SPECIAL BOUTONNIERE of lilacs — the City's official flower — was presented to Plymouth's exchange mayor, Dr. Lawrence Frost, of Monroe, upon his arrival here Monday. Mayor pro-tem James Houk did the honors (above) as local Michigan Week chairman James Jabara looks on. While Dr. Frost was in Plymouth, the City's own mayor, Richard Wernette, was a guest in Monroe. The mayor's exchange program is part of Michigan Week activities.

Plymouth's Proud Salute Bolsters Michigan Week

"Youth Day," a salute to the leaders of tomorrow, will furnish a fitting climax to Plymouth's 1963 observance of Michigan Week this Saturday.

As one local Michigan Week spokesman put it: "Where else can we look for tomorrow, but in the thoughts and deeds of our youngsters of today."

The words also echo the general theme of Michigan Week. It is "Spotlighting Science and Research for Our Future."

The tribute to Plymouth's young people will draw the curtain on one of the most ambitious Michigan Week programs since the observance was first begun 10 years ago.

Teen Driving Rodeo May 26

The annual teen-age driving rodeo, sponsored by the Plymouth JayCees, will be held Sunday, May 26, at 2 p.m. in the parking lot behind the Penn Theatre.

Winner of the local contest will be presented with a trophy and will also become eligible to compete in a state-wide teen-age driving contest next month, a club spokesman said.

City Completes Purchase Of Urban Renewal Land

City of Plymouth has completed the purchase of property within the Mill St. urban renewal complex, according to Urban Renewal Director Joseph Near.

He said new industrial tenants conceivably will occupy the area by late this fall.

20 Per Cent Reduction Ordered Slash City Hall Costs by \$109,000

Still on the drawing boards, new City Hall underwent major financial surgery last Thursday night. Commissioners ordered a 20 per cent reduction in the cost of the project, excluding the price of land acquisition.

The action knocked \$109,000 from the architect's estimated costs of \$545,000 based on initial working plans submitted to Commissioners earlier in the week.

The original figure — \$545,000 — was described as "way too large" by one of the commissioners. At the same time, the actual size of the building came under particularly heavy fire.

However, the final vote on the cost-cutting resolution was 6-1 with Commissioner Robert Beyer opposing the move.

Mystery Shrouds Future Of Township's Fire Post

Just what is to become of the office of Plymouth Township fire chief remains shrouded in mystery this week.

Presently held by Trustee Louis Norman as "acting fire chief," the job does not appear to be governed by civil service. If it were, it would have to be filled via competitive civil service examination.

VOICES of pretty Bonnie Hoffman and Laura Lehnhardt will be among the 120 performing in Plymouth High's annual spring vocal concert next Tuesday evening. Bonnie, daughter of Mr. and Mrs. J. L. Hudson, 14537 Huntington Dr., will appear as a soloist with the Girls' Glee Club and will also sing with the school choir. Laura, whose parents are Mr. and Mrs. Milton Lehnhardt, 47095 Saltz Rd., is a member of the Madrigal Singers and the choir. Both are juniors at Plymouth High. The vocal concert begins at 8 p.m. and will be held in the Senior High gym.

Township Board Resolves Woodlore Water Request

A two-year plea for water for Woodlore subdivision, at Ann Arbor Rd. and Beck Rd., ended in agreement finally during last week's Township Board meeting.

water lines within the development from 8-inch pipe to 12-inch pipe was discarded. Oldford will pay the cost of installing all water lines within Woodlore.

There are provisions for 50 homes in Woodlore. Price range will be between \$28,000 and \$40,000, according to Stewart Oldford, Jr.

Originally the development was planned without Township water, using private wells instead. But when the Township extended a major transmission line from Sheldon to McClumpha on Ann Arbor Rd. it brought water close enough to prompt the request for an additional extension to Woodlore.

For that portion of the line that runs beside Woodlore, the Township will charge the Oldford firm \$3 per front foot. From the east boundary of Woodlore to Beck Rd., the development measures about 1,500 feet and the developers will pay the Township \$4,500 as a result.

Later in the meeting last week, Trustee Ralph Garber brought up the subject of the future development of the Township's western section. Brief discussion on the matter concluded with Garber's statement that "it's time we gave careful consideration to that area."

THURSDAY is "Education Day" here and grandparents have been issued a special invitation to visit public schools in the Plymouth district. They may expect to observe many modern-day teaching aids such as the geiger counter shown above. Making a preview trip to a Senior High science class last week were Mr. and Mrs. Karl Starkweather, of 711 Starkweather Ave. Describing the function of the geiger counter are pupils Cathy Kropp and Jerry Kisabeth. Monday, June 10, is the last day for registration to vote on the charter-adoption question pertaining to the City of Plymouth Heights.

Auto Dealership Burglarized

Berry Pontiac, Inc., on Ann Arbor Rd., was broken into and robbed sometime last Thursday evening. According to owner Ross Berry, the burglars took three tires and wheels and a 35-mm movie projector along with other miscellaneous items.

Start Plans on Fall Festival

Preliminary planning got underway last week for Plymouth's 1963 Fall Festival and the accompanying Rotary Club chicken barbecue.

Starts Plans on Fall Festival

According to Festival co-chairmen James Thornton and Margaret Wilson the retail activity will start the Tuesday after Labor Day and all of the program will culminate on Sunday, September 8th with the Rotary Barbecue in Kellogg Park.

Organizational meetings for both activities were held, with Chamber of Commerce president John Herb presiding at the session in his office Monday.

Emphasis will be shifted this year to decorations of street lights and the park rather than each individual store as it was last year. The decorating of the stores and store windows will be left directly in the hands of local merchants, who, it is hoped, will co-operate to the fullest in tying in with the community theme adopted last year.

Twelve Plymouth JayCees attended the Michigan Convention of JayCees, held in the Jar Tar Hotel, last weekend. The "Blue Chip" award was given to the Plymouth JayCees for being the most outstanding club in the state. Two thousand Michigan JayCees attended the convention to exhibit their local projects and elect new state officers. Local JayCees who made the trip were: Jim Dyer (walking next to car), Jim Garber (seated in car), John Roose (driving), Wendell Smith, Joe Fletcher, Terry West, Cal Strom, Norm Fitzpatrick, Doug Vincent, Paul Cummings, Maurice Breen, and Randy Eaton.

Lilac Gets Big Push

Michigan Week — which ends Saturday — marks the start of a plan whereby Plymouth hopefully will become the "City of Lilac."

Already, City Commission has designated the lilac as the municipal flower, and the mutual effort of the Garden Club, school officials and other community organizations has given impetus to the plan.

On Friday, which is "Heritage Day" during Michigan Week, a ceremony will be conducted at the Plymouth Historical museum during which a symbolic lilac will be planted in the museum building's front lawn.

The planting ceremony will be at 10 a.m., according to Sid Strong, Heritage Day chairman and a member of the Historical Society.

Fall Festival

(Continued from page 1) fort this popular program has put upon the membership. Rotary is making plans to accommodate 10,000 people during the Sunday afternoon serving.

Determined to make their project even more attractive to the visitors to our City, plans are underway to increase food portions, add dessert and speed up the serving to the long lines of people who patronize the affair. Mechanization in food handling and enlarging the barbecue pits, redesigning the carry-out department and providing more tables, chairs and other conveniences are all things now being developed by members of the club.

Says Rotary president Harold Guenther, "We may have a bull by the tail but we are creating an image for Plymouth which is so important to our City and our people that no matter what insurmountable problem we encounter it is the obligation of Rotary to solicit the help of other groups in this gigantic undertaking," he stated.

One of the main problems confronting Rotary in their effort this year is a shortage of manpower. General chairman Sawusch estimates that the Club will need at least 200 people, and preferably 250, to properly serve and care for the guests in attendance that day. "Efforts are underway to solicit the help of other groups in this gigantic undertaking," he stated.

City Hall

(Continued from page 1) would have amounted to as much as \$255,500.

Now, however, the federal government's extent of participation cannot exceed \$218,000 with an equal amount to be furnished by the City to meet all costs except land acquisition.

The latter issue is expected to be settled in Wayne County circuit court sometime next month. The City has instituted condemnation proceedings in order to obtain two pieces of land between the library and Dodge St.

Routine negotiations between the City and the owners of the property had failed.

Although Commissioners have budgeted an estimated amount for land acquisition, the exact price of the property will not be known until the court case is settled.

The City's ultimate cost for the project will be in the neighborhood of \$300,000.

To meet this, the municipal building authority — placed in charge of the project — has been authorized to issue up to \$360,000 in revenue bonds.

Commissioners, who oversee the work of the MBA, have made it clear they do not want to expend this full amount.

In reality, the Commissioners' resolution of last week was made in the form of a "request" to the MBA, which in turn will instruct architect Byron Becker to re-draw the plans incorporating the cut-backs "suggested" by the City Commission.

Under the initial working drawings, Becker had estimated the cost of the project at \$620,000. The reductions ordered by Commissioners cut the total project cost to about \$510,000, pending land acquisition and actual construction bids.

Under terms of the federal grant, awarded through the accelerated public works program, the City must start work on the new building within 120 days from the date the actual contract papers were signed.

Since the contract was signed April 30, the City has until the end of August to get underway. In order to assure their cut-back requests are followed, Commissioners appointed a two-member liaison committee to work with the MBA and the architect on the new plans.

Barbour Resigns To Show Movie Chamber Post

Resignation of Robert Barbour from the board of directors of the Plymouth Community Chamber of Commerce has been accepted with regret by the other board members.

Barbour listed increasing business responsibilities in his decision to step down from the post.

Appointed by Chamber president John Herb to fill the vacancy was Ralph Garber, who is also a Plymouth Township trustee and lives on N. Territorial Rd.

In other matters, two additional members have been added to the Chamber's growing list of participating merchants. They are Leo Calhoun Ford Agency, 470 S. Main, and Jodon Cash & Carry Lumber Co., 595 Forest Ave.

The Chamber's board of directors has agreed to provide at least a portion of the funds required to conduct the fireworks display July 4th.

The film, entitled "Touch of Brass," is the story of a Manchester, England, working man's family and includes visits into the homes, factories and places of amusement in the community.

