Citizen Group Hears Teachers

A 16-member Citizens Committee listened last week while representatives of the Plymouth Education Association (PEA) made a presentation similar to the one they made to the Board of Education last month which asked for a basic salary increase of 300 a year and other demands.

The committee, with Harry Ziel, local certified public accountant as chairman, has been formed to give a "third voice" in the wage tug-of-war which now exists between the Board of Education and the PEA. The Board has made counter-offer which is considerably short of what the teacher organization asks.

Eight demands for improvement were made by the PEA. Some of the others besides the pay increase have been agreed to by the Board while others are still being given consideration. The Board spent more time at their meeting Monday night studying the other demands.

Appearing before the Citizens Committee last week were John Donegan, PEA president; John Mulligan, treasurer; and Loren Grieves, teacher. They spent an hour

to the Board of Education. It is expected that the Board will give serious consideration to the committee's report.

The School Board has issued a report, with pay increases included, which states that 3,677 additional mills will be needed. Such

Two Million Gallons Lost From Main

Over 2,000,000 gallons of water went down the drain last week when a break in a City 12-inch water main broke and went undetected for perhaps six days.

Superintendent of Public Works Joseph Bida said that the 12-inch main broke under a sidewalk along Harvey St., at the Speedway 79 service station. Instead of bubbling to the surface, frost kept the water underground and found its way into the storm sewer at Harvey and Penniman. Not until a citizen heard the loud gushing of water coming from the catch basin was it detected.

Bida said that water records indicate that the break must have taken place some six days before it was found. It took a day to repair the break. The loss of water was around 300,000 gallons a day. The main serves the entire south end of the City. Although pressure was maintained, the surge of water caused rust particles to break off inside the main and brought about complaints from householders.

SALT STILL FLOWS Bida reported that last weekend's four-inch snow storm brought the City's salt use up to 1,200 tons this season. He said that 42 tons were applied Sunday and another 27 tons Monday.

"This brings the total up to that used in the winter of 1959 which we thought was a very bad winter," Bida said, "and the winter isn't over yet."

Salt costs \$5.90 a ton.

Ken Fischer, a freestyler for the swimming team has a seven-semester average of 3.7647 and will study at the College of Wooster, Wooster, O. His parents are the Gerald Fischers of McKinley.

Doug Eder, a summer exchange student who has carried a 3.7567 average, is aiming for a career in education administration. Doug, the son of Mr. and Mrs. Julius Eder of Blunk, will also attend Wooster.

Tom Hoffman, with a 3.7352 average, specializes in the backstroke for the swimming team and has not yet decided upon his field of study or college. His parents are the Rexford Hoffmans of Sheridan Ave.

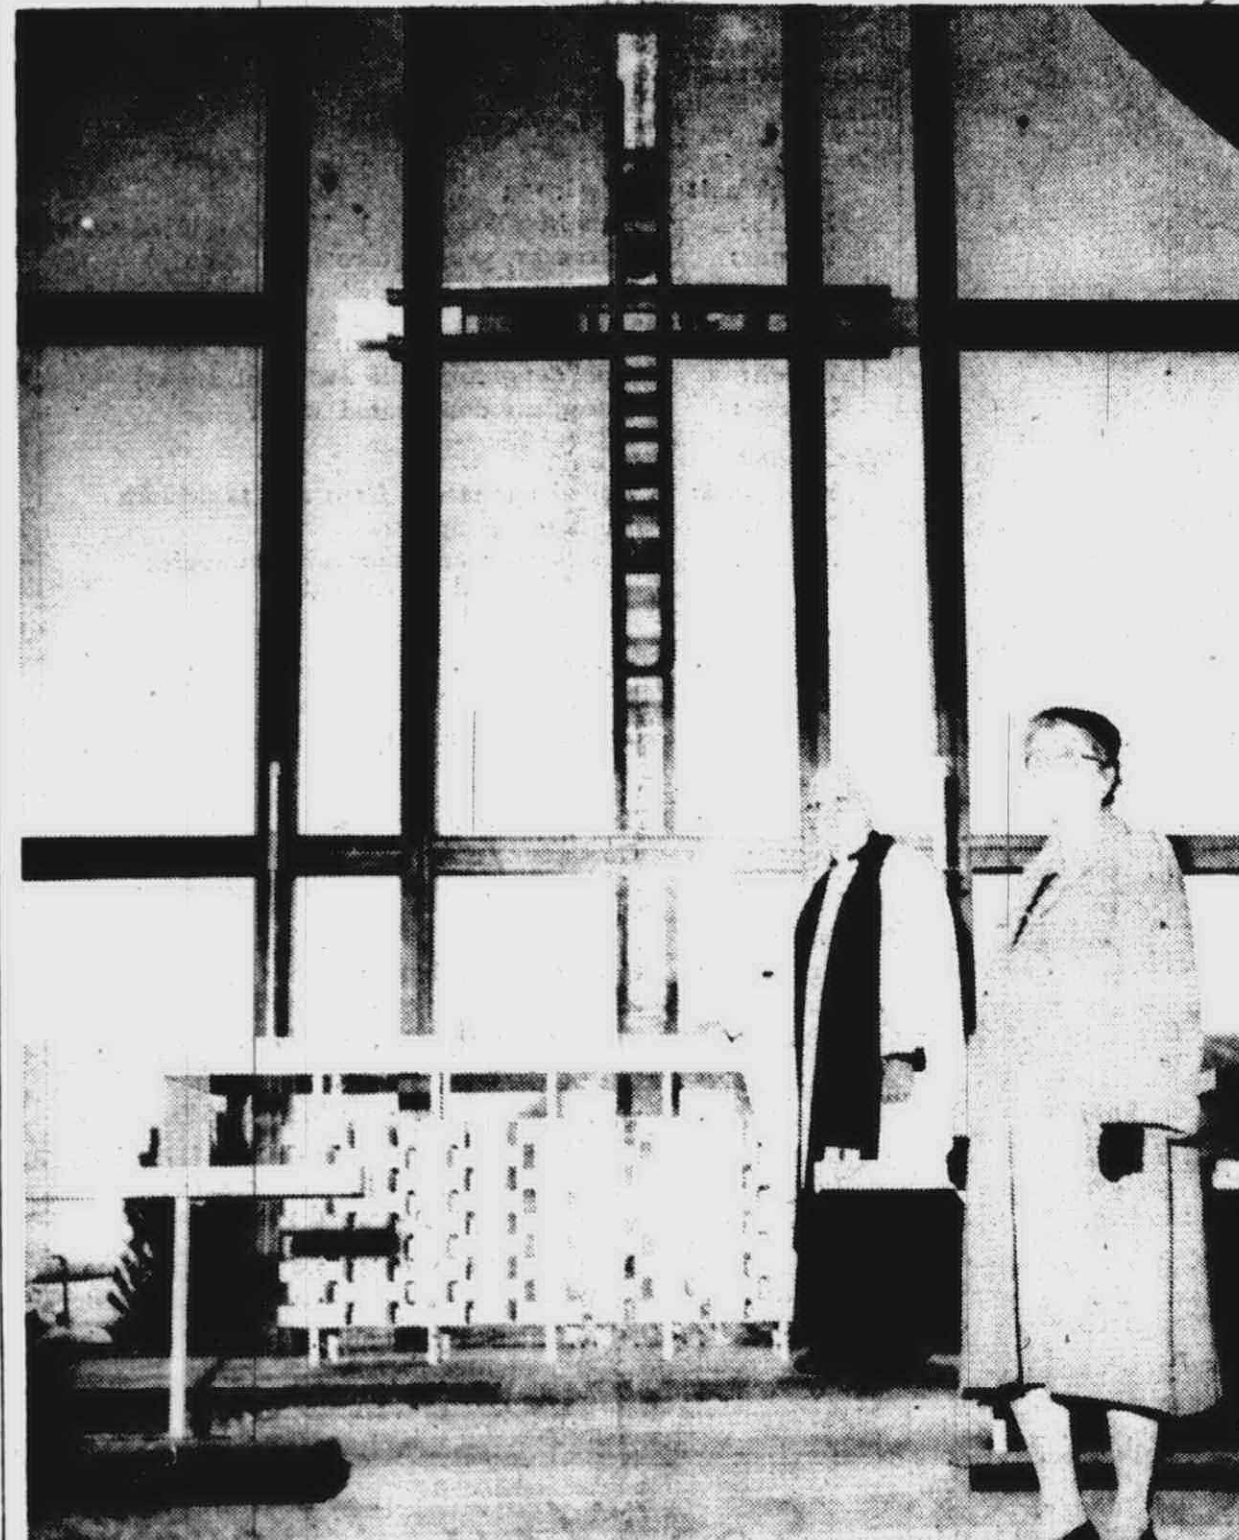

Al Larson, another freestyler, has carried a 3.7222 average and is undecided. His parents are the Arthur Larsons of W. Maple.

Mary Hulsing, who hopes to attend Radcliffe to major in a science field — probably genetics — holds a 3.7142 average. A Merit scholarship finalist, Mary is the youngest daughter of Mr. and Mrs. Kenneth Hulsing of Church St.

The two Marys (Mary Park and Mary Hulsing), who are Merit Scholarship finalists, are now in line for one of the many awards given by the Scholarship Corporation.

For the next two Saturdays, the hours of the office will be extended from 9 a.m. to 5 p.m., the same as other days of the week. Normally, the office closed at noon Saturdays.

A FAR CRY from the storerooms and frame buildings that once housed the St. John's Episcopal congregation is the modern structure that it now occupies on Sheldon Rd. The only member who has witnessed all of these changes is Mrs. Paul Ware, 1017 Holbrook, pictured here with Rev. David T. Davies, rector. This Monday the congregation will celebrate its 50th anniversary. The altar was dedicated in memory of the Woman's Guild of the mission who began their meeting 10 years before the church was officially founded. Mrs. Ware's mother was a member of the Guild.

One Member Saw It All

St. John's Celebrates 50th Year in Plymouth Monday

planned for 7:30 p.m. in the Parish Hall.

It was in 1898 that the Woman's Guild of St. John's Mission was organized at the home of Mrs. Warren Mills. Present at the meeting in addition to Mrs. Mills were Mrs. Andrew Lapham (Mrs. Ware's mother), Mrs. George Williams, Mrs. Louis Holloway, Mrs. Don Kelly and Miss Frida Hossinger.

The first church services were held in a hall over stores on Main St. with the Rev. William D. Sayres, general missionary of the Diocese of Michigan, conducting the services. Mrs. Ware, who then was Lucy Lapham, joined the church mission in 1903 at the age of 14.

The church's official establishment came on Feb. 19, 1912, when Rt. Rev. Charles D. Williams, bishop of Michigan, consecrated the church.

(Continued on Page 8)

History of St. John's goes back as far as 1898, but the Episcopal Church was not officially established here until Feb. 19, 1912. This Monday night's celebration will mark the exact 50th birthday of the church's establishment. A potluck dinner will begin at 6:30 and a program is

planned for 7:30 p.m. in the Parish Hall.

Plea for Sewers Heard by Township

Deep Freeze Hits Septic Fields

While serious trouble with septic tanks will soon be cleared up in Plymouth Colony subdivision and two streets in Arbor Village, petitioners appearing at Tuesday night's Plymouth Township Board meeting appealed for immediate action to help their situation.

Work has been started at laying sanitary sewer to Plymouth Colony where many homes have septic tanks that are inoperative. And the same contract calls for the laying of sewer on Marilyn and Marlin Streets in Arbor Village.

TB Detection Unit Visits Plymouth 3 Days Next Month

A mobile detection unit aimed at screening tuberculosis, diabetes and syphilis will visit Plymouth for four days during March, the Wayne County Department of Health announced this week.

Dates of the visit here are Wednesday, Thursday and Friday, March 7-9 and Monday, March 12.

Douglas Blunk of the Plymouth Junior Chamber of Commerce is general chairman of the volunteer committee for the screening project in Plymouth. Mrs. Douglas Vincent of the Professional Nurses Association, is chairman of registration.

Dates and hours of the visits are as follows:

Wednesday, March 7, A & P Store on Ann Arbor Rd. From 2 p.m. to 8 p.m.

Thursday, March 8, A & P Store. From 11 a.m. to 5 p.m. and 6 p.m. to 8 p.m.

Friday, March 9, S. S. Kresge Store, 360 S. Main. From 11 a.m. to 1 p.m. and 2 p.m. to 6 p.m.

Monday, March 12, Beyer Rexall Drug Store, 480 N. Main. From 2 p.m. to 6 p.m.

Dr. Joseph G. Molner, Wayne County Health Department director, suggests that everyone 21 years of age and over take advantage of the unit's services as a convenient way of having a check-up which can be of value in the prevention or early detection of possible disease.

"Chest X-rays, for instance, in addition to discovering tuberculosis, frequently detect

Other homeowners in Arbor Village (located along Ann Arbor Rd. near Haggerty) had previously turned down an option to petition for sewer. But at Tuesday night's meeting, a petition was offered signed by eight of the nine homeowners on Bruce St. asking for sewer as soon as possible.

Spokesman for the petitioners was Robert Pugh, who indicated that the sanitary situation was very bad. Mrs. Pugh said that they are unable to use their bathroom. Another resident said that sewage comes to the surface in their back yard. Mr. Pugh said that when the petitions were circulated several months ago, septic tanks were working, but that it's a different story now.

The Township Board replied that it will do everything it can — but there is probably no money available now. Detmore, Inc. is performing the present work at a cost of \$106,830. This money was what remained from the bond issue when the other Township sewers were laid two years ago. With this money being used on Marilyn and Marlin in Arbor Village and for all the streets in Plymouth Colony, the Township probably will have no other money available for other streets unless there is another bond issue.

Township Clerk Fred Miller said that people on the east side of Rocker St. Subdivision have also indicated they want sewers. They turned down sewers two years ago.

The situation in the neighborhoods has grown so bad that neighbors have to use each other's bathrooms. Supervisor Roy Lindsay said that the reason that the septic fields are acting up now is because of the deep frost this winter.

DPW Building Bids Thirteen bids were received for the construction of a new building for the Township's Department of Public Works. This building will be erected behind the Township Hall and will house the equipment and office for the new DPW. No

(Continued on Page 8)

School Children To Collect Clothes Clothing to be used for underprivileged children in the United States and the free nations will be collected next week by Plymouth's school children.

The annual drive, sponsored nationally by the Save the Children Federation, will start next Monday and end Friday. Children are asked to bring all kinds of usable clothing for both children and adults. It can be for any season of the year. Blankets can also be used.

DPW Building Bids Thirteen bids were received for the construction of a new building for the Township's Department of Public Works. This building will be erected behind the Township Hall and will house the equipment and office for the new DPW. No

Caboose Becomes Office For New Lumber Company The weekend carpenter can now take his youngsters with him to a real railroad roundhouse, let them look out the observation post in the roof of a real caboose, and — at the same time — fill his plywood needs at wholesale cash prices.

This is possible with the opening of Roundhouse Plywood Sales in Plymouth, Sunday, Feb. 18.

The owner, Bill Underdown, said the new plywood outlet, a division of Underdown Plywood Company, will use a caboose bought from the C & O Railroad as an office. As a warehouse, the firm has taken over part of the old C & O roundhouse in Plymouth. Boxes can be driven into the roundhouse, unloaded and piled direct, resulting in lower handling costs. Underdown said the business will serve a market in a 15-mile radius.

"We've eliminated the frills usually connected with a retailer lumber operation and, we think, substituted some fun. This is the only place I know where you can get a square deal in a roundhouse," he quipped.

The firm will serve commercial users as well as do-it-yourselfers.

The caboose has been completely renovated, and the walls have been paneled in various woods.

Students Cited The Top Ten

By Janet Graham High School Editor

Announcement of the top ten seniors, plans for the prom, a spaghetti dinner and con-con have kept PHS popping...

Dave Raafaub, who holds a 3.94 scholastic average at the end of seven semesters and who hopes to study nuclear physics at Princeton University, tops the list of academically outstanding seniors.

Debater Dave is chairman of the annual senior farewell assembly and also engineer of the "revolutionary" individual-study plan with which Miss Gertrude Fiegel's international relations class is experimenting. Dave's parents are Mr. and Mrs. Howard Raafaub of North Mill St.

Harold Fischer, who's considering a career in the diplomatic service, is in second place with a 3.928 average. Class President Harold will attend the University of Michigan. Hank is the son of the Harold Fischers of Plymouth Rd.

Tied for third place with a 3.9210 average are Marianne Shirk and Dave Fey. Ambitious Marianne is entering the University of Michigan and hopes to become a neurosurgeon. Dave, who divides his time between studies, debating, cross-country and track, plans to study at either Amherst or Albion. Marianne is the daughter of Dr. and Mrs. W. E. Lickfeldt of Wil-

cox Rd. Dave's parents are the Albert R. Fey's of Penniman Ave.

Mary Park, with a 3.8 average, is a finalist in the National Merit Scholarship contest and will major in math at Michigan State. Mary is the daughter of Mrs. John Park of North Holbrook.

Ken Fischer, a freestyler for the swimming team has a seven-semester average of 3.7647 and will study at the College of Wooster, Wooster, O. His parents are the Gerald Fischers of McKinley.

Doug Eder, a summer exchange student who has carried a 3.7567 average, is aiming for a career in education administration. Doug, the son of Mr. and Mrs. Julius Eder of Blunk, will also attend Wooster.

Tom Hoffman, with a 3.7352 average, specializes in the backstroke for the swimming team and has not yet decided upon his field of study or college. His parents are the Rexford Hoffmans of Sheridan Ave.

World-Famous Capt. Irving Johnson Shows Travel Film Here Saturday

Europe has thousands of miles of canals and rivers. It also has shallow water around many islands and shores. A vessel built for these waters can explore colorful places that are off beaten tourist paths.

This is just what Skipper and Mrs. Irving Johnson did for the film, "The Yankee Sails Across Europe," that Captain Johnson brings to Plymouth this Saturday night. The program is the fourth in a series of travelogues being brought here by the Plymouth Lions Club.

The program opens at 8 p.m. in the Junior High gym. Tickets can be purchased at the door for \$1.50 for adults and 75 cents for students.

Captain and Mrs. Irving Johnson, without a doubt, are the most famous man-

and wife team of mariners in the world. Their articles about their fascinating "round-the-world cruises have appeared in the National Geographic and other magazines. They have also authored books and are in Who's Who in America.

Their ketch, Yankee, is a cross between a modern yacht (with motor) and an ancient sea-going galleon (with sails.) She runs right up on beaches, folds her sails to dodge under bridges and performs other wonders.

On wings of this ship, built in Holland, the Johnsons went inland. Through tree-lined Dutch canals they skimmed past windmills, castles, medieval towers and gates. The Meuse in Belgium provided ideal river cruising. In France, giant water stairways carried them up through dark mountain tunnels.

From a boat's deck they viewed that landlocked country of Switzerland, and they saw the moonlit lemon groves of Italy as they glided by. In the Greek Isles, dolphins played around the Yankee.

The ketch is designed for a crew of two (themselves) although she can carry a few extra shipmates.

Profits from the travel series are used by the Lions to carry on their program for the sightless.

Capt. Irving Johnson

Spotlight On 160 PHS Musicians

"Music Time," featuring an array of vocal and instrumental talent from the Plymouth High School Choir and Band will be presented this Saturday night at the High School.

Beginning at 8:15 p.m., the spotlight will be focused on more than 160 of Plymouth's student musicians.

The High School Choir, directed by Fred Nelson, will open the first portion of the program with the following:

"Ave Maria," by Victoria; "Call to Remembrance," by Farrant and directed by Leroy Lane, student conductor; "Now the Day is Over," by Barnby with David Millross as bass soloist; "Charlotte Town," a Southern folk song; "Ain't That Good News," a spiritual; and selections from Brigadoon, by Lerner and Lowe, with Marcy Woolweaver at the piano.

Two outstanding ensembles will also be featured — the Triple Trios and by the newly formed Clarinet Choir.

The 83-piece concert band, conducted by James Griffith, will conclude the evening's program with the following compositions:

"The Klaxton March" by Fillmore; "If Thou Be Near" by J. S. Bach; "Symphonic Suite" by C. Williams; "Pageant" by V. Persichetti; "Them Bases" by Huffine, directed by Doug Eber, student conductor.

