrama. The management suggests that you come in sport shirt, cool slacks, and anything comfortable. Summertime is the time to relax and forget the formal theater dress. Many folks in the audience have followed the management's advice and have enjoyed the relaxed feeling that accompanies such informal wear.

I'm going back to Stratford for a second look at the two other attractions on the bill this summer. "The Canvass Barricade," a modern play by a Canadian author, is being done. It will be interesting to see a modern play adapt to the open platform stage. And I must see Gary Krawford, a former Wayne State University player, in his featured role in "Love's Labour's Lost." The Stratford Shakespearean Festival continues until Sept. 23, but let me warn you that you must order your tickets weeks in advance.

The immortal melodies of Sigmund Romberg's "The Student Prince" fill the air in the Northland Playhouse area this week. Mr. Ken Schwartz, genial major-domo of the Playhouse activities, has brought back the tuneful "Student Prince" for a two week stay.

The book portion of "Student Prince" won't leave you gasping for more, but those songs... well, you'll have to agree with all of us old-timers that Mr. Romberg really knew how to turn out tunes with melodies that linger on. Plan to see this musical out at the Northland Playhouse

SPORTSEEN

By BILL NELSON

The summer calm has almost died out now, and the storm of fall events is all but upon us. It's a nutty time of year, but beautiful and pleasant.

It's nutty, because a good many of us will get all excited during the next few months about a collection of our neighbor's sons, who will be wearing some blue and white uniforms, supplied by the high school (and paid for by taxpayers).

This group will become known throughout history, as the 1961 Rock football team.

Football coach Mike Hoben will issue uniforms late this week and start practice next week. A couple of weeks later, we'll be actively into the rush of fall football games and cross-country meets.

When the historians compile the big book on the 60's, it may be that Rock teams won't even receive a listing. For three months, however, a lot of us will be as concerned with how they perform as with how Kennedy does in Berlin, an item sure to get a page in any book about this decade.

It's a beautiful time of year, as any local citizen knows. The cool air, the crunchy, multi-colored leaves provide a natural backdrop that it would be hard to improve upon.

For students, it's a time of renewed acquaintances, some new subjects and extra-curricular activities.

For the football team, it will be practice and games. The team is fortunate that Mike Hoben is the head coach. Hoben has done well through the years and may be expected to turn out a creditable performance again this year.

The first home game will come, and if things go right, the weather will be good and the crowd will take every seat, maybe even ring the field.

The band, usually an excellent one, will play and march. The teams will begin to play and maybe Plymouth will win. For a few hours on several nights, in the next few months, there will be few more pleasant places to be than sitting on a board behind the high school right here in Plymouth.

Wanted: Three Bowling Teams

Three teams are needed to complete the Five Star Bowling League that will bowl Thursday nights at the Parkview Recreation.

Don Zander, secretary of the league, said that the league will help teams of five find a sponsor. The team average should range around

750 to 825. The league will start the Thursday after Labor Day.

Interested groups can contact Zander during the day by phoning Fisher's Shoes at GL 3-1390 or at his home in the evenings at GL 3-6154.

Five Star Bowling League is one of the oldest leagues in the community.

Colonel Norman T. Kincaid, USAF, 40757 Plymouth Rd., Plymouth, has been assigned to headquarters of Allied Air Forces Southern Europe (AIRSOUTH), the North Atlantic Treaty Organization's air arm shielding the southern flank of the alliance.

His parents, Mr. and Mrs. James R. Kincaid, also reside at the same Plymouth Rd. address.

Colonel Kincaid came to his new assignment from Wright Patterson AFB, Ohio where he was the Chief, Management Analysis Div., Hq. Air Force Logistics Command for four years.

At AIRSOUTH Colonel Kincaid will be Deputy Assistant to the Chief of Staff and Chief of the Material Division.

As its official name implies, AIRSOUTH is an international command composed of Greek, Italian, Turkish, British and American airmen and aircraft. Commanded by Lieutenant General Ralph P. Swafford Jr., USAF, it covers the air space from Northern Italy, through Greece, to the eastern border of Turkey abutting the Soviet Union.

A member of the USAF for 20 years, Colonel Kincaid was graduated from Michigan State University in 1940 and from Plymouth High School in 1936.

With him in Naples are his wife, the former Dorothy H. Hearn, of Plymouth, and their children, Pamela J., 14, and Norman T., II, 10.

Little League Here Breaks National Ties

Officers of the Plymouth Community Little League have voted to drop out of the National Little League Organization.

The move came at a regular meeting of the officers last week. The second season of Little League in Plymouth has just ended.

According to a spokesman, the secession was voted so that money spent each year for charters can be placed in a minor league program.

"It is the feeling of the officers that more work needs to be done with the boys who are in the minor league," a spokesman said. "Each year in the past two years, we have been losing future boys for the major league."

Over \$500 is spent with Little League national headquarters each year. The charter cost \$75 a year, which can be an outright saving. Insurance on the boys cost \$200 and liability insurance for the park is another \$209. Officers claim that insurance purchased locally can be cheaper. Arm patches with the official Little League emblem cost another \$67.

