New Construction Climbs in 1961

Hits \$3.5 Million With School Help

Despite a two-month long ban on issuance of building permits last summer, construction in the City and Township of Plymouth last year took a jump over the previous years, a survey of building permits this week indicated.

Permits issued by the two building departments called for \$3,537,489 worth of construction. Of this amount, \$1,977,089 was in the Township and \$1,560,400 was in the City. In the previous year, permits worth \$2,944,268 were issued.

By far the largest piece of construction is the new Plymouth Community Junior High-West, located at Ann Arbor Trail and Sheldon Rd. Located in the Township, its value alone was set at \$810,693, to account for nearly a fourth of the construction worth this past year.

One good barometer to measure the extent of growth in the City and Township is the number of permits issued for new dwellings. In 1961, the City issued 66 permits for homes while the Township issued 35 for a total of 101. In 1960, only 84 permits were issued. The City also issued two permits for multiple dwelling units.

Last year's home construction was still far from the 204 homes built in 1959. But building of dwellings has been hampered during the past two years by a State ban. It first forbade new subdivisions that would utilize the Middle Rouge Interceptor because that drain is at capacity. Finally, after politicians failed to come up with a firm plan to construct a new interceptor, the State put a clamp

on all building permits last mid-June. The County Department of Public Works hurriedly signed up communities to join the new interceptor and by mid-August, the ban was lifted.

In the meantime, however, much of the prime construction time had been lost.

City Building Safety Inspector Charles Thompson reported no single large piece of construction during the year. The largest were two apartment projects valued at \$200,000 and two service stations.

The 66 homes built in the City had a value of \$1,014,500. In addition, there were 11 commercial projects valued at \$105,000, three industrial permits issued for \$13,350, residential additions, alterations and repairs made costing \$88,300, and 34 garage permits issued costing \$32,400.

In Plymouth Township, Building Inspector Howard Holmes said that two of the larger permits issued during the year have not been built. They are both for bowling alleys, one on Plymouth Rd. (which has now started) and the other along Schoolcraft Rd. Each of these hit the total around \$160,000.

There were six permits issued for commercial buildings costing \$403,000; two industrial permits issued for \$75,000; 31 permits for additions costing \$58,925; 24 garages built costing \$23,700; 21 repair permits issued at \$22,122; the one school permit at \$810,693; and other miscellaneous permits at over \$40,000.

Public Asked To Community Fund Annual Meeting

Any person who contributed to the Plymouth Community Fund for its 1961 campaign is entitled to participate in the annual meeting of the fund being held Tuesday, Jan. 16 at 8 p.m. in the Plymouth Township Hall.

Four directors must be elected at the meeting. Expiring are the terms of Robert Barbour, John Pitt, Mrs. Carl Caplin and Rev. David Davies.

Participants will be able to vote on new directors and will hear a report on the fund's past campaign which went \$3,172 over its goal of \$44,347. Future plans of the fund will also be discussed.

Other members on the Board of Directors are Hugh Griffin, president; Russell Lister, Frank Palmer, Mrs. Marshall North, Mrs. Elizabeth Holmes, Donald Sutherland, Albert Glassford and James Spensler.

All Plymouth Asked to Attend Picnic, But...

All of Plymouth is being invited to enjoy the warm lake breeze and attend a picnic on Tuesday, March 6. Picnickers are being asked to bring their own dishes to the potluck and something to drink. It will start at noon. There's only one hitch to the invitation — it is being held at Lake Alfred, Fla. E. F. Rotnour, 333 W. Ann Arbor Trail, is president of the annual Plymouth Picnic held for Plymouthites who are vacationing in Florida. Last year 59 attended. "It has been held for some six years now," Rotnour explained, "and it draws vacationers from all over Florida."

Lake Alfred is in the central part of Florida. The picnic is held in a pavilion along the small lake that borders Lake Alfred. Further information can be secured by calling Rotnour at GL 3-4582.

College Seeks Federal, Area Industry Help

Possibility that federal assistance may be available to build a student center for the Northwest Wayne County Community College is being investigated by the Board of Trustees.

The Trustees are also hoping to find individuals or groups willing to donate land upon which the college might be constructed.

At its regular meeting last week, the Board of Trustees began work on what will be one of its major jobs during the next two or three years. Through its committees it has set in motion several projects which will result in the building of the college structure.

The Facilities Committee, working with the American Institute of Architects, has begun the task of securing an architect. By the time the architect is chosen, the Curriculum Committee hopes to be able to indicate some of the educational specifications which will determine the kinds of buildings needed.

Meanwhile the Finance Committee is exploring the legal and financial questions which must be answered before the people are asked to vote millage for the College. One item that is currently engaging the committee's attention is a project now being undertaken by Northwestern Michigan College in Traverse City. This community college has secured federal authorization to build a \$750,000 student center on a self-liquidating basis — without the use of local tax funds.

If the local community college could secure similar assistance for its student center, which might include a cafeteria, bookstore and other (Continued on Page 8)

Township Orders Fire Engine

Purchase of a new fire truck for \$27,732, taking bids on a new Department of Public Works headquarters and pick-up truck and a report on a liquor license were among the items before the Plymouth Township Board Tuesday night.

The new fire engine, which will be delivered in about six months, will be purchased from American-LaFrance Co. It will be similar to the two now owned by the City of Plymouth, but somewhat larger and will have an enclosed cab. It can pump 1,000 gallons a minute and can carry 1,000 gallons of water.

The purchase price was the second lowest among five bids received last month. The others were Mack Trucks, \$26,900; Seagrave Corp., \$27,750; Peter Pirsch & Sons, \$28,000; and Young Equipment

Co. (FWD), \$28,956. A committee composed of Supervisor Roy Lindsay, Trustee Louis Norman and Fire Chief Howard Holmes drew up the specifications and recommended the LaFrance.

One citizen, Clayton Koch, a former fireman himself, was in attendance and questioned whether the committee had thoroughly compared all trucks, especially the Pirsch. He noted some difficulties which the LaFrance had encountered in the past.

But Chief Holmes listed points which he had considered as "over and above" the specifications and noted that engine difficulties of former LaFrances had now been cleared up. After a half hour of discussion, the LaFrance bid was accepted.

New Building Architect Tivadar Balogh was present to ask for final approval of plans for a new DPW building that will go up

Money problems of its own has brought about an indefinite delay by the Plymouth Board of Education in providing a requested \$6,996 to help operate the Northwest Wayne County Community College during the year.

At its regular monthly meeting Monday night, the Board of Education learned that the Livonia Board has given \$21,660 and Garden City, \$4,085 as their share. Both were returnable grants, according to Plymouth Board President Harold Niemi.

The Board of Trustees of the college figure they need \$33,847 to hire necessary personnel to get the college going. They have no source of tax funds of their own since a millage issue will not be placed on the ballot until June.

At the Plymouth Board meeting a month ago when the request was made by Board of Trustees President Harold Fischer, the local Board indicated that it could see no way of finding nearly \$7,000 for the college when Plymouth's own program was suffering because of the cut in assessed valuation.

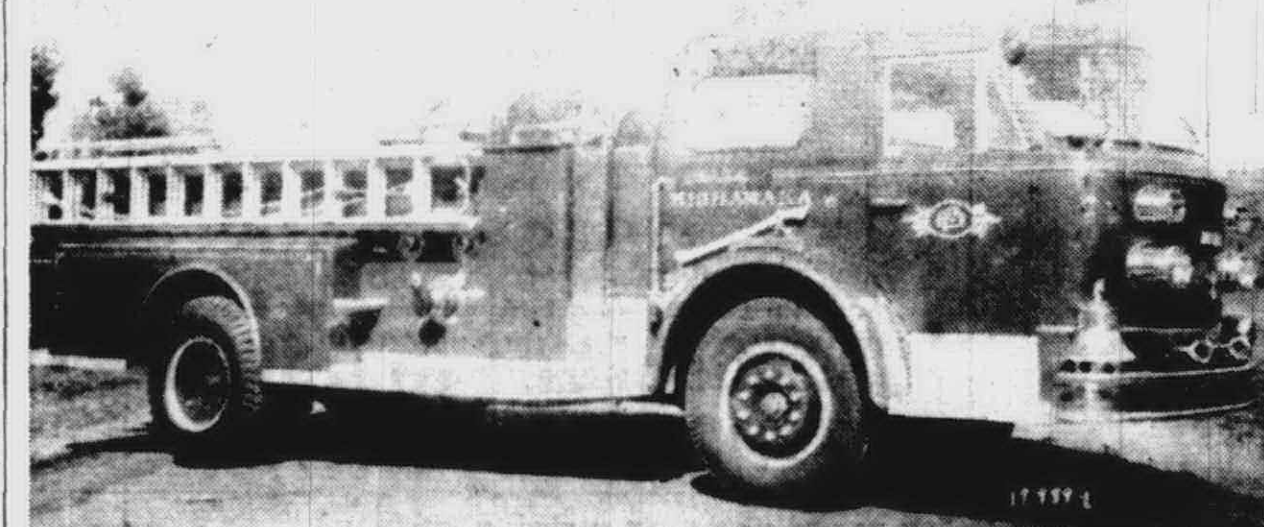

This opinion was expressed again by Board members last Monday night, who also feel that the college trustees are not being realistic when they say they want to hire department administrators even before the millage is approved.

"It would seem to me that this whole thing hinges on the millage issue," Treasurer Robert Soth declared. The Board doubted if qualified persons would take jobs until they know that the money for starting the college was assured.

All four school districts in the community college district — Plymouth, Livonia, Garden City and Clarenceville have been sharing the cost of salaries for the college administrator and a secretary. This, and the proposed operating gift or grant, are based on each district's percentage of the total valuation.

As a result of the discussion, a motion was approved by the Plymouth Board to move ahead with the original commitment of helping to pay for the administrator's and secretary's salaries, and to re-evaluate the need for other money later as the situation develops.

The cards are validated and (Continued on Page 8)

PLYMOUTH TOWNSHIP will become owner of an American LaFrance pumper like this in about six months. Approval of the purchase was given by the Township Board last night. There were five bids received on the truck.

Yoga or Electronics—Adult Education Has 70 Courses on Tap

Hundreds of adults and young people will be heading for the classrooms during the evening hours at the end of this month as the Plymouth Recreation and Adult Education Department begins its fall term. Twenty new courses are found among the 75 being offered.

Director Herbert Woolweaver announced that registration will be held next Monday and Tuesday during the day and evening. During the remainder of the week, Wednesday through Friday, there will be daytime registration only.

"We have some real interesting new classes coming up," Woolweaver declared. A listing of the classes, fees, instructors and times is available at the High School or at City Hall.

Water color painting taught by artist Hal Stein is one of the new classes. Up until now, only oil painting has been offered.

Secretaries and businessmen who want to brush up on writing might be interested in English Composition on Tuesday night.

Family \$\$\$ Planning is the title of another new course to show householders how to budget and live within their finances.

Modern Interpretive Dance and Women's Gym will give women some physical activity Tuesday nights. Other new Tuesday courses are Real Estate and You and Selling, a course sponsored by the Chamber of Commerce and Small Business Administration especially for clerks. Many merchants are expected to enroll their clerks.

Aviation Ground School is something new under the department's wing. It is for student pilots who are seriously trying to obtain their private license.

Fire Marshal Report

Building and Grounds Supervisor Thomas Kelly reported that State Fire Marshal's office has now approved all work performed this summer at the Senior High School.

