Questions-Answers on Community College Proposal

(Editor's Note: Another election will be held soon in Livonia, Plymouth, Garden City and Clarenceville on the subject of a Community College for this area. The following answers many of the pertinent questions which voters might be asking themselves.)

Q: Exactly what is a Community College?
A: A Community College is a multi-purpose collegiate institution, under local control and administration:

1. It is a liberal arts college, where students take the first two years of collegiate work under master teachers in small classes while living at home. Upon graduation, these students continue their studies as Juniors in the colleges of their choice to which their Community College programs were planned by professional counselors.

2. It is a technical college, where students study specialized collegiate level courses in technologies needed by local industry and by society.

3. It is a terminal college, where students who wish a two year general program may study. This division gives the "late bloomers" an opportunity to make up their deficiencies and make progress toward their goals.

4. It is an adult college where college level courses are offered at a time and place convenient for employed persons.

Q: We don't want a second rate college. Why should we vote for one?

A: No one wants a second rate college. Our Community College will offer only work of the highest quality by instructors of the highest quality. Our tax base will be one of the largest in the State, insuring adequate financing. Our initial student body will make us one of the largest Community Colleges in the State.

Second rate students cannot stand the pace of a first rate college. This helps to explain the 40 percent drop out rate in Michigan Community Colleges. Students who either cannot or will not do the work are asked to leave.

Q: Where would we get the faculty — one of high training and ability?

A: Staff members are recruited from several sources:
1. From other colleges and universities; Many experienced four year college faculty members like the opportunity to teach Freshmen and Sophomores in small classes. They appreciate the personal contacts found in Community Colleges. They appreciate also, the relatively high salaries Community Colleges are able to pay.

2. From industry; Particularly in the technical areas, instructors are found among people associated with industry where the work is actually being done.

3. From universities that offer programs in Community College teaching; Many of those recommended are master teachers in high schools who have returned to the university to become college teachers.

Our new Community College, because of its favorable metropolitan location and its closeness to several large research centers, will be most attractive to quality staff members.

Q: Precisely, what courses will be taught in this college?
A: The courses and curricula will be determined by the elected Board of Trustees. A study of area needs indicates that the following courses will be among those offered:

In the liberal arts: Freshman English, Literature, College Algebra, Analytics, Calculus, Chemistry, Physics, Anatomy, Zoology, Psychology, Sociology, Art, Music, etc.

In specialized technologies: such subjects as Boolean Algebra, Computer Techniques, Accounting, Marketing, Machine and Engineering Drawing, Electronic Theory, etc., depending upon the technology needed by local industry and the students.

In evening college: as many of the above as are demanded.

Q: Will our children be given preference over the children from outside the district?

A: Yes! This college is being formed in response to our needs. Our children will have first chance, and the qualifications for admission will be the same, district wide. Only if we then have additional room, will we admit other students, and then at a tuition rate which will pay all costs

which would otherwise fall upon the district, both operational and building. It might be necessary also to place certain restrictions of an academic nature upon non-resident students.

Q: Will the credits earned be accepted at other colleges? How is this arranged? How sure of this can we be?

A: There is absolutely no question that credits earned at our college will be accepted by other colleges, if the grade of work is "C" or better and fits into the student's program at the other college.

Before a new college opens its doors, the proposed curricula are taken to the colleges and universities where students might be expected to continue their work. Letters of approval are secured from these four year institutions which will guarantee admission and acceptance of credit. This Community College will be accredited, then, on the day it accepts its first student.

Further: The college will be visited by the Michigan Commission on College Accreditation within two years of its opening and will be accredited by this agency, which will further guarantee acceptance by all Michigan colleges of students recommended for transfer by the Community College.

This has been the process followed by all newly formed colleges, whether two year or four year. Credits earned will be transferred without loss.

Detroit Mutual Home Office Nears Opening

Detroit Mutual Insurance Co. will next week begin full operation in their modern, new home office building on Plymouth Rd. Executive Vice-President L. W. Schleh said yesterday that IBM equip-

ment was moved into the building last Friday and is now in operation. The industrial accounting department is to be moved here this Friday and the balance of the Detroit offices are expected to be moved this Monday.

Detroit Mutual has had its headquarters at 8855 Woodward Ave., but lack of space last year caused the firm to begin a search for a location of a new home office site. Announcement of the Plymouth Rd. construction was made at a luncheon meeting last December between Detroit Mutual executives and Plymouth officials.

Five and a half acres of land were purchased by the insurance firm. The building contains 21,500 square feet of space and has a 192-foot width facing Plymouth Rd. A prominent part of the building is the pre-cast concrete slabs embedded with quartz crystals used in the facade.

The firm has some 300 employees, of which 75 will be employed at the home office. Detroit Mutual has no tie with the American Medical Benefit Insurance Co. that is located east of the new building.

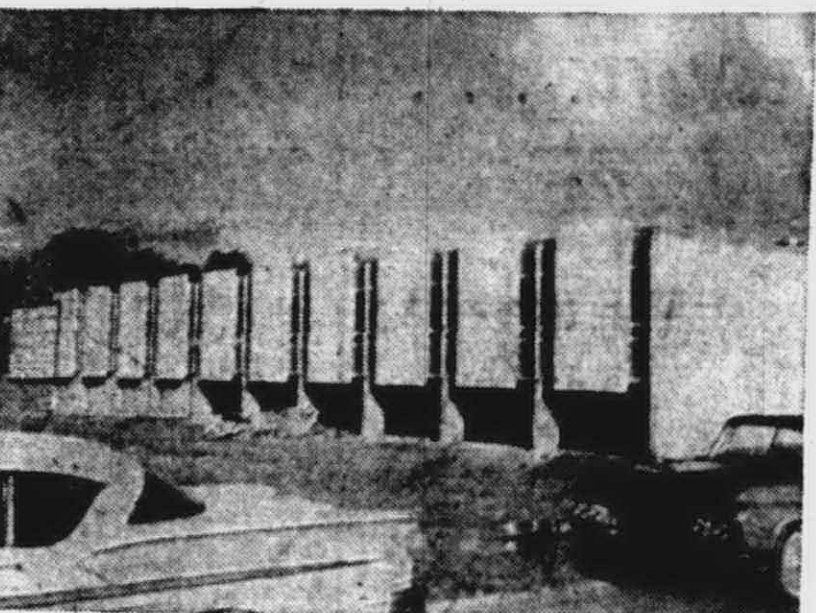

Vice-President Schleh said that an official opening ceremony is being planned and that the public will be invited to an open house at a later date. Workmen are still in the building rushing its completion. Heavy rain has hampered some of the outside work.

One novel feature of the building is the covered parking area under the east half of the building. This part of the structure is raised on "stilts." The other half of the main floor is devoted to IBM equipment, a lunch room, (Continued on Page 8)

IT'S HOMECOMING time again at Plymouth High School and a vital part of the ceremony is the selection of the Homecoming queen. Four senior girls are competing for the title. From left are Kathy McIntyre, freshman and Sandy Popp, sophomore, who will be queen attendants; queen candidates Michelle Bender, Helen Otwell and Carolyn Scott; and junior attendant Faith Ray-

croft. (Queen candidate Mary Lou Argo was ill Monday when photo was taken, but hopes to be in the running by Friday.) There will be a bonfire rally behind the High School at 6:30 p.m. Friday and a parade at 7:15 through downtown. At half-time of the Allen Park game, the queen crowning will take place and she will later reign over a semi-formal dance.

WORKMEN ARE rushing completion this week of the modern, new home office building of the Detroit Mutual Insurance Co. on Plymouth Rd. IBM equipment is already in operation there.

TV in School Makes a Hit

Our Lady of Good Counsel School this month became the first Plymouth school to utilize daily television programs in its curriculum and early assessment of the program has indicated that it is very successful.

Television sets have become a prominent part of the instructional equipment in nine of the school's rooms. They are located in grades three through the eighth. At present, French and science are being taught via the TV sets.

Sister Christine, principal of Our Lady of Good Counsel, was enthusiastic about the system's effectiveness. French, for instance, is being taught students from the third grade through the eighth. "They're really picking it up quickly," Sister Christine pointed out. The process is by rote — there's no reading. Students can be heard addressing each other in the halls in French throughout the day.

The French lessons are not a part of the regularly scheduled classes. Instead, the noon hour has been shortened to fit it in during the day.

The science classes, however, are part of the curriculum each day. There is one science session on the elementary level and a different one for the seventh and eighth graders on the junior high level. Science textbooks accompany the TV courses and the teachers give students a briefing session before the TV lesson starts and the lesson is followed by further discussion.

Students seem to find the TV instruction very interesting. "When the television instructor asks a question, many students say their answers right out loud," Sister Christine declared. "There is a good rapport between the television instructor and the

class. They sometimes forget that the teacher is on television and is not actually in the classroom."

The television programs used are not from the new airborne instruction system that was introduced last spring. The Our Lady of Good Counsel programs come from Channel 56, sponsored by the University of Detroit and Wayne State, and Channel 10, operated by Michigan State University.

It was felt that the airborne TV system has not been perfected well enough yet to buy the extra equipment needed to pick up these programs. The airborne programs are beamed from an airplane flying over Indiana. Sister Christine stated that reception is not stable enough from the airplane. Reception (Continued on Page 8)

A LESSON in science is shown being given by a television instructor to an eighth grade class at Our Lady of Good Counsel School. Sister Carlene is at front of the class. The school is the first in Plymouth to use regularly-scheduled TV class instructors.

Plymouth Has Lot To Offer Industry, Says Authority

Plymouth has much to offer as a location for industry and its future tax picture is brighter than most neighboring communities, an authority in industrial development told a local audience last Friday.

Ted Doman, president of the National Industrial Development Corp., outlined Plymouth's assets during an address before the Plymouth Rotary Club. His firm provides a consulting service for both industry and communities.

Doman made a survey of Plymouth's schools and industrial sites to provide some data for his address. In both areas he found some encouraging information.

The Plymouth Community School District, he said, provides a very favorable tax picture. He selected the school district for his tax survey because the majority of taxes here and in most communities are paid to schools. In 1970, Doman declared, he foresees a 110 per cent increase of population in the school district but only a 71.3 per cent increase in school enrollment. In other words, there will be a larger population to support a smaller school enrollment, he found. During these years, Plymouth will probably continue to get its share of industrial plants. If they do — and the present tax ratio between industry and homeowners can be maintained — "School taxes should not increase in the next 10 years," Doman asserted. He was quick to add, however, that the school tax picture could change if construction costs climbed higher or if some builders came in and threw up large subdivisions that brought in children faster than new industry could (Continued on Page 8)

NEWS BEAT

Plymouth has lots of fishermen who come home with a whale of a story, but not as literal as Roy Kidston, local sewing machine merchant, who last week returned from his native Nova Scotia. He and a 73-year-old veteran fisherman friend were fishing off the mouth of Halifax Harbor in a 20-foot boat when they sighted four whales — some of them 80 feet long and probably weighing around 25 tons. "At one time they came within 30 feet of our boat," the Plymouthite said. "It gave you a funny feeling inside," he added. It was just before dawn and Mr. Kidston's pictures didn't come out to prove his big fish story, but Nova Scotia newspapers and radiomen had no doubts about the story and gave it some mention.

A WINNER: While The Mail's back shop superintendent Dean Busch is attending a three-week teletype school in New York, his wife, Joan, sat on the "Price Is Right" panel last Friday, won, and returned Monday. She won a room full of furniture, some appliances and 50 blouses — worth a total of \$3,180. **FAILS:** A young driver became suspicious last Saturday morning when he noticed a parked car on Breakfast Drive in Riverside Park with its motor running. He rushed to the City Police Department who called the Wayne County Sheriff's Department. A Plymouth man was attempting to take his own life by routing carbon monoxide into the car. Township firemen administered oxygen and he was committed to Wayne County General Hospital in good condition.

PINPOINT: Anyone from Plymouth going to the season football at the U of M (with UCLA) this Saturday may want to find the Plymouth High School Band. There will be 199 bands participating in Band Day with a total of 12,600 members. This is the world's largest band assembly in the world's biggest stadium, according to the billing. Plymouth's blue and white uniforms may be found along the Michigan bench, somewhere near the north 40 yard line. They will leave Plymouth at 7 a.m. and rehearse from 9 to 10:30 a.m. to play six numbers in the big band.

FIRE RUN: City firemen were called Monday morning to Union St. beside the Distribution Services, Inc. plant where Consumers Power Co. workmen were digging around a gas main. A cap on a pipe blew off and punctured the gas main. Firemen stood by while Consumers workers taped up the hole. **POLICE BEAT:** Police usually have trouble with hubcap thefts from used car lots, including Beglinger Oldsmobile - Cadillac on Ann Arbor Rd. But thieves didn't bother the Beglinger lot last week. They went right to the home of the boss, Walter Beglinger on Roosevelt and took two hubcaps from his (Continued on Page 8)

10 File for 7 Positions

Secretaries of the four school districts participating in the Proposed Northwest Wayne County Community College election Oct. 24 are meeting this week to canvass petitions for the board of trustees for which 10 people have filed for seven available jobs.

Petitions had to be filed by last Saturday afternoon.

Only one person in each of the four districts have filed for the position representing their own district — meaning that they will have no opposition on the Oct. 24 ballot.

There will be competition, however, for the three trustee-at-large seats. Six people have filed petitions for the at-large berths — two from Plymouth, two from Livonia and one each from Clarenceville and Garden City.

The following are those who have filed. The list will not be official until the canvassing is completed:

LOCAL DISTRICT TRUSTEES

(Vote for One)

Livonia — A. W. McCain, 18901 Shadyside.

Plymouth — Harold Fischer, 40875 Plymouth Rd.

Garden City — L. Clarke Oldenburg, 29781 Rush.

Clarenceville — Paul Mutnick, 19822 Weyer, Livonia.

TRUSTEES-AT-LARGE

(Vote for Three)

Dr. Herbert Kugan, 20361 Weyher, Livonia (lives in Clarenceville District.)

Charles Kirkpatrick, 31838 Delaware, Livonia.

James O'Neil, 9840 Ingram, Livonia.

Mrs. Jane Moehle, 1279 Ann Arbor Trail, Plymouth.

H. Leo Speer, 9400 S. Main, Plymouth.

Fred Morris, 32346 Cherry Hill Rd., Garden City.

Six of the 10 candidates are those who ran for the same offices last June when the community college question was voted down by electors in the South Redford and Redford Union districts. The six returning for another try are Fischer, McCain, Kirkpatrick, O'Neil, Mrs. Moehle and Morris.

Had voters approved the establishment of the college in June, Mrs. Moehle, O'Neil and Kirkpatrick would have been elected as at-large trustees. But defeat of the college question itself also nullified the trustee part of the election.

The same situation will also exist on Tuesday, Oct. 24. The two Redford Township districts have now been dropped from the proposed college district and the board of trustees has been cut from nine members to seven. There will still be three at-large trustees, plus one from each local district should the college be established.

The new Plymouth candidate seeking an at-large seat, Dr. Leo Speer, is a chiropractor. Dr. Speer, active in Township politics, was an unsuccessful Democratic candidate for Township supervisor last spring.

The lack of opposition for trustee candidates from the four districts was not considered as a good thing for the college's cause. Dr. Eric Bradner, coordinator of the proposed college, said that a lack of competition may keep voters home and could bring (Continued on Page 8)

Senior Citizens Enjoy Pot Luck

The Senior Citizens of Plymouth held their meeting Sept. 21 in the Masonic Temple. A potluck luncheon was served followed by a beautiful birthday cake for all those who had birthdays in September. Barbara Papes was present and gave a short talk on entertainment for the Senior Citizens. Cards were the entertainment for the afternoon. Talent Presents Talents at Northville Town Hall Series

The Northville Town Hall Series which opens its 1961-62 morning lectures with John Mason Brown on Oct. 19 has selected well known area personalities to introduce its speakers.