Of The
TOWNSHIP OF PLYMOUTH WAYNE COUNTY, MICHIGAN
ADOPTED BY THE PLYMOUTH TOWNSHIP BOARD
Supervisor **ROY LINDSAY**
Clerk **JOHN D. McEWEN**

ORDINANCE NO. XIV-M
AN ORDINANCE TO AMEND ORDINANCE NO. 14, KNOWN AS THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH.

THE TOWNSHIP OF PLYMOUTH ORDAINS:

PART I. That the Township Zoning Ordinance is hereby amended by amending the Zoning Map, by changing those areas indicated on the Amending Zoning Map No. 204.10, attached and made a part of this Ordinance.

PART II. Section 2.04 is hereby amended by the addition of the following paragraph to read as follows:

The areas comprising the zoning districts, the boundaries of said districts, as heretofore established and adopted, are hereby amended as shown and provided on the Map attached hereto and marked Amendment No. 204., to the Zoning Map of the Township of Plymouth, which Map is hereto attached and made a part of this Ordinance, and any part of the Zoning Map of the Township of Plymouth as now established, which conflicts with said Amendment No. 204.10 of the Zoning Map is hereto expressly void and of no force and effect.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.

PART V. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, of the Public Acts of Michigan, 1943, at a meeting duly called and held on the 14th day of May A.D., 1963, and ordered to be given publication in the manner prescribed by law.

ROY LINDSAY, Supervisor
JOHN D. McEWEN, Township Clerk

Mrs. Allan Horton in the Frances Apartments. Those present were Mrs. Ernest L. Thrall, Mrs. Stewart Dodge, Mrs. G. A. Smith, Miss Grace Stowe, Mrs. Carl Shear and Mrs. Frank Burrows.

Mrs. Margaret Fisher and daughter, Mrs. Harold Behler were dinner guests Mother's Day in the home of the latter's daughter and husband, Mr. and Mrs. Robert Hitt in Livonia. Sunday the same ladies were dinner guests of the former's son and wife, Mr. and Mrs. Guy Honey in Detroit.

Mr. and Mrs. Lloyd Fillmore were hosts at dinner Monday evening in honor of Rev. and Mrs. M. I. Johnson, who will soon move to Ann Arbor. Other guests were Mr. and Mrs. Clyde Williams, Mrs. Mamie Murray, Mrs. Nellie Fillmore and two sons, Gary and Ricky.

Mr. and Mrs. Kenneth L. Hulsing were in Detroit Tuesday evening to attend the Metropolitan Opera, "The Barber of Seville" presented at the Masonic Temple.

Mr. and Mrs. Harry Deyo, Miss Margaret Roberts, Mrs. Charles Garlett and Mr. and Mrs. Robert Willoughby joined other members of the Huguenot Society of Michigan Sunday, May 17, for the annual "Day of Remembrance" in the St. Paul Presbyterian church on the Five Mile Rd. Later the group had dinner at Roma Hall on Schoolcraft Rd. when a noted speaker was guest.

AN ESTIMATED 500 people turned out for last Saturday evening's seventh annual Pop Concert, presented by the Plymouth Symphony Orchestra in the Senior High gymnasium. In addition to a program featuring a wealth of popular and classical selections, the audience was treated to some particularly light moments in a number entitled "A Grand, Grand Overture." Accompanying the 100-piece Symphony Orchestra for that one selection was a special quartet comprised of (above) Robert Barbour, Robert Sincok, Dr. William Covington and Robert Beyer. Sincok is partially hidden from the camera. The four furnished special sound effects on two vacuum cleaners, a floor polisher and a quarter-inch power drill, much to the delight of guests and orchestra members alike.

Township Board Declares Sewer Contract in Default

Plymouth Township's Board declared a sewer construction contract in default last week and put in motion the wheels that will settle financially the incomplete work.

The contractor, Detmore, Inc., of Berkley had been awarded a \$106,000 contract for the installation of sewers in Arbor Village off Ann Arbor Rd. in the Township's south-east corner.

Although he completed the installation of the sewer lines, Detmore did not fulfill the "clean-up" phase of the contract. The Township previously had with-held payment of \$17,000 of the total contract.

Detmore will be notified of the action, along with the Standard Accident bonding firm and the Wayne County Road Commission. Standard Accident had issued a protection bond on Detmore's work and the road commission has become involved in the final "clean-up" of the project.

The \$17,000 that was with-held, together with the protection bond money, will go toward settling final expenses arising out of the project.

The contract was described as being in default since late last year.

In other matters during last week's Township Board meeting, the Board members:

1. Heard a request for water service for Glenview subdivision on North Territorial, but took no action on the inquiry at this time.
2. Passed a new gun club ordinance that requires a fence surround such an establishment, that prohibits outdoor night-time firing that requires sound-proofed indoor firing ranges, and generally protects "the peace, health and safety" of the public.
3. Approved a mutual fire aid agreement whereby the number of nearby communities including the City of Plymouth, Wayne, Romulus, Livonia, Inkster, Garden City, Canton, Ypsilanti Township, Nankin, Superior Township and others.
4. Authorized that an official Township fire ordinance be drafted and that the adoption of a standard fire code be studied.
5. Referred to the planning commission a matter involving the re-zoning of residential land in the southeast corner of the Township. The request, made by developer Fred Greenspan, asks that a certain single-family zoning be changed to accommodate multiple-family dwellings. The Board's concern was over the possibility of creating a "spot zoning" situation.
6. Approved the final plans of Arbor Village subdivision No. 2 (at the corner of Haggerty and Ann Arbor Rd.), taken by local builder Loren Gould.
7. Tabled for further study a request from Roy Bondie for a class "C" liquor license. Bondie has plans to open a bar in the Township at some time in the future, providing he can obtain the liquor license. The Township has only one such license at its disposal between now and the 1970 census.
8. Closed the taking of bids and agreed to study three separate offers on an employee insurance program.
9. Moved to rezone for professional office use a parcel of property on Sheldon Rd. between Ann Arbor Rd. and N. Territorial, at the request of Gould, the builder.
10. Agreed to advertise for sale 63 pieces of six-inch by 18-foot obsolete cast iron pipe.

Declare Recount Of Township's No. 3 Precinct

The Michigan secretary of state's office has notified Township Clerk John McEwen that an official recount will be conducted shortly of all ballots cast in the Township's No. 3 precinct during the April 1 election.

Exact date of the recount has yet to be established.

Purpose of the action is to verify the results of balloting on the state's new constitution, which was passed by a slender margin during the election. The Michigan Democratic Party asked for the recount.

Only certain precincts across the state will be involved in the recount.

Precinct No. 3 is the one in which former governor John Swainson's house is located. It is in Plymouth Colony, off Sheldon Rd. The ballots of both Mr. and Mrs. Swainson were challenged during the election by Mrs. Barrie Alford, an election supervisor for that precinct.

She challenged the legality of the Swainsons' two ballots on the grounds that neither were living in Plymouth Township at the time of the election, and he was no longer holding an elective office.

Stark Realty Completes Move

Stark Realty recently completed its move to 831 Penniman, the site where Mr. and Mrs. Howard Stark first opened their offices in 1951.

The real estate firm most recently was located at 838 Penniman and before that at 293 S. Main St.

In their new location, Mr. and Mrs. Stark describe their business place as the "biggest little office in town."

It is the former Leon's Watch Repair store.

Meanwhile, at 838 Penniman, George Kolbe and Neal Lamphar, of Hillcrest Auto Sales, 675 Ann Arbor Rd., are making interior improvements in preparation for a special sales project.

Judy Green Is Named Worthy Advisor

At installation of officers of the Northville Assembly No. 29 Order of the Rainbow Girls next Tuesday evening at 8:30 p.m. in the Masonic Temple Judy Green, daughter of Mr. and Mrs. Donald Green, of 625 N. Evergreen St., will be installed as worthy advisor. At the same time her sister, Margaret, will be installed as Faith.

Other Plymouth girls to be installed that evening include Barbara Battle, immortality; Ellen Elias, Fidelity; Margaret Tiffin, confidential observer; Mary Holmes, associate drill leader, and Marie Stoianoff, of Salem, drill leader.

Judy's parents are worthy matron and worthy patron of Orient Chapter No. 77 of O.E.S.

TAKE ONE FAT GOOSE...
Goose grease used to be found in most medicine chests. For a long time, it was a common remedy for chest colds and pneumonia. The high mortality rate of lung patients proves how ineffective this remedy was. Modern medications—particularly the antibiotics—have drastically reduced the death toll of pneumonia victims, shortened hospital stays and relieved untold pain and suffering. Remember this when you're ill: effective medicines may mean the difference between pain and comfort... between life and death. So, don't medicate yourself. Let your physician do the diagnosing and prescribing. Then come to us for any medications he may recommend.

All-Teen Stage Play May 23-24 **R. R. FLUCKEY**

In an effort to furnish a local outlet for teen-agers interested in the stage as either a hobby or a career, the Plymouth Theater Guild has formed a teen-age auxiliary.

Named "The Apprentice Players of the Plymouth Theater Guild," the group has been meeting periodically since last fall.

Guid regulars, headed by Jake Rumpf, have provided the technical knowledge and financial support necessary.

Legthy plans and a lot of hope will become reality May 23 and 24 at 8 p.m. in the Senior High auditorium when the apprentice players present their first full-length play "Act Your Age."

It's described as a presentation for both teens and adults, but it will be performed entirely by a teen-age cast. The script follows the fun of a pair of teen girls who pass themselves off as young women in their "pen-pal" correspondence with two far-away sailors.

Roles in the cast are filled by Linda Kiser, Mary Ann McKenzie, Dawn Hartford, Leslie Lechner, Janet Young, Karen Burk and Dale Coutts, all of Plymouth.

Several youngsters from Northville and one from Livonia complete the players.

Tickets to "Act Your Age" are on sale at the door for 75 cents apiece. Rumpf has announced that other interested teen-agers may contact him at GL 3-7734 or apprentice president Tom Webber at GL 3-3047 for further information.

Revised 3-6-63

ORDINANCE NO. 14-N

AN ORDINANCE TO AMEND ORDINANCE NO. 14, KNOWN AS THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH.