(Continued on Page 8)

SOMETHING NEW — a Clarinet Choir — will be introduced at this Saturday's High School Band and Choir program, "Music Time." From left, front row, are Judy Crouch, Doris Stabenow, Dick Bowman and JoEtte Dyson. Back row: Doug Eder, Bob Weber and Michelle Bender. Those instruments that look like saxophones are actually bass and baritone clarinets. Proceeds will help send the band to Interlochen and buy robes for the choir.

Unusual Jamaica Vacation Offered; Preview Feb. 26

PLYMOUTH, Mich. — One of the most unusual vacations ever offered — a two-week stay in exciting Jamaica for only \$299 — will be previewed Monday evening, Feb. 26, at the Hotel Mayflower here.

Hosting the preview, which begins at 8 p.m., will be Kurt Thrun of the Travel Centre.

Thrun will narrate a series of color slides of Jamaica that he took earlier this year. In addition, he'll explain all of the details of the trip, describe the luxurious accommodations and give you an insight into vacationing in Jamaica.

Door prizes will be given away.

The two-week vacation to Jamaica will include 13 nights at a beach house, plus your own personal native cook and your own maid and laundry service.

Other attractions are a swimming pool just outside your beach house door and a white sand beach only 50 yards away. An automobile will be available for your use all during your stay.

Four calypso rum swizzle dance parties are also on the itinerary, along with a pirate beach party complete with fireworks. A calypso band will visit you on your beach house patio. A two-hour tour in a glass-bottom boat over the world's most colorful coral reefs is also featured.

The \$399 is the total price per person including round trip air fare from Detroit to Jamaica and all tips and tax. It includes a stop over-night at the Miami Airport Hotel and, later, a transfer from Montego Bay to Ocho Rios and from Ocho Rios to Kingston.

The fare may be financed with a modest 10 percent down payment and the balance in 24 months.

There are six departure dates, arranged to suit everyone's vacation schedule. They are: May 19, June 16, July 14, August 18, October 13 and October 17. Vacation groups, on any of those dates, are limited to 24 persons.

The Jamaica Preview at the Hotel Mayflower on Feb. 26 is free to anyone wishing to attend. You may obtain as many tickets as you wish from the Travel Centre, Just phone GL 3-0120, or write to the Travel Centre, 1049 South Main St., Plymouth.

Mr. and Mrs. Robert Jenkins

Stadtmiller-Jenkins Wed at Afternoon Double Ring Rites

Carol Anne Stadtmiller and Robert M. Jenkins repeated their marriage vows at an afternoon double ring ceremony Jan. 27, in the First Presbyterian Church of Plymouth before Dr. Henry Walch.

The bride, who was given in marriage by her father, wore a princess style waltz-length gown of white silk organza. The bodice of the dress was fashioned of Chantilly lace and her long sleeves ended in points over her wrists. She carried a white orchid and placed a white orchid and streamers of Stephanotis.

Peggy Jenkins, maid of honor, wore a short emerald peau de soie dress with matching accessories. She carried a cascade bouquet of white carnations and ferns.

Bridesmaids Linda Engwall, Linda Jordahl, Dorothy Boess and Jane Allen were dressed identically to Miss Jenkins. Richard Davidson served

the groom as best man while Craig Stadtmiller, Keith Parker, Lee Juve and James Lobkovitch seated the guests.

For her daughter's wedding, Mrs. Stadtmiller wore a matte silk aqua sheath with matching accessories. The groom's mother, Mrs. Jenkins, chose a boucle beige knit ensemble and matching accessories. Both mothers wore corsages of white carnations.

The wedding reception, following the ceremony, was held at Botsford Inn. Of the 250 guests, out-of-town visitors came from Ohio, Indiana, Virginia and Illinois.

For their honeymoon trip to Chicago, the new Mrs. Jenkins changed into a white wool dress with black accessories.

The bride attended Western University and is employed by Parke, Davis Co. She is the daughter of Mr. and Mrs. Bernard Stadtmiller, 659 S. Sheldon Rd. in Plymouth. Her husband, who is the son of Mrs. Ada Jenkins, 518 Wing Street, Plymouth attended Eastern and is employed by Chevrolet.

The couple will make their home at 1600 Territorial Road.

Pair United In Winter Rite

Mrs. Heloise W. Campbell of Plymouth and Girvin R. Dunstan of Dexter exchanged nuptial vows at a winter wedding at the First Presbyterian Church, Rev. Henry J. Walch officiated at the rites.

The couple were attended by Mrs. Henry Rowe of Plymouth and Mr. John Turke of Livonia. Gordon and Bruce Campbell and Albert Champney of Romulus seated the guests.

For her wedding the bride wore a gold and turquoise brocade sheath with matching accessories and a gardenia corsage.

Mrs. Rowe chose a green and beige print dress and wore a corsage of yellow roses.

The wedding reception, following the ceremony, was held at the bride's home at 45110 Joy Rd. Guests came from Dexter, Detroit, Livonia, Romulus, Plymouth, Spring Lake, Manchester, Birmingham and Pontiac.

Zanzibar, off the east coast of Africa, is 50 miles long and has an area of 640 square miles.

The Shorthorn, one of the heaviest among beef cattle, was taken to Canada from England about 1830.

Jean's Jottings

BY JEAN CAMPAU
Woman's Editor

Why is it with the advent of a new year that many of us take stock of ourselves and decide to amend the mental and physical sides of our person?

This new year seemed the proper time for me to take a long look at the outer woman and shed some of the extra pounds that had accumulated about my anatomy. With soaring hopes and good intentions, I set about the task with calorie counter in one hand and my will power clutched tightly in the other.

Experimenting with a variety of sure-fire diets brought discouragingly slim results. And nearly abandoned the project altogether until the morning mail brought this low-calorie diet from Mrs. Dorothy Etherington of Amelis St.

Reading it brought renewed vigor toward my self-appointed chore and since it guarantees drastic redistribution, am passing it along to you.

- Low Calorie Diet**
- Monday**
Breakfast: Weak tea
Lunch: One bouillon cube in 1/2 cup diluted water
Dinner: Three oz. prunes juice (gargle only)
- Tuesday**
Breakfast: Scraped crumbs from burned toast
Lunch: One doughnut hole (without sugar)
Dinner: One glass dehydrated water
- Wednesday**
Breakfast: Boiled out stains from one tablecloth
Lunch: 1/2 dozen poppy seeds
Dinner: Bees knees and mosquito knuckles (sauteed in vinegar)
- Thursday**
Breakfast: Shredded egg shell skins
Lunch: Mouse ears (2) au gratin
Dinner: Three eyes from an Irish potato (diced)
- Friday**
Breakfast: Two lobster antennae
Lunch: One guppy fin
Dinner: Jelly fish vertebrae, ala bookbinder
- Saturday**
Breakfast: Four chopped banana seeds
Lunch: Broiled butterfly liver
Dinner: Fillet of soft-shell crab claws
- Sunday**
Breakfast: Pickled hummingbird tongue
Lunch: Tossed paprika and clover leaf (1) salad
Dinner: Prime ribs of tadpole
Aroma of empty custard pie plate
- Note:** All meals to be eaten under microscope to avoid extra portions.

Now, ladies, if this seven-day wonder diet doesn't bring fantastic results to you and me, then we will just have to hone our sense of humor and content ourselves with the overweight creatures we have become.

See You There

Saturday, Feb. 17 from 8 until 11 p.m. Gallimore PTA will sponsor a square dance to which the public is invited. Door admission will be 50 cents for adults, 25 cents for teenagers and children under 12 will be admitted free if accompanied by their parents.

Women's International League for Peace and Freedom, Northville-Plymouth Branch, will meet Tuesday, Feb. 20 at 8 p.m. at the home of Mrs. Paul Kauffman, 720 Parkview, Plymouth.

Garden City-Ridgewood Osteopathic Hospital Auxiliary will present a preview of spring fashions Thursday, Feb. 22 at 7:30 p.m. at Lofy's Arbor-Lil. Tickets may be purchased at the door.

Members of the Business and Professional Women's Club will honor their "bosses" at dinner Monday, Feb. 19 at Hillside Inn. The evening's entertainment will include hypnotist Tony Rogers from Bloomfield Hills.

Monday, Feb. 19 at 1 p.m. Sarah Ann Cochrane Chapter of the D.A.R. will meet at the home of Mrs. Henry Baker, 43777 Six Mile Road. Speaker will be Dr. Marquis E. Shattuck, well-known educator, historian and genealogist. He is a former assistant superintendent of Detroit Public Schools.

The Post and Auxiliary of the American Legion, Passage Gayde Post, will have a Spaghetti Dinner Saturday, Feb. 17 from 6 p.m. until 7:30 p.m. Adults \$1, children under 12, 60 cents. For further information call Lillian Kinghorn at GL 3-3995.

The next meeting of the Riverside Coin Club will be held next Sunday, Feb. 18 at 3 p.m. at 9814 Blackburn Street, Livonia. Members are reminded to bring their swapping coins.

Anna Conklin, Con-Con delegate from the 17th District, will be the speaker at the VFW Auxiliary meeting Tuesday at 9 p.m.

Engagements Announced

Michele Anne Minnick

Mrs. Leone Minnick Todd of Plymouth and Mr. Max Todd of Detroit, announce the engagement of their daughter, Michele Ann to Martin Robert Flavin of Northville.

Miss Todd is a graduate of Ladywood High School and is a sophomore at the University of Michigan.

Mr. Flavin is the son of Mr. and Mrs. Roy Flavin of Northville. He graduated from U. of D. High School and is presently enrolled at Lawrence Institute of Technology, studying engineering. The couple plan a July wedding.

Elwira G. Marten

Announcement has been made by the Ernst J. H. Marten's of Grand Rapids, of the engagement of their second daughter, Elwira G., to Mr. J. W. French, son of Mr. Norman L. French and the late Mr. French of Henry, Tenn.

Born in Germany, Miss Marten was educated in the German schools prior to coming to this country five years ago. She attended Bentley High School for one year before enrolling in Aquinas College in Grand Rapids, where she is currently studying.

Mr. French attended Eastern Michigan University and is employed by the Quality Control Department of Ford Motor Company.

An August 4 wedding is being planned in Grand Rapids by the couple.

Jonell Cloar

Mr. and Mrs. Price C. Cloar of 120 Union St. announce the engagement of their daughter, Jonell Cloar to Ronald Essick. He is the son of Mr. and Mrs. Walter Essick of 263 Adams St.

The couple, both Plymouth High School graduates, plan an August wedding.

Citizen's Tip Brings About Hasty Arrest

Help from an alert citizen brought about the quick arrest of a man who has admitted stealing \$528 worth of tools from a local industry.

James Findley, 27, of 5830 Goffredson Rd., was bound over to circuit court by Municipal Judge Harry Deyo and placed under \$1,000 bond on a charge of breaking and entering in the night time.

Police said that Transport Containers, Inc., a new industry at 498 Farmer St., reported that three wrenches, a sander and two drills were stolen. It was during the night that a citizen had reported a suspicious yellow Cadillac parked at nearby Amelia and Liberty Streets and had taken the license number.

Police checked out the license number and went to Findley's home. There they found a pair of boots which had treaded that matched footprints in the snow around the factory. Findley then admitted that he stole the tools and had hidden them in a ditch along N. Territorial Rd. The tools were recovered.

Parents Petition For Safety of Students

A petition signed by 25 citizens in the Beck Rd. and Saltz Rd. area has asked that the Board of Education take steps to help make the intersection more safe for the children who must wait for a school bus there.

The petition was presented at Monday night's Board meeting. It noted that 10 children must now walk on Beck Rd. to Saltz where they must wait on the road for the bus. Cars travel Beck at speeds up to 45 miles an hour. The petition said that Wayne County, Canton Township and school officials have been contacted before, and each claim it is each other's responsibility.

The Board instructed the superintendent to write to the traffic department of the Sheriff's office to see if a stop sign could be erected on Beck. Meanwhile, School Board Vice-President Wesley Kaiser, a resident of Canton Township, said that he would like to see some community action for providing a safe place for the children to stand.

Neon Lights For School Board Night?

In the hopes of establishing better communications line with the public, it was suggested at Monday night's Board of Education meeting that perhaps a neon sign should be placed outside advertising the fact that a Board meeting is going on inside.

Mrs. Esther Hulsing, who made the suggestion, admitted that she was just kidding when she said that it should be a neon sign, but she agreed with Trustee Peter Zylstra and others that perhaps an ordinary sign may be of value.

The Board's meetings, held the second Monday of each month, seldom draw visitors, except those who are there to make a request. There were four visitors there last Monday night, however.

School Sets Policy On Health Exams

Policies regarding health exams and immunizations for students and the school district's relationships with law enforcement agencies were considered at Monday night's Board of Education meeting.

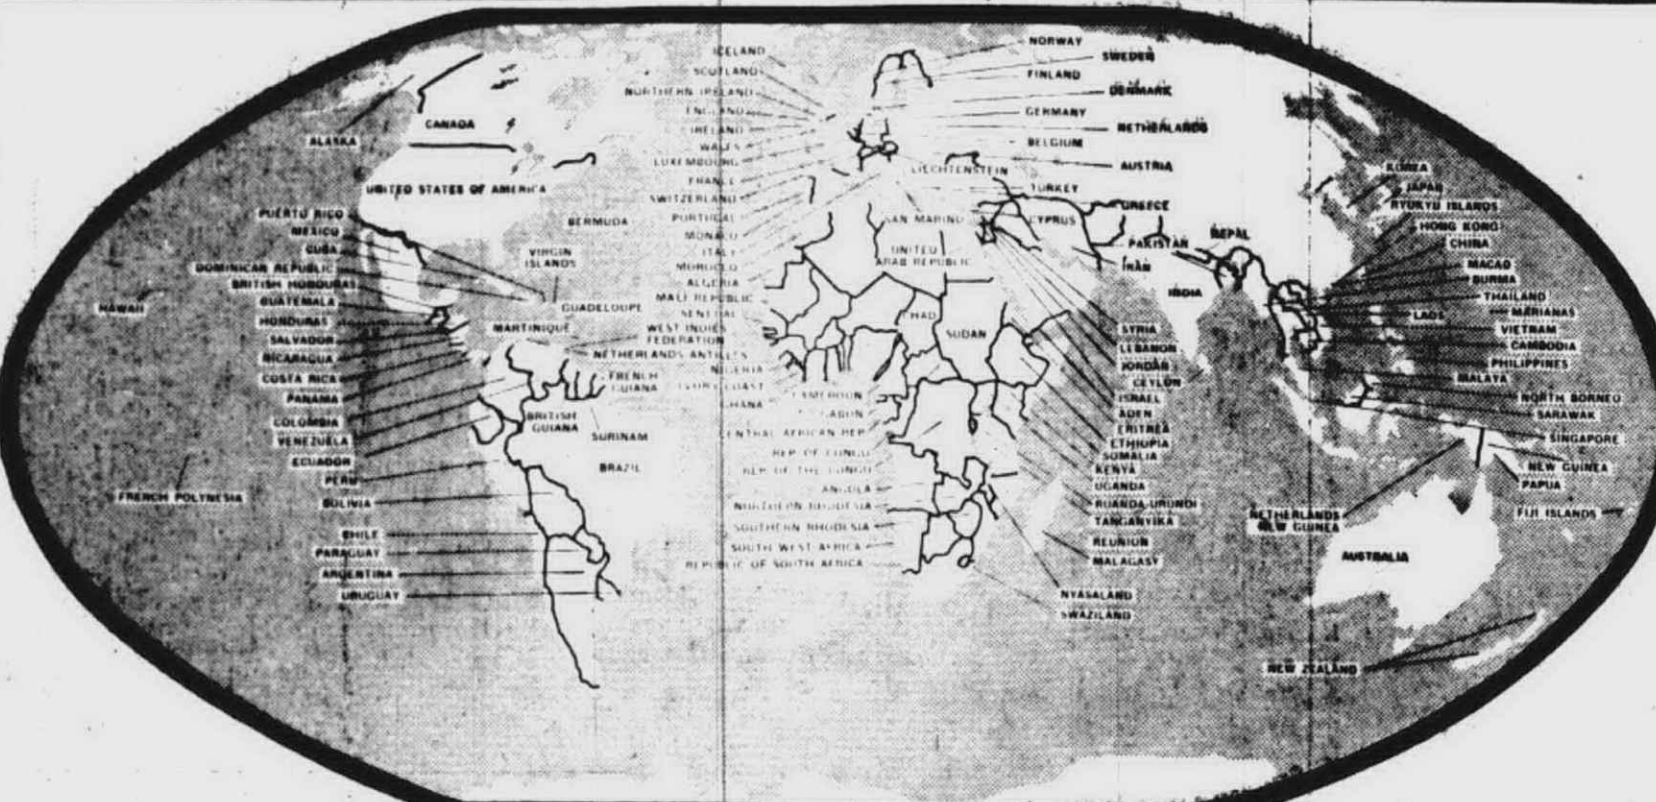

The health exam policy includes most of the previous requirements set by the school district, but they had never been an actual part of policy. The physical examinations are required when students start the first time, in the fourth, seventh and tenth grades.

Tuberculin tests will also be required for those enrolling for the first time and in the seventh and 10th grades.

Immunization will be required when students enroll for the first time. The immunizations shall be for smallpox, diphtheria, tetanus, pertussis and poliomyelitis. A student does not have to comply if he has a statement signed by parents to the effect that they have not been immunized or tested because of religious reasons.

The policy on working with law enforcement officers states that the district shall cooperate fully when it is necessary to interrogate or arrest students on school property during school hours "but effort (should be made) to keep to a maximum the further embarrassment or humiliation of innocent parties."

Rotary—Serving Communities and Nations on Six Continents

Now in its 57th year, Rotary International, world-wide service organization, is comprised of more than 11,000 Rotary clubs with a total membership of 511,500 Rotarians. The map shows the 124 countries and geographical regions where Rotary exists. With clubs on islands as small as Macao and across continents as large as Asia, in nations as new as Ghana and as old as Japan—Rotary encircles the world. Organized in Chicago on February 23, 1905, by Paul P. Harris, a lawyer, Rotary widens the opportunity of its members to be thoughtful and helpful to others. Its motto is "Service Above Self—He Profits Most Who Serves Best." The president of Rotary International is Joseph A. Abey, a newspaper executive of Reading, Pa. The general secretary is George R. Means, of Evanston, Ill., site of the organization's world headquarters.

News in Brief

Mr. and Mrs. Richard Dast and family of Pigeon were weekend guests of Mrs. Dast's parents, Mr. and Mrs. Walter Kleinschmidt of Northville Rd.

Mr. and Mrs. William Fox and daughter, Roberta, were dinner guests Sunday of Mr. and Mrs. Parnell Johnson of Maben Rd. The Foxes also entertained the Johnsons by showing some of their interesting films.

Mr. and Mrs. Terry Tallmadge and children, Tammy and Timmy, of Liberty St. and Mr. and Mrs. Ed Bassett of Beck Rd. spent the weekend at Canada Creek Ranch near Atlanta, Mich.

Michelle Bassett, daughter of Mr. and Mrs. Warren Bassett of Lakeland Ct. is recuperating after a tonsillectomy operation performed last Friday at New Grace Hospital in Detroit.

Linda Hoffman of Elkton, Mich. and Karl Kleinschmidt of Bay Port were visitors Thursday and Friday during mid-semester vacation at the home of Karl's grandparents, Mr. and Mrs. Walter Kleinschmidt on Northville Rd. Karl resumed his studies at U of M on Monday.

Mr. and Mrs. Melbourne Clement and sons of Ann Arbor were guests Friday evening and again on Saturday of Mr. and Mrs. William Fox of Northern St.

Mrs. Ella Cross of Beck Rd. is recuperating at Beyer Memorial Hospital in Ypsilanti following recent surgery. She is expected to be confined 10 more days.

Pvt. Donald Wilkin visited the home of his parents, Mr. and Mrs. Columbo Wilkin of Beck Rd. Formerly stationed at Fort Leonard Wood, Mo., Pvt. Wilkin reported Feb. 2 to Fort Sam Houston, Tex.

College Seeks Architect; But They Can't Hire One

Until voters in the Northwest Wayne County Community College District vote millage in June, the College Board of Trustees cannot hire an architect to begin preliminary work on building plans.

This is one of the problems facing the Board of Trustees as they wait for the June 11 election to roll around.