Jane Schermerhorn, Detroit News columnist will introduce personal friend, Madam Ginecie Spanier, Director of the House of Balmain. Dr. W. L. Howard, Superintendent of Maybury Sanatorium, Northville, will introduce Anthony Wedgewood Benn, Member of Parliament of Great Britain and Judge J. A. Sexton of Plymouth will make opening remarks at Ian Ross MacFarlane's lecture on Africa.

Mrs. Robert M. Rahaley, Chairman of the committee said, "We feel that this innovation will add interest to our lecture series. Our members

will not only see and hear the speakers who are specialists in their field but will have the added opportunity of enjoying the remarks of local area personalities."

The morning lectures will be given at 11 o'clock at the P & A Theatre, Northville, and will be followed by a Speaker's Luncheon at Lofy's Arbor-Lill in Plymouth.

Newcomer's Lunch At Fox Hills Club

The monthly luncheon meeting for Plymouth Newcomers Club will be held Thursday, Oct. 5 at Fox Hills Country Club. The hospitality period is again from 12 noon to 12:30 when luncheon will be served.

The program for the afternoon will be sponsored by Papes' House of Gifts. "Christmas Gift Suggestions" is the topic Mrs. Richard Papes has selected for her talk. This should inspire many of us to complete our lists very early.

Reservations for this luncheon may be made by calling hostesses Jo Parshall, GL 3-8120 or Fran Perry, GL 3-3341. All reservations must be in by Tuesday, Oct. 3. A warm welcome is extended to all the new residents in the Plymouth area.

Newlyweds Settle in Plymouth

Carolyn Elizabeth Dyer became the bride of Don Robert Carlson in an afternoon ceremony at Camp Hill Presbyterian Church in Pittsburgh. The bride is the daughter of Mr. and Mrs. Charles Kenneth Dyer of Camp Hill and her husband is the son of Mr. and Mrs. C. Robert Carlson of Livonia. Mr. and Mrs. Carlson will make their home in Plymouth.

Six Awarded Degrees From State University

Over 1000 students, the Ann Arbor Trail, M.A.; largest summer class in several years, were graduated from Michigan State University at the end of the 1961 summer term.

Of this graduating class, 800 received baccalaureate degrees, while 449 were granted master's, and 47 were granted doctoral degrees. Those from Plymouth included: Daniel Joe Elliott of 170 S. Holbrook, who received his B. S. in Police Administration and Wendell Eugene Holladay, 14314 Shadywood, receiving his B.S. in Zoology.

The University of Michigan has awarded 1,206 degrees to summer session graduates, announces Erich A. Walter, secretary of the University. Those from Plymouth awarded degrees were Keith A. Alford, 655 Ross, M.A.; Margaret D. Amrhein, 46150

Mayor Proclaims Business Women's Week

TO HONOR businesswomen throughout the country, Oct. 1-7 has been officially designated as National Businesswomen's Week. Receiving the proclamation signed by Mayor Robert J. Sincock are l. to r. Velma Bartel and Mae Beitner, president of the Plymouth Business and Professional Women's Club. Mary Ellen Hosier, not pictured, is vice-president.

There are 3,500 clubs totaling a membership of 173,000 in the United States. The state of Michigan has over 5,000 members and the Plymouth Club has 48 members.

"The Plymouth Club's main project is a scholarship which is presented to a young lady from the Plymouth High School each year," says Mae Beitner, president of the Plymouth group.

Money for this project is earned through the Club's annual candy sale and theatre night.

The objectives of the National Federation of Business and Professional Women's Clubs, Inc. are:

To elevate the standard for women in business and in the professions;

To promote the interest of business and professional women;

To bring about a spirit of cooperation among business and professional women of the United States.

To extend opportunities to business and professional women through education along lines of industrial, scientific, and vocational activities.

Pair Wed at Afternoon Rites

The marriage of Iva Louise Kahrl and Richard Alan Wolf was solemnized at an afternoon ceremony in the Dixboro Methodist Church Sept. 2 before Rev. James A. Craig.

For her wedding the bride wore a full length gown of white tissue taffeta with rounded neckline. Her short bouffant veil was held in place by a dainty tiara. White fuji mums, stephanotis and white grapes formed her cascade bridal bouquet.

Matron of honor was Mrs. Elwin Northrup of Martin, Mich. Miss Jean Pike of Big Rapids was maid of honor while Mrs. Edgar Manker of Ann Arbor served the bride as bridesmaid. They wore white bouffant tissue taffeta gowns and carried baskets of gold and bronze mums with purple and green grapes.

Mr. Benjamin Embury of Detroit was best man. Paul Scharfenburg, Jerome Neilson and Edgar Manker seated the guests.

For her daughter's wedding, Mrs. Kahrl wore a green lace sheath with matching accessories. The groom's mother was dressed in a gold taffeta sheath with matched accessories. Both mothers wore corsages of cymbidium orchids.

The church altar was decorated with baskets of gold and bronze mums and gold spiral candelabra.

After the ceremony, 250 guests attended the reception from Michigan, Ohio, Illinois and Tennessee.

For their honeymoon trip to Stratford Ont., the new Mrs. Wolf chose a purple print sheath with matching hat and black accessories and a cymbidium orchid corsage.

The couple are graduates of Eastern Michigan University and Michigan State. They will make their home in St. Clair Shores.

Nu Phi Mu Installs V.P.

Nu Phi Mu Chapter of Beta Sigma Phi, social and cultural sorority met Sept. 13 at the home of Kathy Mortenson in Ann Arbor.

The meeting was conducted by Nancy Eaton, president. Mary Travis was installed as vice president.

Sorority members made plans for a hay ride and party to be held Oct. 28. Cancer pads were distributed to work on as a service project.

Joy Nimke gave the cultural lesson. Her topic was "Pompadour or Pixie".

The next meeting will be held Sept. 27 at 8 p.m. at the home of Judy Tormohlen, 600 Simpson, Plymouth.

First P.T.S.A. Meeting Oct. 2

All parents and students are invited to the Plymouth Community Junior High School's first P.T.S.A. meeting of the season, Monday, Oct. 2 at 7:45 p.m.

For parents of new Junior High students, it is an opportunity to visit your new school; and for parents of returning students it offers a chance to meet new teachers and renew acquaintances.

The membership and hospitality committees will be on hand to welcome you and answer any questions.

After the general P.T.S.A. meeting there will be time for each parent to visit the teachers in their classrooms.

It is hoped that the program for the year 1961-62 will be of interest to everyone concerned.

Women's Club Opens Season at Botsford

Botsford Inn, Michigan's oldest hostelry, located at Grand River and Farmington will be the setting for the opening meeting of the Women's Club of Plymouth on Oct. 6.

Luncheon which will be served at 12:30 p.m., will be followed by the regular business meeting.

The program chairman for the day, Mrs. Marshall North, will introduce Mr. John W. Anhut, innkeeper since 1951 and the person responsible for the expansion program at the Inn. Mr. Anhut will speak on "Botsford Inn Since 1836".

All club members will be contacted for luncheon reservations by the ticket chairman, Mrs. Vaughan Smith, assisted by the hostesses for the day: Mrs. Harry Reeves, Mrs. Earl Russell, Mrs. Raymond Arnold, Mrs. Ralph Carter, Mrs. Howard Holmes, Mrs. Clarence Jetter and Mrs. James Latture.

Temperatures Rise At Farrand PTA

"Summer is Gone, But the Heat's Still On" is the theme of the Farrand School P.T.A. Membership Drive. The campaign for new members will begin Oct. 2 when each room in the school will be competing for the highest percentage of members.

The drive will end Oct. 6 with the hope that each room's thermometer will have reached the top.

The Ford
 in your future is here tomorrow!

Starting today at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and his needs precisely! ■ For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as a secret. With Thunderbird styling, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier cars. ■ If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. ■ Wagon fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. ■ Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE/500 CLUB VICTORIA (foreground)
 ... GALAXIE TOWN SEDAN (background)
 ... The Galaxie/500—new in name, new in luxury—is for those who want all of the elegant extras. The 1962 Galaxie makes it easier than ever to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. Brakes adjust themselves automatically.

FALCON FORDOR SEDAN
 ... Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run.

FALCON SQUIRE WAGON ... Brand new for '62, it's sleek and sophisticated. Inside, it is available with Futura bucket seats and console! Outside, it has elegant woodlike steel side paneling.

JVs Beat Northville; Frosh Open In Livonia

Plymouth's junior varsity football settled matters a little last week for the varsity loss by beating Northville 7-2 in the JV opening game. The Rocks trailed 2-0 at the half on a safety, but rallied with a 60 yard scoring drive in the third period.

Left half back Dave Agnew scored on a four yard plunge and the JVs then ran the extra point in. This Thursday the JVs play North Farmington High School at 4 p.m. in Plymouth. The JVs are coached by Brian Boring.

The freshmen open their season this week with Whit-tier Jr. High, Livonia. The game will be played at 4 p.m. Thursday at a field near Hines Parkway and Middle-belt.

Frosh Coach Dick Bearup reports that 38 players drew suits for freshmen tryouts and that there are 33 left on the squad. It is one of the better freshmen turnouts in recent years.

Citizens to View School Alterations

An open house on Friday, Oct. 6 will give Plymouth citizens a chance to look inside the Senior High School where this summer over a quarter million dollars were spent for alterations and additions.

The open house will be from 6:30 to 8 p.m. All parents and other citizens are being invited to view the modernizations, Superintendent of Schools Russell Isbister said. There will be student guides and faculty members on hand to conduct the people on a tour of the building.

The building, constructed in 1918, has undergone numerous changes during its history but this summer's work is the most extensive since the addition of the gymnasium wing a decade ago.

Offense Jells At Home Field

Plymouth found it's old offensive punch last Friday and pounded Farmington 26-7 in the first home game of the season. Coach Mike Hoben also found a hard running halfback, Hugh Sarah.

The Plymouth coach juggled his lineup for second game of the season. He moved co-captain Jim Dart from halfback to end. Sarah, a reserve fullback the week before, was moved into a starting halfback slot and he ran as if he was fearful good running was going out of style. He scored two touchdowns for the Rocks in the first half.

In another switch, sophomore Dick Egloff (Randy's younger brother) started at offensive end. He scored the first touchdown on a pass from Schryer. All in all, Hoben's lineup changes looked excellent. Dart caught several passes all over the field. He also operated occasionally from his halfback slot.

Mid-way in the first quarter Plymouth got going for the first time this year. The Rocks moved from their own 28 in five plays to score. Quarterback Dick Schryer mixed passes to end Dan and halfback Brian Gilles for a first down, on the Rock 38.

Fullback K is a b e t h and Gilles ran it to the Farmington 47 for another first down, before Sarah burst through right tackle for another 15 yards to the Farmington 32; a roughing penalty put the ball on the 18. On the next play, Schryer found Egloff free in the left end zone and lofted a scoring pass to send the Rocks ahead 6-0. Tackle Jim Gavigan missed the extra point try.

Farmington was forced to punt shortly after the ensuing kickoff and Plymouth promptly scored again. On the first play from scrimmage from the Falcon 40, Schryer sent a high pass to Dart on the five. He outleaped two defenders to catch the ball and he battled to the one yard line. Sarah ploughed through the middle to score a moment later. Gavigan's kick was good this time; and the Rocks had a 13-0 lead early in the second quarter.

Plymouth scored again before the half, when center Dave Gothard recovered a Farmington fumble on the

Rotary Bringing Western Rodeo To Livonia Track

Cowboys and cowgirls from all parts of the United States and Canada will compete for more than \$2,000 in prize money in an old-fashioned western rodeo sponsored by the Livonia Rotary Club at the Detroit Race Course on Saturday and Sunday, Oct. 7 and 8.

The DRC, home of the Michigan Racing Assn. and Wolverine Harness Raceway, is located at the intersection of Middlebelt and Schoolcraft in Livonia.

The two and a half hour rodeo will get underway each day at 2 p.m. rain or shine and all proceeds will benefit the Rotary Club's Youth Foundation to help start a youth center in Livonia.

The Competition will include bull riding, bucking broncos, bull dogging and calf roping with prizes awarded to the top contestants at the end of the two days.

Tickets may be obtained at the gate Saturday or Sunday Oct. 7 and 8. They are \$1 for adults and 50 cents for children under 13.

- Farmington 7, Plymouth 26

SPORTSEEN

By Bill Nelson

Plymouth opens Suburban Six League action this week by entertaining Allen Park, one of the favorites in the league race. Coach Mike Hoben is cautious about this one, but last Friday he had that countenance which is a joy to face.

Mike Hoben had found a football player. There are all sorts of reservations, of course. You can't judge on the basis of one game; it was his first starting assignment, etc. Nonetheless, Hugh Sarah had ran over nearly everyone in front of him during the Farmington game — and Hoben almost beamed.

There were others too. "Guard Jim Bassett did a decent job defensively", Hoben said, "as did Co-Captain Dave Gothard and End Dan Stremick." Others who were singled out for praise included Tackle Kevin Huntington, End Dick Egloff and Co-Captain Jim Dart, who was moved from halfback to end for most of the game.

Even the reserves impressed Hoben, especially the backfield runners. Jim Walaskay, Jeff Fraser and Buzz Smith moved the ball well when they were in the game.

"Allen Park will be tough," Hoben says, "and we've got room for improvement. We haven't yet played up to our potential," he says, "but against Farmington at least we showed we could move the ball and the pass defense looks reasonable."

Then, too, there is that vision of Sarah going straight ahead where the running is hardest. That kind of work gives a team a lift.

"The League is tougher and better balanced this year," Mike Hoben says of the Suburban Six League in which Plymouth plays. "Redford Union is scoring more than they have in years," he points out, "and they can no longer be considered an automatic doormat." Bentley is tough, and Trenton is surprising. They've picked up three transfer students from Cleveland that have helped."

Allen Park is the heaviest team in the league apparently, and Belleville is expected to be good. "We may not win them all," Hoben says of league play, "but we'll be pesky."

One of the unusual hazards of high school football coaching is the transfer student. If the player moves out of your district with his family, you've lost him. Contrarily, you could pick up a budding Bobby Layne, should one move into your district. Plymouth has seldom gained in such matter.

This season, they really lost a good one, when Denny Hunt moved to Arizona. There, a sophomore, at Mesa, Arizona, he has been voted the outstanding junior high school athlete in the state of Arizona. Last year, he was a quarterback for the Plymouth freshmen.

WINNER OF the Plymouth Businessmen's League at Hilltop Golf Course this season was Leo's Oasis. From left are Bob Hennesly, Jack Owens, representing the sponsor, Gordon Robinson and Dick Papes. Another team member, Don Huebler, was not present. Papes also won the hole-in-

one contest, was low gross for the year, tied with John Shimko for low gross for the day for low handicap, and scored the most points. Dan Viant won the driving contest. The league is the oldest in the Plymouth area.—Photo by Gaffield.

OVER 100 hungry boys who played in the Little League this season were treated to a hog dog roast last Saturday noon at the Elks. Host for the event was Russell Powell, shown watching a few

of the boys reaching for some ginger ale. Movies were shown and each boy received some popcorn and played a game before the lunch that was served outside.

Boys Prepare For Touch Football

Touch football for elementary school boys will begin during the first week in October under sponsorship of the Recreation Department.

Fifth and sixth grade boys are now in practice for the season. Each of the schools has a coach working with the youngsters. Players are required to wear rubber mouthpieces and tennis shoes. Tackling is not permitted.

Homecoming Game Features Allen Park

The Homecoming Game at 8 p.m. this Friday at Plymouth will be the Suburban Six League Opening Game for Plymouth and Allen Park. Allen Park is considered to be one of the strong league teams and a real contender for the title.

To date Allen Park has tied Melvindale 7-7 and beaten Monroe Catholic Central 25-13. Plymouth has lost to Northville, 19-0, and beaten Farmington, 26-7.

Plymouth High School
By Janet Graham

Attention all PHS alumni: Here's a special invitation for Homecoming! Co-chairmen Mary Lou Argo ('62) and Kathy Holt ('63) have planned all the festivities just to welcome you back to your alma mater this Friday.