OFFICIAL PROCEEDINGS
TOWNSHIP OF PLYMOUTH BOARD MINUTES OF REGULAR MEETING HELD AT TOWNSHIP HALL TUESDAY, AUGUST 8, 1961
BOARD MEMBERS PRESENT: Roy R. Lindsay, Fred L. Miller, Elizabeth Holmes, Louis J. Norman, C. Veach Sparks.
 There being a quorum present, the meeting was called to order at 8:00 P.M. by Supervisor Lindsay.
 The minutes of the meeting of July 11 were read by the clerk, and since there were no corrections, they were declared adopted as read.
AGENDA ITEM NO. 3 (as 1) RESOLUTION — WATER LINES — FIVE MILE ANIS NORTHVILLE ROAD AREA.
 The following resolution was presented by Fred L. Miller and read by Roy R. Lindsay:
 RESOLVED, that the Township of Plymouth extend the system of water lines presently being constructed under Wayne County project W-208 to serve the area in the immediate vicinity of the intersection of Five Mile and Northville Roads, and that the cost thereof, which has been estimated at \$15,930.00, be paid by Wayne County Road Commission on behalf of Plymouth Township with funds obtained from the sale

of \$1,100,000.00 water bond issue of January, 1961.
 After a motion for adoption by Elizabeth Holmes, and support by Louis Norman, the vote was as follows:
YEAS: Roy R. Lindsay, Fred L. Miller, Elizabeth Holmes, Louis J. Norman, C. Veach Sparks. **NAYS:** None. **ABSENT:** None.
RESOLUTION DECLARED ADOPTED.
 At 8:15 P.M. Mr. Lindsay appointed Mr. Norman to be temporary Chairman for the remainder of the meeting. Mr. Sparks supported a motion by Mrs. Holmes approving the appointment. The vote by the Board for approval was as follows:
YEAS: Elizabeth Holmes, C. V. Sparks, Fred L. Miller. **NAYS:** None. **NOT VOTING:** Louis J. Norman, Roy R. Lindsay.
 Mr. Lindsay left for another meeting at Detroit involving township business and Mr. Norman assumed the chair.
 Mr. Norman read a list of bills totaling \$10,799.96, payment of which was approved after a motion by Mrs. Holmes, supported by Mr. Sparks. Mr. Norman refrained from voting.
AGENDA ITEM NO. 1 (as 2) OPENING BIDS FOR RESCUE VEHICLE

In compliance with conditions of an advertisement for bids for a rescue wagon which was published in the June 29 issue of the Plymouth Mail, Fred L. Miller offered a motion that the bids be declared closed. Supported by Elizabeth Holmes, the motion carried unanimously.
 Only one (1) bid had been received, that having been submitted by Ernest J. Allison, Inc. After discussion and advice from Township Attorney, Earl J. Demel, it was the decision of the Board that one bid is not representative of the qualified dealers in our area, most of whom were unable to participate in the bidding due to the change over from 1961 to 1962 models.
 Hereafter, on a motion by Mr. Sparks, seconded by Mr. Miller, it was the unanimous decision of the Board to return, unopened, the bid received from Ernest J. Allison, Inc. and to later re-advertise for bids.
AGENDA ITEM NO. 3 PAUL ALBRIGHT ATTEND FIRE INSPECTORS' MEETING.
 On a motion by Mr. Miller, supported by Mrs. Holmes, the Board unanimously approved a request by Fire Chief Howard Holmes to grant permission for Captain Paul Albright to attend the Annual Fire Inspectors' Meeting at East Lansing from September 12 through 15 at a cost to the Township not to exceed \$55.00.
AGENDA ITEM NO. 4. PURCHASE NEW FIRE TRUCKS.
 A discussion was held regarding the purchase of a new fire truck. Mr. Miller offered a motion that a delegation be appointed to investigate the makes and types of trucks available, also to set the specifications and equipment required. After support by Mrs. Holmes, the motion carried with the addition of the designation of Howard Holmes, Louis Norman and Roy Lindsay to act as a committee to compile the specifications necessary to advertise for bids.
AGENDA ITEM NO. 5. REMODEL TOWNSHIP HALL.
 Due to the anticipated increase in the office work load in Plymouth Township resulting from the availability of sewer and water facilities, it is obvious that provisions must be made for increased office space for additional office help and necessary equipment.
 On a motion by Mrs. Holmes, supported by Mr. Sparks, the Board unanimously agreed to obtain the services of an architect to study the present Township Hall in order to determine its adaptability for alterations to provide the needed office space.
AGENDA ITEM NO. 6. NEW D.F.W. BUILDING.
 The question of need for a building to serve as housing for equipment and storage of materials for the sewer and water department was discussed. It was pointed out that, due to greater activity in sewer and water operations, there will be a need for such housing, and that now is the time to determine the amount of such facilities required.
 Mrs. Holmes proposed a motion that the Township investigate the types of building that would best serve our need and to engage Mr. Tivadar Balogh, Architect, to study this matter and submit an estimate of cost.
 After support by Mr. Miller, the vote for adoption of the motion was unanimous.
AGENDA ITEM NO. 7. LIQUOR LICENSE FOR FRANK AND JULIA MANGOGNA.
 The matter of approving Frank and Julia Mangogna for a Class "C" liquor license was next discussed.
 It was pointed out that the application was filed on May 19, 1955, and that petitions bearing the signatures of 122 Township residents approving Frank Mangogna as being acceptable for consideration to receive a license were submitted to the Township Engineer, Herald Hamill, wherein he submitted his estimate of the cost of a sewer system in Arbor Village as \$43,175.00. Mr. Hamill also furnished six prints of the plans for this project.
 This estimate of cost and plans will be placed on file until funds for construction of the lines are available and the sewer ban has been lifted.
 No further action was taken by the Board.
AGENDA ITEM NO. 9. CLEAN SEWERS, ROBINSON SUBDIVISION.
 The combination sanitary and drain sewer in Robinson Subdivision is in need of a thorough cleaning.
 Municipal and Contractors Service Co. have proposed to perform this service for the price of \$3,000. After some discussion, it was agreed that the contractor should submit his price quotation in detail for better analysis by the Board.
 On a motion by Mr. Sparks, supported by Mr. Miller, the Board voted unanimously to table this matter until a detailed bid is received.
AGENDA ITEM NO. 10. WATER LINES — LILLEY ROAD TO ROCKER.
 It was proposed that an engineering study be made regarding the extension of water mains on Ann Arbor Road from Lilley Road to Rocker Street, and that the Township engineer prepare the necessary plans and estimate of cost.
 It was pointed out, however, that this line would parallel the City of Plymouth line, which is serving all water customers along this route except Marcus Iron and Metal Junk Yard. After considerable discussion, it was the general feeling of the Board that the present foreseeable revenue from this extension would not be sufficient to justify the expenditure of funds necessary to construct this extension.
 Therefore, on a motion by Mr. Miller, supported by Mr. Sparks, the Board voted unanimously to disapprove this project until a more favorable yield of revenue can be expected.
 There being no further business, Mr. Sparks moved that the meeting be adjourned. After support by Mrs. Holmes, the meeting was adjourned at 9:45 P.M. SIGNED: Roy R. Lindsay, Supervisor
 Fred L. Miller, Clerk

