- Harold Fischer—Letter of Commendation, National Merit Scholarship Program
- Kenneth Fischer—Certificate of Merit—Michigan Mathematics Prize Competition
- David Fey—Ford Motor Company Fund Scholarship (Continued on page 8)

Junior League Benefits From Burger Profits

Saturday will be Junior League Day at the Burger Chef on S. Main St. All profit during the day will be turned over to the Junior Baseball League to help cover its operational expenses.

NOTICE

The deadline for classified ads is now 5 p.m. Monday. Ads received Tuesday until noon will be placed in the "Too Late to Classify" column.

and guests will gather Sunday night in the High School gymnasium for the Baccalaureate service where they will hear a sermon delivered by the Rev. John W. Miller, pastor of the Lutheran Church of the Epiphany. The service starts at 8 p.m. and is open to the general public without tickets.

Dr. Ernest Melby, Commencement Speaker

State Aid Slow, School Board Asks to Borrow

Because the state is \$173,367 behind in its state aid payments, the Plymouth Board of Education voted Monday night to borrow on the anticipated money. They have asked to borrow up to \$125,000.

State aid payments are lagging about half throughout the state and most school districts are now feeling the pinch. As a result, they are doing the same as Plymouth and asking to borrow in anticipation of the payments.

Plymouth was to receive \$96,000 this week, but only half the amount was received. At present, the state owes Plymouth district \$173,367.

Application to borrow will be made with the State Superintendent of Public Instruction. Bids will then be asked from lending institutions.

Meanwhile, the Board found itself on the happy end of some competitive bidding. Bids had been asked for landscaping contractors for minimum site drainage at the Junior High—West. Architects had estimated the job at \$17,140.

Eight bids were received last week with low bid coming from J. D. Armstrong, Detroit, for \$12,748. After investigation, the firm was found reliable and their contract was approved by the Board Monday night. The highest bid was \$21,800.

The following Thursday's Commencement ceremony will start at 8 p.m. at the football field. No tickets will be needed for this ceremony either, but in case of inclement weather, the program will be moved to the gym and admission will be by ticket only because of limited seating.

Addressing the Class of '62 graduates will be Dr. Ernest O. Melby, professor of education at Michigan State University.

Because final exams are still not graded, the exact number of graduates is not known today, but Principal Carvel Bentley estimates the number will be around 298, the same as last year. Last year's class of 298 was a record-breaking number for Plymouth High, but the principal estimates the figure will reach 315 next year.

Sunday's Baccalaureate services will begin with the playing of "Pomp and Circumstance" by Fred Nelson. The Rev. John Walasky, pastor of the Plymouth Assembly of God will deliver the invocation. The High School Choir will then sing "The Triumph of Truth." Following the Rev. Miller's sermon, the congregation will sing "God of Our Fathers" and benediction will be pronounced by the Rev. Melbourne I. Johnson, D.D., pastor of First Methodist Church. Members of the Class of 1964 will be ushers.

The High School Band will (Continued on Page 8)

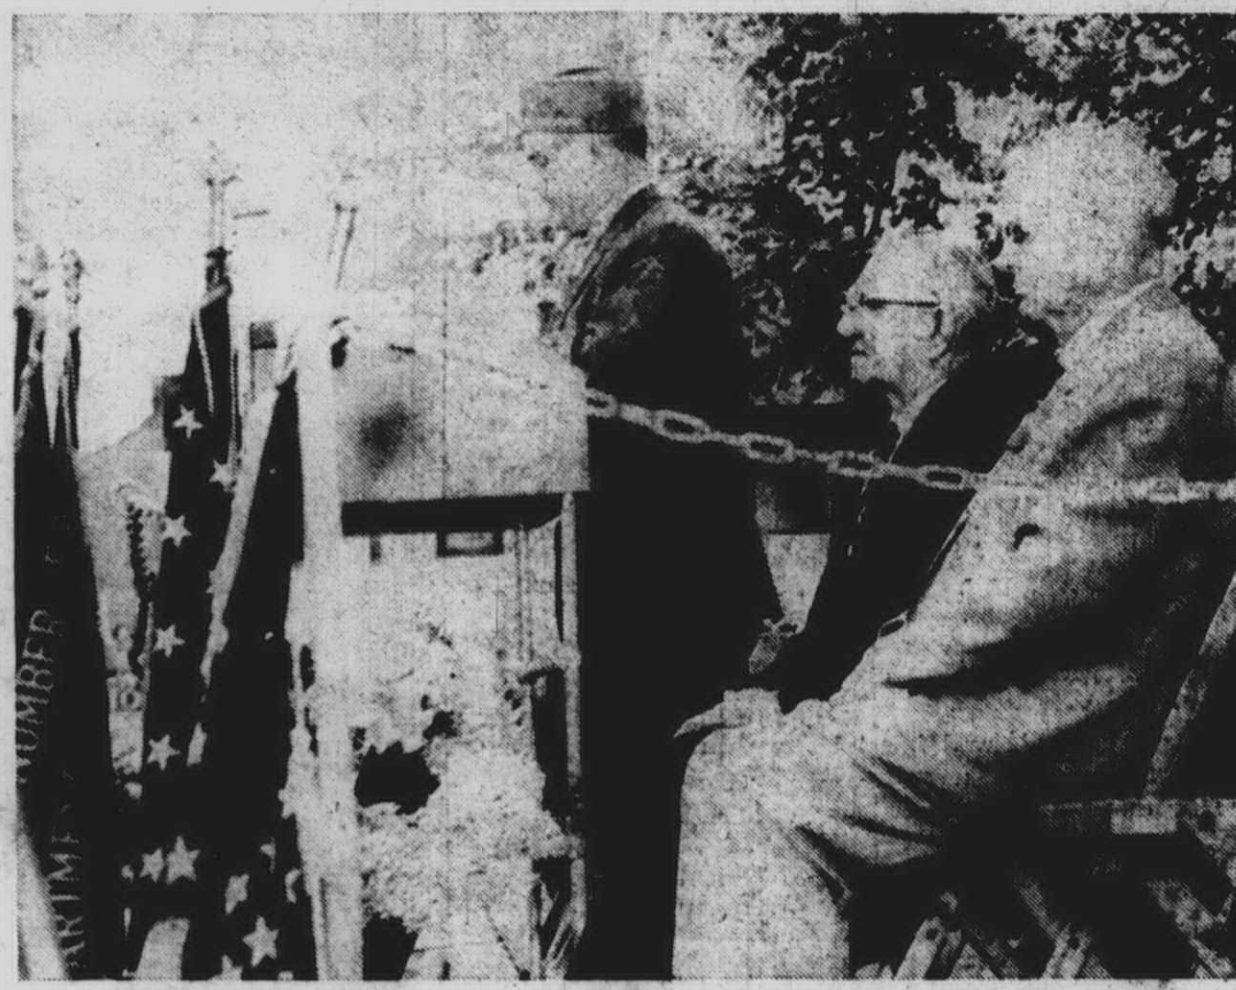

City to Make Own Signs

Motorists can eventually expect to see those hard-to-read street signs disappear and be replaced with bright green and white reflecting signs.

Approval was given by the City Commission Monday night for the purchase of a \$400 machine that will allow the DPW to make their own signs. While there will be no savings in money by making their own, according to City Manager Albert Glassford, the signs will be uniform and will be available immediately.

It now takes up to 90 days to order and obtain a sign and the companies go out of business so rapidly that the City hasn't been able to standardize them, Glassford declared.

The new sign-maker will apply a Scotch-lite (reflecting) surface and letters to metal. It can also make other types of signs.

TWO OF Plymouth's last known Spanish-American War veterans were honored guests on the platform at the Memorial Day services. From left are State Senator Raymond Dzendzel, shown delivering the Memorial Day address; and the two Spanish War veterans, Thomas Gray, 1027 Dewey, and C. H. Goyer, 1046 Church.

Town Hall Airs Questions About Monday's Election

There were 130 people at Monday night's Town Hall meeting where the Plymouth school and Community College proposals were discussed and all six Board of Education candidates expressed their views.

Dr. Eric Bradner, president of the Northwest Wayne County Community College, spoke in behalf of the college, while serving on the panel to answer questions about the Plymouth school proposal were Board President Harold Niemi, member Gerald Fischer and Superintendent Russell Isbister.

Most of the questions were concerning the Plymouth proposal. Here are some of the questions and statements made during the evening:

Q. Some say that this two mills is just Part 1 of an effort by the Board. They say that the Board will try to gain back the entire four mills it lost in the last election within a year. Will we have another millage issue?

A. President Niemi declared that the Board's study shows that two mills will support the needs of the district for the next two years. "Unless we would suddenly get a large increase in student population, we anticipate that the two mills will be adequate."

Q. What will happen if the millage does not pass this time?

A. An information sheet distributed by the Board states this: "The Board does not believe in using threats as to what the consequences will be if this proposal does not pass, and has requested the teaching staff to refrain from doing the same. In fact the school administration and Board of Education have not

Files Suit To Bar Shooting

Suit has been filed in Wayne County Circuit Court to bar the Western Wayne County Conservation Club from shooting targets near the Oak Haven Trailer Court on Ridge Rd.

The Conservation Club is building a clubhouse near Napier Rd. and its 62 acres backs up to the trailer court. The trailer court firm and seven owners of nearby property have joined in the suit. The suit asks that the range be declared a nuisance and seeks a court order barring use of the facilities for shooting purposes.

Rev. Clifford Improved

The Rev. Patrick Clifford, pastor of Calvary Baptist Church, is reported improving in St. Joseph's Hospital, Ann Arbor, where he was taken last week after suffering a heart attack at the church.

Relatives report that he still is not allowed visitors but has shown a marked improvement.

To Decide on Candidates, Local and College Millage

Monday will be election day in the Plymouth Community School District again — a real vital election day. There are three areas of decision for electors. One deals with a 5 1/2 mill levy for operating the Plymouth Community School District.

Another is the selection of two people from a field of six to fill vacancies on the Board of Education. The third is a decision on two pro-

positions concerning the Northwest Wayne County Community College. Just how many people will turn out for Monday's election is anyone's guess, but observers believe it won't be as great as the record 3,863 who voted in the April school election. There are around 10,000 registered voters in the School District. Polls will open at 7 a.m. Monday and will close at 8 p.m.

School

Unlike the April 16 vote when a 7 1/2 mill proposal stumbled to a 3,010 to 852 defeat, this Monday's new proposal for operating the Plymouth Community School District is getting wider and much more vocal support.

Many organizations and scores of individuals have loaned their names to support the 5 1/2 mill package. Of the 5 1/2 mills, 3 1/2 mills is a renewal of millage that has expired this year while the remaining 2 mills represents a tax increase.

While the April proposal would have meant a school tax increase of 18 per cent, Monday's proposal is exactly half that — 9 per cent.

School administrators and Board members are more optimistic about Monday's election. In their presentation of the proposal to groups and individuals, they have found a more ready acceptance. Many who opposed the earlier proposal are actively working for this one, stressing the need of the 2 mill increase "to keep up Plymouth's educational level."

Two groups which have openly endorsed the school's millage and also the Community College are the Plymouth Chamber of Commerce and the Canton Township Board. The Canton Board is circulating a letter informing its citizens about the election.

It is estimated that the 2 mill increase, plus additional state aid and other sources will provide the school district an extra \$202,000 this year. The additional money would be used as follows:

1. Staff and operate the Junior High School—West—\$54,000.
2. Salary schedule increments—\$45,300.
3. Cost of living increases (\$100 for teachers, \$75 for others)—\$26,700.
4. Payment of half of hospitalization insurance for full-time employees up to a maximum of \$12 a month—\$32,000.
5. Improve building and grounds maintenance program—\$12,000.
6. Replace buses and driver education cars—\$23,800.
7. Additional operational expenses—\$9,700.

It is intended to cut the budget in the following manner:

- Eliminate the in-service Teacher Workshop, \$18,000; eliminate one elementary art and one elementary music teacher, \$11,500; close Hough, Cherry Hill and Canton Center schools, \$5,000; cut transportation service by making stops further apart, \$3,000.

Although the teaching staff will be reduced by two, the number of students will increase by 175. There will be no special art or music teachers for the kindergarten through third grades.

Phone Mail For Election Results Monday Night

Results of Monday's election can be secured by phoning The Plymouth Mail office Monday night.

The first results are expected around 9 or 9:30 p.m. Because Plymouth's vote on the Community College must be combined with Livonia, Clarenceville and Garden City, results of these two propositions will probably not be known until later in the evening.

The Mail's phone number is GL 3-5500.

Candidates

Names of six people will be found on the ballot next Monday as they compete for two Board of Education vacancies.

The four-year terms, which begin July 1, are those now held by Wesley Kaiser and Robert Soth. Kaiser is not a candidate for re-election but Soth is one of the active candidates.

The six are: Mrs. Beatrice Foersterling, 1401 Oakview, housewife. Ernest Henry, 383 Pacific, assistant postmaster.

Mrs. Clara Scharmen, 9101 McClumpha Rd., housewife. Carl Schultheiss, 11705 Amherst Ct., manager of Engineering Service Dept., Burroughs Corp.

Philip Settles, 170 Blunk, operations examiner, Detroit Bank and Trust Co. Robert Soth, 41430 Warren Rd., technical specialist, International Business Machine Co.

(Biographical sketches of the six appear on page 7 of this section. Each was also asked the question, "If elected, what would you like to (Continued on page 8)

Four Groups Presented Town Hall Series Awards

The Board of Awards of the Northville Town Hall Series met at the Northville City Hall, Monday, May 28, for the purpose of selecting recipients for their first annual awards presentation.

Board members included Mrs. H. F. Wagenschütz, Mrs. Margaret Hough, Plymouth representative, Mrs. Leonard Stidwell, Farmington representative, Mrs. William E. Parks, Livonia representative and Mrs. William Milne, Northville representative.

The Altar Society of Our Lady of Victory Church, Northville, sponsors of the Series, retained \$800 of the profits from the 1961-62 lectures for the work of their Church and School. The \$400

City Wins Award

The Michigan Section of the American Water Works Association has presented an "Award of Merit" safety award for the year 1961 to the Plymouth Water Department.

It is given to any City that has no lost time from accidents for the year 1961.

Mrs. Creig L. Chapman

Merriam-Chapman Repeat Vows at Evening Ceremony

Before an altar decorated with Fuji mums and stephanotis, Elizabeth Lucille Merriam and Creig L. Chapman exchanged nuptial vows at an evening ceremony performed by Rev. Henry J. Walch at the First Presbyterian Church of Plymouth, Friday, May 25.

The bride is the daughter of Mr. and Mrs. Robyn D. Merriam, 18910 Beck Rd., Northville and the groom is the son of Mr. and Mrs. E. A. Chapman, 239 High St., Northville.

Fred Nelson played wedding selections on the organ. The bride, given in marriage by her father, wore a skinner satin sheath floor-length gown that featured a chapel train of Valenciennes lace. Her fingertip illusion veil was secured by a pearl crown and she carried a crescent bouquet of gardenias and stephanotis.

Maid of honor was Barbara Rae Miller of Bloomfield Hills, Mich. The bodice of her street-length gown in shades of gold was accented with a scoop neckline and short sleeves. Her full skirt gently fell from the cumberbund at the waist. Her bouquet was composed of fuji mums and stephanotis in gold and white.

Bridesmaids were Mrs. Sally Newton, sister of the bride from Plymouth, Miss Lavonne Longwood from Newago, and Gloria Gannon from Jackson. Their gowns were identical to the maid of honor's in shades of lime green.

Robert Ferris of Detroit attended the groom as best man, while Robert Bowman of Battle Creek, Harold Wilson of Ypsilanti and Richard Rivers of Detroit seated the guests.

News In Brief

Mr. and Mrs. Donald Graham, Sr., and family spent Memorial Day with his mother, Mrs. Mac Kellar Graham at her summer home on Erie Blue Beach, Ont. Donald Graham, Jr., who has been home on leave from the U.S. Navy, will return to Norfolk, Va., this week where he will again board the ship, Pocano, and later leave with the Mediterranean Fleet for Greece and other countries.