Everyone's getting into the act to help prepare for Friday night's action. Juniors Nancy North and Krisan Fluckey are in charge of all publicity for Homecoming - you've probably noticed the downtown sidewalks: all the writing is the masterpiece of the Cheerleaders who did their decorating last Sunday.

The Home Economics Department is arranging a tea for the football players' parents and the National Honor Society sent out the invitations. The Science Club is decorating the goalposts, the Pep Club is arranging the pre-parade bonfire; the student council will be lining up the parade; the pep assembly and color day were handled by the Cheerleaders and the Spanish Club made the representatives' silver-lettered sashes.

Mr. James Griffith's marching band (didn't they look great at the Farmington game last week?) has prepared the half-time entertainment and is helping the Water Waves with the ceremony to crown the Queen. On Saturday, the Queen (to be chosen from Seniors Mary Lou Argo, Michelle Bender, Helen Otwell and Carolyn Scott) will reign over the GAA-sponsored dance.

The game will open League action for Plymouth and is with Allen Park, one of the 6-B powers. Game time is 8 as usual.

The cider-sellers last week were members of the Class of '63. Seniors will be selling this week and Sophomores will handle concessions for the Oct. 6 game.

Remember Makiko Ichiura, our exchange student from Japan last year? Just last week Principal Carvel Bentley received a note from her and shared it with all students and faculty. Makiko wrote: "I arrived home in end of August after long but enjoyable boat trip. Everything is just fine and I am happy to be home again. I suppose the high school has already started. I wonder how the new part looks. Are there any exchange students this year? I do not know how to express that how much I enjoyed being in the American high school for a year. After returning from the States, I often think of the fun I had in PHS. Now I go to the high school I used to go before, because I have to have a Japanese high school diploma in order to enter Japanese college next spring. I am planning to enter a certain college in Tokyo where they have a good language department."

to answer any questions area-high school seniors have concerning admission, courses, housing and scholarships. The program is designed especially for college-bound seniors but interested juniors may attend.

Seniors are also 'invited' to take vocational aptitude tests in the middle of October - and college applications should be turned into the guidance office by Nov. 17.

Everyone who wants to see where their taxes went or anyone who's just interested in the high school renovations is invited to the Open House on Oct. 6. More about this next week.

Norbert Meyer, our exchange student from Paris, is - believe it or not - taking a class in French. Norbert is lending atmosphere and a perfect French accent and knowledge of the language to Mrs. Margurite Bromley's fourth year French class.

Mrs. Bromley, who spent the summer studying in Tours, France, now has someone to compare notes with and she can practice her informal French conversation with a real native even though she's back in Plymouth.

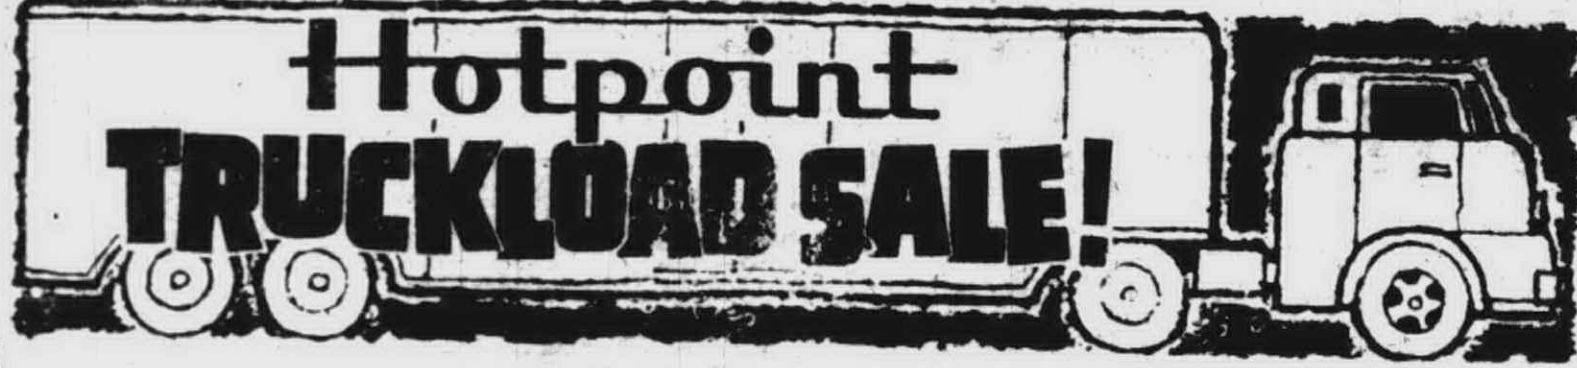

Mayor Jim Kropf called the first Student Council meeting last Tuesday. The major part of the meeting was devoted to Homecoming discussions and long-range plans, but the Council decided that the Projects Committee should continue working on the student telephone book idea which was introduced last spring.

"It is nice to be home and be with my parents and old friends but I'll never forget the kindness and friendship I received from teachers and students. Sincerely, Makiko Ichiura" Makiko's address, for all who are interested in writing to her is: 25 Kasumicho, Azabu, Minatoku, Tokyo, Japan.
Representatives from every college in Michigan will be at Bentley High School on Oct.

Local Groups Help Plan 9th Annual Patients' Fair at State Hospital

Since July, volunteers and staff members of Northville State Hospital, 41001 Seven Mile Road, have been planning the Ninth Annual Patients' Fair, which will be held on the hospital grounds the afternoons of Oct. 3 and 4.

"This annual cooperative effort," commented Philip N. Brown, M.D., hospital superintendent, "is eagerly anticipated by the patients. The carnival spirit, the games of chance in the 16 different booths, and the tasty homemade food, brought by hospital volunteers, all of these help to make the two days of the Fair different — and most enjoyable."

Although the hospital bus is busy throughout the

year assisting the excursions of patients to the Michigan State Fair, Detroit Tiger ballgames, Shrine Circus, Greenfield Village, and other events or points of interest, many patients not able to be included in these activities can come to the hospital Fair area and enjoy the excitement there.

Members of the Senior Citizens of Livonia will be assisting wheelchair patients to move from booth to booth, while the Red Cross Gray Ladies Shut-In Committee, coordinated by Mrs. Wanna Thomas, 9943 Hemingway, Detroit 39, Red Cross Gray Lady chairman, will be bringing the refreshments of the Fair to those not able to at-

tend. The Detroit Federation of Musicians annually provides a Clown Band and a Strolling Trio, which divide their time between playing in the Fair area and serenading the patients who remain on the hospital wards. Altogether, 25 different volunteer groups, service clubs, and business firms are contributing to the success of this year's Patients' Fair.

To a common fund the different groups contribute for an adequate supply of prizes. Chairman of the Prize Purchasing Committee is Mrs. Louis Pearlman, 29809 Hillbrook, Livonia. Once the purchases are completed, the Prize Sorting Committee, co-chaired by

Mrs. Vivian Champion, 1150 S. Harvey, Plymouth, and Mrs. Helen Teat of the hospital's Occupational Therapy Department, engages itself in planning the distribution of the prizes to the various booths.

The Plymouth clubs participating and their leaders are:

Plymouth Birthday Ladies, Mrs. Vivian Champion, liaison; Plymouth Friends of Northville State Hospital, Mrs. Thomas Luther, 643 N. Harvey St., chairman; Plymouth Lions, Marshall North, 444 Jener Pl., committee chairman; Plymouth Woman's Club, Mrs. Margaret Smith, 265 Irvin, chairman.

Opening a law office in Plymouth this week was Richard S. Brody, a practicing attorney for 10 years. He will be at the Merritt Insurance office, 541 S. Main. A graduate of Cranbrook School, Brody received his college and law degrees from the University of Chicago. He has practiced in Chicago five years and in Detroit the past five years. He is married and lives in Detroit.

Letters TO THE EDITOR

Dear Sir: I would like to express my opinion of the action taken by the Commission in regards to medicating the city water by fluoridation.

I am not going to tell of its bad effects and wasteful use at this time, as the real issue involved is why our Commissioners are afraid to put it on the ballot before the voters and taxpayers whom they represent to see if it is the wishes of the majority of the people, who still have a right under the Bill of Rights to express themselves as to whether they must take forced medication prescribed by our Commissioners. This action has set a precedent for future issues that may not be the wishes of the majority of the people, but if our astute Commission takes it upon themselves to institute the issue, they can do so without a mandate from voters.

Any person wishing further information regarding this very important action should contact Dr. Ashton of Plymouth, the leader for this cause for pure water and fairness to the people by our City Fathers.

**Margaret Dunning Heads
Independent Business Group**

Announcement of the ap-
pointment of Margaret C.
Dunning of Dunning's, at 500
Forest as chairman of the
Plymouth Chapter of the Na-
tional Federation of Indepen-
dent Business, was made to-
day by Ralph P. Turco, dis-
trict manager of the Federa-
tion in this area.

Each business and profes-
sional man member of this
organization maintains a vot-
ing membership, and is polled
by ballots regularly through-
out the year on bills and is-
sues that affect independent
enterprise at the national and
state levels.

In an effort to do every-
thing possible to maintain the
American way of life, and
keep our free competitive sys-
tem of business, the business-
men express their own per-
sonal opinion on the ballots
each month and turn them
over to Margaret C. Dunning,
who makes tabulations of the
total number and the man-
ner in which they voted.

These tabulations are sent,
with the underlying signed
ballots, directly to the desk
of Congresswoman Martha W.
Griffiths, at Washington,
D.C., and to State Senator
Raymond D. Dziedzic. They
are the only means whereby
independent business and pro-
fessional people can keep in
continuing, organized, per-
sonal, direct contact with
their national and state legis-
lators on measures that af-
fect, locally and nationally,
free enterprise opportunities.
The National Federation of

Independent Business is a
non-profit organization that
has the largest individual
membership of any business
organization in the United
States and independent busi-
ness and professional men of
every vocation participate
with voting memberships, re-
gardless of their other civic
or trade affiliations.

**Civic Chorus Seeks Singers As
New Season Opens Monday Night**

The Plymouth Civic Chorus
will resume rehearsals on
Monday, Oct. 2 at 7:30 p.m.
in Room 101 in Plymouth
High School.

Any interested singer is in-
vited to join the chorus. An
enrollment fee of \$2 will be
charged. The group is part
of the offerings by the Adult
Education Department.

The first major work sched-
uled is "The Childhood of
Christ" by Hector Berlioz
(Parts 2 and 3). The per-
formance is scheduled for
Sunday, Dec. 12 with the
Plymouth Symphony Or-
chestra.

An effort will be made to
organize the group with of-

ficers and rules governing
membership and activities of
the group.

In the past, the chorus has
appeared only with the Plym-
outh Symphony. This year,
if sufficient interest is dis-
played, a spring concert by
the chorus alone will be
undertaken.

The chorus director is Fred
Nelson, vocal music instruc-
tor at Plymouth High School.

That number on your prescription is as important as any
emergency number — if not more so. It can save your life
or that of a loved one. It allows the pharmacist immediately
to refer to the original order written by your physician. This
means quick refills when authorized or an instant check in
an emergency. Keep your drugs in a safe place in their

**FRIDAY A New World of Worth
from Chevrolet for '62!**

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET

Rich new styling with Jet-smooth ride!

*Here's everything a car fancier could want. Fresh-minted style
that comes to a climax in the sportiest sport coupe you've seen yet.
A road-gentling Jet-smooth ride. A new choice of V8 skedaddle.
Rich Body by Fisher interiors. Beauty that's specially built to
stay beautiful. Here in '62 is more than ever to please you from
the make that pleases most people.*

If you've wondered what owning an expensive car is like,
here's where you find out—without the expense. Check it
over from its clean-thrusting prow to its rakish rear deck.
Look inside the deep-well trunk. Step through one of those
wide-opening doors and plump down on a seat the size of a
sofa. Then—head for the open highway. ■ That sittin'-on-
satin feeling you get is Chevrolet's famous Jet-smooth ride
at work—with a pliant Full Coil spring cushioning at each
wheel. The standard six and V8 are triggered to do special
things on regular gas, and for real hair-trigger reflexes you

have a choice of four optional-at-extra-cost V8's with output
all the way up to 409 hp. ■ Hard-working helpers (like
the new steel front fender underskirts that guard against
corrosion) give this '62 its built-for-keeps beauty. Even the
heater and defroster come as standard equipment this year.
This is the kind of car that will make you feel luxurious
all over, and your Chevrolet
dealer will be only too happy
to show you how easy it is to
have one of your own.

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

*The car that puts sport in the
driver's seat!
Step right up and meet the latest version
of the car that's proved its mettle in the
fiercest competition going — '62 Corvair.
Bigger new brakes team up with Corvair's
renowned rear-engine traction for just
about the surest footed going on the road.
A new Monza Station Wagon makes its
debut. And all models sport freshly tal-
lored upholstery inside matched by sassy
new styling accents outside.*

This jim-dandy's got the stuff that drivers dote
on. ■ Backstage you have a standard aluminum
air-cooled engine that turns up 80 hp. (or if you
like more razzamatazz, one that unorks 102
hp.*). You can pick from a 3-speed Synchro-
Mesh transmission, a 4-speeder* or Corvair
Powerglide.* ■ Sure enough, there's independent
suspension on all four wheels to keep the ride as
amiable as ever. Inside, you'll find a heater and
defroster, cigarette lighter, dual sunshades, front-
door armrests and automatic choke as standard
equipment on the 500 Coupe, 700 Coupe and
Sedan, Monza Coupe and Sedan, Monza and
700 Station Wagons. ■ There are lots of reasons
for liking what's new—and tried and true—in
the '62 Corvair. And your dealer's eager to tick
*em off for you.
*Optional at extra cost.

Chevy II 300 2-Door Sedan—sensitivity at its Sunday best

HERE'S THE NEW CHEVY II

*Modern basic transportation in a
totally new line of cars
Here are all solid, time-tested virtues you
know you can count on from all the Che-
vrolet family—plus some surprises you've
never seen on any car before. A full line
of saucy new-size models, each built a
new way for easier service and mainte-
nance. Thrifty? Choice of a frugal 4- or
spunky 6-cylinder engine (in most
models). Roomy? Sedans seat six solid
citizens, bag and baggage. Price? A real
pleasant surprise!*

This plucky new Chevy II comes about as close
as a car can to perpetual motion. Beneath that
fetching, fresh-shaped bonnet you'll find the kind
of long-lived dependability that has always been
Chevrolet's special stock in trade. ■ All nine
models (station wagons, a hardtop, even a con-
vertible will soon be available in the lineup)
are designed to save you money and service.
Major front-end sections, including fenders, bolt
on for easy replacement in case of damage. More
savings: The heater and defroster are yours as
standard equipment. Tough—but ever-so-gentle
—Mono-Plate rear springs flex as a single unit,
eliminating the friction of old-fashioned multi-
leaf springs. ■ And, maneuverable and sensibly
sized as this Chevy II is, it gives you the kind
of passenger and packing room that'll make
many a "big" car wonder how it's done.

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

Action and Education committees from each of the four districts are already swinging into action to acquaint voters with the merits of a college. Committee members met last Wednesday at the college office in Newburgh School.

Plymouth organizations were this week invited to obtain a speaker for their next meeting who will explain the college's goals. To obtain a speaker, whether it be for a small gathering at a home or a large assembly, one can

The Automobile Industry

It was recently estimated the average motorist spends \$36 per week on his car. This includes the financed purchase price, annual depreciation, insurance, license, and of course oil and gas.

The fact this represents more money than many families spend on their homes indicates how important the automobile has become to all of us. Its importance has made the car industry the largest single business in the country so far.

It is possible for the average motorist to get more value out of his motoring dollar than he now does? We think so. So we're planning to devote this space each week to some plain talk about the automobile business.

How can a motorist deal most wisely who is trading in his old car on a new one? Or make the even more difficult decision of what used car to buy? And how can he get the most performance satisfaction out of the car he now has?

This industry is changing rapidly, even for our changing world. Being on the inside looking out we'd like to share some of our knowledge of this business with you. We're sure a lot of light can be shed on a problem by discussing it honestly.

