Thief Lifts Jewelry In Window

A thief threw a brick through the window of a Plymouth jewelry store early Saturday morning and scooped up \$945 worth of diamond rings and other jewelry, Plymouth police reported.

A police car was dispatched to Bluford Jewelers, 467 Forest Ave., at 5:24 a.m. Saturday after the store's burglar alarm sounded.

Arriving, police found that a brick had been thrown through the front plate glass window in front of the ring display. While one patrolman stood by, another hurriedly searched the area.

Behind Terry's Bakery in the Central Parking Lot, they found a man sitting in a car. The driver, a resident of Livonia, was taken to police headquarters for questioning but police were satisfied that he had nothing to do with the crime.

Thirteen women's diamond rings were taken, along with a pendant necklace and an assortment of wedding bands. The store placed a value of \$945.50 on the stolen goods. A county-wide teletype was sent out on the theft immediately.

THE WINNER! Clutching the trophy that will bear his name as 1962 winner of the Teen-Age Road-E-O is Jerry Grady, 17, son of Mr. and Mrs. James Grady, 5520 Gotfredson Rd. He will compete this Saturday at the State Road-E-O in Belding. He also won a \$50 savings bond.

25 Teen-Age Motorists In Jaycee Driving Contests

Seventeen-year-old Jerry Grady drove his way to a \$50 savings bond and toward a chance at even greater money last Sunday when he won the Plymouth Junior Chamber of Commerce's Teen-Age Road-E-O.

Held in the East Central Parking lot, 25 boys put cars through driving skill paces. First they had to drive down a straight line, then did some zig-zag driving both forward and backward. They were also required to make a sharp turn between a line of markers and finally to show

their stuff on backing into a parking spot.

There were 38 Plymouth High School students entering the Road-E-O, two of them girls. They first had to take a stiff written examination. Thirteen were eliminated, including the girls. This left 25 for Sunday's driving test.

Five new cars furnished by local automobile dealers were used. The young drivers had their choice of any of the five, which included a convertible and station wagon.

Judging the events were Director of Public Safety Kenneth Fisher, Jaycee President Terry West and two PHS driving instructors, William Green and James Doyle.

Contestants were scored 50 per cent on the written exam and 50 per cent on the driving test.

After two hours of competition Sunday afternoon, Jerry Grady was announced as the winner. For his effort he received a \$50 savings bond and his name on a trophy. Second place winner was Bill Hinote who was awarded a \$25 savings bond.

Jerry, a junior at PHS, is the son of Mr. and Mrs. James O. Grady, 5520 Gotfredson Rd. He was taught driving through a High School driver education course a year and a half ago.

This Saturday, Jerry will be accompanied by several Jaycees to the State Teen-Age Road-E-O in Belding where he will compete for even bigger stakes.

The Plymouth Assn. of Insurance Agents furnished prizes for the local contest. Co-chairmen of the event were Bob Klingler and Jim Borgstrom.

Hospital Honors 58 PHS Pupils

There will be 58 Plymouth High School students honored this Friday evening, June 1, at the Plymouth State Home and Training School for their participation in the institution's neurological organization project.

Community service awards will be presented and a movie featuring the students' work will be shown. Parents of the students have also been invited to attend.

The neurological organization work is a new approach to physical therapy with children suffering from brain damage. The students under the direction of Mr. George Andrews, physical therapist, have been working with a group of brain-damaged patients at the institution using the new methods which were developed at the Rehabilitation Institute in Philadelphia.

The project has been in progress for four months and the youthful volunteers have been going to the Plymouth institution seven days a week during this time.

Following is a list of those participating in the program: Zach Holmes, David Jaskierney, Eileen Ash, Robin Toll, Cathy Kropf, Frances Rudick, Douglas Keen, Lynn Thuer, Joan Mathews, Joni Whipple, Jill Atchinson, Jane Jaunina, Douglas Ellison, Jackie Dunne, Roger Wilhelm, Jim Schantz, Bob Rew, Steve Bullington, Michael Britcher, Ann Battle, Linda Robertson, Joyce Paddock, Vicki McCuaig, Jeri Taylor, Janet George, Jo Meckleburg, Jayne Mynat, Nancy Thompson.

Also, Carolyn Scott, Linda Lumakla, Bonnie Onusco, Lynn Condash, Sue Larkin. (Continued on Page 8)

STRAIGHTENING her husband's graduation cap is Mrs. Albert Glassford, who hasn't seen much of the City manager for the past five years.

Busy City Manager Among June Grads

Thirty-one years after he first enrolled in college, Plymouth City Manager Albert Glassford will don his cap and gown this month and will be presented a diploma at Wayne State University graduation exercises.

Self-supporting himself since he was 16, Glassford was unable to finish college when he first enrolled during the depression days. In 1937, he took up where he left off and by attending night classes for the past five years, he has earned enough credits to win his diploma.

His graduation will come only two months before his son Carl receives his diploma at the University of Michigan.

City Manager Glassford, who turned 51 two weeks ago, was recently the subject of a front page story in The Daily Collegian, the Wayne State student newspaper, because of his persistent efforts toward earning a diploma.

He was 16 years old when he got his first full-time job in the mailing room of the

Federal Reserve Bank in Detroit. He continued his studies at Western High School and after graduation enrolled at Wayne State with hopes of becoming an engineer.

Due to increased responsibilities of marriage, children and his job, Glassford dropped out of college in 1937 and two years later moved to Plymouth. He spent 13 years with the Federal Reserve Bank and was fiscal agency supervisor when he left the bank and became assistant purchasing agent for Wall Wire in Plymouth. From there he went to Kaiser-Frazer as an iron and steel buyer.

Fate started a change in careers when in 1943 he took on the job as the City's as-

Untagged Dogs Mean Trouble After Thursday

Despite a last-minute rush to purchase 1962 dog licenses, it looks like there will still be several hundred unlicensed dogs when the deadline arrives this Friday, June 1.

There were 186 dogs brought to the second and last Dog Clinic at City Hall last Saturday. The previous Saturday there were 145.

Both Plymouth Township and City will begin a search for unlicensed dogs starting June 1. The price of licenses goes up \$2 in the Township after that date and owners of all unlicensed dogs found will be issued a ticket. If they still fail to buy the new tag, they will be issued a court summons.

Police begin the house-to-house dog check in the City starting June 1. A ticket is written to owners of unlicensed dogs and the fine is \$5.

As of Tuesday, the Township has sold 615 licenses out of an estimated 1,000 dog population.

Announce Fund Drive Chairmen

Several division chairmen were announced this week for the 1962 Plymouth Community Fund.

General Chairman Albert Glassford announced that Thomas Notebaert, local real estate agent, has accepted the appointment as Business Division chairman.

Heading the Residential Division will be Mrs. R. R. Barber, wife of a Plymouth physician. Named chairman of the Advanced Gifts Division was Sterling Eaton, publisher of The Plymouth Mail.

PHS Art Exhibit

The annual art exhibit of Plymouth High School students will take place this Friday from 2:30 to 10 p.m. in the school auditorium. The public is invited to attend.

Board Gets Plea For Higher Pay

An appeal by school custodians through their union representative for a larger pay increase apparently will not bring results right away from the Board of Education.

Richard Ross, representative of the International Union of Operating Engineers, went before the Board at a special meeting Monday night to ask that custodians be granted a larger pay increase than the \$75 proposed. Ross represents 28 of the 34 school custodians and maintenance men.

Noting that the maintenance men received no pay increase last year, Ross declared that Plymouth "can't expect to lead the field, and it's not the worst system, but it's a long, long way from the best."

He said that the average pay is \$5,000 a year. Many of the men have taken special courses in boiler operation to improve themselves, Ross pointed out. He asserted that the present pay is woefully inadequate and that many of his men won't be able to afford to take advantage of the Blue Cross coverage offered by the Board because they will end up having to pay an additional \$50 from their pocket in addition to the \$75 raise.

Ross also pointed out that maintenance men work eight hours a day, 12 months a year, making it difficult to obtain jobs on the side such as teachers.

Board members countered that they attempted to have higher increases by asking for a 7 1/2 mill proposal, but this was turned down. Under (Continued on page 8)

Work Begins On New Subdivision On Sheldon Road

Excavation started last week for another subdivision, Park Lane Estates, located on Sheldon Rd. in Plymouth Township.

Developed by the Simkins Investment Co., the subdivision will have 31 lots containing homes in the \$26,000 to \$29,000 bracket.

Partners in the project are Arthur Bert and Albert Simkins, owners of Park Lane Homes, a firm that will build the homes. The subdivision is nearly across the road from the Park Lane Subdivision that the same firm started in the City several years ago.

Tri-level, bi-level and ranch model homes will be constructed for public inspection. Lots are between 90 and 100 feet wide, the builders said. An 86-foot wide boulevard will lead into the subdivision from Sheldon Rd. from which there will be several sidestreets with cul-de-sac endings.