Dutch DO Have Wooden Shoes

(Continued from page 1)

my bike so little that I had to release, and even a fire a great deal of riding, I still don't have their endurance.

One trip covered about 37 miles in one day, but I was almost the only one among about 60 students from the school who were tired.

I find Dutch homes very clean and no matter how old, they always seem to be furnished comfortably and in good taste. Every home has flowers in almost every room and in the window sill.

Shopping for a Dutch housewife is different than for an American housewife. Rather than going to the supermarket once or twice a week, as in America, she goes to about five or six stores everyday. There is one store for meat, another for vegetables and potatoes, another for cheese, another for soap, toothpaste and other such articles. The reason they go so often is that they must be able to carry what they buy on their bike and not just load it into a car.

Prices of many articles here are about the same as in America. Yet the salaries of workers here are much less. For example, a high school teacher with about 25 years' experience and the most possible degrees earns about 15,288 guilders (\$4,280) a year. A starting salary for an elementary school teacher

with the fewest possible degrees is about 4,092 guilders (\$1,240) a year. I use teachers only as an example; other salaries correspond to American salaries in about the same ratio. The typical factory worker makes about \$35 per week.

A great many people here speak English, especially in the big cities such as Amsterdam. However, a lot of them are afraid to try. I spent one whole evening visiting with an English teacher (I thought she taught something else) and she never said one word like "how do you do" or "good-bye" to me in English. When we left I asked what she taught and was quite surprised at the answer.

I have visited the HBS and secondary modern school (two different types of high schools) several times. When a Dutch child is about 12 years old, he or she must decide what school they will attend. They have five choices — the HBS, the gymnasium, a trade school, or a future housewives' school. The main difference between Dutch and American schools is this: there are many forms of secondary school instead of just one, the high school. Yet within our one school, I think we can follow a program similar to that in any of their schools.

Only five per cent attend either the gymnasium or the HBS. These are the hardest schools, the HBS having more of an accent on business courses and the gymnasium on Latin and Greek. The HBS takes five years and the gymnasium takes six years. After three years in either school, one must decide to follow the A or B course. A is for more language and B is for more mathematics and science. Other than this choice, the school decides what courses the student will take. They study a lot of language, French, German and English plus Latin and Greek in the gymnasium, but since Holland is such a small country, it is much more necessary for them to know languages than for American students. It is impossible to determine for sure, but I think the gymnasium and HBS are more difficult than the average college preparatory schedule in our high school, but it requires less further education than in America for most professions.

The secondary modern school takes four years, and you may study in branch A or B. Here again they must study a lot of language, some mathematics, science, history and geography, but the program, all of which is decided by the school, is not as extensive as a college prep program in America. About 20 per cent attend trade school, and 40 per cent attend the future housewives' school.

At the end of all the schools, you must take an examination over everything you have studied in that school. About 85 per cent pass at the secondary modern school, but the percentage is not nearly so high in a gymnasium or HBS. The question is not if you will get a good grade or not, but if you will pass or fail. If you fail, you must repeat one whole year, including the parts on which you scored very well.

Of course, there are advantages to both systems, and it would be unfair to pass judgment with my little knowledge. But two things I definitely don't like are the lack of choice in classes, and the

lack of independence given students in the school. They are graded for handwriting, must take their report card home for parents to sign, and must show every day that they have done their lesson. There is no form of student government in the school. Perhaps for this reason, the Dutch teenagers seem very young to me. In general most seem two years younger than they are.

Holland is a flat country and most of it is below sea level. There are very, very few hills. A great deal of the country is farm land and farming is one of the major means of making a living. There are canals everywhere, in the cities and country. The famous dikes (which are wide enough for a car to travel on top) keep out the sea and most other bodies of water too.

