Twp. Board Says Yes To Street Lights

Street lights at main intersections along with a new major residential development are in store for Plymouth Township as a result of action taken Tuesday evening by the Township Board of Trustees.

Acting on a report made by Supervisor Roy Lindsay, the

Trustees moved to have Detroit Edison install 400-watt street lights at approximately 30 locations on major thoroughfares in the Township.

Among the sites slated to receive the lighting are most of the entranceways leading into the Township's residential subdivisions, to include Lakepointe Village.

According to Lindsay, the lights may be installed within 30 days by Detroit Edison, which will also see to repair and maintenance of the lights at no extra cost.

The Township will assume an approximate monthly bill of \$100 to meet the cost of the additional lights. The funds will come out of budgeted "contingency" monies.

There will be no cost for installation or service. An engineering survey will be conducted first by the Edison Co. before the actual installation gets underway, Lindsay said.

Strategic points throughout the Township are included in the plans, with the exception of Napier Rd. It is also proposed that two extra-strong street lights be installed in front of Burroughs Corp. The street lighting plan does not include streets within any of the Township's subdivisions, Lindsay said. A contract between the Township and Detroit Edison will be drawn up and signed before the plan goes into effect.

In other action, the Trustees approved final plans for Woodlore Subdivision, a residential development comprised of 50 home-sites located on the southwest corner of Beck Rd. and Ann Arbor Rd. Developer is Stewart Oldford & Sons, local real estate and home construction firm. The Township planning commission had earlier approved the final plans before they were submitted to the Trustees Tuesday night.

Woodlore Subdivision will be composed of half-acre lots with homes and lots selling in a price of range of \$25,000 to \$35,000, according to the developer. Fully paved streets — either blacktop or concrete — along with curbs and storm sewers are binding features of the final plans.

There will be neither drainage ditches nor sidewalks in the development.

"We plan to develop all of the project at once," Stewart Oldford Jr. told the board. "Already, we have 12 pending purchase agreements and we feel that we can go ahead with the entire project at one time."

Lindsay also commented on efforts being made by Township industrial firms to combat air pollution. He said that the industries had made much progress and intended to take further steps to control the situation, which always increases during summer months and decreases as the weather becomes colder.

Lindsay recently met with representatives of the industrial firms to discuss further citizen complaints on the matter. The Board of Trustees took no action on his report.

Local Druggist Awaits Supreme Court Decision

A statewide effort — headed by local druggist Robert Beyer — to restrain a chain store discount pharmacy movement in Michigan still remained to be acted upon by the state Supreme Court earlier this week.

Late in September and with Beyer leading the opposition to the discount pharmacy move, the state Board of Pharmacy refused to issue a license to Super-X Drugs, a wholly-owned subsidiary of Kroger Co.

In Plymouth today there is a Super-X drug store waiting to open in a building adjacent to the Kroger store on Main St.

Meanwhile, Super-X had taken the Board of Pharmacy's ruling to the Michigan Supreme Court. The Kroger subsidiary filed for an order that would demand the state Board to show cause why it should not be directed by the court to issue a pharmacy license.

A heavy court docket was delaying action on the matter, after a ruling had been initially expected as early as last Friday.

Plymouth attorney Ed Draugelis is representing Beyer and a large group of independent pharmacists from across the state who have rallied around the local druggist. Draugelis is making periodic checks with the Supreme Court to determine the status of the action.

According to Draugelis, the court has four possible avenues of action.

It may either issue or deny the "show cause" request, it may recommend that Super-X petition for a formal hearing before the Board of Pharmacy (the other was a public hearing), or it could send the matter down to the circuit court.

highly promising at mid-week — is adjacent to the Catholic-owned property. City Manager Albert Glassford is attempting to negotiate with the owners for either a lease or outright City purchase.

The City is seeking two acres there at an undisclosed price. The ground elevation is approximately 900 feet, some 150 feet higher than the City itself. It is considered to be of adequate elevation for the proposed reservoir.

Much of these developments, and those pertaining to Detroit water matters, came out of a special session of City Commissioners Monday night.

At the special meeting, Arch Vallier, the City's representative on the Wayne County Board of Supervisors, described the results of a conversation he had last week with Gerald Remus, general manager of the Detroit Water Board.

City Still Seeking Site for Reservoir

City of Plymouth continued this week with its search for a site for its proposed new 3,000,000-gallon water reservoir on Beck Rd., as the situation surrounding Detroit water usage here faded into the background, at least momentarily.

Although two opening forays into site acquisition have been met with little — if any — favorable response, a third alternative location in the same geographical vicinity crept into the picture.

All three locations are along Beck Rd. between Five Mile and Six Mile Rds.

Virtually blocked, however, were the first two City selections, one aimed at property on Wayne County Training School grounds and the other across Beck Rd. on property owned by Our Lady of Providence School, a Catholic institution.

The third alternative — which appeared to be

TORCH-LIGHTER Mrs. Ray Barber will put flame to this torch tomorrow afternoon in Kellogg Park, symbolizing the official kick-off of Plymouth's 1962 Community Fund drive, goal of which is \$45,050. Mrs. Barber heads the residential solicitation division of the local campaign. Door-to-door canvass is Oct. 17, 18, 19.

Community Fund Drive Kick-Off Is Tomorrow

With its sights set on a goal of \$45,050 and the motto "Give Once, Give Generously, Give where You Live" lending impetus to the effort, Plymouth's 17th annual Community Fund drive gets underway Thursday.

A traditional torch-lighting ceremony in Kellogg Park at 1 p.m. followed by a kick-off luncheon at the Hotel Mayflower will inaugurate the 1962 campaign.

Already approximately \$7,000 has been contributed by industrial and advanced gifts donors.

Proceeds from the drive will go toward sustaining 11 local agencies that participate in the Plymouth Community Fund, while 15 per cent of the total donation will be distributed to 22 agencies on a state-wide level.

Mrs. Ray Barber, residential solicitation chairman, will light the torch in Kellogg Park tomorrow afternoon in the traditional kick-off ceremony, attended by other campaign officials and City and Township authorities.

Albert Glassford, general chairman, will preside at the kick-off luncheon following the torch-lighting. The luncheon will be held in the Mayflower Room at the hotel here.

The industrial phase of the drive has produced pledges totaling \$4,200, according to industrial solicitation chairman Elmer Hedlund, of Western Electric. Hedlund reported Monday that checks amounting to \$1,900 have been received from industrial contributors.

"The industrial phase is progressing very well," he said, "and the response that we're getting is most gratifying."

All local industries have been contacted by Hedlund's

Originally, Remus and Felix Anderson, a member of the City's consulting engineer firm, were scheduled to meet last Wednesday at Remus' offices in the City-County building in Detroit.

That meeting, however, never materialized. Instead, Anderson was kept waiting 90 minutes, while Remus reportedly was conferring with Detroit Major Jerome Cavanaugh.

But on Thursday, Remus himself telephoned Vallier and the two spoke at some length.

Vallier reported Monday night, for benefit of Plymouth City Commissioners, that Remus implied the engineering specifications for Detroit's proposed water lines in Western Wayne County are far from completion.

"Anytime Detroit can come up with cost figures on Detroit water," said Vallier, "I told Mr. Remus that the City of Plymouth would be glad to discuss the situation further."

The City of Northville, which is also involved in the matter of possible Detroit water usage, does not have cost figures either, Vallier pointed out.

"Remus seems to want to keep in contact with the City of Plymouth, mostly for later reference," he said.

Referring to a contract written when Wayne County turned the county's water re-

Firemen Plan Parade, Basketball Fight Here

Co-sponsored by Plymouth Township and City firemen and held in conjunction with Fire Prevention Week, an elaborate fire department parade, equipment exhibit and unique basketball fight will be staged here tomorrow (Thursday).

Numerous neighboring fire departments will take part in the observance, too. Across the nation, Fire Prevention Week is being observed through this Sunday.

The fire equipment parade — through the streets of the community — will start at 6:30 p.m. tomorrow and will end at the departmental display area along Mill St. opposite the VFW Hall.

In the display area, all types of local fire fighting equipment will be stationed for public inspection. There is no admission charge.

Firemen will conduct an actual demonstration of various fire-fighting techniques by battling purposely-lighted oil, gas and other types of common household and community fires.

The unique basketball fight, which replaces an originally-scheduled barrel fight, will follow. In the basketball fight, firemen using hoses will attempt to force a loose basketball into opposing firemen's territory. All of the various fire-fighting forces, on hand will compete in the event.

Firemen this week also are visiting the various schools in the Plymouth area, presenting a special fire prevention program to students. In addition, a baby-sitter's guide to fire prevention is being distributed this week to homes in the City, it was announced.

Canton Eyes Federal Funds On Sewer Plan

Canton Township Supervisor Louis Stein was in Chicago recently, visiting the Community Facilities Administration headquarters there and discussing the possibility of obtaining federal aid for the Township's proposed new water and sewer system.

He reported Tuesday night at the Township's regular monthly meeting that federal authorities in Chicago had indicated to him Canton Township has "a need for federal assistance."

However, federal application forms for financial grants were not available at the time of his visit, he told Canton Township Trustees.

The water and sewer system — as proposed by Township authorities — would provide for Canton Township to tie in to two Wayne County sanitary sewer transmission points now under construction.

The two transmission points — both extensions of the county's vast interceptor sewer system — are located at Hannan Rd. and Michigan Ave. and at Joy and Haggerty Rds.

Township Treasurer Phil Kingdeley said he believed the two transmission extensions would be completed sometime later this fall.

Additional Canton Township plans call for provisions for 10,000 tap-ins to the sewer lines, once installed. The Canton Board of Trustees took no action on Stein's report Tuesday evening.

\$200,000 Boost New School Budget Shy Of \$2.5 Million by \$75

The Board of Education Monday night approved a 1962-63 school budget that missed totaling \$2.5 million by only a whisker.