150 Serenade Summer at Final Concert of Year

Plymouth High School's vocal music department will end the season this Friday when 150 singers present "Summer Serenade." The program of familiar songs will be directed by Fred Nelson.

Starting at 8 p.m., the program will be held in the school gym. Tickets can be purchased at the door for 25 cents.

Opening the program will be the Mixed Chorus with three songs: "When Morning Gilds the Skies"; "My Lord What a Morning"; and "Melodie D'Amour."

Following immediately will be the famed Triple Trios. They will sing "Maria"; "Romany Life"; and "Happy Days Are Here Again."

Close harmony will be heard when the Boys' Quartet sings "Mood Indigo" and "Yellow Bird."

A highlight of the evening will be Hollis Haynes singing (Continued on page 8)

Two Women Killed In Intersection Collision

PROCLAIMING NEXT WEEK as Community College Week in Plymouth area were officials of Canton and Plymouth Townships and the City. From left are Mrs. Richard Stanley, chairman of the College Citizens Committee in Plymouth; Mayor Robert Sincok; Plymouth Township Supervisor Roy Lindsay; and Mrs. John Moehle, a college trustee. Mrs. Stanley is holding an architect's sketch of the proposed college campus. Canton Supervisor Louis Stein was not available for the picture.

Important Election Nears

School District, College Push for Voter Approval

A proclamation naming next week "Community College Week" and a statement from a group of widely-known local citizens calling for approval of the Plymouth School District's millage proposal are the latest developments in the campaign leading up to the June 11 school election.

On the Monday, June 11, ballot will be three areas of consideration for voters — one where they must select two candidates for

It's Town Hall Monday!

It will be Town Hall time in Plymouth next Monday night (June 4) when the public is invited to become acquainted with the issues and the candidates involved in the June 11 balloting. It will start at 3 p.m. in the Junior High School.

The June 11 school election will offer some difficult choices for some voters. There will be six candidates for the Board of Education with only two vacancies available.

There will also be a proposal on the ballot concerning more millage to operate the Plymouth Community School system and two proposals regarding the Northwest Wayne County Community College.

All candidates have been invited to appear and representatives from the Plymouth Schools and Community College will be on hand to explain the proposals and to answer questions.

Sponsor of the Town Hall is the Junior Chamber of Commerce.

THESE THREE attractive young misses will be soloists at the choral program, "Summer Serenade," this Friday night at Plymouth High School. From left are Hollis Jean Haynes, Jacky Maxey and Faith Sue Rayerott.

Mrs. Trucks, Ivah Pint, Are Victims

Funeral services will be held Thursday and Friday for two widely-known Plymouth women, Mrs. Max (Sophia) Trucks and Mrs. Albert (Ivah) Pint, who were fatally injured Monday morning when their car was struck broadside at a Canton Township intersection.

The crash occurred at Warren and Ridge Roads where there are no stop signs.

The Sheriff's Road Patrol said that a Simca driven by Mrs. Pint was heading east on Warren Rd. when it was struck broadside by a Mercury being driven south on Ridge by Guy Bunney, 23, of 50495 Powell, Plymouth. Bunney said that his vision was blocked by an embankment. He and his wife, Patricia, were not hurt.

Mrs. Pint lived at 42445 Schoolcraft and Mrs. Trucks at 417 Pacific.

Relatives of the dead women believe they had been on a jaunt to hunt pine cones. Both were members of the Plymouth Branch of the National Farm and Garden Assn. Mrs. Pint was talented at making Christmas wreaths from pine cones (a story about this appeared in the Plymouth Mail last Christmas time).

No one apparently had knowledge that Mrs. Trucks had picked up Mrs. Trucks. Officers could find no identification on Mrs. Trucks. The two had been pronounced dead upon arrival at Wayne County General Hospital.

By mid-afternoon, friends began to piece together the fact that Mrs. Trucks was not home and may have been the one traveling with Mrs. Pint. Mr. Trucks, a plant protection officer at Burroughs, was at work and was not aware that his wife had gone away.

Friends found Mrs. Trucks' car in the driveway and a pot of coffee had boiled away in the kitchen. Mr. Trucks, waiting for his wife to pick him up at work, was taken to Wayne County General Hospital where he made the identification at 4 p.m. (Mr. Trucks is a frequent contributor of a feature appearing in The Mail, "The Corn Crib").

Mrs. Ivah Marie Pint, Rosary will be recited at 8:30 p.m. Thursday at the Schrader Funeral Home for Mrs. Ivah Pint, 58. Services will be conducted at 9:30 a.m. Friday by the Rev. Francis Byrne at Our Lady of Good Counsel Catholic Church. Entombment will be in Holy Sepulcher Mausoleum.

Born in West Liberty, Ia., she was the daughter of Edward and Margaret (Honey) White.

She is survived by her husband, Albert; a son, John Pint of Plymouth; five sisters, Mrs. Alice Stibal of Osage, Ia., Mrs. Margaret Nolan and Mrs. Regina Near of Riceville, Ia., and Miss Mildred White of Rogers, Ark. (Continued on page 8)

Dzendzel Is Memorial Day Speaker Here

State Senator Raymond Dzendzel will be the speaker at Wednesday's Memorial Day program, the program committee announced Monday.

Senator Dzendzel, a resident of Redford Township, is minority floor leader of the State Senate. He will speak at the Kellogg Park ceremony that starts after the parade.

A parade will move from the Kroger parking lot starting at 10. Preceding that at 9:30 a.m. will be the annual bridge ceremony when the Navy Mothers Club pays tribute to the Navy dead at the Plymouth Rd. bridge over the Middle Rouge River.

Pastor Clifford Has Heart Attack

The Rev. Patrick Clifford, pastor of Calvary Baptist Church, was rushed to St. Joseph's Mercy Hospital in Ann Arbor Tuesday morning. A physician reported that he had suffered a heart attack while at the church on Ann Arbor Trail.

There was no report at press time concerning his condition.

INSTALLATION OF new officers and welcoming of new members into the Business & Professional Women's Club took place last week at Hillside Inn. Incoming officers, from left, seated, are Peggy Pertola, treasurer; Mary Ellen Hosier, vice-president; Mae Beitner, president; Connie Aldrich, recording secretary; Joan Arjay, corresponding secretary. Back row: Ada Watson, installing officer; and new members Joanne Smith, Helen Gilbert, Margaret Wall, Mabel Luther, LaVerne Carpenter and Josephine Astle. Other new members not shown were Betty Korte, Helen Vincent, Mary Bender, June Geist and Mary Lengert.

Mrs. Neal Bowen Honored By Youth, Family and Church

Last Sunday evening the Senior High Fellowship of the First United Presbyterian Church presented a special "This Is Your Life" program in honor of Mrs. Neal Bowen of 1113 Penniman. Mrs. "B" as she is known to the youth, has worked with the Fellowship for nearly a decade. The program was a complete surprise to Mrs. Bowen, and consisted of a variety of personal appearances, slides and tape recordings.

Baby pictures were obtained from a sister in Cleveland, Mrs. Margaret Ganger, and these pictures were transposed into slides that proved most interesting for the group. A tape recording was received from her two sisters, Mrs. Ganger and Mrs. Strauss, both of Cleveland, which told of some of her activities during her youth. A tape was received from her son, Dave Bowen, who is in the Air Force and stationed near Seattle, Wash. Dave told of some of the pranks that he performed as a child. A tape was also received from her other son, Bob, who now lives in Hawaii and is a teacher there.

Several of Mrs. Bowen's Plymouth friends got together to make a tape to reminisce about several study groups which Mrs. Bowen helped to found in this community. A final tape was received from Dr. Ernest Ligon of the Charter Research Project of Union College in Schenectady, N.Y. On this tape the staff of the project extended personal greetings in word and song. Dr. Carter Davidson, president of Union College, also added some remarks on the tape.

Dr. Henry Walch of the Plymouth church, attended the program and spoke of the contribution that Mrs. Bowen has made to the life of the Plymouth church. Ken Risher, of the Youth Group, spoke on behalf of the present Fellowship membership and also read several letters that had been received from former Fellowship members. Doug Eder was master of ceremonies and provided an interesting and amusing narrative for the program.

A plaque was presented by the Fellowship to Mrs. Bowen in recognition of her leadership over the years. Also, a scroll of the names of the Fellowship members was presented to her. Following the program the entire group adjourned to a special worship service in the Chapel, which was led by John Augustine and Ken Fischer.

Upon returning to her home, Mrs. Bowen received a phone call from her father John Davie, who lives in Florida, who extended his congratulations.

There were over 125 youth and parents and friends who attended this special tribute, many of them stayed after the program to extend personal congratulations to Mrs. Bowen.