Mrs. Harold Brisbois and Mrs. Theresa Cameron returned last week from a year's tour abroad.

Mr. and Mrs. John Grest of Evergreen Park, Ill., spent the weekend with his sister, Mrs. Irene Bock and his niece and husband, Mr. and Mrs. Charles Nelson of Blunk St.

Mr. and Mrs. Arthur Blunk and Mr. and Mrs. Frank Henderson of Plymouth will attend the graduation of their nephew, Murray Lyke from Eastern Michigan University Wednesday evening, June 6. A reception follows in the home of his parents, Mr. and Mrs. Myrlan Lyke in Salem honoring Murray.

Mrs. Della Bingham has returned from a six week visit with her son-in-law and daughter, Dr. and Mrs. W. S. Martin in Ludington and is again with her daughter and husband, Mr. and Mrs. Ragnar Blomberg on Arthur St.

Mr. and Mrs. David Latture of Clio were guests of his brother and wife, Mr. and Mrs. James Latture Memorial Day in their home on Harding.

The members of the Wednesday evening contract bridge group, Mrs. Harold Brisbois, Mrs. J. W. Blickenstaff, Mrs. F. R. Hoeisel, Mrs. Mowry Arnold, Mrs. Harry Deyo, Mrs. L. R. Crane of this city and Mrs. Howard Sharpley of Livonia, will be guests this evening of Mrs. Martin Kirchoff in her home on Ann Arbor Rd.

Mr. and Mrs. Robert Uter and their guests, Mr. and Mrs. L. H. Goddard returned Sunday from a few days spent at the former's summer cottage on Little Traverse Bay at Harbor Springs.

Mr. and Mrs. William Johnson of Ann St. entertained about forty relatives from Traverse City, Dearborn, Royal Oak, Hazel Park and Utica, at a picnic Memorial Day.

Mrs. Fred Thomas on Hart-sough will entertain members

Masons Will Hold Strawberry Festival

Colonial Chapter No. 187 R.A.M. and the Followcraft Team of Plymouth Rock Lodge No. 47 F. & A.M. will hold a Strawberry Festival, Saturday, June 16 from 11 til 7 p.m. at the Plymouth Masonic Temple, 730 Penniman Avenue in Plymouth. Everyone is invited to enjoy this event and donations are 75c for adults and 50c for children up to 12 years of age.

Teen-Age Helpers Urgently Needed

An appeal has been made by the Plymouth State Home and Training School for teen age volunteers to work with the children during the summer months. Minimum age for the volunteers is 14 and boys as well as girls are earnestly desired.

Teen age orientation classes will be held at the Administration Building, 15480 N. Sheldon Road, on June 18 and June 25 at 10 a.m. Further information may be had by calling GL 3-1500.

Mr. and Mrs. Harold Coburn Feted on Golden Wedding

To help Mr. and Mrs. Harold G. Coburn celebrate their Golden Wedding Anniversary, Sunday, June 3, 425 relatives and friends gathered at the home of the couple's son and

laughter-in-law, Mr. and Mrs. Ashley R. Coburn at their 125 Canton Center Rd., home. Mr. Fred P. Raven, 87, brother-in-law of the guests of honor, from Benton Harbor and Mr. and Mrs. Lawrence F. Coburn of Akron, O., joined other visiting guests from Michigan, Indiana, Illinois, Wisconsin and Ohio.

Centering the sumptuous and heavily-laden tea table was a handsome tiered wedding cake. The piece de resistance of the afternoon's festivities, however, was the 13-foot golden money tree rising from its pot of gold.

The couple, married 50 years ago on June 4 by the late Rev. Eppins in Memphis, Mich., make their home in Detroit. Mr. Coburn is a past master of Tyrian Blue Lodge of Detroit and Mrs. Coburn is the Supreme Instructor, Order of Rainbow Girls of Michigan.

U of M Honors Carin Stofko

Carin Stofko was among the students recently honored at the University of Michigan's 39th Annual Honor Convocation held at Hill Auditorium in Ann Arbor.

This honor recognition is given to all students attaining a 3.5 average or better for two semesters. Carin has been so honored for three years and she was the only junior student listed under the Curriculum of Dental Hygiene at the School of Dentistry.

A graduate of Plymouth High School, she will be a senior at the University next year. The daughter of Mr. and Mrs. Charles Stofko, 8975 Beck Rd., she is affiliated with Kappa Delta Sorority.

Plymouth Pianists Audition Friday

Seven local piano pupils from the class of Mrs. Florence Crandell, 974 Church St., have registered as candidates for membership in the National Fraternity of Student Musicians, sponsored by the National Guild of Piano Teachers, of which Mrs. Crandell is a member.

Plymouth entrants include Mary Holmes, Karen Upton, Melanie Robinson, Laura Upton, Susan Davis, Jan Fowler and Janice Spence. They will be among 60,000 such entrants across the country. Detroit auditions will be held Friday, June 8.

William Leesch Wins Promotion

Announcement has been made by the Auto-Crat Manufacturing Company of Ypsilanti, of the promotion of William A. Leesch, 840 McKinley, from quality control manager to general plant manager.

Auto-Crat is the oldest and largest manufacturer of seat belts for automotive and aircraft use and has plants at 2850 Tyler Road, Ypsilanti, and Los Angeles.

NEWLYWEDS MR. AND MRS. GEOFFREY L. HUBBELL have recently returned from their wedding trip to Washington, D.C. The couple will make their home in Royal Oak.

Hospital Auxiliary Plans Annual Picnic

The Northville State Hospital Auxiliary has branched out into many new areas this year, with the emphasis still on fund-raising, though the Gift Shop is still the biggest project.

Other Auxiliary functions include serving ward parties, training tour guides and conducting guided tours of the hospital. Their new venture is represented in the children's service program.

Officers serving the Hospital Auxiliary for the second term, 1962-63, are Mrs. Louis Pearlman, president, Mrs. Dewey Horning, vice president, Mrs. Max Davis, treasurer with the following newly-elected officers, Mrs. Crispin Hammond, vice president, Mrs. Chester Teasel, recording secretary, Mrs. Kenneth Shrewsburn, corresponding secretary and Gift Shop treasurer, Mrs. Lawrence Wright.

Tuesday, June 12, at 12 noon the annual pot-luck picnic will be held at the home of Mrs. Crispin Hammond, 47100 Timber Lane, Northville. Those wishing to participate are reminded to bring a passing dish and a table service. A presentation will be made to the hospital at this time.

All groups and individual volunteers who serve the hospital are urged to attend and get acquainted as well as those interested in becoming volunteers. Further information may be obtained by calling Mrs. Hammond at FI 9-6118 or Mrs. Chester Teasel at FI 9-3217.

The traditional round table of King Arthur's court was built that way so that all could sit equally.

News In Brief

Mr. and Mrs. Harold Shire of Ann Arbor Rd. will have "open house" Sunday, June 10, from 1 to 4 o'clock honoring their daughter, Gail, who will graduate from the Plymouth high school on June 14.

Mr. and Mrs. Vern Fillmore of Coldwater were weekend guests of their cousins Mr. and Mrs. Lloyd Fillmore. On Sunday evening they were supper guests of Mr. and Mrs. Kenneth Lunn in their home on Marilyn street.

Mrs. William Farley was co-uncion hostess at 12:30 o'clock Monday when her guests were Mrs. Louise Hutson, Mrs. Fred Ebert, Mrs. Charles Reinas, Mrs. Edgobach, Mrs. Isabelle Taylor, Mrs. Henry Ehrenberger and Mrs. Charles McConnell, members of her "500" club which was played during the afternoon.

Mr. and Mrs. C. Dumke of Wixom were supper guests Monday of his sister and husband, Mr. and Mrs. Bert Krumm.

Mr. and Mrs. Joseph Crupi, daughter, Sandy and Renelle Maycock returned home Sunday from Greenbush Inn in northern Michigan where they had spent several days.

Mr. and Mrs. Steve Veresh of Clemons drive have returned from a two week vacation in Hawaii. They accompanied a group of over one hundred from the Ford Motor Company. En route home they spent two days at the World Fair in Seattle.

Mrs. Harold Todd entertained her canasta club Monday evening in her Clemons road home.

Mr. and Mrs. Robert Beyer and children Mr. and Mrs. Floyd Burgett and children, Mr. and Mrs. Lisle Alexander, Miss Sarah Gayde, Miss Amelia Gayde, Mr. and Mrs. Carl Hartwick of Plymouth, and Mr. and Mrs. T. L. Sullivan and daughter, of Fenton were Sunday dinner guests of Mr. and Mrs. John Conly of Carriage road, Birmingham.

Mr. and Mrs. James Gothard of Eckles Rd., and children, Dave, Sandy and Scott, Mr. and Mrs. Gary Gothard of Livonia and Mrs. Nancy Lingard of Paw Paw, Mich., attended the graduation exercises of their son and brother, James Jr., at Central Michigan University, Sunday, June 3. James received his B.A. in education and has accepted a position in Whittier, Calif. for next fall. Following the ceremony, the family had dinner at the Ember's in Mt. Pleasant to celebrate the occasion.

David and Karl Melow, sons of Mr. and Mrs. Donald Melow of 151 Spring St., are planning an open house at the parental home, Saturday, June 9, for friends and relatives, in honor of the couple's 5th wedding anniversary.

Mr. and Mrs. Ray Kalmback of Deerfield, Beach, Fla., are visiting their daughters and their families; Mr. and Mrs. Don Melow and Mr. and Mrs. Robert Reh, all of Plymouth. The couple arrived early to attend the celebration of Mr. and Mrs. Melow's Silver Wedding Anniversary.

Miss Jean Mining, Mr. and Mrs. John Rogin, Miss Patty Gyde and Mrs. Frank Busha visited the home of Mr. and Mrs. David Gyde 1134 Carol St. Monday evening.

While Frank W. Sherman, 10875 Ann Arbor Rd. was celebrating his birthday last week, he was sending birthday greetings to another person born the same day — John F. Kennedy. Mr. Sherman, 74, sent birthday greeting to the President on his 49th birthday.

Men In Service

David Dyer
David A. Dyer, airman apprentice, USN, son of Mr. and Mrs. Cecil D. Dyer of 9025 Marlowe was serving aboard the anti-submarine warfare support aircraft carrier USS Intrepid, which participated in the recovery operations of the "Project Mercury" orbital space flight last Thursday. The "Aurora 7" space craft which carried Navy Lt. Cdr. Malcolm Scott Carpenter on the three-orbit flight was retrieved at sea by the destroyer USS John R. Pierce. The astronaut, first sighted afloat after the earth-orbiting flight by a Navy patrol air-

How I Earned My First Dollar

William Chapman

Like so many of today's businessmen, William Chapman, manager of the Plymouth A & P Supermarket, earned his first dollar on a paper route. He was 14 years old when he took over his Detroit News route from his brother in Farmington. During high school, he worked in a gas station but after graduation began his long career with A & P. It will be 25 years this November that Bill Chapman began with A & P. Starting out in standard type of grocery, not today's modern supermarket. He attended college a year and a half and in 1942 became manager of his first store. It was in Detroit. Then came 20 months of

craft, was picked from the Atlantic by a Navy helicopter which took him to the Intrepid. He later was flown to Grand Turk Island in the Bahamas.

David Hawk
Army Pvt. David R. Hawk son of Mr. and Mrs. Ira D. Hawk, 48708 Warren Rd., Plymouth, participated with more than 6,000 other personnel in LOGEX '62, a two-week command post logistic exercise and map maneuver at Fort Lee, Va. Hawk participated in LOGEX while on temporary active duty from Fort Eustis, Va., where he is attending the

Transportation School. The 20-year-old soldier entered the Army in November 1961 and completed basic training at Fort Leonard Wood, Mo. Hawk is a 1960 graduate of Plymouth High School and attended Michigan State University, East Lansing.

Robert Callett
Robert W. Callett, son of Mr. and Mrs. Charles Callett of 404 Irvin St., was a representative of Virginia Polytechnic Institute, Blacksburg, Va., at the second annual U.S. Naval Academy Foreign

Harold Carson of 40320 Gilbert St., is serving aboard the destroyer USS Ingraham, a unit that took part in Exercise Quick Kick, a joint training operation held May 7-10, at Camp Lejeune, N.C.

Donald Graham
Donald M. Graham, radarman third class, USN, son of Mr. and Mrs. Donald D. Graham of 595 Ann St., is serving aboard the amphibious

Sherman L. Thompson
Sherman L. Thompson, aviation electrician's mate, airman, USN, son of Mr. and Mrs. Horace A. Thompson of 41090 East Ann Arbor Trail, is serving with Air Anti-Submarine Squadron 28, aboard the anti-submarine warfare support aircraft carrier USS Wasp, which visited Kiel, Germany, May 6, while deployed to the Northern European and Eastern Atlantic areas.

THE PLYMOUTH MAIL Wednesday, June 6, 1962 5.
Before returning to its home base at the Naval Air Station, Quonset Point, R.I., in June the squadron will also have visited Oslo, Norway.
Robert Sylvester
Army Reserve Specialist Four, Robert W. Sylvester, whose wife, Janet, lives at 512 N. Mill, Plymouth, is receiving two weeks of active duty military training at Fort Eustis, Va., with other personnel from the 315th Transportation Company. The training is scheduled to end May 20.
Sylvester, 24, son of Mr. and Mrs. Howard A. Sylvester, 250 Lotz Rd., is a 1955 graduate of Detroit Lutheran High School and attended Eastern Michigan University in Ypsilanti.

Families View Camp-O-Rama

Family campers turned out in mass to enjoy the Plymouth YMCA Camp-O-Rama, which was staged on the grounds of the Allen School on Saturday afternoon and evening, June 2.

A land cruiser, three different types of camp trailers, travel trailer, and several types and sizes of tents were on display. Other displays ranged from chuck wagon pupboards, gypsy boxes, and camp ovens to a variety of gadgets and miscellaneous equipment.

With a campfire as the center of the equipment semi-circle many families enjoyed picnics for their evening meal cooked on their camp ovens or charcoal grills. A number of the families attending indicated interest in weekend caravan tent and trailer camping during the coming summer.

READY TO mow 'em over this summer are partners in the Prep Lawn Service, a group of PHS graduates who will enter college next fall. Byron Latter is starting the mower while watching, from left, are David Raaflaub, Dick Illy, Dick West and Tony Hunt.

Here Are Sketches of Candidates Seeking Board of Education Jobs

Mrs. Beatrice Foersterling
A resident of the Plymouth area seven years, Mrs. Beatrice Foersterling, 1401 Oakview, Canton Township, once worked for the Health Department of the Detroit Board of Education.

She attended Catholic and public schools. She is a member of Our Lady of Good Counsel in Plymouth and St. Bridget's in Detroit, the Rosary and Altar Society of Our Lady of Good Counsel, National Catholic Women's Deanery and Our Lady of Fatima Club. A widow, Mrs. Foersterling is the mother of three sons and six grandsons.

Mrs. Foersterling states that she would prefer to answer the question concerning what she would like to see the Board accomplish after she becomes a member of the Board.

Ernest Henry
Ernest Henry, 383 Pacific, is assistant postmaster in the Plymouth Post Office. Born in Plymouth 54 years ago, he attended Plymouth High School. He was a member of the Plymouth City Commission from April 1951 to 1959 and was mayor pro tem five years. He was president of Kiwanis in 1943 and has been its secretary since 1944. Was a president of St. John's (Episcopal) Men's Club, was treasurer and later-president of the Plymouth Gun Club 1938-56, secretary of the Western Wayne County Conservation Assn. from 1940-46, helped organize the Jaycees in Plymouth, organized and was cubmaster of a cub pack and was a scoutmaster four years. He was lieutenant governor of Division 3 Kiwanis 1956, was Civil Defense director of the City of Plymouth 1951-56, was chairman of the Historical Museum Building Committee, is a member of the Hi-12 Club and National Association of Postal Supervisors. The Henrys have a son in the Air Force and a daughter at Eastern Michigan.