It fell shy of that amount by \$75.

Based on estimated receipts and an existing balance of \$141,000, the budget is expected

Junior High Dedication Set for Thursday Night

An impressive program, headed by members of the Board of Education, numerous school officials and other representatives, will highlight official dedication ceremonies for the new Junior High West tomorrow (Thursday) at 8 p.m.

The public is invited and encouraged to attend.

In conjunction with the official dedication, guided tours of the \$817,000 building will be conducted from 2 p.m. to 5 p.m. and unescorted tours may be taken until as late as 10 p.m.

Board President Gerald Fischer will lead the audience participation portion of the dedication service and will speak briefly.

Among those who will be on hand for the program — in addition to members of the School Board — will be Superintendent Russell Isbister, Assistant Superintendent Melvin Blunk, and Eugene Straight, a representative for the architectural firm that designed the building.

The seventh grade chorus, directed by Fred Nelson, will open the ceremonies with the National Anthem and later in the program will play a musical selection. The Junior High East band, directed by Laurence Livingston, will also play two selections during the program.

Bill Harding, supervising principal of junior high schools and Gil Pearson, assistant principal in charge of Junior High West, will assist in the program.

Harding will give the welcoming remarks and Pearson will accept classroom flags from the VFW Auxiliary, platform flags from the American Legion post and an outdoor flag from the Daughters of the American Revolution.

Supt. Isbister will introduce the platform guests and Rev. David Davies, pastor of the St. Johns Episcopal Church, will give the invocation.

During the afternoon (from 2 to 5), student council members from Junior High West will conduct the guided tours of the building. Throughout

to wind up the fiscal year (June 30) with a remaining balance of \$171,000.

Representing a boost of approximately \$200,000 over actual 1961-62 expenditures, the larger budget this year was enabled by voters last summer.

At that time, they approved an additional 1 1/2 mill operational tax levy while voting to renew an earlier 3 1/2 mill package.

The budget increase for the new school year stems mainly from an enrollment growth greater than originally estimated, together with added costs of the actual opening of Junior High West and a raise in planned capital outlay expenditures.

Official enrollment figures for the Plymouth Community School District reached 5,305 this fall, 155 students more than had been projected.

It set an all-time high in public school enrollment here and immediately necessitated the hiring of two additional teachers along with the purchase of more textbooks and further instructional supplies.

In the new budget, the largest individual increase was made in the department of capital outlay.

While a "tight purse-strings" policy a year ago permitted the Board to budget only \$20,000 for capital outlay in 1961-62, a somewhat more favorable situation exists this year.

The new capital outlay budget rose to \$59,750, thus to allow the School District to catch up on needed items that were unattainable a year ago.

Included in these items are furniture and fixtures as well as additional transportation facilities. Along this line, the Board Monday night approved the purchase of two driver education cars and three school bus chassis.

Actual capital outlay expenditures a year ago amounted to \$17,627.

Among the proposed additional capital outlay expenses this year is a \$13,000 item for Senior High School facilities to include a number of

To Discuss Goal

School Board members will meet next week with officers of the Plymouth Education Association to discuss a recently-prepared statement of basic philosophy and goals regarding public education in the Plymouth Community.

A public meeting on the same subject will follow on Oct. 22 at the Junior High East library at 8 p.m.

'Curtain-Raiser' Opens Theatre Guild Season

Something new on the local live theater program will be presented here Saturday when the Plymouth Theatre Guild presents its "Curtain Raiser" at 8 p.m. in the auditorium of the high school.

The "Curtain Raiser" will be an open house for the Guild, with residents of Plymouth, Northville and Livonia invited to be guests for an evening of entertainment and refreshment. There is no admission charge.

C. V. Sparks, a familiar figure in Plymouth and a lifetime member of the Guild, will be official host for the evening with Adele (Mrs. Peter R.) Miller, another lifetime Guild member, as official hostess.

Effie (Mrs. Harold) Kuisel, well known to many area theater-goers, will be featured in two humorous character sketches which promise to be a rare treat for the audience.

Two one-act plays will highlight the "Curtain Raiser" entertainment.

A classic Thornton Wilder play "The Happy Journey to Trenton and Camden," long a Helen Hayes vehicle, will feature Helen Fortney in the lead role, with Jim Blackman,

Mary Ann McKenzie, Mary Kuisel, Danny Blackman and Matt Fortney in supporting roles.

Blackman is also the play's director.

The chilling suspense story "Sorry, Wrong Number" stars Effie Kuisel as the woman in distress, with Joe Dalesandry as her murderer. Al Murdoch will be the advisory director for this play with special assistance from Miss Florence Panattoni and Jack Wilcox.

A sandwich buffet will be served during the evening for the guests who will be seated at small tables set cafe style complete with candlelight and soft music.

A display of paintings and ceramics from the Hartley-Powers gallery will add to the feeling of intimate, continental charm. Theatre Guild members will serve as hosts and hostesses for the evening and will be available to answer questions about the Guild and its activities.

The "Curtain Raiser" is the kick-off presentation for the Plymouth Theatre Guild this year and one that members hope to make an annual event.

In December the sophisticated adult comedy "A Mighty Man Is He" will be offered, and to close out the season the Guild in April will do Agatha Christie's suspenseful mystery "The Mousetrap".

student-used items such as typewriters.

Improvements in science classroom facilities is also budgeted in this item.

Of the seven areas within the new budget, the largest by far — inevitably — was the one headed "Instruction." A total of \$1,753,200 has been budgeted for this, up \$64,000 from a year ago.

The six other areas of the new budget along with comparison figures of actual expenditure a year ago is as follows:

ITEM	1962-63	1961-62
Adm.	\$90,050	\$72,941
Ops.	\$365,825	\$335,930
Main.	\$54,000	\$42,885
Fix. Chrgs.	\$45,600	\$45,697
Aux. Serv.	\$126,500	\$126,868

1961-62 figures are actual expenditures.

A contingency fund of \$15,000 was incorporated within the new budget, bringing the overall total for 1962-63 to \$2,499,925. Actual expenditures a year ago amounted to \$2,300,217.

City Leaf Pick-up To Begin Oct. 15

The City will begin a residential leaf pick-up service about Oct. 15, according to DPW superintendent Joe Bida.

But he asked that residents themselves attempt to dispose of as much leaf rubbish as possible by burning it in alleys or on the dirt part of streets after obtaining permission to do so from the City fire department.

He cautioned residents not to burn leaves on blacktop streets.

Leaves for pick-up should be piled between the sidewalk and curb, Bida said. He cautioned against placing leaves over sewer catch basins, thus plugging them.

The City's expenses for leaf pick-up range close to \$3,500 per year. Further information on the leaf pick-up may be obtained at the public works office, GL 3-1556.

HANDLING lead roles in the Theatre Guild's "Curtain-Raiser" this Saturday evening at the high school will be Helen Fortney (top) and Effie Kuisel. "Curtain Raiser" begins at 8 p.m.

Dear Sterling:

Today starts the fifth of possibly about eight weeks of my habitation of this bastille at St. Joe, yet perhaps the only reason I refer to it as a bastille is because each morning I awake looking through Bed Bars, truthfully it is far from such on the contrary, it is one of the greatest places that I know to offer health restoration, what with four of the finest doctors in their respective fields in attendance and all of these dedicated nurses, how can a person expect to be brought back to anything but good as new — and I believe I am on my way — Thank God.

What I have said up to now is perhaps only a false front for my sending this letter but when a person would like to express their thanks and feelings to such a multitude of folks, as the dozens of friends that have phoned me — the hundreds of cheerful messages received and the many many flowers sent to my room, how else could one do it except through you.

During my stay here in the hospital I should like to tell you of a few of the things I am most thankful for — of course, first of all is my beloved wife and such a dedicated crew as have been operating my business for me in such a grand manner, then there is the ever lovin town jester that has kept me in touch with my Plymouth friends by tape recordings and the many groups blessings from the Rotary Club — the Round Table other clubs and places of where I have made myself acquainted, then there's that fellow who keeps me supplied with my "Favorite" hard candies and the one who has not missed a day of a personal or phone call for every day I have been here.

Then of course there is always that one tremendous outstanding thing in ones life that shall live forever — in this case it was when my Round Table buddies appeared to be so glad that I was not there that they surprisingly invited my wife to occupy my seat at the table on her birthday, cake and all, talk about being Queen for a Day, she sure was it — bawl sure I did, and God bless all the boys for that wonderful gesture.

Many thanks to everyone and I hope to see you all soon.

Jerry

Dear Jerry:

With this kind of faith and appreciation, we all know you will be home soon and back in your favorite haunts. Keep it up and best regards from your multitude of friends.

Sincerely,
 Sterling Eaton

Dear Sterling:

As a member of the Business Community, we were very disturbed at your apparent agreement with a recent letter writer that shopping in this community is very deficient because of the lack of department stores. Further, your statement that "The Chamber of Commerce and other interested local groups, city officials included, are turning every stone right at this moment to get a new shopping area, with adequate parking started somewhere in our downtown business district", seems to us to give an entirely erroneous picture of our shopping facilities.

It was only a few weeks ago that your paper was publicizing our new expanded parking facilities of which we are justly proud.

As far as shopping selections are concerned, we offer far more than the average community of our size. Naturally, we do not have as many stores as a city of 100,000 would have, but our stores are, and we are willing to wager a good dinner on it, better stocked than any of our comparably sized sister communities.

Want service — you'll get it in Plymouth stores. Want a friendly reception — your Plymouth merchants give it to you.

Ladies' Ready to Wear — if you cannot find it in Cassidy's, Craig's, Dunning's, Graham's, or Minerva's, you are hard to please or the one in a hundred that is hard to fit.

Want to dine out — try to name three finer places than the Mayflower Hotel, Lofy's Arbor-Lill or Hillside Inn!

We could go on right down the line. Suffice it to say that you can find almost all nationally advertised brands right here at home from merchants who are happy to serve you and to contribute to the welfare of the community.

