

A Message of Thanksgiving

By Rev. Norman W. Berg, Pastor St. Peter's Ev. Lutheran Church

"I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; for kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. For this is good and acceptable in the sight of God our Savior; who will have all men to be saved, and to come unto the knowledge of the truth. For there is one God, and one mediator between God and men, the man Christ Jesus." — I Timothy 2:1-5.

OUR PRESIDENT'S call for a Day of Thanksgiving is merely the repetition of a much more ancient call on the part of the Triune God. Therefore the official Day of Thanksgiving we are privileged to observe each year brings both gladness and sadness to a Christian pastor's heart. It surely brings gladness to the public acknowledgment in our land of the Source of all its blessings.

It brings sadness that in all too many cases it takes a presidential rather than the divine proclamation to bring thanksgiving to God even for material blessings. And further sadness comes when we note that often this observance degenerates into a token nod in the direction of some vague kind of "benevolent-to-America" God.

WHAT KIND OF a day should Thanksgiving be in your home as you gather with friends and family? For a Christian it must be:

- a Day to recount the almost endless blessings of God, not to brood over minor complaints and troubles
- a Day to thank God for our beloved country, not merely to parade its riches
- a Day to view the tragedies and hunger of people in many other lands, not to view only our own "groaning" table
- a Day to pray earnestly for our country and its spiritual needs, not to brag of its position, wealth, and power
- a Day to get down on our knees in all humility, not to sit back contentedly and pat ourselves on the back (and later on the stomach).

Indeed we need to learn to make it: A DAY OF TRUE PRAYER FOR OUR COUNTRY with a Prayer of Thanks for its Blessings, and a Prayer of Love for its Needs.

TO RECOUNT THE material blessings of our land would be but a repetition of what every page of this paper proclaims. Every advertisement proclaims the unbelievable lushness and luxury of the blessings God has given our land in food, clothing, recreation, and even job opportunities. This paper in its news items and editorials proclaims the marvelous political and individual freedoms we enjoy.

Above all the "Church page" proclaims the precious individual right in this land to worship our God as we have been led by the Holy Spirit. The right of the individual to stand before his God is not only recognized, but protected. How blessed for us of the Christian faith to live in a land where we can proclaim freely the fact that our God has salvation for each of these individuals, won for each of them by God's Son, our Savior, on the Cross, intended and desired for each individual by our loving Father, and offered to each and every individual by the Spirit through the Word which has such easy course through this land in newspapers, radio, television, and open forums everywhere. No wonder a Prayer of Thanks is in order.

BUT WE ALSO owe our land a Prayer of Love for its Needs. It certainly would be much less than frankness, much less than truth, to view the observance of a Day of Thanksgiving in our land as evidence that gratitude to the true God is common. Our individual lack of zeal for proclamation of the spiritual truths we hold sacred, the lack of zeal for public worship, our lack of zeal even in caring for the physical needs of our communities through civic activity, all indicate the need for individual repentance in view of God's goodness.

The tremendous "drive" in our land to get "things" for the sake of the "things" themselves denotes a materialism not far removed from the atheistic materialism of Communism. It has resulted on the one hand in corrupt efforts to corner riches, and on the other hand in the freedom-eroding drive for conformity in education, in political thinking, in social and economical life.

A PRAYER OF true love on Thanksgiving Day will begin with a prayer for forgiveness for our own selfishness, and then for a wave of repentance throughout our community and land. It will include, after a plea for humility in our own hearts, a plea for humility before God in the hearts of our fellow-citizens and especially our God-ordained leaders. Such an emptying of our hearts through repentance will enable God to fill our hearts with His gracious love in His Son. It prepares the way for a return to the true God and His goodness.

As St. Paul points out, this return to God is through one avenue, the way of faith in His only-begotten Son, Jesus Christ, the "one mediator between God and men." The substitutionary death of Jesus on the Cross is the one hope of us sinful individuals. The Christ-redeemed individual is the mainstay of the country which prizes the blessings of God and individual freedom.

MAY ALL Christians in our land heed the admonition of St. Paul, "I will therefore that men pray everywhere, lifting up holy hands, without wrath and doubting." — I Timothy 2:8.

Elderly Hit-Run Victim Still on Critical List

A 76-year-old Plymouth Township resident, Thomas Dowdell, is still reported in critical condition at Wayne County General Hospital after being struck by a hit-run driver as he walked along Edward Hines drive last Thursday night.

Mr. Dowdell, who lives at 39625 Plymouth Rd., was found at 1:30 a.m. Friday by several women who were driving toward Plymouth. They reported to Plymouth police that a man was lying beside the road, east of Haggerty.

The victim is the father-in-law of Capt. Fred Redford, commander of the Redford Post of the Michigan State Police, who lives next door. The homes overlook Middle Rouge Park. (Continued on Page 6)

City Seeks Federal Aid for Reservoir Plans

Township Hires First DPW Chief

Matthew A. McLellan, 9279 Ball St., has been appointed Plymouth Township's first superintendent of public works.

The appointment was made at last week's monthly Board meeting. With his term starting Jan. 1, 1962, McLellan will be in charge of all field operations for the newly-formed Department of Public Works. The DPW's only responsibility now is operation of the water and sewer departments, but as the Township begins more services, these too will become part of the DPW operation.

Township Treasurer Elizabeth Holmes will continue to be head of the Water Department. The new DPW superintendent has been in general construction work.

Re-zoning Held Up

A shopping center proposed for the southeast corner of Five Mile and Haggerty Roads was delayed by the Township Board by turning down a recommendation of the Planning Commission. Michael Tartaglia of Detroit had requested the re-zoning of residential land for commercial use. A five acre tract of land was in the proposal.

Although Planning Commission had approved the re-zoning, the Township Board delayed their approval last week because the site does not have sewer and water service available.

Fire Truck Bids

Bids are being taken this week for a new fire engine. Specifications will call for a custom-built pump per with a capacity of pumping 1,000 gallons per minute. The specifications committee was composed of Supervisor Roy Lindsay, Trustee Louis Norman and Fire Chief Howard Holmes.

It is believed that there are five firms in the nation in the custom truck business that will consider bidding on the vehicle. The Plymouth Township fire trucks are assembled with component units on stock chassis and do not have the endurance of custom apparatus that is used by most major departments today.

Bids will be opened at the next meeting and delivery is not expected for around six months.

Sewer Expansion

It now appears that only part of Arbor Village subdivision on Ann Arbor Rd. will be provided sanitary sewers instead of the entire subdivision. A report at last week's meeting indicated that a survey of Arbor Village Township listed only 17 favoring the sewer and 21 against. Some of the homes desperately need a sewer while others have well-performing septic fields, it was found.

The Board is now considering installation on only Marlin and Marilyn Streets, where there appears to be more interest.

Meanwhile, the Board intends to move ahead with plans to install sewers throughout Plymouth Colony. Bids will be taken soon for both projects and it is expected that work will take place this winter.

Water System

A progress report was given by Engineer Herald Hamill on a proposal to extend over several areas of City water mains now operating in the Township. It is estimated that taking over the Green Meadows and the Plymouth Gardens (at Schoolcraft and Five Mile) water systems would cost \$30,000. Most of the cost would come as a result of making connections to the Township's mains and sealing off the City's mains.

Street Light Report

A report was heard concerning a request from some Lake Pointe Village residents about street lights for their subdivision. No petition has been submitted to the Board, but street lighting has been a subject of debate by residents for several years. The Board is obtaining information from Detroit Edison concerning types of lighting available. The Township would be billed for lighting fixtures and electricity and those using the service would be specially assessed.

No More Fees

Because the Township treasurer is now on a salary instead of on a fee system, the Township can now add a one percent fee for its own use on all taxes collected. Law gives the Township Board an option to impose the fee, but after a discussion the matter last week, the Board voted not to make the change on future tax bills.

'Thanks' Offered At Services

Prayers of Thanksgiving offered by the Pilgrims some 340 years ago at Plymouth, Mass. may not differ too much from those heard at church services throughout the community of Plymouth, Mich. this Thursday as they observe the Thanksgiving holiday.

Most of the local churches will hold special services or participate in a Union Service. The Plymouth Ministerial Assn. is again planning a Union Service from 9 to 9:45 a.m. on Thanksgiving morning. It will be at First Methodist Church, the Rev. Edward W. Castner, associate minister of First Presbyterian Church, delivering the sermon.

Churches participating in the Union Service with the First Baptists and Presbyterians are: First Baptist Church, Plymouth Assembly of God, Lutheran Church of the Epiphany, Church of the Nazarene, Salvation Army.

The First Baptist Church on Mill St. will also have a service on Thanksgiving evening at 8. Calvary Baptist Church on Ann Arbor Trail will have a service at 7:45 p.m. Thursday.

Our Lady of Good Counsel Catholic Church will have three Thanksgiving Masses. They will be at 8, 9 and 9:30 a.m.

St. John's Episcopal Church on Sheldon Rd. will have a service with Holy Communion at 10 a.m. Thanksgiving.

St. Peter's Ev. Lutheran Church will also have a 10 a.m. Service Thursday at which the Junior Choir will join the Senior Choir for special music.

The Reorganized Church of Jesus Christ of Latter Day Saints on Schoolcraft Rd. will have a 9:30 a.m. service on Thanksgiving with special music planned.

Newburg Methodist Church on Ann Arbor Trail in Newburg will have a 7:30 p.m. service Wednesday. Delivering the sermon (Continued on Page 6)

LAST WEEK Nancy Osenton received a reply to a letter she wrote weeks ago to Nikita Khrushchev in which she requested a Russian doll that she could add to her collection. Since, the Russians told her, they were unable to send a doll per se, they were, instead, sending her a picture of one. Though 10-year-old Nancy's request went unanswered, the foreign stamped envelope and its contents were a curiosity to her fellow students at Gallimore School. Nancy is the daughter of Mr. and Mrs. Charles Osenton of 7312 Birkland Dr.

Canton Families Get New Hope for Water

A plan to extend water to some 80 Canton Township families who have been attempting to obtain an outside source of water for two years was offered at the Canton Township Board meeting last week.

The families, who live on Canton Center Rd., from Ford to Joy, are located in a salt bed area where most well water is unfit to drink. Many of them have to haul their supply.

Canton Township officials have appealed to Plymouth Township and Plymouth City for a water supply, and the City has given its approval. But the State Department of Health has not yet given a permit for this project. As a result, Canton officials have looked to other directions.

Wayne County has notified the Township that it expects to extend a 24-inch trunk line through Nankin Township as far as Lilley Rd. on Cherry Hill. Township Treasurer Philip Dingley said this week that this is expected to be completed by the end of March. If the program is assured, the Township would extend its own mains up Lilley, and west on Ford to Canton Center to serve the hard-hit area.

Canton Township already has a water line going along Michigan Ave. as far west as Beck Rd. It also runs north on Canton Center as far as Palmer Rd. The Ira Wilson Dairy farms, however, has not approved of the extension of the line along its property because over a majority of the land since the assessment is based on land, the Wilson assessment would be costly. (Continued on Page 6)

Votes to Dismiss Consultant Firm

Application will be made by the City of Plymouth for federal aid in drafting preliminary plans for a new water storage and distribution system that will probably include a new 1 million gallon reservoir and elimination of the present storage tanks. A resolution calling for the application was approved by the City Commission at their meeting Monday night.

'Mr. Chips' Gets Royal Homecoming

Sterling Eaton, "Mr. Chips" of The Plymouth Mail, received a royal welcome from members of Plymouth's Chamber of Commerce and a number of other friends at a Hotel Mayflower banquet last night. More than 100 guests were on hand to pay tribute to Eaton, who last month resumed the role of publisher and owner of The Mail after an absence of five and one-half years.

In an emotion-choked voice, Eaton spoke his thanks to the assemblage gathered in honor of him: "There is nothing I can ever do and little that I have ever done to deserve this wonderful tribute. All I can say is thank you, thank you, thank you."

Theme of the banquet was "Hello, Mr. Chips," based on the title of the popular column "Chips from the Rock" that Eaton writes for The Mail. Toastmaster Bud Schrader, filling in for Chamber president George Lawton who was called away at the last minute, referred to Eaton as "a man of many activities, but underneath it all he has remained a newspaperman" despite his retirement which now has ended.

Donald Sutherland presented The Mail's publisher with a "Welcome Back" plaque on behalf of the Chamber and friends. Sutherland also emphasized the important part Plymouth's "town newspaper" plays in the community. Among those attending the festivities was Detroit Free Press Sports Editor Lyall Smith, a long-time friend of Eaton's, who added his welcome to that of the others. The banquet, kept secret from Eaton until the last minute, was arranged by the Chamber under the direction of Lawton, Schrader, Sutherland and Ralph Lorenz.

Parallel Parking Sometime after the holidays, the angle parking of Main St. in front of Kellogg Park, will be changed to parallel parking. The Commission voted to make the change now before the newly-paved street is re-lined. The change will mean that the 18 parking spaces will be cut in half, but this will be picked up by more spaces in the Central Parking Lot. The director of public safety recommended the change because backing cars create a traffic hazard.

Former Resident Has Real Thankful Thanksgiving

A former Plymouth resident, now living near Los Angeles, has much to be thankful for this Thanksgiving — at least when she compares her family's situation to that of five neighbors whose homes burned in the huge forest fire that raged throughout the area.

Mrs. Ruth Straatsma, the daughter of Mrs. Fletcher Campbell, 941 W. Ann Arbor Trail, is the wife of the chief eye doctor at U.C.L.A. Fire came right to their back door, but the wind changed and swept it down a hill, Mrs. Straatsma wrote.

Besides the five houses that burned on their street, including their next door neighbor's, their children's school was burned. Due to the high insurance rates brought about by previous fires, many people had dropped their insurance and lost everything. Bedding and clothing were donated by the church to those who had lost everything.

"It is very hard to believe that such a thing could happen," Mrs. Straatsman wrote. Many have since observed that "persons should not put all their love in material things."

Fouser Pipe Organs has done only a little advertising in church and organist journals. (Continued on Page 6)

New Look for Old General Store

Now It's Plymouth-Made Pipe Organs

By Jim Sponseller

When members of St. Peter's Ev. Lutheran Church of Plymouth sing the hymns each Sunday, they are accompanied by a pipe organ that is made by a Plymouth company that is not familiar to local residents but is becoming well-known by churches interested in buying pipe organs.

Fouser Pipe Organs, a company that is owned and operated by Robert Fouser, is located at 190 Hardenburg St., near the intersection of Mill and Holbrook.

The old building, once occupied by the Laopham Store, a general store that was a center of Plymouth business, is now being modernized outside with a contemporary design.

Fouser Pipe Organs is the only known pipe organ manufacturer in Michigan and one of probably only a dozen in the nation. The firm moved here two years ago from Birmingham.

The organs are built from the "ground up" and are now located in over 20 churches in Michigan, Ohio, Iowa and North Dakota. All Saints Lutheran Church in Livonia is another nearby user of a Fouser organ. Owner Robert Fouser got started in the business after his graduation from Michigan State where he majored in math and physics.

"It started as a hobby when I attempted to fix up an old organ. Then I got interested in constructing my own pipe organ by using new techniques to replace some of those which I felt have been out of date. I figured I could produce both a better and lower cost pipe organ."

In 1955 Fouser conducted experimental work and in that year landed his contract for the first pipe organ with St. Peter's.

Mr. Robert Fouser

### Christmas Party Planned by Rosary Society

Our Lady of Good Counsel Rosary Society is making plans for the Christmas party they are planning for Dec. 6.

'Christmas Around the World' is the theme of this year's affair. Each member of the Rosary Society is requested to bring one new article of clothing to fit a child between the ages of 14 and infancy. The contributions will go to the Pope's Warehouse for distribution to needy youngsters throughout the world.

For the pleasure of the 150 or more women expected to attend, a fine program of Christmas music will be directed by Phyllis Mitchell.

Committee women preparing for the party include: Rita Welsh, Ruth Jamrog, Alma Riess, Angela Thomas, Marlene Holliday, Jackie Swanson, Sally Brodie, Mary Jane Minahan, Virginia LaGrow and Betty Koch.

CLOTHING FOR needy children will be brought to the Our Lady of Good Counsel Rosary Society Christmas Party on Dec. 6. From left, sitting, are Mrs. Julius Brodie, Mrs. Clayton Koch,

chairman; Mrs. Gary Hollidan. Standing: Mrs. Herbert Swanson, Mrs. Joseph Minahan, and Mrs. John LaGrow.

### NEWS IN BRIEF -

Mr. and Mrs. H. Benn Corwin of Ann Arbor Trail will have as their guests on Thanksgiving Day Mrs. Corwin's mother, Mrs. Carl F. Rice of Lansing, Mrs. Corwin's two brothers, Mr. Steve Rice of Ionia and Mr. Boyd Rice of Lansing and their families will also be here.

Mr. and Mrs. Anthony Christiani of Maple St. traveled to New York last week to attend the wedding of a family friend. They also visited Niagara Falls enroute to their destination.

