Township Extends Water Lines To McClumpha Road

Water will be extended a little further into the western part of Plymouth Township this fall, a motion by the Plymouth Township Board last week indicated.

The motion called for taking bids on extending a water line along Ann Arbor Rd., from Canton Center Rd. as far west as McClumpha Rd. The same job will also call for rehabilitating the water system in Green Meadows that was formerly under City jurisdiction and

THE NEW SYMBOL of the Plymouth Fall Festival — the stubby colonial man with the bugle — has taken on a bigger form in Kellogg Park where it was erected last Friday to announce to passersby that something big is ahead. Some members of the Rotary Club, sponsors of the chicken dinner during the afternoon of Sunday, Sept. 9, are shown here with the colonial herald. This year, the celebration will start on Wednesday, Sept. 5. Tickets are now on sale for the charcoal broiled chicken dinner. Rotarians are planning to serve 4,000 dinners.

Will Be Third Purchase In City's Industrial Park

The H. F. Campbell Co. of Detroit will bid this week on a parcel of City-owned land upon which they intend to construct a 25,200 square foot industrial building for an automotive firm.

City Commissioners approved a motion Monday night to advertise for bids for the property located southwest of the RCA building that Campbell is erecting along Plymouth Rd., across from the Burroughs Corp.

Commission Sees No Bypass for 10 Years

A modern 60-acre downtown business district proposed in 1959, complete with pedestrian malls and ringed by a four-lane by-pass, is still far away from realization, according to predictions made by City Commissioners at their meeting Monday night.

It was in January 1959 that a consulting firm prepared a 77-page report telling how Plymouth's downtown could be redeveloped into a modern shopping center.

But City commissioners Monday night weren't so sure when the idea would materialize.

The discussion arose when the commission was to vote on whether a chunk should be obtained from the southwest corner of Harvey and Penniman Ave. to eliminate the jog in the intersection. Widening the northeast corner was completed this summer.

Commissioner Richard Wernette questioned whether the City should spend a proposed \$2,163 for widening and paving the corner when the Central Business District plan calls for making Harvey St. a four-lane highway that would by-pass the downtown.

(It would supposedly start at Church and Main, follow Harvey and again Main St. in the area of Linden. Another street would ring the business district on the east. Streets running into the business district would only lead to parking lots and pedestrian malls.)

Other Commissioners felt that such a peripheral road would not come to pass for at least 10 to 15 years. A motion to perform the corner widening work was approved, although Wernette and Carl Shear voted against it.

Actually, the Commission has already acquired some

Board Takes Action On Salary Hikes

Formal action granting cost-of-living increases to all full-time school employees, and establishing a hospital-surgical benefit plan was taken by the Board of Education at a special meeting Aug. 15.

As promised in the recent millage election, all full-time employees are to receive a cost-of-living allowance. This will amount to \$100 for all professional staff members and \$75 a year for non-professional employees.

Similar action was taken on three administrative salaries that are established annually by Board action. The salary of the superintendent was not changed. This salary, set at \$17,000, is now in its second year of the three year contract.

The salaries of the assistant superintendent — business, and the principal of the Senior High School were both increased by \$100 under the cost-of-living adjustment. The salaries were formerly \$11,750.

The Junior High principal, who formerly received \$11,000, will receive \$11,250. The \$250 raise includes the \$100 cost-of-living allowance and a \$150 adjustment for his added responsibilities associated with supervision of the two Junior High schools.

Before granting the increases, the Board President Gerald Fischer reviewed a comparison of the 1961-62 salaries in Plymouth with medium salaries in all Detroit-area districts of comparable size. The summary was (Continued on page 3)

Fall Festival Expands to 5 Days

While the annual Plymouth Fall Festival's big day will be Sunday, Sept. 9, events this year will start four days earlier when local stores attempt to turn back the clock to revive memories of Plymouth at the turn of the century.

The Retail Merchants Committee of the Plymouth Community Chamber of Commerce has lined up four days of activities preceding the Sunday finale.

Orange, brown and yellow bunting — the colors of fall — will be draped throughout the downtown area by the National Display Co. of Detroit.

Starting Wednesday, Sept. 5, the downtown will become alive with strolling troubadours, a popcorn concession, balloon salesmen, carriage and stagecoach rides and other events. They will return each day.

Merchants will decorate their windows with items from the past.

On Thursday at 8:30 p.m. in Kellogg Park there will be a barbershop quartet contest.

On Friday there will be a German Band Concert in the park.

Saturday at 9 a.m. there will be a Pet Show

Dedication Set

Formal dedication of the new Plymouth Junior High School-West will take place on the evening of Thursday, Oct. 11. The decision was made by the Board of Education last week.

Tours of the building will be conducted in the afternoon and evening. A committee will be named to plan the event.

It is always good to have a plan," the City manager added. "In 1947 there was a plan advanced about off-street parking and now two of the lots are a reality and a third is in the talking stage. So these things take time."

Gilbert Pearson Named Assistant At New Junior Hi

Gilbert J. Pearson, a teacher in the Plymouth Community School District since 1956, has been named assistant principal of the new Junior High School-West. The appointment was made at a special meeting of the Board of Education last Wednesday night.

Pearson, 31, lives at 13600 Lakeside Drive. He received his B.S. degree from Eastern Michigan, a M.A. degree from Wayne State and is now a candidate for a doctorate degree. He has been a teacher of English and geography at the Junior High since 1956.

The new appointee will be working under William Harding, who will be principal of both the Junior High-East and West. Until the second phase of the Junior High-West is completed in 1964, both buildings will be headed by one principal because some teachers will be used in both schools.

Aiding the principal will be Pearson in Junior High-West and Carl Taylor, at Junior High-East. Taylor was appointed last spring. Both assistants will earn their regular teaching salary plus \$750 for extra responsibilities.

The Board has also appointed Mrs. Bertha Green, librarian at Junior High-East, as director of libraries in the system. She succeeds Patrick Butler, former High School librarian, who resigned to become librarian of the Northwest Wayne County Community College.

Merchants Join Festivities

On Sunday, of course, will be the chicken barbecue. Plymouth Rotarians are again sponsoring this phase of the celebration.

Tickets are now on sale at many business places. Costing \$1.50 for adults and \$1 for children, the tickets give buyers a half chicken, corn on the cob, a roll and potato chips. Several dozen antique cars will roll into Plymouth during the afternoon.

Two organizations plan to offer drama and several other organizations, such as the Three Cities Art Club and Historical Society, will have displays.

Co-chairmen for the Retail Merchants Committee phase of the celebration are James Thornton, James Houk and Miss Margaret Wilson.

Donna Moers — Grand champion dairy cow (Holstein).
Dan Hauk — Champion Hereford female.
Todd Ehrhart — Reserve grand champion steer (Angus); and reserve grand champion female.
Members of other 4-H groups winning top awards were:
Charles Hasselbach — Champion future show steer (Angus); and winner of the Tractor Operating Contest.
Terry Clark — Grand champion ewe (Shropshire).

Plymouth Youths Big Winners at County 4-H Fair

Plymouth area 4-H club members carried home a large share of the championship trophies and blue ribbons as the annual Wayne County 4-H Fair drew to a close Sunday night.

And the "winning-est" of them all was 15-year-old David Magraw, a member of the Plymouth 4-H Livestock Club, who captured five trophies.

While most of Wayne County's farming land is located in the southern part of the County, 4-H members from Canton and Plymouth Townships occupied a large share of the exhibit space at the five-day fair.

David Magraw, the son of Mr. and Mrs. Russell Magraw, 48657 Warren Rd., is in his sixth year of 4-H competition and this year he hit the jackpot.

Top ribbons and trophies went for the Grand Champion beef heifer — Angus; Grand Champion beef steer — Angus; Dairy showman-

Price Cools Off Thoughts of Air Conditioning

It looks like there will be no air conditioning of City Hall this year — and perhaps never.

Two quotations were taken two weeks ago — one from Otwell Heating with an eight ton unit costing \$4,800, while Keith Heating bid \$2,585 for five tons. Specifications called for reducing temperature in the building eight degrees under outside head and limiting humidity to 55 per cent.

Because of the difference in tonnage of the bidders, Commissioners asked that the matter be turned over to Byron Becker, local architect, for an impartial view.

Becker called in an engineer to look at the building and their report indicated that it would take at least a 45 ton unit to do the job and this would cost an estimated \$10,500.