Much of it had been performed at the request of the fire inspectors. A month ago, a letter from the marshal's office said that many of the recommendations still had not been fulfilled. This assertion was blamed on "poor communications" between the Lansing office and the department's district man and the work has now been approved, Kelly said.

Five more orders have been filed, however, with three of them scheduled to be fulfilled soon. The three had to do with replacement of several automatic door closers, providing (Continued on Page 8)

School where the Child Psychology class will be taught each Wednesday morning. Children will be cared for in a nursery. Other Wednesday new classes are Photography, Reading Efficiency and TOPS Club, Inc., a group for those who want to take off pounds sensibly.

A Beginners Drama class will be formed Thursday nights. And for the men who like to vocalize, a Male Chorus is available. This group is now composed mainly of Burroughs Corp. employees.

A course in how to effectively serve in the role of Toastmaster is offered Thursdays. Other Thursday courses are Trimming, Waitress Training (this is for men too, especially for prospective college students who may want to earn their way through college); and Yoga, physical and mental development through scientific posture and breathing.

There are also three college credit courses offered Thursdays by Eastern Michigan University. This is the complete list:

Monday: Community Chorus, Electronics (Basic), Electronics II, German, Golf, Men's Gym, Nature Study, Security Investments, Sewing for Beginners, Swedish Gym (women), Symphony, Theatre Guild, Advanced Typing, Beginning Typing, Upholstering, Water Color Painting.

Policy Makes School Gifts Acceptable

It's too late for the football season — but the Board of Education Monday night adopted a policy that last fall would have allowed individuals or groups to make a gift or bequest to pay for school bus transportation of the band to out-of-town football games.

The School Board's order last fall allowing only one field trip per organization a year also applied to the band. The cutback was made to help balance the budget.

A host of parents who felt that the band should go out of town offered to hire the school buses, but the Board questioned the legality of this. While the Board attempted to find out the legal angle, parents and merchants chipped in and hired a private bus firm to transport the band. Sgt. Russell Isbister found out from the State Department of Instruction that it is not possible for individuals to rent or hire the school buses, but the Board Trustee Peter Zystra brought out the possibility that gifts for such a purpose may be acceptable.

This proved correct. The new policy states that individuals or organizations may make a gift or bequest "only if they are in keeping with sound educational practices." They must also state their purpose.

Charge 4 In Long List Of Crimes

Fourteen thefts dating back to 1960 were cleared up last week by Plymouth police when four young men were arrested and charged with breaking and entering in the night time. Thefts in other areas may bring the total over 31.

Charged by Plymouth police were William R. Signorelli, 18, of 175 Amelia St., and Paul H. Jensen, 18, of 1372 Sheridan. A similar count of breaking and entering in the night has been filed by the Livonia police against Dennis Pace, 17, of 674 Pacific, and Gerald J. Fornwald, 18, of 397 Pacific.

Police said that Signorelli has waived examination and has been bound over to Circuit Court. Jensen's attorney has demanded examination and it has been set for Monday.

The long list of thefts attributed to the four were these:

—Tools from Bathey Manufacturing, Pace and Signorelli.
—Six tires and wheels from Allison Chevrolet, Signorelli and Jensen. Later the same two allegedly took two more wheels and tires.
—Two tires and wheels, Selle Body Shop, Signorelli.
—Four tires and wheels, Allison Chevrolet, Pace.
—Two tires and wheels from VFW Hall parking lot, Pace. (Continued on Page 8)

March of Dimes Opens Campaign

Seventy local teen-agers will be braving Saturday's icy weather to sell peanuts to help fight polio and two of America's worst cripples — birth defects and arthritis.

The peanut sale will be one of several projects of the New March of Dimes campaign being conducted here and in other communities across the nation during January.

Concluding the drive will be the annual Mothers' March on Tuesday, Jan. 30.

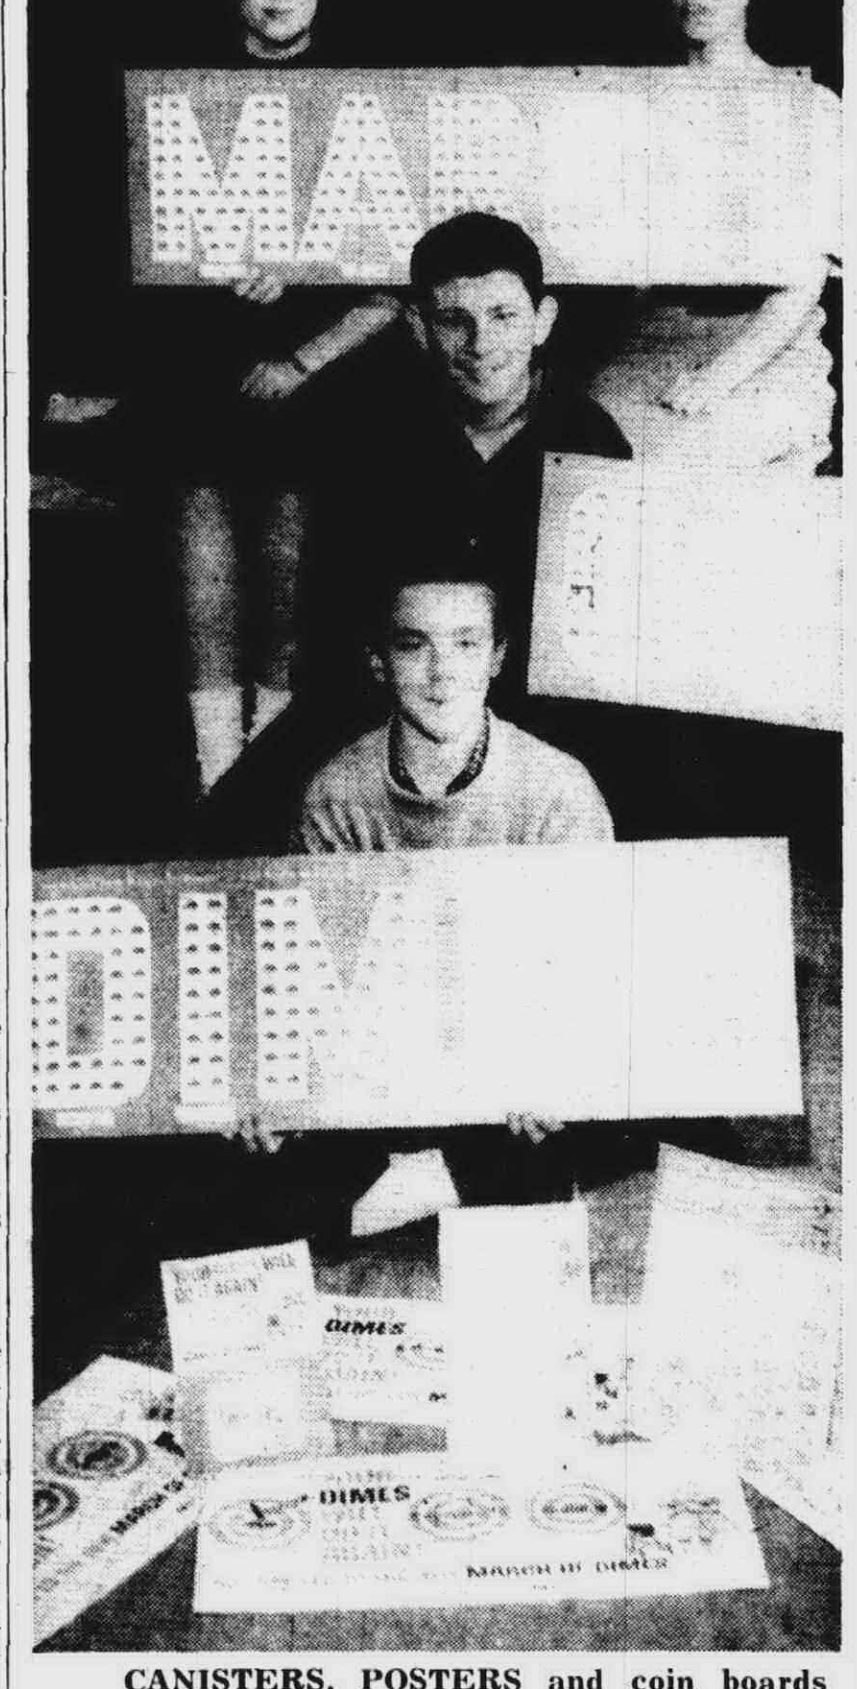

Students from the Junior High, Our Lady of Good Counsel and Smith School will be on the sidewalks in the business areas from 9 a.m. to 4 p.m. with bags of peanuts to be sold especially for the Dimes drive. Any donation will be accepted.

Mrs. Harry Bartel, chairman of the Peanut Sale, will have her headquarters in the Kresge store.

Heading the March of Dimes effort in Plymouth this year are Mr. and Mrs. Joseph Witwer, campaign co-chairmen; Mrs. Charles Olson, Mothers' March chairman; and Mr. and Mrs. Ernest Berridge, co-chairmen of publicity.

Any member of the committee may be contacted by individuals or groups who want to raise funds through special activities during January. One suggestion is neighborhood coffee parties where the hostess will turn in donations to the committee.

The New March of Dimes canisters, posters and coin cards have been placed in local stores by the Teen Club of Our Lady of Good Counsel directed by Father Alfred Renaud.

CANISTERS, POSTERS and coin boards appealing for support of the New March of Dimes are being distributed this week by members of the Teen Club of Our Lady of Good Counsel Church. Displaying some of the material are Paula Koepeke (left top), a board member; Mary Donnelly, secretary; Jim Janicki, (center), president; and John Todd (foreground), vice-president. A peanut sale this Saturday will open the annual appeal.

City Fires Up, Township Down

Fire losses took a dip in Plymouth Township during 1961 and rose sharply in the City of Plymouth, year-end reports to the State Fire marshal's office revealed this week.

Township Fire Chief Howard Holmes reported total fire losses last year reached \$13,211.63 as compared with \$23,559 in the previous year.

In the City, Deputy Fire Chief Charles Groth totaled up losses of \$61,755.79 — nearly three times more than the \$23,559 loss in 1960. Most of the City's fire loss came early in the year when Evans Discount Furniture on Forest Ave. and an apartment at 900 N. Mill were hit.

Deputy Chief Groth said that the Evans Discount Furniture fire on Jan. 13 resulted in a loss of \$35,945 while the apartment house blaze in March caused damage of \$18,240. No cause was established in either fire, he added.

There were 86 fire alarms recorded during 1961 in the City and 87 rescue truck runs. Of the 86 fire runs, 19 were in dwellings, 25 vehicle fires, 20 grass fires, 1 false alarm, 1 school fire (wastebasket) and 20 other types.

The annual fire report listed 14 fires caused by careless burning of rubbish, 12 by careless smoking, eight incendiaries caused by minors, 6 by other types of carelessness, and 6 caused by juveniles. Others were caused by defective wiring and heating plants and five were listed as unknown.

An \$8,000 loss at an Eastside Dr. home was the largest in

As usual, grass fires caused the biggest headache for Township firemen. There were 31 grass fires, 7 vehicle fires, 12 in dwellings and 28 other kinds. There was also 1 false alarm.

Chief Holmes reported 3 fires caused from careless smoking, 5 by careless use of matches, 23 through careless burning of rubbish and 15 by other acts of carelessness, 4 through defective wiring, 1 by misuse of appliances, 2 by defective chimney, 2 by over-heated heating devices, 2 from chimney sparks, 10 by other causes and 10 unknown.

