Downtown Development Plan Unveiled

City Sells Industrial Site for Willys Plant

Willys Motors, Inc. will occupy a 25,200 square foot building that will be constructed this winter in the City's industrial park along Plymouth Rd.

The H. F. Campbell Construction Co. of Detroit submitted the only bid Monday night for the purchase of 1.8 acres of property owned by the City. The City Commission advertised the property last week with a minimum bid set at \$4,600. Campbell Construction bid \$5,000.

Willys will use the property for an office and parts distribution center.

The property is set back about 700 feet from Plymouth Rd., slightly west of the RCA plant now under construction by the Campbell Construction Co. across the road from the Burroughs Corp.

The new building will have 25,200 square feet. Willys Motors, Inc., is a subsidiary of Kaiser Industries Corp. Its chief product is the Jeep which is built in various models and has had worldwide appeal since World War II. The vehicle is used by military, commercial and private users. Headquarters for the Willys organization is in Toledo.

George F. Pranis, vice-president of Campbell Construction Co., was not available yesterday for further comment about the company's operation here.

The firm expects to start work on the new facility by Dec. 1. Among conditions of the sale is the building of a service road to the site, along with sewer and water.

City commissioners unanimously approved the sale.

Pets Have Day At Festival Too

If you're 15 years of age, or under, and have a pet, be it dog, cat, mouse, goat, skunk, pony, bird, frog, fish, elephant, or what have you, you are invited to enter the Plymouth Pet Show which will be held on Saturday, Sept. 8, beginning at 9 a.m.

The show, sponsored by the recreation department of Plymouth Community Schools as part of the Fall Festival festivities, will be held in the

Two Parochial Schools Open With 785 Pupils

One week from today the first group of Plymouth parochial students will shed their vacation attire and don perky dresses and crisp shirts, gather up notebooks, pencils, rulers, etc. and return to school.

Students at St. Peter's Lutheran Day School, will report on Wednesday, Sept. 5 for registration and a school opening service in the church. A total enrollment of 85 students in kindergarten through eighth grade is expected, an increase of two students over last year.

On the following day, Sept. 6, students at Our Lady of Good Counsel School will attend the first of a two-day orientation session. A total enrollment of 700 students in first grade through eighth grade is expected, an increase of 40 students over last Fall.

New teachers at OLGCS school this year will be Miss Edith Rodgers (third grade), Miss Edith Rothecker (fifth grade), and Mrs. Margaret Mason (second grade). New sisters will be Sister Jacinta, replacing Sister Corona (second grade), Sister Julie, replacing Sister Margaret (fourth grade), and Sister Marie Daniel, replacing Sister James (fifth grade).

Governor Tells Rotarians Of State's Assets

Speaking before members of the local Rotary Club last Friday noon Governor John Swainson expounded on the many assets of the State and briefly outlined some of its problems.

Making his fourth public appearance here in his home town in the last few years he most appropriately confined his remarks to informative facts about Michigan. He pointed to our recreation facilities and told Rotarians in attendance that 27 tourists a day meant as much to the State as a \$100,000 industry and said of course Michigan draws many, many more than 27 tourists each day. "Tourism is Michigan's third largest industry and with the thousands of miles of shorelines the State has to offer, plus all of the other recreational facilities, including 87 ski areas, there is little doubt but what Michigan has an unusual asset in this field alone," he stated.

He further told Rotarians that Michigan ranked second in the nation in agriculture and produced more strawberries, beans and lettuce than any other state.

"Michigan's greatest asset is its population. Population means market and in this area we have a great one. One third of the total population of the State is under 19 years of age and the total population has a higher than average income which makes possible more merchandising for the retail community", he said.

After outlining the finer

MICHIGAN'S GOVERNOR John B. Swainson and wife, Alice, were greeted at the Mayflower Hotel Friday noon where he delivered an address to Rotarians and guests. The former Plymouth couple is shown with Dr. George Timpona (center), Plymouth's postmaster, and Mayor Robert Sincoc, right. Mrs. Swainson visited friends and former neighbors during her husband's talk.

We Hear School Bells Again

One hundred and seventy-five more students than started last year are expected as the Plymouth public schools prepare to open their classrooms Thursday, Sept. 6.

Parochial schools will greet another 785.

Superintendent Russell Isbister says that an estimated 5,150 students will report to classes next week. A year ago, there were 4,978 students reporting for opening day.

The figure would be the largest number ever enrolled in the system and indicates that the district is maintaining a constant yearly growth of between four to six per cent.

Maintenance men have been busy all summer preparing the High School, two Junior Highs and six elementary buildings.

Three schools in the district will not be opening this year. The one and two-room schools

year is the new Junior High-West at Ann Arbor Trail and Sheldon Rd. This building, which is actually only the first phase of a two-part building program, will be open for business on the first day. All seventh graders — around 360 of them — and some 90 sixth graders will be enrolled there.

Food service will be provided at the new school, as well as the others, on the first day, Supt. Isbister said.

There will be one new addition to the curriculum at the Senior High this year. German will be taught on the ninth grade level. Administrators have no record telling when German was last taught in the system, but it is assumed that it was many years ago.

Supt. Isbister said that advanced German classes will

Calls Meeting Of Retailers Tuesday

Redevelopment of a four-block downtown area to accommodate new and expanding business was seen as a possibility at a special meeting called Monday night by Mayor Robert Sincoc to which businessmen and downtown property owners were invited.

The four blocks are in an area surrounded by Main St., Ann Arbor Trail, Kellogg and Wing Streets.

50 More Petition Names Needed for Referendum Vote

Backers of a new move to put a "liquor-by-the-glass" question on the ballot in November now lack but 50 petition signatures for achieving their referendum move, City Clerk Joseph Near said.

A total of 1,359 signatures of registered City voters is needed to put the issue on the ballot. Near said that he and his staff have been checking the validity of the signatures as the petitions were turned in and that only 50 more are needed.

The deadline for filing the petitions to get the proposition on the November election ballot is next Tuesday.

At present, only beer and wine can be served by the glass in the City. There are three places of business holding these licenses — the Mayflower Hotel, Box Bar and Toll House Inn. Approval of the proposition would mean they could apply for licenses to also serve liquor by the glass.

Previous elections on this proposition have been turned down by voters.

Law states that the number of petition signatures needed must equal or exceed 35 per cent of the number who voted in the last state election for the secretary of state. In the City of Plymouth's case, this figures out to 1,359.

Escapee Does Encore, But Stumbles Again

While a Chesapeake & Ohio Railroad electrician was minding his own business Monday by poking his head into the control box for flasher signals on Sheldon Rd., someone else was minding his car.

Richard Baron of Milford had parked his car along Sheldon Rd. Monday afternoon as he worked on the signal controls. While he had his head buried in his work, a walk-away prisoner from the Detroit House of Correction jumped into Baron's 1960 convertible. Baron looked up in time to see his car speeding away across the railroad track.

Plymouth police sent out a teletype immediately. Later that day, the car and driver were picked up by Detroit police at Woodward and Seven Mile. The prisoner, O'Brian Price was returned here Tuesday to face a charge of unlawfully driving away an automobile.

Why was he driving time? For unlawfully serving away an automobile, of course.

In other police news, there was an attempt to jimmy open the rear door of Plymouth Finance sometime early Monday morning, but entrance was not gained.

17 Hired, Still Need Five More Teachers

Seventeen teachers have been hired to fill vacancies on the staff of the Plymouth Community School System but with a week remaining before school opens, there are still five vacancies not filled.

Still vacant are a music sixth grade, a first grade and two second grade positions.

In addition to the 17 new teachers, three others are returning after absences.

The delay in finding replacements was brought about by the unsettled money situation before the millage proposal was passed July 30. Because it was not certain if money would be available to carry on many school programs, the Board of Education asked the superintendent to delay filling replacements until after the election.

There will still be two less teachers this year than last year. Superintendent Russell Isbister said that one art and one music position for elementary grades will not be filled.

These are the names of the

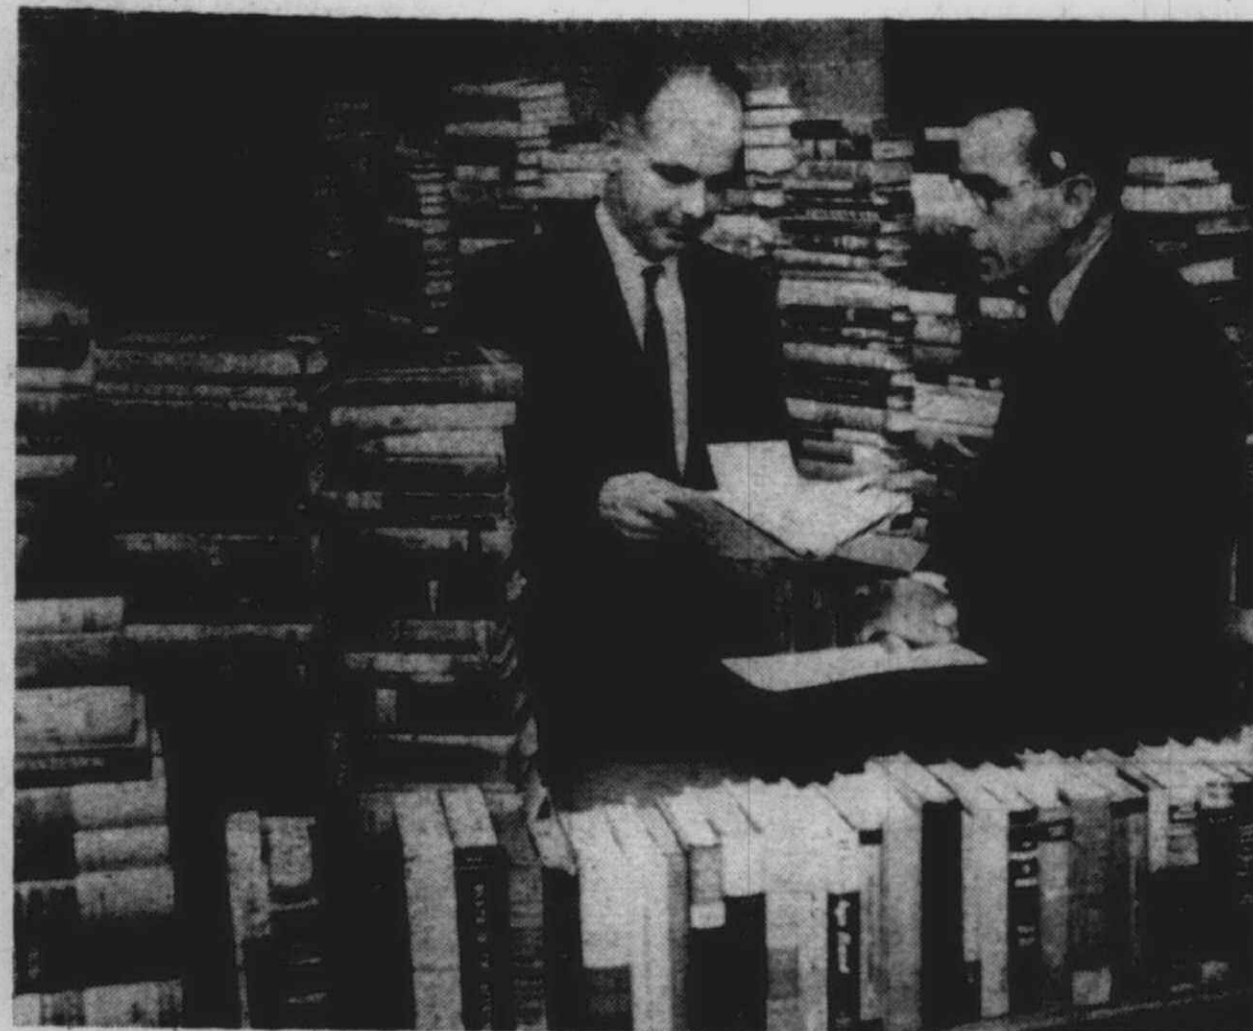

IN PREVIOUS years, Rotarians scorched their arms when dabb-ing chickens with butter as they were broiled over the huge barbeque pits. This year they will be using an improved method of spraying. Don Lightfoot is shown in foreground using the sprayer while Mayor Robert Sincoc is turning the racks. Rotarians gathered recently at the home of Clifford Tait on Ridgewood Dr. for the trial run in preparation for the Sept. 9 Fall Festival when they expect to charcoal broil 4,000 chicken halves.

Grinder Sets Off Paint Tank Blaze

There was very little damage Monday noon when sparks from a grinding wheel ignited a dip paint tank at Transport Container, Inc., on Farmer St.

Firemen said that an overhead sprinkler was set off and a workman threw a piece of sheet metal over the tank to hold down the fire. Firemen finally extinguished it with extinguishers. The firm is located in the old frame building next to the railroad.

Plymouth Township firemen had a run early Sunday morning to extinguish a utility pole fire in front of Forth Cement Co. on Eckles Rd.

NEARLY 3,000 books have now been purchased for the Northwest Wayne County Community College with 17,000 yet to go before the college opens in two years. Librarian Patrick Butler, left, is showing some of the volumes to Dr. Eric Bradner, president of the college. Both men are Plymouth residents.