In answer to the question of what he would like to see accomplished if elected to the Board, he said this: "I would try to maintain the fine school system we have now. A good school system brings a good type of citizen to the community. Good schools are also a determining factor in attracting industry to a community. I would work with groups in the City and Township in urging new and better settlement in the Plymouth area in order to maintain a balance between industry and residential growth to help keep taxes at a level of ability to pay basis.

"I believe in fair play for a fair return. Teachers who work to better themselves should be considered in pay raises. I would also like to see information given to the public in such a way that they will be better informed on issues concerning our school system."

"I do not represent or am I a candidate representing any group but the people in the Plymouth School System."

Mrs. Clara Scharmen
A native of Plymouth where she attended Plymouth High School, Mrs. Clara Scharmen lives at 9101 McClumpha Rd. She graduated from Michigan State University with her A. B. degree in history and English and taught English in the Plymouth schools 12 years. She is now a housewife, the wife of Leon Scharmen, an electronics technician in Dearborn.

Mrs. Scharmen is a charter member of the American Association of University Women and serves two terms in the School Community Planning Group, one term as secretary. She is a

Bobby Davis Given Company Promotion
Bobby G. Davis, a resident of Plymouth and a representative of The Life Insurance Company of Virginia's Wayne district office, has been promoted to associate manager and transferred to the company's Huntington, W. Va. district.

Announcement of his appointment, effective Monday (May 7), was made today by Salvatore P. Mancuso, Jr., manager in Wayne.

Davis began his career with Life of Virginia in 1957.

member of the Community College Committee. The Scharmens have three sons ages 14, 16 and 17.

Mrs. Scharmen, if elected, states that her aim "is to serve the public as an unaffiliated citizen who will give serious consideration to issues as they arise and will endeavor to further good administration and a sensible use of the tax dollar to provide the best education for our children."

Carl E. Schultheiss
Carl E. Schultheiss, 47, of 11705 Amberst Court, is manager of the Engineering Services Department at Burroughs Corp. here. A resident of Plymouth since 1956, he served as a member of the school board at Libertyville, Ill. from 1953 to 1956. He graduated from Collar (Wis.) High School, attended River Falls State Teachers College, received a B.S. degree in electrical engineering from the University of Wisconsin and attended the University of Akron. Is on the Board of Directors of the Plymouth YMCA, a member of the Official Board of First Methodist Church and chairman of the Commission on Finance, member of American Institute of Electrical Engineers, Tau Beta Phi and Eta Kapp Mi, was a Scoutmaster, Junior Achievement advisor, a Sunday school superintendent and teacher. The Schultheisses have a son at Michigan State, another son a PHS junior and a daughter who will enter kindergarten next year.

In answer to your question, "What would you like to see accomplished as a member of the Board of Education, nothing I say should be construed as being opposed to efforts of those on the board or in the school district who have placed the general welfare of the community first."

"The school system of any community is the one great measure of that community. It is the on-going thread of life on which we prosper or perish. "The quality of this system depends first on the individual taxpayers and parents, second on the board members they elect, third on the administration they in turn select, and finally, most directly on the teachers chosen. The teachers do respond to the attitude of the community, to the support of the community, and yes, to the demands we as individual taxpayers and parents make upon them.

"I will promote rewarding teachers so they need not be ashamed of their chosen community. I will promote job evaluation and a departmental organization to allow growth for teachers who can qualify.

"I will back and promote a strong administration, one that can see forth and maintain a strong discipline of action and performance for both teachers and students, so that our schools may best serve our community and graduate students second to none.

"I will support the efforts of providing economical and adequate plant facilities to match the needs of our school community."

Phillip K. Settles
Phillip K. Settles, 170 Blunk, is an operations analyst for the Detroit Bank & Trust Company. Born in Detroit 30 years ago, he also lived in Ann Arbor, Garden City and Ypsilanti before moving to Plymouth in 1959. He received a B.A. in economics at the University of Michigan and has completed half of his requirements for a masters degree in business administration. A member of the American Institute of Banking, he serves as an advisor to a Junior Achievement Company, the Little Detroit Bank. He was a member of the Air Force from 1950-54.

If elected, he states that he would like to see the Board accomplish the following: "I would like to see first and foremost improved communications between the Board and the community, which includes taxpayers, teachers and parents. This need was evidenced by the vote on the defeated millage proposal. This was more than just a rejection of the millage increase but a rejection of the policies of the Board. Improved communications will not allow the Board and the community to draw so far apart.

"I am on record as a supporter of the millage proposal as it appears, on the June 11 ballot. However, I sincerely believe that there is room for measures of economy in school operations. We have a good school system in our community. A good school system is the result of the ability and willingness of people to put up the money combined with enlightened use of those dollars. The Board has asked for an increase in the amount of money they have to work with and I support that proposal. If elected, I propose that renewed effort and study be made to enact measurable savings wherever possible.

"I have no axe to grind, I do have an open mind. I expect no radical change in school affairs, I do expect some measure of improvement. I do not think more money will automatically solve our problems. I do believe that cooperation and common sense will."

Robert Soth
The only incumbent candidate, Robert Soth, was elected to the Board in 1958 and is currently its treasurer. A resident of 41430 Warren Rd., he is a technical specialist with the International Business Machines Corp. Soth, 45, is a graduate of Plymouth High School and Michigan State University where he was an engineering. He is secretary and a past president of the Goodfellows Assn. of Canton Township, has been an officer in Hough PTA and is chairman of a Boy Scout troop committee. The Soths have four children: one who graduated from Plymouth High, another graduating this year, one a seventh grader and another in the third grade.

"As a re-elected member of the Board of Education I would like to see a continued operation of the fine school system that we have at present. There are some possible areas in building maintenance and personnel assignments which the Board should take into consideration soon. A curriculum director would be a definite asset to a school system of our size and should be hired soon to be of maximum benefit.

"Rehabilitation and planned maintenance of our buildings and equipment would result in an actual money saving in the future. Emergency repairs, which are required frequently, are always expensive and often result in patching processes which leave conditions which later must be reworked to be reliable or permanent. With a director of Buildings and Grounds now on our staff, a constant sur-

veillance of our assets can be accomplished and preventative measures taken to forestall breakdowns and possible loss of school time if monies are available for this type of program. Spending a dollar now can save us two or more dollars in the years ahead and this makes for a sound investment.

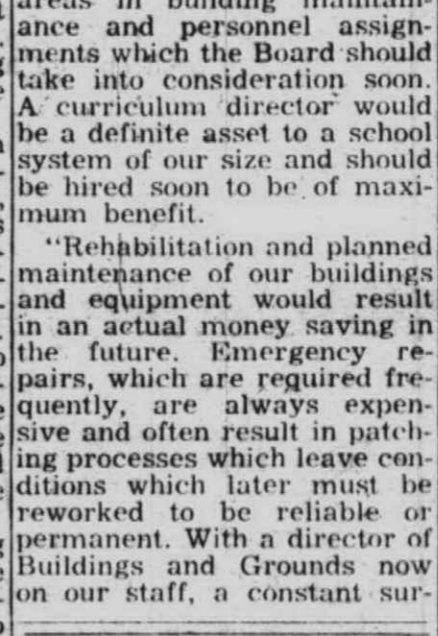

"I would like to see better communication between the Board, the parents of our students, the taxpayers, and the governmental bodies in which our school system operates. At present there is a strong feeling among the board members toward improved communications and the plan certainly has my support.

"I hope and trust that the electorate will provide us sufficient funds, through taxes, to keep our school system operating with a quality educational program and to build and maintain the necessary buildings to house this program. The Board of Education's assignment is still to get the maximum amount of education possible from each tax dollar spent."

Debris In Streets, Wrong Size Rubbish Cans, Can Mean Trouble

More stringent enforcement of the City's refuse ordinance, particularly dealing with the dumping of debris into the street and using garbage containers that are too small, is being promised by the Department of Public Works.

DPW Superintendent Joseph Bida said that many people are raking their yards and dumping the rakings into the street. Others take the mowings and dump them along the curb.

"This should be put into containers and put with the rubbish," Bida pointed out.

Also in the near future, the DPW will start giving violation tickets to those who are not using proper containers for rubbish and garbage.

Containers must be 30 gallon size or less and must be of metal (pails, cans and boxes cannot be used).

Bida said that he has found on Sundays some people already have their rubbish out at the curb. "This does not give visitors a very good impression. In fact, some rubbish is out on Saturday night for Monday pick-up."

Anyone wanting a copy of Refuse Ordinance No. 194 can call GL 3-1556 and one will be sent out, Bida said.

"The City of Plymouth spends approximately \$10,000 a year to keep City streets clean," Bida asserted. "So if the public would cooperate in making sure refuse is put into containers, it would help keep a nice clean look and beautify our city."

The DPW chief said that the City attempts to sweep all paved streets at least once a month, and sometimes more often. The DPW does allow for leaves to be put out by the curb when fall comes when a leaf picker machine is used. But there is no such service during other times of the year.

POOPDECK PAUL, familiar to all young followers of Popeye on CKLW-TV, was in Plymouth last Saturday morning to meet the children. A guest at Fisher's Shoes, Poopdeck is shown with Scott Golem, son of Mr. and Mrs. Donald Golem.

Community College Proposals Get Endorsement of Plymouth Chamber

The Board of Directors of the Plymouth Community Chamber of Commerce has added its name to the growing list of Plymouth individuals and organizations asking for approval of the Northwest Wayne County Community College proposals on the June 11 ballot.

Also approved by the Chamber board has been the millage proposal for the Plymouth School District.

The following resolution was signed by George Lawton, president of the Chamber:

WHEREAS, Michigan's expanding population is causing an unprecedented enrollment demand upon its institutions of higher learning;

WHEREAS, costs of attending these colleges and universities are continuing to rise out of the financial reach of the average family's ability;

WHEREAS, the demand from industry and business calls for increased skills and technical knowledge from our adult population;

WHEREAS, a community college is capable of providing courses of higher learning closer to home and at the same time put it within financial reach of most citizens and will offer additional training to enhance the skills of our adult citizens;

NOW, THEREFORE, We the members of the Board of Directors of the Plymouth Community Chamber of Commerce, do endorse the proposals concerning the Northwest Wayne County Community College appearing on the June 11 ballot and call upon the Chamber membership and others in our community to also seriously consider approval.

George F. Lawton

Dies While Visiting Funeral Home Here

A Detroit woman died suddenly last Wednesday night as she visited the Schrader Funeral Home to view the remains of a friend.

Mrs. John E. Tobin, 38, of 16587 Pierson, Detroit, had gone to the funeral home where the body of Mrs. Ivah Pint lay in state. Mrs. Pint had died in an automobile accident earlier last week.

After Mrs. Tobin collapsed, she was given resuscitation by funeral home employees and later taken to Wayne County General Hospital where she was pronounced dead. She was the mother of four children.

Throng Attends Memorial Day Program

A call for a renewal of faith in freedom was made by State Senator Raymond Dzendzel at Plymouth's Memorial Day service last Wednesday morning.

The state senator, who represents Plymouth in the 18th Senatorial District, was on the cruiser USS Peoria during World War II.

A telegram from Governor Swainson was read expressing the Memorial Day regret to Plymouth and regret that other commitments make it impossible to be in his hometown for the service.

The day's events started with the ceremony at 9:30 sponsored by the Navy Mothers at the Plymouth Rd. bridge over the Middle Rouge River. A wreath is dropped into the water in memory of the Navy dead.

A parade containing the Junior and Senior High School bands, service units and scout groups marched down Main St. to Kellogg Park where the ceremony took place. The parade and service was well attended.

Alan Killen was master of ceremonies. Invocation and benediction was by the Rev. Melbourne I. Johnson, D.D. Pastor of First Methodist Church. After the National Anthem and Pledge of Allegiance, presidents and commanders of the many service units and auxiliaries were introduced.

John Augustine recited "In Flander's Field" and following the address, the wreath was laid before Plymouth Rock by Commander Louis Dely of the VFW and Commander Vernon Miller of the American Legion. The firing of the rifle volley and playing of taps ended the ceremony.

Gerald Olson of the VFW was grand marshal this year and Harold E. Wilson of the Legion was his aide.

only for public school purposes.

Q. Why does the new Junior High-West have marble floors?

A. Board Treasurer Robert Soth answered this question before it was asked from the audience. Soth declared that the hall floors are terrazzo, not marble, and that while this costs more originally than asphalt and other surfaces, it lasts many years longer and costs considerably less to maintain. Those panels on the outside of the building are pre-cast concrete with marble chips. They cost no more than regular masonry construction and are placed there to break up the long buildings and get away from the "institutionalized" look.

Q. Will the school still have three principals for two Junior High Schools and a curriculum director?

A. Fischer declared that there will be but one principal for the two Junior Highs and one assistant principal for each school. Because there will be an exchange of teachers, equipment and some pupils between the two schools during the next two years, one principal over both is needed to coordinate, he said, while the assistants will carry out the programs. Because of the defeat of the four mills in April, the Board foresees no curriculum director in its budget for the next two years.

Q. Where did the Board of Education get its authority to spend taxpayers' money for the community college?

A. Niemi answered that the Board gave \$656 in 1958, another \$2,500 during the next 2½ years, \$2,500 in 1961 and \$2,995 recently. Each participating school district paid an amount based on its assessed valuation. Money was used for a coordinator, a secretary and a minimum amount of supplies. (Not until the public approves a millage issue will the college have money of its own.) "We believe this effort will benefit the education of our people."

Hospital and other expenses for accidents in the United States last year exceeded the total expenditures of the United States Navy.

Dyes, now mostly synthetic, in former years were made from different vegetables and insects.

Diplomas

(Continued from page 1)

play the processional for the graduation ceremony. Invocation will be by the Rev. Edward W. Castner, associate pastor of First Presbyterian Church. After the address will be a clarinet solo by Clare Ann Wilson.

Principal Bentley and faculty advisors Frederick Libbing and Larry Ordowski will present the class. Diplomas will be presented by the Board of Education members who have children graduating. They are Mrs. Kenneth Hulsing, Gerald Fischer and Robert Soth.

The speaker, Dr. Melby, joined the MSU staff in 1956. He went to Michigan State from New York University where he was professor and dean of education from 1945 to 1956. His other positions have included chancellor of the University of Montana, president of Montana State University and assistant and associate professor of education at Northwestern University from 1934 to 1941. He was also an instructor and resident assistant at the University of Minnesota.

Idleness Pays Off For Plymouth Plating Company In Softball Loop

Pursell's Office Supply fell out of a tie for first place in the Class B recreation softball league last week as IBM administered a 5-3 loss to the league-leaders.

As a result, Plymouth Plating, idle last week, stands alone to top the league with a 2-0 record. Vico Products is the only other unbeaten team in the conference with a 1-0 record.

In games last week, Toll House dumped DeHoCo, 11-5, Tait's beat McAllister Bros. & Plymouth Schools, 16-4, and IBM edged Pursell's 5-3.

There were two games scheduled for last Friday evening. But these were postponed, to be played this Friday evening, June 8.

The standings.

Team	W	L
Ply. Plating	2	0
Vico Products	1	0
Pursell's	2	1
Toll House	2	1
Tait's Cleaners	2	1
Carling's	1	1
IBM	1	1
DeHoCo	1	2
McA'str & Ply. Sch.	1	2

Who's Who in the Plymouth Community Schools

Gerrit Kramer to Retire

Gerrit Kramer, a teacher of World and American History in the High School, will retire at the end of this school year after giving 35 1/2 years of time, energy, encouragement, and affection to young people.

Gerrit Kramer

A conscientious Dutchman, born in Holland, Mich., he decided early in life that he wanted to make a career of teaching. Thus after graduating from the Holland High School, he entered Hope College where he earned a BA degree and continued his education at Western State University for a MA degree. Later he worked two and a half years on studies beyond his masters at Wayne State University.

His experience has ranged from teaching the beginner to administering several schools. First he learned the fundamentals of elementary education in a rural school with 66 children to instruct, discipline, and prepare for state examinations.