We hope, as we go along, we'll make a friend of many of you. And perhaps you'll see fit to deal with us. But whether you do or not, we know you'll find most of what we have to say both interesting and helpful. See you next week.

The college proposal will be discussed Monday at the Junior High Parent-Teacher-Student Assn. with Dr. Bradner speaking, and at the Newcomers Club on Thursday with Mrs. Marshall North speaking. The Newcomers will meet at 1:15 p.m. at Fox Hills.

News Beat

(Continued from Page 1)
1961 Cadillac... Victor Botchen, 3822 Blunk, reported that someone stole a \$70 portable radio from his car while it was parked on S. Main St. ... And Earl Kisabeth, 399 Ann St., reported to police that a stop sign was nailed on his porch ... City water meter reader George Florken usually worried about dogs while making his rounds, but last week a cat took a generous taste of his leg.

WRONG WAY: The change in SDM (packaged beer and wine) license, mentioned last week in this column was not for the Toll House Inn on N. Main but for the Party Parquet on S. Main St.

FOR THE BIRDS: Eugene Cosner, 16240 Northville Rd., is not talking to her pet parakeet — and vice-versa. Eugene was ready to bring her stage design for "The Remarkable Mr. Pennypacker" to the Theatre Guild tryouts this Thursday and Friday when she found them tattered and torn near the parakeet's cage. Director Wall insists that the parakeet will not be in the show even if the animal has already served drastic notice that the set design didn't please his bird's-eye-view.

ROOM FOR 6: The Rifle Club of the Plymouth Police Youth Club has room for six more students, Public Safety Director Kenneth Fisher announced. Students should be at the Monday night for the first safety class.

FAMILIAR CLASS: Northville has hired Bruce K. Pott-hoff as its new city manager. Some may remember him when he served as administrative assistant to City Manager Albert Glassford during the summer of 1958. He has been administrative assistant at Jackson.

W.S.U. Alumnae
The Women's Wayne State University Alumnae Club of Farmington has chosen officers for the 1961-62 year. They are: president, Barbara Wolff; vice-president, Shirley Schlosser; recording secretary, Edna Timmins; corresponding secretary, Margaret Miller; treasurer, Mary Jane Beaumont, a nd historian, Norma Gaskin.

Plymouth Has Lot

(Continued from Page 1)
available industrial sites in Plymouth.
Early in his address, the speaker declared that while Michigan is losing some of its auto industry because car makers are building nearer their markets, Michigan is not unfavorable for industry. "Some call this a welfare state," Doman said, but a study by Professor Haber of the U of M noted that Michigan is 34th among states for expenses for public welfare. Pertaining to taxes, Michigan is 31st in the percentage of taxes it collects from residents and 12th among states for taxes collected from industry.

While Michigan once made 70 per cent of the cars, it now has declined to 38 to 40 per cent because of the shifting markets, mainly to the Southwest, Doman pointed out. "Michigan's towns should recognize the problem, and not blame industry for moving out, but should obtain industry not dependent upon the auto industry."

He showed a chart which listed four new industries which have come to Plymouth during recent months that will have a working force of 285. These include Detroit Mutual Insurance Co. (moving in this week) with 100 people; Stahl Manufacturing on Mill St., 20 workers; Distribution Services, Inc., 15 people; and Mok-A-Panel, getting 285 new jobs to the community is a significant achievement and he commended those who may have helped bring the firms here.

Doman then cited eight reasons why industry should be attracted to Plymouth:

1. It is within 48 hours shipping time to a 50-million population market.
2. One hour to serve industry in Detroit.
3. Served by a major highway network.
4. It is a half hour from major jet airports.
5. One-half hour to U of M research facilities.
6. There's an abundance of highly skilled labor within the area.
7. Excellent community facilities making it a good place to live. ("Even in Livonia with 70,000 people there isn't a stock broker like you have in Plymouth," he injected).
8. There are 1,100 acres of

Accidents to farm residents take about 12,800 lives a year. More than one million farm residents are injured in accidents each year.

"We would like to point out that teaching has not been relegated to the background," the principal continued. "Not every school, for instance, has a teacher prepared to teach French. The one's they use on television are experts selected from hundreds of applicants. "And many of the experiments they perform on TV we could never perform because we could not afford the equipment," Sister Christine added.

Television will also be used for other historic programs and current events that occur during the school year.

Mr. and Mrs. Joseph C. Bagnasco

Wedding Rites Performed At 'Counsel' Nuptial Mass

At nuptial mass, Sept. 2 at Our Lady of Good Counsel Church, Mary Louise Rich and Joseph Charles Bagnasco were united in marriage by Father Francis Byrne.

Given in marriage by her father, the bride chose for her wedding a floor length gown of crystaletta chiffon with rounded neckline and elbow length sleeves accented with applique flowers on the bodice and skirt and a small bow with streamers in back. Her small crown of rhinestones and pearls held her fingertip flower-embroidered matching veil. The bride carried a small, white prayer book, a gift from the groom's parents, on which were placed glamelias and stephanotis entwined with streamers. Mrs. Earl Van Cise, the

former Catherine Hoban, was matron of honor. Mrs. Kenneth Rich and Mrs. Duncan McIntyre were bridesmaids. They wore sheaths of golden yellow summer brocade with overskirts, scalloped necklines and short sleeves. They all wore elbow-length gloves and their matching bowed headpieces were centered with pearls. Yellow and white glamelias with green foliage made up their bouquets. Thomas Bagnasco, brother of the groom, was best man. The ushers were Paul Frendo and Paul Gehringer of Detroit.

Mrs. Rich, mother of the bride, chose a blue and green pure silk print sheath with matching three-quarter length coat, white accessories and matching blue and green hat. Mother of the groom, Mrs. Bagnasco, wore a raspberry bloused sheath with matched flowered hat and shoes. White gloves and bag completed her ensemble.

The wedding reception following the ceremony was held at the VFW Hall in Plymouth for the 200 guests that attended from Detroit, Grand Rapids, Livonia, Wayne, South Lyon and St. Clair Shores.

For her honeymoon trip the new bride wore a beige two-piece suit with cinnamon brown accessories.

Mrs. Bagnasco is a graduate of Plymouth High School. Her husband graduated from St. Mary's of Redford High School in 1957 and attended Michigan Tech. in Houghton. He is employed with the Ford Motor Co.

The couple will make their home in Plymouth.

Barbara Reid

Couple to be United at Kalamazoo Wedding

Mr. and Mrs. William E. Reid of Beck Rd., announce the forthcoming marriage of their daughter, Barbara, to Mr. Gary Wright, son of Mr. and Mrs. G. F. Wright.

The wedding will take place Sept. 29 at four o'clock in Kanley Chapel on the campus of Western Michigan University in Kalamazoo. Dr. Paul Meier will officiate.

Miss Mary Agnew will be maid of honor. Mr. Robert Isbister will be best man while Daryl Wright and Mr. James Bolton will usher.

The bride will be given in marriage by her father. A dinner reception will be held following the ceremony at the Columbia Hotel in Kalamazoo.

Both Miss Reid and Mr. Wright are graduates of Plymouth High School and Western Michigan University. The couple will make their home in St. Joseph.

A rocket-powered test sled, weighing seven tons, can move 1,700 miles an hour, faster than a rifle-fired bullet.

Coin Club Plans for Show

The Riverside Coin Club is now laying plans for its first coin show. Since its organization there has been a great deal of interest shown in the club. The hobby of coin collecting has gained in popularity in recent years and it is estimated there are over five million numismatists in the United States at present. The Riverside Coin Club now has 40 members, and the membership is expected to double in the next few months.

According to President Ernest Koi there are many who still are not aware that a coin club has been organized to serve the needs of this area. Any interested person is invited to attend the

next regular meeting of the Riverside Coin Club. Meetings are held the first Thursday at 8 p.m. and the third Sunday at 3 p.m. of each month at the American Legion Hall on Sheldon Rd. in Plymouth.

The guest speaker at the Oct. 5 meeting will be William Schill, a well-known coin collector from Detroit. Schill will explain a little of the history of coins and how they are graded. He will be available for questions and discussion after the meeting.

Almost 75 per cent of the dyes made in this country are used in textiles.

Flames Level Large Barn In Township

A spectacular fire leveled an old barn on Sheldon Rd. early Monday morning with the cause still under investigation by Plymouth Township firemen.

The huge barn was located on property owned by Dr. Robert Elvidge of Detroit. Living in a home located on the property was the Wheeler family. The property is on Sheldon Rd., just north of the Chesapeake & Ohio Railroad.

Fire Chief Howard Holmes said that three calls were received at almost the same time at 1:51 a.m. Monday.

One came from the nearby Western Electric plant, another from a C & O Railroad detective and another from a neighbor. Flames could be seen for miles.

Firemen arrived to find only the skeleton of the barn in flames. "It burned like tissue paper," Chief Holmes said. It was useless for firemen to even get out their

hoses, but they remained on the scene for two hours to make sure flames did not spread to other areas.

Tennants said that only some chickens, ducks and a little hay were in the large barn. Since there was no electricity in the barn and no electrical storm at that time, firemen are investigating the possibility of arson.

THEATER MANAGERS James M. Nederlander, David T. Nederlander and Joseph Z. Nederlander look over the plans of the new Fisher Theatre, currently under construction. The Fisher Theatre, located in the golden capped Fisher Building, will open Monday, Oct. 2, with the world premiere of the new Broadway musical, "The Gay Life."

Front Row Center

by George Spelvin

Ever wake up in the middle of the night yearning for a mountain of delectable, creamy cottage cheese? Add to this visionary snack ripe, juicy, colorful fruit 'midst crackly crisp, green lettuce leaves and you'll have my gastronomically gorgeous nocturnal sight. Almost too good to eat. My dreams portend the diet days that stretch ahead of me. Ah, yes, once again it comes time to shed a few ill-placed pounds via the salad and coffee route.

No such watered-down diet is in store for the playgoers in the Detroit area. The Vanguard Theater opens with "Purple Dust" this week. Here's a hilarious comedy by Sean O'Casey, the world's funniest Irish playwright. The Shubert Theater has opened its doors to "Gypsy", a top-flight musical by all standards. The Fisher in the Grand Boulevard — Second Avenue area is getting ready to premiere "A Gay Life," a brand-new musical with a stageful of dazzling stars. Wayne State University Players are rehearsing a Russian comedy, "A Country Scandal" and over at the U of M you'll find the players polishing their lines for Franz Kafka's "The Trial". A racy, modern version of Aristophanes "The Birds" occupies the attention of the student thespians out Six Mile way at the U of D drama headquarters. And over in Ypsilanti "The Boy Friend" with fascinating rhythms is being rehearsed by the Eastern Michigan Players under the watchful eye of Dr. William Work.

Downtown Detroit gets its first theatrical shot in the arm with "Gypsy" opening at the Shubert Theater on Monday, Sept. 14. (Mitzi Green will be doing the Ethel Merman role in this road company edition of "Gypsy." It will be interesting to see how this show holds up without Ethel (no pun intended ... of course, when you think about it, La Belle Merman dose belt a song out with some mighty high octave ... or do I mean a "high octave"?)

Seriously though, "Gypsy" is a top-flight musical and will be a welcome starter for the local theater season. The tunes are excellent, the dancing marvelous, and the book with the right touch of show-biz nostalgia to it to make most of us with memories get a damp eye or two.

Tryouts for "The Remarkable Mr. Pennypacker" have been announced by the director, Bob Wall. Bob tells me he will have two nights (Thursday, Sept. 28, 7:30 to 9:30 p.m. and Friday, Sept. 30) and one late morning session (Saturday, Sept. 30 — 10 a.m. to 1 p.m.) All tryout sessions will be held in the Plymouth High School auditorium. Twelve men, four women, and ten children are needed for the large Pennypacker cast. With such an excessive number of children in the cast a Saturday morning tryout seemed advisable. The children's ages in the play range from eight to twenty. Everyone is welcome with or without experience to attend the drama auditions.

Jacob Rumpf was selected as producer by the Plymouth Theater Guild the other evening as they held their first official Board meeting of the 1961-62 season. Mr. Rumpf, a charter member of the Guild, brings his years of theatrical experience with the Detroit Civic Players and other metropolitan groups back into active participation. Talking to Mr. Rumpf the other evening brought out the information that he's looking for some assistance for backstage work. He indicated that jobs such as ticket chairman, make-up, costumes, set construction, etc., are waiting for whoever would like to contact him at the Guild's monthly meeting on this coming Monday at the High School. Also you can contact him in the evenings by calling GL 3-7734.

TV sets across the land are recovering from that summer complaint known as "re-runs". Once again the small screen is blinking with renewed vigor and some of the new shows have shown great promise. One of my good friends is quite happy since he was quite worried about the "state of chaos" in the TV improvement department. He went so far as to say that if TV didn't improve this coming season, he might have to go back to listening to his wife. And during the recent televised comedy-drama series that featured the playful, clownish Tigers and those big, bad villains or Yankees many a meal went cold as Dad sat dead center with his eyeballs screwed into that 17 inch aperture. WJBK figures that over a million folks were watching. Multiply that by two and you've got a crowd of sore eyes.

Fruehauf Names Resident to Post

Walter E. Gibson of Plymouth has been promoted to the post of divisional manager of product advertising for Fruehauf Trailer Company, according to Fred Neumann, vice president and general manager, Fruehauf division.

Gibson, who joined Fruehauf in 1959, has handled such assignments as sales promotion, advertising, publicity, sales meetings, exhibits and conventions for the firm. He was previously associated with the Kelvinator Division, Nash Kelvinator Corp.

Gibson has been a resident of Plymouth since 1915. He and his family reside at 1022 Penniman Ave.

Cadillac presents for 1962
the *Masterwork of the Motoring Age*

1902-1962

Fleetwood Sixty Special, above; Sedan de Ville, below.

I have had your first look at the new "cars".

Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers... and new conveniences and appointments on every hand.

Engineering triumphs include independent front and rear braking... exclusive new cornering lamps that light your way around turns... and a revolutionary three-phase rear lighting system.

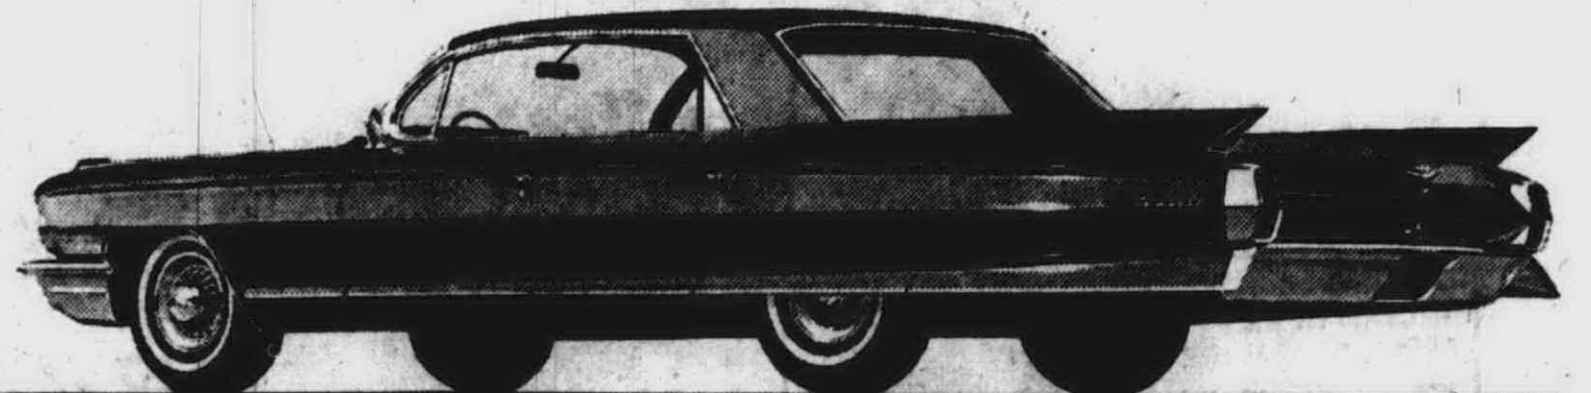

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble... handling ease so great that the mere weight of your hand puts you in command of the road... craftsmanship that is so practiced and so precise that the car has

become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. And we suggest you inspect it soon at your nearest authorized dealer because you'll be hearing a lot about it.