The Board hopes to select an architect soon, although they cannot hire him. It is hoped that the architect will be thinking about the new college so that when he is hired, he can start fast, the Board announced this week.

The Board has set a goal of September 1964 to open the college. In order to do this, much of the preliminary work must start very soon. But until June 11 millage election, the Board of Trustees cannot be sure that they will have money with which to work.

After going over the credentials of a large number of architectural firms, the Board of Trustees has now reached the point where 15 architects are under consideration. Each of these will be interviewed by the entire Board during the next few weeks.

The Board hopes that out of this number, one will prove to be most desirable and a tentative appointment can be made by the middle of March.

Since college buildings are highly specialized, the Board has authorized the president, Dr. Eric Bradner, to begin a search for two administrative assistants. "It is hoped these

Garden Club To 'Ask the Experts'

An "Ask the Experts" panel will be featured at the meeting of the Lake Pointe Branch of the National Farm & Garden Assn. this Thursday at 8 p.m. The meeting will be held at the home of Mrs. Jean Loomis, 14473 Rob-inwood Dr.

Five persons will serve on the panel to answer questions. Representing the Plymouth Branch will be Mrs. L. R. Von Stein, Mrs. Paul J. Wiedman and Mrs. Albert Pint. From the Lake Pointe Branch will be Mrs. Isabel Abraham and Mrs. Edna Stephenson.

Osgoode Hall, lawyers' school at Toronto, was named after William Osgoode, first Chief Justice of Upper Canada in 1792.

Labor Department Conducts Survey

Several persons in Plymouth have received letters from the U. S. Department of Labor stating that they will be contacted concerning a survey which asks questions about their economic life.

The Plymouth Chamber of Commerce said that it has received calls from persons receiving the notices, wondering if the letters were authentic. Calling the Department of Labor in Detroit, the Chamber found that Plymouth is one of 67 cities selected where the survey will be taken.

The survey is used to establish the consumer price index. If the letter head is from the U. S. Department of Labor and no postage is used, the letter is authentic and cooperation may be given, the Chamber said.

Mount Holyoke College Celebrates 125th Year

The president of the International Federation of University Women will speak in Ann Arbor on Thursday evening, Feb. 22, at a dinner in celebration of the 125th Anniversary of the opening of Mount Holyoke College, oldest continuing institution for the higher education of women in the United States.

The dinner, for alumnae, husbands and friends, is sponsored by the Mount Holyoke College Club of Ann Arbor and will be held at the Michigan Union at 7 p.m.

Miss Meribeth Cameron, president of the international women's organization, is Academic Dean and professor of history at Mount Holyoke. She served the AAUW on its Board of Directors and as chairman of its international relations committee prior to her election to the IFUW post in 1959. A life member of the International Institute of Arts and Letters, she holds B.A., M.A. and Ph.D. degrees from Stanford University, an M.A. from Radcliffe College and several honorary degrees.

To Rehearse Variety Show

Anyone wishing to have fun and give vent to his secret acting and singing ambitions is urged to come to the Roaring Twenties Musical rehearsal at 2 p.m. Sunday, Feb. 25 at Plymouth Rock Masonic Temple.

The Lodge will present a Cosmopolitan Variety Show, depicting the roaring twenties, in the early spring.

News in Brief

The active participating members of the past year of the Glee Club of the Plymouth Woman's Club will have a 1 p.m. luncheon at Hillside Inn on Tuesday, Feb. 20.

A musical group was organized Friday evening in the home of Mr. and Mrs. Harold Sherry on Ann Arbor Rd. with the following guests present: Mr. and Mrs. Ross Sinclair and Mr. and Mrs. Arnold Lukche, of South Lyon, Mr. and Mrs. Andrew Hatfield of Dearborn, Mr. and Mrs. Barney O'Shea and Mr. and Mrs. Otto Strauss of Detroit.

Mrs. Perry Campbell of Canton, Center Rd. will entertain members of the Suburban "500" club at a cooperative dinner Saturday evening which includes Mr. and Mrs. Harry Mumby, Mr. and Mrs. Thomas Gardner, Mr. and Mrs. Arthur Blunk, Mr. and Mrs. George Billings and Mr. and Mrs. William Grammel.

Mrs. William Ruge, Mrs. Edwin Ash, Mrs. Frank Osborn, Mrs. Robert Spath, Mrs. Brenton Goodhand, Mrs. Roy Ralph Wagenschutz and Mrs. Vincent Pellerito of Livonia enjoyed pinocle and brunch Wednesday morning, Feb. 7 in the home of Mrs. Harold Sherry on Ann Arbor Rd.

Mr. and Mrs. R. D. Willoughby plan to leave Thursday for Fort Lauderdale, Fla. where they will sail on the Flagship of the Italian line, Francis C., on an eleven-day Caribbean cruise visiting Panama, Kingston, Jamaica and Nassau.

Mr. and Mrs. Ralph Wagenschutz of Livonia were guests of Mr. and Mrs. Harold Sherry on Ann Arbor Rd. Saturday for an evening of euchre.

Mrs. Walter K. Sumner and Mrs. R. D. Willoughby will be in Detroit Wednesday evening to attend the Diocesan convention of the Episcopal Church when Bishop Gordon of Alaska is to be the principal speaker.

Mr. and Mrs. Roy N. Leemon and their son and daughter-in-law, Mr. and Mrs. Peter Leemon of Detroit will leave Friday for Houston, Tex. to attend the Fat Stock Show at the Coliseum and the annual Charlols Assn. meetings with headquarters at the Rice Hotel where the Leemons have reservations for ten days.

Mrs. Ralph J. Lorenz of N. Evergreen St. will be hostess Friday at a luncheon and Americans are eating better, and liking it, he said.

Her's where the comparison really gets intriguing. Grandpa worked 27 hours each week to earn enough money to feed his family. Today we buy more and better food for just eight hours work.

The birthday of Mrs. Francis Herman of Traverse City will be celebrated Wednesday evening when her brother-in-law and sister, Mr. and Mrs. William Johnson of Ann St. entertain at dinner.

Mr. and Mrs. Douglas Lorenz and two children, Paul Douglas and Mary Susan, were dinner guests Sunday in the home of the former's parents, Mr. and Mrs. Ralph J. Lorenz on N. Evergreen.

Mrs. Clifford Manwaring of Auburn Ave. will be hostess to members of her sewing group Thursday evening. Present will be Mrs. Richard Straub, Mrs. Bernard Curtis, Mrs. Noel Showers, Mrs. William Johnson, of this city, Mrs. Frank Hokenson, Mrs. Henry Agosta and Mrs. George Bailey of Livonia.

Mr. and Mrs. Donald Graham, Sr., are expecting their son, Don, Jr. who has been stationed in Florida with the Navy to arrive the latter part of the week on a fifteen-day leave before being sent elsewhere.

The Past Matrons club of the Eastern Star held their regular monthly meeting Tuesday evening in the home of Mrs. George A. Smith on Sheridan Ave. Mrs. E. M. Moles and Mrs. A. K. Brocklehurst were co-hostesses.

Mr. and Mrs. Wendell Lent were in Lansing Wednesday evening of last week to join their daughter, Karen, a junior at Michigan State University and celebrate her 21st birthday anniversary with a dinner party.

Mr. and Mrs. Arthur Blunk of Haggerty Hwy. entertained at a buffet dinner Tuesday evening, Feb. 6, honoring the birthdays of their son and daughter-in-law, Mr. and Mrs. Douglas Blunk. Also attending were Mrs. Nina Blunk, Mr. and Mrs. Donald Potter, Mr. and Mrs. John Radosky, Mr. and Mrs. Melvin Blunk and daughter, Janet.

TWELVE YEARS ago Bill Moran was the tiniest baby born in Woman's Hospital. He weighed 2 lbs. 2 ozs. On Feb. 5 he celebrated his birthday, tipping the scales at 101 1/4 lbs.

A COVERED walkway for the convenience of customers has been erected to the front of Gaffield Studio. Before, people ready to have their pictures taken, had to walk in the rain to get to the studio, but now they can walk under the shelter to the front door, owner John Gaffield reports.

Timothy Michael Healy in 1922 became the first governor-general of the Irish Free State.

Titian painted his Battle of Lepanto when he was 98 years old.

Obituaries

John Bates, a retired employee of the Chesapeake and Ohio Railroad, passed away Feb. 9 at the age of 90 at his 312 West Pearl Street home.

He was born in Lawrence County, Kentucky on October 13, 1871. His wife, Perlina Bates preceded him in death February 10, 1961.

Surviving him are two sons, George Bates of Flatwoods, Kentucky, and Laude Bates of Greenup, Kentucky; four daughters, Mrs. Sadie Smith of Plymouth, Mrs. Bessie Heaberlin of Greenup, Mrs. Charles Bates of Livonia, Mrs. Nancy Singleton of Plymouth; two sisters, Mrs. Peggy Young of Louisville, Kentucky, Mrs. Archie Manard of Huntington, West Virginia; two brothers, Mr. Frank Bates of Chillicothe, Ohio, and Mr. George Bates of Columbus, Ohio; and 22 grandchildren; and 37 great grandchildren.

Funeral services were held Tuesday, Feb. 13 at Riggs Funeral Home in Greenup. Arrangements were made through the Schrader Funeral Home.

Interment was in Belfont Cemetery in Greenup.

Wilma Anna Kelm

Wilma Anna Kelm passed away Feb. 10 at St. Mary Hospital after being ill for several months. Services were held at 1 p.m. Wednesday from the Schrader Funeral Home.

She was a member of Emmanuel Lutheran Church of Detroit and was a member and corresponding secretary for the Plymouth Business and Professional Women's Club.

Born 63 years ago on September 28, 1898 in Pittsburgh, she married Ernest Kelm on June 12, 1916.

Surviving her are her three sons, Ernest G., of Livonia; William C., of Haines, Alaska; and Jack R., of Milford; and seven grandchildren.

Interment was in Glen Eden Cemetery.

Mayme J. Libbing

Mayme J. Libbing, 9301 Southworth, passed away Feb. 8 at the age of 82 following a long illness.

She was a life member of St. Paul's Lutheran Church in Toledo and a member of the Toledo Chapter of the Order of the Eastern Star.

Survivors are one son, Kenneth, of Plymouth; one sister, Mrs. Matilda Wenger of Ft. Lauderdale, Florida; one granddaughter, Karen Ann

Libbing; and one grandson, Frederick, both of Plymouth. Funeral services were held Saturday, Feb. 10 at Toledo Memorial Park and Cemetery. Interment was at the same place.

William James Monteith

Rev. Henry J. Walsh officiated at services held Saturday at the Schrader Funeral Home for William James Monteith who passed away Feb. 7 at his 424 Adams Street home at the age of 83.

They came to this community in 1930 from Bay City. He was a retired telegraph operator with the Chesapeake and Ohio Railroad and was a member of the First United Presbyterian Church in Plymouth and a life member of Plymouth Rock Lodge 47 F. and A. M.

Surviving him beside his widow, Lulu Monteith, are one son, John Walker Monteith of Plymouth; and one brother, Fred of Martin, Michigan; three grandchildren; and four great grandchildren.

Interment was in Lakeside Cemetery in Port Huron.

Owen Partridge

Funeral services were held Friday in Tecumseh for Owen Partridge, former Plymouth resident, who died Feb. 6 at the age of 82. He was shoveling snow from his walk when he suffered a heart attack and died an hour later.

He was born in Plymouth Sept. 26, 1909, the son of Melbourne and Emma Wagonschutz Partridge. He attended Eastern Michigan University and graduated from the Cincinnati College of Embalming in 1931.

On Feb. 25, 1933, he was married to Louise Grindstaff in Northville and the couple moved to Tecumseh in 1940 from Watervliet where he had been in the undertaking business. In Tecumseh he became a partner with his father in the Partridge Implement Co.

He was a member and past master of the Masonic Lodge, Hamburg, Germany, was about 50 percent destroyed during World War II.

Famed United States naval officer Oliver Hazard Perry died of yellow fever.

It is estimated that 75 percent of our delinquents have some reading difficulties.

LEGAL NOTICE

Clarence J. Alandt, Atty. 806 Penobscot Building Detroit 26, Michigan STATE OF MICHIGAN, County of Wayne, SS. 506.064

At a session of the Probate Court for said County of Wayne, held in the Probate Court Room in the City of Detroit, on the first day of February in the year one thousand nine hundred and sixty-two.

It is ordered, that the sixteenth day of April, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

And it is further ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in The Plymouth Mail, a newspaper printed and circulated in said County of Wayne.

Joseph A. Murphy, Judge of Probate. I hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated Feb. 14, 1962. Isabel R. Fitzgibbon, Deputy Probate Register. (Feb. 14, 21, 28)

R. R. FLUCKEY Insurance Counsel Since 1941 Phone: Glenview 3-4030

Theatre Guild Introduces Some New Faces in Next Production

There are "New Faces" of '62 for Plymouth theatre-goers in the current Theatre Guild production of "The Biggest Thief in Town", and two of them belong to Joe Daleandry and David Dahline.

With Hal Young, the Plymouth Theatre Guild is a family affair. Hal organized and is a past president of the present Guild, his wife Loretta has been active in many Guild productions, and their daughter Jan, 13, is now active in the Apprentice Workshop of the Guild.

Architects To Discuss Changes At Convention

The expanding Role of Architecture in the construction industry, advances in building technology, and the resultant changes in the construction industry are issues which will be discussed at the Michigan Society of Architects 48th Annual Convention which will explore the theme: "This Is Architecture."

Exciting "George Daze" Here February 22-24

Nearly 35 Plymouth merchants this week were making final plans for an exciting "George Daze" promotion to be conducted Thursday, Friday and Saturday, Feb. 22-24.

The promotion, coinciding with George Washington's birthday, will feature a vast array of bargains at all participating stores.

Through the use of special "George Daze" coupons, a large number of valuable prizes will be given away at the conclusion of the affair.

The promotion was arranged through the combined efforts of the Retail Merchants Division of the Plymouth Chamber of Commerce and the advertising department of The Plymouth Mail.

In next week's issue of The Mail (Feb. 21), participating merchants will present their sale-priced merchandising messages. In addition, one large advertisement will describe in detail the "George Daze" promotion and will include a free coupon to those readers wishing to participate.

Many merchants intend to feature "bonus" coupons in their respective merchandising advertisements.

The coupons must be deposited in special containers at the various participating stores during the dates of the promotion, Feb. 22-24. Coupons may be obtained in advance from participating stores.

Prizes will be awarded later. Winners will be notified.

Further information on the "George Daze" promotion may be obtained from any of the following merchants:

Melody House, Minerva's, Schrader's Home Furnishings, Fisher's Shoes, Kresge's, D & C Store, Wiltse's Community Pharmacy, Willoughby's Shoes, Davis & Lent, Carl Caplin Custom Clothes, Food Fair, Cassidy's, Plymouth Hardware, The Photographic Center, Dunning's;

Beyer Rexall Drug Stores, Berry Pontiac, Fiesta Rambler, Beitner Jewelry, Terry's Bakery, Bluford Jewelers, Plymouth Men's Wear, Papes' House of Gifts, Graham's;

Famous Stores for Men and Boys, Craig's Ladies Apparel, Fashion Shoes, Peterson Drug Store, Hubbs & Gilles, Stop & Shop, A & P, Kroger's, Plymouth Office Supply and S & W Hardware.

A GENTLE reminder that Feb. 28 is the deadline for getting 1962 license plates on vehicles is given to Plymouth motorists by this young lady. Longer hours are being set at the local Secretary of State's office. For details, see page 1.

License

(Continued from Page 1) In addition, the office will be open from 9 a. m. to 9 p. m. during the final three days of the month, Feb. 28-29.

Mrs. Root said that many people still are filling out the application form for the 35 cent reflectorization fee credit and expect the local office to either grant the credit or give them the money.

These applications must first be sent to the Secretary of State's office in Lansing for verification. After the verification is returned to the citizen, it can then be brought in when new license plates are purchased and credit allowed. No cash can be given and the credit can only be used when the license plate is purchased—not after.

License

(Continued from Page 1) Mrs. Root said that during the rush times, applicants should be sure that they receive only one part of the registration form, not all three.

"If the clerk should hand you more than one part, would you please return them," Mrs. Root asked.

The Plymouth branch of the Secretary of State's office is at 181 W. Liberty St., a block south of the depot.

TB Unit

(Continued from Page 1)

County Health Department, the Michigan Diabetes Assn. and the Tuberculosis and Health Society, in cooperation with the Michigan Department of Health.

The X-ray units do not come to Plymouth every year and many Plymouth people have traveled miles to be tested.

A unit will visit Wonderland Shopping Center in Livonia Feb. 22, from 1 to 7 p. m.; Friday, Feb. 23 from 9 a. m. to 1 p. m. and 2 to 6 p. m.; and on Monday, Feb. 26, from 2 to 8 p. m.

First Presbyterian Church in Northville will be the site of the unit on Wednesday, Feb. 28, from 1 to 7 p. m.; on Thursday, March 1, from 11 a. m. to 5 p. m. and 6 p. m. to 8 p. m.; and Friday, March 2, from 9 a. m. to 1 p. m. and 2 p. m. to 6 p. m.

Spotlight

dent conductor; "Tango for Band" by Osner; "Accolade" by D. I. Moore; and selections from the King and I by Rodgers and Hammerstein.

Tickets are being sold by bandsmen and choir members for 50 cents for adults and 25 cents for students. Tickets will also be available at the door.

Proceeds will help send the entire band to the National Music Camp at Interlochen for one week next August and to purchase additional choir robes.

Citizen Group Hears

(Continued from Page 1)

a proposal would be presented to voters at a special election, probably early in April. The Board, in addition to making a salary counter-offer has agreed to pay half of a hospitalization and surgical benefits policy. At Monday night's meeting the Board took up other PEA demands. They were:

1. Contracts should be in the hands of teachers no later than April 1. The Board agreed that contracts can be issued earlier. This year it may be April 15 because the early April election would have a bearing on contracts.

2. Teachers should be given an option whether to get paid during only the school year or also through the summer recess. The Board agreed that this could be done.

3. Teachers who draw an extra class period should be paid an extra amount equal to their position on the salary schedule. In other words, if they normally teach five periods, but volunteer to, or are asked to teach six periods, they should receive an extra 20 percent in pay, the demand indicates. They now receive 10 percent of the present salary schedule, not to exceed \$700 a year. The Board said Monday night that they know of no district which pays the full amount and they presumably will turn this demand down.

4. Teachers who work in summer school or attend pre-school workshop should be paid at their established rate, not at a special rate. The Board has included the workshop in their regular school year with compulsory attendance, and now pay \$4 an hour for summer school work. The Board and superintendent seem agreed that an upward boost could be made, but not equal to full salary schedule.

5. The number of school calendar days should be clarified. The Board said this would be done.

6. The PEA suggests a monthly communication bulletin from the Board and superintendent. While the Board seemed to think better communications should be established, they were not agreed as to what method would be best. More study will be given to this point.

"The tongue weighs practically nothing. Yet it's surprising how few people are able to hold it." — H. W. Buzckel, Waucoma (Ia.), Jerico Community Echo.

"A livestock expert predicts that butcher shops of the future will stock only boneless meat. That sounds like a surrender to the hamburger." — John C. Porter, Rexburg (Ida.) Standard.

"Funny thing about trouble. It always starts out being fun." — E. M. Remsburg, Vista (Calif.) Press.

Alexander Falls on the Hay River, which flows into the Great Slave Lake, has a 150-foot drop.

"Speaking of unemployment, the human brain has more than ten billion cells." — Bert Masterson, Hartsdale (N.Y.) Masterson Press.

"The tongue weighs practically nothing. Yet it's surprising how few people are able to hold it." — H. W. Buzckel, Waucoma (Ia.), Jerico Community Echo.

St. John's Celebrates

(Continued from Page 1)

gan, gave his consent to the formation of St. John's Mission and appointed Dr. W. J. Burrows as warden and A. J. Elliott, Eugene W. M. Thomas and James Barlow as vestrymen. The services were conducted by Harry J. Midworth of Detroit, a lay missionary of the Diocese of Michigan.

From 1912 to 1920, St. John's Mission conducted its services in the Universalist Church located at Dodge and Union St. In October 1920, the congregation occupied its first church building on Union St. that is now occupied by the Jehovah Witnesses. This new church was dedicated by Bishop Williams in January 1921. The Bishop was the father of Ernest B. Williams of Amherst Ct., a present member of the congregation.