Then he served as principal in three different school systems: in Ada, later in Byron Center, and then in Dearborn District No. 8. Next he was superintendent of the Rose-dale District in the Livonia Township.

However, his last 17 years have been spent with the young people of Plymouth. Attending all sports events, he has been responsible for the sale of tickets at basketball and football games, and in the classroom he has endeavored to prepare the students for the type of study that college would require of them.

In the community he has given many hours of time to the Senior High teens in the Presbyterian Sunday School and he has been active in the Plymouth Education Association, as well as a supporting member of the MEA.

During World War I, Mr. Kramer was in the Medical Corps at Camp Custer serving both the surgical and non-surgical cases. But when he was ready to embark for overseas duty, he was quarantined by the great flu epidemic.

His avocation is conservation which he and one of his brothers practice on their large homestead near Holland. Here large fruit orchards still stand and 20 acres are covered with Scotch Pines.

A widower, he continues to reside at 879 Forest where he maintained a home with his late wife, Johanna Van Meulen, a registered nurse and also a product of Holland.

"Doc" speaks both German and Dutch fluently and enjoyed the many German exchange students with whom he kept in practice as well as offering them a bit of the familiar in their new and strange environment.

Community College Promises Excellent Academic Program

When Northwest Wayne County Community College opens, it will offer among other curricula an excellent academic program, officials say. There will be no question about the quality of instruction given during these first two years in preparing transferring students to do satisfactory work as upperclassmen at four-year colleges and universities.

"For proof of the quality of community college academic work, area residents only need look at the record of nearby Henry Ford Community College, which in many ways our college will resemble," they noted. Dean Fred Eschelman reports that Henry Ford studies yearly the success of its transfer students.

Dean Eschelman states: "Our students transfer successfully practically everywhere. We make extensive surveys of their grades and find that in the over-all picture, generally speaking, there is little difference between their grades at Henry Ford and at the four-year colleges and universities. Guidance is an important factor, however, and we try to match the abilities of our students with the standards of the institutions to which we recommend them for transfer and the standards of good colleges and universities vary somewhat. For example, a student who earns a slim C average with us might succeed at one institution whereas he might fail at another."

How can a community college have high standards when it admits all high school graduates? This question is a natural one but indicates lack of information concerning the basic organization of a community college. A variety of programs is available. The student enters a program for which he is prepared. Each program must be good in its own way.

If the student has done well in high school, he will be admitted to a college transfer program if he so desires. Those lacking background will have this opportunity to remove academic deficiencies and to prepare for success in transfer work.

67 First Graders Find Flying Is A Real Thrill

There is no doubt about it, we are in an air age.

On Saturday, May 26, the two first grades of the Gallimore School were extended an invitation to fly. Although the experience was not school sponsored, the first grade youngsters and their teachers, Miss Marsha Brown and Mrs. Margaret McKenna turned out Saturday morning at 10 - a total of 67 of them. Alan Finney of the Finney Aviation was host to the youngsters. The boys and girls had to be accompanied by their parents to the field, where they received their name tags, which acted as their ticket to a ride. It was amazing to stand and watch those youngsters, most of whom have never been even that close to a plane, hop aboard, fasten their seat belts and wave good-bye to their parents. Not one tear of fear, no hesitation - just excitement and happiness.

Finney's daughter, Lori Ann, is a member of the class.

Finney and another pilot gave the youngsters a trip over Northville and Plymouth and then pointed out their school to them. Upon their return they jumped down from the plane chattering about how everything looked like toys from the air. Were Mom and Dad afraid to let their youngsters fly? Not at all. After all don't they ride in cars? After the youngsters completed their rides, the two teachers hopped aboard. Miss Brown had flown before, but it was a first for Mrs. McKenna.

Postal Jobs Open

Postmaster George Timpona of Plymouth has announced the opening of new Civic Service examinations for several positions of duty at the office here.

They are for the jobs of clerks and carriers, firemen-laborer positions and custodial laborer positions.

Details can be secured at the Plymouth Post office or from the office of the Executive Secretary, 23 Federal Building, Detroit 23.

The independent Federation of Malaya includes more than two million Chinese among its seven million population.

We, the following citizens of Plymouth Community School District, believe that, in order to maintain the quality of education of the Plymouth Community Schools, we must give our support to the revised operating millage (5.5 mills) proposal which is to be placed on the ballot at the regular school election on June 11, 1962.

We plan to vote (yes) on the proposal, urge our fellow citizens to do likewise and approve the publication of our names in the support of this millage.

Board Members Answer Questions About School for Salem Children

By C. W. Clair
GL 3-2610
Mr. and Mrs. George Morris from Wixom stopped by the Acres last Sunday evening. Mr. Morris is with a tool company in Detroit.

Mr. and Mrs. Cy Burton of Ann Arbor Trail and Haggerty Highway were guests of the Willard Wilsons last Sunday evening. They showed pictures of the tulip festival that they had taken the week before in Holland, Mich.

Mrs. Emma Hoeft of Salem Village is back home from St. Joseph's Hospital. She came home last Tuesday, May 29 after a three week stay there.

Mr. and Mrs. Mark Green of 9751 Six Mile Rd. have returned to their home from Florida.

Mrs. Stephen Carr is still confined to the Ridgewood Hospital in Ypsilanti. The doctors have not found the cause of her trouble as yet.

Mrs. Curtis Hamilton came home last Sunday from the University Hospital. The report that I have is that she is much better.

Mrs. Lupe Grimes was home for a few days after having minor surgery at the Beyer Hospital Ypsilanti. She will go back to the hospital Monday for major surgery Tuesday. Mrs. Grimes' friends are all wishing her well.

The Salem "Song bird" will soon be on her way to Chicago to make more recordings. That's our Barbara Lewis.

Roy Jeffery preached his farewell message Sunday night at the Salem Federated Church. He left Tuesday for Chicago.

Mr. H. C. Shaffmaster's friends will be glad to know that he is feeling real good now and is able to get around. Of course, he is not back in his office yet.

Edwin Hamilton is still confined to the house with the

mumps. It's real bad when an older person picks up something like that.

I talked to Donald Smith Saturday. He is the president of the South Lyons Board of Education. I had a few questions I wanted to ask him regarding the South Lyons School District. The answers may be of interest to all who are in that district from Salem.

I asked him about the 6 1/2 mills that they are asking for their budget requirements. He told me that would not be an addition to our taxes but a continuation of what we have been paying. Unless your valuation has changed it would make no difference; you would pay the same.

I asked him if Salem was going to have a new school. He assured me that there is to be a new school built in Salem. They are buying the property now. When they would start to build he did not know. Several years ago the people of Salem had a chance to build a new school. They would pay 25 cents on the dollar and the government would pay 75 cents. That was turned down by the people, so now we will pay the penalty. But regardless of that, Salem must have a school.

Several thousands of dollars were spent on the old school a few years ago. It was used a couple of years after that and then boarded up. The children were then taken to South Lyons by bus. Why was it closed? Well that's a good question.

If you are in the South Lyons School District your representative from Salem is Mr. Donald Riddering of 9706 Six Mile Road. He is on the Board of Education there.

The John A. VanAken of Salem Rd. have returned home from a short motor trip, visiting friends in Kalamazoo and driving home via Benton Harbor, South Haven, Holland, Grand Rapids and Lansing.

Mrs. William Wassenaar and Mrs. Burton Rich called at the home of Mrs. Duncan McIntyre, Mrs. Rich's daughter at Stanton, Mich. on

Saturday. They also attended an auction at St. Johns before returning home.

Gregg Taft attended school in Northville Heights one day last week to see his first grade school mates with whom he started first grade last fall. He completed the first grade at the Lapham School after his family moved to the Township last

to the Zoo with his former

Cub Pack Visits Selfridge Field

There were 17 boys of Cub Scout Pack 1533 who visited Selfridge Air Force Base recently. The event was well attended by all branches of Boy and Girl Scouts of America and Canada. They had the rare opportunity of examining 10 different types of aircraft moored at the Base and to see close formation-flying of several other aircraft. Of equal interest to the Scouts were the displays of Air Force equipment arranged in one of the huge airplane hangars. Cub Master Jim Blaskman of Pack 1533 reported that the Cubs returned home tired but happy with enough memories to keep them buzzing for weeks. The group is sponsored by the Plymouth Rotary Club.

FRONT ROW CENTER

By George Spelvin
 What happened to "Bravo Giovanni" on Broadway? A month ago an opening night theater party from Plymouth went to the Fisher Theater to see the world premiere. New York reviewers criticized the story line as "weak", "too do-nothing", "a contrived, hack-job of writing."

The musical score was characterized as non-humorous and several of the men in the aisle indicated that these things had been mis-past. His robust tones were best in such a light-weight musical. N.Y.'s big three (Watts, Taubmann and Kerr) critical circles cast strong negative votes. Old George recalls his reviews reflected similar statements.

Critics can be wrong. Many folks can't agree on what is a work of art. Thank you, our tastes are not all universal. What a dull world would be if this were the case. For this reason, Old George always tempers his judgment of cinema and theater with a qualification that all readers of this column would do best to judge for themselves. My views should always be treated with several pounds of salt. After all, a cantankerous old curmudgeon can be quite comical at times.

Belafonte Review
 Yes, I caught the Belafonte concert at the Fisher. Can't say that I was impressed. Folk singing leaves me cold. The repetition of the lines in the songs makes me think that all folk singers feel the audience is slightly deaf. If the lines of the song were worth repeating it might be permissible, but most

Morris chair while planning some new strategy. I'd like to stress that year after year for the past 27 the Ann Arbor Drama Season has been bringing New York's finest actors to the Lydia Mendelssohn. Ann Arbor is far easier to reach than downtown Detroit, but I'll wager that many Plymouth folks have yet to see an Ann Arbor Drama Season play. Mark the week of June 4 through June 10 as "red-bordered."

Marian Mercer, star of New Faces of 1952 and Broadway hit "Little Mary Sunshine", comes to Ann Arbor in the self-same hit as played off Broadway. In fact, "Mary Sunshine" has passed its 1,000 performance mark in New York city. You can have a trip out east to N.Y. by seeing it 16 miles away in the college city.

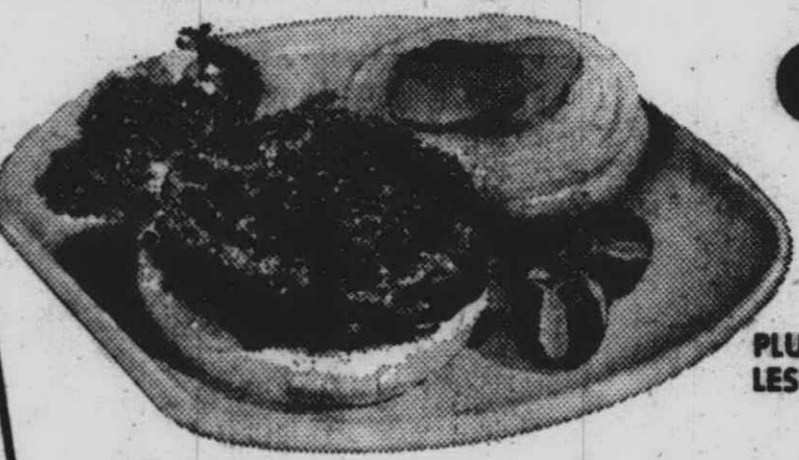

spring elections last week, on a straight "feminine" ticket and swept the Board of Directors. Six women (Kathy Moore, Barb Rumpf, Hal Young, and Effie Merle Heft) remain as hold-overs from last year's board. Betty Broughton) campaigned

men and put the coffee pot on the backburner, the gals (God bless 'em) are coming en masse to the Guild Board meeting. We'll keep you posted as to the innovations planned by the distaff members in the months to come.

Legal Notices

Russling Cutler, Attorney
 STATE OF MICHIGAN, COUNTY OF WAYNE.
 At a session of the Probate Court for said County of Wayne, held at the Court Room in the City of Detroit, on the sixteenth day of May, in the year one thousand nine hundred and sixty-two, I, the undersigned, Judge of Probate, in the Matter of the Estate of ROSE SIETTING, Deceased.
 Dorothy Bassett, executrix of the last will and testament of said deceased, having rendered to this court her first and final account, said matter and filed therewith her petition praying that the residue of said estate be assigned in accordance with the provisions of said will.

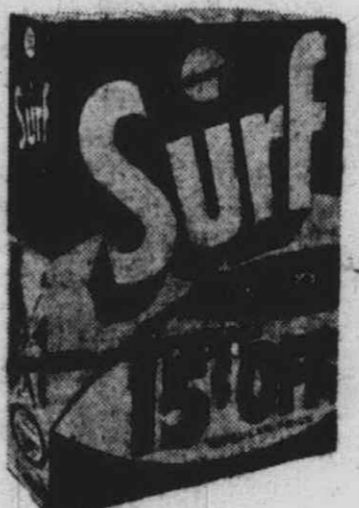

It is ordered, That the Eighteenth day of June, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.
 And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulated in said County of Wayne.
 Ernest C. Boehm, Judge of Probate.
 Harry Bolda, Deputy Probate Register. (5-23, 5-29, 6-6)

STATE OF MICHIGAN THE PROBATE COURT FOR THE COUNTY OF WAYNE
 In the Matter of the Estate of WILLIAM SIKIDAN, Deceased.
 Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon Edward J. Miller, Jr., Executor of said estate, at 772 Burroughs Street, Plymouth, Michigan on or before the 7th day of August, A.D. 1962, and that such claims will be heard by said court before Judge ERNEST C. BOEHM in Court Room No. 1301, City County Building in the City of Detroit, in said County, on the 7th day of August, A.D. 1962, at two o'clock in the afternoon.
 Dated May 22, 1962
 ERNEST C. BOEHM, Judge of Probate.
 I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
 Allen R. Edison, Deputy Probate Register. Published in PLYMOUTH MAIL once each week for three weeks successively, within thirty days from the date hereof. (5-30, 6-6, 6-13)

Chamber of Commerce Pays Tribute to Harold Guenther

Harold Guenther, former mayor and vice-president of the Plymouth Community Industrial Development Corp., has a new trophy to keep polished up.

A plaque was presented to him from the Plymouth Community Chamber of Commerce which praised him for his efforts in helping to bring DSI and RCA plants to Plymouth.

Making the presentation on behalf of the Chamber of Commerce was Superintendent of Schools Russell Isbister. Guenther has spent hundreds of hours of time in negotiation with industry to locate here. His efforts have paved the way for the location of DSI and RCA and he is already hard at work attempting to raise money for other industry.

Here is the text of the tribute paid to him as he received the Chamber of Commerce plaque:

"In a very real sense this is Harold Guenther Day in Plymouth. While it is true many citizens of the Plymouth Community as well as many from other areas of Michigan have their eyes glued on the events happening in our town this week, those of us close to the scene know that much of what this is revolves around you.

"It is fitting, therefore, that we pause at this time and remind ourselves, my fellow citizens, how fortunate we are to be endowed by Harold's active citizenship.

"I have been asked to speak to you and express what I know is in the hearts and minds of those who are here as well as what the unspoken voices of the citizens who are not here would want me to say. We recognize your unselfish dedication to the service of your community — we respect your vision and understanding of what makes a good community — your knowledge of the economic, cultural, educational and religious forces which must be blended together for the well being of all — your ability to lead others in assuming their individual and collective responsibilities in the fulfillment of their citizenship obligations.

"We recognize you, too, for what you are as a person. You possess the strength of character and personal integrity which commands respect. You are motivated by the higher values in life; you are guided by worthy ideals and purposes; you seek ways of sharing your material resources; and you are deeply conscious of your family responsibilities.

"The Plymouth Community is better because you live here. We have watched you in many avenues of service. As the Mayor, as a leader in the Chamber of Commerce, as a Rotarian, as a power in the Industrial Development which we are highlighting today. Wherever you work and serve you exhibit those gifts of patience, understanding and scholarly and perceptive thoughts which cause worthy programs to move forward — we could say more. Your fellow Chamber of Commerce members have said it with this plaque."