There are so many things here which are older than anything I have ever seen because America is such a new country. I have seen several churches built in the 12th and 13th centuries. We recently visited a grave made of huge stones believed to be 2,000 or 3,000 years old. All the cities look very old, but are still very clean.

Most of the houses here are built together, rather than separated. They have tile roofs or, if they are old farm houses, they sometimes have thatched roofs.

So what about the flowers, windmills and wooden shoes? I have found that Holland is a country in the midst of a change. There are new modern houses where people live a modern life, and there are old villages, with old customs and old fashioned ways of living. One of the latter types of villages that I visited is Giesendam in South Holland. On a Monday morning almost everyone was wearing wooden shoes. People all over Holland own them, but there, everyone wore them for working. Most people found me a real oddity; they'd never seen any Americans before. In this same area we visited a group of 18 mills altogether. There were people still living in many of them, although one day a week two are open for tourists to go through. They were built in the early 18th century.

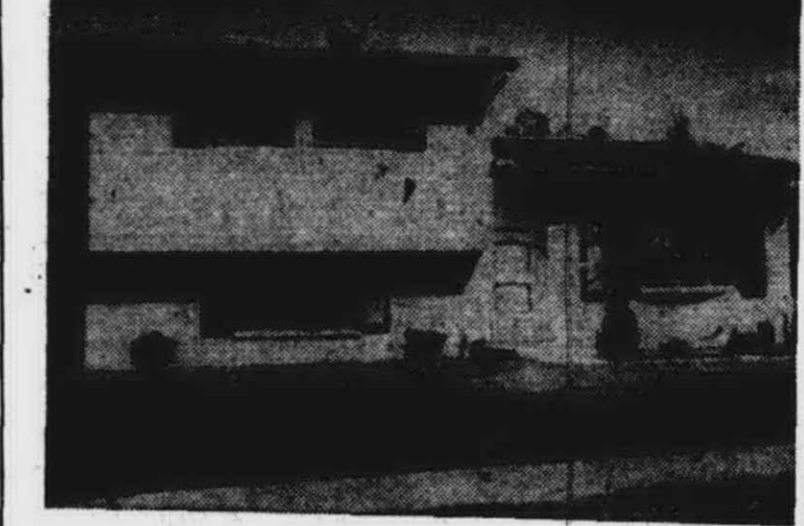

Holland's reputation for flowers is well-earned. They are plentiful, cheap and beautiful. The Dutch give flowers for every occasion. As a guest in many homes, I always have flowers in my bedroom. A guest usually brings flowers for her hostess. I was even given flowers for my mother's birthday.

I think every person likes their own country best, and I am no exception. Yet there are parts of the Dutch culture I like very much and my summer in Holland has been a very enjoyable and educational experience.

Besides the Park Entrance Drive that now runs through the subdivision, a north-south street will be named Hines Court while two east-west streets will be named Lindsay Drive and a proposed River Oaks Drive.

OPENING THIS THURSDAY is this first of three model homes at the new Riverside Drive Subdivision, located between Ann Arbor Trail and Hines Drive. The Garling project will have 94 lots. This tri-level, called the Town Crier, sells for \$14,200. (For further details, see Page 1.)

Edward C. Fisher

Edward is the son of Mrs. Ruth Fisher, 1128 Palmer.

Still Protest

(Continued from page 1)

would use many parking spaces. The assessments for the proposed lot will be applied toward any future parking requirements of each property.

Another objection to the assessment was raised by Richard G. Mulford, Dearborn, owner of the empty building on Penniman once occupied by Plymouth Men's Wear. Mulford repeatedly asked what benefit his property would receive from the assessment.

And Mayor Robert Sincok and others repeatedly answered that expansion of the parking lot would result in added foot traffic on Penniman Ave. But Mulford said that this did not answer his question and concluded by saying that he would protest the assessment with any means available. His assessment would be \$505.99.

Concluding the discussion, the Commission approved a resolution asking that the City Manager prepare an assessment roll.

In other business, the Clinasmith Construction Co. of Plymouth was low bidder for a culvert that will be installed near the intersection of Burroughs and Coolidge Streets. Their bid was \$5,562.50. There were nine other bidders.

It is proposed eventually to carry Burroughs St. across Tonquish Creek into Symar Subdivision.

Hagan Chemicals of Pittsburgh was winner of a bid on 23,000 pounds of sodium hexametaphosphate that is added to the water to suspend rust.

Director Griffith explains that the bands will be using the National Music Camp facilities, but not their instructors. It is up to the band directors to set up their own programs and this has been done during meetings of the directors.

Chaperones will be Mr. and Mrs. Willard Bowman, Mrs. John Eldson, a registered nurse; Fred Nelson, vocal director at Plymouth High; and Carl Williams, former band member, now a junior at the U of M.

Instruments will be loaded into one bus while the other two will carry the personnel. This year's band will have 85 pieces, much larger than the past few years.

Ask Motorists To Apply For Refunds Now

If you purchased a Michigan license tag last year, you are entitled to a refund of 35 cents, Plymouth's license plate bureau manager, Mrs. Doris Root, reminded motorists this week.

Michigan vehicle owners paid \$1,048,782 in 35 cent reflectorization fees last year. Because reflectorization of new license plates will not begin this year, motorists are now entitled for a refund.

But the refunds will not be made in cash. Instead, application must be made on a card and turned in to the local secretary of state's branch office or mailed to Department of State in Lansing. The cards are available at the local branch office on Liberty St.