Mrs. Harry Black of Lilley Rd. spent the week-end in Baltimore, Md. where she visited her two sisters, Mrs. Helen Musselman and Mrs. Elsie Dinby.

Guests of Mr. and Mrs. Albert Pint of Schoolcraft Road for Thanksgiving dinner will be Mr. and Mrs. John Pint and family, Mr. and Mrs. Joseph Near and family, all of Plymouth and Rev. Father Arthur Near of Kalamazoo.

A coffee hour was held at the Plymouth Home and Training School recently. Auxiliary workers brought persons interested in offering their services to work with blind and retarded children and doing office work. Needless to say many volunteered. Also attending was the Childrens Unlimited Organization from Detroit which works specifically in the field of helping blind children.

The William Stone Circle of the First Baptist Church met Nov. 14 at the home of Mrs. Donald Williams of Arthur St. The members brought candy, jam and jelly which will be placed in Thanksgiving baskets for shut-ins.

Mr. and Mrs. Alan Finney recently returned from a five-day stay at West Palm Beach where they attended the Piper Airplane sales convention. They also enjoyed a flight to Grand Bahama Island where they spent a few hours.

### Items Made by Disabled Go On Sale Next Week

PLYMOUTH ROTARY ANNS will hold their annual sale of articles made by the homebound handicapped of Western Wayne County at the Kroger store here Dec. 5-9. Proceeds of the sale are returned to the individual handicapped persons who made the items. One of the handicapped persons furnishing loom-made articles is Mrs. D., a resident of this area, who is a diabetic leg amputee. Mrs. Robert Mauer, Mrs. Robert Beyer and Mrs. Russell Isbister are chairmen of this year's Rotary Ann committee. Items include rugs, toys, aprons, ceramics, stationery, After-ski sox, hand-knit baby items and many novelties.

Thirty women of the Novi Baptist Church honored the former Nellie Thompson, Sutherland St., at a combination birthday and going-away luncheon at the Mayflower Hotel recently. The ladies, who came from nearby communities, presented the guest of honor with a lovely gift. Miss Thompson became the bride of Floyd M. Cudney of Belpre, Kansas on Saturday of last week and will make their future home in that city.

### Newlyweds to Live in Milford

Mr. and Mrs. Edwin McCurdy of Milford, Mich., announce the wedding of their daughter Bonnie Lorraine to H. Donald Smith. The nuptials took place Saturday, Nov. 11, at the Christ Lutheran Church in Milford.

After the wedding a reception was held at the I.O.O.F. Hall for 200 guests.

Donald is formerly from Plymouth and attended Plymouth High School before serving three years in the Navy. He is the son of Mrs. Margaret Schifle and Howard L. Smith of Dearborn.

The young couple will reside in Milford.

### See You There

A date to circle on the calendar is Saturday, Dec. 2, when the Symphony Guild will hold their Starlight Ball in the cafeteria of the Junior High School. There will be dancing from 9:30 p.m. until 12:30 a.m. to the music of Bob Durant. At 10 p.m. a drawing for a silver coffee service will be held. Tickets are \$4 per couple and may be purchased through Mrs. Ray Hulce at GL 3-3858.

Monday, Nov. 27 at 8 p.m. a Stanley Party, given by the Plymouth Grange at their hall, 273 S. Union Street. All members and their friends are invited.

Monday, Nov. 29 at 12:15 p.m. the Rotary-Anns will have their regular monthly meeting at the Mayflower Hotel. Mrs. Perry Richwine, a fellow member and speaker for the day, will show slides of the Richwine Alaskan trip.

Phi Gamma Alpha Chapter of Beta Sigma Phi will meet Monday, Nov. 27 at 8 p.m. at Nancy Fender's home in Livonia. Members are reminded of the fashion demonstration for friends and relatives on Wednesday, Nov. 29.

The second meeting on the current program of the Men's Club of the First Methodist Church will be held at 8 p.m. Monday, Nov. 27 at the church. Dr. Raoul Rodriguez, of the U. of M., will speak on "Cuba Today". All men of the church and their friends are invited to take part in this timely and enlightening program.

### Twelve Inducted into Lions Club

Twelve men were inducted as new members of the Plymouth Lion's Club at last Thursday's meeting of the service club at the Mayflower Hotel.

It was the largest group ever inducted by the club and one of the largest in the Lion's zone.

The new members are Robert Laffey, Roger J. Vaughn, Jr., Elmer G. Kohn, Richard J. Miller, Steven N. McEwen, Charles Cude, Joseph Wagner,

John Zumbun, George Illingsworth, John R. Scott, D. John Dodge and Harvey Ziel.

Zone Governor E. L. Gardner was present to welcome new members into Lionism. The speaker for the evening was Dr. Maurice M. Croll, ophthalmologist, who presented a movie and a talk about his experiences in the jungles of Brazil, both as a visiting physician and as a fisherman.

Marilyn Wall attended a special pajama party at the home of Miss Patricia Fehlig of Church St. Rosie Battle, Cindy Lacey, and Ann Mills participated in the evening's festive events.

### Senior Citizens Have Potluck

A potluck dinner was served at the last meeting of the Senior Citizens of Plymouth meeting in the Masonic Temple. About 75 citizens were present. Hostesses were Mrs. Edith Sockow and Mrs. Evelyn Fisher.

Esther Jacobs and Molly Tracy presented a brief play, "As Advertised." Cards and sewing of cancer pads were part of the afternoon's activities.

Trips to Cranbrook and Jack Miner's Bird Sanctuary were enjoyed by a large group of members recently.

Shuffleboard was played Nov. 16 at Bird School. This group meets every Wednesday night.

# Dance Tickets Still Available

Tickets are still available for the Plymouth Symphony Women's League Starlight Ball being held Saturday, Dec. 2 at the Junior High School.

The annual Symphony dance is always one of the social highlights of the year in Plymouth. Music this year is being provided by Bob Durant and his orchestra. A regular performer for the Bloomfield and Grosse

Pointe Hunt Club dances, Durant's orchestra is a versatile organization that plays a large variety of numbers and styles.

The dance starts at 9:30 in the Junior High Cafeteria. At 10, several silver serving pieces will be given away to the guests. They must be present to win.

Tickets are available at the Melody House, at the William Sempliner law office on S. Main

and the office of Dr. John Robison on Penniman Ave. Guild members also have tickets.

This year's dance is being held in early December instead of the in-between Christmas and New Years date of past years. Profit from the dance goes for Symphony projects. Tickets are \$4 a couple.

The dance is one of three projects a year given by the Women's League. The others are the Pop Concert and the Theatre Night.

Mrs. Ray Hulce is general chairman of the dance. Other committee members are Mrs. Carl Cederberg, Mrs. Ervin Fronk, Mrs. Lloyd Gates, Mrs. Loren Gould, Mrs. Harold Guenther, Mrs. Kenneth Hulsing, Mrs. David Mather, Mrs. Robert Maurer, Mrs. Thomas Nichols, Mrs. John Robison, Mrs. William Sempliner, Mrs. David Wood, Mrs. George Bauer, Mrs. Gordon Jewell, Mrs. Robert Utter, Mrs. Ralph Lorenz, Mrs. Paul Wiedman, Mrs. Walter Gemperline and Mrs. James Randall.

The dance ends at 12:30 a.m.

## Vivian News

The Twenties will roar again at the Plymouth Elk's Lodge on Saturday evening, Dec. 2. The event is being sponsored by the Vivians.

Once again the flappers, with their bobbed hair, knee-length fringed and beaded dresses and head-ache bands will be much in evidence. A speakeasy atmosphere amid blazing jazz will set the background for the "Flirty Flappers" floor show.

A Charleston contest in which guests may participate will be the highlight of the evening. Prizes will be awarded to the best dancers.

Mrs. Gordon Hartford, chairman, is assisted by Mrs. Bill Swadling. Committee members include Harold "Red" Wilson, Mr. and Mrs. Art Roberts, Mr. and Mrs. Robert Bingley, Mr. and Mrs. Ken Harriman, Mr. and Mrs. Ed Wingard, Mr. and Mrs. Dale Deringman.

Everyone is requested to get in the mood and come in costume as there will be awards.

Music will be provided by Gordie Hartford's band and a typical "Coney Island Buffet" will be prepared by Alice and Jack Moran.

Supplies for the events were provided by the Arthur Murray Dance Studio in Ann Arbor. Serving in this capacity were Jennie and Sophie Pianos, Karen Bucy and Barbara Foster, all dancing instructors.

Choice of dance styles to be judged were selected by the Plymouth High School Student Council and consisted of slow and fast steps closing with the increasingly popular "Twist."

Beginning with 10 couples, the judges singled out four pairs for the finals. Competition became so keen at this point that several extra dances had to be repeated before a winner could be determined. Ultimately, however, first place was awarded to Robin Toll and Walter Densmore, members of the Junior and Senior class respectively. Finishing a close second were Seniors Linda LaGrow and Tom Goodman. Third place was

OPTIMIST CLUB President Roger Smithling, kneeling at left, and Secretary-Treasurer Robert Tripp are shown with winners of the Teen Age Dance Night competition. From left are Robin Toll and Walt Densmore, first place; Linda LaGrow and Tom Goodman, second; Nancy Austin and Joe Geitgey, third; and Madelyn Moss and Al Larson, fourth.

## Teen Dance Offers Close Competition

Highlighting their observance of National Youth Appreciation Week, the Plymouth Optimist Club, regular sponsors of Teen Age Dance Nights held semi-monthly at the High School, provided a special attraction for over 230 students last Saturday evening by staging a popular dance contest.

Program Chairman Richard Wheaton, to whom the responsibility fell for completing all the arrangements, indicated that such favorable response by the students could well result in

this event becoming an annual affair.

Sponsorship of such dances are but one of the many activities supported by the Optimists in their continuing efforts to provide organized recreational activities for the Youth of Plymouth.

Optimist members and their wives serving as dance chaperones for the occasion included Roger Smithling, Mr. and Mrs. Robert C. Tripp, Mr. and Mrs. William Baumgartner, and Mr. and Mrs. Walter Scott.

## NEWS IN BRIEF

Mr. and Mrs. Eugene Conant of Napier Rd. had as their guests last Sunday Mr. and Mrs. Grover Colby. Mrs. Colby is Mrs. Conant's sister.

Mr. and Mrs. John Cockran spent two weeks at the home of Mrs. Cockran's father, Mr. William Peck in Kansas City, Mo.

Mr. and Mrs. Ray Dennison of Gyde Rd. entertained Mr. Phil Ashton and his wife, Mildred. Plans for a forthcoming colonial pageant were discussed.

Mrs. Floyd Burgett entertained a group of ladies at cards Thursday evening at her home on Northville Rd.

Persons between the ages of 21 and 50 and pregnant women up to their seventh month have been found to be particularly susceptible to sunburn.

**Seek Boys To Fill Three Hockey Teams**

Boys interested in joining a hockey team this winter are being invited to travel this Saturday to the University of Michigan rink for practice and try-out session.

Jim McKindles said that teams are being formed for boys 15 and 16, 13 and 14 and under 12 years.

Those interested should contact McKindles at GL 3-7036 for departure time and the cost.

## Engaged

Karla Jean Herbold

Dr. and Mrs. William C. Herbold, 1376 W. Ann Arbor Trail, announce the engagement of their daughter, Karla Jean, to Stafford G. Davis, of Evanston, Ill. He is the son of Mr. and Mrs. S. W. Davis of Chicago.

Miss Herbold, a 1958 graduate of Plymouth High, is a senior at Northwestern University and a member of Kappa Alpha Theta sorority. Mr. Davis, a Northwestern University graduate and member of Phi Kappa Psi fraternity, is Director of Information Services for the university.

The couple plan a June wedding.

**Cadillac**

A matter of minutes confirmed it's fame!

He had heard and read a great deal about this 1962 Cadillac over the past several months. And frankly, he wondered if any motor car could live up to the compliments that have come the way of this new "car of cars".

Well, he has just spent thirty minutes at the wheel—and the evidence is unmistakable.

**Exhibit A: the way it looks.** Inside and out, Cadillac styling has an undeniable sense of "rightness" about it. And its colors and fabrics are all master touches of elegance and luxury.

**Exhibit B: the way it rides and handles.** Boulevard or back trail, this one takes the road with incredible ease. Steering is little more than a gesture... and the car's ride is so level and smooth and quiet that it seems almost to float over the highway.

**Exhibit C: the way it's built.** The car is crafted to the most meticulous standards that can be placed over the manufacture of an automobile—and more than 1400 inspections now guard the production of every model. Here is quality that can be seen, and felt and sensed.

The verdict, of course, is indisputable. This is the zenith of sixty years of fine-car design and engineering. This is a Cadillac among Cadillacs.

We suggest, however, that you visit your dealer's showroom soon and act as your own jury. He'll be happy to present the case for Cadillac at any time.

# Plymouth Board of Education Minutes

The regular monthly meeting of the Board of Education of the Plymouth Community School District was held Monday evening, Oct. 9, 1961, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan, at eight o'clock.

Present: Members Fischer, Hulsing, Kaiser, Niemi, Utter and Zylstra; Superintendent Isbister.  
Absent: Member Soth.  
Also present: Mr. Meldman, Mr. Ross, Mr. Kowalcik, Mr. Fulton, Mr. Donegan and Mr. Sponseller.

President Niemi called the meeting to order at 8:00 p.m. It was moved by Member Kaiser and seconded by Member Utter that the minutes of the meetings held on September 11 and 15, 1961, be approved as read.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Utter and Zylstra.  
Nays: None.

The motion was carried.  
It was moved by Member Kaiser and seconded by Member Utter that the following bills with Voucher No. 6511 deleted be approved for payment:

Vouchers	
6334, Nat'l Bk. of Det. Sv. Rcpt.	\$500,000.00
6334, Payroll, 9-22-61	80,746.48
6335 to 6633, inclusive	39,232.19
Bldg. & Site Sinking Fund: Vouchers 101 to 112, inclusive	110,932.54
Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Utter and Zylstra.	
Nays: None.	

The motion was carried.  
The question of whether to charge Voucher No. 104 to the Building and Site Sinking Fund or reclassify it as an item of maintenance was referred to the Administrative Assistant.

Member Zylstra distributed for review a copy of A Study on Other Sources of Revenue for the Public Schools made by a committee of the Wayne County Association of School Boards of which he is a member.

Mr. Ross, speaking for the employees who are members of the Boiler Operators' Union, stated that according to his analysis of the bi-weekly schedule of salary payments certain inequities accrue when 27 pay periods occur within the year. It was pointed out to Mr. Ross that the salaries are paid on an annual basis and the audit shows that all the employees received salaries in accordance with the schedule during the fiscal year in which they were due. It was mutually agreed, however, that another audit would be taken and if inequities were discovered, appropriate adjustments would be made.

It was moved by Member Kaiser and seconded by Member Hulsing that the following recommendation submitted by Superintendent Isbister be approved: It is my recommendation that we consider the West Junior High as an annex of the East Junior High School during the first two years, or until such time as the second unit is completed and it becomes an operating junior high school. You will remember that our plans call for placing all the seventh grades and possibly some sixth grade students in the new building when it opens in September, 1962. To effect an orderly transition of personnel, equipment and instructional materials back and forth between the two buildings during this interim period, I am recommending that Mr. William Harding be named the principal of both buildings and that he be authorized to recommend to the superintendent for appointment a full-time assistant principal in the East Junior High School and another full-time assistant principal in the West Junior High School. The division of Mr. Harding's time and the work load of these two assistants would, of necessity, have to be worked out so that students and teachers in each school would receive their share of administrative leadership and supervision.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi and Utter.  
Nays: Member Zylstra.

The motion was carried.  
Member Zylstra explained his negative vote with the following statement: "Mr. Zylstra would like to have a more fully developed suggestion from the superintendent covering the following points involved: (1) What increase will be presented to the Board of Education covering the added duties; (2) What disposition will be taken on the present two one-half time and one full-time employees; (3) What will be the specific duties of the two new added assistant principals amount to."

It was moved by Member Zylstra and seconded by Member Kaiser that the requests of Milan Danovch and Herbert Woolweaver to attend national conventions be approved.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Utter and Zylstra.  
Nays: None.

The written report submitted by Eugene Alexander following his attendance at the American Psychological Association was reviewed.

It was moved by Member Hulsing and seconded by Member Fischer that the annual tuition rates be established at \$358.50 for elementary students and \$372.22 for secondary students.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Utter and Zylstra.  
Nays: None.

The motion was carried.  
Member Kaiser, Co-chairman of the Employee Relations Committee, reported meetings being planned with Plymouth Education Association representatives.

Member Fischer, Chairman of the Curriculum Committee, distributed copies of the curriculum reviews planned for the current school year.

President Niemi, Chairman of the Finance Committee, discussed plans for long range study of school finances. He asked members of the Board to recommend citizens for appointment to an advisory committee which would assist in this study.