Observes Ascension Day with Services

The Ascension of the Lord Jesus will be celebrated at St. Peter's Lutheran Church, 1343 Penniman, in a Vesper Service on Ascension Day, Thursday, May 31, at 7:30 p.m.

The Junior Choir will sing the anthem. "The Ascended Lord Rules" will be the theme of the sermon by Pastor Norman Berg. Holy Communion will be celebrated in the 10:00 a.m. worship service on Sunday. The sermon theme will be "Good Stewards Give Glory to God." All of the children of the Lutheran Day School will join in the anthem, "There Is A Tender Shepherd".

The annual Woman's Study Club Picnic will be held at the home of Mrs. Arnold Heidt, 8654 Canton Center Rd., on Monday at 8:00 p.m. A business meeting and entertainment will follow at 7:30 p.m.

OES Highlights

Plymouth Chapter No. 115, Order of Eastern Star, will hold their next regular meeting, Tuesday, June 5 at 7:30 p.m.

Sunday June 3 is "Villa Day" at our Children's Home in Adrian, Mich. All members and their families are invited. Those planning to attend the picnic will meet at the Villa Children's Home at noon.

Each family will take their own picnic lunch and service. Beverage will be furnished at the Villa.

Also members are reminded that there will be an O.E.S. picnic at the park June 19.

The June 3 meeting and June 19 picnic will end our activities until the fall and consequently, this being our last news item, your Worthy Matron Wanda Durham and Worthy Patron Martin Jones take this opportunity of wishing for each of you a very pleasant and safe vacation.

We will be looking forward to seeing you next September. Happy vacation to all of you.

Mrs. Eric Bradner Introduced To Plymouth Women at Tea

The club women of Plymouth and Plymouth and Canton Townships, as well as the wives of city and township officials, turned out to meet Mrs. Eric Bradner, wife of the president of Northwest Wayne County Community College.

Decorations for the gala affair, held last week in the Dunning-Hough Library, were purple and white lilies interspersed with purple candles in silver candelabra. Each guest received a name tag in the shape of a colonial lamp to light your future with the Community College.

Mrs. Harold Fischer, Mrs. James O'Neil, Mrs. Charles Kirkpatrick and Mrs. L. Clarke Oldenburg, Mrs. Paul Mutnick and Mrs. Ward McCain were unable to attend. The tea also gave the women of the Plymouth School District an opportunity to become better acquainted

with Miss Lois Waterman, administrative assistant for the Community College. Members of the Citizens Committee and friends of the Community College planned the tea under the direction of Mrs. Jessie Latta and Mrs. Ralph Snoke, co-chairmen.

Senior Citizens Plan Pot Luck

The Senior Citizens of Plymouth were entertained by the Junior Jazz Band of Plymouth at their meeting in the Masonic Temple May 24. Mr. Livingston, the band leader, was introduced by President Mildred Higgins. Several selections were played by the group. There will be a pot-luck dinner May 31 at 12:30 p.m. A report from the sick committee and cards were followed by greetings for those who had birthdays in May. Light refreshments were served by the Committee. Mrs. Edith Sockow and Mr. and Mrs. Wilhelm were host and hostesses for the day.

Mr. and Mrs. Geoffrey L. Hubbell

Carpenter - Hubbell Repeat Vows at Evening Ceremony

Rev. Thomas W. Kirkman officiated at the evening ceremony that united Karen Rae Carpenter, daughter of Mr. and Mrs. John P. Carpenter of Royal Oak and Geoffrey L. Hubbell, son of Mr. and Mrs. Rodney L. Hubbell of 1304 W. Ann Arbor Tr., Plymouth, April 21 at the First Presbyterian Church of Royal Oak.

The bride, given in marriage by her father, wore a floor-length wedding gown of Chantilly lace. Her bouffant shoulder-length veil was secured by a rose headpiece and she carried a bouquet of white roses and cymbidium orchids.

Virginia L. Carpenter attended her sister as maid of honor dressed in an apricot peau de soie gown that featured a bell-shaped skirt. A cluster of roses and cymbidium orchids made up the bouquet she carried.

Another sister, Nancy J. Carpenter, and Sharon L. Carpenter, a cousin, served as bridesmaids. Their ensembles were identical to that of the maid of honor.

Robert K. Gillick of Plymouth was best man, while William Cowgill of Plymouth and Dave Miller, the groom's cousin from Lansing, seated the guests.

For her daughter's wedding, Mrs. Carpenter selected a navy blue sheath and a matching coat of linen. The groom's mother, Mrs. Hubbell, selected a taupe colored silk sheath. One hundred eighty guests attended the reception following the ceremony held in the Royal Oak Women's Club. They came from Detroit, Royal Oak, Plymouth, Lansing, Jackson, Howell, Chicago and Pennsylvania.

The new Mrs. Hubbell changed into a yellow and green plaid suit and matching accessories for their honeymoon trip to Washington, D.C. She is a graduate of Royerton N.S. in Muncie, Ind., and attended Ball State Teachers College and Ferris Institute.

Her husband is a 1955 Plymouth High School graduate and attended Eastern University and graduated from Ferris Institute in 1960. He is employed by the Standard Oil Company.

The couple will make their home in Royal Oak.

Methodist, Presbyterian Women To Hear U of M Pastor June 6

The Rev. Paul R. Dotson, director of the Protestant Foundation for International Students at the University of Michigan, will speak at a joint meeting of the Methodist and Presbyterian Women's Societies of Plymouth at the Methodist Church on Wednesday, June 6.

It will start at 1:30 p.m., preceded by a dessert at 12:30. Nursery care will be provided.

Rev. Dotson is a graduate of Manchester College, Ind.; McCormick Theological Seminary, Chicago; Union Theological Seminary and Columbia University in New York. He has served extensively in the Philippines and Lebanon. His present work is to serve the approximately 1,600 students from overseas studying at the university this year.

Epiphany Lutherans Will Lay Cornerstone for New Church

The Evangelical Lutheran Church of the Epiphany will lay the cornerstone for its new, first building unit on Sunday, June 3, at 11 a.m. Following the cornerstone laying ceremony, the congregation will enter the new unit for its first worship service in the new unit, a service of Holy Communion.

Participating in the cornerstone laying will be Robert Robinson, assistant to the president of the Michigan Synod of the United Lutheran Church in America, and the pastor of Epiphany, the Rev. John W. Miller. Invited to participate in the service of Holy Communion is the Rev. Charles Holland of Dayton, O., who was the mission developer and first pastor of Epiphany.

Guests of honor at the services will include James Morrison, the architect for the building and Garfield Laity, representing the Trowell Construction Co. who constructed the unit.

The new church building is located on Five Mile Rd., between Robinwood and Hagerly.

Two servings have been scheduled for 5 p.m. and 6 p.m. Tickets at \$1.75 (adult) and \$1 for children under 12, may be purchased in advance by calling Mrs. Donald Vanderveen at GL 3-8386 or secured at the door of the Parish Hall on the evening of the dinner for \$2.

Chairman for this year's dinner is Mrs. Jonathan Goldsmith and her assistant Mrs. Gustave Phillips.

Mrs. George Romney Visits 17th District

The Republican Women's Council of the 17th District is sponsoring a "Say Hello to Mrs. Romney" luncheon Thursday, June 14 at 11:30 a.m. at Botsford Inn, 28000 Grand River.

Mrs. George Romney, bent on adding the feminine touch to her husband's pre-gubernatorial campaign says, "I am so looking forward to meeting and visiting with the many fine people who have been so gracious by inviting my husband and me to their communities."

The appearance of Mrs. Romney in the 17th District is only one of a score of such appearances. In the first phase of her Michigan tour, she will cover 21 southern Lower Peninsular counties by June 14.

Since there is only space for 400, reservations should be placed early. Tickets at \$2.50 per person may be secured by calling Mrs. Betty

Jacobus at GL 3-5543 or Mrs. Elyse Murphy at GL 3-0892.

Mrs. Romney will begin the second half of her visits with Michigan women sometime in July.

Church Observes Ascension Day

Ascension Day, which falls on Thursday May 31, when the Church commemorates the return of Jesus Christ to heaven, will be observed in St. John's Episcopal Church, 574 South Sheldon Rd. There will be three celebrations of the Holy Communion at 8:30 and 10 in the morning and at 7:30 in the evening.

The evening service will be a choral service with the Senior and Junior Choirs in attendance.

Professor Sez . . .
by Ed Brown

Sometimes I think we are becoming a society of conformists and apathetic followers and it alarms me no end. Too many people are taking the line of least resistance, and seem willing to go along with anything in vogue at the time whether it be mode of dress, hairdos, dances, teen-age lingo or an absurd idea.

The "bugged" free-thinking individual is becoming harder and harder to find each year — the one who will stand up for certain principles and moral issues regardless of what others may think. We are becoming lazy individuals, and find it much easier to go along with the crowd and let others set the pace.