Highlighting the evening was a demonstration by Mrs. Marie Knapp on how to bone and roll a turkey. Refreshments were served by the Ladies of the High School.

Couple to Live in Plymouth

At Trinity Lutheran Church in Monroe, Carole Ann Wittkop and Elden G. Zang repeated their vows during a double ring ceremony before Rev. Herbert B. Fehner before an altar decorated with red poinsettia plants.

Soloist, Miss Ruth H. Lindsey sang "I Love Thee", "Because" and "The Lord's Prayer" accompanied by E. J. Witzke at the organ.

The bride was gown in a dress of white silk brocade featuring a fitted bodice and

decolletage neckline and bracelet-length sleeves. Her full skirt cascaded into a chapel train. An elbow-length illusion veil was secured by a lace band trimmed with pearls and topped with a bow. The bridal bouquet was made up of miniature carnations, red sweetheart roses and ivy.

Gail Wittkop, the bride's sister, was maid of honor and wore a street-length gown of emerald green brocade, styled with a square neckline, elbow-length sleeves and a flared skirt. The headpiece she wore was trimmed with pearls and a short face veil.

Brother of the groom, Eugene Zang, was best man while Larry Wittkop, brother of the bride, Donald and Robert Zang, brothers of the bridegroom, and Malcolm Pierce seated the guests.

The reception for 250 guests was held following the ceremony at the Monroe Golf and Country Club, which was decorated with a Christmas motif.

For the honeymoon trip to Washington, D.C., the new Mrs. Zang chose an emerald green blouse dress with brown accessories.

The couple will make their home at 1600 N. Territorial Rd. Mrs. Zang, a graduate of Monroe High School and Western Michigan University, is a teacher at Bird Elementary. Her husband is a graduate of Cooley High School in Detroit, and teaches in the Plymouth Community School District. He is also working for his master's degree at the University of Michigan.

Newburg Church Ladies To Tour Confection Firm

Mrs. Emil LaPointe GL 3-3787
The Woman's Society of Christian Service of the Newburg Methodist Church is sponsoring another one of their family-style dinners to be held at the church, Ann Arbor Trail and Newburg Roads, Saturday, Jan. 27 from 5:30 p.m. to 7:30 p.m. All you can eat for the nominal fee of \$1.50 for adults, 75 cents for children 4 to 12 and children under 4, free. For cuisine of the very finest, plan now and mark your calendar.

During the holidays, Mr. and Mrs. Amos Jackson and daughter Carol of Hix Rd. were dinner guests in the new home of Mr. and Mrs. Warren Fittery in Northville. Mr. and Mrs. Fittery formerly resided on Hix Rd.

Girl Scout Troop 1573 and their leader, Mrs. Walter Meyers are spending one day a week for the next five weeks at the Consumer's Power Co.

of the Newburg Methodist Church at her home on Tuesday, Jan. 2 with the ladies coming in the morning to sew cancer pads, have a lunch at noon and then their regular business meeting in the afternoon. Circle members present were Mrs. Edwin Norris, Mrs. Bert Halloran, Mrs. Ernest Merritt, Mrs. Lester Larrabee, Mrs. Elsie Waddington, Mrs. James Busenback, Mrs. Robert Arnold, Mrs. Earl Halsted and Mrs. Leonard Ritzler. The ladies of this circle are planning two tours through the Fred Sanders Confection Co. in Detroit on Tuesday, Jan. 23 and Monday, Feb. 19, both tours starting at 9 a.m. Anyone desiring tickets may call Mrs. Lester Larrabee.

Mr. and Mrs. David Smith and Mr. and Mrs. Everett Smith all of Newburg Rd., are home, after spending a few weeks in the sunny clime of Florida. They visited in Marathon, Fla. on the Keys and reported that the weather was beautiful the entire time.

Six years old is a very fine age and Paul Roshirt son of Mr. and Mrs. Clayton Roshirt of Richland, celebrated this fact by inviting ten of his friends in for a party, paper hats, blowers and all the other wonderful things to help to make a boy's party complete. His guests were Mike and Pat O'Hagen, Jeffery Lindsay, Joyce Jensen, Darlene Griffiths, Susan Abbey, Anthony DePirro, Coey Langkabal, Glen Hookey and Gary Anderson. Now, it is sad to relate, Paul is confined with the chicken pox and we all wish him a speedy recovery.

Boy Scout Troop 758 sponsored by the Newburg Methodist Men's group, held a court of honor at the church hall. The evening started with a pot luck supper and 60 parents and Scouts attended. During the course of the evening awards to various Scouts were given out and plans made for coming activities which include a trip to Camp Howell on Sunday, Jan. 27 for all the Green Bar boys to participate in the annual Detroit Area Council "Klondike." Reservations have also been made for the entire troop to go to Cedar Lake camp on the weekend of April 13, 14 and 15. It is altogether pleasing for the committee and leaders of this troop to observe a 50 percent increase in enrollment of boys in this group. We shall look forward to hearing more about Troop 758.

Square dancing and a wonderful party were on tap for Mr. and Mrs. Delmer Ruehle of Hix Rd., as they were guests in the home of Mr. and Mrs. Emil Mittelstadt in Detroit, for their New Year's Eve celebration.

New Year's Day dinner guests in the home of Mr. and Mrs. Claude Desmond on Joy Rd. were Mr. and Mrs. Gail Lekner and daughters Marie and Gail of Livonia.

Mrs. Edward Reid of Richland Ave. entertained the Lydia Circle of the Woman's Society of Christian Service

JOHN DOWD, left, uses his JA salesmanship training as he sells E. S. Evans, Jr., president of Evans Products Company, shares of stock in "Evanteen", a Junior Achievement Company sponsored by Evans in Plymouth. John, who lives in Northville, is president of the miniature company.

Public Invited To Annual Meeting

The public is being invited to the Annual Dinner Meeting of the Salvation Army being held Monday, Jan. 22 at which a widely-known Detroit area speaker will address the gathering.

Richard C. Hedke of Trenton, who has a long and distinguished service to the Salvation Army and served seven years as chairman of the Detroit Advisory Board, will be the guest speaker. He is also a past international president of Rotary.

The meeting will begin at 7 p.m. at Lofy's Arbor-Lill. Any person interested in the work of the Salvation Army is invited to attend the meeting. Tickets, costing \$3.50, are available from any of the Plymouth Advisory Board members.

A report on the past year's work will be presented. Proceeds from the dinner will be used to purchase additional instruments for the local Army band and for the purpose of furthering the movement of a day nursery.

Members of the Plymouth Advisory Board are Mrs. David Mather, Mrs. Lillian Roe, Mrs. Nell Curry, Mrs. Katherine Todd, Mrs. Leslie Daniels, Mrs. Claude Gebhardt, Robert Willoughby, Sylvester Cooper, Donald Sutherland, Russell Amerman, Ted Kuckleman and Frank Henderson.

Obituaries

Arthur James Mitchell
 Services were conducted by Rev. J. Edward Fulcher for Arthur James Mitchell Wednesday at 1 p.m. from the Schrader Funeral Home. He passed away at the age of 79 Jan. 7 after a long illness at Eastlawn Convalescent Home. Before his retirement he was a detective lieutenant with the Detroit Police Force, and came to this area from Detroit in 1940. A native Detroit, he was born July 21, 1882. On April 25, 1904 he married Joan Eva Potts Mitchell.
 Survivors include his widow and one sister, Mrs. Winifred Preston of Detroit.
 Interment was in Grand Lawn Cemetery.

Mira Eliza Smith
 Mira Eliza Smith, 89, passed away Jan. 8 at her home located at 7244 Six Mile Rd., Northville, following a long illness. She was born Oct. 2, 1872 in Farmington to Carrie M. (Penney) and Orrin Hicks Cook. Most of her lifetime was spent in this area except for a short time in West Branch, Mich., where she graduated from high school. She was the last living member of the first class to graduate from West Branch High School in 1890.
 On March 27, 1902 she married William Thomas Smith who preceded her in death on Jan. 3, 1944.
 Mrs. Smith was a 50-year member of the Maccabees and a member of the Salem Federated Church.
 Surviving her are one daughter, Mrs. Ruth Clay of Northville; one son, Ernest W. C. Smith of Stockbridge, Mich.; two grandchildren, Melvin Smith of Stockbridge and Ernest Smith of Dexter; and four great grandchildren.
 Services will be held Thursday, Jan. 11 at 2 p.m. at the Schrader Funeral Home. Officiating will be Rev. Elwood Chipchase of Salem.
 Interment will be in Riverside Cemetery.

Catherine Burger
 Catherine Burger passed away Jan. 3 at the age of 94 at her home located at 31850 Schoolcraft in Livonia. She was born in Detroit Dec. 31, 1867 to Louise (Offner) and Christian Trinkaus. Her husband, Edward, preceded her in death in 1941. They were married on Oct. 18, 1893. Mrs. Burger came to this area from Detroit in 1952.
 Surviving her are her two daughters, Miss Ida Burger and Miss Louise Burger.
 Rosary was recited Friday evening. Funeral services, under the direction of the Schrader Funeral Home, were held at St. Maurice Catholic Church Jan. 6. Rev. Thomas Cain officiated.
 Interment was in Holy Sepulchre in Southfield, Mich.

Mildred Charron
 Death terminated a three year illness for Mrs. Mildred Charron, 55, on Jan. 7 in St. Mary Hospital. She was born Feb. 27, 1906 in Penrith, Cumberland, England to Mary Ann (Nicholson) and Charles Hetherington, coming to this community in 1950 from Ridgetown, Ontario. Her home was at 15131 Northville Rd., Plymouth Township.
 Survivors include her husband, Ovilva; her mother, Mrs. Mary Hetherington; two sons, Walter Homewood of Chatham, Ont., Arsene Joseph of London, Ont.; two daughters, Miss Mary Jean Charron of Plymouth and Mrs. Beulah King of Durand, Mich.; two brothers, Wallace, of Livonia and Frank, of California; and eight grandchildren.
 She was a member of St. Michael's Church and a member of the Rosary Society of Our Lady of Good Counsel in Ridgetown, Ont.
 Rosary was said Monday evening at the Schrader Funeral Home. Funeral services were held Jan. 10 from St. Michael's Church in Ridgetown. Interment was also at St. Michael's.

Thomas R. Houghton, Sr.
 Ailing since June, Thomas Houghton Sr., passed away Jan. 5 in Wayne County General Hospital. He was born 74 years ago on Oct. 11, 1887 in Toronto, Canada to Sarah (Bebington) and Thomas Houghton. On Nov. 10, 1909 he married Florence M. Houghton, coming to this area from Lake Orion in 1934.
 Surviving him besides his widow, Florence, are four sons, Howard of Plymouth, George of Livonia, Thomas R. Jr., of Garden City and Robert of Garden City; four daughters, Mrs. Audrey Matt of Detroit, Mrs. Norma Skoglund of Plymouth, Mrs. Betty Galpin of Plymouth and Mrs. Viola Fine of St. Petersburg, Fla.; 17 grandchildren; and eight great grandchildren.
 Services were held from the Schrader Funeral Home Jan. 8 with Rev. Henry J. Walch, D. D. officiating.
 Pallbearers were Dale McKinney, Howard Houghton, Jr., Donald Houghton, Lex Skoglund, Lynwood Fine and Robert Grieve.
 Interment was in Riverside Cemetery.