Cadillac

How to pay for a Cadillac — and not get one!

1. Assume that the purchase price of a new Cadillac car is higher than it actually is. (There are eleven models of other makes that this year cost more than the lowest-priced Cadillac model.)
 2. Fail to appreciate that the basic price of a new Cadillac includes important things that are extra on many other cars. (Including automatic transmission, power steering and power braking.)
 3. Neglect to find out from a Cadillac dealer what your present car is worth in trade. (He is especially anxious this spring to welcome new owners.)
- And if you take one of these detours, think of all the unique pleasures you could be missing.
- There is Cadillac's styling — so majestic that it attracts attention wherever it goes.
- There is Cadillac's comfort — so wonderful that every journey becomes a brief vacation.
- And there is Cadillac's performance — so great that it is without rival on the world's highways.
- So we suggest that you play it safe — and get all the facts from your dealer soon.
- You might be closer to a Cadillac than you think.

OLGC Gains Berth In CYO Playoffs

Our Lady of Good Counsel clinched a berth in the Catholic Youth Organization playoffs with two more victories last week.

OLGC nipped Lincoln Park's Christ the Good Shepherd, 4-3, early in the week and then pounded out a 9-3 decision over Wayne St. Mary. The two victories stretched OLGC's win streak to six straight.

A first inning flurry against Lincoln Park produced three runs and gave OLGC a lead. Key hit was Mike Klinkhammer's two-run triple. Klinkhammer scored moments later on Jim Ennis' single.

The winning run came in the sixth when Don Drogosh singled in Klinkhammer from second. Ennis was the winner as he allowed only five hits, struck out four and walked two.

Against Wayne St. Mary, southpaw Danny Camp tied a league record by striking out 12 opposing batters as OLGC coasted to victory. The Crusaders erupted for five runs in the seventh inning to decide matters.

Hitting stars in the Wayne St. Mary battle were Mike Lockwood, who had two singles and drove in three runs, and Jim Ennis who contributed three more runs with a single and a triple.

The Drogosh twins (Don and Doug) continued their fine hitting, top, as Doug belted a booming triple to start a fourth inning rally while brother Don led off the five run seventh with a single after having drawn three consecutive walks earlier in the game.

THE FINEST TENNIS TEAM to emerge from Plymouth High in more than two decades recently claimed a Class "A" Regional tennis crown at Cranbrook. Overall, the Rocks won nine of 13 dual-meets during the season and, with their regional victory, added the first team tennis trophy to their list since 1938. The team is shown here. Front row, from left: Dale Livingston, 'Linc' Smith, Jim Jensen and Tom Lock. Middle row, from left: Assistant Coach Jim Stevens, Dave Agnew, Doug Sutherland, Bob Waters, Dave Tidwell, Al Larson, Otto Dobos and Head Coach Jim Doyle. Back row, from left: John Stoyman, John Herter, Tim Wernette, Larry Hall, Mike Bentley and Jim Bruff.

Rocks Rebound with 2 Wins

A minor dry spell ended abruptly for Plymouth's varsity baseball squad last week as the Rocks posted two victories and boosted their won-lost record to 7-4.

Prior to their two wins last week, Plymouth had suffered two consecutive losses, which in turn eliminated the Rocks from further contention in the Suburban Six baseball race.

Last week's successes were comprised of a squeaky 10-9 decision over Ypsilanti Monday and a 6-3 win over league-leading Bentley High Friday.

Bentley had been rolling along with a 7-1 record before Plymouth upended the Bulldogs in Riverside Park Friday afternoon.

The Ypsilanti game was a slam-bang affair which Plymouth managed to pull out with a last-ditch rally consisting of three runs in the bottom of the seventh — and final — inning.

With Ypsi leading 9-7, the Rocks eked out the victory.

Dick Egloff led off the seventh for Plymouth by popping out. But Mickey Herter homered to slice Ypsi's lead to 9-8. Eloy Menchaca followed Herter and was safe on an error. John Smith walked, but Mike Kisabeth struck out.

Then Brian Gilles slammed

his second triple of the game, scoring Menchaca and Smith with the game-winning runs. The lead changed hands several times during the course of the game. Ypsi took a one-run lead in the first inning, but Plymouth offset this with two runs in the bottom of the same frame.

The Rocks boosted their edge to 3-1 in the bottom of the second, but then fell behind 4-3 when Ypsi scored three times in the top of the third. Plymouth moved ahead again in the bottom of that inning with two runs and Ypsi tied it in the fifth with a solo tally.

Plymouth fashioned its 7-5 lead in the sixth on the strength of Gilles' first triple of the game. It set the stage for the Rocks' game-winning surge in the seventh, after Ypsi had

forged ahead 9-7 in the opening half of that inning. Kisabeth was the starting pitcher for Plymouth. He worked five innings, allowed five hits and five runs. Jim Edwards worked one and one-third innings in relief and was tagged for four runs on four hits.

Winning pitcher, however, was John Smith, who came on in the top of the seventh as Ypsi's four-run blast sent Edwards to the showers. Both teams had nine hits. On the strength of his two triples and an earlier single, Gilles led the Plymouth attack. He drove in three runs. Menchaca drove in two runs. The Bentley victory was less hectic for Plymouth. The Rocks scored twice in the top of the first as Jared Stevens doubled with Schryer and Gilles on base. They both

scored on Steven's hit. Two hits in the third produced three more runs for Plymouth. Menchaca and Egloff produced the run-scoring singles and an error paved the way to another score in that cluster.

Plymouth's final run came in the fourth on an error and a walk and Egloff's single that scored Schryer. Bentley scored single runs in the first, third and sixth inning. Winning pitcher was Schryer, whose sore arm relented long enough to permit him to fashion a neat three-hitter as

he mastered the league leaders. It was his fourth win against three defeats. Plymouth got eight hits with Egloff leading the way once again. He had three singles and two RBI's. Team batting climbed to a new high during last week's two victories. The Rocks are hitting .208 as a team now. Egloff leads with a .333 average while Stevens is second at .294. Stevens has 10 RBI's to lead in that department. Plymouth this week was scheduled to face Northville twice as the season ends.

Junior Golf Registration Begins

Registration for the Plymouth Junior Golf Association summer program begins today, it was announced by the recreation department here. Open to boys and girls in grades five through 12, the PJGA is comprised of a beginners division and an advanced division, both of which are determined on a basis of skill and not age.

Registration forms may be obtained at Hilltop Golf Course, where the program will be held, or from the Plymouth recreation department in the high school. The beginners division, which starts its activities June 25, will meet at Hilltop

at 10 a.m. every Monday morning at 8:30 a.m. starting June 18. A tournament will conclude the advanced division's activities. The tourney will be held July 30 and 31. The program for both divisions will consist of instructional clinics, held each Mon-

day prior to the actual playing time. There is an entry fee of 50 cents. Greens fees for beginners are 75 cents and for advanced members \$1.00. Recreation Director Herb Woolweaver asked that applications be turned in as soon as possible.

Northville Downs To Open June 18

Northville Downs, where dollar bills undergo a mystical and fascinating transformation from negotiable green stuff to sadly-torn parimutuel tickets, is set to cast open its gates for the 19th season.

The Downs will open a 42-night campaign on Monday, June 18, and first-night patrons are in for a surprise.

They will be greeted by a completely new, modern, enlarged grandstand with the sides glass-enclosed and a new look that makes the half-mile plant one of the most beautiful and picturesque in the Midwest. John J. Carlo, executive manager, points out that without taking away the one big feature — that of viewing the races practically from trackside which is so popular with standardbred fans — the Downs has completed the third step of its five-year multi-million dollar improvement program and now has a beautiful structure that "doesn't have to take a backseat to any in the area."

The back of the grandstand, facing the huge parking lot, was razed and a 320-foot, three-story section constructed since the end of the 1961 racing season.

The grandstand was widened by 40 feet at each end and deepened by 30 feet with a new mezzanine section that includes 55 mutual windows, modern restrooms and a 320-foot long area for those who like to stand and watch the races.

The three-story addition has space for the executive offices, calculating room,

money room and the electronic 'tote' equipment which required more than 20 miles of additional wiring.

And all are enclosed with huge marbleite panels that give the entire grandstand a beautiful exterior look. Then, too, the ends are now glass-enclosed to protect the patrons from inclement weather.

The additional 80-feet to the grandstand will add 1,000 more reserved and box seats and give the Downs an overall seating capacity of 7,500-4,500 in the grandstand and 3,000 in the temporary bleachers and special seating sections at the east and west ends of the plant.

The extra betting windows will avoid the congestion of former years and enable the track to adequately take care of patrons on the mezzanine since the lines will be able to extend back 30 feet, compared to the 10-feet in the past.

Recreation Program Enrollment Lagging

Enrollment for the various activities within the Plymouth recreation department's summer program has been surprisingly slow thus far this year, announced director Herb Woolweaver last week. Deadline is June 8.

Woolweaver pointed out that even the swimming program, which usually enjoys

No-Hitter Wins For Jr. Rocks

Jim Lake's three-run homer coupled with a no-hit pitching performance by John Daniels led Plymouth's JayVees to a 4-2 victory over Ypsilanti last week as the Junior Rocks finally climbed above .500.

They needed an assist from the weather, however. A game with Bentley later in the week was cancelled by rain, leaving the JayVees with a five-win, four-loss record. A defeat in the Bentley test would have dropped Plymouth back to the .500 level.

Against Ypsilanti, Daniels collared the Ypsi batters with exceptional effectiveness. He faced only 26 men, five over the limit for a seven-inning JayVee game.

Lake's circuit blast came in the sixth inning with Cal Luitbrand and Buzz Smith on base at the time. It was the deciding factor. Plymouth's other run was scored in the third inning on a series of errors by Ypsi fielders.

Daniels ran into trouble in the second inning, but still escaped with little damage. Two Plymouth errors, a hit batsman and a walk gave Ypsi its two runs, both unearned. The victory was Daniels' fourth of the season.

The Bentley game had progressed through one and one-half innings before rain prompted cancellation.

The Rocks had two games on tap this week, both with Northville. One was scheduled for Monday afternoon at Northville, the other is this afternoon (Wednesday) here.

an exceptionally heavy turnout, has suffered lagging response to date.

The summer recreation program begins June 18, the same date that playgrounds open here.

In all, the program offers nearly a dozen individual activities, ranging from baton twirling and cheerleading for younger girls to gymnastics, tennis, boy's baseball and swimming, among others.

It was the lagging swimming enrollment that particularly concerned Woolweaver. He said that there is still a ample room for additional students in all areas of instructional swimming except the 8:30 and 9 a.m. programs which are for second, third and fourth graders.

However, additional classes for these groups may be formed if there is a substantial turn-out at the last minute.

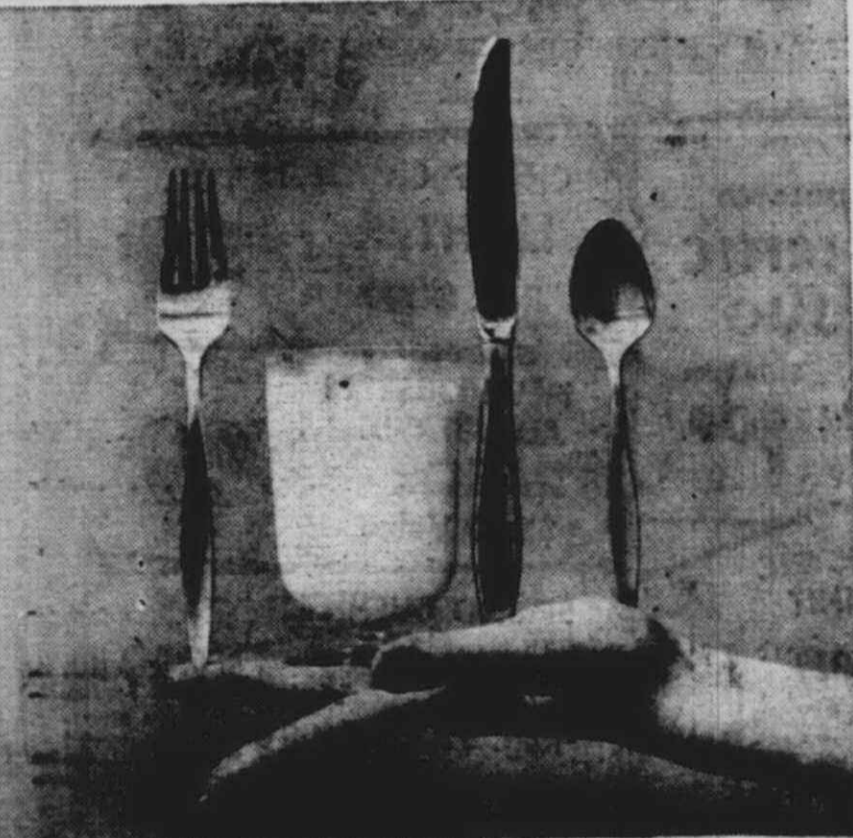

Present openings are available at 9:30 and 10 a.m. for fifth, sixth and seventh graders. Also a number of openings are left in the "intermediate and swimmers" division as well as in "advance and life-saving" divisions.

Plymouth High School swimming coach John McFall will supervise the swimming instruction during the summer program.

Woolweaver added that there are a similar number of openings in the golf and tennis summer programs.

Additional information pertaining to summer recreation enrollment may be obtained from Woolweaver at the recreation office in the High School. The phone number is GL 3-3100.

Keep Your Swimming Pool Clean and Pure All Season Long
WITH Coastal Pool Chemicals FROM Saxtons Garden Center

Swimming and wading pool water may be kept crystal clear and hygienically pure all season long by observing a few simple rules of housekeeping.

For destroying algae and preventing their future growth, as well as removing pool wall slime, use one cup of COASTAL CAL-JET to 3,000 gallons of water every two or three days. (Triple this quantity at time pool is filled for the first time.)

Use COASTAL CLOR-AID POWDER, COASTAL CLOR-AID TABLETS and other chlorine-bearing chemicals in conjunction with COASTAL CAL-JET and other Coastal algaecides for destroying and preventing pool water bacteria.

Add one to two teaspoons of CLOR-AID POWDER or one to two CLOR-AID TABLETS per 1,000 gallons of water daily. (Initial dosage, when pool is first filled, should be triple these amounts.) The exact amount for daily treatment should be determined with a pool water TEST KIT.

Golfers Miss In Bid For League Title

By the slimmest margin possible, Redford Union lifted Plymouth's Suburban Six League golf crown last week in the conference clash at Brae-Burn Golf Course.

Plymouth's bid to retain its 1961 conference crown fell short by two meager strokes.

Redford Union nipped the Rocks, 323-324, while Bentley High finished third with a 327 card and Trenton trailed the other three contenders at 338.

Only 15 strokes separated the four schools in the final standings. In golf, only four of the six Suburban Six league schools fielded golf teams. As a result, neither Belleville nor Allen Park were represented on the links last week.

Redford Union's Jim Welard was meet medalist with a 76 total. Par at Brae-Burn for 18 holes is 68. Skip Otwell, who led Plymouth's attack, came in second in individual standings. Otwell fired a 77.

Carl Zornow added a 78 to Plymouth's team card. Jerry Scott had an 83, and Phil Bender contributed an 86.

"We've learned to be a pretty good bridesmaid this year," commented golf coach John Sandmann later. In addition to finishing second in the league match, Plymouth also was second in the Dearborn Invitational.

Plymouth's dual-meet record by the close of last week stood at five wins and five losses, with one meet remaining. It was scheduled for Monday afternoon at Meadowbrook Country Club.

Northville was the opponent. Results were not immediately available.

A year ago, Plymouth not only won the Suburban Six League golf crown, but finished the dual-meet season with a 12-2 record.

Red Wing Speaks To Kiwanians, PHS Lettermen

Program Chairman Robert Meek presented guest speaker Warren Godfrey, defenseman for the Detroit Red Wings at last week's Kiwanis meeting. He showed a film, "The Fastest Game on Earth," about the National Hockey League 1960 and 1961 playoff games and answered many questions about hockey and the NHL in general.