For the unusual size or item not stocked, the law of supply and demand, of course, applies, and your businessman can only stock what he can sell enough of to be profitable.

To summarize, we are very proud of our Business Community as it is, and have full confidence in Plymouth's future as witnessed by our recent expansion. We welcome constructive suggestions and criticisms.

Finally, Sterling, we hope you and all your fine readers continue to support your Plymouth Shopping Community — we are sure that the other Plymouth merchants agree with us that they will do all they can to satisfy you.

Sincerely,
 Bernie Morrison

Dear Bernie:

You couldn't have said it better. Your local enthusiasm is the main purpose of most of the efforts of this column and if all of our business community would act as you have done in the instance of our "little mother's" letter, Plymouth could surely set the world on fire. Thanks for your opinions in which I mostly heartily concur and if you are inspired again in the near future please know contributions such as this are warmly received by this column.

Sincerely,
 Sterling Eaton

Initial Plans For College Due Oct. 17

Preliminary drawings for three of the buildings that will comprise the Northwest Wayne County Community College are to be submitted for approval Oct. 17 to the college's Board of Trustees. The buildings include one classroom structure, the college library building and the administration offices.

Final drawings will be submitted for bids by March 1, according to college authorities. The planning timetable for the college calls for a month to be devoted to bidding on construction contracts, and actual construction is expected to begin April 1.

Jonathan Taylor, of the architectural firm of Eberle M. Smith Associates, Inc., discussed the preliminary plans with the Board at a meeting of the Trustees Oct. 3.

At the same time, the Board of Trustees awarded the sale of \$125,000 in tax anticipation notes to the Detroit Bank and Trust at an interest rate of 1.875 for 17 months.

It was the lowest bid among three bids submitted.

Money from the sale of the tax anticipation notes will be used to meet current operating expenses, including salaries and equipment purchases.

Sutherland & Robson, CPA, of Plymouth, was designated as the auditing firm for the college. Three accounting firms were considered.

Canton Residents Invited to Two Public Meetings

Canton Township residents — set to vote on two major bonding issues at the Nov. 6 general election — are invited to attend a public hearing Oct. 30 in the Township Hall to discuss the two proposals.

One concerns a \$200,000 issue to borrow money to finance a water facilities improvement project, and the other involves a \$500,000 issue pertaining to new sanitary sewers in the Township. The meeting will begin at 8 p.m.

Another public hearing for Canton Township residents has been called for Oct. 26 and will center around the Township's new budget.

This meeting, also in the Township Hall, will begin at 8 p.m. too. Township Treasurer Phil Dingeldey said Wednesday that preliminary budget figures are presently being formulated.

LETTER TO THE EDITOR

The liquor sellers are again putting out the claim that liquor tax money is a great help to our State and will be to Plymouth. The truth is that it always costs more to take care of the victims of alcohol than all the taxes paid in. This does not take into account the misery and trouble that wives and children suffer if the head of the home drinks. Workers do not have enough income to support the distilleries and take proper care of loved ones. And how can they save for a rainy day or to educate the children.

In the face of all this Plymouth Licensees want us to vote to open three more places and license them to help do more damage to our families. Why help break up more homes? There must be money in selling liquor to be consumed on the premises or they would not put forth the effort to circulate petitions every four years. It would be very interesting for Plymouth licensees to tell us how much help they get from the Liquor distillers to put this thing over on the people of Plymouth.

**Bell to Consolidate
 "Info" Center Here**

Michigan Bell Tele-
 phone Co. this week an-
 nounced it will establish a
 consolidated information
 center in Plymouth to
 service telephone users in
 eight communities.

Scheduled to go into
 operation beginning Sun-
 day, the information cen-
 ter will be located in
 Michigan Bell's central
 office building on Ann
 Arbor Rd. here.

It will consist of a 26-
 position information switch-
 board that will require a force
 of approximately 50 addi-
 tional people, including op-
 erators and supervisory per-
 sonnel. Of the 50, approxi-
 mately half will be new em-
 ployees.

The remainder will be com-
 prised of present employees
 who now staff four infor-
 mation centers in the Detroit
 area. The four other cen-
 ters will be combined here.

In addition to Plymouth,
 the center will serve the
 communities of Northville, Belle-
 ville, Brighton, Livonia,
 Farmington, Wayne and Red-
 ford Township, according to
 Earl E. Morrow, Plymouth
 district commercial manager
 for Bell Telephone.

Morrow said that the pre-
 sent calling rate to infor-
 mation operators from the eight
 communities averages about
 18,000 requests a day.

"Residential and business
 growth and the resulting in-
 crease in telephone usage in
 these areas," said Morrow,
 "has been at such a pace that
 an overload is threatened on
 the four information centers
 now serving these areas."

(Continued from Page 1) team captains and payroll deduction pledge cards have been distributed, he said.

Campaign officials are hopeful that the industrial phase will produce approximately one-half of the overall goal of \$45,050, which is only \$703 higher than the goal of a year ago.

Meanwhile, Sterling Eaton, chairman of advanced gifts reported that \$2,662 had already been received through this effort, with three-guaranters of the contacted donor still to be heard from.

He said that letters of solicitation had been mailed to over 130 individuals and that approximately 30 had replied as of Wednesday morning. He was confident that the \$4,000 advanced gifts goal would be reached.

Other divisional chairmen have also been busy making early contact with sources for donations. Sidney Strong, in charge of professional persons in the community and Tom Nobeart, business chairman, has been contacting local business places.

Mrs. Barber, the torchlighter and residential chairman, said that the door-to-door work throughout the community will take place Oct. 17, 18 and 19. She has 25 area captains organized for this phase and more than 250 neighborhood housewives preparing for the actual door-to-door effort.

If residents are not at home when a campaign worker calls, a pledge card, a descriptive brochure and a self-addressed return envelope will be left and the resident may mail in his pledge or contribution.

Mrs. Barber, who a year ago was an area captain herself, hopes that this year's door-to-door effort will raise more than \$4,000 of the overall goal.

SALEM NEWS

By VERA CLAIR — GL 3-2610

George A. Curtis, Director of the Washtenaw County Library, has sent the following information concerning the Bookmobile. The librarians from all the libraries in Washtenaw County met Oct. 4 at the Ann Arbor Public Library for a book exchange; each one bringing one-third of their books for the exchange, thus making new books available in all the libraries. To enlarge and improve the collections of all the libraries in the county the Michigan State Library loaned three thousand books to the Washtenaw County Library.

The Bookmobile stops in Salem each Tuesday from 2:30-5 p.m.

Mr. Curtis is available for speaking engagements to interested clubs and groups. Further information can be obtained by contacting him at NO 5-0683.

Mr. and Mrs. Burton Rich of Salem Rd. were Sunday evening guests of Mr. and Mrs. Orlyn Whittaker of Ford Rd.

Mr. and Mrs. Arthur Dahl of Salem Rd. spent Sunday, Oct. 1, at Albion visiting their son and daughter-in-law, the Raymond Dahls.

Chief Warrant Officer Raymond J. Smith, son of Mrs. Doris Marshall of Salem Rd., was retired Oct. 1 after twenty-two years of service in the United States Navy. He was aboard the United States Ship Maryland at Pearl Harbor when the Japanese attacked Dec. 7, 1941.

Mr. and Mrs. Wilfred Hammond of Detroit are building a new home on Salem Rd. The building site was purchased from the Burton Riches. Mr. Rich has also leased the corner on Brookville and Salem Roads to Basil Barrett who will operate a boarding stable for race horses.

Mrs. Glenn Whittaker of Brookville Rd. was injured in a fall while on a trip in the Upper Peninsula last week. After returning to her home she was taken to St. Mary Hospital, Livonia, for observation and X-rays.

Mr. Alex McClelland of Territorial Rd. came home Saturday, Sept. 30, after surgery at Ford Hospital in Detroit. He will return to the hospital for more surgery at a future date. I know he would enjoy hearing from his friends and neighbors during his convalescence.

Mr. and Mrs. Donald Avis of Curtis Rd. spent last week end in Cedar Springs visiting with Mrs. Avis' mother.

Mr. and Mrs. H. Shaffmaster of Curtis Rd. entertained several guests from Detroit at dinner Sunday, Oct. 7, the occasion being Mr. Shaffmaster's birthday.

It has been brought to my attention that old brick, cement, and other rubbish have been dumped on the roadside of Curtis Rd. There are special places provided for such dumping, and I'm sure our roads would be more pleasant to travel if they are free of this debris.

Mr. Ed. Fitzgerald, Township Clerk of Salem, tells me that there has been approximately one hundred new registrations for the Nov. 6 election.

Voters at this election will be asked a question to express their opinion concerning the sale of liquor by the glass here in the township.

Mr. Fitzgerald has recently moved to 5455 Six Mile Rd. and his telephone number is GE 7-2850.

How I Earned My First Dollar

Ross L. Berry

Ross L. Berry recalls that he was about eight years old when he earned his first dollar — and he worked nearly 20 hours weeding at an onion farm in Lodi, Ohio, to collect the money.

Today — 65 years later — Berry is the owner of Berry Pontiac, Inc. here. "That first dollar was a long time ago," he recollected, "and it was quite a route I followed to get to Plymouth, too."

Born in Ohio, Berry was 11 when he learned to shape wooden hoops for barrels and did this for nearly eight years. Then he worked for the Wheeling & Lake Erie railroad out of Kent, Ohio, for another eight years until 1915.

He was making \$45 a month when he left that job to move to Pontiac where he became a foreman on the motor assembly line at the old Oakland Motor Car plant there. (Oakland has since become a division of General Motors and is the Pontiac Division today.)

Berry was restless in those days. After a stint at the Oakland Motor Car company, he worked for two years as a conductor for an inter-urban line there. For 11 years, ending in 1933, he worked for the Wilson Foundry & Machine Co. in Pontiac as a foreman on the engine assembly line.