Church history shows that a confirmation service was held Dec. 14, 1921 when Bishop Williams confirmed eight candidates. Following the service, the Bishop and congregation adjourned to the Presbyterian Church for a Union Service with other churches.

Present in the chancel were Rev. Mr. Hathaway, Presbyterian; Rev. Mr. Smith, Methodist; Rev. Mr. Sayres, Baptist; Archdeacon Widdifield, of Detroit and Mr. Franklin L. Gibson, lay missionary in charge of St. John's Mission. Bishop Williams was the preacher and the record indicates that the church was filled.

The Union St. church served the congregation until 1927 when a larger building was erected at Maple and Harvey Streets which served until the modern edifice was built in 1960. Originally, the Maple St. church was a one-floor building but as the congregation grew and needed more facilities for church school activities, the members of the congregation undertook to dig a basement and to provide space for a kitchen.

In 1952 the parish decided to secure a new site and the present site, now occupied by the church was bought from Mr. and Mrs. Robert D. Willoughby. The rectory was built first and occupied by the present rector, the Rev. David Davies, and his family in April 1953.

The breaking of the ground for the new church on Sheldon Rd. took place in September 1959 and the church and parish house were occupied on the Feast of Pentecost, June 5, 1960. They were dedicated by the Right Rev. Richard S. Emrich, Ph. D., S.T.D., bishop of Michigan, on Sept. 15, 1960.

Long associated with the church besides Mrs. Ware has been Sidnev D. Strong, who was appointed vestryman by Bishop Williams on Feb. 1, 1922.

Frank Henderson is general chairman of the 50th anniversary festivities Monday night. He is assisted by Harold E. Schoen, Jack Hallas, Clifford McClumpha, Howard Steele, Howard Houghton, Mr. and Mrs. Harry J. Christensen, Mr. and Mrs. John Rudlaff, Mr. and Mrs. Ware, Mrs. Doris Hardimon, Miss Edith Duranceau, Miss Ruth Rouns-

Sewer Plea

(Continued from page 1)

action was taken on the bids Tuesday night. The following bids were received: O. A. Pokorny Construction Co., \$27,228 (low bid); Burger Construction Co. of Plymouth, \$27,400; Haydu Construction Co., \$27,673; Krocht Construction Co., \$27,770; Stewart Oldford & Son, Plymouth, \$27,873; Lexman Construction, \$28,500; Angelo Construction, \$28,530; William Gilroy Co., \$28,920; Edward J. Shereda, Inc., \$29,741; G & A Construction Co., \$31,459; Midwest Construction Co., \$32,800; Viking Construction, \$34,489; Sam Marino Construction Co., \$34,647.

Tivadar Balogh is the architect.

Truck Bids

Four bids were received for a three-quarter ton pickup truck to be used by the DPW. Bidders were: E. J. Allison (Chevrolet), \$1,985; Ed Carpenter Dodge Sales (Wayne), \$1,892; West Bros., (International truck), \$1,979; Paul J. Wiedman (Ford), \$1,943. The Board will check the specifications and name the winning bidder later.

Green Meadows Water A letter will be sent out to residents of Green Meadows streets now serviced by City of Plymouth water asking if they would prefer to be attached to the Township's water system. The City and Township have been negotiating the transfer of the system, but the Township Board wants to first make sure that residents want to do it.

The letter will note the advantages of making the transfer, including the installation of fire hydrants, lower fire insurance rates and softer water. The Board would ask an assessment of \$1 per front foot to help finance the job, which would cost an estimated \$24,000.

The assessment could be paid at a rate of \$3 bi-monthly. However, residents would be paying only regular Township rates instead of the double City rate they now pay. Other details will be spelled out in the letter.

More discussion was given to the possibility of not publishing minutes of Board meetings in a newspaper, but to instead make them available at the Township Hall and send them out to those willing to pay the cost. Such a proposal, giving Townships the option of publishing minutes, is now before the State Legislature.

But Board members agreed that the cost and time of mimeographing and sending out minutes would perhaps not be any saving in money.

Betsy Edgar in College Ensemble

Betsy Edgar, daughter of Mr. and Mrs. William Edgar, 12350 Ridge Road, Plymouth, is in the singing ensemble for the Western Michigan University Brown and Gold Fantasies, an all student musical production to be presented February 14, 15, 16 and 17 in the University Theater.

Betsy is a junior in the public school music curriculum. She was a 1959 graduate of Plymouth High School.

An important announcement from BUSTER BROWN:

A remarkable new shoe for children 3 and under

It is designed to avoid a lifetime of foot troubles

Simon J. Wikler, Doctor of Surgical Chiropody, and one of the youngsters he has helped.

The look and structure of infants' and children's shoes has been revolutionized by Simon J. Wikler, a Florida podiatrist. He has designed a new shoe according to the structure and needs of the growing human foot, consulting many physicians, pediatricians, orthopedic surgeons and podiatrists over the years. Their interest and approval encouraged him to patent his unusual shoe and bring it to the attention of Brown Shoe Company, makers of Buster Brown Shoes for children.

Dr. Wikler's method of explaining the principles of his patented new shoe is as unorthodox as the shoe itself. He'll ask you to take off your shoes and wiggle and spread your toes, as you would your fingers when playing the piano. Then, the condition of your foot indicates how often you went barefoot as a child. His trained eye can tell what kind of foot distress (if any) you may be prone to.

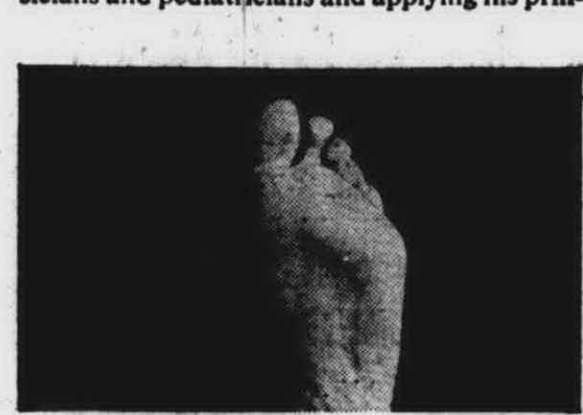

"The captive toes"

Fingers and toes behave alike, says Dr. Wikler. Watch a baby in his crib—always stretching and flexing his fingers and toes. But, he asks, suppose you encased the baby's hands and

"Bare feet are healthy" Dr. Wikler cites statistics on foot distress: by the age of one year, 8% have foot trouble; at age five, 41%; at age 20, 80%. He observes that results of foot trouble may be worse than the foot distress itself. For instance, a slouching posture, common when defective feet cannot support the body, causes improper weight distribution that may result in chronic fatigue or even more serious disorders. Yet, in countries where most of the population goes barefoot, Dr. Wikler has never heard of a native with fallen arches. It would seem, he decided, that the trouble with feet is ill-fitting shoes.

"Are shoes necessary?" Cold floors, city pavements and gravel roads make going barefoot impractical. So, Dr. Wikler worked on a new idea that would make wearing shoes "like walking barefoot with shoes on."

After consulting eminent foot doctors, physicians and pediatricians and applying his prin-

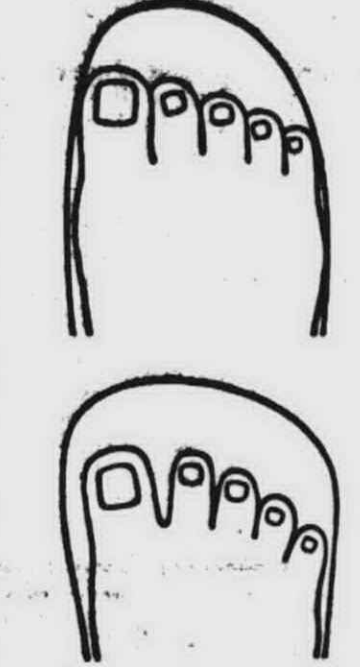

A permanently deformed adult foot, Dr. Wikler says, can usually be traced to shoes that did their damage during the formative years when the soft bones were developing.

cles to his own patients, he came upon the idea for his radically new kind of shoe. He spent 12 years perfecting a model before he felt it was exactly right.

"New kind of baby shoes"

His dream came true when the Brown Shoe Company recognized the soundness of his principles and incorporated the shoe in the famous Buster Brown brand, to be known as The Wikler Shoe, available only at Authorized Buster Brown Retailers.

The shoe has soft leather uppers, with no overlapping inside seams to irritate sensitive feet, or metal shanks to interfere with the flexibility of the sole. The unusual fan-shaped toe design allows toes to spread within the shoe, combined with a heel that positions the foot firmly, without cramping it. It lets a baby "go barefoot with shoes on," allowing his feet to grow and exercise normally.

The conventional shoe forces the growing foot into a cramped position, Dr. Wikler points out, making toes helpless and puny without giving them a chance to attain their natural spread.

Ideal shoe for children. Plenty of room for the foot to grow into this shoe without deforming pressure on the toes.

"Vital for early years"

Foot experts say that in early years permanent damage can be done to a child's foot in a few days' time, without any word or sign of distress. To insure proper foot growth in these vital years, The Wikler Shoe is made by Buster Brown only in infants' and small children's sizes.

If you have children under four years old or an infant who is ready for his first shoes, visit the Authorized Buster Brown Retailer near you. He'll be glad to give you a folder telling all about the new Wikler Shoe, available in sizes 0 to 8, high white or oxford styles. Let him start your child off on the right footing with a pair of these remarkable new shoes, made only by Buster Brown.

Priced according to size:

Mrs. Bertha M. Green, the Junior High School librarian for the past 4½ years, thoroughly enjoys the excitement of bringing people and books together. Especially does she delight in her work with young people in the school library.

Because of her enthusiasm for school libraries, she finds time to be chairman of the recruitment committee of the Michigan Association of School Librarians, and to guide the Junior High Library Club with the help of the PTSA in its annual book fair which is a benefit for the UNESCO program.

Another organization that she actively supports is the Friends of the Library in Ypsilanti, Mich. This group serves the community by promoting library service and

providing paying memberships. She also belongs to the P.E.A. NEA; American Library Assoc., and the American Association of School Librarians.

Though born in Cleveland, Mrs. Green graduated from Bradford (Pa.) High School and then entered Penn State University after winning by competitive examination a one year scholarship given by the local AAUW. The following three years she received Penn State Senatorial Tuition Scholarships. While there she pledged Alpha Omicron Pi, a social sorority and Pi Gamma Mu, a scholastic honorary social science fraternity.

After her graduation from the University with a Bachelor of Arts degree in Social Science, she worked for three

years in the backwood rural area of Durham, N. C. with the public library bookmobile and school services.

Next, she moved to Ann Arbor where she was employed by the University to be in charge of the East Engineering Library for two years and then the Architecture and Design Library for 10 years. Meanwhile she continued to study, acquiring a Bachelor of Arts of Library Science degree, teacher certification and 16 hours of graduate study.

It was inevitable during her years of contact with architectural material that she would absorb information, and so Mrs. Green designed a contemporary house (note: NOT modernistic).

At last, after 49 plans were discarded, she helped her husband build a home on Kingwood Ave. in Ypsilanti, from the 50th plan. This home is shared with her husband, James E. Green, vice-president and director of planning and development of EMU, and their 17-year-old son, Roland, a senior at Ypsilanti High School.

This past summer, just for pleasure, she visited the British Isles and Paris where she was impressed by the friendliness of the people, but still her greatest enjoyment is promoting and stimulating interest in books and reading.

Mrs. Bertha M. Green and Nancy Oesentan, 10

Newburg Residents Celebrate Birthdays

Mrs. Emil LaPointe
GL 3-3797

Greetings to you from Newburg. Glad for this opportunity to get together and hear about you and yours.

Miss Sandy Hartwick, daughter of Mr. and Mrs. Dale Hartwick of Joy Rd., celebrated her 11th birthday last week, with a pajama party. The guest list included Diane Foeester, Kathy Pierce, Roxanne Daniels, Eva Traver, Lynn Green, Lois Kenner, Lindsey Griebel, Donna Seog, Debbie Woods and Glenda Parnell. The girls had a fun time with all the refreshments important to making a party a success, plus staying up half of the night.

Patricia and Joan Shepard, daughters of Mr. and Mrs. Robert Shepard of Houghton Ave., Livonia, spent a recent weekend visiting at the home of their aunt and uncle, Mr. and Mrs. Frank Pierce of Plymouth.

Before a group of some 80 fathers and sons, Doe-Doe the clown entertained on Tuesday evening, February 6 at the Newburg Methodist Church. It was the occasion of the church's annual Father and Son Banquet which is sponsored by the Methodist Men's organization of that church. More than one of the audience went away pleased with an evening of fine entertainment. Awarded a box of candy for being the oldest father present was Floyd Mahl and receiving a similar gift for having the most sons present was Robert Arnold. Group singing was enjoyed by all under the leadership of Ed Reid.

Mr. and Mrs. William Johnson attended a dinner Sunday in the home of their niece and husband, Mr. and Mrs. Clyde La Crosse in Ferndale. Mr. and Mrs. Francis Herman, Mrs. Owen Hoyt and Louis Olson of Traverse City, sisters and brother were also guests.

Mrs. Aurel Ursa of Shadywood Ave., Plymouth, was hostess at her home on Sunday, Feb. 4 at a stork shower in honor of Mrs. Gerald Steever of Hix Rd. In the atmosphere of pink and blue, many lovely gifts were presented to the guest of honor by folks who came from Royal Oak, Detroit, Livonia, Plymouth, Garden City and Wayne.

On Sunday, Feb. 4, Mr. and Mrs. Dale Hartwick and children Sandy, Gary and Roy visited at the home of Mr. and Mrs. Harry Hartwick in Belleville. While there they viewed movies that had been taken of a recent gathering at which time a whole pig had been roasted over an out-door fire, on a spit. Mrs. Hartwick reports that the pictures were so real, you could almost taste the delicacy.

The many Plymouth friends of Mrs. Charles Anderson of Port Richey, Florida, will be saddened to learn of her death which occurred Sunday morning in a hospital where she had been taken a few days before. The remains will be brought to Vermontville, Michigan, where services will be held and burial take place. Mr. and Mrs. Anderson formerly lived in Plymouth before moving to Florida.

Mr. and Mrs. William Johnson of Ann St. were in Utica on Thursday of last week to visit his sister, Mrs. Theodore Meek and later in the day visited her husband, who is a patient in the Rochester hospital.

The following couples will be the guests Saturday evening of Mr. and Mrs. Frank Hokenson in their home on Chicago Blvd. in Livonia for an evening of pinocle: Mr. and Mrs. Kenneth Gates of Saline, Mr. and Mrs. Bernard Curtis, Mr. and Mrs. Noel Showers, Mr. and Mrs. William Johnson, Mr. and Mrs. Richard Straub of Plymouth, Mr. and Mrs. Henry Agosty and Mr. and Mrs. George Bailey of Livonia.

Mr. and Mrs. William Michaels plan to leave on Thursday for a vacation in Englewood, Florida. They will visit relatives enroute in Mississippi and in DeLand, Florida.

Professor and Mrs. Robert Gildart and two daughters, Susan and Nancy, of Albion, will be the week-end guests of her mother, Mrs. Roy Clark on Union St. On Saturday evening Mrs. Clark will also entertain at dinner Mr. and Mrs. Wilmer Robinson, Mr. and Mrs. C. H. Goyer and Mrs. Nina Blunk of this city.

Mrs. William Mayo is entertaining the following ladies today, Wednesday at a Valentine luncheon and afternoon of cards in her home on Penniman Ave.: Mrs. Paul Wiedman, Mrs. Austin Whipple, Mrs. Harry Reeves, Mrs. Ralph Barber, Mrs. Max Trucks of Plymouth and Mrs. Kenneth R. Loomis of Farmington.

Eli Ballen, who resides with his daughter, Mrs. Eldora Melton on Ford Rd., was taken to the Mary Margaret Nursing Home on north Main St., Sunday and is very ill.

Mr. and Mrs. George M. Chute will be dinner hosts Friday evening when they entertain a few couples in their home on Evergreen.

Sympathies of neighbors and friends of the Newburg area are extended to the families of Arthur Remy, a n d James Remy, Jr., both of Newburg Rd., at the passing of their father, James Remy, Sr., this past week.

Mr. and Mrs. Thomas Waltz of Richland Ave. were privileged to see "The Miracle Worker," on Saturday, Feb. 3. The occasion for this outing was to celebrate the birthday of Mrs. Waltz. In further celebration, the Waltzes along with their children, Jennifer and Sara, were dinner guests in the home of Mr. and Mrs. William Ince in Ann Arbor on Sunday, Feb. 4.

Also celebrating a birthday, and guests in the LaPointe home for that celebration were Mr. and Mrs. E. C. Weiss, Sr., of Graham Rd. (it was Mrs. Weiss' birthday); and Mr. and Mrs. E. C. Weiss, Jr., and children, Stephen, Leslie and Jeffery of Onsted, Michigan. They were dinner guests on Saturday, Feb. 10.

The Joy Road Canasta Clan will be having their regular monthly get-together at the home of Mrs. Stuart Flaherty on Tuesday, Feb. 20. Any of the gals in this group who are unable to attend, please let your hostess know so that she may get substitutes.

While we're telling about coming dates, it would be well for you to mark Saturday, March 3, on your calendar, for that is the date of another famous dinner put on by the ladies of the Woman's Society of Christian Service of the Newburg Methodist Church. It will be family style and unless I am mis-informed, beef will be the order of the day. Make your reservations today.

Thank you for calling with your news. It sure is nice to hear from you and I hope more will do the same. See you next week?

A new plastic tile flooring with a coating of adhesive on the underside needs only to be pressed against the floor to adhere tightly.

500 SOUTH HARVEY ST. GL 3-1200

Letters TO THE EDITOR

To the Editor:

Nationally mental illness is now the number one health problem and mentally ill patients occupy over half of the nation's hospital beds.

In Michigan there are over 500 children in state hospitals where most of them are housed in adult wards and about 200 children are on the current waiting list.

Even though the Department of Mental Health in the State of Michigan has made considerable progress during the past years in the realm of newer concepts of treatment, the State hospitals do not have adequate staffs for intensive treatment and for school programs.

To provide for the facilities and staff necessary to return some of these children to the community two bills have now been filed in the Senate and in the House.

Since one out of 12 children born each year faces hospitalization for emotional or mental trouble, would the people of this community express their concern to their state legislators? Their addresses are:

The Honorable Ray Dzendzel
Michigan Senate
Lansing, Michigan

The Honorable Harvey J. Beadle
House of Representative
Lansing, Michigan

Sarah Haas
Legislative Chairman
Plymouth Branch, AAUW

News in Brief

Mrs. Betty Korte, daughter of Mr. and Mrs. Harry Brown, who underwent surgery Thursday of last week in the New Grace Hospital on Outer Drive, is recovering nicely and will be home soon.

Mr. and Mrs. I. O. Hitt were dinner guests Sunday of their son-in-law and daughter, Mr. and Mrs. Monte Hines and family in Garden City.

Members of the Tuesday evening contract bridge club will meet on Feb. 20 with Mrs. C. H. Goyer on Church St.

Mr. and Mrs. Roy Lyke and her brother, Floyd Nelson were among those from Plymouth who attended the funeral of Owen Partridge in Tecumseh on Friday. Mr. Partridge was the son of Mr. and Mrs. Melburn Partridge, who formerly lived on North Territorial Rd.

Mr. and Mrs. Basel Flora of Montgomery, Mich., were visitors over the weekend of their son and daughter-in-law, Mr. and Mrs. William Flora of north Harvey St.

Mr. and Mrs. Russell Isbister of Ann Arbor Rd. were dinner hosts Saturday evening entertaining Mr. and Mrs. Al Brown of Grosse Pointe, Mr. and Mrs. David Brown of Ferndale, Mr. and Mrs. J. E. Eisele of Warren, Mr. and Mrs. L. Oliver of Birmingham and Dr. and Mrs. J. C. Barber of St. Clair Shores.

Mr. and Mrs. C. H. Goyer entertained at a luncheon Monday in their home on Church St. which honored their sister-in-law, Mrs. Charles Merrell of Ortonville on her birthday anniversary. Other guests were Mr. Merrell, Mr. and Mrs. A. J. Allen, Mr. and Mrs. Paul Healy, Mrs. Sidney Bakewell, Mrs. Earl Steigler of Detroit, Mrs. Merrell Draper of Ypsilanti and Mrs. Elmore Carney of this city.