College Library Reaches 3,000 Volume Mark, Aims for 20,000

How to stock a new college library with 20,000 books economically and get the job completed in two years is the task facing Patrick Butler, 275 Burroughs, recently-appointed librarian of the Northwest Wayne County Community College.

Butler, who was supervisor of libraries in the Plymouth schools nine years before assuming his new job in June, already has his office stacked with 1,300 books at the Community College office at the old Newburg School.

When the college opens in September 1964, the library expects to have a minimum of 20,000 volumes on its shelves ready for use. This number is in line with the recommendations of the Association of College and Research Libraries, a section of the American Library Association.

An adequate library will also be considered in getting

the college accredited. While the average price of a book for a college library is \$6.58, according to nationwide figures, Butler has managed to keep the cost down to \$3.22 so far.

How is it done? "Before ordering books from the wholesalers, I toured all the used book stores in Detroit and Ann Arbor," Butler revealed. "There I found many books that we needed at a fraction of the cost, and they were in good condition, although they were used."

For instance, a book that would cost \$8 or \$9 new was purchased by Butler for prices ranging from \$2 to \$5. Some books were bought for as little as 39 cents.

"Of course we still have many of the very expensive technical books to buy yet," Butler pointed out. Most of the books purchased so far are in the fields of literature, history and sociology. The librarian will have to wait until the teaching staff is hired to order many of the technical books because the instructors will require reading books for required reading. Books orders have been placed not only with U.S. distributors and publishers, but also with booksellers in Great Britain. "Books unobtainable from the United States publishers, either because they are out of print or never have been published in this country, are obtainable at reasonable prices abroad," Butler said.

Locating out-of-print books (and many are needed for college work) is just another fascinating and perhaps frustrating part of the librarian's job.

Butler said that the library will welcome gifts of any useable books and from time-to-time may issue appeals through this newspaper for help in locating copies of out-of-print books.

Deciding which books will be needed is not too easy either. Butler has toured community colleges in Michigan to see what they are using. Only one publication lists community college library needs — and it was printed in 1935. "Librarians in other community colleges are amazed

to hear that our president wants to have 20,000 volumes on hand when the college opens," Butler said. "But Dr. Bradner has a deep interest in the development of the library, which he feels is an important focal point in education."

Plans for the library building will be getting underway soon, with the administration, the library and the architectural firm, Eberle M. Smith & Associates, working closely together.

Most librarians feel that cataloging and processing

20,000 books in two years is impossible, and even Butler isn't sure it can be done. An assistant librarian in charge of cataloging and processing will be added to the staff within a month.

When the average price of a college library book is figured at \$6.68 (this includes a discount), the cost of cataloging and processing one book is figured at \$3 per book more. This runs the cost of a volume up to \$10. This would mean that 20,000 books would cost \$200,000.

But if Butler can keep the cost of books down like he has so far, the college may be able to get by with much less.

Claims Plane Hit Car Roof

A hit and run warrant against an unknown airplane owner may be the unusual situation developing from an incident at Mettetal Airport last Friday.

Mrs. Grady Thompson, 40323 Joy Rd., was driving with her husband and son as passengers on Joy Rd. when they heard a thud on the car roof. The Thompsons saw a red and black plane land an instant later and on their roof they found scratches and skid marks, apparently from the plane's wheels. Thompson said he has been unable to find the plane or its owner, although the airport owner Robert Mettetal has agreed to pay for the damage, he said.

Holstein Yearbook Townships Not to Take Sides in Income Tax Fracas

Volume 18 of The Holstein-Friesian Association of America's Type and Production Year Book is actually two volumes. The reason—sheer volume of vital milk cow statistics.

The newest and biggest edition of the "who's who among registered Holsteins" series dating back to 1944 came off the press this week, Plymouth area farmers were advised.

Its 2,400 pages carry a complete listing of records compiled in the Association's official breed improvement programs during 1961.

Included in the sea of facts and figures are the production records of more than 95,500 cows and milk and butterfat averages on nearly 2,700 herds in 48 states.

Empress Eugenie of France was born into Spanish nobility.

Plymouth Township Supervisor Roy Lindsay returned last weekend from a meeting of the Board of directors of the Michigan Townships Association in Iron Mountain where the group decided a "hands off" policy regarding local income taxes and continued a study of the new state constitution.

Supervisor Lindsay is president of the association, a group composed of representatives of most of the township governments in Michigan.

"Our Con Con committee is still studying the proposed constitution and wants to

make sure of its contents before making any recommendations," Lindsay said.

The Vigilance Tax Committee of Michigan wanted the association to endorse and work for a measure to be presented to the Legislature to prohibit cities, villages, counties, townships or school districts from imposing an income tax.

The association's board of directors decided to let each township decide for themselves if such an act would be in their best interests and to support or oppose it individually," the supervisor added.

"I haven't heard any of our citizens loudly protesting the Detroit income tax," the supervisor said. "However, if anyone wants petitions (to initiate the legislation), they are available at my office."

things Michigan has to offer its residents and visitors he outlined the demand for more and more State spending to provide services which are sorely needed. Population growth alone and the increase of some 50,000 children each year tax the present State facilities and make necessary constant provision for more and more capital outlay to accommodate these increases, he continued.

By way of illustration the Governor stated that the 50,000 additional children each year necessitated the hiring of at least 2,000 more teachers each year. "This is only one small area of the overall package that makes up the State and when one investigates the total areas which the State support it is easy to see why costs of operation will keep increasing in spite of ourselves," he concluded.

The Governor was warmly greeted by an overflow crowd and at the conclusion of his address he answered several questions asked him by Rotary members.

Plymouth Awaits Fall Festival Time

Finishing touches are being placed on plans for the five-day Plymouth Fall Festival that opens Wednesday, Sept. 5 and concludes with a chicken barbecue on Sunday, Sept. 9.

The Retail Merchants Committee of the Plymouth Community Chamber of Commerce has lined up four days of activities preceding the Sunday finale.

Orange, brown and yellow bunting — the colors of fall — has been draped throughout the downtown area by the National Display Co. of Detroit.

Starting Wednesday, Sept. 5, the downtown will become alive with strolling troubadours, a popcorn concession, balloon salesmen,

carriage and stagecoach rides and other events. They will return each day. On Thursday at 8:30 p.m. in Kellogg Park there will be a barber-shop quartet contest.

On Friday there will be a German Band Concert in the park.

Saturday at 9 a.m. there will be a Pet Show in the Central Parking Lot. At 2 p.m. there will be a performance by the Washington Interpretive Indian Dancers and at 9 p.m. there will be a square dance in the Central Park-

On Sunday, of course, will be the chicken barbecue. Plymouth Rotarians are again sponsoring this phase of the celebration.

Tickets are now on sale at many business places. Costing \$1.50 for adults and \$1 for children, the tickets give buyers a half chicken, corn on the cob, a roll and potato chips.

Several dozen antique cars will roll into Plymouth during the afternoon. Two organizations plan to offer drama and several other organizations, such

as the Three Cities Art Club and Historical Society, will have displays.

Co-chairman for the Festival are James Thornton, James Houk and Margaret Wilson. The Retail Merchants Committee phase of the celebration are James Thornton, James Houk and Margaret Wilson.

Realtors Begin Fall Meetings

Marvin O. Moser, program chairman of the United Northwestern Realty Association, Western Wayne County Board of Realtors and Western Oakland County Board of Realtors, announces that the fall luncheon meetings will begin next Thursday, Sept. 6.

The initial program will be handled by Dwight K. Hamborsky, district director of the Federal Housing Administration. The subject to be covered will be "FHA Policy on repossessions".

The Association will hold its meetings this year at the Kenwood Restaurant, Telegraph at Five Mile Rd. All luncheon meetings begin at 11:45 a.m.

Seek Donors for Red Cross Bloodmobile Visit Here

Recruitment is now going on in Plymouth for a visit of the Red Cross bloodmobile here on Thursday, Sept. 13.

Member of the B.P.O. Elks and Plymouth Red Cross volunteers are co-sponsoring the visit of the bloodmobile to the Lodge's Hall, 41700 Ann Arbor Rd.

The mobile center will accept donors from 3 to 5 and 6 to 9 p.m.

Chairman of donor recruitment are Elks' member Tony Gonzalez and the Red Cross blood chairman in Plymouth, Mrs. H. R. Penhale, 985 Roosevelt.

Pledge cards are available from the chairman — Mr.

Gonzalez at GL 3-1780 or Mrs. Penhale at GL 3-3359.

Chairmen of all organized blood groups in the community have pledge cards for their members and they also are available at the Red Cross Northwest Regional Office, 33539 Plymouth Rd., Livonia.

In order to make more complete use of the facilities and to expedite the visit of the prospective donor, appointments can be made at a time convenient for the donor when the pledge card is returned to one of the chairmen.

Red Cross volunteers will assist the professional staff during the visit of the bloodmobile.

It happened 100 YEARS ago
 The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN MICHIGAN, the new mines in the southwest corner of the state were supplying the Union with desperately needed iron ore. And, all over Michigan, beer was supplying folks with sparkling refreshment.
 For then as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of hospitality to any occasion. Folks in Michigan have always enjoyed the good fellowship that goes with every glass.
TODAY, in its Centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Newcomers Set To Open Season

The Plymouth Newcomers will start the 1962-63 season with a luncheon at the Mayflower Hotel on Thursday, Sept. 13. A get acquainted hospitality period from 12 noon to 12:30 will precede the luncheon which will be served promptly at 12:30. Reservations may be made by phoning hostesses Nancy Albert GL 3-5372 and Kathleen Adair GL 3-2283. All reservations must be called in by Tuesday, Sept. 11.
 The popular Mrs. Jane Kerr, noted psychologist, will speak on "Family Life" a topic which should be interesting to all.

The Newcomers Club welcomes all new residents in the Plymouth area. The club selects a wide variety of projects during the year to further acquaint all newcomers. Afternoon projects designed with the women in mind and evening events programmed for couples.
 Plans are underway for a couples Potluck dinner, to be held on Sept. 22 at the Joe Fletcher residence. Mark this date on your calendar.

Sue Hoeplich Writes About Visit to Switzerland

Another letter has been received by the Plymouth Mail from Sue Hoeplich, daughter of Mr. and Mrs. Fredrick Hoeplich, of 42400 Schoolcraft, Plymouth, who is spending the summer in Germany under the Youth for Understanding program. Because of its interest we are publishing the letter in its entirety below:

July 27 at 3 o'clock in the morning Vati, my brother, Heiner, sister, Itsche and I began a trip to Bremerhaven to meet my sister, Gudrin who had returned from a year's study in Scottville, Michigan. As we left Bavaria, Southern Germany, the country around us grew very flat with a few rolling hills. The cities seemed to be larger and more industrial. The small towns of which I am so fond lost their colorful window boxes and most of the farm people we saw in these towns rode upon wagons pulled by horses. Even the architecture changed greatly. The house and barn were one unit constructed of brick and wood, similar to the English architecture of long ago. In Bavaria where I live the barns and houses are connected by a passage way and not usually built together.

As we approached Eces Friesland near the North Sea there were a great many windmills, a sight I expected only to see in the Netherlands. Heiner told me that the Netherlands or West Friesland, were only 10 miles away. The people and buildings also looked Dutch. The only thing missing was wooden shoes.

That afternoon we reached Bremer and I had an opportunity to visit Bob Weber and his family. While Vati and Heiner talked to Mr. and Mrs. Pfeifer, Bob, Itsche, Frank, Bob's brother and I played football. It was so nice to speak to someone who is having a wonderful time in Germany also.

That night we couldn't find a hotel in Bremerhaven, because of a ship race the next day so we had to return to Bremen. The dock where the Q.S.S. Arkadia was berth-

ed was full of exchange students returning to Germany. After meeting Gudrin and having breakfast we drove back to Degermooos, our farm, arriving at 1:30 a.m. Our trip covered 1,400 miles. Because of lack of space in our small car, Barb was unable to go. Like a good tourist I had my camera with me constantly, but on this trip I also had Barb Quinn, my American sister's camera too. So I traveled with a camera in each hand. From the looks I received they thought I was terribly odd.

We passed through the cities of Stuttgart, Frankfurt, Hanover, Kassel and Bremen as well as the Ruhurgebiet, Germany's industrial region. Gudrin enjoyed her stay in America, especially the American people. Gudrin and I decided to make an apple pie because that is one pastry the German's are not familiar with. We couldn't find a pie pan so we baked our pie in a cake pan with removable sides. Our pie was beautiful and quite large. Vati had "a shot from a witch" or stiff neck and couldn't eat his piece of pie so I ate it. For two unexperienced cooks our pie turned out very well.

It was interesting to exchange views on American life with an exchange student whom had just returned from the United States.