"This is way out of bounds," Commissioner Carl Shear declared. "We shouldn't spend this much in this building." Other commissioners agreed that it was at least late in the year to be thinking about air conditioning and a motion was approved to table the matter.

And How About a New City Hall, Santa Claus?

If the federal government is willing to spend \$750,000,000 next year for projects that will head off unemployment, if it comes, the City of Plymouth will have plenty of work to do. The bill has now passed the Senate.

The Wayne County Road Commission has asked municipalities to submit tentative works projects for which they could use federal aid.

City Manager Albert Glassford sat down and compiled a list for the Road Commission and the order list went something like this:

1. 13 miles of street paving.
2. Two acres of park landscaping.
3. A 3 million gallon reservoir.
4. One and a half miles of creek enclosure.
5. Two miles of water distribution mains.

Glassford estimates that the projects will cost \$2,500,000.

"I didn't expect Plymouth to use up the County's whole allotment," Daniel Horgan, assistant general counsel to the Road Commission, chuckled as he read over the list.

Replied Glassford: "I didn't even mention three underpasses that we should have that would cost a few million dollars more."

THE TOP 4-H winner in Wayne County at the annual 4-H Fair last week was David Magraw of Warren Rd. The Plymouth High School sophomore won five trophies and six ribbons at the fair. Two trophies apiece were won by the Angus female, left, and Angus steer, right. He also won the dairy showmanship contest.

Some Here Exhibit at State Fair

Two dozen Plymouth area people will have exhibits at the 113th Michigan State Fair that opens this Friday.

According to Walter A. Goodman, general manager, visitors will see more Michigan livestock and farm products than have ever been shown at the State Fair. The fair, held from Aug. 24 through Sept. 3, is being scheduled one week earlier than usual so that school children may attend.

Those from here having entries are:

Horses — M. L. Baxter, 8735 Ann Arbor Rd.; Orvel S. Hamilton, 563 Canton Center Rd.; David Parker, 8989 Ridge Rd.; Mrs. Evangeline Reed, 43790 Shearer Dr.; Russell P. Hoffmann's Will-O-Way Farm, 43790 N. Territorial Rd.; Cecil and Cleo Finlan, 5148 Saddle Ridge; Robert Baumgartner, 4175 Gotfredson.

Also, Harold I. Niemi, 47566 Joy Rd.; Mr. and Mrs. Erich Moers, 2915 Canton Center (Continued on page 3)

Governor Here For Address

Governor John B. Swanson is expected to return to his hometown Plymouth this Friday for an address before the Rotary Club.

Charles Finlan, a member of the club, extended the invitation. No further details of his visit here were available.

**SPOTLIGHT
ON PLYMOUTH TEACHERS**

Robert Smith

All students sooner or later are called into the Plymouth High School office by Robert L. Smith, Jr., assistant principal in charge of guidance and counseling to discuss their scholastic program.

For the past five years he has been assisting them in selecting courses, planning study programs, and guiding them in fulfilling the requirements of their goals. He also directs the work of four part time counselors who share this work with him as the program grows.

Prior to the expanding of a counseling department Mr. Smith for 10 years taught physics and chemistry in the High School. A younger brother, Marvin, is also a teacher in the Thurston High School in the chemistry department.

The son of Robert and Rose Smith, he was born and rear-

ed in Plymouth working in the Sutherland Greenhouse while attending High School. He enjoyed his work in the greenhouses and added part time farm work to his schedule when he entered Eastern Michigan University to study for a BS degree.

For a short time after his graduation he was employed at the Willow Run bomber plant before being called into the service where he soon entered Officer's Candidate Training School and as a lieutenant was assigned to the Medical Administrative Corp.

During the three and a half years in the Army he served mostly in Arkansas, Arizona, Tennessee, and Maryland. Since then he has traveled to all other states except those in Upper New England with his family on summer camping trips.

After the war he began to teach health education at Boy's Republic in Farmington, to direct the recreation program, and during the summer to umpire sand lot games in Detroit. Then moving to Plymouth he continued to work part time throughout his teaching years in the local recreation department as an umpire, as a clerk in a grocery store, or as an agent for the All State Insurance Co.

Mr. Smith has served in civic, religious, and professional organizations. As a member of the PEA he has been president and chairman of the salary committee. In the MEA he has been treasurer and chairman of the salary committee for Region II, and is a life member of the NEA. He has also been treasurer for several years of the Optimist Club.

A member of the Presbyterian Church, he has served as a deacon, and at present is a member of the Social and Education Action Committee.

During these years of varied activities, he included time for additional study. First earning his master's degree in education at Wayne State University and then studying chemistry at the University of Michigan. Later he studied at the University of Wisconsin where he received a NDEA grant for a chemistry institute. In recent years he has elected courses in guidance at Wayne State University and at Merrill Palmer.

Beside sports, Mr. Smith has an intense interest in bridge, playing with vengeance whenever he can, and a never-ending interest in his close-knit family.

Robert 17, co-captain of the PHS tennis team, and Kathleen, a JV cheerleader and member of the ripples, have already won many tennis and badminton trophies in New York, Chicago, and the Detroit area tournaments.

Still developing well coordinated bodies in their loosely organized play are Glenn, a studious 8-year-old; Michael, a very serious 6-year-old, and Colleen, a dancing black-eyed girl of four.

Cass Hough Demonstrates New Propellant

A revolutionary new propellant for a rifle was demonstrated by Cass Hough, president of Daisy Manufacturing Co., before a group of security dealers in Dallas, Tex. recently.

Daisy, formerly located in Plymouth, is now in Rogers, Ark.

Hough refused to reveal exactly how the explosive charge worked or what it was composed of, for he said it was still in the development stage. However, he said Daisy would have a rifle on the market next year using the propellant, according to an article from a Dallas newspaper.

A thick layer of the propellant, which appeared to be a small wad of cotton, is attached directly to the bullet. The bullet is inserted in the rifle and a firing mechanism (which is also a Daisy secret) ignites the propellant.

Hough fired a .22 caliber bullet through a thick pine board to demonstrate the propellant's power.

"No extraction mechanism is necessary because there is nothing left in the barrel. The propellant ignites and leaves no residue," said the former Plymouthite.

To demonstrate this, he placed a piece of the cottony white propellant on a piece of paper and lighted it with a match. It disappeared with a puff of white smoke, leaving nothing on the paper.

He told the audience that major selling points of the new propellant are that it eliminates shell casings and is about 80 per cent cheaper than conventional ammunition.

FAMOUS Stores for Men and Boys opened last week at a larger and newer location on Ann Arbor Trail and most of the old customers, plus many new ones, have dropped in to congratulate owner **Bernie Morrison**, shown here. Formerly located at Ann Arbor Trail and Forest Ave., Famous is now across the street in the former location of Plymouth Men's Wear. A contest offering 50 prizes is still open to those visiting the store.

MOMS News

Mrs. Mildred Kushler, hospital chairman, and her committee went to the V.A. Hospital in Ann Arbor on Aug. 2 to put on a games party for 127 veterans. Prizes were given and refreshments served.

On Aug. 13, Unit 18 had election of officers. New officers are Agnes Rollins, president; Bertha Knapp, vice president; Inez Crubb, treasurer; Alicia Estep, recording secretary; Mabel Donohue, chaplain; and Maud Anderson, Anna Dely and Rose Smith, directors.

The next meeting will be held Sept. 10, during which following a potluck dinner, new officers will be installed.

Letter to the Editor

Editor:
I wish to thank you and the participating merchants for the success of your Sidewalk Sales in Plymouth.

The \$30 grocery prize presented to me was greatly appreciated. Also, the selection of groceries given by your paper and the Kroger Co. was one which should receive a special vote of thanks.

More Women Bowlers Needed

Another season for the Ladies Recreation Bowling League is coming up and more bowlers are needed.

The league, sponsored by the Adult Education and Recreation Department, bowls at 12:30 p.m. each Thursday at Northville Lanes. The new season starts Sept. 6.

Mrs. E. P. Light, 234 Sheldon Rd., said that both regular and substitute bowlers are needed. Any woman interested should contact Mrs. Light at GL 3-3877 immediately.

Schedules Picnic

The Knights of Pythias Lodges in the Southeastern Area will hold their annual area picnic at the Memorial Park in Milan on Sunday, Aug. 26. A basket lunch will be served at 1:30 p.m.