THE TOWNSHIP OF PLYMOUTH ORDAINS:

PART I. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and is hereby amended by amending paragraph (f) of Section 4.01 of Article IV, to read as follows:

Section 4.01 (f) Private parks, gun clubs, golf courses and golf driving ranges. Gun clubs with shooting ranges shall provide the following protection to adjoining property:

- Individual ranges, areas containing more than one range, or the entire property shall be enclosed with a minimum six (6) foot chain link fence with two (2) strands of barbed wire stretched on arms sloping inward from the top of the fence. Range fencing shall enclose the range proper, backstop, side walls, or greenbelt, shutoff area for shotgun ranges, firing line, ready area, and any other area in which a person might unwittingly subject himself to reasonable hazard.
- No-trespassing or Danger signs designating the hazard, not more than two (2) square feet in area, and spaced not more than two hundred (200) feet apart, shall be posted on the upper portion of the fence enclosing the range. The sign shall also be posted at each gate and other entry.
- Outdoor ranges may be operated for light arms only during the daylight hours between 9:00 A.M. and 6:00 P.M. The ranges may be operated for heavy arms only during the daylight hours between 1:00 P.M. and 6:00 P.M. only. Light arms are defined as shotguns, .22 caliber rim fire cartridges only. All other fire arms are to be considered heavy arms.
- Trap, skeet or other shotgun ranges shall be placed such that the firing positions are not less than nine hundred (900) feet from the nearest property line in the direction of fire. No backstop is required for such shotgun ranges.
- All outdoor pistol and rifle ranges shall be provided with a secondary backstop and a primary bulletstop immediately behind the target line. The primary bulletstop shall consist of inclined steel plates with sand pits, or heavy timbers backed with earth. The steel plates shall be backed with sand or other sound deadening material. The secondary backstop shall be constructed of earth and shall be of sufficient height to subtend an angle of not less than six (6) degrees above the horizontal when viewed from the firing line. The width of the secondary backstop as viewed from the firing line shall be equal to or greater than its distance from the firing line plus the width of the firing line. This backstop may be a natural rise of ground if free of stone and exposed rocks and lying entirely within the fenced area. Alternative construction affording equivalent protection and noise reduction may be allowed on petition to the Planning Commission.
- In addition to the primary and secondary backstops, all outdoor pistol and rifle ranges shall be enclosed on the remaining three (3) sides by a dense greenbelt of bushes, brush or trees not less than ten (10) feet in height and not less than two hundred (200) feet in width. As an alternative to the greenbelt, an earthwork may be constructed such that the top of the earthwork subtends an angle of not less than six (6) degrees from the horizontal when viewed from any point on the firing line, or not less than ten (10) feet in height, whichever is greater. In case of the earthwork, the two hundred (200) foot distance between the firing line and the property line shall be maintained. Alternative construction affording equivalent protection and noise reduction may be allowed on petition to the Planning Commission.
- Indoor firing ranges shall be constructed in such a manner as to provide sound reduction and to prevent stray shots from leaving the range in hazardous directions. In this event all construction plans for initial construction, major alteration and subsequent new construction shall be approved by the Planning Commission and Building Inspector.
- All ranges shall be used only in the presence of competent supervision, as designated by the responsible officers of the club. A list of the responsible officers and of qualified range supervisors shall be registered with the Township Clerk.
- One (1) parking space shall be provided on the club property for each two members of the club. All parking by members, guests and staff shall be on club property only.
- Prior to establishment of a gun club, an application for operation shall be submitted to the Township Planning Commission for consideration and approval. This application shall include location and construction plans for all ranges.

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict herewith are hereby repealed.

PART III. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.

PART IV. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, of the Public Acts of Michigan, 1943, at a regular meeting duly called and held on the 14th day of May A.D., 1963, and ordered to be given publication in the manner prescribed by law.

Rites Held Today For Helen Beals

Funeral services were held this morning in Our Lady of Good Counsel Church for Helen M. Beals, of 401 N. Evergreen, who died Saturday morning, May 18, at St. Joseph Mercy Hospital, at the age of 57.

Born May 11, 1906, in Ontario, N.S., she was the daughter of Harvey B. and Josephine Maher Fish.

A resident of this area since 1918 when she moved here from Detroit, she married Francis R. (Dutch) Beals on April 20, 1933.

A teacher in the Detroit Public Schools, Mrs. Beals was a member of Our Lady of Good Counsel Church, American Assn. of University Women, Plymouth Branch, and a charter member of the Plymouth Chapter of Business & Professional Women's Club.

In addition to her husband, she is survived by her mother, Mrs. Josephine Fish, of Plymouth, and her sister Mrs. Dorothy Campbell, of Plymouth.

Rosary was recited Monday evening at Schrader Funeral Home and interment was in Riverside Cemetery.

Francis O. Earles

Francis O. Earles, 58, of Livonia, died May 16, in Wayne County General Hospital, Elyse.

Born Jan. 3, 1905, in Linton, Ind., he was the son of John and Bessie Tanner Earles.

A machinist for Cadillac Motor Car Co., and resident of this area since 1961 when he moved here from Riverview, he married Julia Josephine Kuza on Sept. 17, 1929.

He was a member of Our Lady of Good Counsel Church, the Holy Name Society and the Ushers Club of St. Cyprian Church, Riverview. Rosary was recited Sunday evening at Schrader Funeral Home and funeral services were held at Our Lady of Good Counsel Church. Interment was in Holy Sepulchre Cemetery.

Jesse Lee Foster

Funeral services for Jesse Lee Foster, 55, 42035 Schoolcraft Road, were held at 2 p.m. Saturday, May 18, at Schrader Funeral Home with Rev. Stanley Kruse officiating. Masonic services were held at Parkview Memorial cemetery, Livonia, under the auspices of Detroit Craft Lodge No. 276 F. & A.M.

Mr. Foster died Wednesday, May 15, in Queens General hospital, New York City, N.Y., where he was working. Mr. Foster was born May 18, 1907 in North Carolina. He married Delsia E. Cox April 22, 1938. He came to Plymouth from Detroit in 1958 and was engaged in iron construction and building.

Survivors include his widow Delsia; a step-daughter Mary; one sister, Mrs. Emma Dedman, Augusta, Ga.; one brother Floyd Foster, Augusta, Ga.

Emil T. LaPointe

Funeral services for Emil T. LaPointe, 52, 209 Ann street, were held at 10 a.m. Saturday, May 18, at Our Lady of Good Counsel Church with Rev. Fr. Francis Byrne officiating. Entombment was in Holy Sepulchre Mausoleum. The Rosary was recited at 8 p.m. Friday, May 17, at the Schrader Funeral Home. He died Wednesday, May 15.

Mr. LaPointe was born Nov. 1, 1910 in Seekonk, Mass. He married Carol Weiss. He lived in the Detroit area since 1935 and was an experimental mechanic with the Ford Motor Company. He was a committeeman for the Boy Scouts and a member of the Holy Name Society.

Survivors include three sons, Bruce, David and Mark and one daughter, Nan, all of Plymouth; six sisters, Mrs. Eva Foster, Mansfield, Mass.; Mrs. Frank Moody, Valley Falls, R.I.; Mrs. Antoinette Fogarty and Mrs. Edward Johnson, Pawtucket, R.I.; Mrs. George Ashbey, Providence, R.I.; Mrs. William Walsley, Warren, R.I.; three brothers, Harvey R., Mission, Texas; Arthur, Dearborn, and Alfred, Livonia, and his father, Ralph, Warren, R.I.

Bernice H. Martin

Funeral services for Mrs. Bernice H. Martin, 75, were held at 2 p.m. Friday, May 17, at Schrader Funeral Home with Rev. Melbourne I. Johnson, D.D. officiating. Burial was in Riverside cemetery. She died May 15 in the University Convalescent and Nursing home, Livonia.

Mrs. Martin was born Sept. 6, 1887 in St. Clair. She married Olin P. Martin Aug. 28, 1911. They came to Plymouth from St. Clair in 1924. She was a member of the First Methodist Church, Plymouth.

Survivors include a son, Robert G. Martin, Livonia. She was preceded in death by her husband, July 16, 1957.

D. Bisbee Wins \$10 Cash Award

David Bisbee, son of Mr. and Mrs. Kenneth Bisbee, of 440 N. Harvey, received a \$10 prize for submitting the "best carrier written article" for the April-May issue of the "Detroit News Salesman."

A sixth grader at Bird School, David's article dealt with trips he had taken to a Canadian village and to Lexington and Concord, in addition to factual information on the Plymouth Historical Society.

A member of the Plymouth Historical Society, David, who plays the clarinet and collects stamps and coins, would like to major in history at either Columbia or Harvard University when he graduates from high school.

Invite Residents To Visit Schools

AS A preview to "Education Day" this Thursday, Mr. and Mrs. Karl Starkweather last week visited various public schools here to observe the changes that have taken place in education since they were in school. At left, Mrs. Starkweather enjoys a demonstration illustrating the principles of magnetism by three pupils in a Smith School second grade class. The youngsters are John Nash, Bill Knopf and Karen Seelhoff. In the photo at right, Mr. Starkweather visits a ninth grade biology class at Junior High East and learns of the use of a microscope from Chuck Mather and Nan Luvich, two students. All grandparents - and other residents as well - have been invited to visit the schools Thursday.

Township Fire Post

(Continued from page 1) thorn among many arising out of the matter. Attorney Earl Demel, legal counsel for the Township, has recommended abolishing the fire chief's job and immediately establishing the safety director's post. During last week's session, a motion by Trustee Dick Lauterbach urging a joint meeting with the local civil service commission died for lack of support. The Board finally deferred to caution. The matter was tabled for further study. Balsa is an unusually light and porous wood, twice as buoyant as cork. When placed upon water it will float. Consequently it is used in rafts and life preservers.

Church to Host Quartet Concert

A musical concert, featuring the Sons of Harmony quartet from Flint, will be presented this Sunday at the Church of the Nazarene, 41550 E. Ann Arbor Tr.