He moved to Plymouth in 1933 with no particular goal in mind. Once here, he happened to meet an old acquaintance.

The friend introduced him to Wendell Lent (now of Davis & Lent), who at that time was selling used cars in a lot near where the First Federal project is under construction today.

Berry went to work selling cars for Lent at \$5 a week plus a commission. The action was just pulling itself out of the throes of the depression.

Harold Coolman took over the used car business a few years later and Berry stayed on to work for Coolman. But destiny seemed to be reaching out for him.

Twice he was approached by a representative of the Pontiac Motor Car Division who asked if he would be interested in opening a Pontiac dealership here. Twice he declined, however.

But, then, after a third invitation and with \$500 borrowed from Ralph Huntzinger, Berry finally accepted and set up the dealership on Main St. where Royal Kar-Card is presently located. He opened his dealership on March 15, 1940, and by the end of that month his personal bank account showed that he had just \$6.80 still on deposit. A good portion of the borrowed \$500 was also gone.

"That was quite something about those days," Berry said more recently, "I got into the auto business on \$500. Today you couldn't touch a dealership for much less than \$25,000." He was his dealership's only employee at the time, but today — in its modern headquarters on Ann Arbor Rd. — Berry Pontiac, Inc. employs 34 people. It is recognized as one of the largest volume dealerships in western Wayne County.

During the years of World War II, when no cars were being produced, Berry maintained his dealership location but opened a restaurant in order to make ends meet.

In 1946 — with "Dutch" Atchinson as a partner — Berry re-opened his dealership on an active post-war basis. Business was good. The dealership was moved out onto Ann Arbor Rd. in the 1950's.

Atchinson sold his interest to Berry in 1960.

A widower, Berry lives at 9252 South Main St. in Plymouth Township. He has two children, a son Fred who also lives in Plymouth, and a daughter Mrs. Ruth Arana of San Francisco.

Although he still spends considerable time each day at his dealership, Berry has not actively engaged in auto sales in sometime. "I'd guess He seems to have well-earned some leisure time."

Exchange Students Outline Experiences From Abroad

Shortly after the seven Plymouth High School seniors, who spent the summer in Europe as exchange students under the Youth for Understanding program, returned home. The Plymouth Mail requested them to write a brief summary of their experiences. To date, replies have been received from Lee Benz, of McKinley St.; Bonnie Bowsman, of 3343 Morrison, and Sue Hoeprich, of 42490 Schoolcraft Rd. Excerpts from these letters appear below:

Lee Benz lived in Duren, Germany with the Gulden family. Mr. Gulden taught German. Main industry in Duren, which has a population of about 50,000, is paper manufacturing.

He said the highlight of the summer was a trip to Bavaria and Austria. During that trip, he was impressed by the Rhine River, Munich and the Fernsehturm (television tower) which overlooked Stuttgart. The 700' structure contained a tri-level restaurant, two observation decks and a television control center.

Lee mentioned that one German custom which he wished could be adopted by Americans is the "art" of table hotel service, and added that our expressways could be improved with the addition of shrubbery planted in the boulevard, which would beautify them and also help to eliminate oncoming bright lights.

He added that he profited a great deal from learning the German outlook on the two world wars and communism.

Bonnie Bowsman spent the summer in Gorinchem, Holland. Gorinchem had no large industries, as it was made up mostly of merchants who cater to tourists and farm people.

Some of the things she will always remember about Holland are the straw roofs, the barges in the river, and the slow pace of the Dutch people.

Bonnie said the youth of Holland do not mature as quickly as American youth because there is little opportunity for them to work outside the home, thus they do not have money of their own. She added that they do not have the freedom that the American youth take so much for granted.

Sue Hoeprich lived on a dairy and poultry farm near Lindau, Germany. One of her chief duties around the dairy farm was to help prepare the eggs for sale to hospitals and merchants.

Sue was impressed by the schedule of classes for a 15-year-old student, which includes chemistry, physics, German, French, English, math, history and geography, as well as gym, music and art.

She described the German people as being very sensible — they never start a job without asking themselves whether it is the best way to do it. Even the road signs are sensible, she said. They use pictures instead of words.

German teenagers are wholesome and full of fun, she added. They prefer simple things, such as moonlight walks and open air concerts to expensive pleasures.

Discard Unknown Drug; It May Be Thalidomide

"The Federal Food and Drug Administration reports that 2.5 million tablets of thalidomide were distributed for investigational purposes and were passed unlabeled to patients by physicians." Please destroy any and all unidentified drugs in your homes.

Thalidomide Shows Peril In Others' Rx's Prescription

Newspaper stories about thalidomide have failed to emphasize one important point: Don't take medicine which is not prescribed for you.

"According to newspaper accounts, many of the women took thalidomide which was prescribed for someone else. Even the Arizona housewife who went to court to get permission to have an abortion took thalidomide which had been prescribed for her husband in Europe.

"Pharmacists are constantly warning people not to take medicines which were prescribed for other members of the family or for friends, even though they might have symptoms which appear to be similar.

"Modern drugs are effective in preserving health, alleviating pain, curing diseases and prolonging life. But modern drugs are too potent to be taken indiscriminately. Nobody should ever use prescription medication without the advice of a physician."

Clean Out Your Medicine Cabinet

What in the world can you do with a crumpled up five-year-old ointment tube? Or with a prescription with the label so stained you can't read it? Or with a jar with no label at all? Or cough medicine that is eight months old, in some cases cannot be used. But holding on to these old left overs can cause trouble. Some medicines won't work when they get old. You wouldn't drink a six-month-old bottle of milk or think of dropping a year-old slice of bread in the toaster, would you? Get rid of old medicines, throw them out where the kids can't grab them for play things.

Buy Your Drugs From Your Druggist!

Martha Adkinson, Nicholas Smith Exchange Vows

Miss Martha Penelope Adkinson, daughter of Mr. and Mrs. James Adkinson, of Orlando, Fla., and Nicholas Sanford Smith, son of Mr. and Mrs. Beverly Harrison Smith, of Palm Beach, and formerly of Plymouth, were married in College Park Methodist Church on Sept. 5.

Given in marriage by her father, the bride wore a gown of white silk taffeta, featuring a scoop neckline and inset of re-embroidered Alencon lace and a fingertip mantilla veil. She carried a cascade arrangement of white roses and lilies of the valley which encircled a white orchid.

Attending the bride were Miss Kit Young, of Orlando, Fla., as maid of honor and Miss Terry Adkinson of Orlando; Miss Billy Buff of Columbia, S. C.; Miss Beverly Taylor, of Lynchburg, Va.; and Miss Jane Hannon, of Gainesville, Fla., as bridesmaids. They wore street length frocks of blue satin, faced with organza.

Serving the bridegroom as best man was Johnathon Gillet, of Scarsdale, and Ted Doremus, of Red Bank, N.J.; Jim Burcham, of Scarsdale, and Jim Adkinson, Harry Adkinson and Bob Adkinson, brothers of the bride, seated the guests.

For her daughter's wedding Mrs. Adkinson wore a dress of pink organza over taffeta and Mrs. Smith wore a dress of blue peau de soie.

The couple are making their home in Lexington, Va., where Mr. Smith is completing his senior year at Washington & Lee University.

Salem Federated Church Ladies Aid

Canning Bees Yield 600 Qts. for Charity

STAGE ONE of the apple sauce canning bee is the washing, peeling and cutting of the apples. Busy at work are left to right, Mrs. Maurice Alexander, of 5750 Gottfredson, Plymouth; Mrs. C. F. Grimes, of 73330 Five Mile, Northville; Mrs. Elwood Chipchase, of 8057 McFadden, Salem; Mrs. Norma Graham, of 51175 W. 7 Mile, Northville, and Mrs. Glenn Renwick, of 7596 Angle, Northville.

SECOND PHASE is the mashing and stirring of the apples, as shown by Mrs. Raymond Schuchard, of 9060 Napier, Northville, left, and Mrs. Ted Buers, of 9660 Six Mile, Salem.

THIRD PHASE is the pouring of the apple sauce into jars, as executed by Mrs. Jack Renwick of 7650 Angle Rd., Northville.

LIFTING the cooked apple sauce from the stove is Mrs. Donald Lanning of 10029 W. 7 Mile, Northville, who completes the fourth phase.

The sweet aroma you may have noticed floating around the Salem Federated Church, on Six Mile Rd., last Thursday, was indeed coming from the church.

Ten members of the church's Ladies Aid Society were busy at work day-long at the fourth and final canning bee, held in the Church's kitchen in the basement.

At the close of Thursday's canning, the Ladies Aid members had canned 100 quarts of apple sauce. During the three previous sessions Ladies Aid members canned a total of 500 quarts of tomatoes, corn, green beans, apple sauce, jellies, pickles and peaches.

Some members not able to attend the canning sessions, did canning at their home and contributed it to the rest, including some 18 quarts of apple butter, made by Mrs. Bob Lemon at her home at 9528 W. 7 Mile Rd., Northville.

The 600 quarts of canned food will be donated to the Cedine Bible Camp in Spring City, Tenn., and the Southland Bible Institute in Pikeville, Ky., Church helps support. two organizations which Rev. Elwood Chipchase, pastor of the Church, and George Carroll, of 9316 Six Mile Rd., Salem, plan to leave Sunday, Oct. 14, by truck, to deliver the canned goods in person.

All of the packing, boxing and labelling of the canned goods was done by Mrs. Don Lanning of Seven Mile Rd., vice president of the Ladies Aid Society. Boxes were obtained from grocery stores, she said.

TREASURES FROM Plymouth Pantries

Mrs. Ned Stirton

If you have begun to feel that your menus are lacking variety and are becoming hum-drum, you'll be delighted with this week's recipe for Fytata, loaned to us by Mrs. Ned Stirton, of 9335 Marilyn, who consented to be this week's Mail guest cook. Fytata (pronounced fah-tah-tah) is a favorite of the Stirton's and their friends, however, Mrs. Stirton said she never tells guests the ingredients of the recipe until after they have tasted it.