Information concerning the 35 cent payment is checked against Lansing records and if it is correct, the card will be validated and returned to the vehicle owner.

On or after Nov. 1 when new plates go on sale, the refund cards will be good for 35 cents on a set of 1962 plates. Secretary of State James Hare is urging that the refund applications be made before the end of September. "If all people wait until the rush next January or February we will be forced to hire additional help at added cost to the Michigan taxpayer."

Waterfords Quartet Sings At Local Church Monday

The Waterfords, one of the most popular and beloved singing groups in gospel work

today, will present an evening of music this Monday, Aug. 28, at Church of the Nazarene. The program starts at 8 p.m. There is no admission charge and the public is invited.

The group is possibly the most used quartet on radio and television in the promotion of the gospel in America. Their harmonies accomplish the two-fold purpose of providing the listener with music and soothing the troubled mind and heart.

The quartet consists of James Hopkins, Earl Weatherford, Glen Payne, and Armond Morales, with Henry Slaughter as pianist. They are widely recognized as one of the finest quartets in gospel and religious music field, for their fine rendition of the old favorites and sensitive interpretation of gospel music has placed them in the forefront of gospel singers.

There are many recordings by this Quartet, under such labels as White Church, Sacred, Wrightman, along with their custom records. Their latest on RCA, the LP Album entitled "In the Garden" is very popular, and there are others to be released.

Brakes Don't Stop Car

No matter how good your brakes are, they can't stop your car.

The thought that brakes do stop a car is one of the many misunderstandings causing mounting highway accidents.

Actually, even the finest brakes can do no more than stop your wheels from spinning. It's up to your tires to stop the car.

Sound obvious? Then answer this question: Right now, what is the condition of the cord inside your tires? Are the strands firm and unbroken — or rotted and weak?

Here's another question which sounds obvious, but which few motorists can answer: Do your headlights work? Don't answer "yes" just because both lights turn on and off. Almost worse than no light at all is one that glares too much in the eyes of a driver of an approaching automobile.

Faulty tires and lights are just two of the many common

causes of highway accidents, and mechanical defects are far more common than most people realize. A typical motorist might guess that only five or ten per cent of all cars on the road are in faulty condition, but the State of Texas recently found, after an official inspection of four million vehicles, that 43 per cent were unsafe for today's traffic conditions.

Do mechanical defects and tires really amount to much when it comes to safety? Pennsylvania Turnpike officials proved that they do. Starting in 1957, officials urged toll booth attendants to bar cars with badly worn tires. To date, 12,000 drivers have been told to get better tires or keep off the Turnpike.

Result: Deaths from accidents traceable to poor tires have dropped from 28 per cent of all fatal accidents to less than five per cent.

Even the five per cent might have been eliminated had toll booth attendants been

able to look inside the tires at the cord, for although nylon tire cord is not damaged by water and moisture penetrating into cuts and bruises, tires made with other fibers are easily affected if the rubber coating is cut, making them liable to dangerous failures. So when checking for air pressure at the service station, check for cuts too.

For turnpike and long distance driving, where high speeds and mileage create high temperatures and are more liable to cause tire wear, nylon tires are recommended. As a matter of fact virtually all highway patrols, as well as racing vehicles and aircraft, travel on nylon. Because bruises resulting from impact with curbs as well as holes and bumps are as liable to occur on local streets as well as on the highway, here too nylon cord tires are recommended. They are more resistant to failure from impact than rayon cords such as Tyrex.

Asthma Attack Interrupts Canton Reunion for Sisters

BY ESTHER SPRENGEL
GL 3-0194

Mr. and Mrs. Sam Grandy of Cherry Hill Rd. proudly announce the birth of their first grandchild, Karen Sue Henry. Karen was born on August 10, weighed eight pounds and measured 21 inches. The young lady's parents are Conrad "Butch" and Laverne Henry of Livonia. Now grandpa Sam wouldn't trade his granddaughter for all the boys in the world we're told, but he would like to trade one pair of overalls and a baseball bat for a doll and dollbuggy. It just doesn't pay to shop early.

After 10 years of not seeing each other, Mrs. Melvin Paulin (Lillian) and her sister, Mrs. Harvey Lindgard (the former Gladys Harrison) of Port Hope, Canada, were enjoying a reunion at the Paulin home on Lilley Rd. However, an unexpected attack of asthma and pneumonia made it necessary for Mrs. Lindgard to enter the Garden City Hospital in Garden City. Visiting the Paulins with her mother is four year old Debra. With the unexpected illness of Mrs. Lindgard, Mr. Lindgard and the couple's other daughter were expected to arrive from Canada.

Mrs. Paulin stated that before her marriage, Gladys lived in Canton Township and attended the Truesdell School and thought that perhaps some of her old friends would like to know about her visit and confinement in the hospital. May we add our wishes for a speedy recovery.

Not to change the subject, but residents of Lilley Rd. have been deprived of a restful night's sleep, due to the drag racing. The noise of the racers is bad enough, but residents shudder at the danger involved, for the drag racers speed up and down Lilley Rd. without lights on their cars.

In speaking with one resident, we both felt that these young people work on these cars and perhaps don't mean to do any harm, but their zeal to try out their cars makes them do foolish things, maybe a drag strip sanctioned by the police is the answer. I understand such places are available for car trials.