Frank Arthur Hadley
 Frank Arthur Hadley of Seal Beach, California passed away Saturday, Jan. 6 at the age of 33. He was the son of the late Mrs. Edythe Hadley of Plymouth and Charles Hadley of Detroit.
 Survivors include his father, Charles Hadley; three sisters, Mrs. Burton Rich of Plymouth, Mrs. Margary Williams of Placerville, Calif., Mrs. John C. Over of Stockton, Calif.; and two brothers, Fred, of Plymouth and Robert of Houston, Texas.
 Burial services were held in Seal Beach, Calif.

English Lord Speaks at Northville Town Hall Series
 "Under Big Ben" is the topic Lord Wedgewood Benn will offer to season ticket holders Wednesday, Jan. 17 at the 11 a.m. Northville Town Hall Lecture Series. Lord Benn attracted international attention in recent months when the acquisition of his title forced him to vacate his seat in the House of Commons to assume a seat in the House of Lords.
 All of the morning lectures are held in the P and A Theatre in Northville.
 Reservations for the Celebrity Luncheon, which follows at Lofy's Arbor-Lill, must be made at least 24 hours in advance. Luncheon tickets, at \$1.75 each, may be reserved by calling Mrs. J. W. Cheatham at FI 9-1016 or Miss Ruth Knapp at FI 9-1829.
 Unless reservations are made for a table of eight, the Town Hall Series Committee reserves the right to seat guests as they come. Luncheon is served at 1 p.m.

Wayne Dunlap Turns Down Full-Time Post in Saginaw

Wayne Dunlap

An invitation to become full-time resident conductor of the Saginaw Symphony has been turned down by Wayne Dunlap, conductor of the Plymouth Symphony for 10 years. The Board of Directors of the Saginaw Symphony this month announced plans for significant increases in its program, including the necessity for a full-time resident conductor. For the past several years, the Saginaw Symphony has been conducted by Dunlap.
 Dunlap was the unanimous choice of the Board to become the full-time director, but the Plymouthite declared himself unable to accept the larger responsibilities. He said that to devote full-time to the Saginaw program would make it impossible for him to make it possible for him to devote full-time to the Saginaw program.

Notice of Application for Homestead and Blind Exemptions

Applications for blind persons' and veterans' homestead exemptions will be received in the office of the City Assessor until February 9, 1962.
 Disabled veterans of World War I and II must supply proof of their disability by supplying a 1962 uncashed disability compensation check dated January, 1962. A veteran's widow who has not remarried may also supply proof by showing the Assessor her uncashed pension check dated January, 1962.
 An application for Homestead Exemption must be filed each year by those persons who are eligible. If there are any questions concerning this application, please do not hesitate to contact the City Assessor by calling Glenview 3-1234.

Swimmers Win 55-47; 2 Pool Records Fall He Scores 'Hat-Trick'

Establishing two pool records and a team record in the 100-yard freestyle, Plymouth swimmers marched past Bentley, 55-47, last Thursday evening in a dual meet here.

The Rocks put down a strong Bentley team which lived up to its reputation of being tough and stubborn this winter.

Phil Bender when he completed the 100-yard breast-stroke in 1:07.9 and by Dick Michaels as he won the 100-yard backstroke in :57.8.

Michael's time in the backstroke — his specialty — was also a team record. The Rocks claimed seven first place ribbons in their victory, their fourth opposed to one de-

feat. Four second place finishes coupled with five thirds earned Plymouth its margin.

Swimming coach John McFall had warned earlier that Bentley had surprising strength this winter. This was true, especially in the distance events.

The Rocks were able to gain only a third in the 400-yard freestyle (by Dick Alford) and a second in the 200-yard individual medley (by Bender).

It was a bit better in the 200-yard freestyle where Michaels claimed another first (in 1:59.4) and Alford emerged with a third.

Plymouth's strength seemed to lie in the 100-yard backstroke, breast-stroke and freestyle. The

Rocks took firsts in all three and earned either a second or third place in addition.

Michaels and Gary Gould, who are waging a personal scoring duel this season, were the scoring leaders against Bentley. Each had double wins for 10 points apiece, giving Gould 45 points thus far in the season and Michaels 44.

Gould's victories were in the 50-yard freestyle in :23.8 and in the 100-yard freestyle in :53.8.

Other scoring for Plymouth was accomplished by:

Ken Fischer with a third in the 50-yard freestyle, Dick Taylor second in the 100-yard butterfly, Tom Hoffman third in the 100-yard backstroke, Dave Agnew third in the 100-yard breast-stroke, Win Schrader second in the 100-yard freestyle, Mark Schultheiss first and Wayne Stephenson second in the diving, Bender second in the 200-yard indi-

vidual medley, Alford third in the 200-yard freestyle.

Plymouth's 200-yard relay team was disqualified for an illegal

start, but the Rocks' 200-yard freestyle relay made up for that with a win in the final event. The quartet of Jim Mattison, Jerry Wallace, Dave Sutherland

and Fischer was timed in 1:43.0.

The Rocks visit Trenton tomorrow afternoon in a dual match that will get underway at 4 p.m. and

Ann Arbor will host Plymouth Saturday night. Then come Redford Union, Allen Park and Dearborn Fordson to round out the Rocks' January agenda.

Brian Gilles' three goal 'hat-trick' led Plymouth's juvenile hockey team to an easy 6-0 decision over the Nankin Hotshots in a Nankin Township recreation hockey league game last week.

Gary Dunbar, Plymouth goalie, had to make only four saves in the game as a result of his teammates' tight defense. It was Dunbar's first shutout of the season. Gilles' hat-trick was the first of the winter in the Nankin circuit.

Alan McAllister and Gary Birkelbaw scored the other Plymouth goals

Plymouth Surprises Visiting Farmington

With a full court press defense and an explosive scoring attack, Plymouth stunned

highly-regarded Farmington, 59-49, Saturday night to snap a three-game losing streak.

The victory came on the heels of a 30-25 loss at the hands of arch-rival Bentley High a night earlier in a game that saw the Rocks sink only eight of 59 field goal attempts.

By virtue of their split over the weekend, the Rocks carry a 2-5 season record into their match against Trenton this coming Friday evening. Plymouth is 0-3 in the Suburban Six league and is mired deep in the conference cellar.

Against Farmington, a non-league opponent, Plymouth was an entirely different ball club from the one which endured near total frustration facing Bentley.

Sparked by fiery Dave Gothard, the Rocks shattered the Falcons' offense, consistently broke through fundamental defensive patterns and functioned with aggressive smoothness nearly all night. Later in the locker-room, cage coach Charlie Ketterer was overheard to remark "I am just plain pleased" with regard to the victory.

He commended the Plymouth team for its alert play and determined efforts. "It's a tribute to the players that they could bounce back after losing a tough game to Bentley the night before," he said.

The victory was made even sweeter with the knowledge that Farmington had brought a 6-1 record to town and shares the Inter-Lakes league lead with Berkley. Only defeat on the Farmington card — prior to Plymouth — was a loss to Highland Park, one of the best Class A teams in the state.

With Gothard along with center Dan Stremick and team captain Eloy Menchaca carrying the scoring load,

Plymouth erupted in the first half, fashioning a 13-9 first period lead and enjoying a 28-21 bulge at the intermission.

At one time, the Rocks held an 11 point margin in the first half.

In the third quarter, it was more of the same, and then in the fourth Plymouth staged off a Farmington rally that trimmed the Rocks' 16 point edge to the final 10-point difference.

Farmington couldn't get started until it was much too late. The Falcons were hampered by the absence of injured guard Dick Fusco, out with a bad ankle.

Although individual scoring honors went to Farmington's Paul Riggio with 17, Plymouth displayed a scoring balance that was unbeatable.

Stremick led the Rocks with 15 points, most of them from in close, while Menchaca with 11 and Gothard with 10 were

Hockey Senior Team Defeats Northville

Two-goal contributions by Bob Hawkins and Jerry Kolak paced Plymouth's senior recreation hockey team to a 6-3 victory over Northville last Thursday night in a Garden City recreation league game.

The senior team is now 2-1 and plays Garden City there at 9:30 p.m. this Thursday evening.

In addition to Hawkins and Kolak with two goals apiece, Plymouth had extra support from Dick Sharland and Al Kolak, each of whom scored once.

Plymouth goalie Kent Stanbury made 31 saves during the game.

constant threats from 15 and 20 foot distances. Dick Schryer, strong all night on defense, chipped in with 12 points, too. Jared Stevens had seven and Tom Lock added four.

For once Plymouth had good percentages in both free throw attempts and field goal accuracy. The Rocks hit for 20 of 46 shots from the floor and added 19 of 31 free throws. Farmington had 17 of 26 free throws.

Against Bentley a night earlier it was an old familiar story.

The Rocks couldn't buy a basket. They cashed only eight field goals all evening and could muster only nine free throws.

Bentley, utilizing the same tight defense that enabled it to upend Allen Park a week earlier, led 12-6 at the end of the first period, 21-13 at the half and 27-18 at the start of the final frame.

High scorer for the night's work was Bentley's Greg Mapes with 14.

Plymouth was paced by Menchaca who had 13. Only other scorers for the Rocks were Stremick with five, Dick Schryer with four and Don McMullen with three.

The loss to Bentley placed Plymouth deeper in the cellar. The Rocks are tied with Trenton, each with 0-3 marks.

The two teams meet Friday night to determine which will remain at the bottom alone.

Frosh '5' Post Easy 44-12 Win

Plymouth's freshman cagers overwhelmed Livonia Whittier's ninth graders last Friday afternoon by a 44-12 margin as 11 of the Rocks' 15 players got into the scoring act.

Coach Bryan Boring emptied his bench early in the contest which resulted in Plymouth's second victory in as many outings.

The Rocks limited their opponents to three points in each quarter while shaping a 12-3 first period lead, a 20-6 edge at the half and a 34-9 bulge at the end of the third quarter.

Dave Tidwell scored eight points for the winners as Jim Lake added seven and Jeff Thomas and Gary Grady each had six. Other scoring for Plymouth was accounted for by: Roy Chappel with 5, Phil Zumbrun and Jim Bruff each with 3, Don Cranford and Don Stampert each with 2, and John Hannula and Gary Fueling each with 1.

Against Farmington, a non-league opponent, Plymouth was an entirely different ball club from the one which endured near total frustration facing Bentley.

Sparked by fiery Dave Gothard, the Rocks shattered the Falcons' offense, consistently broke through fundamental defensive patterns and functioned with aggressive smoothness nearly all night.

Later in the locker-room, cage coach Charlie Ketterer was overheard to remark "I am just plain pleased" with regard to the victory.

He commended the Plymouth team for its alert play and determined efforts. "It's a tribute to the players that they could bounce back after losing a tough game to Bentley the night before," he said.

The victory was made even sweeter with the knowledge that Farmington had brought a 6-1 record to town and shares the Inter-Lakes league lead with Berkley. Only defeat on the Farmington card — prior to Plymouth — was a loss to Highland Park, one of the best Class A teams in the state.

With Gothard along with center Dan Stremick and team captain Eloy Menchaca carrying the scoring load,

Junior Varsity Cagers Suffer Ups and Downs

Plymouth's junior varsity cagers broke even in two games last weekend, defeating Bentley, 31-29, in the last 10 seconds Friday night and losing 46-38 to Farmington's JayVee's on Saturday evening.

It left the Junior Rocks with a 4-3 record thus far in the season including a 3-0 card against league opponents.

Doug Sutherland tossed in a pair of free throws to break a 29-29 tie against Bentley and save the victory for the Rocks in that contest.

Plymouth had fashioned a 16-11 half-time margin but a Bentley rally in the final moments tied the score, setting the stage for Sutherland's free throws.