THE SEAMS OF the Mayflower Hotel were bulging Saturday, Sept. 23, but everything was buttoned up nicely, for it was the annual fall meeting of the Michigan Button Society. Collectors came from all over Michigan to compare notes and buy, trade and sell all types of buttons. Shown here examining some of the trays of buttons are Button President Milla Livingston of

Schoolcraft Rd., Dolores Aldrich of Robinwood St.; Thelma Rector, secretary of the Battle Creek chapter; Bess Dagner, chairman of the Log Cabin group, Detroit; Marsha Livingston; Louise Butah, chairman of the Central group, Mt. Pleasant, and Gertrude Fowler of the Central group in Harrison.

Eta Psi Plans Mad Hatter Party

Mrs. William Bailey, vice president, hosted Eta Psi Chapter of Beta Sigma Phi on Wednesday evening, Sept. 20. The group had a visitor, Mrs. Bea Perillo of Wayne. Mrs. Harry Luce was in charge of the program for the evening and a question and discussion was held on two lessons: "Definition of Happiness" and "Self Analysis". Plans are in progress for the Fall Rush Season and the first activity will be an ice breaker "Mad Hatter" party Sept. 23 at 8:30 p.m. Mrs. Melva Fuelling of Priscilla Lane will be the hostess for the event.

The Model Meeting and Decorational Tea will follow at later dates. The State Convention for Beta Sigma Phi will be held in Grand Rapids at the Pantland Hotel from Oct. 20-22. Several Eta Psi members are planning to attend.

MAKING PLANS for the annual smorgasbord sponsored by Pilgrim Shrine No. 55 are some of the committee members. The event will be held Saturday, Oct. 7 at the Masonic Temple. There will be servings at 5, 6 and 7 p.m. Seated is the general chairman, Ruth Burton, while other commit-

tee chairmen (from left), checking over a sign are Evelyn Brocklehurst, Marjorie Wainright, Carolyn Loesch, Norma Phipps and Edith Blake. Tickets are \$1.75 for adults and 75 cents for children. Reservations can be made by phoning GL 3-6490.

Launching Pads Ready At Canton's Gallimore PTA

By Esther Sprengel
GL 3-0194

Just in case you're interested, and we hope you are, there will be information on the complete facts about the proposed Community College on or about Oct. 9 or 16, at your local stores and Township Hall. The information will supply you with the true picture of your Community College plan, what it will cost you, what it will do for you and-or your children.

The main question has been how will the proposed plan work without Redford. The fact is that Redford would have supplied the college with 30 percent of the students and 30 percent of the tax base, thus the present proposed plan can be worked on the one mill base, as before. It will mean perhaps instead of four English classes being taught at the same time, we will need three or perhaps two, thus saving on the extra needed class.

The present plan will take nothing away from the original plans other than the mentioned facts. Last time 1,152 people voted for the college, 518 against.

This time it is the hope of the committee that more persons will vote, that people will make it their obligation to learn more about the proposal, and to question all information both for and against the proposal before accepting it as fact.

The other day a resident said, "You talk much about this college - are you for or against?" I am for. My reason might be a selfish one. I have four children. I know the demand of business and industry for that document that says you have been to college. I have a slight notion of what it costs to send a child to college and being among the 'average family' bracket, I know it will mean a struggle to see that our children are in the running for a college education. A community college means for at least two of those college years, he or she might get the necessary credits by living at home and paying a lot less for those accredited hours.

It has been said, they say one mill now, what about later? The answer is that you, the voter say they may have one mill, and at the present and for sometime in the future this would be enough. However, if such a time came for more money, you the voter say they may or may not have it. This and much more information is contained in the literature you may have for the asking, so won't you ask, read and then vote as you think right?

Mrs. Roger McGonagle (Jeanne), chairman of the membership drive of the Gallimore P.T.A., reports their progress up to date. Working with Mrs. McGonagle are, Mrs. W. C. McTurner, Mrs. Arthur Rocco, Mrs. Don Gill and Mrs. A. A. Pate. Mrs. McGonagle reports that with rockets, space and the race to the moon being the prime interest of our young people today, the theme for this year's P.T.A. room membership drive will be rockets to the moon.

Each room shall have a rocket with their teacher's name on it and they shall be strung in the multi-purpose room and the end of the wire shall be the moon, the class obtaining the most parent membership in the P.T.A. shall be the rocket reaching the moon first. The winners shall receive a \$5 prize to be used any way they please in their class-room work.

In the coming weeks, Mrs. McGonagle reports you will receive notices with your children with membership blanks to fill out. You may send the money with your child, or you may join at any of the P.T.A. meetings. A deadline for the end of the contest will be posted soon.

Just in case you are wondering where the committee got the material for all those rockets, Mrs. McGonagle states that a huge supply of oatmeal boxes are now surrounding her living-room, no longer looking like boxes, but very much like rockets. If you do not receive your notices, ask Susy or Johnny about them, you should get one.

Just a reminder, we would like to have the news about all the schools located in Canton Township, their meetings and activities.

We have two more puppies that are looking for homes. Although they already have a good home and the needed affection, Mrs. Rudolph Kunz of Koppernick Rd., would like to see the puppies in good homes. There is one female and one male and they're part Manchester terrier. They are short haired and will be a medium sized dog. If you're interested call GL 3-4330.

This past week, we heard from a proud grandmother, Mrs. Ruth Thompson of Beck Rd. Mrs. Thompson boasts of five grandchildren, two of whom made their appearance during this past summer. The newest is Donna Lynn weighing 5 lbs., 5 oz., born Sept. 19 to Mr. and Mrs. Gerald Thompson. Donna has a sister Colleen, and a brother Brian. Earlier this summer Mrs. Thompson received a pleasant surprise, when her son and wife and their two children appeared in Canton Township unexpectedly from Jacksonville, Fla., to visit with their grandmother for three weeks. Mr. and Mrs. Thomas Thompson and daughter Terrie Bense with their newest addition, Tammy Ruth arrived to surprise and introduce Mrs. Thompson to her new granddaughter.

Mrs. Thompson is a very busy woman, as she teaches elementary school in Ypsilanti, and has just returned from a wonderful trip, which she promises to tell us all about.

Needed - White Elephant Sale Material! This is the request sent out by the M.Y.E. group of young people of the Cherry Hill Methodist Church. President John Contario asked that anyone having articles they would like to donate to their sale call either his home at HU 2-1300 or the group's leader, Mrs. Conklin at HU 2-3409.

The sale has been planned for Oct. 20 and these young people would greatly appreciate that all donations and will see that they are picked up from your home. So clean those closets, basements and attic, here's a chance to get rid of that excess stuff and have it hauled away for you.

HOW PRAYER brings true comfort and joy will be the topic of a free public lecture on Christian Science to be delivered in Ann Arbor Friday, Oct. 6 by Naomi Price of London, England. A member of the Christian Science Board of Lectureship, Mrs. Price will speak under the auspices of First Church of Christ, Scientist in Lydia Mendelssohn Theatre at 8 p.m. Once a social welfare worker, Mrs. Price will be introduced by Samuel Anderson, first reader of the local church.

Accountants Group Has Some Openings

As the Detroit chapter of the National Assn. of Accountants opens its 43rd season of operation, President Charles A. Erdmann announces that the organization is accepting a limited number of applications for membership from qualified accountants in the metropolitan Detroit area.

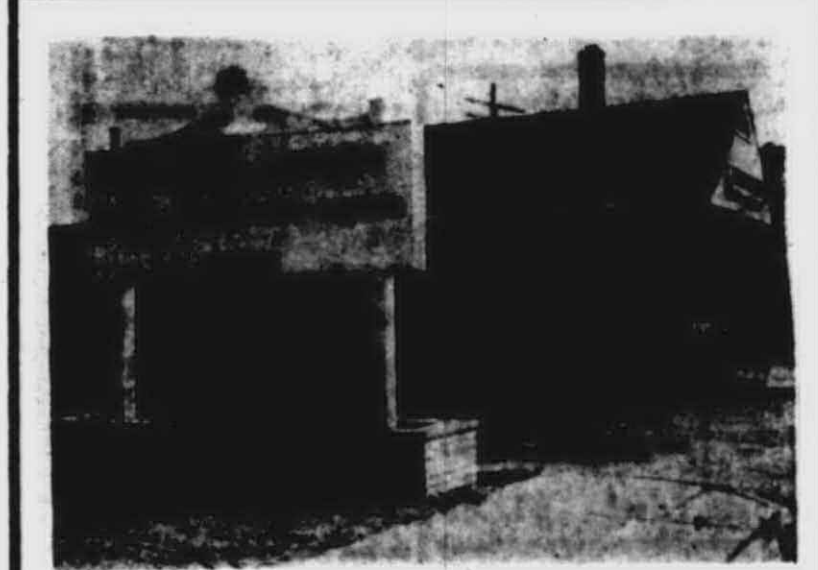

The National Assn. of Accountants is the largest international accounting organization in the world devoted to furthering the accounting profession. The Detroit chapter offers a monthly technical meeting featuring a dinner followed by a speaker of national reputation; in addition discussion meetings are held on pertinent accounting topics, conducted by local experts in the various fields.

For explanatory literature and application blanks interested accountants in this area should contact Ken Kirkwood, WO 1-2637 or GA 1-6545 or Harvey Kraft, GL 3-1400 Ext. 409 or KE 4-2301.

ROTC College Program Open

Applications are now available for the Navy's annual competitive examination for its nationwide Regular NROTC college training program, according to a recent announcement by the Department of the Navy. The mental examination is scheduled for Dec. 9, and is open to all high school seniors and graduates who can qualify.

Eligible young men may earn a commission in the Regular U.S. Navy or Marine Corps through the Regular NROTC. Upon receipt of a baccalaureate degree and completion of naval science training, NROTC students are appointed as career officers in the Navy or Marine Corps. The deadline date for receipt of applications is Nov. 17, 1961. Applications are available from the nearest U.S. Navy Recruiting Station or from Mr. Robert Smith, assistant principal. Smith has been provided with specific information concerning the NROTC program and will furnish informational bulletins to any interested student.

Going Out on Business SALE

"Goodbye Forever"

Dear Friends:
It is with deep regret that we announce the intended closing of our fine jewelry store. Due to ill health and Doctor's orders, am forced to take this drastic action!

As you know, our store has been a jewelry store for 39 years and has always been known for quality, selling only nationally advertised merchandise. We chose this way of selling out, so you, our friends and customers alike could take advantage of the sensational low prices on every single item in our store during this complete liquidation. We personally guarantee each and every purchase, you must be satisfied or your money back!

We urge you to attend.
Sincerely,
H. C. Corbin

The Post business meeting is scheduled for Wednesday, Oct. 4 at 8 p.m. at the Post Home. Commander Gardner urges all members to attend.

OES Highlights

Plymouth Chapter No. 115, Order of the Eastern Star opened the first special meeting, Sept. 19, 1961. The meeting was called to order by Worthy Matron Juanita Hessler.

The next regular meeting will be held Oct. 3, 1961. A practice on Oct. 15, for Installation will be held at 1 p.m. All officers are requested to be at practice.

Runners Win 1st

Plymouth's 1961 cross-country team took four of the first five spots to win its opening meet last Thursday 12-43 over Redford Union. The Rocks will go after their second consecutive win at 4 p.m. tomorrow at Allen Park. The Rock harriers are again

coached by John Sandmann. Bryon Latter won it with an 11:12 at Plymouth Riverside. The record for the course is 10:58 (set by Tony Monte 3 years ago). Second was Ward Griffith (11:24), while Tony Hunt was third with a 11:37. Jim Griffith was fourth at 11:46. Redford Union grabbed the fifth and sixth spots, but Eric Morgeson was seventh for Plymouth.

Receives State Health Department Certificate

Thomas Jones, employee of the Plymouth City Water Department, was one of 62 water treatment plant employees in 46 cities awarded certificates of achievement by the Michigan Department of Health. They passed a written examination and met certain other requirements as prescribed by the state law.

The law requires every water treatment plant in Michigan to be supervised by an operator certified by the health department.

Bob Winterhalter was eighth and Dennis Knapp 10th for Plymouth. Only the first five places for each team are figured in the scoring.

The Junior Varsity also beat Redford Union, but this meet was a little closer, 24-32. Plymouth runners finished first, third, fifth, sixth and ninth. Herb Park was first in 12:37. Ken Fischer was third, Dick Michaels, fifth, Dick Pankow sixth and Skip Otwell ninth.

Mrs. Ronald Ritter

Marriage Vows Repeated At Altar of St. John's Church

At an afternoon ceremony, Sept. 16 in St. John's Episcopal Church before Rev. David Davies, Carolyn Keffer and Ronald Ritter repeated their marriage vows at the double ring wedding.

The bride given in marriage by her father wore a lace over taffeta full-length gown. Her sequin tiara secured her nylon veil in place. White rosebuds and Stephanotis made up the bridal bouquet.

Mrs. Joan Zadra of Ypsilanti, a cousin of the bride, was matron of honor. Her gown was a ballerina length gold chiffon. Her headpiece was of gold petals and nylon net and her bouquet was composed of three shades of gold, bronze and yellow mums.

Vicki Ritter, sister of the groom, and Bonnie Horn, cousin of the groom, served as bridesmaids and they wore dresses identical to that of Mrs. Zadra.

Bill Wilson was best man while Tim Walling, the groom's cousin, and Douglas

More seated the guests.

Mother of the groom, Mrs. Elton Ritter, chose a gold print silk sheath dress with brown accessories for her son's wedding. The bride's mother, Mrs. Madeline Harris of Harris, Texas, wore a two-piece green suit with fur trim. Their corsages were yellow-gold mums.

The reception for 150 guests was held following the ceremony at the home of the bride-groom's parents, Mr. and Mrs. Elton Ritter, 40840 Five Mile Rd. Guests attended from Ypsilanti, Ann Arbor, Belleville, Romulus, Dearborn, Wayne, Dexter, and Kalamazoo.

For their wedding trip to Miami, Mrs. Ritter wore an aqua and white check suit with black accessories.

The bride attended Ypsilanti High and the groom is a '53 Plymouth High graduate. He attended Eastern University and is now employed by the Ann Arbor Police Department.

'Edge of Knowledge' Speaker to Discuss Foreign Service Opportunities Thursday

Careers which may be found in foreign service and the challenge of the future in international relations will be discussed by Professor William W. Bishop, Jr. this Thursday night at the annual Edge of Knowledge program.

Edge of Knowledge is offered free to the public once each year as a memorial to Kim Worland, who died several years ago of cancer. The program was started by his family, but is now being carried on by friends after the family moved to California.

At 7:30 night's program is at the High School Auditorium. The speaker's subject will be "Foreign Affairs for Everyone."

William Bishop has distinguished himself in foreign affairs and is now professor of international law at the University of Michigan. He spent many years working with youth of high school and junior high ages and will be able to present this important subject in a clear and interesting way to both students and adults.

The speaker will discuss

the careers and the future in international relations and also the many ways in which American people can help improve our relations with other peoples in voluntary programs as citizens rather than as full-time career workers.

Following Professor Bishop's talk, there will be a period of discussion and questions.

Congresswoman Martha Griffiths, when informed of the subject of this year's program, commented, "We need dedicated young Americans to serve our country in the field of foreign affairs. Professor Bishop is an outstanding authority in the field of foreign affairs. He is an excellent example for our young people."

NEWSPAPERS: HOW GOOD ARE THEY?

Unlike movies, TV and the public schools our daily papers are rarely subjected to critical review. Since most of us get a large share of our news, information and cockeyed notions from the press, this is unfortunate. It would be in the public interest, we think, if newspapers were checked up on, held accountable and rapped across the knuckles at least to the extent that, say, a high school football coach is.