I believe the pattern has been helped along consider-ably by methods used in our educational system, our industrial structures, and our society in general. To a certain degree a person conforms or else he is an outcast — ostracized and perhaps even branded as being disloyal if his ideas clash with those of recognized influential leaders.

Many people do what soci-ety expects them to do just because it is "the thing" to do.

THERE ARE many young people today who begin doing things they know are morally wrong because the crowd they belong to think it OK. It is so important to select the right type of companions.

Many have fear of being criticized by others or are afraid of public opinion. Child-ren are afraid of being made fun of, or of being called "chicken." I have often told youngsters that it takes more courage to do what is right, than it does to take a line because someone calls them "chicken," or a dozen other names that kids think of and intimidate them into doing something wrong.

Certain persons who resist from doing some things they would like to do because some might mis-interpret their action even though it be an honorable and righteous one. In other words, they are afraid of public opin-ion and what harm gossips might do.

Personally, it does not bother me too much if others choose to think unkindly of me — providing I, and my Maker, know that the facts are morally right.

OTHER WAYS of people going along with an idea without much logical thinking on the entire subject, such as, some of the current ideas on education.

Certain influential leaders say education should do this or that — they may be qual-ified or not, and some may never have taught in a class-room — but certain people grasp certain things of what they have to say and the idea sweeps the country. However, such things do prove quite valuable in that they cause educators to re-evaluate the programs every few years to see if everything is in tune with the times.

Many of our politicians seem to conform in much the same way. They seem to vote in a block on vital issues whether they are good ones or not. Some have said that the difference between a politici-an and a statesman is this: a politician looks forward to the next election while a statesman looks forward to the next generation.

In the early days of our great country we had many statesmen who put the country above self, but as the years went by these courageous souls seem to have dwindled to a small number.

I do not want to get into politics so I'll stop right here and bring in our personality of the week.

What Ever Happened To . . .

Salem Township Fire Hall Gets 'New Look' with Roof

By C. W. Clair
CL 3-2610
Mrs. Stephen Carr of the Brookville Rd. area returned home from Germany where she had been visiting her mother. She came home on Wednesday, May 23. She became sick over there and shortened her stay with her mother. She was taken to the Ridgewood Hospital in Ypsilanti Thursday for surgery.

A memorial service was held at the Muelig Federal Home in Ann Arbor Thursday, May 24, for Arthur Gallup, 63. Mr. Gallup was Mrs. Ingall's brother. He was well known in Ann Arbor, having served on the city council for a long time, and at the time of his death he was a member of the Washtenaw County Board of Supervisors.

The Salem Fire Hall will have a new look. The Board has voted to have a new roof put on. In addition to that, I might add that the new guard rails have been put on the new culvert bridge on Chubb Rd. Now if we could get the people interested enough to pick up the papers that have been dropped by passing motorists, Salem could be classed as a clean village. That goes for the township too.

Mrs. Gertrude Orr from Texas has been spending a few days with her sister, Mrs. Opal Carr of Brookville Rd. Mrs. Orr is on her way to the Upper Peninsula where she has a cottage.

There will be a family gathering of the Rich family at the home of Burton Rich at Salem and Brookville Roads on Memorial Day. All of the family is expected to be there.

Mr. and Mrs. Jack Renwick of Angle Rd. left Saturday for Cadillac to spend the weekend with an aunt who lives there. They expected to be back home Sunday evening.

Mr. and Mrs. Howard Last of Napier Rd. are back home from a trip West. They left May 7 for Seattle to the Woodlands Park where they stayed two days, then made a tour of Oregon, the Glacier Park, the Yellowstone Park and other points of interest, wending their way back home along the northern route. Mrs. Last reports a fine time and some of the most beautiful scenery that she has ever seen.

Mrs. Curtis Hamilton is still in the women's division of the University Hospital. She is on the gain but as I am told it is a slow process. Perhaps she would like to receive cards from her friends.

Mr. and Mrs. Frank Win-

News In Brief

Mr. and Mrs. Douglas McCowan and family of Ypsilanti, Mrs. Curtis McCowan and infant daughter, of Plymouth and Mr. and Mrs. Kirkland McCowan of Detroit spent Sunday with their parents, Mr. and Mrs. W. H. McCowan on Ann St.

Mr. and Mrs. Kenneth L. Hulsing welcomed guests Saturday of Detroit friends at the DAC and afterward attended the Metropolitan Opera matinee performance, "Così fan Tutte" at the Masonic Temple.

Mrs. Elmer Berman, who had visited her daughter, Mrs. Wilford Den Houter and family on Ann St., the past few weeks, returned to her home in Rochester, N.Y., the fore part of last week.

Mr. and Mrs. Harry J. Christensen of Irving St. will be hosts to members of their pinocle club, Mr. and Mrs. George T. Bauer and Mr. and Mrs. Kenneth L. Hulsing, Saturday evening.

Mrs. Albert Pint of Schoolcraft Rd. entertained at a luncheon Tuesday for the ladies who assisted her on the Community Chest Drive recently. They were Mrs. Robert Hinkle, Mrs. Greive, Mrs. Elton McAllister, Mrs. Irving Wagner, Mrs. Edward Adams, Mrs. John Hyrb and Mrs. Andy Smith of this city.

Mrs. Ida Mae Bennett Woodall of Norfolk, Va., and Mrs. Marion Bennett Morrow of Cheboygan were recent guests of their mother, Mrs. Maud Bennett and sister and husband, Mr. and Mrs. George S. Burr of Sherburne Ave. for a few days. While here Mrs. Morrow attended her Junior bridge club at the home of Mrs. John Blossom on North Territorial St.

Mr. and Mrs. James Gretzinger, daughter, Mary Jane and Julie Dent attended the annual "Parents' weekend" in Lansing on May 18-19. The students of the high school and fraternities at

Rev. Chipchase and Roy Schuchard took seven of the

camping, including a group of Boy Scouts and their fathers. They started from Proud Lake on a canoe trip ending at Kensington Park. They were going to camp all night on one of the islands along the way.

Mr. and Mrs. C. B. Carter of the Five Mile Rd., with Mrs. Violet Graveline, of Tower Rd., drove to Hillsdale last Friday, because of the death of a close friend, Mrs. Oscar Childers. The Childers

were former residents of Plymouth Township. Mr. Childers was a former employee of the Cadillac Motor in Detroit before moving to Hillsdale. Mrs. A. White was at the homecoming of the Federated Church a week ago with her daughter, Mrs. Donald Tiffin. Mrs. Tiffin and she told me her mother was living in Plymouth and had no intentions of going back to England. She said her mother would like to make a trip over there if it was Mrs. White. They said that Mrs. White was in England. I checked with family were still over there.

GRAHAM'S CHATTER By Millie Rostow

All this year we have been reading about the Fair in Seattle. Remembering the Chicago Exposition and New York's World Fair (our aching feet), we have been telling ourselves "They are all alike, when you have seen one you have seen them all". But it had to happen sooner or later. Innocently lying on top of the morning mail, was the postcard. A beautiful, colorful panorama of the grounds with the Pacific ocean, blue as a summer sky, the snow-capped mountains in the background, 23 city blocks of modern buildings housing everything under the sun and over the moon, that you might like to see. The Seattle, symbol of the Fair, reaches 600 feet into the sky, you go up in an elevator and it is literally a revolving restaurant. While lunching or dining you can see the fairland of color for miles and miles. Also four fashion shows each day. Our postcard says: "Been up on the space needle, ate good dinner for \$5.95, all the coffee I wanted. Minimum charge there for a meal is \$2.00. Fare to go up, \$1.00. Having a good time, weather is cold and only rained once in 4 days." Anybody for Seattle? We want to go! Incidentally this card came from a customer and while she did not say so, we feel sure she is enjoying wearing her whipped cream jersey dress purchased at Graham's. Some people at the fair suggested Graham's open up a store in Seattle. We are very flattered, but refuse to be induced to leave Plymouth after over 16 years. Regardless of where you are going for a vacation, take along a whipped cream jersey dress. Absolutely the most wearable garment ever designed. You can get a very smart whipped cream jersey dress for only \$14.99. There are many more but we are out of space for description... we invite you to see for yourself and we hope to be seeing you at GRAHAM'S in the center of Plymouth.

Time Flies as Wheel Spins

By Jean Campau

Last Friday during the official public opening of the Plymouth Historical Museum a lively interest in Plymouth's historic past was generated by the steady flow of visitors that could be used as a measuring stick.

The interior of the picturesque exhibits provided something of interest for guests of all ages.

One of the feature attractions of the day, especially to the younger generation, was the spinning demonstration. Missions of the past were re-created as Miss Bell Schuh of Toledo, Ohio, spun a fine thread, yards long, on a spinning wheel dating back to 1820.

Her gown of black silk and lace was once worn to the governor of Michigan's inaugural ball of 1890.