Jerry Kisabeth led the Rocks with 13 points, Sutherland adding 11.

Dick Bearup, junior varsity coach, had praise for his players after the game. "They played their best basketball of the season," he remarked. "It was won on defense."

Bentley had been undefeated prior to Plymouth.

Against Farmington, the junior Rocks ran out of gas. They applied a full court defensive press pattern and couldn't maintain it toward the end of the game.

Plymouth again held a halftime advantage, 20-17, but faltered in the second half and couldn't recover. Farmington went ahead by seven points during the third quarter and held on to win.

Bruce Berry took scoring honors for Plymouth with 10 points, Sutherland had nine, Tom McGill seven and Kisabeth six. Farmington's extra height made a big difference.

Two of Plymouth starters missed both games last weekend due to injuries. Dick Egloff and Ron Garchow were ailing as was Caleb Luibrand, the Rocks' sixth man.

The Junior Varsity suffered losses earlier in the season to Ypsilanti and Walled Lake.

Jay Vee Swim Team Upends Bentley, 79-26

By winning 10 of 11 first place finishes, the Rocks' junior varsity swimming team gained its third dual meet victory of the season last week, overwhelming Bentley's JayVee's, 79-26.

The junior Rocks have lost only once thus far. Only in the 100-yard breast-stroke did Plymouth fail to finish first, but there the Rocks claimed second and third for ample consolation.

Scoring leaders for the Rocks were Mike Drennan and Mike Britcher, both of whom took a first and second for eight points, and Dick Berry who had a pair of seconds for six points.

Individual scoring for Plymouth was accomplished by: Doug Breed, first, and Jack LaPointe, third, in the 400-yard freestyle; Bob Meyers, first, and Berry, second, in the 50-yard freestyle; Drennan, first, and Britcher, second, in the 100-yard butterfly;

Mark Keith, first, and Dan Olson, second, in the 100-yard backstroke; Gerry Scott, second, and Bob Williams, third,

Cage Loop Paced By R. Union

While Plymouth was encountering further frustration in the Suburban Six basketball league last Friday night, Redford Union elsewhere utilized the same span of time to move alone into the league lead.

The Rocks suffered their third conference defeat at the hands of Bentley High, 30-25, but Redford Union claimed its third straight league victory by disposing of upstart Belleville, 53-41.

Previously, Redford Union and Belleville shared the leader's spot with identical 2-0 records.

Now Redford Union stands alone at the top of the circuit in a position it is expected to retain throughout the remainder of the season.

Elsewhere in the Suburban Six, Allen Park went on another scoring splurge and trounced Trenton, 76-60.

Allen Park's formidable guard combination, comprised of Roger Roman and Les Mihalyty, provided 34 points to surely the big punch for the Parkers. Roman alone had 20,

DON'T GET TRAPPED

BAIT: CAR FINANCING THROUGH YOUR AUTO DEALER
TRAP: HIDDEN COSTS
 DID YOU KNOW?
 If you are paying the so-called 6% interest on your car loan, that you are actually being charge 12.78% true interest. We invite you to call or stop by the Plymouth Community Credit Union office for a copy of a booklet on credit published by Michigan State University.
 You may want to consider financing your car through the Plymouth Community Credit Union for the following reasons:
 1. You receive a favorable Plymouth Community Credit Union interest rate (which includes life insurance at no added cost).
 2. If you find it necessary to refinance your car, your interest rate is not increased.
 3. There are no extra service charges.
 4. There is no auto insurance tie-in. You may purchase your insurance where you please.
 5. You are not tied to a coupon book. You may pay your car off at any time, for in the Plymouth Community Credit Union, you pay for money only while you use it.
 6. You are dealing with friends when you deal with your Plymouth Community Credit Union, since the members own the organization.
 Ask for a brochure on buying a car next time you're in. It may save you many dollars.

Film Takes Audience To Africa Saturday

The third in a series of travelogue speakers will show his movies on "Africa" this Saturday.

Sponsored by the Plymouth Lions Club, the travelogue will begin at 8 p.m. at the Plymouth Junior High School. Tickets can be purchased at the door.

"Africa," with Len Stuttman as leader of the safari, will take the audience to one of the remote areas of that continent. He will embark on a trek to a mysterious lake, Lake Rudolf in Kenya. The safari was accompanied by 21 native boys and two white hunters.

The safari moved over the highlands of Kenya and through the Turkana country. At the Carl Hartley Ranch, the audience will be treated to a giraffe hunt. The film then shows the mysterious and legendary Lake Rudolf

A BUYER'S MARKET

It is a common occurrence when car dealers meet these days to hear the remark: "In all my years in the car business I've never known a buyer's market like this one." While buyer's markets have always come and gone with changes in the economy, the fact remains that today's surplus cars over buyers has reached a very high level. Nowhere is this more evident than in the used car market, for very specific reasons: Before World War II, three out of five car owners had never owned a new automobile. As high as 80 percent of car owners at one time bought their cars second hand.

The rising post-war living standard made it possible for former used car buyers to move into the new car class. This process has been greatly speeded up in recent years by low-priced compacts.

The manufacturer's production race of the late fifties resulted in extended credit terms that opened the new car market to still greater numbers of buyers.

For all these reasons, plus the fact that modern cars have been built to last longer, the values offered today on the used car market are the greatest in history. They represent the TRUE MARKET VALUE of the cars at, in many cases, a fraction of their new car price.

But one word of caution: Unless you are an expert mechanic, appraiser and market expert, you can still make a bad mistake. Your only safeguard is a reputable dealer who is both — and who wishes to keep your repeat business.

Favorite Recipes from Plymouth Kitchens

The recipe for Sweet Potato Balls that Mrs. William Clarke shares with us this week completely transforms the rather tasteless sweet potato into a tempting compliment to any meal. This

is an especially nice dish for buffet dinners," says Mrs. Clarke. Her directions follow.

Sweet Potato Balls
2 1/2 c. mashed canned or cooked sweet potatoes. (One

1 pound 2 ounce vacuum can, or two pounds fresh sweet potatoes.)
3/4 t. salt and a dash of pepper
2 T. butter or margarine, melted
1/4 c. tiny marshmallows
1 T. butter
1-3 c. honey
1 c. chopped walnuts.

Combine mashed sweet potatoes, salt, pepper and 2 T. melted butter; stir in tiny marshmallows. Chill for easier handling. Shape into balls, using 1/4 c. mashed potato for each.

Heat 1 T. butter and the honey in small heavy skillet. When syrup is hot, add potato balls, one at a time. Carefully but quickly, roll in glaze, coating completely.

At once roll in chopped nuts. Place balls so they do not touch each other in greased shallow baking dish.

Drizzle with a little melted butter and bake in a moderate oven (350 degrees) 15 to 20 minutes. Makes 6 to 8.

Mr. and Mrs. William Clarke live at 693 Burroughs and have two daughters, Carol, in Columbus, Ohio and Jill, who is a sophomore at Michigan State.

NBD Earnings Drop in 1961

Net operating earnings of National Bank of Detroit for the year ended Dec. 31, 1961 were \$17,235,646 or \$4.79 per share on the 3,600,000 shares outstanding, it was reported by Donald F. Valley, chairman, and Henry T. Bodman, President.

This compares with \$18,182,346 in 1960 or \$5.05 per share, adjusted for the 12 1/2 percent stock dividend paid last January.

After provision for reserves, the balance of net operating earnings transferred to undivided profits was \$14,705,327 in 1961, as against \$15,994,973 in the preceding year. Dividend payments in 1961 totaled \$7,000,000.

Capital, surplus, and undivided profits on Dec. 31 amounted to \$173,194,940 which reflects an increase of \$7,705,327 during the year.

Total resources aggregated \$2,182,834,000 and total deposits \$1,983,726,000 at the year end, and were 85 million dollars and 80 million higher, respectively, than on Dec. 31, 1960.

Loans and mortgages at \$770,618,000 were down 27 million from the 1960 figure, while U.S. securities amounting to \$629,792,000 were 60 million higher and other securities at \$246,560,000 were 17 million higher.

CONSUMERS POWER COMPANY

For the past two and one-half years Plymouth has had the teaching services of both Mr. and Mrs. Charles R. Armstrong, who attended Anderson College in Anderson, Ind. However, they did not become acquainted until they moved to this area to live while he taught in Garden City and she in Livonia and both attended the Riverside Park Church of God.

Within a year they were married. They continued their teaching and added graduate study to their mutual program, studying one summer at Eastern Michigan University but earning their MA degrees from the University of Michigan.

Following their initial start as eighth grade teachers of English and social studies for two years, Mr. Armstrong began to teach a 6th grade class at Smith School in Plymouth, but Mrs. Armstrong moved to a fourth grade class in Livonia for one year before coming to Farrant School in Plymouth to continue as a 4th grade teacher.

While teaching and studying, they found time to be active in their church with Shirley teaching third graders in Sunday School and directing the Missionary Education Group and Chuck directing the choir.

Then for the past two years they have been building representatives of the PEA, and they are both affiliated with the National and Michigan Education Assn. This past year Chuck was also membership chairman of the PEA and has been a member of the Community School Planning Group.

For hobbies Shirley enjoys sewing and cooking, reading and playing the piano when she has the time. Chuck likes to work with his hi-fi components, to play golf, and to sing with the Community Chorus.

During his last year of undergraduate study at college, Mr. Armstrong toured the western states as a member of the college choir, and with this introduction to the West he determined to go back again in the future. Consequently the Armstrongs have vacationed twice in the Rocky Mountains indulging in their favorite pastimes—camping and sightseeing.

They have also camped in the Black Hills and in Ontario. They have traveled during the school spring vacations to Washington, D.C. New York, and the UN in order to increase their efficiency in teaching social studies.

Becomes Angus Association Junior Member

David Magraw, 14, Plymouth, has been granted a junior membership in the American Angus Assn. at St. Joseph, Mo.

His new junior membership, issued during December, enables him to register his purebred Angus at regular membership rates and entitles him to the privileges of the Association until he reaches the age of 21. At that time he will be eligible to convert to a lifetime membership in the Association.

David was one of 67 junior members who joined the Association last month.

Local Banks Offering New Interest Plans

Both National Bank of Detroit and Detroit Bank and Trust announced new interest rates starting Jan. 1.

National Bank of Detroit has announced a new special "investment account" plan that pays 4 percent interest on one-year deposits. The plan became effective Jan. 1, 1962. The new accounts require minimum deposits of \$500 or more which must be left on deposit one year. Interest is paid annually. On written notice, withdrawals may be made prior to one year at reduced rates of interest. The new accounts are available in passbook or certificate form.

This action is in accordance with Federal regulations and follows a recent ruling by the Federal Reserve Board and the Federal Deposit Insurance Corporation increasing the maximum interest commercial banks may pay.

The bank also announced an interest increase from 3 percent to 3 1/2 percent annually on regular savings accounts, compounded and paid quarterly.

Detroit Bank and Trust today announced that effective immediately, the interest rate on all of its regular savings accounts is increased from 3 percent to 3 1/2 percent. The new interest rate will be paid and compounded quarterly and existing customers will automatically receive the benefit of the increase.

The announcement was made by Joseph M. Dodge, chairman, and Raymond T. Perring, president.

Last week, Detroit Bank and Trust also announced the introduction of new Special Thrift Accounts that pay 4 percent interest on funds that remain on deposit in the new account for at least one year.

4 courses of 8 morning sessions are open to the public and like previous classes will be limited to the first 15 applicants for each class.