All praise, then, to A. J. Liebling who writes the "Wayward Press" piece from time to time in the New Yorker magazine and to Ballantine Books, which has just issued a collection of choice Liebling items in an important new paperback called **The Press** (75 cents).

Liebling, one of the shrewdest reporters around, loves newspapers and reads them compulsively. A cheerful man generally, he is plagued, though, by an honest and logical mind. When the press is foolish or fraudulent it irks him. His reactions to the way news were the past 15 years has been handled or mishandled, ignored or invented, are contained in **The Press**.

A few points developed: Publishers never stop talking about the glories of free competition but they quit practicing it years ago. What the publisher wants is a nice monopoly and today he usually gets it. (See the section called "Toward a One-Paper Town.")

Of the 1,750 dailies in the U. S. only about 50 have reporters overseas. Coverage of real news gets skimpier all the time. All but a handful of cities are one-paper or one-owner towns. If you own the only saloon in town you don't have to hand out free lunches; and most publishers, says Liebling, regard news as a free lunch. It's those full-page underwear ads that count.

For a sharp, accurate and witty analysis of a vital area of American life **The Press** is hard to beat. Anyone interested in the subject will find other useful books in the library:

A Free and Responsible Press, the result of a study made in 1946 by a commission of eminent Americans, is still basic for the melancholy reason that after fifteen years most of the deficiencies discovered by the eminent Americans are still with us.

The Fading American Newspaper (1960) by Carl Lindstrom, a veteran editor now professor of journalism at the University of Michigan, is another vigorous critique.

Showing up the publishers' shabby products and sharp practices is, of course, joyous and honest work. Some of the blame, though, must go to unaccounting citizens who care not at all is news if fully, accurately and responsibly presented. A democracy, as Shaw said, is a place where people get the kind of government they deserve. It may also be the kind where we get the newspaper we deserve.

Golden Wedding Celebrated

Mr. and Mrs. Ernest VanMeter celebrated their 50th wedding anniversary Sept. 23 by attending a dinner party planned by their children, Robert and June, and by Mrs. VanMeter's sister, Helen Wasiel. Members of the immediate family attending the celebration were Mr. and Mrs. Robert VanMeter, Mr. and Mrs. John Ratkewicz and Mrs. Edward Wasiel.

The feted couple lived in Plymouth over 30 years before moving to Livonia a few years ago. Mr. and Mrs. VanMeter have four grandchildren.

'Wake Up, Darling' At Nankin Mills

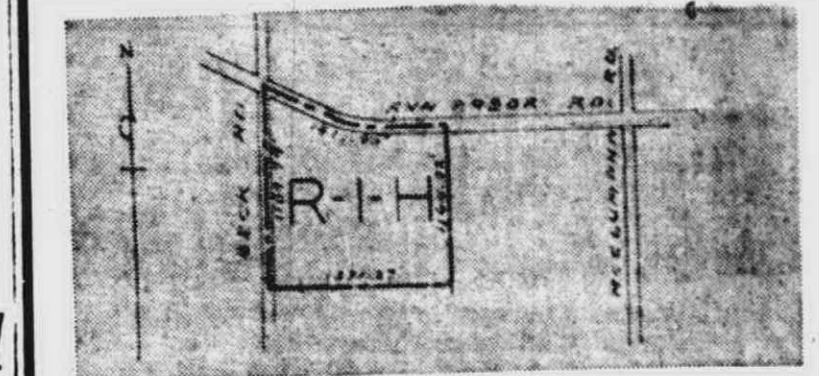

The Nankin Mills Players will present the very enjoyable play, "Wake Up, Darling" Oct. 27-28. As always, it will be presented at the Nankin Mills School. "Wake Up, Darling" was written by Alex Gottlieb and it will be directed by Marilyn Riopelle with Jerry Devitt as assistant director.

And Breakfast School Children

When your child goes off to school each morning, make sure that he is fortified with a good breakfast. Dr. Joseph G. Molner, City-County Health Commissioner, advises. A eating a good breakfast as a means of helping to make a better school record is backed by a number of studies. Students who had a good breakfast turned out more work, were quicker in their reactions and did not tire as easily as children who came to school without breakfast.

Your breakfast should contain one-fourth to one-third of the entire food requirements for the day. A good breakfast should include fruit, milk, cereal, bread — whole wheat or enriched — and butter or margarine. An egg should be included three to five times a week. Either a hot drink or a hot dish should be included. Breakfast can be made an appetizing meal and have more variety than the average breakfast provided. Teenagers need more food than children or adults because their rate of growth is faster — for them an egg five times a week is desirable.

Even for adults who are on a reducing diet, three well-balanced meals are necessary. A well-balanced adequate breakfast is a help for those who are struggling to lose weight.

Amended Zoning Map No. 204-6

OF THE TOWNSHIP OF PLYMOUTH WAYNE COUNTY, MICHIGAN ADOPTED BY THE PLYMOUTH TOWNSHIP BOARD SUPERVISOR, FRED L. MILLER

ORDINANCE NO. 14 H

AN ORDINANCE TO AMEND THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH BY AMENDING THE ZONING MAP

PART I. That the Township Zoning Ordinance, No. 14 is hereby amended by adding amendment "H", which changes the zoning map for those areas indicated on amending zoning map 204-6, attached hereto and made a part hereof.

PART II. Section 2.04 is hereby amended by the addition of a paragraph to read as follows:

The areas comprising the zoning districts, the boundaries of said districts, as heretofore established and adopted, are hereby amended as shown and provided on the Map attached hereto and marked Amendment No. 204-6, to the Zoning Map of the Township of Plymouth, which Map is hereto attached and made a part of this Ordinance, and any part of the Zoning Map of the Township of Plymouth as now established, which conflicts with said Amendment No. 204-6, of the Zoning Map is hereby expressly void and of no force and effect.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.

PART V. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184 of the Public Acts of Michigan, 1943, at a regular meeting duly called and held on the 13th day of September, 1961, and ordered to be given publication in the manner prescribed by law.

Atlas Prepared For Michigan Outdoorsmen

Want to know where to go and what you will find in the way of hunting, fishing, boating or skiing opportunities in Michigan? The answers are in the new "Rand McNally Michigan Road Atlas" and sportsman's guide just published by a Grand Rapids outdoor motor distributing firm in cooperation with the famous Chicago map making company.

In addition to 16 large (13 1/2 in. x 20 in.) pages of detailed road maps of the entire state, the Rand McNally atlas for the first time lists, locates, and describes skiing and boat launching sites in Michigan. An index, cross-reference with the maps, lists more than 3,000 lakes and streams with the sizes of the lakes (acreage covered), whether overnight accommodations and boat liversies, are provided, and what species of fish are normally found in the lake or stream.

The atlas is also a guide to state game areas, parks, forests and recreation areas. Other information includes a Michigan mileage table showing distances between 61 cities, tables showing distribution of game species by counties, and maps on each two-page road map spread.

"This Michigan atlas is absolutely unique — there isn't another one like it for any other state," declared H. W. Heagle, president of Gil Schaefer Distributor Inc., of Grand Rapids. The firm publishes the atlas for sale at approximately cost (\$1.35 per copy) through sporting goods outlets as a promotion for its outdoor motor line.

Inclusion of information on skiing and boating facilities "reflects a growing nationwide demand for this type of information," said Rand McNally Road Map Department Manager Harold Fink.

Gold Star Symbol of Excellence

world's most modern ranges

—AND THEY'RE GAS!

Gold Star Ranges feature the low-temperature oven—a time and money-saving feature. This low-temperature control automatically keeps an entire meal ready-to-serve for several hours without continued cooking. Meals cooked to perfection are no longer ruined because dinner was unavoidably delayed. Roasts stay rare or medium until the family is ready to eat. The Gold Star on a Gas range means the range has met at least 30 high-quality standards governing performance, construction and design.

- Only Gas DOES SO MUCH MORE FOR SO MUCH LESS
- Exclusion Gas-burning seals in wonderful flame-kissed flavors for mouth-watering taste.
- Clock controls allow you to set oven to turn on and off automatically.
- Build-in, motorized, removable Rotisserie free oven for other baking or broiling.
- Burner-with-a-brain senses and lowers flame for automatic cooking reduction.
- Automatic, clock-controlled Meat Thermometer cooks meat to exact degree of doneness.

GIRL SCOUTING

The 1961-62 season of Girl Scouting started with a bang at the first Neighborhood Meeting of the year held in the Presbyterian Church, Neighborhood Chairman Virginia Adams introduced the new secretary, Beth Arndt, and Mary Lou Chirnside, the district advisor.

BRINGING TO life the wistful beauty of Marcel Pagnol, Leslie Caron stars opposite Maurice Chevalier, Charles Boyer and Horst Buchholz in Joshua Logan's production of "Fanny." The Warner Bros Technicolor presentation opens Sunday at the Penn Theatre.

A film was shown of the Senior Scout Roundup held in Colorado during July and August of 1959. For those of us who have not had the privilege of attending a Roundup the "Avenue of Flags" and the "International Campfire" were particularly impressive. I am sure any Scout who knows she has this to look forward to would never dream of leaving scout-

ing. The meeting was attended by Grace Wheeler, Intermediate Troop 259; Ann Milligan, Brownie Troop 272; Alice Armstrong and Karan Osenton, Int. 269; Ann Fowler, whose new Int. troop has no number yet; Dorothy Jones, Int. 267; June Todd, Br. 231; Pat Feight and Beth Arndt, Int. 274; Mildred Lamb, Int. 262; Lois Plichta, Gloria Camp and Anne Reed, Int. 500; Dorothy Wood, Delegate; Pat Whitesell, Consultant; Alberta Fluckey, Organizer; Eileen Krumm, Consultant and Rose Ruby, Planning Board Advisor.

Another big merger is in the news these days. The girls of Int. Troops 242 and 272 are pleased to announce they are combining forces under the leadership of Mrs. William Feight, Mrs. C. W. Ronk and Mrs. William Arndt.

The troops are sponsored by the Newcomers' Club and meet Monday afternoons at the Veterans' Memorial Building.

The guest speaker Monday, Sept. 25 was Mrs. J. R. Cutler, secretary of the governing board of the memorial who spoke to the girls on the history and purpose of the building.

Jean's Jottings

JEAN CAMPAU, WOMEN'S EDITOR

It takes a special warmth of personality for a lady speaker to come across to her audience and leave some of herself with them.

Anne Campbell is one of those who leaves an afterglow and so is Mrs. J. P. Carritte who last Friday spoke before the ladies of the Women's Society of Christian Service at the Methodist Church.

Not only did she fulfill the obligation of a speaker — to inform and instruct — but she charmed her listeners as well.

Her topic was "Gardens of the Bible." In Biblical times Palestine, the size of Vermont, produced thousands of varieties of flowers, plants and trees in prolific profusion, many we grow here.

The Rose of Sharon was then called the Mountain Tulip. The mustard seed Jesus alluded to in the application of faith is not the common mustard plant we are familiar with today, but rather a tree-like specie.

Though the seed itself is infinitesimal it grows large enough to support flocks of birds at maturity, the limbs being as large as a man's arm.

The word 'lily,' related Mrs. Carritte, comes from the Hebrew word meaning root or bulb. And the 'splendor of the lilies of the field' that Jesus spoke of were not the proud and majestic Madonna lilies we picture mentally when we read the Biblical passages, but instead the Anemone.

When Christ walked with men, Mrs. Carritte said, many of His parables dealt with growing things of the earth because the greater multitudes that followed Him worked the soil for their sustenance, and so He used the subject known best to them.

Among the vegetables of then and now, the cucumber was especially well-liked for its coolness and wetness during the long, arid summers. And garlic, leek and onions were a gustatory delight, enjoyed by even the kings. An odoriferous breath caused not even the raising of an eyebrow.

Intertwined in her narrative, Mrs. Carritte guided her listener, with a spellbinding verbal picture, to a holy garden she chanced upon in Rabat. This quiet, green sanctuary was shared by the religious traveler, Moslem and monk alike.

It was during meditation in this remote corner of the world that she experienced a great serenity and the certain knowledge that one only has to stop and listen to the 'still, small voice' within for a sure solution to all that ails.

She closed her talk with the observation that we don't stop often enough in our busy lives to hear. It leaves food for thought, doesn't it?

Young Man Is Doubly Honored

The Michigan State Conference Order of DeMolay was held in the Civic Auditorium at Grand Rapids on Sept. 8, 9 and 10.

On Saturday evening, Ronald W. Hubbs, son of Mr. and Mrs. William A. Hubbs of 11021 McClumpha Rd., was given the coveted award of a Chevalier of the Order of DeMolay. On Sunday morning after the chapel service, Ron was installed, by "Dad" Harold F. Koch, assisted by Richard A. Huebler, as State Master-Councilor of DeMolay in Michigan for the year 1961-62.

Ron has given a great deal of time and effort to furthering the aims and goals of DeMolay in the last five years.

In a little more than ten years Plymouth Chapter 1999 has had two young men chosen as State Master Councilors the other being Richard A. Huebler, who also is a Representative DeMolay and a Chevalier and was also the recipient of the Ralph Dawson award, which is awarded each year to the most outstanding DeMolay in Michigan.

Both of these young men are graduates of Plymouth High School and have served their local chapter as Master Councilor.

The Order of DeMolay stresses all that is good in youth activity.

INTRODUCING FOR 1962 THE NEW LEAN BREED OF DODGE

COMPACT DODGE LANCER GT
FULL-SIZE DODGE DART 440

The black automobile above is the 1962 Dodge Dart 440, first of the Action-Economy cars. A low-price, full-size Dodge that will outrun, out-economize most any car around. For a fact, it accelerates seven percent faster on five percent less gas than last year's comparable model. Seats are chair-high. There's a fold-down center armrest in front.

The white car is the Lancer GT, America's first Sports Compact. It carries five. Corners flat. Handles neat. Really goes. Bucket seats, all vinyl upholstery, full carpeting are standard. Full-size or compact, every Dodge is rustproofed. Has a smooth ride. Goes 32,000 miles between grease jobs. As always, Dodge means dependability.

Still Time to Join Adult Education Classes

Registration for the Plymouth Recreation and Adult Education classes has been unusually light, Director Herbert Woolweaver said this week. As a result, registration will be held open longer. Most classes will get underway next week but some will not be held unless there are more registrants. Registration can still be completed by phoning the Recreation and Adult Education office at the Senior High School.

Two more courses have been added in recent weeks. One is German, which will be held Monday nights. Nights for the other two, Toastmasters Class and English Composition, will be set later. All three will last 10 weeks and cost \$10.

One of the new classes this year, Accelerated Reading, is already filled and late registrants will be made a part of next term's class.

Here is a list of the nightly classes being offered:

Mondays
Accelerated Reading, Electronics (basic), Electronics II, English for New Americans, Golf, Judo, Men's Gym, Oil Painting, Sewing for Beginners, Symphony Orchestra, Theatre Guild, Advanced Typing, Beginner's Typing.

Tuesdays

From where I sit... by Joe Marsh

A "Moving" Story

A couple of nights ago, Bud Haines, who runs the town's local drive-in movie, got to talking about a "boner" he had pulled last summer.

Seems one night he was waiting to close up when a customer came over and asked if Bud would get his car started. Turned out his battery was dead. Bud drives over to where he thinks the customer's car is packed and starts to give it a big shove.

All of a sudden, Red Dolan's head pops out of the front window. "Listen, Bud," Red says with a grin, "if you want me to go-home so you can close up,

I'll go. But you don't have to push me!"

From where I sit, a person always has to be careful not to interfere with other people's preferences. Whenever Bud has me over to dinner, he's always considerate enough to make sure there's some beer on hand for me, even though he prefers tea himself. He's respecting my right to think for myself, and not trying to "drive home" his own views.

Remember inspection is Oct. 3. All officers must be in uniform and all chairmen must have their notebooks at the hall by 7:30 p.m. Let's all co-operate and have a good inspection for our president.