Member Utter reported on the activities of the Adult Education and Recreation Commission.

The question of the school district's liability in case of accidents or injuries to people on school properties was discussed.

The motion was carried.  
A special meeting was called for Tuesday evening, October 24, 1961, at 9:00 p.m. for the purpose of canvassing the votes in the Community College election.

The meeting adjourned at 11:55 p.m.

A special meeting of the Board of Education of the Plymouth Community School District was held Monday evening, October 23, 1961, in the Plymouth Community Junior High School-East library, 1042 South Mill Street, Plymouth, Michigan, at 8:00 p.m.

Present: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra; Administrative Assistant Blunk and Superintendent Isbister. Also present: Junior high school staff members Bluhm, Franconer, Spring and Harding; Senior high school staff members Baughman, Campbell, Close, Ingram, Moisman and Bentley; Mr. Warren and Mr. Jordan.

Member Zylstra, Chairman of the Curriculum Committee, served as discussion leader during the review of the industrial arts program. Prior to the meeting the industrial arts teachers had prepared for distribution a written report covering the scope of the program.

In general, the discussion centered around the following topics:

1. Content and sequence of courses
2. Number of students both college and non-college bound who are currently enrolled
3. Techniques of instruction
4. Continuity and coordination of the program
5. Counseling and guidance
6. Equipment and space
7. Special education
8. Individualized instruction
9. Requirements of the Smith-Hughes program
10. Class sizes
11. Strengths and weaknesses of the program

President Niemi expressed appreciation to the group for the time and thought which was given to this important review.

The meeting adjourned at 11:00 p.m.

Respectfully submitted,  
Esther L. Hulsing, Secretary  
Board of Education

A special meeting of the Board of Education of the Plymouth Community School District was held Tuesday evening, October 24, 1961, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan, at nine o'clock.

Present: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra; Administrative Assistant Blunk and Superintendent Isbister.  
Absent: None.

Also present: Mr. Jordan, Chairman of the School Community Planning Group.

President Niemi called the meeting to order at 9:00 p.m. It was moved by Member Fischer and seconded by Member Kaiser that a bill from Wheeler, Becker and Associates, Inc., in the amount of \$700 be paid from the Building and Site Sinking Fund.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra.  
Nays: None.

The motion was carried.  
It was moved by Member Kaiser and seconded by Member Utter that a bill from Paul C. Wiedman, Inc., in the amount of \$5,000, as the first payment on four school buses, be paid from the Operating Fund.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth and Utter.  
Nays: Member Zylstra.

The motion was carried.  
It was moved by Member Hulsing and seconded by Member Fischer that Change Order No. 5 in the amount of \$945 to Hickson-Costigan Company be approved.

Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth and Utter.  
Nays: Member Zylstra.

The motion was carried.  
Mr. Jordan, speaking in behalf of the School Community Planning Group, invited a representative of the Board to appear at each of the monthly meetings and report on the activities during the current month. He also expressed a willingness on the part of the group to work closely and cooperatively with the Board in studying the problems of the Plymouth Community Schools. It was mutually agreed that these recommendations would be implemented.

President Niemi volunteered to be present at the next meeting of the Planning Group. The Curriculum Committee will also report at the meeting.

A letter and a resolution from the Gibraltar Board of Education relative to a proposed change in time for local tax collection were read. The Superintendent was directed to respond to the letter noting that the Board felt that this was a matter for legislative action and not one for a constitutional mandate.

It was moved by Member Soth and seconded by Member Utter that the regular monthly meeting scheduled for Monday, November 13, 1961, at 8:00 p.m. be changed to Tuesday evening, November 14, 1961, at 8:00 p.m.

# Obituaries

## Thomas (Jeff) Rice

Thomas J. (Jeff) Rice, born July 27, 1872, passed away at Eastlawn Rest Home in Northville Nov. 19, where he had been a patient since May 1956. He was 89 years old.

Born July 27, 1872 to Margaret (Sanford) and Hugh Rice in Scio, Michigan, he came to this area in 1937 from Ann Arbor.

He is survived by one son, Lester, of Plymouth; one daughter, Virginia of Las Vegas, Nev.; one granddaughter, Linda May Allen of Oakland, Calif. Also one daughter, Minnie Taylor, by a former marriage, four grandchildren and three great-grandchildren.

Grandchildren by the first marriage are: E. Samuel Taylor, II, of Ypsilanti; Murrell Taylor, Gould of Gunnison, Colo.; Harlos Taylor of Los Angeles; and Landon Taylor of Plymouth.

Services were held Tuesday, Nov. 21, from the Schrader Funeral Home. Reverend David T. Davies officiated.

Interment was in Forest Hill Cemetery in Ann Arbor.

## Millie Waldecker

Following a lengthy illness, Mrs. Millie Waldecker, of 300 South Mill, succumbed Thursday, November 16, at the Uni-

## ARE CARS GETTING MORE EXPENSIVE?

A disgruntled motorist complained recently that "cars are getting so expensive these days that people soon won't be able to afford them." It just shows that as we get used to something our expectations always keep ahead of us.

It is true, of course, that over the last twenty years the price of the average automobile has increased. In actual fact, about 15%. This has led to one of the most tenaciously held of modern myths — that cars are getting costlier year after year in relation to our income.

In reality, the opposite is true. Income averages over the last twenty years compared with the cost of the average car show a steady and significant decline in the REAL cost of cars.

In 1940, when the average annual wage was \$1,050, compared with a standard 2-door sedan at \$1,002, it took 95.7 percent of average annual earnings to buy a car. This percentage dropped to 79.6 in 1950 and to 74.52 in 1960. And most present Federal and local taxes were unknown in 1940.

Coupled with this, today's car is at least twice as good as one twenty years ago: twice as durable; twice as powerful; twice as comfortable; and with dozens of accessories unknown then.

Now as then, however, automobiles are still just machines that are bound to have faults. They need the care and service with which a reputable dealer backs up his product, if the motorist who buys it is going to get the satisfaction he has a right to expect.

# Canton Residents Report from Florida

## Canton

(Continued from Page 1)

They own some two and a half miles of assessable property. There are no occupied homes on their property, however.

Besides the homeowners who are in need of water, several developers also have hopes of water reaching the northern Canton Center Rd. area so that they can proceed with subdivision plans.

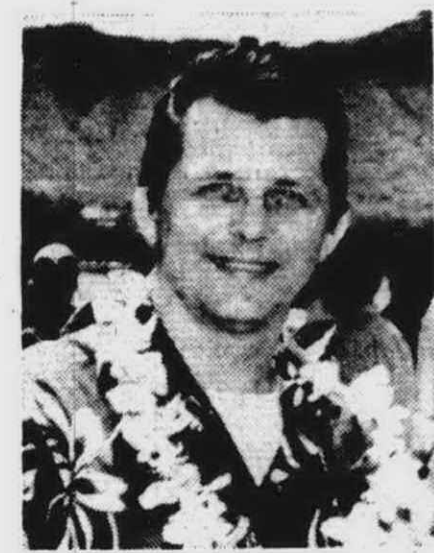

Dingley said that the Township should learn more from the County within the next few days concerning their plans.

## New Officers

The Plymouth Township Planning Commission has elected new officers, it was reported to the Township Board. They are: chairman, Arthur Haeske, 41980 Brentwood; vice-chairman, Russell Ash, 11816 Brownell; secretary, Tivadar Balogh, 49800 Joy Rd. Russell Ash was chairman during the past year.

## Kurt Thrun Announces "Hawaii Calls" Tour

After several visits to the Islands, I have arranged one of the most exciting Hawaiian itineraries ever offered. You have a choice of leaving Jan. 29, via steamer, from San Francisco to Honolulu, or you may fly on Feb. 3 from Detroit to San Francisco and on to Honolulu from there. I will personally accompany the tour.

Everything has been done to provide you with the very best during your stay. The itinerary includes the following features:

- The Kodak Hula Show
- The Mount Tantalus Tour
- Visits to the Islands of Maui and Hawaii
- Sunset Catamaran Cruise
- Night-Club Tour visiting the Royal Hawaiian, Club Oasis, and Duke Kahanamoku's
- Pearl Harbor Cruise
- Visit to Dole Pineapple Cannery and Bishop Museum
- Authentic Hawaiian Luau
- Hong Kong Dinner
- Fashion Show
- Farewell Dinner at the Tapa Room.

We will stay at the magnificent Hilton Hawaiian Village, an 18-acre playground overlooking the blue Pacific. From Detroit, the tour prices are: \$1046 per person (via steamer); \$898 per person (via air). Request a detailed itinerary now. There's absolutely no obligation.

TRAVEL CENTRE  
1049 SOUTH MAIN  
PLYMOUTH, MICH.  
Please send a copy of the "Hawaii Calls" itinerary to:

## Esther Spreng

GL 3-194

On Sunday, Nov. 12, a little girl was struck by a car on Canton Center and Ford Roads. The identity of the girl was not known, but we have discovered that she is not yet a resident of the Township, but was visiting from Detroit with her parents, who are planning to make their residence on Canton Center Rd. To date there has been no further information as to her condition.

A get-well wish is sent to Mrs. Joe (Hazel Barton) who is in Ridgewood Hospital for observation.

Miss Sue Grady, daughter of Mr. and Mrs. Sam Grady of Cherry Hill Rd. was hostess to friends and neighbors at a Sandra Party on Nov. 16. After the demonstration, the guests were invited to shop at leisure, and to join their hostess and her mother, Mrs. Sam Grady for refreshments.

FORMER CANTON residents, now living in Englewood, Fla. keep up with their former neighbors and friends through their subscriptions to the Plymouth Mail.

The past week, your columnist received a letter from Bob and Margot Mitchell, former Ford Rd. residents. Sometimes in hearing from this couple, you have a feeling they must be working for the Chamber of Commerce, for they seem to be enjoying their Florida home to the fullest.

Mrs. Mitchell writes that upon returning from a fishing trip, a car drove in their driveway and out popped the Gene Abbot family to pay a visit.

Canton residents will remember Mr. Abbot as proprietor of the Shell Gas Station on Ford and Canton Center Rd. The Abbot live at West Palm Beach now, and the Mitchell's felt that Florida living has really agreed with them also.

Survivors include a son, Meryl E. Flanagan, Sr., of Detroit; a step-son, Robert E. Lutz, of Lincoln Park; one brother, Martin Kurze, of Detroit, and one sister, Mrs. Helen Goudswaard, of Grand Rapids. Also surviving are six grandchildren and five great grandchildren.

## Infant Boy Carnell

Funeral services will be held Wednesday at 10 a.m., Nov. 22, at the Schrader Funeral Home for Infant Boy Carnell.

Surviving him are his parents, Mr. and Mrs. Samuel S. Carnell, III; one brother, Samuel Stewart Carnell, IV; grandparents Mr. and Mrs. Samuel S. Carnell, II, of Plymouth; and Mr. and Mrs. Elmer T. Garwood of Bradford, Pa.

Reverend Melbourne I. Johnson, D.D. officiated. Interment will be in Parkview Memorial Cemetery in Livonia.

## 'Thanks'

(Continued from Page 1)

will be a layman, Leonard Ritzler.

A special service on Thanksgiving Day has been announced by First Church of Christ, Scientist, on Ann Arbor Trail, starting at 10:30 a.m.

The Riverside Park Church of God on Plymouth Rd. and Newburg Roads will have an 8:30 a.m. service on Thanksgiving Day, the pastor, Rev. Rolla Swisher, announced.

The Seventh Day Adventist Church members will be working on the construction of their new edifice on Napier Rd. Thanksgiving Day and will be brought a Thanksgiving message at their Saturday morning service.

went on to state that their pointsettias are in bloom, but that they could use some rain to freshen things up a bit. Another former resident of many years spent the last week visiting in Canton Township with his daughters and families, Mrs. Charles Combs, Mrs. Neal Looney and Mrs. James Johnson (all of Beck Rd.). Mrs. Orr scheduled her visit so that she would be able to attend the Cherry Hill Methodist Church Ladies Group Reunion.

THE ESTHER CIRCLE of the Cherry Hill Methodist Church held their anniversary. The Tea was attended by 46 ladies and those who at one time belonged to the Esther Circle but have now moved away or are no longer able to attend, were, Mrs. Robert Orr of Hudson, Mich., Mrs. Hildegard Theisen of Garden City, Mrs. Stanley Atwell of Denton, Mrs. Bernice Thomas of Plymouth, Mrs. Iona Bassett of Canton, Mrs. Dutho of Canton and Mrs. Irene Schroeder of Vineyard Lake, Mich.

The General Chairman for the Program was Mrs. Betty Freedle. Mrs. Stanley West recalled the history of the Circle for the ladies. The organizational meeting was held September 1936. The first president of the group was Mrs. Al Schultz, Mrs. Atwell, secretary, and Mrs. Betty Freedle, treasurer. Charter members present, were Mrs. Hildegard Theisen, Mrs. Betty Freedle, Mrs. Atwell and Mrs. Stan West. Mrs. Freedle and Mrs. West are still active members of the group. In fact, Mrs. West is now president. Mrs. Alice McKim baked three cakes in the form of crosses and the tables were centered with mums of yellow and bronze. Each guest received a corsage of mums at her place at the table.

CONGRATULATIONS are in order to Mr. Harold Lamb, son of Mr. and Mrs. Harold Lamb of Ford Rd. Harold took as his bride, Carol Ann Stronksi, daughter of Mr. and Mrs. Ervin Stronksi of Detroit. Harold and Mrs. Carol Ann, both roller skating

enthusiasts, met while skating. The couple were united in marriage at a quiet ceremony with their attendants, Mr. Danny Hargrove, best man and his wife Marian, matron of honor.

The new Mrs. Lamb chose a suit in the brown tones, adorned by a corsage of yellow rose buds for her wedding. Following the ceremony, the couple were feted with a buffet lunch by the groom's parents at their home on Ford Rd. The 24 guests included members of the bride and groom's families. Harold has now left to serve in the United States Air Force in Lakeland, San Antonio, Tex. Carol plans to join him following his basic training.

LAST WEEK we reported that the parents of Mrs. Christner's second grade at Gallimore School were to take their places at their son's or daughter's desk when the bell rang that evening. The following parents answered the roll call, Mr. and Mrs. Ernest Anderson, Mrs. Eugene Bronson, Mr. and Mrs. Nelson Caffey, Mr. and Mrs. Ed Cummins, Mrs. Sheldon Fulton, Mrs. Howard Green, Mr. and Mrs. Ronald Marrs, Mr. and Mrs. Ken Miller, Mrs. Marvin Newberry, Mrs. Henry Schwartz, Mrs. Joseph Slovik and Mr. and Mrs. Ralph Williams. We had no reports of anyone being sent back to the first grade, so all must have passed with flying colors. A thanks was sent out to the Girl Scouts for their fine job of baby sitting while Mom and Dad attended class. Mrs. Christner felt the evening a success. The group enjoyed refreshments following their studies.

THREE SUNDAY school teachers of the Cherry Hill Methodist Church attended teachers training classes in Ann Arbor. The conference asked the group to use new material in their 7th and 8th grade classes. The ladies attending the session were Mrs. McKim, Mrs. Irma Crawford and Mrs. Velma Conklin.

A date for the first grade Gallimore parents, with children in Miss Brown's and Mrs. Margaret McKenna's rooms to circle, is Nov. 28. The time is 6:30 to 8 p.m. and the occasion is classroom visitation for parents and children. Notes have been received (or should have reached you) by now asking you to state whether you will be able to attend. The students and their teachers are hoping for a 100 percent turn out. Refreshments will be served following the classroom visit and an opportunity to visit with your child's friends' parents.

IT IS FELT by your columnist that through social activities, clubs, schools, church and such are some of the most important items in our column, that Township residents would like to be better informed about matters concerning their Township. I contacted a member of the board, Phil Dingley, treasurer and Mr. Dingley agreed that we should try to keep you all up to date and that he will try to keep us informed. As usual we shall be only too glad to try and get the answers to questions you might have.

REPORTS ARE starting to sift in from the hunters seeking deer. One hunter who will be returning to the township with his trophy is Joseph Beaune who called ahead to tell his family of his good fortune or should we say good marksmanship.

## Pipe Organs

(Continued from Page 1)

but word of mouth has brought in many inquiries and orders. "We sell our product at 20 percent less than the well-known models, partially because we are new," the owner pointed out. "Right now we are developing a one-unit pipe organ for the home that can be moved in and is ready to play after it is plugged in."

A demonstration studio will be built inside the building's front entrance in which several organs will be displayed.

"We like it here," Mr. Fouser declared, "and the building is just right for our needs. The Fousers live on the second floor."

One might think that the producer of pipe organs may spend some delightful evenings in his shop trying out his newly-produced pipe organs.

But Mr. Fouser and no one in his company play the pipe organ. "I tune it and can play chords, but it isn't necessary to know how to play one in order to make them," he observed.