Although for the older citizen, it seems foolish for anyone to risk his or her neck driving these contraptions they call cars. However, many of these young people work very hard and have done some amazing work on their cars. I don't condone their racing on the highways, but is being done. The police have been trying to curb it and have in areas that complain of this, but the young people only move to another spot and again endanger their lives and the lives of the residents. It seems that some talking should be done between these drivers, their parents and the authorities as to a solution.

Another happy event in the township: the birth of Paul Robert on August 14. Paul is the son of Mr. and Mrs. Robert Richards of Ford Rd. He entered the world weighing 7 lbs. 5 oz. at 9:25 a.m. at the Beyer Hospital. The couple also have a little daughter. Mom and Dad aren't the only proud ones, Paul's Aunt Joyce quickly called and gave us the news.

Many township residents and young people of the Plymouth School district will be interested in the following invitation received by former neighbors and friends of the Robert Orrs. The invitation read: Please come to a wedding shower and reception on August 20 at Hudson, Michigan, in honor of John and Barbara Orr who were married on July 21. The festivities were arranged and given by the groom's parents and bride's parents, Mr. and Mrs. Robert Orr, and Mr. and Mrs. Terrill.

John "Butch" attended the Plymouth school system until his family moved to Hudson; his bride, Barbara, attended school in Hudson, Michigan and both graduated in June from Hudson High.

May we add our wishes for much happiness in their life together.

A very special get well wish is extended to Johnny Combs, son of Mr. and Mrs. Charles Combs of Beck Rd. Johnny, who is two years old, is in University Hospital for observation.

Gary Mucker, Don Toby and Ron Hargrove have just completed a hectic but enjoyable three weeks in drivers education. These young men are now legally added to township drivers. Gary has already purchased a car himself, and will spend his spare time getting it ready for driving.

Sympathy is extended to Mr. and Mrs. Joe Mandell of Joy Rd. Mr. Mandell's mother passed away this past week.

Boy it was cold, but fun. This describes the weekend camping trip of Mr. and Mrs. Willard Bowman and son, Richard (Dick), of Ford Road.

The Bowman's camped at Bruin Lake with Mr. and Mrs. Clyde Killingbeck of Taylor Township and their family. Fishing, swimming and just relaxing was the schedule.

Just to prove the Sprengel family doesn't always stay home, they attended the 10th birthday party of their cousin, Karen Hilving, daughter of Mr. and Mrs. Howard Hilving of Nankin Township, on Sunday, August 20.

Mr. and Mrs. Charles Hewer of Canton Center Rd., just re-

Cherokee Girl Wins County 4-H Top Award

Doug Cline, a graduate of Plymouth High, with his quarter-horse Cherokee Girl, won the grand champion trophy and award last week at the Washtenaw County 4-H Fair.

Doug has raised and trained the mare since she was a foal, the results of which have netted him the top award in the county.

Cherokee Girl is entered in the Michigan State Fair as well as her first foal, Little Sundowner.

The mare has been his 4-H project for the past four years.

Doug is now attending Michigan State University.

14925 Middlebelt Road between Five Mile and Schoolcraft Roads

As another precaution, no matter what the driving conditions or the distances to be covered, seat belts are important safety equipment and should be worn at all times.

Two thirds of a fatal accident occur within twenty-five miles of the victim's homes. Every crash is a "somebody's neighborhood" accident.

Safety belts keep car occupants from being thrown against windshield and dashboard. They absorb the momentum of forward thrust caused by sudden stops. They keep passengers within the car in case of accident. Safety belts, therefore, should be chosen with the same care as tires.

The National Safety Council recommends that you insist on a belt which meets the standards set forth by the Society of Automotive Engineers. Ease of releasing the buckle is another important factor.

A Cornell University study has revealed that only 2.6 per cent of people within automobiles, compared with 12.8 per cent thrown through open car doors, are fatally injured in accidents. Safety studies also reveal that people with seat belts are 35 to 60 per cent safer than those without them.

Belts guard your energy as well as your safety. On long trips, safety belts reduce fatigue by reducing the strain of staying in place on normal stops and turns. When properly adjusted, seat belts fit comfortably but snugly to make this possible.

A "mechanically" safe car with proper safety equipment, however, is no substitute for a "mentally" alert driver who is the decisive factor between careful and careless driving.

turned from viewing the annual Showboat at Howell, Mich. The Hewer's usually attend this affair.

Mrs. Elizabeth Variot of Michigan Ave., and Division Chairman for the United Foundation held a meeting for the Area Chairmen for this year's drive. The group was addressed by Mr. Humphrey Jones, representative of the United Fund. Mr. Jones briefed the ladies on their coming drive in Canton and invited them into discussion regarding the Foundation. The ladies advised Mr. Jones of questions that were asked of them while soliciting and Mr. Jones assured the ladies that he would be only too glad to answer any questions at any time regarding U. F. services. We invite our readers to ask questions and we shall try to answer them, or get the answers from Mr. Jones before you are confronted by a solicitor this year. Mr. Phillip Dingley is our Planning Commission Representative from Canton Township. Mr. D. Clark will head the business solicitation. The area chairmen are Mrs. Louis Stein of Sheldon Rd., Mrs. Frederick Green of Lotz Rd., Mrs. Bernard Russell of Gentes Rd., who was represented at the meeting by Mrs. Lewis Jarratt of Michigan Ave., her co-chairman, Mrs. Russell Hesse of Denton Rd. and Mrs. William Sprengel of Beck Rd.

The Drive will start in October and this year the group plan to set one day for all soliciting, that date will be announced later.