Veterans of Foreign Wars

Sixteen members attended the fourth District Meeting in Northville last Sunday making the highest attendance of any Auxiliary there. Dolly Bouterse has been asked to be a color bearer for the District.

Congratulations, Dolly, on this honor. The District was also honored in having Mabel Shriver appointed as assistant musician for National. We were pleased to learn that Mr. Ray Harms, director of VFW Camp Woodbury, had been selected as "Teacher of the Month of September" in the City of Detroit.

Our sincere sympathies are extended to Mildred Dely in the recent loss of her mother.

Smorgasbord time is fast approaching and tickets are now ready for sale. Call Jennie Tallmadge and reserve yours early.

The new wing for the Freedoms Foundation at Valley Forge, Pa., made possible by the Veterans of Foreign Wars Auxiliary, will be dedicated this fall. The drive for \$50,000 led by the Auxiliary National past-President Frances Millican has been a success and most of the pledges paid.

The money will be used for a new room at the Foundation, which is devoted to preserving records of America's progress towards freedom.

The VFW Auxiliary made the first contribution and did the first work toward building this center in cooperation with the Freedoms Foundation at Valley Forge. The American Freedom Center is a great focal point for those people who will gather together to study the enemy's tactics, to learn the methods of undergirding America's patriotism.

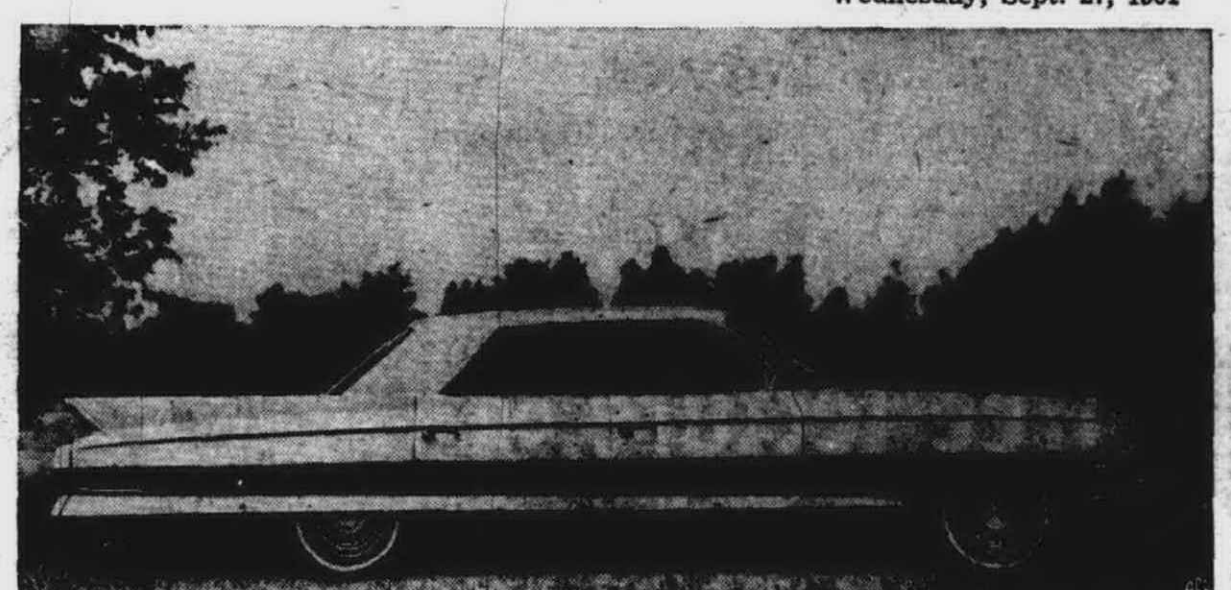

Letters TO THE EDITOR

Editor:
The members of the "Listening Post" Planning Committee are grateful to you for the interest and assistance that you have given to our project - a project that has been more eagerly received than we even dared to hope it would be.

The purpose of our series is to provide speakers from a wide range of interests from Art to Science; it is a program designed to encourage continuing study in the areas to be presented. From this point of view, it is a rather unique undertaking, and A.A.U.W. is proud to be presenting it.

Thank you again for your encouragement.
Sincerely,
Jane K. Moehe

Dear Editor,
The Plymouth High School Band would like to thank the following merchants who so generously donated to a fund to transport the Marching Band to and from the away Northville and Bentley football games. Without the aid of these wonderful Plymouth People, the band would not have been able to attend the games. Again, we the band members of Plymouth High School Band say, "THANK YOU VERY MUCH!" 1. A distinctively new styling touch in both the front and rear end of the 1962 Chevrolet is a sharp departure from the sloping hood formerly used. The Bel Air 4-Door Sedan with twin wind-splits on the hood is one of 14 new standard size passenger cars offered by Chevrolet in '62. The Bel Air models are exquisite, with new luxurious interiors and appointments. A new Chevy II series will also be shown by Chevrolet dealers when the 1962 passenger car lines go on display Sept. 29.

Starkweather Cub Pack Opens Year

Cub Pack 1533 will have their first meeting of the school year this Thursday (Sept. 28) in the multi-purpose room of Starkweather School starting at 6 p.m.

This meeting will be a family potluck supper. Those attending should bring their own service, something to drink and a dish to pass. All members of the pack or interested families in the Starkweather School area are invited.

Further information can be secured by phoning Jim Blackman, Pack committee chairman, at GL 3-3780. The pack is sponsored by the Rotary Club.

Cub Scouting is a year-round home-centered program of boy action, boy achievement, boy health and boy helpfulness developed through scientific research and testing by the Boy Scouts of America.

"Speaking where the Bible speaks and silent where the Bible is silent"

PLAYING AT First Presbyterian Church on Monday, Oct. 9 is the Bishop's Company, currently featuring three touring units. They have traveled over 600,000

miles on seven national tours and playing in 48 of the 50 states. The company is now in its 8th tour, playing in churches, and colleges.

Repertory Company Presents Drama at Presbyterian Church

The Bishop's Company, a unique repertory company now in its eighth year of touring coast to coast, will present Stephen Vincent Benet's "The Devil and Daniel Webster" on Oct. 9, 8:30 p.m. at the First United Presbyterian Church in Plymouth.

"The Devil and Daniel Webster" is one of six carefully selected works to be staged by The Bishop's Company. The play presents the situation of Webster, Mr. America himself, cornered by the Devil in an attempt to argue for a man's soul. Webster avoids a losing defense based on facts and figures by appealing to the jury in making them sense the dignity as well as the weakness of man.

Founded in 1952 by Phyllis Benbow Beardsley, The Bishop's Company has toured over 600,000 miles, playing in 48 states and Canada. It has appeared as part of the program of the Second Assembly of the World Council of Churches at Evanston; at Yale Divinity School and Princeton Theological Seminary; and at Rutgers University, Wittenberg and Carleton Colleges, and many other colleges and universities.

Santa Barbara, Calif. has become the scene of permanent headquarters for The Bishop's Company. In addition to the three touring units, a Santa Barbara resident unit will present a full season of presentations. The First United Presbyterian Church welcomes those interested to an evening of drama-in-the-church at its best on Monday, Oct. 9. An offering will be taken.

Allen Heights Baptist Church Starts Mission in Canton Twp.

Allen Heights Baptist Church has announced the opening of its first mission—located at 44205 Ford Rd., corner of Brookline. This mission will be known as the

Canton Baptist Mission, affiliated with the Baptist State Convention of Michigan.

It will be supported by the tithes and offerings of the members of Allen Heights going there to start this work by the three associations of the City Missions and the Home Mission Board. It will be supported in prayer by the Allen Heights Baptist Church. Services will start at the Canton Baptist Mission Sunday, Oct. 1, with the Sunday School hour at 9:45 a.m.

(this will be for all ages, from nursery age up to adults), morning worship hour, 11 a.m.; Training Union, 6:30 p.m. (for all age groups); Evening Service, 7:45 p.m. Wednesday Night Prayer services will also be held at 7:30 p.m.

Francis DuBose, superintendent of City Missions, will be the speaker at the first services at the Mission and all are welcome to attend the services in this area. Brother Vincent Smith has been called by Allen Heights as interim pastor. Brother Smith attends the Detroit Bible College, in his second year. He has preached at a mission in Milan, Mich., several churches in other states and also in Michigan. He, Mrs. Smith and son Vincent have been members of North Prospect Baptist Church. He has become a member here and she finishes her work at North Prospect. She has been very active there and will continue to be at Allen Heights. She is also principal of the Kaiser School at Ypsilanti.

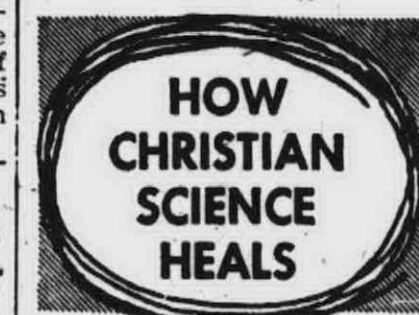

Church of Christ Begins Special Meeting Series

The Church of Christ meeting at 9451 South Main St. in Plymouth announces its annual fall series of meetings. These services will be conducted Oct. 1-11. Sunday meetings are 8:45 a.m., 11 a.m. and 6:30 p.m. Bible school is 10 a.m. Weekdays all services are 7:30 p.m. Mr. Allen Barber is the visiting evangelist and Mr. Melvin Sims, the song director.

This will be Mr. Barber's first such meeting in Plymouth, but he is no stranger here. His wife's parents, Mr. and Mrs. James Ward, her sisters, Mrs. Herbert G. Smith and Mrs. James R. Jones all live in the Plymouth area. Mr. Barber is regular minister for the Huber Heights church in Dayton, O.

Mr. Sims has appeared in Plymouth many times in this same capacity, as instructor in music, singing for weddings, etc. He is song leader for the Strathmoor Church of Christ in Detroit.

Everyone in Plymouth, Northville, Livonia and surrounding area is invited to these special services.

Register Now For Great Books Class

Registrations are now being taken for all Great Books Discussion Groups in Plymouth. Membership is open to all adults and there is no tuition fee.

The group will meet every other week for a two hour discussion of today's problems through literary works. The leader will be Lola H. Wooley, Great Books Program Coordinator, whose function it is to keep the discussion alive, yet under control, and to ask questions which bring out the ideas in the text in such a way as to make the discussions stimulating to all participants. The leader does not supply the answers, the participants do. This technique makes it absolutely necessary for everyone to "think for himself."

Great Books Discussion Groups meet at the Dunning-Hough Library, beginning Tuesday, Oct. 3, from 8 to 10 p.m. For further information and reservations call Adult Education Director, Herbert Woolweaver, at GL 3-3100 or Mrs. Agnes Pauline at the Library GL 3-0750.

The Reason Is Obvious

Most of the families served at the Schradler Funeral Home wish to have the funeral ceremony conducted in our air-conditioned chapel — and no wonder! Our chapel provides a completely appropriate setting for the service and can be arranged to comfortably accommodate all who attend.

Opens Crusade At Assembly of God Tuesday

The Rev. and Mrs. Bob Winford, Assemblies of God Evangelists, open an Evangelistic crusade at the local Assembly of God Church, 42021 E. Ann Arbor Trail. The Crusade dates are from Sept. 26 to Oct. 8.

Traveling extensively throughout Midwestern and southern states, the Rev. and Mrs. Winford have been in the evangelistic ministry since 1955. They have ministered in churches from Alabama to Ontario.

During the crusade, Mrs. Winford will conduct children's meetings from 7 to 7:30 p.m. immediately prior to the evening evangelistic services. The children's hour includes stories, choir, group singing, visual aids, filmstrips, flashcards and rhythm band. Special music for the crusade will be played by the Rev. and Mrs. Winford on the bass fiddle, accordion, piano and organ. Vocal selections will include solos and duets by the evangelists.

For the homeowner who wants to get things done fast, there's nothing to compare with Installoan to finance the materials, and the man to do the job. You can borrow up to \$3,500 for home improvements, take as long as 5 years to repay at low bank rates. Stop in at any of National Bank of Detroit's 68 neighborhood offices or see your dealer-contractor. Either way, Installoan is the low-cost way to repair, remodel or redecorate your home.

The "Welcome Week" program is designed to acquaint freshmen and new transfer students with procedures and customs at MSU.

The Mail Attitude

BY PAUL CHANDLER

Plymouth, Michigan, as a community has many problems these days, but most of them are economic ... and hence, temporary.

But one problem it does not have is the quality and pride of its residents. Adults with good minds, high sense of purpose, and respect for learning have chosen this area as their place to live. Searching honest people are there everywhere.

It comes to mind specifically today in reading of a series of serious lectures which the Plymouth Association of University Women is offering all who are so inclined.

One of the series (there will be three programs), will be an illustrated lecture on how the Soviet Union is using its land. This obviously has some practical importance, but it happens to be scheduled as the second lecture.

The inaugural (next Thursday night at Plymouth High School) will have a distinguished sculptor discussing "The Creative Artist in American Life."

It is one of the most fascinating subjects on earth, at this particular hour of history. If—just if—America's period of supremacy is about to end, or fade away, what has this nation contributed to the net total of human pleasure and happiness for the unborn generations, who will judge us in future years? Yet if we are to survive in our present international eminence, what status and understanding should we possibly concede the creative guy which this country has not given him in the past?

Do creative artists in this country discover it difficult to find a way to provide their board and lodging because they are bad artists, or because the na-

tion just doesn't care enough about those things to put a fair price on the effort?

Why are so many eccentrics able to enter the game, fake up an "abstract" or two, and call it "art"? Why should mental confusion be regarded as artistically stylish in the United States of America and almost nowhere else?

It will be the topic next Thursday, and if you don't think it's important, you just didn't listen to John Fitzgerald Kennedy's speech Monday. This is inventory time in America, make no mistake. And in Plymouth, Redford Township and Livonia.

Possibly the editor never has discussed this idea before, but if he were given the job of planning the perfect community for the future, it would include a switch in the city and township halls. On given nights, this switch would be used (upon a majority vote of the city commission and the township board) to turn off all the TV sets in town.

The public then would be urged to leave the living room and attend such things as the "Listening Post" series of lectures. There they would be pleased to greet old friends, join despite their basic instinct in a wholesome environment, and use their minds to follow an intelligent speaker.

The switch would only be used occasionally, of course, discreetly and prudently. And the following night, the current naturally would be released again to light up the square boxes and permit a return to normalcy.

A final check on the enrollment of Plymouth High School shows that there are 695 pupils attending, just 11 more than there were last year.

With the exception of the eighth and tenth grades, all of the classes are smaller this semester, the seventh grade having the smallest enrollment, 98.

One of the most modern and complete service stations and automobile sales agencies in Plymouth will be erected and equipped by Harold B. Coolman and Earl Fluelling on S. Main. Work on the new building is expected to start in the near future.

Much interest is being shown in the annual Kiwanis rifle shoot which will be held Oct. 7, 8, 9 and 10 in the Powell garage on S. Main. There will be more than 30 teams, of 10 men each, taking part and a special competition for women's teams of 10 each on Thursday afternoon.

The Mayflower bridge club met for its first meeting Tuesday afternoon at the home of

Mrs. William Jennings, on W. Ann Arbor Tr., a dessert-bridge being enjoyed. The guests were Mrs. Paul Wiedman, Mrs. B. E. Giles, Mrs. Roy Crowe, Mrs. Arthur White, Mrs. Arthur Johnson, Mrs. John A. Miller, Mrs. E. J. Allison and Jane Giles. The Busy Woman's Bible class of the Presbyterian Church will have a co-operative dinner and meeting on Tuesday, Oct. 6 at the home of Mrs. George Cramer on N. Harvey St.

Plymouth Grange will hold an all day session in their rooms in the Oddfellow Hall next Thursday. The committee for the dinner met on Wednesday at Mrs. John Root's and decided to have a New England dinner with a surprise feature. The meeting will be in the nature of a rally day and all Grangers are requested to attend.

There was no school Wednesday as the teacher Miss Carrie Merritt wished to attend a family reunion.