Mr. and Mrs. Louis Truedall of Liley Rd. were dinner hosts Saturday evening to members of their contract bridge group: Mr. and Mrs. William Morgan, ME, and Mrs. F. R. Hoheisel, Mr. and Mrs. Henry Baker, Mr. and Mrs. Austin Whipple, Mr. and Mrs. Carvel Bentley of Plymouth and Mr. and Mrs. Harold Simms of Birmingham.

Mr. and Mrs. William Johnson plan to leave on Thursday for a vacation in Englewood, Florida. They will visit relatives enroute in Mississippi and in DeLand, Florida.

Professor and Mrs. Robert Gildart and two daughters, Susan and Nancy, of Albion, will be the week-end guests of her mother, Mrs. Roy Clark on Union St. On Saturday evening Mrs. Clark will also entertain at dinner Mr. and Mrs. Wilmer Robinson, Mr. and Mrs. C. H. Goyer and Mrs. Nina Blunk of this city.

Mrs. William Mayo is entertaining the following ladies today, Wednesday at a Valentine luncheon and afternoon of cards in her home on Penniman Ave.: Mrs. Paul Wiedman, Mrs. Austin Whipple, Mrs. Harry Reeves, Mrs. Ralph Barber, Mrs. Max Trucks of Plymouth and Mrs. Kenneth R. Loomis of Farmington.

Eli Ballen, who resides with his daughter, Mrs. Eldora Melton on Ford Rd., was taken to the Mary Margaret Nursing Home on north Main St., Sunday and is very ill.

Mr. and Mrs. George M. Chute will be dinner hosts Friday evening when they entertain a few couples in their home on Evergreen.

Who's New in Plymouth

DETAILS OF A cruiser are being pointed out by 8½-year-old David to his parents, Dr. and Mrs. David McCubrey and his brother, Douglas, 7. Residents of Plymouth since July, the McCubreys live at 14524 Farmbrook, Lake Pointe Village. Dr. McCubrey is associated with Dr. Walter Hammond in general surgery. A graduate of the U of M Medical School in 1953, Dr. McCubrey interned at Albany, N. Y. and was a general practitioner a year before serving two years in the Army. He then spent four years as a resident surgeon at St. Joseph's Mercy Hospital, Ann Arbor, before coming here. Dr. McCubrey is a native of Detroit while his wife, Claire, came from Amherst, Mass. Skiing is his favorite hobby. David and Douglas attend Helen Farrand School.

Veterans of Foreign Wars Auxiliary News

We are very pleased to welcome a new member, Alice Bushey, who was initiated into the Auxiliary at the last meeting.

A benefit dance is being planned for Marion Groth on Saturday, March 3. Marion has been hospitalized for a long period of time and has had a tremendous expense with hospital bills and doctors.

Dolly Bouterse, is chairman for the dance and tickets will be on sale soon. Whether you are planning on attending the dance or not, the purchase of a ticket or the sale of several to friends will be a big help to Marion. All the proceeds from the dance will be turned over to her. Call today and order your tickets.

The essay or writing contest is entered in the Plymouth High School this year. If you have a youngster in school, urge him to enter the contest. We would like to have a winner from this area to represent us in the Department and National Contests.

Feb. 20 at 9 p.m. Ann Conklin, a Republican Delegate to the Constitutional Convention, will be at the hall to speak on this program. The meeting is open to the public. Extend an invitation to your friends and neighbors to attend this meeting. There will be a question and answer period. Norma McKindley is chairman and would like a record breaking turnout. See you there.

Mrs. Harriet Coon, president of the Wayne County Council, and a member of the Johnson Auxiliary 78, passed away last week after a long illness.

We would like to extend to Marion Krumm Robertson the most heartfelt sympathies of the Auxiliary in the recent loss of her husband, Clare. Through the years Marion has been such a good friend to all of us that I'm sure the thoughts and prayers of every member is with her now.

Feb. 22 is the date of the District Linen Bingo. President Olson donated the door prize; Lucy Johnson, the pillowcases; and Hilda Rorbacher, the towels. If you are interested in going, contact President Olson for further information.

Veterans of Foreign Wars

Our youth activities chairman and representative can be proud of our Post sponsored Midget hockey team, consisting of boys, 16 and under, when they took the Nankin Township championship. The team played in Birmingham, Feb. 8. Terry Cosgrove took honors for the season as the top scorer in the league.

The Post sponsored Boy Scout troop held their Blue and Gold banquet at the Hall on Feb. 12. They are planning a Pancake Supper on March 5 at the hall. An invitation is extended to everyone. Proceeds will help finance their summer camping.

On Feb. 20 all Post members and the public are invited out to the Hall at 9 p.m. after the Auxiliary meeting to hear legislative speaker, Ann Conklin, talk on Con Con. She is making a special trip to give us information on this important work of revising Michigan's Constitution. So turn out and bring your friends.

Five Post members attended the Fourth District Rally at the Ford-Dearborn Post, Feb. 3. Our District Commander, Don Eiden was absent as he was attending a conference in Washington, D.C., as a result of the good membership drive shown by the Posts throughout the District.

There will be a district long form initiation ceremony at Wyandotte Post 1136 Sunday, Feb. 25, starting at 6 p.m. Our color guard and Auxiliary drill team will be present.

There will be a District Hospital trip to Ann Arbor Veteran's Hospital on March 14 at 7 p.m. These trips can be very interesting and especially worthwhile to the patients.

Completes Record Milk Production

The Holstein-Friesian Association of America has announced a new lactation average for the registered Holstein herd of Angelo Di Ponia, N. Territorial Rd., which has just completed production records averaging 13,475 lbs. of milk and 477 lbs. of butterfat.

Lactation averages are calculated on the commonly-employed two-milkings a day, 305 day, mature equivalent basis. This provides a uniform basis for comparison and selection in registered Holstein breeding programs.

Michigan State University supervised the weighing and testing of production as part of the official herd testing programs of the national Holstein organization.

O.E.S. Highlights

Plymouth Chapter No. 115, Order of the Eastern Star, held its regular meeting Feb. 6. It was a great pleasure to see so many members present. Following the meeting, which was opened by Worthy Matron, Wanda Durham, a social hour and refreshments were enjoyed by all. The delicious refreshments were served by Gwendolyn Braund and her committee.

The special meeting on Feb. 20 will be Friends Night. Friends, as guests of the officers of the Plymouth Chapter, will exemplify the degrees of the order at 7:45 p.m.

A 6:30 p.m. dinner will be served by the Past Matrons and Past Patrons of the chapter. Those who wish to attend the dinner preceding the meeting, may make reservations by calling Gladys Colgan at GA. 1-3682.

There will be a practice for all officers, Bible Degree included, on Sunday, Feb. 18 at 1 p.m.

By Janet Graham
Shangri-la! That's the colorful and exotic theme which seniors have chosen for their May 12 prom. General Adviser Mr. Lauren Grieves and General Chairmen Rich Alford and Tony Hunt announced appointment of committee chairmen last week.

Keith Evans and Mary Lou Argo are decorations co-chairmen; Donn Kelley is designing and adapting the lighting; Jody Edgar and Janet Fair are in charge of refreshments; Mike Kenyon is handling construction and Hollis Haynes is arranging for invitations.

Publicity is under the direction of Dave Bailey; chaperones are the responsibility of Ken Fischer and tickets are being handled by Win Schrader.

A SPAGHETTI dinner with an international flavor is the current project of MUNA-minded international relations students. Set for Feb. 24 from 5 to 7 in the High School auditorium, the dinner will cost 75 cents for students and \$1.25 for adults. More about this next week.

JUNIOR Barb Niemi and Seniors Mary Hulsing, Dave Raafaub and Dave Fey, as chairmen of each of four study groups for the constitutional convention, Harold Fischer as Convention President and Mayor Jim Kropf are all serving on the permanent rules committee.

RANDY Pentecost, freshman class treasurer, will be collecting dues all this week. All members of the Class of '65 are urged —

very strongly — to get out and pay dues now.

ALERT "Plythean" Editor Susy Larkin '62 recently and enthusiastically announced "We'll make it! We've met three deadlines successfully... about 102 pages are completely finished and we've only got about 68 to go. We don't have any pictures or copy written for the pages with a March 15 deadline — but our final deadline isn't until April 1... I think."

MR. ROBERT Smith of the Guidance Department reports that his office has processed 567 college and scholarship applications... an advanced chem class using a college text-book will be offered to students who took first year chemistry in their sophomore year and are now studying physics... the National Merit Scholarship Qualifying Test will be offered in March.

Give Baby's Foot Plenty Of Room, Expert Declares

(EDITOR'S NOTE: The following are excerpts from a column written by Simon J. Wikler, D.S.C. concerning a new concept of preventing foot damage.)

You who are parents have probably noticed your child constantly spreading, bending, stretching his fingers and toes from the first weeks of life. You would not think of keeping your baby from moving his hands and twisting his fingers. Why, then, swaddle his feet and toes?

Tight blankets which keep feet and toes motionless serve only to weaken them. Place the blanket over the baby's feet loosely. Toes which are not given opportunity for exercise in the very early years are likely never to develop properly.

Unfortunately, most American parents damage their infants' feet in the first few weeks of life, by depriving the child of the chance to move his feet freely.

Not Prewalking Shoes

Do not buy prewalking shoes for your baby. They may look pretty and soft, but they can seriously impede the natural movements of the infant's foot. In warm weather, the baby should play barefooted in a play pen. When he starts to creep and crawl on the carpeted floors, he should be allowed to crawl barefooted.

Crawling is a necessary developmental exercise for your baby. Give him every chance to do so.

(Infants are often forced to sit too long in devices which

keep them from underfoot while mother does her work. Pressure upon the thighs caused by such apparatus is likely to strain the muscles and cut off the blood supply.)

Do not try to hasten a baby's first steps. He'll walk when feet and legs are ready.

Wool Booties Best

During the first year of life, wool booties are the best type of footwear. However, they should be bought large enough so they cannot in any way constrict the feet or toes.

When your child begins to wear socks, you must take the same care in fitting them as with shoes. A sock is not made in the shape of the foot. It is made more like a tube that tapers to a point.

For this reason stretch socks can be particularly harmful

they cause constant pressure on the toes. Buy socks at least one inch longer than the toes. Pull them out so the extra length is free of the toes; the extra length of sock will fit into the unused portion of shoe's toe.

When Shoes Are Needed

When your child has started to walk by himself at home, he will shortly be walking on pavement. You would not be ready to get the first pair of shoes for your infant.

Shoes that are flexible, roomy, and simply made are best. Children's toes and feet must be allowed to grow naturally.

Some shoes look better, and have better leather and more durable construction, but too often they are so firmly made that they rob the infant of the

free use of his foot. To test flexibility, grasp the heel of the shoe in one hand, the toe in the other, then bend the heel and toe toward each other.

If the shoe bends at the ball (the part of the sole directly behind the toes), and not through the center of the shoe, it means that the shoe has steel stiffening through the arch. A toddler wearing such shoes must walk stiff-footed because the shoes will prevent him from bending his feet.

Such a shoe must not be purchased for any child. Find a store where the shoes in your child's size are flexible through the arch.

Having found a flexible arch, make certain that the sole itself is not so thick that the shoe becomes hard to bend. Do not resole younger children's shoes, for resoling them makes them smaller.

The next thing to look for is the shape of the toe of the shoe. Shapes of children's shoes have undergone much improvement in the past decade. The most common now are "round-toed."

Occasionally one finds the old cowboy boot-type shoes with their pointed toes. Do not purchase these.

Beware Of Elevations

Run your fingers over the inner sole of the shoe. If there are added elevations on the inner sole, beware.

Shoes that have rises inside them are also likely to have other arch support features, all of them deforming. Any shoes with arch support features are to be avoided.

For infants, shoes without raised heels are the most desirable, though often unobtainable. Very likely, you will have to settle for a so-called "spring heel" in which there is a leather elevation under the sole at the heel.

Shoe clerks generally use a measuring stick to measure the approximate size, then bring out a few pairs of shoes to be tried on. Check the clerk's assurance as to proper length. Have the child stand up with his weight resting evenly on both feet.

Use your fingers to feel exactly where the child's toes lie in the shoe.

Large Enough Shoes

Remember if a pair of children's shoes fits "just right," when it is bought, it will certainly be too small in time. There should be at least three-fourths of one-inch of space between the end of the child's toes and end of shoe.

Get the widest size possible. To test the width, feel along side both sides of the foot at the ball, making sure there is free space between the sides of the foot and the sides of the shoe.

Be sure to feel both sides at the same time, so as to avoid pushing the foot on one side of the shoe when feeling for the proper width.

Mothers must be prepared to have uninformed shoe clerks protest vigorously at insistence on wider shoes.

Going Barefoot Good

It is not enough that children's feet be free from deforming shoes; foot health also depends upon going barefoot in order to develop agility and strength in the feet. (An equivalent for going barefoot is wearing slipper socks, booties, or flexible thong sandals.)

For toddlers, shoes should be worn outdoors only during inclement weather and indoors only for infrequent dress-up occasions.

Fortunately, children can go barefoot most frequently in life during the first five years, which are the most important in foot development. Children under five who go barefoot, if watched closely, are unlikely to walk where they will cut their feet or do themselves harm.

SEVERAL PLYMOUTH teachers were among the 24 west Detroit area elementary teachers completing an intensive, in-service institute to enrich science teaching. Held at Thurston High School in Redford, the Institute was supported by the National Science Foundation and directed by Western Michigan University. Pictured conducting an experiment are Patrick Esarey, sixth grade teacher at Bird School, and Mrs. Lois Jensen, fifth grade teacher at Bird. The institute ran for 16 weeks with classes held each Saturday morning, featuring both lectures and laboratory work.

Ole Brad's Journal

Master William Brewster not only had a penchant for peculiar names for his children, but he also created a small furor from time to time when he would appear in the streets of early Plymouth, Mass. wearing his red cap and violet coat.

GAILY-COLORED clothes were not taboo. The Pilgrims' main concern was to discourage frivolous apparel: rings, hidden stays, perfume, etc.

Choice for the sterner look in clothing, worn on certain occasions, stemmed from the Pilgrims' reaction to the gaudy vestments worn by the clerics in England prior to their coming to America. Even the servants of the bishops in those days were bedecked in scarlet livery set off with gold chain and braid. Naturally, their employers had to be even more ornate in their clerical vestments.

THOSE EARLY Pilgrim rebels contended that the churchmen around the turn of the 17th century in England should be distinguished by their doctrine. . . not their garments; their purity of mind, not the adornment of their person.

Black and brown simple-cut suits and dresses became their badge of protest. However, the Pilgrims still wore colorful clothes. Blue, canary-yellow, and green colors in coats and jackets kept the early colonial settlers from appearing as drab as we might like to remember them. Main objection was to an undue amount of lace, gold braid, or anything that appeared excessively foppish.

PART OF the misunderstanding on the color of Pilgrim's clothes might stem from a description of "sad-colored" articles. "Sad" as used by folks back in 1630 meant a deep color. For instance, a mulberry-colored red was sad in their terminology. Come to think about nowadays, you see any number of sad colors in women's dresses. "Kin make a strong man to tears, especially when he gets the bill.

News in Brief

Miss Hattie Peterhans of Schoolcraft Rd., who had a stroke about three weeks ago, is confined to her home.

Mrs. Paul Wiedman, Mrs. Walter Gemperle and Mrs. Carl Shear plan to attend the Town Hall series being held in Northville Thursday morning when the guest speaker will be Mr. Ian Ross McFarlane whose subject will be "Africa".

Corliss Allen, who spent several days in the Veterans hospital in East Warren, has returned to his home in Livonia. Mr. Allen is the son-in-law of Mr. and Mrs. William Michaels of Plymouth.

Mr. and Mrs. Francis Beals, Mrs. Dorothy Campbell and son, Dennis, were guests of the Sterling Eaton's and son, Randy, on Saturday evening, Feb. 10, in honor of Dennis' 21st birthday.

Mr. and Mrs. Floyd Burgett and children of Northville Rd. and Miss Amelia Gayde of Starkweather Ave. were Sunday dinner guests of Mr. and Mrs. Carl Hartwick of Clemons Dr.

Mrs. Jack Gage entertained her neighborhood Canasta club Monday evening at her home on Clemons Dr.

Floyd Schroeder is resting as well as can be expected at the U. of M. Hospital Ann Arbor and would like to hear from some of his friends.

On Feb. 17 the Get-to-Gether Club will meet for an evening of Pedro and pot-luck supper at the home of Mr. and Mrs. Wilbur Ebersole on Starkweather Ave.

The second bill will ask for \$1,550,000 from the state general fund for construction of planning centers for emotional and disturbed children on the grounds of State Mental Hospitals at Northville, Ypsilanti, Pontiac, and Traverse City.

These bills have been filed in both the House and the Senate, and legislators will be interested in the opinions of their constituents.

City of Plymouth Commission Proceedings

Monday, January 15, 1962
A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, January 15, 1962 at 7:30 p.m.

PRESENT: Comms. Beyer, Hartmann, Houk, Shear, Terry, Wernette and Mayor Sincok.
ABSENT: None.

Moved by Comm. Hartmann and supported by Comm. Houk that the minutes of the regular meeting of January 2, 1962 be approved as written. Carried unanimously.

Moved by Comm. Beyer and supported by Comm. Houk that the bills in the amount of \$71,498.91, as audited by the auditing committee, be allowed and warrants drawn. Carried unanimously.

The Clerk presented the following reports for December, 1961: Building Safety, D.P.W., Fire, Health, Municipal Court, Police, Survey and Treasurer, and the Budget Report for the quarter ending September 30, 1961.

Moved by Comm. Terry and supported by Comm. Beyer that the above reports be accepted and placed on file. Carried unanimously.

The Clerk presented a communication from Plymouth's Community Pharmacy requesting that an attempt be made to rid the downtown area of pigeons.

Moved by Comm. Hartmann and supported by Comm. Shear that the communication be accepted and placed on file and that discussion thereon be postponed until February 5, 1962. Carried unanimously.

The Clerk presented a communication from the Wayne County Department of Health advising of the services rendered in Plymouth during the month of June through October, 1961. The communication was ordered accepted and filed.

The City Manager presented a communication from the Plymouth Community Young Men's Christian Association requesting permission to conduct a membership drive during the week of January 21-27, 1962.

Moved by Comm. Wernette and supported by Comm. Terry that permission be given the Plymouth Community Y.M.C.A. to conduct a membership drive as outlined in the communication. Carried unanimously.

The City Manager reported that the oral progress report relative to the activities of the Parking Study Committee had been prepared and advised that the Parking Committee will be able to report recommendations in the very near future. The committee forwarded its recommendations to the Chamber of Commerce with request to apply for permit from the township to erect a sign at the west junction of M-14 and Ann Arbor Road.

The City Manager reported that the heating unit at 157 S. Main Street, housing the Plymouth Historical Society, has blown a fuse and that the hot water heating system was beyond repair. He advised that the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement with special consideration for the health, safety, and welfare of children, shall require that the City of Plymouth shall acquire the site covered by the Plan; and

WHEREAS, the City of Plymouth (herein called the "Local Public Agency") has entered into a planning contract for such Act with the United States of America, acting by and through the Housing and Home Finance Administration, pursuant to which Federal funds were provided for the urban renewal project (herein called the "Project") identified as "Mill Street Renewal Project" and encompassing the area bounded by the intersection of the center line of Ann Arbor Trail with the center line of Mill Street; the center line of Mill Street to the intersection of the north line of Lot 652 of Assessor's Plymouth Plat No. 18 Chesapeake and Ohio Railroad property; the center line of Lot 652 of Assessor's Plymouth Plat No. 18 Chesapeake and Ohio Railroad property; the center line of Ann Arbor Trail; the center line of Ann Arbor Trail to the point of beginning, in the City of Plymouth, State of Michigan, (herein called the "Locality"); and

WHEREAS, the Local Public Agency has applied for additional financial assistance under such Act and proposes to enter into an additional contract or contracts with the Housing and Home Finance Administration for such additional financial assistance for the Project; and

WHEREAS, the Local Public Agency has made detailed studies of the location, physical condition of structures, land use, environmental influences, and social, cultural, and economic conditions of the Project area and has determined that the area is a blighted area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof and of the Locality at large, because of obsolescence, great deterioration of structures and mixed character of structures, and the members of this Governing Body have been fully apprised by the Local Public Agency and are aware of these facts and conditions; and

themselves, to the Board of Electrical Examiners, term to expire January 1963.