The old Southeastern Area was divided last year, thus forming the South Central Area. Members of the South Central Area are invited to attend the picnic.

Supervisor of the annual picnic, which will be held in the pavilion in case of rain, will be Grand Master at Arms, Glen Davis, of Plymouth.

Thieves Take Safe At Credit Union

The FBI is continuing its investigation into the theft of a safe containing \$500 in cash from the Evans Products Credit Union last week. Sometime last Wednesday night (Aug. 15) burglars broke into the Credit Union located on Eckles Rd. by prying open a door. The en-

tire safe was taken. Inside was an estimated \$500 in cash, along with checks and other records which would be of no value to the thieves. Because the Credit Union is under federal jurisdiction, the FBI has entered the case. The loss is covered by insurance.

WE WELCOME TO PLYMOUTH

FROM CRANSTON, Rhode Island has come the Henry Bell family, living at 325 Sunset. Mr. Bell has been living here eight months but the rest of the family moved here during the July 4th weekend. Mr. Bell is an employee of the S. C. Siffkin Co., 9800 Ann Arbor Rd., a new firm engaged in the development of products in the graphic arts field. The Bells have three children, from left: Julia, 7; Henry, 8 months; and John, 10, who is showing his model airplane. The couple enjoy golf, square dancing and bowling as their hobbies.

TO "GET the goat" of those who fail to show up at meetings, the Plymouth Lions Club devised something new last week when they delivered this goat to the home of Mr. and Mrs. Marshall North on Maple St. The Norths were unable to attend the club's picnic that night so at 9:30 p.m., the goat, along with enough feed for a week, was delivered. It is to remain with one member each week. Mrs. North is shown with the young goat in her back yard, although the animal was kept in the garage.

City Receives \$20,223 Grant

The Housing and Home Finance Agency in Washington has announced that Plymouth will receive \$20,223 in federal grants to help in community planning. The City made application for the funds earlier this year under Section 701 of the Housing Act of 1954. The section grants may be made for up to two-thirds of the cost of planning work. Plymouth has hired Vilcan & Leman as its planning consultant and the firm is to remain the City's master plan.

Chips from the ROCK

I was disturbed last week when I learned of the apathy of the city commission toward the report of the parking committee on the development of the area between Fralick and Penniman avenues. However, I am sure, if I were a member of the commission I would take the same attitude when I looked at the total estimated cost of the proposed package. No question their disinterest was justified.

Certainly the parking committee came up with a lot of good thinking and eventually the proposal might be worked out. However, it is relief that the merchants need now, and there might still be a way to accomplish a lot of additional parking at a much lesser figure than the total estimated cost.

It has been my opinion for a long time that Fralick Avenue should be closed and turned into parking. If the city were to condemn some or at least one of the old buildings on Penniman Avenue, close Fralick then make some compatible arrangement with the Schrader Funeral Home, which has a lot of parking, an area could be started for parking that would extend from Penniman to the Presbyterian Church.

As the development spread, certain properties on Main street and Harvey could be included and an entire city area, perhaps larger than the Central parking lot, might be developed or at least be available for consideration by one or more major retail stores.

Access to the lot with Fralick closed could come from Main street, Harvey street and Penniman Avenue and an entire new area could get started under development, though it might not be finished in its entirety until proper tenants were available to help with the final over-all costs.

The Schrader Funeral Home has been far sighted in procuring necessary parking areas for its needs but most of this area is given only brief usage and when needed it could be closed from public usage. It, in addition to the rest of the available ground, would provide sizeable parking areas which could feed foot traffic into both Main street and Penniman. Here then is a development, not as extensive, but adequate for a start, and all it involves is the condemnation of an old building and the closing of a one block street. Most of the area is somewhat improved so no great expense would be involved in this part of the plan. However, what this development might do, is attract some visionary retail outlet to this section when they could see what little additional effort would be needed, to provide a huge site with an adequate parking area right in our present business section.

In other words, buy the Tighe building for 30 or 40,000.00, open a drive through that area, use the available parking places now there, close up Fralick and turn it into parking and what have you spent? Maybe \$50,000.00 and you have the core of another major parking development.

Frank Allison provided me with the following article clipped from Howard Preston's column in a recent issue of the Cleveland Plain Dealer. Because it seemed to ring a bell with Mr. Allison and myself, I pass it along here to the rest of our readers so they might feel better in participating in future government handouts of their dollars.

"Of all the lost causes I have pushed I think none is recalled more often than the unsuccessful attempt to do away with the expressions 'government expense' or 'paid for by federal funds' and similar phrases."

"Scarcely a day passes but what the newspapers report on some project which the government will pay for. Quite often a politician will explain gleefully to his constituents how he has saved them money. The new bridge or highway or municipal building or what have you will not, says the politician, cost his beloved taxpayers anything but a simple fee."

"The big expense", he tells the audience, "will be taken care of by federal funds".

Everyone Must Pay:
"Now, except for their own contribution through personal tax, politicians don't spend their own money. When the President or the Congress approves a gift or a loan of millions or billions of dollars, inside the country or outside, the money being spent doesn't belong to them."

It isn't President Kennedy's money that's being spent, any more than it was President Eisenhower's money or President Truman's money or George Marshall's money under the Marshall Plan.

The money is taxpayers' money. It is your money and mine and for a long time I have scorched with a slow burn when the loot is referred to as government money.

The implication is when there is a joint financing of some project, any part contributed by the federal government is 'found' money. As long as 'federal funds' are used, nobody has to pay.

Government Never Earns:

"It seems to me it is about time somebody put to use the known facts of financial life, the most prominent being that there are no such things as federal funds in the sense the government doesn't earn a dime unless you include some of the unintentional profits it makes from its intrusion into business."

Because of this, I have suggested more than once that the phrase 'federal funds' be changed to 'taxpayers' money'. Instead of accepting a statement that the United States Government is spending \$50,000,000 for developing of a river, I think the American Society of Newspaper Editors ought to agree to print such an item as follows: "The taxpayers of the United States today spent, etc."

Instead of telling how the federal government is paying for some new buildings in Catchall, Kansas, through generous loans at low rates, the items ought to read, "The taxpaying citizens of 50 states today chipped in \$43,000,000 so that the people in Catchall could have a new downtown development."

Chips Go to Taxpayer:

"In the first place, I think the people who come up with the scratch, not the gents who spend it, should get the credit. In the second place drumming home the point, day after day, that there are no 'federal funds' but only taxpaying citizens' contributions might cause more people to zipper up the national purse strings. At least, it might get recognition abroad for the hard-working folks who make it possible for our agents to play Santa Claus. 'Federal Funds? Nuts. That's our dough.'"

LINDA WALL and MRS. ARNOLD PYLKAS hold up a piece of scenery that will be used in the forthcoming production of "Big, Bad Freddie" to be seen on Sunday, Sept. 9 at the Fall Festival in Kellogg Park. Gunfire, gals, and gobs of gleeful comedy lines will be presented by the Plymouth High School Thespian club as they enact this wild, wild, wild Western.

Local Artist Returns From Seven Month European Tour

Visitors in Plymouth last week, at the home of Mrs. Harold Todd, of 42550 Clemons, were her son and family, Mr. and Mrs. Charles Todd and 15-month-old son, Kevin, who returned Aug. 8 from a seven month tour of Europe.

While in Europe, the Todd's who spent an average of \$9.50 per day, visited 15 countries, including a three-month stop over in Spain.

CHARLES TODD, son of Mrs. Harold Todd, of 42550 Clemons, stands beside one of his sculptures, "My Shadow" made of Honduras Mahogany.

Mr. Todd, known by his Plymouth friends as "Buzz," has fulfilled his school-year's ambition of entering the field of art, by presently having samples of his sculpturing on exhibition at Juster Gallery in New York. He has also had his work displayed in Collectors' Gallery, in Washington D.C., the Smithsonian Institute, and other Washington galleries.

He had his first one-man show in Collector's Gallery in 1960, the same year that he sold his first piece of sculpture. Since that time he has sold pieces of his work to collectors in San Francisco, Olympia, Wash., Seattle, and New York. He has had commissions to do a wood sculpture for a collector in Washington, D.C. and a garden sculpture out of cement for a collector in Chevy Chase, Md.

Mr. Todd and his family, accompanied by his mother, left last Wednesday, for Seattle, where he will seek to expand his artistic talents. Prior to his trip to Europe, Mr. Todd was an exhibit specialist for the Armed Forces Institute of Pathology, Walter Reed Hospital, Washington.