The Sons of Harmony are comprised of four young men, all teen-agers. Their concert will begin at 8 p.m. Sunday, although the quartet will also sing in the Sunday School at 9:45 a.m. and during the morning worship service at 10:45 a.m. The four young men will be singing under the direction of Leland Roosink, manager of the quartet. Roosink's wife will provide the accompaniment.

AUTO WASH BROKEN INTO ONCE MORE

Burglarized once only a few weeks after it opened earlier this year, Plymouth Auto Wash, on Ann Arbor Rd., was broken into and robbed again early Monday morning. Police reported that tools, a tool box, and a few miscellaneous items were taken this time. Value of the stolen goods was estimated at about \$200, police said.

FLAMES DAMAGE LOCAL GARAGE

A fire Monday noon caused extensive damage to a garage at 297 Arthur St. Plymouth firemen, called to the scene about 12:30 p.m., extinguished the blaze swiftly, but the damage had already been done. The garage is the property of Mrs. Barbara Papes. Cause of the fire was not immediately known.

EXHIBITING SOME of the "May Queens" designed at the Ladies Day bridge party at the Round Table Club yesterday afternoon are, left to right, Mrs. Richard Newton, Mrs. George Bauer, Mrs. Robert Barbour and Mrs. Frank Allison. A SALUTE TO OUR HERITAGE is the theme for this year's Fourth of July celebration and the Plymouth JayCees, in keeping with the theme, have purchased two reproductions of the original 1903 Oldsmobile. One will be given away during the Fourth celebration to a lucky ticket holder. The tickets may be purchased from any local JayCee. Wendell Smith (above) of 14302 Shadywood, and his daughter Shannon, demonstrated this "horseless-carriage" to their friends and neighbors in Lake Pointe last weekend. Smith said that anyone interested in participating in the parade or in having space for a concession stand on the fairgrounds should contact Ron Coosaia GL 3-9478. Girls interested in participating in the Beauty Contest should call GL 3-1215.

NEWS & VIEWS Lake Pointe Village

— from —
BY MARILYN O'NEIL GL 3-0057

Chances are good that a large number of Lake Pointers last Saturday evening had surprise visitors asking for some of the oddest things imaginable. The requests ranged from a marriage license, dog catcher's summons and a three-week old issue of The Plymouth Mail to an autograph of any City or Township official. The scavengers included: Dan and Carolyn Evans, Don and Jean Dugger, Larry and Barb Spagnola and Lyle and Gertrude Horskell (all of Russet Lane); Andy and Fran Anderson, Maury and Mary Breen and Bob and Shirley Reighardt (all of Greenbrook); Jim and Marianne Garber (Hammill Lane); and Doug and Shirley Blunk (Brentwood). All were fugitives from Dick and Carol Lauterbach's scavenger hunt that originated from the Lauterbach's Greenbrook home. The hungry couples enjoyed

barbecued spareribs and chicken later in the evening. One of the scavenger party guests deserves further mention. Jean Dugger will become the new vice-president of the Farrand School P.T.A. next Fall. Jean and her husband Don, who is president of the L.P. Homeowner's Association, moved here from Flint in 1959. They have two children, Cindy, 6, and David, 3. A registered nurse, Jean is a graduate of Missouri Baptist Hospital in St. Louis. Don is a graduate of U.M. and works at the Chevrolet Spring & Bumper plant in Livonia as assistant personnel director. They're avid bridge players.

Mr. and Mrs. Frank Torkola, of Laurium, Mich., were visitors last week at the Greenbriar home of their daughter and son-in-law, Betty and Homer Clark.

Travelers over the weekend were Arlene and Dick Bailey, of Lakewood. With their three children, they visited Arlene's parents in Gaylord. The occasion was the fourth birthday of their son, Jeff, and a reunion with Arlene's sister and her husband, of Phoenix, Arizona.

New members of the growing Lake Pointe clan are John and Marileen Peck, who have moved onto Robinwood. They have three girls and a boy and moved here from St. Clair Shores. John is an MSU graduate and is employed as an accountant for General Motors' Air Transport Section at Willow Run. Marileen received a BA degree in teaching from Marygrove College. Interestingly, Marileen's mother manages educational TV channel 56 and WDTR-FM radio station for the Detroit public school system.

A surprise house-warming party for Derald and Carolyn McKinley, of Hammill Lane, started out one recent Friday night like an episode out of an old Abbot and Costello movie. Here's what happened. Carolyn went shopping and Derald was working in the basement. Three of the couple's four children were asleep. Thinking Carolyn would only be gone a moment or two, three neighboring couples from Brentwood tip-toed into the darkened house, ready to surprise the McKinleys when Carolyn got back home. They hid in the bathroom. Pretty soon

Derald sent his oldest boy upstairs to take a bath. The couples ducked into the master bedroom, but another child was asleep there. They wound up hiding in a hall closet. To make the story short, the eventual house-warming party was indeed a surprise to Derald and Carolyn. The six neighbors were Larry and Doris Collins, Jim and Shirley Pagnon, and Jack and Roberta England.

Deserted by her husband last weekend was Margy Marawski, of Greenbriar. But, it wasn't as bad as it may sound. John and eight men from Ann Arbor went on their annual fishing excursion, this year to the AuSable river. Although the fish apparently weren't too hungry, it was still a relaxing interlude for John who sells life and health insurance for Mutual of New York.

June Lukey, of Greenbriar, got a new — to her — station wagon last week and according to her neighbors she seems to like it very much. She makes it a point to "test-drive" it at least once a day.

Lake Pointe was well represented at the Plymouth Symphony's annual Pops Concert Saturday night. Among those on hand were Ray and Wanda Bissell, of Russet Lane; Ron and Betty Hees, of Lakeland Court; and Bob and Nancy Kaufman, of Schoolcraft. All three men work at Down River Packaging Corp.

If you Lake Pointe housewives are plagued by door-to-door salesmen and are concerned over whether or not they are reputable, here's some information that will be of help. All door-to-door salesmen, excluding ordinary vendors, must obtain a "peddler's permit" from the Township Hall. At the same time the salesman receives his Township permit, he is urged to register with the Plymouth Chamber of Commerce. If he is reputable, the salesman is then issued an approval card by the Chamber. So, before you consider buying from a door-to-door salesman, you should ask to see his Township permit and the Chamber's approval card. If he has neither, it would be wise not to do business with him.

In 1 year American farmers grow food worth over \$27,000,000,000, according to "Life" magazine.

Mrs. Donald Strom

MARIE JULIA THORNE, daughter of Mrs. Charles Thorne, of 336 Ann St., became the bride of Donald Alva Strom, son of Mr. Peter Strom, of Piedmont, Calif., in an evening ceremony in the First Methodist Church of Plymouth on Saturday, May 4.

Evening Ceremony Unites Marie Thorne, Donald Strom

Marie Julia Thorne and Donald Strom were united in marriage in an evening ceremony in the First Methodist Church of Plymouth on Saturday, May 4.

The bride is the daughter of Mrs. Charles Thorne, of 336 Ann St., and the late Charles Thorne.

The bridegroom is the son of Peter Strom, of Piedmont, Calif., and the late Mrs. Strom.

Given in marriage by her brother Harold Thorne, the bride wore a floor length princess-styled gown of white satin, fashioned with a vee neckline and long sleeves. Her elbow-length illusion veil was held in place by a crown of seed pearls. She carried a bouquet of orange blossoms which encircled a white orchid.

Attending the bride as matron of honor was Mrs. Betty Thorne who wore a frock of turquoise eyelet with white accessories and carried a bouquet of white carnations.

Coral eyelet gowns with white accessories were worn by bridesmaids Mrs. Jack D'Haene, Mrs. Louis Lanning and Terry Ann Thorne. They also carried bouquets of white carnations.

Serving the bridegroom as best man was Jack D'Haene and Melvin Dodes and James Berger seated the guests.

For her daughter's wedding, Mrs. Thorne chose a powder blue dress.

A reception was held in the Fellowship Hall for about 125 guests immediately following the ceremony.

The new Mrs. Strom wore a navy blue suit when the

Familiar Faces

Working as manager of the boy's department of Davis & Lent since its opening in September, 1953, is Mrs. C. B. Levering, of 672 Jener.

"I especially like presenting the new merchandise. I enjoy all phases of my job, probably because of the contact with so many different

MRS. C. B. LEVERING

types of personalities," she said.

Mrs. Levering was born in Pennsylvania, near Stroudsburg, and lived in Columbus, Ohio, before moving to Plymouth 18 years ago.

She is a former school teacher in Pennsylvania and New Jersey where she taught grades five through junior high. She was also in charge of a sixth grade homeroom and taught Social Studies to seventh and eighth graders.

Mrs. Levering gained experience in retailing through previous jobs with Taylor and Blyton and Dunning's.

Her son, E. H. Levering, is married and lives in California.

Mrs. Levering, a member of A. A. U. W., formerly held the post of treasurer and is presently historian. She has been on the International Relations study group of the A. A. U. W. since its beginning 10 years ago.

Her special interest is gardening and she loves the theatre, but from the spectator's point of view. Human interest novels, like "To Kill a Mockingbird," are her favorite reading material.

The colors Mrs. Levering prefers are the autumn shades of red, green, brown and gold.

Announce Listening Post Speakers

The Plymouth branch of the AAUW has announced the speakers for the 1963-64 Listening Post lecture series, which begins Oct. 23.

The trio of eminent scholars selected to appear here are described as "internationally known" in their respective fields.

"All will contribute significantly to the Listening Post goal of widening the educational and cultural horizons of the Plymouth community," an AAUW club spokesman said.

Malcolm Boyd will be the opening lecturer Oct. 23. His talk will deal with "Art and Morality in the Modern Theater." Reverend Boyd has a varied background which well qualifies him to speak on the topic of art and its relationship to morality.

He is the Episcopal Chaplain at Wayne State University, and previously worked as a playwright, producer and director in legitimate theater and on television before he entered the ministry.

On Jan. 23, Arthur W. Burks, a professor of Philosophy at the University of Michigan, will speak on "The Theory of Artificial and Natural Robots." It is a discussion of symbolic logic in the field of computers.

Dr. Burks is a former faculty member at Princeton University.

The final lecture of the Listening Post's 1963-64 series will be held March 13 and will feature Margaret H. Sterne, an associate professor of history at Wayne State.