# Club's Liquor License, Land Fill, Stir Salem Twp. Debate

## By C. W. Clair

GL 3-2610

Two explosive issues have hit normally-quiet Salem Township, one involving a proposed gun club along Napier Rd. and the other the proposed use of a gravel pit for a sanitary land fill.

Two members of the three-member Zoning Board of Appeals approved the gun club zoning request and residents living in the area are not happy.

According to Glenn Renwick, Salem Township treasurer, one of these opposed to the club's location, the contention that the club would bring in more property taxes is not entirely correct. There are no Township taxes on the property so the Township as a whole would derive no benefit, but the School District No. 6 would benefit.

"But many of the people who would benefit by these taxes are the very ones who would rather pay higher taxes and have no gun club," Renwick said.

Opponents point out that "alcohol and firearms are not a desirable combination" and that liquor and firearms in the clubhouse may be tempting to inmates from the adjacent Detroit House of Correction where there are no armed guards.

In the land fill controversy, some 180 people attended a meeting Nov. 16 to express their views. J. Brummell, a member of the Township Zoning Board, had made the request for a permit to allow him to use gravel pits on his farm at 10680 Six Mile Rd. for use as a sanitary land fill operation by a rubbish contract firm.

Brummell said that when he got his gravel permit five years ago it was his intention to fill the holes up with refuse and level the top with dirt.

Residents of the area attending the meeting, however, strenuously objected, some noting that they would rather look at the holes than to contend with the rodents, smoke and smell of the dump. After a long and lively discussion, the chairman asked those in favor of granting the permit to raise their hands but no hands were raised.

Thieves Steal Television Sets, Radios from Store

Television sets and radios worth \$958 were stolen sometime Saturday night from Hubbs & Gilles on Ann Arbor Road. Plymouth police reported. Four new and one used television set, plus seven radios were stolen. Several suspects are being questioned.

In other police matters, Franklin Lobbestael, 1181 Roosevelt, was bitten on the end of a finger while playing with a garter snake in his home.

There are 23 complaints on file from people who claim their cars were spattered with paint when a contractor was painting the water tank near Church St. last week. Wind evidently carried the paint to the parking areas in the neighborhood.

Serophia Moore, 1030 Penniman, reported that all four hubcaps had been stolen from her car.

Brummell then withdrew his request and left the hall. There are reports that he will be asked to submit his withdrawal in writing and also resign from the Zoning Board.

Mr. and Mrs. Harlow Ingall of Joy Road attended the 125th anniversary of the Methodist Church at Morenci, Mich. Sunday, Nov. 12.

A new, double culvert has been installed on Chubb Rd. just north of Six Mile Rd. The cost of this long-needed improvement was equally shared by the County and the Township. The cost was \$2,750.

Have you noticed the new road signs at all of the road intersections in the Township? They were installed by the County. The township is paying for the signs at a cost of \$1,005.83.

The Suburban Farm Bureau met at the Howard Last farm on Napier Rd. Thursday evening.

Albert Shear of 8390 Brookville Rd. is in St. Joseph Mercy Hospital. He had surgery Tuesday, Nov. 14. His condition is very good and he is expected home sometime next week.

The members of the Salem Fire Department are attending Civil Defense classes in Ann Arbor.

Bert Stanbro of Salem Village had a very busy day and also a very happy one Tuesday, Nov. 14. It was his 90th birthday. It began with the Rev. Chipchase of the Salem Federated Church and 11 of Mr. Stanbro's friends and neighbors having lunch with him at his home.

After lunch they had a real old fashioned old hymn-sing. This group was at Mr. Stanbro's home for two and one half hours. Mr. Stanbro told the group that he had been singing since he was seven years old. After this group left, the old timers that Mr. Stanbro has known for many, many years came in. They were still talking about their old times together "till late in the evening. I tried to call him on the phone but phone calls were coming in so fast it was impossible to get his line. Over 50 cards were received.

Mrs. Martha Cinsmith on Curtis Rd. celebrated her 88th birthday Friday, Nov. 17. Mr. and Mrs. Charles Spear called on her and presented her with a birthday cake. They visited while had cake and coffee, then left at an early hour.

The infant daughter of Mr. and Mrs. Robert Lewis, Jr. died Wednesday, Nov. 15 of pneumonia. Burial was at the Fairview Cemetery in Ann Arbor Saturday, Mr. and Mrs. Lewis reside on Frederick St. in Salem Village.

Mr. and Mrs. Raymond Doolin of Salem Village took their infant son to the St. Joseph Mercy Hospital Friday with pneumonia.

Douglas DeJohns is home on leave from the U.S. Navy.

Mr. and Mrs. Ralph Wilson and Mr. and Mrs. Roy Kehrl of West Seven Mile Rd. spent a week with Mrs. John Harry in Detroit. Mrs. Harry formerly lived on Seven Mile Rd. in the Township.

## Elderly

(Continued from Page 1)

Capt. Davids said that his father-in-law walked to Plymouth and because of his walking, was in excellent physical condition. Mr. Dowdell, now conscious, said that he was walking about five feet off the road and that the car came off the road at him. Capt. Davids believes that his father-in-law may have lain along the road several hours before discovery.

Mr. Dowdell is suffering four fractures in his right leg, three fractures of the jaw and a fractured right hand.

Wayne County Road Patrol and State Police are still investigating the hit-and-run accident.

## School Planning Group To Hear Workshop Report

Superintendent of Schools Russell Isbister will present a report on the results of the pre-school workshop at the Wednesday, Dec. 6 meeting of the School Community Planning Group.

All citizens interested in school affairs are invited to participate in the group's activities. It will be held at the High School.

The last meeting, held at Smith School earlier this month, included two reports from Board of Education members.

Board of Education President Harold Niemi gave a brief resume of recent School Board activities at the invitation of the

group. This is a new program activity which will be continued for each meeting this year.

The program for the evening was a presentation of the Board of Education Curriculum Committee findings for the school year 1960-61 by Gerald Fischer, chairman of the Curriculum Committee, who was assisted by Mrs. Esther Hulsing, a member of that committee.

The School Community Planning Group leadership for this year is comprised of Eugene Jordan, chairman; Mrs. Grant Ridley, secretary; Don Alexander, chairman of the Group Curriculum Committee; George Conover, chairman of the Exceptional Child Committee; Harvey Ziel, chairman of the Facts and Finance Committee; and Thomas Workman, chairman of the Safety and Health Committee.

An Englishman named Bartholomew Gosnold settled on Cuttyhunk Island off southeastern Massachusetts 18 years before the Pilgrims landed at Plymouth. However, he abandoned his colony after three weeks.

Lobsters contain more iodine and mineral salts than any other food.

# The PLYMOUTH MAIL

Tuesday, November 21, 1961

Section 3

## Who's New in Plymouth?

**AS NEWCOMERS** to the area, The Mail introduces the George W. Broome family to Plymouthites this week. Mr. Broome, a pilot with United Airlines, recently transferred here from Virginia with his family. Mrs. Broome has already become active in Brownie and Girl Scout work and is interested in the Symphony Guild and Plymouth City

Panhellenic. The older girls find horseback riding, reading and music their favorite pastimes. Shown before the hearth in the family room of their lovely colonial home at 1440 Woodland Place, is Mr. Broome, Julie Ann, 6, Debbie, 11, Alison, 8, Mrs. Broome and Jamie, 4. Lady, the cocker spaniel, is the family pet.

## First Christmas Seal Contribution Sent from Here

Samuel L. Dibble Sr., of 957 Simpson, was the first person from Plymouth to send in a contribution for Christmas Seals in the 1961 Campaign which got underway on Monday, Nov. 13 and will continue through December.

The contribution is part of the \$325,000 goal needed to carry on the fight against Tuberculosis in Wayne County.

A total of 700,000 Christmas Seal Letters have been mailed to residents in Wayne County.

Postmaster Edward L. Baker, president of the TB Health Society, Wayne County's Christmas Seal organization, and Richard J. Jacob, chairman of the 1961 Campaign, urge everyone to use the colorful Seals bearing the double-barred Cross of Lor-

raine. The 1961 Slogan: 'Use Christmas Seals ... Fight TB ... Protect The Family Circle,' tells the story succinctly," Baker said.

The Christmas Seal Campaign is a joint effort by the TB and Health Society and the Detroit Tuberculosis Sanatorium. Contributions are used for health education for children and adults; X-rays and tuberculin tests to catch TB early; services to patients in local hos-

pitals; and for medical research, locally and nationally.

## Township Firemen Receive Radios

Plymouth Township volunteer and regular firemen are now completely outfitted with fire alerting receivers in their homes.

On a trial for three months, the receivers are small units over which firemen at home are told where to report for the fire. Five more receivers were received last week, making a total of 18 in use.

The central system is located in the Township Hall station. By pushing one of the several buttons, groups of five, six, seven or 12 firemen, or all of them, can be summoned at the same time.

## Co-eds Pledge To Sororities

Three young women from Plymouth attending Eastern Michigan University have recently been pledged to social sororities. They are: Susan R. Horvath, a sophomore, enrolled in Special Education, pledged to Sigma Kappa. She is the daughter of Mr. and Mrs. Elmer Horvath, 42767 Phoenix Court.

Jean Jacobs, daughter of Mr. and Mrs. A. C. Jacobs, 820 S. Evergreen, a sophomore enrolled in Early Elementary Education pledged to Sigma Kappa.

Rita Kimbrough, also a sophomore, has been pledged to Alpha Sigma Tau. Rita, the daughter of Mr. and Mrs. Osborne Kimbrough, 1350 Ross, is a student in the college of Art Education.

## WE HAVE A RENDEVOUS WITH DEBT

"Whether you're rich or poor," Jimmy Durante used to remark, "it's always nice to have money."

Now that "buy now, pay later" has replaced "no cavities" as the sweetest phrase in the language it appears that Americans have discovered a way to be both rich and poor at the same time. Or so we gather from reading a new book by Hillel Black called **Buy Now, Pay Later**. The book deals in readable fashion with our credit system, its strengths and weaknesses, the way it is used and abused today. It makes instructive, astonishing and somewhat frightening reading.

For instance, did you know:

That American individuals (not business or government) now owe 195 billion dollars? (This is an increase of nearly 200 percent in the past ten years.)

That Americans hold at least 57 million credit cards (Diners Club, etc.) with which they can buy almost anything without money? (You still can't get yourself a credit card funeral but this may be just a matter of time. Brains are at work on a "die now-pay later" scheme right now. Drawback so far: no one has figured out how to collect "later." We sort of hope they never do.)

That the interest you are paying right now on many of your credit transactions is probably higher than you believe it to be? Most consumers are totally unaware of the true rate of interest they are charged on loans and credit purchases—college graduates fail here as badly as those who have never been to school at all.

That "selling debt" has become vitally important to some retailers? On some commodities the profit from financing credit is more impressive than the profit on the product.

That interest on credit transactions can be computed in several different ways, all equally misleading?

Such, briefly, are some of the points developed in **Buy Now, Pay Later**. Any consumer can learn much from reading the book. The author has no ax to grind. He set out simply to inform borrowers on the way credit works today so that they may avoid deception and outright swindling and he has succeeded in his purpose.

## MORE ABOUT MONEY

Sylvia Porter is the financial columnist whose great talent is the ability to explain the workings of money even to those of us who seldom get close enough to the stuff to observe it ourselves. Her new book is called **How To Get More For Your Money** and it is just as peppy and informative as her columns. In fact, it is her columns, rewritten and arranged in logical sequence under such chapter headings as "The Economics of Daily Life" and "Hints on Investing".

We especially liked the section called "How To Understand Bafflegab" in which Miss Porter explains what politicians and industrialists really mean when they speak the ingenious jargon peculiar to Washington and financial circles. Even more admirable is the chapter entitled "How Much Has Inflation Robbed You?", after a reading of which anyone will be able to separate folklore from fact in the sticky topic of inflation.

If you like Sylvia Porter—or, for that matter, if you like money—you will enjoy **How To Get More For Your Money**.

## THE GOOD OLD DAYS... FROM THE PAGES OF THE MAIL

## Foreign Postal Rates Are Up

Many patrons are trying to mail letters to different countries at the old rate. Postmaster George Timpona pointed out this week. All international first class mail, postal cards and parcel post have had an increase in postage since July 1, 1961, excepting Canada and Mexico.

Rates are as follows: To Europe and South America, first class letters are 11 cents for the first ounce and 7 cents for each additional ounce or fraction of an ounce. First class air mail is 15 cents for each half ounce. Air letter sheets are 11 cents.

Parcel post rates are subject to the weight and distance of each country. The above rates do not apply to Asia, Africa, India and Australia, the postmaster said.

## 10 Years Ago

Up to the present time no one has disputed the fact that Raymond Coon, 14655 Eckles Rd., was the first among the several hundreds of Plymouth deer hunters to "get his deer" on opening day.

He had hunted less than an hour in the woods up near Oscoda when he brought down a nice fat buck.

On Monday, Nov. 19, Mr. and Mrs. John Schwartz of 8663 Lilley Rd., celebrated 61 years of wedded life together. They were joined by their children and a group of friends and relatives who wished them many more happy years together.

The Get-together Club met at the home of Mr. and Mrs. Walter Kleinschmidt on Nov. 10 with 26 members present. The next meeting will be at the home of Mr. and Mrs. Russell Rinehart on Dec. 1. R. O's a Rhiner and Marjorie Kleinschmidt will be on the committee.

Miss Sarah Gayde, Mr. and Mrs. Lisle Alexander, Mr. and Mrs. Jack Conley and Mrs. Florence Alexander will be dinner guests Thanksgiving Day of Mr. and Mrs. William Krause in Detroit.

Miss Neva Lovewell will be hostess at Thanksgiving dinner in her home on Pacific Ave., to Dr. and Mrs. Arthur Emery and son, Jack, of Pontiac and Mrs. Lila Humphries.

Mr. and Mrs. Albert Pint of Schoolcraft Rd., will spend Thanksgiving Day in Detroit as the guests of Mr. and Mrs. Edward Pint.

## 25 Years Ago

Dr. and Mrs. Luther Peck spent a few days last week in Baldwin visiting her sister and husband, Mr. and Mrs. R. J. Smith.

There were 38 members of the Get Together Club at the home of Mr. and Mrs. Charles Waterman last Thursday evening for the potluck supper and evening of cards provided for the guests. The next meeting will be held at the home of Mr. and Mrs. Oliver Herrick. The committee for that occasion will consist of Mrs. Lydia Ebersole, Mrs. Kathryn Herrick, Mrs. Grace Hunt and Mrs. Marjorie Kleinschmidt.

Mrs. Don Ryder entertained at luncheon last Tuesday Mrs. Glenn Smith and daughter, Mrs. Estel Merrillett of Plymouth, Mrs. M. Eva Smith, Mrs. Cludy Smith and Mrs. Emma Ryder.

Mr. and Mrs. Harry Scott, Mr. and Mrs. Bernard Scott and Mr. and Mrs. Edgar Wood of Detroit were visitors Sunday at the home of Mr. and Mrs. R. W. Wood.

Mr. and Mrs. Arthur Blunk and son, Douglas, and Mr. and

Mrs. Harry Mumby and daughter, Lila, enjoyed dinner at Frankenmuth Sunday.

Mrs. Leon Terry, Mrs. Edwin Campbell, Mrs. Roy Proctor, Mrs. Carl Caplin, Mrs. Edward Dobbs and Marvel Boyd are to be luncheon guests of Mrs. Harold Turner of Detroit today.

The second party of a series of three, given by the Plymouth Dancing Assembly will be held this Friday evening in the Masonic Temple. Don Patterson and his orchestra will furnish the music.

## 50 Years Ago

Chauncey Rauch of Plymouth made a business trip to Elm one day last week.

Mrs. Ira Wilson visited relatives in Detroit Tuesday. C. F. Smith started to put in a cement bridge for Hoisington Bros., but the cold weather shut them off.

Mrs. M. Hilliker of Ann Arbor, accompanied by her father and mother, Mr. and Mrs. James Levan, also Mrs. Ida Stoneburner and son, Harvey, left for St. Petersburg where they will remain for the winter.

Nina Becker, Mabel and little Thurbur visited Mrs. Roy Jewell in Plymouth last week.

The chicken thieves are visiting this locality of farmers. Will Heeny frightened two men away from his chicken house the other day.

Cady Hix and Maude Fulton were married at the Presbyterian manse Tuesday evening by Rev. B. F. Farber. Both are

young people from the vicinity of Tonquish and also well known in the village.

The first meeting of the P.H.S. Literary Society was held last Friday afternoon. Mrs. Isabel gave a very strong appeal for earnest work this year in the society, after which the following officers were elected: president, Herbert Warner; vice president, Ralph Brown; secretary and treasurer, Sadie Paulger.

Mrs. Sarah Hall of Grand Rapids and Mrs. Mary Curtiss of Detroit are spending the week with Mr. and Mrs. H. C. Robinson.

Carl Heide is so far recovered that he is able to get down to his greenhouse on pleasant days.