'Big, Bad Freddie' Roars Into Town for Fall Festival

Lee Stone, Doug James, and Linda Wall are busy building scenery with their paint and brushes, crayons, and drawing pencils. The premiere performance (Sept. 9) of "Big, Bad Freddie" is only a couple of weeks off.

The Plymouth High School Thespians are going to participate in the annual Rotary Chicken spread in Kellogg Park on Sunday, Sept. 9. Their hilarious spoof of all Westerns from Tom Mix to TV's "Gunsmoke" promises to be a rip-snorting, gun-slaming, chuckle-l-o-a-d-e-d

Interlochen Camp Cites Ken Fischer

At an awards ceremony, Aug. 19, at the closing of the season at the National Music Camp at Interlochen, Kenneth Fischer, son of Mr. and Mrs. Gerald J. Fischer of 505 McKinley, was selected as one of seven Outstanding Campers among approximately 350 boys in the high school division. In six years of attending the National Music Camp, Ken has won five Outstanding Camper awards. This year Ken also received Second Honorable Mention for the coveted Symphonia Award for outstanding musicianship and campmanship.

Ken was a member of the National High School Orchestra of 103 musicians who played at the White House on August 6. The orchestra was entertained at lunch and a special tour of the White House, following a greeting by the President.

Detroit's zoological park is outstanding among the world's zoos. Here more than 2,000 mammals, birds and reptiles live much as they did in their native habitat. It was among the nation's first zoos to be built with barrier exhibits, the spectators and animals being separated by vast moats.

Thomas W. Callis
Thomas W. Callis, 41, son of Mr. and Mrs. Elyan Callis, of 334 Elizabeth St., Plymouth, died Aug. 11 from a heart attack at the home of his sister, Mrs. Nell Hartman, of Hatrock, Tenn.

GRAHAM'S CHATTER

It is back-to-school time for millions, and this brings us to one of the most controversial subjects facing the country today... the real meaning of education.

Henry Ford had this to say concerning the subject: "An educated man is not one whose memory is trained to carry a few dates in history... he is one who can accomplish things. There are two extremes to be avoided: one is the attitude of contempt toward education; the other is the tragic snobbery of assuming that marching through an education system is a sure cure for ignorance."

Mr. Ford also said that, in order to be an educated person, we have to learn to think, and thinking is hard work, which is perhaps why we have so few thinkers.

There is much more to this interesting subject, but right now we not only "think," we know we had better get on with the commercial, which as you know is the main purpose of this column.

We think... that you will think... the winter coats are the most beautiful every! There is a subtle richness in the fabric and colors this season. For instance, the pale green, almost a beige, with the autumn haze mink collar, goes beautifully with black, brown or neutral colored accessories.

Graham's have out-did themselves this year with unusual fabrics... from the finest makers personally selected whether it is ski jackets, raccoon trim or classical Chesterfields you will find a fine assortment at Graham's.

Many coats are now going into layaway... to save your budget for those important movie magazines and coffee clutches.

Good judgment tells us we cannot possibly describe all our coats here, and anyway it is more fun to see them, so... we invite you to shop today and hope to be seeing you at GRAHAM'S in the Center of Plymouth!

No family need settle for less than Schrader service. It's true, we provide more than one would expect of a funeral director, but that doesn't mean our prices are higher. To the contrary, they're extremely moderate.

Serving As We Would Wish to be Served
SCHRADER Funeral Home
280 SOUTH MAIN STREET
PLYMOUTH, MICHIGAN

In addition to his parents, Mr. Callis, who was born April 14, 1921, in Rives, Tenn., is survived by a daughter, Manda Jean, of Columbia, Tenn.; a son, Jamie; a sister, Mrs. Nell Hartman, of Antioch, Tenn., and three brothers, Hardy, Gene and Bernie, of Plymouth.

Isabelle Apel Seidenstricker
Private funeral services were held today at Schrader Funeral Home for Mrs. Isabelle Apel Seidenstricker who died Monday morning in St. Mary Hospital, Livonia, following a long illness. Her home was at 8450 Canton Center Rd., Plymouth.

Mrs. Seidenstricker, who came to Plymouth from Detroit in 1952, is survived by her husband, Paul, two daughters, Mrs. Helen Hintzen, of St. Clair Shores, and Miss Ruth Seidenstricker, of Plymouth; a brother, August Apel, Galesville, Wis.; a sister, Aileen Apel, of Detroit, and a granddaughter. She was preceded in death by a son, James, who was killed in action in the U.S. Army in Germany.

Stanton L. Klink
Through an oversight, the family of the late Stanton Klink neglected to send the following obituary which is now published at their request.

Stanton L. Klink, 678 N. Adams St., Plymouth, died Sunday, July 22, at St. Joseph Mercy Hospital, Ann Arbor, where he had been a patient three days. He is survived by his wife Ruth Sweeney Klink, of Plymouth; two sons, Ivan S., of Columbus, O., and Kenneth K., of Clearwater, Fla.; a sister, Bertie Baker, of Adrian, six stepchildren, and four grandchildren. Services were held July 24 at the Everiss Funeral Home, Adrian. Interment was in Weston Cemetery, Weston, Mich.

Geneva B. Bailor
Mrs. Geneva B. Bailor died Aug. 12 in Alton Memorial Hospital, where she had been a patient for three weeks, at the age of 76. A former resident of Plymouth for twenty years, her home was in East Alton, Ill.

Born in Depoy, Ky., March 4, 1886, Mrs. Bailor was a member of the First Baptist Church of Tucson, Ariz., and of Plymouth Chapter 115 O.E.S. She is survived by two sons, Thomas E., of May-

Canton News

By CLARA WITHERBY - GL 3-7435

Mrs. Frederick L. Green, of Lotz Rd., who is the Division Chairman of the October canvas for the United Foundation Torch Drive, for Canton Township and Denton, has the following workers: Mrs. Forest Hugh White, 45500 Cherry Hill, GL 3-6535; Mrs. Henry Rupert, 39720 Koppernick, GL 3-7047; Mrs. Robert McKinstry, 49170 Michigan HU 2-0536; Mrs. Louis Stein, 4482 Sheldon Rd., PA 1-5508; Mrs. Richard Duntun, 6372 Denton, HU 2-7718.

If anyone for whom you care has ever had occasion to be grateful for the existence of any of the many agencies supported in part by United Foundation Funds, or if in your good fortune you know of no need for these, perhaps you are the very person most in need of learning the joy of sharing your "crust of bread." Your generosity and courtesy, planned now, with that extra quarter tucked away as often as possible in readiness, will make the work of this campaign a pleasure, and will retain for your neighborhood the pride of paying its own way.

Mr. and Mrs. Richard Howcroft, of Lotz Rd., have just returned home after a three-week tour of Mexico, which they report was a fabulous experience, having visited the many points of interest; the Pyramids, churches, shrines, and cathedrals; one in Mexico City with the alters in the Chapels done in 22 Karat gold, and one in pure silver. They saw the Ballet; and visited many small towns.

Mr. and Mrs. O. H. Schrader of Canton Center Rd. attended a family reunion at Manchester, Mich. which was held in honor of the 80th birthday of Mrs. Schrader's sister, Mrs. Pearl Procter. There were over 100 present, coming from Birmingham, Trenton, and the surrounding communities.

Mrs. Rachel Adams of Milford, New Hampshire, is visiting her daughter and son-in-law, Mr. and Mrs. Joseph Slovik, of Warren Rd., having just come from visiting her son and family in Kansas City, Kansas.

Mr. and Mrs. Dale A. Shetterline, of Al Smith Rd., have returned home from a two-week Trailer vacation, one week at East Tawas, and one week at Houghton Lake, where they visited Mr. Shetterline's sister and brother-in-law Mr. and Mrs. Drexel Hudspeth.

Josephine Armstrong, daughter of Mr. and Mrs. Eugene Armstrong of Canton Center Rd., is having a six-day stay at Girl Scout Camp near Howell. They are camping in tents.

Mrs. Florence Plant of Ford Rd., visited her mother, Mrs. Wesley Willis of Wardsville, Ont. over the weekend. Mrs. Willis, who is 86 years young, fractured her pelvis four weeks ago, is now up and walking.