When not caring for her three-year-old daughter, Ann, and five-year old son, Bruce, Mrs. Stirton fills her time by attending meetings of the American Assn. of University Women and her bridge club, which is composed of Plymouth teachers and former teachers. In addition, Mrs. Stirton, along with her husband, is active in the Volunteers for Romney group.

KD's to Hear Dr. Sterne Talk

Dr. Margaret Sterne, noted lecturer and author from Wayne University will speak at the Oct. 15 meeting of the Northwest Suburban Alumnae Assn. of Kappa Delta Sorority.

The meeting will be held at 8:30 at the home of Mrs. Donald Greenbury, in Farmington.

Dr. Sterne, at present an associate professor in the Wayne department of history, spent last summer in Germany and Italy doing research for Modern European history. In 1955 and 1959, she traveled in Europe, speaking under the auspices of the United States Foreign Service in Austria and Germany.

Born and educated in Germany, Dr. Sterne came to the United States in 1925 and received her Master's degree in history from Wayne, and then was awarded her Ph.D. from the University of Michigan. For two years during World War II, she worked for the United States Treasury Dept. as Publicity Director of the Mich. War Finance Commission. In 1952, she was awarded the Fulbright Research Scholarship for Austria and spent an entire year in Europe. She has taught at Wayne since 1942, and in 1957, she received the Alumni Faculty Service Award.

Any Kappa Delta alumnae in the Plymouth area who wish to hear Dr. Sterne, should contact Mrs. Mary Fritz at 453-6072.

PEEKING through the first batch of completed apple sauce is Mrs. George Carroll, of 9316 Six Mile Rd., Salem.

Susan Whipple Wins \$500 Award

Susan J. Whipple, daughter of Mr. and Mrs. Howard A. Whipple, 42059 Clemons Drive, Plymouth, Michigan has been awarded a \$500 Mead Johnson scholarship for dietetic internship at the State University of Iowa Hospitals, Iowa City, Ia.

The award, made under the auspices of the American Dietetic Association, was announced at a banquet on Thursday, October 11, in Miami Beach, during the 45th Annual Meeting of the Association.

Miss Whipple, a member of Amicron Nu honor. Society, recently received a bachelor of science degree in dietetics from Michigan State University, East Lansing, Michigan. She began her internship in September.

To Show Pictures On Alaska Trip

Next Sunday evening at the First Methodist Church Rev. Melbourne I. Johnson will give another showing of the pictures he took while on a recent trip to Alaska.

The affair will begin at 7:30 p.m. and the public is cordially invited.

The second showing was planned by Rev. Johnson in response to numerous requests after the first showing was so well received.

OES Highlights

Plymouth Chapter No. 115, Order of Eastern Star's Regular meeting on Oct. 3, 1962 was called to order by Worthy Matron Wanda Durham. The meeting was well attended and a social hour and refreshments, served by a committee of Evelyn Brooks and Carol Dodge and their co-workers was enjoyed by all.

There will be a semi-public installation (the 69th) of new officers for the coming year on Oct. 16 at 7:45 p.m.

Practice for retiring officers and incoming officers will be held Oct. 14 at 12:30 p.m. (Sunday).

OF INTEREST TO FARMERS-AT-HEART

BY MELVIN L. WOELL, MGR. INFORMATION DIVISION MICHIGAN FARM BUREAU

Second-Class Citizens? In view of the political mish-mash thrown at farmers in the way of "farm" programs, it's a wonder all of agriculture hasn't risen in political revolution. Instead, farmers remain least active of many groups when it comes to personal involvement in politics.

"People who pay for something are more aware of its value," says one precinct worker now ringing doorbells to collect funds. This worker and others like him have found that farmers are particularly lax when it comes to political party finances.

Perhaps chief among the reasons why farmers remain aloof has been the feeling that political parties are the creations of big-city machines and that farmers at best would be ignored — much less welcomed.

For years too, some farm leaders promoted the idea that agriculture's legislative strength was closely tied to strict "non-political" activity. Only late years have they realized that non-political, in a literal sense, means neutrality. Farmers are far from neutral on many issues these days.

Thanks to a dedicated group of farm leaders, all this is changing. Responsible farm groups are now making it plain that regardless of organization policy, individual members have direct, local political responsibilities of a partisan nature.

To quote from Dean Pridgeon, Branch county farmer who heads the statewide, Farm Bureau Citizenship Committee... "although Farm Bureau is non-partisan in developing policies and bipartisan in placing them into effect, we make it clear to each member that he is shirking responsibility if he does not work within the political party of his choice."

Belatedly perhaps, education in citizenship has become a major farm project. Farmers are learning to discern between emotion and economics, between expediency and experience. They are showing a willingness to let what they have learned run off on those party hopefuls seeking election of public office.

The awakening cannot help but improve American Government. From the time of the Lexington Minutemen American farmers have been front-line policy decision makers.

Belleville Nips Cross Country Squad 24-33

Sports Belleville Nips 2-38th Plymouth gave Belleville's cross country team a run for its money last Friday afternoon on the course of Riverside Park, but the Rocks couldn't avert their fourth loss of the 1962 season despite Denny Knapp's first place finish.

The visiting Belleville harrisers posted a narrow 24-33 decision over the Rocks, thus plunging Plymouth's record to a meager 1-4 this year.

Farrand Gains Unique Grid Win

In a uniquely scored game last Thursday, Farrand school defeated Our Lady of Good Counsel, 1-0 in the opening test of the elementary touch football league.

The two teams were locked in a scoreless tie at the end of regulation play and moved into an overtime session. Under special league rules for the elementary conference, each team has the ball for four downs in overtime.

The team that advances the ball farthest is declared the winner. Farrand out-gained O.L.G.C. by two yards and clinched the victory.

Only fourth and fifth graders played on the two teams since Farrand school has no sixth graders.

Our Lady of Good Counsel football team, undefeated in its first two games of the season, posted a come-from-behind 20-13 decision over St. Norbert's of Inkster in one game and notched a 14-7 victory over St. Mary's of Wayne in the other.

Against St. Norbert's, Art Majors was the big gun for O.L.G.C. as he gained 250 yards rushing and scored two touchdowns on runs of 60-yards and 75-yards to pace the victors.

The other touchdown for O.L.G.C. was scored by Joe Herter on a five-yard run.

In the St. Mary's test, Bob Resch scored O.L.G.C.'s opening touchdown on a six-yard run and Majors tallied the second — and decisive — one on a 75-yard burst.

Assistant coach Joe Shannon praised his defensive line for its efforts in the St. Mary's win. The O.L.G.C. defense allowed St. Mary's runners only 10 yards on the ground during the contest.

It's Allen Park, 19-0; Rocks 'Flat' in Defeat

Allen Park relied on ball control and deliberate ground gaining attack last Friday to stake itself to a 19-0 victory over Plymouth as the Rocks suffered their second conference loss of the season.

Plymouth's own offensive efforts appeared flat and disorganized in the face of Allen Park's hard-charging linemen and alert linebackers.

The loss, Plymouth's first shut-out this fall, plunged the Rocks deep into the cellar of the Suburban Six league as the member schools began to separate themselves in the race for the flag that Plymouth itself won outright a year ago.

Allen Park and Redford Union are tied for the league leadership, each with 2-0 marks.

Only bright spot in the Rocks' showing against the hosting Parkers Friday evening was the passing of quarterback Dick Schryer.

The Plymouth signal-caller completed eight of 22 passes good for 100 yards. It was via the air that the Rocks were able to pick up their meager total of three first downs.

Allen Park's 10 first downs all came by rushing.

The statistics of the game — as well as the score — signify Plymouth's problems all night.

Allen Park held Plymouth to 67 yards on the ground, while grinding out 252 yards, mostly on the straight-ahead power runs of fullback Joe Savage and halfback Ron Prowal.

Allen Park completed none

of its five pass attempts. The Rocks had a total net gain of 138 yards while Allen Park's net for the night amounted to 231 yards.

Plymouth had the ball for only 38 plays from scrimmage, as Allen Park dominated things with an impressive 57 plays, half again as many as did the Rocks. In the third quarter alone, Allen Park had the ball for more than seven minutes and allowed the Rocks time for only three plays.

The first quarter ticked away with no scoring as the two teams exchanged punts several times. Mid-way into the second period, the Rocks fumbled on their own 30 and Allen Park recovered.

The Parkers scored with 1:55 left in the half as Prowal smacked over from the four-yard line. It was more than enough to enable Allen Park to gain its second conference victory, but the hosts added two insurance tallies in the second half.

Savage capped a 70-yard sustained drive in the third period with a one-yard scoring dive and Allen Park's final TD came in the fourth quarter after one of Schryer's aeriels was intercepted at the Plymouth 30.

The Rocks had only two opportunities that amounted to anything. In the waning moments of the game, Plymouth had reached Allen Park's 20, but time ran out on the Rocks there.

Time was a factor earlier in Plymouth's only other chance. Schryer hit end Dick Egloff on a 45-yard pass that

put the Rocks on their opponent's six yard line, but the half time gun halted that effort.

Egloff's only pass interception led to Allen Park's third touchdown as the game neared its conclusion. Savage scored that one, too, on a lunging dive over the line.

Elsewhere in the conference Friday, Belleville crushed Trenton, 33-7, as halfback Frank Nunley ran for three touchdowns and caught a pass for another score.

And Redford Union marched relentlessly to a 20-0 win over Bentley High, thus keeping pace with Allen Park.

The weekend's action left the conference members a bit more spread out in the standings than they were a

FRONT ROW CENTER

BY GEORGE SPELVIN

Space shots, sports, and segregation crowd the world scene as Mother Nature raises the curtain on Act I of the fall season. The six orbit flight was completed successfully, the Giants provided a dramatic finish to the baseball hysteria on the West Coast, and the state of Mississippi had a few spotlights turned on them as they tried to a void orders from the White House.