## More Hot Water Needed?

Now's a good time to have that new, larger water heater installed in readiness for the winter season. Proven makes, proven service, low prices! See our display and talk it over.

Michigan Mirror

Per Capita Sales Tax Was \$41.40

By Elmer E. White  
Michigan Press Association

**RESIDENTS OF MICHIGAN** paid an average of \$41.40 each in sales taxes during the fiscal year which ended June 30, according to the Revenue Department.

The previous year's per capita sales tax collections were \$41.00. Revenue officials said most of the increase was due to the new four per cent rate, rather than increased retail sales.

Eighteen counties recorded per capita collections higher than the state average. Of these, 10 were tourist centers and eight contained large metropolitan areas.

Roscommon County, classed as a tourist center, has the smallest permanent population among the 18 above-average counties, but led the list with \$64.28 per person collections. This was the 10th consecutive year the north central county held this position.

**CHEBOYGAN COUNTY**, another northern location which draws heavily on tourist business, was at the bottom of the counties above the state average with \$46.21 per capita.

Other tourist counties with above average collections were Grand Traverse with \$61.92, Emmet with \$60.40, Otsego with \$54.19, Crawford with \$52.83, Clare with \$48.87, Wexford with \$47.77, Isco with \$47.26 and Mackinac with \$46.51.

Counties with metropolitan areas on the list were Ingham with \$55.04, Kent with \$52.92, Kalamazoo with \$50.39, Oakland with \$48.81, Wayne with \$48.27, Calhoun with \$47.84, Bay with \$46.91 and Genesee with \$46.37.

**IF MICHIGAN'S** Historical Cycle is to continue its pattern of the last 15 years, the state will have a financial surplus in 1962, but most of the experts predict a break in the cycle.

A Citizens Research Council report showed Michigan's treasury recorded surpluses in the period from 1946-49 and 1954-57. Deficits were on the books in 1950-53 and 1958-61.

The Council pointed this would indicate 1962 will bring a surplus but said it did not "share this optimism."

**MICHIGAN'S** deficit was above the \$65 million mark in the 1960-61 fiscal year. This was the highest since the "cash crisis" of 1959.

Revenues from the increased sales and use taxes to date this year were below estimates and in most months fell below the collections last year when compared proportionately to the 1960 three per cent rate, said Revenue Commissioner Clarence W. Lock.

Some bright spots were noted in the October collections, when auto sales taxes rose markedly. Lock said "a strong boom" would be required if the \$462 million revenue estimate was to be reached and "a noticeable boost" would be necessary if income was to equal the \$432 million budget approved by the 1961 legislature.

**NEW TAXES** might be inevitable, the Research Council said. Lock steered away from any prediction on this question, and legislative budget takers said they could not write a stand on it at this time.

The 1962 Legislature will be hard pressed to make do with current revenues but ways to eliminate the mounting deficit will also be of primary concern.

**FOUR PROPOSALS** considered in past years by the Legislature after urging by law enforcement and safety officials were the focal points this year in a series of regional traffic safety conferences called by Gov. John B. Swainson.

Meetings at Sturgis, Muskegon, Birmingham, Houghton, Alpena and Cadillac under the auspices of the State Safety Commission discussed any and all phases of traffic safety of interest at the local level.

Gerald W. Shipman, executive secretary of the state commission, said the four points were emphasized by all-enforcement officials as well as safety-minded private citizens who attended.

**A STRONGER** chemical test with "implied consent" was emphasized first. Current law requires written consent to administer the tests.

Vehicle safety inspections by state-designated service stations should be written into the law, the conferees said. Discussions recommended State Police be authorized to check abuse of the law.

A joint traffic safety study committee in the Legislature was suggested to "filter out worthy proposals for bills and resolutions, assemble traffic safety information and make long range plans to meet the growing traffic safety problems."

**THE FOURTH** proposal, ranking in controversy perhaps with the chemical test recommendation, called for expansion of the 12-point violation system to all drivers. Juveniles are exempt from the point system under provisions of the probate code. Most juvenile authorities in the past contended this exemption should remain in the law.

**Letters TO THE EDITOR**

**An Open Letter To the Citizens of Plymouth:**

This is my family. My husband Ralph, fat little Jay, 13 months old, Bruce, 4 years old and a big tease, and Brad, 5 1/2 and full of charm and mischief.

Jay is a busy boy with much to do and many new things to see each day. Brad goes to kindergarten in the morning and spends the afternoons collecting "treasures" and dirt. Bruce spends his days at the Plymouth State Home and Training School. He is mentally and physically retarded.

Our three boys were pronounced healthy, handsome babies at birth. When Bruce was six months old the doctors diagnosed his problems as Cerebral Palsy; cause unknown. At 18 months retardation was evident. When he was two years old, institutionalization was recommended. Just before his third birthday we reluctantly placed him at the Plymouth State Home. We see him every week and bring him home for "visits" often.

We live in Livonia, but a picture of a family with a retarded child could be taken in many homes in every city and town. Bruce is not one of the chosen "few," for unfortunately, more than a few are "chosen". Mental retardation is not a pleasant subject. It is one we would all rather not think about. But it does exist, and all too often! Three percent of our total population is mentally retarded. Of the babies born in the state of Michigan each day, 17 of them will be mentally retarded! The subject, no matter how unpleasant, can no longer be ignored! As with other diseases, brain injury and brain damage has no respect for the church you attend, your income bracket, or your ability to accept the fact that your child is mentally retarded. There is no need to feel shame for a retarded child, only great sorrow at such a loss and waste of a human life.

There is great need for public education regarding mental retardation. I have asked the editor of The Plymouth Mail to print this message in your local paper because I feel that too often this problem has been considered the responsibility on a state and national level alone. YOU are a part of our state and our nation. There are retarded children and their families within your own city who need your help and your understanding.

There are over 100 causes of mental retardation. There must be much more research into the causes and means of prevention. President Kennedy has recently appointed a board of experts to devote their efforts to the expansion of research projects. He says, "The manner in which our nation cares for its citizens and conserves its manpower resources is more than an index to its concern for the less fortunate. It is the key to its future."

There are varying degrees of retardation. For some, the damage is not extensive. With acceptance of their limitation by their family and the community, a useful, productive life can be attained. Many retardates are educable and deserve the right to a public school education, the right guaranteed every child in the state of Michigan. With the understanding and cooperation of the parents, the community and the schools, special education classes can serve to educate the educable retardate to his capacity.

The severely handicapped retardate is usually made a ward of the state. The state assumes the obligation of the child when the need for specialized care exists, for parents have not the facilities nor the training to pro-

vide this care. Our institutions are over-crowded and understaffed. The conditions in many of the hospitals are deplorable! The waiting list of those committed by the state and accepted as wards, but for whom there are no beds, numbers 1,675!

What can you do to help the mentally retarded child and his family?

You can be understanding of this "special" child. Concentrate on his potential, not his handicap. If he is educable, feel the responsibility to see that he is educated. If he is trainable, help promote a training program within your city.

If he is severely retarded, see that there is space available for him in a hospital, that he receives adequate, humane care, and that therapy and training programs are available.

Most of our educators are aware of the needs of the mentally retarded child in the community. The administrative staff of most of the hospitals are aware of the needs of the institutionalized child. What could, and should be done is known, but the money for programming has not been appropriated by the State Legislature.

Any hope for progress in research, adequate facilities and programming in our schools, and humane care and habilitation of the mentally retarded child lies in your hands.

Last year the State Legislature cut the budget offered by the State Dept. of Mental Health to a minimum, basic-care program, by over two million dollars. This is your tax money that provides for these programs. Making no steps toward progress is a poor investment. Unfortunately, the appropriations for Mental Health have been used as a "political football" too often. It is the mentally retarded children born yesterday, today and those who will be born tomorrow who will suffer as a result. Their voices cannot be heard in Lansing, they cannot "pressure" their Legislators, they have no seats on a committee to offer, or blocks of votes to give. They cannot speak for themselves so you must speak for them!

Tell your Legislators, that as your representative, he must help alter this situation, and that you offer your support. The Legislature convenes in January and the voices of these children must be heard by then. Their needs are desperate and can wait no longer!

Public apathy has not been the cause of mental retardation, but public empathy may help find the cure.

Georgia Mossman

Voice of the Mail

Community Fund Rolls On

Once again the Plymouth Community Fund came through with a victory. Although the goal was higher than ever this year, Plymouth people met the challenge and poured some \$45,000 into the fund by the time that the drive closed Nov. 3. It should go higher yet when pledges and donations from some of the slower-reporting areas are tallied.

Those who work on such campaigns are certainly to be commended. For those who have never worked on one, it must be reported that calling upon fellow men to contribute to even such worthy causes are not all peaches and cream. There are some, of course, who cannot afford to give. But workers quite often find the paradox of those who seem to be less able to afford it often give more than those who can afford it.

Some volunteers noted with dismay that the checkout boys at a supermarket gave more than a number of men in good jobs and thriving businesses. A few establishments had to be re-visited three and four times before they would finally get down to writing a check — if they wrote any at all.

But fortunately, the majority of busi-

nesses, industry and individuals did recognize the need and helped once again to put the drive over the top. Plymouth's Community Fund is noted for its lack of high-pressure tactics. This is one of the reasons that most citizens prefer to keep Plymouth's united appeal independent of its big brother effort in metropolitan Detroit. Then too, a merger would mean that some of the agencies supported by the Plymouth Community Fund would not be supported by the United Foundation.

The problems of conducting separate drives are legion, and the Community Fund Board of Directors has been approached several times by the United Foundation in an attempt to negotiate a merger. But as long as citizens, business and industry of Plymouth continue to give the local organization their generous support, volunteers will be encouraged to keep this a Plymouth united appeal.

In this age of mergers and bigness we certainly don't feel that there is anything wrong with a community such as Plymouth trying to keep some signs of self-identification — and the Plymouth Community Fund remains one of them.

These Are Public Enemies

A letter received by the Plymouth Township woman echoes the sentiments of many people who are living in the rural parts of our community. It has to do with the destruction of mailboxes and the abandonment of unwanted dogs along country roads.

There is little a newspaper can say that will sway the warped minds of the kinds of people who perform either of these acts. At Halloween time, pumpkins tossed from speeding cars at mailboxes is a malicious sport. But destruction of mailboxes goes on throughout the year and it's quite a disheartening thing for those who attempt to keep the roadside boxes readable and attractive.

Postmaster George Timpona has issued warnings through our news columns many times throughout the years. Deliberately damaging mailboxes is indeed a federal offense and could result in some rather serious trouble for those caught.

THE OTHER complaint—tossing unwanted animals from cars—may seem like a harmless and easy way out, for instance, to those who happen to become owners of a litter of puppies. But those living in the rural areas take a dimmer view. Most of these dogs are not vaccinated against rabies and the consequences could be serious. Hungry dogs

finally wander to homes to find food. Sometimes they travel in packs. Parents must call in their children. If the dog warden is called, the dog can be a mile away by the time the warden arrives.

The obvious answer to these problems is to educate the offenders—but such people undoubtedly don't educate too well. The next best thing to do is to prosecute those who are guilty. According to Thomas Kind, director of the Humane Society of Washtenaw County at 3100 Cherry Hill Rd., south of Dixboro, State statutes provide up to three months in jail and \$100 fine for cruelty to animals, and this would include abandonment.

There are 11,037 lakes in Michigan, of which 411 measure more than 200 acres.

KIND recommends calling State Police immediately with a description of the car, and preferably the license number. The same would be true for mailbox vandals.

Anyone who has animals that are no longer wanted,

How's Business?

Price Trends Perplexing

By Roger W. Babson's Staff

Any attempt to evaluate business conditions and prospects must include a close look at the structure and trend of commodity prices. This sector provides valuable clues on basic supply and demand forces. Moreover, price trends reflect and affect business policy with regard to inventory changes and expansion of productive potential. Hence, by watching commodity price trends it is possible to ascertain the status of business sentiment. Trends of commodity prices are also important from the standpoint that they affect business profits and price tags at the retail level, which are vital to investors and consumers.

The behavior of commodity prices in recent years has been most perplexing, — defying the recuperative forces of business revivals and the depressing forces of recessions. The Government's Wholesale Price Index (which includes both primary commodities and manufactured goods) has been in a generally sidewise trend for more than two years, — not too far below an all-time-high range.

nevertheless. This seemingly placid surface, however, belies the presence of strong currents among the component items.

Primary raw material prices, including metals, minerals, and certain agricultural commodities, have displayed volatile movements during this period. However, in general, prices of primary commodities have been in a secular downward trend which for this group as a whole, began more than ten years ago. This is strikingly demonstrated by the fact that the Babson Wholesale Sensitive Commodity Price Index is within 5 percent of its lowest reading since 1947.

It would seem, therefore, that if any inflation occurs, it is not likely to receive much aggravation from price markups at the wholesale level. Conversely, the current rebound in corporate profits will tend to be restrained by the difficulty of raising prices. As the business revival continues, price structures are more likely to firm, with moderate price hikes occurring in selected commodities.

**From where I sit... by Joe Marsh**  
**Clock Watcher**  
Nothing in the world is more discouraging than a guest who doesn't know when to go home — especially if you have to get up so early as Chub Jackson, our local milkman.  
Last week, poor Chub and his missus were entertaining a distant cousin from Center City who just wouldn't call it a night. The later it got, the more he talked, and the more unhappy Chub got.  
But Chub finally found a way to shut him up. Just as his cousin started another long tale with, "And that reminds me of the time..." Chub jumped right up and said, "Gosh, you're right! It is getting late!"  
From where I sit people who have respect and consideration for other folks' feelings never outstay their welcome. One of my neighbors, for example, prefers other beverages to beer, yet when he drops over he never objects if I have a glass of beer while he enjoys his coffee. It's thoughtfulness like this that keeps friendships from "tiring out."

OUR OWN PARKING AT THE DOOR

**OUR LADY OF GOOD COUNSEL** grade school football team recently concluded its 1961 season, after fashioning a one-win, five-loss record. The team is pictured here. Front row, left to right: Thomas Janicki, John Sutherland, Orville Henning, Donald Drogosch, Michael Yesbick and Daniel Camp. Second row: Alan Nawrocki, Joseph Herter, Christopher Ellinger, James Ennis, Peter Koepke, Thomas Koepke and John Caloia. Third row: Joseph Shannon (assistant coach), Mike Lockwood, Robert Schaefer, John

McGraw, Daniel McMahon, Ronald Keller, Patrick Brady, Albin Jankowski and Coach Fred Crissey. Back row: Joel Scarpulla, Terrence Hunt, Ronald Boyne, Stephen McMahon, John Gilles, James Gearns, Bruce Benz and John Skinner. The OLCG team competes in the Catholic Youth Organization suburban division which includes teams from Northville, Livonia, Wayne, Ypsilanti and Plymouth. League rules permit only boys under 14 and less than 135 pounds. There are seven teams in the OLCG's league.

**Rocks Hustle in Practice As Cage Inaugural Nears**

With the season's inaugural against Ypsilanti only nine days away, head basketball coach Charlie Ketterer has further quickened the pace of Plymouth's varsity practice sessions at the high school.

Mixing additional emphasis on fundamentals with squad scrimmages, Ketterer has imparted a 'hustle' atmosphere to the Rocks to make ready for the opening game Dec. 1.

Fifteen men remain from the original 35 that turned out for initial practice more than two weeks ago.

Plymouth's coach indicated that these 15 will quite likely shape the Rocks' 1961-62 varsity squad, which will unveil its talents against Ypsilanti and follow up the next night with a game with Northville.

While the season's opener is in Ypsilanti, the Northville contest will find the Rocks at home.

The results of early squad games left Ketterer "pleased with the effort and attitude" of his cagers. However he was quick to add that it is still early to make any judgment as to the possibilities of the team.

Further dress-rehearsal will be held Wednesday night in a school scrimmage against Riverview High, the first such scrimmage thus far.

Planning to utilize a "fast break" offense whenever possible, Ketterer is also stressing defensive efforts. "A well-trained defense should never have an off-night," he commented, "but every team is going to suffer a bad night once in a while on offense."

"If our defense is solid, it will make winning a good bit easier," he added.

Following the Thanksgiving holiday, Plymouth players will elect their 1961-62

team captain and be issued their official game equipment.

A pair of high school basketball rule changes will become apparent when the season gets underway.

One is the new rule awarding the ball to the defensive team when an offensive foul is committed in the back court. In the past, this called for a free throw by the defensive player involved.

The second change should be less evident than the first.

No longer will sudden-death play-offs be ruled in the event of a tie at the end of regulation playing time. Instead, a three-minute overtime period will be called. If another deadlock results at the conclusion of that overtime, a second three-minute period will be conducted.

**Time Trials to Reveal Swim Team's Strength**

With squad time trials slated to begin sometime this week, Plymouth's swimming team is rapidly taking shape. Time trials are the best measure of a team's potential.