Ja cob Strenge's residence was struck by lightning Tuesday night. Several mirrors, window panes and etc. were broken but no further damage was done.

Charles Corbisley and son Alger and Mr. and Mrs. Harry C. Corbisley of Sandusky spent Sunday with E. N. Passage and family making the trip by auto and returning home Monday morning.

Few people have any idea what an incentive it is to both

teacher and scholar to know that parents and outsiders are taking a lively interest in their work. We believe the "little folks" at school appreciate such interest more perhaps than the larger ones. Still the effect is not lost on any of them, and we hope every parent will take a hint from this and place the public school on their visiting list.

Boys last Saturday morning amused themselves throwing stones at the deer in Markham's Park. One of them became frightened and jumped over the high fence and ran down the road toward Newburg where dogs chased it down and killed it.

Paul Seros, living on the Paul Bennett farm, was arrested Wednesday, for neglecting to send his children to school, the warrant being issued by Justice Campbell on complaint of Marshal Springer. He was fined \$5 and costs, which he paid.

Helen Smith, Florence Lee, Marjorie Travis and Norma Baker left this week to attend the Normal at Ypsilanti.

Michigan Bell's Three Millionth Phone Installed

Michigan Bell Telephone Co., growing at a rate of more than a million phones a decade, marked the installation of its 3,000,000th telephone last week (Sept. 14).

The public telephone was installed in the new Ann Arbor Safety Rest Area along Interstate Highway 94, which was dedicated by the State Highway Department as part of a double ceremony.

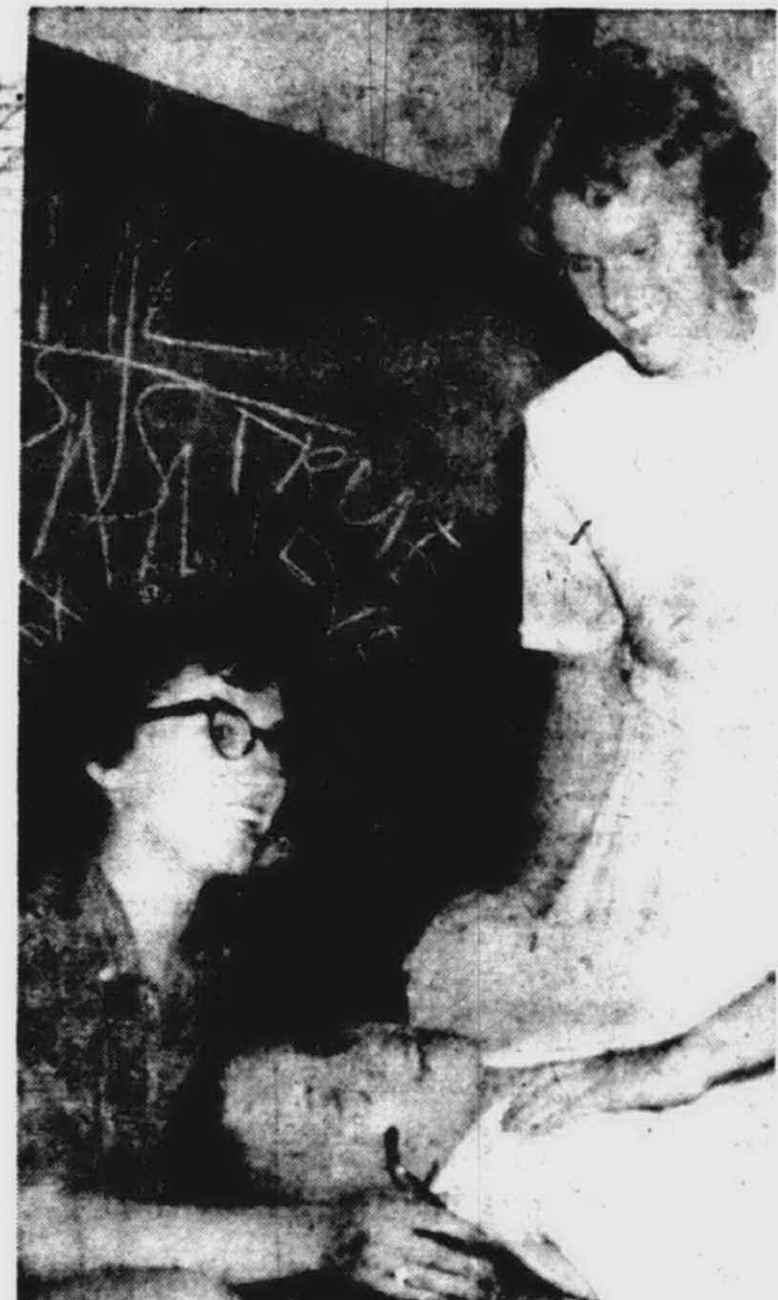

William M. Day, Michigan Bell president, told a gathering of public officials and community leaders that it

took 65 years after the first telephone in Michigan was installed to reach the first million mark. "That was in 1942 but only 10 years later that company installed the second millionth in the farm home of the late Clifford Pond near Mason," Day said. "Now, nine years later, we commemorate the installation of the 3,000,000th telephone."

Day said 210 countries of the world have less than 3,000,000 phones. Only seven other countries outside the United States have more. He said Russia is one of them

but Russia has only a little more than 4,000,000 compared with nearly 71 million in this country.

Day commented that the telephone industry, in meeting the communications needs of a free people in a dynamic, growing state, has become a major segment of Michigan's economy. He said Michigan Bell operations alone enrich that economy by a quarter of a billion dollars a year, not the least of which is a payroll to more than 23,000 employees.

KRISAN FLUCKEY, a Plymouth Theater Guild apprentice, is amused at the grotesque grimacing of Art Gulick, while Georgiana Daubresse looks for the mysterious hand that gropes for Art's throat. These three apprentice thespians are practicing up for the Theater Guild tryouts scheduled for Sept. 28, 29 and 30. They'd like to snare a few of the 10 parts that will be assigned to the younger set. At last week's Theater Guild meeting this plucky trio performed most adequately for Guild members at their regular monthly meeting.

The gas-saving "4" with Pontiac Punch!

PONTIAC TRIGGERS ANOTHER TEAM OF WINNERS. Every one is a fancy mover. Convertible. Sedan. Wagon. Two Coupes. Choice of 110, 115, 120 or 140 h.p., gas-saving 4-cylinder engine. A couple of extra cost options: Put on a 4-barrel carb and get 166 h.p. The citizen who wants even more can go for an aluminum V-8 option that pulls 185 horses.

TEMPEST HAS A FRONT ENGINE/REAR TRANSMISSION! (The only American car with this feature.) It gives Tempest equal weight at every wheel. It has biting traction on the bricks or in the mud. Tires last longer. Brakes take hold like they mean it. The front floor is practically flat (no big hump in the middle). Tempest seats six—easily!

TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR! Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: Firm ride on pavement, soft ride in the boondocks! Swing axles in the rear help the Tempest to carve out clean, firm curves.

PLUSH NEW SERIES—THE LE MANS (LUH-MAHNZ). The Tempest Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

1960-61 ANNUAL REPORT

Plymouth Community School District

Plymouth, Michigan

Letter to the Citizens:

Here in the Plymouth Community the citizens through their elected representatives, the Board of Education, have long sought an upgrading of the quality of education offered to the children, youth and the adults. This past year was no exception and the Board was diligent in its search for excellence in the schools. Many hours were spent in reviewing and evaluating with the staff specific areas of the curriculum and plans were formulated for further reviews this coming year.

Clearly defined written personnel policies and regulations were developed to serve as guideposts for the Administration in the selection, assignment and supervision of a well-trained staff. These policies and regulations are available for public review in the schools and libraries.

Orderly fulfillment of the goals of citizens in having available, when needed, modern school facilities to house the increasing enrollment is being realized. The first phase of the new junior high school is under construction and will be ready for occupancy in September, 1962. Extensive modernization, alterations and additions are being made to the high school in order to make it a safer and more adequate facility for not only more students but also for an expanding curriculum. Funds for these facilities are derived from collections on a Building and Site Sinking Fund Tax specifically levied and earmarked for this purpose by a vote of the people.

The accompanying Annual Report contains statistical data relative to the operation of the Plymouth Community School District. You are invited to study it carefully. If you have questions, feel free to call the Central Administration Office, GLenview 3-0200.

Sincerely yours,
Russell L. Isbister

Obituaries

Baby Brady Allen Gothard
Baby Brady Allen Gothard, born to Shirley (Zimmerman) and Gary Gothard Sept. 20 passed away Sept. 21, 14 hours after birth. Surviving the child are his parents, Mr. and Mrs. Gary Gothard, one sister, Brenda, and grandparents, Mr. and Mrs. James Gothard of Plymouth and Mr. and Mrs. Eldon Zimmerman of Livonia. Graveside services were held Saturday, Sept. 23 at Glen Eden Memorial Park, Livonia, under the auspices of the Schrader Funeral Home. Rev. Norman Berg officiated.

Lawrence Peter Quimet
Reverend Melbourne I. Johnson, D.D., officiated at services held Tuesday, Sept. 26, from the Schrader Funeral Home for Lawrence Peter Quimet who passed away suddenly Sept. 24 at his Liberty St. home at the age of 54.

Mr. Quimet came to Plymouth in February 1961 from East Jordan, Mich. He was employed by Fabricated Products Co., as a sheet metal fabricator.

Born in Detroit, June 30, 1907 to Mary and Wilfred Quimet, he married Evelyn (Remington) Quimet on May 15, 1930.

He is survived by his widow, Evelyn, his mother, Mrs. Mary Quimet of Florida, one daughter, Mrs. Delores E. Eubanks of Southfield, three sons, Lawrence and Richard of Roseville and Louis E. of Plymouth, two sisters, Miss Marie Quimet of Flori-

da, Mrs. Helen Korpuk of Alpena, two brothers, Mr. Wilfred Quimet of Ft. Lauderdale, Fla., and Mr. Francis Quimet of Mt. Clemens, and eight grandchildren. Interment was in Grand Lawn Cemetery.

James L. Smith

After a long illness James L. Smith, 12116 Nicholas Lane, Plymouth Township, passed away Sept. 20 in Ford Hospital at the age of 60.

He was born in Perry, Mich. to Elmiena (Hath) and Fred E. Smith. Formerly of Flint he came to this area from Detroit in 1956. He was a sales negotiator for the Engine and Foundry Division of Ford Motor Co. Mr. Smith was a member of the Masonic Lodge of Dearborn and belonged to the Lutheran Church of Detroit and was a member of the Plymouth Kiwanis Club.

Surviving him besides his widow, Mildred F. (Ricamore) Smith are three stepsons, David, Thomas E. and Pierce L. Johnston, all of Plymouth, six brothers, Kenneth of Wayne, Carroll, Paul and Harold of Flint, Lyle of Essexville, Mich., and Herbert of Davison and one sister, Mrs. Merle Pittenger of Royal Oak.

Services were held Saturday, Sept. 23 from the Schrader Funeral Home. Rev. Michael Bronfos officiated.

Pallbearers were Messrs. Norman Pettenger, Ward Smith, Herbert W. Smith, Douglas T. Smith, Kenneth Smith and Arnold Smith.

Interment was in Glen Eden Memorial Park, Livonia.

Ora L. Rathbun

Miss Ora L. Rathbun of 254 N. Mill St., Plymouth, daughter of Ella (Merritt) and Levi W. Rathbun, was born on Feb. 1, 1889 in Northville Township and passed away at Harper Hospital Sept. 20. She was a life-long member of the First Methodist Church of Plymouth, a member of the W.S.C.S. and the 60 Plus Club, and also a member of the Golden Hour Club of Wayne and the Northern Lights Club of Rouge Park.

She is survived by a sister, Mrs. Bessie B. McCullough, two nieces, Mrs. Dorothy L. Gosson and Doris L. Rew, all of Plymouth; three nephews, Dr. L. Herrick, Harry Rathbun, both of Plymouth and Dale Rathbun of Detroit, several cousins and one uncle, Charles V. Merritt of Plymouth and a host of friends.

A sister, Mrs. M. Winifred Herrick, preceded her in death on April 4, 1941.

Services were held Saturday, Sept. 23 at the Schrader Funeral Home. Reverend Melbourne I. Johnson, D.D., officiated. Mr. Ray Williams was soloist, accompanied by Mrs. Velma Searfoss on the organ.

Pallbearers were George Wilson, John Alley, William Edwards, Fay Brown, Earl Trinkaus and Lawrence Ransom.

Entombment was in Riverside Mausoleum.

NEW BOOKS At Dunning-Hough

COMPANY OF STRANGERS by Anthony Heckstall-Smith. The factual story of the author's association with Dr. Julius Gert and his wife, Clare, and their son, Peter, and of his implication in a stock fraud originated and successfully carried out by the Gerts.

THE ROAD PAST MANDALAY by John Masters. The personal story of one man's journey through war to peace during the second World War in Burma, India and Mandalay. From youth through love to maturity. This is the author of the successful "Bugles and a Tiger" and "Bwana Junction."

FIVE OF A KIND by Rex Stout. Five Nero Wolfe mysteries, "The Rubber Band," "In the Best Families," "Death to Death," "Man Alive" and "Omit Flowers."

AN AMERICAN VISITOR by Joyce Cary. An American journalist involves herself in tribal warfare in Africa precipitated when certain natives and the British attempt to unite several hostile villages.

THIS IS ALASKA by Harry Kursh. Covers every phase of life in the state of Alaska today. Jobs, housing, education, medical care, climate, home-steading, prospecting, hunting and fishing.

A GLIMPSE OF ARCADIA (for young adults) by Macdonald Hastings. The story of a mudark and his adventures with thieves, scavengers and high society in the year 1861.

THE COMPACT HISTORY OF THE UNITED STATES ARMY by Col. R. Ernest Dupuy. An up-to-date story of our Army, how it began, what it is today and what it is today in the era of the missile. It is, too, the saga of the American soldier.

OFF MY TOES by Elaine Masterton. Autobiographical vignettes by the versatile mistress of Vermont's famous Blueberry Hill Farm.

Named Vice-President
Election of Monford A. Orloff as a vice-president and director of Evans Product Company, Plymouth, was announced by Edward S. Evans, Jr., president. Orloff has been president of Aberdeen Plywood & Veneers, Inc., Aberdeen, Washington, a firm recently acquired by Evans. The acquisition established Evans as a diversified company.

THE 1962 Ford Galaxie line features a crisp, fresh approach to Ford's classic styling. Shown here is the Galaxie 500 Sunliner convertible, one of 12 models in the Galaxie line. While the new Galaxie is slightly shorter and fractionally narrower than the 1961 model, the large passenger compartment is the same as 1961. Large door openings, coupled with Ford's convenient two-position door stops, make entering and leaving the Galaxie an easy and natural movement. The Sunliner top is anchored at each roof bow to prevent "ballooning" when underway. The vinyl-lined top is stowed under a color-keyed boot. Available for your viewing at Paul Wiedman, Inc. in Plymouth and other Ford dealers.

Coin Catalog Scheme Exposed

Although coin collecting is to be encouraged as a worthwhile hobby and incentive to the study of history, art and economics, prospective coin collectors are warned against a scheme currently used to exploit the public's gullibility: According to The Plymouth Community Chamber of Commerce, numerous promoters are advertising that they will pay large sums for rare coins, so as to imply that they are coin dealers, when their primary purpose is to lure the uninformed into buying a catalog.

Presents Their First Annual
WORLD TRAVEL and ADVENTURE SERIES

"The Yankee Sails Across Europe" - A thrilling tale by Capt. Irving Johnson of his most recent sailing trip. This time he takes the Ketch, the "Yankee" through Europe's inland waterways. The "Yankee" is a cross between a modern yacht and an ancient sea-going galleon, and performs wonders in navigating the waterways of Europe. We sail through Holland, France, Switzerland, Italy and the Greek Islands. Everywhere, we will see unusual sights. We will meet friendly people, and discover scenic marvels from the deck of the "Yankee".