Many times events in the theater have to take a back seat to the world scene. You can't beat the news when it contains so much built-in drama. The papers, broad casts, and telecasts fairly crackle with excitement with such raw material.

The APA resident company opened a five week fall festival of plays in Ann Arbor amidst all this world-shaking news. For three hours this superb professional company made their own brand of fireworks as they provided a brilliant theatrical display for a capacity audience in the Lydia Mendelsohn theater. The play, "School for Scandal," a comic classic, was directed and acted by Ellis Raab with consummate skill. Not too many directors can enact a leading role and keep a tight grip on the situation.

Will Greer, as I predicted earlier, stole the show as Sir Peter Teazle. His timing and vocal mastery of the role gave the show an enormous boost. Enid Markey, David Hook, Rosemary Harris, and Mr. Raab sustained the fine pace set by Mr. Greer. Applause and ovations were the order of the evening for the entire company.

"School for Scandal" has been done and re-done. The APA's excellent version was tastefully mounted and gave every evidence of being an almost up-to-date comedy. In fact, old George heard more laughs during the performance of this ancient classic than he has during many of our more recent Broadway comedies. Prof. Robert Schnitzer has every reason to feel proud of the APA resident company.

Folks in the Detroit area will have a chance to see the excellent work of this company in November. The Detroit Institute of Arts will present the APA group on November 8, 9, 10 in their theater. Plan now to see all three of the plays ("School for Scandal," "The Tavern," and "We Comrades Three") during their Detroit appearance.

"The Three Penny Opera" at the Vanard is selling out nightly. Talked with Bob Kondor, their slightly battered (Bob had a minor auto accident this summer) business manager last week and he said ticket sales were fantastic. The Vanguard company is seriously considering entering the Cass Theater in November for "Three Penny". Vanguard deserves such success as it has been a long hard climb for them over the years.

The Stables Coffeehouse Theater club, an avant garde operation in the basement of the Earle Hotel started their fall season last week. "Gallows Humor" by Jack Richardson was the wild offering. George Wright and Miss Doolittle strive mightily to make this verbose offering of Richardson's a thought provoking evening. Too often the script gets the better of them.

Over at the Music Hall they have put the cake away that has figured the 10th anniversary of Cinerama. Last week was anniversary week with special promotional events. Biggest event is still the picture "The Wonderful World of Brothers Grimm." The management need not worry about promotion stunts with a picture of this quality playing. Everyone that sees the show goes out and sells five friends...it's that kind of picture. For that reason "Wonderful World" is booked for an indefinite run.

Even the TV tube seems to be improving. The Jackie Gleason show on Saturdays with the valuable comic assistance of Frank Fontaine shows every sign of being a top video production. The Defenders, Dr. Casey, and even Perry Mason have a new sparkle this season.

THE BILLBOARD

(Week of October 10-17) Fisher Theater "A PROGRAM FOR TWO PLAYERS" Helen Hayes and Maurice Evans present an evening of Shakespeare. Opens on Oct. 15 for eight performances.

Vanguard Theater "THREE PENNY OPERA" Marie Powers, Armand Brown, Charles Gilbert providing a delightful evening in the theater. Nightly performances for next five weeks.

Camrus Theater "TASTE OF HONEY" Academy Award acting and some of the most poignant photography seen in years. An adult picture that is a classic.

Lydia Mendelsohn Theater "WE COMRADES THREE" Original drama based on Walt Whitman's poetry featuring members of the APA company. Opens on Wednesday, Oct. 10 for a five day run.

Wayne State University Theater "THE FANTASTICKS" Romantic musical opens on October 19 for a six performance run.

College Seeks Old Volumes

Patrick Butler, librarian for the Northwest Wayne County Community College, issued an appeal for help from Plymouth residents this week. He needs more books for the college library.

Already Butler has purchased 2,000 of the 20,000 volume collection he hopes to have by the time the college opens its doors to students in September, 1964. Yet, there are many out-of-date books that are needed in a basic college collection but which cannot be located. He asked that Plymouth residents see if they have any of the missing volumes in their homes.

The donations of these books would be appreciated, he said. Four volumes he is currently seeking include: "Rebellion Record," 11 volumes, dating from the Civil War and edited by Frank Moore; "The Photographic History of the Civil War," 10 volumes dating from 1911 and 1912 and edited by F. T. Miller; "Early Western Travels, 1748-1846," 32 volumes (1904-07); edited by R. G. Thwaites; and "The Best Plays of (year)," issued annually from 1919 and edited by Burns Mantel.

Gains Trophy In "Kart" Race

Ron Dyson, of 325 Canton Center Rd., won a first place trophy with his McCulloch Stock engine class A car at the second annual Canadian-American International championship Kart Race near Fenton recently.

He was aided in the pits by Bill Grady, also of Plymouth. Grady assisted Dyson in both

the qualification runs and the actual race itself. Dyson has won a total of 28 trophies this year, racing at the Summit Kart course

near Fenton and at the Putt-N-Pack track there. Dyson owns Ron's Service-center on Canton Center Rd. here.

New License Plates On Sale Nov. 1

No matter how anxious Plymouth motorists may be to get their 1963 automobile license plates — and there are a few — they will still have to wait at least until Nov. 1. On that date, the plates will be placed on sale at all Secretary of State branch offices including the Plymouth branch on Liberty St. As in the past, motorists who are less than anxious to buy their new license plates may delay until as late as Feb. 28. Beyond that, however, motorists without '63 plates may be ticketed. This was the annual announcement from the Secretary of State, issued locally by Mrs. Doris Root, manager of the Plymouth branch office. In addition, commercial vehicles must undergo a re-weighing when owners apply for this type of plates. Last time a re-weighing program for commercial vehicles was conducted in the state was in 1957. Included on the list of those vehicles that must be weighed are all pick-up trucks. However, trailers that weigh less than 450 lbs., mobile homes and municipally-franchised buses are exempt from the re-weighing requirement.

meet Tempest '63...today!

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. Vive la difference! Pontiac Tempest

Grange Cleanings
BY MOLLIE TRACY
GL 3-3244

Tuesday, Oct. 4 was the Grange regular pot-luck supper with a large attendance, and as usual a bountiful supply of food, which was nicely arranged by our kitchen com-

mittee, Mr. and Mrs. Emerson Woods, Mr. and Mrs. Carl Nilson, after which we proceeded with the regular business which consisted of the election of officers for the ensuing year. The following officers were elected: Master, Jessie Tritten; Overseer, Lloyd Fillmore; Lecturer, Bessie Sallow; Chaplain, Millie Rhensis; Steward, Fay

Brown, Assistant Steward, Claude Eckles; Lady Assistant Steward, Helen Eckles; Gatekeeper, James Farquhar; Secretary, Isabell Taylor; Treasurer, Irma Brown; Flora, Emma Shiffle; Searis, Loretta Wisley; Pomona, Evelyn Fisher; Executive Committee, John Oldenburg; Herman Gates and Leo Hughes.

Now that we have made our selection of officers for the coming year, let's all do our best to help in keeping the Grange at its very best and enjoy one another as usual. Remember the Grange Bazaar, Oct. 13. The hall will be open Friday afternoon, so get your things there as soon as possible.

Next Wednesday the Plymouth Grange degree team will go to Pittsfield Grange and confirm the first and second degree, so try and go if possible.

Our prayers are with all our sick members and hope you will soon be well again and can come to Grange. We miss you. See you at Grange.

NINE PLYMOUTH High School teachers who will lead various groups during the Region 2 meetings of the Michigan Education Assn. are shown here. Seated from left are: Ruth Butts,

Elizabeth McDonald, Lois Mattson, Mike Hoben, Larry Ordowski and Ed Brown. Standing from left are: John McFall, John Sandmann and Robert Stenger.

Mr. & Mrs. Voter of the City of Plymouth — LIQUOR BY THE GLASS Is an Economic Question

- For every dollar the State of Michigan takes in through liquor taxes . . . it spends four dollars for police and court costs.
- THIS ALL ADDS UP TO MORE AND MORE TAXES FOR YOU!
- Secretary of State Hare reports that in the first nine months of 1959 . . . forty-two percent of all fatal accidents on Michigan highways involved drinking drivers.
- When drinking increases, business certainly does increase . . . for our Mental institutions, our police courts and our jails!
- MR. AND MRS. TAXPAYER, YOU PAY THIS BILL!

VOTE NO ON LIQUOR BY THE GLASS . . . NOV. 6th

Plymouth Teachers Have Key Roles in MEA Convo

Nine Plymouth High School teachers will hold key leadership roles in the forthcoming Michigan Education Association's Region 2 meetings on Thursday and Friday, Oct. 11 and 12.

The two-day "institute" begins with a day-long general session at Detroit's Cobo Hall

News Reading Conferences Here Oct. 29-30

A series of class demonstrations and conferences in news reading will be held in the Plymouth Community schools on Monday and Tuesday, Oct. 29 and 30, as a part of an in-service training program for teachers.

Superintendent of Schools Russell Isbister and principal Gerald Elston are in charge of the arrangements.

Miss Mary Waddle, a consultant from the department of school services at Wesleyan University, will conduct the demonstrations and conferences.

Miss Waddle's services have been made available by Wesleyan University as a contribution to the nationwide demand for improved instruction in reading, citizenship, and current affairs.

The College's Department of School Services offers its consultant services to school systems throughout the country, on a professional basis, without charge or obligation.

Miss Waddle received her B.S. in Education from Wittenburg College, Springfield, Ohio, her M.A. from Columbia University, and has done advanced work in reading at Northwestern University.

and concludes Friday with various curriculum conference sessions held at various high schools and other locations in the metropolitan and suburban area.