Moved by Comm. Terry and supported by Comm. Houk that the appointments by the Mayor to the Board of Electrical Examiners be confirmed. Carried unanimously.

The City Manager reported that the property at 866 Fenimau Avenue, known as Lot 216, Assessor's Plymouth Plat No. 8, is available for sale and recommended that the property be purchased. Carried unanimously.

Moved by Comm. Wernette and supported by Comm. Hartmann that the Clerk be authorized to negotiate for Lot 216, Assessor's Plymouth Plat No. 8, the terms being \$5,000 down and the balance to be paid in 5 years at 6% interest. Carried unanimously.

Moved by Comm. Terry and supported by Comm. Wernette that the matter of amending the rules to the Planning Code be postponed until February 5, 1962. Carried unanimously.

This was the time set (8:30 P.M.) for the public hearing to consider a proposed Development Plan for the area bounded by the center line of the Mill Street Renewal Project, Mich. R-30. The Mayor opened the hearing. Questions were presented by Northville representative Miss Rachel Reiman, Mr. Earl Cook and Mr. Ackerman. After all interested persons and organizations had been given an opportunity to be heard, the Mayor declared the hearing closed.

RESOLUTION OF THE CITY COMMISSION OF CITY OF PLYMOUTH, MICHIGAN, APPROVING THE URBAN RENEWAL PLAN AND THE FEASIBILITY OF RELOCATION FOR PROJECT NO. 10-130

The following resolution was offered by Comm. Hartmann and supported by Comm. Beyer:

WHEREAS, under the provisions of Title I of the Housing Act of 1949, as amended, the Housing and Home Finance Administration is authorized to provide financial assistance to Local Public Agencies for undertaking and carrying out such projects; and

WHEREAS, it is provided in such Act that contracts for financial assistance for such projects shall be entered into by the Local Public Agency in which the project is situated and that such approval include findings, insofar as the body that (1) the financial aid to be provided in the contract is necessary to enable the project to be carried out in accordance with the Urban Renewal Plan; (2) the Urban Renewal Plan will afford neighborhood improvement with the sound needs of the locality as a whole, for the rehabilitation and development of the urban renewal area by private enterprise; (3) the Urban Renewal Plan conforms to a general plan for the development of the locality as a whole; and (4) the Urban Renewal Plan gives due consideration to the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement with special consideration for the health, safety, and welfare of children; and

WHEREAS, the City of Plymouth (herein called the "Local Public Agency") has entered into a planning contract for such Act with the United States of America, acting by and through the Housing and Home Finance Administration, pursuant to which Federal funds were provided for the urban renewal project (herein called the "Project") identified as "Mill Street Renewal Project" and encompassing the area bounded by the intersection of the center line of Ann Arbor Trail with the center line of Mill Street; the center line of Mill Street to the intersection of the north line of Lot 652 of Assessor's Plymouth Plat No. 18 Chesapeake and Ohio Railroad property; the center line of Lot 652 of Assessor's Plymouth Plat No. 18 Chesapeake and Ohio Railroad property; the center line of Ann Arbor Trail; the center line of Ann Arbor Trail to the point of beginning, in the City of Plymouth, State of Michigan, (herein called the "Locality"); and

WHEREAS, the Local Public Agency has applied for additional financial assistance under such Act and proposes to enter into an additional contract or contracts with the Housing and Home Finance Administration for such additional financial assistance for the Project; and

WHEREAS, the Local Public Agency has made detailed studies of the location, physical condition of structures, land use, environmental influences, and social, cultural, and economic conditions of the Project area and has determined that the area is a blighted area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof and of the Locality at large, because of obsolescence, great deterioration of structures and mixed character of structures, and the members of this Governing Body have been fully apprised by the Local Public Agency and are aware of these facts and conditions; and

WHEREAS, there has been prepared and referred to the City Commission of the Locality (herein called the "Governing Body") for review and approval an Urban Renewal Plan for the Project area consisting of 7 pages and 2 exhibits supported by the following supplementary material, data, and recommendations, which material, data, and recommendations are not part of said Urban Renewal Plan: (a) a report of the Urban Renewal Project Improvement Report on Planning Proposals, Land Acquisition Report, Relocation Report, Project Improvement Report, Land Disposal Report and Cost Estimate and Financing Report; and (b) a report of the Urban Renewal Plan, which is predominantly nonresidential in character, is to be developed for predominantly nonresidential uses under said Urban Renewal Plan; and

WHEREAS, general plan has been prepared and is recognized and used as a guide for the general development of the Locality as a whole; and

WHEREAS, the Planning Commission of the Locality has prepared and acting official planning body for the Locality, has submitted to the Governing Body its report and recommendations respecting said Urban Renewal Plan for the Project area and has certified that such Urban Renewal Plan conforms to the said general plan for the Locality as a whole, and the Commission of the Locality has entered said report, recommendations, and certification of the planning body, and

WHEREAS, said Urban Renewal Plan for the Project area prescribes certain minimum standards for the Project area and will require, among other things the location and construction of certain streets, mains and other public facilities, and other public action; and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

placed families, are not generally less desirable in regard to public utilities and public and commercial facilities than the dwellings of the displaced families, in the Project area, are available at rental or purchase prices and financial means of the displaced families, and are reasonably accessible to the displaced families.

That in order to implement and facilitate the execution of the Urban Renewal Plan hereby approved, it is found and determined that certain official action must be taken by this body with reference to the Project area, the location and relocation of sewer and water mains and other public facilities, and other public action, and accordingly, this Body hereby: (a) pledges its cooperation in helping to carry out such Urban Renewal Plan; (b) requests the various officials, departments, boards, and agencies of the Local Public Agency to assume their responsibilities in the premises likewise to cooperate to such end and to exercise their respective powers and powers in a manner consistent with said Urban Renewal Plan; and (c) stands ready to consider and take appropriate action upon proposals and measures designed to effectuate said Urban Renewal Plan.

10. That additional financial assistance under the provisions of Title I of the Housing Act of 1949, as amended, is necessary to enable the Local Public Agency to be renewed in accordance with the Urban Renewal Plan for the Project area and, accordingly, the Local Public Agency is authorized to apply for such financial assistance for such Title I as hereby approved.

Carried unanimously. Moved by Comm. Terry and supported by Comm. Shear:

1. Actual expense of relocation, to be paid by the Local Public Agency, shall be \$250.00 per room, not to exceed \$200.00, whichever the relocated person chooses.

Carried unanimously.

RESOLUTION

RESOLUTION OF THE CITY COMMISSION OF PLYMOUTH, MICHIGAN, APPROVING CONDITIONS UNDER WHICH RELOCATION PAYMENTS WILL BE MADE FOR PROJECT NO. 10-130

The following resolution was offered by Comm. Houk and supported by Comm. Beyer:

WHEREAS, the rules and regulations prescribed by the Federal Government pursuant to Section 106 (f) of said Title I require that the conditions under which the Urban Renewal Plan for the Project area will make Relocation Payments in connection with the Urban Renewal Project area, shall be approved and be officially approved by the Governing Body of the City of Plymouth; and

WHEREAS, there was presented to this meeting of the Governing Body of the City of Plymouth, for its approval, a set of conditions under which the City of Plymouth will make Relocation Payments in connection with the Urban Renewal Project area, and

WHEREAS, the conditions under which the Local Public Agency will make Relocation Payments was reviewed and considered at this meeting of the Governing Body of the City of Plymouth, as follows:

1. That the conditions under which the Local Public Agency will make Relocation Payments are hereby in all respects approved.

2. That the Urban Renewal Director is hereby designated to approve all claims for Relocation Payments.

Carried unanimously.

The following resolution was offered by Comm. Wernette and supported by Comm. Houk:

WHEREAS, the provisions of Act 344 of the Public Acts of 1945, as amended, it is required that a Development Plan adopted by the governing body of the locality.

WHEREAS, this Development Plan is composed of an "Urban Renewal Plan" consisting of 7 pages and 2 exhibits, a Relocation Plan of 7 pages and 2 exhibits, and 5 maps indicating the location and extent of public utilities, and a form designated R-200 which contains estimated costs of improvements for the area.

WHEREAS, public notice was given and a hearing held in accordance with the provisions of Act 344 of the Public Acts of 1945.

WHEREAS, a Master Plan is sufficiently advanced to designate areas in need of rehabilitation, and

WHEREAS, a finding has been made that the proposed plan is in conformity with the Master Plan of the City of Plymouth Planning Commission, which is the duly designated and acting official planning body of the locality.

WHEREAS, the Urban Renewal Plan for the Project area prescribes certain minimum standards for the Project area and will require, among other things the location and construction of certain streets, mains and other public facilities, and other public action; and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

WHEREAS, the members of this Governing Body have general knowledge of the conditions prevailing in the Project area and the Urban Renewal Plan, and the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, it is necessary that the Governing Body take appropriate official action respecting the proposals for relocation and the Urban Renewal Plan for the Project, in conformity with the Urban Renewal Plan and the Urban Renewal Act, and

WHEREAS, the Local Public Agency has prepared and submitted proposals for the relocation of families that may be displaced as a result of the Project area in accordance with said Urban Renewal Plan; and

WHEREAS, the Local Public Agency has also presented to the Governing Body information and data respecting the Urban Renewal Plan, and the Local Public Agency as a result of such studies, surveys, and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

placed families, are not generally less desirable in regard to public utilities and public and commercial facilities than the dwellings of the displaced families, in the Project area, are available at rental or purchase prices and financial means of the displaced families, and are reasonably accessible to the displaced families.

That in order to implement and facilitate the execution of the Urban Renewal Plan hereby approved, it is found and determined that certain official action must be taken by this body with reference to the Project area, the location and relocation of sewer and water mains

Winter Trailer Travelers Find Excitement

For those who think that trailer living is just for summertime, they are mistaken — although a group of travel trailerites who left from Plymouth on a weekend tour recently may agree that winter isn't always the very best time to travel.

Three families, members of a group known as the Crawford Campers Travel Trailer Club left the home of Mr. and Mrs. Ernest (Bud) Wilson on Friday evening, Feb. 2. A dozen other trailer owners, members of the same club, were scheduled to leave Detroit at the same time. Their destination was Elkhart, Ind. where the makers of their trailers had invited them down for a weekend of fun.

Leaving in the Wilson group were Mr. and Mrs. Jerry McCandless of Garden City and the Dick Clutterbucks of Detroit. An hour after leaving, a snow storm hit and some who had never pulled a trailer on a dry pavement until last summer found themselves on glaring ice and blinding snow.

In Kalamazoo the group stopped for coffee and despite warnings about hazardous driving, they moved on through Kalamazoo, Three Rivers and Mottville to Elkhart, arriving there at 11:30. The rest of the safari from Detroit arrived safely at 2 a.m.

As guests of the Rock Frame Division of the Elkhart Welding Co., the group parked their trailers in the company's trailer park. The firm furnished them breakfast, coffee breaks, a steak dinner at noon, a hamburger barbecue in the evening and a dance (with band) and movies in the evening, all in a hall provided for the part of 80 men, women and children.

The next day (Sunday), the group returned on dry roads. "The club is always looking for new members, so anyone interested in learning more about it is welcome to get in touch with me," Wilson said. His home phone number is GL 3-0895.

READY TO roll toward Elkhart, Ind. were these three trailer families. A short time after leaving the Ernest Wilson home on Beck Rd., they ran into a snowstorm.

Salem Twp. Composer Rejoices With Two Songs Now Recorded

By C. W. Clair
GL 3-2610

The home of Robert Lewis, 7500 Six Mile Rd., was surely a happy one Saturday night with music everywhere. Not only was it daughter Barbara's birthday on Friday, but two of her compositions had been recorded in Chicago.

The two are "My Heart Went Do-Dot-Da" and "The Longest Night of the Year." And it looks like they will be big hits. They are already being played by disc jockies on the radio and I am told that Barbara will appear on "The Bandstand" TV program in the future.

Bob says that Barbara has composed about 15 songs. They have taken these two to start with and will record the others later. Bob also said that "My Heart Went Do-Dot-Da" is a twist number and is sure appealing to the teenagers. The other, "The Longest Night of the Year," is a very beautiful song and would appeal to the older and "more quiet" generation, says Bob.

The Lewis family has a history in Salem Township that goes back over 100 years.

The regular meeting of the Washtenaw County Board of Supervisors was held at Ann Arbor Feb. 8 with Harlow Ingall, the supervisor from Salem Township, in attendance. He reports to me that the question of having private assessors come into the county for the purpose of re-assessing came up and was defeated by a vote of 20 to 17. We told you a few weeks ago that it was coming up and would be a close vote.

We noticed that Mrs. Ralph Wilson of Seven Mile Rd. was at the Reception party Sunday evening, Feb. 4 at the Congregational Church for the Reverend Barrows. I believe that it was her first party since her illness. Glad to hear that she is getting along, we will probably be hearing more from her in the future.

The Pioneer Girls of the Salem Federated Church had a skating party and after the party they all went to Mrs. Dickinson's for refreshments.

H. C. Shaffmaster of Curtis Rd. has been moved to the rehabilitation ward in the Harper Hospital, and spends more time in the gymnasium giving his legs a workout. It was reported to me Friday that he is showing a steady improvement and should be heading for Curtis Rd. now soon. I was also told Friday that Mr. Shaffmaster likes his pipe, but since being hospitalized, he says that his favorite pipe tastes sour. That's the time to throw them away, Mr. S. I haven't had a smoke since I was in the hospital last September.

Mr. and Mrs. Ralph Wilson attended the Farmers Club meeting at the home of Frank Geigers on the Five Mile Rd. last Wednesday, Feb. 7. A fine dinner was served and a social hour after was enjoyed by all.

Mr. and Mrs. Harvey Pohner of Five Mile Rd. celebrated their 25th Anniversary Saturday, Feb. 10. It was open house from 1 'til 6 p.m. Mrs. Pohner was formerly a teacher in the Salem School; she is now teaching in Livonia.

Glenn Renwick called me and asked me to tell the folks in Salem Township that they are not responding to his notice that he had in the paper about dog licenses. He wants all of you folks who have dogs to know that after March 1 you will have to go to Ann Arbor to get your Fido a license and it will cost you a lot more money. By chance if he is picked up by the warden, it will cost a lot more than the original cost of a license. So it is entirely up to you.

Taxes are coming in slow, we have a total of \$197,076.45 to collect in the Township, up to and including Feb. 10 we had collected \$112,390.09. That is about 58 per cent of the total I believe. After Feb. 15 there will be four percent fee added.

Bert Stansbro of Salem Village has been confined to the house this past week with the flu. At this writing he is a bit better.

Mrs. Martha Clinansmith of Curtis Rd. is just about the same as was reported last week with good days and some bad ones too.

First voter: I don't want to vote for any of the candidates, I don't know any of them.

Second voter: I don't know what to do either. I know all of them.

The Sunshine Club will meet at Mrs. Clara Baumgartner's on Territorial Rd., Wednesday, Feb. 14.

Mr. and Mrs. Laurence Ingall and Mr. and Mrs. Fred Geng were at Big Rapids last Sunday to visit the Ferris Institute. They reported that there was a lot of snow there.

Harlow Ingall attended a meeting at the Superior Township hall last Monday evening. The discussion was whether or not Salem, Superior, and Northfield Townships would go together and have a full time civil defense director for this zone.

Lewis Brado was a guest at the Laurence Ingall home on Joy Rd. last Thursday. Mr. Brado is from Standish.

Something will come in soon about the Township zoning laws, watch for it.

Mr. and Mrs. Thom Hallock were callers at Plymouth Acres, the Clair's homes, Saturday afternoon.

Production of canned evaporated milk in Canada has increased more than sevenfold in the last 30 years.

An electrical shock produces faster germination in giving corn a quick growth, but it has to be done by an expert.

And I Quote

"Fellow named Barney Rice writes a column in Mink County News and last week he got to wondering about how people can teach their little kids not to use cuss words and still carry on a dinner table conversation about Hell's Canyon Dam." — Herb H. Love, Shoshone (Ida.) Lincoln County Journal.

WALT ASH SERVICE

584 S. Main SHELL PRODUCTS GL 3-9847

Butane boils and bubbles even though beaker is filled with ice cubes. It is rapidly turning into vapor—the way boiling water turns into steam. Butane's ability to vaporize at low temperatures helps Super Shell gasoline give you quick starts in cold weather.

One of Super Shell's 9 ingredients can boil on ice. Helps your car start fast for top performance on coldest days.

EVEN in zero weather, a car in good mechanical condition should start in 3 or 4 seconds.

If it doesn't, could be that your gasoline isn't vaporizing fast enough. Winter can have that effect on gasoline.

Shell scientists take care of this problem by including an ingredient called Butane in Super Shell's 9-ingredient formula.

Butane can hardly wait to vaporize. It will even boil on ice and turn to vapor (see picture above). Fast vaporization, fast starts. It's that simple.

Note: In very cold weather, Super Shell gets an extra dose of Butane.

Quick-starting Butane is only one of Super Shell's cold-weather ingredients. There are three in all. Read how the other two can also help you when winter's doing its worst.

Pentane mix—for fast warm-ups

The Pentane mix in Super Shell's winter blend helps speed the "warm-up" process inside your engine. Pentane mix works

like kindling in a log fire. It ignites easily — gets everything going faster.

"Anti-icer" fights icing stalls

The third cold-weather ingredient in Super Shell's winter blend is an anti-icer.

Its job is to fight carburetor icing. This phenomenon can lead to sudden stalls when you least expect them.

Shell's "anti-icer" coats vital carburetor parts with a very thin chemical film. This film discourages critical ice buildup and cuts your chances of icing stalls.

How Super Shell's other ingredients help you get top performance

Now you know about three of the nine ingredients in today's Super Shell. Here's how the others help to give your car top performance.

TCP* additive helps restore the power that combustion deposits can take away.

"Cat-cracked" gasoline is for smooth, even power with a purr.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2809212.

Alkylate helps control "high-speed knock."

Gum preventive helps keep carburetors clean inside.

Anti-knock mix gives extra resistance to knock.

Platformate is for extra mileage.

P.S. When you drive in for a tankful of Super Shell, ask your Shell dealer to check your anti-freeze. It's a small precaution, but it could save you a lot of trouble.

Favorite Recipes from Plymouth Kitchens

Several years ago Molly received a recipe for oatmeal cake from a friend, Caroline Roberson Har-son, of Clarkston. She liked it so well that it has become a favorite ever since and she frequently takes it to pot-luck suppers with her. While there are no apples in the

recipe, the finished confec-tion, is reminiscent of old-fashioned applesauce cake.

Oatmeal Cake
 1 cup oats (quick)
 1 1/4 c. boiling water over oats set for 20 minutes.
 1 stick oleo
 1 cup white sugar
 1 cup brown sugar
 2 well-beaten eggs
 1 tsp. soda
 1 tsp. vanilla
 1 tsp. cinnamon
 1/2 tsp. salt
 1 1/2 cup flour
 Bake in a 350 degree oven for 30 min. Pan 13 x 9 1/2 x 2.
 Icing
 1 cup brown sugar
 4 tbs. oleo or butter, crum-bled (1/2 stick)
 1 cup coconut
 1/2 cup canned milk
 After cake is baked, sprin-kle mixture over cake and return it to oven to brown.

Mrs. Tracy suggests that 1/2 cup of walnuts may be added to the cake mixture or the frosting if desired.
 The enthusiastic and sunny dispositioned Mrs. Tracy has lived at her 900 Church St., home for the past 43 years. She has witnessed many changes and much progress in Plymouth during those years.

Membership in the Plym-outh Grange, Senior Citizens and the Phoenix Ford Girls Club keeps her active outside the home, between visits from her three great grandchild-ren, Harry, Jr., Billy Mi-chael, and two month old, Michelle.