She is a widely-regarded authority on Germany and is the recipient of one of that country's highest civilian awards for accomplishment. She has frequently been called upon to serve as a special representative of the U.S. state department on matters pertaining to Germany.

His talk will be on "A New Look at a New Germany." Meanwhile, tickets for the Listening Post lecture series

have been placed on sale, according to AAUW member Mrs. Jules Eder, who is in charge of tickets.

Season tickets are \$4 per person and may be obtained from any of the following women: Mrs. Eder, Mrs. Henry Jensen, Mrs. D. L. Borgia, Mrs. William Clarke, Mrs. LaVerne Jones, Mrs. C. B. Levering and Mr. D. F. Van Hine.

TREASURES FROM Plymouth Pantries

MRS. HOWARD BECK

Describing it as "out-of-this-world," Mrs. Howard Beck, 12138 Amherst Ct., offers Plymouthites her recipe for Roast Pork. It has a different taste and is the only way her family will eat pork. Given to Mrs. Beck about 10 years ago by a friend, the recipe's success lies in its unique seasoning.

She has a recently married daughter, Betsy, who will soon move to her new home in Bergenfield, N.J. and a 16-year-old son, Bob, a sophomore at Plymouth High.

An expert knitter, Mrs. Beck enjoys it as a hobby and has taught a knitting class for three years. She loves cooking and gardening also.

Golf is her favorite sport and again this summer, as in the past five, she will be associated with the Plymouth Recreation Department's golf program.

She is a member of the E.C.W. of the Episcopal Church and a member of its Executive Board. She also holds membership in the Michigan State Extension Club and the D.A.R.

Working toward her State Teacher Certificate, she is presently taking a psychology course in the Teacher Education program at Madonna College.

FAVORITE PORK ROAST
2 Tbl. salt with pepper
1/4 tsp. sage
1/8 tsp. nutmeg

1/2 tsp. marjoram
1/2 tsp. thyme
1/2 tsp. mace

Mix above ingredients in bowl and rub into a 4-5 lb. loin of pork. Place roast in a hot oven (450 degrees) for 20 minutes and then reduce heat to 300 degrees and add 2 or 3 sliced carrots, 1 large or 2 small chopped onions and 2 cups of meat stock. (This may be made from 4 chicken bouillon cubes dissolved in 2 cups boiling water), and 1/2 cup dry white cooking wine (optional). Into a cheese cloth square put 1 stalk of chopped celery, 1 small bay leaf, 1 T. dry parsley, 1 clove garlic and tie cloth and drop into meat stock. Roast at least 3 1/2 hours, and basting frequently with broth.

When roast is done remove cloth bag and thicken broth for gravy, leaving carrots and onions in the broth.

Newcomers Will Don Dancing Shoes Saturday

Warren Valley Country Club, at 26116 Warren Rd., will be the scene of the Plymouth Newcomers Club annual spring dance this Saturday evening.

General chairman of the affair is Mrs. Henry Albert, 46770 Betty Hill.

The highlight of the Newcomers' spring social season, the dance will be preceded by a cocktail hour from 7 to 8 p.m. A hot buffet dinner will be served.

Dancing to the music of the Sun-Tones combo will follow, Mrs. Albert explained. Tickets, which are still on sale, are \$7.50 per couple.

Responsibility for the ticket sale has been divided among three club members.

Mrs. Henry Bell (GL 3-3805) is handling reservations from newcomers living in the City of Plymouth; Mrs. Larry Schendell (GL 3-3905) is taking reservations from those in "old" Lake Pointe Village; and Mrs. Larry Spagnola (GL 3-7456) is in charge of the sale in "new" Lake Pointe.

Residents of Plymouth since 1890, the Pedersen moved here from Detroit.

Married May 16, 1913, in Rakkeby, Denmark, they moved to Detroit that same year.

Mr. Pedersen (known as Grandpa Pete) worked for 17 years as a carpenter and retired in 1947 from the Standard Forge Co., Detroit.

Mr. and Mrs. Howard T. Dailey, of Haggerty Rd., celebrated their 60th wedding anniversary on May 15 with a quiet celebration with their family and out of town friends. The Daileys moved to Plymouth from Dearborn 15 years ago.

When you select a hair style, you want to show your loveliness to best advantage. Your facial contour has a lot to do with it.

For example, with a rather full face, or perhaps a neck just a little shorter or perhaps thicker than average, you will thrill to your appearance and draw envy with your hair styled high, away from the sides of your face.

Let's face facts. We can not all adapt to a Cleopatra or Mona Lisa style and look our best. Some women can; some of us can't. Whatever your style, whatever your preference may be, our trained operators are yours to command. We never demand. We will offer suggestions, if you like.

Art Around Us:

by Mrs. Jessie Hudson

Michigan Week, Michigan Week, all around it's Michigan Week. Closest to home is the exhibit in the Dunning-Hough Library in Plymouth. Books of special historical significance to our locality will be on view and on the walls drawings of some of Plymouth's buildings by students of Plymouth High School. The drawings record for posterity what the present City Hall looks like, capture the quaint little Historical Society building, the Victorian charm of the Cutler house on Main Street, the refurbished home at 921 Church Street, and the Greek revival architecture of the house behind Colonial Cleaners. A few students, individualistic artists all, chose to ignore the suggested list and did buildings just because they appealed to them. The old Greenlaw barn behind Dairy Queen and the Buzzard house on Main Street, for example. A judging of the drawings will be made and ribbons awarded on Heritage Day, Friday, May 24 to the best drawings in three classes, Beginning Art, Second Year Art and Advanced Art.

Historical Society Proclaims Friday, May 24, Heritage Day

The Plymouth Historical Society is celebrating Michigan Week this year with a triple celebration. The Society is proclaiming May 24th Heritage Day in honor of the two hundredth anniversary of Chief Pontiac's attack on Detroit, the fifteenth anniversary of the organization of the Society, and the first anniversary of the opening of the Society's Museum.

The Historical Society was organized June 8, 1948, with 18 members. In 1952 it became a member of the State Historical Society and in 1955 was incorporated as a non-profit, Michigan Corporation. The Society now has over two hundred members.

During the first decade of its existence, the Society members read and wrote papers on Plymouth's early days. In the spring of 1961 the city of Plymouth donated the "Polley" house at 157 South Main Street to the Society for a museum. From the spring of 1961 to May 1962, the curator, Mrs. Norma Cassidy, and her aids brought collected and stored artifacts to the Museum and catalogued them before placing them among the exhibits.

The Museum was formally opened during Michigan Week in 1962. At present it is open to visitors on Saturdays and Sundays from two to five p.m. Over 100,000 visitors have signed the register during this first year. These visitors have come from twenty-six states and Canada and about forty cities in Michigan.

The visitors have enjoyed the many interesting exhibits. One of the first items visitors see when they arrive, is the gas lamp in front of the Museum. This gas lamp dates back to 1880, when it and fourteen others were purchased by the Village Council. Originally it was an oil light that was serviced by a "lamp

lighter." About 1916 these lamps were replaced by electric lights. In the summer of 1962, Mr. James Thomas, Consumers Power Company's manager for the Plymouth area, had his engineers rejuvenate the lamp and convert it to gas. The lamp was then installed with the cooperation of the Power Company, the Plymouth D.P.W., and Plymouthites Ossie Hinote, Robert Stremich, and Robert Durie. Ossie Hinote donated his welding services, Robert Stremich of the Hillside Inn endowed the burner with new mantles, and Society member Robert Durie furnished the Museum sign which is attached to the lamp post.

As the visitors enter the Museum they find a variety of carefully assembled exhibits. One glass case contains a display of Civil War artifacts—an Army uniform, pictures and documents pertaining to the Twenty-Fourth Michigan Regiment which distinguished itself in the Battle of Gettysburg, and letters sent to relatives by local soldiers. Another case contains a collection of books, many of which date back before the 1800's. The entrance room of the Museum also boasts a Victor "talking machine" whose wooden horn and crank powered apparatus still are able to project musical notes.

A second room on the first floor of the Museum houses miscellaneous exhibits, which include vintage dolls, jewelry, toys, letters, pictures, and china. One beautifully preserved doll called the Parian Doll dates back to 1872, while a nother, a Dolly Madison doll, is dated 1892. Some of the china dates to the early 1800's.

Another room contains antique furniture and musical instruments. Among the items in this room are an organ donated by the Hartsoff family, several cradles, a doll's chairs and china cabinet, a mandolin, and a picture of E. J. Pennington, one of Plymouth's renowned forefathers.

There is also an old time pantry on the first floor. It contains an exhibit of typical pantry items, a churn, a hi chair, wooden bowls, and numerous food preparation utensils.

Upstairs, the visitors find one room devoted to school life and handicrafts. There are pictures of schools and graduating classes, old time diplomas and school records, a wooden desk and bench, a collection of school books, a school bell, and various other items including a slate dat-

ing to 1870 and straw hats worn by school boys in the 1880's.

The impressive handicraft display includes exhibits of tools and processes used in the making of wool cloth, a sewing machine that was made about 1850, a quilting frame, spinning wheels, and samples of handicrafts, such as bedspreads and table cloths.

Another room exhibits dresses, bonnets, capes, and hats worn in the 1800's. It also contains a vintage commode, chest of drawers, and bed.

A third room houses the Museum's collection of the "essentials" which made life easier for the man and woman of the early years in Plymouth—the wooden wash board, homemade lye soap, an old fashioned wooden wringer, a variety of coal heated and stove heated irons, harvest sickles and hand corn huskers, an ox yoke, dated 1845, numerous augers, a shoe repair form, and a leather horse harness and fly net.

Another room is devoted to collections of pictures, coins, and maps. One collection of pictures show Plymouth at its various stages of development, including one showing the Village water pump and stage coach line. Other exhibits give a pictorial history of some of the famous Plymouth homes and buildings.

Several of the most prominent included are: the extremely well preserved Hardenbergh home, located on Holbrook and Hardenbergh, dated 1855, which is now owned by former City mayor Harold Guenther; the Hough homes on Warren Avenue and Haggerty, dated 1835; and the Connor Building on the corner of Pennington and Main, whose heritage dates back to Civil War times and the early 1900's.