Offering a running commentary on the nearly-lost art of spinning, she told the group watching that wheel spinning goes back to the time of the Crusades and was used until the 1850's when the spinning jenny was invented. Prior to that hand spindles were employed.

"Time was," she said, "when the young swains gave their betrothed a spinning wheel instead of an engagement ring. For if the girls couldn't spin, the household was likely to be severely handicapped by lack of linens and yardgoods."

Miss Schuh, a retired teacher, has been spinning some years now as a hobby. She learned the craft from a barefoot South Carolina woman. Now, it is not uncommon for her finished cloth, which she dyes from flowers and vegetables grown in her yard, to be displayed and win prizes at the Toledo Museum of Art.

Miss Schuh is the sister of Mrs. Harold Todd of Clemens Dr., who will become the Society's curator June 1. She will assume the duties of retiring curator, Mrs. Roderick Cassady.

Entry of native tribes into North America probably began as long as 15,000 years ago, according to archaeologists.

AT RIGHT, nine-year-old Donald Green quenches his thirst with a glass of pop following his team's opening day victory. Donald is the right-fielder for the National League's Pirates, who defeated the Giants, 5-1, in the opening round. The Junior Leaguers this Friday will conduct their annual door-to-door candy sale here in order to raise funds to finance their program this season. A similar fund-raising project will be held at Burger-Chef Saturday, June 9, when all of the day's proceeds will be turned over to the Junior League by the Burger-Chef owners.

Election Drive is On

(Continued from page 1)

"WHEREAS, a system of higher education is one of the most important foundations of our nation's prosperity and welfare; and

"WHEREAS, a representative form of government can best reach its highest expression through the enlightened interest of well educated and informed citizens especially in view of the ever increasing specialization in business and industry; and

"WHEREAS, the growing population of our state and nation appears likely to present an unprecedented demand and need for higher education facilities in the State of Michigan;

"NOW THEREFORE, We, Roy Lindsay, Supervisor of Plymouth Township; Robert Sincock, Mayor of the City of Plymouth; and Louis Stein, Supervisor of Canton Township; do hereby proclaim the week of June 3 through June 9, 1962, a COMMUNITY COLLEGE WEEK for the purpose of reminding all citizens of our community that an election will be held on Monday, June 11, 1962, for the purpose of voting on a proposal which would result in the establishment of a North-west Wayne County Community College to be established in or near and for the benefit of the present and future citizens of our community; and we further urge all electors to seriously weigh and consider the merits of such a proposal and to thereafter participate in the final determination of this proposal by voting on Monday, June 11, 1962.

There will be two proposals on the ballot for the college. Proposal No. 1 asks permission to levy one mill on all property within the Community College District for a period of 20 years. All registered voters may vote on this.

Proposal No. 2 asks permission to allow the Board of Trustees to borrow \$2,435,000 by issuing bonds. Only taxpayers can vote on this.

Half of the one mill will be used for operating expenses while the other half will be used to retire the bond issue. By floating the \$2,435,000 bond issue, work can start immediately on building the college. An opening target date of September 1964 has been set. No decision has been made yet relative to the college location.

Plymouth's college boosters have been busy informing their friends and neighbors about the proposed college. Speaking at the coffee hours have been Dr. Bradner, Miss Lois Waterman, Dr. A. E. Van Ornum and Mrs. John Moehle.

Coffee hours were given during the past week by Mrs. Richard Reade, Mrs. Ralph Snoko, Mrs. Dorothy Chandler, Mrs. Elmer Smith and Mrs. W. J. Kincaid. Future "coffee" will be held in the homes of Mrs. H. G. Olson, Mrs. Floyd Peterson, Mrs. Sidney Cady, Mrs. K. L. Gunderson, Mrs. William K. Keefer and Mrs. A. H. Miller.

Arrangements can be made by others by calling Dr. Bradner at GA 7-6620.

so that money can be used from the Building and Site Sinking Fund (pay-as-you-go plan).

Architects showed a plan calling for four single-story wings in the second phase. These would include such rooms as a library, music rooms, shop and home economics room, administrative offices and a cafeteria (cafeteria with a stage).

A meeting of the Board's Facilities Committee will be held to meet with architects to discuss details further before preliminary plans are drawn.

Eight bids were opened for grading and draining the grounds around the new Junior High-West. The bid ranged from \$12,748 to \$21,800. The architect will investigate the records of the bidders and make a recommendation to the Board.

Byron Becker of the architectural firm of Wheeler Becker & Associates, was present to discuss more remodeling plans at the High School. A new ventilating system and new boilers are needed. The work would cost an estimated \$301,624, according to the architect. The Board says it will have only \$250,000 to work with when the project is planned in the summer of 1963. Only the boiler work may be completed.

"People Will Say We're in Love." Then the Girls' Glee Club will do five favorites: "Alleluia"; "Ave Maria"; "Stranger in Paradise"; "Moon River"; and "Without a Song." Soloist Jacky Maxey will sing "Ave Maria" and "The Madrigal Singers, a group stepping out of the 16th Century, will sing "The Silver Swan" and "In These Delightful Pleasant Gardens." The Girls' Quartet will sing "Sposin" and "O Baby Mine." Two seniors, Pat Honey and Marcy Woolweaver, form a piano duet playing "Russian Sailors' Dance."

Concluding the evening will be the Choir singing "Take Not The Holy Spirit From Me"; "Calm is the Sea" with Leroy Lane as student director; "Echo Song" with an echo choir; and "Vocalise" with Faith Raycroft as soloist.

Closing the Choir program are "Soon Ah Will Be Done"; "Standing On the Corner"; and "The Lord Bless You and Keep You," the traditional closing number.

Manager

son and deputy clerk. When the city manager resigned, Glassford was appointed acting city manager and entrusted with running the elections to provide a new City government. His appointment was made permanent in October 1949.

While his past experience and many correspondence courses in accounting proved adequate for him in his new job, basic philosophical problems of city government continued to bother him. To solve these, he felt he should have a broader education.

In 1957 he went to Dr. Carol O. Smith, professor of political science, at Wayne State, who advised him to get a degree.

Backed by the encouragement and understanding of his wife, Lola, Glassford took a seven-hour average class load three semesters a year for the next five years. He had 41 hours of credit when from the 1930's, but he lost five hours by changing his course of study. This left 83 hours to take.

Practically every Tuesday and Thursday night of the week for five years he has journeyed to the Wayne State campus. Several nights a week were devoted to City work and his weekends were taken up with study. "We've have very little time for social life. And I'm looking forward to getting acquainted with my family again," he noted.

Besides his son Carl, he has a daughter, Sandra, who works for her father's former employer, the Federal Reserve Bank. Carl hopes to go into city management when he completes his service requirements.

Besides his college work, Glassford has completed many special courses offered by the U.S. City Managers Assn.

Favorite Recipes from Plymouth Kitchens

Mrs. Gustave Phillips

The bar-b-que grill assumes a prominent role with most families as spring ripens into summer. With many Americans it becomes THE only way to cook during hot weather.

Guest cook of the week, petite Mrs. Gustave Phillips, 334 N. Evergreen St., makes a savory side-dish that would compliment any bar-b-que or picnic menu. Her recipe for Bar-b-Queed Lima Beans, features a new taste-treatment you might like to use to surprise your family.

Bar-b-Queed Butter Beans.
¾ c. light brown sugar
½ c. catsup
1-3 c. dark corn syrup or molasses
1 t. liquid smoke (available in spice section of grocery store)
2-3 drops hot pepper sauce
1 medium onion, diced
4 cans (15 oz. each) large lima beans, drained
6 strips cooked bacon
Combine brown sugar, catsup, syrup, liquid smoke, pepper sauce and onion. Add beans and mix well. Turn into one and a half quart casserole. Place bacon strips on top for last 15 minutes. Bake in 325 degree oven for one hour. Serves 6-8.

"This casserole can be prepared ahead of time and kept warm on the charcoal grill," says the bubbly Mrs. Phillips.

The recipe originally came from her mother, Mrs. Ralph Eidt of Detroit, who, along with her husband, will shortly be celebrating their 55th wedding anniversary.

Members of St. John's Episcopal Church, Mrs. Phillips belongs to the Episcopal Church Women and St. Margaret's League. She is currently busy assisting Mrs. Jonathan Goldsmith with preparations for the church's annual smorgasbord dinner scheduled for June 7.

As a member of the Plymouth State Home and Training School Auxiliary, Mrs. Phillips works one day a week in the Medical Library at the Home. She is also a member of the Plymouth Historical Society.

In her spare time she manages to pursue her hobbies of reading and experimenting with the culinary arts.

The couple have two daughters, Suzy, who attends Highland Park Community College and Sally, a junior at Plymouth High School.