Still on John McFall's practice roster are some 75 men, compared to 90 who showed up at the start of the pre-season training two weeks ago.

The 75, however, are comprised of swimmers from all grades. Shortly, McFall will divide the group with some attention to class standing. The freshman will form the Fresh team, and mostly sophomores will shape the junior varsity.

McFall intends to carry 24 on the varsity swimming roster.

Opening meet for the Rocks will take place at Lincoln Park on Nov. 30. First home test for Plymouth will be Dec. 7 at 7:30 p.m. with Birmingham Seaholm High as the guest.

Despite 11 returning lettermen from last year's team, the forthcoming edition of the Rocks' swimming squad will be hard-pressed to match Plymouth's brilliant record of a year ago.

At that time, the Rocks were undefeated in 16 dual meets, claimed a title in the Suburban Six league meet, and capped their efforts by winning the state meet.

**Tigers Face N.Y. In Home Opener**

A little bit of inconspicuous history will be in the making next April 13 when the Detroit Tigers open their 1962 Tiger Stadium season.

The Tigers will host the defending world champion New York Yankees, from whom the Detroit team took its lumps in the waning weeks of the past season.

It will be the first Detroit opener between the two teams in the history of baseball, a Tiger bulletin pointed out.

Another innovation not quite as resounding as the Yankee's invasion on Opening Day here, will be an 8 p.m. starting time for all of next season's Tiger Stadium night games. In past years, games at night began at 8:15.

# Missionary Life Ahead For Couple Interning Here

A man and wife who intend to devote their life to missionary work are spending a seven-month missionary internship in Plymouth under the auspices of Calvary Baptist Church.

Mr. and Mrs. Bert Sansome and their three-year-old daughter, Gracie, have been in Plymouth since September under the internship program. When they leave here May 1, they will go to Costa Rica to study the Spanish language for a year and then move on to Columbia, South America to begin their

life as missionaries.

"This is not an adventure," Mr. Sansome, a native of Newfoundland, pointed out, "but it is a call from the Lord."

Bert and Marilyn Sansome were both students at the Toronto Bible College and both graduated from there last April. They are among 106 interns now working in 66 churches in the Detroit area.

In Columbia, the couple will be traveling through the Department (State) of Magdalena in the northwest section of the country. They will be working under the Evangelical Union of South America, a non-denominational association of missionary programs. They expect to work in the villages distributing books and tracts, work with young people and help establish churches which in time will be self-supporting.

Journeys will be four years at a time. On the fifth year, they will return to the U.S. and speak to church groups.

Like other missionaries, the Sansomes will be sponsored by one or more congregations. It will take a little over \$3,000 a year to support the family. From this, they buy much of the materials they want, such as a tape recorder. Enough is withheld to also pay their passage home after four years.

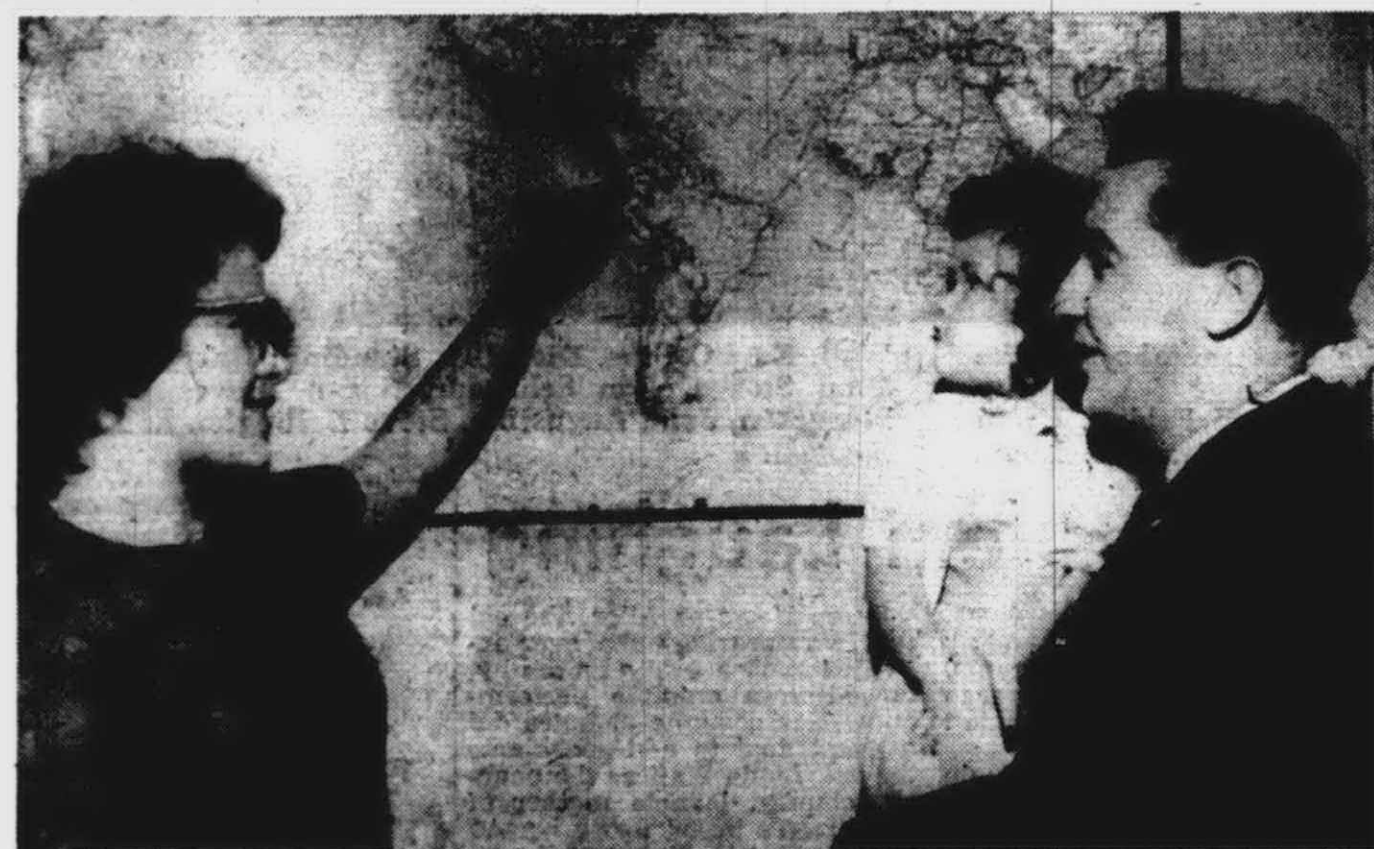

Calvary Baptist Church on Ann Arbor Trail, under the pastorate of the Rev. Patrick Clifford, has a long record of mis-

sion support. Right now, they are supporting either wholly or partially, the following seven missionary families:

The Dean Saxtons are in Sells, Ariz. working on Bible translations for the Indians; the Victor Bakers are in South Africa; Mr. and Mrs. Akira Uchida are in Japan; Mr. and Mrs. Le-

Roy Tillotson are working among the Spanish-speaking people of Gary, Ind.; the LeRoy Thompsons are organizing Bible clubs in the Tucson area; the Richard Manion family is working in Pocatello, Ind.; and the Vernon Carveys are leaving for the Philippine Islands for a second visit.

In addition, the congregation supports seven programs under the World Vision program, Haiti orphanages, Bible mission, the Detroit City Rescue Mission, the Children's Bible Mission in Florida and World Bible Mission in Kalamazoo, and is helping to send Japanese students to a Bible school.

COLUMBIA, South America is the future home for Bert and Marilyn Sansome and daughter, Gracie, 3. They are now serving an internship at

Calvary Baptist Church. Natives of Canada, Mr. and Mrs. Sansome graduated from Toronto Bible College last spring.

If gum were to get into your carburetor, it could lead to unexpected repairs like this. One of the nine ingredients in today's Super Shell fights gum to give you top performance.

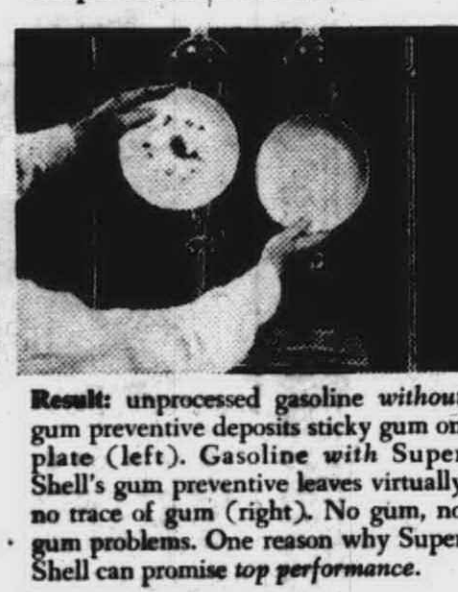

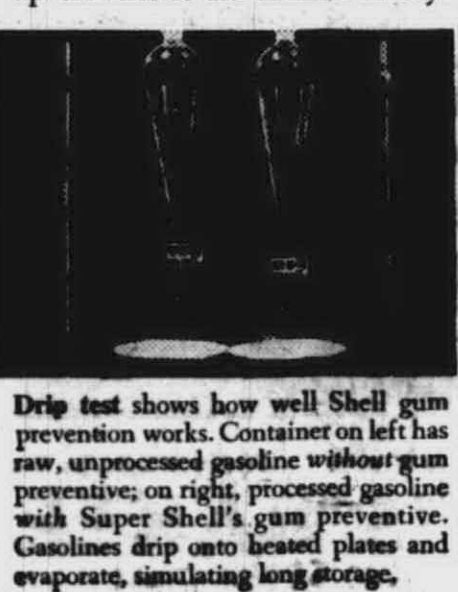

## ANCIENT HISTORY:

Gasoline gum used to cause unexpected repair bills. Today, one of Super Shell's 9 ingredients fights off gum — to save you money and give you top performance.

The gum preventive in today's Super Shell is so powerful that one thousandth of an ounce is enough to treat a gallon. Read how this "chemical policeman" works.

THE MECHANIC in our photograph is about to go to work on a gummed-up carburetor. A nice little repair job.

And so are other gum troubles. Such as sticky intake valves. And fouled automatic chokes. Here's why:

Drip test shows how well Shell gum preventive works. Container on left has raw, unprocessed gasoline without gum preventive; on right, processed gasoline with Super Shell's gum preventive. Gasolines drip onto heated plates and evaporate, simulating long storage.

Result: unprocessed gasoline without gum preventive deposits sticky gum on plate (left). Gasoline with Super Shell's gum preventive leaves virtually no trace of gum (right). No gum, no gum problems. One reason why Super Shell can promise top performance.

- Shell guards all tanks, pipes, and trucks against dirt and other gum-forming contaminants.
- Shell includes a powerful gum preventive in Super Shell's nine-ingredient formula.

"Chemical cop" at work  
The gum preventive in Super Shell is so effective that a thousandth of an ounce is enough to treat a whole gallon of gasoline.  
This remarkable ingredient has been described as a "chemical policeman." It helps to keep unstable elements in gasoline from sticking together—the way a skilled policeman prevents trouble by keeping a crowd from forming.

Hot Weather Blend  
For a quick run-down on the other eight ingredients in today's Super Shell, see box at right.  
And for top performance all summer, keep your tank filled with Super Shell's Hot Weather Blend. It's specially formulated to fight engine flooding and other hot weather troubles. At Shell stations now.

Here are the 9 ingredients in Super Shell—and what they do to give your car top performance

- #1 is TCP\*—for power, mileage, and longer plug life.
- #2 is Pentane mix—for fast warm-ups.
- #3 is anti-knock mix—for knock resistance.
- #4 is Alkylate to control "high-speed knock"
- #5 is Butane—for quick starts.
- #6 is "cat-cracked" gasoline—for power.
- #7 is an "anti-icer." Added when cold weather sets in.
- #8 is gum preventive—for clean carburetors.
- #9 is Platformate for extra mileage.

\*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

At Shell, 1957 scientists are working to make your car go better and better

# News In Brief

Mr. and Mrs. Arnold Gaeth and Mr. and Mrs. Henry Kuisel were Saturday guests at the Harold Kuisel's, Harvey St. while enroute to the Gaeth's home in San Diego, Calif.

A mild heart attack put Harry Miller of Ridge Rd. in St. Joseph Hospital, Ann Arbor for a couple of weeks. We're hoping you're home for Thanksgiving, Harry.

THESE ARE some of the cast members of the Plymouth High School play "You Can't Take it with You," being offered last Thursday and Friday. From left, sitting, are: Gay Shirey, Joyce Bradley, Linda Wall, Earl Collins, Dick Illy. Standing: Barry Corwin, Pam Stokes, Win Schrader, Susan Hawes, Forrest Morgeson, John Augustine, Steve Bullington and Mike Kenyon.

## School Play Leaves 'em Laughing

"You Can't Take It With You" Moss Hart, George Kaufman Directed by Robert Stenger

Penelope Linda Wall  
Essie Gay Shirey  
Rheba Pamela Stokes  
Paul Sycamore Steven Bullington  
Mr. D'Finna Earl Collins  
Ed Edwin Schrader  
Donald Mike Kenyon  
Martin Vanderhof Dick Illy  
Alice Susan Hawes  
Henderson John Augustine  
Tony Kirby Forrest Morgeson  
Boris Kolenkhov Arthur Johnson  
Gay Wellington Joyce Bradley  
Mr. Kirby Barry Corwin  
Mrs. Kirby Hollis Jean Haynes  
Olga Elizabeth Dobos  
Three Men Dan Tormohlen  
Philip Bender  
Graham Warner

couldn't take some of those lines, you had no business attending since over 300 students, parents, and interested citizens were so busy laughing that they didn't seem to mind.

It would be pointless to single out any one member of the cast and hand them a word-bouquet. Of course, the women in the cast put the men far into the shadows when it came to acting. Hollis Haynes was the picture of haughtiness as she turned up her nose at Penny Sycamore's offer of canned salmon. Pamela Stokes bounced about on the set as a perfect foil to Donald's (Mike Kenyon) perfect characterization of a latter-day Rochester. Too bad we don't have a few Jack Benny's among our male actors.

Earl Collins with his newly-acquired bald head and Italian accent stole many a scene as he wildly waved his arms in true Italian fashion. Arthur Johnson as the expressive Russian had many an opportunity too on a fine display of Khrushchev-like arm waving. His mildness matched Dick Illy's excessive softness at times. Forrest Morgeson played his love scenes with genuine feeling and when he blew up at his Dad (Barry Corwin) you could have sworn that he meant it.

John Augustine as the Internal Revenue man had a short part, but he gave it a high polish. "You Can't Take It With You" demands such careful characterization work. Joyce Bradley as Miss Wellington had a nother "bit" part, but she made every moment count as a drunken actress. She deserved a hand for her careful delineation of what can be a very difficult acting task.

Susan Hawes as Alice, the gal that wonders how she ever inherited such a crazy family, turned in a credible performance. Her costume changes did a great deal to add sparkle to the set. Linda Wall as the chubby, chunky, lovable mother of this bizarre brood threw herself into her role with reckless abandon. She chomped on candy, played a parlor game with glee, and gave advice to the lovelorn arching her eyebrows such as Lucille Ball might do. Miss Wall's performance was direct and expressive. Miss Josephine Hull who did the original role is not with us anymore, but I'm sure she is smiling from up on high tonight as she gazes down at Plymouth.

Mr. Robert Stenger and his faculty assistants can rest assured that the presentation of such a classic comedy was well-received. It's been awhile since I've heard so many laughs at a high school play. Let's keep up the good work and I'm certain that you'll be able to add that Saturday night performance. There's no reason why a show of such caliber couldn't run three performances. One request: how about having some soothing soda pop at intermission. Kick over one more trace, Mr. Stenger, and quench my burning thirst.

Adele Ide

Last week a capacity audience gleefully hailed the return of comedy to ivy-filled halls of the Plymouth High School. Under the astute direction of resourceful Robert Stenger, Kaufman and Hart's "You Can't Take It With You" rocked the rafters with hilarity. Your reviewer appreciated such jovial activities as did the happy audience for Mr. Stenger presented the play exactly as it was done on Broadway.

Too often times we find high school groups have pruned the script of all the real chuckle-loaded situations by whitewashing the lines. Not so in this refreshing version of "You Can't Take It With You." If you

by George Spelvin

By George Spelvin  
Heap high the white meat, cream those cranberries carelessly on my plate, and plunk that piece of pumpkin pie down right near my right arm. Thanksgiving has shipped into town without the customary snow storm. Years ago we always waited for that first snowfall to hit the hills about turkey time. A blanket of snow seemed to add that right touch for the holiday season. These days the snow would be a welcome sight for all the shopping centers now bring dear, cherubic old Santa and a bit of the white stuff might help Donner, Blitzen, Vixen to coast into town without tough sledding.

Locally, the theatrical scene has quieted somewhat after the final curtain has descended on the excellent high school production of "You Can't Take It With You." In another section of "The Mail" Adele Ide, the newest member of our drama department, reviewed the play. She enjoyed it as much as old George did.