Mrs. Joseph Tracy and great-granddaughter, Michelle

Sees State's Biggest Economic Gains in Southeastern Section

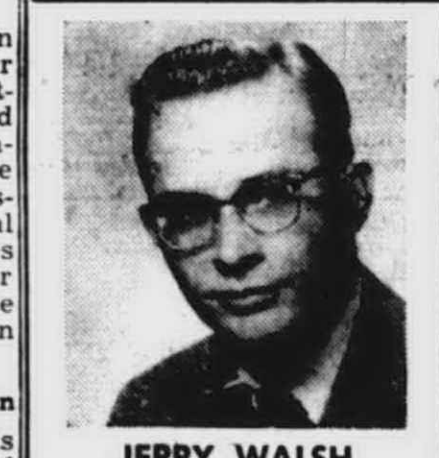

Wayne, Oakland and Ma-romb counties, comprising the Detroit Metropolitan area, will show the greatest ad-vance in the improved econ-omy forecast for Michigan this year, according to Dr. Paul A. Herbert, chief of the research division of the Mich-igan Economic Development Department.
 In predicting a marked gain in the state's economy for 1962, which will be greater during the first six months, Dr. Herbert said the Detroit Metropolitan area will show the greatest increase relative-ly in comparison with other regions of the state.
 As only about 16 per cent of industrial employment is in the non-durable goods indus-try, most of the improvement that will occur is due to the upsurge this year in the fluctu-ating automotive industry, which has its greatest impact in the Detroit and South-eastern Michigan areas. How-ever, it will not be sufficient to eliminate the unemploy-ment problem.

probably decrease and the unemployment rate remain higher than the average for the state.
Northern Lower Peninsula
 The level of the economy in the northern part of the lower peninsula will improve slight-ly during 1962. There should be a small increase in em-ployment, specifically, in the service, public and wood-us-ing industries. No material changes in other industries are foreseen and the labor force should remain about the same with some decrease in unemployment.

Southwestern Lower Michigan
 This region will continue its steady growth. Less affected by the recent recession, the relative improvement in its economy, therefore, will not appear as rapid statistically. The non-durable goods indus-tries, that are more impor-tant here than elsewhere in Michigan, should all record gain.

Southeastern Michigan
 This region should show marked improvement during 1962. While much will be of a cyclic nature, some will be permanent. This region's economy is still largely de-pendent upon the production of durable goods.

permanent. This region's economy is still largely de-pendent upon the production of durable goods.

YOUR MONEY BUYS MORE IN A REAL DRUG STORE

Serving Plymouth with Over "55 Years of Continued Service"

The Beyer Rexall Drug Store in your neighborhood is both owned and managed by a registered pharmacist. The ethics of our profession guide all our business endeavors. We are the trusted partner of your family physician — and our idea of service is not limited either by store hours or dollar signs. The products in our store are chosen against the background of our pharmaceutical knowledge and training, and your satisfaction with them is of personal concern to us. For we and our store are part of your community. Our hopes and our future are tied to yours. These are some of the reasons why your money buys more in a real drug store — more value, more selection, more professional and personalized service. And the products on this page are typical of the modern quality and variety you can find in a real drug store... in this case, your Beyer Rexall Stores where satisfaction is guaranteed or your money back.

FIRST RECIPIENT of the Plymouth Lions Club's scholarship is Sue Horvath, a 1960 graduate of Plymouth High School. The scholarship is for those who will be teaching the visually handicapped. Lions Club members, sitting, from left, are Walter Drummond, Dr. R. R. Barber and Richard Stribley, scholarship committee members. Standing are Marshall North, Lions Club president, and Robert Smith, High School assistant principal in charge of scholarships.

Lions Establish Scholarship For Students Who Will Teach Blind

When Sue Horvath graduated from Plymouth High School in 1960 and headed for college, she had decided that she wanted to be a kindergarten teacher.

"But then I decided I wanted to do a little more than just be a teacher. Somehow I was interested in the blind and I visited the School for the Blind in Lansing," she recalled.

Now, Sue is majoring in special education for the blind at Eastern Michigan University and is the recipient of the Plymouth Lions Club's first scholarship for those interested in teaching the visually handicapped.

Sue, the daughter of Mr. and Mrs. Elmer Horvath, 42767 Phoenix Ct., is now a sophomore at Eastern. She received the scholarship during the past semester and was again the recipient this semester.

The Plymouth Lions Club Scholarship is to encourage talented college students to follow the teaching profession, specializing in the teaching and training of visually handicapped. Money for the scholarship comes from such activities as the club's sponsorship of the gram in this series. The fourth program in this series is this Saturday night.

Serving on the club's scholarship committee are Richard Stribley, Dr. R. R. Barber and Walt Drummond. They work in cooperation with Robert Smith, high school assistant principal, in selecting the student.

Candidates for the scholarship must be residents of the Plymouth Community School District or a Plymouth High graduate and must complete at least the freshman year of college with a 2.4 minimum scholastic average.

The scholarship amounts to \$100 per semester and there is a limit of two semesters per year to one recipient. Recipients are eligible for consideration for renewal of the

Society, Eastern's oldest honor sorority. She is minor in sociology and mixed arts.

Sue has a brother, Michael, and a sister, Linda, attending Plymouth High and a sister, Sherry of pre-school age.

Students interested in this scholarship should contact Mr. Smith.

chosen line of work after graduation. Failure to comply with the committee points out, executes a moral obligation to repay the amount of the scholarship.

At Eastern Michigan, Sue has an over-all average of 3.3, which is a B-plus. She is a member of Sigma Kappa, social sorority, and Stoic

Pastor Leaves Next Week For Alaska Mission Work

The Reverend Melbourne I. Johnson, D.D., pastor of First Methodist Church, will leave Willow Run Airport next Wednesday, (Feb. 21) for the first leg of a trip that will take him to Alaska for an evangelistic mission.

He was one of 29 Methodist leaders from 14 states selected to conduct the evangelistic mission in the 49th state from Feb. 25 to March 4. The mission is sponsored by the general boards of evangelism and missions of the Methodist Church.

Reverend Johnson will spend two and a half days in Seattle for orientation along with the other members of the party. In Alaska, the group will divide up and Reverend Johnson has learned that he will be assigned to the Seward area.

The mission will concentrate on visitation evangelism, said the Reverend Gordon Pratt Baker, Nashville, director of the mission and director of the Department of Tidings Evangelistic Literature of the General Board of Evangelism. Present membership of The Methodist Church in Alaska is about 3,200.

Of the 29 leaders making the trip, 26 are ministers and three are laymen. The only other pastor from Michigan in the group is the Reverend Harold Dakin of Fowlerville.

During Reverend Johnson's absence, services will be in charge of the Reverend Charles Bayless, minister of visitation.

Reverend Johnson's trip is being financed by gifts donated by members of the congregation and other friends.

2 MONEY-SAVING REASONS WHY YOU SHOULD BUY AN ELECTRIC DRYER NOW

Free Service! Buy an electric clothes dryer and you save money—Edison repairs or replaces electrical operating parts without charge for either parts or labor. That means no worrisome hunting for a qualified appliance repairman, too. A well-trained, courteous Edison repairman is just a phone call away. This service takes effect after the dryer maker's regular warranty expires.

Special Installed Price! Buy an electric dryer now and the price will include installation. This money-saver, available for a limited time, covers standard wiring (one 220-volt dryer circuit), when the dryer's installed on Detroit Edison lines in any dwelling up to and including a 4-family residence.

There's a wide range of well-known electric dryer makes and models to choose from—now, while the price includes the wiring installation. You are sure to find what you want at your favorite appliance dealer's... but make sure it's electric!

DETROIT EDISON

MEMBERS OF Evanteen, a miniature Junior Achievement company sponsored by Evans Products Co. in Plymouth, are shown touring the Evans plant during JA Week recently. The students who attended Northville, Plymouth and Livonia High Schools saw first-hand how Evans produces bicycles, railroad locomotive equipment, bus and truck heaters, and other products manufactured by the Plymouth firm. Evans J.A. advisors shown with students at rear are: Stephen Carr, Carl Girard and Herb Rolfe.

The Professor Sez... By Ed Brown

Last week I left you in Ottawa, Canada. This is the capital of our northern neighbor, so all the governmental buildings are located here. Everyone who visits this city should see the "Changing of the Guard" — a spectacle that attracts thousands each day during the summer months. We snapped much of the 45-minute ceremony in color, and enjoy looking at this film quite often.

At 10 o'clock every morning a bugle is sounded signifying the beginning of the colorful event. Then, in order, come the Standard Bearers, the Scotch kilts brigade, the Royal Mounted Police and the new Guard — everything occurring in a precision-like manner. I understand this is similar to the Guard Change at Buckingham Palace in England.

From Ottawa we dashed down to Lake Champlain and a campsite in the beautiful lake country of Vermont. I did not realize that our northern boundary is only 50 miles from Montreal — our next stop.

No camping could be found near the city, so we put our camping trailer up in a city trailer court. We then set out to see this historic city. We visited the St. Joseph Cathedral, one of the largest churches in Canada. We also saw the 20-acre Botanical Gardens containing all kinds of flowers and plants.

We found the residents of Montreal very friendly and helpful — often offering assistance in directions, and in many other ways, without being asked.

The next place on this tour was the picturesque city of Quebec. However, in contrast to the Montreal citizens, the inhabitants here were quite unfriendly, and at times even acted hostile, as though the tourists were intruders.

We saw the famous boardwalk, a mile-long meeting place in the heart of town along the St. Lawrence River. Here, we could see the ocean ships not far from shore, as they were either entering the river from the ocean, or leaving for foreign shores. It is very interesting watching people from all over the country meet here, and usually there are more than a thousand — especially at night when that figure is exceeded many times.

The city itself is built at four levels on a very steep hill. We went up to the fort atop the high bluff overlooking the city — the one the English forced the French to abandon in the famous Plains of Abraham battle. Apparently Nova Scotia is much the same, and in both places, most houses have shingles on the sides as well as the roof. We found the reason for this was because of the strong winds, lashing rains, and gales which sweep across these Maritime Islands.

Notice of Public Hearing
On A Proposed Amendment To The Plymouth Township Zoning Ordinance
Wayne County, Michigan
NOTICE IS HEREBY GIVEN that a Public Hearing on a proposed amendment to the map of the Zoning Ordinance for the Township of Plymouth will be held February 21, 1962, at 8:00 o'clock p.m., eastern standard time at the Plymouth Township Hall, located at 42350 Ann Arbor Road.
The petitioned map change proposed a change from R-1, single family residential district to P.O. Professional office district for lots 4 and 5 of Palmer Acres Subdivision, said lots lying at the northwest corner of South Main Street and Marlin.
NOTICE IS FURTHER GIVEN that the proposed amendment to the zoning map may be examined at the Township Hall, 42350 Ann Arbor Road from 9:00 a.m. to 5:00 p.m. each day Monday through Friday, and on Saturday morning until the date of the Public Hearing.

Visiting Nurses Provided Care for 40 Here Last Year

The Visiting Nurse Association, a Plymouth Community Fund Drive service, provided care for 34 cases in Plymouth, and six in Plymouth Township during 1961, its members reported at the organization's annual meeting in Detroit on Feb. 1.

The Visiting Nurse Association provides nursing, physical, occupational, diet therapy and home aide in Detroit and the populous sections of Wayne, Oakland, and Macomb Counties. It serves an area having a population of 3,500,000 or 92 per cent of the total population of the three counties.

Any patient in need of Visiting Nurse service is eligible if he is under medical direction and lives within the area. Fees are charged for these services in full or part, based on \$6 per hour for professional services, and \$1.50 per hour for home aide services. Torch Drive funds make it possible, however, for this service to reach all who need it, regardless of ability to pay.

Altogether, 15,438 patients received nursing service from the VNA during 1961. Another 2,000 patients received nutrition service; 3,000 physical therapy; 170 occupational therapy; 285 home aide ser-

Fashion Parade At Lofy's Feb. 22

A preview of new spring fashions can be seen on Thursday, Feb. 22 at 7:30 p.m. when the Garden City-Ridgewood Osteopathic Hospital Auxiliary presents "What's New For '62." Fashions will be by Toy Bari of Dearborn. The show will be held at Lofy's Arbor-Lil.

From Canada we went down to Bar Harbor, Maine — a truly wonderful place, and then down to Cape Cod and Plymouth, Mass., on to New York City, Niagara Falls and home through Canada. This is a gem of a trip for two or three weeks. When the camping season nears this summer I'll tell you what is necessary for such a trip, and about how much it should cost.

(Because of the length of this article the "What Ever Happened To" personality has been omitted this week — I'll have two or three in some other time.)

PLYMOUTH OPEN SATURDAY AFTERNOONS

The French have never forgotten it since their attitude toward Englishmen today is a very cordial one. Leaving Quebec we traveled north along the St. Lawrence River until we came to the point where the river nears the ocean. This is the real beginning of the Gaspé Peninsula — a very quaint old fashioned countryside that has not changed much since the 1800's.

The French people here have maintained the French tradition and way of life, even to the extent that only French is spoken and taught in the village schools. Lonely French tri-color flags fly from the public flagpoles. It is well that a traveler know some French for all the newspapers are printed in that language, and all radio broadcasts are in French. Even the restaurant menus are in French, and the waitresses speak only the one language. Those who spoke some English were the gas station owners and most of the businessmen. All camping facilities, if any, were in connection with a gas station.

The farmers here still use the old-fashioned dump rake for haying, which is the principle crop, and other primitive farm machinery. There are no cars or tractors — the two-wheel cart being the only mode of transportation.

The women bake bread in brick ovens located along the highway — yum, a warm loaf of bread covered with melted butter! The old men, and the young boys, are great whittlers, and make boats, and other fancy knick-knacks, that they sell to tourists at high prices. The other menfolk are lobster fishermen, and one can see (and smell) the lobster crates and nets as he drives through the villages.

All these villages seem to have many churches. The land is very high and as one travels toward a village, and descends a steep hill, he can see the many steeples in the village. It is indeed a breathtaking sight!

Finally we heard an English program on our car radio, and knew we must be approaching New Brunswick and Prince Edward Island. This latter province is a beautiful island of hills, valleys, and pretty farms. When one here, one can see the patches of green fields, farm buildings and winding roads for miles.

Marvelous comfort
The remarkable new comfort that is built into the 1962 Cadillac is a delight even to long-time Cadillac owners. And it's an even more marvelous experience to those who are learning the luxury of the "car of cars" for the first time. Nowhere in motordom are seats more buoyant... space more generous... handling so satisfying... or roads so smooth. Your Cadillac dealer will be pleased and proud to arrange the luxury drive of your life. It will be worth your time for the revelation alone.

Junior Rocks Push Past .500

Plymouth's junior varsity basketball team climbed back above the .500 mark last Friday evening with a narrow, nerve-tangling 40-39 victory over Bentley's JayVees.

The Junior Rocks now are 7-6 for the season.

Plymouth came from behind in the last three minutes to win this one. Caleb Luitbrand took down his own rebound and then scored on a smooth jump shot with less than a minute remaining.

A furtive last-ditch effort by the Bentley cagers fell short, although they did score a free throw.

Plymouth fashioned a 10-6 advantage in the opening period, but fell behind before half-time as Bentley surged into a 24-21 lead.

The score was tied 34-34 at the start of the last quarter and Plymouth stayed close enough for seven minutes to strike decisively in the final moments.

Jerry Kisabeth paced Plymouth's second-half rally. He scored 12 points in the last two quarters and wound up with 13 for the night, high for Plymouth. Doug Sutherland added 10, including eight free throws. Luitbrand contributed nine, but the most important of which was his last field goal that won it for Plymouth.

Recreation Basketball

With Ken Kisabeth paving the way, Cloverdale last week smothered the Plymouth Independents, 90-48, in the local men's recreation basketball league.

Kisabeth poured in 43 points for a season's high individual performance in the conference. Myron Hopper added 16. For the losers, Bill Lovett had 20 and Bob Carr 13.

It was Cloverdale's third win of the winter and kept the team in second place. In other men's league action last week, Tait's Cleaners edged Blunk's Inc., 40-38. Louis Poteau and Pat Robinson paced the winners with 12 and 10 points respectively. Jim Purcell had 16 for the losers.

The standings:

Burroughs	4	0
Cloverdale	3	1
Tait's	2	2
Ply. Independents	1	3
Blunk's	0	4

In the 18-and-under conference, the Shamrocks defeated the Midgets, 48-13, with Tony Hunt scoring 14 points for the winners. The Rebels downed the Wayne County Training School Red Birds, 43-11, in other action. Del Robertson was high for the Rebels with 18.

The standings:

Shamrocks	5	0
Rebels	3	2
Red Birds	2	3
Midgets	1	4

Rocks Eye 85th Dual Meet Win

Rapidly nearing the end of the 1961-62 varsity swimming schedule, Plymouth appears certain to gain its 85th dual meet victory before the season draws to a close.

In 11 years — since swimming was added to the Plymouth sports agenda — the Rocks have assembled a record of 84 victories, 24 losses and two ties under the tutelage of John McFall.

No. 84 was collected last week as Plymouth administered a 60-45 defeat of Livonia-Bentley. Two more dual meets remain on the current schedule, prior to the league and state meets in March.

There is a reasonable doubt, however, as to whether Plymouth can capture No. 85 this week.

The Rocks' opponent tomorrow afternoon here at 4 p.m. will be Trenton which earlier in the winter (Jan. 11) edged Plymouth 53-52.

But none-the-less, the Rocks remain confident that No. 85 will not escape them this year.

Redford Union, an easy win for Plymouth in the first meeting between the two teams, will assist the Rocks in bringing down the curtain on the dual-meet card on Feb. 22.

For victory No. 84, McFall found it rather easy going. Plymouth jumped off to a 6-3 lead after Dick Michaels won the 400-yard free in 4:28.5. Bentley tied it at 9-9 with a first and second in the 50-yard free, but the Rocks stepped out

in front again with Dick Taylor's win in the 100-yard butterfly.

From there, Plymouth built steadily and surely and put the decision out of Bentley's reach with a win in the 200-yard medley relay, second from the last event.

It was Plymouth's ninth victory this winter opposed to four losses.

(Earlier last week, Royal Oak Kimball handed the Rocks their fourth loss, a 54-51 setback.)

Against Bentley, it was Michaels who once more paced Plymouth's scoring. He supplied 10 points to the winning effort with two firsts, one in the 400-yard free and the other in the 200-yard individual medley. He didn't swim in

his specialty, the 100-yard back-stroke, but it didn't matter since Tom Hoffman won that at 1:04.0.

Michaels upped his season's point total to 121, leading Plymouth in that department.

Gary Gould, who won the 100-yard free in :54.2 and worked a leg on the winning 200-yard medley relay team, added seven more points to his total. He's second in individual scoring for Plymouth with 111 at present.

Points for Plymouth were accounted for by: Michaels, first, and Dick Alford, third, in the 400-yard free; Win Schrader, second, in the 50-yard free; Dick Taylor, first, in the 100-yard butterfly; Hoffman, first, and George Gardner, third, in the 100-yard back-stroke;

Phil Bender, first, and Dave Agnew, third, in the 100-yard breast-stroke; Gould, first, and John Wolfe, third, in the 100-yard free; Mark Schultheiss, first, and Wayne Stephenson, second, in diving;

Michaels, first, and Barry Corwin, third, in the 200-yard individual medley; Alford, second, and Tom Blunk, third, in the 200-yard free.

Plymouth won the 200-yard medley relay in 1:50.2 as Hoffman, Bender, Gould and Dave Beglinger served ably. Rick Malboeuf, Ken Fischer, Tom Larson and Schultheiss finished second in the 200-yard freestyle relay, the final event of the meet.

Points for Plymouth were accounted for by: Michaels, first, and Dick Alford, third, in the 400-yard free; Win Schrader, second, in the 50-yard free; Dick Taylor, first, in the 100-yard butterfly; Hoffman, first, and George Gardner, third, in the 100-yard back-stroke;

Phil Bender, first, and Dave Agnew, third, in the 100-yard breast-stroke; Gould, first, and John Wolfe, third, in the 100-yard free; Mark Schultheiss, first, and Wayne Stephenson, second, in diving;

Michaels, first, and Barry Corwin, third, in the 200-yard individual medley; Alford, second, and Tom Blunk, third, in the 200-yard free.

VFW Royals Advance In Hockey Tourney

The VFW Royals, champions of the midget division in the Nankin Twp. recreation hockey conference, advanced through the first round of tournament play last week with a 3-1 victory over Birmingham.