I have been very anxious to go to Switzerland and August 8th Itsche, Muck, Barb, Heiner and I went to St. Gallen monastery in St. Gallen, Switzerland. We saw the church and the library which are located in the center of the city. The library, founded in 915, contains 30,000 volumes, 5,000 of which are manuscripts hand written in Latin and old German. The wood carving decorating the library are over 200 years old and were hand carved by a man in Lindau. Another interesting feature of the library is that they give you big floppy slippers to wear over your shoes. This cuts down on the noise and saves on floor polishing. This monastery was quite modern and different from what I imagined.

I could picture the monks on high stools hand copying Bibles but the only monks we saw were on a tour of the monastery also.

On the 10th of August Heiner drove Marlies, Barb and I to Linderhof, King Ludwig II of Bavaria's famous castle. On the way to Linderhof we drove through Austria and saw the Tirolean Alps and also we saw the Southern German city of Garmish.

Although Linderhof is small as castles go it is lavishly decorated with gold. King Ludwig also had a grotto built where he wished to view the operas of Wagner. The Grotto is of steel construction covered with cement, also it has central heating and the first electric lights in Bavaria. Because of the poor acoustics King Ludwig never saw an opera performed there. Ludwig II, the Castle King, he built seven, was found drowned in a Barvarian lake. The strangest part of the tour of Linderhof was being among English speaking people again. Situated among the beautiful gardens and fountains Ludwig II built a Moorish Kiosk where he would sit and smoke a 300 year old Turkish pipe.

Also that day we saw Oberammergau where every 10 years elaborate passion plays are presented and the cathedral at Weis.

The oval cream colored exterior houses the loveliest cathedral I have ever seen all summer. The white walls and clear wall give a feeling of spaciousness and majesty to the altar. In 1730, Father Magnus Straub and Friar Lukas Schwaiger composed a figure covered with canvas called the "Fagellated Savior". It aroused the compassion of the faithful in too high a degree so it was discarded because of its ghastly expression. Until 1738 it stood in the garret of an inn neglected and forgotten. The innkeepers godmother took the sculpture to her farm called the Weis Farm. During the evening's prayers tears could be observed in the eyes of the "Fagellated Savior." Because of the many people who pilgrimaged to see the sculpture a church larger than the Weis chapel had to be constructed. It was the dream of Abbot Hyzinth Gasner that a big church be erected. Weis cathedral is his dream come true.

After a busy day of travelling and sight seeing we were glad to arrive back home. There is so much more to see and so much more to learn about the German people that one summer is not long enough. I have become more aware of the wants of other people of the world. I want to return to Germany sometime in the near future.

Plymouth Township Minutes

BOARD MEMBERS PRESENT: Roy R. Lindsay, Fred L. Miller, Elizabeth Holmes, Louis Norman, C. Yeach Sparks.

There being a quorum present, the meeting was called to order at 8:00 P.M. by Supervisor Lindsay.

The minutes of the meeting of July 10, 1962 were read by the Clerk, and there being no objections or corrections, Mr. Lindsay declared them approved as read.

Mr. Lindsay read a list of unpaid bills totaling \$23,378.66, payment of which was approved, on a motion by Mr. Sparks, supported by Mr. Miller, with Mr. Norman abstaining.

AGENDA ITEM NO. 1
Due to a change in plans, the action of the Board at the meeting of July 10, 1962, at which time Paul Wiedman, Inc. was declared to be the bidder selected to furnish a 1/2 ton pickup truck, was rescinded.

AGENDA ITEM NO. 2
At the July 18, 1962, meeting of the Planning Commission, the final plans for Garling's Riverside Subdivision No. 2 were approved and referred to the Township Board for final approval.

The Township Board, however, deferred action at this meeting because of the failure of the subdivision to comply with the following requirements:

1. Payment of fee for plan approval 1 per cent of \$22,900, or \$229.
2. Payment of fee for inspection 3 per cent of \$22,900, or \$687.
3. Furnish construction and maintenance bond in the amount of \$22,900 to assure completion of the underground and sidewalk improvements.

Motion to table by Mr. Norman, supported by Mrs. Holmes. Motion carried.

AGENDA ITEM NO. 3
Mr. Lindsay presented a letter from the Board of County Road Commissioners advising of a request to abandon and discontinue that part of Butterfield Avenue lying North of a line located 300 feet north of and parallel to the north line of Gilbert Street 50 feet wide. Mr. Lindsay informed the Board that he was present at a hearing on this matter held by the above Board on August 2, 1962, at which time numerous petitions opposing such abandonment were presented, and the Board after discussion and deliberation, recommended that the request to abandon be denied.

After consideration of the action by the Board of Wayne County Road Commissioners, as stated above, the Board of Plymouth Township expressed its concurrence with the action of Mr. Sparks, supported by Mrs. Holmes and carried unanimously.

AGENDA ITEM NO. 4
The placing of this item pertaining to fences and drive in services on the agenda of this meeting was premature, since no final action had been taken by the Planning Commission. To the Township Board, therefore, tabled this matter with-

out action at this time.

AGENDA ITEM NO. 5
A discussion was held regarding the installation of water lines for Green Meadows and Parkland Subdivisions, and it was considered necessary to obtain bids in order to proceed with this work. Authority was therefore granted to advertise for such bids, and Mr. Hamill was requested to prepare the cost of such advertisements and to include the extension of the present line on Ann Arbor Road from Center Center Road to McClumpha Road.

Moved by Mrs. Holmes and supported by Mr. Miller, the motion was unanimously adopted.

AGENDA ITEM NO. 6
Mr. Norman presented a form for a service contract, which would provide a periodic mechanical check of the recently acquired American La France Fire Truck.

Since this equipment was delivered only a month ago and carries a five year warranty, it was felt that a service contract at this time would be premature and not in the best interest of the Township. The request for approval at this time was therefore denied, pending further study, and with the recommendation to resubmit this matter at a later date.

Mr. Chester C. Pierce, Attorney for the office of Wayne County Drain Commissioner, appeared before this Board to present a request requiring the signatures of the Township Supervisor and Clerk, and which would provide for refund of \$12,696.50 to the Township as their prorated share of the accumulated funds in the Middle Rouge Parkway Interceptor Drainage District Account.

Mr. Pierce explained that to refund the respective amount to each individual tax payer would not be feasible, due to the small size of the accounts, and the cost of administration thereof would be prohibitive; therefore, it was felt that a lump sum payment should be applied to the benefit of the Township at large.

No action was taken by this Board at this meeting pending study by the Township Attorney of the agreement submitted for signatures.

AGENDA ITEM NO. 7
On the recommendation of Township Engineer Herald F. Hamill and D. W. Superintendent Matthew McEllian, Mr. Miller proposed a motion that the Township Board accept dedication of the sanitary sewer and water systems for Lake Pointe Subdivision No. 5 from the developer, Lake Pointe Improvement Company, and assume the responsibility for its operation and maintenance. In consideration of the acceptance by the Township, the Developer shall be required to furnish a bond in the amount of \$20,000 to guarantee the workmanship of construction for failure or impairment of these systems and to hold the Township free from any responsibility for failure or impairment of these systems and to hold the Township free from any responsibility for failure or impairment of these systems and to hold the Township free from any responsibility for failure or impairment of these systems.

After discussion by Mr. Sparks, the motion was carried unanimously.

AGENDA ITEM NO. 8
Mr. Miller presented a Warranty and Maintenance Bond submitted by Sinter, Inc., for the proposed building from Campbell and Sons Excavating Company as the Principal, and the Township as the Obligor. This Bond was tendered by Sinkins Investment Company with the intent to fulfill its obligation to the Township relative to the warranty required for the water mains, sanitary sewers and storm sewers installed in Parklane Estates Subdivision.

It was the opinion of the Board that the Bond, as written, would not meet the bonding requirement of the Township, and the Clerk was therefore requested to so inform Sinkins Investment Company and outline to them the nature and scope of the acceptable bond. No further action was taken.

AGENDA ITEM NO. 9
Mr. Norman informed the Board that the University of Michigan Extension Service will, from September 14, through 16, conduct, under Civil Defense, a class on fire chemistry and related subjects for firemen. The cost of enrollment will be \$20.00 for lodging and meals, as it is required of those attending the class. Mr. Miller recommended that Fireman Fred Krupp be selected to enroll in this class, and that the Board authorize the expenditure of \$35.00 to defray the cost.

After motion to approve, by Mr. Sparks, supported by Mr. Miller, the motion carried unanimously.

AGENDA ITEM NO. 11
Mrs. Holmes requested an expression from the Board regarding their feelings toward the continuance of the \$50 per hydrant annual rental required by the terms of Ordinance No. 21-1 to be paid by the General Government to the Water Department.

During the discussion that followed, it was established that this amount was originally set to strengthen the financial structure of the water program during the initial period of operation in order to reflect a sound financial position. It was pointed out that the in effect, constituted a subsidy of the Water Department by the Township at large, whereas it was the intent that such utilities should be self-supporting and that, since the Water Department is expected to produce sufficient revenue to operate without subsidy, the ordinance provision that the General Government pay to the Water Department annually the sum of \$50 per hydrant, which would amount to approximately \$10,000 per year, should be reviewed. The question was raised whether the General Fund, on its allocated one mill tax levy, could meet this expenditure. Mr. Sparks then moved to table this matter. After support by Mr. Norman, the motion carried.

There being no further business, Mr. Sparks moved for adjournment. After support by Mr. Miller, the meeting was adjourned at 10:45 P.M. Signed:

Roy R. Lindsay - Supervisor
Fred L. Miller - Clerk

HEATING OIL

SUNOCO

News for Fuel Oil Users

ECKLES' RED CARPET OIL BURNER SERVICE AGREEMENT FOR THE 1962-1963 HEATING SEASON IS NOW BEING DISTRIBUTED TO USERS OF FUEL OIL IN THE PLYMOUTH AREA. IF YOUR COPY HASN'T REACHED YOU, GET IN TOUCH WITH US. IT CAN SAVE YOU REAL MONEY, YEAR AFTER YEAR AFTER YEAR. Here's What It Provides:

AT THE UNBELIEVABLY LOW PRICE OF \$19.75, WHICH MAY BE SPREAD OVER YOUR OIL-HEATING BUDGET PAYMENTS, YOU GET:

Here Are The Parts That ECKLES REPLACES...

During Your Service Contract Year As Necessary, AT NO EXTRA COST TO YOU THE COST OF JUST A SINGLE PART (WHEN NEEDED) COULD PAY FOR THIS AGREEMENT FOR YEARS.

1. Thorough pre-season inspection and cleaning of your burner and furnace or boiler, followed by six-way efficiency test to assure maximum fuel economy.
2. All-winter maintenance of your furnace and burner, including replacement or repair of any part in the adjacent list — at NO COST FOR EITHER LABOR OR PARTS!
3. Emergency No-Heat service, 24 hours a day, seven days a week, including Sundays and holidays, when safety or health is concerned.

Eckles Red Carpet Service is open to every Eckles fuel oil customer. The only condition is that your heating plant be in operating condition at the start of the agreement period. If preliminary inspection shows repairs needed to put it in running order, our inspector will advise you and state the cost. If you decide not to authorize them, there will be no charge for anything done up to that time. IF YOU AUTHORIZE THEM, you will bid goodbye to heating worries. The repairs required for Red Carpet Service eligibility will be made at parts cost, without labor charge, and Eckles will assume your furnace maintenance from there on in... for as many years as you elect to renew your participation in the Plan. The advance inspection is a one-time operation. Once your furnace is accepted for Red Carpet Service, you get free repair or replacement of all parts listed — and the agreement can be cancelled only by YOU!

1. Primary control (burners, safety control)
2. Aquastat limit control (hot water)
3. Pressuretrol (for steam heating systems)
4. Fan and limit control (warm air heating)
5. Relay control (for hot water circulators)

The Professor Says...

By Ed Brown

The past two weekends found our family in a couple of the most beautiful spots in Michigan. One on each side of the state—the first at Traverse City, and the second on Lake Huron between Rogers City and Cheboygan.

I think our Michigan, and particularly the northern part, one of the most fascinating in the nation.

The Traverse City area is very picturesque, and in all our travels it rates on a par with any when it comes to an all-round vacation site.

Traverse City is one of my favorite small cities. It is a clean, beautiful, green, friendly place where one can

animal cage to another, and visit the historical museum. All animals and museum pieces are from the state of Michigan. The zoo has been relocated along the Bay, and is even more wonderful now than it was before. It overlooks a beautiful Yacht Basin and Marina which were recently opened.

The local citizens must love their Traverse City for they seem so friendly and happy. When a project is to be undertaken they all get behind it and before long it is a reality.

Last weekend a cottage on Lake Huron was also wonderful — a quiet, restful place where one can loll in the warm sunshine on the sandy beach, take a swim or just relax and watch the large boats plying up and down the lake.

Yes, we in Michigan have beauty to be thankful for, something many states would love to have — we should appreciate it much more than we do.

WHAT EVER HAPPENED TO????

These two former star athletes who are now brothers-in-law; one of them having married the cheerleading sister of the other. Confusing? No, if you just remember that the first graduated from PHS in 1953 and the couple in 1955.

The first started in football and baseball in the early fifties. I well remember his long run after taking a fake punt hand-off in the Wayne game of 1953 — that run turned the tide in favor of the Rocks.