Mr. and Mrs. Gordon Vetal and children, of Warren Rd., have returned home after a two-week vacation, one week camping through Ontario, and one week at a cottage in Selkirk State Park on Lake Ontario in New York State.

The Witherby house is a quiet and dull place right now. Our daughter Patricia, (Mrs. Philip Palisano) and her three children, who have been visiting us for three weeks, left Sunday morning

for their home in Lockport, New York. We finished up her visit with a big Family Reunion on Saturday in our backyard.

Mrs. Walter Tuck and children, of Canton Center Rd., have returned home after a three-week vacation; two weeks in Union City, Tenn., visiting the children's grandmother, Mrs. Mark Tuck; and one week in Chicago, visiting Mr. and Mrs. Hugh E. Martin, who are cousins.

Mr. and Mrs. Harvey G. Vetal, of Sheldon Rd., have as guests, their daughter and husband, Mr. and Mrs. Donald Eby and four children, of Montgomery, Mich.

Associated Spring Directors Declare 20-cent Dividend
Directors of Associated Spring Corporation, with general offices in Bristol, Conn., have declared a third-quarter dividend of 20-cents per share. The dividend is payable September 10 to shareholders of record as of the close of business September 1. This dividend represents an increase of 5-cents per share over the dividend declared during each of the preceding quarters of 1962.

Letter To The Editor

Editor

My mother, along with Mrs. C. H. Hammond, Mrs. Frances Garton, and Mrs. Zelma Smith, of Livonia left here Tuesday after a six days visit. I fear that they are going to ask some questions that the school board in Plymouth didn't bother about prior to the school millage vote.

I followed the school millage issue, via the Plymouth Mail, due to my mother receiving a fixed income and further, due to our school situation, and the fact that I am president of the P.T.A. (I also sent Wayne friends, some on the faculty in Wayne, home with the same questions).

How many mills is the Plymouth board getting for debt retirement? And, how many mills for operating expenses. Now, I shall tell you our story. We have no industry, only farms, a few motels and cabins, plus people's summer homes. We have a Consolidated School in Brimley that serves three townships. If you're familiar with this County, you know that a good half of our land is Indian Reservation (Fed. Gov't. pays our school system something like \$7,000 for the reservation land) and Federal forest. So, late in '54 we got through a bond issue to build an elementary school — as all grades, kindergarten through 12th were in the one building built in 1909. I don't recall the amount of the bond but, in Sept. of 1956 our elementary pupils moved into a building consisting of six grades, kindergarten, all purpose room, very functional kitchen (the two cooks serve 75 to 200 meals per day) and administrative offices. The design is such that it can be added on to later. Then, in the spring of 1960 the state Fire Marshall came in and condemned our 1909 Vintage building. A Citizens Committee was formed, and estimates as "fixing up" the old building were obtained. The cost was prohibitive and would have been repeated year after year. So, an architect was obtained and we told him what we wanted in a school plant. Then, we went to the voters (I was a "leg man" too). We had facts and figures and could answer all questions. We visited all schools, asking for a \$625,000 bond issue. It went over better than 3 to 1 in Sept. of 1960. \$16,000 of that bond issue paid off the balance on our elementary school. In March of this year our high school pupils moved into the new building. (our high grade has a population of approximately 195 pupils). We have 7 class rooms, a library with connecting study hall and labs for home-making, science, commercial, band and shop. Plus a built in concession stand, beautiful gym (will seat 1400), girls and boys shower room, also, football drying room so the team doesn't even step into the shower room with muddy clothes, and a well equipped lounge, counseling rooms, book store, and two-room office. This building, too, is so designed that it can be added to. Our \$509,000 included all furniture for the new school, drapes, public address system, wiring for closed circuit TV and, even trophy cases. Also, the latest in folding bleachers (all metal) and, as

we are the only school in the U.P. with this type bleacher, any sold to other schools after seeing ours, will give our school system a commission. This money also includes lockers, with combination locks, for each pupil and self contained fire extinguishers and waste containers. We have no frills, all very functional and serviceable. Our money was well spent!

This summer, the old, obsolete building was wrecked, and that area filled and is now a parking lot. The old gym is being converted to a bus garage — Will hold our fleet of 6 buses and, we have a full time mechanic to care for them.

Our debt retirement, for the past two years (1960 and '61) was 13 mills. Our operating expenses are 8 mills. Saturday's paper stated that our debt retirement is being reduced by 1 mill, effective on our December taxes.

Our Supt. isn't a Ph. D. but he has his Masters in school administration. Our principal is, also the Math teacher and he has a Masters.

We're proud of our school board — there are three farmers, one heavy equipment operator, one carpenter, one retired army sergeant, and, the only woman, a private secretary. We feel they have done a marvelous job on getting so much for so little.

We welcome anyone who would like to see our school system. (I wouldn't doubt that we pay off the bond issue before our allowable 20 years, either!)

Sincerely,
Mrs. Carol Hammond-Wieland

St. Mary Hospital Guild Plans Tea

Meeting at the home of Mrs. H. L. Dyer in Northville, to complete plans for the Membership Tea to be given in September by the St. Mary Hospital Guild were Mrs. J. J. Allen, of Redford Township, Mrs. L. C. Oswald of Farmington and Mrs. E. W. Barknagen of Livonia. The tea will be held at 8 p.m. Sept. 13 in the De Sales Auditorium, Madonna College, on Schoolcraft Rd. between Levan and Newburgh Rds.

An invitation is extended by the Guild to everyone who would like to assist in the work of a hospital which serves the communities of Livonia, Plymouth, Northville, Farmington, Novi, Redford Township, and Garden City. There are places available for new active members on the following committees: ways and means, inservice volunteers, decoration, patient library, hospitality and sewing.

Plans of the Michigan State highway department call for the paving or black topping of 400 miles of state and federal trunk lines in the Upper Peninsula during the next four years.

How I Earned My First Dollar

Milton Orr

Milton Orr, owner of Bill's Market on Starkweather Ave., was 14 years old when he got his first job and earned his first dollar. It was in the grocery business.

Today, Milt is still in the same business — and even more remarkable, in the same location!

"It was in 1928 when Wilbur Ebersole gave me my first job in this very same store," Milt recalled. He was stock boy, delivered groceries and waited on customers. The week's work netted him \$5.

Another Plymouth businessman, David Galin, now with Schraeder's Home Furnishings, helped play a role in Milt's business life. Dave was owner of the Plymouth Purity Market at Ann Arbor Trail and Main St. and around 1930 took over Ebersole's store and named it Purity Market No. 2. Dave's brother-in-law, Henry Pulberg, was manager and Milt was his assistant.

Later, Milt went to work at Purity Market No. 1. Around 1932, the market on Starkweather Ave. was sold to Bill Choffin and Milt went to work for him. This is when it assumed the name Bill's Market.

Milt Orr worked for Choffin from 1932 to 1943 and from him learned the meat cutting skill. Then, in 1943, Milt started out on his own with a grocery in Rosedale Gardens. After 13 months, he sold out and went with Packers Outlet; later purchased by Wrigley's. He was with this firm until 1952 when he purchased Bill's Market from Mr. Choffin's widow. Here he has remained since.

The building in which Bill's Market is located has a history all its own. It was once a blacksmith shop owned by Henry Fisher. Upstairs, buggies were made.

Milt, born in Washtenaw County and living in Plymouth since he was 5, now lives with Mrs. Orr at 14535 Shadywood, Lake Pointe Village. Because he operates a store by the name of Bill's Market, Milt is called Bill by many of his customers.

"I usually don't bother to correct them anymore," Milt said, "but my wife does." Difficulties in getting a

PHS Band Heads for National Music Camp for Second Time

With a year of candy selling, serving chop suey dinners and sponsoring other events now behind them, the 74-piece Plymouth High School Band will embark Monday, Aug. 27 for a week at the National Music Camp at Interlochen.

This will be the second year in a row that the band has spent a week at the camp. Other bands at the camp during the week will be Ferndale, Grand Haven, Mason, North Muskegon, Portland, St. Johns, Ypsilanti and Belleille.

ACCORDING TO Director James Griffith, the camp can accommodate only a limited number of bands and it took a number of years before Plymouth band's name rose high enough on the list for acceptance. "If the band would decide not to attend next year, its name would drop to the bottom of the list again and it would be many years again before we could attend," Griffith noted.

He asserts that he found a tremendous difference in the band and the performance of its individual members after last year's concentrated week of work.