The coin collection is of tremendous interest to the younger set, and the map collection which has been primarily assembled and donated by Society president Sidney D. Strong, is the interest and admiration of all age groups.

During this week which has been especially set aside in honor of Michigan and its great heritage, its intriguing past, and its promising future, the Plymouth Historical Society would like to extend to you an invitation to visit their Museum and to share with them Plymouth's "good ole days". The Society would also like to inform interested readers and visitors that contributions of any type of item from Plymouth's past are always eagerly sought and warmly welcomed.

Keep lawn beauty! Weed & feed with... Agrico WEED CONTROL with FERTILIZER

Don't let broadleaf weeds get a foothold in your lawn. They compete with and can crowd out desirable grass. Destroy these lawn enemies early with double acting Agrico Weed Control with Fertilizer. The herbicide content kills Plantain, Dandelion, Buckhorn, Shepherds Purse and other broadleaf weeds. The fertilizer, formulated with slow-acting nitrogen, encourages grass to fill bare spots left by dying weeds, and gives the entire lawn a lift. Be sure to include Agrico Weed Control in your program to maintain lawn beauty.

Our front page story this week about the coming Fall Festival confronted us with the fact that there are only about three months left to stage and launch this tremendous civic undertaking.

It further reminded us that if other local organizations have had plans in the background of tying in with this week, in some promotional way, the time is at hand for them to get out their drawing boards and get to work.

There is no doubt in my mind but what during the five days preceding the Rotary Barbeque there is unlimited opportunity for other local organizations to launch some event which would not only make the week more successful but perhaps provide a way to raise additional funds for their group as well.

We are all proud of the way the Veteran groups handle our observance of Memorial Day, we are equally as proud of our JayCees in the tremendous event they are staging for the Fourth of July. Our local Kiwanis Club is building more community image with their bounteous pancake feasts which are attracting more and more people every year. There are others, too.

Perhaps the local church which was considering staging a Pilgrims Thanksgiving pageant for the public during this week might get started in a modest way this fall, and certainly any group who would consider any function to attract visitors to our community during this week would get the unlimited support of all those presently engaged in this project.

Why not get in the act? I can assure you your effort would be most welcome and you might build up that treasury, too.

I guess city dwellers never realize the many interesting things their farm friends have to enjoy in their daily routine especially if they are interested in wild-life. At least I can truthfully say we didn't realize the many interesting things that the wide open spaces would provide for our amusement.

During the last two weeks we have enjoyed the antics of a pair of foxes and their five young pups who chose the middle of the rise in one of our fields for their home.

We had observed a new mound of dirt at the site of their den but, until our curiosity got the best of us one Saturday noon and we took out our field glasses, we had no idea that a family of Red Fox had homesteaded next door.

My first impression was that we should get rid of them because it was our idea that the fox was one of the most destructive of all predators. But Mr. Fox, his vixen and pups were saved by the timely arrival of a copy of Michigan Conservation, a publication of the Michigan Conservation Department which coincidentally, in this issue, had devoted several pages to Michigan's Red Fox.

Long ago, the people of Michigan asked the Conservation Department to sort fact from fancy in looking at the Red Fox, the magazine says. Two main subjects were the object of the study. Was the fox such a crafty trouble maker? Were the fables about the fox really true? According to the Department, the facts were gathered, and as it turns out, the fox isn't nearly as awful as he was pictured to be.

Some of the conclusions are interesting and, based upon the authority of the Conservation Department, I have decided to let my neighbors remain as undisturbed, non-rent paying tenants until fall, when, the story says, they will break-up housekeeping, separate and scatter in all directions, of their own accord.

Just for the record I shall include a few kind words for my neighbors so that you, too, may know what the Conservation Department found out about these members of our wildlife society.

First, Michigan has a lot of foxes and anything we might do will never rid the State of them. Least of all has the present bounty caused any reduction in their numbers because they are just plain here to stay, as many other states have found out.

The average fox family consists of mother, father and five pups, exactly the number we have. A gray pup is uncommon and usually found once in every 2,000. Here we beat the odds as there are two in our litter.

According to the book again, the den usually has two or three openings which are about 15 to 20 feet from the bottom of the tunnel which they make, and the bottom of the tunnel is usually six to eight feet below the ground.

Further, the article says bounties were established because people thought foxes ate lots of game birds and animals. However, the Michigan study shows that foxes merely eat whatever edibles they can find. Probably the most important single item in their diet is field mice, but they also normally eat insects, snakes, rabbits, fish, dead creatures found on roadways, corn, frogs, and many other kinds of meat, vegetables and fruit. In proportion to other things, foxes do not eat many pheasants or rabbits simply because these two important game species are too difficult to catch.

A chart in the book shows that three per cent of the Michigan pheasant mortality is attributed to the fox in the spring, less than one per cent in the summer, less than one per cent in the fall and three per cent in the winter.

The story ends with these conclusions. In 1962, squirrels caused eight times as much damage as foxes and foxes also trailed raccoons, beaver, dogs, muskrats, skunks, rabbits, woodchuck and deer in the number of damage complaints registered in Michigan. So, you see my neighbors aren't as bad as they seem, and I guess we could spare one or two weak pheasants from our several flocks to have the fun of watching this wild family cavort about our fields.

THE LOBBY in Plymouth's post office is sporting a new look these days. Work recently was completed on the installation of new aluminum shuttered windows, new counter tops and lock boxes. Shown behind the remodeled teller windows are postal employees Fred Carter, Mar-

jorie Moon and Virginia Von Hofe. That's postmaster George Timpona between the two women. He said that the installation of an air conditioning unit has been authorized with the work to begin later this year.

Letters To The Editor

The Plymouth Mail
Plymouth, Michigan

Dear Editor—

In your May 14 edition under the story "The Professor Sez," by Ed Brown, he asks any information concerning former graduates of Plymouth High School.

Just for the record, I am a former student, 91 years old, and graduated June 19, 1891. I make my home at the West Trail Nursing Home at 395 W. Ann Arbor Tr., and am the former Janet Crosby.

If you have knowledge of any class members of that year, I would appreciate hearing about them. There were only 10.

Sincerely,
Mrs. B. A. Hodge.

(Dear Mrs. Hodge: Although he was not specifically a member of your class, Coello Hamilton, of 311 Hamilton St., is also a long-ago student at Plymouth High. He was scheduled to graduate with the PHS class of 1890, but was compelled to drop out of school a few months before graduating ceremonies that June. He recently celebrated his 91st birthday, too. — Editor's Note.)

Mr. Sterling Eaton, Editor
Plymouth Mail

Dear Mr. Eaton,

Your April 10 column quoted an article by Louis Ber- man. His article asked, "What makes a 'good' town?" His answer was, "People." I certainly agree with the writer.

There are many people in Plymouth who make it a "good" town. Sometimes we fail to appreciate their efforts and take them for granted. Without them there would be a void. I think a special salute should go to the people who make the adult education and summer programs successful, to the people who perform at the summer band concerts in the park, to the members of the Plymouth Symphony, to the people responsible for parades and civic affairs, etc. The list is long!

At the top of my personal list would be the talented Marion Sober who operates a very unusual and wonderful art studio on Joy Road. Since moving to Rhode Island last August, I have failed to find

anything comparable in this area. I wonder if Plymouth is aware of her unselfish contribution to our culture? Here are the "grass roots" of American art. The old crafts of caning, rushing, etc. are being nurtured here (a miniature Sturbridge Village). Without people like Mrs. Sober, these handicrafts will vanish from our scene.

Plymouth can point with pride to the delightful yellow country studio on Joy Road where many have discovered the joy of painting and working with their hands.

Sincerely,
Rita Munzer
345 Diamond Hill Rd.

(Editor's Note — The Plymouth Kiwanis Club's church committee devotes its efforts to furthering the spiritual life of the community as well as that of the Kiwanis Club itself. In this connection, the following letter, written by a member of the Kiwanis church committee, attempts to answer the question "What does your religion mean to you?" The Mail intends to publish further letters on the same subject in the future.)

The Plymouth Mail
Plymouth, Michigan

Dear Editor—

When one is asked "What does your religion mean to you?" he is in effect being asked "What values do you attach to spiritual things?" or "What does a belief in God and the scriptures mean to you?" There would undoubtedly be as many different answers as the number of persons being asked. Yet each person might be very sincere in what he believed, depending upon his personal knowledge of the scriptures and his personal acquaintance with Jesus Christ.

On the back of our dollar bills is written, "In God We Trust." It seems sometimes the question might well be asked — "Do we trust in God or the dollar bill?" Each of us must answer this for himself. Surely we must realize this nation of ours did not become great except that great men believed all things are ordained of God. These men were also strong believers in the power of prayer. Each of us can test our own

possession of spiritual values by how they support us in times of emergencies. "A man has no more character than he can command in time of crises."

Men have expressed a belief in God in various ways. Some have called Him the Great Spirit, while some have worshiped him in the beauty of nature. One has said, "God is to me that creative force, behind and in the universe, who manifests Himself as energy, as life, as order, as beauty, as thought, as conscience, as love." Another expresses himself a little differently when he says, "Religion is the first thing and the last thing, and until a man has found God, and been found by God, he begins at no beginning and works to no end."

As for me, I believe we come to know God through His son Jesus Christ. I am proud to claim Christ as my friend. So — one will ask — what is a friend? The dictionary says a friend is, "one held in high esteem and affection; a close associate." Therefore, Christ is one we should have great affection for; one to take with us wherever we go; one we are not ashamed to introduce to in whom we can confide any of our acquaintances. He is one thing and everything. He will stick with us when we let Him down. He helps us over the rough spots each day, and when our friends forsake us, He will still love us.

In this critical days of our crises after another, I find it very comforting to have Christ as my personal friend.

From a Kiwanian,
Dr. A. E. Van Ornum

JayCees Seek More Entries For '4th' Parade

The Plymouth JayCees, already well along on their plans for the Fourth of July celebration here, have issued an invitation to any local organization, commercial firm and all individuals to participate in the annual July 4th parade.