He was a fleet halfback and made many long gains with his speed even though he was considered a small athlete. An outfielder in baseball, he was also a good man with the stick as he compiled a high batting average.

Our mystery guest went on to Eastern Michigan University from high school. A year and a half later found him fulfilling a lifetime ambition when he joined the Ann Arbor police department.

The armed forces called him away from his work for a two-year period. Most of this time was spent in Germany. After his discharge, our law man returned to his police work.

Last year he married the former Carolyn Keifer of Ypsilanti, and they live at 2099 Firwood in East Ann Arbor.

He is still quite a ball player with the police team in the city league there.

His sister was a cute cheerleader four years before her graduation in 1955. She married another good athlete of the same class. He played football, baseball and basketball. The two were high school sweethearts. This husky fellow is now a tool and die maker with a plant on Telegraph road.

Four fine youngsters have joined them since their marriage. Scott, 5; Lori, 4; Douglas, 2; and little Kathy, an eight-month old. They reside on Ross street in Plymouth.

Who are these former PHS students? The policeman in the scout car in Ann Arbor will be Ron Ritter, while his sister Cheri married John Agnew.

Plymouth is taking its first concrete steps toward the creation of a community image that may well become a permanent part of our yearly living, and in the years ahead spread the name and fame of this community as widely as that of Williamsburg, Virginia.

For as long as I can remember various people have thought that because this is Plymouth the community should undertake some sort of fall festival or harvest promotion to bring the image of the Pilgrim's Thanksgiving to a reality here. A week hence, under the very capable direction of Margaret Wilson and James Thornton, the Chamber of Commerce will have put in motion the first act of a production that could grow so large in scope it could gain the fame of Stratford in Canada or Oberammergau in Germany. All it will need to bring this about is vision, courage and cooperation.

Certainly, Plymouth business and industrial firms have shown their spirit of cooperation. To decorate the town as they will do next week, to advertise the event and to participate with costumes and store displays as they are planning has cost them a lot of hard earned money. But it is money that I feel is well spent and will one day come back in many ways.

The spectacular growth of the Rotary Chicken Bar-b-que dinner from an original 300 people to an expected 4,000 this year, all in a six year period, points to the future possibilities of these combined functions. As an example, this year Detroit area Boy Scouts have an excellent Indian dancing tribe which will perform here during the event. With planning now, next year we easily could bring in several tribes of real Indians, and there are many in Wayne County, who could help provide color and entertainment. Plymouth people dressed as Pilgrims could, with the Indians, portray the original Thanksgiving feast in an outdoor ceremony that could again attract thousands of people to view an historical attraction of this kind.

When we think of the thousands of school children that have been driven to Plymouth at Thanksgiving time, in out of town school buses, to view the Pilgrim pictures in the Mayflower Hotel's dining rooms it makes us shudder to think of thousands and thousands more who would come with their parents to see an actual replica, by real people, of the first Thanksgiving feast.

Well, there is no more time for next years dreaming now, but... I am sincerely convinced we have here a tool, along with our colonial building theme, that, if we combined this with other colonial promotions at various periods throughout the year with more parking areas, an improved business section from a looks standpoint, we could make America's biggest and most fantastic shopping center look silly when it came to drawing crowds.

I commend Chamber president George Lawton, secretary Fran Booth, Margaret Wilson, Jim Thornton and all of the participating business people of this area for one of the first major steps forward in the creation of an image and a tool to make this community known from one end of the world to the other. Let's start next years program now.

I was sorry to see Judge George Bowles resign his controversial post as a member of the UAW watchdog committee. In announcing his plans to relinquish his duties from the UAW Review Board he stated he needed additional time to pursue another interest, that of health care.

No doubt this is true, but for my money, undoubtedly outside pressures also played a large part in his decision, and that is the purpose of this mention here. A good friend and former resident of Plymouth and one who reached his present position by first, governmental appointment, then election, all because he was considered unusually fair in his handling of major labor disputes and other civil arguments.

As we know Judge Bowles he could be depended upon to be as fair in labor disputes as he has been in any other situation which he has had to mediate. Then, isn't it too bad, in this day and age when sincerely honest men are truly hard to find for public office, that a man of this quality relinquishes an extra curricular activity, even though it has no direct connection with his judgeship, because of outside pressure. Whoever loses his services, be it UAW, the courts or who-so-ever, as far as we are concerned, has lost a sincerely faithful and honest man.

A very significant maneuver occurred in Charlotte, Michigan last week. The city of Charlotte rezoned 110 acres of land in the north section of that town from residential A to heavy industrial classification. That's quite a drastic change.

Purpose of the rezoning was to provide a site for a multi-million dollar plant for Owens-Illinois Glass Company who will start immediate construction of their new buildings and when completed will employ more than 300 people.

Why did the people in Charlotte, who attended the zoning meeting in the largest turnout ever held in Charlotte, according to their newspaper, do this thing and do it without one local protest? The answer is very simple. Taxes in Charlotte are high, as they are here in Plymouth and everywhere else. Schools are costing more and more each year as the youth population increases. Cost of city service and township services are going up and the residents all want more and more new services. How are these services and taxes paid for? One by the homeowner who is already badly pinched, secondly by the business community which is up to its neck in taxes and THIRDLY AND MAINLY BY INDUSTRY.

It's just that simple. The residents of Charlotte knew that in this rising economy many of them might lose their homes or at least a lot of their little daily luxuries if their taxes kept on going up. They knew that no matter how far they stretched their weekly pay check sooner or later taxes would lick

Seven from Here Attend YMCA's Youth Conference

The Plymouth Community YMCA will be represented by seven high school students at the State YMCA Youth Leadership Development Conference at Camp Hayo-Went-Ha on Torch Lake, Aug. 25-31.

The annual conference for Hi-Y and Tri-Hi-Y officers and members provide an experience through which young people may gain a better understanding of themselves and their relations to others.

Qualified and trained adult leaders will work through small groups, using movies, filmstrips, case studies, role playing, and other leadership training techniques to achieve the objectives of the experience. Participants will be alerted to their role in helping maintain moral and spiritual values within their respective schools and communities.

Boys will be in camp from August 25-28, and girls from Aug. 28-31. Those attending from Plymouth are: Ronald Becker, 643 Hartsough; Clint Blood, 1150 Roosevelt; Randy Munshaw, 555 Byron; Judy Green, 595 Simpson; Donna Hoffman, 740 McKinley; Carole Loesch, 840 McKinley; and Pamela Perkins, 1440 West Ann Arbor Trail.

Roger H. Blood, a local resident, who is program director of the State YMCA, will be director of the camps. Teenagers will be in attendance from all parts of the state.

Washtenaw GOP Plans Ox-Roast

Salem Township residents were reminded this week that tickets are now available for the Washtenaw Republican Ox-Roast on Saturday afternoon, Sept. 15 at Delhi Park.

Governor Candidate George Romney and Second District Congressman George Meader will be guests.

All-County area chairmen from whom tickets are available are Peg Pommerning, NO 3-7084 and Sue Gikas, NO 2-6665.

It's just that simple. The residents of Charlotte knew that in this rising economy many of them might lose their homes or at least a lot of their little daily luxuries if their taxes kept on going up. They knew that no matter how far they stretched their weekly pay check sooner or later taxes would lick

them, so, they took the only way out and that was mainly this... let zoned residential A land go to industry and let them keep their tax bills down.

Not too many years ago Plymouth was embroiled in a similar problem. The factory located here, however, and here's what a check of the tax rolls at the city hall revealed about that industry just last week.

The land the factory is located on here is assessed at slightly over \$80,000. The buildings are assessed at one and a quarter million dollars. Their personal tax assessment is \$1,388,000. A total tax assessment of \$3,250,000. Some dollars.

From this the city receives in real and personal taxes almost \$50,000 a year. The county receives nearly \$30,000 a year and the Plymouth Community School district receives over \$90,000 each year.

This Plymouth industry pays to our governmental units \$167,126.86 this year in taxes, and, if we didn't have it, and we had to make up the difference out of our own pockets, which we would, Plymouth's 3,500 home owners would have to fork over about \$25 each if we just took a mean average throughout the city. Does industry keep your taxes down and make it cheaper for you to live in a community which has a lot of industry?

If you don't think so, just check these figures over once more before you put this paper down.

ORDINANCE NO. 14L

AN ORDINANCE TO AMEND ORDINANCE NO. 14, KNOWN AS THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH.

THE TOWNSHIP OF PLYMOUTH ORDAINS:

PART I. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending Section 3.10 of Article III, to read as follows:

Section 3.10 FENCES. No fence shall be constructed in front of a residential building in front of the front building line. Except as otherwise provided in this Ordinance, fences or walls, in the rear or back of the front building line, shall not be more than four (4) feet in height, and shall be ornamental in design. Provided, however, an ornamental fence will be permitted to be erected on the front property line in the AG and R-1-E Districts, when the lot is one (1) acre or more in area and such lot has a width of one hundred fifty (150) feet or more at the front or rear building line.

PART II. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending paragraph (n) of Section 13.01 of Article XIII, to read as follows:

Section 13.01 (n) Drive-in-restaurants, drive-in banks, drive-in or outdoor theaters, drive-in-services or businesses not strictly prohibited, on approval of the Planning Commission.

PART III. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending Section 19.03 of Article XIX by the addition of a new paragraph to appear and become paragraph H, to read as follows:

Section 19.03 H. DRIVE-IN-SERVICES OR BUSINESSES. The Township Planning Commission may approve drive-in services or businesses in a C-2 District after notice by mail to adjoining property owners and publication in a local newspaper as to the application and holding a Public Hearing in connection therewith, provided the following requirements are complied with:

- (a) All driveway entrances and exits shall require the approval of the highway authority having jurisdiction thereof, the Police Chief and the Building Inspector.
- (b) Lighting facilities shall be so arranged as to reflect light away from any residential area adjacent to the area.
- (c) Parking facilities and entrance and exit lanes, in conjunction with any such services, shall comply with Section 3.37 of The Zoning Ordinance.
- (d) All such uses shall comply with all regulations required by the laws of the State of Michigan and any Ordinance of the Township of Plymouth.
- (e) Drive-in or outdoor theater boundaries shall be located not less than one thousand (1000) feet from any zoned residential district.
- (f) Drive-in or outdoor theaters shall provide a minimum of two (2) ticket gates for a parking capacity in excess of three hundred (300) vehicles, three (3) ticket gates for a capacity in excess of six hundred (600) vehicles, and four (4) ticket gates shall be provided for a use having a capacity in excess of eight hundred (800) vehicles. Each ticket gate shall be provided with its individual and separate entrance lane connecting with the highway entrance and capable of accommodating a minimum of thirty (30) vehicles per lane.
- (g) There shall be only one (1) exit to any access highway from any outdoor theater, and not more than one (1) lane shall be permitted for each direction of travel from each exit.
- (h) Theater screens shall not face a major highway, but shall face so as to cause the least or minimum disturbance to flow of highway traffic.

PART IV. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART V. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from the earliest date allowed by law.

PART VI. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, of the Public Acts of Michigan, 1943, at a special meeting duly called and held on the 16th day of August A.D. 1962, and ordered to be given publication in the manner prescribed by law.

FRONT ROW CENTER

By GEORGE SPELVIN

Broadway shows signs of stirring from its normal summer sleepy state. Our local theaters have begun to think about fall productions. And on the Detroit scene the theater managers are dusting off the S.R.O. signs for those happy days ahead. Even the TV tube has taken on a brighter glow and it looks like the coming season may be a slight improvement over the 1961-62 cowboy and Indian session.

As usual more musical shows are being prepared for audiences in New York to observe with their critical eye. Every year the hopes and dreams of many investors ride precariously on the tender, delicate wings of many musical comedies. Why the sudden rush to so difficult of all theatrical ventures? If you succeed in producing a hit with either the status of "Oklahoma" or "My Fair Lady", the eventual return on your investment is fantastic. Of course, the risk is great — only one out of every six or seven that open pay back the original cost of \$400,000.

SOME OF THE new musicals tuning up the drab rehearsal halls are "La Belle" with Menasha Skulnick (one of my favorite Jewish actors — he's ageless), "Nowhere To Go But Up" with Tom Bosley of "Fiorello" fame, "Oliver" (a musical version of Oliver Twist — will play the Fisher this winter prior to Broadway), "Bandero!" with Robert Preston trying to repeat his "Music Man" hit, and "Mr. President", the long-awaited Irving Berlin show.

What are my predictions? For the moment I'll put my money on "Mr. President" and "Oliver". Check my track record at this time next year and see how clairvoyant old George was.

Tryouts are being conducted at the Vanguard Theater for their opening musical attraction, "The Three Penny Opera." A few seasons ago this Kurt Weill musical finished a seven year run off Broadway. Part of the secret of its long run was that the theater could seat only 200 people at a time. Of course, "3 Penny" is still a good show. Vanguard will be holding open tryouts during the morning of Aug. 31.

If you're interested in participating in one of their productions, call WO 3-3683 for more details.

If you're in old George's condition you will sit back and wait for that Sept. 26 opening when the public will be able to see the show. Ticket demand has been so heavy that already three extra weeks have been added to the planned four week run.