The nine Plymouth teachers who will act as chairmen of certain panel discussion groups on Friday are:

Miss Elizabeth McDonald, journalism and English teacher; Mike Hoben, guidance counselor and head football coach; Ed Brown, typing and general business teacher; John McFall, physical education instructor; Larry Ordowski, special English instructor;

John Sandmann, athletic director; Robert Stenger.

English teacher; Ruth Butts, English; Lois Mattson, girls' physical education instructor.

Miss McDonald will direct a secondary English discussion meeting for numerous Region 2 teachers in a group at Junior High West here.

Miss Butts will chair a group dealing with great books of literature, while Stenger is in charge of a panel dealing with Articulation between High School and College in the English program.

Ordowski will be the chairman of a meeting pertaining to the improvement of High School Yearbooks. He will also act as a discussion panel on the same topic.

Sandmann and McFall will coordinate a swimming, diving and gymnastics clinic which will also include several University of Michigan physical education instructors. The two Plymouth coaches will lead a group discussion period on the topic.

Hoben, meanwhile, will act as chairman of the guidance and counseling section Friday morning and will direct a panel discussion on the topic of Job Opportunities for the High School Graduate and the Implications for the Counselors.

Farrand Students Visit Kensington

Students from the Farrand Elementary School in Plymouth visited the Nature Center at Kensington Metropolitan Park near Milford on Friday, Oct. 5.

They viewed exhibits which were explained by Rainer Brocke, naturalist, who also lectured on "Wildlife".

The group was accompanied by Dorothy MacKenzie at the school.

Earns Insurance Sales Honors

Jerry Walsh of Plymouth has earned the high honor of qualifying for Woodmen Accident and Life Company's top sales production club. His outstanding production performance from Aug. 1, 1960 to July 31, 1962 in the sale of life, health, accident, hospital and group insurance entitles him to membership in the President's Club. He was honored at the Company's convention Sept. 23-26 at Colorado Springs, Col.

In the afternoon, Hoben's group will visit five state institutions, including the Plymouth State Home, Northville State Hospital and the Wayne County Training School. Miss Mattson will lead discussion groups on the content and procedure of secondary physical education programs for girls.

Brown is chairman of the business education section, which will include teachers from all of Wayne County outside of Detroit. A tour of the J. L. Hudson Co. is included.

Little "if's" pop in and out of your conversation so often you seldom notice them. It's only when a great BIG one comes along that you see just how important that little word can be.

Let me help you avoid one of the bigger "if's" in life. Let me make certain you'll never say, "If I'd only had adequate, up-to-date medical and hospital protection!"

Rapidly changing times and family responsibilities can quickly outmode protection plans and make them insufficient to meet today's and tomorrow's heavy expenses of unexpected medical and hospital care.

Postmaster Urges Proper Use of Return Address

"An extremely valuable part of our service to the public depends on the sender furnishing a complete and correct return address on all mail matter," said Plymouth Postmaster George Timpona this week.

He listed two rules that should be followed if a return address is to provide maximum service. The rules are:

1. The proper location is in the upper left corner on envelopes, cards, labels, tags, and wrappers. On second, third, and fourth-class mail of no obvious value, the sender must place "Return requested" below the return address or it will not be returned if undeliverable.
2. The return address should be complete and legible, including the name of the sender, the street address or box number, the city and state. In the case of multiple dwelling units, the apartment number or unit number should be shown. In the case of hotels and office buildings, the room number should be indicated.

"If you habitually follow these two simple rules," Timpona said, "those important letters and valuable parcels will be returned to you endorsed to show why they were undeliverable."

He cautioned mailers to avoid placing the return address in any position other than in the upper left hand corner of the mailing piece or mailing label.

Residents Comment on Liquor Proposal

Wiggam Mrs. Huber Mrs. Engstrom Mrs. Dale Pursell Rowland Olsaver Stremick

The citizen on the street in Plymouth today views with mixed emotions a liquor-by-the-glass issue that will be voted upon once again in the City during the Nov. 6 general election.

Individual reactions to a question posed by The Plymouth Mail on the spirits-by-the-glass item ranged — understandably — from out-and-out opposition to unconditional approval, to "don't care" status.

SIMPLY OUT of curiosity and with no intent to assess the state of public opinion over the matter, The Mail approached 14 persons recently, asking them their reactions to the forth-coming liquor election issue.

Not all of the individuals involved in the random interview will have a voice in the issue at the polls 27 days hence. That option rests only with registered city voters come election day.

Some opinions against the issue stemmed from religious beliefs, others were based on an interpretation of the City's "dry" heritage dating back from Prohibition days. Those who favored the sale of liquor-by-the-glass indicated that their reasons grew out of the fact that since Plymouth Township permits it, the City ought to as well.

In all, 14 persons were asked the question. Here were their answers:

GLENN WIGGAM, 623 Herald St. — "We might just as well have liquor by the glass in the city. The Township has it so why not have it here, too."

MRS. HAZEL HUBER, 279 Ann St. — "I'm against it. It doesn't seem as if it's really necessary for the city to permit the sale of liquor-by-the-glass. I don't like the idea at all."

MRS. CHARLES ENGSTROM, 1381 Elm St. — "We're so close to the Township that I feel we might just as well have liquor-by-the-glass here,

too. It seems sort of hypocritical to deny people in the city when residents of the township are able to do so there."

MRS. LEWIS DALE, 375 Liberty — "I don't think it should be passed. In fact, I personally feel that people should not be permitted to drive a car after they have had even one drink. If a person wants to drink, he can drink at home."

CARL PURSELL (a Plymouth businessman, but a non-resident and therefore a non-voter on the City issue) — "I think it should be turned down. The City's background traditionally has been one of high respectability, proper living, fine churches, excellent family status. Why vote in liquor and endanger this. I also feel that the adults have a sort of moral obligation to coming generations to turn it down. I'm not in favor of it."

DERMOT ROWLAND, 14515 Shadywood (a Township resident, thus precluded from voting on the matter come Nov. 6) — "I'm opposed to it. I like the City just as it is now and besides there are enough nearby places to go now to get liquor. I'd prefer to see the City kept the way it is with no liquor."

MRS. FRANK HALLOCK, 1280 West Ann Arbor Tr. — "I have no concrete feelings on the matter right now. But I think I'd feel better if the City remained dry."

JOHN OLSAVER, 276 Holbrook — "I'm in favor of it because I can't see a good reason for having it permitted outside the City and not inside it. If liquor-by-the-glass is going to be permitted, it might as well be available both places (both City and Township). I will vote in favor of it just like I did in the past. Besides, it's taking business away from the City."

MRS. GWEN HOLCOMB, 46801 Joy Rd. (a resident of Canton Town-

ship, thus not permitted to vote on the issue) — "I think I would be against it. In the bible it says that you shall not do anything that would make your brother stumble. Drinking goes against this. I don't think liquor should be as available as it is anywhere. I would just as soon not see it permitted in the City."

SAM STREMICK, 140 Caster — "I would favor it and I know that I'll vote for it in November. The city would make money and I feel if it's allowed in the Township it certainly should be allowed in the City, too."

TOM JAMES, 42449 Lakeland (a Township resident not voting in the City) — "It's okay just like it is. The City is a good clean place as it is now and you know yourself that when you start selling liquor-by-the-glass it starts trouble. If someone wants to drink from a glass in the city they can drink at home."

JUANITA STENNEL, 42444 Ham-mill (Plymouth Township) — "We don't drink ourselves, but we don't want to stop drinking either. If liquor-by-the-glass would help the City with larger tax revenue, I don't think I'd be opposed to it."

CLIFFORD HANNA, 565 Adams — "I don't drink anymore, but I used to. But I don't have any objection to liquor-by-the-glass in the City. Anyway, if they haven't got it here, the residents just drive a little ways to get it. I would vote for it."

JAMES RILEY, 15143 Northville Road (Plymouth Township) — "I don't have any specific opinion on it right now. But I don't have any ob-

jections to it either. I think I would be in favor of it if I were voting on it."

Fourteen people gave opinions on the matter and evenly divided their feelings — seven in favor, seven opposed.

Four years ago and by the slender margin of 79 votes, the issue was defeated at the polls. At that time, 2,467 cast a ballot on the issue.

A four-year delay was required from that time before the matter once again could be put before the City's electorate.

The 1958 defeat followed the same lines of a "No" decision in 1952. The margin of defeat in that election was decidedly greater than in 1958.

The matter appears on the Nov. 6 ballot by way of popular referendum. Petitions, which were placed in motion the middle of the summer, were submitted to the City requesting that the item be put on the ballot at the time of the general election.

A TOTAL of 126 petitions, containing 1,716 names, were turned in at the City Clerk's office. Of these names, 1,384 were deemed valid. It surpassed the minimum number of required valid names by only 25.

The "Plymouth Licensees Association," comprised of the Hotel Mayflower, Box Bar and Toll House Inn, had circulated the petitions.

At the polls in November, a simple majority vote will decide the issue.

(Editor's Note: The opinions of the persons interviewed are individual views and are in no way to be misconstrued as the feelings — pro or con — of The Plymouth Mail.)

VFW NEWS

The Post Color Guard team looked very sharp in the flag raising at the homecoming game Sept. 28. It was announced and may surprise a lot of members, of the six on the team four were Plymouth High graduates.

Before too long work parties will be needed on the new addition. If each post member donated a few hours of labor, it would be much easier for everyone — Think about it!

The hall is open to all members for every home game the Lions play. The next game will be Oct. 14. There will be a Halloween dance Saturday, Oct. 27, \$2 per couple. Get your costumes ready, you may win a prize.

Hospital Chairman Dolores Shaw gave a nice report on her recent hospital trip. This was a patio luncheon for about fifty at the VA hospital in Ann Arbor. Those helping were Ann Totten, Adeline Packer, Marion Skoglund, Bettie Neale. We should all thank these girls for the time spent. These men couldn't believe that people would fake time to bother fixing lunch for them. You know how home cooked food tastes to someone who hasn't had it in a long time.