No one really realizes how much work goes into the average dramatic production. A couple of weeks ago the Plymouth Theater Guild treated Plymouth audiences to a stellar production of "The Remarkable Mr. Pennypacker". Incidentally, let me correct a statement made about a cast member, Mrs. Kathleen Codd's (Aunt Jane). She sent me a "memo" a few days ago indicating that I had her association with Rod Serling tied into the wrong state. I, erroneously claimed that our Aunt Jane had done radio work with Rod in Texas. I stand corrected... the state was Ohio. As you can understand at times, old George can be in a state of confusion. Perhaps my days are numbered as I slip into semi-senility.

But to my original thought... the amount of time and effort spent in the backstage work of any production. Who counts the hours that the director puts in as he tussles with his various problems? Who tries to add up those extra hours that the gang spends as they erect the set? We could go on for a number of paragraphs describing the many operations that make up the average production.

I thought it would be appropriate to mention all the names of the workers behind the scenes. So let's roll out the red carpet for the folks that put in many hours to make "You Can't Take It With You" the rousing success.

On the downtown Detroit scene the Shubert Theatre brightens up with a new play coming in prior to Broadway. "The Captain and the Kings" Dana Andrews, Charlie Ruggles, Conrad Nagel, and Lee Grant are featured in this exciting drama about our American Navy. "Captain and the Kings" opens on Monday, Nov. 27 and will stay with us for one week only.

The Fisher Theatre continues its fine array of great plays with "The Best Man," a comedy about politics in Washington. Frank Lovejoy, Kathleen McGuire, and James Westerfield open in Gore Vidal's explosively comic play on Nov. 27 for a three week engagement. "Royal Gambit" is playing to capacity houses at the Vanguard. You have only until Dec. 9 to catch this funny show that concerns itself with Henry the VIII's six wives.

Aristophanes "The Birds" can be seen at the University of Detroit Theatre out on Six Mile Rd. and Livernois. It's well worth the trip since the folks at the U of D have modernized the lines and have added a special jazz musical score to this ancient Greek comedy. Mr. Tom Bennet composed the score for this delightful version. Call UN 2-6000 and ask for the Box office if you'd like to get tickets for this different type production.

"The Birds" will alternate with Racine's "Antigone," a play seldom seen staged in this country. Next week, the schedule for the two plays is as follows: "The Birds" (Nov. 25, Dec. 1, 3) "Antigone" (Nov. 24, 26, and Dec. 2). Try either of these for their piquant quality.

production of "The Remarkable Mr. Pennypacker". Incidentally, let me correct a statement made about a cast member, Mrs. Kathleen Codd's (Aunt Jane). She sent me a "memo" a few days ago indicating that I had her association with Rod Serling tied into the wrong state. I, erroneously claimed that our Aunt Jane had done radio work with Rod in Texas. I stand corrected... the state was Ohio. As you can understand at times, old George can be in a state of confusion. Perhaps my days are numbered as I slip into semi-senility.

But to my original thought... the amount of time and effort spent in the backstage work of any production. Who counts the hours that the director puts in as he tussles with his various problems? Who tries to add up those extra hours that the gang spends as they erect the set? We could go on for a number of paragraphs describing the many operations that make up the average production.

I thought it would be appropriate to mention all the names of the workers behind the scenes. So let's roll out the red carpet for the folks that put in many hours to make "You Can't Take It With You" the rousing success.

On the downtown Detroit scene the Shubert Theatre brightens up with a new play coming in prior to Broadway. "The Captain and the Kings" Dana Andrews, Charlie Ruggles, Conrad Nagel, and Lee Grant are featured in this exciting drama about our American Navy. "Captain and the Kings" opens on Monday, Nov. 27 and will stay with us for one week only.

The Fisher Theatre continues its fine array of great plays with "The Best Man," a comedy about politics in Washington. Frank Lovejoy, Kathleen McGuire, and James Westerfield open in Gore Vidal's explosively comic play on Nov. 27 for a three week engagement. "Royal Gambit" is playing to capacity houses at the Vanguard. You have only until Dec. 9 to catch this funny show that concerns itself with Henry the VIII's six wives.

Aristophanes "The Birds" can be seen at the University of Detroit Theatre out on Six Mile Rd. and Livernois. It's well worth the trip since the folks at the U of D have modernized the lines and have added a special jazz musical score to this ancient Greek comedy. Mr. Tom Bennet composed the score for this delightful version. Call UN 2-6000 and ask for the Box office if you'd like to get tickets for this different type production.

"The Birds" will alternate with Racine's "Antigone," a play seldom seen staged in this country. Next week, the schedule for the two plays is as follows: "The Birds" (Nov. 25, Dec. 1, 3) "Antigone" (Nov. 24, 26, and Dec. 2). Try either of these for their piquant quality.

## What's Cooking In Plymouth Kitchens?

The recipe of the week comes from Mrs. Donald Sober, cook of the week, who lives with her husband, Don and her dalmation, Shadrack, in their roomy, white brick house built in the 1880's.

Being proprietor of her own Joy Road Studio, she teaches painting, basket weaving and caning and rushing. Vivacious Marion belongs to the Sarah Ann Cochran Chapter of the D. A. R., A. A. U. W., Plymouth Woman's Club and the American Occupational Therapy Assn. She even manages to find time to paint pictures by commission.

Marion's recipe for Lobscotch, comes from her longtime Connecticut friend, Cate Russell. One of the ingredients this mouth-watering casserole calls for is sour cream.

**LOBSCOTCH**  
1 lb. hamburger, shaped into small flat cakes.  
10 sliced raw potatoes.  
4 sliced onions.  
1 can Campbell's tomato soup.  
1/2 pint of sour cream.  
salt and pepper.  
Put layer of sliced potatoes in casserole, cover with a layer of onions and a layer of meat cakes. Salt and pepper another

layer of onions, meat and potatoes. Repeat until all layers complete. Mix tomato soup and sour cream and pour over casserole. Bake in a slow oven 3 hours. Serves 6.

Mrs. Donald Sober

### NEW BOOKS At Dunning - Hough

**THE HOUSE OF HANOVER**—Alvin Redman. Traces the history of the Hanoverian monarchs of England from Germany in the 17th century to the death of Queen Victoria in 1901. Includes much political history as well as biographical information and chronicles of court intrigues accompanied by a genealogical table.

**THE KENNEDY CIRCLE**—edited by Lester Tanzer with an introduction by David Brinkley. Graphic word profiles of the new Cabinet members, the inner White House circle and the President's top advisors.

**SAHARA: DESERT OF DESTINY**—George Gerster. A potpourri of historical, geographical, economic and social information about the French Sahara and its inhabitants and about the Europeans who find the desert absorbing and bewitching.

**LAST THINGS FIRST**—Sidney J. Harris. Articles selected from the author's daily column, "Strictly Personal". Covering a wide range and showing a sure understanding of human foibles, with a wit trenchant but never cruel.

**A HOLE IN THE BOTTOM OF THE SEA**—Willard Bascom. Describes the project in mid-Pacific to probe the earth's underwater crust.

**THE HOLLYWOOD RAJAH**. The biography of the movie mogul, Louis B. Mayer and along with his story, a history of the movie industry from the days of the silents to the talkies.

**TIBET IS MY COUNTRY**. Told to Heinrich Harper by Thubten Jigme Norbu. The autobiography of the brother of the Dalai Lama. A fascinating and timely reading experience with full color illustrations. The lively text provides an engrossing and

unprecedented picture of Tibet, the land and its people.

**THE FORGOTTEN VALLEY**—Karl Eskelund. An accurately observed account of the beautiful forgotten country of Nepal. Poor, friendly, politically apathetic, but moving very slowly into the world of the 20th century.

**THE DIVIDED UNION**—James Garfield Randall. Based on J. G. Randall's "The Civil War and the Reconstruction." A one volume of Civil War history.

**PORTRAIT OF A SYMPHONY**—Constantine Manos. 131 photographs of scenes associated with the Boston Symphony including group shots of the orchestra, individual shots of musicians in action and pictures of conductor, Charles Munch.

**ENCYCLOPEDIA OF PATTERN GLASS**, Vol. 1 and Vol. 2, by Minnie W. Kamm and Serry Wood. Facts, descriptions and pictures of antique pattern glassware.

Mrs. Robert Orr of Hudson, Mich. spent last week visiting her three daughters in Plymouth. They are Mrs. Elizabeth Looney, Mrs. Robert Johnson and Mrs. Charles Combs.

### "Grade Level Aims" Farrand PTA Topic

The Helen Farrand PTA will meet Tuesday, Nov. 28 at 8 p.m. This meeting will be the grade level program for the third grade. Mrs. Dorothy MacKenzie and Miss Lucy Barnes, third grade teachers, will explain the aims, objectives and curriculum to the parents. All parents are invited to attend. A social period will follow the meeting with refreshments served by the room mothers.

## Social Security Recipients May Earn More Money

Some 4,000 residents of Northwest Detroit and Wayne County may lose hundreds of dollars in

social security benefits if they do not file an application by Jan. 31, 1962. The people who stand to lose these benefits are still working and past the age of 65. Harry Baltuck of the Detroit Northwest Social Security Office said today that many of these people may still be under the impression that earnings of over \$1,200 per year would cause them to lose all of their benefits. Baltuck pointed out that recent changes to the social security law make it possible in some cases for a family to receive some benefits even though the worker has yearly earnings of as much as \$4,497.

18500 Grand River Avenue, Detroit 23, Michigan. Those who are single earning less than \$3,000 and married persons earning less than \$3,600 should contact the office. Workers over 65 with children under 18 years of age should also contact the office if their earnings are as much as \$4,497.

In order to accommodate those persons who are unable to come in during the day, the office will be open until 8:30 p.m. for the next four Wednesday evenings, beginning Nov. 22, 1961. Regular office hours are 8:30 a.m. to 4:30 p.m. on Monday through Friday.

## Extension Club Meets Monday

The November meeting of the Allen Home Economics Extension Club will be held Monday, Nov. 27 at 7:30 p.m. at the home of Mrs. Lloyd Busha.

Mrs. Busha, project leader, will give the November lesson on "Today's Well Dressed Woman."

The plastic wares which members ordered will be delivered to this meeting, and members are also asked to bring their dressed dolls.

Baltuck urges residents of Northwest Detroit, Livonia, Plymouth, and Northville who are 65 years of age and over who are working and have not filed an application for Social Security Benefits to contact the local social security office at

Mr. Cedric McKellan, who is stationed with the Army in Greenland will be the guest of Mr. and Mrs. Duane Bowerman of W. Chicago on Thanksgiving Day. Mr. McKellan is Mrs. Bowerman's brother.

# The Professor Sez . . .

By Ed Brown

Tomorrow is Thanksgiving Day! To some it will mean a day off from work, a morning to sleep in, a day to hunt, or only a couple days off from school.

Others will be looking forward to a big Thanksgiving Dinner with all the trimmings. It is nice that families, particularly when older children are in college, the armed forces, or married, can get together this way once in awhile. Better yet, it is nice that they want to get together; I know of some families where all family ties have been, more or less, severed because the young leave home — because of some unfortunate circumstances, or misunderstandings in earlier life.

WE MUST not forget the real meaning of this day. For it was at this time some three and a half centuries ago when a band of hardy, courageous souls landed on our shores, and survived all sorts of hardships and trying experiences — all because they believed in themselves, had a good set of values, and wanted freedom of worship. A year ago last summer we had the pleasure of "mooseing" around this territory when we camped one weekend in the Cape Cod area and at Plymouth, Mass.

AS WE meandered from one sight to another, a peculiar sensation came over me. When I am around some such place as this, I usually close my eyes and try to get a mental image of what happened here years ago. Try it sometime — you will experience a tingling feeling of humility; I could see these forefathers when they offered this prayer of thanks for the bountiful crops they had had that year; and they were needed to keep them alive through the long, cold winter months ahead.

The things I disliked most about all this was the extent of commercial businesses flourishing in the very shadow of the Plymouth Rock, and the present Mayflower, which is anchored in the harbor. Somehow, these cancerous concerns have been allowed to "weasel" in on this area and become a part of this historical shrine.

THE OTHER thing I disliked was: the irresponsible souvenir

hunters trying to get a piece of anything they could take home. The Plymouth Rock, itself, has had to be imbedded in the ground with a fence around it; all this to keep the thoughtless, less-minded tourist from chipping it to pieces. Honestly, I do not think they realize that if everyone took a piece, someday there would only be a stone the size of a marble left — and then some "joker" would take that!

WHAT EVER happened to . . . This former all-around high school athlete, who starred as a halfback in football, a forward in basketball, and a pitcher on the baseball team before he graduated in 1940?

While still in high school this "natural" athlete won the senior men's state horseshoe pitching contest when only 14 years of age, and continued to hold it for three consecutive years. AFTER HE graduated from the local high school he played minor league baseball until

## Warren Hoffman Wins Florida Trip

Warren Hoffman of Hoffman & Holdsworth Co., local lawn and garden equipment dealer, left by jet airplane on Wednesday, Nov. 8 for a week's all-expense paid vacation in Miami Beach, Fla. Warren and his organization compiled an outstanding sales record on wheel horse tractors and as a result of their achievements they were awarded the trip for two persons. Accompanying Warren on the trip was his wife, Helen.

The contest which resulted in the Hoffman & Holdsworth Co. winning the Florida trip was sponsored by the Allied Equipment Division of Great Lakes Tractor & Equipment Co. of Birmingham, Mich. and was conducted during the 1961 selling season. Eight other outstanding dealers from the state accompanied the Hoffmans on their trip South.

called to the armed forces during World War II. He was in the Pacific Theater of Operations, where he served with distinction, until his discharge in 1945.

In late years he has become a national figure in bowling, and is regarded as one of the foremost bowlers in North America. He was a member of the championship Pfeiffer team in Detroit until last year, and this team won the ABC national tournament two years ago.

FOR A number of years he was known as the bowling "milkman" because he delivered Twin Pines milk in the local area. Now he is captain of the newly-formed Twin Cities (Minneapolis-St. Paul) bowling team in the National Bowling League. He has definitely "arrived" and has a real future in bowling.

HIS NAME . . . . . BOB HITT.

## Council Delegates Attend Convention

Mrs. Raymond Ellerholz and Mrs. Raymond Lane of Plymouth were among the 17 delegates from the Huron Valley Girl Scout Council that attended the Great Lakes Regional Conference in Chicago Nov. 8, 9, and 10. The region includes Michigan, Indiana, Illinois and Wisconsin.

Mrs. James A. Kennedy, chairman of the region and member of the national board of the Girl Scouts of the U.S.A., presided at the meetings which featured addresses by Mrs. Charles U. Culmer, national president of the Girl Scouts and Dana Rose, vice president of the Michigan Bell Telephone Co.

"From the Past, to the Present for the Future" was the theme of the conference. In addition to the general sessions, 26 special groups permitted the delegates to discuss in detail a topic which assisted them in improving organization and service to local Girl Scout troops.

SHOWN AT the speaker's table are l. to r. (sitting) Dr. Phillip Mason, Frank Henderson and Mrs. Henderson, (standing) l. to r., Harry Reeves, and Mr. and Mrs. Romey Woods. The occasion was the pre-Thanksgiving dinner sponsored by the Plymouth Historical Society, to which 200 members and guests attended.

## Winter Sports Schedule

Plymouth's winter athletic teams, looking forward to a Thanksgiving interlude in their practice sessions, also are looking beyond to the start of the season in less than two weeks.

Both the swimming and basketball squads are presently undergoing daily training sessions at the high school under the watchful eyes of their respective coaches, John McFall and Charlie Ketterer.

The winter schedule:

**Basketball**

Dec. 1 Ypsilanti  
2 Northville  
3 Walled Lake  
4 Allen Park  
5 Belleville

Jan. 5 Bentley  
6 Farmington  
12 Trenton  
19 Redford Union  
20 Fordson  
22 Allen Park

Feb. 2 Belleville  
9 Bentley  
16 Trenton  
23 Redford Union

**Swimming**

Nov. 30 Lincoln Park  
Dec. 7 Birmingham (Seaholm) (7:30 p.m.)  
14 Allen Park  
21 Belleville

Jan. 4 Bentley  
11 Trenton (4 p.m.)  
13 Ann Arbor  
18 Redford Union  
25 Allen Park  
27 Dearborn (Fordson) (7:30 p.m.)

Feb. 1 Belleville  
8 Royal Oak (Kimball)  
A 8 Bentley  
H 15 Trenton (4 p.m.)  
H 22 Redford Union

**March**

2-3 League Meet - Trenton  
H 9-10 State Finals  
A All meets 7 p.m. unless otherwise noted.

## Christmas Cards for Emotionally Disturbed

For the second consecutive year the Michigan Association for Emotionally Disturbed Children is selling Christmas cards. This is a non-profit organization, of course, but is not ordinary charity. These are not ordinary Christmas cards.