NORTHLAND SUFFERED a great loss last week in the sudden death of its publicity director, Joe Heidt. He and I traded many a theatrical anecdote. Of course, Joe always had a vast store of stories. Old George could in no way match his experience on the New York and Hollywood front. Mr. Heidt cut his press agent's teeth on "Oklahoma" and went on from there to bigger and better attractions. All of us in the press world will miss Joe. His down-to-earth appraisal of a show, the quick way he had of summing up a play's good features, and the endless number of little favors that he would do for all of us will be long remembered.

Too bad Joe couldn't have seen the lively, spirited presentation that has one more week to run at the Northland Playhouse, "Bye, Bye, Birdie." Carleton Carpenter, Pat Finley, Ruth Manning, and Tom Golden perform with the zest and joy that always brought a dancing light into Joe's Irish eyes. Press agents have a way of recognizing artistry immediately. There is a lavish amount of actor know-how on display out at Northland this week. The audiences all but gave the cast a standing ovation at the conclusion of the opening night performance.

I STILL CONTENT that "Bye, Bye Birdie" is one of the best musicals to come from Broadway in many a moon. The first act rushes by with the speed of an express train. And why not? The cast is jam-packed with vibrant, bouncing, energetic teen-agers. The show is a grand and glorious spoof of rock and roll singers. And yet the songs sung by the Presley-type character, Birdie, make good listening.

Take the whole family out to Northland to see this production that fairly explodes. You can't help but be infected

EVER SEE a four-legged chicken? This one was on display last week at the Wayne County 4-H Fair near Belleville. The hen seems to be in perfect shape except for the two extra feet protruding from her right side. The chicken is owned by a feed store in Walts, Mich.

Lyle Leveille
Lyle H. Leveille, 876 Irvin St., will be among the 120 Marine Reservists taking part in exercise "Iron Mitten" near the Gross Ie Naval Air Station.

Some 70 Marine Air Reservists are operating out of a tent ready to scramble fighters against an imaginary enemy air force. Another 150 Marine Reservists were poised to send fighter-bombers on close support missions and helicopters on ambulance and supply flights.

Leveille is a sergeant in the reserves. New developments in the processing of low grade resources of the Upper Peninsula's oldest industries, copper and iron mining and lumbering, will prolong their life and pave the way for increased industrial employment.

Western Farce Lassoes Laughs for Fall Festival

All the world loves a Western show. The bite of the gun, and the fresh, invigorating sweep of magnificent scenery to titillate the eye provide the winning combination. "Big, Bad Freddie," the Western Musical Comedy coming to the Fall Festival on Sept. 9, has all these qualities and more.

Producer Linda Wall has announced additional visual treats in store for those able to crowd into the outdoor theater being fashioned out of Saxton's Garden patio across from Kellogg Park.

Volunteers Time To College Office

Miss Barbara Haas, daughter of Mr. and Mrs. John H. Haas, 8870 Rucker, has been donating her time this summer to the Northwest Wayne County Community College by working in the college's office. Miss Haas is a student in Western Reserve University Library School.

Miss Haas' mother, Mrs. John Haas, is a teacher in the Plymouth Public School System and has been active in the development of the college since the beginning of the study as a member of the Citizens Committee.

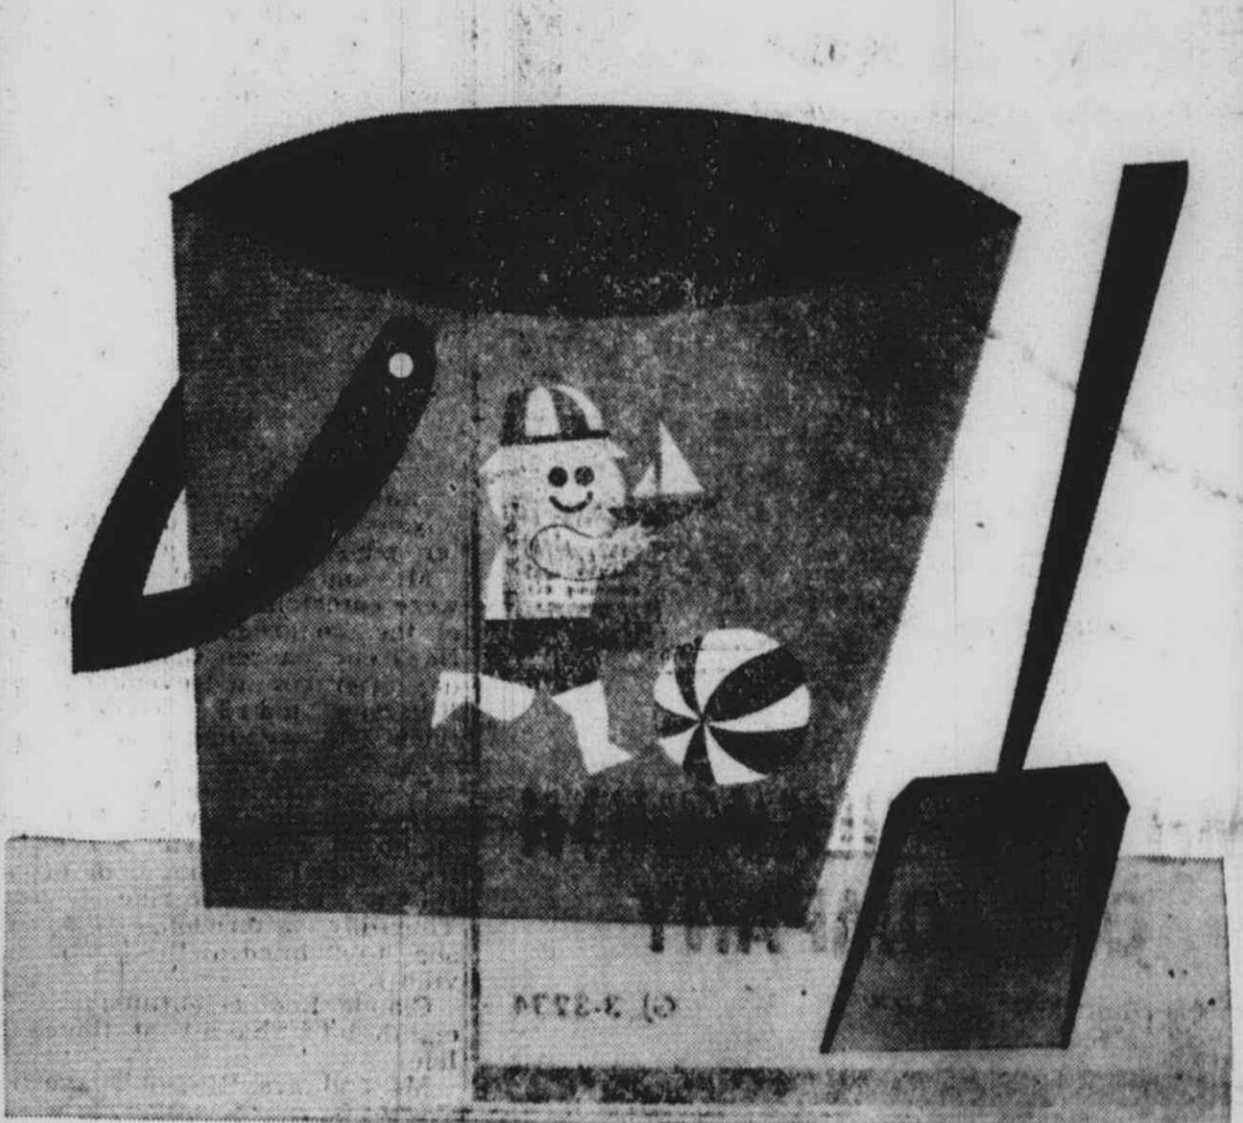

Completion of the new international bridge across the St. Mary's river, linking the American and Canadian cities of Sault Ste. Marie, late in 1962 will be another boon to the economy of the Upper Peninsula.

AN IMPORTANT ANNOUNCEMENT

Here, at Wiltse's Community Pharmacy, we have recently installed a modern "Safeguard Record System" in order to make available to you — at any time — a complete record of your various prescriptions, and prescription refills, for each year or any given period.

Under this system, your family's individual record for prescriptions will be maintained so as to qualify you for Income Tax deduction purposes, insurance requirements, or for any purpose you may desire.

For instance —

If you were to lose, or misplace, your prescription and had no record of its original number through which you would customarily obtain a refill, it would be instantly available to you under your individual record at Wiltse's Community Pharmacy.

As another illustration of the benefits of Wiltse's "Safeguard Record System," your doctor may wish to review the medication that you have taken over a particular period of time. This information, too, is readily available to him from your personal file here at Wiltse's Community Pharmacy.

A copy of your complete prescription record will be available to you at any time during the year, and at the end of the year as well. And, of course, your record for each previous year will become a permanent part of your personal file.

There is no charge for this additional service . . . in fact, we automatically begin such a file for each of our prescription patrons.

Visit Wiltse's in Plymouth at your next opportunity. We're confident that you will enjoy the visit and will return again over the years.

WITH THE LABOR DAY jam-up on Michigan's highways coming up next Monday, the American Automobile Association is again stressing its "Bring 'em Back Alive" program. But in this case 4-year-old Cathy Suddendorf is telling Plymouth's AAA branch manager Robert Cain to "Bring ME Back Alive." Cathy is the daughter of Mr. and Mrs. Jack Suddendorf. Hundreds of highway fatalities are expected over the weekend—but with a little thought and patience, the number can be reduced drastically by motorists.

Offers Heating Service Which Has Flat Charge

Agreement forms for the 1962-63 heating season, covering the Red Carpet Oil Burner Service plan which Eckles Fuel & Heating Co. inaugurated three years ago, are now being distributed to customers and prospective customers in Plymouth and throughout western Wayne County, Robert L. Allison, Eckles president and general manager, announced this week.

In return for a flat payment, which may be distributed over the fuel oil year under the budget payment plan, the company contracts to keep the oil burner and associated equipment in operating condition throughout the season, making replacements or repairs as needed, without charge for labor or parts. The contract applies to some 30 parts items, which are listed in the agreement.

The plan also includes emergency No Heat furnace starting service, seven days a week, 24 hours a day, where health or safety is involved, without additional cost. The entire program is detailed in Eckles' advertisement elsewhere in this issue of The Mail.

Complete Training

Cadet Joe F. Calhoun, 21, son of Mrs. Flora M. May, Wayne, Mich., recently completed six weeks of training at the Reserve Officer Training Corp (ROTC) summer camp at Fort Riley, Kan.

Cadet Calhoun is a 1959 graduate of Plymouth High School and is active in the ROTC program at Eastern Michigan University in Ypsilanti.

His father, Arthur B. Calhoun, lives at 9304 Oakview, Plymouth.

Also completing the training was Cadet Donald E. Alsbro, 22, son of Mrs. Alice Alsbro, 999 Penniman. Cadet Alsbro is active in the ROTC program at Western Michigan University. He was graduated from Plymouth High School in 1958.

YES INDEED, GLADYS...

Visit Plymouth During Fall Festival Days Sept. 4-9

You know, I was out shopping for school supplies the other day and wandered into Plymouth Office Supply on Penniman Avenue. You should see the "new look" there.

It's been redecorated inside in wonderful pastels and all beautifully rearranged, too. So convenient. And air-conditioned.

They have a lovely new Gift Shop there with all fine quality merchandise... greeting cards galore... free gift wrapping... all sorts of things.

And the book store — that's new, too, you know — it has all of the latest hard-cover and paper-back editions... most of the current best-sellers in both fiction and non-fiction.

do mean it, Gladys... there's a new look at Plymouth Office Supply. You'll enjoy visiting it, I know.

BLUE STAR HOME

Keeping the family happy takes a lot of time, but that's part of Mother's job. That's also why she needs a well-planned, well-equipped home that saves her time, energy and steps.

Fortunately the modern Blue Star Gas Home, with its efficient, dependable, fully-automatic gas appliances, makes building a happy family life a much easier job for Mother.

She can turn out a meal quickly and with little supervision. She can save time by coordinating clothes washing and drying with her daily chores. Hot water is always available. She can dispose of trash and garbage — indoors. Ample refrigerator and freezer space save her many inconvenient marketing trips.

And one of her biggest domestic joys is the whisper-soft gas house-heating unit that provides completely automatic, worry-free, care-free warmth through the long winter months.

Kiwanis Leader Tells What His Religion Means to Him

International Kiwanis President Walter J. L. Ray was recently asked to tell what his religion means to him. Carlton Lewis, chairman of the Plymouth Kiwanis Club's church committee, reports Mr. Ray's answer:

"The Master said, 'Let not your heart be troubled; Ye believe in God.' In this confused, materialistic age, we need a greater realization and appreciation of the power and strength of this truth.

"This country became great, in large measure, due to the abiding faith of our forefathers in their God. The plight that we find ourselves in today, in my humble opinion, is due to the fact that we have ignored and drifted away from the understanding that all we are and all we have is a gift from God.