The courses will be conducted by Mrs. Marion Sober, who attended the Yale School of Fine Arts and taught drawing and painting at Wayne State University.

Classes will be held each morning from 9 a.m. to 12 noon, beginning January 22nd.

- 1) Beginning Oil Painting with step-by-step instructions, Mondays, Jan. 22nd.
- 2) Advanced I Oil Painting with further study in composition and color harmony, Tuesdays, Jan. 23rd.
- 3) Advanced II Oil Painting with emphasis on color dynamics and spatial concept as developed by the Impressionists, Wednesdays, Jan. 24th.
- 4) Cane, Rush and Reed class, popular course in restoring valuable antique chair seats in authentic techniques of early American crafts, Thursdays, Jan. 25th.

Sessions will be devoted to lectures, demonstrations, question periods and an opportunity for each participant to receive individual criticism and help on his work, with comments and suggestions by Mrs. Sober.

At the end of the classes an exhibition of the work will be held at the studio, open to families and friends of the participants. Refreshments will be served. Cost of each entire course is \$15.00 for eight sessions, payable in advance, supplies are extra.

Veterans of Foreign Wars Auxiliary News

The membership committee held the drawing for three had paid their dues by Dec. 30. First prize was won by Lemay Smith, second by Janet McLean, and third by Marcella Herter. At this time, we have 93 paid-up members.

The Auxiliary is going to purchase a flag carrier case which will make it more convenient to store or transport equipment.

Six pair of TV slippers were sent to Ruth Otto to be given to hospitalized veterans. Our hospital rehabilitation and senior citizens committees have been real active during the month of December and are to be congratulated for their efforts. At this particular time of the year, these committees try to do more than usual to help veterans, needy families, senior citizens and shut-ins.

We would like to extend our most sincere sympathy to Geraldine and Ed Olson in the death of Mr. Tobey, Gerrie's grandfather. Wishes for a speedy recovery are extended to Mr. Conrad Olson, Ed's father, who is hospitalized.

The New Year's Eve party was highlighted by a phone call from Rosemary Kooiman from Muskegon. Although a little homesick for Plymouth, the Kooimans are nicely settled in their new home. There was a very nice crowd at the party and everyone agreed that they had a wonderful time.

Guide sheets are being mailed to Auxiliary pres-

idents. Each chairman should begin checking to see that she has attained all possible points so that we can make the honor roll again this year. Plans for the future include catering for a dinner, the annual District Linen Bingo, and a District Rally. Now that the busy holiday season is behind you, why not try to attend the next meeting!

State DeMolay Honors Ron Hubbs Saturday

Ron Hubbs of Plymouth, the State Master Councillor of the Order of DeMolay, will be honored at a dinner and reception followed by a dance in the Plymouth Masonic Temple on Saturday, Jan. 13 at 6:30 p.m., following an afternoon meeting of the State DeMolay Board.

Richard Huebler, formerly of Plymouth and also a former State Master Councillor will act as toastmaster.

A large delegation of the State Officers will be in attendance, together with the executive officer and member of the Supreme Council of the International Order of DeMolay for Michigan, Harold F. Koch of Dearborn; Richard A. Brand, the State Deputy for Michigan DeMolay of the Grand Lodge of Michigan Masons; and representative groups from the state organizations of the Grand Lodge of Masons of Michigan; the Order of Rainbow for Girls and the Job's Daughters.

Plymouth Chapter, Order of DeMolay is sponsored by Plymouth Rock Lodge 47 F. & A. M. and the Plymouth High Twelve Club; is now in its 12th year. The present Master Councillor is Tom Hoffman. For reservation information call William Ellis, Jr., GA 1-6940.

Band Raises Funds

In order to earn part of the money required to send the High School Band to Interlochen Music Camp this coming summer for two weeks, the band members, under the direction, and with the help of the Band Parents Association, are holding their annual Chop-Suey Dinner.

The dinner will be held in the High School Auditorium on Jan. 20. Dinner will be served continuously from 5:30 to 7 p.m. Tickets may be purchased from any high school band member ahead of time.

Remember the date, Saturday, Jan. 20, and buy your ticket. Let's all eat a fine dinner, permit the cook of the household a rest, and support the band with one simple act. See you there!

Suppose an unbeliever challenged you to do so. Being a sincere Christian, you might reply: "I just know it is." But that wouldn't be proof. It would not be very convincing to the unbeliever. And what would a skeptic say if you told him you have the assurance of the Holy Spirit? He might well ask why so many Christians who claim this do not agree on the meaning of the Scriptures. What real evidence could you produce? What facts could you present? Where could you find a logical convincing answer? Christ, of course, wrote nothing, excepting on one occasion—and then only in dust. All the original manuscripts of the Bible have vanished. The Bible itself does not claim to be the Inspired and complete word of God. Our Lord did not say that His teachings would be found in a book. On what authority, then, can we be sure about the Bible? The answer is, of course, that the only living authority is the Catholic Church... the Apostolic Church... the Church whose traditions, beginning with Peter, bear reliable witness down the pathway of time from Christ to this very moment. The Bible cannot prove by its own text that it is inspired. But the Catholic Church can prove this. Our of the first century, the Church can call up such witnesses as Polycarp (80 A. D.), whose appointment as Bishop of Smyrna came personally from John the Apostle, or Ignatius of Antioch, who died about 107 A. D. It can present the testimony of such second-century writers as Clement of Alexandria, Irenaeus, Tertullian and Origen; and from the third and fourth centuries Cyprian and Ambrose and Eusebius and Cyril, and many others. All these bear witness to the vital importance of the Apostolic tradition. All testify that the Scriptures were entrusted to the Church... that the Church is their preserver and interpreter... that they must, as Clement said, be interpreted "according to the Church's rule." Writing in the second century about Polycarp, who lived in the first, Irenaeus said: "The things which he had learned from the Apostles he uniformly taught and delivered to the Church, and these things alone are true." The Catholic Church was preaching the Gospel of Christ years before the last book of the Bible was written... centuries before its writings were combined into a single book... nearly 1,500 years before the Bible gained world-wide distribution. If you want to know more about the Church and the earliest followers of Jesus Christ... if you want convincing proof to support your Christian convictions... write today for our free pamphlet giving a brief but dramatic story in the words of the fourth-century historian, Eusebius. It will be mailed to you in a plain wrapper; nobody will call on you. Ask for Pamphlet No. PM KC-45.

ORDINANCE NO. 283

AN ORDINANCE TO AMEND SECTIONS 4 AND 5 OF ORDINANCE NO. 276, ENTITLED "ORDINANCE TO PROVIDE FOR THE REGULATION AND CONTROL OF THE INSTALLATION, OPERATION AND MAINTENANCE OF OUTDOOR SWIMMING POOLS IN THE CITY OF PLYMOUTH AND TO PROVIDE PENALTIES FOR VIOLATIONS THEREOF."

THE CITY OF PLYMOUTH ORDAINS:

Section 1. Sections 4 and 5 of Ordinance No. 276, entitled "An Ordinance to provide for the regulation and control of the installation, operation and maintenance of outdoor swimming pools in the City of Plymouth and to provide penalties for violations thereof" are hereby amended to read as follows:

Section 4. LOCATION. "Out-of-door swimming pools may be erected in the side or rear yard, provided no part thereof shall approach nearer than six (6) feet horizontally to any street property line and five (5) feet horizontally to any other property line, and four (4) feet to any building wall or non-property line fence."

Section 5. FENCING. The swimming pool shall be completely enclosed by a fence not less than four (4) feet nor more than six (6) feet in height, erected in accordance with the provisions of Ordinance No. 219, entitled "AN ORDINANCE TO PROVIDE FOR PERMITS THEREFOR, TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS AND TO REPEAL ALL ORDINANCES OR PARTS OF ORDINANCES, INCONSISTENT WITH THE PROVISIONS HEREOF," as amended by Ordinance No. 279. The gates shall be of the self-closing, self-latching type with latch on the inside of the gate, not readily available for children to open. All gates must be locked when the residents are away from the house or when the pool is not in use.

Section 2. This Ordinance shall become operative and effective on the 24th day of January, A.D., 1962.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan on the 2nd day of January, A.D., 1962.

Canton Township Opens Dimes March

Esther Sprengel
GL 3-0194

The Willard Bowman family of Ford Rd., were host to Mrs. Bowman's brother and wife, Mr. and Mrs. Sheldon Baker of Fayetteville, Ark. The Bakers are formerly from Plymouth. Also guests for dinner were the Baker's son, Dennis who attends the University at East Lansing and their daughter and son-in-law, Mr. and Mrs. Sam Trammontin of Ann Arbor. While talking with Mrs. Bowman, I discovered that their son Bob, who is stationed in California at the naval base has been hospitalized with pneumonia. Bob is connected with the Jet Helicopter Squadron 2 and

we're hoping by the time he gets his copy of The Plymouth Mail he will be on the good health list again. Received a very pleasant surprise from former Township residents, Mr. and Mrs. Clay Orr. The Orrs sent us a card from California where they are on an extensive tour and visit. The Orrs now make their home in Hudson, Mich. And then there were eight, Mr. and Mrs. Howard Truitt of Ford Rd., proudly announced the birth of a son, Harold Russell. The new Master Truitt made his appearance on December 29 at the Ridgewood Hospital, weighing 8 pounds and 10 oz.

The Gallimore School P.T.A. executive board held their monthly meeting at the home of Mr. and Mrs. John Schroeder of Ridge Rd. Mr. Schroeder is president of the P.T.A. group. Plans for the group's square dance and coming carnival will be the main topics under discussion. A reminder: During the

month of January, one of your neighbors will visit you for a donation to the March of Dimes, or better known as the Mothers' March. This year, your donation will go to aid distributing polio vaccine, correction of birth defects, and to enable further progress into the prevention and cure of arthritis. Many of us feel that we are too often approached for donations for this and that, but no matter how small the donation, we give, the need for money in this instance is great, and none of us know when we shall need or ask for help from one of these agencies. We hope that this shall not be necessary, but we do know that someone somewhere shall need their help. This year's March in Canton Township is headed by Mrs. Howard Stein.

Mr. and Mrs. Dean Palmer (Dean and Lou Ann) and daughter Kim are visiting Dean's parents, Mr. and Mrs. Theron Palmer of Beck Rd.

Besides, each parent was required to provide a proportion of firewood to heat the building. The poor children attended free. Rate bills were made out according to number of days your child was in school. (You paid only for days attended). So you see kids, your chances of Mom and Dad asking you to stay home would have been greater (who says we have progressed?). School was held three months in the summer and two or three months in winter. Only one drawback to the above system — the teacher took turns living with each family, so I guess we had better leave well enough alone.

Have a promise of some Township news next week, but need to hear from you out there also.

Detroit Bank Earnings Down

The Detroit Bank & Trust Company, which has a branch in Plymouth Township, reported net operating earnings of \$9,748,964 for the year ending Dec. 31, 1961, equal to \$5.30 a share. This compares with \$10,457,651 or \$5.69 a share in 1960. After non-operating adjustments and reserve provisions, \$10,889,068 was added to undivided profits compared with \$8,803,454 in 1960. Total deposits amounted to \$934,888,289, compared with \$900,923,569 on Dec. 31, 1960. Demand deposits were \$506,180,660, down from \$509,408,073 a year ago, and savings and time deposits were reported at \$428,807,629, a gain of \$37,292,134 over the close of 1960. Total loans were \$464,813,207, a slight decrease from the \$466,455,914 figure of a year ago. Loans and discounts

were \$298,144,948, compared to \$312,612,589 on Dec. 31, 1960, and real estate loans amounted to \$166,668,259, an increase of \$12,824,934 from the same period last year. Total capital funds, including general reserves were \$90,670,105, reflecting an increase of \$7,509,048 from Dec. 31, 1960. At year end a transfer of \$6,000,000 was made from undivided profits to surplus, raising the latter to \$56,000,000 and increasing the bank's legal lending limit.