Another family back from a two week vacation is Mr. and Mrs. Elmer Krause of Maben Rd. The Krause's along with two other couples, Mr. and Mrs. George Sullivan of Berkeley, Mich. and Mr. and Mrs. Robert Hamms of Detroit enjoyed a quiet restful two weeks, with fishing for added pleasure. Once again, all is silent from the men-folks as to their fishing skill. The group vacationed on the North Shore of Houghton Lake, at the Bingham Bay Resort.

Most folks when they return from vacation seem to find it necessary to relax awhile, but not the Krause's. They entertained Mr. and Mrs. Cleo Verby and daughter Judy and friend of Dearborn, Mich. at an outside barbeque, Aug. 10. The week-end will find Elmer and Esther Krause at Lake Orion visiting with Mr. and Mrs. Edwin Ford.

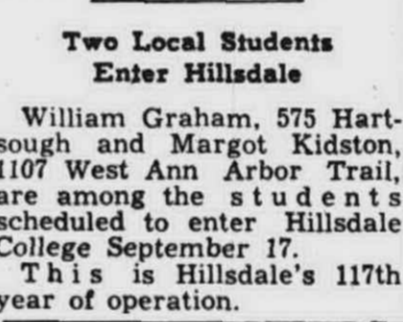

I plan to be fairly near my phone, so won't you call and let us in on your news?

Two Local Students Enter Hillsdale

William Graham, 575 Hart-sough and Margot Kidston, 1107 West Ann Arbor Trail, are among the students scheduled to enter Hillsdale College September 17.

This is Hillsdale's 117th year of operation.

Home means MORE to BOTH heads of the house...

Home means MORE to BOTH heads of the house...

with versatile Natural Gas

Running the house is easier and home life more pleasant for both Mr. and Mrs. when versatile Natural Gas keeps everything under control. With only finger-tip command, Natural Gas provides more comforts and conveniences, more free time, more space for living and more economy.

Natural Gas, teamed with attractive, modern Gas appliances, is an ideal fuel for the home. Silently and economically it fills the house with clean, even warmth all winter; does a fine, fast job of cooking, refrigerating food, drying clothes, consuming trash and garbage, heating water—all automatically. And the compact size of modern Gas units gives today's gas-equipped home more space for living.

Natural Gas provides carefree comfort, pushbutton convenience, and household economy . . . what else is there?

"THERE'S NO PLACE LIKE HOME" . . . THE HOME WHERE NATURE'S MAGIC BLUE FLAME DOES THE WORK!

The Good

Old Days

10 Years Ago

Congratulations are in order this weekend for Blake Fisher and James Houk of the Fisher Shoe Store on the event of their 10th anniversary. These two well-known business men are observing the birthday in the traditional Plymouth style by passing along to their many customers substantial savings on all of the merchandise in the well-known Main Street store.

Residents of Plymouth and vicinity are rejoicing over the act that the additional gas tax money being received by the county is already being used to take ruts, bumps and rough spots out of some of the highway paving in this vicinity.

Over half a million dollars will be spent by the local Chesapeake and Ohio Railroad Division in their new program of building and improving. Included in their plans is a new 54 by 32 foot \$35,000 yard office, enlarging and improving the yard, and a new Central train control which will cost several hundred thousand dollars.

The City Commission has ordered the installation of street lights at the intersections of William Street and Blanche Street on Evergreen. A petition from property owners in the area had been presented to the Commission by the City Clerk at the August 6 meeting.

Lisle H. Alexander of Plymouth, who is a member of the Lloyd Green post of the American Legion in Northville, was elected finance officer of the state department of the Legion at the convention held from Saturday to Tuesday in Lansing. Mrs. Lida Murphy, of the Northville auxiliary, was named first vice-president of the state auxiliary organization. Guy M. Cox, of Iron River, is the new state commander and Mrs. Carl Goetz of Monroe, is president of the auxiliary.

All arrangements have been completed for the big Plymouth parade to the Northville-Wayne County fair in Northville next Thursday afternoon. Everyone who takes part in the parade will get free parking at the fair. Everyone hopes to make this year's Plymouth fair the biggest one the city has ever had. Two fast Plymouth baseball teams have been scheduled for games. The horse show program will be one of the best of the entire week and the race entries are said to be numerous for both trotting and pacing events.

In 1936 Wolf's Market was selling one pound of coffee for 19c, prime rib roast of beef was going for 22c a pound, center cut pork chops were 25c a pound. Wheaties were 10c a package and butter was 37c.

In the miscellaneous column of the classified ads, an ad ran that read like this—"The difference between civilization and bolshevism is largely a matter of whiskers. The Charles McConnell Barber Shop will help you keep civilized. 296 Main St."

Mrs. J. J. Lucas and Mrs. Emory Shook were Detroit visitors this week.

Mr. and Mrs. Walter Gale went to Lansing Tuesday on the excursion to the agricultural college. They report a fine time.

The new Pere Marquette passing track is completed and the little telephone station is officially named "Turkey" after Turkey Hill, nearby.

Mrs. W. R. LeVan has a night blooming cereus which had six beautiful blossoms on it Thursday night of last week. Several from Plymouth came down to see it.

Orson Westfall is attending the G.A.R. encampment at Rochester, N. Y. this week.

Shaw Bros. have sold their store and contents, including the house and all outbuildings to Ira Wilson, who takes possession Monday, August 28.