This was the annual banquet in which Kiwanis honors the graduating lettermen of the Plymouth Community High School and their athletic director, John Sandmann, and Coaches Mike Hoben, Charles Ketterer, Keith Baughman and Jim Doyle.

SPORTSEEN

By Jerome O'Neil

Hearty congratulations this week to:

- 1. Keith Baughman
2. Jim Doyle
3. Dick Michaels
4. Tom Lock and Dale Livingston

... for a considerable amount of success in their various endeavors during the past school year.

Baughman, as he nears his departure time for a lengthy summer stay at the family cottage on Green Lake near Traverse City, can reflect on one of the most successful track campaigns at Plymouth in recent years.

And, undoubtedly, he will reflect on it, since he is Plymouth High's head track coach.

The Plymouth thinclads assembled an enviable record this spring on the cinder tracks of the Suburban Six league and elsewhere.

The Rocks put together an unbeaten skein of six dual-meet victories, marched relentlessly to a Suburban Six League championship crown in the conference meet at Belleville last Thursday, and added a respectable performance in the Claude Snarey Invationals at Bentley on Saturday.

No newcomer to Plymouth coaching circles, Baughman now has completed his 10th year as head track coach here.

Nor is he a newcomer to success, but never by such overwhelming dimensions as those that his track team encountered this season.

For example, Plymouth opened with an 89 1/2 to 19 1/2 victory over Belleville, followed with a 57-52 win over Bentley and then dumped Trenton 78 1/2 to 30 1/2, Redford Union 90-29, Northville 93-16 and Allen Park 81-28.

In between, the Rocks placed second in the Class "A" Regional meet at Bentley mid-way through the season, later claimed the league meet crown and finished fifth at the Snarey Invationals.

It was a marked improvement over last year, when Plymouth was 4-2 in dual-meet action and finished second in the league meet.

Congratulations to Keith Baughman and his 1962 track team.

Jim Doyle similarly encountered unprecedented success as head coach of Plymouth's tennis squad.

While the Rocks engineered only an average record in dual-meet action (9-4), it was in the Class "A" Regional tennis meet that Plymouth really hit its stride.

The Rocks completely dominated the regional contest and closed out the doubles action with two Plymouth teams facing each other for the doubles title.

In the league, Plymouth narrowly missed a conference crown, bowing to Allen Park in the final conference meet and thus slipping to third place.

The regional title, however, more than made up for the near-miss in the conference. It was Plymouth's first such team victory since 1938.

A share of the credit in this department also belongs to Jim Stevens, who for the past four seasons has directed an important recreation tennis program that has, in turn, provided the player talent for the high school tennis team.

To Doyle, Stevens and the Plymouth High tennis squad go our hearty congratulations.

Tom Lock and Dale Livingston deserve equal acclaim since they combined forces to win the Regional Class "A" tennis doubles crown for Plymouth.

Lock and Livingston are unquestionably among the best tennis players that Plymouth has ever produced. Their strong play all season long paced Plymouth's dual-meet victories. In doubles action during the season, Lock and Livingston remained undefeated, winning 13 matches in dual-meet battling and adding five more in the Regional test.

Congratulations to Tom Lock and Dale Livingston.

Last - but not the least - on the list for plaudits is Dick Michaels, for his considerable contributions to Plymouth's swimming team this past winter.

A 17-year-old graduating senior, Dick recently accepted a full athletic scholarship to Ohio State University on the strength of his outstanding swimming abilities.

He had other offers of scholarship assistance from MSU, Colorado State and Eastern New Mexico University.

Michaels led Plymouth's swimming team in individual scoring, set several new swimming records and was described by swimming coach John McFall as "the best back-stroker that Plymouth has ever had."

Congratulations to Dick Michaels.

No-Hitter Wins For Cubs in Junior League

Jim Fisher's no-hit hurling earned the Cubs a 12-1 victory over the Dodgers last week in Junior League action here.

In other National division games, the Braves downed the Giants, 3-1, and the Redlegs nipped the Pirates 5-3. In his victory over the Dodgers, Fisher struck out 15 batters. The lone Dodger run was scored on errors.

In the American division of the league, the Red Sox beat the Indians, 5-1, the Tigers defeated the Orioles, 5-2 and the Yanks stopped the White Sox, 8-1.

The standings:

Table with columns for American League and National League, listing teams and their W, L, and T records.

Plymouth Thinclads Gain League Championship, Conclude First Undefeated Season Since 1953

Following the same pattern that led them to an undefeated dual-meet season this spring, Plymouth's thinclads last week wrapped up their sixth league track championship since 1950.

The Rocks scored 82 points, easily outdistancing arch-rival Bentley High, the only other school given any chance of beating Plymouth in the conference clash held Thursday afternoon at Belleville.

Bentley finished second behind Plymouth with 61 1/2 points. Redford Union was third with 33, host Belleville had 24 1/2, Trenton scored 23 and Allen Park trailed the pack with 16 points.

Plymouth's victory in the league championship meet came on the heels of an unbeaten dual-meet schedule during which time the Rocks racked up six consecutive wins, five by downright gigantic margins. The sixth dual-meet decision was a five-pointer over Bentley.

The overall results netted Plymouth one of its most successful track seasons in half a century. The Rocks concluded their 1962 campaign last Saturday evening at Bentley High in the Claude Snarey Invationals Relays where the local contingent gained a respectable fifth-place finish among eight schools entered.

Only other Suburban Six league school participating in the Snarey Relays was Bentley High, which ironically nosed out Plymouth for fourth place by one-half a point.

In the past 12 years - two under the direction of Konrad Moiso and the last 10 under Keith Baughman - Plymouth has captured four league track crowns, finished as runner-up on five occasions and once emerged third in the conference meet.

During that 12-year span of time, perhaps the most powerful of the Plymouth teams has been this most recent edition.

Baughman, himself, earlier this week labeled the 1962 track squad as "undoubtedly one of the best I've coached in my 10 years here."

Only once before during Baughman's regime has Plymouth fashioned an unbeaten, untied dual-meet campaign.

That was in 1953, Baughman's second season as head coach. Then, as now, the Rocks went on to win the league championship meet by a comfortable margin.

Last year, Plymouth was 4-2 in dual-meet action and placed second in the league championship meet.

In the most recent league encounter, Plymouth jumped off to a quick lead in the field events and held a relatively commanding edge all the way. The Rocks squelched challenger Bentley's hopes from the very start.

"Our point spread over Bentley varied from five to 15," remarked Baughman later. "We added something to that in the final event, the mile relay, however to give us a margin of more than 20 points at the end."

Other than Bentley, no school was even in contention in the face of Plymouth's almost awesome strength.

Enroute to their victory, the Rocks set two new league meet records. Tony Hunt, one of Plymouth's finest speedsters in recent years, set a new standard in the 880. He won the event in 1:58.5. However it was not his best time of the year.

Plymouth's mile relay quartet of Byron Latter, Dave VanOrnum, Dan Stremick and Hunt set the other new mark in that event. Their record-time was 3:33.8.

Plymouth split up the individual scoring among several team members. Leading the way were Bob Steele and Dave Fey, each of whom scored 15 points. Stremick added 13, Hunt and Latter each had nine apiece.

The Rocks' march to victory came about in this fashion:

Hugh Sarah was second in the shot put. Stremick finished second in the broad jump and Mark Fischer was fourth. Stremick won the high jump at 5-foot-8. Mark Fischer scored a fourth in the pole vault.

Steele won the high hurdles in 15.7. VanOrnum, Jeff Fraser, Steele and Fey won the 880-yard relay in 1:34.4. That victory alone was worth 12 points.

Latter won the mile in 4:39.0 as Bob Winterhalter came in fourth. Fey won the 100 in 10.6. Jeff Fraser was fifth in the 440. Steele's second individual victory came in the low hurdles in :21.0.

Hunt won the 880 in record-setting time. Fey won his second event, the 220, in :23.1

while Ken Fischer finished fifth. A record time in the mile relay was additional icing for Plymouth in that event. That, too, was worth 12 points to the Rocks.

Scoring was based on six points for first place, four for second, three for third, two for fourth and one for fifth. The relay events were worth twice as much for each place. Baughman was pleased with his team members.

"Needless to say, I'm proud of them all," he said later. "I think the boys did very well this season."

"There were a number of outstanding individual performances, but still I feel that all of our victories were

pretty much team efforts."

In the Snarey Relays Saturday night, which represented Plymouth's concluding track competition for 1962, Wayne High won with 34 points and Edsel Ford was second with 30. Thurston finished third with 27. Bentley High narrowly edged Plymouth out for fourth place. The Bulldogs scored 25 points to Plymouth's 24 1/2. There were eight schools entered.

The entire meet was comprised of relay events, including the field events. Plymouth was second in the shot put, fifth in the pole vault and third in the broad jump. The Rocks finished second in the four-mile relay,

third in the high hurdles and fifth in the 880.

Then the Rocks added a second in the 440, a fifth in the one-mile relay and tied for third in the low hurdles. Plymouth failed to score in the high jump or two-mile relay.

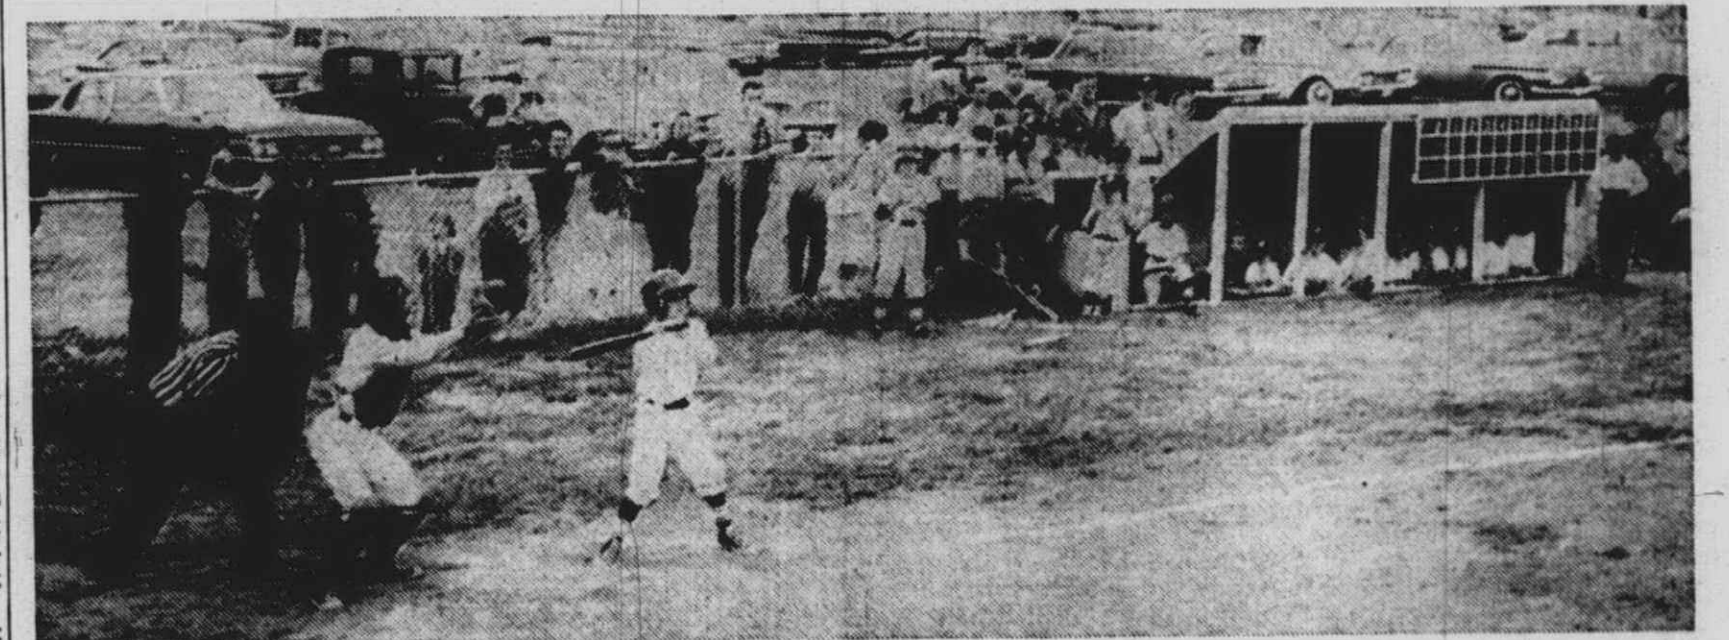

Over the course of the 1962 track season, Plymouth broke or tied five school records.

Bob Steele tied the 120-yard high hurdle standard of :15.2, originally set by Harold Wagenschutz in 1936. Byron Latter established a new mark in the mile run with a 4:36.7 clocking. The old record was held by John Balogh, a 4:42.5 performance in 1952, Baughman's first

year at the helm here.

Tony Hunt set a new record in the 880-yard run. His time of 1:57.6 eclipsed Allen Davies' old mark of 2:04.0 set in 1960. Hugh Sarah broke the shot put record of 50-foot-7 set by Ron Nyhus in 1953. Sarah's new mark is 51-foot-3 3/4.