HERE ARE 2 OF THE NEW JET-SMOOTH CHEVROLETS

Top one's our new Impala Sport Coupe whose steel roof line is a dead ringer for the Impala Convertible's below. But after rich new styling, what? In glamor and go, comfort and craftsmanship, here's all you'd reasonably expect of an expensive car. Except the expense.

Slip inside a Jet-smooth Chevrolet, relax and just notice how good you feel. Ready for action? Just flick the key and let'er purr (your choice of two standard engines—a 135-hp 6 or 170-hp V8—or optional-at-extra-cost V8's way up to a 409-hp mile-shrinker). That gentle cradling motion you enjoy is Jet-smooth ride at work. And the rich interior and neat craftsmanship are Body by Fisher at work. Have your dealer give you the whole story. That's the work he loves best.

City of Plymouth Commission Proceedings

Monday, December 18, 1961
A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, December 18, 1961 at 7:30 p.m.

PRESENT: Comm. Beyer, Hartmann, Houk, Shear, Terry, Wernette and Mayor Spreckel.

ABSENT: Comm. Wernette.

Moved by Comm. Terry and supported by Comm. Houk that the time of the hearing in the resolution on page 3186 of the minutes of November 20, 1961 be changed from "8:00" o'clock to "7:30" o'clock p.m., and that the minutes of the regular meeting of December 4, 1961 and the special meeting of December 11, 1961 be approved as written. Carried unanimously.

The Mayor opened the hearing on Project 50-2476, Penniman Avenue, S. Harvey Street to S. Main Street, resurfacing, new curb, new sidewalk, etc. Dr. Robinson requested that he be placed on record as protesting the widening of Penniman Avenue on the north side of the street only. After all interested parties had been given an opportunity to be heard the Mayor declared the hearing closed.

The following resolution was offered by Comm. Houk and supported by Comm. Beyer:

WHEREAS, a public hearing, after due notice thereof, was held in regard to the necessity of the public improvement described as:

Penniman Avenue, S. Harvey Street to S. Main Street, resurfacing, new curb, new sidewalk, etc. Project 50-2175

and all persons interested were given an opportunity to be heard upon the question of the necessity of the improvement and no valid objections thereto were made.

NOW, THEREFORE, BE IT RESOLVED that the Commission determine, and it does hereby determine, to proceed with said improvement, and

BE IT FURTHER RESOLVED that the Assessor prepare Special Assessment rolls in accordance with the resolution Determining Necessity, adopted December 18, 1961 and report said roll to this body for confirmation, said roll to be made forthwith.

Carried unanimously.

Moved by Comm. Hartmann and supported by Comm. Houk that the bills, in the amount of \$128,428.59, as audited by the auditing committee, be allowed and warrants drawn.

Carried unanimously.

The Clerk presented the following reports for the month of November: Building Safety, D.P.W., Fire, Health, Municipal Court, Police, Survey and Treasurer.

Moved by Comm. Hartmann and supported by Comm. Houk that the above reports be accepted and placed on file.

Mr. Sidney Strong, Chairman of the Planning Commission, presented an explanation as to the reason for a barrier wall between commercial or industrial areas and contiguous residential areas. It was decided that the proposed ordinance to amend the Zoning Ordinance, relative to barrier

walls, be referred back to the Planning Commission for further study and recommendation.

The Clerk presented a communication from Gould Homes, Inc. requesting permission to erect an advertising sign for the Arbor-Craft Subdivision.

Moved by Comm. Houk and supported by Comm. Beyer that Gould Homes, Inc. be permitted to erect a 20' x 10' advertising sign for the Arbor-Craft Subdivision, for a period of 6 months and a deposit of \$25.00.

Carried unanimously.

The Clerk presented a communication from Gilbert J. Pearson requesting permission to erect an advertising sign for a proposed apartment development on Sheldon Road, 500 feet north of Ann Arbor Road.

Moved by Comm. Hartmann and supported by Comm. Houk that Gilbert J. Pearson be permitted to erect an advertising sign for the proposed apartment development on Sheldon Road, for a period of 6 months and a deposit of \$25.00.

Carried unanimously.

The Clerk presented a communication from Senator Drendel, acknowledging receipt of the city's resolution opposing Public Acts 98 and 99 of the Public Acts of 1961 relative to court jurisdiction. The communication was ordered accepted and filed.

The Clerk presented a communication from Mrs. Doris Root of the License Division of the Secretary of State's office, requesting permission to erect permanent directional signs to the office of the Secretary of State.

Moved by Comm. Wernette and supported by Comm. Shear that Mrs. Doris Root be allowed to erect temporary directional signs for the license bureau at the corner of Main and Mill, Main and Starkweather, Liberty and Mill and Liberty and Starkweather Avenues until February 28, 1962.

Carried unanimously.

The City Manager presented a report from the Fire Prevention Bureau relative to recommendations for the safety of persons occupying various buildings in the downtown area. The report was ordered accepted and filed.

The City Manager presented his reports relative to the following projects:

Project 50-2176, McKinley, concrete curb and gutter, driveways, etc.
Project 50-177, Harding Street, Hartsooth to Ross, concrete curb and gutter, driveways, etc.
Project 50-2180, Maple Street, S. Harvey to McKinley, concrete curb and gutter, driveways, etc.
Project 50-2181, Ross Street, Evergreen to McKinley, concrete curb and gutter, driveways, etc.
Project 50-2182, Ross Street, Evergreen to McKinley, concrete curb and gutter, driveways, etc.
Project 50-2183, Ross Street, S. Main to S. Harvey, concrete curb and gutter, driveways, etc.

The following resolution was offered by Comm. Houk and supported by Comm. Beyer:

WHEREAS, the City Manager, as heretofore directed, has presented his reports to this Commission, dated December 18, 1961, relative to pro-

posed local or public improvements described as:

Dewey Street, Hartsooth to Ross, concrete curb and gutter, driveways, and miscellaneous improvements, Project 50-2176; and
Harding Street, Hartsooth to Ross, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2177; and
Hartsooth Avenue, Evergreen Avenue to McKinley, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2178; and
S. Harvey Street, Wing to Ann Arbor Road, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2179; and
Maple Street, S. Harvey to McKinley, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2180; and
Roosevelt Street, Hartsooth to Ross, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2181; and
Ross Street, Evergreen to McKinley, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2182; and
Ross Street, S. Main to S. Harvey, concrete curb and gutter, driveways and miscellaneous improvements, Project 50-2183; and

WHEREAS, this Commission has reviewed said reports,

NOW, THEREFORE, BE IT RESOLVED that the City Commission of the City of Plymouth, Michigan, does hereby find and determine that the above described improvements are necessary and that said improvements are local and of benefit to the property affected thereby and also are a general public improvement.

BE IT FURTHER RESOLVED that part of the cost of said improvements shall be paid by special assessment upon the property benefited thereat at the rate of 50 per cent of the cost of the improvement, plus a \$36.00 charge for a concrete driveway approach, where constructed.

BE IT FURTHER RESOLVED that the limits of the special assessment district within which property is deemed and hereby determined to be specially benefited are as follows: All properties whose frontlines or sidelines abut the improvement.

BE IT FURTHER RESOLVED that said reports of the City Manager and this resolution shall be placed on file forthwith in the office of the Clerk for public examination and shall remain on file therein for at least seven days before any hearing upon said public improvements.

BE IT FURTHER RESOLVED that this Commission hold public hearings upon said public improvements and the necessity therefor on Monday, January 25, 1962 beginning at 7:30 o'clock P.M. in the Commission Chambers at the City Hall, and that notice of the time and place of such hearings and the purpose therefor shall be published by the Clerk in The Plymouth Mail and shall be posted upon three or more of the official public bulletin boards of the city, not less than ten days prior to said date of hearings.

Carried unanimously.

Moved by Comm. Beyer and supported by Comm. Wernette that the City Manager be authorized to sell the International Leach Packer truck to Denzel Bros. for the amount of \$3,300.

Carried unanimously.

The City Manager reported that the Amatek and New York City appointed by the governor, but in 1825, Congress passed an act to give the people in those townships the privilege of selecting their own officers.

A reason for not liking your ancestor's kids — it was through the determination of the settlers, who had attended school before their move to Michigan that brought about an act passed by the governors and judges in 1809 to levy a tax to support schools, but it was not enforced.

In 1827 territorial courts passed a law which required every township with 50 inhabitants to employ a schoolmaster of good morals, to teach children reading, writing, English, French, arithmetic, spelling and decent behavior. Schools were open for six months and according to law when there were 200 inhabitants in a township, a school of higher grade was to be established, where Latin was to be taught.

Now for those tax bills, I can see someone saying this was the better plan. Taxes did not support schools. Instead, rate bills were issued by school boards to parents whose children attended school, and they paid tuition.

Moved by Comm. Wernette and supported by Comm. Hartmann that the City Manager be authorized to purchase 1 base station and 6 portable receivers for the Civil Defense Communications System in the amount of \$1200.

Carried unanimously.

Moved by Comm. Beyer and supported by Comm. Hartmann that the third reading of the proposed Ordinance No. 182, with respect to barrier walls, be tabled until it is returned from the Planning Commission with further recommendations.

Carried unanimously.

The Clerk read a proposed ordinance to amend Ordinance No. 278, governing Pool Ordinance, relative to fences.

Moved by Comm. Wernette and supported by Comm. Beyer that the proposed ordinance to amend Ordinance No. 278, governing Pool Ordinance, be passed its first reading.

Carried unanimously.

The Clerk presented a recommendation from the Building Materials Committee, as approved by the Planning Commission, requesting an addition be made to the Rules and Regulations for Minimum Requirements for Residences in connection with Ordinance No. 252.

The following resolution was offered by Comm. Hartmann and supported by Comm. Houk:

RESOLVED, that the following addition be made to the Rules and Regulations for Minimum Requirements for Residences to Supplement the B.O.C. Code, as adopted in accordance with Ordinance No. 252, Building Code of 1958:

Individual heating systems must be installed in each living unit of all two-family or multiple family dwellings hereafter erected using warm air heat.

Carried unanimously.

The Clerk presented a communication from the Election Commission advising that a division being made in Precincts 4 and 5 to more equally distribute the voting population, and that the locations of Precincts 4 and 5 are being moved to 200 S. Union Street, the Plymouth Community Building.

Moved by Comm. Houk and supported by Comm. Beyer that the division of Precincts 4 and 5, and the change in location of Precincts 4 and 5 be approved.

Carried unanimously.

Moved by Comm. Wernette that the meeting be adjourned.

Carried unanimously.

Time of adjournment was 9:09 P.M.

John Frazer and others were enjoying the hospitality of the Walter Andersons of Dewey St. between the holidays, when Frazer looked out the recreation room window around midnight to comment to his host that he didn't think it was a pheasant flying into the brightly lit windows. It wasn't... it proved to be a holiday celebrant who missed the street corner by some 200 feet and drove up Anderson's outdoor shuffleboard court in the middle of the back yard. Fortunately, for all concerned, when the driver reached the entrance to the recreation room he realized he had missed the turn and stopped before serious damage was done.