C. A. Fisher began the foundation for his new house on Enneman Ave. this week.

The advertisement for the 1911 Michigan State Fair of 1911 told of its attractions in this manner. "The speed kings of the earth and the daredevils of the air can be seen racing in flights for supremacy. Clean, interesting midway with the best tent features obtainable. Immense exhibits of live stock, fruits and farm products. Big automobile show containing many of the 1912 models of passenger cars and trucks. Electrical show and Industrial exhibit. Grand night horse show and realistic, spectacular \$10,000 fireworks production; "Pioneer Days and Chief Pontiac's Attack on Fort Detroit. This magnificent spectacle is being specially built for the Michigan State Fair by the A. L. Due Fireworks Co., and will be a tremendously popular attraction. Two hundred people will participate in the sham battle between Indians and soldiers. Admission remains at fifty cents, children twenty-five."

New Books Arriving at Dunning-Hough Library

LOOK BACK, MRS. LOT by Ephraim Keshan. A humorous portrait of life in Israel today by Israel's leading satirist.

THE BIG SMEAR by William R. Reardon. Associated Research, a high salaried public relations organization, lures Karl Armandson into its fold. It seemed a soft job after the newspaper work he had been doing, but he soon discovered what value he, a journalist with an honest reputation, had for the firm which had accepted an assignment to build a smear campaign around a respected Senator up for re-election. A fast-moving novel which puts shady politics under the microscope.

THE JOURNEY HOMEWARD by Gerald Hanley. An

English-trained maharajah must overcome his people's passivity and an impatient revolutionary in order to institute reforms in his kingdom.

FOR FEAR WE SHALL PERISH by Joseph Pigney. Describes the trip from Missouri to California a group of pioneers, the Donner party, take including the fatal non-existent "short cut."

PEOPLE UNDER PRESSURE by Albert M. Barrett. Discusses types of pressure affecting individuals in today's modern society.

A BRAND FOR THE BURNING by Don Lawson. The story of a man's desire for success and its effect on his nephew. Set in the mid-west in the 20's and 30's.

INDIANS OF NORTH

AMERICA by Harold Elson Drivec. A comparative study of Indian cultures at their height from the Arctic to Panama.

TIME RIGHT DEADLY by Sarah Gainham. The story is set in Vienna in the 1950's. The action begins when a London newspaperman is found murdered in the Russian sector.

HOW TO WIN AT BRIDGE WITH ANY PARTNER by Sam Fry, Jr. The author's purpose is to show how to reach a closer understanding with your partner. Whether he is a total stranger or an international champion. Shows how to play by common sense rather than scientific and intricate systems.

A TICKET TO THE CIRCUS by Charles Philip Fox. A

pictorial and verbal history of the incredible Ringling Brothers and the 'greatest show on earth.'

SILENCE IN HEAVEN by Michael Erlanger. A science fiction thriller about the experiences of a few survivors of an unidentified universal calamity.

THE SEA HOUSE by Margaret Summerton. Mystery and terror unfold a young woman investigating her twin brother's disappearance off the Devonshire coast.

WARRIORS FOR THE WORKING DAY by Peter Elstob. Follows the lives of some members of the Royal Tank Corps in the last year of World War II.

FRESH-WATER FISHING by Edward C. Janes. Information on the habits of fresh-

water fish and details about newest methods and equipment in fresh-water fishing.

MEMED, MY HAWK by Yasar Kemal, translated by Edward Roditi. A stirring epic of modern Turkey. A tempestuous, romantic tale of rebellion against a still-existing feudal world. Told with the simplicity of the great folk legends.

ARMY STAFF Sergeant Eugene R. Ballheim, son of Raymond H. Ballheim, 1548 Oporto St., Livonia, recently completed a six week assignment in support of the Reserve Officer Training Corps (ROTC) summer camp at Fort Lee, Va. Cadets from 21 colleges and universities from throughout the nation participated in the training. Sergeant Ballheim entered the Army in 1947 and was last stationed in Hawaii. The sergeant attended Saginaw High School.

Bank of Livonia Represented at School

John C. Spencer, Bank of Livonia, is among the 1,241 students from 43 states, District of Columbia, Puerto Rico, and Honduras who are now attending the annual two-week residence session of the School of Banking at the University of Wisconsin.

The school, sponsored by the Central States Conference consisting of the bankers associations of 16 states, requires residence attendance for three weeks each year for three years for graduation. A total of 401 seniors will receive their diplomas at the school's 1961 graduation exercises Friday night, Aug. 25.

The School of Banking is one of the many schools, short courses, and conferences sponsored annually at the University of Wisconsin as educational services for all citizens.

Attendance at the 1961 School of Banking enables its students at Wisconsin's State University not only to meet a large number of bankers from all over the country, but they also have the opportunity of hearing the school's distinguished lecturers, over 100 experts from all parts of the nation, who are recognized authorities in banking, economics, government, law and industrial, and agricultural and financial problems.

Born In September?
Register Your Child With The Mail
This popular birthday feature will continue through the next few months. Now, The Plymouth Mail would like to take pictures of Plymouth area children age 1 to 5 born during the month of September. We are in need of a picture of a child for each day of the month. No charge will be made for photographs that will appear in The Mail.
Send a postcard with the following information. Name, phone number, age, birthdate, to Birthday Editor — The Plymouth Mail, Plymouth, Michigan. Cards bearing earliest postmark will be called.