The trip is entirely self-supporting, in case taxpayers are interested. It costs \$35.25 for each student, but money-making events brought the cost down to \$28.

During the past school year, band members, with the aid of the active Plymouth Band Parents Association, sponsored a number of money-making events, including dances, a chop suey dinner and a candy sale.

IT COST \$330 to obtain school buses for the trip, since school policy now allows only one field trip per year for any school organization. Mrs. Steven Kuzma, president of the Band Parents, appeared at the Board of Education meeting last week to present the donation to cover cost of using three buses.

Two of the buses will carry the students while the third will haul the instruments to the north woods camp.

Making the trip besides the students and Director Griffith will be Mrs. Griffith; Fred Nelson, PHS vocal director, and Mrs. Nelson; Mrs. John Eidson, a band parent and registered nurse; and Willard Bowman and Steve Kuzma, both band parents.

have breakfast and load their buses for the trip home. Reservations have been made to eat lunch at the Hotel Doherty in Clare, both going and returning home.

Making the trip will be the following bandmen:

- Cheryl Wright, Rita Beukema, Dani Ray, Rosemary Richardson Jo Ette Dyson, Mary Lou Smith, Karen Rudloff, Karen Dickerson, Barb Troyer, Doris Stabenow, Mary Yost, Judi Hardimon, Denise Dayharsh, Jo Mecklenburg, Chris Cutler, Sandy Fielden, Gail Snegge.
- Gail Vincent, Nancy Gibson, Jill Von Hofe, Nancy Allen, Diana Pry, Nancy Miller, Georgann Kinnola, Sharon Kippola, Janice Nagy, Carol Bosman, Pat Warner,
- Marilyn Gibson, Becky Lyons, Merrie Wright, Nancy Derr, Janice Williams, Reta Lane.
- Chuck Hampton, David Rice, David Millross, Dan Grady, Bob Webber, Terry Holt, Mike Britcher, Tom Eidson, Dick Bowman, John Zimmer, Mike Bentley, Jim Honey, Mike Ross, Jerry Lee, Bud Smith, Bob Wolfram, Bill Nelson, Dave Jordan, Dick Irvine, Tom Todd, Dick Berry.
- Bob Hill, Doug Breed, Jim Yost, Jim Austin, Mike Drennan, George Collins, Pete Ackerman, Jeff Lightfoot, Tom Schwartz, Jerry Goodman, Dale Cunningham, Jim Lee, Terry Cruise, Jerry Peller, Jim Dyer, Gordie Holand, Dave Troutman, Dale Livingston and Jack Wiley.

- From morning until night, the bandmen will have their work cut out for them.
- A typical day of events will run like this:
- 7 a.m. — Reveille, make bunks, clean cabins
- 7:20 a.m. — Leave for breakfast
- 8-9 a.m. — Marching rehearsal on Old Field
- 9:15-10 a.m. — Marching rehearsal on South Field
- 10:15-11 a.m. — Choir
- 11:15-12 — Swim and recreation
- 12:15 — Lunch
- 1-2 p.m. — Playing rehearsal
- 2:05-3 p.m. — Marching rehearsal
- 3:15-4 p.m. — Concert band playing rehearsal
- 4:15-5:15 p.m. — Swim and recreation
- 5:45 p.m. — Dinner
- 6:45 p.m. — Sight reading practice
- 8:15 p.m. Sock Hop (dance)
- 9:25 p.m. — Call to Quarters
- 10 p.m. — Taps

There is little variation of the schedule for day-to-day. Camp regulations are strict. For instance, any student leaving his cabin after taps may find himself on his way home.

SUNDAY, SEPT. 2 will be a day of rest for the bandmen. There will be church services on the grounds, or students may attend services in Traverse City. Plymouth bandmen have been assigned the role of the choir for the camp service. At 1:30 there will be a mass band concert. The latter part of the afternoon will be spent on a tour of the Sleeping Bear Sand Dunes at Empire, Mich. A beach party and fire will end the day. On Monday, Sept. 3, bandmen will clean their cabins.

Reviews History, Work of Kiwanis

The zone chairman of the District Committee on Kiwanis Education, Fellowship and Inter-Club Relations, Harold Beattie, was the guest speaker at last week's Kiwanis Club meeting at Arbor-Lill.

An unexpected speaker was George Romney, who spoke briefly on the need in Michigan for "leadership in Lansing." Fred Foust introduced Beattie, whose topic was "What is Kiwanis?" He reviewed the beginning of Kiwanis in Detroit in 1915, the organization of the Plymouth Club in 1926 and some of its major accomplishments.

Kiwanis is not a church, lodge or special or fraternal club, although some of the Kiwanis objectives would help any of these organizations, Beattie said.

The name Kiwanis in Indian means a loud noise. Norbert Batterman, employed by the Bendix Systems in Ann Arbor, became the club's 100th member.

Michigan's Upper Peninsula is no longer isolated from the rest of the state. Opening of the Mackinac bridge, the world's greatest span, has made the vast area above the straits hours closer to the cities of Lower Michigan.

Boston Cookies
 1/2 C. white sugar
 1/2 C. butter
 1/2 C. Crisco
 1 C. sour cream
 2 eggs (beaten)
 1 tsp. soda
 3/4 C. (approximately) Velvet flour
 1/2 tsp. salt
 1 tsp. baking powder
 1 tsp. cinnamon
 1/2 tsp. cloves
 1/2 tsp. ground nutmeg
 1/2 c. nuts
 1/2 c. raisins
 Cream sugar, butter and crisco and add beaten eggs. Mix flour, salt, baking powder, cinnamon, cloves and soda and sift. Add dry ingredients alternately with sour cream to sugar and butter mixture. Save a little flour to coat raisins and nuts and then add to mixture. Pour batter into cupcake pans and bake at 350 degrees for about 15-20 minutes.

Mrs. James Winterhalter, of 1302 W. Maple, who consented to be this week's Mail guest cook, lent us her recipe for Boston Cookies, which are ideal for snacks and/or dessert. The cookies are a favorite of her friends and family, especially her twelve-year-old son, Gregg, who prefers sugar cookies over any other kind. Her other son, Bob, who was graduated from Plymouth High School last June and will enter college this fall, also gives his support to this recipe.

Mrs. Winterhalter, better known as "Chy," is one of many local adult residents who have gone back to school. An English major at Madonna College, she is presently finishing her sophomore year. This summer she took classes in American Literature and speech.

When not attending classes or doing her homework, Mrs. Winterhalter keeps occupied by delving into her hobby of decorating. This is an unending job, she says, but always interesting.

Three Cities Art Club Exhibits Wares at Dunning-Hough Library

A special feature of the new exhibit of the Three Cities Art Club at the Dunning-Hough Library is wax crayon encaustics done by three of the artist-members. Bill Mandt, the first of the three to experiment with a modernized version of this ancient technique, uses crayons melted over a candle flame on an old pallet knife. He applies the melted wax to paper or board and spreads it to desired shape with the knife. He achieves some rich and vibrant color combinations.

Catherine Hartley uses a mixture of crayons and candle wax, melted and poured on to heavy cardboard into abstract landscape or floral studies in subtle color arrangements.

Jessie Hudson's two small encaustics were made by laying crayons on masonite and melting them with an electric soldering iron. Her "Medieval Mirage" shows "white" crayons melted in ridges reminiscent of the parapets on medieval castles.

Other more conventional painting techniques are represented by Marjorie Becker's ever delightful watercolors. Her "Seagulls in Flight" and "Cityscape" show control over medium, color and design.

Roy Pedersen, Plymouth potter, has three graphic prints on display. These black and white studies demonstrate the fine design qualities inherent in all of Mr. Pedersen's work.

A large figure-study in muted greys, black white and sand called "Summer Ritual" shows the last, sad days of summer at the beach, and a blue and green watercolor called "Reverence" both by Jessie Hudson are recent works from this local painter.

Gloria Parris' exquisite color and design sense is evident in her two paintings "Black Flowers", in enamels, a recent prize winner at Farmington Community Art exhibit, and "Abstract flowers" in casein. This exhibit will be on view at the Dunning-Hough Library through October 15. Other works by Three-Cities members may be seen at the Hartley-Powers Gallery on Main Street in Northville.