"It is my happy privilege to be actively associated with one of our leading service

clubs that has a standing committee which has as its goal 'The support of our churches in their spiritual aims.'

"Results of the work of this Committee have been astounding. It has endeavored to impress upon the minds of our people the fact that the great blessings we enjoy have not alone been the result of our own hard work, thrift and frugality, but have been inspired by a Supreme Being who has been working in and through us.

"With Thy help I cannot fail, and without Thy help I cannot succeed' has been a daily prayer which I am glad to recommend to all. It contains a power to do things which we may think are beyond our individual capacity and capabilities of accomplishment.

"One of the great and disturbing problems to me is the

number of so-called successful business and professional men who, for some reason or other, do not feel the need to become regular members and contributors to any church. This fact is probably accountable, in part, for the confused condition we find ourselves in today.

"It is disconcerting to hear men say that business and religion do not mix. It has been my good fortune to have inherited from a former executive of my institution, a plaque which reads, 'We believe business principles should conform to the teachings of Christ.'

"With all the strength and power in my command, I want to testify that business institutions can be operated in keeping with the teachings of our Lord and Master, and most successfully.

"We hear much during these days about Communism. Those who are not active in the support of the church and the furthering of the religion of God, it seems to me, are at least indirectly supporting Communism. If Communism succeeds in its endeavor to conquer the world, it is pledged to the elimination of the church and our freedom to worship God.

"As free men and good citizens, how can we fail to devote a substantial part of our time to the advancement of Christianity here on earth?"

Kiwanians See Tigers Win One

Plymouth Kiwanis Club members, their wives and guests enjoyed a night at the ball game last week. They first had a buffet dinner at Lofy's Arbor-Lill and then went to Tiger Stadium to see the Tigers beat Cleveland, 10-1.

After returning to Plymouth, the group had a mid-night brunch. Chartered buses from the Metro Company in Dearborn transported members and guests.

Tells Need of Community Colleges To Meet Skilled Manpower Demands

ANN ARBOR — The nation desperately needs highly skilled manpower, according to a University of Michigan specialist in technical education.

Associate Prof. Norman Harris of the Center for the Study of Higher Education says, "changing economic, sociological, and occupational patterns are bringing about a situation in which nearly 50 per cent of the work force will be in semi-professional, technical, and highly skilled classifications by 1970."

He stresses that the real potential for semi-professional and technical education lies with the community junior college. There are more than 390 public junior colleges now in operation, with an enrollment of nearly 750,000 students.

Harris asserts that the junior college can best balance the technical training needed with college-level courses in English, history, mathematics and economics.

"Federal and state support for this educational force-in-being is far wiser than appropriating vast sums for starting a new system of area schools some time in the future," he says.

The U-M educator names seven reasons why the community junior college is the answer to the skilled manpower problem:

- 1) Junior colleges are already established in many

and the expansion of their programs would be a relatively simple matter.

- 2) They are already recognized as institutions of higher education, offering college-level work in both transfer and occupational education programs;
- 3) Faculties are already in being as well as administrative, counseling, placement, and instructional services functions;
- 4) The community junior college is (typically) located close to the student's home, making higher education readily available and relatively inexpensive;
- 5) Junior colleges have established close liaison with local high schools and can help high school seniors make a smooth transition from high school to college;
- 6) Community junior college education is economical for the student, his parents and society;
- 7) Community junior colleges have the facilities and staff to offer courses in English, history, mathematics, economics and similar subjects along with technical curriculums.

VFW NEWS

Many important issues will be coming up concerning our building and the proposed addition at the regular meetings. The hope is that we have large turn outs at the meetings to help make these decisions. The building addition committee has put time and study into heating and ventilation of the whole building as well as constructing the addition. There will be a great need for those also to work on committees and post functions.

The next district rally will be Sept. 16th. The men will meet at the Wolverine Post No. 171 located at 16874 Lasher Rd. and the women will meet at Auxiliary No. 345 Don Sherman Hubert, 25245 W. Seven Mile Rd., Detroit.

Several more thank you letters have been received from our National Home

graduates. The trip to the National Home was made Aug. 19th. There were 44 that made the trip and then Mrs. Lily (house mother of one Mich. cottage) and the children from both homes went with the group to the picnic grounds and a good time was enjoyed by all. Thirty two dollars worth of jellies, jams and peanut butter were taken and very much appreciated.

A mum plant was given to both house mothers at the Michigan cottages also. It was a very interesting day for the newer members who had never visited our National Home. These homes as always surprise the visitor on the first visit. We have a lot to be grateful for knowing we have it there at Eaton Rapids. A donation is also being given to the Fourth district toward furniture and a new TV set for our Mich. cottages.

Get well wishes go to Barbara Holdsworth who is in Garden City hospital (she is the daughter of Ed and Mary). Also wishes go to

David Schwartz who broke his arm in a bike mishap (he is the son of Mary and John). Having been ill myself, I was late in sending out other get well wishes, but have heard since everyone is feeling good again. Eleanor Gothard had been in the hospital. Those ill at home were Helen Smith, Lou Archer and Bea Walton.

Our Cancer chairman Marion Skoglund announced starting in September the last Wednesday of each month

we will sew cancer pads at the hall. It will start at ten and sew until three. Coffee will be served, bring your own lunch. This will be a very worthwhile thing. If you can't go for the full time even an hour would help. Remember the last Wednesday of each month!

The rummage sale is just a few weeks away, gather up everything, we can use it. Several calls have come in but we never have too much. Call Gerrie Olson GL 3-0332

if you have to have it picked up. Try to make your next Post Auxiliary meeting, you'll enjoy yourself and we'll be glad to see you.

Nomination Forms Available For Lane Bryant Award

Official forms for the nomination of candidates for the fifteenth Lane Bryant Annual Awards are now available at the local Chamber of Commerce office, it was announced today by George Lawton, president of the Plymouth Chamber of Commerce.

Two Awards of \$1,000 each are given annually, one to an individual and one to a group, for outstanding, non-remunerated voluntary efforts to better the community. Nominations are now open for work performed during 1962.

Volunteer workers in all fields of social endeavor are eligible for nominations. Information about nominating volunteers may be obtained by calling the Chamber of Commerce office. The phone number is GL 3-1540. The office will supply official nominating forms to those requesting.

There is no restriction on the number of nominations that may be submitted by any one person or organization, but all nominations must be post marked before the deadline March 15, 1963. They should be mailed to: Lane Bryant Annual Awards, 465 Fifth Avenue, New York 17, New York.

Dr. Robert K. Merton, Associate Director, Bureau of Applied Social Research, Columbia University, will screen the nominations and act as advisor to the judges.

In addition to motor vehicles and parts, Michigan ranks first in cereal preparations, public building furniture, paper coating and glazing, in products of grey iron foundries; in nonferrous castings such as magnesium, zinc and lead castings; in hardware for motor vehicles, furniture and buildings; conveyors; special dies and tools, die sets, jigs and fixtures; machine tool accessories and measuring devices; industrial patterns, padding and upholstery filling.

GRAHM'S CHATTER

by Millie Rostow

For some time now, manufacturers have been experimenting with electrically heated clothing. The British War Department have heated socks, gloves and shoes. Many concerns are watching this experiment closely; they may want to adopt it to commercial use.

Remembering a few days we spent in London, cold, damp and foggy, it might be a wonderful idea. On the other hand, we have a mental picture of a fine mist of vapor arising from electrically heated clothing, adding fog to the fog.

We are also thinking of our friend who wanted a fur stole for Christmas and when her husband presented her with an electric blanket instead, she threatened to wear it downtown and plug it in at every opportunity. Heaven forbid... that this could become fashionable!

So far, the styles at Gram's are running under their own power, but we do have some especially "hot numbers" in dresses and would like nothing better than the chance to show them to you.

The spectator-sports, beloved shirtwaist dress, earns the fashion honors. The fabric is Polyester dacron and cotton, washable or dry-cleanable, needs little or no pressing, has a softly pleated skirt, comes in sizes 8 to 20, beautiful fall colors and the price is \$15.00.

For top fashion and casual wear, we will always suggest the sweater and skirt. We know... you have them... but not like these. Luxurious "Treasure Tones," handsomely styled and master-crafted, you can mix or match or blend. For instance, the dark brown skirt of nubby tweed can take the beige zippered-front cardigan or the button-down beige with brown embroidery. Or the winter sky blue (really heavenly) skirt has three different styled sweaters to choose from... all priced from \$8.00.

There are many others, and we invite you to see them today and hope to be seeing you at Gram's in the center of Plymouth!

FRED P. MEIER, right, of 640 Ross St., a Plymouth High School biology and chemistry teacher, was one of the teachers selected to attend the 7th Annual General Motors Conference for High School Science and Mathematics Teachers at Detroit. He and Sister Ann Pauline of Dearborn Sacred Heart, are shown watching Basil D'Alleva of GM Research Laboratories explaining how an automobile driving cycle is programmed automatically in a series of exhaust gas air pollution studies.

OF INTEREST TO FARMERS-AT-HEART

When the Billie Sol Estes case broke, one farm expert in Washington complained that all he did was answer calls from newsmen asking, "what's anhydrous ammonia?"

To oversimplify, it is a nitrogen compound frequently used as a soil fertility builder. Further, it is commonly stored in tanks from which it is dispensed to smaller tanks connected to applicators for field spreading.

ed "poison." Just add 70 per cent more strength and you have anhydrous ammonia. In view of National Farm Safety Week, (July 22-23) — farmers would do well to acquaint themselves with proper safety precautions when dealing with this potent poison. For example, should a tank leak or a hose blow off an applicator, a farmer can easily become sprayed with the dangerous material. If he is overcome by ammonia fumes, someone might try to use an ordinary mechanical resuscitator on him. Although these devices are perfectly safe (even for babies under normal conditions.) IT WILL RUPTURE THE LUNGS of a victim that breathed anhydrous ammonia.

Soap and anhydrous ammonia simply do not mix. If a person sprayed by ammonia washes with soap anytime within a 24 hour period HE CAN END UP WITH THIRD DEGREE BURNS!

What to do? Farm Bureau safety experts when consulted said: "The best thing is to flood the exposed areas with a heavy spray of water and keep it flowing for ten minutes or more. If this is done, chances are there will be no real ill effects."

They recommended getting into the shower, jumping in the creek or horse tank, just anywhere to be in water, but especially flowing water. A hose turned on the victim can be a life saver.

How many people know of these things? Unfortunately, not many. Farmers must realize that science has made major changes in their work and that each presents new safety problems.

Meier Attends GM Science Course

Fred P. Meier, teacher at Plymouth High School, is one of 40 science and mathematics teachers attending the seventh annual General Motors Conference for High School Science and Mathematics Teachers. During the conference the teachers will see various laboratory experiments and engineering demonstrations illustrating mathematics and basic science applications at Research Laboratories, Engineering Staff, Manufacturing Development, Styling Staff, GM Proving Ground (Milford) and GM Institute (Flint).

Isle Royale National Park in Lake Superior is noted for having one of the largest remaining herds of great and lesser moose in the United States. History says they crossed the ice from Canada in 1912 and were stranded by the spring thaw.

EDYTH ANN DIBBLE, daughter of Mr. and Mrs. Samuel L. Dibble, of 1353 Elm St., Plymouth, and Gary Bruce Lanckton, son of Mr. and Mrs. Wayne Lanckton, of Flint, exchanged vows in a candlelight service in the First Methodist Church, last Saturday evening.

TREASURES FROM Plymouth Pantries

Mrs. Elmore Carney

This week's Mail guest cook, Mrs. Elmore Carney, of 41895 Wilcox Rd., offered us her recipe for Vegetable Surprise, a casserole dish which may be served January through December, using fresh vegetables in the summer and canned vegetables in the cooler months.

When not attending her club meetings, including Woman's Club, Rotary, Ann's, Plymouth Symphony, Plymouth Theatre Guild, Michigan Optometric Auxiliary, and Circle 5 of the First Presbyterian Church, Mrs. Carney might be found splashing in her swimming pool in the

summer or bowling with her league in the winter.

Mrs. Carney has two sons, Don, who is a senior at Western Michigan University, where he is majoring in automotive engineering, and Jim, who is a Junior at Western Michigan University, where he is enrolled in the pre-medical curriculum, prior to going into optometry.

- Garden Surprise**
- 1 lb. ground beef
 - 3 med. tomatoes
 - 1 med. onion
 - 1/2 green pepper
 - 1 C. corn
 - 2 eggs (well beaten)
 - 2 Tbl. butter
 - 3/4 C. Water
 - 1/2 tsp. salt
 - 1/4 tsp. pepper
 - 3/4 C. bread crumbs

Dice onion and lightly brown in butter. Mix in the ground beef and green pepper and cook a few minutes. Add salt and pepper and remove from heat. Mix in the eggs and place in a casserole dish, in alternate layers, the corn, meat and tomatoes. Then pour on the water and sprinkle bread crumbs on top. Bake uncovered for 30 minutes at 325 degrees. Recipe serves four.

Edyth Dibble, Gary Lanckton Wed in Candlelight Service

Miss Edyth Ann Dibble became the bride of Gary Bruce Lanckton in a double ring evening candlelight service in the First Methodist Church on Saturday, Aug. 25.