Marion Skoglund reports the cancer pad sewing was very worth while. Ten members came out making a total of 30 hours. This will continue to be on the last Wednesday of each month at our hall.

All the plans for the Smorgasbord are completed. It will be Nov. 11 (Veterans Day). Like other years, the price will be \$1.75 for adults or \$2.00 at the door. \$1.00 for children 5 thru 12 and the serving time again will be on the hour, 1 thru 5 p.m. Get your ticket orders now and give Jennie Talmadge a call and she'll have your order ready at the next meeting.

Get well wishes go to Edith Bredin in Beyer Hospital, Ypsilanti. Also we hope Jim and Ernie (Lou Archer's sons) are feeling better. We would like to thank Alice Bushey for the very nice dessert she sent out at our last meeting. It was certainly enjoyed by all.

Just before the meeting started on Oct. 2 Americanism Chairman Betty Krumm presented 20 class room flags to Mr. Pearson assistant principal at the Junior High West.

HEARTY WELCOME TO ALL!

The Professor Says...

BY ED BROWN

Some weeks ago I read an article stating that most accidents were caused by emotional, unhappy, strong-tempered and disturbed drivers.

A recent study has verified the fact that most people, who seem to live a happy life, are responsible for few accidents on the highway.

I thought about this for awhile and it seemed to make sense. We all know that when a person is emotionally upset after an argument, a family squabble, a bad day at work, etc., his mind is not functioning properly for good, clear, quick-thinking decisions.

I know people who seem to be well-adjusted, and seemingly happy individuals; who have never been responsible for a major accident. I also know others who always seem to be looking for an argument, have a "chip on the shoulder" type, who allow a fender on their car, and are frequently involved in some minor, or major, accident.

The hot-rod-happy person is really emotionally upset - anyone who has to go at the fastest possible speeds, turn a corner on two wheels, or race another car on a highway is doing such things solely for an emotional outlet of some kind.

I remember a real scare I had one early Sunday morning down in Missouri. We were going up a long, steep grade meeting a steady stream of cars coming from the opposite direction. As I neared the crest a car containing an impatient young driver came over the top in my lane, and he was passing all those cars. When he could not break into his own lane of traffic he was forced to take to the ditch. Needless to say, it was a breathtaking few seconds of quick-thinking.

I believe there are drivers who have little patience - after waiting in a line, such as the one above, they get fidgety, take a chance, and gamble that no one will be coming over the hill from the opposite direction. These same people probably have very little patience in everyday life because of a frustrated mind.

A good driver seldom is at fault in an accident, but often may become involved in one because of the poor drivers I have described above. It all "boils down" to the fact that we not only have to drive our own car, but think what the other driver might do.

I always remember that hill incident whenever I am in a like situation today, and I always think what to do in case another "crazy" driver is coming over the hill in my lane. It just pays to do this. It is always best to think of hypothetical situations while driving along the highway for then one is better prepared if anything suddenly comes up.

Teen-Age Dance Slated Saturday

Plymouth Optimist Club's second Teen-Age dance of the fall season is this Saturday evening at the high school gym, it was announced this week.

The dance, which lasts from 8 to 11 p.m., is open to all Plymouth teen-agers.

The Plymouth Silvertones will make a special entertainment appearance and additional music for dancing will be provided through records and tape recordings.

Optimist club members chaperone the events.

Bad Checks Bring 60-Day Sentence

Billie Dean Sullivan, 34, of 928 Irvin St., was sentenced to 60 days in the Detroit House of Correction last week after being found guilty on a charge of issuing checks with insufficient funds.

He was sentenced in Municipal court here by Judge Harry Deyo. Sullivan had passed numerous checks in the Plymouth area over the course of the past month.

WHAT EVER HAPPENED TO???

I received a nice letter from a former Plymouthite the other day commenting on this column, and wondering why I do not include some graduates of the "thrilling thirties" in this portion.

I sure would like to and intend trying having one pre-1945 person, and one after that time in each edition. I use the date 1945 because I arrived on the high school scene at that time, and it is easy for me to get the information on graduates since that time for I have missed very few athletic contests during this period. I also hope to get more than athletes in this column in the future for we have had a number of outstanding ac-

1,000 Expected to Attend Symphony Premier Oct. 20

Upwards of 1,000 persons are expected to attend the Plymouth Symphony's opening concert for 1962 on Saturday evening, Oct. 20, at the high school auditorium here.

For the first time in the Symphony's 16-year history, a concert will be presented Saturday evening instead of the traditional Sunday afternoon.

Headlining the premier performance will be talented pianist James Mathis, who is scheduled to appear at Carnegie Hall later this year. He will play Piano Concerto No. 1 in D-flat; Opus 10, by Prokofiev, and Piano Concerto No. 23 in A-major, K. 488, by Mozart.

The concert will begin at 8:15 p.m. and is free to all comers. It marks the beginning of the Symphony's 17th season.

Wayne Dunlap will direct. Concert-goers are being invited to attend an "Afterglow" affair at the Hotel Mayflower, following the performance that evening. The entire first floor of the hotel will be reserved for the occasion to include the Pilgrim room, lobby and dining room - has been reserved for the special after-concert get-together. A light supper will be served.

Mathis, the pianist, will be a special guest at the "Afterglow." Musical entertainment is being planned, too.

Reservations must be made with the hotel and may be obtained by calling GL 3-1620. Tickets for "Afterglow" are \$2 per person.

During the concert itself, the Plymouth Symphony will

Plymouth members made a grand showing at our recent Visitation last meeting night and a good time was enjoyed. Refreshments were plentiful and the emblem presentation by Mable Lodge No. 44 was equally appreciated.

On Thursday, Oct. 11, Plymouth will present the emblem to Brightmoor Lodge No. 495 at their Visitation so be with us at this time, too.

Friday, Oct. 12, is our first meeting of the month and will begin with a 6:30 p.m. potluck dinner for all members and their families.

Please bring your own table service and one dish to pass.

Our sympathy goes to the family of our beloved Marie Hartung who passed away suddenly Oct. 1.

City Vacates Alley

City Commission voted unanimously Monday night to vacate an 18-foot alley located in the North end of the City and contained within a block bounded by Holbrook Union, Park Dr. and George St.

The City retained full easement rights to the strip of land, however. The action resulted from an earlier petition submitted to Commissioners by residents of the area.

The alley had been seldom used.

Recovery Inc. to Meet Friday, too

In addition to its regular Tuesday evening meetings at St. Johns Episcopal Church, Recovery Inc. will now hold meetings each Friday evening, beginning at 8 p.m. in the basement of the Plymouth Community Federal Credit Union, 500 S. Harvey St.

Recovery Inc. was founded in 1937 by the late Dr. Abraham A. Low for the purpose of preventing relapses in former mental patients and chronicity in nervous patients. The Recovery method consists of studying Dr. Low's book "Mental Health Through Will Training" and other literature by Dr. Low. In addition to studying, the method involves regular attendance at its meetings and the practice of Recovery principles in one's daily life.

A large group of Plymouth Senior Citizens held a business meeting in the Masonic Temple Oct. 1. The meeting was called to order by president Mildred Higgins; reports were given by secretary, Treasurer and Ass't Treasurer and Sick Committee. Several members attended the services for Marie Hartung. Our sympathy goes out to all the family.

There will be no meeting Oct. 11 for the Senior Citizens. The group is planning a trip to the Kellogg Company in Battle Creek Oct. 11 all members wishing to take the trip will meet at the Masonic Temple at 8 a.m., where a bus will be furnished for transportation.

We are sorry to hear that some members are ill at home and in the hospital. Hurry and get well and be with us again.

Our hostesses for the day were Elsie Ehrenberger, chairman, Edith Rorabacher, Lou Evans, Lou McKinnon and Bertha Manning.

JUNIOR HIGH NEWS

The P.T.S.A. meeting proved fun for the parents as they followed their child's daily schedule with classes running eight minutes in length. The Book Fair was discussed and parents were urged to participate Nov. 6 to 9.

Mr. Brown acted as disc jockey for the Fall Frolic held Friday night. Fun was had by all and the "Betweens" are looking forward to the November get-together when the King and Queen will be crowned following the completion of Torch Drive Week.

Jon Adams, president of Student Council has the plans for a Pep Assembly well underway. Jon, Rick Jones, Tom Chandler and Ruth Ann Morrell gave their report on the Student Council Conference held in Ann Arbor.

Coach Hill will be taking the Freshman Team to Wayne on Friday for a game — Lots of Luck.

Flouride Series To Begin at Bird School Monday

The annual Topical Flouride Program for Plymouth public and parochial schools will begin at Bird School next Monday. The non-profit project is sponsored by the Association of Plymouth Dentists, who donate their time to the program.

Parents of children in other schools will be informed as to time and place by a notice, to be given to children to take home.

Students in kindergarten, second grade, fifth grade and eighth grade are eligible for the program, which has a special price of \$3.25 for four treatments.

The local dental group says tests have proven that the flouride program reduces cavities by about 50 per cent.

Theatre Guild Meets Oct. 15

Next regular Theatre Guild meeting will be held Monday, Oct. 15, at 8 p.m. in the high school annex auditorium.

Following the business session try-outs will be held for the Guild's first full production of the 1962-63 season entitled "A Mighty Man Is He."

There are several women's roles and some college age parts as well. All parts are open.

Physical Ed Convo Friday

More than 120 physical education teachers from Wayne County, including members of the Plymouth staff, will take part in a Region 2 physical education program Friday at the high school here.

Charles Ketterer, junior high physical education director, will serve as chairman of the day-long conference.

Teachers attending will represent the physical education staffs of most of the public schools in Wayne County, excluding those in Detroit.

Discussion will center around various aspects of conducting a physical education program in public schools. Among the instructors who will direct one of the morning sessions will be Newt Loken, U-M gymnastics coach.