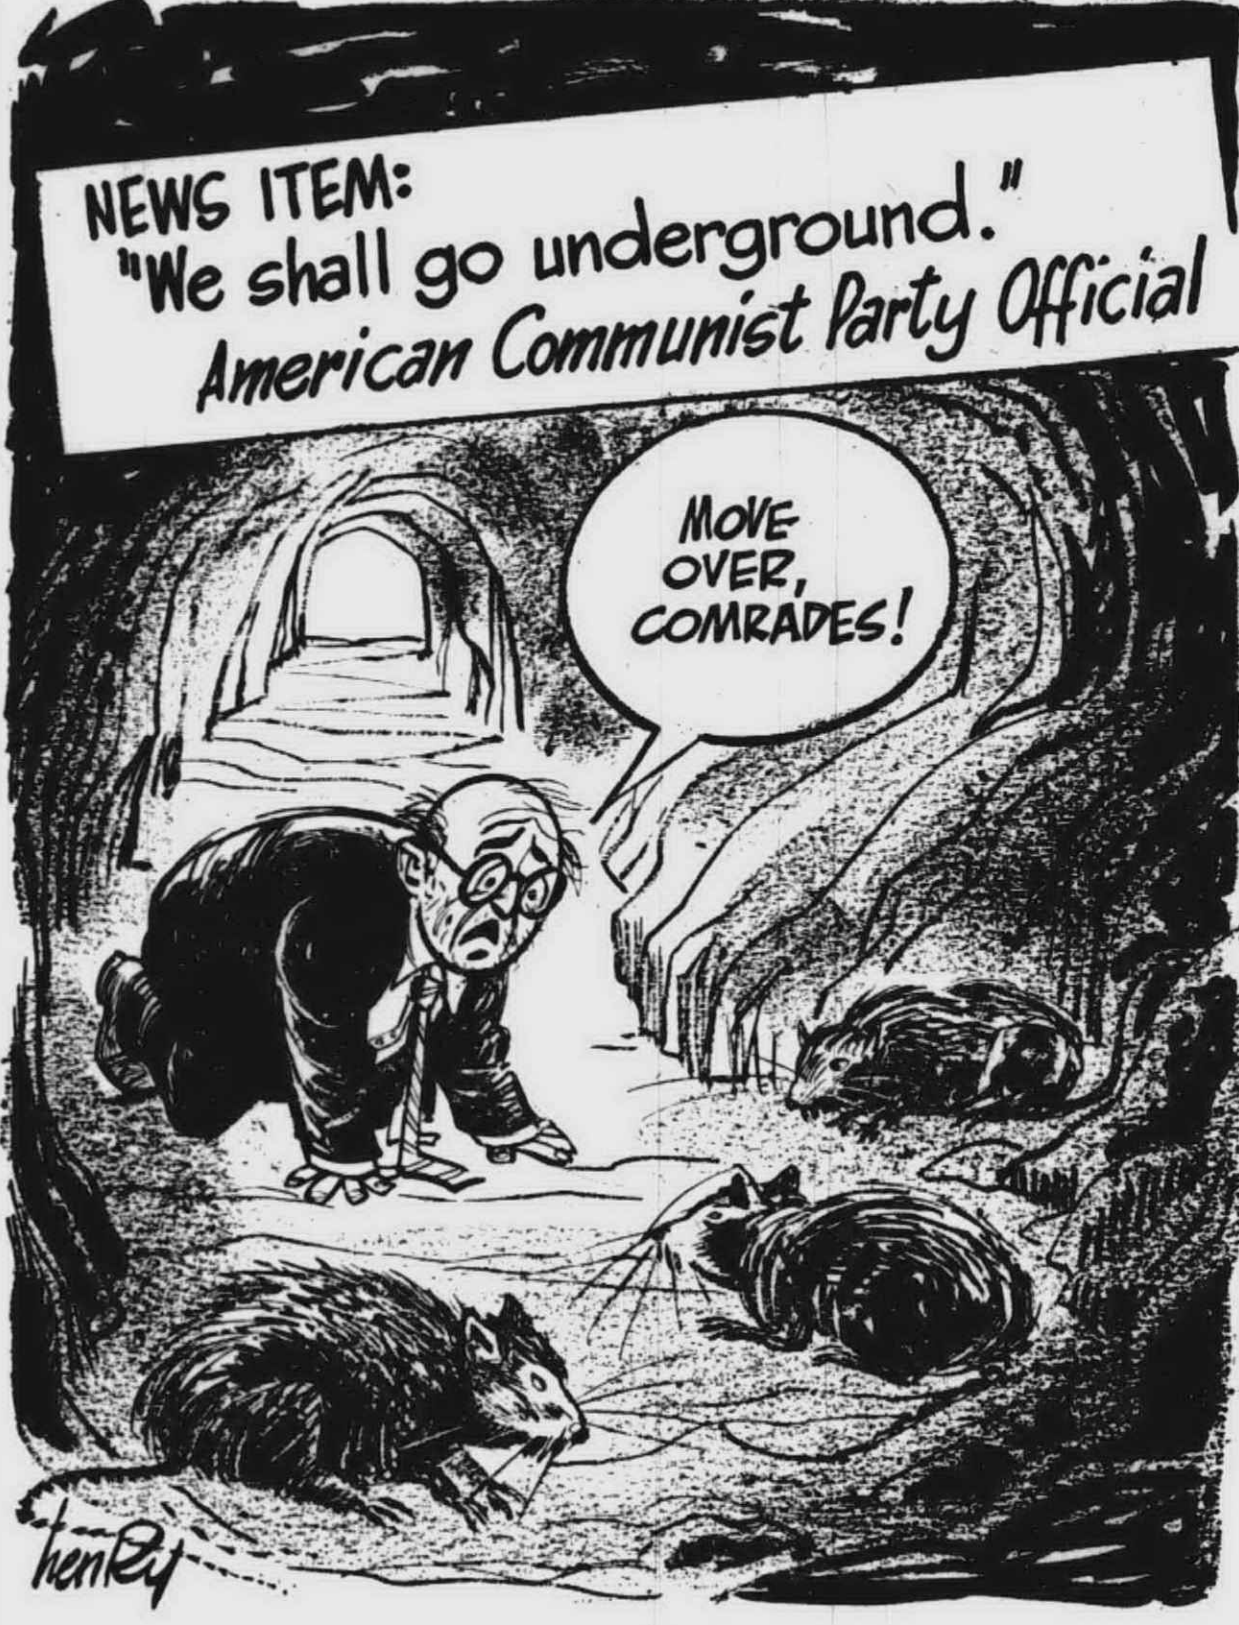

Pity the poor local father who should have shopped at home but a few days before his daughter's marriage was lured to Detroit, by a downtown clothier advertising a tremendous sale of new suits with no charge for alterations. As the sale was completed the store's tailor commented that the suit was a perfect fit but that the pants needed an adjustment... when asked the cost he stated because of the nature of the alteration a minimal charge would have to be made... nothing big, however. When dad picked up his suit the day before the wedding, a \$15.00 bill had been added making that \$70.00 value cost \$85.00. I doubt if that would have happened in any of our local stores and especially in view of the fact that the ad specifically said no charge for alterations. Moral Jim... why not shop at home?

Realtor James Latture called to remind us during the holidays that our editorial in regard to a new community center was strictly unnecessary... claims he wrote an essay in a local contest back in 1939 in which he was chosen the winner with his idea on the construction of a similar building in Plymouth at that time. He further claims the contest ended early in 1940 and that he was awarded a beautiful set of dishes as a first prize from the Herrick Jewelry store located on Penniman Ave. in those days... This may all be true and we're happy he approves of our concurrence to his idea but he'll have to do better on the dates because we searched our files for 1939 and 1940 and see no mention of either the contest or his essay.

I am sure my old friend and a long time former Plymouth grocer William Pettingill would want me to write the following few words. Regardless of his wish I am sure it was his will and as he wrote it before he passed away in January of 1951 - it read... "I direct that one-half of my entire estate after a few specific grants be put in the perpetual care fund of the Riverside Cemetery so that the interest on the earnings might be used to provide flowers for the mausoleum." The estate totaled slightly over \$40,000. If only \$10,000... and I am sure there was more... was placed in that fund it would earn at 5% at least \$500.00 a year and that would mean \$10.00 a week for flowers and that amount sold regularly would be a fine bonanza for any florist.

I am not exactly sure what has happened to this bequest but I am told the city has purchased a replica of an antique table and I know they have placed it in front of the beautiful sarcophagus provided by the heirs of Mr. and Mrs. Charles H. Bennett. In the first place it looks out of place in the chapel. And secondly, it certainly spoils the beautiful appearance of the Bennett tomb... Why, then, isn't the city providing the flowers out of the funds Mr. Pettingill willed each week and why should they think any of the families having loved ones in the mausoleum admire a table in their stead? Funny thing, after I visited the mausoleum previous to Christmas I inquired as to the popularity of that table and five different families expressed almost the same opinion... We wish we could have it taken out.

A Little Pride, Please

Downtown merchants last week received a housekeeping suggestion from the Plymouth Community Chamber of Commerce concerning the accumulation of litter on sidewalks. The memo asked merchants to not only sweep off the sidewalks, but to make sure that the debris is picked up and thrown into a receptacle. Littering is becoming a real major problem across our entire nation. A fortune has been put into signs warning of stiff penalties; governments on all levels have provided trash receptacles by the million; and an educational program has been carried on in publications and by radio and TV for years. All of these things may be responsible for cutting littering considerably, but the amounts of litter picked up daily along streets and highways would be something staggering if someone could measure it. THERE'S NO BETTER place to start this Clean-Up America campaign than right here in Plymouth. Not many of us actually have tidy Dutch blood in us, but we all should have enough pride in our hometown to keep our sidewalks and streets free of litter. The present adult generation has set a lot of bad examples in its time. It can redeem itself, somewhat, by showing young Americans how to eliminate the squalor of litter in America - in Michigan - and in Plymouth. And best of all, this is one problem that doesn't cost taxpayers one cent to solve.

visiting his mother, recovering from a heart ailment in Rome, says there's no place like home when it comes to shopping. Losing his bag on the airlines necessitated buying a new suit and shoes. The suit cost twenty to thirty dollars more than a comparable one here would and shoes were more than twice as expensive. Rotary club luncheons cost twice as much in Europe as they do here too and most other costs are as high, he says.

If Jerry Pease and his wife hoped to make us homesick for a Florida visit they did a nice job with their card last weekend. We agree we should be there and certainly would like to be hearing comedian Woody Woodbury with them but for Jerry's information, and a lot of others we might say we have quite a winter's vacation mapped out for us at a big gray building located at 271 Main street, Plymouth.

Letter To The Editor

Dear Editor: We should like to express our appreciation to the members of our community - your readers - for the very finest of evidences of Christmas generosity and good will toward our hospital during the Season just past. The fine response to our requests for gifts for our "forgotten" patients; the generous replies to the Michigan Assn. For Emotionally Disturbed Children's desire for trading stamps which is making the impossible possible - 1918 trading stamp books for a new bus for our Children's Service; the volunteers who participated in Christmas parties on our wards and in the dispatching of incoming presents to our patients - these are but a few of the evidences of thoughtfulness that came to my mind. It is these kindnesses, noted by us not only during the December weeks, but throughout the year, which prompt the members of my staff to join me in saying "Thank You," and in wishing each of your readers a good New Year! Sincerely yours, Philip N. Brown, M.D. Medical Superintendent