The bride is the daughter of Mr. and Mrs. Samuel L. Dibble, of 1353 Elm St., Plymouth, and the bridegroom is the son of Mr. and Mrs. Wayne Lanckton, of Flint.

Given in marriage by her father, the bride wore a full length gown of silk organza and satin. The sweetheart neckline, bodice and skirt were accented with appliques of Chantilly lace and seed pearls. Her bouffant illusion veil was held in place by a pearl crown. She carried a bouquet of white carnations and pink roses which encir-

led a white orchid. Attending the bride as maid of honor was Miss Carol North, of Plymouth, and Arlene Anderson, of Sparta; Beth Grepp, of Lakeview, and Kathleen Lanckton, sister of the bridegroom, of Flint, were bridesmaids. They wore dresses of shell pink taffeta, featuring cap sleeves, scoop necklines and bouffant skirts and carried bouquets of pink roses and white carnations.

Fred Burgett, of Flint, served the bridegroom as best man and Sam Dibble, brother of the bride, Steven Heald, of Ann Arbor, and Richard Kucharski, of Flint, were ushers.

For her daughter's wedding, Mrs. Dibble chose a powder blue sheath of chiffon over taffeta, with matching accessories. Mrs. Lanckton wore a blue faille suit.

A garden reception was held at the home of the bride's parents immediately following the ceremony. For their trip to Niagara Falls, the bride wore a pale green linen sheath with beige accessories. Her bridal gown, which she designed, and going away outfit, were sewn by Mrs. E. M. Brockelhurst, of Wing St., Plymouth.

The couple will make their home at 1354 Geddes Rd., Ann Arbor, where they will complete their senior year at the University of Michigan. Mrs. Lanckton will graduate from the school of art education. Mr. Lanckton will receive his doctor's degree from the school of dentistry.

BABY TALK

Mr. and Mrs. Loren J. Goodale, Jr., of 703 N. Harvey, announce the birth of an 8 lb. 11 oz. son, Loren J. Goodale III, on Aug. 24 at St. Mary Hospital, Livonia. Mr. and Mrs. Ernest Forb-ing, of 15716 Maxwell St., Plymouth, announce the birth of a 7 lb. 10 oz. daughter, Cynthia Gaye, on Aug. 9, at Beyer Memorial Hospital, Ypsilanti. Mrs. Forb-ing is the former Jeri Card, daughter of Brodie Card of 15716 Maxwell St. Paternal grandmother is Mrs. Emma Forb-ing of Ann Arbor Tr., Plymouth. The Ernest Forb-ing's now have five daughters and one son.

Mr. and Mrs. Clyde Sumner, of Royal Oak, announce the birth of a 10 lb. son, Riley Scot on Aug. 7, at General Hospital in Detroit. Mrs. Sumner is the former Merry Eve Grady, daughter of Mr. and Mrs. James O. Grady, of 5520 Gotfredson Rd., Plymouth.

Visits Plymouth

Miss Maureen Hanson, formerly of Plymouth, who now resides in Newport Beach, Calif., was a visitor in Plymouth over the weekend.

SHIRLEY BRANDT, daughter of Mr. and Mrs. Herman A. Brandt, of Brunswick, Mo., became the bride of Loren N. Trapp, son of Mr. and Mrs. N. Trapp, of 7995 Sheldon Rd., Plymouth, in a double ring ceremony in St. John's Lutheran Church in Brunswick on Aug. 11.

Shirley Brandt, Loren Trapp Exchange Vows

Miss Shirley Brandt, daughter of Mr. and Mrs. Herman A. Brandt, of Brunswick, Missouri, and Loren N. Trapp, son of Mr. and Mrs. Albert N. Trapp, of 7995 Sheldon Rd., Plymouth, exchanged vows Aug. 11 in a double ring ceremony in St. John's Lutheran Church in Brunswick.

The bride, given in marriage by her father, wore a floor length gown of Chantilly lace and peau de soie over taffeta. A round yolk of appliqued roses was accented with tiny white pearls. The bouffant skirt was caught into fullness by two white taffeta roses. Her silk illusion veil was held in place by a crown of pearls. She carried a white prayer book topped with white rose buds surrounded with tiny yellow roses.

Attending the bride was Judith Kay Brandt, sister of the bride, as maid of honor, and Valera Brandt and Pamela Neidholdt, as junior bridesmaids. They all wore identical dresses of yellow organdy over yellow cotton satin. A snug bodice and scoop neckline topped a full gathered skirt, accented by a large cotton satin bow in the back. Their headpieces were halos of yellow satin ribbons. They carried bouquets of yellow and white carnation crosses. Norma Manson, who served as flower girl, wore a dress of white organdy and carried a small nosegay. Paul Manson served as ring bearer.

For her daughter's wedding, Mrs. Brandt wore a white silk printed dress and white accessories. Mrs. Trapp wore a dress of light blue lace over taffeta, accented by white accessories.

The couple will live in Rock Island, Ill., where Mrs. Trapp will teach second grade and Mr. Trapp will be vicar at Immanuel Lutheran Church.

Find 126 TB Cases in Schools Outside Detroit

School children in Wayne county outside Detroit have a tuberculosis infection rate that compares favorably with the results in the six-county S. E. Michigan TB Detection Project. Of 9,297 tuberculin-tested in the last school year, 126 were found to have the infection.

Among adult school personnel examined 109, or 30.6 per cent, were positive reactors.

Seven grades with significant infection rates were: 5th-2.1 per cent; 6th-2 per cent; 8th-1.1 per cent; 9th-1.2 per cent; 10th-1.3 per cent; 11th-2 per cent; 12th-2.8 per cent.

The World Health Organization asserts that tuberculosis may be deemed to be under control only when the infection rate among 14-year-olds is less than one per cent.

Among adults, reliable estimates place the infection rate at 20 per cent. Wayne county's testing program showed a 30.6 per cent reactor rate.

Public health nurses perform the vital follow-up work among student and adult reactors in an effort to discover any active disease and trace sources of infection.

For the six-county area in the Detection Project, 2,778 of 187,098 students tested were found to be infected with TB, while 20.3 per cent of the school personnel examined—1,297 in number—were positive reactors.

A large group of Senior Citizens held their weekly meeting in the Masonic Temple Aug. 23. The trip to Jackson and Cascades has been cancelled until further notice. A pot luck luncheon will be served at the Masonic Temple Aug. 30 at 12:30. Those who wish to attend the State Fair Thursday Aug. 30 will be admitted free if wearing Senior Citizen badges. The afternoon was spent playing Cards with light refreshments being served. The Hostesses were Mollie Tracy, chairman, Mary Schultz, Margaret Menill, Mildred Collins, and Iva Shipley.

The Upper Michigan "Copper Country" is the largest commercial deposit of native copper in the world, having yielded nearly 11 billion pounds in the past century.

EVANS PRODUCTS Co. of Plymouth has announced the appointment of James J. Conway as vice-president in charge of overall operations of the firms Transportation Equipment and Industrial Division. He has been controller since December 1961. He resides with his wife and six children in Grosse Pointe Park.

SALEM NEWS

BY VERA CLAIR — GL 3-2610

Elmer King of Territorial Rd. with his brother and sister-in-law, Mr. and Mrs. Donald King of Plymouth, are on a vacation trip to Niagara Falls and Canada. Ste. Anne De Beaupre and Quebec will be two of the highlights of their trip.

Mr. and Mrs. Burton Rich of Salem Rd. attended the antique car meet and corn roast at the Maxwell Steam Engine Club on Joy Rd. Sunday, August 26.

Seven members of the G. Getters 4-H Club namely Karen, Rose and Bill O'Neil, Sharon Tonaka, Martha Lutchka, and Karen and Ivan Moore had vegetable baskets on exhibit at the Michigan State Fair.

Martha Lutchka also has a coat and dress in the clothing exhibit. We hope that they will all come home with prize ribbons.

Mr. and Mrs. William Taft of Brookville Rd. are in Traverse City this week visiting friends.

Mr. and Mrs. Wm. Wassenaar of Salem Rd. with friends from Ypsilanti were in Battle Creek Sunday, August 19, attending the Air Show.

Raymond Smith, Chief Warrant Officer, son of Mrs. Doris Marshall, has been transferred from Treasure Island Navy Base at San Francisco to Grosse Ile, Mich. On Saturday, August 25, he will attend the wedding of his cousin, Raymond Dahl.

Mr. and Mrs. Harlow Ingall of Joy Rd. attended the County Republican Convention this week at the Tappan Elementary School in Ann Arbor.

Salem Township parents whose children attend school in South Lyon will be interested to know that the 5-mill operational millage was approved in the recent election. Approval for the special millage proposal was attained

Grange Cleanings

BY MOLLY TRACEY
GL 3-3244

The Grange potluck supper of Aug. 16 was held in Grange Hall instead of the park, due to rain. All had a swell time. Everytime I looked up, Brownie was reaching for another ear of corn and he had plenty of company, of course.

Next Thursday, Sept. 6, is our regular potluck supper at the Hall, so let's all be there. Sept. 8, is our rummage sale, which will begin at 9 a.m. and last until 6 p.m. If you have anything to donate, we'll be glad to pick it up. Just call GL 3-0977 or GL 3-7323.

Our best wishes to all our sick members... Hope you'll all be with us soon. We miss you... See you Sept. 6.

The many friends of Mr. H. G. Shaffmaster of Curtis Rd. will be pleased to know that after several months of illness he is now gaining nicely. Although he is taking therapy three times a week he was able to spend a few days last week at the summer home of Mrs. Shaffmaster's sister and brother-in-law, Mr. and Mrs. Huebner at Elk Lake.

ed in the largest election turnout in local school history. Voters of the school district expressed their approval in a better than two to one majority.

Mr. and Mrs. John Van Aken of Salem Rd. entertained fifteen relatives at a birthday dinner honoring their daughter, Joanne, Thursday, August 23.

Guests at the Harlow Ingall home Thursday evening August 23 were Mrs. Ingall's sister Mrs. Roland Burd of Ann Arbor, Mrs. Hazel Springer of Westfield, Mass. and niece and nephew Mr. and Mrs. Richard Knitz and children of Wilburton, Mass. to celebrate Mr. Ingall's birthday on Wednesday, August 22 and Mrs. Ingall's which was Thursday, the 25.

Barbara Lewis daughter of Mr. and Mrs. Robert Lewis of Salem has another recording out which was released August 22 under the Atlantic Label. The tunes are "My Mama Told Me" and "Hay I Need Your Lovin'". Keep the good work up Barbara, we like to hear your records.

The South Salem Farmer's Club will meet at the home of Mr. and Mrs. Harlow Ingall of Joy Rd. on Wednesday, September 6, with a pot luck supper at seven p.m. The business meeting will be followed by a short program and social hour.

The ladies of the Salem Federated Church have been real busy this summer canning fruit and vegetables to be sent to the South Lyon Bible Institute at Pikesville, Kentucky and Paul Zimmerman's Camp at Codine, Tenn. Anyone having one or two quart jars that they don't need, also fruit or vegetables that they would care to donate to this worthy cause please call Mrs. George Carroll at FI 9-0399 or the parsonage at FI 9-0674.

Northville Looms As 1st Grid Opponent

VARSIY CANDIDATE Tom Abraham was one of nearly 50 Plymouth boys who were issued football gear by Head Coach Mike Hoben last weekend at the high school. Hoben is fitting Abraham with shoulder pads here.

More than 50 football candidates were issued their gear last Saturday and Sunday as Plymouth began the arduous job of preparing for the 1962 season.

The Rocks, who are defending league champions on the strength of a 5-0 Suburban Six record last fall, open the new campaign in 16 days when Northville High, one of the best-rated teams in the suburban area a year ago, invades the Plymouth gridiron the evening of Sept. 14.

The game with Northville's Mustangs is already shaping up as a sturdy test of what Plymouth has in the way of talent this fall.

Head football coach Mike Hoben, embarking on his eighth year here, whistled his first drill Monday after wrapping up the weekend administrative matters involved in issuing football equipment to his 1962 prospects.

The bulk of Plymouth's team will be built around 10 returning lettermen, indicated Hoben Sunday at the high school. But of the 10 letterwinners, only two were regular starters a year ago when Plymouth finished 6-2 and

claimed its third straight league crown since 1959.

The two regulars, guard Jim Ayers and quarterback Dick Schryer, are virtually assured of starting assignments when the season begins Sept. 14. Beyond that point, Hoben can only speculate.

The eight other lettermen are comprised of five seniors and three juniors.

The trio of underclassmen include guard Hal Smith, end

Dick Egloff and tackle Kevin Huntington. The seniors, to whom Hoben will turn for a nucleus, are end Wayne Cummins, halfbacks Jim Walasky, Harley Smith and Hugh Sarah, and end Mark Schultheiss.

From these, Hoben hopes to knit a squad that can defend Plymouth's league crown.

While graduation ceremonies last June deprived Hoben of the services of sev-

eral valuable players that helped Plymouth roll undefeated through its league schedule in 1961, other circumstances have taken three other top prospects from him.