The game, played in Birmingham, was the opening round of the Michigan District Amateur Hockey Assn. The Royals, in the second round, will meet St. Clair Shores on Saturday afternoon at 2 p.m. at the Hockey Arena in Windsor, Ont.

Against Birmingham, the Royals called on the scoring of Pat Hunt, Tom Lockwood and Skip Otwell, each of whom got one goal. Winning goalie Dave Troutman made 18 saves.

Elsewhere in tournament play, the Plymouth Blackhawks, champs of the Nankin juvenile division, were rapidly ousted from further tournament competition after a 10-1 loss to Port Huron. The game was played in Sarnia, Ont.

McAllister, with a slap shot in the second period, averted a shut-out for Plymouth.

Meanwhile in local league play-off games, the VFW T-Birds, of the Nankin bantam division, defeated the Nankin Rams, 4-2, as Jim Elias and Jim Ennis each scored twice. Jim LaBlanc made 10 saves.

Later the T-Birds lost to the Nankin Lions, 4-2. Jim Ennis and Denny Shelley each scored single goals and LaBlanc made 14 saves. In the midget division, the VFW Royals beat the Nankin Rockets, 3-2, with Tom Lockwood, Dale Tonkovich and Larry Oldford each sharing in the Plymouth scoring.

In the juvenile division, the Blackhawks dumped the Nankin Hotshots, 8-0, behind Jim Gavigan's three-goal "hat-trick."

In the senior division of the Garden City conference, Plymouth edged Garden City Bel-Temp, 4-3, with Dick Sharland, Jerry Kolak, Denny

Hanks and Bill Hawkins each scoring singles. Kent Stanbury was busy in the nets, as he made 31 saves.

Plymouth Bowl To Open in May

The 32-lane Plymouth Bowl, slated to open at 40475 Plymouth Road sometime in May, will feature a lounge, grille and billiard area in addition to its extensive bowling facilities.

The new bowling establishment is situated near the corner of Plymouth Road and Eckles Road.

Already, the officers of the establishment are arranging league bowling schedules.

Along with 32-lanes, the Plymouth Bowl will feature automatic pin-setting machines. All bowling equipment is scheduled for installation during April.

The interior decor of the bar-lounge and grille areas has been styled to match the modern complements of the entire building. Roth & Son Engineers are the builders.

Eskimos Bow, Miss Out On League Title

The Plymouth Eskimos bantam hockey team dropped into second place in the final standings last week when the Nankin Lions upended the locals, 3-1.

It earned the Lions the divisional title on the strength of a five-win, one-loss record, while the Eskimos finished a notch behind with a 4-2 mark.

The two teams had been tied, both with 4-1 records, prior to the contest, on Tuesday of last week.

Ken Wilkins scored the lone goal for Plymouth. Losing goalie was Joe Whitman. It was his second loss of the season. He has given up only seven goals in six league games. Whitman made more than 25 saves over the course of the contest, but let three slip past him.

In play-off games this past weekend, the Eskimos lost 4-3 to the same Nankin Lions and then managed a 2-2 tie with the Nankin Rams. John Price, Joe Herter and Wilkins scored against the Lions, while Wilkins and Dale Crawford each gained one goal apiece in the deadlock with the Nankin Rams.

The final standings in the Nankin Twp. bantam hockey division:

Lions	5	1
Eskimos	4	2
VFW T-Birds	2	4
Rams	0	6

Jim Lake scored 11 points for Plymouth to pace the Rocks' attack. Dave Tidwell had seven, while Gary Grady and Jeff Thomas each had had six. Roy Chappel and Don Cranford added five apiece, and John Hanulla and John Daniels each scored two points.

Cagers Defeat Bentley, 43-33; First Time in Five Years

Plymouth's varsity cagers stood absolutely still for eight straight minutes of the second quarter last Friday night against Bentley High but then exploded for 34 points in the last half and pinned a 43-33 loss on the visiting Bulldogs.

It was a sweet victory for the Rocks who had not beaten the Bentley cagers in nearly five full seasons. But for the duration of the second quarter, it looked as if Plymouth was doomed to its 10th loss of the winter and its seventh in league play.

The Rocks claimed a 7-3 edge in the early minutes of the game but slipped behind 11-9 as the second period got underway. And then, suddenly, the roof fell in on Plymouth's offense, which had functioned only so-so in the first quarter.

Unable to buy a basket for eight consecutive minutes, Plymouth slipped further behind arch-rival Bentley and at the intermission trailed 18-9. Only Livonia's own ineffectiveness prevented the gap from being wider.

During the entire first half, Plymouth hit on a scant three of 30 field goal attempts and added just three of 11 free throws. It was a dismal performance for 16 minutes.

But from the very first moments of the third period, Plymouth participants could sense a change. The Rocks tightened their own defenses and suddenly were able to solve Bentley's close-knit defensive tactics.

Dick Schryer's three-point play late in the quarter brought Plymouth up to within two points and then Tom Lock scored following a scramble under the Bentley boards.

It tied the score at 23-23 and moments later Schryer added another basket and a free throw to put Plymouth into a lead it never lost.

After moving to a 28-24 margin as the third period drew to a close, the Rocks — in the fourth quarter — won going away. They scored 15 points to Bentley's nine.

SPORTSEEN

By Jerome O'Neil

Plymouth fans, coaches and basketball players rose up like an attacking army last Friday night and treated themselves to some well-deserved moments of breath-taking exuberance after the Rocks had snapped a four-game losing streak.

And well they might. The Plymouth cagers staged an inspiring second-half rally and impressed a 43-33 defeat upon visiting Livonia-Bentley High, arch-rival from the east.

It was the first time in nearly five seasons that the Rocks had managed such an accomplishment.

That it was only Plymouth's fourth victory in 13 games this winter was forgotten in the wild uproar that followed the final buzzer.

Plymouth's cheerleaders, who had remained hopefully loyal throughout a dismal season, led local partisans in a giant count-down of the last 16 seconds of play, as the Rocks — on the floor — staved off Bentley's final feverish efforts.

And at 9:13 p.m. as the game came to a close, bedlam erupted. The playing floor sprouted joyful Plymouth spectators from the fast-emptying bleachers and Dan Stremick shook hands with the Bentley player who only moments before had body-checked him and sent him sprawling under the Plymouth basket.

It was what some might call a glorious few minutes and others may boldly predict that this is indicative of something better regarding Plymouth's basketball fortunes, which have been on the wane of late.

But, regardless, Plymouth enjoyed its pleasure Friday night to the fullest.

Jim Doyle, who led the Rocks to a 3-10 record last year and then relinquished the coaching duties to Charlie Ketterer this winter, allowed later in the coaches' office that Plymouth had never beaten Livonia during his four-year tenure (1957-61).

Ketterer, himself, nervously puffed on a life-giving cigarette in the crowded coaches' room and recalled, as he paced around the small office, that the Rocks last defeated Bentley in 1956-57.

By coincidence, Plymouth's coach then was Ketterer, too. He directed the Rocks' efforts for two seasons previous to Doyle's arrival.

Meanwhile, on the other side of the vast gymnasium building in the visitors' locker-room faces were more serious. It is always this way, somehow, among those who have just tasted defeat.

Bob Bentley, who as coach of the Livonia-Bentley cagers is far less accustomed to defeat than any of his counterparts around the league, walked through the dressing space, speaking to his players in consoling tones.

Before the game, Bentley, who surprisingly is shorter even than Charlie Ketterer, had noted that never during his stay at Livonia had Plymouth extracted a victory over the Bulldogs.

"Allen Park and Plymouth were the only two teams in the league who had never beaten us since I've been at Bentley," he remarked. "But Allen Park caught up with us last week (Friday, Feb. 2)."

And, as everyone present knew only too well, Plymouth also had broken Bentley's mystic spell moments earlier.

Bob Bentley was far from disconsolate as he reflected on his only defeat to the Rocks. He had oft treated Plymouth similarly. But now he will have no chance for revenge.

In the fall, when Livonia's second high school opens, Bentley will dispense with his coaching duties at Livonia-Bentley and will undertake a basketball-building program at the new institution, Franklin High.

Since Franklin will not be a Suburban Six member school, it will be seldom — if ever — that Bob Bentley and Plymouth confront one another again. The only possibilities will lie with a matching on a non-league basis or in the end-of-the-season play-offs. The chances are remote, either way.

Plymouth partisans will not particularly be morn this turn of events.

Five years between victories is a long, long time.

Young Pine Trees Placed On Sale

Approximately 9,000,000 of the Conservation Department's young pine trees are now on sale to private landowners as reforestation planting stock for this spring.

Available from the Department's nurseries are red and white pine seedlings and transplants, white spruce transplants, Austrian pine, jack pine seedlings, and Norway spruce transplants.

Red pine is best adapted to well-drained lands, sandy loams, and gravelly soils. It grows well with white or jack pine and is relatively free from disease and insect damage.

Jack pine is suited to light, dry sandy soils, but will grow on the better soils. It requires plenty of light. Valuable as a "filler" for white or red pine stands, it is used for pulpwood, cheap lumber, and erosion control.

Department stock may not be resold or otherwise used commercially with roots attached. Blanket orders are not accepted from agencies or organizations that intend to redistribute stock to landowners.

Official stock price lists and order blanks are available from the Department's forestry division in Lansing or locally at offices of district foresters and county extension agents.

Stock shipments are expected to start April 20 and continue through May 30. Weather conditions may, however, change this schedule somewhat.

JayVee Swimmers Win With Ease, 75-30

With an impressive 75-30 decision over Bentley's junior varsity swimmers last week, the Plymouth Jay-Vees boosted their season won-lost mark to 8-2.

The Junior Rocks have strengthened themselves considerably over the past two weeks, coach Tom Workman said. He commended his swimmers for their most recent success.

The Rocks earned first place ribbons in seven of the nine individual events against Bentley and added firsts in the two relays which close out a dual meet.

Five of the Plymouth swimmers combined talents to capture 35 points, seven a piece. They were Doug Breed, Dick Berry, Mike Drennan, Mark Keith and Dan Cook. Several other swimmers scored five points. Plymouth had no double winners.

Breed opened with a victory in the 400-yard freestyle and Berry, Drennan and Keith added first place finishes in the 50-yard free, 100-yard butterfly and 100-yard back-stroke respectively.

The Rocks slipped in the 100-yard breast-stroke, taking only a second there, but came back fast with three more firsts and then swept second and third in the 200-yard free.

The 200-yard medley relay team of Keith, Bob Williams, Drennan and Breed won in 2:08.5 and Cook, Bob Murdoch, Berry and Bob Meyers claimed the 200-yard freestyle relay in 1:50.1.

Scoring in individual events for Plymouth were:

Breed, first, and John Bowsman, third, in the 400-yard free; Berry, first, and Meyers, second, in the 50-yard free; Drennan, first, and Mike Britcher, second, in the 100-yard butterfly.

Keith, first, and Dan Olson, second, in the 100-yard back-stroke; Williams, second, in the 100-yard breast-stroke; Cook, first, and Murdoch, third, in the 100-yard free; Burt Qinn, first, and Chuck Ruge, second, in diving;

Jeff Hoffman, first, and Britcher, second, in the 200-yard individual medley; Dave LaPointe, second, and Doug Jaskierny, third, in the 200-yard freestyle.

Plymouth's junior varsity swimmers will close out their season next Wednesday, Feb. 21, against Redford Union here. The meet will begin at 4 p.m.

The PLYMOUTH MAIL Editorial Page Published Weekly by Mail Publishing Company \$4.00 per year in Plymouth \$5.00 elsewhere 271 S. Main Street GLenview 3-5500 Sterling Eaton, Publisher Entered as Second Class Matter under Act of Congress of March 3, 1879 in the U.S. Post Office at Plymouth, Michigan

It must be of mutual benefit... Certainly the locating of the Detroit Mutual Insurance Company with its home office at 333 Plymouth road has been a fine asset to our community. And... according to president Ray E. Larimer the company has just completed its most successful year since its incorporation. We're proud, and we know Detroit Mutual is, to announce that the Company now has assets of \$5,170,062 and insurance in force in the amount of \$73,523,612. For those residents who are not familiar with the company we will add that they specialize in Life, Accident and Health and Hospitalization insurance.

Our apology is offered to the many people who were unable to get a copy of The Plymouth Mail last week. Our circulation has been growing so fast that most of our retail outlets sold out early on the weekend and we were out of additional copies to replace their supply. Needless to say our press run has been increased again to keep pace with the demand and we'll try not to let it happen in the future.

There has been a group of hard working, interested people who have had, as their goal, the preserving of all early Plymouth historical records, mementos, antiques, etc. After some 14 years of effort the fruits of their labor will soon be made public for the residents and children of this area to enjoy. I am speaking of the Plymouth Historical Society which plans to open Plymouth's first Historical Museum during Michigan week early in May. We look forward to seeing the excellent collection they have made and only wish they might have a newer, more modern home in which to house their priceless possessions. However, the location next to the City Hall is a start and when the residents of this area actually see the results of their toil we believe someone or some group will help in providing a proper place for this institution.

City Manager Al Glassford unknowingly lightened our burden this week. Below is printed a copy of a letter received from him in the mail last weekend.

Dear Mr. Chips: Your article concerning the mausoleum in Riverside Cemetery and the Pettingill Trust Fund, apparently, has been misconstrued by some of our citizens. As a result, some of the City Commissioners have requested that I set the record straight.

Part of the William T. Pettingill's will reads as follows: "I hereby give, devise and bequeath all the rest, residue and remainder of my estate; 1/2 to the City of Plymouth to be added to their perpetual care fund, the income to be used for the purpose of providing flowers in the mausoleum and the balance for perpetual care of Riverside Cemetery."

The amount accepted by the City was \$12,642.56. It is now invested in \$13,000 par value bonds, which yield 4% interest. This income has been used for the beautification of the mausoleum, spending \$5 each week for a fresh bouquet, and in the wintertime, we provide a winter bouquet, because flowers would freeze otherwise. We use the extra monies that accumulate for planting tulips or tuberous begonias around the mausoleum.

The flowers were placed in a vase on the floor near the crypt of Mr. Pettingill, who is buried in a second tier crypt. Because of complaints of the flowers being on the floor in front of someone else's crypt, the City purchased, with the approval of the Cemetery Board, a Victorian styled marble-topped table and a new vase, which would better display the flowers. The kind of a table to present a problem. Summer furniture would not be appropriate, since the mausoleum is entirely marble, and a conventional wooden table would not fit in.

A transition involving the Victorian combination of wood with the marble top was deemed by one of the interior decorators, associated with a local furniture company, to be the best solution to the problem. A problem existed; a solution was decided upon. The table and the

Voice of the Mail

A Lesson for the Consumer

A bulletin received last week from the National Better Business Bureau has apparently ended the future soliciting in the City of Plymouth by the Holland Furnace Co. The bulletin declared that the furnace firm has been enjoined from making false representations in the State of Minnesota.

It was a year ago that Holland Furnace requested a permit to solicit business in the City of Plymouth from City Clerk Joseph Near. For several years, this company, which claims to be one of the nation's largest furnace makers, has been the subject of complaints at both City Hall and at the Chamber of Commerce. Around five years ago, permits held by several of the firm's Ann Arbor office employees were not renewed by the Board of Heating Examiners after a series of complaints.

Among the complaints heard both here and in Minnesota (and in other places) were that salesmen misrepresented themselves as "heating inspectors" with an official capacity, and that often an inspector would tear down a furnace and then refuse to put it back together, claiming that it was defective and dangerous. The householder then would allegedly have to resort to expensive repairs or installation of a new furnace. In Minnesota, the state failed to prove the dismantling charge, but the judge concluded that the sales methods constituted a public nuisance under Minnesota law and entered an order cancelling the

and I Quote "It would be extremely interesting if we could hear the reactions of our founding fathers to our nation's steady swing toward the welfare state. They would be ashamed of the way we have stewarded our priceless heritage." — Charles H. Warner, Brownston (Minn.) Bulletin. "Most of us follow a path that someone else beat out for us." — Edward J. Franca, Cavalier County (Langdon, N. D.) Republican.

CUPID'S HELPER

By Elmer E. White Michigan Press Association If parents know the facts about problems of higher education, the state will take the right steps to solve them. The decisions will then be based on sound information. That was the message of Dr. John A. Hannah, MSU president, to newspapers of the state at the annual convention of the Michigan Press Association. Dr. Hannah, also a Con-Con delegate, complimented newspapers on the outstanding job they are doing in relaying news of the convention to the public. HE INVITED editors to apply the same detailed coverage to the needs of college education so that the people of Michigan will be aware of the knotty situation. Most people do not realize, the educator pointed out, that right now, when colleges are jammed with students and refusing many applicants, the number of high school students has been on the down-grade. The baby boom that started at World War II's end won't hit the college level until 1964. Then the wave of students will really swamp colleges. Dr. Hannah urged newspapers to concern themselves with this problem; to stimulate interest about it in their communities. Facilities simply do not exist to care for the youngsters who will be coming along, he warned. If they are to come into being, the wheels will have to start to turn very soon, he stated. Problems of financing college education are among the most difficult facing legislators and there is a good deal of soul searching about how they should be solved. Rep. Lester J. Allen, rural Ithaca Republican, has proposed a "compulsory contribution" upon alumni of state supported institutions. He would require each student to sign a note before he graduated for \$1,200, payable over a 12 year period. "Tuition must be kept low if the principle of state-supported institutions is to be maintained," Allen said. "Now, too few alumni contribute to the continuing support of their alma mater." Disregarding the philosophical soundness of this idea, a tremendous factor against it involves the fact that students under 21 cannot legally make such commitments. This would automatically eliminate young people who wanted an education but whose parents would not or could not take on such obligation. MOBILE UNITS of the State Highway Department will soon bear a new emblem depicting the ability of the personnel driving the vehicles. State Police Commissioner Joseph A. Childs reports the American Red Cross has started issuing decals to be placed on the 428 State Police squad cars and 200 Highway Department trucks. The "Emergency First Aid" decals to be attached to the left rear of the vehicles indicates the personnel in the mobile units are fully qualified to offer expert help in emergencies. EVAN THOMPSON, Lansing representative for the Red Cross, said Michigan was the first state to get the special designating emblems for two agencies. "The Michigan State Police is the only state police or highway patrol unit in the United States whose members are 100 percent trained in first aid," he said. "The Highway Department is the first state unit of its kind, also, to qualify mobile units for this rating."

Michigan Mirror

College Financing a Knotty Affair

SECRETARY OF State branch offices in several sections of the state are again offering special "community service" on license plate sales. Before the March 1 deadline for the purchase of 1962 plates, some 171 communities will have been given the "doorstep" service which was initiated in 1958. The itinerant sales project carries a staff of a branch office to towns and villages which do not have a full-time auto licensing branch. "This program is made possible each year by the willingness of our fee managers to put in extra evening and weekend hours to bring license services to the outlying community instead of asking the people to drive extra miles to the branch office," said Secretary of State James M. Hare. The "one-night stands" are usually held in community halls, schools, churches, stores or garages. The fee manager providing the service does not receive anything extra for it, Hare said. Cost to the purchaser of the license is the same as if he bought the plates from a full-time office. READY ACCESS to a person's blood type can often mean the difference between the life or death of an accident victim, Secretary of State James M. Hare points out. Although there is no state law requiring it, Michigan driver's licenses have a line on the back where a motorist's blood type can be recorded. "During recent weeks, several doctors have suggested that licensed drivers should attempt to determine their blood type and record it on their driver's license," Hare said. The highest cathedral spire in the world, that at Salisbury in England, reaches 404 feet.

New low-cost luxury in two just-out Chevy II Nova sedans

• Luxury and low cost have never been more beautifully blended than in these two newest additions to the Chevy II line! Like their running mates—the Nova 400 Sport Coupe, Convertible and Station Wagon—they have the same more-for-your-money features that have made Chevy II the winner of Car Life magazine's Engineering Excellence Award for 1962. Soft-riding new Mono-Plate rear springs, proved in the equivalent of 2,000,000-plus test miles. Thrifty 6-cylinder engine that gets more "gilt" out of a gallon of regular. Body by Fisher roominess that fits big families and small parking places. An easy loading vacation-sized trunk. New ideas that save on upkeep. Plus trim, tasteful styling, inside and out. See the smart, sassy, saving Chevy II Novas—and the other sensibly sized, sensibly priced Chevy II models—at your Chevrolet dealer's. Chevy II Nova