The 1961 card is a reproduction of a drawing by a very talented 14-year old boy who is hospitalized for emotional disturbance. His winter scene, done in seven colors, is graphic evidence of the potential of many of these youngsters.

These emotionally disturbed children don't need pity — they need an education. They need schools and teachers. They need your awareness! The proceeds from the sale of these cards, at \$1 per box, will go into a scholarship fund to afford special placement opportunities for disturbed children.

Each box contains 10 cards — 10 personal messages for you to send with a two-fold purpose: to extend the season's greetings and to help in a cause of greatest concern to all — the emotionally disturbed.

Further information call 3-3085. Cards may be ordered locally at "Minerva".

# SPORTSEEN

By Jerome O'Neil

If organized recreation hockey doesn't quite make it here in Plymouth, it won't be the fault of Jim McKindles. An estimator at Plymouth's Western Electric plant, Jim makes his home at 261 Evergreen when he's not on the job at Weco or deeply enmeshed in promoting hockey-for-boys or attending a VFW meeting or otherwise engaged.

There are some who might look upon skating as if it were akin to doing the Charleston on the storm-tossed deck of a 28-footer strewn with loose marbles.

But not so, Jim McKindles.

In fact, the parents of numerous Plymouth boys this winter should tip their proverbial caps in gratitude to Jim and his two-year campaign to bring hockey to these parts.

He's been a one-man gang, pledged to organizing ice hockey here. And he most certainly gets a tip of the cap from this desk.

A former Detroitier, Jim moved to Plymouth three years ago and soon was asked to manage a local collection of youthful hockey players, all about 13 years of age. He agreed and promptly entered the team in a league in Nankin Township. Al Kolak handled the coaching.

The following winter (1960-61), Jim managed the same team and again it competed in the Nankin league. All the while, he'd been doing a bit of promoting, however.

He recruited players, organized other teams, sought out sponsors. He talked up hockey from the recreation office to the city hall and back again and elsewhere.

Slowly, the wheels began to turn.

This year he can observe a measure of success.

With McKindles as the catalyst, several groups and individuals have been brought together to provide the most necessary ingredient to recreation hockey anywhere:

A rink.

The Plymouth JayCee's have contributed \$500 with which to purchase the plywood and other building materials for the boards. A site behind the high school has been obtained.

A trio of local contractors, B. E. Kolak, Stew Oldford, Jr., and Joe Gates, have agreed to donate their time and talents to assemble the boards.

Once installed behind the high school, the boards will form a 168' x 64' rink. The boards will be maintained by the Plymouth Recreation Hockey Club, of which McKindles, naturally, is chairman.

Joe Bida's public works department will see to resurfacing the ice periodically and will keep its surface cleared of ice and snow. In addition, Herb Woolweaver's recreation department will provide any necessary supervision.

It had been the lack of adequate facilities (namely a rink) that had decidedly stifled Jim's efforts to organize hockey here sooner. But now he can see daylight.

He's not out of the trees yet, however.

"We still aren't going to have a Plymouth hockey league this winter, and probably not for a few years," he grieved recently.

The reason is curious, but understandable.

With no rink available in past years, younger boys have had no opportunity to grow into the game of hockey as with baseball and football. The result is a player manpower shortage today. But this problem will undoubtedly resolve itself with the passage of time, indicated McKindles.

Meanwhile, the rink here will be used this winter for practice hockey sessions and free skating (no hockey sticks permitted). The rink's schedule for use, when it's opened, is:

- Midget hockey — 3 to 4:30, Mondays, Wednesdays.
- Juvenile hockey — 3 to 4:30, Tuesdays, Thursdays.
- Bantam hockey — 3 to 4:30, Fridays.
- Free Skating — 4:30 to 6, Mondays thru Fridays.
- Free Skating — 9 to noon, Saturdays.
- Bantam hockey — noon to 2, Saturdays.
- Juvenile hockey — 2 to 4, Saturdays.
- Midget hockey — 4 to 6, Saturdays.
- No Skating on Sundays

When the time comes, McKindles intends to have the full complement of teams in each of the three age brackets in boys' recreation hockey. Youngsters 12 to 14 play as bantams, the 15 and 16 year olds identify themselves as midgets, while the 17 and 18 age group are called juveniles, for lack of a better word.

Plans call for four teams in each age group, and no team from one age group will compete against a team from another.

But this is the way it will be in the future, providing Jim's plans become a reality. And there's no reason why they shouldn't, particularly with the arrival shortly of the ice rink.

In the meantime, Plymouth's representation in outside hockey leagues is improving. A year ago only 25 local boys were on Plymouth teams elsewhere. This winter there will be upwards of 50 or more.

Two teams are virtually rarin' to go.

One is a midget team, sponsored by the VFW and coached by Al Kolak and Denny Hanks, slated to compete in the Nankin Township league as a Plymouth entry. Also scheduled for action in the league in neighboring Nankin is a Plymouth bantam team with Gail Stanbury as coach and the VFW again as sponsor.

A third bantam team is looking for a sponsor, but has a coach in Joe Gates. It, too, hopes to compete in the Nankin circuit.

One other recreation hockey team from Plymouth is a "senior" club, to which players of any age may belong. The team's coach is Jerry Vettesse. The squad will play in the Garden City league.

All of which goes to show that Jim McKindles, who once was busy in the Battle of the Bulge, has been a rather busy man on another arena these past few years.

Funny thing, too. He's a non-skater.

It's enough to make a guy hustle down into the basement and dig out his own rusty blades.

## EASY CONTEST RULES

1. Read these rules and each ad on this page carefully.
2. Each week of the football season ads will appear on this page containing the names of two teams playing each other over the weekend. These will be the only games considered.
3. On a separate sheet of paper, not this page, list the names of each merchant and your selection of the winner of each game directly after that of the merchant. Example: Box Bar — Detroit Lions.
4. In addition you must show the score of the two teams in the ad that request the score.
5. All entries must be postmarked or delivered to the office of THE PLYMOUTH MAIL 271 S. MAIN by 5 p.m. Friday following publication to be eligible.
6. In case of ties the earliest postmark shall be declared the winner. The decision of the judges shall be final. Winners will be notified.
7. Employees of any newspaper and their families are not eligible to enter.
8. In order to be fair to all entrants, previous week's first place winners are no longer eligible to enter once they have won. Only one entry per person.
9. Be sure your name and address are on the entry.

## MEN IN SERVICE

Lynn L. Livingston, son of Mr. and Mrs. W. J. Livingston of 41767 Schoolcraft, Plymouth, is undergoing recruit training at the Naval Training Center, Great Lakes, Ill.

The nine-week basic course includes classroom instruction in various naval subjects, military etiquette, drill, physical fitness, swimming and survival, first aid, shipboard safety precautions and security duty.

Throughout the training, recruits receive specialized counseling to help determine which of the 67 Navy job specialties they will enter. Upon graduation, the new bluejackets will report to a Navy school for further instruction or to a ship or shore station for on-the-job training.

## Postmaster Gives Tips On Christmas Mailing

Stressing the need for everyone to cooperate on his 1961 "Mail Early For Christmas" Campaign, Postmaster George Timpona said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting everything delivered before Christmas."

Naturally, the Post Office Department plans to expend its facilities and to provide extra help during the Christmas rush, but in the final analysis, if you'll follow these three simple rules, you can be certain not to disappoint friends and loved ones on Christmas Day — **Wrap your Christmas gifts securely — Be sure they are addressed clearly and correctly — and Mail all your gifts and cards early.**

THE POSTMASTER said

further, "I hate to see folks take chances on mailing poorly wrapped packages. Despite careful handling every year, too many packages break open in transit and too often we have to puzzle over names and addresses which are incomplete or simply cannot be read at all."

"If you have any articles of unusual size or bulk, better check with the Post Office before attempting to mail them. The limits on size and weight of packages varies, depending on where you mail your package from. As an extra precaution against loss, Postmaster Timpona advised placing both your return address and the recipients address inside the carton or package before it is wrapped."

IF YOU use Christmas stickers or seals, put them on the back of your Christmas cards and packages so that they will not conflict with the address on the front. Make sure that correct postage is firmly affixed to each card and package. When mailing gifts, it's a good idea to place a piece of transparent cellophane tape over the address portion of the label to prevent defacing it in transit. And always be sure, of course, to include the recipients full name, street address, city, zone and state.

Because the entire Christmas mailing period is primarily a battle against time, "Do it now" is the slogan from here on in. Don't put off your Christmas mailings while you still have ample time because this means that dreaded pile-ups will occur at the Post Office, causing unavoidable slowdowns in deliveries as the holiday approaches.

THE Postmaster asks the cooperation of all business firms to delay mailing circulars and catalogs until after Dec. 25 to keep the mails clear for the Christmas rush.

The Postmaster said he is most appreciative of the interest and cooperation shown by the mailing public so far, and reminds us that all mail going long distances should be sent by Dec. 10. Christmas packages for local delivery should be mailed not later than Dec. 15 and be sure to mail your Christmas cards for nearby destinations at least a week before Christmas.

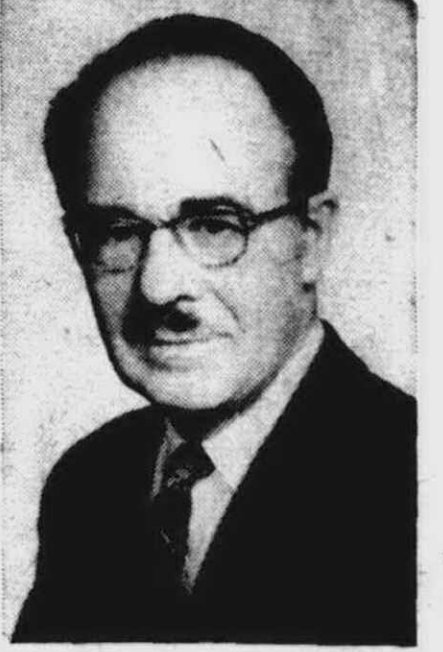

NEW TREES AND bushes for the Helen Farrand Elementary School were planted recently through the efforts of several groups and individuals. The new school, located in Lake Pointe Village, has been almost barren of landscaping. The Lake Pointe Chapter of the National Farm and Garden Assn. presented \$25 for purchase of trees and the Farrand P.T.A. has given \$120. A parent, Mrs. Louis Zelma, has donated nine trees. Pictured, from left, are Michael Haeske, president of the Student Council, ready to plant an evergreen; Mike Allison, Council secretary; and Mrs. Eric McCuaig and Mrs. Robert Pray, Garden Club representatives.

## Professor Speaks on Bible and Archaeology

Dr. Arnold C. Schultz, professor of Old Testament and Archaeology at Northern Baptist Theological Seminary in Chicago will present a series of talks and slides beginning Nov. 29 at the First Baptist Church of Plymouth. The first offering, Wednesday, will be entitled "The Preparation of the World for the Coming of Christ", followed on Thursday with "An Archaeological Reconstruction of the Life of Christ", Friday, "An Archaeological Reconstruction of the Life of Paul". Sunday morning, Dec. 3, his topic will be "The Potter" and Sunday evening, "The Religion of Russia As I Saw It".

The evening services during the week will begin at 7:30 p.m. and the Sunday meetings are at the usual hours of service, 11 a.m. and 7:30 p.m.

Dr. Arnold C. Schultz

## ADVERTISEMENT FOR BIDS

The Township of Plymouth, Wayne County, Michigan will receive bids for a fire truck to be purchased in the near future. Sealed bids will be received at the Township Hall, 42350 Ann Arbor Road, until 8 p.m. Tuesday, December 12, 1961 at which time bids will be opened and read aloud.

Specifications will be on file at the Township Hall and the Township Board reserves the right to reject any and all bids.

## News In Brief

Teachers who formerly taught at Plymouth High School met on Monday evening of last week for a pot-luck dinner at the home of Miss Edna M. Allen on Arthur St. Since the group finds it impossible to get together as frequently as before, a most enjoyable get-together resulted. Attending were Elizabeth McDonald, Irene Waldorf, Louise Spence, Virginia Olmstead, Alita Hearn, Gertrude Feigel, Sarah Lickley, Nurse Mary Carless, Frances Overton, Pauline Morgan, Neva Lovewell and Joan Hayskar.

Jeff Finney, 4-year-old son of the Alan Finneys of Ball St., was treated at St. Mary Hospital last week for a badly cut wrist. Jeff will be wearing a cast for the next three weeks which he enjoys having photographed.

Mr. and Mrs. Charles Todd and infant son, Kevin of Washington, D.C. have arrived at the home of his mother, Mrs. Harold Tode of Clemons Dr. After spending the Thanksgiving holiday with her parents in Olympia, Washington, and his brother Harold, and family in Seattle, they will return to Plymouth for Christmas. Early in January the trio will leave on the Queen Elizabeth for Madrid, Spain, where "Buzz," as he is known to his Plymouth friends, will study for two years.

Mr. and Mrs. Edwin Reber and daughter, Sandy, of Auburn were dinner guests Friday of Mr. and Mrs. A. G. Laura in Dearborn.

Mr. and Mrs. L. Jack Gage of Clemons Dr. will have Thanksgiving dinner with their son, Jack Jr. and family in Livonia.

William Michaels of Ann St. and Melvin Michaels of Arthur St. spent last week deer hunting at Mio. They were joined on Tuesday by Floyd Burgett of Northville Rd.

Mr. and Mrs. Alois Owens and son, Cecil, of Northville Rd. were among the horde of hunters in Northern Michigan last week.

The Study Club held its November meeting last Wednesday evening at the home of Mrs. Donald Graham of Ann St. The program was given by Mrs. Carl Finney and plans were made for the annual Christmas Party. Mrs. Theima Hartley was a guest of the club.

Mr. and Mrs. Joseph Manzi of Ann St. visited the Ivan L. Harnicks at their new home in Ann Arbor. The Harnicks, formerly residents of Williams St., Plymouth, have recently returned from Baltimore, Md.

Mr. and Mrs. Dallas King and their three daughters, formerly of Plymouth, have made their new home in Rochester, New York, where Mr. King was recently transferred. Mrs. King is the former Margie Guimet.

# Why Chrysler hasn't fooled around with "in-betweens" and "baby brothers"

An encouraging word to you who may be slightly confused and faintly unhappy about the wide variety of cars in the market today

If all the baby brothers, junior editions, and in-between sizes of cars you've known and liked for years have you slightly confused and faintly unhappy, we hope you'll take a long, hard look at the cars from Chrysler Corporation.

Although our 1962 models are probably the most truly modern cars on the road, they are designed and engineered with the old-fashioned notion that a Chrysler is a Chrysler, a Dodge is a Dodge, and a Plymouth is a Plymouth.

You'll know where you're at with a 1962 car from Chrysler Corporation, and we think you'll find it a good place to be.

To begin with, there are some things our cars do have in common.

There's no fat or dead weight. Each car has a trim, racy look. They're nimble in traffic, far easier to handle and park. And they do what a lot of automotive engineers thought was impossible. They give you a lot more action on a lot less gas. Acceleration is up as much as 10%; gas mileage, which was already outstanding, is up as much as 7%.

These are the cars that we have to offer:

### IMPERIAL

This is the most luxurious car we make, and nobody in the country makes one plusher. Leather hides, for example, are finished by hand. Upholstery is shrink-fitted to seats with live steam. It is truly America's most carefully built car. Prices start at \$4,920\*.

### CHRYSLER

This is the big car that first made Chrysler engineering famous. This year the Chrysler 300, the car our engineers use to show how much performance can be put into an automobile, is available in a new series priced just above the Chrysler Newport. Previously there was only an expensive limited edition. Chrysler Newport prices start at \$2,964\*.

### DODGE

Now priced with Ford and Chevrolet, Dodge has always been known for dependability. This year we've added a dash of daring to give you quality without bulk. There's still plenty of head and legroom, but reducing the car to road-hugging live weight gives you more zip in a car that gets more miles out of every gallon. Prices start at \$2,241\*.

### PLYMOUTH

Priced for the average income, sized for the average garage. Full size in both front and back seats. Powered for performance that almost reconciles a sports car driver to a car big enough for the wife, the kids, and a St. Bernard. Goes further on a gallon of gas than ever. Prices start at \$2,206\*.

### LANCER

This is the compact that can cruise along at turnpike speeds without pressing, but it uses regular gasoline sparingly, as a compact car should. Exclusive Torsion-Aire Ride, used in our most expensive cars, gives the Lancer an unusually comfortable ride. Prices start at \$1,951\*.

### VALIANT

This is the compact frequently mistaken for an expensive foreign make, although it's priced like a compact. With its advanced Slant-Six Engine, it combines the economy of a compact with passing power you expect to find only in larger engines. Prices start at \$1,930\*.

Six cars, no confusion. Each designed to offer you something extra in its price class. Before you decide on your next new car, drive one of these.

\*Manufacturer's Suggested Retail Price, exclusive of destination charge.