Governor Swainson Tells Need Of More Community Colleges

The following letter was received by the Citizens Action Committee of the Northwest Wayne County Community College from Governor John S. Swainson:

Education beyond high school is becoming more important each year. The need for higher education has increased and its importance stressed during the last year during which the United States placed into space two astronauts and one was sent on a successful orbital flight. These great new developments emphasize the need for higher education if our nation is to keep abreast of world progress.

Michigan is proud of its colleges and universities, both public and private. But, those institutions of higher learning cannot meet the full demand for additional education. Nor can all our people have the opportunity of attending colleges and universities for financial or other reasons.

Our sixteen Community and Junior Colleges are vital components of our educational system. They offer some 25,000 students the opportunity for continuing their education, opportunities which might not be available if they were unable to enroll in courses at college level in their home communities.

As the number of our young people of college age in-

creases, there is great demand for community college facilities. It is important to each of us to provide the opportunity for our young men and women to continue their education beyond high school if they desire and possess the ability. I urge our people to recognize the importance of this phase of local education and to offer every encouragement to our young people to pursue their search for

Golfers Master Ypsilanti, Then Find Tough Sledding

It was a long week for Plymouth's golfers last week, despite opening with a 515-536 victory over Ypsilanti in a six-man match at Washtenaw Country Club.

The Rocks were dogged by defeat in two subsequent matches following the victory over Ypsi. Plymouth on Wednesday of last week dropped a 168-176 battle to Northville and then on Friday bowed 191-194 to Redford Union.

The latter match, originally slated for only nine-holes, went into sudden death after the two teams had tied 176-176 at the close of regulation play. The Rocks lost the match on the 10th hole, 15-16.

The week's efforts left Plymouth with an even record of five wins against five defeats.

In the lead-off test against Ypsilanti, Carl Zornow emerged as medalist with an 80 at the par-72 Washtenaw Country Club layout. Other Plymouth scoring was accounted for by Jerry Scott with an 84, Jim

Mattison 86, Phil Bender 88, Skip Otwell 88 and Dave Wall 89. Low man for Ypsi was Dave Marsh with an 87.

The Northville contest was held at Brae-Burn, Plymouth's home course. Scott and Mattison were the pace-setters for the Rocks, each with 43 totals. Jeff Hoffman added a 44 and Otwell carded a 46. Medalist for the winners was Ken Slattery, who turned in a 40.

Mike Loukinen led the attack for Redford Union, the winners in Plymouth's final action last week. Loukinen fashioned a 43 at Brae-Burn.

Zornow, however, was medalist in the meet with a 40, while Otwell contributed a 44, Bender 45 and Scott 47 for Plymouth.

With a 5-5 record at the close of action last week, Plymouth was scheduled to compete in the Suburban Six league meet Monday afternoon at Brae-Burn. (The results will appear in The Mail next week.)

The Rocks will face Northville again on Monday, June 4.

Tennis Team Marches To Reg'l. Crown

Plymouth's finest tennis team in more than two decades marched relentlessly to a Class 'A' regional tennis crown last Friday at Cranbrook in Bloomfield Hills.

The Rocks literally dominated the regional contest and closed out the doubles action with two Plymouth teams facing each other for the doubles title.

The locals swept past eight other schools in the regional matches, rolled up a total of 16 points and captured their first team tennis trophy since 1938.

It was an all-Plymouth match in the final round of doubles play with the doubles championship at stake.

The Rocks' twosome of Tom Lock and Dale Livingston narrowly edged their teammates, Jim Jensen and Bob Smith, for top honors. The match score between the two Plymouth teams was 8-6, 6-2.

By virtue of their doubles victory, Lock and Livingston earned six and three-quarters points for Plymouth, thus adding measurably to the Rocks regional championship.

Lock, Livingston, Jensen and Smith all qualified for the state tennis meet to be conducted next Friday in Kalamazoo.

While Lock and Livingston, who were unbeaten in doubles action this spring, emerged as the regional doubles champs, it perhaps was the duo of Jensen and Smith who turned in the most impressive performance.

Prior to their final round loss to Lock and Livingston, Jensen and Smith first defeated two of the regional meet's top-seeded teams, one from Farmington High and the other from Birmingham Seaholm.

Rain Doesn't Dampen Junior League Opening

Plymouth's community junior baseball league opened with a flourish last Saturday with a parade through town highlighting the inauguration ceremonies. The threat of rain failed to discourage the proceedings.

The parade, comprised of all of the major and minor league teams, streamed down Main St. on the way to opening day games at the playing fields on Plymouth Road opposite Burroughs Corp.

The affair coincided with Michigan Youth Day, an adjunct of Michigan Week ceremonies here.

In action Saturday afternoon, the Junior League opened with six games, three in the American Division and three more in the National circuit.

The Indians, in the American League, posted a 1-0 win over the Yanks, as Gary Robinson tossed a 1-hitter for the winners. He narrowly missed a no-hitter, allowing the only base hit in the bottom half of the sixth — and final — inning.

Elsewhere in the American Division, the Tigers pummeled the White Sox, 11-0, in a game that was called because of rain after four in-

Kiwanians Exchange Presidents

The Kiwanis Club exchanged presidents with the Dearborn - Outer Drive Kiwanis Club for their meeting last week.

President Neil Davidson went to Dearborn and President Dick Barnes was Plymouth's visitor. This exchange began five years ago and now includes the Michigan District, one club in Toledo, and six clubs in Ontario. Last year there was 100 per cent participation. This idea was conceived by Kiwanian Harold Barnes of the Ypsilanti Club, who is responsible for pairing of the clubs annually.

Seventy-one Kiwanis members and guests enjoyed a program presented by Dr. A. E. VanOrnum, program chairman for the evening. The two speakers were Dr. Eric Bradner, president of the proposed Northwest Community College, and Mrs. John Moehle, vice-chairman of its Board of Trustees. Fact sheets were distributed, film slides shown, explanations given and questions answered regarding the need for a community college.

14-1 Win Sets Pace For OLGC

Our Lady of Good Counsel raced to its fourth straight victory last week to retain its first place position in the local Catholic baseball league.

OLGC defeated St. Mel's of Dearborn, 14-1, behind the combined pitching efforts of Jim Ennis and Danny Camp.

Each pitcher allowed only one hit and gave up one walk.

Ennis struck out four and Camp three.

Jim Gearns, Don and Doug Drogosh each contributed doubles in the OLGC attack while Mike Klinkhammer had a key single. All of those hits produced clusters of two runs each. OLGC was aided by 16 walks as wildness added to losing pitcher Jim Besco's problems.

Thinclads Finish With 6-0 Record; League Test Next

With two more overwhelming victories in dual-meet competition last week, Plymouth's track squad stretched its unbeaten string to six straight as the dual-meet season ended.

The Rocks crushed Allen Park, 81-23, early in the week and later defeated Northville High to their list of victims, 93-16. The latter decision was Plymouth's most massive margin of victory in several years.

In both instances, Plymouth raced headlong to victory, utilizing all of its impressive power along the way. The Rocks swept first, second and third in many events in both meets and displayed a strength in depth that track coach Keith Baughman has not yet admitted to this spring.

With a perfect dual-meet record already on the books, Plymouth is faced with one more key test with regard to the Suburban Six conference.

On Thursday, the Rocks — along with the five other Suburban Six member schools — will participate in the all-important league championship meet at Bellevue. Field events begin at 6 p.m.

In this one, Plymouth ranks as an odds-on favorite for top laurels and carries an almost absolute guarantee of at least equaling last year's second place finish in the league meet. Only Bentley, which Plymouth beat in dual-meet action earlier this spring, is any sort of threat to the Rocks' quest for an outright league championship.

In dual-meet activities this season, the Rocks convincingly impressed their intentions upon all five opposing league member schools. Bentley High was Plymouth's strongest opponent, eventually bowing by a margin of

less than 15 points.

Both Allen Park and neighboring Northville (which is not a member of Plymouth's conference) were easy touches for the Rocks last week.

Against Allen Park, the Rocks notched 11 first place finishes and shared in ties for first in the other two events. A considerable number of seconds and thirds made Plymouth's victory margin that much greater.

The trio of Bob Steele, Dave Fey and Dan Stremick led the Rocks' assault. Steele, in four events, accumulated 12 1/4 points, while Fey had 11 1/4 in three individual efforts. Stremick, who was forced to share first place in the high jump with Allen Park's Les Farkas, wound up with eight and three-quarters points for the afternoon's work.

Plymouth's scoring was accounted for in this fashion: Stremick and Allen Park's Farkas tied for first in the high jump at 5-foot-8. Allen Park's Lester Short and Plymouth's Herb Park and Mark Fischer shared first place in the pole vault at 10-foot-6. Hugh Sarah won the shot put (49-foot-7) and Jim Ayers was second, Rick Sweet third.

Stremick won the broad jump in 18-foot-1 1/2 as Mark Fischer finished second and Steele came in third.