A JayCee announcement states that all interested parties will be considered. Specifically, the JayCees hope to add a number of new floats to the parade, along with more bicycles, antique cars and marching groups.

The JayCees indicate there is no limit on the number of additional entries that would be accepted. Parade chairman is Ron Coosaia. For further information, contact him at GL 3-9478.

Plymouth JA Firm Seventh Out of 369

A Plymouth Junior Achievement firm has won seventh place in the JA's annual industry award competition in southeastern Michigan.

The award winning teen-operated firm is Ply Nor Company, which recently disbanded along with the rest of the JA companies here.

Counselled by Chevrolet Spring and Bumper plant in Livonia, Ply Nor was one of 10 teen-age firms at the local JA center this past winter. President of the firm was Thomas Abraham, 17-year-old son of Mr. and Mrs. Stanley Abraham, 14485 Robinwood.

Ply Nor was in competition for the industry award with 369 other JA companies from southeastern Michigan. The Abraham youth is a senior at Plymouth High. Ply Nor's product was an outdoor thermometer. The firm assembled, packaged, sold and distributed them.

Adult advisors were Charles H. Boyer, Ronald Czuba, George T. Hardy and Carl York.

Two Losses Drop Plymouth '9' To Third Place in Conference

Mike Hoben is finding no pleasure these days in the fact that his earlier expressions of caution and concern were thoroughly borne out last week.

Plymouth's capable varsity baseball coach had entertained a visible note of worry during the brief span recently when the Rocks shared first place in the Suburban Six league.

His reasons for concern appear to have been well-founded, since Plymouth has slipped abruptly from first place in the conference into a tie for third.

Well aware that the 1963 Plymouth squad is no comparison to the sturdy units of a half-decade ago when the Rocks swept five league

crowns in a row, Hoben had wisely cushioned himself against the moment when the "roof fell in" on the Rocks this season.

It happened last week. In a three-day span, Plymouth dropped two out of three games, with both defeats coming at the hands of conference foes.

One loss removed Plymouth from its share of first place and the second defeat sent the Rocks a notch lower into their present tie for third.

The three-day period produced these results: Bentley downed the Rocks, 7-2, on Tuesday; Plymouth narrowly avoided defeat Wednesday as Northville furnished the Rocks with a 6-5 victory;

Belleville rallied for two runs Thursday to beat the Rocks, 12-10, in nine innings.

It left Plymouth with a 5-3 mark for the season and a 3-3 record in conference activity. Holding the front-running position in the league is Bentley (5-1). Belleville is 4-2 and only one step behind the league leaders.

Redford Union and Plymouth are deadlocked for third, each with 3-3 records. Allen Park is 2-4, and Trenton trails with a 1-5 accomplishment.

Bentley High was a submissive foe at the start of the first game last week. In fact, the Rocks fashioned a 1-0 lead that changed to a 1-1 tie when the Bulldogs scored once in the fifth after two were out.

The sixth inning was the turning point. Bentley awoke viciously, scoring six times, and turned the game into a rout. Losing pitcher was Dick Schryer.

Against Northville, the Rocks got only two hits, but errors and walks made up the difference. Plymouth overcame a 3-0 deficit along the way. Caleb Luibrand started on the mound for the Rocks, but gave way to Tom Von Glahm who emerged with the win.

The Belleville game was a comedy of errors. The Rocks trailed 10-3 in the sixth but scored seven runs in that inning on four hits, four walks and two Belleville errors.

But Belleville pushed across two runs in the top of the ninth, the second inning of extra play, and then held the Rocks scoreless in the bottom half to win.

Hal Kuisel's triple was Plymouth's biggest blow in the seven-run rally in the sixth. Bob Gotro tripled earlier in the game but was unable to score. Schryer contributed three hits in four trips.

For Plymouth, Jim Edwards started and gave way to Von Glahm in the fifth. John Daniels worked the sixth and Schryer came in from the outfield to finish the game and absorb the loss.

Schryer struck out the first six men to face him but walks put him in trouble in the ninth. He couldn't extract himself.

Tennis Team Eyes Crown

Confidently eyeing the Suburban Six league tennis crown, Plymouth High's tennis team picked up two more conference victories last week.

One of them was well worth savoring. The Rocks turned back a strong Trenton squad by a 4-3 advantage in what was believed to be only the second time Plymouth has defeated the downriver team in nearly 10 years.

Victory rested entirely on the outcome of the concluding doubles match, and Plymouth's combination of Tim Wernette and Robin Huxley were equal to the challenge.

After splitting the first two sets with their Trenton opponents, Wernette and Huxley were down 2-5 in games in the third set. Faced with defeat and the loss of the overall match, the Plymouth pair rallied to claim a narrow 8-6 decision in the deciding set.

Bentley was Plymouth's other victim last week, 5-2. Dave Tidwell and Dale Livingston were victors in singles action, and all three of the Rocks' doubles teams were winners. Again, Wernette and Huxley were involved in some dramatics.

They played 50 games in three and one-half hours to finally gain a 10-8, 7-9, 9-7 decision. It was the longest doubles battle that Plymouth coach James Doyle could recall.

Wednesday the Rocks take on Trenton once again in a match billed as the deciding one for the league crown.

Golfers Miss Regional Win By Hairbreadth

Plymouth High's varsity golfers missed an outright victory in the Class A regional last Friday by only seven strokes and failed to qualify for the Class A state meet by five.

Six strokes separated the top four teams in a battle that featured 18 schools.

Since only the top three schools qualified for the state meet, Plymouth's fourth-place finish at 328 went unrecognized.

Ann Arbor and Walled Lake tied for first, each with 322 totals, and in a sudden death play-off to decide the individual champion, Walled Lake emerged the victor on the second hole.

Bloomfield placed third with 324, four strokes better than Plymouth. The meet was held at the Burroughs Farms course near Brighton. A year ago, Plymouth finished fifth.

For the Rocks, Dave Wall fired a 79, Carl Zornow had 81, Jim Mattison 82, and Jerry Scott 86. Par is 71. Medalist was Walled Lake's Brian Keen with 75.

Earlier in the week, the Plymouth golfers scored their eighth dual-meet victory against three defeats. Redford Union was the victim by a 139-156 margin.

Playing on the par-33 back nine at Brae-Burn, Skip Ottwell led Plymouth with a par-equaling 33. Wall and Joe Light had 35 apiece and Zornow carded a 36. Tom Drutchas had 36 for the losers.

Summer Recreation Plans Include Swimming for All

An extensive recreation swimming program is only one of a number of organized events being offered this summer by the Plymouth recreation department, according to director Herb Woolweaver.

Information sheets on the summer schedule of events were sent home to local families by way of school children last week, Woolweaver said.

In addition to the swimming program, a full range of playground activities are also being offered to Plymouth youngsters.

Adults are included in the swimming schedule, too.

Special activities include baton instruction, classes on the French language and French customs, a physical fitness course for boys and girls, tennis instruction, a boy's baseball program, and a men's softball program.

Instructional swimming classes will be conducted for school students. Fee will be \$4 per student. In addition, students in all grades may take part in a regular recreational swimming program on weekdays, and both adults and students are included in the evening swim schedule.

Further information on the summer program, and on registering for it, may be obtained at the recreation office, GL 3-3100.

With victories in four of the five singles matches, Plymouth's junior high tennis team claimed a 5-1 decision over Northville Junior High May 15.

James Stevens, an assistant varsity tennis coach at Plymouth High, is the coach of the local junior high squad.

Plymouth's Steve Hulce, an eighth grader, raced to a 6-1, 6-0 victory in the No. 1 singles, and ninth grader Rick Jones was a 6-3, 6-4 winner in the No. 2 singles.

Steve Mogle, a seventh grader, dropped a tight 6-4, 6-4 decision in No. 3 singles, but seventh grader Bob Stover coasted to a 6-0, 6-0 win in No. 4. George Mecklenburg claimed a 6-4 victory in No. 5 in a one-set match.

In doubles play, Bill Wolfe and Bob Parsons chalked up a 6-4, 7-5 decision in No. 1, but Jim Wibby and Chris Bellmore, a pair of seventh graders, had to settle for a tie, 3-6, 7-5 and 1-1.

Unable to enjoy the sweetness of victory in four regular season events, Plymouth's varsity trackmen are hopeful of some measure of success in the Redford Union Invitational Reserve relays Thursday afternoon.

Slated to start at 3:30 p.m., the reserve relays will wind up the junior Rocks' season.

Latest loss for the junior varsity trackmen came last week when Belleville administered a 64.5 to 44.5 beating on May 16. The meet was conducted at Belleville.

Plymouth's points came in its own spurts. Belleville scored sweeps in four events, the shot put, broad jump, mile run and 180-yard low hurdles.

For the Rocks, Ron Becker took a second in the high jump and Gary Gould tied for

After Belleville finished one-two-three in the mile, Plymouth took some consolation by winning both the mile relay and the 880-yard relay.

Jerry Couts, Bob Hill, Terry Holt and Dave White did the trick in the mile relay in 3:58.4, and Ron Becker, Gary Gould, Hank Brenne-man and Bruce Mirto combined forces in the 880-yard relay. They were clocked in 1:40.

For the Rocks, Ron Becker took a second in the high jump and Gary Gould tied for

THE STUDENT COUNCIL at Plymouth High has presented the school with an all-inclusive sports accomplishment trophy board. Covering a 10-year period, the board will tell at a glance exactly which schools in the Suburban Six conference were champions in the nine various varsity sports during each season. The five other schools in the conference have identical trophy boards. Presentation of the one here was made by school mayor and student council president Buzz Smith (at left) to athletic director John Sandmann. The trophy board will be displayed in the trophy case near the gymnasium. In addition, individual traveling trophies for each of the nine sports have been placed in circulation. Each of the individual trophies will be retired whenever one school wins the championship three times in that particular sport, and a new traveling trophy will replace the one that is retired.

McAllister's Wins Softball Inaugural

Team manager Jim Wyman pitched and batted McAllister's to a 3-2 victory over Men's Lutheran last Wednesday evening and Evans Products defeated Paragon Steel, 19-14, as the 1963 men's class B recreation softball league got underway here.