NEWS BRIEFS
William Kaisers Observe 50th Wedding Anniversary

Mr. and Mrs. G. R. Phillips, and daughters, Suzanne and Sally, of 334 N. Evergreen, entertained at a family dinner at their home last Saturday evening, honoring Mrs. Phillips' parents, Mr. and Mrs. Ralph Eidt, of Detroit, on their 55th wedding anniversary. Guests included Mr. and Mrs. Byron Flechtner and Mr. and Mrs. David Flechtner, of Detroit.

Norman Reuhr, who with his father Reinhold and brother, Bill, operates Heide's Greenhouse here, left for a six-weeks tour of Europe last weekend. While on the continent, Norman will visit Spain, France and numerous other western European countries.

Engaged

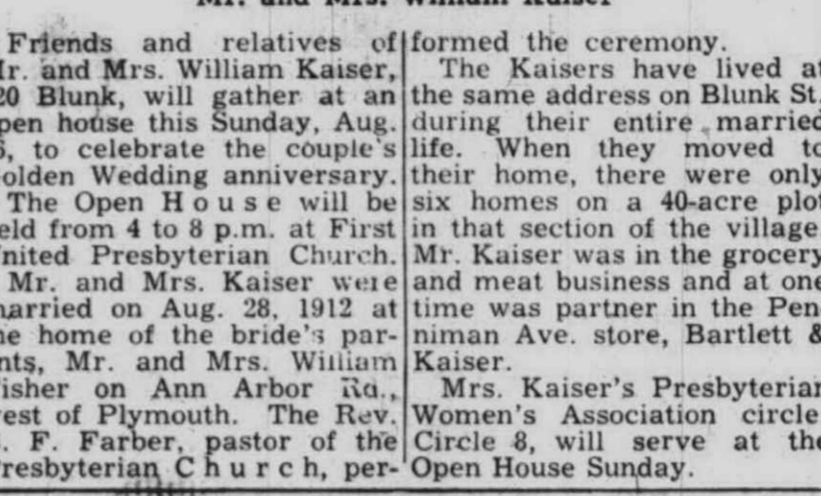

Helen J. Holmes

Mr. and Mrs. Thorsten Holmes, of Caspian, Mich., announce the engagement of their daughter, Helen Jeanne, to Melvin E. Sawyer, son of Mr. and Mrs. George Sawyer, of 11406 Eastside Dr., Plymouth.

Miss Holmes is employed on the nursing staff of University Hospital, Ann Arbor. Mr. Sawyer, a 1954 graduate of Plymouth High School, is stationed with the U.S. Air Force at Keesler Air Force Base, Biloxi.

A December wedding in Ann Arbor is planned.

Mr. and Mrs. William Kaiser

Friends and relatives of Mr. and Mrs. William Kaiser, 220 Blunk, will gather at an open house this Sunday, Aug. 26, to celebrate the couple's Golden Wedding anniversary. The Open House will be held from 4 to 8 p.m. at First United Presbyterian Church.

Mr. and Mrs. Kaiser were married on Aug. 28, 1912 at the home of the bride's parents, Mr. and Mrs. William Fisher on Ann Arbor Rd., west of Plymouth. The Rev. B. F. Farber, pastor of the Presbyterian Church, performed the ceremony.

The Kaisers have lived at the same address on Blunk St. during their entire married life. When they moved to their home, there were only six homes on a 40-acre plot in that section of the village. Mr. Kaiser was in the grocery and meat business and at one time was partner in the Penman Ave. store, Bartlett & Kaiser.

Mrs. Kaiser's Presbyterian Women's Association circle, Circle 8, will serve at the Open House Sunday.

BABY TALK

Mr. and Mrs. Richard V. Bennett Jr., of Livonia, Mich., announce the birth of a 9 lb. 1 1/2 oz. son, Richard V. Bennett, III, on Aug. 20, at St. Joseph Hospital, Ann Arbor. Mrs. Bennett is the former Diane Fuelling, daughter of Mr. and Mrs. Melvin F. Fuelling, of 11767 Priscilla Lane. Paternal grandparents are Mr. and Mrs. Richard V. Bennett, of 11711 Priscilla Lane.

Kathleen Brandt, Andrew B. Morrow Exchange Vows

Kathleen Sue Brandt and Andrew Bennett Morrow exchanged vows in an evening ceremony on Friday, Aug. 17, at First Methodist Church, Royal Oak.

The bride is the daughter of Mr. and Mrs. Irving W. Brandt, of Royal Oak, and the bridegroom is the son of Mr. and Mrs. John R. Morrow, of Cheboygan, and formerly of Plymouth.

Given in marriage by her father, the bride wore a Bianchi gown of silk organza with Viennese lace motifs on the skirt. A cumbersome of silk taffeta encircled the waistline and fell into streamers on her chapel train. Her silk illusion veil was held in place by an open pillbox headpiece of lace. She carried a cascade of white roses.

Attending the bride was Sarah Brandt, as maid of honor, and Martha Brandt, Mary Patterson and Mrs. Todd Grant as bridesmaids. They wore dresses of pastel blue swiss organdy and matching headpieces and shoes.

John Morrow, father of the bridegroom, served as best man and Carl P. Brandt, Todd T. Grant, William Darnon, Robert Webster, Armond E. Spencer and Stuart R. Main were ushers. For her daughter's wedding, Mrs. Brandt wore a moss green silk sheath and matching accessories. Mrs. Morrow wore a dress of blue peagu de soie and matching accessories.

A reception was held at the bride's home immediately following the ceremony.

The new Mrs. Morrow wore a black and white three piece suit and black shoes when she left for her wedding trip to Quebec.

"CHERRY PICKERS" bringing "SPAGHETTI"!

This is not a call for dinner — it's a signal that steel pipe has arrived.

To the pipeliner working in the Gas fields of Southwestern United States, this message does not mean a cherry picker is coming down from a cherry tree to put on a spaghetti dinner... it means that a light rig (which is called a "cherry picker") is bringing a load of small diameter pipe (which is called "spaghetti") to the construction crew on a pipeline project.

In Outstate Michigan, Consumers Power Company has the big task of planning, constructing and maintaining pipelines. It has over 7,000 miles of Natural Gas pipeline supplying this wonder fuel to customers in 30 Outstate Michigan counties.

EVERY ONE WHO IS SICK

needs this book to heal him

You can find your way back to health if you will prayerfully follow the instructions contained in Science and Health with Key to the Scriptures by Mary Baker Eddy. In this great book you will find a full explanation of the method of Christian Science healing.

Christian Science holds unwaveringly to the truth in the first chapter of Genesis that "God saw every thing that He had made, and behold, it was very good." Thus Christian Science restores the invalid to health.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$3.

As you dust the family TV set these days, breathe a sigh of relief for the summer season when the flickering, winking eye of the "idiot box" fades and remains almost an obsolete piece of furniture.

A pleasant, relaxing antidote to those ghostly images of last season is FM radio. Yes, radio is still very much with us.

"BIG BAD, FREDDIE" has three scenes that promise to keep audiences chuckling from beginning to end. Doug James, Lee Stone, and Earl Collins have been assigned parts and are presently in the process of mastering the hilarious lines.

Vico Seeks Top Laurels In Softball Tournament

Two Plymouth softball teams — Vico Products and Box Bar — enjoyed a measure of success in post-season tournament play this month as the local Class B schedule ended here.

As the week got underway, Vico Products was very much in the running in one district softball tournament, while Box Bar earlier had lasted three games in a similar post-season play-off.

Vico finished in a tie for second place in the recreation department's Class B conference here and Box Bar was last in the 11-team circuit.

In post-season action, Vico was entered in a Class D tournament comprised of 17 teams from the Ann Arbor, Ypsilanti, Adrian and Plymouth districts. Box Bar played in Class C within the same district.

In the double-loss-elimination tournament, Vico posted two quick wins to gain a contender's position. Vico opened with a 4-1 win over Dexter here on Aug. 3 and a week later downed Jackson, 1-0, in a game played in Ann Arbor.

Ted Kuhn's double, followed by a run-producing single by Gary Brock, was Vico's winning margin. Adrian defeated Vico, 7-4, last Wednesday to shake the local teams' chances, but Vico came back Friday to post a narrow 5-4 decision over Ypsilanti to remain in the running.

As the district tourney drew to a close, Vico was scheduled to play Adrian last Monday night and if it won, would meet another team for the crown Tuesday evening.

No results were immediately available.