Burly Ric Sweet, a 210-lb All-League tackle last fall, has moved to Cleveland with his family, thus seriously weakening Plymouth's line. Similarly, Gary Whitlow, a 200-pound center, now lives in New York and will be lost to

Plymouth as will the speedy strength of backfield man Dennis Hunt who has moved to Arizona.

"A lot of our strength and success will depend on what we can do in the line," Hoben admitted. "We've got a number of big guys out, but whether they'll make a good line or not, I can't guess now."

He estimated that at Plymouth could put together a line averaging nearly 190 pounds from end-to-end this fall.

Among the early candidates for linemen is Dave Sackett, a 230-pounder who is a prospect at tackle.

Jack Dart, who was sidelined by an injury a year ago, will be tried at center and Craig Newton, who showed promise but was also an injury victim in 1961, is a candidate at end.

Out of the JayVee ranks come Terry Clark and Dave Agnew, both halfbacks who are expected to give Plymouth backfield strength.

Sandy Black and Dan Houk, both small but aggressive, are being watched as possible guards.

Other potential is arriving from the Frosh team of a

year ago. Randy Pentecost packs 205 pounds and could beef up the line while Dave Tidwell may stick as an end.

Sophomores who are backfield candidates include Terry Cosgrove, Roger Toby, Gary Grady and Ken Groom. Hoben expects that perhaps two of these will stay with the varsity.

Jim Lake, an end on the freshmen team a year ago, will be converted to full back, at least during the early days of practice, according to Hoben. Lake, however, was kicked by a horse recently and is recuperating with 14 stitches in his knee. It wasn't known if this would hold him down.

The schedule for the varsity this fall:

- Sept. 14 Northville
- Sept. 21 Farmington
- Sept. 28 Redford
- Oct. 5 Allen Park
- Oct. 12 Belleville
- Oct. 19 Trenton
- Oct. 26 Trenton
- Nov. 2 Walled Lake

SPORTSEEN

BY JEROME O'NEIL

Mike Hoben tilted back in John Sandmann's chair and looked through blue cigarette smoke toward the approaching football season.

Sandmann didn't mind, since he was still vacationing in his native New York state.

"I look for a real close league again this year," Hoben confided to a select group of confidants in the coaches' office at the high school. He sprawled his long legs out in front of him and relaxed still further.

"Belleville should be tough again," he said. "We beat them last year 6-0, but they were filled with underclassmen and the year of experience should make them a good team this fall."

He ground out his cigarette. "Trenton will be improved over last year and Allen Park is always strong. Bentley is hurting a bit, but they'll be tough, too, probably."

The occasion was Hoben's distributing of football equipment to Plymouth High gridiron candidates last Saturday and Sunday.

Ten lettermen are among the more than 50 candidates that turned out for opening football drills earlier this week as Hoben began his eighth season as head grid coach here.

Despite the seeming abundance of returning letterwinners, Hoben was approaching the 1962 season with a wary eye and an unspoken question in mind:

"Does Plymouth have the power, speed and depth to successfully defend its league championship?"

It was an inquiry that no one could answer so early as this.

"We could be big and tough in the line," Hoben acknowledged. "Maybe we could put out a line that goes 185 or 190, but exactly how strong it's going to be is a good question."

He indicated that Plymouth's biggest weakness would occur in the backfield, where Dick Schryer, a returning regular from last year's league champion team, is the only established veteran.

If past performances mean anything — and they don't, generally — in high school football, Plymouth should be able to look forward to its share of success on the gridiron this fall.

In the past seven years, under Hoben's direction, Plymouth has assembled a highly-respectable 41-12-1 record. Four league championships have accrued to the Rocks as well, the first in 1957 and three more in succession in 1959-60-61.

In fact, since 1952, Plymouth has won 63 games, lost only 14 and tied two.

Assisting Hoben will be John McFall as line coach, Tom Workman as end coach, and Paul Cummings and Dick Anderson, a pair of college students taking their practice teaching here and filling in as associates in the varsity football program as well.

Dick Bearup, JayVee basketball coach last winter, will head the JayVee football efforts this fall.

Hoben stretched his arms and let Sandmann's chair tilt forward to the floor again. Since 1935, Hoben and football have mixed it up every fall but two. One season he missed in the South Pacific, the other in Korea.

He stood up and walked through a door into the locker-room where 1962 football equipment was being issued.

The fall is Mike Hoben's season, indeed.

Smith Wins Rec. Tennis Tournament

Line Smith defeated Phil Huxley, 6-4, 7-5, last Saturday morning to win the individual championship trophy in the recreation department's teen-age tennis tournament last weekend.

Smith, a stand-out performer on Plymouth's varsity tennis team last spring, finished on top in a field of 16 entries. Huxley was runner-up.

Interestingly, Huxley's brother Robin was a semi-final round victim of Smith's smashing drives and tight net play. Robin Huxley bowed 6-3, 6-3.

Smith, who will be a senior this fall at Plymouth High, won a quarter-final round match after drawing a bye in the opening pairings.

He was presented with the championship trophy by tournament director Dave Tidwell, who was assisted by Phil Huxley in conducting the two-day affair.

The tournament, held on the tennis courts behind the high school, failed to attract as many contestants as was expected. "We had hoped to draw perhaps as many as 25 entries," said Tidwell later. "Still, we hope it will become an annual affair here," he added.

Open only to boys, the tournament was limited to those 18-and-under.

More than 80 winter sports centers were in operation in Michigan during the 1961-62 season, the largest number of any state in the nation.

John L. Sullivan was heavyweight boxing champion from 1882 until 1892.

Michigan's deer herd, averaging annually more than 600,000 animals, is one of the largest east of the Rocky Mountains.

Michigan's Upper Peninsula Community of Ishpeming helped give ski-jumping its start in the United States. One of the first ski clubs, the Norden, was organized there on January 24, 1887.

A sportsman's paradise, Michigan ranks among the top three states in the combined sale of hunting and fishing licenses. During 1960 Michigan sold 1,145,360 hunting licenses of all descriptions and 1,143,098 fishing licenses.

THE FOOTBALL SEASON at Plymouth High got underway last weekend as candidates were issued their equipment by Mike Hoben, head football coach about to enter his eighth year here. Above, three varsity candidates await their respective gear. At left is Terry Cosgrove, while Wayne Cummins and Hugh Sarah are in the background. Hoben is helping Paul Cummings fill out the equipment-issue cards. Each candidate had to present evidence of having taken a complete physical exam before football gear could be issued to him.

'750' Bowling League Seeks 4 More Teams

The Plymouth "750" bowling league, slated to begin another season on Tuesday, Sept. 4, is seeking four more teams to boost its team roster to the full strength of 12.

League secretaries interested in seeing their respective league standings published are invited to submit weekly reports to The Plymouth Mail's sports department.

Mail Invites Bowling News

As in past years, The Plymouth Mail will carry standings of local bowling leagues this winter.

League secretaries interested in seeing their respective league standings published are invited to submit weekly reports to The Plymouth Mail's sports department.

Deadline, however, for bowling standings will be Saturday prior to publication. There can be no assurance that bowling standings submitted later than that will be published in the following edition.

WE WELCOME TO PLYMOUTH

MOVING TO Plymouth from Detroit on June 30, were Mr. and Mrs. Robert G. Millard, and son, Robert, of 589 N. Sheldon Rd. Mr. Millard is employed by Gaylord Container Co., here. Robert will enter kindergarten at Bird Elementary School this fall. The Millards enjoy listening to music — all kinds — in their spare time.

IT'S NOT NEWS when a Buick dealer sells a new Buick — but when he sells a 1914 Buick, that's news! Local Buick dealer Jack Selle delivers new cars to customers all the time but last week he got an offer to sell his 1914 Buick touring car that he has used for publicity purposes since 1957. From left are Gordon Danville, sales manager; Roy Rogers, who has sold Buicks for 35 years and this was his 3,675th sale; Dick Stolte of Dearborn, who purchased the car; and Jack Selle, who purchased the car from Dr. Frederick E. Bentley of Plymouth. The touring car has a 35 horse power engine. Today's Buick's have 325 horse power.

Nissen Named Lutheran Pastor

The Rev. Eugene W. Nissen will preach his first sermon as the new pastor of the Lutheran Church of the Risen Christ, 41233 E. Ann Arbor Tr., on Sunday, Sept. 2.

He succeeds Pastor Ronald L. Johnstone, who resigned to conclude his studies for his doctorate in sociology at the University of Michigan.

Pastor Nissen, who received his B.D. degree from Concordia Seminary, St. Louis, in 1949 was ordained in 1950 and has served as out-visit assistant and vacancy pastor at various churches of the Lutheran Church — Missouri Synod.

Since June 1961, he has been enrolled in the department of classical studies at the University of Michigan and will complete the course work for a doctorate in classical studies during the coming year.

Pastor Nissen is married and has four children.

NEWS BRIEFS

Mr. and Mrs. Melvin I. Blunk have returned from a ten-day vacation traveling in the west to Denver and the Rocky Mountain National Park in Colorado and Wyoming, where they witnessed a rodeo, very interesting entertainment.

Mrs. Nancy Warner of this city was the guest of Mrs. Gladys Britt from Monday until Thursday last week at her summer place on Clear Lake where Mrs. Kate Corbushly of Sandusky was also visiting. Other guests of Monday were Mr. and Mrs. Perry Hix of Warren Rd.

Mr. and Mrs. Ivan Scott and son Jerry have returned from a week's vacation at the Robert Utter summer cottage on Little Traverse Bay near Harbor Springs.

Mr. and Mrs. Edmund W. Wiederhold and children, Heidi Lee and Michael Edmund, of Caro came down Saturday for the wedding of Joan Bennett of this city and William Seim of Howell which took place that morning in Our Lady of Good Counsel church on Penniman Ave. Joan and Sandra were classmates at Plymouth High. The children remained with their grandmother, Mrs. Catherine Cichocki while here.

Mrs. Rose Haray, who resides on Southworth, entertained the members of the "Once in a While" club Saturday evening at a picnic supper.

How I Earned My First Dollar

Ralph Rostow, owner of Graham's on Ann Arbor Trail, was only 14 years old when he was earning money in the world of sports...well...indirectly.

In his hometown of New Haven, Conn. there is an institution known as Yale University. And, it has always had a football team. And a stadium.

Young Ralph didn't earn money playing football, of course. He worked each Saturday that there was a home game parking cars at the

Yale Bowl. For his afternoon's efforts, he pocketed \$2.

Ralph attended Ohio State University after leaving high school. Then came World War II and his three years in the Army infantry came to an end after he was seriously wounded in France. He had gone through the Normandy invasion unscathed but was wounded as the Army moved across France.

In 1945 he moved to Detroit where he worked a year for the Federal Department Stores.

A year later, he and his late step-father, William Graham, purchased the former Molly's, a women's apparel shop in Plymouth. Graham's has been in the same location ever since. Earlier this year, however, a new Graham's opened its doors at Arborland Shopping Center near Ann Arbor.

Mr. and Mrs. Rostow and their two children live in Livonia.

Occasionally, those following the national news scene run across the name of Walt Rostow, Ralph's brother. Walt is currently counselor of the State Department and is chairman of the policy planning committee.

Tenors Needed

Do you sing tenor? The Plymouth Choralaires, a male chorus sponsored by the Adult Recreation and Education Department, is in need of tenor voices. The group rehearses every Thursday night from 5 to 6 p.m. at the Plymouth High School. The first rehearsal of the season will be Sept. 6. There are now 22 members.

Further information can be secured by phoning Al Charles at KE 1-2467.

Cancellation Brings Bloodmobile To Livonia Regional Office Aug. 31

Red Cross blood program officials announced today that a bloodmobile will be stationed at its Northwest Regional Office, 33529 Plymouth Road (just west of Farmington Road), Livonia, on Friday, Aug. 31, from 1 to 7 p.m.

"A cancellation of a bloodmobile scheduled for an industrial firm made this special visit not only possible but very important," said Lewis Torrison, Director of the Regional Center.

"The Red Cross effort to service the usual number of hospital patients and the large number of anticipated traffic accident victims during the three day holiday week end always creates a problem. So, when there was a cancellation, it was necessary to place the bloodmobile where we might expect to obtain enough blood to help meet the expected demands."

Torrison said that Red Cross volunteers have been asked to telephone known donors and urge them to visit the bloodmobile, but their contacts are not likely to keep the facilities operating at capacity, or produce the 100 pints which are necessary.

Donors may credit the blood group account of their choice, add to a 'self' account or replace blood already used by a patient.

ONE OF 15 GRAND PRIZE winners in Firestone Tire & Rubber Company's recent Half-Million Dollar Reader's Digest Sweepstakes contest was Jerry O'Neil (at left) of 14637 Robinwood. O'Neil won \$3,335. He is shown with Harry Loper, owner of Loper Firestone, 1094 South Main. O'Neil is an advertising salesman for The Plymouth Mail. Last fall, O'Neil won a new car from the Detroit area Ford dealers — proving that the 'Luck of the Irish' isn't just a passing thing.