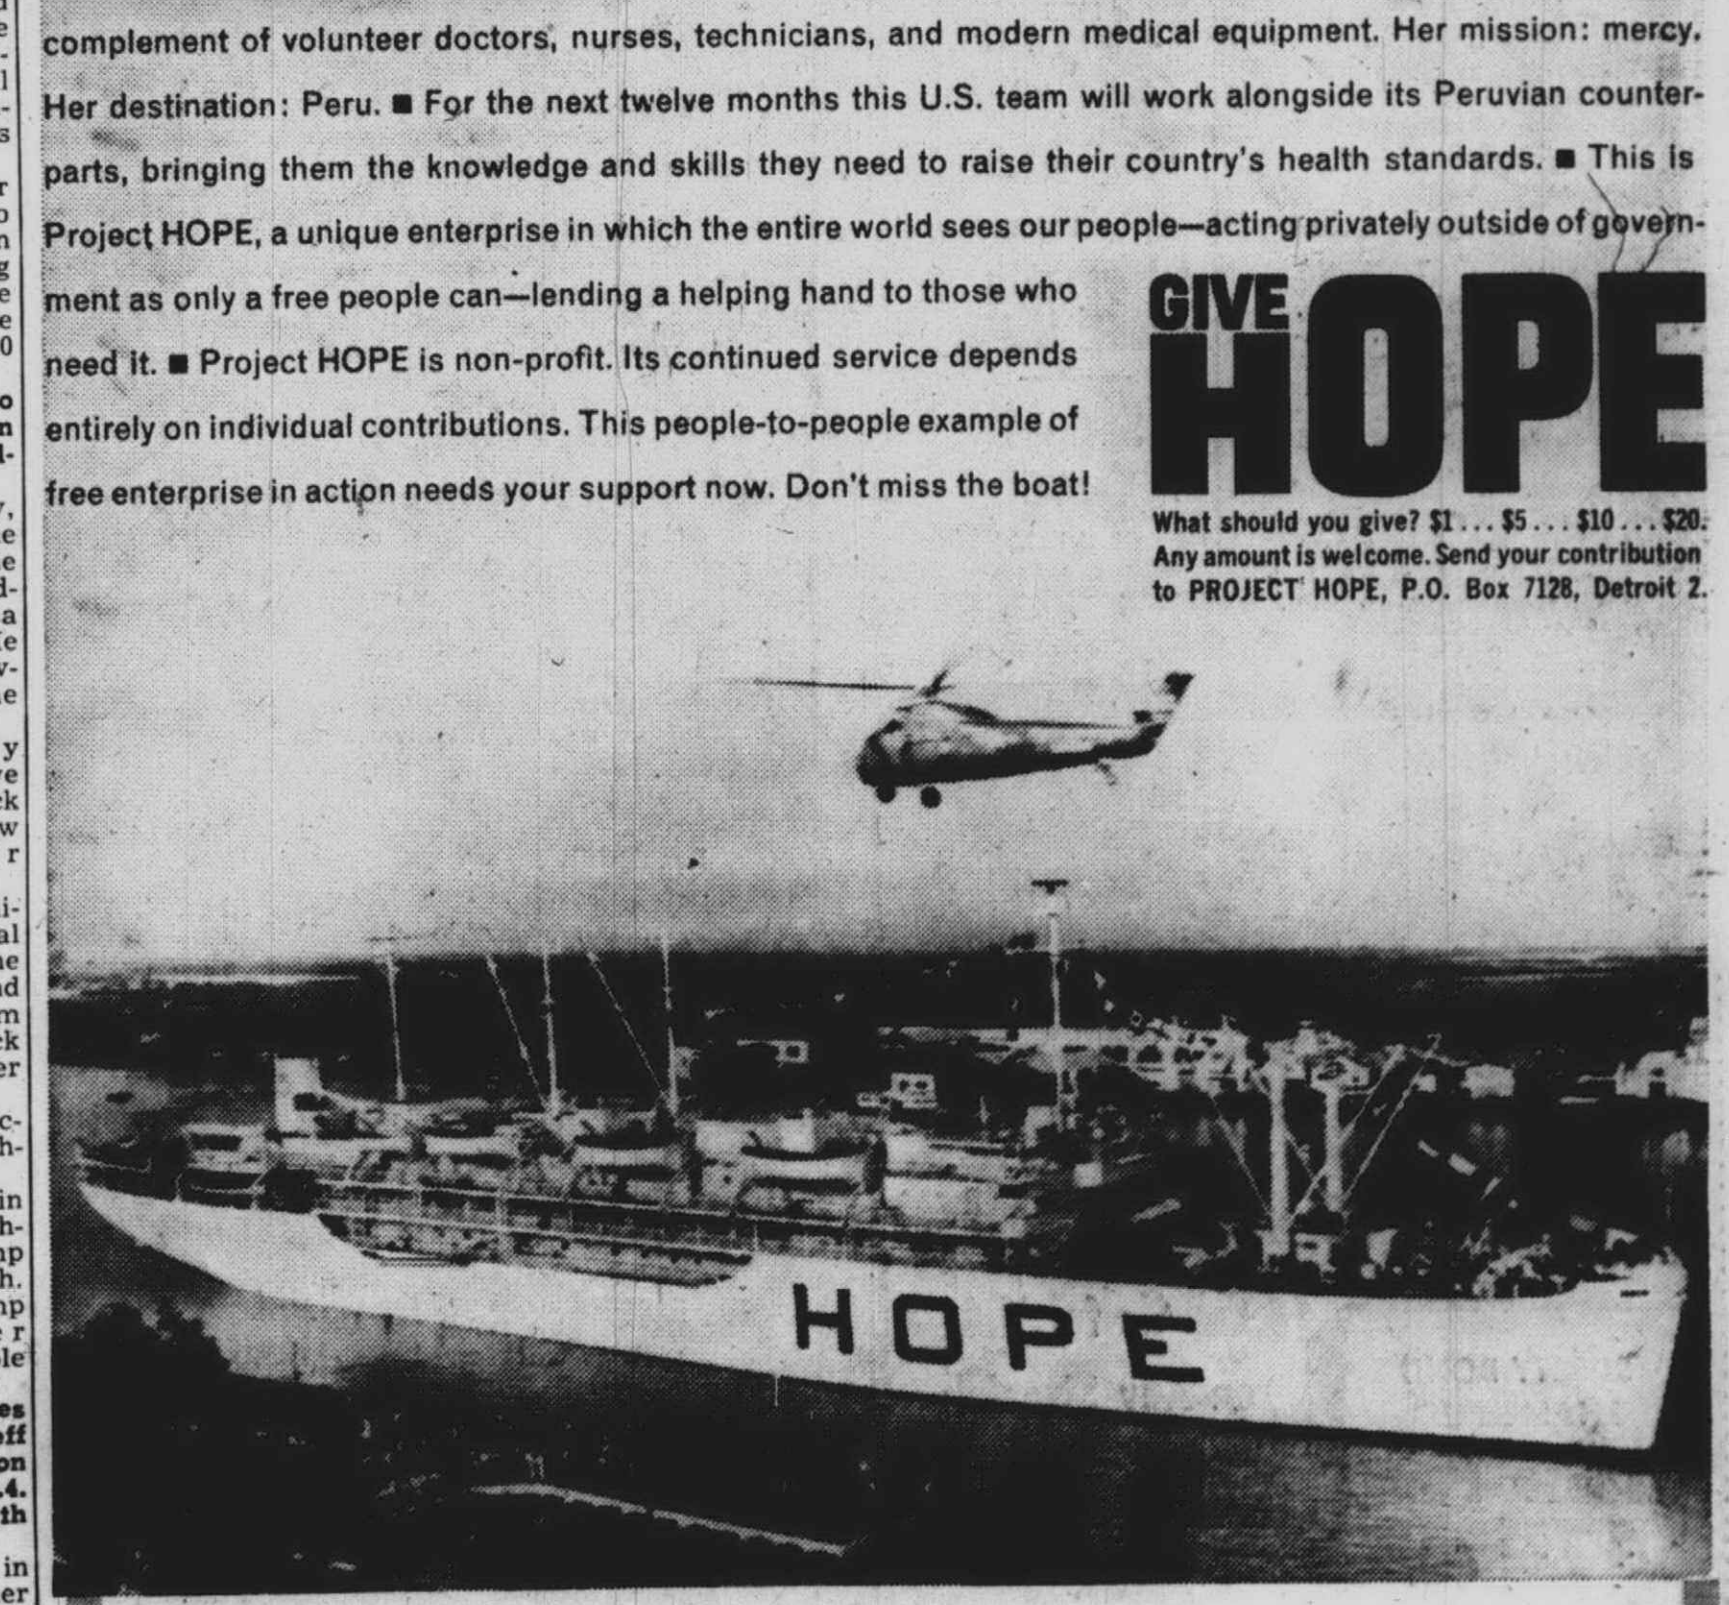

Plymouth's mile relay team this spring broke last year's record in that event. The old standard of 3:41.8 was washed out by Latter, VanOrnum, Stremick and Hunt who turned in a 3:31.6 time this spring. This is only the second season that the mile relay has been an event in Michigan high school track meets.

OPENING DAY for Plymouth's Community Junior Baseball League produced plenty of action and a lot of thrills Saturday, May 26. A total of six games were played, three in the American Division and three more in the National circuit. The scene above shows a portion of action and some of the many spectators that turned out to witness

the opening games. The Junior Leaguers last Friday conducted their fund-raising candy sale, the proceeds from which will go to financing the local program. Another fund-raising project will take place June 9, when the owners of Burger Chef drive-in here will turn over their day's receipts to the Junior Leaguers.

Favorite Recipes from Plymouth Kitchens

Mrs. Lloyd Fillmore

If being invited to a potluck supper sends you into a daze searching for a dish to take, you will be interested in trying Mrs. Lloyd Fillmore's casserole for Mocked Chicken Pie. With those who have eaten it, it has become a favorite.

MOCKED CHICKEN PIE

- 1 lg. cup celery (cut fine)
- 1 medium-sized onion (cut fine)
- 2 cans cream of chicken soup
- 1 can milk
- 4 tbs. flour (rounded)
- 3 hard boiled eggs
- 1 12 oz. can water packed tuna
- 1 box frozen peas
- salt

Cook until tender celery and onion, drain and save the liquid. Set aside. Combine one can milk and liquid with two cans cream of chicken soup and flour, cooking slowly until thick. Add celery, onions, hard cooked eggs, peas and tuna, dice d. (If regular tuna is used, rinse oil off with water.) Salt to taste.

Put in buttered casserole, top with baking powder biscuits. (Cut biscuits with a fried cake cutter to allow heat through and steam to escape.)

Bake at 375 degree oven for approximately 30 minutes or until biscuits are done. Serves 6-8.

Born in Salem, Mrs. Fillmore has spent most of her life in the Plymouth area. She and her husband make their home at 197 S. Union St.

Members of the First Methodist Church, she is a charter member of the Women's Society of Christian Service. Currently she serves as treasurer to the Sixty Plus Club, having just completed a term of office as president. Mrs. Fillmore, along with her husband, is also active in the Plymouth Grange.

Friendly, warm-hearted and out-going, the couple enjoy spending as much time as possible with their grandsons, Gary and Richard and a host of friends.

NOTICE OF SPECIAL ELECTION

Of The Qualified Electors Of Northwest Wayne County Community

College District, Counties Of Wayne, Washtenaw and

Oakland, Michigan To Be Held

JUNE 11, 1962

To The Qualified Electors Of Northwest Wayne County Community College District, Counties Of Wayne, Washtenaw And Oakland, Michigan:

Please Take Notice that a Special Election of the qualified electors of Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, will be held on Monday, June 11, 1962.

The Polls Of Election Will Open At 7:00 O'clock, a.m. And Close At 8:00 O'clock, p.m., Eastern Standard Time.

The following propositions will be submitted to the vote of the electors at said Special Election:

I. Millage Increase Proposition

Shall the limitation on the total amount of taxes which may be assessed against all property in Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by one-tenth of one per cent (0.1%) (1 mill) of the assessed valuation, as equalized, of all property in the College District for a period of twenty (20) years, from 1962 to 1981, both inclusive, for the purpose of providing operating funds, funds for capital improvements and land acquisition, and debt retirement funds for any general obligation bond issue or issues approved by the electors of the District?

II. Bonding Proposition

Shall Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, borrow the sum of not to exceed Two Million Four Hundred Thirty-Five Thousand Dollars (\$2,435,000) and issue its bond therefor, for the purpose of acquiring land for site purposes and improvement thereof and erecting, furnishing and equipping community college buildings?

THE ELECTION WILL BE HELD IN THE REGULAR VOTING PLACE IN EACH OF THE ELECTION PRECINCTS OF EACH SCHOOL DISTRICT COMPRISING THE NORTHWEST WAYNE COUNTY COMMUNITY COLLEGE DISTRICT.

Each person voting on the proposition to increase the total tax rate limitation must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months and in the Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, 30 days next preceding the election.

Each person voting on the proposition of borrowing and issuing the bonds of said College District must be a citizen of the United States, above the age of 21 years, have resided in the State of Michigan for six months and in the Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, 30 days next preceding the election, and have property assessed for taxes within the Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, this District comprising the same territory as Livonia Public Schools School District, Wayne County, Michigan, Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, School District of the City of Garden City, Wayne County, Michigan, and Clarenceville School District of Oakland and Wayne Counties, Michigan, or be the lawful husband or wife of such a person.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

STATEMENT AS REQUIRED BY ACT 293 OF PUBLIC ACTS OF 1947 amending the Property Tax Limitation Act

I, Harold E. Stoll, Treasurer of Wayne County, Michigan, hereby certify that, as of May 18, 1962, the records of this office indicate that the total of all voted increases over and above the tax limitation established by Section 21, Article X of the Constitution of Michigan, in any local units of government affecting the taxable property located in Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, is as follows:

Local Unit	Date of Election	Voted Increase	Years Increase Effective
Wayne County	Apr. 4, 1955	.75 mill	1962 to 1969 inclusive

Plymouth City Minutes

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, May 7, 1962 at 7:30 p.m.

PRESENT: Comms. Beyer, Hartmann, Houk, Shear, Terry, Wernecke and Mayor Sinecock.

ABSENT: None.

Moved by Comm. Wernecke and supported by Comm. Beyer that the minutes of the regular meeting of April 16 and the special meetings of April 23 and April 30, 1962 be approved as written. Carried unanimously.

Since Supervisor Vallier was unable to be present, no report was given.

Mr. Ernest Henry appeared, representing the Plymouth Historical Society, requesting permission to renew the lease for 157 S. Main Street on the same basis as presently exists.

The following resolution was offered by Comm. Terry and supported by Comm. Hartmann:

RESOLVED, that the lease for occupancy of 157 S. Main Street, Plymouth, Michigan, between the City of Plymouth, Michigan, a municipal corporation and the Plymouth Historical Society, a Michigan corporation, dated July 12, 1961, be renewed.

RESOLVED FURTHER, that the City of Plymouth allow the Plymouth Historical Society to occupy the premises at 157 S. Main Street for a period of one year at no charge, beginning June 1, 1962.

PROVIDED, that the Plymouth Historical Society will furnish the necessary heat for the building used in and about said premises and pay all charges that may be assessed against the premises for gas or electric light or power, used in and about said premises, and also pay all water rates and sewer charges charged against said premises.

PROVIDED FURTHER, that the Plymouth Historical Society shall

Moved by Comm. Houk and supported by Comm. Beyer that the matter of the award of the streets improvement contract be tabled until May 14, 1962.

Carried unanimously.

The City Manager presented a report relative to the meeting with the business concerning rubbish disposal in the Central Parking Lot and advising that some means of refuse disposal ordinance and perhaps some means of central disposal containers could be used.

Moved by Comm. Shear and supported by Comm. Wernecke that the matter be referred to the City Manager to prepare an amendment to the refuse disposal ordinance and to obtain prices for containers.

Carried unanimously.

The City Manager presented a plan for the proposed first Federal building at the corner of S. Main and Pennington Ave. indicating the location of the building in the lot.

Moved by Comm. Terry and supported by Comm. Hartmann that the City Manager be instructed to negotiate with First Federal Savings and Loan for approximately 250 sq. ft. of land on the corner of S. Main and Pennington Avenue for the purpose of adjusting the S. Main Street - Pennington Avenue intersection. Carried unanimously.

The following resolution was offered by Comm. Terry and supported by Comm. Wernecke:

WHEREAS, the City Commission of the City of Plymouth, Wayne County, Michigan has, by Ordinance No. 104, provided for the erection of an official Planning Commission;

AND WHEREAS, the Mayor of the City has appointed members of the City Planning Commission;

AND WHEREAS, said Planning Commission is now duly constituted and operating;

RESOLVED, that the City Commission do hereby approve the appointment of the members of the City Planning Commission as follows:

Mr. Robert Maurer of Michigan Bell Telephone Company presented Mr. H. C. Bronaugh, local manager, who explained the procedure used by the company to compute rates and toll charges in the area and stated that Plymouth was outside the 18 mile radius for unit rates.

The City Manager presented a tabulation of bids for street improvements, recommending Michigan Curb and Construction Company, provided certain conditions were met.

30,000, and does not have sufficient finances to pay for all of said comprehensive community plans;

WHEREAS, the Planning Commission has requested the City of Plymouth to request the State Department of Administration to enter into a contract with the Housing and Home Finance Agency for Urban Planning Assistance under the provisions of Section 201 of the Federal Housing Act of 1954, as amended;

NOW THEREFORE, BE IT RESOLVED, that the City of Plymouth, Michigan, requests that the State Department of Administration make application to the Housing and Home Finance Agency for Urban Planning Assistance for the City of Plymouth, Michigan.

BE IT FURTHER RESOLVED, that the City of Plymouth provide \$2,000.00, which represents 25 percent of the cost of the proposed planning work.

AND BE IT FURTHER RESOLVED, that the Mayor be and is hereby authorized to enter into a contract for Urban Planning Assistance for an amount not to exceed the aforesaid sum of \$2,000.00.

RES: Comms. Beyer, Hartmann, Houk, Shear, Terry, Wernecke and Mayor Sinecock.

NO: None.

Moved by Comm. Beyer and supported by Comm. Houk that the City Manager be authorized to discontinue the historical artifacts in the possession of the city to the Plymouth Historical Society.

The City Manager presented a personal note from Jack Levin and wife to guarantee payment of 1962 taxes for Sandy's Drugs, now out of business.

Moved by Comm. Hartmann and supported by Comm. Beyer that the City Treasurer be authorized to accept the personal note from Jack Levin and wife as outlined above.

Carried unanimously.

The Clerk presented a proposed ordinance, relative to the 182 Zoning Ordinance, relative to the powers of the Board of Appeals.

Moved by Comm. Wernecke that the ordinance be amended Ordinance No. 182 Zoning Ordinance, be passed its first reading, by title only.