Meanwhile, in the Class C district duelling, Box Bar opened with a 7-5 decision over Dexter, but then suffered its first loss by a 2-1 margin to Huron Lounge of Ann Arbor. The latter contest went eight innings. Pat Kearney, on the mound for Box Bar, allowed only three hits and struck out 13 opposing batsmen.

The loss to Huron Lounge was followed by a 7-4 defeat at the hands of Del Rio, also of Ann Arbor. Box Bar failed to score until the last half of the seventh when Lee DeWulf hit a grand-slam homerun in a losing effort.

Kearney, a 10-year veteran of the Plymouth softball conferences, was tagged with the loss.

Elsewhere in post-season games, one Plymouth Class B baseball team defeated another squad from Plymouth and then was subsequently ousted as well from a special league play-off.

The Plymouth Elks eliminated Plymouth Optimists, 9-6, in an inter-league play-off involving all the Class D teams except the Northville entry which won the conference crown.

The Elks themselves were ousted a night later when the Wayne Tigers pinned a 9-4 defeat on the local team.

SPORTSEEN

By Jerome O'Neil

Much like the stand-in who waits in the wings for the star to break her ankle, ice hockey is just around the corner from another season here.

As in the past at this time, only autumn remains to be hurdled before hockey makes its seasonal appearance. Already, 17 Plymouth hockey hopefuls are making ready for the onset of the 1962-63 campaign. The 17 local youths are among 68 Detroit area boys who will attend a week-long special hockey school in Toronto, Canada.

It begins this Sunday and lasts until the following weekend.

Billed as the "finest hockey tutoring in North America," the school is conducted by a staff of Canadian experts whose background is steeped in amateur and professional hockey and related organized youth activities.

Actual site of the school is Tam O'Shanter Country Club at Agincourt in metropolitan Toronto. The club, by-the-way, is comprised of an 18-hole golf course, swimming pool, bowling alley, restaurant, snack bar and "many other fine amenities."

But Plymouth's youthful representatives along with the 51 other boys from this area will have little time for Tam O'Shanter's "amenities" it would seem.

The hockey school's daily program begins in mid-morning with an hour of strenuous physical training exercises, mandatory for all students. Following this, comes an hour of swimming under the eye of special instructors. A 45-minute lunch break precedes an hour of lectures on hockey fundamentals (by purported well-known hockey personalities).

All students, according to a school brochure, will be ready to take to the ice at precisely 2:45 p.m. and hockey instruction will last until 7:30 p.m., at which time Tam O'Shanter's magnetic personality will beckon, providing all concerned have sufficient remaining steam to maneuver.

In preparation for the rigors of the fourth-coming hockey season, the 17 Plymouth candidates have been taking part in a special physical training session here during the past few weeks. Directed by six Plymouth men, all of whom are familiar faces within the local hockey program, the special training here is devoted almost exclusively to the development of leg muscles and breathing capacity.

According to Jim McKindles, who has personally chaperoned Plymouth's recreation hockey program since its infancy four years ago, the pre-school work-outs will give the 17 Plymouth students a running start when it comes to actual on-ice hockey instruction in Toronto.

McKindles, whose age has crept up on him over the past 40 years, assured that the work-outs here were not simply for fun.

Of the 68 boys from the Detroit area who will attend the school, 46 will depart from Detroit by a specially-chartered Canadian Pacific Railroad coach. The remaining 22 students will travel by private auto.

Plymouth's VFW post is in charge of handling the administrative details, a major one of which is the transportation.

In Toronto, the boys will be billeted within walking distance of Heather Arena, where the hockey instruction will take place. The home of Toronto's Metropolitan Ice Skating School, Heather Arena is a massive facility with the actual ice surface alone measuring 200 feet by 85 feet.

The 17 Plymouth candidates include: Dennis and Dale Tonkovich, Jim McKindles, Jr., Bob Crowther, Tom Gates, John Price, Mike Materna, Clark Raven, Gary Wyman, Brad Miller, Joey Herter, Dale Crawford, Denny and Butch Shelley, Gary Strappazon, Kenny Wilkins and Brent Demond.

The six men, who have been supervising the pre-school physical training here, included Denny Hanks, Al Kolak, Hal Shelley, Joe Gates, Vern Schilawski and McKindles himself, who is also president of the Plymouth Hockey Association, formed last winter. The other men are members of PHA.

At \$10 per student, the week-long school should prove to be quite an experience for 17 Plymouth boys.

Fall Sports Soon Take Spotlight

Plymouth High's fall sports schedule drew a step nearer to center stage this week as summer dwindles to a warm autumn.

Mike Hoben, head football coach for the Rocks, is set to enter his eighth year at the helm of the Plymouth grid fortunes and Cross Country Coach John Sandmann approaches his seventh season in charge of the harriers.

Hoben's sights are set on Saturday, Aug. 25, when he will begin issuing football equipment to what he estimates will be approximately 40 candidates. He will continue handing out gear Sunday and initial practices get underway Monday, Aug. 27.

First game for the Rocks is Sept. 14 against Northville. Meanwhile John Sandmann, who as athletic director at Plymouth also doubles as cross country coach, will put out his first call within the next two weeks.

Sandmann, along with his wife, has been vacationing much of this month in his native state of New York with a side trip to Washington, D.C.

During the spring seasons, Sandmann also serves as golf coach.

Teen Tennis Tourney Opens Here Friday

A recreation tennis tournament — open to youngsters 18 and under — will be held this Friday and Saturday, Aug. 24 and 25, at the tennis courts behind the high school.

Dave Tidwell, who along with Phil Huxley is coordinating the tourney for the recreation department, estimated that 25 contestants would be competing for a championship and runner-up trophy.

Additional contestants may apply at the recreation office or by contacting either Tidwell or Huxley.

Comprised of only singles events, the tournament includes an entry fee of 50 cents and a useable tennis ball, Tidwell said.

The final round of competition is expected to get underway about 1 p.m. Saturday, according to Tidwell.

Coin Club Auctions Two Scarce Pieces

Highlight of the auction at the Riverside Coin Club's meeting on Sunday Aug. 12 was a 1916-D Mercury dime and a 1909-S Lincoln penny.

The 10 cent piece is quite scarce in that only some 284,000 of them were minted. The penny also is in an exclusive class, its mintage being 1,825,000 and the year was the initial minting with the then new Lincoln head design, replacing the Indian Head penny.

The next regular meeting of the Club will be Sunday afternoon, Aug. 26 at 2:30 p.m. at the American Legion Hall, 9319 Newburg Rd. in Livonia. Interest will be centered on another rare coin, the 1877 Indian Head penny which will be auctioned to the highest bidder. It also had a low mintage, being the only Indian Head with less than a 1,000,000 being minted. Its nearest rival had a mintage of 3,929,520. An uncirculated 1877 Indian Head commands a respectable price of \$400.

All coin enthusiasts are welcome to attend meetings of the Riverside Coin Club.

WORKMEN THIS WEEK

are putting finishing touches to the vast Plymouth Bowl, a 32-lane bowling emporium on Plymouth Rd. which is expected to open late this month. Above, special Brunswick Corp. carpenters are laying the wooden alleys, while at right a man is installing ball return racks. Below is an exterior view of the nearly-completed building which cost an estimated \$300,000 and has been under construction seven months. The Brunswick workmen, who prefer the name of "bowling alley mechanics," are an exceedingly skilled group of carpenters. Their work in laying the alleys is held to a strict out-of-level maximum limit of .004 inches. Beyond that, the lanes are not considered to be sufficiently level for bowling. It has taken approximately three weeks of work to install the 32 lanes and the accompanying automatic pinspotting machines. Owner of the Plymouth Bowl is the same corporation that operates Southfield Bowl, another vast bowling center in the Detroit area. The corporation is headed by Finley McQueen, well-known in bowling circles and one-time owner of Glen Eagle Lanes in Detroit.

Taylor Wins \$500 College Scholarship

George E. Taylor, son of Mr. and Mrs. Landon E. Taylor, of 402 Pacific, Plymouth, was one of 40 Detroit News carriers who received \$500 college scholarships at a luncheon in the Statler Hilton Hotel, Aug. 8.

Winners of the scholarships, presented by Richard M. Spitzley, vice-president of the Detroit News, were selected by administrators of the News scholarship program, on the basis of academic achievement, personal character, route performance and scholarship test and interviews.

George, who will be a junior at Plymouth High School this fall, is considering entering the University of Michigan's medical school, upon graduation from high school.