Wyman, a veteran player-manager in the Plymouth men's softball program, drove in two of his team's runs with a pair of singles, scored the third and decisive run, and allowed only five hits on the mound.

He got solid hitting support from his McAllister's teammates. Ed Spala contributed a double and Marv Haskett and Ed Wall each had singles in a close battle between two evenly matched clubs.

The game between Paragon Steel and Evans Products was a wild affair, dotted with almost as many errors as there were base hits. Evans won, 19-14.

Originally the league was scheduled to start its activities Monday night, May 13, but inclement weather forced a postponement of those two games and league supervisor Earl Gray said they would be played June 12.

There are nine teams in the

class B men's softball conference. Games are played Monday, Tuesday, Wednesday and Thursday nights behind the Senior High. First game each evening begins at 6:30 p.m. There is no admission.

Seek Baseball Team Managers

Additional managers are needed for baseball teams taking part in the Plymouth recreation department's summer program, announced Recreation Director Herb Woolweaver this week.

He said local men interested in becoming team managers may contact the recreation office for further information. The telephone number is GL 3-3100, extension 4.

There will be three age groups playing baseball this summer here. Woolweaver said. The 14-and-under group is designated as Class F, a 15-and-under division is Class E, and the 18-and-under division is Class D.

Games in all three divisions are played on week nights at 6 p.m.

Junior High Tennis Team Wins

With victories in four of the five singles matches, Plymouth's junior high tennis team claimed a 5-1 decision over Northville Junior High May 15.

James Stevens, an assistant varsity tennis coach at Plymouth High, is the coach of the local junior high squad.

Thinclads End with 4-3 Dual-Meet Season on Mark

For Plymouth High's varsity thinclads, an appropriate rallying cry these days could be something to the effect that "all roads lead to the Suburban Six league's championship meet May 28 and 29."

Whether this is a full evaluation of the present state of affairs for the Rocks' track team is open to conjecture, but when the dates of the league championship class finally arrives, one thing is certain:

Plymouth will be intent upon retaining the championship crown that it won with ease a year ago.

The Rocks moved two steps closer to the league test last week. In one, Plymouth wound up its dual-meet season with a hearty 62-47 victory over Franklin High, and in the other the local thinclads scored 14 points to gain fourth-place in the Class A regional games at Livonia-Bentley.

The victory over Franklin earned the Rocks a 4-3 dual-meet mark for 1963, considerably below the perfect 6-0 record of a year ago.

Results of the Class A regional test also found that Plymouth had slipped a bit over last year's performance in the same meet. In 1962 the Rocks came in second.

In any event, Plymouth is fast approaching its "day of decision" in track this spring.

First, however, the Rocks will take part in the state Class A meet on Saturday, May 25, at East Lansing. Preliminary events get underway at 10 a.m., according to coach Keith Baughman, and the finals start at 1 p.m.

Then, on the following Tuesday and Wednesday, the Rocks and the five other league schools square off in the championship battle, hosted by Bentley.

In the regional games last Saturday, Pontiac Central repeated its victory of a year ago, this time on the strength of 60.25 points. Waterford-Kettering was second with 25.25, Bentley High placed third with 16.5 and Plymouth was fourth with 14.

Five Plymouth thinclads accounted for all of the Rocks' 7.5 scoring. In three events, new records for Plymouth were established and one of those also represented a new mark

for the Regionals.

Hugh Sarah won the shot put with a toss of 56-foot-2, cracking the previous regional record of 52-foot-10. Sarah's performance also bettered the school mark he had set earlier this season. It was worth five points for Plymouth.

Bob Steele came in second in both hurdles events and each time set new school records. In the 120-yard high, he was timed in :14.8, two-tenths of a second better than his own previous Plymouth record.

Steele's time of 19.9 seconds in the 180-yard lows bettered a previous school record of 20 seconds flat, which he shared with Jeff Yeoman. Steele's performances were worth four points apiece to the Rocks.

Plymouth picked up one other point with a fifth-place finish in the 880-yard relay. Gary Grady, Dave Agnew, Dave Van Ornum and Steele combined for a 1:35.8 clocking.

In the Franklin meet, at Franklin on May 14, Plymouth won with ease. The Rocks captured first place in nine of the 13 events.

Jim Ayers opened the proceedings with a victory in the shot put (47-foot-10) and Hal Smith was third. Mark Fischer won both the broad jump (18-foot-10) and the pole vault (9-foot-6). Steele was second in the broad jump. Mark Schultheiss and Chris

Gaffield were two-three in the high jump.

Gaffield returned to win the 120-yard hurdles in :16.6 and Bob Powell came in second. Dave Van Ornum was second in the 100-yard dash. Franklin swept the 880.

Steele won the 440 in 52.4 seconds and Gaffield was first in the 180-yard lows in 22.3 seconds with Grady taking second place in that event. Van Ornum won the 220 in 24 seconds flat, but Franklin scored its second sweep of the meet as it shut out Plymouth in the mile run.

The Rocks took both relay events. In the mile relay, Fischer, Schultheiss, Bill West and John Bowsman were clocked in 3:42, and Grady, Van Ornum, Steele and Dennis Tonkovich were first in the 880-yard relay in 1:38.2.

In scoring on an individual basis, Fischer led the way with 11.25 points, Gaffield had 10 and Steele accumulated 9.25 points.

Mr. and Mrs. Roy Kehrl of Seven Mile Road announce the engagement of their daughter, Dorothy, to Mr. Thomas Homrich, son of Mr. Forrest Homrich and the late Mrs. Homrich of Grand Rapids.

A June 1 wedding is planned at the First Baptist Church in Plymouth.

Mother's Day started for Mr. and Mrs. Harlow Ingall of Joy Road with their son-in-law and daughter, Mr. and Mrs. Lavern Phafer, coming from Findlay, Ohio. After attending church the Phafers left for Albion to attend Parents' Day at the college where their son, Mike, is a student.

Mr. and Mrs. Calvin Ellenwood, another son-in-law and daughter, came from Woodland Beech near Monroe and they all enjoyed dinner at the Farm Cupboard on Ann Arbor Road. On Sunday evening the Ingalls were surprised by a telephone call from daughter, Mrs. Frances McGlone, of Portland, Oregon. There being no more time on Sunday, they were entertained at dinner on Monday by their son and daughter-in-law, the Lawrence Ingalls of Joy Road. Agnes, I would say you had a very busy and pleasant Mother's Day.

Rev. and Mrs. David Rieder of Downers Grove, a suburb of Chicago, Ill., spent a few days last week with Mr. and Mrs. Roy Kehrl of Seven Mile Road. While here they attended the American Baptist Convention at Cobo Hall.

Friends of Mr. Mick Fahrner, formerly of the Thayer Place in the township, will be sorry to learn of his passing in California on Thursday, May 9. Services were held at the Muehlig Funeral Chapel in Ann Arbor on Tuesday, May 14.

The Hobby Club met with Mrs. Fred Varran on Six Mile Road on Monday, May 20. A fancy gadget for washing dishes and still looking decorative was the project for the evening. After the sewing lessons refreshments were served by the hostess.

On the sick list are Mr. Jim O'Connor of Salem Road and Mrs. John Van Aken with a sprained ankle.

Mr. and Mrs. Dick Whittaker of Brookville Road have returned from a week's vacation touring the Southern States.

Mrs. Kenneth Rich of Salem Road, Mrs. Joseph Bagnasco of Plymouth, Mrs. Fred Rich of South Lyon, and Mrs. Burton Rich of Salem Road attended a bridal shower for their cousin Miss Dorothy Rich of Farmington at the home of Mrs. James Rich in Livonia, Thursday evening, May 16.

Mr. and Mrs. Joseph Bagnasco and Mrs. Burton Rich traveled to Holland Michigan, Saturday, May 18 for the Tulip festival.

The Whittakers and the Rich's attended the Antique Car Club Picnic and green foliage tour Sunday May 19 at Murray Lake located at Ann Arbor and Curtis Roads. This accounts for the Antique cars we have seen around the past few days.

The Busy Twelve Hobby Club will meet at the home of Mrs. Dorothy Trombley on Napier Road, Tuesday May 28.

The project for the evening is making hats, any one having patterns is requested to bring them. The regular social hour and refreshments will follow.

NAVY RECRUITING
U.S. Navy recruiter Roland Steele has announced that June high school graduates enlisting in the Navy may be granted "advanced leave" before reporting for active duty. Steele has offices at 100 Dunlap, Northville.

Sullivan, who intends to move to Plymouth in the near future, has been field sales manager for another division of the corporation that controls Whitman & Barnes, Conroy, whom Sullivan is succeeding, resigned recently.

Helicopter "Drops In" For Sausage

If you make the right kind of sausage and you happen to have some spare acres back of your plant, you may be favored by customers landing in helicopters.

At least this was the unusual experience of F. A. Koch & Sons Sunday morning when one of their Jackson, Mich., customers "dropped in" in his private helicopter after a 20-minute flight from Jackson.

Although a customer of long standing it was never known that he was an aviator which made his landing a real surprise. Needless to say, his purchases were sufficient to make the trip mutually profitable.

So, it can't be said of Plymouth that "people come and people go but nothing ever happens".

Chevy II Nova 400 6-Passenger Station Wagon

A Chevy II wagon looks this big when you load it up

and this big when you gas it up

That, in the eyes of most Chevy II wagon owners, is just about the size of it. A king-size appetite for cargo. But a dainty one for gas.

And this, we hardly need add, is just the kind of wagon we planned it to be. Just the kind that makes loads of sense, too, these bright beckoning days when you feel the urge to pack up and go.

Taut and trim as it is on the outside, we went to great lengths to keep it BIG where a wagon should be BIG. The load platform extends a full 7 1/2 feet from the back of the front seat to the tip of the

lowered tailgate. Try that on your surfboards, camping paraphernalia and what have you.

And for all the pepper we packed into that 6-cylinder engine (you also have a choice of an even thrifter 4 in most models), we were careful to keep it simple, easy to service—and, as we say, a real stickler on fuel economy. From the way it nurses a gallon of regular, in fact, you'd almost think it makes its own.

Feel in a traveling mood? Well—happy coincidence—this is the time of year your Chevrolet dealer feels in his most generous trading mood.