Carried unanimously.

Moved by Comm. Hartmann and supported by Comm. Wernecke, a \$40.00 a month car allowance be granted for the Urban Renewal Director, and be charged to the project.

Carried unanimously.

Moved by Comm. Terry and supported by Comm. Shear that since all details of the proposed 1962-1963 budget have not been resolved, the adoption of said budget and the depository resolution be tabled until May 14, 1962.

Carried unanimously.

The City Manager presented a bid for the purchase of approximately 4.8 acres of land at the southwest corner of Haggerty Road and Plymouth Road, in the amount of \$5,000.00 from the Campbell Construction Company.

Moved by Comm. Terry and supported by Comm. Hartmann that the bid for the purchase of land at the southwest corner of Plymouth Road and Haggerty Road, in the amount of \$5,000.00 from the Campbell Construction Co. for said project.

Moved by Comm. Hartmann and supported by Comm. Wernecke that the meeting be adjourned.

Carried unanimously.

Time of adjournment was 8:55 p.m.

A special meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, May 14, 1962 at 7:30 p.m. to consider the following:

1. Supervisor's Report
2. Remove from table and consider street improvement bids
3. Remove from table and consider proposed 1962-1963 Budget
4. Remove from table and consider depository resolution.

PRESENT: Comms. Beyer, Hartmann, Houk, Shear, Wernecke and Mayor Sinecock.

ABSENT: Comms. Shear and Terry arrived at 7:31 p.m.)

Supervisor Vallier presented an explanation relative to the procedures for equalization of tax assessments.

Moved by Comm. Hartmann and supported by Comm. Houk that the matter of street improvement bids be removed from the table.

Carried unanimously.

The City Manager presented the bids for the proposed street improvements, Project #183-C, recommending the bid of the Michigan Curb and Construction Company, in the amount of \$43,387.

Moved by Comm. Terry and supported by Comm. Beyer that the bid of the Michigan Curb and Construction Company for street improvements, in the amount of \$43,387.00, be accepted.

Carried unanimously.

Moved by Comm. Hartmann and supported by Comm. Beyer that the matter of the proposed 1962-1963 budget be removed from the table.

Carried unanimously.

The following resolution was offered by Comm. Shear and supported by Comm. Wernecke:

RESOLVED, that the Annual City Budget for the year July 1, 1962 to June 30, 1963, as reviewed at this meeting and previous meet-

changes for sidewalk construction or repair, as provided in Ordinance No. 233; and unpaid charges for water consumption, as provided in Ordinance No. 141, as amended, be assessed against the properties benefited and included in the 1962 tax roll in the amount of \$4,223.65.

BE IT FURTHER RESOLVED, that the maximum salaries and wages for the various positions shall not exceed the amount listed in the budget for the fiscal year beginning July 1, 1962.

BE IT FURTHER RESOLVED, that monies in the sum or sums herein above set forth, for the stated municipal purposes, be and the same are hereby appropriated for the fiscal year of July 1, 1962 to June 30, 1963, both inclusive.

Carried unanimously.

Moved by Comm. Shear and supported by Comm. Houk that the proposed depository resolution be removed from the table.

Carried unanimously.

The following resolution was offered by Comm. Wernecke and supported by Comm. Hartmann:

WHEREAS, there may now be in and may hereafter from time to time come into the hands of Kenneth E. Way, Treasurer of Plymouth, Michigan, certain public monies, belonging to or held for State, County, other political units of the State, or otherwise held according to law; and

WHEREAS, under the laws of Michigan it is required to provide by resolution for the deposit of all public monies including tax

monies coming into the hands of said Treasurer, in one or more banks, hereinafter called banks, to be designated in such resolution.

NOW THEREFORE, BE IT RESOLVED, that said Treasurer, Kenneth E. Way, is hereby directed to deposit all public monies, including tax monies, now in or coming into his hands as Treasurer in his name as Treasurer, in the following bank:

National Bank of Detroit - Plymouth office.

AND BE IT FURTHER RESOLVED, that funds deposited in any of the said accounts may be withdrawn upon a check, draft, or order of the City of Plymouth when signed by the City Treasurer and countersigned by the City Clerk or Mayor, whose signatures shall be duly certified to the designated depository and said bank is hereby authorized to pay said checks, drafts, or orders and charge same to the respective accounts without inquiry as to the circumstances of the issue or the disposition of their proceeds. This resolution is to continue in force until notice to the contrary in writing has been received by said bank.

Carried unanimously.

Moved by Comm. Beyer and supported by Comm. Houk that the meeting be adjourned.

Carried unanimously.

Time of adjournment was 8:29 p.m.

Robert Sinecock - Mayor
Charles Thompson - Deputy Clerk

ANNUAL SCHOOL ELECTION

NOTICE OF ANNUAL ELECTION OF THE QUALIFIED ELECTORS OF PLYMOUTH COMMUNITY SCHOOL DISTRICT WAYNE AND WASHTENAW COUNTIES, MICHIGAN TO BE HELD JUNE 11, 1962

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Annual Election of the qualified electors of Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, will be held in said District on Monday, June 11, 1962.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK P.M., EASTERN STANDARD TIME.

At said Annual Election there will be elected two (2) members to the Board of Education of said District for full terms of four (4) years, ending in 1966.

THE FOLLOWING PERSONS HAVE BEEN NOMINATED TO FILL SUCH VACANCIES:

Beatrice Foersterling
Ernest L. Henry
Clara Scharmen
Carl E. Schultheiss
Phillip K. Settles
Robert R. Soth

TAKE FURTHER NOTICE THAT the following proposition will be submitted to the vote of the electors at said Annual Election:

Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by fifty-five hundredths of one per cent (0.55%) (5 1/2 mills) of the assessed valuation, as equalized, of all property in the School District for a period of five (5) years, from 1962 to 1966, both inclusive, for the purpose of providing additional funds for operating expenses?

- THE VOTING PLACES ARE AS FOLLOWS:
- FIRST PRECINCT**
Voting Place - Plymouth High School, 650 Church St.
- SECOND PRECINCT**
Voting Place - Gallimore Elementary School, 8375 Sheldon Road, Canton Township.
- THIRD PRECINCT**
Voting Place - Plymouth Township Hall, 42350 Ann Arbor Road.
- FOURTH PRECINCT**
Voting Place - Starkweather Elementary School, 550 Holbrook Street.

Each person voting to elect members to the Board of Education and on the proposition to increase the total tax rate limitation must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months and in the School District 30 days next preceding the election.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

I, Harold E. Stoll, County Treasurer of Wayne County, Michigan, do hereby certify that, as of May 3, 1962, the total of all voted increases in excess of the Constitutional fifteen mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of Local Unit:

PLYMOUTH COMMUNITY SCHOOL DISTRICT							
Plymouth, Canton, Northville Townships and Plymouth City							
Wayne County, Michigan							
Local Unit	Date of Election	Voted Increases	Years Increase Effective				
County of Wayne Township of Plymouth	Apr. 4, 1955	.75 mill	1962 to 1969 inclusive				
	Aug. 3, 1954	.6 mill	1962 to 1968 inclusive				
	Mar. 28, 1956	4 mills	1962 to 1975 inclusive				
Township of Canton Plymouth Community School District	Apr. 6, 1959	.5 mill	1962 to 1978 inclusive				
	Mar. 28, 1956	4 mills	1962 to 1975 inclusive				
	May 26, 1952	2 mills	1962 to 1971 inclusive				
	Mar. 28, 1955	7 mills	1962 to 1974 inclusive				
	Mar. 23, 1959	3 mills	1962, 1963				
	June 13, 1960	5 mills	1962 to 1964 inclusive				
Maximum Increases in Effect							
Year(s):	1962	1963	1964	1965 to 1968 inc.	1969	1970	1971
Mills:	22.85	22.85	19.85	14.85 each year	14.25	13.50	13.50
Year(s):	1972 to 1974 inc.		1975	1976 to 1978 inc.			
Mill(s):	11.50 each year		4.50	.5 each year			
Harold E. Stoll Wayne County Treasurer							

I, William F. Verner, Treasurer of Washtenaw County, Michigan, hereby certify that, as of May 7, 1962, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by Section 21, Article X of the Constitution of Michigan, in any local units of government affecting the taxable property located in Plymouth Community School District, Wayne and Washtenaw Counties, Michigan is as follows in Washtenaw County:

By Washtenaw County: 1 1/4 mills, 1953 to 1972, inclusive
By Superior Township: none
By Plymouth Public School District: 2 mills, 1952 to 1971, inclusive
7 mills, 1955 to 1974, inclusive
3 mills, 1959 to 1963, inclusive
5 mills, 1960 to 1964, inclusive

William F. Verner
Washtenaw County Treasurer

This Notice is given by order of the Board of Education of Plymouth Community School District, Wayne and Washtenaw Counties, Michigan.

Donald Juchartz

Extension Agent Biebesheimer Retires July 31

P. R. Biebesheimer, well known to Plymouth area gardeners and farmers, will retire as Wayne county director of the county extension office, effective July 31. His successor will be Donald D. Juchartz, a member of Michigan State University's extension staff in Wayne since 1956. Biebesheimer came to Wayne in 1948 after 20 years of service as agricultural agent for Michigan State University in Cadillac. His 34 years with the Extension service of MSU does not account for all his employment with the University. "Our family farm is now a part of the MSU campus. Before I started to high school, I used to crawl through the fence and pull weeds in the experimental plots at Michigan State and get paid by the hour," the veteran agent commented. He has been with MSU continuously since his graduation.

To Attend Congress

Central Michigan University's Student Senate will send 4 representatives to the National Student Assn. Congress in Columbus, this summer. Among students attending the congress will be Paul Rawley, a Plymouth freshman. Paul is acting chairman of the Student Senate.

Chips from the ROCK

"A COMMUNITY DOES NOT ENDURE BY THE WORK OF HIRELINGS. A COMMUNITY ENDURES WHEN ITS LEAST AND ITS GREATEST CITIZEN LOVE IT ALIKE AND WILL LIVE AND WORK AND DIE THAT IT MAY BE GLORIOUS."

Plymouth was saddened last week by the tragic accident involving four of our residents in which two fine local matrons lost their lives. Perhaps the shock of the swiftness of the tragedy was brought home to many of us more severely by the fact that two days later was Memorial Day and we had more time to reflect on the sorrow of all concerned than we would have had on an average working day.

Certainly the community lost two outstanding women in Ivah Pint and Sophia Trucks who had contributed more than their share of effort and interest in the betterment of this area. There is no need here to further relate their achievements but we should most sincerely like to add our words of comfort to the ones left to mourn their passing. So, too, would we like to add our condolence to the young couple also involved in the tragedy.

This sort of accident is not new to this area. Not many years ago Edwin Schrader told me as we were passing the corner of Territorial and Gotfredson roads that it was corners such as these where he had had more ambulance calls in his many years of service to this area than on any of the major intersections in this part of Michigan. Such was the corner where this accident occurred.

Perhaps we take these roads for granted and few of us exert the kind of caution necessary for safety when we are on the side roads, of which there are many, in our locality. Only three weeks ago I was driving home for lunch on Territorial road and had the green light to cross Sheldon. If by chance I hadn't glimpsed a car approaching at an unusually high rate of speed from the north, and unable to stop for the red light he had, and if I hadn't been traveling slow enough to stop as he swung out to clear my radiator, there certainly could have been another accident at that time.

I sat and wiped my brow as the young driver in his Volkswagen proceeded on to Ann Arbor road and headed to the west apparently unconcerned with the fact that he had just had a near-miss which would have been costly to both cars concerned.

Memorial Day, I heard over the radio, was a Day to honor the dead but it also was a Day to be considerate of the living. It was with this in mind that I felt from this great sorrow perhaps some lesson of caution and care could be passed on to our residents and the members of their families.

The medical profession has long since learned that if one dies and a lesson can be learned from that death to save perhaps hundreds in the future then that person died not in vain. Little comfort for those remaining is this thought, but if from this tragedy others can be saved and other accidents could be avoided, then again these two wonderful wives and mothers must not have perished without more added sacrifice to the full lives they so unselfishly devoted to their families and their community.

Another bulwark of community independence is currently under fire and unless our stalwart community leaders stand their ground we are in danger of again losing more of our identity. This time it is our Community Fund . . . the only one, incidentally, remaining a complete independent in all of Wayne County.

Pressure seemingly is appearing to necessitate our being part of the United Foundation in Detroit. We think UF is a magnificent organization and we long have been a booster of Walter Laidlaw, its vivacious director . . . but . . . we here in Plymouth like to think Plymouth, and be Plymouth, and as long as we have our own active Community Fund organization which serves the need of our various cultural organizations I strongly feel we should be making a sad mistake if we turn our organization over lock, stock and barrel to United Foundation.

True, each year our Fund does give outright 15 per cent of its total income to UF to support the various groups for which UF collects money. This is fine, but under our present operation a group of local people determine which local group and what local groups will receive support from the balance of the money collected in the Plymouth area . . . and I don't think any committee of Detroit's UF would give our organizations the kind of consideration our local people will. As long as we have the money we can administer it. On the other hand if all of our funds were handed over to UF each year it wouldn't be easy to get back all we need locally for support of those things which we think are important to us. As a matter of fact UF indicated last year that it would be questionable, under their direction, if they could continue the support we now give our Symphony Society and this would probably be only the start of many new problems our dedicated fund raisers would encounter.

Let's keep Plymouth supported first. Let's keep our identity. Let's remember Plymouth is Plymouth because we want it that way . . . All too soon those things which we are now so proud of could start to slip away.

Madonna College Awards Bentley Scholarships

A \$750 scholarship grant of the Alvin M. Bentley Foundation, Owosso, to Madonna College, Livonia, is to be shared by two outstanding high school students to continue on with their education.

They are Kay Ann Krause, Bridgeport, and Dolores Kula, Lindwood, Michigan, who were selected by the scholarship committee of Madonna College as recipients of the Bentley Foundation scholarship.

Sixty-two awards were granted by the Alvin M. Bentley Foundation to 47 universities, senior colleges and junior colleges in Michigan for the 1962-63 academic year. They were made directly to the colleges and universities with full scholarships for junior colleges amounting to \$375 and \$750 for the senior institutions. Some institutions, divided the grants to two winners.

Outstanding graduating seniors of all high schools in the state were eligible to compete at any of the universities or colleges receiving the scholarship awards.

Beat the cold-weather rush by having your Ashland Oil Distributor fill your tank now with clean-burning Ashland Fuel Oil. You get the advantage of the lowest summer price with no payment due until October 10. (Payment for Budget Plan customers due September 1.) By filling now, you will be protected against possible price increases and you will receive the advantage of any price reductions. With a full tank of Ashland Fuel Oil with S.C.A. (Sludge Control Additive), your fuel system will

stay cleaner and rust-free, assuring you of dependable heat next winter.

And don't forget Ashland Oil's Budget Plan. Your total annual fuel bill is divided into nine equal monthly installments payable September through May. You avoid the heavy payments of winter's coldest months, and there's no interest or carrying charge to pay.

Let Ashland Fuel Oil take over your heating problem today.

READ THE WANT ADS

"Our basement was hard to heat..."

"Electric heat helped us turn a chilly basement into a year-round family room," says Mrs. Horace Johns, of Millington, Mich. "We have electric heat in the second-floor bedrooms and bath, too. Keeps them as warm as the rest of the house—even warmer if we want. We can raise the temperature in any of these rooms without overheating the whole house. One reason we chose electric heat in the first place was because it cost less to install. Now we like the convenience of electric heat so much that, if and when we buy another home, we'll have it throughout."

What about your home? Do you have a hard-to-heat room? Are you adding on a room? Are you buying a new home? Is the heating system in your present home more trouble than it's worth? One of the types of electric heating units shown below may be the answer to your heating problems. One easy way to find out is to ask your electrical contractor. Another is to call your Edison office. We'll be glad to send you a copy of our free booklet "Electric Home Heating" and will answer any questions you may have about the modern, worry-free way to heat your home—electrically.