Steele won the high hurdles (1:16.3), Chris Gaffield was third. Steele, Fey, Jeff Fraser and Dave Van Ornum combined to win the 880-yard relay in 1:35.2. Byron Latter won the mile run in 4:45.8, Bob Winterhalter was second and Ward Griffith was third.

Fey won the 100-yard dash in :10.7. Tony Hunt was a winner in the half-mile in 2:00.7, as Jim Griffith was third.

Fraser won the 440-yard dash in :55.8 and Dick De-

Pencier was third. Steele won the low hurdles in :21.1. Fey was first in the 220 (:23.8) while Ken Fischer came in third.

Latter, VanOrnum, Stremick and Hunt teamed to win the mile relay in 3:41.6.

Against Northville, Plymouth had a field day.

The Rocks won 12 of the 13 events and shared a first place ribbon in the pole vault when Plymouth's Mark Fischer tied with Sam Kipfer of Northville at 10-foot-6. Herb Park was third there.

Once again, Fey, Steele and Stremick led the Rocks in individual scoring. Each had 11 1/4 points. They each won two events and contributed a leg on either the winning 880-yard relay or mile relay teams.

Hugh Sarah opened the field events with a victory in the shot put (47-foot-3) and Jim Ayers was third. Stremick claimed the broad jump (20-foot-1 1/2) and Mark Fischer was second. Stremick also won the high jump (5-foot-4) and Chris Gaffield tied for second. Fischer shared first place in the pole vault.

Steele captured the high hurdles (:15.3) and Gaffield was third. Ken Fischer, Jeff Fraser, Steele and Fey helped Plymouth to the 880-yard relay (1:36.6).

Latter won the mile in 4:46.4, Ward Griffith was second and Bob Winterhalter was third. Plymouth also swept the 100-yard dash with Dave Fey winning (:10.1), Ken Fischer second and Bill West third. It was a sweep, too, in the half mile. Hunt was first in 2:03.3, Jim Griffith was second, Dick Pankow third.

Fraser's :55.0 clocking won the 440, DePencier second and Don McMullen third. Steele gained another first in the low hurdles (:20.5) and Gaffield finished third. Fey led a sweep in the 220. He won in :22.3, Ken Fischer was second, Bill West third.

The mile relay went to Plymouth in 3:39.5 with Latter, Van Ornum, Stremick and Hunt doing the honors.

While Plymouth was considerably successful in dual-meet action last week, the Rocks found far less success in the class A state track meet at Ann Arbor's Ferry Field on Saturday.

Plymouth's only points were gained by half-miler Tony Hunt. He scored two points in that event and turned in a creditable time of 1:58.4 as he finished sixth. It was about a second slower than his fastest clocking in the event this spring. Plymouth finished far back in the meet which was won by Grosse Pointe and Muskegon Heights who tied at 30 points apiece.

After the league meet at Bellevue this Thursday evening, Plymouth will conclude its track season Saturday evening, June 2, in the Claude Snarey Invitational Relays at Bentley High.

Ten schools will compete in the affair. Field events begin at 7 p.m. on the oval behind Bentley High School. The running events will get underway at approximately 8 p.m.

The Suburban Six league championship meet at Bellevue on Thursday will begin at 6 p.m. with the field events. Preliminaries in the track events will start at 6:30 p.m.

SPORTSEEN

By Jerome O'Neil

Amidst the perpetual flurry of news from other sporting fronts here, the Plymouth Junior Police Rifle Club has been forced into a back seat.

Which is a regrettable thing in view of its consistent success.

Most recent accomplishment of the rifle club was attained two weekends ago when the Plymouth contingent won the outdoor state junior championship rifle matches at Waterford and simultaneously finished as "high expert team" in the national rifle association junior regional matches.

During the two days of firing (Saturday and Sunday, May 19 and 20), Plymouth rifle team members — nine youngsters in all — claimed 26 individual awards and brought home further prestige for the local club.

Honors of this sort aren't new to the Plymouth rifle team.

In fact, just two years ago the local club was state gallery (indoor) rifle champion.

More recently — this season to be exact — Plymouth was undefeated in the Southeastern Michigan Junior Rifle league and matched this unmarred record in competition in the Michigan State radio rifle league.

In the latter action, firing is conducted on home ranges and then transmitted by radio to opposing teams in order to determine the various match winners.

More than 100 Plymouth youths, between the ages of 12 and 18, are members of the Plymouth Junior Police Rifle Club, which has been in existence since 1956.

Founded by Ken Fisher, director of public safety for the city, the rifle club is financed by the Plymouth Community Fund and is an activity of the parent Plymouth Police Youth Club.

The team is coached by John Olendorf.

Weapons are .22 caliber rifles.

In competition two weekends ago, 10-year-old Sue Weberlein led the Plymouth team in individual scoring. She fired 770 out of a possible 800 and also emerged as high-scoring girl in the individual competition field.

Sue is a 1961 graduate of Plymouth High.

Other team members include John Olendorf, Jr., Bill Iman, Noraleen Renauer, Sue Weberlein, Dick Whitebread, Paul Friday, Joe Wallace, Tom Vaughn and Steve French. Sue, Noraleen, Iman and the younger Olendorf comprise the first team, while others are "B" team members.

Their victory at Waterford was a fitting climax to another successful rifle club season.

Allen Park, Redford Union Give Rocks "Double Trouble"

The Rocks spiraled downward last week in the Suburban Six conference baseball standings.

Starting the week in a virtual three-way tie for first place, Plymouth lost two decisions and promptly dropped backward into third place in the league.

A pair of shut-outs constituted Plymouth's most recent defeats. One was a 9-0 whitewash at the hands of Allen Park while the other was a 2-0 loss to Redford Union.

As a result, the Rocks are 5-4 for the season and, with a 5-3 league record, cling precariously to third place in the conference.

Plymouth has five games remaining on its 1962 schedule, only two of which are encounters with other members of the Suburban Six circuit.

In its 9-0 loss to Allen Park, Plymouth gained just four hits and committed seven errors affixed to make the matter decidedly easier for the Parkers.

The seemingly unending series of errors by Plymouth turned an otherwise close ballgame into a rout. Allen Park got only one earned run on seven hits. The winners' didn't particularly care, however.

Allen Park erupted for four runs in the opening inning, added one more in the third and assembled another four-run outburst in the fourth

Losing hurler was Mike Kisabeth, who now is 2-1. He was relieved by John Smith in the fifth. Smith completed the game unscathed.

Errors were partially responsible for Plymouth's loss to Redford Union, too. In that one, Plymouth miscued four times.

Dick Schryer, suffering from a sore arm in recent weeks, went the distance for Plymouth and gave up only five hits. But his teammates' fielding flaws kept him in difficulty much of the way.

Schryer had a two-hitter going until the top of the seventh when Redford Union finally solved him. A double, followed by a single, produced one run for the eventual winners.

The ensuing throw to the plate got away from Plymouth catcher Jared Stevens. It permitted the Redford Union base-runner to reach third, from where he scored the second run a moment later on an infield single. The second run did not mean too much, however.

The two defeats left Plymouth with no chance to retain its conference title from a year ago. Allen Park leads the league with an 8-1 card and Bentley is second at 5-1.

Plymouth coach Mike Hoben was bemused at the Rocks' recent troubles on the baseball diamond.

"The whole story of our poor season," he said, "is wrapped up in awfully weak-hitting and extremely poor fielding."

Statistics bore him out. Plymouth has averaged less than five hits per game with 44 in nine contests. On top of that, the Rocks have committed the almost incredible total of 33 errors over that same span.

Only two Plymouth batters are hitting over .300. They are Jared Stevens at .321 and Dick Egloff at .318. Three men are above .200 and the rest are sporting meager averages of .199 and less. Only nine players have gotten base hits for Plymouth.

Forty times Plymouth batters have struck out, 21 of these coming on called third strikes.

In the pitching department, things are only slightly brighter. Schryer has a 1.616 earned run average and a 3-3 record. Kisabeth's ERA is 4.244. He is 2-1.

Plymouth was slated to host Ypsilanti Monday afternoon and Thursday will visit Bentley High. The season ends June 6 at Northville.

JayVee Baseball Team Can't Move Past .500

Plymouth's JayVee baseball team slipped below the .500 mark briefly last week after bowing 11-0 to Allen Park, but three days later the Junior Rocks regained their balance with a decisive 10-3 win over Ann Arbor.

It left the Junior Varsity squad with a four-win, four-loss record and a schedule calling for four more games before the season ends.

In Plymouth's loss to Allen Park, the Junior Rocks committed five errors thus measurably aiding the Parkers' 10-hit attack. Allen Park scored six runs in the second inning with three homeruns serving as the key blows.

John Daniels started for Plymouth but was relieved by Dave Troutman in the second. Daniels was the loser.

Against Ann Arbor, Plymouth enjoyed considerable success. In the fourth inning, the Rocks scored five times behind heavy hitting headed by Cateb Luibrand's three-run homer and Jim Lake's second triple of the game. Lake later scored in the same inning.

Jim Edwards, on the mound for Plymouth, held Ann Arbor to five hits and won his first decision of the season. Loser was Ken Larnee who gave up 10 hits.

"For the first time we were really hitting the ball," remarked JayVee coach Brian Boring later. "It made all the difference in the world," he said.

A big thank you has gone to all those folks who helped make the Galli-Fun Carnival of the Gallimore School the big success it was. Speaking for the P.T.A. and Carnival Committee, the general chairman, Mrs. William Sprengel stated that the evening was a success in every way. With the help of the persons heading the various booths, their co-workers, and the many people attending the carnival, it turned out to be an evening of fun and profit. Special thanks go to the persons whose contributions of the door prizes climaxed the evening.

Rev. Doyle Carlew, evangelist, will hold Revival Services for two weeks, beginning June 16, at the Bethel General Baptist Church on Gordon and Elmhurst. All are invited to attend.

Mrs. Hargrove of Canton Center Rd. has announced the birth of her first grandchild, May 13, a little girl, Terry Lynn. She weighed 7 lbs. 13 oz. The happy parents are Mr. and Mrs. Danny Hargrove of Plymouth.

Mr. and Mrs. Ronald Markham and daughters, Laurie and Dawn, of Beck Rd. are spending about six weeks at Mullet Lake.

Kim Sprengel, son of Mr. and Mrs. William Sprengel of Beck Rd. celebrated his 11th birthday with his parents, brothers, and sister on May 24. On Sunday, May 27 the family further celebrated Kim's birthday with his aunt, uncles, cousins and grandmother. The guest list included Mr. and Mrs. Gustav Zabel of Detroit; Mr. and Mrs. Howard Hilving and children, Ken and Karen of Nankin Twsp; Mr. and Mrs. Gustav Zabel, Jr., and sons, Larry and Kurt of Livonia; Mr. and Mrs. Erwin Karschnick of Detroit; Mrs. Ella Cross of Canton Township; sister Kathy, brothers Mark and Keith; and his parents.

Mrs. E. S. Asher of Ford Rd. and her daughter, Mrs. Irene Gribble and son Jamie, of Garden City, have just returned from a long weekend

of visiting another daughter, Mrs. Louise Vane of Dayton.

Mr. and Mrs. Warren Palmer of Warren Rd. spent the weekend at Alpena, Mich. visiting relatives.

Mrs. Eunice Mickey of Lotz Rd. is presently visiting her sister, Mrs. Inez Murphy of Urbana, O. She is expected home this weekend.

Michele Mitchell, daughter of Mr. and Mrs. Millard Mitchell of Gyde Rd. celebrated her 7th birthday on Saturday, May 26, with an afternoon Hobo party, with 10 little girls present; Sandra Becker, Kathy Koers, Pam Korte, Mary Schroeder, Karen Alexsy, Judy Homer, Judy Minaham, Mary Zylstra, Sheila Evans, and Annette Zylstra. Games were played and prizes awarded.

Miss Diane Paquin, daughter of Mr. and Mrs. John Paquin of Lotz Rd., had a literary effort published in Pilgrim Prints, called "A Summer Morning." Her parents are very proud of her. Diane hopes to go into the baby-sitting business this summer.

Kiwanis Charters Club No. 5,000

Kiwanis Club number 5,000 received its charter Monday, April 30, in Muncie, Ind. according to word received here by Neil Davidson, president of the Kiwanis Club of Plymouth. The charter was presented to the new Kiwanis Club of South Muncie by Kiwanis International President L. R. Wittuhn of Milwaukee.

He characterized the event as "The attainment of another milestone in Kiwanis' 47 year history of growth and progress." He said that the circumstance of the Kiwanis Club of South Muncie receiving the number 5,000 was a mathematical happenstance. He characterized it, however, as "a happy coincidence because Muncie, home of the 5,000th club, was once selected as the most typical of American communities for a new-classic sociological study called 'Midletown'."

Cub Scouts, Dens 1, 2, 3 and 4 of Pack 766, enjoyed an evening picnic May 24, in the Gallimore schoolyard. There was a kite-flying contest with prizes for best designs, for first kite up, and for the one that stayed up the longest. The finale was a wiener roast.

The Canton Baptist Church will start their vacation Bible School on Monday, June 25, to last for two weeks. The workers are planning and training for this event. They hope for a good attendance.

The Canton Baptist Church will hold revival meetings June 10-17 starting with the morning service, which will be a charter member service. There will be a Constitution Service at 3 p.m. The other services will be at 7:30 p.m. Reverend Willard Thompson will be the evangelist. He has been pastor of Grandhaven Baptist Church of Dallas, Tex., and has been for 10 years. He also is a graduate of the Baptist Theological Seminary of Fort Worth.

A bid of \$46,327 was approved by the City Commission for a new sanitary sewer to serve Burroughs Corp. and other proposed industries along Plymouth Rd.

Five bids were received with the lowest coming from the Novi Building Service. Their bid was approved. The 18-inch vitrified pipe will replace a smaller one

now serving Burroughs and will also serve the new RCA plant and a proposed plant of the Wheel-Truing Co. It will be completed by July 1.

The bob whites usually have only one brood a year but it may contain anywhere from six to 18 or more youngsters. These are hardly larger than big marbles.

"A COMMUNITY DOES NOT ENDURE BY THE WORK OF GREAT MEN. A COMMUNITY ENDURES WHEN ITS LEAST AND ITS GREATEST CITIZEN LOVE IT ALIKE AND WILL LIVE AND WORK AND DIE THAT IT MAY BE GLORIOUS."

Plymouth did itself proud last week in celebrating the event of Michigan Week. Not only was the city host to Michigan's Governor, but also one of our United States Senators. Capping the celebration was the dedication of D.S.I. on Friday, and groundbreaking for RCA which was preceded by a luncheon for local dignitaries Tuesday at Hillside Inn. The efforts of Harold Guenther, George Lawton, Edward Draugelis, Mayor Sincock and City Manager Glassford are especially applauded, and we only mention this to emphasize the fact that if we can generate the same interest, enthusiasm, and hard work in other things there is apparently nothing that this community cannot accomplish in the way of growth and improvement.

You've read about bookkeepers making huge errors in the amount of checks they send out to pay small bills. We were flattered by Packaging Corporation of America, the other day, when they sent us \$91.00 to pay for a ninety-one cent classified ad they had placed in the paper. Needless to say we returned the check in exchange for a much lesser one to clear their advertising account which for that small sum had acquired a much needed secretary for one of their executives.

There's a celebration for everything and this week is officially proclaimed "Burglary Prevention Week." We've never heard of it before, but here are some interesting facts the executive committee put forward this week. Anyone leaving their home for 39 seconds could have it burglarized. Last year there were 887,000 burglaries, or out of every nine major crimes committed four were household burglaries. More than 150 million dollars are lost this way yearly, and night time is the time most crimes are committed. In the recommended list of things to do to prevent such crimes leaving ample lights on seems to be the most effective. An extra lock or two on doors and windows is also recommended, as well as the use of light timing devices, and if you take a vacation away from home be sure to discontinue papers, milk deliveries, etc., as well as advising the police of your absence. The average burglary loss is \$183.00, and a little precaution might just save you a loss this summer.

Early this spring we ran a feature story about Blue Bird houses manufactured locally by William E. Kelly over on Eastside Drive. Mr. Kelly had read a story in Readers Digest on the sorry plight of the Blue Bird and decided to do something about it by making bird houses and giving them to anyone interested in placing them on their property. A check with Mr. Kelly last weekend revealed that he had given away over 125 of the houses to adults who had called him in response to our story. Interesting to note was the fact that he also made 18 for the Wayne County Wildlife Service who had seen the story and some of his houses were carried as far away as Sandusky, Farmington, Howell and Ann Arbor.

360 S. MAIN STREET PLYMOUTH OPEN FRIDAY 'TIL 9 P.M.
YOU CAN "CHARGE IT" AT ANY KRESGE STORE!

[NOW ON DISPLAY IN PLYMOUTH]

Come see money that "talks" . . . in foreign tongues, of ancient temples, to people who can "hear" the mysterious messages of rare old coins.

From Thursday, May 31, through Tuesday, June 12, three displays from our Main Office Money Museum will be shown right here in Plymouth in our branch office at 306 South Main Street. You can come in and see coins used in the markets of the Holy Land when Christ was on earth. You'll see, too, ancient coins of the mysterious East, unearthed after a sleep of centuries among the ruins of forgotten temples and lost cities. Or you can let your imagination roam the modern world through the collection of foreign coins and paper money. Come in any time during banking hours, 9:30 a.m. to 3:00 p.m. Monday through Thursday or until 7:30 p.m. on Friday. And please feel free to stay as long as you like.
